NEW UNNUMBERED PARAGRAPH. The review shall study cooperative efforts which are designed to prevent duplication of services and to break the cycle of dependency by certain families receiving assistance under human service programs. Human service agencies receiving county funding and state agencies providing human services in the county shall cooperate with the county board in conducting the review. The county board shall report its findings and recommendations by July 1 of each year to the county board of supervisors and to the commission on children, youth, and families established in section 237B.2. The commission shall include in its annual report to the general assembly a summary of its findings from the reports of the county boards.
