We, Wayne A. Faupel and Phyllis Barry, Editors of the Code of Iowa, do hereby certify that the Acts, laws and joint resolutions and the certificates by the Secretary of State of the publication or filing thereof contained in this volume have been prepared from the original enrolled Acts on file in the office of the Secretary of State and are correct copies of said Acts and are published under the authority of the statutes of this state and constitute the Acts, laws and joint resolutions of the 1976 Regular Session of the Sixty-sixth General Assembly of the State of Iowa.

September 1976.

Section 622.59 of the 1975 Code of Iowa is as follows:

“Printed copies of the statute laws of this or any other of the United States, or of Congress, or of any foreign government, purporting or proved to have been published under the authority thereof, or proved to be commonly admitted as evidence of the existing laws in the courts of such state or government, shall be admitted in the courts of this state as presumptive evidence of such laws.”

EDITORS' NOTE

The Acts and Resolutions of the 1976 Regular Session of the Sixty-sixth General Assembly have been printed in this book exactly as they appear on file in the office of the Secretary of State. No attempt has been made to correct misspelled words or errors in punctuation, if any.

This volume of the Acts of the General Assembly has been printed from a new process of photo composition directly from the computer electronic data base containing the enrolled bills. This process has necessitated considerable experimentation to determine the proper type commands to achieve the desired type faces, viz. bold, roman, italic, bold italic, small capitals and others in both 9-point and 6-point. The process has been slower than anticipated but we are confident that in the long run it will be faster and more economical than formerly. The necessary technology has been ably supplied by Bill Keathley of the Data Processing Division. Credit for much diligence by employees of this office must be acknowledged to wit: Laverne Swanson, Jan Dongress, Pamela Worden and others. Some minor imperfections may be noted in the spacing, etc. but the reader is assured of the accuracy of the portrayal of the enrolled bills.

Italics indicate new material added to existing statutes; strike-through letters indicate deleted material.
