

shall include the procedures and months for gathering water samples; the synthetic organic chemicals and pesticides, but not more than thirty-five of each, for which the samples are to be tested; the approved analytical methods for conducting the analysis of water samples; and the reporting of the analytical results to the department. The department shall adopt a schedule for the tests which requires all the systems and districts to complete the testing not later than January 1, 1988. All of the tests shall be conducted by a single laboratory. The laboratory shall be selected by the department on the basis of competitive bids, however, the laboratory selected shall not charge more than three hundred thirty dollars for the initial test required by this Act. The laboratory selected shall allow private well and privately owned public water supply system samples to undergo the same analysis for the same price. The department shall submit a report to the general assembly by April 1, 1988 of the findings of the tests and the conclusions which may be drawn from them.

Sec. 2. Section 455B.309, subsection 2, Code Supplement 1985, is amended by adding the following new lettered paragraph:

NEW LETTERED PARAGRAPH. e. Grants to public water supply systems to abate or eliminate threats to public health and safety resulting from contamination of the water supply source.

Sec. 3. Section 455B.309, Code Supplement 1985, is amended by adding the following new subsection:

NEW SUBSECTION. 3. An amount equal to twenty-five percent of the moneys received from the tonnage fee imposed under section 455B.310 in each fiscal year shall be reserved for the purpose of providing grants to public water supply systems to abate or eliminate threats to public health and safety resulting from contamination of the water supply source. However, a public water supply shall not receive a grant for more than ten percent of the moneys available for those purposes in any given year. Any moneys not expended under this subsection at the end of each fiscal year shall be available for any of the uses authorized in subsection 2.
