- (4) Ensuring that the plan contains current and accurate information by updating the case manager within 24 hours regarding any circumstance or issue that would have an impact on the consumer's mental health or change the consumer's crisis intervention plan.

*d. Intake, admission, and discharge.* As a condition of providing services under the children's mental health waiver, an in-home family therapy provider shall have written policies and procedures for intake, admission, and discharge.

**77.46(5) Respite care providers.**

*a. Qualified providers.* The following agencies may provide respite services under the children's mental health waiver:

- (1) Providers certified or enrolled as respite providers under another Medicaid HCBS waiver.
- (2) Group living foster care facilities for children licensed in good standing by the department according to 441—Chapters 112 and 114 to 116.
- (3) Child care centers licensed in good standing by the department according to 441—Chapter 109 and child development homes registered according to 441—Chapter 110.
- (4) Camps certified in good standing by the American Camping Association.
- (5) Home health agencies that are certified in good standing to participate in the Medicare program.
- (6) Agencies authorized to provide similar services through a contract with the department of public health (IDPH) for local public health services. The agency must provide a current IDPH local public health services contract number.

(7) Adult day care providers that are certified in good standing by the department of inspections and appeals as being in compliance with the standards for adult day services programs at 481—Chapter 70.

(8) Assisted living programs certified in good standing by the department of inspections and appeals.

(9) Residential care facilities for persons with mental retardation licensed in good standing by the department of inspections and appeals.

(10) Nursing facilities, intermediate care facilities for the mentally retarded, and hospitals enrolled as providers in the Iowa Medicaid program.

*b. Staff training.* The agency shall meet the following training requirements as a condition of providing respite care under the children's mental health waiver:

(1) Within one month of employment, staff members must receive the following training:

1. Orientation regarding the agency's mission, policies, and procedures; and

2. Orientation regarding HCBS philosophy and outcomes for rights and dignity for the children's mental health waiver in 77.46(1) "c."

(2) Within four months of employment, staff members must receive training regarding the following:

1. Serious emotional disturbance in children and provision of services to children with serious emotional disturbance;

2. Confidentiality;

3. Provision of medication according to agency policy and procedure;

4. Identification and reporting of child abuse;

5. Incident reporting;

6. Documentation of service provision;

7. Appropriate behavioral interventions; and

8. Professional ethics.

(3) Until a staff member receives the training identified in subparagraphs (1) and (2), the staff member shall not provide any direct service without the oversight of supervisory staff and shall obtain feedback from the family within 24 hours of service provision.

(4) Within the first year of employment, staff members must complete 24 hours of training in children's mental health issues.

(5) During each consecutive year of employment, staff members must complete 12 hours of training in children's mental health issues.

*c. Consumer-specific information.* The following information must be written, current, and accessible to the respite provider during service provision:

(1) The consumer's legal and preferred name, birth date, and age, and the address and telephone number of the consumer's usual residence.

(2) The consumer's typical schedule.

(3) The consumer's preferences in activities and foods or any other special concerns.

(4) The consumer's crisis intervention plan.

*d. Written notification of injury.* The respite provider shall inform the parent, guardian or usual caregiver that written notification must be given to the respite provider of any recent injuries or illnesses that have occurred before respite provision.

*e. Medication dispensing.* Respite providers shall develop policies and procedures for the dispensing, storage, and recording of all prescription and nonprescription medications administered during respite provision. Home health agencies must follow Medicare regulations regarding medication dispensing.

*f. Support of crisis intervention plan.* As a condition of providing services under the children's mental health waiver, a respite provider shall develop and implement policies and procedures for maintaining the integrity of the individualized crisis intervention plan as defined in 441—24.1(225C) that is developed by each consumer's interdisciplinary team. The policies and procedures shall address:

(1) Sharing with the case manager and the interdisciplinary team information pertinent to the development of the consumer's crisis intervention plan.

(2) Training staff before service provision, in cooperation with the consumer's parents or legal guardian, regarding the consumer's individual mental health needs and individualized supports as identified in the crisis intervention plan.

(3) Ensuring that all staff have access to a written copy of the most current crisis intervention plan during service provision.

(4) Ensuring that the plan contains current and accurate information by updating the case manager within 24 hours regarding any circumstance or issue that would have an impact on the consumer's mental health or change the consumer's crisis intervention plan.

*g. Service documentation.* Documentation of respite care shall be made available to the consumer, parents, guardian, or usual caregiver upon request.

*h. Capacity.* A facility providing respite care under this subrule shall not exceed the facility's licensed capacity, and services shall be provided in a location and for a duration consistent with the facility's licensure.

*i. Service provided outside home or facility.* For respite care to be provided in a location other than the consumer's home or the provider's facility:

(1) The care must be approved by the parent, guardian or usual caregiver;

(2) The care must be approved by the interdisciplinary team in the consumer's service plan;

(3) The care must be consistent with the way the location is used by the general public; and

(4) Respite care in these locations shall not exceed 72 continuous hours.

This rule is intended to implement Iowa Code section 249A.4 and 2005 Iowa Acts, chapter 167, section 13, and chapter 117, section 3.

<sup>0</sup> Two or more ARCs

<sup>1</sup> December 15, 2002, effective date of 77.37(14)“e”(2) and 77.39(13)“e” delayed 70 days by the Administrative Rules Review Committee at its meeting held December 10, 2002; at its meeting held February 21, 2003, the Committee delayed the effective date until adjournment of the 2003 Session of the General Assembly.

CHAPTER 78  
AMOUNT, DURATION AND SCOPE OF  
MEDICAL AND REMEDIAL SERVICES

[Prior to 7/1/83, Social Services[770] Ch 78]

[Prior to 2/11/87, Human Services[498]]

**441—78.1(249A) Physicians' services.** Payment will be approved for all medically necessary services and supplies provided by the physician including services rendered in the physician's office or clinic, the home, in a hospital, nursing home or elsewhere.

Payment shall be made for all services rendered by a doctor of medicine or osteopathy within the scope of this practice and the limitations of state law subject to the following limitations and exclusions:

**78.1(1)** Payment will not be made for:

*a.* Drugs dispensed by a physician or other legally qualified practitioner (dentist, podiatrist, therapeutically certified optometrist, physician assistant, or advanced registered nurse practitioner) unless it is established that there is no licensed retail pharmacy in the community in which the legally qualified practitioner's office is maintained. Payment will not be made for biological supplies and drugs provided free of charge to practitioners by the state department of public health. Rate of payment shall be established as in subrule 78.2(2), but no professional fee shall be paid.

*b.* Routine physical examinations. Rescinded IAB 8/1/07, effective 8/1/07.

*c.* Treatment of certain foot conditions as specified in 78.5(2) "a," "b," and "c."

*d.* Acupuncture treatments.

*e.* Rescinded 9/6/78.

*f.* Unproven or experimental medical and surgical procedures. The criteria in effect in the Medicare program shall be utilized in determining when a given procedure is unproven or experimental in nature.

*g.* Charges for surgical procedures on the "Outpatient/Same Day Surgery List" produced by the Iowa Foundation for Medical Care or associated inpatient care charges when the procedure is performed in a hospital on an inpatient basis unless the physician has secured approval from the hospital's utilization review department prior to the patient's admittance to the hospital. Approval shall be granted only when inpatient care is deemed to be medically necessary based on the condition of the patient or when the surgical procedure is not performed as a routine, primary, independent procedure. The "Outpatient/Same Day Surgery List" shall be published by the department in the provider manuals for hospitals and physicians. The "Outpatient/Same Day Surgery List" shall be developed by the Iowa Foundation for Medical Care, and shall include procedures which can safely and effectively be performed in a doctor's office or on an outpatient basis in a hospital. The Iowa Foundation for Medical Care may add, delete, or modify entries on the "Outpatient/Same Day Surgery List."

**78.1(2)** Drugs and supplies may be covered when prescribed by a legally qualified practitioner as provided in this rule.

*a.* Drugs are covered as provided by rule 441—78.2(249A).

*b.* Medical supplies are payable when ordered by a legally qualified practitioner for a specific rather than incidental use, subject to the conditions specified in rule 441—78.10(249A). When a member is receiving care in a nursing facility or residential care facility, payment will be approved only for the following supplies when prescribed by a legally qualified practitioner:

(1) Colostomy and ileostomy appliances.

(2) Colostomy and ileostomy care dressings, liquid adhesive and adhesive tape.

(3) Disposable irrigation trays or sets.

(4) Disposable catheterization trays or sets.

(5) Indwelling Foley catheter.

(6) Disposable saline enemas.

(7) Diabetic supplies including needles and syringes, blood glucose test strips, and diabetic urine test supplies.

*c.* Prescription records are required for all drugs as specified in Iowa Code sections 124.308, 155A.27 and 155A.29. For the purposes of the medical assistance program, prescriptions for medical supplies are required and shall be subject to the same provisions.

*d.* Rescinded IAB 1/30/08, effective 4/1/08.

*e.* All physicians who administer vaccines which are available through the Vaccines for Children program to Medicaid members shall enroll in the Vaccines for Children program. Vaccines available through the Vaccines for Children program shall be obtained from the department of public health for Medicaid members. Physicians shall, however, receive reimbursement for the administration of these vaccines to Medicaid members.

*f.* Nonprescription drugs. Rescinded IAB 1/30/08, effective 4/1/08.

**78.1(3)** Payment will be approved for injections provided they are reasonable, necessary, and related to the diagnosis and treatment of an illness or injury. When billing for an injection, the legally qualified practitioner must specify the brand name of the drug and the manufacturer, the strength of the drug, the amount administered, and the charge of each injection. When the strength and dosage of the drug is not included, payment will be made based on the customary dosage. The following exclusions are applicable.

*a.* Payment will not be approved for injections when they are considered by standards of medical practice not to be specific or effective treatment for the particular condition for which they are administered.

*b.* Payment will not be approved for an injection when administered for a reason other than the treatment of a particular condition, illness, or injury. When injecting an amphetamine or legend vitamin, prior approval must be obtained as specified in 78.1(2)“a”(3).

*c.* Payment will not be approved when injection is not an indicated method of administration according to accepted standards of medical practice.

*d.* Allergenic extract materials provided the patient for self-administration shall not exceed a 90-day supply.

*e.* Payment will not be approved when an injection is determined to fall outside of what is medically reasonable or necessary based on basic standards of medical practice for the required level of care for a particular condition.

*f.* Payment will not be approved for vaccines which are available through the Vaccines for Children program. In lieu of payment, vaccines available through the Vaccines for Children program shall be accessed from the department of public health.

*g.* Payment will not be approved for injections of “covered Part D drugs” as defined by 42 U.S.C. Section 1395w-102(e)(1)-(2) for any “Part D eligible individual” as defined in 42 U.S.C. Section 1395w-101(a)(3)(A), including an individual who is not enrolled in a Part D plan.

**78.1(4)** For the purposes of this program, cosmetic, reconstructive, or plastic surgery is surgery which can be expected primarily to improve physical appearance or which is performed primarily for psychological purposes or which restores form but which does not correct or materially improve the bodily functions. When a surgical procedure primarily restores bodily function, whether or not there is also a concomitant improvement in physical appearance, the surgical procedure does not fall within the provisions set forth in this subrule. Surgeries for the purpose of sex reassignment are not considered as restoring bodily function and are excluded from coverage.

*a.* Coverage under the program is generally not available for cosmetic, reconstructive, or plastic surgery. However, under certain limited circumstances payment for otherwise covered services and supplies may be provided in connection with cosmetic, reconstructive, or plastic surgery as follows:

- (1) Correction of a congenital anomaly; or
- (2) Restoration of body form following an accidental injury; or
- (3) Revision of disfiguring and extensive scars resulting from neoplastic surgery.

(4) Generally, coverage is limited to those cosmetic, reconstructive, or plastic surgery procedures performed no later than 12 months subsequent to the related accidental injury or surgical trauma. However, special consideration for exception will be given to cases involving children who may require a growth period.

*b.* Cosmetic, reconstructive, or plastic surgery performed in connection with certain conditions is specifically excluded. These conditions are:

- (1) Dental congenital anomalies, such as absent tooth buds, malocclusion, and similar conditions.
- (2) Procedures related to transsexualism, hermaphroditism, gender identity disorders, or body dysmorphic disorders.
- (3) Cosmetic, reconstructive, or plastic surgery procedures performed primarily for psychological reasons or as a result of the aging process.
- (4) Breast augmentation mammoplasty, surgical insertion of prosthetic testicles, penile implant procedures, and surgeries for the purpose of sex reassignment.

*c.* When it is determined that a cosmetic, reconstructive, or plastic surgery procedure does not qualify for coverage under the program, all related services and supplies, including any institutional costs, are also excluded.

*d.* Following is a partial list of cosmetic, reconstructive, or plastic surgery procedures which are not covered under the program. This list is for example purposes only and is not considered all inclusive.

- (1) Any procedure performed for personal reasons, to improve the appearance of an obvious feature or part of the body which would be considered by an average observer to be normal and acceptable for the patient's age or ethnic or racial background.
- (2) Cosmetic, reconstructive, or plastic surgical procedures which are justified primarily on the basis of a psychological or psychiatric need.
- (3) Augmentation mammoplasties.
- (4) Face lifts and other procedures related to the aging process.
- (5) Reduction mammoplasties, unless there is medical documentation of intractable pain not amenable to other forms of treatment as the result of increasingly large pendulous breasts.
- (6) Panniculectomy and body sculpture procedures.
- (7) Repair of sagging eyelids, unless there is demonstrated and medically documented significant impairment of vision.
- (8) Rhinoplasties, unless there is evidence of accidental injury occurring within the past six months which resulted in significant obstruction of breathing.
- (9) Chemical peeling for facial wrinkles.
- (10) Dermabrasion of the face.
- (11) Revision of scars resulting from surgery or a disease process, except disfiguring and extensive scars resulting from neoplastic surgery.
- (12) Removal of tattoos.
- (13) Hair transplants.
- (14) Electrolysis.
- (15) Sex reassignment.
- (16) Penile implant procedures.
- (17) Insertion of prosthetic testicles.

*e.* Coverage is available for otherwise covered services and supplies required in the treatment of complications resulting from a noncovered incident or treatment, but only when the subsequent complications represent a separate medical condition such as systemic infection, cardiac arrest, acute drug reaction, or similar conditions. Coverage shall not be extended for any subsequent care or procedure related to the complication that is essentially similar to the initial noncovered care. An example of a complication similar to the initial period of care would be repair of facial scarring resulting from dermabrasion for acne.

**78.1(5)** The legally qualified practitioner's prescription for medical equipment, appliances, or prosthetic devices shall include the patient's diagnosis and prognosis, the reason the item is required, and an estimate in months of the duration of the need. Payment will be made in accordance with rule 78.10(249A).

**78.1(6)** Payment will be approved for the examination to establish the need for orthopedic shoes in accordance with rule 78.15(249A).

**78.1(7)** No payment shall be made for the services of a private duty nurse.

**78.1(8)** Payment for mileage shall be the same as that in effect in part B of Medicare.

**78.1(9)** Payment will be approved for visits to patients in nursing facilities subject to the following conditions:

*a.* Payment will be approved for only one visit to the same patient in a calendar month. Payment for further visits will be made only when the need for the visits is adequately documented by the physician.

*b.* When only one patient is seen in a single visit the allowance shall be based on a follow-up home visit. When more than one patient is seen in a single visit, payment shall be based on a follow-up office visit. In the absence of information on the claim, the carrier will assume that more than one patient was seen, and payment approved on that basis.

*c.* Payment will be approved for mileage in connection with nursing home visits when:

- (1) It is necessary for the physician to travel outside the home community, and
- (2) There are not physicians in the community in which the nursing home is located.

*d.* Payment will be approved for tasks related to a resident receiving nursing facility care which are performed by a physician's employee who is a nurse practitioner, clinical nurse specialist, or physician assistant as specified in subrule 81.13(13) "e." On-site supervision of the physician is not required for these services.

**78.1(10)** Payment will be approved in independent laboratory when it has been certified as eligible to participate in Medicare.

**78.1(11)** Rescinded, effective 8/1/87.

**78.1(12)** Payment will be made on the same basis as in Medicare for services associated with treatment of chronic renal disease including physician's services, hospital care, renal transplantation, and hemodialysis, whether performed on an inpatient or outpatient basis. Payment will be made for deductibles and coinsurance for those persons eligible for Medicare.

**78.1(13)** Payment will be made to the physician for services rendered by auxiliary personnel employed by the physician and working under the direct personal supervision of the physician, when such services are performed incident to the physician's professional service.

*a.* Auxiliary personnel are nurses, physician's assistants, psychologists, social workers, audiologists, occupational therapists and physical therapists.

*b.* An auxiliary person is considered to be an employee of the physician if the physician:

- (1) Is able to control the manner in which the work is performed, i.e., is able to control when, where and how the work is done. This control need not be actually exercised by the physician.
- (2) Sets work standards.
- (3) Establishes job description.
- (4) Withholds taxes from the wages of the auxiliary personnel.

*c.* Direct personal supervision in the office setting means the physician must be present in the same office suite, not necessarily the same room, and be available to provide immediate assistance and direction.

Direct personal supervision outside the office setting, such as the member's home, hospital, emergency room, or nursing facility, means the physician must be present in the same room as the auxiliary person.

Advanced registered nurse practitioners certified under board of nursing rules 655—Chapter 7 performing services within their scope of practice are exempt from the direct personal supervision requirement for the purpose of reimbursement to the employing physicians. In these exempted circumstances, the employing physicians must still provide general supervision and be available to provide immediate needed assistance by telephone. Advanced registered nurse practitioners who prescribe drugs and medical devices are subject to the guidelines in effect for physicians as specified in rule 441—78.1(249A).

A physician assistant licensed under board of physician assistants' professional licensure rules in 645—Chapter 325 is exempt from the direct personal supervision requirement but the physician must still provide general supervision and be available to provide immediate needed assistance by telephone.

Physician assistants who prescribe drugs and medical devices are subject to the guidelines in effect for physicians as specified in rule 441—78.1(249A).

*d.* Services incident to the professional services of the physician means the service provided by the auxiliary person must be related to the physician's professional service to the member. If the physician has not or will not perform a personal professional service to the member, the clinical records must document that the physician assigned treatment of the member to the auxiliary person.

**78.1(14)** Payment will be made for persons aged 20 and under for nutritional counseling provided by a licensed dietitian employed by or under contract with a physician for a nutritional problem or condition of a degree of severity that nutritional counseling beyond that normally expected as part of the standard medical management is warranted. For persons eligible for the WIC program, a WIC referral is required. Medical necessity for nutritional counseling services exceeding those available through WIC shall be documented.

**78.1(15)** The certification of inpatient hospital care shall be the same as that in effect in part A of Medicare. The hospital admittance record is sufficient for the original certification.

**78.1(16)** No payment will be made for sterilization of an individual under the age of 21 or who is mentally incompetent or institutionalized. Payment will be made for sterilization performed on an individual who is aged 21 or older at the time the informed consent is obtained and who is mentally competent and not institutionalized when all the conditions in this subrule are met.

*a.* The following definitions are pertinent to this subrule:

(1) Sterilization means any medical procedure, treatment, or operation performed for the purpose of rendering an individual permanently incapable of reproducing and which is not a necessary part of the treatment of an existing illness or medically indicated as an accompaniment of an operation on the genital urinary tract. Mental illness or retardation is not considered an illness or injury.

(2) Hysterectomy means a medical procedure or operation to remove the uterus.

(3) Mentally incompetent individual means a person who has been declared mentally incompetent by a federal, state or local court of jurisdiction for any purpose, unless the individual has been declared competent for purposes which include the ability to consent to sterilization.

(4) Institutionalized individual means an individual who is involuntarily confined or detained, under a civil or criminal statute, in a correctional or rehabilitative facility, including a mental hospital or other facility for the care and treatment of mental illness, or an individual who is confined under a voluntary commitment in a mental hospital or other facility for the care and treatment of mental illness.

*b.* The sterilization shall be performed as the result of a voluntary request for the services made by the person on whom the sterilization is performed. The person's consent for sterilization shall be documented on:

(1) Form 470-0835 or 470-0835(S), Consent Form, or

(2) An official sterilization consent form from another state's Medicaid program that contains all information found on the Iowa form and complies with all applicable federal regulations.

*c.* The person shall be advised prior to the receipt of consent that no benefits provided under the medical assistance program or other programs administered by the department may be withdrawn or withheld by reason of a decision not to be sterilized.

*d.* The person shall be informed that the consent can be withheld or withdrawn any time prior to the sterilization without prejudicing future care and without loss of other project or program benefits.

*e.* The person shall be given a complete explanation of the sterilization. The explanation shall include:

(1) A description of available alternative methods and the effect and impact of the proposed sterilization including the fact that it must be considered to be an irreversible procedure.

(2) A thorough description of the specific sterilization procedure to be performed and benefits expected.

(3) A description of the attendant discomforts and risks including the type and possible effects of any anesthetic to be used.

(4) An offer to answer any inquiries the person to be sterilized may have concerning the procedure to be performed. The individual shall be provided a copy of the informed consent form in addition to the oral presentation.

*f.* At least 30 days and not more than 180 days shall have elapsed following the signing of the informed consent except in the case of premature delivery or emergency abdominal surgery which occurs not less than 72 hours after the informed consent was signed. The informed consent shall have been signed at least 30 days before the expected delivery date for premature deliveries.

*g.* The information in paragraphs “*b*” through “*f*” shall be effectively presented to a blind, deaf, or otherwise handicapped individual and an interpreter shall be provided when the individual to be sterilized does not understand the language used on the consent form or used by the person obtaining consent. The individual to be sterilized may have a witness of the individual’s choice present when consent is obtained.

*h.* The consent form described in paragraph 78.1(16) “*b*” shall be attached to the claim for payment and shall be signed by:

- (1) The person to be sterilized,
- (2) The interpreter, when one was necessary,
- (3) The physician, and
- (4) The person who provided the required information.

*i.* Informed consent shall not be obtained while the individual to be sterilized is:

- (1) In labor or childbirth, or
- (2) Seeking to obtain or obtaining an abortion, or
- (3) Under the influence of alcohol or other substance that affects the individual’s state of awareness.

*j.* Payment will be made for a medically necessary hysterectomy only when it is performed for a purpose other than sterilization and only when one or more of the following conditions is met:

(1) The individual or representative has signed an acknowledgment that she has been informed orally and in writing from the person authorized to perform the hysterectomy that the hysterectomy will make the individual permanently incapable of reproducing, or

(2) The individual was already sterile before the hysterectomy, the physician has certified in writing that the individual was already sterile at the time of the hysterectomy and has stated the cause of the sterility, or

(3) The hysterectomy was performed as a result of a life-threatening emergency situation in which the physician determined that prior acknowledgment was not possible and the physician includes a description of the nature of the emergency.

**78.1(17) Abortions.** Payment for an abortion or related service is made when Form 470-0836 is completed for the applicable circumstances and is attached to each claim for services. Payment for an abortion is made under one of the following circumstances:

*a.* The physician certifies that the pregnant woman’s life would be endangered if the fetus were carried to term.

*b.* The physician certifies that the fetus is physically deformed, mentally deficient or afflicted with a congenital illness and the physician states the medical indication for determining the fetal condition.

*c.* The pregnancy was the result of rape reported to a law enforcement agency or public or private health agency which may include a family physician within 45 days of the date of occurrence of the incident. The report shall include the name, address, and signature of the person making the report. Form 470-0836 shall be signed by the person receiving the report of the rape.

*d.* The pregnancy was the result of incest reported to a law enforcement agency or public or private health agency including a family physician no later than 150 days after the date of occurrence. The report shall include the name, address, and signature of the person making the report. Form 470-0836 shall be signed by the person receiving the report of incest.

**78.1(18)** Payment and procedure for obtaining eyeglasses, contact lenses, and visual aids, shall be the same as described in 441—78.6(249A). (Cross-reference 78.28(3))

**78.1(19)** Preprocedure review by the Iowa Foundation for Medical Care (IFMC) will be required if payment under Medicaid is to be made for certain frequently performed surgical procedures which have a wide variation in the relative frequency the procedures are performed. Preprocedure surgical review

applies to surgeries performed in hospitals (outpatient and inpatient) and ambulatory surgical centers. Approval by the IFMC will be granted only if the procedures are determined to be necessary based on the condition of the patient and the published criteria established by the IFMC and the department. If not so approved by the IFMC, payment will not be made under the program to the physician or to the facility in which the surgery is performed. The criteria are available from IFMC, 6000 Westown Parkway, Suite 350E, West Des Moines, Iowa 50265-7771, or in local hospital utilization review offices.

The "Preprocedure Surgical Review List" shall be published by the department in the provider manuals for physicians, hospitals, and ambulatory surgical centers. The "Preprocedure Surgical Review List" shall be developed by the department with advice and consultation from the IFMC and appropriate professional organizations and will list the procedures for which prior review is required and the steps that must be followed in requesting such review. The department shall update the "Preprocedure Surgical Review List" annually. (Cross-reference 78.28(1) "e.")

**78.1(20) Transplants.**

a. Payment will be made only for the following organ and tissue transplant services:

(1) Kidney, cornea, skin, and bone transplants.  
(2) Allogeneic bone marrow transplants for the treatment of aplastic anemia, severe combined immunodeficiency disease, Wiskott-Aldrich syndrome, or the following types of leukemia: acute myelocytic leukemia in relapse or remission, chronic myelogenous leukemia, and acute lymphocytic leukemia in remission.

(3) Autologous bone marrow transplants for treatment of the following conditions: acute leukemia in remission with a high probability of relapse when there is no matched donor; resistant non-Hodgkin's lymphomas; lymphomas presenting poor prognostic features; recurrent or refractory neuroblastoma; or advanced Hodgkin's disease when conventional therapy has failed and there is no matched donor.

(4) Liver transplants for persons with extrahepatic biliary arsesia or any other form of end-stage liver disease, except that coverage is not provided for persons with a malignancy extending beyond the margins of the liver.

Liver transplants require preprocedure review by the Iowa Foundation for Medical Care. (Cross-reference 78.1(19) and 78.28(1) "f.")

Covered liver transplants are payable only when performed in a facility that meets the requirements of 78.3(10).

(5) Heart transplants. Artificial hearts and ventricular assist devices, either as a permanent replacement for a human heart or as a temporary life-support system until a human heart becomes available for transplants, are not covered. Heart-lung transplants are covered where bilateral or unilateral lung transplantation with repair of a congenital cardiac defect is contraindicated.

Heart transplants and heart-lung transplants described above require preprocedure review by the Iowa Foundation for Medical Care. (Cross-reference 78.1(19) and 78.28(1) "f.") Covered heart transplants are payable only when performed in a facility that meets the requirements of 78.3(10).

(6) Lung transplants. Lung transplants for persons having end-stage pulmonary disease. Lung transplants require preprocedure review by the Iowa Foundation for Medical Care. (Cross-reference 78.1(19) and 78.28(1) "f.") Covered transplants are payable only when performed in a facility that meets the requirements of 78.3(10). Heart-lung transplants are covered consistent with criteria in subparagraph (5) above.

(7) Pancreas transplants for persons with type I diabetes mellitus, as follows:

1. Simultaneous pancreas-kidney transplants and pancreas after kidney transplants are covered.
2. Pancreas transplants alone are covered for persons exhibiting any of the following:
  - A history of frequent, acute, and severe metabolic complications (e.g., hypoglycemia, hyperglycemia, or ketoacidosis) requiring medical attention.
  - Clinical problems with exogenous insulin therapy that are so severe as to be incapacitating.
  - Consistent failure of insulin-based management to prevent acute complications.

The pancreas transplants listed under this subparagraph require preprocedure review by the Iowa Foundation for Medical Care. (Cross-reference 78.1(19) and 78.28(1) "f.")

Covered transplants are payable only when performed in a facility that meets the requirements of 78.3(10).

Transplantation of islet cells or partial pancreatic tissue is not covered.

*b.* Donor expenses incurred directly in connection with a covered transplant are payable. Expenses incurred for complications that arise with respect to the donor are covered only if they are directly and immediately attributed to surgery. Expenses of searching for a donor are not covered.

*c.* All transplants must be medically necessary and meet other general requirements of this chapter for physician and hospital services.

*d.* Payment will not be made for any transplant not specifically listed in paragraph “*a.*”

**78.1(21)** Utilization review. Utilization review shall be conducted of Medicaid members who access more than 24 outpatient visits in any 12-month period from physicians, advanced registered nurse practitioners, federally qualified health centers, other clinics, and emergency rooms. For the purposes of utilization review, the term “physician” does not include a psychiatrist. Refer to rule 441—76.9(249A) for further information concerning the member lock-in program.

**78.1(22)** Risk assessment. Risk assessment, using Form 470-2942, Medicaid Prenatal Risk Assessment, shall be completed at the initial visit during a Medicaid member’s pregnancy.

*a.* If the risk assessment reflects a low-risk pregnancy, the assessment shall be completed again at approximately the twenty-eighth week of pregnancy.

*b.* If the risk assessment reflects a high-risk pregnancy, referral shall be made for enhanced services. Enhanced services include health education, social services, nutrition education, and a postpartum home visit. Additional reimbursement shall be provided for obstetrical services related to a high-risk pregnancy. (See description of enhanced services at subrule 78.25(3).)

**78.1(23)** EPSDT care coordination. Rescinded IAB 12/3/08, effective 2/1/09.

**78.1(24)** Topical fluoride varnish. Payment shall be made for application of an FDA-approved topical fluoride varnish, as defined by the Current Dental Terminology, Third Edition (CDT-3), for the purpose of preventing the worsening of early childhood caries in children aged 0 to 36 months of age, when rendered by physicians acting within the scope of their practice, licensure, and other applicable state law, subject to the following provisions and limitations:

*a.* Application of topical fluoride varnish must be provided in conjunction with an early and periodic screening, diagnosis, and treatment (EPSDT) examination which includes a limited oral screening.

*b.* Separate payment shall be available only for application of topical fluoride varnish, which shall be at the same rate of reimbursement paid to dentists for providing this service. Separate payment for the limited oral screening shall not be available, as this service is already part of and paid under the EPSDT screening examination.

*c.* Parents, legal guardians, or other authorized caregivers of children receiving application of topical fluoride varnish as part of an EPSDT screening examination shall be informed by the physician or auxiliary staff employed by and under the physician’s supervision that this application is not a substitute for comprehensive dental care.

*d.* Physicians rendering the services under this subrule shall make every reasonable effort to refer or facilitate referral of these children for comprehensive dental care rendered by a dental professional.

This rule is intended to implement Iowa Code section 249A.4.

[ARC 8714B, IAB 5/5/10, effective 5/1/10]

**441—78.2(249A) Prescribed outpatient drugs.** Payment will be made for “covered outpatient drugs” as defined in 42 U.S.C. Section 1396r-8(k)(2)-(4) subject to the conditions and limitations specified in this rule.

**78.2(1)** *Qualified prescriber.* All drugs are covered only if prescribed by a legally qualified practitioner (physician, dentist, podiatrist, therapeutically certified optometrist, physician assistant, or advanced registered nurse practitioner).

**78.2(2)** *Prescription required.* As a condition of payment for all drugs, including “nonprescription” or “over-the-counter” drugs that may otherwise be dispensed without a prescription, a prescription shall

be transmitted as specified in Iowa Code sections 124.308 and 155A.27, subject to the provisions of Iowa Code section 155A.29 regarding refills. All prescriptions shall be available for audit by the department.

**78.2(3) *Qualified source.*** All drugs are covered only if marketed by manufacturers that have signed a Medicaid rebate agreement with the Secretary of Health and Human Services in accordance with Public Law 101-508 (Omnibus Budget Reconciliation Act of 1990).

**78.2(4) *Prescription drugs.*** Drugs that may be dispensed only upon a prescription are covered subject to the following limitations.

*a.* Prior authorization is required as specified in the preferred drug list published by the department pursuant to Iowa Code section 249A.20A as amended by 2010 Iowa Acts, Senate File 2088, section 347.

(1) For any drug requiring prior authorization, reimbursement will be made for a 72-hour or three-day supply dispensed in an emergency when a prior authorization request cannot be submitted.

(2) Unless the manufacturer or labeler of a mental health prescription drug that has a significant variation in therapeutic or side effect profile from other drugs in the same therapeutic class enters into a contract to provide the state with a supplemental rebate, the drug may be placed on the preferred drug list as nonpreferred, with prior authorization required. However, prior authorization shall not be required for such a drug for a member whose regimen on the drug was established before January 1, 2011, as verified by documented pharmacy claims.

(3) For mental health prescription drugs requiring prior authorization that have a significant variation in therapeutic or side effect profile from other drugs in the same therapeutic class, reimbursement will be made for up to a seven-day supply pending prior authorization. A request for prior authorization shall be deemed approved if the prescriber:

1. Has on file with the department current contact information, including a current fax number, and a signed Form 470-4914, Fax Confidentiality Certificate, and

2. Does not receive a notice of approval or disapproval within 48 hours of a request for prior authorization.

*b.* Payment is not made for:

(1) Drugs whose prescribed use is not for a medically accepted indication as defined by Section 1927(k)(6) of the Social Security Act.

(2) Drugs used to cause anorexia, weight gain, or weight loss, except for lipase inhibitor drugs prescribed for weight loss with prior authorization as provided in paragraph “a.”

(3) Drugs used for cosmetic purposes or hair growth.

(4) Drugs used to promote smoking cessation, except for varenicline with prior authorization as provided in paragraph “a” above and generic, sustained-release bupropion products that are indicated for smoking cessation by the U.S. Food and Drug Administration.

(5) Otherwise covered outpatient drugs if the manufacturer seeks to require as a condition of sale that associated tests or monitoring services be purchased exclusively from the manufacturer or the manufacturer’s designee.

(6) Drugs described in Section 107(c)(3) of the Drug Amendments of 1962 and identical, similar, or related drugs (within the meaning of Section 310.6(b)(1) of Title 21 of the Code of Federal Regulations (drugs identified through the Drug Efficacy Study Implementation (DESI) review)).

(7) “Covered Part D drugs” as defined by 42 U.S.C. Section 1395w-102(e)(1)-(2) for any “Part D eligible individual” as defined by 42 U.S.C. Section 1395w-101(a)(3)(A), including a member who is not enrolled in a Medicare Part D plan.

(8) Drugs prescribed for fertility purposes, except when prescribed for a medically accepted indication other than infertility, as defined in subparagraph (1).

(9) Drugs used for the treatment of sexual or erectile dysfunction, except when used to treat a condition other than sexual or erectile dysfunction for which the drug has been approved by the U.S. Food and Drug Administration.

(10) Prescription drugs for which the prescription was executed in written (and nonelectronic) form unless the prescription was executed on a tamper-resistant pad, as required by Section 1903(i)(23) of the Social Security Act (42 U.S.C. Section 1396b(i)(23)).

**78.2(5) *Nonprescription drugs.*** The following drugs that may otherwise be dispensed without a prescription are covered subject to the prior authorization requirements stated below and as specified in the preferred drug list published by the department pursuant to Iowa Code section 249A.20A:

- Acetaminophen tablets 325 mg, 500 mg
- Acetaminophen elixir 160 mg/5 ml
- Acetaminophen solution 100 mg/ml
- Acetaminophen suppositories 120 mg
- Artificial tears ophthalmic solution
- Artificial tears ophthalmic ointment
- Aspirin tablets 325 mg, 650 mg, 81 mg (chewable)
- Aspirin tablets, enteric coated 325 mg, 650 mg, 81 mg
- Aspirin tablets, buffered 325 mg
- Bacitracin ointment 500 units/gm
- Benzoyl peroxide 5%, gel, lotion
- Benzoyl peroxide 10%, gel, lotion
- Calcium carbonate chewable tablets 1250 mg (500 mg elemental calcium)
- Calcium carbonate suspension 1250 mg/5 ml
- Calcium carbonate tablets 600 mg
- Calcium carbonate-vitamin D tablets 500 mg-200 units
- Calcium carbonate-vitamin D tablets 600 mg-200 units
- Calcium citrate tablets 950 mg (200 mg elemental calcium)
- Calcium gluconate tablets 650 mg
- Calcium lactate tablets 650 mg
- Cetirizine hydrochloride liquid 1 mg/ml
- Cetirizine hydrochloride tablets 5 mg
- Cetirizine hydrochloride tablets 10 mg
- Chlorpheniramine maleate tablets 4 mg
- Clotrimazole vaginal cream 1%
- Diphenhydramine hydrochloride capsules 25 mg
- Diphenhydramine hydrochloride elixir, liquid, and syrup 12.5 mg/5 ml
- Epinephrine racemic solution 2.25%
- Ferrous sulfate tablets 325 mg
- Ferrous sulfate elixir 220 mg/5 ml
- Ferrous sulfate drops 75 mg/0.6 ml
- Ferrous gluconate tablets 325 mg
- Ferrous fumarate tablets 325 mg
- Guaifenesin 100 mg/5 ml with dextromethorphan 10 mg/5 ml liquid
- Ibuprofen suspension 100 mg/5 ml
- Ibuprofen tablets 200 mg
- Insulin
- Lactic acid (ammonium lactate) lotion 12%
- Loperamide hydrochloride liquid 1 mg/5 ml
- Loperamide hydrochloride tablets 2 mg
- Loratadine syrup 5 mg/5 ml
- Loratadine tablets 10 mg
- Magnesium hydroxide suspension 400 mg/5 ml
- Magnesium oxide capsule 140 mg (85 mg elemental magnesium)
- Magnesium oxide tablets 400 mg
- Meclizine hydrochloride tablets 12.5 mg, 25 mg oral and chewable
- Miconazole nitrate cream 2% topical and vaginal
- Miconazole nitrate vaginal suppositories, 100 mg
- Multiple vitamin and mineral products with prior authorization

Neomycin-bacitracin-polymyxin ointment  
 Niacin (nicotinic acid) tablets 50 mg, 100 mg, 250 mg, 500 mg  
 Nicotine gum 2 mg, 4 mg  
 Nicotine patch 7 mg/day, 14 mg/day and 21 mg/day  
 Pediatric oral electrolyte solutions  
 Permethrin liquid 1%  
 Pseudoephedrine hydrochloride tablets 30 mg, 60 mg  
 Pseudoephedrine hydrochloride liquid 30 mg/5 ml  
 Pseudoephedrine/dextromethorphan 15 mg/7.5 mg/5 mL liquid  
 Pseudoephedrine/dextromethorphan 20 mg/10 mg/5 mL liquid  
 Pseudoephedrine/dextromethorphan 30 mg/15 mg/5 mL liquid  
 Pseudoephedrine/dextromethorphan 20 mg/10 mg/5 mL elixir  
 Pseudoephedrine/dextromethorphan 15 mg/7.5 mg/5 mL syrup  
 Pseudoephedrine/dextromethorphan 30 mg/15 mg/5 mL syrup  
 Pseudoephedrine/dextromethorphan 7.5 mg/2.5 mg/0.8 mL solution  
 Pyrethrins-piperonyl butoxide liquid 0.33-4%  
 Pyrethrins-piperonyl butoxide shampoo 0.3-3%  
 Pyrethrins-piperonyl butoxide shampoo 0.33-4%  
 Salicylic acid liquid 17%  
 Senna tablets 187 mg  
 Sennosides-docusate sodium tablets 8.6 mg-50 mg  
 Sennosides syrup 8.8 mg/5 ml  
 Sennosides tablets 8.6 mg  
 Sodium bicarbonate tablets 325 mg  
 Sodium bicarbonate tablets 650 mg  
 Sodium chloride hypertonic ophthalmic ointment 5%  
 Sodium chloride hypertonic ophthalmic solution 5%  
 Tolnaftate 1% cream, solution, powder  
 Other nonprescription drugs listed as preferred in the preferred drug list published by the department pursuant to Iowa Code section 249A.20A.

**78.2(6)** *Quantity prescribed and dispensed.*

*a.* When it is not therapeutically contraindicated, the legally qualified practitioner shall prescribe a quantity of prescription medication sufficient for up to a 31-day supply. Oral contraceptives may be prescribed in 90-day quantities.

*b.* Oral solid forms of covered nonprescription items shall be prescribed and dispensed in a minimum quantity of 100 units per prescription or the currently available consumer package size except when dispensed via a unit-dose system.

**78.2(7)** *Lowest cost item.* The pharmacist shall dispense the lowest cost item in stock that meets the requirements of the practitioner as shown on the prescription.

**78.2(8)** *Consultation.* In accordance with Public Law 101-508 (Omnibus Budget Reconciliation Act of 1990), a pharmacist shall offer to discuss information regarding the use of the medication with each Medicaid member or the caregiver of a member presenting a prescription. The consultation is not required if the person refuses the consultation. Standards for the content of the consultation shall be found in rules of the Iowa board of pharmacy.

This rule is intended to implement Iowa Code section 249A.4.

[ARC 8097B, IAB 9/9/09, effective 11/1/09; ARC 9175B, IAB 11/3/10, effective 1/1/11]

**441—78.3(249A) Inpatient hospital services.** Payment for inpatient hospital admission is approved when it meets the criteria for inpatient hospital care as determined by the Iowa Foundation for Medical Care (IFMC). All cases are subject to random retrospective review and may be subject to a more intensive retrospective review if abuse is suspected. In addition, transfers, outliers, and readmissions within 31 days are subject to random review. Readmissions to the same facility due to premature discharge shall

not be paid a new DRG. Selected admissions and procedures are subject to a 100 percent review before the services are rendered. Medicaid payment for inpatient hospital admissions and continued stays are approved when the admissions and continued stays are determined to meet the criteria for inpatient hospital care. (Cross-reference 78.28(5)) The criteria are available from IFMC, 6000 Westown Parkway, Suite 350E, West Des Moines, Iowa 50265-7771, or in local hospital utilization review offices. No payment will be made for waiver days.

See rule 441—78.31(249A) for policies regarding payment of hospital outpatient services.

If the recipient is eligible for inpatient or outpatient hospital care through the Medicare program, payment will be made for deductibles and coinsurance as set out in 441—subrule 79.1(22).

The DRG payment calculations include any special services required by the hospital, including a private room.

**78.3(1)** Payment for Medicaid-certified physical rehabilitation units will be approved for the day of admission but not the day of discharge or death.

**78.3(2)** No payment will be approved for private duty nursing.

**78.3(3)** Certification of inpatient hospital care shall be the same as that in effect in part A of Medicare. The hospital admittance records are sufficient for the original certification.

**78.3(4)** Services provided for intestinal or gastric bypass surgery for treatment of obesity requires prior approval, which must be obtained by the attending physician before surgery is performed.

**78.3(5)** Payment will be approved for drugs provided inpatients subject to the same provisions specified in 78.2(1) and 78.2(4)“b”(1) to (10) except for 78.2(4)“b”(7). The basis of payment for drugs administered to inpatients is through the DRG reimbursement.

*a.* Payment will be approved for drugs and supplies provided outpatients subject to the same provisions specified in 78.2(1) through 78.2(4) except for 78.2(4)“b”(7). The basis of payment for drugs provided outpatients is through a combination of Medicaid-determined fee schedules and ambulatory payment classification, pursuant to 441—subrule 79.1(16).

*b.* Hospitals that wish to administer vaccines which are available through the Vaccines for Children program to Medicaid members shall enroll in the Vaccines for Children program. In lieu of payment, vaccines available through the Vaccines for Children program shall be accessed from the department of public health for Medicaid members.

**78.3(6)** Payment for nursing care provided by a hospital shall be made to those hospitals which have been certified by the department of inspections and appeals as meeting the standards for a nursing facility.

**78.3(7)** Payment for inpatient hospital tests for purposes of diagnosis and treatment shall be made only when the tests are specifically ordered for the diagnosis and treatment of a particular patient’s condition by the attending physician or other licensed practitioner acting within the scope of practice as defined by law, who is responsible for that patient’s diagnosis or treatment.

**78.3(8)** Rescinded IAB 2/6/91, effective 4/1/91.

**78.3(9)** Payment will be made for sterilizations in accordance with 78.1(16).

**78.3(10)** Payment will be approved for organ and tissue transplant services, as specified in subrule 78.1(20). Kidney, cornea, skin, bone, allogeneic bone marrow, autologous bone marrow, heart, liver, and lung transplants are covered as specified in subrule 78.1(20). Lung transplants are payable at Medicare-designated lung transplant centers only. Heart and liver transplants are payable when performed at facilities that meet the following criteria:

*a. Recipient selection and education.*

(1) *Selection.* The transplant center must have written criteria based on medical need for transplantation for final facility selection of recipients. These criteria should include an equitable, consistent and practical protocol for selection of recipients. The criteria must be at least as strict as those specified by Medicare.

(2) *Education.* The transplant center will provide a written plan for recipient education. It shall include educational plans for recipient, family and significant others during all phases of the program. These phases shall include:

Intake.

Preparation and waiting period.

Preadmission.

Hospitalization.

Discharge planning.

Follow-up.

*b. Staffing and resource commitment.*

(1) *Transplant surgeon.* The transplant center must have on staff a qualified transplant surgeon.

The surgeon must have received at least one year of training at a transplant center approved by the American Society of Transplant Surgeons under the direction of an experienced transplant surgeon and must have had at least two years of experience in all facets of transplant surgery specific to the surgeon's specialty. This experience must include management of recipients' presurgical and postsurgical care and actual experience as a member of a transplant team at the institution. The transplant surgeon will have an understanding of the principles of and demonstrated expertise in the use of immunosuppressive therapy.

The transplant surgeon will be certified by the American Board of Thoracic Surgery or equivalent for heart transplants and the American Board of Surgery or equivalent for liver transplants.

The transplant surgeon will be the defined leader of a stable, established transplant team that has a strong commitment to the transplant program.

(2) *Transplant team.* The transplant team will be clearly defined with leadership and corresponding responsibilities of all team members identified.

The team should consist of:

A surgeon director.

A board-certified internist or pediatrician with training and expertise in organ transplantation medicine and clinical use of immunosuppressive regimens.

The transplant center will assume responsibility for initial training and continuing education of the transplant team and ancillary personnel. The center will maintain records that demonstrate competency in achieving, maintaining and improving skills in the distinct areas of expertise of each of the team members.

(3) *Physicians.* The transplant center will have on staff or available for consultation physicians with the following areas of expertise:

Anesthesiology.

Cardiology.

Dialysis.

Gastroenterology.

Hepatology.

Immunology.

Infectious diseases.

Nephrology.

Neurology.

Pathology.

Pediatrics.

Psychiatry.

Pulmonary medicine.

Radiology.

Rehabilitation medicine.

Liaison with the recipient's permanent physician is established for the purpose of providing continuity and management of the recipient's long-term care.

(4) *Support personnel and resources.* The center must have a commitment of sufficient resources and planning for implementation and operation of the transplant program. Indicators of the commitment will include the following:

Persons with expertise in the following areas available at the transplant center:

Anesthesiology.

Blood bank services.

Cardiology.

Cardiovascular surgery.

Dialysis.

Dietary services.

Gastroenterology.

Infection control.

Laboratory services (pathology, microbiology, immunology, tissue typing, and monitoring of immunosuppressive drugs).

Legal counsel familiar with transplantation laws and regulations.

Nursing service department with staff available who have expertise in the care of transplant recipients, especially in managing immunosuppressed patients and hemodynamic support.

Respiratory therapy.

Pharmaceutical services.

Physical therapy.

Psychiatry.

Psycho-social.

The center will have active cardiovascular, medical, and surgical programs with the ability and willingness to perform diagnostic and evaluative procedures appropriate to transplants on an emergency and ongoing basis.

The center will have designated an adequate number of intensive care and general service beds to support the transplant center.

(5) *Laboratory.* Each transplant center must have direct local 24-hour per day access to histocompatibility testing facilities. These facilities must meet the Standards for Histocompatibility Testing set forth by the Committee on Quality Assurance and Standards of the American Society for Histocompatibility and Immunogenetics (ASHI). As specified by ASHI, the director of the facility shall hold a doctoral degree in biological science, or be a physician, and subsequent to graduation shall have had four years' experience in immunology, two of which were devoted to formal training in human histocompatibility testing, documented to be professionally competent by external measures such as national proficiency testing, participation in national or international workshops or publications in peer-reviewed journals. The laboratory must successfully participate in a regional or national testing program.

*c. Experience and survival rates.*

(1) *Experience.* Centers will be given a minimum volume requirement of 12 heart or 12 liver transplants that should be met within one year. Due to special considerations such as patient case mix or donor availability, an additional one year conditional approval may be given if the minimum volume is not met the first year.

For approval of an extrarenal organ transplant program it is highly desirable that the institution: 1. has available a complete team of surgeons, physicians, and other specialists with specific experience in transplantation of that organ, or 2. has an established approved renal transplant program at that institution and personnel with expertise in the extrarenal organ system itself.

(2) *Survival rates.* The transplant center will achieve a record of acceptable performance consistent with the performance and outcomes at other successful designated transplant centers. The center will collect and maintain recipient and graft survival and complication rates. A level of satisfactory success and safety will be demonstrated with bases for substantial probability of continued performance at an acceptable level.

To encourage a high level of performance, transplant programs must achieve and maintain a minimum one-year patient survival rate of 70 percent for heart transplants and 50 percent for liver transplants.

*d. Organ procurement.* The transplant center will participate in a nationwide organ procurement and typing network.

Detailed plans must exist for organ procurement yielding viable transplantable organs in reasonable numbers, meeting established legal and ethical criteria.

The transplant center must be a member of the National Organ Procurement and Transplant Network.

*e. Maintenance of data, research, review and evaluation.*

(1) *Maintenance of data.* The transplant center will collect and maintain data on the following:

Risk and benefit.

Morbidity and mortality.

Long-term survival.

Quality of life.

Recipient demographic information.

These data should be maintained in the computer at the transplant center monthly.

The transplant center will submit the above data to the United Network of Organ Sharing yearly.

(2) *Research.* The transplant center will have a plan for and a commitment to research.

Ongoing research regarding the transplanted organs is required.

The transplant center will have a program in graduate medical education or have a formal agreement with a teaching institution for affiliation with a graduate medical education program.

(3) *Review and evaluation.* The transplant center will have a plan for ongoing evaluation of the transplantation program.

The transplant center will have a detailed plan for review and evaluation of recipient selection, preoperative, operative, postoperative and long-term management of the recipient.

The transplant center will conduct concurrent ongoing studies to ensure high quality services are provided in the transplantation program.

The transplant center will provide information to members of the transplant team and ancillary staff regarding the findings of the quality assurance studies. This information will be utilized to provide education geared toward interventions to improve staff performance and reduce complications occurring in the transplant process.

The transplant center will maintain records of all quality assurance and peer review activities concerning the transplantation program to document identification of problems or potential problems, intervention, education and follow-up.

*f. Application procedure.* A Medicare-designated heart, liver, or lung transplant facility needs only to submit evidence of this designation to the Iowa Medicaid enterprise provider services unit. The application procedure for other heart and liver facilities is as follows:

(1) An original and two copies of the application must be submitted on 8½ by 11 inch paper, signed by a person authorized to do so. The facility must be a participating hospital under Medicaid and must specify its provider number, and the name and telephone number of a contact person should there be questions regarding the application.

(2) Information and data must be clearly stated, well organized and appropriately indexed to aid in its review against the criteria specified in this rule. Each page must be numbered.

(3) To the extent possible, the application should be organized into five sections corresponding to each of the five major criteria and addressing, in order, each of the subcriteria identified.

(4) The application should be mailed to the Iowa Medicaid enterprise provider services unit.

*g. Review and approval of facilities.* An organized review committee will be established to evaluate performance and survival statistics and make recommendations regarding approval as a designated transplant center based on acceptable performance standards established by the review organization and approved by the Medicaid agency.

There will be established protocol for the systematic evaluation of patient outcome including survival statistics.

Once a facility applies for approval and is approved as a heart or liver transplant facility for Medicaid purposes, it is obliged to report immediately to the department any events or changes which would affect its approved status. Specifically, a facility must report any significant decrease in its experience level or survival rates, the transplantation of patients who do not meet its patient selection criteria, the loss of key members of the transplant team, or any other major changes that could affect the performance of heart or liver transplants at the facility. Changes from the terms of approval may lead to withdrawal of approval for Medicaid coverage of heart or liver transplants performed at the facility.

**78.3(11)** Payment will be approved for inpatient hospital care rendered a patient in connection with dental treatment only when the mental, physical, or emotional condition of the patient prevents the dentist from providing this necessary care in the office.

**78.3(12)** Payment will be approved for an assessment fee as specified in 441—paragraphs 79.1(16) “a” and “r” to determine if a medical emergency exists.

Medical emergency is defined as a sudden or unforeseen occurrence or combination of circumstances presenting a substantial risk to an individual’s health unless immediate medical treatment is given.

The determination of whether a medical emergency exists will be based on the patient’s medical condition including presenting symptoms and medical history prior to treatment or evaluation.

**78.3(13)** Payment for patients in acute hospital beds who are determined by IFMC to require the skilled nursing care level of care shall be made at an amount equal to the sum of the direct care rate component limit for Medicare-certified hospital-based nursing facilities pursuant to 441—subparagraph 81.6(16) “f”(3) plus the non-direct care rate component limit for Medicare-certified hospital-based nursing facilities pursuant to 441—subparagraph 81.6(16) “f”(3), with the rate component limits being revised July 1, 2001, and every second year thereafter. This rate is effective (a) as of the date of notice by IFMC that the lower level of care is required or (b) for the days IFMC determines in an outlier review that the lower level of care was required.

**78.3(14)** Payment for patients in acute hospital beds who are determined by IFMC to require nursing facility level of care shall be made at an amount equal to the sum of the direct care rate component limit for Medicaid nursing facilities pursuant to 441—subparagraph 81.6(16) “f”(1) plus the non-direct care rate component limit for Medicaid nursing facilities pursuant to 441—subparagraph 81.6(16) “f”(1), with the rate component limits being revised July 1, 2001, and every second year thereafter. This rate is effective (a) as of the date of notice by IFMC that the lower level of care is required or (b) for the days IFMC determines in an outlier review that the lower level of care was required.

**78.3(15)** Payment for inpatient hospital charges associated with surgical procedures on the “Outpatient/Same Day Surgery List” produced by the Iowa Foundation for Medical Care shall be made only when attending physician has secured approval from the hospital’s utilization review department prior to admittance to the hospital. Approval shall be granted when inpatient care is deemed to be medically necessary based on the condition of the patient or when the surgical procedure is not performed as a routine, primary, independent procedure. The “Outpatient/Same Day Surgery List” shall be published by the department in the provider manuals for hospitals and physicians. The “Outpatient/Same Day Surgery List” shall be developed by the Iowa Foundation for Medical Care, and shall include procedures which can safely and effectively be performed in a doctor’s office or on an outpatient basis in a hospital. The Iowa Foundation for Medical Care may add, delete or modify entries on the “Outpatient/Same Day Surgery List.”

**78.3(16)** Payment will be made for medically necessary skilled nursing care when provided by a hospital participating in the swing-bed program certified by the department of inspections and appeals and approved by the U.S. Department of Health and Human Services. Payment shall be at an amount equal to the sum of the direct care rate component limit for Medicare-certified hospital-based nursing facilities pursuant to 441—subparagraph 81.6(16) “f”(3) and the non-direct care rate component limit for Medicare-certified hospital-based nursing facilities pursuant to 441—subparagraph 81.6(16) “f”(3), with the rate component limits being revised July 1, 2001, and every second year thereafter.

**78.3(17)** Rescinded IAB 8/9/89, effective 10/1/89.

**78.3(18)** Preprocedure review by the IFMC is required if hospitals are to be reimbursed for certain frequently performed surgical procedures as set forth under subrule 78.1(19). Criteria are available from IFMC, 6000 Westown Parkway, Suite 350E, West Des Moines, Iowa 50265-7771, or in local hospital utilization review offices. (Cross-reference 78.28(5))

**78.3(19)** Rescinded IAB 10/8/97, effective 12/1/97.

This rule is intended to implement Iowa Code section 249A.4.

**441—78.4(249A) Dentists.** Payment will be made for medical and surgical services furnished by a dentist to the extent these services may be performed under state law either by doctors of medicine,

osteopathy, dental surgery or dental medicine and would be covered if furnished by doctors of medicine or osteopathy. Payment will also be made for the following dental procedures subject to the exclusions for services to adults 21 years of age and older set forth in subrule 78.4(14):

**78.4(1) Preventive services.** Payment shall be made for the following preventive services:

*a.* Oral prophylaxis, including necessary scaling and polishing, is payable only once in a six-month period except for persons who, because of physical or mental disability, need more frequent care. Documentation supporting the need for oral prophylaxis performed more than once in a six-month period must be maintained.

*b.* Topical application of fluoride is payable once in a six-month period except for people who need more frequent applications because of physical or mental disability. (This does not include the use of fluoride prophylaxis paste as fluoride treatment.)

*c.* Pit and fissure sealants are payable for placement on deciduous and permanent posterior teeth only. Reimbursement for sealants is restricted to work performed on members through 18 years of age and on members who have a physical or mental disability that impairs their ability to maintain adequate oral hygiene. Replacement sealants are covered when medically necessary, as documented in the patient record.

**78.4(2) Diagnostic services.** Payment shall be made for the following diagnostic services:

*a.* A comprehensive oral evaluation is payable once per patient per dentist in a three-year period when the patient has not seen that dentist during the three-year period.

*b.* A periodic oral examination is payable once in a six-month period.

*c.* A complete mouth radiograph survey consisting of a minimum of 14 periapical films and bite-wing films is a payable service once in a five-year period, except when medically necessary to evaluate development, and to detect anomalies, injuries and diseases. Complete mouth radiograph surveys are not payable under the age of six. A panoramic-type radiography with bitewings is considered the same as a complete mouth radiograph survey.

*d.* Supplemental bitewing films are payable only once in a 12-month period.

*e.* Single periapical films are payable when necessary.

*f.* Intraoral radiograph, occlusal.

*g.* Extraoral radiograph.

*h.* Posterior-anterior and lateral skull and facial bone radiograph, survey film.

*i.* Temporomandibular joint radiograph.

*j.* Cephalometric film.

*k.* Diagnostic casts are payable only for orthodontic cases or when requested by the Iowa Medicaid enterprise medical services unit's dental consultant.

**78.4(3) Restorative services.** Payment shall be made for the following restorative services:

*a.* Treatment of dental caries is payable in those areas which require immediate attention. Restoration of incipient or nonactive carious lesions are not payable. Carious activity may be considered incipient when there is no penetration of the dento-enamel junction as demonstrated in diagnostic radiographs.

*b.* Amalgam alloy and composite resin-type filling materials are reimbursable only once for the same restoration in a two-year period.

*c.* Rescinded IAB 5/1/02, effective 7/1/02.

*d.* Two laboratory-fabricated crowns using nonprecious materials, other than stainless steel, are payable per member in a 12-month period. Additional laboratory-fabricated crowns using nonprecious materials, other than stainless steel, are payable when prior authorization has been obtained. Noble metals are payable for crowns when members are allergic to all other restorative materials. Stainless steel crowns are payable when a more conservative procedure would not be serviceable. (Cross-reference 78.28(2) "e")

*e.* Cast post and core, steel post and composite or amalgam in addition to a crown is payable when a tooth is functional and the integrity of the tooth would be jeopardized by no post support.

*f.* Payment as indicated will be made for the following restorative procedures:

(1) Amalgam or acrylic buildups are considered part of the preparation for the completed restoration.

(2) One, two, or more restorations on one surface of a tooth shall be paid as a one-surface restoration, i.e., mesial occlusal pit and distal occlusal pit of a maxillary molar or mesial and distal occlusal pits of a lower bicuspid.

(3) Occlusal lingual groove of a maxillary molar that extends from the distal occlusal pit and down the distolingual groove will be paid as a two-surface restoration. This restoration and a mesial occlusal pit restoration on the same tooth will be paid as one, two-surface restoration.

(4) Rescinded IAB 5/1/02, effective 7/1/02.

(5) A two-surface anterior composite restoration will be payable as a one-surface restoration if it involved the lingual surface.

(6) Tooth preparation, temporary restorations, cement bases, pulp capping, impressions, local anesthesia and inhaled anesthesia are included in the restorative fee and may not be billed separately.

(7) Pin retention will be paid on a per-tooth basis and in addition to the final restoration.

(8) More than four surfaces on an amalgam restoration will be reimbursed as a “four-surface” amalgam.

(9) An amalgam restoration is not payable following a sedative filling in the same tooth unless the sedative filling was placed more than 30 days previously.

**78.4(4) Periodontal services.** Payment may be made for the following periodontal services:

*a.* Full-mouth debridement to enable comprehensive periodontal evaluation and diagnosis is payable once every 24 months. This procedure is not payable on the same date of service when other prophylaxis or periodontal services are performed.

*b.* Periodontal scaling and root planing is payable when prior approval has been received. A request for approval must be accompanied by a plan for treatment, a completed copy of a periodontal probe chart that exhibits pocket depths, history and radiograph(s). Payment for periodontal scaling and root planing will be approved when interproximal and subgingival calculus is evident in X-rays or when justified and documented that curettage, scaling or root planing is required in addition to routine prophylaxis. (Cross-reference 78.28(2)“a”(1))

*c.* Periodontal surgical procedures which include gingivoplasty, osseous surgery, and osseous allograft are payable services when prior approval has been received. A request for approval must be accompanied by a plan for treatment, a completed copy of a periodontal probe chart that exhibits pocket depths, history and radiograph(s). Payment for these surgical procedures will be approved after periodontal scaling and root planing has been provided, a reevaluation examination has been completed, and the patient has demonstrated reasonable oral hygiene, unless the patient is unable to demonstrate reasonable oral hygiene because of physical or mental disability or in cases which demonstrate gingival hyperplasia resulting from drug therapy. (Cross-reference 78.28(2)“a”(2))

*d.* Pedicle soft tissue graft and free soft tissue graft are payable services with prior approval based on a written narrative describing medical necessity. (Cross-reference 78.28(2)“a”(3))

*e.* Periodontal maintenance therapy which includes oral prophylaxis, measurement of pocket depths and limited root planing and scaling is a payable service when prior approval has been received. A request for approval must be accompanied by a periodontal treatment plan, a completed copy of a periodontal probe chart which exhibits pocket depths, periodontal history and radiograph(s). Payment for periodontal maintenance therapy may be approved after periodontal scaling and root planing or periodontal surgical procedures have been provided. Periodontal maintenance therapy may be approved once per three-month interval for moderate to advanced cases if the condition would deteriorate without treatment. (Cross-reference 78.28(2)“a”(4))

*f.* Payment as indicated will be made for the following periodontal services:

(1) Periodontal scaling and root planing, gingivoplasty, osseous surgery will be paid per quadrant.

(2) Gingivoplasty will be paid per tooth.

(3) Osseous allograft will be paid as a single site if one site is involved, or if more than one site is involved, payment will be made for multiple sites.

**78.4(5) Endodontic services.** Payment shall be made for the following endodontic services:

a. Root canal treatments on permanent anterior and posterior teeth when extensive posttreatment restorative procedures are not necessary and when missing teeth do not jeopardize the integrity or function of the dental arches.

b. Vital pulpotomies. Cement bases, pulp capping, and insulating liners are considered part of the restoration and may not be billed separately.

c. Surgical endodontic treatment is payable when prior approval has been received. Payment for an apicoectomy, performed as a separate surgical procedure; an apicoectomy, performed in conjunction with endodontic procedure; an apical curettage; a root resection; or excision of hyperplastic tissue will be approved when nonsurgical treatment has been attempted and a reasonable time has elapsed after which failure has been demonstrated. Surgical endodontic procedures may be indicated when:

(1) Conventional root canal treatment cannot be successfully completed because canals cannot be negotiated, debrided or obturated due to calcifications, blockages, broken instruments, severe curvatures, and dilacerated roots.

(2) Correction of problems resulting from conventional treatment including gross underfilling, perforations, and canal blockages with restorative materials. (Cross-reference 78.28(2) "d")

d. Endodontic retreatment when prior authorization has been received. Authorization for retreatment of a tooth with previous endodontic treatment shall be granted when the conventional treatment has been completed, a reasonable time has elapsed, and failure has been demonstrated with a radiograph and narrative history.

**78.4(6) Oral surgery—medically necessary.** Payment shall be made for medically necessary oral surgery services furnished by dentists to the extent that these services may be performed under state law either by doctors of medicine, osteopathy, dental surgery or dental medicine and would be covered if furnished by doctors of medicine or osteopathy, as defined in rule 441—78.1(249A). These services will be reimbursed in a manner consistent with the physician's reimbursement policy. The following surgical procedures are also payable when performed by a dentist:

a. Extractions, both surgical and nonsurgical.

b. Impaction (soft tissue impaction, upper or lower) that requires an incision of overlying soft tissue and the removal of the tooth.

c. Impaction (partial bony impaction, upper or lower) that requires incision of overlying soft tissue, elevation of a flap, removal of bone and removal of the tooth.

d. Impaction (complete bony impaction, upper or lower) that requires incision of overlying soft tissue, elevation of a flap, removal of bone and section of the tooth for removal.

e. Root recovery (surgical removal of residual root).

f. Oral antral fistula closure (or antral root recovery).

g. Surgical exposure of impacted or unerupted tooth for orthodontic reasons, including ligation when indicated.

h. Surgical exposure of impacted or unerupted tooth to aid eruption.

i. General anesthesia, intravenous sedation, and non-intravenous conscious sedation are payable services when the extensiveness of the procedure indicates it or there is a concomitant disease or impairment which warrants its use.

j. Routine postoperative care is considered part of the fee for surgical procedures and may not be billed separately.

k. Payment may be made for postoperative care where need is shown to be beyond normal follow-up care or for postoperative care where the original service was performed by another dentist.

**78.4(7) Prosthetic services.** Payment may be made for the following prosthetic services:

a. An immediate denture and a first-time complete denture including six months' postdelivery care. An immediate denture and a first-time complete denture are payable when the denture is provided to establish masticatory function. An immediate denture or a first-time complete denture is payable only once following the removal of teeth it replaces. A complete denture is payable only once in a five-year period except when the denture is broken beyond repair, lost or stolen, or no longer fits due to growth or changes in jaw structure and is required to prevent significant dental problems. Replacement of complete dentures due to resorption in less than a five-year period is not payable.

*b.* A removable partial denture replacing anterior teeth, including six months' postdelivery care. A removable partial denture replacing anterior teeth is payable only once in a five-year period unless the removable partial denture is broken beyond repair, lost or stolen, or no longer fits due to growth or changes in jaw structure and is required to prevent significant dental problems. Replacement of a removable partial denture replacing anterior teeth due to resorption in less than a five-year period is not payable.

*c.* A removable partial denture replacing posterior teeth including six months' postdelivery care when prior approval has been received. A removable partial denture replacing posterior teeth shall be approved when the member has fewer than eight posterior teeth in occlusion or the member has a full denture in one arch, and a partial denture replacing posterior teeth is required in the opposing arch to balance occlusion. When one removable partial denture brings eight posterior teeth in occlusion, no additional removable partial denture will be approved. A removable partial denture replacing posterior teeth is payable only once in a five-year period unless the removable partial denture is broken beyond repair, lost or stolen, or no longer fits due to growth or changes in jaw structure and is required to prevent significant dental problems. Replacement of a removable partial denture replacing posterior teeth due to resorption in less than a five-year period is not payable. (Cross-reference 78.28(2) "c"(1))

*d.* A fixed partial denture (including an acid etch fixed partial denture) replacing anterior teeth when prior approval has been received. A fixed partial denture (including an acid etch fixed partial denture) replacing anterior teeth shall be approved for members whose medical condition precludes the use of a removable partial denture. High noble or noble metals shall be approved only when the member is allergic to all other restorative materials. A fixed partial denture replacing anterior teeth is payable only once in a five-year period unless the fixed partial denture is broken beyond repair. (Cross-reference 78.28(2) "c"(2))

*e.* A fixed partial denture (including an acid etch fixed partial denture) replacing posterior teeth when prior approval has been received. A fixed partial denture (including an acid etch fixed partial denture) replacing posterior teeth shall be approved for the member whose medical condition precludes the use of a removable partial denture and who has fewer than eight posterior teeth in occlusion or if the member has a full denture in one arch and a partial denture replacing posterior teeth is required in the opposing arch to balance occlusion. When one fixed partial denture brings eight posterior teeth in occlusion, no additional fixed partial denture will be approved. High noble or noble metals will be approved only when the member is allergic to all other restorative materials. A fixed partial denture replacing posterior teeth is payable only once in a five-year period unless the fixed partial denture is broken beyond repair. (Cross-reference 78.28(2) "c"(3))

*f.* Obturator for surgically excised palatal tissue or deficient velopharyngeal function of cleft palate patients.

*g.* Chairside relines are payable only once per prosthesis every 12 months.

*h.* Laboratory processed relines are payable only once per prosthesis every 12 months.

*i.* Tissue conditioning is a payable service twice per prosthesis in a 12-month period.

*j.* Two repairs per prosthesis in a 12-month period are payable.

*k.* Adjustments to a complete or removable partial denture are payable when medically necessary after six months' postdelivery care. An adjustment consists of removal of acrylic material or adjustment of teeth to eliminate a sore area or to make the denture fit better. Warming dentures and massaging them for better fit or placing them in a sonic device does not constitute an adjustment.

*l.* Dental implants and related services when prior authorization has been received. Prior authorization shall be granted when the member is missing significant oral structures due to cancer, traumatic injuries, or developmental defects such as cleft palate and cannot use a conventional denture.

**78.4(8) Orthodontic procedures.** Payment may be made for the following orthodontic procedures:

*a.* When prior approval has been given for orthodontic services to treat the most handicapping malocclusions in a manner consistent with "Handicapping Malocclusion Assessment to Establish Treatment Priority," by J.A. Salzmann, D.D.S., American Journal of Orthodontics, October 1968.

A handicapping malocclusion is a condition that constitutes a hazard to the maintenance of oral health and interferes with the well-being of the patient by causing impaired mastication, dysfunction of

the temporomandibular articulation, susceptibility to periodontal disease, susceptibility to dental caries, and impaired speech due to malpositions of the teeth. Treatment of handicapping malocclusions will be approved only for the severe and the most handicapping. Assessment of the most handicapping malocclusion is determined by the magnitude of the following variables: degree of malalignment, missing teeth, angle classification, overjet and overbite, openbite, and crossbite.

A request to perform an orthodontic procedure must be accompanied by an interpreted cephalometric radiograph and study models trimmed so that the models simulate centric occlusion of the patient. A written plan of treatment must accompany the diagnostic aids. Posttreatment records must be furnished upon request of the Iowa Medicaid enterprise.

Approval may be made for eight units of a three-month active treatment period. Additional units may be approved by the Iowa Medicaid enterprise's orthodontic consultant if found to be medically necessary. (Cross-reference 78.28(2)“d”)

*b.* Space management services shall be payable when there is too little dental ridge to accommodate either the number or the size of teeth and if not corrected significant dental disease will result.

*c.* Tooth guidance for a limited number of teeth or interceptive orthodontics is a payable service when extensive treatment is not required. Pretreatment records are not required.

**78.4(9) Treatment in a hospital.** Payment will be approved for dental treatment rendered a hospitalized patient only when the mental, physical, or emotional condition of the patient prevents the dentist from providing necessary care in the office.

**78.4(10) Treatment in a nursing facility.** Payment will be approved for dental treatment provided in a nursing facility. When more than one patient is examined during the same nursing home visit, payment will be made by the Medicaid program for only one visit to the nursing home.

**78.4(11) Office visit.** Payment will be approved for an office visit for care of injuries or abnormal conditions of the teeth or supporting structure when treatment procedures or exams are not billed for that visit.

**78.4(12) Office calls after hours.** Payment will be approved for office calls after office hours in emergency situations. The office call will be paid in addition to treatment procedures.

**78.4(13) Drugs.** Payment will be made for drugs dispensed by a dentist only if there is no licensed retail pharmacy in the community where the dentist's office is located. If eligible to dispense drugs, the dentist should request a copy of the Prescribed Drugs Manual from the Iowa Medicaid enterprise provider services unit. Payment will not be made for writing prescriptions.

**78.4(14) Services to members 21 years of age or older.** Orthodontic procedures are not covered for members 21 years of age or older.

This rule is intended to implement Iowa Code section 249A.4.

**441—78.5(249A) Podiatrists.** Payment will be approved only for certain podiatric services.

**78.5(1)** Payment will be approved for the following orthotic appliances and treatment of nail pathologies:

- a.* Durable plantar foot orthotic.
- b.* Plaster impressions for foot orthotic.
- c.* Molded digital orthotic.
- d.* Shoe padding when appliances are not practical.
- e.* Custom molded space shoes for rheumatoid arthritis, congenital defects and deformities, neurotropic, diabetic and ischemic intractable ulcerations and deformities due to injuries.
- f.* Rams horn (hypertrophic) nails.
- g.* Onychomycosis (mycotic) nails.

**78.5(2)** Payment will be made for the same scope of podiatric services available through Part B of Title XVIII (Medicare) except as listed below:

- a.* Treatment of flatfoot. The term “flatfoot” is defined as a condition in which one or more arches have flattened out.

*b.* Treatment of subluxations of the foot are defined as partial dislocations or displacements of joint surfaces, tendons, ligaments, or muscles of the foot. Surgical or nonsurgical treatments undertaken for the sole purpose of correcting a subluxated structure in the foot as an isolated entity are not covered.

Reasonable and necessary diagnosis of symptomatic conditions that result from or are associated with partial displacement of foot structures is a covered service. Surgical correction in the subluxated foot structure that is an integral part of the treatment of a foot injury or is undertaken to improve the function of the foot or to alleviate an induced or associated symptomatic condition is a covered service.

*c.* Routine foot care. Routine foot care includes the cutting or removal of corns or callouses, the trimming of nails and other hygienic and preventive maintenance care in the realm of self-care such as cleaning and soaking the feet, the use of skin creams to maintain skin tone of both ambulatory and bedfast patients and any services performed in the absence of localized illness, injury, or symptoms involving the foot.

*d.* Orthopedic shoes. Payment will not be made for orthopedic shoes or for any device to be worn in or attached to orthopedic shoes or other types of shoes when provided by the podiatrist. Payment will be made to the podiatrist for the examination including tests to establish the need for orthopedic shoes.

**78.5(3)** Prescriptions are required for drugs and supplies as specified in rule 78.1(2) “*c.*” Payment shall be made for drugs dispensed by a podiatrist only if there is no licensed retail pharmacy in the community where the podiatrist’s office is located. If eligible to dispense drugs, the podiatrist should request a copy of the Prescribed Drugs Manual from the Iowa Medicaid enterprise provider services unit. Payment will not be made for writing prescriptions.

This rule is intended to implement Iowa Code section 249A.4.

**441—78.6(249A) Optometrists.** Payment will be approved for medically necessary services and supplies provided by the optometrist within the scope of practice of optometry and the limitations of state law, subject to the following limitations and exclusions. Covered optometric services include a professional component and materials.

**78.6(1)** *Payable professional services are:*

*a.* Eye examinations. The coverage of eye examinations depends on the purpose of the examination. Services are covered if the examination is the result of a complaint or symptom of an eye disease or injury. Routine eye examinations are covered once in a 12-month period. These services are rendered in the optometrist’s office or clinic, the home, a nursing facility, or other appropriate setting. Payment for mileage shall be subject to the same approval and payment criteria as those in effect for Medicare Part B. The following levels of service are recognized for optometric examinations:

(1) Intermediate examination. A level of optometric or ophthalmological services pertaining to medical examination and evaluation, with initiation or continuation of a diagnostic and treatment program.

(2) Comprehensive examination. A level of optometric or ophthalmological services pertaining to medical examination and evaluation, with initiation or continuation of a diagnostic and treatment program, and a general evaluation of the complete visual system.

*b.* Medical services. Payment will be approved for medically necessary services and supplies within the scope of practice of the optometrist, including services rendered in the optometrist’s office or clinic, the home, a nursing facility, or other appropriate setting. Payment for mileage shall be subject to the same approval and payment criteria as those in effect for Medicare Part B.

*c.* Auxiliary procedures. The following auxiliary procedures and special tests are payable when performed by an optometrist. Auxiliary procedures and special tests are reimbursed as a separate procedure only when warranted by case history or diagnosis.

(1) Serial tonometry. Single tonometry is part of the intermediate and comprehensive exams and is not payable as a separate procedure as is serial tonometry.

(2) Gonioscopy.

(3) Extended ophthalmoscopy. Routine ophthalmoscopy is part of the intermediate and comprehensive examination and is not payable as a separate procedure. Generally, extended

ophthalmoscopy is considered to be part of the comprehensive examination and, if performed in conjunction with that level of service, is not payable as a separate procedure.

(4) Visual fields. Gross visual field testing is part of general optometric services and is not reported separately.

(5) External photography.

(6) Fundus photography.

(7) Retinal integrity evaluation.

*d.* Single vision and multifocal lens service, verification and subsequent service. When lenses are necessary, the following enumerated professional and technical optometric services are to be provided:

(1) When lenses are necessary, the following enumerated professional and technical optometric services are to be provided:

1. Ordering of corrective lenses.

2. Verification of lenses after fabrication.

3. Adjustment and alignment of completed lens order.

(2) New lenses are subject to the following limitations:

1. Up to three times for children up to one year of age.

2. Up to four times per year for children one through three years of age.

3. Once every 12 months for children four through seven years of age.

4. Once every 24 months after eight years of age when there is a change in the prescription.

(3) Protective lenses are allowed for:

1. Children through seven years of age.

2. Members with vision in only one eye.

3. Members with a diagnosis-related illness or disability where regular lenses would pose a safety risk.

*e.* Rescinded IAB 4/3/02, effective 6/1/02.

*f.* Frame service.

(1) When a new frame is necessary, the following enumerated professional and technical optometric services are to be provided:

1. Selection and styling.

2. Sizing and measurements.

3. Fitting and adjustment.

4. Readjustment and servicing.

(2) New frames are subject to the following limitations:

1. One frame every six months is allowed for children through three years of age.

2. One frame every 12 months is allowed for children four through six years of age.

3. When there is a prescribed lens change and the new lenses cannot be accommodated by the current frame.

(3) Safety frames are allowed for:

1. Children through seven years of age.

2. Members with a diagnosis-related disability or illness where regular frames would pose a safety risk.

*g.* Rescinded IAB 4/3/02, effective 6/1/02.

*h.* Repairs or replacement of frames, lenses or component parts. Payment shall be made for service in addition to materials. The service fee shall not exceed the dispensing fee for a replacement frame. Payment shall be made for replacement of glasses when the original glasses have been lost or damaged beyond repair. Replacement of lost or damaged glasses is limited to once every 12 months for adults aged 21 and over, except for people with a mental or physical disability.

*i.* Fitting of contact lenses when required following cataract surgery, documented keratoconus, aphakia, or for treatment of acute or chronic eye disease. Up to eight pairs of contact lenses are allowed for children up to one year of age with aphakia. Up to four pairs of contact lenses per year are allowed for children one to three years of age with aphakia.

**78.6(2) *Ophthalmic materials.*** Ophthalmic materials which are provided in connection with any of the foregoing professional optometric services shall provide adequate vision as determined by the optometrist and meet the following standards:

- a. Corrected curve lenses, unless clinically contraindicated, manufactured by reputable American manufacturers.
- b. Standard plastic, plastic and metal combination, or metal frames manufactured by reputable American manufacturers, if available.
- c. Prescription standards according to the American National Standards Institute (ANSI) standards and tolerance.

**78.6(3) *Reimbursement.*** The reimbursement for allowed ophthalmic material is subject to a fee schedule established by the department or to actual laboratory cost as evidenced by an attached invoice.

a. Materials payable by fee schedule are:

- (1) Lenses, single vision and multifocal.
- (2) Frames.
- (3) Case for glasses.

b. Materials payable at actual laboratory cost as evidenced by an attached invoice are:

- (1) Contact lenses.
- (2) Schroeder shield.
- (3) Ptosis crutch.
- (4) Protective lenses and safety frames.
- (5) Subnormal visual aids.

**78.6(4) *Prior authorization.*** Prior authorization is required for the following:

a. A second lens correction within a 24-month period for members eight years of age and older. Approval shall be given when the member's vision has at least a five-tenths diopter of change in sphere or cylinder or ten-degree change in axis in either eye.

b. Visual therapy may be authorized when warranted by case history or diagnosis for a period of time not greater than 90 days. Should continued therapy be warranted, the prior approval process shall be reaccomplished, accompanied by a report showing satisfactory progress. Approved diagnoses are convergence insufficiency and amblyopia. Visual therapy is not covered when provided by opticians.

c. Subnormal visual aids where near visual acuity is better than 20/100 at 16 inches, 2M print. Prior authorization is not required if near visual acuity as described above is less than 20/100. Subnormal visual aids include, but are not limited to, hand magnifiers, loupes, telescopic spectacles, or reverse Galilean telescope systems. Payment shall be actual laboratory cost as evidenced by an attached invoice.

(Cross-reference 78.28(3))

**78.6(5) *Noncovered services.*** Noncovered services include, but are not limited to, the following services:

- a. Glasses with cosmetic gradient tint lenses or other eyewear for cosmetic purposes.
- b. Glasses for protective purposes including glasses for eye safety, sunglasses, or glasses with photogray lenses. An exception to this is in 78.6(3) "b"(4).
- c. A second pair of glasses or spare glasses.
- d. Cosmetic surgery and experimental medical and surgical procedures.
- e. Contact lenses if vision is correctable with noncontact lenses except as found at paragraph 78.6(1) "i."

**78.6(6) *Therapeutically certified optometrists.*** Therapeutically certified optometrists may provide services and employ pharmaceutical agents in accordance with Iowa Code chapter 154 regulating the practice of optometry. A therapeutically certified optometrist is an optometrist who is licensed to practice optometry in this state and who is certified by the board of optometry to employ the agents and perform the procedures provided by the Iowa Code.

This rule is intended to implement Iowa Code section 249A.4.

[ARC 7548B, IAB 2/11/09, effective 4/1/09]

**441—78.7(249A) Opticians.** Payment will be approved only for certain services and supplies provided by opticians when prescribed by a physician (MD or DO) or an optometrist. Payment and procedure for obtaining services and supplies shall be the same as described in rule 441—78.6(249A). (Cross-reference 78.28(3))

**78.7(1) to 78.7(3)** Rescinded IAB 4/3/02, effective 6/1/02.

This rule is intended to implement Iowa Code section 249A.4.

**441—78.8(249A) Chiropractors.** Payment will be made for the same chiropractic procedures payable under Title XVIII of the Social Security Act (Medicare).

**78.8(1) Covered services.** Chiropractic manipulative therapy (CMT) eligible for reimbursement is specifically limited by Medicaid to the manual manipulation (i.e., by use of the hands) of the spine for the purpose of correcting a subluxation demonstrated by X-ray. Subluxation means an incomplete dislocation, off-centering, misalignment, fixation, or abnormal spacing of the vertebrae.

**78.8(2) Indications and limitations of coverage.**

a. The subluxation must have resulted in a neuromusculoskeletal condition set forth in the table below for which CMT is appropriate treatment. The symptoms must be directly related to the subluxation that has been diagnosed. The mere statement or diagnosis of “pain” is not sufficient to support the medical necessity of CMT. CMT must have a direct therapeutic relationship to the patient’s condition. No other diagnostic or therapeutic service furnished by a chiropractor is covered under the Medicaid program.

ICD-9	CATEGORY I	ICD-9	CATEGORY II	ICD-9	CATEGORY III
307.81	Tension headache	353.0	Brachial plexus lesions	721.7	Traumatic spondylopathy
721.0	Cervical spondylosis without myelopathy	353.1	Lumbosacral plexus lesions	722.0	Displacement of cervical intervertebral disc without myelopathy

	847.4 Sprains and strains, coccyx	

*b.* The neuromusculoskeletal conditions listed in the table in paragraph “*a*” generally require short-, moderate-, or long-term CMT. A diagnosis or combination of diagnoses within Category I generally requires short-term CMT of 12 per 12-month period. A diagnosis or combination of diagnoses within Category II generally requires moderate-term CMT of 18 per 12-month period. A diagnosis or combination of diagnoses within Category III generally requires long-term CMT of 24 per 12-month period. For diagnostic combinations between categories, 28 CMTs are generally required per 12-month period. If the CMT utilization guidelines are exceeded, documentation supporting the medical necessity of additional CMT must be submitted with the Medicaid claim form or the claim will be denied for failure to provide information.

*c.* CMT is not a covered benefit when:

- (1) The maximum therapeutic benefit has been achieved for a given condition.

(2) There is not a reasonable expectation that the continuation of CMT would result in improvement of the patient's condition.

(3) The CMT seeks to prevent disease, promote health and prolong and enhance the quality of life.

**78.8(3) Documenting X-ray.** An X-ray must document the primary regions of subluxation being treated by CMT.

*a.* The documenting X-ray must be taken at a time reasonably proximate to the initiation of CMT. An X-ray is considered to be reasonably proximate if it was taken no more than 12 months prior to or 3 months following the initiation of CMT. X-rays need not be repeated unless there is a new condition and no payment shall be made for subsequent X-rays, absent a new condition, consistent with paragraph "c" of this subrule. No X-ray is required for pregnant women and for children aged 18 and under.

*b.* The X-ray films shall be labeled with the patient's name and date the X-rays were taken and shall be marked right or left. The X-ray shall be made available to the department or its duly authorized representative when requested. A written and dated X-ray report, including interpretation and diagnosis, shall be present in the patient's clinical record.

*c.* Chiropractors shall be reimbursed for documenting X-rays at the physician fee schedule rate. Payable X-rays shall be limited to those Current Procedural Terminology (CPT) procedure codes that are appropriate to determine the presence of a subluxation of the spine. Criteria used to determine payable X-ray CPT codes may include, but are not limited to, the X-ray CPT codes for which major commercial payors reimburse chiropractors. The Iowa Medicaid enterprise shall publish in the Chiropractic Services Provider Manual the current list of payable X-ray CPT codes. Consistent with CPT, chiropractors may bill the professional, technical, or professional and technical components for X-rays, as appropriate. Payment for documenting X-rays shall be further limited to one per condition, consistent with the provisions of paragraph "a" of this subrule. A claim for a documenting X-ray related to the onset of a new condition is only payable if the X-ray is reasonably proximate to the initiation of CMT for the new condition, as defined in paragraph "a" of this subrule. A chiropractor is also authorized to order a documenting X-ray whether or not the chiropractor owns or possesses X-ray equipment in the chiropractor's office. Any X-rays so ordered shall be payable to the X-ray provider, consistent with the provisions in this paragraph.

This rule is intended to implement Iowa Code section 249A.4.

**441—78.9(249A) Home health agencies.** Payment shall be approved for medically necessary home health agency services prescribed by a physician in a plan of home health care provided by a Medicare-certified home health agency.

The number of hours of home health agency services shall be reasonable and appropriate to meet an established medical need of the member that cannot be met by a family member, significant other, friend, or neighbor. Services must be medically necessary in the individual case and be related to a diagnosed medical impairment or disability.

The member need not be homebound to be eligible for home health agency services; however, the services provided by a home health agency shall only be covered when provided in the member's residence with the following exception. Private duty nursing and personal care services for persons aged 20 and under as described at 78.9(10) "a" may be provided in settings other than the member's residence when medically necessary.

Medicaid members of home health agency services need not first require skilled nursing care to be entitled to home health aide services.

Further limitations related to specific components of home health agency services are noted in subrules 78.9(3) to 78.9(10).

Payment shall be made on an encounter basis. An encounter is defined as separately identifiable hours in which home health agency staff provide continuous service to a member.

Payment for supplies shall be approved when the supplies are incidental to the patient's care, e.g., syringes for injections, and do not exceed \$15 per month. Dressings, durable medical equipment, and other supplies shall be obtained from a durable medical equipment dealer or pharmacy. Payment of

supplies may be made to home health agencies when a durable medical equipment dealer or pharmacy is not available in the member's community.

Payment may be made for restorative and maintenance home health agency services.

Payment may be made for teaching, training, and counseling in the provision of health care services.

Treatment plans for these services shall additionally reflect: to whom the services are to be provided (patient, family member, etc.); prior teaching training, or counseling provided; medical necessity for the rendered service; identification of specific services and goals; date of onset of the teaching, training, or counseling; frequency of services; progress of member in response to treatment; and estimated length of time these services will be needed.

The following are not covered: services provided in the home health agency office, homemaker services, well child care and supervision, and medical equipment rental or purchase.

Services shall be authorized by a physician, evidenced by the physician's signature and date on a plan of treatment.

**78.9(1) *Treatment plan.*** A plan of treatment shall be completed prior to the start of care and at a minimum reviewed every 62 days thereafter. The plan of care shall support the medical necessity and intensity of services to be provided by reflecting the following information:

- a. Place of service.
- b. Type of service to be rendered and the treatment modalities being used.
- c. Frequency of the services.
- d. Assistance devices to be used.
- e. Date home health services were initiated.
- f. Progress of member in response to treatment.
- g. Medical supplies to be furnished.
- h. Member's medical condition as reflected by the following information, if applicable:
  - (1) Dates of prior hospitalization.
  - (2) Dates of prior surgery.
  - (3) Date last seen by a physician.
  - (4) Diagnoses and dates of onset of diagnoses for which treatment is being rendered.
  - (5) Prognosis.
  - (6) Functional limitations.
  - (7) Vital signs reading.
  - (8) Date of last episode of instability.
  - (9) Date of last episode of acute recurrence of illness or symptoms.
  - (10) Medications.
- i. Discipline of the person providing the service.
- j. Certification period (no more than 62 days).
- k. Estimated date of discharge from the hospital or home health agency services, if applicable.
- l. Physician's signature and date. The plan of care must be signed and dated by the physician

before the claim for service is submitted for reimbursement.

**78.9(2) *Supervisory visits.*** Payment shall be made for supervisory visits two times a month when a registered nurse acting in a supervisory capacity provides supervisory visits of services provided by a home health aide under a home health agency plan of treatment or when services are provided by an in-home health care provider under the department's in-home health-related care program as set forth in 441—Chapter 177.

**78.9(3) *Skilled nursing services.*** Skilled nursing services are services that when performed by a home health agency require a licensed registered nurse or licensed practical nurse to perform. Situations when a service can be safely performed by the member or other nonskilled person who has received the proper training or instruction or when there is no one else to perform the service are not considered a "skilled nursing service." Skilled nursing services shall be available only on an intermittent basis. Intermittent services for skilled nursing services shall be defined as a medically predictable recurring need requiring a skilled nursing service at least once every 60 days, not to exceed five days per week (except as provided below), with an attempt to have a predictable end. Daily visits (six or seven days per

week) that are reasonable and necessary and show an attempt to have a predictable end shall be covered for up to three weeks. Coverage of additional daily visits beyond the initial anticipated time frame may be appropriate for a short period of time, based on the medical necessity of service. Medical documentation shall be submitted justifying the need for continued visits, including the physician's estimate of the length of time that additional visits will be necessary. Daily skilled nursing visits or multiple daily visits for wound care or insulin injections shall be covered when ordered by a physician and included in the plan of care. Other daily skilled nursing visits which are ordered for an indefinite period of time and designated as daily skilled nursing care do not meet the intermittent definition and shall be denied.

Skilled nursing services shall be evaluated based on the complexity of the service and the condition of the patient.

Private duty nursing for persons aged 21 and over is not a covered service. See subrule 78.9(10) for guidelines for private duty nursing for persons aged 20 or under.

**78.9(4) *Physical therapy services.*** Payment shall be made for physical therapy services when the services relate directly to an active written treatment plan, follow a treatment plan established by the physician after any needed consultation with the qualified physical therapist, are reasonable and necessary to the treatment of the patient's illness or injury, and meet the guidelines defined for restorative, maintenance, or trial therapy as set forth in subrule 78.19(1), paragraphs "a" and "b."

For physical therapy services, the treatment plan shall additionally reflect goals, modalities of treatment, date of onset of conditions being treated, restorative potential, and progress notes.

**78.9(5) *Occupational therapy services.*** Payment shall be made for occupational therapy services when the services relate directly to an active written treatment plan, follow a treatment plan established by the physician, are reasonable and necessary to the treatment of the patient's illness or injury, and meet the guidelines defined for restorative, maintenance, or trial therapy as set forth in subrule 78.19(1), paragraphs "a" and "c."

For occupational therapy services, the treatment plan shall additionally reflect goals, modalities of treatment, date of onset of conditions being treated, restorative potential, and progress notes.

**78.9(6) *Speech therapy services.*** Payment shall be made for speech therapy services when the services relate directly to an active written treatment plan, follow a treatment plan established by the physician, are reasonable and necessary to the treatment of the patient's illness or injury, and meet the guidelines defined for restorative, maintenance, or trial therapy as set forth in subrule 78.19(1), paragraphs "a" and "d."

For speech therapy services, the treatment plan shall additionally reflect goals, modalities of treatment, date of onset of conditions being treated, restorative potential, and progress notes.

**78.9(7) *Home health aide services.*** Payment shall be made for unskilled services provided by a home health aide if the following conditions are met:

*a.* The service as well as the frequency and duration are stated in a written plan of treatment established by a physician. The home health agency is encouraged to collaborate with the member, or in the case of a child with the child's caregiver, in the development and implementation of the plan of treatment.

*b.* The member requires personal care services as determined by a registered nurse or other appropriate therapist. The services shall be given under the supervision of a registered nurse, physical, speech, or occupational therapist and the registered nurse or therapist shall assign the aide who will provide the care.

*c.* Services shall be provided on an intermittent basis. "Intermittent basis" for home health agency services is defined as services that are usually two to three times a week for two to three hours at a time. Services provided for four to seven days per week, not to exceed 28 hours per week, when ordered by a physician and included in a plan of care shall be allowed as intermittent services. Increased services provided when medically necessary due to unusual circumstances on a short-term basis of two to three weeks may also be allowed as intermittent services when the home health agency documents the need for the excessive time required for home health aide services.

Home health aide daily care may be provided for persons employed or attending school whose disabling conditions require the persons to be assisted with morning and evening activities of daily living in order to support their independent living.

Personal care services include the activities of daily living, e.g., helping the member to bathe, get in and out of bed, care for hair and teeth, exercise, and take medications specifically ordered by the physician, but ordinarily self-administered, and retraining the member in necessary self-help skills.

Certain household services may be performed by the aide in order to prevent or postpone the member's institutionalization when the primary need of the member for home health aide services furnished is for personal care. If household services are incidental and do not substantially increase the time spent by the aide in the home, the entire visit is considered a covered service. Domestic or housekeeping services which are not related to patient care are not a covered service if personal care is not rendered during the visit.

For home health aide services, the treatment plan shall additionally reflect the number of hours per visit and the living arrangement of the member, e.g., lives alone or with family.

**78.9(8) Medical social services.**

a. Payment shall be made for medical social work services when all of the following conditions are met and the problems are not responding to medical treatment and there does not appear to be a medical reason for the lack of response. The services:

- (1) Are reasonable and necessary to the treatment of a member's illness or injury.
- (2) Contribute meaningfully to the treatment of the member's condition.
- (3) Are under the direction of a physician.
- (4) Are provided by or under the supervision of a qualified medical or psychiatric social worker.
- (5) Address social problems that are impeding the member's recovery.

b. Medical social services directed toward minimizing the problems an illness may create for the member and family, e.g., encouraging them to air their concerns and providing them with reassurance, are not considered reasonable and necessary to the treatment of the patient's illness or injury.

**78.9(9) Home health agency care for maternity patients and children.** The intent of home health agency services for maternity patients and children shall be to provide services when the members are unable to receive the care outside of their home and require home health care due to a high-risk factor. Routine prenatal, postpartum, or child health care is a covered service in a physician's office or clinic and, therefore, is not covered by Medicaid when provided by a home health agency.

a. Treatment plans for maternity patients and children shall identify:

- (1) The potential risk factors,
- (2) The medical factor or symptom which verifies the child is at risk,
- (3) The reason the member is unable to obtain care outside of the home,
- (4) The medically related task of the home health agency,
- (5) The member's diagnosis,
- (6) Specific services and goals, and
- (7) The medical necessity for the services to be rendered. A single high-risk factor does not provide

sufficient documentation of the need for services.

b. The following list of potential high-risk factors may indicate a need for home health services to prenatal maternity patients:

- (1) Aged 16 or under.
- (2) First pregnancy for a woman aged 35 or over.
- (3) Previous history of prenatal complications such as fetal death, eclampsia, C-section delivery, psychosis, or diabetes.
- (4) Current prenatal problems such as hypertensive disorders of pregnancy, diabetes, cardiac disease, sickle cell anemia, low hemoglobin, mental illness, or drug or alcohol abuse.
- (5) Sociocultural or ethnic problems such as language barriers, lack of family support, insufficient dietary practices, history of child abuse or neglect, or single mother.
- (6) Preexisting disabilities such as sensory deficits, or mental or physical disabilities.
- (7) Second pregnancy in 12 months.

(8) Death of a close family member or significant other within the previous year.

c. The following list of potential high-risk factors may indicate a need for home health services to postpartum maternity patients:

(1) Aged 16 or under.

(2) First pregnancy for a woman aged 35 or over.

(3) Major postpartum complications such as severe hemorrhage, eclampsia, or C-section delivery.

(4) Preexisting mental or physical disabilities such as deaf, blind, hemaplegic, activity-limiting disease, sickle cell anemia, uncontrolled hypertension, uncontrolled diabetes, mental illness, or mental retardation.

(5) Drug or alcohol abuse.

(6) Symptoms of postpartum psychosis.

(7) Special sociocultural or ethnic problems such as lack of job, family problems, single mother, lack of support system, or history of child abuse or neglect.

(8) Demonstrated disturbance in maternal and infant bonding.

(9) Discharge or release from hospital against medical advice before 36 hours postpartum.

(10) Insufficient antepartum care by history.

(11) Multiple births.

(12) Nonhospital delivery.

d. The following list of potential high-risk factors may indicate a need for home health services to infants:

(1) Birth weight of five pounds or under or over ten pounds.

(2) History of severe respiratory distress.

(3) Major congenital anomalies such as neonatal complications which necessitate planning for long-term follow-up such as postsurgical care, poor prognosis, home stimulation activities, or periodic development evaluation.

(4) Disabling birth injuries.

(5) Extended hospitalization and separation from other family members.

(6) Genetic disorders, such as Down's syndrome, and phenylketonuria or other metabolic conditions that may lead to mental retardation.

(7) Noted parental rejection or indifference toward baby such as never visiting or calling the hospital about the baby's condition during the infant's extended stay.

(8) Family sociocultural or ethnic problems such as low education level or lack of knowledge of child care.

(9) Discharge or release against medical advice before 36 hours of age.

(10) Nutrition or feeding problems.

e. The following list of potential high-risk factors may indicate a need for home health services to preschool or school-age children:

(1) Child or sibling victim of child abuse or neglect.

(2) Mental retardation or other physical disabilities necessitating long-term follow-up or major readjustments in family lifestyle.

(3) Failure to complete the basic series of immunizations by 18 months, or boosters by 6 years.

(4) Chronic illness such as asthma, cardiac, respiratory or renal disease, diabetes, cystic fibrosis, or muscular dystrophy.

(5) Malignancies such as leukemia or carcinoma.

(6) Severe injuries necessitating treatment or rehabilitation.

(7) Disruption in family or peer relationships.

(8) Suspected developmental delay.

(9) Nutritional deficiencies.

**78.9(10) Private duty nursing or personal care services for persons aged 20 and under.** Payment for private duty nursing or personal care services for persons aged 20 and under shall be approved if determined to be medically necessary. Payment shall be made on an hourly unit of service.

a. Definitions.

(1) Private duty nursing services are those services which are provided by a registered nurse or a licensed practical nurse under the direction of the member's physician to a member in the member's place of residence or outside the member's residence, when normal life activities take the member outside the place of residence. Place of residence does not include nursing facilities, intermediate care facilities for the mentally retarded, or hospitals.

Services shall be provided according to a written plan of care authorized by a licensed physician. The home health agency is encouraged to collaborate with the member, or in the case of a child with the child's caregiver, in the development and implementation of the plan of treatment. These services shall exceed intermittent guidelines as defined in subrule 78.9(3). Private duty nursing and personal care services shall be inclusive of all home health agency services personally provided to the member. Enhanced payment under the interim fee schedule shall be made available for services to children who are technology dependent, i.e., ventilator dependent or whose medical condition is so unstable as to otherwise require intensive care in a hospital.

Private duty nursing or personal care services do not include:

1. Respite care, which is a temporary intermission or period of rest for the caregiver.
2. Nurse supervision services including chart review, case discussion or scheduling by a registered nurse.
3. Services provided to other persons in the member's household.
4. Services requiring prior authorization that are provided without regard to the prior authorization process.
5. Transportation services.
6. Homework assistance.

(2) Personal care services are those services provided by a home health aide or certified nurse's aide and which are delegated and supervised by a registered nurse under the direction of the member's physician to a member in the member's place of residence or outside the member's residence, when normal life activities take the member outside the place of residence. Place of residence does not include nursing facilities, intermediate care facilities for the mentally retarded, or hospitals. Payment for personal care services for persons aged 20 and under that exceed intermittent guidelines may be approved if determined to be medically necessary as defined in subrule 78.9(7). These services shall be in accordance with the member's plan of care and authorized by a physician. The home health agency is encouraged to collaborate with the member, or in the case of a child with the child's caregiver, in the development and implementation of the plan of treatment.

Medical necessity means the service is reasonably calculated to prevent, diagnose, correct, cure, alleviate or prevent the worsening of conditions that endanger life, cause pain, result in illness or infirmity, threaten to cause or aggravate a disability or chronic illness, and no other equally effective course of treatment is available or suitable for the member requesting a service.

*b.* Requirements.

(1) Private duty nursing or personal care services shall be ordered in writing by a physician as evidenced by the physician's signature on the plan of care.

(2) Private duty nursing or personal care services shall be authorized by the department or the department's designated review agent prior to payment.

(3) Prior authorization shall be requested at the time of initial submission of the plan of care or at any time the plan of care is substantially amended and shall be renewed with the department or the department's designated review agent. Initial request for and request for renewal of prior authorization shall be submitted to the department's designated review agent. The provider of the service is responsible for requesting prior authorization and for obtaining renewal of prior authorization.

The request for prior authorization shall include a nursing assessment, the plan of care, and supporting documentation. The request for prior authorization shall include all items previously identified as required treatment plan information and shall further include: any planned surgical interventions and projected time frame; information regarding caregiver's desire to become involved in the member's care, to adhere to program objectives, to work toward treatment plan goals, and to work toward maximum independence; and identify the types and service delivery levels of all other services

to the member whether or not the services are reimbursable by Medicaid. Providers shall indicate the expected number of private duty nursing RN hours, private duty nursing LPN hours, or home health aide hours per day, the number of days per week, and the number of weeks or months of service per discipline. If the member is currently hospitalized, the projected date of discharge shall be included.

Prior authorization approvals shall not be granted for treatment plans that exceed 16 hours of home health agency services per day. (Cross-reference 78.28(9))

**78.9(11) Vaccines.** Home health agencies which wish to administer vaccines which are available through the Vaccines for Children program to Medicaid members shall enroll in the Vaccines for Children program. In lieu of payment, vaccines available through the Vaccines for Children program shall be accessed from the department of public health for Medicaid members. Home health agencies may provide Vaccines for Children clinics and be reimbursed for vaccine administration to provide Vaccines for Children program vaccines to Medicaid children in other than the home setting.

This rule is intended to implement Iowa Code section 249A.4.  
[ARC 7548B, IAB 2/11/09, effective 4/1/09; ARC 9315B, IAB 12/29/10, effective 2/2/11]

**441—78.10(249A) Durable medical equipment (DME), prosthetic devices and medical supplies.**

**78.10(1) General payment requirements.** Payment will be made for items of DME, prosthetic devices and medical supplies, subject to the following general requirements and the requirements of subrule 78.10(2), 78.10(3), or 78.10(4), as applicable:

*a.* DME, prosthetic devices, and medical supplies must be required by the member because of the member's medical condition.

*b.* The item shall be necessary and reasonable either for the treatment of an illness or injury, or to improve the functioning of a malformed body part. Determination will be made by the Iowa Medicaid enterprise medical services unit.

(1) An item is necessary when it can be expected to make a meaningful contribution to the treatment of a specific illness or injury or to the improvement in function of a malformed body part.

(2) Although an item may be necessary, it must also be a reasonable expenditure for the Medicaid program. The following considerations enter into the determination of reasonableness: Whether the expense of the item to the program would be clearly disproportionate to the therapeutic benefits which could ordinarily be derived from use of the item; whether the item would be substantially more costly than a medically appropriate and realistically feasible alternative pattern of care; and whether the item serves essentially the same purpose as an item already available to the beneficiary.

*c.* A physician's (doctor of medicine, osteopathy, or podiatry), physician assistant's, or advanced registered nurse practitioner's prescription is required to establish medical necessity. The prescription shall state the diagnosis, prognosis, and length of time the item is to be required.

For items requiring prior approval, a request shall include a physician's, physician assistant's, or advanced registered nurse practitioner's written order or prescription and sufficient medical documentation to permit an independent conclusion that the requirements for the equipment or device are met and the item is medically necessary and reasonable. A request for prior approval is made on Form 470-0829, Request for Prior Authorization. See rule 441—78.28(249A) for prior approval requirements.

*d.* Nonmedical items will not be covered. These include but are not limited to:

- (1) Physical fitness equipment, e.g., an exercycle, weights.
- (2) First-aid or precautionary-type equipment, e.g., preset portable oxygen units.
- (3) Self-help devices, e.g., safety grab bars, raised toilet seats.
- (4) Training equipment, e.g., speech teaching machines, braille training texts.
- (5) Equipment used for environmental control or to enhance the environmental setting, e.g., room heaters, air conditioners, humidifiers, dehumidifiers, and electric air cleaners.

(6) Equipment which basically serves comfort or convenience functions, or is primarily for the convenience of a person caring for the patient, e.g., elevators, stairway elevators and posture chairs.

*e.* The amount payable is based on the least expensive item which meets the patient's medical needs. Payment will not be approved for duplicate items.

*f.* Consideration will be given to rental or purchase based on the price of the item and the length of time it would be required. The decision on rental or purchase shall be made by the Iowa Medicaid enterprise, and be based on the most reasonable method to provide the equipment.

(1) The provider shall monitor rental payments up to 100 percent of the purchase price. At the point that total rent paid equals 100 percent of the purchase allowance, the member will be considered to own the item and no further rental payments will be made to the provider.

(2) Payment may be made for the purchase of an item even though rental payments may have been made for prior months. The rental of the equipment may be necessary for a period of time to establish that it will meet the identified need before the purchase of the equipment. When a decision is made to purchase after renting an item, all of the rental payments will be applied to the purchase allowance.

(3) EXCEPTION: Ventilators will be maintained on a rental basis for the duration of use.

*g.* Payment may be made for necessary repair, maintenance, and supplies for member-owned equipment. No payment may be made for repairs, maintenance, or supplies when the member is renting the item.

*h.* Replacement of member-owned equipment is covered in cases of loss or irreparable damage or when required because of a change in the member's condition.

*i.* No allowance will be made for delivery, freight, postage, or other provider operating expenses for DME, prosthetic devices or medical supplies.

**78.10(2) Durable medical equipment.** DME is equipment which can withstand repeated use, is primarily and customarily used to serve a medical purpose, is generally not useful to a person in the absence of an illness or injury, and is appropriate for use in the home.

*a.* Durable medical equipment will not be provided in a hospital, nursing facility, or intermediate care facility for persons with mental retardation. EXCEPTION: Medicaid will provide payment to medical equipment and supply dealers to provide oxygen services in a nursing facility or an intermediate care facility for persons with mental retardation when all of the following requirements and conditions have been met:

(1) A physician's, physician assistant's, or advanced registered nurse practitioner's prescription documents that the member has significant hypoxemia as defined by Medicare and evidenced by supporting medical documentation and the member requires oxygen for 12 hours or more per day for at least 30 days. Oxygen prescribed "PRN" or "as necessary" is not allowed. The documentation maintained in the provider record must contain the following:

1. The number of hours oxygen is required per day;
2. The diagnosis of the disease requiring continuous oxygen, prognosis, and length of time the oxygen will be needed;
3. The oxygen flow rate and concentration; the type of system ordered, i.e., cylinder gas, liquid gas, or concentrator;
4. A specific estimate of the frequency and duration of use; and
5. The initial reading on the time meter clock on each concentrator, where applicable.

(2) The maximum Medicaid payment shall be based on the least costly method of oxygen delivery.

(3) Medicaid payment shall be made for the rental of equipment only. All accessories and disposable supplies related to the oxygen delivery system, servicing and repairing of equipment are included in the Medicaid payment.

(4) Oxygen logs must be maintained by the provider. When random postpayment review of these logs indicates less than an average of 12 hours per day of oxygen was provided over a 30-day period, recoupment of the overpayment may occur.

(5) Payment will be made for only one mode of oxygen even if the physician's, physician assistant's, or advanced registered nurse practitioner's prescription allows for multiple modes of delivery.

(6) Payment will not be made for oxygen that is not documented according to department of inspections and appeals 481—subrule 58.21(8).

*b.* Only the following types of durable medical equipment can be covered through the Medicaid program:

Alternating pressure pump.  
Automated medication dispenser. See 78.10(2) “d” for prior authorization requirements.  
Bedpan.  
Blood glucose monitors, subject to the limitation in 78.10(2) “e.”  
Blood pressure cuffs.  
Cane.  
Cardiorespiratory monitor (rental and supplies).  
Commode.  
Commode pail.  
Crutches.  
Decubitus equipment.  
Dialysis equipment.  
Diaphragm (contraceptive device).  
Enclosed bed. See 78.10(2) “d” for prior authorization requirements.  
Enuresis alarm system (bed-wetting alarm device) for members five years of age or older.  
Hospital bed.  
Hospital bed accessories.  
Inhalation equipment.  
Insulin infusion pump. See 78.10(2) “d” for prior authorization requirements.  
Lymphedema pump.  
Neuromuscular stimulator.  
Oximeter.  
Oxygen, subject to the limitations in 78.10(2) “a” and 78.10(2) “c.”  
Patient lift (Hoyer).  
Phototherapy bilirubin light.  
Pressure unit.  
Protective helmet.  
Respirator.  
Resuscitator bags and pressure gauge.  
Seat lift chair.  
Suction machine.  
Traction equipment.  
Urinal (portable).  
Vaporizer.  
Ventilator.  
Vest airway clearance system. See 78.10(2) “d” for prior authorization requirements.  
Walker.  
Wheelchair—standard and adaptive.  
Whirlpool bath.

*c.* Coverage of home oxygen equipment and oxygen will be considered reasonable and necessary only for members with significant hypoxemia as defined by Medicare and shown by supporting medical documentation. The physician’s, physician assistant’s, or advanced registered nurse practitioner’s prescription shall document that other forms of treatment are contraindicated or have been tried and have not been successful and that oxygen therapy is required. EXCEPTION: Home oxygen equipment and oxygen are covered for children through three years of age when prescribed by a physician, physician assistant or advanced registered nurse practitioner. A pulse oximeter reading must be obtained at one year of age and at two years of age and documented in the provider record.

(1) To identify the medical necessity for oxygen therapy, the supplier and a physician, physician assistant, or advanced registered nurse practitioner shall jointly submit Medicare Form B-7401, Physician’s Certification for Durable Medical Equipment, or a reasonable facsimile. The following information is required:

1. A diagnosis of the disease requiring home use of oxygen;

2. The oxygen flow rate and concentration;
3. The type of system ordered, i.e., cylinder gas, liquid gas, or concentrator;
4. A specific estimate of the frequency and duration of use; and
5. The initial reading on the time meter clock on each concentrator, where applicable.

Oxygen prescribed "PRN" or "as necessary" is not allowed.

(2) If the patient's condition or need for oxygen services changes, the attending physician, physician assistant, or advanced registered nurse practitioner must adjust the documentation accordingly.

(3) A second oxygen system is not covered by Medicaid when used as a backup for oxygen concentrators or as a standby in case of emergency. Members may be provided with a portable oxygen system to complement a stationary oxygen system, or to be used by itself, with documentation from the physician (doctor of medicine or osteopathy), physician assistant, or advanced registered nurse practitioner of the medical necessity for portable oxygen for specific activities.

(4) Payment for concentrators shall be made only on a rental basis.

(5) All accessories, disposable supplies, servicing, and repairing of concentrators are included in the monthly Medicaid payment for concentrators.

*d.* Prior authorization is required for the following medical equipment and supplies (Cross-reference 78.28(1)):

(1) Enclosed beds. Payment for an enclosed bed will be approved when prescribed for a patient who meets all of the following conditions:

1. The patient has a diagnosis-related cognitive or communication impairment that results in risk to safety.

2. The patient's mobility puts the patient at risk for injury.

3. The patient has suffered injuries when getting out of bed.

(2) External insulin infusion pumps. Payment will be approved according to Medicare coverage criteria.

(3) Vest airway clearance systems. Payment will be approved for a vest airway clearance system when prescribed by a pulmonologist for a patient with a diagnosis of a lung disorder if all of the following conditions are met:

1. Pulmonary function tests for the 12 months before the initiation of the vest demonstrate an overall significant decrease of lung function.

2. The patient resides in an independent living situation or has a medical condition that precludes the caregiver from administering traditional chest physiotherapy.

3. Treatment by flutter device failed or is contraindicated.

4. Treatment by intrapulmonary percussive ventilation failed or is contraindicated.

5. All other less costly alternatives have been tried.

(4) Automated medication dispenser. Payment will be approved for an automated medication dispenser when prescribed for a member who meets all of the following conditions:

1. The member has a diagnosis indicative of cognitive impairment or age-related factors that affect the member's ability to remember to take medications.

2. The member is on two or more medications prescribed to be administered more than one time a day.

3. The availability of a caregiver to administer the medications or perform setup is limited or nonexistent.

4. Less costly alternatives, such as medisets or telephone reminders, have failed.

(5) Blood glucose monitors and diabetic test strips produced by a manufacturer that does not have a current agreement to provide a rebate to the department for monitors or test strips provided through the Medicaid program. Prior approval shall be granted when the member's medical condition necessitates use of a blood glucose monitor or diabetic test strips produced by a manufacturer that does not have a current rebate agreement with the department.

*e.* Blood glucose monitors are covered through the Medicaid program only if:

(1) The monitor is produced by a manufacturer that has a current agreement to provide a rebate to the department for monitors provided through the Medicaid program; or

(2) Prior authorization based on medical necessity is received pursuant to rule 441—79.8(249A) for a monitor produced by a manufacturer that does not have a current rebate agreement with the department.

**78.10(3) Prosthetic devices.** Prosthetic devices mean replacement, corrective, or supportive devices prescribed by a physician (doctor of medicine, osteopathy or podiatry), physician assistant, or advanced registered nurse practitioner within the scope of practice as defined by state law to artificially replace a missing portion of the body, prevent or correct a physical deformity or malfunction, or support a weak or deformed portion of the body. This does not require a determination that there is no possibility that the patient's condition may improve sometime in the future.

*a.* Prosthetic devices are not covered when dispensed to a patient prior to the time the patient undergoes a procedure which will make necessary the use of the device.

*b.* Only the following types of prosthetic devices shall be covered through the Medicaid program:

(1) Artificial eyes.

(2) Artificial limbs.

(3) Augmentative communications systems provided for members unable to communicate their basic needs through oral speech or manual sign language. Payment will be made for the most cost-effective item that meets basic communication needs commensurate with the member's cognitive and language abilities. See 78.10(3) "c" for prior approval requirements.

(4) Enteral delivery supplies and products. See 78.10(3) "c" for prior approval requirements.

(5) Hearing aids. See rule 441—78.14(249A).

(6) Oral nutritional products. See 78.10(3) "c" for prior approval requirements. Nutritional products consumed orally are not covered for members in nursing facilities or intermediate care facilities for the mentally retarded.

(7) Orthotic devices. See 78.10(3) "d" for limitations on coverage of cranial orthotic devices.

(8) Ostomy appliances.

(9) Parenteral delivery supplies and products. Daily parenteral nutrition therapy is considered necessary and reasonable for a member with severe pathology of the alimentary tract that does not allow absorption of sufficient nutrients to maintain weight and strength commensurate with the member's general condition.

(10) Prosthetic shoes. See rule 441—78.15(249A).

(11) Tracheotomy tubes.

(12) Vibrotactile aids. Vibrotactile aids are payable only once in a four-year period unless the original aid is broken beyond repair or lost. (Cross-reference 78.28(4))

*c.* Prior approval is required for the following prosthetic devices:

(1) Augmentative communication systems. Form 470-2145, Augmentative Communication System Selection, completed by a speech pathologist and a physician's, physician assistant's, or advanced registered nurse practitioner's prescription for a particular device shall be submitted to the Iowa Medicaid enterprise medical services unit to request prior approval. Information requested on the prior approval form includes a medical history, diagnosis, and prognosis completed by a physician, physician assistant, or advanced registered nurse practitioner. In addition, a speech or language pathologist needs to describe current functional abilities in the following areas: communication skills, motor status, sensory status, cognitive status, social and emotional status, and language status. Also needed from the speech or language pathologist is information on educational ability and needs, vocational potential, anticipated duration of need, prognosis regarding oral communication skills, prognosis with a particular device, and recommendations. The department's consultants with expertise in speech pathology will evaluate the prior approval requests and make recommendations to the department. (Cross-reference 78.28(1) "c")

(2) Enteral products and enteral delivery pumps and supplies. Daily enteral nutrition therapy shall be approved as medically necessary only for a member who either has a metabolic or digestive disorder that prevents the member from obtaining the necessary nutritional value from usual foods in any form and cannot be managed by avoidance of certain food products or has a severe pathology of the body that does not allow ingestion or absorption of sufficient nutrients from regular food to maintain weight and strength commensurate with the member's general condition.

A request for prior approval shall include a physician's, physician assistant's, or advanced registered nurse practitioner's written order or prescription and documentation to establish the medical necessity for enteral products and enteral delivery pumps and supplies pursuant to the above standards. The documentation shall include:

1. A statement of the member's total medical condition that includes a description of the member's metabolic or digestive disorder or pathology.
2. Documentation of the medical necessity for commercially prepared products. The information submitted must identify other methods attempted to support the member's nutritional status and indicate that the member's nutritional needs were not or could not be met by regular food in pureed form.
3. Documentation of the medical necessity for an enteral pump, if the request includes an enteral pump. The information submitted must identify the medical reasons for not using a gravity feeding set.

Examples of conditions that will not justify approval of enteral nutrition therapy are: weight-loss diets, wired-shut jaws, diabetic diets, milk or food allergies (unless the member is under five years of age and coverage through the Women, Infant and Children's program is not available), and the use of enteral products for convenience reasons when regular food in pureed form would meet the medical need of the member.

Basis of payment for nutritional therapy supplies shall be the least expensive method of delivery that is reasonable and medically necessary based on the documentation submitted.

(3) Oral nutritional products. Payment for oral nutritional products shall be approved as medically necessary only when the member is not able to ingest or absorb sufficient nutrients from regular food due to a metabolic, digestive, or psychological disorder or pathology, to the extent that supplementation is necessary to provide 51 percent or more of the daily caloric intake, or when the use of oral nutritional products is otherwise determined medically necessary in accordance with evidence-based guidelines for treatment of the member's condition. Nutritional products consumed orally are not covered for members in nursing facilities or intermediate care facilities for the mentally retarded. A request for prior approval shall include a physician's, physician assistant's, or advanced registered nurse practitioner's written order or prescription and documentation to establish the medical necessity for oral supplementation pursuant to these standards. The documentation shall include:

1. A statement of the member's total medical condition that includes a description of the member's metabolic, digestive, or psychological disorder or pathology.
2. Documentation of the medical necessity for commercially prepared products. The information submitted must identify other methods attempted to support the member's nutritional status and indicate that the member's nutritional needs were not or could not be met by regular food in pureed form.
3. Documentation to support the fact that regular foods will not provide sufficient nutritional value to the member. Examples of conditions that will not justify approval of oral supplementation are: weight-loss diets, wired-shut jaws, diabetic diets, milk or food allergies (unless the member is under five years of age and coverage through the Women, Infant and Children's program is not available), supplementation to boost calorie or protein intake by less than 51 percent of the daily intake, and the absence of severe pathology of the body or psychological pathology or disorder.

*d.* Cranial orthotic device. Payment shall be approved for cranial orthotic devices when the device is medically necessary for the postsurgical treatment of synostotic plagiocephaly. Payment shall also be approved when there is photographic evidence supporting moderate to severe nonsynostotic positional plagiocephaly and either:

- (1) The member is between 3 and 5 months of age and has failed to respond to a two-month trial of repositioning therapy; or
- (2) The member is between 6 and 18 months of age and there is documentation of either of the following conditions:
  1. Cephalic index at least two standard deviations above the mean for the member's gender and age; or
  2. Asymmetry of 12 millimeters or more in the cranial vault, skull base, or orbitotragial depth.

**78.10(4) Medical supplies.** Medical supplies are nondurable items consumed in the process of giving medical care, for example, nebulizers, gauze, bandages, sterile pads, adhesive tape, and sterile absorbent

cotton. Medical supplies are payable for a specific medicinal purpose. This does not include food or drugs. However, active pharmaceutical ingredients and excipients that are identified as preferred on the preferred drug list published by the department pursuant to Iowa Code section 249A.20A are covered. Medical supplies shall not be dispensed at any one time in quantities exceeding a 31-day supply for active pharmaceutical ingredients and excipients or a three-month supply for all other items. After the initial dispensing of medical supplies, the provider must document a refill request from the Medicaid member or the member's caregiver for each refill.

*a.* Only the following types of medical supplies and supplies necessary for the effective use of a payable item can be purchased through the medical assistance program:

Active pharmaceutical ingredients and excipients identified as preferred on the preferred drug list published pursuant to Iowa Code section 249A.20A.

Catheter (indwelling Foley).

Colostomy and ileostomy appliances.

Colostomy and ileostomy care dressings, liquid adhesive, and adhesive tape.

Diabetic blood glucose test strips, subject to the limitation in 78.10(4) "c."

Diabetic supplies, other than blood glucose test strips (needles, syringes, and diabetic urine test supplies).

Dialysis supplies.

Diapers (for members aged four and above).

Disposable catheterization trays or sets (sterile).

Disposable irrigation trays or sets (sterile).

Disposable saline enemas (e.g., sodium phosphate type).

Disposable underpads.

Dressings.

Elastic antiembolism support stocking.

Enema.

Hearing aid batteries.

Respirator supplies.

Surgical supplies.

Urinary collection supplies.

*b.* Only the following types of medical supplies will be approved for payment for members receiving care in a nursing facility or an intermediate care facility for the mentally retarded when prescribed by the physician, physician assistant, or advanced registered nurse practitioner:

Catheter (indwelling Foley).

Colostomy and ileostomy appliances.

Colostomy and ileostomy care dressings, liquid adhesive and adhesive tape.

Diabetic supplies (needles and syringes, blood glucose test strips and diabetic urine test supplies).

Disposable catheterization trays or sets (sterile).

Disposable irrigation trays or sets (sterile).

Disposable saline enemas (e.g., sodium phosphate type).

*c.* Diabetic blood glucose test strips are covered through the Medicaid program only if:

(1) The strips are produced by a manufacturer that has a current agreement to provide a rebate to the department for test strips provided through the Medicaid program, or

(2) Prior authorization is received pursuant to rule 441—79.8(249A) for test strips produced by a manufacturer that does not have a current rebate agreement with the department, based on medical necessity.

This rule is intended to implement Iowa Code sections 249A.3, 249A.4 and 249A.12.

[ARC 7548B, IAB 2/11/09, effective 4/1/09; ARC 8344B, IAB 12/2/09, effective 12/1/09; ARC 8643B, IAB 4/7/10, effective 3/11/10; ARC 8714B, IAB 5/5/10, effective 5/1/10; ARC 8993B, IAB 8/11/10, effective 10/1/10; ARC 9256B, IAB 12/1/10, effective 1/1/11]

**441—78.11(249A) Ambulance service.** Payment will be approved for ambulance service if it is required by the recipient's condition and the recipient is transported to the nearest hospital with appropriate

facilities or to one in the same locality, from one hospital to another, to the patient's home or to a nursing facility. Payment for ambulance service to the nearest hospital for outpatient service will be approved only for emergency treatment. Ambulance service must be medically necessary and not merely for the convenience of the patient.

**78.11(1)** Partial payment may be made when an individual is transported beyond the destinations specified, and is limited to the amount that would have been paid had the individual been transported to the nearest institution with appropriate facilities. When transportation is to the patient's home, partial payment is limited to the amount that would have been paid from the nearest institution with appropriate facilities. When a recipient who is a resident of a nursing care facility is hospitalized and later discharged from the hospital, payment will be made for the trip to the nursing care facility where the recipient resides even though it may not in fact be the nearest nursing care facility.

**78.11(2)** The Iowa Medicaid enterprise medical services unit shall determine that the ambulance transportation was medically necessary and that the condition of the patient precluded any other method of transportation. Payment can be made without the physician's confirmation when:

- a. The individual is admitted as a hospital inpatient or in an emergency situation.
- b. Previous information on file relating to the patient's condition clearly indicates ambulance service was necessary.

**78.11(3)** When a patient is transferred from one nursing home to another because of the closing of a facility or from a nursing home to a custodial home because the recipient no longer requires nursing care, the conditions of medical necessity and the distance requirements shall not be applicable. Approval for transfer shall be made by the local office of the department of human services prior to the transfer. When such a transfer is made, the following rate schedule shall apply:

- One patient - normal allowance
- Two patients - 3/4 normal allowance per patient
- Three patients - 2/3 normal allowance per patient
- Four patients - 5/8 normal allowance per patient

**78.11(4)** Transportation of hospital inpatients. When an ambulance service provides transport of a hospital inpatient to a provider and returns the recipient to the same hospital (the recipient continuing to be an inpatient of the hospital), the ambulance service shall bill the hospital for reimbursement as the hospital's DRG reimbursement system includes all costs associated with providing inpatient services as stated in 79.1(5) "j."

**78.11(5)** In the event that more than one ambulance service is called to provide ground ambulance transport, payment shall be made only to one ambulance company. When a paramedic from one ambulance service joins a ground ambulance company already in transport, coverage is not available for the services and supplies provided by the paramedic.

This rule is intended to implement Iowa Code section 249A.4.

**441—78.12(249A) Remedial services.** Payment will be made for remedial services not otherwise covered under this chapter that are designed to minimize or, if possible, eliminate the symptoms or causes of a psychological disorder, subject to the limitations in this rule.

**78.12(1) Covered services.** Medicaid covers the following remedial services:

a. Community psychiatric supportive treatment, which offers intensive interventions to modify psychological, behavioral, emotional, cognitive, and social factors affecting a member's functioning when less intensive remedial services do not meet the member's needs.

(1) Interventions must focus on the member's remedial needs to minimize or eliminate psychological barriers to a member's ability to effectively manage symptoms associated with a psychological disorder in an age-appropriate manner.

(2) Interventions may assist the member in skills such as conflict resolution, problem solving, social skills, interpersonal relationship skills, and communication.

(3) Community psychiatric supportive treatment is covered only for Medicaid members who are aged 20 or under.

(4) Community psychiatric supportive treatment is not intended for members in congregate care.

- (5) Community psychiatric supportive treatment is not intended to be provided in a group.
  - b. Crisis intervention to de-escalate situations in which a risk to self, others, or property exists.
    - (1) Services shall assist a member to regain self-control and reestablish effective management of behavioral symptoms associated with a psychological disorder in an age-appropriate manner.
    - (2) Crisis intervention is covered only for Medicaid members who are aged 20 or under and shall be provided as outlined in a written treatment plan.
      - c. Health or behavior intervention, used to modify the psychological, behavioral, emotional, cognitive, and social factors affecting a member's functioning.
        - (1) Interventions may address the following skills for effective functioning with family, peers, and community: conflict resolution skills, problem-solving skills, social skills, interpersonal relationship skills, and communication skills.
        - (2) The purpose of intervention shall be to minimize or eliminate psychological barriers to the member's ability to effectively manage symptoms associated with a psychological disorder in an age-appropriate manner.
        - (3) Health or behavior intervention is covered only for Medicaid members aged 20 or under.
        - d. Rehabilitation program, which consists of interventions to enhance a member's independent living, social, and communication skills; to minimize or eliminate psychological barriers to a member's ability to effectively manage symptoms associated with a psychological disorder; and to maximize the member's ability to live and participate in the community.
          - (1) Interventions may address the following skills for effective functioning with family, peers, and community: communication skills, conflict resolution skills, problem-solving skills, social skills, interpersonal relationship skills, and employment-related skills.
          - (2) Rehabilitation program services are covered only for Medicaid members who are aged 18 or over.
          - e. Skills training and development, which consists of interventions to enhance independent living, social, and communication skills; to minimize or eliminate psychological barriers to a member's ability to effectively manage symptoms associated with a psychological disorder; and to maximize a member's ability to live and participate in the community.
            - (1) Interventions may include the following skills for effective functioning with family, peers, and community: communication skills, conflict resolution skills, problem-solving skills, social skills, interpersonal relationship skills, and employment-related skills.
            - (2) Skills training and development services are covered only for Medicaid members aged 18 or over.

**78.12(2) Excluded services.** Services that are habilitative in nature are not covered as remedial services. For purposes of this subrule, "habilitative services" means services that are designed to assist individuals in acquiring skills that they never had, as well as associated training to acquire self-help, socialization, and adaptive skills necessary to reside successfully in a home or community setting.

**78.12(3) Coverage requirements.** Medicaid covers remedial services only when the following conditions are met:

  - a. A licensed practitioner of the healing arts acting within the practitioner's scope of practice under state law has diagnosed the member with a psychological disorder. For example, licensed practitioners of the healing arts include physicians (M.D. or D.O.), advanced registered nurse practitioners (ARNP), psychologists (Ph.D. or Psy.D.), independent social workers (LISW), marital and family therapists (LMFT), and mental health counselors (LMHC). For purposes of this rule, the licensed practitioner of the healing arts must be:
    - (1) Enrolled in the Iowa Plan pursuant to 441—Chapter 88, Division IV; and
    - (2) Qualified to provide clinical assessment services under the Iowa Plan pursuant to 441—Chapter 88, Division IV (Current Procedural Terminology code 90801).
  - b. The licensed practitioner of the healing arts has recommended the remedial services as part of a plan of treatment designed to treat the member's psychological disorder. Diagnosis and treatment plan development provided in connection with this rule for members enrolled in the Iowa Plan are covered services under the Iowa Plan pursuant to 441—Chapter 88, Division IV.

c. For a member under the age of 21, the licensed practitioner of the healing arts:

(1) Has, in cooperation with the managed care contractor, selected a standardized assessment instrument appropriate for baseline measurement of the member's current skill level in managing mental health needs;

(2) Has completed an initial formal assessment of the member using the instrument selected; and

(3) Completes a formal assessment using the same instrument every six months thereafter if continued services are ordered.

d. The remedial services provider has prepared a written remedial services implementation plan that has been approved by:

(1) The member or the member's parent or guardian; and

(2) The medical services unit of the Iowa Medicaid enterprise.

**78.12(4) Approval of plan.** The remedial services provider shall submit the treatment plan, the results of the formal assessment, and the remedial services implementation plan to the Iowa Medicaid enterprise (IME) medical services unit for approval before providing the services.

a. *Initial plan.* The IME medical services unit shall approve the provider's initial remedial services implementation plan if:

(1) The plan conforms to the medical necessity requirements in subrule 78.12(3);

(2) The plan is consistent with the written diagnosis and treatment recommendations made by the licensed practitioner of the healing arts;

(3) The plan is sufficient in amount, duration, and scope to reasonably achieve its purpose;

(4) The provider can demonstrate that the provider possesses the skills and resources necessary to implement the plan, as required in rule 441—77.12(249A);

(5) The plan does not exceed six months' duration; and

(6) The plan requires that written progress notes be submitted no less often than every six weeks to the IME medical services unit.

b. *Subsequent plans.* The IME medical services unit may approve a subsequent remedial services implementation plan according to the conditions in paragraph "a" if the services are recommended by a licensed practitioner of the healing arts who has:

(1) Reexamined the member;

(2) Reviewed the original diagnosis and treatment plan;

(3) Evaluated the member's progress, including a formal assessment as required by 78.12(3) "c" (3); and

(4) Submitted the results of the formal assessment with the recommendation for continued services.

c. *Quality review.* The IME medical services unit will establish a quality review process. Reviews will evaluate:

(1) The time elapsed from referral to remedial plan development;

(2) The continuity of treatment;

(3) The affiliation of the licensed practitioner of the healing arts with the remedial services provider;

(4) Gaps in service;

(5) The results achieved; and

(6) Member satisfaction.

**78.12(5) Medical necessity.** Nothing in this rule shall be deemed to exempt coverage of remedial services from the requirement that services be medically necessary. "Medically necessary" means that the service is:

a. Consistent with the diagnosis and treatment of the member's condition;

b. Required to meet the medical needs of the member and is needed for reasons other than the convenience of the member or the member's caregiver;

c. The least costly type of service that can reasonably meet the medical needs of the member; and

d. In accordance with the standards of good medical practice. The standards of good practice for each field of medical and remedial care covered by the Iowa Medicaid program are those standards of good practice identified by:

(1) Knowledgeable Iowa clinicians practicing or teaching in the field; and

(2) The professional literature regarding best practices in the field.

This rule is intended to implement Iowa Code section 249A.4.

[ARC 8504B, IAB 2/10/10, effective 3/22/10]

**441—78.13(249A) Nonemergency medical transportation.** Nonemergency transportation to receive medical care, including any reimbursement of transportation expenses incurred by a Medicaid member, shall be provided through the broker designated by the department pursuant to a contract between the department and the broker, as specified in this rule.

**78.13(1) Member request.** When a member needs nonemergency transportation, one way or round trip, to receive medical care provided by the Medicaid program, including any reimbursement of transportation expenses incurred by the member, the member must contact the broker in advance. The broker shall establish and publicize the procedures for members to request transportation services. The broker is required to provide transportation within 72 hours of a request only if receipt of medical care within 72 hours is medically necessary.

**78.13(2) Necessary services.** Transportation shall be provided only when the member needs transportation to receive necessary services covered by the Iowa Medicaid program from an enrolled provider, including transportation needed to obtain prescribed drugs.

**78.13(3) Access to free transportation.** Transportation shall be provided only if the member does not have access to transportation that is available at no cost to the member, such as transportation provided by volunteers, relatives, friends, social service agencies, nursing facilities, residential care centers, or any other source. EXCEPTION: If a prescribed drug is needed immediately, transportation will be provided to obtain the drug even if free delivery is available.

**78.13(4) Closest medical provider.** Transportation beyond 20 miles (one way) shall be provided only to the closest qualified provider unless:

*a.* The difference between the closest qualified provider and the provider requested by the member is less than 10 miles (one way); or

*b.* The additional cost of transportation to the provider requested by the member is medically justified based on:

- (1) A previous relationship between the member and the requested provider,
- (2) Prior experience of the member with closer providers, or
- (3) Special expertise or experience of the requested provider.

**78.13(5) Coverage.** Based on the information provided by the member and the provisions of this rule, the broker shall arrange and reimburse for the most economical form of transportation appropriate to the needs of the member.

*a.* The broker may require that public transportation be used when reasonably available and the member's condition does not preclude its use.

*b.* The broker may arrange and reimburse for transportation by arranging to reimburse the member for transportation expenses. In that case, the member shall submit transportation expenses to the broker on Form 470-0386, Medical Transportation Claim, or an equivalent electronic form.

*c.* When a member is unable to travel alone due to age or due to physical or mental incapacity, the broker shall provide for the expenses of an attendant.

*d.* The broker shall provide for meals, lodging, and other incidental transportation expenses required for the member and for any attendant required due to the age or incapacity of the member in connection with transportation provided under this rule.

**78.13(6) Exceptions for nursing facility residents.**

*a.* Nonemergency medical transportation for residents of nursing facilities within 30 miles of the nursing facility (one way) shall not be provided through the broker but shall be the responsibility of the nursing facility.

*b.* Nonemergency medical transportation for residents of nursing facilities beyond 30 miles from the nursing facility (one way) shall be provided through the broker, but the nursing facility shall contact the broker on behalf of the resident.

**78.13(7) Grievances.** Pursuant to its contract with the department, the broker shall establish an internal grievance procedure for members and transportation providers. Members who have exhausted the grievance process may appeal to the department pursuant to 441—Chapter 7 as an “aggrieved person.” For transportation providers, the grievance process shall end with binding arbitration, with a designee of the Iowa Medicaid enterprise as arbitrator.

This rule is intended to implement Iowa Code section 249A.4.  
 [ARC 8344B, IAB 12/2/09, effective 12/1/09; ARC 8643B, IAB 4/7/10, effective 3/11/10; ARC 8994B, IAB 8/11/10, effective 10/1/10]

**441—78.14(249A) Hearing aids.** Payment shall be approved for a hearing aid and examinations subject to the following conditions:

**78.14(1) Physician examination.** The member shall have an examination by a physician to determine that the member has no condition which would contraindicate the use of a hearing aid. This report shall be documented in the patient record. The requirement for a physician evaluation shall be waived for members 18 years of age or older when the member has signed an informed consent statement acknowledging that the member:

*a.* Has been advised that it may be in the member’s best health interest to receive a medical evaluation from a licensed physician before purchase of a hearing aid.

*b.* Does not wish to receive a medical evaluation prior to purchase of a hearing aid.

**78.14(2) Audiological testings.** A physician or an audiologist shall perform audiological testing as a part of making a determination that a member could benefit from the use of a hearing aid. The department shall cover vestibular testing performed by an audiologist only when prescribed by a physician.

**78.14(3) Hearing aid evaluation.** A physician or an audiologist shall perform a hearing aid evaluation to establish if a member could benefit from a hearing aid. When a hearing aid is recommended for a member, the physician or audiologist recommending the hearing aid shall see the member at least one time within 30 days after purchase of the hearing aid to determine that the aid is adequate.

**78.14(4) Hearing aid selection.** A physician or audiologist may recommend a specific brand or model appropriate to the member’s condition. When a physician or an audiologist makes a general hearing aid recommendation, a hearing aid dispenser may perform the tests to determine the specific brand or model appropriate to the member’s condition.

**78.14(5) Travel.** When a member is unable to travel to the physician or audiologist because of health reasons, the department shall make payment for travel to the member’s place of residence or other suitable location. The department shall make payment to physicians as specified in 78.1(8) and payment to audiologists at the same rate it reimburses state employees for travel.

**78.14(6) Purchase of hearing aid.** The department shall pay for the type of hearing aid recommended when purchased from an eligible licensed hearing aid dispenser pursuant to rule 441—77.13(249A). The department shall pay for binaural amplification when:

*a.* A child needs the aid for speech development,

*b.* The aid is needed for educational or vocational purposes,

*c.* The aid is for a blind member,

*d.* The member’s hearing loss has caused marked restriction of daily activities and constriction of interests resulting in seriously impaired ability to relate to other people, or

*e.* Lack of binaural amplification poses a hazard to a member’s safety.

**78.14(7) Payment for hearing aids.**

*a.* Payment for hearing aids shall be acquisition cost plus a dispensing fee covering the fitting and service for six months. The department shall make payment for routine service after the first six months. Dispensing fees and payment for routine service shall not exceed the fee schedule appropriate to the place of service. Shipping and handling charges are not allowed.

*b.* Payment for ear mold and batteries shall be at the current audiologist’s fee schedule.

*c.* Payment for repairs shall be made to the dealer for repairs made by the dealer. Payment for in-house repairs shall be made at the current fee schedule. Payment shall also be made to the dealer for repairs when the hearing aid is repaired by the manufacturer or manufacturer’s depot. Payment for out-of-house repairs shall be at the amount shown on the manufacturer’s invoice. Payment shall

be allowed for a service or handling charge when it is necessary for repairs to be performed by the manufacturer or manufacturer's depot and this charge is made to the general public.

*d.* Prior approval. When prior approval is required, Form 470-4767, Examiner Report of Need for a Hearing Aid, shall be submitted along with the forms required by 441—paragraph 79.8(1)“a.”

(1) Payment for the replacement of a hearing aid less than four years old shall require prior approval except when the member is under 21 years of age. The department shall approve payment when the original hearing aid is lost or broken beyond repair or there is a significant change in the member's hearing that would require a different hearing aid. (Cross-reference 78.28(4)“a”)

(2) Payment for a hearing aid costing more than \$650 shall require prior approval. The department shall approve payment for either of the following purposes (Cross-reference 78.28(4)“b”):

1. Educational purposes when the member is participating in primary or secondary education or in a postsecondary academic program leading to a degree and an in-office comparison of an analog aid and a digital aid matched (+/- 5dB) for gain and output shows a significant improvement in either speech recognition in quiet or speech recognition in noise or an in-office comparison of two aids, one of which is single channel, shows significantly improved audibility.

2. Vocational purposes when documentation submitted indicates the necessity, such as varying amounts of background noise in the work environment and a need to converse in order to do the job, and an in-office comparison of an analog aid and a digital aid matched (+/- 5dB) for gain and output shows a significant improvement in either speech recognition in quiet or speech recognition in noise or an in-office comparison of two aids, one of which is single channel, shows significantly improved audibility.

This rule is intended to implement Iowa Code section 249A.4.  
[ARC 8008B, IAB 7/29/09, effective 8/1/09]

**441—78.15(249A) Orthopedic shoes.** Payment shall be approved only for depth or custom-molded orthopedic shoes, inserts, and modifications, subject to the following definitions and conditions.

**78.15(1) Definitions.**

“*Custom-molded shoe*” means a shoe that:

1. Has been constructed over a cast or model of the recipient's foot;
2. Is made of leather or another suitable material of equal quality;
3. Has inserts that can be removed, altered, or replaced according to the recipient's conditions and needs; and
4. Has some form of closure.

“*Depth shoe*” means a shoe that:

1. Has a full length, heel-to-toe filler that when removed provides a minimum of 3/16 inch of additional depth used to accommodate custom-molded or customized inserts;
2. Is made from leather or another suitable material of equal quality;
3. Has some form of closure; and
4. Is available in full and half sizes with a minimum of three widths, so that the sole is graded to the size and width of the upper portions of the shoe according to the American Standard last sizing schedule or its equivalent.

“*Insert*” means a foot mold or orthosis constructed of more than one layer of a material that:

1. Is soft enough and firm enough to take and hold an impression during use, and
2. Is molded to the recipient's foot or is made over a model of the foot.

**78.15(2) Prescription.** The recipient shall present to the provider a written prescription by a physician, a podiatrist, a physician assistant, or an advanced registered nurse practitioner that includes all of the following:

1. The date.
2. The patient's diagnosis.
3. The reason orthopedic shoes are needed.
4. The probable duration of need.
5. A specific description of any required modification of the shoes.

**78.15(3) *Diagnosis.*** The recipient shall have a diagnosis of an orthopedic, neuromuscular, vascular, or insensate foot condition, supported by applicable codes from the current version of the International Classification of Diseases (ICD). A diagnosis of flat feet is not covered.

*a.* A recipient with diabetes must meet the Medicare criteria for therapeutic depth and custom-molded shoes.

*b.* Custom-molded shoes are covered only when the recipient has a foot deformity and the provider has documentation of all of the following:

- (1) The reasons the recipient cannot be fitted with a depth shoe.
- (2) Pain.
- (3) Tissue breakdown or a high probability of tissue breakdown.
- (4) Any limitation on walking.

**78.15(4) *Frequency.*** Only two pairs of orthopedic shoes are allowed per recipient in a 12-month period unless documentation of change in size or evidence of excessive wear is submitted. EXCEPTION: School-aged children under the age of 21 may obtain athletic shoes in addition to the two pairs of shoes in a 12-month period.

This rule is intended to implement Iowa Code section 249A.4.

**441—78.16(249A) Community mental health centers.** Payment will be approved for all reasonable and necessary services provided by a psychiatrist on the staff of a community mental health center. Payment will be approved for services provided by a clinical psychologist, social worker or psychiatric nurse on the staff of the center, subject to the following conditions:

**78.16(1)** Payment to a community mental health center will be approved for reasonable and necessary services provided to members by a psychiatrist, psychologist, social worker or psychiatric nurse on the staff of the center under the following conditions:

*a.* Services must be rendered under the supervision of a board-eligible or board-certified psychiatrist. All services must be performed under the supervision of a board-eligible or board-certified psychiatrist subject to the conditions set forth in 78.16(1)“*b*” with the following exceptions:

- (1) Services by staff psychiatrists, or
- (2) Services rendered by psychologists meeting the requirements of the National Register of Health Service Providers in Psychology, or
- (3) Services provided by a staff member listed in this subrule performing the preliminary diagnostic evaluation of a member for voluntary admission to one of the state mental health institutes.

*b.* Supervisory process.

(1) Each patient shall have an initial evaluation completed which shall include at least one personal evaluation interview with a mental health professional, as defined under Iowa Code section 228.1. If the evaluation interview results indicate a need for an interview with a board-eligible or board-certified psychiatrist, then such referral shall be made. This must be accomplished before submission of the first claim for services rendered to that patient.

(2) Ongoing review and assessment of patients’ treatment needs, treatment plans, and the appropriateness of services rendered shall be assured through the peer review process in effect for community mental health centers, as directed by 2002 Iowa Acts, chapter 1120, section 13.

(3) and (4) Rescinded IAB 2/5/03, effective 2/1/03.

**78.16(2)** The treatment plans for and services rendered to patients of the center shall be evaluated and revised as necessary and appropriate, consistent with the standards of the peer review process described in subparagraph 78.16(1)“*b*”(1).

**78.16(3)** The peer review process and related activities, as described under subparagraph 78.16(1)“*b*”(1), are not payable as separate services under the Medicaid program. The center shall maintain the results of and information related to the peer review process, and these records shall be subject to audit by the department of human services or department designees, as necessary and appropriate.

**78.16(4)** Clinical records of medical assistance patients shall be available to the carrier on request. All these records shall be held confidential.

**78.16(5)** At the time of application for participation in the program the center will be provided with a form on which to list its professional staff. The center shall report acquisitions or losses of professional staff to the carrier within ten days.

**78.16(6)** Payment to a community mental health center will be approved for day treatment services for persons aged 21 or over if the center is certified by the department for day treatment services, the services are provided on the premises of the community mental health center or satellite office of the community mental health center, and the services meet the standards outlined herein.

*a.* Community mental health centers providing day treatment services for persons aged 21 or over shall have available a written narrative providing the following day treatment information:

(1) Documented need for day treatment services for persons aged 21 and over in the area served by the program, including studies, needs assessments, and consultations with other health care professionals.

(2) Goals and objectives of the day treatment program for persons aged 21 and over that meet the day treatment program guidelines noted in 78.16(6) "b."

(3) Organization and staffing including how the day treatment program for persons aged 21 and over fits with the rest of the community mental health center, the number of staff, staff credentials, and the staff's relationship to the program, e.g., employee, contractual, or consultant.

(4) Policies and procedures for the program including admission criteria, patient assessment, treatment plan, discharge plan, postdischarge services, and the scope of services provided.

(5) Any accreditations or other types of approvals from national or state organizations.

(6) The physical facility and any equipment to be utilized.

*b.* Day treatment services for persons aged 21 and over shall be structured, long-term services designed to assist in restoring, maintaining or increasing levels of functioning, minimizing regression, and preventing hospitalization.

(1) Service components include training in independent functioning skills necessary for self-care, emotional stability and psychosocial interactions and training in medication management.

(2) Services are structured with an emphasis on program variation according to individual need.

(3) Services are provided for a period of three to five hours per day, three or four times per week.

*c.* Payment will be approved for day treatment services provided by or under the general supervision of a mental health professional as defined in rule 441—33.1(225C,230A). When services are provided by an employee or consultant of the community mental health center who is not a mental health professional, the employee or consultant shall be supervised by a mental health professional who gives professional direction and active guidance to the employee or consultant and who retains responsibility for consumer care. The supervision shall be timely, regular, and documented. The employee or consultant shall meet the following minimum requirements:

(1) Have a bachelor's degree in a human services related field from an accredited college or university; or

(2) Have an Iowa license to practice as a registered nurse with two years of experience in the delivery of nursing or human services.

*d.* Persons aged 18 through 20 with chronic mental illness as defined by rule 441—24.1(225C) can receive day treatment services under this subrule or subrule 78.16(7).

**78.16(7)** Payment to a community mental health center will be approved for day treatment services for persons aged 20 or under if the center is certified by the department for day treatment services and the services are provided on the premises of the community mental health center or satellite office of the community mental health center. Exception: Field trips away from the premises are a covered service when the trip is therapeutic and integrated into the day treatment program's description and milieu plan.

Day treatment coverage will be limited to a maximum of 15 hours per week. Day treatment services for persons aged 20 or under shall be outpatient services provided to persons who are not inpatients in a medical institution or residents of a group care facility licensed under 441—Chapter 114.

*a. Program documentation.* Community mental health centers providing day treatment services for persons aged 20 or under shall have available a written narrative which provides the following day treatment program information:

(1) Documented need for day treatment services for persons aged 20 or under in the area served by the program, including studies, needs assessments, and consultations with other health care professionals.

(2) Goals and objectives of the day treatment program for persons aged 20 or under that meet the guidelines noted in paragraphs “c” to “h” below.

(3) Organization and staffing including how the day treatment program for persons aged 20 or under fits with the rest of the community mental health center, the number of staff, staff credentials, and the staff’s relationship to the program, e.g., employee, contractual, or consultant.

(4) Policies and procedures for the program including admission criteria, patient assessment, treatment plan, discharge plan, postdischarge services, and the scope of services provided.

(5) Any accreditations or other types of approvals from national or state organizations.

(6) The physical facility and any equipment to be utilized.

*b. Program standards.* Medicaid day treatment program services for persons aged 20 and under shall meet the following standards:

(1) Staffing shall:

1. Be sufficient to deliver program services and provide stable, consistent, and cohesive milieu with a staff-to-patient ratio of no less than one staff for each eight participants. Clinical, professional, and paraprofessional staff may be counted in determining the staff-to-patient ratio. Professional or clinical staff are those staff who are either mental health professionals as defined in rule 441—33.1(225C,230A) or persons employed for the purpose of providing offered services under the supervision of a mental health professional. All other staff (administrative, adjunctive, support, nonclinical, clerical, and consulting staff or professional clinical staff) when engaged in administrative or clerical activities shall not be counted in determining the staff-to-patient ratio or in defining program staffing patterns. Educational staff may be counted in the staff-to-patient ratio.

2. Reflect how program continuity will be provided.

3. Reflect an interdisciplinary team of professionals and paraprofessionals.

4. Include a designated director who is a mental health professional as defined in rule 441—33.1(225C,230A). The director shall be responsible for direct supervision of the individual treatment plans for participants and the ongoing assessment of program effectiveness.

5. Be provided by or under the general supervision of a mental health professional as defined in rule 441—33.1(225C,230A). When services are provided by an employee or consultant of the community mental health center who is not a mental health professional, the employee or consultant shall be supervised by a mental health professional who gives direct professional direction and active guidance to the employee or consultant and who retains responsibility for consumer care. The supervision shall be timely, regular and documented. The employee or consultant shall have a bachelor’s degree in a human services related field from an accredited college or university or have an Iowa license to practice as a registered nurse with two years of experience in the delivery of nursing or human services. Exception: Other certified or licensed staff, such as certified addiction counselors or certified occupational and recreational therapy assistants, are eligible to provide direct services under the general supervision of a mental health professional, but they shall not be included in the staff-to-patient ratio.

(2) There shall be written policies and procedures addressing the following: admission criteria; patient assessment; patient evaluation; treatment plan; discharge plan; community linkage with other psychiatric, mental health, and human service providers; a process to review the quality of care being provided with a quarterly review of the effectiveness of the clinical program; postdischarge services; and the scope of services provided.

(3) The program shall have hours of operation available for a minimum of three consecutive hours per day, three days or evenings per week.

(4) The length of stay in a day treatment program for persons aged 20 or under shall not exceed 180 treatment days per episode of care, unless the rationale for a longer stay is documented in the patient’s case record and treatment plan every 30 calendar days after the first 180 treatment days.

(5) Programming shall meet the individual needs of the patient. A description of services provided for patients shall be documented along with a schedule of when service activities are available including the days and hours of program availability.

(6) There shall be a written plan for accessing emergency services 24 hours a day, seven days a week.

(7) The program shall maintain a community liaison with other psychiatric, mental health, and human service providers. Formal relationships shall exist with hospitals providing inpatient programs to facilitate referral, communication, and discharge planning. Relationships shall also exist with appropriate school districts and educational cooperatives. Relationships with other entities such as physicians, hospitals, private practitioners, halfway houses, the department, juvenile justice system, community support groups, and child advocacy groups are encouraged. The provider's program description will describe how community links will be established and maintained.

(8) Psychotherapeutic treatment services and psychosocial rehabilitation services shall be available. A description of the services shall accompany the application for certification.

(9) The program shall maintain a distinct clinical record for each patient admitted. Documentation, at a minimum, shall include: the specific services rendered, the date and actual time services were rendered, who rendered the services, the setting in which the services were rendered, the amount of time it took to deliver the services, the relationship of the services to the treatment regimen described in the plan of care, and updates describing the patient's progress.

*c. Program services.* Day treatment services for persons aged 20 or under shall be a time-limited, goal-oriented active treatment program that offers therapeutically intensive, coordinated, structured clinical services within a stable therapeutic milieu. Time-limited means that the patient is not expected to need services indefinitely or lifelong, and that the primary goal of the program is to improve the behavioral functioning or emotional adjustment of the patient in order that the service is no longer necessary. Day treatment services shall be provided within the least restrictive therapeutically appropriate context and shall be community-based and family focused. The overall expected outcome is clinically adaptive behavior on the part of the patient and the family.

At a minimum, day treatment services will be expected to improve the patient's condition, restore the condition to the level of functioning prior to onset of illness, control symptoms, or establish and maintain a functional level to avoid further deterioration or hospitalization. Services are expected to be age-appropriate forms of psychosocial rehabilitation activities, psychotherapeutic services, social skills training, or training in basic care activities to establish, retain or encourage age-appropriate or developmentally appropriate psychosocial, educational, and emotional adjustment.

Day treatment programs shall use an integrated, comprehensive and complementary schedule of therapeutic activities and shall have the capacity to treat a wide array of clinical conditions.

The following services shall be available as components of the day treatment program. These services are not separately billable to Medicaid, as day treatment reimbursement includes reimbursement for all day treatment components.

(1) Psychotherapeutic treatment services (examples would include individual, group, and family therapy).

(2) Psychosocial rehabilitation services. Active treatment examples include, but are not limited to, individual and group therapy, medication evaluation and management, expressive therapies, and theme groups such as communication skills, assertiveness training, other forms of community skills training, stress management, chemical dependency counseling, education, and prevention, symptom recognition and reduction, problem solving, relaxation techniques, and victimization (sexual, emotional, or physical abuse issues).

Other program components may be provided, such as personal hygiene, recreation, community awareness, arts and crafts, and social activities designed to improve interpersonal skills and family mental health. Although these other services may be provided, they are not the primary focus of treatment.

(3) Evaluation services to determine need for day treatment prior to program admission. For persons for whom clarification is needed to determine whether day treatment is an appropriate therapy approach, or for persons who do not clearly meet admission criteria, an evaluation service may be performed. Evaluation services shall be individual and family evaluation activities made available to courts, schools, other agencies, and individuals upon request, who assess, plan, and link individuals with

appropriate services. This service must be completed by a mental health professional. An evaluation from another source performed within the previous 12 months or sooner if there has not been a change may be substituted. Medicaid will not make separate payment for these services under the day treatment program.

(4) Assessment services. All day treatment patients will receive a formal, comprehensive biopsychosocial assessment of day treatment needs including, if applicable, a diagnostic impression based on the current Diagnostic and Statistical Manual of Mental Disorders. An assessment from another source performed within the previous 12 months may be used if the symptomatology is the same as 12 months ago. If not, parts of the assessment which reflect current functioning may be used as an update. Using the assessment, a comprehensive summation will be produced, including the findings of all assessments performed. The summary will be used in forming a treatment plan including treatment goals. Indicators for discharge planning, including recommended follow-up goals and provision for future services, should also be considered, and consistently monitored.

(5) The day treatment program may include an educational component as an additional service. The patient's educational needs shall be served without conflict from the day treatment program. Hours in which the patient is involved in the educational component of the day treatment program are not included in the day treatment hours billable to Medicaid.

*d. Admission criteria.* Admission criteria for day treatment services for persons aged 20 or under shall reflect the following clinical indicators:

(1) The patient is at risk for exclusion from normative community activities or residence.

(2) The patient exhibits psychiatric symptoms, disturbances of conduct, decompensating conditions affecting mental health, severe developmental delays, psychological symptoms, or chemical dependency issues sufficiently severe to bring about significant or profound impairment in day-to-day educational, social, vocational, or interpersonal functioning.

(3) Documentation is provided that the traditional outpatient setting has been considered and has been determined not to be appropriate.

(4) The patient's principal caretaker (family, guardian, foster family or custodian) must be able and willing to provide the support and monitoring of the patient, to enable adequate control of the patient's behavior, and must be involved in the patient's treatment. Persons aged 20 or under who have reached the age of majority, either by age or emancipation, are exempt from family therapy involvement.

(5) The patient has the capacity to benefit from the interventions provided.

*e. Individual treatment plan.* Each patient receiving day treatment services shall have a treatment plan prepared. A preliminary treatment plan should be formulated within 3 days of participation after admission, and replaced within 30 calendar days by a comprehensive, formalized plan utilizing the comprehensive assessment. This individual treatment plan should reflect the patient's strengths and weaknesses and identify areas of therapeutic focus. The treatment goals which are general statements of consumer outcomes shall be related to identified strengths, weaknesses, and clinical needs with time-limited, measurable objectives. Objectives shall be related to the goal and have specific anticipated outcomes. Methods that will be used to pursue the objectives shall be stated. The plan should be reviewed and revised as needed, but shall be reviewed at least every 30 calendar days. The treatment plan shall be developed or approved by a board-eligible or board-certified psychiatrist, a staff psychiatrist, physician, or a psychologist registered either on the "National Register of Health Service Providers in Psychology" or the "Iowa Register of Health Service Providers for Psychology." Approval will be evidenced by a signature of the physician or health service provider.

*f. Discharge criteria.* Discharge criteria for the day treatment program for persons aged 20 or under shall incorporate at least the following indicators:

(1) In the case of patient improvement:

1. The patient's clinical condition has improved as shown by symptom relief, behavioral control, or indication of mastery of skills at the patient's developmental level. Reduced interference with and increased responsibility with social, vocational, interpersonal, or educational goals occurs sufficient to warrant a treatment program of less supervision, support, and therapeutic intervention.

2. Treatment goals in the individualized treatment plan have been achieved.

3. An aftercare plan has been developed that is appropriate to the patient's needs and agreed to by the patient and family, custodian, or guardian.

(2) If the patient does not improve:

1. The patient's clinical condition has deteriorated to the extent that the safety and security of inpatient or residential care is necessary.

2. Patient, family, or custodian noncompliance with treatment or with program rules exists.

*g. Coordination of services.* Programming services shall be provided in accordance with the individual treatment plan developed by appropriate day treatment staff, in collaboration with the patient and appropriate caretaker figure (parent, guardian, or principal caretaker), and under the supervision of the program director, coordinator, or supervisor.

The program for each patient will be coordinated by primary care staff of the community mental health center. A coordinated, consistent array of scheduled therapeutic services and activities shall comprise the day treatment program. These may include counseling or psychotherapy, theme groups, social skills development, behavior management, and other adjunctive therapies. At least 50 percent of scheduled therapeutic program hours exclusive of educational hours for each patient shall consist of active treatment that specifically addresses the targeted problems of the population served. Active treatment shall be defined as treatment in which the program staff assume significant responsibility and often intervene.

Family, guardian, or principal caretaker shall be involved with the program through family therapy sessions or scheduled family components of the program. They will be encouraged to adopt an active role in treatment. Medicaid will not make separate payment for family therapy services. Persons aged 20 or under who have reached the age of majority, either by age or emancipation, are exempt from family therapy involvement.

Therapeutic activities will be scheduled according to the needs of the patients, both individually and as a group.

Scheduled therapeutic activities, which may include other program components as described above, shall be provided at least 3 hours per week up to a maximum of 15 hours per week.

*h. Stable milieu.* The program shall formally seek to provide a stable, consistent, and cohesive therapeutic milieu. In part this will be encouraged by scheduling attendance such that a stable core of patients exists as much as possible. The milieu will consider the developmental and social stage of the participants such that no patient will be significantly involved with other patients who are likely to contribute to retardation or deterioration of the patient's social and emotional functioning. To help establish a sense of program identity, the array of therapeutic interventions shall be specifically identified as the day treatment program. Program planning meetings shall be held at least quarterly to evaluate the effectiveness of the clinical program. In the program description, the provider shall state how milieu stability will be provided.

*i. Chronic mental illness.* Persons aged 18 through 20 with chronic mental illness as defined by rule 441—24.1(225C) can receive day treatment services under this subrule or subrule 78.16(6).

This rule is intended to implement Iowa Code section 249A.4.

**441—78.17(249A) Physical therapists.** Payment will be approved for the same services payable under Title XVIII of the Social Security Act (Medicare).

This rule is intended to implement Iowa Code section 249A.4.

**441—78.18(249A) Screening centers.** Payment will be approved for health screening as defined in 441—subrule 84.1(1) for Medicaid members under 21 years of age.

**78.18(1)** Vaccines available through the Vaccines for Children program under Section 1928 of the Social Security Act are not covered as screening center services. Screening centers that wish to administer those vaccines to Medicaid members shall enroll in the Vaccines for Children program and obtain the vaccines from the department of public health. Screening centers shall receive reimbursement for the administration of vaccines to Medicaid members.

**78.18(2)** Payment will be approved for necessary laboratory service related to an element of screening when performed by the screening center and billed as a separate item.

**78.18(3)** Periodicity schedules for health, hearing, vision, and dental screenings.

*a.* Payment will be approved for health, vision, and hearing screenings as follows:

- (1) Six screenings in the first year of life.
- (2) Four screenings between the ages of 1 and 2.
- (3) One screening a year at ages 3, 4, 5, and 6.
- (4) One screening a year at ages 8, 10, 12, 14, 16, 18, and 20.

*b.* Payment for dental screenings will be approved in conjunction with the health screenings up to age 12 months. Screenings will be approved at ages 12 months and 24 months and thereafter at six-month intervals up to age 21.

*c.* Interperiodic screenings will be approved as medically necessary.

**78.18(4)** When it is established by the periodicity schedule in 78.18(3) that an individual is in need of screening the individual will receive a notice that screening is due.

**78.18(5)** When an individual is screened, a member of the screening center shall complete a medical history. The medical history shall become part of the individual's medical record.

**78.18(6)** Rescinded IAB 12/3/08, effective 2/1/09.

**78.18(7)** Payment will be made for persons aged 20 and under for nutritional counseling provided by a licensed dietitian employed by or under contract with a screening center for a nutritional problem or condition of a degree of severity that nutritional counseling beyond that normally expected as part of the standard medical management is warranted. For persons eligible for the WIC program, a WIC referral is required. Medical necessity for nutritional counseling services exceeding those available through WIC shall be documented.

**78.18(8)** Payment shall be made for dental services provided by a dental hygienist employed by or under contract with a screening center.

This rule is intended to implement Iowa Code section 249A.4.

#### **441—78.19(249A) Rehabilitation agencies.**

**78.19(1)** *Coverage of services.*

*a. General provisions regarding coverage of services.*

(1) Services are provided in the recipient's home or in a care facility (other than a hospital) by a speech therapist, physical therapist, or occupational therapist employed by or contracted by the agency. Services provided a recipient residing in a nursing facility or residential care facility are payable when a statement is submitted signed by the facility that the facility does not have these services available. The statement need only be submitted at the start of care unless the situation changes. Payment will not be made to a rehabilitation agency for therapy provided to a recipient residing in an intermediate care facility for the mentally retarded since these facilities are responsible for providing or paying for services required by recipients.

(2) All services must be determined to be medically necessary, reasonable, and meet a significant need of the recipient that cannot be met by a family member, friend, medical staff personnel, or other caregiver; must meet accepted standards of medical practice; and must be a specific and effective treatment for a patient's medical or disabling condition.

(3) In order for a service to be payable, a licensed therapist must complete a plan of treatment every 30 days and indicate the type of service required. The plan of treatment must contain the information noted in subrule 78.19(2).

(4) There is no specific limitation on the number of visits for which payment through the program will be made so long as that amount of service is medically necessary in the individual case, is related to a diagnosed medical impairment or disabling condition, and meets the current standards of practice in each related field. Documentation must be submitted with each claim to support the need for the number of services being provided.

(5) Payments will be made both for restorative service and also for maintenance types of service. Essentially, maintenance services means services to a patient whose condition is stabilized and who

requires observation by a therapist of conditions defined by the physician as indicating a possible deterioration of health status. This would include persons with long-term illnesses or a disabling condition whose status is stable rather than posthospital. Refer to 78.19(1)“b”(7) and (8) for guidelines under restorative and maintenance therapy.

(6) Restorative or maintenance therapy sessions must meet the following criteria:

1. There must be face-to-face patient contact interaction.

2. Services must be provided primarily on an individual basis. Group therapy is covered, but total units of service in a month shall not exceed total units of individual therapy. Family members receiving therapy may be included as part of a group.

3. Treatment sessions may be no less than 15 minutes of service and no more than 60 minutes of service per date unless more than 60 minutes of service is required for a treatment session due to the patient’s specific condition. If more than 60 minutes of service is required for a treatment session, additional documentation of the specific condition and the need for the longer treatment session shall be submitted with the claim. A unit of treatment shall be considered to be 15 minutes in length.

4. Progress must be documented in measurable statistics in the progress notes in order for services to be reimbursed. Refer to 78.19(1)“b”(7) and (8) for guidelines under restorative and maintenance therapy.

(7) Payment will be made for an appropriate period of diagnostic therapy or trial therapy (up to two months) to determine a patient’s rehabilitation potential and establish appropriate short-term and long-term goals. Documentation must be submitted with each plan to support the need for diagnostic or trial therapy. Refer to 78.19(1)“b”(16) for guidelines under diagnostic or trial therapy.

*b. Physical therapy services.*

(1) To be covered under rehabilitation agency services, physical therapy services must relate directly and specifically to an active written treatment plan, follow a treatment plan established by the licensed therapist after consultation with the physician, be reasonable and necessary to the treatment of the person’s illness, injury, or disabling condition, be specific and effective treatment for the patient’s medical or disabling condition, and be of such a level of complexity and sophistication, or the condition of the patient must be such that the services required can be safely and effectively performed only by a qualified physical therapist or under the supervision of the therapist.

(2) A qualified physical therapist assistant may provide any restorative services performed by a licensed physical therapist under supervision of the therapist as set forth in the department of public health, professional licensure division, 645—subrule 200.20(7).

(3) The initial physical therapy evaluation must be provided by a licensed physical therapist.

(4) There must be an expectation that there will be a significant, practical improvement in the patient’s condition in a reasonable amount of time based on the patient’s restorative potential assessed by the physician.

(5) It must be demonstrated there is a need to establish a safe and effective maintenance program related to a specific disease state, illness, injury, or disabling condition.

(6) The amount, frequency, and duration of the services must be reasonable.

(7) Restorative therapy must be reasonable and necessary to the treatment of the patient’s injury or disabling condition. The expected restorative potential must be practical and in relation to the extent and duration of the treatment. There must be an expectation that the patient’s medical or disabling condition will show functional improvement in a reasonable period of time. Functional improvement means that demonstrable measurable increases have occurred in the patient’s level of independence outside the therapeutic environment.

(8) Generally, maintenance therapy means services to a patient whose condition is stabilized and who requires observation by a therapist of conditions defined by the physician as indicating a possible deterioration of health status. This includes persons with long-term illnesses or disabling conditions whose status is stable rather than posthospital. Maintenance therapy is also appropriate for individuals whose condition is such that a professionally established program of activities, exercises, or stimulation is medically necessary to prevent deterioration or maintain present functioning levels.

Where a maintenance program is appropriate, the initial evaluation and the instruction of the patient, family members, home health aides, facility personnel, or other caregivers to carry out the program are considered a covered physical therapy service. Payment shall be made for a maximum of three visits to establish a maintenance program and instruct the caregivers. Payment for supervisory visits to monitor the program is limited to two per month for a maximum period of 12 months. The plan of treatment must specify the anticipated monitoring activity of the supervisor.

Beyond evaluation, instruction, and monitoring, maintenance therapy is not reimbursable.

After 12 months of maintenance therapy, a reevaluation is a covered service, if medically necessary. A reevaluation will be considered medically necessary only if there is a significant change in residential or employment situation or the patient exhibits an increase or decrease in functional ability or motivation, clearing of confusion, or the remission of some other medical condition which previously contraindicated restorative therapy. A statement by the interdisciplinary team of a person with developmental disabilities recommending a reevaluation and stating the basis for medical necessity will be considered as supporting the necessity of a reevaluation and may expedite approval.

(Restorative and maintenance therapy definitions also apply to speech and occupational therapy.)

When a patient is under a restorative physical therapy program, the patient's condition is regularly reevaluated and the program adjusted by the physical therapist. It is expected that prior to discharge, a maintenance program has been designed by the physical therapist. Consequently, where a maintenance program is not established until after the restorative program has been completed, it would not be considered reasonable and necessary to the treatment of the patient's condition and would be excluded from coverage.

(9) Hot packs, hydrocollator, infrared treatments, paraffin baths, and whirlpool baths do not ordinarily require the skills of a qualified physical therapist. These are covered when the patient's condition is complicated by other conditions such as a circulatory deficiency or open wounds or if the service is an integral part of a skilled physical therapy procedure.

(10) Gait training and gait evaluation and training constitute a covered service if the patient's ability to walk has been impaired by a neurological, muscular or skeletal condition or illness. The gait training must be expected to significantly improve the patient's ability to walk or level of independence.

Repetitious exercise to increase endurance of weak or unstable patients can be safely provided by supportive personnel, e.g., aides, nursing personnel. Therefore, it is not a covered physical therapy service.

(11) Ultrasound, shortwave, and microwave diathermy treatments are considered covered services.

(12) Range of motion tests must be performed by a qualified physical therapist. Range of motion exercises require the skills of a qualified physical therapist only when they are part of the active treatment of a specific disease or disabling condition which has resulted in a loss or restriction of mobility.

Documentation must reflect the degree of motion lost, the normal range of motion, and the degree to be restored.

Range of motion to unaffected joints only does not constitute a covered physical therapy service.

(13) Reconditioning programs after surgery or prolonged hospitalization are not covered as physical therapy.

(14) Therapeutic exercises would constitute a physical therapy service due either to the type of exercise employed or to the condition of the patient.

(15) Use of isokinetic or isotonic type equipment in physical therapy is covered when normal range of motion of a joint is affected due to bone, joint, ligament or tendon injury or postsurgical trauma. Billing can only be made for the time actually spent by the therapist in instructing the patient and assessing the patient's progress.

(16) When recipients do not meet restorative or maintenance therapy criteria, diagnostic or trial therapy may be utilized. When the initial evaluation is not sufficient to determine whether there are rehabilitative goals that should be addressed, diagnostic or trial therapy to establish goals shall be considered appropriate. Diagnostic or trial therapy may be appropriate for recipients who need evaluation in multiple environments in order to adequately determine their rehabilitative potential.

Diagnostic or trial therapy consideration may be appropriate when there is a need to assess the patient's response to treatment in the recipient's environment.

When during diagnostic or trial therapy a recipient has been sufficiently evaluated to determine potential for restorative or maintenance therapy, or lack of therapy potential, diagnostic or trial therapy ends. When as a result of diagnostic or trial therapy, restorative or maintenance therapy is found appropriate, claims shall be submitted noting restorative or maintenance therapy (instead of diagnostic or trial therapy).

At the end of diagnostic or trial therapy, the rehabilitation provider shall recommend continuance of services under restorative therapy, recommend continuance of services under maintenance therapy, or recommend discontinuance of services. Continuance of services under restorative or maintenance therapy will be reviewed based on the criteria in place for restorative or maintenance therapy.

Trial therapy shall not be granted more often than once per year for the same issue. If the recipient has a previous history of rehabilitative services, trial therapy for the same type of services generally would be payable only when a significant change has occurred since the last therapy. Requests for subsequent diagnostic or trial therapy for the same issue would require documentation reflecting a significant change. See number 4 below for guidelines under a significant change. Further diagnostic or trial therapy for the same issue would not be considered appropriate when progress was not achieved, unless the reasons which blocked change previously are listed and the reasons the new diagnostic or trial therapy would not have these blocks are provided.

The number of diagnostic or trial therapy hours authorized in the initial treatment period shall not exceed 12 hours per month. Documentation of the medical necessity and the plan for services under diagnostic trial therapy are required as they will be reviewed in the determination of the medical necessity of the number of hours of service provided.

Diagnostic or trial therapy standards also apply to speech and occupational therapy.

The following criteria additionally must be met:

1. There must be face-to-face interaction with a licensed therapist. (An aide's services will not be payable.)
2. Services must be provided on an individual basis. (Group diagnostic or trial therapy will not be payable.)
3. Documentation of the diagnostic therapy or trial therapy must reflect the provider's plan for therapy and the recipient's response.
4. If the recipient has a previous history of rehabilitative services, trial therapy for the same type of services generally would be payable only when a significant change has occurred since the last therapy. A significant change would be considered as having occurred when any of the following exist: new onset, new problem, new need, new growth issue, a change in vocational or residential setting that requires a reevaluation of potential, or surgical intervention that may have caused new rehabilitative potentials.
5. For persons who received previous rehabilitative treatment, consideration of trial therapy generally should occur only if the person has incorporated any regimen recommended during prior treatment into the person's daily life to the extent of the person's abilities.
6. Documentation should include any previous attempts to resolve problems using nontherapy personnel (i.e., residential group home staff, family members, etc.) and whether follow-up programs from previous therapy have been carried out.
7. Referrals from residential, vocational or other rehabilitation personnel that do not meet present evaluation, restorative or maintenance criteria shall be considered for trial therapy. Documentation of the proposed service, the medical necessity and the current medical or disabling condition, including any secondary rehabilitative diagnosis, will need to be submitted with the claim.
8. Claims for diagnostic or trial therapy shall reflect the progress being made toward the initial diagnostic or trial therapy plan.

*c. Occupational therapy services.*

(1) To be covered under rehabilitation agency services, occupational therapy services must be included in a plan of treatment, improve or restore practical functions which have been impaired by illness, injury, or disabling condition, or enhance the person's ability to perform those tasks required

for independent functioning, be prescribed by a physician under a plan of treatment, be performed by a qualified licensed occupational therapist or a qualified licensed occupational therapist assistant under the general supervision of a qualified licensed occupational therapist as set forth in the department of public health, professional licensure division, rule 645—201.9(148B), and be reasonable and necessary for the treatment of the person's illness, injury, or disabling condition.

(2) Restorative therapy is covered when an expectation exists that the therapy will result in a significant practical improvement in the person's condition.

However, in these cases where there is a valid expectation of improvement met at the time the occupational therapy program is instituted, but the expectation goal is not realized, services would only be covered up to the time one would reasonably conclude the patient would not improve.

The guidelines under restorative therapy, maintenance therapy, and diagnostic or trial therapy for physical therapy in 78.19(1) "b"(7), (8), and (16) apply to occupational therapy.

(3) Maintenance therapy, or any activity or exercise program required to maintain a function at the restored level, is not a covered service. However, designing a maintenance program in accordance with the requirements of 78.19(1) "b"(8) and monitoring the progress would be covered.

(4) The selection and teaching of tasks designed to restore physical function are covered.

(5) Planning and implementing therapeutic tasks, such as activities to restore sensory-integrative functions are covered. Other examples include providing motor and tactile activities to increase input and improve responses for a stroke patient.

(6) The teaching of activities of daily living and energy conservation to improve the level of independence of a patient which require the skill of a licensed therapist and meet the definition of restorative therapy is covered.

(7) The designing, fabricating, and fitting of orthotic and self-help devices are considered covered services if they relate to the patient's condition and require occupational therapy. A maximum of 13 visits is reimbursable.

(8) Vocational and prevocational assessment and training are not payable by Medicaid. These include services which are related solely to specific employment opportunities, work skills, or work settings.

*d. Speech therapy services.*

(1) To be covered by Medicaid as rehabilitation agency services, speech therapy services must be included in a plan of treatment established by the licensed, skilled therapist after consultation with the physician, relate to a specific medical diagnosis which will significantly improve a patient's practical, functional level in a reasonable and predictable time period, and require the skilled services of a speech therapist. Services provided by a speech aide are not reimbursable.

(2) Speech therapy activities which are considered covered services include: restorative therapy services to restore functions affected by illness, injury, or disabling condition resulting in a communication impairment or to develop functions where deficiencies currently exist. Communication impairments fall into the general categories of disorders of voice, fluency, articulation, language, and swallowing disorders resulting from any condition other than mental impairment. Treatment of these conditions is payable if restorative criteria are met.

(3) Aural rehabilitation, the instruction given by a qualified speech pathologist in speech reading or lip reading to patients who have suffered a hearing loss (input impairment), constitutes a covered service if reasonable and necessary to the patient's illness or injury. Group treatment is not covered. Audiological services related to the use of a hearing aid are not reimbursable.

(4) Teaching a patient to use sign language and to use an augmentative communication device is reimbursable. The patient must show significant progress outside the therapy sessions in order for these services to be reimbursable.

(5) Where a maintenance program is appropriate, the initial evaluation, the instruction of the patient and caregivers to carry out the program, and supervisory visits to monitor progress are covered services. Beyond evaluation, instruction, and monitoring, maintenance therapy is not reimbursable. However, designing a maintenance program in accordance with the requirements of maintenance therapy and monitoring the progress are covered.

(6) The guidelines and limits on restorative therapy, maintenance therapy, and diagnostic or trial therapy for physical therapy in 78.19(1)“b”(7), (8), and (16) apply to speech therapy. If the only goal of prior rehabilitative speech therapy was to learn the prerequisite speech components, then number “5” under 78.19(1)“b”(16) will not apply to trial therapy.

**78.19(2) General guidelines for plans of treatment.**

a. The minimum information to be included on medical information forms and treatment plans includes:

- (1) The patient’s current medical condition and functional abilities, including any disabling condition.
- (2) The physician’s signature and date (within the certification period).
- (3) Certification period.
- (4) Patient’s progress in measurable statistics. (Refer to 78.19(1)“b”(16).)
- (5) The place services are rendered.
- (6) Dates of prior hospitalization (if applicable or known).
- (7) Dates of prior surgery (if applicable or known).
- (8) The date the patient was last seen by the physician (if available).
- (9) A diagnosis relevant to the medical necessity for treatment.
- (10) Dates of onset of any diagnoses for which treatment is being rendered (if applicable).
- (11) A brief summary of the initial evaluation or baseline.
- (12) The patient’s prognosis.
- (13) The services to be rendered.
- (14) The frequency of the services and discipline of the person providing the service.
- (15) The anticipated duration of the services and the estimated date of discharge (if applicable).
- (16) Assistive devices to be used.
- (17) Functional limitations.
- (18) The patient’s rehabilitative potential and the extent to which the patient has been able to apply the skills learned in the rehabilitation setting to everyday living outside the therapy sessions.
- (19) The date of the last episode of instability or the date of the last episode of acute recurrence of illness or symptoms (if applicable).
- (20) Quantitative, measurable, short-term and long-term functional goals.
- (21) The period of time of a session.
- (22) Prior treatment (history related to current diagnosis) if available or known.

b. The information to be included when developing plans for teaching, training, and counseling include:

- (1) To whom the services were provided (patient, family member, etc.).
- (2) Prior teaching, training, or counseling provided.
- (3) The medical necessity of the rendered services.
- (4) The identification of specific services and goals.
- (5) The date of the start of the services.
- (6) The frequency of the services.
- (7) Progress in response to the services.
- (8) The estimated length of time the services are needed.

This rule is intended to implement Iowa Code section 249A.4.

**441—78.20(249A) Independent laboratories.** Payment will be made for medically necessary laboratory services provided by laboratories that are independent of attending and consulting physicians’ offices, hospitals, and critical access hospitals and that are certified to participate in the Medicare program.

This rule is intended to implement Iowa Code section 249A.4.

**441—78.21(249A) Rural health clinics.** Payment will be made to rural health clinics for the same services payable under the Medicare program (Title XVIII of the Social Security Act). Payment will be made for sterilization in accordance with 78.1(16).

