CHAPTER 202.

MANUFACTURE AND SALE OF COMMERCIAL FERTILIZERS.

H. F. 535.

AN ACT to prevent fraud in the manufacture and sale of commercial fertilizers, providing for licensing of such products and making provision for enforcement. [Additional to chapter thirteen (13) of title twelve (XII) of the supplement to the code, 1907, relating to the powers and duties of the dairy and food commissioner.]

Be it enacted by the General Assembly of the State of Iowa:

SECTION 1. Packages plainly marked — certificate — quantity — materials. That any person, firm or corporation who shall offer, sell, or expose for sale, in the state of Iowa, any commercial fertilizer, the price of which exceeds three dollars (\$3.00) per ton, shall affix to every package in a conspicuous place on the outside thereof, or furnish to the purchasers of goods sold in bulk, a plain-

ly printed certificate, naming the materials, including the filler, if any, or which the fertilizer is made, stating the number of pounds in the package sold, the name or trademark under which the article is sold, the name of the manufacturer and the place of manufacture; and a chemical analysis, stating the minimum percentages of nitrogen in available form, of potassium soluble in water, of phosphorus in available form (soluble or reverted) and of insoluble phosphorus.

SEC. 2. Copy of certificate filed with dairy and food commissioner—license—fee. Before any commercial fertilizer is sold, or offered for sale, the manufacturer, importer, or party who causes it to be sold, or offered for sale, within the state of Iowa, shall file in the office of the dairy & [and] food commissioner, a certified copy of the certificate referred to in section 1 of this act, and shall pay to the dairy & [and] food commissioner on or before May 1st of each year a license of \$20.00 for each brand of fertilizer offered for sale or sold within the state. Provided, that whenever the manufacturer or importer shall have paid the license fee herein required for any year, no other person shall be required to pay such license fee, for that brand.

SEC. 3. Enforcement by dairy and food commissioner—annual report. The state dairy and food commissioner and his assistants shall enforce the provisions of this act and he may publish annually a report of all analyses made and certificates filed. The inspectors and assistants of the dairy and food commissioner shall exercise in the enforcement of this act, all the authority and powers now granted such assistants under the food and dairy laws of the state of Iowa. The state dairy & [and] food commissioner is hereby authorized, in person or by deputy, to take for analysis a sample from any lot or package of commercial fertilizer in this state, not exceeding two pounds in weight.

SEC. 4. False analysis—penalty. Any person, firm or corporation who shall offer or expose for sale or sell any commercial fertilizer in the state of Iowa without complying with the provisions of this act, or who shall use an analysis regarding any commercial fertilizer, which shall be false as to the constituents named, in section 1 of this act or who shall obstruct or interfere with the dairy and food commissioner or any of his assistants in the discharge of their duties shall be deemed guilty of a misdemeanor and upon conviction shall be fined, not less than \$25 nor more than \$100 for each offense.

Approved April 19 A. D. 1913.
