

18 injury from the materials or processes used in said courses. It shall
 19 be the duty of the teacher or other person supervising the students in
 20 said courses to see that the above requirements are complied with.
 21 Any student failing to comply with such requirements may be tem-
 22 porarily suspended from participation in said course and the registra-
 23 tion of a student for such course may be cancelled for wilful, flagrant
 24 or repeated failure to observe the above requirements. The board of
 25 education having jurisdiction of any school coming within the pur-
 26 view of this Act shall provide the safety devices required herein. Such
 27 devices may be paid for from the general fund but the board may
 28 require students and teachers to pay for said devices and shall make
 29 them available to students and teachers at no more than the actual cost
 30 to the district.

31 "Industrial quality eye protective devices," as used in this section,
 32 means devices meeting the standards of the American Standards
 33 Association Safety Code for Head, Eye, and Respiratory Protection,
 34 Z2.1-1959, promulgated by the American Standards Association, Inc.

Approved May 14, 1965.

CHAPTER 247

AREA VOCATIONAL SCHOOLS

S. F. 550

AN ACT to provide for establishment and operation of area vocational schools and area community colleges, establish a division of community and junior colleges within the state department of public instruction and an advisory committee to the state board of public instruction on community and junior colleges, and to require establishment and enforcement of approval standards for public and area community and junior colleges and area vocational schools.

Be It Enacted by the General Assembly of the State of Iowa:

- 1 SECTION 1. It is hereby declared to be the policy of the state of
 2 Iowa and the purpose of this Act to provide for the establishment of
 3 not more than twenty (20) areas which shall include all of the area
 4 of the state and which may operate either area vocational schools or
 5 area community colleges offering to the greatest extent possible, edu-
 6 cational opportunities and services in each of the following, when
 7 applicable, but not necessarily limited to:
- 8 1. The first two (2) years of college work including pre-professional
 9 education.
 - 10 2. Vocational and technical training.
 - 11 3. Programs for in-service training and retraining of workers.
 - 12 4. Programs for high school completion for students of post-high
 13 school age.
 - 14 5. Programs for all students of high school age who may best serve
 15 themselves by enrolling for vocational and technical training while
 16 also enrolled in a local high school, public or private.
 - 17 6. Student personnel services.
 - 18 7. Community services.

19 8. Vocational education for persons who have academic, socio-
20 economic, or other handicaps which prevent succeeding in regular
21 vocational education programs.

22 9. Training, retraining, and all necessary preparation for produc-
23 tive employment of all citizens.

1 SEC. 2. When used in this Act, unless the context otherwise re-
2 quires:

3 1. "Vocational school" means a publicly supported school which
4 offers as its curriculum or part of its curriculum vocational or tech-
5 nical education, training, or retraining available to persons who have
6 completed or left high school and are preparing to enter the labor
7 market; persons who are attending high school who will benefit from
8 such education or training but who do not have the necessary facilities
9 available in the local high schools; persons who have entered the labor
10 market but are in need of upgrading or learning skills; and persons
11 who due to academic, socio-economic, or other handicaps are prevented
12 from succeeding in regular vocational or technical education programs.

13 2. "Junior college" means a publicly supported school which offers
14 as its curriculum or part of its curriculum two (2) years of liberal
15 arts, pre-professional, or other instruction partially fulfilling the re-
16 quirements for a baccalaureate degree but which does not confer any
17 baccalaureate degree.

18 3. "Community college" means a publicly supported school which
19 meets the curriculum requirements of a junior college and which offers
20 in whole or in part the curriculum of a vocational school.

21 4. "Merged area" means an area where two (2) or more county
22 school systems or parts thereof merge resources to establish and oper-
23 ate a vocational school or a community college in the manner provided
24 in this Act.

25 5. "Area vocational school" means a vocational school established
26 and operated by a merged area.

27 6. "Area community college" means a community college established
28 and operated by a merged area.

29 7. "State board" means the state board of public instruction.

30 8. "State superintendent" means the state superintendent of public
31 instruction.

32 9. "Planning board" means any county board of education which is
33 a party to a plan for establishment of an area vocational school or area
34 community college.

