14 to meet the requirement in section 231C.3, subsection 1,
15 paragraph "g".

16 EXPLANATION

17 This bill amends Code sections related to assisted living
18 programs. The bill adds that the purpose of establishing an
19 assisted living program includes providing consumer protections
20 to ensure program transparency, oversight, and accountability.
21 The bill provides that it is the intent of the general assembly
22 that the department of inspections and appeals provide
23 consistent standards and oversight to ensure protection of
24 consumers of assisted living programs.

25 The bill amends the definition of "assisted living" to
26 mean the provision of a social model of housing in a physical
27 structure with services to three or more tenants. The physical
28 structure must balance individual privacy with the benefits
29 of social interaction. The bill provides that the social
30 model must create an environment that supports the tenant in
31 maximizing the highest practicable level of well-being that
32 assists the tenant in maintaining optimal independence and
33 delaying further decline in any existing health, cognitive,
34 mental health, or functional condition.

35 The bill amends the definition of "assisted living" to

1 include as required assisted living services, health-related
2 care, the encouragement of family involvement, tenant
3 self-direction, and tenant participation in a manner
4 commensurate with the tenant's health, cognitive, mental
5 health, and functional status, and access to awake staff 24
6 hours per day to meet the tenant's needs commensurate with
7 the tenant's health, cognitive, mental health, and functional
8 status. The bill provides that assisted living services may
9 include assistance with instrumental activities of daily
10 living.

11 The bill requires the department of inspections and appeals
12 (DIA) to establish rules regarding standards for tenant
13 evaluation or assessment. The rules shall require that each
14 prospective tenant's health, cognitive, mental health, and
15 functional status be evaluated prior to the tenant's signing
16 the occupancy agreement and taking occupancy of a dwelling
17 unit. The evaluations must be completed using one or two of
18 the standard assessment tools selected by the department.

19 The bill requires that the DIA's rules regarding tenant
20 service plans provide that daily activities based on the
21 tenant's abilities, personal interests, and individual
22 assessment shall be planned for a tenant who is unable to
23 plan the tenant's own activities. The rules regarding tenant
24 service plans also must include the level of staff needed to
25 provide care.

26 The bill requires the DIA to establish rules regarding
27 standards for food service at an assisted living program to
28 ensure that a program meets a tenant's nutritional needs.
29 These standards shall require that the program, at minimum,
30 provide one hot meal per day to all tenants and up to three
31 meals per day for tenants requiring the service.

32 The bill requires the DIA to establish rules regarding
33 standards for employment of program managers. The standards
34 must require new program managers employed on or after
35 January 1, 2013, to have a minimum of three years of study

1 or experience related to older adults and to complete an
2 assisted living management class within six months of initial
3 employment as a program manager. A program manager does not
4 need to complete additional training if the program manager has
5 completed similar training prior to January 1, 2013.

6 The bill provides that a written occupancy agreement
7 shall include the circumstances under which fees, charges, or
8 rates are subject to change and the process for making the
9 changes including a provision for timely notice. The bill
10 also requires a written occupancy agreement to include the
11 specific type and level of services the program provides and
12 the specific health, cognitive, mental health, or functional
13 conditions that prohibit initial occupancy or may necessitate
14 subsequent transfer.

15 The bill requires the DIA to adopt rules to implement the
16 bill.
