*Be it enacted by the General Assembly of the State of Iowa:*

**SECTION 1. Repeal—appropriation—support of inmates—how paid.** That the law as it appears in section twenty-six hundred ninety-one (2691) of the supplement to the code, 1907, is hereby repealed and in lieu thereof is enacted the following:

For the support of the home there is hereby appropriated out of any money in the state treasury not otherwise appropriated, or so much thereof as may be needed, twelve dollars for each child actually supported, and in addition the expense of his transmission to the home, which sums shall be paid upon abstracts and certificates as required by the law as it appears in section twenty-seven hundred twenty-seven-a42 (2727-a42) and section twenty-seven hundred twenty-seven-a43 (2727-a43) of the supplement to the code, 1907. **SEC. 2. Repeal—counties liable.** That the law as it appears in section twenty-six hundred ninety-two (2692) of the supplement to the code, 1907, is hereby repealed and in lieu thereof is enacted the following:

Each county shall be liable for sums paid by the home in support of all its children, other than the children of soldiers, to the extent of six dollars per month for each child, and when the average number of children shall be less than five hundred fifty in any month each county shall be liable for its just proportion for each child of the amount credited to the home for that month. The sums for which each county is so liable shall be charged to the county, and collected as a part of the taxes due the state, and paid by the county at the same time state taxes are paid.
