15 EXPLANATION

16 This bill relates to lobbying activities by federal, state,  
17 and local agencies.

18 Currently, there are four defined types of lobbyists. One  
19 of the types is persons serving or employed by federal, state,  
20 or local governmental agencies. All persons included under  
21 the definition of lobbyist are subject to certain laws under  
22 Code chapter 68B, including lobbyist registration and reporting  
23 requirements.

24 The bill eliminates persons serving or employed by federal,  
25 state, or local governmental agencies from the definition of  
26 lobbyist. The bill makes conforming amendments in the areas  
27 of lobbyist registration, bans on certain lobbying activities,  
28 and jurisdiction for certain actions commenced against local  
29 officials or employees.

30 The bill prohibits a person representing a federal, state,  
31 or local government agency before the general assembly, a state  
32 agency, or any statewide elected official from encouraging  
33 the passage, defeat, approval, veto, or modification of  
34 legislation, a rule, or an executive order.
