2. The provisions of [this subchapter](#) shall be implemented when the legislative council approves a plan presented by the legislative services agency. The legislative services agency may request the legislative council to approve a policy for the use of an account in which receipts from the revenue from distributions of publications credited to the account may be expended by the legislative services agency on a multiyear revolving basis, so long as such revenue is used exclusively to pay for costs associated with implementing the provisions of [this subchapter](#) as well as ordinary expenditures associated with producing and distributing printed and electronic versions of publications including as provided in [section 2.42](#), [chapter 2A](#), and [this chapter](#).
