 9 each month within and without the state. Such statement shall show
 10 the average daily sleeping car and dining car service or wheelage op-

 15 as compared with the length of haul or carriage elsewhere. It being
 16 hereby declared that for the purpose of making reports looking to the
 17 assessment of railway property for taxation the gross earnings or
 18 business done or carried partly within this state and partly in an-
 19 other state, or other states, or territories, shall be that proportion of
 20 the entire earnings of such business that the haul or carriage in this
 21 state bears to the entire haul or carriage.

SEC. 4540. Rules and regulations—power of executive council.

1 The executive council shall have the power to prescribe such rules
2 and regulations with respect to the keeping of accounts by the railway

3 municated in writing or print to the said several railway companies
4 within thirty days from and after April fifteenth, nineteen hundred
5 two, and shall be and become binding upon said railway companies
6 from the time they are so communicated; provided, however, that the
7 said executive council shall have the power to prescribe supplemental
8 or additional rules, regulations, and requirements at any time, and
9 communicate them to the several railway companies in the manner
10 aforesaid, and with respect to such additional or supplemental rules,

3 at the time or according to the conditions named, then the county
4 auditor may cause the same to be prepared by the county surveyor
5 and the cost thereof shall, in the first place, be audited and paid by
6 the board of supervisors out of the county fund, and the amount
7 thereof shall be by said board levied as a special tax against said com-

 4 stating the length of the main track and the assessed value of each
 5 railway lying in each city, town, township or lesser taxing district
 6 in its county, through or into which said railway extends, as fixed by
 7 the council, which shall constitute the taxable value of said property
 8 for taxing purposes; and the taxes on said property, when collected
 9 by the county treasurer, shall be disposed of as other taxes. The
 10 county auditor shall transmit a copy of said order to the council or
 11 trustees of the city, town or township.

 8 council with such books, papers, or statements as the council may re-
 9 quire, or it may require additional statements to be made by such
 10 company, and may compel the attendance of witnesses, in case said

 14 and be heard in the matter of the valuation of the property of such
 15 company for taxation.

[S., '13, § 1346-c.]

1 The executive council shall first ascertain the actual value of the

 19 exclusively outside the general business of the company, and also the
 20 actual value of that part of its property, if any, without the state

 22 of its routes; and the aggregate of such values shall be deducted from
 23 the entire actual value of the property as above ascertained. The
 24 executive council shall next ascertain and deduct the actual value of
 25 the sea or ocean routes of any such company, and in ascertaining the

 27 per mile, of such sea or ocean routes, as compared with the earnings,
 28 gross and net, of the land routes of such company or may ascertain
 29 their value in any other practicable manner, and may require that the
 30 reports heretofore provided for shall show such earnings. Thereupon
 31 the executive council shall ascertain the actual value of the property

32 of such company within the state of Iowa, and for that purpose may
 33 take into consideration the proportional value of the company's prop-
 34 erty without and within the state, and shall take as a basis of valua-
 35 tion of the company's property in this state the proportion of the
 36 whole aggregate value of the property of said company, as above
 37 ascertained, after making the deductions above provided for which
 38 the length of the routes within the state of Iowa bears to the whole
 39 length of the routes of such company other than sea or ocean routes,
 40 and such amount so ascertained shall be considered and taken to be
 41 the entire actual value of the property of such company within the
 42 state of Iowa. From the entire actual value of the property within
 43 the state so ascertained, there shall be deducted by the said council
 44 the actual value of all the real estate, buildings, machinery, appliances,
 45 and personal property not used exclusively in the conduct of the busi-
 46 ness within the state that are subject to local taxation within the
 47 counties, townships, and other assessment districts as hereinbefore
 48 described in the sixth item of section forty-five hundred sixty-one.

[S., '13, § 1346-d.]

SEC. 4565. Actual value per mile—taxable value.

1 The executive council shall thereupon ascertain the value per mile
 2 of the property within the state, by dividing the total value as above
 3 ascertained, after deducting the specific properties locally assessed
 4 within the state, by the number of miles within the state, and the result
 5 shall be deemed and held to be the actual value per mile of the prop-
 6 erty of such company within the state of Iowa. The assessed or tax-
 7 able value shall be determined by taking that percentage of the actual
 8 value so ascertained, as is provided by section forty-five hundred
 9 eighty-four, and such valuation and assessment shall be in the same
 10 ratio as that of the property of individuals.

[S., '13, § 1346-e.]

SEC. 4566. Assessment in each county—how certified.

1 Said executive council shall thereupon, for the purpose of deter-
 2 mining what amount shall be assessed by it to said company, in each
 3 county of the state, through, across, into, or over which the route of
 4 said company extends, multiply the value per mile, as above ascer-
 5 tained, by the number of miles in each of said counties, as reported
 6 in said statements, or as otherwise ascertained, and the result thereof,
 7 with the mileage and the rate of assessment per mile, shall be by said
 8 council certified to the auditors respectively of the several counties
 9 through, into, over and across which the routes of said company
 10 extend.

[S., '13, § 1346-f.]

SEC. 4567. Levy and collection of tax—rates.

1 At the first meeting of the board of supervisors held after such
 2 certificate is received by the county auditor, it shall cause the same
 3 to be entered in its minute book and make and enter therein an order
 4 stating the length of the routes and the assessed value of each in each
 5 city, town, township, or other taxing district in its county, through
 6 or into which said routes extend, which shall constitute the taxable
 7 value of said property for taxing purposes, and the taxes on said prop-
 8 erty, when collected by the county treasurer, shall be disposed of as
 9 other taxes. The county auditor shall immediately thereafter trans-

10 mit a copy of said order to the councils of cities, or towns, and to the
 11 trustees of each township, in the county. The county auditor shall
 12 also add to the value so apportioned the assessed value of the real
 13 estate, buildings, machinery, fixtures, appliances, and personal prop-
 14 erty not used exclusively in the conduct of the business situated in
 15 any township or taxing district as returned by the assessor thereof,
 16 and extend the taxes thereon upon the tax list as in other cases. All
 17 such property shall be taxable upon said assessment at the same rates,
 18 by the same officers, and for the same purposes as the property of
 19 individuals within such counties, townships, or taxing districts. The
 20 property so included in said assessment and the shares of stock in
 21 such companies so assessed shall not be taxed in this state, except as
 22 provided in this chapter.

[S., '13, § 1346-g.]

SEC. 4568. Penalty.

1 In case any such company shall fail or refuse to pay any taxes
 2 assessed against it in any county, township, or assessment district
 3 in the state, in addition to other remedies provided by law for the
 4 collection of taxes, an action may be prosecuted in the name of the
 5 state of Iowa by the county attorneys of the different counties of the
 6 state, on the relation of the auditors of the different counties of the
 7 state, and judgment in such action shall include a penalty of fifty per
 8 cent of the amount of the taxes so assessed and unpaid, together with
 9 reasonable attorney's fees for the prosecution of such action, which
 10 action may be prosecuted in any county into, through, over, or across
 11 which the routes of any such company shall extend, or in any county
 12 where such company shall have an officer or agent for the transaction
 13 of business.

[S., '13, § 1346-h.]

SEC. 4569. "Company" defined.

1 The word "company," as used in this chapter, shall be deemed
 2 and construed to mean and include any person, copartnership, asso-
 3 ciation, corporation, or syndicate that may own or operate, or be en-
 4 gaged in operating, any express route as herein defined, whether
 5 formed or organized under the laws of this state, any other state or
 6 territory, or of any foreign country.

[S., '13, § 1346-i.]

CHAPTER 11.

ELECTRIC TRANSMISSION LINES.

**SECTION 4570. Electric transmission lines—annual statement—
 what to contain.**

1 Every company owning or operating a transmission line or lines
 2 for the conduct of electric energy and which line or lines are located
 3 within the state, and which said line or lines are also located wholly
 4 or partly outside cities and towns, shall on or before the first day of
 5 May in each year, furnish to the executive council of the state of Iowa
 6 a verified statement as to its entire line or lines within this state,

7 when all of said line or lines are located outside cities and towns, and
 8 as to such portion of its line or lines within this state as are located
 9 outside cities and towns, when such line or lines are located partly
 10 outside and partly inside cities and towns, showing:

11 1. The total number of miles of line owned, operated or leased,
 12 located outside cities and towns within this state, with a separate
 13 showing of the number of miles leased.

14 2. The location and length of each division within the state and
 15 the character of poles, towers, wires, substation equipment and other
 16 construction of each such division, designating the length and por-
 17 tion thereof in each separate county into which each such division
 18 extends.

[S. S., '15, § 1346-k.]

SEC. 4571. Additional statement—delay—penalty.

1 Upon receipt of said statements from the several companies, the
 2 executive council shall examine such statements, and if it shall deem
 3 same insufficient, and that further information is requisite, it shall
 4 require the company making same to make such other or further
 5 statement as it may desire, notifying such company thereof by regis-
 6 tered mail. In case of the total failure or refusal to make any state-
 7 ment required by this and the preceding section to be made by May
 8 first in any year, or of failure or refusal to make such other or further
 9 statement within thirty days from the time the registered notice
 10 thereof is received by said company that the same is required by the
 11 executive council, such company shall forfeit and pay to the state of
 12 Iowa, one hundred dollars for each day the total failure or refusal
 13 to make any report is continued beyond the said first day of May of
 14 the year in which it is required, or in case of any such other or further
 15 report required by the executive council for each day the same is
 16 delayed beyond thirty days from the receipt of the notice by said com-
 17 pany that same is required, such forfeiture to be sued for and recov-
 18 ered in any proper form of action in the name of the state and on
 19 relation of the executive council of the state of Iowa, and such penalty
 20 when collected, shall be paid into the general fund.

[S. S., '15, § 1346-l.]

SEC. 4572. Assessment by executive council.

1 The executive council shall, at its meeting on the second Monday
 2 in July of each year, proceed to find the actual value of that part of
 3 such transmission line or lines referred to in section forty-five hun-
 4 dred seventy, owned or operated by any company, that are located
 5 within this state but outside cities and towns, including the whole
 6 of such line or lines when all of such line or lines owned or operated
 7 by said company are located wholly outside cities and towns, taking
 8 into consideration the information obtained from the statements re-
 9 quired by this chapter, and any further information they can obtain,
 10 using the same as a means of determining the actual cash value of
 11 such transmission line or lines or part thereof, within this state,
 12 located outside cities and towns. The executive council shall then
 13 ascertain the value per mile of such transmission line or lines owned
 14 or operated by each company specified in section forty-five hundred
 15 seventy by dividing the total value as above ascertained by the num-
 16 ber of miles of line of such company within the state located outside
 17 cities and towns, and the result shall be deemed and held to be the

18 actual value per mile of said transmission line or lines of each of said
19 companies within the state located outside of cities and towns. The
20 taxable value of such line or lines of which said executive council by
21 this chapter are required to find the value, shall be determined by
22 taking the percentage of the actual value so ascertained, as provided
23 by section forty-five hundred eighty-four, and the ratio between the
24 actual value and the assessed or taxable value of the transmission line
25 or lines of each of said companies located outside of cities and towns
26 shall be the same as in the case of the property of private individuals.
27 At said meeting in July, any company interested shall have the right
28 to appear by its officers, agents and attorneys before the executive
29 council, and be heard on the question of the value of its property for
30 taxation.

[S. S., '15, § 1346-m.]

SEC. 4573. Amount assessed to company—how determined—result certified to auditors.

1 The executive council shall, for the purpose of determining what
2 amount shall be assessed to any one of said companies in each county
3 of the state into which the line or lines of the company extend, multi-
4 ply the assessed or taxable value per mile of line of said company, as
5 ascertained according to the provisions of the three preceding sections,
6 by the number of miles of line in each of said counties, and the result
7 thereof shall be by said council certified to the several county auditors
8 of the respective counties into, over or through which said line or
9 lines extend.

[S. S., '15, § 1346-n.]

SEC. 4574. Duty of board of supervisors—levy and collection of tax.

1 At the first meeting of the board of supervisors held after said
2 statements are received by the county auditor, it shall cause such state-
3 ment to be entered in its minute book and make and enter therein an
4 order stating the length of the lines and the assessed value of the prop-
5 erty of each of said companies situated in each township or lesser
6 taxing district in each county outside cities and towns, as fixed by
7 the executive council, which shall constitute the taxable value of said
8 property for taxing purposes. The county auditor shall transmit a
9 copy of said order to the trustees of each township and to the proper
10 taxing boards in lesser taxing districts into which the line or lines
11 of said company extend in the county. The taxes on said property
12 when collected by the county treasurer shall be disposed of as other
13 taxes on real estate.

[S. S., '15, § 1346-o.]

SEC. 4575. Tax rate same as of individuals.

1 Such portions of the transmission line or lines within the state
2 referred to in section forty-five hundred seventy hereof, as are located
3 outside cities and towns, shall be taxable upon said assessment pro-
4 vided for by sections forty-five hundred seventy-two and forty-five
5 hundred seventy-three at the same rate, by the same officers and for
6 the same purposes as property of individuals within such counties,
7 townships or lesser taxing districts, outside cities and towns, and the
8 county treasurer shall collect said taxes at the same time and in the

9 same manner as other taxes, and the same penalties shall be due and
10 collectible as for the nonpayment of individual taxes.

[S. S., '15, § 1346-p.]

SEC. 4576. Not otherwise assessed—exceptions.

1 Every transmission line or part thereof, of which the executive
2 council is required by this chapter and section forty-four hundred
3 eighty-six, to find the value, shall be exempt from other assessment
4 or taxation either under section forty-five hundred one, or under any
5 other law of this state except as provided in this chapter, and section
6 forty-four hundred eighty-six; provided that all lands, buildings, ma-
7 chinery, poles, towers, wires, station and substation equipment and
8 other construction owned or operated by any company referred to in
9 section forty-five hundred seventy, and which such property is located
10 within any city or town within this state shall be listed and assessed
11 for taxation in the same manner as provided in section forty-five hun-
12 dred one, for the listing and assessments of that part of the lands,
13 buildings, machinery, tracks, poles and wires within the limits of any
14 city or town belonging to individuals or corporations furnishing elec-
15 tric light or power, and whose such property, except the capital stock,
16 is situated partly within and partly without the limits of a city or
17 town. All personal property of every company owning or operating
18 any such transmission line referred to in section forty-five hundred
19 seventy, used or purchased by it for the purpose of such transmission
20 line shall be listed and assessed in the assessment district where
21 usually kept and housed and under section forty-five hundred one.

[S. S., '15, § 1346-q.]

SEC. 4577. Company defined—verification of statement.

1 The word "company" as used in this chapter and section forty-
2 four hundred eighty-six, shall be deemed and construed to mean and
3 include any person, copartnership, association, corporation or syndi-
4 cate that shall own or operate a transmission line or lines for the con-
5 ducting of electric energy located within the state and wholly or partly
6 outside cities and towns, whether formed or organized under the laws
7 of this state or elsewhere; and the verification of any statement re-
8 quired by law shall, in the case of a person, be made by such person;
9 in case of a corporation, by the president or secretary thereof; and in
10 the case of a copartnership, association or syndicate, by some member,
11 officer, or agent thereof, having knowledge of the facts.

[S. S., '15, § 1346-r.]

SEC. 4578. Statutes made applicable.

1 The provisions of sections forty-five hundred seventy-nine and
2 forty-five hundred eighty, shall apply to the property of transmission
3 lines included in and referred to in section forty-five hundred seventy.

[S. S., '15, § 1346-t.]

CHAPTER 12.

REASSESSMENT BY EXECUTIVE COUNCIL.

SECTION 4579. Reassessment and relevy.

1 When by reason of nonconformity to any law, or by any omission,
 2 informality, or irregularity, or for any other cause, any tax heretofore
 3 or hereafter levied and assessed against any person, company, asso-
 4 ciation, or corporation by the executive council is invalid or is ad-
 5 judged illegal, the executive council may assess and levy a tax against
 6 such person, company, association, or corporation for the year or
 7 years for which such tax is invalid or illegal, or when necessary may
 8 assess and certify the same to the proper county officers, who shall
 9 levy such tax as by law in such cases made and provided, with the
 10 same force and effect as though done at the proper time and under
 11 any valid law, whether in force at the time of said levy and assess-
 12 ment or thereafter enacted.

[S., '13, § 1330-h.]

SEC. 4580. Voluntary payments.

1 When any person, company, association, or corporation, against
 2 whom any tax has been assessed and levied by the executive council
 3 and held invalid or illegal, shall have paid the same voluntarily or shall
 4 otherwise waive such invalidity and illegality, the executive council
 5 shall accept such tax in lieu of the tax to be raised by the reassess-
 6 ment and relevy provided for in the preceding section.

[S., '13, § 1330-i.]

CHAPTER 13.

1 Each assessor shall enter upon the discharge of the duties of his
 2 office immediately after the second Monday in January in each year,
 3 and shall, with the assistance of each person assessed, or who may
 4 be required by law to list property belonging to another, enter upon
 5 the assessment rolls furnished him for that purpose the several items
 6 of property required to be entered for assessment. He shall person-

 4 to assist in making out a list of his property, or of any property which
 5 he is by law required to assist in listing, or who shall refuse to make
 6 either of the oaths or affirmations or combinations thereof required
 7 by the next section, shall be guilty of a misdemeanor, and, upon con-

1 All property subject to taxation shall be valued at its actual value,
2 which shall be entered opposite each item, and except as otherwise
3 provided shall be assessed at twenty-five per cent of such actual value.
4 Such assessed value shall be taken and considered as the taxable value
5 of such property, upon which the levy shall be made. Actual value
6 of property as used in this title shall mean its value in the market in
7 the ordinary course of trade.

SEC. 4585. Taxable valuation.

1 Forest reservations fulfilling the conditions of sections sixteen

7 valuation and penalty shall be separately shown, and shall constitute
8 the assessment; and if the valuation of such property shall be changed
9 by any board of review, or on appeal therefrom, a like penalty shall
10 be added to the valuation thus fixed.

[C., '51, § 475; R., '60, § 734; C., '73, §§ 823, 1318; C., '97,

CHAPTER 14.

BOARDS OF REVIEW.

SECTION 4599. Local board of review.

1 The township trustees shall constitute the local board of review
 2 for the township or the portion thereof not included within any city
 3 or town, and the city or town council shall constitute such board for
 4 such city or town. The board shall meet on the first Monday of April,
 5 at the office of the township, city or town clerk or recorder, and sit
 6 from day to day until its duties are completed, which shall be not

7 later than the first day of May, and shall adjust assessments for the
 8 township, city or town by raising or lowering the assessment of any
 9 person, partnership, corporation or association as to any or all of the
 10 items of his assessment, in such manner as to secure the listing of
 11 property at its actual value and the assessment of property at its
 12 taxable value, and shall also add to the assessment rolls any taxable
 13 property not included therein, assessing the same in the name of the
 14 owner thereof, as the assessor should have done; provided, however,
 15 that in townships having a population of twenty thousand or more,
 16 and situated entirely within the limits of a city under special charter,
 17 and in cities having a population of twenty thousand or more, includ-
 18 ing cities under special charters, the board of review may begin the
 19 performance of the duties herein defined on and after the first day of
 20 March each year; provided, however, that in townships having a
 21 population of twenty thousand or more, and situated entirely within
 22 the limits of a city under special charter, and in cities under special
 23 charters having a population of twenty thousand or more, the city
 24 council of said city shall be the board of review, except that the town-
 25 ship trustees of said townships may, in the event the city council does
 26 not act as such board of review for such townships, be the board of
 27 review, the same as township trustees would be in townships in which
 28 the township lines are not coterminous with city limits. All equaliza-
 29 tions and reviews of taxes heretofore made by township trustees in
 30 townships as hereinbefore defined are hereby legalized, except that
 31 nothing herein contained shall be construed to affect pending litigation;
 32 provided further, that the township board of review shall finish
 33 its labors not later than May first following commencement of the
 34 work.

[C., '73, §§ 829, 830; C., '97, § 1370; S., '13, § 1370; 38 G. A.,
 ch. 244, § 1.]

SEC. 4600. Clerk—correction of assessments.

1 The clerk or recorder of the township, city or town, as the case
 2 may be, shall be clerk of the board of review, and keep a record of its
 3 proceedings, and the assessor shall be present at its meeting and
 4 make upon the assessment rolls all corrections or additions directed
 5 by the board. At such meetings it shall be the duty of the assessor
 6 to read each and every taxpayer's name and assessment on the assess-
 7 ment rolls, and, if the assessment is approved, pass to the next name.
 8 After checking the same, the board shall then take up the unchecked
 9 names in alphabetical order, and raise or lower the same as in their
 10 opinion will be just, checking off each taxpayer as the same is ad-
 11 justed.

[R., '60, § 740; C., '73, § 831; C., '97, § 1371; S., '13, § 1371.]

SEC. 4601. Notice of assessments raised.

1 In case the value of any specific property or the entire assessment
 2 of any person, partnership, corporation or association is raised, or new
 3 property is added by the board, the clerk shall give immediate notice
 4 thereof by mail to each at the postoffice address shown on the assess-
 5 ment rolls, and at the conclusion of the action of the board therein the
 6 clerk shall post an alphabetical list of those whose assessments are
 7 thus raised and added, in a conspicuous place in the office or place of
 8 meeting of the board, and enter upon the records a statement that
 9 such posting has been made, which entry shall be conclusive evidence

10 of the giving of the notice required. The board shall hold an ad-
 11 journed meeting, with at least five days intervening after the post-
 12 ing of said notices, before final action with reference to the raising of
 13 assessments or the adding of property to the rolls is taken, and the
 14 posted notices shall state the time and place of holding such adjourned
 15 meeting, which time and place shall also be stated in the proceedings
 16 of the board.

[C., '97, § 1372; S., '13, § 1372.]

SEC. 4602. Complaint to board of review—appeal.

1 Any person aggrieved by the action of the assessor in assessing
 2 his property may make oral or written complaint thereof to the board
 3 of review, which shall consist simply of a statement of the errors
 4 complained of, with such facts as may lead to their correction, and
 5 any person whose assessment has been raised or whose property has
 6 been added to the assessment rolls, as provided in the preceding sec-
 7 tion, shall make such complaint before the meeting of the board for
 8 final action with reference thereto, as provided in said section, and
 9 appeals may be taken from the action of the board with reference to
 10 such complaints to the district court of the county in which such
 11 board holds its sessions, within twenty days after its adjournment.
 12 Appeals shall be taken by a written notice to that effect to the chair-
 13 man or presiding officer of the reviewing board, and served as an orig-
 14 inal notice. The court shall hear the appeal in equity and determine
 15 anew all questions arising before the board which relate to the liability
 16 of the property to assessment or the amount thereof, and its decision
 17 shall be certified by the clerk of the court to the county auditor, who
 18 shall correct the assessment books in his office accordingly. Any
 19 officer of a county, city, town, township or school district interested
 20 or a taxpayer thereof may in like manner make complaint before said
 21 board of review in respect to the assessment of any property in the
 22 township, city or town and an appeal from the action of the board of
 23 review in fixing the amount of assessment on any property concern-
 24 ing which such complaint is made, may be taken by any of such afore-
 25 mentioned officers. Such appeal is in addition to the appeal allowed
 26 to the person whose property is assessed and shall be taken in the
 27 name of the county, city, town, township or school district interested
 28 and tried in the same manner, except that the notice of appeal shall
 29 also be served upon the owner of the property concerning which the
 30 complaint is made and affected thereby or person required to return
 31 said property for assessment. Upon trial of any appeal from the
 32 action of the board of review fixing the amount of assessment upon
 33 any property concerning which complaint is made, the court may
 34 increase, decrease or affirm the amount of the assessment appealed
 35 from.

[R., '60, § 740; C., '73, § 831; C., '97, § 1373; S., '13, § 1373.]

1 The board of supervisors shall constitute a county board of review,
 2 and shall adjust the assessments of the several townships, cities and

 4 deduct from the assessed value of the property substantially as the
 5 state board adjusts assessments of the several counties of the state.

[R., '60, § 739; C., '73, § 832; C., '97, § 1375.]

SEC. 4604. Appeals.

1 Appeals may be taken from any action or decision of a county
 2 board of review by the board of review of any city, town or township

 4 appeals are taken from the local board of review.

[C., '97, § 1376.]

SEC. 4607. Adjusting valuation in counties.

1 It shall adjust the valuation of property of the several counties,
 2 adding to or deducting from the valuation of each kind or class of

 4 taxable value as fixed in chapters one to fifteen, inclusive, of this title,
 5 but before such executive council shall add to the valuation of any kind
 6 or class of property any such percentage, it shall serve ten days' notice
 7 by mail, on the auditor of the county whose valuation is proposed to be
 8 raised and shall hold an adjourned meeting after such ten days' notice,
 9 at which time such county may appear by its board of supervisors,

1 He shall make an entry upon the tax list showing what it is, for
 2 what county and year, and deliver it to the county treasurer on or
 3 before the thirty-first day of December, taking his receipt therefor;
 4 and such list shall be a sufficient authority for the treasurer to collect
 5 the taxes therein levied. But no informality therein, and no delay in
 6 delivering the same after the time above specified, shall affect the
 7 validity of any taxes, sales, or other proceedings for the collection of
 8 such taxes.

[C., '51, § 487; R., '60, § 748; C., '73, § 843; C., '97, § 1387.]

1 At the time of delivering the list to the treasurer, the auditor
 2 shall furnish to the auditor of state a certified statement, showing
 3 separately the aggregate full and taxable valuations of the real and

 4 date at which such assessment should have been made, demand of the
 5 person, firm, corporation or other party by whom the same should
 6 have been listed, or to whom it should have been assessed, or of the
 7 administrator thereof, the amount the property should have been
 8 taxed in each year the same was so withheld or overlooked and not
 9 listed and assessed, together with six per cent interest thereon from
 10 the time the taxes would have become due and payable had such
 11 property been listed and assessed, and upon failure to pay such sum
 12 within thirty days, with all accrued interest, he shall cause an action
 13 to be brought in the name of the treasurer for the use of the proper
 14 county, to be prosecuted by the county attorney, or such other person
 15 as the board of supervisors may appoint, and when such property has
 16 been fraudulently withheld from assessment, there shall be added to
 17 the sum found to be due a penalty of fifty per cent upon the amount,
 18 which shall be included in the judgment. The amount thus recovered
 19 shall be by the treasurer apportioned ratably as the taxes would have
 20 been if they had been paid according to law.

[C., '97, § 1374.]

SEC. 4613. Errors corrected—omitted property.

1 The auditor may correct any error in the assessment or tax list,
 2 and may assess and list for taxation any omitted property; but before
 3 assessing and listing for taxation any omitted property he shall notify
 4 by registered letter the person, firm, corporation, or administrator, or
 5 other person in whose name the property is taxed, to appear before
 6 him at his office within ten days from the time of said notice and show
 7 cause, if any there be, why such correction or assessment should not
 8 be made, and should such party feel aggrieved at the action of said
 9 auditor he shall have the right of appeal therefrom to the district
 10 court. And if such correction or assessment is made after the books
 11 have passed into the hands of the treasurer he shall be charged or
 12 credited therefor as the case may be. All expense incurred in the
 13 making of said correction or assessment shall be borne pro rata by
 14 the funds which are affected by said correction and the proceedings
 15 to be reported to the board of supervisors.

[R., '60, § 747; C., '73, § 841; C., '97, § 1385; S., '13, § 1385-b.]

SEC. 4614. Appeal.

1 The appeal provided for in the preceding section shall be taken
 2 within ten days from the time of the final action of the auditor, by a
 3 written notice to that effect to the auditor, and served as an original
 4 notice. The court on appeal shall hear and determine the rights of
 5 the parties in the same manner as appeals from the board of review,
 6 as prescribed in section forty-six hundred two.

[S., '13, § 1385-c.]

SEC. 4615. Assessment of omitted property.

1 The treasurer shall assess any real property subject to taxation
 2 which may have been omitted by the assessor, board of review or
 3 county auditor, and collect taxes thereon, and in such cases shall note,

4 opposite the tract or lot assessed, the words "by treasurer," but such
 5 assessment shall be made within four years after the tax list shall
 6 have been delivered to him for collection, and not afterwards, if the
 7 property is then owned by the person who should have paid the tax.
 [C., '51, § 491; R., '60, § 752; C., '73, § 85r; C., '97, § 1398.]

SEC. 4616. Duty of owner.

1 In all cases where real estate subject to taxation has not been
 2 assessed, the owner, by himself or agent, shall have the same done
 3 by the treasurer, and pay the taxes thereon; and if he fails to do so
 4 the treasurer shall assess the same and collect the tax assessed as he
 5 does other taxes. And no failure of the owner to have such property
 6 assessed or to have the errors in the assessment corrected, and no
 7 irregularity, error or omission in the assessment of such property,
 8 shall affect in any manner the legality of the taxes levied thereon, or
 9 affect any right or title to such real estate which would have accrued
 10 to any party claiming or holding under and by virtue of a deed exe-
 11 cuted by the treasurer as provided by this title, had the assessment of
 12 such property been in all respects regular and valid.

[R., '60, § 753; C., '73, § 852; C., '97, § 1399.]

**SEC. 4617. Contracts for discovery of unassessed property pro-

 2 cities under special charters and the commission plan, or for the
 3 board of supervisors of any county, to employ or contract with any

 5 of property not listed or assessed for taxation as required by law.

[S., '13, § 1407-f.]

CHAPTER 16.

TAX LEVIES.

SECTION 4618. Rate of taxation—adjusted taxable value.

1 In all taxing districts in the state, including townships, school dis-
 2 tricts, cities, towns and counties, when by law then existing the people
 3 are authorized to determine by vote, or officers are authorized to esti-
 4 mate or determine, a rate of taxation required for any public purpose,
 5 such rate shall in all cases be estimated and based upon the adjusted
 6 taxable valuation of such taxing district for the preceding calendar
 7 year.

[37 G. A., ch. 343, § 1.]

SEC. 4619. Amounts certified in dollars, not by rate.

1 When any authorized tax rate within any taxing district of the
 2 state, including townships, school districts, cities, towns and counties,
 3 shall have been thus determined as provided by law, the officer or
 4 officers charged with the duty of certifying said authorized rate to the
 5 county auditor or board of supervisors shall, before certifying the
 6 same, compute upon the adjusted taxable valuation of such taxing dis-
 7 trict for the preceding calendar year (not including moneys and credits

8 and other moneyed capital taxed at a flat rate, as provided in section
9 forty-five hundred four), the amount of tax said rate will raise, stated
10 in dollars, and shall certify said computed amount in dollars, and not
11 by rate, to the county auditor and board of supervisors.

[37 G. A., ch. 343, § 2.]

SEC. 4620. Computation of rate.

1 When the valuations for the several taxing districts shall have
2 been adjusted by the several boards, as provided by law, for the cur-
3 rent year, the county auditor shall thereupon compute and spread
4 upon the records such a rate, not exceeding the rate authorized by
5 law, on said adjusted taxable valuations for the current year (not
6 including moneys and credits and other moneyed capital taxed at a flat
7 rate, as provided in section forty-five hundred four), as shall raise the
8 amount required for each taxing district within the county, as there-
9 tofore determined according to law, and no larger amount; provided,
10 however, that in fixing such rate the auditor, with the approval of the
11 board of supervisors, may provide for an excess in the amount to be
12 raised not exceeding five per cent on the amount of the tax, for the
13 purpose of meeting possible shrinkage due to exemptions or other
14 cause; and provided further, that if in adjusting the rate to be levied
15 in any taxing district to conform to law, such rate shall make neces-
16 sary the levying of a fraction of a mill in excess of one-half of one-
17 tenth of a mill, said fractional excess may be computed as one-tenth
18 of a mill, which latter shall be the smallest required to be spread upon
19 the tax lists for any purpose except rates applicable to state purpose,
20 provided, however, that nothing herein shall be construed as inter-
21 fering with the right of any taxing district to receive its due propor-
22 tion of the taxes on moneys and credits and other moneyed capital
23 taxed at a flat rate as provided in section forty-five hundred four.

