STATE HOSPITAL-SCHOOLS TRAINING PROGRAMS AND EMPLOYEE RECORDS

H.F. 2177

AN ACT relating to the operation of state hospital-schools under the control of the department of human services by authorizing the offering of goods and services to the public as part of client training programs and by deleting the requirement of maintaining daily records of time worked by institutional staff.

Be It Enacted by the General Assembly of the State of Iowa:

Section 1. Section 23A.2, subsection 10, Code 1989, is amended by adding the following new paragraph:

NEW PARAGRAPH. 1. The offering of goods and services to the public as part of a client training program operated by a state hospital-school under the control of the department of human services provided that all of the following conditions are met:

(1) Any off-campus vocational or employment training program developed or operated by the department of human services for clients of a state hospital-school is a supported vocational training program or a supported employment program offered by a community-based provider of services or other employer in the community.

(2) (a) If a resident of a state hospital-school is to participate in an employment or training program which pays a wage in compliance with the federal Fair Labor Standards Act, the state hospital-school shall develop a community placement plan for the resident. The community placement plan shall identify the services and supports the resident would need in order to be discharged from the state hospital-school and to live and work in the community. The state hospital-school shall make reasonable efforts to implement the community placement plan including referring the resident to community-based providers of services.

(b) If a community-based provider of services is unable to accept a resident who is referred by the state hospital-school, the state hospital-school shall request and the provider shall indicate in writing to the state hospital-school the provider's reasons for its inability to accept the resident and describe what is needed to accept the resident.

(c) A resident who cannot be placed in a community placement plan with a community-based provider of services may be placed by the state hospital-school in an on-campus or off-campus vocational or employment training program. However, prior to placing a resident in an on-campus vocational or employment training program, the state hospital-school shall seek an off-campus vocational or employment training program offered by a community-based provider who serves the county in which the state hospital-school is based or the counties contiguous
