28 1. The board of trustees of a sanitary district may provide  
 29 for payment of all or any portion of the costs of acquiring,  
 30 locating, laying out, constructing, reconstructing, repairing,  
 31 changing, enlarging, or extending conduits, ditches, channels,  
 32 outlets, drains, sewers, laterals, treatment plants, pumping  
 33 plants, and other necessary adjuncts thereto, by assessing all,  
 34 or any portion of the costs, on adjacent property according to  
 35 the benefits derived. For the purposes of this chapter, the

1 board of trustees may define "*adjacent property*" as all that  
2 included within a designated benefited district or districts  
3 to be fixed by the board, which may be all of the property  
4 located within the sanitary district or any lesser portion  
5 of that property. It is not a valid objection to a special  
6 assessment that the improvement for which the assessment is  
7 levied is outside the limits of the sanitary district, but a  
8 special assessment shall not be made upon property situated  
9 outside of the sanitary district. Special assessments pursuant  
10 to this section shall be in proportion to the special benefits  
11 conferred upon the property, and not in excess of the benefits,  
12 and an assessment shall not exceed twenty-five percent of  
13 the value of the property at the time of levy. The value of  
14 a property is the present fair market value of the property  
15 with the proposed public improvements completed. Payment of  
16 installments of a special assessment against property used and  
17 assessed as agricultural property shall be deferred upon the  
18 filing of a request by the owner in the same manner and under  
19 the same procedures as provided in chapter 384 for special  
20 assessments by cities.

21 2. The assessments may be made to extend over a period not  
22 to exceed fifteen years, payable in as nearly equal annual  
23 installments as practicable. A majority vote of the board of  
24 trustees is requisite and sufficient for any action required by  
25 the board of trustees under this section.

26 3. Subject to the limitations otherwise stated in this  
27 section, a sanitary district organized under this chapter has  
28 all of the powers to specially assess the costs of improvements  
29 described in this section, including the power to issue special  
30 assessment bonds, warrants, project notes, or other forms of  
31 interim financing obligations, which cities have under the laws  
32 of this state.

33 4. Subject to the limitations otherwise stated in this  
34 section, the board of trustees may establish one or more  
35 benefited districts and schedules of fees for the connection

1 of property to the sanitary sewer facilities of a sanitary  
2 district. Each person whose property will be connected to the  
3 sanitary sewer facilities of a sanitary district shall pay a  
4 connection fee to the sanitary district, which may include  
5 the equitable cost of extending sanitary sewer service to  
6 the benefited district and reasonable interest from the date  
7 of construction to the date of payment. In establishing  
8 the benefited districts and establishing and implementing  
9 the schedules of fees, the board of trustees shall act in  
10 accordance with the powers granted to a city in section 384.38,  
11 subsection 3, and the procedures in that subsection. However,  
12 all fees collected under this ~~paragraph~~ subsection shall be  
13 paid to the sanitary district and the moneys collected as  
14 fees shall be used only by the sanitary district to finance  
15 improvements or extensions to its sanitary sewer facilities,  
16 to reimburse the sanitary district for funds disbursed by  
17 its board of trustees to finance improvements or extensions  
18 to its sanitary sewer facilities, or to pay debt service on  
19 obligations issued to finance improvements or extensions to  
20 its sanitary sewer facilities. This ~~paragraph~~ subsection does  
21 not apply when a sanitary district annexation plan or petition  
22 includes annexation of an area adjoining the district or a  
23 petition has not been presented for a sewer connection. Until  
24 the annexation becomes effective or the annexation plan or  
25 petition is abandoned, the state mandate contained in section  
26 455B.172, subsections 3, 4, and 5, shall not apply unless  
27 the property owner requests to be connected to the sanitary  
28 district's sewer facilities and voluntarily pays the connection  
29 fee.

30 Sec. 51. Section 403.6, subsection 1, Code 2015, is amended

19 anything to the contrary contained in this chapter or in  
20 any other provision of law) law, to agree to any conditions  
21 attached to federal financial assistance relating to the  
22 determination of prevailing salaries or wages or payment of  
23 not less than prevailing salaries or wages or compliance with

25 projects, and to include in any contract let in connection  
26 with a project, stipulations requiring that the contractor  
27 and any subcontractor comply with requirements as to minimum

5 of the power of eminent domain any real property subject to

9 any stock or mutual company of any real or personal property or  
10 operations of the municipality against any risks or hazards;  
11 to procure or agree to the procurement of federal or state  
12 government insurance or guarantees of the payment of any bonds  
13 or parts thereof issued by a municipality, including the power  
14 to pay premiums on any such insurance.

