## CHAPTER 179

### ERADICATION OF HOG CHOLERA

H. F. 599

AN ACT relating to the eradication of hog cholera.

*Be It Enacted by the General Assembly of the State of Iowa:*

1 SECTION 1. **Definitions.** As used in this Act:

2 1. "Hog cholera" means the contagious, infectious, and communi-  
3 cable disease of swine commonly known as hog cholera.

4 2. "Destroy" means condemn under state authority and slaughter or  
5 otherwise kill as a result of or pursuant to such condemnation.

6 3. "Department of agriculture" means the department of agricul-  
7 ture of the State of Iowa.

1 SEC. 2. **General Authority.** The department of agriculture may  
2 destroy or require the destruction of any swine which the state veteri-  
3 narian knows to be, or suspects is, affected with or exposed to hog  
4 cholera, whenever the department of agriculture finds such destruction  
5 to be necessary to prevent or reduce the danger of the spread of hog  
6 cholera. Before being condemned and ordered to be destroyed, a posi-  
7 tive diagnosis of hog cholera affecting the herd must be confirmed by  
8 a state or federal laboratory or personnel approved by the department  
9 of agriculture and the United States Department of Agriculture.

1 SEC. 3. **Appraisal and Identification.** The department of agricul-  
2 ture shall appraise any swine destroyed or ordered destroyed pursuant  
3 to this Act not to exceed current market value and shall indemnify the  
4 owner of such swine in an amount not to exceed fifty (50) dollars for  
5 registered stock and forty (40) dollars for grade stock, provided that  
6 fifty (50) percent of such price is paid by the United States Depart-  
7 ment of Agriculture.

1 SEC. 4. **Institution of Indemnification.** It is hereby recognized  
2 and declared that indemnification for destruction of swine infected  
3 with or exposed to hog cholera is an expression of the public policy of  
4 this state but employed only in the final stages of eradication of the  
5 disease, or as a means of preventing or minimizing its recurrence.

6 The department of agriculture shall not therefore institute an initial  
7 program of indemnification pursuant to the Act until it is mutually  
8 agreed between the state department of agriculture and the United  
9 States Department of Agriculture that such action is necessary in  
10 order to carry out the hog cholera eradication program.

1 **SEC. 5. Cooperation with United States.** The department of agri-  
2 culture may cooperate with the United States, or any department,  
3 agency or officer thereof, in the control and eradication of hog cholera,  
4 including the sharing in payment of indemnities for swine destroyed.

1 **SEC. 6. Rules and Regulations.** The department of agriculture  
2 may make, promulgate, amend, repeal, and enforce necessary rules  
3 and regulations for implementing this Act.

1 **SEC. 7. Review.** Any act or omission of the department of agri-  
2 culture pursuant to or within the purview of this Act shall be review-  
3 able on petition filed within twenty (20) days in the district court of  
4 the county, wherein the hogs are situated.

Approved April 23, 1965.

## CHAPTER 180

### VETERINARY MEDICAL EXAMINERS

S. F. 115

AN ACT relating to veterinary medicine and to amend section one hundred sixty-nine point ten (169.10), and section one hundred sixty-nine point twenty-two (169.22), Code 1962, and chapter one hundred thirty-three (133) of the Laws of the Sixtieth General Assembly.

*Be It Enacted by the General Assembly of the State of Iowa:*

1 **SECTION 1.** Section one hundred sixty-nine point ten (169.10),  
2 Code 1962, is amended by adding to subsection three (3) thereof, the  
3 following:

4 "The state department of agriculture, with the approval of the  
5 veterinary medical examiners, may accept in lieu of the requirements  
6 in subsection three (3) of this section, certificate of satisfactory  
7 examination issued by the national board of veterinary medical ex-  
8 aminers of the United States of America, but every applicant for a  
9 license upon the basis of such certificate shall be required to pay the  
10 prescribed fee for a license issued in another state. The state depart-  
11 ment of agriculture, with the approval of the veterinary medical  
12 examiners, may also require applicants to take and pass the exami-  
13 nation issued by the national board of veterinary medical examiners  
14 of the United States of America, and such applicants shall pay the fee  
15 required for such national board examination in addition to the fees  
16 required by this chapter."

1 **SEC. 2.** Section one hundred sixty-nine point twenty-two (169.22),  
2 Code 1962, is amended by striking the first two (2) lines thereof and  
3 substituting therefor the following:
