

Sec. 4. Section 280.5, Code 1995, is amended to read as follows:

280.5 DISPLAY OF UNITED STATES FLAG AND IOWA STATE BANNER FLAG.

The board of directors of each public school district and the authorities in charge of each nonpublic school shall provide and maintain a suitable flagstaff on each school site under its control, and the United States flag and the Iowa state banner flag shall be raised on all school days when weather conditions are suitable.

Approved February 13, 1995

CHAPTER 2

AIR CONTAMINANTS – PERMITS – MORATORIUM REGARDING GRAIN STORAGE FACILITY REQUIREMENTS

S.F. 37

AN ACT relating to the control of emissions from grain storage facilities, by imposing a moratorium upon the department of natural resources, providing for the issuance of a single permit, and providing an effective date.

Be It Enacted by the General Assembly of the State of Iowa:

Section 1. Section 455B.133, subsection 8, Code 1995, is amended by adding the following new paragraph:

NEW PARAGRAPH. c. Adopt rules for the issuance of a single general permit, after notice and opportunity for a public hearing. The single general permit shall cover numerous sources to the extent that the sources are representative of a class of facilities which can be identified and conditioned by a single permit.

Sec. 2. MORATORIUM – GRAIN STORAGE FACILITIES – CLEAN AIR OPERATING PERMIT REQUIREMENTS.

1. Notwithstanding section 455B.133, a moratorium is established during which the department of natural resources shall not require persons to complete or submit to the department any form, application, or information relating to the control of emissions of dust or other particulate matter in, on, or around facilities used for the storage of grain, to the extent that the form, application, or information is related to the administration or enforcement of the clean air operating permit program as may be delegated to the state pursuant to 42 U.S.C. § 7661a through 7661d.

2. The moratorium shall expire on the date that the state is delegated authority by the United States to administer and enforce the clean air operating permit program as provided by 42 U.S.C. § 7661a through 7661d.

3. During the moratorium period, the department shall adopt forms and procedures as required pursuant to chapter 17A, which ensure that persons involved in the storage of grain may conveniently, simply, and inexpensively comply with the program requirements administered and enforced by the department. The department shall also conduct a state-wide education project in order to assist persons involved in the storage of grain in complying with the requirements, including completing and submitting to the department any necessary form, application, or information. The department shall cooperate with the agribusiness association of Iowa in carrying out this subsection.

A permit shall not be required for the operation of a grain elevator for one hundred twenty days following the expiration of the moratorium or the date that departmental

rules relating to the administration or enforcement of the clean air operating permit program become effective, whichever occurs earlier.

4. The department shall periodically report progress in carrying out this Act to the chairpersons, vice chairpersons, and ranking members of the standing committees on agriculture of the senate and house of representatives. A report shall be made at least once each three months.

Sec. 3. EFFECTIVE DATE. This Act, being deemed of immediate importance, takes effect upon enactment.

Approved February 17, 1995

CHAPTER 3
IOWA LEAGUE OF CITIES
S.F. 45

AN ACT changing the name of the league of Iowa municipalities to the Iowa league of cities.

Be It Enacted by the General Assembly of the State of Iowa:

Section 1. Section 306.6, subsection 2, unnumbered paragraph 1, Code 1995, is amended to read as follows:

A state functional classification review board is created, consisting of one state senator appointed by the president of the senate, after consultation with the majority leader and the minority leader of the senate, one state representative appointed by the speaker of the house of representatives, one supervisor appointed by the Iowa state association of county supervisors, one engineer appointed by the Iowa county engineers' association, two persons appointed by the Iowa league of Iowa municipalities cities, one of whom shall be a licensed professional engineer, and two persons appointed by the department, one of whom shall be a commissioner and the other a staff member. This board shall select a permanent chairperson from among its members by majority vote of the total membership. Except as otherwise provided, the members of the board shall serve without additional compensation to the salary and expenses authorized for the office or position held by the member. The supervisor appointed by the Iowa state association of county supervisors, the engineer appointed by the Iowa county engineers' association, and the two persons appointed by the Iowa league of Iowa municipalities cities shall be reimbursed for their actual and necessary expenses incurred in the performance of their official duties as members of the board from funds allocated under section 312.2, subsection 12. The legislative members shall be paid for their actual and necessary expenses and, when the general assembly is not in session, per diem as provided in sections 2.10 and 2.12. The department's members of the board shall be reimbursed for their actual and necessary expenses from the funds appropriated pursuant to section 313.5.

Sec. 2. Section 314.22, subsection 3, paragraph a, subparagraph (8), Code 1995, is amended to read as follows:

(8) Liaison with the Iowa state association of counties, the Iowa league of Iowa municipalities cities, and other organizations for integrated roadside vegetation management purposes.
