d. The department of administrative services may limit unified fleet management responsibilities to cars and small trucks. By July 1, 2005, the fleet management operations shall be subject to a managed competition process conducted by the department of administrative services unless more efficient results can be obtained through the use of other entrepreneurial methods as authorized by chapter 8A. The request for proposals shall allow for the awarding of all or parts of fleet management to the department of administrative services, other governmental agencies, or nongovernmental entities.

3. The auditor of state shall be consulted regarding the process for issuance of requests for proposals for managed competition. The role of the auditor of state is to provide advice as to whether an approach offers the best opportunity for reducing state government costs.

Sec. 291.

## CHAPTER 147

### REGULATION OF ELECTRICAL AND MECHANICAL AMUSEMENT DEVICES

H.F. 594

**AN ACT** relating to the registration of electrical and mechanical amusement devices and the registration of manufacturers and distributors thereof, establishing fees, making an appropriation, making penalties applicable, and providing an effective date.

*Be It Enacted by the General Assembly of the State of Iowa:*

Section 1. Section 99B.10, Code 2003, is amended by adding the following new subsections:

**NEW SUBSECTION.** 4. Each electrical and mechanical amusement device in operation or distributed in this state that awards a prize, as provided in this section, where the outcome is not primarily determined by the skill or knowledge of the operator, is registered by the department as provided by this subsection. For an organization that meets the requirements of section 99B.7, subsection 1, paragraph "m", no more than four, and for all other persons, no more than two electrical and mechanical amusement devices registered as provided by this subsection shall be permitted or offered for use in any single location or premises. Each person owning an electrical and mechanical amusement device in this state shall obtain a registration tag for each electrical and mechanical amusement device owned that is required to be registered as provided in this subsection. Upon receipt of an application and a fee of twenty-five dollars for each device required to be registered, the department shall issue an annual registration tag which tag shall be displayed as required by rules adopted by the department. The application shall be submitted on forms designated by the department and contain the information required by rule of the department. A registration may be renewed annually upon submission of a registration application and payment of the annual registration fee and compliance with this chapter and the rules adopted pursuant to this chapter. A person owning or leasing an electrical and mechanical amusement device required to be registered under this subsection shall only own or lease an electrical and mechanical amusement device that is required to be registered that has been purchased from a manufacturer, manufacturer's representative, or distributor registered with the department under section 99B.10A.

**NEW SUBSECTION.** 5. Any awards given for use of an amusement device shall only be redeemed on the premises where the device is located and only for merchandise sold in the normal course of business for the premises.

**NEW SUBSECTION.** 6. Any other requirements as determined by the department by rule. Rules adopted pursuant to this subsection shall be formulated in consultation with affected state agencies and industry and consumer groups.
