CHAPTER 49  
COAL CONTRACTS FOR STATE USE

H. F. 445

AN ACT relating to emission standards as they relate to coal produced and purchased under contract for use in this state.

*Be It Enacted by the General Assembly of the State of Iowa:*

Section 1. Section seventy-two point one (72.1), Code 1977, is amended to read as follows:

72.1 UNAUTHORIZED CONTRACTS. Officers empowered to expend, or direct the expenditure of, public money of the state shall not make any contract for any purpose which contemplates an expenditure of such money in excess of that authorized by law. However, the state or an agency of the state may enter into a contract of not exceeding ten years in duration for the purchase of coal to be used in facilities under the jurisdiction of the state or the state agency. The execution of the contract shall be contingent upon appropriations by the general assembly in sufficient amounts to meet the terms of the contract.

Sec. 2. Section four hundred fifty-five B point twelve (455B.12), subsection four (4), Code 1977, is amended to read as follows:

4. Establish, modify, or repeal emission standards relating to the maximum quantities of air contamination that may be emitted from any air contaminant source after at least sixty days' public notice and public hearings. If the maximum standards for the emission of sulphur dioxide from solid fuels have to be reduced in any area to meet ambient air standards, any contract for coal produced in Iowa, and burned by a facility in that area that met the sulphur emission standards in effect at the time the contract went into effect shall be exempted from the decreased requirement until the expiration of the contract period or December 31, 1983, whichever first

occurs, if there is any other reasonable means available to satisfy the ambient air standards. To qualify under the provisions of this subsection the contract must be recorded with the county recorder of the county where the burning facility is located within thirty days after the signing of the contract.