[37 G. A., ch. 343, § 3; 38 G. A., ch. 57, § 1.]

[R., '60, § 750; C., '73, § 845; C., '97, § 1389; S., '13, § 1389-c.]

2 of any such letter, with money or stamps inclosed as aforesaid, to
3 answer the same fully as required in the preceding section, or who
4 shall directly or indirectly receive or be concerned in receiving any

In all cases where taxes are paid by installment, each of such payments, except road taxes, shall be

14 apportioned among the several funds for which taxes have been
15 assessed in their proper proportions.

[C., '51, § 492; R., '60, § 756; C., '73, § 857; C., '97, § 1403.]

SEC. 4652. Lien on personal property of nonresident.

1 All personal property, the owner of which is a nonresident of the
2 state, and which property is by the owner thereof intended for sale
3 or consumption at a place or shipment to a place other than where
4 said property is located, shall be assessed in the owner's name, if the

20 shall thereupon proceed by distress to restrain the removal of said
21 property and secure the lien of the tax due or to become due. If at the
22 time of such distress the levy for the year is unknown, the auditor is
23 authorized to release the lien of such tax upon a good and sufficient
24 bond, with sureties resident of the county, being filed with said
25 auditor, to be by him approved, which bond shall obligate all parties
26 thereto to pay all taxes due on said property when same are payable.
27 Upon the filing and approving of such bond, the auditor shall make a
28 certificate releasing the said personalty from the lien of such tax.
29 The payment of said tax shall be a bar against the collection of taxes
30 for same year on said property in any other county in this state.

[C., '97, § 1404.]

SEC. 4653. Collectors—appointment of—compensation—sheriff.

1 Immediately after the taxes become delinquent, each county treas-

5 Each collector appointed shall receive for his services and expenses
6 the sum of five per cent on the amount of all taxes collected and paid
7 over by him, which percentage he shall collect from the delinquent,
8 together with the whole amount of delinquent taxes and interest; and
9 pay the same to the treasurer at the end of each month, and in the
10 discharge of his duties as collector, should it become necessary to make
11 the delinquent taxes by distress and sale, or should no collector be
12 appointed, or should the collector fail to institute proceedings to col-
13 lect said delinquent taxes, the treasurer shall place the same in the
14 hands of the sheriff, or a constable, who shall proceed to collect the
15 same, and either shall be entitled to receive the same compensation,
16 in addition to the five per cent, as constables are entitled to receive

17 for the sale of property on execution. And the boards of supervisors
18 may in their discretion authorize the appointment by the treasurer of
19 one or more collectors to assist in the collection of such delinquent
20 personal tax as the board may designate and may pay such collector
21 as full compensation for all services rendered and expenses incurred
22 a sum not to exceed ten per cent of the amount collected which sum
23 shall in no event be paid or allowed until all such taxes collected have
24 been paid over to the county treasurer by such collector.

2 deducted ratably from the several funds to which such taxes so col-
3 lected by the collector belong.

[S., '13, § 1407-1a.]

SEC. 4655. Taxes certified to another county.

1 In all cases of delinquent taxes in any county, where the person
2 upon whose property the same were levied shall have disposed of or
3 removed the said property and the treasurer of the county where the
4 taxes were levied can find no property within said county out of which
5 said taxes can be made, the treasurer of the county where said taxes
6 are delinquent shall make out a certified abstract thereof, and forward
7 the same to the treasurer of the county in which the delinquent
8 resides or has property, when the treasurer transmitting the said
9 abstract has reason to believe that said taxes can be collected thereby.

[C., '73, § 861; C., '97, § 1409; S. S., '15, § 1409.]

SEC. 4656. Collection in such case.

1 The treasurer forwarding and the one receiving said abstract
2 shall each keep a record thereof, and, upon receipt and filing in the
3 office of the treasurer to whom sent, it shall have the effect of a levy
4 of taxes in that county, and the collection of the same shall be pro-
5 ceeded with in the same manner as in the collection of other taxes.

4 inclusive of the penalties thereon.

[C., '73, § 863; C., '97, § 1411.]

SEC. 4658. Return.

1 The officer receiving said abstract shall, when in his opinion the
2 taxes are uncollectible, return the same with the indorsement thereon

5 provided by the preceding section.

2 the whole shall become due and draw interest as a penalty of one
3 per cent per month until paid from the first of March following the
4 levy; and if the first half shall be paid when due, and the last half
5 shall not be paid by October first following such levy, then a like
6 interest shall be charged from the date such last half became delin-
7 quent; and the tax with all penalties shall be collected at the same time
8 and in the same manner; but no interest as a penalty shall be added
9 to taxes levied by any court to pay a judgment on county, city, town
10 or school district indebtedness, other than the interest which such
11 judgment may draw, nor upon taxes levied in aid of the construction
12 of any railroad. All road taxes payable to the county treasurer shall

1 On or before the tenth day of each month the treasurer shall
2 apportion all taxes and interest on same collected during the preceding

4 number of mills levied for each fund and enter the same upon his
5 cash account, and report the amount of each tax and interest collected
6 on same to the county auditor who shall charge him in each fund with
7 the same. Any interest or penalty on delinquent taxes apportioned or
8 transferred to any fund other than the fund upon which same was
9 collected, together with a penalty of ten per cent and interest at six

6 the tax list is received by him, and all additions to each tax or fund,
7 whether by additional assessments, interest on delinquent taxes,
8 amount received for licenses, or other items, and upon proper vouchers
9 shall credit him for money disbursed for double and erroneous assess-

11 remission of which causes a diminution of the tax, and for unavailable
12 or uncollectible taxes, as directed by the board of supervisors.

[R., '60, § 761; C., '73, § 869; C., '97, § 1416.]

 5 for the payment of such erroneous tax, interest or costs, the error or
 6 irregularity in the tax may be corrected at any time provided in this
 7 chapter, but such correction shall not affect the validity of the sale or
 8 the right or title conveyed by a treasurer's deed, if the property was
 9 subject to taxation for any of the purposes for which any portion of
 10 the taxes for which the land was sold was levied, and the taxes were
 11 not paid before the sale, or the property redeemed from sale.

[R., '60, § 762; C., '73, § 870; C., '97, § 1417.]

SEC. 4663. Remission in case of loss.

 2 the hands of the county treasurer, shall designate each piece or parcel
 3 of real estate sold for taxes, and not redeemed, by writing opposite the
 4 same the year in which it was sold in a column made for that purpose
 5 and headed "sold in."

[C., '73, § 842; C., '97, § 1386.]

SEC. 4665. Notice of previous sale.

1 Each county treasurer, when any person offers to pay taxes on

 3 inform him for what taxes and when the sale was made.

[C., '73, § 847; C., '97, § 1392.]

SEC. 4666. Sale of personal property.

1 If anyone neglects to pay his taxes at or before maturity, the
 2 treasurer may collect the same by distress and sale of his personal
 3 property not exempt from taxation, and the tax list alone shall be
 4 sufficient warrant therefor. When the treasurer distrains goods, and
 5 the owner refuses to give a sufficient bond for the delivery of the same
 6 on the day of sale, he may keep them at the expense of the owner, and
 7 shall give notice of the time and place of their sale within five days
 8 after the taking, in the manner constables are required to give notice
 9 of the sale of personal property under execution. The time of sale
 10 shall not be more than twenty days from the day of taking, but he
 11 may adjourn the sale from time to time, not exceeding five days in all,
 12 and shall adjourn at least once when there are no bidders, and, in case

13 of adjournment, he shall post up a notice thereof at the place of sale,
14 announcing the time to which the adjournment is ordered. Any sur-
15 plus remaining above the taxes, charges of keeping, and fees for sale,
16 shall be returned to the owner, and the treasurer shall, on demand,
17 render an account in writing of the sale and charges.

[C., '51, §§ 492, 493; R., '60, §§ 756, 757; C., '73, §§ 857, 858;
C., '97, § 1406.]

2 offer at his office at public sale all lands, town lots or other real prop-
3 erty on which taxes of any description for the preceding year or years
4 are delinquent, which sale shall be made for the total amount of taxes,
5 interest and costs due and unpaid thereon. But in counties having

9 collected, and the records thereof shall be kept thereat. Such deputy
10 treasurer and the recorder or his deputy shall have all the powers
11 conferred by law upon the treasurer and auditor in relation to the
12 collection of the revenue, sales for delinquent taxes, redemption there-

[C., '51, § 496; R., '60, § 763; C., '73, § 871; C., '97, § 1418.]

SEC. 4668. Notice.

1 Notice of the time and place of such sale shall be given by the
2 treasurer, and shall contain a description of each separate tract to be
3 sold as taken from the tax list, the amount of taxes for which it is
4 liable delinquent for each year, and the amount of penalty, interest and
5 costs thereon, the name of the owner, if known, or the person, if any,
6 to whom it is taxed, by publication in some newspaper in the county,
7 once each week, for three consecutive weeks, the last of which shall
8 be at least one week before the day of sale, and by immediately posting
9 a copy of the first publication thereof at the door of the courthouse, if
10 there be one, if not, at the door of the place where the last term of
11 district court was held. The compensation for such publication shall
12 not exceed forty cents for each description, and shall be paid by the
13 county. The amount paid therefor shall be collected as a part of the
14 costs of sale and paid into the county treasury. If the treasurer can
15 not procure the publication of the notice for the sum herein fixed, then
16 the notice may be given by posting the same in four of the most public
17 places in the county, to be selected by him, for four weeks, and filing
18 a copy thereof with the auditor before the day of sale, with his veri-
19 fied statement thereon that it had been posted as and for the time
20 herein required, and that he could not obtain a publication thereof at
21 the legal rate.

1 In all entries required to be made by the auditor, treasurer or
2 other officer, letters and figures may be used to denote townships,
3 ranges, sections, parts of sections, lots, blocks, date, and the amount of
4 taxes, interest and costs. No irregularity or informality in the adver-
5 tisement shall affect the legality of the sale or the title to any real

7 lowing chapters, and in all cases its provisions shall be sufficient notice
8 to the owners of the sale thereof.

[R., '60, § 770; C., '73, § 880; C., '97, § 1421.]

SEC. 4671. Offer for sale.

1 The treasurer shall on the day of the sale, at ten o'clock in the

1 Each treasurer shall, on the day of the regular tax sale each
 2 year or any adjournment thereof, offer and sell at public sale, to the
 3 highest bidder, all real estate which remains liable to sale for delin-
 4 quent taxes, and shall have previously been advertised and offered for
 5 two years or more and remained unsold for want of bidders, general
 6 notice of such sale being given at the same time and in the same man-
 7 ner as that given of the regular sale. Any taxes on such real estate,
 8 in excess of the amount for which the same was sold, shall be cred-
 9 ited to the treasurer by the auditor as unavailable, and he shall appor-
 10 tion such excess among the funds to which it belongs, and if any of
 11 such excess belongs to the state, it shall be reported by him to the
 12 auditor of state as unavailable, who shall give the county credit
 13 therefor.

[C., '97, § 1425.]

SEC. 4675. Resale.

1 The person purchasing any parcel or part thereof shall forthwith
 2 pay to the treasurer the amount bid, and on failure to do so the same

[C., '51, § 502; R., '60, § 768; C., '73, § 878; C., '97, § 1426.]

SEC. 4676. Record of sales.

1 The auditor shall attend all sales of real estate for taxes, and

 3 therein describing each tract of real estate on which the taxes and
 4 costs were paid by the purchaser as they are described in the copy of
 5 the notice on file in his office, stating in separate columns the amount,

 8 Further adjournment shall be made from time to time, not exceeding

 4 If such officer or deputy shall sell or assist in selling any real estate,
 5 knowing it is not subject to taxation, or that the taxes for which it is
 6 sold have been paid, or shall knowingly and wilfully sell or assist in
 7 selling any real estate for taxes to defraud the owner thereof, or shall
 8 knowingly and wilfully execute a deed for property so sold, he shall,
 9 upon conviction, be fined in a sum of not less than one thousand nor
 10 more than three thousand dollars, or imprisoned in the county jail not

1 If from neglect of officers to make returns, or other good cause,
 2 real estate can not be advertised and offered for sale on the first Mon-
 3 day of December, the treasurer shall make the sale on the first Monday
 4 of the next succeeding month in which the required notice can be
 5 given.

[R., '60, § 776; C., '73, § 886; C., '97, § 1431.]

SEC. 4681. Certificate of purchase.

1 The treasurer shall prepare, sign, and deliver to the purchaser of
 2 any real estate sold for the nonpayment of taxes a certificate of pur-
 3 chase, describing it as shown in the record of sales, giving the part of
 4 each tract or lot sold, the amount of each kind of tax, interest and
 5 costs for each tract or lot as described in such record, and that pay-
 6 ment has been made therefor. If any person is the purchaser of
 7 more than one parcel, he may have the whole included in one certifi-
 8 cate, but each parcel shall be separately described. And in case of
 9 loss of said certificate of purchase, the owner thereof, as appears on
 10 record, may, by filing an affidavit of such loss or destruction with the

1 The treasurer shall also prepare, sign, and deliver to the pur-
2 chaser of any real estate sold for taxes duplicate receipts for taxes,
3 interest and costs paid by him after the date of his purchase for any
4 subsequent year or years, one of which receipts shall be filed in the
5 office of the auditor and noted on the register of sales therein. If
6 such duplicate receipt is not so filed before redemption, such tax shall
7 not be a lien upon the land, and the person paying the tax shall not
8 be entitled to recover it of the owner of the real estate.

[C., '73, § 889; C., '97, § 1434.]

SEC. 4684. School, agricultural college or university land.

1 When any school, agricultural college or university land sold on
2 credit is sold for taxes, the purchaser shall only acquire the interest
3 of the original purchaser therein, and no sale of any such lands for
4 taxes shall prejudice the rights of the state, agricultural college or
5 university. In all cases where the real estate is mortgaged or other-
6 wise incumbered to the school, agricultural college or university fund,
7 the interest of the person who holds the fee shall alone be sold for
8 taxes, and in no case shall the lien or interest of the state be affected
9 by any sale thereof. The foregoing provision shall include all lands
10 exempt from taxation by law, and any legal or equitable estate therein
11 held, possessed, or claimed for any public purpose, and no assessment
12 or taxation of such lands, nor the payment of any such tax by any
13 person, or the sale and conveyance for taxes of any such lands, shall
14 in any manner affect the right or title of the public therein, or confer
15 upon the purchaser or person who pays such taxes any right or
16 interest in such land.

[R., '60, §§ 810, 811; C., '73, § 900; C., '97, § 1435.]

3 if it is in other respects sufficiently described.

[R., '60, § 787; C., '73, § 904; C., '97, § 1450.]

SEC. 4686. Certified copies of records.

1 The books and records belonging to the offices of the auditor and
2 treasurer, or copies thereof properly certified, shall be sufficient evi-
3 dence to prove the sale of any real estate for taxes, the redemption

4 to cancel such sales from their tax sale index and tax sale register.

[C., '97, § 1452.]

CHAPTER 19.

TAX REDEMPTION.

SECTION 4688. Redemption—how effected.

1 Real estate sold under the provisions of this and the preceding
2 chapter may be redeemed at any time before the right of redemption
3 is cut off, by the payment to the auditor, to be held by him subject to
4 the order of the purchaser, of the amount for which the same was sold
5 and eight per cent of such amount added as a penalty, with eight per
6 cent interest per annum on the whole amount thus made from the day
7 of sale, and the amount of all taxes, interest and costs paid by the pur-
8 chaser or his assignee for any subsequent year or years, with a similar
9 penalty added as before on the amount of the payment for each subse-
10 quent year, and eight per cent per annum on the whole of such amount
11 or amounts from the day or days of payment; but the penalty for non-
12 payment of taxes of any subsequent year or years shall not attach,
13 unless the same shall have remained unpaid until the first day of April
14 after they become due and have become delinquent, nor shall said
15 penalties apply to taxes voted in aid of the construction of any rail-
16 road. In redeeming from a sale of a leasehold interest in agricultural
17 college land, the amount to be paid shall include any amount paid by
18 the holder of the certificate as interest or principal due by the terms of
19 the lease or otherwise to prevent a forfeiture thereof, as provided by
20 law, and for which proper voucher shall have been filed with the
21 auditor, with interest thereon at eight per cent per annum from date
22 of payment, which amount shall be paid by the auditor to the holder
23 of the certificate, and the certificate of redemption shall show the
24 amount so paid by the party redeeming.

[C., '51, § 505; R., '60, § 779; C., '73, § 890; C., '97, § 1436;
S., '13, § 1436.]

SEC. 4689. Redemption from sale for part of tax.

1 In case a redemption is made of any real estate sold for a less
2 sum than the taxes, penalty, interest and costs, the purchaser shall
3 receive only the amount paid and a ratable part of such penalty, in-
4 terest and costs. In determining the interest and penalties to be paid
5 upon redemption from such sale, the sum due on any parcel sold shall
6 be taken to be the full amount of taxes, interest and costs due thereon
7 at the time of such sale, and the amount paid for any such parcel at
8 such sale shall be apportioned ratably among the several funds to
9 which it belongs. Real estate so sold shall be redeemable in the same
10 manner and with the same penalties as that sold for the taxes of the
11 preceding year.

[C., '97, § 1437.]

SEC. 4690. Certificate of redemption.

1 The auditor shall, upon application of any party to redeem real
2 estate sold for taxes, and being satisfied that he has a right to redeem
3 the same upon the payment of the proper amount, issue to such party
4 a certificate of redemption, setting forth the facts of the sale sub-
5 stantially as contained in the certificate thereof, the date of the re-
6 demption, the amount paid, and by whom redeemed, and make the
7 proper entries in the book of sales in his office, and immediately give
8 notice of such redemption to the treasurer. The certificate of redemp-

9 tion shall then be presented to the latter, who shall countersign it,
10 noting such fact in the sale book opposite the entry of the sale, and
11 no certificate of redemption shall be evidence of such redemption with-
12 out the signature of the treasurer.

[R., '60, § 780; C., '73, § 891; C., '97, § 1438.]

SEC. 4691. Minors and lunatics.

1 If real property of any minor, lunatic or person of unsound mind
2 is sold for taxes, it may be redeemed at any time within one year
3 after such disability is removed, in the manner specified in the fol-
4 lowing section, or redemption may be made by the guardian or legal
5 representative under the third preceding section at any time before
6 the delivery of the deed.

[R., '60, § 779; C., '73, § 892; C., '97, § 1439.]

SEC. 4692. Equitable action.

1 Any person entitled to redeem lands sold for taxes after the de-
2 livery of the deed shall do so by an equitable action in a court of rec-
3 ord, in which all persons claiming an interest in the land derived from
4 the tax sale, as shown by the record, shall be made defendants, and the
5 court shall determine the rights, claims and interest of the several
6 parties, including liens for taxes and claims for improvements made
7 on the land by the person claiming under the tax title. No person
8 shall be allowed to redeem land sold for taxes in any other manner

 24 *c* A description of the property or a statement of conditions upon
 25 which such deferred estate is based or limited.

[S., '13, § 1481-a46.]

SEC. 4712. Administrator—appointment on application of treasurer—bond of nonresident administrator.

1 If, upon the death of any person leaving an estate that may be
 2 liable to a tax under the provisions of this chapter, a will disposing
 3 of such estate is not offered for probate, or an application for adminis-
 4 tration made within four months from the time of such decease, the
 5 treasurer of state may, at any time thereafter, make application to the
 6 proper court, setting forth such fact and praying that an adminis-
 7 trator may be appointed, and thereupon said court shall appoint an
 8 administrator to administer upon such estate. When the heirs or
 9 persons entitled to inherit the property of an estate subject to the tax
 10 hereby imposed, desire to avoid the appointment of an administrator
 11 as provided in this section, they or one of them shall, before the ex-
 12 piration of four months from the death of the decedent file under oath
 13 the inventories and reports and perform all the duties required by this
 14 chapter, of administrators, including the filing of the lien; proceedings
 15 for the collection of the tax when no administrator is appointed, shall
 16 conform as nearly as may be to the provisions of this chapter in other
 17 cases. A nonresident of this state shall not be appointed as executor,
 18 administrator or trustee of any estate that may be subject to the tax
 19 imposed by this chapter, unless such nonresident first file a bond con-
 20 ditioned upon the payment of all tax, interest and costs for which
 21 the estate may be liable, such bond to be signed by not less than two
 22 resident freeholders or by an approved surety company and in an
 23 amount not less than twenty-five per cent of the total value of the
 24 estate, or of the property within this state if the estate is a foreign
 25 estate.

[S., '13, § 1481-a3.]

SEC. 4713. Appraisal.

1 All the real estate of the decedent subject to such tax shall, except
 2 as hereinafter provided, be appraised within thirty days next after
 3 the appointment of an executor, administrator or trustee, and the tax
 4 thereon, calculated upon the appraised value after deducting debts for
 5 which the estate is liable, shall be paid by the person entitled to said
 6 estate within fifteen months from the approval by the court of such
 7 appraisal, unless a longer period is fixed by the court, and, in de-
 8 fault thereof, the court shall order the same, or so much thereof as
 9 may be necessary to pay such tax, to be sold.

[C., '97, § 1469.]

SEC. 4714. Appraisers—appointment by court—term—bond not required—removal—vacancies.

1 In each county, the court shall annually at the first term of the
2 court therein appoint three competent residents and freeholders of
3 said county, to act as appraisers of all property within its jurisdiction
4 which is charged or sought to be charged with the collateral inher-
5 itance tax. Said appraisers shall serve for one year, and until their
6 successors are appointed and qualified. They shall each take an oath
7 to faithfully and impartially perform the duties of the office, but shall
8 not be required to give bond. They shall be subject to removal at any
9 time at the discretion of the court, and the court or judge thereof in
10 vacation, may also in its discretion, either before or after the appoint-
11 ment of the regular appraisers, appoint other appraisers to act in any
12 given case. Vacancies occurring otherwise than by expiration of
13 term, shall be filled by the appointment of the court or by a judge in
14 vacation. No person interested in any manner in the estate to be ap-
15 praised may serve as an appraiser of such estate.

[S., '13, § 1481-a4.]

SEC. 4715. Commission to appraisers—when issued.

1 Whenever it appears that an estate or any property or interest
2 therein is or may be subject to the tax imposed by this chapter, the
3 clerk shall issue a commission to the appraisers, who shall fix a time
4 and place for appraisement, except that if the only interest that is
5 subject to such tax is a remainder or deferred interest upon which the
6 tax is not payable until the determination of a prior estate or interest
7 for life or term of years, he shall not issue such commission until the
8 determination of such prior estate, except at the request of parties
9 in interest who desire to remove the lien thereon.

[S., '13, § 1481-a5.]

SEC. 4716. Notice of appraisement—returns filed—appraisement when property is in more than one county.

1 It shall be the duty of all appraisers appointed under the pro-
2 visions of this chapter, upon receiving a commission as herein pro-
3 vided, to forthwith give notice to the treasurer of state and other
4 persons known to be interested in the property to be appraised, of the
5 time and place at which they will appraise such property, which time
6 shall not be less than ten days from the date of such notice. The
7 notice shall be served in the same manner as is prescribed for the
8 commencement of civil actions, and if not practicable to serve the
9 notice provided for by statute, they shall apply to the court or a judge
10 thereof in vacation for an order as to notice and upon service of such
11 notice and the making of such appraisement, the said notice, return
12 thereon and appraisement shall be filed with the clerk, and a copy of
13 such appraisement shall at once be filed by the clerk with the treasurer
14 of state. When property is located in more than one county, the ap-
15 praisers of the county in which the estate is being administered may
16 appraise the whole estate, or those of the several counties may serve
17 for the property within their respective counties or other appraisers
18 be appointed as the district court if in session, or judge thereof in
19 vacation, may direct.

[C., '97, § 1476; S., '13, § 1481-a6.]

SEC. 4717. Objections—when filed—appraisement approved or set aside—appeal.

1 The treasurer of state or any person interested in the estate or
2 property appraised, may, within twenty days thereafter, file objec-
3 tions to said appraisement and give notice thereof as in beginning
4 civil actions, on the hearing of which as an action in equity either
5 party may produce evidence competent or material to the matters
6 therein involved. If upon such hearing the court finds the amount at
7 which the property is appraised is its value on the market in the
8 ordinary course of trade, and the appraisement was fairly and in good
9 faith made, it shall approve such appraisement; but if it finds that
10 the appraisement was made at a greater or less sum than the value
11 of the property in the ordinary course of trade, or that the same was
12 not fairly or in good faith made, it shall set aside the appraisement,
13 appoint new appraisers and so proceed until a fair and good appraise-
14 ment of the property is made at its value in the market in the ordi-
15 nary course of trade. The treasurer of state or anyone interested
16 in the property appraised may appeal to the supreme court from the
17 order of the district court approving or setting aside any appraise-
18 ment to which exceptions have been filed. Notice of appeal shall be
19 served within sixty days from the date of the order appealed from,
20 and the appeal shall be perfected in the time now provided for appeals
21 in equitable actions. In case of appeal the appellant, if he is not the
22 treasurer of state, shall give bond to be approved by the clerk of the
23 court, which bond shall provide that the said appellant and sureties
24 shall pay the tax for which the property may be liable with cost of
25 appeal. If upon the hearing of objections to the appraisement the
26 court finds that the property is not subject to the tax, the court shall
27 upon expiration of time for appeal, when no appeal has been taken,
28 order the clerk to enter upon the lien book a cancellation of any claim
29 or lien for taxes. If at the end of twenty days from the filing of the
30 appraisement with the clerk, no objections are filed, the appraisement
31 shall stand approved.

[S., '13, § 1481-a7.]

SEC. 4718. Transferred property—appraisement of—foreign and domestic—market value—deduction of debts.

1 Within ninety days after the transfer of any property that may
2 be liable for a tax under the provisions of this chapter, except as herein
3 otherwise provided, the clerk of the proper county upon his own mo-
4 tion or upon the application of the treasurer of state, county attorney,
5 or person interested in the property, shall cause the property to be
6 appraised as provided herein. If there be an estate or property sub-
7 ject to said tax wherein the records in the clerk's office do not disclose
8 that there may be a tax due under the provisions of this chapter, the
9 person or persons interested in the property shall report the matter
10 to the clerk with an application that the property be appraised. The
11 appraised value of the property shall in all cases be its market value
12 in the ordinary course of trade, and in domestic estates the tax shall
13 be calculated thereon after deducting the debts as defined herein; pro-
14 vided, however, that the debt of a domestic estate owing for or secured
15 by property outside of the state, shall not be deducted before estimat-
16 ing the tax, except when the property for which the debt is owing or
17 by which it is secured is subject to the tax imposed by this chapter, or
18 when the foreign debt exceeds the value of the property securing it or

19 for which it was contracted, then the excess may be deducted provided
 20 that satisfactory proof of the value of the foreign property and the
 21 amount of such debt is furnished to the treasurer of state.

[S., '13, § 1481-a8.]

SEC. 4719. Relief from appraisement.

1 All estates subject in whole or in part to the tax imposed by this
 2 chapter shall be appraised for the purpose of computing said tax by
 3 the regular collateral inheritance tax appraisers; provided that estates
 4 liable for the payment of the inheritance tax upon specific legacies, an-
 5 nuities, bequests of money or other property the value of which may
 6 be determined without appraisement, and estates which consist of
 7 money, book accounts, bank deposits, notes, mortgages and bonds,
 8 need not be appraised by the collateral inheritance tax appraisers if
 9 the administrator, executor or trustee or the persons entitled to or
 10 claiming such property are willing to charge themselves with the full
 11 face value of such bequests or property, together with the interest,
 12 earnings or undivided profits which may be due on said properties, at
 13 the time of death of the testator or intestate, as the basis for the assess-
 14 ment of said tax, but in all cases the relief from appraisement for the
 15 collateral inheritance tax is dependent upon the consent of the treas-
 16 urer of state, and the subsequent approval thereof by the court or
 17 judge thereof in vacation. In the event that the estate has been duly
 18 appraised under the ordinary statutes of inheritance or the property
 19 has been sold and such appraisement or selling price is accepted by
 20 the treasurer of state as satisfactory for collateral inheritance tax
 21 purposes, the court or judge thereof in vacation may, upon proper
 22 application, relieve the estate from the appraisement by the collateral
 23 inheritance tax appraisers; but in order to obtain such relief, the
 24 administrator, executor, trustee or other party interested must file
 25 an application for relief with the consent of the treasurer of state
 26 thereto in the office of the clerk of the court before said clerk issues
 27 a commission to the collateral inheritance tax appraisers. The court
 28 or judge thereof in vacation may, upon application of the representa-
 29 tives of the estate or parties interested, relieve the estate of the ap-
 30 praisement for collateral tax purposes if it be shown to said court
 31 that the market value of the entire estate will not exceed one thou-
 32 sand dollars; provided that prior to the application to said court or
 33 judge the written consent of the treasurer of state to such relief is
 34 procured. In all cases where an estate is relieved from an appraise-
 35 ment for collateral inheritance tax purposes, the order granting relief
 36 shall be recorded in the clerk's office, and the fact of such relief and
 37 reasons therefor shall be duly noted in the decree or order of final
 38 settlement made by the court.

[S., '13, § 1481-a9.]

SEC. 4720. Remainders in realty after term estates to exempted persons—when appraised.

1 When any person, whose estate over and above the amount of
 2 his debts, as defined in this chapter, exceeds the sum of one thousand
 3 dollars, shall bequeath or devise any real property to or for the use
 4 of persons exempt from the tax imposed by this chapter, during life
 5 or for a term of years, and the remainder to a collateral heir, said
 6 property upon the determination of such estate for life or years, shall
 7 be appraised at its then actual market value from which shall be de-

8 ducted the value of any improvements thereon, or betterments thereto,
 9 if any, made by the remainderman during the time of the prior estate,
 10 to be ascertained and determined by the appraisers and the tax on the
 11 remainder shall be paid by such remainderman as provided in section
 12 forty-seven hundred twenty-two.

[S., '13, § 1481-a10.]

SEC. 4721. Remainders.

1 When any person whose estate, over and above the amount of his
 2 just debts, exceeds the sum of one thousand dollars shall bequeath or
 3 devise any real property to or for the use of the father, mother, hus-
 4 band, wife, lineal descendant, adopted child, or lineal descendant of
 5 such child, during life or for a term of years, and the remainder to
 6 a collateral heir or to a stranger to the blood, the court, upon the de-
 7 termination of such estate for life or years, shall, upon its own mo-
 8 tion or upon the application of the treasurer of state, cause such es-
 9 tate to be appraised at its then actual market value, from which shall
 10 be deducted the value of any improvements thereon, or betterments
 11 thereto, if any, made by the remainderman during the time of the
 12 prior estate, to be ascertained and determined by the appraisers, and
 13 the tax on the remainder shall be paid by such remainderman within
 14 sixty days from the approval by the court of the report of the ap-
 15 praisers. If such tax is not paid within said time; the court shall
 16 then order said real estate, or so much thereof as shall be necessary
 17 to pay such tax, to be sold.

