

dependent is in need of and is entitled to support from the respondent, giving the respondent's name, age, residence, and circumstances, and praying that the respondent be compelled to furnish such support. The petitioner may include in or attach to the petition any information which may help in locating or identifying the respondent including, but without limitation by enumeration, a photograph of the respondent, a description of any distinguishing marks of the respondent's person, other names and aliases by which the respondent has been or is known, the name of the respondent's employer, the respondent's fingerprints, or social security number.

Sec. 8. RETROACTIVE APPLICABILITY AND EFFECTIVE DATE. Section 4 of this Act, amending section 249A.12, subsection 4, relating to payment of costs for intermediate care facilities for persons with mental retardation, is retroactively applicable to February 1, 2002, and takes effect upon enactment.

Approved April 24, 2003

CHAPTER 63

DEER AND ELK CHRONIC WASTING DISEASE

H.F. 509

AN ACT relating to deer and elk chronic wasting disease by establishing a task force and requiring departmental cooperation in the implementation of a chronic wasting disease administrative strategy, and providing an effective date.

Be It Enacted by the General Assembly of the State of Iowa:

Section 1. CHRONIC WASTING DISEASE — DEFINITIONS. As used in this Act, unless the context otherwise requires:

1. "Chronic wasting disease" means the animal disease afflicting deer and elk that is a transmissible disease of the nervous system resulting in distinctive lesions in the brain and that belongs to the group of diseases that is known as transmissible spongiform encephalopathies.
2. "Task force" means the chronic wasting disease task force created in section 2 of this Act.

Sec. 2. CHRONIC WASTING DISEASE — TASK FORCE.

1. A chronic wasting disease task force is created to develop a chronic wasting disease administrative strategy as provided in this section. The members shall be as follows:

a. Three members shall be the following state officials:

- (1) The secretary of agriculture, or a designee other than the state veterinarian.
- (2) The director of the department of natural resources or a designee.
- (3) The state veterinarian.

b. The governor shall appoint four members each representing an interested organization from a list of nominees. Each of the following interested organizations shall submit nominations:

- (1) The Iowa whitetail deer association.
- (2) The Iowa elk breeders association.
- (3) The Iowa meat processors association.
- (4) The Iowa conservation alliance.

2. The task force shall study risks and responses associated with chronic wasting disease in deer and elk populations, including farm deer as defined in section 189A.2. As part of its duties, the task force shall develop recommendations for all of the following:

a. Procedures for the inspection and testing of deer, which may include statistical sampling, laboratory testing, and verification protocols.

b. Methods to respond to reported cases of chronic wasting disease, including the preparation of plans required to contain the spread of the disease.

c. Methods to ensure that owners of farm deer may engage in the movement and sale of farm deer for purposes of breeding or slaughter.

d. Methods to compensate owners of farm deer for depopulation.

3. The task force may consult with the United States department of agriculture and the agencies in neighboring states as required in order to provide for the uniform application of a chronic wasting disease strategy.

4. Members of the task force shall prescribe rules and elect a chairperson. A member is not entitled to receive reimbursement for actual expenses incurred while engaged in the performance of official duties. A member is not eligible to receive compensation as provided in section 7E.6.

Sec. 3. CHRONIC WASTING DISEASE — DEPARTMENT OF AGRICULTURE AND LAND STEWARDSHIP AND DEPARTMENT OF NATURAL RESOURCES.

1. The secretary of agriculture, in consultation with the state veterinarian, and the director of the department of natural resources shall act jointly to examine approaches to most effectively implement a chronic wasting disease administrative strategy as provided in section 2 of this Act.

2. The secretary of agriculture and the director of the department of natural resources shall establish definite jurisdictions for their departments and provide mechanisms for cooperation and consultation when implementing the chronic wasting disease administrative strategy.

Sec. 4. CHRONIC WASTING DISEASE — REPORT.

1. The department of agriculture and land stewardship, in cooperation with the department of natural resources, shall submit a report to the governor and general assembly. The report shall include all of the following:

a. Findings and recommendations by the chronic wasting disease task force, including recommendations for a chronic wasting disease administrative strategy and recommended legislative proposals or proposals for administrative rules required to implement the strategy as provided in section 2 of this Act.

b. Findings and recommendations by the secretary of agriculture, in consultation with the state veterinarian and the director of the department of natural resources, regarding approaches to most effectively implement a chronic wasting disease administrative strategy as provided in section 3 of this Act. The recommendations shall include any legislative proposals and proposed and adopted administrative rule changes.

2. The report shall be submitted not later than January 1, 2004.

Sec. 5. EFFECTIVE DATE. This Act, being deemed of immediate importance, takes effect upon enactment.

Approved April 24, 2003
