## CHAPTER 199

### NEW INFRASTRUCTURE LOAN PROJECTS

*S.F. 466*

**AN ACT** allowing a speculative industrial building built by a local community development organization to be eligible under the rural community 2000 loan program as a new infrastructure.

*Be It Enacted by the General Assembly of the State of Iowa:*

Section 1. Section 15.285, subsection 1, Code 1989, is amended to read as follows:

1. The new infrastructure category contains projects which are services or processes that do not currently meet the guidelines of standard public works projects. These include, but are not limited to, communication systems, day care, technology transfer adaptation, medical decision-support systems, special transportation services, physical improvements under town square and main street programs, physical improvements to historic, art, and cultural sites and attractions, emergency medical services, speculative shell buildings built by a local community development organization, and other projects described in section 384.24, subsection 4.

Approved May 22, 1989