[C., '97, § 1470.]

**SEC. 4722. Life and term estates in realty to those not exempt—
 appraisalment—payment of tax—determination of prior es-
 tates—report—tax to be paid by remainderman.**

1 Whenever any real property of a decedent shall be subject to
 2 such tax and there be an estate or interest for life or term of years
 3 given to a party other than those especially exempt by this chapter,
 4 the clerk shall cause such property to be appraised at the actual mar-
 5 ket value thereof, as is provided in ordinary cases, and the party en-
 6 titled to such estate or interest shall, within one year from the death
 7 of decedent owner, pay such tax, and in default thereof the court shall
 8 order such interest in said estate, or so much thereof as shall be nec-
 9 essary to pay such tax and interest, to be sold. Upon the determina-
 10 tion of any prior estate or interest, when the remainder or deferred
 11 estate or interest or any part thereof is subject to such tax and the
 12 tax upon such remainder or deferred interest has not been paid, the
 13 person or persons entitled to such remainder or deferred interest
 14 shall immediately report to the clerk of the proper court the fact of
 15 the determination of the prior estate, and upon receipt of such report,
 16 or upon information from any source, of the determination of any
 17 such prior estate when the remainder interest has not been appraised
 18 for the purpose of assessing such tax, the clerk shall forthwith issue
 19 a commission to the collateral inheritance tax appraisers, who shall
 20 immediately proceed to appraise the property as provided in like
 21 cases in section forty-seven hundred twenty, and the tax upon such
 22 remainder interest shall be paid by the remainderman within one
 23 year next after the determination of the prior estate. If such tax is
 24 not paid within said time the court shall then order said property,

25 or so much thereof as may be necessary to pay such tax and interest,
26 to be sold.

[S., '13, § 1481-a11.]

SEC. 4723. Life estate.

1 Whenever any real estate of a decedent shall be subject to such
2 tax, and there be a life estate or interest for a term of years given to
3 a party other than named in section forty-seven hundred twenty-one,
4 and the remainder to a collateral heir or stranger to the blood, the
5 court shall direct the interest of the life estate or term of years to
6 be appraised at the actual market value thereof, and, upon the ap-
7 proval of such appraisal by the court, the party entitled to such
8 life estate, or term of years, shall within sixty days thereafter pay
9 such tax, and in default thereof the court shall order such interest
10 in said estate, or so much thereof as shall be necessary to pay such
11 tax, to be sold. Upon the determination of such life estate or term
12 of years, the same provision shall apply as to the ascertainment of
13 the amount of the tax and the collection of the same on the real estate
14 in remainder as in like cases is provided in section forty-seven hun-
15 dred twenty-one. Whenever any personal estate of a decedent shall
16 be subject to such tax, and there be a life estate or interest for a term
17 of years given to a party other than named in section forty-seven
18 hundred twenty-one, and remainder to a collateral heir or stranger
19 to the blood, the court shall inquire into and determine the value of the
20 life estate or interest for the term of years, and order and direct the
21 amount of the tax thereon to be paid by the prior estate and that to
22 be paid by the remainderman, each of whom shall pay their propor-
23 tion of such tax within sixty days from such determination, unless a
24 longer period is fixed by the court, and in default thereof the executor
25 administrator or trustee shall pay the same out of said property, and
26 hold the same from distribution, and invest it at interest under the
27 order of the court until said tax is paid, or until the interest on the
28 same equals the amount of such tax, which shall thereupon be paid.

[C., '97, § 1471.]

**SEC. 4724. Life and term estates in personal property—appraise-
ment—payment of tax.**

1 Whenever any personal property shall be subject to the tax im-
2 posed by this chapter and there be an estate or interest for life or
3 term of years given to one or more persons and remainder or deferred
4 estate to others, the clerk shall cause the property so devised or con-
5 veyed to be appraised as provided herein in ordinary estates and the
6 value of the several estates or interests so devised or conveyed shall
7 be determined as provided in section forty-seven hundred twenty-
8 eight, and the tax upon such estates or interests as are liable for the
9 tax imposed by this chapter shall be paid to the treasurer of state
10 from the property appraised or by the persons entitled to such estate
11 or interest within eighteen months from the death of the testator,
12 grantor, or donor; provided, however, that payment of the tax upon
13 any deferred estate or remainder interest may be deferred until the
14 determination of the prior estate by the giving of a good and sufficient
15 bond as provided in the next succeeding section.

[S., '13, § 1481-a12.]

SEC. 4725. Bond to defer payment of tax until determination of prior estate—exception.

1 When in case of deferred estates or remainder interests in personal
2 personal property or in the proceeds of any real estate that may be sold
3 during the time of a life, term or prior estate, the persons interested
4 who may desire to defer the payment of the tax until the determination
5 of the prior estate, shall file with the clerk of the proper district
6 court a bond as provided herein in other cases, such bond to be renewed
7 every two years until the tax upon such deferred estate is paid.
8 If at the end of any two-year period the bond is not promptly renewed
9 as herein provided and the tax has not been paid, the bond shall be
10 declared forfeited, and the amount thereof be forthwith collected.
11 When the estate of a decedent consists in part of real and in part of
12 personal property, and there be an estate for life or for a term of years
13 to one or more persons and a deferred or remainder estate to others,
14 and such deferred or remainder estate is in whole or in part subject
15 to the tax imposed by this chapter, if the deferred or remainder estates
16 or interests are so disposed that good and sufficient security for
17 the payment of the tax for which such deferred or remainder estates
18 may be liable can be had because of the lien imposed by this chapter
19 upon the real property of such estate, then payment of the tax upon
20 such deferred or remainder estates may be postponed until the determination
21 of the prior estate without giving bond as herein required
22 to secure payment of such tax, and the tax shall remain a lien upon
23 such real estate until this tax upon such deferred estate or interest
24 is paid.

[S., '13, § 1481-a13.]

SEC. 4726. Bonds—conditions.

1 All bonds required by this chapter shall be payable to the treasurer
2 of state and shall be conditioned upon the payment of the tax,
3 interest and costs for which the estate may be liable, and for the faithful
4 performance of all the duties hereby imposed upon and required
5 of the person whose acts are by such bond to be guaranteed, and shall
6 be in an amount equal to twice the amount of the tax, interest and
7 costs that may be due, but in no case less than five hundred dollars
8 and must be secured by not less than two resident freeholders or by a
9 fidelity or surety company authorized by the auditor of state to do
10 business in this state.

[S., '13, § 1481-a14.]

SEC. 4727. Removal of taxable property from state—penalty—bond.

1 It shall be unlawful for any person to remove from this state any
2 property, or the proceeds thereof, that may be subject to the tax imposed
3 by this chapter, without paying the said tax to the treasurer of state.
4 Any person violating the provisions of this section shall be guilty of a
5 felony and upon conviction shall be fined an amount equal to twice
6 the amount of tax, interest and costs for which the estate may be liable,
7 but in no case less than two hundred dollars and imprisoned as the court
8 shall direct, until the fine is paid; provided, however, that the penalty
9 hereby imposed shall not be enforced, if prior to the removal of such
10 property or the proceeds thereof, the person desiring to effect such
11 removal files with the clerk a bond conditioned

12 upon the payment of the tax, interest and costs, as is provided in
13 the preceding section hereof.

[S., '13, § 1481-a15.]

SEC. 4728. Determination of value of annuities and life and term estates—basis of computation—release of lien on remainders and reversions.

1 The value of any annuity, deferred estate, or interest, or any
2 estate for life or term of years, subject to the collateral inheritance
3 tax, shall be determined for the purpose of computing said tax by
4 the rule of standards of mortality and of value commonly used in
5 actuaries' combined experience tables as now provided by law. The
6 taxable value of annuities, life or term, deferred or future estates,
7 shall be computed at the rate of four per cent per annum of the ap-
8 praised value of the property in which such estate of interest exists
9 or is founded. Whenever it is desired to remove the lien of the col-
10 lateral inheritance tax on remainders, reversions, or deferred estates,
11 parties owning the beneficial interest may pay at any time the said
12 tax on the present worth of such interests determined according to
13 the rules herein fixed.

[S., '13; § 1481-a16.]

SEC. 4729. Executors, administrators, trustees — powers and duties—suit by treasurer—extension of time of payment.

1 It is hereby made the duty of all executors, administrators, trus-
2 tees, or other persons charged with the management or settlement of
3 any estate subject to the tax provided for in this chapter, to collect
4 and pay to the treasurer of state the amount of the tax due from any
5 devisee, grantee, donee, heir or beneficiary of the decedent, except in
6 cases where payment of the tax is deferred until the determination
7 of a prior estate in which cases the treasurer of state shall collect the
8 same. Executors, administrators, trustees, or the state treasurer,
9 shall have power to sell so much of the property of the decedent as
10 will enable them to pay said tax, in the same manner as is now pro-
11 vided by law for the sale of such property for the payment of debts
12 of testators or intestates. The treasurer of state may bring, or cause
13 to be brought in his name of office, suit, for the collection of said tax,
14 interest and costs, against the executor, administrator, or trustee, or
15 against the person entitled to property subject to said tax, or upon
16 any bond given to secure payment thereof, either jointly or severally
17 and obtaining judgment may cause execution to be issued thereon as
18 is provided by statute in other cases. The proceedings shall conform
19 as nearly as may be to those for the collection of ordinary debt by
20 suit. If because of necessary litigation or other unavoidable cause of
21 delay enforced payment of the tax hereby imposed, by suit and execu-
22 tion, would result in loss or be to the detriment of the best interests of
23 the estate, the court may extend the time for the payment of the tax.
24 Such extensions of time shall not be granted except in cases where
25 security is given for payment of the tax, interest and costs.

[S., '13, § 1481-a17.]

SEC. 4730. Tax deducted from legacy or collected from legatee.

1 Every executor, administrator, referee or trustee having in charge
2 or trust any property of an estate subject to said tax, and which is

3 made payable by him, shall deduct the tax therefrom or shall collect
4 the tax thereon from the legatee or person entitled to said property
5 and pay the same to the treasurer of state, and he shall not deliver
6 any specific legacy or property subject to said tax to any person until
7 he has collected the tax thereon.

[S., '13, § 1481-a18.]

SEC. 4731. Payment by executor or trustee.

1 Every executor, administrator or trustee having in charge or
2 trust any property subject to said tax, and which is made payable by
3 him, shall deduct the tax therefrom, or shall collect the tax thereon
4 from the legatee or person entitled to said property, and he shall not
5 deliver any specific legacy or property subject to said tax to any per-
6 son until he has collected the tax thereon.

[C., '97, § 1474.]

SEC. 4732. Payment to state.

1 All taxes imposed by this chapter shall be payable to the treas-
2 urer of state, and those which are made payable by executors, admin-
3 istrators or trustees shall be paid within fifteen months from the death
4 of the testator or intestate, or within fifteen months from assuming
5 of the trust by such trustee, unless a longer period is fixed by the
6 court. All taxes not paid within the time prescribed in this chapter
7 shall draw interest at the rate of eight per centum per annum until
8 paid.

[C., '97, § 1475.]

SEC. 4733. Collection.

1 It is hereby made the duty of all executors, administrators or
2 trustees charged with the management or settlement of any estate
3 subject to the tax provided for in this chapter, to collect and pay to
4 the treasurer of state the amount of the tax due from any devisee,
5 grantee or donee of the decedent, except in cases falling under the
6 provisions of sections forty-seven hundred twenty-one and forty-seven
7 hundred twenty-three, in which cases the treasurer of state shall col-
8 lect the same. Applications may be made to the district court by such
9 executor, administrator, trustee or state treasurer to sell the real es-
10 tate subject to said tax in an equitable action, or, if made to the court
11 having charge of the settlement of said estate, the proceedings shall
12 conform as nearly as may be to those for the sale of the real estate
13 of a decedent for the settlement of his debts.

[C., '97, § 1477.]

SEC. 4734. Settlements with executors or trustees.

1 No final settlement of the account of any executor, administrator
2 or trustee shall be accepted or allowed unless it shall show, and the
3 court shall find, that all taxes imposed by the provisions of this chap-
4 ter upon any property or interest therein belonging to the estate to
5 be paid by such executors, administrators or trustees, and to be set-
6 tled by said account, shall have been paid, and the receipt of the treas-
7 urer of state for such tax shall be the proper voucher for such payment.

[C., '97, § 1480.]

**SEC. 4735. Order on final settlement void if taxes not paid—
recording of treasurer's receipt on lien book.**

1 No final settlement of the account of any executor, administrator,
2 or trustee shall be accepted or allowed unless it shall show, and the
3 court shall find, that all taxes imposed by the provisions of this chap-
4 ter upon any property or interest therein, that is hereby made pay-
5 able by such executors, administrators or trustees, and to be settled
6 by said account, shall have been paid, and the receipt of the treasurer
7 of state for such tax shall be the proper voucher for such payment.
8 Any order contravening the provision of this section shall be void.
9 Upon the filing of such receipt showing payment of the tax, the clerk

[S., '13, § 1481-a24.]

SEC. 4745. Extension of time of appraisalment — complicated estates.

1 Whenever, by reason of the complicated nature of an estate, or
 2 by reason of the confused condition of the decedent's affairs, it is im-
 3 practicable for the executor, administrator, trustee or beneficiary of
 4 said estate to file with the clerk of the court a full, complete and item-

 7 court may, upon the application of such representatives or parties in
 8 interest, extend the time for making the collateral inheritance ap-

 10 fixed by this chapter.

[S., '13, § 1481-a27.]

SEC. 4746. Heirs at law to make report—failure to report does not relieve estate from lien.

1 Whenever any property passing under the intestate laws may be
 2 subject to the tax imposed by this chapter, the person or persons en-
 3 titled to such property shall make or cause to be made to the clerk of
 4 the courts of the county wherein such property is located, within
 5 ninety days next following the death of such intestate, a report in
 6 writing embodying therein substantially the information required by
 7 section forty-seven hundred seven. Failure to furnish such report
 8 or to probate the will in a testate estate shall not relieve the estate
 9 from the lien created hereby or the persons entitled to the property
 10 of such decedent from payment of the tax, interest or other penalties
 11 imposed by this chapter.

[S., '13, § 1481-a28.]

1 The clerk shall enter upon the collateral inheritance tax and lien
 2 book, the title of all estates subject to the inheritance tax as shown

 5 shall enter in said book as against each estate or title at the appropri-
 6 ate place, all such information relating to the situation and condition
 7 of the estate as he may be able to obtain from the papers filed in his
 8 office, or from any other source, as may be necessary to the collection
 9 and enforcement of the tax. He shall also immediately index in the
 10 book kept in his office for that purpose, all liens entered upon the col-
 11 lateral inheritance tax and lien book. Failure to make such entries
 12 as are herein required, shall not operate to relieve the estate from the
 13 lien or defeat the collection of the tax.

[S., '13, § 1481-a29.]

SEC. 4748. Probate record.

1 In all cases entered upon the inheritance tax and lien book, the
 2 clerk shall make a complete record in the proper probate record, of
 3 all the proceedings, orders, reports, inventory, appraisements and all
 4 other matters and proceedings therein.

[S., '13, § 1481-a30.]

SEC. 4749. Clerk to examine probate records and report estates subject to tax—fee.

1 It shall be the duty of each clerk of the district court to make ex-
 2 amination from time to time of all reports filed with him by admin-
 3 istrators, executors and trustees, pursuant to law; also to make ex-
 4 amination of all foreign wills offered for probate or recorded within
 5 his county, as well as of the record of deeds and conveyances in the
 6 recorder's office of said county, and if from such examination or from
 7 information or knowledge coming to him from any other source, he
 8 finds or believes that any property within his county, or within the
 9 jurisdiction of the district court of said county has, since July fourth,
 10 eighteen hundred ninety-six, passed by will or by the intestate laws of
 11 this or any other state, or by deed or other method of conveyance,
 12 made in anticipation of or intended to take effect, in possession or in
 13 enjoyment after the death of the testator, donor or grantor, to any
 14 person other than to or for the use of the persons, societies, or organ-
 15 izations exempt from the tax hereby imposed, he shall make report
 16 thereof in writing to the treasurer of state, embodying in such report
 17 such information as he may be able to obtain as to the name and resi-
 18 dence of decedent, date of death, name and address of administrator,
 19 executor, or trustee, the description of any property liable to said tax
 20 and the county in which it is located and name and relationship of
 21 all beneficiaries or heirs. Any citizen of the state having knowledge
 22 of property liable to such tax, against which no proceeding for en-
 23 forcing collection thereof is pending, may report the same to the clerk
 24 and it shall be the duty of such officer to investigate the case, and if
 25 he has reason to believe the information to be true, he shall forthwith
 26 enter the estate and report the same substantially as above indicated.
 27 For reporting such estates or property the clerk shall receive a com-
 28 pensation of one dollar for each one hundred dollars or fraction thereof
 29 of tax paid, but not to exceed the sum of five dollars in any one estate,
 30 the same to be in addition to the compensation now allowed him by
 31 law. Except when this information has first been received from an-
 32 other source, the treasurer of state, when he has issued his receipt for
 33 the tax in such estate, shall certify to the auditor of state the amount
 34 due the clerk for such service and the auditor of state shall issue his
 35 warrant on the treasurer of state in favor of said clerk for the sum
 36 due as herein provided.

[S., '13, § 1481-a31.]

SEC. 4750. Duties of county attorney — compensation — other counsel may be employed.

1 It shall be the duty of the county attorney of each county, when
 2 directed by the treasurer of state, to perform such legal services as
 3 shall be necessary in the enforcement of said tax, but such attorney
 4 shall have no authority to receipt for or receive any of such tax. He
 5 shall advise and assist the clerk and appraisers in the discharge of

6 their duties in collateral inheritance tax matters, and see that the
 7 notices required by law are properly made and returned. In each
 8 estate where the county attorney has performed such legal services,
 9 he shall receive a compensation as follows, viz.: On the first one
 10 hundred dollars or fraction thereof of tax paid, ten per cent; on the
 11 excess of one hundred dollars to five hundred dollars, five per cent; on
 12 the excess of five hundred dollars to one thousand dollars, three per
 13 cent; on all sums in excess of one thousand dollars, one per cent, but
 14 not to exceed one hundred fifty dollars from any one estate; pro-
 15 vided, however, that except in cases of litigation requiring the filing
 16 of a petition or answer in court, the fee in any case shall not exceed
 17 the sum of fifty dollars. When the treasurer of state has issued his
 18 receipt for the tax in an estate, in which the county attorney has been
 19 directed to render legal services, and has performed such services, the
 20 treasurer of state shall certify the amount due for such services to
 21 the auditor of state, who shall issue his warrant on the treasurer of
 22 state in favor of said county attorney for the sum due. If the county
 23 attorney is attorney for the executor, administrator or other person
 24 interested in the estate, the treasurer of state may employ another
 25 attorney to represent the state.

[S., '13, § 1481-a32.]

SEC. 4751. Conflicting claims for fees—treasurer to adjust.

1 In the event of uncertainty or of conflicting claims as to fees due
 2 county attorneys or clerks under this chapter, the treasurer of state
 3 is empowered to determine the amount of fees, to whom payable, and
 4 when the same are due, and as far as possible, such determination
 5 shall be in accord with fixed rules made by the treasurer of state.

[S., '13, § 1481-a33.]

**SEC. 4752. Regular inspection of records and reports by court—
 order instituting proceedings.**

1 On the first day of each regular term, the court shall require the
 2 clerk to present for its inspection the inheritance tax and lien book
 3 hereinbefore provided for, together with all reports of administrators,
 4 executors and trustees which have been filed pursuant to this chapter,
 5 since the last preceding term. The county attorney shall also attend
 6 and make report to the court concerning the progress of all cases pend-
 7 ing for the collection of such taxes, together with any other facts,
 8 which in his judgment may aid the court in enforcing the general ob-
 9 servance of the collateral inheritance tax law. If from information
 10 obtained from the records or reports, or from any other source, the
 11 court has reason to believe that there is property within its jurisdic-
 12 tion liable to the payment of an inheritance tax, against which pro-
 13 ceedings for collection are not already pending, it shall enter an order
 14 of record, directing the county attorney to institute such proceedings
 15 forthwith. Should any estate, or the name of any grantee or grantees
 16 be placed upon the book at the suggestion of the county attorney, the
 17 treasurer of state, or other person, in which the papers already on
 18 file in the clerk's office do not disclose that an inheritance tax is due
 19 or payable, the county attorney shall forthwith give to all parties in
 20 interest such notice as the court or judge may prescribe, requiring
 21 them to appear on a day to be fixed by the said court or judge, and
 22 show cause why the property should not be appraised and subjected

23 to said tax. At any such hearing any person may be required to
24 appear and answer as to his knowledge of any such estate or prop-
25 erty. If upon any such hearing the court is satisfied that any prop-
26 erty of the decedent or any property devised, granted or donated by
27 him, is subject to the tax, the same proceedings shall be had as in
28 other cases, so far as applicable.

[S., '13, § 1481-a34.]

SEC. 4753. Costs charged against estate—exceptions.

1 In all cases where an estate or interest therein so passes as to be
2 liable to taxation under this chapter, all costs of the proceedings had
3 for the assessment of such tax shall be chargeable to such estate as
4 other costs in probate proceedings and to discharge the lien, all costs,
5 as well as the taxes must be paid. In all other cases the costs are to
6 be paid as ordered by the court. When a decision adverse to the state
7 has been rendered, with an order that the state pay the costs, it shall
8 be the duty of the clerk of the court in which such action was pend-
9 ing to certify the amount of such costs to the treasurer of state, who
10 shall, if said costs be correctly certified, and the case has been finally
11 terminated, and the tax if any due has been paid, present the claim to
12 the executive council to audit, and said claim being allowed by said
13 council, the auditor of state is directed to issue a warrant on the treas-
14 urer of state in payment of such costs.

[S., '13, § 1481-a35.]

SEC. 4754. Securities and assets held by bank or trust company—notice to transfer.

1 No safe deposit company, trust company, bank or other institu-
2 tion, person or persons holding securities or assets of the decedent
3 shall deliver or transfer the same to the executor, administrator or
4 legal representative of said decedent unless the tax for which such
5 securities or assets are liable under this chapter shall be first paid,
6 or the payment thereof is secured by bond as herein provided. It
7 shall be lawful for and the duty of the treasurer of state personally,
8 or by any person by him duly authorized, to examine such securities
9 or assets at the time of any proposed delivery or transfer. Failure
10 to serve ten days' notice of such proposed transfer upon the treasurer
11 of state or to allow such examination on the delivery of such securi-
12 ties or assets to such executor, administrator or legal representative
13 shall render such safe deposit company, trust company, bank or other
14 institution, person or persons liable for the payment of the tax upon
15 such securities or assets as provided in this chapter.

[S., '13, § 1481-a36.]

SEC. 4755. Transfer of corporation stock by foreign executor, administrator or trustee—liability of corporation for tax.

1 If a foreign executor, administrator or trustee shall assign or
2 transfer any corporate stock or obligations in this state standing in
3 the name of a decedent, or in trust for a decedent, liable to such tax,
4 the tax shall be paid to the treasurer of state on or before the trans-
5 fer thereof; otherwise the corporation permitting its stock to be so
6 transferred shall be liable to pay such tax, interest, and costs, and it
7 is the duty of the treasurer of state to enforce the payment thereof.

[S., '13, § 1481-a37.]

1 All Iowa corporations organized for pecuniary profit, shall on
2 July first of each year, by its proper officers under oath make a full
3 and correct report to the treasurer of state of all transfers of its
4 stocks made during the preceding year by any person who appears
5 on the books of such corporation as the owner of such stock, when
6 such transfer is made to take effect at or after the death of the owner
7 or transferor, and all transfers which are made by an administrator,
8 executor, trustee, referee, or any person other than the owner or per-
9 son in whose name the stocks appeared of record on the books of such
10 corporation, prior to the transfer thereof. Such report shall show
11 the name of the owner of such stocks and his place of residence, the
12 name of the person at whose request the stock was transferred, his
13 place of residence and the authority by virtue of which he acted in
14 making such transfer, the name of the person to whom the transfer
15 was made, and the residence of such person; together with such other
16 information as the officers reporting may have relating to estates of
17 persons deceased who may have been owners of stock in such corpora-
18 tion. If it appears that any such stock so transferred is subject to tax
19 under the provisions of this chapter, and the tax has not been paid,
20 the treasurer of state shall notify the corporation in writing of its
21 liability for the payment thereof, and shall bring suit against such
22 corporation as in other cases herein provided unless payment of the
23 tax is made within sixty days from the date of such notice.

[S., '13, § 1481-a38.]

SEC. 4757. Foreign estates—deduction of debts.

1 Whenever any property belonging to a foreign estate, which es-
2 tate in whole or in part passes to persons not exempt herein from such
3 tax, the said tax shall be assessed upon the market value of said prop-
4 erty remaining after the payment of such debts and expenses as are
5 chargeable to the property under the laws of this state. In the event
6 that the executor, administrator or trustee of such foreign estate files
7 with the clerk of the court having ancillary jurisdiction, and with the
8 treasurer of state, duly certified statements exhibiting the true market
9 value of the entire estate of the decedent owner, and the indebtedness
10 for which the said estate has been adjudged liable, which statements
11 shall be duly attested by the judge of the court having original juris-
12 diction, the beneficiaries of said estate shall then be entitled to have
13 deducted such proportion of the said indebtedness of the decedent
14 from the value of the property as the value of the property within
15 this state bears to the value of the entire estate.

[S., '13, § 1481-a39.]

SEC. 4758. Property in this state belonging to a foreign estate and not specifically devised—how assessed.

1 Whenever any property, real or personal, within this state be-
2 longs to a foreign estate and said foreign estate passes in part exempt
3 from the tax imposed by this chapter and in part subject to said tax
4 and there is no specific devise of the property within this state to di-
5 rect heirs or if it is within the authority or discretion of the foreign
6 executor, administrator or trustee administering the estate to dispose
7 of the property not specifically devised to direct heirs or devisees in

8 the payment of debts owing by the decedent at the time of his death,
9 or in the satisfaction of legacies, devises, or trusts given to direct or
10 collateral legatees or devisees or in payment of the distributive shares
11 of any direct and collateral heirs, then the property within the jurisdic-
12 tion of this state, belonging to such foreign estate, shall be subject
13 to the tax imposed by this chapter, and the tax due thereon shall be
14 assessed as provided in the next preceding section relating to the de-
15 duction of the proportionate share of indebtedness; provided, how-
16 ever, that if the value of the property so situated exceeds the total
17 amount of the estate passing to other persons than those exempt
18 hereby from the tax imposed by this chapter such excess shall not be
19 subject to said tax.

[S., '13, § 1481-a40.]

SEC. 4759. Compromise settlement—how effected—discharge of lien.

1 Whenever an estate charged or sought to be charged with the
2 collateral inheritance tax is of such a nature, or is so disposed, that
3 the liability of the estate is doubtful, or the value thereof can not with
4 reasonable certainty be ascertained under the provisions of law, the
5 treasurer of state may, with the written approval of the attorney gen-
6 eral, which approval shall set forth the reasons therefor, compromise
7 with the beneficiaries or representatives of such estates, and com-
8 pound the tax thereon; but said settlement must be approved by the
9 district court or judge of the proper court, and after such approval
10 the payment of the amount of the taxes so agreed upon shall discharge
11 the lien against the property of the estate.

[S., '13, § 1481-a41.]

SEC. 4760. Unknown heirs.

1 Whenever the heirs or persons entitled to any estate or any in-
2 terest therein, are unknown or their place of residence can not with
3 reasonable certainty, be ascertained, a tax of five per cent shall be
4 paid to the treasurer of state upon all such estates or interests, sub-
5 ject to refund as provided herein in other cases; provided, however,
6 that if it be afterwards determined that any estate or interest passes
7 to aliens, there shall be paid within sixty days after such determina-
8 tion and before delivery of such estate or property, an amount equal
9 to the difference between five per centum, the amount paid, and the
10 amount which such person should pay under the provisions of this
11 chapter.

[S., '13, § 1481-a42.]

SEC. 4761. Refund of tax improperly paid.

1 When within five years after the payment of the tax, a court of
2 competent jurisdiction may determine that property upon which a
3 collateral inheritance tax has been paid is not subject to or liable for
4 the payment of such tax, or that the amount of tax paid was exces-
5 sive, so much of such tax as has been overpaid to the treasurer of
6 state shall be returned or refunded to the executor or administrator
7 of such estate, or to those entitled thereto, when a certified copy of
8 the record of such court showing the fact of nonliability of such prop-
9 erty to the payment of such tax has been filed with the executive
10 council of the state, the executive council shall if the case has been

11 finally determined issue an order to the auditor of state directing
 12 him to issue a warrant upon the treasurer of state to refund such tax.
 13 Such order of court shall not be given until fifteen days' notice of the
 14 application therefor shall have been given to the treasurer of state of
 15 the time and place of the hearing of such application, which notice
 16 shall be served in the same manner as provided for original notices.

[S., '13, § 1481-a43.]

SEC. 4762. Contingent estates—appraisement—refund of excess payment.

1 Estates in expectancy which are contingent or defeasible and in
 2 which proceedings for the determination of the tax have not been
 3 taken or where the taxation thereof has been held in abeyance, shall
 4 be appraised at their full, undiminished value when the persons en-
 5 titled thereto shall come into the beneficial enjoyment or possession
 6 thereof, without diminution for or on account of any valuation there-
 7 tofore made of the particular estates for purposes of taxation, upon
 8 which said estates in expectancy may have been limited. When an
 9 estate, devise, or legacy can be divested by the act or omission of the
 10 legatee or devisee, it shall be taxed as if there were no possibility of
 11 such divesting. When a devise, bequest or transfer is one in part
 12 contingent, and in part vested so that the beneficiary will come into
 13 possession and enjoyment of a portion of his inheritance on or before
 14 the happening of the event upon which the possible defeating con-
 15 tingency is based, a tax shall be imposed and collected upon such be-
 16 quest or transfer as upon a vested interest, at the highest rate pos-
 17 sible under the terms of this chapter if no such contingency existed;
 18 provided that in the event such contingency reduces the value of the
 19 estate or interest so taxed, and the amount of tax so paid is in excess
 20 of the tax for which such bequest or transfer is liable upon the re-
 21 moval of such contingency, such excess shall be refunded as is pro-
 22 vided in the preceding section in other cases.

[S., '13, § 1481-a44.]

TITLE XV.

CERTAIN INTERNAL IMPROVEMENTS.

CHAPTER 1.

LEVEES, DRAINS, DITCHES AND WATERCOURSES.

SECTION 4777. Supervisors to locate.

1 The board of supervisors of any county may locate and cause to
2 be constructed levees, ditches or drains, or change the direction of any
3 watercourse in such county, whenever the same will be conducive to
4 the public health, convenience or welfare.

[C., '73, § 1207; C., '97, § 1939.]

SEC. 4778. Proceedings—bond—survey—notice.

