

council on human services, governor, and general assembly for revisions to remove barriers to the programs for individuals with a disability and the individuals' families including the following:

- a. Eligibility prerequisites which require declaring the individual at risk of abuse, neglect, or out-of-home placement.
 - b. Time limits on services which restrict addressing ongoing needs of individuals with a disability and their families.
2. The department shall coordinate the department's programs and funding utilized by individuals with a disability and their families with other state and local programs and funding directed to individuals with a disability and their families.
 3. In implementing the provisions of this section, the department shall do all of the following:
 - a. Compile information concerning services and other support available to individuals with a disability and their families. Make the information available to individuals with a disability and their families and department staff.
 - b. Utilize internal training resources or contract for additional training of staff concerning the information under paragraph "a" and training of families and individuals as necessary to develop plans and contracts under sections 225C.46 and 225C.47.
 4. The department shall designate one individual whose sole duties are to provide central coordination of the programs under sections 225C.46 and 225C.47 and to work with the personal assistance and family support services council to oversee development and implementation of the programs.

CHAPTER 1085

DEPARTMENT OF GENERAL SERVICES – MISCELLANEOUS DUTIES S.F. 2387

AN ACT relating to the department of general services, by providing for the sale or disposal of unwanted state personal property and by establishing a monument maintenance account.

Be It Enacted by the General Assembly of the State of Iowa:

Section 1. Section 18.8, unnumbered paragraph 1, Code 1995, is amended to read as follows:

The director shall provide necessary voice or data communications, including telephone, and telegraph, lighting, fuel, and water services for the state buildings and grounds located at the seat of government, except the buildings and grounds referred to in section 216B.3, subsection 6.

Sec. 2. Section 18.12, subsection 3, Code Supplement 1995, is amended to read as follows:

3. Institute, in the name of the state, and with the advice and consent of the attorney general, civil and criminal proceedings against any person for injury or threatened injury to any public property, including but not limited to intangible and intellectual property, under the person's control.

Sec. 3. Section 18.12, subsection 8, Code Supplement 1995, is amended to read as follows:

8. Dispose of all personal property of the state under the director's control when it becomes unnecessary or unfit for further use by the state. ~~If the director concludes that the property has little value, the director may dispose of the personal property by means other than by sale. If the director concludes that the personal property is contaminated, contains hazardous waste, or is hazardous waste, the director may charge the state agency responsible for the property for removal and disposal of the personal property.~~

The director may dispose of personal property by any of the following means:

a. The director may dispose of unfit or unnecessary personal property by sale. Proceeds from the sale of personal property shall be deposited in the state general fund of the state.

b. If the director concludes that the personal property has little or no value, the director may enter into an agreement with a not-for-profit organization or governmental agency to dispose of the personal property. The not-for-profit organization or governmental agency may charge the state agency in control of the property with the cost of removing and transporting the property. Title to the personal property shall transfer when the personal property is in the possession of the not-for-profit organization or governmental agency. If a governmental agency adds value to the property transferred to it and sells it, the proceeds from the sale shall be deposited with the governmental agency and not in the general fund of the state.

The director shall adopt rules establishing the procedures for inspecting, selecting, and removing personal property from state agencies or from state storage.

Sec. 4. Section 18.12, Code Supplement 1995, is amended by adding the following new subsection:

NEW SUBSECTION. 18A. Establish a monument maintenance account in the state treasury under the control of the department. Funds for the maintenance of a state monument, whether received by gift, devise, bequest, or otherwise, shall be deposited in the account. Funds in the account shall be deposited in an interest-bearing account. Notwithstanding section 12C.7, interest earned on the account shall be deposited in the account and shall be used to maintain the designated monument. Any maintenance funds for a state monument held by the state as of the date of the enactment of this provision shall immediately be transferred to the account and the funds and interest earned on the funds shall be used to maintain the designated monument. Notwithstanding section 8.33, unencumbered or unobligated receipts in the monument maintenance account at the end of a fiscal year shall not revert to the general fund of the state.

Sec. 5. Section 18.115, subsection 11, Code 1995, is amended to read as follows:

11. The state vehicle dispatcher is responsible for insuring motor vehicles owned by the state. Insurance coverage may be through a self-insurance program administered by the ~~division~~ department or purchased from an insurer. If the determination is made to utilize a self-insurance program the vehicle dispatcher shall maintain loss and exposure data for the vehicles under the dispatcher's jurisdiction. Each agency shall provide to the ~~division~~ department all requested motor vehicle loss and loss exposure information.

Approved April 10, 1996

CHAPTER 1086
SCHOOL IMPROVEMENT TECHNOLOGY PROGRAM
S.F. 2063

AN ACT establishing a school improvement technology program to fund instructional technology for school districts, the Iowa braille and sight saving school, the state school for the deaf, the Price laboratory school, the state hospital-schools, the state training school, and the Iowa juvenile home, providing for properly related matters, and making appropriations.

Be It Enacted by the General Assembly of the State of Iowa:

Section 1. NEW SECTION. 295.1 LEGISLATIVE FINDINGS AND INTENT.

The general assembly finds that it is in the public interest to develop and equitably fund instructional technology within the public schools of this state to ensure that school students, teachers, and administrators are equipped and prepared to excel in the twenty-first century. Toward that goal, it is the intent of this chapter to establish and fund a school improvement technology program.

Sec. 2. NEW SECTION. 295.2 SCHOOL IMPROVEMENT TECHNOLOGY APPROPRIATION.

1. a. There is appropriated from the general fund of the state to the department of education for the fiscal year beginning July 1, 1996, and ending June 30, 1997, the sum of fifteen million dollars for the school improvement technology program.

b. There is appropriated from the rebuild Iowa infrastructure account of the state to the department of education for the fiscal year beginning July 1, 1996, and ending June 30, 1997, the sum of fifteen million dollars for the school improvement technology program.

c. There is appropriated from the general fund of the state to the department of education for each fiscal year of the fiscal period beginning July 1, 1997, and ending June 30, 2001, the sum of thirty million dollars for the school improvement technology program.

2. From the moneys appropriated in subsection 1 other than the moneys allocated in subsection 3, for each fiscal year in which moneys are appropriated, the amount of moneys allocated to school districts shall be in the proportion that the basic enrollment of a district, bears to the sum of the basic enrollments of all school districts in the state for the budget year. However, a district shall not receive less than fifteen thousand dollars in a fiscal year. The Iowa braille and sight saving school, the state school for the deaf, and the Price laboratory school at the university of northern Iowa shall annually certify their basic enrollments to the department of education by October 1. The department of human services shall certify the average student yearly enrollments of the state training school, the Iowa juvenile home, Woodward state hospital-school, and Glenwood state hospital-school to the department of education by October 1.

3. From the moneys appropriated in subsection 1, for each fiscal year in which moneys are appropriated, the sum of four hundred fifty thousand dollars shall be divided among the area education agencies based upon each area education agency's percentage of the total full-time equivalent elementary and secondary teachers employed in the school districts in this state. An area education agency may contract with an appropriate accredited institution of higher education in Iowa to provide staff development and training in accordance with section 295.3.

4. For each year in which an appropriation is made to the school improvement technology program, the department of education shall notify the department of revenue and finance of the amount to be paid to each school district and area education agency based upon the distribution plan set forth for the appropriation made pursuant to this section. The allocation to each school district and area education agency under this section shall be made in one payment on or about October 15 of the fiscal year in which the appropriation is made, taking into consideration the relative budget and cash position of the state