**78.21(1) Utilization review.** Utilization review shall be conducted of Medicaid members who access more than 24 outpatient visits in any 12-month period from physicians, advanced registered nurse practitioners, federally qualified health centers, other clinics, and emergency rooms. Refer to rule 441—76.9(249A) for further information concerning the member lock-in program.

**78.21(2) Risk assessment.** Risk assessment, using Form 470-2942, Medicaid Prenatal Risk Assessment, shall be completed at the initial visit during a Medicaid member's pregnancy.

*a.* If the risk assessment reflects a low-risk pregnancy, the assessment shall be completed again at approximately the twenty-eighth week of pregnancy.

*b.* If the risk assessment reflects a high-risk pregnancy, referral shall be made for enhanced services. (See description of enhanced services at subrule 78.25(3).)

**78.21(3) Vaccines.** Vaccines available through the Vaccines for Children program under Section 1928 of the Social Security Act are not covered as rural health center services. Rural health clinics that wish to administer those vaccines to Medicaid members shall enroll in the Vaccines for Children program and obtain the vaccines from the department of public health. However, the administration of vaccines is a covered service.

This rule is intended to implement Iowa Code section 249A.4.

**441—78.22(249A) Family planning clinics.** Payments will be made on a fee schedule basis for services provided by family planning clinics.

**78.22(1)** Payment will be made for sterilization in accordance with 78.1(16).

**78.22(2)** Vaccines available through the Vaccines for Children program under Section 1928 of the Social Security Act are not covered as family planning clinic services. Family planning clinics that wish to administer those vaccines for Medicaid members who receive services at the clinic shall enroll in the Vaccines for Children program and obtain the vaccines from the department of public health. Family planning clinics shall receive reimbursement for the administration of vaccines to Medicaid members.

This rule is intended to implement Iowa Code section 249A.4.

**441—78.23(249A) Other clinic services.** Payment will be made on a fee schedule basis to facilities not part of a hospital, funded publicly or by private contributions, which provide medically necessary treatment by or under the direct supervision of a physician or dentist to outpatients.

**78.23(1) Sterilization.** Payment will be made for sterilization in accordance with 78.1(16).

**78.23(2) Utilization review.** Utilization review shall be conducted of Medicaid members who access more than 24 outpatient visits in any 12-month period from physicians, advanced registered nurse practitioners, federally qualified health centers, other clinics, and emergency rooms. Refer to rule 441—76.9(249A) for further information concerning the member lock-in program.

**78.23(3) Risk assessment.** Risk assessment, using Form 470-2942, Medicaid Prenatal Risk Assessment, shall be completed at the initial visit during a Medicaid member's pregnancy.

*a.* If the risk assessment reflects a low-risk pregnancy, the assessment shall be completed again at approximately the twenty-eighth week of pregnancy.

*b.* If the risk assessment reflects a high-risk pregnancy, referral shall be made for enhanced services. (See description of enhanced services at subrule 78.25(3).)

**78.23(4) Vaccines.** Vaccines available through the Vaccines for Children program under Section 1928 of the Social Security Act are not covered as clinic services. Clinics that wish to administer those vaccines to Medicaid members shall enroll in the Vaccines for Children program and obtain the vaccines from the department of public health. Clinics shall receive reimbursement for the administration of vaccines to Medicaid members.

This rule is intended to implement Iowa Code section 249A.4.

**441—78.24(249A) Psychologists.** Payment will be approved for services authorized by state law when they are provided by the psychologist in the psychologist's office, a hospital, nursing facility, or residential care facility.

**78.24(1)** Payment for covered services provided by the psychologist shall be made on a fee for service basis.

*a.* Payment shall be made only for time spent in face-to-face consultation with the client.

*b.* Time spent with clients shall be rounded to the quarter hour.

**78.24(2)** Payment will be approved for the following psychological procedures:

*a.* Individual outpatient psychotherapy or other psychological procedures not to exceed one hour per week or 40 hours in any 12-month period, or

*b.* Couple, marital, family, or group outpatient therapy not to exceed one and one-half hours per week or 60 hours in any 12-month period, or

*c.* A combination of individual and group therapy not to exceed the cost of 40 individual therapy hours in any 12-month period.

*d.* Psychological examinations and testing for purposes of evaluation, placement, psychotherapy, or assessment of therapeutic progress, not to exceed eight hours in any 12-month period.

*e.* Mileage at the same rate as in 78.1(8) when the following conditions are met:

(1) It is necessary for the psychologist to travel outside of the home community, and

(2) There is no qualified mental health professional more immediately available in the community, and

(3) The member has a medical condition which prohibits travel.

*f.* Covered procedures necessary to maintain continuity of psychological treatment during periods of hospitalization or convalescence for physical illness.

*g.* Procedures provided within a licensed hospital, residential treatment facility, day hospital, or nursing home as part of an approved treatment plan and a psychologist is not employed by the facility.

**78.24(3)** Payment will not be approved for the following services:

*a.* Psychological examinations performed without relationship to evaluations or psychotherapy for a specific condition, symptom, or complaint.

*b.* Psychological examinations covered under Part B of Medicare, except for the Part B Medicare deductible and coinsurance.

*c.* Psychological examinations employing unusual or experimental instrumentation.

*d.* Individual and group psychotherapy without specification of condition, symptom, or complaint.

*e.* Sensitivity training, marriage enrichment, assertiveness training, growth groups or marathons, or psychotherapy for nonspecific conditions of distress such as job dissatisfaction or general unhappiness.

**78.24(4)** Rescinded IAB 10/12/94, effective 12/1/94.

**78.24(5)** The following services shall require review by a consultant to the department.

*a.* Protracted therapy beyond 16 visits. These cases shall be reviewed following the sixteenth therapy session and periodically thereafter.

*b.* Any service which does not appear necessary or appears to fall outside the scope of what is professionally appropriate or necessary for a particular condition.

This rule is intended to implement Iowa Code sections 249A.4 and 249A.15.

**441—78.25(249A) Maternal health centers.** Payment will be made for prenatal and postpartum medical care, health education, and transportation to receive prenatal and postpartum services. Payment will be made for enhanced perinatal services for persons determined high risk. These services include additional health education services, nutrition counseling, social services, and one postpartum home visit. Maternal health centers shall provide trimester and postpartum reports to the referring physician. Risk assessment using Form 470-2942, Medicaid Prenatal Risk Assessment, shall be completed at the initial visit during a Medicaid member's pregnancy. If the risk assessment reflects a low-risk pregnancy, the assessment shall be completed again at approximately the twenty-eighth week of pregnancy. If the risk assessment reflects a high-risk pregnancy, referral shall be made for enhanced services. (See description of enhanced services at subrule 78.25(3).)

Vaccines available through the Vaccines for Children program under Section 1928 of the Social Security Act are not covered as maternal health center services. Maternal health centers that wish to administer those vaccines to Medicaid members shall enroll in the Vaccines for Children program and obtain the vaccines from the department of public health. Maternal health centers shall receive reimbursement for the administration of vaccines to Medicaid members.

**78.25(1) Provider qualifications.**

a. Prenatal and postpartum medical services shall be provided by a physician, a physician assistant, or a nurse practitioner employed by or on contract with the center. Medical services performed by maternal health centers shall be performed under the supervision of a physician. Nurse practitioners and physician assistants performing under the supervision of a physician must do so within the scope of practice of that profession, as defined by Iowa Code chapters 152 and 148C, respectively.

b. Rescinded IAB 12/3/08, effective 2/1/09.

c. Education services and postpartum home visits shall be provided by a registered nurse.

d. Nutrition services shall be provided by a licensed dietitian.

e. Psychosocial services shall be provided by a person with at least a bachelor's degree in social work, counseling, sociology, psychology, family and community services, health or human development, health education, or individual and family studies.

**78.25(2) Services covered for all pregnant women.** Services provided may include:

a. Prenatal and postpartum medical care.

b. Health education, which shall include:

(1) Importance of continued prenatal care.

(2) Normal changes of pregnancy including both maternal changes and fetal changes.

(3) Self-care during pregnancy.

(4) Comfort measures during pregnancy.

(5) Danger signs during pregnancy.

(6) Labor and delivery including the normal process of labor, signs of labor, coping skills, danger signs, and management of labor.

(7) Preparation for baby including feeding, equipment, and clothing.

(8) Education on the use of over-the-counter drugs.

(9) Education about HIV protection.

c. Home visit.

d. Transportation to receive prenatal and postpartum services that is not payable under rule 441—78.11(249A) or 441—78.13(249A).

e. Dental hygiene services within the scope of practice as defined by the dental board at 650—paragraph 10.5(3)“b.”

**78.25(3) Enhanced services covered for women with high-risk pregnancies.** Enhanced perinatal services may be provided to a patient who has been determined to have a high-risk pregnancy as documented by Form 470-2942, Medicaid Prenatal Risk Assessment. An appropriately trained physician or advanced registered nurse practitioner must be involved in staffing the patients receiving enhanced services.

Enhanced services are as follows:

a. Rescinded IAB 12/3/08, effective 2/1/09.

b. Education, which shall include as appropriate education about the following:

(1) High-risk medical conditions.

(2) High-risk sexual behavior.

(3) Smoking cessation.

(4) Alcohol usage education.

(5) Drug usage education.

(6) Environmental and occupational hazards.

c. Nutrition assessment and counseling, which shall include:

(1) Initial assessment of nutritional risk based on height, current and prepregnancy weight status, laboratory data, clinical data, and self-reported dietary information.

- (2) Ongoing nutritional assessment.
  - (3) Development of an individualized nutritional care plan.
  - (4) Referral to food assistance programs if indicated.
  - (5) Nutritional intervention.
  - d. Psychosocial assessment and counseling, which shall include:
    - (1) A psychosocial assessment including: needs assessment, profile of client demographic factors, mental and physical health history and concerns, adjustment to pregnancy and future parenting, and environmental needs.
    - (2) A profile of the client's family composition, patterns of functioning and support systems.
    - (3) An assessment-based plan of care, risk tracking, counseling and anticipatory guidance as appropriate, and referral and follow-up services.
  - e. A postpartum home visit within two weeks of the child's discharge from the hospital, which shall include:
    - (1) Assessment of mother's health status.
    - (2) Physical and emotional changes postpartum.
    - (3) Family planning.
    - (4) Parenting skills.
    - (5) Assessment of infant health.
    - (6) Infant care.
    - (7) Grief support for unhealthy outcome.
    - (8) Parenting of a preterm infant.
    - (9) Identification of and referral to community resources as needed.
- This rule is intended to implement Iowa Code section 249A.4.

**441—78.26(249A) Ambulatory surgical center services.** Ambulatory surgical center services are those services furnished by an ambulatory surgical center in connection with a covered surgical procedure or a covered dental procedure. Covered procedures are listed in the fee schedule published on the department's Web site.

**78.26(1)** Covered surgical procedures shall be those medically necessary procedures that are eligible for payment as physicians' services, under the circumstances specified in rule 441—78.1(249A) and performed on a Medicaid member, that can safely be performed in an outpatient setting as determined by the department upon advice from the Iowa Medicaid enterprise medical services unit.

**78.26(2)** Covered dental procedures are those medically necessary procedures that are eligible for payment as dentists' services, under the circumstances specified in rule 441—78.4(249A) and performed on a Medicaid member, that can safely be performed in an outpatient setting for Medicaid members whose mental, physical, or emotional condition necessitates deep sedation or general anesthesia.

**78.26(3)** The covered services provided by the ambulatory surgical center in connection with a Medicaid-covered surgical or dental procedure shall be those nonsurgical and nondental services that:

- a. Are medically necessary in connection with a Medicaid-covered surgical or dental procedure;
- b. Are eligible for payment as physicians' services under the circumstances specified in rule 441—78.1(249A) or as dentists' services under the circumstances specified in rule 441—78.4(249A); and
- c. Can safely and economically be performed in an outpatient setting, as determined by the department upon advice from the Iowa Medicaid enterprise medical services unit.

**78.26(4)** Limits on covered services.

- a. Abortion procedures are covered only when criteria in subrule 78.1(17) are met.
- b. Sterilization procedures are covered only when criteria in subrule 78.1(16) are met.
- c. Preprocedure review by the Iowa Foundation for Medical Care (IFMC) is required if ambulatory surgical centers are to be reimbursed for certain frequently performed surgical procedures as set forth

under subrule 78.1(19). Criteria are available from IFMC, 1776 West Lakes Parkway, West Des Moines, Iowa 50266-8239, or in local hospital utilization review offices. (Cross-reference 78.28(6))

This rule is intended to implement Iowa Code section 249A.4.  
[ARC 8205B, IAB 10/7/09, effective 11/11/09]

#### **441—78.27(249A) Home- and community-based habilitation services.**

##### **78.27(1) Definitions.**

“*Adult*” means a person who is 18 years of age or older.

“*Assessment*” means the review of the current functioning of the member using the service in regard to the member’s situation, needs, strengths, abilities, desires, and goals.

“*Case management*” means case management services accredited under 441—Chapter 24 and provided according to 441—Chapter 90.

“*Comprehensive service plan*” means an individualized, goal-oriented plan of services written in language understandable by the member using the service and developed collaboratively by the member and the case manager.

“*Department*” means the Iowa department of human services.

“*Emergency*” means a situation for which no approved individual program plan exists that, if not addressed, may result in injury or harm to the member or to other persons or in significant amounts of property damage.

“*HCBS*” means home- and community-based services.

“*Interdisciplinary team*” means a group of persons with varied professional backgrounds who meet with the member to develop a comprehensive service plan to address the member’s need for services.

“*ISIS*” means the department’s individualized services information system.

“*Member*” means a person who has been determined to be eligible for Medicaid under 441—Chapter 75.

“*Program*” means a set of related resources and services directed to the accomplishment of a fixed set of goals for qualifying members.

**78.27(2) Member eligibility.** To be eligible to receive home- and community-based habilitation services, a member shall meet the following criteria:

*a. Risk factors.* The member has at least one of the following risk factors:

(1) The member has undergone or is currently undergoing psychiatric treatment more intensive than outpatient care (e.g., emergency services, alternative home care, partial hospitalization, or inpatient hospitalization) more than once in the member’s life; or

(2) The member has a history of psychiatric illness resulting in at least one episode of continuous, professional supportive care other than hospitalization.

*b. Need for assistance.* The member has a need for assistance demonstrated by meeting at least two of the following criteria on a continuing or intermittent basis for at least two years:

(1) The member is unemployed, is employed in a sheltered setting, or has markedly limited skills and a poor work history.

(2) The member requires financial assistance for out-of-hospital maintenance and is unable to procure this assistance without help.

(3) The member shows severe inability to establish or maintain a personal social support system.

(4) The member requires help in basic living skills such as self-care, money management, housekeeping, cooking, and medication management.

(5) The member exhibits inappropriate social behavior that results in a demand for intervention.

*c. Income.* The countable income used in determining the member’s Medicaid eligibility does not exceed 150 percent of the federal poverty level.

*d. Needs assessment.* The member’s case manager has completed an assessment of the member’s need for service, and, based on that assessment, the Iowa Medicaid enterprise medical services unit has determined that the member is in need of home- and community-based habilitation services. A member who is not eligible for Medicaid case management services under 441—Chapter 90 shall receive case management as a home- and community-based habilitation service. The designated case manager shall:

(1) Complete a needs-based evaluation that meets the standards for assessment established in 441—subrule 90.5(1) before services begin and annually thereafter.

(2) Use the evaluation results to develop a comprehensive service plan as specified in subrule 78.27(4).

*e. Plan for service.* The department has approved the member's plan for home- and community-based habilitation services. A service plan that has been validated through ISIS shall be considered approved by the department. Home- and community-based habilitation services provided before department approval of a member's eligibility for the program cannot be reimbursed.

(1) The member's comprehensive service plan shall be completed annually according to the requirements of subrule 78.27(4). A service plan may change at any time due to a significant change in the member's needs.

(2) The member's habilitation services shall not exceed the maximum number of units established for each service in 441—subrule 79.1(2).

(3) The cost of the habilitation services shall not exceed unit expense maximums established in 441—subrule 79.1(2).

**78.27(3) Application for services.** The case manager shall apply for services on behalf of a member by entering a program request for habilitation services in ISIS. The department shall issue a notice of decision to the applicant when financial eligibility, determination of needs-based eligibility, and approval of the service plan have been completed.

**78.27(4) Comprehensive service plan.** Individualized, planned, and appropriate services shall be guided by a member-specific comprehensive service plan developed with the member in collaboration with an interdisciplinary team, as appropriate. Medically necessary services shall be planned for and provided at the locations where the member lives, learns, works, and socializes.

*a. Development.* A comprehensive service plan shall be developed for each member receiving home- and community-based habilitation services based on the member's current assessment and shall be reviewed on an annual basis.

(1) The case manager shall establish an interdisciplinary team for the member. The team shall include the case manager and the member and, if applicable, the member's legal representative, the member's family, the member's service providers, and others directly involved.

(2) With the interdisciplinary team, the case manager shall identify the member's services based on the member's needs, the availability of services, and the member's choice of services and providers.

(3) The comprehensive service plan development shall be completed at the member's home or at another location chosen by the member.

(4) The interdisciplinary team meeting shall be conducted before the current comprehensive service plan expires.

(5) The comprehensive service plan shall reflect desired individual outcomes.

(6) Services defined in the comprehensive service plan shall be appropriate to the severity of the member's problems and to the member's specific needs or disabilities.

(7) Activities identified in the comprehensive service plan shall encourage the ability and right of the member to make choices, to experience a sense of achievement, and to modify or continue participation in the treatment process.

(8) For members receiving home-based habilitation in a licensed residential care facility of 16 or fewer beds, the service plan shall address the member's opportunities for independence and community integration.

*b. Service goals and activities.* The comprehensive service plan shall:

(1) Identify observable or measurable individual goals.

(2) Identify interventions and supports needed to meet those goals with incremental action steps, as appropriate.

(3) Identify the staff persons, businesses, or organizations responsible for carrying out the interventions or supports.

(4) List all Medicaid and non-Medicaid services received by the member and identify:

1. The name of the provider responsible for delivering the service;

2. The funding source for the service; and
3. The number of units of service to be received by the member.
- (5) Identify for a member receiving home-based habilitation:
  1. The member's living environment at the time of enrollment;
  2. The number of hours per day of on-site staff supervision needed by the member; and
  3. The number of other members who will live with the member in the living unit.
- (6) Include a separate, individualized, anticipated discharge plan that is specific to each service the member receives.

*c. Rights restrictions.* Any rights restrictions must be implemented in accordance with 441—subrule 77.25(4). The comprehensive service plan shall include documentation of:

- (1) Any restrictions on the member's rights, including maintenance of personal funds and self-administration of medications;
- (2) The need for the restriction; and
- (3) Either a plan to restore those rights or written documentation that a plan is not necessary or appropriate.

*d. Emergency plan.* The comprehensive service plan shall include a plan for emergencies and identification of the supports available to the member in an emergency. Emergency plans shall be developed as follows:

(1) The member's interdisciplinary team shall identify in the comprehensive service plan any health and safety issues applicable to the individual member based on information gathered before the team meeting, including a risk assessment.

(2) The interdisciplinary team shall identify an emergency backup support and crisis response system to address problems or issues arising when support services are interrupted or delayed or the member's needs change.

(3) Providers of applicable services shall provide for emergency backup staff.

*e. Plan approval.* Services shall be entered into ISIS based on the comprehensive service plan. A service plan that has been validated and authorized through ISIS shall be considered approved by the department. Services must be authorized in ISIS as specified in paragraph 78.27(2) "e."

**78.27(5) Requirements for services.** Home- and community-based habilitation services shall be provided in accordance with the following requirements:

*a.* The services shall be based on the member's needs as identified in the member's comprehensive service plan.

*b.* The services shall be delivered in the least restrictive environment appropriate to the needs of the member.

*c.* The services shall include the applicable and necessary instruction, supervision, assistance, and support required by the member to achieve the member's life goals.

*d.* Service components that are the same or similar shall not be provided simultaneously.

*e.* Service costs are not reimbursable while the member is in a medical institution, including but not limited to a hospital or nursing facility.

*f.* Reimbursement is not available for room and board.

*g.* Services shall be billed in whole units.

*h.* Services shall be documented. Each unit billed must have corresponding financial and medical records as set forth in rule 441—79.3(249A).

**78.27(6) Case management.** Case management assists members in gaining access to needed medical, social, educational, housing, transportation, vocational, and other appropriate services in order to ensure the health, safety, and welfare of the member.

*a. Scope.* Case management services shall be provided as set forth in rules 441—90.5(249A) and 441—90.8(249A).

*b. Exclusion.* Payment shall not be made for case management provided to a member who is eligible for case management services under 441—Chapter 90.

**78.27(7) Home-based habilitation.** "Home-based habilitation" means individually tailored supports that assist with the acquisition, retention, or improvement of skills related to living in the community.

*a. Scope.* Home-based habilitation services are individualized supportive services provided in the member's home and community that assist the member to reside in the most integrated setting appropriate to the member's needs. Services are intended to provide for the daily living needs of the member and shall be available as needed during any 24-hour period. The specific support needs for each member shall be determined necessary by the interdisciplinary team and shall be identified in the member's comprehensive service plan. Covered supports include:

- (1) Adaptive skill development;
- (2) Assistance with activities of daily living;
- (3) Community inclusion;
- (4) Transportation;
- (5) Adult educational supports;
- (6) Social and leisure skill development;
- (7) Personal care; and
- (8) Protective oversight and supervision.

*b. Exclusions.* Home-based habilitation payment shall not be made for the following:

- (1) Room and board and maintenance costs, including the cost of rent or mortgage, utilities, telephone, food, household supplies, and building maintenance, upkeep, or improvement.
- (2) Service activities associated with vocational services, day care, medical services, or case management.
- (3) Transportation to and from a day program.
- (4) Services provided to a member who lives in a licensed residential care facility of more than 16 persons.
- (5) Services provided to a member who lives in a facility that provides the same service as part of an inclusive or "bundled" service rate, such as a nursing facility or an intermediate care facility for persons with mental retardation.

(6) Personal care and protective oversight and supervision may be a component part of home-based habilitation services but may not comprise the entirety of the service.

**78.27(8) Day habilitation.** "Day habilitation" means assistance with acquisition, retention, or improvement of self-help, socialization, and adaptive skills.

*a. Scope.* Day habilitation activities and environments are designed to foster the acquisition of skills, appropriate behavior, greater independence, and personal choice. Services focus on enabling the member to attain or maintain the member's maximum functional level and shall be coordinated with any physical, occupational, or speech therapies in the comprehensive service plan. Services may serve to reinforce skills or lessons taught in other settings. Services must enhance or support the member's:

- (1) Intellectual functioning;
- (2) Physical and emotional health and development;
- (3) Language and communication development;
- (4) Cognitive functioning;
- (5) Socialization and community integration;
- (6) Functional skill development;
- (7) Behavior management;
- (8) Responsibility and self-direction;
- (9) Daily living activities;
- (10) Self-advocacy skills; or
- (11) Mobility.

*b. Setting.* Day habilitation shall take place in a nonresidential setting separate from the member's residence. Services shall not be provided in the member's home. When the member lives in a residential care facility of more than 16 beds, day habilitation services provided in the facility are not considered to be provided in the member's home if the services are provided in an area apart from the member's sleeping accommodations.

*c. Duration.* Day habilitation services shall be furnished for four or more hours per day on a regularly scheduled basis for one or more days per week or as specified in the member's comprehensive

service plan. Meals provided as part of day habilitation shall not constitute a full nutritional regimen (three meals per day).

*d. Exclusions.* Day habilitation payment shall not be made for the following:

- (1) Vocational or prevocational services.
- (2) Services that duplicate or replace education or related services defined in Public Law 94-142, the Education of the Handicapped Act.
- (3) Compensation to members for participating in day habilitation services.

**78.27(9) *Prevocational habilitation.*** “Prevocational habilitation” means services that prepare a member for paid or unpaid employment.

*a. Scope.* Prevocational habilitation services include teaching concepts such as compliance, attendance, task completion, problem solving, and safety. Services are not oriented to a specific job task, but instead are aimed at a generalized result. Services shall be reflected in the member’s comprehensive service plan and shall be directed to habilitative objectives rather than to explicit employment objectives.

*b. Setting.* Prevocational habilitation services may be provided in a variety of community-based settings based on the individual need of the member. Meals provided as part of these services shall not constitute a full nutritional regimen (three meals per day).

*c. Exclusions.* Prevocational habilitation payment shall not be made for the following:

(1) Services that are available under a program funded under Section 110 of the Rehabilitation Act of 1973 or the Individuals with Disabilities Education Act (20 U.S.C. 1401 et seq.). Documentation that funding is not available for the service under these programs shall be maintained in the file of each member receiving prevocational habilitation services.

(2) Services that duplicate or replace education or related services defined in Public Law 94-142, the Education of the Handicapped Act.

(3) Compensation to members for participating in prevocational services.

**78.27(10) *Supported employment habilitation.*** “Supported employment habilitation” means services associated with maintaining competitive paid employment.

*a. Scope.* Supported employment habilitation services are intensive, ongoing supports that enable members to perform in a regular work setting. Services are provided to members who need support because of their disabilities and who are unlikely to obtain competitive employment at or above the minimum wage absent the provision of supports. Covered services include:

(1) Activities to obtain a job. Covered services directed to obtaining a job must be provided to or on behalf of a member for whom competitive employment is reasonably expected within less than one year. Services must be focused on job placement, not on teaching generalized employment skills or habilitative goals. Three conditions must be met before services are provided. First, the member and the interdisciplinary team described in subrule 78.27(4) must complete the form that Iowa vocational rehabilitation services uses to identify the supported employment services appropriate to meet a person’s employment needs. Second, the member’s interdisciplinary team must determine that the identified services are necessary. Third, the Iowa Medicaid enterprise medical services unit must approve the services. Available components of activities to obtain a job are as follows:

1. Job development services. Job development services are directed toward obtaining competitive employment. A unit of service is a job placement that the member holds for 30 consecutive calendar days or more. Payment is available once the service is authorized in the member’s service plan. A member may receive two units of job development services during a 12-month period. The activities provided to the member may include job procurement training, including grooming and hygiene, application, résumé development, interviewing skills, follow-up letters, and job search activities; job retention training, including promptness, coworker relations, transportation skills, disability-related supports, job benefits, and an understanding of employee rights and self-advocacy; and customized job development services specific to the member.

2. Employer development services. The focus of employer development services is to support employers in hiring and retaining members in their workforce and to communicate expectations of the employers to the interdisciplinary team described in subrule 78.27(4). Employer development services

may be provided only to members who are reasonably expected to work for no more than 10 hours per week. A unit of service is one job placement that the member holds for 30 consecutive calendar days or more. Payment for this service may be made only after the member holds the job for 30 days. A member may receive two units of employer development services during a 12-month period if the member is competitively employed for 30 or more consecutive calendar days and the other conditions for service approval are met. The services provided may include: developing relationships with employers and providing leads for individual members when appropriate; job analysis for a specific job; development of a customized training plan identifying job-specific skill requirements, employer expectations, teaching strategies, time frames, and responsibilities; identifying and arranging reasonable accommodations with the employer; providing disability awareness and training to the employer when it is deemed necessary; and providing technical assistance to the employer regarding the training progress as identified on the member's customized training plan.

3. Enhanced job search activities. Enhanced job search activities are associated with obtaining initial employment after job development services have been provided to the member for a minimum of 30 days or with assisting the member in changing jobs due to layoff, termination, or personal choice. The interdisciplinary team must review and update the Iowa vocational rehabilitation services supported employment readiness analysis form to determine if this service remains appropriate for the member's employment goals. A unit of service is an hour. A maximum of 26 units may be provided in a 12-month period. The services provided may include: job opening identification with the member; assistance with applying for a job, including completion of applications or interviews; and work site assessment and job accommodation evaluation.

(2) Supports to maintain employment, including the following services provided to or on behalf of the member:

1. Individual work-related behavioral management.
2. Job coaching.
3. On-the-job or work-related crisis intervention.
4. Assistance in the use of skills related to sustaining competitive paid employment, including assistance with communication skills, problem solving, and safety.
5. Assistance with time management.
6. Assistance with appropriate grooming.
7. Employment-related supportive contacts.
8. On-site vocational assessment after employment.
9. Employer consultation.

*b. Setting.* Supported employment may be conducted in a variety of settings, particularly work sites where persons without disabilities are employed.

(1) The majority of coworkers at any employment site with more than two employees where members seek, obtain, or maintain employment must be persons without disabilities.

(2) In the performance of job duties at any site where members seek, obtain, or maintain employment, the member must have daily contact with other employees or members of the general public who do not have disabilities, unless the absence of daily contact with other employees or the general public is typical for the job as performed by persons without disabilities.

(3) When services for maintaining employment are provided to members in a teamwork or "enclave" setting, the team shall include no more than eight people with disabilities.

*c. Service requirements.* The following requirements shall apply to all supported employment services:

(1) All supported employment services shall provide individualized and ongoing support contacts at intervals necessary to promote successful job retention.

(2) The provider shall provide employment-related adaptations required to assist the member in the performance of the member's job functions as part of the service.

(3) Community transportation options (such as carpools, coworkers, self or public transportation, families, volunteers) shall be attempted before the service provider provides transportation. When no

other resources are available, employment-related transportation between work and home and to or from activities related to employment may be provided as part of the service.

(4) Members may access both services to maintain employment and services to obtain a job for the purpose of job advancement or job change. A member may receive a maximum of three job placements in a 12-month period and a maximum of 40 units per week of services to maintain employment.

*d. Exclusions.* Supported employment habilitation payment shall not be made for the following:

(1) Services that are available under a program funded under Section 110 of the Rehabilitation Act of 1973 or the Individuals with Disabilities Education Act (20 U.S.C. 1401 et seq.). Documentation that funding is not available under these programs shall be maintained in the file of each member receiving supported employment services.

(2) Incentive payments made to an employer to encourage or subsidize the employer's participation in a supported employment program.

(3) Subsidies or payments that are passed through to users of supported employment programs.

(4) Training that is not directly related to a member's supported employment program.

(5) Services involved in placing or maintaining members in day activity programs, work activity programs, or sheltered workshop programs.

(6) Supports for volunteer work or unpaid internships.

(7) Tuition for education or vocational training.

(8) Individual advocacy that is not member-specific.

**78.27(11) Adverse service actions.**

*a. Denial.* Services shall be denied when the department determines that:

(1) Rescinded IAB 12/29/10, effective 1/1/11.

(2) The member is not eligible for or in need of home- and community-based habilitation services.

(3) The service is not identified in the member's comprehensive service plan.

(4) Needed services are not available or received from qualifying providers, or no qualifying providers are available.

(5) The member's service needs exceed the unit or reimbursement maximums for a service as set forth in 441—subrule 79.1(2).

(6) Completion or receipt of required documents for the program has not occurred.

*b. Reduction.* A particular home- and community-based habilitation service may be reduced when the department determines that continued provision of service at its current level is not necessary.

*c. Termination.* A particular home- and community-based habilitation service may be terminated when the department determines that:

(1) The member's income exceeds the allowable limit, or the member no longer meets other eligibility criteria for the program established by the department.

(2) The service is not identified in the member's comprehensive service plan.

(3) Needed services are not available or received from qualifying providers, or no qualifying providers are available.

(4) The member's service needs are not being met by the services provided.

(5) The member has received care in a medical institution for 30 consecutive days in any one stay. When a member has been an inpatient in a medical institution for 30 consecutive days, the department will issue a notice of decision to inform the member of the service termination. If the member returns home before the effective date of the notice of decision and the member's condition has not substantially changed, the decision shall be rescinded, and eligibility for home- and community-based habilitation services shall continue.

(6) The member's service needs exceed the unit or reimbursement maximums for a service as established by the department.

(7) Duplication of services provided during the same period has occurred.

(8) The member or the member's legal representative, through the interdisciplinary process, requests termination of the service.

(9) Completion or receipt of required documents for the program has not occurred, or the member refuses to allow documentation of eligibility as to need and income.

*d. Appeal rights.* The department shall give notice of any adverse action and the right to appeal in accordance with 441—Chapter 7. The member is entitled to have a review of the determination of needs-based eligibility by the Iowa Medicaid enterprise medical services unit by sending a letter requesting a review to the medical services unit. If dissatisfied with that decision, the member may file an appeal with the department.

**78.27(12) County reimbursement.** The county board of supervisors of the member's county of legal settlement shall reimburse the department for all of the nonfederal share of the cost of home- and community-based habilitation services provided to an adult member with a chronic mental illness as defined in 441—Chapter 90. The department shall notify the county's central point of coordination administrator through ISIS of the approval of the member's service plan.

This rule is intended to implement Iowa Code section 249A.4.  
[ARC 7957B, IAB 7/15/09, effective 7/1/09 (See Delay note at end of chapter); ARC 9311B, IAB 12/29/10, effective 1/1/11]

**441—78.28(249A) List of medical services and equipment requiring prior approval, preprocedure review or preadmission review.**

**78.28(1)** Services, procedures, and medications prescribed by a physician (M.D. or D.O.) which are subject to prior approval or preprocedure review are as follows or as specified in the preferred drug list published by the department pursuant to Iowa Code Supplement section 249A.20A:

*a.* Drugs require prior authorization as specified in the preferred drug list published by the department pursuant to Iowa Code section 249A.20A. For drugs requiring prior authorization, reimbursement will be made for a 72-hour supply dispensed in an emergency when a prior authorization request cannot be submitted.

*b.* Automated medication dispenser. (Cross-reference 78.10(2) "b") Payment will be approved for an automated medication dispenser when prescribed for a member who meets all of the following conditions:

(1) The member has a diagnosis indicative of cognitive impairment or age-related factors that affect the member's ability to remember to take medications.

(2) The member is on two or more medications prescribed to be administered more than one time a day.

(3) The availability of a caregiver to administer the medications or perform setup is limited or nonexistent.

(4) Less costly alternatives, such as medisets or telephone reminders, have failed.

*c.* Enteral products and enteral delivery pumps and supplies require prior approval. Daily enteral nutrition therapy shall be approved as medically necessary only for a member who either has a metabolic or digestive disorder that prevents the member from obtaining the necessary nutritional value from usual foods in any form and cannot be managed by avoidance of certain food products or has a severe pathology of the body that does not allow ingestion or absorption of sufficient nutrients from regular food to maintain weight and strength commensurate with the member's general condition. (Cross-reference 78.10(3) "c"(2))

(1) A request for prior approval shall include a physician's, physician assistant's, or advanced registered nurse practitioner's written order or prescription and documentation to establish the medical necessity for enteral products and enteral delivery pumps and supplies pursuant to the above standards. The documentation shall include:

1. A statement of the member's total medical condition that includes a description of the member's metabolic or digestive disorder or pathology.

2. Documentation of the medical necessity for commercially prepared products. The information submitted must identify other methods attempted to support the member's nutritional status and indicate that the member's nutritional needs were not or could not be met by regular food in pureed form.

3. Documentation of the medical necessity for an enteral pump, if the request includes an enteral pump. The information submitted must identify the medical reasons for not using a gravity feeding set.

(2) Examples of conditions that will not justify approval of enteral nutrition therapy are: weight-loss diets, wired-shut jaws, diabetic diets, milk or food allergies (unless the member is under

five years of age and coverage through the Women, Infant and Children's program is not available), and the use of enteral products for convenience reasons when regular food in pureed form would meet the medical need of the member.

(3) Basis of payment for nutritional therapy supplies shall be the least expensive method of delivery that is reasonable and medically necessary based on the documentation submitted.

*d.* Rescinded IAB 5/11/05, effective 5/1/05.

*e.* Augmentative communication systems, which are provided to persons unable to communicate their basic needs through oral speech or manual sign language, require prior approval. Form 470-2145, Augmentative Communication System Selection, completed by a speech pathologist and a physician's prescription for a particular device shall be submitted to request prior approval. (Cross-reference 78.10(3) "c"(1))

(1) Information requested on the prior authorization form includes a medical history, diagnosis, and prognosis completed by a physician. In addition, a speech or language pathologist needs to describe current functional abilities in the following areas: communication skills, motor status, sensory status, cognitive status, social and emotional status, and language status.

(2) Also needed from the speech or language pathologist is information on educational ability and needs, vocational potential, anticipated duration of need, prognosis regarding oral communication skills, prognosis with a particular device, and recommendations.

(3) The department's consultants with an expertise in speech pathology will evaluate the prior approval requests and make recommendations to the department.

*f.* Preprocedure review by the Iowa Foundation for Medical Care (IFMC) will be required if payment under Medicaid is to be made for certain frequently performed surgical procedures which have a wide variation in the relative frequency the procedures are performed. Preprocedure surgical review applies to surgeries performed in hospitals (outpatient and inpatient) and ambulatory surgical centers. Approval by IFMC will be granted only if the procedures are determined to be necessary based on the condition of the patient and on the published criteria established by the department and the IFMC. If not so approved by the IFMC, payment will not be made under the program to the physician or to the facility in which the surgery is performed. The criteria are available from IFMC, 3737 Woodland Avenue, Suite 500, West Des Moines, Iowa 50265, or in local hospital utilization review offices.

The "Preprocedure Surgical Review List" shall be published by the department in the provider manuals for physicians, hospitals, and ambulatory surgical centers. (Cross-reference 78.1(19))

*g.* Prior authorization is required for enclosed beds. (Cross-reference 78.10(2) "c") The department shall approve payment for an enclosed bed when prescribed for a patient who meets all of the following conditions:

(1) The patient has a diagnosis-related cognitive or communication impairment that results in risk to safety.

(2) The patient's mobility puts the patient at risk for injury.

(3) The patient has suffered injuries when getting out of bed.

*h.* Prior authorization is required for external insulin infusion pumps and is granted according to Medicare coverage criteria. (Cross-reference 78.10(2) "c")

*i.* Prior authorization is required for oral nutritional products. (Cross-reference 78.10(2) "c") The department shall approve payment for oral nutritional products when the member is not able to ingest or absorb sufficient nutrients from regular food due to a metabolic, digestive, or psychological disorder or pathology to the extent that supplementation is necessary to provide 51 percent or more of the daily caloric intake, or when the use of oral nutritional products is otherwise determined medically necessary in accordance with evidence-based guidelines for treatment of the member's condition.

(1) A request for prior approval shall include a written order or prescription from a physician, physician assistant, or advanced registered nurse practitioner and documentation to establish the medical necessity for oral nutritional products pursuant to these standards. The documentation shall include:

1. A statement of the member's total medical condition that includes a description of the member's metabolic, digestive, or psychological disorder or pathology.

2. Documentation of the medical necessity for commercially prepared products. The information submitted must identify other methods attempted to support the member's nutritional status and indicate that the member's nutritional needs were not or could not be met by regular food in pureed form.

3. Documentation to support the fact that regular foods will not provide sufficient nutritional value to the member, if the request includes oral supplementation of a regular diet.

(2) Examples of conditions that will not justify approval of oral nutritional products are: weight-loss diets, wired-shut jaws, diabetic diets, and milk or food allergies (unless the member is under five years of age and coverage through the Special Supplemental Nutrition Program for Women, Infants, and Children is not available).

*j.* Prior authorization is required for vest airway clearance systems. (Cross-reference 78.10(2)“c”) The department shall approve payment for a vest airway clearance system when prescribed by a pulmonologist for a patient with a medical diagnosis related to a lung disorder if all of the following conditions are met:

(1) Pulmonary function tests for the 12 months before initiation of the vest demonstrate an overall significant decrease of lung function.

(2) The patient resides in an independent living situation or has a medical condition that precludes the caregiver from administering traditional chest physiotherapy.

(3) Treatment by flutter device failed or is contraindicated.

(4) Treatment by intrapulmonary percussive ventilation failed or is contraindicated.

(5) All other less costly alternatives have been tried.

*k.* Prior authorization is required for blood glucose monitors and diabetic test strips produced by a manufacturer that does not have a current agreement to provide a rebate to the department for monitors or test strips provided through the Medicaid program. The department shall approve payment when a blood glucose monitor or diabetic test strips produced by a manufacturer that does not have a current rebate agreement with the department are medically necessary.

**78.28(2)** Dental services. Dental services which require prior approval are as follows:

*a.* The following periodontal services:

(1) Payment for periodontal scaling and root planing will be approved when interproximal and subgingival calculus is evident in X-rays or when justified and documented that curettage, scaling or root planing is required in addition to routine prophylaxis. (Cross-reference 78.4(4)“b”)

(2) Payment for pedicle soft tissue graft and free soft tissue graft will be approved when the written narrative describes medical necessity. Payment for other periodontal surgical procedures will be approved after periodontal scaling and root planing has been provided, a reevaluation examination has been completed, and the patient has demonstrated reasonable oral hygiene, unless the patient is unable to demonstrate reasonable oral hygiene because of physical or mental disability or in cases which demonstrate gingival hyperplasia resulting from drug therapy. (Cross-reference 78.4(4)“c”)

(3) Payment for pedicle soft tissue graft and free soft tissue graft will be approved when the written narrative describes medical necessity. (Cross-reference 78.4(4)“d”)

(4) Payment for periodontal maintenance therapy may be approved after periodontal scaling and root planing or periodontal surgical procedures have been provided. Periodontal maintenance therapy may be approved once per three-month interval for moderate to advanced cases if the condition would deteriorate without treatment. (Cross-reference 78.4(4)“e”)

*b.* Surgical endodontic treatment which includes an apicoectomy, performed as a separate surgical procedure; an apicoectomy, performed in conjunction with endodontic procedure; an apical curettage; a root resection; or excision of hyperplastic tissue will be approved when nonsurgical treatment has been attempted and a reasonable time has elapsed after which failure has been demonstrated. Surgical endodontic procedures may be indicated when:

(1) Conventional root canal treatment cannot be successfully completed because canals cannot be negotiated, debrided or obturated due to calcifications, blockages, broken instruments, severe curvatures, and dilacerated roots.

(2) Correction of problems resulting from conventional treatment including gross underfilling, perforations, and canal blockages with restorative materials. (Cross-reference 78.4(5)“c”)

c. The following prosthetic services:

(1) A removable partial denture replacing posterior teeth will be approved when the member has fewer than eight posterior teeth in occlusion or the member has a full denture in one arch, and a partial denture replacing posterior teeth is required in the opposing arch to balance occlusion. When one removable partial denture brings eight posterior teeth in occlusion, no additional removable partial denture will be approved. A removable partial denture replacing posterior teeth is payable only once in a five-year period unless the removable partial denture is broken beyond repair, lost or stolen, or no longer fits due to growth or changes in jaw structure, and is required to prevent significant dental problems. Replacement of a removable partial denture replacing posterior teeth due to resorption in less than a five-year period is not payable. (Cross-reference 78.4(7) "c")

(2) A fixed partial denture (including an acid etch fixed partial denture) replacing anterior teeth will be approved for members whose medical condition precludes the use of a removable partial denture. High noble or noble metals will be approved only when the member is allergic to all other restorative materials. A fixed partial denture replacing anterior teeth is payable only once in a five-year period unless the fixed partial denture is broken beyond repair. (Cross-reference 78.4(7) "d")

(3) A fixed partial denture (including an acid etch fixed partial denture) replacing posterior teeth will be approved for members whose medical condition precludes the use of a removable partial denture and who have fewer than eight posterior teeth in occlusion or if the member has a full denture in one arch and a partial denture replacing posterior teeth is required in the opposing arch to balance occlusion. When one fixed partial denture brings eight posterior teeth in occlusion, no additional fixed partial denture will be approved. High noble or noble metals will be approved only when the member is allergic to all other restorative materials. A fixed partial denture replacing posterior teeth is payable only once in a five-year period unless the fixed partial denture is broken beyond repair. (Cross-reference 78.4(7) "e")

(4) Dental implants and related services will be authorized when the member is missing significant oral structures due to cancer, traumatic injuries, or developmental defects such as cleft palate and cannot use a conventional denture.

d. Orthodontic services will be approved when it is determined that a patient has the most handicapping malocclusion. This determination is made in a manner consistent with the "Handicapping Malocclusion Assessment to Establish Treatment Priority," by J. A. Salzmann, D.D.S., American Journal of Orthodontics, October 1968.

(1) A handicapping malocclusion is a condition that constitutes a hazard to the maintenance of oral health and interferes with the well-being of the patient by causing impaired mastication, dysfunction of the temporomandibular articulation, susceptibility to periodontal disease, susceptibility to dental caries, and impaired speech due to malpositions of the teeth. Treatment of handicapping malocclusions will be approved only for the severe and the most handicapping. Assessment of the most handicapping malocclusion is determined by the magnitude of the following variables:

1. Degree of malalignment;
2. Missing teeth;
3. Angle classification;
4. Overjet and overbite;
5. Openbite; and
6. Crossbite.

(2) A request to perform an orthodontic procedure must be accompanied by an interpreted cephalometric radiograph and study models trimmed so that the models simulate centric occlusion of the patient. A written plan of treatment must accompany the diagnostic aids. Posttreatment records must be furnished upon request of the Iowa Medicaid enterprise medical services unit.

(3) Approval may be made for eight units of a three-month active treatment period. Additional units may be approved by the department's orthodontic consultant if the additional units are found to be medically necessary. (Cross-reference 78.4(8) "a")

e. More than two laboratory-fabricated crowns will be approved in a 12-month period for anterior teeth that cannot be restored with a composite or amalgam restoration and for posterior teeth that

cannot be restored with a composite or amalgam restoration or stainless steel crown. (Cross-reference 78.4(3) "d")

*f.* Endodontic retreatment of a tooth will be authorized when the conventional treatment has been completed, a reasonable time has elapsed, and failure has been demonstrated with a radiograph and narrative history.

**78.28(3)** Optometric services and ophthalmic materials which must be submitted for prior approval are as follows:

*a.* A second lens correction within a 24-month period for members eight years of age and older. Payment shall be made when the member's vision has at least a five-tenths diopter of change in sphere or cylinder or ten-degree change in axis in either eye.

*b.* Visual therapy may be authorized when warranted by case history or diagnosis for a period of time not greater than 90 days. Should continued therapy be warranted, the prior approval process should be reaccomplished, accompanied by a report showing satisfactory progress. Approved diagnoses are convergence insufficiency and amblyopia. Visual therapy is not covered when provided by opticians.

*c.* Subnormal visual aids where near visual acuity is better than 20/100 at 16 inches, 2M print. Prior authorization is not required if near visual acuity as described above is less than 20/100. Subnormal aids include, but are not limited to, hand magnifiers, loupes, telescopic spectacles or reverse Galilean telescope systems.

For all of the above, the optometrist shall furnish sufficient information to clearly establish that these procedures are necessary in terms of the visual condition of the patient. (Cross-references 78.6(4), 441—78.7(249A), and 78.1(18))

**78.28(4)** Hearing aids that must be submitted for prior approval are:

*a.* Replacement of a hearing aid less than four years old (except when the member is under 21 years of age). The department shall approve payment when the original hearing aid is lost or broken beyond repair or there is a significant change in the person's hearing that would require a different hearing aid. (Cross-reference 78.14(7) "d"(1))

*b.* A hearing aid costing more than \$650. The department shall approve payment for either of the following purposes (Cross-reference 78.14(7) "d"(2)):

(1) Educational purposes when the member is participating in primary or secondary education or in a postsecondary academic program leading to a degree and an in-office comparison of an analog aid and a digital aid matched (+/- 5dB) for gain and output shows a significant improvement in either speech recognition in quiet or speech recognition in noise or an in-office comparison of two aids, one of which is single channel, shows significantly improved audibility.

(2) Vocational purposes when documentation submitted indicates the necessity, such as varying amounts of background noise in the work environment and a need to converse in order to do the job and an in-office comparison of an analog aid and a digital aid matched (+/- 5dB) for gain and output shows a significant improvement in either speech recognition in quiet or speech recognition in noise or an in-office comparison of two aids, one of which is single channel, shows significantly improved audibility.

**78.28(5)** Hospital services which must be subject to prior approval, preprocedure review or preadmission review are:

*a.* Any medical or surgical procedure requiring prior approval as set forth in Chapter 78 is subject to the conditions for payment set forth although a request form does not need to be submitted by the hospital as long as the approval is obtained by the physician. (Cross-reference 441—78.1(249A))

*b.* All inpatient hospital admissions are subject to preadmission review. Payment for inpatient hospital admissions is approved when it meets the criteria for inpatient hospital care as determined by the IFMC or its delegated hospitals. Criteria are available from IFMC, 6000 Westown Parkway, Suite 350E, West Des Moines, Iowa 50265-7771, or in local hospital utilization review offices. (Cross-reference 441—78.3(249A))

*c.* Preprocedure review by the IFMC is required if hospitals are to be reimbursed for the inpatient and outpatient surgical procedures set forth in subrule 78.1(19). Approval by the IFMC will be granted only if the procedures are determined to be necessary based on the condition of the patient and the criteria

established by the department and IFMC. The criteria are available from IFMC, 6000 Westown Parkway, Suite 350E, West Des Moines, Iowa 50265-7771, or in local hospital utilization review offices.

**78.28(6)** Ambulatory surgical centers are subject to prior approval and preprocedure review as follows:

*a.* Any medical or surgical procedure requiring prior approval as set forth in Chapter 78 is subject to the conditions for payment set forth although a request form does not need to be submitted by the ambulatory surgical center as long as the prior approval is obtained by the physician.

*b.* Preprocedure review by the IFMC is required if ambulatory surgical centers are to be reimbursed for surgical procedures as set forth in subrule 78.1(19). Approval by the IFMC will be granted only if the procedures are determined to be necessary based on the condition of the patient and criteria established by the IFMC and the department. The criteria are available from IFMC, 6000 Westown Parkway, Suite 350E, West Des Moines, Iowa 50265-7771, or in local hospital utilization review offices.

**78.28(7)** Rescinded IAB 6/4/08, effective 5/15/08.

**78.28(8)** Rescinded IAB 1/3/96, effective 3/1/96.

**78.28(9)** Private duty nursing or personal care services provided by a home health agency provider for persons aged 20 or under require prior approval and shall be approved if determined to be medically necessary. Payment shall be made on an hourly unit of service.

*a.* Definitions.

(1) Private duty nursing services are those services which are provided by a registered nurse or a licensed practical nurse under the direction of the member's physician to a member in the member's place of residence or outside the member's residence, when normal life activities take the member outside the place of residence. Place of residence does not include nursing facilities, intermediate care facilities for the mentally retarded, or hospitals.

Services shall be provided according to a written plan of care authorized by a licensed physician. The home health agency is encouraged to collaborate with the member, or in the case of a child with the child's caregiver, in the development and implementation of the plan of treatment. These services shall exceed intermittent guidelines as defined in subrule 78.9(3). Private duty nursing and personal care services shall be inclusive of all home health agency services personally provided to the member.

Private duty nursing services do not include:

1. Respite care, which is a temporary intermission or period of rest for the caregiver.
2. Nurse supervision services including chart review, case discussion or scheduling by a registered nurse.
3. Services provided to other persons in the member's household.
4. Services requiring prior authorization that are provided without regard to the prior authorization process.

(2) Personal care services are those services provided by a home health aide or certified nurse's aide and which are delegated and supervised by a registered nurse under the direction of the member's physician to a member in the member's place of residence or outside the member's residence, when normal life activities take the member outside the place of residence. Place of residence does not include nursing facilities, intermediate care facilities for the mentally retarded, or hospitals. Payment for personal care services for persons aged 20 and under that exceed intermittent guidelines may be approved if determined to be medically necessary as defined in subrule 78.9(7). These services shall be in accordance with the member's plan of care and authorized by a physician. The home health agency is encouraged to collaborate with the member, or in the case of a child with the child's caregiver, in the development and implementation of the plan of treatment.

Medical necessity means the service is reasonably calculated to prevent, diagnose, correct, cure, alleviate or prevent the worsening of conditions that endanger life, cause pain, result in illness or infirmity, threaten to cause or aggravate a disability or chronic illness, and no other equally effective course of treatment is available or suitable for the member requesting a service.

*b.* Requirements.

(1) Private duty nursing or personal care services shall be ordered in writing by a physician as evidenced by the physician's signature on the plan of care.

(2) Private duty nursing or personal care services shall be authorized by the department or the department's designated review agent prior to payment.

(3) Prior authorization shall be requested at the time of initial submission of the plan of care or at any time the plan of care is substantially amended and shall be renewed with the department or the department's designated review agent. Initial request for and request for renewal of prior authorization shall be submitted to the department's designated review agent. The provider of the service is responsible for requesting prior authorization and for obtaining renewal of prior authorization.

The request for prior authorization shall include a nursing assessment, the plan of care, and supporting documentation. The request for prior authorization shall include all items previously identified as required treatment plan information and shall further include: any planned surgical interventions and projected time frame; information regarding caregiver's desire to become involved in the member's care, to adhere to program objectives, to work toward treatment plan goals, and to work toward maximum independence; and identify the types and service delivery levels of all other services to the member whether or not the services are reimbursable by Medicaid. Providers shall indicate the expected number of private duty nursing RN hours, private duty nursing LPN hours, or home health aide hours per day, the number of days per week, and the number of weeks or months of service per discipline. If the member is currently hospitalized, the projected date of discharge shall be included.

Prior authorization approvals shall not be granted for treatment plans that exceed 16 hours of home health agency services per day. (Cross-reference 78.9(10))

**78.28(10)** Replacement of vibrotactile aids less than four years old shall be approved when the original aid is broken beyond repair or lost. (Cross-reference 78.10(3) "b")

This rule is intended to implement Iowa Code section 249A.4.  
[ARC 7548B, IAB 2/11/09, effective 4/1/09; ARC 8714B, IAB 5/5/10, effective 5/1/10]

**441—78.29(249A) Behavioral health services.** Payment shall be made for medically necessary behavioral health services provided by a participating marital and family therapist, independent social worker, or master social worker within the practitioner's scope of practice pursuant to state law and subject to the limitations and exclusions set forth in this rule.

**78.29(1) Limitations.**

- a. An assessment and a treatment plan are required.
- b. Services provided by a licensed master social worker must be provided under the supervision of an independent social worker qualified to participate in the Medicaid program.

**78.29(2) Exclusions.** Payment will not be approved for the following services:

- a. Services provided in a medical institution.
- b. Services performed without relationship to a specific condition, risk factor, symptom, or complaint.
- c. Services provided for nonspecific conditions of distress such as job dissatisfaction or general unhappiness.
- d. Sensitivity training, marriage enrichment, assertiveness training, and growth groups or marathons.

**78.29(3) Payment.**

- a. Payment shall be made only for time spent in face-to-face consultation with the member.
- b. A unit of service is 15 minutes. Time spent with members shall be rounded to the quarter hour, where applicable.

This rule is intended to implement Iowa Code section 249A.4.

**441—78.30(249A) Birth centers.** Payment will be made for prenatal, delivery, and postnatal services.

**78.30(1) Risk assessment.** Risk assessment, using Form 470-2942, Medicaid Prenatal Risk Assessment, shall be completed at the initial visit during a Medicaid member's pregnancy.

*a.* If the risk assessment reflects a low-risk pregnancy, the assessment shall be completed again at approximately the twenty-eighth week of pregnancy.

*b.* If the risk assessment reflects a high-risk pregnancy, referral shall be made for enhanced services. (See description of enhanced services at subrule 78.25(3).)

**78.30(2) Vaccines.** Vaccines available through the Vaccines for Children program under Section 1928 of the Social Security Act are not covered as birth center services. Birth centers that wish to administer those vaccines to Medicaid members shall enroll in the Vaccines for Children program and obtain the vaccines from the department of public health. Birth centers shall receive reimbursement for the administration of vaccines to Medicaid members.

This rule is intended to implement Iowa Code section 249A.4.

**441—78.31(249A) Hospital outpatient services.**

**78.31(1) Covered hospital outpatient services.** Payment will be approved only for the following outpatient hospital services and medical services when provided on the licensed premises of the hospital or pursuant to subrule 78.31(5). Hospitals with alternate sites approved by the department of inspections and appeals are acceptable sites. All outpatient services listed in paragraphs “g” to “m” are subject to a random sample retrospective review for medical necessity by the Iowa Foundation for Medical Care. All services may also be subject to a more intensive retrospective review if abuse is suspected. Services in paragraphs “a” to “f” shall be provided in hospitals on an outpatient basis and are subject to no further limitations except medical necessity of the service.

Services listed in paragraphs “g” to “m” shall be provided by hospitals on an outpatient basis and must be certified by the department before payment may be made. Other limitations apply to these services.

- a.* Emergency service.
- b.* Outpatient surgery.
- c.* Laboratory, X-ray and other diagnostic services.
- d.* General or family medicine.
- e.* Follow-up or after-care specialty clinics.
- f.* Physical medicine and rehabilitation.
- g.* Alcoholism and substance abuse.
- h.* Eating disorders.
- i.* Cardiac rehabilitation.
- j.* Mental health.
- k.* Pain management.
- l.* Diabetic education.
- m.* Pulmonary rehabilitation.
- n.* Nutritional counseling for persons aged 20 and under.

**78.31(2) Requirements for all outpatient services.**

*a.* Need for service. It must be clearly established that the service meets a documented need in the area served by the hospital. There must be documentation of studies completed, consultations with other health care facilities and health care professionals in the area, community leaders, and organizations to determine the need for the service and to tailor the service to meet that particular need.

*b.* Professional direction. All outpatient services must be provided by or at the direction and under the supervision of a medical doctor or osteopathic physician except for mental health services which may be provided by or at the direction and under the supervision of a medical doctor, osteopathic physician, or certified health service provider in psychology.

*c.* Goals and objectives. The goals and objectives of the program must be clearly stated. Paragraphs “d” and “f” and the organization and administration of the program must clearly contribute to the fulfillment of the stated goals and objectives.

*d.* Treatment modalities used. The service must employ multiple treatment modalities and professional disciplines. The modalities and disciplines employed must be clearly related to the condition or disease being treated.

*e.* Criteria for selection and continuing treatment of patients. The condition or disease which is proposed to be treated must be clearly stated. Any indications for treatment or contraindications for treatment must be set forth together with criteria for determining the continued medical necessity of treatment.

*f.* Length of program. There must be established parameters that limit the program either in terms of its overall length or in terms of number of visits, etc.

*g.* Monitoring of services. The services provided by the program must be monitored and evaluated to determine the degree to which patients are receiving accurate assessments and effective treatment.

The monitoring of the services must be an ongoing plan and systematic process to identify problems in patient care or opportunities to improve patient care.

The monitoring and evaluation of the services are based on the use of clinical indicators that reflect those components of patient care important to quality.

*h.* Hospital outpatient programs that wish to administer vaccines which are available through the Vaccines for Children program to Medicaid members shall enroll in the Vaccines for Children program. In lieu of payment, vaccines available through the Vaccines for Children program shall be accessed from the department of public health for Medicaid members. Hospital outpatient programs receive payment via the APC reimbursement for the administration of vaccines to Medicaid members.

**78.31(3) Application for certification.** Hospital outpatient programs listed in subrule 78.31(1), paragraphs “g” to “m,” must submit an application to the Iowa Medicaid enterprise provider services unit for certification before payment will be made. The provider services unit will review the application against the requirements for the specific type of outpatient service and notify the provider whether certification has been approved.

Applications will consist of a narrative providing the following information:

*a.* Documented need for the program including studies, needs assessments, and consultations with other health care professionals.

*b.* Goals and objectives of the program.

*c.* Organization and staffing including how the program fits with the rest of the hospital, the number of staff, staff credentials, and the staff’s relationship to the program, e.g., hospital employee, contractual consultant.

*d.* Policies and procedures including admission criteria, patient assessment, treatment plan, discharge plan and postdischarge services, and the scope of services provided, including treatment modalities.

*e.* Any accreditations or other types of approvals from national or state organizations.

*f.* The physical facility and any equipment to be utilized, and whether the facility is part of the hospital license.

**78.31(4) Requirements for specific types of service.**

*a.* Alcoholism and substance abuse.

(1) Approval by joint commission or substance abuse commission. In addition to certification by the department, alcoholism and substance abuse programs must also be approved by either the joint commission on the accreditation of hospitals or the Iowa substance abuse commission.

(2) General characteristics. The services must be designed to identify and respond to the biological, psychological and social antecedents, influences and consequences associated with the recipient’s dependence.

These needed services must be provided either directly by the facility or through referral, consultation or contractual arrangements or agreements.

Special treatment needs of recipients by reason of age, gender, sexual orientation, or ethnic origin are evaluated and services for children and adolescents (as well as adults, if applicable) address the special needs of these age groups, including but not limited to, learning problems in education, family involvement, developmental status, nutrition, and recreational and leisure activities.

(3) Diagnostic and treatment staff. Each person who provides diagnostic or treatment services shall be determined to be competent to provide the services by reason of education, training, and experience.

Professional disciplines which must be represented on the diagnostic and treatment staff, either through employment by the facility (full-time or part-time), contract or referral, are a physician (M.D. or D.O.), a licensed psychologist and a substance abuse counselor certified by the Iowa board of substance abuse certification. Psychiatric consultation must be available and the number of staff should be appropriate to the patient load of the facility.

(4) Initial assessment. A comprehensive assessment of the biological, psychological, social, and spiritual orientation of the patient must be conducted which shall include:

A history of the use of alcohol and other drugs including age of onset, duration, patterns, and consequences of use; use of alcohol and drugs by family members and types of and responses to previous treatment.

A comprehensive medical history and physical examination including the history of physical problems associated with dependence.

Appropriate laboratory screening tests based on findings of the history and physical examination and tests for communicable diseases when indicated.

Any history of physical abuse.

A systematic mental status examination with special emphasis on immediate recall and recent and remote memory.

A determination of current and past psychiatric and psychological abnormality.

A determination of any degree of danger to self or others.

The family's history of alcoholism and other drug dependencies.

The patient's educational level, vocational status, and job performance history.

The patient's social support networks, including family and peer relationships.

The patient's perception of the patient's strengths, problem areas, and dependencies.

The patient's leisure, recreational, or vocational interests and hobbies.

The patient's ability to participate with peers and in programs and social activities.

Interview of family members and significant others as available with the patient's written or verbal permission.

Legal problems, if applicable.

(5) Admission criteria. Both of the first two criteria and one additional criterion from the following list must be present for a patient to be accepted for treatment.

Alcohol or drugs taken in greater amounts over a longer period than the person intended.

Two or more unsuccessful efforts to cut down or control use of alcohol or drugs.

Continued alcohol or drug use despite knowledge of having a persistent or recurrent family, social, occupational, psychological, or physical problem that is caused or exacerbated by the use of alcohol or drugs.

Marked tolerance: the need for markedly increased amounts of alcohol or drugs (i.e., at least a 50 percent increase) in order to achieve intoxication or desired effect or markedly diminished effect with continued use of same amount.

Characteristic withdrawal symptoms.

Alcohol or drugs taken often to relieve or avoid withdrawal symptoms.

(6) Plan of treatment. For each patient there is a written comprehensive and individualized description of treatment to be undertaken. The treatment plan is based on the problems and needs identified in the assessment and specifies the regular times at which the plan will be reassessed.

The patient's perception of needs and, when appropriate and available, the family's perception of the patient's needs shall be documented.

The patient's participation in the development of the treatment plan is sought and documented.

Each patient is reassessed to determine current clinical problems, needs, and responses to treatment. Changes in treatment are documented.

(7) Discharge plan. For each patient before discharge, a plan for discharge is designed to provide appropriate continuity of care which meets the following requirements:

The plan for continuing care must describe and facilitate the transfer of the patient and the responsibility for the patient's continuing care to another phase or modality of the program, other programs, agencies, persons or to the patient and the patient's personal support system.

The plan is in accordance with the patient's reassessed needs at the time of transfer.

The plan is developed in collaboration with the patient and, as appropriate and available, with the patient's written verbal permission with family members.

The plan is implemented in a manner acceptable to the patient and the need for confidentiality.

Implementation of the plan includes timely and direct communication with and transfer of information to the other programs, agencies, or persons who will be providing continuing care.

(8) Restrictions and limitations on payment. Medicaid will reimburse for a maximum of 28 treatment days. Payment beyond 28 days is made when documentation indicates that the patient has not reached an exit level.

If an individual has completed all or part of the basic 28-day program, a repeat of the program will be reimbursed with justification. The program will include an aftercare component meeting weekly for at least one year without charge.

*b.* Eating disorders.

(1) General characteristics. Eating disorders are characterized by gross disturbances in eating behavior. Eating disorders include anorexia nervosa, bulimia, or bulimarexia. Compulsive overeaters are not acceptable for this program.

(2) Diagnostic and treatment staff. Each person who provides diagnostic or treatment services shall be determined to be competent to provide the services by reason of education, training, and experience.

Professional disciplines which must be represented on the diagnostic and treatment staff, either through employment by a facility (full-time or part-time), contract or referral, are a physician (M.D. or D.O.), a licensed psychologist, a counselor with a master's or bachelor's degree and experience, a dietitian with a bachelor's degree and registered dietitian's certificate, and a licensed occupational therapist. The number of staff should be appropriate to the patient load of the facility.

(3) Initial assessment. A comprehensive assessment of the biological, psychological, social, and family orientation of the patient must be conducted. The assessment must include a weight history and a history of the patient's eating and dieting behavior, including binge eating, onset, patterns, and consequences. The assessment shall include the following:

A family history as well as self-assessment regarding chronic dieting, obesity, anorexia, bulimia, drug abuse, alcohol problems, depression, hospitalization for psychiatric reasons, and threatened or attempted suicide.

A history of purging behavior including frequency and history of vomiting, use of laxatives, history and frequency of use of diuretics, history and frequency of use of diet pills, ipecac, or any other weight control measures, and frequency of eating normal meals without vomiting.

A history of exercise behavior, including type, frequency, and duration.

A complete history of current alcohol and other drug use.

Any suicidal thoughts or attempts.

Sexual history, including sexual preference and activity. Sexual interest currently as compared to prior to the eating disorder is needed.

History of experiencing physical or sexual (incest or rape) abuse.

History of other counseling experiences.

Appropriate psychological assessment, including psychological orientation to the above questions.

A medical history, including a physical examination, covering the information listed in subparagraph (4) below.

Appropriate laboratory screening tests based on findings of the history and physical examination and tests for communicable diseases when indicated.

The patient's social support networks, including family and peer relationships.

The patient's educational level, vocational status, and job or school performance history, as appropriate.

The patient's leisure, recreational, or vocational interests and hobbies.

The patient's ability to participate with peers and programs and social activities.

Interview of family members and significant others as available with the patient's written or verbal permission as appropriate.

Legal problems, if applicable.

(4) Admission criteria. In order to be accepted for treatment, the patient shall meet the diagnostic criteria for anorexia nervosa or bulimia as established by the DSM III R (Diagnostic and Statistical Manual, Third Edition, Revised).

In addition to the diagnostic criteria, the need for treatment will be determined by a demonstrable loss of control of eating behaviors and the failure of the patient in recent attempts at voluntary self-control of the problem. Demonstrable impairment, dysfunction, disruption or harm of physical health, emotional health (e.g., significant depression withdrawal, isolation, suicidal ideas), vocational or educational functioning, or interpersonal functioning (e.g., loss of relationships, legal difficulties) shall have occurred.

The need for treatment may be further substantiated by substance abuse, out-of-control spending, incidence of stealing to support habit, or compulsive gambling.

The symptoms shall have been present for at least six months and three of the following criteria must be present:

Medical criteria including endocrine and metabolic factors (e.g., amenorrhea, menstrual irregularities, decreased reflexes, cold intolerance, hypercarotenemia, parotid gland enlargement, lower respiration rate, hair loss, abnormal cholesterol or triglyceride levels).

Other cardiovascular factors including hypotension, hypertension, arrhythmia, ipecac poisoning, fainting, or bradycardia.

Renal considerations including diuretic abuse, dehydration, elevated BUN, renal calculi, edema, or hypokalemia.

Gastrointestinal factors including sore throats, mallery-weiss tears, decreased gastric emptying, constipation, abnormal liver enzymes, rectal bleeding, laxative abuse, or esophagitis.

Hematologic considerations including anemia, leukopenia, or thrombocytopenia.

Ear, nose, and throat factors including headaches or dizziness.

Skin considerations including lanugo or dry skin.

Aspiration pneumonia, a pulmonary factor.

The presence of severe symptoms and complications as evaluated and documented by the medical director may require a period of hospitalization to establish physical or emotional stability.

(5) Plan of treatment. For each patient there is a written comprehensive and individualized description of treatment to be undertaken. The treatment plan is based on problems and needs identified in the assessment and specifies the regular times at which the plan will be reassessed.

The patient's perceptions of needs and, when appropriate and available, the family's perceptions of the patient's needs shall be documented.

The patient's participation in the development of the treatment plans is sought and documented.

Each patient is reassessed to determine current clinical problems, needs, and responses to treatment. Changes in treatment are documented.

(6) Discharge plan. Plans for discharge shall meet the requirements for discharge plans for alcohol and substance abuse patients in subrule 78.31(3), paragraph "a," subparagraph (6).

(7) Restriction and limitations on payment. Medicaid will pay for a maximum of 30 days of a structured outpatient treatment program. Payment beyond 30 days is made when documentation indicates that the patient has not reached an exit level.

Eating disorder programs will include an aftercare component meeting weekly for at least one year without charge.

Family counseling groups held in conjunction with the eating disorders program will be part of the overall treatment charge.

c. Cardiac rehabilitation.

(1) General characteristics. Cardiac rehabilitation programs shall provide a supportive educational environment in which to facilitate behavior change with respect to the accepted cardiac risk factors,

initiate prescribed exercise as a mode of facilitating the return of the patient to everyday activities by improving cardiovascular functional capacity and work performance, and promote a long-term commitment to lifestyle changes that could positively affect the course of the cardiovascular disease process.

(2) Treatment staff. Professional disciplines who must be represented on the treatment staff, either by employment by the facility (full-time or part-time), contract or referral, are as follows:

At least one physician responsible for responding to emergencies must be physically present in the hospital when patients are receiving cardiac rehabilitation services. The physician must be trained and certified at least to the level of basic life support.

A medical consultant shall oversee the policies and procedures of the outpatient cardiac rehabilitation area. The director shall meet with the cardiac rehabilitation staff on a regular basis to review exercise prescriptions and any concerns of the team.

A cardiac rehabilitation nurse shall carry out the exercise prescription after assessment of the patient. The nurse shall be able to interpret cardiac dysrhythmia and be able to initiate emergency action if necessary. The nurse shall assess and implement a plan of care for cardiac risk factor modification. The nurse shall have at least one year of experience in a coronary care unit.

A physical therapist shall offer expertise in unusual exercise prescriptions where a patient has an unusual exercise problem.

A dietitian shall assess the dietary needs of persons and appropriately instruct them on their prescribed diets.

A social worker shall provide counseling as appropriate and facilitate a spouse support group. A licensed occupational therapist shall be available as necessary.

(3) Admission criteria. Candidates for the program must be referred by the attending physician. The following conditions are eligible for the program:

Postmyocardial infarction (within three months postdischarge).

Postcardiac surgery (within three months postdischarge).

Poststreptokinase.

Postpercutaneous transluminal angioplasty (within three months postdischarge).

Patient with severe angina being treated medically because of client or doctor preference or inoperable cardiac disease.

(4) Physical environment and equipment. A cardiac rehabilitation unit must be an autonomous physical unit specifically equipped with the necessary telemetry monitoring equipment, exercise equipment, and appropriate equipment and supplies for cardiopulmonary resuscitation (CPR). The exercise equipment must have the capacity to measure the intensity, speed, and length of the exercises. The equipment must be periodically inspected and maintained in accordance with the hospital's preventive maintenance program.

(5) Medical records. Medical records for each cardiac rehabilitation patient shall consist of at least the following:

Referral form.

Physician's orders.

Laboratory reports.

Electrocardiogram reports.

History and physical examination.

Angiogram report, if applicable.

Operative report, if applicable.

Preadmission interview.

Exercise prescription.

Rehabilitation plan, including participant's goals.

Documentation for exercise sessions and progress notes.

Nurse's progress reports.

Discharge instructions.

(6) Discharge plan. The patient will be discharged from the program when the physician, staff, and patient agree that the work level is functional for them and little benefit could be derived from further continuation of the program, dysrhythmia disturbances are resolved, and appropriate cardiovascular response to exercise is accomplished.

(7) Monitoring of services. The program should be monitored by the hospital on a periodic basis using measuring criteria for evaluating cardiac rehabilitation services provided.

(8) Restrictions and limitations. Payment will be made for a maximum of three visits per week for a period of 12 weeks. Payment beyond 12 weeks is made when documentation indicates that the patient has not reached an exit level.

*d. Mental health.*

(1) General characteristics. To be covered, mental health services must be prescribed by a physician or certified health service provider in psychology, provided under an individualized treatment plan and reasonable and necessary for the diagnosis or treatment of the patient's condition. This means the services must be for the purpose of diagnostic study or the services must reasonably be expected to improve the patient's condition.

(2) Individualized treatment plan. The individualized written plan of treatment shall be established by a physician or certified health service provider in psychology after any needed consultation with appropriate staff members. The plan must state the type, amount, frequency and duration of the services to be furnished and indicate the diagnoses and anticipated goals. (A plan is not required if only a few brief services will be furnished.)

(3) Supervision and evaluation. Services must be supervised and periodically evaluated by a physician, certified health service provider in psychology, or both within the scopes of their respective practices if clinically indicated to determine the extent to which treatment goals are being realized. The evaluation must be based on periodic consultation and conference with therapists and staff. The physician or certified health service provider in psychology must also provide supervision and direction to any therapist involved in the patient's treatment and see the patient periodically to evaluate the course of treatment and to determine the extent to which treatment goals are being realized and whether changes in direction or services are required.

(4) Reasonable expectation of improvement. Services must be for the purpose of diagnostic study or reasonably be expected to improve the patient's condition. The treatment must at a minimum be designed to reduce or control the patient's psychiatric or psychological symptoms so as to prevent relapse or hospitalization and improve or maintain the patient's level of functioning.

It is not necessary that a course of therapy have as its goal restoration of the patient to the level of functioning exhibited prior to the onset of the illness although this may be appropriate for some patients. For many other patients, particularly those with long-term chronic conditions, control of symptoms and maintenance of a functional level to avoid further deterioration or hospitalization is an acceptable expectation of improvement. "Improvement" in this context is measured by comparing the effect of continuing versus discontinuing treatment. Where there is a reasonable expectation that if treatment services were withdrawn, the patient's condition would deteriorate, relapse further, or require hospitalization, this criterion would be met.

(5) Diagnostic and treatment staff. Each person who provides diagnostic or treatment services shall be determined to be competent to provide the services by reason of education, training, and experience. The number of the above staff employed by the facility must be appropriate to the facility's patient load. The staff may be employees of the hospital, on contract, or the service may be provided through referral.

The diagnostic and treatment staff shall consist of a physician, a psychologist, social workers or counselors meeting the requirements for "mental health professionals" as set forth in rule 441—33.1(225C,230A).

(6) Initial assessment. A comprehensive assessment of the biological, psychological, social, and spiritual orientation of the patient must be conducted, which shall include:

A history of the mental health problem, including age of onset, duration, patterns of symptoms, consequences of symptoms, and responses to previous treatment.

A comprehensive clinical history, including the history of physical problems associated with the mental health problem. Appropriate referral for physical examination for determination of any communicable diseases.

Any history of physical abuse.

A systematic mental health examination, with special emphasis on any change in cognitive, social or emotional functioning.

A determination of current and past psychiatric and psychological abnormality.

A determination of any degree of danger to self or others.

The family's history of mental health problems.

The patient's educational level, vocational status, and job performance history.

The patient's social support network, including family and peer relationship.

The patient's perception of the patient's strengths, problem areas, and dependencies.

The patient's leisure, recreational or vocational interests and hobbies.

The patient's ability to participate with peers in programs and social activities.

Interview of family members and significant others, as available, with the patient's written or verbal permission.

Legal problems if applicable.

(7) Covered services. Services covered for the treatment of psychiatric conditions are:

1. Individual and group therapy with physicians, psychologists, social workers, counselors, or psychiatric nurses.

2. Occupational therapy services if the services require the skills of a qualified occupational therapist and must be performed by or under the supervision of a licensed occupational therapist or by an occupational therapy assistant.

3. Drugs and biologicals furnished to outpatients for therapeutic purposes only if they are of the type which cannot be self-administered and are not "covered Part D drugs" as defined by 42 U.S.C. Section 1395w-102(e)(1)-(2) for a "Part D eligible individual" as defined in 42 U.S.C. Section 1395w-101(a)(3)(A), including an individual who is not enrolled in a Part D plan.

4. Activity therapies which are individualized and essential for the treatment of the patient's condition. The treatment plan must clearly justify the need for each particular therapy utilized and explain how it fits into the patient's treatment.

5. Family counseling services are covered only if the primary purpose of the counseling is the treatment of the patient's condition.

6. Partial hospitalization and day treatment services to reduce or control a person's psychiatric or psychological symptoms so as to prevent relapse or hospitalization, improve or maintain the person's level of functioning and minimize regression. These services include all psychiatric services needed by the patient during the day. Partial hospitalization services means an active treatment program that provides intensive and structured support that assists persons during periods of acute psychiatric or psychological distress or during transition periods, generally following acute inpatient hospitalization episodes.

Service components may include individual and group therapy, reality orientation, stress management and medication management.

Services are provided for a period for four to eight hours per day.

Day treatment services means structured, long-term services designed to assist in restoring, maintaining or increasing levels of functioning, minimizing regression and preventing hospitalization.

Service components include training in independent functioning skills necessary for self-care, emotional stability and psychosocial interactions, and training in medication management.

Services are structured with an emphasis on program variation according to individual need.

Services are provided for a period of three to five hours per day, three or four times per week.

7. Partial hospitalization and day treatment for persons aged 20 or under. Payment to a hospital will be approved for day treatment services for persons aged 20 or under if the hospital is certified by the department for hospital outpatient mental health services. All conditions for the day treatment program for persons aged 20 or under as outlined in subrule 78.16(7) for community mental health centers shall apply to hospitals. All conditions of the day treatment program for persons aged 20 or under as outlined

in subrule 78.16(7) for community mental health centers shall be applicable for the partial hospitalization program for persons aged 20 or under with the exception that the maximum hours shall be 25 hours per week.

(8) Restrictions and limitations on coverage. The following are generally not covered except as indicated:

Activity therapies, group activities, or other services and programs which are primarily recreational or diversional in nature. Outpatient psychiatric day treatment programs that consist entirely of activity therapies are not covered.

Geriatric day-care programs, which provide social and recreational activities to older persons who need some supervision during the day while other family members are away from home. These programs are not covered because they are not considered reasonable and necessary for a diagnosed psychiatric disorder.

Vocational training. While occupational therapy may include vocational and prevocational assessment of training, when the services are related solely to specific employment opportunities, work skills, or work setting, they are not covered.

(9) Frequency and duration of services. There are no specific limits on the length of time that services may be covered. There are many factors that affect the outcome of treatment. Among them are the nature of the illness, prior history, the goals of treatment, and the patient's response. As long as the evidence shows that the patient continues to show improvement in accordance with the individualized treatment plan and the frequency of services is within acceptable norms of medical practice, coverage will be continued.

(10) Documentation requirements. The provider shall develop and maintain sufficient written documentation to support each medical or remedial therapy, service, activity, or session for which billing is made. All outpatient mental health services shall include:

1. The specific services rendered.
2. The date and actual time the services were rendered.
3. Who rendered the services.
4. The setting in which the services were rendered.
5. The amount of time it took to deliver the services.
6. The relationship of the services to the treatment regimen described in the plan of care.
7. Updates describing the patient's progress.

For services that are not specifically included in the patient's treatment plan, a detailed explanation of how the services being billed relate to the treatment regimen and objectives contained in the patient's plan of care and the reason for the departure from the plan shall be given.

*e.* Pain management.

(1) Approval by commission on accreditation of rehabilitation facilities. In addition to certification by the department, pain management programs must also be approved by the commission on accreditation of rehabilitation facilities (CARF).

(2) General characteristics. A chronic pain management program shall provide coordinated, goal-oriented, interdisciplinary team services to reduce pain, improve quality of life, and decrease dependence on the health care system for persons with pain which interferes with physical, psychosocial, and vocational functioning.

(3) Treatment staff. Each person who provides treatment services shall be determined to be competent to provide the services by reason of education, training, and experience. Professional disciplines which must be represented on the treatment staff, either through employment by the facility (full-time or part-time), contract or referral, are a physician (M.D. or D.O.), a registered nurse, a licensed physical therapist and a licensed clinical psychologist or psychiatrist. The number of staff should be appropriate to the patient load of the facility.

(4) Admission criteria. Candidates for the program shall meet the following guidelines:

The person must have had adequate medical evaluation and treatment in the months preceding admission to the program including an orthopedic or neurological consultation if the problem is back pain or a neurological evaluation if the underlying problem is headaches.

The person must be free of any underlying psychosis or severe neurosis.

The person cannot be toxic on any addictive drugs.

The person must be capable of self-care; including being able to get to meals and to perform activities of daily living.

(5) Plan of treatment. For each patient there is a written comprehensive and individualized description of treatment to be undertaken. The treatment plan is based on the problems and needs identified in the assessment and specifies the times at which the plan will be reassessed.

The patient's perception of needs and, when appropriate and available, the family's perception of the patient's needs shall be documented.

The patient's participation in the development of the treatment plan is sought and documented.

Each patient is reassessed to determine current clinical problems, needs, and responses to treatment. Changes in treatment are documented.

(6) Discharge plan. For each patient before discharge, a plan for discharge is designed to provide appropriate continuity of care which meets the following requirements:

The plan for continuing care must describe and facilitate the transfer of the patient and the responsibility for the patient's continuing care to another phase or modality of the program, other programs, agencies, persons or to the patient and the patient's personal support system.

The plan is in accordance with the patient's reassessed needs at the time of transfer.

The plan is developed in collaboration with the patient and, as appropriate and available, with the patient's written verbal permission with the family members.

The plan is implemented in a manner acceptable to the patient and the need for confidentiality.

Implementation of the plan includes timely and direct communication with and transfer of information to the other programs, agencies, or persons who will be providing continuing care.

(7) Restrictions and limitations on payment. Medicaid will pay for a maximum of three weeks of a structured outpatient treatment program. When documentation indicates that the patient has not reached an exit level, coverage may be extended an extra week.

A repeat of the entire program for any patient will be covered only if a different disease process is causing the pain or a significant change in life situation can be demonstrated.

*f.* Diabetic education.

(1) Certification by department of public health. In addition to certification by the department for Medicaid, diabetic education programs must also be certified by the department of public health. (See department of public health rules 641—Chapter 9.)

(2) General characteristics. An outpatient diabetes self-management education program shall provide instruction which will enable people with diabetes and their families to understand the diabetes disease process and the daily management of diabetes. People with diabetes must learn to balance their special diet and exercise requirements with drug therapy (insulin or oral agents). They must learn self-care techniques such as monitoring their own blood glucose. And often, they must learn to self-treat insulin reactions, protect feet that are numb and have seriously compromised circulation, and accommodate their regimen to changes in blood glucose because of stress or infections.

(3) Program staff. Each person who provides services shall be determined to be competent to provide the services by reason of education, training and experience. Professional disciplines which must be represented on the staff, either through employment by the facility (full-time or part-time), contract or referral, are a physician (M.D. or D.O.), a registered nurse, a registered dietitian and a licensed pharmacist. The number of staff should be appropriate to the patient load of the facility.

(4) Admission criteria. Candidates for the program shall meet the following guidelines:

The person must have Type I or Type II diabetes.

The person must be referred by the attending physician.

The person shall demonstrate an ability to follow through with self-management.

(5) Health assessment. An individualized and documented assessment of needs shall be developed with the patient's participation. Follow-up assessments, planning and identification of problems shall be provided.

(6) Restrictions and limitations on payment. Medicaid will pay for a diabetic self-management education program. Diabetic education programs will include follow-up assessments at 3 and 12 months without charge. A complete diabetic education program is payable once in the lifetime of a recipient.

g. Pulmonary rehabilitation.

(1) General characteristics. Pulmonary rehabilitation is an individually tailored, multidisciplinary program through which accurate diagnosis, therapy, emotional support, and education stabilizes or reverses both the physio- and psychopathology of pulmonary diseases and attempts to return the patient to the highest possible functional capacity allowed by the pulmonary handicap and overall life situation.

(2) Diagnostic and treatment staff. Each person who provides diagnostic or treatment services shall be determined to be competent to provide the services by reason of education, training, and experience.

Professional disciplines which must be represented by the diagnostic and treatment staff, either through employment by the facility (full-time or part-time), contract, or referral, are a physician (doctor of medicine or osteopathy), a respiratory therapist, a licensed physical therapist, and a registered nurse.

(3) Initial assessment. A comprehensive assessment must occur initially, including:

A diagnostic workup which entails proper identification of the patient's specific respiratory ailment, appropriate pulmonary function studies, a chest radiograph, an electrocardiogram and, when indicated, arterial blood gas measurements at rest and during exercise, sputum analysis and blood theophylline measurements.

Behavioral considerations include emotional screening assessments and treatment or counseling when required, estimating the patient's learning skills and adjusting the program to the patient's ability, assessing family and social support, potential employment skills, employment opportunities, and community resources.

(4) Admission criteria. Criteria include a patient's being diagnosed and symptomatic of chronic obstructive pulmonary disease (COPD), having cardiac stability, social, family, and financial resources, ability to tolerate periods of sitting time; and being a nonsmoker for six months, or if a smoker, willingness to quit and a physician's order to participate anyway.

Factors which would make a person ineligible include acute or chronic illness that may interfere with rehabilitation, any illness or disease state that affects comprehension or retention of information, a strong history of medical noncompliance, unstable cardiac or cardiovascular problems, and orthopedic difficulties that would prohibit exercise.

(5) Plan of treatment. Individualized long- and short-term goals will be developed for each patient. The treatment goals will be based on the problems and needs identified in the assessment and specify the regular times at which the plan will be reassessed.

The patients and their families need to help determine and fully understand the goals, so that they realistically approach the treatment phase.

Patients are reassessed to determine current clinical problems, needs, and responses to treatment. Changes in treatment are documented.

Components of pulmonary rehabilitation to be included are physical therapy and relaxation techniques, exercise conditioning or physical conditioning for those with exercise limitations, respiratory therapy, education, an emphasis on the importance of smoking cessation, and nutritional information.

(6) Discharge plan. Ongoing care will generally be the responsibility of the primary care physician. Periodic reassessment will be conducted to evaluate progress and allow for educational reinforcement.

(7) Restrictions and limitations on payment. Medicaid will pay for a maximum of 25 treatment days. Payment beyond 25 days is made when documentation indicates that the patient has not reached an exit level.

h. Nutritional counseling. Payment will be made for persons aged 20 and under for nutritional counseling provided by a licensed dietitian employed by or under contract with a hospital for a nutritional problem or condition of a degree of severity that nutritional counseling beyond that normally expected as part of the standard medical management is warranted. For persons eligible for the WIC program, a WIC referral is required. Medical necessity for nutritional counseling services exceeding those available through WIC shall be documented.

**78.31(5)** *Services rendered by advanced registered nurse practitioners certified in family, pediatric, or psychiatric mental health specialties and employed by a hospital.* Rescinded IAB 10/15/03, effective 12/1/03.

This rule is intended to implement Iowa Code section 249A.4.

**441—78.32(249A) Area education agencies.** Payment will be made for physical therapy, occupational therapy, psychological evaluations and counseling, psychotherapy, speech-language therapy, and audiological, nursing, and vision services provided by an area education agency (AEA). Services shall be provided directly by the AEA or through contractual arrangement with the AEA.

This rule is intended to implement Iowa Code section 249A.4.

**441—78.33(249A) Case management services.** Payment on a monthly payment per enrollee basis will be approved for the case management functions required in 441—Chapter 90.

**78.33(1)** Payment will be approved for MR/CMI/DD case management services pursuant to 441—Chapter 90 to:

*a.* Recipients 18 years of age or over with a primary diagnosis of mental retardation, developmental disabilities, or chronic mental illness as defined in rule 441—90.1(249A).

*b.* Rescinded IAB 1/8/03, effective 1/1/03.

*c.* Recipients under 18 years of age receiving HCBS MR waiver or HCBS children's mental health waiver services.

**78.33(2)** Payment for services pursuant to 441—Chapter 90 to recipients under age 18 who have a primary diagnosis of mental retardation or developmental disabilities as defined in rule 441—90.1(249A) and are residing in a child welfare decategorization county shall be made when the following conditions are met:

*a.* The child welfare decategorization county has entered into an agreement with the department certifying that the state match for case management is available within funds allocated for the purpose of decategorization.

*b.* The child welfare decategorization county has executed an agreement to remit the nonfederal share of the cost of case management services to the enhanced mental health, mental retardation and developmental disabilities services fund administered by the department.

*c.* The child welfare decategorization county has certified that the funds remitted for the nonfederal share of the cost of case management services are not federal funds.

**78.33(3)** Rescinded IAB 10/12/05, effective 10/1/05.

This rule is intended to implement Iowa Code section 249A.4.

**441—78.34(249A) HCBS ill and handicapped waiver services.** Payment will be approved for the following services to clients eligible for HCBS ill and handicapped waiver services as established in 441—Chapter 83. Services must be billed in whole units.

**78.34(1) Homemaker services.** Homemaker services are those services provided when the client lives alone or when the person who usually performs these functions for the client needs assistance with performing the functions. A unit of service is one hour. Components of the service are directly related to the care of the client and include:

*a.* Essential shopping: shopping for basic need items such as food, clothing or personal care items, or drugs.

*b.* Limited housecleaning: maintenance cleaning such as vacuuming, dusting, scrubbing floors, defrosting refrigerators, cleaning stoves, cleaning medical equipment, washing and mending clothes, washing personal items used by the client, and dishes.

*c.* Rescinded IAB 9/30/92, effective 12/1/92.

*d.* Meal preparation planning and preparing balanced meals.

**78.34(2) Home health services.** Home health services are personal or direct care services provided to the client which are not payable under Medicaid as set forth in rule 441—78.9(249A). A unit of service is a visit.

- a. Components of the service include, but are not limited to:
  - (1) Observation and reporting of physical or emotional needs.
  - (2) Helping a client with bath, shampoo, or oral hygiene.
  - (3) Helping a client with toileting.
  - (4) Helping a client in and out of bed and with ambulation.
  - (5) Helping a client reestablish activities of daily living.
  - (6) Assisting with oral medications ordered by the physician which are ordinarily self-administered.
  - (7) Performing incidental household services which are essential to the client's health care at home and are necessary to prevent or postpone institutionalization in order to complete a full unit of service.
  - (8) Accompaniment to medical services or transport to and from school.
- b. In some cases, a nurse may provide home health services if the health of the client is such that the agency is unable to place an aide in that situation due to limitations by state law or in the event that the agency's Medicare certification requirements prohibit the aide from providing the service. It is not permitted for the convenience of the provider.
- c. Skilled nursing care is not covered.

**78.34(3) Adult day care services.** Adult day care services provide an organized program of supportive care in a group environment to persons who need a degree of supervision and assistance on a regular or intermittent basis in a day care center. A unit of service is a half day (1 to 4 hours), a full day (4 to 8 hours), or an extended day (8 to 12 hours). Components of the service are as set forth in rule 441—171.6(234) or the department of elder affairs rule 321—24.7(231).

**78.34(4) Nursing care services.** Nursing care services are services which are included in the plan of treatment approved by the physician and which are provided by licensed nurses to consumers in the home and community. The services shall be reasonable and necessary to the treatment of an illness or injury and include all nursing tasks recognized by the Iowa board of nursing. A unit of service is a visit.

**78.34(5) Respite care services.** Respite care services are services provided to the consumer that give temporary relief to the usual caregiver and provide all the necessary care that the usual caregiver would provide during that time period. The purpose of respite care is to enable the consumer to remain in the consumer's current living situation.

a. Services provided outside the consumer's home shall not be reimbursable if the living unit where respite is provided is reserved for another person on a temporary leave of absence.

b. Staff-to-consumer ratios shall be appropriate to the individual needs of the consumer as determined by the consumer's interdisciplinary team.

c. A unit of service is one hour.

d. Respite care is not to be provided to persons during the hours in which the usual caregiver is employed except when the consumer is attending a camp. Respite cannot be provided to a consumer whose usual caregiver is a consumer-directed attendant care provider for the consumer.

e. The interdisciplinary team shall determine if the consumer will receive basic individual respite, specialized respite, or group respite as defined in rule 441—83.1(249A).

f. A maximum of 14 consecutive days of 24-hour respite care may be reimbursed.

g. Respite services provided for a period exceeding 24 consecutive hours to three or more individuals who require nursing care because of a mental or physical condition must be provided by a health care facility licensed as described in Iowa Code chapter 135C.

**78.34(6) Counseling services.** Counseling services are face-to-face mental health services provided to the client and caregiver by a mental health professional as defined in rule 441—24.61(225C,230A) to facilitate home management of the client and prevent institutionalization. Counseling services are nonpsychiatric services necessary for the management of depression, assistance with the grief process, alleviation of psychosocial isolation and support in coping with a disability or illness, including terminal illness. Counseling services may be provided both for the purpose of training the client's family or other caregiver to provide care, and for the purpose of helping the client and those caring for the client to adjust to the client's disability or terminal condition. Counseling services may be provided to the client's caregiver only when included in the case plan for the client.

Payment will be made for individual and group counseling. A unit of individual counseling for the waiver client or the waiver client and the client's caregiver is 15 minutes. A unit of group counseling is one hour. Payment for group counseling is based on the group rate divided by six, or, if the number of persons who comprise the group exceeds six, the actual number of persons who comprise the group.

**78.34(7) *Consumer-directed attendant care service.*** Consumer-directed attendant care services are service activities performed by a person to help a consumer with self-care tasks which the consumer would typically do independently if the consumer were otherwise able.

*a.* The service activities may include helping the consumer with any of the following nonskilled service activities:

(1) Dressing.

(2) Bath, shampoo, hygiene, and grooming.

(3) Access to and from bed or a wheelchair, transferring, ambulation, and mobility in general. It is recommended that the provider receive certification of training and return demonstration for transferring. Certification for this is available through the area community colleges.

(4) Toilet assistance, including bowel, bladder, and catheter assistance. It is recommended that the provider receive certification of training and return demonstration for catheter assistance. Certification for this is available through the area community colleges.

(5) Meal preparation, cooking, eating and feeding but not the cost of meals themselves.

(6) Housekeeping services which are essential to the consumer's health care at home.

(7) Medications ordinarily self-administered including those ordered by a physician or other qualified health care provider. It is recommended the provider successfully complete a medication aide course administered by an area community college.

(8) Wound care.

(9) Assistance needed to go to or return from a place of employment and assistance with job-related tasks while the consumer is on the job site. The cost of transportation for the consumer and assistance with understanding or performing the essential job functions are not included in consumer-directed attendant care services.

(10) Cognitive assistance with tasks such as handling money and scheduling.

(11) Fostering communication through interpreting and reading services as well as assistive devices for communication.

(12) Assisting or accompanying a consumer in using transportation essential to the health and welfare of the consumer. The cost of the transportation is not included.

*b.* The service activities may include helping the consumer with any of the following skilled services under the supervision of a licensed nurse or licensed therapist working under the direction of a physician. The licensed nurse or therapist shall retain accountability for actions that are delegated. The licensed nurse or therapist shall ensure appropriate assessment, planning, implementation, and evaluation. The licensed nurse or therapist shall make on-site supervisory visits every two weeks with the provider present. The cost of the supervision provided by the licensed nurse or therapist shall be paid from private insurance and other third-party payment sources, Medicare, the regular Medicaid program, or the early periodic screening diagnosis and treatment program before accessing the HCBS waiver.

(1) Tube feedings of consumers unable to eat solid foods.

(2) Intravenous therapy administered by a registered nurse.

(3) Parenteral injections required more than once a week.

(4) Catheterizations, continuing care of indwelling catheters with supervision of irrigations, and changing of Foley catheters when required.

(5) Respiratory care including inhalation therapy and tracheotomy care or tracheotomy care and ventilator.

(6) Care of decubiti and other ulcerated areas, noting and reporting to the nurse or therapist.

(7) Rehabilitation services including, but not limited to, bowel and bladder training, range of motion exercises, ambulation training, restorative nursing services, reteaching the activities of daily living, respiratory care and breathing programs, reality orientation, reminiscing therapy, remotivation, and behavior modification.

- (8) Colostomy care.
- (9) Care of medical conditions out of control which includes brittle diabetes and comfort care of terminal conditions.
- (10) Postsurgical nursing care.
- (11) Monitoring medications requiring close supervision because of fluctuating physical or psychological conditions, e.g., antihypertensives, digitalis preparations, mood-altering or psychotropic drugs, or narcotics.
- (12) Preparing and monitoring response to therapeutic diets.
- (13) Recording and reporting of changes in vital signs to the nurse or therapist.

c. A unit of service is 1 hour, or one 8- to 24-hour day provided by an individual or an agency. Each service shall be billed in whole units.

d. The consumer, parent, guardian, or attorney in fact under a durable power of attorney for health care shall be responsible for selecting the person or agency who will provide the components of the attendant care services to be provided.

e. The consumer, parent, guardian, or attorney in fact under a durable power of attorney for health care shall determine the components of the attendant care services to be provided with the person who is providing the services to the consumer.

f. The service activities may not include parenting or child care for or on behalf of the consumer.

g. The consumer, parent, guardian, or attorney in fact under a durable power of attorney for health care and the provider shall complete and sign Form 470-3372, HCBS Consumer-Directed Attendant Care Agreement. A copy of the completed agreement shall be attached to the service plan, which is signed by the service worker prior to the initiation of services, and kept in the consumer's and department's records.

h. If the consumer has a guardian or attorney in fact under a durable power of attorney for health care, the care plan shall address how consumer-directed attendant care services will be monitored to ensure the consumer's needs are being adequately met. If the guardian or attorney in fact is the service provider, the service plan shall address how the service worker or case manager shall oversee service provision.

i. If the consumer has a guardian or attorney in fact under a durable power of attorney for health care, the guardian or attorney in fact shall sign the claim form in place of the consumer, indicating that the service has been provided as presented on the claim.

j. The frequency or intensity of services shall be indicated in the service plan.

k. Consumer-directed attendant care services may not be simultaneously reimbursed with any other HCBS waiver services.

l. Consumer-directed attendant care services may be provided to a recipient of in-home health-related care services, but not at the same time.

m. Services may be provided in the absence of a parent or guardian if the parent or guardian has given advanced direction for the service provision.

**78.34(8) Interim medical monitoring and treatment services.** Interim medical monitoring and treatment services are monitoring and treatment of a medical nature requiring specially trained caregivers beyond what is normally available in a day care setting. The services must be needed to allow the consumer's usual caregivers to be employed or, for a limited period of time, for academic or vocational training of a usual caregiver; due to the hospitalization, treatment for physical or mental illness, or death of a usual caregiver; or during a search for employment by a usual caregiver.

a. Service requirements. Interim medical monitoring and treatment services shall:

- (1) Provide experiences for each consumer's social, emotional, intellectual, and physical development;
- (2) Include comprehensive developmental care and any special services for a consumer with special needs; and
- (3) Include medical assessment, medical monitoring, and medical intervention as needed on a regular or emergency basis.

b. Interim medical monitoring and treatment services may include supervision to and from school.

c. Limitations.

- (1) A maximum of 12 one-hour units of service is available per day.
- (2) Covered services do not include a complete nutritional regimen.
- (3) Interim medical monitoring and treatment services may not duplicate any regular Medicaid or waiver services provided under the state plan.

(4) Interim medical monitoring and treatment services may be provided only in the consumer's home, in a registered group child care home, in a registered family child care home, in a licensed child care center, or during transportation to and from school.

(5) The staff-to-consumer ratio shall not be less than one to six.

d. A unit of service is one hour.

**78.34(9) Home and vehicle modifications.** Covered home and vehicle modifications are those physical modifications to the consumer's home or vehicle listed below that directly address the consumer's medical or remedial need. Covered modifications must be necessary to provide for the health, welfare, or safety of the consumer and enable the consumer to function with greater independence in the home or vehicle.

a. Modifications that are necessary or desirable without regard to the consumer's medical or remedial need and that would be expected to increase the fair market value of the home or vehicle, such as furnaces, fencing, roof repair, or adding square footage to the residence, are excluded except as specifically included below. Repairs are also excluded.

b. Only the following modifications are covered:

- (1) Kitchen counters, sink space, cabinets, special adaptations to refrigerators, stoves, and ovens.
- (2) Bathtubs and toilets to accommodate transfer, special handles and hoses for shower heads, water faucet controls, and accessible showers and sink areas.
- (3) Grab bars and handrails.
- (4) Turnaround space adaptations.
- (5) Ramps, lifts, and door, hall and window widening.
- (6) Fire safety alarm equipment specific for disability.
- (7) Voice-activated, sound-activated, light-activated, motion-activated, and electronic devices directly related to the consumer's disability.
- (8) Vehicle lifts, driver-specific adaptations, remote-start systems, including such modifications already installed in a vehicle.
- (9) Keyless entry systems.
- (10) Automatic opening device for home or vehicle door.
- (11) Special door and window locks.
- (12) Specialized doorknobs and handles.
- (13) Plexiglas replacement for glass windows.
- (14) Modification of existing stairs to widen, lower, raise or enclose open stairs.
- (15) Motion detectors.
- (16) Low-pile carpeting or slip-resistant flooring.
- (17) Telecommunications device for the deaf.
- (18) Exterior hard-surface pathways.
- (19) New door opening.
- (20) Pocket doors.
- (21) Installation or relocation of controls, outlets, switches.
- (22) Air conditioning and air filtering if medically necessary.
- (23) Heightening of existing garage door opening to accommodate modified van.
- (24) Bath chairs.

c. A unit of service is the completion of needed modifications or adaptations.

d. All modifications and adaptations shall be provided in accordance with applicable federal, state, and local building and vehicle codes.

e. Services shall be performed following department approval of a binding contract between the enrolled home and vehicle modification provider and the consumer.

*f.* The contract shall include, at a minimum, the work to be performed, cost, time frame for work completion, and assurance of liability and workers' compensation coverage.

*g.* Service payment shall be made to the enrolled home and vehicle modification provider. If applicable, payment will be forwarded to the subcontracting agency by the enrolled home and vehicle modification provider following completion of the approved modifications. Payment of up to \$6,060 per year may be made to certified providers upon satisfactory completion of the service. The service worker shall encumber up to \$505 per month within the monthly dollar cap allowed for the consumer until the amount of the modification is reached within the 12-month period.

*h.* Services shall be included in the consumer's service plan and shall exceed the Medicaid state plan services.

**78.34(10) *Personal emergency response system.*** A personal emergency response system is an electronic device that transmits a signal to a central monitoring station to summon assistance in the event of an emergency when the consumer is alone.

*a.* The required components of the system are:

- (1) An in-home medical communications transmitter and receiver.
- (2) A remote, portable activator.
- (3) A central monitoring station with backup systems staffed by trained attendants at all times.
- (4) Current data files at the central monitoring station containing response protocols and personal, medical, and emergency information for each consumer.

*b.* The service shall be identified in the consumer's service plan.

*c.* A unit of service is a one-time installation fee or one month of service.

*d.* Maximum units per state fiscal year shall be the initial installation and 12 months of service.

**78.34(11) *Home-delivered meals.*** Home-delivered meals means meals prepared elsewhere and delivered to a waiver recipient at the recipient's residence. Each meal shall ensure the recipient receives a minimum of one-third of the daily recommended dietary allowance as established by the Food and Nutrition Board of the National Research Council of the National Academy of Sciences. The meal may also be a liquid supplement that meets the minimum one-third standard. When a restaurant provides the home-delivered meal, the recipient is required to have a nutritional consultation. The nutritional consultation includes contact with the restaurant to explain the dietary needs of the client and what constitutes the minimum one-third daily dietary allowance.

A maximum of 14 meals is allowed per week. A unit of service is a meal.

**78.34(12) *Nutritional counseling.*** Nutritional counseling services may be provided for a nutritional problem or condition of such a degree of severity that nutritional counseling beyond that normally expected as part of the standard medical management is warranted. A unit of service is 15 minutes.

**78.34(13) *Consumer choices option.*** The consumer choices option provides a member with a flexible monthly individual budget that is based on the member's service needs. With the individual budget, the member shall have the authority to purchase goods and services to meet the member's assessed needs and may choose to employ providers of services and supports. The services, supports, and items that are purchased with an individual budget must be directly related to a member's assessed need or goal established in the member's service plan. Components of this service are set forth below.

*a. Agreement.* As a condition of participating in the consumer choices option, a member shall sign Form 470-4289, HCBS Consumer Choices Informed Consent and Risk Agreement, to document that the member has been informed of the responsibilities and risks of electing the consumer choices option.

*b. Individual budget amount.* A monthly individual budget amount shall be established for each member based on the assessed needs of the member and based on the services and supports authorized in the member's service plan. The member shall be informed of the individual budget amount during the development of the service plan.

(1) Services that may be included in determining the individual budget amount for a member in the HCBS ill and handicapped waiver are:

1. Consumer-directed attendant care (unskilled).
2. Home and vehicle modification.
3. Home-delivered meals.

4. Homemaker service.
  5. Basic individual respite care.
  - (2) The department shall determine an average unit cost for each service listed in subparagraph 78.34(13) "b"(1) based on actual unit costs from the previous fiscal year plus a cost-of-living adjustment.
  - (3) In aggregate, costs for individual budget services shall not exceed the current costs of waiver program services. In order to maintain cost neutrality, the department shall apply a utilization adjustment factor to the amount of service authorized in the member's service plan before calculating the value of that service to be included in the individual budget amount.
  - (4) The department shall compute the utilization adjustment factor for each service by dividing the net costs of all claims paid for the service by the total of the authorized costs for that service, using at least 12 consecutive months of aggregate service data. The utilization adjustment factor shall be no lower than 60 percent. The department shall analyze and adjust the utilization adjustment factor at least annually in order to maintain cost neutrality.
  - (5) Individual budgets for respite services shall be computed based on the average cost for services identified in subparagraph 78.34(13) "b"(2). Respite services are not subject to the utilization adjustment factor in subparagraph 78.34(13) "b"(3).
  - (6) Anticipated costs for home and vehicle modification are not subject to the average cost in subparagraph 78.34(13) "b"(2) or the utilization adjustment factor in subparagraph 78.34(13) "b"(3). Anticipated costs for home and vehicle modification shall not include the costs of the financial management services or the independent support broker. Before becoming part of the individual budget, all home and vehicle modifications shall be identified in the member's service plan and approved by the case manager or service worker. Costs for home and vehicle modification may be paid to the financial management services provider in a one-time payment.
  - (7) The individual budget amount may be changed only at the first of the month and shall remain fixed for the entire month.
- c. Required service components.* To participate in the consumer choices option, a member must hire an independent support broker and must work with a financial management service that is enrolled as a Medicaid provider. Before hiring the independent support broker, the member shall receive the results of the background check conducted pursuant to 441—Chapter 119.
- d. Optional service components.* A member who elects the consumer choices option may purchase the following goods, services and supports, which shall be provided in the member's home or at an integrated community setting:
- (1) Self-directed personal care services. Self-directed personal care services are services or goods that provide a range of assistance in activities of daily living and incidental activities of daily living that help the member remain in the home and community. These services must be identified in the member's service plan developed by the member's case manager or service worker.
  - (2) Self-directed community supports and employment. Self-directed community supports and employment are services that support the member in developing and maintaining independence and community integration. These services must be identified in the member's service plan developed by the member's case manager or service worker.
  - (3) Individual-directed goods and services. Individual-directed goods and services are services, equipment, or supplies not otherwise provided through the Medicaid program that address an assessed need or goal identified in the member's service plan. The item or service shall meet the following requirements:
    1. Promote opportunities for community living and inclusion.
    2. Increase independence or substitute for human assistance, to the extent the expenditures would otherwise be made for that human assistance.
    3. Be accommodated within the member's budget without compromising the member's health and safety.
    4. Be provided to the member or directed exclusively toward the benefit of the member.
    5. Be the least costly to meet the member's needs.
    6. Not be available through another source.

*e. Development of the individual budget.* The independent support broker shall assist the member in developing and implementing the member's individual budget. The individual budget shall include:

(1) The costs of the financial management service.

(2) The costs of the independent support broker. The independent support broker may be compensated for up to 6 hours of service for assisting with the implementation of the initial individual budget. The independent support broker shall not be paid for more than 30 hours of service for an individual member during a 12-month period without prior approval by the department.

(3) The costs of any optional service component chosen by the member as described in paragraph 78.34(13)“d.” Costs of the following items and services shall not be covered by the individual budget:

1. Child care services.
2. Clothing not related to an assessed medical need.
3. Conference, meeting or similar venue expenses other than the costs of approved services the member needs while attending the conference, meeting or similar venue.
4. Costs associated with shipping items to the member.
5. Experimental and non-FDA-approved medications, therapies, or treatments.
6. Goods or services covered by other Medicaid programs.
7. Home furnishings.
8. Home repairs or home maintenance.
9. Homeopathic treatments.
10. Insurance premiums or copayments.
11. Items purchased on installment payments.
12. Motorized vehicles.
13. Nutritional supplements.
14. Personal entertainment items.
15. Repairs and maintenance of motor vehicles.
16. Room and board, including rent or mortgage payments.
17. School tuition.
18. Service animals.
19. Services covered by third parties or services that are the responsibility of a non-Medicaid program.
20. Sheltered workshop services.
21. Social or recreational purchases not related to an assessed need or goal identified in the member's service plan.
22. Vacation expenses, other than the costs of approved services the member needs while on vacation.

(4) The costs of any approved home or vehicle modification. When authorized, the budget may include an amount allocated for a home or vehicle modification. Before becoming part of the individual budget, all home and vehicle modifications shall be identified in the member's service plan and approved by the case manager or service worker. The authorized amount shall not be used for anything other than the specific modification.

(5) Any amount set aside in a savings plan to reserve funds for the future purchase of self-directed personal care, individual-directed goods and services, or self-directed community supports and services as defined in paragraph 78.34(13)“d.” The savings plan shall meet the requirements in paragraph 78.34(13)“f.”

*f. Savings plan.* A member savings plan must be in writing and be approved by the department before the start of the savings plan. Amounts allocated to the savings plan must result from efficiencies in meeting identified needs of the member.

- (1) The savings plan shall identify:
1. The specific goods, services, supports or supplies to be purchased through the savings plan.
  2. The amount of the individual budget allocated each month to the savings plan.
  3. The amount of the individual budget allocated each month to meet the member's identified service needs.

4. How the member's assessed needs will continue to be met through the individual budget when funds are placed in savings.

(2) With the exception of funds allocated for respite care, the savings plan shall not include funds budgeted for direct services that were not received. The budgeted amount associated with unused direct services other than respite care shall revert to the Medicaid program at the end of each month. Funds from unused respite services may be allocated to the savings plan but shall not be used for anything other than future respite care.

(3) Funds accumulated under a savings plan shall be used only to purchase items that increase independence or substitute for human assistance to the extent that expenditures would otherwise be made for human assistance, including additional goods, supports, services or supplies. The self-directed personal care, individual-directed goods and services, or self-directed community supports and services purchased with funds from a savings plan must:

1. Be used to meet a member's identified need,
2. Be medically necessary, and
3. Be approved by the member's case manager or service worker.

(4) All funds allocated to a savings plan that are not expended by December 31 of each year shall revert to the Medicaid program.

(5) The annual reassessment of a member's needs must take into account the purchases of goods and services that substitute for human assistance. Adjustments shall be made to the services used to determine the individual budget based on the reassessment.

*g. Budget authority.* The member shall have authority over the individual budget authorized by the department to perform the following tasks:

(1) Contract with entities to provide services and supports as described in this subrule.

(2) Determine the amount to be paid for services. Reimbursement rates shall be consistent with rates paid by others in the community for the same or substantially similar services. Reimbursement rates for the independent support broker and the financial management service are subject to the limits in 441—subrule 79.1(2).

(3) Schedule the provision of services.

(4) Authorize payment for optional service components identified in the individual budget.

(5) Reallocate funds among services included in the budget. Every purchase of a good or service must be identified and approved in the individual budget before the purchase is made.

*h. Delegation of budget authority.* The member may delegate responsibility for the individual budget to a representative in addition to the independent support broker.

(1) The representative must be at least 18 years old.

(2) The representative shall not be a current provider of service to the member.

(3) The member shall sign a consent form that designates who the member has chosen as a representative and what responsibilities the representative shall have.

(4) The representative shall not be paid for this service.

*i. Employer authority.* The member shall have the authority to be the common-law employer of employees providing services and support under the consumer choices option. A common-law employer has the right to direct and control the performance of the services. The member may perform the following functions:

(1) Recruit employees.

(2) Select employees from a worker registry.

(3) Verify employee qualifications.

(4) Specify additional employee qualifications.

(5) Determine employee duties.

(6) Determine employee wages and benefits.

(7) Schedule employees.

(8) Train and supervise employees.

*j. Employment agreement.* Any person employed by the member to provide services under the consumer choices option shall sign an employment agreement with the member that outlines the employee's and member's responsibilities.

*k. Responsibilities of the independent support broker.* The independent support broker shall perform the following services as directed by the member or the member's representative:

(1) Assist the member with developing the member's initial and subsequent individual budgets and with making any changes to the individual budget.

(2) Have monthly contact with the member for the first four months of implementation of the initial individual budget and have quarterly contact thereafter.

(3) Complete the required employment packet with the financial management service.

(4) Assist with interviewing potential employees and entities providing services and supports if requested by the member.

(5) Assist the member with determining whether a potential employee meets the qualifications necessary to perform the job.

(6) Assist the member with obtaining a signed consent from a potential employee to conduct background checks if requested by the member.

(7) Assist the member with negotiating with entities providing services and supports if requested by the member.

(8) Assist the member with contracts and payment methods for services and supports if requested by the member.

(9) Assist the member with developing an emergency backup plan. The emergency backup plan shall address any health and safety concerns.

(10) Review expenditure reports from the financial management service to ensure that services and supports in the individual budget are being provided.

(11) Document in writing on the independent support broker timecard every contact the broker has with the member. Contact documentation shall include information on the extent to which the member's individual budget has addressed the member's needs and the satisfaction of the member.

*l. Responsibilities of the financial management service.* The financial management service shall perform all of the following services:

(1) Receive Medicaid funds in an electronic transfer.

(2) Process and pay invoices for approved goods and services included in the individual budget.

(3) Enter the individual budget into the Web-based tracking system chosen by the department and enter expenditures as they are paid.

(4) Provide real-time individual budget account balances for the member, the independent support broker, and the department, available at a minimum during normal business hours (9 a.m. to 5 p.m., Monday through Friday).

(5) Conduct criminal background checks on potential employees pursuant to 441—Chapter 119.

(6) Verify for the member an employee's citizenship or alien status.

(7) Assist the member with fiscal and payroll-related responsibilities including, but not limited to:

1. Verifying that hourly wages comply with federal and state labor rules.

2. Collecting and processing timecards.

3. Withholding, filing, and paying federal, state and local income taxes, Medicare and Social Security (FICA) taxes, and federal (FUTA) and state (SUTA) unemployment and disability insurance taxes, as applicable.

4. Computing and processing other withholdings, as applicable.

5. Processing all judgments, garnishments, tax levies, or other withholding on an employee's pay as may be required by federal, state, or local laws.

6. Preparing and issuing employee payroll checks.

7. Preparing and disbursing IRS Forms W-2 and W-3 annually.

8. Processing federal advance earned income tax credit for eligible employees.

9. Refunding over-collected FICA, when appropriate.

10. Refunding over-collected FUTA, when appropriate.

- (8) Assist the member in completing required federal, state, and local tax and insurance forms.
- (9) Establish and manage documents and files for the member and the member's employees.
- (10) Monitor timecards, receipts, and invoices to ensure that they are consistent with the individual budget. Keep records of all timecards and invoices for each member for a total of five years.
- (11) Provide to the department, the independent support broker, and the member monthly and quarterly status reports that include a summary of expenditures paid and amount of budget unused.
- (12) Establish an accessible customer service system and a method of communication for the member and the independent support broker that includes alternative communication formats.
- (13) Establish a customer services complaint reporting system.
- (14) Develop a policy and procedures manual that is current with state and federal regulations and update as necessary.
- (15) Develop a business continuity plan in the case of emergencies and natural disasters.
- (16) Provide to the department an annual independent audit of the financial management service.
- (17) Assist in implementing the state's quality management strategy related to the financial management service.

This rule is intended to implement Iowa Code section 249A.4.  
[ARC 9045B, IAB 9/8/10, effective 11/1/10]

**441—78.35(249A) Occupational therapist services.** Payment will be approved for the same services provided by an occupational therapist that are payable under Title XVIII of the Social Security Act (Medicare).

This rule is intended to implement Iowa Code section 249A.4.

**441—78.36(249A) Hospice services.**

**78.36(1) General characteristics.** A hospice is a public agency or private organization or a subdivision of either that is primarily engaged in providing care to terminally ill individuals. A hospice provides palliative and supportive services to meet the physical, psychosocial, social and spiritual needs of a terminally ill individual and the individual's family or other persons caring for the individual regardless of where the individual resides. Hospice services are those services to control pain and provide support to individuals to continue life with as little disruption as possible.

a. Covered services. Covered services shall include, in accordance with Medicare guidelines, the following:

- (1) Nursing care.
- (2) Medical social services.
- (3) Physician services.
- (4) Counseling services provided to the terminally ill individual and the individual's family members or other persons caring for the individual at the individual's place of residence, including bereavement, dietary, and spiritual counseling.
- (5) Short-term inpatient care provided in a participating hospice inpatient unit or a participating hospital or nursing facility that additionally meets the special hospice standards regarding staffing and patient areas for pain control, symptom management and respite purposes.
- (6) Medical appliances and supplies, including drugs and biologicals, as needed for the palliation and management of the individual's terminal illness and related conditions, except for "covered Part D drugs" as defined by 42 U.S.C. Section 1395w-102(e)(1)-(2) for a "Part D eligible individual" as defined in 42 U.S.C. Section 1395w-101(a)(3)(A), including an individual who is not enrolled in a Part D plan.
- (7) Homemaker and home health aide services.
- (8) Physical therapy, occupational therapy and speech-language pathology unless this provision has been waived under the Medicare program for a specific provider.
- (9) Other items or services specified in the resident's plan that would otherwise be paid under the Medicaid program.

Nursing care, medical social services, and counseling are core hospice services and must routinely be provided directly by hospice employees. The hospice may contract with other providers to provide

the remaining services. Bereavement counseling, consisting of counseling services provided after the individual's death to the individual's family or other persons caring for the individual, is a required hospice service but is not reimbursable.

*b. Noncovered services.*

(1) Covered services not related to the terminal illness. In accordance with Medicare guidelines, all medical services related to the terminal illness are the responsibility of the hospice. Services unrelated to the terminal illness are to be billed separately by the respective provider.

(2) Administrative duties performed by the medical director, any hospice-employed physician, or any consulting physician are included in the normal hospice rates. Patient care provided by the medical director, hospice-employed physician, attending physician, or consulting physician is separately reimbursable. Payment to the attending or consulting physician includes other partners in practice.

(3) Hospice care provided by a hospice other than the hospice designated by the individual unless provided under arrangements made by the designated hospice.

(4) AZT (Retrovir) and other curative antiviral drugs targeted at the human immunodeficiency virus for the treatment of AIDS.

**78.36(2) *Categories of care.*** Hospice care entails the following four categories of daily care. Guidelines for core and other services must be adhered to for all categories of care.

*a. Routine home care* is care provided in the place of residence that is not continuous.

*b. Continuous home care* is provided only during a period of crisis when an individual requires continuous care which is primarily nursing care to achieve palliation or management of acute medical symptoms. Nursing care must be provided by either a registered nurse or a licensed practical nurse and a nurse must be providing care for more than half of the period of care. A minimum of eight hours of care per day must be provided during a 24-hour day to qualify as continuous care. Homemaker and aide services may also be provided to supplement the nursing care.

*c. Inpatient respite care* is provided to the individual only when necessary to relieve the family members or other persons caring for the individual at home. Respite care may be provided only on an occasional basis and may not be reimbursed for more than five consecutive days at a time. Respite care may not be provided when the individual is a resident of a nursing facility.

*d. General inpatient care* is provided in periods of acute medical crisis when the individual is hospitalized or in a participating hospice inpatient unit or nursing facility for pain control or acute or chronic symptom management.

**78.36(3) *Residence in a nursing facility.*** For purposes of the Medicaid hospice benefit, a nursing facility can be considered the residence of a beneficiary. When the person does reside in a nursing facility, the requirement that the care of a resident of a nursing facility must be provided under the immediate direction of either the facility or the resident's personal physician does not apply if all of the following conditions are met:

*a. The resident is terminally ill.*

*b. The resident has elected to receive hospice services under the Medicaid program from a Medicaid-enrolled hospice program.*

*c. The nursing facility and the Medicaid-enrolled hospice program have entered into a written agreement under which the hospice program takes full responsibility for the professional management of the resident's hospice care and the facility agrees to provide room and board to the resident.*

**78.36(4) *Approval for hospice benefits.*** Payment will be approved for hospice services to individuals who are certified as terminally ill, that is, the individuals have a medical prognosis that their life expectancy is six months or less if the illness runs its normal course, and who elect hospice care rather than active treatment for the illness.

*a. Physician certification process.* The hospice must obtain certification that an individual is terminally ill in accordance with the following procedures:

(1) The hospice may obtain verbal orders to initiate hospice service from the medical director of the hospice or the physician member of the hospice interdisciplinary group and by the individual's attending physician (if the individual has an attending physician). The verbal order shall be noted in the patient's record. The verbal order must be given within two days of the start of care and be followed up in

writing no later than eight calendar days after hospice care is initiated. The certification must include the statement that the individual's medical prognosis is that the individual's life expectancy is six months or less if the illness runs its normal course.

(2) When verbal orders are not secured, the hospice must obtain, no later than two calendar days after hospice care is initiated, written certification signed by the medical director of the hospice or the physician member of the hospice interdisciplinary group and by the individual's attending physician (if the individual has an attending physician). The certification must include the statement that the individual's medical prognosis is that the individual's life expectancy is six months or less, if the illness runs its normal course.

(3) Hospice care benefit periods consist of up to two periods of 90 days each and an unlimited number of subsequent 60-day periods as elected by the individual. The medical director or a physician must recertify at the beginning of each benefit period that the individual is terminally ill.

*b. Election procedures.* Individuals who are dually eligible for Medicare and Medicaid must receive hospice coverage under Medicare.

(1) Election statement. An individual, or individual's representative, elects to receive the hospice benefit by filing an election statement, Form 470-2618, Election of Medicaid Hospice Benefit, with a particular hospice. The hospice may provide the individual with another election form to use provided the form includes the following information:

1. Identification of the hospice that will provide the care.
2. Acknowledgment that the recipient has been given a full understanding of hospice care.
3. Acknowledgment that the recipient waives the right to regular Medicaid benefits, except for payment to the regular physician and treatment for medical conditions unrelated to the terminal illness.
4. Acknowledgment that recipients are not responsible for copayment or other deductibles.
5. The recipient's Medicaid number.
6. The effective date of election.
7. The recipient's signature.

(2) Change of designation. An individual may change the designation of the particular hospice from which the individual elects to receive hospice care one time only.

(3) Effective date. An individual may designate an effective date for the hospice benefit that begins with the first day of the hospice care or any subsequent day of hospice care, but an individual may not designate an effective date that is earlier than the date that the election is made.

(4) Duration of election. The election to receive hospice care will be considered to continue until one of the following occurs:

1. The individual dies.
2. The individual or the individual's representative revokes the election.
3. The individual's situation changes so that the individual no longer qualifies for the hospice benefit.
4. The hospice elects to terminate the recipient's enrollment in accordance with the hospice's established discharge policy.

(5) Revocation. Form 470-2619, Revocation of Medicaid Hospice Benefit, is completed when an individual or the individual's representative revokes the hospice benefit allowed under Medicaid. When an individual revokes the election of Medicaid coverage of hospice care, the individual resumes Medicaid coverage of the benefits waived when hospice care was elected.

This rule is intended to implement Iowa Code section 249A.4.

**441—78.37(249A) HCBS elderly waiver services.** Payment will be approved for the following services to consumers eligible for the HCBS elderly waiver services as established in 441—Chapter 83. The consumer shall have a billable waiver service each calendar quarter. Services must be billed in whole units.

**78.37(1) Adult day care services.** Adult day care services provide an organized program of supportive care in a group environment to persons who need a degree of supervision and assistance on a regular or intermittent basis in a day care center. A unit of service is a half day (1 to 4 hours), a

full day (4 to 8 hours), or an extended day (8 to 12 hours). Components of the service are set forth in rule 441—171.6(234) or as indicated in the Iowa department of elder affairs Annual Service and Fiscal Reporting Manual.

**78.37(2) *Emergency response system.*** The emergency response system allows a person experiencing a medical emergency at home to activate electronic components that transmit a coded signal via digital equipment over telephone lines to a central monitoring station. The necessary components of a system are:

- a. An in-home medical communications transceiver.
- b. A remote, portable activator.
- c. A central monitoring station with backup systems staffed by trained attendants 24 hours per day, seven days per week.
- d. Current data files at the central monitoring station containing preestablished response protocols and personal, medical, and emergency information for each client.

**78.37(3) *Home health aide services.*** Home health aide services are personal or direct care services provided to the client which are not payable under Medicaid as set forth in rule 441—78.9(249A). A unit of service is a visit. Components of the service include:

- a. Observation and reporting of physical or emotional needs.
- b. Helping a client with bath, shampoo, or oral hygiene.
- c. Helping a client with toileting.
- d. Helping a client in and out of bed and with ambulation.
- e. Helping a client reestablish activities of daily living.
- f. Assisting with oral medications ordinarily self-administered and ordered by a physician.
- g. Performing incidental household services which are essential to the client's health care at home and are necessary to prevent or postpone institutionalization in order to complete a full unit of service.

**78.37(4) *Homemaker services.*** Homemaker services are those services provided when the client lives alone or when the person who usually performs these functions for the client is incapacitated or occupied providing direct care to the client. A unit of service is one hour. Components of the service include:

- a. Essential shopping: shopping for basic need items such as food, clothing or personal care items, or drugs.
- b. Limited housecleaning: maintenance cleaning such as vacuuming, dusting, scrubbing floors, defrosting refrigerators, cleaning stoves, and washing and mending clothes.
- c. Accompaniment to medical or psychiatric services.
- d. Meal preparation: planning and preparing balanced meals.
- e. Bathing and dressing for self-directing recipients.

**78.37(5) *Nursing care services.*** Nursing care services are services provided by licensed agency nurses to clients in the home which are ordered by and included in the plan of treatment established by the physician. The services are reasonable and necessary to the treatment of an illness or injury and include: observation; evaluation; teaching; training; supervision; therapeutic exercise; bowel and bladder care; administration of medications; intravenous, hypodermoclysis, and enteral feedings; skin care; preparation of clinical and progress notes; coordination of services and informing the physician and other personnel of changes in the patient's condition and needs.

A unit of service is one visit. Nursing care service can pay for a maximum of eight nursing visits per month for intermediate level of care persons. There is no limit on the maximum visits for skilled level of care persons.

**78.37(6) *Respite care services.*** Respite care services are services provided to the consumer that give temporary relief to the usual caregiver and provide all the necessary care that the usual caregiver would provide during that time period. The purpose of respite care is to enable the consumer to remain in the consumer's current living situation.

- a. Services provided outside the consumer's home shall not be reimbursable if the living unit where respite is provided is reserved for another person on a temporary leave of absence.

b. Staff-to-consumer ratios shall be appropriate to the individual needs of the consumer as determined by the consumer's interdisciplinary team.

c. A unit of service is one hour.

d. The interdisciplinary team shall determine if the consumer will receive basic individual respite, specialized respite or group respite as defined in rule 441—83.21(249A).

e. When respite care is provided, the provision of, or payment for, other duplicative services under the waiver is precluded.

f. A maximum of 14 consecutive days of 24-hour respite care may be reimbursed.

g. Respite services provided for a period exceeding 24 consecutive hours to three or more individuals who require nursing care because of a mental or physical condition must be provided by a health care facility licensed as described in Iowa Code chapter 135C.

h. Respite care is not to be provided to persons during the hours in which the usual caregiver is employed except when the consumer is attending a camp. Respite cannot be provided to a consumer whose usual caregiver is a consumer-directed attendant care provider for the consumer.

**78.37(7) *Chore services.*** Chore services include the following services: window and door maintenance, such as hanging screen windows and doors, replacing windowpanes, and washing windows; minor repairs to walls, floors, stairs, railings and handles; heavy cleaning which includes cleaning attics or basements to remove fire hazards, moving heavy furniture, extensive wall washing, floor care or painting and trash removal; and yard work such as mowing lawns, raking leaves and shoveling walks. A unit of service is one-half hour.

**78.37(8) *Home-delivered meals.*** Home-delivered meals means meals prepared elsewhere and delivered to a waiver recipient at the recipient's residence. Each meal shall ensure the recipient receives a minimum of one-third of the daily recommended dietary allowance as established by the Food and Nutrition Board of the National Research Council of the National Academy of Sciences. The meal may also be a liquid supplement which meets the minimum one-third standard. When a restaurant provides the home-delivered meal, the recipient is required to have a nutritional consultation. The nutritional consultation includes contact with the restaurant to explain the dietary needs of the client and explain what constitutes the minimum one-third daily dietary allowance.

A maximum of 14 meals is allowed per week. A unit of service is a meal.

**78.37(9) *Home and vehicle modification.*** Covered home and vehicle modifications are those physical modifications to the consumer's home or vehicle listed below that directly address the consumer's medical or remedial need. Covered modifications must be necessary to provide for the health, welfare, or safety of the consumer and enable the consumer to function with greater independence in the home or vehicle.

a. Modifications that are necessary or desirable without regard to the consumer's medical or remedial need and that would be expected to increase the fair market value of the home or vehicle, such as furnaces, fencing, roof repair, or adding square footage to the residence, are excluded except as specifically included below. Repairs are also excluded.

b. Only the following modifications are covered:

(1) Kitchen counters, sink space, cabinets, special adaptations to refrigerators, stoves, and ovens.

(2) Bathtubs and toilets to accommodate transfer, special handles and hoses for shower heads, water faucet controls, and accessible showers and sink areas.

(3) Grab bars and handrails.

(4) Turnaround space adaptations.

(5) Ramps, lifts, and door, hall and window widening.

(6) Fire safety alarm equipment specific for disability.

(7) Voice-activated, sound-activated, light-activated, motion-activated, and electronic devices directly related to the consumer's disability.

(8) Vehicle lifts, driver-specific adaptations, remote-start systems, including such modifications already installed in a vehicle.

(9) Keyless entry systems.

(10) Automatic opening device for home or vehicle door.

- (11) Special door and window locks.
- (12) Specialized doorknobs and handles.
- (13) Plexiglas replacement for glass windows.
- (14) Modification of existing stairs to widen, lower, raise or enclose open stairs.
- (15) Motion detectors.
- (16) Low-pile carpeting or slip-resistant flooring.
- (17) Telecommunications device for the deaf.
- (18) Exterior hard-surface pathways.
- (19) New door opening.
- (20) Pocket doors.
- (21) Installation or relocation of controls, outlets, switches.
- (22) Air conditioning and air filtering if medically necessary.
- (23) Heightening of existing garage door opening to accommodate modified van.
- (24) Bath chairs.

*c.* A unit of service is the completion of needed modifications or adaptations.

*d.* All modifications and adaptations shall be provided in accordance with applicable federal, state, and local building and vehicle codes.

*e.* Services shall be performed following department approval of a binding contract between the enrolled home and vehicle modification provider and the consumer.

*f.* The contract shall include, at a minimum, the work to be performed, cost, time frame for work completion, and assurance of liability and workers' compensation coverage.

*g.* Service payment shall be made to the enrolled home and vehicle modification provider. If applicable, payment will be forwarded to the subcontracting agency by the enrolled home and vehicle modification provider following completion of the approved modifications.

*h.* Services shall be included in the consumer's service plan and shall exceed the Medicaid state plan services.

**78.37(10) *Mental health outreach.*** Mental health outreach services are services provided in a recipient's home to identify, evaluate, and provide treatment and psychosocial support. The services can only be provided on the basis of a referral from the consumer's interdisciplinary team established pursuant to 441—subrule 83.22(2). A unit of service is 15 minutes.

**78.37(11) *Transportation.*** Transportation services may be provided for recipients to conduct business errands, essential shopping, to receive medical services not reimbursed through medical transportation, and to reduce social isolation. A unit of service is per mile, per trip, or rate established by area agency on aging.

**78.37(12) *Nutritional counseling.*** Nutritional counseling services may be provided for a nutritional problem or condition of such a degree of severity that nutritional counseling beyond that normally expected as part of the standard medical management is warranted. A unit of service is 15 minutes.

**78.37(13) *Assistive devices.*** Assistive devices means practical equipment products to assist persons with activities of daily living and instrumental activities of daily living to allow the person more independence. They include, but are not limited to: long-reach brush, extra long shoehorn, nonslip grippers to pick up and reach items, dressing aids, shampoo rinse tray and inflatable shampoo tray, double-handled cup and sipper lid. A unit is an item.

**78.37(14) *Senior companion.*** Senior companion services are nonmedical care supervision, oversight, and respite. Companions may assist with such tasks as meal preparation, laundry, shopping and light housekeeping tasks. This service cannot provide hands-on nursing or medical care. A unit of service is one hour.

**78.37(15) *Consumer-directed attendant care service.*** Consumer-directed attendant care services are service activities performed by a person to help a consumer with self-care tasks which the consumer would typically do independently if the consumer were otherwise able.

*a.* The service activities may include helping the consumer with any of the following nonskilled service activities:

- (1) Dressing.

- (2) Bath, shampoo, hygiene, and grooming.
  - (3) Access to and from bed or a wheelchair, transferring, ambulation, and mobility in general. It is recommended that the provider receive certification of training and return demonstration for transferring. Certification for this is available through the area community colleges.
  - (4) Toilet assistance, including bowel, bladder, and catheter assistance. It is recommended that the provider receive certification of training and return demonstration for catheter assistance. Certification for this is available through the area community colleges.
  - (5) Meal preparation, cooking, eating and feeding but not the cost of meals themselves.
  - (6) Housekeeping services which are essential to the consumer's health care at home.
  - (7) Medications ordinarily self-administered including those ordered by a physician or other qualified health care provider. It is recommended the provider successfully complete a medication aide course administered by an area community college.
  - (8) Wound care.
  - (9) Assistance needed to go to or return from a place of employment and assistance with job-related tasks while the consumer is on the job site. The cost of transportation for the consumer and assistance with understanding or performing the essential job functions are not included in consumer-directed attendant care services.
  - (10) Cognitive assistance with tasks such as handling money and scheduling.
  - (11) Fostering communication through interpreting and reading services as well as assistive devices for communication.
  - (12) Assisting or accompanying a consumer in using transportation essential to the health and welfare of the consumer. The cost of the transportation is not included.
- b. The service activities may include helping the consumer with any of the following skilled services under the supervision of a licensed nurse or licensed therapist working under the direction of a physician. The licensed nurse or therapist shall retain accountability for actions that are delegated. The licensed nurse or therapist shall ensure appropriate assessment, planning, implementation, and evaluation. The licensed nurse or therapist shall make on-site supervisory visits every two weeks with the provider present. The cost of the supervision provided by the licensed nurse or therapist shall be paid from private insurance and other third-party payment sources, Medicare, the regular Medicaid program, or the early periodic screening diagnosis and treatment program before accessing the HCBS waiver.
- (1) Tube feedings of consumers unable to eat solid foods.
  - (2) Intravenous therapy administered by a registered nurse.
  - (3) Parenteral injections required more than once a week.
  - (4) Catheterizations, continuing care of indwelling catheters with supervision of irrigations, and changing of Foley catheters when required.
  - (5) Respiratory care including inhalation therapy and tracheotomy care or tracheotomy care and ventilator.
  - (6) Care of decubiti and other ulcerated areas, noting and reporting to the nurse or therapist.
  - (7) Rehabilitation services including, but not limited to, bowel and bladder training, range of motion exercises, ambulation training, restorative nursing services, reteaching the activities of daily living, respiratory care and breathing programs, reality orientation, reminiscing therapy, remotivation, and behavior modification.
  - (8) Colostomy care.
  - (9) Care of medical conditions out of control which includes brittle diabetes and comfort care of terminal conditions.
  - (10) Postsurgical nursing care.
  - (11) Monitoring medications requiring close supervision because of fluctuating physical or psychological conditions, e.g., antihypertensives, digitalis preparations, mood-altering or psychotropic drugs, or narcotics.
  - (12) Preparing and monitoring response to therapeutic diets.
  - (13) Recording and reporting of changes in vital signs to the nurse or therapist.

c. A unit of service provided by an individual or an agency, other than an assisted living program, is 1 hour, or one 8- to 24-hour day. When provided by an assisted living program, a unit of service is one calendar month. If services are provided by an assisted living program for less than one full calendar month, the monthly reimbursement rate shall be prorated based on the number of days service is provided. Except for services provided by an assisted living program, each service shall be billed in whole units.

d. The consumer, parent, guardian, or attorney in fact under a durable power of attorney for health care shall be responsible for selecting the person or agency who will provide the components of the attendant care services to be provided.

e. The consumer, parent, guardian, or attorney in fact under a durable power of attorney for health care shall determine the components of the attendant care services to be provided with the person who is providing the services to the consumer.

f. The service activities may not include parenting or child care for or on behalf of the consumer.

g. The consumer, parent, guardian, or attorney in fact under a durable power of attorney for health care and the provider shall complete and sign Form 470-3372, HCBS Consumer-Directed Attendant Care Agreement. A copy of the completed agreement shall be attached to the service plan, which is signed by the service worker prior to the initiation of services, and kept in the consumer's and department's records.

h. If the consumer has a guardian or attorney in fact under a durable power of attorney for health care, the care plan shall address how consumer-directed attendant care services will be monitored to ensure the consumer's needs are being adequately met. If the guardian or attorney in fact is the service provider, the service plan shall address how the service worker or case manager shall oversee service provision.

i. If the consumer has a guardian or attorney in fact under a durable power of attorney for health care, the guardian or attorney in fact shall sign the claim form in place of the consumer, indicating that the service has been provided as presented on the claim.

j. The frequency or intensity of services shall be indicated in the service plan.

k. Consumer-directed attendant care services may not be simultaneously reimbursed with any other HCBS waiver services.

l. Consumer-directed attendant care services may be provided to a recipient of in-home health-related care services, but not at the same time.

m. Services may be provided in the absence of a parent or guardian if the parent or guardian has given advanced direction for the service provision.

**78.37(16) Consumer choices option.** The consumer choices option provides a member with a flexible monthly individual budget that is based on the member's service needs. With the individual budget, the member shall have the authority to purchase goods and services to meet the member's assessed needs and may choose to employ providers of services and supports. The services, supports, and items that are purchased with an individual budget must be directly related to a member's assessed need or goal established in the member's service plan. Components of this service are set forth below.

a. *Agreement.* As a condition of participating in the consumer choices option, a member shall sign Form 470-4289, HCBS Consumer Choices Informed Consent and Risk Agreement, to document that the member has been informed of the responsibilities and risks of electing the consumer choices option.

b. *Individual budget amount.* A monthly individual budget amount shall be established for each member based on the assessed needs of the member and on the services and supports authorized in the member's service plan. The member shall be informed of the individual budget amount during the development of the service plan.

(1) Services that may be included in determining the individual budget amount for a member in the HCBS elderly waiver are:

1. Assistive devices.
2. Chore service.
3. Consumer-directed attendant care (unskilled).
4. Home and vehicle modification.

5. Home-delivered meals.
6. Homemaker service.
7. Basic individual respite care.
8. Senior companion.
9. Transportation.

(2) The department shall determine an average unit cost for each service listed in subparagraph 78.37(16)“b”(1) based on actual unit costs from the previous fiscal year plus a cost-of-living adjustment.

(3) In aggregate, costs for individual budget services shall not exceed the current costs of waiver program services. In order to maintain cost neutrality, the department shall apply a utilization adjustment factor to the amount of service authorized in the member’s service plan before calculating the value of that service to be included in the individual budget amount.

(4) The department shall compute the utilization adjustment factor for each service by dividing the net costs of all claims paid for the service by the total of the authorized costs for that service, using at least 12 consecutive months of aggregate service data. The utilization adjustment factor shall be no lower than 60 percent. The department shall analyze and adjust the utilization adjustment factor at least annually in order to maintain cost neutrality.

(5) Individual budgets for respite services shall be computed based on the average cost for services identified in subparagraph 78.37(16)“b”(2). Respite services are not subject to the utilization adjustment factor in subparagraph 78.37(16)“b”(3).

(6) Anticipated costs for home and vehicle modification and assistive devices are not subject to the average cost in subparagraph 78.37(16)“b”(2) or the utilization adjustment factor in subparagraph 78.37(16)“b”(3). Anticipated costs for home and vehicle modification and assistive devices shall not include the costs of the financial management services or the independent support broker. Before becoming part of the individual budget, all home and vehicle modifications and assistive devices shall be identified in the member’s service plan and approved by the case manager or service worker. Costs for home and vehicle modification and assistive devices may be paid to the financial management services provider in a one-time payment.

(7) The individual budget amount may be changed only at the first of the month and shall remain fixed for the entire month.

*c. Required service components.* To participate in the consumer choices option, a member must hire an independent support broker and must work with a financial management service that is enrolled as a Medicaid provider. Before hiring the independent support broker, the member shall receive the results of the background check conducted pursuant to 441—Chapter 119.

*d. Optional service components.* A member who elects the consumer choices option may purchase the following goods, services and supports, which shall be provided in the member’s home or at an integrated community setting:

(1) Self-directed personal care services. Self-directed personal care services are services or goods that provide a range of assistance in activities of daily living and incidental activities of daily living that help the member remain in the home and community. These services must be identified in the member’s service plan developed by the member’s case manager or service worker.

(2) Self-directed community supports and employment. Self-directed community supports and employment are services that support the member in developing and maintaining independence and community integration. These services must be identified in the member’s service plan developed by the member’s case manager or service worker.

(3) Individual-directed goods and services. Individual-directed goods and services are services, equipment, or supplies not otherwise provided through the Medicaid program that address an assessed need or goal identified in the member’s service plan. The item or service shall meet the following requirements:

1. Promote opportunities for community living and inclusion.
2. Increase independence or substitute for human assistance, to the extent the expenditures would otherwise be made for that human assistance.

3. Be accommodated within the member's budget without compromising the member's health and safety.

4. Be provided to the member or directed exclusively toward the benefit of the member.

5. Be the least costly to meet the member's needs.

6. Not be available through another source.

*e. Development of the individual budget.* The independent support broker shall assist the member in developing and implementing the member's individual budget. The individual budget shall include:

(1) The costs of the financial management service.

(2) The costs of the independent support broker. The independent support broker may be compensated for up to 6 hours of service for assisting with the implementation of the initial individual budget. The independent support broker shall not be paid for more than 30 hours of service for an individual member during a 12-month period without prior approval by the department.

(3) The costs of any optional service component chosen by the member as described in paragraph 78.37(16) "d." Costs of the following items and services shall not be covered by the individual budget:

1. Child care services.

2. Clothing not related to an assessed medical need.

3. Conference, meeting or similar venue expenses other than the costs of approved services the member needs while attending the conference, meeting or similar venue.

4. Costs associated with shipping items to the member.

5. Experimental and non-FDA-approved medications, therapies, or treatments.

6. Goods or services covered by other Medicaid programs.

7. Home furnishings.

8. Home repairs or home maintenance.

9. Homeopathic treatments.

10. Insurance premiums or copayments.

11. Items purchased on installment payments.

12. Motorized vehicles.

13. Nutritional supplements.

14. Personal entertainment items.

15. Repairs and maintenance of motor vehicles.

16. Room and board, including rent or mortgage payments.

17. School tuition.

18. Service animals.

19. Services covered by third parties or services that are the responsibility of a non-Medicaid program.

20. Sheltered workshop services.

21. Social or recreational purchases not related to an assessed need or goal identified in the member's service plan.

22. Vacation expenses, other than the costs of approved services the member needs while on vacation.

(4) The costs of any approved home or vehicle modification or assistive device. When authorized, the budget may include an amount allocated for a home or vehicle modification or an assistive device. Before becoming part of the individual budget, all home and vehicle modifications and assistive devices shall be identified in the member's service plan and approved by the case manager or service worker. The authorized amount shall not be used for anything other than the specific modification or device.

(5) Any amount set aside in a savings plan to reserve funds for the future purchase of self-directed personal care, individual-directed goods and services, or self-directed community supports and services as defined in paragraph 78.37(16) "d." The savings plan shall meet the requirements in paragraph 78.37(16) "f."

*f. Savings plan.* A member savings plan must be in writing and be approved by the department before the start of the savings plan. Amounts allocated to the savings plan must result from efficiencies in meeting identified needs of the member.

- (1) The savings plan shall identify:
    1. The specific goods, services, supports or supplies to be purchased through the savings plan.
    2. The amount of the individual budget allocated each month to the savings plan.
    3. The amount of the individual budget allocated each month to meet the member's identified service needs.
    4. How the member's assessed needs will continue to be met through the individual budget when funds are placed in savings.
  - (2) With the exception of funds allocated for respite care, the savings plan shall not include funds budgeted for direct services that were not received. The budgeted amount associated with unused direct services other than respite care shall revert to the Medicaid program at the end of each month. Funds from unused respite services may be allocated to the savings plan but shall not be used for anything other than future respite care.
  - (3) Funds accumulated under a savings plan shall be used only to purchase items that increase independence or substitute for human assistance to the extent that expenditures would otherwise be made for human assistance, including additional goods, supports, services or supplies. The self-directed personal care, individual-directed goods and services, or self-directed community supports and services purchased with funds from a savings plan must:
    1. Be used to meet a member's identified need,
    2. Be medically necessary, and
    3. Be approved by the member's case manager or service worker.
  - (4) All funds allocated to a savings plan that are not expended by December 31 of each year shall revert to the Medicaid program.
  - (5) The annual reassessment of a member's needs must take into account the purchases of goods and services that substitute for human assistance. Adjustments shall be made to the services used to determine the individual budget based on the reassessment.
- g. Budget authority.* The member shall have authority over the individual budget authorized by the department to perform the following tasks:
- (1) Contract with entities to provide services and supports as described in this subrule.
  - (2) Determine the amount to be paid for services. Reimbursement rates shall be consistent with rates paid by others in the community for the same or substantially similar services. Reimbursement rates for the independent support broker and the financial management service are subject to the limits in 441—subrule 79.1(2).
  - (3) Schedule the provision of services.
  - (4) Authorize payment for optional service components identified in the individual budget.
  - (5) Reallocate funds among services included in the budget. Every purchase of a good or service must be identified and approved in the individual budget before the purchase is made.
- h. Delegation of budget authority.* The member may delegate responsibility for the individual budget to a representative in addition to the independent support broker.
- (1) The representative must be at least 18 years old.
  - (2) The representative shall not be a current provider of service to the member.
  - (3) The member shall sign a consent form that designates who the member has chosen as a representative and what responsibilities the representative shall have.
  - (4) The representative shall not be paid for this service.
- i. Employer authority.* The member shall have the authority to be the common-law employer of employees providing services and support under the consumer choices option. A common-law employer has the right to direct and control the performance of the services. The member may perform the following functions:
- (1) Recruit employees.
  - (2) Select employees from a worker registry.
  - (3) Verify employee qualifications.
  - (4) Specify additional employee qualifications.
  - (5) Determine employee duties.

- (6) Determine employee wages and benefits.
- (7) Schedule employees.
- (8) Train and supervise employees.

*j. Employment agreement.* Any person employed by the member to provide services under the consumer choices option shall sign an employment agreement with the member that outlines the employee's and member's responsibilities.

*k. Responsibilities of the independent support broker.* The independent support broker shall perform the following services as directed by the member or the member's representative:

- (1) Assist the member with developing the member's initial and subsequent individual budgets and with making any changes to the individual budget.
- (2) Have monthly contact with the member for the first four months of implementation of the initial individual budget and have quarterly contact thereafter.
- (3) Complete the required employment packet with the financial management service.
- (4) Assist with interviewing potential employees and entities providing services and supports if requested by the member.
- (5) Assist the member with determining whether a potential employee meets the qualifications necessary to perform the job.
- (6) Assist the member with obtaining a signed consent from a potential employee to conduct background checks if requested by the member.
- (7) Assist the member with negotiating with entities providing services and supports if requested by the member.
- (8) Assist the member with contracts and payment methods for services and supports if requested by the member.
- (9) Assist the member with developing an emergency backup plan. The emergency backup plan shall address any health and safety concerns.
- (10) Review expenditure reports from the financial management service to ensure that services and supports in the individual budget are being provided.
- (11) Document in writing on the independent support broker timecard every contact the broker has with the member. Contact documentation shall include information on the extent to which the member's individual budget has addressed the member's needs and the satisfaction of the member.

*l. Responsibilities of the financial management service.* The financial management service shall perform all of the following services:

- (1) Receive Medicaid funds in an electronic transfer.
- (2) Process and pay invoices for approved goods and services included in the individual budget.
- (3) Enter the individual budget into the Web-based tracking system chosen by the department and enter expenditures as they are paid.
- (4) Provide real-time individual budget account balances for the member, the independent support broker, and the department, available at a minimum during normal business hours (9 a.m. to 5 p.m., Monday through Friday).
- (5) Conduct criminal background checks on potential employees pursuant to 441—Chapter 119.
- (6) Verify for the member an employee's citizenship or alien status.
- (7) Assist the member with fiscal and payroll-related responsibilities including, but not limited to:
  1. Verifying that hourly wages comply with federal and state labor rules.
  2. Collecting and processing timecards.
  3. Withholding, filing, and paying federal, state and local income taxes, Medicare and Social Security (FICA) taxes, and federal (FUTA) and state (SUTA) unemployment and disability insurance taxes, as applicable.
  4. Computing and processing other withholdings, as applicable.
  5. Processing all judgments, garnishments, tax levies, or other withholding on an employee's pay as may be required by federal, state, or local laws.
  6. Preparing and issuing employee payroll checks.
  7. Preparing and disbursing IRS Forms W-2 and W-3 annually.

8. Processing federal advance earned income tax credit for eligible employees.
9. Refunding over-collected FICA, when appropriate.
10. Refunding over-collected FUTA, when appropriate.
- (8) Assist the member in completing required federal, state, and local tax and insurance forms.
- (9) Establish and manage documents and files for the member and the member's employees.
- (10) Monitor timecards, receipts, and invoices to ensure that they are consistent with the individual budget. Keep records of all timecards and invoices for each member for a total of five years.
- (11) Provide to the department, the independent support broker, and the member monthly and quarterly status reports that include a summary of expenditures paid and amount of budget unused.
- (12) Establish an accessible customer service system and a method of communication for the member and the independent support broker that includes alternative communication formats.
- (13) Establish a customer services complaint reporting system.
- (14) Develop a policy and procedures manual that is current with state and federal regulations and update as necessary.
- (15) Develop a business continuity plan in the case of emergencies and natural disasters.
- (16) Provide to the department an annual independent audit of the financial management service.
- (17) Assist in implementing the state's quality management strategy related to the financial management service.

**78.37(17) Case management services.** Case management services are services that assist Medicaid members who reside in a community setting or are transitioning to a community setting in gaining access to needed medical, social, educational, housing, transportation, vocational, and other appropriate services in order to ensure the health, safety, and welfare of the member. Case management is provided at the direction of the member and the interdisciplinary team established pursuant to 441—subrule 83.22(2).

*a.* Case management services shall be provided as set forth in rules 441—90.5(249A) and 441—90.8(249A).

*b.* Case management shall not include the provision of direct services by the case managers.

*c.* Payment for case management shall not be made until the consumer is enrolled in the waiver. Payment shall be made only for case management services performed on behalf of the consumer during a month when the consumer is enrolled.

This rule is intended to implement Iowa Code section 249A.4.  
[ARC 7957B, IAB 7/15/09, effective 7/1/09; ARC 9045B, IAB 9/8/10, effective 11/1/10]

**441—78.38(249A) HCBS AIDS/HIV waiver services.** Payment will be approved for the following services to clients eligible for the HCBS AIDS/HIV waiver services as established in 441—Chapter 83. Services must be billed in whole units.

**78.38(1) Counseling services.** Counseling services are face-to-face mental health services provided to the client and caregiver by a mental health professional as defined in rule 441—24.61(225C,230A) to facilitate home management of the client and prevent institutionalization. Counseling services are nonpsychiatric services necessary for the management of depression, assistance with the grief process, alleviation of psychosocial isolation and support in coping with a disability or illness, including terminal illness. Counseling services may be provided both for the purpose of training the client's family or other caregiver to provide care, and for the purpose of helping the client and those caring for the client to adjust to the client's disability or terminal condition. Counseling services may be provided to the client's caregiver only when included in the case plan for the client.

Payment will be made for individual and group counseling. A unit of individual counseling for the waiver client or the waiver client and the client's caregiver is 15 minutes. A unit of group counseling is one hour. Payment for group counseling is based on the group rate divided by six, or, if the number of persons who comprise the group exceeds six, the actual number of persons who comprise the group.

**78.38(2) Home health aide services.** Home health aide services are personal or direct care services provided to the client which are not payable under Medicaid as set forth in rule 441—78.9(249A). A unit of service is a visit. Components of the service are:

*a.* Observation and reporting of physical or emotional needs.

- b. Helping a client with bath, shampoo, or oral hygiene.
- c. Helping a client with toileting.
- d. Helping a client in and out of bed and with ambulation.
- e. Helping a client reestablish activities of daily living.
- f. Assisting with oral medications ordinarily self-administered and ordered by a physician.
- g. Performing incidental household services which are essential to the client's health care at home and are necessary to prevent or postpone institutionalization in order to complete a full unit of service.

**78.38(3) *Homemaker services.*** Homemaker services are those services provided when the client lives alone or when the person who usually performs these functions for the client needs assistance with performing the functions. A unit of service is one hour. Components of the service are directly related to the care of the client and are:

- a. Essential shopping: shopping for basic need items such as food, clothing or personal care items, or drugs.
- b. Limited housecleaning: maintenance cleaning such as vacuuming, dusting, scrubbing floors, defrosting refrigerators, cleaning stoves, cleaning medical equipment, washing and mending clothes, washing personal items used by the client, and dishes.
- c. Accompaniment to medical or psychiatric services or for children aged 18 and under to school.
- d. Meal preparation: planning and preparing balanced meals.

**78.38(4) *Nursing care services.*** Nursing care services are services provided by licensed agency nurses to clients in the home which are ordered by and included in the plan of treatment established by the physician. The services shall be reasonable and necessary to the treatment of an illness or injury and include: observation; evaluation; teaching; training; supervision; therapeutic exercise; bowel and bladder care; administration of medications; intravenous and enteral feedings; skin care; preparation of clinical and progress notes; coordination of services; and informing the physician and other personnel of changes in the patient's conditions and needs. A unit of service is a visit.

**78.38(5) *Respite care services.*** Respite care services are services provided to the consumer that give temporary relief to the usual caregiver and provide all the necessary care that the usual caregiver would provide during that time period. The purpose of respite care is to enable the consumer to remain in the consumer's current living situation.

- a. Services provided outside the consumer's home shall not be reimbursable if the living unit where respite is provided is otherwise reserved for another person on a temporary leave of absence.
- b. Staff-to-consumer ratios shall be appropriate to the individual needs of the consumer as determined by the consumer's interdisciplinary team.
- c. A unit of service is one hour.
- d. The interdisciplinary team shall determine if the consumer will receive basic individual respite, specialized respite or group respite as defined in rule 441—83.41(249A).
- e. When respite care is provided, the provision of, or payment for, other duplicative services under the waiver is precluded.
- f. A maximum of 14 consecutive days of 24-hour respite care may be reimbursed.
- g. Respite services provided for a period exceeding 24 consecutive hours to three or more individuals who require nursing care because of a mental or physical condition must be provided by a health care facility licensed as described in Iowa Code chapter 135C.
- h. Respite care is not to be provided to persons during the hours in which the usual caregiver is employed except when the consumer is attending a camp. Respite cannot be provided to a consumer whose usual caregiver is a consumer-directed attendant care provider for the consumer.

**78.38(6) *Home-delivered meals.*** Home-delivered meals means meals prepared elsewhere and delivered to a waiver recipient at the recipient's residence. Each meal shall ensure the recipient receives a minimum of one-third of the daily recommended dietary allowance as established by the Food and Nutrition Board of the National Research Council of the National Academy of Sciences. The meal may also be a liquid supplement which meets the minimum one-third standard. A maximum of 14 meals is allowed per week. A unit of service is a meal.

**78.38(7) *Adult day care services.*** Adult day care services provide an organized program of supportive care in a group environment to persons who need a degree of supervision and assistance on a regular or intermittent basis in a day care center. A unit of service is a half day (1 to 4 hours), a full day (4 to 8 hours), or an extended day (8 to 12 hours). Components of the service are as set forth in rule 441—171.6(234) or the department of elder affairs rule 321—24.7(231).

**78.38(8) *Consumer-directed attendant care service.*** Consumer-directed attendant care services are service activities performed by a person to help a consumer with self-care tasks which the consumer would typically do independently if the consumer were otherwise able.

*a.* The service activities may include helping the consumer with any of the following nonskilled service activities:

(1) Dressing.

(2) Bath, shampoo, hygiene, and grooming.

(3) Access to and from bed or a wheelchair, transferring, ambulation, and mobility in general. It is recommended that the provider receive certification of training and return demonstration for transferring. Certification for this is available through the area community colleges.

(4) Toilet assistance, including bowel, bladder, and catheter assistance. It is recommended that the provider receive certification of training and return demonstration for catheter assistance. Certification for this is available through the area community colleges.

(5) Meal preparation, cooking, eating and feeding but not the cost of meals themselves.

(6) Housekeeping services which are essential to the consumer's health care at home.

(7) Medications ordinarily self-administered including those ordered by a physician or other qualified health care provider. It is recommended the provider successfully complete a medication aide course administered by an area community college.

(8) Wound care.

(9) Assistance needed to go to or return from a place of employment and assistance with job-related tasks while the consumer is on the job site. The cost of transportation for the consumer and assistance with understanding or performing the essential job functions are not included in consumer-directed attendant care services.

(10) Cognitive assistance with tasks such as handling money and scheduling.

(11) Fostering communication through interpreting and reading services as well as assistive devices for communication.

(12) Assisting or accompanying a consumer in using transportation essential to the health and welfare of the consumer. The cost of the transportation is not included.

*b.* The service activities may include helping the consumer with any of the following skilled services under the supervision of a licensed nurse or licensed therapist working under the direction of a physician. The licensed nurse or therapist shall retain accountability for actions that are delegated. The licensed nurse or therapist shall ensure appropriate assessment, planning, implementation, and evaluation. The licensed nurse or therapist shall make on-site supervisory visits every two weeks with the provider present. The cost of the supervision provided by the licensed nurse or therapist shall be paid from private insurance and other third-party payment sources, Medicare, the regular Medicaid program, or the early periodic screening diagnosis and treatment program before accessing the HCBS waiver.

(1) Tube feedings of consumers unable to eat solid foods.

(2) Intravenous therapy administered by a registered nurse.

(3) Parenteral injections required more than once a week.

(4) Catheterizations, continuing care of indwelling catheters with supervision of irrigations, and changing of Foley catheters when required.

(5) Respiratory care including inhalation therapy and tracheotomy care or tracheotomy care and ventilator.

(6) Care of decubiti and other ulcerated areas, noting and reporting to the nurse or therapist.

(7) Rehabilitation services including, but not limited to, bowel and bladder training, range of motion exercises, ambulation training, restorative nursing services, reteaching the activities of daily

living, respiratory care and breathing programs, reality orientation, reminiscing therapy, remotivation, and behavior modification.

(8) Colostomy care.

(9) Care of medical conditions out of control which includes brittle diabetes and comfort care of terminal conditions.

(10) Postsurgical nursing care.

(11) Monitoring medications requiring close supervision because of fluctuating physical or psychological conditions, e.g., antihypertensives, digitalis preparations, mood-altering or psychotropic drugs, or narcotics.

(12) Preparing and monitoring response to therapeutic diets.

(13) Recording and reporting of changes in vital signs to the nurse or therapist.

c. A unit of service is 1 hour, or one 8- to 24-hour day provided by an individual or an agency. Each service shall be billed in whole units.

d. The consumer, parent, guardian, or attorney in fact under a durable power of attorney for health care shall be responsible for selecting the person or agency who will provide the components of the attendant care services to be provided.

e. The consumer, parent, guardian, or attorney in fact under a durable power of attorney for health care shall determine the components of the attendant care services to be provided with the person who is providing the services to the consumer.

f. The service activities may not include parenting or child care for or on behalf of the consumer.

g. The consumer, parent, guardian, or attorney in fact under a durable power of attorney for health care and the provider shall complete and sign Form 470-3372, HCBS Consumer-Directed Attendant Care Agreement. A copy of the completed agreement shall be attached to the service plan, which is signed by the service worker prior to the initiation of services, and kept in the consumer's and department's records.

h. If the consumer has a guardian or attorney in fact under a durable power of attorney for health care, the care plan shall address how consumer-directed attendant care services will be monitored to ensure the consumer's needs are being adequately met. If the guardian or attorney in fact is the service provider, the service plan shall address how the service worker or case manager shall oversee service provision.

i. If the consumer has a guardian or attorney in fact under a durable power of attorney for health care, the guardian or attorney in fact shall sign the claim form in place of the consumer, indicating that the service has been provided as presented on the claim.

j. The frequency or intensity of services shall be indicated in the service plan.

k. Consumer-directed attendant care services may not be simultaneously reimbursed with any other HCBS waiver services.

l. Consumer-directed attendant care services may be provided to a recipient of in-home health-related care services, but not at the same time.

m. Services may be provided in the absence of a parent or guardian if the parent or guardian has given advanced direction for the service provision.

**78.38(9) Consumer choices option.** The consumer choices option provides a member with a flexible monthly individual budget that is based on the member's service needs. With the individual budget, the member shall have the authority to purchase goods and services to meet the member's assessed needs and may choose to employ providers of services and supports. The services, supports, and items that are purchased with an individual budget must be directly related to a member's assessed need or goal established in the member's service plan. Components of this service are set forth below.

a. *Agreement.* As a condition of participating in the consumer choices option, a member shall sign Form 470-4289, HCBS Consumer Choices Informed Consent and Risk Agreement, to document that the member has been informed of the responsibilities and risks of electing the consumer choices option.

b. *Individual budget amount.* A monthly individual budget amount shall be established for each member based on the assessed needs of the member and on the services and supports authorized in

the member's service plan. The member shall be informed of the individual budget amount during the development of the service plan.

(1) Services that may be included in determining the individual budget amount for a member in the HCBS AIDS/HIV waiver are:

1. Consumer-directed attendant care (unskilled).
2. Home-delivered meals.
3. Homemaker service.
4. Basic individual respite care.

(2) The department shall determine an average unit cost for each service listed in subparagraph 78.38(9) "b"(1) based on actual unit costs from the previous fiscal year plus a cost-of-living adjustment.

(3) In aggregate, costs for individual budget services shall not exceed the current costs of waiver program services. In order to maintain cost neutrality, the department shall apply a utilization adjustment factor to the amount of service authorized in the member's service plan before calculating the value of that service to be included in the individual budget amount.

(4) The department shall compute the utilization adjustment factor for each service by dividing the net costs of all claims paid for the service by the total of the authorized costs for that service, using at least 12 consecutive months of aggregate service data. The utilization adjustment factor shall be no lower than 60 percent. The department shall analyze and adjust the utilization adjustment factor at least annually in order to maintain cost neutrality.

(5) Individual budgets for respite services shall be computed based on the average cost for services identified in subparagraph 78.38(9) "b"(2). Respite services are not subject to the utilization adjustment factor in subparagraph 78.38(9) "b"(3).

(6) The individual budget amount may be changed only at the first of the month and shall remain fixed for the entire month.

*c. Required service components.* To participate in the consumer choices option, a member must hire an independent support broker and must work with a financial management service that is enrolled as a Medicaid provider. Before hiring the independent support broker, the member shall receive the results of the background check conducted pursuant to 441—Chapter 119.

*d. Optional service components.* A member who elects the consumer choices option may purchase the following goods, services and supports, which shall be provided in the member's home or at an integrated community setting:

(1) Self-directed personal care services. Self-directed personal care services are services or goods that provide a range of assistance in activities of daily living and incidental activities of daily living that help the member remain in the home and community. These services must be identified in the member's service plan developed by the member's case manager or service worker.

(2) Self-directed community supports and employment. Self-directed community supports and employment are services that support the member in developing and maintaining independence and community integration. These services must be identified in the member's service plan developed by the member's case manager or service worker.

(3) Individual-directed goods and services. Individual-directed goods and services are services, equipment, or supplies not otherwise provided through the Medicaid program that address an assessed need or goal identified in the member's service plan. The item or service shall meet the following requirements:

1. Promote opportunities for community living and inclusion.
2. Increase independence or substitute for human assistance, to the extent the expenditures would otherwise be made for that human assistance.
3. Be accommodated within the member's budget without compromising the member's health and safety.
4. Be provided to the member or directed exclusively toward the benefit of the member.
5. Be the least costly to meet the member's needs.
6. Not be available through another source.

*e. Development of the individual budget.* The independent support broker shall assist the member in developing and implementing the member's individual budget. The individual budget shall include:

- (1) The costs of the financial management service.
- (2) The costs of the independent support broker. The independent support broker may be compensated for up to 6 hours of service for assisting with the implementation of the initial individual budget. The independent support broker shall not be paid for more than 30 hours of service for an individual member during a 12-month period without prior approval by the department.
- (3) The costs of any optional service component chosen by the member as described in paragraph 78.38(9) "d." Costs of the following items and services shall not be covered by the individual budget:
  1. Child care services.
  2. Clothing not related to an assessed medical need.
  3. Conference, meeting or similar venue expenses other than the costs of approved services the member needs while attending the conference, meeting or similar venue.
  4. Costs associated with shipping items to the member.
  5. Experimental and non-FDA-approved medications, therapies, or treatments.
  6. Goods or services covered by other Medicaid programs.
  7. Home furnishings.
  8. Home repairs or home maintenance.
  9. Homeopathic treatments.
  10. Insurance premiums or copayments.
  11. Items purchased on installment payments.
  12. Motorized vehicles.
  13. Nutritional supplements.
  14. Personal entertainment items.
  15. Repairs and maintenance of motor vehicles.
  16. Room and board, including rent or mortgage payments.
  17. School tuition.
  18. Service animals.
  19. Services covered by third parties or services that are the responsibility of a non-Medicaid program.
  20. Sheltered workshop services.
  21. Social or recreational purchases not related to an assessed need or goal identified in the member's service plan.
  22. Vacation expenses, other than the costs of approved services the member needs while on vacation.
- (4) The costs of any approved home or vehicle modification. When authorized, the budget may include an amount allocated for a home or vehicle modification. Before becoming part of the individual budget, all home and vehicle modifications shall be identified in the member's service plan and approved by the case manager or service worker. The authorized amount shall not be used for anything other than the specific modification.
- (5) Any amount set aside in a savings plan to reserve funds for the future purchase of self-directed personal care, individual-directed goods and services, or self-directed community supports and services as defined in paragraph 78.38(9) "d." The savings plan shall meet the requirements in paragraph 78.38(9) "f."

*f. Savings plan.* A member savings plan must be in writing and be approved by the department before the start of the savings plan. Amounts allocated to the savings plan must result from efficiencies in meeting identified needs of the member.

- (1) The savings plan shall identify:
  1. The specific goods, services, supports or supplies to be purchased through the savings plan.
  2. The amount of the individual budget allocated each month to the savings plan.
  3. The amount of the individual budget allocated each month to meet the member's identified service needs.

4. How the member's assessed needs will continue to be met through the individual budget when funds are placed in savings.

(2) With the exception of funds allocated for respite care, the savings plan shall not include funds budgeted for direct services that were not received. The budgeted amount associated with unused direct services other than respite care shall revert to the Medicaid program at the end of each month. Funds from unused respite services may be allocated to the savings plan but shall not be used for anything other than future respite care.

(3) Funds accumulated under a savings plan shall be used only to purchase items that increase independence or substitute for human assistance to the extent that expenditures would otherwise be made for human assistance, including additional goods, supports, services or supplies. The self-directed personal care, individual-directed goods and services, or self-directed community supports and services purchased with funds from a savings plan must:

1. Be used to meet a member's identified need,
2. Be medically necessary, and
3. Be approved by the member's case manager or service worker.

(4) All funds allocated to a savings plan that are not expended by December 31 of each year shall revert to the Medicaid program.

(5) The annual reassessment of a member's needs must take into account the purchases of goods and services that substitute for human assistance. Adjustments shall be made to the services used to determine the individual budget based on the reassessment.

*g. Budget authority.* The member shall have authority over the individual budget authorized by the department to perform the following tasks:

(1) Contract with entities to provide services and supports as described in this subrule.

(2) Determine the amount to be paid for services. Reimbursement rates shall be consistent with rates paid by others in the community for the same or substantially similar services. Reimbursement rates for the independent support broker and the financial management service are subject to the limits in 441—subrule 79.1(2).

(3) Schedule the provision of services.

(4) Authorize payment for optional service components identified in the individual budget.

(5) Reallocate funds among services included in the budget. Every purchase of a good or service must be identified and approved in the individual budget before the purchase is made.

*h. Delegation of budget authority.* The member may delegate responsibility for the individual budget to a representative in addition to the independent support broker.

(1) The representative must be at least 18 years old.

(2) The representative shall not be a current provider of service to the member.

(3) The member shall sign a consent form that designates who the member has chosen as a representative and what responsibilities the representative shall have.

(4) The representative shall not be paid for this service.

*i. Employer authority.* The member shall have the authority to be the common-law employer of employees providing services and support under the consumer choices option. A common-law employer has the right to direct and control the performance of the services. The member may perform the following functions:

(1) Recruit employees.

(2) Select employees from a worker registry.

(3) Verify employee qualifications.

(4) Specify additional employee qualifications.

(5) Determine employee duties.

(6) Determine employee wages and benefits.

(7) Schedule employees.

(8) Train and supervise employees.

*j. Employment agreement.* Any person employed by the member to provide services under the consumer choices option shall sign an employment agreement with the member that outlines the employee's and member's responsibilities.

*k. Responsibilities of the independent support broker.* The independent support broker shall perform the following services as directed by the member or the member's representative:

(1) Assist the member with developing the member's initial and subsequent individual budgets and with making any changes to the individual budget.

(2) Have monthly contact with the member for the first four months of implementation of the initial individual budget and have quarterly contact thereafter.

(3) Complete the required employment packet with the financial management service.

(4) Assist with interviewing potential employees and entities providing services and supports if requested by the member.

(5) Assist the member with determining whether a potential employee meets the qualifications necessary to perform the job.

(6) Assist the member with obtaining a signed consent from a potential employee to conduct background checks if requested by the member.

(7) Assist the member with negotiating with entities providing services and supports if requested by the member.

(8) Assist the member with contracts and payment methods for services and supports if requested by the member.

(9) Assist the member with developing an emergency backup plan. The emergency backup plan shall address any health and safety concerns.

(10) Review expenditure reports from the financial management service to ensure that services and supports in the individual budget are being provided.

(11) Document in writing on the independent support broker timecard every contact the broker has with the member. Contact documentation shall include information on the extent to which the member's individual budget has addressed the member's needs and the satisfaction of the member.

*l. Responsibilities of the financial management service.* The financial management service shall perform all of the following services:

(1) Receive Medicaid funds in an electronic transfer.

(2) Process and pay invoices for approved goods and services included in the individual budget.

(3) Enter the individual budget into the Web-based tracking system chosen by the department and enter expenditures as they are paid.

(4) Provide real-time individual budget account balances for the member, the independent support broker, and the department, available at a minimum during normal business hours (9 a.m. to 5 p.m., Monday through Friday).

(5) Conduct criminal background checks on potential employees pursuant to 441—Chapter 119.

(6) Verify for the member an employee's citizenship or alien status.

(7) Assist the member with fiscal and payroll-related responsibilities including, but not limited to:

1. Verifying that hourly wages comply with federal and state labor rules.

2. Collecting and processing timecards.

3. Withholding, filing, and paying federal, state and local income taxes, Medicare and Social Security (FICA) taxes, and federal (FUTA) and state (SUTA) unemployment and disability insurance taxes, as applicable.

4. Computing and processing other withholdings, as applicable.

5. Processing all judgments, garnishments, tax levies, or other withholding on an employee's pay as may be required by federal, state, or local laws.

6. Preparing and issuing employee payroll checks.

7. Preparing and disbursing IRS Forms W-2 and W-3 annually.

8. Processing federal advance earned income tax credit for eligible employees.

9. Refunding over-collected FICA, when appropriate.

10. Refunding over-collected FUTA, when appropriate.

- (8) Assist the member in completing required federal, state, and local tax and insurance forms.
- (9) Establish and manage documents and files for the member and the member's employees.
- (10) Monitor timecards, receipts, and invoices to ensure that they are consistent with the individual budget. Keep records of all timecards and invoices for each member for a total of five years.
- (11) Provide to the department, the independent support broker, and the member monthly and quarterly status reports that include a summary of expenditures paid and amount of budget unused.
- (12) Establish an accessible customer service system and a method of communication for the member and the independent support broker that includes alternative communication formats.
- (13) Establish a customer services complaint reporting system.
- (14) Develop a policy and procedures manual that is current with state and federal regulations and update as necessary.
- (15) Develop a business continuity plan in the case of emergencies and natural disasters.
- (16) Provide to the department an annual independent audit of the financial management service.
- (17) Assist in implementing the state's quality management strategy related to the financial management service.

This rule is intended to implement Iowa Code section 249A.4.  
[ARC 9045B, IAB 9/8/10, effective 11/1/10]

**441—78.39(249A) Federally qualified health centers.** Payment shall be made for services as defined in Section 1905(a)(2)(C) of the Social Security Act.

**78.39(1) Utilization review.** Utilization review shall be conducted of Medicaid members who access more than 24 outpatient visits in any 12-month period from physicians, advanced registered nurse practitioners, federally qualified health centers, other clinics, and emergency rooms. Refer to rule 441—76.9(249A) for further information concerning the member lock-in program.

**78.39(2) Risk assessment.** Risk assessment, using Form 470-2942, Medicaid Prenatal Risk Assessment, shall be completed at the initial visit during a Medicaid member's pregnancy.

*a.* If the risk assessment reflects a low-risk pregnancy, the assessment shall be completed again at approximately the twenty-eighth week of pregnancy.

*b.* If the risk assessment reflects a high-risk pregnancy, referral shall be made for enhanced services. (See description of enhanced services at subrule 78.25(3).)

**78.39(3) Vaccines.** Vaccines available through the Vaccines for Children program under Section 1928 of the Social Security Act are not covered services. Federally qualified health centers that wish to administer those vaccines to Medicaid members shall enroll in the Vaccines for Children program and obtain the vaccines from the department of public health. However, vaccine administration is a covered service.

This rule is intended to implement Iowa Code section 249A.4.

**441—78.40(249A) Advanced registered nurse practitioners.** Payment shall be approved for services provided by advanced registered nurse practitioners within their scope of practice and the limitations of state law, with the exception of services not payable to physicians under rule 441—78.1(249A) or otherwise not payable under any other applicable rule.

**78.40(1) Direct payment.** Payment shall be made to advanced registered nurse practitioners directly, without regard to whether the advanced registered nurse practitioner is employed by or associated with a physician, hospital, birth center, clinic or other health care provider recognized under state law. An established protocol between a physician and the advanced registered nurse practitioner shall not cause an advanced registered nurse practitioner to be considered auxiliary personnel of a physician, or an employee of a hospital, birth center, or clinic.

**78.40(2) Location of service.** Payment shall be approved for services rendered in any location in which the advanced registered nurse practitioner is legally authorized to provide services under state law. The nurse practitioner shall have promptly available the necessary equipment and personnel to handle emergencies.

**78.40(3) Utilization review.** Utilization review shall be conducted of Medicaid members who access more than 24 outpatient visits in any 12-month period from physicians, advanced registered nurse practitioners, other clinics, and emergency rooms. Refer to rule 441—76.9(249A) for further information concerning the member lock-in program.

**78.40(4) Vaccine administration.** Vaccines available through the Vaccines for Children program under Section 1928 of the Social Security Act are not covered services. Advanced registered nurse practitioners who wish to administer those vaccines to Medicaid members shall enroll in the Vaccines for Children program and obtain the vaccines from the department of public health. Advanced registered nurse practitioners shall receive reimbursement for the administration of vaccines to Medicaid members.

**78.40(5) Prenatal risk assessment.** Risk assessment, using Form 470-2942, Medicaid Prenatal Risk Assessment, shall be completed at the initial visit during a Medicaid member's pregnancy.

*a.* If the risk assessment reflects a low-risk pregnancy, the assessment shall be completed again at approximately the twenty-eighth week of pregnancy.

*b.* If the risk assessment reflects a high-risk pregnancy, referral shall be made for enhanced services. (See description of enhanced services at subrule 78.25(3).)

This rule is intended to implement Iowa Code section 249A.4.

**441—78.41(249A) HCBS MR waiver services.** Payment will be approved for the following services to consumers eligible for the HCBS MR waiver services as established in 441—Chapter 83 and as identified in the consumer's service plan. All services include the applicable and necessary instruction, supervision, assistance and support as required by the consumer in achieving the consumer's life goals. The services, amount and supports provided under the HCBS MR waiver shall be delivered in the least restrictive environment and in conformity with the consumer's service plan.

Reimbursement shall not be available under the waiver for any services that the consumer can obtain through the Medicaid state plan.

All services shall be billed in whole units.

**78.41(1) Supported community living services.** Supported community living services are provided by the provider within the consumer's home and community, according to the individualized consumer need as identified in the service plan pursuant to rule 441—83.67(249A).

*a.* Available components of the service are personal and home skills training services, individual advocacy services, community skills training services, personal environment support services, transportation, and treatment services.

(1) Personal and home skills training services are those activities which assist a consumer to develop or maintain skills for self-care, self-directedness, and care of the immediate environment.

(2) "Individual advocacy services" means the act or process of representing the individual's rights and interests in order to realize the rights to which the individual is entitled and to remove barriers to meeting the individual's needs.

(3) "Community skills training services" means activities which assist a person to develop or maintain skills allowing better participation in the community. Services shall focus on the following areas as they are applicable to individuals being served:

1. Personal management skills training services are activities which assist a person to maintain or develop skills necessary to sustain oneself in the physical environment and are essential to the management of one's personal business and property. This includes self-advocacy skills. Examples of personal management skills are the ability to maintain a household budget; plan and prepare nutritional meals; ability to use community resources such as public transportation, libraries, etc., and ability to select foods at the grocery store.

2. Socialization skills training services are those activities which assist a consumer to develop or maintain skills which include self-awareness and self-control, social responsiveness, community participation, social amenities, and interpersonal skills.

3. Communication skills training services are activities which assist a person to develop or maintain skills including expressive and receptive skills in verbal and nonverbal language and the functional application of acquired reading and writing skills.

(4) “Personal and environmental support services” means activities and expenditures provided to or on behalf of a person in the areas of personal needs in order to allow the person to function in the least restrictive environment.

(5) “Transportation services” means activities and expenditures designed to assist the person to travel from one place to another to obtain services or carry out life’s activities. The service excludes transportation to and from work.

(6) “Treatment services” means activities designed to assist the person to maintain or improve physiological, emotional and behavioral functioning and to prevent conditions that would present barriers to a person’s functioning. Treatment services include physical or physiological treatment and psychotherapeutic treatment.

1. Physiological treatment means activities including medication regimens designed to prevent, halt, control, relieve, or reverse symptoms or conditions which interfere with the normal functioning of the human body. The activities shall be provided by or under the supervision of a health care professional certified or licensed to provide the treatment activity specified.

2. Psychotherapeutic treatment means activities provided to assist a person in the identification or modification of beliefs, emotions, attitudes, or behaviors in order to maintain or improve the person’s functioning in response to the physical, emotional, and social environment.

*b.* The supported community living services are intended to provide for the daily living needs of the consumer and shall be available as needed during any 24-hour period. Activities do not include those associated with vocational services, academics, day care, medical services, Medicaid case management or other case management. Services are individualized supportive services provided in a variety of community-based, integrated settings.

(1) Supported community living services shall be available at a daily rate to consumers living outside the home of their family, legal representative, or foster family and for whom a provider has primary responsibility for supervision or structure during the month. This service will provide supervision or structure in identified time periods when another resource is not available.

(2) Supported community living services shall be available at an hourly rate to consumers for whom a daily rate is not established.

*c.* Services may be provided to a child or an adult. A maximum of three consumers receiving community-supported alternative living arrangements or HCBS MR services may reside in a living unit except providers meeting requirements set forth in 441—paragraph 77.37(14)“*e.*”

(1) Consumers may live within the home of their family or legal representative or within other types of typical community living arrangements.

(2) Consumers of services living with families or legal representatives are not subject to the maximum of three consumers in a living unit.

(3) Consumers may not live in licensed medical or health care facilities or in settings required to be licensed as medical or health care facilities.

(4) Consumers aged 17 or under living within the home of their family, legal representative, or foster families shall receive services based on development of adaptive, behavior, or health skills. Duration of services shall be based on age appropriateness and individual attention span.

*d.* Rescinded IAB 2/5/03, effective 2/1/03.

*e.* Transportation to and from a day program is not a reimbursable service. Maintenance and room and board costs are not reimbursable.

*f.* Provider budgets shall reflect all staff-to-consumer ratios and shall reflect costs associated with consumers’ specific support needs for travel and transportation, consulting, instruction, and environmental modifications and repairs, as determined necessary by the interdisciplinary team for each consumer. The specific support needs must be identified in the Medicaid case manager’s service plan, the total costs shall not exceed \$1570 per consumer per year, and the provider must maintain records to support the expenditures. A unit of service is:

(1) One full calendar day when a consumer residing in the living unit receives on-site staff supervision for 14 or more hours per day as an average over a 7-day week and the consumer’s individual comprehensive plan or case plan identifies and reflects the need for this amount of supervision.

- (2) One hour when subparagraph (1) does not apply.
- g. The maximum number of units available per consumer is as follows:
  - (1) 365 daily units per state fiscal year except a leap year when 366 daily units are available.
  - (2) 5,110 hourly units are available per state fiscal year except a leap year when 5,124 hourly units are available.

h. The service shall be identified in the consumer's individual comprehensive plan.

i. Services shall not be simultaneously reimbursed with other residential services, HCBS MR respite, Medicaid or HCBS MR nursing, or Medicaid or HCBS MR home health aide services.

**78.41(2) Respite services.** Respite care services are services provided to the consumer that give temporary relief to the usual caregiver and provide all the necessary care that the usual caregiver would provide during that time period. The purpose of respite care is to enable the consumer to remain in the consumer's current living situation.

a. Services provided outside the consumer's home shall not be reimbursable if the living unit where the respite is provided is reserved for another person on a temporary leave of absence.

b. Staff-to-consumer ratios shall be appropriate to the individual needs of the consumer as determined by the consumer's interdisciplinary team.

c. A unit of service is one hour.

d. Payment for respite services shall not exceed \$7,050 per the consumer's waiver year.

e. The service shall be identified in the consumer's individual comprehensive plan.

f. Respite services shall not be simultaneously reimbursed with other residential or respite services, HCBS MR waiver supported community living services, Medicaid or HCBS MR nursing, or Medicaid or HCBS MR home health aide services.

g. Respite care is not to be provided to persons during the hours in which the usual caregiver is employed except when the consumer is attending a camp. Respite cannot be provided to a consumer whose usual caregiver is a consumer-directed attendant care provider for the consumer.

h. The interdisciplinary team shall determine if the consumer will receive basic individual respite, specialized respite or group respite as defined in rule 441—83.60(249A).

i. A maximum of 14 consecutive days of 24-hour respite care may be reimbursed.

j. Respite services provided for a period exceeding 24 consecutive hours to three or more individuals who require nursing care because of a mental or physical condition must be provided by a health care facility licensed as described in Iowa Code chapter 135C.

**78.41(3) Personal emergency response system.** The personal emergency response system is an electronic component that transmits a coded signal via digital equipment to a central monitoring station. The electronic device allows a person to access assistance in the event of an emergency when alone.

a. The necessary components of the system are:

- (1) An in-home medical communications transceiver.
- (2) A remote, portable activator.
- (3) A central monitoring station with backup systems staffed by trained attendants 24 hours per day, seven days per week.

(4) Current data files at the central monitoring station containing response protocols and personal, medical and emergency information for each consumer.

b. The service shall be identified in the consumer's individual comprehensive plan.

c. A unit is a one-time installation fee or one month of service.

d. Maximum units per state fiscal year are the initial installation and 12 months of service.

**78.41(4) Home and vehicle modifications.** Covered home and vehicle modifications are those physical modifications to the consumer's home or vehicle listed below that directly address the consumer's medical or remedial need. Covered modifications must be necessary to provide for the health, welfare, or safety of the consumer and enable the consumer to function with greater independence in the home or vehicle.

a. Modifications that are necessary or desirable without regard to the consumer's medical or remedial need and that would be expected to increase the fair market value of the home or vehicle,

such as furnaces, fencing, roof repair, or adding square footage to the residence, are excluded except as specifically included below. Repairs are also excluded.

*b.* Only the following modifications are covered:

- (1) Kitchen counters, sink space, cabinets, special adaptations to refrigerators, stoves, and ovens.
- (2) Bathtubs and toilets to accommodate transfer, special handles and hoses for shower heads, water faucet controls, and accessible showers and sink areas.
- (3) Grab bars and handrails.
- (4) Turnaround space adaptations.
- (5) Ramps, lifts, and door, hall and window widening.
- (6) Fire safety alarm equipment specific for disability.
- (7) Voice-activated, sound-activated, light-activated, motion-activated, and electronic devices directly related to the consumer's disability.
- (8) Vehicle lifts, driver-specific adaptations, remote-start systems, including such modifications already installed in a vehicle.
- (9) Keyless entry systems.
- (10) Automatic opening device for home or vehicle door.
- (11) Special door and window locks.
- (12) Specialized doorknobs and handles.
- (13) Plexiglas replacement for glass windows.
- (14) Modification of existing stairs to widen, lower, raise or enclose open stairs.
- (15) Motion detectors.
- (16) Low-pile carpeting or slip-resistant flooring.
- (17) Telecommunications device for the deaf.
- (18) Exterior hard-surface pathways.
- (19) New door opening.
- (20) Pocket doors.
- (21) Installation or relocation of controls, outlets, switches.
- (22) Air conditioning and air filtering if medically necessary.
- (23) Heightening of existing garage door opening to accommodate modified van.
- (24) Bath chairs.

*c.* A unit of service is the completion of needed modifications or adaptations.

*d.* All modifications and adaptations shall be provided in accordance with applicable federal, state, and local building and vehicle codes.

*e.* Services shall be performed following department approval of a binding contract between the enrolled home and vehicle modification provider and the consumer.

*f.* The contract shall include, at a minimum, the work to be performed, cost, time frame for work completion, and assurance of liability and workers' compensation coverage.

*g.* Service payment shall be made to the enrolled home and vehicle modification provider. If applicable, payment will be forwarded to the subcontracting agency by the enrolled home and vehicle modification provider following completion of the approved modifications.

*h.* Services shall be included in the consumer's service plan and shall exceed the Medicaid state plan services.

**78.41(5) *Nursing services.*** Nursing services are individualized in-home medical services provided by licensed nurses. Services shall exceed the Medicaid state plan services and be included in the consumer's individual comprehensive plan.

*a.* A unit of service is one hour.

*b.* A maximum of ten units are available per week.

**78.41(6) *Home health aide services.*** Home health aide services are personal or direct care services provided to the consumer which are not payable under Medicaid as set forth in rule 441—78.9(249A). Services shall include unskilled medical services and shall exceed those services provided under HCBS MR supported community living. Instruction, supervision, support or assistance in personal hygiene, bathing, and daily living shall be provided under supported community living.

- a. Services shall be included in the consumer's individual comprehensive plan.
- b. A unit is one hour.
- c. A maximum of 14 units are available per week.

**78.41(7) Supported employment services.** Supported employment services are individualized services associated with obtaining and maintaining competitive paid employment in the least restrictive environment possible, provided to individuals for whom competitive employment at or above minimum wage is unlikely and who, because of their disability, need intense and ongoing support to perform in a work setting. Individual placements are the preferred service model. Covered services are those listed in paragraphs "a" and "b" that address the disability-related challenges to securing and keeping a job.

a. *Activities to obtain a job.* Covered services directed to obtaining a job must be provided to or on behalf of a consumer for whom competitive employment is reasonably expected within less than one year. Services must be focused on job placement, not on teaching generalized employment skills or rehabilitative goals. Three conditions must be met before services are provided. First, the consumer and the interdisciplinary team described in 441—subrule 83.67(1) must complete the form that Iowa vocational rehabilitation services uses to identify the supported employment services appropriate to meet a person's employment needs. Second, the consumer's interdisciplinary team must determine that the identified services are necessary. Third, the consumer's case manager must approve the services. Available components of activities to obtain a job are as follows:

(1) Job development services. Job development services are directed toward obtaining competitive employment. A unit of service is a job placement that the consumer holds for 30 consecutive calendar days or more. Payment is available once the service is authorized in the member's service plan. A consumer may receive two units of job development services during a 12-month period. The activities provided to the consumer may include:

1. Job procurement training, including grooming and hygiene, application, résumé development, interviewing skills, follow-up letters, and job search activities.
2. Job retention training, including promptness, coworker relations, transportation skills, disability-related supports, job benefits, and an understanding of employee rights and self-advocacy.
3. Customized job development services specific to the consumer.

(2) Employer development services. The focus of employer development services is to support employers in hiring and retaining consumers in their workforce and to communicate expectations of the employers to the interdisciplinary team described in 441—subrule 83.67(1). Employer development services may be provided only to consumers who are reasonably expected to work for no more than 10 hours per week. A unit of service is one job placement that the consumer holds for 30 consecutive calendar days or more. Payment for this service may be made only after the consumer holds the job for 30 days. A consumer may receive two units of employer development services during a 12-month period if the consumer is competitively employed for 30 or more consecutive calendar days and the other conditions for service approval are met. The services provided may include:

1. Developing relationships with employers and providing leads for individual consumers when appropriate.
2. Job analysis for a specific job.
3. Development of a customized training plan identifying job-specific skill requirements, employer expectations, teaching strategies, time frames, and responsibilities.
4. Identifying and arranging reasonable accommodations with the employer.
5. Providing disability awareness and training to the employer when it is deemed necessary.
6. Providing technical assistance to the employer regarding the training progress as identified on the consumer's customized training plan.

(3) Enhanced job search activities. Enhanced job search activities are associated with obtaining initial employment after job development services have been provided for a minimum of 30 days or with assisting the consumer in changing jobs due to layoff, termination, or personal choice. The interdisciplinary team must review and update the Iowa vocational rehabilitation services supported employment readiness analysis form to determine if this service remains appropriate for the consumer's

employment goals. A unit of service is an hour. A maximum of 26 units may be provided in a 12-month period. The services provided may include:

1. Job opening identification with the consumer.
2. Assistance with applying for a job, including completion of applications or interviews.
3. Work site assessment and job accommodation evaluation.
- b. Supports to maintain employment.

(1) Covered services provided to or on behalf of the consumer associated with maintaining competitive paid employment are the following:

1. Individual work-related behavioral management.
2. Job coaching.
3. On-the-job or work-related crisis intervention.
4. Assisting the consumer to use skills related to sustaining competitive paid employment, including assistance with communication skills, problem solving, and safety.
5. Consumer-directed attendant care services as defined in subrule 78.41(8).
6. Assistance with time management.
7. Assistance with appropriate grooming.
8. Employment-related supportive contacts.
9. Employment-related transportation between work and home and to or from activities related to employment and disability. Other forms of community transportation (including car pools, coworkers, self or public transportation, families, and volunteers) must be attempted before transportation is provided as a supported employment service.
10. On-site vocational assessment after employment.
11. Employer consultation.

(2) Services for maintaining employment may include services associated with sustaining consumers in a team of no more than eight individuals with disabilities in a teamwork or “enclave” setting.

- (3) A unit of service is one hour.
- (4) A maximum of 40 units may be received per week.

c. The following requirements apply to all supported employment services:

(1) Employment-related adaptations required to assist the consumer within the performance of the consumer’s job functions shall be provided by the provider as part of the services.

(2) Employment-related transportation between work and home and to or from activities related to employment and disability shall be provided by the provider as part of the services. Other forms of community transportation (car pools, coworkers, self or public transportation, families, volunteers) must be attempted before the service provider provides transportation.

(3) The majority of coworkers at any employment site with more than two employees where consumers seek, obtain, or maintain employment must be persons without disabilities. In the performance of job duties at any site where consumers seek, obtain, or maintain employment, the consumer must have daily contact with other employees or members of the general public who do not have disabilities, unless the absence of daily contact with other employees or the general public is typical for the job as performed by persons without disabilities.

(4) All supported employment services shall provide individualized and ongoing support contacts at intervals necessary to promote successful job retention. Each provider contact shall be documented.

(5) Documentation that services provided are not currently available under a program funded under the Rehabilitation Act of 1973 or Public Law 94-142 shall be maintained in the provider file of each consumer.

(6) All services shall be identified in the consumer’s service plan maintained pursuant to rule 441—83.67(249A).

(7) The following services are not covered:

1. Services involved in placing or maintaining consumers in day activity programs, work activity programs or sheltered workshop programs;
2. Supports for volunteer work or unpaid internships;

3. Tuition for education or vocational training; or
4. Individual advocacy that is not consumer specific.

(8) Services to maintain employment shall not be provided simultaneously with day activity programs, work activity programs, sheltered workshop programs, other HCBS services, or other Medicaid services. However, services to obtain a job and services to maintain employment may be provided simultaneously for the purpose of job advancement or job change.

**78.41(8) Consumer-directed attendant care service.** Consumer-directed attendant care services are service activities performed by a person to help a consumer with self-care tasks which the consumer would typically do independently if the consumer were otherwise able.

*a.* The service activities may include helping the consumer with any of the following nonskilled service activities:

- (1) Dressing.
- (2) Bath, shampoo, hygiene, and grooming.
- (3) Access to and from bed or a wheelchair, transferring, ambulation, and mobility in general. It is recommended that the provider receive certification of training and return demonstration for transferring. Certification for this is available through the area community colleges.

- (4) Toilet assistance, including bowel, bladder, and catheter assistance. It is recommended that the provider receive certification of training and return demonstration for catheter assistance. Certification for this is available through the area community colleges.

- (5) Meal preparation, cooking, eating and feeding but not the cost of meals themselves.

- (6) Housekeeping services which are essential to the consumer's health care at home.

- (7) Medications ordinarily self-administered including those ordered by a physician or other qualified health care provider. It is recommended the provider successfully complete a medication aide course administered by an area community college.

- (8) Wound care.

- (9) Assistance needed to go to or return from a place of employment and assistance with job-related tasks while the consumer is on the job site. The cost of transportation for the consumer and assistance with understanding or performing the essential job functions are not included in consumer-directed attendant care services.

- (10) Cognitive assistance with tasks such as handling money and scheduling.

- (11) Fostering communication through interpreting and reading services as well as assistive devices for communication.

- (12) Assisting or accompanying a consumer in using transportation essential to the health and welfare of the consumer. The cost of the transportation is not included.

*b.* The service activities may include helping the consumer with any of the following skilled services under the supervision of a licensed nurse or licensed therapist working under the direction of a physician. The licensed nurse or therapist shall retain accountability for actions that are delegated. The licensed nurse or therapist shall ensure appropriate assessment, planning, implementation, and evaluation. The licensed nurse or therapist shall make on-site supervisory visits every two weeks with the provider present. The cost of the supervision provided by the licensed nurse or therapist shall be paid from private insurance and other third-party payment sources, Medicare, the regular Medicaid program, or the early periodic screening diagnosis and treatment program before accessing the HCBS waiver.

- (1) Tube feedings of consumers unable to eat solid foods.

- (2) Intravenous therapy administered by a registered nurse.

- (3) Parenteral injections required more than once a week.

- (4) Catheterizations, continuing care of indwelling catheters with supervision of irrigations, and changing of Foley catheters when required.

- (5) Respiratory care including inhalation therapy and tracheotomy care or tracheotomy care and ventilator.

- (6) Care of decubiti and other ulcerated areas, noting and reporting to the nurse or therapist.

- (7) Rehabilitation services including, but not limited to, bowel and bladder training, range of motion exercises, ambulation training, restorative nursing services, reteaching the activities of daily

living, respiratory care and breathing programs, reality orientation, reminiscing therapy, remotivation, and behavior modification.

(8) Colostomy care.

(9) Care of medical conditions out of control which includes brittle diabetes and comfort care of terminal conditions.

(10) Postsurgical nursing care.

(11) Monitoring medications requiring close supervision because of fluctuating physical or psychological conditions, e.g., antihypertensives, digitalis preparations, mood-altering or psychotropic drugs, or narcotics.

(12) Preparing and monitoring response to therapeutic diets.

(13) Recording and reporting of changes in vital signs to the nurse or therapist.

c. A unit of service is 1 hour, or one 8- to 24-hour day provided by an individual or an agency. Each service shall be billed in whole units.

d. The consumer, parent, guardian, or attorney in fact under a durable power of attorney for health care shall be responsible for selecting the person or agency who will provide the components of the attendant care services to be provided.

e. The consumer, parent, guardian, or attorney in fact under a durable power of attorney for health care shall determine the components of the attendant care services to be provided with the person who is providing the services to the consumer.

f. The service activities may not include parenting or child care for or on behalf of the consumer.

g. The consumer, parent, guardian, or attorney in fact under a durable power of attorney for health care and the provider shall complete and sign Form 470-3372, HCBS Consumer-Directed Attendant Care Agreement. A copy of the completed agreement shall be attached to the service plan, which is signed by the service worker or case manager prior to the initiation of services, and kept in the consumer's and department's records.

h. If the consumer has a guardian or attorney in fact under a durable power of attorney for health care, the care plan shall address how consumer-directed attendant care services will be monitored to ensure the consumer's needs are being adequately met. If the guardian or attorney in fact is the service provider, the service plan shall address how the service worker or case manager shall oversee service provision.

i. If the consumer has a guardian or attorney in fact under a durable power of attorney for health care, the guardian or attorney in fact shall sign the claim form in place of the consumer, indicating that the service has been provided as presented on the claim.

j. The frequency or intensity of services shall be indicated in the service plan.

k. Consumer-directed attendant care services may not be simultaneously reimbursed with any other HCBS waiver services.

l. Consumer-directed attendant care services may be provided to a recipient of in-home health-related care services, but not at the same time.

m. Services may be provided in the absence of a parent or guardian if the parent or guardian has given advanced direction for the service provision.

**78.41(9) Interim medical monitoring and treatment services.** Interim medical monitoring and treatment services are monitoring and treatment of a medical nature requiring specially trained caregivers beyond what is normally available in a day care setting. The services must be needed to allow the consumer's usual caregivers to be employed or, for a limited period of time, for academic or vocational training of a usual caregiver; due to the hospitalization, treatment for physical or mental illness, or death of a usual caregiver; or during a search for employment by a usual caregiver.

a. Service requirements. Interim medical monitoring and treatment services shall:

(1) Provide experiences for each consumer's social, emotional, intellectual, and physical development;

(2) Include comprehensive developmental care and any special services for a consumer with special needs; and

(3) Include medical assessment, medical monitoring, and medical intervention as needed on a regular or emergency basis.

*b.* Interim medical monitoring and treatment services may include supervision to and from school.

*c.* Limitations.

(1) A maximum of 12 one-hour units of service is available per day.

(2) Covered services do not include a complete nutritional regimen.

(3) Interim medical monitoring and treatment services may not duplicate any regular Medicaid or waiver services provided under the state plan.

(4) Interim medical monitoring and treatment services may be provided only in the consumer's home, in a registered group child care home, in a registered family child care home, in a licensed child care center, or during transportation to and from school.

(5) The staff-to-consumer ratio shall not be less than one to six.

*d.* A unit of service is one hour.

**78.41(10)** *Residential-based supported community living services.* Residential-based supported community living services are medical or remedial services provided to children under the age of 18 while living outside their home in a residential-based living environment furnished by the residential-based supported community living service provider. The services eliminate barriers to family reunification or develop self-help skills for maximum independence.

*a.* Allowable service components are the following:

(1) Daily living skills development. These are services to develop the child's ability to function independently in the community on a daily basis, including training in food preparation, maintenance of living environment, time and money management, personal hygiene, and self-care.

(2) Social skills development. These are services to develop a child's communication and socialization skills, including interventions to develop a child's ability to solve problems, resolve conflicts, develop appropriate relationships with others, and develop techniques for controlling behavior.

(3) Family support development. These are services necessary to allow a child to return to the child's family or another less restrictive service environment. These services must include counseling and therapy sessions that involve both the child and the child's family at least 50 percent of the time and that focus on techniques for dealing with the special care needs of the child and interventions needed to alleviate behaviors that are disruptive to the family or other group living unit.

(4) Counseling and behavior intervention services. These are services to halt, control, or reverse stress and social, emotional, or behavioral problems that threaten or have negatively affected the child's stability. Activities under this service include counseling and behavior intervention with the child, including interventions to ameliorate problem behaviors.

*b.* Residential-based supported community living services must also address the ordinary daily-living needs of the child, excluding room and board, such as needs for safety and security, social functioning, and other medical care.

*c.* Residential-based supported community living services do not include services associated with vocational needs, academics, day care, Medicaid case management, other case management, or any other services that the child can otherwise obtain through Medicaid.

*d.* Room and board costs are not reimbursable as residential-based supported community living services.

*e.* The scope of service shall be identified in the child's service plan pursuant to 441—paragraph 77.37(23)“*d.*”

*f.* Residential-based supported community living services shall not be simultaneously reimbursed with other residential services provided under an HCBS waiver or otherwise provided under the Medicaid program.

*g.* A unit of service is a day.

*h.* The maximum number of units of residential-based supported community living services available per child is 365 daily units per state fiscal year, except in a leap year when 366 daily units are available.

**78.41(11) *Transportation.*** Transportation services may be provided for consumers to conduct business errands and essential shopping, to receive medical services when not reimbursed through medical transportation, to travel to and from work or day programs, and to reduce social isolation. A unit of service is either per mile, per trip, or the unit established by an area agency on aging. Transportation may not be reimbursed simultaneously with HCBS MR waiver supported community living service.

**78.41(12) *Adult day care services.*** Adult day care services provide an organized program of supportive care in a group environment to persons who need a degree of supervision and assistance on a regular or intermittent basis. A unit of service is a full day (4 to 8 hours) or a half-day (1 to 4 hours) or an extended day (8 to 12 hours).

**78.41(13) *Prevocational services.*** Prevocational services are services that are aimed at preparing a consumer eligible for the HCBS MR waiver for paid or unpaid employment, but are not job-task oriented. These services include teaching the consumer concepts necessary as job readiness skills, such as following directions, attending to tasks, task completion, problem solving, and safety and mobility training.

*a.* Prevocational services are intended to have a more generalized result as opposed to vocational training for a specific job or supported employment. Services include activities that are not primarily directed at teaching specific job skills but at more generalized rehabilitative goals, and are reflected in a rehabilitative plan that focuses on general rehabilitative rather than specific employment objectives.

*b.* Prevocational services do not include:

(1) Services defined in Section 4(a)(4) of the 1975 amendments to the Education of the Handicapped Act (20 U.S.C. 1404(16) and (17)) that are otherwise available to the consumer through a state or local education agency.

(2) Vocational rehabilitation services that are otherwise available to the consumer through a program funded under Section 110 of the Rehabilitation Act of 1973 (29 U.S.C. 730).

**78.41(14) *Day habilitation services.***

*a. Scope.* Day habilitation services are services that assist or support the consumer in developing or maintaining life skills and community integration. Services must enable or enhance the consumer's intellectual functioning, physical and emotional health and development, language and communication development, cognitive functioning, socialization and community integration, functional skill development, behavior management, responsibility and self-direction, daily living activities, self-advocacy skills, or mobility.

*b. Family training option.* Day habilitation services may include training families in treatment and support methodologies or in the care and use of equipment. Family training may be provided in the consumer's home. The unit of service is an hour. The units of services payable are limited to a maximum of 10 hours per month.

*c. Unit of service.* Except as provided in paragraph "b," the unit of service may be an hour, a half-day (1 to 4 hours), or a full day (4 to 8 hours).

*d. Exclusions.*

(1) Services shall not be provided in the consumer's home, except as provided in paragraph "b." For this purpose, services provided in a residential care facility where the consumer lives are not considered to be provided in the consumer's home.

(2) Services shall not include vocational or prevocational services and shall not involve paid work.

(3) Services shall not duplicate or replace education or related services defined in Public Law 94-142, the Education of the Handicapped Act.

(4) Services shall not be provided simultaneously with other Medicaid-funded services.

**78.41(15) *Consumer choices option.*** The consumer choices option provides a member with a flexible monthly individual budget that is based on the member's service needs. With the individual budget, the member shall have the authority to purchase goods and services to meet the member's assessed needs and may choose to employ providers of services and supports. The services, supports, and items that are purchased with an individual budget must be directly related to a member's assessed need or goal established in the member's service plan. Components of this service are set forth below.

*a. Agreement.* As a condition of participating in the consumer choices option, a member shall sign Form 470-4289, HCBS Consumer Choices Informed Consent and Risk Agreement, to document that the member has been informed of the responsibilities and risks of electing the consumer choices option.

*b. Individual budget amount.* A monthly individual budget amount shall be established for each member based on the assessed needs of the member and on the services and supports authorized in the member's service plan. The member shall be informed of the individual budget amount during the development of the service plan.

(1) Services that may be included in determining the individual budget amount for a member in the HCBS intellectual disabilities waiver are:

1. Consumer-directed attendant care (unskilled).
2. Day habilitation.
3. Home and vehicle modification.
4. Prevocational services.
5. Basic individual respite care.
6. Supported community living.
7. Supported employment.
8. Transportation.

(2) The department shall determine an average unit cost for each service listed in subparagraph 78.41(15)“b”(1) based on actual unit costs from the previous fiscal year plus a cost-of-living adjustment.

(3) In aggregate, costs for individual budget services shall not exceed the current costs of waiver program services. In order to maintain cost neutrality, the department shall apply a utilization adjustment factor to the amount of service authorized in the member's service plan before calculating the value of that service to be included in the individual budget amount.

(4) The department shall compute the utilization adjustment factor for each service by dividing the net costs of all claims paid for the service by the total of the authorized costs for that service, using at least 12 consecutive months of aggregate service data. The utilization adjustment factor shall be no lower than 60 percent. The department shall analyze and adjust the utilization adjustment factor at least annually in order to maintain cost neutrality.

(5) Individual budgets for respite services shall be computed based on the average cost for services identified in subparagraph 78.41(15)“b”(2). Respite services are not subject to the utilization adjustment factor in subparagraph 78.41(15)“b”(3).

(6) Anticipated costs for home and vehicle modification and supported employment services to obtain a job are not subject to the average cost in subparagraph 78.41(15)“b”(2) or the utilization adjustment factor in subparagraph 78.41(15)“b”(3). Anticipated costs for these services shall not include the costs of the financial management services or the independent support broker. Costs for home and vehicle modification and supported employment services to obtain a job may be paid to the financial management services provider in a one-time payment. Before becoming part of the individual budget, all home and vehicle modifications and supported employment services to obtain a job shall be identified in the member's service plan and approved by the case manager or service worker.

(7) The individual budget amount may be changed only at the first of the month and shall remain fixed for the entire month.

*c. Required service components.* To participate in the consumer choices option, a member must hire an independent support broker and must work with a financial management service that is enrolled as a Medicaid provider. Before hiring the independent support broker, the member shall receive the results of the background check conducted pursuant to 441—Chapter 119.

*d. Optional service components.* A member who elects the consumer choices option may purchase the following goods, services and supports, which shall be provided in the member's home or at an integrated community setting:

(1) Self-directed personal care services. Self-directed personal care services are services or goods that provide a range of assistance in activities of daily living and incidental activities of daily living that help the member remain in the home and community. These services must be identified in the member's service plan developed by the member's case manager or service worker.

(2) Self-directed community supports and employment. Self-directed community supports and employment are services that support the member in developing and maintaining independence and community integration. These services must be identified in the member's service plan developed by the member's case manager or service worker.

(3) Individual-directed goods and services. Individual-directed goods and services are services, equipment, or supplies not otherwise provided through the Medicaid program that address an assessed need or goal identified in the member's service plan. The item or service shall meet the following requirements:

1. Promote opportunities for community living and inclusion.
2. Increase independence or substitute for human assistance, to the extent the expenditures would otherwise be made for that human assistance.
3. Be accommodated within the member's budget without compromising the member's health and safety.
4. Be provided to the member or directed exclusively toward the benefit of the member.
5. Be the least costly to meet the member's needs.
6. Not be available through another source.

*e. Development of the individual budget.* The independent support broker shall assist the member in developing and implementing the member's individual budget. The individual budget shall include:

- (1) The costs of the financial management service.
- (2) The costs of the independent support broker. The independent support broker may be compensated for up to 6 hours of service for assisting with the implementation of the initial individual budget. The independent support broker shall not be paid for more than 30 hours of service for an individual member during a 12-month period without prior approval by the department.

(3) The costs of any optional service component chosen by the member as described in paragraph 78.41(15) "d." Costs of the following items and services shall not be covered by the individual budget:

1. Child care services.
2. Clothing not related to an assessed medical need.
3. Conference, meeting or similar venue expenses other than the costs of approved services the member needs while attending the conference, meeting or similar venue.
4. Costs associated with shipping items to the member.
5. Experimental and non-FDA-approved medications, therapies, or treatments.
6. Goods or services covered by other Medicaid programs.
7. Home furnishings.
8. Home repairs or home maintenance.
9. Homeopathic treatments.
10. Insurance premiums or copayments.
11. Items purchased on installment payments.
12. Motorized vehicles.
13. Nutritional supplements.
14. Personal entertainment items.
15. Repairs and maintenance of motor vehicles.
16. Room and board, including rent or mortgage payments.
17. School tuition.
18. Service animals.
19. Services covered by third parties or services that are the responsibility of a non-Medicaid program.
20. Sheltered workshop services.
21. Social or recreational purchases not related to an assessed need or goal identified in the member's service plan.
22. Vacation expenses, other than the costs of approved services the member needs while on vacation.

(4) The costs of any approved home or vehicle modification. When authorized, the budget may include an amount allocated for a home or vehicle modification. Before becoming part of the individual budget, all home and vehicle modifications shall be identified in the member's service plan and approved by the case manager or service worker. The authorized amount shall not be used for anything other than the specific modification.

(5) Any amount set aside in a savings plan to reserve funds for the future purchase of self-directed personal care, individual-directed goods and services, or self-directed community supports and services as defined in paragraph 78.41(15)“d.” The savings plan shall meet the requirements in paragraph 78.41(15)“f.”

*f. Savings plan.* A member savings plan must be in writing and be approved by the department before the start of the savings plan. Amounts allocated to the savings plan must result from efficiencies in meeting identified needs of the member.

(1) The savings plan shall identify:

1. The specific goods, services, supports or supplies to be purchased through the savings plan.

2. The amount of the individual budget allocated each month to the savings plan.

3. The amount of the individual budget allocated each month to meet the member's identified service needs.

4. How the member's assessed needs will continue to be met through the individual budget when funds are placed in savings.

(2) With the exception of funds allocated for respite care, the savings plan shall not include funds budgeted for direct services that were not received. The budgeted amount associated with unused direct services other than respite care shall revert to the Medicaid program at the end of each month. Funds from unused respite services may be allocated to the savings plan but shall not be used for anything other than future respite care.

(3) Funds accumulated under a savings plan shall be used only to purchase items that increase independence or substitute for human assistance to the extent that expenditures would otherwise be made for human assistance, including additional goods, supports, services or supplies. The self-directed personal care, individual-directed goods and services, or self-directed community supports and services purchased with funds from a savings plan must:

1. Be used to meet a member's identified need,

2. Be medically necessary, and

3. Be approved by the member's case manager or service worker.

(4) All funds allocated to a savings plan that are not expended by December 31 of each year shall revert to the Medicaid program.

(5) The annual reassessment of a member's needs must take into account the purchases of goods and services that substitute for human assistance. Adjustments shall be made to the services used to determine the individual budget based on the reassessment.

*g. Budget authority.* The member shall have authority over the individual budget authorized by the department to perform the following tasks:

(1) Contract with entities to provide services and supports as described in this subrule.

(2) Determine the amount to be paid for services. Reimbursement rates shall be consistent with rates paid by others in the community for the same or substantially similar services. Reimbursement rates for the independent support broker and the financial management service are subject to the limits in 441—subrule 79.1(2).

(3) Schedule the provision of services.

(4) Authorize payment for optional service components identified in the individual budget.

(5) Reallocate funds among services included in the budget. Every purchase of a good or service must be identified and approved in the individual budget before the purchase is made.

*h. Delegation of budget authority.* The member may delegate responsibility for the individual budget to a representative in addition to the independent support broker.

(1) The representative must be at least 18 years old.

(2) The representative shall not be a current provider of service to the member.

(3) The member shall sign a consent form that designates who the member has chosen as a representative and what responsibilities the representative shall have.

(4) The representative shall not be paid for this service.

*i. Employer authority.* The member shall have the authority to be the common-law employer of employees providing services and support under the consumer choices option. A common-law employer has the right to direct and control the performance of the services. The member may perform the following functions:

- (1) Recruit employees.
- (2) Select employees from a worker registry.
- (3) Verify employee qualifications.
- (4) Specify additional employee qualifications.
- (5) Determine employee duties.
- (6) Determine employee wages and benefits.
- (7) Schedule employees.
- (8) Train and supervise employees.

*j. Employment agreement.* Any person employed by the member to provide services under the consumer choices option shall sign an employment agreement with the member that outlines the employee's and member's responsibilities.

*k. Responsibilities of the independent support broker.* The independent support broker shall perform the following services as directed by the member or the member's representative:

(1) Assist the member with developing the member's initial and subsequent individual budgets and with making any changes to the individual budget.

(2) Have monthly contact with the member for the first four months of implementation of the initial individual budget and have quarterly contact thereafter.

(3) Complete the required employment packet with the financial management service.

(4) Assist with interviewing potential employees and entities providing services and supports if requested by the member.

(5) Assist the member with determining whether a potential employee meets the qualifications necessary to perform the job.

(6) Assist the member with obtaining a signed consent from a potential employee to conduct background checks if requested by the member.

(7) Assist the member with negotiating with entities providing services and supports if requested by the member.

(8) Assist the member with contracts and payment methods for services and supports if requested by the member.

(9) Assist the member with developing an emergency backup plan. The emergency backup plan shall address any health and safety concerns.

(10) Review expenditure reports from the financial management service to ensure that services and supports in the individual budget are being provided.

(11) Document in writing on the independent support broker timecard every contact the broker has with the member. Contact documentation shall include information on the extent to which the member's individual budget has addressed the member's needs and the satisfaction of the member.

*l. Responsibilities of the financial management service.* The financial management service shall perform all of the following services:

(1) Receive Medicaid funds in an electronic transfer.

(2) Process and pay invoices for approved goods and services included in the individual budget.

(3) Enter the individual budget into the Web-based tracking system chosen by the department and enter expenditures as they are paid.

(4) Provide real-time individual budget account balances for the member, the independent support broker, and the department, available at a minimum during normal business hours (9 a.m. to 5 p.m., Monday through Friday).

(5) Conduct criminal background checks on potential employees pursuant to 441—Chapter 119.

- (6) Verify for the member an employee's citizenship or alien status.
- (7) Assist the member with fiscal and payroll-related responsibilities including, but not limited to:
  1. Verifying that hourly wages comply with federal and state labor rules.
  2. Collecting and processing timecards.
  3. Withholding, filing, and paying federal, state and local income taxes, Medicare and Social Security (FICA) taxes, and federal (FUTA) and state (SUTA) unemployment and disability insurance taxes, as applicable.
  4. Computing and processing other withholdings, as applicable.
  5. Processing all judgments, garnishments, tax levies, or other withholding on an employee's pay as may be required by federal, state, or local laws.
  6. Preparing and issuing employee payroll checks.
  7. Preparing and disbursing IRS Forms W-2 and W-3 annually.
  8. Processing federal advance earned income tax credit for eligible employees.
  9. Refunding over-collected FICA, when appropriate.
  10. Refunding over-collected FUTA, when appropriate.
- (8) Assist the member in completing required federal, state, and local tax and insurance forms.
- (9) Establish and manage documents and files for the member and the member's employees.
- (10) Monitor timecards, receipts, and invoices to ensure that they are consistent with the individual budget. Keep records of all timecards and invoices for each member for a total of five years.
- (11) Provide to the department, the independent support broker, and the member monthly and quarterly status reports that include a summary of expenditures paid and amount of budget unused.
- (12) Establish an accessible customer service system and a method of communication for the member and the independent support broker that includes alternative communication formats.
- (13) Establish a customer services complaint reporting system.
- (14) Develop a policy and procedures manual that is current with state and federal regulations and update as necessary.
- (15) Develop a business continuity plan in the case of emergencies and natural disasters.
- (16) Provide to the department an annual independent audit of the financial management service.
- (17) Assist in implementing the state's quality management strategy related to the financial management service.

This rule is intended to implement Iowa Code section 249A.4.  
 [ARC 9045B, IAB 9/8/10, effective 11/1/10]

**441—78.42(249A) Pharmacies administering influenza vaccine to children.** Payment will be made to a pharmacy for the administration of influenza vaccine available through the vaccines for children program administered by the department of public health if the pharmacy is enrolled in the vaccines for children program. No payment will be made for the vaccine.

[ARC 9132B, IAB 10/6/10, effective 11/1/10; ARC 9316B, IAB 12/29/10, effective 2/2/11]

**441—78.43(249A) HCBS brain injury waiver services.** Payment shall be approved for the following services to consumers eligible for the HCBS brain injury services as established in 441—Chapter 83 and as identified in the consumer's service plan. All services shall include the applicable and necessary instructions, supervision, assistance and support as required by the consumer in achieving the goals written specifically in the service plan. The services, amount and supports provided under the HCBS brain injury waiver shall be delivered in the least restrictive environment and in conformity with the consumer's service plan.

Reimbursement shall not be available under the waiver for any services that the consumer can obtain through regular Medicaid.

All services shall be billed in whole units.

**78.43(1) Case management services.** Individual case management services means services that assist members who reside in a community setting or are transitioning to a community setting in gaining access to needed medical, social, educational, housing, transportation, vocational, and other appropriate services in order to ensure the health, safety, and welfare of the member.

a. Case management services shall be provided as set forth in rules 441—90.5(249A) and 441—90.8(249A).

b. The service shall be delivered in such a way as to enhance the capabilities of consumers and their families to exercise their rights and responsibilities as citizens in the community. The goal is to enhance the ability of the consumer to exercise choice, make decisions, take risks that are a typical part of life, and fully participate as members of the community.

c. The case manager must develop a relationship with the consumer so that the abilities, needs and desires of the consumer can be clearly identified and communicated and the case manager can help to ensure that the system and specific services are responsive to the needs of the individual consumers.

d. Members who are at the ICF/MR level of care whose county has voluntarily chosen to participate in the HCBS brain injury waiver are eligible for targeted case management and, therefore, are not eligible for case management as a waiver service.

**78.43(2) Supported community living services.** Supported community living services are provided by the provider within the consumer's home and community, according to the individualized consumer need as identified in the individual comprehensive plan (ICP) or department case plan. Intermittent service shall be provided as defined in rule 441—83.81(249A).

a. The basic components of the service may include, but are not limited to, personal and home skills training services, individual advocacy services, community skills training services, personal environment support services, transportation, and treatment services.

(1) Personal and home skills training services are those activities which assist a consumer to develop or maintain skills for self-care, self-directedness, and care of the immediate environment.

(2) Individual advocacy is the act or process of representing the individual's rights and interests in order to realize the rights to which the individual is entitled and to remove barriers to meeting the individual's needs.

(3) Community skills training services are those activities which assist a person to develop or maintain skills allowing better participation in the community. Services shall focus on the following areas as they are applicable to individuals being served:

1. Personal management skills training services are activities which assist a person to maintain or develop skills necessary to sustain oneself in the physical environment and are essential to the management of one's personal business and property. This includes self-advocacy skills. Examples of personal management skills are the ability to maintain a household budget, plan and prepare nutritional meals, use community resources such as public transportation and libraries, and select foods at the grocery store.

2. Socialization skills training services are those activities which assist a consumer to develop or maintain skills which include self-awareness and self-control, social responsiveness, community participation, social amenities, and interpersonal skills.

3. Communication skills training services are activities which assist a person to develop or maintain skills including expressive and receptive skills in verbal and nonverbal language and the functional application of acquired reading and writing skills.

(4) Personal and environmental support services are those activities and expenditures provided to or on behalf of a person in the areas of personal needs in order to allow the person to function in the least restrictive environment.

(5) Transportation services are those activities and expenditures designed to assist the consumer to travel from one place to another to obtain services or carry out life's activities. The service excludes transportation to and from work or day programs.

(6) Treatment services are those activities designed to assist the person to maintain or improve physiological, emotional and behavioral functioning and to prevent conditions that would present barriers to a person's functioning. Treatment services include physical or physiological treatment and psychotherapeutic treatment.

Physiological treatment means activities including medication regimens designed to prevent, halt, control, relieve, or reverse symptoms or conditions which interfere with the normal functioning of the

human body. The activities shall be provided by or under the supervision of a health care professional certified or licensed to provide the treatment activity specified.

Psychotherapeutic treatment means activities provided to assist a person in the identification or modification of beliefs, emotions, attitudes, or behaviors in order to maintain or improve the person's functioning in response to the physical, emotional, and social environment.

*b.* The supported community living services are intended to provide for the daily living needs of the consumer and shall be available as needed during any 24-hour period. Activities do not include those associated with vocational services, academics, day care, medical services, Medicaid case management or other case management. Services are individualized supportive services provided in a variety of community-based, integrated settings.

(1) Supported community living services shall be available at a daily rate to consumers living outside the home of their family, legal representative, or foster family and for whom a provider has primary responsibility for supervision or structure during the month. This service shall provide supervision or structure in identified time periods when another resource is not available.

(2) Supported community living services shall be available at an hourly rate to consumers for whom a daily rate is not established.

(3) Intermittent service shall be provided as defined in rule 441—83.81(249A).

*c.* Services may be provided to a child or an adult. Children must first access all other services for which they are eligible and which are appropriate to meet their needs before accessing the HCBS brain injury waiver services. A maximum of three consumers may reside in a living unit, except when the provider meets the requirements set forth in 441—paragraph 77.39(13) "e."

(1) Consumers may live in the home of their family or legal representative or in other types of typical community living arrangements.

(2) Consumers of services living with families or legal representatives are not subject to the maximum of three consumers in a living unit.

(3) Consumers may not live in licensed medical or health care facilities or in settings required to be licensed as medical or health care facilities.

(4) Consumers aged 17 or under living in the home of their family, legal representative, or foster families shall receive services based on development of adaptive, behavior, or health skills. Duration of services shall be based on age appropriateness and individual attention span.

*d.* Rescinded IAB 2/5/03, effective 2/1/03.

*e.* Provider budgets shall reflect all staff-to-consumer ratios and shall reflect costs associated with consumers' specific support needs for travel and transportation, consulting, instruction, and environmental modifications and repairs, as determined necessary by the interdisciplinary team for each consumer. The specific support needs must be identified in the Medicaid case manager's service plan, the total costs shall not exceed \$1570 per consumer per year, and the provider must maintain records to support the expenditures. A unit of service is:

(1) One full calendar day when a consumer residing in the living unit receives on-site staff supervision for 19 or more hours during a 24-hour calendar day and the consumer's individual comprehensive plan identifies and reflects the need for this amount of supervision.

(2) One hour when subparagraph (1) does not apply.

*f.* The maximum numbers of units available per consumer are as follows:

(1) 365 daily units per state fiscal year except a leap year, when 366 daily units are available.

(2) 8,395 hourly units are available per state fiscal year except a leap year, when 8,418 hourly units are available.

*g.* The service shall be identified in the consumer's individual comprehensive plan.

*h.* Services shall not be simultaneously reimbursed with other residential services, HCBS brain injury waiver respite, transportation or personal assistance services, Medicaid nursing, or Medicaid home health aide services.

**78.43(3) Respite services.** Respite care services are services provided to the consumer that give temporary relief to the usual caregiver and provide all the necessary care that the usual caregiver would

provide during that time period. The purpose of respite care is to enable the consumer to remain in the consumer's current living situation.

*a.* Services provided outside the consumer's home shall not be reimbursable if the living unit where respite is provided is reserved for another person on a temporary leave of absence.

*b.* Staff-to-consumer ratios shall be appropriate to the individual needs of the consumer as determined by the consumer's interdisciplinary team.

*c.* A unit of service is one hour.

*d.* Respite care is not to be provided to persons during the hours in which the usual caregiver is employed except when the consumer is attending a camp. Respite cannot be provided to a consumer whose usual caregiver is a consumer-directed attendant care provider for the consumer.

*e.* Respite services shall not be simultaneously reimbursed with other residential or respite services, HCBS brain injury waiver supported community living services, Medicaid nursing, or Medicaid home health aide services.

*f.* The interdisciplinary team shall determine if the consumer will receive basic individual respite, specialized respite or group respite as defined in rule 441—83.81(249A).

*g.* A maximum of 14 consecutive days of 24-hour respite care may be reimbursed.

*h.* Respite services provided for a period exceeding 24 consecutive hours to three or more individuals who require nursing care because of a mental or physical condition must be provided by a health care facility licensed as described in Iowa Code chapter 135C.

**78.43(4) Supported employment services.** Supported employment services are individualized services associated with obtaining and maintaining competitive paid employment in the least restrictive environment possible, provided to individuals for whom competitive employment at or above minimum wage is unlikely and who, because of their disability, need intense and ongoing support to perform in a work setting. Individual placements are the preferred service model. Covered services are those listed in paragraphs "a" and "b" that address the disability-related challenges to securing and keeping a job.

*a. Activities to obtain a job.* Covered services directed to obtaining a job must be provided to or on behalf of a consumer for whom competitive employment is reasonably expected within less than one year. Services must be focused on job placement, not on teaching generalized employment skills or rehabilitative goals. Three conditions must be met before services are provided. First, the consumer and the interdisciplinary team described in rule 441—83.87(249A) must complete the form that Iowa vocational rehabilitation services uses to identify the supported employment services appropriate to meet the consumer's employment needs. Second, the consumer's interdisciplinary team must determine that the identified services are necessary. Third, the consumer's case manager must approve the services. Available components of activities to obtain a job are as follows:

(1) Job development services. Job development services are directed toward obtaining competitive employment. A unit of service is a job placement that the consumer holds for 30 consecutive calendar days or more. Payment is available once the service is authorized in the member's service plan. A consumer may receive two units of job development services during a 12-month period. The activities provided to the consumer may include:

1. Job procurement training, including grooming and hygiene, application, résumé development, interviewing skills, follow-up letters, and job search activities.

2. Job retention training, including promptness, coworker relations, transportation skills, disability-related supports, job benefits, and an understanding of employee rights and self-advocacy.

3. Customized job development services specific to the consumer.

(2) Employer development services. The focus of employer development services is to support employers in hiring and retaining consumers in their workforce and to communicate expectations of the employers to the interdisciplinary team described in rule 441—83.87(249A). Employer development services may be provided only to consumers who are reasonably expected to work for no more than 10 hours per week. A unit of service is one job placement that the consumer holds for 30 consecutive calendar days or more. Payment for this service may be made only after the consumer holds the job for 30 days. A consumer may receive two units of employer development services during a 12-month

period if the consumer is competitively employed for 30 or more consecutive calendar days and the other conditions for service approval are met. The services provided may include:

1. Developing relationships with employers and providing leads for individual consumers when appropriate.
2. Job analysis for a specific job.
3. Development of a customized training plan identifying job-specific skill requirements, employer expectations, teaching strategies, time frames, and responsibilities.
4. Identifying and arranging reasonable accommodations with the employer.
5. Providing disability awareness and training to the employer when it is deemed necessary.
6. Providing technical assistance to the employer regarding the training progress as identified on the consumer's customized training plan.

(3) Enhanced job search activities. Enhanced job search activities are associated with obtaining initial employment after job development services have been provided to the consumer for a minimum of 30 days or with assisting the consumer in changing jobs due to layoff, termination, or personal choice. The interdisciplinary team must review and update the Iowa vocational rehabilitation services supported employment readiness analysis form to determine if this service remains appropriate for the consumer's employment goals. A unit of service is an hour. A maximum of 26 units may be provided in a 12-month period. The services provided may include:

1. Job opening identification with the consumer.
2. Assistance with applying for a job, including completion of applications or interviews.
3. Work site assessment and job accommodation evaluation.
- b. Supports to maintain employment.

(1) Covered services provided to or on behalf of the consumer associated with maintaining competitive paid employment are the following:

1. Individual work-related behavioral management.
2. Job coaching.
3. On-the-job or work-related crisis intervention.
4. Assisting the consumer to use skills related to sustaining competitive paid employment, including assistance with communication skills, problem solving, and safety.
5. Consumer-directed attendant care services as defined in subrule 78.43(13).
6. Assistance with time management.
7. Assistance with appropriate grooming.
8. Employment-related supportive contacts.
9. Employment-related transportation between work and home and to or from activities related to employment and disability. Other forms of community transportation (including car pools, coworkers, self or public transportation, families, and volunteers) must be attempted before transportation is provided as a supported employment service.
10. On-site vocational assessment after employment.
11. Employer consultation.

(2) Services for maintaining employment may include services associated with sustaining consumers in a team of no more than eight individuals with disabilities in a teamwork or "enclave" setting.

- (3) A unit of service is one hour.
- (4) A maximum of 40 units may be received per week.

c. The following requirements apply to all supported employment services:

(1) Employment-related adaptations required to assist the consumer within the performance of the consumer's job functions shall be provided by the provider as part of the services.

(2) Employment-related transportation between work and home and to or from activities related to employment and disability shall be provided by the provider as part of the services. Other forms of community transportation (car pools, coworkers, self or public transportation, families, volunteers) must be attempted before the service provider provides transportation.

(3) The majority of coworkers at any employment site with more than two employees where consumers seek, obtain, or maintain employment must be persons without disabilities. In the performance of job duties at any site where consumers seek, obtain, or maintain employment, the consumer must have daily contact with other employees or members of the general public who do not have disabilities, unless the absence of daily contact with other employees or the general public is typical for the job as performed by persons without disabilities.

(4) All supported employment services shall provide individualized and ongoing support contacts at intervals necessary to promote successful job retention. Each provider contact shall be documented.

(5) Documentation that services provided are not currently available under a program funded under the Rehabilitation Act of 1973 or Public Law 94-142 shall be maintained in the provider file of each consumer.

(6) All services shall be identified in the consumer's service plan maintained pursuant to rule 441—83.67(249A).

(7) The following services are not covered:

1. Services involved in placing or maintaining consumers in day activity programs, work activity programs or sheltered workshop programs;

2. Supports for volunteer work or unpaid internships;

3. Tuition for education or vocational training; or

4. Individual advocacy that is not consumer specific.

(8) Services to maintain employment shall not be provided simultaneously with day activity programs, work activity programs, sheltered workshop programs, other HCBS services, or other Medicaid services. However, services to obtain a job and services to maintain employment may be provided simultaneously for the purpose of job advancement or job change.

**78.43(5) Home and vehicle modifications.** Covered home and vehicle modifications are those physical modifications to the consumer's home or vehicle listed below that directly address the consumer's medical or remedial need. Covered modifications must be necessary to provide for the health, welfare, or safety of the consumer and enable the consumer to function with greater independence in the home or vehicle.

*a.* Modifications that are necessary or desirable without regard to the consumer's medical or remedial need and that would be expected to increase the fair market value of the home or vehicle, such as furnaces, fencing, roof repair, or adding square footage to the residence, are excluded except as specifically included below. Repairs are also excluded.

*b.* Only the following modifications are covered:

(1) Kitchen counters, sink space, cabinets, special adaptations to refrigerators, stoves, and ovens.

(2) Bathtubs and toilets to accommodate transfer, special handles and hoses for shower heads, water faucet controls, and accessible showers and sink areas.

(3) Grab bars and handrails.

(4) Turnaround space adaptations.

(5) Ramps, lifts, and door, hall and window widening.

(6) Fire safety alarm equipment specific for disability.

(7) Voice-activated, sound-activated, light-activated, motion-activated, and electronic devices directly related to the consumer's disability.

(8) Vehicle lifts, driver-specific adaptations, remote-start systems, including such modifications already installed in a vehicle.

(9) Keyless entry systems.

(10) Automatic opening device for home or vehicle door.

(11) Special door and window locks.

(12) Specialized doorknobs and handles.

(13) Plexiglas replacement for glass windows.

(14) Modification of existing stairs to widen, lower, raise or enclose open stairs.

(15) Motion detectors.

(16) Low-pile carpeting or slip-resistant flooring.

- (17) Telecommunications device for the deaf.
- (18) Exterior hard-surface pathways.
- (19) New door opening.
- (20) Pocket doors.
- (21) Installation or relocation of controls, outlets, switches.
- (22) Air conditioning and air filtering if medically necessary.
- (23) Heightening of existing garage door opening to accommodate modified van.
- (24) Bath chairs.
- c. A unit of service is the completion of needed modifications or adaptations.
- d. All modifications and adaptations shall be provided in accordance with applicable federal, state, and local building and vehicle codes.
- e. Services shall be performed following department approval of a binding contract between the enrolled home and vehicle modification provider and the consumer.
- f. The contract shall include, at a minimum, the work to be performed, cost, time frame for work completion, and assurance of liability and workers' compensation coverage.
- g. Service payment shall be made to the enrolled home and vehicle modification provider. If applicable, payment will be forwarded to the subcontracting agency by the enrolled home and vehicle modification provider following completion of the approved modifications. Payment of up to \$6,060 per year may be made to certified providers upon satisfactory completion of the service. The service worker shall encumber up to \$505 per month within the monthly dollar cap allowed for the consumer until the amount of the modification is reached within the 12-month period.
- h. Services shall be included in the consumer's service plan and shall exceed the Medicaid state plan services.

**78.43(6) *Personal emergency response system.*** The personal emergency response system allows a consumer experiencing a medical emergency at home to activate electronic components that transmit a coded signal via digital equipment over telephone lines to a central monitoring station. The necessary components of a system are:

- a. An in-home medical communications transceiver.
- b. A remote, portable activator.
- c. A central monitoring station with backup systems staffed by trained attendants 24 hours per day, seven days per week.
- d. Current data files at the central monitoring station containing response protocols and personal, medical and emergency information for each consumer.
- e. The service shall be identified in the consumer's individual and comprehensive plan.
- f. A unit is a one-time installation fee or one month of service.
- g. Maximum units per state fiscal year are the initial installation and 12 months of service.

**78.43(7) *Transportation.*** Transportation services may be provided for consumers to conduct business errands and essential shopping, to receive medical services when not reimbursed through medical transportation, to travel to and from work or day programs, and to reduce social isolation. A unit of service is either per mile, per trip, or the unit established by an area agency on aging. Transportation may not be reimbursed simultaneously with HCBS brain injury waiver supported community living service.

**78.43(8) *Specialized medical equipment.*** Specialized medical equipment shall include medically necessary items for personal use by consumers with a brain injury which provide for health and safety of the consumer which are not ordinarily covered by Medicaid, and are not funded by educational or vocational rehabilitation programs, and are not provided by voluntary means. This includes, but is not limited to: electronic aids and organizers, medicine dispensing devices, communication devices, bath aids, and noncovered environmental control units. This includes repair and maintenance of items purchased through the waiver in addition to the initial purchase cost.

- a. Consumers may receive specialized medical equipment once per month until a maximum yearly usage of \$6,060 has been reached.

b. The need for specialized medical equipment shall be documented by a health care professional as necessary for the consumer's health and safety and identified in the consumer's individual comprehensive plan.

**78.43(9) *Adult day care services.*** Adult day care services provide an organized program of supportive care in a group environment to persons who need a degree of supervision and assistance on a regular or intermittent basis in a day care center. A unit of service is a full day (4 to 8 hours) or a half day (1 to 4 hours) or an extended day (8 to 12 hours). Components of the service are set forth in rule 441—171.6(234).

**78.43(10) *Family counseling and training services.*** Family counseling and training services are face-to-face mental health services provided to the consumer and the family with whom the consumer lives, or who routinely provide care to the consumer to increase the consumer's or family members' capabilities to maintain and care for the consumer in the community. Counseling may include helping the consumer or the consumer's family members with crisis, coping strategies, stress reduction, management of depression, alleviation of psychosocial isolation and support in coping with the effects of a brain injury. It may include the use of treatment regimes as specified in the ITP. Periodic training updates may be necessary to safely maintain the consumer in the community.

Family may include spouse, children, friends, or in-laws of the consumer. Family does not include individuals who are employed to care for the consumer.

**78.43(11) *Prevocational services.*** Prevocational services are services aimed at preparing a consumer eligible for the HCBS brain injury waiver for paid or unpaid employment, but which are not job task oriented. These services include teaching the consumer concepts necessary as job readiness skills, such as following directions, attending to tasks, task completion, problem solving, and safety and mobility training. Prevocational services are intended to have a more generalized result as opposed to vocational training for a specific job or supported employment. Services include activities which are not primarily directed at teaching specific job skills but more generalized habilitative goals and are reflected in a habilitative plan which focuses on general habilitative rather than specific employment objectives.

Prevocational services do not include services defined in Section 4(a)(4) of the 1975 amendments to the Education of the Handicapped Act (20 U.S.C. 1404(16) and (17)) which are otherwise available to the individual through a state or local education agency or vocational rehabilitation services which are otherwise available to the individual through a program funded under Section 110 of the Rehabilitation Act of 1973 (29 U.S.C. 730).

**78.43(12) *Behavioral programming.*** Behavioral programming consists of individually designed strategies to increase the consumer's appropriate behaviors and decrease the consumer's maladaptive behaviors which have interfered with the consumer's ability to remain in the community. Behavioral programming includes:

- a. A complete assessment of both appropriate and maladaptive behaviors.
- b. Development of a structured behavioral intervention plan which should be identified in the ITP.
- c. Implementation of the behavioral intervention plan.
- d. Ongoing training and supervision to caregivers and behavioral aides.
- e. Periodic reassessment of the plan.

Types of appropriate behavioral programming include, but are not limited to, clinical redirection, token economies, reinforcement, extinction, modeling, and over-learning.

**78.43(13) *Consumer-directed attendant care service.*** Consumer-directed attendant care services are service activities performed by a person to help a consumer with self-care tasks which the consumer would typically do independently if the consumer were otherwise able.

a. The service activities may include helping the consumer with any of the following nonskilled service activities:

- (1) Dressing.
- (2) Bath, shampoo, hygiene, and grooming.
- (3) Access to and from bed or a wheelchair, transferring, ambulation, and mobility in general. It is recommended that the provider receive certification of training and return demonstration for transferring. Certification for this is available through the area community colleges.

(4) Toilet assistance, including bowel, bladder, and catheter assistance. It is recommended that the provider receive certification of training and return demonstration for catheter assistance. Certification for this is available through the area community colleges.

(5) Meal preparation, cooking, eating and feeding but not the cost of meals themselves.

(6) Housekeeping services which are essential to the consumer's health care at home.

(7) Medications ordinarily self-administered including those ordered by a physician or other qualified health care provider. It is recommended the provider successfully complete a medication aide course administered by an area community college.

(8) Wound care.

(9) Assistance needed to go to or return from a place of employment and assistance with job-related tasks while the consumer is on the job site. The cost of transportation for the consumer and assistance with understanding of performing the essential job functions are not included in consumer-directed attendant care services.

(10) Cognitive assistance with tasks such as handling money and scheduling.

(11) Fostering communication through interpreting and reading services as well as assistive devices for communication.

(12) Assisting or accompanying a consumer in using transportation essential to the health and welfare of the consumer. The cost of the transportation is not included.

*b.* The service activities may include helping the consumer with any of the following skilled services under the supervision of a licensed nurse or licensed therapist working under the direction of a physician. The licensed nurse or therapist shall retain accountability for actions that are delegated. The licensed nurse or therapist shall ensure appropriate assessment, planning, implementation, and evaluation. The licensed nurse or therapist shall make on-site supervisory visits every two weeks with the provider present. The cost of the supervision provided by the licensed nurse or therapist shall be paid from private insurance and other third-party payment sources, Medicare, the regular Medicaid program, or the early periodic screening diagnosis and treatment program before accessing the HCBS waiver.

(1) Tube feedings of consumers unable to eat solid foods.

(2) Intravenous therapy administered by a registered nurse.

(3) Parenteral injections required more than once a week.

(4) Catheterizations, continuing care of indwelling catheters with supervision of irrigations, and changing of Foley catheters when required.

(5) Respiratory care including inhalation therapy and tracheotomy care or tracheotomy care and ventilator.

(6) Care of decubiti and other ulcerated areas, noting and reporting to the nurse or therapist.

(7) Rehabilitation services including, but not limited to, bowel and bladder training, range of motion exercises, ambulation training, restorative nursing services, reteaching the activities of daily living, respiratory care and breathing programs, reality orientation, reminiscing therapy, remotivation, and behavior modification.

(8) Colostomy.

(9) Care of medical conditions out of control which includes brittle diabetes and comfort care of terminal conditions.

(10) Postsurgical nursing care.

(11) Monitoring medications requiring close supervision because of fluctuating physical or psychological conditions, e.g., antihypertensives, digitalis preparations, mood-altering or psychotropic drugs, or narcotics.

(12) Preparing and monitoring response to therapeutic diets.

(13) Recording and reporting of changes in vital signs to the nurse or therapist.

*c.* A unit of service is 1 hour, or one 8- to 24-hour day provided by an individual or an agency. Each service shall be billed in whole units.

*d.* The consumer, parent, guardian, or attorney in fact under a durable power of attorney for health care shall be responsible for selecting the person or agency who will provide the components of the attendant care services to be provided.

*e.* The consumer, parent, guardian, or attorney in fact under a durable power of attorney for health care shall determine the components of the attendant care services to be provided with the person who is providing the services to the consumer.

*f.* The service activities may not include parenting or child care for or on behalf of the consumer.

*g.* The consumer, parent, guardian, or attorney in fact under a durable power of attorney for health care and the provider shall complete and sign Form 470-3372, HCBS Consumer-Directed Attendant Care Agreement. A copy of the completed agreement shall be attached to the service plan, which is signed by the service worker or case manager prior to the initiation of services, and kept in the consumer's and department's records.

*h.* If the consumer has a guardian or attorney in fact under a durable power of attorney for health care, the care plan shall address how consumer-directed attendant care services will be monitored to ensure the consumer's needs are being adequately met. If the guardian or attorney in fact is the service provider, the service plan shall address how the service worker or case manager shall oversee service provision.

*i.* If the consumer has a guardian or attorney in fact under a durable power of attorney for health care, the guardian or attorney in fact shall sign the claim form in place of the consumer, indicating that the service has been provided as presented on the claim.

*j.* The frequency or intensity of services shall be indicated in the service plan.

*k.* Consumer-directed attendant care services may not be simultaneously reimbursed with any other HCBS waiver services.

*l.* Consumer-directed attendant care services may be provided to a recipient of in-home health-related care services, but not at the same time.

*m.* Services may be provided in the absence of a parent or guardian if the parent or guardian has given advanced direction for the service provision.

**78.43(14)** *Interim medical monitoring and treatment services.* Interim medical monitoring and treatment services are monitoring and treatment of a medical nature requiring specially trained caregivers beyond what is normally available in a day care setting. The services must be needed to allow the consumer's usual caregivers to be employed or, for a limited period of time, for academic or vocational training of a usual caregiver; due to the hospitalization, treatment for physical or mental illness, or death of a usual caregiver; or during a search for employment by a usual caregiver.

*a.* Service requirements. Interim medical monitoring and treatment services shall:

(1) Provide experiences for each consumer's social, emotional, intellectual, and physical development;

(2) Include comprehensive developmental care and any special services for a consumer with special needs; and

(3) Include medical assessment, medical monitoring, and medical intervention as needed on a regular or emergency basis.

*b.* Interim medical monitoring and treatment services may include supervision to and from school.

*c.* Limitations.

(1) A maximum of 12 one-hour units of service is available per day.

(2) Covered services do not include a complete nutritional regimen.

(3) Interim medical monitoring and treatment services may not duplicate any regular Medicaid or waiver services provided under the state plan.

(4) Interim medical monitoring and treatment services may be provided only in the consumer's home, in a registered group child care home, in a registered family child care home, in a licensed child care center, or during transportation to and from school.

(5) The staff-to-consumer ratio shall not be less than one to six.

*d.* A unit of service is one hour.

**78.43(15)** *Consumer choices option.* The consumer choices option provides a member with a flexible monthly individual budget that is based on the member's service needs. With the individual budget, the member shall have the authority to purchase goods and services to meet the member's assessed needs and may choose to employ providers of services and supports. The services, supports,

and items that are purchased with an individual budget must be directly related to a member's assessed need or goal established in the member's service plan. Components of this service are set forth below.

*a. Agreement.* As a condition of participating in the consumer choices option, a member shall sign Form 470-4289, HCBS Consumer Choices Informed Consent and Risk Agreement, to document that the member has been informed of the responsibilities and risks of electing the consumer choices option.

*b. Individual budget amount.* A monthly individual budget amount shall be established for each member based on the assessed needs of the member and based on the services and supports authorized in the member's service plan. The member shall be informed of the individual budget amount during the development of the service plan.

(1) Services that may be included in determining the individual budget amount for a member in the HCBS brain injury waiver are:

1. Consumer-directed attendant care (unskilled).
2. Day habilitation.
3. Home and vehicle modification.
4. Prevocational services.
5. Basic individual respite care.
6. Specialized medical equipment.
7. Supported community living.
8. Supported employment.
9. Transportation.

(2) The department shall determine an average unit cost for each service listed in subparagraph 78.43(15) "b"(1) based on actual unit costs from the previous fiscal year plus a cost-of-living adjustment.

(3) In aggregate, costs for individual budget services shall not exceed the current costs of waiver program services. In order to maintain cost neutrality, the department shall apply a utilization adjustment factor to the amount of service authorized in the member's service plan before calculating the value of that service to be included in the individual budget amount.

(4) The department shall compute the utilization adjustment factor for each service by dividing the net costs of all claims paid for the service by the total of the authorized costs for that service, using at least 12 consecutive months of aggregate service data. The utilization adjustment factor shall be no lower than 60 percent. The department shall analyze and adjust the utilization adjustment factor at least annually in order to maintain cost neutrality.

(5) Individual budgets for respite services shall be computed based on the average cost for services identified in subparagraph 78.43(15) "b"(2). Respite services are not subject to the utilization adjustment factor in subparagraph 78.43(15) "b"(3).

(6) Anticipated costs for home and vehicle modification, specialized medical equipment, and supported employment services to obtain a job are not subject to the average cost in subparagraph 78.43(15) "b"(2) or the utilization adjustment factor in subparagraph 78.43(15) "b"(3). Anticipated costs for these services shall not include the costs of the financial management services or the independent support broker. Before becoming part of the individual budget, all home and vehicle modifications, specialized medical equipment, and supported employment services to obtain a job shall be identified in the member's service plan and approved by the case manager or service worker. Costs for these services may be paid to the financial management services provider in a one-time payment.

(7) The individual budget amount may be changed only at the first of the month and shall remain fixed for the entire month.

*c. Required service components.* To participate in the consumer choices option, a member must hire an independent support broker and must work with a financial management service that is enrolled as a Medicaid provider. Before hiring the independent support broker, the member shall receive the results of the background check conducted pursuant to 441—Chapter 119.

*d. Optional service components.* A member who elects the consumer choices option may purchase the following goods, services and supports, which shall be provided in the member's home or at an integrated community setting:

(1) Self-directed personal care services. Self-directed personal care services are services or goods that provide a range of assistance in activities of daily living and incidental activities of daily living that help the member remain in the home and community. These services must be identified in the member's service plan developed by the member's case manager or service worker.

(2) Self-directed community supports and employment. Self-directed community supports and employment are services that support the member in developing and maintaining independence and community integration. These services must be identified in the member's service plan developed by the member's case manager or service worker.

(3) Individual-directed goods and services. Individual-directed goods and services are services, equipment, or supplies not otherwise provided through the Medicaid program that address an assessed need or goal identified in the member's service plan. The item or service shall meet the following requirements:

1. Promote opportunities for community living and inclusion.
2. Increase independence or substitute for human assistance, to the extent the expenditures would otherwise be made for that human assistance.
3. Be accommodated within the member's budget without compromising the member's health and safety.
4. Be provided to the member or directed exclusively toward the benefit of the member.
5. Be the least costly to meet the member's needs.
6. Not be available through another source.

*e. Development of the individual budget.* The independent support broker shall assist the member in developing and implementing the member's individual budget. The individual budget shall include:

- (1) The costs of the financial management service.
- (2) The costs of the independent support broker. The independent support broker may be compensated for up to 6 hours of service for assisting with the implementation of the initial individual budget. The independent support broker shall not be paid for more than 30 hours of service for an individual member during a 12-month period without prior approval by the department.

(3) The costs of any optional service component chosen by the member as described in paragraph 78.43(15) "d." Costs of the following items and services shall not be covered by the individual budget:

1. Child care services.
2. Clothing not related to an assessed medical need.
3. Conference, meeting or similar venue expenses other than the costs of approved services the member needs while attending the conference, meeting or similar venue.
4. Costs associated with shipping items to the member.
5. Experimental and non-FDA-approved medications, therapies, or treatments.
6. Goods or services covered by other Medicaid programs.
7. Home furnishings.
8. Home repairs or home maintenance.
9. Homeopathic treatments.
10. Insurance premiums or copayments.
11. Items purchased on installment payments.
12. Motorized vehicles.
13. Nutritional supplements.
14. Personal entertainment items.
15. Repairs and maintenance of motor vehicles.
16. Room and board, including rent or mortgage payments.
17. School tuition.
18. Service animals.
19. Services covered by third parties or services that are the responsibility of a non-Medicaid program.
20. Sheltered workshop services.

21. Social or recreational purchases not related to an assessed need or goal identified in the member's service plan.

22. Vacation expenses, other than the costs of approved services the member needs while on vacation.

(4) The costs of any approved home or vehicle modification or specialized medical equipment. When authorized, the budget may include an amount allocated for a home or vehicle modification or specialized medical equipment. Before becoming part of the individual budget, all home and vehicle modifications and specialized medical equipment shall be identified in the member's service plan and approved by the case manager or service worker. The authorized amount shall not be used for anything other than the specific modification or equipment.

(5) Any amount set aside in a savings plan to reserve funds for the future purchase of self-directed personal care, individual-directed goods and services, or self-directed community supports and services as defined in paragraph 78.43(15) "d." The savings plan shall meet the requirements in paragraph 78.43(15) "f."

*f. Savings plan.* A member savings plan must be in writing and be approved by the department before the start of the savings plan. Amounts allocated to the savings plan must result from efficiencies in meeting identified needs of the member.

(1) The savings plan shall identify:

1. The specific goods, services, supports or supplies to be purchased through the savings plan.

2. The amount of the individual budget allocated each month to the savings plan.

3. The amount of the individual budget allocated each month to meet the member's identified service needs.

4. How the member's assessed needs will continue to be met through the individual budget when funds are placed in savings.

(2) With the exception of funds allocated for respite care, the savings plan shall not include funds budgeted for direct services that were not received. The budgeted amount associated with unused direct services other than respite care shall revert to the Medicaid program at the end of each month. Funds from unused respite services may be allocated to the savings plan but shall not be used for anything other than future respite care.

(3) Funds accumulated under a savings plan shall be used only to purchase items that increase independence or substitute for human assistance to the extent that expenditures would otherwise be made for human assistance, including additional goods, supports, services or supplies. The self-directed personal care, individual-directed goods and services, or self-directed community supports and services purchased with funds from a savings plan must:

1. Be used to meet a member's identified need,

2. Be medically necessary, and

3. Be approved by the member's case manager or service worker.

(4) All funds allocated to a savings plan that are not expended by December 31 of each year shall revert to the Medicaid program.

(5) The annual reassessment of a member's needs must take into account the purchases of goods and services that substitute for human assistance. Adjustments shall be made to the services used to determine the individual budget based on the reassessment.

*g. Budget authority.* The member shall have authority over the individual budget authorized by the department to perform the following tasks:

(1) Contract with entities to provide services and supports as described in this subrule.

(2) Determine the amount to be paid for services. Reimbursement rates shall be consistent with rates paid by others in the community for the same or substantially similar services. Reimbursement rates for the independent support broker and the financial management service are subject to the limits in 441—subrule 79.1(2).

(3) Schedule the provision of services.

(4) Authorize payment for optional service components identified in the individual budget.

(5) Reallocate funds among services included in the budget. Every purchase of a good or service must be identified and approved in the individual budget before the purchase is made.

*h. Delegation of budget authority.* The member may delegate responsibility for the individual budget to a representative in addition to the independent support broker.

(1) The representative must be at least 18 years old.

(2) The representative shall not be a current provider of service to the member.

(3) The member shall sign a consent form that designates who the member has chosen as a representative and what responsibilities the representative shall have.

(4) The representative shall not be paid for this service.

*i. Employer authority.* The member shall have the authority to be the common-law employer of employees providing services and support under the consumer choices option. A common-law employer has the right to direct and control the performance of the services. The member may perform the following functions:

(1) Recruit employees.

(2) Select employees from a worker registry.

(3) Verify employee qualifications.

(4) Specify additional employee qualifications.

(5) Determine employee duties.

(6) Determine employee wages and benefits.

(7) Schedule employees.

(8) Train and supervise employees.

*j. Employment agreement.* Any person employed by the member to provide services under the consumer choices option shall sign an employment agreement with the member that outlines the employee's and member's responsibilities.

*k. Responsibilities of the independent support broker.* The independent support broker shall perform the following services as directed by the member or the member's representative:

(1) Assist the member with developing the member's initial and subsequent individual budgets and with making any changes to the individual budget.

(2) Have monthly contact with the member for the first four months of implementation of the initial individual budget and have quarterly contact thereafter.

(3) Complete the required employment packet with the financial management service.

(4) Assist with interviewing potential employees and entities providing services and supports if requested by the member.

(5) Assist the member with determining whether a potential employee meets the qualifications necessary to perform the job.

(6) Assist the member with obtaining a signed consent from a potential employee to conduct background checks if requested by the member.

(7) Assist the member with negotiating with entities providing services and supports if requested by the member.

(8) Assist the member with contracts and payment methods for services and supports if requested by the member.

(9) Assist the member with developing an emergency backup plan. The emergency backup plan shall address any health and safety concerns.

(10) Review expenditure reports from the financial management service to ensure that services and supports in the individual budget are being provided.

(11) Document in writing on the independent support broker timecard every contact the broker has with the member. Contact documentation shall include information on the extent to which the member's individual budget has addressed the member's needs and the satisfaction of the member.

*l. Responsibilities of the financial management service.* The financial management service shall perform all of the following services:

(1) Receive Medicaid funds in an electronic transfer.

(2) Process and pay invoices for approved goods and services included in the individual budget.

- (3) Enter the individual budget into the Web-based tracking system chosen by the department and enter expenditures as they are paid.
- (4) Provide real-time individual budget account balances for the member, the independent support broker, and the department, available at a minimum during normal business hours (9 a.m. to 5 p.m., Monday through Friday).
- (5) Conduct criminal background checks on potential employees pursuant to 441—Chapter 119.
- (6) Verify for the member an employee's citizenship or alien status.
- (7) Assist the member with fiscal and payroll-related responsibilities including, but not limited to:
  1. Verifying that hourly wages comply with federal and state labor rules.
  2. Collecting and processing timecards.
  3. Withholding, filing, and paying federal, state and local income taxes, Medicare and Social Security (FICA) taxes, and federal (FUTA) and state (SUTA) unemployment and disability insurance taxes, as applicable.
  4. Computing and processing other withholdings, as applicable.
  5. Processing all judgments, garnishments, tax levies, or other withholding on an employee's pay as may be required by federal, state, or local laws.
  6. Preparing and issuing employee payroll checks.
  7. Preparing and disbursing IRS Forms W-2 and W-3 annually.
  8. Processing federal advance earned income tax credit for eligible employees.
  9. Refunding over-collected FICA, when appropriate.
  10. Refunding over-collected FUTA, when appropriate.
- (8) Assist the member in completing required federal, state, and local tax and insurance forms.
- (9) Establish and manage documents and files for the member and the member's employees.
- (10) Monitor timecards, receipts, and invoices to ensure that they are consistent with the individual budget. Keep records of all timecards and invoices for each member for a total of five years.
- (11) Provide to the department, the independent support broker, and the member monthly and quarterly status reports that include a summary of expenditures paid and amount of budget unused.
- (12) Establish an accessible customer service system and a method of communication for the member and the independent support broker that includes alternative communication formats.
- (13) Establish a customer services complaint reporting system.
- (14) Develop a policy and procedures manual that is current with state and federal regulations and update as necessary.
- (15) Develop a business continuity plan in the case of emergencies and natural disasters.
- (16) Provide to the department an annual independent audit of the financial management service.
- (17) Assist in implementing the state's quality management strategy related to the financial management service.

This rule is intended to implement Iowa Code section 249A.4.  
 [ARC 7957B, IAB 7/15/09, effective 7/1/09; ARC 9045B, IAB 9/8/10, effective 11/1/10]

**441—78.44(249A) Lead inspection services.** Payment shall be approved for lead inspection services. This service shall be provided for children who have had two venous blood lead levels of 15 to 19 micrograms per deciliter or one venous level greater than or equal to 20 micrograms per deciliter. This service includes, but is not limited to, X-ray fluorescence analyzer (XRF) readings, visual examination of paint, preventive education of the resident and homeowner, health education about lead poisoning, and a written report to the family, homeowner, medical provider, and local childhood lead poisoning prevention program.

This rule is intended to implement Iowa Code section 249A.4.

**441—78.45(249A) Teleconsultive services.** Rescinded IAB 9/6/00, effective 11/1/00.

**441—78.46(249A) Physical disability waiver service.** Payment shall be approved for the following services to consumers eligible for the HCBS physical disability waiver established in 441—Chapter

83 when identified in the consumer's service plan. All services shall include the applicable and necessary instructions, supervision, assistance and support as required by the consumer in achieving the goals written specifically in the service plan and those delineated in Form 470-3372, HCBS Consumer-Directed Attendant Care Agreement. The service shall be delivered in the least restrictive environment consistent with the consumer's needs and in conformity with the consumer's service plan.

Reimbursement shall not be available under the waiver for any services that the consumer can obtain through regular Medicaid or from any other funding source.

All services shall be billed in whole units as specified in the following subrules.

**78.46(1) *Consumer-directed attendant care service.*** Consumer-directed attendant care services are service activities listed below performed by a person to help a consumer with self-care tasks which the consumer would typically do independently if the consumer were otherwise able. The services must be cost-effective and necessary to prevent institutionalization.

Providers must demonstrate proficiency in delivery of the services in the consumer's plan of care. Proficiency must be demonstrated through documentation of prior training or experience or a certificate of formal training. All training or experience will be detailed on Form 470-3372, HCBS Consumer-Directed Attendant Care Agreement, which must be reviewed and approved by the service worker for appropriateness of training or experience prior to the provision of services. Form 470-3372 becomes an attachment to and part of the case plan. Consumers shall give direction and training for activities which are not medical in nature to maintain independence. Licensed registered nurses and therapists must provide on-the-job training and supervision to the provider for skilled activities listed below and described on Form 470-3372. The training and experience must be sufficient to protect the health, welfare and safety of the consumer.

*a.* Nonskilled service activities covered are:

- (1) Help with dressing.
- (2) Help with bath, shampoo, hygiene, and grooming.
- (3) Help with access to and from bed or a wheelchair, transferring, ambulation, and mobility in general. Certification for this is available through the area community colleges.
- (4) Toilet assistance, including bowel, bladder, and catheter assistance which includes emptying the catheter bag, collecting a specimen and cleaning the external area around the catheter. Certification of training which includes demonstration of competence for catheter assistance is available through the area community colleges.
- (5) Meal preparation, cooking, eating and feeding assistance but not the cost of meals themselves.
- (6) Housekeeping services which are essential to the consumer's health care at home.
- (7) Help with medications ordinarily self-administered including those ordered by a physician or other qualified health care provider. Certification of training in a medication aide course is available through the area community colleges.
- (8) Minor wound care which does not require skilled nursing care.
- (9) Assistance needed to go to or return from a place of employment and assistance with job-related tasks while the consumer is on the job site. The cost of transportation for the consumer and assistance with understanding or performing the essential job functions are not included in consumer-directed attendant care services.

(10) Cognitive assistance with tasks such as handling money and scheduling.

(11) Fostering communication through interpreting and reading services as well as assistance in use of assistive devices for communication.

(12) Assisting and accompanying a consumer in using transportation essential to the health and welfare of the consumer, but not the cost of the transportation.

*b.* Skilled service activities covered are the following performed under the supervision of a licensed nurse or licensed therapist working under the direction of a licensed physician. The licensed nurse or therapist shall retain accountability for actions that are delegated. The licensed nurse or therapist shall ensure appropriate assessment, planning, implementation, and evaluation. The licensed nurse or therapist shall make on-site supervisory visits every two weeks with the provider present.

The cost of the supervision provided by the licensed nurse or therapist shall not be included in the reimbursement for consumer-directed attendant care services.

- (1) Tube feedings of consumers unable to eat solid foods.
  - (2) Assistance with intravenous therapy which is administered by a registered nurse.
  - (3) Parenteral injections required more than once a week.
  - (4) Catheterizations, continuing care of indwelling catheters with supervision of irrigations, and changing of Foley catheters when required.
  - (5) Respiratory care including inhalation therapy and tracheotomy care or tracheotomy care and ventilator.
  - (6) Care of decubiti and other ulcerated areas, noting and reporting to the nurse or therapist.
  - (7) Rehabilitation services including bowel and bladder training, range of motion exercises, ambulation training, restorative nursing services, reteaching the activities of daily living, respiratory care and breathing programs, reality orientation, reminiscing therapy, remotivation, and behavior modification.
  - (8) Colostomy care.
  - (9) Care of medical conditions such as brittle diabetes and comfort care of terminal conditions.
  - (10) Postsurgical nurse-delegated activities under the supervision of the registered nurse.
  - (11) Monitoring medication reactions requiring close supervision because of fluctuating physical or psychological conditions, e.g., antihypertensives, digitalis preparations, mood altering or psychotropic drugs or narcotics.
  - (12) Preparing and monitoring response to therapeutic diets.
  - (13) Recording and reporting of changes in vital signs to the nurse or therapist.
- c.* A unit of service is 1 hour for up to 7 hours per day or one 8- to 24-hour day provided by an individual or an agency. Each service shall be billed in whole units.
- d.* The consumer, parent, guardian, or attorney in fact under a durable power of attorney for health care shall be responsible for selecting the person or agency who will provide the components of the attendant care services to be provided.
- e.* The consumer, parent, guardian, or attorney in fact under a durable power of attorney for health care shall determine the components of the attendant care services to be provided with the person who is providing the services to the consumer.
- f.* The service activities may not include parenting or child care on behalf of the consumer.
- g.* The consumer, parent, guardian, or attorney in fact under a durable power of attorney for health care and the provider shall complete and sign Form 470-3372, HCBS Consumer-Directed Attendant Care Agreement. A copy of the completed agreement shall be attached to the service plan, which is signed by the service worker prior to the initiation of services, and kept in the consumer's and department's records.
- h.* If the consumer has a guardian or attorney in fact under a durable power of attorney for health care, the care plan shall address how consumer-directed attendant care services will be monitored to ensure the consumer's needs are being adequately met. If the guardian or attorney in fact is the service provider, the service plan shall address how the service worker or case manager shall oversee service provision.
- i.* If the consumer has a guardian or attorney in fact under a durable power of attorney for health care, the guardian or attorney in fact shall sign the claim form in place of the consumer, indicating that the service has been provided as presented on the claim.
- j.* The frequency or intensity of services shall be indicated in the service plan.
- k.* Consumer-directed attendant care services may not be simultaneously reimbursed with any other HCBS waiver services.
- l.* Consumer-directed attendant care services may be provided to a recipient of in-home health-related care services, but not at the same time.
- m.* Services may be provided in the absence of a parent or guardian if the parent or guardian has given advanced direction for the service provision.

**78.46(2) Home and vehicle modifications.** Covered home and vehicle modifications are those physical modifications to the consumer's home or vehicle listed below that directly address the consumer's medical or remedial need. Covered modifications must be necessary to provide for the health, welfare, or safety of the consumer and enable the consumer to function with greater independence in the home or vehicle.

*a.* Modifications that are necessary or desirable without regard to the consumer's medical or remedial need and that would be expected to increase the fair market value of the home or vehicle, such as furnaces, fencing, roof repair, or adding square footage to the residence, are excluded except as specifically included below. Repairs are also excluded.

*b.* Only the following modifications are covered:

- (1) Kitchen counters, sink space, cabinets, special adaptations to refrigerators, stoves, and ovens.
- (2) Bathtubs and toilets to accommodate transfer, special handles and hoses for shower heads, water faucet controls, and accessible showers and sink areas.
- (3) Grab bars and handrails.
- (4) Turnaround space adaptations.
- (5) Ramps, lifts, and door, hall and window widening.
- (6) Fire safety alarm equipment specific for disability.
- (7) Voice-activated, sound-activated, light-activated, motion-activated, and electronic devices directly related to the consumer's disability.
- (8) Vehicle lifts, driver-specific adaptations, remote-start systems, including such modifications already installed in a vehicle.
- (9) Keyless entry systems.
- (10) Automatic opening device for home or vehicle door.
- (11) Special door and window locks.
- (12) Specialized doorknobs and handles.
- (13) Plexiglas replacement for glass windows.
- (14) Modification of existing stairs to widen, lower, raise or enclose open stairs.
- (15) Motion detectors.
- (16) Low-pile carpeting or slip-resistant flooring.
- (17) Telecommunications device for the deaf.
- (18) Exterior hard-surface pathways.
- (19) New door opening.
- (20) Pocket doors.
- (21) Installation or relocation of controls, outlets, switches.
- (22) Air conditioning and air filtering if medically necessary.
- (23) Heightening of existing garage door opening to accommodate modified van.
- (24) Bath chairs.

*c.* A unit of service is the completion of needed modifications or adaptations.

*d.* All modifications and adaptations shall be provided in accordance with applicable federal, state, and local building and vehicle codes.

*e.* Services shall be performed following department approval of a binding contract between the enrolled home and vehicle modification provider and the consumer.

*f.* The contract shall include, at a minimum, the work to be performed, cost, time frame for work completion, and assurance of liability and workers' compensation coverage.

*g.* Service payment shall be made to the enrolled home and vehicle modification provider. If applicable, payment will be forwarded to the subcontracting agency by the enrolled home and vehicle modification provider following completion of the approved modifications. Payment of up to \$6,060 per year may be made to certified providers upon satisfactory completion of the service. The service worker shall encumber up to \$505 per month within the monthly dollar cap allowed for the consumer until the amount of the modification is reached within the 12-month period.

*h.* Services shall be included in the consumer's service plan and shall exceed the Medicaid state plan services.

**78.46(3) *Personal emergency response system.*** The personal emergency response system allows a consumer experiencing a medical emergency at home to activate electronic components that transmit a coded signal via digital equipment over telephone lines to a central monitoring station. The service shall be identified in the consumer's service plan. A unit is a one-time installation fee or one month of service. Maximum units per state fiscal year are the initial installation and 12 months of service. The necessary components of a system are:

- a. An in-home medical communications transceiver.
- b. A remote, portable activator.
- c. A central monitoring station with backup systems staffed by trained attendants 24 hours per day, seven days a week.
- d. Current data files at the central monitoring station containing response protocols and personal, medical, and emergency information for each consumer.

**78.46(4) *Specialized medical equipment.*** Specialized medical equipment shall include medically necessary items for personal use by consumers with a physical disability which provide for the health and safety of the consumer that are not covered by Medicaid, are not funded by vocational rehabilitation programs, and are not provided by voluntary means. This includes, but is not limited to: electronic aids and organizers, medicine-dispensing devices, communication devices, bath aids and noncovered environmental control units. This includes repair and maintenance of items purchased through the waiver in addition to the initial costs.

a. Consumers may receive specialized medical equipment once a month until a maximum yearly usage of \$6,060 has been reached.

b. The need for specialized medical equipment shall be documented by a health care professional as necessary for the consumer's health and safety and shall be identified in the consumer's service plan.

**78.46(5) *Transportation.*** Transportation services may be provided for consumers to conduct business errands and essential shopping, to receive medical services when not reimbursed through Medicaid as medical transportation, to travel to and from work or day programs, and to reduce social isolation. A unit of service is either per mile, per trip, or the unit established by an area agency on aging.

**78.46(6) *Consumer choices option.*** The consumer choices option provides a member with a flexible monthly individual budget that is based on the member's service needs. With the individual budget, the member shall have the authority to purchase goods and services to meet the member's assessed needs and may choose to employ providers of services and supports. The services, supports, and items that are purchased with an individual budget must be directly related to a member's assessed need or goal established in the member's service plan. Components of this service are set forth below.

a. *Agreement.* As a condition of participating in the consumer choices option, a member shall sign Form 470-4289, HCBS Consumer Choices Informed Consent and Risk Agreement, to document that the member has been informed of the responsibilities and risks of electing the consumer choices option.

b. *Individual budget amount.* A monthly individual budget amount shall be established for each member based on the assessed needs of the member and on the services and supports authorized in the member's service plan. The member shall be informed of the individual budget amount during the development of the service plan.

(1) Services that may be included in determining the individual budget amount for a member in the HCBS physical disability waiver are:

1. Consumer-directed attendant care (unskilled).
2. Home and vehicle modification.
3. Specialized medical equipment.
4. Transportation.

(2) The department shall determine an average unit cost for each service listed in subparagraph 78.46(6) "b"(1) based on actual unit costs from the previous fiscal year plus a cost-of-living adjustment.

(3) In aggregate, costs for individual budget services shall not exceed the current costs of waiver program services. In order to maintain cost neutrality, the department shall apply a utilization adjustment factor to the amount of service authorized in the member's service plan before calculating the value of that service to be included in the individual budget amount.

(4) The department shall compute the utilization adjustment factor for each service by dividing the net costs of all claims paid for the service by the total of the authorized costs for that service, using at least 12 consecutive months of aggregate service data. The utilization adjustment factor shall be no lower than 60 percent. The department shall analyze and adjust the utilization adjustment factor at least annually in order to maintain cost neutrality.

(5) Individual budgets for respite services shall be computed based on the average cost for services identified in subparagraph 78.46(6)“b”(2). Respite services are not subject to the utilization adjustment factor in subparagraph 78.46(6)“b”(3).

(6) Anticipated costs for home and vehicle modification and specialized medical equipment are not subject to the average cost in subparagraph 78.46(6)“b”(2) or the utilization adjustment factor in subparagraph 78.46(6)“b”(3). Anticipated costs for home and vehicle modification and specialized medical equipment shall not include the costs of the financial management services or the independent support broker. Before becoming part of the individual budget, all home and vehicle modifications and specialized medical equipment shall be identified in the member’s service plan and approved by the case manager or service worker. Costs for home and vehicle modification and specialized medical equipment may be paid to the financial management services provider in a one-time payment.

(7) The individual budget amount may be changed only at the first of the month and shall remain fixed for the entire month.

*c. Required service components.* To participate in the consumer choices option, a member must hire an independent support broker and must work with a financial management service that is enrolled as a Medicaid provider. Before hiring the independent support broker, the member shall receive the results of the background check conducted pursuant to 441—Chapter 119.

*d. Optional service components.* A member who elects the consumer choices option may purchase the following goods, services and supports, which shall be provided in the member’s home or at an integrated community setting:

(1) Self-directed personal care services. Self-directed personal care services are services or goods that provide a range of assistance in activities of daily living and incidental activities of daily living that help the member remain in the home and community. These services must be identified in the member’s service plan developed by the member’s case manager or service worker.

(2) Self-directed community supports and employment. Self-directed community supports and employment are services that support the member in developing and maintaining independence and community integration. These services must be identified in the member’s service plan developed by the member’s case manager or service worker.

(3) Individual-directed goods and services. Individual-directed goods and services are services, equipment, or supplies not otherwise provided through the Medicaid program that address an assessed need or goal identified in the member’s service plan. The item or service shall meet the following requirements:

1. Promote opportunities for community living and inclusion.
2. Increase independence or substitute for human assistance, to the extent the expenditures would otherwise be made for that human assistance.
3. Be accommodated within the member’s budget without compromising the member’s health and safety.
4. Be provided to the member or directed exclusively toward the benefit of the member.
5. Be the least costly to meet the member’s needs.
6. Not be available through another source.

*e. Development of the individual budget.* The independent support broker shall assist the member in developing and implementing the member’s individual budget. The individual budget shall include:

- (1) The costs of the financial management service.
- (2) The costs of the independent support broker. The independent support broker may be compensated for up to 6 hours of service for assisting with the implementation of the initial individual budget. The independent support broker shall not be paid for more than 30 hours of service for an individual member during a 12-month period without prior approval by the department.

(3) The costs of any optional service component chosen by the member as described in paragraph 78.46(6) “d.” Costs of the following items and services shall not be covered by the individual budget:

1. Child care services.
2. Clothing not related to an assessed medical need.
3. Conference, meeting or similar venue expenses other than the costs of approved services the member needs while attending the conference, meeting or similar venue.
4. Costs associated with shipping items to the member.
5. Experimental and non-FDA-approved medications, therapies, or treatments.
6. Goods or services covered by other Medicaid programs.
7. Home furnishings.
8. Home repairs or home maintenance.
9. Homeopathic treatments.
10. Insurance premiums or copayments.
11. Items purchased on installment payments.
12. Motorized vehicles.
13. Nutritional supplements.
14. Personal entertainment items.
15. Repairs and maintenance of motor vehicles.
16. Room and board, including rent or mortgage payments.
17. School tuition.
18. Service animals.
19. Services covered by third parties or services that are the responsibility of a non-Medicaid program.
20. Sheltered workshop services.
21. Social or recreational purchases not related to an assessed need or goal identified in the member’s service plan.
22. Vacation expenses, other than the costs of approved services the member needs while on vacation.

(4) The costs of any approved home or vehicle modification or specialized medical equipment. When authorized, the budget may include an amount allocated for a home or vehicle modification or specialized medical equipment. Before becoming part of the individual budget, all home and vehicle modifications and specialized medical equipment shall be identified in the member’s service plan and approved by the case manager or service worker. The authorized amount shall not be used for anything other than the specific modification or equipment.

(5) Any amount set aside in a savings plan to reserve funds for the future purchase of self-directed personal care, individual-directed goods and services, or self-directed community supports and services as defined in paragraph 78.46(6) “d.” The savings plan shall meet the requirements in paragraph 78.46(6) “f.”

*f. Savings plan.* A member savings plan must be in writing and be approved by the department before the start of the savings plan. Amounts allocated to the savings plan must result from efficiencies in meeting identified needs of the member.

- (1) The savings plan shall identify:
  1. The specific goods, services, supports or supplies to be purchased through the savings plan.
  2. The amount of the individual budget allocated each month to the savings plan.
  3. The amount of the individual budget allocated each month to meet the member’s identified service needs.
  4. How the member’s assessed needs will continue to be met through the individual budget when funds are placed in savings.

(2) With the exception of funds allocated for respite care, the savings plan shall not include funds budgeted for direct services that were not received. The budgeted amount associated with unused direct services other than respite care shall revert to the Medicaid program at the end of each month. Funds

from unused respite services may be allocated to the savings plan but shall not be used for anything other than future respite care.

(3) Funds accumulated under a savings plan shall be used only to purchase items that increase independence or substitute for human assistance to the extent that expenditures would otherwise be made for human assistance, including additional goods, supports, services or supplies. The self-directed personal care, individual-directed goods and services, or self-directed community supports and services purchased with funds from a savings plan must:

1. Be used to meet a member's identified need,
2. Be medically necessary, and
3. Be approved by the member's case manager or service worker.

(4) All funds allocated to a savings plan that are not expended by December 31 of each year shall revert to the Medicaid program.

(5) The annual reassessment of a member's needs must take into account the purchases of goods and services that substitute for human assistance. Adjustments shall be made to the services used to determine the individual budget based on the reassessment.

*g. Budget authority.* The member shall have authority over the individual budget authorized by the department to perform the following tasks:

(1) Contract with entities to provide services and supports as described in this subrule.

(2) Determine the amount to be paid for services. Reimbursement rates shall be consistent with rates paid by others in the community for the same or substantially similar services. Reimbursement rates for the independent support broker and the financial management service are subject to the limits in 441—subrule 79.1(2).

(3) Schedule the provision of services.

(4) Authorize payment for waiver goods and services optional service components identified in the individual budget.

(5) Reallocate funds among services included in the budget. Every purchase of a good or service must be identified and approved in the individual budget before the purchase is made.

*h. Delegation of budget authority.* The member may delegate responsibility for the individual budget to a representative in addition to the independent support broker.

(1) The representative must be at least 18 years old.

(2) The representative shall not be a current provider of service to the member.

(3) The member shall sign a consent form that designates who the member has chosen as a representative and what responsibilities the representative shall have.

(4) The representative shall not be paid for this service.

*i. Employer authority.* The member shall have the authority to be the common-law employer of employees providing services and support under the consumer choices option. A common-law employer has the right to direct and control the performance of the services. The member may perform the following functions:

(1) Recruit employees.

(2) Select employees from a worker registry.

(3) Verify employee qualifications.

(4) Specify additional employee qualifications.

(5) Determine employee duties.

(6) Determine employee wages and benefits.

(7) Schedule employees.

(8) Train and supervise employees.

*j. Employment agreement.* Any person employed by the member to provide services under the consumer choices option shall sign an employment agreement with the member that outlines the employee's and member's responsibilities.

*k. Responsibilities of the independent support broker.* The independent support broker shall perform the following services as directed by the member or the member's representative:

- (1) Assist the member with developing the member's initial and subsequent individual budgets and with making any changes to the individual budget.
- (2) Have monthly contact with the member for the first four months of implementation of the initial individual budget and have quarterly contact thereafter.
- (3) Complete the required employment packet with the financial management service.
- (4) Assist with interviewing potential employees and entities providing services and supports if requested by the member.
- (5) Assist the member with determining whether a potential employee meets the qualifications necessary to perform the job.
- (6) Assist the member with obtaining a signed consent from a potential employee to conduct background checks if requested by the member.
- (7) Assist the member with negotiating with entities providing services and supports if requested by the member.
- (8) Assist the member with contracts and payment methods for services and supports if requested by the member.
- (9) Assist the member with developing an emergency backup plan. The emergency backup plan shall address any health and safety concerns.
- (10) Review expenditure reports from the financial management service to ensure that services and supports in the individual budget are being provided.
- (11) Document in writing on the independent support broker timecard every contact the broker has with the member. Contact documentation shall include information on the extent to which the member's individual budget has addressed the member's needs and the satisfaction of the member.
  1. *Responsibilities of the financial management service.* The financial management service shall perform all of the following services:
    - (1) Receive Medicaid funds in an electronic transfer.
    - (2) Process and pay invoices for approved goods and services included in the individual budget.
    - (3) Enter the individual budget into the Web-based tracking system chosen by the department and enter expenditures as they are paid.
    - (4) Provide real-time individual budget account balances for the member, the independent support broker, and the department, available at a minimum during normal business hours (9 a.m. to 5 p.m., Monday through Friday).
    - (5) Conduct criminal background checks on potential employees pursuant to 441—Chapter 119.
    - (6) Verify for the member an employee's citizenship or alien status.
    - (7) Assist the member with fiscal and payroll-related responsibilities including, but not limited to:
      1. Verifying that hourly wages comply with federal and state labor rules.
      2. Collecting and processing timecards.
      3. Withholding, filing, and paying federal, state and local income taxes, Medicare and Social Security (FICA) taxes, and federal (FUTA) and state (SUTA) unemployment and disability insurance taxes, as applicable.
      4. Computing and processing other withholdings, as applicable.
      5. Processing all judgments, garnishments, tax levies, or other withholding on an employee's pay as may be required by federal, state, or local laws.
      6. Preparing and issuing employee payroll checks.
      7. Preparing and disbursing IRS Forms W-2 and W-3 annually.
      8. Processing federal advance earned income tax credit for eligible employees.
      9. Refunding over-collected FICA, when appropriate.
      10. Refunding over-collected FUTA, when appropriate.
    - (8) Assist the member in completing required federal, state, and local tax and insurance forms.
    - (9) Establish and manage documents and files for the member and the member's employees.
    - (10) Monitor timecards, receipts, and invoices to ensure that they are consistent with the individual budget. Keep records of all timecards and invoices for each member for a total of five years.

(11) Provide to the department, the independent support broker, and the member monthly and quarterly status reports that include a summary of expenditures paid and amount of budget unused.

(12) Establish an accessible customer service system and a method of communication for the member and the independent support broker that includes alternative communication formats.

(13) Establish a customer services complaint reporting system.

(14) Develop a policy and procedures manual that is current with state and federal regulations and update as necessary.

(15) Develop a business continuity plan in the case of emergencies and natural disasters.

(16) Provide to the department an annual independent audit of the financial management service.

(17) Assist in implementing the state's quality management strategy related to the financial management service.

This rule is intended to implement Iowa Code section 249A.4.

[ARC 9045B, IAB 9/8/10, effective 11/1/10]

**441—78.47(249A) Pharmaceutical case management services.** Payment will be approved for pharmaceutical case management services provided by an eligible physician and pharmacist for Medicaid recipients determined to be at high risk for medication-related problems. These services are designed to identify, prevent, and resolve medication-related problems and improve drug therapy outcomes.

**78.47(1) Medicaid recipient eligibility.** Patients are eligible for pharmaceutical case management services if they have active prescriptions for four or more regularly scheduled nontopical medications, are ambulatory, do not reside in a nursing facility, and have at least one of the eligible disease states of congestive heart disease, ischemic heart disease, diabetes mellitus, hypertension, hyperlipidemia, asthma, depression, atrial fibrillation, osteoarthritis, gastroesophageal reflux, or chronic obstructive pulmonary disease.

**78.47(2) Provider eligibility.** Physicians and pharmacists shall meet the following criteria to provide pharmaceutical case management services.

*a.* Physicians and pharmacists must be enrolled in the Iowa Medicaid program, have an Iowa Medicaid provider number, and receive training under the direction of the department regarding the provision of pharmaceutical case management services under the Iowa Medicaid program.

A copy of pharmaceutical case management records, including documentation of services provided, shall be maintained on file in each provider's facility and be made available for audit by the department on request.

*b.* Physicians shall be licensed to practice medicine.

*c.* Pharmacists shall present to the department evidence of competency including state licensure, submit five acceptable patient care plans, and have successfully completed professional training on patient-oriented, medication-related problem prevention and resolution. Pharmacists shall also maintain problem-oriented patient records, provide a private patient consultation area, and submit a statement indicating that the submitted patient care plans are representative of the pharmacists' usual patient care plans.

Acceptable professional training programs are:

(1) A doctor of pharmacy degree program.

(2) The Iowa Center for Pharmaceutical Care (ICPC) training program, which is a cooperative training initiative of the University of Iowa College of Pharmacy, Drake University College of Pharmacy and Health Sciences, and the Iowa Pharmacy Foundation.

(3) Other programs containing similar coursework and supplemental practice site evaluation and reengineering, approved by the department with input from a peer review advisory committee.

**78.47(3) Services.** Eligible patients may choose whether to receive the services. If patients elect to receive the services, they must receive the services from any eligible physician and pharmacist acting as a pharmaceutical case management (PCM) team. Usually the eligible physician and pharmacist will be the patient's primary physician and pharmacist. Pharmaceutical case management services are to be

value-added services complementary to the basic medical services provided by the primary physician and pharmacist.

The PCM team shall provide the following services:

*a. Initial assessment.* The initial assessment shall consist of:

(1) A patient evaluation by the pharmacist, including:

1. Medication history;
2. Assessment of indications, effectiveness, safety, and compliance of medication therapy;
3. Assessment for the presence of untreated illness; and
4. Identification of medication-related problems such as unnecessary medication therapy, suboptimal medication selection, inappropriate compliance, adverse drug reactions, and need for additional medication therapy.

(2) A written report and recommendation from the pharmacist to the physician.

(3) A patient care action plan developed by the PCM team with the patient's agreement and implemented by the PCM team. Specific components of the action plan will vary based on patient needs and conditions but may include changes in medication regimen, focused patient or caregiver education, periodic assessment for changes in the patient's condition, periodic monitoring of the effectiveness of medication therapy, self-management training, provision of patient-specific educational and informational materials, compliance enhancement, and reinforcement of healthy lifestyles. An action plan must be completed for each initial assessment.

*b. New problem assessments.* These assessments are initiated when a new medication-related problem is identified. The action plan is modified and new components are implemented to address the new problem. This assessment may occur in the interim between scheduled follow-up assessments.

*c. Problem follow-up assessments.* These assessments are based on patient need and a problem identified by a prior assessment. The patient's status is evaluated at an appropriate interval. The effectiveness of the implemented action plan is determined and modifications are made as needed.

*d. Preventive follow-up assessments.* These assessments occur approximately every six months when no current medication-related problems have been identified in prior assessments. The patient is reassessed for newly developed medication-related problems and the action plan is reviewed.

This rule is intended to implement Iowa Code section 249A.4 and 2000 Iowa Acts, chapter 1228, section 9.

**441—78.48(249A) Rehabilitation services for adults with chronic mental illness.** Rescinded IAB 8/1/07, effective 9/5/07.

**441—78.49(249A) Infant and toddler program services.** Subject to the following subrules, payment shall be made for medical services provided to Medicaid eligible children by infant and toddler program providers under the infants and toddlers with disabilities program administered by the Iowa Child Health Specialty Clinics and the departments of education, public health, and human services.

**78.49(1) Covered services.** Covered services include, but are not limited to, audiology, psychological evaluation and counseling, health and nursing services, nutrition services, occupational therapy services, physical therapy services, developmental services, speech-language services, vision services, case management, and medical transportation.

**78.49(2) Case management services.** Payment shall also be approved for infant and toddler case management services subject to the following requirements:

*a. Definition.* "Case management" means services that will assist eligible children in gaining access to needed medical, social, educational, and other services. Case management is intended to address the complexities of coordinated service delivery for children with medical needs. The case manager should be the focus for coordinating and overseeing the effectiveness of all providers and programs in responding to the assessed need. Case management does not include the direct delivery of an underlying medical, educational, social, or other service to which an eligible child has been referred or any activities that are an integral part or an extension of the direct services.

*b. Choice of provider.* Children who also are eligible to receive targeted case management services under 441—Chapter 90 must choose whether to receive case management through the infant and toddler program or through 441—Chapter 90. The chosen provider must meet the requirements of this subrule.

(1) When a child resides in a medical institution, the institution is responsible for case management. The child is not eligible for any other case management services. However, noninstitutional case management services may be provided during the last 14 days before the child's planned discharge if the child's stay in the institution has been less than 180 consecutive days. If the child has been in the institution 180 consecutive days or longer, the child may receive noninstitutional case management services during the last 60 days before the child's planned discharge.

(2) If the case management agency also provides direct services, the case management unit must be designed so that conflict of interest is addressed and does not result in self-referrals.

(3) If the costs of any part of case management services are reimbursable under another program, the costs must be allocated between those programs and Medicaid in accordance with OMB Circular No. A-87 or any related or successor guidance or regulations regarding allocation of costs.

(4) The case manager must complete a competency-based training program with content related to knowledge and understanding of eligible children, Early ACCESS rules, the nature and scope of services in Early ACCESS, and the system of payments for services, as well as case management responsibilities and strategies. The department of education or its designee shall determine whether a person has successfully completed the training.

*c. Assessment.* The case manager shall conduct a comprehensive assessment and periodic reassessment of an eligible child to identify all of the child's service needs, including the need for any medical, educational, social, or other services. Assessment activities are defined to include the following:

- (1) Taking the child's history;
- (2) Identifying the needs of the child;
- (3) Gathering information from other sources, such as family members, medical providers, social workers, and educators, if necessary, to form a complete assessment of the child;
- (4) Completing documentation of the information gathered and the assessment results; and
- (5) Repeating the assessment every six months to determine whether the child's needs or preferences have changed.

*d. Plan of care.* The case manager shall develop a plan of care based on the information collected through the assessment or reassessment. The plan of care shall:

- (1) Include the child's strengths and preferences;
- (2) Consider the child's physical and social environment;
- (3) Specify goals of providing services to the child; and
- (4) Specify actions to address the child's medical, social, educational, and other service needs. These actions may include activities such as ensuring the active participation of the child and working with the child or the child's authorized health care decision maker and others to develop goals and identify a course of action to respond to the assessed needs of the child.

*e. Other service components.* Case management must include the following components:

(1) Contacts with the child and family. The case manager shall have face-to-face contact with the child and family within the first 30 days of service and every three months thereafter. In months in which there is no face-to-face contact, a telephone contact between the service coordinator and the family is required.

(2) Referral and related activities to help a child obtain needed services. The case manager shall help to link the child with medical, social, or educational providers or other programs and services that are capable of providing needed services. Referral activities do not include provision of the direct services, program, or activity to which the child has been linked. Referral activities include:

1. Assisting the family in gaining access to the infant and toddler program services and other services identified in the child's plan of care.
2. Assisting the family in identifying available service providers and funding resources and documenting unmet needs and gaps in services.

3. Making referrals to providers for needed services.
4. Scheduling appointments for the child.
5. Facilitating the timely delivery of services.
6. Arranging payment for medical transportation.

(3) Monitoring and follow-up activities. Monitoring activities shall take place at least once annually for the duration of the child's eligibility, but may be conducted as frequently as necessary to ensure that the plan of care is effectively implemented and adequately addresses the needs of the child. Monitoring and follow-up activities may be with the child, family members, providers, or other entities. The purpose of these activities is to help determine:

1. Whether services are being furnished in accordance with the child's plan of care.
2. Whether the services in the plan of care are adequate to meet the needs of the child.
3. Whether there are changes in the needs or status of the child. If there are changes in the child's needs or status, follow-up activities shall include making necessary adjustments to the plan of care and to service arrangements with providers.

(4) Keeping records, including preparing reports, updating the plan of care, making notes about plan activities in the child's record, and preparing and responding to correspondence with the family and others.

*f. Documentation of case management.* For each child receiving case management, case records must document:

- (1) The name of the child;
- (2) The dates of case management services;
- (3) The agency chosen by the family to provide the case management services;
- (4) The nature, content, and units of case management services received;
- (5) Whether the goals specified in the care plan have been achieved;
- (6) Whether the family has declined services in the care plan;
- (7) Time lines for providing services and reassessment; and
- (8) The need for and occurrences of coordination with case managers of other programs.

**78.49(3) *Child's eligibility.*** Payable services must be provided to a child under the age of 36 months who is experiencing developmental delay or who has a condition that is known to have a high probability of resulting in developmental delay at a later date.

**78.49(4) *Delivery of services.*** Services must be delivered directly by the infant and toddler program provider or by a practitioner under contract with the infant and toddler program provider.

**78.49(5) *Remission of nonfederal share of costs.*** Payment for services shall be made only when the following conditions are met:

- a.* Rescinded IAB 5/10/06, effective 7/1/06.
- b.* The infant and toddler program provider has executed an agreement to remit the nonfederal share of the cost to the department.
- c.* The infant and toddler program provider shall sign and return Form 470-3816, Medicaid Billing Remittance, along with the funds remitted for the nonfederal share of the costs of the services specified on the form.

This rule is intended to implement Iowa Code section 249A.4.

**441—78.50(249A) Local education agency services.** Subject to the following subrules, payment shall be made for medical services provided by local education agency services providers to Medicaid members under the age of 21.

**78.50(1) *Covered services.*** Covered services include, but are not limited to, audiology services, behavior services, consultation services, medical transportation, nursing services, nutrition services, occupational therapy services, personal assistance, physical therapy services, psychologist services, speech-language services, social work services, vision services, and school-based clinic visit services.

*a.* Vaccines available through the Vaccines for Children program under Section 1928 of the Social Security Act are not covered as local education agency services. Agencies that wish to administer those

vaccines to Medicaid members shall enroll in the Vaccines for Children program and obtain the vaccines from the department of public health. However, the administration of vaccines is a covered service.

*b.* Payment for supplies shall be approved when the supplies are incidental to the patient's care, e.g., syringes for injections, and do not exceed \$25 per month. Durable medical equipment and other supplies are not covered as local education agency services.

*c.* To the extent that federal funding is not available under Title XIX of the Social Security Act, payment for transportation between home and school is not a covered service.

**78.50(2)** *Coordination services.* Rescinded IAB 12/3/08, effective 2/1/09.

**78.50(3)** *Delivery of services.* Services must be delivered directly by the local education agency services providers or by a practitioner under contract with the local education agency services provider.

**78.50(4)** *Remission of nonfederal share of costs.* Payment for services shall be made only when the following conditions are met:

*a.* Rescinded IAB 5/10/06, effective 7/1/06.

*b.* The local education agency services provider has executed an agreement to remit the nonfederal share of the cost to the department.

*c.* The local education agency provider shall sign and return Form 470-3816, Medicaid Billing Remittance, along with the funds remitted for the nonfederal share of the costs of the services as specified on the form.

This rule is intended to implement Iowa Code section 249A.4.

**441—78.51(249A) Indian health service 638 facility services.** Payment shall be made for all medically necessary services and supplies provided by a licensed practitioner at an Indian health service 638 facility, as defined at rule 441—77.45(249A), within the practitioner's scope of practice and subject to the limitations and exclusions set forth in subrule 78.1(1).

This rule is intended to implement Iowa Code section 249A.4.

**441—78.52(249A) HCBS children's mental health waiver services.** Payment will be approved for the following services to consumers eligible for the HCBS children's mental health waiver as established in 441—Chapter 83. All services shall be provided in accordance with the general standards in subrule 78.52(1), as well as standards provided specific to each waiver service in subrules 78.52(2) through 78.52(5).

**78.52(1)** *General service standards.* All children's mental health waiver services shall be provided in accordance with the following standards:

*a.* Services must be based on the consumer's needs as identified in the consumer's service plan developed pursuant to 441—83.127(249A).

(1) Services must be delivered in the least restrictive environment consistent with the consumer's needs.

(2) Services must include the applicable and necessary instruction, supervision, assistance and support as required by the consumer to achieve the consumer's goals.

*b.* Payment for services shall be made only upon departmental approval of the services. Waiver services provided before approval of the consumer's eligibility for the waiver shall not be paid.

*c.* Services or service components must not be duplicative.

(1) Reimbursement shall not be available under the waiver for any services that the consumer may obtain through the Iowa Medicaid program outside of the waiver.

(2) Reimbursement shall not be available under the waiver for any services that the consumer may obtain through natural supports or community resources.

(3) Services may not be simultaneously reimbursed for the same period as nonwaiver Medicaid services or other Medicaid waiver services.

(4) Costs for waiver services are not reimbursable while the consumer is in a medical institution.

**78.52(2)** *Environmental modifications and adaptive devices.*

*a.* Environmental modifications and adaptive devices include items installed or used within the consumer's home that address specific, documented health, mental health, or safety concerns.

b. A unit of service is one modification or device.

c. For each unit of service provided, the case manager shall maintain in the consumer's case file a signed statement from a mental health professional on the consumer's interdisciplinary team that the service has a direct relationship to the consumer's diagnosis of serious emotional disturbance.

**78.52(3) Family and community support services.** Family and community support services shall support the consumer and the consumer's family by the development and implementation of strategies and interventions that will result in the reduction of stress and depression and will increase the consumer's and the family's social and emotional strength.

a. Dependent on the needs of the consumer and the consumer's family members individually or collectively, family and community support services may be provided to the consumer, to the consumer's family members, or to the consumer and the family members as a family unit.

b. Family and community support services shall be provided under the recommendation and direction of a mental health professional who is a member of the consumer's interdisciplinary team pursuant to 441—83.127(249A).

c. Family and community support services shall incorporate recommended support interventions and activities, which may include the following:

(1) Developing and maintaining a crisis support network for the consumer and for the consumer's family.

(2) Modeling and coaching effective coping strategies for the consumer's family members.

(3) Building resilience to the stigma of serious emotional disturbance for the consumer and the family.

(4) Reducing the stigma of serious emotional disturbance by the development of relationships with peers and community members.

(5) Modeling and coaching the strategies and interventions identified in the consumer's crisis intervention plan as defined in 441—24.1(225C) for life situations with the consumer's family and in the community.

(6) Developing medication management skills.

(7) Developing personal hygiene and grooming skills that contribute to the consumer's positive self-image.

(8) Developing positive socialization and citizenship skills.

d. Family and community support services may include an amount not to exceed \$1500 per consumer per year for transportation within the community and purchase of therapeutic resources. Therapeutic resources may include books, training materials, and visual or audio media.

(1) The interdisciplinary team must identify the transportation or therapeutic resource as a support need.

(2) The annual amount available for transportation and therapeutic resources must be listed in the consumer's service plan.

(3) The consumer's parent or legal guardian shall submit a signed statement that the transportation or therapeutic resource cannot be provided by the consumer or the consumer's family or legal guardian.

(4) The consumer's Medicaid targeted case manager shall maintain a signed statement that potential community resources are unavailable and shall list the community resources contacted to fund the transportation or therapeutic resource.

(5) The transportation or therapeutic resource must not be otherwise eligible for Medicaid reimbursement.

(6) Family and community support services providers shall maintain records to:

1. Ensure that the transportation and therapeutic resources provided do not exceed the maximum amount authorized; and

2. Support the annual reporting requirements in 441—subparagraph 79.1(15)“a”(1).

e. The following components are specifically excluded from family and community support services:

(1) Vocational services.

(2) Prevocational services.

- (3) Supported employment services.
- (4) Room and board.
- (5) Academic services.
- (6) General supervision and consumer care.
- f.* A unit of family and community support services is one hour.

**78.52(4) *In-home family therapy.*** In-home family therapy provides skilled therapeutic services to the consumer and family that will increase their ability to cope with the effects of serious emotional disturbance on the family unit and the familial relationships. The service must support the family by the development of coping strategies that will enable the consumer to continue living within the family environment.

- a.* The goal of in-home family therapy is to maintain a cohesive family unit.
- b.* In-home family therapy is exclusive of and cannot serve as a substitute for individual therapy, family therapy, or other mental health therapy that may be obtained through the Iowa Plan or other funding sources.
- c.* A unit of in-home family therapy service is one hour. Any period less than one hour shall be prorated.

**78.52(5) *Respite care services.*** Respite care services are services provided to the consumer that give temporary relief to the usual caregiver and provide all the necessary care that the usual caregiver would provide during that period. The “usual caregiver” means a person or persons who reside with the consumer and are available on a 24-hour-per-day basis to assume responsibility for the care of the consumer.

- a.* Respite care shall not be provided to consumers during the hours in which the usual caregiver is employed, except when the consumer is attending a camp.
- b.* The usual caregiver cannot be absent from the home for more than 14 consecutive days during respite provision.
- c.* Staff-to-consumer ratios shall be appropriate to the individual needs of the consumer as determined by the consumer’s interdisciplinary team. The team shall determine the type of respite care to be provided according to these definitions:
  - (1) Basic individual respite is provided on a ratio of one staff to one consumer. The consumer does not have specialized medical needs that require the direct services of a registered nurse or licensed practical nurse.
  - (2) Specialized respite is provided on a ratio of one or more nursing staff to one consumer. The consumer has specialized medical needs that require the direct services of a registered nurse or licensed practical nurse.
  - (3) Group respite is provided on a ratio of one staff to two or more consumers receiving respite. These consumers do not have specialized medical needs that require the direct services of a registered nurse or licensed practical nurse.
- d.* Respite services provided for a period exceeding 24 consecutive hours to three or more consumers who require nursing care because of a mental or physical condition must be provided by a health care facility licensed under Iowa Code chapter 135C.
- e.* Respite services provided outside the consumer’s home shall not be reimbursable if the living unit where respite care is provided is reserved for another person on a temporary leave of absence.
- f.* A unit of service is one hour.

This rule is intended to implement Iowa Code section 249A.4 and 2005 Iowa Acts, chapter 167, section 13, and chapter 117, section 3.

◊ Two or more ARCs

- <sup>1</sup> Effective date of 78.3 and 78.31 delayed 70 days by the Administrative Rules Review Committee at its January 1, 1988 meeting.
- <sup>2</sup> Effective date of 4/1/90 delayed 70 days by the Administrative Rules Review Committee at its March 12, 1990, meeting.
- <sup>3</sup> Effective date of 4/1/91 delayed until adjournment of the 1991 session of the General Assembly by the Administrative Rules Review Committee at its meeting held February 12, 1991.
- <sup>4</sup> Effective date of 3/1/92 delayed until adjournment of the 1992 General Assembly by the Administrative Rules Review Committee at its meeting held February 3, 1992.
- <sup>5</sup> At a special meeting held January 24, 2002, the Administrative Rules Review Committee voted to delay until adjournment of the 2002 Session of the General Assembly the effective date of amendments published in the February 6, 2002, Iowa Administrative Bulletin as **ARC 1365B**.
- <sup>6</sup> Effective date of 12/15/02 delayed 70 days by the Administrative Rules Review Committee at its December 10, 2002, meeting.
- <sup>7</sup> July 1, 2009, effective date of amendments to 78.27(2)“d” delayed 70 days by the Administrative Rules Review Committee at a special meeting held June 25, 2009.

CHAPTER 79  
OTHER POLICIES RELATING TO PROVIDERS OF  
MEDICAL AND REMEDIAL CARE  
[Prior to 7/1/83, Social Services[770] Ch 79]

**441—79.1(249A) Principles governing reimbursement of providers of medical and health services.** The basis of payment for services rendered by providers of services participating in the medical assistance program is either a system based on the provider's allowable costs of operation or a fee schedule. Generally, institutional types of providers such as hospitals and nursing facilities are reimbursed on a cost-related basis, and practitioners such as physicians, dentists, optometrists, and similar providers are reimbursed on the basis of a fee schedule. Providers of service must accept reimbursement based upon the department's methodology without making any additional charge to the member.

**79.1(1) Types of reimbursement.**

*a. Prospective cost-related.* Providers are reimbursed on the basis of a per diem rate calculated prospectively for each participating provider based on reasonable and proper costs of operation. The rate is determined by establishing a base year per diem rate to which an annual index is applied.

*b. Retrospective cost-related.* Providers are reimbursed on the basis of a per diem rate calculated retrospectively for each participating provider based on reasonable and proper costs of operation with suitable retroactive adjustments based on submission of financial and statistical reports by the provider. The retroactive adjustment represents the difference between the amount received by the provider during the year for covered services and the amount determined in accordance with an accepted method of cost apportionment (generally the Medicare principles of apportionment) to be the actual cost of service rendered medical assistance recipients.

*c. Fee schedules.* Fees for the various procedures involved are determined by the department with advice and consultation from the appropriate professional group. The fees are intended to reflect the amount of resources (time, training, experience) involved in each procedure. Individual adjustments will be made periodically to correct any inequity or to add new procedures or eliminate or modify others. If product cost is involved in addition to service, reimbursement is based either on a fixed fee, wholesale cost, or on actual acquisition cost of the product to the provider, or product cost is included as part of the fee schedule. Providers on fee schedules are reimbursed the lower of:

- (1) The actual charge made by the provider of service.
- (2) The maximum allowance under the fee schedule for the item of service in question.

Payment levels for fee schedule providers of service will be increased on an annual basis by an economic index reflecting overall inflation as well as inflation in office practice expenses of the particular provider category involved to the extent data is available. Annual increases will be made beginning July 1, 1988.

There are some variations in this methodology which are applicable to certain providers. These are set forth below in subrules 79.1(3) to 79.1(9) and 79.1(15).

Fee schedules in effect for the providers covered by fee schedules can be obtained from the department's Web site at: [http://www.ime.state.ia.us/Reports\\_Publications/FeeSchedules.html](http://www.ime.state.ia.us/Reports_Publications/FeeSchedules.html).

*d. Fee for service with cost settlement.* Effective July 1, 2009, providers of case management services shall be reimbursed on the basis of a payment rate for a 15-minute unit of service based on reasonable and proper costs for service provision. The fee will be determined by the department with advice and consultation from the appropriate professional group and will reflect the amount of resources involved in service provision.

(1) Providers are reimbursed throughout each fiscal year on the basis of a projected unit rate for each participating provider. The projected rate is based on reasonable and proper costs of operation, pursuant to federally accepted reimbursement principles (generally Medicare or OMB A-87 principles).

(2) Payments are subject to annual retrospective cost settlement based on submission of actual costs of operation and service utilization data by the provider on Form 470-0664, Financial and Statistical Report. The cost settlement represents the difference between the amount received by the provider

during the year for covered services and the amount supported by the actual costs of doing business, determined in accordance with an accepted method of cost appointment.

(3) The methodology for determining the reasonable and proper cost for service provision assumes the following:

1. The indirect administrative costs shall be limited to 20 percent of other costs.
2. Mileage shall be reimbursed at a rate no greater than the state employee rate.
3. The rates a provider may charge are subject to limits established at 79.1(2).
4. Costs of operation shall include only those costs that pertain to the provision of services which are authorized under rule 441—90.3(249A).

*e. Retrospectively limited prospective rates.* Providers are reimbursed on the basis of a rate for a unit of service calculated prospectively for each participating provider (and, for supported community living daily rates, for each consumer or site) based on projected or historical costs of operation subject to the maximums listed in subrule 79.1(2) and to retrospective adjustment pursuant to subparagraph 79.1(1) “e”(3).

(1) The prospective rates for new providers who have not submitted six months of cost reports will be based on a projection of the provider’s reasonable and proper costs of operation until the provider has submitted an annual cost report that includes a minimum of six months of actual costs.

(2) The prospective rates paid established providers who have submitted an annual report with a minimum of a six-month history are based on reasonable and proper costs in a base period and are adjusted annually for inflation.

(3) The prospective rates paid to both new and established providers are subject to retrospective adjustment based on the provider’s actual, current costs of operation as shown by financial and statistical reports submitted by the provider, so as not to exceed reasonable and proper costs actually incurred.

*f. Contractual rate.* Providers are reimbursed on a basis of costs incurred pursuant to a contract between the provider and subcontractor.

*g. Retrospectively adjusted prospective rates.* Critical access hospitals are reimbursed prospectively, with retrospective adjustments based on annual cost reports submitted by the hospital at the end of the hospital’s fiscal year. The retroactive adjustment equals the difference between the reasonable costs of providing covered services to eligible fee-for-service Medicaid members (excluding members in managed care), determined in accordance with Medicare cost principles, and the Medicaid reimbursement received. Amounts paid that exceed reasonable costs shall be recovered by the department. See paragraphs 79.1(5) “aa” and 79.1(16) “h.”

*h. Indian health service 638 facilities.* Indian health service 638 facilities as defined at rule 441—77.45(249A) are paid a special daily base encounter rate for all Medicaid-covered services rendered to American Indian or Alaskan native persons who are Medicaid-eligible. This rate is updated periodically and published in the Federal Register after being approved by the Office of Management and Budget. Indian health service 638 facilities may bill only one charge per patient per day for services provided to American Indians or Alaskan natives, which shall include all services provided on that day.

Services provided to Medicaid recipients who are not American Indians or Alaskan natives will be paid at the fee schedule allowed by Iowa Medicaid for the services provided and will be billed separately by CPT code on the CMS-1500 Health Insurance Claim Form. Claims for services provided to Medicaid recipients who are not American Indians or Alaskan natives must be submitted by the individual practitioner enrolled in the Iowa Medicaid program, but may be paid to the facility if the provider agreement so stipulates.

**79.1(2) Basis of reimbursement of specific provider categories.**

<u>Provider category</u>	<u>Basis of reimbursement</u>	<u>Upper limit</u>
Advanced registered nurse practitioners	Fee schedule	Fee schedule in effect 11/30/09 less 5%.
Ambulance	Fee schedule	Ground ambulance: Fee schedule in effect 11/30/09 less 5%. Air ambulance: Fee schedule in effect 11/30/09 less 5%.
Ambulatory surgical centers	Base rate fee schedule as determined by Medicare. See 79.1(3)	Fee schedule in effect 11/30/09 less 5%.
Area education agencies	Fee schedule	Fee schedule in effect 6/30/00 plus 0.7%.
Audiologists	Fee schedule	Fee schedule in effect 11/30/09 less 5%.
Behavioral health services	Fee schedule	Fee schedule in effect 11/30/09 less 5%.
Birth centers	Fee schedule	Fee schedule in effect 11/30/09 less 5%.
Chiropractors	Fee schedule	Fee schedule in effect 11/30/09 less 5%.
Clinics	Fee schedule	Maximum physician reimbursement rate.
Community mental health centers and providers of mental health services to county residents pursuant to a waiver approved under Iowa Code section 225C.7(3)	Retrospective cost-related. See 79.1(25)	100% of reasonable Medicaid cost as determined by Medicare cost reimbursement principles.
Dentists	Fee schedule	Fee schedule in effect 11/30/09 less 2.5%.
Durable medical equipment, prosthetic devices and medical supply dealers	Fee schedule. See 79.1(4)	Fee schedule in effect 11/30/09 less 5%.
Family planning clinics	Fee schedule	Fee schedule in effect 1/31/10.
Federally qualified health centers	Retrospective cost-related. See 441—88.14(249A)	1. Prospective payment rate as required by the Medicare, Medicaid, and SCHIP Benefits Improvement and Protection Act of 2000 (BIPA 2000) or an alternative methodology allowed thereunder, as specified in “2” below. 2. 100% of reasonable cost as determined by Medicare cost reimbursement principles. 3. In the case of services provided pursuant to a contract between an FQHC and a managed care organization (MCO), reimbursement from the MCO shall be supplemented to achieve “1” or “2” above.
HCBS waiver service providers, including:		Except as noted, limits apply to all waivers that cover the named provider.

<u>Provider category</u>	<u>Basis of reimbursement</u>	<u>Upper limit</u>
1. Adult day care	Fee schedule	For AIDS/HIV, brain injury, elderly, and ill and handicapped waivers: Veterans Administration contract rate or \$21.57 per half-day, \$42.93 per full day, or \$64.38 per extended day if no Veterans Administration contract.  For intellectual disability waiver: County contract rate or, in the absence of a contract rate, \$28.73 per half-day, \$57.36 per full day, or \$73.13 per extended day.
2. Emergency response system	Fee schedule	Initial one-time fee \$48.29. Ongoing monthly fee \$37.56.
3. Home health aides	Retrospective cost-related	For AIDS/HIV, elderly, and ill and handicapped waivers: Lesser of maximum Medicare rate in effect 11/30/09 or maximum Medicaid rate in effect 11/30/09 less 5%.  For intellectual disability waiver: Lesser of maximum Medicare rate in effect 11/30/09 or maximum Medicaid rate in effect 11/30/09 less 5%, converted to an hourly rate.
4. Homemakers	Fee schedule	Maximum of \$19.31 per hour.
5. Nursing care	For elderly and intellectual disability waivers: Fee schedule as determined by Medicare.  For AIDS/HIV and ill and handicapped waivers: Agency's financial and statistical cost report and Medicare percentage rate per visit.	For elderly waiver: \$80.85 per visit. For intellectual disability waiver: Lesser of maximum Medicare rate in effect 11/30/09 or maximum Medicaid rate in effect 11/30/09 less 5%, converted to an hourly rate.  For AIDS/HIV and ill and handicapped waivers: Cannot exceed \$80.85 per visit.
6. Respite care when provided by: Home health agency: Specialized respite	Cost-based rate for nursing services provided by a home health agency	Lesser of maximum Medicare rate in effect 11/30/09 or maximum Medicaid rate in effect 11/30/09 less 2.5%, converted to an hourly rate, not to exceed \$296.94 per day.

<u>Provider category</u>	<u>Basis of reimbursement</u>	<u>Upper limit</u>
Basic individual respite	Cost-based rate for home health aide services provided by a home health agency	Lesser of maximum Medicare rate in effect 11/30/09 or maximum Medicaid rate in effect 11/30/09 less 2.5%, converted to an hourly rate, not to exceed \$296.94 per day.
Group respite	Retrospectively limited prospective rates. See 79.1(15)	\$12.79 per hour not to exceed \$296.94 per day.
Home care agency:		
Specialized respite	Retrospectively limited prospective rates. See 79.1(15)	\$32.91 per hour not to exceed \$296.94 per day.
Basic individual respite	Retrospectively limited prospective rates. See 79.1(15)	\$17.56 per hour not to exceed \$296.94 per day.
Group respite	Retrospectively limited prospective rates. See 79.1(15)	\$12.79 per hour not to exceed \$296.94 per day.
Nonfacility care:		
Specialized respite	Retrospectively limited prospective rates. See 79.1(15)	\$32.91 per hour not to exceed \$296.94 per day.
Basic individual respite	Retrospectively limited prospective rates. See 79.1(15)	\$17.56 per hour not to exceed \$296.94 per day.
Group respite	Retrospectively limited prospective rates. See 79.1(15)	\$12.79 per hour not to exceed \$296.94 per day.
Facility care:		
Hospital or nursing facility providing skilled care	Fee schedule	\$12.79 per hour not to exceed daily per diem for skilled nursing facility level of care.
Nursing facility	Fee schedule	\$12.79 per hour not to exceed daily per diem for nursing facility level of care.
Camps	Retrospectively limited prospective rates. See 79.1(15)	\$12.79 per hour not to exceed \$296.94 per day.
Adult day care	Fee schedule	\$12.79 per hour not to exceed rate for regular adult day care services.
Intermediate care facility for the mentally retarded	Fee schedule	\$12.79 per hour not to exceed daily per diem for ICF/MR level of care.
Residential care facilities for persons with mental retardation	Fee schedule	\$12.79 per hour not to exceed contractual daily per diem.
Foster group care	Fee schedule	\$12.79 per hour not to exceed daily per diem rate for child welfare services.
Child care facilities	Fee schedule	\$12.79 per hour not to exceed contractual daily per diem.
7. Chore service	Fee schedule	\$7.52 per half hour.
8. Home-delivered meals	Fee schedule	\$7.52 per meal. Maximum of 14 meals per week.

<u>Provider category</u>	<u>Basis of reimbursement</u>	<u>Upper limit</u>
9. Home and vehicle modification	Fee schedule	For elderly waiver: \$1,010 lifetime maximum.  For intellectual disability waiver: \$5,050 lifetime maximum.  For brain injury, ill and handicapped and physical disability waivers: \$6,060 per year.
10. Mental health outreach providers	Fee schedule	On-site Medicaid reimbursement rate for center or provider. Maximum of 1440 units per year.
11. Transportation	Fee schedule	County contract rate or, in the absence of a contract rate, the rate set by the area agency on aging.
12. Nutritional counseling	Fee schedule	\$8.04 per unit.
13. Assistive devices	Fee schedule	\$107.30 per unit.
14. Senior companion	Fee schedule	\$6.44 per hour.
15. Consumer-directed attendant care provided by:		
Agency (other than an elderly waiver assisted living program)	Fee agreed upon by member and provider	\$19.70 per hour not to exceed the daily rate of \$113.80 per day.
Assisted living program (for elderly waiver only)	Fee agreed upon by member and provider	For elderly waiver only: \$1,089.08 per calendar month. Rate must be prorated per day for a partial month, at a rate not to exceed \$35.79 per day.
Individual	Fee agreed upon by member and provider	Effective July 1, 2010, \$13.47 per hour not to exceed the daily rate of \$78.56 per day.
16. Counseling		
Individual:	Fee schedule	\$10.52 per unit.
Group:	Fee schedule	\$42.06 per hour.
17. Case management	Fee schedule with cost settlement. See 79.1(1)"d."	For brain injury waiver: Retrospective cost-settled rate. For elderly waiver: Quarterly revision of reimbursement rate as necessary to maintain projected expenditures within the amounts budgeted under the appropriations made for the medical assistance program for the fiscal year.
18. Supported community living	Retrospectively limited prospective rates. See 79.1(15)	\$34.11 per hour, \$76.91 per day not to exceed the maximum daily ICF/MR per diem less 2.5%.
19. Supported employment:		
Activities to obtain a job:		

<u>Provider category</u>	<u>Basis of reimbursement</u>	<u>Upper limit</u>
Job development	Fee schedule	\$886.28 per unit (job placement). Maximum of two units per 12 months.
Employer development	Fee schedule	\$886.28 per unit (job placement). Maximum of two units per 12 months.
Enhanced job search	Retrospectively limited prospective rates. See 79.1(15)	Maximum of \$34.11 per hour and 26 hours per 12 months.
Supports to maintain employment	Retrospectively limited prospective rates. See 79.1(15)	Maximum of \$34.11 per hour for all activities other than personal care and services in an enclave setting. Maximum of \$19.31 per hour for personal care. Maximum of \$6.04 per hour for services in an enclave setting. Total not to exceed \$2,811.62 per month. Maximum of 40 units per week.
20. Specialized medical equipment	Fee schedule	\$6,060 per year.
21. Behavioral programming	Fee schedule	\$10.52 per 15 minutes.
22. Family counseling and training	Fee schedule	\$42.06 per hour.
23. Prevocational services	Fee schedule	For the brain injury waiver: \$36.50 per day.  For the intellectual disability waiver: County contract rate or, in absence of a contract rate, \$47.01 per day.
24. Interim medical monitoring and treatment:		
Home health agency (provided by home health aide)	Cost-based rate for home health aide services provided by a home health agency	Lesser of maximum Medicare rate in effect 11/30/09 or maximum Medicaid rate in effect 11/30/09 less 5%, converted to an hourly rate.
Home health agency (provided by nurse)	Cost-based rate for nursing services provided by a home health agency	Lesser of maximum Medicare rate in effect 11/30/09 or maximum Medicaid rate in effect 11/30/09 less 5%, converted to an hourly rate.
Child development home or center	Fee schedule	\$12.79 per hour.
25. Residential-based supported community living	Retrospectively limited prospective rates. See 79.1(15)	The maximum daily per diem for ICF/MR less 2.5%.
26. Day habilitation	Fee schedule	County contract rate or, in the absence of a contract rate, \$12.88 per hour, \$31.35 per half-day, or \$62.68 per day.
27. Environmental modifications and adaptive devices	Fee schedule	\$6,060 per year.
28. Family and community support services	Retrospectively limited prospective rates. See 79.1(15)	\$34.11 per hour.
29. In-home family therapy	Fee schedule	\$91.29 per hour.

<u>Provider category</u>	<u>Basis of reimbursement</u>	<u>Upper limit</u>
30. Financial management services	Fee schedule	\$64.01 per enrolled member per month.
31. Independent support broker	Rate negotiated by member	\$14.77 per hour.
32. Self-directed personal care	Rate negotiated by member	Determined by member's individual budget.
33. Self-directed community supports and employment	Rate negotiated by member	Determined by member's individual budget.
34. Individual-directed goods and services	Rate negotiated by member	Determined by member's individual budget.
Hearing aid dispensers	Fee schedule plus product acquisition cost	Fee schedule in effect 11/30/09 less 5%.
Home- and community-based habilitation services:		
1. Case management	Fee schedule with cost settlement. See 79.1(1)"d."	Retrospective cost-settled rate.
2. Home-based habilitation	Retrospective cost-related. See 79.1(24)	\$46.70 per hour or \$105.97 per day.
3. Day habilitation	Retrospective cost-related. See 79.1(24)	\$13.21 per hour, \$32.15 per half-day, or \$64.29 per day.
4. Prevocational habilitation	Retrospective cost-related. See 79.1(24)	\$9.91 per hour, \$24.11 per half-day, or \$48.22 per day.
5. Supported employment:		
Activities to obtain a job:		
Job development	Fee schedule	\$909 per unit (job placement). Maximum of two units per 12 months.
Employer development	Fee schedule	\$909 per unit (job placement). Maximum of two units per 12 months.
Enhanced job search	Retrospective cost-related. See 79.1(24)	Maximum of \$34.98 per hour and 26 hours per 12 months.
Supports to maintain employment	Retrospective cost-related. See 79.1(24)	\$6.19 per hour for services in an enclave setting; \$19.81 per hour for personal care; and \$34.98 per hour for all other services. Total not to exceed \$2,883.71 per month. Maximum of 40 units per week.
Home health agencies		
1. Skilled nursing, physical therapy, occupational therapy, home health aide, and medical social services; home health care for maternity patients and children	Retrospective cost-related	Lesser of maximum Medicare rate in effect 11/30/09 or maximum Medicaid rate in effect 11/30/09 less 5%.
2. Private duty nursing and personal care for persons aged 20 or under	Interim fee schedule with retrospective cost settlement	Medicaid rate in effect 11/30/09 less 5%.
3. Administration of vaccines	Physician fee schedule	Physician fee schedule rate.
Hospices	Fee schedule as determined by Medicare	Medicare cap. (See 79.1(14)"d")

<u>Provider category</u>	<u>Basis of reimbursement</u>	<u>Upper limit</u>
Hospitals (Critical access)	Retrospectively adjusted prospective rates. See 79.1(1) "g" and 79.1(5)	The reasonable cost of covered services provided to medical assistance recipients or the upper limits for other hospitals, whichever is greater.
Hospitals (Inpatient)	Prospective reimbursement. See 79.1(5)	Reimbursement rate in effect 11/30/09 less 5%.
Hospitals (Outpatient)	Prospective reimbursement or hospital outpatient fee schedule. See 79.1(16) "c"	Ambulatory payment classification rate or hospital outpatient fee schedule rate in effect 11/30/09 less 5%.
Independent laboratories	Fee schedule. See 79.1(6)	Medicare fee schedule less 5%. See 79.1(6)
Indian health service 638 facilities	1. Base rate as determined by the United States Office of Management and Budget for outpatient visits for American Indian and Alaskan native members. 2. Fee schedule for service provided for all other Medicaid members.	1. Office of Management and Budget rate published in the Federal Register for outpatient visit rate. 2. Fee schedule.
Infant and toddler program providers	Fee schedule	Fee schedule.
Intermediate care facilities for the mentally retarded	Prospective reimbursement. See 441—82.5(249A)	Eightieth percentile of facility costs as calculated from annual cost reports.
Lead inspection agency	Fee schedule	Fee schedule in effect 11/30/09 less 5%.
Local education agency services providers	Fee schedule	Fee schedule.
Maternal health centers	Reasonable cost per procedure on a prospective basis as determined by the department based on financial and statistical data submitted annually by the provider group	Fee schedule in effect 11/30/09 less 5%.
Nursing facilities: 1. Nursing facility care	Prospective reimbursement. See 441—subrule 81.10(1) and 441—81.6(249A). The percentage of the median used to calculate the direct care excess payment allowance ceiling under 441—81.6(16) "d"(1) "1" and (2) "1" is 95% of the patient-day-weighted median. The percentage of the difference used to calculate the direct care excess payment allowance is 0%. The percentage of the median used to calculate the direct care excess payment allowance limit is 10% of the patient-day-weighted median. The percentage of	See 441—subrules 81.6(4) and 81.6(14) and paragraph 81.6(16) "f." The direct care rate component limit under 441—81.6(16) "f"(1) and (2) is 120% of the patient-day-weighted median. The non-direct care rate component limit under 441—81.6(16) "f" (1) and (2) is 110% of the patient-day-weighted median.

<u>Provider category</u>	<u>Basis of reimbursement</u>	<u>Upper limit</u>
	the median used to calculate the non-direct care excess payment allowance ceiling under 441—81.6(16) “d”(1)“2” and (2)“2” is 96% of the patient-day-weighted median. The percentage of the difference used to calculate the non-direct care excess payment allowance limit is 0%. The percentage of the median used to calculate the non-direct care excess payment allowance limit is 8% of the patient-day-weighted median.	
2. Hospital-based, Medicare-certified nursing care	Prospective reimbursement. See 441—subrule 81.10(1) and 441—81.6(249A). The percentage of the median used to calculate the direct care excess payment allowance ceiling under 441—81.6(16) “d”(3)“1” is 95% of the patient-day-weighted median. The percentage of the difference used to calculate the direct care excess payment allowance is 0%. The percentage of the median used to calculate the direct care excess payment allowance limit is 10% of the patient-day-weighted median. The percentage of the median used to calculate the non-direct care excess payment allowance ceiling under 441—81.6(16) “d”(3)“2” is 96% of the patient-day-weighted median. The percentage of the difference used to calculate the non-direct care excess payment allowance limit is 0%. The percentage of the median used to calculate the non-direct care excess payment allowance limit is 8% of the patient-day-weighted median.	See 441—subrules 81.6(4) and 81.6(14) and paragraph 81.6(16)“f.” The direct care rate component limit under 441—81.6(16) “f”(3) is 120% of the patient-day-weighted median. The non-direct care rate component limit under 441—81.6(16) “f”(3) is 110% of the patient-day-weighted median.
Occupational therapists	Fee schedule	Fee schedule in effect 11/30/09 less 5%.
Opticians	Fee schedule. Fixed fee for lenses and frames; other optical materials at product acquisition cost	Fee schedule in effect 11/30/09 less 5%.
Optometrists	Fee schedule. Fixed fee for lenses and frames; other optical materials at product acquisition cost	Fee schedule in effect 11/30/09 less 5%.
Orthopedic shoe dealers	Fee schedule	Fee schedule in effect 11/30/09 less 5%.
Pharmaceutical case management	Fee schedule. See 79.1(18)	Refer to 79.1(18).

<u>Provider category</u>	<u>Basis of reimbursement</u>	<u>Upper limit</u>
Pharmacy administration of influenza vaccine to children	Physician fee schedule for immunization administration	Fee schedule in effect 11/30/09 less 5%.
Physical therapists	Fee schedule	Fee schedule in effect 11/30/09 less 5%.
Physicians (doctors of medicine or osteopathy)	Fee schedule. See 79.1(7) "a"	Fee schedule in effect 11/30/09 less 5%.
Anesthesia services	Fee schedule	Fee schedule in effect 11/30/09 less 5%.
Podiatrists	Fee schedule	Fee schedule in effect 11/30/09 less 5%.
Prescribed drugs	See 79.1(8)	\$4.34 dispensing fee. (See 79.1(8) "a," "b," and "e.")
Psychiatric medical institutions for children		
1. Inpatient	Retrospective cost-related	Actual and allowable cost not to exceed a maximum for non-state-owned providers of 103% of patient-day-weighted average costs of non-state-owned providers located within Iowa less 5%.
2. Outpatient day treatment	Fee schedule	Fee schedule in effect 11/30/09 less 5%.
Psychologists	Fee schedule	Fee schedule in effect 11/30/09 less 5%.
Rehabilitation agencies	Fee schedule	Medicare fee schedule less 5%; refer to 79.1(21).
Remedial services	Retrospective cost-related. See 79.1(23)	110% of average cost less 5%.
Rural health clinics	Retrospective cost-related. See 441—88.14(249A)	1. Prospective payment rate as required by the Medicare, Medicaid, and SCHIP Benefits Improvement and Protection Act of 2000 (BIPA 2000) or an alternative methodology allowed thereunder, as specified in "2" below. 2. 100% of reasonable cost as determined by Medicare cost reimbursement principles. 3. In the case of services provided pursuant to a contract between an RHC and a managed care organization (MCO), reimbursement from the MCO shall be supplemented to achieve "1" or "2" above.
Screening centers	Fee schedule	Reimbursement rate for center in effect 11/30/09 less 5%.
State-operated institutions	Retrospective cost-related	
Targeted case management providers	Fee for service with cost settlement. See 79.1(1) "d."	Retrospective cost-settled rate.

**79.1(3) Ambulatory surgical centers.**

a. Payment is made for facility services on a fee schedule determined by the department and published on the department's Web site. These fees are grouped into nine categories corresponding to the difficulty or complexity of the surgical procedure involved.

b. Services of the physician or the dentist are reimbursed on the basis of a fee schedule (see paragraph 79.1(1)"c"). This payment is made directly to the physician or dentist.

**79.1(4) Durable medical equipment, prosthetic devices, medical supply dealers.** Fees for durable medical appliances, prosthetic devices and medical supplies are developed from several pricing sources and are based on pricing appropriate to the date of service; prices are developed using prior calendar year price information. The average wholesale price from all available sources is averaged to determine the fee for each item. Payment for used equipment will be no more than 80 percent of the purchase allowance. For supplies, equipment, and servicing of standard wheelchairs, standard hospital beds, enteral nutrients, and enteral and parenteral supplies and equipment, the fee for payment shall be the lowest price for which the devices are widely and consistently available in a locality.

**79.1(5) Reimbursement for hospitals.**

a. *Definitions.*

"Adolescent" shall mean a Medicaid patient 17 years or younger.

"Adult" shall mean a Medicaid patient 18 years or older.

"Average daily rate" shall mean the hospital's final payment rate multiplied by the DRG weight and divided by the statewide average length of stay for a DRG.

"Base year cost report" means the hospital's cost report with fiscal year end on or after January 1, 2007, and before January 1, 2008, except as noted in 79.1(5)"x." Cost reports shall be reviewed using Medicare's cost reporting and cost reimbursement principles for those cost reporting periods.

"Blended base amount" shall mean the case-mix-adjusted, hospital-specific operating cost per discharge associated with treating Medicaid patients, plus the statewide average case-mix-adjusted operating cost per Medicaid discharge, divided by two. This base amount is the value to which payments for inflation and capital costs are added to form a final payment rate. The costs of hospitals receiving reimbursement as critical access hospitals during any of the period included in the base-year cost report shall not be used in determining the statewide average case-mix-adjusted operating cost per Medicaid discharge.

For purposes of calculating the disproportionate share rate only, a separate blended base amount shall be determined for any hospital that qualifies for a disproportionate share payment only as a children's hospital based on a distinct area or areas serving children. This separate amount shall be determined using only the case-mix-adjusted operating cost per discharge associated with treating Medicaid patients in the distinct area or areas of the hospital where services are provided predominantly to children under 18 years of age.

"Blended capital costs" shall mean case-mix-adjusted hospital-specific capital costs, plus statewide average capital costs, divided by two. The costs of hospitals receiving reimbursement as critical access hospitals during any of the period of time included in the base-year cost report shall not be used in determining the statewide average capital costs.

For purposes of calculating the disproportionate share rate only, separate blended capital costs shall be determined for any hospital that qualifies for a disproportionate share payment only as a children's hospital based on a distinct area or areas serving children, using only the capital costs related to the distinct area or areas of the hospital where services are provided predominantly to children under 18 years of age.

"Capital costs" shall mean an add-on to the blended base amount, which shall compensate for Medicaid's portion of capital costs. Capital costs for buildings, fixtures and movable equipment are defined in the hospital's base year cost report, are case-mix adjusted, are adjusted to reflect 80 percent of allowable costs, and are adjusted to be no greater than one standard deviation off the mean Medicaid blended capital rate.

For purposes of calculating the disproportionate share rate only, separate capital costs shall be determined for any hospital that qualifies for a disproportionate share payment only as a children's

hospital based on a distinct area or areas serving children, using only the base year cost report information related to the distinct area or areas of the hospital where services are provided predominantly to children under 18 years of age.

*“Case-mix adjusted”* shall mean the division of the hospital-specific base amount or other applicable components of the final payment rate by the hospital-specific case-mix index. For purposes of calculating the disproportionate share rate only, a separate case-mix adjustment shall be determined for any hospital that qualifies for a disproportionate share payment only as a children’s hospital based on a distinct area or areas serving children, using the base amount or other applicable component for the distinct area or areas of the hospital where services are provided predominantly to children under 18 years of age.

*“Case-mix index”* shall mean an arithmetical index measuring the relative average costliness of cases treated in a hospital compared to the statewide average. For purposes of calculating the disproportionate share rate only, a separate case-mix index shall be determined for any hospital that qualifies for a disproportionate share payment only as a children’s hospital based on a distinct area or areas serving children, using the average costliness of cases treated in the distinct area or areas of the hospital where services are provided predominantly to children under 18 years of age.

*“Children’s hospitals”* shall mean hospitals with inpatients predominantly under 18 years of age. For purposes of qualifying for disproportionate share payments from the graduate medical education and disproportionate share fund, a children’s hospital is defined as a duly licensed hospital that:

1. Either provides services predominantly to children under 18 years of age or includes a distinct area or areas that provide services predominantly to children under 18 years of age, and
2. Is a voting member of the National Association of Children’s Hospitals and Related Institutions.

*“Cost outlier”* shall mean cases which have an extraordinarily high cost as established in 79.1(5) “f,” so as to be eligible for additional payments above and beyond the initial DRG payment.

*“Critical access hospital”* or *“CAH”* means a hospital licensed as a critical access hospital by the department of inspections and appeals pursuant to rule 481—51.52(135B).

*“Diagnosis-related group (DRG)”* shall mean a group of similar diagnoses combined based on patient age, procedure coding, comorbidity, and complications.

*“Direct medical education costs”* shall mean costs directly associated with the medical education of interns and residents or other medical education programs, such as a nursing education program or allied health programs, conducted in an inpatient setting, that qualify for payment as medical education costs under the Medicare program. The amount of direct medical education costs is determined from the hospital base year cost reports and is inflated and case-mix adjusted in determining the direct medical education rate. Payment for direct medical education costs shall be made from the graduate medical education and disproportionate share fund and shall not be added to the reimbursement for claims.

For purposes of calculating the disproportionate share rate only, separate direct medical education costs shall be determined for any hospital that qualifies for a disproportionate share payment only as a children’s hospital based on a distinct area or areas serving children, using only costs associated with the distinct area or areas in the hospital where services are provided predominantly to children under 18 years of age.

*“Direct medical education rate”* shall mean a rate calculated for a hospital reporting medical education costs on the Medicare cost report (CMS 2552). The rate is calculated using the following formula: Direct medical education costs are multiplied by inflation factors. The result is divided by the hospital’s case-mix index, then is further divided by net discharges.

For purposes of calculating the disproportionate share rate only, a separate direct medical education rate shall be determined for any hospital that qualifies for a disproportionate share payment only as a children’s hospital based on a distinct area or areas serving children, using the direct medical education costs, case-mix index, and net discharges of the distinct area or areas in the hospital where services are provided predominantly to children under 18 years of age.

*“Disproportionate share payment”* shall mean a payment that shall compensate for treatment of a disproportionate share of poor patients. On or after July 1, 1997, the disproportionate share payment shall be made directly from the graduate medical education and disproportionate share fund and shall not be added to the reimbursement for claims with discharge dates on or after July 1, 1997.

*“Disproportionate share percentage”* shall mean either (1) the product of 2½ percent multiplied by the number of standard deviations by which the hospital’s own Medicaid inpatient utilization rate exceeds the statewide mean Medicaid inpatient utilization rate for all hospitals, or (2) 2½ percent. (See 79.1(5) “y”(7).)

A separate disproportionate share percentage shall be determined for any hospital that qualifies for a disproportionate share payment only as a children’s hospital, using the Medicaid inpatient utilization rate for children under 18 years of age at the time of admission in all distinct areas of the hospital where services are provided predominantly to children under 18 years of age.

*“Disproportionate share rate”* shall mean the sum of the blended base amount, blended capital costs, direct medical education rate, and indirect medical education rate multiplied by the disproportionate share percentage.

*“DRG weight”* shall mean a number that reflects relative resource consumption as measured by the relative charges by hospitals for cases associated with each DRG. That is, the Iowa-specific DRG weight reflects the relative charge for treating cases classified in a particular DRG compared to the average charge for treating all Medicaid cases in all DRGs in Iowa hospitals.

*“Final payment rate”* shall mean the aggregate sum of the two components (the blended base amount and capital costs) that, when added together, form the final dollar value used to calculate each provider’s reimbursement amount when multiplied by the DRG weight. These dollar values are displayed on the rate table listing.

*“Full DRG transfer”* shall mean that a case, coded as a transfer to another hospital, shall be considered to be a normal claim for recalibration or rebasing purposes if payment is equal to or greater than the full DRG payment.

*“GME/DSH fund apportionment claim set”* means the hospital’s applicable Medicaid claims paid from July 1, 2008, through June 30, 2009. The claim set is updated in July of every third year.

*“GME/DSH fund implementation year”* means 2009.

*“Graduate medical education and disproportionate share fund”* or *“GME/DSH fund”* means a reimbursement fund developed as an adjunct reimbursement methodology to directly reimburse qualifying hospitals for the direct and indirect costs associated with the operation of graduate medical education programs and the costs associated with the treatment of a disproportionate share of poor, indigent, nonreimbursed or nominally reimbursed patients for inpatient services.

*“Indirect medical education rate”* shall mean a rate calculated as follows: The statewide average case-mix adjusted operating cost per Medicaid discharge, divided by two, is added to the statewide average capital costs, divided by two. The resulting sum is then multiplied by the ratio of the number of full-time equivalent interns and residents serving in a Medicare-approved hospital teaching program divided by the number of beds included in hospital departments served by the interns’ and residents’ program, and is further multiplied by 1.159.

For purposes of calculating the disproportionate share rate only, a separate indirect medical education rate shall be determined for any hospital that qualifies for a disproportionate share payment only as a children’s hospital based on a distinct area or areas serving children, using the number of full-time equivalent interns and residents and the number of beds in the distinct area or areas in the hospital where services are provided predominantly to children under 18 years of age.

*“Inlier”* shall mean those cases where the length of stay or cost of treatment falls within the actual calculated length of stay criteria, or the cost of treating a patient is within the cost boundaries of a DRG payment.

*“Long stay outlier”* shall mean cases which have an associated length of stay that is greater than the calculated length of stay parameters as defined within the length of stay calculations for that DRG. Payment is as established in 79.1(5) “f.”

*“Low-income utilization rate”* shall mean the ratio of gross billings for all Medicaid, bad debt, and charity care patients, including billings for Medicaid enrollees of managed care organizations and primary care case management organizations, to total billings for all patients. Gross billings do not include cash subsidies received by the hospital for inpatient hospital services except as provided from state or local governments.

A separate low-income utilization rate shall be determined for any hospital qualifying or seeking to qualify for a disproportionate share payment as a children's hospital, using only billings for patients under 18 years of age at the time of admission in the distinct area or areas in the hospital where services are provided predominantly to children under 18 years of age.

*"Medicaid claim set"* means the hospital's applicable Medicaid claims for the period of January 1, 2006, through December 31, 2007, and paid through March 31, 2008.

*"Medicaid inpatient utilization rate"* shall mean the number of total Medicaid days, including days for Medicaid enrollees of managed care organizations and primary care case management organizations, both in-state and out-of-state, and Iowa state indigent patient days divided by the number of total inpatient days for both in-state and out-of-state recipients. Children's hospitals, including hospitals qualifying for disproportionate share as a children's hospital, receive twice the percentage of inpatient hospital days attributable to Medicaid patients.

A separate Medicaid inpatient utilization rate shall be determined for any hospital qualifying or seeking to qualify for a disproportionate share payment as a children's hospital, using only Medicaid days, Iowa state indigent patient days, and total inpatient days attributable to patients under 18 years of age at the time of admission in all distinct areas of the hospital where services are provided predominantly to children under 18 years of age.

*"Neonatal intensive care unit"* shall mean a designated level II or level III neonatal unit.

*"Net discharges"* shall mean total discharges minus transfers and short stay outliers.

*"Quality improvement organization"* or *"QIO"* shall mean the organization that performs medical peer review of Medicaid claims, including review of validity of hospital diagnosis and procedure coding information; completeness, adequacy and quality of care; appropriateness of admission, discharge and transfer; and appropriateness of prospective payment outlier cases. These activities undertaken by the QIO may be included in a contractual relationship with the Iowa Medicaid enterprise.

*"Rate table listing"* shall mean a schedule of rate payments for each provider. The rate table listing is defined as the output that shows the final payment rate by hospital before being multiplied by the appropriate DRG weight.

*"Rebasing"* shall mean the redetermination of the blended base amount or other applicable components of the final payment rate from more recent Medicaid cost report data.

*"Rebasing implementation year"* means 2008 and every three years thereafter.

*"Recalibration"* shall mean the adjustment of all DRG weights to reflect changes in relative resource consumption.

*"Short stay day outlier"* shall mean cases which have an associated length of stay that is less than the calculated length of stay parameters as defined within the length of stay calculations. Payment rates are established in 79.1(5) "f."

b. *Determination of final payment rate amount.* The hospital DRG final payment amount reflects the sum of inflation adjustments to the blended base amount plus an add-on for capital costs. This blended base amount plus the add-on is multiplied by the set of Iowa-specific DRG weights to establish a rate schedule for each hospital. Federal DRG definitions are adopted except as provided below:

(1) Substance abuse units certified pursuant to 79.1(5) "r." Three sets of DRG weights are developed for DRGs concerning rehabilitation of substance abuse patients. The first set of weights is developed from charges associated with treating adults in certified substance abuse units. The second set of weights reflects charges associated with treating adolescents in mixed-age certified substance abuse units. The third set of weights reflects charges associated with treating adolescents in designated adolescent-only certified substance abuse units.

Hospitals with these units are reimbursed using the weight that reflects the age of each patient. Out-of-state hospitals may not receive reimbursement for the rehabilitation portion of substance abuse treatment.

(2) Neonatal intensive care units certified pursuant to 79.1(5) "r." Three sets of weights are developed for DRGs concerning treatment of neonates. One set of weights is developed from charges associated with treating neonates in a designated level III neonatal intensive care unit for some portion of their hospitalization. The second set of weights is developed from charges associated with treating

neonates in a designated level II neonatal intensive care unit for some portion of their hospitalization. The third set of weights reflects charges associated with neonates not treated in a designated level II or level III setting. Hospitals are reimbursed using the weight that reflects the setting for neonate treatment.

(3) Psychiatric units. Rescinded IAB 8/29/07, effective 8/10/07.

*c. Calculation of Iowa-specific weights and case-mix index.* From the Medicaid claim set, the recalibration for rates effective October 1, 2008, will use all normal inlier claims, discard short stay outliers, discard transfers where the final payment is less than the full DRG payment, include transfers where the full payment is greater than or equal to the full DRG payment, and use only the estimated charge for the inlier portion of long stay outliers and cost outliers for weighting calculations. These are referred to as trimmed claims.

(1) Iowa-specific weights are calculated with Medicaid charge data from the Medicaid claim set using trimmed claims. Medicaid charge data for hospitals receiving reimbursement as critical access hospitals during any of the period included in the base-year cost report shall not be used in calculating Iowa-specific weights. One weight is determined for each DRG with noted exceptions. Weights are determined through the following calculations:

1. Determine the statewide geometric mean charge for all cases classified in each DRG.
2. Compute the statewide aggregate geometric mean charge for each DRG by multiplying the statewide geometric mean charge for each DRG by the total number of cases classified in that DRG.
3. Sum the statewide aggregate geometric mean charges for all DRGs and divide by the total number of cases for all DRGs to determine the weighted average charge for all DRGs.
4. Divide the statewide geometric mean charge for each DRG by the weighted average charge for all DRGs to derive the Iowa-specific weight for each DRG.
5. Normalize the weights so that the average case has a weight of one.

(2) The hospital-specific case-mix index is computed by taking each hospital's trimmed claims that match the hospital's base year cost reporting period, summing the assigned DRG weights associated with those claims and dividing by the total number of Medicaid claims associated with that specific hospital for that period. Case-mix indices are not computed for hospitals receiving reimbursement as critical access hospitals.

(3) For purposes of calculating the disproportionate share rate only, a separate hospital-specific case-mix index shall be computed for any hospital that qualifies for a disproportionate share payment only as a children's hospital. The computation shall use only claims and associated DRG weights for services provided to patients under 18 years of age at the time of admission in all distinct areas of the hospital where services are provided predominantly to children under 18 years of age.

*d. Calculation of blended base amount.* The DRG blended base amount reflects a 50/50 blend of statewide and hospital-specific base amounts.

(1) Calculation of statewide average case-mix-adjusted cost per discharge. The statewide average cost per discharge is calculated by subtracting from the statewide total Iowa Medicaid inpatient expenditures:

1. The total calculated dollar expenditures based on hospitals' base-year cost reports for capital costs and medical education costs, and
2. The actual payments made for additional transfers, outliers, physical rehabilitation services, psychiatric services rendered on or after October 1, 2006, and indirect medical education.

Cost report data for hospitals receiving reimbursement as critical access hospitals during any of the period of time included in the base-year cost report is not used in calculating the statewide average cost per discharge. The remaining amount (which has been case-mix adjusted and adjusted to reflect inflation if applicable) is divided by the statewide total number of Iowa Medicaid discharges reported in the Medicaid management information system (MMIS) less an actual number of nonfull DRG transfers and short stay outliers.

(2) Calculation of hospital-specific case-mix-adjusted average cost per discharge. The hospital-specific case-mix-adjusted average cost per discharge is calculated by subtracting from the lesser of total Iowa Medicaid costs or covered reasonable charges, as determined by the hospital's base-year cost report or MMIS claims system, the actual dollar expenditures for capital costs,

direct medical education costs, and the payments made for nonfull DRG transfers, outliers, physical rehabilitation services, and psychiatric services rendered on or after October 1, 2006, if applicable. The remaining amount is case-mix adjusted, multiplied by inflation factors, and divided by the total number of Iowa Medicaid discharges from the MMIS claims system for that hospital during the applicable base year, less the nonfull DRG transfers and short stay outliers.

For purposes of calculating the disproportionate share rate only, a separate hospital-specific case-mix-adjusted average cost per discharge shall be calculated for any hospital that qualifies for a disproportionate share payment only as a children's hospital based on a distinct area or areas serving children, using the costs, charges, expenditures, payments, discharges, transfers, and outliers attributable to the distinct area or areas in the hospital where services are provided predominantly to children under 18 years of age.

(3) Calculation of the blended statewide and hospital-specific base amount. The hospital-specific case-mix adjusted average cost per discharge is added to the case-mix adjusted statewide average cost per discharge and divided by two to arrive at a 50/50 blended base amount.

*e. Add-ons to the base amount.*

(1) One payment for capital costs is added on to the blended base amount.

Capital costs are included in the rate table listing and added to the blended base amount before the final payment rate schedule is set. This add-on reflects a 50/50 blend of the statewide average case-mix-adjusted capital cost per discharge and the case-mix-adjusted hospital-specific base-year capital cost per discharge attributed to Iowa Medicaid patients.

Allowable capital costs are determined by multiplying the capital amount from the base-year cost report by 80 percent. Cost report data for hospitals receiving reimbursement as critical access hospitals during any of the period of time included in the base-year cost report is not used in calculating the statewide average case-mix-adjusted capital cost per discharge.

The 50/50 blend is calculated by adding the case-mix-adjusted hospital-specific per discharge capital cost to the statewide average case-mix-adjusted per discharge capital costs and dividing by two. Hospitals whose blended capital add-on exceeds one standard deviation off the mean Medicaid blended capital rate will be subject to a reduction in their capital add-on to equal the first standard deviation.

For purposes of calculating the disproportionate share rate only, a separate add-on to the base amount for capital costs shall be calculated for any hospital that qualifies for a disproportionate share payment only as a children's hospital based on a distinct area or areas serving children, using the case-mix-adjusted hospital-specific base-year capital cost per discharge attributed to Iowa Medicaid patients in the distinct area or areas in the hospital where services are provided predominantly to children under 18 years of age.

(2) Rescinded IAB 7/6/05, effective 7/1/05.

*f. Outlier payment policy.* Additional payment is made for approved cases meeting or exceeding Medicaid criteria for day and cost outliers for each DRG. Effective for claims with dates of services ending July 1, 1993, and after, 100 percent of outlier costs will be paid to facilities at the time of claim reimbursement. The QIO shall perform retrospective outlier reviews in accordance with the terms in the contract between the department and the QIO. The QIO contract is available for review at the Iowa Medicaid Enterprise, 100 Army Post Road, Des Moines, Iowa.

(1) Long stay outliers. Long stay outliers are incurred when a patient's stay exceeds the upper day limit threshold. This threshold is defined as the lesser of the arithmetically calculated average length of stay plus 23 days of care or two standard deviations above the average statewide length of stay for a given DRG, calculated geometrically. Reimbursement for long stay outliers is calculated at 60 percent of the average daily rate for the given DRG for each approved day of stay beyond the upper day limit. Payment for long stay outliers shall be paid at 100 percent of the calculated amount and made at the time the claim is originally paid.

(2) Short stay outliers. Short stay outliers are incurred when a patient's length of stay is greater than two standard deviations from the geometric mean below the average statewide length of stay for a given DRG, rounded to the next highest whole number of days. Payment for short stay outliers will be 200 percent of the average daily rate for each day the patient qualifies up to the full DRG payment. Short stay outlier claims will be subject to QIO review and payment denied for inappropriate admissions.

(3) Cost outliers. Cases qualify as cost outliers when costs of service in a given case, not including any add-on amounts for direct or indirect medical education or disproportionate share costs exceed the cost threshold. This cost threshold is determined to be the greater of two times the statewide average DRG payment for that case or the hospital's individual DRG payment for that case plus \$16,000. Costs are calculated using hospital-specific cost-to-charge ratios determined in the base-year cost reports. Additional payment for cost outliers is 80 percent of the excess between the hospital's cost for the discharge and the cost threshold established to define cost outliers. Payment of cost outlier amounts shall be paid at 100 percent of the calculated amount and made at the time the claim is paid.

Those hospitals that are notified of any outlier review initiated by the QIO must submit all requested supporting data to the QIO within 60 days of the receipt of outlier review notification, or outlier payment will be forfeited and recouped. In addition, any hospital may request a review for outlier payment by submitting documentation to the QIO within 365 days of receipt of the outlier payment. If requests are not filed within 365 days, the provider loses the right to appeal or contest that payment.

(4) Day and cost outliers. Cases qualifying as both day and cost outliers are given additional payment as cost outliers only.

*g. Billing for patient transfers and readmissions.*

(1) Transfers between hospitals. When a Medicaid patient is transferred the initial hospital or unit is paid 100 percent of the average daily rate of the transferring hospital's payment for each day the patient remained in that hospital or unit, up to 100 percent of the entire DRG payment. The hospital or unit that received the transferred patient receives the entire DRG payment.

(2) Substance abuse units. When a patient is discharged to or from an acute care hospital and is admitted to or from a substance abuse unit certified pursuant to paragraph 79.1(5) "r," both the discharging and admitting hospitals will receive 100 percent of the DRG payment.

(3) Physical rehabilitation hospitals or units. When a patient requiring physical rehabilitation is discharged from an acute care hospital and admitted to a rehabilitation hospital or unit certified pursuant to 79.1(5) "r," and the admission is medically appropriate, then payment for time spent in the unit is through a per diem. The discharging hospital will receive 100 percent of the DRG payment. When a patient is discharged from a certified physical rehabilitation hospital or unit and admitted to an acute care hospital, the acute care hospital will receive 100 percent of the DRG payment.

When a patient requiring physical rehabilitation is discharged from a facility other than an acute care hospital and admitted to a rehabilitation hospital or unit certified pursuant to 79.1(5) "r," and the admission is medically appropriate, then payment for time spent in the unit is based on a per diem. The other facility will receive payment in accordance with rules governing that facility. When a patient is discharged from a certified physical rehabilitation hospital or unit and admitted to a facility other than an acute care hospital, the other facility will receive payment in accordance with rules governing that facility.

(4) Psychiatric units. When a patient is discharged to or from an acute care hospital before October 1, 2006, and is admitted to or from a psychiatric unit certified pursuant to paragraph 79.1(5) "r," both the discharging and admitting hospitals will receive 100 percent of the DRG payment.

Effective October 1, 2006, when a patient requiring psychiatric care is discharged from an acute care hospital and admitted to a psychiatric unit certified pursuant to paragraph 79.1(5) "r," and the admission is medically appropriate, then payment for time spent in the unit is through a per diem. The discharging hospital will receive 100 percent of the DRG payment. When a patient is discharged from a certified psychiatric unit and is admitted to an acute care hospital, the acute care hospital will receive 100 percent of the DRG payment.

When a patient requiring psychiatric care is discharged from a facility other than an acute care hospital on or after October 1, 2006, and is admitted to a psychiatric unit certified pursuant to paragraph 79.1(5) "r," and the admission is medically appropriate, then payment for time spent in the unit is based on a per diem. The other facility will receive payment in accordance with rules governing that facility. When a patient is discharged from a certified psychiatric unit on or after October 1, 2006, and is admitted to a facility other than an acute care hospital, the other facility will receive payment in accordance with rules governing that facility.

*h. Covered DRGs.* Medicaid DRGs cover services provided in acute care general hospitals, with the exception of services provided in physical rehabilitation hospitals and units certified pursuant to paragraph 79.1(5)“r,” and services provided on or after October 1, 2006, in psychiatric units certified pursuant to paragraph 79.1(5)“r,” which are paid per diem, as specified in paragraph 79.1(5)“i.”

*i. Payment for certified physical rehabilitation hospitals and units and psychiatric units.* Payment for services provided by a physical rehabilitation hospital or unit certified pursuant to paragraph 79.1(5)“r” and for services provided on or after October 1, 2006, in a psychiatric unit certified pursuant to paragraph 79.1(5)“r” is prospective. The payment is based on a per diem rate calculated for each hospital by establishing a base-year per diem rate to which an annual index is applied.

(1) Per diem calculation. The base rate shall be the medical assistance per diem rate as determined by the individual hospital’s base-year cost report pursuant to paragraph 79.1(5)“a.” No recognition will be given to the professional component of the hospital-based physicians except as noted under paragraph 79.1(5)“j.”

(2) Rescinded IAB 5/12/93, effective 7/1/93.

(3) Per diem reimbursement. Hospitals shall be reimbursed the lower of actual charges or the medical assistance cost per diem rate. The determination of the applicable rate shall be based on the hospital fiscal year aggregate of actual charges and medical assistance cost per diem rate. If an overpayment exists, the hospital will refund or have the overpayment deducted from subsequent billings.

(4) Per diem recalculation. Hospital prospective reimbursement rates shall be established as of October 1, 1987, for the remainder of the applicable hospital fiscal year. Beginning July 1, 1988, all updated rates shall be established based on the state’s fiscal year.

(5) Per diem billing. The current method for submitting billing and cost reports shall be maintained. All cost reports will be subject to desk review audit and, if necessary, a field audit.

*j. Services covered by DRG payments.* Medicaid adopts the Medicare definition of inpatient hospital services covered by the DRG prospective payment system except as indicated herein. As a result, combined billing for physician services is eliminated unless the hospital has approval from Medicare to combine bill the physician and hospital services. Teaching hospitals having Medicare’s approval to receive reasonable cost reimbursement for physician services under 42 CFR 415.58 as amended to November 25, 1991, are eligible for combined billing status if they have the Medicare approval notice on file with Iowa Medicaid as verification. Reasonable cost settlement will be made during the year-end settlement process. Services provided by certified nurse anesthetists (CRNAs) employed by a physician are covered by the physician reimbursement. Payment for the services of CRNAs employed by the hospital are included in the hospital’s reimbursement.

The cost for hospital-based ambulance transportation that results in an inpatient admission and hospital-based ambulance services performed while the recipient is an inpatient, in addition to all other inpatient services, is covered by the DRG payment. If, during the inpatient stay at the originating hospital, it becomes necessary to transport but not transfer the patient to another hospital or provider for treatment, with the patient remaining an inpatient at the originating hospital after that treatment, the originating hospital shall bear all costs incurred by that patient for the medical treatment or the ambulance transportation between the originating hospital and the other provider. The services furnished to the patient by the other provider shall be the responsibility of the originating hospital. Reimbursement to the originating hospital for all services is under the DRG payment. (See 441—subrule 78.11(4).)

*k. Inflation factors, rebasing, and recalibration.*

(1) Inflation factors shall be set annually at levels that ensure payments that are consistent with efficiency, economy, and quality of care and that are sufficient to enlist enough providers so that care and services are available at least to the extent that such care and services are available to the general population in the geographic area.

(2) Base amounts shall be rebased and weights recalibrated in 2005 and every three years thereafter. Cost reports used in rebasing shall be the hospital fiscal year-end Form CMS 2552, Hospital and Healthcare Complex Cost Report, as submitted to Medicare in accordance with Medicare cost report submission time lines for the hospital fiscal year ending during the calendar year preceding the rebasing

implementation year. If a hospital does not provide this cost report to the Iowa Medicaid enterprise provider cost audits and rate-setting unit by May 31 of a rebasing implementation year, the most recent submitted cost report will be used with the addition of a hospital market basket index inflation factor.

(3) The graduate medical education and disproportionate share fund shall be updated as provided in subparagraphs 79.1(5)“y”(3), (6), and (9).

(4) Hospitals receiving reimbursement as critical access hospitals shall not receive inflation of base payment amounts and shall not have base amounts rebased or weights recalibrated pursuant to this paragraph.

*l. Eligibility and payment.* When a client is eligible for Medicaid for less than or equal to the average length of stay for that DRG, then payment equals 100 percent of the hospital’s average daily rate times the number of eligible hospital stay days up to the amount of the DRG payment. When a Medicaid client is eligible for greater than the average length of stay but less than the entire stay, then payment is treated as if the client were eligible for the entire length of stay.

Long stay outlier days are determined as the number of Medicaid eligible days beyond the outlier limits. The date of patient admission is the first date of service. Long stay outlier costs are accrued only during eligible days.

*m. Payment to out-of-state hospitals.* Payment made to out-of-state hospitals providing care to beneficiaries of Iowa’s Medicaid program is equal to either the Iowa statewide average blended base amount plus the statewide average capital cost add-on, multiplied by the DRG weight, or blended base and capital rates calculated by using 80 percent of the hospital’s submitted capital costs. Hospitals that submit a cost report no later than May 31 in the most recent rebasing year will receive a case-mix-adjusted blended base rate using hospital-specific, Iowa-only Medicaid data and the Iowa statewide average cost per discharge amount.

(1) Capital costs will be reimbursed at either the statewide average rate in place at the time of discharge, or the blended capital rate computed by using submitted cost report data.

(2) Hospitals that qualify for disproportionate share payment based on the definition established by their state’s Medicaid agency for the calculation of the Medicaid inpatient utilization rate will be eligible to receive disproportionate share payments according to paragraph “y.”

(3) If a hospital qualifies for reimbursement for direct medical education or indirect medical education under Medicare guidelines, it shall be reimbursed according to paragraph “y.”

*n. Preadmission, preauthorization, or inappropriate services.* Medicaid adopts most Medicare QIO regulations to control increased admissions or reduced services. Exceptions to the Medicare review practice are that the QIO reviews Medicaid short stay outliers and all Medicaid patients readmitted within 31 days. Payment can be denied if either admissions or discharges are performed without medical justification as determined by the QIO. Inpatient or outpatient services which require preadmission or preprocedure approval by the QIO are updated yearly by the department and are listed in the provider manual. Preauthorization for any of these services is transmitted directly from the QIO to the Iowa Medicaid enterprise and no additional information needs to be submitted as part of the claim filing for inpatient or outpatient services. To safeguard against these and other inappropriate practices, the department through the QIO will monitor admission practices and quality of care. If an abuse of the prospective payment system is identified, payments for abusive practices may be reduced or denied. In reducing or denying payment, Medicaid adopts the Medicare QIO regulations.

*o. Hospital billing.* Hospitals shall normally submit claims for DRG reimbursement to the Iowa Medicaid enterprise after a patient’s discharge.

(1) Payment for outlier days or costs is determined when the claim is paid by the Iowa Medicaid enterprise, as described in paragraph “f.”

(2) When a Medicaid patient requires acute care in the same facility for a period of no less than 120 days, a request for partial payment may be made. Written requests for this interim DRG payment shall be addressed to the Iowa Medicaid Enterprise, Attention: Provider Services Unit, P.O. Box 36450, Des Moines, Iowa 50315. A request for interim payment shall include:

1. The patient’s name, state identification number, and date of admission;
2. A brief summary of the case;

3. A current listing of charges; and
4. A physician's attestation that the recipient has been an inpatient for 120 days and is expected to remain in the hospital for a period of no less than 60 additional days.

A departmental representative will then contact the facility to assist the facility in filing the interim claim.

*p. Determination of inpatient admission.* A person is considered to be an inpatient when a formal inpatient admission occurs, when a physician intends to admit a person as an inpatient, or when a physician determines that a person being observed as an outpatient in an observation or holding bed should be admitted to the hospital as an inpatient.

