b. From the general fund for salaries, support, and miscellaneous purposes for the processing of aujeszky's disease tests required by the department of agriculture's aujeszky's disease control program..... \$ 100,000

The department shall charge a fee for each aujeszky's disease test. The fees shall cover the costs of the program but shall not exceed one dollar for each aujeszky's disease test and all moneys obtained by collection of such fees shall be deposited in the state general fund.

4. From the commercial feed fund to be transferred to the laboratory division..... \$ 505,971

5. From the pesticide fund to be transferred to the laboratory division..... \$ 273,152

6. From the fertilizer fund to be transferred to the laboratory division..... \$ 500,939

7. a. If there is an unencumbered balance of funds in the commercial feed fund on June thirtieth of any fiscal year equal to or exceeding three hundred fifty thousand dollars, the secretary of agriculture shall reduce the per ton fee provided for in subsection one (1) of section one hundred ninety-eight point nine (198.9) of the Code for the next fiscal year in such amount as will result in an ending estimated balance for June thirtieth of the next fiscal year of three hundred fifty thousand dollars.

b. If there is an unencumbered balance of funds in the fertilizer fund on June thirtieth of any fiscal year equal to or exceeding three hundred fifty thousand dollars, the secretary of agriculture shall reduce the per ton fee provided for in subsection one (1) of section two hundred point eight (200.8) of the Code for the next fiscal year in such amount as will result in an ending estimated balance for the June thirtieth of the next fiscal year of three hundred fifty thousand dollars.

8. There is appropriated to the regulatory division of

the department of agriculture for the purposes of converting or purchasing scale trucks in accordance with plans submitted to the budget subcommittee on natural resources, the amount of one hundred ten thousand (110,000) dollars, or so much thereof as is necessary, from federal indirect cost reimbursements received by the department of agriculture for expenses incurred during the prior fiscal years in the meat and poultry inspection program.

9. Funds appropriated by this section to the department of agriculture shall be used to pay salaries and support for not more than three hundred twenty-two permanent full-time positions.

10. Funds appropriated for the general administration of the department under subsection one (1) of this section shall be used by the department for the salary and support of a livestock reporter who shall provide daily livestock quotations at least twice weekly from the central livestock commission company in Webster City, Iowa, provided that livestock quotations reporting services at other livestock markets shall not be reduced to provide the services required under this section.

11. If Senate File three hundred sixty-five (365) is approved by the Sixty-seventh General Assembly, 1978 Session, and becomes law, the funds appropriated under section one (1) of this Act shall be adjusted as follows:

a. The amount of funds appropriated pursuant to section one (1), subsection one (1), paragraph a, of this Act shall be increased to eight hundred ninety-seven thousand eight hundred two (897,802) dollars.

b. The amount of funds appropriated pursuant to section one (1), subsection two (2), paragraph a, of this Act shall be increased to two million three hundred thirty-seven thousand five hundred seventy-three (2,337,573) dollars.

c. The amount of funds appropriated pursuant to section one (1), subsection two (2), paragraph b, of this Act shall be reduced to one hundred thirty-two thousand seven hundred thirty-five (132,735) dollars.

d. The number of permanent full-time positions shall be increased under section one (1), subsection nine (9), of this Act to three hundred thirty-five permanent full-time positions.

e. That funds appropriated to the regulatory division from the hotel and restaurant fund shall be available for expenditure for the period beginning July 1, 1978 and ending

December 31, 1978 and all unencumbered funds remaining in the hotel and restaurant fund on January 1, 1979 shall be transferred to the general fund of the state.

Sec. 2. There is appropriated from the general fund of the state to the department of agriculture for the fiscal year beginning July 1, 1978 and ending June 30, 1979, the sum of twenty-five thousand (25,000) dollars, or so much thereof as may be necessary, to make grants to counties to pay the indemnity and the expenses of the inspection and testing of animals as provided in chapters one hundred sixty-three A (163A) and one hundred sixty-four (164) of the Code. The secretary of agriculture shall not approve a grant under this section to a county unless the board of supervisors has levied the maximum levy for the county brucellosis eradication fund under section one hundred sixty-four point twenty-three (164.23) of the Code for the fiscal year beginning July 1, 1978 and ending June 30, 1979 and all funds in the county brucellosis eradication fund including all unobligated funds transferred from the county tuberculosis eradication fund, have been expended. However, no individual claimant, in a single county, shall receive more than five thousand (5,000) dollars in a single fiscal year.

Sec. 3. There is appropriated from the general fund of the state to the Iowa development commission for the fiscal year beginning July 1, 1978 and ending June 30, 1979 the following amounts, or so much thereof as is necessary, to be used for the purposes designated:

1978-1979  
Fiscal Year

1. a. For salaries and support of not more than forty-eight full-time permanent positions, and maintenance and miscellaneous purposes..... \$ 1,716,821

b. From funds appropriated by paragraph a of this subsection the Iowa development commission shall allocate not to exceed thirty-one thousand five hundred (31,500) dollars for the fiscal year ending June 30, 1979 for the seven regional tourism districts, not to exceed five thousand (5,000) dol-

lars per district, if the district provides on a dollar-to-dollar matching basis funds equal to the amount allocated by the Iowa development commission.

