Unless explicitly authorized in a proclamation of a public health disaster emergency issued by the governor pursuant to [section 29C.6](#) and related to COVID-19, a brick-and-mortar school district or accredited nonpublic school shall not take action to provide instruction primarily through remote-learning opportunities.

This section is not applicable to a child who was receiving competent private instruction or independent private instruction in accordance with the requirements of [chapter 299A](#) prior to July 1, 2019. Any child who was enrolled in a public school or accredited nonpublic school prior to July 1, 2019, may be subject to the provisions of [chapter 299](#) if the child's parent, guardian, or legal custodian did not, for the school year beginning July 1, 2020, complete and send the report required under [section 299.4](#) to the school district of residence of the child in a timely manner.

The provision of special education and accommodations for students who have individualized education programs or section 504 plans in compliance with the requirements of section 504 of the Rehabilitation Act, 29 U.S.C. §794, and with Tit.
