## CHAPTER 125

### ENHANCED 911 EMERGENCY TELEPHONE SERVICE

*H.F. 388*

**AN ACT** relating to establishing statewide implementation of 911 telephone services and providing for the funding of such services.

*Be It Enacted by the General Assembly of the State of Iowa:*

Section 1. Section 34A.2, subsection 6, paragraph e, Code 1993, is amended to read as follows:

e. A statement of estimated costs to be incurred by the joint E911 service board, including separate estimates of the following:

(1) Nonrecurring costs, including, but not limited to, public safety answering points, network equipment, software, database, addressing, initial training, and other capital and start-up expenditures, including the purchase or lease of subscriber names, addresses, and telephone information from the local exchange service provider.

(2) Recurring costs, including, but not limited to, network access fees and other telephone charges, software, equipment, and database management, and maintenance, including the purchase or lease of subscriber names, addresses, and telephone information from the local exchange service provider. Recurring costs shall not include personnel costs for a public safety answering point.

Costs are limited to nonrecurring and recurring costs directly attributable to the provision of 911 emergency telephone communication service and may include costs for portable and vehicle radios, communication towers, and other radios and equipment permanently located at the public safety answering point. Costs do not include expenditures for any other purpose,