1 A petition signed by a majority of the persons resident in the
2 county, owning land abutting upon such proposed improvement, shall
3 be first filed in the office of the county auditor, setting forth the neces-
4 sity for the same, the starting point, route and terminus, together
5 with a bond, with sufficient sureties to be approved by him, condi-
6 tioned to pay all costs and expenses incurred in case the supervisors
7 refuse to grant the prayer of the petition. The auditor shall thereupon
8 place a copy of the petition in the hands of the county surveyor or a
9 competent engineer, who shall make a survey of the proposed improve-
10 ment, and return a plat and profile thereof to the auditor; which
11 return shall set forth a full and detailed description thereof, its avail-
12 ability, necessity and probable cost, with a description of each tract
13 of land owned by different persons, through or abutting upon which
14 the improvement is proposed to be located, how it will be affected
15 thereby, and its situation and elevation as compared with that of
16 adjoining lands, with such other facts as he may deem material. The
17 auditor shall immediately thereafter cause notice in writing to be
18 served on the owner of each tract of land, through or abutting upon
19 which the proposed improvement is to be located, who is a resident
20 of the county, of the pendency and prayer of said petition, and the
21 session of the board of supervisors at which the same will be heard,
22 which notice shall be served ten days prior to said session in the same
23 manner that original notices are required to be served. In case any
24 such owner is a nonresident of the county, such notice as to him shall
25 be published, once each week, for two consecutive weeks in some news-
26 paper published in the county, proof thereof being made by affidavits
27 as in the case of legal notices published in newspapers, which proof
28 shall be filed with the board.

[C., '73, § 1208; C., '97, § 1940; S., '13, § 1940.]

SEC. 4779. Location—damages.

1 The board, at the session set for hearing said petition, shall
2 thereupon proceed to hear and determine the petition, and, if neces-

3 sary, view the premises, and if they find such improvement conducive
4 to the public health, convenience or welfare, and no claims shall have
5 been made for damages as provided in the next section, they shall
6 locate and establish the same on the route specified in the plat and
7 return of the county surveyor or engineer. But if any such claim has
8 been made, further proceedings shall be adjourned to the next regular
9 session, and the county auditor shall forthwith appoint appraisers to
10 assess such damages, who shall proceed in the manner provided by
11 law for the assessment of damages in the opening of roads; and the
12 sum so assessed in favor of said claimant shall be paid in the first
13 instance by the parties benefited by such improvement, or secured to
14 be paid upon such terms and conditions as the county auditor may
15 deem just and proper; and the board shall, at the next regular session
16 after such damages have been assessed and paid, or secured, as afore-
17 said, proceed to locate and establish the improvement as hereinbefore
18 provided, and place a competent engineer in charge of the work.

SEC. 4780. Claim for damages.

1 Any person claiming damages as compensation for land required
2 for the construction of such improvement, or for injury sustained by
3 the change of direction of any such watercourse, shall make his appli-
4 cation in writing therefor to the board of supervisors, on or before the
5 first day of the session at which the petition has been set for hearing,
6 and on failure to make the same shall be held to have waived his right
7 thereto.

[C., '73, § 1210; C., '97, § 1942.]

SEC. 4781. Work divided.

1 When the board shall have established any such improvement, it
2 shall divide the same into suitable sections, not less in number than
3 the number of tracts of land of different owners through which the
4 same may be located, and prescribe the time within which work upon
5 each section shall be completed.

[C., '73, § 1211; C., '97, § 1943.]

SEC. 4782. Letting work—payment.

1 The auditor shall cause notice to be given of the time and place
2 of letting, the kind and approximate amount of work to be done on
3 each section, and the time fixed for its completion, by publication, once
4 each week, for four consecutive weeks in some newspaper printed in
5 said county, and shall let it upon each separate section to the lowest
6 bidder therefor, who shall be required to execute a bond, with suffi-
7 cient sureties, in an amount equal to ten per cent of the estimated
8 cost of the work so let, or deposit such amount in cash with the auditor,
9 as security for the performance of his contract. The engineer in
10 charge of the construction shall furnish the contractor monthly esti-
11 mates of the amount of work done on each section, and upon the filing
12 of the same with the auditor, he shall draw a warrant in favor of the
13 contractor for eighty per cent of the value of the work done, according
14 to the estimate; and when said improvement is completed to the satis-
15 faction of the engineer in charge, and so certified by him to the auditor,
16 he shall draw a warrant in favor of said contractor upon the levee or
17 drainage fund for the balance due, as provided in the following sec-

18 tion. If any person to whom any portion of said work has been let
 19 shall fail to perform the same as, and in the time, specified in his con-
 20 tract, the cash deposited by him shall be forfeited to, or the penalty
 21 named in the bond may be recovered in an action thereon by, the
 22 county auditor, for the benefit of the levee or drainage district, on
 23 said contract, as liquidated damages, and it shall be relet by the auditor
 24 in the manner hereinbefore provided.

[C., '73, § 1212; C., '97, § 1944; S., '13, § 1944.]

SEC. 4783. Costs and fees—how paid.

1 The auditor and engineer shall each be allowed for their services
 2 such sum as may be fixed by the board of supervisors, and all other
 3 fees or costs shall be the same as is provided by law for like services
 4 in other cases, and if the county surveyor performs service in relation
 5 thereto, the same as is provided by law; all of which, together with
 6 damages assessed, shall be paid out of the county treasury from the
 7 fund collected for that purpose, upon the order of the county auditor.

[C., '73, § 1213; C., '97, § 1945.]

SEC. 4784. Assessment of costs and damages—classification.

1 When any levee, ditch, drain, or change of direction of any wa-
 2 tercourse shall have been located and established, as provided in this
 3 chapter, or when it shall be necessary to cause the same to be repaired
 4 or reopened, the auditor shall appoint three persons, one of whom
 5 shall be a competent civil engineer, and two who shall be resident free-
 6 holders of the county, not living within the township or townships
 7 where the improvement is or is to be located, and not interested
 8 therein or in a like question, nor related to any party whose land is
 9 affected thereby, who shall within twenty days after such appoint-
 10 ment personally inspect and classify as "dry," "low," "wet," or
 11 "swamp" all the land benefited by the location and construction of the
 12 improvement, or the repairing or reopening of the same, and shall
 13 make an equitable apportionment of the cost, expenses, cost of con-
 14 struction, fees, and damages assessed for the construction of any
 15 such improvement, or of repairing or reopening the same, and make
 16 report thereof in writing to the board of supervisors and file the same
 17 with the county auditor who shall immediately thereafter fix a time
 18 for hearing objections thereto before the board of supervisors, and
 19 cause to be served upon the owner of each tract of land or lot de-
 20 scribed in said report as shown by the transfer books in the auditor's
 21 office notice in writing of the filing and pendency of said report, the
 22 amount of special assessment apportioned to such owner, the day set
 23 for hearing the same, and that all objections thereto must be made in
 24 writing and filed with the county auditor on or before noon of the
 25 day set for such hearing, which notice as to residents of the county
 26 shall be served not less than ten days prior to the day set for such
 27 hearing in the same manner that original notices are required to be
 28 served, and as to nonresidents of the county such notice shall be
 29 served by publishing the same once each week for two consecutive
 30 weeks, the last publication not less than ten days prior to the day set
 31 for hearing, in some newspaper published in the county, and by serv-
 32 ing the same upon the person or persons in the actual occupancy of
 33 the property not less than ten days prior to the day set for such hear-
 34 ing. When the day set for hearing has arrived the board of super-

35 visors shall proceed to hear and determine all objections made and
 36 filed to said report, and may increase, diminish, annul or affirm the
 37 apportionment made in said report or any part thereof as may ap-
 38 pear to the board to be just and equitable, which apportionment shall
 39 be assessed among the owners of the land along or in the vicinity of
 40 such improvement and to be benefited thereby, in proportion to the
 41 benefit to each of them, and levied upon the lands of the owners so
 42 benefited in said proportions, and collected in the same manner as
 43 other taxes are levied and collected for county purposes; which fund
 44 so collected shall be kept separate from other county funds, and shall
 45 be paid out only for purposes properly connected with the improve-
 46 ment, on the order of the county auditor, on claims properly certified
 47 by the engineer in charge of the improvement as in this chapter pro-
 48 vided, or on the order of the board of supervisors. The engineer shall
 49 receive for each day's service, while so engaged, five dollars, and the
 50 other commissioners shall receive each two dollars per day, to be paid
 51 out of the funds so collected. In order to prevent or repair a break in
 52 any levee in time of high water, any member of the board of super-
 53 visors may at once employ the necessary labor to repair the levee or
 54 prevent a break thereof, and the necessary and reasonable expense
 55 therefor shall be audited by the board of supervisors and paid from
 56 the levee fund.

[C., '73, § 1214; C., '97, § 1946; S., '13, § 1946.]

1 Section forty-seven hundred eighty-four shall be construed to
 2 apply to all proceedings now pending before boards of supervisors for
 3 the location and construction of levees, drains, ditches or watercourses
 4 under the provisions of this chapter, where the apportionment, as-
 5 sessment or levy of the cost of the improvement has not yet been
 6 made, as well as to proceedings instituted hereafter.

[S., '13, § 1946-a.]

SEC. 4786. Reassessment and relevy.

1 Where the assessment and levy on account of any ditch, drain
 2 or watercourse has been made by the board of supervisors of any
 3 county under the provisions of section forty-seven hundred eighty-
 4 four without notice or legal notice to the owner of the land affected
 5 thereby, and the whole or any part thereof remains unpaid, the board
 6 of supervisors shall have the authority to recall the assessment or levy
 7 thus made without notice and proceed anew as provided in section
 8 forty-seven hundred eighty-four to apportion and levy the cost of
 9 such improvement among the owners and upon the land benefited
 10 thereby, taking as a basis the original apportionment, and report of
 11 the commissioners upon which the board had theretofore acted, and
 12 the new assessment and levy made upon notice and hearing in such
 13 cases shall be certified by the county auditor to the county treasurer,
 14 reentered upon the tax list and collected as other taxes for county
 15 purposes, and all payments made under the prior assessment and levy
 16 shall be credited upon the new assessment and levy.

[S., '13, § 1946-b.]

SEC. 4787. Completion of and payment for work already begun.

1 When any levee, ditch, drain, watercourse or change of water-
 2 course shall have been heretofore established by any of the boards of

3 supervisors of this state and contract or contracts let therefor, and
 4 the improvement wholly or partly constructed or drainage bonds is-
 5 sued on account thereof and the proceedings or tax therefor have
 6 been or shall be for any cause found invalid and the board of super-
 7 visors has found or shall find that such improvement will be conducive
 8 to the public health, convenience or welfare, such board is authorized
 9 to provide for the completion of the work and the payment therefor,
 10 and for the payment of the work already done and of the drainage
 11 bonds issued and to that end shall recall the tax theretofore levied and
 12 shall reascertain the cost and expense of such improvement, and after
 13 notice and hearing as provided in sections forty-seven hundred eighty-
 14 four to forty-seven hundred eighty-nine, inclusive, shall assess and
 15 levy the same upon the lands benefited thereby, and the said board
 16 and the other county officers shall proceed as provided by the preced-
 17 ing section and the other provisions of said sections. Such reassess-
 18 ment and relevy of taxes shall be in proportion to and not in excess
 19 of benefits, and all taxes theretofore paid upon such improvement
 20 shall be credited as provided in the preceding section.

[S., '13, § 1946-c.]

SEC. 4788. Drainage bonds.

1 Section forty-seven hundred ninety-five shall be construed to
 2 apply to and authorize the issuance of drainage bonds in proceedings
 3 heretofore or hereafter instituted under section forty-seven hundred
 4 seventy-eight.

[S., '13, § 1946-d.]

SEC. 4789. Future levies.

1 Such assessment shall fix the proportion for all future levies on
 2 account of such improvement or the repair or reopening thereof, and
 3 may be levied in one year or apportioned among a series of years, and
 4 drainage bonds issued therefor as provided by section forty-seven
 5 hundred ninety-five, and appeals may be taken as provided by the
 6 following section.

[S., '13, § 1946-e.]

SEC. 4790. Appeals.

1 An appeal may be taken to the district court from the order of
 2 the board of supervisors in fixing the assessment upon lands, in the
 3 same manner appeals may be taken in the location of roads, and
 4 within the same time. But on such appeal it shall not be competent
 5 to show that the lands assessed were not benefited by the improve-
 6 ment. The petitioners, or any of them, and claimants for damages
 7 as compensation for lands taken or injuries sustained in any such
 8 proceedings, may in like manner appeal from the order locating and
 9 establishing such improvement, or refusing so to do, or from the
 10 amount of damages allowed, and the county auditor shall keep a full
 11 and complete record of all proceedings in each case, and, upon an ap-
 12 peal being taken, shall make out transcripts thereof as provided in
 13 appeals taken from the assessment of damages in cases of the loca-
 14 tion of roads.

[C., '73, §§ 1215, 1216; C., '97, § 1947.]

SEC. 4791. Through two or more counties.

1 When the improvement petitioned for extends into or through
 2 two or more contiguous counties, or parts thereof, the boards of su-

4 tion, shall appoint a commissioner, and the commissioners thus ap-
5 pointed, within twenty days after the selection of the one last named,
6 shall meet and locate the same through or into said counties. They
7 shall appoint a competent engineer, who shall have charge of the con-
8 struction of the work, and with him shall make a survey of the pro-
9 posed levee, ditch, drain, or change of watercourse, and make written
10 return thereof to the county auditors of the several counties in which
11 the location shall be made in whole or in part; which return shall in
12 all respects be the same as is required in case of the location of such
13 improvement in but a single county; and thereafter all subsequent
14 proceedings relating to the condemnation or taking of land, the com-
15 pensation therefor, damages on account of the work, assessment of
16 lands for taxation, and in every other matter and thing, shall in all
17 respects be the same as in like cases where the improvement is situ-
18 ated in but one county. Appeals in such case may be taken to the dis-
19 trict court of the county where the land is situated.

[C., '97, § 1949.]

SEC. 4792. Apportionment of assessments.

1 If the first assessment made by the board of supervisors of the
2 several counties is insufficient to pay the cost of construction, addi-
3 tional assessment may be made in the same ratio as the first; and they
4 shall make additional assessments in like manner for repairing said
5 improvements, when needed; if a greater amount is collected in either
6 county by such assessments than is required to pay for the work
7 actually done therein, or if more work be done than the equitable tax
8 in that county will pay for, then the boards of supervisors of the coun-
9 ties interested shall jointly meet and ascertain in which the excess
10 and deficiency exist, and the excess shall be transferred to the county
11 having a deficit, or, if there be more than one, then ratably to such
12 counties.

[C., '97, § 1950.]

SEC. 4793. Levees, ditches or drains in public highway—highway along levee.

1 Levees, ditches, drains and embankments may be located and
2 constructed within the limits of public highways, on either or both
3 sides of and along the same, to be so built as not materially to inter-
4 fere with the public travel thereon, by taxation and assessment under
5 the provisions of this chapter, and, when constructed, shall be under
6 the control of the board of supervisors of the county in which they
7 are situated; and it shall have power to grant a right of way thereon
8 to any railway that will maintain them while used by it, subject to
9 any claim for damages against the company in any condemnation pro-
10 ceedings which shall be instituted, and the damages awarded, paid, or
11 secured to be paid before possession shall be given, but the county
12 shall not be required on account thereof or otherwise to keep up such
13 improvements at its expense. The board of supervisors shall have
14 power to establish public highways along and upon any levee built
15 under the provisions of this chapter, provided that when so used the
16 same shall be worked as other highways and so as to at all times main-
17 tain its condition as a levee.

[C., '97, § 1951; S., '13, § 1951.]

SEC. 4794. Petition for drain—proceedings.

1 When the petition of one hundred voters of the county, setting
 2 forth that any body or district of land in said county, described by
 3 metes and bounds or otherwise, is subject to overflow, or too wet for
 4 cultivation, and the public health, convenience or welfare will be pro-
 5 moted by draining, ditching or leveeing the same, or changing a water-
 6 course, and also a bond conditioned as required in case of proceed-
 7 ings for the location of levees, drains, ditches, and changes of water-
 8 courses shall be filed with the county auditor, he shall appoint a com-
 9 petent engineer or commissioner, who shall proceed to examine the
 10 lands described, and may survey and locate such improvement as may
 11 be necessary for the reclamation of such lands or any part thereof,
 12 and for the public health, convenience or welfare, and shall make sub-
 13 stantially the same report, and the same proceedings shall be had, as
 14 is provided by law for the location and construction of ditches, drains,
 15 and changes in watercourses, and two or more counties may in the
 16 same manner unite in such work.

[C., '97, § 1952.]

SEC. 4795. Drainage bonds.

1 If the board of supervisors shall determine that the estimated
 2 cost of reclamation of such district of lands is greater than should
 3 be levied in a single year upon the lands benefited, it shall fix the pro-
 4 portion that should be levied and collected each year, and may issue
 5 drainage bonds of the county, bearing not more than eight per cent
 6 annual interest, and payable in the proportions and at the times when
 7 such taxes so apportioned will have been collected, and may devote
 8 the same at par to the payment of the work as it progresses, or may
 9 sell the same at not less than par and devote the proceeds to such pay-
 10 ment; and should the cost of such work exceed the estimate, a new
 11 apportionment of taxes may be made, and other bonds issued and used
 12 in like manner; but in no case shall the bonds run longer than fifteen
 13 years, and at least ten per cent in amount of those issued on the first
 14 estimate shall be payable annually. The board may divide the land
 15 to be benefited into drainage districts, which shall be accurately de-
 16 scribed and numbered, and such drainage bonds shall be in sums of
 17 not less than fifty dollars each, numbered consecutively, and issued as
 18 other county bonds are, and shall specify that they are drainage bonds,
 19 and designate by number the drainage district on account of which
 20 they are issued. In no case shall the amount of the bonds issued ex-
 21 ceed fifty per cent of the value of the lands in the drainage district,
 22 as shown by the last assessment for taxation. Each bond so issued
 23 shall express on its face that it shall only be paid by taxes assessed,
 24 levied and collected on the lands within the district so designated and
 25 numbered, and for the benefit of which district such bond was issued.
 26 In no case shall any tax be levied or collected for the payment of such
 27 bond or bonds, or the interest thereon, on any property outside of the
 28 district so numbered, designated and benefited.

[C., '97, § 1953.]

SEC. 4796. Tax to pay bonds.

1 The board shall levy each year on the lands benefited a tax suffi-
 2 cient to pay the interest on such bonds, and so much of the principal
 3 as falls due in the succeeding year; and such tax shall be collected in

4 the same manner as other county taxes, and carried to the credit of
 5 the drainage district on account of which the bonds are issued, and be
 6 used to pay the principal and interest of said bonds as the same fall
 7 due, and any surplus may be devoted to payment for works of reclama-
 8 tion in said district, or repairs thereof.

[C., '97, § 1954.]

SEC. 4797. Drains through land of another—application—notice.

1 Whenever the owner of any land shall desire to construct any
 2 levee, open ditch, tile or other underground drain, for agricultural,
 3 sanitary or mining purposes, or for the purpose of securing more com-
 4 plete drainage or a better outlet, across the lands of others, or across
 5 or through the right of way and roadbed of a railroad, and shall be
 6 unable to agree with the owner of any such lands, or with any such
 7 railroad company, through whose land or property he desires to con-
 8 struct the same, with regard to the location or manner of constructing
 9 any such ditch, drain or levee, or with regard to the compensation to
 10 be made, or with regard to any other matter properly connected
 11 therewith, he may file with the township clerk of the township in
 12 which any such land or right of way is situated, an application in
 13 writing, setting forth a description of the land or other property
 14 through which he is desirous of constructing any such levee, ditch or
 15 drain, the starting point, route, terminus, character, size and depth
 16 thereof. Upon the filing of any such application, the clerk shall forth-
 17 with fix a time and place for hearing thereon before the township
 18 trustees of his township, which hearing shall be not more than ninety
 19 days nor less than thirty days from the time of the filing of such ap-
 20 plication and thereupon the township clerk shall cause notice in writ-
 21 ing to be served upon the owner of each tract of land across which
 22 any such levee, ditch or drain, is proposed to be located, as shown by
 23 the transfer books in the office of the county auditor, and also upon
 24 the person in actual occupancy of any such lands, of the pendency and
 25 prayer of such application, and the time and place set for hearing on
 26 the same before the township trustees, which notice, as to residents of
 27 the county and railroad companies, shall be served not less than ten
 28 days before the time set for such hearing, in the manner that original
 29 notices are required to be served. In case any such owner is a non-
 30 resident of the county, such notice as to him shall be posted in three
 31 public places within the township where his land is situated at least
 32 fifteen days before the time set for such hearing, one of which places
 33 shall be upon the land of which he is the owner. Such notices may
 34 be served upon a railroad company by serving the same upon its near-
 35 est station agent. If at the hearing it should appear that any person
 36 entitled to notice, as provided herein, has not been served with notice
 37 as herein provided, the township trustees may postpone such hearing
 38 and fix a new time for the same, and notice of such new day of hear-
 39 ing may be served on such omitted persons in the manner and for the
 40 same length of time provided herein, and by fixing such new day for
 41 hearing and by adjournment of the proceedings to such time, the
 42 trustees shall not be held to have lost jurisdiction of the subject matter
 43 of such proceeding nor of any persons previously served with notice.
 44 Any person or corporation claiming damages as compensation for or
 45 on account of the construction of any such improvement, shall file a
 46 claim in writing therefor with the township clerk at least two days
 47 before the day fixed for hearing on the application and a failure to

48 file such claim at the time specified shall be deemed to be a waiver of
49 the right to claim or recover such damage. The term "lands" as used
50 in this and the next section shall include right of way and other real
51 estate of a railroad company.

[C., '73, §§ 1217, 1218; C., '97, § 1955; S., '13, § 1955.]

SEC. 4798. Hearing—action of trustees.

1 At the time set for hearing on any such application, the trustees,
2 if they are satisfied that the provisions of the preceding section have
3 been complied with, shall proceed to hear and determine the sufficiency
4 of the application as to form and substance, which application may be
5 amended both as to form and substance before final action thereon.
6 They shall also determine the merits of the application, all objections
7 thereto and all claims filed for damages that may be occasioned by
8 the location and construction of the proposed drainage improvement,
9 and, if deemed necessary, the trustees may view the premises. The
10 trustees may adjourn the proceedings from day to day, but no adjourn-
11 ment shall be for a longer period than ten days. When the time for
12 final action shall have arrived, the township trustees shall, if they find
13 that the levee, ditch or drain petitioned for will be beneficial for sani-
14 tary, agricultural or mining purposes, locate the same and fix the
15 points of entrance and exit on such land or property, the course of
16 the same through each tract of land, the size, character and depth
17 thereof, when and in what manner the same shall be constructed, how
18 kept in repair, what connections may be made therewith, what com-
19 pensation, if any, shall be made to the owners of such land or property
20 for damages by reason of the construction of any such improvements,
21 and any other question arising in connection therewith. The trustees
22 shall reduce their findings, decision and determination to writing,
23 which shall be filed with the clerk of such township, who shall record
24 it in his book of records, together with the application and all other
25 papers filed in connection therewith, and he shall cause the findings
26 and decision of the trustees to be recorded in the office of the county
27 recorder of the county in which such land is situated, and said de-
28 cision shall be final unless appealed from as provided in the next
29 section.

[C., '73, §§ 1219, 1220, 1222; C., '97, § 1956; S., '13, § 1956.]

SEC. 4799. Appeal.

1 Either party may appeal to the district court from any such de-
2 cision by causing to be served, within ten days from the time it was
3 filed with the clerk, a notice in writing upon the opposite party of the
4 taking of such appeal, which notice shall be served in the same manner
5 as is provided for the service of original notices. If the appellant is
6 the party petitioning for the drain, he shall also file a bond, condi-
7 tioned to pay all costs of appeal that may be assessed against him,
8 which bond, if good and sufficient, shall be approved by the township
9 clerk. The cause shall be tried in the district court by ordinary pro-
10 ceedings, upon such pleading as the court may direct, each party
11 having the right to offer such testimony as shall be admissible under
12 the rules of law. If the appellant does not recover a more favorable
13 judgment in the district court than he received in the decision of the
14 trustees, he shall pay all the costs of appeal.

[C., '73, § 1223; C., '97, § 1957.]

SEC. 4800. Transcript.

1 In case of appeal, the township clerk shall certify to the district
 2 court a transcript of the proceedings before the trustees, which shall
 3 be filed in said court with the appeal bond, the party appealing paying
 4 for said transcript and the docketing of said appeal, as in other cases.
 5 The party claiming damages shall be the plaintiff, and the applicant
 6 shall be the defendant; and the court shall render such judgment as
 7 shall be warranted by the verdict, the facts, and the law upon all the
 8 matters involved, and make such orders as will cause the same to be
 9 carried into effect.

[C., '73, § 1224; C., '97, § 1958.]

SEC. 4801. Costs and damages paid—railroad land.

1 The applicant shall pay the costs of the trustees and clerk and
 2 for the serving of notices for hearing, the fees of witnesses sum-
 3 moned by the trustees on said hearing, and the recording of the find-
 4 ing of said trustees by the county recorder. He shall pay all damages
 5 awarded, before entering on the construction of the drain through
 6 the land of another. If, after the decision of the trustees locating said
 7 drain, the party applying therefor shall pay to the party through
 8 whose land said drain is to be constructed the damages awarded to
 9 said party, or shall pay the same to the trustees for his use, he may
 10 proceed to construct said drain in accordance with the decision of
 11 the trustees, and the taking of an appeal shall not affect his right to
 12 proceed with the construction of the same. If any such ditch or drain
 13 shall be located through or across the right of way or other land of a
 14 railroad company, the trustees shall determine the cost of constructing
 15 the same across and through such property and the railroad company
 16 shall have the privilege of constructing such improvement through its
 17 property in accordance with the specifications made by the trustees
 18 and recover the cost thereof as fixed by the trustees. But such rail-
 19 road company before it may exercise such privilege shall file its elec-
 20 tion to that effect with the township clerk within five days after the
 21 decision of the trustees is filed, and in case such election is filed the
 22 applicant shall within ten days thereafter pay to the township clerk
 23 for the use of the railroad company, the cost of constructing the drain-
 24 age improvement through its property, in addition to the amount that
 25 may be allowed as damages, and when the railroad company shall have
 26 completed the improvement through its property in accordance with
 27 such specifications it shall be entitled to demand and receive from the
 28 township clerk such cost. If the railroad company shall fail to so
 29 construct the improvement for a period of thirty days after filing its
 30 election so to do, the applicant may proceed to do so and may have
 31 returned to him the cost thereof deposited with the township clerk.

[C., '73, § 1221; C., '97, § 1959; S., '13, § 1959.]

SEC. 4802. Repairs.

1 In case any dispute shall thereafter arise as to the repair of any
 2 such drain, the same shall be determined by said trustees upon appli-
 3 cation in substantially the same manner as in the original construc-
 4 tion thereof.

[C., '73, § 1226; C., '97, § 1960.]

SEC. 4803. Penalty for obstructing.

1 Any person who shall dam up, obstruct or in any way injure any
2 ditch or drain so constructed, shall be liable to pay to the person own-
3 ing or possessing the swamp, marsh or other low lands, for the drain-
4 ing of which such ditch or ditches have been opened, double the dam-
5 ages that shall be sustained by the owner, and, in case of a second or
6 subsequent offense by the same person, treble such damages.

[C., '73, § 1227; C., '97, § 1961.]

SEC. 4804. Connecting drains.

1 When any watercourse or natural drainage line crosses the bound-
2 ary line between two adjoining landowners, and both parties desire
3 to drain the land along such watercourse or natural drainage line,
4 but are unable to agree as to the junction of the lines of drainage at
5 the boundary line aforesaid, the township trustees shall have full
6 power and authority, upon the application of either party, to hear and
7 determine all questions arising between such parties, after giving due
8 notice to each of the time and place of such hearing, and may render
9 such decision thereon as to said trustees shall seem just.

[C., '97, § 1962.]

SEC. 4805. Along highways.

1 Any person shall have the right to go upon any public road to
2 construct an outlet to a drain, but he shall leave the road in as good
3 condition as it was before the drain was constructed, the question as
4 to such condition to be determined by the superintendent of roads of
5 the district where the work is done.

[C., '97, § 1963.]

SEC. 4806. Drains across highways.

1 When any watercourse or natural drain crosses any public road
2 in the state, and the adjoining or abutting landowner wishes to cross
3 said road with an underground tile drain, he shall notify the road su-
4 perintendent having supervision over the road to be crossed, in writ-
5 ing, specifying the depth of drain and size of tile to be used in cross-
6 ing said road, and give the road superintendent twenty days' time to
7 construct said underground drain.

[C., '97, § 1964.]

SEC. 4807. Supervisor shall construct.

1 When the road superintendent receives said written notice, he
2 shall order said drain constructed across said road, and pay for the tile
3 and construction of the same out of any money or fund in his hands.

[C., '97, § 1965.]

SEC. 4808. Construction by owner.

1 If the superintendent fails to construct said drain within twenty
2 days' time, then the abutting or adjoining landowner may go upon
3 the road and construct the same across said road, and he shall receive
4 pay for constructing the same, including tile used in crossing said
5 road, out of any money or fund belonging to such road district; pro-

6 vided he shall leave the road in as good condition as it was before the
7 drain was constructed.

[C., '97, § 1966.]

SEC. 4809. Damages assessed.

1 Any person or corporation owning or possessing any land under-
2 laid with coal, who is unable to mine the same by reason of the ac-
3 cumulation of water in such mine, may drain the same through, over
4 or under the surface of land belonging to another person, and if such
5 person or corporation and the owner of the land can not agree as to
6 the amount of damages that will be sustained by such owner, the par-
7 ties may proceed to have the necessary right of way condemned and
8 the damages assessed in the manner provided for taking private prop-
9 erty for works of internal improvement.

[C., '73, § 1228; C., '97, § 1967.]

SEC. 4810. Compensation.

1 Any person or corporation who by machinery, such as engines
2 or pumps, or by making drains or adit levels, or in any other way,
3 shall rid any lead or zinc bearing mineral lands or lead or zinc mines
4 of water, thereby enabling the miners and the owners of mineral in-
5 terest in said lands to make them productive and available for min-
6 ing purposes, shall receive one-tenth of all the lead and zinc mineral
7 taken from said lands as compensation for said drainage.

[C., '73, § 1229; C., '97, § 1968; S., '13, § 1968.]

SEC. 4811. Setting apart.

1 The owners of the mineral interest in said lands, and persons
2 mining upon and taking lead or zinc mineral from said lands, shall
3 jointly and severally set apart and deliver from time to time, when
4 demanded, the said one-tenth part of the mineral taken from said lands
5 to the person or corporation entitled thereto, and the owners of the
6 mineral interest therein shall allow the party entitled to such com-
7 pensation and his agents at all times to descend into and examine said
8 mines, and to enter any building occupied for mining purposes upon
9 any of said lands, and examine and weigh the mineral taken there-
10 from.

[C., '73, § 1230; C., '97, § 1969; S., '13, § 1969.]

SEC. 4812. Penalty.

1 Upon the failure or refusal of any owner of the mineral interest
2 in said lands, or of any person taking the mineral therefrom, to com-
3 ply with the provisions of the preceding section, the person or corpora-
4 tion entitled to said compensation may recover the value of said min-
5 eral. And if it shall appear that the defendant obstructed the plaintiff
6 in the exercise of the right to examine such mines, and to weigh such
7 mineral, or concealed or secretly carried away any mineral taken from
8 them, the court shall render judgment for double the amount proved
9 to be due from such defendant.

[C., '73, § 1231; C., '97, § 1970.]

SEC. 4813. Notice to smelters.

2 tion may at any time leave with any smelter of lead or zinc mineral

3 in this state a written notice, stating that said person or corporation
 4 claims of the persons named in said notice the amount to which said
 5 person or corporation may be entitled, which notice shall have the
 6 effect of notices in garnishment, and also authorize the said smelter
 7 to retain, for the use of the person entitled thereto, the one-tenth
 8 part of the mineral taken from said land and received from the person
 9 named in said notice. The payment or delivery of the one-tenth part
 10 of the mineral taken from any of said lands by any one of the persons
 11 whose duty it is hereby made to pay or deliver the same, shall dis-
 12 charge the parties liable jointly with him, except liability to contribute
 13 among themselves.

[C., '73, § 1232; C., '97, § 1971; S., '13, § 1971.]

SEC. 4814. Right of way.

1 Any person or corporation engaged as aforesaid in draining such
 2 mines and lead or zinc bearing mineral lands, when he or they shall
 3 find it necessary for the prosecution of their work, shall have the right
 4 of way upon, over or under the surface of such mineral lands, and
 5 the contiguous and neighboring lands, for the purpose of conveying
 6 the water from said mineral lands by troughs, pipes, ditches, water
 7 races or tunnels, and the right to construct and use shafts and air-
 8 holes in and upon the same, doing as little injury as possible in mak-
 9 ing said improvements.

[C., '73, § 1233; C., '97, § 1972; S., '13, § 1972.]

SEC. 4815. Damages.

1 If the said person or corporation engaged in draining as afore-
 2 said, and the owner of any land upon which said right of way may
 3 be deemed necessary, can not agree as to the amount of damages which
 4 will be sustained by the owner by reason thereof, the parties may pro-
 5 ceed to have the same assessed in the manner provided for taking pri-
 6 vate property for works of internal improvement.

[C., '73, § 1234; C., '97, § 1973.]

SEC. 4816. Consent of owners.

1 The foregoing provisions shall not be construed to require the
 2 owners of the mineral interest in any of said lands to take mineral
 3 therefrom, or to authorize any other person to take the mineral from
 4 said lands without the consent of the owners.

[C., '73, § 1235; C., '97, § 1974.]

SEC. 4817. Assistance by counties.

1 In any case where the United States may have undertaken, or
 2 may hereafter undertake, the work of building a levee along or near
 3 the bank of a navigable stream forming a part of the boundary of
 4 this state, the board of supervisors of any and every county through
 5 which the same may pass shall have the right and power to aid in
 6 procuring the right of way for the same, maintaining the same, and
 7 providing a system of internal drainage made necessary or advisable
 8 by the construction of such levee, whenever in their judgment such
 9 work will be conducive to the public health, convenience or welfare.

[C., '97, § 1975.]

SEC. 4818. Proceedings.

1 Proceedings as contemplated by the preceding section may be be-
2 gun by filing with the county auditor a petition asking the board of
3 supervisors to form a levee or a drainage district, for any one or all
4 of the purposes specified in the preceding section. Said petition shall
5 be signed by one or more owners of lands lying within the limits of
6 such proposed district; the general limits of said district shall be given
7 therein, and a plat of the proposed district shall be filed with said
8 petition. There shall be filed with said petition a bond, with sureties
9 approved by the county auditor, conditioned for the payment of all
10 costs and expenses incurred, in case the board of supervisors shall
11 refuse to grant the prayer or the petition.

[C., '97, § 1976; S., '13, § 1976.]

SEC. 4819. Commission—appointment of—qualifications—report.

1 At their next regular session held after the filing of such petition,
2 or at a special session called for the purpose, the board of supervisors
3 shall, if the foregoing provisions have been complied with, appoint a
4 commission of three disinterested freeholders of the county, one of
5 whom shall be, if practicable, a competent civil engineer or surveyor.
6 This commission shall, after being duly sworn, proceed to examine
7 the lands within such proposed district, lay out the work required, and
8 make an estimate of the probable cost of the same. They shall make
9 a full report to the board of supervisors, and may recommend that
10 such district be formed as prayed, or that it be enlarged or diminished,
11 as in their judgment will best subserve the general good and promote
12 the general welfare.

[C., '97, § 1977; S., '13, § 1977.]

SEC. 4820. Notice.

1 Upon the filing of the report of the commissioners, the county
2 auditor shall fix a time, not less than twenty days thereafter, when the
3 board of supervisors will proceed to take final action on the petition.
4 At least ten days' notice of such hearing shall be given to each owner
5 of land lying within such proposed district, as shown by the transfer
6 books in the auditor's office. Such notice shall be over the hand and
7 seal of the county auditor, shall state in brief the substance of the
8 petition, the recommendation of the commissioners, and the time when
9 the board of supervisors will proceed to a hearing on the same. This
10 notice shall be served by the sheriff, if the person named can be found
11 in the county, but, if the sheriff shall return that any such person can
12 not be found in the county, the notice shall then be served by posting
13 two copies thereof at least fifteen days before the time fixed for the
14 hearing, one to be posted at the front door of the courthouse, and the
15 other at some public place in the township within which such lands
16 are situated, and within the limits of such proposed drainage district;
17 a copy of such notice, with an affidavit of the posting of the same, to
18 be filed with the county auditor before the hearing; provided, how-
19 ever, that service of such notice may be acknowledged in the manner
20 provided for the service of an original notice, and substituted service
21 of such notice may be made under the circumstances and in the man-
22 ner provided for substituted service of an original notice.

[C., '97, § 1978.]

SEC. 4821. Hearing.

1 At the time named, or at such other time to which the board of
2 supervisors may adjourn the matter, they shall proceed with the hear-
3 ing, at which any interested parties may appear, either in person or
4 by counsel, and be heard, and may file written pleadings. The board
5 shall hear and determine the matter, and if they determine against
6 the formation of such district, they shall dismiss the proceedings at
7 the cost of the petitioners. If they shall decide to form such levee
8 or drainage district, they shall proceed to fix the boundaries of the
9 same, and their finding shall be entered upon their records. The find-
10 ing and the report of the commissioner shall be competent evidence
11 at the hearing above provided for, but shall not be conclusive.

[C., '97, § 1979; S., '13, § 1979.]

SEC. 4822. Appeal.

1 Any person aggrieved by such action of the board of supervisors
2 may, within twenty days after such action is taken, appeal to the dis-
3 trict court of the county in which such lands are situated, where such
4 appeal shall be heard on its merits, regardless of technicalities, and
5 appeal may be taken from the district to the supreme court, but under
6 and subject to the restrictions now imposed by law upon appeals gen-
7 erally. The appeal to the district court shall be taken by serving
8 notice of such appeal on the county auditor and the three persons first
9 named among the signers to the petition specified in section forty-
10 eight hundred eighteen. If the appeal is taken by the petitioners,
11 notice of such appeal shall be served on the county auditor and any
12 three of the successful remonstrants, if there be so many, but on all
13 if they be less than three. Upon service of notice of such appeal, the
14 county auditor shall file with the clerk of the district court a copy of
15 the petition, written objections filed by the parties complaining, or
16 complained against, and of the action taken by the board of super-
17 visors, all certified by him; these may constitute the pleadings, and
18 the clerk of the district court shall docket the same, as in case of any
19 other action brought, entitling the same in the names of the three
20 first signing the petition, on behalf of all, and against the remon-
21 strants who are successful, or who appeal, as the case may be. Such
22 appeal, however, shall not interfere with the board of supervisors in
23 the prosecution of the work, unless the same shall have been taken
24 by not less than one-half of the acreage lying within the limits of such
25 proposed district; but if so taken, by not less than one-half such acre-
26 age; then the board of supervisors shall so enter upon their records,
27 and shall also enter an order suspending all proceedings pending the
28 final disposition of such appeal.

[C., '97, § 1980.]

SEC. 4823. Work carried on—land condemned.

1 After entering the order as provided in section forty-eight hun-
2 dred twenty-one, unless further proceedings are suspended as pro-
3 vided in the preceding section, the board of supervisors shall proceed
4 and adopt such plan or system as in their judgment is proper and best
5 under all the circumstances, and cause the work to be done, causing
6 such ditches to be dug, channels opened, embankments erected, fills
7 made, and such other work done as in their judgment will most effi-
8 ciently promote the general good and the public welfare. They shall
9 have power, in the manner now provided by law for the taking of

10 private property for works of internal improvements to condemn any
 11 land which they deem it necessary to take or use in the prosecution
 12 of such work, including any that may be required to aid the United
 13 States in completing such levee, the costs and expenses of which shall
 14 be paid out of the drainage fund pertaining to such district as here-
 15 inafter provided. In the doing of this work the board of supervisors
 16 shall have power to employ such help and assistance as they deem
 17 necessary, and to fix compensation for the same. All the work to be
 18 done which shall involve an estimated expenditure of five hundred
 19 dollars or over shall be let by contract, after advertising the same,
 20 once each week, for three weeks in some newspaper of general circu-
 21 lation published in the county, to the lowest bidder who shall furnish
 22 satisfactory security for the performance of the contract; provided,
 23 however, that the board of supervisors may reject all bids, and do
 24 the work themselves whenever in their judgment the work can be so
 25 done at a substantial saving.

[C., '97, § 1981; S., '13, § 1981.]

SEC. 4824. Costs assessed.

1 If said district is established, the entire costs and expenses in-
 2 curred under this chapter shall be assessed against and collected from
 3 the lands lying within such district, by the levy of a rate upon the
 4 assessable value of the land within such district, sufficient to raise the
 5 required sum; provided that where the proposed improvement is for
 6 drainage only the board may, in their discretion, classify the land
 7 within such district and graduate the tax thereon, as provided in
 8 chapter two of this title and sections twenty-eight hundred fifty-seven
 9 and eighty-seven hundred thirty-eight. When the board decides to
 10 make such classification, they shall proceed in the manner set forth
 11 in section forty-eight hundred fifty-one, and the commissioners shall
 12 each be allowed three dollars per day.

[C., '97, § 1982; S., '13, § 1982.]

SEC. 4825. Collection of tax.

1 The assessment required under the preceding section shall be
 2 made by the board of supervisors at the time of levying general taxes,
 3 after the work has been authorized, and the same shall be entered on
 4 the records of the board of supervisors, then entered on the tax books
 5 by the county auditor as drainage taxes, and shall be collected by the
 6 county treasurer at the same time, in the same manner, and with the
 7 same penalties, as general taxes; and if the same is not paid he shall
 8 sell all such lands upon which such assessment remains unpaid, at the
 9 same time, and in the same manner, as is now by law provided for
 10 the sale of lands for delinquent taxes, including all steps up to the
 11 execution and delivery of the tax deed for the same. The landowners
 12 shall take notice of and pay such assessments, without other or
 13 further notice than such as is provided for in this chapter. The
 14 funds realized from such assessments shall constitute the drainage
 15 fund, as contemplated in this chapter, and shall be disbursed on war-
 16 rants drawn against that fund by the county auditor, on the order of
 17 the board of supervisors.

[C., '97, § 1983.]

SEC. 4826. Annual installments.

1 If the proposed improvement is the maintenance of a levee, the
 2 amount collected in any one year shall not exceed fifty mills on the
 3 dollar of the assessment valuation, which said assessment shall be
 4 levied at a level rate on the assessable value of the said lands, ease-
 5 ments and railroads within the district. If the amount necessary to
 6 pay for the improvement, under section forty-eight hundred twenty-
 7 four, exceed said sum, it shall be levied and collected in annual install-
 8 ments. For all other improvements, the board shall levy a rate suffi-
 9 cient to pay for the same, and may, at their discretion, make the same
 10 payable in annual installments of ten or less.

[C., '97, § 1984; S., '13, § 1984.]

SEC. 4827. Bonds.

1 If the entire amount required under this chapter can not be col-
 2 lected in one year, the board of supervisors of such county shall have
 3 the power to issue drainage bonds for all which can not thus be pro-
 4 vided for in one year, in substantially the manner and form as pro-
 5 vided in section forty-seven hundred ninety-five, such issue to be
 6 determined upon by them before the levy, and an amount sufficient
 7 to pay the interest on such bonds shall be estimated and included in
 8 the assessment. If the amount of money required for the improve-
 9 ment under the provisions of this chapter can not be collected in one
 10 year, or if the board of supervisors in their discretion deem it advis-
 11 able that the taxes shall be paid in installments, or in case it becomes
 12 necessary to expend an extraordinary sum for the preservation of the
 13 levee in case of an emergency, the board of supervisors of the county
 14 shall have the power to issue bonds for all which can not thus be
 15 provided for in one year in substantially the manner and form pro-
 16 vided in section forty-eight hundred seventy-five, and all acts and pro-
 17 ceedings in relation thereto shall conform therewith, except that bonds
 18 issued in anticipation of taxes for the maintenance of a levee shall
 19 not exceed five years' taxes and shall be due in six years from the date
 20 of issue.

[C., '97, § 1985; S., '13, § 1985.]

SEC. 4828. Claim for repairs.

1 Whenever a levee or drainage district is organized, the board or
 2 boards of supervisors, as the case may be, shall have power and au-
 3 thority to audit and allow claims for money and labor expended in the
 4 preservation of said levee prior to and since the organization of the
 5 said district, all sums so allowed to be payable from the levee or drain-
 6 age fund. The said board or boards shall also have full power and
 7 authority to make an equitable adjustment of and credit for any taxes
 8 paid for repairing the levee where the same has been heretofore levied
 9 and collected in any manner by said board or boards of supervisors
 10 under any prior proceedings.

[S., '13, § 1985-a.]

SEC. 4829. Cost of maintaining.

1 The board of supervisors shall have the right and power to keep
 2 up and maintain any such levee, ditches, drains, or system of drain-
 3 age, either in whole or in part, established under the preceding sec-
 4 tions of this chapter, as may in their judgment be required, and to

5 levy the expense thereof upon the real estate within such drainage
6 district as herein provided for, and collect and expend the same; pro-
7 vided, however, that no such work which shall impose a tax exceeding
8 fifty mills on the dollar on the assessable value of the lands within
9 the district shall be authorized by them, unless the same is first peti-
10 tioned for and authorized in substantially the manner required by this
11 chapter for the inauguration of new work.

[C., '97, § 1986; S., '13, § 1986.]

SEC. 4830. Districts.

1 The petitioners who proceed under section forty-eight hundred
2 eighteen may ask that the lands described in the petition be formed
3 into more than one drainage district, and, whether they do so or not,
4 the board of supervisors shall have the right and power to arrange
5 said lands, or the lands which they shall finally determine to bring
6 within the provisions of sections forty-eight hundred seventeen to
7 forty-eight hundred thirty-two, inclusive, into two or more districts,
8 the boundaries of which shall be so fixed as will, in the judgment of
9 the board, tend to a more equitable and just apportionment of the
10 burdens to be imposed. It shall be the duty of the commissioners
11 provided for in section forty-eight hundred nineteen hereof to report
12 whether, in their judgment, there should be more than one such dis-
13 trict formed, and to make their plans and estimates according to such
14 districts as they recommend.

[C., '97, § 1987.]

SEC. 4831. Apportionment of cost.

1 In case more than one such district is created as provided in the
2 preceding section the board of supervisors shall require separate ac-
3 counts to be kept of the costs and expenses incurred in each, making
4 an equitable apportionment of such as is not susceptible of exact divi-
5 sion, and the lands in each drainage district shall be liable to assess-
6 ment for the costs and expenses incurred in such district only.

[C., '97, § 1988.]

SEC. 4832. Through two or more counties.

1 The boards of supervisors of any two or more adjoining counties
2 where a government levee has been constructed, or partly constructed
3 by the government and partly by other means, may carry on the work
4 provided for in this chapter concurrently, provided that they first
5 agree upon a plan or system and a basis of an equitable apportion-
6 ment of the work to be done and the share of the cost and expense of
7 the same to be borne by each of said counties; or when said levee has
8 been built and separate districts have been heretofore formed the
9 boards of supervisors may unite said districts into one district, but
10 before said districts can be so united each board of supervisors, acting
11 separately, must by resolution vote in favor of such consolidation, and
12 upon said separate votes being favorable the said levee districts shall
13 be consolidated into one district, and thereafter the same shall be gov-
14 erned in all respects as now provided, except all action governing the
15 new district shall be by the boards of supervisors acting jointly.

[C., '97, § 1989; S., '13, § 1989.]

SEC. 4833. Levee or drainage district—powers of board.

1 Where a petition has been filed asking for the establishment of
2 a levee or drainage district, and the board of supervisors have at-
3 tempted to establish said district, under the provisions of title ten,
4 chapter two, McClain's Code, 1888, or as amended, and said estab-
5 lishment has failed on account of said provision being unconstitutional
6 and the work and improvement petitioned for shall have been in whole
7 or part completed, whether the original construction work, or repairs
8 and maintenance work thereto, the board of supervisors shall have
9 power and shall proceed to establish a district, as provided by chapter
10 two of title fifteen, in the same manner as though a petition and bond
11 had been filed therefor, and shall have power to establish any new
12 improvement work in connection with that already constructed as may
13 be recommended by the report of the engineer therein appointed, and
14 all sections of said chapter two of title fifteen shall be applicable
15 thereto, and shall govern all proceedings in the matter of said estab-
16 lishment and the levy of taxes thereunder.

[38 G. A., ch. 334, § 1.]

SEC. 4834. Improvements—apportionment of benefits.

1 In all proceedings under sections forty-eight hundred thirty-two
2 to forty-eight hundred thirty-five, inclusive, where the improvement
3 originally recommended has been in whole or in part constructed, or
4 where certain repair or maintenance shall have been in whole or in
5 part constructed, the board of supervisors shall and they are hereby
6 empowered to take over and establish the same as the improvement
7 work of the district established under said sections, and in apportion-
8 ing the benefits to the land in said district, use as a basis for the
9 amount to be raised in the district for the improvement already con-
10 structed and the repair and maintenance work that may have been
11 completed, the actual cost of said work, and that amount together
12 cost of and additional improvement or repair work and expenses shall
13 be assessed as benefits as by the provisions of chapter two of title
14 fifteen, provided and in all cases where an assessment and levy of
15 taxes has heretofore been attempted to have been made and taxes paid
16 thereunder, the commissioners appointed to apportion the benefits
17 shall be governed by section forty-eight hundred fifty-seven of said
18 chapter.

[38 G. A., ch. 334, § 2.]

SEC. 4835. Damages.

1 In all proceedings under this and the two preceding sections, the
2 commission appointed to fix the amount of damages, and the board of
3 supervisors in determining the same, where damages have been here-
4 tofore attempted to have been fixed for the improvement or repair and
5 maintenance work, constructed, and the same have been paid to the
6 owner of lands affected by the improvement, shall deduct from the
7 amount of damages now found and determined upon the amount here-
8 tofore paid, if there be any.

[38 G. A., ch. 334, § 3.]

CHAPTER 2.

LEVEES, DITCHES, DRAINS AND WATERCOURSES.

SECTION 4836. Board of supervisors to establish drainage district.

1 The board of supervisors of any county shall have jurisdiction,
2 power and authority at any regular, special or adjourned session, to
3 establish a drainage district or districts, and to locate and establish
4 levees, and cause to be constructed as hereinafter provided any levee,
5 ditch, drain or watercourse, or to straighten, widen, deepen or change
6 any natural watercourse, in such county, whenever the same will be
7 of public utility or conducive to the public health, convenience or wel-
8 fare, and the drainage of surface waters from agricultural lands shall
9 be considered a public benefit and conducive to the public health, con-
10 venience, utility and welfare.

[S., '13, § 1989-a1.]

SEC. 4837. Proceedings—bond—survey.

1 Whenever a petition signed by one or more of the landowners
2 whose lands will be affected by, or assessed for the expenses of, the
3 proposed improvement, shall be filed in the office of the county auditor,
4 setting forth that any body or district of land in the county, described
5 by metes and bounds, or otherwise, so as to convey an intelligible
6 description of such lands, is subject to overflow or too wet for culti-
7 vation, and that the public benefit or utility, or the public health, con-
8 venience or welfare will be promoted by draining, ditching, tiling or
9 leveeing the same, or by changing a natural watercourse, and setting
10 forth therein the starting point, route and terminus and lateral
11 branches, if necessary, of the proposed improvement, and there is filed
12 therewith a bond, in amount and with sureties to be approved by the
13 county auditor and conditioned for the payment of all costs and ex-
14 penses incurred in the proceedings in case the supervisors do not
15 grant the prayer of said petition, the board shall at its first session
16 thereafter, regular, special or adjourned, appoint a disinterested and
17 competent engineer, who shall give bond to the county for the use
18 and benefit of the proposed levee or drainage district, if it be estab-
19 lished, in amount and with sureties to be approved by the county audi-
20 tor and conditioned for the faithful and competent performance of
21 his work, and place a copy of the petition in his hands and he shall
22 proceed to examine the lands described in said petition and any other
23 lands which would be benefited by said improvement or necessary in
24 the carrying out of said improvement, and survey and locate such
25 drain or drains, ditch or ditches, improvement or improvements, as
26 may be practicable and feasible to carry out the purposes of the peti-
27 tion and which will be of public benefit or utility or conducive to pub-
28 lic health, convenience or welfare; provided, however, that when the
29 proposed drainage district involves only the straightening of a creek
30 or river, the board of supervisors may refuse to consider any such
31 petition unless and until signed by those landowners who own at least
32 ten per cent of the land affected by, or assessed for the expense of,
33 the proposed improvement. Provided, however, that this act [37 G.
34 A., ch. 415] shall not affect drainage projects where the drainage of
35 swamps and sloughs are involved that are not in the congressional
36 forty-acre tracts adjoining such creek or river. He shall make return

37 of his proceedings to the county auditor, which returns shall set forth
 38 the starting point, the route, the terminus or termini of the said ditch
 39 or ditches, drain or drains, or other improvements, together with a
 40 plat and profile showing the ditches, drains or other improvements,
 41 and the course and length of the drain or drains through each tract
 42 of land, together with the number of acres appropriated from said
 43 tract for construction of said improvement, and the elevation of all
 44 lakes, ponds and deep depressions in said district, and the boundary
 45 of the proposed district, so as to include therein all lands that will
 46 be benefited or otherwise affected by the proposed improvements, and
 47 the description of each tract of land therein and names of the owners
 48 thereof as shown by the transfer books in the auditor's office, together
 49 with the probable cost, and such other facts and recommendations as
 50 he may deem material. The engineers' notes of the preliminary sur-
 51 vey, together with the original tracing of plat and profile of the drain-
 52 age district, are to be filed with the county auditor at the time of
 53 making report, and to be the property of the drainage district, together
 54 with all other plats, profiles and reports specified in this section. The
 55 board of supervisors may at any time recall the appointment of any
 56 engineer made under the provisions of this section, if deemed advis-
 57 able to do so, and select another to act in his place. The ditches or
 58 drains herein provided for shall so far as practicable be surveyed and
 59 located along the general course of the natural streams and water-
 60 courses or in the general course of natural drainage of the lands of
 61 said district, but where it will be more economical or practicable such
 62 ditch or drain need not follow the course of such natural streams,
 63 watercourses, or course of natural drainage, but may straighten,
 64 shorten or change the course of any natural stream, watercourse or
 65 general course of drainage. Whenever any such ditch or drain
 66 crosses any railroad right of way it shall when practicable be located
 67 at the place of the natural waterway across such right of way unless
 68 said railroad company shall have provided another place in the con-
 69 struction of the roadbed for the flow of the water; and if located at
 70 the place provided by the railroad company, such company shall be
 71 estopped from afterwards objecting to such location on the ground
 72 that it is not at the place of the natural waterway.

[S., '13, § 1989-a2; 37 G. A., ch. 334, § 1; 37 G. A., ch. 344,
 § 1; 38 G. A., ch. 141, § 1.]

**SEC. 4838. Notice of hearing—approval of plan—fees and mile-
 age for serving notice.**

1 Upon the filing of the return of the engineer, if the same recom-
 2 mends the establishment of the levee or drainage district, the board
 3 of supervisors shall then examine the return of the engineer, and if
 4 the plan seems to be expedient and meets with the approval of the
 5 board of supervisors, they shall direct the auditor to cause a notice
 6 to be given, as hereinafter provided; but if it does not appear to be
 7 expedient and is not approved, the board of supervisors are hereby
 8 authorized to direct said engineer, or another engineer, selected by
 9 them, to report another plan. At any time prior to the establishment
 10 of the district, the plan may be amended, and as amended shall be con-
 11 clusive, unless appealed from as provided in section forty-eight hun-
 12 dred forty-one of this chapter. When the plan, if any, shall have been
 13 finally adopted by the board of supervisors, they shall order the audi-
 14 tor immediately thereafter to cause notice to be given to the owner

15 of each tract of land or lot within the proposed levee or drainage dis-
16 trict, as shown by the transfer books of the auditor's office, including
17 railway companies having right of way in the proposed district, and
18 to each lienholder or incumbrancer of any land through which or abut-
19 ting upon which the proposed improvement extends as shown by the
20 county records, and also to all other persons whom it may concern, in-
21 cluding actual occupants of the land in the proposed district (without
22 naming individuals), and when there is included within such proposed
23 district any portion of a city or incorporated town it shall be sufficient
24 that such notice set forth the boundaries of the territory within such
25 city or town included within the proposed district and be directed to
26 the owners, lienholders and incumbrancers of the property within such
27 boundaries without naming individuals, of the pendency and prayer
28 of said petition, the favorable report thereon by the engineer and that
29 such report may be amended before final action, the day set for hear-
30 ing on said petition and report before the board of supervisors, and
31 that all claims for damages must be filed in the auditor's office not
32 less than five days before the day set for hearing upon the petition,
33 which notice shall be served, except as otherwise hereinafter provided,
34 by publication thereof once each week for two consecutive weeks in
35 some newspaper of general circulation published in the county, the
36 last of which publications shall be not less than twenty days prior to
37 the day set for hearing upon the petition, proof of such service to be
38 made by affidavit of the publisher and filed with the county auditor;
39 provided further, however, that when any resident, nonresident, cor-
40 poration, railroad company, or other persons owning or having an
41 interest in any land or property affected by the proposed improve-
42 ment shall have filed with the county auditor of the county wherein
43 such improvement is proposed, an instrument in writing, duly signed,
44 and designating the name and postoffice address of his or its agent
45 upon whom service of notice in said matter shall be made, the county
46 auditor shall, at least twenty days prior to the date set for hearing
47 upon said petition, mail a true copy of said notice in a registered letter
48 addressed to the person or agent so designated in said written instru-
49 ment, as aforesaid. Proof of such service of said notice shall be made
50 by affidavit of said county auditor and filed by him in said matter in
51 his said office on or before the date of the hearing upon the petition,
52 and such service shall be in lieu of all other service of notice to such
53 residents, nonresidents, corporations, railroad companies or other per-
54 sons. No notice need be served by the auditor upon any of the per-
55 sons hereinbefore described who shall file with said auditor a state-
56 ment in writing signed by him entering his appearance at said hearing
57 and waiving any additional notice. If, at the date set for the hearing
58 before the board of supervisors, it should appear that any person en-
59 titled to notice, as provided in this section, has not been served with
60 notice for the time, or in the manner, as herein provided, the board
61 may postpone said hearing and set another time for the same, and
62 notice of such day of hearing may be served on such omitted parties
63 in the manner and for the same length of time as provided for in this
64 section; and by fixing such new day for hearing and by adjourning
65 said proceedings to said time, the board of supervisors shall not be
66 held to have lost jurisdiction of the subject matter of said proceeding,
67 nor of any parties so previously served with notice. Personal service
68 upon any of the parties above described in the manner and for the

69 time required for service of original notices shall be sufficient and
70 make publication of notice as to such persons unnecessary.

[S., '13, § 1989-a3; 38 G. A., ch. 138, § 1:]

SEC. 4839. Claims for damages.

1 Any person claiming damages as compensation for or on account
2 of the construction of such improvement shall file such claim in the
3 office of the county auditor at least five days prior to the day on which
4 the petition has been set for hearing, and on failure to file such claim
5 at the time specified, shall be held to have waived his rights thereto;
6 provided, however, that it shall not be necessary to file claims covering
7 value of land appropriated for right of way for construction of pro-
8 posed improvements.

[S., '13, § 1989-a4.]

SEC. 4840. Location—appraisers.

1 The board of supervisors at the session set for the hearing on
2 said petition, which session may be regular, special or adjourned,
3 shall thereupon proceed to hear and determine the sufficiency of the
4 petition in form and substance, which petition may be amended as to
5 form and substance at any time before final action thereon, and, if
6 deemed necessary, the board may view the premises, and if they shall
7 find that such levee or drainage districts would not be for the public
8 benefit or utility, nor conducive to the public health, convenience or
9 welfare, they shall dismiss the proceedings; but, if they shall find such
10 improvement conducive to the public health, convenience or welfare
11 or to the public benefit or utility and no claim shall have been filed
12 for damages as provided in the preceding section, they may, if deemed
13 advisable, locate and establish the same in accordance with the recom-
14 mendations of the engineer, or they may refuse to establish the same
15 as they may deem best; and at said hearing, the board may order the
16 said engineer or a new engineer appointed by them if deemed advis-
17 able, to make further examination and report to said board as to said
18 proposed improvement, and if they determine that further examina-
19 tion and report shall be made, or if any claims have been filed for
20 damages, as provided in the preceding section, then the board of
21 supervisors shall proceed no further than to determine the necessity
22 of the levee or drainage districts and further proceedings shall be
23 continued to an adjourned, regular or special session, the date of which
24 shall be fixed at the time of the adjournment; and the county auditor
25 shall appoint three appraisers to assess such damages, one of whom
26 shall be the engineer theretofore appointed as above provided, or, in
27 case of his absence or inability to act, some other engineer, and two
28 freeholders of the county who shall not be interested in, nor related
29 to any party interested in the proposed improvement.

[S., '13, § 1989-a5.]

SEC. 4841. Assessment of damages—appeal.

