CHAPTER 1094
WATER USE PERMITS
S.F. 2317

AN ACT relating to issuing permits for regulated uses of water by the department of natural resources.

Be It Enacted by the General Assembly of the State of Iowa:

Section 1. Section 455B.265, subsection 1, Code 1989, is amended to read as follows:

1. In its consideration of applications for permits, the department shall give priority in processing to persons in the order that the applications are received, except where the application of this processing priority system prevents the prompt approval of routine applications or where the public health, safety, or welfare will be threatened by delay. If the department determines after investigation that the diversion, storage, or withdrawal is consistent with the principles and policies of beneficial use and ensuring conservation, the department shall grant a permit. An application for a permit shall be approved or denied within ninety days from the date that the department receives the application. A renewal permit shall be approved or denied by the department within thirty days from the date that the department receives an application for renewal. Regardless of the request in the application, the director or the department on appeal may determine the duration and frequency of withdrawal and the quantity of water to be diverted, stored, or withdrawn pursuant to the permit. Each permit granted