(1) In cases involving outpatient observation status, the determinant of patient status is not the length of time the patient was being observed, but rather that the observation period was medically necessary for the physician to determine whether a patient should be released from the hospital or admitted to the hospital as an inpatient.

(2) Outpatient observation lasting greater than a 24-hour period will be subject to review by the Iowa Medicaid Enterprise (IME) Medical Services Unit to determine the medical necessity of each case. For those outpatient observation cases where medical necessity is not established by the IME, reimbursement shall be denied for the services found to be unnecessary for the provision of that care, such as the use of the observation room.

*q. Inpatient admission after outpatient services.* A patient may be admitted to the hospital as an inpatient after receiving outpatient services. If the patient is admitted as an inpatient within three days of the day outpatient services were rendered, all outpatient services related to the principal diagnosis are considered inpatient services for billing purposes. The day of formal admission as an inpatient is considered as the first day of hospital inpatient services.

*r. Certification for reimbursement as a special unit or physical rehabilitation hospital.* Certification for Medicaid reimbursement as a substance abuse unit under subparagraph 79.1(5) "b"(1), a neonatal intensive care unit under subparagraph 79.1(5) "b"(2), a psychiatric unit under paragraph 79.1(5) "i," or a physical rehabilitation hospital or unit under paragraph 79.1(5) "i" shall be awarded as provided in this paragraph.

(1) Certification procedure. All hospital special units and physical rehabilitation hospitals must be certified by the Iowa Medicaid enterprise to qualify for Medicaid reimbursement as a special unit or physical rehabilitation hospital. Hospitals shall submit requests for certification to Iowa Medicaid Enterprise, Attention: Provider Services Unit, P.O. Box 36450, Des Moines, Iowa 50315, with documentation that the certification requirements are met. The provider services unit will notify the facility of any additional documentation needed after review of the submitted documentation.

Upon certification, reimbursement as a special unit or physical rehabilitation hospital shall be retroactive to the first day of the month during which the Iowa Medicaid enterprise received the request for certification. No additional retroactive payment adjustment shall be made when a hospital fails to make a timely request for certification.

(2) Certification criteria for substance abuse units. An in-state substance abuse unit may be certified for Medicaid reimbursement under 79.1(5) "b"(1) if the unit's program is licensed by the Iowa department of public health as a substance abuse treatment program in accordance with Iowa Code chapter 125 and 643—Chapter 3. In addition to documentation of the license, an in-state hospital must submit documentation of the specific substance abuse programs available at the facility with a description of their staffing, treatment standards, and population served.

An out-of-state substance abuse unit may be certified for Medicaid reimbursement under 79.1(5) "b"(1) if it is excluded from the Medicare prospective payment system as a psychiatric unit pursuant to 42 Code of Federal Regulations, Sections 412.25 and 412.27, as amended to September 1, 1994. An out-of-state hospital requesting reimbursement as a substance abuse unit must initially submit a copy of its current Medicare prospective payment system exemption notice, unless the facility had certification for reimbursement as a substance abuse unit before July 1, 1993. All out-of-state hospitals certified for reimbursement for substance abuse units must submit copies of new Medicare prospective payment system exemption notices as they are issued, at least annually.

(3) Certification criteria for neonatal intensive care units. A neonatal intensive care unit may be certified for Medicaid reimbursement under 79.1(5) “b”(2) if it is certified as a level II or level III neonatal unit and the hospital where it is located is accredited by the Joint Commission on Accreditation of Healthcare Organizations or the American Osteopathic Association. The Iowa Medicaid enterprise shall verify the unit’s certification as a level II or level III neonatal unit in accordance with recommendations set forth by the American Academy of Pediatrics for newborn care. Neonatal units in Iowa shall be certified by the Iowa department of public health pursuant to 641—Chapter 150. Out-of-state units shall submit proof of level II or level III certification.

(4) Certification criteria for psychiatric units. A psychiatric unit may be certified for Medicaid reimbursement under paragraph 79.1(5) “i” if it is excluded from the Medicare prospective payment system as a psychiatric unit pursuant to 42 Code of Federal Regulations, Sections 412.25 and 412.27 as amended to August 1, 2002.

(5) Certification criteria for physical rehabilitation hospitals and units. A physical rehabilitation hospital or unit may be certified for Medicaid reimbursement under 79.1(5) “i” if it receives or qualifies to receive Medicare reimbursement as a rehabilitative hospital or unit pursuant to 42 Code of Federal Regulations, Sections 412.600 through 412.632 (Subpart P), as amended to January 1, 2002, and the hospital is accredited by the Joint Commission on Accreditation of Healthcare Organizations or the American Osteopathic Association.

*s. Health care access assessment inflation factor.* Effective with the implementation of the health care access assessment paid pursuant to 441—Chapter 36, Division III, a health care access assessment inflation factor shall be applied to the Medicaid DRG blended base amount as otherwise calculated pursuant to this subrule for all “participating hospitals” as defined in 441—subrule 36.10(1).

(1) Calculation of inflation factor. The health care access assessment inflation factor for participating hospitals shall be calculated by dividing the amount allowed under the Medicare inpatient upper payment limit for the fiscal year beginning July 1, 2010, by the sum of the projected expenditures for participating hospitals for the fiscal year beginning July 1, 2010, as determined by the fiscal management division of the department, and the amount allowed under the Medicare inpatient upper payment limit.

(2) Implementation date. The health care access assessment inflation factor shall not be applied until federal financial participation to match money collected from the health care access assessment pursuant to 441—Chapter 36, Division III, has been approved by the federal Centers for Medicare and Medicaid Services.

(3) End date. Application of the health care access assessment inflation factor shall terminate if the health care access assessment is terminated pursuant to rule 441—36.12(83GA,SF2388). If federal match money is unavailable for a retroactive period or the authority to collect the assessment is rescinded for a retroactive period, the department shall:

1. Recalculate Medicaid rates in effect during that period without the application of the health care access assessment inflation factor;
2. Recompute Medicaid payments due based on the recalculated Medicaid rates;
3. Recoup any previous overpayments; and
4. Determine for each hospital the amount of health care access assessment collected during that period and refund that amount to the facility.

*t. Limitations and application of limitations on payment.* Diagnosis-related group payments are subject to the upper payment limits as stated in 42 CFR 447.271 and 42 CFR 447.272 as amended to September 5, 2001.

(1) The department may not pay a provider more for inpatient hospital services under Medicaid than the provider’s customary charges to the general public for the services. This limit is applied in the aggregate during the cost settlement process at the end of the hospital’s fiscal year.

(2) Aggregate payments to hospitals and state-operated hospitals may not exceed the amount that can reasonably be estimated would have been paid for those services under Medicare payment principles. This limit is applied to aggregate Medicaid payments at the end of the state’s fiscal year.

*u. State-owned teaching hospital disproportionate share payment.* In addition to payments from the graduate medical education and disproportionate share fund made pursuant to paragraph 79.1(5)“y,” payment shall be made to Iowa hospitals qualifying for the Iowa state-owned teaching hospital disproportionate share fund. Interim monthly payments based on estimated allowable costs will be paid to qualifying hospitals under this paragraph.

(1) Qualifying criteria. A hospital qualifies for Iowa state-owned teaching hospital disproportionate share payments if it qualifies for disproportionate share payments pursuant to paragraph 79.1(5)“y” and is an Iowa state-owned hospital with more than 500 beds and eight or more distinct residency specialty or subspecialty programs recognized by the American College of Graduate Medical Education.

(2) Allocation to fund. The total amount of funding that is allocated on July 1 of each year to the Iowa state-owned teaching hospital disproportionate share fund is \$26,633,430.

(3) Amount of payment. The total amount of disproportionate share payments from the graduate medical education and disproportionate share fund and from the Iowa state-owned teaching hospital disproportionate share fund shall not exceed the amount of the state’s allotment under Public Law 102-234. In addition, the total amount of all disproportionate share payments shall not exceed the hospital-specific disproportionate share limits under Public Law 103-666.

(4) Final disproportionate share adjustment. The department’s total year-end disproportionate share obligations to a qualifying hospital will be calculated following completion of the desk review or audit of CMS 2552-96, Hospital and Healthcare Complex Cost Report.

*v. Non-state-owned teaching hospital disproportionate share payment.* In addition to payments from the graduate medical education and disproportionate share fund made pursuant to paragraph 79.1(5)“y,” payment shall be made to Iowa hospitals qualifying for Iowa non-state-government-owned acute care teaching hospital disproportionate share payments. Interim monthly payments based on estimated allowable costs will be paid to qualifying hospitals under this paragraph.

(1) Qualifying criteria. A hospital qualifies for the Iowa non-state-government-owned acute care teaching hospital disproportionate share payments if it qualifies for disproportionate share payments pursuant to paragraph 79.1(5)“y” and is an Iowa non-state-government-owned acute care teaching hospital located in a county with a population over 350,000.

(2) Amount of payment. The total amount of disproportionate share payments pursuant to paragraph 79.1(5)“y” and the Iowa non-state-government-owned acute care teaching hospital disproportionate share payments shall not exceed the amount of the state’s allotment under Public Law 102-234. In addition, the total amount of all disproportionate share payments shall not exceed the hospital-specific disproportionate share limits under Public Law 103-666.

(3) Final disproportionate share adjustment. The department’s total year-end disproportionate share obligations to a qualifying hospital will be calculated following completion of the desk review or audit of CMS 2552-96, Hospital and Healthcare Complex Cost Report. The department’s total year-end disproportionate share obligation shall not exceed the difference between \$51 million and the actual IowaCare expansion population claims submitted and paid by the Iowa Medicaid enterprise.

*w. Rate adjustments for hospital mergers.* When one or more hospitals merge to form a distinctly different legal entity, the base rate plus applicable add-ons will be revised to reflect this new entity. Financial information from the original cost reports and original rate calculations will be added together and averaged to form the new rate for that entity.

*x.* For cost reporting periods beginning on or after July 1, 1993, reportable Medicaid administrative and general expenses are allowable only to the extent that they are defined as allowable using Medicare Reimbursement Principles or Health Insurance Reimbursement Manual 15 (HIM-15). Appropriate, reportable costs are those that meet the Medicare (or HIM-15) principles, are reasonable, and are directly related to patient care. In instances where costs are not directly related to patient care or are not in accord with Medicare Principles of Reimbursement, inclusion of those costs in the cost report would not be appropriate. Examples of administrative and general costs that must be related to patient care to be included as a reportable cost in the report are:

- (1) Advertising.
- (2) Promotional items.

- (3) Feasibility studies.
- (4) Administrative travel and entertainment.
- (5) Dues, subscriptions, or membership costs.
- (6) Contributions made to other organizations.
- (7) Home office costs.
- (8) Public relations items.
- (9) Any patient convenience items.
- (10) Management fees for administrative services.
- (11) Luxury employee benefits (i.e., country club dues).
- (12) Motor vehicles for other than patient care.
- (13) Reorganization costs.

y. *Graduate medical education and disproportionate share fund.* Payment shall be made to all hospitals qualifying for direct medical education, indirect medical education, or disproportionate share payments directly from the graduate medical education and disproportionate share fund. The requirements to receive payments from the fund, the amounts allocated to the fund, and the methodology used to determine the distribution amounts from the fund are as follows:

(1) Qualifying for direct medical education. Hospitals qualify for direct medical education payments if direct medical education costs that qualify for payment as medical education costs under the Medicare program are contained in the hospital's base year cost report and in the most recent cost report submitted before the start of the state fiscal year for which payments are being made.

(2) Allocation to fund for direct medical education. The total state fiscal year annual amount of funding that is allocated to the graduate medical education and disproportionate share fund for direct medical education related to inpatient services is \$8,210,006. If a hospital fails to qualify for direct medical education payments from the fund because the hospital does not report direct medical education costs that qualify for payment as medical education costs under the Medicare program in the most recent cost report submitted before the start of the state fiscal year for which payments are being made, the amount of money that would have been paid to that hospital shall be removed from the fund.

(3) Distribution to qualifying hospitals for direct medical education. Distribution of the amount in the fund for direct medical education shall be on a monthly basis. To determine the amount to be distributed to each qualifying hospital for direct medical education, the following formula is used:

1. Multiply the total of all DRG weights for claims paid from the GME/DSH fund apportionment claim set for each hospital reporting direct medical education costs that qualify for payment as medical education costs under the Medicare program in the hospital's base year cost report by each hospital's direct medical education rate to obtain a dollar value.

2. Sum the dollar values for each hospital, then divide each hospital's dollar value by the total dollar value, resulting in a percentage.

3. Multiply each hospital's percentage by the amount allocated for direct medical education to determine the payment to each hospital.

(4) Qualifying for indirect medical education. Hospitals qualify for indirect medical education payments from the fund when they receive a direct medical education payment from Iowa Medicaid and qualify for indirect medical education payments from Medicare. Qualification for indirect medical education payments is determined without regard to the individual components of the specific hospital's teaching program, state ownership, or bed size.

(5) Allocation to fund for indirect medical education. The total state fiscal year annual amount of funding that is allocated to the graduate medical education and disproportionate share fund for indirect medical education related to inpatient services is \$14,415,396. If a hospital fails to qualify for indirect medical education payments from the fund because the hospital does not report direct medical education costs that qualify for payment as medical education costs under the Medicare program in the most recent cost report submitted before the start of the state fiscal year for which payments are being made, the amount of money that would have been paid to that hospital shall be removed from the fund.

(6) Distribution to qualifying hospitals for indirect medical education. Distribution of the amount in the fund for indirect medical education shall be on a monthly basis. To determine the amount to be distributed to each qualifying hospital for indirect medical education, the following formula is used:

1. Multiply the total of all DRG weights for claims paid from the GME/DSH fund apportionment claim set for each hospital reporting direct medical education costs that qualify for payment as medical education costs under the Medicare program in the hospital's base year cost report by each hospital's indirect medical education rate to obtain a dollar value.

2. Sum the dollar values for each hospital, then divide each hospital's dollar value by the total dollar value, resulting in a percentage.

3. Multiply each hospital's percentage by the amount allocated for indirect medical education to determine the payment to each hospital.

(7) Qualifying for disproportionate share. For months beginning with July 2002, hospitals qualify for disproportionate share payments from the fund when the hospital's low-income utilization rate exceeds 25 percent, when the hospital's Medicaid inpatient utilization rate exceeds one standard deviation from the statewide average Medicaid utilization rate, or when the hospital qualifies as a children's hospital under subparagraph (10). Information contained in the hospital's base year cost report is used to determine the hospital's low-income utilization rate and the hospital's Medicaid inpatient utilization rate.

For those hospitals that qualify for disproportionate share under both the low-income utilization rate definition and the Medicaid inpatient utilization rate definition, the disproportionate share percentage shall be the greater of (1) the product of 2½ percent multiplied by the number of standard deviations by which the hospital's own Medicaid inpatient utilization rate exceeds the statewide mean Medicaid inpatient utilization rate for all hospitals, or (2) 2½ percent.

For those hospitals that qualify for disproportionate share under the low-income utilization rate definition, but do not qualify under the Medicaid inpatient utilization rate definition, the disproportionate share percentage shall be 2½ percent.

For those hospitals that qualify for disproportionate share under the Medicaid inpatient utilization rate definition, but do not qualify under the low-income utilization rate definition, the disproportionate share percentage shall be the product of 2½ percent multiplied by the number of standard deviations by which the hospital's own Medicaid inpatient utilization rate exceeds the statewide mean Medicaid inpatient utilization rate for all hospitals.

For those hospitals that qualify for disproportionate share as a children's hospital, the disproportionate share percentage shall be the greater of (1) the product of 2½ percent multiplied by the number of standard deviations by which the Medicaid inpatient utilization rate for children under 18 years of age at the time of admission in all areas of the hospital where services are provided predominantly to children under 18 years of age exceeds the statewide mean Medicaid inpatient utilization rate for all hospitals, or (2) 2½ percent.

Additionally, a qualifying hospital other than a children's hospital must also have at least two obstetricians who have staff privileges at the hospital and who have agreed to provide obstetric services to Medicaid-eligible persons who are in need of obstetric services. In the case of a hospital located in a rural area as defined in Section 1886 of the Social Security Act, the term "obstetrician" includes any physician with staff privileges at the hospital to perform nonemergency obstetric procedures.

Out-of-state hospitals serving Iowa Medicaid patients qualify for disproportionate share payments from the fund based on their state Medicaid agency's calculation of the Medicaid inpatient utilization rate. The disproportionate share percentage is calculated using the number of standard deviations by which the hospital's own state Medicaid inpatient utilization rate exceeds the hospital's own statewide mean Medicaid inpatient utilization rate.

Hospitals qualify for disproportionate share payments from the fund without regard to the facility's status as a teaching facility or bed size.

Hospitals receiving reimbursement as critical access hospitals shall not qualify for disproportionate share payments from the fund.

(8) Allocation to fund for disproportionate share. The total state fiscal year annual amount of funding that is allocated to the graduate medical education and disproportionate share fund for disproportionate share payments is \$6,890,959. If a hospital fails to qualify for disproportionate share payments from the fund due to closure or for any other reason, the amount of money that would have been paid to that hospital shall be removed from the fund.

(9) Distribution to qualifying hospitals for disproportionate share. Distribution of the amount in the fund for disproportionate share shall be on a monthly basis. To determine the amount to be distributed to each qualifying hospital for disproportionate share, the following formula is used:

1. Multiply the total of all DRG weights for claims paid from the GME/DSH fund apportionment claim set for each hospital that met the qualifications during the fiscal year used to determine the hospital's low-income utilization rate and Medicaid utilization rate (or for children's hospitals, during the preceding state fiscal year) by each hospital's disproportionate share rate to obtain a dollar value. For any hospital that qualifies for a disproportionate share payment only as a children's hospital, only the DRG weights for claims paid for services rendered to patients under 18 years of age at the time of admission in all distinct areas of the hospital where services are provided predominantly to children under 18 years of age shall be used in this calculation.

2. Sum the dollar values for each hospital, then divide each hospital's dollar value by the total dollar value, resulting in a percentage.

3. Multiply each hospital's percentage by the amount allocated for disproportionate share to determine the payment to each hospital.

In compliance with Medicaid Voluntary Contribution and Provider-Specific Tax Amendments of 1991 (Public Law 102-234) and 1992 Iowa Acts, chapter 1246, section 13, the total of disproportionate share payments from the GME/DSH fund and supplemental disproportionate share of payments pursuant to paragraph 79.1(5) "u" or 79.1(5) "v" cannot exceed the amount of the federal cap under Public Law 102-234.

(10) Qualifying for disproportionate share as a children's hospital. A licensed hospital qualifies for disproportionate share payments as a children's hospital if the hospital provides services predominantly to children under 18 years of age or includes a distinct area or areas providing services predominantly to children under 18 years of age, is a voting member of the National Association of Children's Hospitals and Related Institutions, and has Medicaid utilization and low-income utilization rates of 1 percent or greater for children under 18 years of age at the time of admission in all distinct areas of the hospital where services are provided predominantly to children under 18 years of age.

A hospital wishing to qualify for disproportionate share payments as a children's hospital for any state fiscal year beginning on or after July 1, 2002, must provide the following information to the Iowa Medicaid enterprise provider cost audits and rate-setting unit within 20 business days of a request by the department:

1. Base year cost reports.
2. Medicaid claims data for children under the age of 18 at the time of admission to the hospital in all distinct areas of the hospital where services are provided predominantly to children under 18 years of age.
3. Other information needed to determine a disproportionate share rate encompassing the periods used to determine the disproportionate share rate and distribution amounts.

*z. Final settlement for state-owned teaching hospital.*

(1) Effective July 1, 2010, total annual payments to an Iowa state-owned hospital for inpatient and outpatient hospital services shall equal 100 percent of allowable medical assistance program costs, not to exceed the sum of the following:

1. Payments for inpatient hospital services calculated in accordance with subrule 79.1(5), plus
2. Payment for outpatient hospital services calculated in accordance with subrule 79.1(16), plus
3. \$9,900,000.

(2) One-twelfth of the \$9,900,000 increase in reimbursement shall be distributed to the hospital on a monthly basis.

(3) The Iowa Medicaid Enterprise shall complete a final settlement based on the hospital's Medicare cost report. If the aggregate payments are less than the hospital's actual medical assistance program costs, no additional payment shall be made.

(4) If the sum of the inpatient hospital service payments plus outpatient hospital service payments plus the \$9,900,000 exceeds 100 percent of allowable inpatient and outpatient costs, the department shall request and collect from the hospital the amount by which payments exceed actual medical assistance program costs.

*aa. Retrospective adjustment for critical access hospitals.* Payments to critical access hospitals pursuant to paragraphs 79.1(5) "a" to "z" are subject to a retrospective adjustment equal to the difference between the reasonable costs of covered services provided to eligible fee-for-service Medicaid members (excluding members in managed care), based on the hospital's annual cost reports and Medicare cost principles, and the Medicaid fee-for-service reimbursement received pursuant to paragraphs 79.1(5) "a" to "z." Amounts paid before adjustment that exceed reasonable costs shall be recovered by the department.

(1) The base rate upon which the DRG payment is built shall be changed after any retrospective adjustment to reflect, as accurately as is possible, the reasonable costs of providing the covered service to eligible fee-for-service Medicaid members for the coming year using the most recent utilization as submitted to the Iowa Medicaid enterprise provider cost audit and rate-setting unit and Medicare cost principles.

(2) Once a hospital begins receiving reimbursement as a critical access hospital, the prospective DRG base rate is not subject to inflation factors, rebasing, or recalibration as provided in paragraph 79.1(5) "k."

**79.1(6) Independent laboratories.** The maximum payment for clinical diagnostic laboratory tests performed by an independent laboratory will be the areawide fee schedule established by the Centers for Medicare and Medicaid Services (CMS). The fee schedule is based on the definition of laboratory procedures from the Physician's Current Procedural Terminology (CPT) published by the American Medical Association. The fee schedules are adjusted annually by CMS to reflect changes in the Consumer Price Index for All Urban Consumers.

**79.1(7) Physicians.**

*a. Fee schedule.* The fee schedule is based on the definitions of medical and surgical procedures given in the most recent edition of Physician's Current Procedural Terminology (CPT). Refer to 441—paragraph 78.1(2) "e" for the guidelines for immunization replacement.

*b. Supplemental payments.* Rescinded IAB 7/6/05, effective 7/1/05.

**79.1(8) Drugs.** The amount of payment shall be based on several factors, subject to the upper limits in 42 CFR 447.500 to 447.520 as amended to October 7, 2008. The Medicaid program relies on information published by Medi-Span to classify drugs as brand-name or generic. Specialty drugs include biological drugs, blood-derived products, complex molecules, and select oral, injectable, and infused medications identified by the department and published on the specialty drug list.

*a.* Reimbursement for covered generic prescription drugs shall be the lowest of the following, as of the date of dispensing:

(1) The estimated acquisition cost, defined:

1. For covered nonspecialty generic prescription drugs, as the average wholesale price as published by Medi-Span less 12 percent, plus the professional dispensing fee specified in paragraph "g"; or

2. For covered specialty generic prescription drugs, as the average wholesale price as published by Medi-Span less 17 percent, plus the professional dispensing fee specified in paragraph "g."

(2) The maximum allowable cost (MAC), defined as the upper limit for multiple source drugs established in accordance with the methodology of Centers for Medicare and Medicaid Services as described in 42 CFR 447.514, plus the professional dispensing fee specified in paragraph "g."

(3) The state maximum allowable cost (SMAC), defined as the average wholesale acquisition cost for a generic drug (the average price pharmacies pay to obtain the generic drug as evidenced by purchase records) adjusted by a multiplier of 1.2, plus the professional dispensing fee specified in paragraph "g."

- (4) The submitted charge, representing the provider's usual and customary charge for the drug.
- b. Reimbursement for covered brand-name prescription drugs shall be the lower of the following, as of the date of dispensing:
- (1) The estimated acquisition cost, defined:
1. For covered nonspecialty brand-name prescription drugs, as the average wholesale price as published by Medi-Span less 12 percent, plus the professional dispensing fee specified in paragraph "g"; or
2. For covered specialty brand-name prescription drugs, as the average wholesale price as published by Medi-Span less 17 percent, plus the professional dispensing fee specified in paragraph "g."
- (2) The submitted charge, representing the provider's usual and customary charge for the drug.
- c. No payment shall be made for sales tax.
- d. All hospitals that wish to administer vaccines which are available through the vaccines for children program to Medicaid members shall enroll in the vaccines for children program. In lieu of payment, vaccines available through the vaccines for children program shall be accessed from the department of public health for Medicaid members. Hospitals receive reimbursement for the administration of vaccines to Medicaid members through the DRG reimbursement for inpatients and APC reimbursement for outpatients.
- e. The basis of payment for nonprescription drugs shall be the same as specified in paragraph "a" except that the department shall establish a maximum allowable reimbursable cost for these drugs using the average wholesale prices of the chemically equivalent products available. The department shall set the maximum allowable reimbursable cost at the median of those average wholesale prices. No exceptions for higher reimbursement will be approved.
- f. An additional reimbursement amount of one cent per dose shall be added to the allowable ingredient cost of a prescription for an oral solid if the drug is dispensed to a patient in a nursing home in unit dose packaging prepared by the pharmacist.
- g. For services rendered on or after July 1, 2010, the professional dispensing fee is \$4.34 or the pharmacy's usual and customary fee, whichever is lower.
- h. For purposes of this subrule, "equivalent products" shall be those that meet therapeutic equivalent standards as published in the federal Food and Drug Administration document, "Approved Prescription Drug Products With Therapeutic Equivalence Evaluations."
- i. Pharmacies and providers that are enrolled in the Iowa Medicaid program shall make available drug acquisition cost information, product availability information, and other information deemed necessary by the department to assist the department in monitoring and revising reimbursement rates subject to 79.1(8) "a"(3) and 79.1(8) "c" and for the efficient operation of the pharmacy benefit.
- (1) Pharmacies and providers shall produce and submit the requested information in the manner and format requested by the department or its designee at no cost to the department or its designee.
- (2) Pharmacies and providers shall submit information to the department or its designee within 30 days following receipt of a request for information unless the department or its designee grants an extension upon written request of the pharmacy or provider.
- j. Savings in Medicaid reimbursements attributable to the SMAC shall be used to pay costs associated with determination of the SMAC, before reversion to Medicaid.

**79.1(9) HCBS consumer choices financial management.**

a. *Monthly allocation.* A financial management service provider shall receive a monthly fee as established in subrule 79.1(2) for each consumer electing to work with that provider under the HCBS consumer choices option. The financial management service provider shall also receive monthly the consumer's individual budget amount as determined under 441—paragraph 78.34(13) "b," 78.37(16) "b," 78.38(9) "b," 78.41(15) "b," 78.43(15) "b," or 78.46(6) "b."

b. *Cost settlement.* The financial management service shall pay from the monthly allocated individual budget amount for independent support broker service, self-directed personal care services, individual-directed goods and services, and self-directed community supports and employment as authorized by the consumer. On a quarterly basis during the federal fiscal year, the department shall

perform a cost settlement. The cost settlement represents the difference between the amount received for the allocated individual budget and the amount actually utilized.

*c. Start-up grants.* A qualifying financial management service provider may be reimbursed up to \$10,000 for the costs associated for starting the service.

(1) Start-up reimbursement shall be issued as long as funds for this purpose are available from the Robert Wood Johnson Foundation or until September 30, 2007.

(2) Funds will not be distributed until the provider meets all of the following criteria:

1. The provider shall meet the requirements to be certified to participate in an HCBS waiver program as set forth in 441—subrule 77.30(13), 77.33(16), 77.34(9), 77.37(28), 77.39(26), or 77.41(7), including successful completion of a readiness review as approved by the department.

2. The provider shall enter into an agreement with the department to provide statewide coverage for not less than one year from the date that the funds are distributed.

3. The provider shall submit to the department for approval a budget identifying the costs associated with starting financial management service.

(3) If the provider fails to continue to meet these qualifications after the funds have been distributed, the department may recoup all or part of the funds paid to the provider.

**79.1(10) Prohibition against reassignment of claims.** No payment under the medical assistance program for any care or service provided to a patient by any health care provider shall be made to anyone other than the providers. However with respect to physicians, dentists or other individual practitioners direct payment may be made to the employer of the practitioner if the practitioner is required as a condition of employment to turn over fees to the employer; or where the care or service was provided in a facility, to the facility in which the care or service was provided if there is a contractual arrangement between the practitioner and the facility whereby the facility submits the claim for reimbursement; or to a foundation, plan or similar organization including a health maintenance organization which furnishes health care through an organized health care delivery system if there is a contractual agreement between organization and the person furnishing the service under which the organization bills or receives payment for the person's services. Payment may be made in accordance with an assignment from the provider to a government agency or an assignment made pursuant to a court order. Payment may be made to a business agent, such as a billing service or accounting firm, which renders statements and receives payment in the name of the provider when the agent's compensation for this service is (1) reasonably related to the cost or processing the billing; (2) not related on a percentage or other basis to the dollar amounts to be billed or collected; and (3) not dependent upon the actual collection of payment. Nothing in this rule shall preclude making payment to the estate of a deceased practitioner.

**79.1(11) Prohibition against factoring.** Payment under the medical assistance program for any care or service furnished to an individual by providers as specified in 79.1(1) shall not be made to or through a factor either directly or by virtue of power of attorney given by the provider to the factor. A factor is defined as an organization, collection agency, or service bureau which, or an individual who, advances money to a provider for accounts receivable which have been assigned or sold or otherwise transferred including transfer through the use of power of attorney to the organization or individual for an added fee or reduction of a portion of the accounts receivable. The term factor does not include business representatives such as billing agents or accounting firms which render statements and receive payments in the name of the individual provider provided that the compensation of the business representative for the service is reasonably related to the cost of processing the billings and is not related on a percentage or other basis to the dollar amounts to be billed or collected.

**79.1(12) Reasonable charges for services, supplies, and equipment.** For selected medical services, supplies, and equipment, including equipment servicing, which in the judgment of the Secretary of the Department of Health and Human Services generally do not vary significantly in quality from one provider to another, the upper limits for payments shall be the lowest charges for which the devices are widely and consistently available in a locality. For those selected services and items furnished under part B of Medicare and Medicaid, the upper limits shall be the lowest charge levels recognized under Medicare. For those selected services and items furnished only under Medicaid, the upper limits shall

be the lowest charge levels determined by the department according to the Medicare reimbursement method.

*a.* For any noninstitutional item or service furnished under both Medicare and Medicaid, the department shall pay no more than the reasonable charge established for that item or service by the part B Medicare carrier serving part or all of Iowa. Noninstitutional services do not include practitioner's services, such as physicians, pharmacies, or out-patient hospital services.

*b.* For all other noninstitutional items or services furnished only under Medicaid, the department shall pay no more than the customary charge for a provider or the prevailing charges in the locality for comparable items or services under comparable circumstances, whichever is lower.

**79.1(13) Copayment by member.** A copayment in the amount specified shall be charged to members for the following covered services:

*a.* The member shall pay a copayment for each covered prescription or refill of any covered drug as follows:

(1) One dollar for generic drugs and preferred brand-name drugs. Any brand-name drug that is not subject to prior approval based on nonpreferred status on the preferred drug list published by the department pursuant to Iowa Code section 249A.20A shall be treated as a preferred brand-name drug.

(2) Rescinded IAB 7/6/05, effective 7/1/05.

(3) One dollar for nonpreferred brand-name drugs for which the cost to the state is less than \$25.

(4) Two dollars for nonpreferred brand-name drugs for which the cost to the state is \$25.01 to \$50.

(5) Three dollars for nonpreferred brand-name drugs for which the cost to the state is \$50.01 or more.

(6) For the purpose of this paragraph, the cost to the state is determined without regard to federal financial participation in the Medicaid program or to any rebates received.

*b.* The member shall pay \$1 copayment for total covered service rendered on a given date for podiatrists' services, chiropractors' services, and services of independently practicing physical therapists.

*c.* The member shall pay \$2 copayment for total covered services rendered on a given date for medical equipment and appliances, prosthetic devices and medical supplies as defined in 441—78.10(249A), orthopedic shoes, services of audiologists, services of hearing aid dealers except the hearing aid, services of optometrists, opticians, rehabilitation agencies, and psychologists, and ambulance services.

*d.* The member shall pay \$3 copayment for:

(1) Total covered service rendered on a given date for dental services and hearing aids.

(2) All covered services rendered in a physician office visit on a given date. For the purposes of this subparagraph, "physician" means either a doctor of allopathic medicine (M.D.) or a doctor of osteopathic medicine (D.O.), as defined under rule 441—77.1(249A).

*e.* Copayment charges are not applicable to persons under age 21.

*f.* Copayment charges are not applicable to family planning services or supplies.

*g.* Copayment charges are not applicable for a member receiving care in a hospital, nursing facility, state mental health institution, or other medical institution if the person is required, as a condition of receiving services in the institution, to spend for costs of necessary medical care all but a minimal amount of income for personal needs.

*h.* The member shall pay \$1 for each federal Medicare Part B crossover claim submitted to the Medicaid program when the services provided have a Medicaid copayment as set forth above.

*i.* Copayment charges are not applicable to services furnished pregnant women.

*j.* All providers are prohibited from offering or providing copayment related discounts, rebates, or similar incentives for the purpose of soliciting the patronage of Medicaid members.

*k.* Copayment charges are not applicable for emergency services. Emergency services are defined as services provided in a hospital, clinic, office, or other facility that is equipped to furnish the required care, after the sudden onset of a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain), that the absence of immediate medical attention could reasonably be expected to result in:

- (1) Placing the patient's health in serious jeopardy,
- (2) Serious impairment to bodily functions, or
- (3) Serious dysfunction of any bodily organ or part.

*l.* Copayment charges are not applicable for services rendered by a health maintenance organization in which the member is enrolled.

*m.* No provider of service participating in the Medicaid program may deny care or services to a person eligible for care or services under the program because of the person's inability to pay a copayment. However, this rule does not change the fact that a member is liable for the charges and it does not preclude the provider from attempting to collect them.

**79.1(14) Reimbursement for hospice services.**

*a.* Medicaid hospice rates. The Medicaid hospice rates are based on the methodology used in setting Medicare rates, adjusted to disregard cost offsets attributable to Medicare coinsurance amounts, and with application of the appropriate area wage adjustments for the categories of care provided.

Hospices are reimbursed at one of four predetermined rates based on the level of care furnished to the individual for that day. Payments to a hospice for inpatient care are subject to the limitations imposed by Medicare. The levels of care into which each day of care is classified are as follows:

- (1) Routine home care.
- (2) Continuous home care.
- (3) Inpatient respite care.
- (4) General inpatient care.

*b.* Adjustment to hospice rates. An adjustment to hospice reimbursement is made when a recipient residing in a nursing facility elects the hospice benefit. The adjustment will be a room and board rate that is equal to the rate at which the facility is paid for reserved bed days or 95 percent of the facility's Medicaid reimbursement rate, whichever is greater. Room and board services include the performance of personal care services, including assistance in activities of daily living, socializing activities, administration of medication, maintaining the cleanliness of a resident's room and supervising and assisting in the use of durable medical equipment and prescribed therapies.

For hospice recipients entering a nursing facility the adjustment will be effective the date of entry. For persons in nursing facilities prior to hospice election, the adjustment rate shall be effective the date of election.

For individuals who have client participation amounts attributable to their cost of care, the adjustment to the hospice will be reduced by the amount of client participation as determined by the department. The hospice will be responsible for collecting the client participation amount due the hospice unless the hospice and the nursing facility jointly determine the nursing facility is to collect the client participation.

*c.* Payment for day of discharge. For the day of discharge from an inpatient unit, the appropriate home care rate is to be paid unless the recipient dies as an inpatient. When the recipient is discharged as deceased, the inpatient rate (general or respite) is to be paid for the discharge date.

*d.* Hospice cap. Overall aggregate payments made to a hospice during a hospice cap period are limited or capped. The hospice cap year begins November 1 and ends October 31 of the next year. The cap amount for each hospice is calculated by multiplying the number of beneficiaries electing hospice care from that hospice during the cap period by the base statutory amount, adjusted to reflect the percentage increase or decrease in the medical care expenditure category of the Consumer Price Index for all urban consumers published by the Bureau of Labor Statistics. Payments made to a hospice but not included in the cap include room and board payment to a nursing home. Any payment in excess of the cap must be refunded to the department by the hospice.

*e.* Limitation of payments for inpatient care. Payments to a hospice for inpatient care shall be limited according to the number of days of inpatient care furnished to Medicaid patients. During the 12-month period beginning November 1 of each year and ending October 31, the aggregate number of inpatient days (both for general inpatient care and inpatient respite care) shall not exceed 20 percent of the aggregate total number of days of hospice care provided to all Medicaid recipients during that same period. Medicaid recipients afflicted with acquired immunodeficiency syndrome (AIDS) are excluded in calculating this inpatient care limitation. This limitation is applied once each year, at the end of the

hospices' "cap period" (November 1 to October 31). For purposes of this computation, if it is determined that the inpatient rate should not be paid, any days for which the hospice receives payment at a home care rate will not be counted as inpatient days. The limitation is calculated as follows:

(1) The maximum allowable number of inpatient days will be calculated by multiplying the total number of days of Medicaid hospice care by 0.2.

(2) If the total number of days of inpatient care furnished to Medicaid hospice patients is less than or equal to the maximum, no adjustment will be necessary.

(3) If the total number of days of inpatient care exceeded the maximum allowable number, the limitation will be determined by:

1. Calculating a ratio of the maximum allowable days to the number of actual days of inpatient care, and multiplying this ratio by the total reimbursement for inpatient care (general inpatient and inpatient respite reimbursement) that was made.

2. Multiplying excess inpatient care days by the routine home care rate.

3. Adding together the amounts calculated in "1" and "2."

4. Comparing the amount in "3" with interim payments made to the hospice for inpatient care during the "cap period."

Any excess reimbursement shall be refunded by the hospice.

*f.* Location of services. Claims must identify the geographic location where the service is provided (as distinct from the location of the hospice).

**79.1(15)** *HCBS retrospectively limited prospective rates.* This methodology applies to reimbursement for HCBS supported community living; HCBS family and community support services; HCBS supported employment enhanced job search activities; HCBS interim medical monitoring and treatment when provided by an HCBS-certified supported community agency; HCBS respite when provided by nonfacility providers, camps, home care agencies, or providers of residential-based supported community living; and HCBS group respite provided by home health agencies.

*a. Reporting requirements.*

(1) Providers shall submit cost reports for each waiver service provided using Form 470-0664, Financial and Statistical Report for Purchase of Service, and Form 470-3449, Supplemental Schedule. The cost reporting period is from July 1 to June 30. The completed cost reports shall be submitted to the IME Provider Cost Audits and Rate-Setting Unit, P.O. Box 36450, Des Moines, Iowa 50315, or by electronic mail to [costaudit@dhs.state.ia.us](mailto:costaudit@dhs.state.ia.us), by September 30 of each year.

(2) If a provider chooses to leave the HCBS program or terminates a service, a final cost report shall be submitted within 60 days of termination for retrospective adjustment.

(3) Costs reported under the waiver shall not be reported as reimbursable costs under any other funding source. Costs incurred for other services shall not be reported as reimbursable costs under the waiver.

(4) Financial information shall be based on the agency's financial records. When the records are not kept on an accrual basis of accounting, the provider shall make the adjustments necessary to convert the information to an accrual basis for reporting. Providers which are multiple program agencies shall submit a cost allocation schedule, prepared in accordance with generally accepted accounting principles.

(5) Failure to maintain records to support the cost reports may result in termination of the provider's HCBS certification.

(6) The department may require that an opinion of a certified public accountant or public accountant accompany the report when adjustments made to prior reports indicate noncompliance with reporting instructions.

(7) A 30-day extension for submitting the cost reports due by September 30 may be obtained by submitting a letter to the bureau of long-term care by September 30. No extensions will be granted beyond 30 days.

(8) Failure to submit a report that meets the requirements of this paragraph by September 30 or an extended deadline granted per subparagraph (7) shall reduce payment to 76 percent of the current rate. The reduced rate shall be paid for not longer than three months, after which time no further payments will be made.

*b. Home- and community-based general rate criteria.*

(1) To receive reimbursement for services, a certified provider shall enter into an agreement with the department on Form 470-2918, HCBS Waiver Agreement, and have an approved service plan for the consumer.

(2) The rates a provider may charge are subject to limits established in subrule 79.1(2).

(3) Indirect administrative costs shall be limited to 20 percent of other costs.

(4) Mileage costs shall be reimbursed according to state employee rate.

(5) Consumer transportation, consumer consulting, consumer instruction, consumer environmental modification and repairs and consumer environmental furnishings shall not exceed \$1,570 per consumer per year for supported community living services.

(6) For respite care provided in the consumer's home, only the cost of care is reimbursed.

(7) For respite care provided outside the consumer's home, charges may include room and board.

(8) Transportation and therapeutic resources reimbursement shall not exceed \$1,500 per child per year for family and community support services.

*c. Prospective rates for new providers other than respite.*

(1) Providers who have not submitted an annual report including at least 6 months of actual, historical costs shall be paid prospective rates based on projected reasonable and proper costs of operation for a 12-month period reported in Form SS-1703-0, Financial and Statistical Report, and Form 470-3449, Supplemental Schedule.

(2) Prospective rates shall be subject to retrospective adjustment as provided in paragraph "e."

(3) After a provider has submitted an annual report including at least six months of actual, historical costs, prospective rates shall be determined as provided in paragraph "d."

*d. Prospective rates for established providers other than respite.*

(1) Providers who have submitted an annual report including at least six months of actual, historical costs shall be paid prospective rates based on reasonable and proper costs in a base period, as adjusted for inflation.

(2) The base period shall be the period covered by the first Form SS-1703-0, Financial and Statistical Report, and Form 470-3449, Supplemental Schedule, submitted to the department after 1997 that includes at least six months of actual, historical costs.

(3) Reasonable and proper costs in the base period shall be inflated by a percentage of the increase in the consumer price index for all urban consumers for the preceding 12-month period ending June 30, based on the months included in the base period, to establish the initial prospective rate for an established provider.

(4) After establishment of the initial prospective rate for an established provider, the rate will be adjusted annually, effective for the third month after the month during which the annual cost report is submitted to the department. The provider's new rate shall be the actual reconciled rate or the previously established rate adjusted by the consumer price index for all urban consumers for the preceding 12-month period ending June 30, whichever is less.

(5) Prospective rates for services other than respite shall be subject to retrospective adjustment as provided in paragraph "f."

*e. Prospective rates for respite.* Prospective rates for respite shall be agreed upon between the consumer, interdisciplinary team and the provider up to the maximum, subject to retrospective adjustment as provided in paragraph "f."

*f. Retrospective adjustments.*

(1) Retrospective adjustments shall be made based on reconciliation of provider's reasonable and proper actual service costs with the revenues received for those services as reported on Form 470-3449, Supplemental Schedule, accompanying Form SS-1703-0, Financial and Statistical Report for Purchase of Service.

(2) For services rendered July 1, 2010, through June 30, 2011, revenues exceeding 100 percent of adjusted actual costs shall be remitted to the department. Payment will be due upon notice of the new rates and retrospective adjustment.

(3) Providers who do not reimburse revenues exceeding 100 percent of actual costs 30 days after notice is given by the department will have the revenues over 100 percent of the actual costs deducted from future payments.

*g. Supported community living daily rate.* For purposes of determining the daily rate for supported community living services, providers are treated as new providers until they have submitted an annual report including at least six months of actual costs for the same consumers at the same site with no significant change in any consumer's needs, or if there is a subsequent change in the consumers at a site or in any consumer's needs. Individual prospective daily rates are determined for each consumer. These rates may be adjusted no more than once every three months if there is a vacancy at the site for over 30 days or the consumer's needs have significantly changed. Rates adjusted on this basis will become effective the month a new cost report is submitted. Retrospective adjustments of the prospective daily rates are based on each site's average costs.

**79.1(16) Outpatient reimbursement for hospitals.**

*a. Definitions.*

*"Allowable costs"* means the costs defined as allowable in 42 CFR, Chapter IV, Part 413, as amended to October 1, 2007, except for the purposes of calculating direct medical education costs, where only the reported costs of the interns and residents are allowed. Further, costs are allowable only to the extent that they relate to patient care; are reasonable, ordinary, and necessary; and are not in excess of what a prudent and cost-conscious buyer would pay for the given service or item.

*"Ambulatory payment classification"* or *"APC"* means an outpatient service or group of services for which a single rate is set. The services or groups of services are determined according to the typical clinical characteristics, the resource use, and the costs associated with the service or services.

*"Ambulatory payment classification relative weight"* or *"APC relative weight"* means the relative value assigned to each APC.

*"Ancillary service"* means a supplemental service that supports the diagnosis or treatment of the patient's condition. Examples include diagnostic testing or screening services and rehabilitative services such as physical or occupational therapy.

*"APC service"* means a service that is priced and paid using the APC system.

*"Base year cost report,"* for rates effective January 1, 2009, means the hospital's cost report with fiscal year end on or after January 1, 2007, and before January 1, 2008. Cost reports shall be reviewed using Medicare's cost reporting and cost reimbursement principles for those cost reporting periods.

*"Blended base APC rate"* shall mean the hospital-specific base APC rate, plus the statewide base APC rate, divided by two. The costs of hospitals receiving reimbursement as critical access hospitals during any of the period included in the base-year cost report shall not be used in determining the statewide base APC rate.

*"Case-mix index"* shall mean an arithmetical index measuring the relative average costliness of outpatient cases treated in a hospital, compared to the statewide average.

*"Cost outlier"* shall mean services provided during a single visit that have an extraordinarily high cost as established in paragraph "g" and are therefore eligible for additional payments above and beyond the base APC payment.

*"Current procedural terminology—fourth edition (CPT-4)"* is the systematic listing and coding of procedures and services provided by physicians or other related health care providers. The CPT-4 coding is maintained by the American Medical Association and is updated yearly.

*"Diagnostic service"* means an examination or procedure performed to obtain information regarding the medical condition of an outpatient.

*"Direct medical education costs"* shall mean costs directly associated with the medical education of interns and residents or other medical education programs, such as a nursing education program or allied health programs, conducted in an outpatient setting, that qualify for payment as medical education costs under the Medicare program. The amount of direct medical education costs is determined from the hospital base-year cost reports and is inflated in determining the direct medical education rate.

*"Direct medical education rate"* shall mean a rate calculated for a hospital reporting medical education costs on the Medicare cost report (CMS 2552). The rate is calculated using the following

formula: Direct medical education costs are multiplied by the percentage of valid claims to total claims, further multiplied by inflation factors, then divided by outpatient visits.

“Discount factor” means the percentage discount applied to additional APCs when more than one APC is provided during the same visit (including the same APC provided more than once). Not all APCs are subject to a discount factor.

“GME/DSH fund apportionment claim set” means the hospital’s applicable Medicaid claims paid from July 1, 2008, through June 30, 2009. The claim set is updated every three years in July.

“GME/DSH fund implementation year” means 2009.

“Graduate medical education and disproportionate share fund” or “GME/DSH fund” means a reimbursement fund developed as an adjunct reimbursement methodology to directly reimburse qualifying hospitals for the direct costs of interns and residents associated with the operation of graduate medical education programs for outpatient services.

“Healthcare common procedures coding system” or “HCPCS” means the national uniform coding method that is maintained by the Centers for Medicare and Medicaid Services (CMS) and that incorporates the American Medical Association publication Physicians Current Procedural Terminology (CPT) and the three HCPCS unique coding levels I, II, and III.

“Hospital-based clinic” means a clinic that is owned by the hospital, operated by the hospital under its hospital license, and on the premises of the hospital.

“International classifications of diseases—fourth edition, ninth revision (ICD-9)” is a systematic method used to classify and provide standardization to coding practices which are used to describe the diagnosis, symptom, complaint, condition or cause of a person’s injury or illness.

“Medicaid claim set” means the hospital’s applicable Medicaid claims for the period of January 1, 2006, through December 31, 2007, and paid through March 31, 2008.

“Modifier” means a two-character code that is added to the procedure code to indicate the type of service performed. The modifier allows the reporting hospital to indicate that a performed service or procedure has been altered by some specific circumstance. The modifier may affect payment or may be used for information only.

“Multiple significant procedure discounting” means a reduction of the standard payment amount for an APC to recognize that the marginal cost of providing a second APC service to a patient during a single visit is less than the cost of providing that service by itself.

“Observation services” means a set of clinically appropriate services, such as ongoing short-term treatment, assessment, and reassessment, that is provided before a decision can be made regarding whether a patient needs further treatment as a hospital inpatient or is able to be discharged from the hospital.

“Outpatient hospital services” means preventive, diagnostic, therapeutic, observation, rehabilitation, or palliative services provided to an outpatient by or under the direction of a physician, dentist, or other practitioner by an institution that:

1. Is licensed or formally approved as a hospital by the officially designated authority in the state where the institution is located; and
2. Meets the requirements for participation in Medicare as a hospital.

“Outpatient prospective payment system” or “OPPS” means the payment methodology for hospital outpatient services established by this subrule and based on Medicare’s outpatient prospective payment system mandated by the Balanced Budget Refinement Act of 1999 and the Medicare, Medicaid and SCHIP Benefits Improvement and Protection Act of 2000.

“Outpatient visit” shall mean those hospital-based outpatient services which are billed on a single claim form.

“Packaged service” means a service that is secondary to other services but is considered an integral part of another service.

“Pass-through” means certain drugs, devices, and biologicals for which providers are entitled to payment separate from any APC.

“Quality improvement organization” or “QIO” shall mean the organization that performs medical peer review of Medicaid claims, including review of validity of hospital diagnosis and procedure coding

information; completeness, adequacy and quality of care; and appropriateness of prospective payments for outlier cases and nonemergent use of the emergency room. These activities undertaken by the QIO may be included in a contractual relationship with the Iowa Medicaid enterprise.

“*Rebasing*” shall mean the redetermination of the blended base APC rate using more recent Medicaid cost report data.

“*Significant procedure*” shall mean the procedure, therapy, or service provided to a patient that constitutes the primary reason for the visit and dominates the time and resources expended during the visit.

“*Status indicator*” or “*SI*” means a payment indicator that identifies whether a service represented by a CPT or HCPCS code is payable under the OPSS APC or another payment system. Only one status indicator is assigned to each CPT or HCPCS code.

*b. Outpatient hospital services.* Medicaid adopts the Medicare categories of hospitals and services subject to and excluded from the hospital outpatient prospective payment system (OPSS) at 42 CFR 419.20 through 419.22 as amended to October 1, 2007, except as indicated in this subrule.

(1) A teaching hospital that has approval from the Centers for Medicare and Medicaid Services to receive reasonable cost reimbursement for physician services under 42 CFR 415.160 through 415.162 as amended to October 1, 2007, is eligible for combined billing status if the hospital has filed the approval notice with the Iowa Medicaid enterprise provider cost audit and rate-setting unit. If a teaching hospital elects to receive reasonable cost payment for physician direct medical and surgical services furnished to Medicaid members, those services and the supervision of interns and residents furnishing the care to members are covered as hospital services and are combined with the bill for hospital service. Cost settlement for the reasonable costs related to physician direct medical and surgical services shall be made after receipt of the hospital’s financial and statistical report.

(2) A hospital-based ambulance service must be an enrolled Medicaid ambulance provider and must bill separately for ambulance services. EXCEPTION: If the member’s condition results in an inpatient admission to the hospital, the reimbursement for ambulance services is included in the hospital’s DRG reimbursement rate for the inpatient services.

(3) All psychiatric services for members who have a primary diagnosis of mental illness and are enrolled in the Iowa Plan program under 441—Chapter 88 shall be the responsibility of the Iowa Plan contractor and shall not be otherwise payable by Iowa Medicaid. The only exceptions to this policy are reference laboratory and radiology services, which will be payable by fee schedule or APC.

(4) Emergency psychiatric evaluations for members who are covered by the Iowa Plan shall be the responsibility of the Iowa Plan contractor. For members who are not covered by the Iowa Plan, services shall be payable under the APC for emergency psychiatric evaluation.

(5) Substance abuse services for persons enrolled in the Iowa Plan program under 441—Chapter 88 shall be the responsibility of the Iowa Plan contractor and shall not be otherwise payable by Iowa Medicaid. The only exceptions to this policy are reference laboratory and radiology services, which will be payable by fee schedule or APC.

*c. Payment for outpatient hospital services.*

(1) Outpatient hospital services shall be reimbursed according to the first of the following methodologies that applies to the service:

1. Any specific rate or methodology established by rule for the particular service.
2. The OPSS APC rates established pursuant to this subrule.
3. Fee schedule rates established pursuant to paragraph 79.1(1)“c.”

(2) Except as provided in paragraph 79.1(16)“h,” outpatient hospital services that have been assigned to an APC with an assigned weight shall be reimbursed based on the APC to which the services provided are assigned. The department adopts and incorporates by reference the OPSS APCs and relative weights effective January 1, 2008, published on November 27, 2007, as final by the Centers for Medicare and Medicaid Services in the Federal Register at Volume 72, No. 227, page 66579. Relative weights and APCs shall be updated pursuant to paragraph 79.1(16)“j.”

(3) The APC payment is calculated as follows:

1. The applicable APC relative weight is multiplied by the blended base APC rate determined according to paragraph 79.1(16) "e."

2. The resulting APC payment is multiplied by a discount factor of 50 percent and by units of service when applicable.

3. For a procedure started but discontinued before completion, the department will pay 50 percent of the APC for the service.

(4) The OPSS APC payment status indicators show whether a service represented by a CPT or HCPCS code is payable under an OPSS APC or under another payment system and whether particular OPSS policies apply to the code. The following table lists the status indicators and definitions for both services that are paid under an OPSS APC and services that are not paid under an OPSS APC.

Indicator	Item, Code, or Service	OPSS Payment Status
A	<p>Services furnished to a hospital outpatient that are paid by Medicare under a fee schedule or payment system other than OPSS, such as:</p> <ul style="list-style-type: none"> <li>● Ambulance services.</li> <li>● Clinical diagnostic laboratory services.</li> <li>● Diagnostic mammography.</li> <li>● Screening mammography.</li> <li>● Nonimplantable prosthetic and orthotic devices.</li> <li>● Physical, occupational, and speech therapy.</li> <li>● Erythropoietin for end-stage renal dialysis (ESRD) patients.</li> <li>● Routine dialysis services provided for ESRD patients in a certified dialysis unit of a hospital.</li> </ul>	<p>For services covered by Iowa Medicaid as an outpatient hospital service, the service is not paid under OPSS APC, but is paid based on the Iowa Medicaid fee schedule for outpatient hospital services established pursuant to 79.1(1) "c."</p> <p>For services not covered by Iowa Medicaid as an outpatient hospital service, the service is not paid under OPSS APC, but may be paid by Iowa Medicaid under the specific rate or methodology established by other rules (other than outpatient hospital).</p>
B	Codes that are not paid by Medicare on an outpatient hospital basis	<p>Not paid under OPSS APC.</p> <ul style="list-style-type: none"> <li>● May be paid when submitted on a different bill type other than outpatient hospital (13x).</li> <li>● An alternate code that is payable when submitted on an outpatient hospital bill type (13x) may be available.</li> </ul>
C	Inpatient procedures	<p>If covered by Iowa Medicaid as an outpatient hospital service, the service is not paid under OPSS APC, but is paid based on the Iowa Medicaid fee schedule for outpatient hospital services established pursuant to 79.1(1) "c."</p> <p>If not covered by Iowa Medicaid as an outpatient hospital service, the service is not paid under OPSS APC. Admit the patient and bill as inpatient care.</p>
D	Discontinued codes	Not paid under OPSS APC or any other Medicaid payment system.
E	<p>Items, codes, and services:</p> <ul style="list-style-type: none"> <li>● That are not covered by Medicare based on statutory exclusion and may or may not be covered by Iowa Medicaid; or</li> <li>● That are not covered by Medicare for reasons other than statutory exclusion and may or may not be covered by Iowa Medicaid; or</li> <li>● That are not recognized by Medicare but for which an alternate code for the same item or service may be available under Iowa Medicaid; or</li> <li>● For which separate payment is not provided by Medicare but may be provided by Iowa Medicaid.</li> </ul>	<p>If covered by Iowa Medicaid, the item, code, or service is not paid under OPSS APC, but is paid based on the Iowa Medicaid fee schedule for outpatient hospital services established pursuant to 79.1(1) "c."</p> <p>If not covered by Iowa Medicaid, the item, code, or service is not paid under OPSS APC or any other Medicaid payment system.</p>

F	<p>Certified registered nurse anesthetist services</p> <p>Corneal tissue acquisition</p> <p>Hepatitis B vaccines</p>	<p>If covered by Iowa Medicaid, the item or service is not paid under OPPS APC, but is paid based on the Iowa Medicaid fee schedule for outpatient hospital services established pursuant to 79.1(1)“c.”</p> <p>If not covered by Iowa Medicaid, the item or service is not paid under OPPS APC or any other Medicaid payment system.</p>
G	<p>Pass-through drugs and biologicals</p>	<p>If covered by Iowa Medicaid, the item is not paid under OPPS APC, but is paid based on the Iowa Medicaid fee schedule for outpatient hospital services established pursuant to 79.1(1)“c.”</p> <p>If not covered by Iowa Medicaid, the item is not paid under OPPS APC or any other Medicaid payment system.</p>
H	<p>Pass-through device categories</p>	<p>If covered by Iowa Medicaid, the device is not paid under OPPS APC, but is paid based on the Iowa Medicaid fee schedule for outpatient hospital services established pursuant to 79.1(1)“c.”</p> <p>If not covered by Iowa Medicaid, the device is not paid under OPPS APC or any other Medicaid payment system.</p>
K	<p>Non-pass-through drugs and biologicals</p> <p>Therapeutic radiopharmaceuticals</p>	<p>If covered by Iowa Medicaid, the item is:</p> <ul style="list-style-type: none"> <li>● Paid under OPPS APC with a separate APC payment when both an APC and an APC weight are established.</li> <li>● Paid based on the Iowa Medicaid fee schedule for outpatient hospital services established pursuant to 79.1(1)“c” when either no APC or APC weight is established.</li> </ul> <p>If not covered by Iowa Medicaid, the item is not paid under OPPS APC or any other Medicaid payment system.</p>
L	<p>Influenza vaccine</p> <p>Pneumococcal pneumonia vaccine</p>	<p>If covered by Iowa Medicaid, the vaccine is not paid under OPPS APC, but is paid based on the Iowa Medicaid fee schedule for outpatient hospital services established pursuant to 79.1(1)“c.”</p> <p>If not covered by Iowa Medicaid, the vaccine is not paid under OPPS APC or any other Medicaid payment system.</p>
M	<p>Items and services not billable to the Medicare fiscal intermediary</p>	<p>If covered by Iowa Medicaid, the item or service is not paid under OPPS APC, but is paid based on the Iowa Medicaid fee schedule for outpatient hospital services established pursuant to 79.1(1)“c.”</p> <p>If not covered by Iowa Medicaid, the item or service is not paid under OPPS APC or any other Medicaid payment system.</p>

N	Packaged services not subject to separate payment under Medicare OPPS payment criteria	Paid under OPPS APC. Payment, including outliers, is included with payment for other services; therefore, no separate payment is made.
P	Partial hospitalization	Not a covered service under Iowa Medicaid.
Q1	STVX-packaged codes	<p>Paid under OPPS APC.</p> <ul style="list-style-type: none"> <li>• Packaged APC payment if billed on the same date of service as HCPCS code assigned status indicator “S,” “T,” “V,” or “X.”</li> <li>• In all other circumstances, payment is made through a separate APC payment.</li> </ul>
Q2	T-packaged codes	<p>Paid under OPPS APC.</p> <ul style="list-style-type: none"> <li>• Packaged APC payment if billed on the same date of service as HCPCS code assigned status indicator “T.”</li> <li>• In all other circumstances, payment is made through a separate APC payment.</li> </ul>
Q3	Codes that may be paid through a composite APC	<p>If covered by Iowa Medicaid, the code is paid under OPPS APC with separate APC payment.</p> <p>If not covered by Iowa Medicaid, the code is not paid under OPPS APC or any other Medicaid payment system.</p>
R	Blood and blood products	<p>If covered by Iowa Medicaid, the item is paid under OPPS APC with separate APC payment.</p> <p>If not covered by Iowa Medicaid, the item is not paid under OPPS APC or any other Medicaid payment system.</p>
S	Significant procedure, not discounted when multiple	<p>If covered by Iowa Medicaid, the procedure is paid under OPPS APC with separate APC payment.</p> <p>If not covered by Iowa Medicaid, the procedure is not paid under OPPS APC or any other Medicaid payment system.</p>
T	Significant procedure, multiple reduction applies	<p>If covered by Iowa Medicaid, the procedure is paid under OPPS APC with separate APC payment subject to multiple reduction.</p> <p>If not covered by Iowa Medicaid, the procedure is not paid under OPPS APC or any other Medicaid payment system.</p>
U	Brachytherapy sources	<p>If covered by Iowa Medicaid, the procedure is paid under OPPS APC with separate APC payment.</p> <p>If not covered by Iowa Medicaid, the procedure is not paid under OPPS APC or any other Medicaid payment system.</p>
V	Clinic or emergency department visit	<p>If covered by Iowa Medicaid, the service is paid under OPPS APC with separate APC payment.</p> <p>If not covered by Iowa Medicaid, the service is not paid under OPPS APC or any other Medicaid payment system.</p>

X	Ancillary services	<p>If covered by Iowa Medicaid, the service is paid under OPPS APC with separate APC payment.</p> <p>If not covered by Iowa Medicaid, the service is not paid under OPPS APC or any other Medicaid payment system.</p>
Y	Nonimplantable durable medical equipment	<p>For items covered by Iowa Medicaid as an outpatient hospital service, the item is not paid under OPPS APC, but is paid based on the Iowa Medicaid fee schedule for outpatient hospital services established pursuant to 79.1(1) "c."</p> <p>For items not covered by Iowa Medicaid as an outpatient hospital service, the item is not paid as an outpatient hospital service, but may be paid by Iowa Medicaid under the specific rate or methodology established by other rules (other than outpatient hospital).</p>

*d. Calculation of case-mix indices.* Hospital-specific and statewide case-mix indices shall be calculated using the Medicaid claim set.

(1) Hospital-specific case-mix indices are calculated by summing the relative weights for each APC service at that hospital and dividing the total by the number of APC services for that hospital.

(2) The statewide case-mix index is calculated by summing the relative weights for each APC service for all claims and dividing the total by the statewide total number of APC services. Claims for hospitals receiving reimbursement as critical access hospitals during any of the period included in the base-year cost report are not used in calculating the statewide case-mix index.

*e. Calculation of the hospital-specific base APC rates.*

(1) Using the hospital's base-year cost report, hospital-specific outpatient cost-to-charge ratios are calculated for each ancillary and outpatient cost center of the Medicare cost report, Form CMS 2552-96.

(2) The cost-to-charge ratios are applied to each line item charge reported on claims from the Medicaid claim set to calculate the Medicaid cost per service. The hospital's total outpatient Medicaid cost is the sum of the Medicaid cost per service for all line items.

(3) The following items are subtracted from the hospital's total outpatient Medicaid costs:

1. The total calculated Medicaid direct medical education cost for interns and residents based on the hospital's base-year cost report.

2. The total calculated Medicaid cost for services listed at 441—subrule 78.31(1), paragraphs "g" to "n."

3. The total calculated Medicaid cost for ambulance services.

4. The total calculated Medicaid cost for services paid based on the Iowa Medicaid fee schedule.

(4) The remaining amount is multiplied by a factor to limit aggregate expenditures to available funding, divided by the hospital-specific case-mix index, and then divided by the total number of APC services for that hospital from the Medicaid claim set.

(5) Hospital-specific base APC rates are not computed for hospitals receiving reimbursement as critical access hospitals during any of the period included in the base-year cost report.

*f. Calculation of statewide base APC rate.*

(1) The statewide average base APC rate is calculated by summing the outpatient Medicaid cost for all hospitals and subtracting the following:

1. The total calculated Medicaid direct medical education cost for interns and residents for all hospitals.

2. The total calculated Medicaid cost for services listed at 441—subrule 78.31(1), paragraphs "g" to "n," for all hospitals.

3. The total calculated Medicaid cost for ambulance services for all hospitals.

4. The total calculated Medicaid cost for services paid based on the Iowa Medicaid fee schedule for all hospitals.

(2) The resulting amount is multiplied by a factor to limit aggregate expenditures to available funding, divided by the statewide case-mix index, and then divided by the statewide total number of APC services from the Medicaid claim set.

(3) Data for hospitals receiving reimbursement as critical access hospitals during any of the period included in the base-year cost report is not used in calculating the statewide average base APC rate.

*g. Cost outlier payment policy.* Additional payment is made for services provided during a single visit that exceed the following Medicaid criteria of cost outliers for each APC. Outlier payments are determined on an APC-by-APC basis.

(1) An APC qualifies as a cost outlier when the cost of the service exceeds both the multiple threshold and the fixed-dollar threshold.

(2) The multiple threshold is met when the cost of furnishing an APC service exceeds 1.75 times the APC payment amount.

(3) The fixed-dollar threshold is met when the cost of furnishing an APC service exceeds the APC payment amount plus \$2,000.

(4) If both the multiple threshold and the fixed-dollar threshold are met, the outlier payment is calculated as 50 percent of the amount by which the hospital's cost of furnishing the APC service or procedure exceeds the multiple threshold.

(5) The cost of furnishing the APC service or procedure is calculated using a single overall hospital-specific cost-to-charge ratio determined from the base-year cost report. Costs appearing on a claim that are attributable to packaged APC services for which no separate payment is made are allocated to all nonpackaged APC services that appear on that claim. The amount allocated to each nonpackaged APC service is based on the proportion the APC payment rate for that APC service bears to the total APC rates for all nonpackaged APC services on the claim.

*h. Payment to critical access hospitals.* Initial, interim payments to critical access hospitals as defined in paragraph 79.1(5) "a" shall be the hospital's line-item charge multiplied by the hospital's Medicaid outpatient cost-to-charge ratio. These interim payments are subject to annual retrospective adjustment equal to the difference between the reasonable costs of covered services provided to eligible fee-for-service Medicaid members (excluding members in managed care) and the Medicaid reimbursement received. The department shall determine the reasonable costs of services based on the hospital's annual cost reports and Medicare cost principles. When the interim amounts paid exceed reasonable costs, the department shall recover the difference.

(1) After any retrospective adjustment, the department shall update the cost-to-charge ratio to reflect as accurately as is possible the reasonable costs of providing the covered service to eligible fee-for-service Medicaid members for the coming year. The department shall base these changes on the most recent utilization as submitted to the Iowa Medicaid enterprise provider cost audit and rate-setting unit and Medicare cost principles.

(2) Once a hospital begins receiving reimbursement as a critical access hospital, the cost-to-charge ratio is not subject to rebasing as provided in paragraph 79.1(16) "j."

*i. Cost-reporting requirements.* Hospitals shall prepare annual cost reports in accordance with generally accepted accounting principles as defined by the American Institute of Certified Public Accountants and in accordance with Medicare Provider Reimbursement Manual, CMS Publication 15, subject to the exceptions and limitations provided in this rule.

(1) Using electronic media, each hospital shall submit the following:

1. The hospital's Medicare cost report (Form CMS 2552-96, Hospitals and Healthcare Complex Cost Report);

2. Either Form 470-4515, Critical Access Hospital Supplemental Cost Report, or Form 470-4514, Hospital Supplemental Cost Report; and

3. A copy of the revenue code crosswalk used to prepare the Medicare cost report.

(2) The cost reports and supporting documentation shall be sent to the Iowa Medicaid Enterprise, Provider Cost Audit and Rate Setting Unit, 100 Army Post Road, P.O. Box 36450, Des Moines, Iowa 50315.

(3) The cost reports shall be submitted on or before the last day of the fifth calendar month following the close of the period covered by the report. For fiscal periods ending on a day other than the last day of the month, cost reports are due 150 days after the last day of the cost-reporting period. Extensions of the due date for filing a cost report granted by the Medicare fiscal intermediary shall be accepted by Iowa Medicaid.

*j. Rebasing.*

(1) Effective January 1, 2009, and annually thereafter, the department shall update the OPPS APC relative weights using the most current calendar update as published by the Centers for Medicare and Medicaid Services.

(2) Effective January 1, 2009, and every three years thereafter, blended base APC rates shall be rebased. Cost reports used in rebasing shall be the hospital fiscal year-end Form CMS 2552-96, Hospital and Healthcare Complex Cost Report, as submitted to Medicare in accordance with Medicare cost report submission time lines for the hospital fiscal year ending during the preceding calendar year. If a hospital does not provide this cost report, including the Medicaid cost report and revenue code crosswalk, to the Iowa Medicaid enterprise provider cost audit and rate-setting unit by May 31 of a year in which rebasing occurs, the most recent submitted cost report will be used.

(3) Effective January 1, 2009, and every three years thereafter, case-mix indices shall be recalculated using valid claims most nearly matching each hospital's fiscal year end.

(4) The graduate medical education and disproportionate share fund shall be updated as provided in subparagraph 79.1(16)"v"(3).

*k. Payment to out-of-state hospitals.* Out-of-state hospitals providing care to members of Iowa's Medicaid program shall be reimbursed in the same manner as Iowa hospitals, except that APC payment amounts for out-of-state hospitals may be based on either the Iowa statewide base APC rate or the Iowa blended base APC rate for the out-of-state hospital.

(1) For out-of-state hospitals that submit a cost report no later than May 31 in the most recent rebasing year, APC payment amounts will be based on the blended base APC rate using hospital-specific, Iowa-only Medicaid data. For other out-of-state hospitals, APC payment amounts will be based on the Iowa statewide base APC rate.

(2) If an out-of-state hospital qualifies for reimbursement for direct medical education under Medicare guidelines, it shall qualify for such reimbursement from the Iowa Medicaid program for services to Iowa Medicaid members.

*l. Preadmission, preauthorization or inappropriate services.* Inpatient or outpatient services that require preadmission or preprocedure approval by the quality improvement organization (QIO) are updated yearly and are available from the QIO.

(1) The hospital shall provide the QIO authorization number on the claim form to receive payment. Claims for services requiring preadmission or preprocedure approval that are submitted without this authorization number will be denied.

(2) To safeguard against other inappropriate practices, the department, through the QIO, will monitor admission practices and quality of care. If an abuse of the prospective payment system is identified, payments for abusive practices may be reduced or denied. In reducing or denying payment, Medicaid adopts the Medicare QIO regulations.

*m. Health care access assessment inflation factor.* Effective with the implementation of the health care access assessment paid pursuant to 441—Chapter 36, Division III, a health care access assessment inflation factor shall be applied to the Medicaid blended base APC rate as otherwise calculated pursuant to this subrule for all "participating hospitals" as defined in 441—subrule 36.10(1).

(1) Calculation of inflation factor. The health care access assessment inflation factor for participating hospitals shall be calculated by dividing the amount allowed under the Medicare outpatient upper payment limit for the fiscal year beginning July 1, 2010, by the sum of the projected expenditures for participating hospitals for the fiscal year beginning July 1, 2010, as determined by the fiscal management division of the department, and the amount allowed under the Medicare outpatient upper payment limit.

(2) **Implementation date.** The health care access assessment inflation factor shall not be implemented until federal financial participation to match money collected from the health care access assessment pursuant to 441—Chapter 36, Division III, has been approved by the federal Centers for Medicare and Medicaid Services.

(3) **End date.** Application of the health care access assessment inflation factor shall terminate if the health care access assessment is terminated pursuant to rule 441—36.12(83GA,SF2388). If federal match money is unavailable for a retroactive period or the authority to collect the assessment is rescinded for a retroactive period, the department shall:

1. Recalculate Medicaid rates in effect during that period without the application of the health care access assessment inflation factor;

2. Recompute Medicaid payments due based on the recalculated Medicaid rates;

3. Recoup any previous overpayments; and

4. Determine for each hospital the amount of health care access assessment collected during that period and refund that amount to the facility.

*n. Determination of inpatient admission.* A person is considered to be an inpatient when a formal inpatient admission occurs, when a physician intends to admit a person as an inpatient, or when a physician determines that a person being observed as an outpatient in an observation or holding bed should be admitted to the hospital as an inpatient. In cases involving outpatient observation status, the determinant of patient status is not the length of time the patient was being observed, rather whether the observation period was medically necessary to determine whether a patient should be admitted to the hospital as an inpatient. Outpatient observation lasting greater than a 24-hour period will be subject to review by the QIO to determine the medical necessity of each case. For those outpatient observation cases where medical necessity is not established, reimbursement shall be denied for the services found to be unnecessary for the provision of that care, such as the use of the observation room.

*o. Inpatient admission after outpatient services.* If a patient is admitted as an inpatient within three days of the day in which outpatient services were rendered, all outpatient services related to the principal diagnosis are considered inpatient services for billing purposes. The day of formal admission as an inpatient is considered as the first day of hospital inpatient services. EXCEPTION: This requirement does not apply to critical access hospitals.

*p. Cost report adjustments.* Rescinded IAB 6/11/03, effective 7/16/03.

*q. Determination of payment amounts for mental health noninpatient (NIP) services.* Mental health NIP services are limited as set forth at 441—78.31(4)“d”(7) and are reimbursed on a fee schedule basis. Mental health NIP services are the responsibility of the managed mental health care and substance abuse (Iowa Plan) contractor for persons eligible for managed mental health care.

*r. Payment for outpatient services delivered in the emergency room.* Rescinded IAB 07/02/08, effective 07/01/08.

*s. Limit on payments.* Payments under the ambulatory payment classification (APC) methodology, as well as other payments for outpatient services, are subject to upper limit rules set forth in 42 CFR 447.321 as amended to September 5, 2001, and 447.325 as amended to January 26, 1993. Requirements under these sections state that, in general, Medicaid may not make payments to providers that would exceed the amount that would be payable to providers under comparable circumstances under Medicare.

*t. Government-owned facilities.* Rescinded IAB 6/30/10, effective 7/1/10.

*u. QIO review.* The QIO will review a yearly random sample of hospital outpatient service cases performed for Medicaid members and identified on claims data from all Iowa and bordering state hospitals in accordance with the terms in the contract between the department and the QIO. The QIO contract is available for review at the Iowa Medicaid Enterprise Office, 100 Army Post Road, Des Moines, Iowa 50315.

*v. Graduate medical education and disproportionate share fund.* Payment shall be made to all hospitals qualifying for direct medical education directly from the graduate medical education and disproportionate share fund. The requirements to receive payments from the fund, the amount allocated

to the fund and the methodology used to determine the distribution amounts from the fund are as follows:

(1) Qualifying for direct medical education. Hospitals qualify for direct medical education payments if direct medical education costs that qualify for payment as medical education costs under the Medicare program are contained in the hospital's base year cost report and in the most recent cost report submitted before the start of the state fiscal year for which payments are being made.

(2) Allocation to fund for direct medical education. The total annual state fiscal year funding that is allocated to the graduate medical education and disproportionate share fund for direct medical education related to outpatient services is \$2,776,336. If a hospital fails to qualify for direct medical education payments from the fund because the hospital does not report direct medical education costs that qualify for payment as medical education costs under the Medicare program in the most recent cost report submitted before the start of the state fiscal year for which payments are being made, the amount of money that would have been paid to that hospital shall be removed from the fund.

(3) Distribution to qualifying hospitals for direct medical education. Distribution of the amount in the fund for direct medical education shall be on a monthly basis. To determine the amount to be distributed to each qualifying hospital for direct medical education, the following formula is used:

1. Multiply the total count of outpatient visits for claims paid from the GME/DSH fund apportionment claim set for each hospital reporting direct medical education costs that qualify for payment as medical education costs under the Medicare program in the hospital's base year cost report by each hospital's direct medical education rate to obtain a dollar value.

2. Sum the dollar values for each hospital, then divide each hospital's dollar value by the total dollar value, resulting in a percentage.

3. Multiply each hospital's percentage by the amount allocated for direct medical education to determine the payment to each hospital.

*w. Final settlement for state-owned teaching hospital.*

(1) Effective July 1, 2010, total annual payments to an Iowa state-owned hospital for inpatient and outpatient hospital services shall equal 100 percent of allowable medical assistance program costs, not to exceed the sum of the following:

1. Payments for inpatient hospital services calculated in accordance with subrule 79.1(5), plus
2. Payment for outpatient hospital services calculated in accordance with subrule 79.1(16), plus
3. \$9,900,000.

(2) One-twelfth of the \$9,900,000 increase in reimbursement shall be distributed to the hospital on a monthly basis.

(3) The Iowa Medicaid Enterprise shall complete a final settlement based on the hospital's Medicare cost report. If the aggregate payments are less than the hospital's actual medical assistance program costs, no additional payment shall be made.

(4) If the sum of the inpatient hospital service payments plus outpatient hospital service payments plus the \$9,900,000 exceeds 100 percent of allowable inpatient and outpatient costs, the department shall request and collect from the hospital the amount by which payments exceed actual medical assistance program costs.

**79.1(17) Reimbursement for home- and community-based services home and vehicle modification.** Payment is made for home and vehicle modifications at the amount of payment to the subcontractor provided in the contract between the supported community living provider and subcontractor. All contracts shall be awarded through competitive bidding, shall be approved by the department, and shall be justified by the consumer's service plan. Payment for completed work shall be made to the supported community living provider.

**79.1(18) Pharmaceutical case management services reimbursement.** Pharmacist and physician pharmaceutical case management (PCM) team members shall be equally reimbursed for participation in each of the four services described in rule 441—78.47(249A). The following table contains the amount each team member shall be reimbursed for the services provided and the maximum number of payments for each type of assessment. Payment for services beyond the maximum number of payments shall be considered on an individual basis after peer review of submitted documentation of medical necessity.

<u>Service</u>	<u>Payment amount</u>	<u>Number of payments</u>
Initial assessment	\$75	One per patient
New problem assessment	\$40	Two per patient per 12 months
Problem follow-up assessment	\$40	Four per patient per 12 months
Preventative follow-up assessment	\$25	One per patient per 6 months

**79.1(19) Reimbursement for translation and interpretation services.** Reimbursement for translation and interpretation services shall be made to providers based on the reimbursement methodology for the provider category as defined in subrule 79.1(2).

*a.* For those providers whose basis of reimbursement is cost-related, translation and interpretation services shall be considered an allowable cost.

*b.* For those providers whose basis of reimbursement is a fee schedule, a fee shall be established for translation and interpretation services, which shall be treated as a reimbursable service. In order for translation or interpretation to be covered, it must be provided by separate employees or contractors solely performing translation or interpretation activities.

**79.1(20) Dentists.** The dental fee schedule is based on the definitions of dental and surgical procedures given in the Current Dental Terminology, Third Edition (CDT-3).

**79.1(21) Rehabilitation agencies.** Subject to the Medicaid upper limit in 79.1(2), payments to rehabilitation agencies shall be made as provided in the areawide fee schedule established for Medicare by the Centers for Medicare and Medicaid Services (CMS). The Medicare fee schedule is based on the definitions of procedures from the physicians' Current Procedural Terminology (CPT) published by the American Medical Association. CMS adjusts the fee schedules annually to reflect changes in the consumer price index for all urban customers.

**79.1(22) Medicare crossover claims for inpatient and outpatient hospital services.** Subject to approval of a state plan amendment by the federal Centers for Medicare and Medicaid Services, payment for crossover claims shall be made as follows.

*a. Definitions.* For purposes of this subrule:

“Crossover claim” means a claim for Medicaid payment for Medicare-covered inpatient or outpatient hospital services rendered to a Medicare beneficiary who is also eligible for Medicaid. Crossover claims include claims for services rendered to beneficiaries who are eligible for Medicaid in any category, including, but not limited to, qualified Medicare beneficiaries and beneficiaries who are eligible for full Medicaid coverage.

“Medicaid-allowed amount” means the Medicaid prospective reimbursement for the services rendered (including any portion to be paid by the Medicaid beneficiary as copayment or spenddown), as determined under state and federal law and policies.

“Medicaid reimbursement” means any amount to be paid by the Medicaid beneficiary as a Medicaid copayment or spenddown and any amount to be paid by the department after application of any applicable Medicaid copayment or spenddown.

“Medicare payment amount” means the Medicare reimbursement rate for the services rendered in a crossover claim, excluding any Medicare coinsurance or deductible amounts to be paid by the Medicare beneficiary.

*b. Reimbursement of crossover claims.* Crossover claims for inpatient or outpatient hospital services covered under Medicare and Medicaid shall be reimbursed as follows.

(1) If the Medicare payment amount for a crossover claim exceeds or equals the Medicaid-allowed amount for that claim, Medicaid reimbursement for the crossover claim shall be zero.

(2) If the Medicaid-allowed amount for a crossover claim exceeds the Medicare payment amount for that claim, Medicaid reimbursement for the crossover claim shall be the lesser of:

1. The Medicaid-allowed amount minus the Medicare payment amount; or
2. The Medicare coinsurance and deductible amounts applicable to the claim.

*c. Additional Medicaid payment for crossover claims uncollectible from Medicare.* Medicaid shall reimburse hospitals for the portion of crossover claims not covered by Medicaid reimbursement pursuant

to paragraph “b” and not reimbursable by Medicare as an allowable bad debt pursuant to 42 CFR 413.80, as amended June 13, 2001, up to a limit of 30 percent of the amount not paid by Medicaid pursuant to paragraph “b.” The department shall calculate these amounts for each provider on a calendar-year basis and make payment for these amounts by March 31 of each year for the preceding calendar year.

*d. Application of savings.* Savings in Medicaid reimbursements attributable to the limits on inpatient and outpatient crossover claims established by this subrule shall be used to pay costs associated with development and implementation of this subrule before reversion to Medicaid.

**79.1(23) Reimbursement for remedial services.** Reimbursement for remedial services shall be made on the basis of a unit rate that is calculated retrospectively for each provider, considering reasonable and proper costs of operation. The unit rate shall not exceed the established unit-of-service limit on reasonable costs pursuant to subparagraph 79.1(23)“c”(1). The unit of service may be a quarter-hour, a half-hour, an hour, a half-day, or a day, depending on the service provided.

*a. Interim rate.* Providers shall be reimbursed through a prospective interim rate equal to the previous year’s retrospectively calculated unit-of-service rate. On an interim basis, pending determination of remedial services provider costs, the provider may bill for and shall be reimbursed at a unit-of-service rate that the provider and the Iowa Medicaid enterprise may reasonably expect to produce total payments to the provider for the provider’s fiscal year that are consistent with Medicaid’s obligation to reimburse that provider’s reasonable costs. The interim unit-of-service rate is subject to the established unit-of-service limit on reasonable costs pursuant to subparagraph 79.1(23)“c”(1).

*b. Cost reports.* Reasonable and proper costs of operation shall be determined based on cost reports submitted by the provider.

(1) Financial information shall be based on the provider’s financial records. When the records are not kept on an accrual basis of accounting, the provider shall make the adjustments necessary to convert the information to an accrual basis for reporting. Failure to maintain records to support the cost report may result in termination of the provider’s Medicaid enrollment.

(2) The provider shall complete Form 470-4414, Financial and Statistical Report for Remedial Services, and submit it to the IME Provider Cost Audit and Rate Setting Unit, P.O. Box 36450, Des Moines, Iowa 50315, within three months of the end of the provider’s fiscal year.

(3) A provider may obtain a 30-day extension for submitting the cost report by sending a letter to the IME provider cost audit and rate setting unit before the cost report due date. No extensions will be granted beyond 30 days.

(4) Providers of services under multiple programs shall submit a cost allocation schedule, prepared in accordance with the generally accepted accounting principles and requirements specified in OMB Circular A-87. Costs reported under remedial services shall not be reported as reimbursable costs under any other funding source. Costs incurred for other services shall not be reported as reimbursable costs under remedial services.

(5) If a provider fails to submit a cost report that meets the requirement of this paragraph, the department shall reduce payment to 76 percent of the current rate. The reduced rate shall be paid for not longer than three months, after which time no further payments will be made.

(6) A projected cost report shall be submitted when a new remedial services provider enters the program or an existing remedial services provider adds a new service code. A prospective interim rate shall be established using the projected cost report. The effective date of the rate shall be the day the provider becomes certified as a Medicaid provider or the day the new service is added.

*c. Rate determination.* Cost reports as filed shall be subject to review and audit by the Iowa Medicaid enterprise to determine the actual cost of services rendered to Medicaid members, using an accepted method of cost apportionment (as specified in OMB Circular A-87).

(1) A reasonable cost for a member is one that does not exceed 110 percent of the average allowable costs reported by Iowa Medicaid providers for providing similar remedial services to members who have similar diagnoses and live in similar settings, less 5 percent.

(2) When the reasonable and proper costs of operation are determined, a retroactive adjustment shall be made. The retroactive adjustment represents the difference between the amount received by the

provider through an interim rate during the year for covered services and the reasonable and proper costs of operation determined in accordance with this subrule.

**79.1(24) Reimbursement for home- and community-based habilitation services.** Reimbursement for case management, job development, and employer development is based on a fee schedule developed using the methodology described in paragraph 79.1(1)“d.” Reimbursement for home-based habilitation, day habilitation, prevocational habilitation, enhanced job search and supports to maintain employment is based on a retrospective cost-related rate calculated using the methodology in this subrule. All rates are subject to the upper limits established in subrule 79.1(2).

*a. Units of service.*

(1) Effective July 1, 2009, a unit of case management is 15 minutes.

(2) A unit of home-based habilitation is one hour. EXCEPTIONS:

1. A unit of service is one day when a member receives direct supervision for 14 or more hours per day, averaged over a calendar month. The member’s comprehensive service plan must identify and reflect the need for this amount of supervision. The provider’s documentation must support the number of direct support hours identified in the comprehensive service plan.

2. When cost-effective, a daily rate may be developed for members needing fewer than 14 hours of direct supervision per day. The provider must obtain approval from the Iowa Medicaid enterprise for a daily rate for fewer than 14 hours of service per day.

(3) A unit of day habilitation is an hour, a half-day (1 to 4 hours), or a full day (4 to 8 hours).

(4) A unit of prevocational habilitation is an hour, a half-day (1 to 4 hours), or a full day (4 to 8 hours).

(5) A unit of supported employment habilitation for activities to obtain a job is:

1. One job placement for job development and employer development.

2. One hour for enhanced job search.

(6) A unit of supported employment habilitation supports to maintain employment is one hour.

*b. Submission of cost reports.* The department shall determine reasonable and proper costs of operation for home-based habilitation, day habilitation, prevocational habilitation, and supported employment based on cost reports submitted by the provider on Form 470-4425, Financial and Statistical Report for HCBS Habilitation Services.

(1) Financial information shall be based on the provider’s financial records. When the records are not kept on an accrual basis of accounting, the provider shall make the adjustments necessary to convert the information to an accrual basis for reporting. Failure to maintain records to support the cost report may result in termination of the provider’s Medicaid enrollment.

(2) For home-based habilitation, the provider’s cost report shall reflect all staff-to-member ratios and costs associated with members’ specific support needs for travel and transportation, consulting, and instruction, as determined necessary by the interdisciplinary team for each consumer. The specific support needs must be identified in the member’s comprehensive service plan. The total costs shall not exceed \$1570 per consumer per year. The provider must maintain records to support all expenditures.

(3) The provider shall submit the complete cost report to the IME Provider Cost Audit and Rate Setting Unit, P.O. Box 36450, Des Moines, Iowa 50315, within three months of the end of the provider’s fiscal year. The submission must include a working trial balance. Cost reports submitted without a working trial balance will be considered incomplete.

(4) A provider may obtain a 30-day extension for submitting the cost report by sending a letter to the IME provider cost audit and rate setting unit before the cost report due date. No extensions will be granted beyond 30 days.

(5) A provider of services under multiple programs shall submit a cost allocation schedule, prepared in accordance with the generally accepted accounting principles and requirements specified in OMB Circular A-87. Costs reported under habilitation services shall not be reported as reimbursable costs under any other funding source. Costs incurred for other services shall not be reported as reimbursable costs under habilitation services.

(6) If a provider fails to submit a cost report that meets the requirement of paragraph 79.1(24) "b," the department shall reduce payment to 76 percent of the current rate. The reduced rate shall be paid for not longer than three months, after which time no further payments will be made.

(7) A projected cost report shall be submitted when a new habilitation services provider enters the program or an existing habilitation services provider adds a new service code. A prospective interim rate shall be established using the projected cost report. The effective date of the rate shall be the day the provider becomes certified as a Medicaid provider or the day the new service is added.

*c. Rate determination based on cost reports.* Reimbursement shall be made using a unit rate that is calculated retrospectively for each provider, considering reasonable and proper costs of operation.

(1) Interim rates. Providers shall be reimbursed through a prospective interim rate equal to the previous year's retrospectively calculated unit-of-service rate. Pending determination of habilitation services provider costs, the provider may bill for and shall be reimbursed at a unit-of-service rate that the provider and the Iowa Medicaid enterprise may reasonably expect to produce total payments to the provider for the provider's fiscal year that are consistent with Medicaid's obligation to reimburse that provider's reasonable costs.

(2) Audit of cost reports. Cost reports as filed shall be subject to review and audit by the Iowa Medicaid enterprise to determine the actual cost of services rendered to Medicaid members, using an accepted method of cost apportionment (as specified in OMB Circular A-87).

(3) Retroactive adjustment. When the reasonable and proper costs of operation are determined, a retroactive adjustment shall be made. The retroactive adjustment represents the difference between the amount that the provider received during the year for covered services through an interim rate and the reasonable and proper costs of operation determined in accordance with this subrule.

**79.1(25) Reimbursement for community mental health centers and providers of mental health services to county residents pursuant to a waiver approved under Iowa Code section 225C.7(3).**

*a. Reimbursement methodology.* Effective for services rendered on or after October 1, 2006, community mental health centers and providers of mental health services to county residents pursuant to a waiver approved under Iowa Code section 225C.7(3) that provide clinic services are paid on a reasonable-cost basis as determined by Medicare reimbursement principles. Rates are initially paid on an interim basis and then are adjusted retroactively based on submission of a financial and statistical report.

(1) Until a provider that was enrolled into the Medicaid program before October 1, 2006, submits a cost report in order to develop a provider-specific interim rate, the Iowa Medicaid enterprise shall make interim payments to the provider based upon 105 percent of the greater of:

1. The statewide fee schedule for community mental health centers effective July 1, 2006, or
2. The average Medicaid managed care contracted fee amounts for community mental health centers effective July 1, 2006.

(2) For a provider that enrolls in the Medicaid program on or after October 1, 2006, until a provider-specific interim rate is developed, the Iowa Medicaid enterprise shall make interim payments based upon the average statewide interim rates for community mental health centers at the time services are rendered. A new provider may submit a projected cost report that the Iowa Medicaid enterprise will use to develop a provider-specific interim rate.

(3) Cost reports as filed are subject to review and audit by the Iowa Medicaid enterprise. The Iowa Medicaid enterprise shall determine each provider's actual, allowable costs in accordance with generally accepted accounting principles and in accordance with Medicare cost principles, subject to the exceptions and limitations in the department's administrative rules.

(4) The Iowa Medicaid enterprise shall make retroactive adjustment of the interim rate after the submission of annual cost reports. The adjustment represents the difference between the amount the provider received during the year through interim payments for covered services and the amount determined to be the actual, allowable cost of service rendered to Medicaid members.

(5) The Iowa Medicaid enterprise shall use each annual cost report to develop a provider-specific interim fee schedule to be paid prospectively. The effective date of the fee schedule change is the first day of the month following completion of the cost settlement.

*b. Reporting requirements.* All providers shall submit cost reports using Form 470-4419, Financial and Statistical Report. A hospital-based provider shall also submit the Medicare cost report, CMS Form 2552-96.

(1) Financial information shall be based on the provider's financial records. When the records are not kept on an accrual basis of accounting, the provider shall make the adjustments necessary to convert the information to an accrual basis for reporting. Failure to maintain records to support the cost report may result in termination of the provider's enrollment with the Iowa Medicaid program.

(2) Providers that offer multiple programs shall submit a cost allocation schedule prepared in accordance with generally accepted accounting principles and requirements as specified in OMB Circular A-87 adopted in federal regulations at 2 CFR Part 225 as amended to August 31, 2005.

(3) Costs reported for community mental health clinic services shall not be reported as reimbursable costs under any other funding source. Costs incurred for other services shall not be reported as reimbursable costs under community mental health clinic services.

(4) Providers shall submit completed cost reports to the IME Provider Cost Audit and Rate Setting Unit, P.O. Box 36450, Des Moines, Iowa 50315. A provider that is not hospital-based shall submit Form 470-4419 on or before the last day of the third month after the end of the provider's fiscal year. A hospital-based provider shall submit both Form 470-4419 and CMS Form 2552-96 on or before the last day of the fifth month after the end of the provider's fiscal year.

(5) A provider may obtain a 30-day extension for submitting the cost report by submitting a letter to the IME provider cost audit and rate setting unit before the cost report due date. No extensions will be granted beyond 30 days.

(6) If a provider fails to submit a cost report that meets the requirements of this paragraph, the Iowa Medicaid enterprise shall reduce the provider's interim payments to 76 percent of the current interim rate. The reduced interim rate shall be paid for not longer than three months, after which time no further payments will be made.

This rule is intended to implement Iowa Code section 249A.4.

**441—79.2(249A) Sanctions against provider of care.** The department reserves the right to impose sanctions against any practitioner or provider of care who has violated the requirements for participation in the medical assistance program.

**79.2(1) Definitions.**

*"Affiliates"* means persons having an overt or covert relationship such that any one of them directly or indirectly controls or has the power to control another.

*"Iowa Medicaid enterprise"* means the entity comprised of department staff and contractors responsible for the management and reimbursement of Medicaid services.

*"Person"* means any natural person, company, firm, association, corporation, or other legal entity.

*"Probation"* means a specified period of conditional participation in the medical assistance program.

*"Provider"* means an individual, firm, corporation, association, or institution which is providing or has been approved to provide medical assistance to a recipient pursuant to the state medical assistance program.

*"Suspension from participation"* means an exclusion from participation for a specified period of time.

*"Suspension of payments"* means the withholding of all payments due a provider until the resolution of the matter in dispute between the provider and the department.

*"Termination from participation"* means a permanent exclusion from participation in the medical assistance program.

“*Withholding of payments*” means a reduction or adjustment of the amounts paid to a provider on pending and subsequently submitted bills for purposes of offsetting overpayments previously made to the provider.

**79.2(2) *Grounds for sanctioning providers.*** Sanctions may be imposed by the department against a provider for any one or more of the following reasons:

*a.* Presenting or causing to be presented for payment any false or fraudulent claim for services or merchandise.

*b.* Submitting or causing to be submitted false information for the purpose of obtaining greater compensation than that to which the provider is legally entitled, including charges in excess of usual and customary charges.

*c.* Submitting or causing to be submitted false information for the purpose of meeting prior authorization requirements.

*d.* Failure to disclose or make available to the department or its authorized agent, records of services provided to medical assistance recipients and records of payments made for those services.

*e.* Failure to provide and maintain the quality of services to medical assistance recipients within accepted medical community standards as adjudged by professional peers.

*f.* Engaging in a course of conduct or performing an act which is in violation of state or federal regulations of the medical assistance program, or continuing that conduct following notification that it should cease.

*g.* Failure to comply with the terms of the provider certification on each medical assistance check endorsement.

*h.* Overutilization of the medical assistance program by inducing, furnishing or otherwise causing the recipient to receive services or merchandise not required or requested by the recipient.

*i.* Rebating or accepting a fee or portion of a fee or a charge for medical assistance patient referral.

*j.* Violating any provision of Iowa Code chapter 249A, or any rule promulgated pursuant thereto.

*k.* Submission of a false or fraudulent application for provider status under the medical assistance program.

*l.* Violations of any laws, regulations, or code of ethics governing the conduct of occupations or professions or regulated industries.

*m.* Conviction of a criminal offense relating to performance of a provider agreement with the state or for negligent practice resulting in death or injury to patients.

*n.* Failure to meet standards required by state or federal law for participation, for example, licensure.

*o.* Exclusion from Medicare because of fraudulent or abusive practices.

*p.* Documented practice of charging recipients for covered services over and above that paid for by the department, except as authorized by law.

*q.* Failure to correct deficiencies in provider operations after receiving notice of these deficiencies from the department.

*r.* Formal reprimand or censure by an association of the provider’s peers for unethical practices.

*s.* Suspension or termination from participation in another governmental medical program such as workers’ compensation, crippled children’s services, rehabilitation services or Medicare.

*t.* Indictment for fraudulent billing practices, or negligent practice resulting in death or injury to the provider’s patients.

**79.2(3) *Sanctions.*** The following sanctions may be imposed on providers based on the grounds specified in 79.2(2).

*a.* A term of probation for participation in the medical assistance program.

*b.* Termination from participation in the medical assistance program.

*c.* Suspension from participation in the medical assistance program. This includes when the department is notified by the Centers for Medicare and Medicaid Services, Department of Health and Human Services, that a practitioner has been suspended from participation under the Medicare program. These practitioners shall be suspended from participation in the medical assistance program effective

on the date established by the Centers for Medicare and Medicaid Services and at least for the period of time of the Medicare suspension.

- d. Suspension or withholding of payments to provider.
- e. Referral to peer review.
- f. Prior authorization of services.
- g. One hundred percent review of the provider's claims prior to payment.
- h. Referral to the state licensing board for investigation.
- i. Referral to appropriate federal or state legal authorities for investigation and prosecution under applicable federal or state laws.
- j. Providers with a total Medicaid credit balance of more than \$500 for more than 60 consecutive days without repaying or reaching written agreement to repay the balance shall be charged interest at 10 percent per year on each overpayment. The interest shall begin to accrue retroactively to the first full month that the provider had a credit balance over \$500.

Nursing facilities shall make repayment or reach agreement with the division of medical services. All other providers shall make repayment or reach agreement with the Iowa Medicaid enterprise. Overpayments and interest charged may be withheld from future payments to the provider.

**79.2(4) Imposition and extent of sanction.**

a. The decision on the sanction to be imposed shall be the commissioner's or designated representative's except in the case of a provider terminated from the Medicare program.

b. The following factors shall be considered in determining the sanction or sanctions to be imposed:

- (1) Seriousness of the offense.
- (2) Extent of violations.
- (3) History of prior violations.
- (4) Prior imposition of sanctions.
- (5) Prior provision of provider education.
- (6) Provider willingness to obey program rules.
- (7) Whether a lesser sanction will be sufficient to remedy the problem.
- (8) Actions taken or recommended by peer review groups or licensing boards.

**79.2(5) Scope of sanction.**

a. The sanction may be applied to all known affiliates of a provider, provided that each decision to include an affiliate is made on a case-by-case basis after giving due regard to all relevant facts and circumstances. The violation, failure, or inadequacy of performance may be imputed to a person with whom the violator is affiliated where the conduct was accomplished in the course of official duty or was effectuated with the knowledge or approval of that person.

b. Suspension or termination from participation shall preclude the provider from submitting claims for payment, whether personally or through claims submitted by any clinic, group, corporation, or other association, for any services or supplies except for those services provided before the suspension or termination.

c. No clinic, group, corporation, or other association which is the provider of services shall submit claims for payment for any services or supplies provided by a person within the organization who has been suspended or terminated from participation in the medical assistance program except for those services provided before the suspension or termination.

d. When the provisions of paragraph 79.2(5) "c" are violated by a provider of services which is a clinic, group, corporation, or other association, the department may suspend or terminate the organization, or any other individual person within the organization who is responsible for the violation.

**79.2(6) Notice of sanction.** When a provider has been sanctioned, the department shall notify as appropriate the applicable professional society, board of registration or licensure, and federal or state agencies of the findings made and the sanctions imposed.

**79.2(7) Notice of violation.** Should the department have information that indicates that a provider may have submitted bills or has been practicing in a manner inconsistent with the program requirements,

or may have received payment for which the provider may not be properly entitled, the department shall notify the provider of the discrepancies noted. Notification shall set forth:

- a. The nature of the discrepancies or violations,
- b. The known dollar value of the discrepancies or violations,
- c. The method of computing the dollar value,
- d. Notification of further actions to be taken or sanctions to be imposed by the department, and
- e. Notification of any actions required of the provider. The provider shall have 15 days subsequent to the date of the notice prior to the department action to show cause why the action should not be taken.

**79.2(8) *Suspension or withholding of payments pending a final determination.*** Where the department has notified a provider of a violation pursuant to 79.2(7) or an overpayment, the department may withhold payments on pending and subsequently received claims in an amount reasonably calculated to approximate the amounts in question or may suspend payment pending a final determination. Where the department intends to withhold or suspend payments it shall notify the provider in writing.

This rule is intended to implement Iowa Code section 249A.4.

**441—79.3(249A) Maintenance of records by providers of service.** A provider of a service that is charged to the medical assistance program shall maintain complete and legible records as required in this rule. Failure to maintain records or failure to make records available to the department or to its authorized representative timely upon request may result in claim denial or recoupment.

**79.3(1) *Financial (fiscal) records.***

- a. A provider of service shall maintain records as necessary to:
  - (1) Support the determination of the provider's reimbursement rate under the medical assistance program; and
  - (2) Support each item of service for which a charge is made to the medical assistance program. These records include financial records and other records as may be necessary for reporting and accountability.

b. A financial record does not constitute a medical record.

**79.3(2) *Medical (clinical) records.*** A provider of service shall maintain complete and legible medical records for each service for which a charge is made to the medical assistance program. Required records shall include any records required to maintain the provider's license in good standing.

a. *Definition.* "Medical record" (also called "clinical record") means a tangible history that provides evidence of:

- (1) The provision of each service and each activity billed to the program; and
- (2) First and last name of the member receiving the service.

b. *Purpose.* The medical record shall provide evidence that the service provided is:

- (1) Medically necessary;
- (2) Consistent with the diagnosis of the member's condition; and
- (3) Consistent with professionally recognized standards of care.

c. *Components.*

(1) *Identification.* Each page or separate electronic document of the medical record shall contain the member's first and last name. In the case of electronic documents, the member's first and last name must appear on each screen when viewed electronically and on each page when printed. As part of the medical record, the medical assistance identification number and the date of birth must also be identified and associated with the member's first and last name.

(2) *Basis for service—general rule.* General requirements for all services are listed herein. For the application of these requirements to specific services, see paragraph 79.3(2) "d." The medical record shall reflect the reason for performing the service or activity, substantiate medical necessity, and demonstrate the level of care associated with the service. The medical record shall include the items specified below unless the listed item is not routinely received or created in connection with a particular service or activity and is not required to document the reason for performing the service or activity, the medical necessity of the service or activity, or the level of care associated with the service or activity:

1. The member's complaint, symptoms, and diagnosis.
2. The member's medical or social history.
3. Examination findings.
4. Diagnostic test reports, laboratory test results, or X-ray reports.
5. Goals or needs identified in the member's plan of care.
6. Physician orders and any prior authorizations required for Medicaid payment.
7. Medication records, pharmacy records for prescriptions, or providers' orders.
8. Related professional consultation reports.
9. Progress or status notes for the services or activities provided.
10. All forms required by the department as a condition of payment for the services provided.
11. Any treatment plan, care plan, service plan, individual health plan, behavioral intervention plan, or individualized education program.

12. The provider's assessment, clinical impression, diagnosis, or narrative, including the complete date thereof and the identity of the person performing the assessment, clinical impression, diagnosis, or narrative.

13. Any additional documentation necessary to demonstrate the medical necessity of the service provided or otherwise required for Medicaid payment.

(3) Service documentation. The record for each service provided shall include information necessary to substantiate that the service was provided and shall include the following:

1. The specific procedures or treatments performed.
2. The complete date of the service, including the beginning and ending date if the service is rendered over more than one day.

3. The complete time of the service, including the beginning and ending time if the service is billed on a time-related basis. For those time-related services billed using Current Procedural Terminology (CPT) codes, the total time of the service shall be recorded, rather than the beginning and ending time.

4. The location where the service was provided if otherwise required on the billing form or in 441—paragraph 77.30(5) "c" or "d," 441—paragraph 77.33(6) "d," 441—paragraph 77.34(5) "d," 441—paragraph 77.37(15) "d," 441—paragraph 77.39(13) "e," 441—paragraph 77.39(14) "d," or 441—paragraph 77.46(5) "i," or 441—subparagraph 78.9(10) "a"(1).

5. The name, dosage, and route of administration of any medication dispensed or administered as part of the service.

6. Any supplies dispensed as part of the service.
7. The first and last name and professional credentials, if any, of the person providing the service.
8. The signature of the person providing the service, or the initials of the person providing the service if a signature log indicates the person's identity.
9. For 24-hour care, documentation for every shift of the services provided, the member's response to the services provided, and the person who provided the services.

(4) Outcome of service. The medical record shall indicate the member's progress in response to the services rendered, including any changes in treatment, alteration of the plan of care, or revision of the diagnosis.

*d. Basis for service requirements for specific services.* The medical record for the following services must include, but is not limited to, the items specified below (unless the listed item is not routinely received or created in connection with the particular service or activity and is not required to document the reason for performing the service or activity, its medical necessity, or the level of care associated with it). These items will be specified on Form 470-4479, Documentation Checklist, when the Iowa Medicaid enterprise surveillance and utilization review services unit requests providers to submit records for review. (See paragraph 79.4(2) "b.")

- (1) Physician (MD and DO) services:
  1. Service or office notes or narratives.
  2. Procedure, laboratory, or test orders and results.
- (2) Pharmacy services:
  1. Prescriptions.

2. Nursing facility physician order.
3. Telephone order.
4. Pharmacy notes.
5. Prior authorization documentation.
- (3) Dentist services:
  1. Treatment notes.
  2. Anesthesia notes and records.
  3. Prescriptions.
- (4) Podiatrist services:
  1. Service or office notes or narratives.
  2. Certifying physician statement.
  3. Prescription or order form.
- (5) Certified registered nurse anesthetist services:
  1. Service notes or narratives.
  2. Preanesthesia physical examination report.
  3. Operative report.
  4. Anesthesia record.
  5. Prescriptions.
- (6) Other advanced registered nurse practitioner services:
  1. Service or office notes or narratives.
  2. Procedure, laboratory, or test orders and results.
- (7) Optometrist and optician services:
  1. Notes or narratives supporting eye examinations, medical services, and auxiliary procedures.
  2. Original prescription or updated prescriptions for corrective lenses or contact lenses.
  3. Prior authorization documentation.
- (8) Psychologist services:
  1. Service or office psychotherapy notes or narratives.
  2. Psychological examination report and notes.
- (9) Clinic services:
  1. Service or office notes or narratives.
  2. Procedure, laboratory, or test orders and results.
  3. Nurses' notes.
  4. Prescriptions.
  5. Medication administration records.
- (10) Services provided by rural health clinics or federally qualified health centers:
  1. Service or office notes or narratives.
  2. Form 470-2942, Prenatal Risk Assessment.
  3. Procedure, laboratory, or test orders and results.
  4. Immunization records.
- (11) Services provided by community mental health centers:
  1. Service referral documentation.
  2. Initial evaluation.
  3. Individual treatment plan.
  4. Service or office notes or narratives.
  5. Narratives related to the peer review process and peer review activities related to a member's treatment.
  6. Written plan for accessing emergency services.
- (12) Screening center services:
  1. Service or office notes or narratives.
  2. Immunization records.
  3. Laboratory reports.
  4. Results of health, vision, or hearing screenings.

- (13) Family planning services:
  1. Service or office notes or narratives.
  2. Procedure, laboratory, or test orders and results.
  3. Nurses' notes.
  4. Immunization records.
  5. Consent forms.
  6. Prescriptions.
  7. Medication administration records.
- (14) Maternal health center services:
  1. Service or office notes or narratives.
  2. Procedure, laboratory, or test orders and results.
  3. Form 470-2942, Prenatal Risk Assessment.
- (15) Birthing center services:
  1. Service or office notes or narratives.
  2. Form 470-2942, Prenatal Risk Assessment.
- (16) Ambulatory surgical center services:
  1. Service notes or narratives (history and physical, consultation, operative report, discharge summary).
  2. Physician orders.
  3. Consent forms.
  4. Anesthesia records.
  5. Pathology reports.
  6. Laboratory and X-ray reports.
- (17) Hospital services:
  1. Physician orders.
  2. Service notes or narratives (history and physical, consultation, operative report, discharge summary).
  3. Progress or status notes.
  4. Diagnostic procedures, including laboratory and X-ray reports.
  5. Pathology reports.
  6. Anesthesia records.
  7. Medication administration records.
- (18) State mental hospital services:
  1. Service referral documentation.
  2. Resident assessment and initial evaluation.
  3. Individual comprehensive treatment plan.
  4. Service notes or narratives (history and physical, therapy records, discharge summary).
  5. Form 470-0042, Case Activity Report.
  6. Medication administration records.
- (19) Services provided by skilled nursing facilities, nursing facilities, and nursing facilities for persons with mental illness:
  1. Physician orders.
  2. Progress or status notes.
  3. Service notes or narratives.
  4. Procedure, laboratory, or test orders and results.
  5. Nurses' notes.
  6. Physical therapy, occupational therapy, and speech therapy notes.
  7. Medication administration records.
  8. Form 470-0042, Case Activity Report.
- (20) Services provided by intermediate care facilities for persons with mental retardation:
  1. Physician orders.
  2. Progress or status notes.

3. Preliminary evaluation.
4. Comprehensive functional assessment.
5. Individual program plan.
6. Form 470-0374, Resident Care Agreement.
7. Program documentation.
8. Medication administration records.
9. Nurses' notes.
10. Form 470-0042, Case Activity Report.
- (21) Services provided by psychiatric medical institutions for children:
  1. Physician orders or court orders.
  2. Independent assessment.
  3. Individual treatment plan.
  4. Service notes or narratives (history and physical, therapy records, discharge summary).
  5. Form 470-0042, Case Activity Report.
  6. Medication administration records.
- (22) Hospice services:
  1. Physician certifications for hospice care.
  2. Form 470-2618, Election of Medicaid Hospice Benefit.
  3. Form 470-2619, Revocation of Medicaid Hospice Benefit.
  4. Plan of care.
  5. Physician orders.
  6. Progress or status notes.
  7. Service notes or narratives.
  8. Medication administration records.
  9. Prescriptions.
- (23) Services provided by rehabilitation agencies:
  1. Physician orders.
  2. Initial certification, recertifications, and treatment plans.
  3. Narratives from treatment sessions.
  4. Treatment and daily progress or status notes and forms.
- (24) Home- and community-based habilitation services:
  1. Notice of decision for service authorization.
  2. Service plan (initial and subsequent).
  3. Service notes or narratives.
- (25) Remedial services and rehabilitation services for adults with a chronic mental illness:
  1. Order for services.
  2. Comprehensive treatment or service plan (initial and subsequent).
  3. Service notes or narratives.
- (26) Services provided by area education agencies and local education agencies:
  1. Service notes or narratives.
  2. Individualized education program (IEP).
  3. Individual health plan (IHP).
  4. Behavioral intervention plan.
- (27) Home health agency services:
  1. Plan of care or plan of treatment.
  2. Certifications and recertifications.
  3. Service notes or narratives.
  4. Physician orders or medical orders.
- (28) Services provided by independent laboratories:
  1. Laboratory reports.
  2. Physician order for each laboratory test.
- (29) Ambulance services:

1. Documentation on the claim or run report supporting medical necessity of the transport.
2. Documentation supporting mileage billed.
- (30) Services of lead investigation agencies:
  1. Service notes or narratives.
  2. Child's lead level logs (including laboratory results).
  3. Written investigation reports to family, owner of building, child's medical provider, and local childhood lead poisoning prevention program.
  4. Health education notes, including follow-up notes.
- (31) Medical supplies:
  1. Prescriptions.
  2. Certificate of medical necessity.
  3. Prior authorization documentation.
  4. Medical equipment invoice or receipt.
- (32) Orthopedic shoe dealer services:
  1. Service notes or narratives.
  2. Prescriptions.
  3. Certifying physician's statement.
- (33) Case management services, including HCBS case management services:
  1. Form 470-3956, MR/CMI/DD Case Management Service Authorization Request, for services authorized before May 1, 2007.
  2. Notice of decision for service authorization.
  3. Service notes or narratives.
  4. Social history.
  5. Comprehensive service plan.
  6. Reassessment of member needs.
  7. Incident reports in accordance with 441—subrule 24.4(5).
- (34) Early access service coordinator services:
  1. Individualized family service plan (IFSP).
  2. Service notes or narratives.
- (35) Home- and community-based waiver services, other than case management:
  1. Notice of decision for service authorization.
  2. Service plan.
  3. Service logs, notes, or narratives.
  4. Mileage and transportation logs.
  5. Log of meal delivery.
  6. Invoices or receipts.
  7. Forms 470-3372, HCBS Consumer-Directed Attendant Care Agreement, and 470-4389, Consumer-Directed Attendant Care (CDAC) Service Record.
- (36) Physical therapist services:
  1. Physician order for physical therapy.
  2. Initial physical therapy certification, recertifications, and treatment plans.
  3. Treatment notes and forms.
  4. Progress or status notes.
- (37) Chiropractor services:
  1. Service or office notes or narratives.
  2. X-ray results.
- (38) Hearing aid dealer and audiologist services:
  1. Physician examinations and audiological testing (Form 470-0361, Sections A, B, and C).
  2. Documentation of hearing aid evaluation and selection (Form 470-0828).
  3. Waiver of informed consent.
  4. Prior authorization documentation.
  5. Service or office notes or narratives.

## (39) Behavioral health services:

1. Assessment.
2. Individual treatment plan.
3. Service or office notes or narratives.

*e. Corrections.* A provider may correct the medical record before submitting a claim for reimbursement.

(1) Corrections must be made or authorized by the person who provided the service or by a person who has first-hand knowledge of the service.

(2) A correction to a medical record must not be written over or otherwise obliterate the original entry. A single line may be drawn through erroneous information, keeping the original entry legible. In the case of electronic records, the original information must be retained and retrievable.

(3) Any correction must indicate the person making the change and any other person authorizing the change, must be dated and signed by the person making the change, and must be clearly connected with the original entry in the record.

(4) If a correction made after a claim has been submitted affects the accuracy or validity of the claim, an amended claim must be submitted.

**79.3(3) Maintenance requirement.** The provider shall maintain records as required by this rule:

- a.* During the time the member is receiving services from the provider.
- b.* For a minimum of five years from the date when a claim for the service was submitted to the medical assistance program for payment.
- c.* As may be required by any licensing authority or accrediting body associated with determining the provider's qualifications.

**79.3(4) Availability.** Rescinded IAB 1/30/08, effective 4/1/08.

This rule is intended to implement Iowa Code section 249A.4.

[ARC 7957B, IAB 7/15/09, effective 7/1/09; ARC 8262B, IAB 11/4/09, effective 12/9/09]

**441—79.4(249A) Reviews and audits.****79.4(1) Definitions.**

*“Authorized representative,”* within the context of this rule, means the person appointed to carry out audit or review procedures, including assigned auditors, reviewers or agents contracted for specific audits, reviews, or audit or review procedures.

*“Claim”* means each record received by the department or the Iowa Medicaid enterprise that states the amount of requested payment and the service rendered by a specific and particular Medicaid provider to an eligible member.

*“Clinical record”* means a legible electronic or hard-copy history that documents the criteria established for medical records as set forth in rule 441—79.3(249A). A claim form or billing statement does not constitute a clinical record.

*“Confidence level”* means the statistical reliability of the sampling parameters used to estimate the proportion of payment errors (overpayment and underpayment) in the universe under review.

*“Customary and prevailing fee”* means a fee that is both (1) the most consistent charge by a Medicaid provider for a given service and (2) within the range of usual charges for a given service billed by most providers with similar training and experience in the state of Iowa.

*“Extrapolation”* means that the total amount of overpayment or underpayment will be determined by using sample data meeting the confidence level requirement.

*“Fiscal record”* means a legible electronic or hard-copy history that documents the criteria established for fiscal records as set forth in rule 441—79.3(249A). A claim form or billing statement does not constitute a fiscal record.

*“Overpayment”* means any payment or portion of a payment made to a provider that is incorrect according to the laws and rules applicable to the Medicaid program and that results in a payment greater than that to which the provider is entitled.

*“Procedure code”* means the identifier that describes medical or remedial services performed or the supplies, drugs, or equipment provided.

“Random sample” means a statistically valid random sample for which the probability of selection for every item in the universe is known.

“Underpayment” means any payment or portion of a payment not made to a provider for services delivered to eligible members according to the laws and rules applicable to the Medicaid program and to which the provider is entitled.

“Universe” means all items or claims under review or audit during the period specified by the audit or review.

**79.4(2)** *Audit or review of clinical and fiscal records by the department.* Any Medicaid provider may be audited or reviewed at any time at the discretion of the department.

a. Authorized representatives of the department shall have the right, upon proper identification, to audit or review the clinical and fiscal records of the provider to determine whether:

- (1) The department has correctly paid claims for goods or services.
- (2) The provider has furnished the services to Medicaid members.
- (3) The provider has retained clinical and fiscal records that substantiate claims submitted for payment.
- (4) The goods or services provided were in accordance with Iowa Medicaid policy.

b. Requests for provider records by the Iowa Medicaid enterprise surveillance and utilization review services unit shall include Form 470-4479, Documentation Checklist, which is available at [www.ime.state.ia.us/Providers/Forms.html](http://www.ime.state.ia.us/Providers/Forms.html), listing the specific records that must be provided for the audit or review pursuant to paragraph 79.3(2)“d” to document the basis for services or activities provided, in the following format:

Iowa Department of Human Services  
Iowa Medicaid Enterprise Surveillance and Utilization Review Services  
**Documentation Checklist**

Date of Request: \_\_\_\_\_  
 Reviewer Name & Phone Number: \_\_\_\_\_  
 Provider Name: \_\_\_\_\_  
 Provider Number: \_\_\_\_\_  
 Provider Type: \_\_\_\_\_

Please sign this form and return it with the information requested. Follow the checklist to ensure that all documents requested for each patient have been copied and enclosed with this request. The documentation must support the validity of the claim that was paid by the Medicaid program.

**Please send copies. Do not send original records.**

If you have any questions about this request or checklist, please contact the reviewer listed above.

[specific documentation required]
[specific documentation required]
[specific documentation required]
[specific documentation required]
[Note: number of specific documents required varies by provider type]
Any additional documentation that demonstrates the medical necessity of the service provided or otherwise required for Medicaid payment. List additional documentation below if needed.

The person signing this form is certifying that all documentation that supports the Medicaid billed rates, units, and services is enclosed.

Signature	Title	Telephone Number
-----------	-------	------------------

c. Records generated and maintained by the department may be used by auditors or reviewers and in all proceedings of the department.

**79.4(3) Audit or review procedures.** The department will select the method of conducting an audit or review and will protect the confidential nature of the records being audited or reviewed. The provider may be required to furnish records to the department. Unless the department specifies otherwise, the provider may select the method of delivering any requested records to the department.

a. Upon a written request for records, the provider must submit all responsive records to the department or its authorized agent within 30 calendar days of the mailing date of the request, except as provided in paragraph “b.”

b. Extension of time limit for submission.

(1) The department may grant an extension to the required submission date of up to 15 calendar days upon written request from the provider or the provider’s designee. The request must:

1. Establish good cause for the delay in submitting the records; and
2. Be received by the department before the date the records are due to be submitted.

(2) Under exceptional circumstances, a provider may request one additional 15-calendar-day extension. The provider or the provider’s designee shall submit a written request that:

1. Establishes exceptional circumstances for the delay in submitting records; and
2. Is received by the department before the expiration of the initial 15-day extension period.

(3) The department may grant a request for an extension of the time limit for submitting records at its discretion. The department shall issue a written notice of its decision.

(4) The provider may appeal the department’s denial of a request to extend the time limit for submission of requested records according to the procedures in 441—Chapter 7.

c. The department may elect to conduct announced or unannounced on-site reviews or audits. Records must be provided upon request and before the end of the on-site review or audit.

(1) For an announced on-site review or audit, the department’s employee or authorized agent may give as little as one day’s advance notice of the review or audit and the records and supporting documentation to be reviewed.

(2) Notice is not required for unannounced on-site reviews and audits.

(3) In an on-site review or audit, the conclusion of that review or audit shall be considered the end of the period within which to produce records.

d. Audit or review procedures may include, but are not limited to, the following:

- (1) Comparing clinical and fiscal records with each claim.
- (2) Interviewing members who received goods or services and employees of providers.
- (3) Examining third-party payment records.
- (4) Comparing Medicaid charges with private-patient charges to determine that the charge to Medicaid is not more than the customary and prevailing fee.
- (5) Examining all documents related to the services for which Medicaid was billed.

e. *Use of statistical sampling techniques.* The department’s procedures for auditing or reviewing Medicaid providers may include the use of random sampling and extrapolation.

(1) A statistically valid random sample will be selected from the universe of records to be audited or reviewed. The sample size shall be selected using accepted sample size estimation methods. The confidence level of the sample size calculation shall not be less than 95 percent.

(2) Following the sample audit or review, the statistical margin of error of the sample will be computed, and a confidence interval will be determined. The estimated error rate will be extrapolated to the universe from which the sample was drawn within the computed margin of error of the sampling process.

(3) Commonly accepted statistical analysis programs may be used to estimate the sample size and calculate the confidence interval, consistent with the sampling parameters.

(4) The audit or review findings generated through statistical sampling procedures shall constitute prima facie evidence in all department proceedings regarding the number and amount of overpayments or underpayments received by the provider.

**79.4(4) Preliminary report of audit or review findings.** If the department concludes from an audit or review that an overpayment has occurred, the department will issue a preliminary finding of a tentative overpayment and inform the provider of the opportunity to request a reevaluation.

**79.4(5) Disagreement with audit or review findings.** If a provider disagrees with the preliminary finding of a tentative overpayment, the provider may request a reevaluation by the department and may present clarifying information and supplemental documentation.

*a. Reevaluation request.* A request for reevaluation must be submitted in writing within 15 calendar days of the date of the notice of the preliminary finding of a tentative overpayment. The request must specify the issues of disagreement.

(1) If the audit or review is being performed by the Iowa Medicaid enterprise surveillance and utilization review services unit, the request should be addressed to: IME SURS Unit, P.O. Box 36390, Des Moines, Iowa 50315.

(2) If the audit or review is being performed by any other departmental entity, the request should be addressed to: Iowa Department of Human Services, Attention: Fiscal Management Division, Hoover State Office Building, 1305 E. Walnut Street, Des Moines, Iowa 50319-0114.

*b. Additional information.* A provider that has made a reevaluation request pursuant to paragraph “a” of this subrule may submit clarifying information or supplemental documentation that was not previously provided. This information must be received at the applicable address within 30 calendar days of the mailing of the preliminary finding of a tentative overpayment to the provider, except as provided in paragraph “c” of this subrule.

*c. Disagreement with sampling results.* When the department’s audit or review findings have been generated through sampling and extrapolation and the provider disagrees with the findings, the burden of proof of compliance rests with the provider. The provider may present evidence to show that the sample was invalid. The evidence may include a 100 percent audit or review of the universe of provider records used by the department in the drawing of the department’s sample. Any such audit or review must:

- (1) Be arranged and paid for by the provider.
- (2) Be conducted by an individual or organization with expertise in coding, medical services, and Iowa Medicaid policy if the issues relate to clinical records.
- (3) Be conducted by a certified public accountant if the issues relate to fiscal records.
- (4) Demonstrate that bills and records that were not audited or reviewed in the department’s sample are in compliance with program regulations.
- (5) Be submitted to the department with all supporting documentation within 60 calendar days of the mailing of the preliminary finding of a tentative overpayment to the provider.

**79.4(6) Finding and order for repayment.** Upon completion of a requested reevaluation or upon expiration of the time to request reevaluation, the department shall issue a finding and order for repayment of any overpayment and may immediately begin withholding payments on other claims to recover any overpayment.

**79.4(7) Appeal by provider of care.** A provider may appeal the finding and order of repayment and withholding of payments pursuant to 441—Chapter 7. However, an appeal shall not stay the withholding of payments or other action to collect the overpayment.

This rule is intended to implement Iowa Code section 249A.4.

**441—79.5(249A) Nondiscrimination on the basis of handicap.** All providers of service shall comply with Section 504 of the Rehabilitation Act of 1973 and Federal regulations 45 CFR Part 84, as amended to December 19, 1990, which prohibit discrimination on the basis of handicap in all Department of Health and Human Services funded programs.

This rule is intended to implement Iowa Code subsection 249A.4(6).

**441—79.6(249A) Provider participation agreement.** Providers of medical and health care wishing to participate in the program shall execute an agreement with the department on Form 470-2965, Agreement Between Provider of Medical and Health Services and the Iowa Department of Human Services Regarding Participation in Medical Assistance Program.

EXCEPTION: Dental providers are required to complete Form 470-3174, Addendum to Dental Provider Agreement for Orthodontia, to receive reimbursement under the early and periodic screening, diagnosis, and treatment program.

In these agreements, the provider agrees to the following:

**79.6(1)** To maintain clinical and fiscal records as specified in rule 441—79.3(249A).

**79.6(2)** That the charges as determined in accordance with the department's policy shall be the full and complete charge for the services provided and no additional payment shall be claimed from the recipient or any other person for services provided under the program.

**79.6(3)** That it is understood that payment in satisfaction of the claim will be from federal and state funds and any false claims, statements, or documents, or concealment of a material fact may be prosecuted under applicable federal and state laws.

This rule is intended to implement Iowa Code section 249A.4.

**441—79.7(249A) Medical assistance advisory council.**

**79.7(1) Officers.** Officers shall be a chairperson and a vice-chairperson.

*a.* The director of public health shall serve as chairperson of the council. Elections for vice-chairperson will be held the first meeting after the beginning of the calendar year.

*b.* The vice-chairperson's term of office shall be two years. A vice-chairperson shall serve no more than two terms.

*c.* The vice-chairperson shall serve in the absence of the chairperson.

*d.* The chairperson and vice-chairperson shall have the right to vote on any issue before the council.

*e.* The chairperson shall appoint a committee of not less than three members to nominate vice-chairpersons and shall appoint other committees approved by the council.

**79.7(2) Membership.** The membership of the council and its executive committee shall be as prescribed at Iowa Code section 249A.4B, subsections 2 and 3.

**79.7(3) Expenses, staff support, and technical assistance.** Expenses of the council and executive committee, such as those for clerical services, mailing, telephone, and meeting place, shall be the responsibility of the department of human services. The department shall arrange for a meeting place, related services, and accommodations. The department shall provide staff support and independent technical assistance to the council and the executive committee.

**79.7(4) Meetings.** The council shall meet no more than quarterly. The executive committee shall meet on a monthly basis. Meetings may be called by the chairperson, upon written request of at least 50 percent of the members, or by the director of the department of human services.

*a.* Meetings shall be held in the Des Moines, Iowa, area, unless other notification is given.

*b.* Written notice of council meetings shall be mailed at least two weeks in advance of the meeting. Each notice shall include an agenda for the meeting.

**79.7(5) Procedures.**

*a.* A quorum shall consist of 50 percent of the voting members.

*b.* Where a quorum is present, a position is carried by two-thirds of the council members present.

*c.* Minutes of council meetings and other written materials developed by the council shall be distributed by the department to each member and to the executive office of each professional group or business entity represented.

*d.* Notice shall be given to a professional group or business entity represented on the council when the representative of that group or entity has been absent from three consecutive meetings.

*e.* In cases not covered by these rules, Robert's Rules of Order shall govern.

**79.7(6) Duties.**

*a. Executive committee.* Based upon the deliberations of the medical assistance advisory council and the executive committee, the executive committee shall make recommendations to the director regarding the budget, policy, and administration of the medical assistance program. Such recommendations may include:

(1) Recommendations on the reimbursement for medical services rendered by providers of services.

(2) Identification of unmet medical needs and maintenance needs which affect health.

(3) Recommendations for objectives of the program and for methods of program analysis and evaluation, including utilization review.

(4) Recommendations for ways in which needed medical supplies and services can be made available most effectively and economically to the program recipients.

(5) Advice on such administrative and fiscal matters as the director of the department of human services may request.

*b. Council.* The medical assistance advisory council shall:

(1) Advise the professional groups and business entities represented and act as liaison between them and the department.

(2) Report at least annually to the professional groups and business entities represented.

(3) Perform other functions as may be provided by state or federal law or regulation.

(4) Communicate information considered by the council to the professional groups and business entities represented.

**79.7(7) Responsibilities.**

*a.* Recommendations of the council shall be advisory and not binding upon the department of human services or the professional groups and business entities represented. The director of the department of human services shall consider the recommendations offered by the council and the executive committee in:

(1) The director's preparation of medical assistance budget recommendations to the council on human services, pursuant to Iowa Code section 217.3, and

(2) Implementation of medical assistance program policies.

*b.* The council may choose subjects for consideration and recommendation. It shall consider all matters referred to it by the department of human services.

*c.* Any matter referred by a member organization or body shall be considered upon an affirmative vote of the council.

*d.* The department shall provide the council with reports, data, and proposed and final amendments to rules, laws, and guidelines, for its information, review, and comment.

*e.* The department shall present the annual budget for the medical assistance program for review and comment.

*f.* The department shall permit staff members to appear before the council to review and discuss specific information and problems.

*g.* The department shall maintain a current list of members on the council and executive committee.

[ARC 8263B, IAB 11/4/09, effective 12/9/09]

**441—79.8(249A) Requests for prior authorization.** When the Iowa Medicaid enterprise has not reached a decision on a request for prior authorization after 60 days from the date of receipt, the request will be approved.

**79.8(1) Making the request.**

*a.* Providers may submit requests for prior authorization for any items or procedures by mail or by facsimile transmission (fax) using Form 470-0829, Request for Prior Authorization, or electronically using the Accredited Standards Committee (ASC) X12N 278 transaction, Health Care Services Request for Review and Response. Requests for prior authorization for drugs may also be made by telephone.

*b.* Providers shall send requests for prior authorization to the Iowa Medicaid enterprise. The request should address the relevant criteria applicable to the particular service, medication or equipment for which prior authorization is sought, according to rule 441—78.28(249A). Copies of history and examination results may be attached to rather than incorporated in the letter.

*c.* If a request for prior authorization submitted electronically requires attachments or supporting clinical documentation and a national electronic attachment has not been adopted, the provider shall:

(1) Use Form 470-3970, Prior Authorization Attachment Control, as the cover sheet for the paper attachments or supporting clinical documentation; and

(2) Reference on Form 470-3970 the attachment control number submitted on the ASC X12N 278 electronic transaction.

**79.8(2)** The policy applies to services or items specifically designated as requiring prior authorization.

**79.8(3)** The provider shall receive a notice of approval or denial for all requests.

*a.* In the case of prescription drugs, notices of approval or denial will be faxed to the prescriber and pharmacy.

*b.* Decisions regarding approval or denial will be made within 24 hours from the receipt of the prior authorization request. In cases where the request is received during nonworking hours, the time limit will be construed to start with the first hour of the normal working day following the receipt of the request.

**79.8(4)** Prior authorizations approved because a decision is not timely made shall not be considered a precedent for future similar requests.

**79.8(5)** Approved prior authorization applies to covered services and does not apply to the recipient's eligibility for medical assistance.

**79.8(6)** If a provider is unsure if an item or service is covered because it is rare or unusual, the provider may submit a request for prior approval in the same manner as other requests for prior approval in 79.8(1).

**79.8(7)** Requests for prior approval of services shall be reviewed according to rule 441—79.9(249A) and the conditions for payment as established by rule in 441—Chapter 78. Where ambiguity exists as to whether a particular item or service is covered, requests for prior approval shall be reviewed according to the following criteria in order of priority:

*a.* The conditions for payment outlined in the provider manual with reference to coverage and duration.

*b.* The determination made by the Medicare program unless specifically stated differently in state law or rule.

*c.* The recommendation to the department from the appropriate advisory committee.

*d.* Whether there are other less expensive procedures which are covered and which would be as effective.

*e.* The advice of an appropriate professional consultant.

**79.8(8)** The amount, duration and scope of the Medicaid program is outlined in 441—Chapters 78, 79, 81, 82 and 85. Additional clarification of the policies is available in the provider manual distributed and updated to all participating providers.

**79.8(9)** The Iowa Medicaid enterprise shall issue a notice of decision to the recipient upon a denial of request for prior approval pursuant to 441—Chapter 7. The Iowa Medicaid enterprise shall mail the notice of decision to the recipient within five working days of the date the prior approval form is returned to the provider.

**79.8(10)** If a request for prior approval is denied by the Iowa Medicaid enterprise, the request may be resubmitted for reconsideration with additional information justifying the request. The aggrieved party may file an appeal in accordance with 441—Chapter 7.

This rule is intended to implement Iowa Code section 249A.4.

#### **441—79.9(249A) General provisions for Medicaid coverage applicable to all Medicaid providers and services.**

**79.9(1)** Medicare definitions and policies shall apply to services provided unless specifically defined differently.

**79.9(2)** The services covered by Medicaid shall:

*a.* Be consistent with the diagnosis and treatment of the patient's condition.

*b.* Be in accordance with standards of good medical practice.

*c.* Be required to meet the medical need of the patient and be for reasons other than the convenience of the patient or the patient's practitioner or caregiver.

*d.* Be the least costly type of service which would reasonably meet the medical need of the patient.

- e.* Be eligible for federal financial participation unless specifically covered by state law or rule.
- f.* Be within the scope of the licensure of the provider.
- g.* Be provided with the full knowledge and consent of the recipient or someone acting in the recipient's behalf unless otherwise required by law or court order or in emergency situations.

*h.* Be supplied by a provider who is eligible to participate in the Medicaid program. The provider must use the billing procedures and documentation requirements described in 441—Chapters 78 and 80.

**79.9(3)** Providers shall supply all the same services to Medicaid eligibles served by the provider as are offered to other clients of the provider.

**79.9(4)** Recipients must be informed before the service is provided that the recipient will be responsible for the bill if a noncovered service is provided.

**79.9(5)** Coverage in public institutions. Medical services provided to a person while the person is an inmate of a public jail, prison, juvenile detention center, or other public penal institution of more than four beds are not covered by Medicaid.

This rule is intended to implement Iowa Code section 249A.4.

**441—79.10(249A) Requests for preadmission review.** The inpatient hospitalization of Medicaid recipients is subject to preadmission review by the Iowa Medicaid enterprise (IME) medical services unit as required in rule 441—78.3(249A).

**79.10(1)** The patient's admitting physician, the physician's designee, or the hospital will contact the IME medical services unit to request approval of Medicaid coverage for the hospitalization, according to instructions issued to providers by the IME medical services unit and instructions in the Medicaid provider manual.

**79.10(2)** Medicaid payment will not be made to the hospital if the IME medical services unit denies the procedure requested in the preadmission review.

**79.10(3)** The IME medical services unit shall issue a letter of denial to the patient, the physician, and the hospital when a request is denied. The patient, the physician, or the hospital may request a reconsideration of the decision by filing a written request with the IME medical services unit within 60 days of the date of the denial letter.

**79.10(4)** The aggrieved party may appeal a denial of a request for reconsideration by the IME medical services unit according to 441—Chapter 7.

**79.10(5)** The requirement to obtain preadmission review is waived when the patient is enrolled in the managed health care option known as patient management and proper authorization for the admission has been obtained from the patient manager as described in 441—Chapter 88.

This rule is intended to implement Iowa Code section 249A.4.

**441—79.11(249A) Requests for preprocedure surgical review.** The Iowa Medicaid enterprise (IME) medical services unit conducts a preprocedure review of certain frequently performed surgical procedures to determine the necessity of the procedures and if Medicaid payment will be approved according to requirements found in 441—subrules 78.1(19), 78.3(18), and 78.26(3).

**79.11(1)** The physician must request approval from the IME medical services unit when the physician expects to perform a surgical procedure appearing on the department's preprocedure surgical review list published in the Medicaid provider manual. All requests for preprocedure surgical review shall be made according to instructions issued to physicians, hospitals and ambulatory surgical centers appearing in the Medicaid provider manual and instructions issued to providers by the IME medical services unit.

**79.11(2)** The IME medical services unit shall issue the physician a validation number for each request and shall advise whether payment for the procedure will be approved or denied.

**79.11(3)** Medicaid payment will not be made to the physician and other medical personnel or the facility in which the procedure is performed, i.e., hospital or ambulatory surgical center, if the IME medical services unit does not give approval.

**79.11(4)** The IME medical services unit shall issue a denial letter to the patient, the physician, and the facility when the requested procedure is not approved. The patient, the physician, or the facility may

request a reconsideration of the decision by filing a written request with the IME medical services unit within 60 days of the date of the denial letter.

**79.11(5)** The aggrieved party may appeal a denial of a request for reconsideration by the IME medical services unit in accordance with 441—Chapter 7.

**79.11(6)** The requirement to obtain preprocedure surgical review is waived when the patient is enrolled in the managed health care option known as patient management and proper authorization for the procedure has been obtained from the patient manager as described in 441—Chapter 88.

This rule is intended to implement Iowa Code section 249A.4.

**441—79.12(249A) Advance directives.** “Advance directive” means a written instruction, such as a living will or durable power of attorney for health care, recognized under state law and related to the provision of health care when the person is incapacitated. All hospitals, home health agencies, home health providers of waiver services, hospice programs, and health maintenance organizations (HMOs) participating in Medicaid shall establish policies and procedures with respect to all adults receiving medical care through the provider or organization to comply with state law regarding advance directives as follows:

**79.12(1)** A hospital at the time of a person’s admission as an inpatient, a home health care provider in advance of a person’s coming under the care of the provider, a hospice provider at the time of initial receipt of hospice care by a person, and a health maintenance organization at the time of enrollment of the person with the organization shall provide written information to each adult which explains the person’s rights under state law to make decisions concerning medical care, including the right to accept or refuse medical or surgical treatment and the right to formulate advance directives, and the provider’s policies regarding the implementation of these rights.

**79.12(2)** The provider or organization shall document in the person’s medical record whether or not the person has executed an advance directive.

**79.12(3)** The provider or organization shall not condition the provision of care or otherwise discriminate against a person based on whether or not the person has executed an advance directive.

**79.12(4)** The provider or organization shall ensure compliance with requirements of state law regarding advance directives.

**79.12(5)** The provider or organization shall provide for education for staff and the community on issues concerning advance directives.

Nothing in this rule shall be construed to prohibit the application of a state law which allows for an objection on the basis of conscience for any provider or organization which as a matter of conscience cannot implement an advance directive.

This rule is intended to implement Iowa Code section 249A.4.

**441—79.13(249A) Requirements for enrolled Medicaid providers supplying laboratory services.** Medicaid enrolled entities providing laboratory services are subject to the provisions of the Clinical Laboratory Improvement Amendments of 1988 (CLIA), Public Law 100-578, and implementing federal regulations published at 42 CFR Part 493 as amended to December 29, 2000. Medicaid payment shall not be afforded for services provided by an enrolled Medicaid provider supplying laboratory services that fails to meet these requirements. For the purposes of this rule, laboratory services are defined as services to examine human specimens for the diagnosis, prevention or treatment of any disease or impairment of, or assessment of, the health of human beings.

This rule is intended to implement Iowa Code section 249A.4.

**441—79.14(249A) Provider enrollment.**

**79.14(1)** Application request. A provider of medical or remedial services that wishes to enroll as an Iowa Medicaid provider shall begin the enrollment process by contacting the provider services unit at the Iowa Medicaid enterprise to request an application form.

*a.* A nursing facility shall also complete the process set forth in 441—subrule 81.13(1).

*b.* An intermediate care facility for persons with mental retardation shall also complete the process set forth in 441—subrule 82.3(1).

**79.14(2)** Submittal of application. The provider shall submit the appropriate application forms to the Iowa Medicaid enterprise provider services unit at P.O. Box 36450, Des Moines, Iowa 50315.

*a.* Providers of home- and community-based waiver services shall submit Form 470-2917, Medicaid HCBS Provider Application, at least 90 days before the planned service implementation date.

*b.* All other providers shall submit Form 470-0254, Iowa Medicaid Provider Enrollment Application.

*c.* The application shall include the provider's national provider identifier number or shall indicate that the provider is an atypical provider that is not issued a national provider identifier number.

**79.14(3)** Notification. Providers shall be notified of the decision on their application by the Iowa Medicaid enterprise provider services unit within 30 calendar days.

**79.14(4)** Providers not approved as the type of Medicaid provider requested shall have the right to appeal under 441—Chapter 7.

**79.14(5)** Effective date of approval. Applications shall be approved retroactive to the date requested by the provider or the date the provider meets the applicable participation criteria, whichever is later, not to exceed 12 months retroactive from the receipt of the application forms by the Iowa Medicaid enterprise provider services unit.

**79.14(6)** Providers approved for certification as a Medicaid provider shall complete a provider participation agreement as required by rule 441—79.6(249A).

**79.14(7)** No payment shall be made to a provider for care or services provided prior to the effective date of the department's approval of an application, unless the provider was enrolled and participating in the Iowa Medicaid program as of April 1, 1993.

**79.14(8)** Payment rates dependent on the nature of the provider or the nature of the care or services provided shall be based on information on the application form, together with information on claim forms, or on rates paid the provider prior to April 1, 1993.

**79.14(9)** Amendments to application forms shall be submitted to the Iowa Medicaid enterprise provider services unit and shall be approved or denied within 30 calendar days. Approval of an amendment shall be retroactive to the date requested by the provider or the date the provider meets all applicable criteria, whichever is later, not to exceed 30 days prior to the receipt of the amendment by the Iowa Medicaid enterprise provider services unit. Denial of an amendment may be appealed under 441—Chapter 7.

**79.14(10)** Providers who have not submitted claims in the last 24 months will be sent a notice asking if they wish to continue participation. Providers failing to reply to the notice within 30 calendar days of the date on the notice will be terminated as providers. Providers who do not submit any claims in 48 months will be terminated as providers without further notification.

**79.14(11)** Report of changes. The provider shall inform the Iowa Medicaid enterprise of all pertinent changes to enrollment information within 60 days of the change. Pertinent changes include, but are not limited to, changes to the business entity name, individual provider name, tax identification number, mailing address, and telephone number.

*a.* When a provider fails to provide current information within the 60-day period, the department may terminate the provider's Medicaid enrollment upon 30 days' notice. The termination may be appealed under 441—Chapter 7.

*b.* When the department incurs an informational tax-reporting fine because a provider submitted inaccurate information or failed to submit changes to the Iowa Medicaid enterprise in a timely manner, the fine shall be the responsibility of the individual provider to the extent that the fine relates to or arises out of the provider's failure to keep all provider information current.

(1) The provider shall remit the amount of the fine to the department within 30 days of notification by the department that the fine has been imposed.

(2) Payment of the fine may be appealed under 441—Chapter 7.

This rule is intended to implement Iowa Code section 249A.4.

**441—79.15(249A) Education about false claims recovery.** The provisions in this rule apply to any entity that has received medical assistance payments totaling at least \$5 million during a federal fiscal year (ending on September 30). For entities whose payments reach this threshold, compliance with this rule is a condition of receiving payments under the medical assistance program during the following calendar year.

**79.15(1) Policy requirements.** Any entity whose medical assistance payments meet the threshold shall:

*a.* Establish written policies for all employees of the entity and for all employees of any contractor or agent of the entity, including management, which provide detailed information about:

(1) The False Claims Act established under Title 31, United States Code, Sections 3729 through 3733;

(2) Administrative remedies for false claims and statements established under Title 31, United States Code, Chapter 38;

(3) Any state laws pertaining to civil or criminal penalties for false claims and statements;

(4) Whistle blower protections under the laws described in subparagraphs (1) to (3) with respect to the role of these laws in preventing and detecting fraud, waste, and abuse in federal health care programs, as defined in Title 42, United States Code, Section 1320a-7b(f); and

(5) The entity's policies and procedures for detecting and preventing fraud, waste, and abuse.

*b.* Include in any employee handbook a specific discussion of:

(1) The laws described in paragraph 79.15(1) "a";

(2) The rights of employees to be protected as whistle blowers; and

(3) The entity's policies and procedures for detecting and preventing fraud, waste, and abuse.

**79.15(2) Reporting requirements.**

*a.* Any entity whose medical assistance payments meet the specified threshold during a federal fiscal year shall provide the following information to the Iowa Medicaid enterprise by the following December 31:

(1) The name, address, and national provider identification numbers under which the entity receives payment;

(2) Copies of written or electronic policies that meet the requirements of subrule 79.15(1); and

(3) A written description of how the policies are made available and disseminated to all employees of the entity and to all employees of any contractor or agent of the entity.

*b.* The information may be provided by:

(1) Mailing the information to the IME Surveillance and Utilization Review Services Unit, P.O. Box 36390, Des Moines, Iowa 50315; or

(2) Faxing the information to (515)725-1354.

**79.15(3) Enforcement.** Any entity that fails to comply with the requirements of this rule shall be subject to sanction under rule 441—79.2(249A), including probation, suspension or withholding of payments, and suspension or termination from participation in the medical assistance program.

This rule is intended to implement Iowa Code section 249A.4 and Public Law 109-171, Section 6032.

**441—79.16(249A) Electronic health record incentive program.** The department has elected to participate in the electronic health record (EHR) incentive program authorized under Section 4201 of the American Recovery and Reinvestment Act of 2009 (ARRA), Public Law No. 111-5. The electronic health record incentive program provides incentive payments to eligible hospitals and professionals participating in the Iowa Medicaid program that adopt and successfully demonstrate meaningful use of certified electronic health record technology.

**79.16(1) State elections.** In addition to the statutory provisions in Section 4201 of the ARRA, the electronic health record incentive program is governed by federal regulations at 42 CFR Part 495 as published in the Federal Register, Vol. 75, No. 144, on July 28, 2010. In compliance with the requirements of federal law, the department establishes the following state options under the Iowa electronic health record incentive program:

a. For purposes of the term “hospital-based eligible professional (EP)” as set forth in 42 CFR Section 495.4 as amended to July 28, 2010, the department elects the calendar year preceding the payment year as the period used to calculate whether or not an eligible professional is “hospital-based” for purposes of the regulation.

b. For purposes of calculating patient volume as required by 42 CFR Section 495.306 as amended to July 28, 2010, eligible providers may elect to use either:

- (1) The methodology found in 42 CFR Section 495.306(c) as amended to July 28, 2010, or
- (2) The methodology found in 42 CFR Section 495.306(d) as amended to July 28, 2010.

c. For purposes of 42 CFR Section 495.310(g)(1)(i)(B) as amended to July 28, 2010, the “12-month period selected by the state” shall mean the state fiscal year.

**79.16(2) Eligible providers.** To be deemed an “eligible provider” for the electronic health record incentive program, a provider must satisfy the following criteria:

a. The provider must be currently enrolled as an Iowa Medicaid provider.

b. The provider must be one of the following:

(1) An eligible professional, listed as:

1. A physician,
2. A dentist,
3. A certified nurse midwife,
4. A nurse practitioner, or

5. A physician assistant practicing in a federally qualified health center or a rural health clinic when the physician assistant is the primary provider, clinical or medical director, or owner of the site.

(2) An acute care hospital, defined as a health care facility where the average length of stay is 25 days or fewer, which has a CMS certification number with the last four digits in the series 0001-0879 or 1300-1399.

(3) A children’s hospital, defined as a separately certified children’s hospital, either freestanding or a hospital-within-hospital, that predominately treats individuals under 21 years of age and has a CMS certification number with the last four digits in the series 3300-3399.

c. For the year for which the provider is applying for an incentive payment:

(1) An acute care hospital must have 10 percent Medicaid patient volume.

(2) An eligible professional must have at least 30 percent of the professional’s patient volume covered by Medicaid, except that:

1. A pediatrician must have at least 20 percent Medicaid patient volume.

2. When a professional has at least 50 percent of patient encounters in a federally qualified health center or rural health clinic, patients who were furnished services either at no cost or at a reduced cost based on a sliding scale or ability to pay, patients covered by the HAWK-I program, and Medicaid members may be counted to meet the 30 percent threshold.

**79.16(3) Application and agreement.** Any eligible provider who wants to participate in the Iowa electronic health record incentive program must declare the intent to participate by registering with the National Level Repository, as developed by the Centers for Medicare and Medicaid Services (CMS). CMS will notify the department of an eligible provider’s application for the incentive payment.

a. Upon receipt of an application for participation in the program, the department will contact the applicant with instructions for accessing the EHR incentive payment program section of the Iowa Medicaid portal access (IMPA) Web site at <https://secureapp.dhs.state.ia.us/impa/>. The applicant shall use the Web site to:

(1) Attest to the applicant’s qualifications to receive the incentive payment, and

(2) Digitally sign Form 470-4976, Iowa Electronic Health Record Incentive Program Provider Agreement.

b. For the second year of participation, the eligible provider must submit meaningful use and clinical quality measures to the department, either through attestation or electronically as required by the department.

c. The department shall verify the applicant’s eligibility, including patient volume and practice type, and the applicant’s use of certified electronic health record technology.

**79.16(4) Payment.** The department shall issue the incentive payment only after confirming that all eligibility and performance criteria have been satisfied. Payments will be processed and paid to the tax identification number designated by the applicant. The department will communicate the payment or denial of payment to the National Level Repository.

*a.* The primary communication channel from the department to the provider will be the IMPA Web site. If the department finds that the applicant is ineligible or has failed to achieve the criteria necessary for the payment, the department shall notify the provider through the Web site. Providers shall access the Web site to determine the status of their payment, including whether the department denied payment and the reason for the denial.

*b.* Providers must retain records supporting their eligibility for the incentive payment for a minimum of six years. The department will select providers for audit after issuance of an incentive payment. Incentive recipients shall cooperate with the department by providing proof of:

- (1) Eligibility,
- (2) Purchase of certified electronic health record technology, and
- (3) Meaningful use of electronic health record technology.

**79.16(5) Administrative appeal.** Any eligible provider or any provider that claims to be an eligible provider and who has been subject to an adverse action related to the Iowa electronic health record incentive program may seek review of the department's action pursuant to 441—Chapter 7. Appealable issues include:

- a.* Provider eligibility determination.
- b.* Incentive payments.
- c.* Demonstration of adopting, implementing, upgrading and meaningful use of technology.

This rule is intended to implement Iowa Code section 249A.4 and Public Law No. 111-5.

<sup>0</sup> Two or more ARCs

<sup>1</sup> Effective date of 79.1(2) and 79.1(5) “t” delayed 70 days by the Administrative Rules Review Committee at its January 1988, meeting.

<sup>2</sup> Effective date of 4/1/90 delayed 70 days by the Administrative Rules Review Committee at its March 12, 1990, meeting; delay lifted by this Committee, effective May 11, 1990.

<sup>3</sup> Effective date of subrule 79.1(13) delayed until adjournment of the 1992 Sessions of the General Assembly by the Administrative Rules Review Committee at its meeting held July 12, 1991.

<sup>4</sup> Effective date of 3/1/92 delayed until adjournment of the 1992 General Assembly by the Administrative Rules Review Committee at its meeting held February 3, 1992.

<sup>5</sup> At a special meeting held January 24, 2002, the Administrative Rules Review Committee voted to delay until adjournment of the 2002 Session of the General Assembly the effective date of amendments published in the February 6, 2002, Iowa Administrative Bulletin as **ARC 1365B**.

<sup>6</sup> Effective date of October 1, 2002, delayed 70 days by the Administrative Rules Review Committee at its meeting held September 10, 2002. At its meeting held November 19, 2002, the Committee voted to delay the effective date until adjournment of the 2003 Session of the General Assembly.

<sup>7</sup> July 1, 2009, effective date of amendments to 79.1(1) “d,” 79.1(2), and 79.1(24) “a”(1) delayed 70 days by the Administrative Rules Review Committee at a special meeting held June 25, 2009.

CHAPTER 80  
PROCEDURE AND METHOD OF PAYMENT  
[Prior to 7/1/83, Social Services[770] Ch 80]

**441—80.1(249A) The fiscal agent function in medical assistance.** Rescinded IAB 5/25/05, effective 7/1/05.

**441—80.2(249A) Submission of claims.** Providers of medical and remedial care participating in the program shall submit claims for services rendered to the Iowa Medicaid enterprise on at least a monthly basis. All nursing facilities and providers of home- and community-based services shall submit claims for services after end of the calendar month in which the services are provided. Following audit of the claim, the Iowa Medicaid enterprise will make payment to the provider of care.

**80.2(1) Electronic submission.** Providers are encouraged to submit claims electronically whenever possible.

*a.* Ambulance service providers may bill electronically only when the procedures performed are identified by codes based on the ones that Medicare recognizes as emergency and support medical necessity without a review by the Iowa Medicaid enterprise.

*b.* When filing electronic claims, pharmacies shall use the format prescribed by the National Council for Prescription Drug Programs.

*c.* Claims submitted electronically after implementation of the Health Insurance Portability and Accountability Act of 1996 shall be filed on the Accredited Standards Committee (ASC) X12N 837 transaction, Health Care Claim. The department shall send all providers written notice when the Act is implemented.

(1) Providers listed as filing claims on Form CMS-1500 or on the Claim for Targeted Medical Care shall file claims on the professional version of the Health Care Claim.

(2) Providers listed as filing claims on Form CMS-1450 or on the Iowa Medicaid Long-Term Care Claim shall file the institutional version of the Health Care Claim.

(3) Dentists shall file the dental version of the Health Care Claim.

(4) Pharmacists providing drugs and injections shall use the format prescribed by the National Council for Prescription Drug Programs.

*d.* If a claim submitted electronically requires attachments or supporting clinical documentation and a national electronic attachment has not been adopted, the provider shall:

(1) Use Form 470-3969, Claim Attachment Control, as the cover sheet for the paper attachments or supporting clinical documentation; and

(2) Reference on Form 470-3969 the attachment control number submitted on the ASC X12N 837 electronic transaction.

**80.2(2) Claim forms.** Claims for payment for services provided recipients shall be submitted on Form CMS-1500, Health Insurance Claim Form, except as noted below.

*a.* The following providers shall submit claims on Form UB-92, CMS-1450:

(1) Home health agencies providing services other than home- and community-based services.

(2) Hospitals providing inpatient care or outpatient services, including inpatient psychiatric hospitals.

(3) Psychiatric medical institutions for children.

(4) Rehabilitation agencies.

(5) Hospice providers.

(6) Medicare-certified nursing facilities.

(7) Nursing facilities for the mentally ill.

(8) Special population nursing facilities as defined in rule 441—81.6(249A).

(9) Out-of-state nursing facilities.

*b.* All other nursing facilities and intermediate care facilities for the mentally retarded shall file claims on Form 470-0039, Iowa Medicaid Long-Term Care Claim.

c. Pharmacies shall submit claims on the Universal Pharmacy Claim Form when filing paper claims.

d. Dentists shall submit claims on the dental claim form approved by the American Dental Association.

e. Rescinded IAB 8/1/07, effective 9/5/07.

f. Providers of home- and community-based waiver services, including home health agencies providing home- and community-based waiver services shall submit claims on Form 470-2486, Claim for Targeted Medical Care.

g. Case management providers shall submit claims on Form 470-2486, Claim for Targeted Medical Care, for services provided pursuant to 441—Chapter 90 and on FACS-generated claims for services provided pursuant to 441—Chapter 186.

h. Providers who send an Explanation of Medicare Benefits or a crossover claim for Medicare beneficiaries to the Iowa Medicaid enterprise are exempt from filing these forms for those beneficiaries.

**80.2(3)** Providers shall purchase or copy their supplies of forms CMS-1450 and CMS-1500 for use in billing.

This rule is intended to implement Iowa Code section 249A.4.

#### **441—80.3(249A) Payment from other sources.**

**80.3(1)** *Payments deducted.* The amount of any payment made directly to the provider of care by the recipient, relatives, or any source shall be deducted from the established cost standard for the service provided to establish the amount of payment to be made by Iowa Medicaid.

**80.3(2)** *Third-party liability.* When a third-party liability for medical expenses exists, this resource shall be utilized before the Medicaid program makes payment unless:

a. The department pays the total amount allowed under the Medicaid payment schedule and then seeks reimbursement from the liable third party. This “pay and chase” provision applies to claims for:

- (1) Prenatal care,
- (2) Preventive pediatric services, and
- (3) All services provided to a person for whom there is court-ordered medical support.

b. Otherwise authorized by the department.

**80.3(3)** *Recovery from third parties legally responsible to pay for health care.* Parties that are, by statute, contract, or agreement, legally responsible for payment of a claim for a health care item or service shall:

a. Respond to any inquiry by the state regarding a claim for payment for any health care item or service that is submitted no later than three years after the date of the provision of the item or service.

b. Agree not to deny any claim submitted by the state solely because of the date of submission of the claim, the type or format of the claim form, or a failure to present proper documentation at the point of sale that is the basis of the claim, if both of the following conditions are met:

(1) The claim is submitted to the entity by the state within the three-year period beginning on the date on which the item or service was furnished.

(2) Any action by the state to enforce its rights with respect to the claim is commenced within six years of the date that the claim was submitted by the state.

c. Reimburse the Medicaid program within 90 days of the request for repayment.

This rule is intended to implement Iowa Code chapter 249A.

[ARC 7547B, IAB 2/11/09, effective 3/18/09]

#### **441—80.4(249A) Time limit for submission of claims and claim adjustments.**

**80.4(1)** *Submission of claims.* Payment will not be made on any claim where the amount of time that has elapsed between the date the service was rendered and the date the initial claim is received by the Iowa Medicaid enterprise exceeds 365 days. The department shall consider claims submitted beyond the 365-day limit for payment only if retroactive eligibility on newly approved cases is made that exceeds 365 days or if attempts to collect from a third-party payer delay the submission of a claim.

**80.4(2) Claim adjustments.** A provider's request for an adjustment to a paid claim must be received by the Iowa Medicaid enterprise within one year from the date the claim was paid in order to have the adjustment considered.

This rule is intended to implement Iowa Code sections 249A.3, 249A.4 and 249A.12.

**441—80.5(249A) Authorization process.**

**80.5(1) Identification cards.** The department shall issue Form 470-1911, Medical Assistance Eligibility Card, to members for use in securing medical and health services available under the program except as provided in 441—76.6(249A).

*a.* The department shall issue the Medical Assistance Eligibility Card:

- (1) When the member's eligibility is initially determined.
- (2) Annually thereafter.
- (3) Upon the member's request for replacement of a lost, stolen, or damaged card.

*b.* The Medical Assistance Eligibility Card is valid only for months in which the member has established eligibility, as indicated on the department's eligibility verification system (ELVS). Payment will be made for services provided to an ineligible person when ELVS indicates that the person was eligible for the period in which the service was provided.

**80.5(2) Third-party liability.** Rescinded IAB 2/11/09, effective 3/18/09.  
[ARC 7547B, IAB 2/11/09, effective 3/18/09]

**441—80.6(249A) Payment to provider—exception.** Payments for medical services may be made only to the provider of the services except as provided below:

**80.6(1) Medical assistance corrective payments.** Payment may be made to the client or county relief agency in accordance with rule 441—75.8(249A).

**80.6(2) Assignment.** Payment may be made in accordance with an assignment to a county for medical services received while the recipient was receiving interim assistance or while an appeal of a denial of medical assistance was pending.

**80.6(3) Business agent of provider.** Payment may be made to a business agent that furnishes statements and receives payments in the name of the provider if the agent's compensation is:

- a.* Related to the cost of processing the billing.
- b.* Not related on a percentage or other basis to the amount that is billed or collected.
- c.* Not dependent upon the collection of the payment.

These rules are intended to implement Iowa Code section 249A.4.

CHAPTER 81  
NURSING FACILITIES

[Prior to 7/1/83 Social Services[770] Ch 81]

[Prior to 2/11/87, Human Services[498]]

DIVISION I  
GENERAL POLICIES

**441—81.1(249A) Definitions.**

“*Abuse*” means any of the following which occurs as a result of the willful or negligent acts or omissions of a nursing facility employee:

1. Physical injury to, or injury which is at a variance with the history given of the injury, or unreasonable confinement or unreasonable punishment or assault as defined in Iowa Code section 708.1 of a resident.

2. The commission of a sexual offense under Iowa Code chapter 709 or Iowa Code section 726.2 or 728.12, subsection 1, or sexual exploitation under Iowa Code chapter 235B, as a result of the acts or omissions of the facility employee responsible for the care of the resident with or against a resident.

3. Exploitation of a resident which means the act or process of taking unfair advantage of a resident or the resident’s physical or financial resources for one’s own personal or pecuniary profit without the informed consent of the resident, including theft, by the use of undue influence, harassment, duress, deception, false representation or false pretenses.

4. The deprivation of the minimum food, shelter, clothing, supervision, physical or mental health care, or other care necessary to maintain a resident’s life or health.

“*Advance directive*” means a written instruction, such as a living will or durable power of attorney for health care, recognized under state law and related to the provision of health care when the resident is incapacitated.

“*Allowable costs*” means the price a prudent, cost-conscious buyer would pay a willing seller for goods or services in an arm’s-length transaction, not to exceed the limitations set out in rules.

“*Beginning eligibility date*” means date of an individual’s admission to the facility or date of eligibility for medical assistance, whichever is the later date.

“*Case mix*” means a measure of the intensity of care and services used by similar residents in a facility.

“*Case-mix index*” means a numeric score within a specific range that identifies the relative resources used by similar residents and represents the average resource consumption across a population or sample.

“*Civil penalty*” shall mean a civil money penalty not to exceed the amount authorized under Iowa Code section 135C.36 for health care facility violations.

“*Clinical experience*” means application or learned skills for direct resident care in a nursing facility.

“*Complete replacement*” means completed construction on a new nursing facility to replace an existing licensed and certified nursing facility. The replacement facility shall have no more licensed beds than the facility being replaced and shall be located either in the same county as the facility being replaced or within 30 miles from the facility being replaced.

“*Cost normalization*” refers to the process of removing cost variations associated with different levels of resident case mix. Normalized cost is determined by dividing a facility’s per diem direct care component costs by the facility cost report period case-mix index.

“*Denial of critical care*” is a pattern of care in which the resident’s basic needs are denied or ignored to such an extent that there is imminent or potential danger of the resident suffering injury or death, or is a denial of, or a failure to provide the mental health care necessary to adequately treat the resident’s serious social maladjustment, or is a gross failure of the facility employee to meet the emotional needs of the resident necessary for normal functioning, or is a failure of the facility employee to provide for the proper supervision of the resident.

“*Department*” means the Iowa department of human services.

“*Department’s accounting firm*” means the firm on contract with the department to calculate nursing facility rates and provide other accounting services as requested.

*“Direct care component”* means the portion of the Medicaid reimbursement rates that is attributable to the salaries and benefits of registered nurses, licensed practical nurses, certified nursing assistants, rehabilitation nurses, and contracted nursing services.

*“Discharged resident”* means a resident whose accounts and records have been closed out and whose personal effects have been taken from the facility. When a resident is discharged, the facility shall notify the department via Form 470-0042, Case Activity Report.

*“Facility”* means a licensed nursing facility certified in accordance with the provisions of 42 CFR Part 483, as amended to September 23, 1992, to provide health services and includes hospital-based nursing facilities that are Medicare-certified and provide only skilled level of care and swing-bed hospitals unless stated otherwise.

*“Facility-based nurse aide training program”* means a nurse aide training program that is offered by a nursing facility and taught by facility employees or under the control of the licensee.

*“Facility cost report period case-mix index”* is the average of quarterly facilitywide average case-mix indices, carried to four decimal places. The quarters used in this average will be the quarters that most closely coincide with the financial and statistical reporting period. For example, a 01/01/2000-12/31/2000 financial and statistical reporting period would use the facilitywide average case-mix indices for quarters ending 03/31/00, 06/30/00, 09/30/00 and 12/31/00.

*“Facilitywide average case-mix index”* is the simple average, carried to four decimal places, of all resident case-mix indices based on the last day of each calendar quarter.

*“Informed consent”* means a resident’s agreement to allow something to happen that is based on a full disclosure of known facts and circumstances needed to make the decision intelligently, i.e., with knowledge of the risks involved or alternatives.

*“Iowa Medicaid enterprise”* means the entity comprised of department staff and contractors responsible for the management and reimbursement of Medicaid services.

*“Laboratory experience”* means practicing care-giving skills prior to contact in the clinical setting.

*“Major renovations”* means new construction or facility improvements to an existing licensed and certified nursing facility in which the total depreciable asset value of the new construction or facility improvements exceeds \$1.5 million. The \$1.5 million threshold shall be calculated based on the total depreciable asset value of new construction or facility improvements placed into service during a two-year period ending on the date the last asset was placed into service. When the property costs of an asset have been included in a facility’s financial and statistical report that has already been used in a biennial rebasing, the costs of that asset shall not be considered in determining whether the facility meets the \$1.5 million threshold.

*“Medicaid average case-mix index”* is the simple average, carried to four decimal places, of all resident case-mix indices where Medicaid is known to be the per diem payor source on the last day of the calendar quarter.

*“Minimum data set”* or *“MDS”* refers to a federally required resident assessment tool. Information from the MDS is used by the department to determine the facility’s case-mix index for purposes of normalizing per diem allowable direct care costs as provided by paragraph 81.6(16)“b,” for determining the Medicaid average case-mix index to adjust the direct care component pursuant to paragraphs 81.6(16)“c” and “e,” the excess payment allowance pursuant to paragraph 81.6(16)“d,” and the limits on reimbursement components pursuant to paragraph 81.6(16)“f.” MDS is described in subrule 81.13(9).

*“Minimum food, shelter, clothing, supervision, physical or mental health care, or other care”* means that food, shelter, clothing, supervision, physical or mental health care, or other care which, if not provided, would constitute denial of critical care.

*“Mistreatment”* means any intentional act, or threat of an act, coupled with the apparent ability to execute the act, which causes or puts another person in fear of mental anguish, humiliation, deprivation or physical contact which is or will be painful, insulting or offensive. Actions utilized in providing necessary treatment or care in accordance with accepted standards of practice are not considered mistreatment.

“*New construction*” means the construction of a new nursing facility that does not replace an existing licensed and certified facility and that requires the provider to obtain a certificate of need pursuant to Iowa Code chapter 135, division VI.

“*Non-direct care component*” means the portion of Medicaid reimbursement rates attributable to administrative, environmental, property, and support care costs reported on the financial and statistical report.

“*Non-facility-based nurse aide training program*” means a nurse aide training program that is offered by an organization that is not licensed to provide nursing facility services.

“*Nurse aide*” means any individual who is not a licensed health professional or volunteer providing nursing or nursing-related services to residents in a nursing facility.

“*Nurse aide registry*” means Nurse Aide Registry, Department of Inspections and Appeals, Third Floor, Lucas State Office Building, Des Moines, Iowa 50319.

“*Nurse aide training and competency evaluation programs (NATCEP)*” are educational programs approved by the department of inspections and appeals for nurse aide training as designated in subrule 81.16(3).

“*Patient-day-weighted median cost*” means the per diem cost of the nursing facility that is at the median per diem cost of all nursing facilities based on patient days provided when per diem allowable costs are ranked from low to high. A separate patient-day-weighted median cost amount shall be determined for the direct care and non-direct care components.

“*Physical abuse*” means any nonaccidental physical injury, or injury which is at variance with the history given of it, suffered by a resident as the result of the acts or omissions of a person responsible for the care of the resident.

“*Physical injury*” means damage to any bodily tissue to the extent that the tissue must undergo a healing process in order to be restored to a sound and healthy condition, or damage to any bodily tissue to the extent that the tissue cannot be restored to a sound and healthy condition, or damage to any bodily tissue which results in the death of the person who has sustained the damage.

“*Poor performing facility (PPF)*” is a facility designated by the department of inspections and appeals as a poor performing facility (PPF) based on surveys conducted by the department of inspections and appeals pursuant to subrule 81.13(1). A facility shall be designated a PPF if it has been cited for substandard quality of care on the current standard survey and it:

1. Has been cited for substandard quality of care or immediate jeopardy on at least one of the previous two standard surveys;
2. Has a history of substantiated complaints during the last two years;
3. Has a current deficiency for not having a quality assurance program; or
4. Does not have an effective quality assurance program as defined in paragraph 81.13(19)“o.”

“*Primary instructor*” means a registered nurse responsible for teaching a state-approved nurse aide training course.

“*Program coordinator*” means a registered nurse responsible for administrative aspects of a state-approved nurse aide training course.

“*Rate determination letter*” means the letter that is distributed quarterly by the Iowa Medicaid enterprise to each nursing facility notifying the facility of the facility’s Medicaid reimbursement rate calculated in accordance with this rule and of the effective date of the reimbursement rate.

“*Skills performance record*” means a record of major duties and skills taught which consists of, at a minimum:

1. A listing of the duties and skills expected to be learned in the program.
2. Space to record the date when the aide performs the duty or skill.
3. Space to note satisfactory or unsatisfactory performance.
4. The signature of the instructor supervising the performance.

“*Special population nursing facility*” refers to a nursing facility that serves the following populations:

1. One hundred percent of the residents served are aged 21 and under and require the skilled level of care.

2. Seventy percent of the residents served require the skilled level of care for neurological disorders.

“*Terminated from the Medicare or Medicaid program*” means a facility has lost the final appeal to which it is entitled.

“*Testing entity*” means a person, agency, institution, or facility approved by the department of inspections and appeals to take responsibility for obtaining, keeping secure and administering the competency test and reporting nurse aide scores to the nurse aide registry.

This rule is intended to implement Iowa Code sections 249A.2(6), 249A.3(2) “a,” and 249A.4. [ARC 8445B, IAB 1/13/10, effective 12/11/09]

**441—81.2** Rescinded, effective 11/21/79.

**441—81.3(249A) Initial approval for nursing facility care.**

**81.3(1)** *Need for nursing facility care.* Residents of nursing facilities must be in need of either nursing facility care or skilled nursing care. Payment will be made for nursing facility care residents only upon certification of the need for the level of care by a licensed physician of medicine or osteopathy and approval of the level of care by the department.

*a.* Decisions on level of care shall be made for the department by the Iowa Medicaid enterprise (IME) medical services unit within two working days of receipt of medical information. The IME medical services unit determines whether the level of care provided or to be provided should be approved based on medical necessity and the appropriateness of the level of care under 441—subrules 79.9(1) and 79.9(2).

*b.* Adverse decisions by the IME medical services unit may be appealed to the department pursuant to 441—Chapter 7.

**81.3(2)** *Skilled nursing care level of need.* Rescinded IAB 7/11/01, effective 7/1/01.

**81.3(3)** *Screening.* All persons, regardless of the source of payment, seeking admission to a nursing facility shall also be screened by the IME medical services unit to determine if mental illness, mental retardation, or a related condition is present. The Iowa Medicaid program will cover the cost of this screening through the managed mental health contractor.

*a.* Final approval for initial admissions and continued stay of persons with mental illness, mental retardation, or a related condition is determined by the department of human services, division of mental health and disability services.

*b.* Nursing facility payment under the Iowa Medicaid program will be made for persons with mental illness, mental retardation, or a related condition only if it is determined by the division of mental health and disability services that the person’s treatment needs will be or are being met.

**81.3(4)** *Special care level of need.* Rescinded IAB 3/20/91, effective 3/1/91.

This rule is intended to implement Iowa Code sections 249A.2(6), 249A.3(2) “a” and 249A.4. [ARC 8445B, IAB 1/13/10, effective 12/11/09]

**441—81.4(249A) Arrangements with residents.**

**81.4(1)** *Resident care agreement.* Rescinded IAB 12/6/95, effective 2/1/96.

**81.4(2)** *Financial participation by resident.* A resident’s payment for care may include any voluntary payments made by family members toward cost of care of the resident. The resident’s client participation and medical payments from a third party shall be paid toward the total cost of care for the month before any state payment is made. The state will pay the balance of the cost of care for the remainder of the month. The facility shall make arrangements directly with the resident for payment of client participation.

**81.4(3)** *Personal needs account.* When a facility manages the personal needs funds of a resident, it shall establish and maintain a system of accounting for expenditures from the resident’s personal needs funds. (See subrule 81.13(5) “c.”) The funds shall be deposited in a bank within the state of Iowa insured by FDIC. Expense for bank service charges for this account is an allowable expense under rule 441—81.6(249A) if the service cannot be obtained free of charge. The department shall charge back to the facility any maintenance item included in the computation of the audit cost that is charged

to the resident's personal needs when the charge constitutes double payment. Unverifiable expenditures charged to personal needs accounts may be charged back to the facility. The accounting system is subject to audit by representatives of the department and shall meet the following criteria:

*a.* Upon admittance, a ledger sheet shall be credited with the resident's total incidental money on hand. Thereafter, the ledger shall be kept current on a monthly basis. The facility may combine the accounting with the disbursement section showing the date, amount given the resident, and the resident's signature. A separate ledger shall be maintained for each resident.

*b.* When something is purchased for the resident and is not a direct cash disbursement, each expenditure item in the ledger shall be supported by a signed, dated receipt. The receipt shall indicate the article furnished for the resident's benefit.

*c.* Personal funds shall only be turned over to the resident, the resident's guardian, or other persons selected by the resident. With the consent of the resident, when the resident is able and willing to give consent the administrator may turn over personal funds to a close relative or friend of the resident to purchase a particular item. A signed, dated receipt shall be required to be deposited in the resident's files.

*d.* The ledger and receipts for each resident shall be made available for periodic audits by an accredited department representative. Audit certification shall be made by the department's representative at the bottom of the ledger sheet. Supporting receipts may then be destroyed.

*e.* Upon a patient's death, a receipt shall be obtained from the next of kin, the resident's guardian, or the representative handling the funeral before releasing the balance of the personal needs funds. In the event there is no next of kin or guardian available and there are no outstanding funeral expenses, any funds shall revert to the department. In the event that an estate is opened, the department shall turn the funds over to the estate.

**81.4(4) *Safeguarding personal property.*** The facility shall safeguard the resident's personal possessions. Safeguarding shall include, but is not limited to:

*a.* Providing a method of identification of the resident's suitcases, clothing, and other personal effects, and listing these on an appropriate form attached to the resident's record at the time of admission. These records shall be kept current. Any personal effects released to a relative of the resident shall be covered by a signed receipt.

*b.* Providing adequate storage facilities for the resident's personal effects.

*c.* Ensuring that all mail is delivered unopened to the resident to whom it is addressed, except in those cases where the resident is too confused, as documented in the person's permanent medical record, to receive it, in which case the mail is held unopened for the resident's conservator or relatives. Mail may be opened by the facility in cases where the resident or relatives or guardian have given permission in writing for mail to be opened and read to the resident.

This rule is intended to implement Iowa Code sections 249A.2, 249A.3(2) "a," and 249A.4.

**441—81.5(249A) Discharge and transfer.** (See subrules 81.13(2) "a" and 81.13(6) "c.")

**81.5(1) *Notice.*** When a public assistance recipient requests transfer or discharge, or another person requests this for the recipient, the administrator shall promptly notify the local office of the department. This shall be done in sufficient time to permit a social service worker to assist in the planning for the transfer or discharge.

**81.5(2) *Case activity report.*** A Case Activity Report, Form 470-0042, shall be submitted to the department whenever a Medicaid applicant or recipient enters the facility, changes level of care, or is discharged from the facility.

**81.5(3) *Plan.*** The administrator and staff shall assist the resident in planning for transfer or discharge through development of a discharge plan.

**81.5(4) *Transfer records.*** When a resident is transferred to another facility, transfer information shall be summarized from the facility's records in a copy to accompany the resident. This information shall include:

*a.* A transfer form of diagnosis.

*b.* Aid to daily living information.

- c. Transfer orders.
- d. Nursing care plan.
- e. Physician's orders for care.
- f. The resident's personal records.
- g. When applicable, the personal needs fund record.
- h. Resident care review team assessment.

**81.5(5) *Unused client participation.*** When a resident leaves the facility during the month, any unused portion of the resident's client participation shall be refunded.

This rule is intended to implement Iowa Code sections 249A.2, 249A.3(2) "a," and 249A.4.

**441—81.6(249A) Financial and statistical report and determination of payment rate.** With the exception of hospital-based nursing facilities that are Medicare-certified and provide only the skilled level of care, herein referred to as Medicare-certified hospital-based nursing facilities, all facilities in Iowa wishing to participate in the program shall submit a Financial and Statistical Report, Form 470-0030, to the department's accounting firm. All Medicare-certified hospital-based nursing facilities shall submit a copy of their Medicare cost report to the department's accounting firm. Costs for patient care services shall be reported, divided into the subcategories of "Direct Patient Care Costs" and "Support Care Costs." Costs associated with food and dietary wages shall be included in the "Support Care Costs" subcategory. The financial and statistical report shall be submitted in an electronic format approved by the department. These reports shall be based on the following rules.

**81.6(1) *Failure to maintain records.*** Failure to adequately maintain fiscal records, including census records, medical charts, ledgers, journals, tax returns, canceled checks, source documents, invoices, and audit reports by or for a facility may result in the penalties specified in subrule 81.14(1).

**81.6(2) *Accounting procedures.*** Financial information shall be based on that appearing in the audited financial statement. Adjustments to convert to the accrual basis of accounting shall be made when the records are maintained on other accounting bases. Facilities which are a part of a larger health facility extending short-term, intensive, or other health care not generally considered nursing care may submit a cost apportionment schedule prepared in accordance with recognized methods and procedures. A schedule shall be required when necessary for a fair presentation of expense attributable to nursing facility patients.

**81.6(3) *Submission of reports.*** All nursing facilities, except the Iowa Veterans Home, shall submit reports to the department's accounting firm no later than three months after the close of the facility's established fiscal year. The Iowa Veterans Home shall submit the report to the department's accounting firm no later than three months after the close of each six-month period of the facility's established fiscal year. Failure to submit a report that meets the requirements of this rule within this time shall reduce payment to 75 percent of the current rate. The reduced rate shall be paid for no longer than three months, after which time no further payments will be made.

A facility may change its fiscal year one time in any two-year period. If the facility changes its fiscal year, the facility shall notify the department's accounting firm 60 days prior to the first date of the change.

**81.6(4) *Payment at new rate.***

a. Except for state-operated nursing facilities and special population nursing facilities, payment rates shall be updated July 1, 2001, and every second year thereafter with new cost report data, and adjusted quarterly to account for changes in the Medicaid average case-mix index. For nursing facilities receiving both an ICF and SNF Medicaid rate effective June 30, 2001, the June 30, 2001, Medicaid rate referenced in subparagraphs (1) and (2) below shall be the patient-day-weighted average of the ICF and SNF Medicaid rates effective June 30, 2001, excluding the case-mix transition add-on amount.

(1) The Medicaid payment rates for services rendered from July 1, 2001, through June 30, 2002, shall be 66.67 percent of the facility's Medicaid rate effective June 30, 2001, excluding the case-mix transition add-on amount, plus an inflation allowance of 6.21 percent, not to exceed \$94, and 33.33 percent of the July 1, 2001, modified price-based rate pursuant to subrule 81.6(16). In no case shall the July 1, 2001, Medicaid rate be less than the Medicaid rate effective June 30, 2001, excluding the case-mix transition add-on amount, and increased by a 6.21 percent inflation allowance.

(2) Payment rates for services rendered from July 1, 2002, through June 30, 2003, shall be 33.33 percent of the facility's Medicaid rate effective June 30, 2001, excluding the case-mix transition add-on amount, plus an inflation allowance of 6.21 percent, and an additional inflation factor based on the CMS/SNF Total Market Basket Index. However, the current system rate to be used effective July 1, 2002, shall not exceed \$94, times an inflation factor pursuant to subrule 81.6(18), and 66.67 percent of the July 1, 2002, modified price-based rate. In no case shall the July 1, 2002, Medicaid rate be less than the Medicaid rate effective June 30, 2002, plus an inflation factor pursuant to subrule 81.6(18) projected for the following 12 months.

(3) Payment rates for services rendered from July 1, 2003, and thereafter will be 100 percent of the modified price-based rate.

(4) Rescinded IAB 9/8/10, effective 8/12/10.

b. The Medicaid payment rate for special population nursing facilities shall be updated annually without a quarterly adjustment.

c. The Medicaid payment rate for state-operated nursing facilities shall be updated annually without a quarterly adjustment.

**81.6(5) *Accrual basis.*** Facilities not using the accrual basis of accounting shall adjust recorded amounts to the accrual basis. Records of cash receipts and disbursements shall be adjusted to reflect accruals of income and expense.

**81.6(6) *Census of public assistance recipients.*** Census figures of public assistance recipients shall be obtained on the last day of the month ending the reporting period.

