

I am unable to approve the item designated as Section 13, subsection 3, unnumbered and unlettered paragraph 2, in its entirety. This provision relates to the elimination of an employee position within the Division of Alcoholic Beverages and the loaning of employees by the Department of Commerce to other agencies. Decisions concerning personnel in the Department of Commerce are the prerogative of the executive branch. The director of the department must retain the authority to assign employees to perform tasks as needed.

I am unable to approve the item designated as Section 15, in its entirety. This provision would require the Departments of Commerce, Employment Services and Inspections and Appeals to prepare and monitor budget proposals for divisions within the agencies under zero-based and performance-based budgeting methods. Agencies within the executive branch should utilize only one budgeting method to provide consistency and uniformity in budget preparation and tracking across state government.

For the above reasons, I hereby respectfully disapprove these items in accordance with Amendment IV of the Amendments of 1968 to the Constitution of the State of Iowa. All other items in Senate File 2218 are hereby approved as of this date.

Sincerely,
TERRY E. BRANSTAD, *Governor*

The governor shall include in the governor's budget for the fiscal year beginning July 1, 1995, a listing indicating the nature and amount of each lease-purchase contract which was itemized in a departmental estimate in accordance with this section and is included in the governor's budget. A state agency receiving an appropriation in this Act shall not enter into a lease-purchase contract during the fiscal year beginning July 1, 1995, unless the contract was itemized in a departmental estimate and included in the governor's budget in accordance with this section.**

The speaker of the house shall transmit copies of this report to the chairs of the standing committees in the house which customarily consider legislation regarding agriculture and commerce, and the president of the senate shall transmit copies of this report to the chairs of the standing committees in the senate which customarily consider legislation regarding agriculture and commerce. Sec. 32. Section 18.12, subsection 8, Code 1993, is amended to read as follows:

8. Dispose of all personal property of the state under the director's control when it becomes unnecessary or unfit for further use by the state. If the director concludes that the property has little value, the director may dispose of the personal property by means other than by sale. Proceeds from the sale of personal property shall be deposited in the state general fund.

Sec. 33. Section 18.115, subsection 4, unnumbered paragraph 1, Code Supplement 1993, is amended to read as follows:

The state vehicle dispatcher shall purchase all new motor vehicles for all branches of the state government, except the state department of transportation, institutions under the control of the state board of regents, the department for the blind, and any other agencies exempted by law. Before purchasing any new motor vehicle the dispatcher shall make requests for public bids by advertisement and shall purchase the vehicles from the lowest responsible bidder for the type and make of motor vehicle designated. The vehicle dispatcher may purchase used or preowned vehicles at governmental or dealer auctions if the purchase is determined to be in the best interests of the state.

Sec. 34. Section 18.115, subsection 6, Code Supplement 1993, is amended to read as follows:

6. All used motor vehicles turned in to the state vehicle dispatcher shall be disposed of by public auction, and the sales shall be advertised in a newspaper of general circulation one week in advance of sale, and the receipts from the sale shall be deposited in the depreciation fund to the credit of that department or agency turning in the vehicle; except that, in the case of a used motor vehicle of special design, the state vehicle dispatcher may, with the approval of the ~~executive council~~ director, instead of selling it at public auction, authorize the motor vehicle to be traded for another vehicle of similar design. If a vehicle sustains damage and the cost to repair exceeds the wholesale value of the vehicle, the state vehicle dispatcher may dispose of the vehicle by obtaining two or more written salvage bids and the vehicle shall be sold to the highest responsible bidder.

Sec. 35. Section 18.117, unnumbered paragraph 1, Code 1993, is amended to read as follows:

A state officer or employee shall not use a state-owned motor vehicle for personal private use, nor shall the officer or employee be compensated for driving a privately owned motor vehicle unless it is done on state business with the approval of the state vehicle dispatcher, and in that case the officer or employee shall receive an amount to be determined by the state which may be the maximum allowable under the federal internal revenue service rules per mile, notwithstanding established mileage requirements or depreciation allowances. However, the director may authorize per mile reimbursement rates in excess of the rate allowed under the federal internal revenue service rules for state business use of substantially modified or specially equipped privately owned vehicles required by persons with disabilities. A statutory provision stipulating necessary mileage, travel, or actual expenses reimbursement to a state officer falls under the mileage reimbursement limitation provided in this section unless specifically provided otherwise. Any peace officer employed by the state as defined in section 801.4 who is required to use a private vehicle in the performance of official duties shall receive reimbursement for mileage expense at the rate specified in this section. However, the state vehicle dispatcher may delegate authority to officials of the state, and department heads, for the use of private vehicles on state business up to a yearly mileage figure established by the director of general services. If a state motor vehicle has been assigned to a state officer or employee, the officer or employee shall not collect mileage for the use of a privately owned vehicle unless the state vehicle assigned is not usable.

a. The professional or trade organization consents to payment of dues in this manner.

b. The employee requests in writing that payment of dues or membership fees be made in this manner.

(2) Fifty or more state officers or employees employed at the university of northern Iowa.

(3) Twenty-five or more state officers or employees employed at the Iowa school for the deaf or at the Iowa braille and sight saving school.

2. The deduction may be made even though the compensation paid to an officer or employee is reduced to an amount below the minimum prescribed by law. Payment to an officer or employee of compensation less the deduction shall constitute a full discharge of claims and demands for services rendered by the officer or employee during the period covered by the payment. The request for the deduction may be withdrawn at any time by filing a written notification of withdrawal with the state officer in charge of the payroll system.

3. This section shall not affect a payroll deduction elected by a state employee pursuant to section 70A.19.

The treasurer need not offer any property for sale if, in the treasurer's opinion, the probable cost of sale exceeds the value of the property. The treasurer may order destruction of the property when the treasurer has determined that the probable cost of offering the property for sale exceeds the value of the property.

2. Approved April 13, 1994, except the items which I hereby disapprove and which are designated as Section 10, unnumbered and unlettered paragraph 4 in its entirety; and Section 30 in its entirety. My reasons for vetoing these items are delineated in the item veto message pertaining to this Act to the President of the Senate this same date, a copy of which is attached hereto.

TERRY E. BRANSTAD, *Governor*

Dear Mr. President:

I hereby transmit Senate File 2229, an Act relating to and making appropriations to state departments, agencies, funds, and certain other entities, and providing for other properly related matters.

Senate File 2229 is, therefore, approved on this date with the following exceptions which I hereby disapprove.

I am unable to approve the item designated as Section 10, unnumbered and unlettered paragraph 4, in its entirety. This provision would require the Department of Management to state staffing targets in terms of full-time equivalent positions. The executive branch must maintain flexibility to utilize reporting formats that best meet its management needs.

I am unable to approve the item designated as Section 30, in its entirety. This provision restricts executive branch agencies in their ability to enter into lease-purchase agreements. While additional review and oversight of lease-purchase contracting by state agencies may be worthwhile, sufficient flexibility must be provided to allow agencies to respond to situations which cannot be planned, e.g. emergencies and new federal requirements.

For the above reasons, I hereby respectfully disapprove these items in accordance with Amendment IV of the Amendments of 1968 to the Constitution of the State of Iowa. All other items in Senate File 2229 are hereby approved as of this date.

Sincerely,
TERRY E. BRANSTAD, *Governor*