1 SEC. 3. Boards of education of two (2) or more counties are here-
2 by authorized to plan for the merger of county school systems, or parts
3 thereof, for the purpose of providing an area vocational school or area
4 community college. Such plans shall be effectuated only upon approval
5 by the state board and by subsequent concurrent action of the county
6 boards of education at special meetings, called for that purpose, or at
7 the regular July meetings of the county boards. No area which has
8 less than four thousand (4,000) public and private pupils in grades
9 nine (9) through twelve (12) shall be approved by the state board as
10 a merged area.

1 SEC. 4. Upon recommendation of the county board of education
2 and approval by the state board in an area plan, a county school system

3 may be divided to permit parts of the system to merge with one (1)
4 or more merged areas in establishing an area vocational school or area
5 community college. When division is permitted, the county school
6 system shall be divided along local school district boundaries. No local
7 school district shall be a part of more than one (1) merged area. The
8 county board of education shall be the planning board for any portion
9 of the county school system which is to become a part of a merged
10 area.

1 SEC. 5. Plans formulated for a merged area when submitted to the
2 state board shall include the following:

3 1. A description of the geographic limits of the proposed area.

4 2. Total population, population trends, population density, and pro-
5 jected population density of the area.

6 3. Total school enrollments in grades one (1) through eight (8)
7 within the area.

8 4. Total school enrollments in grades nine (9) through twelve (12)
9 within the area.

10 5. Projections of school enrollments within the area.

11 6. A description of the types of educational offerings and capacities
12 of educational facilities beyond high school existing within the area,
13 or within fifty (50) miles of the center of the area, at the time of sub-
14 mission of plans.

15 7. Identification of educational programs needed within the area.

16 8. An evaluation of local interest in and attitude toward establish-
17 ment of the proposed area vocational school or area community college.

18 9. An evaluation of the ability of the area to contribute to the finan-
19 cial support of the establishment and operation of the proposed area
20 vocational school or area community college.

21 10. Estimated number of students within the area who are eligible
22 to attend the proposed area vocational school or area community col-
23 lege.

24 11. The curriculum intended to be offered in the proposed area voca-
25 tional school or area community college and assurances that adequate
26 and qualified personnel will be provided to carry on the proposed cur-
27 riculum and any necessary related services.

28 12. The location or locations where the proposed area vocational
29 school or area community college is to be constructed or established if
30 such location or locations have been agreed upon. The site or sites of
31 any proposed area vocational school or area community college shall
32 be of sufficient size to provide for adequate future expansion.

33 13. The boundaries of director districts which shall number not less
34 than five (5) or more than nine (9) if such districts have been agreed
35 upon. Director districts shall be of approximately equal population.

36 14. When it is intended that one (1) or more existing vocational
37 schools, community colleges, or public junior colleges are to become
38 an integrated part of an area vocational school or area community col-
39 lege, specific information regarding arrangements agreed upon for
40 compensating the local school district or districts which operate or
41 operated any existing school or college.

42 15. Such additional information as the state board may by admin-
43 istrative rule require.

1 SEC. 6. County boards of education may expend public funds for
2 the purpose of formulating plans for a merged area and may arrive at
3 an equitable distribution of cost, subject to approval of the state board,
4 to be paid by each participating board.

1 SEC. 7. Upon receipt of any plan submitted, the state board shall
2 cause the plan to be examined, conduct further investigation of and
3 hearings on the plan if deemed necessary, and evaluate the plan in
4 relation to all vocational schools, community colleges, and junior col-
5 leges existing, proposed, or needed throughout the state. The state
6 board may approve or disapprove the plan or may return the plan to
7 the planning boards for modification and resubmission.

1 SEC. 8. When a plan is approved, the state board shall issue an
2 order of the approval, a copy of which shall be sent to each of the
3 respective planning boards. The order shall:

4 1. Officially designate and classify the area school to be established
5 as an area vocational school or area community college.

6 2. Describe all territory included in the county school systems which
7 is to be a part of the approved area.

8 3. Officially designate the location or locations of the area vocational
9 school or area community college. If the plan did not specify a loca-
10 tion, the state board shall so determine.

11 4. Officially designate the boundaries of director districts. If the
12 plan did not specify such boundaries, the state board shall so deter-
13 mine.

