

feeding and management of live stock; investigations relating to animal diseases; the origination, introduction and management of fruits; the production and marketing of dairy and other farm products.

SEC. 3. Appropriation. For the purpose of carrying out the provisions of this act there is hereby appropriated out of any funds in the state treasury, not otherwise appropriated, the sum of fifteen thousand (15,000) dollars. Said appropriation to be available on and after the first day of July nineteen hundred and six; provided, that the funds appropriated by this act shall be expended according to plans agreed upon by the president, the dean of agriculture and the board of trustees of the Iowa state college of agriculture and mechanic arts.

Approved April 10, A. D. 1906.

CHAPTER 186.

SPECIAL TAX FOR BUILDING PURPOSES FOR THE STATE NORMAL SCHOOL.

R. F. 176.

AN ACT to provide for the erection, repair, improvement and equipment of buildings for the state normal school.

Be it enacted by the General Assembly of the State of Iowa:

SECTION 1. Special tax—how levied and drawn. For the purpose of providing for the erection, repair, improvement and equipment of such necessary buildings as shall be determined upon by the board of trustees of the state normal school for the completion of said institution, there shall be levied annually for five years a special tax of one-tenth of a mill on the dollar upon the assessed valuation of the taxable property of the state and the proceeds thereof shall be carried into the treasury to the credit of said state normal school. Said levy shall be first made with the levy made for state purposes in the year nineteen hundred and seven (1907) and the same levy shall be made annually for the four successive years thereafter. The money realized from such levy for said state normal school shall be held by the treasurer of the state for the purpose hereinbefore provided and drawn upon requisition of the board of trustees of said state normal school.

SEC. 2. How expended. The funds to be realized from the tax levies herein provided for shall not be anticipated by issuing and discounting warrants or other obligations of the state, and no part of the same shall be expended without first submitting to the general assembly for its approval, estimates of cost, plans and specifications as provided by section twenty-seven hundred and twenty-seven a 56 (2727-a 56) of the supplement to the code, provided that for any deviation from the plans and specifications, or any emergency building, which deviation from the plans or building shall not cost more than twenty-five thousand dollars (\$25,000), arising between the sessions of the general assembly involving increased cost of any building authorized as hereinbefore provided, the board in charge shall first secure the approval thereof by a majority vote of the executive council. Such sums shall be drawn from the state treasury as provided in sections one hundred and nine (109) and one hundred and ten (110) of the code. Nothing herein contained shall be held to exclude the said state normal school from employing an architect other than the state architect.

Approved April 10, A. D. 1906.