15 7. To conduct examinations and investigations and to hear  
16 testimony and take proof under oath at public or private  
17 hearings on any matter material for its information; to  
18 administer oaths, issue subpoenas requiring the attendance of  
19 witnesses or the production of books and papers and to issue  
20 commissions for the examination of witnesses who are outside of  
21 the state or unable to attend or excused from attendance; to  
22 make available to appropriate agencies ~~(including, including~~

16 be prorated and the amount of credit for the taxpayer shall  
17 equal the maximum amount of credit for the tax year, divided by  
18 twelve, multiplied by the number of months in the tax year the  
19 taxpayer was a volunteer. The credit shall be rounded to the  
20 nearest dollar. If the taxpayer is a volunteer during any part  
21 of a month, the taxpayer shall be considered a volunteer for

17 a place of business in this state and furnishing taxable  
18 services in Iowa or services outside Iowa if the product or  
19 result of the service is used in Iowa shall be subject to the

35 day of the month following the month of collection, except a

1 deposit is not required for the third month of the calendar  
2 quarter, and the total quarterly amount, less the amounts  
3 deposited for the first two months of the quarter, is due with  
4 the quarterly report on the last day of the month following  
5 the month of collection. At that time, the retailer shall  
6 file with the department a return for the preceding quarterly  
7 period in the form prescribed by the director showing the  
8 purchase price of the tangible personal property sold by the  
9 retailer during the preceding quarterly period, the use of

11 other information the director deems necessary for the proper  
12 administration of the use tax.

13 ~~b.~~ c. The return shall be accompanied by a remittance  
14 of the use tax for the period covered by the return. If  
15 necessary in order to ensure payment to the state of the tax,

17 payments to be made for other than quarterly periods. The  
18 director, upon request and a proper showing of necessity,  
19 may grant an extension of time not to exceed thirty days for  
20 making any return and payment. Returns shall be signed, in  
21 accordance with forms and rules prescribed by the director, by  
22 the retailer or the retailer's authorized agent, and shall be  
23 certified by the retailer or agent to be correct.

24 Sec. 60. Section 423D.4, Code 2015, is amended to read as  
25 follows:

26 **423D.4 Administration by director.**

27 1. The director of revenue shall administer the excise  
28 tax on the sale and use of equipment as nearly as possible in  
29 conjunction with the administration of the state sales and use  
30 tax law, except that portion of the law which implements the  
31 streamlined sales and use tax agreement. The director shall  
32 provide appropriate forms, or provide on the regular state  
33 tax forms, for reporting the sale and use of equipment excise  
34 tax liability. All moneys received and all refunds shall be  
35 deposited in or withdrawn from the general fund of the state.

1     2. The director may require all persons who are engaged  
2 in the business of deriving any sales price or purchase

4 the department. The director may also require a tax permit  
5 applicable only to this chapter for any retailer not  
6 collecting, or any user not paying, taxes under chapter 423.

7     3. Section 422.25, subsection 4, sections 422.30, 422.67,  
8 and 422.68, section 422.69, subsection 1, sections 422.70,  
9 422.71, 422.72, 422.74, and 422.75, section 423.14, subsection  
10 1, and sections 423.23, 423.24, 423.25, 423.31 through  
11 423.35, 423.37 through 423.42, and 423.47, consistent with  
12 the provisions of this chapter, apply with respect to the tax  
13 authorized under this chapter, in the same manner and with the  
14 same effect as if the excise taxes on equipment sales or use  
15 were retail sales taxes within the meaning of those statutes.  
16 Notwithstanding this ~~paragraph~~ subsection, the director shall  
17 provide for quarterly filing of returns and for other than  
18 quarterly filing of returns both as prescribed in section  
19 423.31. All taxes collected under this chapter by a retailer  
20 or any user are deemed to be held in trust for the state of  
21 Iowa.

22     Sec. 61. Section 427.1, subsection 22, paragraph a, Code  
23 2015, is amended to read as follows:

25 commissioners of the soil and water conservation district  
26 in which the property is located, not later than February 1  
27 of the assessment year, on forms provided by the department  
28 of revenue. The application shall describe and locate the  
29 property to be exempted and have attached to it an aerial ~~photo~~  
30 photograph of that property on which is outlined the boundaries  
31 of the property to be exempted. In the case of an open prairie  
32 that has been restored or reestablished, the property shall  
33 be inspected and certified as provided by the county board  
34 of supervisors as having adequate ground cover consisting of  
35 native species and that all primary and secondary noxious weeds

1 present are being controlled to prevent the spread of seeds by  
2 either wind or water. In the case of an open prairie which  
3 is or includes a gully area susceptible to severe erosion, an  
4 approved erosion control plan must accompany the application.  
5 Sec. 62. Section 452A.65, Code 2015, is amended to read as  
6 follows:

7 **452A.65 Failure to promptly pay fuel taxes — refunds —**  
8 **interest and penalties — successor liability.**

9 1. In addition to the tax or additional tax, the taxpayer  
10 shall pay a penalty as provided in section 421.27. The  
11 taxpayer shall also pay interest on the tax or additional  
12 tax at the rate in effect under section 421.7 counting each  
13 fraction of a month as an entire month, computed from the date  
14 the return was required to be filed. If the amount of the tax  
15 as determined by the appropriate state agency is less than the  
16 amount paid, the excess shall be refunded with interest, the  
17 interest to begin to accrue on the first day of the second  
18 calendar month following the date of payment or the date the  
19 return was due to be filed or was filed, whichever is the  
20 latest, at the rate in effect under section 421.7 counting  
21 each fraction of a month as an entire month under the rules  
22 prescribed by the appropriate state agency. Claims for  
23 refund filed under sections 452A.17 and 452A.21 shall accrue  
24 interest beginning with the first day of the second calendar  
25 month following the date the refund claim is received by the  
26 department.

