## CHAPTER 132.

#### REGULATION OF COMMON CARRIERS.

#### H. F. 57.

AN ACT to regulate common carriers and fix liability as common carriers.

Be it enacted by the General Assembly of the State of Iowa:

SECTION 1. Less than carload shipments—liability—notice. That all companies, corporations, or individuals that now, or hereafter, may own or operate any railroads, in whole or in part, in the state of Iowa, and all persons, firms or companies, and all associations of persons, whether incorporated or not, that shall do business as a common carrier upon any of the lines of railway in this state, shall be and remain liable as a common carrier upon all less than car load shipments until the consignee shall be notified of the arrival of the shipment and has reasonable time and opportunity to receive same. A deposit in the United States postoffice or public mailing box of a written notice addressed to the consignee at the address given upon **1**0 the bill of lading will constitute service of the notice required by this 11 12 act, and forty-eight (48) hours from the date of the mailing of such 13 notice shall be a reasonable time in which to receive said shipment. The provisions of this act shall not apply to shipments to stations or 14 15 platforms where no agent is regularly employed.

Approved April 10, A. D. 1915.

## CHAPTER 133.

## STATE BOARD OF HEALTH.

# H. F. 136.

AN ACT authorizing the board of health to isolate cases of whooping cough, measles, mumps or chicken-pox.

Be it enacted by the General Assembly of the State of Iowa:

- SECTION 1. Whooping cough—reports. The physician attending cases of whooping cough, measles, mumps or chicken-pox shall be required to report the same to the local board of health. In case there is no attending physician, it shall be the duty of the parents or guardian or school teacher to report same to the local board of health.
- SEC. 2. Warning signs. It is the duty of the local board of health to cause a card with the name of the disease printed upon it to be placed upon the home where the patient resides, which shall act merely as a warning to the public.
- SEC. 3. Construction of act. That this act is not to be regarded as a quarantine but merely as a notice to the public.

Approved April 10, A. D. 1915.