1 SEC. 9. When a plan is disapproved, a statement of the reasons for
2 such disapproval shall be forwarded to each of the planning boards.
3 Within fifteen (15) calendar days from the date of receiving such
4 statement, the planning boards or their authorized representative may
5 request a hearing by the state board on the disapproved plan. The
6 state board shall grant the hearing within thirty (30) calendar days
7 after receipt of the request. Upon receiving all evidence and argu-
8 ments presented by the planning boards or their representative, the
9 state board may reaffirm or reconsider its previous action with respect
10 to the disapproved plan or may request the planning boards to modify
11 and resubmit the plan.

1 SEC. 10. When a plan proposing formation of a merged area is
2 approved by the state board, each county board of education which is
3 a planning board with respect to the approved plan shall:

4 1. Within thirty (30) calendar days after approval of the plan by
5 the state board, order published, in all official newspapers of the
6 county, notice of intent to form the proposed merged area. The state
7 board shall prescribe by administrative rule the form and content of
8 such published notices.

9 2. Within seventy (70) calendar days after approval of the plan by
10 the state board hold a meeting to accept or reject the merger plan.
11 In the event no decision has been made by a county board of education
12 within seventy (70) days, the county board shall be deemed to have
13 approved the merger plan. The secretaries of the respective boards
14 shall immediately notify the state board of the action taken at the
15 meetings.

1 SEC. 11. Upon receiving notice that all planning boards have given
2 final approval to the proposal to form a merged area, the state board
3 shall:

4 1. Officially designate all territory included in the plan approved by
5 the county school systems as a merged area.

6 2. Direct the county superintendent of the county in which the phys-
7 ical plant facilities of the area vocational school or area community
8 college are to be located to call and conduct a special election to choose
9 the members of the initial governing board of the merged area. If
10 physical plant facilities are to be located in more than one (1) county,
11 the county superintendent of the county in which the school or college
12 administrative offices are to be located shall be responsible for calling
13 and conducting the special election.

1 SEC. 12. The governing board of a merged area shall be a board of
2 directors composed of one (1) member elected from each director dis-
3 trict in the area by the electors of the respective district. Members of
4 the board shall be residents of the district from which elected. Suc-
5 cessors shall be chosen at the annual school elections for members
6 whose terms expire on the first (1st) Monday in October following
7 such elections. Terms of members of the board of directors shall be
8 three (3) years except that members of the initial board of directors
9 elected at the special election shall determine their respective terms by
10 lot so that the terms of one-third ($\frac{1}{3}$) of the members, as nearly as
11 may be, shall expire on the first (1st) Monday in October of each suc-
12 ceeding year. Vacancies on the board which occur more than ninety
13 (90) days prior to the next annual school election shall be filled at the
14 next regular meeting of the board by appointment by the remaining
15 members of the board. The member so chosen shall be a resident of
16 the district in which the vacancy occurred and shall serve until the
17 next annual school election, at which election a member shall be elected
18 to fill the vacancy for the balance of the unexpired term. A vacancy
19 shall be defined as in section two hundred seventy-seven point twenty-
20 nine (277.29) of the Code. No member shall serve on the board of
21 directors who is a member of a board of directors of a local school
22 district or a member of a county board of education.

1 SEC. 13. In each merged area, the initial board of directors elected
2 at the special election shall organize within fifteen (15) days following
3 the election and may thereafter proceed with the establishment of the
4 designated area vocational school or area community college. The
5 board of directors shall thereafter organize on the first (1st) Monday
6 in October of each year. Organization of the board shall be effected by
7 the election of a president and such other officers from the board mem-
8 bership as board members so determine. The board of directors shall
9 appoint a secretary and a treasurer who shall each give bond as pre-
10 scribed in section two hundred ninety-one point two (291.2) of the
11 Code and who shall each receive such salary as shall be determined
12 by the board. The secretary and treasurer shall perform such duties
13 as are prescribed in chapter two hundred ninety-one (291) of the Code
14 and such additional duties as the board of directors may deem neces-
15 sary. The frequency of meetings other than organizational meetings

16 shall be as determined by the board of directors but the president or a
17 majority of the members may call a special meeting at any time.

