

testing of the manufacturer's water treatment system, the manufacturer may rely upon the manufacturer's own test data after approval of the data by an accepted third-party evaluator as provided in this subparagraph. The Iowa department of public health shall review the qualifications of a third-party evaluator proposed by the manufacturer. The department may accept or reject a proposed third-party evaluator based upon the required review. If a third-party evaluator, accepted by the Iowa department of public health, finds that the manufacturer's test data is reliable, adequate, and fairly presented, the manufacturer may rely upon that data to satisfy the requirements of this subparagraph after filing a copy of the test data and the report of the third-party evaluator with the Iowa department of public health. The testing agency shall use, or the evaluator shall review for the use of, approved methods of performance testing determined to be appropriate by the state hygienic laboratory.

CHAPTER 130

INHERITANCE THROUGH CLASS GIFT DEVISEE

S.F. 494

AN ACT relating to the disposition of property devised as a class gift where the testator has survived the devisee, and providing for the Act's applicability.

Be It Enacted by the General Assembly of the State of Iowa:

Section 1. Section 633.273, Code 1989, is amended to read as follows:
633.273 ANTILAPSE STATUTE.

1. If a devisee ~~die~~ dies before the testator, the devisee's heirs shall inherit the property devised to the devisee, unless from the terms of the will, the intent is clear and explicit to the contrary.

2. A person who would have been a devisee under a class gift, if the person had survived the testator, is treated as a devisee for purposes of this section, provided the person's death occurred after the execution of the will, unless from the terms of the will, the intent is clear and explicit to the contrary.

Sec. 2. This Act applies to all wills admitted to probate on or after the effective date of the Act.