2. For salaries, support of no more than two full-time permanent positions, maintenance and miscellaneous purposes of the European office..... \$ 146,868

Sec. 4. There is appropriated from the general fund of the state to the Iowa state fair board for the fiscal year beginning July 1, 1978 and ending June 30, 1979 the following sums, or so much thereof as is necessary, to be used for the purposes designated:

	1978-1979
	<u>Fiscal Year</u>
1. For maintenance of state fair buildings and grounds.....	\$ 80,000
2. For premiums.....	\$ 10,000
3. For state aid to agricultural societies (local fairs).....	\$ 210,000

4. The appropriation contained in subsection three (3) of this section for state aid to agricultural societies is conditional upon full compliance with all other statutes which regulate and prescribe the conditions under which such aid is available. In no case shall such moneys be used for other than the payment of cash premiums, and in no case shall any county receive more than two thousand one hundred (2,100) dollars except that in a county where there are two definitely separate county extension offices, each such society shall receive state aid

in such amount as it would be entitled to if it were the only society in the county. In counties having more than one fair entitled to state aid, the state aid available shall be prorated to the fairs based on cash premiums paid by the fairs.

Sec. 5. There is appropriated from the general fund of the state to Iowa state university of science and technology for the fiscal period beginning July 1, 1978 and ending June 30, 1979, the sum of three hundred thousand (300,000) dollars, or so much thereof as may be necessary, to be used by the energy and mineral resources research institute to conduct a coal research project within the state.

Sec. 6. It is the intent of the general assembly to provide for continued coal research within this state. The coal research project authorized under this Act shall include coal beneficiation research to be conducted at the Iowa state university preparation plant using coal purchased by the university as part of its usual energy requirement with funds provided for that purpose, the design and installation of fine coal recovery equipment at the plant, a study of the suitability of Iowa coal for use in the cement industry, and an agricultural productivity study of a reclaimed mine site.

Sec. 7. Funds appropriated by section five (5) of this Act shall be used solely for research as specified in section six (6) of this Act and shall not be used for related academic activities or studies.

Sec. 8. The energy and mineral resources research institute shall report on the progress of the coal research project to the budget natural resources subcommittees of both houses of the general assembly not later than January 15, 1979. The report shall include a description of the progress of the project, the results and perceived benefits of the research described in section six (6) of this Act, a summary of project expenditures, including anticipated expenditures and any proposals for continued coal research.

Sec. 9. There is appropriated from the general fund of the state for the fiscal year beginning July 1, 1978 and ending June 30, 1979 to the energy policy council for salaries and support of not more than seven full-time permanent

positions, maintenance and miscellaneous purposes, the amount of two hundred fourteen thousand one hundred and ten (214,110) dollars, or so much thereof as is necessary.

Sec. 10. There is appropriated from the general fund of the state to Iowa state university of science and technology agricultural experiment station for the fiscal period beginning July 1, 1978 and ending June 30, 1979, the sum of seventy-five thousand (75,000) dollars, or so much thereof as may be necessary, to be used by the university to conduct a study and research of grain grading, testing and pricing in Iowa, such study and research to include but not be limited to the effects on grain grading, testing and pricing in Iowa of weight shrinkage factors, price discounts, grain product quality and present harvesting techniques.

The study and research conducted by the university shall include study and research in the field.

Sec. 11. There is appropriated from the general fund of the state and the funds indicated to the state conservation commission and its divisions for the fiscal year beginning July 1, 1978 and ending June 30, 1979 the following amounts, or so much thereof as may be necessary, to be used for the following purposes:

 Code..... \$ 135,000

Sec. 12. The state conservation commission shall pay out of funds available to it the assessment of the city of Ventura, Iowa for a water line and the limitation for the payment of assessments provided for in section three hundred seven A point five (307A.5) of the Code shall not apply to this assessment.

Sec. 13. There is appropriated from the marine fuel tax fund for the fiscal year beginning July 1, 1978 and ending June 30, 1979 to the state conservation commission, division of lands and waters, such amounts of funds computed as provided in section three hundred twenty-four point eighty-four (324.84) of the Code, which funds shall be deposited in the state conservation fund for use in the state conservation commission recreational boating program as provided in subsections one (1) through five (5) of section three hundred twenty-four point seventy-nine (324.79) of the Code. The unencumbered or unobligated balances of funds specifically allocated for capital projects shall not revert to the fund from which appropriated until June 30, 1982.

Sec. 14.

1. The transfer of funds from the state conservation fund and the state fish and game protection fund to the administration funds shall not exceed the amounts specified in subsections one (1) and two (2) of section eleven (11) of this Act. Such funds shall be used for salaries and support of not more than one hundred five full-time permanent positions.

2. a. Funds remaining in the fish and game protection fund which are not specifically appropriated by section eleven (11) of this Act are appropriated and may be used for capital projects and contingencies arising during the fiscal year beginning July 1, 1978.

b. A contingency shall not include any purpose or project which was presented to the general assembly by way of a bill or a proposed bill and which failed to be enacted into law. For the purpose of this subsection, a necessity of additional operating funds may be construed as a contingency.

Before any of the funds authorized to be expended by this subsection shall be allocated for contingencies, it shall

be determined by the executive council that a contingency exists and that the contingency was not existent while the general assembly was in session and that the proposed allocation shall be for the best interests of the state.

If a contingency arises or could reasonably be foreseen during the time the general assembly is in session, expenditures for the contingency must be authorized by the general assembly.

3. All receipts and refunds and reimbursements related to activities funded by the administration fund are appropriated to the administration fund. All refunds and reimbursements relating to activities of the state fish and game protection fund shall be credited to the state fish and game protection fund.

4. The state conservation commission shall establish a priority list of watersheds above publicly-owned lakes and areas within those watersheds which are of highest importance based on soil loss to be used for the allocation of funds set aside in subsection six (6) of section fifteen (15) of this Act for permanent soil conservation practices on watersheds above publicly-owned lakes.

Sec. 15. There is appropriated from the general fund of the state to the department of soil conservation for the fiscal year beginning July 1, 1978 and ending June 30, 1979, the following amounts, or so much thereof as is necessary, to be used for the purposes designated:
