

2022 IowaPERC (State) Programs & Projects

1. Safety Director Project - Chapter 101C - Act establishing IowaPERC (State). One of the provisions provides for programs/projects to enhance consumer and employee safety, and training. IPGA submitted this request to hire a State Safety & Education Director to facilitate these programs/projects. This project is statewide. \$158,000.00. It is an ongoing project.
2. Fire Schools - The Iowa Fire Service Training Bureau conducts fire schools around the state of Iowa. This project supplies the propane for the schools. It was statewide. \$5,251.94.
3. Regulator Replacement for Eligible LIHEAP Clients Project - This project assists LIHEAP clients that are unable to receive propane deliveries due to unsafe regulators on their residential propane system. It provides for a rebate to be applied towards the installation of new regulators on the LIHEAP client installation. This project was offered statewide. 14 rebates were paid out. \$2,475.00.
4. Safe High Efficiency Water Heater Rebates - This project establishes an incentive program for new high efficiency propane water heaters that are safely installed. This project was statewide. 137 rebates were paid out. \$40,370.00.
5. Duty to Warn Brochures - Provide Duty to Warn Safety Brochures to the propane marketers to hand out to their propane customers. This project was offered statewide. \$8,421.33.
6. Duty to Warn & Don't Get Caught Out of Gas - This provides Duty to Warn and Don't Get Caught Out of Gas brochures to LIHEAP Cap Agencies in the state of Iowa to provide to consumers. \$612.00
7. Farm Bureau Cookout Contest - This project allows IPGA to co-sponsor the Farm Bureau Cookout Contest. Safe Grilling tips are handed out to the contestants and IPGA gives a propane grill to the Youth winner. The project is statewide. \$1,800.