1 SEC. 14. All expenses incurred in electing the initial board of a
2 merged area shall be prorated among the several county school systems
3 included in the area, in the proportion that the value of taxable prop-
4 erty in each county school system, or any portion thereof which is part
5 of the merged area, bears to the total value of taxable property in the
6 area. The superintendent responsible for calling and conducting the
7 election shall certify to each county board of education the amount
8 which each board owes.

1 SEC. 15. The nomination of candidates, preparation of ballots, and
2 canvass for all elections of members of the board of directors of an area
3 vocational school or an area community college, except as otherwise
4 directed, shall be conducted in the manner provided in sections two
5 hundred seventy-three point five (273.5), two hundred seventy-three
6 point six (273.6), and two hundred seventy-three point seven (273.7)
7 of the Code for members of county boards of education. Nomination
8 papers in behalf of a candidate shall be filed with the secretary of the
9 board of the merged area. Each candidate shall be nominated by a
10 petition signed by not less than fifty (50) qualified electors of the dis-
11 trict from which the member is to be elected. The board of directors
12 of each respective merged area shall be responsible for causing the
13 printing of election ballots and the printing of necessary forms used
14 by judges and clerks of election and by secretaries of local school dis-
15 tricts in making election returns. The votes cast in the election shall
16 be returned to the respective boards of directors of the merged areas
17 who shall canvass the vote and issue certificates of election as pre-
18 scribed in section two hundred seventy-three point seven (273.7) of
19 the Code. Members elected to the board of directors of a merged area
20 shall qualify by taking the oath of office prescribed in section two hun-
21 dred seventy-seven point twenty-eight (277.28) of the Code.

1 SEC. 16. A merged area formed under the provisions of this Act
2 shall be a body politic as a school corporation for the purpose of exer-
3 cising powers granted under this Act, and as such may sue and be sued,
4 hold property, and exercise all the powers granted by law and such
5 other powers as are incident to public corporations of like character
6 and are not inconsistent with the laws of the state.

1 SEC. 17. The board of directors of each merged area shall prepare
2 an annual budget designating the proposed expenditures for operation
3 of the area vocational school or area community college. The board
4 shall further designate the amounts which are to be raised by local
5 taxation and the amounts which are to be raised by other sources of
6 revenue for such operation. The board of directors shall prorate the
7 amount to be raised by local taxation among the respective county
8 school systems, or parts thereof, in the proportion that the value of
9 taxable property in each system, or part thereof, bears to the total
10 value of taxable property in the area. The board of directors shall
11 certify the amount so determined to the respective county auditors and
12 the boards of supervisors shall levy a tax sufficient to raise the amount.
13 No tax in excess of three-fourths ($\frac{3}{4}$ ths) mill shall be levied on tax-

14 able property in a merged area for the operation of an area vocational
15 school or area community college. Taxes collected pursuant to such
16 levy shall be paid by the respective county treasurers to the treasurer
17 of the merged area in the same manner that other school taxes are
18 paid to local school districts.

1 SEC. 18. In addition to revenue derived by tax levy, a board of
2 directors of a merged area shall be authorized to receive and expend:

3 1. Federal funds made available and administered by the state
4 board, for such purposes as may be provided by federal laws, rules,
5 and regulations.

6 2. Other federal funds for such purposes as may be provided by
7 federal law, subject to the approval of the state board.

8 3. Tuition for instruction received by persons who reside outside the
9 area, or by persons twenty-one (21) years of age or over or who are
10 high school graduates residing within the area, to be charged and col-
11 lected in accordance with the rules adopted by the state board.

12 4. State aid to be paid in accordance with the statutes which provide
13 such aid.

14 5. State funds for sites and facilities made available and adminis-
15 tered by the state board.

16 6. Donations and gifts which may be accepted by the governing
17 board and expended in accordance with the terms of the gift without
18 compliance with the local budget law.

1 SEC. 19. Boards of directors of merged areas may acquire sites
2 and erect and equip buildings for use by area vocational schools or
3 area community colleges and may contract indebtedness and issue
4 bonds to raise funds for such purposes.

