

281—98.66(257,279,298A,565) District support trust fund. The district support trust fund is used to account for moneys received in trust where those moneys, both principal and interest, are to benefit the school district. The school district or area education agency will not transfer its own resources to a district support trust fund. If the school district or area education agency has more than one district support trust, it will use locally assigned project codes pursuant to Uniform Financial Accounting for Iowa School Districts and Area Education Agencies to identify the different trusts in the same fund. The district support trust fund is not an irrevocable trust. The board of directors of the school district must take action to accept or establish each gift, devise, or bequest in the district support trust fund. It is the board's responsibility to ensure that the terms of the gift, devise, or bequest are compatible with the mission of and legal restrictions on the school district. Once accepted, gifts, devises, and bequests become public funding under the stewardship of the school district. If the purpose for which the moneys are to be spent is not in keeping with the overall objectives of the school district or legal authority of the school district, the board shall not assume responsibility as the trustee.
