## EDUCATIONAL LABORATORY SCHOOLS

H. F. 393

AN ACT to authorize laboratory schools at the educational institutions under the state board of regents and to provide for their financing and contracts with local school districts.

*Be It Enacted by the General Assembly of the State of Iowa:*

1 SECTION 1. The state board of regents is authorized to establish  
2 and operate elementary and secondary laboratory schools at the insti-  
3 tutions of higher education under its control. For the purpose of this  
4 Act, laboratory school shall mean a school operated by an educational  
5 institution for the purpose of instructing students, training teachers,  
6 and advancing teaching methods.

1 SEC. 2. Existing buildings and facilities now used for said pur-  
2 poses together with any additions to or alterations thereof and any  
3 new structures and facilities therefor, as the board shall determine to  
4 be suitable and authorize for said purposes, shall be set aside as the  
5 area on the respective campuses constituting the laboratory school for  
6 all purposes of this Act.

1 SEC. 3. A laboratory school at each institution where so estab-  
2 lished shall constitute a self-liquidating improvement unit to the  
3 extent funds are not appropriated by the general assembly and shall  
4 qualify for and may be financed as such under the provisions of sec-  
5 tions two hundred sixty-two point forty-four (262.44) through two  
6 hundred sixty-two point fifty-four (262.54) of the Code as amended.

1 SEC. 4. For the purposes of this Act, the state board of regents  
2 and the board of directors of any school district in the state of Iowa  
3 may enter into contracts for the laboratory schools to furnish instruc-  
4 tion to the pupils of such school district and to train teachers on an  
5 agreed basis for tuition and other compensation to be paid by the  
6 school district. Such contracts shall be in writing and may extend for  
7 any stipulated period not to exceed fifteen (15) years. During the  
8 agreed period, such contracts shall be obligatory on both the school  
9 district and the state board of regents.

1 SEC. 5. The state board of regents may out of funds appropriated  
2 or otherwise available for the operation of the institution at which the  
3 laboratory school is located allocate an annual payment to the debt  
4 retirement fund for the buildings, areas, and facilities used by the  
5 institution for the laboratory school until such time as said improve-  
6 ment is fully paid. The board of regents may pledge said annual  
7 allotment together with the tuition received from school districts and  
8 all other income received from the operation of said laboratory school  
9 as security for the mortgage, bonds, or other debt by which said lab-  
10 oratory school is financed as authorized herein.

1 SEC. 6. A pupil attending a laboratory school provided for in this  
2 Act shall be considered as a pupil attending a public school for the  
3 purposes of general aid to schools under chapter two hundred eighty-

4 six A (286A) of the Code, as amended by chapters one hundred  
 5 seventy-three (173), one hundred seventy-four (174), and one hun-  
 6 dred seventy-five (175), Acts of the Sixtieth General Assembly; sup-  
 7 plementary aid to schools under chapter two hundred eighty-six (286)  
 8 of the Code; aid to special education under chapter two hundred  
 9 eighty-one (281) of the Code, as amended by chapter one hundred  
 10 seventy-one (171), Acts of the Sixtieth General Assembly; and aid  
 11 for transportation under chapter two hundred eighty-five (285) of  
 12 the Code. School districts entering into contracts under this Act shall  
 13 be eligible to receive benefits under said chapters for pupils covered  
 14 by such contracts.

Approved April 12, 1965.