1 SEC. 20. Taxes for the payment of bonds issued under section nine-
2 teen (19) of this Act shall be levied in accordance with chapter
3 seventy-six (76) of the Code. The bonds shall be payable from a fund
4 created from the proceeds of such taxes in not more than twenty (20)
5 years and bear interest at a rate not exceeding five (5) percent per
6 annum, and shall be of such form as the board issuing the bonds shall
7 by resolution provide. Any indebtedness incurred shall not be con-
8 sidered an indebtedness incurred for general and ordinary purposes
9 as prescribed under section four hundred seven point one (407.1) of
10 the Code.

1 SEC. 21. No indebtedness shall be incurred under section nineteen
2 (19) of this Act until authorized by an election. A proposition to incur
3 indebtedness and issue bonds for area vocational school or area com-
4 munity college purposes shall be deemed carried in a merged area if
5 approved by a sixty (60) percent majority of all voters voting on the
6 proposition in the area.

1 SEC. 22. In addition to the tax authorized under section seventeen
2 (17) of this Act, the voters in any merged area may at the annual
3 school election vote a tax not exceeding three-fourths ($\frac{3}{4}$ ths) mill on
4 the dollar in any one (1) year for a period not to exceed five (5) years
5 for the purchase of grounds, construction of buildings, payment of
6 debts contracted for the construction of buildings, purchase of build-

7 ings and equipment for buildings, and the acquisition of libraries, and
8 for the purpose of maintaining, remodeling, improving, or expanding
9 the area vocational school or area community college of the merged
10 area.

1 SEC. 23. The board of directors of each area vocational school or
2 area community college shall:

3 1. Determine the curriculum to be offered in such school or college
4 subject to approval of the state board.

5 2. Change boundaries of director districts in merged areas after
6 each decennial census or change in boundaries of the merged area to
7 compensate for changes in population if such population changes have
8 taken place.

9 3. Have authority to determine tuition rates for instruction as au-
10 thorized under section eighteen (18), subsection three (3) of this Act.

11 4. Have the powers and duties with respect to such schools and col-
12 leges, not otherwise provided in this Act, which are prescribed for
13 boards of directors of local school districts by chapter two hundred
14 seventy-nine (279) of the Code.

15 5. Have the power to enter into contracts and take other necessary
16 action to insure a sufficient curriculum and efficient operation and
17 management of the school or college and maintain and protect the
18 physical plant, equipment, and other property of the school or college.

19 6. Establish policy and make rules, not inconsistent with law and
20 administrative rules, regulations, and policies of the state board, for
21 its own government and that of the administrative, teaching, and other
22 personnel, and the students of the school or college, and aid in the
23 enforcement of such laws, rules, and regulations.

24 7. Have authority to sell any article resulting from any vocational
25 program or course offered at an area vocational school or area com-
26 munity college. Governmental agencies and governmental subdivisions
27 of the state within the merged areas shall be given preference in the
28 purchase of such articles. All revenue received from the sale of any
29 article shall be credited to the funds of the board of the merged area.

30 8. With the consent of the inventor, and in the discretion of the
31 board, secure letters patent or copyright on inventions of students,
32 instructors, and officials of any vocational school or community college
33 of the merged area, or take assignment of such letters patent or copy-
34 right and make all necessary expenditures in regard thereto. Letters
35 patent or copyright on inventions when so secured shall be the prop-
36 erty of the board of the merged area and the royalties and earnings
37 thereon shall be credited to the funds of the board.

1 SEC. 24. The board of directors of a merged area initially organized
2 for the establishment of, and which is operating, an area vocational
3 school may with the approval of the state board expand the curriculum
4 of the school to qualify as an area community college. The state board
5 shall upon approval officially classify the school as an area community
6 college.

1 SEC. 25. The state board shall:

2 1. Have authority to designate any vocational school or community
3 college as an "area vocational education school" within the meaning of,

4 and for the purpose of administering, the Act of Congress designated
5 the "Vocational Education Act of 1963." No vocational school or com-
6 munity college shall be so designated by the board for the expenditure
7 of funds under section thirty-five *c* (35*c*), subsection (*a*), paragraph
8 five (5), Title twenty (20), U.S.C., which has not been designated and
9 classified as an area vocational school or area community college by
10 the state board.

11 2. Change boundaries of director districts in any merged area when
12 the board of directors of the area fails to change boundaries as re-
13 quired under section twenty-three (23), subsection two (2), of this
14 Act.