1 The appraisers appointed to assess damages shall proceed to view
2 the premises and determine and fix the amount of damages to which
3 each claimant is entitled, and shall place a valuation upon all acreage
4 taken for right of way as shown by plat of engineer and shall, at least
5 five days before the date fixed by the board to hear and determine the
6 same, file with the county auditor reports in writing showing the

7 amount of damages sustained by each claimant. Should the report
8 not be filed in time, or should any good cause for delay exist, the board
9 may postpone the time of final action on the subject and, if necessary,
10 the auditor may appoint other appraisers. When the time for final
11 action shall have arrived, and after the filing of the report of the ap-
12 praisers, said board shall consider the amount of damages awarded
13 in their final determination in regard to establishing such levee or
14 drainage district, and if in their opinion the cost of construction and
15 the amount of damages awarded is not excessive and a greater burden
16 than should be properly borne by the land benefited by the improve-
17 ment, they shall locate and establish the same, and they shall there-
18 upon appoint said engineer, or if deemed advisable, may appoint a new
19 engineer as a commissioner, who shall make a permanent survey of
20 said ditch as so located, showing the levels and elevations of each
21 forty-acre tract of land and shall file a report of the same with the
22 county auditor together with a plat and profile thereof and shall there-
23 upon proceed to determine the amount of damages sustained by each
24 claimant, and may hear evidence in respect thereto and may increase
25 or diminish the amount awarded in respect thereto, and any party ag-
26 grieved may appeal from the finding of the board in establishing or
27 refusing to establish the improvement district or from its finding in
28 the allowance of damages to the district court by filing notice with
29 the county auditor at any time within twenty days after such finding,
30 at the same time filing a bond with the county auditor, approved by
31 him, and conditioned to pay all costs and expenses of the appeal unless
32 the finding of the district court shall be more favorable to the appel-
33 lant or appellants than the finding of the board, which appeal shall be
34 tried in the district court as an ordinary proceeding, except that when
35 the appeal is from the order of the board in establishing or refusing
36 to establish the levee or drainage district, it shall be tried in equity
37 and the appearance term shall be the trial term; the finding of the
38 court in relation to the establishment of or refusal to establish the
39 levee or drainage district shall be certified by the clerk of the district
40 court to the board of supervisors, who shall enter an order in harmony
41 therewith and proceed accordingly. If the appeal is from the amount
42 of damages allowed, the amount ascertained in the district court shall
43 be entered of record, but no judgment shall be rendered therefor. The
44 amount thus ascertained shall be certified by the clerk of said court to
45 the board of supervisors, who shall thereafter proceed as if such
46 amount had been by it allowed the claimant as damages. If the appeal
47 is from the action of the board in establishing or refusing to establish
48 said drainage district, the court shall enter such order as may be
49 proper in the premises, and the clerk of said court shall certify the
50 same to the board of supervisors, who shall proceed thereafter in
51 said matter in accordance with the order of the court. How the costs
52 shall be distributed among the litigants and against whom the same
53 shall be taxed shall rest in the discretion of the trial court.

[S., '13, § 1989-a6.]

**SEC. 4842. Damages—by whom paid—division into districts—
engineer.**

1 The amount of damages finally determined by the board in favor
2 of any claimant or claimants shall be required to be paid in the first
3 instance by the parties benefited by the said levee or drainage district,
4 or secured to be paid by sufficient bond to be fixed and approved by

5 the county auditor, and after such damages shall have been paid or
 6 secured as aforesaid, the board shall divide said improvement into suit-
 7 able sections, numbering the same consecutively from the source or
 8 beginning of the improvement downward towards its outlet and pre-
 9 scribe the time within which the improvement shall be completed and
 10 appoint a competent engineer to have charge of the work of construc-
 11 tion thereof, who shall be required before entering upon the work to
 12 give a bond to the county for the use and benefit of the levee or drain-
 13 age district to be approved by the auditor in such sum as the board
 14 may fix, conditioned for the faithful discharge of his duties.

[S., '13, § 1989-a7.]

SEC. 4843. Letting work—notice—bids.

1 The board shall cause notice to be given by publication, once each
 2 week, for two consecutive weeks in some newspaper published in the
 3 county wherein such improvement is located and such additional publica-
 4 tion elsewhere as they may direct, of the time and place of letting
 5 the work of construction of said improvement, and in such notice they
 6 shall specify the approximate amount of work to be done in each sec-
 7 tion and the time fixed for the commencement and completion thereof;
 8 and when the estimated cost of said improvement exceeds fifteen thou-
 9 sand dollars the board shall make additional publication for two con-
 10 secutive weeks in some contracting journal of general circulation, of
 11 such notice as they may prescribe, and they shall award contract or
 12 contracts for each section of the work to the lowest responsible bidder
 13 or bidders therefor, bids to be submitted, received and acted upon
 14 separately as to the main drain and each of the laterals, exercising
 15 their own discretion as to letting such work as to the main drain as
 16 a whole, or as to each lateral as a whole, or by sections as to both main
 17 drain and laterals, and reserving the right to reject any and all bids
 18 and readvertise the letting of the work. Each person bidding for such
 19 work shall deposit in cash or certified check a sum equal to ten per
 20 centum of the amount of the bid, not in any event, however, to exceed
 21 ten thousand dollars, said deposit to be returned to him if his bid is
 22 not successful, and if successful to be retained as a guarantee only
 23 of his good faith in entering on said contract. The successful bidder
 24 shall be required to execute a bond with sufficient sureties in favor
 25 of the county for the use and benefit of the levee or drainage district
 26 in an amount equal to twenty-five per centum of the estimated cost
 27 of the work so let, or he may deposit such amount in cash with the
 28 auditor as security for the performance of his contract and for the
 29 payment as they become due of all just claims for labor performed
 30 and material used in the completion of said contract, and upon the
 31 execution of such bond, or the making of such deposit, the deposit
 32 originally made with his bid shall be returned to him.

[S. S., '15, § 1989-a8.]

SEC. 4844. Monthly estimates—payment.

1 The engineer in charge of the construction shall furnish the con-
 2 tractor monthly estimates of the amount of work done on each section,
 3 and upon filing the same with the auditor, he shall draw a warrant
 4 in favor of such contractor, or deliver to him improvement certificates,
 5 as the case may be, for eighty per centum of the value of the work
 6 done according to the estimate, and when said improvement is com-

7 pleted to the satisfaction of the engineer in charge thereof and so
 8 certified by him to the board and approved by it, the auditor shall
 9 draw a warrant in favor of said contractor upon the levee or drainage
 10 fund, or deliver to him improvement certificates, as the case may be,
 11 for the balance due. All warrants drawn upon the funds of any drain-
 12 age district which can not be paid for want of funds shall bear interest
 13 at the rate of six per centum, payable annually, from and after the
 14 date of presentation thereof to the county treasurer.

[S., '13, § 1989-a9; 37 G. A., ch. 264, § 1.]

SEC. 4845. Unpaid warrants—record of holders.

1 When a warrant drawn upon the funds of any drainage district
 2 is presented to the county treasurer for payment and not paid for
 3 want of funds and so indorsed by the treasurer, said treasurer shall
 4 make and keep a record of the owner and holder presenting such
 5 warrant, together with his or its postoffice address.

[38 G. A., ch. 162, § 1.]

SEC. 4846. Transfer—record to show.

1 Whenever such drainage warrant shall be assigned and trans-
 2 ferred after having been so indorsed by the county treasurer, the
 3 assignee thereof may notify the treasurer of such assignment, giving
 4 the treasurer his or its name and postoffice address; and upon receipt
 5 of such notice by the treasurer he shall make a memorandum in the
 6 record kept of such warrant, showing the name and address of each
 7 such successive assignee or holder.

[38 G. A., ch. 162, § 2.]

SEC. 4847. Funds—notice—interest.

1 Whenever the treasurer shall have funds on hand to pay such
 2 warrant or warrants, he shall, in addition to the call provided for in
 3 section thirty-one hundred sixty-nine, mail a written notice of such
 4 call to the then holder thereof as shown by his said record, and shall
 5 make a memorandum showing the date of mailing such notice as shown
 6 by the memorandum herein required to be made, the interest on such
 7 warrant or warrants shall cease.

[38 G. A., ch. 162, § 3.]

SEC. 4848. Unpaid drainage warrants—duty of treasurer.

1 The county treasurer shall indorse such warrants, keep a record
 2 of the same, issue calls for outstanding warrants at such times as he
 3 may have funds to pay the same, and pay such warrants under the
 4 same procedure as is prescribed in the case of county warrants by
 5 sections thirty-one hundred sixty-eight to thirty-one hundred seventy,
 6 inclusive.

[37 G. A., ch. 264, § 2.]

SEC. 4849. Failure to perform work — penalty — completion of work.

1 If any person to whom any portion of said work shall have been
 2 let shall fail to perform the same according to the terms specified in
 3 his contract, then the cash deposited by him shall be forfeited to the
 4 county, or recovery may be had in an action on the bond by the county,
 5 for the benefit of the levee or drainage district, for the damages sus-

6 tained, and the work may be relet by the board in the manner here-
 7 inbefore provided; or the board may cause the uncompleted work to
 8 be done, paying therefor out of the balance of the contract price not
 9 theretofore paid over to the contractor, and if the expenses of so com-
 10 pleting the work exceed such balance of the contract price, then the
 11 board of supervisors may cause an action to be brought in the name
 12 of the county in behalf of said district, or in the name of the board
 13 of supervisors and of the said district, for the recovery of the amount
 14 of such excess from the contractor and his bondsmen.

[S., '13, § 1989-a10.]

SEC. 4850. Changes in dimensions—notice—objections—appeal.

1 If, after the establishment of said district, and before the comple-
 2 tion of the drainage improvements therein, it shall become apparent
 3 that a levee or drain should be enlarged, deepened or otherwise changed
 4 or that a change or alteration in the location should be made for the
 5 better service thereof, said board may by resolution authorize such
 6 change or changes in the said improvement as the engineer shall recom-
 7 mend; provided that, whenever any change or changes are made either
 8 under this section or under any other section of this chapter, all per-
 9 sons whose land shall be taken, or whose assessments shall be increased
 10 thereby, shall first have been given like notices as provided in section
 11 forty-eight hundred thirty-eight of this chapter, and shall have like
 12 opportunity to file claims for damages, as provided for in section
 13 forty-eight hundred thirty-nine of this chapter, or file objection to
 14 such assessment as provided in the following section, as the case may
 15 be, and like opportunity to appeal from the action of the board as
 16 provided in section forty-eight hundred forty-one of this chapter, or
 17 section forty-eight hundred fifty-four of this chapter, as the case
 18 may be.

[S., '13, § 1989-a11.]

SEC. 4851. Assessment of costs and damages—apportionment.

1 When the levee or drainage district or other improvement herein
 2 provided for shall have been located and established as provided for
 3 in this chapter, or when it shall be necessary to cause the same to be
 4 repaired, enlarged, reopened or cleared from any obstruction therein,
 5 unless such repairs, reopening or clearing of obstructions can be paid
 6 for as hereinafter provided, the board shall appoint three commis-
 7 sioners, one of whom shall be a competent civil engineer and two of
 8 whom shall be resident freeholders of the state not living within the
 9 levee or drainage district and not interested therein, nor related to
 10 any party whose land is affected thereby; and they shall within twenty
 11 days after such appointment begin to personally inspect and classify
 12 all the lands benefited by the location and construction of such levee
 13 or drainage district, or the repairing or reopening of the same, in
 14 tracts of forty acres or less according to the legal or recognized subdi-
 15 visions in a graduated scale of benefits, to be numbered according to
 16 the benefit to be received by the proposed improvement; and they shall
 17 make an equitable apportionment of the costs, expenses, costs of con-
 18 struction, fees and damages assessed for the construction of any such
 19 improvement, or the repairing or reopening of the same, and make
 20 report thereof in writing to the board of supervisors. In making the
 21 said estimate the lands receiving the greatest benefit shall be marked
 22 on a scale of one hundred and those benefited in a less degree shall be

23 marked with such percentage of one hundred as the benefit received
24 bears in proportion thereto. This classification when finally estab-
25 lished shall remain as a basis for all future assessments connected
26 with the objects of said levee or drainage district, unless the board,
27 for good cause, shall authorize a revision thereof. In the report of
28 the appraisers so appointed, they shall specify each tract of land by
29 proper description and the ownership thereof as the same appears on
30 the transfer books in the auditor's office, and the auditor shall cause
31 notice to be served upon each person whose name appears as owner
32 and also upon the person or persons in actual occupancy of any such
33 land in the time and manner provided for the establishment of a
34 levee or drainage district, which notice shall state the amount of spe-
35 cial assessments apportioned to such owner, upon each tract or lot,
36 the day set for hearing the same before the board of supervisors and
37 that all objections thereto must be made in writing and filed with the
38 county auditor on or before noon of the day set for such hearing.
39 When the day set for hearing shall have arrived, the board of super-
40 visors shall proceed to hear and determine all objections made and
41 filed to said report and may increase, diminish, annul or affirm the
42 apportionment made in said report or in any part thereof as may ap-
43 pear to the board to be just and equitable; but in no case shall it be
44 competent to show that the lands assessed would not be benefited by
45 the improvement, and when such hearing shall have been had the
46 board shall levy such apportionment so fixed by it upon the lands
47 within such levee or drainage district; and all installments of the tax
48 shall be levied at that time, and shall bear interest at six per cent per
49 annum from that date; provided that if the owner of any parcel of
50 land, lot or premises against which any such levy shall have been
51 made and certified, shall, within twenty days from the date of such
52 assessment, promise and agree in writing filed in the office of the
53 county auditor that in consideration of his having the right to pay
54 his assessments in installments he will not make any objection of
55 illegality or irregularity as to the assessment of benefits or levy of
56 such taxes upon or against his property, but will pay said assessment,
57 then said taxes levied against said land, lot or premises of such owner
58 shall be payable without interest, as follows: one-third of the amount
59 of said assessment at the time of filing the above agreement; one-third
60 within ten days after the engineer in charge of said drainage improve-
61 ment shall file a certificate in the office of the county auditor that said
62 improvement is one-half completed, and the remaining one-third with-
63 in ten days after the said improvement shall have been accepted by
64 the board of supervisors, and if said installments are not paid as above
65 provided, the failure to pay any installment shall cause the whole sum
66 to become due and payable at once with interest at the rate of one
67 per cent per month from the date of filing said agreement, and such
68 assessments shall thereupon be collected as other taxes on real estate,
69 which rate may be later reduced to correspond with the rate specified
70 in the certificates or bonds, as the case may be; provided, however,
71 that no deferred installment of the amount assessed, as between vendor
72 and vendee, mortgagor and mortgagee, shall become a lien upon the
73 property against which it is assessed and levied, until the thirty-first
74 day of December of the year next preceding that in which it is due
75 and payable; and in case the board of supervisors shall increase said
76 apportionment, service of notice thereof shall be made upon the owner
77 of such tract or lot of land as shown by the transfer books in the audi-
78 tor's office, in the same manner in which original notices are required

79 to be served, where such owner is a resident of the county, and in
 80 case such owner is a nonresident of the county such notice as to him
 81 shall be served on the actual occupant of the tract or lot of land; pro-
 82 vided that in case any railroad company shall be affected by such in-
 83 creased apportionment said notice shall be served upon the station
 84 agent of the said railroad company nearest the proposed improvement.
 85 If the first assessment made by the board of supervisors for the orig-
 86 inal cost or for repairs of any improvement as provided in this chap-
 87 ter is insufficient, the board may make an additional assessment and
 88 levy in the same ratio as the first for either purpose; provided, fur-
 89 ther, that any assessment may be paid in full without interest at any
 90 time within twenty days from the date the assessment is confirmed
 91 by the board of supervisors.

[S. S., '15, § 1989-a12; 37 G. A., ch. 127, § 1; 37 G. A., ch. 344, § 2.]

SEC. 4852. Districts—levees—outlet—costs.

1 When it shall become necessary hereafter to clean out, enlarge,
 2 deepen or widen any ditch or drain of any levee or drainage district,
 3 which ditch or drain has heretofore been established and constructed
 4 or which shall hereafter be established or constructed, and into or
 5 through which any of the waters of any other levee or drainage dis-
 6 trict shall flow, each levee or drainage district flowing annually into
 7 or through such other levee or drainage district, including the levee
 8 or drainage district carrying the combined discharge of water, shall
 9 be assessed for the cost of such work in the same ratio to such total
 10 cost as the discharge of waters of such district bears to the com-
 11 bined discharge of waters of the several districts flowing into or
 12 through such a ditch or drain. And when it shall become necessary
 13 hereafter to extend any ditch or drain of any levee or drainage dis-
 14 trict for a better outlet for the waters flowing annually into or through
 15 such a ditch or drain so extended for a better outlet, each district, in-
 16 cluding the district carrying the combined discharge of water, shall
 17 be assessed for the cost of such work in the same ratio to the total
 18 cost as hereinbefore provided.

[38 G. A., ch. 332, § 1.]

SEC. 4853. Levy and collection of tax—warrants.

1 In estimating the benefits as to the lands not traversed by said
 2 improvement they shall not consider what benefits such lands will
 3 receive after some other improvements shall have been constructed,
 4 but only the benefits which will be received by reason of the construc-
 5 tion of the improvement in question as it affords an outlet for the
 6 drainage of such lands, or brings an outlet nearer to said lands or
 7 relieves the same from overflow. Said tax shall be levied upon the
 8 lands of the owners so benefited in the ratio aforesaid and collected
 9 in the same manner as other taxes for county purposes, and the funds
 10 so collected shall be kept as a separate fund and shall be paid out only
 11 for purposes properly connected with such improvement on the order
 12 of the board of supervisors; provided, however, that warrants drawn
 13 upon the funds of any drainage district shall be accepted by the county
 14 treasurer in payment of drainage assessments levied upon any lands
 15 in that district owned by the person to whom the said warrants were
 16 issued, and when the amount of the warrant exceeds the amount of

17 the assessment, the treasurer shall cancel the said warrant, and give
 18 the holder thereof a certificate for the amount of the overplus, upon
 19 the presentation of which certificate to the county auditor he shall file
 20 it, and issue a new warrant for the amount of the overplus, and charge
 21 the treasurer therewith; and such certificate is transferable by de-
 22 livery, and will entitle the holder of the new warrant, made payable
 23 to his order, and bearing the original number, preceded by the words,
 24 "Issued as unpaid balance due on warrant number"

[S., '13, § 1989-a13.]

SEC. 4854. Appeal—drainage record — counsel — establishment rescinded—new hearing.

1 An appeal may be taken to the district court from the order of
 2 the board fixing the assessment of benefits upon the lands in the same
 3 manner and time as herein provided for appeals from the assessment
 4 of damages, and such appeal may be taken from the order of the board
 5 of supervisors increasing the apportionment within twenty days after
 6 the completed service of notice of such increased apportionment in
 7 the same manner as herein provided for appeals in assessment for
 8 damages, whether objection was made to the report of the commis-
 9 sioner or not. The appeal herein provided for shall be tried in the
 10 district court as an action in equity and the appearance term shall
 11 be the trial term; and when several appeals are taken and pending
 12 in the district court by landowners of the same drainage district
 13 whose lands have been assessed by the board, the court may, in its
 14 discretion, order the consolidation of such cases, and try the same as
 15 one cause of action. When any appeal is taken from any order of the
 16 board made in any drainage proceeding coming before it for action,
 17 it shall be the duty of the board to employ counsel to represent the
 18 interests of the drainage district affected by said appeal on the trial
 19 thereof in the appellate courts and the expense thereof shall be paid
 20 out of the drainage fund of such district. In all actions or appeals
 21 involving or affecting the drainage district, the board of supervisors
 22 shall be a proper party for the purpose of representing the drainage
 23 district, and all interested parties therein, other than the adversary
 24 parties thereto, and the employment of counsel by the board, as au-
 25 thorized by this chapter, shall be for the purpose of protecting all
 26 the rights of the drainage district and interested parties therein other
 27 than the adversary parties thereto; in all appeals or actions adversary
 28 to the district, the appellant or complaining party shall be entitled
 29 the plaintiff, and the board of supervisors and drainage district it
 30 represents, the defendants, and in all appeals or actions for or in be-
 31 half of the district, the board of supervisors and the drainage district
 32 it represents may sue as and be entitled the plaintiffs. When an ap-
 33 peal authorized by this chapter is taken, the county auditor shall forth-
 34 with make a transcript of the notice of appeal and appeal bond and
 35 transmit the same to the clerk of the district court, and the clerk shall
 36 docket the same upon payment by the appellant of the docket fee;
 37 and on or before the first day of the next succeeding term of the dis-
 38 trict court, the appellant shall file a petition setting forth the order
 39 or decision of the board appealed from and his claims and objections
 40 relating thereto, and attach thereto a copy of his claim for damages
 41 or objections filed by him with the county auditor. A failure to com-
 42 ply with these requirements shall be deemed a waiver of the appeal,
 43 and in such case the court shall dismiss the same; it shall not be neces-

44 sary for the appellee to file answer to the petition unless some affirm-
 45 ative defense is made thereto, but he may do so. The board shall
 46 provide a book to be known as the drainage record, and the county
 47 auditor shall keep a full and complete record therein of all proceed-
 48 ings of the board relating to drainage districts. In any case where
 49 the decree is or has been entered setting aside the establishment of
 50 a drainage district for errors in the proceedings taken, and such de-
 51 cree becomes final, the board of supervisors shall rescind its order
 52 establishing the drainage district, assessing benefits, and levying the
 53 tax based thereon, and shall also cancel any contract made for con-
 54 struction work or material, and may refund any or all assessments
 55 paid in. The board shall fix a new date for hearing, giving notice
 56 thereof by publication for two weeks, and at the time so fixed enter
 57 its order as to the establishment of the proposed district, and there-
 58 after proceed as by law provided.

[S., '13, § 1989-a14; 37 G. A., ch. 344, § 3.]

SEC. 4855. Obstructions—nuisance—abatement.

1 Any ditch, drain or watercourse, which is now or hereafter may
 2 be constructed so as to prevent the surface and overflow water from
 3 the adjacent lands from entering the same, is hereby declared as a
 4 nuisance and may be abated as such.

[S., '13, § 1989-a15.]

SEC. 4856. Subsequent proceedings—use of former surveys.

1 In any proceedings heretofore or hereafter had for the establish-
 2 ment of a ditch, drain, levee or the changing of a natural watercourse,
 3 or the establishment of a levee or drainage district where an engineer
 4 has been appointed and has made a complete survey, return and plat
 5 thereof and for any reason the improvement has been abandoned and
 6 the proceedings dismissed and afterwards proceedings are instituted
 7 for the establishment of a levee or drainage district, or the changing
 8 of a natural watercourse, for the benefit or reclamation of the same
 9 territory surveyed in said former proceedings, or part thereof, or the
 10 same with territory additional thereto, the engineer shall use the re-
 11 turn, levels, surveys, plat and profile made in said former proceedings,
 12 or so much thereof, as may be applicable; and in case the cost of said
 13 returns, levels, surveys, plat and profile made in said former proceed-
 14 ings have been paid for by the former petitioners or their bondsmen,
 15 then a reasonable amount shall be allowed said petitioners or bonds-
 16 men for the use of the same.

[S., '13, § 1989-a16.]

SEC. 4857. Relevy.

1 Where proceedings have been had for the establishment of a
 2 ditch, drain, levee, change of natural watercourse or the establish-
 3 ment of a drainage district under the law as heretofore existing, and
 4 such improvement has been established and constructed and taxes
 5 levied upon the land benefited thereby, or upon any portion thereof
 6 for the cost of such improvement, and where the levy so made can not
 7 for any reason be enforced, the board shall proceed as to all lands
 8 benefited by said improvement in the same manner as if the appraise-
 9 ment and apportionment of benefits had never been made; and they
 10 shall proceed in the manner hereinbefore provided, using as a basis

11 the entire cost of such improvement, and in taxing up said benefits
 12 account shall be taken of the amount of tax, if any, that has been paid
 13 by those benefited and credit therefor shall be given accordingly.

[S., '13, § 1989-a17.]

SEC. 4858. Establishment and construction across railroad right of way.

1 Whenever the board of supervisors shall have established any
 2 levee, or drainage district, or change of any natural watercourse and
 3 the levee, ditch, drain or watercourse as surveyed and located crosses
 4 the right of way of any railroad company, the county auditor shall
 5 immediately cause to be served upon such railroad company, in the
 6 manner provided for the service of original notices, a notice in writ-
 7 ing stating the nature of the improvement to be constructed, the place
 8 where it will cross the right of way of such company, and the full
 9 requirements for its complete construction across such right of way
 10 as shown by the plans, specifications, plat and profile of the engineer
 11 appointed by the board, and directing such company to construct such
 12 improvement according to said plans and specifications at the place
 13 designated, across its right of way, and to build and construct or re-
 14 build and reconstruct the necessary culvert or bridge where any ditch,
 15 drain or watercourse crosses its right of way, so as not to obstruct,
 16 impede or interfere with the free flow of the water therein, within
 17 thirty days from the time of the service of such notice upon it; and
 18 upon receiving said notice it shall be the duty of such railroad company
 19 to construct the improvement across its right of way according to the
 20 plans and specifications furnished in said notice and to build and con-
 21 struct or rebuild and reconstruct the necessary culvert or bridge above
 22 mentioned and complete the same within the time specified in said
 23 notice; if such railroad company shall fail, neglect or refuse to do so
 24 within the time fixed in said notice the auditor shall cause the same
 25 to be done under the supervision of the engineer in charge of the im-
 26 provement and such railroad company shall be liable for the cost
 27 thereof to be collected by the county in any court having jurisdiction;
 28 and the cost of constructing the improvement across the right of way
 29 of such company, not including the cost of building and constructing
 30 or rebuilding and reconstructing any necessary culvert or bridge when
 31 such improvement is located at the place of the natural waterway or
 32 place provided by the railroad company for the flow of the water, shall
 33 be considered as an element of such company's damages by the ap-
 34 praisers thereof; and the cost of building and constructing or rebuild-
 35 ing and reconstructing any necessary culvert or bridge, when such
 36 improvement is located at the place of the natural waterway or place
 37 provided by the railroad company for the flow of the water, shall be
 38 borne by such railroad company without reimbursement therefor.
 39 The commissioners to assess benefits shall fix and determine the bene-
 40 fits to the property of the railroad company within the levee or drain-
 41 age district and make return thereof with their regular return. Such
 42 special assessment shall be a debt due personally from the railroad
 43 company, and unless the same is paid by the railroad company as spe-
 44 cial assessment, it may be collected in the name of the county in any
 45 court having jurisdiction. All other proceedings in relation to rail-
 46 roads shall be the same as provided for individual property owners
 47 within the drainage district.

[S., '13, § 1989-a18.]

SEC. 4859. Construction across highway—interest on assessments.

1 Whenever such levee, ditch, drain or change of any natural water-
 2 course crosses a public highway, necessitating the removal or the
 3 building or rebuilding of any bridge or bridges, the board of super-
 4 visors shall remove, build or rebuild such bridge or bridges, paying
 5 the costs and expenses thereof from the county bridge fund. When-
 6 ever any county or township highway within the levee or drainage
 7 district will be beneficially affected by the construction of any improve-
 8 ment or improvements in such district, it shall be the duty of the com-
 9 missioners appointed to classify and assess benefits to determine and
 10 return in their report the amount of benefit to such highway, and no-
 11 tice thereof shall be served upon the clerk of the township in which
 12 said highway is located, as provided in the case of an individual prop-
 13 erty owner. The township trustees or clerk of such township may file
 14 objections to such assessment in the time and manner provided in
 15 case of landowners, and the trustees shall have the same right of ap-
 16 peal from the finding of the board with reference to the assessment
 17 on account of the benefits to such highway. One-fourth of such as-
 18 sessment shall be paid by the county from the county road fund, or
 19 from the county drainage fund, and three-fourths by the township.
 20 Such assessment may be paid by the township from its road fund, or
 21 out of a fund created for said purpose as provided in section twenty-
 22 nine hundred seventy. The amount finally assessed for benefits to
 23 highways shall draw interest at the same rate and from the same time
 24 as the assessment against lands.

[S., '13, § 1989-a19; 37 G. A., ch. 344, § 4.]

SEC. 4860. Construction on or along highway.

1 Whenever a levee or drainage district shall have been established
 2 by the board and it shall become necessary or desirable that the levee,
 3 ditch, drain or improvement should be located and constructed within
 4 the limits of any public highway, on either or both sides and along
 5 the same, it shall be so built as not materially to interfere with the
 6 public travel thereon; and the board of supervisors shall have power
 7 and authority to lay out and establish public highways along and upon
 8 any levee or embankment along any ditch or drain built under the
 9 provisions of this chapter, provided that when so established the same
 10 shall be worked as other highways and so as not to impair the levee,
 11 ditch or drain.

[S., '13, § 1989-a20.]

SEC. 4861. Control—repairs—cost.

1 Whenever any levee or drainage district shall have been estab-
 2 lished and the improvement constructed as in this chapter provided,
 3 the same shall at all times be under the control and supervision of
 4 the board of supervisors, and it shall be the duty of the board to keep
 5 the same in repair, and for that purpose they may cause the same to
 6 be enlarged, reopened, deepened, widened, straightened or lengthened
 7 for a better outlet, and they may change or enlarge the same or cause
 8 all or any part thereof to be converted into a closed drain when con-
 9 sidered for the best interests of the public rights affected thereby.
 10 The cost of such repairs or change shall be paid by the board from
 11 the drainage fund of said levee or drainage district, or by assessing

12 and levying the cost of such change or repair upon the lands in the
 13 same proportion that the original expenses and cost of construction
 14 were levied and assessed, except where additional right of way is re-
 15 quired or additional lands affected thereby, in either of which cases
 16 the board shall proceed as hereinbefore provided; provided, however,
 17 that if the repair is made necessary by the act or negligence of the
 18 owner of any land through which such improvement is constructed
 19 or by the act, or the negligence of his agent or employee, or if the same
 20 is filled and obstructed by the cattle, hogs or other stock of such owner,
 21 employee or agent, then the cost thereof shall be assessed and levied
 22 against the lands of such owner alone. Whenever any ditch, drain or
 23 watercourse which has been heretofore, or may be hereafter con-
 24 structed by any drainage district shall become obstructed by the roots
 25 of trees or by the roots of osage orange, willow or any other hedge, it
 26 shall be the duty of the board of supervisors to repair the same and
 27 remove the cause of the obstruction; they may cause any tile drain so
 28 obstructed to be relaid in concrete or other protection, and they may, if
 29 deemed best, cause the trees or hedge causing such obstruction to be
 30 removed, and if said trees or hedge are not within the area of the right
 31 of way originally acquired for the construction of said improvement,
 32 and if said board can not agree with the owner thereof as to his dam-
 33 age for the destruction of said trees, they may proceed to acquire juris-
 34 diction of said trees and the right to destroy and remove the same by
 35 the same proceedings as are provided for acquiring right of way for
 36 said drainage improvement in the first instance, and the owner shall
 37 have the same right of appeal from the award of damages made in said
 38 proceedings as is provided in section forty-eight hundred forty-one,
 39 and the damages, if any, allowed the owner, together with all other
 40 costs of said proceedings and repairs, shall be paid out of the drainage
 41 fund of such district.

[S., '13, § 1989-a21; 38 G. A., ch. 121, § 1.]

SEC. 4862. Maintenance of levee—conditions—levy.

1 In any levee or drainage district which maintains a levee, the
 2 board or boards of supervisors shall have the right and power to keep
 3 up and maintain any such levees, ditches or drains, established under
 4 chapter one of this title, or in case of washout or other injury to en-
 5 large or strengthen or increase the height of the same as may in their
 6 judgment be required; provided, however, that said work shall only be
 7 done or changes made upon the recommendation of a competent en-
 8 gineer appointed by said board, and said board or boards of supervisors
 9 are empowered to levy the expense thereof upon the real estate within
 10 said drainage or levee district.

[37 G. A., ch. 302, § 1.]

SEC. 4863. Alterations—notice.

1 If after the ordering of said repairs or improvements and before
 2 the completion thereof, it shall become apparent that the same should
 3 be enlarged, strengthened or otherwise changed or alteration in the lo-
 4 cation should be made for the better service thereof, said board or
 5 boards may by resolution authorize such change or changes in said im-
 6 provement as the engineer may recommend, provided that when any
 7 changes are made, all persons whose lands shall be taken shall have
 8 been given notice as at the original establishment of said district and

9 have the right to be heard as to damages and appeal as in said chapter
10 provided at the original establishment.

[37 G. A., ch. 302, § 2.]

SEC. 4864. Reclassifications.

