

CHAPTER 101

BARBERING VIOLATIONS PENALTY

S. F. 214

AN ACT relating to penalties for violations of the barbering, barber shop, and barber school statutes.

Be It Enacted by the General Assembly of the State of Iowa:

1 SECTION 1. Chapter one hundred fifty-eight (158), Code 1946, is
2 amended by adding thereto the following:

3 "Any person found guilty of violating any of the provisions of this
4 chapter or the license provisions of chapter 147, relating to barbering,
5 barber shops, and barber schools, shall be fined not to exceed one
6 hundred dollars or be imprisoned in the county jail for not more than
7 thirty days."

1 SEC. 2. Section one hundred fifty-seven point fifteen (157.15),
2 Code 1946, is amended by striking from line three (3) the words and
3 figures, "or chapter 158".

Approved April 4, 1947.

CHAPTER 102

FLOOD AND EROSION CONTROL

H. F. 480

AN ACT to permit counties to co-operate with the federal government, the state, its sub-divisions and instrumentalities in the construction and maintenance of flood and erosion control projects in the state and to levy a tax for maintenance thereof.

Be It Enacted by the General Assembly of the State of Iowa:

1 SECTION 1. Whenever the federal government or any agency or
2 department thereof shall engage in any flood or erosion control project
3 on any water shed within the boundaries of this state and shall require
4 as a prerequisite the cooperation of the state or other authorized
5 taxing division, the counties in which said project may be carried on
6 shall have the jurisdiction, power and authority through the board of
7 supervisors to aid in the construction of said projects on lands under
8 the control or jurisdiction of the county and to maintain the project,
9 structures, or construction when dedicated to county use. Such flood
10 or erosion project shall be presumed to be for the protection of the
11 tax base of the county, for the protection of the public roads and
12 lands and for the protection of the public health, sanitation, safety
13 and general welfare.

1 SEC. 2. Any county may in accordance with the provisions of this
2 chapter accept federal funds for aid in the control of floods and soil
3 erosion and it may assume such a portion of the cost of the project,
4 and may assume the maintenance cost of the same on lands under the
5 control or jurisdiction of the county as will not be discharged by the
6 federal aid or grant.

1 SEC. 3. The board of supervisors of the affected counties may
2 cooperate with each other or with other state subdivisions or instru-
3 mentalities as well as the United States government to establish, con-
4 struct and maintain suitable structures or levees and controls on public
5 roads or other public lands, or other lands granted county use.

1 SEC. 4. When structures or levees necessary for flood or soil
2 erosion control are constructed on county roads, the cost shall be
3 considered a part of the cost of road construction.

1 SEC. 5. Where construction of projects has been completed by
2 the federal government on private lands under an easement granted
3 to the county, the cost of maintenance only may be assumed by the
4 county.

1 SEC. 6. In the proceedings to establish such a project the govern-
2 ment engineer shall set forth in his report separately from other items,
3 the amount of the cost of construction on county property and on
4 private lands, and his estimate of the cost of the maintenance of the
5 same.

6 If the plan is approved by all cooperating agencies and the project
7 established as a flood or erosion control project the board of super-
8 visors shall make a written record of any such cooperative arrange-
9 ment and may use such part of the funds of the county now authorized
10 by law and by this chapter as may be necessary to pay the amount
11 agreed upon toward the construction, maintenance and cost of such
12 project.

1 SEC. 7. Any flood or erosion control structures which are built
2 on private land with federal or other funds when dedicated to the
3 county use shall be maintained in the same manner as its own county
4 owned or controlled property.

1 SEC. 8. In counties where soil conservation districts exist the
2 commissioners in said county shall be responsible for the inspection
3 of all flood and erosion control structures built on private land under
4 easement to the county; shall furnish such technical assistance as
5 they may have available in making estimates of needed repairs with-
6 out cost to the county, and shall report any needed repair and the
7 nature thereof to the county board of supervisors.

1 SEC. 9. The county board of supervisors may annually levy a tax
2 not to exceed one quarter ($\frac{1}{4}$) mill on all agricultural lands in the
3 county, the same to be used as a maintenance fund for structures built
4 on lands under the control or jurisdiction of the county, as provided
5 for in this chapter.

1 SEC. 10. This act contemplates that the actual direction of the
2 project or projects and the actual work done in connection therewith
3 will be assumed by the federal government and that the county or
4 other state subdivisions or instrumentalities jointly will meet the
5 obligations required for federal cooperation and may make proper
6 commitment for the care and maintenance of the project after its com-
7 pletion for the general welfare of the public and the residents of the
8 respective counties.

1 SEC. 11. The counties in maintaining the structures or improve-
 2 ments made under such a project shall do so in a like manner and
 3 under like procedure as that used in the maintenance of its highways.
 4 Any cooperative agreements with other state subdivisions or instru-
 5 mentalities shall conform with such an agreement as to the proportion
 6 of maintenance cost.

1 SEC. 12. If any of the provisions of this chapter shall be held
 2 invalid or unconstitutional such invalidity or unconstitutionality shall
 3 not affect other provisions of this chapter and to these ends the
 4 provisions of this chapter as amended are declared to be severable.

1 SEC. 13. This act being deemed of immediate importance shall
 2 be in full force and effect from and after its publication in the Rake
 3 Register, a newspaper published at Thompson, Iowa, and in the
 4 Mediapolis New Era, a newspaper published at Mediapolis, Iowa.

Approved April 28, 1947.

I hereby certify that the foregoing act was published in the Rake Register, May 1,
 1947, and the Mediapolis New Era, May 8, 1947.

ROLLO H. BERGESON, *Secretary of State.*

CHAPTER 103

BRUCELLOSIS

H. F. 466

AN ACT to amend chapter one hundred sixty-four (164), code 1946, relating to the control and eradication of Brucellosis.

Be It Enacted by the General Assembly of the State of Iowa:

1 SECTION 1. Amend section one hundred sixty-four point one (164.1)
 2 Code 1946, by adding at the end the following paragraph:
 3 "Official calfhood vaccination shall mean the vaccination of any
 4 calf between the ages of four months and eight months with Brucella
 5 Abortus Vaccine strain number nineteen (19) or such other vaccine
 6 as may hereafter be approved by U. S. Bureau of Animal Industry,
 7 which calf shall have been vaccinated by a licensed accredited veteri-
 8 narian according to the rules and regulations established by the Sec-
 9 retary of Agriculture; also, a vaccination shall further mean that the
 10 calf shall have proved negative to an agglutination test, a blood sample
 11 for which shall have been drawn at any time within 20 days prior to
 12 vaccination. The officially vaccinated animal shall also be identified
 13 by a tattoo mark and such tattoo mark shall be described in a cer-
 14 tificate furnished by the attending veterinarian.
 15 "Within 30 days following such vaccination, the attending veteri-
 16 narian shall supply the owner with a certificate of vaccination. The
 17 veterinarian shall retain a copy of same and forward a copy to the
 18 local office of the U. S. Bureau of Animal Industry and also a copy to
 19 the Iowa Department of Agriculture. The veterinarian's certificate
 20 covering the official vaccination shall entitle the vaccinated animal
 21 to be consigned to sales and exhibited at shows within the state
 22 until they shall have reached the age of thirty-eight (38) months."