15 3. Change boundaries of merged areas to take into account mergers
16 of local school districts and changes in boundaries of local school dis-
17 tricts, when necessary to maintain the policy of this Act that no local
18 school district shall be a part of more than one (1) merged area. The
19 state board may also make other changes in boundaries of merged
20 areas with the approval of the board of directors of each merged area
21 affected by the change. At any time when the boundaries of a merged
22 area are so changed, the state board may authorize the board of direc-
23 tors of the merged area to levy additional taxes upon the property
24 within the merged area, or any part thereof, and distribute the same
25 so that all parts of the merged area are paying their share toward the
26 support of the school or college.

27 4. Administer, allocate, and disburse any federal or state funds
28 made available to pay any portion of the cost of acquiring sites for and
29 constructing, acquiring, or remodeling facilities for area vocational
30 schools or area community colleges, and establish priorities for the
31 use of such funds.

32 5. Administer, allocate, and disburse any federal or state funds
33 available to pay any portion of the operating costs of area vocational
34 schools or area community colleges.

35 6. Approve, in such manner as it may prescribe, sites and buildings
36 to be acquired, erected, or remodeled for use by area vocational schools
37 or area community colleges.

38 7. Have authority to adopt such administrative rules and regula-
39 tions as it deems necessary to carry out the provisions of this Act.

40 8. Have the power to enter into contracts with local school boards
41 within the area that have and maintain a technical or vocational high
42 school and with private schools or colleges in the cooperative or merged
43 areas to provide courses or programs of study in addition to or as a
44 part of the curriculum made available in the community college or
45 area vocational schools.

1 SEC. 26. Any local school district which operated a community or
2 junior college for any period between September 1, 1964 and the effec-
3 tive date of this Act may continue to operate such college. Existing
4 public community or junior colleges may be converted into area voca-
5 tional schools or area community colleges in the manner provided in
6 this Act. In addition, an existing public community or junior college
7 may be converted into an area vocational school or area community
8 college by agreement between the board of directors of the local school
9 district operating the community or junior college and the board of

10 directors of the merged area. Such agreement shall be effective only
 11 if approved by the state board of public instruction. Such agreement
 12 shall provide for reasonable compensation to such local school district.

13 Where the board of any local school district operating a community
 14 or junior college and the board of directors of the merged areas are not
 15 in agreement on the reasonable value of any public community or
 16 junior college which is to be converted, the matters of disagreement
 17 shall be decided by three (3) disinterested arbitrators; one (1) se-
 18 lected by the local board, one (1) by the board of the merged area,
 19 and one (1) by the two (2) arbitrators so selected. The decision of
 20 the arbitrators shall be made in writing and a copy of the decision
 21 shall be filed with the secretary of the board of the merged area and
 22 the secretary of the local board. Any party to the proceedings may
 23 appeal therefrom to the district court by serving notice thereof within
 24 twenty (20) days after the decision is filed. Such appeal shall be tried
 25 in equity and a decree entered determining the entire matter. The
 26 decree so entered shall be final.

1 SEC. 27. There is hereby established within the state department
 2 of public instruction a division of community and junior colleges. The
 3 division shall, under the supervision of the state superintendent, exer-
 4 cise the powers and perform the duties with respect to area and public
 5 community and junior colleges imposed by law upon the department.

1 SEC. 28. The state superintendent, with the approval of the state
 2 board, shall appoint a full-time director of the division of community
 3 and junior colleges and may employ such other qualified personnel as
 4 shall be necessary. The director shall be a person with teaching or
 5 administrative experience in the field of community and junior colleges
 6 or higher education and shall meet such qualifications in the area of
 7 vocational education as the state board deems necessary.

1 SEC. 29. There is further established a state advisory committee
 2 on community and junior colleges which shall consist of nine (9) mem-
 3 bers. Members of the committee shall be appointed by the governor
 4 and shall include:

5 1. A member of the state board of regents.
 6 2. A member of the state advisory committee for vocational educa-
 7 tion.

 13 with academic, socio-economic, and other handicaps.

14 6. A member to represent local school districts which offer programs
 15 of vocational education.

16 7. Three (3) members to represent the general public.