**81.6(7) *Patient days.*** In determining inpatient days, a patient day is that period of service rendered a patient between the census-taking hours on two successive days, the day of discharge being counted only when the patient was admitted that same day.

**81.6(8) *Opinion of accountant.*** The department may require that an opinion of a certified public accountant or public accountant accompany the report when adjustments made to prior reports indicate disregard of the certification and reporting instructions.

**81.6(9) *Calculating patient days.*** When calculating patient days, facilities shall use an accumulation method.

a. Census information shall be based on a patient's status at midnight at the end of each day.

b. When a recipient is on a reserve bed status and the department is paying on a per diem basis for the holding of a bed, or any day a bed is reserved for a public assistance or nonpublic assistance patient and a per diem rate for the bed is charged to any party, the reserved days shall be included in the total census figures for inpatient days.

**81.6(10) *Revenues.*** Revenues shall be reported as recorded in the general books and records. Expense recoveries credited to expense accounts shall not be reclassified in order to be reflected as revenues.

a. Routine daily services shall represent the established charge for daily care. Routine daily services are those services which include room, board, nursing services, and such services as supervision, feeding, incontinency, and similar services, for which the associated costs are in nursing service.

b. Revenue from ancillary services provided to patients shall be applied in reduction of the related expense.

c. Revenue from the sale of medical supplies, food or services to employees or nonresidents of the facility shall be applied in reduction of the related expense. Revenue from the sale to private pay residents of items or services which are included in the medical assistance per diem will not be offset.

d. Investment income adjustment is necessary only when interest expense is incurred, and only to the extent of the interest expense.

e. Laundry revenue shall be applied to laundry expense.

f. Accounts receivable charged off or provision for uncollectible accounts shall be reported as a deduction from gross revenue.

**81.6(11) *Limitation of expenses.*** Certain expenses that are not normally incurred in providing patient care shall be eliminated or limited according to the following rules.

a. Federal and state income taxes are not allowed as reimbursable costs.

b. Fees paid directors and nonworking officers' salaries are not allowed as reimbursable costs.

c. Bad debts are not an allowable expense.

d. Charity allowances and courtesy allowances are not an allowable expense.

e. Personal travel and entertainment are not allowable as reimbursable costs. Certain expenses such as rental or depreciation of a vehicle and expenses of travel which include both business and personal costs shall be prorated. Amounts which appear to be excessive may be limited after consideration of the specific circumstances. Records shall be maintained to substantiate the indicated charges.

(1) Commuter travel by the owner(s), owner-administrator(s), administrator, nursing director or any other employee is not an allowable cost (from private residence to facility and return to residence).

(2) The expense of one car or one van or both designated for use in transporting patients shall be an allowable cost. All expenses shall be documented by a sales slip, invoice or other document setting forth the designated vehicle as well as the charges incurred for the expenses to be allowable.

(3) Each facility which supplies transportation services as defined in Iowa Code section 601J.1, subsection 1, shall provide current documentation of compliance with or exemption from public transit coordination requirements as found in Iowa Code chapter 601J and 820—[09,A] chapter 2 of the department of transportation rules at the time of annual contract renewal. Failure to cooperate in obtaining or in providing the required documentation of compliance or exemption after receipt from the Iowa department of transportation, public transit division shall, result in disallowance of vehicle costs and other costs associated with transporting residents.

(4) Expenses related to association business meetings, limited to individual members of the association who are members of a national affiliate, and expenses associated with workshops, symposiums, and meetings which provide administrators or department heads with hourly credits required to comply with continuing education requirements for licensing, are allowable expenses.

(5) Travel of an emergency nature required for supplies, repairs of machinery or equipment, or building is an allowable expense.

(6) Travel for which a patient must pay is not an allowable expense.

(7) Allowable expenses in subparagraphs (2) through (5) above are limited to 6 percent of total administrative expense.

f. Entertainment provided by the facility for participation of all residents who are physically and mentally able to participate is an allowable expense except that entertainment for which the patient is required to pay is not an allowable expense.

g. Loan acquisition fees and standby fees are not considered part of the current expense of patient care, but should be amortized over the life of the related loan.

h. A reasonable allowance of compensation for services of owners or immediate relatives is an allowable cost, provided the services are actually performed in a necessary function. For this purpose, the following persons are considered immediate relatives: husband and wife; natural parent, child and sibling; adopted child and adoptive parent; stepparent, stepchild, stepbrother, and stepsister; father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, and sister-in-law; grandparent and grandchild. Adequate time records shall be maintained. Adjustments may be necessary to provide compensation as an expense for nonsalaried working proprietors and partners. Members of religious orders serving under an agreement with their administrative office are allowed salaries paid persons performing comparable services. When maintenance is provided these persons by the facility, consideration shall be given to the value of these benefits and this amount shall be deducted from the amount otherwise allowed for a person not receiving maintenance.

(1) Compensation means the total benefit received by the owner or immediate relative for services rendered. It includes salary amounts paid for managerial, administrative, professional, and other services; amounts paid by the facility for the personal benefit of the proprietor or immediate relative; the cost of assets and services which the proprietor or immediate relative receives from the facility; and deferred compensation.

(2) Reasonableness requires that the compensation allowance be the same amount as would ordinarily be paid for comparable services by comparable institutions, and depends upon the facts and circumstances of each case.

(3) Necessary requires that the function be such that had the owner or immediate relative not rendered the services, the facility would have had to employ another person to perform the service, and be pertinent to the operation and sound conduct of the institution.

(4) Effective July 1, 2001, the base maximum allowed compensation for an administrator who is involved in ownership of the facility or who is an immediate relative of an owner of the facility is \$3,296 per month plus \$35.16 per month per licensed bed capacity for each bed over 60, not to exceed \$4,884 per month. An administrator is considered to be involved in ownership of a facility when the administrator has ownership interest of 5 percent or more.

On an annual basis, the maximum allowed compensation amounts for these administrators shall be increased or decreased by an annual inflation factor as specified by subrule 81.6(18).

(5) The maximum allowed compensation for an assistant administrator who is involved in ownership of the facility or who is an immediate relative of an owner of the facility in facilities having a licensed capacity of 151 or more beds is 60 percent of the amount allowed for the administrator. An assistant administrator is considered to be involved in ownership of a facility when the assistant administrator has ownership interest of 5 percent or more.

(6) The maximum allowed compensation for a director of nursing or any employee who is involved in ownership of the facility or who is an immediate relative of an owner of the facility is 60 percent of the amount allowed for the administrator. Persons involved in ownership or relatives providing professional services shall be limited to rates prevailing in the community not to exceed 60 percent of the allowable rate for the administrator on a semiannual basis. Records shall be maintained in the same manner for an employee involved in ownership or a relative as are maintained for any other employee of the facility. Ownership is defined as an interest of 5 percent or more.

*i.* Management fees shall be limited on the same basis as the owner administrator's salary, but shall have the amount paid the resident administrator deducted. When the parent company can separately identify accounting costs, the costs are allowed.

*j.* Depreciation based upon tax cost using only the straight-line method of computation, recognizing the estimated useful life of the asset as defined in the American Hospital Association Useful Life Guide, 1983 edition, may be included as a patient cost. When accelerated methods of computation have been elected for income tax purposes, an adjustment shall be made. For change of ownership, refer to subrule 81.6(12).

*k.* Necessary and proper interest on both current and capital indebtedness is an allowable cost.

(1) Interest is the cost incurred for the use of borrowed funds. Interest on current indebtedness is the cost incurred for funds borrowed for a relatively short term. Interest on capital indebtedness is the cost incurred for funds borrowed for capital purposes.

(2) "Necessary" requires that the interest be incurred on a loan made to satisfy a financial need of the provider, be incurred on a loan made for a purpose reasonably related to patient care, and be reduced by investment income except where the income is from gifts and grants whether restricted or unrestricted, and which are held separate and not commingled with other funds.

(3) "Proper" requires that interest be incurred at a rate not in excess of what a prudent borrower would have had to pay in the money market on the date the loan was made, and be paid to a lender not related through control or ownership to the borrowing organization.

(4) Interest on loans is allowable as cost at a rate not in excess of the amount an investor could receive on funds invested in the locality on the date the loan was made.

(5) Interest is an allowable cost when the general fund of a provider borrows from a donor-restricted fund, a funded depreciation account of the provider, or the provider's qualified pension fund, and pays interest to the fund, or when a provider operated by members of a religious order borrows from the order.

(6) When funded depreciation is used for purposes other than improvement, replacement or expansion of facilities or equipment related to patient care, allowable interest expense is reduced to adjust for offsets not made in prior years for earnings on funded depreciation. A similar treatment will

be accorded deposits in the provider's qualified pension fund where the deposits are used for other than the purpose for which the fund was established.

*l.* Costs applicable to supplies furnished by a related party or organization are a reimbursable cost when included at the cost to the related party or organization. The cost shall not exceed the price of comparable supplies that could be purchased elsewhere.

(1) Related means that the facility, to a significant extent, is associated with or has control of or is controlled by the organization furnishing the services, facilities, or supplies.

(2) Common ownership exists when an individual or individuals possess significant ownership or equity in the facility and the institution or organization serving the provider.

(3) Control exists where an individual or an organization has power, directly or indirectly, to significantly influence or direct the actions or policies of an organization or institution.

(4) When the facility demonstrates by convincing evidence that the supplying organization is a bona fide separate organization; that a substantial part of its business activity of the type carried on with the facility is transacted with others and there is an open competitive market for the type of services, facilities, or supplies furnished by the organization; that the services, facilities, or supplies are those which commonly are obtained by similar institutions from other organizations and are not a basic element of patient care ordinarily furnished directly to patients by the institutions; and that the charge to the facility is in line with the charge for the services, facilities, or supplies in the open market and no more than the charge made under comparable circumstances to others by the organization for the services, facilities, or supplies, the charges by the supplier shall be allowable costs.

*m.* When the operator of a participating facility rents from a nonrelated party, the amount of rent expense allowable on the cost report shall be based on the cost of the facility as identified in subrule 81.6(12), paragraph "a," plus the landlord's other expenses and a reasonable rate of return, not to exceed actual rent payments.

When the operator of a participating facility rents the building from a related party, the amount of rent expense allowable on the cost report shall be no more than the amortized cost of the facility as identified in subrule 81.6(12), paragraph "a," plus the landlord's other expenses.

The landlord must be willing to provide documentation of these costs for rental arrangements.

*n.* Depreciation, interest and other capital costs attributable to construction of new facilities, expanding existing facilities, or the purchase of an existing facility, are allowable expenses only if prior approval has been gained through the health planning process specified in rules of the public health department, 641—Chapter 201.

*o.* Reasonable legal fees are an allowable cost when directly related to patient care. Legal fees related to defense against threatened state license revocation or Medicaid decertification are allowable costs only up to the date a final appeal decision is issued. However, in no case will legal fees related to Medicaid decertification be allowable costs following the decertification date.

*p.* The nursing facility quality assurance assessment paid pursuant to 441—Chapter 36, Division II, shall not be an allowable cost for cost reporting and audit purposes but shall be reimbursed pursuant to paragraph 81.6(21) "a."

**81.6(12) Termination or change of owner.**

*a.* A participating facility contemplating termination of participation or negotiating a change of ownership shall provide the department of human services with at least 60 days' prior notice. A transfer of ownership or operation terminates the participation agreement. A new owner or operator shall establish that the facility meets the conditions for participation and enter into a new agreement. The person responsible for transfer of ownership or for termination is responsible for submission of a final financial and statistical report through the date of the transfer. No payment to the new owner will be made until formal notification is received. The following situations are defined as a transfer of ownership:

(1) In the case of a partnership which is a party to an agreement to participate in the medical assistance program, the removal, addition, or substitution of an individual for a partner in the association in the absence of an express statement to the contrary, dissolves the old partnership and creates a new

partnership which is not a party to the previously executed agreement and a transfer of ownership has occurred.

(2) When a participating nursing facility is a sole proprietorship, a transfer of title and property to another party constitutes a change of ownership.

(3) When the facility is a corporation, neither a transfer of corporate stock nor a merger of one or more corporations with the participating corporation surviving is a transfer of ownership. A consolidation of two or more corporations resulting in the creation of a new corporate entity constitutes a change of ownership.

(4) When a participating facility is leased, a transfer of ownership is considered to have taken place. When the entire facility is leased, the total agreement with the lessor terminates. When only part of the facility is leased, the agreement remains in effect with respect to the unleased portion, but terminates with respect to the leased portion.

*b.* No increase in the value of property shall be allowed in determining the Medicaid rate for the new owner with any change of ownership (including lease agreements). When filing the first cost report, the new owner shall either continue the schedule of depreciation and interest established by the previous owner, or the new owner may choose to claim the actual rate of interest expense. The results of the actual rate of interest expense shall not be higher than would be allowed under the Medicare principles of reimbursement and shall be applied to the allowed depreciable value established by the previous owner, less any down payment made by the new owner.

*c.* Other acquisition costs of the new owner such as legal fees, accounting and administrative costs, travel costs and the costs of feasibility studies attributable to the negotiation or settlement of the sale or purchase of the property shall not be allowed.

*d.* In general, the provisions of Section 1861(v)(1)(0) of the Social Security Act regarding payment allowed under Medicare principles of reimbursement at the time of a change of ownership shall be followed, except that no return on equity or recapture of depreciation provisions shall be employed.

*e.* A new owner or lessee wishing to claim a new rate of interest expense must submit documentation which verifies the amount of down payment made, the actual rate of interest, and the number of years required for repayment with the next annual cost report. In the absence of the necessary supportive documentation, interest and other property costs for all facilities that have changed or will change ownership shall continue at the rate allowed the previous owner.

**81.6(13) Facility-requested rate adjustment.** A facility may request a rate adjustment for a period of time no more than 18 months prior to the facility's rate effective date. The request for adjustment shall be made to the department's accounting firm.

**81.6(14) Payment to new facility.** The payment to a new facility shall be the sum of the patient-day-weighted median cost for the direct care and non-direct care components pursuant to paragraph 81.6(16) "c." After the first full calendar quarter of operation, the patient-day-weighted median cost for the direct care component shall be adjusted by the facility's average Medicaid case-mix index pursuant to subrule 81.6(19). A financial and statistical report shall be submitted from the beginning day of operation to the end of the fiscal year. Following the completion of the new facility's first fiscal year, rates will be established in accordance with subrule 81.6(16). Subsequent financial and statistical reports shall be submitted annually for a 12-month period ending with the facility's fiscal year.

**81.6(15) Payment to new owner.** An existing facility with a new owner shall continue to be reimbursed using the previous owner's per diem rate adjusted quarterly for changes in the Medicaid average case-mix index. The facility shall submit a financial and statistical report for the period from beginning of actual operation under new ownership to the end of the facility's fiscal year. Subsequent financial and statistical reports shall be submitted annually for a 12-month period ending with the facility's fiscal year. The facility shall notify the department's accounting firm of the date its fiscal year will end.

**81.6(16) Establishment of the direct care and non-direct care patient-day-weighted medians and modified price-based reimbursement rate.** This subrule provides for the establishment of the modified price-based reimbursement rate. The first step in the rate calculation (paragraph "a") determines the per diem direct care and non-direct care component costs. The second step (paragraph "b") normalizes the

per diem direct care component costs to remove cost variations associated with different levels of resident case mix. The third step (paragraph “c”) calculates the patient-day-weighted medians for the direct care and non-direct care components that are used in subsequent steps to establish rate component limits and excess payment allowances, if any. The fourth step (paragraph “d”) calculates the potential excess payment allowance. The fifth step (paragraph “e”) calculates the reimbursement rate, including any applicable capital cost per diem instant relief add-on described in paragraph “h,” that is further subjected to the rate component limits, including any applicable enhanced non-direct care rate component limit described in paragraph “h,” in step six (paragraph “f”). The seventh step (paragraph “g”) calculates the additional reimbursement based on accountability measures available beginning July 1, 2002.

a. Calculation of per diem cost. For purposes of calculating the non-state-owned nursing facility Medicaid reimbursement rate and the Medicare-certified hospital-based nursing facility Medicaid reimbursement rate, the costs shall be divided into two components, the direct care component and non-direct care component as defined in rule 441—81.1(249A). Each nursing facility’s per diem allowable direct care and non-direct care cost shall be established. Effective July 1, 2001, and every second year thereafter, the per diem allowable cost shall be arrived at by dividing total reported allowable costs by total inpatient days during the reporting period. On July 1, 2001, July 1, 2003, July 1, 2004, July 1, 2005, and every second year thereafter, total reported allowable costs shall be adjusted using the inflation factor specified in subrule 81.6(18) from the midpoint of the cost report period to the beginning of the state fiscal year rate period.

(1) Non-state-owned nursing facilities. Effective December 1, 2009, patient days for purposes of the computation of administrative, environmental, and property expenses for non-state-owned facilities shall be inpatient days as determined in subrule 81.6(7) or 85 percent of the licensed capacity of the facility, whichever is greater. Patient days for purposes of the computation of all other expenses shall be inpatient days as determined in subrule 81.6(7).

(2) Medicare-certified hospital-based nursing facilities. Patient days for purposes of the computation of all expenses shall be inpatient days as determined by subrule 81.6(7).

b. Cost normalization. The per diem allowable direct care costs are normalized by dividing a facility’s per diem direct care costs by the facility’s cost report period case-mix index as defined in rule 441—81.1(249A) and subrule 81.6(19).

c. Calculation of patient-day-weighted medians. For each of the rate components, a patient-day-weighted median shall be established for both the non-state-owned nursing facilities and the Medicare-certified hospital-based nursing facilities, hereinafter referred to as the non-state-owned nursing facility patient-day-weighted medians and the Medicare-certified hospital-based nursing facility patient-day-weighted medians.

The per diem normalized direct care cost for each facility is arrayed from low to high to determine the direct care component patient-day-weighted median cost based on the number of patient days provided by facilities. The per diem non-direct care cost for each facility is also arrayed from low to high to determine the non-direct care component patient-day-weighted median cost based on the number of patient days provided by facilities. An array and patient-day-weighted median for each cost component is determined separately for both non-state-owned nursing facilities and the Medicare-certified hospital-based nursing facilities.

(1) For the fiscal period beginning July 1, 2001, and ending June 30, 2003, the non-state-owned nursing facility direct care and non-direct care patient-day-weighted medians and the Medicare-certified hospital-based nursing facility direct care and non-direct care patient-day-weighted medians shall be calculated using the latest financial and statistical report with a fiscal year end of December 31, 2000, or earlier, inflated from the midpoint of the cost report period to July 1, 2001, using the inflation factor specified in subrule 81.6(18).

(2) Effective July 1, 2003, and each second year thereafter, the patient-day-weighted medians used in rate setting shall be recalculated. The non-state-owned nursing facility direct care and non-direct care patient-day-weighted medians and the Medicare-certified hospital-based nursing facility direct care and non-direct care patient-day-weighted medians shall be calculated using the latest completed cost report with a fiscal year end of the preceding December 31 or earlier. When patient-day-weighted medians are

recalculated, inflation is applied from the midpoint of the cost report period to the first day of the state fiscal year rate period using the inflation factor specified in subrule 81.6(18).

(3) For the fiscal period beginning July 1, 2004, and ending June 30, 2005, the non-state-owned and Medicare-certified hospital-based nursing facility direct care and the non-direct care patient-day-weighted medians calculated July 1, 2003, shall be inflated to July 1, 2004, using the inflation factor specified in subrule 81.6(18).

*d. Excess payment allowance.*

(1) For non-state-operated nursing facilities not located in a Metropolitan Statistical Area as defined by the Centers for Medicare and Medicaid Services (not including Medicare-certified hospital-based nursing facilities), the excess payment allowance is calculated as follows:

1. For the direct care component, subject to the limit provided below, the excess payment allowance is equal to the percentage specified in 441—subrule 79.1(2) times the difference (if greater than zero) of the following: the direct care non-state-operated nursing facility patient-day-weighted median times the percentage specified in 441—subrule 79.1(2) times the Medicaid average case-mix index pursuant to subrule 81.6(19), minus a provider's allowable normalized per patient day direct care costs pursuant to 81.6(16) "b" times the Medicaid average case-mix index pursuant to subrule 81.6(19). In no case shall the excess payment allowance exceed the percentage specified in 441—subrule 79.1(2) times the direct care non-state-operated nursing facility patient-day-weighted median.

2. For the non-direct care component, subject to the limit provided below, the excess payment allowance is equal to the percentage specified in 441—subrule 79.1(2) times the difference (if greater than zero) of the following: the non-direct care non-state-operated nursing facility patient-day-weighted median times the percentage specified in 441—subrule 79.1(2), minus a provider's allowable per patient day non-direct care cost pursuant to paragraph 81.6(16) "a." In no case shall the excess payment allowance exceed the percentage specified in 441—subrule 79.1(2) times the non-direct care non-state-operated nursing facility patient-day-weighted median.

(2) For non-state-operated nursing facilities located in a Metropolitan Statistical Area as defined by the Centers for Medicare and Medicaid Services (not including Medicare-certified hospital-based nursing facilities), the excess payment allowance is calculated as follows:

1. For the direct care component, subject to the limit provided below, the excess payment allowance is equal to the percentage specified in 441—subrule 79.1(2) times the difference (if greater than zero) of the following: the direct care non-state-operated nursing facility patient-day-weighted median times the percentage specified in 441—subrule 79.1(2) times the wage index factor specified below times the Medicaid average case-mix index pursuant to subrule 81.6(19), minus a provider's allowable normalized per patient day direct care costs pursuant to paragraph 81.6(16) "b" times the Medicaid average case-mix index pursuant to subrule 81.6(19). In no case shall the excess payment allowance exceed the percentage specified in 441—subrule 79.1(2) times the direct care non-state-operated nursing facility patient-day-weighted median.

The wage index factor applied July 1, 2001, through June 30, 2002, shall be 11.46 percent. Beginning July 1, 2002, and thereafter, the wage index factor shall be determined annually by calculating the average difference between the Iowa hospital-based rural wage index and all Iowa hospital-based Metropolitan Statistical Area wage indices as published by the Centers for Medicare and Medicaid Services (CMS) each July. The geographic wage index adjustment shall not exceed \$8 per patient day.

A nursing facility may request an exception to application of the geographic wage index based upon a reasonable demonstration of wages, locations, and total cost. The nursing facility shall request the exception within 30 days of receipt of notification to the nursing facility of the new reimbursement rate using the department's procedures for requesting exceptions at rule 441—1.8(17A,217).

2. For the non-direct care component, subject to the limit provided below, the excess payment allowance is equal to the percentage specified in 441—subrule 79.1(2) times the difference (if greater than zero) of the following: the non-direct care non-state-operated nursing facility patient-day-weighted median times the percentage specified in 441—subrule 79.1(2), minus a provider's allowable per patient day non-direct care cost pursuant to paragraph 81.6(16) "a." In no case shall the excess

payment allowance exceed the percentage specified in 441—subrule 79.1(2) times the non-direct care non-state-operated nursing facility patient-day-weighted median.

(3) For Medicare-certified hospital-based nursing facilities, the excess payment allowance is calculated as follows:

1. For the direct care component, subject to the limit provided below, the excess payment allowance is equal to the percentage specified in 441—subrule 79.1(2) times the difference (if greater than zero) of the following: the direct care Medicare-certified hospital-based nursing facility patient-day-weighted median times the percentage specified in 441—subrule 79.1(2) times the Medicaid average case-mix index pursuant to subrule 81.6(19), minus a provider's normalized allowable per patient day direct care costs pursuant to paragraph 81.6(16) "b" times the Medicaid average case-mix index pursuant to subrule 81.6(19). In no case shall the excess payment allowance exceed the percentage specified in 441—subrule 79.1(2) times the direct care Medicare-certified hospital-based nursing facility patient-day-weighted median.

2. For the non-direct care component, subject to the limit provided below, the excess payment allowance is equal to the percentage specified in 441—subrule 79.1(2) times the difference (if greater than zero) of the following: the non-direct care Medicare-certified hospital-based nursing facility patient-day-weighted median times the percentage specified in 441—subrule 79.1(2), minus a provider's allowable per patient day non-direct care cost pursuant to paragraph 81.6(16) "a." In no case shall the excess payment allowance exceed the percentage specified in 441—subrule 79.1(2) times the non-direct care Medicare-certified hospital-based nursing facility patient-day-weighted median.

*e.* Reimbursement rate. The Medicaid reimbursement rate is based on allowable costs, updated July 1, 2001, and every second year thereafter, as specified in subparagraphs (1) and (2) below, plus a potential excess payment allowance determined by the methodology in paragraph "d," not to exceed the rate component limits determined by the methodology in paragraph "f."

(1) For non-state-owned nursing facilities and Medicare-certified hospital-based nursing facilities, direct care and non-direct care rate components are calculated as follows:

1. The direct care component is equal to the provider's normalized allowable per patient day costs times the Medicaid average case-mix index pursuant to subrule 81.6(19), plus the allowed excess payment allowance as determined by the methodology in paragraph "d."

2. The non-direct care component is equal to the provider's allowable per patient day costs, plus the allowed excess payment allowance as determined by the methodology in paragraph "d" and the allowable capital cost per diem instant relief add-on as determined by the methodology in paragraph "h."

(2) The reimbursement rate for state-operated nursing facilities and special population nursing facilities shall be the facility's average allowable per diem costs, adjusted for inflation pursuant to subrule 81.6(18), based on the most current financial and statistical report.

*f.* Notwithstanding paragraphs "d" and "e," in no instance shall a rate component exceed the rate component limit defined as follows:

(1) For non-state-operated nursing facilities not located in a Metropolitan Statistical Area (not including Medicare-certified hospital-based nursing facilities), the direct care and non-direct care rate component limits are calculated as follows:

1. The direct care rate component limit is the direct care non-state-operated nursing facility patient-day-weighted median times the percentage of the median specified in 441—subrule 79.1(2) times the Medicaid average case-mix index pursuant to subrule 81.6(19).

2. The non-direct care rate component limit is the non-direct care non-state-operated nursing facility patient-day-weighted median multiplied by the percentage of the median specified in 441—subrule 79.1(2) or is 120 percent of the median if the facility qualifies for the enhanced non-direct care rate component limit pursuant to paragraph "h."

(2) For non-state-operated nursing facilities located in a Metropolitan Statistical Area (not including Medicare-certified hospital-based nursing facilities), the direct care and non-direct care rate component limits are calculated as follows:

1. The direct care rate component limit is the direct care non-state-operated nursing facility patient-day-weighted median times the percentage of the median specified in 441—subrule 79.1(2) times the wage factor specified in paragraph “d” times the Medicaid average case-mix index pursuant to subrule 81.6(19).

2. The non-direct care rate component limit is the non-direct care non-state-operated nursing facility patient-day-weighted median multiplied by the percentage of the median specified in 441—subrule 79.1(2) or is 120 percent of the median if the facility qualifies for the enhanced non-direct care rate component limit pursuant to paragraph “h.”

(3) For Medicare-certified hospital-based nursing facilities, the direct care and non-direct care rate component limits are calculated as follows:

1. The direct care rate component limit is the direct care Medicare-certified hospital-based nursing facility patient-day-weighted median times the percentage of the median specified in 441—subrule 79.1(2) times the Medicaid average case-mix index pursuant to subrule 81.6(19).

2. The non-direct care rate component limit is the non-direct care Medicare-certified hospital-based nursing facility patient-day-weighted median multiplied by the percentage of the median specified in 441—subrule 79.1(2) or is 120 percent of the median if the facility qualifies for the enhanced non-direct care rate component limit pursuant to paragraph “h.”

(4) For special population nursing facilities enrolled on or after June 1, 1993, the upper limit on their rate is equal to the sum of the following:

1. The direct care Medicare-certified hospital-based nursing facility patient-day-weighted median times the percentage of the median specified in 441—subrule 79.1(2).

2. The non-direct care Medicare-certified hospital-based nursing facility patient-day-weighted median multiplied by the percentage of the median specified in 441—subrule 79.1(2) or 120 percent of the median if the facility qualifies for the enhanced non-direct care rate component limit pursuant to paragraph “h.”

g. Pay-for-performance program. Effective July 1, 2010, additional reimbursement based on the nursing facility pay-for-performance program is available for non-state-owned facilities as provided in this paragraph in state fiscal years for which funding is appropriated by the legislature. The pay-for-performance program provides additional reimbursement based upon a nursing facility’s achievement of multiple favorable outcomes as determined by established benchmarks. The reimbursement is issued as an add-on payment after the end of any state fiscal year (which is referred to in this paragraph as the “payment period”) for which there is funding appropriated by the legislature.

(1) Scope. Additional reimbursement for the nursing facility pay-for-performance program is not available to Medicare-certified hospital-based nursing facilities, state-operated nursing facilities, or special population nursing facilities. Therefore, data from these facility types shall not be used when determining eligibility for or the amount of additional reimbursement based on the nursing facility pay-for-performance program.

(2) Benchmarks. The pay-for-performance benchmarks include characteristics in four domains: quality of life, quality of care, access, and efficiency. These characteristics are objective and measurable and when considered in combination with each other are deemed to have a correlation to a resident’s quality of life and care. While any single measure does not ensure the delivery of quality care, a nursing facility’s achievement of multiple measures suggests that quality is an essential element in the facility’s delivery of resident care.

(3) Definition of direct care. For the purposes of the nursing facility pay-for-performance program, “direct care staff” is defined to include registered nurses (RNs), licensed practical nurses (LPNs), certified nurse assistants (CNAs), rehabilitation nursing, and other contracted nursing services. “Direct care staff” does not include the director of nursing (DON) or minimum data set (MDS) coordinator.

(4) Qualifying for additional reimbursement. The Iowa Medicaid enterprise shall annually award points based on the measures achieved in each of the four domains, as described in subparagraphs (5) through (8). The maximum available points are 100. To qualify for additional Medicaid reimbursement under the nursing facility pay-for-performance program, a facility must achieve a minimum score of 51

points. The relationship of the score achieved to additional payments is described in subparagraph (10). Payments are subject to reduction or forfeiture as described in subparagraphs (12) and (13).

(5) Domain 1: Quality of life.

Standard	Measurement Period	Value	Source
Subcategory: Person-Directed Care			
Enhanced Dining A: The facility makes available menu options and alternative selections for all meals.	For SFY 2010, 10/1/09 to 6/30/10; thereafter, payment period	1 point	Self-certification
Enhanced Dining B: The facility provides residents with access to food and beverages 24 hours per day and 7 days per week and empowers staff to honor resident choices.	For SFY 2010, 10/1/09 to 6/30/10; thereafter, payment period	1 point	Self-certification
Enhanced Dining C: The facility offers at least one meal per day for an extended period to give residents the choice of what time to eat.	For SFY 2010, 10/1/09 to 6/30/10; thereafter, payment period	2 points	Self-certification
Resident Activities A: The facility employs a certified activity coordinator for at least 38 minutes per week per licensed bed.	For SFY 2010, 10/1/09 to 6/30/10; thereafter, payment period	1 point	Self-certification
Resident Activities B: The facility either has activity staff that exceed the required minimum set by law or has direct care staff who are trained to plan and conduct activities and carry out both planned and spontaneous activities on a daily basis.	For SFY 2010, 10/1/09 to 6/30/10; thereafter, payment period	1 point	Self-certification
Resident Activities C: The facility's residents report that activities meet their social, emotional and spiritual needs.	For SFY 2010, 10/1/09 to 3/31/10; thereafter, July through March of payment period	2 points	Self-certification
Resident Choice A: The facility allows residents to set their own schedules, including what time to get up and what time to go to bed.	For SFY 2010, 10/1/09 to 6/30/10; thereafter, payment period	1 point	Self-certification
Resident Choice B: The facility allows residents to have a choice of whether to take a bath or shower and on which days and at what time the bath or shower will be taken.	For SFY 2010, 10/1/09 to 6/30/10; thereafter, payment period	1 point	Self-certification
Consistent Staffing: The facility has all direct care staff members caring for the same residents at least 70% of their shifts.	For SFY 2010, 10/1/09 to 6/30/10; thereafter, payment period	3 points	Self-certification

Standard	Measurement Period	Value	Source
<p>National Accreditation: The facility has CARF or another nationally recognized accreditation for the provision of person-directed care.</p>	<p>For SFY 2010, 10/1/09 to 6/30/10; thereafter, payment period</p>	<p>13 points NOTE: A facility that receives points for this measure does not receive points for any other measures in this subcategory.</p>	<p>Self-certification</p>
<p>Subcategory: Resident Satisfaction</p>			
<p>Resident/Family Satisfaction Survey: The facility administers an anonymous resident/family satisfaction survey annually. The survey tool must be developed, recognized, and standardized by an entity external to the facility. Results must be tabulated by an entity external to the facility.</p> <p>To qualify for the measure, the facility must have a response rate of at least 35%. A summary report of the aggregate results and point scale must be made publicly available and be posted prominently along with the facility's state survey results until the next satisfaction survey is completed.</p>	<p>For SFY 2010, survey completed between 9/1/08 and 3/31/10; thereafter, survey completed between October 1 and March 31 of the payment period</p>	<p>5 points</p>	<p>Form 470-3891, Nursing Facility Opinion Survey Transmittal, submitted by independent entity that compiled results</p>
<p>Long-Term Care Ombudsman: The facility has resolved 70% or more of complaints received and investigated by the local or state ombudsman.</p>	<p>Calendar year ending December 31 of the payment period</p>	<p>5 points if resolution 70% to 74%</p> <p>7 points if resolution 75% or greater</p>	<p>LTC ombudsman's list of facilities meeting the standard</p>

## (6) Domain 2: Quality of care.

Standard	Measurement Period	Value	Source
<b>Subcategory: Survey</b>			
<p><b>Deficiency-Free Survey:</b> The facility is deficiency-free on the latest annual state and federal licensing and certification survey and any subsequent surveys, complaint investigations, or revisit investigations.</p> <p>If a facility's only scope and severity deficiencies are an A level pursuant to 42 CFR Part 483, Subparts B and C, as amended to July 30, 1999, the facility shall be deemed to have a deficiency-free survey for purposes of this measure. Surveys are considered complete when all appeal rights have been exhausted.</p>	Calendar year ending December 31 of the payment period, including any subsequent surveys, revisit, or complaint investigations	10 points	DIA list of facilities meeting the standard
<p><b>Regulatory Compliance with Survey:</b> No on-site revisit to the facility is required for recertification surveys or for any substantiated complaint investigations during the measurement period.</p>	Calendar year ending December 31 of the payment period, including any subsequent surveys, revisits, or complaint investigations	5 points NOTE: A facility that receives points for a deficiency-free survey does not receive points for this measure.	DIA list of facilities meeting the standard
<b>Subcategory: Staffing</b>			
<p><b>Nursing Hours Provided:</b> The facility's per-resident-day nursing hours are at or above one-half standard deviation above the mean of per-resident-day nursing hours for all facilities.</p> <p>Nursing hours include those of RNs, LPNs, CNAs, rehabilitation nurses, and other contracted nursing services. Nursing hours shall be normalized to remove variations in staff hours associated with different levels of resident case mix.</p>	Facility fiscal year ending on or before December 31 of the payment period	5 points if case-mix adjusted nursing hours are above mean plus one-half standard deviation  10 points if case-mix adjusted nursing hours are greater than mean plus one standard deviation	Form 470-0030, Financial and Statistical Report, as analyzed by IME provider cost audit and rate setting unit. The facility cost report period case-mix index shall be used to normalize nursing hours.
<p><b>Employee Turnover:</b> The facility has overall employee turnover of 50% or less and CNA turnover of 55% or less.</p>	Facility fiscal year ending on or before December 31 of the payment period	5 points if overall turnover is between 40% and 50% and CNA turnover is between 45% and 55%  10 points if overall turnover is less than or equal to 40% and CNA turnover is less than or equal to 45%	Form 470-0030, Financial and Statistical Report, as analyzed by IME provider cost audit and rate setting unit

Standard	Measurement Period	Value	Source
<p>Staff Education, Training and Development: The facility provides staff education, training, and development at 25% above the basic requirements for each position that requires continuing education. The number of hours for these programs must apply to at least 75% of all staff of the facility, based upon administrator or officer certification.</p>	Calendar year ending December 31 of the payment period	5 points	Self-certification
<p>Staff Satisfaction Survey: The facility annually administers an anonymous staff satisfaction survey. The survey tool must be developed, recognized, and standardized by an entity external to the facility and must identify worker job classification. Results must be tabulated by an entity external to the facility.</p> <p>To qualify for this measure, the facility must have a response rate of at least 35%. A summary report of the aggregate results and point scale must be made publicly available and be posted prominently along with the facility's state survey results until the next satisfaction survey is completed.</p>	For SFY 2010, survey completed between 9/1/08 and 3/31/10; thereafter, survey completed between October 1 and March 31 of the payment period	5 points	Form 470-3891, Nursing Facility Opinion Survey Transmittal, submitted by independent entity that compiled results
Subcategory: Nationally Reported Quality Measures			
<p>High-Risk Pressure Ulcer: The facility has occurrences of high-risk pressure ulcers at rates one-half standard deviation or more below the mean percentage of occurrences for all facilities, based on MDS data as applied to the nationally reported quality measures.</p>	12-month period ending September 30 of the payment period	<p>3 points if one-half to one standard deviation below the mean percentage of occurrences</p> <p>5 points if one standard deviation or more below the mean percentage of occurrences</p>	IME medical services unit report based on MDS data as reported by CMS
<p>Physical Restraints: The facility has a physical restraint rate of 0% based on MDS data as applied to the nationally reported quality measures.</p>	12-month period ending September 30 of the payment period	5 points	IME medical services unit report based on MDS data as reported by CMS

Standard	Measurement Period	Value	Source
Chronic Care Pain: The facility has occurrences of chronic care pain at rates one-half standard deviation or more below the mean rate of occurrences for all facilities based on MDS data as applied to the nationally reported quality measures.	12-month period ending September 30 of the payment period	3 points if one-half to one standard deviation below the mean rate of occurrences  5 points if one standard deviation or more below the mean rate of occurrences	IME medical services unit report based on MDS data as reported by CMS
High Achievement of Nationally Reported Quality Measures: The facility received at least 9 points from a combination of the measures listed in this subcategory.	12-month period ending September 30 of the payment period	2 points if the facility receives 9 to 12 points in the subcategory of nationally reported quality measures  4 points if the facility receives 13 to 15 points in this subcategory	IME medical services unit report based on MDS data as reported by CMS

## (7) Domain 3: Access.

Standard	Measurement Period	Value	Source
Special Licensure Classification: The facility has a unit licensed for the care of residents with chronic confusion or a dementing illness (CCDI unit).	Status on December 31 of the payment period	4 points	DIA list of facilities meeting the standard
High Medicaid Utilization: The facility has Medicaid utilization at or above the statewide median plus 10%. Medicaid utilization is determined by dividing total nursing facility Medicaid days by total nursing facility patient days.	Facility fiscal year ending on or before December 31 of the payment period	3 points if Medicaid utilization is more than the median plus 10%  4 points if Medicaid utilization is more than the median plus 20%	Form 470-0030, Financial and Statistical Report, as analyzed by IME provider cost audit and rate setting unit

(8) Domain 4: Efficiency.

Standard	Measurement Period	Value	Source
High Occupancy Rate: The facility has an occupancy rate at or above 95%. "Occupancy rate" is defined as the percentage derived when dividing total patient days based on census logs by total bed days available based on the number of authorized licensed beds within the facility.	Facility fiscal year ending on or before December 31 of the payment period	4 points	Form 470-0030, Financial and Statistical Report, as analyzed by IME provider cost audit and rate setting unit
Low Administrative Costs: The facility's percentage of administrative costs to total allowable costs is one-half standard deviation or more below the mean percentage of administrative costs for all Iowa facilities.	Facility fiscal year ending on or before December 31 of the payment period	3 points if administrative costs percentage is less than the mean less one-half standard deviation  4 points if administrative costs percentage is less than the mean less one standard deviation	Form 470-0030, Financial and Statistical Report, as analyzed by IME provider cost audit and rate setting unit

(9) Source of measurements. Source reports are due to the department by May 1 of each year. For those measures whose source is self-certification, the data shall be drawn from Form 470-4828, Nursing Facility Medicaid Pay-for-Performance Self-Certification Report, submitted by the facility to IME. The independent party that collects and compiles the results of the resident/family survey shall communicate the results to IME on Form 470-3891, Nursing Facility Opinion Survey Transmittal. The department shall request required source reports from the long-term care ombudsman and the department of inspections and appeals (DIA).

(10) Calculation of potential add-on payment. The number of points awarded shall be determined annually, for each state fiscal year for which funding is appropriated by the legislature. A determination is made on whether a facility qualifies for an add-on payment at the end of the payment period. Based upon the number of points awarded, a retroactive add-on payment is made effective beginning the first day of the payment period as follows, contingent upon legislative funding for the state fiscal year, and subject to subparagraph (11):

<u>Score</u>	<u>Amount of Add-on Payment</u>
0-50 points	No additional reimbursement
51-60 points	1 percent of the direct care plus nondirect care cost component patient-day-weighted medians, subject to reduction as provided in subparagraph (13)
61-70 points	2 percent of the direct care plus nondirect care cost component patient-day-weighted medians, subject to reduction as provided in subparagraph (13)
71-80 points	3 percent of the direct care plus nondirect care cost component patient-day-weighted medians, subject to reduction as provided in subparagraph (13)
81-90 points	4 percent of the direct care plus nondirect care cost component patient-day-weighted medians, subject to reduction as provided in subparagraph (13)

91-100 points            5 percent of the direct care plus nondirect care cost component patient-day-weighted medians, subject to reduction as provided in subparagraph (13)

(11) Monitoring for reduction or forfeiture of reimbursement. The department shall request the department of inspections and appeals to furnish by September 1, December 1, March 1, and August 1 of each year a list of nursing facilities subject to a reduction or forfeiture of the additional reimbursement pursuant to the criteria in subparagraph (12) or (13).

(12) Forfeiture of additional reimbursement. A nursing facility shall not be eligible for any additional reimbursement under this program if during the payment period the nursing facility is cited for a deficiency resulting in actual harm or immediate jeopardy pursuant to the federal certification guidelines at a scope and severity level of H or higher, regardless of the amount of fines assessed.

(13) Reduction of additional reimbursement. The additional reimbursement for the nursing facility pay-for-performance program calculated according to subparagraph (10) shall be subject to reduction based on survey compliance as follows:

1. The add-on payment shall be suspended for any month in which the nursing facility has received denial of payment for new admission status that was enforced by CMS.

2. A facility's add-on payment shall be reduced by 25 percent for each citation received during the year for a deficiency resulting in actual harm at a scope and severity level of G pursuant to the federal certification guidelines.

3. If the facility fails to cure a cited level G deficiency within the time allowed by the department of inspections and appeals, the add-on payment shall be forfeited, and the facility shall not receive any nursing facility pay-for-performance program payment for the payment period.

(14) Application of additional payments. The additional reimbursement for the nursing facility pay-for-performance program shall be paid to qualifying facilities at the end of the state fiscal year. At the end of each state fiscal year, the Iowa Medicaid enterprise shall:

1. Retroactively adjust each qualifying facility's quarterly rates from the first day of the state fiscal year to include the amount of additional reimbursement for the nursing facility pay-for-performance program calculated according to paragraph 81.6(16) "g"; and

2. Reprice all facility claims with dates of service during the period in which an additional reimbursement for the nursing facility pay-for-performance program is effective to reflect the adjusted reimbursement rate.

(15) Use of additional payments. As a condition of eligibility for such payments, any additional payments received by a nursing facility for the pay-for-performance program must be:

1. Used to support direct care staff through increased wages, enhanced benefits, and expanded training opportunities; and

2. Used in a manner that improves and enhances quality of care for residents.

(16) Monitoring facility compliance on the use of payments. Each nursing facility shall complete Form 470-4829, Nursing Facility Medicaid Enhanced Payment Report, to report the use of any additional payments received for the nursing facility pay-for-performance program. Form 470-4829 is due to the department each year by May 1, beginning May 1, 2011. Failure to submit the report by the due date shall result in disqualification for add-on payment for the next pay-for-performance payment period.

(17) Reporting results of the program. The department shall publish the results of the nursing facility pay-for-performance program annually.

*h.* Capital cost per diem instant relief add-on and enhanced non-direct care rate component limit. Contingent upon approval from the Centers for Medicare and Medicaid Services (CMS) and to the extent that funding is appropriated by the Iowa general assembly, additional reimbursement is available for nursing facilities that have completed a complete replacement, new construction, or major renovations. Additional reimbursement under this paragraph is available for services rendered beginning on October 1, 2007, or beginning on the effective date of CMS approval if CMS approval is effective on a later date.

(1) Types of additional reimbursement. Two types of additional reimbursement are available:

1. The capital cost per diem instant relief add-on is an amount per patient day to be added to the non-direct care component of the reimbursement rate and is subject to the non-direct care rate component limit as determined in paragraph “f.”

2. The enhanced non-direct care rate component limit provides an increase in the percentage of the median that is applied when calculating the non-direct care rate component limit as defined in paragraph “f.” The percentage of the median is increased to 120 percent when the enhanced non-direct care rate component limit is granted.

(2) Eligible projects. To qualify for either the capital cost per diem instant relief add-on or the enhanced non-direct care rate component limit, a facility must have undertaken a complete replacement, new construction, or major renovations for the purpose of:

1. Rectification of a violation of Life Safety Code requirements; or
2. Development of home- and community-based waiver program services.

(3) Additional requirements for all requests. To qualify for additional reimbursement, a facility with an eligible project must also meet the following requirements:

1. The facility has Medicaid utilization at or above 40 percent for the two-month period before the request for additional reimbursement is submitted. Medicaid utilization for this purpose is calculated as total nursing facility Medicaid patient days divided by total licensed bed capacity as reported on the facility’s most current financial and statistical report.

2. The facility meets the accountability measure criteria set forth in paragraph “g,” subparagraph (1), deficiency-free survey, or subparagraph (2), regulatory compliance with survey, based on the most current information available when the request for additional reimbursement is submitted.

3. The facility has documented active participation in a quality of care program.

4. The facility has documented plans to facilitate person-directed care, dementia units, or specialty post-acute services.

(4) Additional requirements for waiver services. To qualify for additional reimbursement for the development of home- and community-based waiver services, the facility shall also meet the following requirements:

1. Services shall be provided in an underserved area, which may include a rural area.
2. Services shall be provided on the direct site of the facility but not as a nursing facility service.
3. Services shall meet all federal and state requirements for Medicaid reimbursement.
4. Services shall include one or more of the following: adult day care as defined by 441—subrule 78.37(1), consumer-directed attendant care as defined by 441—subrule 78.37(15) provided in an assisted living setting, day habilitation as defined by 441—subrule 78.41(14), home-delivered meals as defined by 441—subrule 78.37(8), emergency response system as defined by 441—subrule 78.37(2), and respite care as defined by 441—subrule 78.37(6).

(5) Submission of request. A facility shall submit a written request for the capital cost per diem instant relief add-on, the enhanced non-direct care rate component limit, or a preliminary evaluation of whether a project may qualify for additional reimbursement to the Iowa Medicaid Enterprise, Provider Cost Audit and Rate Setting Unit, 100 Army Post Road, Des Moines, Iowa 50315. A qualifying facility may request one or both types of additional reimbursement.

1. A request for the capital cost per diem instant relief add-on may be submitted no earlier than 30 days before the complete replacement, new construction, or major renovations are placed in service.

2. A request for the enhanced non-direct care rate component limit may be submitted with a request for a capital cost per diem instant relief add-on or within 60 days after the release of a rate determination letter reflecting a change in the non-direct care rate component limit.

3. A request for a preliminary evaluation may be submitted when a facility is preparing a feasibility projection for a construction or renovation project. A preliminary evaluation does not guarantee approval of the capital cost per diem instant relief add-on or enhanced non-direct care rate component limit upon submission of a formal request.

(6) Content of request for add-on. A facility’s request for the capital cost per diem instant relief add-on shall include:

1. A description of the project for which the add-on is requested, including a list of goals for the project and a time line of the project that spans the life of the project.
  2. Documentation that the facility meets the qualifications in subparagraphs (2) and (3) and, if applicable, in subparagraph (4).
  3. The period during which the add-on is requested (no more than two years).
  4. Whether the facility is also requesting the enhanced non-direct care rate component limit. (See subparagraph (7) for requirements.)
  5. A copy of the facility's most current depreciation schedule which clearly identifies the cost of the project for which the add-on is requested if assets placed in service by that project are included on the schedule. Any removal of assets shall be clearly identifiable either on the depreciation schedule or on a separate detailed schedule, and that schedule shall include the amount of depreciation expense for removed assets that is included in the current reimbursement rate.
  6. If the cost of the project is not reported on the submitted depreciation schedule, a detailed schedule of the assets to be placed in service by the project, including:
    - The estimated date the assets will be placed into service;
    - The total estimated depreciable value of the assets;
    - The estimated useful life of the assets based upon existing Medicaid and Medicare provisions;and
    - The estimated annual depreciation expense of the assets using the straight-line method in accordance with generally accepted accounting principles.
  7. The facility's estimated annual licensed bed capacity and estimated annual total patient days. If this information is not provided, estimated annual total patient days shall be determined using the most current submitted financial and statistical report.
  8. If interest expense has been or will be incurred and is related to the project for which the add-on is requested, a copy of the general terms of the debt service and the estimated annual amount of interest expense shall be submitted.
  9. If any debt service has been retired, a copy of the general terms of the debt service and the amount of interest expense for debt service retired that is included in the current reimbursement rate.
- (7) Content of request for enhanced limit. A facility's request for the enhanced non-direct care rate component limit shall include:
1. A description of the project for which the enhanced non-direct care rate component limit is requested, including a list of goals for the project and a time line of the project that spans the life of the project.
  2. Documentation that the facility meets the qualifications in subparagraphs (2) and (3) and, if applicable, in subparagraph (4).
  3. Identification of any period in which the capital cost per diem instant relief add-on was previously granted and the number of times the capital cost per diem instant relief add-on and the enhanced non-direct care rate component limit have previously been granted.
- (8) Content of request for preliminary evaluation. A facility's request for a preliminary evaluation of a proposed project shall include:
1. The estimated completion date of the project.
  2. The estimated date when a formal request for an add-on or enhanced limit will be submitted.
  3. For a preliminary evaluation for a capital cost per diem instant relief add-on, all information required in subparagraph (6).
  4. For a preliminary evaluation for the enhanced non-direct care rate component limit, all information required in subparagraph (7).
- (9) Calculation of capital cost per diem instant relief add-on. The capital cost per diem instant relief add-on is calculated by dividing the annual estimated property costs for the complete replacement, new construction, or major renovation project for which the add-on is granted by the facility's estimated annual total patient days.
1. Effective December 1, 2009, total patient days shall be determined using the most current submitted financial and statistical report or using the estimated total patient days as reported in the

request for the add-on. For purposes of calculating the add-on, total patient days shall be the greater of the estimated annual total patient days or 85 percent of the facility's estimated licensed capacity.

2. The annual estimated property costs for the project are calculated as the estimated annual depreciation expense for the cost of the project, plus estimated annual interest expense for the cost of the project, less the amount of depreciation expense for assets removed that is included in the current reimbursement rate and the amount of interest expense for debt service retired that is included in the current reimbursement rate.

3. A reconciliation between the estimated amounts and actual amounts shall be completed as described in subparagraph (12).

(10) Effective date of capital cost per diem instant relief add-on. Subject to available funding and previously approved requests for capital cost per diem instant relief add-ons and enhanced non-direct care rate component limits, a capital cost per diem instant relief add-on shall be effective the first day of the calendar quarter following the placement in service of the assets associated with the add-on and receipt of all required information. The capital cost per diem instant relief add-on shall be added to the non-direct care component of the reimbursement rate, not to exceed the non-direct care rate component limit as determined in paragraph "f."

(11) Term of capital cost per diem instant relief add-on. The period for which a facility may be granted the capital cost per diem instant relief add-on shall not exceed two years. The capital cost per diem instant relief add-on shall terminate at the time of the subsequent biennial rebasing. If the facility's submitted annual financial and statistical report used in the subsequent biennial rebasing does not include 12 months of property costs for the assets with which the capital cost per diem instant relief add-on is associated, including interest expense, if applicable, the facility may submit a new request for the capital cost per diem instant relief add-on.

(12) Reconciliation of capital cost per diem instant relief add-on. During the period in which the capital cost per diem instant relief add-on is granted, the Iowa Medicaid enterprise shall recalculate the amount of the add-on based on actual allowable costs and patient days reported on the facility's submitted annual financial and statistical report. A separate reconciliation shall be performed for each cost report period in which the capital cost per diem instant relief add-on was paid. The facility shall submit with the annual financial and statistical report a separate schedule reporting total patient days per calendar quarter and a current depreciation schedule identifying the assets related to the add-on.

1. Effective December 1, 2009, for purposes of recalculating the capital cost per diem instant relief add-on, total patient days shall be based on the greater of the number of actual patient days during the period in which the add-on was paid or 85 percent of the facility's actual licensed bed capacity during the period in which the add-on was paid.

2. The recalculated capital cost per diem instant relief add-on shall be added to the non-direct care component of the reimbursement rate for the relevant period, not to exceed the non-direct care rate component limit as determined in paragraph "f." The facility's quarterly rates for the relevant period shall be retroactively adjusted to reflect the recalculated non-direct care component of the reimbursement rate. All claims with dates of service during the period the capital cost per diem instant relief add-on is paid shall be repriced to reflect the recalculated capital cost per diem instant relief add-on.

(13) Effective date of enhanced non-direct care rate component limit. Subject to available funding and previously approved requests for capital cost per diem instant relief add-ons and enhanced non-direct care rate component limits, an enhanced non-direct care rate component limit shall be effective:

1. With a capital cost per diem instant relief add-on (if requested at the same time); or
2. Retroactive to the first day of the quarter in which the revised non-direct care rate component limit amount is effective. All claims with dates of service from the effective date shall be repriced.

(14) Term of enhanced non-direct care rate component limit. The period for which a facility may be granted an enhanced non-direct care rate component limit without reapplication shall not exceed two years. The total period for which a facility may be granted enhanced non-direct care rate component limits shall not exceed ten years. If the amount of the non-direct care rate component limit is revised during the period for which a facility is granted the enhanced limit, the approval shall be terminated

effective the first day of the quarter in which the revised non-direct care rate component limit is effective. The facility may submit a new request for the enhanced non-direct care rate component limit.

(15) Ongoing conditions. Any capital cost per diem instant relief add-on or enhanced non-direct care rate component limit granted by the Iowa Medicaid enterprise is temporary. Additional reimbursement shall be immediately terminated if:

1. The facility does not continue to meet all of the initial qualifications for additional reimbursement; or

2. The facility does not make reasonable progress on any plans required for initial qualification; or

3. The facility's medical assistance program or Medicare certification is revoked. A facility whose certification is revoked is not eligible to submit a subsequent request for a capital cost per diem instant relief add-on or the enhanced non-direct care rate component limit.

(16) Change of ownership. Following a change in nursing facility ownership, any capital cost per diem instant relief add-on or enhanced non-direct care rate component limit that was granted before the change in ownership shall continue under the new owner. Future reimbursement rates shall be determined pursuant to subrules 81.6(15) and 81.6(16).

**81.6(17) Cost report documentation.** All nursing facilities, except the Iowa Veterans Home, shall submit an annual cost report based on the closing date of the facility's fiscal year that incorporates documentation as set forth below. The Iowa Veterans Home shall submit semiannual cost reports based on the closing date of the facility's fiscal year and the midpoint of the facility's fiscal year that incorporate documentation as set forth below. The documentation incorporated in all cost reports shall include all of the following information:

*a.* Information on staffing costs, including the number of hours of the following provided per resident per day by all the following: nursing services provided by registered nurses, licensed practical nurses, certified nurse aides, restorative aides, certified medication aides, and contracted nursing services; other care services; administrative functions; housekeeping and maintenance; and dietary services.

*b.* The starting and average hourly wage for each class of employees for the period of the report.

*c.* An itemization of expenses attributable to the home or principal office or headquarters of the nursing facility included in the administrative cost line item.

**81.6(18) Inflation factor.** The department shall consider an inflation factor in determining the reimbursement rate. The inflation factor shall be based on the CMS Total Skilled Nursing Facility (CMS/SNF) Market Basket Index published by Data Resources, Inc. The CMS/SNF index listed in the latest available quarterly publication prior to the July 1 rate setting shall be used to determine the inflation factor.

**81.6(19) Case-mix index calculation.**

*a.* The Resource Utilization Groups-III (RUG-III) Version 5.12b, 34 group, index maximizer model shall be used as the resident classification system to determine all case-mix indices, using data from the minimum data set (MDS) submitted by each facility pursuant to subrule 81.13(9). Standard Version 5.12b case-mix indices developed by CMS shall be the basis for calculating the average case-mix index and shall be used to adjust the direct care costs in the determination of the direct care patient-day-weighted median and the reimbursement rate pursuant to subrule 81.6(16).

*b.* Each resident in the facility on the last day of each calendar quarter with a completed and submitted assessment shall be assigned a RUG-III 34 group calculated on the resident's most current assessment available on the last day of each calendar quarter. This RUG-III group shall be translated to the appropriate case-mix index referenced in paragraph "a." From the individual resident case-mix indices, two average case-mix indices for each Medicaid nursing facility shall be determined four times per year based on the last day of each calendar quarter.

The facilitywide average case-mix index is the simple average, carried to four decimal places, of all resident case-mix indices. The Medicaid average case-mix index is the simple average, carried to four decimal places, of all indices for residents where Medicaid is known to be the per diem payor source on the last day of the calendar quarter. Assessments that cannot be classified to a RUG-III group due to errors shall be excluded from both average case-mix index calculations.

**81.6(20) Medicare crossover claims for nursing facility services.**

*a. Definitions.* For purposes of this subrule:

“*Crossover claim*” means a claim for Medicaid payment for Medicare-covered nursing facility services rendered to a Medicare beneficiary who is also eligible for Medicaid. Crossover claims include claims for services rendered to beneficiaries who are eligible for Medicaid in any category including, but not limited to, qualified Medicare beneficiaries and beneficiaries who are eligible for full Medicaid coverage.

“*Medicaid-allowed amount*” means the Medicaid reimbursement rate for the services rendered (including any portion to be paid by the Medicaid beneficiary as client participation) multiplied by the number of Medicaid units of service included in a crossover claim, as determined under state and federal law and policies.

“*Medicaid reimbursement*” includes any amount to be paid by the Medicaid beneficiary as Medicaid client participation and any amount to be paid by the department after application of any applicable Medicaid client participation.

“*Medicare payment amount*” means the Medicare reimbursement rate for the services rendered multiplied by the number of Medicare units of service included in a crossover claim, excluding any Medicare coinsurance or deductible amounts to be paid by the Medicare beneficiary.

*b. Crossover claims.* Crossover claims for services covered under Medicare Part A and under Medicaid are reimbursed as set out in this paragraph.

(1) If the Medicare payment amount for a crossover claim exceeds or equals the Medicaid-allowed amount for that claim, Medicaid reimbursement for the crossover claim will be zero.

(2) If the Medicaid-allowed amount for a crossover claim exceeds the Medicare payment amount for that claim, Medicaid reimbursement for the crossover claim is the lesser of:

1. The Medicaid-allowed amount minus the Medicare payment amount; or
2. The Medicare coinsurance and deductible amounts applicable to the claim.

*c. Additional Medicaid payment for crossover claims uncollectible from Medicare.* Medicaid shall reimburse nursing facilities for the portion of crossover claims not covered by Medicaid reimbursement pursuant to paragraph “*b*” and not reimbursable by Medicare as an allowable bad debt pursuant to 42 CFR 413.80, as amended June 13, 2001, up to a limit of 30 percent of the amount not paid by Medicaid pursuant to paragraph “*b*.” The department shall calculate these amounts for each provider on a calendar-year basis and make payment for these amounts by March 31 of each year for the preceding calendar year or by a mutually acceptable schedule consistent with Medicare interim payment schedules.

*d. Application of savings.* Effective May 1, 2003, savings in Medicaid reimbursements attributable to the limits on nursing facility crossover claims established by this subrule shall be used to pay costs associated with development and implementation of this subrule before reversion to Medicaid.

**81.6(21) Nursing facility quality assurance payments.**

*a. Quality assurance assessment pass-through.* Effective with the implementation of the quality assurance assessment paid pursuant to 441—Chapter 36, Division II, a quality assurance assessment pass-through shall be added to the Medicaid per diem reimbursement rate as otherwise calculated pursuant to this rule. The quality assurance assessment pass-through shall equal the per-patient-day assessment determined pursuant to 441—subrule 36.6(2).

*b. Quality assurance assessment rate add-on.* Effective with the implementation of the quality assurance assessment paid pursuant to 441—Chapter 36, Division II, a quality assurance add-on of \$10 per patient day shall be added to the Medicaid per diem reimbursement rate as otherwise calculated pursuant to this rule.

*c. Use of the pass-through and add-on.* As a condition for receipt of the pass-through and add-on, each nursing facility shall submit information to the department on Form 470-4829, Nursing Facility Medicaid Enhanced Payment Report, demonstrating compliance by the nursing facility with the requirements for use of the pass-through and add-on. If the sum of the quality assurance assessment pass-through and the quality assurance assessment rate add-on is greater than the total cost incurred by a nursing facility in payment of the quality assurance assessment:

(1) No less than 35 percent of the difference shall be used to increase compensation and costs of employment for direct care workers determined pursuant to 2009 Iowa Acts, Senate File 476.

(2) No less than 60 percent of the difference shall be used to increase compensation and costs of employment for all nursing facility staff, with increases in compensation and costs of employment determined pursuant to 2009 Iowa Acts, Senate File 476.

*d. Effective date.* Until federal financial participation to match money collected from the quality assurance assessment pursuant to 441—Chapter 36, Division II, has been approved by the federal Centers for Medicare and Medicaid Services, none of the nursing facility rate-setting methodologies of this subrule shall become effective.

*e. End date.* If the federal Centers for Medicare and Medicaid Services determines that federal financial participation to match money collected from the quality assurance assessment pursuant to 441—Chapter 36, Division II, is unavailable for any period, or if the department no longer has the authority to collect the assessment, then beginning on the effective date that such federal financial participation is not available or authority to collect the assessment is rescinded, none of the nursing facility rate-setting methodologies of this subrule shall be effective. If the period for which federal match money is unavailable or the authority to collect the assessment is rescinded includes a retroactive period, the department shall:

(1) Recalculate Medicaid rates in effect during that period without the rate-setting methodologies of this subrule;

(2) Recompute Medicaid payments due based on the recalculated Medicaid rates;

(3) Recoup any previous overpayments; and

(4) Determine for each nursing facility the amount of quality assurance assessment collected during that period and refund that amount to the facility.

This rule is intended to implement Iowa Code sections 249A.4 and 249A.16, Iowa Code chapter 249K, and 2009 Iowa Code Supplement chapter 249L.

[ARC 8258B, IAB 11/4/09, effective 1/1/10; ARC 8344B, IAB 12/2/09, effective 12/1/09; ARC 8445B, IAB 1/13/10, effective 12/11/09; ARC 8643B, IAB 4/7/10, effective 3/11/10; ARC 8995B, IAB 8/11/10, effective 9/15/10; ARC 9046B, IAB 9/8/10, effective 8/12/10]

**441—81.7(249A) Continued review.** The IME medical services unit shall review Medicaid members' need of continued care in nursing facilities, pursuant to the standards and subject to the appeals process in subrule 81.3(1).

This rule is intended to implement Iowa Code sections 249A.2(6) and 249A.3(2) "a."  
[ARC 8445B, IAB 1/13/10, effective 12/11/09]

**441—81.8(249A) Quality of care review.** Rescinded IAB 8/8/90, effective 10/1/90.

**441—81.9(249A) Records.**

**81.9(1) Content.** The facility shall as a minimum maintain the following records:

*a.* All records required by the department of public health and the department of inspections and appeals.

*b.* Records of all treatments, drugs, and services for which vendors' payments have been made or are to be made under the medical assistance program, including the authority for and the date of administration of the treatment, drugs, or services.

*c.* Documentation in each resident's records which will enable the department to verify that each charge is due and proper prior to payment.

*d.* Financial records maintained in the standard, specified form including the facility's most recent audited cost report.

*e.* All other records as may be found necessary by the department in determining compliance with any federal or state law or rule or regulation promulgated by the United States Department of Health and Human Services or by the department.

*f.* Census records to include the date, number of residents at the beginning of each day, names of residents admitted, and names of residents discharged.

- (1) Census information shall be provided for all residents of the facility.
- (2) Census figures for each type of care shall be totaled monthly to indicate the number admitted, the number discharged, and the number of patient days.
- (3) Failure to maintain acceptable census records shall result in the per diem rate being computed on the basis of 100 percent occupancy and a request for refunds covering indicated recipients of nursing care which have not been properly accounted for.

- g.* Resident accounts.
- h.* In-service education program records.
- i.* Inspection reports pertaining to conformity with federal, state and local laws.
- j.* Residents' personal records.
- k.* Residents' medical records.
- l.* Disaster preparedness reports.

**81.9(2) Retention.** Records identified in subrule 81.9(1) shall be retained in the facility for a minimum of five years or until an audit is performed on those records, whichever is longer.

**81.9(3) Change of owner.** All records shall be retained within the facility upon change of ownership. This rule is intended to implement Iowa Code sections 249A.2(6) and 249A.3(2) "a."

#### **441—81.10(249A) Payment procedures.**

**81.10(1) Method of payment.** Except for Medicaid accountability measures payment established in paragraph 81.6(16) "g," facilities shall be reimbursed under a modified price-based vendor payment program. A per diem rate shall be established based on information submitted according to rule 441—81.6(249A). Effective July 1, 2002, the per diem rate shall include an amount for Medicaid accountability measures.

**81.10(2) Authorization of payment.** The department shall authorize payment for care in a facility. The authorization shall be obtained prior to admission of the resident, whenever possible. For a nursing facility to be eligible for Medicaid payment for a resident, the facility must, when applicable, exhaust all Medicare benefits.

**81.10(3)** Rescinded IAB 8/9/89, effective 10/1/89.

**81.10(4) Periods authorized for payment.**

*a.* Payment shall be made on a per diem basis for the portion of the month the resident is in the facility.

*b.* Payment will be authorized as long as the resident is certified as needing care in a nursing facility.

*c.* Payment will be approved for the day of admission but not the day of discharge or death.

*d.* Payment will be approved for periods the resident is absent overnight for purpose of visitation or vacation. The facility will be paid to hold the bed for a period not to exceed 18 days in any calendar year. Additional days shall be based upon a recommendation by the resident's physician in the plan of care that additional days would be rehabilitative.

*e.* Payment will be approved for a period not to exceed 10 days in any calendar month when the resident is absent due to hospitalization. Medicaid payment to the facility may not be initiated while a resident is on reserve bed days unless the person was residing in the facility as a private pay resident prior to the hospitalization and returns to the facility as a resident.

*f.* Effective December 1, 2009, payment for periods when residents are absent for a visit, vacation, or hospitalization shall be made at zero percent of the nursing facility's rate, except for special population facilities, which shall be paid for such periods at 42 percent of the facility's rate.

*g.* Payment for residents determined by utilization review to require the residential level of care shall be made at the maximum state supplementary assistance rate. This rate is effective as of the date of final notice by utilization review that the lower level of care is required.

*h.* In-state nursing facilities serving Medicaid eligible patients who require a ventilator at least six hours every day, are inappropriate for home care, and have medical needs that require skilled care as determined by the peer review organization shall receive reimbursement for the care of these patients equal to the sum of the Medicare-certified hospital-based nursing facility direct care rate component

limit plus the Medicare-certified hospital-based nursing facility non-direct care rate component limit factor pursuant to subparagraph 81.6(16)“f”(3). Facilities may continue to receive reimbursement at this rate for 30 days for any person weaned from a respirator who continues to reside in the facility and continues to meet skilled care criteria for those 30 days.

**81.10(5) Supplementation.** Only the amount of client participation may be billed to the resident for the cost of care and the facility must accept the combination of client participation and payment made through the Iowa Medicaid program as payment in full for the care of a resident. No additional charges shall be made to residents or family members for any supplies or services required in the facility-developed plan of care for the resident.

Residents may choose to spend their personal funds on items of personal care such as professional beauty or barber services but the facility shall not require this expenditure and shall not routinely obligate residents to any use of their personal funds.

*a.* Supplies or services which the facility shall provide:

(1) Nursing services, social work services, activity programs, individual and group therapy, rehabilitation or habilitation programs provided by facility staff in order to carry out the plan of care for the resident.

(2) Services related to the nutrition, comfort, cleanliness and grooming of a resident as required under state licensure and Medicaid survey regulations.

(3) Medical equipment and supplies including wheelchairs, medical supplies except for those listed in 441—paragraph 78.10(4)“b,” oxygen except under circumstances specified in 441—paragraph 78.10(2)“a,” and other items required in the facility-developed plan of care.

(4) Nonprescription drugs ordered by the physician except for those specified in 441—78.1(2)“f.”

(5) Fees charged by medical professionals for services requested by the facility which do not meet criteria for direct Medicaid payment.

*b.* The facility shall arrange for nonemergency transportation for members to receive necessary medical services outside the facility.

(1) If a family member, friend, or volunteer is not available to provide the transportation at no charge, the facility shall arrange and pay for the medically necessary transportation within 30 miles of the facility (one way).

(2) For medically necessary transportation beyond 30 miles from the facility (one way), when no family member, friend, or volunteer is available to provide the transportation at no charge, the facility shall arrange for transportation through the broker designated by the department, with the cost to be paid by the broker pursuant to rule 441—78.13(249A).

*c.* The Medicaid program will provide direct payment to relieve the facility of payment responsibility for certain medical equipment and services which meet the Medicare definition of medical necessity and are provided by vendors enrolled in the Medicaid programs including:

(1) Physician services.

(2) Ambulance services.

(3) Hospital services.

(4) Hearing aids, braces and prosthetic devices.

(5) Therapy services.

*d.* Other supplies or services for which direct Medicaid payment may be available include:

(1) Drugs covered pursuant to 441—78.1(2).

(2) Dental services.

(3) Optician and optometrist services.

(4) Repair of medical equipment and appliances which belong to the resident.

(5) Transportation to receive medical services beyond 30 miles from the facility (one way), through the broker designated by the department pursuant to a contract between the department and the broker.

(6) Other medical services specified in 441—Chapter 78.

*e.* The following supplementation is permitted:

(1) The resident, the resident's family, or friends may pay to hold the resident's bed in cases where a resident who is not discharged from the facility is absent overnight. When the resident is discharged, the facility may handle the holding of the bed in the same manner as for a private paying resident.

(2) Payments made by the resident's family toward cost of care of the resident shall not be considered as supplementation so long as the payments are included in client participation and are not over and above the payment made by the state for care of the resident.

(3) If a physician does not order a nonprescription drug by brand name, the facility may offer a generic. If a resident or family member requests a brand name, the resident or family member may pay for the brand-name nonprescription drug.

**81.10(6)** *Payment for out-of-state care.* Rescinded IAB 9/5/90, effective 11/1/90.

**81.10(7)** *Comparative charges between private pay and Medicaid residents.* Rescinded IAB 2/6/02, effective 4/1/02.

This rule is intended to implement Iowa Code section 249A.4.

[ARC 8344B, IAB 12/2/09, effective 12/1/09; ARC 8643B, IAB 4/7/10, effective 3/11/10; ARC 8994B, IAB 8/11/10, effective 10/1/10; ARC 8995B, IAB 8/11/10, effective 9/15/10]

#### **441—81.11(249A) Billing procedures.**

**81.11(1)** *Claims.* Claims for service must be sent to the Iowa Medicaid enterprise after the month of service and within 365 days of the date of service. Claims may be submitted electronically on software provided by the Iowa Medicaid enterprise or in writing on Form 470-0039.

*a.* When payment is made, the facility will receive a copy of Form 470-0039, Iowa Medicaid Long-Term Care Claim. The white copy of the form shall be signed and returned to the Iowa Medicaid enterprise as a claim for the next month. If the claim is submitted electronically, the facility will receive remittance advice of the claims paid.

*b.* When there has been a new admission or a discharge, the facility shall submit Form 470-0039 with the changes noted. When a change is necessary to adjust a previously paid claim, the facility shall submit Form 470-0040, Credit/Adjustment Request. Adjustments to electronically submitted claims may be made electronically as provided for by the Iowa Medicaid enterprise. A request for an adjustment to a paid claim must be received by the Iowa Medicaid enterprise within one year from the date the claim was paid in accordance with rule 441—80.4(249A).

**81.11(2)** Reserved.

This rule is intended to implement Iowa Code sections 249A.2(6) and 249A.3(2) "a."

**441—81.12(249A) Closing of facility.** When a facility is planning on closing, the department shall be notified at least 60 days in advance of the closing. Plans for the transfer of residents receiving medical assistance shall be approved by the local office of the department.

This rule is intended to implement Iowa Code sections 249A.2(6) and 249A.3(2) "a."

**441—81.13(249A) Conditions of participation for nursing facilities.** All nursing facilities shall enter into a contractual agreement with the department which sets forth the terms under which they will participate in the program.

**81.13(1)** *Procedures for establishing health care facilities as Medicaid facilities.* All survey procedures and certification process shall be in accordance with Department of Health and Human Services publication "State Operations Manual."

*a.* The facility shall obtain the applicable license from the department of inspections and appeals and must be recommended for certification by the department of inspections and appeals.

*b.* The facility shall request an application, Form 470-0254, Iowa Medicaid Provider Enrollment Application, from the Iowa Medicaid enterprise provider services unit.

*c.* The Iowa Medicaid enterprise provider services unit shall transmit an application form and a copy of the nursing facility provider manual to the facility.

*d.* The facility shall complete its portion of the application form and submit it to the Iowa Medicaid enterprise provider services unit.

*e.* The Iowa Medicaid enterprise provider services unit shall review the application form and verify with the department of inspections and appeals that the facility is licensed and has been recommended for certification.

*f.* Prior to requesting enrollment, the facility shall contact the department of inspections and appeals to schedule a survey. The department of inspections and appeals shall schedule and complete a survey of the facility.

*g.* The department of inspections and appeals shall notify the facility of any deficiencies and ask for a plan for the correction of the deficiencies.

*h.* The facility shall submit a plan of correction within ten days after receipt of written deficiencies from the health facilities division department of inspections and appeals. This plan must be approved before the facility can be certified.

*i.* The department of inspections and appeals shall evaluate the survey findings and plan of correction and either recommend the facility for certification or recommend denial of certification. The date of certification will be the date of approval of the plan of corrections.

*j.* When certification is recommended, the department of inspections and appeals shall notify the department recommending a provider agreement.

*k.* Rescinded IAB 12/6/95, effective 2/1/96.

**81.13(2) Medicaid provider agreements.** The health care facility shall be recommended for certification by the department of inspections and appeals for participation as a nursing facility before a provider agreement may be issued. All survey procedures and certification process shall be in accordance with Department of Health and Human Services publication "Providers Certification State Operations Manual." The effective date of a provider agreement may not be earlier than the date of certification.

*a.* Rescinded IAB 2/3/93, effective 4/1/93.

*b.* Rescinded IAB 2/3/93, effective 4/1/93.

*c.* Rescinded IAB 2/3/93, effective 4/1/93.

*d.* Rescinded IAB 2/3/93, effective 4/1/93.

*e.* When it becomes necessary for the department to cancel or refuse to renew a Title XIX provider agreement, federal financial participation may continue for 30 days beyond the date of cancellation, if the extension is necessary to ensure the orderly transfer of residents.

*f.* Rescinded IAB 2/3/93, effective 4/1/93.

**81.13(3) Distinct part requirement.** All facilities which provide nursing facility care and also provide other types of care shall set aside a distinct or identifiable part for the provision of the nursing facility care.

*a.* The distinct part shall meet the following conditions:

(1) The distinct part shall meet all requirements for a nursing facility.

(2) The distinct part shall be identifiable as a unit such as a designated group of rooms, an entire ward or contiguous wards, wings, floor, or building. It shall consist of all beds and related facilities in the unit for whom payment is being made for nursing facility services. It shall be clearly identified and licensed by the department of inspections and appeals.

(3) The appropriate personnel shall be assigned to the identifiable unit and shall work regularly therein. Immediate supervision of staff shall be provided in the unit at all times by qualified personnel as required for licensure.

(4) The distinct part may share such central services and facilities as management services, dietary services, building maintenance and laundry with other units.

(5) When members of the staff share time between units of the facility, written records shall be maintained of the time assigned to each unit.

*b.* Hospitals participating as nursing facilities shall meet all of the same conditions applicable to freestanding nursing facilities.

*c.* Nothing herein shall be construed as requiring transfer of a resident within or between facilities when in the opinion of the attending physician the transfer might be harmful to the physical or mental

health of the resident. The opinion of the physician shall be recorded on the resident's medical chart and stands as a continuing order unless the circumstances requiring the exception change.

**81.13(4) *Civil rights.*** The nursing facility shall comply with Title VI of the Civil Rights Act of 1964 in all areas of administration including admissions, records, services and physical facilities, room assignments and transfers, attending physicians' privileges and referrals. Written statements of compliance shall be available to residents, employees, attending physicians and other members of the public.

**81.13(5) *Resident rights.*** The resident has a right to a dignified existence, self-determination and communication with and access to persons and services inside and outside the facility. A facility shall protect and promote the rights of each resident, including each of the following rights:

*a. Exercise of rights.*

(1) The resident has the right to exercise rights as a resident of the facility and as a citizen of the United States.

(2) The resident has the right to be free of interference, coercion, discrimination, or reprisal from the facility in exercising those rights.

(3) In the case of a resident adjudged incompetent under the laws of a state, by a court of competent jurisdiction, the rights of the resident are exercised by the person appointed under state law to act on the resident's behalf.

(4) In the case of a resident who has not been adjudged incompetent by the state court, any legal-surrogate designated in accordance with state law may exercise the resident's rights to the extent provided by state law.

*b. Notice of rights and services.*

(1) The facility shall inform the resident, both orally and in writing in a language that the resident understands, of the resident's rights and all rules and regulations governing resident conduct and responsibilities during the stay in the facility. The facility shall also provide the resident with the pamphlet "Medicaid for People in Nursing Homes and Other Care Facilities," Comm. 52. This notification shall be made prior to or upon admission and during the resident's stay. Receipt of this information, and any amendments to it, must be acknowledged in writing.

(2) The resident or the resident's legal representative has the right, upon an oral or written request, to access all records pertaining to the resident including clinical records within 24 hours (excluding weekends and holidays); and after receipt of the records for inspection, to purchase at a cost not to exceed the community standard photocopies of the records or any portions of them upon request and two working days' advance notice to the facility.

(3) The resident has the right to be fully informed in language that the resident can understand of the resident's total health status, including, but not limited to, medical condition.

(4) The resident has the right to refuse treatment and to refuse to participate in experimental research.

(5) The facility shall:

1. Inform each resident who is entitled to Medicaid benefits, in writing, at the time of admission to the nursing facility or when the resident becomes eligible for Medicaid, of the items and services that are included in nursing facility services under the state plan and for which the resident may not be charged and of those other items and services that the facility offers and for which the resident may be charged, and the amount of charges for those services.

2. Inform each resident when changes are made to the items and services specified in number "1" of this subparagraph.

(6) The facility shall inform each resident before, or at the time of admission, and periodically during the resident's stay, of services available in the facility and of charges for those services, including any charges for services not covered under Medicare or by the facility's per diem rate.

(7) The facility shall furnish a written description of legal rights which includes:

1. A description of the manner of protecting personal funds.

2. A description of the requirements and procedures for establishing eligibility for Medicaid, including the right to request an assessment which determines the extent of a couple's nonexempt

resources at the time of institutionalization and attributes to the community spouse an equitable share of resources which cannot be considered available for payment toward the cost of the institutionalized spouse's medical care in the resident's process of spending down to Medicaid eligibility levels.

3. A posting of names, addresses, and telephone numbers of all pertinent state client advocacy groups such as the state survey and certification agency, the state licensure office, the state ombudsman program, the protection and advocacy network, and the Medicaid fraud control unit.

4. A statement that the resident may file a complaint with the state survey and certification agency concerning resident abuse, neglect and misappropriation of resident property in the facility.

(8) The facility shall inform each resident of the name, specialty and way of contacting the physician responsible for the resident's care.

(9) The facility shall prominently display in the facility written information and provide to residents and applicants for admission oral and written information about how to apply for and use Medicare and Medicaid benefits, and how to receive refunds for previous payments covered by these benefits.

(10) Notification of changes.

1. A facility shall immediately inform the resident, consult with the resident's physician, and, if known, notify the resident's legal representative or an interested family member when there is an accident involving the resident which results in injury and has the potential for requiring physician intervention; a significant change in the resident's physical, mental, or psychosocial status (i.e., a deterioration in health, mental, or psychosocial status in either life-threatening conditions or clinical complications); a need to alter treatment significantly (i.e., a need to discontinue an existing form of treatment due to adverse consequences, or to commence a new form of treatment); or a decision to transfer or discharge the resident from the facility.

2. The facility shall also promptly notify the resident and, if known, the resident's legal representative or interested family member when there is a change in room or roommate assignment or a change in resident rights under federal or state law or regulations.

3. The facility shall record and periodically update the address and telephone number of the resident's legal representative or interested family member.

*c. Protection of resident funds.*

(1) The resident has the right to manage the resident's financial affairs and the facility may not require residents to deposit their personal funds with the facility.

(2) Management of personal funds. Upon written authorization of a resident, the facility shall hold, safeguard, manage and account for the personal funds of the resident deposited with the facility, as specified in subparagraphs (3) to (8) of this paragraph.

(3) Deposit of funds. The facility shall deposit any residents' personal funds in excess of \$50 in an interest-bearing account that is separate from any of the facility's operating accounts, and that credits all interest earned on the resident's funds to that account. In pooled accounts, there must be a separate accounting for each resident's share.

The facility shall maintain a resident's personal funds that do not exceed \$50 in a non-interest-bearing account, an interest-bearing account, or petty cash fund.

(4) Accounting and records. The facility shall establish and maintain a system that ensures a full and complete and separate accounting, according to generally accepted accounting principles, of each resident's personal funds entrusted to the facility on the resident's behalf.

1. The system shall preclude any commingling of resident funds with facility funds or with the funds of any person other than another resident.

2. The individual financial record shall be available through quarterly statements and on request to the resident or the resident's legal representative.

(5) Notice of certain balances. The facility shall notify each resident that receives Medicaid benefits:

1. When the amount in the resident's account reaches \$200 less than the SSI resource limit for one person.

2. That, if the amount in the account, in addition to the value of the resident's other nonexempt resources, reaches the SSI resource limit for one person, the resident may lose eligibility for Medicaid or SSI.

(6) Conveyance upon death. Upon the death of a resident with a personal fund deposited with the facility, the facility shall convey within 30 days the resident's funds, and a final accounting of those funds, to the individual or probate jurisdiction administering the resident's estate.

(7) Assurance of financial security. The facility shall purchase a surety bond, or otherwise provide assurance satisfactory to the department of inspections and appeals and the department of human services, to ensure the security of all personal funds of residents deposited with the facility.

(8) Limitation on charges to personal funds. The facility may not impose a charge against the personal funds of a resident for any item or service for which payment is made under Medicaid or Medicare.

*d. Free choice.* The resident has the right to:

(1) Choose a personal attending physician.

(2) Be fully informed in advance about care and treatment and of any changes in that care or treatment that may affect the resident's well-being.

(3) Unless adjudged incompetent or otherwise found to be incapacitated under the laws of the state, participate in planning care and treatment or changes in care and treatment.

*e. Privacy and confidentiality.* The resident has the right to personal privacy and confidentiality of personal and clinical records.

(1) Personal privacy includes accommodations, medical treatment, written and telephone communications, personal care, visits, and meetings of family and resident groups, but this does not require the facility to provide a private room.

(2) Except as provided in subparagraph (3) below, the resident may approve or refuse the release of personal and clinical records to any person outside the facility.

(3) The resident's right to refuse release of personal and clinical records does not apply when the resident is transferred to another health care institution or record release is required by law.

*f. Grievances.* A resident has the right to:

(1) Voice grievances without discrimination or reprisal for voicing the grievances. The grievances include those with respect to treatment which has been furnished as well as that which has not been furnished.

(2) Prompt efforts by the facility to resolve grievances the resident may have, including those with respect to the behavior of other residents.

*g. Examination of survey results.* A resident has the right to:

(1) Examine the results of the most recent survey of the facility conducted by federal or state surveyors and any plan of correction in effect with respect to the facility. The facility must make the results available for examination in a place readily accessible to residents, and must post a notice of their availability.

(2) Receive information from agencies acting as client advocates, and be afforded the opportunity to contact these agencies.

*h. Work.* The resident has the right to:

(1) Refuse to perform services for the facility.

(2) Perform services for the facility if the resident chooses, when:

1. The facility has documented the need or desire for work in the plan of care.
2. The plan specifies the nature of the services performed and whether the services are voluntary or paid.

3. Compensation for paid services is at or above prevailing rates.

4. The resident agrees to the work arrangement described in the plan of care.

5. Rescinded IAB 3/4/92, effective 4/8/92.

*i. Mail.* The resident has the right to privacy in written communications, including the right to send and receive mail promptly that is unopened and to have access to stationery, postage and writing implements at the resident's own expense.

*j. Access and visitation rights.*

(1) The resident has the right and the facility shall provide immediate access to any resident by the following:

1. Any representative of the secretary of the Department of Health and Human Services.
2. Any representative of the state.
3. The resident's individual physician.
4. The state long-term care ombudsman.
5. The agency responsible for the protection and advocacy system for developmentally disabled individuals.
6. The agency responsible for the protection and advocacy system for mentally ill individuals.
7. Immediate family or other relatives of the resident subject to the resident's right to deny or withdraw consent at any time.
8. Others who are visiting with the consent of the resident subject to reasonable restrictions and to the resident's right to deny or withdraw consent at any time.

(2) The facility shall provide reasonable access to any resident by any entity or individual that provides health, social, legal, or other services to the resident, subject to the resident's right to deny or withdraw consent at any time.

(3) The facility shall allow representatives of the state ombudsman to examine a resident's clinical records with the permission of the resident or the resident's legal representative, and consistent with state law.

*k. Telephone.* The resident has the right to have reasonable access to the use of a telephone where calls can be made without being overheard.

*l. Personal property.* The resident has the right to retain and use personal possessions, including some furnishings, and appropriate clothing, as space permits, unless to do so would infringe upon the rights or health and safety of other residents.

*m. Married couples.* The resident has the right to share a room with the resident's spouse when married residents live in the same facility and both spouses consent to the arrangement.

*n. Self-administration of drugs.* An individual resident has the right to self-administer drugs if the interdisciplinary team has determined that this practice is safe.

*o. Refusal of certain transfers.*

(1) A person has the right to refuse a transfer to another room within the institution, if the purpose of the transfer is to relocate a resident of a skilled nursing facility from the distinct part of the institution that is a skilled nursing facility to a part of the institution that is not a skilled nursing facility or, if a resident of a nursing facility, from the distinct part of the institution that is a nursing facility to a distinct part of the institution that is a skilled nursing facility.

(2) A resident's exercise of the right to refuse transfer under subparagraph (1) does not affect the resident's eligibility or entitlement to Medicare or Medicaid benefits.

*p. Advance directives.*

(1) The nursing facility, at the time of admission, shall provide written information to each resident which explains the resident's rights under state law to make decisions concerning medical care, including the right to accept or refuse medical or surgical treatment and the right to formulate advance directives and the nursing facility's policies regarding the implementation of these rights.

(2) The nursing facility shall document in the resident's medical record whether or not the resident has executed an advance directive.

(3) The nursing facility shall not condition the provision of care or otherwise discriminate against a resident based on whether or not the resident has executed an advance directive.

(4) The nursing facility shall ensure compliance with requirements of state law regarding advance directives.

(5) The nursing facility shall provide for education for staff and the community on issues concerning advance directives.

Nothing in this paragraph shall be construed to prohibit the application of a state law which allows for an objection on the basis of conscience for any nursing facility which as a matter of conscience cannot implement an advance directive.

**81.13(6) Admission, transfer and discharge rights.**

*a. Transfer and discharge.*

(1) Definition: Transfer and discharge includes movement of a resident to a bed outside of the certified facility whether that bed is in the same physical plant or not. Transfer and discharge does not refer to movement of a resident to a bed within the same certified facility.

(2) Transfer or discharge requirements. The facility shall permit each resident to remain in the facility, and not transfer or discharge the resident from the facility unless:

1. The transfer or discharge is necessary for the resident's welfare and the resident's needs cannot be met in the facility.

2. The transfer or discharge is appropriate because the resident's health has improved sufficiently so the resident no longer needs the services provided by the facility.

3. The safety of persons in the facility is endangered.

4. The health of persons in the facility would otherwise be endangered.

5. The resident has failed, after reasonable and appropriate notice, to pay for (or to have paid under Medicare or Medicaid) a stay at the facility. For a resident who becomes eligible for Medicaid after admission to a facility, the facility may charge a resident only allowable charges under Medicaid.

6. The facility ceases to operate.

(3) Documentation. When the facility transfers or discharges a resident under any of the circumstances specified in subparagraph (2), numbers 1 through 5 above, the resident's clinical record shall be documented. The documentation shall be made by:

1. The resident's physician when transfer or discharge is necessary under subparagraph (2), number 1 or 2.

2. A physician when transfer or discharge is necessary under subparagraph (2), number 4.

(4) Notice before transfer. Before a facility transfers or discharges a resident, the facility shall:

1. Notify the resident and, if known, a family member or legal representative of the resident of the transfer or discharge and the reasons for the move in writing and in a language and manner they understand.

2. Record the reasons in the resident's clinical record.

3. Include in the notice the items in subparagraph (6) below.

(5) Timing of the notice. The notice of transfer or discharge shall be made by the facility at least 30 days before the resident is transferred or discharged except that notice shall be made as soon as practicable before transfer or discharge when:

1. The safety of persons in the facility would be endangered.

2. The health of persons in the facility would be endangered.

3. The resident's health improves sufficiently to allow a more immediate transfer or discharge.

4. An immediate transfer or discharge is required by the resident's urgent medical needs.

5. A resident has not resided in the facility for 30 days.

(6) Contents of the notice. The written notice shall include the following:

1. The reason for transfer or discharge.

2. The effective date of transfer or discharge.

3. The location to which the resident is transferred or discharged.

4. A statement that the resident has the right to appeal the action to the department.

5. The name, address, and telephone number of the state long-term care ombudsman.

6. The mailing address and telephone number of the agency responsible for the protection and advocacy of developmentally disabled individuals for residents with developmental disabilities.

7. The mailing address and telephone number of the agency responsible for the protection and advocacy of mentally ill individuals for residents who are mentally ill.

(7) Orientation for transfer or discharge. A facility shall provide sufficient preparation and orientation to residents to ensure safe and orderly transfer or discharge from the facility.

*b. Notice of bed-hold policy and readmission.*

(1) Notice before transfer. Before a facility transfers a resident to a hospital or allows a resident to go on therapeutic leave, the facility shall provide written information to the resident and a family member or legal representative that specifies:

1. The duration of the bed-hold policy under the state plan during which the resident is permitted to return and resume residence in the facility.

2. The facility's policies regarding bed-hold periods, which shall be consistent with subparagraph (3) below, permitting a resident to return.

(2) Notice upon transfer. At the time of transfer of a resident to a hospital or for therapeutic leave, a nursing facility shall provide written notice to the resident and a family member or legal representative, which specifies the duration of the bed-hold policy described in subparagraph (1) above.

(3) Permitting resident to return to facility. A nursing facility shall establish and follow a written policy under which a resident, whose hospitalization or therapeutic leave exceeds the bed-hold period under the state plan, is readmitted to the facility immediately upon the first availability of a bed in a semiprivate room if the resident requires the services provided by the facility and is eligible for Medicaid nursing facility services.

*c. Equal access to quality care.*

(1) A facility shall establish and maintain identical policies and practices regarding transfer, discharge, and the provision of services under the state plan for all persons regardless of source of payment.

(2) The facility may charge any amount for services furnished to non-Medicaid residents consistent with the notice requirement in 81.13(1) "a"(5).

(3) The state is not required to offer additional services on behalf of a resident other than services provided in the state plan.

*d. Admissions policy.*

(1) The facility shall not require residents or potential residents to:

1. Waive their rights to Medicare or Medicaid; or

2. Give oral or written assurance that they are not eligible for, or will not apply for, Medicare or Medicaid benefits. However, a continuing care retirement community or a life care community that is licensed, registered, certified, or the equivalent by the state, including a nursing facility that is part of such a community, may require in its contract for admission that before a resident applies for medical assistance, the resources that the resident declared for the purposes of admission must be spent on the resident's care, subject to 441—subrule 75.5(3), 441—paragraph 75.5(4) "a," and 441—subrule 75.16(2).

(2) The facility shall not require a third-party guarantee of payment to the facility as a condition of admission or expedited admission, or continued stay in the facility. However, the facility may require a person who has legal access to a resident's income or resources available to pay for facility care to sign a contract, without incurring personal financial liability, to provide facility payment from the resident's income or resources.

(3) In the case of a person eligible for Medicaid, a nursing facility must not charge, solicit, accept, or receive, in addition to any amount otherwise required to be paid under the state plan, any gift, money, donation, or other consideration as a precondition of admission, expedited admission or continued stay in the facility. However:

1. A nursing facility may charge a resident who is eligible for Medicaid for items and services the resident has requested and received, and that are not specified in the state plan as included in the term "nursing facility services" so long as the facility gives proper notice of the availability and cost of these services to residents and does not condition the resident's admission or continued stay on the request for and receipt of these additional services.

2. A nursing facility may solicit, accept, or receive a charitable, religious, or philanthropic contribution from an organization or from a person unrelated to a Medicaid-eligible resident or potential resident, but only to the extent that the contribution is not a condition of admission, expedited admission, or continued stay in the facility for a Medicaid-eligible resident.

(4) States or political subdivisions may apply stricter admission standards under state or local laws than are specified in these rules, to prohibit discrimination against persons entitled to Medicaid.

**81.13(7) Resident behavior and facility practices.**

*a. Restraints.* The resident has the right to be free from any physical or chemical restraints imposed for purposes of discipline or convenience and not required to treat the resident's medical symptoms.

*b. Abuse.* The resident has the right to be free from verbal, sexual, physical, or mental abuse, corporal punishment, and involuntary seclusion.

*c. Staff treatment of residents.* The facility shall develop and implement written policies and procedures that prohibit mistreatment, neglect, and abuse of residents and misappropriation of resident property.

\* (1) Facility staff shall not use verbal, mental, sexual, or physical abuse, including corporal punishment, or involuntary seclusion of residents. The facility shall not employ persons who have been found guilty by a court of law of abusing, neglecting or mistreating residents or who have had a finding entered into the state nurse aide registry concerning abuse, neglect, mistreatment of residents or misappropriation of their property.

The facility shall report any knowledge it has of actions by a court of law against an employee, which would indicate unfitness for service as a nurse aide or other facility staff to the state nurse aide registry or licensing authorities.

\*See Objection filed 8/25/92 published herein at end of 441—Chapter 81.

(2) The facility shall ensure that all alleged violations involving mistreatment, neglect or abuse including injuries of unknown source and misappropriation of resident property, are reported immediately to the administrator of the facility or to other officials (including the department of inspections and appeals) in accordance with state law through established procedures.

(3) The facility shall have evidence that all alleged violations are thoroughly investigated and shall prevent further potential abuse while the investigation is in progress.

(4) The results of all investigations conducted by facility staff shall be reported to the administrator or the administrator's designated representative or to other officials (including the department of inspections and appeals) in accordance with state law within five working days of the incident and if the alleged violation is verified, take appropriate corrective action.

**81.13(8) Quality of life.** A facility shall care for its residents in a manner and in an environment that promotes maintenance or enhancement of each resident's quality of life.

*a. Dignity.* The facility shall promote care for residents in a manner and in an environment that maintains or enhances each resident's dignity and respect in full recognition of the resident's individuality.

*b. Self-determination and participation.* The resident has the right to:

(1) Choose activities, schedules, and health care consistent with the resident's interests, assessments and plans of care.

(2) Interact with members of the community both inside and outside the facility.

(3) Make choices about aspects of life in the facility that are significant to the resident.

*c. Participation in resident and family groups.*

(1) A resident has the right to organize and participate in resident groups in the facility.

(2) A resident's family has the right to meet in the facility with the families of other residents in the facility.

(3) The facility shall provide a resident or family group, if one exists, with private space.

(4) Staff or visitors may attend meetings at the group's invitation.

(5) The facility shall provide a designated staff person responsible for providing assistance and responding to written requests that result from group meetings.

(6) When a resident or family group exists, the facility shall listen to the views and act upon the grievances and recommendations of residents and families concerning proposed policy and operational decisions affecting resident care and life in the facility.

*d. Participation in other activities.* A resident has the right to participate in social, religious, and community activities that do not interfere with the rights of other residents in the facility.

*e. Accommodation of needs.* A resident has the right to:

(1) Reside and receive services in the facility with reasonable accommodation of individual needs and preferences, except when the health or safety of the individual or other residents would be endangered.

(2) Receive notice before the resident's room or roommate in the facility is changed.

*f. Activities.*

(1) The facility shall provide for an ongoing program of activities designed to meet, in accordance with the comprehensive assessment, the interests and the physical, mental, and psychosocial well-being of each resident.

(2) The activities program shall be directed by a qualified professional who meets one of the following criteria:

1. Is a qualified therapeutic recreation specialist or an activities professional who is eligible for certification as a therapeutic recreation specialist or as an activities professional by a recognized accrediting body on or after October 1, 1990.

2. Has two years of experience in a social or recreational program within the last five years, one of which was full-time in a patient activities program in a health care setting.

3. Is a qualified occupational therapist or occupational therapy assistant.

4. Has completed a training course approved by the state.

*g. Social services.*

(1) The facility shall provide medically related social services to attain or maintain the highest practicable physical, mental, or psychosocial well-being of each resident.

(2) A facility with more than 120 beds shall employ a qualified social worker on a full-time basis.

(3) Qualifications of social worker. A qualified social worker is a person who meets both of the following criteria:

1. A bachelor's degree in social work or a bachelor's degree in a human services field including, but not limited to, sociology, special education, rehabilitation, counseling and psychology.

2. One year of supervised social work experience in a health care setting working directly with individuals.

*h. Environment.* The facility shall provide:

(1) A safe, clean, comfortable and homelike environment, allowing the resident to use personal belongings to the extent possible.

(2) Housekeeping and maintenance services necessary to maintain a sanitary, orderly and comfortable interior.

(3) Clean bed and bath linens that are in good condition.

(4) Private closet space in each resident room.

(5) Adequate and comfortable lighting levels in all areas.

(6) Comfortable and safe temperature levels. Facilities initially certified after October 1, 1990, shall maintain a temperature range of 71 to 81 degrees Fahrenheit.

(7) For the maintenance of comfortable sound levels.

**81.13(9) Resident assessment.** The facility shall conduct initially and periodically a comprehensive, accurate, standardized, reproducible assessment of each resident's functional ability.

*a. Admission orders.* At the time each resident is admitted, the facility shall have physician orders for the resident's immediate care.

*b. Comprehensive assessments.*

(1) The facility shall make a comprehensive assessment of a resident's needs which is based on the minimum data set (MDS) specified by the department of inspections and appeals, which describes the resident's capability to perform daily life functions and significant impairments in functional capacity.

(2) The assessment process shall include direct observation and communication with the resident, as well as communication with licensed and nonlicensed direct care staff members on all shifts. The comprehensive assessment shall include at least the following information:

1. Identification and demographic information.

2. Customary routine.

3. Cognitive patterns.
  4. Communication.
  5. Vision.
  6. Mood and behavior patterns.
  7. Psychosocial well-being.
  8. Physical functioning and structural problems.
  9. Continence.
  10. Disease diagnoses and health conditions.
  11. Dental and nutritional status.
  12. Skin condition.
  13. Activity pursuit.
  14. Medications.
  15. Special treatments and procedures.
  16. Discharge potential.
  17. Documentation of summary information regarding the additional assessment performed through the resident assessment protocols.
  18. Documentation of participation in assessment.
  19. Additional specification relating to resident status as required in Section S of the MDS.
- (3) Frequency. Assessments shall be conducted:
1. Within 14 calendar days after admission or readmission, excluding readmissions in which there is no significant change in the resident's physical or mental condition. "Readmission" means a return to the facility following a temporary absence for hospitalization or for therapeutic leave.
  2. Within 14 calendar days after the facility determines, or should have determined, that there has been a significant change in the resident's physical or mental condition. A "significant change" means a major decline or improvement in the resident's status that will not normally resolve itself without further intervention by staff or by implementing standard disease-related clinical interventions, that has an impact on more than one area of the resident's health status, and that requires either interdisciplinary review, revision of the care plan, or both.
  3. In no case less often than once every 12 months.
- (4) Review of assessments. The facility shall examine each resident no less than once every three months, and as appropriate, revise the resident's assessment to ensure the continued accuracy of the assessment.
- (5) Maintenance and use. A facility shall maintain all resident assessments completed within the previous 15 months in the resident's active record and use the results to develop, review and revise the resident's comprehensive plan of care.
- (6) Coordination. The facility shall coordinate assessments with any state-required preadmission screening program to the maximum extent practicable to avoid duplicative testing and effort.
- (7) Automated data processing requirement.
1. Entering data. Within seven days after a facility completes a resident's assessment, a facility shall enter the following information for the resident into a computerized format that meets the specifications defined in numbered paragraphs "2" and "4" below.
    - Admission assessment.
    - Annual assessment updates.
    - Significant change in status assessments.
    - Quarterly review assessments.
    - A subset of items upon a resident's transfer, reentry, discharge, and death.
    - Background (face sheet) information, if there is no admission assessment.
  2. Transmitting data. Within seven days after a facility completes a resident's assessment, a facility shall be capable of transmitting to the state each resident's assessment information contained in the MDS in a format that conforms to standard record layouts and data dictionaries and that passes edits that ensure accurate and consistent coding of the MDS data as defined by the Centers for Medicare and Medicaid Services (CMS) and the department of human services or the department of inspections and appeals.

3. Monthly transmittal requirements. On at least a monthly basis, a facility shall input and electronically transmit accurate and complete MDS data for all assessments conducted during the previous month, including the following:

- Admission assessment.
- Annual assessment.
- Significant correction of prior full assessment.
- Significant correction of prior quarterly assessment.
- Quarterly review.
- A subset of items upon a resident's transfer, reentry, discharge, and death.
- Background (face sheet) information, for an initial transmission of MDS data on a resident who does not have an admission assessment.

4. The facility must transmit MDS data in the ASCII format specified by CMS.

(8) Resident-identifiable information. A facility shall not release information that is resident-identifiable to the public. The facility may release information that is resident-identifiable to an agent only in accordance with a contract under which the agent agrees not to use or disclose the information except to the extent the facility itself is permitted to do so.

*c. Accuracy of assessments.* The assessment shall accurately reflect the resident's status.

(1) Coordination. Each assessment shall be conducted or coordinated with the appropriate participation of health professionals. Each assessment shall be conducted or coordinated by a registered nurse.

(2) Certification. Each person who completes a portion of the assessment shall sign and certify the accuracy of that portion of the assessment. A registered nurse shall sign and certify that the assessment is completed.

(3) Penalty for falsification. An individual who willfully and knowingly certifies a material and false statement in a resident assessment is subject to a civil money penalty of not more than \$1,000 for each assessment. An individual who willfully and knowingly causes another individual to certify a material and false statement in a resident assessment is subject to a civil money penalty of not more than \$5,000 for each assessment.

Clinical disagreement does not constitute a material and false statement.

(4) Use of independent assessors. If the department of human services or the department of inspections and appeals determines, under a survey or otherwise, that there has been a knowing and willful certification of false statements under subparagraph (3) above, the department of human services or the department of inspections and appeals may require that resident assessments under this paragraph be conducted and certified by individuals who are independent of the facility and who are approved by the department of human services or the department of inspections and appeals for a period specified by the agency.

*d. Comprehensive care plans.*

(1) The facility shall develop a comprehensive care plan for each resident that includes measurable objectives and timetables to meet a resident's medical, nursing, and mental and psychosocial needs that are identified in the comprehensive assessment.

The care plan shall describe the following:

1. The services that are to be furnished to attain or maintain the resident's highest practicable physical, mental, and psychosocial well-being as required under subrule 81.13(10).

2. Any services that would otherwise be required under subrule 81.13(10), but are not provided due to the resident's exercise of rights under subrule 81.13(5), including the right to refuse treatment under subrule 81.13(5), paragraph "b," subparagraph (4).

(2) A comprehensive care plan shall be developed within seven days after completion of the comprehensive assessment by an interdisciplinary team and with the participation of the resident, the resident's family or legal representative to the extent practicable, and shall be periodically reviewed and revised by a team of qualified persons after each assessment.

The interdisciplinary team shall include the attending physician, a registered nurse with responsibility for the resident, and other appropriate staff in disciplines as determined by the resident's needs.

(3) The services provided or arranged by the facility shall meet professional standards of quality and be provided by qualified persons in accordance with each resident's written plan of care.

*e. Discharge summary.* When the facility anticipates discharges, a resident shall have a discharge summary that includes:

(1) A recapitulation of the resident's stay.

(2) A final summary of the resident's status to include items in paragraph "b," subparagraph (2) above, at the time of the discharge that is available for release to authorized persons and agencies, with the consent of the resident or legal representative.

(3) A postdischarge plan of care developed with the participation of the resident and resident's family which will assist the resident to adjust to a new living environment.

*f. Preadmission screening for mentally ill individuals and individuals with mental retardation.*

(1) A nursing facility shall not admit a new resident with mental illness or mental retardation unless the division of mental health and disability services has approved the admission, based on an independent physical and mental health evaluation. This evaluation shall be reviewed by the IME medical services unit before admission to determine whether the individual requires the level of services provided by the facility because of the physical and mental condition of the individual. If the individual requires nursing facility level of services, the individual shall receive specialized services for mental illness or mental retardation.

(2) Definition. For purposes of this rule:

1. An individual is considered to have "mental illness" if the individual has a primary or secondary diagnosis of mental disorder (as defined in the Diagnostic and Statistical Manual of Mental Disorders, 3rd edition) and does not have a primary diagnosis of dementia (including Alzheimer's disease or a related disorder).

2. An individual is considered to be "mentally retarded" if the individual is mentally retarded or a person with a related condition as described in 42 CFR 435.1009.

*g. Preadmission resident assessment.* The facility shall conduct prior to admission a resident assessment of all persons seeking nursing facility placement. The assessment information gathered shall be similar to the data in the minimum data set (MDS) resident assessment tool.

**81.13(10) Quality of care.** Each resident shall receive and the facility shall provide the necessary care and services to attain or maintain the highest practicable physical, mental and psychosocial well-being, in accordance with the comprehensive assessment and plan of care.

*a. Activities of daily living.* Based on the comprehensive assessment of a resident, the facility shall ensure that:

(1) A resident's abilities in activities of daily living do not diminish unless circumstances of the individual's clinical condition demonstrate that diminution was unavoidable. This includes the resident's ability to bathe, dress and groom; transfer and ambulate; toilet; eat, and to use speech, language or other functional communication systems.

(2) A resident is given the appropriate treatment and services to maintain or improve the resident's abilities specified in subparagraph (1) above.

(3) A resident who is unable to carry out activities of daily living receives the necessary services to maintain good nutrition, grooming, and personal and oral hygiene.

*b. Vision and hearing.* To ensure that residents receive proper treatment and assistive devices to maintain vision and hearing abilities, the facility shall, if necessary, assist the resident:

(1) In making appointments.

(2) By arranging for transportation to and from the office of a medical practitioner specializing in the treatment of vision or hearing impairment or the office of a professional specializing in the provision of vision or hearing assistive devices.

*c. Pressure sores.* Based on the comprehensive assessment of a resident, the facility shall ensure that:

(1) A resident who enters the facility without pressure sores does not develop pressure sores unless the individual's clinical condition demonstrates that they were unavoidable.

(2) A resident having pressure sores receives necessary treatment and services to promote healing, prevent infection and prevent new sores from developing.

*d. Urinary incontinence.* Based on the resident's comprehensive assessment, the facility shall ensure that:

(1) A resident who enters the facility without an indwelling catheter is not catheterized unless the resident's clinical condition demonstrates that catheterization was necessary.

(2) A resident who is incontinent of bladder receives appropriate treatment and services to prevent urinary tract infections and to restore as much normal bladder function as possible.

*e. Range of motion.* Based on the comprehensive assessment of a resident, the facility shall ensure that:

(1) A resident who enters the facility without a limited range of motion does not experience reduction in range of motion unless the resident's clinical condition demonstrates that a reduction in range of motion is unavoidable.

(2) A resident with a limited range of motion receives appropriate treatment and services to increase range of motion to prevent further decrease in range of motion.

*f. Mental and psychosocial functioning.* Based on the comprehensive assessment of a resident, the facility shall ensure that:

(1) A resident who displays mental or psychosocial adjustment difficulty receives appropriate treatment and services to correct the assessed problem.

(2) A resident whose assessment did not reveal a mental or psychosocial adjustment difficulty does not display a pattern of decreased social interaction or increased withdrawn, angry or depressive behaviors, unless the resident's clinical condition demonstrates that such a pattern was unavoidable.

*g. Naso-gastric tubes.* Based on the comprehensive assessment of a resident, the facility shall ensure that:

(1) A resident who has been able to eat enough alone or with assistance is not fed by naso-gastric tube unless the resident's clinical condition demonstrates that use of a naso-gastric tube was unavoidable.

(2) A resident who is fed by a naso-gastric or gastrostomy tube receives the appropriate treatment and services to prevent aspiration pneumonia, diarrhea, vomiting, dehydration, metabolic abnormalities, and nasopharyngeal ulcers and to restore, if possible, normal eating skills.

*h. Accidents.* The facility shall ensure that:

(1) The resident environment remains as free of accident hazards as is possible.

(2) Each resident receives adequate supervision and assistive devices to prevent accidents.

*i. Nutrition.* Based on a resident's comprehensive assessment, the facility shall ensure that a resident:

(1) Maintains acceptable parameters of nutritional status, such as body weight and protein levels, unless the resident's clinical condition demonstrates that this is not possible.

(2) Receives a therapeutic diet when there is a nutritional problem.

*j. Hydration.* The facility shall provide each resident with sufficient fluid intake to maintain proper hydration and health.

*k. Special needs.* The facility shall ensure that residents receive proper treatment and care for the following special services:

(1) Injections.

(2) Parenteral and enteral fluids.

(3) Colostomy, ureterostomy or ileostomy care.

(4) Tracheostomy care.

(5) Tracheal suctioning.

(6) Respiratory care.

(7) Foot care.

(8) Prostheses.

*l. Unnecessary drugs.*

(1) General. Each resident's drug regimen shall be free from unnecessary drugs. An unnecessary drug is any drug when used:

1. In excessive dose including duplicate drug therapy; or
2. For excessive duration; or
3. Without adequate monitoring; or
4. Without adequate indications for its use; or
5. In the presence of adverse consequences which indicate the dose should be reduced or discontinued; or
6. Any combinations of the reasons above.

(2) Antipsychotic drugs. Based on a comprehensive assessment of a resident, the facility shall ensure that:

1. Residents who have not used antipsychotic drugs are not given these drugs unless antipsychotic drug therapy is necessary to treat a specific condition as diagnosed and documented in the clinical record.
2. Residents who use antipsychotic drugs receive gradual dose reductions and behavioral programming, unless clinically contraindicated in an effort to discontinue these drugs.

*m. Medication errors.* The facility shall ensure that:

- (1) It is free of significant medication error rates of 5 percent or greater.
- (2) Residents are free of any significant medication errors.

**81.13(11) Nursing services.** The facility shall have sufficient nursing staff to provide nursing and related services to attain or maintain the highest practicable physical, mental, and psychosocial well-being of each resident, as determined by resident assessments and individual plans of care.

*a. Sufficient staff.*

(1) The facility shall provide services by sufficient numbers of each of the following types of personnel on a 24-hour basis to provide nursing care to all residents in accordance with resident care plans:

1. Except when waived under paragraph "c," licensed nurses.
  2. Other nursing personnel.
- (2) Except when waived under paragraph "c," the facility shall designate a licensed nurse to serve as a charge nurse on each tour of duty.

*b. Registered nurse.*

(1) Except when waived under paragraph "c," the facility shall use the services of a registered nurse for at least eight consecutive hours a day, seven days a week.

(2) Except when waived under paragraph "c," the facility shall designate a registered nurse to serve as the director of nursing on a full-time basis.

(3) The director of nursing may serve as a charge nurse only when the facility has an average daily occupancy of 60 or fewer residents.

*c. Nursing facilities.* Waiver of requirement to provide licensed nurses on a 24-hour basis. A facility may request a waiver from either the requirement that a nursing facility provide a registered nurse for at least eight consecutive hours a day, seven days a week, as specified in paragraph "b," or the requirement that a nursing facility provide licensed nurses on a 24-hour basis, including a charge nurse as specified in paragraph "a," if the following conditions are met:

(1) The facility demonstrates to the satisfaction of the state that the facility has been unable, despite diligent efforts (including offering wages at the community prevailing rate for nursing facilities), to recruit appropriate personnel.

(2) The department of inspections and appeals determines that a waiver of the requirement will not endanger the health or safety of individuals staying in the facility.

(3) The department of inspections and appeals finds that, for any periods in which licensed nursing services are not available, a registered nurse or a physician is obligated to respond immediately to telephone calls from the facility.

(4) A waiver granted under the conditions listed in paragraph "c" is subject to annual department of inspections and appeals review.

(5) In granting or renewing a waiver, a facility may be required by the department of inspections and appeals to use other qualified, licensed personnel.

(6) The department of inspections and appeals shall provide notice of a waiver granted under this paragraph to the state long-term care ombudsman established under Section 307(a)(12) of the Older Americans Act of 1965 and the protection and advocacy system in the state for the mentally ill and mentally retarded.

(7) The nursing facility that is granted a waiver under this paragraph shall notify residents of the facility or, where appropriate, the guardians or legal representatives of the residents and members of their immediate families of the waiver.

**81.13(12) Dietary services.** The facility shall provide each resident with a nourishing, palatable, well-balanced diet that meets the daily nutritional and special dietary needs of each resident.

*a. Staffing.* The facility shall employ a qualified dietitian either full-time, part-time or on a consultant basis.

(1) If a qualified dietitian is not employed full-time, the facility shall designate a person to serve as the director of food services who receives frequently scheduled consultation from a qualified dietitian.

(2) A qualified dietitian is one who is licensed by the state according to Iowa Code chapter 152A.

*b. Sufficient staff.* The facility shall employ sufficient support personnel competent to carry out the functions of the dietary service.

*c. Menus and nutritional adequacy.* Menus shall:

(1) Meet the nutritional needs of residents in accordance with the recommended dietary allowances of the Food and Nutrition Board of the National Research Council, National Academy of Sciences.

(2) Be prepared in advance.

(3) Be followed.

*d. Food.* Each resident receives and the facility provides:

(1) Food prepared by methods that conserve nutritive value, flavor and appearances.

(2) Food that is palatable, attractive and at the proper temperature.

(3) Food prepared in a form designed to meet individual needs.

(4) Substitutes offered of similar nutritive value to residents who refuse food served.

*e. Therapeutic diets.* Therapeutic diets shall be prescribed by the attending physician.

*f. Frequency of meals.*

(1) Each resident receives and the facility provides at least three meals daily, at regular times comparable to normal mealtimes in the community.

(2) There shall be no more than 14 hours between a substantial evening meal and breakfast the following day, except as provided in subparagraph (4) below.

(3) The facility shall offer snacks at bedtime daily.

(4) When a nourishing snack is provided at bedtime, up to 16 hours may elapse between a substantial evening meal and breakfast the following day if a resident group agrees to this meal span.

*g. Assistive devices.* The facility shall provide special eating equipment and utensils for residents who need them.

*h. Sanitary conditions.* The facility shall:

(1) Procure food from sources approved or considered satisfactory by federal, state or local authorities.

(2) Store, prepare, distribute and serve food under sanitary conditions.

(3) Dispose of garbage and refuse properly.

**81.13(13) Physician services.** A physician shall personally approve in writing a recommendation that an individual be admitted to a facility. Each resident shall remain under the care of a physician.

*a. Physician supervision.* The facility shall ensure that:

(1) The medical care of each resident is supervised by a physician.

(2) Another physician supervises the medical care of residents when their attending physician is unavailable.

*b. Physician visits.* The physician shall:

(1) Review the resident's total program of care, including medications and treatments, at each visit required by paragraph "c" below.

(2) Write, sign and date progress notes at each visit.

(3) Sign and date all orders.

*c. Frequency of physician visits.*

(1) The resident shall be seen by a physician at least once every 30 days for the first 90 days after admission, and at least once every 60 days thereafter.

(2) A physician visit is considered timely if it occurs not later than ten days after the date the visit was required.

(3) Except as provided in paragraph "e," all required physician visits shall be made by the physician personally.

*d. Availability of physicians for emergency care.* The facility shall provide or arrange for the provision of physician services 24 hours a day, in case of an emergency.

*e. Performance of physician tasks in nursing facilities.* Any required physician task in a nursing facility (including tasks which the rules specify must be performed personally by the physician) may also be satisfied when performed by a nurse practitioner, clinical nurse specialist, or physician assistant who is not an employee of the facility, but who is working in collaboration with a physician except where prohibited by state law.

**81.13(14) Specialized rehabilitative services.**

*a. Provision of services.* If specialized rehabilitative services such as, but not limited to, physical therapy, speech-language pathology, occupational therapy, and mental health rehabilitative services for mental illness and mental retardation, are required in the resident's comprehensive plan of care, the facility shall:

(1) Provide the required services; or

(2) Obtain the required services from an outside provider of specialized rehabilitative services.

*b. Qualifications.* Specialized rehabilitative services shall be provided under the written order of a physician by qualified personnel.

**81.13(15) Dental services.** The facility shall assist residents in obtaining routine and 24-hour emergency dental care. The facility shall:

*a.* Provide or obtain from an outside resource the following dental services to meet the needs of each resident:

(1) Routine dental services to the extent covered under the state plan.

(2) Emergency dental services.

*b.* If necessary, assist the resident in making appointments; and by arranging for transportation to and from the dentist's office.

*c.* Promptly refer residents with lost or damaged dentures to a dentist.

**81.13(16) Pharmacy services.** The facility shall provide routine and emergency drugs and biologicals to its residents or obtain them under an agreement. The nursing facility may permit a certified medication aide to administer drugs, but only under the general supervision of a licensed nurse.

*a. Procedures.* A facility shall provide pharmaceutical services (including procedures that ensure the accurate acquiring, receiving, dispensing, and administering of all drugs and biologicals) to meet the needs of each resident.

*b. Service consultation.* The facility shall employ or obtain the services of a licensed pharmacist who:

(1) Provides consultation on all aspects of the provision of pharmacy services in the facility.

(2) Establishes a system of records of receipt and disposition of all controlled drugs in sufficient detail to enable an accurate reconciliation.

(3) Determines that drug records are in order and that an account of all controlled drugs is maintained and periodically reconciled.

*c. Drug regimen review.*

(1) The drug regimen of each resident shall be reviewed at least once a month by a licensed pharmacist.

(2) The pharmacist shall report any irregularities to the attending physician and the director of nursing, and these reports shall be acted upon.

*d. Labeling of drugs and biologicals.* Drugs and biologicals used in the facility shall be labeled in accordance with currently accepted professional principles, and include the appropriate accessory and cautionary instructions, and the expiration date when applicable.

*e. Storage of drugs and biologicals.*

(1) In accordance with state and federal laws, the facility shall store all drugs and biologicals in locked compartments under proper temperature controls and permit only authorized personnel to have access to the keys.

(2) The facility shall provide separately locked, permanently affixed compartments for storage of controlled drugs listed in Schedule II of the Comprehensive Drug Abuse Prevention and Control Act of 1976 and other drugs subject to abuse, except when the facility uses single unit package drug distribution systems in which the quantity stored is minimal and a missing dose can be readily detected.

*f. Consultant pharmacists.* When the facility does not employ a licensed pharmacist, it shall have formal arrangements with a licensed pharmacist to provide consultation on methods and procedures for ordering, storage, administration and disposal and record keeping of drugs and biologicals. The formal arrangements with the licensed pharmacist shall include separate written contracts for pharmaceutical vendor services and consultant pharmacist services. The consultant's visits are scheduled to be of sufficient duration and at a time convenient to work with nursing staff on the resident care plan, consult with the administrator and others on developing and implementing policies and procedures, and planning in-service training and staff development for employees. The consultant shall provide monthly drug regimen review reports. The facility shall provide reimbursement for consultant pharmacists based on fair market value. Documentation of consultation shall be available for review in the facility.

**81.13(17) Infection control.** The facility shall establish and maintain an infection control program designed to provide a safe, sanitary, and comfortable environment in which residents reside and to help prevent the development and transmission of disease and infection.

*a. Infection control program.* The facility shall establish an infection control program under which it:

- (1) Investigates, controls and prevents infections in the facility.
- (2) Decides what procedures, such as isolation, should be applied to an individual resident.
- (3) Maintains a record of incidents and corrective actions related to infections.

*b. Preventing spread of infection.*

(1) When the infection control program determines that a resident needs isolation to prevent the spread of infection, the facility shall isolate the resident.

(2) The facility shall prohibit employees with a communicable disease or infected skin lesions from direct contact with residents or their food, if direct contact will transmit the disease.

(3) The facility shall require staff to wash their hands after each direct resident contact for which handwashing is indicated by accepted professional practice.

*c. Linens.* Personnel shall handle, store, process, and transport linens so as to prevent the spread of infection.

**81.13(18) Physical environment.** The facility shall be designed, constructed, equipped and maintained to protect the health and safety of residents, personnel and the public.

*a. Life safety from fire.* Except as provided in subparagraph (1) or (3) below, the facility shall meet the applicable provisions of the 1985 edition of the Life Safety Code of the National Fire Protection Association.

(1) A facility is considered to be in compliance with this requirement as long as the facility:

1. On November 26, 1982, complied with or without waivers with the requirements of the 1967 or 1973 editions of the Life Safety Code and continues to remain in compliance with those editions of the code; or

2. On May 9, 1988, complied, with or without waivers, with the 1981 edition of the Life Safety Code and continues to remain in compliance with that edition of the Code.

(2) When Medicaid nursing facilities and Medicaid distinct part nursing facility providers request a waiver of Life Safety Code requirements in accordance with Subsection 1919(d)(2)(B)(i) of the Social Security Act, the department of inspections and appeals shall forward the requests to the Centers for Medicare and Medicaid Services Regional Office for review and approval.

(3) The provisions of the Life Safety Code do not apply in a state where the Centers for Medicare and Medicaid Services finds that a fire and safety code imposed by state law adequately protects patients, residents and personnel in long-term care facilities.

*b. Emergency power.*

(1) An emergency electrical power system shall supply power adequate at least for lighting all entrances and exits, equipment to maintain the fire detection, alarm and extinguishing systems, and life support systems in the event the normal electrical supply is interrupted.

(2) When life support systems are used that have no nonelectrical backup, the facility shall provide emergency electrical power with an emergency generator, as defined in NFPA 99, Health Care Facilities, that is located on the premises.

*c. Space and equipment.* The facility shall:

(1) Provide sufficient space and equipment in dining, health services, recreation, and program areas to enable staff to provide residents with needed services as required by these standards and as identified in each resident's plan of care.

(2) Maintain all essential mechanical, electrical, and patient care equipment in safe operating condition.

*d. Resident rooms.* Resident rooms shall be designed and equipped for adequate nursing care, comfort and privacy of residents.

(1) Bedrooms shall:

1. Accommodate no more than four residents.

2. Measure at least 80 square feet per resident in multiple resident bedrooms, and at least 100 square feet in single resident rooms.

3. Have direct access to an exit corridor.

4. Be designed or equipped to ensure full visual privacy for each resident.

5. In facilities initially certified after March 31, 1992, except in private rooms, each bed shall have ceiling-suspended curtains, which extend around the bed to provide total visual privacy, in combination with adjacent walls and curtains.

6. Have at least one window to the outside.

7. Have a floor at or above grade level.

(2) The facility shall provide each resident with:

1. A separate bed of proper size and height for the convenience of the resident.

2. A clean, comfortable mattress.

3. Bedding appropriate to the weather and climate.

4. Functional furniture appropriate to the resident's needs and individual closet space in the resident's bedroom with clothes racks and shelves accessible to the resident.

(3) The department of inspections and appeals may permit variations in requirements specified in paragraph "d," subparagraph (1), numbers 1 and 2 above relating to rooms in individual cases when the facility demonstrates in writing that the variations are required by the special needs of the residents and will not adversely affect residents' health and safety.

*e. Toilet facilities.* Each resident room shall be equipped with or located adjacent to toilet facilities unless a waiver is granted by the department of inspections and appeals. Additionally, each resident room shall be equipped with or located adjacent to bathing facilities.

*f. Resident call system.* The nurse's station shall be equipped to receive resident calls through a communication system from:

(1) Resident rooms.

(2) Toilet and bathing facilities.

*g. Dining and resident activities.* The facility shall provide one or more rooms designated for resident dining and activities. These rooms shall:

- (1) Be well lighted.
- (2) Be well ventilated, with nonsmoking areas identified.
- (3) Be adequately furnished.
- (4) Have sufficient space to accommodate all activities.

*h. Other environmental conditions.* The facility shall provide a safe, functional, sanitary and comfortable environment for residents, staff and the public. The facility shall:

- (1) Establish procedures to ensure that water is available to essential areas when there is a loss of normal water supply.
- (2) Have adequate outside ventilation by means of windows or mechanical ventilation or a combination of the two.
- (3) Equip corridors with firmly secured handrails on each side.
- (4) Maintain an effective pest control program so that the facility is free of pests and rodents.

**81.13(19) Administration.** A facility shall be administered in a manner that enables it to use its resources effectively and efficiently to attain or maintain the highest practicable physical, mental and psychosocial well-being of each resident.

*a. Licensure.* A facility shall be licensed under applicable state and federal law.

*b. Compliance with federal, state and local laws and professional standards.* The facility shall operate and provide services in compliance with all applicable federal, state, and local laws, regulations and codes, and with accepted professional standards and principles that apply to professionals providing services in such a facility.

*c. Relationship to other Department of Health and Human Services (HHS) regulations.* In addition to compliance with these rules, facilities shall meet the applicable provisions of other HHS regulations, including, but not limited to, those pertaining to nondiscrimination on the basis of race, color, or national origin, nondiscrimination on the basis of handicap, nondiscrimination on the basis of age, protection of human subjects of research, and fraud and abuse. Although these regulations are not in themselves considered requirements under these rules, their violation may result in the termination or suspension of, or the refusal to grant or continue payment with federal funds.

*d. Governing body.*

- (1) The facility shall have a governing body, or designated persons functioning as a governing body, that is legally responsible for establishing and implementing policies regarding the management and operation of the facility.
- (2) The governing body appoints the administrator who is:
  1. Licensed by the state.
  2. Responsible for management of the facility.

*e. Required training of nurse aides.*

- (1) Definitions.

“*Licensed health professional*” means a physician; physician assistant; nurse practitioner; physical, speech or occupational therapist; registered professional nurse; licensed practical nurse; or licensed or certified social worker.

“*Nurse aide*” means any person providing nursing or nursing-related services to residents in a facility who is not a licensed health professional, a registered dietitian, or someone who volunteers to provide these services without pay.

(2) General rule. A facility shall not use any person working in the facility as a nurse aide for more than four months, on a permanent basis, unless:

1. That person is competent to provide nursing and nursing-related services.
2. That person has completed a training and competency evaluation program or a competency evaluation program approved by the department of inspections and appeals; or that person has been deemed or determined competent by the department of inspections and appeals.

(3) Nonpermanent employees. A facility shall not use on a temporary, per diem, leased, or any basis other than a permanent employee any person who does not meet the requirements in subparagraph (2).

(4) Competency. A facility shall not use any person who has worked less than four months as a nurse aide in that facility unless the person:

1. Is a permanent employee and is in a nurse aide training and competency evaluation program approved by the department of inspections and appeals;

2. Has demonstrated competence through satisfactory participation in a nurse aide training and competency evaluation program or competency evaluation program approved by the department of inspections and appeals; or

3. Has been deemed or determined competent by the department of inspections and appeals.

(5) Registry verification. Before allowing a person to serve as a nurse aide, a facility shall receive registry verification that the person has met competency evaluation requirements unless:

1. The person is a permanent employee and is in a training and competency evaluation program approved by the department of inspections and appeals; or

2. The person can prove that the person has recently successfully completed a training and competency evaluation program or competency evaluation program approved by the department of inspections and appeals and has not yet been included in the registry. Facilities shall follow up to ensure that such a person actually becomes registered.

(6) Multistate registry verification. Before allowing a person to serve as a nurse aide, a facility shall seek information from every state registry the facility believes will include information on the person.

(7) Required retraining. If since October 1, 1990, there has been a continuous period of 24 consecutive months during none of which the person provided nursing or nursing-related services for monetary compensation, the person shall complete a new training and competency evaluation program or a new competency evaluation program.

(8) Regular in-service education. The facility shall complete a performance review of every nurse aide at least once every 12 months and shall provide regular in-service education based on the outcome of these reviews. The in-service training shall:

1. Be sufficient to ensure the continuing competencies of nurse aides, but shall be no less than 12 hours per year.

2. Address areas of weakness as determined in nurse aides' performance reviews and may address the special needs of residents as determined by the facility staff.

3. For nurse aides providing services to persons with cognitive impairments, also address the care of the cognitively impaired.

*f. Proficiency of nurse aides.* The facility shall ensure that nurse aides are able to demonstrate competency in skills and technique necessary to care for residents' needs, as identified through resident assessments, and described in the plan of care.

*g. Staff qualifications.*

(1) The facility shall employ on a full-time, part-time, or consultant basis those professionals necessary to carry out the provisions of these conditions of participation.

(2) Professional staff shall be licensed, certified or registered in accordance with applicable state laws.

*h. Use of outside resources.*

(1) If the facility does not employ a qualified professional person to furnish a specific service to be provided by the facility, the facility shall have that service furnished to residents by a person or agency outside the facility under an arrangement described in Section 1861(w) of the Omnibus Budget Reconciliation Act of 1987 or an agreement described in subparagraph (2) below.

(2) Arrangements or agreements pertaining to services furnished by outside resources shall specify in writing that the facility assumes responsibility for obtaining services that meet professional standards and principles that apply to professionals providing services in such a facility and for the timeliness of the services.

*i. Medical director.*

(1) The facility shall designate a physician to serve as medical director.

(2) The medical director is responsible for implementation of resident care policies and the coordination of medical care in the facility.

*j. Laboratory services.*

(1) The facility shall provide or obtain clinical laboratory services to meet the needs of its residents. The facility is responsible for the quality and timeliness of the services.

1. If the facility provides its own laboratory services, the services shall meet the applicable conditions for coverage of the services furnished by laboratories specified in 42 CFR Part 493 as amended to October 1, 1990.

2. If the facility provides blood bank and transfusion services, it shall meet the requirements for laboratories specified in 42 CFR Part 493 as amended to October 1, 1990.

3. If the laboratory chooses to refer specimens for testing to another laboratory, the referral laboratory shall be approved or licensed to test specimens in the appropriate specialties or subspecialties of service in accordance with 42 CFR Part 493 as amended to October 1, 1990.

4. If the facility does not provide laboratory services on site, it shall have an agreement to obtain these services only from a laboratory that meets the requirements of 42 CFR Part 493 as amended to October 1, 1990, or from a physician's office.

(2) The facility shall:

1. Provide or obtain laboratory services only when ordered by the attending physician.

2. Promptly notify the attending physician of the findings.

3. Assist the resident in making transportation arrangements to and from the source of service, if the resident needs assistance.

4. File in the resident's clinical record signed and dated reports of clinical laboratory services.

*k. Radiology and other diagnostic services.*

(1) The facility shall provide or obtain radiology and other diagnostic services to meet the needs of its residents. The facility is responsible for the quality and timeliness of the services.

1. If the facility provides its own diagnostic services, the services shall meet the applicable conditions of participation for hospitals.

2. If the facility does not provide its own diagnostic services, it shall have an agreement to obtain these services from a provider or supplier that is approved to provide these services under Medicare.

(2) The facility shall:

1. Provide or obtain radiology and other diagnostic services only when ordered by the attending physician.

2. Promptly notify the attending physician of the findings.

3. Assist the resident in making transportation arrangements to and from the source of service, if the resident needs assistance.

4. File in the resident's clinical record signed and dated reports of X-ray and other diagnostic services.

*l. Clinical records.*

(1) The facility shall maintain clinical records on each resident in accordance with accepted professional standards and practices that are complete, accurately documented, readily accessible, and systematically organized.

(2) Clinical records shall be retained for:

1. The period of time required by state law.

2. Five years from the date of discharge when there is no requirement in state law.

3. For a minor, three years after a resident reaches legal age under state law.

(3) The facility shall safeguard clinical record information against loss, destruction, or unauthorized use.

(4) The facility shall keep confidential all information contained in the resident's records, regardless of the form or storage method of the records, except when release is required by:

1. Transfer to another health care institution.

2. Law.

3. Third-party payment contract.

4. The resident.

(5) The clinical record shall contain:

1. Sufficient information to identify the resident.
2. A record of the resident's assessments.
3. The plan of care and services provided.
4. The results of any preadmission screening conducted by the state.
5. Progress notes.

*m. Disaster and emergency preparedness.*

(1) The facility shall have detailed written plans and procedures to meet all potential emergencies and disasters, such as fire, severe weather, and missing residents.

(2) The facility shall train all employees in emergency procedures when they begin to work in the facility, periodically review the procedures with existing staff, and carry out staff drills using those procedures.

*n. Transfer agreement.*

(1) The facility shall have in effect a written transfer agreement with one or more hospitals approved for participation under the Medicare and Medicaid programs that reasonably ensures that:

1. Residents will be transferred from the facility to the hospital and ensured of timely admission to the hospital when transfer is medically appropriate as determined by the attending physician.

2. Medical and other information needed for care and treatment of residents, and, when the transferring facility deems it appropriate, for determining whether the residents can be adequately cared for in a less expensive setting than either the facility or the hospital, will be exchanged between the institutions.

(2) The facility is considered to have a transfer agreement in effect if the facility has attempted in good faith to enter into an agreement with a hospital sufficiently close to the facility to make transfer feasible.

*o. Quality assessment and assurance.*

(1) A facility shall maintain a quality assessment and assurance committee consisting of the director of nursing services, a physician designated by the facility, and at least three other members of the facility's staff.

(2) The quality assessment and assurance committee:

1. Meets at least quarterly to identify issues with respect to which quality assessment and assurance activities are necessary.

2. Develops and implements appropriate plans of action to correct identified quality deficiencies.

(3) The state or the Secretary of the Department of Health and Human Services may not require disclosure of the records of the committee except insofar as the disclosure is related to the compliance of the committee with the requirements of this paragraph.

(4) Good faith attempts by the committee to identify and correct quality deficiencies will not be used as a basis for sanctions.

*p. Disclosure of ownership.*

(1) The facility shall comply with the disclosure requirements of 42 CFR 420.206 and 455.104.

(2) The facility shall provide written notice to the department of inspections and appeals at the time of change, if a change occurs in:

1. Persons with an ownership or control interest.

2. The officers, directors, agents, or managing employees.

3. The corporation, association, or other company responsible for the management of the facility.

4. The facility's administrator or director of nursing.

(3) The notice specified in subparagraph (2) above shall include the identity of each new individual or company.

This rule is intended to implement Iowa Code sections 249A.2, 249A.3(2) "a," and 249A.4.  
[ARC 8445B, IAB 1/13/10, effective 12/11/09]

#### **441—81.14(249A) Audits.**

**81.14(1)** *Audit of financial and statistical report.* Authorized representatives of the department or the Department of Health and Human Services shall have the right, upon proper identification, to audit,

using generally accepted auditing procedures, the general financial records of a facility to determine if expenses reported on the Financial and Statistical Report, Form 470-0030, are reasonable and proper according to the rules set forth in 441—81.6(249A). The aforementioned audits may be done either on the basis of an on-site visit to the facility, their central accounting office, or office(s) of their agent(s).

*a.* When a proper per diem rate cannot be determined, through generally accepted and customary auditing procedures, the auditor shall examine and adjust the report to arrive at what appears to be an acceptable rate and shall recommend to the department that the indicated per diem should be reduced to 75 percent of the established payment rate for the ensuing six-month period and if the situation is not remedied on the subsequent Financial and Statistical Report, Form 470-0030, the health facility shall be suspended and eventually canceled from the nursing facility program, or

*b.* When a health facility continues to include as an item of cost an item or items which had in a prior audit been removed by an adjustment in the total audited costs, the auditor shall recommend to the department that the per diem be reduced to 75 percent of the current payment rate for the ensuing six-month period. The department may, after considering the seriousness of the exception, make the reduction.

**81.14(2)** *Audit of proper billing and handling of patient funds.*

*a.* Field auditors of the department of inspections and appeals, or representatives of Health and Human Services, upon proper identification, shall have the right to audit billings to the department and receipts of client participation, to ensure the facility is not receiving payment in excess of the contractual agreement and that all other aspects of the contractual agreement are being followed, as deemed necessary.

*b.* Field auditors of the department of inspections and appeals or representatives of Health and Human Services, upon proper identification, shall have the right to audit records of the facility to determine proper handling of patient funds in compliance with subrule 81.4(3).

*c.* The auditor shall recommend and the department shall request repayment by the facility to either the department or the resident(s) involved, any sums inappropriately billed to the department or collected from the resident.

*d.* The facility shall have 60 days to review the audit and repay the requested funds or present supporting documentation which would indicate that the requested refund amount, or part thereof, is not justified.

*e.* When the facility fails to comply with paragraph “*d.*” the requested refunds may be withheld from future payments to the facility. The withholding shall not be more than 25 percent of the average of the last six monthly payments to the facility. The withholding shall continue until the entire requested refund amount is recovered. If in the event the audit results indicate significant problems, the audit results may be referred to the attorney general’s office for whatever action may be deemed appropriate.

*f.* When exceptions are taken during the scope of an audit which are similar in nature to the exceptions taken in a prior audit, the auditor shall recommend and the department may, after considering the seriousness of the exceptions, reduce payment to the facility to 75 percent of the current payment rate.

This rule is intended to implement Iowa Code sections 249A.2, 249A.3(2) “*a.*” and 249A.4.

**441—81.15(249A) Nurse aide training and testing programs.** Rescinded IAB 12/9/92, effective 2/1/93.

**441—81.16(249A) Nurse aide requirements and training and testing programs.**

**81.16(1)** *Deemed meeting of requirements.* A nurse aide is deemed to satisfy the requirement of completing a training and competency evaluation approved by the department of inspections and appeals if the nurse aide successfully completed a training and competency evaluation program before July 1, 1989. The aide would have satisfied this requirement if:

*a.* At least 60 hours were substituted for 75 hours; and

b. The aide has made up at least the difference in the number of hours in the program the aide completed and 75 hours in supervised practical nurse aide training or in regular in-service nurse education; or

c. The person was found to be competent (whether or not by the state) after completion of a nurse aide training of at least 100 hours' duration; or

d. The person can demonstrate that the person served as a nurse aide at one or more facilities of the same employer in Iowa for at least 24 consecutive months before December 19, 1989; or

e. The person completed, before July 1, 1989, a nurse aide training and competency evaluation program that the department of inspections and appeals determines would have met the requirements for approval at the time it was offered.

**81.16(2)** *State review and approval of nurse aide training and competency evaluation programs or competency evaluation programs.*

a. The department of inspections and appeals shall, in the course of all surveys, determine whether the nurse aide training and evaluation requirements of 81.13(19) "e" and 81.16(1) are met.

b. Requirements for approval of programs.

(1) Before the department of inspections and appeals approves a nurse aide training and competency evaluation program or competency evaluation program, the department of inspections and appeals shall determine whether:

1. A nurse aide training and competency evaluation program meets the course requirements of 81.16(3).

2. A nurse aide competency evaluation program meets the requirements of 81.16(4).

(2) Except as provided by paragraph 81.16(2) "f," the department of inspections and appeals shall not approve a nurse aide training and competency evaluation program or competency evaluation program offered by or in a facility which, in the previous two years:

1. Has operated under a nurse staffing waiver for a period in excess of 48 hours per week; or

2. Has been subject to an extended or partial extended survey; or

3. Has been assessed a civil money penalty of not less than \$5,000; or

4. Has operated under temporary management appointed to oversee the operation of the facility and to ensure the health and safety of the facility's residents; or

5. Pursuant to state action, was closed or had its residents transferred; or

6. Has been terminated from participation in the Medicaid or Medicare program; or

7. Has been denied payment under subrule 81.40(1) or 81.40(2).

(3) Rescinded IAB 10/7/98, effective 12/1/98.

c. Application process. Applications shall be submitted to the department of inspections and appeals before a new program begins and every two years thereafter on Form 427-0517, Application for Nurse Aide Training. The department of inspections and appeals shall, within 90 days of the date of a request or receipt of additional information from the requester:

(1) Advise the requester whether or not the program has been approved; or

(2) Request additional information from the requesting entity.

d. Duration of approval. The department of inspections and appeals shall not grant approval of a nurse aide training and competency evaluation program for a period longer than two years. A program shall notify the department of inspections and appeals and the department of inspections and appeals shall review that program when there are substantive changes made to that program within the two-year period.

e. Withdrawal of approval.

(1) The department of inspections and appeals shall withdraw approval of a nurse aide training and competency evaluation program or nurse aide competency evaluation program offered by or in a facility described in 81.16(2) "b"(2).

(2) The department of inspections and appeals may withdraw approval of a nurse aide training and competency evaluation program or nurse aide competency evaluation program if the department of inspections and appeals determines that any of the applicable requirements for approval or registry, as set out in subrule 81.16(3) or 81.16(4), are not met.

(3) The department of inspections and appeals shall withdraw approval of a nurse aide training and competency evaluation program or a nurse aide competency evaluation program if the entity providing the program refuses to permit unannounced visits by the department of inspections and appeals.

(4) If the department of inspections and appeals withdraws approval of a nurse aide training and competency evaluation program or competency evaluation program, the department of inspections and appeals shall notify the program in writing, indicating the reasons for withdrawal of approval of the program. Students who have started a training and competency evaluation program from which approval has been withdrawn shall be allowed to complete the course.

*f.* An exception to subparagraph 81.16(2) “*b*”(2) may be granted by the department of inspections and appeals (DIA) for 75-hour nurse aide training courses offered in (but not by) a facility under the following conditions:

(1) The facility has submitted Form 470-3494, Nurse Aide Education Program Waiver Request, to the DIA to request a waiver for each 75-hour nurse aide training course to be offered in (but not by) the facility.

(2) The 75-hour nurse aide training is offered in a facility by an approved nurse aide training and competency evaluation program (NATCEP).

(3) No other NATCEP program is offered within 30 minutes’ travel from the facility, unless the facility can demonstrate the distance or program would create a hardship for program participants.

(4) The facility is in substantial compliance with the federal requirements related to nursing care and services.

(5) The facility is not a poor performing facility.

(6) Employees of the facility do not function as instructors for the program unless specifically approved by DIA.

(7) The NATCEP sponsoring the 75-hour nursing aide training course is responsible for program administration and for ensuring that program requirements are met.

(8) The NATCEP has submitted an evaluation to the DIA indicating that an adequate teaching and learning environment exists for conducting the course.

(9) The NATCEP has developed policies for communicating and resolving problems encountered during the course, including notice by the facility to the program instructor and students on how to contact the DIA to register any concerns encountered during the course.

(10) The NATCEP shall require the program instructor and students to complete an evaluation of the course. The instructor shall return the completed evaluations to the NATCEP which shall return the evaluations to DIA.

**81.16(3) Requirements for approval of a nurse aide training and competency evaluation program.** The department has designated the department of inspections and appeals to approve required nurse aide training and testing programs. Policies and procedures governing approval of the programs are set forth in these rules.

*a.* For a nurse aide training and competency evaluation program to be approved by the department of inspections and appeals, it shall, at a minimum:

(1) Consist of no less than 75 clock hours of training.

(2) Include at least the subjects specified in 81.16(3).

(3) Include at least 15 hours of laboratory experience, 30 hours of classroom instruction (the first 16 hours of which must occur before the nurse aide has resident contact) and 30 hours of supervised clinical training. Supervised clinical training means training in a setting in which the trainee demonstrates knowledge while performing tasks on a resident under the general supervision of a registered nurse or licensed practical nurse.

(4) Ensure that students do not independently perform any services for which they have not been trained and found proficient by the instructor. It shall also ensure that students who are providing services to residents are under the general supervision of a licensed nurse or a registered nurse.

(5) Meet the following requirements for instructors who train nurse aides:

1. The training of nurse aides shall be performed by or under the general supervision of a registered nurse who possesses a minimum of two years of nursing experience, at least one year of which shall be in the provision of long-term care facility services.

2. Instructors shall be registered nurses and shall have completed a course in teaching adults or have experience teaching adults or supervising nurse aides.

3. In a facility-based program, when the director of nursing is a registered nurse, the training of nurse aides may be performed under the general supervision of the director of nursing for the facility. The director of nursing is prohibited from performing the actual training.

4. Other personnel from the health professions may supplement the instructor. Supplemental personnel shall have at least one year of experience in their fields.

5. The ratio of qualified trainers to students shall not exceed one instructor for every ten students in the clinical setting.

(6) Contain information regarding competency evaluation through written or oral and skills testing.

b. The curriculum of the nurse aide training program shall include:

(1) At least a total of 16 hours of training in the following areas prior to any direct contact with a resident:

1. Communication and interpersonal skills.

2. Infection control.

3. Safety and emergency procedures including the Heimlich maneuver.

4. Promoting residents' independence.

5. Respecting residents' rights.

(2) Basic nursing skills:

1. Taking and recording vital signs.

2. Measuring and recording height and weight.

3. Caring for the residents' environment.

4. Recognizing abnormal changes in body functioning and the importance of reporting these changes to a supervisor.

5. Caring for residents when death is imminent.

(3) Personal care skills, including, but not limited to:

1. Bathing.

2. Grooming, including mouth care.

3. Dressing.

4. Toileting.

5. Assisting with eating and hydration.

6. Proper feeding techniques.

7. Skin care.

8. Transfers, positioning, and turning.

(4) Mental health and social service needs:

1. Modifying aide's behavior in response to residents' behavior.

2. Awareness of developmental tasks associated with the aging process.

3. How to respond to resident behavior.

4. Allowing the resident to make personal choices, providing and reinforcing other behavior consistent with the resident's dignity.

5. Using the resident's family as a source of emotional support.

(5) Care of cognitively impaired residents:

1. Techniques for addressing the unique needs and behaviors of persons with dementia (Alzheimer's and others).

2. Communicating with cognitively impaired residents.

3. Understanding the behavior of cognitively impaired residents.

4. Appropriate responses to the behavior of cognitively impaired residents.

5. Methods of reducing the effects of cognitive impairments.

(6) Basic restorative services:

1. Training the resident in self-care according to the resident's ability.
2. Use of assistive devices in transferring, ambulation, eating and dressing.
3. Maintenance of range of motion.
4. Proper turning and positioning in bed and chair.
5. Bowel and bladder training.
6. Care and use of prosthetic and orthotic devices.
- (7) Residents' rights:
  1. Providing privacy and maintenance of confidentiality.
  2. Promoting the residents' rights to make personal choices to accommodate their needs.
  3. Giving assistance in resolving grievances and disputes.
  4. Providing needed assistance in getting to and participating in resident and family groups and other activities.
  5. Maintaining care and security of residents' personal possessions.
  6. Promoting the residents' rights to be free from abuse, mistreatment, and neglect and the need to report any instances of this type of treatment to appropriate facility staff.
  7. Avoiding the need for restraints in accordance with current professional standards.
- c. Prohibition of charges.
  - (1) No nurse aide who is employed by, or who has received an offer of employment from, a facility on the date on which the aide begins a nurse aide training and competency evaluation program or competency evaluation program may be charged for any portion of the program including any fees for textbooks or other required evaluation or course materials.
  - (2) If a person who is not employed, or does not have an offer to be employed, as a nurse aide becomes employed by, or receives an offer of employment from, a facility not later than 12 months after completing a nurse aide training and competency evaluation program or competency evaluation program, the facility shall reimburse the nurse aide for costs incurred in completing the program or competency evaluation on a pro rata basis during the period in which the person is employed as a nurse aide. The formula for paying the nurse aides on a pro rata basis shall be as follows:
    1. Add all costs incurred by the aides for the course, books, and tests.
    2. Divide the total arrived at in No. 1 above by 12 to prorate the costs over a one-year period and establish a monthly rate.
    3. The aide shall be reimbursed the monthly rate each month the aide works at the facility until one year from the time the aide completed the course.
- d. Setting and equipment. The classroom shall have appropriate equipment, be of adequate size, and not interfere with resident activities.
- e. Records and reports. Nurse aide education programs approved by the department of inspections and appeals shall:
  - (1) Notify the department of inspections and appeals:
    1. Of dates of classroom and clinical sessions as well as location of classrooms and clinical practice sites before each course begins and if the course is canceled.
    2. When a facility or other training entity will no longer be offering nurse aide training courses.
    3. Whenever the person coordinating the training program is hired or terminates employment.
  - (2) Keep a list of faculty members and their qualifications available for department review.
  - (3) Provide each nurse aide a record of skills for which the nurse aide has been found competent during the course and which may be performed before completion of the competency evaluation.
  - (4) Complete a lesson plan for each unit which includes behavioral objectives, a topic outline and student activities and experiences.
  - (5) Provide the student, within 30 days of the last class period, evidence of having successfully completed the course.

**81.16(4) Nurse aide competency evaluation.** A competency evaluation program shall contain a written or oral portion and a skills demonstration portion.

*a.* Notification to person. The department of inspections and appeals shall advise in advance any person who takes the competency evaluation that a record of the successful completion of the evaluation will be included in the state's nurse aide registry.

*b.* Content of the competency evaluation program.

(1) Written or oral examinations. The competency evaluation shall:

1. Allow an aide to choose between a written and oral examination.

2. Address each of the course requirements listed in 81.16(3) "b."

3. Be developed from a pool of test questions, only a portion of which is used in any one examination.

4. Use a system that prevents disclosure of both the pool of questions and the individual competency evaluations.

5. If oral, be read from a prepared text in a neutral manner.

6. Be tested for reliability and validity using a nationally recognized standard as determined by the department of education.

7. Be in English, unless the prevailing language used in the facility where a nurse aide will be working is other than English.

(2) Demonstration of skills. The skills demonstration evaluation shall consist of a demonstration of randomly selected items drawn from a pool consisting of tasks generally performed by nurse aides. This pool of skills shall include all of the personal care skills listed in 81.16(3) "b"(3).

*c.* Administration of the competency evaluation.

(1) The competency examination shall be administered and evaluated only by an entity approved by the department of inspections and appeals, which is neither a skilled nursing facility that participates in Medicare nor a nursing facility that participates in Medicaid.

(2) Charging nurse aides for competency testing is prohibited in accordance with 81.16(3) "c."

(3) The skills demonstration part of the evaluation shall be performed in a facility or laboratory setting comparable to the setting in which the person will function as a nurse aide and shall be administered and evaluated by a registered nurse with at least one year's experience in providing care for the elderly or the chronically ill of any age.

*d.* Facility proctoring of the competency evaluation.

(1) The competency evaluation may, at the nurse aide's option, be conducted at the facility in which the nurse aide is or will be employed unless the facility is prohibited from being a competency evaluation site.

(2) The department of inspections and appeals may permit the competency evaluation to be proctored by facility personnel if the department of inspections and appeals finds that the procedure adopted by the facility ensures that the competency evaluation program:

1. Is secure from tampering.

2. Is standardized and scored by a testing, educational, or other organization approved by the department of inspections and appeals.

3. Requires no scoring by facility personnel.

(3) The department of inspections and appeals shall retract the right to proctor nurse aide competency evaluations from facilities in which the department of inspections and appeals finds any evidence of impropriety, including evidence of tampering by facility staff.

*e.* Successful completion of the competency evaluation program.

(1) A score of 70 percent or above is passing for both the written or oral and skills demonstration parts of the test.

(2) A record of successful completion of the competency evaluation shall be included in the nurse aide registry within 30 days of the date the person is found to be competent.

(3) The competency testing entity shall inform the nurse aide of the test score within 30 calendar days of the completion of the test and shall inform the nurse aide registry of the nurse aide's scores within 20 calendar days after the test is administered.

*f.* Unsuccessful completion of the competency evaluation program.

(1) If the person does not complete the evaluation satisfactorily, the person shall be advised in writing within ten working days after the test is scored:

1. Of the areas which the person did not pass.
2. That the person has three opportunities to take the evaluation.

(2) Each person shall have three opportunities to pass each part of the test. If one part of the test is failed, only that part need be taken a second or third time. If either part of the test is failed three times, the 75-hour course shall be taken or retaken before the test can be taken again.

*g.* Storage of evaluation instrument. The person responsible for administering a competency evaluation shall provide secure storage of the evaluation instruments when they are not being administered or processed.

*h.* Application process. Entities wishing to secure approval for a competency evaluation program shall submit a copy of the evaluation plan and procedures to the department of inspections and appeals. The department of inspections and appeals shall notify the applicant of its decision within 90 days of receipt of the application. The notification shall include the reason for not giving approval if approval is denied and the applicable rule citation.

**81.16(5) Registry of nurse aides.**

*a.* Establishment of registry. The department of inspections and appeals shall establish and maintain a registry of nurse aides that meets the following requirements. The registry:

(1) Shall include, at a minimum, the information required in 81.16(5) "c."

(2) Shall be sufficiently accessible to meet the needs of the public and health care providers promptly.

(3) Shall provide that any response to an inquiry that includes a finding of abuse, neglect, mistreatment of a resident or misappropriation of property also include any statement made by the nurse aide which disputes the finding.

*b.* Registry operation.

(1) Only the department of inspections and appeals may place on the registry findings of abuse, neglect, mistreatment of a resident or misappropriation of property.

(2) The department of inspections and appeals shall determine which persons:

1. Have successfully completed a nurse aide training and competency evaluation program or nurse aide competency evaluation program.

2. Have been deemed as meeting these requirements.

3. Do not qualify to remain on the registry because they have performed no nursing or nursing-related services for monetary compensation during a period of 24 consecutive months.

(3) The department of inspections and appeals shall not impose any charges related to registration on persons listed in the registry.

(4) The department of inspections and appeals shall provide information on the registry promptly.

*c.* Registry content.

(1) The registry shall contain at least the following information on each person who has successfully completed a nurse aide training and competency evaluation program or competency evaluation program which was approved by the department of inspections and appeals or who may function as a nurse aide because of having been deemed competent:

1. The person's full name.

2. Information necessary to identify each person.

3. The date the person became eligible for placement in the registry through successfully completing a nurse aide training and competency evaluation program or competency evaluation or by being deemed competent.

4. The following information on any finding by the department of inspections and appeals of abuse, neglect, mistreatment of residents or misappropriation of property by the person: documentation of the department of inspections and appeals' investigation, including the nature of the allegation and the evidence that led the department of inspections and appeals to conclude that the allegation was valid; the date of the hearing, if the person chose to have one, and its outcome; and a statement by the person disputing the allegation, if the person chooses to make one. This information must be included in the

registry within ten working days of the finding and shall remain in the registry permanently, unless the finding was made in error, the person was found not guilty in a court of law, or the department of inspections and appeals is notified of the person's death.

5. A record of known convictions by a court of law of a person convicted of abuse, neglect, mistreatment or misappropriation of resident property.

(2) The registry shall remove entries for persons who have performed no nursing or nursing-related services for monetary compensation for a period of 24 consecutive months unless the person's registry entry includes documented findings or convictions by a court of law of abuse, neglect, mistreatment or misappropriation of property.

*d.* Disclosure of information. The department of inspections and appeals shall:

(1) Disclose all of the information listed in 81.16(5) "c"(1), (3), and (4) to all requesters and may disclose additional information it deems necessary.

(2) Promptly provide persons with all information contained in the registry about them when adverse findings are placed on the registry and upon request. Persons on the registry shall have sufficient opportunity to correct any misstatements or inaccuracies contained in the registry.

*e.* Placement of names on nurse aide registry. The facility shall ensure that the name of each person employed as a nurse aide in a Medicare- or Medicaid-certified nursing facility in Iowa is submitted to the registry. The telephone number of the registry is (515)281-4963. The address is Nurse Aide Registry, Lucas State Office Building, Des Moines, Iowa 50319-0083.

(1) Persons employed as nurse aides shall complete Form 427-0496, Nurse Aide Registry Application, within the first 30 days of employment. This form shall be submitted to the department of inspections and appeals. Form 427-0496 may be obtained by calling or writing the nurse aide registry.

(2) A nurse aide who is not employed may apply for inclusion on the registry by submitting a copy of completed Form 427-0496 to the nurse aide registry.

(3) When the registry has received a signed application and entered the required training and testing information on the registry, a letter will be sent to the nurse aide that includes all the information the registry has on the nurse aide. A nurse aide may obtain a copy of the information on the registry by writing the nurse aide registry and requesting the information. The letter requesting the information must include the nurse aide's social security number, current or last facility of employment, date of birth and current mailing address and must be signed by the nurse aide.

**81.16(6) Hearing.** When there is an allegation of abuse against a nurse aide, the department of inspections and appeals shall investigate that allegation. When the investigation by the department of inspections and appeals makes a finding of an act of abuse, the nurse aide named will be notified of this finding and the right to a hearing. The nurse aide shall have 30 days to request a hearing. The request shall be in writing and shall be sent to the department of inspections and appeals. The hearing shall be held pursuant to department of inspections and appeals rules 481—Chapter 10. After 30 days, if the nurse aide fails to appeal, or when all appeals are exhausted, the nurse aide registry will include a notation that the nurse aide has a founded abuse report on record if the final decision indicates the nurse aide performed an abusive act.

**81.16(7) Appeals.** Adverse decisions made by the department of inspections and appeals in administering these rules may be appealed pursuant to department of inspections and appeals rules 481—Chapter 10.

This rule is intended to implement Iowa Code section 249A.4.

**441—81.17(249A) Termination procedures.** Rescinded IAB 5/10/95, effective 7/1/95.

**441—81.18(249A) Sanctions.**

**81.18(1) Penalty for falsification of a resident assessment.** An individual, who willfully and knowingly certifies a material and false statement in a resident assessment, is subject to a civil money penalty of not less than \$100 or more than \$1,000 for each falsified assessment. An individual who willfully and knowingly causes another individual to certify a material and false statement in a resident assessment is subject to a civil money penalty of not less than \$500 nor more than \$5,000 for each

falsified assessment. These fines shall be administratively assessed by the department of inspections and appeals.

*a.* Factors determining the size of fine. In determining the monetary amount of the penalty, the director of the department of inspections and appeals or the director's designee may consider evidence of the circumstances surrounding the violation, including, but not limited to, the following factors:

- (1) The number of assessments willingly and knowingly falsified.
- (2) The history of the individual relative to previous assessment falsifications.
- (3) The intent of the individual who falsifies an assessment or causes an assessment to be falsified.
- (4) The areas of assessment falsified or caused to be falsified and the potential for harm to the resident.
- (5) The relationship of the falsification of assessment to falsification of other records at the time of the visit.

*b.* Notification of a fine imposed for falsification of assessments or causing another individual to falsify an assessment shall be served upon the individual personally or by certified mail.

*c.* Appeals of fines. Notice of intent to formally contest the fine shall be given to the department of inspections and appeals in writing and be postmarked within 20 working days after receipt of the notification of the fine. An administrative hearing will be conducted pursuant to Iowa Code chapter 17A and department of inspections and appeals rules 481—Chapter 10. An individual who has exhausted all administrative remedies and is aggrieved by the final action of the department of inspections and appeals may petition for judicial review in the manner provided by Iowa Code chapter 17A.

**81.18(2)** *Use of independent assessors.* If the department of inspections and appeals determines that there has been a knowing and willful certification of false assessments, or the causation of knowing and willful false assessments, the department of inspections and appeals may require that resident assessments be conducted and certified by individuals independent of the facility and who are approved by the state.

*a.* Criteria used to determine the need for independent assessors shall include:

- (1) The involvement of facility management in the falsification of or causing resident assessments to be falsified.
- (2) The facility's response to the falsification of or causing resident assessments to be falsified.
- (3) The method used to prepare facility staff to do resident assessments.
- (4) The number of individuals involved in the falsification.
- (5) The number of falsified resident assessments.
- (6) The extent of harm to residents caused by the falsifications.

*b.* The department of inspections and appeals will specify the length of time that these independent assessments will be conducted and when they will begin. This determination will be based on the extent of assessments and reassessments needed and the plan submitted by the facility to ensure falsifications will not occur in the future.

*c.* The individuals or agency chosen by the facility to conduct the independent assessments shall be approved by the department of inspections and appeals before conducting any assessments. The approval will be based on the ability of the individual or agency to conduct resident assessments in accordance with the applicable rules. Any costs incurred shall be the responsibility of the facility.

*d.* Notice of the requirement to obtain independent assessments will be in writing and sent to the facility by certified mail or personal service. The notice shall include the date independent assessors are to begin assessments, information on how independent assessors are to be approved and the anticipated length of time independent assessors will be needed.

*e.* Criteria for removal of the requirement for independent assessors.

(1) Independent assessors shall be utilized until all residents assessed by the disciplines involved have been reassessed by the independent assessor.

(2) The facility shall submit a plan to the department of inspections and appeals for completing its own assessments.

(3) The department of inspections and appeals will evaluate the facility's proposal for ensuring assessments will not be falsified in the future.

*f.* Appeal procedures.

(1) A written notice to appeal shall be postmarked or personally served to the department of inspections and appeals within five working days after receipt of the notice requiring independent assessors.

(2) An evidentiary hearing shall be held pursuant to department of inspections and appeals rules 481—Chapter 10 no later than 15 working days after receipt of the appeal.

(3) The written decision shall be rendered no later than ten working days after the hearing.

(4) The decision rendered is a proposed decision which may be appealed to the director of the department of inspections and appeals pursuant to department of inspections and appeals rules 481—Chapter 50.

(5) A notice of appeal stays the effective date of the requirement for independent assessments pending a final agency decision.

(6) Final agency action may be appealed pursuant to Iowa Code chapter 17A.

**81.18(3)** *Penalty for notification of time or date of survey.* Any individual who notifies, or causes to be notified, a nursing facility of the time or date on which a survey is scheduled to be conducted shall be subject to a fine not to exceed \$2,000.

**81.18(4)** *Failure to meet requirements for participation.* Rescinded IAB 5/10/95, effective 7/1/95. This rule is intended to implement Iowa Code section 249A.4.

**441—81.19(249A) Criteria related to the specific sanctions.** Rescinded IAB 5/10/95, effective 7/1/95.

**441—81.20(249A) Out-of-state facilities.** Payment will be made for care in out-of-state nursing facilities. Out-of-state facilities shall abide by the same policies as in-state facilities with the following exceptions:

**81.20(1) Out-of-state providers.** Except for Medicare-certified hospital-based nursing facilities and special population nursing facilities, out-of-state providers shall be reimbursed at the same nursing facility rate they would receive from the Medicaid program in their state of residence or an amount equal to the sum of the Iowa non-state-operated nursing facility direct care rate component limit pursuant to subparagraph 81.6(16)“*f*”(1) plus the non-direct care rate limit pursuant to subparagraph 81.6(16)“*f*”(1), whichever is lower.

*a.* Medicare-certified hospital-based nursing facilities providing skilled care in other states shall be reimbursed at an amount equal to the sum of the Iowa Medicare-certified hospital-based nursing facility direct care rate component limit pursuant to subparagraph 81.6(16)“*f*”(3) plus the non-direct care rate component limit pursuant to subparagraph 81.6(16)“*f*”(3) if one of the following criteria is met:

(1) The placement is recommended because moving the resident back to Iowa would endanger the resident’s health, because services are not readily available in Iowa, or because the out-of-state placement is cost-effective.

(2) The placement is temporary until services are available to the resident in Iowa or until the program of treatment is completed.

*b.* Special population nursing facilities shall be reimbursed at the same nursing facility rate they would receive from Medicaid in their state of residence or, if not participating in the Medicaid program in their state, they shall be reimbursed pursuant to subparagraph 81.6(16)“*e*”(2), if one of the following criteria is met:

(1) The placement is recommended because moving the resident back to Iowa would endanger the resident’s health, because services are not readily available in Iowa, or because the out-of-state placement is cost-effective.

(2) The placement is temporary until services are available to the resident in Iowa or until the program of treatment is completed.

**81.20(2)** Out-of-state facilities shall not submit financial and statistical reports as required in rule 441—81.6(249A).

**81.20(3)** Effective December 1, 2009, payment for periods when residents are absent for visitation or hospitalization will be made to out-of-state facilities at zero percent of the rate paid to the facility by the Iowa Medicaid program.

**81.20(4)** Rescinded IAB 3/20/91, effective 3/1/91.

This rule is intended to implement Iowa Code section 249A.4.  
[ARC 8995B, IAB 8/11/10, effective 9/15/10]

**441—81.21(249A) Outpatient services.** Medicaid outpatient services provided by certified skilled nursing facilities are defined in the same way as the Medicare program.

This rule is intended to implement Iowa Code section 249A.4 and 1991 Iowa Acts, House File 479, section 132, subsection 1, paragraph “i.”

**441—81.22(249A) Rates for Medicaid eligibles.**

**81.22(1) Maximum client participation.** A nursing facility may not charge more client participation for Medicaid-eligible clients as determined in rule 441—75.16(249A) than the maximum monthly allowable payment for their facility as determined according to subrule 79.1(9) or rule 441—81.6(249A). When the department makes a retroactive increase in the maximum daily rate, the nursing facility can charge the client the increased amount for the retroactive period.

**81.22(2) Beginning date of payment.** When a resident becomes eligible for Medicaid payments for facility care, the facility shall accept Medicaid rates effective when the resident’s Medicaid eligibility begins. A nursing facility is required to refund any payment received from a resident or family member for any period of time during which the resident is determined to be eligible for Medicaid.

Any refund owing shall be made no later than 15 days after the nursing facility first receives Medicaid payment for the resident for any period of time. Facilities may deduct the resident’s client participation for the month from a refund of the amount paid for a month of Medicaid eligibility.

The beginning date of eligibility is given on the Facility Card, Form 470-0371. When the beginning Medicaid eligibility date is a future month, the facility shall accept the Medicaid rate effective the first of that future month.

This rule is intended to implement Iowa Code section 249A.4.

**441—81.23(249A) State-funded personal needs supplement.** A Medicaid member living in a nursing facility who has countable income for purposes of rule 441—75.16(249A) of less than \$50 per month shall receive a state-funded payment from the department for the difference between that countable income and \$50 if the legislature has appropriated funding specifically for this purpose. This payment shall not be considered a benefit under Title XIX of the Social Security Act.

This rule is intended to implement Iowa Code Supplement section 249A.30A.

**441—81.24 to 81.30** Reserved.

DIVISION II  
ENFORCEMENT OF COMPLIANCE

PREAMBLE

These rules specify remedies that may be used when a nursing facility is not in substantial compliance with the requirements for participation in the Medicaid program. These rules also provide for ensuring prompt compliance and specify that these remedies are in addition to any others available under state or federal law.

**441—81.31(249A) Definitions.**

“CMS” means the Centers for Medicare and Medicaid Services of the federal Department of Health and Human Services.

“Deficiency” means a nursing facility’s failure to meet a participation requirement.

“Department” means the Iowa department of human services.

*“Immediate jeopardy”* means a situation in which immediate corrective action is necessary because the provider’s noncompliance with one or more requirements of participation has caused, or is likely to cause, serious injury, harm, impairment, or death to a resident.

*“New admission”* means a resident who is admitted to the facility on or after the effective date of a denial of payment remedy and, if previously admitted, has been discharged before that effective date. Residents admitted before the effective date of the denial of payment, and taking temporary leave, are not considered new admissions, nor are they subject to the denial of payment.

*“Noncompliance”* means any deficiency that causes a facility to not be in substantial compliance.

*“Plan of correction”* means a plan developed by the facility and approved by the department of inspections and appeals which describes the actions the facility shall take to correct deficiencies and specifies the date by which those deficiencies shall be corrected.

*“Standard survey”* means a periodic, resident-centered inspection which gathers information about the quality of service furnished in a facility to determine compliance with the requirements for participation.

*“Substandard quality of care”* means one or more deficiencies related to the participation requirements for resident behavior and facility practices, quality of life, or quality of care which constitute either immediate jeopardy to resident health or safety; a pattern of or widespread actual harm that is not immediate jeopardy; or a widespread potential for more than minimal harm, but less than immediate jeopardy, with no actual harm.

*“Substantial compliance”* means a level of compliance with the requirements of participation such that any identified deficiencies pose no greater risk to resident health or safety than the potential for causing minimal harm.

*“Temporary management”* means the temporary appointment by the department of inspections and appeals of a substitute facility manager or administrator with authority to hire, terminate or reassign staff, obligate facility funds, alter facility procedures, and manage the facility to correct deficiencies identified in the facility’s operation.

#### **441—81.32(249A) General provisions.**

**81.32(1) Purpose of remedies.** The purpose of remedies is to ensure prompt compliance with program requirements.

**81.32(2) Basis for imposition and duration of remedies.** The department of inspections and appeals, as the state survey agency under contract with the department, determines the remedy to be applied for noncompliance with program requirements. When the department of inspections and appeals chooses to apply one or more remedies specified in rule 441—81.34(249A), the remedies are applied on the basis of noncompliance found during surveys conducted by the department of inspections and appeals.

**81.32(3) Number of remedies.** The department of inspections and appeals may apply one or more remedies for each deficiency constituting noncompliance or for all deficiencies constituting noncompliance.

**81.32(4) Plan of correction requirement.**

*a.* Except as specified in paragraph “*b.*,” regardless of which remedy is applied, each facility that has deficiencies with respect to program requirements shall submit a plan of correction for approval by the department of inspections and appeals.

*b.* A facility is not required to submit a plan of correction when the department of inspections and appeals determines the facility has deficiencies that are isolated and have a potential for minimal harm, but no actual harm has occurred.

**81.32(5) Disagreement regarding remedies.** If the department of inspections and appeals and CMS disagree on the decision to impose a remedy, the disagreement shall be resolved in accordance with rule 441—81.55(249A).

**81.32(6) Notification requirements.**

*a.* The department of inspections and appeals shall give the provider written notice of remedy, including the:

(1) Nature of the noncompliance.

- (2) Which remedy is imposed.
- (3) Effective date of the remedy.
- (4) Right to appeal the determination leading to the remedy.

*b.* Except for civil money penalties and state monitoring imposed when there is immediate jeopardy, for all remedies specified in rule 441—81.34(249A) imposed when there is immediate jeopardy, the notice shall be given at least two calendar days before the effective date of the enforcement action.

*c.* Except for civil money penalties and state monitoring, notice shall be given at least 15 calendar days before the effective date of the enforcement action in situations where there is no immediate jeopardy.

*d.* The 2- and 15-day notice periods begin when the facility receives the notice, but in no event will the effective date of the enforcement action be later than 20 calendar days after the notice is sent.

*e.* For civil money penalties, the notices shall be given in accordance with rules 441—81.48(249A) and 441—81.51(249A).

*f.* For state monitoring imposed when there is immediate jeopardy, no prior notice is required.

**81.32(7) *Informal dispute resolution.***

*a.* Opportunity to refute survey findings.

(1) For nonfederal surveys, the department of inspections and appeals (DIA) shall offer a facility an informal opportunity, at the facility's request, to dispute survey findings upon the facility's receipt of the official statement of deficiencies.

(2) For a federal survey, the Centers for Medicare and Medicaid Services (CMS) offers a facility an informal opportunity, at the facility's request, to dispute survey findings upon the facility's receipt of the official statement of deficiencies.

*b.* Delay of enforcement action.

(1) Failure of DIA or CMS, as appropriate, to complete informal dispute resolution timely cannot delay the effective date of any enforcement action against the facility.

(2) A facility may not seek a delay of any enforcement action against it on the grounds that informal dispute resolution has not been completed before the effective date of the enforcement action.

*c.* If a provider is subsequently successful, during the informal dispute resolution process, at demonstrating that deficiencies should not have been cited, the deficiencies are removed from the statement of deficiencies and any enforcement actions imposed solely as a result of those cited deficiencies are rescinded.

*d.* Notification. DIA shall provide the facility with written notification of the informal dispute resolution process.

**441—81.33(249A) Factors to be considered in selecting remedies.**

**81.33(1) *Initial assessment.*** In order to select the appropriate remedy, if any, to apply to a facility with deficiencies, the department of inspections and appeals shall determine the seriousness of the deficiencies.

**81.33(2) *Determining seriousness of deficiencies.*** To determine the seriousness of the deficiency, the department of inspections and appeals shall consider at least the following factors:

*a.* Whether a facility's deficiencies constitute:

- (1) No actual harm with a potential for minimal harm.
- (2) No actual harm with a potential for more than minimal harm, but not immediate jeopardy.
- (3) Actual harm that is not immediate jeopardy.
- (4) Immediate jeopardy to resident health or safety.

*b.* Whether the deficiencies:

- (1) Are isolated.
- (2) Constitute a pattern.
- (3) Are widespread.

**81.33(3)** *Other factors which may be considered in choosing a remedy within a remedy category.* Following the initial assessment, the department of inspections and appeals may consider other factors, which may include, but are not limited to, the following:

- a. The relationship of the one deficiency to other deficiencies resulting in noncompliance.
- b. The facility's prior history of noncompliance in general and specifically with reference to the cited deficiencies.

**441—81.34(249A) Available remedies.** In addition to the remedy of termination of the provider agreement, the following remedies are available:

1. Temporary management.
2. Denial of payment for all new admissions.
3. Civil money penalties.
4. State monitoring.
5. Closure of the facility in emergency situations or transfer of residents, or both.
6. Directed plan of correction.
7. Directed in-service training.

**441—81.35(249A) Selection of remedies.**

**81.35(1)** *Categories of remedies.* Remedies specified in rule 441—81.34(249A) are grouped into categories and applied to deficiencies according to the severity of noncompliance.

**81.35(2)** *Application of remedies.* After considering the factors specified in rule 441—81.33(249A), if the department of inspections and appeals applies remedies, as provided in paragraphs 81.35(3) "a," 81.35(4) "a," and 81.35(5) "a," for facility noncompliance, instead of, or in addition to, termination of the provider agreement, the department of inspections and appeals shall follow the criteria set forth in 81.35(3) "b," 81.35(4) "b," and 81.35(5) "b," as applicable.

**81.35(3)** *Category 1.*

a. Category 1 remedies include the following:

- (1) Directed plan of correction.
- (2) State monitoring.
- (3) Directed in-services training.

b. The department of inspections and appeals shall apply one or more of the remedies in Category 1 when there:

- (1) Are isolated deficiencies that constitute no actual harm with a potential for more than minimal harm but not immediate jeopardy; or
- (2) Is a pattern of deficiencies that constitutes no actual harm with a potential for more than minimal harm but not immediate jeopardy.

c. Except when the facility is in substantial compliance, the department of inspections and appeals may apply one or more of the remedies in Category 1 to any deficiency.

**81.35(4)** *Category 2.*

a. Category 2 remedies include the following:

- (1) Denial of payment for new admissions.
- (2) Civil money penalties of \$50 to \$3,000 per day.

b. The department of inspections and appeals shall apply one or more of the remedies in Category 2 when there are:

- (1) Widespread deficiencies that constitute no actual harm with a potential for more than minimal harm but not immediate jeopardy; or
- (2) One or more deficiencies that constitute actual harm that is not immediate jeopardy.

c. Except when the facility is in substantial compliance, the department of inspections and appeals may apply one or more of the remedies in Category 2 to any deficiency.

**81.35(5)** *Category 3.*

a. Category 3 remedies include the following:

- (1) Temporary management.

- (2) Immediate termination.
- (3) Civil money penalties of \$3,050 to \$10,000 per day.

*b.* When there is one or more deficiencies that constitute immediate jeopardy to resident health or safety, one or both of the following remedies shall be applied:

- (1) Temporary management.
- (2) Termination of the provider agreement.

In addition the department of inspections and appeals may impose a civil money penalty of \$3,050 to \$10,000 per day.

*c.* When there are widespread deficiencies that constitute actual harm that is not immediate jeopardy, the department of inspections and appeals may impose temporary management, in addition to Category 2 remedies.

**81.35(6) *Plan of correction.***

*a.* Except as specified in paragraph “*b*,” each facility that has a deficiency with regard to a requirement for long-term care facilities shall submit a plan of correction for approval by the department of inspections and appeals, regardless of:

- (1) Which remedies are applied.
- (2) The seriousness of the deficiencies.

*b.* When there are only isolated deficiencies that the department of inspections and appeals determines constitute no actual harm with a potential for minimal harm, the facility need not submit a plan of correction.

**81.35(7) *Appeal of a determination of noncompliance.***

*a.* A facility may request a hearing on a determination of noncompliance leading to an enforcement remedy. The affected nursing facility, or its legal representative or other authorized official, shall file the request for hearing in writing to the department of inspections and appeals within 60 days from receipt of the notice of the proposed denial, termination, or nonrenewal of participation, or imposition of a civil money penalty or other remedies.

(1) A request for a hearing shall be made in writing to the department of inspections and appeals within 60 days from receipt of the notice.

(2) Hearings shall be conducted pursuant to department of inspections and appeals rules 481—Chapter 10 and rule 481—50.6(10A), with an administrative law judge appointed as the presiding officer and with the department of inspections and appeals as the final decision maker, with subject matter jurisdiction.

*b.* A facility may not appeal the choice of remedy, including the factors considered by the department of inspections and appeals in selecting the remedy.

*c.* A facility may not challenge the level of noncompliance found by the department of inspections and appeals, except that in the case of a civil money penalty, a facility may challenge the level of noncompliance found by the department of inspections and appeals only if a successful challenge on this issue would affect the range of civil money penalty amounts that the department could collect.

*d.* Except when a civil remedy penalty is imposed, the imposition of a remedy shall not be stayed pending an appeal hearing.

**441—81.36(249A) Action when there is immediate jeopardy.**

**81.36(1) *Terminate agreement or appoint temporary manager.*** If there is immediate jeopardy to resident health or safety, the department of inspections and appeals shall appoint a temporary manager to remove the immediate jeopardy or the provider agreement shall be terminated within 23 calendar days of the last date of the survey.

The rules for appointment of a temporary manager in an immediate jeopardy situation are as follows:

*a.* The department of inspections and appeals shall notify the facility that a temporary manager is being appointed.

*b.* If the facility fails to relinquish control to the temporary manager, the provider agreement shall be terminated within 23 calendar days of the last day of the survey if the immediate jeopardy is not removed. In these cases, state monitoring may be imposed pending termination.

c. If the facility relinquishes control to the temporary manager, the department of inspections and appeals shall notify the facility that, unless it removes the immediate jeopardy, its provider agreement shall be terminated within 23 calendar days of the last day of the survey.

d. The provider agreement shall be terminated within 23 calendar days of the last day of survey if the immediate jeopardy has not been removed.

**81.36(2) Other remedies.** The department of inspections and appeals may also impose other remedies, as appropriate.

**81.36(3) Notification of CMS.** In a nursing facility or dually participating facility, if the department of inspections and appeals finds that a facility's noncompliance poses immediate jeopardy to resident health or safety, the department of inspections and appeals shall notify CMS of the finding.

**81.36(4) Transfer of residents.** The department shall provide for the safe and orderly transfer of residents when the facility is terminated from participation.

**81.36(5) Notification of physicians and state board.** If the immediate jeopardy is also substandard quality of care, the department of inspections and appeals shall notify attending physicians and the Iowa board of nursing home administrators of the finding of substandard quality of care.

**441—81.37(249A) Action when there is no immediate jeopardy.**

**81.37(1) Termination of agreement or limitation of participation.** If a facility's deficiencies do not pose immediate jeopardy to residents' health or safety, and the facility is not in substantial compliance, the facility's provider agreement may be terminated or the facility may be allowed to continue to participate for no longer than six months from the last day of the survey if:

a. The department of inspections and appeals finds that it is more appropriate to impose alternative remedies than to terminate the facility's provider agreement;

b. The department of inspections and appeals has submitted a plan of correction approved by CMS; and

c. The facility agrees to repay payments received after the last day of the survey that first identified the deficiencies if corrective action is not taken in accordance with the approved plan of correction and posts bond acceptable to the department to guarantee the repayment.