1 When it shall be necessary to repair or strengthen or reopen said
2 levee, ditches or drains in any district maintaining a levee, and assess
3 the costs and damages therefor, and the board or boards shall find that
4 the original assessments are no longer equitable as a basis, then and
5 in that case they shall order a new classification of all the lands in said
6 district and thereupon the auditor shall appoint three persons, one of
7 whom shall be a competent civil engineer, and two of whom shall be
8 resident freeholders of the county, not living within the township or
9 townships where the improvement is or is to be located and not inter-
10 ested therein nor related to any party whose land is affected thereby,
11 who shall, within twenty days after such appointment, personally in-
12 spect and classify all the lands within said district according to the
13 benefits which said lands have received by the location and construc-
14 tion of the improvement or the repairing or reopening of the same,
15 and they shall make an equitable apportionment on the costs, expenses,
16 cost of construction, fees and damages assessed for the construction of
17 said improvement or the repairing or reopening of the same and make
18 report thereof in writing to the board of supervisors and file the same
19 with the county auditor; and thereafter all the proceedings in reference
20 to notice and hearing and the confirming of said assessments shall be
21 as provided in chapter one of this title.

[37 G. A., ch. 302, § 3.]

**SEC. 4865. Board of supervisors may relinquish jurisdiction—
conditions.**

1 Whenever heretofore the board of supervisors of any county has,
2 or may hereafter, establish any drainage district which is located
3 wholly within the incorporated limits of any city or town, and the drain
4 thereof having been wholly or partially constructed of sewer tile, or
5 whenever the ground that has been used for said drain is needed by
6 the city or town for sewer or other purposes, it shall be lawful for the
7 said board of supervisors to relinquish all authority or control of all
8 of said drain that is included within the incorporated limits of the city
9 or town to the city or town upon the request of the city or town council,
10 which request shall be made by resolution and certified to the board of
11 supervisors of the county.

[37 G. A., ch. 224, § 1.]

SEC. 4866. Duty of supervisors.

1 Upon the request of the city or town council, as above provided,
2 it shall be the duty of the board of supervisors to pass a resolution and
3 have the same made a part of their proceedings relinquishing all au-
4 thority and control of the drainage district which is within the incor-
5 porated limits of the city or town to the said city or town.

[37 G. A., ch. 224, § 2.]

SEC. 4867. Duty of council.

1 It is hereby made the duty of any city or town council, if it deem
2 the same for the best interest of the said city or town, to take over and

3 control any drainage districts located within its incorporated limits,
4 to pass, by a majority vote, a resolution requesting the board of super-
5 visors to permit the city or town to take over and control the drains
6 within its incorporated limits, which resolution shall be certified to
7 the board of supervisors of the county and filed by the county auditor,
8 who shall spread the same upon the records of the drainage district
9 referred to.

[37 G. A., ch. 224, § 3.]

SEC. 4868. Jurisdiction of municipality.

1 After the said drainage district has been taken over by the city or
2 town, it shall have complete control and authority of all of the drainage
3 district and drain so taken over, and may by resolution declare its use
4 and use the same for any purpose that said city or town through its
5 city or town council deem proper and necessary for the advancement
6 of the city or town or its health or welfare, and the city or town shall
7 be responsible for the maintenance and upkeep of said drainage district
8 so taken over only from and after its relinquishment by the board of
9 supervisors to the city or town as herein provided.

[37 G. A., ch. 224, § 4.]

SEC. 4869. Pending litigation or proceedings.

1 Nothing shall prevent the board of supervisors from making and
2 certifying assessments against the district for construction heretofore
3 lawfully made or repairs thereon heretofore lawfully made on drains
4 legally established.

[37 G. A., ch. 224, § 5.]

SEC. 4870. Outlet for lateral drains—specifications.

1 The owner of any land, lot or premises that have been assessed
2 for the payment of the cost of the location and construction of any
3 ditch, drain or watercourse as hereinbefore provided, shall have the
4 right to use the ditch, drain or watercourse as an outlet for lateral
5 drains from said land, lot or premises. In making connections with
6 the drainage improvements provided for in this chapter, care must be
7 taken to so protect the drain or drains where such connection is made
8 as to prevent damage thereto by washing out the banks or by permit-
9 ting soil or silt to be carried into the public improvement, and to this
10 end the board of supervisors may make specifications as to the manner
11 in which all such connections shall be made.

[S., '13, § 1989-a22.]

SEC. 4871. Subdrainage districts.

1 If any person who owns land within the drainage district which
2 has been assessed for benefits and which is separated from the ditch,
3 drain or watercourse for which it has been assessed, by the land of
4 another or others, shall desire to ditch or drain his said land across the
5 land of such other or others into such ditch, drain or watercourse and
6 shall be unable to agree with such other or others on the terms and
7 conditions on which he may enter upon their lands and construct such
8 drain or ditch, he may proceed in the manner in this section provided,
9 and the ditch or drain which he shall construct or cause to be con-
10 structed shall be considered to be conducive to the public health, wel-

11 fare, convenience and utility to promote which said drainage district
 12 was established. He may file his petition with the county auditor
 13 asking the board to establish a subdistrict within the limits of the orig-
 14 inal district for the purpose of securing more complete drainage,
 15 describing the lands to be affected thereby by metes and bounds or oth-
 16 erwise so as to convey an intelligible description of such lands; and the
 17 bond and all other proceedings shall be the same as herein provided for
 18 the establishment, formation and construction of original districts and
 19 improvement thereof, including the assessment of damages and the as-
 20 sessment of benefits, and when established and constructed, it shall be
 21 and become a part of the drainage system of such drainage district
 22 and be under the control and supervision of the board of supervisors.

[S., '13, § 1989-a23.]

SEC. 4872. Enlargement of watercourse or stream.

1 When two or more districts shall have their outlet or discharge
 2 into the same natural watercourse or stream and it shall become nec-
 3 essary to deepen or enlarge said natural watercourse or stream, each
 4 district shall be assessed for the cost of such work in the same ratio
 5 to such total cost as the discharge of waters of such district bears to
 6 the combined discharge of waters of the several districts emptying into
 7 said natural watercourse or stream; but no district shall be liable to
 8 contribute for any improvement or costs and expenses incurred in im-
 9 proving said natural watercourse or stream above the point of dis-
 10 charge of the waters of such district into the same.

[S., '13, § 1989-a24.]

SEC. 4873. New levee or drainage districts.

1 If any levee, drainage district or improvement heretofore estab-
 2 lished, either by legal proceedings or by private parties, or which may
 3 hereafter be established, shall prove insufficient to protect or drain all
 4 of the lands necessarily tributary thereto, the board of supervisors,
 5 upon petition therefor as for the establishment of an original levee or
 6 drainage district, shall have the power and authority to establish a
 7 new levee or drainage district covering and including such old district
 8 or improvement, together with any additional lands deemed necessary;
 9 and whenever a new district shall be established as contemplated in
 10 this section and the new improvement shall extend into or along the
 11 former improvement, the commissioners of classification and benefits
 12 shall take into consideration the value of such old improvement in
 13 the construction of the new improvement and credit the same to the
 14 parties owning the old improvement as their interests may appear.

[S., '13, § 1989-a25.]

**SEC. 4874. Special assessment — how paid — improvement cer-
 tificates—waivers.**

1 The special assessment for benefits made by the commissioners
 2 appointed for that purpose, as corrected and approved by the board
 3 of supervisors, shall be levied at one time by the board against the
 4 property so benefited, and when levied and certified shall be payable
 5 at the office of the county treasurer. If the owner of any parcel of
 6 land, lot or premises against which any such levy shall have been made
 7 and certified, which is embraced in any certificate provided for in this
 8 section, shall within thirty days from the date of such assessment

9 promise and agree in writing indorsed upon such certificate, or in a
10 separate agreement, that in consideration of having the right to pay
11 his assessment in installments, he will not make any objection of
12 illegality or irregularity as to the assessment of benefits, or levy of
13 such tax upon and against his property, but will pay said assess-
14 ment with interest thereon at such rate not exceeding six per centum
15 per annum as shall be prescribed by resolution of the board, such tax
16 so levied against the land, lot or premises of such owner shall be pay-
17 able in not less than ten nor more than twenty equal installments, the
18 first of which, with interest on the whole assessment, shall mature and
19 be payable on the date of such assessment, and the others with inter-
20 est on the whole amount unpaid annually thereafter at the same time
21 and in the same manner as the March semiannual payment of ordinary
22 taxes, but the foregoing provision as to payment in installments shall
23 not apply to assessments of twenty dollars or less on a single lot or
24 tract of land; but where no such terms and agreement in writing shall
25 be made by the owner of any land, lot or premises, then the whole of
26 said special assessment, so levied upon and against the property of
27 such owner, shall mature at one time and be due and payable with
28 interest from the date of such assessment, and shall be collected at
29 the next succeeding March semiannual payment of ordinary taxes.
30 All of such tax with interest shall become delinquent on the first day
31 of March next after its maturity and shall bear the same interest
32 with the same penalties as ordinary taxes. /And the board may provide
33 by resolution for the issuance of improvement certificates, pay-
34 able to bearer or to the contractors who have constructed the said
35 improvement or completed part thereof within the meaning of this
36 chapter in payment or part payment therefor, each of which certifi-
37 cates shall state the amount of one or more assessments or part thereof
38 made against the property, designating it and the owners thereof
39 liable to assessments for the cost of same, and said certificate may be
40 negotiated. Such certificates shall transfer to the bearer, contractor
41 or assigns all right and interest in and to the tax in every such as-
42 sessment or part thereof described therein, and shall authorize such
43 bearer, contractor or assignee to collect and receive every assessment
44 embraced in said certificate, by or through any of the methods pro-
45 vided by law for their collection, as the same mature. Such certificates
46 shall bear interest not to exceed six per centum per annum, payable
47 annually, and shall be paid by the taxpayer to the county treasurer
48 who shall receipt for the same and cause the amount paid to be ap-
49 plied to the payment of the certificate issued therefor; provided that
50 any person shall have the right to pay the full amount of the tax so
51 levied against his property, together with interest thereon to date of
52 payment, at any time he desires so to do, even before the maturity of
53 any certificates issued therefor. No certificate shall be issued or ne-
54 gotiated for the use of the drainage district for less than par value
55 with accrued interest up to the delivery or transfer thereof. } Should
56 the costs of such work exceed the amount of benefits assessed and
57 certificates issued, a new apportionment and levy of tax may be made
58 and other certificates issued in like manner. If the board of super-
59 visors provides for the issuance of improvement certificates by the
60 owners of lands, the township trustees may execute waivers, and
61 there may be issued improvement certificates for such part of the
62 assessment for benefits to highways as is to be paid by the township,

63 such waivers and certificates to conform as nearly as may be to those
64 executed upon the assessments against lands.

[S., '13, § 1989-a26; 37 G. A., ch. 344, § 5; 38 G. A., ch. 64,
§ 1; 38 G. A., ch. 271, § 1.]

SEC. 4875. Drainage bonds—benefits to highways included.

1 If the board of supervisors shall determine that the estimated
2 cost of reclamation and improvement of such district of land is greater
3 than should be levied in a single year upon the lands benefited, instead
4 of issuing improvement certificates as provided in the preceding sec-
5 tion, it may fix the amount that shall be levied and collected each year
6 and may issue drainage bonds of the county, bearing not more than
7 six per centum annual interest and payable semiannually in the pro-
8 portions and at the times when such taxes shall have been collected,
9 and may devote the same at par, with accrued interest, to the payment
10 of the work as it progresses or may sell the same at not less than par,
11 with accrued interest, and devote the proceeds to such payment; and
12 if in the sale of said bonds a premium is received, such premium shall
13 be credited to the drainage fund, and should the cost of such work
14 exceed the estimate, or should the proceeds of the tax when collected
15 be insufficient to pay the principal and interest of bonds sold, a new
16 apportionment of the tax may be made and other bonds issued and
17 sold in like manner, to meet such excess of cost or shortage in the pro-
18 ceeds of tax, but in no case shall the bonds run longer than not more
19 than twenty years. Provided, however, that no assessments of twenty
20 dollars or less on a single lot or tract shall be included in such bond
21 issue and such sums shall be collected as provided in the preceding
22 section, at the next succeeding March semiannual payment of ordinary
23 taxes; provided, however, that nothing herein shall prevent owners
24 of such lots or tracts to take advantage of the provisions of section
25 forty-eight hundred fifty-one, providing for payment in three install-
26 ments. Any property owner may pay the full amount of the benefit
27 assessed against his property before such bonds are issued and receive
28 a receipt in full therefor. Such payment shall be made to the county
29 treasurer, and it shall be the duty of the county auditor to certify to
30 the treasurer the amount of any such assessment when requested to
31 do so, and the treasurer shall enter the same upon the tax lists in his
32 hands in a separate place provided therefor, and shall furnish the au-
33 ditor with duplicate receipts given for all assessments so paid in full.
34 The terms and times of payment of the bonds so issued shall be fixed
35 by the board. Said bonds shall be issued for the benefit of the dis-
36 trict numbered thereon and each district shall be numbered by the
37 board of supervisors and recorded by the auditor, said record showing
38 specifically the lands embraced in said district and upon which the
39 tax has not been previously paid in full. In no case shall the amount
40 of bonds exceed the benefits assessed. Each bond issued shall show
41 expressly upon its face that it is to be paid only by a tax assessed,
42 levied and collected on the lands within the district so designated and
43 numbered, and for the benefit of which district such bond is issued;
44 nor shall any tax be levied or collected for the payment of said bond
45 or bonds, or the interest thereon, on any property outside the district
46 so numbered, designated and benefited. When the board of super-
47 visors shall provide for the issuance of drainage bonds, it shall deter-
48 mine what part, if any, of the amount assessed for the benefits to
49 highways shall be included in such bond issue, and such part, with

50 interest, shall be paid out of the proper funds in the same yearly
51 proportion and at the same times as the assessments against the lands
52 of private owners.

[S., '13, § 1989-a27; 37 G. A., ch. 344, § 6; 38 G. A., ch. 64,
§ 2; 38 G. A., ch. 271, § 2.]

SEC. 4876. Establishment when owners mutually agree.

1 Owners of land which requires combined drainage may provide
2 for the establishment of a drainage district or location and construc-
3 tion of drains, ditches and watercourses upon their own lands by mu-
4 tual agreement in writing duly signed, acknowledged and filed with
5 the county auditor; such agreement may include the location, the
6 character of the work to be done, the adjustment of the damages, the
7 classification of the lands to be benefited thereby, the amount of taxes
8 or special assessments to be levied, when the same shall be levied, or
9 so many of these or other provisions as may be agreed upon, and to
10 such extent shall be as valid and binding as though performed in the
11 mode and manner provided for in this chapter. Upon the filing of the
12 agreement with the county auditor, the board of supervisors shall at
13 the next session thereafter establish such drainage district, and locate
14 the ditch, drain or watercourse provided for in said mutual agree-
15 ment according to the terms thereof, and shall thereafter have full and
16 complete jurisdiction of the parties and subject matter, and order such
17 procedure under the provisions of this chapter as may be required or
18 necessary to carry out the object, purpose and intent of such agree-
19 ment and to complete and construct the desired improvement and
20 shall retain jurisdiction of the same as fully as in other cases made
21 and provided for in this chapter.

[S., '13, § 1989-a28.]

SEC. 4877. Establishment through two or more counties—voting powers of boards of supervisors equalized.

1 When the desired levee or drainage district extends into or
2 through two or more counties and embraces land in two or more
3 counties, the petition of one or more owners of land to be affected or
4 benefited by such improvement shall be presented to the county au-
5 ditor of each county into or through which said levee or drainage dis-
6 trict will extend, accompanied by a bond to be filed with the county
7 auditor of each of the said counties at the time of filing such petition,
8 conditioned as provided when the district is wholly within one county,
9 in an amount and with sureties satisfactory to and approved by the
10 board of supervisors. Upon the presentation of such petition and the
11 approval of such bond, the board of supervisors of each of said coun-
12 ties shall appoint a commissioner, and the commissioners of the sever-
13 al counties thus appointed shall meet within thirty days thereafter
14 and appoint a competent engineer, and such commissioners and engi-
15 neer shall together make a survey of the entire lands embraced in
16 the district, and shall determine what improvement or improvements
17 in the way of levees, drains, ditches or changing of natural water-
18 courses are necessary for the reclamation of the lands described in
19 the said petition; the engineer shall make a plat of all of the lands of
20 said district, showing thereon the proposed improvements, the eleva-
21 tions and levels of said lands, so far as he may deem necessary, and
22 a profile of said levee, drains, ditches or changes in any natural wa-

23 tercourse and shall file a copy in the auditor's office of each of said
 24 counties, together with a full return of said commissioners and engi-
 25 neer explaining the situation, describing the lands, the improvements,
 26 what effect said improvements will have upon the lands of said dis-
 27 trict, the course and length of any levee, drain, ditch or change of any
 28 natural watercourse through each tract of land, the estimated cost of
 29 the same, the dimensions of said improvement, together with the
 30 names of the owners of all lands included within said district, as
 31 shown by the transfer books in the auditor's office, and which in their
 32 opinion will be affected or benefited thereby, together with such other
 33 facts and recommendations as to them shall seem advisable, and espe-
 34 cially whether or not in their judgment such levee or drainage district
 35 should be established. Immediately upon the filing of such return,
 36 plat and profile, if such recommends the establishment of the levee or
 37 drainage district, each county auditor of said counties shall cause the
 38 owners of the lands, as shown by the transfer books in the auditor's
 39 office, and also the person in actual occupancy of any lots or lands in
 40 the district, and also each lienholder or incumbrancer, as shown by
 41 the county records, of any land through or abutting upon which the
 42 proposed improvement extends, to be notified of the time and place
 43 where the boards of the several counties will meet in joint session for
 44 the consideration of said petition and return. Such notice shall be the
 45 same and served in the same time and manner as provided in this
 46 chapter when the levee or drainage district is wholly within one
 47 county. When the boards of supervisors are of unequal number, each
 48 member of the board of the smallest number of members shall cast a
 49 full vote, and each member of any larger board shall cast such frac-
 50 tional part of a full vote as may be determined by making the smallest
 51 number of the membership of any board the numerator and the num-
 52 ber of the membership of any such larger board entitled to vote the
 53 denominator of such fraction, so as to equalize the voting power of
 54 each board.

[S., '13, § 1989-a29.]

SEC. 4878. Claims for damages—where filed.

1 Any person claiming damages as compensation for, or on account
 2 of, the construction of such improvement shall file his claim in writ-
 3 ing therefor in the office of the county auditor of the county in which
 4 his land is situated, at least five days prior to the time at which the
 5 petition has been set for hearing, and on failure to file such claims
 6 at the time specified shall be held to have waived his right thereto.

[S., '13, § 1989-a30.]

SEC. 4879. Hearing—appraisers.

1 At the time set for hearing such petition the boards of the several
 2 counties shall meet at the place designated in said notice and sit jointly
 3 in considering the petition and proceed in the same manner as pro-
 4 vided in section forty-eight hundred forty, except that if it becomes
 5 necessary to appoint appraisers, the boards of supervisors acting jointly
 6 shall appoint one appraiser from each county, and if said levee or
 7 drainage district extends into or through only two counties then the
 8 two appraisers shall choose a third, each of whom shall have like
 9 qualifications as provided where the improvement is wholly within one
 10 county and they shall then proceed in the same manner and make the

11 same return as provided in section forty-eight hundred forty-one, ex-
12 cept that a copy thereof shall be filed in the auditor's office of each of
13 the several counties. After the filing of the report of such appraisers
14 the further proceedings of the boards of supervisors acting jointly
15 shall be the same as in this chapter provided where the levee or drain-
16 age district is wholly within one county, so far as applicable, except
17 as herein otherwise provided.

[S., '13, § 1989-a31.]

SEC. 4880. Assessment of costs and damages—improvement certificates—bonds.

1 If the boards of supervisors, acting jointly, shall establish the
2 levee or drainage district, they shall appoint a commission, one of
3 whom shall be selected from each county, and in addition thereto
4 a competent engineer, each of whom shall have the same qualifications
5 as provided where the district is wholly within one county; and said
6 commission shall within twenty days go upon and view the premises
7 and begin the work of classifying the same as hereinbefore provided
8 where the district is wholly within one county, and in addition thereto
9 shall make an equitable apportionment of the costs, expenses, costs of
10 construction, fees and damages assessed for the construction of such
11 improvement or of the repairing or reopening the same, and make
12 report thereof as provided where the improvement is wholly within
13 one county, except a copy of said report shall be filed with each of the
14 several county auditors. Immediately upon the filing of such report
15 the several county auditors, acting jointly, shall cause notice to be
16 served of the time when and the place where the boards of super-
17 visors will meet and consider such report, which notice shall be the
18 same and served in the same time and manner, and all proceedings
19 thereon shall be the same as provided where the district is wholly
20 within one county, except that the objections not filed prior to the day
21 of the hearing shall be filed with the boards of supervisors at the place
22 where the hearing is to be held, and except after the amount to be
23 assessed and levied against the several parcels or tracts of land shall
24 have been apportioned and finally determined, the several boards of
25 supervisors, acting separately, and within their own counties, shall
26 proceed to levy and collect the taxes thus apportioned in the same
27 manner as provided where the district is wholly within one county,
28 and they may issue improvement certificates or may sell bonds for the
29 full amount of the benefits apportioned to such county.

[S., '13, § 1989-a32; 37 G. A., ch. 344, § 7.]

SEC. 4881. Letting work.

1 If the boards of supervisors, acting jointly, shall establish
2 such levee or drainage district, the auditors of the several counties
3 shall immediately thereafter, acting jointly, cause notice to be given
4 of the time and place of the meeting of the boards for letting the con-
5 tract or contracts for the construction of the improvement. The
6 notices, bond and all other proceedings in relation to letting the con-
7 tract or contracts shall be the same as in this chapter provided where
8 the district is wholly within one county, except that the several boards
9 shall act jointly.

1 At the time of establishing the levee or drainage district the
2 boards of supervisors shall appoint a competent engineer to have
3 charge of the construction of the work, and they shall fix his com-
4 pensation therefor, and he shall, before entering upon and taking
5 charge of said work, give bond to the counties for the use and benefit
6 of the levee or drainage district, approved by the boards of supervisors
7 in such sum as they may direct, conditioned for the faithful discharge
8 of his duties. The engineer in charge of the work shall furnish the
9 contractor monthly estimates of the amount of work done on each
10 section and the amount due from each county, a duplicate of which
11 shall be filed with the auditor of each of the several counties. Upon
12 the filing of such statement each auditor shall draw a warrant or
13 deliver to him improvement certificates, as the case may be, in favor of
14 the contractor for eighty per centum of the amount due from his
15 respective county. When said improvement is completed to the satis-
16 faction of the engineer in charge and accepted by the boards of super-
17 visors, the engineer shall certify such fact to the several county
18 auditors and each county auditor shall draw a warrant in favor of
19 the contractor, or deliver to him improvement certificates, for the
20 balance due from his respective county.

[S., '13, § 1989-a34.]

SEC. 4883. Appeals—notice—bond.

1 Any person or persons aggrieved shall have the right to appeal
2 in the same time and in the same manner as provided when the dis-
3 trict is wholly in one county, except that if the appeal is taken from the
4 action of the boards in establishing the levee or drainage district,
5 such appeal may be taken to the district court of either county in
6 which the district or some part thereof is located. If said appeal is
7 from the award of damages or assessment of benefits the appeal shall
8 be taken to the district court of the county in which the land affected
9 is located. Notice of appeal and bond shall be given to and filed with
10 the county auditor in the county where the appeal is taken.

[S., '13, § 1989-a35.]

SEC. 4884. District court to establish—when.

1 Whenever the establishment of a levee or drainage district,
2 extending into or through two or more counties, is petitioned for as
3 hereinbefore provided and one or more of such boards of supervisors
4 neglect, fail or refuse to take action thereon, the petitioner or peti-
5 tioners may cause notice in writing to be served upon the chairman of
6 such board or boards, demanding that action be taken upon the prayer
7 of the petition within twenty days from and after the service of such
8 notice; and if such board or boards shall neglect, fail or refuse to take
9 action thereon within the time named, or if such action is taken and
10 the boards of supervisors can not agree as to the proper determina-
11 tion thereof, the petitioner or petitioners may cause such proceedings
12 to be transferred to the district court of either of the counties into or
13 through which such proposed district, or some part thereof, extends
14 by serving notice upon the auditors of the several counties within ten
15 days after the expiration of the time fixed by the notice, served upon
16 the chairman of the board or boards, or within ten days after the
17 failure of such boards to agree. Upon such notice being given, the

18 auditors shall, acting jointly, prepare and certify to the clerk of the
 19 district court a full and complete transcript of all proceedings had in
 20 such case, on or before the first day of the next succeeding term of
 21 said court. The clerk of the district court shall thereupon docket the
 22 case and the same shall be tried as in equity and the appearance term
 23 shall be the trial term, and the court shall enter judgment and decree
 24 dismissing the case or establishing such levee or drainage district and
 25 may by proper orders and writs enforce its judgment and decree.

[S., '13, § 1989-a36.]

SEC. 4885. Special sessions of boards of supervisors.

1 Whenever the district is located in two or more counties, the
 2 boards of supervisors shall have power and authority to adjourn from
 3 time to time and meet in special session and in all cases shall have the
 4 same jurisdiction, power and authority as provided where the improve-
 5 ment is wholly within one county, and all proceedings shall be the
 6 same so far as applicable and not herein otherwise provided, except
 7 that the board of supervisors of one county shall have jurisdiction to
 8 establish a subdrainage district of lands included within a joint drain-
 9 age district when the lands to compose said subdistrict lie wholly
 10 within such county, and to make improvements therein, repair and
 11 maintain the same, fix and levy assessments for the payment thereof,
 12 and to do the like for all drainage subdistricts heretofore established,
 13 the lands of which lie wholly within one county.

 § 1.]

**SEC. 4886. Cities and towns may be included—benefits assessed—
 notice—objections—appeal.**

1 The board of supervisors shall have the same power, right and
 2 authority to establish a levee or drainage district that includes the
 3 whole or any part of any incorporated town or city, including cities
 4 acting under special charters, as they have to establish districts as
 5 hereinbefore provided, and they shall have the same power, right and
 6 authority with respect to the assessment of damages and benefits
 7 within such towns or cities as they have in other cases provided for in
 8 this chapter, and like notice to such city or town with respect to the
 9 establishment of such district and the apportionment and assessment
 10 of damages and benefits shall be given as is required by this chapter
 11 to be given to owners of property damaged or benefited by the estab-
 12 lishment or construction of such improvement. Whenever the streets,
 13 alleys, public ways or parks of any incorporated town or city, or city
 14 acting under special charter, so included within a levee or drainage
 15 district, will be beneficially affected by the construction of any
 16 improvement or improvements in such district, it shall be the duty of
 17 the commissioners appointed to classify and assess benefits to deter-
 18 mine and return in their report the amount of benefit to such streets,
 19 alleys, public ways and parks, and notice thereof shall be served upon
 20 the clerk of such incorporated town or city, or city acting under special
 21 charter, and the town or city council, or clerk of such town or city,
 22 may file objections to such assessment in the time and manner pro-
 23 vided in case of landowners, and the town or city council shall have
 24 the same right to appeal from the finding of the board with reference
 25 to such an assessment, and such assessment, as finally established,
 26 shall draw interest at the same rate and from the same time as the

27 assessments against lands, and the board of supervisors and the town
 28 or city council shall have the same power and authority in reference
 29 to issuing improvement certificates or drainage bonds and executing
 30 waivers on account of such assessment for benefits to streets, alleys,
 31 public ways and parks as is herein conferred upon the board of super-
 32 visors and township trustees in reference to assessment for benefits to
 33 highways. Cities or towns affected by this section may issue their
 34 funding bonds in accordance with the provisions of chapter thirty-
 35 four, title thirteen, for the purpose of securing the money to pay any
 36 assessment.

 2 retroactive, and all waivers and improvement certificates heretofore
 3 issued by boards of supervisors are hereby legalized, confirmed and
 4 made valid.

[S., '13, § 1989-a38a.]

SEC. 4888. Outlet in another state—right of way.

1 Whenever a drainage district is established in any county in this
 2 state and no practicable or feasible outlet can be obtained except
 3 through the lands of an adjoining state, the board of supervisors of
 4 such county shall have power and authority to purchase a right of
 5 way for such outlet in such adjoining state and pay for the same out
 6 of the funds of such district.

[S., '13, § 1989-a39.]

SEC. 4889. Watchmen.

1 Whenever a levee has been established, or shall hereafter be estab-
 2 lished, and constructed in any county, the board of supervisors shall be
 3 empowered and authorized to employ one or more persons whose duty
 4 it shall be to watch such levee and make repairs thereon in case of
 5 emergency or cause the same to be made. And such employee shall
 6 file with the county auditor an itemized bill for services rendered, and
 7 cost and expense incurred in watching or repairing such levee, and the
 8 same shall be audited and allowed by the board as other claims and
 9 demands, and the amount or amounts so allowed shall be paid by the
 10 county from the funds belonging to such levee district. If there are
 11 no funds on hand belonging to such district, the same shall be paid in
 12 the first instance by the county from the general fund, and the
 13 board shall proceed to assess and levy a tax upon the lands in such
 14 district, which assessment and levy shall be apportioned to each tract
 15 of land in the same ratio that the original cost thereof was appor-
 16 tioned, and when collected the auditor shall draw a warrant thereon in
 17 favor of the county for the sum or sums so paid from the county funds.

[S., '13, § 1989-a40.]

SEC. 4890. Fees and expenses.

1 Any engineer employed under the provisions of this chapter shall
 2 receive such compensation per diem as shall be fixed and determined
 3 by the board of supervisors. Appraisers of damages and commission-
 4 ers to assess benefits, other than the engineer, shall receive such com-
 5 pensation as the board of supervisors may allow, not to exceed five

6 dollars per day each, and all other fees and costs required under the
 7 provisions of this chapter shall be the same as provided by law for like
 8 services in other cases. Such costs and expenses shall be paid by the
 9 order of the board of supervisors out of the county treasury from the
 10 levee or drainage funds collected for that purpose upon warrants
 11 drawn by the county auditor. And the amount of fees for publica-
 12 tion of all notices required to be published by the provisions of this
 13 chapter shall be fixed by the board of supervisors not exceeding thirty-
 14 three and one-third cents for each ten lines of brevier type, or its
 15 equivalent.

[S., '13, § 1989-a41; 38 G. A., ch. 76, § 1.]

SEC. 4891. Drainage record—county auditor—additional help.

1 Whenever a levee or drainage district or districts shall be peti-
 2 tioned for or established in any county, the board of supervisors shall
 3 furnish such additional help as shall be just and reasonable, to be paid
 4 by the county; and the county auditor shall be the custodian of all
 5 papers and records pertaining to the levee or drainage matter in his
 6 county, and shall keep the book known as the "drainage record" and
 7 shall record therein all of the proceedings of the board of supervisors
 8 pertaining to the subject of levees or drainage, as well as the papers
 9 required to be filed by the county auditor in such proceedings.

[S., '13, § 1989-a42.]

SEC. 4892. Annual inspection.

