Be it enacted by the General Assembly of the State of Iowa:

SECTION 1. **Repeal—conditions of parole—violation.** That the law as it appears in section twenty-three hundred ten-a nineteen (2310-a19) of the supplement to the code, 1907, is hereby repealed and in lieu thereof is enacted the following:

Any patient whom the superintendent believes to be cured, or so much improved as to make his release on trial advisable may be paroled, conditioned on said patient's signing a written pledge agreeing to refrain from the use of all intoxicating liquors as a beverage, and from the use of morphine and cocaine or other narcotic drugs during the term of his commitment, and shall avoid frequenting places and the association of people tending to lead them [him] back to his old habits of inebriety. And said paroled patient must make written reports to the superintendent of said hospital at the beginning of each month on blanks to be furnished the clerks of the district and superior courts for that purpose, to the effect that he has not during the month past in any respect violated any of the terms and conditions of his parole, which reports must be investigated and approved by the clerk or judge of the court which committed him, or if he shall have removed from the county from which he was committed then by the clerk of the district court of the county in which he actually resides at the time the report is made, who may demand from said paroled patient satisfactory evidence as to the truth of the statement. If at any time a patient on parole shall fail to make said report, or shall fail in any respect to fulfill all of the conditions upon which said parole was granted, he may, without any further proceeding whatever and on the written order of the superintendent of said hospital be taken and returned to the hospital, there to be detained and treated as provided herein. Said patient so violating his parole may be returned by any peace officer, or by any officer or person whom the superintendent of the hospital may direct so to do, and

in every such case all of the expenses of such taking and return of such patient shall be paid out of any money in the state treasury not otherwise appropriated on voucher executed and approved as in other cases, unless otherwise paid. Provided, however, that the superintendent may parole patients into the care of reliable and responsible persons whom he may select, and in such cases the patient shall sign the written pledge, and monthly reports shall be made as in other cases, and it shall be lawful for the superintendent to take from the person into whose care such a patient is paroled an obligation in writing which shall specify the undertaking of the obligor and require him to pay all expenses which shall be incurred on account of the paroling of the patient and in returning him for a violation of his parole, and all the provisions of this act for returning a patient for a violation of his parole shall apply to patients paroled into the care of other persons. If the superintendent be satisfied in any case that it will impose an unnecessary hardship upon a paroled patient to secure the approval of the clerk of the district court to the monthly report he may waive such approval when the report is approved by some other public officer, to be designated by him.

SEC. 2. Female patients. The provisions of this act shall apply to female patients who have been or shall be committed to a state hospital for the insane under the law as it appears in chapter two-a (2-a), title twelve (12) of the supplement to the code, 1907.

Approved April 11 A. D. 1913.

I hereby certify that the foregoing act was published in the Register and Leader and the Des Moines Capital April 14, 1913.