**81.37(2) Termination.** If a facility does not meet the criteria for continuation of payment under subrule 81.37(1), the facility's provider agreement shall be terminated.

**81.37(3) Denial of payment.** Payment shall be denied for new admissions when the facility is not in substantial compliance three months after the last day of the survey.

**81.37(4) Failure to comply.** The provider agreement shall be terminated and all payments stopped to a facility for which participation was continued under subrule 81.37(1) if the facility is not in substantial compliance within six months of the last day of the survey.

**441—81.38(249A) Action when there is repeated substandard quality of care.**

**81.38(1) General.** If a facility has been found to have provided substandard quality of care on the last three consecutive standard surveys, regardless of other remedies provided:

a. Payment for all new admissions shall be denied, as specified in rule 441—81.40(249A).

b. The department of inspections and appeals shall impose state monitoring, as specified in rule 441—81.42(249A) until the facility has demonstrated to the satisfaction of the department of inspections and appeals that it is in substantial compliance with all requirements and will remain in substantial compliance with all requirements.

**81.38(2) Repeated noncompliance.** For purposes of this rule, repeated noncompliance is based on the repeated finding of substandard quality of care and not on the basis that the substance of the deficiency or the exact deficiency was repeated.

**81.38(3) Standard surveys to which this provision applies.** Standard surveys completed by the department of inspections and appeals on or after October 1, 1990, are used to determine whether the threshold of three consecutive standard surveys is met.

**81.38(4) Program participation.**

*a.* The determination that a certified facility has repeated instances of substandard quality of care is made without regard to any variances in the facility's program participation (that is, any standard survey completed for Medicare, Medicaid or both programs will be considered).

*b.* Termination would allow the count of repeated substandard quality of care surveys to start over.

*c.* Change of ownership.

(1) A facility may not avoid a remedy on the basis that it underwent a change of ownership.

(2) In a facility that has undergone a change of ownership, the department of inspections and appeals may not restart the count of repeated substandard quality of care surveys unless the new owner can demonstrate to the department of inspections and appeals that the poor past performance no longer is a factor due to the change in ownership.

**81.38(5) Compliance.** Facility alleges corrections or achieves compliance after repeated substandard quality of care is identified.

*a.* If a penalty is imposed for repeated substandard quality of care, it will continue until the facility has demonstrated to the satisfaction of the department of inspections and appeals that it is in substantial compliance with the requirements and that it will remain in substantial compliance for a period of time specified by the department of inspections and appeals.

*b.* A facility will not avoid the imposition of remedies or the obligation to demonstrate that it will remain in compliance when it:

(1) Alleges correction of the deficiencies cited in the most recent standard survey; or

(2) Achieves compliance before the effective date of the remedies.

**441—81.39(249A) Temporary management.** The department of inspections and appeals may appoint a temporary manager from qualified applicants.

**81.39(1) Qualifications.** The temporary manager must:

*a.* Be qualified to oversee correction of deficiencies on the basis of experience and education, as determined by the department of inspections and appeals.

*b.* Not have been found guilty of misconduct by any licensing board or professional society in any state.

*c.* Have, or a member of the manager's immediate family have, no financial ownership interest in the facility.

*d.* Not currently serve or, within the past two years, have served as a member of the staff of the facility.

**81.39(2) Payment of salary.** The temporary manager's salary:

*a.* Is paid directly by the facility while the temporary manager is assigned to that facility.

*b.* Shall be at least equivalent to the sum of the following:

(1) The prevailing salary paid by providers for positions of this type in the facility's geographic area.

(2) Additional costs that would have reasonably been incurred by the provider if the person had been in an employment relationship.

(3) Any other transportation and lodging costs incurred by the person in furnishing services under the arrangement up to the maximum per diem for state employees.

*c.* May exceed the amount specified in paragraph "b" if the department of inspections and appeals is otherwise unable to attract a qualified temporary manager.

**81.39(3) Failure to relinquish authority to temporary management.**

*a.* If a facility fails to relinquish authority to the temporary manager, the provider agreement shall be terminated in accordance with rule 441—81.57(249A).

*b.* A facility's failure to pay the salary of the temporary manager is considered a failure to relinquish authority to temporary management.

**81.39(4) Duration of temporary management.** Temporary management ends when the facility meets any of the conditions specified in subrule 81.56(3).

**441—81.40(249A) Denial of payment for all new admissions.**

**81.40(1) *Optional denial of payment.*** Except as specified in subrule 81.40(2), the denial of payment for all new admissions may be imposed when a facility is not in substantial compliance with the requirements.

**81.40(2) *Required denial of payment.*** Payment for all new admissions shall be denied when:

*a.* The facility is not in substantial compliance three months after the last day of the survey identifying the noncompliance; or

*b.* The department of inspections and appeals has cited a facility with substandard quality of care on the last three consecutive standard surveys.

**81.40(3) *Resumption of payments.*** Repeated instances of substandard quality of care. When a facility has repeated instances of substandard quality of care, payments to the facility resume on the date that:

*a.* The facility achieves substantial compliance as indicated by a revisit or written credible evidence acceptable to the department of inspections and appeals.

*b.* The department of inspections and appeals determines that the facility is capable of remaining in substantial compliance.

**81.40(4) *Resumption of payments.*** No repeated instances of substandard quality of care. When a facility does not have repeated instances of substandard quality of care, payments to the facility resume prospectively on the date that the facility achieves substantial compliance, as indicated by a revisit or written credible evidence acceptable to the department of inspections and appeals.

**81.40(5) *Restriction.*** No payments to a facility are made for the period between the date that the denial of payment remedy is imposed and the date the facility achieves substantial compliance, as determined by the department of inspections and appeals.

**441—81.41(249A) Secretarial authority to deny all payments.**

**81.41(1) *CMS option to deny all payment.*** If a facility has not met a requirement, in addition to the authority to deny payment for all new admissions as specified in rule 441—81.40(249A), CMS may deny any further payment to the state for all Medicaid residents in the facility. When CMS denies payment to the state, the department shall deny payment to the facility.

**81.41(2) *Resumption of payment.*** When CMS resumes payment to the state, the department shall also resume payment to the facility. The department shall make payments to the facility for the same periods for which payment is made to the state.

**441—81.42(249A) State monitoring.**

**81.42(1) *State monitor:*** A state monitor:

*a.* Oversees the correction of deficiencies specified by the department of inspections and appeals at the facility site and protects the facility's residents from harm.

*b.* Is an employee or a contractor of the department of inspections and appeals.

*c.* Is identified by the department of inspections and appeals as an appropriate professional to monitor cited deficiencies.

*d.* Is not an employee of the facility.

*e.* Does not function as a consultant to the facility.

*f.* Does not have an immediate family member who is a resident of the facility to be monitored.

**81.42(2) *Use of state monitor.*** A state monitor shall be used when the department of inspections and appeals has cited a facility with substandard quality of care deficiencies on the last three consecutive standard surveys.

**81.42(3) *Discontinuance of state monitor.*** State monitoring is discontinued when:

*a.* The facility has demonstrated that it is in substantial compliance with the requirement, and it will remain in compliance for a period of time specified by the department of inspections and appeals.

*b.* Termination procedures are completed.

**441—81.43(249A) Directed plan of correction.** The department of inspections and appeals or the temporary manager (with department of inspections and appeals' approval) may develop a plan of correction and require a facility to take action within specified time frames.

**441—81.44(249A) Directed in-service training.**

**81.44(1) Required training.** The department of inspections and appeals may require the staff of a facility to attend an in-service training program if:

- a. The facility has a pattern of deficiencies that indicate noncompliance; and
- b. Education is likely to correct the deficiencies.

**81.44(2) Action following training.** After the staff has received in-service training, if the facility has not achieved substantial compliance, the department of inspections and appeals may impose one or more other remedies.

**81.44(3) Payment.** The facility is responsible for the payment for the directed in-service training.

**441—81.45(249A) Closure of a facility or transfer of residents, or both.**

**81.45(1) Closure during an emergency.** In an emergency, the department and the department of inspections and appeals have the authority to:

- a. Transfer Medicaid and Medicare residents to another facility; or
- b. Close the facility and transfer the Medicaid and Medicare residents to another facility.

**81.45(2) Required transfer in immediate jeopardy situations.** When a facility's provider agreement is terminated for a deficiency that constitutes immediate jeopardy, the department arranges for the safe and orderly transfer of all Medicaid and Medicare residents to another facility.

**81.45(3) All other situations.** Except for immediate jeopardy situations, as specified in subrule 81.45(2), when a facility's provider agreement is terminated, the department arranges for the safe and orderly transfer of all Medicare and Medicaid residents to another facility.

**441—81.46(249A) Civil money penalties—basis for imposing penalty.** The department of inspections and appeals may impose a civil money penalty for the number of days a facility is not in substantial compliance with one or more participation requirements, regardless of whether or not the deficiencies constitute immediate jeopardy.

The department of inspections and appeals may impose a civil money penalty for the number of days of past noncompliance since the last standard survey, including the number of days of immediate jeopardy.

**441—81.47(249A) Civil money penalties—when penalty is collected.**

**81.47(1) When facility requests a hearing.**

a. A facility shall request a hearing on the determination of the noncompliance that is the basis for imposition of the civil money penalty within the time limit specified in subrule 81.35(7).

b. If a facility requests a hearing within the time specified in subrule 81.35(7), the department of inspections and appeals initiates collection of the penalty when there is a final administrative decision that upholds the department of inspections and appeals' determination of noncompliance after the facility achieves substantial compliance or is terminated.

**81.47(2) When facility does not request a hearing.** If a facility does not request a hearing, in accordance with subrule 81.47(1), the department of inspections and appeals initiates collection of the penalty when the facility:

- a. Achieves substantial compliance; or
- b. Is terminated.

**81.47(3) When facility waives a hearing.** If a facility waives its right to a hearing in writing, as specified in rule 441—81.49(249A), the department of inspections and appeals initiates collection of the penalty when the facility:

- a. Achieves substantial compliance; or
- b. Is terminated.

**81.47(4) *Accrual and computation of penalties.*** Accrual and computation of penalties for a facility that:

- a. Requests a hearing or does not request a hearing as specified in rule 441—81.50(249A);
- b. Waives its right to a hearing in writing, as specified in subrule 81.49(2) and rule 441—81.50(249A).

**81.47(5) *Collection.*** The collection of civil money penalties is made as provided in rule 441—81.52(249A).

**441—81.48(249A) Civil money penalties—notice of penalty.** The department of inspections and appeals shall notify the facility of intent to impose a civil money penalty in writing. The notice shall include, at a minimum, the following information:

1. The nature of the noncompliance.
2. The statutory basis for the penalty.
3. The amount of penalty per day of noncompliance.
4. Any factors specified in subrule 81.50(6) that were considered when determining the amount of the penalty.
5. The date on which the penalty begins to accrue.
6. When the penalty stops accruing.
7. When the penalty is collected.
8. Instructions for responding to the notice, including a statement of the facility's right to a hearing, and the implication of waiving a hearing, as provided in rule 441—81.49(249A).

**441—81.49(249A) Civil money penalties—waiver of hearing, reduction of penalty amount.**

**81.49(1) *Waiver of a hearing.*** The facility may waive the right to a hearing, in writing, within 60 days from the date of the notice of intent to impose the civil money penalty.

**81.49(2) *Reduction of penalty amount.***

- a. If the facility waives its right to a hearing, the department of inspections and appeals reduces the civil money penalty amount by 35 percent.
- b. If the facility does not waive its right to a hearing, the civil money penalty is not reduced by 35 percent.

**441—81.50(249A) Civil money penalties—amount of penalty.**

**81.50(1) *Amount of penalty.*** The penalties are within the following ranges, set at \$50 increments:

- a. Upper range—\$3,050 to \$10,000. Penalties in the range of \$3,050 to \$10,000 per day are imposed for deficiencies constituting immediate jeopardy, as specified in 81.50(4) "b."
- b. Lower range—\$50 to \$3,000. Penalties in the range of \$50 to \$3,000 per day are imposed for deficiencies that do not constitute immediate jeopardy, but either caused actual harm, or caused no actual harm, but have the potential for more than minimal harm.

**81.50(2) *Basis for penalty amount.*** The amount of penalty is based on the department of inspections and appeals' assessment of factors listed in subrule 81.50(6).

**81.50(3) *Decreased penalty amounts.*** Except as specified in 81.50(4) "b," if immediate jeopardy is removed, but the noncompliance continues, the department of inspections and appeals shall shift the penalty amount to the lower range.

**81.50(4) *Increased penalty amounts.***

- a. Before the hearing, the department of inspections and appeals may propose to increase the penalty amount for facility noncompliance which, after imposition of a lower level penalty amount, becomes sufficiently serious to pose immediate jeopardy.
- b. The department of inspections and appeals shall increase the penalty amount for any repeated deficiencies for which a lower level penalty amount was previously imposed, regardless of whether the increased penalty amount would exceed the range otherwise reserved for nonimmediate jeopardy deficiencies.

c. Repeated deficiencies are deficiencies in the same regulatory grouping of requirements found at the last survey, subsequently corrected, and found again at the next survey.

**81.50(5) Review of the penalty.** When an administrative law judge (or director of the department of inspections and appeals) finds that the basis for imposing a civil money penalty exists, the administrative law judge (or director) may not:

- a. Set a penalty of zero or reduce a penalty to zero.
- b. Review the exercise of discretion by the department of inspections and appeals to impose a civil money penalty.
- c. Consider any factors in reviewing the amount of the penalty other than those specified in subrule 81.50(6).

**81.50(6) Factors affecting the amount of penalty.** In determining the amount of penalty, the department of inspections and appeals shall take into account the following factors:

- a. The facility's history of noncompliance, including repeated deficiencies.
- b. The facility's financial condition.
- c. The factors specified in rule 441—81.33(249A).
- d. The facility's degree of culpability. Culpability includes, but is not limited to, neglect, indifference, or disregard for resident care, comfort or safety. The absence of culpability is not a mitigating circumstance in reducing the amount of the penalty.

**441—81.51(249A) Civil money penalties—effective date and duration of penalty.**

**81.51(1) When penalty begins to accrue.** The civil money penalty may start accruing as early as the date the facility was first out of compliance, as determined by the department of inspections and appeals.

**81.51(2) Duration of penalty.** The civil money penalty is computed and collectible, as specified in rules 441—81.47(249A) and 441—81.52(249A), for the number of days of noncompliance until the date the facility achieves substantial compliance or, if applicable, the date of termination when:

- a. The department of inspections and appeals' decision of noncompliance is upheld after a final administrative decision;
- b. The facility waives its right to a hearing in accordance with rule 441—81.49(249A); or
- c. The time for requesting a hearing has expired and the department of inspections and appeals has not received a hearing request from the facility.

**81.51(3) Penalty due.** The entire accrued penalty is due and collectible, as specified in the notice sent to the provider under subrules 81.51(4) and 81.54(5).

**81.51(4) Notice after facility achieves compliance.** When a facility achieves substantial compliance, the department of inspections and appeals shall send a separate notice to the facility containing:

- a. The amount of penalty per day;
- b. The number of days involved;
- c. The total amount due;
- d. The due date of the penalty; and
- e. The rate of interest assessed on the unpaid balance beginning on the due date, as provided in rule 441—81.52(249A).

**81.51(5) Notice to terminated facility.** In the case of a terminated facility, the department of inspections and appeals shall send this penalty information after the:

- a. Final administrative decision is made;
- b. Facility has waived its right to a hearing in accordance with rule 441—81.49(249A); or
- c. Time for requesting a hearing has expired and the department of inspections and appeals has not received a hearing request from the facility.

**81.51(6) Accrual of penalties when there is no immediate jeopardy.**

a. In the case of noncompliance that does not pose immediate jeopardy, the daily accrual of civil money penalties is imposed for the days of noncompliance prior to the notice specified in rule 441—81.48(249A) and an additional period of no longer than six months following the last day of the survey.

*b.* After the period specified in paragraph “*a.*” if the facility has not achieved substantial compliance, the provider agreement may be terminated.

**81.51(7) *Accrual of penalties when there is immediate jeopardy.***

*a.* When a facility has deficiencies that pose immediate jeopardy, the provider agreement shall be terminated within 23 calendar days after the last day of the survey if the immediate jeopardy remains.

*b.* The accrual of the civil money penalty stops on the day the provider agreement is terminated.

**81.51(8) *Documenting substantial compliance.***

*a.* If an on-site revisit is necessary to confirm substantial compliance and the provider can supply documentation acceptable to the department of inspections and appeals that substantial compliance was achieved on a date preceding the revisit, penalties only accrue until that date of correction for which there is written credible evidence.

*b.* If an on-site revisit is not necessary to confirm substantial compliance, penalties only accrue until the date of correction for which the department of inspections and appeals receives and accepts written credible evidence.

**441—81.52(249A) Civil money penalties—due date for payment of penalty.**

**81.52(1) *When payments are due.***

*a.* A civil money penalty payment is due 15 days after a final administrative decision is made when:

- (1) The facility achieves substantial compliance before the final administrative decision; or
- (2) The effective date of termination occurs before the final administrative decision.

*b.* A civil money penalty is due 15 days after the time period for requesting a hearing has expired and a hearing request was not received when:

- (1) The facility achieves substantial compliance before the hearing request was due; or
- (2) The effective date of termination occurs before the hearing request was due.

*c.* A civil money penalty payment is due 15 days after receipt of the written request to waive a hearing when:

- (1) The facility achieved substantial compliance before the department of inspections and appeals received the written waiver of hearing; or
- (2) The effective date of termination occurs before the department of inspections and appeals received the written waiver of hearing.

*d.* A civil money penalty payment is due 15 days after substantial compliance is achieved when:

- (1) The final administrative decision is made before the facility came into compliance;
- (2) The facility did not file a timely hearing request before it came into substantial compliance; or
- (3) The facility waived its right to a hearing before it came into substantial compliance.

*e.* A civil money penalty payment is due 15 days after the effective date of termination, if before the effective date of termination:

- (1) The final administrative decision was made;
- (2) The time for requesting a hearing has expired and the facility did not request a hearing; or
- (3) The facility waived its right to a hearing.

*f.* In the cases specified in paragraph “*d.*” the period of noncompliance may not extend beyond six months from the last day of the survey.

**81.52(2) *Deduction of penalty from amount owed.*** The amount of the penalty, when determined, may be deducted from any sum then or later owing by the department to the facility.

**81.52(3) *Interest.*** Interest of 10 percent per year is assessed on the unpaid balance of the penalty, beginning on the due date.

**81.52(4) *Penalties collected by the department.***

*a.* Civil money penalties collected by the department shall be applied to the protection of the health or property of residents of facilities that the department of inspections and appeals finds deficient, such as:

- (1) Payment for the cost of relocating residents to other facilities;

- (2) State costs related to the operation of a facility pending correction of deficiencies or closure; and
  - (3) Reimbursement of residents for personal funds or property lost at a facility as a result of actions by the facility or by individuals used by the facility to provide services to residents.
- b.* Reserved.

**441—81.53(249A) Civil money penalties—settlement of penalties.** The department of inspections and appeals has the authority to settle cases at any time prior to the evidentiary hearing decision.

**441—81.54(249A) Continuation of payments to a facility with deficiencies.**

**81.54(1) Criteria.**

*a.* The department may continue payments to a facility that is not in substantial compliance for the periods specified in subrule 81.54(3) if the following criteria are met:

- (1) The department of inspections and appeals finds that it is more appropriate to impose alternative remedies than to terminate the facility;
- (2) The department of inspections and appeals has submitted a plan and timetable for corrective action approved by CMS; and
- (3) The facility agrees to repay the department for all payments received under this provision if corrective action is not taken in accordance with the approved plan and timetable for corrective action and posts a bond acceptable to the department to guarantee agreement to repay.

*b.* The facility provider agreement may be terminated before the end of the correction period if the criteria in 81.54(1)“*a*” are not met.

**81.54(2) Cessation of payments.** If termination is not sought, either by itself or along with another remedy or remedies, or any of the criteria in 81.54(1)“*a*” are not met or agreed to by either the facility or the department, the facility shall receive no payments, as applicable, from the last day of the survey.

**81.54(3) Period of continued payments.** If the conditions in 81.54(1)“*a*” are met, the department may continue payments to a facility with noncompliance that does not constitute immediate jeopardy for up to six months from the last day of the survey.

**81.54(4) Failure to achieve substantial compliance.** If the facility does not achieve substantial compliance by the end of the period specified in subrule 81.54(3), the provider agreement for the facility may be terminated.

**441—81.55(249A) State and federal disagreements involving findings not in agreement when there is no immediate jeopardy.** This rule applies when CMS and the department of inspections and appeals disagree over findings of noncompliance or application of remedies.

**81.55(1) Disagreement over whether facility has met requirements.**

*a.* The department of inspections and appeals’ finding of noncompliance takes precedence when:

- (1) CMS finds the facility is in substantial compliance with the participation requirements; and
- (2) The department of inspections and appeals finds the facility has not achieved substantial compliance.

*b.* CMS’s findings of noncompliance take precedence when:

- (1) CMS finds that a facility has not achieved substantial compliance; and
- (2) The department of inspections and appeals finds the facility is in substantial compliance with the participation requirements.

*c.* When CMS’s survey findings take precedence, CMS may:

- (1) Impose any of the alternative remedies specified in rule 441—81.34(249A);
- (2) Terminate the provider agreement subject to the applicable conditions of rule 441—81.54(249A); and
- (3) Stop federal financial participation to the department for a nursing facility.

**81.55(2) Disagreement over decision to terminate.**

*a.* CMS’s decision to terminate the participation of a facility takes precedence when:

(1) Both CMS and the department of inspections and appeals find that the facility has not achieved substantial compliance; and

(2) CMS, but not the department of inspections and appeals, finds that the facility's participation should be terminated. CMS will permit continuation of payment during the period prior to the effective date of termination, not to exceed six months, if the applicable conditions of rule 441—81.54(249A) are met.

*b.* The department of inspections and appeals' decision to terminate a facility's participation and the procedures for appealing the termination take precedence when:

(1) The department of inspections and appeals, but not CMS, finds that a facility's participation should be terminated; and

(2) The department of inspections and appeals' effective date for the termination of the nursing facility's provider agreement is no later than six months after the last day of survey.

**81.55(3) *Disagreement over timing of termination of facility.*** The department of inspections and appeals' timing of termination takes precedence if it does not occur later than six months after the last day of the survey when both CMS and the department of inspections and appeals find that:

*a.* A facility is not in substantial compliance; and

*b.* The facility's participation should be terminated.

**81.55(4) *Disagreement over remedies.***

*a.* When CMS or the department of inspections and appeals, but not both, establishes one or more remedies, in addition to or as an alternative to termination, the additional or alternative remedies will also apply when:

(1) Both CMS and the department of inspections and appeals find that a facility has not achieved substantial compliance; and

(2) Both CMS and the department of inspections and appeals find that no immediate jeopardy exists.

*b.* When CMS and the department of inspections and appeals establish one or more remedies, in addition to or as an alternative to termination, only the CMS remedies apply when both CMS and the department of inspections and appeals find that a facility has not achieved substantial compliance.

**81.55(5) *One decision.*** Regardless of whether CMS's or the department of inspections and appeals' decision controls, only one noncompliance and enforcement decision is applied to the Medicaid agreement, and for a dually participating facility, that same decision will apply to the Medicare agreement.

#### **441—81.56(249A) Duration of remedies.**

**81.56(1) *Remedies continue.*** Except as specified in subrule 81.56(2), alternative remedies continue until:

*a.* The facility has achieved substantial compliance as determined by the department of inspections and appeals based upon a revisit or after an examination of credible written evidence that it can verify without an on-site visit; or

*b.* The provider agreement is terminated.

**81.56(2) *State monitoring.*** In the cases of state monitoring and denial of payment imposed for repeated substandard quality of care, remedies continue until:

*a.* The department of inspections and appeals determines that the facility has achieved substantial compliance and is capable of remaining in substantial compliance; or

*b.* The provider agreement is terminated.

**81.56(3) *Temporary management.*** In the case of temporary management, the remedy continues until:

*a.* The department of inspections and appeals determines that the facility has achieved substantial compliance and is capable of remaining in substantial compliance;

*b.* The provider agreement is terminated; or

*c.* The facility which has not achieved substantial compliance reassumes management control. In this case, the department of inspections and appeals initiates termination of the provider agreement and may impose additional remedies.

**81.56(4) Facility in compliance.** If the facility can supply documentation acceptable to the department of inspections and appeals that it was in substantial compliance, and was capable of remaining in substantial compliance, if necessary, on a date preceding that of the revisit, the remedies terminate on the date that the department of inspections and appeals can verify as the date that substantial compliance was achieved.

**441—81.57(249A) Termination of provider agreement.**

**81.57(1) Effect of termination.** Termination of the provider agreement ends payment to the facility and any alternative remedy.

**81.57(2) Basis of termination.**

*a.* A facility's provider agreement may be terminated if a facility:

- (1) Is not in substantial compliance with the requirements of participation, regardless of whether or not immediate jeopardy is present; or
- (2) Fails to submit an acceptable plan of correction within the time frame specified by the department of inspections and appeals.

*b.* A facility's provider agreement shall be terminated if a facility:

- (1) Fails to relinquish control to the temporary manager, if that remedy is imposed by the department of inspections and appeals; or
- (2) Does not meet the eligibility criteria for continuation of payment as set forth in 81.37(1)“a.”

**81.57(3) Notice of termination.** Before a provider agreement is terminated, the department of inspections and appeals shall notify the facility and the public:

*a.* At least two calendar days before the effective date of termination for a facility with immediate jeopardy deficiencies; and

*b.* At least 15 calendar days before the effective date of termination for a facility with nonimmediate jeopardy deficiencies that constitute noncompliance.

These rules are intended to implement Iowa Code section 249A.4.

- <sup>1</sup> Effective date of 81.16(4) delayed 30 days by the Administrative Rules Review Committee at its September 12, 1990, meeting; at the October 9, 1990, meeting the delay was extended to 70 days. Amendment effective 12/1/90 superseded the 70-day delay.
- <sup>2</sup> Effective date of 81.10(5) delayed until adjournment of the 1991 session of the General Assembly by the Administrative Rules Review Committee at its November 13, 1990, meeting.
- <sup>3</sup> Effective date of 81.13(7) “c”(1) delayed 70 days by the Administrative Rules Review Committee at its meeting held July 14, 1992; delay lifted by the Committee at its meeting held August 11, 1992, effective August 12, 1992.
- <sup>4</sup> Effective date of 81.6(3), first unnumbered paragraph, delayed 70 days by the Administrative Rules Review Committee at its meeting held April 5, 1993.
- <sup>5</sup> At a special meeting held January 24, 2002, the Administrative Rules Review Committee voted to delay until adjournment of the 2002 Session of the General Assembly the effective date of amendments published in the February 6, 2002, Iowa Administrative Bulletin as **ARC 1365B**.

## OBJECTION

At its meeting held August 11, 1992, the Administrative Rules Review Committee voted to object to the amendments published in **ARC 3069A** on the grounds the amendments are unreasonable. This filing is published in IAB Vol. XIV No. 253 (06-10-92). It is codified as an amendment to paragraph 441 IAC 81.13(7)“c”(1).

In brief, this filing provides that care facilities shall not employ persons who have been found guilty in a court of law of abusing, neglecting or mistreating facility residents, or who have had a “finding” entered into the state nurse aide registry concerning abuse, neglect, mistreatment of residents or misappropriation of their property. Additionally, the filing eliminates a previous provision which allowed the Department of Inspections and Appeals some discretion in deciding whether the lifetime ban on employment should be applied.

This language originated in the federal government which mandated that the department adopt these provisions or possibly face sanctions. The Committee does not believe these amendments are an improvement to Iowa’s system and has the following objection. The Committee believes that the amendments published in **ARC 3069A** are unreasonable because of the inconsistency in the burdens of proof and the levels of procedural safeguards in the two proceedings. A facility employee may either be found guilty in a court of law or have an administrative finding entered into the registry. In either case the result is the same, the employee is permanently banned from further employment in a care facility; however, the two paths to the result are significantly different. The first proceeding is a criminal tribunal in which the burden of proof is “beyond a reasonable doubt.” The second proceeding is a simple administrative hearing in which the burden is “preponderance of the evidence.” The two proceedings also differ in the level of many other due process protections accorded to the individual. A criminal proceeding provides the accused with the opportunity for a trial by jury, competent legal counsel, strict rules of evidence and many procedural protections not present in administrative hearings. It should also be noted that the penalty in this situation—a lifetime ban on employment—is more serious than is usually imposed in contested cases. In licensee discipline cases, a license can be revoked, but the possibility of reinstatement exists; under this new rule no reinstatement is allowed, the facility employee is banned from employment no matter how serious or minor the offense or how far in the past it occurred. Because of the magnitude of this penalty, the Committee believes that the accused should be provided with greater procedural protections than are generally found in administrative hearings.

The Committee also believes this filing is unreasonable because it eliminates the discretion accorded to the Department of Inspections and Appeals to not apply the lifetime ban on employment. Under the previous rule, the department’s discretion in applying the employment ban acted as a safeguard against unjust results. It recognized that a person would make amends for past offenses and earn a second chance. The provision was a genuine improvement in the process; it recognized that flexibility was needed in government decision making and that some decisions should be made on a case-by-case basis. There does not appear to be any rational basis to justify the elimination of this safeguard and, therefore, the Committee believes this action to be unreasonable.

CHAPTER 82  
INTERMEDIATE CARE FACILITIES FOR THE MENTALLY RETARDED

[Prior to 7/1/83, Social Services[770] Ch 82]

[Prior to 2/11/87, Human Services[498]]

**441—82.1(249A) Definition.**

“*Department*” means the Iowa department of human services.

This rule is intended to implement Iowa Code section 249A.12.

**441—82.2(249A) Licensing and certification.** In order to participate in the program, a facility shall be licensed as a hospital, nursing facility, or an intermediate care facility for the mentally retarded by the department of inspections and appeals under the department of inspections and appeals rules 481—Chapter 64. The facility shall meet the following conditions of participation:

**82.2(1) Governing body and management.**

*a. Governing body.* The facility shall identify an individual or individuals to constitute the governing body of the facility. The governing body shall:

- (1) Exercise general policy, budget, and operating direction over the facility.
- (2) Set the qualifications (in addition to those already set by state law) for the administrator of the facility.
- (3) Appoint the administrator of the facility.

*b. Compliance with federal, state, and local laws.* The facility shall be in compliance with all applicable provisions of federal, state and local laws, regulations and codes pertaining to health, safety, and sanitation.

*c. Client records.*

(1) The facility shall develop and maintain a record-keeping system that includes a separate record for each client and that documents the clients’ health care, active treatment, social information, and protection of the client’s rights.

(2) The facility shall keep confidential all information contained in the clients’ records, regardless of the form or storage method of the records.

(3) The facility shall develop and implement policies and procedures governing the release of any client information, including consents necessary from the client or parents (if the client is a minor) or legal guardian.

(4) Any individual who makes an entry in a client’s record shall make it legibly, date it, and sign it.

(5) The facility shall provide a legend to explain any symbol or abbreviation used in a client’s record.

(6) The facility shall provide each identified residential living unit with appropriate aspects of each client’s record.

*d. Services provided under agreements with outside sources.*

(1) If a service required under this rule is not provided directly, the facility shall have a written agreement with an outside program, resource, or service to furnish the necessary service, including emergency and other health care.

(2) The agreement shall:

1. Contain the responsibilities, functions, objectives, and other terms agreed to by both parties.

2. Provide that the facility is responsible for ensuring that the outside services meet the standards for quality of services contained in this rule.

(3) The facility shall ensure that outside services meet the needs of each client.

(4) If living quarters are not provided in a facility owned by the ICF/MR, the ICF/MR remains directly responsible for the standards relating to physical environment that are specified in subrule 82.2(7), paragraphs “a” to “g,” “j,” and “k.”

*e. Disclosure of ownership.* The facility shall supply to the licensing agency full and complete information, and promptly report any changes which would affect the current accuracy of the information, as to identify:

(1) Each person having a direct or indirect ownership interest of 5 percent or more in the facility and the owner in whole or in part of any property or assets (stock, mortgage, deed of trust, note or other obligation) secured in whole or in part by the facility.

(2) Each officer and director of the corporation, if the facility is organized as a corporation.

(3) Each partner, if the facility is organized as a partnership.

**82.2(2) Client protections.**

*a. Protection of clients' rights.* The facility shall ensure the rights of all clients. Therefore, the facility shall:

(1) Inform each client, parent (if the client is a minor), or legal guardian of the client's rights and the rules of the facility.

(2) Inform each client, parent (if the child is a minor), or legal guardian, of the client's medical condition, developmental and behavioral status, attendant risks of treatment, and of the right to refuse treatment.

(3) Allow and encourage individual clients to exercise their rights as clients of the facility, and as citizens of the United States, including the right to file complaints and the right to due process.

(4) Allow individual clients to manage their financial affairs and teach them to do so to the extent of their capabilities.

(5) Ensure that clients are not subjected to physical, verbal, sexual, or psychological abuse or punishment.

(6) Ensure that clients are free from unnecessary drugs and physical restraints and are provided active treatment to reduce dependency on drugs and physical restraints.

(7) Provide each client with the opportunity for personal privacy and ensure privacy during treatment and care of personal needs.

(8) Ensure that clients are not compelled to perform services for the facility and ensure that clients who do work for the facility are compensated for their efforts at prevailing wages and commensurate with their abilities.

(9) Ensure clients the opportunity to communicate, associate and meet privately with individuals of their choice, and to send and receive unopened mail.

(10) Ensure that clients have access to telephones with privacy for incoming and outgoing local and long distance calls except as contraindicated by factors identified within their individual program plans.

(11) Ensure clients the opportunity to participate in social, religious, and community group activities.

(12) Ensure that clients have the right to retain and use appropriate personal possessions and clothing, and ensure that each client is dressed in the client's own clothing each day.

(13) Permit a husband and wife who both reside in the facility to share a room.

*b. Client finances.*

(1) The facility shall establish and maintain a system that ensures a full and complete accounting of clients' personal funds entrusted to the facility on behalf of clients and precludes any commingling of client funds with facility funds or with the funds of any person other than another client.

(2) The client's financial record shall be available on request to the client, parents (if the client is a minor), or legal guardian.

*c. Communication with clients, parents, and guardians.* The facility shall:

(1) Promote participation of parents (if the client is a minor) and legal guardians in the process of providing active treatment to a client unless their participation is unobtainable or inappropriate.

(2) Answer communications from clients' families and friends promptly and appropriately.

(3) Promote visits by individuals with a relationship to the client (such as family, close friends, legal guardians and advocates) at any reasonable hour, without prior notice, consistent with the right of that client's and other clients' privacy, unless the interdisciplinary team determines that the visit would not be appropriate.

(4) Promote visits by parents or guardians to any area of the facility that provides direct client care services to the client, consistent with the right of that client's and other clients' privacy.

(5) Promote frequent and informal leaves from the facility for visits, trips, or vacations.

(6) Notify promptly the client's parents or guardian of any significant incidents or changes in the client's condition including, but not limited to, serious illness, accident, death, abuse, or unauthorized absence.

*d. Staff treatment of clients.*

(1) The facility shall develop and implement written policies and procedures that prohibit mistreatment, neglect or abuse of the client.

1. Staff of the facility shall not use physical, verbal, sexual or psychological abuse or punishment.

2. Staff shall not punish a client by withholding food or hydration that contributes to a nutritionally adequate diet.

3. The facility shall prohibit the employment of individuals with a conviction or prior employment history of child or client abuse, neglect or mistreatment.

(2) The facility shall ensure that all allegations of mistreatment, neglect or abuse, as well as injuries of unknown source, are reported immediately to the administrator or to other officials in accordance with state law through established procedures.

(3) The facility shall have evidence that all alleged violations are thoroughly investigated and shall prevent further potential abuse while the investigation is in progress.

(4) The results of all investigations shall be reported to the administrator or designated representative or to other officials in accordance with state law within five working days of the incident, and, if the alleged violation is verified, appropriate corrective action shall be taken.

**82.2(3) Facility staffing.**

*a. Qualified mental retardation professional.* Each client's active treatment program shall be integrated, coordinated and monitored by a qualified mental retardation professional who has at least one year of experience working directly with persons with mental retardation or other developmental disabilities and is one of the following:

(1) A doctor of medicine or osteopathy.

(2) A registered nurse.

(3) An individual who holds at least a bachelor's degree in a professional category specified in 82.2(3) "b"(5).

*b. Professional program services.*

(1) Each client shall receive the professional program services needed to implement the active treatment program defined by each client's individual program plan. Professional program staff shall work directly with clients and with paraprofessional, nonprofessional and other professional program staff who work with clients.

(2) The facility shall have available enough qualified professional staff to carry out and monitor the various professional interventions in accordance with the stated goals and objectives of every individual program plan.

(3) Professional program staff shall participate as members of the interdisciplinary team in relevant aspects of the active treatment process.

(4) Professional program staff shall participate in ongoing staff development and training in both formal and informal settings with other professional, paraprofessional, and nonprofessional staff members.

(5) Professional program staff shall be licensed, certified, or registered, as applicable, to provide professional services by the state in which the staff practices. Those professional program staff who do not fall under the jurisdiction of state licensure, certification, or registration requirements shall meet the following qualifications:

1. To be designated as an occupational therapist, an individual shall be eligible for certification as an occupational therapist by the American Occupational Therapy Association or another comparable body.

2. To be designated as an occupational therapy assistant, an individual shall be eligible for certification as an occupational therapy assistant by the American Occupational Therapy Association or another comparable body.

3. To be designated as a physical therapist, an individual shall be eligible for certification as a physical therapist by the American Physical Therapy Association or another comparable body.

4. To be designated as a physical therapy assistant, an individual shall be eligible for registration as a physical therapy assistant by the American Physical Therapy Association or be a graduate of a two-year college-level program approved by the American Physical Therapy Association or another comparable body.

5. To be designated as a psychologist, an individual shall have at least a master's degree in psychology from an accredited school.

6. To be designated as a social worker, an individual shall hold a graduate degree from a school of social work accredited or approved by the Council on Social Work Education or another comparable body or hold a bachelor of social work degree from a college or university accredited or approved by the Council on Social Work Education or another comparable body.

7. To be designated as a speech-language pathologist or audiologist, an individual shall be eligible for a Certificate of Clinical Competence in Speech-Language Pathology or Audiology granted by the American Speech-Language Hearing Association or another comparable body or meet the educational requirements for certification and be in the process of accumulating the supervised experience required for certification.

8. To be designated as a professional recreation staff member, an individual shall have a bachelor's degree in recreation or in a specialty area such as art, dance, music or physical education.

9. To be designated as a professional dietitian, an individual shall be eligible for registration by the American Dietetics Association.

10. To be designated as a human services professional, an individual shall have at least a bachelor's degree in a human services field (including, but not limited to, sociology, special education, rehabilitation counseling and psychology).

(6) If the client's individual program plan is being successfully implemented by facility staff, professional program staff meeting the qualifications of 82.2(3)"b"(5) are not required except for qualified mental retardation professionals who must meet the requirements set forth in 82.2(3)"a."

*c. Facility staffing.*

(1) The facility shall not depend upon clients or volunteers to perform direct care services for the facility.

(2) There shall be responsible direct care staff on duty and awake on a 24-hour basis, when clients are present, to take prompt, appropriate action in case of injury, illness, fire or other emergency, in each defined residential living unit housing: clients for whom a physician has ordered a medical care plan; clients who are aggressive, assaultive or security risks; more than 16 clients; or fewer than 16 clients within a multi-unit building.

(3) There shall be a responsible direct care staff person on duty on a 24-hour basis, when clients are present, to respond to injuries and symptoms of illness, and to handle emergencies, in each defined residential living unit housing: clients for whom a physician has not ordered a medical care plan; clients who are not aggressive, assaultive or security risks; and 16 or fewer clients.

(4) The facility shall provide sufficient support staff so that direct care staff are not required to perform support services to the extent that these duties interfere with the exercise of their primary direct client care duties.

*d. Direct care (residential living unit) staff.*

(1) The facility shall provide sufficient direct care staff to manage and supervise clients in accordance with their individual program plans.

(2) Direct care staff are defined as the present on-duty staff calculated over all shifts in a 24-hour period for each defined residential living unit.

(3) Direct care staff shall be provided by the facility in the following minimum ratios of direct care staff to clients:

1. For each defined residential living unit serving children under the age of 12, severely and profoundly retarded clients, clients with severe physical disabilities, or clients who are aggressive,

assaultive, or security risks, or who manifest severely hyperactive or psychotic-like behavior, the staff-to-client ratio is 1 to 3.2.

2. For each defined residential living unit serving moderately retarded clients, the staff-to-client ratio is 1 to 4.

3. For each defined residential living unit serving clients who function within the range of mild retardation, the staff-to-client ratio is 1 to 6.4.

4. When there are no clients present in the living unit, a responsible staff member must be available by telephone.

*e. Staff training program.*

(1) The facility shall provide each employee with initial and continuing training that enables the employee to perform the employee's duties effectively, efficiently, and competently.

(2) For employees who work with clients, training shall focus on skills and competencies directed toward clients' developmental, behavioral, and health needs.

(3) Staff shall be able to demonstrate the skills and techniques necessary to administer interventions to manage the inappropriate behavior of clients.

(4) Staff shall be able to demonstrate the skills and techniques necessary to implement the individual program plans for each client for whom they are responsible.

**82.2(4) Active treatment services.**

*a. Active treatment.*

(1) Each client shall receive a continuous active treatment program, which includes aggressive, consistent implementation of a program of specialized and generic training, treatment, health services and related services described in this paragraph, that is directed toward: the acquisition of the behaviors necessary for the client to function with as much self-determination and independence as possible; and the prevention or deceleration of regression or loss of current optimal functional status.

(2) Active treatment does not include services to maintain generally independent clients who are able to function with little supervision or in the absence of a continuous active treatment program.

*b. Admissions, transfers, and discharge.*

(1) Clients who are admitted by the facility shall be in need of and receiving active treatment services.

(2) Admission decisions shall be based on a preliminary evaluation of the client that is conducted or updated by the facility or by outside sources.

(3) A preliminary evaluation shall contain background information as well as currently valid assessments of functional developmental, behavioral, social, health and nutritional status to determine if the facility can provide for the client's needs and if the client is likely to benefit from placement in the facility.

(4) If a client is to be either transferred or discharged, the facility shall have documentation in the client's record that the client was transferred or discharged for good cause, and shall provide a reasonable time to prepare the client and the client's parents or guardian for the transfer or discharge (except in emergencies).

(5) At the time of the discharge, the facility shall develop a final summary of the client's developmental, behavioral, social, health and nutritional status and, with the consent of the client, parents (if the client is a minor) or legal guardian, provide a copy to authorized persons and agencies, and shall provide a post-discharge plan of care that will assist the client to adjust to the new living environment.

*c. Individual program plan.*

(1) Each client shall have an individual program plan developed by an interdisciplinary team that represents the professions, disciplines or service areas that are relevant to identifying the client's needs, as described by the comprehensive functional assessments required in 82.2(4) "c"(3), and designing programs that meet the client's needs.

(2) Appropriate facility staff shall participate in interdisciplinary team meetings. Participation by other agencies serving the client is encouraged. Participation by the client, the client's parents (if the

client is a minor), or the client's legal guardian is required unless that participation is unobtainable or inappropriate.

(3) Within 30 days after admission, the interdisciplinary team shall perform accurate assessments or reassessments as needed to supplement the preliminary evaluation conducted prior to admission. The comprehensive functional assessment shall take into consideration the client's age (for example, child, young adult, elderly person) and the implications for active treatment at each stage, as applicable, and shall:

1. Identify the presenting problems and disabilities and, where possible, their causes.
2. Identify the client's specific developmental strengths.
3. Identify the client's specific developmental and behavioral management needs.
4. Identify the client's need for services without regard to the actual availability of the services needed.
5. Include physical development and health, nutritional status, sensorimotor development, affective development, speech and language development and auditory functioning, cognitive development, social development, adaptive behaviors or independent living skills necessary for the client to be able to function in the community, and, as applicable, vocational skills.

(4) Within 30 days after admission, the interdisciplinary team shall prepare for each client an individual program plan that states the specific objectives necessary to meet the client's needs, as identified by the comprehensive assessment required by 82.2(4) "c"(3), and the planned sequence for dealing with those objectives. These objectives shall:

1. Be stated separately, in terms of a single behavioral outcome.
2. Be assigned projected completion dates.
3. Be expressed in behavioral terms that provide measurable indices of performance.
4. Be organized to reflect a developmental progression appropriate to the individual.
5. Be assigned priorities.

(5) Each written training program designed to implement the objectives in the individual program plan shall specify:

1. The methods to be used.
2. The schedule for use of the method.
3. The person responsible for the program.
4. The type of data and frequency of data collection necessary to be able to assess progress toward the desired objectives.
5. The inappropriate client behaviors, if applicable.
6. Provision for the appropriate expression of behavior and the replacement of inappropriate behavior, if applicable, with behavior that is adaptive or appropriate.

(6) The individual program plan shall also:

1. Describe relevant interventions to support the individual toward independence.
2. Identify the location where program strategy information (which shall be accessible to any person responsible for implementation) can be found.
3. Include, for those clients who lack them, training in personal skills essential for privacy and independence (including, but not limited to, toilet training, personal hygiene, dental hygiene, self-feeding, bathing, dressing, grooming, and communication of basic needs), until it has been demonstrated that the client is developmentally incapable of acquiring them.
4. Identify mechanical supports, if needed, to achieve proper body position, balance, or alignment. The plan shall specify the reason for each support, the situations in which each is to be applied, and a schedule for the use of each support.
5. Provide that clients who have multiple disabling conditions spend a major portion of each waking day out of bed and outside the bedroom area, moving about by various methods and devices whenever possible.
6. Include opportunities for client choice and self-management.

(7) A copy of each client's individual program plan shall be made available to all relevant staff, including staff of other agencies who work with the client, and to the client, parents (if the client is a minor) or legal guardian.

*d. Program implementation.*

(1) As soon as the interdisciplinary team has formulated a client's individual program plan, each client shall receive a continuous active treatment program consisting of needed interventions and services in sufficient number and frequency to support the achievement of the objectives identified in the individual program plan.

(2) The facility shall develop an active treatment schedule that outlines the current active treatment program and that is readily available for review by relevant staff.

(3) Except for those facets of the individual program plan that must be implemented only by licensed personnel, each client's individual program plan shall be implemented by all staff who work with the client, including professional, paraprofessional and nonprofessional staff.

*e. Program documentation.*

(1) Data relative to accomplishment of the criteria specified in client individual program plan objectives shall be documented in measurable terms.

(2) The facility shall document significant events that are related to the client's individual program plan and assessments and that contribute to an overall understanding of the client's ongoing level and quality of functioning.

*f. Program monitoring and change.*

(1) The individual program plan shall be reviewed at least by the qualified mental retardation professional and revised as necessary, including, but not limited to, situations in which the client:

1. Has successfully completed an objective or objectives identified in the individual program plan.
2. Is regressing or losing skills already gained.
3. Is failing to progress toward identified objectives after reasonable efforts have been made.
4. Is being considered for training toward new objectives.

(2) At least annually, the comprehensive functional assessment of each client shall be reviewed by the interdisciplinary team for relevancy and updated as needed, and the individual program plan shall be revised, as appropriate, repeating the process set forth in 82.2(4) "c."

(3) The facility shall designate and use a specially constituted committee or committees consisting of members of facility staff, parents, legal guardians, clients (as appropriate), qualified persons who have either experience or training in contemporary practices to change inappropriate client behavior, and persons with no ownership or controlling interest in the facility to:

1. Review, approve, and monitor individual programs designed to manage inappropriate behavior and other programs that, in the opinion of the committee, involve risks to client protection and rights.
2. Ensure that these programs are conducted only with the written informed consent of the client, parent (if the client is a minor), or legal guardian.
3. Review, monitor and make suggestions to the facility about its practices and programs as they relate to drug usage, physical restraints, time-out rooms, application of painful or noxious stimuli, control of inappropriate behavior, protection of client rights and funds, and any other area that the committee believes needs to be addressed.

(4) The provisions of 82.2(4) "f"(3) may be modified only if, in the judgment of the department of inspections and appeals, court decrees, state law or regulations provide for equivalent client protection and consultation.

**82.2(5) Client behavior and facility practices.**

*a. Facility practices—conduct toward clients.*

(1) The facility shall develop and implement written policies and procedures for the management of conduct between staff and clients. These policies and procedures shall:

1. Promote the growth, development and independence of the client.
2. Address the extent to which client choice will be accommodated in daily decision making, emphasizing self-determination and self-management, to the extent possible.
3. Specify client conduct to be allowed or not allowed.

4. Be available to all staff, clients, parents of minor children, and legal guardians.
- (2) To the extent possible, clients shall participate in the formulation of these policies and procedures.
- (3) Clients shall not discipline other clients, except as part of an organized system of self-government, as set forth in facility policy.
- b. Management of inappropriate client behavior.*
  - (1) The facility shall develop and implement written policies and procedures that govern the management of inappropriate client behavior. These policies and procedures shall be consistent with the provisions of 82.2(5) "a." These procedures shall:
    1. Specify all facility-approved interventions to manage inappropriate client behavior.
    2. Designate these interventions on a hierarchy to be implemented ranging from most positive or least intrusive to least positive or most intrusive.
    3. Ensure, prior to the use of more restrictive techniques, that the client's record documents that programs incorporating the use of less intrusive or more positive techniques have been tried systematically and have been demonstrated to be ineffective.
    4. Address the use of time-out rooms, the use of physical restraints, the use of drugs to manage inappropriate behavior, the application of painful or noxious stimuli, the staff members who may authorize the use of specified interventions, and a mechanism for monitoring and controlling the use of these interventions.
  - (2) Interventions to manage inappropriate client behavior shall be employed with sufficient safeguards and supervision to ensure that the safety, welfare and civil and human rights of clients are adequately protected.
  - (3) Techniques to manage inappropriate client behavior shall never be used for disciplinary purposes, for the convenience of staff or as a substitute for an active treatment program.
  - (4) The use of systematic interventions to manage inappropriate client behavior shall be incorporated into the client's individual program plan, in accordance with 82.2(4) "c"(4) and (5).
  - (5) Standing or as-needed programs to control inappropriate behavior are not permitted.
- c. Time-out rooms.*
  - (1) A client may be placed in a room from which egress is prevented only if the following conditions are met:
    1. The placement is a part of an approved systematic time-out program as required by 82.2(5) "b."
    2. The client is under the direct constant visual supervision of designated staff.
    3. The door to the room is held shut by staff or by a mechanism requiring constant physical pressure from a staff member to keep the mechanism engaged.
  - (2) Placement of a client in a time-out room shall not exceed one hour.
  - (3) Clients placed in time-out rooms shall be protected from hazardous conditions including, but not limited to, presence of sharp corners and objects, uncovered light fixtures, unprotected electrical outlets.
  - (4) A record of time-out activities shall be kept.
- d. Physical restraints.*
  - (1) The facility may employ physical restraint only:
    1. As an integral part of an individual program plan that is intended to lead to less restrictive means of managing and eliminating the behavior for which the restraint is applied.
    2. As an emergency measure, but only if absolutely necessary to protect the client or others from injury.
    3. As a health-related protection prescribed by a physician, but only if absolutely necessary during the conduct of a specific medical or surgical procedure, or only if absolutely necessary for client protection during the time that a medical condition exists.
  - (2) Authorizations to use or extend restraints as an emergency shall be in effect no longer than 12 consecutive hours and shall be obtained as soon as the client is restrained or stable.
  - (3) The facility shall not issue orders for restraint on a standing or as-needed basis.

(4) A client placed in restraint shall be checked at least every 30 minutes by staff trained in the use of restraints, shall be released from the restraint as quickly as possible, and a record of these checks and usage shall be kept.

(5) Restraints shall be designated and used so as not to cause physical injury to the client and so as to cause the least possible discomfort.

(6) Opportunity for motion and exercise shall be provided for a period of not less than ten minutes during each two-hour period in which restraint is employed, and a record of the activity shall be kept.

(7) Barred enclosures shall not be more than three feet in height and shall not have tops.

*e. Drug usage.*

(1) The facility shall not use drugs in doses that interfere with the individual client's daily living activities.

(2) Drugs used for control of inappropriate behavior shall be approved by the interdisciplinary team and be used only as an integral part of the client's individual program plan that is directed specifically toward the reduction and eventual elimination of the behaviors for which the drugs are employed.

(3) Drugs used for control of inappropriate behavior shall not be used until it can be justified that the harmful effects of the behavior clearly outweigh the potentially harmful effects of the drugs.

(4) Drugs used for control of inappropriate behavior shall be monitored closely, in conjunction with the physician and the drug regimen review requirement at 82.2(6) "j," for desired responses and adverse consequences by facility staff, and shall be gradually withdrawn at least annually in a carefully monitored program conducted in conjunction with the interdisciplinary team, unless clinical evidence justifies that this is contraindicated.

**82.2(6) Health care services.**

*a. Physician services.*

(1) The facility shall ensure the availability of physician services 24 hours a day.

(2) The physician shall develop, in coordination with licensed nursing personnel, a medical care plan of treatment for a client if the physician determines that an individual client requires 24-hour licensed nursing care. This plan shall be integrated in the individual program plan.

(3) The facility shall provide or obtain preventive and general medical care as well as annual physical examinations of each client that at a minimum include the following:

1. Evaluation of vision and hearing.

2. Immunizations, using as a guide the recommendations of the Public Health Service Advisory Committee on Immunization Practices or of the Committee on the Control of Infectious Diseases of the American Academy of Pediatrics.

3. Routine screening laboratory examinations as determined necessary by the physician, and special studies when needed.

4. Tuberculosis control, appropriate to the facility's population, and in accordance with the recommendations of the American College of Chest Physicians or the section of diseases of the chest of the American Academy of Pediatrics, or both.

(4) To the extent permitted by state law, the facility may utilize physician assistants and nurse practitioners to provide physician services as described in this subrule.

*b. Physician participation in the individual program plan.* A physician shall participate in:

(1) The establishment of each newly admitted client's initial individual program plan.

(2) If appropriate, physicians shall participate in the review and update of an individual program plan as part of the interdisciplinary team process either in person or through written report to the interdisciplinary team.

*c. Nursing services.* The facility shall provide clients with nursing services in accordance with their needs. These services shall include:

(1) Participation as appropriate in the development, review, and update of an individual program plan as part of the interdisciplinary team process.

(2) The development, with a physician, of a medical care plan of treatment for a client when the physician has determined that an individual client requires such a plan.

(3) For those clients certified as not needing a medical care plan, a review of their health status which shall:

1. Be by a direct physical examination.
2. Be by a licensed nurse.
3. Be on a quarterly or more frequent basis depending on client need.
4. Be recorded in the client's record.
5. Result in any necessary action including referral to a physician to address client health problems.

(4) Other nursing care as prescribed by the physician or as identified by client needs.

(5) Implementing, with other members of the interdisciplinary team, appropriate protective and preventive health measures that include, but are not limited to:

1. Training clients and staff as needed in appropriate health and hygiene methods.
2. Control of communicable diseases and infections, including the instruction of other personnel in methods of infection control.
3. Training direct care staff in detecting signs and symptoms of illness or dysfunction, first aid for accidents or illness, and basic skills required to meet the health needs of the clients.

*d. Nursing staff.*

(1) Nurses providing services in the facility shall have a current license to practice in the state.

(2) The facility shall employ or arrange for licensed nursing services sufficient to care for clients' health needs including those clients with medical care plans.

(3) The facility shall utilize registered nurses as appropriate and required by state law to perform the health services specified in this subrule.

(4) If the facility utilizes only licensed practical or vocational nurses to provide health services, it shall have a formal arrangement with a registered nurse to be available for verbal or on-site consultation with the licensed practical or vocational nurse.

(5) Nonlicensed nursing personnel who work with clients under a medical care plan shall do so under the supervision of licensed persons.

*e. Dental services.*

(1) The facility shall provide or make arrangements for comprehensive diagnostic and treatment services for each client from qualified personnel, including licensed dentists and dental hygienists, either through organized dental services in-house or through arrangement.

(2) If appropriate, dental professionals shall participate in the development, review and update of an individual program plan as part of the interdisciplinary process either in person or through written report to the interdisciplinary team.

(3) The facility shall provide education and training in the maintenance of oral health.

*f. Comprehensive dental diagnostic services.* Comprehensive dental diagnostic services include:

(1) A complete extraoral and intraoral examination, using all diagnostic aids necessary to properly evaluate the client's oral condition, not later than one month after admission to the facility unless the examination was completed within 12 months before admission.

(2) Periodic examination and diagnosis performed at least annually, including radiographs when indicated and detection of manifestations of systemic disease.

(3) A review of the results of examination and entry of the results in the client's dental record.

*g. Comprehensive dental treatment.* The facility shall ensure comprehensive dental treatment services that include:

(1) The availability for emergency dental treatment on a 24-hour-a-day basis by a licensed dentist.

(2) Dental care needed for relief of pain and infections, restoration of teeth and maintenance of dental health.

*h. Documentation of dental services.*

(1) If the facility maintains an in-house dental service, the facility shall keep a permanent dental record for each client, with a dental summary maintained in the client's living unit.

(2) If the facility does not maintain an in-house dental service, the facility shall obtain a dental summary of the results of dental visits and maintain the summary in the client's living unit.

*i. Pharmacy services.* The facility shall provide or make arrangements for the provision of routine and emergency drugs and biologicals to its clients. Drugs and biologicals may be obtained from community or contract pharmacists or the facility may maintain a licensed pharmacy.

*j. Drug regimen review.*

(1) A pharmacist with input from the interdisciplinary team shall review the drug regimen of each client at least quarterly.

(2) The pharmacist shall report any irregularities in clients' drug regimens to the prescribing physician and interdisciplinary team.

(3) The pharmacist shall prepare a record of each client's drug regimen reviews and the facility shall maintain that record.

(4) An individual medication administration record shall be maintained for each client.

(5) As appropriate, the pharmacist shall participate in the development, implementation, and review of each client's individual program plan either in person or through written report to the interdisciplinary team.

*k. Drug administration.* The facility shall have an organized system for drug administration that identifies each drug up to the point of administration. The system shall ensure that:

(1) All drugs are administered in compliance with the physician's orders.

(2) All drugs, including those that are self-administered, are administered without error.

(3) Unlicensed personnel are allowed to administer drugs only if state law permits.

(4) Clients are taught how to administer their own medications if the interdisciplinary team determines that self-administration of medications is an appropriate objective, and if the physician does not specify otherwise.

(5) The client's physician is informed of the interdisciplinary team's decision that self-administration of medications is an objective for the client.

(6) No client self-administers medications until the client demonstrates the competency to do so.

(7) Drugs used by clients while not under the direct care of the facility are packaged and labeled in accordance with state law.

(8) Drug administration errors and adverse drug reactions are recorded and reported immediately to a physician.

*l. Drug storage and record keeping.*

(1) The facility shall store drugs under proper conditions of sanitation, temperature, light, humidity, and security.

(2) The facility shall keep all drugs and biologicals locked except when being prepared for administration. Only authorized persons may have access to the keys to the drug storage area. Clients who have been trained to self-administer drugs in accordance with 82.2(6) "k"(4) may have access to keys to their individual drug supply.

(3) The facility shall maintain records of the receipt and disposition of all controlled drugs.

(4) The facility shall, on a sample basis, periodically reconcile the receipt and disposition of all controlled drugs in Schedules II through IV (drugs subject to the Comprehensive Drug Abuse Prevention and Control Act of 1970, 21 U.S.C. 801 et seq.).

(5) If the facility maintains a licensed pharmacy, the facility shall comply with the regulations for controlled drugs.

*m. Drug labeling.*

(1) Labeling of drugs and biologicals shall be based on currently accepted professional principles and practices, and shall include the appropriate accessory and cautionary instructions, as well as the expiration date, if applicable.

(2) The facility shall remove from use outdated drugs and drug containers with worn, illegible, or missing labels.

(3) Drugs and biologicals packaged in containers designated for a particular client shall be immediately removed from the client's current medication supply if discontinued by the physician.

*n. Laboratory services.*

(1) For purposes of this subrule, “laboratory” means an entity for the microbiological, serological, chemical, hematological, radiobioassay, cytological, immunohematological, pathological or other examination of materials derived from the human body, for the purpose of providing information for the diagnosis, prevention, or treatment of any disease or assessment of a medical condition.

(2) If a facility chooses to provide laboratory services, the laboratory shall meet the management requirements specified in 42 CFR 493.1407 and provide personnel to direct and conduct the laboratory services.

The laboratory director shall be technically qualified to supervise the laboratory personnel and test performance and shall meet licensing or other qualification standards established by the state with respect to directors of clinical laboratories.

The laboratory director shall provide adequate technical supervision of the laboratory services and ensure that tests, examinations and procedures are properly performed, recorded and reported.

The laboratory director shall ensure that the staff has appropriate education, experience, and training to perform and report laboratory tests promptly and proficiently; is sufficient in number for the scope and complexity of the services provided; and receives in-service training appropriate to the type of complexity of the laboratory services offered.

The laboratory technologists shall be technically competent to perform test procedures and report test results promptly and proficiently.

(3) The laboratory shall meet the proficiency testing requirements specified in 42 CFR 493.801.

(4) The laboratory shall meet the quality control requirements specified in 42 CFR 493.1501.

(5) If the laboratory chooses to refer specimens for testing to another laboratory, the referral laboratory shall be an approved Medicare laboratory.

**82.2(7) Physical environment.**

*a. Client living environment.*

(1) The facility shall not house clients of grossly different ages, developmental levels, and social needs in close physical or social proximity unless the housing is planned to promote the growth and development of all those housed together.

(2) The facility shall not segregate clients solely on the basis of their physical disabilities. It shall integrate clients who have ambulation deficits or who are deaf, blind, or have seizure disorders with others of comparable social and intellectual development.

*b. Client bedrooms.*

(1) Bedrooms shall:

1. Be rooms that have at least one outside wall.

2. Be equipped with or located near toilet and bathing facilities.

3. Accommodate no more than four clients unless granted a variance under 82.2(7)“b”(3).

4. Measure at least 60 square feet per client in multiple-client bedrooms and at least 80 square feet in single-client bedrooms.

5. In all facilities initially certified or in buildings constructed or with major renovations or conversions, have walls that extend from floor to ceiling.

(2) If a bedroom is below grade level, it shall have a window that is usable as a second means of escape by the client occupying the rooms and shall be no more than 44 inches measured to the windowsill above the floor unless the facility is surveyed under the Health Care Occupancy Chapter of the Life Safety Code, in which case the window must be no more than 36 inches measured to the windowsill above the floor.

(3) The department of inspections and appeals may grant a variance from the limit of four clients per room only if a physician who is a member of the interdisciplinary team and who is a qualified mental retardation professional certifies that each client to be placed in a bedroom housing more than four persons is so severely medically impaired as to require direct and continuous monitoring during sleeping hours and documents the reasons why housing in a room of only four or fewer persons would not be medically feasible.

(4) The facility shall provide each client with:

1. A separate bed of proper size and height for the convenience of the client.

2. A clean, comfortable mattress.
3. Bedding appropriate to the weather and climate.
4. Functional furniture appropriate to the client's needs, and individual closet space in the client's bedroom with clothes racks and shelves accessible to the client.

*c. Storage space in bedroom.* The facility shall provide:

(1) Space and equipment for daily out-of-bed activity for all clients who are not yet mobile, except those who have a short-term illness or those few clients for whom out-of-bed activity is a threat to health and safety.

(2) Suitable storage space, accessible to clients, for personal possessions such as televisions, radios, prosthetic equipment and clothing.

*d. Client bathrooms.* The facility shall:

(1) Provide toilet and bathing facilities appropriate in number, size, and design to meet the needs of the clients.

(2) Provide for individual privacy in toilets, bathtubs, and showers.

(3) In areas of the facility where clients who have not been trained to regulate water temperature are exposed to hot water, ensure that the temperature of the water does not exceed 110 degrees Fahrenheit.

*e. Heating and ventilation.*

(1) Each client bedroom in the facility shall have at least one window to the outside and direct outside ventilation by means of windows, air conditioning, or mechanical ventilation.

(2) The facility shall maintain the temperature and humidity within a normal comfort range by heating, air conditioning or other means and ensure that the heating apparatus does not constitute a burn or smoke hazard to clients.

*f. Floors.* The facility shall have:

(1) Floors that have a resilient, nonabrasive, and slip-resistant surface.

(2) Nonabrasive carpeting, if the area used by clients is carpeted and serves clients who lie on the floor or ambulate with parts of their bodies, other than feet, touching the floor.

(3) Exposed floor surfaces and floor coverings that promote mobility in areas used by clients, and promote maintenance of sanitary conditions.

*g. Space and equipment.* The facility shall:

(1) Provide sufficient space and equipment in dining, living, health services, recreation, and program areas (including adequately equipped and sound treated areas for hearing and other evaluations if they are conducted in the facility) to enable staff to provide clients with needed services as required by this rule and as identified in each client's individual program plan.

(2) Furnish, maintain in good repair, and teach clients to use and to make informed choices about the use of dentures, eyeglasses, hearing and other communications aids, braces, and other devices identified by the interdisciplinary team as needed by the client.

(3) Provide adequate clean linen and dirty linen storage areas.

*h. Emergency plan and procedures.*

(1) The facility shall develop and implement detailed written plans and procedures to meet all potential emergencies and disasters such as fire, severe weather, and missing clients.

(2) The facility shall communicate, periodically review, make the plan available, and provide training to the staff.

*i. Evacuation drills.*

(1) The facility shall hold evacuation drills at least quarterly for each shift of personnel and under varied conditions to ensure that all personnel on all shifts are trained to perform assigned tasks; ensure that all personnel on all shifts are familiar with the use of the facility's fire protection features; and evaluate the effectiveness of emergency and disaster plans and procedures.

(2) The facility shall actually evacuate clients during at least one drill each year on each shift; make special provisions for the evacuation of clients with physical disabilities; file a report and evaluation on each evacuation drill; and investigate all problems with evacuation drills, including accidents, and take corrective action. During fire drills, clients may be evacuated to a safe area in facilities certified under the Health Care Occupancies Chapter of the Life Safety Code.

(3) Facilities shall meet the requirements of 82.2(7) "i"(1) and (2) for any live-in and relief staff they utilize.

*j. Fire protection.*

(1) General.

1. Except as specified in 82.2(7) "i"(2), the facility shall meet the applicable provisions of either the Health Care Occupancies Chapters or the Residential Board and Care Occupancies Chapter of the Life Safety Code (LSC) of the National Fire Protection Association, 1985 edition, which is incorporated by reference.

2. The department of inspections and appeals may apply a single chapter of the LSC to the entire facility or may apply different chapters to different buildings or parts of buildings as permitted by the LSC.

3. A facility that meets the LSC definition of a residential board and care occupancy and that has 16 or fewer beds shall have its evacuation capability evaluated in accordance with the Evacuation Difficulty Index of the LSC (Appendix F).

(2) Exceptions.

1. For facilities that meet the LSC definition of a health care occupancy, the Centers for Medicare and Medicaid Services may waive, for a period it considers appropriate, specific provisions of the LSC if the waiver would not adversely affect the health and safety of the clients and rigid application of specific provisions would result in an unreasonable hardship for the facility.

The department of inspections and appeals may apply the state's fire and safety code instead of the LSC if the Secretary of the Department of Health and Human Services finds that the state has a code imposed by state law that adequately protects a facility's clients.

Compliance on November 28, 1982, with the 1967 edition of the LSC or compliance on April 18, 1986, with the 1981 edition of the LSC, with or without waivers, is considered to be compliance with this standard as long as the facility continues to remain in compliance with that edition of the code.

2. For facilities that meet the LSC definition of a residential board and care occupancy and that have more than 16 beds, the department of inspections and appeals may apply the state's fire and safety code as specified above.

*k. Paint.* The facility shall:

(1) Use lead-free paint inside the facility.

(2) Remove or cover interior paint or plaster containing lead so that it is not accessible to clients.

*l. Infection control.*

(1) The facility shall provide a sanitary environment to avoid sources and transmission of infections. There shall be an active program for the prevention, control, and investigation of infection and communicable diseases.

(2) The facility shall implement successful corrective action in affected problem areas.

(3) The facility shall maintain a record of incidents and corrective actions related to infections.

(4) The facility shall prohibit employees with symptoms or signs of a communicable disease from direct contact with clients and their food.

**82.2(8)** *Dietetic services.*

*a. Food and nutrition services.*

(1) Each client shall receive a nourishing, well-balanced diet including modified and specially prescribed diets.

(2) A qualified dietitian shall be employed either full-time, part-time or on a consultant basis at the facility's discretion.

(3) If a qualified dietitian is not employed full-time, the facility shall designate a person to serve as the director of food services.

(4) The client's interdisciplinary team, including a qualified dietitian and physician, shall prescribe all modified and special diets including those used as a part of a program to manage inappropriate client behavior.

(5) Foods proposed for use as a primary reinforcement of adaptive behavior are evaluated in light of the client's nutritional status and needs.

(6) Unless otherwise specified by medical needs, the diet shall be prepared at least in accordance with the latest edition of the recommended dietary allowances of the Food and Nutrition Board of the National Research Council, National Academy of Sciences, adjusted for age, sex, disability and activity.

*b. Meal services.*

(1) Each client shall receive at least three meals daily, at regular times comparable to normal mealtimes in the community with:

1. Not more than 14 hours between a substantial evening meal and breakfast of the following day, except on weekends and holidays when a nourishing snack is provided at bedtime, 16 hours may elapse between a substantial evening meal and breakfast.

2. Not less than 10 hours between breakfast and the evening meal of the same day, except as provided under 82.2(8)“b”(1)“1.”

(2) Food shall be served:

1. In appropriate quantity.
2. At appropriate temperature.
3. In a form consistent with the developmental level of the client.
4. With appropriate utensils.

(3) Food served to clients individually and uneaten shall be discarded.

*c. Menus.*

(1) Menus shall:

1. Be prepared in advance.
2. Provide a variety of foods at each meal.
3. Be different for the same days of each week and adjusted for seasonal change.
4. Include the average portion sizes for menu items.

(2) Menus for food actually served shall be kept on file for 30 days.

*d. Dining areas and service.* The facility shall:

(1) Serve meals for all clients, including persons with ambulation deficits, in dining areas, unless otherwise specified by the interdisciplinary team or a physician.

(2) Provide table service for all clients who can and will eat at a table, including clients in wheelchairs.

(3) Equip areas with tables, chairs, eating utensils, and dishes designed to meet the developmental needs of each client.

(4) Supervise and staff dining rooms adequately to direct self-help dining procedure, to ensure that each client receives enough food and to ensure that each client eats in a manner consistent with the client’s developmental level.

(5) Ensure that each client eats in an upright position, unless otherwise specified by the interdisciplinary team or physician.

This rule is intended to implement Iowa Code section 249A.12.

**441—82.3(249A) Conditions of participation for intermediate care facilities for the mentally retarded.** All intermediate care facilities for the mentally retarded must enter into a contractual agreement with the department which sets forth the terms under which they will participate in the program.

**82.3(1) Procedures for establishing health care facilities as Title XIX facilities.** All survey procedures and the certification process shall be in accordance with Department of Health and Human Services publication “Providers Certification State Operations Manual.”

*a.* The facility shall obtain the applicable license from the department of inspections and appeals.

*b.* The facility shall request an application, Form 470-0254, Iowa Medicaid Provider Enrollment Application, from the Iowa Medicaid enterprise provider services unit.

*c.* The department shall transmit an application form and copies of standards to the facility.

*d.* The facility shall complete its portion of the application form and submit it to the department.

*e.* The department shall review the application form and forward it to the department of inspections and appeals.

*f.* The department of inspections and appeals shall schedule and complete a survey of the facility.  
*g.* The department of inspections and appeals shall notify the facility of any deficiencies and ask for a plan for the correction of the deficiencies.

*h.* The facility shall submit a plan of correction within ten days after receipt of written deficiencies from the health facilities division, department of inspections and appeals. This plan must be approved before the facility can be certified.

*i.* The department of inspections and appeals shall evaluate the survey findings and plan of correction and either recommend the facility for certification or recommend denial of certification. The date of certification will be the date of approval of the plan of corrections.

*j.* When certification is recommended, the department of inspections and appeals shall notify the department recommending terms and conditions of a provider agreement.

*k.* The department shall review the certification data and:

- (1) Transmit the provider agreement as recommended, or
- (2) Transmit the provider agreement for a term less than recommended by the department of inspections and appeals or elect not to execute an agreement for reasons of good cause as defined in 82.3(2) "c."

**82.3(2) Title XIX provider agreements.** The health care facility must be recommended for certification by the Iowa department of inspections and appeals for participation as an intermediate care facility for the mentally retarded before a provider agreement may be issued. All survey procedures and certification processes shall be in accordance with Department of Health and Human Services publication "Providers Certification State Operations Manual." The effective date of a provider agreement may not be earlier than the date of certification.

*a.* Terms of the agreement for facilities without deficiencies are as follows:

- (1) The provider agreement shall be issued for a period not to exceed 12 months.
- (2) The provider agreement shall be for the term of and in accordance with the provisions of certification, except that for good cause, the department may elect to execute an agreement for a term less than the period of certification, elect not to execute an agreement for reasons of good cause, or cancel an agreement.

*b.* Terms of the agreement for facilities with deficiencies are as follows:

- (1) A new provider agreement may be executed for a period not to exceed 60 days from the time required to correct deficiencies up to a period of 12 months.
- (2) A new provider agreement may be issued for a period of up to 12 months subject to automatic cancellation 60 days following the scheduled date for correction unless required corrections have been completed or unless the survey agency finds and notifies the department that the facility has made substantial progress in correcting the deficiencies and has resubmitted in writing a new plan of correction acceptable to the survey agency.

(3) There will be no new agreement when the facility continues to be out of compliance with the same standard(s) at the end of the term of agreement.

*c.* The department may, for good cause, elect not to execute an agreement. Good cause shall be defined as a continued or repeated failure to operate an intermediate care facility for the mentally retarded in compliance with rules and regulations of the program.

*d.* The department may at its option extend an agreement with a facility for two months under either of the following conditions:

- (1) The health and safety of the residents will not be jeopardized thereby and the extension is necessary to prevent irreparable harm to the facility or hardship to the resident.
- (2) It is impracticable to determine whether the facility is complying with the provisions and requirements of the provider agreement.

*e.* When it becomes necessary for the department to cancel or refuse to renew a Title XIX provider agreement, federal financial participation may continue for 30 days beyond the date of cancellation if the extension is necessary to ensure the orderly transfer of residents.

*f.* When the department of inspections and appeals survey indicates deficiencies in the areas of the Life Safety Code (LSC) or environment and sanitation, a timetable detailing corrective measures shall be

submitted to the department of inspections and appeals before a provider agreement can be issued. This timetable shall not exceed two years from the date of initial certification and shall detail corrective steps to be taken and when corrections will be accomplished. The following shall apply in these instances.

(1) The department of inspections and appeals shall determine that the facility can make corrections within the two-year period.

(2) During the period allowed for corrections, the facility shall be in compliance with existing state fire safety and sanitation codes and regulations.

(3) The facility shall be surveyed at least semiannually until corrections are completed. The facility must have made substantial effort and progress in its plan of correction as evidenced by work orders, contracts, or other evidence.

**82.3(3) Appeals of decertification.** A facility may appeal a decertification action according to 441—subrule 81.13(28).

This rule is intended to implement Iowa Code section 249A.12.

**441—82.4** Rescinded, effective March 1, 1987.

**441—82.5(249A) Financial and statistical report.** All facilities wishing to participate in the program shall submit a Financial and Statistical Report, Form 470-0030, to the department. These reports shall be based on the following rules.

**82.5(1) Failure to maintain records.** Failure to maintain and submit adequate accounting or statistical records shall result in termination or suspension of participation in the program.

**82.5(2) Accounting procedures.** Financial information shall be based on that appearing in the audited financial statement. Adjustments to convert to the accrual basis of accounting shall be made when the records are maintained on other accounting bases. Facilities which are a part of a larger health facility extending short-term, intensive, or other health care not generally considered nursing care may submit a cost apportionment schedule prepared in accordance with recognized methods and procedures. The schedule shall be required when necessary for a fair presentation of expense attributable to intermediate care facility patients.

**82.5(3) Submission of reports.** The facility's cost report shall be submitted to the department no later than September 30 each year except as described in subrule 82.5(14). Failure to submit the report within this time shall reduce payment to 75 percent of the current rate. The reduced rate shall be paid for no longer than three months, after which time no further payments will be made.

**82.5(4) Payment at new rate.** When a new rate is established, payment at the new rate shall be effective with services rendered as of the first day of the month in which the report is postmarked, or if the report was personally delivered, the first day of the month in which the report was received by the department. Adjustments shall be included in the payment the third month after the receipt of the report.

**82.5(5) Accrual basis.** Facilities not using the accrual basis of accounting shall adjust recorded amounts to the accrual basis. Expenses which pertain to an entire year shall be properly amortized by month in order to be properly recorded for the annual fiscal year report. Records of cash receipts and disbursements shall be adjusted to reflect accruals of income and expense.

**82.5(6) Census of Medicaid members.** Census figures of Medicaid members shall be obtained on the last day of the month ending the reporting period.

**82.5(7) Patient days.** In determining inpatient days, a patient day is that period of service rendered a patient between the census-taking hours on two successive days, the day of discharge being counted only when the patient was admitted that same day.

**82.5(8) Opinion of accountant.** The department may require that an opinion of a certified public accountant or public accountant accompany the report when adjustments made to prior reports indicate disregard of the certification and reporting instructions.

**82.5(9) Calculating patient days.** When calculating patient days, facilities shall use an accumulation method.

a. Census information shall be based on a patient status at midnight each day. A patient whose status changes from one class to another shall be shown as discharged from the previous status and admitted to the new status on the same day.

b. When a member is on a reserve bed status and the department is paying on a per diem basis for the holding of a bed, or any day a bed is reserved for a public assistance or nonpublic assistance patient and a per diem rate for the bed is charged to any party, the reserved days shall be included in the total census figures for inpatient days.

**82.5(10) Revenues.** Revenues shall be reported as recorded in the general books and records. Expense recoveries credited to expense accounts shall not be reclassified in order to be reflected as revenues.

a. Routine daily services shall represent the established charge for daily care. Routine daily services are those services which include room, board, nursing services, and such services as supervision, feeding, incontinency, and similar services, for which the associated costs are in nursing service.

b. Revenue from ancillary services provided to patients shall be applied in reduction of the related expense.

c. Revenue from the sale of medical supplies, food or services to employees or nonresidents of the facility shall be applied in reduction of the related expense. Revenue from the sale to private-pay residents of items or services which are included in the medical assistance per diem will not be offset.

d. Investment income adjustment is necessary only when interest expense is incurred, and only to the extent of the interest expense.

e. Laundry revenue shall be applied to laundry expense.

f. Accounts receivable charged off or provision for uncollectible accounts shall be reported as a deduction from gross revenue.

**82.5(11) Limitation of expenses.** Certain expenses that are not normally incurred in providing patient care shall be eliminated or limited according to the following rules.

a. Federal and state income taxes are not allowed as reimbursable costs. These taxes are considered in computing the fee for services for proprietary institutions.

b. Fees paid directors and nonworking officer's salaries are not allowed as reimbursable costs.

c. Personal travel and entertainment are not allowed as reimbursable costs. Certain expenses such as rental or depreciation of a vehicle and expenses of travel which include both business and personal shall be prorated. Amounts that appear excessive may be limited after considering the specific circumstances. Records shall be maintained to substantiate the indicated charges.

d. Loan acquisition fees and standby fees are not considered part of the current expense of patient care, but should be amortized over the life of the related loan.

e. A reasonable allowance of compensation for services of owners or immediate relatives is an allowable cost, provided the services are actually performed in a necessary function. For this purpose, the following persons are considered immediate relatives: husband and wife; natural parent, child and sibling; adopted child and adoptive parent; stepparent, stepchild, stepbrother and stepsister; father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, and sister-in-law; grandparent and grandchild. Adequate time records shall be maintained. Adjustments may be necessary to provide compensation as an expense for nonsalaried working proprietors and partners. Members of religious orders serving under an agreement with their administrative office are allowed salaries paid persons performing comparable services. When maintenance is provided these persons by the facility, consideration shall be given to the value of these benefits and this amount shall be deducted from the amount otherwise allowed for a person not receiving maintenance.

(1) Compensation means the total benefit received by the owner or immediate relative for services rendered. It includes salary amounts paid for managerial, administrative, professional, and other services; amounts paid by the facility for the personal benefit of the proprietor or immediate relative; the cost of assets and services which the proprietor or immediate relative receives from the facility; and deferred compensation.

(2) Reasonableness—requires that the compensation allowance be such an amount as would ordinarily be paid for comparable services by comparable institutions, and depends upon the facts and circumstances of each case.

(3) Necessary—requires that the function be such that had the owner or immediate relative not rendered the services, the facility would have had to employ another person to perform the service, and be pertinent to the operation and sound conduct of the institution.

(4) The base maximum allowed compensation for an administrator who is involved in ownership of the facility or who is an immediate relative of an owner of the facility is \$1,926 per month plus \$20.53 per month per licensed bed capacity for each bed over 60, not to exceed \$2,852 per month. An administrator is considered to be involved in ownership of a facility when the administrator has ownership interest of 5 percent or more.

On a semiannual basis, the maximum allowed compensation amounts for these administrators shall be increased or decreased by the inflation factor applied to facility rates.

(5) The maximum allowed compensation for an assistant administrator who is involved in ownership of the facility or who is an immediate relative of an owner of the facility in facilities having a licensed capacity of 151 or more beds is 60 percent of the amount allowed for the administrator. An assistant administrator is considered to be involved in ownership of a facility when the assistant administrator has ownership interest of 5 percent or more.

(6) The maximum allowed compensation for a director of nursing or any employee who is involved in ownership of the facility or who is an immediate relative of an owner of the facility is 60 percent of the amount allowed for the administrator. Persons involved in ownership or relatives providing professional services shall be limited to rates prevailing in the community not to exceed 60 percent of the allowable rate for the administrator on a semiannual basis. Records shall be maintained in the same manner for an employee involved in ownership as are maintained for any employee of the facility. Ownership is defined as an interest of 5 percent or more.

*f.* Management fees and home office costs shall be allowed only to the extent that they are related to patient care and replace or enhance but do not duplicate functions otherwise carried out in a facility.

*g.* Depreciation based upon tax cost using only the straight-line method of computation, recognizing the estimated useful life of the asset as defined in the American Hospital Association Useful Life Guide, may be included as a patient cost. When accelerated methods of computation have been elected for income tax purposes, an adjustment shall be made. For change of ownership, refer to subrule 82.5(12).

*h.* Necessary and proper interest on both current and capital indebtedness is an allowable cost.

(1) Interest is the cost incurred for the use of borrowed funds. Interest on current indebtedness is the cost incurred for funds borrowed for a relatively short term. Interest on capital indebtedness is the cost incurred for funds borrowed for capital purposes.

(2) “Necessary” requires that the interest be incurred on a loan made to satisfy a financial need of the provider, be incurred on a loan made for a purpose reasonably related to patient care, and be reduced by investment income except where the income is from gifts and grants whether restricted or unrestricted, and which are held separate and not commingled with other funds.

(3) “Proper” requires that interest be incurred at a rate not in excess of what a prudent borrower would have had to pay in the money market on the date the loan was made, and be paid to a lender not related through control or ownership to the borrowing organization.

(4) Interest on loans is allowable as cost at a rate not in excess of the amount an investor could receive on funds invested in the locality on the date the loan was made.

(5) Interest is an allowable cost when the general fund of a provider borrows from a donor-restricted fund, a funded depreciation account of the provider, or the provider’s qualified pension fund, and pays interest to the fund, or when a provider operated by members of a religious order borrows from the order.

(6) When funded depreciation is used for purposes other than improvement, replacement or expansion of facilities or equipment related to patient care, allowable interest expense is reduced to adjust for offsets not made in prior years for earnings on funded depreciation. A similar treatment will

be accorded deposits in the provider's qualified pension fund where the deposits are used for other than the purpose for which the fund was established.

*i.* Costs applicable to supplies furnished by a related party or organization are a reimbursable cost when included at the cost to the related party or organization. The cost shall not exceed the price of comparable supplies that could be purchased elsewhere.

(1) Related means that the facility, to a significant extent, is associated with or has control of or is controlled by the organization furnishing the services, facilities, or supplies.

(2) Common ownership exists when an individual or individuals possess significant ownership or equity in the facility and the institution or organization serving the provider.

(3) Control exists where an individual or an organization has power, directly or indirectly, to significantly influence or direct the actions or policies of an organization or institution.

(4) When the facility demonstrates by convincing evidence that the supplying organization is a bona fide separate organization; that a substantial part of its business activity of the type carried on with the facility is transacted with others and there is an open competitive market for the type of services, facilities, or supplies furnished by the organization; that the services, facilities, or supplies are those which commonly are obtained by similar institutions from other organizations and are not a basic element of patient care ordinarily furnished directly to patients by the institutions; and that the charge to the facility is in line with the charge for services, facilities, or supplies in the open market and no more than the charge made under comparable circumstances to others by the organization for the services, facilities, or supplies, the charges by the supplier shall be allowable costs.

*j.* A facility entering into a new or renewed rent or lease agreement on or after June 1, 1994, shall be subject to the provisions of this paragraph.

When the operator of a participating facility rents from a nonrelated party, the amount of rent expense allowable on the cost report shall be the lesser of the actual rent payments made under the terms of the lease or an annual reasonable rate of return applied to the cost of the facility. The cost of the facility shall be determined as the historical cost of the facility in the hands of the owner when the facility first entered the Iowa Medicaid program. Where the facility has previously participated in the program, the cost of the facility shall be determined as the historical cost of the facility, as above, less accumulated depreciation claimed for cost reimbursement under the program. The annual reasonable rate of return shall be defined as one and one-half times the annualized interest rate of 30-year Treasury bonds as reported by the Federal Reserve Board on a weekly-average basis, at the date the lease was entered into.

When the operator of a participating facility rents the building from a related party, the amount of rent expense allowable on the cost report shall be limited to the lesser of the actual rent payments made under the terms of the lease or the amount of property costs that would otherwise have been allowable under the Iowa Medicaid program to an owner-provider of that facility.

The lessee shall submit a copy of the lease agreement, documentation of the cost basis used and a schedule demonstrating that the limitations have been met with the first cost report filed for which lease costs are claimed.

*k.* Each facility which supplies transportation services as defined in Iowa Code section 324A.1, subsection 1, shall provide current documentation of compliance with or exemption from public transit coordination requirements as found in Iowa Code chapter 324A and department of transportation rules 761—Chapter 910 at the time of annual contract renewal. Failure to cooperate in obtaining or in providing the required documentation of compliance or exemption after receipt from the Iowa department of transportation, public transit division, shall result in disallowance of vehicle costs and other costs associated with transporting residents.

*l.* Depreciation, interest and other capital costs attributable to construction of new facilities, expanding existing facilities, or the purchase of an existing facility, are allowable expenses only if prior approval has been gained through the health planning process specified in rules of the public health department, 641—Chapter 201.

*m.* Reasonable legal fees are an allowable cost when directly related to patient care. Legal fees related to defense against threatened state license revocation or Medicaid decertification are allowable

costs only up to the date a final appeal decision is issued. However, in no case will legal fees related to Medicaid decertification be allowable costs for more than 120 days following the decertification date.

**82.5(12) Termination or change of owner.**

*a.* A participating facility contemplating termination of participation or negotiating a change of ownership shall provide the department with at least 60 days' prior notice. A transfer of ownership or operation terminates the participation agreement. A new owner or operator shall establish that the facility meets the conditions for participation and enter into a new agreement. The person responsible for transfer of ownership or for termination is responsible for submission of a final financial and statistical report through the date of the transfer. No payment to the new owner will be made until formal notification is received. The following situations are defined as a transfer of ownership:

(1) In the case of a partnership which is a party to an agreement to participate in the medical assistance program, the removal, addition, or substitution of an individual for a partner in the association, in the absence of an express statement to the contrary, dissolves the old partnership and creates a new partnership which is not a party to the previously executed agreement and a transfer of ownership has occurred.

(2) When a participating nursing home is a sole proprietorship, a transfer of title and property to another party constitutes a change of ownership.

(3) When the facility is a corporation, neither a transfer of corporate stock nor a merger of one or more corporations with the participating corporation surviving is a transfer of ownership. A consolidation of two or more corporations resulting in the creation of a new corporate entity constitutes a change of ownership.

(4) When a participating facility is leased, a transfer of ownership is considered to have taken place. When the entire facility is leased, the total agreement with the lessor terminates. When only part of the facility is leased, the agreement remains in effect with respect to the unleased portion, but terminates with respect to the leased portion.

*b.* No increase in the value of the property shall be allowed in determining the Medicaid rate for the new owner with any change of ownership (including lease agreements). When filing the first cost report, the new owner shall either continue the schedule of depreciation and interest established by the previous owner, or the new owner may choose to claim the actual rate of interest expense. The results of the actual rate of interest expense shall not be higher than would be allowed under the Medicare principles of reimbursement and shall be applied to the allowed depreciable value established by the previous owner, less any down payment made by the new owner.

*c.* Other acquisition costs of the new owner such as legal fees, accounting and administrative costs, travel costs and the costs of feasibility studies attributable to the negotiation or settlement of the sale or purchase of the property shall not be allowed.

*d.* In general, the provisions of Section 1861(v)(1)(0) of the Social Security Act regarding payment allowed under Medicare principles of reimbursement at the time of a change of ownership shall be followed, except that no return on equity or recapture of depreciation provisions shall be employed.

*e.* A new owner or lessee wishing to claim a new rate of interest expense must submit documentation which verifies the amount of down payment made, the actual rate of interest, and the number of years required for repayment with the next semiannual cost report. In the absence of the necessary supportive documentation, interest and other property costs for all facilities which have changed or will change ownership shall continue at the rate allowed the previous owner.

**82.5(13) Assessed fee.** The fee assessed pursuant to 441—Chapter 36 shall be an allowable cost for cost reporting and audit purposes.

*a.* For the purpose of implementing the assessment for facilities operated by the state, Medicaid reimbursement rates shall be recalculated effective October 1, 2003, as provided in paragraph "*b.*"

*b.* For purposes of determining rates paid for services rendered after October 1, 2003, each state-operated facility's annual costs for periods before implementation of the assessment shall be increased by an amount equal to 6 percent of the facility's annual revenue for the preceding fiscal year.

**82.5(14) Payment to new facility.** A facility receiving Medicaid ICF/MR certification on or after July 1, 1992, shall be subject to the provisions of this subrule.

*a.* A facility receiving initial Medicaid certification for ICF/MR level of care shall submit a budget for six months of operation beginning with the month in which Medicaid certification is given. The budget shall be submitted at least 30 days in advance of the anticipated certification date. The Medicaid per diem rate for a new facility shall be based on the submitted budget subject to review by the accounting firm under contract with the department. The rate shall be subject to a maximum set at the eightieth percentile of all participating community-based Iowa ICFs/MR with established base rates. The eightieth percentile maximum rate shall be adjusted July 1 of each year. The state hospital schools shall not be included in the compilation of facility costs. The beginning rates for a new facility shall be effective with the date of Medicaid certification.

*b.* Initial cost report. Following six months of operation as a Medicaid-certified ICF/MR, the facility shall submit a report of actual costs. The rate computed from this cost report shall be adjusted to 100 percent occupancy plus the annual percentage increase of the Consumer Price Index for all urban consumers, U.S. city average (hereafter referred to as the Consumer Price Index). For the period beginning July 1, 2009, and ending June 30, 2010, 3 percent shall be used to adjust costs for inflation, instead of the annual percentage increase of the Consumer Price Index. Business start-up and organization costs shall be accounted for in the manner prescribed by the Medicare and Medicaid standards. Any costs that are properly identifiable as start-up costs, organization costs or capitalizable as construction costs must be appropriately classified as such.

(1) Start-up costs. In the period of developing a provider's ability to furnish patient care services, certain costs are incurred. The costs incurred during this time of preparation are referred to as start-up costs. Since these costs are related to patient care services rendered after the time of preparation, the costs must be capitalized as deferred charges and amortized over a five-year period.

Start-up costs include, for example, administrative and program staff salaries, heat, gas and electricity, taxes, insurance, mortgage and other interest, employee training costs, repairs and maintenance, and housekeeping.

(2) Organization costs. Organization costs are those costs directly related to the creation of a corporation or other form of business. These costs are an intangible asset in that they represent expenditures for rights and privileges which have a value to the enterprise. The services inherent in organization costs extend over more than one accounting period and affect the costs of future periods of operation. Organization costs must be amortized over a five-year period.

1. Allowable organization costs. Allowable organization costs include, but are not limited to, legal fees incurred in establishing the corporation or other organization (such as drafting the corporate charter and bylaws, legal agreements, minutes of organization meetings, terms of original stock certificates), necessary accounting fees, expenses of temporary directors and organizational meetings of directors and stockholders, and fees paid to states for incorporation.

2. Unallowable organization costs. The following types of costs are not considered allowable organization costs: costs relating to the issuance and sale of shares of capital stock or other securities, such as underwriters' fees and commissions, accountant's or lawyer's fees; costs of qualifying the issues with the appropriate state or federal authorities; and stamp taxes.

*c.* Standardization of cost reporting period for new facilities.

(1) Facilities receiving initial certification between July 1 and December 31 (inclusive) shall submit three successive six-month cost reports covering their first 18 months of operation. The fourth six-month cost report shall cover the January 1 to June 30 period. Thereafter, the facility shall submit a cost report on an annual basis of July 1 to June 30.

(2) Facilities receiving initial certification between January 1 and June 30 (inclusive) shall submit two successive six-month cost reports covering the first 12 months of operation. The third six-month cost report shall cover the January 1 to June 30 period. Thereafter, the facility shall submit a cost report on an annual basis of July 1 to June 30.

(3) All facilities shall comply with the requirements of subrule 82.5(3) when submitting reports.

*d.* Completion of 12 months of operation. Following the first 12 months of operation as a Medicaid-certified ICF/MR as described in subrule 82.5(14), the facility shall submit a cost report for the second six months of operation. An on-site audit of facility costs shall be performed by the

accounting firm under contract with the department. Based on the audited cost report, a rate shall be established for the facility. This rate shall be considered the base rate until rebasing of facility costs occurs.

(1) A new maximum allowable base cost will be calculated each year by increasing the prior year's maximum allowable base by the annual percentage increase of the Consumer Price Index. For the period beginning July 1, 2009, and ending June 30, 2010, the prior year's maximum allowable base cost shall be increased by 3 percent, instead of the annual percentage increase of the Consumer Price Index.

(2) Each year's maximum allowable base cost represents the maximum amount that can be reimbursed.

*e.* Maximum rate. Facilities shall be subject to a maximum rate set at the eightieth percentile of the total per diem cost of all participating community-based ICFs/MR with established base rates. The eightieth percentile maximum rate shall be adjusted July 1 of each year using cost reports on file December 31 of the previous year.

*f.* Incentive factor. New facilities which complete the second annual period of operation that have an annual per unit cost percentage increase of less than the percentage increase of the Consumer Price Index, as described in 82.5(14) "d," shall be given their actual percentage increase plus one-half the difference of their actual percentage increase compared to the allowable maximum percentage increase. This percentage difference multiplied by the actual per diem cost for the annual period just completed is the incentive factor. For the period beginning July 1, 2009, and ending June 30, 2010, the incentive factor shall be calculated using 3 percent in place of the percentage increase of the Consumer Price Index.

(1) The incentive factor will be added to the new reimbursement base rate to be used as the per diem rate for the next annual period of operation.

(2) Facilities whose annual per unit cost decreased from the prior year shall be given their actual per unit cost plus one and one-half the percentage increase in the Consumer Price Index as an incentive for cost containment.

*g.* Reimbursement for first annual period. The reimbursement for the first annual period will be determined by multiplying the per diem rate calculated for the base period by the Consumer Price Index plus one.

(1) The projected reimbursement for each period thereafter (until rebasing) will be calculated by multiplying the lower of the prior year's actual or the projected reimbursement per diem by the Consumer Price Index plus one. For the period beginning July 1, 2009, and ending June 30, 2010, the projected reimbursement will be determined using a multiplier of 3 percent instead of the Consumer Price Index.

(2) If a facility experiences an increase in actual costs that exceeds both the actual reimbursement and the maximum allowable base cost as determined for that annual period, the facility shall receive as reimbursement in the following period the maximum allowable base as calculated.

(3) All calculated per diem rates shall be subject to the prevailing maximum rate.

**82.5(15) Payment to new owner.** An existing facility with a new owner shall continue with the previous owner's per diem rate until a new financial and statistical report has been submitted and a new rate established according to subrule 82.5(16). The facility may submit a report for the period of July 1 to June 30 or may submit two cost reports within the fiscal year provided the second report covers a period of at least six months ending on the last day of the fiscal year. The facility shall notify the department of the reporting option selected.

**82.5(16) Payment to existing facilities.** The following reimbursement limits shall apply to all non-state-owned ICFs/MR:

*a.* Each facility shall file a cost report covering the period from January 1, 1992, to June 30, 1992. This cost report shall be used to establish a reimbursement rate to be paid to the facility and shall be used to establish the base allowable cost per unit to be used in future reimbursement rate calculations. Subsequent cost reports shall be filed annually by each facility covering the 12 months from July 1 to June 30.

*b.* The reimbursement rate established based on the report covering January 1, 1992, to June 30, 1992, shall be calculated using the method in place prior to July 1, 1992, including inflation and incentive factors.

c. The audited per unit cost from the January 1, 1992, to June 30, 1992, cost report shall become the initial allowable base cost. A new maximum allowable base cost will be calculated each year as described in 82.5(14) "d."

d. Facilities which have an annual per unit cost percentage increase of less than the percentage increase of the Consumer Price Index or of less than 3 percent for rates effective July 1, 2009, through June 30, 2010, shall be given their actual percentage increase plus one-half the difference of their actual percentage increase compared to the allowable maximum percentage increase. This percentage difference multiplied by the actual per diem costs for the annual period just completed is the incentive factor.

(1) The incentive factor will be added to the new reimbursement base rate to be used as the per diem rate for the following annual period.

(2) Facilities whose annual per unit cost decreased from the prior year shall receive their actual per unit cost plus one and one-half the percentage increase in the Consumer Price Index as an incentive for cost containment. For the period beginning July 1, 2009, and ending June 30, 2010, 3 percent shall be used in lieu of the percentage increase in the Consumer Price Index.

e. Administrative costs shall not exceed 18 percent of total facility costs. Administrative costs are comprised of those costs incurred in the general management and administrative functions of the facility. Administrative costs include, but are not necessarily limited to, the administrative portion of the following:

- (1) Administrator's salary.
- (2) Assistant administrator's salary.
- (3) Bookkeeper's salary.
- (4) Other accounting and bookkeeping costs.
- (5) Other clerical salaries and clerical costs.
- (6) Administrative payroll taxes.
- (7) Administrative unemployment taxes.
- (8) Administrative group insurance.
- (9) Administrative general liability and worker's compensation insurance.
- (10) Directors' and officers' insurance or salaries.
- (11) Management fees.
- (12) Indirect business expenses and other costs related to the management of the facility including home office and other organizational costs.
- (13) Legal and professional fees.
- (14) Dues, conferences and publications.
- (15) Postage and telephone.
- (16) Administrative office supplies and equipment, including depreciation, rent, repairs, and maintenance as documented by a supplemental schedule which identifies the portion of repairs and maintenance, depreciation, and rent which applies to office supplies and equipment.
- (17) Data processing and bank charges.
- (18) Advertising.
- (19) Travel, entertainment and vehicle expenses not directly involving residents.

f. Facility rates shall be rebased using the cost report for the year covering state fiscal year 1996 and shall subsequently be rebased each four years. The department shall consider allowing special rate adjustments between rebasing cycles if:

- (1) An increase in the minimum wage occurs.
- (2) A change in federal regulations occurs which necessitates additional staff or expenditures for capital improvements, or a change in state or federal law occurs, or a court order with force of law mandates program changes which necessitate the addition of staff or other resources.
- (3) A decision is made by a facility to serve a significantly different client population or to otherwise make a dramatic change in program structure (documentation and verification will be required).
- (4) A facility increases or decreases licensed bed capacity by 20 percent or more.

g. Total patient days for purposes of the computation shall be inpatient days as determined in subrule 82.5(7) or 80 percent of the licensed capacity of the facility, whichever is greater. The reimbursement rate shall be determined by dividing total reported patient expenses by total patient days during the reporting period. This cost per day will be limited by an inflation increase which shall not exceed the percentage change in the Consumer Price Index. For the period beginning July 1, 2009, and ending June 30, 2010, the inflation increase shall be 3 percent, notwithstanding the percentage change in the Consumer Price Index.

h. State-owned ICFs/MR shall submit semiannual cost reports and shall receive semiannual rate adjustments based on actual costs of operation inflated by the percentage change in the Consumer Price Index. For the period beginning July 1, 2009, and ending June 30, 2010, costs of operation shall be inflated by 3 percent instead of the percentage change in the Consumer Price Index.

i. The projected reimbursement for the first annual period will be determined by multiplying the per diem rate calculated for the base period by the Consumer Price Index plus one.

(1) The projected reimbursement for each period thereafter (until rebasing) will be calculated by multiplying the lower of the prior year's actual or the projected reimbursement per diem by the Consumer Price Index plus one. For the period beginning July 1, 2009, and ending June 30, 2010, the projected reimbursement will be determined using a multiplier of 3 percent instead of the Consumer Price Index.

(2) If a facility experiences an increase in actual costs that exceeds both the actual reimbursement and the maximum allowable base cost as determined for that annual period, the facility shall receive as reimbursement in the following period the maximum allowable base as calculated.

This rule is intended to implement Iowa Code sections 249A.12 and 249A.16.  
[ARC 8207B, IAB 10/7/09, effective 12/1/09; ARC 8446B, IAB 1/13/10, effective 2/17/10]

#### **441—82.6(249A) Eligibility for services.**

**82.6(1) *Interdisciplinary team.*** The initial evaluation for admission shall be conducted by an interdisciplinary team. The team shall consist of a physician, a social worker, and other professionals. At least one member of the team shall be a qualified mental retardation professional.

**82.6(2) *Evaluation.*** The evaluation shall include a comprehensive medical, social, and psychological evaluation. The comprehensive evaluation shall include:

a. Diagnoses, summaries of present medical, social and where appropriate, developmental findings, medical and social family history, mental and physical functional capacity, prognoses, range of service needs, and amounts of care required.

b. An evaluation of the resources available in the home, family, and community.

c. An explicit recommendation with respect to admission or in the case of persons who make application while in the facility, continued care in the facility. Where it is determined that intermediate care facility for the mentally retarded services are required by an individual whose needs might be met through the use of alternative services which are currently unavailable, this fact shall be entered in the record, and plans shall be initiated for the active exploration of alternatives.

d. An individual plan for care shall include diagnosis, symptoms, complaints or complications indicating the need for admission, a description of the functional level of the resident; written objective; orders as appropriate for medications, treatments, restorative and rehabilitative services, therapies, diet, activities, social services, and special procedures designed to meet the objectives; and plans for continuing care, including provisions for review and necessary modifications of the plan, and discharge.

e. Written reports of the evaluation and the written individual plan of care shall be delivered to the facility and entered in the individual's record at the time of admission or, in the case of individuals already in the facility, immediately upon completion.

**82.6(3) *Certification statement.*** Eligible individuals may be admitted to an intermediate care facility for the mentally retarded upon the certification of a physician that there is a necessity for care at the facility. Eligibility shall continue as long as a valid need for the care exists.

**82.6(4)** Rescinded IAB 4/9/97, effective 6/1/97.

This rule is intended to implement Iowa Code section 249A.12.

**441—82.7(249A) Initial approval for ICF/MR care.**

**82.7(1) Referral through targeted case management.** Persons seeking ICF/MR placement shall be referred through targeted case management. The case management program shall identify any appropriate alternatives to the placement and shall inform the person of the alternatives. A referral shall be made by targeted case management to the central point of coordination having financial responsibility for the person. The department is the central point of coordination for persons with state case status.

**82.7(2) Approval of ICF/MR placement by central point of coordination.** The central point of coordination shall approve ICF/MR placement, offer a home- or community-based alternative, or refer the person back to the targeted case management program for further consideration of service needs within 30 days of receipt of a referral. Initial placement must be approved by the central point of coordination with responsibility for the person. Once approved, the eligible person, or the person's representative, is free to seek placement in the facility of the person's or the person's representative's choice.

**82.7(3) Approval of level of care.** Medicaid payment shall be made for intermediate care facility for the mentally retarded care upon certification of need for this level of care by a licensed physician of medicine or osteopathy and approval by the Iowa Medicaid enterprise (IME) medical services unit. The IME medical services unit shall review ICF/MR admissions and transfers only when documentation is provided which verifies a referral from targeted case management that includes an approval by the central point of coordination.

**82.7(4) Appeal rights.** Notice of adverse action and right to appeal shall be given in accordance with 441—Chapter 7. The applicant or consumer for whom the county has legal payment responsibility shall be entitled to a review of adverse decisions by the county by appealing to the county pursuant to 441—paragraph 25.13(2)“j.” If dissatisfied with the county's decision, the applicant or consumer may file an appeal with the department according to the procedures in 441—Chapter 7.

This rule is intended to implement Iowa Code section 249A.12.

[ARC 8207B, IAB 10/7/09, effective 12/1/09; ARC 8446B, IAB 1/13/10, effective 2/17/10]

**441—82.8(249A) Determination of need for continued stay.** Certification of need for continued stay shall be made according to procedures established by the Iowa Medicaid enterprise (IME) medical services unit.

This rule is intended to implement Iowa Code section 249A.12.

[ARC 8207B, IAB 10/7/09, effective 12/1/09; ARC 8446B, IAB 1/13/10, effective 2/17/10]

**441—82.9(249A) Arrangements with residents.**

**82.9(1) Resident care agreement.** The ICF/MR Resident Care Agreement, Form 470-0374, shall be used as a three-party contract among the facility, the resident, and the department to spell out the duties, rights, and obligation of all parties.

**82.9(2) Financial participation by resident.** A resident's payment for care may include any voluntary payments made by family members toward cost of care of the resident. The resident's client participation and medical payments from a third party shall be paid toward the total cost of care for the month before any state payment is made. The state will pay the balance of the cost of care for the remainder of the month. The facility shall make arrangements directly with the resident for payment of client participation.

**82.9(3) Personal needs account.** When a facility manages the personal needs funds of a resident, it shall establish and maintain a system of accounting for expenditures from the resident's personal needs funds. The department shall charge back to the facility any maintenance item included in the computation of the audit cost that is charged to the resident's personal needs account when the charge constitutes double payment. Unverifiable expenditures charged to personal needs accounts may be charged back to the facility. The accounting system is subject to audit by representatives of the department of inspections and appeals and shall meet the following criteria:

a. Upon admittance, a ledger sheet shall be credited with the resident's total incidental money on hand. Thereafter, the ledger shall be kept current on a monthly basis. The facility may combine the

accounting with the disbursement section showing the date, amount given the resident, and the resident's signature. A separate ledger shall be maintained for each resident.

*b.* When something is purchased for the resident and is not a direct cash disbursement, each expenditure item in the ledger shall be supported by a signed, dated receipt. The receipt shall indicate the article furnished for the resident's benefit.

*c.* Personal funds shall only be turned over to the resident, the resident's guardian, or other persons selected by the resident. With the consent of the resident, when the resident is able and willing to give consent, the administrator may turn over personal funds to a close relative or friend of the resident to purchase a particular item. A signed, itemized, dated receipt shall be required to be deposited in the resident's files.

*d.* The receipts for each resident shall be kept until canceled by auditors.

*e.* The ledger and receipts for each resident shall be made available for periodic audits by an accredited department of inspections and appeals representative. Audit certification shall be made by the department's representative at the bottom of the ledger sheet. Supporting receipts may then be destroyed.

*f.* Upon a member's death, a receipt shall be obtained from the next of kin or the member's guardian before releasing the balance of the personal needs funds. When the member has been receiving a grant from the department for all or part of the personal needs, any funds shall revert to the department. The department shall turn the funds over to the member's estate.

**82.9(4) *Safeguarding personal property.*** The facility shall safeguard the resident's personal possessions. Safeguarding shall include, but is not limited to:

*a.* Providing a method of identification of the resident's suitcases, clothing, and other personal effects, and listing these on an appropriate form attached to the resident's record at the time of admission. These records shall be kept current. Any personal effects released to a relative of the resident shall be covered by a signed receipt.

*b.* Providing adequate storage facilities for the resident's personal effects.

*c.* Ensuring that the resident is accorded privacy and uncensored communication with others by mail and telephone and with persons of the resident's choice except when therapeutic or security reasons dictate otherwise. Any limitations or restrictions imposed shall be approved by the administrator and the reasons noted shall be made a part of the resident's record.

This rule is intended to implement Iowa Code section 249A.12.

[ARC 8207B, IAB 10/7/09, effective 12/1/09; ARC 8446B, IAB 1/13/10, effective 2/17/10]

#### **441—82.10(249A) Discharge and transfer.**

**82.10(1) *Notice.*** When a Medicaid member requests transfer or discharge to a community setting, or another person requests this for the member, the administrator shall promptly notify a targeted case management provider. Names of local providers are available from the department's local office. This shall be done in sufficient time to permit a case manager to assist in the decision and planning for the transfer or discharge.

**82.10(2) *Case activity report.*** A Case Activity Report, Form 470-0042, shall be submitted to the department whenever a Medicaid applicant or member enters the facility, changes level of care, or is discharged from the facility.

**82.10(3) *Plan.*** The administrator and staff shall assist the resident in planning for transfer or discharge through development of a discharge plan.

**82.10(4) *Transfer records.*** When a resident is transferred to another facility, transfer information shall be summarized from the facility's records in a copy to accompany the resident. This information shall include:

*a.* A transfer form of diagnosis.

*b.* Aid to daily living information.

*c.* Transfer orders.

*d.* Nursing care plan.

*e.* Physician's or qualified mental retardation professional's orders for care.

*f.* The resident's personal records.

g. When applicable, the personal needs fund record.

**82.10(5) *Income refund.*** When a resident leaves the facility during the month, any unused portion of the resident's income shall be refunded.

This rule is intended to implement Iowa Code section 249A.12.  
[ARC 8207B, IAB 10/7/09, effective 12/1/09; ARC 8446B, IAB 1/13/10, effective 2/17/10]

**441—82.11(249A) *Continued stay review.*** The Iowa Medicaid enterprise (IME) medical services unit shall be responsible for reviews of each resident's need for continuing care in intermediate care facilities for the mentally retarded.

This rule is intended to implement Iowa Code section 249A.12.  
[ARC 8207B, IAB 10/7/09, effective 12/1/09; ARC 8446B, IAB 1/13/10, effective 2/17/10]

**441—82.12(249A) *Quality of care review.*** The Iowa Medicaid enterprise (IME) medical services unit shall carry out the quality of care studies in intermediate care facilities for the mentally retarded.

This rule is intended to implement Iowa Code section 249A.12.  
[ARC 8207B, IAB 10/7/09, effective 12/1/09; ARC 8446B, IAB 1/13/10, effective 2/17/10]

**441—82.13(249A) *Records.***

**82.13(1) *Content.*** The facility shall as a minimum maintain the following records:

a. All records required by the department of public health and the department of inspections and appeals.

b. Medical records as required by Section 1902(a)(31) of Title XIX of the Social Security Act.

c. Records of all treatments, drugs and services for which vendors' payments have been made or are to be made under the medical assistance program, including the authority for and the date of administration of the treatment, drugs, or services.

d. Documentation in each resident's records which will enable the department to verify that each charge is due and proper prior to payment.

e. Financial records maintained in the standard, specified form including the facility's most recent audited cost report.

f. All other records as may be found necessary by the department in determining compliance with any federal or state law or rule or regulation promulgated by the United States Department of Health and Human Services or by the department.

g. Census records to include the date, number of residents at the beginning of each day, names of residents admitted, and names of residents discharged.

(1) Census information shall be provided for residents in skilled, intermediate, and residential care.

(2) Census figures for each type of care shall be totaled monthly to indicate the number admitted, the number discharged, and the number of patient days.

(3) Failure to maintain acceptable census records shall result in the per diem rate being computed on the basis of 100 percent occupancy and a request for refunds covering indicated recipients of nursing care which have not been properly accounted for.

h. Resident accounts.

i. Inservice education program records.

j. Inspection reports pertaining to conformity with federal, state, and local laws.

k. Residents' personal records.

l. Residents' medical records.

m. Disaster preparedness reports.

**82.13(2) *Retention.*** Records shall be retained in the facility for a minimum of five years or until an audit is performed on those records, whichever is longer.

**82.13(3) *Change of owner.*** All records shall be retained within the facility upon change of ownership.

This rule is intended to implement Iowa Code section 249A.12.

**441—82.14(249A) Payment procedures.**

**82.14(1) *Method of payment.*** Facilities shall be reimbursed under a cost-related vendor payment program. A per diem rate shall be established based on information submitted according to rule 441—82.5(249A).

**82.14(2) *Payment responsibility.*** The department shall send the resident's county of legal settlement Form 470-0375, ICF/MR Placement Statement, notifying them of the resident's entry into the facility.

**82.14(3)** Rescinded IAB 8/9/89, effective 10/1/89.

**82.14(4) *Periods authorized for payment.***

*a.* Payment shall be made on a per diem basis for the portion of the month the resident is in the facility.

*b.* Payment will be authorized as long as the resident is certified as needing care in an intermediate care facility for the mentally retarded.

*c.* Payment will be approved for the day of admission but not the day of discharge or death.

*d.* Payment will be approved for periods the resident is absent to visit home for a maximum of 30 days annually. Additional days may be approved for special programs of evaluation, treatment or habilitation outside the facility. Documentation as to the appropriateness and therapeutic value of resident visits and outside programming, signed by a physician or qualified mental retardation professional, shall be maintained at the facility.

*e.* Payment will be approved for a period not to exceed ten days in any calendar month when the resident is absent due to hospitalization. Medicaid payment to the facility may not be initiated while a resident is on reserve bed days unless the person was residing in the facility as a private pay resident prior to the hospitalization and returns to the facility as a resident.

*f.* Payment for periods when residents are absent for visitation or hospitalization from facilities with more than 15 beds will be made at 80 percent of the allowable audited costs for those beds. Facilities with 15 or fewer beds will be reimbursed at 95 percent of the allowable audited costs for those beds.

**82.14(5) *Supplementation.*** Only the amount of client participation may be billed to the resident for the cost of care. No supplementation of the state payment shall be made by any person.

EXCEPTION: The resident, the resident's family or friends may pay to hold the resident's bed in cases where a resident spends over 30 days on yearly visitation or spends over 10 days on a hospital stay. When the resident is not discharged from the facility, the payments shall not exceed 80 percent of the allowable audited costs for the facility, not to exceed the maximum reimbursement rate. When the resident is discharged, the facility may handle the holding of the reserved bed in the same manner as a private paying resident.

**82.14(6) *Payment for out-of-state care.*** Rescinded IAB 9/5/90, effective 11/1/90.

This rule is intended to implement Iowa Code section 249A.12.

**441—82.15(249A) Billing procedures.**

**82.15(1) *Claims.*** Claims for service must be sent to the Iowa Medicaid enterprise after the month of service and within 365 days of the date of service. Claims may be submitted electronically on software provided by the Iowa Medicaid enterprise or in writing on Form 470-0039, Iowa Medicaid Long-Term Care Claim.

*a.* When payment is made, the facility will receive a copy of Form 470-0039. The white copy of the original shall be returned as a claim for the next month. If the claim is submitted electronically, the facility will receive a remittance statement of the claims paid.

*b.* When there has been a new admission, a discharge, a correction, or a claim for a reserved bed, the facility shall submit Form 470-0039 with the changes noted. Adjustments to electronically submitted claims may be made electronically as provided for by the Iowa Medicaid enterprise.

**82.15(2) Reserved.**

This rule is intended to implement Iowa Code section 249A.12.

**441—82.16(249A) Closing of facility.** When a facility is planning on closing, the department shall be notified at least 60 days in advance of the closing. Plans for the transfer of residents receiving Medicaid shall be approved by the county office of the department.

This rule is intended to implement Iowa Code section 249A.12.

**441—82.17(249A) Audits.**

**82.17(1) Audits of financial and statistical report.** Authorized representatives of the department or the Department of Health and Human Services shall have the right, upon proper identification, to audit, using generally accepted auditing procedures, the general financial records of a facility to determine if expenses reported on the Financial and Statistical Report, Form 470-0030, are reasonable and proper according to the rules set forth in 441—82.5(249A). These audits may be done either on the basis of an on-site visit to the facility, their central accounting office, or office(s) of their agents.

*a.* When a proper per diem rate cannot be determined, through generally accepted auditing procedures, the auditor shall examine and adjust the report to arrive at what appears to be an acceptable rate and shall recommend to the department that the indicated per diem should be reduced to 75 percent of the established payment rate for the ensuing fiscal period and if the situation is not remedied on the subsequent Financial and Statistical Report, Form 470-0030, the facility shall be suspended and eventually canceled from the intermediate care facility program, or

*b.* When a facility continues to include as an item of cost an item or items which had in a prior audit been removed by an adjustment in the total audited costs, the auditor shall recommend to the department that the per diem be reduced to 75 percent of the current payment rate for the ensuing fiscal period. The department may, after considering the seriousness of the exception, make the reduction.

**82.17(2) Auditing of proper billing and handling of patient funds.**

*a.* Field auditors of the department of inspections and appeals or representatives of Health and Human Services, upon proper identification, shall have the right to audit billings to the department and receipts of client participation, to ensure that the facility is not receiving payment in excess of the contractual agreement and that all other aspects of the contractual agreement are being followed, as deemed necessary.

*b.* Field auditors of the department of inspections and appeals or representatives of Health and Human Services, upon proper identification, shall have the right to audit records of the facility to determine proper handling of patient funds in compliance with subrule 82.9(3).

*c.* The auditor shall recommend and the department shall request repayment by the facility to either the department or the resident(s) involved, such sums inappropriately billed to the department or collected from the resident.

*d.* The facility shall have 60 days to review the audit and repay the requested funds or present supporting documentation which would indicate that the requested refund amount, or part thereof, is not justified.

*e.* When the facility fails to comply with paragraph “d” the requested refunds may be withheld from future payments to the facility. The withholding shall not be more than 25 percent of the average of the last six monthly payments to the facility. The withholding shall continue until the entire requested refund amount is recovered. If in the event the audit results indicate significant problems, the audit results may be referred to the attorney general’s office for whatever action may be deemed appropriate.

*f.* When exceptions are taken during the scope of an audit which are similar in nature to the exceptions taken in a prior audit, the auditor shall recommend and the department may, after considering the seriousness of the exceptions, reduce payment to the facility to 75 percent of the current payment rate.

This rule is intended to implement Iowa Code section 249A.12.

**441—82.18(249A) Out-of-state facilities.** Payment will be made for care in out-of-state intermediate care facilities for the mentally retarded. Out-of-state facilities shall abide by the same policies as in-state facilities with the following exceptions:

**82.18(1)** Out-of-state providers will be reimbursed at the same intermediate care facility rate they are receiving for their state of residence.

**82.18(2)** Out-of-state facilities shall not submit financial and statistical reports as required in rule 441—81.6(249A).

**82.18(3)** Payment for periods when residents are absent for visitation or hospitalization will be made to out-of-state facilities at 80 percent of the rate paid to the facility by the Iowa Medicaid program. Out-of-state facilities with 15 or fewer beds shall be reimbursed at 95 percent of the rate paid to the facility by the Iowa Medicaid program.

This rule is intended to implement Iowa Code section 249A.12.

**441—82.19(249A) State-funded personal needs supplement.** A Medicaid member living in an intermediate care facility for persons with mental retardation who has countable income for purposes of rule 441—75.16(249A) of less than \$50 per month shall receive a state-funded payment from the department for the difference between that countable income and \$50 if the legislature has appropriated funding specifically for this purpose. This payment shall not be considered a benefit under Title XIX of the Social Security Act.

This rule is intended to implement Iowa Code Supplement section 249A.30A.

CHAPTER 83  
MEDICAID WAIVER SERVICES

PREAMBLE

Medicaid waiver services are services provided to maintain persons in their own homes or communities who would otherwise require care in medical institutions. Provision of these services must be cost-effective. Services are limited to certain targeted client groups for whom a federal waiver has been requested and approved. Services provided through the waivers are not available to other Medicaid recipients as the services are beyond the scope of the Medicaid state plan.

DIVISION I—HCBS ILL AND HANDICAPPED WAIVER SERVICES

**441—83.1(249A) Definitions.**

*“Attorney in fact under a durable power of attorney for health care”* means an individual who is designated by a durable power of attorney for health care, pursuant to Iowa Code chapter 144B, as an agent to make health care decisions on behalf of an individual and who has consented to act in that capacity.

*“Basic individual respite”* means respite provided on a staff-to-consumer ratio of one to one or higher to individuals without specialized needs requiring the care of a licensed registered nurse or licensed practical nurse.

*“Blind individual”* means an individual who has a central visual acuity of 20/200 or less in the better eye with the use of corrective lens or visual field restriction to 20 degrees or less.

*“Client participation”* means the amount of the recipient income that the person must contribute to the cost of ill and handicapped waiver services exclusive of medical vendor payments before Medicaid will participate.

*“Deeming”* means the specified amount of parental or spousal income and resources considered in determining eligibility for a child or spouse according to current supplemental security income guidelines.

*“Disabled person”* means an individual who is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which has lasted or is expected to last for a continuous period of not less than 12 months. A child under the age of 18 is considered disabled if the child suffers a medically determinable physical or mental impairment of comparable severity.

*“Financial participation”* means client participation and medical payments from a third party including veterans’ aid and attendance.

*“Group respite”* is respite provided on a staff-to-consumer ratio of less than one to one.

*“Guardian”* means a guardian appointed in probate court.

*“Intermittent homemaker service”* means homemaker service provided from one to three hours a day for not more than four days per week.

*“Intermittent respite service”* means respite service provided from one to three times a week.

*“Medical assessment”* means a visual and physical inspection of the consumer, noting deviations from the norm, and a statement of the consumer’s mental and physical condition that can be amendable to or resolved by appropriate actions of the provider.

*“Medical institution”* means a nursing facility or an intermediate care facility for the mentally retarded which has been approved as a Medicaid vendor.

*“Medical intervention”* means consumer care in the areas of hygiene, mental and physical comfort, assistance in feeding and elimination, and control of the consumer’s care and treatment to meet the physical and mental needs of the consumer in compliance with the plan of care in areas of health, prevention, restoration, and maintenance.

*“Medical monitoring”* means observation for the purpose of assessing, preventing, maintaining, and treating disease or illness based on the consumer’s plan of care.

“*Service plan*” means a written consumer-centered, outcome-based plan of services developed using an interdisciplinary process, which addresses all relevant services and supports being provided. It may involve more than one provider.

“*Specialized respite*” means respite provided on a staff-to-consumer ratio of one to one or higher to individuals with specialized medical needs requiring the care, monitoring or supervision of a licensed registered nurse or licensed practical nurse.

“*Substantial gainful activity*” means productive activities which add to the economic wealth, or produce goods or services to which the public attaches a monetary value.

“*Third-party payments*” means payments from an attorney, individual, institution, corporation, or public or private agency which is liable to pay part or all of the medical costs incurred as a result of injury, disease or disability by or on behalf of an applicant or a past or present recipient of medical assistance.

“*Usual caregiver*” means a person or persons who reside with the consumer and are available on a 24-hour-per-day basis to assume responsibility for the care of the consumer.

**441—83.2(249A) Eligibility.** To be eligible for ill and handicapped waiver services a person must meet certain eligibility criteria and be determined to need a service(s) allowable under the program.

**83.2(1) Eligibility criteria.**

a. The person must be under the age of 65 and blind or disabled as determined by the receipt of social security disability benefits or by a disability determination made through the department. Disability determinations are made according to supplemental security income guidelines under Title XVI of the Social Security Act.

b. The person must be ineligible for Supplemental Security Income (SSI) if the person is 21 years of age or older, except that persons who are receiving ill and handicapped waiver services upon reaching the age of 21 may continue to be eligible regardless of SSI eligibility until they reach the age of 25.

c. Persons shall meet the eligibility requirements of the supplemental security income program except for the following:

(1) The person is under 18 years of age, unmarried and not the head of a household and is ineligible for supplemental security income because of the deeming of the parent's(s') income.

(2) The person is married and is ineligible for supplemental security income because of the deeming of the spouse's income or resources.

(3) The person is ineligible for supplemental security income due to excess income and the person's income does not exceed 300 percent of the maximum monthly payment for one person under supplemental security income.

(4) The person is under 18 years of age and is ineligible for supplemental security income because of excess resources.

d. The person must be certified as being in need of nursing facility or skilled nursing facility level of care or as being in need of care in an intermediate care facility for the mentally retarded. The IME medical services unit shall be responsible for approval of the certification of the level of care.

Ill and handicapped waiver services will not be provided when the individual is an inpatient in a medical institution.

e. To be eligible for interim medical monitoring and treatment services the consumer must be:

(1) Under the age of 21;

(2) Currently receiving home health agency services under rule 441—78.9(249A) and require medical assessment, medical monitoring, and regular medical intervention or intervention in a medical emergency during those services. (The home health aide services for which the consumer is eligible must be maximized before the consumer accesses interim medical monitoring and treatment.);

(3) Residing in the consumer's family home or foster family home; and

(4) In need of interim medical monitoring and treatment as ordered by a physician.

f. The person must meet income and resource guidelines for Medicaid as if in a medical institution pursuant to 441—Chapter 75. When a husband and wife who are living together both apply for the waiver, income and resource guidelines as specified at paragraphs 441—75.5(2) “b” and 441—75.5(4) “c” shall be applied.

g. The person must have service needs that can be met by this waiver program. At a minimum a person must receive one billable unit of service under the waiver per calendar quarter.

h. To be eligible for the consumer choices option as set forth in 441—subrule 78.34(13), a person cannot be living in a residential care facility.

**83.2(2) Need for services.**

a. The consumer shall have a service plan approved by the department which is developed by the service worker identified by the county of residence. This service plan must be completed prior to services provision and annually thereafter.

The service worker shall establish the interdisciplinary team for the consumer and, with the team, identify the consumer's need for service based on the consumer's needs and desires as well as the availability and appropriateness of services using the following criteria:

(1) This service plan shall be based, in part, on information in the completed Home- and Community-Based Services Assessment or Reassessment, Form 470-0659. Form 470-0659 is completed annually, or more frequently upon request or when there are changes in the consumer's condition. The service worker shall have a face-to-face visit with the consumer at least annually.

(2) Service plans for persons aged 20 or under shall be developed to reflect use of all appropriate nonwaiver Medicaid services and so as not to replace or duplicate those services. The service worker shall list all nonwaiver Medicaid services in the service plan.

(3) Service plans for persons aged 20 or under that include home health or nursing services shall not be approved until a home health agency has made a request to cover the consumer's service needs through nonwaiver Medicaid services.

b. Except as provided below, the total monthly cost of the ill and handicapped waiver services shall not exceed the established aggregate monthly cost for level of care as follows:

<u>Skilled level of care</u>	<u>Nursing level of care</u>	<u>ICF/MR</u>
\$2,631	\$904	\$3,203

(1) For consumers eligible for SSI who remain eligible for ill and handicapped waiver services until the age of 25 because they are receiving ill and handicapped waiver services upon reaching the age of 21, these amounts shall be increased by the cost of services for which the consumer would be eligible under 441—subrule 78.9(10) if still under 21 years of age.

(2) If more than \$505 is paid for home and vehicle modification services, the service worker shall encumber up to \$505 per month within the monthly dollar cap allowed for the consumer until the total amount of the modification is reached within a 12-month period.

c. Interim medical monitoring and treatment services must be needed because all usual caregivers are unavailable to provide care due to one of the following circumstances:

(1) Employment. Interim medical monitoring and treatment services are to be received only during hours of employment.

(2) Academic or vocational training. Interim medical monitoring and treatment services provided while a usual caregiver participates in postsecondary education or vocational training shall be limited to 24 periods of no more than 30 days each per caregiver as documented by the service worker. Time spent in high school completion, adult basic education, GED, or English as a second language does not count toward the limit.

(3) Absence from the home due to hospitalization, treatment for physical or mental illness, or death of the usual caregiver. Interim medical monitoring and treatment services under this subparagraph are limited to a maximum of 30 days.

(4) Search for employment.

1. Care during job search shall be limited to only those hours the usual caregiver is actually looking for employment, including travel time.

2. Interim medical monitoring and treatment services may be provided under this paragraph only during the execution of one job search plan of up to 30 working days in a 12-month period, approved by the department service worker or targeted case manager pursuant to 441—subparagraph 170.2(2) "b"(5).

3. Documentation of job search contacts shall be furnished to the department service worker or targeted case manager.

**441—83.3(249A) Application.**

**83.3(1)** *Application for HCBS ill and handicapped waiver services.* The application process as specified in rules 441—76.1(249A) to 441—76.6(249A) shall be followed.

**83.3(2)** *Application and services program limit.* The number of persons who may be approved for the HCBS ill and handicapped waiver shall be subject to the number of consumers to be served as set forth in the federally approved HCBS ill and handicapped waiver. The number of consumers to be served is set forth at the time of each five-year renewal of the waiver or in amendments to the waiver approved by the Centers for Medicare and Medicaid Services (CMS). When the number of applicants exceeds the number of consumers specified in the approved waiver, the applicant's name shall be placed on a waiting list maintained by the bureau of long-term care.

*a.* The county department office shall contact the bureau of long-term care for all applicants for the waiver to determine if a payment slot is available.

(1) For applicants not currently receiving Medicaid, the county department office shall contact the bureau by the end of the fifth working day after receipt of a completed Form 470-2927 or 470-2927(S), Health Services Application, or within five working days after receipt of disability determination, whichever is later.

(2) For current Medicaid recipients, the county department office shall contact the bureau by the end of the fifth working day after receipt of either Form 470-0659, Home- and Community-Based Services Assessment or Reassessment, with the choice of HCBS waiver indicated by signature of the consumer or a written request signed and dated by the consumer.

(3) A payment slot shall be assigned to the applicant upon confirmation of an available slot.

(4) Once a payment slot is assigned, the county department office shall give written notice to the applicant. The department shall hold the payment slot for the applicant as long as reasonable efforts are being made to arrange services and the applicant has not been determined to be ineligible for the program. If services have not been initiated and reasonable efforts are no longer being made to arrange services, the slot shall revert for use by the next person on the waiting list, if applicable. The applicant originally assigned the slot must reapply for a new slot.

*b.* If no payment slot is available, the bureau of long-term care shall enter persons on a waiting list according to the following:

(1) Consumers not currently eligible for Medicaid shall be entered on the waiting list on the basis of the date a completed Form 470-2927 or 470-2927(S), Health Services Application, is date-stamped in the county department office or upon the county department office's receipt of disability determination, whichever is later.

(2) Consumers currently eligible for Medicaid shall be added to the waiting list on the basis of the date a request as specified in 83.3(2) "a"(2) is date-stamped in the county department office.

(3) In the event that more than one application is received at one time, persons shall be entered on the waiting list on the basis of the month of birth, January being month one and the lowest number.

(4) Applicants who do not fall within the available slots shall have their application rejected, and their names shall be maintained on the waiting list. They shall be contacted to reapply as slots become available based on their order on the waiting list so that the number of approved persons on the program is maintained. The bureau of long-term care shall contact the county department office when a slot becomes available.

(5) Once a payment slot is assigned, the county department office shall give written notice to the person within five working days. The department shall hold the payment slot for 30 days for the person to file a new application. If an application has not been filed within 30 days, the slot shall revert for use by the next person on the waiting list, if applicable. The person originally assigned the slot must reapply for a new slot.

*c.* The county department office shall notify the bureau of long-term care within five working days of the receipt of an application and of any action on or withdrawal of an application.

**83.3(3) Approval of application.**

a. Applications for the HCBS ill and handicapped waiver program shall be processed in 30 days unless one or more of the following conditions exist:

- (1) An application has been filed and is pending for federal supplemental security income benefits.
- (2) The application is pending because the department has not received information which is beyond the control of the client or the department.
- (3) The application is pending due to the disability determination process performed through the department.
- (4) The application is pending because a level of care determination has not been made although the completed assessment, Form 470-0659, Home- and Community-Based Services Assessment or Reassessment, has been submitted to the IME medical services unit.
- (5) The application is pending because the assessment, Form 470-0659, or the service plan has not been completed. When a determination is not completed 90 days from the date of application due to the lack of a completed assessment, Form 470-0659, or service plan, the application shall be denied. The consumer shall have the right to appeal.

b. Decisions shall be mailed or given to the applicant on the date when income maintenance eligibility and level of care determinations and the client case plan are completed.

c. A consumer must be given the choice between HCBS ill and handicapped waiver services and institutional care. The income maintenance or service worker shall have the consumer, parent, guardian, or attorney in fact under a durable power of attorney for health care complete and sign Form 470-0659, Home- and Community-Based Services Assessment or Reassessment, indicating the consumer's choice of home- and community-based services or institutional care.

d. Waiver services provided prior to approval of eligibility for the waiver cannot be paid.

e. A consumer may be enrolled in only one waiver program at a time. Costs for waiver services are not reimbursable while the consumer is in a medical institution (hospital or nursing facility) or residential facility. Services may not be simultaneously reimbursed for the same time period as Medicaid or other Medicaid waiver services.

**83.3(4) Effective date of eligibility.**

a. Deeming of parental or spousal income and resources ceases and eligibility shall be effective on the date the income and resource eligibility and level of care determinations and the case plan are completed, but shall not be earlier than the first of the month following the date of application.

b. The effective date of eligibility for the ill and handicapped waiver for persons who qualify for Medicaid due to eligibility for the waiver services and to whom paragraphs "a" and "c" of this subrule do not apply is the date on which the income eligibility and level of care determinations and the case plan are completed.

c. Eligibility for persons covered under subrule 83.2(1) "c"(3) shall exist on the date the income and resource eligibility and level of care determinations and case plan are completed, but shall not be earlier than the first of the month following the date of application.

d. Eligibility continues until the consumer has been in a medical institution for 30 consecutive days for other than respite care. Consumers who are inpatients in a medical institution for 30 or more consecutive days for other than respite care shall be terminated from ill and handicapped waiver services and reviewed for eligibility for other Medicaid coverage groups. The consumer will be notified of that decision through Form 470-0602, Notice of Decision. If the consumer returns home before the effective date of the notice of decision and the consumer's condition has not substantially changed, the denial may be rescinded and eligibility may continue.

**83.3(5) Attribution of resources.** For the purposes of attributing resources as provided in rule 441—75.5(249A), the date on which the waiver applicant met the level of care criteria in a medical institution as established by the peer review organization shall be used as the date of entry to the medical institution. Only one attribution of resources shall be completed per person. Attributions completed for prior institutionalizations shall be applied to the waiver application.

**441—83.4(249A) Financial participation.** Persons must contribute their predetermined financial participation to the cost of ill and handicapped waiver services or other Medicaid services, as applicable.

**83.4(1) Maintenance needs of the individual.** The maintenance needs of the individual shall be computed by deducting an amount which is 300 percent of the maximum monthly payment for one person under supplemental security income (SSI) from the client's total income.

**83.4(2) Limitation on payment.** If the sum of the third-party payment and client participation equals or exceeds the reimbursement established by the service worker for ill and handicapped waiver services, Medicaid shall make no payments to ill and handicapped waiver service providers. However, Medicaid shall make payments to other medical vendors, as applicable.

**83.4(3) Maintenance needs of spouse and other dependents.** Rescinded IAB 4/9/97, effective 6/1/97.

**441—83.5(249A) Redetermination.** A complete redetermination of eligibility for the ill and handicapped waiver shall be completed at least once every 12 months or when there is significant change in the person's situation or condition.

A redetermination of continuing eligibility factors shall be made in accordance with rules 441—76.7(249A) and 441—83.2(249A). A redetermination shall include verification of the existence of a current case plan meeting the requirements listed in rule 441—83.7(249A).

**441—83.6(249A) Allowable services.** Services allowable under the ill and handicapped waiver are homemaker, home health, adult day care, respite care, nursing, counseling, consumer-directed attendant care, interim medical monitoring and treatment, home and vehicle modification, personal emergency response system, home-delivered meals, nutritional counseling, financial management, independent support brokerage, self-directed personal care, self-directed community supports and employment, and individual-directed goods and services as set forth in rule 441—78.34(249A).

**441—83.7(249A) Service plan.** A service plan shall be prepared for ill and handicapped waiver consumers in accordance with rule 441—130.7(234) except that service plans for both children and adults shall be completed every 12 months or when there is significant change in the person's situation or condition.

**83.7(1)** The service plan shall include the frequency of the ill and handicapped waiver services and the types of providers who will deliver the services.

**83.7(2)** The service plan shall indicate whether the consumer has elected the consumer choices option. If the consumer has elected the consumer choices option, the service plan shall identify:

- a. The independent support broker selected by the consumer; and
- b. The financial management service selected by the consumer.

**83.7(3)** The service plan shall also list all nonwaiver Medicaid services.

**83.7(4)** The service plan shall identify a plan for emergencies and the supports available to the consumer in an emergency.

**441—83.8(249A) Adverse service actions.**

**83.8(1) Denial.** An application for services shall be denied when it is determined by the department that:

- a. The client is not eligible for or in need of services.
- b. Needed services are not available or received from qualified providers.
- c. Service needs exceed the aggregate monthly costs established in 83.2(2) "b," or are not met by the services provided.
- d. Needed services are not available or received from qualifying providers.

**83.8(2) Termination.** A particular service may be terminated when the department determines that:

- a. The provisions of 130.5(2) "a," "b," "c," "g," or "h" apply.
- b. The costs of the ill and handicapped waiver service for the person exceed the aggregate monthly costs established in 83.2(2) "b."

c. The client receives care in a hospital, nursing facility, or intermediate care facility for the mentally retarded for 30 days in any one stay for purposes other than respite care.

d. The client receives ill and handicapped waiver services and the physical or mental condition of the client requires more care than can be provided in the client's own home as determined by the service worker.

e. Service providers are not available.

**83.8(3)** Reduction of services shall apply as in subrule 130.5(3), paragraphs "a" and "b."

**441—83.9(249A) Appeal rights.** Notice of adverse action and right to appeal shall be given in accordance with 441—Chapter 7 and rule 441—130.5(234). The applicant or recipient is entitled to have a review of the level of care determination by the IME medical services unit by sending a letter requesting a review to the IME medical services unit. If dissatisfied with that decision, the applicant or recipient may file an appeal with the department.

**441—83.10(249A) County reimbursement.** Rescinded IAB 4/9/97, effective 6/1/97.

**441—83.11(249A) Conversion to the X-PERT system.** Rescinded IAB 8/7/02, effective 10/1/02.

These rules are intended to implement Iowa Code sections 249A.3 and 249A.4.

**441—83.12 to 83.20** Reserved.

DIVISION II—HCBS ELDERLY WAIVER SERVICES

**441—83.21(249A) Definitions.**

*"Attorney in fact under a durable power of attorney for health care"* means an individual who is designated by a durable power of attorney for health care, pursuant to Iowa Code chapter 144B, as an agent to make health care decisions on behalf of an individual and who has consented to act in that capacity.

*"Basic individual respite"* means respite provided on a staff-to-consumer ratio of one to one or higher to individuals without specialized needs requiring the care of a licensed registered nurse or licensed practical nurse.

*"Client participation"* means the amount of the recipient income that the person must contribute to the cost of elderly waiver services exclusive of medical vendor payments before Medicaid will participate.

*"Group respite"* is respite provided on a staff-to-consumer ratio of less than one to one.

*"Guardian"* means a guardian appointed in probate court.

*"Interdisciplinary team"* means a collection of persons with varied professional backgrounds who develop one plan of care to meet a client's need for services.

*"Medical institution"* means a nursing facility which has been approved as a Medicaid vendor.

*"Service plan"* means a written consumer-centered, outcome-based plan of services developed using an interdisciplinary process, which addresses all relevant services and supports being provided. It may involve more than one provider.

*"Specialized respite"* means respite provided on a staff-to-consumer ratio of one to one or higher to individuals with specialized medical needs requiring the care, monitoring or supervision of a licensed registered nurse or licensed practical nurse.

*"Third-party payments"* means payments from an individual, institution, corporation, or public or private agency which is liable to pay part or all of the medical costs incurred as a result of injury, disease or disability by or on behalf of an applicant or a past or present recipient of medical assistance.

*"Usual caregiver"* means a person or persons who reside with the consumer and are available on a 24-hour-per-day basis to assume responsibility for the care of the consumer.

**441—83.22(249A) Eligibility.** To be eligible for elderly waiver services a person must meet certain eligibility criteria and be determined to need a service(s) allowable under the program.

**83.22(1) Eligibility criteria.** All of the following criteria must be met. The person must be:

- a. Sixty-five years of age or older.
- b. A resident of the state of Iowa.
- c. Eligible for Medicaid as if in a medical institution pursuant to 441—Chapter 75. When a husband and wife who are living together both apply for the waiver, income and resource guidelines as specified at 441—paragraphs 75.5(2) “b” and 75.5(4) “c” shall be applied.
- d. Certified as being in need of the intermediate or skilled level of care. The IME medical services unit shall be responsible for approval of the certification of the level of care. Elderly waiver services will not be provided when the person is an inpatient in a medical institution.
- e. Determined to need services as described in subrule 83.22(2).
- f. Rescinded IAB 10/11/06, effective 10/1/06.
- g. For the consumer choices option as set forth in rule 441—subrule 78.37(16), residing in a living arrangement other than a residential care facility.

**83.22(2) Need for services, service plan, and cost.**

a. *Case management.* Consumers under the elderly waiver shall receive case management services from a provider qualified pursuant to 441—subrule 77.33(21). Case management services shall be provided as set forth in rules 441—90.5(249A) and 441—90.8(249A).

b. *Interdisciplinary team.* The case manager shall establish an interdisciplinary team for the consumer.

(1) *Composition.* The interdisciplinary team shall include the case manager and the consumer and, if appropriate, the consumer’s legal representative, family, service providers, and others directly involved in the consumer’s care.

(2) *Role.* The team shall identify:

1. The consumer’s need for services based on the consumer’s needs and desires.
2. Available and appropriate services to meet the consumer’s needs.
3. Health and safety issues for the consumer that indicate the need for an emergency plan, based on a risk assessment conducted before the team meeting.
4. Emergency backup support and a crisis response system to address problems or issues arising when support services are interrupted or delayed or when the consumer’s needs change.

c. *Service plan.* An applicant for elderly waiver services shall have a service plan developed by a qualified provider of case management services under the elderly waiver.

(1) Services included in the service plan shall be appropriate to the problems and specific needs or disabilities of the consumer.

(2) Services must be the least costly available to meet the service needs of the consumer. The total monthly cost of the elderly waiver services exclusive of case management services shall not exceed the established monthly cost of the level of care. Aggregate monthly costs are limited as follows:

<u>Skilled level of care</u>	<u>Nursing level of care</u>
\$2,631	\$1,117

(3) The service plan must be completed before services are provided.

(4) The service plan must be reviewed at least annually and when there is any significant change in the consumer’s needs.

d. *Content of service plan.* The service plan shall include the following information based on the consumer’s current assessment and service needs:

- (1) Observable or measurable individual goals.
- (2) Interventions and supports needed to meet those goals.
- (3) Incremental action steps, as appropriate.
- (4) The names of staff, people, businesses, or organizations responsible for carrying out the interventions or supports.
- (5) The desired individual outcomes.

(6) The identified activities to encourage the consumer to make choices, to experience a sense of achievement, and to modify or continue participation in the service plan.

(7) Description of any restrictions on the consumer's rights, including the need for the restriction and a plan to restore the rights. For this purpose, rights include maintenance of personal funds and self-administration of medications.

(8) A list of all Medicaid and non-Medicaid services that the consumer received at the time of waiver program enrollment that includes:

1. The name of the service provider responsible for providing the service.
2. The funding source for the service.
3. The amount of service that the consumer is to receive.

(9) Indication of whether the consumer has elected the consumer choice option and, if so, the independent support broker and the financial management service that the consumer has selected.

(10) The determination that the services authorized in the service plan are the least costly.

(11) A plan for emergencies that identifies the supports available to the consumer in situations for which no approved service plan exists and which, if not addressed, may result in injury or harm to the consumer or other persons or in significant amounts of property damage. Emergency plans shall include:

1. The consumer's risk assessment and the health and safety issues identified by the consumer's interdisciplinary team.
2. The emergency backup support and crisis response system identified by the interdisciplinary team.
3. Emergency, backup staff designated by providers for applicable services.

**83.22(3) Providers—standards.** Rescinded IAB 10/11/06, effective 10/1/06.  
[ARC 7957B, IAB 7/15/09, effective 7/1/09]

#### **441—83.23(249A) Application.**

**83.23(1) Application for HCBS elderly waiver.** The application process as specified in rules 441—76.1(249A) to 441—76.6(249A) shall be followed.

**83.23(2) Application for services.** Rescinded IAB 12/6/95, effective 2/1/96.

**83.23(3) Approval of application.**

*a.* Applications for the elderly waiver program shall be processed in 30 days unless the worker can document difficulty in locating and arranging services or circumstances beyond the worker's control. In these cases a decision shall be made as soon as possible.

*b.* Decisions shall be mailed or given to the applicant on the date when both service and income maintenance eligibility determinations are completed.

*c.* An applicant must be given the choice between elderly waiver services and institutional care. The consumer, guardian, or attorney in fact under a durable power of attorney for health care shall sign the service plan indicating the consumer's choice of caregiver.

*d.* Waiver services provided prior to approval of eligibility for the waiver cannot be paid.

**83.23(4) Effective date of eligibility.**

*a.* The effective date of eligibility cannot precede the date the case manager signs the case plan.

*b.* Eligibility for persons whose income exceeds supplemental security income guidelines shall not exist until the persons require care in a medical institution for a period of 30 consecutive days and shall be effective no earlier than the first day of the month in which the 30-day period begins.

*c.* Eligibility continues until the consumer has been in a medical institution for 30 consecutive days for other than respite care or fails to meet eligibility criteria listed in rule 441—83.22(249A). Consumers who are inpatients in a medical institution for 30 or more consecutive days for other than respite care shall be terminated from elderly waiver services and reviewed for eligibility for other Medicaid coverage groups. The consumer will be notified of that decision through Form 470-0602, Notice of Decision. If the consumer returns home before the effective date of the notice of decision and the consumer's condition has not substantially changed, the denial may be rescinded and eligibility may continue.

**83.23(5) Attribution of resources.** For the purposes of attributing resources as provided in rule 441—75.5(249A), the date on which the waiver applicant met the level of care criteria in a medical

institution as established by the peer review organization shall be used as the date of entry to the medical institution. Only one attribution of resources shall be completed per person. Attributions completed for prior institutionalizations shall be applied to the waiver application.

**441—83.24(249A) Client participation.** Persons must contribute their predetermined client participation to the cost of elderly waiver services.

**83.24(1) Computation of client participation.** Client participation shall be computed by deducting an amount for the maintenance needs of the individual which is 300 percent of the maximum SSI grant for an individual from the client's total income.

**83.24(2) Limitation on payment.** If the sum of the third-party payment and client participation equals or exceeds the reimbursement established by the service worker, Medicaid will make no payments for elderly waiver service providers. However, Medicaid will make payments to other medical vendors.

**441—83.25(249A) Redetermination.** A complete redetermination of eligibility for elderly waiver services shall be done at least once every 12 months.

A redetermination of continuing eligibility factors shall be made when a change in circumstances occurs that affects eligibility in accordance with rule 441—83.22(249A). A redetermination shall contain the components listed in rule 441—83.27(249A).

**441—83.26(249A) Allowable services.** Services allowable under the elderly waiver are case management, adult day care, emergency response system, homemaker, home health aide, nursing, respite care, chore, home-delivered meals, home and vehicle modification, mental health outreach, transportation, nutritional counseling, assistive devices, senior companions, consumer-directed attendant care, financial management, independent support brokerage, self-directed personal care, self-directed community supports and employment, and individual-directed goods and services as set forth in rule 441—78.37(249A).

**441—83.27(249A) Service plan.** The service plan shall be completed jointly by the consumer, the elderly waiver case manager, and any other person identified by the consumer.

**83.27(1)** The service plan shall indicate whether the consumer has elected the consumer choices option. If the consumer has elected the consumer choices option, the service plan shall identify:

- a. The independent support broker selected by the consumer; and
- b. The financial management service selected by the consumer.

**83.27(2)** The service plan shall identify a plan for emergencies and the supports available to the consumer in an emergency.

**441—83.28(249A) Adverse service actions.**

**83.28(1) Denial.** An application for services shall be denied when it is determined by the department that:

- a. The client is not eligible for or in need of services.
- b. Except for respite care, the elderly waiver services are not needed on a regular basis.
- c. Service needs exceed the aggregate monthly costs established in 83.22(2) "b," or are not met by services provided.
- d. Needed services are not available or received from qualifying providers.
- e. Rescinded IAB 3/2/94, effective 3/1/94.

**83.28(2) Termination.** A particular service may be terminated when the department determines that:

- a. The provisions of 441—subrule 130.5(2), paragraph "a," "b," "c," "d," "g," or "h" apply.
- b. The costs of the elderly waiver services for the person exceed the aggregate monthly costs established in 83.22(2) "b."
- c. The client receives care in a hospital or nursing facility for 30 days in any one stay for purposes other than respite care.

d. The client receives elderly waiver services and the physical or mental condition of the client requires more care than can be provided in the client's own home as determined by the case manager and the interdisciplinary team.

e. Service providers are not available.

**83.28(3)** Reduction of services shall apply as in 441—subrule 130.5(3), paragraphs “a” and “b.”

**441—83.29(249A) Appeal rights.** Notice of adverse action and right to appeal shall be given in accordance with 441—Chapter 7 and rule 441—130.5(234). The applicant or recipient is entitled to have a review of the level of care determination by the IME medical services unit by sending a letter requesting a review to the IME medical services unit. If dissatisfied with that decision, the applicant or recipient may file an appeal with the department.

**441—83.30(249A) Enhanced services.** When a household has one person receiving service in accordance with rules set forth in 441—Chapter 24 and another receiving elderly waiver services, the persons providing case management shall cooperate to make the best plan for both clients. When a person is eligible for services as set forth in 441—Chapter 24 and eligible for services under the elderly waiver, the person's primary diagnosis will determine which services shall be used.

**441—83.31(249A) Conversion to the X-PERT system.** Rescinded IAB 8/7/02, effective 10/1/02.

These rules are intended to implement Iowa Code sections 249A.3 and 249A.4.

**441—83.32 to 83.40** Reserved.

DIVISION III—HCBS AIDS/HIV WAIVER SERVICES

**441—83.41(249A) Definitions.**

“*AIDS*” means a medical diagnosis of acquired immunodeficiency syndrome based on the Centers for Disease Control “Revision of the CDC Surveillance Case Definition for Acquired Immunodeficiency Syndrome,” August 14, 1987, Vol. 36, No. 1S issue of “Morbidity and Mortality Weekly Report.”

“*Attorney in fact under a durable power of attorney for health care*” means an individual who is designated by a durable power of attorney for health care, pursuant to Iowa Code chapter 144B, as an agent to make health care decisions on behalf of an individual and who has consented to act in that capacity.

“*Basic individual respite*” means respite provided on a staff-to-consumer ratio of one to one or higher to individuals without specialized needs requiring the care of a licensed registered nurse or licensed practical nurse.

“*Client participation*” means the amount of the recipient's income that the person must contribute to the cost of AIDS/HIV waiver services exclusive of medical vendor payments before Medicaid will participate.

“*Deeming*” means the specified amount of parental or spousal income and resources considered in determining eligibility for a child or spouse according to current supplemental security income guidelines.

“*Financial participation*” means client participation and medical payments from a third party including veterans' aid and attendance.

“*Group respite*” is respite provided on a staff-to-consumer ratio of less than one to one.

“*Guardian*” means a guardian appointed in probate court.

“*HIV*” means a medical diagnosis of human immunodeficiency virus infection based on a positive HIV-related test.

“*Medical institution*” means a nursing facility or hospital which has been approved as a Medicaid vendor.

“*Service plan*” means a written consumer-centered, outcome-based plan of services developed using an interdisciplinary process, which addresses all relevant services and supports being provided. It may involve more than one provider.

“*Specialized respite*” means respite provided on a staff-to-consumer ratio of one to one or higher to individuals with specialized medical needs requiring the care, monitoring or supervision of a licensed registered nurse or licensed practical nurse.

“*Third-party payments*” means payments from an attorney, individual, institution, corporation, or public or private agency which is liable to pay part or all of the medical costs incurred as a result of injury, disease or disability by or on behalf of an applicant or a past or present recipient of medical assistance.

“*Usual caregiver*” means a person or persons who reside with the consumer and are available on a 24-hour-per-day basis to assume responsibility for the care of the consumer.

**441—83.42(249A) Eligibility.** To be eligible for AIDS/HIV waiver services a person must meet certain eligibility criteria and be determined to need a service(s) allowable under the program.

**83.42(1) Eligibility criteria.** All of the following criteria must be met. The person must:

- a. Be diagnosed by a physician as having AIDS or HIV infection.
- b. Be certified in need of the level of care that, but for the waiver, would otherwise be provided in a nursing facility or hospital. The IME medical services unit shall be responsible for approval of the certification of the level of care. AIDS/HIV waiver services shall not be provided when the person is an inpatient in a medical institution.
- c. Be eligible for medical assistance under SSI, SSI-related, FMAP, or FMAP-related coverage groups; medically needy at hospital level of care; or a special income level (300 percent group); or become eligible through application of the institutional deeming rules.
- d. Require, and use at least quarterly, one service available under the waiver as determined through an evaluation of need described in subrule 83.42(2).
- e. Have service needs such that the costs of the waiver services are not likely to exceed the costs of care that would otherwise be provided in a medical institution.
- f. Have income which does not exceed 300 percent of the maximum monthly payment for one person under supplemental security income.
- g. For the consumer choices option as set forth in 441—subrule 78.38(9), not be living in a residential care facility.

**83.42(2) Need for services.**

- a. The county social worker shall perform an assessment of the person’s need for waiver services and determine the availability and appropriateness of services. This assessment shall be based, in part, on information in the completed Home- and Community-Based Services Assessment or Reassessment, Form 470-0659. Form 470-0659 shall be completed annually.
- b. The total monthly cost of the AIDS/HIV waiver services shall not exceed the established aggregate monthly cost for level of care. The monthly cost of AIDS/HIV waiver services cannot exceed the established limit of \$1,751.

**441—83.43(249A) Application.**

**83.43(1) Application for HCBS AIDS/HIV waiver services.** The application process as specified in rules 441—76.1(249A) to 441—76.6(249A) shall be followed.

**83.43(2) Application for services.** Rescinded IAB 12/6/95, effective 2/1/96.

**83.43(3) Approval of application.**

- a. Applications for the HCBS AIDS/HIV waiver program shall be processed in 30 days unless one or more of the following conditions exist:
  - (1) The application is pending because the department has not received information, which is beyond the control of the client or the department.
  - (2) The application is pending because a level of care determination has not been made or pending although the completed assessment, Form 470-0659, has been submitted to the IME medical services unit.
  - (3) Rescinded IAB 3/7/01, effective 5/1/01.
- b. Decisions shall be mailed or given to the applicant on the date when income maintenance eligibility and level of care determinations and the consumer service plan are completed.

c. A consumer must be given the choice between HCBS AIDS/HIV waiver services and institutional care. The income maintenance or service worker shall have the consumer, parent, guardian, or attorney in fact under a durable power of attorney for health care complete and sign Form 470-0659, Home- and Community-Based Services Assessment or Reassessment, indicating the consumer's choice of home- and community-based services or institutional care.

d. Waiver services provided prior to approval of eligibility for the waiver cannot be paid.

**83.43(4) Effective date of eligibility.**

a. The effective date of eligibility for the AIDS/HIV waiver for persons who are already determined eligible for Medicaid is the date on which the income and resource eligibility and level of care determinations and the service plan are completed.

b. The effective date of eligibility for the AIDS/HIV waiver for persons who qualify for Medicaid due to eligibility for the waiver services and to whom 441—subrule 75.1(7) and rule 441—75.5(249A) do not apply is the date on which income and resource eligibility and level of care determinations and the service plan are completed.

c. Eligibility for the waiver continues until the recipient has been in a medical institution for 30 consecutive days for other than respite care or fails to meet eligibility criteria listed in rule 441—83.42(249A). Recipients who are inpatients in a medical institution for 30 or more consecutive days for other than respite care shall be reviewed for eligibility for other Medicaid coverage groups and terminated from AIDS/HIV waiver services if found eligible under another coverage group. The recipient will be notified of that decision through Form 470-0602, Notice of Decision. If the consumer returns home before the effective date of the notice of decision and the person's condition has not substantially changed, the denial may be rescinded and eligibility may continue.

d. The effective date of eligibility for the AIDS/HIV waiver for persons who qualify for Medicaid due to eligibility for the waiver services and to whom the eligibility factors set forth in 441—subrule 75.1(7) and, for married persons, in rule 441—75.5(249A) have been satisfied is the date on which the income eligibility and level of care determinations and the service plan are completed, but shall not be earlier than the first of the month following the date of application.

**83.43(5) Attribution of resources.** For the purposes of attributing resources as provided in rule 441—75.5(249A), the date on which the waiver applicant met the level of care criteria in a medical institution as established by the peer review organization shall be used as the date of entry to the medical institution. Only one attribution of resources shall be completed per person. Attributions completed for prior institutionalizations shall be applied to the waiver application.

**441—83.44(249A) Financial participation.** Persons must contribute their predetermined financial participation to the cost of AIDS/HIV waiver services or other Medicaid services, as applicable.

**83.44(1) Maintenance needs of the individual.** The maintenance needs of the individual shall be computed by deducting an amount which is 300 percent of the maximum monthly payment for one person under supplemental security income (SSI) from the client's total income.

**83.44(2) Limitation on payment.** If the amount of the financial participation equals or exceeds the reimbursement established by the service worker for AIDS/HIV services, Medicaid will make no payments to AIDS/HIV waiver service providers. Medicaid will, however, make payments to other medical vendors.

**83.44(3) Maintenance needs of spouse and other dependents.** Rescinded IAB 4/9/97, effective 6/1/97.

**441—83.45(249A) Redetermination.** A complete redetermination of eligibility for AIDS/HIV waiver services shall be completed at least once every 12 months or when there is significant change in the person's situation or condition. A redetermination of continuing eligibility factors shall be made in accordance with rules 441—76.7(249A) and 441—83.42(249A). A redetermination shall include the components listed in rule 441—83.47(249A).

**441—83.46(249A) Allowable services.** Services allowable under the AIDS/HIV waiver are counseling, home health aide, homemaker, nursing care, respite care, home-delivered meals, adult day care, consumer-directed attendant care, financial management, independent support brokerage, self-directed personal care, self-directed community supports and employment, and individual-directed goods and services as set forth in rule 441—78.38(249A).

**441—83.47(249A) Service plan.** A service plan shall be prepared for AIDS/HIV waiver consumers in accordance with rule 441—130.7(234) except that service plans for both children and adults shall be completed every 12 months or when there is significant change in the person's situation or condition.

**83.47(1)** The service plan shall include the frequency of the AIDS/HIV waiver services and the types of providers who will deliver the services.

**83.47(2)** The service plan shall indicate whether the consumer has elected the consumer choices option. If the consumer has elected the consumer choices option, the service plan shall identify:

- a. The independent support broker selected by the consumer; and
- b. The financial management service selected by the consumer.

**83.47(3)** Service plans for consumers aged 20 or under must be developed to reflect use of all appropriate nonwaiver Medicaid services so as not to replace or duplicate those services.

**83.47(4)** The service plan shall identify a plan for emergencies and the supports available to the consumer in an emergency.

**441—83.48(249A) Adverse service actions.**

**83.48(1) Denial.** An application for services shall be denied when it is determined by the department that:

- a. The client is not eligible for or in need of services.
- b. Except for respite care, the AIDS/HIV waiver services are not needed on a regular basis.
- c. Service needs exceed the aggregate monthly costs established in 83.42(2) "b" or cannot be met by the services provided under the waiver.
- d. Needed services are not available from qualified providers.

**83.48(2) Termination.** Participation in the AIDS/HIV waiver program may be terminated when the department determines that:

- a. The provisions of 441—subrule 130.5(2), paragraph "a," "b," "c," "d," "g," or "h" apply.
- b. The costs of the AIDS/HIV waiver services for the person exceed the aggregate monthly costs established in 83.42(2) "b."
- c. The client receives care in a hospital or nursing facility for 30 days or more in any one stay for purposes other than respite care.
- d. The client receives AIDS/HIV waiver services and the physical or mental condition of the client requires more care than can be provided in the client's own home as determined by the service worker.
- e. Service providers are not available.

**83.48(3)** Reduction of services shall apply as in 441—subrule 130.5(3), paragraphs "a" and "b."

**441—83.49(249A) Appeal rights.** Notice of adverse action and right to appeal shall be given in accordance with 441—Chapter 7 and rule 441—130.5(234). The applicant or recipient is entitled to have a review of the level of care determination by the IME medical services unit by sending a letter requesting a review to the IME medical services unit. If dissatisfied with that decision, an appeal may be filed with the department.

**441—83.50(249A) Conversion to the X-PERT system.** Rescinded IAB 8/7/02, effective 10/1/02.

These rules are intended to implement Iowa Code section 249A.4.

**441—83.51 to 83.59** Reserved.

## DIVISION IV—HCBS MR WAIVER SERVICES

**441—83.60(249A) Definitions.**

*“Adaptive”* means age-appropriate skills related to taking care of one’s self and one’s ability to relate to others in daily living situations. These skills include limitations that occur in the areas of communication, self-care, home-living, social skills, community use, self-direction, safety, functional activities of daily living, leisure or work.

*“Adult”* means a person with mental retardation aged 18 or over.

*“Appropriate”* means that the services or supports or activities provided or undertaken by the organization are relevant to the consumer’s needs, situation, problems, or desires.

*“Assessment”* means the review of the consumer’s current functioning in regard to the consumer’s situation, needs, strengths, abilities, desires and goals.

*“Attorney in fact under a durable power of attorney for health care”* means an individual who is designated by a durable power of attorney for health care, pursuant to Iowa Code chapter 144B, as an agent to make health care decisions on behalf of an individual and who has consented to act in that capacity.

*“Basic individual respite”* means respite provided on a staff-to-consumer ratio of one to one or higher to individuals without specialized needs requiring the care of a licensed registered nurse or licensed practical nurse.

*“Behavior”* means skills related to regulating one’s own behavior including coping with demands from others, making choices, controlling impulses, conforming conduct to laws, and displaying appropriate sociosexual behavior.

*“Case management services”* means those services established pursuant to Iowa Code chapter 225C.

*“Child”* means a person with mental retardation aged 17 or under.

*“Client participation”* means the posteligibility amount of the consumer’s income that persons eligible through a special income level must contribute to the cost of the home and community-based waiver service.

*“Counseling”* means face-to-face mental health services provided to the consumer and caregiver by a qualified mental retardation professional (QMRP) to facilitate home management of the consumer and prevent institutionalization.

*“Deemed status”* means acceptance of certification or licensure of a program or service by another certifying body in place of certification based on review and evaluation.

*“Department”* means the Iowa department of human services.

*“Direct service”* means services involving face-to-face assistance to a consumer such as transporting a consumer or providing therapy.

*“Fiscal accountability”* means the development and maintenance of budgets and independent fiscal review.

*“Group respite”* is respite provided on a staff-to-consumer ratio of less than one to one.

*“Guardian”* means a guardian appointed in probate court.

*“Health”* means skills related to the maintenance of one’s health including eating; illness identification, treatment and prevention; basic first aid; physical fitness; regular physical checkups and personal habits.

*“Immediate jeopardy”* means circumstances where the life, health, or safety of a person will be severely jeopardized if the circumstances are not immediately corrected.

*“Intermediate care facility for the mentally retarded (ICF/MR)”* means an institution that is primarily for the diagnosis, treatment, or rehabilitation of persons who are mentally retarded or persons with related conditions and that provides, in a protected residential setting, ongoing evaluation, planning, 24-hour supervision, coordination and integration of health or related services to help each person function at the greatest ability and is an approved Medicaid vendor.

*“Intermittent supported community living service”* means supported community living service provided not more than 52 hours per month.

*“Maintenance needs”* means costs associated with rent or mortgage, utilities, telephone, food and household supplies.

*“Managed care”* means a system that provides the coordinated delivery of services and supports that are necessary and appropriate, delivered in the least restrictive settings and in the least intrusive manner. Managed care seeks to balance three factors:

1. Achieving high-quality outcomes for participants.
2. Coordinating access.
3. Containing costs.

*“Medical assessment”* means a visual and physical inspection of the consumer, noting deviations from the norm, and a statement of the consumer’s mental and physical condition that can be amendable to or resolved by appropriate actions of the provider.

*“Medical institution”* means a nursing facility, intermediate care facility for the mentally retarded, or hospital which has been approved as a Medicaid vendor.

*“Medical intervention”* means consumer care in the areas of hygiene, mental and physical comfort, assistance in feeding and elimination, and control of the consumer’s care and treatment to meet the physical and mental needs of the consumer in compliance with the plan of care in areas of health, prevention, restoration, and maintenance.

*“Medical monitoring”* means observation for the purpose of assessing, preventing, maintaining, and treating disease or illness based on the consumer’s plan of care.

*“Mental retardation”* means a diagnosis of mental retardation under this division which shall be made only when the onset of the person’s condition was prior to the age of 18 years and shall be based on an assessment of the person’s intellectual functioning and level of adaptive skills. The diagnosis shall be made by a person who is a psychologist or psychiatrist who is professionally trained to administer the tests required to assess intellectual functioning and to evaluate a person’s adaptive skills. A diagnosis of mental retardation shall be made in accordance with the criteria provided in the Diagnostic and Statistical Manual of Mental Disorders, Fourth Edition, published by the American Psychiatric Association.

*“Natural supports”* means services and supports identified as wanted or needed by the consumer and provider by persons not for pay (family, friends, neighbors, coworkers, and others in the community) and organizations or entities that serve the general public.

*“Organization”* means the entity being certified.

*“Organizational outcome”* means a demonstration by the organization of actions taken by the organization to provide for services or supports to consumers.

*“Outcome”* means an action or event that follows as a result or consequence of the provision of a service or support.

*“Person with a related condition”* means an individual who has a severe, chronic disability that meets all the following conditions:

1. It is attributable to cerebral palsy, epilepsy, or any other condition, other than mental illness, found to be closely related to mental retardation because the condition results in impairment of general intellectual functioning or adaptive behavior similar to that of a mentally retarded person and requires treatment or services similar to those required for a mentally retarded person.

2. It is manifested before the age of 22.

3. It is likely to continue indefinitely.

4. It results in substantial functional limitations in three or more of the following areas of major life activity:

- Self-care.
- Understanding and use of language.
- Learning.
- Mobility.
- Self-direction.
- Capacity for independent living.

*“Procedures”* means the steps to be taken to implement a policy.

“*Process*” means service or support provided by an agency to a consumer that will allow the consumer to achieve an outcome. This can include a written, formal, consistent trackable method or an informal process that is not written but is trackable.

“*Program*” means a set of related resources and services directed to the accomplishment of a fixed set of goals and objectives for the population of a specified geographic area or for special target populations. It can mean an agency, organization, or unit of an agency, organization or institution.

“*Qualified mental retardation professional*” means a person who has at least one year of experience working directly with persons with mental retardation or other developmental disabilities and who is one of the following:

1. A doctor of medicine or osteopathy.
2. A registered nurse.
3. An occupational therapist eligible for certification as an occupational therapist by the American Occupational Therapy Association or another comparable body.
4. A physical therapist eligible for certification as a physical therapist by the American Physical Therapy Association or another comparable body.
5. A speech-language pathologist or audiologist eligible for certification of Clinical Competence in Speech-Language Pathology or Audiology by the American Speech-Language Hearing Association or another comparable body or who meets the educational requirements for certification and who is in the process of accumulating the supervised experience required for certification.
6. A psychologist with a master’s degree in psychology from an accredited school.
7. A social worker with a graduate degree from a school of social work, accredited or approved by the Council on Social Work Education or another comparable body or who holds a bachelor of social work degree from a college or university accredited or approved by the Council of Social Work Education or another comparable body.
8. A professional recreation staff member with a bachelor’s degree in recreation or in a specialty area such as art, dance, music or physical education.
9. A professional dietitian who is eligible for registration by the American Dietetics Association.
10. A human services professional who must have at least a bachelor’s degree in a human services field including, but not limited to, sociology, special education, rehabilitation counseling and psychology.

“*Service plan*” means a written consumer-centered, outcome-based plan of services developed using an interdisciplinary process, which addresses all relevant services and supports being provided. It may involve more than one provider.

“*Specialized respite*” means respite provided on a staff-to-consumer ratio of one to one or higher to individuals with specialized medical needs requiring the care, monitoring or supervision of a licensed registered nurse or licensed practical nurse.

“*Staff*” means a person under the direction of the organization to perform duties and responsibilities of the organization.

“*Third-party payments*” means payments from an attorney, individual, institution, corporation, insurance company, or public or private agency which is liable to pay part or all of the medical costs incurred as a result of injury, disease or disability by or on behalf of an applicant or a past or present recipient of Medicaid.

“*Usual caregiver*” means a person or persons who reside with the consumer and are available on a 24-hour-per-day basis to assume responsibility for the care of the consumer.

**441—83.61(249A) Eligibility.** To be eligible for HCBS MR waiver services a person must meet certain eligibility criteria and be determined to need a service(s) available under the program.

**83.61(1) Eligibility criteria.** All of the following criteria must be met. The person must:

- a. Have a diagnosis of mental retardation or, for residential-based supported community living services only, be a person with a related condition as defined in rule 441—83.60(249A). Those eligible based on a primary diagnosis of mental retardation must have the diagnosis initially established and recertified as follows:

Age	Initial application to HCBS MR waiver program	Recertification for persons with an IQ range of 54 or below, moderate range of MR or below	Recertification for persons with an IQ range of 55 or above, diagnosis of mild or unspecified range of MR
0 through 17 years	Psychological documentation within three years of the application date substantiating a diagnosis of mental retardation or mental disability equivalent to mental retardation	After the initial psychological evaluation which listed the consumer in this range, substantiate a diagnosis of mental retardation or a diagnosis of mental disability equivalent to mental retardation every six years and when a significant change occurs	After the initial psychological evaluation which listed the consumer in this range, substantiate a diagnosis of mental retardation or mental disability equivalent to mental retardation every three years and when a significant change occurs
18 through 21 years	<ul style="list-style-type: none"> <li>• Psychological documentation substantiating diagnosis of mental retardation or a diagnosis of mental disability equivalent to mental retardation within three years prior to age 18, or</li> <li>• Diagnosis of mental retardation or mental disability equivalent to mental retardation made before age 18 and current psychological documentation substantiating a diagnosis of mental retardation or a diagnosis of mental disability equivalent to mental retardation</li> </ul>	Psychological documentation substantiating a diagnosis of mental retardation or a diagnosis of mental disability equivalent to mental retardation every ten years and whenever a significant change occurs	Psychological documentation substantiating a diagnosis of mental retardation or a diagnosis of mental disability equivalent to mental retardation every five years and whenever a significant change occurs
22 years and above	Diagnosis made before age 18 and current psychological documentation substantiating a diagnosis of mental retardation or a diagnosis of mental disability equivalent to mental retardation, if the last testing date was (1) more than five years ago for consumers with an IQ range of 55 or above or with a diagnosis of mild mental retardation, or (2) more than ten years ago for consumers with an IQ range of 54 or below or with a diagnosis of moderate MR or below	Psychological documentation substantiating a diagnosis of mental retardation or a diagnosis of mental disability equivalent to mental retardation every ten years and whenever a significant change occurs	Psychological documentation substantiating a diagnosis of mental retardation or a diagnosis of mental disability equivalent to mental retardation every five years and whenever a significant change occurs

*b.* Be eligible for Medicaid under SSI, SSI-related, FMAP, or FMAP-related coverage groups; eligible under the special income level (300 percent) coverage group; or become eligible through application of the institutional deeming rules or would be eligible for Medicaid if in a medical institution.

*c.* Be certified as being in need for long-term care that, but for the waiver, would otherwise be provided in an ICF/MR. The IME medical services unit shall be responsible for annual approval of the certification of the level of care based on the data collected by the case manager and interdisciplinary team on a tool designated by the department.

(1) to (3) Rescinded IAB 3/7/01, effective 5/1/01.

*d.* Be a recipient of the Medicaid case management services or be identified to receive Medicaid case management services immediately following program enrollment.

*e.* Have service needs that can be met by this waiver program. At a minimum, a consumer must receive one billable unit of service per calendar quarter under this program.

*f.* Have a service plan completed annually and approved by the department in accordance with rule 441—83.67(249A).

*g.* For supported employment services:

- (1) Be at least age 16.
- (2) Rescinded IAB 7/1/98, effective 7/1/98.
- (3) Not be eligible for supported employment service funding under Public Law 94-142 or for the Rehabilitation Act of 1973.
- (4) Not reside in a medical institution.
- h.* Choose HCBS MR waiver services rather than ICF MR services.
- i.* To be eligible for interim medical monitoring and treatment services the consumer must be:
  - (1) Under the age of 21;
  - (2) Currently receiving home health agency services under rule 441—78.9(249A) and require medical assessment, medical monitoring, and regular medical intervention or intervention in a medical emergency during those services. (The home health aide services for which the consumer is eligible must be maximized before the consumer accesses interim medical monitoring and treatment.);
  - (3) Residing in the consumer’s family home or foster family home; and
  - (4) In need of interim medical monitoring and treatment as ordered by a physician.
- j.* Be assigned an HCBS MR payment slot pursuant to subrule 83.61(4).
- k.* For residential-based supported community living services, meet all of the following additional criteria:
  - (1) Be less than 18 years of age.
  - (2) Be preapproved as appropriate for residential-based supported community living services by the bureau of long-term care. Requests for approval shall be submitted in writing to the DHS Bureau of Long-Term Care, 1305 East Walnut Street, Des Moines, Iowa 50319-0114, and shall include the following:
    1. Social history;
    2. Case history that includes previous placements and service programs;
    3. Medical history that includes major illnesses and current medications;
    4. Current psychological evaluations and consultations;
    5. Summary of all reasonable and appropriate service alternatives that have been tried or considered;
    6. Any current court orders in effect regarding the child;
    7. Any legal history;
    8. Whether the child is at risk of out-of-home placement or the proposed placement would be less restrictive than the child’s current placement for services;
    9. Whether the proposed placement would be safe for the child and for other children living in that setting; and
    10. Whether the interdisciplinary team is in agreement with the proposed placement.
  - (3) Either:
    1. Be residing in an ICF/MR;
    2. Be at risk of ICF/MR placement, as documented by an interdisciplinary team assessment pursuant to paragraph 83.61(2)“a”; or
    3. Be a child whose long-term placement outside the home is necessary because continued stay in the home would be a detriment to the health and welfare of the child or the family, and all service options to keep the child in the home have been reviewed by an interdisciplinary team, as documented in the service file.
  - l.* For day habilitation, be 16 years of age or older.
  - m.* For the consumer choices option as set forth in 441—subrule 78.41(5), not be living in a residential care facility.

**83.61(2) Need for services.**

- a.* Consumers currently receiving Medicaid case management or services of a department-qualified mental retardation professional (QMRP) shall have the applicable coordinating staff and other interdisciplinary team members complete the Functional Assessment Tool, Form 470-3073, and identify the consumer’s needs and desires as well as the availability and appropriateness of the services.

*b.* Consumers not receiving services as set forth in paragraph “*a*” who are applying for the HCBS MR waiver service shall have a department service worker or a case manager paid by the county without Medicaid funds complete the Functional Assessment Tool, Form 470-3073, for the initial level of care determination; establish an initial interdisciplinary team for HCBS MR services; and, with the initial interdisciplinary team, identify the consumer’s needs and desires as well as the availability and appropriateness of services.

*c.* Persons meeting other eligibility criteria who do not have a Medicaid case manager shall be referred to a Medicaid case manager.

*d.* Services shall not exceed the number of maximum units established for each service.

*e.* The cost of services shall not exceed unit expense maximums. Requests shall only be reviewed for funding needs exceeding the supported community living service unit cost maximum. Requests require special review by the department and may be denied as not cost-effective.

*f.* The service worker, department QMRP, or Medicaid case manager shall complete the Functional Assessment Tool, Form 470-3073, for the initial level of care determination within 30 days from the date of the HCBS application unless the worker can document difficulty in locating information necessary for completion of Form 470-3073 or other circumstances beyond the worker’s control.

*g.* At initial enrollment the service worker, department QMRP, case manager paid by the county without Medicaid funds, or Medicaid case manager shall establish an HCBS MR interdisciplinary team for each consumer and, with the team, identify the consumer’s need for service based on the consumer’s needs and desires as well as the availability and appropriateness of services. The Medicaid case manager shall complete an annual review thereafter. The following criteria shall be used for the initial and ongoing assessments:

(1) The assessment shall be based, in part, on information on the completed Functional Assessment Tool, Form 470-3073.

(2) Service plans must be developed or reviewed to reflect use of all appropriate nonwaiver Medicaid services so as not to replace or duplicate those services.

(3) Rescinded IAB 3/7/01, effective 5/1/01.

(4) Service plans for consumers aged 20 or under which include supported community living services beyond intermittent shall be approved (signed and dated) by the designee of the bureau of long-term care or the designee of the county board of supervisors. The service worker, department QMRP, or Medicaid case manager shall attach a written request for a variance from the maximum for intermittent supported community living with a summary of services and service costs. The written request for the variance shall provide a rationale for requesting supported community living beyond intermittent. The rationale shall contain sufficient information for the designee to make a decision regarding the need for supported community living beyond intermittent.

*h.* Interim medical monitoring and treatment services must be needed because all usual caregivers are unavailable to provide care due to one of the following circumstances:

(1) Employment. Interim medical monitoring and treatment services are to be received only during hours of employment.

(2) Academic or vocational training. Interim medical monitoring and treatment services provided while a usual caregiver participates in postsecondary education or vocational training shall be limited to 24 periods of no more than 30 days each per caregiver as documented by the service worker. Time spent in high school completion, adult basic education, GED, or English as a second language does not count toward the limit.

(3) Absence from the home due to hospitalization, treatment for physical or mental illness, or death of the usual caregiver. Interim medical monitoring and treatment services under this subparagraph are limited to a maximum of 30 days.

(4) Search for employment.

1. Care during job search shall be limited to only those hours the usual caregiver is actually looking for employment, including travel time.

2. Interim medical monitoring and treatment services may be provided under this paragraph only during the execution of one job search plan of up to 30 working days in a 12-month period, approved by the department service worker or targeted case manager pursuant to 441—subparagraph 170.2(2)“b”(5).

3. Documentation of job search contacts shall be furnished to the department service worker or targeted case manager.

**83.61(3) HCBS MR program limit.** The number of persons receiving HCBS MR waiver services in the state shall be limited to the number of payment slots provided in the HCBS MR waiver approved by the Centers for Medicare and Medicaid Services (CMS). The department shall make a request to CMS to adjust the program limit annually to be effective each July 1 based upon the county management plans submitted by the state and counties. The department shall also submit a request to CMS for changes to the program limit to be effective January 1 if requested by a county during the month of September.

a. The payment slots are on a county basis for adults with legal settlement in a county and are on a statewide basis for children and adults without a county of legal settlement. These slots shall be available on a first-come, first-served basis.

b. When services are denied because the limit is reached, a notice of decision denying service based on the limit and stating that the person’s name will be put on a waiting list shall be sent to the person by the department.

**83.61(4) Securing a payment slot.**

a. The county department office shall contact the bureau of long-term care for state cases and children or the central point of coordination administrator for the county of legal settlement for adults to determine if a payment slot is available for all new applications for the HCBS MR program.