27 2. A report required of licensees or persons operating under  
28 division III, upon which no tax is due, is subject to a penalty  
29 of ten dollars if the report is not timely filed with the state  
30 department of transportation.

31 3. If a licensee or other person sells the licensee's  
32 or other person's business or stock of goods or quits the  
33 business, the licensee or other person shall prepare a final  
34 return and pay all tax due within the time required by law.  
35 The immediate successor to the licensee or other person, if

1 any, shall withhold sufficient of the purchase price, in  
 2 money or money's worth, to pay the amount of any delinquent  
 3 tax, interest or penalty due and unpaid. If the immediate  
 4 successor of the business or stock of goods intentionally  
 5 fails to withhold any amount due from the purchase price as  
 6 provided in this ~~paragraph~~ subsection, the immediate successor  
 7 is personally liable for the payment of the taxes, interest  
 8 and penalty accrued and unpaid on account of the operation of  
 9 the business by the immediate former licensee or other person,  
 10 except when the purchase is made in good faith as provided  
 11 in section 421.28. However, a person foreclosing on a valid  
 12 security interest or retaking possession of premises under a  
 13 valid lease is not an "*immediate successor*" for purposes of this  
 14 ~~paragraph~~ subsection. The department may waive the liability  
 15 of the immediate successor under this ~~paragraph~~ subsection if  
 16 the immediate successor exercised good faith in establishing  
 17 the amount of the previous liability.

18 Sec. 63. Section 455D.16, subsection 4, paragraph a,  
 19 subparagraph (4), Code 2015, is amended to read as follows:

20 (4) That collection points will be established to serve  
 21 homeowners. The collection points shall include but are not  
 22 limited to regional collection centers permitted under 567 IAC  
 23 ch. 123. Collection points may include but are not limited to  
 24 thermostat retailers.

25 Sec. 64. Section 476.53, subsection 3, paragraph a,  
 26 subparagraph (1), Code 2015, is amended to read as follows:

27 (1) (a) Files an application pursuant to section 476A.3 to

 29 with a nameplate generating capacity equal to or greater  
 30 than three hundred megawatts or a combined-cycle electric  
 31 power generating facility, or an alternate energy production  
 32 facility as defined in section 476.42, or to significantly  
 33 alter an existing generating facility. For purposes of  
 34 this subparagraph, a significant alteration of an existing  
 35 generating facility must, in order to qualify for establishment

1 of ratemaking principles, fall into one of the following  
2 categories:

3 ~~(a)~~ (i) Conversion of a coal fueled facility into a gas  
4 fueled facility.

5 ~~(b)~~ (ii) Addition of carbon capture and storage facilities  
6 at a coal fueled facility.

8 fueled facility, in order to convert the facility to one that  
9 will rely primarily on gas for future generation.

10 ~~(d)~~ (iv) Addition of a biomass fueled capability to a coal  
11 fueled facility.

12 (b) With respect to a significant alteration of an  
13 existing generating facility, an original facility shall  
14 not be required to be either a baseload or a combined-cycle  
15 facility. Only the incremental investment undertaken by a  
16 utility under subparagraph ~~divisions~~ (a) subdivision (i), ~~(b)~~  
17 (ii), ~~(c)~~ (iii), or ~~(d)~~ (iv) shall be eligible to apply the  
18 ratemaking principles established by the order issued pursuant  
19 to paragraph "e". Facilities for which advanced ratemaking  
20 principles are obtained pursuant to this section shall not  
21 be subject to a subsequent board review pursuant to section  
22 476.6, subsection 20, to the extent that the investment has  
23 been considered by the board under this section. To the  
24 extent an eligible utility has been authorized to make capital  
25 investments subject to section 476.6, subsection 20, such  
26 investments shall not be eligible for ratemaking principles  
27 pursuant to this section.

29 to read as follows:

30 4. a. "*Excavation*" means an operation in which a structure

9 or highway maintenance which does not change the original grade  
10 of the roadway or the ditch.

11 Sec. 66. Section 491.3, subsection 6, Code 2015, is amended  
12 to read as follows:

13 6. To make contracts, acquire and transfer ~~property~~  
14 possessing property, possessing the same powers in such
