3 20 that hospital. To be eligible to have the maximum collectible  
3 21 amount limitation applied to subsequent charges, the uninsured  
3 22 patient shall inform the hospital in subsequent inpatient  
3 23 admissions or outpatient encounters that the patient has  
3 24 previously received health care services from that hospital  
3 25 and was determined to be entitled to the uninsured discount.

6 4 responsible for payment of the hospital's full charges.  
6 5 7. DETERMINATION OF TWELVE-MONTH MAXIMUM. In order for a  
6 6 hospital to determine the twelve-month maximum amount that can

6 22 exempt from the provisions of this division.  
6 23 2. This division shall not be used by a private or public  
6 24 health care insurer or plan as a basis for reducing its  
6 25 payment or reimbursement rates or policies with respect to any  
6 26 hospital. Notwithstanding any other provisions of law,  
6 27 discounts authorized under this division shall not be used by  
6 28 a private or public health care insurer or plan, regulatory  
6 29 agency, arbitrator, court, or other third-party to determine a  
6 30 hospital's usual and customary charges for any health care  
6 31 service.  
6 32 3. This division shall not be construed to require a  
6 33 hospital to provide an uninsured patient with a particular  
6 34 type of health care service or other service.  
6 35 Sec. 6. NEW SECTION. 135B.40 ENFORCEMENT.

7 19 or information directly related to the alleged violations.

7 20 c. Examine any record, book, document, account, or paper  
7 21 necessary to investigate the alleged violations.

7 22 5. If the department determines that there is reason to  
7 23 believe that any hospital has violated this division, the  
7 24 department may bring an action for injunctive relief for any

7 26 division.

7 27 6. The department may seek the assessment of a civil

7 34 EXPLANATION

7 35 This bill creates a new division in Code chapter 135B  
8 1 (licensure and regulation of hospitals). The division is  
8 2 entitled the "Hospital Discounts to the Uninsured Act".

8 3 The bill provides definitions including "cost-to-charge  
8 4 ratio", "family income", "federal poverty income guidelines",  
8 5 "Iowa resident", "medically necessary", "uninsured discount",  
8 6 "uninsured discount factor", and "uninsured patient" for the  
8 7 purposes of the division.

8 8 The bill specifies the formula for computing the discount.  
8 9 Under the bill, eligibility of individuals for an uninsured  
8 10 patient discount applies to individuals receiving medically  
8 11 necessary services at a hospital, other than a critical access  
8 12 hospital or a rural hospital, with family incomes of not more  
8 13 than 600 percent of the federal poverty income guidelines, for  
8 14 health care services exceeding \$300 in any one inpatient  
8 15 admission or outpatient encounter. The uninsured patient  
8 16 discount also applies to uninsured patients receiving  
8 17 medically necessary services at a rural hospital or critical  
8 18 access hospital with annual family incomes of not more than  
8 19 300 percent of the federal poverty income guidelines for all  
8 20 medically necessary services exceeding \$300 in any one  
8 21 inpatient admission or outpatient encounter.

8 22 The bill establishes a maximum collectible amount during a  
8 23 12-month period. The bill provides that a hospital may  
8 24 exclude an uninsured patient from application of the discount  
8 25 if the uninsured patient has a specified amount of assets.  
8 26 The bill directs hospitals to provide a prominent statement of  
8 27 the uninsured discount in bills, invoices, or other summaries  
8 28 of charges to uninsured patients.

8 29 The bill specifies patient responsibilities and hospital  
8 30 obligations. A hospital may require that an uninsured patient  
8 31 first apply for public programs or other third-party coverage  
8 32 if there is a reasonable basis to believe that the uninsured  
8 33 patient may be eligible for such program, prior to the  
8 34 patient's application for the uninsured patient discount. A  
8 35 patient applying for the discount is responsible for verifying  
9 1 the patient's family income, assets, and residence. The  
9 2 hospitals obligation to the patient may cease if the patient  
9 3 unreasonably fails or refuses to provide the information and  
9 4 documentation requested with 30 days of the hospital's  
9 5 request.

9 6 The bill provides that a hospital that does not charge for  
9 7 its services is exempt from the provisions of the bill. The  
9 8 bill also provides that nothing in the bill is to be used by  
9 9 any private or public health care insurer or plan as a basis  
9 10 for reducing its payment or reimbursement rates or policies  
9 11 with respect to any hospital. Discounts authorized under the  
9 12 bill are also not to be used by any private or public health  
9 13 care insurer or plan, regulatory agency, arbitrator, court, or  
9 14 other third-party to determine a hospital's usual and  
9 15 customary charges for any health care service. Nothing in the  
9 16 bill is to be construed to require a hospital to provide an

9 17 uninsured patient with a particular type of health care  
9 18 service or other service.  
9 19 The bill provides for enforcement by the department of  
9 20 inspections and appeals. The bill authorizes subpoena power  
9 21 on the part of the department in an investigation of possible  
9 22 violations of the bill to require the hospital to file a  
9 23 statement or report or answer interrogatories in writing as to  
9 24 all information relevant to the alleged violations; examine  
9 25 under oath any person who possesses knowledge or information  
9 26 directly related to the alleged violations; and to examine any  
9 27 record, book, document, account, or paper necessary to  
9 28 investigate the alleged violation. If the department  
9 29 determines that there is reason to believe that any hospital  
9 30 has violated the bill, the department may bring an action for  
9 31 injunctive relief. The department may also seek the  
9 32 assessment of a civil penalty not to exceed \$500 per violation  
9 33 if a hospital knowingly violates the uninsured patient  
9 34 discount provisions of the bill. Finally, if a hospital is  
9 35 found to have violated the bill, following exhaustion of all  
10 1 appeals, the department may suspend or revoke the hospital's  
10 2 license.
