

661—275.1(100C) Establishment of program. The fire protection system contractor license is established pursuant to Iowa Code chapter 100C.

275.1(1) Licensure required. No person shall act as a fire extinguishing system contractor without being currently licensed as a fire protection system contractor by the department.

275.1(2) Endorsement. The licensure of each contractor will carry an endorsement for one or more of the following:

- a. Automatic sprinkler system installation.
- b. Special hazards systems installation.
- c. Preengineered dry chemical or wet agent fire suppression systems installation.
- d. Preengineered water-based fire suppression systems in one- and two-family dwellings installation.
- e. Automatic sprinkler system maintenance inspection.
- f. Special hazards system maintenance inspection.
- g. Preengineered dry chemical or wet agent fire suppression systems maintenance inspection.
- h. Preengineered water-based fire suppression systems in one- and two-family dwellings maintenance inspection.

Any person acting as a fire extinguishing system contractor shall do so only in relation to systems covered by the endorsements on the contractor's license.

275.1(3) Length of licensure. A license is normally for one year and expires on March 31 each year. A license which is effective on a date other than April 1 is effective on the date on which the license is issued and expires on March 31 of the following year.
