

NEW UNNUMBERED PARAGRAPH. The department may apply for a loan for the construction of facilities for the collection and treatment of waste water under the state sewage treatment works financing program as established in sections 455B.291 through 455B.299. In order to provide for the repayment of a loan granted under the financing program, the commission may impose a lien on not more than ten percent of the annual revenues from user fees and related revenue derived from park and recreation areas under chapter 461A which are deposited in the state conservation fund. If a lien is established as provided in this paragraph, repayment of the loan is the first priority on the revenues received and dedicated for the loan repayment each year.