(1) For applicants not currently receiving Medicaid, the county department office shall contact the bureau or the county by the end of the fifth working day after receipt of a completed Form 470-2927 or 470-2927(S), Health Services Application, or within five working days after receipt of disability determination, whichever is later.

(2) For current Medicaid recipients, the county department office shall contact the bureau or the county by the end of the fifth working day after receipt of either Form 470-0659, Home- and Community-Based Services Assessment or Reassessment, with the choice of HCBS waiver indicated by signature of the consumer or a written request signed and dated by the consumer.

(3) A payment slot is assigned to the applicant upon confirmation of an available slot.

(4) Once a payment slot is assigned, the county department office shall give written notice to the applicant. The department shall hold the payment slot for the applicant as long as reasonable efforts are being made to arrange services and the applicant has not been determined to be ineligible for the program. If services have not been initiated and reasonable efforts are no longer being made to arrange services, the slot shall revert for use by the next person on the waiting list, if applicable. The applicant originally assigned the slot must reapply for a new slot.

b. If no payment slot is available, the bureau of long-term care shall enter persons on a waiting list according to the following:

(1) Consumers not currently eligible for Medicaid shall be entered on the waiting list on the basis of the date a completed Form 470-2927 or 470-2927(S), Health Services Application, is date-stamped in the county department office or upon county department office receipt of disability determination, whichever is later.

(2) Consumers currently eligible for Medicaid shall be added to the waiting list on the basis of the date the request as specified in 83.61(4)“a”(2) is date-stamped in the county department office.

(3) In the event that more than one application is received at one time, persons shall be entered on the waiting list on the basis of the month of birth, January being month one and the lowest number.

(4) Applicants who do not fall within the available slots shall have their application rejected, and their names shall be maintained on the waiting list. As slots become available, persons shall be selected from the waiting list to maintain the number of approved persons on the program based on their order on the waiting list. The county central point of coordination administrator (for adults) and the bureau of long-term care (for children and for adults with state case status) shall contact the county department office when a slot becomes available.

(5) Once a payment slot is assigned, the county department office shall give written notice to the person within five working days. The department shall hold the payment slot for 30 days for the person to file a new application. If an application has not been filed within 30 days, the slot shall revert for use by the next person on the waiting list, if applicable. The person originally assigned the slot must reapply for a new slot.

c. The county department office shall notify the bureau of long-term care for state cases and children or the central point of coordination administrator for the county of legal settlement for adults within five working days of the receipt of an application and of any action on or withdrawal of an application.

**441—83.62(249A) Application.**

**83.62(1)** *Application for HCBS MR waiver services.* The application process as specified in rules 441—76.1(249A) to 441—76.6(249A) shall be followed.

**83.62(2)** Rescinded IAB 6/5/96, effective 8/1/96.

**83.62(3)** *Approval of application.*

a. Applications for the HCBS MR waiver program shall be processed in 30 days unless the case manager or worker can document difficulty in locating and arranging services or other circumstance beyond the worker's control. In these cases a decision shall be made as soon as possible.

b. Decisions shall be mailed or given to the applicant on the date when both service and income maintenance eligibility determinations are completed.

c. An applicant shall be given the choice between HCBS waiver services and ICF/MR care. The case manager or worker shall have the consumer or legal representative complete and sign Part A of Form 470-3073, Mental Retardation Functional Assessment Tool, indicating the consumer's choice of care.

d. HCBS MR waiver services provided before eligibility for the waiver is approved shall not be reimbursed by the HCBS waiver program.

e. Services provided when the person is a consumer of group foster care services or is an inpatient in a medical institution shall not be reimbursed.

f. HCBS MR waiver services are not available in conjunction with other Medicaid waiver services or group foster care services.

g. Rescinded IAB 5/6/09, effective 7/1/09.

**83.62(4)** *Effective date of eligibility.*

a. Deeming of parental income and resources ceases the month following the month in which a person requires care in a medical institution.

b. The effective date of eligibility for the waiver for persons who are already determined eligible for Medicaid is the date on which the person is determined to meet the criteria set forth in rule 441—83.61(249A).

c. The effective date of eligibility for the waiver for persons who qualify for Medicaid due to eligibility for the waiver services is the date on which the person is determined to meet criteria set forth in rule 441—83.61(249A) and when the eligibility factor set forth in 441—subrule 75.1(7) and for married persons, in rule 441—75.5(249A) have been satisfied.

d. Eligibility continues until the consumer fails to meet eligibility criteria listed in rule 441—83.61(249A). Consumers who are inpatients in a medical institution for 30 consecutive days shall receive a review by the interdisciplinary team to determine additional inpatient needs for possible termination from the HCBS program. Consumers shall be reviewed for eligibility under other Medicaid coverage groups. The consumer or legal representative shall participate in the review and receive formal notification of that decision through Form 470-0602, Notice of Decision.

If the consumer returns home before the effective date of the notice of decision and the consumer's needs can still be met by the HCBS waiver services, the denial may be rescinded and eligibility may continue.

e. Eligibility and service reimbursement are effective through the last day of the month of the previous annual service plan staffing meeting and the corresponding long-term care need determination.

**83.62(5) Attribution of resources.** For the purposes of attributing resources as provided in rule 441—75.5(249A), the date on which the waiver applicant met the level of care criteria in a medical institution as established by the peer review organization shall be used as the date of entry to the medical institution. Only one attribution of resources shall be completed per person. Attributions completed for prior institutionalizations shall be applied to the waiver application.

[ARC 7741B, IAB 5/6/09, effective 7/1/09]

**441—83.63(249A) Client participation.** Persons who are eligible under the 300 percent group must contribute a predetermined client participation amount to the costs of the services.

**83.63(1) Computation of client participation.** Client participation shall be computed by deducting an amount for the maintenance needs of the individual which is 300 percent of the maximum SSI grant for an individual from the client's total income.

**83.63(2) Limitation on payment.** If the sum of the third-party payment and client participation equals or exceeds the reimbursement for the specific HCBS waiver service, Medicaid will make no payments for the HCBS waiver service. However, Medicaid will make payments to other medical vendors.

**441—83.64(249A) Redetermination.** A redetermination of eligibility for HCBS MR waiver services shall be completed at least once every 12 months.

A redetermination of continuing eligibility factors shall be made when a change in circumstances occurs that affects eligibility in accordance with rule 441—83.61(249A).

**441—83.65(249A)** Rescinded IAB 6/5/96, effective 8/1/96.

**441—83.66(249A) Allowable services.** Services allowable under the HCBS MR waiver are supported community living, respite, personal emergency response system, nursing, home health aide, home and vehicle modification, supported employment, consumer-directed attendant care, interim medical monitoring and treatment, transportation, adult day care, day habilitation, prevocational services, financial management, independent support brokerage, self-directed personal care, self-directed community supports and employment, and individual-directed goods and services as set forth in rule 441—78.41(249A).

**441—83.67(249A) Service plan.** A service plan shall be prepared for each HCBS MR waiver consumer.

**83.67(1) Development.** The service plan shall be developed by the interdisciplinary team, which includes the consumer, and, if appropriate, the legal representative, consumer's family, case manager or service worker, service providers, and others directly involved.

**83.67(2) Retention.** The service plan shall be stored by the case manager for a minimum of three years.

**83.67(3) Interdisciplinary team meeting.** The interdisciplinary team meeting shall be conducted before the current service plan expires.

**83.67(4) Information in plan.** The plan shall be in accordance with 441—subrule 24.4(3) and shall additionally include the following information to assist in evaluating the program:

- a. A listing of all services received by a consumer at the time of waiver program enrollment.
- b. For supported community living:
  - (1) The consumer's living environment at the time of waiver enrollment.
  - (2) The number of hours per day of on-site staff supervision needed by the consumer.
  - (3) The number of other waiver consumers who will live with the consumer in the living unit.
- c. An identification and justification of any restriction of the consumer's rights including, but not limited to:
  - (1) Maintenance of personal funds.
  - (2) Self-administration of medications.
  - d. The name of the service provider responsible for providing each service.
  - e. The service funding source.
  - f. The amount of the service to be received by the consumer.

- g. Whether the consumer has elected the consumer choices option and, if so:
  - (1) The independent support broker selected by the consumer; and
  - (2) The financial management service selected by the consumer.
- h. A plan for emergencies and identification of the supports available to the consumer in an emergency.

**83.67(5) Documentation.** The Medicaid case manager shall ensure that the consumer's case file contains the consumer's service plan and documentation supporting the diagnosis of mental retardation.

**83.67(6) Approval of plan.** The plan shall be approved through the Individualized Services Information System (ISIS). Services shall be entered into ISIS based on the service plan.

- a. Services must be authorized and entered into ISIS before the plan implementation date.
- b. The department or county has 15 working days after receipt of the summary and service costs in which to approve the services and service cost or request modification of the service plan unless the parties mutually agree to extend that time frame.
- c. If the department or county and service worker or case manager are unable to agree on the terms of the services or service cost within 10 days, the department or county has final authority regarding the services and service cost.
- d. If a notice of decision is not received from a county within 30 days from the date of request for services, the request shall be sent to the department of human services with documentation verifying the original submission of the request to the county. The department shall send a letter to the county central point of coordination and county board of supervisors requesting a response within 10 days. If no response is received within 10 days, the department will make the decision, as stated in paragraph "b."

**441—83.68(249A) Adverse service actions.**

**83.68(1) Denial.** An application for services shall be denied when it is determined by the department that:

- a. The applicant is not eligible for the services.
- b. Service needs exceed the service unit or reimbursement maximums.
- c. Service needs are not met by the services provided.
- d. Needed services are not available or received from qualifying providers.
- e. The HCBS MR service is not identified in the applicant's service plan.
- f. There is another community resource available to provide the service or a similar service free of charge to the applicant that will meet the applicant's needs.
- g. Completion or receipt of required documents by the department for the HCBS program applicant has not occurred.

**83.68(2) Reduction.** A particular service may be reduced when the department determines that the provisions of 441—subrule 130.5(3), paragraph "a" or "b," apply.

**83.68(3) Termination.** A particular service may be terminated when the department determines that:

- a. The provisions of 441—subrule 130.5(2), paragraph "d," "g," or "h," apply.
- b. Needed services are not available or received from qualifying providers.
- c. The HCBS MR service is not identified in the consumer's annual service plan.
- d. Service needs are not met by the services provided.
- e. Services needed exceed the service unit or reimbursement maximums.
- f. Completion or receipt of required documents by the department for the HCBS program consumer has not occurred.
- g. The consumer receives services from other Medicaid waiver programs.
- h. The consumer or legal representative through the interdisciplinary process requests termination from the services.

**441—83.69(249A) Appeal rights.** Notice of adverse action and right to appeal shall be given in accordance with 441—Chapter 7 and rule 441—130.5(234). The applicant or consumer is entitled to have a review of the level of care determination by the IME medical services unit by sending a letter

requesting a review to the IME medical services unit. If dissatisfied with that decision, the applicant or consumer may file an appeal with the department.

The applicant or consumer for whom the county has legal payment responsibility shall be entitled to a review of adverse decisions by the county by appealing to the county pursuant to 441—paragraph 25.13(2) “j.” If dissatisfied with the county’s decision, the applicant or consumer may file an appeal with the department pursuant to rule 441—83.69(249A).

**441—83.70(249A) County reimbursement.** The county board of supervisors of the consumer’s county of legal settlement shall reimburse the department for all the nonfederal share of the HCBS MR waiver service expenses to adults. The county shall enter into a payment agreement with the department for reimbursement of the nonfederal share of the cost of service provided to HCBS MR waiver adults by input through the Individualized Services Information System (ISIS).

**83.70(1) County agreement.** The county shall enter into the agreement using the criteria in subrules 83.61(2) and 83.62(1).

**83.70(2) Continuation of services for HCBS MR consumers.** The county shall continue to provide HCBS MR services to consumers with mental retardation who are enrolled in the HCBS MR program on August 1, 1996. The county shall continue to provide HCBS MR services to children who are enrolled in the HCBS MR program after the children turn 18. The state slot for a child in the HCBS MR program will transfer to the county of legal settlement when the child turns 18.

**83.70(3) Continuation of services for children receiving residential-based supported community living services.** The county of legal settlement shall be given the option to continue to provide funding for appropriate services to a child 18 to 21 years of age who is receiving residential-based supported community living services after the child turns 18. The case manager shall notify the county of legal settlement when the child in placement turns 16. For children placed after the age of 16, the case manager shall notify the county of legal settlement at the time of placement.

**441—83.71(249A) Conversion to the X-PERT system.** Rescinded IAB 8/7/02, effective 10/1/02.

**441—83.72(249A) Rent subsidy program.** Recipients of the HCBS MR waiver program may be eligible for a rent subsidy program. See 441—Chapter 53.

These rules are intended to implement Iowa Code sections 249A.3 and 249A.4.

**441—83.73 to 83.80** Reserved.

#### DIVISION V—BRAIN INJURY WAIVER SERVICES

**441—83.81(249A) Definitions.**

“*Adaptive*” means age appropriate skills related to taking care of one’s self and the ability to relate to others in daily living situations. These skills include limitations that occur in the areas of communication, self-care, home living, social skills, community use, self-direction, safety, functional academics, leisure and work.

“*Adult*” means a person with a brain injury aged 18 years or over.

“*Appropriate*” means that the services or supports or activities provided or undertaken by the organization are relevant to the consumer’s needs, situation, problems, or desires.

“*Assessment*” means the review of the consumer’s current functioning in regard to the consumer’s situation, needs, strengths, abilities, desires and goals.

“*Attorney in fact under a durable power of attorney for health care*” means an individual who is designated by a durable power of attorney for health care, pursuant to Iowa Code chapter 144B, as an agent to make health care decisions on behalf of an individual and who has consented to act in that capacity.

“*Basic individual respite*” means respite provided on a staff-to-consumer ratio of one to one or higher to individuals without specialized needs requiring the care of a licensed registered nurse or licensed practical nurse.

“*Behavior*” means skills related to regulating one’s own behavior including coping with demands from others, making choices, conforming conduct to laws, and displaying appropriate sociosexual behavior.

“*Brain injury*” means clinically evident damage to the brain resulting directly or indirectly from trauma, infection, anoxia, vascular lesions or tumor of the brain, not primarily related to degenerative or aging processes, which temporarily or permanently impairs a person’s physical, cognitive, or behavioral functions. The person must have a diagnosis from the following list:

- Malignant neoplasms of brain, cerebrum.
- Malignant neoplasms of brain, frontal lobe.
- Malignant neoplasms of brain, temporal lobe.
- Malignant neoplasms of brain, parietal lobe.
- Malignant neoplasms of brain, occipital lobe.
- Malignant neoplasms of brain, ventricles.
- Malignant neoplasms of brain, cerebellum.
- Malignant neoplasms of brain, brain stem.
- Malignant neoplasms of brain, other part of brain, includes midbrain, peduncle, and medulla oblongata.

- Malignant neoplasms of brain, cerebral meninges.
- Malignant neoplasms of brain, cranial nerves.
- Secondary malignant neoplasm of brain.
- Secondary malignant neoplasm of other parts of the nervous system, includes cerebral meninges.
- Benign neoplasm of brain and other parts of the nervous system, brain.
- Benign neoplasm of brain and other parts of the nervous system, cranial nerves.
- Benign neoplasm of brain and other parts of the nervous system, cerebral meninges.
- Encephalitis, myelitis and encephalomyelitis.
- Intracranial and intraspinal abscess.
- Anoxic brain damage.
- Subarachnoid hemorrhage.
- Intracerebral hemorrhage.
- Other and unspecified intracranial hemorrhage.
- Occlusion and stenosis of precerebral arteries.
- Occlusion of cerebral arteries.
- Transient cerebral ischemia.
- Acute, but ill-defined, cerebrovascular disease.
- Other and ill-defined cerebrovascular diseases.
- Fracture of vault of skull.
- Fracture of base of skull.
- Other and unqualified skull fractures.
- Multiple fractures involving skull or face with other bones.
- Concussion.
- Cerebral laceration and contusion.
- Subarachnoid, subdural, and extradural hemorrhage following injury.
- Other and unspecified intracranial hemorrhage following injury.
- Intracranial injury of other and unspecified nature.
- Poisoning by drugs, medicinal and biological substances.
- Toxic effects of substances.
- Effects of external causes.
- Drowning and nonfatal submersion.
- Asphyxiation and strangulation.
- Child maltreatment syndrome.
- Adult maltreatment syndrome.

“*Case management services*” means those services established pursuant to Iowa Code chapter 225C.

“*Child*” means a person with a brain injury aged 17 years or under.

“*Client participation*” means the amount of the consumer’s income that the person must contribute to the cost of brain injury waiver services, exclusive of medical vendor payments, before Medicaid will provide additional reimbursement.

“*Deemed status*” means acceptance of certification or licensure of a program or service by another certifying body in place of certification based on review and evaluation.

“*Department*” means the Iowa department of human services.

“*Direct service*” means services involving face-to-face assistance to a consumer such as transporting a consumer or providing therapy.

“*Fiscal accountability*” means the development and maintenance of budgets and independent fiscal review.

“*Group respite*” is respite provided on a staff-to-consumer ratio of less than one to one.

“*Guardian*” means a guardian appointed in probate court.

“*Health*” means skills related to the maintenance of one’s health including eating; illness identification, treatment and prevention; basic first aid; physical fitness; regular physical checkups and personal habits.

“*Immediate jeopardy*” means circumstances where the life, health, or safety of a person will be severely jeopardized if the circumstances are not immediately corrected.

“*Intermittent supported community living service*” means supported community living service provided from one to three hours a day for not more than four days a week.

“*Medical assessment*” means a visual and physical inspection of the consumer, noting deviations from the norm, and a statement of the consumer’s mental and physical condition that can be amendable to or resolved by appropriate actions of the provider.

“*Medical institution*” means a nursing facility, a skilled nursing facility, intermediate care facility for the mentally retarded, or hospital which has been approved as a Medicaid vendor.

“*Medical intervention*” means consumer care in the areas of hygiene, mental and physical comfort, assistance in feeding and elimination, and control of the consumer’s care and treatment to meet the physical and mental needs of the consumer in compliance with the plan of care in areas of health, prevention, restoration, and maintenance.

“*Medical monitoring*” means observation for the purpose of assessing, preventing, maintaining, and treating disease or illness based on the consumer’s plan of care.

“*Natural supports*” means services and supports identified as wanted or needed by the consumer and provider by persons not for pay (family, friends, neighbors, coworkers, and others in the community) and organizations or entities that serve the general public.

“*Organization*” means the entity being certified.

“*Organizational outcome*” means a demonstration by the organization of actions taken by the organization to provide for services or supports to consumers.

“*Outcome*” means an action or event that follows as a result or consequence of the provision of a service or support.

“*Procedures*” means the steps to be taken to implement a policy.

“*Process*” means service or support provided by an agency to a consumer that will allow the consumer to achieve an outcome. This can include a written, formal, consistent trackable method or an informal process that is not written but is trackable.

“*Program*” means a set of related resources and services directed to the accomplishment of a fixed set of goals and objectives for the population of a specified geographic area or for special target populations. It can mean an agency, organization, or unit of an agency, organization or institution.

“*Qualified brain injury professional*” means one of the following who meets the educational and licensure or certification requirements for the profession as required in the state of Iowa and who has two years’ experience working with people living with a brain injury: a psychologist; psychiatrist; physician; registered nurse; certified teacher; social worker; mental health counselor; physical, occupational, recreational, or speech therapist; or a person with a bachelor of arts or science degree in psychology, sociology, or public health or rehabilitation services.

“*Service coordination*” means activities designed to help individuals and families locate, access, and coordinate a network of supports and services that will allow them to live a full life in the community.

“*Service plan*” means a written consumer-centered, outcome-based plan of services developed using an interdisciplinary process, which addresses all relevant services and supports being provided. It may involve more than one provider.

“*Specialized respite*” means respite provided on a staff-to-consumer ratio of one to one or higher to individuals with specialized medical needs requiring the care, monitoring or supervision of a licensed registered nurse or licensed practical nurse.

“*Staff*” means a person under the direction of the organization to perform duties and responsibilities of the organization.

“*Third-party payments*” means payments from an individual, institution, corporation, or public or private provider which is liable to pay part or all of the medical costs incurred as a result of injury or disease on behalf of a consumer of medical assistance.

“*Usual caregiver*” means a person or persons who reside with the consumer and are available on a 24-hour-per-day basis to assume responsibility for the care of the consumer.

**441—83.82(249A) Eligibility.** To be eligible for brain injury waiver services a consumer must meet eligibility criteria and be determined to need a service allowable under the program.

**83.82(1) Eligibility criteria.** All of the following criteria must be met. The person must:

- a. Have a diagnosis of brain injury.
- b. Be eligible for Medicaid under SSI, SSI-related, FMAP, or FMAP-related coverage groups or be eligible under the special income level (300 percent) coverage group consistent with a level of care in a medical institution.
- c. Be aged 1 month to 64 years.
- d. Be a U.S. citizen and Iowa resident.
- e. Rescinded IAB 7/11/01, effective 7/1/01.
- f. Be determined by the IME medical services unit as in need of intermediate care facility for the mentally retarded (ICF/MR), skilled nursing, or ICF level of care.
- g. Be assessed by the IME medical services unit as able to live in a home- or community-based setting where all medically necessary service needs can be met within the scope of this waiver.
- h. At a minimum, receive a waiver service each quarter in addition to case management.
- i. Choose HCBS.
- j. To be eligible for interim medical monitoring and treatment services the consumer must be:
  - (1) Under the age of 21;
  - (2) Currently receiving home health agency services under rule 441—78.9(249A) and require medical assessment, medical monitoring, and regular medical intervention or intervention in a medical emergency during those services. (The home health aide services for which the consumer is eligible must be maximized before the consumer accesses interim medical monitoring and treatment.);
  - (3) Residing in the consumer’s family home or foster family home; and
  - (4) In need of interim medical monitoring and treatment as ordered by a physician.
- k. Receive services in a community, not an institutional, setting.
- l. Be assigned a state payment slot within the yearly total approved by the Centers for Medicare and Medicaid Services.
- m. For the consumer choices option as set forth in rule 441—subrule 78.43(15), not be living in a residential care facility.

**83.82(2) Need for services.**

a. The consumer shall have a service plan approved by the department that is developed by the certified case manager for this waiver as identified by the county of residence. This must be completed prior to services provision and annually thereafter.

The case manager shall establish the interdisciplinary team for the consumer and, with the team, identify the consumer’s “need for service” based on the consumer’s needs and desires as well as the availability and appropriateness of services using the following criteria:

(1) The assessment shall be based, in part, on information provided to the IME medical services unit.

(2) Service plans must be developed to reflect use of all appropriate nonwaiver Medicaid state services so as not to replace or duplicate those services.

(3) Service plans for consumers aged 20 or under which include supported community living services beyond intermittent shall not be approved until a home health provider has made a request to cover the service through all nonwaiver Medicaid services.

(4) Service plans for consumers aged 20 or under which include supported community living services beyond intermittent must be approved (signed and dated) by the designee of the bureau of long-term care. The Medicaid case manager must request in writing more than intermittent supported community living with a summary of services and service costs, and submit a written justification with the service plan. The rationale must contain sufficient information for the bureau's designee, or for a consumer at the ICF/MR level of care, the designee of the county of legal settlement's board of supervisors, to make a decision regarding the need for supported community living beyond intermittent.

*b.* Interim medical monitoring and treatment services must be needed because all usual caregivers are unavailable to provide care due to one of the following circumstances:

(1) Employment. Interim medical monitoring and treatment services are to be received only during hours of employment.

(2) Academic or vocational training. Interim medical monitoring and treatment services provided while a usual caregiver participates in postsecondary education or vocational training shall be limited to 24 periods of no more than 30 days each per caregiver as documented by the service worker. Time spent in high school completion, adult basic education, GED, or English as a second language does not count toward the limit.

(3) Absence from the home due to hospitalization, treatment for physical or mental illness, or death of the usual caregiver. Interim medical monitoring and treatment services under this subparagraph are limited to a maximum of 30 days.

(4) Search for employment.

1. Care during job search shall be limited to only those hours the usual caregiver is actually looking for employment, including travel time.

2. Interim medical monitoring and treatment services may be provided under this paragraph only during the execution of one job search plan of up to 30 working days in a 12-month period, approved by the department service worker or targeted case manager pursuant to 441—subparagraph 170.2(2)“b”(5).

3. Documentation of job search contacts shall be furnished to the department service worker or targeted case manager.

*c.* The consumer shall access, if a child, all other services for which the person is eligible and which are appropriate to meet the person's needs as a precondition of eligibility for the HCBS BI waiver.

*d.* The total cost of brain injury waiver services shall not exceed \$2,812 per month. If more than \$505 is paid for home and vehicle modification services, the service worker shall encumber up to \$505 per month within the monthly dollar cap allowed for the consumer until the total amount of the modification is reached within a 12-month period.

**83.82(3)** *HCBS brain injury (BI) waiver program limit for persons requiring the ICF/MR level of care.* Rescinded IAB 7/11/01, effective 7/1/01.

**83.82(4)** *Securing a state payment slot.*

*a.* The county department office shall contact the bureau of long-term care to determine if a payment slot is available for all new applications for the HCBS BI waiver program. For new applications for people who require the ICF/MR level of care when the county of legal settlement has payment responsibility pursuant to rule 441—83.90(249A), the county department office shall inform the county of legal settlement of the application.

(1) For applicants not currently receiving Medicaid, the county department office shall contact the bureau and notify the county of those applicants for whom the county has payment responsibility by the end of the second working day after receipt of a completed Form 470-2927 or 470-2927(S), Health Services Application.

(2) For current Medicaid recipients, the county department office shall contact the bureau and notify the county of those persons for whom the county has payment responsibility by the end of the second working day after receipt of either Form 470-3349, Brain Injury Functional Assessment, with the choice of the HCBS waiver indicated by the consumer's signature, or a written request signed and dated by the consumer.

*b.* On the third day after the receipt of the completed Form 470-2927 or 470-2927(S), if no payment slot is available, the bureau of long-term care shall enter the consumer on a waiting list according to the following:

(1) Consumers not currently eligible for Medicaid shall be entered on the waiting list on the basis of the date a completed Form 470-2927 or 470-2927(S), Health Services Application, is date-stamped in the county department office. Consumers currently eligible for Medicaid shall be added to the waiting list on the basis of the date the consumer requests HCBS BI program services as documented by the date of the consumer's signature on Form 470-2927 or 470-2927(S). In the event that more than one application is received at one time, consumers shall be entered on the waiting list on the basis of the month of birth, January being month one and the lowest number.

(2) Persons who do not fall within the available slots shall have their applications rejected but their names shall be maintained on the waiting list. As slots become available, persons shall be selected from the waiting list to maintain the number of approved persons on the program based on their order on the waiting list.

The county shall have financial responsibility for the state share of the costs of services for these consumers as stated in rule 441—83.90(249A). The county shall include these ICF/MR level of care brain-injured consumers in their annual county management plan which is approved by the state.

#### **441—83.83(249A) Application.**

**83.83(1)** *Application for financial eligibility.* The application process as specified in rules 441—76.1(249A) to 441—76.6(249A) shall be followed.

#### **83.83(2)** *Approval of application for eligibility.*

*a.* Applications for the determination of ability of the consumer to have all medically necessary service needs met within the scope of this waiver shall be initiated on behalf of the consumer and with the consumer's consent or with the consent of the consumer's legal representative by the discharge planner of the medical facility where the consumer resides at the time of application or the case manager. The discharge planner or case manager shall provide to the IME medical services unit all appropriate information needed regarding all the medically necessary service needs of the consumer. After completing the determination of ability to have all medically necessary service needs met within the scope of this waiver, the IME medical services unit shall inform the discharge planner or case manager on behalf of the consumer or the consumer's legal representative and send to the income maintenance worker a copy of the decision as to whether all of the consumer's service needs can be met in a home- or community-based setting.

*b.* Eligibility for the HCBS BI waiver shall be effective as of the date when both the service eligibility and financial eligibility have been completed. Decisions shall be mailed or given to the consumer or the consumer's legal representative on the date when each eligibility determination is completed.

*c.* A consumer shall be given the choice between waiver services and institutional care. The consumer or legal representative shall complete and sign Form 470-3349, Brain Injury Functional Assessment, indicating the consumer's choice of caregiver. This shall be arranged by the medical facility discharge planner or case manager.

*d.* The medical facility discharge planner, if there is one involved, shall contact the appropriate case manager for the consumer's county of residence to initiate development of the consumer's service plan and initiation of waiver services.

*e.* HCBS BI waiver services provided prior to both approvals of eligibility for the waiver cannot be paid.

*f.* HCBS BI waiver services are not available in conjunction with other HCBS waiver programs or group foster care services.

*g.* The Medicaid case manager shall establish an HCBS BI waiver interdisciplinary team for each consumer and, with the team, identify the consumer's "need for service" based on the consumer's needs and desires as well as the availability and appropriateness of services.

**83.83(3) Effective date of eligibility.**

*a.* The effective date of eligibility for the waiver for persons who are already determined eligible for Medicaid is the date on which the person is determined to meet all of the criteria set forth in rule 441—83.82(249A).

*b.* The effective date of eligibility for the waiver for persons who qualify for Medicaid due to eligibility for the waiver services is the date on which the person is determined to meet all of the criteria set forth in rule 441—83.82(249A) and when the eligibility factors set forth in 441—subrule 75.1(7) and for married persons, in rule 441—75.5(249A), have been satisfied.

*c.* Eligibility for the waiver continues until the consumer fails to meet eligibility criteria listed in rule 441—83.82(249A). Consumers who return to inpatient status in a medical institution for more than 30 consecutive days shall be reviewed by the IME medical services unit to determine additional inpatient needs for possible termination from the brain injury waiver. The consumer shall be reviewed for eligibility under other Medicaid coverage groups in accordance with rule 441—76.11(249A). The consumer shall be notified of that decision through Form 470-0602, Notice of Decision.

If the consumer returns home before the effective date of the notice of decision and the consumer's condition has not substantially changed, the denial may be rescinded and eligibility may continue.

**83.83(4) Attribution of resources.** For the purposes of attributing resources as provided in rule 441—75.5(249A), the date on which the waiver consumer meets the level of care criteria in a medical institution as established by the peer review organization shall be used as the date of entry to the medical institution. Only one attribution of resources shall be completed per person. Attributions completed for prior institutionalizations shall be applied to the waiver application.

**441—83.84(249A) Client participation.** Consumers who are financially eligible under 441—subrule 75.1(7) (the 300 percent group) must contribute a predetermined participation amount to the cost of brain injury waiver services.

**83.84(1) Computation of client participation.** Client participation shall be computed by deducting an amount for the maintenance needs of the consumer which is 300 percent of the maximum SSI grant for an individual from the consumer's total income. For a couple, client participation is determined as if each person were an individual.

**83.84(2) Limitation on payment.** If the sum of the third-party payment and client participation equals or exceeds the reimbursement for the specific brain injury waiver service, Medicaid shall make no payments for the waiver service. However, Medicaid shall make payments to other medical providers.

**441—83.85(249A) Redetermination.** A complete financial redetermination of eligibility for brain injury waiver shall be completed at least once every 12 months. A redetermination of continuing eligibility factors shall be made when a change in circumstances occurs that affects eligibility in accordance with rule 441—83.82(249A). A redetermination shall contain the components listed in rule 441—83.82(249A).

**441—83.86(249A) Allowable services.** Services allowable under the brain injury waiver are case management, respite, personal emergency response, supported community living, behavioral programming, family counseling and training, home and vehicle modification, specialized medical equipment, prevocational services, transportation, supported employment, adult day care, consumer-directed attendant care, interim medical monitoring and treatment, financial management, independent support brokerage, self-directed personal care, self-directed community supports and employment, and individual-directed goods and services as set forth in rule 441—78.43(249A).

**441—83.87(249A) Service plan.** A service plan shall be prepared and utilized for each HCBS BI waiver consumer. The service plan shall be developed by an interdisciplinary team, which includes the consumer, and, if appropriate, the legal representative, consumer's family, case manager, providers, and others directly involved. The service plan shall be stored by the case manager for a minimum of three years. The service plan staffing shall be conducted before the current service plan expires.

**83.87(1) Information in plan.** The plan shall be in accordance with 441—subrule 24.4(3) and shall additionally include the following information to assist in evaluating the program:

- a. A listing of all services received by a consumer at the time of waiver program enrollment.
- b. For supported community living:
  - (1) The consumer's living environment at the time of waiver enrollment.
  - (2) The number of hours per day of on-site staff supervision needed by the consumer.
  - (3) The number of other waiver consumers who will live with the consumer in the living unit.
- c. An identification and justification of any restriction of a consumer's rights including, but not limited to:

- (1) Maintenance of personal funds.
- (2) Self-administration of medications.
- d. The names of all providers responsible for providing all services.
- e. All service funding sources.
- f. The amount of the service to be received by the consumer.
- g. Whether the consumer has elected the consumer choices option and, if so:
  - (1) The independent support broker selected by the consumer; and
  - (2) The financial management service selected by the consumer.
- h. A plan for emergencies and identification of the supports available to the consumer in an emergency.

**83.87(2) Use of nonwaiver services.** Service plans must be developed to reflect use of all appropriate nonwaiver Medicaid services and so as not to replace or duplicate those services.

Service plans for consumers aged 20 or under which include supported community living services beyond intermittent must be approved (signed and dated) by the designee of the bureau of long-term care, or when a county voluntarily chooses to participate, by the county board of supervisors' designee or the bureau's designee. The Medicaid case manager shall attach a written request for a variance from the limitation on supported community living to intermittent.

**83.87(3) Annual assessment.** The IME medical services unit shall assess the consumer annually and certify the consumer's need for long-term care services. The IME medical services unit shall be responsible for determining the level of care based on the completed Brain Injury Waiver Functional Assessment, Form 470-3283, and supporting documentation as needed.

**83.87(4) Service file.** The Medicaid case manager must ensure that the consumer service file contains the consumer's service plan.

- a. to d. Rescinded IAB 8/7/02, effective 10/1/02.

**441—83.88(249A) Adverse service actions.**

**83.88(1) Denial.** An application for services shall be denied when it is determined by the department that:

- a. The consumer is not eligible for the services because all of the medically necessary service needs cannot be met in a home- or community-based setting.
- b. Service needs exceed the service unit or reimbursement maximums.
- c. Service needs are not met by the services provided.
- d. Needed services are not available or received from qualifying providers.
- e. The brain injury waiver service is not identified in the consumer's service plan.
- f. There is another community resource available to provide the service or a similar service free of charge to the consumer that will meet the consumer's needs.
- g. The consumer receives services from other Medicaid waiver providers.

*h.* The consumer or legal representative through the interdisciplinary process requests termination from the services.

**83.88(2) Reduction.** A particular service may be reduced when the department determines that the provisions of 441—subrule 130.5(3), paragraph “*a*” or “*b*,” apply.

**83.88(3) Termination.** A particular service may be terminated when the department determines that:

- a.* The provisions of 441—subrule 130.5(2), paragraph “*d*,” “*g*,” or “*h*,” apply.
- b.* Needed services are not available or received from qualifying providers.
- c.* The brain injury waiver service is not identified in the consumer’s annual service plan.
- d.* Service needs are not met by the services provided.
- e.* Services needed exceed the service unit or reimbursement maximums.
- f.* Completion or receipt of required documents by the department or the medical facility discharge planner for the brain injury waiver service consumer has not occurred.
- g.* The consumer receives services from other Medicaid providers.
- h.* The consumer or legal representative through the interdisciplinary process requests termination from the services.

**441—83.89(249A) Appeal rights.** Notice of adverse actions and right to appeal shall be given in accordance with 441—Chapter 7 and rule 441—130.5(234). The applicant or consumer is entitled to have a review of the level of care determination by the IME medical services unit by sending a letter requesting a review to the IME medical services unit. If dissatisfied with that decision, the applicant or consumer may file an appeal with the department.

The applicant or consumer for whom the county has legal payment responsibility shall be entitled to a review of adverse decisions by the county by appealing to the county pursuant to 441—paragraph 25.13(2) “*j*.” If dissatisfied with the county’s decision, the applicant or consumer may file an appeal with the department pursuant to rule 441—83.69(249A).

**441—83.90(249A) County reimbursement.** The county board of supervisors of the consumer’s county of legal settlement shall reimburse the department for all the nonfederal share of the cost of brain injury waiver services to consumers at the ICF/MR level of care with legal settlement in the county who are coming onto the waiver from an ICF/MR facility or who have been receiving other services for which the county has been financially responsible or would become liable due to the person’s reaching the age of majority. The county shall enter into a payment agreement with the department for reimbursement of the nonfederal share of the cost of services provided to adults who meet the criteria stated above by input through the Individualized Services Information System (ISIS). Waiver slots for these persons shall be identified in the county management plan submitted to the department pursuant to 441—Chapter 25.

The county shall enter into the agreement using the criteria in subrule 83.82(2).

**441—83.91(249A) Conversion to the X-PERT system.** Rescinded IAB 8/7/02, effective 10/1/02.

These rules are intended to implement Iowa Code sections 249A.3 and 249A.4.

**441—83.92 to 83.100** Reserved.

#### DIVISION VI—PHYSICAL DISABILITY WAIVER SERVICES

**441—83.101(249A) Definitions.**

“*Adaptive*” means age-appropriate skills related to taking care of one’s self and the ability to relate to others in daily living situations. These skills include limitations that occur in the areas of communication, self-care, home living, social skills, community use, self-direction, safety, functional academics, leisure and work.

“*Adult*” means a person with a physical disability aged 18 years to 64 years.

“*Appropriate*” means that the services or supports or activities provided or undertaken by the organization are relevant to the consumer’s needs, situation, problems, or desires.

“*Assessment*” means the review of the consumer’s current functioning in regard to the consumer’s situation, needs, strengths, abilities, desires and goals.

“*Attorney in fact under a durable power of attorney for health care*” means an individual who is designated by a durable power of attorney for health care, pursuant to Iowa Code chapter 144B, as an agent to make health care decisions on behalf of an individual and who has consented to act in that capacity.

“*Behavior*” means skills related to regulating one’s own behavior including coping with demands from others, making choices, controlling impulses, conforming conduct to laws, and displaying appropriate sociosexual behavior.

“*Client participation*” means the amount of the consumer’s income that the person must contribute to the cost of physical disability waiver services, exclusive of medical vendor payments, before Medicaid will provide additional reimbursement.

“*Department*” means the Iowa department of human services.

“*Guardian*” means a guardian appointed in probate court for an adult.

“*Medical institution*” means a nursing facility, a skilled nursing facility, intermediate care facility for the mentally retarded, or hospital which has been approved as a Medicaid vendor.

“*Physical disability*” means a severe, chronic condition that is attributable to a physical impairment that results in substantial limitations of physical functioning in three or more of the following areas of major life activities: self-care, receptive and expressive language, learning, mobility, self-direction, capacity for independent living, and economic self-sufficiency.

“*Service plan*” means a written consumer-centered, outcome-based plan of services developed using an interdisciplinary process which addresses all relevant services and supports being provided. It may involve more than one provider.

“*Third-party payments*” means payments from an individual, institution, corporation, or public or private provider which is liable to pay part or all of the medical costs incurred as a result of injury or disease on behalf of a consumer of medical assistance.

“*Waiver year*” means a 12-month period commencing on April 1 of each year.

**441—83.102(249A) Eligibility.** To be eligible for physical disability waiver services, a consumer must meet eligibility criteria set forth in subrule 83.102(1) and be determined to need a service allowable under the program per subrule 83.102(2).

**83.102(1) Eligibility criteria.** All of the following criteria must be met. The person must:

- a. Have a physical disability.
- b. Be blind or disabled as determined by the receipt of social security disability benefits or by a disability determination made through the department. Disability determinations are made according to supplemental security income guidelines under Title XVI of the Social Security Act or the disability guidelines for the Medicaid employed people with disabilities coverage group.
- c. Be ineligible for the HCBS MR waiver.
- d. Have the ability to hire, supervise, and fire the provider as determined by the service worker, and be willing to do so, or have a parent or guardian named by probate court, or attorney in fact under a durable power of attorney for health care who will take this responsibility on behalf of the consumer.
- e. Be eligible for Medicaid under 441—Chapter 75.
- f. Be aged 18 years to 64 years.
- g. Rescinded IAB 2/7/01, effective 2/1/01.
- h. Be in need of skilled nursing or intermediate care facility level of care. Initial decisions on level of care shall be made for the department by the IME medical services unit within two working days of receipt of medical information. After notice of an adverse decision by the IME medical services unit, the Medicaid applicant or recipient or the applicant’s or recipient’s representative may request reconsideration by the IME medical services unit pursuant to subrule 83.109(2). On initial and reconsideration decisions, the IME medical services unit determines whether the level of care requirement is met based on medical necessity and the appropriateness of the level of care under 441—subrules 79.9(1) and 79.9(2). Adverse decisions by the IME medical services

unit on reconsiderations may be appealed to the department pursuant to 441—Chapter 7 and rule 441—83.109(249A).

- i.* Choose HCBS.
- j.* Use a minimum of one unit of service per calendar quarter under this program.
- k.* For the consumer choices option as set forth in 441—subrule 78.46(6), not be living in a residential care facility.

**83.102(2) Need for services.**

*a.* The consumer shall have a service plan which is developed by the consumer and a department service worker. This must be completed and approved prior to service provision and at least annually thereafter.

The service worker shall identify the need for service based on the needs of the consumer as well as the availability and appropriateness of services.

*b.* The total cost of physical disability waiver services shall not exceed \$659 per month. If more than \$505 is paid for home and vehicle modification services, the service worker shall encumber up to \$505 per month within the monthly dollar cap allowed for the consumer until the total amount of the modification is reached within a 12-month period.

**83.102(3) Slots.** The total number of persons receiving HCBS physical disability waiver services in the state shall be limited to the number provided in the waiver approved by the Secretary of the U.S. Department of Health and Human Services. These slots shall be available on a first-come, first-served basis.

**83.102(4) County payment slots for persons requiring the ICF/MR level of care.** Rescinded IAB 10/6/99, effective 10/1/99.

**83.102(5) Securing a slot.**

*a.* The county department office shall contact the bureau of long-term care for all cases to determine if a slot is available for all new applications for the HCBS physical disability waiver program.

(1) For applicants not currently receiving Medicaid, the county department office shall contact the bureau by the end of the second working day after receipt of a completed Form 470-2927 or 470-2927(S), Health Services Application, submitted on or after April 1, 1999.

(2) For current Medicaid recipients, the county department office shall contact the bureau by the end of the second working day after receipt of Form 470-3502, Physical Disability Waiver Assessment Tool, with the choice of HCBS waiver indicated by the signature of the consumer or a written request signed and dated by the consumer.

*b.* On the third day after the receipt of the completed Form 470-2927 or 470-2927(S), Health Services Application, if no slot is available, the bureau of long-term care shall enter consumers on the HCBS physical disabilities waiver waiting list according to the following:

(1) Consumers not currently eligible for Medicaid shall be entered on the basis of the date a completed Form 470-2927 or 470-2927(S), Health Services Application, is submitted on or after April 1, 1999, and date-stamped in the county department office. Consumers currently eligible for Medicaid shall be added on the basis of the date the consumer requests HCBS physical disability program services as documented by the date of the consumer's signature on Form 470-2927 or 470-2927(S). In the event that more than one application is received on the same day, consumers shall be entered on the waiting list on the basis of the day of the month of their birthday, the lowest number being first on the list. Any subsequent tie shall be decided by the month of birth, January being month one and the lowest number.

(2) Persons who do not fall within the available slots shall have their applications rejected but their names shall be maintained on the waiting list. As slots become available, persons shall be selected from the waiting list to maintain the number of approved persons on the program based on their order on the waiting list.

**83.102(6) Securing a county payment slot.** Rescinded IAB 10/6/99, effective 10/1/99.

**83.102(7) HCBS physical disability waiver waiting list.** When services are denied because the limit on the number of slots is reached, a notice of decision denying service based on the limit and stating that the person's name shall be put on a waiting list shall be sent to the person by the department.

**441—83.103(249A) Application.**

**83.103(1)** *Application for financial eligibility.* The application process as specified in rules 441—76.1(249A) to 441—76.6(249A) shall be followed. Applications for this program may only be filed on or after April 1, 1999.

**83.103(2)** *Approval of application for eligibility.*

a. Applications for this waiver shall be initiated on behalf of the applicant who is a resident of a medical institution with the applicant's consent or with the consent of the applicant's legal representative by the discharge planner of the medical facility where the applicant resides at the time of application. The discharge planner shall complete Form 470-3502, Physical Disability Waiver Assessment Tool, and submit it to the IME medical services unit. After completing the determination of the level of care needed by the applicant, the IME medical services unit shall inform the income maintenance worker and the discharge planner of the IME medical services unit's decision.

b. Applications for this waiver shall be initiated by the applicant, the applicant's parent or legal guardian, or the applicant's attorney in fact under a durable power of attorney for health care on behalf of the applicant who is residing in the community. The applicant, the applicant's parent, the applicant's legal guardian, or the applicant's attorney in fact under a durable power of attorney for health care shall complete Form 470-3502, Physical Disability Waiver Assessment Tool, and submit it to the IME medical services unit. After completing the determination of the level of care needed by the applicant, the IME medical services unit shall inform the income maintenance worker and the applicant, the applicant's parent or legal guardian, or the applicant's attorney in fact under a durable power of attorney for health care.

c. Eligibility for this waiver shall be effective as of the date when both the eligibility criteria in subrule 83.102(1) and need for services in subrule 83.102(2) have been established. Decisions shall be mailed or given to the applicant, the applicant's parent or legal guardian, or the applicant's attorney in fact under a durable power of attorney for health care on the date when each eligibility determination is completed.

d. An applicant shall be given the choice between waiver services and institutional care. The applicant or the applicant's parent, legal guardian, or attorney in fact under a durable power of attorney for health care shall sign Form 470-3502, Physical Disability Waiver Assessment Tool, indicating the applicant's choice of caregiver.

e. The applicant, the applicant's parent or guardian, or the applicant's attorney in fact under a durable power of attorney for health care shall cooperate with the service worker in the development of the service plan, which must be approved by the department service worker prior to the start of services.

f. HCBS physical disability waiver services provided prior to both approvals of eligibility for the waiver cannot be paid.

g. HCBS physical disability waiver services are not available in conjunction with other HCBS waiver programs. The consumer may also receive in-home health-related care service if eligible for that program.

**83.103(3)** *Effective date of eligibility.*

a. The effective date of eligibility for the waiver for persons who are already determined eligible for Medicaid is the date on which the person is determined to meet all of the criteria set forth in rule 441—83.102(249A).

b. The effective date of eligibility for the waiver for persons who qualify for Medicaid due to eligibility for the waiver services is the date on which the person is determined to meet all of the criteria set forth in rule 441—83.102(249A) and when the eligibility factors set forth in 441—subrule 75.1(7) and, for married persons, in rule 441—75.5(249A), have been satisfied.

c. Eligibility for the waiver continues until the consumer fails to meet eligibility criteria listed in rule 441—83.102(249A). Consumers who return to inpatient status in a medical institution for more than 30 consecutive days shall be reviewed by the IME medical services unit to determine additional inpatient needs for possible termination from the physical disability waiver. The consumer shall be reviewed for eligibility under other Medicaid coverage groups in accordance with rule 441—76.11(249A). The consumer shall be notified of that decision through Form 470-0602, Notice of Decision.

If the consumer returns home before the effective date of the notice of decision and the consumer's condition has not substantially changed, the denial may be rescinded and eligibility may continue.

**83.103(4) Attribution of resources.** For the purposes of attributing resources as provided in rule 441—75.5(249A), the date on which the waiver consumer meets the institutional level of care requirement as determined by the IME medical services unit or an appeal decision shall be used as the date of entry to the medical institution. Only one attribution of resources shall be completed per person. Attributions completed for a prior institutionalization shall be applied to the waiver application.

**441—83.104(249A) Client participation.** Consumers who are financially eligible under 441—subrule 75.1(7) (the 300 percent group) must contribute a client participation amount to the cost of physical disability waiver services.

**83.104(1) Computation of client participation.** Client participation shall be computed by deducting a maintenance needs allowance equal to 300 percent of the maximum SSI grant for an individual from the consumer's total income. For a couple, client participation is determined as if each person were an individual.

**83.104(2) Limitation on payment.** If the sum of the third-party payment and client participation equals or exceeds the reimbursement for the specific physical disability waiver service, Medicaid shall make no payments for the waiver service. However, Medicaid shall make payments to other medical providers.

**441—83.105(249A) Redetermination.** A complete financial redetermination of eligibility for the physical disability waiver shall be completed at least once every 12 months. A redetermination of continuing eligibility factors shall be made when a change in circumstances occurs that affects eligibility in accordance with rule 441—83.102(249A). A redetermination shall contain the components listed in rule 441—83.102(249A).

**441—83.106(249A) Allowable services.** The services allowable under the physical disability waiver are consumer-directed attendant care, home and vehicle modification, personal emergency response system, transportation, specialized medical equipment, financial management, independent support brokerage, self-directed personal care, self-directed community supports and employment, and individual-directed goods and services as set forth in rule 441—78.46(249A).

**441—83.107(249A) Individual service plan.** An individualized service plan shall be prepared and used for each HCBS physical disability waiver consumer. The service plan shall be developed and approved by the consumer and the DHS service worker prior to services beginning and payment being made to the provider. The plan shall be reviewed by the consumer and the service worker annually, and the current version approved by the service worker.

**83.107(1) Information in plan.** The plan shall be in accordance with 441—subrule 24.4(3) and shall additionally include the following information to assist in evaluating the program:

- a. A listing of all services received by a consumer at the time of waiver program enrollment.
- b. The name of all providers responsible for providing all services.
- c. All service funding sources.
- d. The amount of the service to be received by the consumer.
- e. Whether the consumer has elected the consumer choices option and, if so:
  - (1) The independent support broker selected by the consumer; and
  - (2) The financial management service selected by the consumer.
- f. A plan for emergencies and identification of the supports available to the consumer in an emergency.

**83.107(2) Annual assessment.** The IME medical services unit shall review the consumer's need for continued care annually and recertify the consumer's need for long-term care services, pursuant to the standards and subject to the reconsideration and appeal processes at paragraph 83.102(1) "h" and rule 441—83.109(249A), based on the completed Form 470-3502, Physical Disability Waiver Assessment

Tool, and supporting documentation as needed. Form 470-3502 is completed by the service worker at the time of recertification.

**83.107(3)** *Case file.* Rescinded IAB 8/7/02, effective 10/1/02.

**441—83.108(249A) Adverse service actions.**

**83.108(1)** *Denial.* An application for services shall be denied when it is determined by the department that:

- a. All of the medically necessary service needs cannot be met in a home- or community-based setting.
- b. Service needs exceed the reimbursement maximums.
- c. Service needs are not met by the services provided.
- d. Needed services are not available or received from qualifying providers.
- e. The physical disability waiver service is not identified in the consumer's service plan.
- f. There is another community resource available to provide the service or a similar service free of charge to the consumer that will meet the consumer's needs.
- g. The consumer receives services from other Medicaid waiver providers.
- h. The consumer or legal representative requests termination from the services.

**83.108(2)** *Reduction.* A particular service may be reduced when the department determines that the provisions of 441—subrule 130.5(3), paragraph “a” or “b,” apply.

**83.108(3)** *Termination.* A particular service may be terminated when the department determines that:

- a. The provisions of 441—subrule 130.5(2), paragraph “d,” “g,” or “h,” apply.
- b. Needed services are not available or received from qualifying providers.
- c. The physical disability waiver service is not identified in the consumer's annual service plan.
- d. Service needs are not met by the services provided.
- e. Services needed exceed the service unit or reimbursement maximums.
- f. Completion or receipt of required documents by the consumer for the physical disability waiver service has not occurred.
- g. The consumer receives services from other Medicaid providers.
- h. The consumer or legal representative requests termination from the services.

**441—83.109(249A) Appeal rights.** Notice of adverse actions and right to appeal shall be given in accordance with 441—Chapter 7 and rule 441—130.5(234).

**83.109(1)** *Appeal to county.* Rescinded IAB 2/7/01, effective 2/1/01.

**83.109(2)** *Reconsideration request to IME medical services unit.* After notice of an adverse decision by the IME medical services unit on the level of care requirement pursuant to paragraph 83.102(1)“h,” the Medicaid applicant or recipient or the applicant's or recipient's representative may request reconsideration by the IME medical services unit by sending a letter requesting a review to the IME medical services unit not more than 60 days after the date of the notice of adverse decision. Adverse decisions by the IME medical services unit on reconsiderations may be appealed to the department pursuant to 441—Chapter 7.

a. If a timely request for reconsideration of an initial denial determination is made, the IME medical services unit shall complete the reconsideration determination and send written notice including appeal rights to the Medicaid applicant or recipient and the applicant's or recipient's representative within ten working days after the IME medical services unit receives the request for reconsideration and a copy of the medical record.

b. If a copy of the medical record is not submitted with the reconsideration request, the IME medical services unit will request a copy from the facility within two working days.

c. The notice to parties. Written notice of the IME medical services unit's reconsidered determination will contain the following:

- (1) The basis for the reconsidered determination.
- (2) A detailed rationale for the reconsidered determination.

(3) A statement explaining the Medicaid payment consequences of the reconsidered determination.

(4) A statement informing the parties of their appeal rights, including the information that must be included in the request for hearing, the locations for submitting a request for an administrative hearing, and the time period for filing a request.

*d.* If the request for reconsideration is mailed or delivered to the IME medical services unit within ten days of the date of the initial determination, any medical assistance payments previously approved will not be terminated until the decision on reconsideration. If the initial decision is upheld on reconsideration, medical assistance benefits continued pursuant to this rule will be treated as an overpayment to be paid back to the department.

**441—83.110(249A) County reimbursement.** Rescinded IAB 10/6/99, effective 10/1/99.

**441—83.111(249A) Conversion to the X-PERT system.** Rescinded IAB 8/7/02, effective 10/1/02.

These rules are intended to implement Iowa Code sections 249A.3 and 249A.4.

**441—83.112 to 83.120** Reserved.

DIVISION VII—HCBS CHILDREN'S MENTAL HEALTH WAIVER SERVICES

**441—83.121(249A) Definitions.**

*“Assessment”* means the review of the consumer's current functioning in regard to the consumer's situation, needs, abilities, desires, and goals.

*“Case manager”* means the person designated to provide Medicaid targeted case management services for the consumer.

*“CMS”* means the Centers for Medicare and Medicaid Services, a division of the U.S. Department of Health and Human Services.

*“Consumer”* means an individual up to the age of 18 who is included in a Medicaid coverage group listed in 441—75.1(249A) and is a recipient of children's mental health waiver services.

*“Deeming”* means considering parental or spousal income or resources as income or resources of a consumer in determining eligibility for a consumer according to Supplemental Security Income program guidelines.

*“Department”* means the Iowa department of human services.

*“Guardian”* means a parent of a consumer or a legal guardian appointed by the court.

*“HCBS”* means home- and community-based services provided under a Medicaid waiver.

*“IME”* means the Iowa Medicaid enterprise.

*“IME medical services unit”* means the contracted entity in the Iowa Medicaid enterprise that determines level of care for consumers initially applying for or continuing to receive children's mental health waiver services.

*“Interdisciplinary team”* means the consumer, the consumer's family, and persons of varied professional and nonprofessional backgrounds with knowledge of the consumer's needs, as designated by the consumer and the consumer's family, who meet to develop a service plan based on the individualized needs of the consumer.

*“ISIS”* means the department's individualized services information system.

*“Local office”* means a department of human services office as described in 441—subrule 1.4(2).

*“Medical institution”* means a nursing facility, an intermediate care facility for the mentally retarded, a psychiatric hospital or psychiatric medical institution for children, or a state mental health institute that has been approved as a Medicaid vendor.

*“Mental health professional”* means a person who meets all of the following conditions:

1. Holds at least a master's degree in a mental health field including, but not limited to, psychology, counseling and guidance, psychiatric nursing and social work; or is a doctor of medicine or osteopathic medicine; and

2. Holds a current Iowa license when required by the Iowa professional licensure laws (such as a psychiatrist, a psychologist, a marital and family therapist, a mental health counselor, an advanced registered nurse practitioner, a psychiatric nurse, or a social worker); and

3. Has at least two years of postdegree experience supervised by a mental health professional in assessing mental health problems, mental illness, and service needs and in providing mental health services.

“*Serious emotional disturbance*” means a diagnosable mental, behavioral, or emotional disorder that (1) is of sufficient duration to meet diagnostic criteria for the disorder specified by the Diagnostic and Statistical Manual of Mental Disorders, Fourth Edition (DSM-IV-TR), published by the American Psychiatric Association; and (2) has resulted in a functional impairment that substantially interferes with or limits a consumer’s role or functioning in family, school, or community activities. “Serious emotional disturbance” shall not include developmental disorders, substance-related disorders, or conditions or problems classified in DSM-IV-TR as “other conditions that may be a focus of clinical attention” (V codes), unless these conditions co-occur with another diagnosable serious emotional disturbance.

“*Service plan*” means a written, consumer-centered, outcome-based plan of services developed by the consumer’s interdisciplinary team that addresses all relevant services and supports being provided. The service plan may involve more than one provider.

“*Skill development*” means that the service provided is habilitative and is intended to impart an ability or capacity to the consumer. Supervision without habilitation is not skill development.

“*Targeted case management*” means Medicaid case management services accredited under 441—Chapter 24 and provided according to 441—Chapter 90 for consumers eligible for the children’s mental health waiver.

“*Waiver year*” for the children’s mental health waiver means a 12-month period commencing on July 1 of each year.

**441—83.122(249A) Eligibility.** To be eligible for children’s mental health waiver services, a consumer must meet all of the following requirements:

**83.122(1) Age.** The consumer must be under 18 years of age.

**83.122(2) Diagnosis.** The consumer must be diagnosed with a serious emotional disturbance.

*a. Initial certification.* For initial application to the HCBS children’s mental health waiver program, psychological documentation that substantiates a mental health diagnosis of serious emotional disturbance as determined by a mental health professional must be current within the 12-month period before the application date.

*b. Ongoing certification.* A mental health professional must complete an annual evaluation that substantiates a mental health diagnosis of serious emotional disturbance.

**83.122(3) Level of care.** The consumer must be certified as being in need of a level of care that, but for the waiver, would be provided in a psychiatric hospital serving children under the age of 21. The IME medical services unit shall certify the consumer’s level of care annually based on Form 470-4211, Children’s Mental Health Waiver Assessment.

**83.122(4) Financial eligibility.** The consumer must be eligible for Medicaid as follows:

*a.* Be eligible for Medicaid under an SSI, SSI-related, FMAP, or FMAP-related coverage group; or

*b.* Be eligible under the special income level (300 percent) coverage group; or

*c.* Become eligible through application of the institutional deeming rules; or

*d.* Would be eligible for Medicaid if in a medical institution. For this purpose, deeming of parental or spousal income or resources ceases in the month after the month of application.

**83.122(5) Choice of program.** The consumer must choose HCBS children’s mental health waiver services over institutional care, as indicated by the signature of the consumer’s parent or legal guardian on Form 470-4211, Children’s Mental Health Waiver Assessment.

**83.122(6) Need for service.** The consumer must have service needs that can be met under the children’s mental health waiver program, as documented in the service plan developed in accordance with rule 441—83.12(249A).

- a. The consumer must be a recipient of targeted case management services or be identified to receive targeted case management services immediately following program enrollment.
  - b. The total cost of children's mental health waiver services needed to meet the consumer's needs may not exceed \$1,873 per month.
  - c. At a minimum, each consumer must receive one billable unit of a children's mental health waiver service per calendar quarter.
  - d. A consumer may not receive children's mental health waiver services and foster family care services under 441—Chapter 202 at the same time.
  - e. A consumer may be enrolled in only one HCBS waiver program at a time.
- [ARC 7741B, IAB 5/6/09, effective 7/1/09]

**441—83.123(249A) Application.** The Medicaid application process as specified in rules 441—76.1(249A) to 441—76.6(249A) shall be followed for an application for HCBS children's mental health waiver services.

**83.123(1) Program limit.** The number of persons who may be approved for the HCBS children's mental health waiver shall be subject to the number of consumers to be served as set forth in the federally approved HCBS children's mental health waiver. When the number of applicants exceeds the number of consumers specified in the approved waiver, the consumer's application shall be rejected and the consumer's name shall be placed on a waiting list.

a. The local office shall determine if a payment slot is available by the end of the fifth working day after receipt of:

- (1) A completed Form 470-2297, Health Services Application, from a consumer who is not currently a Medicaid member;
- (2) Form 470-4211, Children's Mental Health Waiver Assessment, with HCBS waiver choice indicated by signature of a Medicaid member's parent or legal guardian; or
- (3) A written request signed and dated by a Medicaid member's parent or legal guardian.

b. When a payment slot is available, the local office shall enter the application into ISIS to begin the waiver approval process.

(1) The department shall hold the payment slot for the consumer as long as reasonable efforts are being made to arrange services and the consumer has not been determined to be ineligible for the program.

(2) If services have not been initiated and reasonable efforts are no longer being made to arrange services, the slot shall revert for use by the next consumer on the waiting list, if applicable. The consumer must reapply for a new slot.

c. If no payment slot is available, the department shall enter the names of persons on a waiting list according to the following:

(1) The names of consumers not currently eligible for Medicaid shall be entered on the waiting list on the basis of the date a completed Form 470-2927 or 470-2927(S), Health Services Application, is submitted and date-stamped in the local office;

(2) The names of Medicaid members shall be added to the waiting list on the date Form 470-4211, Children's Mental Health Waiver Assessment, or a written request as specified in 83.123(2) "a"(3) is date-stamped in the local office.

(3) In the event that more than one application is received at one time, the names of consumers shall be entered on the waiting list on the basis of the month of birth, January being month one and the lowest number.

d. Consumers whose names are on the waiting list shall be contacted to reapply as slots become available, based on the order of the waiting list, so that the number of approved consumers on the program is maintained.

(1) Once a payment slot is assigned, the department shall give written notice to the consumer within five working days.

(2) The department shall hold the payment slot for 30 days for the consumer to file a new application.

(3) If an application has not been filed within 30 days, the slot shall revert for use by the next consumer on the waiting list, if applicable. The consumer originally assigned the slot must reapply for a new slot.

**83.123(2) Approval of waiver eligibility.**

*a. Time limit.* Applications for the HCBS children's mental health waiver program shall be processed within 30 days unless one or more of the following conditions exist:

(1) An application has been filed and is pending for federal Supplemental Security Income (SSI) benefits.

(2) The application is pending because the department has not received information for a reason that is beyond the control of the consumer or the department.

(3) The application is pending because the assessment or the service plan has not been completed. When a determination is not completed 90 days after the date of application due to the lack of a service plan, the application shall be denied.

*b. Notice of decisions.* The department shall mail or give decisions to the applicant on the dates when eligibility and level-of-care determinations and the consumer's service plan are completed.

**83.123(3) Effective date of eligibility.** The effective date of a consumer's eligibility for children's mental health waiver services shall be the first date that all of the following conditions exist:

*a.* All eligibility requirements are met;

*b.* Eligibility and level-of-care determinations have been made; and

*c.* The service plan has been completed.

**441—83.124(249A) Financial participation.** A consumer must contribute to the cost of children's mental health waiver services to the extent of the consumer's total income less 300 percent of the maximum monthly payment for one person under the federal Supplemental Security Income (SSI) program.

**441—83.125(249A) Redetermination.** The department shall redetermine a consumer's eligibility for the children's mental health waiver at least once every 12 months or when there is significant change in the consumer's situation or condition.

**83.125(1) Eligibility review.** Every 12 months, the local office shall review a consumer's eligibility in accordance with procedures in rule 441—76.7(249A). The review shall verify:

*a.* Continuing eligibility factors as specified in rule 441—83.122(249A).

*b.* The existence of a current service plan meeting the requirements listed in rule 441—83.125(249A).

**83.125(2) Continuation of eligibility.** A consumer's waiver eligibility shall continue until one of the following conditions occurs.

*a.* The consumer fails to meet eligibility criteria listed in rule 441—83.122(249A).

*b.* The consumer is an inpatient of a medical institution for 30 or more consecutive days.

(1) After the consumer has spent 30 consecutive days in a medical institution, the local office shall terminate the consumer's waiver eligibility and review the consumer for eligibility under other Medicaid coverage groups. The local office shall notify the consumer and the consumer's parents or legal guardian through Form 470-0602, Notice of Decision.

(2) If the consumer returns home after 30 consecutive days but no more than 60 days, the consumer must reapply for children's mental health waiver services, and the IME medical services unit must redetermine the consumer's level of care.

*c.* The consumer does not reside at the consumer's natural home for a period of 60 consecutive days. After the consumer has resided outside the home for 60 consecutive days, the local office shall terminate the consumer's waiver eligibility and review the consumer for eligibility under other Medicaid coverage groups. The local office shall notify the consumer and the consumer's parents or legal guardian through Form 470-0602, Notice of Decision.

**83.125(3) Payment slot.** When a consumer loses waiver eligibility, the consumer's assigned payment slot shall revert for use to the next consumer on the waiting list.

**441—83.126(249A) Allowable services.** Services allowable under the children’s mental health waiver shall be provided as set forth in rule 441—78.52(249A) and shall include:

1. Environmental modifications, adaptive devices and therapeutic resources;
2. Family and community support services;
3. In-home family therapy; and
4. Respite care.

**441—83.127(249A) Service plan.** The consumer’s case manager shall prepare an individualized service plan for each consumer that meets the requirements set for case plans in rule 441—130.7(234).

**83.127(1)** The service plan shall be developed through an interdisciplinary team process.

**83.127(2)** The service plan shall be developed annually or when there is significant change in the consumer’s situation or condition.

**83.127(3)** The service plan shall be based on information in Form 470-4211, Children’s Mental Health Waiver Assessment.

**83.127(4)** The service plan shall specify the type and frequency of the waiver services and the providers that will deliver the services.

**83.127(5)** The service plan shall identify and justify any restriction of the consumer’s rights.

**441—83.128(249A) Adverse service actions.**

**83.128(1) Denial.** An application for children’s mental health waiver services shall be denied when the department determines that:

- a. The consumer is not eligible for or in need of waiver services.
- b. Needed services are not available or received from qualified providers.
- c. Service needs exceed the limit on aggregate monthly costs established in 83.122(6) “c” or are not met by the services provided.

**83.128(2) Termination.** A consumer’s participation in the children’s mental health waiver program may be terminated when the department determines that:

- a. The provisions of 441—paragraph 130.5(2) “a,” “b,” “c,” “g,” or “h” apply.
- b. The costs of the children’s mental health waiver services for the consumer exceed the aggregate monthly costs established in 83.122(6) “c.”
- c. The consumer receives care in a hospital, nursing facility, psychiatric hospital serving children under the age of 21, or psychiatric medical institution for children for 30 days in any one stay.
- d. The physical or mental condition of the consumer requires more care than can be provided in the consumer’s own home, as determined by the consumer’s case manager.
- e. Service providers are not available.

**83.128(3) Reduction.** Reduction of services shall apply as specified in 441—paragraphs 130.5(3) “a” and “b.”

**441—83.129(249A) Appeal rights.** Notice of adverse action and right to appeal shall be given in accordance with 441—Chapter 7 and rule 441—130.5(234). An applicant or consumer may obtain a review of the IME medical services unit’s level-of-care determination by sending a letter requesting a review to the IME Medical Services Unit, P.O. Box 36478, Des Moines, Iowa 50315. If dissatisfied with the IME medical services unit’s review decision, the applicant or consumer may file an appeal with the department in accordance with 441—Chapter 7.

These rules are intended to implement Iowa Code section 249A.4 and 2005 Iowa Acts, chapter 167, section 13, and chapter 117, section 3.

CHAPTER 84  
EARLY AND PERIODIC SCREENING, DIAGNOSIS, AND TREATMENT

[Prior to 7/1/83, Social Services [770] Ch 84]

[Prior to 2/11/87, Human Services[498]]

PREAMBLE

This chapter defines and structures the early and periodic screening, diagnosis and treatment services provided under the Medicaid program to eligible children under the age of 21. As further described in these rules, services include physical and mental health screenings (including hearing and vision), laboratory tests, immunizations, and health education. Services are provided in compliance with federal regulations at Title 42, Part 441, Subpart B, as amended to November 16, 1984.

**441—84.1(249A) Definitions.**

“*Diagnosis*” is the determination of the nature of physical or mental disease or abnormality.

“*Interperiodic screen*” means a screen that occurs between the times stated in the periodicity schedule in 441—subrule 78.18(3).

“*Screening*” is the use of quick, simple procedures to sort out apparently well persons from those who may have a disease or abnormality and to identify those in need of more definitive study. These services shall be provided in accordance with reasonable standards of medical and dental practice.

**441—84.2(249A) Eligibility.** All persons eligible for medical assistance under age 21 are eligible for early and periodic screening, diagnosis, and treatment.

**441—84.3(249A) Screening services.** Screening may be done by a screening center or other qualified providers. Other qualified providers are physicians, advanced registered nurse practitioners, rural health centers, federally qualified health centers, clinics, and dentists. Screening services shall include all of the following services:

**84.3(1)** A comprehensive health and developmental history including an assessment of both physical and mental health development. This includes:

- a. A developmental assessment.
- b. An assessment of nutritional status.

**84.3(2)** A comprehensive unclothed physical examination. This includes:

- a. Physical growth.
- b. A physical inspection including ear, nose, mouth, throat, teeth, and all organ systems such as pulmonary, cardiac, and gastrointestinal.

**84.3(3)** Appropriate immunizations according to age and health history as recommended through the vaccines for children program, except that “covered Part D drugs” as defined by 42 U.S.C. Section 1395w-102(e)(1)-(2) are not covered for any “Part D eligible individual” as defined in 42 U.S.C. Section 1395w-101(a)(3)(A), including an individual who is not enrolled in a Part D plan.

**84.3(4)** Health education including anticipatory guidance. See 441—subparagraph 78.18(6) “b”(1) for a description of the information services.

**84.3(5)** Hearing and vision screening.

**84.3(6)** Appropriate laboratory tests. These shall include:

- a. Hematocrit or hemoglobin.
- b. Rapid urine screening.
- c. Lead toxicity screening for all children aged 12 to 72 months.
- d. Tuberculin test, when appropriate.
- e. Hemoglobinopathy screening.
- f. Serology, when appropriate.

**84.3(7)** Direct dental referral for children over age 12 months.

**441—84.4(249A) Referral.**

**84.4(1)** The availability of early and periodic screening shall be discussed with the payee for any Medicaid-eligible child under the age of 21 at the time of application and periodically thereafter in compliance with federal regulations at Title 42, Part 441, Subpart B, as amended to November 16, 1984.

**84.4(2)** Screening shall be offered to each eligible individual according to the periodicity schedule in 441—subrule 78.18(3) when screening has been accepted, or on at least an annual basis when screening has been rejected. Interperiodic screens may be furnished when medically necessary to determine whether a child has a physical or mental illness or condition that may require further assessment, diagnosis, or treatment.

**441—84.5(249A) Follow up.** Follow-up services shall be provided when a referral for screening was accepted, but 60 days have elapsed and no screening examination has been performed, and when a screening examination discloses a possible abnormal condition and a referral was made for further diagnosis or treatment and such diagnosis or treatment has not been received within a period of 60 days from the date of the screening examination.

These rules are intended to implement Iowa Code section 249A.4.

CHAPTER 85  
SERVICES IN PSYCHIATRIC INSTITUTIONS

PREAMBLE

Inpatient psychiatric services are provided in three types of psychiatric facilities in addition to general hospitals with psychiatric units: acute care psychiatric hospitals, psychiatric medical institutions for children, and nursing facilities for the mentally ill. Except for services in the state mental health institutes, Medicaid covers only persons under the age of 21 and persons aged 65 and older in acute care psychiatric hospitals. Medicaid covers only persons under the age of 21 in psychiatric medical institutions for children, and only persons aged 65 and older in nursing facilities for the mentally ill. These rules establish conditions of participation for providers, record-keeping requirements, reimbursement methodologies, and client eligibility requirements.

DIVISION I  
PSYCHIATRIC HOSPITALS

**441—85.1(249A) Acute care in psychiatric hospitals.** These rules do not apply to general hospitals with psychiatric units.

**85.1(1) *Psychiatric hospitals serving persons aged 21 and older.*** A psychiatric hospital serving persons aged 21 and older shall meet the federal criteria for an institution for mental disease and shall be licensed pursuant to department of inspections and appeals rule 481—51.36(135B). An out-of-state facility shall be licensed as a psychiatric hospital, shall meet the federal criteria for an institution for mental disease, and shall be certified to participate in the Medicare program. An institution is an institution for mental disease only if its overall character is that of a facility established and maintained primarily for the care and treatment of persons with mental diseases. The following guidelines are used by the department in evaluating the overall character of a facility. These guidelines are all useful in identifying institutions for mental disease; however, no single guideline is necessarily determinative in any given case.

*a.* The facility:

- (1) Is licensed as a psychiatric facility for the care and treatment of persons with mental diseases.
- (2) Advertises or holds itself out as a facility for the care and treatment of persons with mental diseases.
- (3) Is accredited as a psychiatric facility by the Joint Commission on the Accreditation of Health Care Organizations or by any other federally recognized accrediting organization that has comparable standards or surveys and is approved by the department of inspections and appeals.
- (4) Specializes in providing psychiatric or psychological care and treatment. This may be ascertained through review of patients' records. It may also be indicated by the fact that an unusually large proportion of the staff has specialized psychiatric or psychological training or that a large proportion of the patients are receiving psychopharmacological drugs.
- (5) Is under the jurisdiction of the division of behavioral, developmental, and protective services for families, adults, and children of the department.

*b.* More than 50 percent of all the patients in the facility have mental diseases which require inpatient treatment according to the patient's medical records.

*c.* A large proportion of the patients in the facility has been transferred from a state mental institution for continuing treatment of their mental disorders.

*d.* Independent review teams report a preponderance of mental illness in the diagnoses of the patients in the facility.

*e.* The average patient age is significantly lower than that of a typical nursing home.

*f.* Part or all of the facility consists of locked wards.

**85.1(2) *Psychiatric hospitals serving persons under the age of 21.*** A psychiatric hospital serving persons under the age of 21 shall be licensed pursuant to department of inspections and appeals rule 481—51.36(135B) or shall be licensed in another state as a hospital, shall be accredited by the Joint

Commission on the Accreditation of Health Care Organizations, the Commission of Accreditation of Rehabilitation Facilities, the Council on Accreditation of Services for Families and Children, or by any other federally recognized accrediting organization that has comparable standards or surveys and is approved by the department of inspections and appeals, and shall meet federal service requirements.

**441—85.2(249A) Out-of-state placement.** Placement in an out-of-state psychiatric hospital for acute care requires prior approval by the bureau of managed care and clinical services and shall be approved only if special services are not available in Iowa facilities as determined by the division of behavioral, developmental, and protective services for families, adults, and children.

**441—85.3(249A) Eligibility of persons under the age of 21.**

**85.3(1) Age.** To be eligible for payment for the cost of care provided by a psychiatric hospital, the person shall be under 21 years of age. When treatment in the hospital is provided immediately preceding the person's twenty-first birthday, coverage continues to be available until the twenty-second birthday or until service is no longer required, whichever is earlier.

**85.3(2) Period of eligibility.** The person is considered to be an inpatient until unconditionally discharged. Coverage extends until the last day of the month of the discharge or the twenty-second birthday. While on inpatient status the eligible person is entitled to the full scope of Medicaid benefits.

**85.3(3) Certification of need for care.** For persons eligible for Medicaid prior to admission, an independent team shall certify that ambulatory care resources available in the community do not meet the treatment needs of the recipient, that proper treatment of the recipient's psychiatric condition requires services on an inpatient basis under the direction of a physician, and that the services can reasonably be expected to improve the recipient's condition or prevent further regression so that the services will no longer be needed. Team members are independent when they are not employees of or consultants to the facility. Form 470-2780, Certification of Need for Inpatient Psychiatric Services, may be used to document these criteria.

*a.* For persons eligible for Medicaid prior to admission, this preadmission certification shall be performed within 45 days prior to the proposed date for admission to the facility by an independent team that includes a physician who has competence in diagnosis and treatment of mental illness, preferably in child psychiatry, and who has knowledge of the person's situation. If a social worker is a part of the team, the social worker may be from the county office of the department of human services.

The evaluation shall be submitted to the facility on or prior to the date of the patient's admission.

*b.* When a person makes application for Medicaid subsequent to admission or has an application in process at the time of admission, a certification by the team responsible for the plan of care shall be provided within 14 days after admission and shall cover any period prior to application for which claims are to be made.

*c.* For emergency admissions, a certification shall be provided by the team responsible for the plan of care within 14 days after admission.

**85.3(4) Financial eligibility for persons under the age of 21.** To be eligible for payments for the cost of care provided by a psychiatric facility, persons under the age of 21 must be eligible under one of the coverage groups listed in rule 441—75.1(249A).

**441—85.4(249A) Eligibility of persons aged 65 and over.** To be eligible for payment for the cost of care provided by an institution for mental disease, persons must be aged 65 or over and be eligible under one of the coverage groups listed in rule 441—75.1(249A).

**441—85.5(249A) Client participation.**

**85.5(1) Before July 2005.** For months before July 2005, the resident shall be liable to pay client participation toward the cost of care on a monthly basis. The state will pay the balance of the cost of care for the month. The facility shall make arrangements directly with the resident for payment of client participation. Client participation is determined according to rule 441—75.16(249A).

**85.5(2)** *July 2005 and after.* Effective with the month of July 2005, the resident shall not be liable to pay client participation toward the cost of care, and no client participation amount shall be deducted from the state payment to the hospital.

**441—85.6(249A) Responsibilities of hospitals.**

**85.6(1)** *Medical record requirements.* The medical records maintained by the psychiatric hospital shall permit determination of the degree and intensity of the treatment provided to persons who are furnished services in the hospital.

*a.* Development of assessment and diagnostic data. Medical records shall stress the psychiatric components of the record, including history of findings and treatment provided for the psychiatric condition for which the patient is hospitalized.

(1) The identification data shall include the patient's legal status.

(2) A provisional or admitting diagnosis shall be made on every patient at the time of admission, and shall include the diagnoses of intercurrent diseases as well as the psychiatric diagnoses.

(3) The reasons for admission shall be clearly documented as stated by the patient or others significantly involved.

(4) The social service records, including reports of interviews with patients, family members, and others, shall provide an assessment of home plans and family attitudes and community resource contacts, as well as a social history.

(5) When indicated, a complete neurological examination shall be recorded at the time of the admission physical examination.

*b.* Psychiatric evaluation. Each patient shall receive a psychiatric evaluation that shall:

(1) Be completed within 60 hours of admission.

(2) Include a medical history.

(3) Contain a record of mental status.

(4) Note the onset of illness and the circumstances leading to admission.

(5) Describe attitudes and behavior.

(6) Estimate intellectual functioning, memory functioning, and orientation.

(7) Include an inventory of the patient's assets in descriptive, not interpretive, fashion.

*c.* Treatment plan.

(1) Each patient shall have an individual comprehensive treatment plan that shall be based on an inventory of the patient's strengths and disabilities. The written plan shall include a substantiated diagnosis, short-term and long-range goals, the specific treatment modalities utilized, the responsibilities of each member of the treatment team, and adequate documentation to justify the diagnosis and the treatment and rehabilitation activities carried out.

(2) The treatment received by the patient shall be documented in a way to ensure that all active therapeutic efforts are included.

*d.* Recording progress. Progress notes shall be recorded by the doctor of medicine or osteopathy responsible for the care of the patient, nurse, social worker and, when appropriate, others significantly involved in active treatment modalities. The frequency of progress notes is determined by the condition of the patient but shall be recorded at least weekly for the first two months and at least once a month thereafter and shall contain recommendations for revisions in the treatment plan as indicated, as well as precise assessment of the patient's progress in accordance with the original or revised treatment plan.

*e.* Discharge planning and discharge summary. The record of each patient who has been discharged shall have a discharge summary that includes a recapitulation of the patient's hospitalization and recommendations from appropriate services concerning follow-up or aftercare, as well as a brief summary of the patient's condition on discharge.

*f.* The facility shall obtain a professional review organization (PRO) determination that the person requires acute psychiatric care when a person applying or eligible for Medicaid enters the facility, returns from an acute care general hospital, or enters the facility after 30 consecutive days of visitation.

**85.6(2) Fiscal records.**

a. A Case Activity Report, Form 470-0042, shall be submitted to the department whenever a Medicaid applicant or recipient enters the facility, changes level of care, is hospitalized in a general hospital, leaves for visitation, or is discharged from the facility.

b. The facility shall bill after each calendar month for the previous month's services.

**85.6(3) Additional requirements.** Additional requirements are mandated for persons under the age of 21.

a. *Active treatment.* Inpatient psychiatric services shall involve active treatment. Active treatment means implementation of a professionally developed and supervised individual plan of care that is developed and implemented by an interdisciplinary team no later than 14 days after admission and is designed to achieve the recipient's discharge from inpatient status at the earliest possible time.

b. *Individual plan of care.* An individual plan of care is a written plan developed for each recipient to improve the recipient's condition to the extent that inpatient care is no longer necessary. The plan shall be reviewed every 30 days by the team to determine that services being provided are or were required on an inpatient basis and to recommend changes in the plan as indicated by the recipient's overall adjustment as an inpatient. The plan of care shall:

(1) Be based on a diagnostic evaluation that includes examination of the medical, psychological, social, behavioral and developmental aspects of the recipient's situation and reflects the need for inpatient psychiatric care.

(2) Be developed by a team of professionals, as specified in paragraph "c" below, in consultation, if possible, with the recipient and the recipient's parents, legal guardians or others in whose care the recipient will be released after discharge.

(3) State the treatment objectives.

(4) Prescribe an integrated program of therapies, activities and experiences designed to meet the objectives.

(5) Include, at an appropriate time, postdischarge plans and coordination of inpatient services with partial discharge plans and related community services to ensure continuity of care with the recipient's family, school and community upon discharge.

c. *Interdisciplinary team.* The individual plan of care shall be developed by an interdisciplinary team of physicians and other personnel who are employed by the facility or who provide services to patients in the facility.

(1) Based on education and experience, preferably including competence in child psychiatry, the team shall be capable of assessing the recipient's immediate and long-range therapeutic needs, developmental priorities, and personal strengths and liabilities; assessing the potential resources of the recipient's family; setting treatment objectives; and prescribing therapeutic modalities to achieve the plan's objectives.

(2) The team shall include, as a minimum, either a board-eligible or board-certified psychiatrist, a clinical psychologist who has a doctoral degree and a physician licensed to practice in medicine or osteopathy, or a physician licensed to practice medicine or osteopathy with specialized training and experience in the diagnosis and treatment of mental diseases and a psychologist who has a master's degree in clinical psychology and has been licensed by the state.

(3) The team shall also include one of the following: a social worker with a master's degree in social work with specialized training or one year's experience in treating persons with mental illness, a registered nurse with specialized training or one year's experience in treating persons with mental illness, an occupational therapist who is licensed and who has specialized training or one year of experience in treating persons with mental illness, or a psychologist who has a master's degree in clinical psychology or who has been licensed by the state.

**441—85.7(249A) Psychiatric hospital reimbursement.**

**85.7(1) Reimbursement formula.** Acute care in psychiatric hospitals shall be reimbursed on a per diem rate based on Medicare principles.

*a.* The reimbursement principles follow and comply with the retrospective Principles of Medicare reimbursement found in Title 18 of the Social Security Act and amendments to that Act, Medicare regulations found in the Health Insurance Regulation Manual (HIRM-1), and General Instructions-Health Insurance Manual sections 10, 11, 12 and 15 when applicable.

*b.* Allowable costs are those defined as allowable in 42 CFR, Subpart A, Sections 413.5 and 413.9, as amended to December 2, 1996, and 42 CFR 447.250 as amended to September 23, 1992. Only those costs are considered in calculating the Medicaid inpatient reimbursement.

*c.* Medicare and Medicaid principles of reimbursement require hospitals to be paid at the lower of customary charges or reasonable cost and to adhere to all Medicare cost principles in the calculation of the facility rates.

*d.* Payment for inpatient hospital care for recipients for whom the PRO has determined that the level of care that is medically necessary is only that of skilled care or nursing care will be made at a rate equal to the statewide average Medicaid skilled nursing facility rate or the average state nursing facility rate. Periodic PRO determinations of the need for continuing care are also required.

*e.* Each participating Medicaid provider shall file a CMS 2552 Medicare Cost Report or a substitute accepted by the Centers for Medicare and Medicaid Services. In addition, supplemental information sheets are furnished to all Medicaid providers to be filed with the annual cost report. This report must be filed with the Iowa Medicaid enterprise provider audits and rate-setting unit for Iowa within 150 days after the close of the hospital's fiscal year.

*f.* Compensation for a disproportionate share of indigent patients is determined as described in 441—subrule 79.1(5).

*g.* Medicaid reimbursement shall be reduced by any payments from a third party toward the cost of a patient's care.

**85.7(2) *Medical necessity.*** The medical necessity of admission and continued stay will be determined by the PRO. Payment shall not be made for admissions which are determined not to be medically necessary nor will payment be approved for stays beyond the time at which inpatient specialized hospital care at the acute level has been determined not to be medically necessary.

**85.7(3) *Reserve bed day payment.*** No reserve bed day payments are made to acute care psychiatric hospitals.

**85.7(4) *Outpatient services.*** No coverage is available for outpatient psychiatric hospital services. These rules are intended to implement Iowa Code section 249A.4.

#### **441—85.8(249A,81GA,ch167) Eligibility of persons aged 21 through 64.**

**85.8(1) *Facility.*** Acute care in a psychiatric hospital is covered for persons aged 21 through 64 only at the state mental health institutes at Cherokee, Clarinda, Independence, and Mount Pleasant.

**85.8(2) *Basis of eligibility.*** To be eligible for payment for the cost of care provided by one of the covered facilities, a person aged 21 through 64 must be either:

*a.* Eligible for one of the coverage groups listed in 441—75.1(249A); or

*b.* Eligible under the IowaCare program pursuant to 441—Chapter 92.

**85.8(3) *Period of eligibility.*** A person is considered to be an inpatient until unconditionally discharged. Coverage extends until the last day of the month of discharge.

**85.8(4) *Extent of eligibility.***

*a.* While on inpatient status, a person eligible under a coverage group listed in 441—75.1(249A) is entitled to the full scope of Medicaid benefits.

*b.* While on inpatient status, a person eligible under the IowaCare program is entitled to the services listed at 441—92.8(249A,81GA,ch167).

**441—85.9 to 85.20** Reserved.

DIVISION II  
PSYCHIATRIC MEDICAL INSTITUTIONS FOR CHILDREN

**441—85.21(249A) Conditions for participation.** Psychiatric medical institutions for children shall be issued a license by the department of inspections and appeals under Iowa Code chapter 135H and shall hold either a license from the department of human services under Iowa Code section 237.3, subsection 2, paragraph “a,” subparagraph (3) or, for facilities which provide substance abuse treatment, a license from the department of public health under Iowa Code section 125.13.

This rule is intended to implement Iowa Code sections 135H.4 and 249A.4.

**441—85.22(249A) Eligibility of persons under the age of 21.**

**85.22(1) Age.** To be eligible for payment for the cost of care provided by a psychiatric medical institution for children, the person shall be under 21 years of age. When treatment in the facility is provided immediately preceding the individual’s twenty-first birthday, coverage continues to be available until the twenty-second birthday or until service is no longer required, whichever is earlier.

**85.22(2) Period of eligibility.** The person is considered to be an inpatient until unconditionally discharged. Coverage extends until the last day of the month of the discharge or the twenty-second birthday. While on inpatient status, the eligible individual is entitled to the full scope of Medicaid benefits.

**85.22(3) Certification for need for care.** For persons eligible for Medicaid prior to admission, an independent team shall certify that ambulatory care resources available in the community do not meet the treatment needs of the recipient, that proper treatment of the recipient’s psychiatric condition requires services on an inpatient basis under the direction of a physician, and that the services can reasonably be expected to improve the recipient’s condition or prevent further regression so that the services will no longer be needed. Team members are independent when they are not employees of or consultants to the facility. Form 470-2780, Certification of Need for Inpatient Psychiatric Services, may be used to document these criteria.

*a.* For persons determined eligible for Medicaid prior to admission, this preadmission certification shall be performed within 45 days prior to the proposed date for admission to the facility by an independent team that includes a physician who has competence in diagnosis and treatment of mental illness, preferably in child psychiatry, and who has knowledge of the person’s situation. If a social worker is a part of the team, the social worker may be from the county office of the department of human services.

The evaluation shall be submitted to the facility on or prior to the date of the patient’s admission.

*b.* When a person makes application for Medicaid subsequent to admission or has an application in process at the time of admission, a certification by the team responsible for the plan of care shall be provided within 14 days after admission and shall cover any period prior to application for which claims are to be made.

*c.* For emergency admissions, a certification shall be provided by the team responsible for the plan of care within 14 days after admission.

**85.22(4) Financial eligibility for persons under the age of 21.** To be eligible for payments for the cost of care provided by psychiatric medical institutions, persons under the age of 21 shall be eligible under one of the coverage groups listed in rule 441—75.1(249A), except medically needy.

**441—85.23(249A) Client participation.** The resident’s client participation and medical payments from a third party shall be paid toward the total cost of care on a monthly basis. The state will pay the balance of the cost of care for the month. The facility shall make arrangements directly with the resident for payment of client participation. Client participation is determined according to rule 441—75.16(249A).

**441—85.24(249A) Responsibilities of facilities.**

**85.24(1) Medical record requirements.** The medical records maintained by psychiatric medical institutions for children shall permit determination of the degree and intensity of the treatment provided to persons who are furnished services in the facility.

a. Development of assessment and diagnostic data. Medical records shall stress the psychiatric components of the record, including history of findings and treatment provided for the psychiatric condition for which the patient is admitted.

(1) The identification data shall include the patient's legal status.

(2) A provisional or admitting diagnosis shall be made on every patient at the time of admission, and shall include the diagnoses of intercurrent diseases as well as the psychiatric diagnoses.

(3) The reasons for admission shall be clearly documented as stated by the patient or others significantly involved.

(4) The social service records, including reports of interviews with patients, family members, and others, shall provide an assessment of home plans and family attitudes and community resource contacts, as well as a social history.

(5) When indicated, a complete neurological examination shall be recorded at the time of the admission physical examination.

b. Psychiatric evaluation. Each patient shall receive a psychiatric evaluation that shall:

(1) Be completed within seven days of admission.

(2) Include a medical history.

(3) Contain a record of mental status.

(4) Note the onset of illness and the circumstances leading to admission.

(5) Describe attitudes and behavior.

(6) Estimate intellectual functioning, memory functioning, and orientation.

(7) Include an inventory of the patient's assets in descriptive, not interpretive, fashion.

c. Treatment plan.

(1) Each patient shall have an individual comprehensive treatment plan that shall be based on an inventory of the patient's strengths and disabilities. The written plan shall include a substantiated diagnosis, short-term and long-range goals, the specific treatment modalities utilized, the responsibilities of each member of the treatment team, and adequate documentation to justify the diagnosis and the treatment and rehabilitation activities carried out.

(2) The treatment received by the patient shall be documented in a way to ensure that all active therapeutic efforts are included.

d. Recording progress. Progress notes shall be recorded by the doctor of medicine or osteopathy responsible for the care of the patient, nurse, social worker and, when appropriate, others significantly involved in active treatment modalities. The frequency of progress notes is determined by the condition of the patient but shall be recorded at least weekly for the first two months and at least once a month thereafter and shall contain recommendations for revisions in the treatment plan as indicated, as well as precise assessment of the patient's progress in accordance with the original or revised treatment plan.

e. Discharge planning and discharge summary. The record of each patient who has been discharged shall have a discharge summary that includes a recapitulation of the patient's stay at the facility and recommendations from appropriate services concerning follow-up or aftercare, as well as a brief summary of the patient's condition on discharge.

f. The facility shall obtain a professional review organization (PRO) determination that the person requires psychiatric medical institution level of care when a person applying or eligible for Medicaid enters the facility, returns from an acute care hospital stay longer than 10 days, or enters the facility after 30 consecutive days of visitation. Periodic PRO determinations of the need for continuing care are also required.

**85.24(2) Fiscal records.**

a. A Case Activity Report, Form 470-0042, shall be submitted to the department whenever a Medicaid applicant or recipient enters the facility, changes level of care, is hospitalized, leaves for visitation, or is discharged from the facility.

b. The facility shall bill after each calendar month for the previous month's services.

**85.24(3) Additional requirements.** Additional requirements are mandated for persons under the age of 21.

*a. Active treatment.* Inpatient psychiatric services shall involve active treatment. Active treatment means implementation of a professionally developed and supervised individual plan of care that is developed and implemented by an interdisciplinary team no later than 14 days after admission and is designed to achieve the recipient's discharge from inpatient status at the earliest possible time.

*b. Individual plan of care.* An individual plan of care is a written plan developed for each recipient to improve the recipient's condition to the extent that inpatient care is no longer necessary. The plan shall be reviewed every 30 days by the team to determine that services being provided are or were required on an inpatient basis and to recommend changes in the plan as indicated by the recipient's overall adjustment as an inpatient. The plan of care shall:

(1) Be based on a diagnostic evaluation that includes examination of the medical, psychological, social, behavioral and developmental aspects of the recipient's situation and reflects the need for inpatient psychiatric care.

(2) Be developed by a team of professionals, as specified in paragraph "c" below, in consultation, if possible, with the recipient and the recipient's parents, legal guardians or others in whose care the recipient will be released after discharge.

(3) State the treatment objectives.

(4) Prescribe an integrated program of therapies, activities and experiences designed to meet the objectives.

(5) Include, at an appropriate time, postdischarge plans and coordination of inpatient services with partial discharge plans and related community services to ensure continuity of care with the recipient's family, school and community upon discharge.

*c. Interdisciplinary team.* The individual plan of care shall be developed by an interdisciplinary team of physicians and other personnel who are employed by the facility or who provide services to patients in the facility. Membership in the interdisciplinary plan of care team includes those physicians and other professionals who are involved in the direct provision of treatment services, involved in the organization of the plan of care, or involved in consulting with or supervising those professionals involved in the direct provision of care.

(1) Based on education and experience, preferably including competence in child psychiatry, the team shall be capable of assessing the recipient's immediate and long-range therapeutic needs, developmental priorities, and personal strengths and liabilities; assessing the potential resources of the recipient's family; setting treatment objectives; and prescribing therapeutic modalities to achieve the plan's objectives.

(2) The team shall include, as a minimum, either a board-eligible or board-certified psychiatrist, a clinical psychologist who has a doctoral degree and a physician licensed to practice in medicine or osteopathy, or a physician licensed to practice medicine or osteopathy with specialized training and experience in the diagnosis and treatment of mental diseases and a psychologist who has a master's degree in clinical psychology and has been licensed by the state.

(3) The team shall also include one of the following: a social worker with a master's degree in social work with specialized training or one year's experience in treating persons with mental illness, a registered nurse with specialized training or one year's experience in treating persons with mental illness, an occupational therapist who is licensed and who has specialized training or one year of experience in treating persons with mental illness, or a psychologist who has a master's degree in clinical psychology or who has been licensed by the state.

#### **441—85.25(249A) Reimbursement to psychiatric medical institutions for children.**

**85.25(1)** *Computation of inpatient rate.* Facilities are paid at a per diem rate based on the facility's actual and allowable cost for the service not to exceed the upper limit as provided in 441—subrule 79.1(2).

*a.* Rates for new facilities are based on historical costs submitted on Form 470-0664, Financial and Statistical Report for Purchase of Service Contracts, if the institution is established and has the historical data. If the institution is newly established, the rate shall be based on a proposed budget submitted on

Form 470-0664. A Form 470-0664 with actual cost data shall be submitted after at least six months of participation in the program for a new rate adjustment.

*b.* After the initial cost report period, the institution shall submit Form 470-0664 annually within three months of the close of the facility's fiscal year. Failure to submit the report within this time shall reduce payment to 75 percent of the current rate. The reduced rate shall be paid for no longer than three months, after which time no further payments will be made.

*c.* For services rendered July 1, 2010, through June 30, 2011, rates paid shall be adjusted to 100 percent of the facility's actual and allowable average costs per patient day, based on the cost information submitted pursuant to paragraphs 85.25(1) "a" and "b," subject to the upper limit provided in 441—subrule 79.1(2) for non-state-owned facilities. Before rate adjustment, providers shall be paid a prospective interim rate equal to the previous year's retrospectively calculated unit-of-service rate.

**85.25(2) Reserve bed payments.**

*a.* Reserve bed day payment for days a resident of a psychiatric medical institution for children is absent from the facility for hospitalization in an acute care general hospital is paid in accordance with the following policies:

(1) The intent of the department and the facility shall be for the resident to return to the facility after the hospitalization.

(2) Staff from the psychiatric medical institution shall be available to provide support to the child and family during the hospitalization.

(3) Payment for reserve bed days shall be canceled and payment returned if the facility refuses to accept the child back except when the department and the facility agree that the return would not be in the child's best interests. If the department and the facility agree that the return would not be in the child's best interests, payment shall be canceled effective the day after the joint decision not to return the child.

(4) Payment will not be authorized for over ten days per calendar month and will not be authorized for over ten days for any continuous hospital stay.

*b.* Reserve bed days for visitation shall be made for days a resident is absent from a psychiatric medical institution for children at the time of a nightly census for the purpose of visitation when the absence is in accordance with the following policies:

(1) The visits are consistent with the child's case permanency plan and the facility's individual case plan.

(2) The intent of the department and the facility shall be for the child to return to the facility after the visitation.

(3) Staff from the psychiatric medical institution shall be available to provide support to the child and family during the visit.

(4) Payment for reserve bed days shall be canceled and payments returned if the facility refuses to accept the child back except when the department and the facility agree that the return would not be in the child's best interests. If the department and the facility agree that the return would not be in the child's best interests, payment shall be canceled effective the day after the joint decision not to return the child.

(5) Payment for reserve bed days shall be canceled effective the day after a decision not to return the child is made by the court or, in a voluntary placement, by the parent.

(6) Payment for reserve bed days shall not exceed 14 consecutive days or 30 days per year, except upon written approval of the regional administrator. In no case shall payment exceed 60 days per year for visitation or other absences.

*c.* Reserve bed payment shall be made for days a resident is absent from a psychiatric medical institution for children at the time of the nightly census for reasons such as detention, shelter care, or running away when the absence is in accordance with the following policies:

(1) The intent of the department and the psychiatric medical institution for children shall be for the child to return to the facility after the absence.

(2) Payment for reserve bed days shall be canceled and payments returned if the facility refuses to accept the child back except when the department and the facility agree that the return would not be in the child's best interests. If the department and the facility agree that the return would not be in the

child's best interests, payment shall be canceled effective the day after the joint decision not to return the child.

(3) Payment for reserve bed days shall be canceled effective the day after a decision is made not to return the child by the court or, in a voluntary placement, by the parent.

(4) Payment for reserve bed days shall not exceed 14 consecutive days or 30 days per year, except upon written approval of the regional administrator. In no case shall payment exceed 60 days per year for visitation or other absences.

(5) Reserve bed day payment is not available until the child has been physically admitted to the psychiatric medical institution.

(6) The psychiatric medical institution shall notify the department social worker within 24 hours after the child is out of the facility for running away or other unplanned reasons.

**85.25(3) Day treatment rates.** Outpatient day treatment services are paid on a fixed fee basis. [ARC 8649B, IAB 4/7/10, effective 3/11/10; ARC 8899B, IAB 6/30/10, effective 7/1/10; ARC 9176B, IAB 11/3/10, effective 12/8/10]

**441—85.26(249A) Outpatient day treatment for persons aged 20 or under.** Payment to a psychiatric medical institution for children will be approved for day treatment services for persons aged 20 or under if the psychiatric medical institution for children is certified by the department of inspections and appeals for day treatment services and the services are provided on the licensed premises of the psychiatric medical institution for children.

EXCEPTION: Field trips away from the premises are a covered service when the trip is therapeutic and integrated into the day treatment program's description and milieu plan. All conditions for the day treatment program for persons aged 20 or under as outlined in 441—subrule 78.16(7) for community mental health centers shall apply to psychiatric medical institutions for children.

These rules are intended to implement Iowa Code section 249A.4.

**441—85.27 to 85.40** Reserved.

DIVISION III  
NURSING FACILITIES FOR PERSONS WITH MENTAL ILLNESS

**441—85.41(249A) Conditions of participation.** A nursing facility for persons with mental illness shall be licensed pursuant to department of inspections and appeals rules 481—Chapter 65, or, if the facility is a distinct part of a hospital, pursuant to department of inspections and appeals rule 481—51.33(135B). A distinct part of a general hospital may be considered a psychiatric institution. In addition, the facility shall be certified to participate in the Iowa Medicaid program as a nursing facility pursuant to 441—Chapter 81 and shall be 16 beds or more. The facility shall also meet the criteria set forth in subrule 85.1(1).

**441—85.42(249A) Out-of-state placement.** Placement in out-of-state nursing facilities for persons with mental illness is not payable.

**441—85.43(249A) Eligibility of persons aged 65 and over.** To be eligible for payment for the cost of care provided by nursing facilities for persons with mental illness, persons must be aged 65 or over and be eligible under one of the coverage groups listed in rule 441—75.1(249A), except for medically needy.

**441—85.44(249A) Client participation.** The resident's client participation and medical payments from a third party shall be paid toward the total cost of care on a monthly basis. The state will pay the balance of the cost of care for the month. The facility shall make arrangements directly with the resident for payment of client participation. Client participation is determined according to rule 441—75.16(249A).

**441—85.45(249A) Responsibilities of nursing facility.**

**85.45(1) Medical record requirements.** The facility shall obtain a PRO determination that the person requires psychiatric care when a person applying or eligible for Medicaid enters the facility, returns from an acute care hospital stay longer than 10 days, or enters the facility after 30 consecutive days of visitation. Periodic PRO determinations of the need for continuing care are also required.

**85.45(2) Fiscal records.**

*a.* A Case Activity Report, Form 470-0042, shall be submitted to the department whenever a Medicaid applicant or recipient enters the facility, changes level of care, is hospitalized, leaves for visitation, or is discharged from the facility.

*b.* The facility shall bill after each calendar month for the previous month's services.

**441—85.46(249A) Policies governing reimbursement.** Cost reporting, reserve bed day payment, and reimbursement shall be the same for nursing facilities for persons with mental illness as for nursing facilities as set forth in 441—Chapter 81.

**441—85.47(249A) State-funded personal needs supplement.** A Medicaid member living in an intermediate care facility for persons with mental illness who has countable income for purposes of rule 441—75.16(249A) of less than \$50 per month shall receive a state-funded payment from the department for the difference between that countable income and \$50 if the legislature has appropriated funding specifically for this purpose. This payment shall not be considered a benefit under Title XIX of the Social Security Act.

This rule is intended to implement Iowa Code Supplement section 249A.30A.

These rules are intended to implement Iowa Code section 249A.4.

CHAPTER 86  
HEALTHY AND WELL KIDS IN IOWA (HAWK-I) PROGRAM

PREAMBLE

These rules define and structure the department of human services healthy and well kids in Iowa (HAWK-I) program. The purpose of this program is to provide transitional health and dental care coverage to uninsured children who are ineligible for Title XIX (Medicaid) assistance. The program is implemented and administered in compliance with Title XXI of the federal Social Security Act. The rules establish requirements for the third-party administrator responsible for the program administration and for the participating health and dental plans that will be delivering services to the enrollees.

**441—86.1(514I) Definitions.**

*“Applicant”* shall mean all parents, spouses, and children under the age of 19 who are counted in the HAWK-I family size and who are listed on the application or renewal form.

*“Benchmark benefit package for health care coverage”* shall mean any of the following:

1. The standard Blue Cross Blue Shield preferred provider option service benefit plan, described in and offered under 5 U.S.C. Section 8903(1).

2. A health benefits coverage plan that is offered and generally available to state employees in this state.

3. The plan of a health maintenance organization, as defined in 42 U.S.C. Section 300e, with the largest insured commercial, nonmedical assistance enrollment of covered lives in the state.

*“Capitation rate”* shall mean the fee the department pays monthly to a participating health or dental plan for each enrollee for the provision of covered medical or dental services whether or not the enrollee received services during the month for which the fee is intended.

*“Contract”* shall mean the contract between the department and the person or entity selected as the third-party administrator or the contract between the department and the participating health or dental plan for the provision of medical or dental services to HAWK-I enrollees for whom the participating health or dental plans assume risk.

*“Cost sharing”* shall mean the payment of a premium or copayment as provided for by Title XXI of the federal Social Security Act and Iowa Code section 514I.10.

*“Covered services”* shall mean all or a part of those medical and dental services set forth in rule 441—86.14(514I).

*“Dentist”* shall mean a person who is licensed to practice dentistry.

*“Department”* shall mean the Iowa department of human services.

*“Director”* shall mean the director of the Iowa department of human services.

*“Earned income”* means the earned income of all parents, spouses, and children under the age of 19 who are not students who are living together in accordance with subrule 86.2(3). Income shall be countable earned income when a person produces it as a result of the performance of services. “Earned income” includes:

1. All income in the form of a salary, wages, tips, bonuses, and commissions earned as an employee, and

2. The net profit from self-employment determined by comparing gross income produced from self-employment with the allowable costs of producing the income. The allowable costs of producing self-employment income shall be determined by the costs allowed for income tax purposes. Additionally, the cost of depreciation of capital assets identified for income tax purposes shall be allowed as a cost of doing business for self-employed persons. Losses from a self-employment enterprise may not be used to offset income from any other source.

*“Eligible child”* shall mean an individual who meets the criteria for participation in the HAWK-I program as set forth in rule 441—86.2(514I).

*“Emergency dental condition”* shall mean an oral condition that occurs suddenly and creates an urgent need for professional consultation or treatment. Emergency conditions may include hemorrhage, infection, pain, broken teeth, knocked-out teeth, or other trauma.

*“Emergency medical condition”* shall mean a medical condition manifesting itself by acute symptoms of sufficient severity, including severe pain, such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in one of the following:

1. Placing the health of the person or, with respect to a pregnant woman, the health of the woman and her unborn child, in serious jeopardy,
2. Serious impairment to bodily functions, or
3. Serious dysfunction of any bodily organ or part.

*“Emergency services”* shall mean, with respect to an individual enrolled with a plan, covered inpatient and outpatient services which are furnished by a provider qualified to furnish these services and which are needed to evaluate and stabilize an emergency medical or dental condition.

*“Enrollee”* shall mean a child who has been determined eligible for the program and who has been enrolled with a participating health plan.

*“Family”* shall mean all parents, spouses, and children under the age of 19 who are counted in the HAWK-I family size.

*“Federal poverty level”* shall mean the poverty income guidelines revised annually and published in the Federal Register by the United States Department of Health and Human Services.

*“Good cause”* shall mean the family has demonstrated that one or more of the following conditions exist:

1. There was a serious illness or death of the enrollee or a member of the enrollee’s family.
2. There was a family emergency or household disaster, such as a fire, flood, or tornado.
3. There was a reason beyond the enrollee’s control.
4. There was a failure to receive the third-party administrator’s request for a reason not attributable to the enrollee. Lack of a forwarding address is attributable to the enrollee.

*“Gross countable income”* means gross income minus exemptions permitted by paragraph 86.2(2) “b.”

*“Gross income”* means a combination of the following:

1. Earned income,
2. Unearned income, and
3. Recurring lump-sum income prorated over the time the income is intended to cover.

*“HAWK-I board”* or *“board”* shall mean the entity that adopts rules, establishes policy, and directs the department regarding the HAWK-I program.

*“HAWK-I program”* or *“program”* shall mean the healthy and well kids in Iowa program implemented in this chapter to provide health and dental care coverage to eligible children.

*“Health insurance coverage”* shall mean health insurance coverage as defined in 45 CFR Section 144.103, as amended to October 1, 2008.

*“Institution for mental diseases”* shall mean a hospital, nursing facility, or other institution of more than 16 beds that is primarily engaged in providing diagnosis, treatment, or care of persons with mental diseases, including medical attention, nursing care and related services as defined at 42 CFR Section 435.1009 as amended November 10, 1994.

*“Nonmedical public institution”* shall mean an institution that is the responsibility of a governmental unit or over which a governmental unit exercises administrative control as defined in 42 CFR Section 435.1009 as amended November 10, 1994.

*“Participating dental plan”* shall mean any entity licensed by the division of insurance of the department of commerce to provide dental insurance in Iowa that has contracted with the department to provide dental insurance coverage to eligible children under this chapter.

*“Participating health plan”* shall mean any entity licensed by the division of insurance of the department of commerce to provide health insurance in Iowa or an organized delivery system licensed by the director of public health that has contracted with the department to provide health insurance coverage to eligible children under this chapter.

*“Physician”* shall be defined as provided in Iowa Code subsection 135.1(4).

“*Provider*” shall mean an individual, firm, corporation, association, or institution that is providing or has been approved to provide medical or dental care or services to an enrollee pursuant to the HAWK-I program.

“*Recurring lump-sum income*” means earned and unearned lump-sum income that is received on a regular basis. These payments may include, but are not limited to:

1. Annual bonuses.
2. Lottery winnings that are paid out annually.

“*Regions*” shall mean the six regions of the state as follows:

- Region 1: Lyon, Osceola, Dickinson, Emmet, Sioux, O’Brien, Clay, Palo Alto, Plymouth, Cherokee, Buena Vista, Woodbury, Ida, Sac, Monona, Crawford, and Carroll.

- Region 2: Kossuth, Winnebago, Worth, Mitchell, Howard, Hancock, Cerro Gordo, Floyd, Pocahontas, Humboldt, Wright, Franklin, Calhoun, Webster, Hamilton, Hardin, Greene, Boone, Story, Marshall, and Tama.

- Region 3: Winneshiek, Allamakee, Chickasaw, Fayette, Clayton, Butler, Bremer, Grundy, Black Hawk, Buchanan, Delaware, Dubuque, Jones, Jackson, Cedar, Clinton, and Scott.

- Region 4: Harrison, Shelby, Audubon, Pottawattamie, Cass, Mills, Montgomery, Fremont, and Page.

- Region 5: Guthrie, Dallas, Polk, Jasper, Adair, Madison, Warren, Marion, Adams, Union, Clarke, Lucas, Taylor, Ringgold, Decatur, and Wayne.

- Region 6: Benton, Linn, Poweshiek, Iowa, Johnson, Muscatine, Mahaska, Keokuk, Washington, Louisa, Monroe, Wapello, Jefferson, Henry, Des Moines, Appanoose, Davis, Van Buren, and Lee.

“*Self-employed*” means that a person satisfies any of the following conditions:

1. The person is not required to report to the office regularly except for specific purposes such as sales training meetings, administrative meetings, or evaluation sessions; or
2. The person establishes the person’s own working hours, territory, and methods of work; or
3. The person files quarterly reports of earnings, withholding payments, and FICA payments to the Internal Revenue Service.

“*Third-party administrator*” shall mean the person or entity with which the department contracts to provide administrative services for the HAWK-I program.

“*Unearned income*” means cash income of all parents, spouses, and children under the age of 19 who are living together in accordance with subrule 86.2(3) that is not gained by labor or service. The available unearned income shall be the amount remaining after the withholding of taxes (Federal Insurance Contribution Act, state and federal income taxes) and any reasonable income-producing costs. Examples of unearned income include, but are not limited to:

1. Social security benefits, meaning the amount of the entitlement before withholding of a Medicare premium.
2. Child support and alimony payments received for a member of the family.
3. Unemployment compensation.
4. Veterans benefits.

[ARC 7770B, IAB 5/20/09, effective 7/1/09; ARC 8478B, IAB 1/13/10, effective 3/1/10; ARC 8580B, IAB 3/10/10, effective 3/1/10]

**441—86.2(514I) Eligibility factors.** The decision with respect to eligibility shall be based primarily on information furnished by the applicant, the enrollee, or a person acting on behalf of the applicant or enrollee. A child must meet the following eligibility factors to participate in the HAWK-I program.

**86.2(1) Age.** The child shall be under 19 years of age. Eligibility for the program ends the first day of the month following the month of the child’s nineteenth birthday.

**86.2(2) Income.**

*a. Gross countable income.* In determining initial and ongoing eligibility for the HAWK-I program, gross countable income shall not exceed 300 percent of the federal poverty level for a family of the same size.

*b. Exempt income.* The following shall not be counted toward the income limit when establishing eligibility for the HAWK-I program.

(1) Nonrecurring lump sum income. Nonrecurring lump sum income is income that is not expected to be received more than once. These payments may include, but are not limited to:

1. An inheritance.
2. A one-time bonus.
3. Lump sum lottery winnings.
4. Other one-time payments.

(2) Food reserves from home-produced garden products, orchards, domestic animals, and the like, when used by the household for its own consumption.

(3) The value of benefits issued in the Food Assistance Program.

(4) The value of the United States Department of Agriculture donated foods (surplus commodities).

(5) The value of supplemental food assistance received under the Child Nutrition Act and the special food service program for children under the National School Lunch Act.

(6) Any benefits received under Title III-C, Nutrition Program for the Elderly, of the Older Americans Act.

(7) Benefits paid to eligible households under the Low Income Home Energy Assistance Act of 1981.

(8) Any payment received under Title II of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and the Federal-Aid Highway Act of 1968.

(9) Interest and dividend income.

(10) Any judgment funds that have been or will be distributed per capita or held in trust for members of any Indian tribe.

(11) Payments to volunteers participating in the Volunteers in Service to America (VISTA) program.

(12) Payments for supporting services or reimbursement of out-of-pocket expenses received by volunteers in any of the programs established under Titles II and III of the Domestic Volunteer Services Act.

(13) Tax-exempt portions of payments made pursuant to the Alaskan Native Claims Settlement Act.

(14) Experimental housing allowance program payments.

(15) The income of a Supplemental Security Income (SSI) recipient.

(16) Income of an ineligible child if the family chooses not to include the child in the eligibility determination in accordance with the provisions of paragraph 86.2(3)“c.”

(17) Income in kind.

(18) Family support subsidy program payments.

(19) All earned and unearned educational funds of an undergraduate or graduate student or a person in training. However, any additional amount of educational funds received for the person's dependents that are in the eligible group shall be considered as nonexempt income.

(20) Bona fide loans.

(21) Payments made from the Agent Orange Settlement Fund or any other fund established pursuant to the settlement in the In re Agent Orange product liability litigation, M.D.L. No. 381 (E.D.N.Y.).

(22) Payment for major disaster and emergency assistance provided under the Disaster Relief Act of 1974 as amended by Public Law 100-707, the Disaster Relief and Emergency Assistance Amendments of 1988.

(23) Payments made to certain United States citizens of Japanese ancestry and resident Japanese aliens under Section 105 of Public Law 100-383, and payments made to certain eligible Aleuts under Section 206 of Public Law 100-383 entitled Wartime Relocation of Civilians.

(24) Payments received from the Radiation Exposure Compensation Act.

(25) Reimbursements from a third party or from an employer for job-related expenses.

(26) Payments received for providing foster care when the family is operating a licensed foster home.

(27) Any payments received as a result of an urban renewal or low-cost housing project from any governmental agency.

(28) Retroactive corrective payments.

(29) The training allowance issued by the division of vocational rehabilitation, department of education.

(30) Payments from the PROMISE JOBS program.

(31) The training allowance issued by the department for the blind.

(32) Payments from passengers in a car pool.

(33) Compensation in lieu of wages received by a child under the Job Training Partnership Act of 1982.

(34) Any amount for training expenses included in a payment issued under the Job Training Partnership Act of 1982.

(35) Earnings of a child under the age of 19 who is a full-time student as defined at 441—75.54(1) “b”(1) and (2).

(36) Incentive payments received from participation in the adolescent pregnancy prevention programs.

(37) Payments received from the comprehensive child development program, funded by the Administration for Children, Youth, and Families, provided the payments are considered complementary assistance by federal regulations.

(38) Incentive allowance payments received from the work force investment project, provided the payments are considered complementary assistance by federal regulation.

(39) Honorarium income and all moneys paid to an eligible family in connection with the welfare reform longitudinal study.

(40) Family investment program (FIP) benefits.

(41) Moneys received through pilot self-sufficiency grants or diversion programs.

(42) Income that has ended as of the date of application.

(43) Any income restricted by law or regulation that is paid to a representative payee living outside the home, other than to a parent who is the applicant or recipient, unless the income is actually made available to the applicant or recipient by the representative payee.

(44) A federal or state earned income tax credit, regardless of whether the payment is received with the regular paycheck or as a lump sum with the federal or state income tax refund.

(45) All earnings received by temporary workers from the U.S. Bureau of the Census.

*c. Verification of income.* Income shall be verified using the best information available. For example, earnings from the 30 days before the date of application may be used to verify earned income if it is representative of the income expected in future months.

(1) Pay stubs, tip records, tax records and employers’ statements are acceptable forms of verification of earned income.

(2) Unearned income shall be verified through data matches when possible, award letters, warrant copies, or other acceptable means of verification.

(3) Self-employment income shall be verified using business records or income tax returns from the previous year if they are representative of anticipated earnings. If business records or tax returns from the previous year are not representative of anticipated earnings, an average of the business records or tax returns from the previous two or three years may be used if that average is representative of anticipated earnings.

(4) When a child who has been determined ineligible for Medicaid is referred to the HAWK-I program, the third-party administrator shall use the income amount used by the Medicaid program unless rules in this chapter require the income to be treated differently.

*d. Changes in income.* Once initial eligibility is established, changes in income during the 12-month enrollment period shall not affect the child’s eligibility to participate in the HAWK-I program. However, if income has decreased, the family may request a review of their income to establish whether they are required to continue paying a premium in accordance with rule 441—86.8(514I).

**86.2(3) Family size.** For purposes of establishing initial and ongoing eligibility under the HAWK-I program, the family size shall consist of all persons living together who are children under the age of 19 or who are parents of those children as defined below.

EXCEPTION: Persons who are receiving Supplemental Security Income (SSI) under Title XVI of the Social Security Act or who are voluntarily excluded in accordance with the provisions of paragraph “c” below are not considered in determining family size.

*a. Children.* A child under the age of 19 and any siblings under the age of 19 of whole or half blood or adoptive shall be considered together unless the child is emancipated due to marriage, in which case, the emancipated child is not included in the family size unless the marriage has been annulled. Emancipated children, their spouses, and children who live with parents or siblings of the emancipated child shall be considered as a separate family when establishing eligibility for the HAWK-I program.

*b. Parents.* Any parent living with the child under the age of 19 shall be included in the family size. This includes the biological parent, stepparent, or adoptive parent of the child and is not dependent upon whether the parents are married to each other. In situations where the parents do not live together but share joint physical custody of the children, the family size shall be based on the household in which the child spends the majority of time. If both parents share physical custody equally, either parent may apply on behalf of the child and the family size shall be based on the household of the applying parent.

*c. Persons who may be excluded when determining family size.* If including a child in the family size causes siblings to be ineligible, the family may choose not to count the child in the family size. However, this rule shall not apply when the child is receiving Supplemental Security Income (SSI) benefits because SSI recipients are not counted in determining family size for the purposes of HAWK-I eligibility.

*d. Temporary absence from the home.* The following policies shall be applied to any person who would be counted in the family size in accordance with paragraphs “a” and “b” who is temporarily absent from the home.

(1) When a person is absent from the home to secure education or training (e.g., the person is attending college), the person shall be included when establishing the size of the family at home and, if otherwise eligible, shall be covered under the program.

(2) When a person is absent from the home to secure medical care, the person shall be included when establishing the size of the family at home and, if otherwise eligible, shall be covered under the program when the reason for the absence is expected to last less than 12 months.

(3) When a person is absent from the home because the person is an inmate in a nonmedical public institution (e.g., a penal institution) in accordance with the provisions of subrule 86.2(9), the person shall be included when establishing the size of the family at home if the absence is expected to be less than three months. However, when the person is a child under the age of 19, coverage under the program shall not be provided pursuant to subrule 86.2(10) until the child returns to the home.

(4) When a child is absent from the home because the child is in foster care, the child shall not be included when establishing the size of the family at home.

(5) When a child is absent from the home for a vacation or a visit to an absent parent, for example, the child shall be included in establishing the size of the family at home and, if otherwise eligible, shall be covered under the program if the absence is expected to be less than three months.

**86.2(4) Uninsured status.** The child must be uninsured.

*a.* A child who is currently enrolled in an individual or group health plan is not eligible to participate in the HAWK-I program. However, a child who is enrolled in a plan shall not be considered insured for purposes of the HAWK-I program if:

(1) The plan provides coverage only for a specific disease or service (such as a vision, dental, or cancer policy), or

(2) The child does not have reasonable geographic access to care under that plan. “Reasonable geographic access” means that the plan or an option available under the plan does not have service area limitations or, if the plan has service area limitations, the child lives within 30 miles or 30 minutes of a network primary care provider.

*b.* A child whose health insurance ends in the month of application shall be considered uninsured for purposes of HAWK-I eligibility. However, a one-month waiting period may be imposed pursuant to subrule 86.5(1) for a child who is subject to a monthly premium pursuant to paragraph 86.8(2) “c.”

c. American Indian and Alaska Native. American Indian and Alaska Native children are eligible for the HAWK-I program on the same basis as other children in the state, regardless of whether or not they may be eligible for or served by Indian Health Services-funded care.

**86.2(5) Ineligibility for Medicaid.** The child shall not be receiving Medicaid or eligible to receive Medicaid if application were made except when the child would be required to meet a spenddown under the medically needy program in accordance with the provisions of 441—subrule 75.1(35).

a. A child who would be eligible for Medicaid except for the parent's failure or refusal to cooperate in establishing initial or ongoing eligibility shall not be eligible for coverage under the HAWK-I program.

b. Children who are excluded from the Medicaid household due to the income or resources of the child may participate in the HAWK-I program if otherwise eligible.

**86.2(6) Iowa residency.** The child shall be a resident of the state of Iowa. A resident of Iowa is a person:

a. Who is living in Iowa voluntarily with the intention of making that person's home in Iowa and not for a temporary purpose; or

b. Who, at the time of application, is not receiving assistance from another state and entered Iowa with a job commitment or to seek employment or who is living with parents or guardians who entered Iowa with a job commitment or to seek employment.

**86.2(7) Citizenship and alien status.** The child shall be a citizen or lawfully admitted alien. The criteria established under 441—subrule 75.11(2) shall be followed when determining whether a lawfully admitted alien child is eligible to participate in the HAWK-I program.

a. The citizenship or alien status of the parents or other responsible person shall not be considered when determining the eligibility of the child to participate in the program.

b. As a condition of eligibility for HAWK-I:

(1) All applicants shall attest to their citizenship status by signing the application form, which contains a citizenship declaration. EXCEPTION: Applicants applying pursuant to subrule 86.3(6) shall instead complete and sign Form 470-2549, Statement of Citizenship Status.

(2) When a child under the age of 19 is not living independently, the child's parent or other responsible person with whom the child lives shall be responsible for attesting to the child's citizenship or alien status and for providing any required proof of the status.

c. Except as provided in 441—paragraph 75.11(2)“f,” applicants or enrollees for whom an attestation of United States citizenship has been made pursuant to paragraph 86.2(7)“b” shall present satisfactory documentation of citizenship or nationality as defined in 441—paragraphs 75.11(2)“d,” “e,” “g,” and “h.”

d. An applicant or enrollee shall have a reasonable period to obtain and provide proof of citizenship and nationality. For the purposes of this requirement, the “reasonable period” begins on the date a written request to obtain and provide proof is issued to an applicant or enrollee and continues to the date the proof is provided or to the ninetieth calendar day from the date the written request was issued.

e. Eligibility for HAWK-I shall be approved for applicants for one reasonable period as described in paragraph 86.2(7)“d.”

(1) The reasonable period shall begin no earlier than the first day of the month following the month in which a valid application is received and shall continue until the end of the month in which the ninetieth day occurs or until acceptable documentary evidence is provided, whichever is earlier. However, coverage may be canceled before the end of the reasonable period when another eligibility requirement is not met.

(2) For the purposes of HAWK-I eligibility, an applicant who received coverage during a reasonable period as a Medicaid applicant shall not be granted coverage pursuant to this paragraph for a second reasonable period.

f. Failure to provide acceptable documentary evidence by the ninetieth calendar day from the date the written request was issued pursuant to paragraph 86.2(7)“d” shall be the basis for cancellation of coverage under HAWK-I for the child.

g. Failure to provide acceptable documentary evidence for a child shall not affect the eligibility of other children in the family for whom acceptable documentary evidence has been provided.

**86.2(8)** *Dependents of state of Iowa employees.* The child shall not be eligible for the HAWK-I program if the child is eligible for health insurance coverage as a dependent of a state of Iowa employee unless the state contributes only a nominal amount toward the cost of dependent coverage. “Nominal amount” shall mean \$10 or less per month.

**86.2(9)** *Inmates of nonmedical public institutions.* The child shall not be an inmate of a nonmedical public institution as defined at 42 CFR Section 435.1009 as amended November 10, 1994.

**86.2(10)** *Inmates of institutions for mental disease.* At the time of application or annual review of eligibility, the child shall not be an inmate of an institution for mental disease as defined at 42 CFR Section 435.1009 as amended November 10, 1994.

**86.2(11)** *Preexisting conditions.* The child shall not be denied eligibility based on the presence of a preexisting medical or dental condition.

**86.2(12)** *Furnishing a social security number.*

*a.* As a condition of eligibility, a social security number or proof of application for the number if the number has not been issued or is not known must be furnished for a child for whom coverage under HAWK-I is being requested or received.

(1) When proof of application for a social security number has been provided, the number must be reported upon receipt.

(2) The requirement to provide a social security number does not apply if the person refuses to obtain a social security number because of well-established religious objections. The term “well-established religious objections” means that the person is a member of a recognized religious sect or a division of a recognized religious sect and adheres to the tenets or teachings of the sect or division, and for that reason is conscientiously opposed to applying for or using a national identification number.

*b.* Assistance shall not be denied, delayed, or discontinued pending the issuance or verification of a social security number when the applicant or enrollee is cooperating in providing information necessary for issuance of the number.

*c.* The mother of a newborn child shall have until the second month following the mother’s discharge from the hospital to apply for a social security number for the child.

*d.* A social security number may be requested for a person in the family for whom coverage under HAWK-I is not being requested or received, but provision of the number shall not be a condition of eligibility for the applicant or enrollee.

[ARC 7770B, IAB 5/20/09, effective 7/1/09; ARC 7881B, IAB 7/1/09, effective 7/1/09; ARC 8109B, IAB 9/9/09, effective 10/14/09; ARC 8127B, IAB 9/9/09, effective 9/1/09; ARC 8280B, IAB 11/18/09, effective 1/1/10; ARC 8281B, IAB 11/18/09, effective 12/23/09; ARC 8478B, IAB 1/13/10, effective 3/1/10; ARC 8838B, IAB 6/16/10, effective 6/1/10; ARC 9083B, IAB 9/22/10, effective 9/1/10]

#### **441—86.3(514I) Application process.**

**86.3(1)** *Who may apply.* Each person wishing to do so shall have the opportunity to apply without delay. When the request is made in person, the requester shall immediately be given an application form. When a request is made that the application form be mailed, it shall be sent in the next outgoing mail.

*a. Child lives with parents.* When the child lives with the child’s parents, including stepparents and adoptive parents, the parent shall file the application on behalf of the child unless the parent is unable to do so.

If the parent is unable to act on the child’s behalf because the parent is incompetent or physically disabled, another person may file the application on behalf of the child. The responsible person shall be a family member, friend or other person who has knowledge of the family’s financial affairs and circumstances and a personal interest in the child’s welfare or a legal representative such as a conservator, guardian, executor or someone with power of attorney. The responsible person shall sign the application form and assume the responsibilities of the incompetent or disabled parent in regard to the application process and ongoing eligibility determinations.

*b. Child lives with someone other than a parent.* When the child lives with someone other than a parent (e.g., another relative, friend, guardian), the person who has assumed responsibility for the care of the child may apply on the child’s behalf. This person shall sign the application form and assume

responsibility for providing all information necessary to establish initial and ongoing eligibility for the child.

*c. Child lives independently or is married.* When a child under the age of 19 lives in an independent living situation or is married, the child may apply on the child's own behalf, in which case, the child shall be responsible for providing all information necessary to establish initial and ongoing eligibility. If the child is married, both the child and the spouse shall sign the application form.

**86.3(2) Application form.** An application for the HAWK-I program shall be submitted on Comm. 156, HAWK-I Application, or on Form 470-4016, HAWK-I Electronic Application Summary and Signature, unless the family applies for the Medicaid program first.

*a.* When an application has been filed for the Medicaid program in accordance with the provisions of rule 441—76.1(249A) and Medicaid eligibility does not exist in accordance with the provisions of rule 441—75.1(249A), or the family must meet a spenddown in accordance with the provisions of 441—subrule 75.1(35) before the child can attain eligibility, the Medicaid application shall be used to establish eligibility for the HAWK-I program in lieu of the HAWK-I Application, Comm. 156, or Form 470-4016, HAWK-I Electronic Application Summary and Signature.

*b.* Applications may be obtained by telephoning the toll-free telephone number of the third-party administrator or by accessing the Web site at [www.hawk-i.org](http://www.hawk-i.org).

**86.3(3) Place of filing.** An application for the HAWK-I program shall be filed with the third-party administrator responsible for making the eligibility determination. Any local or area office of the department of human services, disproportionate share hospital, federally qualified health center, other facilities in which outstationing activities are provided, school nurse, Head Start, maternal and child health center, WIC office, or other entity may accept the application. However, all applications shall be forwarded to the third-party administrator.

**86.3(4) Date and method of filing.** The application is considered filed on the date an identifiable application is received by the third-party administrator or the department. An identifiable application is an application containing a legible name, address, and signature.

*a. Medicaid applications referred to the HAWK-I program.* When the family has applied for Medicaid first and the department makes a referral to the third-party administrator, the date the Medicaid application was originally filed with the department shall be the filing date.

*b. Electronic applications.* When an application is submitted electronically to the third-party administrator, the application is considered filed on the date the third-party administrator receives Form 470-4016, HAWK-I Electronic Application Summary and Signature, containing a legible signature.

**86.3(5) Right to withdraw application.** After an application has been filed, the applicant may withdraw the application at any time prior to the eligibility determination. Requests for voluntary withdrawal of the application shall be documented, and the applicant shall be sent a notice of decision confirming the request.

**86.3(6) Application not required.**

*a.* An application shall not be required when a child becomes ineligible for Medicaid and the local office of the department makes a referral to the HAWK-I program.

(1) A referral to the HAWK-I program pursuant to subrule 86.4(3) or 86.4(4) shall be accepted in lieu of an application.

(2) The original Medicaid application or the last review form that is on file in the local office of the department, whichever is more current, shall suffice to meet the signature requirements.

*b.* A new application shall not be required when an eligible child is added to an existing HAWK-I eligible group.

*c.* A new application shall not be required when a child moves between supplemental dental-only coverage as specified in rule 441—86.20(514I) and full medical and dental coverage.

**86.3(7) Information and verification procedure.** The decision with respect to eligibility shall be based primarily on information furnished by the applicant, enrollee, or person acting on behalf of the applicant or enrollee.

a. The third-party administrator shall notify the applicant, enrollee, or person acting on behalf of the applicant or enrollee in writing of additional information or verification that is required to establish eligibility. The third-party administrator shall provide this notice personally, by mail, or by facsimile.

b. Failure to supply the information or verification or refusal to authorize the third-party administrator to secure the information shall serve as a basis for rejection of the application or cancellation of coverage. If the requested information or authorization is received within 14 calendar days of the notice of decision on an application or within 14 calendar days of the effective date of cancellation for enrollees, the information or authorization shall be acted upon as though it had been provided timely. If the fourteenth calendar day falls on a weekend or state holiday, the applicant or enrollee shall have until the next business day to provide the information.

c. The applicant, enrollee, or person acting on behalf of the applicant or enrollee shall have ten working days to supply the information or verification requested by the third-party administrator. The third-party administrator may extend the deadline for a reasonable period when the applicant, enrollee, or person acting on behalf of the applicant or enrollee is making every effort but is unable to secure the required information or verification from a third party.

**86.3(8) *Time limit for decision.*** The third-party administrator shall make a decision regarding the applicant's eligibility to participate in the HAWK-I program within ten working days from the date of receiving the completed application and all necessary information and verification unless the application cannot be processed within the period for a reason that is beyond the control of the third-party administrator.

a. EXCEPTION: When the application is referred for a Medicaid eligibility determination and Medicaid eligibility is denied, the third-party administrator shall determine HAWK-I eligibility no later than ten working days from the date the administrator receives the notice of Medicaid denial unless additional verification is needed.

b. "Day one" of the ten-day period shall mean the first working day following the date of receipt of a completed application and all necessary information and verification.

**86.3(9) *Applicant cooperation.*** An applicant must cooperate with the third-party administrator in the application process, which may include providing verification or signing documents. Failure to cooperate with the application process shall serve as basis for a denial of the application.

**86.3(10) *Waiting lists.*** When the department has established that all of the funds appropriated for this program are obligated, the third-party administrator shall deny all subsequent applications for HAWK-I coverage unless Medicaid eligibility exists.

a. The third-party administrator shall mail a notice of decision. The notice shall state that:

(1) The applicant meets the eligibility requirements but that no funds are available and that the applicant will be placed on a waiting list, or

(2) The person does not meet eligibility requirements. In which case, the applicant shall not be put on a waiting list.

b. Prior to an applicant's being denied or placed on the waiting list, the third-party administrator shall refer the application to the Medicaid program for an eligibility determination. If Medicaid eligibility exists, the department shall approve the child for Medicaid coverage in accordance with 441—86.4(514I).

c. The third-party administrator shall enter applicants on the waiting list on the basis of the date an identifiable application form specified in subrule 86.3(2) is date-stamped by the third-party administrator. An identifiable application is an application containing a legible name, address, and signature.

(1) In the event that more than one application is received on the same day, the third-party administrator shall enter applicants on the waiting list on the basis of the day of the month of the oldest child's birthday, the lowest number being first on the list.

(2) The third-party administrator shall decide any subsequent ties by the month of birth of the oldest child, January being month one and the lowest number.

d. If funds become available, the third-party administrator shall select applicants from the waiting list based on the order in which their names appear on the list and shall notify them of their selection.

e. After being notified of the availability of funding, the applicant shall have 15 working days to confirm the applicant's continued interest in applying for the program and to provide any information necessary to establish eligibility. If the applicant does not confirm continued interest in applying for the program and does not provide any additional information necessary to establish eligibility within 15 working days, the third-party administrator shall delete the applicant's name from the waiting list and shall contact the next applicant on the waiting list.

**86.3(11)** *Falsification of information.* Rescinded IAB 11/19/08, effective 1/1/09.

**86.3(12)** *Applications pended due to unavailability of a plan.* When there is no participating health plan in the applicant's county of residence, the application shall be held until a plan is available. The application shall be processed when a plan becomes available and coverage shall be effective the first day of the month the plan becomes available.

[ARC 8580B, IAB 3/10/10, effective 3/1/10; ARC 9083B, IAB 9/22/10, effective 9/1/10]

#### **441—86.4(514I) Coordination with Medicaid.**

**86.4(1)** *HAWK-I applicant appears eligible for Medicaid.* At the time of initial application, if it appears the child may be eligible for Medicaid in accordance with the provisions of rule 441—75.1(249A), with the exception of meeting a spenddown under the medically needy program at 441—subrule 75.1(35), a referral shall be made by the third-party administrator to the department for a determination of Medicaid eligibility as follows:

a. The original Healthy and Well Kids in Iowa (HAWK-I) Application, Form 470-3526, or Form 470-4016, HAWK-I Electronic Application Summary and Signature Page, and copies of any accompanying information and verification shall be forwarded to the department within 24 hours, or the next working day, whichever is sooner. The third-party administrator shall maintain a copy of all documentation sent to the department and a log to track the disposition of all referrals.

b. The third-party administrator shall notify the family that the referral has been made. The third-party administrator shall return to the family any original verification and information that was submitted with the application and retain a copy in the file record.

c. The referral shall be considered an application for Medicaid in accordance with the provisions of rule 441—76.1(249A). The time limit for processing the referred application begins with the date the Healthy and Well Kids in Iowa (HAWK-I) Application, Form 470-3526, or Form 470-4016, HAWK-I Electronic Application Summary and Signature Page, is date-stamped as being received by the third-party administrator.

**86.4(2)** *HAWK-I enrollee appears eligible for Medicaid.* At the time of the annual review, if it appears the child may be eligible for Medicaid in accordance with the provisions of rule 441—75.1(249A), with the exception of meeting a spenddown under the medically needy program at 441—subrule 75.1(35), the third-party administrator shall make a referral to the department for a determination of Medicaid eligibility as stated in subrule 86.4(1) above. However, the child shall remain eligible for the HAWK-I program pending the Medicaid eligibility determination unless the 12-month certification period expires first.

**86.4(3)** *Medicaid applicant not eligible.* If a child is not eligible for Medicaid under the provisions of rule 441—75.1(249A), with the exception of meeting a spenddown under the medically needy program at 441—subrule 75.1(35), or is voluntarily excluded from the Medicaid eligible group under the provisions of 441—75.59(249A) and meets the criteria specified at 86.2(5), the department shall make a referral to the third-party administrator for an eligibility determination under the HAWK-I program as follows:

a. The department worker shall submit an electronic referral to the HAWK-I program or complete Form 470-3563, Referral to HAWK-I, and send the form and a copy of the Medicaid notice of decision to the third-party administrator.

b. The third-party administrator shall date-stamp Form 470-3563 with the date the completed form is received.

c. The third-party administrator shall notify the family of the referral and proceed with an eligibility determination under the HAWK-I program.

d. The period for processing the referral begins with the day on which:

(1) Form 470-3563, Referral to HAWK-I, is date-stamped as received by the third-party administrator; or

(2) The third-party administrator receives the electronic referral file.

**86.4(4) Medicaid member becomes ineligible.** If a child becomes ineligible for Medicaid under the provisions of rule 441—75.1(249A), with the exception of meeting a spenddown under the medically needy program at 441—subrule 75.1(35), or is voluntarily excluded from the Medicaid eligible group under the provisions of rule 441—75.59(249A) and meets the criteria specified at subrule 86.2(5), the department shall make a referral to the third-party administrator for an eligibility determination under the HAWK-I program as follows:

*a.* The department worker shall submit an electronic referral to the HAWK-I program or complete Form 470-3563, Referral to HAWK-I, and send the form and a copy of the Medicaid notice of decision to the third-party administrator.

*b.* The third-party administrator shall:

(1) Date-stamp Form 470-3563 with the date the completed form is received;

(2) Notify the family of the referral; and

(3) Proceed with an eligibility determination under the HAWK-I program.

*c.* The period for processing the referral begins with the day on which:

(1) Form 470-3563, Referral to HAWK-I, is date-stamped as received by the third-party administrator; or

(2) The third-party administrator receives the electronic referral file.

#### **441—86.5(514I) Effective date of coverage.**

**86.5(1) Initial application.** Coverage for a child who is determined eligible for the HAWK-I program on the basis of an initial application for either HAWK-I or Medicaid shall be effective the first day of the month following the month in which the application is filed, regardless of the day of the month the application is filed, or when a plan becomes available in the applicant's county of residence. However, when the child does not meet the provisions of paragraph 86.2(4) "a," coverage shall be effective the first day of the month following the month in which health insurance coverage is lost. Also, a one-month waiting period shall be imposed for a child who is subject to a monthly premium pursuant to paragraph 86.8(2) "c" when the child's health insurance coverage ended in the month of application. EXCEPTIONS: A waiting period shall not be imposed if any of the following conditions apply:

*a.* The child is moving from Medicaid to HAWK-I.

*b.* The child has a medical condition that, without medical care, would cause serious disability, loss of function, or death.

*c.* The cost of health insurance coverage for the child exceeds 5 percent of the family's gross income. The cost of health insurance for the child shall be the difference between the premium for coverage with and without the child.

*d.* The health insurance was provided through an individual plan.

*e.* The child's health insurance coverage was lost due to:

(1) Domestic violence.

(2) Divorce or death of a parent.

(3) An involuntary loss of employment that qualified the parent for dependent coverage, including but not limited to layoff, business closure, reduction in hours, or termination.

(4) A job change to a new employer that does not offer the parent dependent coverage or that requires a waiting period before children can be enrolled in dependent coverage.

(5) Utilization of the maximum lifetime coverage amount.

(6) Expiration of coverage under COBRA.

(7) Discontinuation of dependent coverage by the parent's employer.

(8) A reason beyond the control of the parent, such as a serious illness of the parent, fire, flood, or natural disaster.

**86.5(2) Referrals from Medicaid.**

*a. Cancellation of Medicaid.* Coverage for children who are determined eligible for the HAWK-I program on the basis of a referral from Medicaid due to cancellation of Medicaid benefits shall be effective the first day of the month after Medicaid eligibility is lost, regardless of the date of the referral, in order to ensure that there is no break in coverage. However, when such a child does not meet the provisions of paragraph 86.2(4) “a,” coverage shall be effective the first day of the month following the month in which health insurance coverage is lost.

*b. Denial of Medicaid.* Coverage for children who are determined eligible for the HAWK-I program on the basis of a referral from Medicaid due to denial of Medicaid benefits shall be effective no earlier than the first day of the month following the month in which the Medicaid application was received in accordance with 441—subrule 76.1(2). However, when such a child does not meet the provisions of paragraph 86.2(4) “a,” coverage shall be effective the first day of the month following the month in which health insurance coverage is lost.

**86.5(3) Annual renewals.** Coverage for children who are determined eligible for the HAWK-I program on the basis of an annual renewal shall be effective the first day of the month following the month in which the previous enrollment period ended.

**86.5(4) Children added to an existing HAWK-I enrollment period.** Coverage for children who are determined eligible for the HAWK-I program on the basis of a request from the family to add the child to an existing enrollment period shall be effective the first day of the month following the month in which the request was made. However, if the child does not meet the provisions of paragraph 86.2(4) “a,” coverage shall be effective the first day of the month following the month in which health insurance coverage is lost unless the child is subject to a one-month waiting period in accordance with paragraph 86.2(4) “b.”

[ARC 8281B, IAB 11/18/09, effective 12/23/09; ARC 9083B, IAB 9/22/10, effective 9/1/10]

**441—86.6(514I) Selection of a plan.** At the time of initial application, if there is more than one participating health or dental plan available in the child’s county of residence, the applicant shall select the health or dental plan in which the applicant wishes to enroll as part of the eligibility process. The enrollee may change plans only at the time of the annual review unless the provisions of subrule 86.7(1) or paragraph 86.6(2) “a” apply. The applicant may designate the plan choice verbally or in writing. Form 470-3574, Selection of Plan, may be used for this purpose but is not required.

**86.6(1) Coverage in another county’s health plan.** If a child traditionally travels to another county to receive medical care, the applicant may choose to participate in the health plan available in the county in which the child receives medical care.

**86.6(2) Period of enrollment.** Once enrolled in a health or dental plan, the child shall remain enrolled in the selected health or dental plan for a period of 12 months.

*a. Exceptions.* A child may be enrolled in a plan for less than 12 months if:

(1) The child is disenrolled in accordance with the provisions of rule 441—86.7(514I). If a child is disenrolled from the health or dental plan and subsequently reapplies before the end of the original 12-month enrollment period, the child shall be enrolled in the health or dental plan from which the child was originally disenrolled unless the provisions of subrule 86.7(1) apply.

(2) The child is added to an existing enrollment. When a family requests to add an eligible child, the child shall be enrolled for the months remaining in the current enrollment period.

(3) A request to change plans is accepted in accordance with paragraphs 86.6(2) “b” and “c.”

*b. Request to change plan.* An enrollee may ask to change the health or dental plan:

(1) Within 90 days following the date the initial enrollment was sent to the health or dental plan regardless of the reason for the plan change or whether the original health or dental plan was selected by the applicant or was assigned in accordance with subrule 86.6(3).

(2) At any time for cause. “Cause” as defined in 42 CFR 438.56(d)(2) as amended to May 13, 2010, includes, but is not limited to:

1. The enrollee moves out of the plan’s service area.
2. Because of moral or religious objections, the plan does not cover the services the enrollee seeks.

3. The enrollee needs related services (for example, a cesarean section and a tubal ligation) to be performed at the same time, not all related services are available within the network, and the enrollee's primary care provider or another provider determines that receiving the services separately would subject the enrollee to unnecessary risk.

4. Other reasons including but not limited to poor quality of care, lack of access to services covered under the contract, or lack of access to providers experienced in dealing with the enrollee's health care needs.

*c. Response to request.*

(1) If the enrollee has not requested to change health or dental plans within 90 days following the date the initial enrollment was sent to the health or dental plan and it is determined that cause does not exist, the request to change plans shall be denied.

(2) All approved changes shall be made prospectively and shall be effective on the first day of the month following the month in which the request was made.

**86.6(3) *Failure to select a health or dental plan.*** When more than one health or dental plan is available, if the applicant fails to select a health or dental plan within ten working days of the written request to make a selection, the third-party administrator shall select the health or dental plan and notify the family of the enrollment. The third-party administrator shall select the plan on a rotating basis to ensure an equitable distribution between participating health and dental plans.

**86.6(4) *Child moves from the service area.*** The child may be disenrolled from the health or dental plan when the child moves to an area of the state in which the health or dental plan does not have a provider network established. If the child is disenrolled, the child shall be enrolled in a participating health or dental plan in the new location. The period of enrollment shall be the number of months remaining in the original certification period.

**86.6(5) *Change at annual review.*** If more than one health or dental plan is available at the time of the annual review of eligibility, the family may designate another plan either verbally or in writing. Form 470-3574, Selection of Plan, may be used for this purpose. The child shall remain enrolled in the current health or dental plan if the family does not notify the third-party administrator of a new health or dental plan choice by the end of the current 12-month enrollment period.

[ARC 8478B, IAB 1/13/10, effective 3/1/10; ARC 9084B, IAB 9/22/10, effective 9/1/10]

**441—86.7(514I) Cancellation.** The child's eligibility for the HAWK-I program shall be canceled before the end of the 12-month enrollment period for any of the following:

**86.7(1) *Child moves from the service area.*** Rescinded IAB 1/13/10, effective 3/1/10.

**86.7(2) *Age.*** The child shall be canceled from the HAWK-I program as of the first day of the month following the month in which the child attained the age of 19.

**86.7(3) *Nonpayment of premiums.*** The child shall be canceled from the program as of the first day of the month in which premiums are not paid in accordance with the provisions of subrules 86.8(3), 86.8(4) and 86.8(5).

**86.7(4) *Iowa residence abandoned.*** The child shall be canceled from the program as of the first day of the month following the month in which the child relocated to another state. Eligibility shall not be canceled when the child is temporarily absent from the state in accordance with the provisions of subrule 86.2(6).

**86.7(5) *Eligible for Medicaid.*** The child shall be canceled from the program as of the first day of the month following the month in which the third-party administrator is notified of Medicaid eligibility. If there are months during which the child is covered by both the Medicaid and HAWK-I programs, the HAWK-I program shall be the primary payor and Medicaid shall be the payor of last resort.

**86.7(6) *Enrolled in other health insurance coverage.*** The child shall be canceled from the program as of the first day of the month following the month in which the third-party administrator is notified that the child has other health insurance coverage. If there are months during which the child is covered by both another insurance plan and the HAWK-I program, the other insurance plan shall be the primary payor and HAWK-I shall be the payor of last resort.

**86.7(7) Admission to a nonmedical public institution.** The child shall be canceled from the program as of the first day of the month following the month in which the child enters a nonmedical public institution unless the temporary absence provisions of paragraph 86.2(3) “d” apply.

**86.7(8) Admission to an institution for mental disease.** The child shall be canceled from the program if the child is a patient in an institution for mental disease at the time of annual review.

**86.7(9) Employment with the state of Iowa.** The child shall be canceled from the HAWK-I program as of the first day of the month in which the child’s parent became eligible to participate in a health or dental plan available to state of Iowa employees.

[ARC 8478B, IAB 1/13/10, effective 3/1/10; ARC 9083B, IAB 9/22/10, effective 9/1/10]

#### **441—86.8(514I) Premiums and copayments.**

**86.8(1) Income considered.** The countable income considered in determining the premium amount shall be the family’s gross countable income minus 20 percent of the family’s earned income.

**86.8(2) Premium amount.** Except as specified for supplemental dental-only coverage in subrule 86.20(4), premiums under the HAWK-I program shall be assessed as follows:

a. No premium is charged if:

(1) The eligible child is an American Indian or Alaskan Native; or

(2) The family’s countable income is less than 150 percent of the federal poverty level for a family of the same size.

b. If the family’s countable income is equal to or exceeds 150 percent of the federal poverty level for a family of the same size but does not exceed 200 percent of the federal poverty level for a family of that size, the premium is \$10 per child per month with a \$20 monthly maximum per family.

c. If the family’s countable income is equal to or exceeds 200 percent of the federal poverty level for a family of the same size, the premium is \$20 per child per month with a \$40 monthly maximum per family.

**86.8(3) Due date.**

a. *Payment upon initial application.* “Initial application” means the first program application or a subsequent application that is not a renewal. Upon approval of an initial application, the first month for which a premium is due is the third month following the month of decision. The due date of the first premium shall be the fifth day of the second month following the month of decision.

b. *Payment upon renewal.* “Renewal” means any application used to establish ongoing eligibility, without a break in coverage, for any enrollment period subsequent to an enrollment period established by an initial application.

(1) Upon approval of a renewal, the first month for which a premium is due is the first month of the enrollment period. The premium for the first month of the enrollment period shall be due by the fifth day of the month before the month of coverage or the tenth business day following the date of decision, whichever is later.

(2) All premiums due must be paid before the child will be enrolled for coverage. When the premium is received, the third-party administrator shall notify the health and dental plans of the enrollment.

c. *Subsequent payments.* All subsequent premiums are due by the fifth day of each month for the next month’s coverage and must be postmarked no later than the last day of the month before the month of coverage. Premiums may be paid in advance (e.g., on a quarterly or semiannual basis) rather than a monthly basis.

d. *Holiday or weekend.* When the premium due date falls on a holiday or weekend, the premium shall be due on the first business day following the due date.

**86.8(4) Grace period.** A grace period shall be allowed on any monthly premium not received as prescribed in paragraph 86.8(3) “c.” The grace period shall be the coverage month for which the premium is due.

a. Failure to submit a premium by the last calendar day of the grace period shall result in disenrollment.

b. If the premium is subsequently received, coverage will be reinstated if the premium was postmarked or otherwise paid:

- (1) In the grace period, or
- (2) In the 14 calendar days following the grace period.

**86.8(5) Method of premium payment.** Premiums may be submitted in the form of cash, personal checks, electronic funds transfers (EFT), or other methods established by the third-party administrator.

**86.8(6) Failure to pay premium.** Failure to pay the premium in accordance with subrules 86.8(3) and 86.8(5) shall result in cancellation from the program unless the grace period provisions of subrule 86.8(4) apply. Once a child is canceled from the program due to nonpayment of premiums, the family must reapply for coverage.

**86.8(7) Copayment.** There shall be a \$25 copayment for each emergency room visit if the child's medical condition does not meet the definition of emergency medical condition.

EXCEPTION: A copayment shall not be imposed when family income is less than 150 percent of the federal poverty level for a family of the same size or when the child is an eligible American Indian or Alaskan Native.

**86.8(8) Unpaid premiums.** Before the child can regain coverage under the program, unpaid premiums owed for coverage received in accordance with subrule 86.8(4) within the past 24 months must be paid in full.

a. Failure to pay the unpaid premiums shall result in denial of the application. EXCEPTION: The unpaid premium obligation shall be reduced to zero if upon reapplication a premium would not be assessed because the household's income is less than 150 percent of the federal poverty level.

b. If no reapplication is filed within 24 months of failing to pay a premium, the debt shall be expunged and shall no longer be owed.

[ARC 7770B, IAB 5/20/09, effective 7/1/09; ARC 8478B, IAB 1/13/10, effective 3/1/10; ARC 9083B, IAB 9/22/10, effective 9/1/10]

**441—86.9(514I) Annual reviews of eligibility.** All eligibility factors shall be reviewed at least every 12 months to establish ongoing eligibility for the program. "Month one" shall be the first month in which coverage is provided.

**86.9(1) Review form.** The third-party administrator shall send the family Form 470-3526, Healthy and Well Kids in Iowa (HAWK-I) Application, on which the answers, except for income, have been completed based on the information on file. The family shall review the completed information for accuracy and fill in the income section of the form. The family shall be required to provide verification of current income and sign and date the form attesting to its accuracy as part of the review process.

**86.9(2) Failure to provide information.** The child shall not be enrolled for the next 12-month period if the family fails to provide information and verification of income or otherwise fails to cooperate in the annual review process. If the completed review form and any information necessary to establish continued eligibility are received within 14 calendar days of the end of an enrollment period, the review form and information shall be acted upon as though they had been received timely. If the fourteenth calendar day falls on a weekend or state holiday, the enrollee shall have until the next business day to provide the review form and any information necessary to establish continued eligibility.

**86.9(3) Change in plan.** Rescinded IAB 1/13/10, effective 3/1/10.  
[ARC 8478B, IAB 1/13/10, effective 3/1/10; ARC 8580B, IAB 3/10/10, effective 3/1/10]

**441—86.10(514I) Reporting changes.** Changes that may affect eligibility shall be reported timely to the third-party administrator. "Timely" shall mean no later than ten working days after the change occurred. "Day one" of the ten-day period shall mean the first working day following the date of the change. The parent, guardian, or other adult responsible for the child shall report the change. If the child is emancipated, married, or otherwise in an independent living situation, the child shall be responsible for reporting the change.

**86.10(1) Pregnancy.** The pregnancy of a child shall be reported when the pregnancy is diagnosed.

**86.10(2) Entry to a nonmedical public institution.** The entry of a child into a nonmedical public institution, such as a penal institution, shall be reported following entry to the institution.

**86.10(3) Iowa residence is abandoned.** The abandonment of Iowa residence shall be reported following the move from the state.

**86.10(4) Other insurance coverage.** Enrollment of the child in other health insurance coverage shall be reported.

**86.10(5) Employment with the state of Iowa.** The employment of the child's parent with the state of Iowa shall be reported.

**86.10(6) Decrease in income.** If the family reports a decrease in income, the third-party administrator shall ascertain whether the change affects the premium obligation of the family. If the change is such that the family is no longer required to pay a premium in accordance with the provisions of rule 441—86.8(514I), premiums will no longer be charged beginning with the month following the month of the report of the change.

**86.10(7) Failure to report changes.** Rescinded IAB 11/19/08, effective 1/1/09.

**86.10(8) Information reported by a third party.** Information reported by a third party shall not be acted upon until the information is verified in accordance with subrule 86.3(7).

**86.10(9) Cooperation.** The provisions of subrule 86.3(7) shall apply when a request for information or verification is made due to a change. In addition, failure of the enrollee or of the person acting on behalf of the enrollee to provide requested information or verification that may affect eligibility for the program shall result in cancellation and recoupment of all payments made by the department on behalf of the enrollee during the period in question.

**86.10(10) Effective date of change in eligibility.**

*a.* When a change in circumstances has a positive effect on eligibility, the change in eligibility shall be effective no earlier than the month following the month in which the change in circumstances was reported, regardless of when the change was reported.

*b.* When a change in circumstances has an adverse effect on eligibility, the change in eligibility shall be effective no earlier than the month following the issuance of a timely notification, in accordance with the provisions of rule 441—86.11(514I). When the change in circumstances was not reported timely, as defined in this rule, benefits shall be recouped beginning with the month following the month in which the change occurred.

*c.* When an anticipated change in circumstances is reported before the change occurs, no action shall be taken until the change actually occurs and is verified in accordance with the provisions of subrule 86.3(7).

**441—86.11(514I) Notice requirements.** The applicant shall be provided an adequate written notice of the decision of the third-party administrator regarding the applicant's eligibility for the HAWK-I program. The enrollee shall be notified in writing of any decision that adversely affects the enrollee's eligibility or the amount of benefits. The notice shall be timely and adequate as provided in 441—subrule 7.7(1).

**441—86.12(514I) Appeals and fair hearings.** If the applicant or enrollee disputes a decision by the third-party administrator to reduce, cancel or deny participation in the HAWK-I program, the applicant or enrollee may appeal the decision in accordance with 441—Chapter 7.

**441—86.13(514I) Third-party administrator.** The third-party administrator shall have the following responsibilities:

**86.13(1) Determination of eligibility.** The third-party administrator shall determine eligibility in accordance with the provisions of rule 441—86.2(514I).

**86.13(2) Dissemination of application forms and information.** The third-party administrator shall disseminate the following:

*a.* Rescinded IAB 10/17/01, effective 12/1/01.

*b.* Outreach materials, application forms, or other materials developed and produced by the department to any organization or individual making a request for the materials. If the request is

for quantities exceeding ten, the third-party administrator shall forward the request to Iowa prison industries for dissemination.

- c. Participating health and dental plan information.
- d. Other materials as specified by the department.

**86.13(3) Toll-free dedicated customer services line.** The third-party administrator shall maintain a toll-free multilingual dedicated customer service line in accordance with the requirements of the department.

**86.13(4) HAWK-I program web site.** The third-party administrator shall work in cooperation with the department to maintain a web site providing information about the HAWK-I program.

**86.13(5) Application process.** The third-party administrator shall process applications in accordance with the provisions of rule 441—86.3(514I).

a. Processing applications and mailing of approvals and denials shall be completed within ten working days of receipt of the application and all necessary information and verification unless the application cannot be processed within this period for a reason beyond the control of the third-party administrator.

b. Original verification information shall be returned to the applicant or enrollee upon completion of review.

**86.13(6) Tracking of applications.** The third-party administrator shall track and maintain applications. This includes, but is not limited to, the following procedures:

- a. Date-stamping all applications with the date of receipt.
- b. Screening applications for completeness and requesting in writing any additional information or verification necessary to establish eligibility. All information or verification of information attained shall be logged.
- c. Entering all applications received into the data system with an identifier status of pending, approved, or denied.
- d. Referring applications to the county office of the department, when appropriate, and receiving application referrals from the department.
- e. Rescinded IAB 7/9/03, effective 7/1/03.
- f. Notifying the health and dental plans when the number of enrollees who speak the same non-English language equals or exceeds 10 percent of the number of enrollees in the health or dental plan.

**86.13(7) Effective date of coverage.** The third-party administrator shall establish effective date of coverage in accordance with the provisions of rule 441—86.5(514I).

**86.13(8) Selection of health or dental plan.** The third-party administrator shall provide participating health and dental plan information to families of eligible children by telephone or mail and, if necessary, offer unbiased assistance in the selection of a health or dental plan in accordance with the provisions of rule 441—86.6(514I).

**86.13(9) Enrollment.** The third-party administrator shall notify participating health and dental plans of enrollments.

**86.13(10) Disenrollments.** The third-party administrator shall disenroll an enrollee when the enrollee's eligibility for the HAWK-I program is canceled in accordance with the provisions of rule 441—86.7(514I). The third-party administrator shall notify the participating health and dental plans when an enrollee is disenrolled.

**86.13(11) Annual reviews of eligibility.** The third-party administrator shall annually review eligibility in accordance with the provisions of rules 441—86.2(514I) and 441—86.9(514I).

**86.13(12) Acting on reported changes.** The third-party administrator shall ensure that all changes reported by the HAWK-I enrollee in accordance with rule 441—86.10(514I) are acted upon no later than ten working days from the date the change is reported.

**86.13(13) Premiums.** The third-party administrator shall:

- a. Calculate premiums in accordance with the provisions of rule 441—86.8(514I).

*b.* Collect HAWK-I premium payments. The funds shall be deposited into an interest-bearing account maintained by the department for periodic transmission of the funds and any accrued interest to the HAWK-I trust fund in accordance with state accounting procedures.

*c.* Track the status of the enrollee premium payments and provide the data to the department.

*d.* Mail a reminder notice to the family if the premium is not received by the due date.

**86.13(14) Notices to families.** The third-party administrator shall develop and provide timely and adequate approval, denial, and cancellation notices to families that clearly explain the action being taken in regard to an application or an existing enrollment. Denial and cancellation notices shall clearly explain the appeal rights of the applicant or enrollee. All notices shall be available in English and Spanish.

**86.13(15) Records.** The third-party administrator shall at a minimum maintain the following records:

*a.* All records required by the department and the department of inspections and appeals.

*b.* Records which identify transactions with or on behalf of each enrollee by social security number or other unique identifier.

*c.* Application, case and financial records.

*d.* All other records as required by the department in determining compliance with any federal or state law or rule or regulation promulgated by the United States Department of Health and Human Services or by the department.

**86.13(16) Confidentiality.** The third-party administrator shall protect and maintain the confidentiality of HAWK-I applicants and enrollees in accordance with 441—Chapter 9.

**86.13(17) Reports to the department.** The third-party administrator shall submit reports as required by the department.

**86.13(18) Systems.** The third-party administrator shall maintain data files that are compatible with the department's and the health plans' data files and shall make the system accessible to department staff. [ARC 8478B, IAB 1/13/10, effective 3/1/10]

**441—86.14(514I) Covered services.** The benefits provided under the HAWK-I program shall meet a benchmark, benchmark equivalent, or benefit plan that complies with Title XXI of the federal Social Security Act.

**86.14(1) Required medical services.** The participating health plan shall cover at a minimum the following medically necessary services:

*a.* Inpatient hospital services (including medical, surgical, intensive care unit, mental health, and substance abuse services).

*b.* Physician services (including surgical and medical, and including office visits, newborn care, well-baby and well-child care, immunizations, urgent care, specialist care, allergy testing and treatment, mental health visits, and substance abuse visits).

*c.* Outpatient hospital services (including emergency room, surgery, lab, and x-ray services and other services).

*d.* Ambulance services.

*e.* Physical therapy.

*f.* Nursing care services (including skilled nursing facility services).

*g.* Speech therapy.

*h.* Durable medical equipment.

*i.* Home health care.

*j.* Hospice services.

*k.* Prescription drugs.

*l.* Rescinded IAB 1/13/10, effective 3/1/10.

*m.* Hearing services.

*n.* Vision services (including corrective lenses).

**86.14(2) Abortion.** Payment for abortion shall only be made under the following circumstances:

a. The physician certifies that the pregnant enrollee suffers from a physical disorder, physical injury, or physical illness, including a life-endangering physical condition caused by or arising from the pregnancy itself, that would place the enrollee in danger of death unless an abortion is performed.

b. The pregnancy was the result of an act of rape or incest.

**86.14(3) Required dental services.** Participating dental plans shall cover at a minimum the following necessary dental services:

a. Diagnostic and preventive services.

b. Routine and restorative services.

c. Endodontic services.

d. Periodontal services.

e. Cast restorations.

f. Prosthetics.

[ARC 8478B, IAB 1/13/10, effective 3/1/10]

#### **441—86.15(514I) Participating health and dental plans.**

**86.15(1) Licensure.** The participating health or dental plan must:

a. Be licensed by the division of insurance of the department of commerce to provide health or dental care coverage in Iowa; or

b. Be an organized delivery system licensed by the director of public health to provide health or dental care coverage.

**86.15(2) Services.** The participating health or dental plan shall provide coverage for the services specified in rule 441—86.14(514I) to all children determined eligible by the third-party administrator.

a. The participating health or dental plan shall make services it provides to HAWK-I enrollees at least as accessible to the enrollees (in terms of timeliness, duration and scope) as those services are accessible to other commercial enrollees in the area served by the health or dental plan.

b. Participating health plans shall ensure that emergency services (inpatient and outpatient) are available for treatment of an emergency medical condition 24 hours a day, seven days a week, either through the health plan's own providers or through arrangements with other providers.

c. If a participating health or dental plan does not provide statewide coverage, the health or dental plan shall participate in every county within the region in which the health or dental plan has contracted to provide services in which it is licensed and in which a provider network has been established. Regions are specified in rule 441—86.1(514I).

**86.15(3) Premium tax.** Premiums paid to participating health and dental plans by the third-party administrator are exempt from premium tax.

**86.15(4) Provider network.** The participating health or dental plan shall establish a network of providers. Providers contracting with the participating health or dental plan shall comply with HAWK-I requirements, which shall include collecting copayments, if applicable.

**86.15(5) Identification cards.** Identification cards shall be issued by the participating health or dental plan to the enrollees for use in securing covered services.

**86.15(6) Marketing.**

a. Participating health and dental plans may not distribute directly or through an agent or independent contractor any marketing materials.

b. All marketing materials require prior approval from the department.

c. At a minimum, participating health and dental plans must provide the following material in writing or electronically:

(1) A current member handbook that fully explains the services available, how and when to obtain them, and special factors applicable to the HAWK-I enrollees. At a minimum the handbook shall include covered services, network providers, exclusions, emergency services procedures, 24-hour toll-free number for certification of services, daytime number to call for assistance, appeal procedures, enrollee rights and responsibilities, and definitions of terms.

(2) All health and dental plan literature and brochures shall be available in English and any other language when enrollment in the health or dental plan by enrollees who speak the same non-English

language equals or exceeds 10 percent of all enrollees in the health or dental plan and shall be made available to the third-party administrator for distribution.

*d.* All health and dental plan literature and brochures shall be approved by the department.

*e.* The participating health and dental plans shall not, directly or indirectly, conduct door-to-door, telephonic, or other “cold-call” marketing.

*f.* The participating health or dental plan may make marketing presentations at the discretion of the department.

**86.15(7) *Appeal process.*** The participating health or dental plan shall have a written procedure by which enrollees may appeal issues concerning the health or dental care services provided through providers contracted with the health or dental plan and which:

*a.* Is approved by the department prior to use.

*b.* Acknowledges receipt of the appeal to the enrollee.

*c.* Establishes time frames which ensure that appeals be resolved within 60 days, except for appeals which involve emergency medical conditions, which shall be resolved within time frames appropriate to the situations.

*d.* Ensures the participation of persons with authority to take corrective action.

*e.* Ensures that the decision be made by a physician, dentist, or clinical peer not previously involved in the case.

*f.* Ensures the confidentiality of the enrollee.

*g.* Ensures issuance of a written decision to the enrollee for each appeal which shall contain an adequate explanation of the action taken and the reason for the decision.

*h.* Maintains a log of the appeals which is made available to the department at its request.

*i.* Ensures that the participating health or dental plan’s written appeal procedures be provided to each newly covered enrollee.

*j.* Requires that the participating health or dental plan make quarterly reports to the department summarizing appeals and resolutions.

**86.15(8) *Appeals to the department.*** Rescinded IAB 1/13/99, effective 1/1/99.

**86.15(9) *Records and reports.*** The participating health and dental plans shall maintain records and reports as follows:

*a.* The health or dental plan shall comply with the provisions of rule 441—79.3(249A) regarding maintenance and retention of clinical and fiscal records and shall file a letter with the commissioner of insurance as described in Iowa Code section 228.7. In addition, the health or dental plan or subcontractor of the health or dental plan, as appropriate, must maintain a medical or dental records system that:

(1) Identifies each medical or dental record by HAWK-I enrollee identification number.

(2) Maintains a complete medical or dental record for each enrollee.

(3) Provides a specific medical or dental record on demand.

(4) Meets state and federal reporting requirements applicable to the HAWK-I program.

(5) Maintains the confidentiality of medical or dental records information and releases the information only in accordance with established policy below:

1. All medical and dental records of the enrollee shall be confidential and shall not be released without the written consent of the enrollee or responsible party.

2. Written consent is not required for the transmission of medical or dental records information to physicians, dentists, other practitioners, or facilities that are providing services to enrollees under a subcontract with the health or dental plan. This provision also applies to specialty providers who are retained by the health or dental plan to provide services which are infrequently used, which provide a support system service to the operation of the health or dental plan, or which are of an unusual nature. This provision is also intended to waive the need for written consent for department staff and the third-party administrator assisting in the administration of the program, reviewers from the peer review organization (PRO), monitoring authorities from the Centers for Medicare and Medicaid Services (CMS), the health or dental plan itself, and other subcontractors which require information as described under numbered paragraph “5” below.

3. Written consent is not required for the transmission of medical or dental records information to physicians, dentists, or facilities providing emergency care pursuant to paragraph 86.15(2) "b."

4. Written consent is required for the transmission of the medical or dental records information of a former enrollee to any physician or dentist not connected with the health or dental plan.

5. The extent of medical or dental records information to be released in each instance shall be based upon a test of medical or dental necessity and a "need to know" on the part of the practitioner or a facility requesting the information.

6. Medical and dental records maintained by subcontractors shall meet the requirements of this rule.

EXCEPTION: Written consent is required for the transmission of medical records relating to substance abuse, HIV, or mental health treatment in accordance with state and federal laws.

b. Each health or dental plan shall provide at a minimum reports and plan information to the third-party administrator as follows:

- (1) A list of providers of services under the plan.
- (2) Encounter data on a monthly basis as required by the department.
- (3) Other information as directed by the department.

c. Each health or dental plan shall at a minimum provide reports and health or dental plan information to the department as follows:

- (1) Information regarding the plan's appeal process.
- (2) A plan for a health improvement program.
- (3) Periodic financial, utilization and statistical reports as required by the department.
- (4) Time-specific reports which define activity for child health care, appeals and other designated activities which may, at the department's discretion, vary among plans, depending on the services covered or other differences.

(5) Other information as directed by the department.

**86.15(10) Systems.** The participating health or dental plan shall maintain data files that are compatible with the department's and third-party administrator's systems.

**86.15(11) Payment to the participating health or dental plan.**

a. In consideration for all services rendered by a health or dental plan, the health or dental plan shall receive a payment each month for each enrollee. This capitation rate represents the total obligation of the department with respect to the costs of medical or dental care and services provided to the enrollees.

b. The capitation rate shall be actuarially determined by the department July of 2000 and each fiscal year thereafter using statistics and data assumptions and relevant experience derived from similar populations.

c. The capitation rate does not include any amounts for the recoupment of losses suffered by the health or dental plan for risks assumed under the current or any previous contract. The health or dental plan accepts the rate as payment in full for the contracted services. Any savings realized by the health or dental plan due to lower utilization from a less frequent incidence of health or dental problems among the enrolled population shall be wholly retained by the health or dental plan.

d. If an enrollee has third-party coverage or a responsible party other than the HAWK-I program available for purposes of payment for medical or dental expenses, it is the right and responsibility of the health or dental plan to investigate these third-party resources and attempt to obtain payment. The health or dental plan shall retain all funds collected through third-party sources. A complete record of all income from these sources must be maintained and made available to the department.

**86.15(12) Quality assurance.** The health or dental plan shall have in effect an internal quality assurance system.

[ARC 8478B, IAB 1/13/10, effective 3/1/10]

**441—86.16(514I) Clinical advisory committee.** Members of the clinical advisory committee established in accordance with the provisions of 441—paragraph 1.10(2) "c" shall be appointed to three-year terms. Members may be appointed for more than one term. No more than one-third of the membership of the committee shall rotate off the committee in any given calendar year.

**441—86.17(514I) Use of donations to the HAWK-I program.** If an individual or other entity makes a monetary donation to the HAWK-I program, the department shall deposit the donation into the HAWK-I trust fund. The department shall track all donations separately and shall not commingle the donations with other moneys in the trust fund. The department shall report the receipt of all donations to the HAWK-I board.

**86.17(1)** If the donor specifically identifies the purpose of the donation, regardless of the amount, the donation shall be used as specified by the donor as long as the identified purpose is permissible under state and federal law.

**86.17(2)** If the donation is less than \$5,000 and the donor does not specifically identify how it is to be used, the department shall use the moneys in the following order:

- a. For the direct benefit of enrollees (e.g., premium payments).
- b. For outreach activities.
- c. For other purposes as determined by the HAWK-I board.

**86.17(3)** If the donation is more than \$5,000 and the donor does not specify how the funds are to be used, the HAWK-I board shall determine how the funds are to be used.

**441—86.18(505) Health insurance data match program.** All carriers, as defined in Iowa Code section 514C.13, shall enter into an agreement with the department to provide data necessary to allow the department to comply with the mandate of Iowa Code section 505.25. Each carrier shall either:

1. Enter into and maintain an agreement with the department on Form 470-4435, HAWK-I Data Use Agreement; or
2. Provide proof of an existing agreement with the department or the department's designee.

**441—86.19(514I) Recovery.**

**86.19(1) Definitions.**

*“Administrative error”* means an action attributed to the department or to the HAWK-I third-party administrator that results in incorrect payment of benefits, including premiums paid to a health or dental plan, due to one or more of the following circumstances:

1. Misfiled or lost form or document.
2. Error in typing or copying.
3. Computer input error.
4. Mathematical error.
5. Failure to determine eligibility correctly when all essential information was available to the HAWK-I third-party administrator.
6. Failure to request essential verification necessary to make an accurate eligibility determination.
7. Failure to make timely revision in eligibility following a change in policy requiring application of the policy change as of a specific date.
8. Failure to issue timely notice to cancel benefits that results in benefits continuing in error.
9. Failure of the department to provide correct information to the HAWK-I third-party administrator regarding a child's Medicaid eligibility.

*“Client error”* means any action or inaction attributed to the enrollee that results in incorrect payment of benefits, including premiums paid to a health or dental plan, because the enrollee or the enrollee's representative:

1. Failed to disclose information or gave a false or misleading statement, oral or written, regarding income or another eligibility factor; or
2. Failed to timely report a change as defined in rule 441—86.10(514I).

**86.19(2) Amount subject to recovery from the enrollee or representative.** The department may recover from the enrollee or the enrollee's representative the amount of premiums incorrectly paid to a health or dental plan on behalf of the enrollee due to client error, minus any premium payments made by the enrollee, in accordance with 441—Chapter 11.

a. Premiums incorrectly paid to a health or dental plan on behalf of an enrollee due to an administrative error are not subject to recovery from the enrollee.

b. Payments made by a health or dental plan to a provider of medical or dental services are not subject to recovery from the enrollee regardless of the cause of the error.

**86.19(3) Notification.** The enrollee shall be promptly notified when it is determined that funds were incorrectly paid due to a client error. Notification shall include:

- a. The name of the person for whom funds were incorrectly paid;
- b. The period during which the funds were incorrectly paid;
- c. The amount subject to recovery; and
- d. The reason for the incorrect payment.

**86.19(4) Recovery.**

a. Recovery shall be made:

(1) From the enrollee when the enrollee completed the application and had responsibility for reporting changes, or

(2) From the enrollee's representative (i.e., the parent, guardian, or other responsible person acting on behalf of an enrollee who is under the age of 19) when the representative completed the application and had responsibility for reporting changes.

b. The enrollee or representative shall repay to the department the funds incorrectly expended on behalf of the enrollee.

c. Recovery may come from income, income tax refunds, lottery winnings, or other resources of the enrollee or representative.

**86.19(5) Appeals.** The enrollee shall have the right to appeal a decision to recover benefits under the provisions of 441—Chapter 7.

[ARC 8478B, IAB 1/13/10, effective 3/1/10; ARC 8839B, IAB 6/16/10, effective 8/1/10]

#### **441—86.20(514I) Supplemental dental-only coverage.**

**86.20(1) Definition.**

“*Supplemental dental-only coverage*” means dental care coverage provided to a child who meets the eligibility requirements for the HAWK-I program except that the child is covered by health insurance through an individual or group health plan.

**86.20(2) Eligibility.** Unless otherwise specified, eligibility for supplemental dental-only coverage shall be determined in accordance with the provisions of rules 441—86.1(514I) through 441—86.12(514I), 441—86.18(514I), and 441—86.19(514I).

**86.20(3) Premiums.** Premiums for participation in the supplemental dental-only plan are assessed as follows:

a. No premium is charged to families who meet the provisions of paragraph 86.8(2) “a.”

b. If the family's gross countable income is equal to or exceeds 150 percent of the federal poverty level but does not exceed 200 percent of the federal poverty level for a family of the same size, the premium is \$5 per child per month with a \$10 monthly maximum per family.

c. If the family's gross countable income exceeds 200 percent of the federal poverty level but does not exceed 250 percent of the federal poverty level for a family of the same size, the premium is \$10 per child per month with a \$15 monthly maximum per family.

d. If the family's gross countable income exceeds 250 percent of the federal poverty level but does not exceed 300 percent of the federal poverty level for a family of the same size, the premium is \$15 per child per month with a \$20 monthly maximum per family.

e. If the family includes uninsured children who are eligible for both medical and dental coverage under HAWK-I and insured children who are eligible only for dental coverage, the premium shall be assessed as follows:

(1) The total premium shall be no more than the amount that the family would pay if all the children were eligible for both medical and dental coverage.

(2) If the family has one child eligible for both medical and dental coverage and one child eligible for dental coverage only, the premium shall be the total of the health and dental premium for one child and the dental premium for one child.

(3) If the family has two or more children eligible for both medical and dental coverage, no additional premium shall be assessed for dental-only coverage for the children who do not qualify for medical coverage under HAWK-I because they are covered by health insurance.

*f.* The provisions of subrules 86.8(3) to 86.8(6) and 86.8(8) apply to premiums specified in this subrule.

**86.20(4) *Waiting lists.*** Before the provisions of subrule 86.3(10) are implemented, all children enrolled in supplemental dental-only coverage shall be disenrolled from the program.

[ARC 8478B, IAB 1/13/10, effective 3/1/10; ARC 9083B, IAB 9/22/10, effective 9/1/10]

These rules are intended to implement Iowa Code chapter 514I as amended by 2009 Iowa Acts, Senate File 389.

CHAPTER 87  
STATE-FUNDED FAMILY PLANNING PROGRAM

PREAMBLE

This chapter defines and structures the state-funded family planning program administered by the department pursuant to 2008 Iowa Acts, chapter 1187. The purpose of this program is to provide family-planning-related services to women who are ineligible for medical assistance under 441—subrule 75.1(41). The department is not receiving federal financial participation for state expenditures under the state-funded family planning program. Therefore, this chapter shall remain in effect only as long as state funding is available.

**441—87.1(82GA,ch1187) Definitions.**

“*Applicant*” means a person who applies for medical assistance under the state-funded family planning program described in this chapter.

“*Department*” means the Iowa department of human services.

“*Family planning agency*” means any Iowa Title X family planning agency or any family planning agency that was under contract with the department for the social services block grant family planning program as of July 1, 2004.

“*Family planning services*” means pregnancy prevention and related reproductive health services.

These services shall not include abortion services.

[ARC 7544B, IAB 2/11/09, effective 1/14/09]

**441—87.2(82GA,ch1187) Eligibility.** Eligibility for the state-funded family planning program shall be determined according to the provisions of this rule.

**87.2(1) *Persons covered.*** Subject to funding as described in subrule 87.2(3), medical assistance for family planning services shall be available to a woman who:

- a. Is seeking pregnancy prevention services;
- b. Is capable of bearing children but is not pregnant;
- c. Is a resident of Iowa as defined in rule 441—75.10(249A);
- d. Has income that does not exceed 200 percent of the federal poverty level as determined according to 441—paragraph 75.1(41) “c”;
- e. Has been determined ineligible for medical assistance under 441—subrule 75.1(41) after having cooperated with the application process; and
- f. Is eligible under 441—subrule 75.1(41) except for:
  - (1) Documentation of citizenship and identity pursuant to 441—paragraph 75.11(2) “c,” “d,” or “e”;
  - (2) Enrollment in credible health insurance coverage; or
  - (3) Age.

**87.2(2) *Citizenship.*** To be eligible for state-funded family planning assistance, a woman must declare that she meets the requirements in 441—paragraph 75.11(2) “a.” A woman who claims a qualified alien status shall provide documentation of this status.

**87.2(3) *Funding contingency.*** Initial and continuing eligibility for family planning services under this program is subject to the availability of funding appropriated for this purpose.

a. When appropriated funding is exhausted, ongoing eligibility shall be terminated and new applications shall be denied.

b. When appropriated funding becomes available, applications submitted thereafter will be considered on a first-come, first-served basis, based on the date of approval.

[ARC 7544B, IAB 2/11/09, effective 1/14/09]

**441—87.3(82GA,ch1187) Application.** A woman who requests assistance for family planning services shall file an application for medical assistance as required in rule 441—76.1(249A). An application that is denied for medical assistance under 441—subrule 75.1(41) shall be considered an application for this coverage group.

