David L. Lingren, Executive Director ..... Serves at Pleasure of Commission

The Iowa Communications Network (ICN) was established by the General Assembly effective July 1, 1994. The ICN provides voice, video, and data (including Internet) telecommunications services to authorized users in private and public K-12 schools, area education agencies, community colleges, regents institutions, private colleges, state and federal government agencies, all courtrooms, all corrections facilities including community-based corrections, the U.S. Postal Service (demonstration projects), public libraries, and hospitals and physician clinics (not voice) throughout the state. The ICN was created to ensure that authorized users are provided affordable telecommunications services for educational and other applications throughout rural and urban Iowa on an equal cost and access basis. The ICN is dedicated to delivering telecommunications features and savings to authorized users by partnering with the private sector to maximize technology resources.

The executive director is appointed by the Iowa Telecommunications and Technology Commission (ITTC), in consultation with the Director of the Department of Administrative Services, serves at the pleasure of the commission, and is confirmed by the Senate. Commission members are appointed by the Governor and are subject to Senate confirmation. Policy, standards, and rules governing the ICN are determined by the ITTC (see Iowa Code chapter 8D).

The General Assembly created the Iowa Finance Authority in 1975 as a public instrumentality and agency to undertake programs that help working-class Iowans attain and maintain safe, decent, and affordable housing. The General Assembly charged the Iowa Finance Authority with encouraging the investment of private capital and stimulating the construction and rehabilitation of adequate housing through the use of public financing. A nine-member board of directors, appointed by the Governor and subject to confirmation by the Senate, serves in a policymaking capacity for the agency. Over the years the Iowa Finance Authority's role has expanded considerably and currently includes four primary areas of responsibility. The Iowa Finance Authority offers a variety of programs that address a continuum of housing needs, from homeless assistance and multifamily rental to single-family homeownership. The Iowa Finance Authority issues tax-exempt bonds for a wide range of projects and provides the lowest-cost funds for drinking water and waste water facilities in Iowa. This program, called the State Revolving Fund, receives federal grants that allow for low-interest loans to assist communities with the planning, design, and construction of water facilities. The Iowa Finance Authority's Title Guaranty Division offers a low-cost mechanism to guarantee title to real property in Iowa. Working with attorneys, abstractors, and lenders throughout the state, Title Guaranty ensures the integrity of the land-title transfer system. The Iowa JOBS Board was created by 2009 Iowa Acts, Senate File 376. The Iowa Finance Authority provides administrative support for the six-member public board, which is appointed by the Governor and includes five ex officio government officials designated by the Legislature. The Iowa JOBS Board reviews applications under the Iowa JOBS Local Infrastructure Competitive Grant Program and the Disaster Prevention Grant Program and makes awards of grants to eligible applicants.

**IOWA LAW ENFORCEMENT ACADEMY**

Arlan Ciechanowski, Director

The Iowa Law Enforcement Academy (ILEA) was created by action of the General Assembly in 1967 to maximize training opportunities for law enforcement officers, to coordinate training, and to set standards for the law enforcement service, as provided for in Iowa Code chapter 80B.

The academy provides residential training sessions varying in length from 14-week basic certification courses to one-day specialty and in-service seminars. Academy-sponsored and academy-conducted training programs are held in the field as well as at the central facility at Camp Dodge.

In 1985 and 1986, the academy was given the responsibility for the administration of a program of psychological testing of applicants for law enforcement positions. In 1986, action taken by the General Assembly assigned to the academy the responsibility of providing training to jailers of county jails and city holding facilities. Action by the General Assembly in 1996 placed with the academy the responsibility for providing training for telecommunicators.

All reserve peace officers in the state who are granted authority by their jurisdiction to carry weapons must first be certified to do so by application to and approval of the Iowa Law Enforcement Academy Council. All reserve peace officers in the state are now certified by the ILEA after completion of 80 hours of ILEA standardized training.

The academy develops training programs, approves regional training programs, establishes hiring standards for peace officers, and provides audiovisual resources to law enforcement training and educational institutions.
