

281—120.722(34CFR303) Data reporting.

120.722(1) *Protection of identifiable data.* The data described in Section 618(a) of the Act and in rule 281—120.721(34CFR303) must be publicly reported by the state in a manner that does not result in disclosure of data identifiable to individual children.

120.722(2) *Sampling.* If permitted by the Secretary, the state may obtain data in Section 618(a) of the Act through sampling.