**87.3(1) *Place of filing.*** An application may be filed at any family planning agency.

**87.3(2) *Time limit for decision.*** An application shall be investigated by the family planning agency with which the application was filed. A determination shall be made as defined in rule 441—76.3(249A).

**87.3(3) *Notice of decision.*** The applicant shall be notified in writing of the decision regarding the applicant's eligibility for the state-funded family planning program.  
[ARC 7544B, IAB 2/11/09, effective 1/14/09]

**441—87.4(82GA,ch1187) *Effective date.*** Subject to the availability of funding appropriated for this purpose, assistance for family planning services under this program shall be effective on the first day of the month of application or the first day of the month in which all eligibility requirements are met, whichever is later. Assistance shall not be available under this program for any months preceding the month of application.

[ARC 7544B, IAB 2/11/09, effective 1/14/09]

**441—87.5(82GA,ch1187) *Period of eligibility and reapplication.*** Eligibility for family planning services under this program shall be limited to a period of 12 months from the effective date of eligibility, or the duration of appropriated funding, whichever is less. A new application shall be required for benefits to continue beyond this date.

[ARC 7544B, IAB 2/11/09, effective 1/14/09]

**441—87.6(82GA,ch1187) *Reporting changes.***

**87.6(1) *Required report.*** A woman applying for or receiving family planning services under this program shall report to the family planning agency when she:

- a. Has a change in health insurance coverage;
- b. Is no longer a resident of Iowa;
- c. Is no longer seeking services that prevent pregnancy; or
- d. Is no longer capable of bearing children.

**87.6(2) *Timeliness.*** Reports shall be considered timely when received by the family planning agency within ten days from the date the change is known to the woman. When these changes are not timely reported, any program expenditures made in error shall be subject to recovery from the woman.

[ARC 7544B, IAB 2/11/09, effective 1/14/09]

**441—87.7(82GA,ch1187) *Allocation of funds.***

**87.7(1)** Family planning agencies that wish to participate in this program shall send a letter of application to the department's bureau of health supports:

- a. By January 15, 2009, for state fiscal year 2009; and
- b. By June 1 of the preceding state fiscal year for subsequent fiscal years.

**87.7(2)** Family planning agencies participating in the state-funded family planning program shall receive no more than a proportionate share of the available funding during any state fiscal year, based on the number of applications filed at the agencies and approved pursuant to 441—subrule 75.1(41) during the preceding state fiscal year.

**87.7(3)** If a participating agency's allocation is not spent by June 1, the department shall reallocate unspent funds in proportion to the dollar amount of claims submitted under this program by that date in the state fiscal year.

[ARC 7544B, IAB 2/11/09, effective 1/14/09]

**441—87.8(82GA,ch1187) *Availability of services.*** Family planning services are payable for a woman enrolled in this program only when care is received at or authorized by a family planning agency.

**87.8(1)** Sterilization is a covered service subject to the limitations in 441—paragraphs 78.1(16) "a" through "i."

**87.8(2)** Covered services shall not include abortion services.

[ARC 7544B, IAB 2/11/09, effective 1/14/09]

**441—87.9(82GA,ch1187) Payment of covered services.** Payment for family planning services covered under this chapter, including services authorized but not provided by a participating family planning agency, shall be made only to participating family planning agencies on a fee schedule determined by the department.

**87.9(1) Fee schedule.** The fee schedule shall include the amount of payment for each service and any limits on the service (e.g., a routine Pap smear is payable once annually).

**87.9(2) Third-party payments.** This program is the payer of last resort for services covered in this chapter. Any third-party payment received by the family planning agency or other provider of services plus any payments under this program cannot exceed the fee schedule allowance.

**87.9(3) Supplementation.** Payment made under this program shall be considered payment in full.  
[ARC 7544B, IAB 2/11/09, effective 1/14/09]

**441—87.10(82GA,ch1187) Submission of claims.** Family planning agencies that participate in the program shall submit claims to the department for services rendered no later than 45 days from the last day of the month in which services were provided.

**87.10(1)** Claims shall be submitted to the department's bureau of health supports on Form 470-4675, State Family Planning Program Claim.

**87.10(2)** Following a successful review of the claim, the department shall make payments to the family planning agency subject to the availability of funding and the allocation of available funds under rule 441—87.7(82GA,ch1187).

[ARC 7544B, IAB 2/11/09, effective 1/14/09]

These rules are intended to implement 2008 Iowa Acts, chapter 1187, section 29.

[Filed Emergency After Notice ARC 7544B (Notice ARC 7367B, IAB 11/19/08), IAB 2/11/09,  
effective 1/14/09]

CHAPTER 88  
MANAGED HEALTH CARE PROVIDERS

[Prior to 2/11/87, Human Services[498]]

PREAMBLE

This chapter contains rules governing the delivery of managed health care under the Medicaid program. These rules make provision for the following managed health care options: health maintenance organizations (HMOs), prepaid health plans (PHPs), patient management, known as Medicaid Patient Access to Service System (MediPASS), the managed care plan for the delivery of mental health and substance abuse services (Iowa Plan for Behavioral Health), and programs of all-inclusive care for the elderly (PACE). The rules cover eligibility of a provider to participate, reimbursement methodologies, record-keeping requirements, grievance procedures, and member enrollment and disenrollment procedures. Services covered or requiring authorization and member access to services are specified.

DIVISION I  
HEALTH MAINTENANCE ORGANIZATION

**441—88.1(249A) Definitions.**

*“Capitation rate”* shall mean the fee the department pays monthly to an HMO for each enrolled recipient for the provision of covered medical and health services whether or not the enrolled recipient received services during the month for which the fee is intended.

*“Contract”* shall mean a contract between the department and an HMO for the provision of medical and health services to Medicaid recipients in which the HMO assumes a risk as defined in the contract. These contracts shall meet the requirements of the Code of Federal Regulations, Title 42, Part 434 as amended to December 31, 1996.

*“Covered services”* shall mean all or a part of those medical and health services set forth in 441—Chapter 78 and covered in the contract between the department and an HMO.

*“Department”* shall mean the Iowa department of human services.

*“Emergency care”* shall mean those medical services rendered for an emergent medical condition or protection of the public health.

*“Emergent medical condition”* shall mean a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect it to result in:

1. Placing the health of the person (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy,
2. Serious impairment to bodily functions, or
3. Serious dysfunction of any bodily organ or part.

The determination of whether an emergent medical condition exists shall be decided by a medical professional and shall be based on the patient’s medical condition, including presenting symptoms and medical history (as related to severe pain) prior to treatment.

In cases where the above criteria are satisfied, no prior authorization procedures are allowed.

*“Enrolled recipient”* shall mean a Medicaid recipient who is eligible for HMO enrollment as defined at subrule 88.2(4) and has been enrolled with an HMO as defined at subrule 88.3(2) or 88.3(7).

*“Enrollment area”* shall mean the county or counties or region or regions in which an HMO is licensed to operate by the state of Iowa and in which service capability exists as defined by the department and set forth in the contract. An enrollment area shall not be less than an entire county but may be less than a region. Regions shall be established by the department and outlined in the contract with the HMO.

*“Extended-participation program”* shall mean a mandatory six-month enrollment period with a managed care entity.

*“Federally qualified HMO”* shall mean an HMO qualified under Section 1315(a) of the Public Health Service Act as determined by the U.S. Public Health Service.

*“Grievance”* shall mean an incident, complaint, or concern which cannot be resolved in a manner satisfactory to enrolled recipients by the immediate response, verbal or otherwise, of the HMO staff member receiving the complaint or any complaint received in writing.

“*Health maintenance organization (HMO)*” shall mean a public or private organization which is licensed as an HMO under commerce department rules 191—Chapter 40.

“*Managed care entity*” shall mean either a managed care organization licensed by the department of insurance (e.g., HMO or PHP) or a primary care case management program (i.e., MediPASS).

“*Managed health care*” shall mean any one of the alternative deliveries of regular fee-for-service Medicaid such as defined in subrules dealing with health maintenance organizations (HMOs), prepaid health plans (PHPs), or Medicaid Patient Access to Service System (MediPASS).

“*Managed health care review committee*” shall mean a committee composed of representatives from the department. The committee shall review and render a decision on all requests for disenrollment which are not automatically approvable.

“*Mandatory enrollment*” shall mean mandatory participation in managed health care as specified in subrule 88.3(3).

“*Mandatory project county*” shall mean a county where the department has contracts with more than one managed care entity, one of which may be primary care case management (MediPASS) in cases where the number of MediPASS providers willing to serve as patient managers is sufficient to meet the needs and makeup of the recipient population in the county, or where the department has implemented the MediPASS program alone in the county.

“*Noncovered services*” shall mean services covered under Medicaid which are not included in the HMO’s contract with the department. Payment for these services will be made under regular Medicaid procedures.

“*Participating providers*” shall mean the providers of covered medical and health services who subcontract with or who are employed by an HMO.

“*Recipient*” shall mean any person determined by the department to be eligible for Medicaid and for HMO enrollment. See subrule 88.2(4) for a list of Medicaid eligibles who are not eligible for HMO enrollment.

“*Region*” shall mean an area consisting of two or more contiguous counties, as established by the department and specified in contracts with health maintenance organizations.

“*Routine care*” shall mean medical care which is not urgent or emergent in nature and can wait for a regularly scheduled physician appointment without risk of permanent damage to the patient’s life or health status. The condition requiring routine care is not likely to substantially worsen without immediate clinical intervention.

“*Urgent care*” shall mean those medical services rendered for an urgent medical condition or protection of the public health.

“*Urgent medical condition*” shall mean a medical condition manifesting itself by acute symptoms that are of lesser severity (including severe pain) than that recognized for an emergent medical condition, such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the illness or injury to result in:

1. Placing the health of the individual (or, with respect to a pregnant woman, the health of the woman or her unborn child) in jeopardy.
2. Impairment to bodily functions, or
3. Dysfunction of any bodily organ or part.

#### **441—88.2(249A) Participation.**

**88.2(1) Contracts with HMOs.** The department shall enter into contracts for the scope of services specified in 441—Chapter 78, or a part thereof, with an HMO licensed under the provisions of commerce department rules 191—Chapter 40.

a. The department must determine that the HMO meets the following additional requirements:

(1) It shall make the services it provides to its Medicaid enrollees at least as accessible to them (in terms of timeliness, duration and scope) as those services are accessible to nonenrolled Medicaid recipients in the area served by the HMO.

(2) It shall provide satisfaction to the department against the risk of insolvency and assure that Medicaid recipients shall not be responsible for its debts if it does become insolvent. Compliance

shall exist with commerce department rules regarding deposit requirements at 191—40.12(514B) and reporting requirements at 191—40.14(514B).

(3) For any contract executed or extended to be in effect on or after July 1, 2002, an HMO must have accreditation by the National Committee on Quality Assurance (NCQA) or the Joint Commission on Accreditation of Healthcare Organizations (JCAHO).

*b.* The contract shall meet the following minimum requirements. The contract shall:

- (1) Be in writing.
- (2) Be renewable by mutual consent for a period of up to three years.
- (3) List the services covered.
- (4) Describe information access and disclosure.
- (5) List conditions for nonrenewal, termination, suspension, and modification.
- (6) Specify the method and rate of reimbursement.
- (7) Provide for disclosure of ownership and subcontractor relationship.
- (8) Be made with the licensee by the department.
- (9) Specify the enrollment area which shall be at least a county and effective July 1, 1998, a region of two or more contiguous counties.

*c.* Any protests to the award of contracts shall be in writing and submitted to the director of the department. Prior to termination or suspension of a contract, the department shall send a notice to cure to the HMO, specifying the number of days the HMO has to correct the problems. Failure to correct the problems in the time given shall then result in termination or suspension. The HMO may appeal the decision of the department in writing to the director of the department or to the federal Department of Health and Human Services, Centers for Medicare and Medicaid Services, if the appeal documents state violations of federal law or regulation.

**88.2(2) *Method of selection of HMO.*** In those counties served by a single HMO, the department shall attempt to negotiate a contract. In those counties served by two or more HMOs, the department shall initiate communication and attempt to negotiate as many contracts as are cost-effective and administratively feasible. The department reserves the right to contract with more than one HMO serving any enrollment area.

*a.* *Request for proposal.* Rescinded IAB 11/10/93, effective 11/1/93.

*b.* *Minimum contract requirements.* Rescinded IAB 11/10/93, effective 11/1/93.

**88.2(3) *Termination of contract.*** The department and an HMO may by mutual consent terminate a contract by either party giving 60 days' written notice to the other party. The department may terminate or suspend a contract if the contract is determined by the department to be inconsistent with the overall goals and objectives of the Medicaid program. The determination shall be based on factors including, but not limited to, the following:

*a.* The HMO's delivery system does not ensure Medicaid recipients adequate access to medical services.

*b.* The HMO's delivery system does not ensure the availability of all services covered under the contract.

*c.* There are not proper assurances of financial solvency on the part of the HMO.

*d.* There is not substantial compliance with all provisions of the contract.

*e.* The HMO has discriminated against persons eligible to be covered under the contract on the basis of age, race, sex, religion, national origin, creed, color, physical or mental disability, political belief, health status, or the need for health services.

**88.2(4) *Recipients eligible to enroll.*** Any Medicaid-eligible recipient is eligible to enroll in a contracting HMO except for the following:

*a.* Recipients who are medically needy as defined at 441—subrule 75.1(35).

*b.* Recipients over the age of 65 and under the age of 21 in psychiatric institutions as defined at 441—Chapter 85.

*c.* Recipients who are supplemental security income-related case members.

*d.* Rescinded IAB 10/3/01, effective 12/1/01.

- e.* Recipients whose eligibility is in the process of automatic redetermination as defined at rule 441—76.11(249A).
- f.* Recipients who are foster care and subsidized adoption-related case members.
- g.* Recipients who are Medicare beneficiaries.
- h.* Recipients who are pregnant women and who are deemed to be presumptively eligible as defined at 441—subrule 75.1(30).
- i.* Recipients who are Native American Indians or Alaskan natives.
- j.* Recipients who are receiving services from a Title V provider.

**441—88.3(249A) Enrollment.**

**88.3(1) *Enrollment area.*** Counties in an HMO enrollment area shall be designated as either voluntary or mandatory. In voluntary counties enrollment is not required but eligible recipients may choose to join the HMO. See subrule 88.3(2) for information about voluntary enrollment. In mandatory counties enrollment is required for eligible recipients. See subrule 88.3(3) for information about mandatory enrollment.

**88.3(2) *Voluntary enrollment.*** When only one HMO in any county has a contract with the department, and the county is not a mandatory project county for Medicaid Patient Management (MediPASS) under subrule 88.43(1), enrollment by Medicaid recipients in the HMO is voluntary. The state encourages recipients to enroll in an HMO. Applicants and recipients eligible for HMO enrollment as set forth in subrule 88.2(4) are offered the option of HMO enrollment. Persons who enroll with the HMO shall have the right to request disenrollment at any time as defined at subrule 88.4(3).

Applicants or recipients can designate their choices on a form designated by the managed health care contractor or in writing to or with a verbal request to the Medicaid managed health care contractor. The form shall be available through the county office, provider offices, the HMO office, the managed health care contractor, or other locations at the department's discretion. If the HMO (or any entity listed above other than the managed health care contractor) receives the form, it shall be forwarded to the managed health care contractor within three working days.

Recipients shall be accepted by the HMO in the order in which they enroll without restrictions.

Recipients who choose not to enroll in an HMO shall be covered under regular Medicaid.

**88.3(3) *Mandatory enrollment.*** Participation in managed health care, if available, is required as specified in this subrule for covered eligibles who reside in a mandatory project county. The department shall require, whenever administratively feasible, that all eligible recipients enroll with a managed care entity. Administrative feasibility is determined by whether a freedom-of-choice waiver or state plan amendment has been approved by the Centers for Medicare and Medicaid Services and whether the managed care entities demonstrate sufficient access to and quality of services.

**88.3(4) *Effective date.*** The effective date of enrollment shall be no later than the first day of the second month subsequent to the date on which the managed health care contractor receives the designated managed health care choice form or written or verbal request except as defined at 88.4(4) "b." The recipients shall be entitled to regular Medicaid until the effective date of HMO enrollment which shall always be the first day of the month. The effective date shall be earlier than the second subsequent month where computer cutoff allows.

**88.3(5) *Identification card.*** The HMO may issue an appropriate identification card to the enrollee or request the department to do it on its behalf. The identification card shall be issued so the recipient receives it prior to the effective date of enrollment.

**88.3(6) *Limitations on enrollment.*** Contracting managed care entities may specify in a contract a limit to the number of recipients who can be assigned under subrule 88.3(7). If a limit is specified, the contracting entity must still provide services to all enrolled recipients who voluntarily select enrollment in that option. If a specified limitation is reached, the remaining assignment needs in that county shall be met by the other managed care entities who are contracting with the department in that county.

**88.3(7) *Enrollment procedures.*** In mandatory enrollment counties, recipients shall be required to choose their managed care entity. When no choice is made by the recipient, the recipient shall be assigned to a contracting health maintenance organization (HMO) serving the recipient's county of residence

when an HMO is available or to a MediPASS patient manager on a rotating basis to ensure an equitable distribution between the HMO and MediPASS programs based on the number of managed health care options (MediPASS and HMOs) available in the county. In the event there is no contracting HMO serving the recipient's county of residence in a mandatory enrollment county, the recipient shall be assigned to a MediPASS patient manager.

Within the MediPASS option, recipients shall be assigned according to age appropriateness. Whenever possible, family units shall be assigned to the same provider that an enrolled family member has selected, if that provider is appropriate according to age parameters. If not, the household shall be assigned to another physician. MediPASS patient managers shall not be assigned more recipients than their self-imposed maximum or the maximum described in subrule 88.46(5), whichever is lower.

Recipients who are assigned a managed care entity as described in this subrule shall have at least ten days in which to request enrollment in a different available entity. The change is subject to provisions in subrule 88.4(2) dealing with the effective date.

*a. Timely notice.* Recipients shall be sent timely notice of the managed care entity assignment. The recipient shall have a minimum of ten days in which a change to the assigned managed care entity can be made. The notice shall include the name of the managed care entity to whom the recipient shall be assigned if the recipient does not make a different selection by the date specified in the notice. If the covered eligible does not make a selection before the due date, the recipient shall be enrolled with the managed care entity listed on the notice.

*b. Enrollment.* Enrollment in managed health care shall be discussed during the face-to-face interview with all applicants for Medicaid under covered categories of assistance in mandatory or voluntary enrollment areas. The applicant shall be shown an informational videotape and encouraged to make a selection of a managed care entity. Applicants in mandatory enrollment areas shall be informed that should the applicant become eligible for a managed health care selection, one shall be assigned. Covered eligibles who are not enrolled shall be sent a notice of their managed health care assignment when the recipient:

- (1) Attains initial eligibility for a covered category of service in a mandatory project county.
- (2) Changes from an excluded category of assistance to a covered category of assistance in a mandatory project county.
- (3) Is receiving a covered category of assistance and moves from a county where no managed health care is available or from a voluntary project county to a mandatory project county.
- (4) Reattains eligibility.
- (5) Has a new member of the household receiving a covered category of assistance.

*c. Selection of a managed health care provider.* A list of health care providers participating in managed care entities serving the county shall be available to recipients for use in selecting a provider. If the recipient wishes to request an exception to the list of available managed health care providers, the managed health care review committee shall make a determination on the exception request. While the determination is being made, the recipient's enrollment shall be placed in a pending status.

*d. Request to change enrollment.* An enrolled recipient may, within 90 days from timely notice, request to change enrollment from one managed health care provider to another or one managed care entity to another. The request may be made on a choice form designated by the department, in writing, or by telephone call to the toll-free recipient managed health care telephone line maintained by the department. Changes are subject to the provisions of subrule 88.4(2) dealing with effective date.

*e. Managed care entity extended-participation program (EPP).* After the initial 90 days from timely notice, recipients will remain enrolled with the chosen entity for the following six months, with three exceptions:

- (1) A request for disenrollment by recipient for good cause pursuant to paragraph 88.4(3) "a."
- (2) A request for disenrollment by provider for good cause pursuant to paragraph 88.4(3) "b."
- (3) Availability of a new, previously unavailable, managed care entity. In this instance recipients will be allowed to select that entity for the remainder of the current EPP period.

*f. Enrollment cycle.* Prior to the end of any EPP period, recipients shall be notified of their ability to enroll with a different managed care option. A change in enrollment or failure to change enrollment will begin a new EPP enrollment period at the end of the current EPP.

**441—88.4(249A) Disenrollment.**

**88.4(1) Disenrollment request.** Rescinded IAB 5/6/98, effective 7/1/98.

**88.4(2) Effective date.** Disenrollment will be effective no later than the first day of the second calendar month after the month in which the department receives a request for disenrollment. The recipient will remain enrolled in the HMO and the HMO will be responsible for services covered under the contract until the effective date of disenrollment which will always be the first day of a month.

**88.4(3) Disenrollment process.** The recipient may complete the form designated by the managed health care contractor which can be obtained through the locations described in subrule 88.3(2). The recipient may also make a verbal or written request through the managed health care contractor. If the HMO or any other entity described in subrule 88.3(2) receives a request to disenroll from the recipient, the request shall be forwarded to the Medicaid managed health care contractor office within three working days. If the recipient must show good cause for disenrollment or if the HMO is requesting disenrollment, the determination as to whether disenrollment shall occur shall be made by the managed health care review committee within 30 days. If the recipient or HMO disagrees with the decision of the review committee, an appeal may be filed under the provisions of 441—Chapter 7. The HMO may request disenrollment of a recipient by showing good cause and completing Form 470-2169, Managed Health Care Provider Request for Disenrollment. If the county office receives a completed Form 470-2169 from the managed health care provider, the county office shall forward the form to the managed health care review committee within three days.

*a. Request for disenrollment by the recipient.* The enrolled recipient may request disenrollment by completing a choice form designated by the managed health care contractor, in writing or by telephone call to the toll-free recipient managed health care telephone line maintained by the department at any time prior to enrollment with a managed health care entity and within the 90 days from timely notice date. After this time period, a recipient may be disenrolled for good cause when the recipient can demonstrate that services were untimely, inaccessible, of insufficient quality or inadequately provided. In a mandatory county, a disenrollment request must be accompanied by a choice for another managed health care provider.

*b. Request for disenrollment by the HMO.* With prior approval of the DHS/HMO Review Committee a recipient may be disenrolled when:

(1) There is evidence of fraud or forgery in the use of HMO services or in the application for HMO coverage.

(2) There is evidence of unauthorized use of the HMO identification card.

(3) Upon documentation that the HMO has been unable after reasonable efforts to establish or maintain a satisfactory physician-patient relationship with the recipient. Examples include, but are not limited to, repeated failure to follow a prescribed treatment plan, disruptive or abusive behavior with office or clinic staff, documented pattern of missed appointments or “drop-in” requests for service without making appointments.

**88.4(4) Disenrollments by the department.** Disenrollments will occur when:

*a.* The contract between the department and the HMO is terminated.

*b.* The recipient becomes ineligible for Medicaid. If the recipient becomes ineligible and is later reinstated to Medicaid, enrollment in the HMO will also be reinstated.

*c.* The recipient permanently moves outside the HMO’s enrollment area.

*d.* The recipient transfers to an eligibility group excluded from HMO enrollment. See definition of recipient in rule 441—88.1(249A).

*e.* The department has determined that participation in the HIPP (Health Insurance Premium Payment) program as described in rule 441—75.21(249A) is more cost-effective than enrollment in managed health care.

*f.* The department has determined that the recipient's enrollment in the recipient lock-in program, as defined in rule 441—76.9(249A), would be more cost-effective for the department.

**88.4(5)** *No disenrollment for health reasons.* No recipient will be disenrolled from an HMO because of an adverse change in health status.

**441—88.5(249A) Covered services.**

**88.5(1)** *Amount, duration, and scope of services.* Except as provided for in the contract, HMOs shall cover as a minimum all services covered by the Medicaid program as set forth in 441—Chapter 78.

*a.* The recipient shall be issued Form 470-1911, Medical Assistance Eligibility Card, and information about those services not covered by the HMO.

*b.* To the maximum extent possible, the HMO shall make enrolled recipients aware of alternate providers for services not covered by the HMO.

**88.5(2)** *Required services.*

*a.* The HMO shall cover as a minimum the following services:

- (1) Inpatient hospital services.
- (2) Outpatient hospital services.
- (3) Physician services.
- (4) Family planning services.
- (5) Home health agency services.
- (6) Early periodic screening, diagnosis and treatment for individuals under the age of 21.
- (7) Laboratory and X-ray services.
- (8) Rural health clinic services (where available).
- (9) Advanced registered nurse practitioners.
- (10) Optometric and ophthalmology services.
- (11) Clinic services.
- (12) Ambulance services.
- (13) Rescinded IAB 11/5/97, effective 1/1/98.
- (14) Other practitioner services (e.g., speech therapy, audiology, physical therapy, and occupational therapy).
- (15) Rehabilitation agencies.

*b.* HMOs shall attempt to subcontract with all local family planning clinics funded by Title X moneys and maternal and child health centers funded by Title V moneys. The attempt to contract by the HMO is expected to be a reasonable and good faith effort. The determination of whether or not a good faith effort was made shall be completed by the department.

**88.5(3)** *Excluded services.* Unless specifically included in the contract, HMOs will not be required to cover:

- a.* Long-term care (skilled nursing facilities, intermediate care facilities, residential care facilities, state hospital schools, or intermediate care facilities for the mentally retarded).
- b.* Inpatient psychiatric care provided at state-administered mental health institutes.
- c.* Services provided by the area education agencies.
- d.* Services provided at psychiatric medical institutions for children.
- e.* Dental services.
- f.* Hospice services.
- g.* Mental health services as defined in rule 441—88.65(249A).
- h.* Rescinded IAB 8/1/07, effective 9/5/07.
- i.* Psychiatric services.
- j.* Infant and toddler program services.
- k.* Local education agency services.

Reimbursement to recipients for nonemergency medical transportation as described at rule 441—78.13(249A) will not be covered by the HMO. The department will continue to reimburse as it currently does for this service.

**88.5(4) Restrictions and limitations.** If the HMO covers a type of service which is also covered under Medicaid, the HMO shall offer the same scope of procedures available under regular Medicaid as described in the provisions at 441—Chapter 78. The HMO may not impose limitations on days of service or length of stay not pertinent to regular Medicaid. The HMO may, however, require the use of certain providers, as defined in subrule 88.5(5); require preauthorization for services other than those meeting the definition of emergency, as defined in rule 441—88.1(249A); direct enrollees to the appropriate level of care for receipt of covered services; and deny payment if these enrollment requirements are not met by the enrollee. The HMO may at its discretion offer services to recipients beyond the scope of Medicaid as defined in 441—Chapter 78.

**88.5(5) Recipient use of HMO services.** A recipient enrolled in an HMO must use HMO providers of service, unless the HMO has authorized a referral to a provider outside the HMO for provision of a service or treatment plan. Payment shall be denied by the HMO on claims for services provided by non-HMO providers if the same service is covered by the HMO under its contract with the department except as provided in rule 441—88.6(249A), as allowed for by a referral to a non-HMO provider, or as an additional service permitted by subrule 88.5(4).

#### **441—88.6(249A) Emergency and urgent care services.**

**88.6(1) Availability of services.** The HMO shall ensure that emergency services are available on an emergency basis 24 hours a day, seven days a week, either through the HMO's own providers or through arrangements with other providers. In addition the HMO must provide payment to nonparticipating providers within 60 days of receipt of the bill for all contracted services furnished by providers which do not have arrangements with the HMO to provide services but were provided because they were needed immediately as defined at rule 441—88.1(249A) and in which cases the medical emergency does not permit a choice of provider.

**88.6(2) HMO payment liability.** HMO payment liability on account of injury or emergency illness is limited to emergency care as defined in rule 441—88.1(249A). If an ambulance is medically necessary to transport the recipient to follow-up treatment the HMO shall be financially liable. The HMO may require that follow-up treatment to an emergency be provided by HMO-participating providers.

If a recipient is injured or becomes ill and receives emergency services while temporarily outside the HMO's enrollment area, the HMO shall pay the facility or person who rendered the emergency care for emergency medical services and medical services, for inpatient hospital services in a general hospital as a result of the emergency, and for emergency ambulance service.

**88.6(3) Notification and claim filing time spans.** The HMO may set notification and claim filing time limitations in the event of the provision of care by nonparticipating providers. However, failure to give notice or file claims within those time limitations will not invalidate any claim if it can be shown not to have been reasonably possible to give such notice and that notice was in fact given as soon as was reasonably possible.

**88.6(4) Provision of urgent care.** If the recipient is assigned to a patient manager by the HMO, the patient manager shall arrange for urgent care within 24 hours by either providing it or referring to and authorizing another appropriate provider to provide care.

#### **441—88.7(249A) Access to service.**

**88.7(1) Choice of provider.** Recipients will have the opportunity to choose their health care professionals to the extent possible and medically appropriate from any of the HMO providers participating in the Medicaid project.

**88.7(2) Medical service delivery sites.** Medical service delivery sites must have the following specific characteristics:

- a. Be located within 30 miles of and accessible from the personal residences of enrolled recipients.
- b. Have sufficient staff resources to adequately provide the medical services contracted for by the site including physicians with privileges at one or more participating acute care hospitals.
- c. Have arrangements for services to be provided by other providers where in-house capability to serve specific medical needs does not exist.

- d. Meet the applicable standards for participating in the Medicaid program.
- e. Be in compliance with all applicable local, state, and federal standards related to the service provided as well as those for fire and safety.

**88.7(3) Adequate appointment system.** The HMO shall have procedures for the scheduling of patient appointments which are appropriate to the reason for the visit as follows:

- a. Patients with urgent symptoms shall be seen within one day of contacting their HMO provider at an HMO medical service delivery site.
- b. Patients with persistent symptoms shall be seen within 48 hours of reporting of the onset of the persistent symptoms.
- c. Patient routine visits shall be scheduled within four to six weeks of the date the patient requests the appointment.
- d. Scheduling of appointments shall be by specific time intervals and not on a block basis.

**88.7(4) Adequate after hours call-in coverage.** The HMO must have in effect the following arrangements which provide for adequate after hours call-in coverage.

- a. Twenty-four-hour-a-day phone coverage shall exist.
- b. If a physician does not respond to the initial telephone call there must be a written protocol specifying when a physician must be consulted. Calls requiring a medical decision shall be forwarded to the on-call physician and a response to each call which requires a medical decision must be provided by the physician within 30 minutes.
- c. Notations shall be made in the patient's medical record of relevant information related to an after-hours call.

**88.7(5) Adequate referral system.** The HMO must effect the following arrangements which provide for an adequate referral system:

- a. A network of referral sources for all services which are covered in the contract and not provided by the HMO directly.
- b. Procedures for the return of relevant medical information from referral sources including review of information by the referring physician, entry of information into the patient's medical record, and arrangements for periodic reports from ongoing referral arrangements.
- c. A notation for hospitalized patients in the medical record indicating the reason, date, and duration of hospitalization and entry of pertinent reports from the hospitalization and discharge planning in the medical record.

#### **441—88.8(249A) Grievance procedures.**

**88.8(1) Written procedure.** The HMO must have a written procedure by which enrolled recipients may express grievances, complaints, concerns, or recommendations, either individually or as a class and which:

- a. Is approved by the department prior to use.
- b. Acknowledges receipt of a grievance to the grievant.
- c. Sets time frames for resolution including emergency procedures which are appropriate to the nature of the grievance and which require that all grievances shall be resolved within 30 days.
- d. Ensures the participation of persons with authority to require corrective action.
- e. Includes at least one level of appeal.
- f. Ensures the confidentiality of the grievant.
- g. Ensures issuance of a departmentally approved notice of decision for each adverse action and for each decision on requests for HMO reconsideration. These notices shall contain the enrollee's appeal rights with the department and shall contain an adequate explanation of the action taken and the reason for the decision.

**88.8(2) Written record.** All grievances, including informal or verbal complaints, which must be referred or researched for resolution must be recorded in writing. A log of the grievances must be maintained and made available at the time of audit and must include progress notes and resolutions.

**88.8(3) Information concerning grievance procedures.** The HMO's written grievance procedure must be provided to each newly covered recipient not later than the effective date of coverage.

**88.8(4) Appeals to the department.** A recipient shall exhaust the established grievance procedure of the HMO before appealing the issue to the department under the provisions of 441—Chapter 7. The HMO appeal process shall not be more stringent in requirements and time frames than the department's appeal process. The HMO shall issue a written notice stating the outcome of all appeals.

**88.8(5) Periodic report to the department.** The HMO must make quarterly reports to the department summarizing grievances and resolutions as specified in the contract.

**441—88.9(249A) Records and reports.**

**88.9(1) Medical records system.** The HMO shall comply with the provisions of rule 441—79.3(249A) regarding maintenance and retention of clinical and fiscal records and shall file a letter with the commissioner of insurance as described in Iowa Code section 228.7. In addition the HMO must maintain a medical records system which:

- a. Identifies each medical record by state identification number.
- b. Identifies the location of every medical record.
- c. Places medical records in a given order and location.
- d. Provides a specific medical record on demand.
- e. Maintains the confidentiality of medical records information and releases the information only in accordance with established policy pursuant to subrule 88.9(3).
- f. Maintains inactive medical records in a specific place.
- g. Permits effective professional review in medical audit processes.
- h. Facilitates an adequate system for follow-up treatment including monitoring and follow-up of off-site referrals and inpatient stays.
- i. Meets state and federal reporting requirements applicable to HMOs.

**88.9(2) Content of individual medical record.** The HMO must have in effect arrangements which provide for an adequate medical record-keeping system which includes a complete medical record for each enrolled recipient in accordance with provisions set forth in the contract.

**88.9(3) Confidentiality of records.** HMOs must maintain the confidentiality of medical record information and release the information only in the following manner:

- a. All medical records of enrolled recipients shall be confidential and shall not be released without the written consent of the enrolled recipients or responsible party.
- b. Written consent is not required for the transmission of medical record information to physicians, other practitioners, or facilities who are providing services to enrolled recipients under a subcontract with the HMO. This provision also applies to specialty providers who are retained by the HMO to provide services which are infrequently used, provide a support system service to the operation of the HMO, or are of an unusual nature. This provision is also intended to waive the need for written consent for department staff assisting in the administration of the program, reviewers from the peer review organization (PRO), monitoring authorities from the Centers for Medicare and Medicaid Services (CMS), the HMO itself, and other subcontractors which require information as described under paragraph "e" of this subrule.
- c. Written consent is not required for the transmission of medical record information to physicians or facilities providing emergency care pursuant to rule 441—88.6(249A).
- d. Written consent is required for the transmission of the medical record information of a former enrolled recipient to any physician not connected with the HMO.
- e. The extent of medical record information to be released in each instance shall be based upon tests of medical necessity and a "need to know" on the part of the practitioner or a facility requesting the information.
- f. Medical records maintained by subcontractors must meet the requirements of this rule.

**88.9(4) Reports to the department.** Each HMO shall submit reports to the department as follows:

- a. Annual audited financial statements no later than 120 days after the close of the HMO's fiscal year or other additional terms as specified by the contract.
- b. Periodic financial, utilization, and statistical reports as required by the department under the contract.

c. Time-specific reports required by the contract which define activity for child health care, grievances, and other designated activities which may, at the department's discretion, vary among HMOs, depending on the services covered and other contractual differences.

**88.9(5) Audits.** The department or its designee and the U.S. Department of Health and Human Services (HHS) may evaluate through inspections or other means the quality, appropriateness, and timeliness of services performed by the HMO. The department or HHS may audit and inspect any records of an HMO, or the subcontractor of the HMO that pertain to services performed and the determination of amounts paid under the contract. These records will be made available at times, places, and in a manner as authorized representatives of the department, its designee or HHS may request.

**441—88.10(249A) Marketing.**

**88.10(1) General requirements.** An HMO may not distribute directly or through any agent or independent contractor any marketing materials, without the prior approval of the department, and may not distribute marketing materials that contain false or materially misleading information.

a. *Service market.* An HMO shall distribute any marketing materials to its entire service area or region.

b. *Prohibition of tie-ins.* An HMO, or any agency of the entity, may not seek to influence an individual's enrollment with the HMO in conjunction with the sale of any other insurance.

c. *Prohibiting marketing fraud.* Each HMO shall comply with the procedures and conditions the department prescribes in the contract in order to ensure that, before an individual is enrolled with the HMO, the individual is provided accurate oral and written information sufficient to make an informed decision whether or not to enroll.

d. *Prohibition of "cold-call" marketing.* HMOs shall not, directly or indirectly, conduct door-to-door, telephonic, or other "cold-call" marketing of enrollment.

**88.10(2) Marketing representatives.** Marketing representatives utilized to market Medicaid recipients must be sufficiently trained and capable of performing marketing activities within the requirements of the contract. The HMO's marketing representatives must represent the HMO in an honest and straightforward manner. In its marketing presentations the HMO must include information which ensures that the marketing representative is not mistaken for a state or county employee.

**88.10(3) Marketing presentations.** The HMO may make marketing presentations in the local offices of the department or otherwise include the department in their marketing efforts at the discretion of the department.

**88.10(4) Marketing materials.** Written material must include a marketing brochure or a member handbook that fully explains the services available, how and when to obtain them, and special factors applicable to Medicaid recipients as specified in the contract.

**441—88.11(249A) Patient education.**

**88.11(1) Health education procedures.** The HMO will have written procedures for health education designed to prepare patients for participation in and reaction to specific medical procedures and to instruct patients in self-management of medical problems and in disease prevention. This service may be provided by any health practitioner or by any other person approved by the HMO.

**88.11(2) Use of services.** The HMO will have procedures in effect to orient covered persons in the use of all services provided. This includes but is not limited to written instructions regarding appropriate use of the referral system, grievance procedure, after hours call-in system, and provisions for emergency treatment.

**88.11(3) Patient rights and responsibilities.** The HMO shall have in effect a written statement of patient rights and responsibilities which is available to patients upon request and which is sent to all new enrolled recipients. The rights of the recipient to request disenrollment shall be included.

**441—88.12(249A) Reimbursement.**

**88.12(1) Capitation rate.** In consideration for all services rendered by an HMO under a contract with the department, the HMO will receive a payment each month for each enrolled recipient. This

capitation rate represents the total obligation of the department with respect to the costs of medical care and services provided to enrolled recipients under the contract.

A portion of any increase in capitation payments may be reserved for an incentive payment to be paid based on the percentage of counties in a region included in an HMO's enrollment area. Incentive payments shall be made retroactively to the beginning of a state fiscal year if an HMO increases the percentage of counties in a region included in its enrollment area.

**88.12(2) *Determination of rate.*** The capitation rate is actuarially determined for the beginning of each new fiscal year using statistics and data about Medicaid fee-for-service expenses for HMO-covered services to a similar population during a base fiscal year. The capitation rate shall not exceed the cost to the department of providing the same services on a fee-for-service basis to an actuarially equivalent nonenrolled population group. HMOs electing to share risk with the department shall have their payment rates reduced by an amount reflecting the department's experience for high cost fee-for-service recipients.

**88.12(3) *Amounts not included in rate.*** The capitation rate does not include any amounts for the recoupment of losses suffered by the HMO for risks assumed under the contract or any previous risk contract. Any savings realized by the HMO due to the expenditure for necessary health services by the enrolled population being less than the capitation rate paid by the department will be wholly retained by the HMO.

**88.12(4) *Third-party liability.*** If an enrolled recipient has health insurance coverage or a responsible party other than the Medicaid program available for payment of medical expenses it is the right and responsibility of the HMO to investigate these third-party resources and attempt to obtain payment. The HMO will retain all funds collected for third-party resources. A complete record of all income from these sources must be maintained and made available to the department on request.

**441—88.13(249A) Quality assurance.** The HMO shall have in effect an internal quality assurance system that meets the requirements of 42 CFR 434.44 as amended to December 31, 1996, and a system of periodic medical audits meeting the requirements of 42 CFR 434.53 as amended to December 13, 1990.

**441—88.14(249A) Contracts with federally qualified health centers (FQHCs) and rural health clinics (RHCs).** In the case of services provided pursuant to a contract between an FQHC or RHC and a managed care organization, the organization shall provide payment to the FQHC or RHC that is not less than the amount of payment that it would make for the services if furnished by a provider other than an FQHC or RHC. The payment from the managed care organization to the FQHC or RHC shall be supplemented by a direct payment from the department to the FQHC or RHC to provide reimbursement at 100 percent of reasonable cost as determined by Medicare cost reimbursement principles. FQHCs and RHCs shall be required to submit Form 470-3495, Managed Care Wraparound Payment Request Form, to the Iowa Medicaid enterprise provider audits and rate-setting unit to document Medicaid encounters and differences between payments by the managed care organization and 100 percent of reasonable cost as determined by Medicare cost reimbursement principles.

**441—88.15 to 88.20** Reserved.

DIVISION II  
PREPAID HEALTH PLANS

**441—88.21(249A) Definitions.**

*"Capitation rate"* shall mean the fee the department pays monthly to a PHP for each enrolled recipient for the provision of covered medical services whether or not the enrolled recipient received services during the month for which the fee is intended.

*"Contract"* shall mean a contract between the department and a PHP for the provision of medical services to enrolled Medicaid recipients for whom the PHP assumes a risk as defined in the contract. These contracts shall meet the requirements of the Code of Federal Regulations, Title 42, Part 434 as amended to December 31, 1996.

“*Department*” shall mean the Iowa department of human services.

“*Emergency service*” shall mean those medical services rendered under unforeseen conditions which require hospitalization for the treatment of accidental injury and relief of acute pain, which, if not immediately diagnosed and treated, would result in risk of permanent danger to the patient’s health.

“*Enrollment area*” shall mean the county or counties which the PHP has capability to serve and is defined in the contract with the department. An enrollment area shall not be less than an entire county.

“*Grievance*” shall mean an incident, complaint, or concern which cannot be resolved in a manner satisfactory to enrolled recipients by the immediate response, verbal or otherwise, of the PHP staff member receiving the complaint or any complaint received in writing.

“*Managed health care*” shall mean any one of the alternative deliveries of regular, fee-for-service Medicaid such as defined in subrules dealing with health maintenance organizations (HMOs), or prepaid health plans (PHPs), or Medicaid Patient Access to Service System (MediPASS).

“*Managed health care review committee*” shall mean a committee composed of representatives from the department. The committee shall review and render a decision on all requests for disenrollment which are not automatically approvable.

“*Managed services*” shall mean all or part of those medical services set forth in 441—Chapter 78 and covered in the contract between the department and a PHP.

“*Nonmanaged services*” shall mean medical services covered under regular Medicaid, but which are not covered in the PHP’s contract with the department. Payment for nonmanaged services incurred by an enrolled recipient shall be made under regular Medicaid procedures.

“*Participating providers*” shall mean the providers of covered medical services who subcontract with or who are employed by the PHP.

“*Prepaid health plan (PHP)*” shall mean an entity defined in Section 1903(m)(2)(B)(iii) of the Social Security Act and considered to be a PHP by the department based upon criteria set forth in the Code of Federal Regulations at Title 42, Part 434.20(a)(3) as amended to March 31, 1991.

“*Recipient*” shall mean any person determined by the department to be eligible for Medicaid and for PHP enrollment. See subrule 88.22(4) for a list of Medicaid eligibles who are not eligible for PHP enrollment.

“*Routine care*” shall mean medical care which is not urgent or emergent in nature and can wait for a regularly scheduled physician appointment without risk of permanent damage to the patient’s life or health status. The condition requiring routine care is not likely to substantially worsen without immediate clinical intervention.

“*Urgent, nonemergency need*” shall mean the existence of conditions due to an illness or injury which are not life threatening but which require expeditious treatment because of the prospect of the condition worsening without immediate clinical intervention.

#### **441—88.22(249A) Participation.**

**88.22(1) Contracts with PHPs.** The department shall enter into contracts for the scope of services specified in 441—Chapter 78, or a part thereof, with a PHP which has verified to the department that the criteria set forth in the Social Security Act have been met. This verification shall be reviewed by Centers for Medicare and Medicaid Services (CMS) staff to ensure that the status of PHP is rightfully conferred.

*a.* The department shall also determine that the PHP meets the following additional requirements:

(1) The PHP shall make the services it provides to enrolled recipients at least as accessible (in terms of timeliness, duration, and scope) to them as those services are accessible to recipients in the enrollment area who are not enrolled.

(2) The PHP shall provide satisfaction to the department that insolvency is not likely to occur and that enrolled Medicaid recipients shall not be responsible for its debts if the PHP should become insolvent.

*b.* The contract shall meet the following minimum requirements. The contract shall:

(1) Be in writing.

(2) Be renewable by mutual consent for a period of up to three years.

(3) List the services covered.

- (4) Describe information access and disclosure.
- (5) List conditions for nonrenewal, termination, suspension, and modification.
- (6) Specify the method and rate of reimbursement.
- (7) Provide for disclosure of ownership and subcontractor relationship.
- (8) Be made with the licensee by the department.

c. Any protests to the award of contracts shall be in writing and submitted to the director of the department. Prior to termination or suspension of a contract, the department shall send a notice to cure to the PHP, specifying the number of days the PHP has to correct the problems. Failure to correct the problems in the time given shall then result in termination or suspension. The PHP may appeal the decision of the department in writing to the director of the department or to the federal Department of Health and Human Services, Centers for Medicare and Medicaid Services, if the appeal documents state violations of federal law or regulation.

**88.22(2) Method of selection of PHP.** In counties served by a single prospective PHP, the department shall attempt to negotiate directly with the PHP. In counties where two or more prospective PHPs exist, the department shall initiate communication and attempt to negotiate as many contracts as are administratively feasible.

**88.22(3) Termination of contract.** Either party may, by mutual consent, terminate a contract. Either party may give 60 days written notice to the other party. The effective date of termination must be the first day of a month. The department may terminate or suspend a contract if the contract is determined by the department to be inconsistent with the overall goals and objectives of the Medicaid program. The determination shall be based upon, but not limited to, the following:

- a. The PHP's delivery system does not ensure enrolled recipients adequate access to medical services.
- b. The PHP's delivery system does not ensure the availability of all services covered under the contract.
- c. There are not proper assurances of solvency on the part of the PHP.
- d. There is not substantial compliance with all provisions of the contract.
- e. The PHP has discriminated against persons eligible to be covered under the contract on the basis of age, race, sex, religion, national origin, creed, color, physical or mental disability, political belief, health status, or the need for health services.

**88.22(4) Recipients eligible to enroll.** Any Medicaid-eligible recipient is eligible to enroll in a contracting PHP except for the following:

- a. Recipients who are medically needy as defined at 441—subrule 75.1(35).
- b. Recipients over the age of 65 and under the age of 21 in psychiatric institutions as defined at 441—Chapter 85.
- c. Recipients who are supplemental security income-related case members.
- d. Rescinded IAB 10/3/01, effective 12/1/01.
- e. Recipients whose eligibility is in the process of automatic redetermination as defined at rule 441—76.11(249A).
- f. Recipients who are foster care and subsidized adoption-related case members.
- g. Recipients who are Medicare beneficiaries.
- h. Recipients who are pregnant women and who are deemed to be presumptively eligible as defined at 441—subrule 75.1(30).
- i. Recipients who are Native American Indians or Alaskan natives.
- j. Recipients who are receiving services from a Title V provider.

**441—88.23(249A) Enrollment.**

**88.23(1) Enrollment area.** Counties in a PHP enrollment area shall be designated as voluntary or mandatory. In voluntary counties, enrollment is not required but eligible recipients may choose to join the PHP. Recipients not excluded in rule 441—88.21(249A) may volunteer to enroll in the PHP. In mandatory counties, enrollment in managed health care is required for eligible recipients.

**88.23(2) Voluntary enrollment.** When only one managed health care option is providing service in a county, enrollment by recipients is voluntary. The department encourages recipients to enroll in a managed health care option. Applicants and recipients are offered the option of managed health care enrollment or regular Medicaid coverage. Applicants and recipients who do not choose one option or the other shall be assigned to a managed health care provider as defined in subrule 88.23(6). These persons shall have the right to request disenrollment at any time as defined in subrule 88.24(3).

Applicants or recipients may designate their choices of providers on a form designated by the managed health care contractor or in writing to or through a verbal request to the managed health care contractor. The form shall be available through the county office, the PHP office, provider offices, the managed health care contractor, or other locations at the department's discretion. If the PHP (or any entity listed above other than the managed health care contractor) receives the form, it shall be forwarded to the managed health care contractor within three working days.

Recipients shall be accepted by the PHP as they are enrolled by the department unless a maximum limit has been specified in the contract.

Recipients who choose not to enroll in a PHP shall be covered under regular Medicaid.

**88.23(3) Mandatory enrollment.** In a county where the department has a contract with more than one PHP, HMO, or other managed health care provider, the department shall require whenever it is administratively feasible that all eligible recipients enroll with a managed health care provider of their own choosing. Administrative feasibility is determined by whether the managed health care providers have the capacity to adequately serve all potential enrolled recipients. Recipients may enroll by completing the choice form designated by the managed health care contractor, in writing to or through verbal request to the managed health care offices. Recipients may also contact the managed health care contractor by the publicized toll-free telephone number for enrollment assistance.

**88.23(4) Effective date.** The effective date of enrollment shall be no later than the first day of the second month subsequent to the date on which the managed health care contractor receives the form designated by the managed health care contractor.

**88.23(5) Identification card.** The PHP may issue an appropriate identification card to the enrolled recipient or request the department to do so on its behalf. The identification card shall be issued so that the recipient receives it prior to the effective date of enrollment.

**88.23(6) Assignment methodology.** When no choice is made, the recipient shall be systematically assigned to, between, or among the contracting managed health care providers.

*a. Notification.* Recipients who are assigned to a managed health care provider shall receive notification of the assignment and the name of the provider in a timely fashion prior to the effective date of enrollment.

*b. Limitations.* Contracting providers may specify in the contract a limit to the number of recipients who can be assigned under this subrule. If a specified limitation is attained, the remaining assignment needs in that county shall be met by the other managed health care providers who are contracting with the department in that county.

*c. Household member enrollment.* Inasmuch as persons within a household are allowed to make individual decisions about choosing enrollment in managed health care, it is possible that a case may exist where some household members have made a choice and some have not (so that assignment is required). In these instances, a systematic search of household member choices regarding managed health care option shall be completed. Assignment of those who have made no choice shall be made whenever possible to the managed health care provider with whom the first household member is already enrolled.

*d. Assigned recipients who desire another choice.* Recipients who are assigned to a managed health care provider as described in this subrule shall have at least 30 days in which to request enrollment in a different available managed health care plan. The change of plan is subject to provisions in subrules 88.23(4) and 88.24(2) dealing with effective date.

#### **441—88.24(249A) Disenrollment.**

**88.24(1) Disenrollment request.** An enrolled recipient may request disenrollment at any time. In voluntary counties, this request shall be approved and acted upon within ten days of receipt without

requiring the recipient to demonstrate good cause. In mandatory counties as defined at subrule 88.23(3), the disenrollment shall not be acted upon by the health care contractor unless the request includes an alternate choice of managed health care.

**88.24(2) *Effective date.*** Disenrollment will be effective no later than the first day of the second calendar month after the month in which the department receives a request for disenrollment. The recipient will remain enrolled in the PHP and the PHP will be responsible for services covered under the contract until the effective date of disenrollment which will always be the first day of a month.

**88.24(3) *Disenrollment process.*** If the recipient is requesting disenrollment, the recipient shall complete the choice form designated by the managed health care contractor which can be obtained through the PHP, the county office, or the managed health care contractor. If the PHP receives a request from the recipient, the PHP shall forward the form to the managed health care contractor within three working days. If the recipient must show good cause for disenrollment, the determination as to whether disenrollment shall occur shall be made by the managed health care review committee within 30 days. If the recipient or the PHP disagrees with the decision of the review committee, an appeal may be filed under the provisions of 441—Chapter 7. If the PHP is requesting disenrollment, the PHP shall complete Form 470-2169, Managed Health Care Provider Request for Disenrollment. If the county office receives a completed Form 470-2169 from the managed health care provider, the county office shall forward the form to the managed health care review committee within three working days.

*a. Request for disenrollment by the recipient.* In voluntary counties, the request shall be approved and acted upon within ten days of receipt by the managed health care contractor. In mandatory counties, a request for disenrollment shall be denied unless a choice of another managed health care provider is requested simultaneously or good cause can be demonstrated to the review committee. Examples of good cause include services received which were untimely, inaccessible, of insufficient quality, or inadequately provided by all of the contracting managed health care providers in the recipient's county of residence. If the recipient has not experienced the above conditions in all the other available managed health care programs, enrollment in one of the alternative managed health care programs shall be a condition of approving disenrollment.

*b. Request for disenrollment by the PHP.* With prior approval of the managed health care review committee, a request for disenrollment of an enrolled recipient may be approved when:

- (1) There is evidence of fraud or forgery in the use of PHP services or in the choice for PHP services.
- (2) There is evidence of unauthorized use of the PHP identification card.
- (3) Upon documentation, the PHP has been unable after reasonable efforts to establish or maintain a satisfactory physician-patient relationship with the recipient.

**88.24(4) *Disenrollments by the department.*** Disenrollments will occur when:

- a.* The contract between the department and the PHP is terminated.
- b.* The recipient becomes ineligible for Medicaid. If the recipient becomes ineligible and is later reinstated to Medicaid, enrollment in the PHP will also be reinstated.
- c.* The recipient permanently moves outside the PHP's enrollment area.
- d.* The recipient transfers to an eligibility group excluded from PHP enrollment. See definition of recipient in rule 441—88.21(249A).
- e.* The department has determined that participation in the HIPP (Health Insurance Premium Payment) program as described in rule 441—75.21(249A) is more cost-effective than enrollment in managed health care.

**88.24(5) *No disenrollment for health reasons.*** No recipient shall be disenrolled from a PHP because of an adverse change in health status.

#### **441—88.25(249A) Covered services.**

**88.25(1) *Amount, duration, and scope of services.*** Except as provided for in the contract, PHPs shall cover as a minimum all services covered by the Medicaid program as set forth in 441—Chapter 78.

**88.25(2) *Mandatory services.***

*a.* Although the contract may specify additional services covered (with the exception of those defined in 88.25(3)), the PHP shall cover as a minimum the following services:

- (1) Inpatient hospital services.
- (2) Outpatient hospital services.
- (3) Physician services.
- (4) Family planning services.
- (5) Home health agency services.
- (6) Laboratory and X-ray services.
- (7) Early periodic screening, diagnosis and treatment for persons under age 21.
- (8) Rural health clinic services (where available).
- (9) Advanced registered nurse practitioners.

b. PHPs shall attempt to subcontract with all local family planning clinics funded by Title X moneys and all maternal and child health centers funded by Title V moneys.

c. According to the Consolidated Omnibus Budget Reconciliation Act of 1985, Public Law 99-272, recipients enrolled in managed health care options (including PHPs) may seek family planning services anywhere without referral, even if they are minors. The PHP must pay any claims submitted by a provider of family planning services when the service has been provided to a recipient in a month for which a capitation rate has been paid on the recipient's behalf to the PHP by the department.

**88.25(3) Excluded services.** Unless specifically included in the contract, PHPs will not be required to cover long-term care (skilled nursing facilities, intermediate care facilities, residential care facilities, state resource centers, or intermediate care facilities for the mentally retarded), inpatient psychiatric care provided at the state-administered mental health institutes, services provided by the area education agencies, services provided at specialized adolescent psychiatric facilities, day treatment and partial hospitalization services for persons aged 20 or under, or the enhanced services provided to certain eligible recipients. Reimbursement to recipients for nonemergency medical transportation as described at rule 441—78.13(249A) will not be covered by the PHP; the department will continue to reimburse through its fee-for-service methodology for this service.

**88.25(4) Restrictions and limitations.** If the PHP covers a type of service which is also covered under Medicaid, the PHP may not impose any restrictions or limitations on that service more stringent than those applicable in Medicaid according to the provisions at 441—Chapter 78. The PHP may, at its discretion, offer services to its enrolled recipients beyond the scope of Medicaid as defined at 441—Chapter 78.

**88.25(5) Recipient use of PHP services.** An enrolled recipient must utilize PHP participating providers of service. No payment by the PHP will be made for services provided by non-PHP providers if the same type of service is available through the PHP under its contract with the department except as provided in subrule 88.25(2) "c," and rule 441—88.26(249A).

#### **441—88.26(249A) Emergency services.**

**88.26(1) Availability of services.** The PHP will ensure that the services of a primary care physician are available on an emergency basis 24 hours a day, seven days a week, either through the PHP's own providers or through arrangements with other providers. In addition, the PHP must provide payment to nonparticipating providers within 60 days of receipt of the bill for all contracted services furnished by providers which do not have contractual arrangements with the PHP to provide services but which were needed immediately because of an injury or illness and in which case the illness or injury did not permit a choice of provider.

**88.26(2) PHP payment liability.** PHP payment liability on account of injury or emergency illness is limited to emergency care required before the recipient can, without medically harmful consequences, return to the enrollment area or to the care of a provider with whom the PHP has arrangements to provide services. If an ambulance is necessary to transport the recipient to follow-up treatment, the PHP shall be financially liable. Benefits for continuing the follow-up treatment are provided only in the PHP's enrollment area.

If an enrolled recipient is injured or becomes ill and receives emergency services outside the PHP's enrollment area, the PHP shall pay the facility or person who provided the emergency care for emergency

medical services and medical services, for inpatient hospital services in a general hospital as a result of the emergency, and for emergency ambulance service.

**88.26(3) Notification and claim filing time span.** The PHP may set notification and claim filing time limitations in the event of the provision of care by nonparticipating providers. However, failure to give notice or to file claims within those time limitations will not invalidate any claim if it can be shown that it was not reasonably possible to give the notice and that notice was, in fact, given as soon as was reasonably possible.

**441—88.27(249A) Access to service.**

**88.27(1) Choice of provider.** Recipients will have the opportunity to choose their health care professionals to the extent possible and medically appropriate from any of the PHP providers participating in the Medicaid contract.

**88.27(2) Medical service delivery sites.** Medical service delivery sites shall have the following specific characteristics:

*a.* Be located within 30 miles of and be accessible from the personal residences of enrolled recipients.

*b.* Have sufficient staff resources to adequately provide the medical services for which the contract is in effect including physicians with privileges at one or more acute care hospitals.

*c.* Have arrangements for services to be provided by other providers where in-house capability to serve specific medical needs does not exist.

*d.* Meet the applicable standards for participating in the Medicaid program.

*e.* Be in compliance with all applicable local, state, and federal standards related to the service provided as well as those for fire and safety.

**88.27(3) Adequate appointment system.** The PHP shall have procedures for the scheduling of patient appointments which are appropriate to the reason for the visit as follows:

*a.* Patients with urgent nonemergency needs shall be seen within one hour of presentation at a PHP medical service delivery site.

*b.* Patients with persistent symptoms shall be seen within 48 hours of reporting of the onset of the persistent symptoms.

*c.* Patient routine visits shall be scheduled within four to six weeks of the date the patient requests the appointment.

*d.* Scheduling of appointments shall be by specific time intervals and not on a block basis.

**88.27(4) Adequate after hours call-in coverage.** The PHP must have in effect the following arrangements which provide for adequate after hours call-in coverage:

*a.* Twenty-four-hour-a-day telephone coverage shall exist.

*b.* If a physician does not respond to the initial telephone call, there must be a written protocol specifying when a physician must be consulted. Calls requiring a medical decision shall be forwarded to the on-call physician and a response to each call which requires a medical decision must be provided within 30 minutes.

*c.* Notations shall be made in the patient's medical record of relevant information related to an after-hours call.

**88.27(5) Adequate referral system.** The PHP must effect the following arrangements which provide for an adequate referral system:

*a.* A network of referral sources for all services which are covered in the contract, but not directly provided by the PHP.

*b.* Procedures for the return of relevant medical information from referral sources including review of information by the referring physicians, entry of information into the patient's medical record, and arrangements for periodic reports from ongoing referral arrangements.

*c.* A notation in the medical record for hospitals' patients indicating the reason, date, and duration of hospitalization and entry of pertinent reports from the hospitalization and discharge planning in the medical record.

**441—88.28(249A) Grievance procedures.**

**88.28(1) *Written procedure.*** The PHP must have a written procedure by which enrolled recipients may express grievances, complaints, or recommendations, either individually or as a class and which:

- a. Is approved by the department prior to use.
- b. Acknowledges receipt of a grievance to the grievant.
- c. Sets time frames for resolution including emergency procedures which are appropriate to the nature of the grievance and which require that all grievances shall be resolved within 30 days.
- d. Ensures the participation of persons with authority to require corrective action.
- e. Includes at least one level of appeal.
- f. Ensures the confidentiality of the grievant.

**88.28(2) *Written record.*** All grievances, including all informal or verbal complaints, which must be referred or researched for resolution must be recorded in writing. A log of the grievances must be retained and made available at the time of audit and must include progress notes and method of resolution.

**88.28(3) *Information concerning grievance procedures.*** The PHP's written grievance procedure must be provided to each newly enrolled recipient not later than the effective date of coverage.

**88.28(4) *Appeals to the department.*** A recipient who has exhausted the grievance procedure of the PHP may appeal the issue to the department under the provisions of 441—Chapter 7. Instances where the substance of the grievance relates to department policy shall be appealed directly to the department.

**88.28(5) *Periodic report to the department.*** The PHP shall make quarterly reports to the department summarizing grievances and resolutions as specified in the contract.

**441—88.29(249A) Records and reports.**

**88.29(1) *Medical records system.*** The PHP shall comply with the provisions of rule 441—79.3(249A) regarding maintenance and retention of clinical and fiscal records and, in addition, the PHP must maintain a medical record system which:

- a. Identifies each medical record by the departmentally assigned state identification number.
- b. Identifies the location of every medical record.
- c. Places medical records in a given order and location.
- d. Provides a specific medical record on demand.
- e. Maintains the confidentiality of medical records information and releases the information only in accordance with established policy pursuant to subrule 88.29(3).
- f. Maintains inactive medical records in a specific place.
- g. Permits effective professional review in medical audit processes.
- h. Facilitates an adequate system for follow-up treatment including monitoring and follow-up of off-site referrals and inpatient stays.
- i. Meets state and federal reporting requirements applicable to PHPs.

**88.29(2) *Content of individual medical record.*** The PHP must have in effect arrangements which provide for an adequate medical record-keeping system which includes a complete medical record for each enrolled recipient in accordance with provisions set forth in the contract.

**88.29(3) *Confidentiality of records.*** PHPs must maintain the confidentiality of medical record information and release the information only in the following manner:

- a. All medical records of enrolled recipients shall be confidential and shall not be released without the written consent of the enrolled recipients or the responsible party acting on behalf of the enrolled recipient.
- b. Written consent is not required for the transmission of medical record information to physicians, other practitioners, or facilities which are providing services to enrolled recipients under a subcontract with the PHP. This provision also applies to specialty providers who are retained by the PHP to provide services which are infrequently used or are of an unusual nature.
- c. Written consent is not required for the transmission of medical record information to physicians or facilities providing emergency care pursuant to rule 441—89.26(249A).
- d. Written consent is required for the transmission of medical record information of a former enrolled recipient to any medical provider not connected with the PHP.

*e.* The extent of medical record information to be released in each instance shall be based upon tests of medical necessity and a “need to know” on the part of the practitioner or facility requesting the information.

*f.* Medical records maintained by subcontracting providers must meet the requirements of this rule.

**88.29(4) Reports to the department.** Each PHP shall submit reports to the department as follows:

*a.* Annual audited financial statements no later than 120 days after the close of the PHP’s fiscal year.

*b.* Periodic financial, utilization, and statistical reports as required by the department under the contract.

**88.29(5) Audits.** The department or its designee and the U.S. Department of Health and Human Services (HHS) may evaluate through inspections or other means, the quality, appropriateness, and timeliness of services performed by the PHP. The department or HHS may audit and inspect any records of a PHP, or the subcontractors of a PHP, which pertain to services performed and the determination of amounts paid under the contract. These records will be made available at times, places, and in a manner as authorized representatives of the department, its designee, or HHS may request.

#### **441—88.30(249A) Marketing.**

**88.30(1) Marketing procedures.** All marketing plans, procedures, and materials used by the PHP must be approved in writing by the department prior to use. Random door-to-door marketing of low-income families or the offering of financial incentives will not be approved.

**88.30(2) Marketing representatives.** Marketing representatives utilized to market Medicaid recipients must be sufficiently trained and capable of performing marketing activities within the requirements of the contract. The PHP’s marketing representatives must represent the PHP in an honest and straightforward manner. In its marketing presentations, the PHP must include information which ensures that the representative is not mistaken for a department employee. Marketing presentations which intentionally belittle or maliciously downplay the benefit package, services, or providers of another participating managed health care option will not be approved.

**88.30(3) Marketing presentations.** The PHP may make marketing presentations in the local office(s) of the department or otherwise include the department in marketing efforts at the discretion of the department.

**88.30(4) Marketing materials.** Written material must include a marketing brochure or a member handbook which fully explains the services available, how and when to obtain them, and special factors applicable to enrolled recipients as specified in the contract.

#### **441—88.31(249A) Patient education.**

**88.31(1) Use of services.** The PHP shall have procedures in effect to orient enrolled recipients in the use of services the PHP is contracting to provide. This includes what to do if the recipient requires medical care while out of the enrollment area, a 24-hour-a-day telephone number, appropriate use of the referral system, grievance procedures, and how emergency treatment is to be provided.

**88.31(2) Patient rights and responsibilities.** The PHP shall have in effect a written statement of patient rights and responsibilities which is available upon request as well as issued to all new enrolled recipients. This statement may be part of an informational brochure provided to all new enrollees. The right of the enrolled recipient to request disenrollment must be included.

#### **441—88.32(249A) Payment to the PHP.**

**88.32(1) Capitation rate.** In consideration for all services rendered by a PHP under a contract with the department, the PHP will receive a payment each month for each enrolled recipient. This capitation rate represents the total obligation of the department with respect to the costs of medical care and services provided to enrolled recipients under the contract.

**88.32(2) Determination of rate.** The capitation rate is actuarially determined by the department for the beginning of the new fiscal year using statistics and data about Medicaid fee-for-service expenses for

PHP-covered services to a similar population during the preceding fiscal year. (For example, fiscal year 1990 rates are predicted with fiscal year 1988 dates of service for Medicaid fee-for-service expenditures.) The capitation rate may not exceed the cost to the department of providing the same services on a fee-for-service basis to an actuarially equivalent nonenrolled population group. A 1 percent incentive will be available to PHPs who contract to cover all services except those specified in subrule 88.25(3). PHPs electing to share risk with the department will have their payment rates reduced by an amount reflecting the department's experience for high cost fee-for-service recipients.

**88.32(3) Amounts not included in rate.** The capitation rate does not include any amounts for the recoupment of losses suffered by the PHP for risks assumed under the current or any previous contract. The PHP accepts the rate as payment in full for the contracted services. Any savings realized by the PHP due to lower utilization from a less frequent incidence of health problems among the enrolled population shall be wholly retained by the PHP.

**88.32(4) Third-party liability.** If an enrolled recipient has health coverage or a responsible party other than the Medicaid program available for purposes of payment for medical expenses, it is the right and responsibility of the PHP to investigate these third-party resources and attempt to obtain payment. The PHP shall retain all funds collected through third-party sources. A complete record of all income from these sources must be maintained and made available to the department.

**441—88.33(249A) Quality assurance.** The PHP shall have in effect an internal quality assurance system that meets the requirements of 42 CFR 434.44 as amended to December 31, 1996, and a system of periodic medical audits meeting the requirements of 42 CFR 434.53 as amended to December 13, 1990.

**441—88.34 to 88.40** Reserved.

DIVISION III  
MEDICAID PATIENT MANAGEMENT

**441—88.41(249A) Definitions.**

*“Contract”* shall mean a contract between the department and a Medicaid-participating provider or clinic as specified in rule 441—88.44(249A) and subrule 88.45(1) for the purpose of providing patient management to enrolled recipients.

*“Covered eligibles”* shall mean those groups of Medicaid-eligible recipients specified in subrule 88.42(1) who are eligible to receive services under patient management.

*“Department”* shall mean the Iowa department of human services.

*“Designee”* shall mean an organization designated by the department of human services to act on behalf of the department in the administration of Medicaid managed health care.

*“Eligible providers”* shall mean those providers specified in rule 441—88.44(249A) and subrule 88.45(1) with whom the department may contract to be patient managers.

*“Emergency care”* shall mean those medical services rendered for an emergent medical condition or protection of the public health.

*“Emergent medical condition”* shall mean a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect it to result in:

1. Placing the health of the individual (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy,
2. Serious impairment to bodily functions, or
3. Serious dysfunction of any bodily organ or part.

The determination of whether an emergent medical condition exists shall be decided by a medical professional and shall be based on the patient's medical condition including presenting symptoms and medical history (as related to severe pain) prior to treatment.

In cases where the above criteria are satisfied, no prior authorization procedures are allowed.

*“Enrolled recipient”* shall mean a covered eligible who has been enrolled with a patient manager according to procedures set forth in rule 441—88.46(249A).

*“Extended-participation program”* shall mean mandatory six-month enrollment period with a managed care entity.

*“Grievance”* shall mean a complaint expressed verbally or in writing by an enrolled recipient or provider relative to services under patient management. A grievance at the informal level is one which can be resolved by short-term intervention on the part of the department or its designee via the toll-free managed health care telephone line or through informational correspondence. A formal grievance is one which must be taken to another level for quality of care or policy determination.

*“Managed care entity”* shall mean either a managed care organization licensed by the department of insurance (e.g., HMO or PHP) or a primary care case management program (i.e., MediPASS).

*“Managed health care”* shall mean any of the options for alternative delivery of Medicaid services that provides coordinated delivery of health care. The current options offered by the department are Medicaid patient management, known as MediPASS, health maintenance organization (HMO) enrollment and prepaid health plan (PHP) enrollment.

*“Managed health care review committee”* shall mean a committee composed of representatives from the department and its designee. The committee shall review and render decisions on all requests for disenrollment from managed health care that are not automatically approvable, all requests for exception to eligible provider provisions, and other exceptions to managed health care procedures.

*“Mandatory enrollment”* shall mean a mandatory participation in managed health care as specified in subrule 88.46(1).

*“Mandatory project county”* shall mean a county where the department has contracts with more than one managed care entity, one of which may be primary care case management (MediPASS) in cases where the number of MediPASS providers willing to serve as patient managers is sufficient to meet the needs and makeup of the recipient population in the county, or where the department has implemented the MediPASS program alone in the county.

*“Managed services”* shall mean services as specified in subrule 88.48(1) that require preauthorization from the patient manager in order to be payable by Medicaid.

*“Medical service area”* means a geographic area within which recipients must reside in order to enroll in the managed health care MediPASS option.

*“MediPASS”* shall mean Medicaid patient access to service system and shall be the acronym used to identify the Medicaid patient management program.

*“Nonmanaged services”* shall mean services as specified in subrule 88.48(2) that do not require authorization by the patient manager in order to be payable by Medicaid.

*“Patient management”* shall mean the provision of services to enrolled recipients by a patient manager in accordance with the contract.

*“Patient manager”* shall mean an eligible provider who has signed a contract with the department to perform patient management for enrolled recipients.

*“Urgent care”* shall mean those medical services rendered for an urgent medical condition or protection of the public health.

*“Urgent medical condition”* shall mean a medical condition manifesting itself by acute symptoms that are of lesser severity (including severe pain) than that recognized for an emergent medical condition, such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the illness or injury to result in:

1. Placing the health of the individual (or, with respect to a pregnant woman, the health of the woman or her unborn child) in jeopardy,
2. Impairment to bodily functions, or
3. Dysfunction of any bodily organ or part.

If the recipient is assigned to a patient manager (e.g., MediPASS or HMO), the patient manager shall arrange for necessary care within 24 hours by either providing it or referring and authorizing another appropriate provider to provide care.

**441—88.42(249A) Eligible recipients.**

**88.42(1) *Included categories of assistance.*** All categories of Medicaid-eligible recipients except those specified as excluded in subrule 88.42(2) are required to participate in Medicaid managed health care if they reside in a mandatory project county as described in subrule 88.43(1). Recipients who reside in a voluntary project county as described in subrule 88.43(2) may participate if they so choose.

A choice to enroll in any other form of Medicaid managed health care available in the recipient's county of residence shall fulfill the requirements to participate in mandatory project counties.

**88.42(2) *Excluded categories of assistance.*** The following categories of Medicaid-eligible recipients shall not be allowed to participate in Medicaid patient management in either mandatory or voluntary project counties:

- a. Medically needy recipients as defined in 441—subrule 75.1(35).
- b. Recipients over age 65 and under age 21 in psychiatric institutions as defined in 441—Chapter 85.
- c. Recipients who are supplemental security income-related case members.
- d. Rescinded IAB 10/3/01, effective 12/1/01.
- e. Automatic redetermination recipients as defined in rule 441—76.11(249A).
- f. Recipients who are foster care and subsidized adoption-related case members.
- g. Recipients who are Medicare beneficiaries.
- h. Pregnant women who are determined presumptively eligible in accordance with provisions in 441—subrule 75.1(30).
- i. Recipients who are Native American Indians or Alaskan natives.
- j. Recipients who are receiving services from a Title V provider.

**441—88.43(249A) Project area.**

**88.43(1) *Designation as a mandatory project county.*** The department shall designate mandatory enrollment counties included in the project. In order for a county to be considered a mandatory project county, the number of MediPASS providers willing to serve as patient managers shall be sufficient to meet the needs of the size and makeup of the recipient population in the county, and the county shall be included in the department's freedom of choice waiver from the Centers for Medicare and Medicaid Services.

**88.43(2) *Voluntary project counties.*** The department shall designate voluntary enrollment counties included in the project. A county may be voluntary where provider participation is not sufficient to be designated mandatory but providers may choose to participate on a voluntary enrollment basis.

**88.43(3) *Expansion to other counties.*** Rescinded IAB 11/10/93, effective 11/1/93.

**441—88.44(249A) Eligible providers.**

**88.44(1) *Specialties allowed.*** Providers shall be allowed to contract with the department to provide patient management to enrolled recipients as long as the provider:

- a. Is a licensed doctor of medicine or osteopathy or an advanced registered nurse practitioner licensed pursuant to Iowa Code chapter 152 and possessing evidence of certification pursuant to board of nursing rules under 655—Chapter 7 in a specialty area listed in paragraph 88.44(1)“d.”
- b. Is otherwise eligible to enroll as an Iowa Medicaid provider.
- c. Is a provider in good standing with the Medicaid agency as defined in subrule 88.45(1).
- d. Is practicing in one of the following specialties in the medical services area:
  - (1) Family practice.
  - (2) General practice.
  - (3) Pediatrics.
  - (4) Internal medicine.
  - (5) Obstetrics and gynecology.

**88.44(2) *Clinic or group practice participation.*** A provider may participate as an individual practitioner or as a partner or employee of a clinic or group practice. The clinic or group shall be the contractor. Federally qualified health centers and rural health clinics that employ providers in the

specialties specified in subrule 88.44(1) may contract. However, each provider participating within the clinic, group, federally qualified health center, or rural health clinic shall sign and be bound by the terms of the clinic or group contract as if the provider was in individual practice.

**88.44(3) Exceptions.** Other providers licensed as doctors of medicine or osteopathy or as advanced registered nurse practitioners may request exception to subrule 88.44(1) for specific individual patients in accordance with the procedures set forth in this subrule.

*a.* If the request is being made in order to allow a different type of specialist to be a patient manager, or to allow a provider practicing outside the recipient's medical service area to serve the recipient, the provider shall make a written request to the department.

(1) The request shall identify the provider by name, address, telephone number, specialty, and Medicaid provider number, indicating the practice location, or date of application to be a Medicaid provider. The request shall specify the members in question and state agreement to provide primary care and patient management as specified in subrule 88.45(2) to those members.

(2) If the request comes initially from the recipients as specified in paragraph 88.46(2) "c," the department shall contact the provider in question to offer the provider the opportunity to request the exception.

*b.* Rescinded IAB 11/10/93, effective 11/1/93.

*c.* Rescinded IAB 11/10/93, effective 11/1/93.

*d.* The managed health care review committee shall consider the request and respond within ten working days of receipt of the request. If the request is approved, a contract will be forwarded to the physician and procedures for contracting with a physician as specified in rule 441—88.45(249A) shall be followed.

*e.* The following factors shall be taken into account when considering the physician's request:

- (1) Mutual agreement between physician and patient regarding the arrangement.
- (2) Existence of an already established physician-patient relationship.
- (3) Transportation barriers, if requesting a patient manager outside the medical service area.
- (4) Customary practice by the specialist to provide primary care.
- (5) A new medical condition which necessitates the proposed physician-patient relationship.

**441—88.45(249A) Contracting for the provision of patient management.**

**88.45(1) Eligibility to contract.** Only Medicaid-participating providers and clinics in good standing shall be eligible to contract with the department to provide patient management.

**88.45(2) Contract provisions.** The department shall enter into a contract arrangement with all providers who are eligible as specified in rule 441—88.44(249A) and who wish to provide patient management. Form 470-2615, Agreement for Participation as a Primary Care Physician Patient Manager in the Medicaid Patient Access to Service System, shall be the form designated as the contract. At a minimum, the contract shall include provisions as follows:

*a.* The patient manager shall provide managed health care to enrolled recipients by providing primary health care and providing or referring the patient appropriately and authorizing payment for all other care covered under the program as specified in subrule 88.48(1). The patient manager is also responsible for monitoring and coordinating all covered care.

*b.* The patient manager shall provide or arrange for 24-hour-per-day, seven-day-per-week provider availability to enrolled recipients.

*c.* The patient manager shall maintain records that at a minimum:

(1) Identify the patient as a patient management recipient.

(2) Document all authorizations for medical services provided by other providers and the extent of those authorizations.

(3) Contain the name, state identification number, age, sex and address of the patient.

(4) Document services provided and where and by whom they are provided.

(5) Contain medical diagnosis, treatment, therapy and drugs prescribed or administered.

(6) Contain the name of the person making the entry and the date of the contact.

d. The patient manager shall review and take action upon periodic utilization review reports, according to instructions that the department will provide each patient manager.

e. The department shall specify the fees and method of payment to patient managers.

f. The department shall specify the manner in which providers shall be notified of the recipients enrolled with them.

**88.45(3) *Contract compliance.*** The department shall put into place procedures for the monitoring of contract compliance on the part of patient managers to ensure appropriate access to adequate quality care. Those procedures may include, but are not limited to, on-site review of medical records by appropriate professional medical personnel and review of utilization patterns of participating patient managers. The procedures shall also include establishment of a grievance procedure defined in rule 441—88.49(249A).

**88.45(4) *Corrective action and sanctions.*** The department shall establish procedures for corrective action and sanctions when monitoring activities reveal possible contract noncompliance.

**88.45(5) *Termination of contract.*** The contract may be terminated in any of the following ways:

a. The patient manager may terminate the contract or a clinic may remove a provider from a clinic contract by providing the department with written notice of the desire to terminate the contract 60 days in advance of the desired date of termination in order to allow the department or its designee time to disenroll and reenroll the MediPASS patients with other patient managers.

(1) In no situation shall the provider stop providing patient management or primary care to the patient until the patient can be reenrolled with another provider except as specified in subrule 88.48(4).

(2) Failure to provide the specified period of notice or failure to continue providing patient management or primary care before the reenrollment shall result in forfeiture of all remaining patient management fees that would otherwise have been due the patient manager.

b. The department may terminate the contract with the patient manager with 60 days' advance notice for any of the following reasons:

(1) The department has imposed any sanction described at 441—subrule 79.2(3).

(2) Recommendations of contract termination made in accordance with the procedures described in rule 441—88.51(249A), after opportunity for corrective action has been unsuccessful or rejected by the patient manager in question.

Sixty days' advance notice is not required for situations described in subrule 88.48(4).

c. Any patient manager who has had a contract terminated by the department shall have the right to appeal the termination as provided in 441—Chapter 7.

#### **441—88.46(249A) Enrollment and changes in enrollment.**

**88.46(1) *Mandatory enrollment.*** Participation in managed health care, if available, is required for covered eligibles as specified in subrule 88.42(1) who reside in a mandatory project county. The department shall require, whenever administratively feasible, that all eligible recipients enroll with a managed care entity. Administrative feasibility is determined by whether a freedom-of-choice waiver or state plan amendment has been approved by the Centers for Medicare and Medicaid Services and whether the managed care entities demonstrate sufficient access to and quality of services.

**88.46(2) *Enrollment procedures.*** In mandatory enrollment counties, recipients shall be required to choose their managed health care provider. When no choice is made by the recipient, the recipient will be assigned to a contracting health maintenance organization (HMO) serving the recipient's county of residence when an HMO is available or to a MediPASS patient manager on a rotating basis to ensure an equitable distribution between the HMO and MediPASS programs based on the number of managed health care options (MediPASS and HMOs) available in the county. In the event there is no contracting HMO serving the recipient's county of residence in a mandatory enrollment county, the recipient shall be assigned to a MediPASS patient manager.

Within the MediPASS option, recipients shall be assigned according to age appropriateness. Whenever possible, family units shall be assigned to the same provider that an enrolled family member has selected, if that provider is appropriate according to age parameters. MediPass patient managers shall not be assigned more recipients than their self-imposed maximum or the maximum described in subrule 88.46(5), whichever is lower.

Recipients who are assigned a managed care entity as described in this subrule shall have at least ten days in which to request enrollment in a different available entity. The change is subject to provisions in subrule 88.46(4) dealing with the effective date.

*a. Timely notice.* Recipients shall be sent timely notice of the managed health care assignment. The recipient shall have a minimum of ten days in which a change to the assigned managed care entity can be made. The notice shall include the name of the managed care entity to whom the recipient shall be assigned if the recipient does not make a different selection by the date specified in the notice. If the covered eligible does not make a selection before the due date, the recipient shall be enrolled with the managed care entity listed on the notice.

*b. Enrollment.* Enrollment in managed health care shall be discussed during the face-to-face interview with all applicants for Medicaid under covered categories of assistance in mandatory or voluntary enrollment areas. The applicant shall be shown an informational videotape and encouraged to make a selection of a managed care entity. Applicants in mandatory enrollment areas shall be informed that should the applicant become eligible for a managed health care selection, one shall be assigned. Covered eligibles who are not enrolled shall be sent a notice of their managed health care assignment when the recipient:

- (1) Attains initial eligibility for a covered category of service in a mandatory project county.
- (2) Changes from an excluded category of assistance to a covered category of assistance in a mandatory project county.
- (3) Is receiving a covered category of assistance and moves from a county where no managed health care is available or voluntary project county to a mandatory project county.
- (4) Reattains eligibility.
- (5) Has a new member of the household receiving a covered category of assistance.

If the covered eligible in a mandatory project county does not make another selection before the due date specified in the notice, the covered eligible shall be enrolled with the managed health care provider listed on the notice.

*c. Selection of a managed health care provider.* A list of managed health care providers participating in managed care entities serving the county shall be available to recipients for use in selecting a provider. If the recipient wishes to request an exception to the list of available managed health care providers as described in subrule 88.44(3), the managed health care review committee shall make a determination on the exception request. While the determination is being made, the recipient's enrollment shall be placed in a pending status.

*d.* Rescinded IAB 5/7/97, effective 7/1/97.

*e. Request to change enrollment.* An enrolled recipient may, within 90 days from timely notice, request to change enrollment from one managed health care provider to another or one managed care entity to another. The request shall be made on a choice form designated by the department, in writing, or by telephone call to the toll-free recipient managed health care telephone line maintained by the department. Changes are subject to the provisions of subrule 88.46(3) dealing with effective date.

*f. Managed care entity extended-participation program (EPP).* After the initial 90 days from timely notice, recipients will remain enrolled with the chosen provider for the following six months, with three exceptions:

- (1) A request for disenrollment by recipient for good cause pursuant to paragraph 88.4(3) "a."
- (2) A request for disenrollment by provider for good cause pursuant to paragraph 88.4(3) "b."
- (3) Availability of a new, previously unavailable, managed care entity. In this instance recipients will be allowed to select that entity for the remainder of the current EPP period.

*g. Enrollment cycle.* Prior to the end of any extended-participation program (EPP) period, recipients will be notified of their ability to enroll with a different managed care option. A change in enrollment or failure to change enrollment will begin a new EPP enrollment period at the end of the current EPP.

**88.46(3) Voluntary enrollment procedures.** Voluntary enrollment procedures shall be the same guidelines as mandatory enrollment procedures except:

- a.* Recipients shall not be informed at the face-to-face interview that enrollment is required.

- b. Notice to recipient shall not include assignment language.
- c. Recipients shall not be assigned if no selection is made voluntarily.
- d. A managed health care provider must be available for enrollment.

**88.46(4) Effective date.** Enrollment or changes in enrollment shall always be effective on the first day of a month. The effective date of enrollment shall be no later than the first day of the second month subsequent to the date the department or its designee receives a choice as specified in subrules 88.46(1) and 88.46(2) or the deadline given a recipient to indicate the recipient's managed health care choice, whichever is applicable. The effective date shall be earlier where computer cutoff allows.

**88.46(5) Identification card.** The department shall issue Form 470-1911, Medical Assistance Eligibility Card, to all enrolled recipients.

Providers of medical services shall access the department's eligibility verification system (ELVS) via telephone or access the department's secure Web site at the time of service in order to establish that the patient is Medicaid-eligible and whether the services being provided require the authorization of the patient manager.

**88.46(6) Enrollment limits.**

a. Unless one or more of the following special situations exist, enrollment shall be limited to 1500 enrollees per full-time patient manager with an additional 300 enrollees allowed for each full-time nurse practitioner or physician's assistant employed by the MediPASS provider or clinic:

(1) The provider treats a disproportionate share of Medicaid patients in the provider's current practice.

(2) A special group practice arrangement exists with a demonstrated ability to manage a large number of enrollees.

(3) Other exceptional situations may be considered as special demonstration projects on a case-by-case basis.

b. Patient managers wishing to receive consideration for one of these special situations must make a request for consideration in writing to the department and provide sufficient documentation that they fit one or more of the special situations.

c. Providers or clinics may set a lower self-imposed maximum number of enrollees at the time they sign the initial contract and may revise that number by notifying the department or its designee in writing.

(1) If the patient manager decreases the patient manager's own maximum to a number below which the patient manager currently has enrolled, the patient manager must continue to serve those recipients until normal disenrollments put the provider below the provider's new maximum.

(2) No minimum number of enrollees shall be required.

**88.46(7) Reinstatement of patient management status.** When an enrolled recipient loses Medicaid eligibility and is subsequently reinstated before the effective date of cancellation, the enrollment in patient management will also be reinstated.

**441—88.47(249A) Disenrollment.**

**88.47(1) Disenrollment request.** An enrolled recipient may be disenrolled from a patient manager in one of three ways:

a. The enrolled recipient may request disenrollment by completing a choice form designated by the department, in writing, or by telephone call to the toll-free recipient managed health care telephone line maintained by the department at any time prior to enrollment with a managed health care entity and within the 90 days from the date of the enrollment notice. After this time period, a recipient may be disenrolled for good cause when the recipient can demonstrate that services were untimely, inaccessible, of insufficient quality, or inadequately provided. If the recipient is a covered eligible specified in subrule 88.42(1) as a mandatory participant, the recipient's disenrollment request shall not be approved until another patient manager or managed health care option is chosen.

b. The patient manager may request that an enrolled recipient be disenrolled by completing Form 470-2169, Managed Health Care Provider Request for Recipient Disenrollment.

(1) Disenrollment may be approved for good cause, such as but not limited to inability after reasonable effort to establish or maintain a satisfactory provider-patient relationship with the recipient. Documentation of the reason for disenrollment shall be included with or attached to the disenrollment request.

(2) The department shall respond within 30 days as to whether the disenrollment request is approved.

(3) If the request is approved, the patient manager shall continue to serve a mandatory recipient until the recipient can be enrolled with another patient manager or another managed health care option. In no case shall that time exceed 60 days from the date of receipt of the form.

*c.* The department may disenroll an enrolled recipient in the following situations:

(1) The contract with the patient manager is terminated.

(2) The patient manager dies, retires or leaves the medical service area.

(3) The recipient loses Medicaid eligibility. If the recipient regains eligibility as specified in subrule 88.46(7), the enrollment to patient management will be automatically reinstated.

(4) The recipient moves to a nonproject county.

(5) The recipient's eligibility changes to a category of assistance as specified in subrule 88.42(2) that is excluded from participation in patient management.

(6) The department has determined that participation in the HIPP (Health Insurance Premium Payment) program as described in rule 441—75.21(249A) is more cost-effective than enrollment in managed health care.

(7) The department has determined that the recipient's enrollment in the recipient lock-in program, as defined in 441—Chapter 76, would be more cost-effective for the department.

The department shall request that recipients whose participation is mandatory as specified in subrule 88.42(1) select a new patient manager or other managed health care option if disenrollment is for reasons listed in 88.47(1) "c" (1) or (2). If the recipient does not make the selection the recipient will be assigned a new patient manager by the department.

**88.47(2) *Effective date.*** Disenrollment shall always be effective on the first day of a month. The effective date of disenrollment shall be no later than the first day of the second month subsequent to the date the department or its designee receives an enrollment change request as specified in subrule 88.47(1) or the date the department approves a disenrollment request from a physician or the date the department becomes aware of an event which causes the department to disenroll an enrolled recipient, whichever is applicable. The effective date shall be earlier whenever possible.

#### **441—88.48(249A) Services.**

**88.48(1) *Managed services.*** Provision of the following services by any provider other than the patient manager requires authorization from the patient manager in order to be payable by Medicaid except that mental health and substance abuse services for all managed health care recipients are provided under the Iowa Plan program and do not require authorization (see rule 441—88.61(249A)):

*a.* Inpatient hospital.

*b.* Outpatient hospital.

*c.* Home health.

*d.* Physician (except services provided by an ophthalmologist).

*e.* Clinic (rural health clinic, federally qualified health center, maternal health center, ambulatory surgical center, birthing center).

*f.* Laboratory, X-ray.

*g.* Medical supplies.

*h.* Physical therapy, audiology, rehabilitation agency, advanced registered nurse practitioner.

*i.* Rescinded IAB 11/5/97, effective 1/1/98.

*j.* Podiatric.

These services require authorization even if the need for the service is considered urgent. However, in case of urgent medical conditions, the patient manager shall arrange for necessary care within 24 hours by either providing it or referring to and authorizing another appropriate provider to provide care.

**88.48(2) *Nonmanaged services.*** Provision of any services not listed in subrule 88.48(1) does not require authorization from the patient manager in order to be payable by Medicaid.

**88.48(3) *Authorizing managed services.*** The patient manager may make referrals to another provider for specialty care or for primary care during the patient manager's absence or nonavailability.

*a.* No special authorization or referral form is required, and referrals should occur in accordance with accepted practice in the medical community. To ensure that payment is made for properly authorized services, the patient manager shall provide the specialist or other provider with the patient manager's Medicaid provider number (the national provider identifier number or Iowa-specific provider identifier number), which must be entered on the billing form to signify that the service has been authorized.

*b.* After the patient manager's initial referral of a patient to a specialist for ongoing treatment, the specialist shall not be required to receive further specific authorizations for the duration of the illness, or at the discretion of the patient manager, for a period of time specified by the patient manager.

*c.* The referral shall include necessary services rendered by the specialist and referrals for related services made by the specialist. With the patient manager's approval, the patient manager's number may be relayed by the referred specialist to other providers considered necessary for proper treatment of the patient. All authorizations and referrals shall be documented by both the patient manager and the referred-to provider in the patient's medical record.

*d.* Emergency services are excluded from the authorization requirement, even though these services may be ones customarily requiring authorization under patient management. Urgent care requires authorization in order for Medicaid services to be paid. The unauthorized use of a patient manager's authorization number shall be considered to be a false or fraudulent claim submission and may subject the provider to recoupment or to sanctions described at 441—subrule 79.2(3).

**88.48(4) *Special authorizations.*** Special authorization for the provision of managed services shall be given to providers by the department in situations such as, but not limited to, the death of the enrolled recipient's patient manager, the patient manager has left medical practice, moved from the medical service area or has been removed as a Medicaid provider and the department has not yet been able to establish a new patient manager or other managed health care option for the recipient. The procedure for obtaining this special authorization shall be specified in the provider handbook. The special authorization procedures shall only be used until the department is able to enroll the recipient with another patient manager or managed health care option. Additionally, special authorizations may be given when contracting patient managers fail to comply with contract provisions such as, but not limited to, failure to maintain 24-hour access as specified in subrule 88.45(2), paragraph "b."

**441—88.49(249A) *Grievance procedure.*** The department shall establish a procedure whereby enrolled recipients or providers may express complaints or concerns either verbally or in writing specific to managed health care services.

**88.49(1) *Written record.*** The department or its designee shall maintain a written record of all grievances. A log shall be maintained that includes the date of the grievance, member name and state identification number, provider name and national provider identifier number or Iowa-specific provider identifier number, nature of complaint, resolution and date of resolution.

**88.49(2) *Formal grievance resolution and response.*** The department or its designee shall record the facts involved in all grievances. Pertinent facts shall be obtained, as necessary and appropriate, from interviews with involved parties, on-site visits and consultation with professional medical consultants or an education and review committee. The department or its designee shall respond to all grievances within 15 working days of receipt. The response shall be in writing and copies shall be provided to the recipient, the provider and to the department's patient manager file. Appeal rights shall be included in the response.

**88.49(3) *Repeated grievances.*** Providers or recipients who file repeated grievances, or providers or recipients against whom repeated grievances are filed, will be reviewed in-depth and a possible on-site visit will be made to resolve any misunderstandings as to patient management policies and procedures.

**88.49(4) *Quality of care grievances.*** In grievances involving quality of care, the case shall be referred to appropriate persons or agencies, including the board of medicine, for investigation.

**88.49(5) Information concerning grievance procedures.** The department grievance procedure shall be published on appropriate forms and brochures for the information of recipients and in provider handbooks for the information of patient managers and other providers.

**88.49(6) Appeals to the department.** A recipient who has exhausted the formal grievance procedure may appeal the issue to the department under the provisions of 441—Chapter 7.

**441—88.50(249A) Payment.**

**88.50(1) Fee.** Patient managers shall be paid a monthly fee of \$2 per enrolled recipient for the provision of patient management, including referrals. Payment for other services rendered shall be reimbursed in accordance with rules governing Medicaid payment. Providers such as federally qualified health centers who are reimbursed on a 100 percent of cost basis are not eligible to receive patient management fees separate from other reimbursement.

**88.50(2) Basis for payment.** Payment shall be based on the number of recipients enrolled with the patient manager as of automated benefit calculation system cutoff day in the month for which payment is being calculated.

**88.50(3) Mode of payment.** The provider shall be paid individually unless a clinic or group practice elects to receive payment for all providers participating under the clinic or group contract. The same mode of payment must be used for both patient management and regular Medicaid claims.

**88.50(4) Payment limit.** Payment shall be limited to \$3000 per month per patient manager no matter how many recipients are enrolled with the patient manager.

**441—88.51(249A) Utilization review and quality assessment.** Patient managers shall be monitored to ensure that recipients are able to access quality care and that utilization patterns and costs fall within acceptable standards. If overutilization or underutilization is apparent or quality of management service is inadequate, efforts shall be made to determine the reason and resolve problems, as necessary.

**88.51(1) Measured services.** Cost and units of service data will be reviewed for selected categories of service. This data shall be used to monitor overall utilization patterns and compare peer utilization patterns.

**88.51(2) Reports to patient managers.** Utilization information shall be provided on a periodic basis to patient managers to enable them to review their own utilization patterns and to review utilization by their enrollees. Patient managers will be responsible for reporting any discrepancies detected in this information to the department. The patient manager will be responsible for attempting to correct utilization behavior of recipients who appear from utilization reports to be inappropriate utilizers of medical services.

**88.51(3) Managed health care advisory committee.** Participating managed health care providers will be invited to assist the department or its agent in establishing and assessing goals of the state's Medicaid managed health care program. The department shall form a managed health care advisory committee made up of persons deemed appropriate by the department to review, advise and plan managed care goals with the department. Members may include representatives of MediPASS providers, HMO providers, FQHC providers, RHC providers, association representatives, and other public agencies as deemed appropriate by the department. The committee's functions may include, but are not limited to, the following:

*a.* Assist the department in developing procedures and parameters for utilization review and conduct further review of the utilization of patient managers whose pattern of utilization falls outside established parameters.

*b.* Assist the department in establishing options for managed health care quality assessment.

*c.* Assist the department in reviewing and making recommendations for action on quality of service-related grievances under the grievance procedure outlined in rule 441—88.49(249A).

*d.* Assist the department in developing corrective action steps and recommendations for managed health care providers who have identifiable utilization or quality of management service deficiencies.

*e.* Assist the department in developing standards and procedures for managed health care providers to use in performing review functions.

*f.* Prepare or provide educational or informative articles to be used for patient education and health promotion.

**441—88.52(249A) Marketing.** A MediPASS provider may not distribute directly or through any agent or independent contractor marketing materials without the prior approval of the department, and may not distribute marketing materials that contain false or materially misleading information.

**88.52(1) Service market.** A MediPASS provider shall distribute any marketing materials to the entire service area or region.

**88.52(2) Prohibition of “cold-call” marketing.** MediPASS providers shall not, directly or indirectly, conduct door-to-door, telephonic, or other “cold-call” marketing of enrollment.

**441—88.53 to 88.60** Reserved.

DIVISION IV  
IOWA PLAN FOR BEHAVIORAL HEALTH

**441—88.61(249A) Definitions.**

“*Accredited*” shall mean an entity approved by the division of mental health and disability services of the department to provide mental health services.

“*Appeal*” shall mean the process defined in 441—Chapter 7 by which a Medicaid member, or the member’s designee, may request review of a certain decision made by the department or the contractor.

“*ASAM-PPC-2R*” shall mean the American Society of Addiction Medicine Patient Placement Criteria for the Treatment of Substance Related Disorders, Second Edition Revised, published by the American Society of Addiction Medicine in 2001.

“*Assertive community treatment (ACT) program*” shall mean a program of comprehensive outpatient services provided in the community directed toward the amelioration of symptoms and the rehabilitation of behavioral, functional, and social deficits of persons with severe and persistent mental disorders and persons with complex symptomatology who require multiple mental health and supportive services to live in the community.

“*Capitation rate*” shall mean the fee the department pays monthly to the contractor for each enrolled Medicaid member for the provision of covered, required, and optional services, whether or not the enrollee received services during the month for which the fee is paid.

“*Certification*” shall mean the process of determining that a facility, equipment or an individual meets the requirements of federal or state law.

“*Clinical decision review*” shall mean the process by which enrollees and participating and nonparticipating providers may request a review by the contractor of a decision made by an employee of the contractor regarding the prior authorization, denial, or payment for services.

“*Contract*” shall mean the contract between the department and the entity or entities selected by the department to implement the Iowa Plan. Contract sections related to Medicaid-funded services shall be interpreted to meet the requirements of the Code of Federal Regulations, Title 42, Part 434 as amended to December 31, 1996. The department of public health also shall be party to the contracts in relationship to the provision of substance abuse services to non-Medicaid persons served through the Iowa Plan.

“*Contractor*” shall mean each entity with whom the department contracts to provide covered, required and optional services for those members enrolled in the Iowa Plan.

“*Coverage group*” shall mean a category of members who meet certain common eligibility requirements.

“*Covered services*” shall mean mental health and substance abuse treatment services reimbursable based on provisions of the Medicaid state plan and paid through the fee-for-service payment system administered by the Iowa Medicaid enterprise.

“*Department*” shall mean the Iowa department of human services acting in cooperation with the department of public health for governance of the contract.

“*Designee*” shall mean an organization, person, or group of persons designated by the director to act on behalf of the department in the review or evaluation of services provided through the Iowa Plan.

“*Director*” shall mean the director of the Iowa department of human services.

“*Disenrollment*” shall mean the removal of an enrollee from the contractor’s enrollment list either through loss of eligibility or some other cause.

“*Emergency services*” shall mean those services required to meet the needs of an enrollee who is experiencing an acute crisis of a level of severity requiring immediate treatment where a failure to treat could result in death, injury, or lasting harm to the enrollee or serious danger to others.

“*Encounter data*” shall mean information reflecting a face-to-face meeting or other billable service furnished by a provider to a person served through the Iowa Plan. Medicaid encounter data must be submitted by the contractor to the department in an electronic format specified by the department.

“*Enrollee*” shall mean any Medicaid member who is enrolled in the Iowa Plan in accordance with the provisions of the contract.

“*Enrollment*” shall mean the inclusion of a Medicaid member on a contractor’s Medicaid enrollment file.

“*Enrollment area*” shall mean the geographical area in which the enrollees that are assigned by the department to the contractor reside.

“*Fee-for-service*” shall mean the method of making payment for Medicaid services reimbursable under the Medicaid state plan in which reimbursement is based on fees set by the department for defined services. Payment of the fee is based upon delivery of the defined services and is done through the Iowa Medicaid enterprise.

“*Grievance*” shall mean a nonclinical incident, nonclinical complaint, or nonclinical concern which is received verbally and which cannot be resolved in a manner satisfactory to enrollees or participating or nonparticipating providers by the immediate response of the contractor’s staff member or a nonclinical incident, nonclinical complaint, or nonclinical concern which is received in writing.

“*Insolvency*” shall mean a financial condition that exists when an entity is unable to pay its debts as they become due in the usual course of business, or when the liabilities of the entity exceed its assets.

“*Integrated mental health services and supports*” shall mean individualized mental health services and supports planned jointly by the contractor, the enrollee, and others significant to the enrollee as appropriate, which are not regularly defined services otherwise offered by the contractor.

“*Iowa Plan*” shall mean the Iowa Plan for Behavioral Health, established by this division as the managed care plan to provide mental health and substance abuse treatment.

“*Licensed*” shall mean a facility, equipment, individual or entity that has formally met state requirements for licensure and has been granted a license.

“*Member*” shall mean a person determined eligible for Medicaid.

“*Mental health services*” shall mean those clinical, rehabilitative, or supportive services provided by an individual, agency, or other entity that is licensed, accredited, certified, or otherwise approved as required by law to treat any mental disorder listed in the International Classification of Diseases—Ninth Edition (ICD-9). At a minimum, covered disorders include the following ranges of the ICD-9: 290-302.9; 306-309.9; and 311-314.9. Additional code ranges may be included in the contract. Mental health services shall include, but not be limited to, those services listed at subrule 88.65(3).

“*MHI*” shall mean a state mental health institute operated by the department.

“*Open panel*” shall mean that the contractor shall subcontract with all providers who are appropriately licensed, certified, or accredited to provide covered, required, or optional services, and who meet the credentialing criteria, agree to the standard contract terms, and wish to participate.

“*Participating providers*” shall mean the providers of mental health and substance abuse services who subcontract with the contractor.

“*Prepaid health plan (PHP)*” shall mean an entity defined at Section 1903(m)(2)(B)(iii) of the Social Security Act and determined to be a PHP by the department based upon criteria set forth in the Code of Federal Regulations at Title 42, Part 434.20(a)(3), as amended to March 13, 1991.

“*Prior authorization*” shall mean the process by which an enrollee or a provider obtains approval prior to the initiation or continuation of a service as to the appropriateness of a service. The contractor may require prior authorization as a condition of payment. Prior authorization of a mental health service

shall be based on psychosocial necessity. Prior authorization of a substance abuse service shall be based on service necessity.

*“Psychosocial necessity”* shall mean that clinical, rehabilitative, or supportive mental health services meet all of the following conditions. The services shall be:

1. Appropriate and necessary to the symptoms, diagnoses or treatment of a covered mental health diagnosis.
2. Provided for the diagnosis or direct care and treatment of a mental disorder.
3. Within standards of good practice for mental health treatment.
4. Required to meet the mental health needs of the enrollee and not primarily for the convenience of the enrollee, the provider, or the contractor.
5. The most appropriate type of service which would reasonably meet the needs of the enrollee in the least costly manner.

The determination of psychosocial necessity shall be made after consideration of the enrollee’s clinical history, including the impact of previous treatment and service interventions; services being provided concurrently by other delivery systems; the potential for services and supports to avert the need for more intensive treatment; the potential for services and supports to allow the enrollee to maintain functioning improvement attained through previous treatment; unique circumstances which may impact the accessibility or appropriateness of particular services for an individual enrollee (e.g., availability of transportation, lack of natural supports including a place to live); and the enrollee’s choice of provider or treatment location.

*“Required services”* shall mean mental health and substance abuse treatment services and supports which are not reimbursable through the Iowa Medicaid fee-for-service program but which are the contractual responsibility of the contractor.

*“Retroactive eligibility”* shall mean the period of time consisting of the three months preceding the month in which an application for Medicaid is filed, during which the person may be eligible for Medicaid coverage as determined by the department.

*“Routine care”* shall mean those clinical, rehabilitative, or supportive mental health or substance abuse services which are typically arranged through regular, scheduled appointments with a provider. Conditions requiring routine care are not likely to substantially worsen or cause damage or disruption to the recipient’s life without immediate intervention.

*“Service necessity”* shall mean that substance abuse services for the treatment of conditions related to substance abuse meet the following requirements according to the criteria of the ASAM-PPC-2R. The services shall be:

1. Appropriate and necessary to the symptoms, diagnoses or treatment of a covered substance abuse diagnosis.
2. Provided for the diagnosis or direct care and treatment of a substance abuse disorder.
3. Within standards of good practice for substance abuse treatment.
4. Required to meet the substance abuse treatment needs of the enrollee and not primarily for the convenience of the enrollee, the provider, or the contractor.
5. The most appropriate type of service which would reasonably meet the needs of the enrollee in the least costly manner.

*“Substance abuse licensed PMIC”* shall mean a psychiatric medical institution for children (PMIC) which also is licensed in accordance with Iowa Code chapter 125 to provide substance abuse treatment services.

*“Substance abuse services”* shall mean those clinical, rehabilitative, supportive and other services provided in response to and to alleviate the symptoms of any substance abuse disorder listed in the International Classification of Diseases—Ninth Edition (ICD-9), disorders 303 through 305.9, provided by an individual, agency, or other entity that is licensed, accredited, certified, or otherwise approved as required by law to treat any of these substance abuse disorders. Services include, but are not limited to, services listed at subrule 88.65(4).

“*Targeted case management services*” shall mean MR/CMI/DD case management services targeted to adults with a primary diagnosis of chronic mental illness as defined at rule 441—90.1(249A), with standards set forth in 441—Chapter 24 and Medicaid requirements set forth in 441—Chapter 90.

“*Third party*” shall mean an individual, entity, or program, excluding Medicaid, that is, may be, could be, should be, or has been liable for all or part of the cost of mental health and substance abuse services related to any medical assistance covered by Medicaid.

“*Urgent, nonemergency care*” shall mean those clinical, rehabilitative, or supportive services provided for conditions which, although they do not present immediate risk of death, injury, or lasting harm, may risk significant damage or disruption to the recipient’s life or require expeditious treatment to alleviate the prospect that the condition will substantially worsen without immediate intervention.

#### **441—88.62(249A) Participation.**

**88.62(1) Contract.** The department may enter into a contract for the provision of mental health and substance abuse services specified in 441—Chapter 78, or any portion thereof, with a prepaid health plan.

*a.* The department shall also determine that the contractor meet the following additional requirements:

(1) The contractor shall make the services it provides to enrollees at least as accessible as those services were to members prior to the implementation of the Iowa Plan.

(2) The contractor shall comply with insolvency requirements established by the department in the contract and shall ensure that neither Medicaid enrollees nor the state shall be responsible for its debts if the contractor should become insolvent.

(3) The contractor shall be licensed by the department of commerce, division of insurance, as a limited service organization.

*b.* The contract shall meet the following minimum requirements. The contract shall:

(1) Be in writing.

(2) Specify the duration of the contract period.

(3) List the services which must and may be covered.

(4) Describe information access and disclosure.

(5) List conditions for nonrenewal, termination, suspension, and modification.

(6) Specify the method and rate of reimbursement.

(7) Provide for disclosure of ownership and subcontractor relationships.

(8) Specify that all subcontracts shall be in writing, shall comply with the provisions of the contract between the department and the contractor, and shall include any general requirements of the contract that are appropriate to the service or activity covered by the subcontract.

**88.62(2) Assessment of penalties.** Penalties shall be assessed according to terms of the contract for failure to perform in either of the following areas:

*a.* Substantial failure to provide necessary covered and required services included in this contract when the failure has seriously and adversely affected an enrollee.

*b.* Failure to comply with any provision of the contract.

#### **441—88.63(249A) Enrollment.**

**88.63(1) Enrollment area.** The enrollment area shall be set forth in the contract between the department and the contractor. The department has determined that all counties of the state will be covered by the Iowa Plan, whether by a single statewide contractor or by multiple regional contractors.

**88.63(2) Members subject to enrollment.** All Medicaid members shall be subject to mandatory enrollment in the Iowa Plan.

*a.* Members who are enrolled in the Iowa Plan are notified of enrollment and the effective date of the enrollment.

*b.* When a coverage group is included in or excluded from Iowa Plan enrollment, the department and the contractor shall jointly notify members and participating and nonparticipating Medicaid

providers before implementation of the change. The department shall implement a transition plan to ensure continuity of services to members.

**88.63(3) *Others to be served.*** The department may include other recipients of mental health and substance abuse services in the Iowa Plan. The department shall specify in the contract the services, persons to be served, and reimbursement methodology when other recipients are included.

**88.63(4) *Voluntary enrollment.*** There will be no voluntary enrollment in the Iowa Plan.

**88.63(5) *Effective date.*** For new members, the effective date of enrollment with the contractor shall be the first day of the month the Medicaid application was filed in the county office. Members under the age of 21 served at an MHI and members served at a substance abuse licensed PMIC will be enrolled for months of retroactive eligibility for Medicaid when the member resided in a substance abuse licensed PMIC or MHI during those months.

For current members who are no longer in an eligibility group excluded from the Iowa Plan, the effective date of enrollment shall be the first day of the month following the month they leave the excluded group.

**88.63(6) *Medical card.*** The department shall issue Form 470-1911, Medical Assistance Eligibility Card, to each member. Before delivering mental health or substance abuse services, the provider shall access the department's eligibility verification system (ELVS) to verify the member's enrollment in the Iowa Plan.

#### **441—88.64(249A) Disenrollment.**

**88.64(1) *Disenrollments by the department.*** Disenrollments shall occur when:

*a.* The enrollee becomes ineligible for Medicaid. If the enrollee becomes ineligible and is later reinstated to Medicaid, enrollment in the Iowa Plan shall also be reinstated.

*b.* The enrollee is transferred to a coverage group excluded from the Iowa Plan.

*c.* The enrollee dies.

**88.64(2) *Effective date.*** Disenrollment shall be effective the first day of the month following the month of disenrollment.

**88.64(3) *No disenrollment for health reasons.*** No enrollee shall be disenrolled from the Iowa Plan because of an adverse change in health status, including mental health and substance abuse status.

#### **441—88.65(249A) Covered services.**

**88.65(1) *Amount, duration, and scope of services.*** The contractor may not impose limitations on the amount, duration, or scope of services provided which are not allowable under the Medicaid state plan. The contractor may, however, require the use of participating providers, require prior authorization for services other than emergency services as set forth in rule 441—88.66(249A), and direct enrollees to the appropriate level of care for receipt of those services which are the responsibility of the contractor.

**88.65(2) *Enrollee use of Iowa Plan services.*** Enrollees shall receive all Medicaid-funded covered, required, and optional mental health and substance abuse services only through the Iowa Plan. An enrollee shall use only participating providers of service unless the contractor has authorized a referral to a nonparticipating provider for provision of a service or treatment plan. Payment shall be denied under Medicaid fee-for-service on claims for covered, required, and optional mental health and substance abuse services provided to enrollees. The contractor shall implement policies to ensure that no participating or nonparticipating provider bills an enrollee for all or any part of the cost of a covered, required, or optional service.

**88.65(3) *Covered, required and optional mental health services.***

*a.* The contractor shall ensure, arrange, monitor and reimburse, at a minimum, the following covered mental health services:

(1) Ambulance services for psychiatric conditions.

(2) Emergency room services for psychiatric conditions available 24 hours per day, 365 days per year.

(3) Inpatient hospital care for psychiatric conditions.

(4) Outpatient hospital care for psychiatric conditions including intensive outpatient services.

- (5) Partial hospitalization.
  - (6) Day treatment.
  - (7) Psychiatric physician services including consultations requested for enrollees receiving treatment for other medical conditions.
  - (8) Services of a licensed psychologist for testing, evaluation and treatment of mental illness.
  - (9) Services in state MHIs for enrollees under the age of 21 or through the age of 22 if the enrollee is hospitalized on the enrollee's twenty-first birthday.
  - (10) Services provided through a community mental health center.
  - (11) Targeted case management services to persons with chronic mental illness.
  - (12) Medication management.
  - (13) Psychiatric nursing services by a home health agency.
  - (14) Psychiatric or psychological screenings required subsequent to evaluations for persons applying for admission to nursing homes.
  - (15) Mental health services determined necessary subsequent to an EPSDT screening meeting the Omnibus Budget Reconciliation Act of 1989, Public Law 101-239, requirements.
    - b. The contractor shall ensure, arrange, monitor and reimburse the following required mental health services which are not reimbursable by Medicaid fee-for-service:
      - (1) Concurrent substance abuse and mental health services for those diagnosed with both chronic substance abuse and chronic mental illness.
      - (2) Services of a licensed social worker for treatment of mental illness.
      - (3) Mobile crisis services.
      - (4) Mobile counseling services.
      - (5) Integrated mental health services and supports.
      - (6) Psychiatric rehabilitation services.
      - (7) Peer support services for persons with chronic mental illness.
      - (8) Community support services.
      - (9) Periodic assessment of the level of functioning for each enrollee who meets the criteria of either a child with a serious emotional disability or a person with serious and persistent mental illness. The assessment is to be conducted by appropriately credentialed participating providers.
      - (10) Programs of assertive community treatment.
    - c. The contractor may develop optional services and supports to address the mental health needs of enrollees. These optional services and supports shall be implemented only after approval by the department. Optional services and supports shall be provided by or under the supervision of qualified mental health professionals or appropriately accredited agencies.
    - d. The department may require the coverage of other mental health services and supports under the terms of the contract.
- 88.65(4) Covered and required substance abuse services.** The contractor shall ensure, arrange, monitor and reimburse the following services for the treatment of substance abuse:
- a. Outpatient services (all Level I services according to the ASAM-PPC-2R).
  - b. Intensive outpatient and partial hospitalization services (all Level II services according to the ASAM-PPC-2R).
  - c. Residential or inpatient services (all Level III services according to the ASAM-PPC-2R).
  - d. Medically managed intensive inpatient services (all Level IV services according to the ASAM-PPC-2R).
  - e. Detoxification.
  - f. PMIC substance abuse treatment services.
  - g. Emergency room services for substance abuse conditions available 24 hours a day, 365 days a year.
  - h. Ambulance services for substance abuse conditions.
  - i. Substance abuse treatment services determined necessary subsequent to an EPSDT screening meeting the Omnibus Budget Reconciliation Act of 1989, Public Law 101-239, requirements.

*j.* Intake, assessment, evaluation and diagnostic services, including testing for alcohol and drugs, to determine a substance abuse diagnosis.

**88.65(5) Covered diagnoses.** Services for a covered diagnosis cannot be denied solely on the basis of an individual's also having a noncovered diagnosis. Mental health services, including inpatient care, cannot be denied solely on the basis of an individual's having no Axis I diagnosis. The contractor will be responsible for ensuring, arranging, monitoring, and reimbursing services necessary for the behavioral care and treatment of the covered diagnoses for Iowa Plan enrollees who are diagnosed with a covered diagnosis and a noncovered diagnosis.

The services defined at subrules 88.65(3) and 88.65(4) shall be provided to all Iowa Plan enrollees who meet the diagnostic criteria for the following disorders listed in the International Classification of Diseases—Ninth Edition (ICD-9):

1. Mental health: 290-302.9; 306-309.9; 311-314.9.
2. Substance abuse: 303-305.9.

**88.65(6) Excluded services.** Unless the service is specifically included in the contract, the contractor shall not be required to provide long-term care (e.g., residential care facilities, nursing facilities, state resource centers, or intermediate care facilities for persons with mental retardation) or remedial services.

#### **441—88.66(249A) Emergency services.**

**88.66(1) Availability of services.** The contractor shall ensure that emergency services for covered diagnoses are available 24 hours a day, seven days a week, either through participating providers or through arrangements with other providers.

**88.66(2) Payment for emergency room services.** Emergency room services for covered diagnoses shall be reimbursed for enrollees regardless of whether authorized in advance or whether the provider of service is a participating provider.

*a.* For emergency room services provided to an Iowa Plan enrollee by a participating or a nonparticipating provider when covered diagnoses are the primary condition, the contractor may:

- (1) Establish policies requiring notification of the provision of emergency room service within a stated time frame which shall be no less than 48 hours.
- (2) Require authorization of any services beyond those provided in the emergency room.

*b.* For emergency room services provided to an Iowa Plan enrollee by a participating or a nonparticipating provider when covered diagnoses are the primary condition, the contractor shall:

- (1) Provide a minimum triage fee to the emergency room, regardless of whether the facility notifies the contractor. The triage fee shall be no less than is paid under payment mechanisms established for the Medicaid fee-for-service program.

- (2) Reimburse the emergency room for emergency room services provided, contingent upon the facility's compliance with notification policies. Reimbursement to nonparticipating providers shall be no less than the average payment which would be made to a participating provider.

**88.66(3) Contractor payment liability.** The contractor's payment liability for the provision of emergency mental health and substance abuse services by nonparticipating providers is limited to emergency mental health and substance abuse services provided before the enrollee can, without danger or harmful consequences to the enrollee or others, return to the care of a participating provider. If transportation is necessary to transport the enrollee from a nonparticipating provider to a participating provider, the contractor shall be financially liable for the transportation. In reimbursing nonparticipating providers, the contractor's liability is limited to the average reimbursement which the contractor would pay to a participating provider for the same services.

**88.66(4) Notification and claim filing time spans.** The contractor may set notification and claim filing time limitations in the event of the provision of care by nonparticipating providers and shall notify enrollees of these provisions. However, failure to give notice or to file claims within those time limitations shall not invalidate any claim if it can be shown that it was not reasonably possible to give the notice and that notice was, in fact, given as soon as was reasonably possible. In addition, the contractor shall provide payment for emergency services to nonparticipating providers within 60 days of receipt of a bill which complies with all billing requirements established by the contractor's policies.

**441—88.67(249A) Access to service.**

**88.67(1) *Choice of provider.*** Enrollees shall have the opportunity to choose their mental health care and substance abuse treatment professionals and service providers from any of the participating providers to the extent clinically appropriate.

**88.67(2) *Open panel requirement.*** The contractor shall establish and implement policies to ensure an open panel approach to the recruitment of participating providers.

**88.67(3) *Requirements for participating provider panel.*** The contractor shall develop and maintain a panel of participating providers which meets the following requirements. The panel shall:

*a.* Have sufficient staff resources to adequately provide mental health and substance abuse services to meet the needs of enrollees or have arrangements for services to be provided by other providers where capability of participating providers to serve specific mental health and substance abuse needs does not exist.

*b.* Maintain treatment sites in compliance with all applicable local, state, and federal standards related to the services provided as well as those for fire and safety.

**88.67(4) *Adequate appointment system.*** The contractor shall require that participating providers have procedures for the scheduling of enrollee appointments, which are appropriate to the reason for the service, as follows:

*a.* Enrollees with emergency needs shall be seen within 15 minutes of presentation at a service delivery site.

*b.* Persons with urgent nonemergency needs shall be seen within 1 hour of presentation at a service delivery site or within 24 hours of telephone contact with provider or contractor.

*c.* Persons with persistent symptoms shall be seen within 48 hours of reporting symptoms.

*d.* Persons with need for routine services shall be seen within three weeks of the request for appointment.

**88.67(5) *Adequate after-hours call-in coverage.*** The contractor shall ensure crisis counseling and referral are available 24 hours a day, 365 days per year via a toll-free telephone line, the number for which is regularly made available to all enrollees.

**88.67(6) *Adequate referral system.*** The contractor shall have in effect arrangements which provide for an adequate referral system for any specialty mental health and substance abuse treatment services not available through participating providers.

**88.67(7) *Discharge planning.*** The contractor shall implement policies to ensure that no enrollee who has been receiving services in a 24-hour setting funded by the contractor is discharged from that setting until a discharge plan has been developed which provides appropriate follow-up care and treatment which is accessible to that enrollee.

**88.67(8) *Lack of discharge plan.*** When a discharge plan as described in subrule 88.67(7) has not been developed or cannot be implemented, the following shall apply:

*a.* If the contractor is not required to pay for services at the 24-hour level of care as set forth in subrule 88.73(2) because the services do not meet the criteria of psychosocial necessity or service necessity, the contractor is required (keep kids safe policy) to authorize up to 14 calendar days of additional funding on an administrative basis for enrollees under the age of 18 if a safe and appropriate living arrangement is not available because:

(1) A court order is in effect that must be modified to allow the placement of the child into that living arrangement;

(2) A court order is required to allow placement of the child into the appropriate living arrangement;

(3) A bed is not available in the level of care which has been determined as clinically appropriate for the child; or

(4) Services and support must be arranged to assist the natural family, foster family, or other living arrangement to become ready to assist the enrollee after the enrollee's return to that environment.

*b.* If 24-hour services provided through the Iowa Plan are being decertified, payment is limited in accordance with subrule 88.73(2) except as provided in paragraph 88.67(8) "a."

**441—88.68(249A) Review of contractor decisions and actions.**

**88.68(1) *Clinical decision review.*** The contractor shall have written procedures by which enrollees and participating and nonparticipating providers may request a clinical decision review. The clinical decision review, when requested, shall be conducted by staff other than the person or persons who made the original clinical care decision. All policies related to clinical decision review shall be approved by the department prior to implementation. The contractor's clinical decision review policies shall further:

*a.* Require acknowledgment of the receipt of a request for a clinical decision review to the enrollee and to the provider if applicable within three working days.

*b.* Allow for participation by the enrollee and the provider.

*c.* Set time frames for resolution including emergency procedures which are appropriate to the nature of the clinical decision under review.

*d.* Require that 95 percent of all clinical decision reviews be resolved within 14 days of receipt of all required documentation and that 100 percent of all clinical decision reviews be resolved within 90 days of the receipt of all required documentation.

*e.* Ensure the participation of contractor staff with authority to require corrective action.

*f.* Include at least one level of internal review.

*g.* Ensure the confidentiality of the enrollee.

**88.68(2) *Appeal to department.*** Enrollees may appeal clinical care decisions in accordance with the appeal process available to all persons receiving Medicaid-funded services as set forth in 441—Chapter 7 if the enrollee is not satisfied with the final decision rendered by the contractor through the contractor's clinical decision review process.

**88.68(3) *Review of nonclinical decisions.*** The contractor shall have available to all enrollees and other persons who do business with the contractor a process for the review of any complaints or grievances concerning nonclinical matters. All policies related to the review of nonclinical decisions shall be approved by the department prior to implementation. Policies regarding the process for the review of nonclinical decisions shall incorporate the following:

*a.* Allow initiation both verbally and in writing.

*b.* Require a review conducted by someone other than the person who made the original decision.

*c.* Require written notice acknowledging the receipt of a complaint or grievance.

*d.* Require resolution of 95 percent of all complaints or grievances within 14 days of the receipt of all required documentation and resolution of 100 percent within 90 days of the receipt of all required documentation.

**88.68(4) *Written record.*** All requests for review of contractor decisions and actions, including all informal or verbal complaints which must be referred or researched for resolution, shall be recorded in writing. A log shall be retained and made available at the request of the department. The log shall include progress notes and method of resolution to allow determination of compliance with subrules 88.68(1) and 88.68(3).

**88.68(5) *Information concerning procedures relating to the review of contractor decisions and actions.*** The contractor's written procedures for the review of contractor decisions and actions shall be provided to each new enrollee, to participating providers in a provider manual, and to nonparticipating providers upon request.

**88.68(6) *Periodic reports to the department.*** The contractor shall make reports to the department summarizing the review of contractor decisions and actions and resolutions to the reviews at a frequency specified in the contract.

**441—88.69(249A) Records and reports.**

**88.69(1) *Records system.*** The contractor shall document and maintain clinical and fiscal records throughout the course of the contract. The record system shall:

*a.* Identify transactions with or on behalf of each enrollee by the state identification number assigned to the enrollee by the department.

b. Provide a rationale for and documentation of clinical care decisions made by the contractor based upon psychosocial necessity for mental health services and service necessity for substance abuse services.

c. Permit effective professional review for medical audit processes.

d. Facilitate an adequate system for monitoring treatment reimbursed by the contractor including follow-up of the implementation of discharge plans and referral to other providers.

e. Meet contract reporting requirements and federal reporting requirements applicable to prepaid health plans.

**88.69(2) *Content of individual treatment record.*** The contractor shall have contractual requirements with participating providers which ensure an adequate record-keeping system, including documentation of all Iowa Plan services provided to each enrollee, in compliance with the provisions of rule 441—79.3(249A).

**88.69(3) *Confidentiality of mental health information.*** The contractor shall protect and maintain the confidentiality of mental health information by implementing policies for staff and through contract terms with participating providers which allow release of mental health information only as allowed by Iowa Code chapter 228.

**88.69(4) *Confidentiality of substance abuse information.*** The contractor shall protect and maintain the confidentiality of substance abuse information by implementing policies for staff and through contract terms with participating providers which allow release of substance abuse information only in compliance with policies set forth in the Code of Federal Regulations at Title 42, Part 2, as amended to May 5, 1995, and other applicable state and federal law and regulations.

**88.69(5) *Reports to the department.*** The contractor shall submit reports to the department as follows:

a. Encounter data on a monthly basis.

b. Annual audited financial statements no later than 180 days after the close of each contract year.

c. Periodic financial, utilization, and statistical reports as required by the department in the contract.

d. Other reporting requirements as specified in the contract.

**88.69(6) *Audits.*** The department or its designee and the U.S. Department of Health and Human Services (HHS) may evaluate through inspections or other means the quality, appropriateness, and timeliness of services performed by the contractor, participating providers, nonparticipating providers, and subcontractors pertaining to services performed and reimbursed under the contract. The department or its designee or HHS may audit and inspect any records of the contractor, participating providers, nonparticipating providers and subcontractors of the contractor, pertaining to services performed and the determination of amounts paid under the contract. These records shall be made available at times, places, and in a manner as authorized representatives of the department, its designee, or HHS may request.

**441—88.70(249A) *Marketing.*** The marketing of Iowa Plan services is prohibited.

**441—88.71(249A) *Enrollee education.***

**88.71(1) *Use of services.*** The contractor shall provide written information to all enrollees on the use of services the contractor is responsible to ensure, arrange, monitor, and reimburse. Information must include services covered; how to access services; providers participating; explanation of the process for the review of contractor decisions and actions, including the enrollee's right to a fair hearing under 441—Chapter 7 and how to access that fair hearing process; provision of after-hours and emergency care; procedures for notifying enrollees of a change in benefits or office sites; how to request a change in providers; statement of consumer rights and responsibilities; out-of-area use of service; availability of toll-free telephone information and crisis assistance; appropriate use of the referral system; and the method of accessing Medicaid-funded services not covered by the Iowa Plan, especially pharmacy services.

**88.71(2) *Outreach to members with special needs.*** The contractor shall provide enhanced outreach to members with special needs including, but not limited to, persons with psychiatric disabilities, mental

retardation or other cognitive impairments, homeless persons, illiterate persons, non-English-speaking persons and persons with visual or hearing impairments.

**88.71(3) Patient rights and responsibilities.** The contractor shall have in effect a written statement of patient rights and responsibilities which is available upon request as well as issued to all new enrollees. This statement shall be part of enrollment information provided to all new enrollees.

**441—88.72(249A) Payment to the contractor.**

**88.72(1) Capitation rate.** In consideration for all services rendered by the contractor under a Medicaid contract with the department, the contractor shall receive a payment each month for each enrollee. This Medicaid capitation rate represents the total obligation of the department with respect to the costs of Medicaid mental health and substance abuse services provided to enrollees under the contract. The contractor accepts the rate as payment in full for the Medicaid-contracted services.

**88.72(2) Determination of rate.** The Medicaid capitation rates shall be established in the contract and shall not exceed the cost to the department of providing the same covered services on a fee-for-service basis to the same group of Medicaid members eligible for the plan.

**88.72(3) Payment for services to other recipients.** When the department chooses to include mental or substance abuse services for recipients other than enrollees, the department shall establish rates and reimbursement procedures in the contract.

**88.72(4) Third-party liability.** If an enrollee has health coverage or a responsible party other than the Medicaid program available for purposes of payment for mental health and substance abuse expenses, it is the right and responsibility of the contractor to investigate these third-party resources and attempt to obtain payment. The contractor may retain all funds collected through third-party sources. A complete record of third-party liability shall be maintained and made available to the department at the end of each contract year.

**441—88.73(249A) Claims payment.**

**88.73(1) Claims payment by contractor.** The contractor shall meet the following time lines for the payment of all claims for covered, required and optional mental health and substance abuse services submitted which meet the contractor's requirements for claim submission:

*a.* For at least 85 percent of claims submitted, payment shall be mailed or claims shall be denied within 14 days of the date the claim is received by the contractor.

*b.* For at least 90 percent of claims submitted, payment shall be mailed or claims shall be denied within 30 days of the date the claim is received by the contractor.

*c.* For 100 percent of claims submitted, payment shall be mailed or claims shall be denied within 90 days of the date the claim is received by the contractor.

**88.73(2) Limits on payment responsibility for services.**

*a.* The contractor is not required to reimburse providers for the provision of mental health services that do not meet the criteria of psychosocial necessity.

*b.* The contractor is not required to reimburse providers for the provision of substance abuse services that do not meet the criteria of service necessity.

*c.* The contractor is not required to reimburse providers for the provision of MR/CMI/DD case management services that do not meet the criteria and requirements set forth in 441—Chapter 90.

*d.* The contractor has the right to require prior authorization of covered, required and optional services and to deny reimbursement to providers who do not comply with such requirements.

*e.* Payment responsibilities for emergency room services are as provided at subrule 88.66(2).

*f.* Payment responsibility for services provided under the "keep kids safe" policy is set forth at subrule 88.67(8).

**88.73(3) Payment to nonparticipating providers.** In reimbursing nonparticipating providers, the contractor is obligated to pay no more than the average rate of reimbursement which the contractor pays to participating providers for the same service.

**88.73(4) Payment of crossover and copayments.** Rescinded IAB 1/9/02, effective 3/1/02.

**441—88.74(249A) Quality assurance.** The contractor shall have in effect an internal quality assurance system which meets the requirements of 42 CFR, Part 434.34 as amended to March 12, 1984, and complies with all other requirements specified in the contract.

**441—88.75(249A) Iowa Plan advisory committee.** The department shall appoint an advisory committee to advise the department in the implementation and operation of the Plan and to provide for ongoing public input in its operation.

**441—88.76 to 88.80** Reserved.

DIVISION V  
PROGRAMS OF ALL-INCLUSIVE CARE FOR THE ELDERLY

**441—88.81(249A) Scope and definitions.**

**88.81(1) Purpose.** A program of all-inclusive care for the elderly (PACE) organization provides prepaid, capitated, comprehensive health care services designed to meet the following objectives:

- a. Enhance the quality of life and autonomy of frail older adults.
- b. Maximize the dignity of and respect for frail older adults.
- c. Enable frail older adults to live in the community as long as medically and socially feasible.
- d. Preserve and support frail older adults' family units.

**88.81(2) Scope.** PACE programs may serve Medicaid members, Medicare beneficiaries, persons eligible for both Medicare and Medicaid benefits, and private-pay individuals. Enrollment to receive services from a PACE organization is voluntary.

a. Enrollment is limited to persons who are 55 years of age or older and who need care at the nursing facility level but are able to live in a community setting without jeopardizing their health and safety.

b. If a Medicaid member chooses to enroll in a PACE program, the member must receive Medicaid benefits solely through the PACE organization while enrolled in the program.

**88.81(3) Authorization.** A PACE organization must enter into a three-way agreement with the department and the Centers for Medicare and Medicaid Services of the U.S. Department of Health and Human Services.

**88.81(4) Definitions.** For purposes of this division:

*"Alternate PACE service site"* means a location outside a primary or alternate PACE center in which one or more PACE services are offered to PACE enrollees.

*"Capitation rate"* means the monthly fee the department pays to a PACE organization for each Medicaid enrollee for the provision of covered medical and health services, whether or not the enrollee received services during the month for which the fee is intended.

*"CMS"* means the Centers for Medicare and Medicaid Services of the U.S. Department of Health and Human Services.

*"Contract year"* means the term of a PACE program agreement. The term is a calendar year, with the exception that a PACE organization's initial contract year is determined by CMS and may be from 12 to 23 months.

*"Department"* means the Iowa department of human services.

*"Enrollee"* means a person who is enrolled in a PACE program.

*"Federal PACE regulations"* means the standards published in 42 CFR Part 460, Programs of All-Inclusive Care for the Elderly. These rules shall be interpreted so as to comply with the federal PACE regulations.

*"Interdisciplinary team"* means the team designated by the PACE organization to assess the needs of and develop a comprehensive plan of care for each enrollee.

*"Medicaid enrollee"* means a Medicaid member who is enrolled in a PACE program.

*"Medicare beneficiary"* means a person who is entitled to Medicare Part A benefits, is enrolled under Medicare Part B, or both.

*"Medicare enrollee"* means a Medicare beneficiary who is enrolled in a PACE program.

“*PACE*” means programs of all-inclusive care for the elderly.

“*PACE center*” means a facility operated by a PACE organization where primary care is furnished to PACE enrollees. A primary PACE center is the principal facility operated by a PACE organization. An alternate PACE center is another facility operated by a PACE organization outside its primary center. “Primary care” shall include all program components in accordance with 42 CFR Section 460.92 as amended to December 8, 2006.

“*PACE enrollment agreement*” means the contract between the PACE organization and the enrollee that includes, at a minimum, all information identified in 42 CFR Section 460.154 as amended to December 8, 2006.

“*PACE organization*” means an entity that has in effect a PACE program agreement with the department and CMS to operate a PACE program in Iowa.

“*PACE program*” means a program of all-inclusive care for the elderly operated by an approved PACE organization that provides comprehensive health care services to enrollees in Iowa in accordance with a PACE program agreement.

“*PACE program agreement*” means a three-way agreement between CMS, the department, and an entity approved to be a PACE organization for the operation of a PACE program.

“*Service area*” means the specific counties in which a PACE provider may provide services, as identified in the PACE program agreement.

“*Services*” means both items and services provided to an enrollee by the PACE organization.

“*Trial period*” means the first three contract years in which a PACE organization operates under a PACE program agreement.

**441—88.82(249A) PACE organization application and waiver process.** This rule sets forth the application requirements for an entity that seeks approval from the department as a PACE organization and the process by which a prospective PACE organization may request department review and approval of requests to CMS for waiver of federal requirements.

**88.82(1) Application requirements.** A person authorized to act on behalf of an entity seeking approval as a PACE organization shall prepare an application in the format suggested by CMS at: [http://www.cms.hhs.gov/PACE/06\\_ProviderApplicationandRelatedResources.asp](http://www.cms.hhs.gov/PACE/06_ProviderApplicationandRelatedResources.asp).

a. The application shall:

(1) Describe how the entity meets the requirements of this division and of the federal PACE regulations; and

(2) Identify the counties in which the entity proposes to provide PACE services.

b. Upon completion of the application sections designated for PACE providers, the prospective PACE organization shall submit the application to the attention of the PACE program manager at the following address: Iowa Medicaid Enterprise, 100 Army Post Road, Des Moines, Iowa 50315.

**88.82(2) Waiver of federal requirements.** A prospective PACE organization must also receive CMS approval as a PACE organization. A prospective PACE organization must submit any request for waiver of federal PACE regulations to the department for initial review before submitting the request to CMS.

a. The waiver request shall be submitted as a document separate from the application. The request may be submitted:

(1) In conjunction with and at the same time as the application; or

(2) At any time during the approval process.

b. The prospective PACE organization shall submit the waiver request and documentation to the attention of the PACE program manager at the following address: Iowa Medicaid Enterprise, 100 Army Post Road, Des Moines, Iowa 50315.

**88.82(3) Review of applications and requests for waiver of federal requirements.** The department may conduct on-site visits and may request additional information from an entity in connection with an application for approval as a PACE organization or a request for waiver of federal requirements.

**88.82(4) Department action on applications.** Upon review of an application for approval as a PACE organization and action by CMS on any request for waiver of federal requirements, the department shall determine whether it considers the entity qualified to be a PACE organization and whether it is willing to

enter into a PACE program agreement with the entity. If so, the department shall complete the application sections designated for the state administering agency and submit the completed application in its entirety to CMS.

**441—88.83(249A) PACE program agreement.** An entity that has been approved by the department and CMS to be a PACE organization must enter into an agreement with CMS and the department for the operation of a PACE program under Medicare and Medicaid. The agreement must be signed by an authorized official of CMS, the PACE organization, and the department.

**88.83(1) Content and terms of agreement.**

*a. Required content.* A PACE program agreement must include the following information:

(1) A designation of the service area of the PACE organization's program, identified by county. The department and CMS must approve any change in the designated service area.

(2) The PACE organization's commitment to meet all applicable requirements under federal, state, and local laws and regulations, including provisions of the Civil Rights Act, the Age Discrimination Act, and the Americans with Disabilities Act.

(3) The effective date and term of the agreement.

(4) A description of the organizational structure of the PACE organization and information on the organization's administrative contacts.

(5) An enrollee bill of rights approved by CMS and an assurance that the listed rights and protections will be provided.

(6) A description of the process for handling enrollee grievances and appeals.

(7) A statement of the PACE organization's policies on eligibility, enrollment, voluntary disenrollment, and involuntary disenrollment.

(8) A description of the services available to enrollees.

(9) A description of the PACE organization's quality assessment and performance improvement program.

(10) A statement of the levels of performance required in CMS standard quality measures.

(11) A statement of the data and information required by the department and CMS to be collected on enrollee care.

(12) The Medicaid capitation rate and the methodology used to calculate the Medicare capitation rate.

(13) A description of procedures that the PACE organization will follow if the PACE program agreement is terminated, including how the organization will:

1. Inform enrollees, the community, CMS, and the department, in writing, about the organization's termination and transition procedures.

2. Initiate contact with income maintenance staff in the local department office and assist enrollees in obtaining reinstatement of conventional Medicare and Medicaid benefits.

3. Transition enrollees' care to other providers.

4. Terminate marketing and enrollment activities.

*b. Optional content.* An agreement may:

(1) Provide additional requirements for individuals to qualify as PACE enrollees in accordance with subparagraph 88.84(1)"a"(5).

(2) Contain any additional terms and conditions agreed to by the parties.

**88.83(2) Duration of agreement.** A PACE program agreement shall be effective for a contract year but may be extended for additional contract years in the absence of a notice by a party to terminate.

**88.83(3) Enforcement of agreement.** If the department determines that the PACE organization is not in substantial compliance with requirements of the federal PACE regulations or of this division, the department may take one or more of the following actions:

*a.* Condition the continuation of the PACE program agreement upon timely execution of a corrective action plan.

*b.* Withhold some or all payments under the PACE program agreement until the PACE organization corrects the deficiency.

c. Terminate the PACE program agreement.

**88.83(4) Termination of agreement by the department.**

a. *Grounds for termination.* The department may terminate a PACE program agreement at any time for cause, including but not limited to the following circumstances:

(1) Termination due to uncorrected deficiencies. The department may terminate a PACE program agreement if both of the following circumstances exist:

1. The department has determined through a review pursuant to subrule 88.87(4) that the PACE organization has significant deficiencies in the quality of care furnished to enrollees or has failed to comply substantially with the conditions for a PACE organization or PACE program under this division, the federal PACE regulations, or the terms of its PACE program agreement.

2. The PACE organization has failed to develop and successfully initiate a plan to correct the deficiencies within 30 days of the date of receipt of a written notice of deficiencies, as confirmed by certified mail, or has failed to continue implementation of the corrective action plan.

(2) Termination due to health and safety risk. The department may terminate a PACE program agreement if the department determines that the PACE organization cannot ensure the health and safety of its enrollees. This determination may result from the identification of deficiencies that the department determines cannot be corrected.

b. *Notice and opportunity for hearing.* Except as provided in paragraph “c” of this subrule, before terminating an agreement, the department shall furnish the PACE organization with the following:

(1) A reasonable opportunity to develop and implement a corrective action plan to correct the deficiencies that are the basis of the department’s determination that cause exists for termination.

(2) Reasonable notice and opportunity for hearing (including the right to appeal an initial determination) before terminating the agreement.

c. *Immediate termination.* The department may terminate an agreement without invoking the procedures described in paragraph “b” of this subrule if the department determines that a delay in termination resulting from compliance with those procedures before termination would pose an imminent and serious risk to the health of the enrollees.

**88.83(5) Termination of agreement by PACE organization.** A PACE organization may terminate an agreement after timely notice issued as follows:

a. To CMS and the department, 90 days before termination.

b. To enrollees, 60 days before termination.

**88.83(6) Transitional care during termination.** A PACE organization whose PACE program agreement is being terminated must provide assistance to each enrollee in obtaining necessary transitional care by making appropriate referrals and making the enrollee’s medical records available to new providers.

**441—88.84(249A) Enrollment and disenrollment.** A PACE organization must comply with the federal enrollment requirements stated in 42 CFR Sections 460.152 through 460.156 as amended to December 8, 2006.

**88.84(1) Eligibility for Medicaid enrollees.** To enroll in a PACE program as an Iowa Medicaid enrollee, a person must meet the eligibility requirements specified in this subrule.

a. *Basic eligibility requirements.*

(1) The person must be 55 years of age or older.

(2) The person must reside in the service area of the PACE organization.

(3) The department must determine that the person is eligible for Iowa Medicaid pursuant to 441—Chapter 76.

(4) The department must determine that the person needs the nursing facility level of care.

(5) The person must meet any additional program-specific eligibility conditions imposed under the PACE program agreement. These additional conditions shall not modify the requirements stated in this subrule.

b. *Other eligibility requirements.*

(1) At the time of enrollment, the person must be able to live in a community setting without jeopardizing the person's health or safety, pursuant to the criteria specified in the PACE program agreement.

(2) To continue to be eligible for PACE as an Iowa Medicaid enrollee, a person must meet the annual recertification requirements specified in subrule 88.84(4).

**88.84(2) *Effective date of enrollment.*** A person's enrollment in the program is effective on the first day of the calendar month following the date the PACE organization receives the signed enrollment agreement.

**88.84(3) *Duration of enrollment.*** Enrollment continues until the enrollee's death unless either of the following actions occurs:

a. The enrollee voluntarily disenrolls. An enrollee may voluntarily disenroll from the program without cause at any time.

b. The enrollee is involuntarily disenrolled, as described in subrule 88.84(5).

**88.84(4) *Annual recertification.***

a. At least annually, the department shall:

(1) Reevaluate whether each enrollee continues to need the nursing facility level of care; and

(2) Review all financial and nonfinancial eligibility requirements for Medicaid enrollees. The enrollee shall complete Form 470-3118 or 470-3118(S), Medicaid Review.

b. Deemed continued eligibility. If the department determines that an enrollee no longer needs the nursing facility level of care, the department, in consultation with the PACE organization, shall determine whether, in the absence of continued PACE coverage, the enrollee reasonably would be expected to meet the nursing facility level-of-care requirement within the next six months. This determination shall be based on a review of the enrollee's medical record and plan of care, applying criteria specified in the PACE program agreement. If the enrollee reasonably would be expected to meet the level-of-care requirement within six months, the enrollee's eligibility for the PACE program may continue until the next annual reevaluation.

**88.84(5) *Involuntary disenrollment.*** An involuntary disenrollment shall not become effective until the Department has determined that the PACE organization has adequately documented acceptable grounds for disenrollment.

a. *Reasons for involuntary disenrollment.* An enrollee may be involuntarily disenrolled for any of the following reasons:

(1) After a 30-day grace period, the enrollee fails to pay any amount due to the PACE organization pursuant to subrule 88.88(2) or refuses to make satisfactory arrangements to pay.

(2) The enrollee engages in disruptive or threatening behavior as described in paragraph 88.84(5) "b."

(3) The enrollee moves out of the PACE program service area or is out of the service area for more than 30 consecutive days, unless the PACE organization agrees to a longer absence due to extenuating circumstances.

(4) The department determines that the enrollee no longer needs the nursing facility level of care and the enrollee is not deemed eligible pursuant to paragraph 88.84(4) "b."

(5) The PACE program agreement with CMS and the department is not renewed or is terminated.

(6) The PACE organization is unable to offer health care services due to the loss of state licenses or contracts with outside providers.

b. *Disruptive or threatening behavior.* "Disruptive or threatening behavior" refers to either of the following:

(1) Behavior that jeopardizes the enrollee's health or safety or the safety of others; or

(2) Consistent refusal by the enrollee to comply with the enrollee's individual plan of care or the terms of the PACE enrollment agreement when the enrollee has decision-making capacity.

c. *Documentation of disruptive or threatening behavior.* If a PACE organization proposes to disenroll an enrollee who is disruptive or threatening, the organization must document the following information in the enrollee's medical record:

(1) The reasons for proposing to disenroll the enrollee.

(2) All efforts to remedy the situation.

*d. Noncompliant behavior.* A PACE organization may not disenroll an enrollee on the grounds that the enrollee has engaged in noncompliant behavior if the behavior is related to a mental or physical condition of the enrollee, unless the enrollee's behavior jeopardizes the enrollee's health or safety or the safety of others. "Noncompliant behavior" includes repeated noncompliance with medical advice and repeated failure to keep appointments.

**88.84(6) Effective date of disenrollment.**

*a.* In disenrolling a Medicaid enrollee, the PACE organization must:

- (1) Use the most expedient process allowed under the PACE program agreement;
- (2) Coordinate the disenrollment date between Medicare and Medicaid for an enrollee who is eligible for both Medicare and Medicaid; and
- (3) Give reasonable advance notice to the enrollee.

*b.* Until the date when enrollment is terminated, the following requirements must be met:

- (1) The PACE organization must continue to furnish all needed services.
- (2) The enrollee must continue to use PACE organization services.

**88.84(7) Documentation of disenrollment.** A PACE organization must meet the following requirements:

*a.* Have a procedure in place to document the reasons for all voluntary and involuntary disenrollments.

*b.* Make documentation available for review by CMS and the department.

*c.* Use the information on voluntary disenrollments in the PACE organization's internal quality assessment and performance improvement program.

**88.84(8) Reinstatement in other Medicare and Medicaid programs.** After a disenrollment, the PACE organization shall work with CMS and the department to facilitate the former enrollee's reinstatement in other Medicare and Medicaid programs by:

*a.* Making appropriate referrals to other Medicare and Medicaid programs for which the enrollee may be eligible; and

*b.* Ensuring that medical records are made available to new providers in a timely manner.

**88.84(9) Reinstatement in PACE.** A previously disenrolled enrollee may be reinstated in a PACE program.

**441—88.85(249A) Program services.** A PACE organization shall furnish comprehensive medical, health, and social services that integrate acute and long-term care.

**88.85(1) Required services.** The PACE benefit package for all enrollees, regardless of the source of payment, must include the following:

*a.* All Medicare-covered items and services.

*b.* All Medicaid-covered items and services as specified in 441—Chapters 78, 81, 82, 85, and 90. Medicaid benefit limitations and conditions relating to amount, duration, scope of services, deductibles, copayments, coinsurance, or other cost sharing do not apply to PACE services.

*c.* Other services determined necessary by the enrollee's interdisciplinary team to improve or maintain the enrollee's overall health status.

**88.85(2) Excluded services.** The following services are excluded from coverage under PACE:

*a.* Any service that is not authorized by the enrollee's interdisciplinary team, even if it is a required service, unless it is an emergency service.

*b.* In an inpatient facility:

- (1) A private room and private-duty nursing services unless medically necessary; and
- (2) Nonmedical items for personal convenience, such as telephone charges and radio or television rental, unless specifically authorized by the interdisciplinary team as part of the enrollee's plan of care.

*c.* Cosmetic surgery. "Cosmetic surgery" does not include surgery that is required for improved functioning of a malformed part of the body resulting from an accidental injury or for reconstruction following mastectomy.

*d.* Experimental medical, surgical, or other health procedures.

e. Services furnished outside the United States, except in accordance with 42 CFR Sections 424.122 and 424.124 as amended to September 29, 1995, or as otherwise permitted under the Iowa Medicaid program.

**88.85(3) *Service delivery.*** The PACE organization must establish and implement a written plan to furnish care that meets the needs of each enrollee in all care settings 24 hours a day, every day of the year.

a. *Provision of services.* PACE services must be furnished in at least:

- (1) The PACE center,
- (2) The enrollee's home, and
- (3) Inpatient facilities.

b. *PACE center operation.* A PACE organization must ensure accessible and adequate services to meet the needs of its enrollees. The interdisciplinary team shall determine the frequency of each enrollee's attendance at a PACE center, based on the needs and preferences of the enrollee.

(1) A PACE organization must operate at least one PACE center either in or contiguous to its defined service area. A PACE center must be certified as an adult day services program pursuant to Iowa Code chapter 231D and the department of elder affairs' rules at 321—Chapter 24.

(2) If necessary to maintain sufficient capacity to allow routine attendance by enrollees, a PACE organization must add staff or develop alternate PACE centers or service sites. If a PACE organization operates more than one center, each alternate PACE center must offer the full range of services and have sufficient staff to meet the needs of enrollees.

**88.85(4) *Minimum services furnished at a PACE center.*** At a minimum, the following services must be furnished at each primary or alternate PACE center:

- a. Primary care, including physician and nursing services.
- b. Social services.
- c. Restorative therapies, including physical therapy and occupational therapy.
- d. Personal care and supportive services.
- e. Nutritional counseling.
- f. Recreational therapy.
- g. Meals.

**88.85(5) *Primary care.*** Primary medical care must be furnished to an enrollee by a PACE primary care physician. Each primary care physician is responsible for:

- a. Managing an enrollee's medical situations; and
- b. Overseeing an enrollee's use of medical specialists and inpatient care.

**88.85(6) *Out-of-network emergency care.*** A PACE organization must pay for out-of-network emergency care when the care is needed immediately because of an injury or sudden illness and the time required to reach the PACE organization or one of its contract providers would cause risk of permanent damage to the enrollee's health.

a. *Definitions.* As used in this subrule, the following definitions apply:

*"Emergency medical condition"* means a condition manifesting itself by acute symptoms of sufficient severity (including severe pain) such that a prudent lay person with an average knowledge of health and medicine could reasonably expect the absence of immediate medical attention to result in any of the following:

1. Serious jeopardy to the health of the enrollee.
2. Serious impairment to bodily functions of the enrollee.
3. Serious dysfunction of any bodily organ or part of the enrollee.

*"Emergency services"* means inpatient and outpatient services that are needed to evaluate or stabilize an emergency medical condition and are furnished by a qualified emergency services provider other than the PACE organization or one of its contract providers, either inside or outside the PACE organization's service area.

*"Poststabilization care"* means services provided subsequent to an emergency that a treating physician views as medically necessary after an emergency medical condition has been stabilized but that do not meet the definition of emergency services.

“*Urgent care*” means care that is provided to an enrollee outside the service area because the enrollee believes that an illness or injury is too severe to postpone treatment until the enrollee returns to the service area but that does not meet the definition of emergency services because the enrollee’s life or functioning is not in severe jeopardy.

*b. Plan.* A PACE organization must establish and maintain a written plan to handle out-of-network emergency care. The plan must ensure that CMS, the department, and the enrollee are held harmless if the PACE organization does not pay for out-of-network emergency services. The plan must provide for the following:

(1) An on-call provider available 24 hours per day to address enrollee questions about out-of-network emergency services and to respond to requests for authorization of out-of-network urgent care and poststabilization care following emergency services.

(2) Coverage of out-of-network urgent care and poststabilization care when either of the following conditions is met:

1. The PACE organization has approved the services.

2. The PACE organization has not approved the services because the PACE organization did not respond to a request for approval within one hour after being contacted or because the PACE organization cannot be contacted for approval.

*c. Explanation to enrollee.* The organization must ensure that the enrollee or caregiver, or both, understand:

(1) When and how to access out-of-network emergency services, and

(2) That no prior authorization is needed.

**441—88.86(249A) Access to PACE services.** An enrollee’s access to PACE services is governed by a comprehensive plan of care developed for each enrollee by an interdisciplinary team based on a comprehensive assessment of the enrollee’s health and social status.

**88.86(1) Interdisciplinary team.** A PACE organization shall establish an interdisciplinary team at each PACE center to comprehensively assess and meet the individual needs of each enrollee.

*a. Team composition.* The members of the interdisciplinary team must primarily serve PACE enrollees. At a minimum, the interdisciplinary team shall be composed of the following members:

(1) Primary care physician.

(2) Registered nurse.

(3) Master's-level social worker.

(4) Physical therapist.

(5) Occupational therapist.

(6) Recreational therapist or activity coordinator.

(7) Dietitian.

(8) PACE center manager.

(9) Home care coordinator.

(10) Personal care attendant or attendant’s representative.

(11) Driver or driver’s representative.

*b. Team responsibilities.* Each enrollee shall be assigned to an interdisciplinary team functioning at the PACE center that the enrollee attends. The interdisciplinary team is responsible for the initial assessment, periodic reassessments, plan of care, and coordination of 24-hour care delivery for each assigned enrollee. Each interdisciplinary team member is responsible for the following:

(1) Regularly informing the team of the medical, functional, and psychosocial condition of each enrollee.

(2) Remaining alert to pertinent input from other team members, enrollees, and caregivers.

(3) Documenting changes in an enrollee’s condition in the enrollee’s medical record, consistent with documentation policies established by the medical director.

*c. Exchange of information.* The PACE organization must establish, implement, and maintain documented internal procedures governing the exchange of information between team members,

contractors, and enrollees and their caregivers consistent with the federal requirements for confidentiality in 42 CFR Section 460.200(e) as amended to November 24, 1999.

**88.86(2) Initial assessment.** The interdisciplinary team must conduct an initial comprehensive assessment of each enrollee promptly following enrollment.

*a.* Each of the following members of the interdisciplinary team must evaluate the enrollee, at appropriate intervals, and develop a discipline-specific assessment of the enrollee's health and social status:

- (1) Primary care physician.
- (2) Registered nurse.
- (3) Master's-level social worker.
- (4) Physical therapist.
- (5) Occupational therapist.
- (6) Recreational therapist or activity coordinator.
- (7) Dietitian.
- (8) Home care coordinator.

*b.* At the recommendation of interdisciplinary team members, other professional disciplines (such as speech-language pathology, dentistry, or audiology) may be included in the comprehensive assessment process.

*c.* The assessment of each enrollee must include, but not be limited to, assessment of the following:

- (1) Physical and cognitive function and ability.
- (2) Medication use.
- (3) Enrollee and caregiver preferences for care.
- (4) Socialization and availability of family support.
- (5) Current health status and treatment needs.
- (6) Nutritional status.
- (7) Home environment, including home access and egress.
- (8) Enrollee behavior.
- (9) Psychosocial status.
- (10) Medical and dental status.
- (11) Enrollee language.

**88.86(3) Plan of care.** The interdisciplinary team must promptly consolidate discipline-specific assessments into a single plan of care for each enrollee through discussion in team meetings and consensus of the entire team.

*a. Development.* The interdisciplinary team must develop, review, and reevaluate the plan of care in collaboration with the enrollee or caregiver, or both, to ensure that there is agreement with the plan of care and that the enrollee's concerns are addressed. In developing the plan of care, female enrollees must be informed that they are entitled to choose a qualified specialist for women's health services from the PACE organization's network to furnish routine or preventive women's health services.

*b. Content.* The plan of care must:

(1) Specify the care needed to meet the enrollee's medical, physical, emotional, and social needs, as identified in the initial comprehensive assessment.

(2) Identify measurable outcomes to be achieved.

*c. Documentation.* The interdisciplinary team shall document in the enrollee's medical record the plan of care and any changes made to the plan of care.

*d. Implementation.* The interdisciplinary team shall:

(1) Implement, coordinate, and monitor the plan of care, whether the services are furnished by PACE employees or contractors; and

(2) Continuously monitor the enrollee's health and psychosocial status, as well as the effectiveness of the plan of care, through the provision of services, informal observation, input from enrollees and caregivers, and communications among team members and other providers.

*e. Evaluation.* On at least a semiannual basis, the interdisciplinary team shall reevaluate the plan of care, including defined outcomes, and make changes as necessary.

**88.86(4) Reassessment.**

*a. Semiannual reassessment.* On at least a semiannual basis, or more often if an enrollee's condition dictates, the following interdisciplinary team members must conduct an in-person reassessment:

- (1) Primary care physician.
- (2) Registered nurse.
- (3) Master's-level social worker.
- (4) Recreational therapist or activity coordinator.
- (5) Other interdisciplinary team members actively involved in the development or implementation of the enrollee's plan of care, such as the home care coordinator, physical therapist, occupational therapist, or dietitian.

*b. Annual reassessment.* On at least an annual basis, the following interdisciplinary team members must conduct an in-person reassessment:

- (1) Physical therapist.
- (2) Occupational therapist.
- (3) Dietitian.
- (4) Home care coordinator.

*c. Unscheduled reassessments.* In addition to annual and semiannual reassessments, unscheduled reassessments may be required based on the following:

(1) A change in enrollee status. If the health or psychosocial status of an enrollee changes, the interdisciplinary team members listed in paragraph 88.86(2) "a" must conduct an in-person reassessment.

(2) A request by the enrollee or designated representative. If an enrollee (or the enrollee's designated representative) believes that the enrollee needs to initiate, eliminate, or continue a particular service, the appropriate interdisciplinary team members, as identified by the interdisciplinary team, must conduct an in-person reassessment.

*d. Changes to plan of care.* Interdisciplinary team members who conduct a reassessment must:

- (1) Reevaluate the enrollee's plan of care.
- (2) Discuss any changes in the plan of care with the interdisciplinary team.
- (3) Obtain approval of the revised plan of care from the interdisciplinary team and the enrollee or the enrollee's designated representative.
- (4) Document all assessment and reassessment information in the enrollee's medical record.
- (5) Furnish to the enrollee any services included in the revised plan of care as a result of a reassessment as expeditiously as the enrollee's health condition requires.

**88.86(5) Procedures for resolving enrollee request to change the plan of care.** The PACE organization must have explicit procedures for timely resolution of a request by an enrollee or an enrollee's designated representative to initiate, eliminate, or continue a particular service.

*a.* Except as provided in paragraph "b" of this subrule, the interdisciplinary team must notify the enrollee or the enrollee's designated representative of its decision to approve or deny the request from the enrollee or the designated representative as expeditiously as the enrollee's condition requires, but no later than 72 hours after the date the interdisciplinary team receives the request.

*b.* The interdisciplinary team may extend the 72-hour period for notifying the enrollee or the designated representative of its decision to approve or deny the request by no more than five additional days if:

- (1) The enrollee or designated representative requests the extension; or
- (2) The interdisciplinary team documents its need for additional information and how the delay is in the interest of the enrollee.

*c.* The PACE organization must:

(1) Explain to the enrollee or the enrollee's designated representative orally and in writing any denial of a request to change the plan of care; and

(2) Provide the specific reasons for the denial in understandable language.

*d.* The PACE organization is responsible for:

(1) Informing the enrollee or the enrollee's designated representative of the enrollee's right to appeal the decision as specified in 42 CFR Section 460.122 as amended to December 8, 2006.

(2) Describing both the standard and expedited appeals processes of the PACE organization, including the right to obtain and conditions for obtaining expedited consideration of an appeal of a denial of services as specified in 42 CFR Section 460.122 as amended to December 8, 2006.

(3) Describing the right to and conditions for continuation of appealed services through the period of an appeal as specified in 42 CFR Section 460.122(e) as amended to December 8, 2006.

*e.* If the interdisciplinary team fails to provide the enrollee with timely notice of the resolution of the request or fails to furnish the services required by the revised plan of care, this failure constitutes an adverse decision. The enrollee's request must be automatically processed by the PACE organization as an appeal in accordance with 42 CFR Section 460.122 as amended to December 8, 2006.

*f.* The PACE organization must submit all documentation related to an appeal to the attention of the PACE program manager at the following address: Iowa Medicaid Enterprise, 100 Army Post Road, Des Moines, Iowa 50315.

**441—88.87(249A) Program administrative requirements.** A PACE organization shall comply with the federal administrative requirements stated in 42 CFR Sections 460.60 through 460.82 as amended to December 8, 2006, including requirements relating to organizational structure, governing body, qualifications for staff who have direct contact with enrollees, training, program integrity, contracted services, oversight of direct care services, physical environment, infection control, transportation services, dietary services, fiscal soundness, and marketing.

**88.87(1) Enrollee rights.** A PACE organization shall comply with the federal participant rights requirements stated in 42 CFR Sections 460.110 through 460.124 as amended to December 8, 2006. Upon exhaustion of the PACE organization's appeal process, a Medicaid enrollee has the right to appeal to the department any adverse coverage or payment decision regarding any service, including any denial, reduction, or termination of any service, pursuant to 441—Chapter 7.

**88.87(2) Data collection, record maintenance, and reporting.** A PACE organization shall comply with federal data collection, records maintenance, and reporting requirements stated in 42 CFR Sections 460.200 through 460.210 as amended to December 8, 2006.

**88.87(3) Quality assessment and performance improvement.** A PACE organization shall comply with the federal quality assessment and performance improvement requirements stated in 42 CFR Sections 460.130 through 460.140 as amended to November 24, 1999.

**88.87(4) Federal and state monitoring.**

*a.* The PACE program shall cooperate with federal and state monitoring pursuant to 42 CFR Sections 460.190 through 460.196 as amended to Nov. 24, 1999, including:

- (1) Corrective action required pursuant to 42 CFR Section 460.194; and
- (2) Disclosure of review results pursuant to 42 CFR Section 460.196(c) and (d).

*b.* The PACE program is subject to sanctions or termination pursuant to subrules 88.83(3) and 88.83(4).

*c.* During the trial period, CMS, in cooperation with the department, shall conduct comprehensive annual reviews of the operations of a PACE organization to ensure compliance with PACE federal regulations and 441—Chapter 88, Division V.

*d.* After the trial period, the department, in cooperation with CMS, shall conduct on-site reviews of a PACE organization at least every two years.

*e.* After a review, CMS and the department shall report the results of the review to the PACE organization, along with any recommendations for changes to the organization's program.

*f.* Within 30 days of issuance of the report, the PACE organization shall develop and implement a corrective action plan to address any deficiencies identified through the review.

*g.* CMS or the department shall monitor the effectiveness of the corrective actions implemented.

**441—88.88(249A) Payment.**

**88.88(1) Medicaid payment to PACE organization.** Under a PACE program agreement, the department shall make a prospective monthly payment to the PACE organization of a capitation amount for each Medicaid enrollee. The monthly capitation payment amount shall be negotiated between the PACE organization and the department and shall be specified in the PACE program agreement.

*a.* The amount of the capitation payment:

(1) Shall be less than the amount that would otherwise have been paid under the Medicaid program if the enrollees were not enrolled under the PACE program.

(2) Shall be a fixed amount regardless of changes in the enrollee's health status.

(3) May be renegotiated on an annual basis.

*b.* The PACE organization must accept the capitation payment amount as payment in full for Medicaid enrollees. The organization shall not collect or receive any other form of payment from the department or from, or on behalf of, the enrollee except for any amounts due from the enrollee pursuant to subrule 88.88(2).

**88.88(2) Liability of Medicaid enrollee.** A Medicaid enrollee shall contribute toward the cost of the enrollee's care according to the terms of this subrule. A PACE organization may not charge a premium to a Medicaid enrollee except for any amounts due pursuant to this subrule.

*a. Institutionalized enrollees.* Medicaid enrollees who reside in a medical facility are liable to the PACE organization for the Medicaid capitation payment to the extent of their total monthly income, with the exceptions allowed by 441—subrule 75.16(1) and the deductions allowed by 441—subrule 75.16(2).

*b. Noninstitutionalized enrollees.* Medicaid enrollees who do not reside in a medical facility are liable to the PACE organization for the Medicaid capitation payment to the extent of their total monthly income, with the deductions required by 42 CFR Section 435.726(c) as amended to July 25, 1994, with maintenance needs amounts set at the following levels:

(1) The amount for the maintenance needs of the enrollee is set at 300 percent of the maximum SSI grant for an individual.

(2) The additional amount for the maintenance needs of a spouse at home is set at the Iowa Medicaid program's medically needy income standard for one person.

(3) The additional amount for the maintenance needs of a family at home is set at the Iowa Medicaid program's medically needy income standard for a family of the same size, to the extent that amount exceeds any amount allowed for the maintenance needs of a spouse at home.

These rules are intended to implement Iowa Code section 249A.4.

CHAPTER 89  
DEBTS DUE FROM TRANSFERS OF ASSETS

PREAMBLE

This chapter provides for the establishment of a debt for medical assistance due to a transfer of assets for less than fair market value. These rules allow the department to establish a debt against a person who receives the transferred assets from a Medicaid applicant or recipient within five years prior to an application for medical assistance if the applicant is approved for Medicaid. The debt is established against the transferee in an amount equal to the medical assistance provided, but not in excess of the fair market value of the assets transferred.

**441—89.1(249F) Definitions.**

“*Department*” shall mean the department of human services.

“*Dwelling*” shall mean real property in which a person has an ownership interest and which serves as the person’s principal place of residence. Real property shall include the shelter in which the person lives, the land on which the shelter is located and related buildings on the land.

“*Fair market value*” shall mean the price for which property or an item could have been sold on the open market at the time of transfer.

“*Medical assistance*” shall mean “medical assistance,” “additional medical assistance,” “discretionary medical assistance” or “Medicare cost sharing” as each is defined in Iowa Code section 249A.2 which is provided to a person pursuant to Iowa Code chapter 249A and Title XIX of the federal Social Security Act.

“*Property*” shall mean anything of value, including both tangible and intangible property, real property and personal property.

“*Transfer*” shall mean the disposal of property for less than fair market value through gifting, sale or any transfer or assignment of a legal or equitable interest in property.

“*Transferee*” shall mean the person who receives a transfer or assignment of a legal or equitable interest in property for less than fair market value.

“*Transferor*” shall mean the person who makes a transfer of a legal or equitable interest in property for less than fair market value.

**441—89.2(249F) Creation of debt.**

**89.2(1) *Transfer of property.*** Except as provided in rule 441—89.3(249F), any transfer of property for less than fair market value creates a debt due and owing to the department from the transferee if:

*a.* The transfer is made while the transferor is receiving medical assistance or within five years prior to application for medical assistance and on or after July 1, 1993.

*b.* The transfer is made with the intent on the part of the transferee of enabling the transferor to obtain or maintain eligibility for medical assistance.

**89.2(2) *Amount of debt.*** The amount of the debt is the lesser of:

*a.* An amount equal to the medical assistance provided to or on behalf of the transferor on or after the date of the transfer.

*b.* The difference between the fair market value of the property at the time of transfer and the value of any consideration received.

**441—89.3(249F) Exceptions.** Notwithstanding rule 441—89.2(249F), exceptions for transfers that occur between July 1, 1993, and June 30, 1996, are in accordance with the rules during that time period. Notwithstanding rule 441—89.2(249F), the following exceptions apply to transfers that occur on or after July 1, 1996. The following transfers do not create a debt to the department:

1. Transfers to or for the sole benefit of the transferor’s spouse, including a transfer to a spouse by an institutionalized spouse pursuant to Section 1924(f)(1) of the federal Social Security Act.

2. Transfers to or for the sole benefit of the transferor’s child who is blind or disabled, as defined in Section 1614 of the federal Social Security Act.

3. Transfer of a dwelling, which serves as the transferor's home as defined in 20 CFR Section 416.1212, as amended to August 23, 1994, to a child of the transferor under 21 years of age.

4. Transfer of a dwelling, which serves as the transferor's home as defined in 20 CFR Section 416.1212, as amended to August 23, 1994, after the transferor is institutionalized, to either of the following:

- A sibling of the transferor who has an equity interest in the dwelling and who was residing in the dwelling for a period of at least one year immediately prior to the date the transferor became institutionalized.

- A child of the transferor who was residing in the dwelling for a period of at least two years immediately prior to the date the transferor became institutionalized and who provided care to the transferor which permitted the transferor to reside at the dwelling rather than in an institution or facility.

5. Transfers of less than \$2,000. All transfers by the same transferor during the five-year period prior to the application for medical assistance by the transferor shall be aggregated. If a transferor transfers property to more than one transferee during the five-year period prior to application for medical assistance by the transferor, the \$2,000 exemption shall be divided equally between the transferees for the five-year period prior to application for medical assistance.

6. Transfers that would, at the time of the transferor's application for medical assistance, have been exempt from consideration as a resource if they had been retained by the transferor, pursuant to 42 U.S.C. Section 1382(b)(a).

7. Transfers to a trust established solely for the benefit of the transferor's child who is blind or permanently and totally disabled as defined in Section 1614 of the federal Social Security Act.

8. Transfers to a trust established solely for the benefit of a person under 65 years of age who is disabled, as defined in Section 1614 of the federal Social Security Act.

9. Rescinded IAB 11/29/00, effective 1/3/01.

**441—89.4(249F) Presumption of intent.** Any transfer of property for less than fair market consideration made while the transferor is receiving medical assistance or within five years prior to an application for medical assistance is presumed to be made with the intent, on the part of the transferee, of enabling the transferor to obtain or maintain eligibility for medical assistance. This presumption can be rebutted only by clear and convincing evidence that the transferor's eligibility or potential eligibility for medical assistance was no part of the transferee's reason for accepting the transfer of property.

**441—89.5(249F) Notice of debt.** The department may issue a notice establishing and demanding payment of an accrued or accruing debt due and owing to the department as provided in rule 441—89.2(249F). The notice shall be sent by restricted certified mail, as defined in Iowa Code section 618.15, to the transferee at the transferee's last-known address. If service of the notice is unable to be completed by restricted certified mail, the notice shall be served upon the transferee in accordance with the Iowa Rules of Civil Procedure. The notice shall include all of the following:

**89.5(1) Amount of debt.** The amount of medical assistance provided to the transferor to date which creates the debt.

**89.5(2) Computation of debt.** A computation of the debt due and owing.

**89.5(3) Demand for payment.** A demand for immediate payment of the debt.

**89.5(4) Request for conference.**

*a.* A statement that if the transferee desires to discuss the notice, the transferee may contact the department and request an informal conference.

*b.* A statement that, if a conference is requested, the transferee has until 10 days after the date set for the conference or until 20 days after the date of service of the original notice, whichever is later, to send a written request for a hearing to the department.

*c.* A statement that after the conference, the department may issue a new notice to be sent to the transferee or the transferee's attorney.

*d.* A statement that if the department issues a new notice the transferee has until 10 days after the date of mailing of the new notice or until 20 days after the date of service of the original notice to send a written request for a hearing to the department.

**89.5(5) Request for hearing without conference.** A statement that the transferee has until 20 days after the date of service of the original notice to send a written response setting forth any objections and requesting a hearing to the department.

**89.5(6) Hearing in district court.** A statement that if a timely written request for a hearing is received by the department, the transferee has the right to a hearing to be held in district court; and if no timely written request for hearing is received, the department shall enter an order in accordance with the latest notice.

**89.5(7) Collection action.** A statement that as soon as the order is entered the property of the transferee is subject to collection action including, but not limited to, wage withholding, garnishment, attachment of a lien, issuance of a distress warrant, or execution.

**89.5(8) Responsibilities of transferee.** A statement that the transferee must give the department written notice of any change of address or employment.

**89.5(9) Questions.** A statement that if the transferee has any questions regarding the transfer of assets, the transferee should contact the department or consult an attorney.

**89.5(10) Other information.** Other information as the department finds appropriate.

**441—89.6(249F) No timely request of a hearing.**

**89.6(1) Entering of order.** If a timely written request for hearing is not received by the department, the department may enter an order in accordance with the latest notice. The order is final, and action by the department to enforce and collect upon the order may be taken from the date of the issuance of the order.

**89.6(2) Order.** The transferee shall be sent a copy of the order by first-class mail addressed to the transferee at the transferee's last known address or, if applicable, to the transferee's attorney at the last known address of the transferee's attorney. The order shall specify:

- a.* The amount to be paid with directions as to the manner of payment.
- b.* The amount of the debt accrued and accruing in favor of the department.
- c.* Notice that the property of the transferee is subject to collection action including, but not limited to, wage withholding, garnishment, attachment of a lien, issuance of a distress warrant, and execution.

**441—89.7(249F) Timely request for a hearing.** If a timely written request for a hearing is received by the department, the department shall certify the matter for hearing to the district court where the transferee resides or to the district court where the transferor resides if the transferee is not an Iowa resident. If neither the transferor nor the transferee resides in Iowa, the order may be filed in any county in which the transferor formerly resided.

The certification shall include true copies of the original notice, the return of service, any request for an informal conference, if applicable, any subsequent notices, the written request for hearing, and true copies of any administrative orders previously entered.

**441—89.8(249F) Department-requested hearing.** The department may also request a hearing on its own motion regarding the determination of a debt at any time prior to entry of an administrative order.

**441—89.9(249F) Filing and docketing of the order.** A true copy of an order entered by the department, pursuant to this chapter, along with a true copy of the return of service, if applicable, may be filed in the office of the clerk of the district court in the county in which the transferee resides or, if the transferee resides in another state, in the office of the district court in the county in which the transferor resides. The department's order shall be presented, *ex parte*, to the district court for review and approval.

**441—89.10(249F) Exemption from Iowa Code chapter 17A.** Actions initiated under Iowa Code chapter 249F are not subject to Iowa Code chapter 17A. Review by the district court shall be an original hearing before the district court.

These rules are intended to implement Iowa Code chapter 249F as amended by 2000 Iowa Acts, chapter 1060.

CHAPTER 90  
TARGETED CASE MANAGEMENT

PREAMBLE

These rules define and structure medical assistance targeted case management services provided in accordance with Iowa Code section 225C.20 for Medicaid members with mental retardation, chronic mental illness, or a developmental disability and members eligible for the home- and community-based services (HCBS) children's mental health waiver. Provider accreditation standards are set forth in 441—Chapter 24.

Case management is a method to manage multiple resources effectively for the benefit of Medicaid members. The service is designed to ensure the health, safety, and welfare of members by assisting them in gaining access to appropriate and necessary medical services and interrelated social, educational, housing, transportation, vocational, and other services.

[ARC 7957B, IAB 7/15/09, effective 7/1/09]

**441—90.1(249A) Definitions.**

“*Adult*” means a person 18 years of age or older on the first day of the month in which service begins.

“*Child*” means a person under 18 years of age.

“*Chronic mental illness*” means the condition present in adults who have a persistent mental or emotional disorder that seriously impairs their functioning relative to such primary aspects of daily living as personal relations, living arrangements, or employment.

People with chronic mental illness typically meet at least one of the following criteria:

1. They have undergone psychiatric treatment more intensive than outpatient care more than once in a lifetime (e.g., emergency services, alternative home care, partial hospitalization, or inpatient hospitalization).

2. They have experienced at least one episode of continuous, structured supportive residential care other than hospitalization.

In addition, people with chronic mental illness typically meet at least two of the following criteria on a continuing or intermittent basis for at least two years:

1. They are unemployed, or employed in a sheltered setting, or have markedly limited skills and a poor work history.

2. They require financial assistance for out-of-hospital maintenance and may be unable to procure this assistance without help.

3. They show severe inability to establish or maintain a personal social support system.

4. They require help in basic living skills.

5. They exhibit inappropriate social behavior that results in demand for intervention by the mental health or judicial system.

In atypical instances, a person who varies from these criteria could still be considered to be a person with chronic mental illness.

For purposes of this chapter, people with mental disorders resulting from Alzheimer's disease or substance abuse shall not be considered chronically mentally ill.

“*Department*” means the department of human services.

“*Developmental disability*” means a severe, chronic disability that:

1. Is attributable to a mental or physical impairment or combination of mental and physical impairments;

2. Is manifested before the age of 22;

3. Is likely to continue indefinitely;

4. Results in substantial functional limitations in three or more of the following areas of major life activity: self-care, receptive and expressive language, learning, mobility, self-direction, capacity for independent living, and economic self-sufficiency; and

5. Reflects the person's need for a combination and sequence of special, interdisciplinary, or generic services, individualized supports, or other forms of assistance that are of lifelong or extended duration and are individually planned and coordinated.

*"Major incident"* means an occurrence involving a member using the service that:

1. Results in a physical injury to or by the member that requires a physician's treatment or admission to a hospital; or
2. Results in a member's death or the death of another person; or
3. Requires emergency mental health treatment for the member; or
4. Requires the intervention of law enforcement; or
5. Requires a report of child abuse pursuant to Iowa Code section 232.69 or a report of dependent adult abuse pursuant to Iowa Code section 235B.3; or
6. Constitutes a prescription medication error or a pattern of medication errors that leads to the outcome in paragraph "1," "2," or "3."
7. Involves a member's location being unknown by provider staff who are assigned protective oversight.

*"Medical institution"* means an institution that is organized, staffed, and authorized to provide medical care as set forth in 42 Code of Federal Regulations 435.1009, as amended to October 1, 2001. A residential care facility is not a medical institution.

*"Member"* means a person who has been determined to be eligible for Medicaid under 441—Chapter 75.

*"Mental retardation"* means a diagnosis of mental retardation which:

1. Is made only when the onset of the person's condition was before the age of 18 years;
2. Is based on an assessment of the person's intellectual functioning and level of adaptive skills;
3. Is made by a psychologist or psychiatrist who is professionally trained to administer the tests required to assess intellectual functioning and to evaluate a person's adaptive skills; and
4. Is made in accordance with the criteria provided in the Diagnostic and Statistical Manual of Mental Disorders, Fourth Edition, published by the American Psychiatric Association.

*"Rights restriction"* means limitations not imposed on the general public in the areas of communication, mobility, finances, medical or mental health treatment, intimacy, privacy, type of work, religion, place of residence, and people with whom a person may share a residence.

*"Targeted case management"* means services furnished to assist members who are part of a targeted population and who reside in a community setting or are transitioning to a community setting in gaining access to needed medical, social, educational, housing, transportation, vocational, and other services in order to ensure the health, safety, and welfare of the members. Case management is provided to a member on a one-to-one basis by one case manager.

*"Targeted population"* means people who meet one of the following criteria:

1. An adult who is identified with a primary diagnosis of mental retardation, chronic mental illness or developmental disability; or
2. A child who is eligible to receive HCBS mental retardation waiver or HCBS children's mental health waiver services according to 441—Chapter 83.

[ARC 7957B, IAB 7/15/09, effective 7/1/09]

**441—90.2(249A) Eligibility.** A person who meets all of the following criteria shall be eligible for targeted case management:

**90.2(1)** The person is eligible for Medicaid or is conditionally eligible under 441—subrule 75.1(35).

**90.2(2)** The person is a member of the targeted population.

**90.2(3)** The person resides in a community setting or qualifies for transitional case management as set forth in subrule 90.5(3).

**90.2(4)** The person has applied for targeted case management in accordance with the policies of the provider.

**90.2(5)** The person's need for targeted case management has been determined in accordance with rule 441—90.3(249A).

[ARC 7957B, IAB 7/15/09, effective 7/1/09]

**441—90.3(249A) Determination of need for service.**

**90.3(1)** *Authorization required.* Rescinded IAB 7/15/09, effective 7/1/09.

**90.3(2)** *Need for service.* Assessment of the need for targeted case management is required at least annually as a condition of payment under the medical assistance program. The case management provider shall determine the initial and ongoing need for service based on diagnostic reports, documentation of provision of services, and information supplied by the member and other appropriate sources. The evidence shall be documented in the member's file and shall demonstrate that all of the following criteria are met:

a. The member has a need for targeted case management to manage needed medical, social, educational, housing, transportation, vocational, and other services for the benefit of the member.

b. The member has functional limitations and lacks the ability to independently access and sustain involvement in necessary services.

c. The member is not receiving other paid benefits under the medical assistance program or under a Medicaid managed health care plan that serve the same purpose as targeted case management.
