

certificates and have attended the normal institute, with the number of days attendance of each. A similar report of summer school attendance shall be secured by the president of the board. In any subsequent examination or renewal the board may give such credit for institute or summer school attendance as it may determine, any rule adopted to apply equally to all similar cases.

SEC. 23. **In effect.** This act shall take effect and be in force on and after October 1, 1906.

Approved April 5, A. D. 1906.

CHAPTER 123.

BIENNIAL REPORT OF THE STATE UNIVERSITY.

S. F. 801.

AN ACT to amend section two thousand six hundred forty-one (2641) of the code, relative to the reports of the state university.

Be it enacted by the General Assembly of the State of Iowa:

SECTION 1. **Biennial report.** Section two thousand six hundred forty-one (2641) of the code is hereby amended by striking from the eighth line thereof the word "odd-numbered", and by inserting in lieu thereof the word "even-numbered".

Approved March 30, A. D. 1906.

CHAPTER 124

PROVIDING FOR A NEW COURSE OF STUDY AT STATE COLLEGE OF AGRICULTURE AND MECHANIC ARTS.

H. F. 880.

AN ACT to provide for the establishment of a course of practical and scientific instruction and investigation in the art of clay working and ceramics including the manufacture and use of cements and allied industries in the Iowa state college of agriculture and mechanic arts. [Additional to chapter four (4) of title thirteen (XIII) of the code, relating to the state college of agriculture and mechanic arts.]

Be it enacted by the General Assembly of the State of Iowa:

SECTION 1. **Department of ceramics.** That the trustees of the Iowa state college [of agriculture] and mechanic arts be, and they are hereby required to establish in said college a department of ceramics for the technical and practical education of clay workers, cement manufacturers and users and other allied pursuits in all branches of those arts which exist in this state or which can be profitably introduced and maintained in this state from the mineral resources thereof; including the geology and properties of clays, cement materials, fuels, and other minerals required, and the testing of the products thereof; also the manufacture of fire brick, pressed brick, paving brick and of glazed and enameled brick of all kinds, of sewer pipe, drain tile, fire proofing and terra cotta, of pottery, porcelain, china, and other specialties; also including the details of the manufacture and uses of cement and the details of other allied industries.

SEC. 2. **Investigation of clays, cement materials and mineral products.** Be it further enacted, that the said college shall provide as a part of its engineering experiment station work for the investigation of clays, cement materials, fuels, and other mineral resources of the state with especial reference to their economic uses, and for the publication and dissemination of information useful to such industries and for the testing the products thereof.

Approved April 10, A. D. 1906.
