SENATE JOINT RESOLUTION

1 A Joint Resolution requesting the Congress of the United States
2 to submit to the states for ratification an amendment to the
3 United States Constitution providing for a nonpartisan
4 approach to congressional redistricting.

5 WHEREAS, the essence of a representative democracy is to have
6 an elected body that is truly representative of the population;
7 and

8 WHEREAS, congressional redistricting in many states has been
9 used to protect or defeat incumbents, and to enhance partisan
10 advantage; and

11 WHEREAS, congressional redistricting in some states has turned
12 the concept of representative democracy on its head by allowing
13 elected officials to select their constituents; and

14 WHEREAS, the current practice of partisan gerrymandering of
15 congressional districts leads to the establishment of very few
16 competitive congressional districts; and

17 WHEREAS, the lack of competition in congressional elections
18 limits the choices of Americans and leads to disenchantment with
19 the political process; NOW THEREFORE,