1 SEC. 30. The members of the state advisory committee shall serve
 2 for terms of four (4) years but the nine (9) initial appointees shall
 3 serve as follows: Four (4) members shall serve from the date of ap-
 4 pointment until June 30, 1967 and five (5) members shall serve from
 5 the date of the appointment until June 30, 1969. Any vacancy on the

6 committee shall be filled for the unexpired term of the vacancy in the
7 same manner as the original appointment. Members of the committee
8 shall serve without compensation but shall be allowed actual and neces-
9 sary expenses while engaged in official duties.

1 SEC. 31. Prior to August 1 of each year, the advisory committee
2 shall meet and organize. The committee shall annually elect a chair-
3 man and such other officers as committee members deem necessary.
4 The chairman of the committee shall be responsible for calling meet-
5 ings of the advisory committee. Advisory committee members shall
6 meet at least four (4) times a year and at such other times as the
7 chairman or the state superintendent deems necessary.

1 SEC. 32. The advisory committee shall advise the state board on
2 the establishment of area community colleges, on the adoption of
3 standards for area and public community and junior colleges, and

5 leges under the jurisdiction of the state board and state superin-
6 tendent.

1 SEC. 33. Approval standards for area and public community and
2 junior colleges shall be established by the state board of public in-
3 struction and the state board of regents, acting jointly, with the advice
4 of the state advisory committee on community and junior colleges.
5 Such standards shall be issued and enforced by the state department
6 of public instruction which shall certify as approved any area or public
7 community or junior college meeting such standards. Approval stand-
8 ards for area and public community and junior colleges shall include
9 standards for administration, certification and assignment of person-
10 nel, curriculum, facilities and sites, requirements for the awarding of
11 diplomas and other evidence of educational achievement, guidance and
12 counseling, instruction or instructional materials, maintenance, school
13 library, and staff.

1 SEC. 34. Section two hundred fifty-eight point four (258.4), Code
2 1962, is hereby amended by inserting in line four (4) of subsection
3 seven (7) of such section after the word "programs," the words "area
4 vocational schools and programs".

1 SEC. 35. Section two hundred eighty point eighteen (280.18), Code
2 1962, is amended by striking all of lines thirty (30), thirty-one (31),
3 and thirty-two (32).

1 SEC. 36. Section two hundred eighty-six A point three (286A.3),
2 Code 1962, is hereby amended by striking lines four (4) through
3 eighteen (18) and inserting in lieu thereof the following:
4 "Approval standards for public community and junior colleges shall
5 be established and approved as prescribed in section thirty-three (33)
6 of this Act, with said standards to be issued and enforced by the state
7 department of public instruction. Eligibility for receipt of state aid
8 for public community and junior colleges shall be determined by the
9 state board of public instruction and the state board of regents. No
10 aid shall be paid to a public community or junior college unless such
11 college meets approval standards."

1 SEC. 37. Section two hundred eighty-six A point four (286A.4),
 2 Code 1962, as amended by chapter one hundred seventy-three (173),
 3 Acts of the Sixtieth General Assembly, is hereby amended as follows:

4 1. By inserting in line three (3) of subsection three (3) after the
 5 word "the" the words "community or".

6 2. By adding the following to subsection three (3) :

7 "Merged areas operating an area vocational school or area commu-
 8 nity college shall be entitled to general school aid. The general school
 9 aid funds allocated to each merged area operating an area vocational
 10 school or area community college shall be determined by multiplying
 11 two (2) dollars and twenty-five (25) cents by the average daily enroll-
 12 ment of students who are residents of the state and who are attending
 13 the vocational school or community college and are carrying twelve
 14 (12) or more semester hours of work plus the full-time equivalent of
 15 students carrying less than twelve (12) semester hours of work. Mul-
 16 tiple this product by the actual number of days the school or college
 17 was officially in session. The aid computation shall be made separately
 18 for each area vocational school or area community college."

1 SEC. 38. Section one (1) of chapter one hundred seventy-three
 2 (173), Acts 60th General Assembly is amended by striking from line
 3 seven (7) the words "one dollar and a half" and inserting in lieu
 4 thereof the words and figures "two (2) dollars and twenty-five (25)
 5 cents".