1 The board of supervisors of any county in or through which an
 2 improvement of the character provided for in this chapter extends, or
 3 shall extend, shall cause a competent engineer to inspect such improve-
 4 ment whenever they may deem it necessary, and at least once in each
 5 year, and he shall make report to such board of the condition of the
 6 improvement, together with such recommendation as he deems neces-
 7 sary.

[S., '13, § 1989-a44.]

SEC. 4893. Tax lien upon premises.

1 The tax provided for in this chapter, when levied, shall be a lien
 2 upon all premises upon which the same is assessed to the same extent
 3 and in the same manner as taxes levied for county and state purposes.

[S., '13, § 1989-a45.]

SEC. 4894. Defects in proceedings.

1 The provisions of this chapter shall be liberally construed to pro-
 2 mote the leveeing, ditching, draining and reclamation of wet, overflow
 3 or agricultural lands; the collection of the assessments shall not be
 4 defeated, where the proper notices have been given, by reason of any
 5 defect in the proceedings occurring prior to the order of the board of
 6 supervisors locating and establishing the levee, ditch, drain or change
 7 of natural watercourse provided for in this chapter, but such order or
 8 orders shall be conclusive and final that all prior proceedings were
 9 regular and according to law unless they were appealed from. But if
 10 upon appeal the court shall deem it just and proper to release any
 11 person or modify his assessment or liability, it shall in no manner
 12 affect the rights or liability of any person other than the appellant;
 13 and the failure to appeal from the order of the board of supervisors of

14 which complaint is made shall be a waiver of any illegality in the pro-
 15 ceedings, and the remedies provided for in this chapter shall exclude
 16 all other remedies.

[S., '13, § 1989-a46.]

SEC. 4895. Additional to certain statutes.

1 The provisions of this chapter shall be construed as an inde-
 2 pendent procedure additional to chapter one of this title relating to
 3 the location, establishment and construction of levees, drains, ditches
 4 and watercourses and shall not be held to repeal any of such provisions.

[S., '13, § 1989-a47.]

SEC. 4896. Preliminary expenses—how paid.

1 Whenever a petition is filed with the county auditor of any county
 2 within the state, as contemplated in this chapter, for the establishment
 3 of a drainage district in any county or counties within the state, the
 4 board of supervisors of said county (or counties if there be more than
 5 one) are hereby authorized to pay all necessary preliminary expenses
 6 in connection with said drainage district, out of the general county
 7 fund of said county, or if there be more than one county from the
 8 general county fund of each of the counties included in said district in
 9 such proportion as the work done or expense created in each county
 10 bears to the whole amount of work done or expense created, said
 11 amounts to be determined by the engineer in charge of the work, and
 12 they shall replace the same to the credit of the county fund of said
 13 county or counties as their interests may appear as soon as possible
 14 after the drainage district is established, or if said district be not
 15 established, then said amounts shall be paid from the proceeds of the
 16 bond deposited with the county auditor for that purpose, as provided
 17 for in this chapter.

[S., '13, § 1989-a48.]

SEC. 4897. Pumping stations—petition.

1 The board of supervisors of any county or counties in the state in
 2 which a drainage or levee district has been or may hereafter be organ-
 3 ized as provided in this chapter may provide as a part of said drainage
 4 system for the establishment and maintenance of a pumping station or
 5 stations, when and where the same may be necessary to secure a
 6 proper outlet for the drainage of the land comprising the said district
 7 or any portion thereof, and the cost of construction and maintenance
 8 of said pumping station or stations, shall be levied upon and collected
 9 from the lands in the drainage or levee district, or the lands benefited
 10 by such pumping station or stations, in the same manner as provided
 11 for in the construction and maintenance of ditches or drains or levees
 12 in this chapter; provided that such pumping station or stations shall
 13 not be established or maintained unless a petition therefor shall be
 14 presented to the board of supervisors signed by not less than one-
 15 third of the owners of lands benefited thereby, and the lands benefited
 16 by such pumping station or stations shall be determined by the board
 17 of supervisors on the report of the engineer, nor shall additional land
 18 be taken into any such drainage district after the improvements
 19 therein have been substantially completed, unless thirty-three and

20 one-third per cent of the owners of the land proposed to be taken in
21 shall have petitioned therefor or consented in writing thereto.

[S., '13, § 1989-a49.]

SEC. 4898. Drainage districts—pumping stations.

1 After the establishment of a drainage district, including a pump-
2 ing plant, and before the completion of the drainage improvement
3 therein, the board or boards of supervisors may, if deemed necessary
4 to more effectually drain the lands in said district and fully accom-
5 plish the purposes of said improvement, by resolution, authorize the
6 establishment and maintenance of such additional pumping station or
7 stations as the engineer may recommend, and if a petition shall be
8 filed by one-third of the owners of land within such district asking the
9 establishment of such additional pumping plant or plants the board or
10 boards must direct the engineer to investigate the advisability of the
11 establishment thereof and upon the report of said engineers the board
12 or boards shall proceed to determine whether such additional pumping
13 plant or plants shall be established. If the board or boards determine
14 that additional pumping plant or plants shall be established and main-
15 tained a pump or pumps may be removed from any pumping station
16 already established and may be installed in any such additional plant,
17 if such removal can be made without injuring the efficient operation
18 of the plant from which removed. The cost of the establishment of
19 such additional pumping plant or plants shall be paid in the same
20 manner and upon the same basis as is provided for the cost of the
21 original improvement.

[38 G. A., ch. 283, § 1.]

SEC. 4899. Districts—engineer—jurisdiction of board.

1 Whenever a drainage district has been created and more than one
2 pumping plant is established therein, the board or boards of super-
3 visors may, and upon petition of one-third of the owners of land within
4 said district, shall appoint an engineer to determine the advisability
5 of dividing said district into two or more districts so as to include at
6 least one pumping plant in each of such districts. If the engineer rec-
7 ommends such division, the board of supervisors shall fix a time for
8 hearing upon the question of such division and shall publish notice
9 directed to all whom it may concern of the time and place of such hear-
10 ing, which notice shall be published for the time and in the manner as
11 is required for the publication of notice of the establishment of said
12 district, except that said notice need not name the owners and lien-
13 holders but shall be sufficient if directed as above provided. At the
14 time fixed, the board shall determine the advisability of such division
15 and shall make such order with reference thereto as shall be deemed
16 proper, having consideration for the interests of all concerned. If such
17 division is made, the board or boards having jurisdiction of the orig-
18 inal district shall retain jurisdiction of the new districts created by
19 such division for the purpose of collecting assessments theretofore
20 made and for the purpose of making such additional assessments as
21 are necessary to pay the obligations theretofore contracted and for
22 paying debts theretofore contracted. For all other purposes, each
23 division shall be under the jurisdiction of the board or boards of
24 supervisors which would have had jurisdiction thereof if originally

25 established as an independent district, the same as though originally
26 established by such board or boards.

[38 G. A., ch. 283, § 2.]

SEC. 4900. Districts—boards or commissioners—maintenance—tax, when divided.

1 Whenever any levee or drainage district operating a pumping
2 plant shall have been established and the improvement constructed
3 and accepted, the board or boards of supervisors, or commissioners
4 (if they have been appointed), and it shall become apparent that the
5 lands can be more effectually drained, managed or controlled by a
6 division thereof, then the said board or boards, or commissioners, may
7 divide said district, and if the district is divided by a stream and sub-
8 divided into subdistricts, they shall divide the district and, thereafter,
9 said district shall be carried on as though established originally as a
10 district, except nothing herein shall affect the legality or collection of
11 any assessments levied before the division, except that the mainte-
12 nance tax, if any, shall be divided in accordance with the amount paid
13 in by each district, and provided further, that if said district before
14 division was under the control and management of commissioners,
15 then each commissioner shall continue to serve in the district in which
16 his lands are situated, and other commissioners shall be elected in each
17 new district and the election for said new commissioners shall be
18 called by the old board of commissioners in each district, which said
19 election shall be called within ten days after said division is made and
20 shall be carried on as now provided for the election of commissioners.

[38 G. A., ch. 283, § 3.]

SEC. 4901. Settling basin—channel—board to provide.

1 If before a district operating a pumping plant is completed, or if
2 after such district shall have been completed and accepted, it develops
3 or appears that portions of the lands within said district are caused to
4 be wet or nonproductive by reason of the floods or overflow waters
5 from some stream running into, through or along said district and that
6 said district or some other district of which this district shall have
7 formed a part, shall have constructed or provided a settling basin
8 to care for the said floods and overflow waters of said stream or
9 watercourse, but no channel to said settling basin has been provided,
10 said board or boards of supervisors may and are hereby empowered
11 to lease, buy or condemn the necessary lands within or without the
12 district to provide said channel to said settling basin, and if necessary
13 to condemn the said lands to provide said channel the proceedings
14 shall be as provided by this chapter and sections twenty-eight hundred
15 fifty-seven and eighty-seven hundred thirty-eight.

[38 G. A., ch. 283, § 4.]

SEC. 4902. Proceedings under petitions heretofore filed.

1 Whenever any petition has heretofore been filed and any action
2 thereon has been taken by the board of supervisors that is not final,
3 it shall not be necessary that a new petition shall be filed in order to
4 obtain the benefits of this chapter, but the board of supervisors are
5 hereby empowered to proceed with the improvement from the point
6 at which legal proceedings thereon were stopped.

[S., '13, § 1989-a50.]

SEC. 4903. Statutes applicable.

1 The measure of damages for locating, establishing and construct-
 2 ing a levee, ditch, drain or watercourse across the right of way of any

 2 which a drainage district has been or may hereafter be organized in
 3 the manner provided in chapter one of this title may provide for the
 4 establishment and maintenance of a pumping station when and where
 5 the same shall be necessary to secure a proper outlet for the lands
 6 comprising the district, and the costs of construction and mainte-
 7 nance of such pumping station or plant shall be levied upon and col-
 8 lected from the lands in the drainage district in the same manner as
 9 provided for the construction and maintenance of ditches as provided
 10 in chapter one of this title, except the petition referred to shall require
 11 the signatures of fifty per cent of the landowners of such district.

[S., '13, § 1989-a52.]

SEC. 4905. Pumping stations and levees — management by trustees—petition.

1 In all drainage or levee districts having or operating a pumping
 2 station or maintaining a levee, or both, heretofore established, or
 3 which may hereafter be established under the laws of the state of
 4 Iowa, at any time after the completion of the contract for the original
 5 construction has been accepted by the board of supervisors, any three
 6 or more persons who own land within the district which has been
 7 assessed for benefits may file in the office of the county auditor of
 8 the county or counties in which the district is located a petition signed
 9 by a majority of the persons owning land within the district which
 10 has been assessed for benefits, asking that said district be placed
 11 under the control and management of three trustees, residents of the
 12 county or counties in which the said district is located, and land-
 13 owners in said district, to be elected by the persons owning lands in
 14 said district that has been assessed for benefits.

[S. S., '15, § 1989-a52a; 37 G. A., ch. 307, § 1.]

1 Upon filing of said petition the board of supervisors, or the joint
 2 boards of supervisors of the counties wherein said district is located,

 4 be determined that the same is signed by a majority of all the persons
 5 owning land in said district that has been assessed for benefits, the
 6 board, or joint boards of supervisors, shall order an election to be
 7 held at some convenient place in the district at some time not less
 8 than thirty days, nor more than sixty days from the date of the can-

 5 books showing the names of the voters with the county auditor. The
 6 owner of each tract of land over twenty-one years of age, without
 7 regard to sex, and any railroad or corporation owning property in
 8 said district and assessed for benefits, shall be entitled to at least one

 20 counted for more than one vote, he shall write his name upon his
 21 ballot. The vote of any resident of a county in which the district

SEC. 4910. Trustees—duties—bonds—reclassification—compensation.

1 The trustees shall qualify in the same manner as township trust-
2 tees and also by giving a bond in the sum of one thousand dollars
3 each, conditional for the faithful discharge of their duties, and the
4 said bond to be duly approved by the county auditor of the county in
5 which the greater portion of the district is located. The trustees shall
6 have control and supervision of said district with all of the same
7 powers that are now conferred on the board or boards of supervisors
8 for the control or supervision of drainage and levee districts under the
9 drainage and levee laws of Iowa, and they shall promptly and faith-
10 fully look after all of the business of the district. If a reclassification
11 and readjustment of the assessments of property or any important
12 change of the district shall be deemed advisable by the said trustees,
13 they shall submit the question of the reclassification and readjustment
14 of the assessments of property, or change of district to the vote of the
15 electors of said district by ballot, at the next regular election of trust-
16 tees, or they shall have the power to demand a special election there-
17 for. Should the proposition receive the sanction of the majority of
18 the voters at said election, then the trustees shall proceed in the
19 same manner in the reclassification and readjustment of the assess-
20 ments as are now provided for governing the actions of the board or
21 boards of supervisors. All costs and expense necessary to carry out
22 the powers and duties hereby conferred upon said trustees shall be
23 levied and collected upon the land in said district in the same manner
24 as the same are now levied and collected, upon certificate by the trust-
25 tees to the board or boards of county supervisors of the amount neces-
26 sary therefor. The said fund, when so levied and collected, shall be
27 held by the county treasurer of the county in which the same is col-
28 lected, subject to the order of the trustees of said district, and shall
29 be expended only upon their order upon warrants bearing a legal rate
30 of interest, drawn by the county auditors upon certificates approved
31 by the said board of trustees, signed by the president of the board.
32 The said trustees shall have power to issue drainage or levee bonds
33 when necessary, said bonds to be approved by a judge of the district
34 court of the county or counties in which said district lies. The said
35 trustees shall have power, if in their judgment, it is necessary to
36 employ a clerk for said district, and to fix his compensation. The
37 members of the board of trustees shall receive three dollars per day
38 each for time actually spent in looking after the affairs of the district,
39 and necessary traveling expenses.

[S. S., '15, § 1989-a52f; 37 G. A., ch. 307, § 5.]

SEC. 4911. Report—filed with auditor for record.

1 Such trustees shall, from time to time, and with reasonable
 2 promptness furnish the auditor of each county in which any part of
 3 said district is situated with a correct record of their acts and pro-
 4 ceedings, which statement must be signed by at least two of their
 5 number and shall be recorded by the auditor in the drainage record.

[S., '13, § 1989-a52g.]

SEC. 4912. Owners may drain.

1 Owners of land may drain the same in the general course of nat-
 2 ural drainage, by constructing open or covered drains, discharging the
 3 same into any natural watercourse, or into any natural depression,
 4 whereby the water will be carried into some natural watercourse, and
 5 when such drainage is wholly upon the owner's land he shall not be
 6 liable in damages therefor to any person or persons or corporation.
 7 Nothing in this chapter shall, in any manner, be construed to affect
 8 the rights or liabilities of proprietors in respect to running waters or
 9 streams.

[S., '13, § 1989-a53.]

SEC. 4913. Additional lands—procedure for annexation.

1 After the original establishment of a drainage district, as in this
 2 chapter provided, if the said board is satisfied that additional lands
 3 should be included within any drainage district, and that said lands
 4 are benefited by the improvement therein, and that said lands should
 5 have been included in said original district, then, in such case, the
 6 board may order the engineer to make a plat of said lands, with the
 7 elevations thereof, and report thereon; and thereupon, if said report
 8 be in favor of including additional lands, which shall be particularly
 9 described in the report, said board shall proceed in such matter as to
 10 said proposed annexed territory as in the original establishing of such
 11 district, including the fixing and levying of the special tax for benefits,
 12 and thereafter the said annexed territory shall be a part of said dis-
 13 trict, and governed in all respects as lands within the original district;
 14 or said annexation may be made and brought under the jurisdiction of
 15 the board for all of said purposes upon the petition of the owners of
 16 all the lands to be annexed.

[S., '13, § 1989-a54.]

SEC. 4914. Outlet—acquisition of land for outside limits of county—procedure.

1 In any case where the necessary outlet of any proposed drainage
 2 district is beyond the limits of the county wherein such district is pro-
 3 jected, and in the judgment of the board of supervisors expense will
 4 be saved such district by avoiding joint proceedings with such adjoin-
 5 ing county and by proceeding as hereinafter authorized or whenever
 6 after establishment of any district it is found necessary to extend the
 7 main ditch beyond the limits of such district as established, in order
 8 to secure proper outlet therefor, the board of supervisors shall have
 9 power to so extend such outlet and to use the general funds of the
 10 district for such purposes; and generally such board of supervisors
 11 shall have full power to treat with and to make fair and equitable
 12 agreements with any landowner, any other drainage district, ditching
 13 organization, corporation or association within this state, whether the

14 same may be acting under this or any other law, touching any work
15 in which such district may be interested, or which may facilitate the
16 flow of the waters from the lands within such district or the flow of
17 waters from the lands lying above said district, through the ditches of
18 such district. Where such drainage district shall find it necessary to
19 acquire real estate for such outlet purposes the board of supervisors
20 may proceed in the county where said real estate is located to con-
21 demn the same under the provisions of the chapter relating to the
22 taking of private property for works of internal improvement.

[S., '13, § 1989-a55.]

SEC. 4915. Claims of subcontractors—filing—priority.

1 Every mechanic, laborer, or other person who as subcontractor,
2 shall perform labor upon or furnish materials for the construction of
3 any drainage ditch provided for in this chapter, shall have a claim
4 against the funds provided for the payment of said ditch and improve-
5 ments for the value of such services and material not in excess of the
6 amount of the contract price for which no warrants shall have been
7 issued at the time of the filing of said claim. Such claim shall be made
8 by filing with the county auditor an itemized sworn statement of the
9 demand at any time after the performance of the labor or furnishing
10 of the material, but within thirty days from and after the completion
11 of the contract, and such claims shall have priority in the order in
12 which they are filed; provided that the county auditor shall not issue
13 warrants in excess of eighty per cent of the contract price until thirty
14 days after the completion of the contract; provided, further, that
15 neither the county auditor, nor the county, nor the drainage district
16 shall be liable for any greater sum than the contract price, nor shall
17 they or either of them be liable for the payment of the same before
18 the time provided for in the principal contract.

[S., '13, § 1989-a57.]

SEC. 4916. Adjudication—attorney's fee.

1 Any party in interest may cause an adjudication of the amount,
2 priority and mode and time of payment of such claims by an equi-
3 table action in the district court in the proper county. In such action
4 the court may assess a reasonable attorney's fee against the party
5 failing, in favor of said drainage district or county.

[S., '13, § 1989-a58.]

SEC. 4917. Release of claim—contractor may file bond for.

1 The contractor may at any time release such claim by filing with
2 the county auditor of the county in which the drainage ditch is located,
3 a bond for the benefit of such claimant in sufficient penalty and with
4 sureties to be approved by said county auditor, conditioned for the
5 payment of any sum which may be found due such claimant. Such
6 contractor may prevent the filing of such claims by filing in a like
7 manner a bond conditioned for the payment of persons who may be
8 entitled to file such claims. And actions may be brought on any such
9 bond by any claimant within one year after his cause of action ac-
10 crues, and judgment shall be rendered on said bond for the amount
11 due such claimant.

[S., '13, § 1989-a59.]

SEC. 4918. Drainage district under trustees—procedure.

1 In all drainage or levee districts heretofore established or which
2 may be hereafter established and not containing a pumping station
3 and costing for establishment and construction one hundred thousand
4 dollars or more and less than twenty-five per cent of which has been
5 spent for tile construction, any three or more persons who own land
6 within the district which has been assessed for benefits, may, after the
7 completion of the construction work of such district, file in the office
8 of the county auditor or county auditors, if the district is in more
9 than one county, a petition signed by a majority of the persons own-
10 ing land within the district assessed for benefits, and who in the
11 aggregate own a majority of the number of acres of land assessed for
12 benefits, asking that such district be placed under the management
13 and control of three trustees, who are owners of land assessed for
14 benefits in the district and residents of the county or counties in which
15 the district is situated, to be elected by the persons owning land as-
16 sessed for benefits in such district, such trustees shall be agents for
17 the property owners for the management of the business of the dis-

[S. S., '15, § 1989-a61.]

SEC. 4919. Intercounty district—petition where filed.

1 If the district is located in more than one county, the petition
2 shall be presented to the boards of supervisors of the several coun-

[S. S., '15, § 1989-a62.]

SEC. 4920. Canvass of petition — election ordered — election board—election of trustees.

1 Upon the filing of said petition, the board of supervisors shall,
2 at their next regular meeting, canvass the same and if it shall be de-
3 termined that the same is signed by a majority of all the persons
4 owning land in said district that has been assessed for benefits, and
5 owning, in the aggregate, a majority of the acres of land assessed for
6 benefits in such district, the board of supervisors shall order an elec-
7 tion to be held at some convenient place in the district, at some time
8 not less than thirty days nor more than sixty days from the date of
9 the canvass of said petition, for the election of said trustees, and shall
10 name from the residents of the district owning land assessed for bene-
11 fits three judges and two clerks of election and shall cause notice of
12 said election, together with the time and place of holding same, to be
13 published in the county in which the district is situated, in which the
14 official proceedings of the board of supervisors are published, and if
15 any district is located in more than one county, it shall be published
16 in one such newspaper in each county. If the district is located in
17 more than one county, the boards of the several counties shall meet
18 in joint session as soon as possible after the petition is filed and can-
19 vass same in the same manner and for the same purpose as would be
20 done by one board if in one county, and if the petition is found to con-
21 tain the names of a majority of the owners owning a majority of the
22 area of the district, the joint boards shall call an election and perform
23 all the same duties that would be discharged by one board if the dis-

8 certificates to the trustees of their election.

[S. S., '15, § 1989-a64.]

SEC. 4922. Tenure of office.

1 The trustees so elected, shall hold office until the fourth Saturday
2 in January next succeeding their election and until their successors
3 are elected and qualified, and on the third Saturday in the January,
4 next succeeding their original election, an election shall be held at
5 which three trustees shall be chosen, one for one year, one for two

3 expire, and fill any vacancies that may have occurred since the last
4 election.

[S. S., '15, § 1989-a67.]

SEC. 4925. Vacancies.

1 If any vacancy occurs in the membership of the board between
2 the annual elections, the remaining members of the board shall have
3 power to fill such vacancies by appointment of persons having the
4 same qualifications as themselves, and the persons so appointed shall
5 qualify in the same manner and hold office until the next annual elec-
6 tion and until their successors are elected and qualified, and in the
7 event all places on the board become vacant, then a new board shall
8 be appointed by the county auditor of the county in which the greater
9 portion of the acreage of the district is located and the persons ap-

11 until their successors are elected and qualified.

[S. S., '15, § 1989-a68.]

SEC. 4926. Elections—how conducted.

1 The trustees shall act as judges of election; the clerk of the board
2 shall act as one of the clerks and some taxpayer of the district shall
3 be selected by the board to act as another clerk. The trustees shall
4 fill all vacancies in the election board. The result of all elections shall

[S. S., '15, § 1989-a69.]

SEC. 4927. Organization—selection of clerk.

1 As soon as the trustees have qualified, they shall organize by
2 electing one of their own number as chairman and may select some
3 other taxpayer of the district as clerk of the board, and the clerk shall
4 serve until the fourth Monday in January succeeding his election and
5 qualification unless sooner discharged by the board.

[S. S., '15, § 1989-a70.]

**SEC. 4928. Trustees — bond — duties — powers — readjustment
of assessment—expenses.**

1 The trustees shall qualify by giving a bond in the sum of five
2 thousand dollars each, conditioned for the faithful discharge of their
3 duties, signed by two or more sureties to be approved by the county
4 auditor of the county in which the greater portion of the area of the
5 district is located; but this bond shall be subject to be increased by
6 order of the board or boards of supervisors under whose supervision
7 the change to the trustee system was made. Upon the election and
8 qualification of the trustees, they shall have control and supervision
9 of such district in the same manner and with all the same powers that
10 are conferred on the board or boards of supervisors for the control
11 and supervision of drainage and levee districts under the drainage
12 and levee laws of Iowa and shall promptly and faithfully look after
13 all business of the district. If a reclassification and readjustment of
14 the assessment of property should ever be made, it shall be done under
15 the board or boards of supervisors in the same manner as the original
16 assessment. All costs and expenses incurred in making the change to
17 the trustee system, and all costs and expenses necessary to carry out
18 the powers and duties hereby conferred upon said trustees, shall, upon
19 certificate of the trustees to the board or boards of supervisors of the
20 amount of the same necessary therefor, be levied and collected upon

 11 more than one vote he shall write his name upon his ballot. The vote
 12 of any resident of a county in which the district is located in whole or
 13 in part must be cast in person. The vote of any owner of land includ-

 17 district or agent of such railroad or corporation who is authorized by
 18 a power of attorney signed and acknowledged by such nonresident
 19 landowner or duly authorized officer of such railroad or corporation
 20 to cast the vote for him, but the power of attorney in such case shall
 21 be filed with the county auditor.

[S. S., '15, § 1989-a73.]

SEC. 4931. Compensation.

1 The compensation of the trustees and the clerk of the board is

1 Before any election is held, the election board shall obtain from
 2 the county auditor or auditors a certified copy of so much of the rec-

 4 of lands therein as will show what lands are embraced within such
 5 district, the classification of each tract and the amount of assessment

 7 of the person against whom same was so assessed for benefits, and
 8 such certified record shall be kept by such trustees for use in subse-

 13 since the latest certificate from the auditor shall be entitled to vote
 14 for such lands if he presents to the election board for its inspection
 15 at the time he demands the right to vote the original recorded deed or

[S. S., '15, § 1989-a75.]

SEC. 4933. Interstate drainage—cooperation with authorities of sister state—procedure.

1 Whenever proceedings for the drainage of lands within this
 2 state and bordering upon the state line are had and the total cost,

3 including all damage, of constructing the improvement in this state
 4 has been ascertained by the authorities of this state, and the engineer
 5 in charge, before the final establishment of the district, reports that
 6 the establishment and construction of such improvements ought to be
 7 jointly constructed with like proceedings for the drainage of adjoining
 8 lands in an adjoining state and that drainage proceedings are
 9 pending in such adjoining state for the drainage of such adjoining
 10 lands, then and in that case the said authorities of this state may enter
 11 an order continuing the hearing on the establishment of such district
 12 to the named date, of which all parties shall take notice, but
 13 shall have power, whenever the total cost, including damages, of constructing
 14 the improvement in such other state has been ascertained
 15 by the authorities of such other state, to enter into an arrangement
 16 or tentative agreement as to the separate amounts which the authorities
 17 of each state should in equity pay toward the construction of the
 18 joint undertaking. When such amount is thus determined, the authorities
 19 of this state shall enter the same in the minutes of their proceedings
 20 and shall proceed therewith as though such amount had been
 21 originally determined by them as the cost of constructing the improvement
 22 in this state.

23 When the bids for construction are opened, unless the construction
 24 work on each side of the line can go forward independently and
 25 without undue friction when let to contractors, no contract shall be
 26 let by the authorities in this state, unless by joint conference of the
 27 authorities of both states, the acceptance of a bid or bids for the construction
 28 of the whole project is first jointly agreed upon, but the contract
 29 or contracts for the construction of that portion of the improvement
 30 within this state shall be entirely distinct and separate
 31 from the contract or contracts let by the authorities of the neighboring
 32 state; provided that the contract or contracts for the construction
 33 of the work within this state shall not exceed an amount equal to the
 34 amount of the benefits assessed in this state less the damages allowed
 35 in this state and less the incidental expenses in this state.

[S. S., '15, § 1989-a77.]

SEC. 4934. Conditions precedent to letting contract or issuing bonds.

1 No contract shall be let until the improvement shall be conditionally
 2 and finally established in both states, and after final adjustment
 3 in both states of damages and benefits both as between individuals
 4 and lands. No bonds shall be issued until all litigation in both
 5 states arising out of said proceedings has been finally terminated by
 6 actual trial and hearing, or by the expiration of all right of appeal.

[S. S., '15, § 1989-a78.]

SEC. 4935. Repairs and improvements.

1 In so far as applicable, sections forty-nine hundred eighteen to
 2 forty-nine hundred thirty-four, inclusive, shall also apply to the repair
 3 and improvement of any work of drainage constructed under its provisions.

[S. S., '15, § 1989-a79.]

 4 chinery, erected or to be erected thereon or adjacent thereto, by the
 5 water thereof, or to use the water thereof in connection with any fac-
 6 tory, or for any other lawful purpose; provided, however, that in the
 7 use of such water, the same shall not be injuriously polluted or af-
 8 fected, nor the quantity thereof materially diminished; and provided,
 9 further, that such water shall be returned to the natural course of
 10 such stream, may file in the office of the clerk of the district court of
 11 the county in which such mill or machinery is, or is to be erected, a
 12 petition, designating himself as plaintiff and the owners of lands af-

 15 with that of such dam or race, and also of the lands that will be over-
 16 flowed or otherwise affected thereby. No right acquired hereunder
 17 or hereby shall be absolute or perpetual.

SEC. 4937. Order for a jury—notice.

1 The clerk shall thereupon issue an order, with a copy of the peti-
 2 tion attached, directed to the sheriff, commanding him to summon a
 3 jury of twelve disinterested electors of his county to meet on a day
 4 fixed therein, and upon the lands described, which order, including
 5 the copy of the petition, shall be served on the defendants in the same
 6 manner and for the same length of time previous to the day fixed in
 7 the order as is required for the service of original notices. When

[R., '60, §§ 1266, 1270; C., '73, § 1190; C., '97, § 1922.]

SEC. 4938. Continuance.

1 If the order shall not be executed by the sheriff on the day therein
 2 mentioned, he may, from time to time, appoint another day, notice
 3 thereof being given to the parties interested as hereinbefore provided;
 4 and if the inquest can not be completed in one day, the sheriff shall ad-
 5 journ the same from day to day until it is.

[R., '60, § 1270; C., '73, § 1200; C., '97, § 1932.]

SEC. 4939. Lands in another county.

1 If any of the lands are situated in a different county than that
 2 in which the petition is required to be filed, the proceedings shall apply
 3 thereto to the same extent as if such lands were situated in the county
 4 where it is filed.

[R., '60, § 1270; C., '73, § 1191; C., '97, § 1923.]

SEC. 4940. Action of jury.

1 The jury shall be sworn to, and shall, impartially and to the best
2 of their skill and judgment, view the lands described in the petition,
3 and ascertain and appraise the damages each of the defendants will
4 sustain by reason of such lands being overflowed or otherwise in-
5 juriously affected by the dam or race, or heightening or enlarging the
6 same, and ascertain whether the dwelling house, outhouse, orchard, or
7 garden of any defendant will be so affected, and, if so, whether the
8 same has been placed there for that purpose.

[R., '60, § 1267; C., '73, § 1192; C., '97, § 1924.]

SEC. 4941. Evidence—report.

1 The jury may, in addition to examining the premises, hear and
2 examine witnesses, and shall report their findings in writing, and at-
3 tach the same to the order, which shall be returned by the sheriff to
4 the clerk.

[R., '60, § 1267; C., '73, § 1193; C., '97, § 1925.]

SEC. 4942. Appeal.

1 Either party may appeal from such assessment of damages to
2 the district court within thirty days after the assessment is made,
3 in the manner, and the proceedings on such appeal shall be, as pro-
4 vided in case of appeals from assessment of damages in taking prop-
5 erty for works of internal improvement.

[C., '73, § 1194; C., '97, § 1926.]

SEC. 4943. Cause shown.

1 When the report of the jury is filed, the clerk shall issue an or-
2 der, directed to the defendants, requiring them to appear at the next

1 Any railway corporation owning or operating or constructing a
 2 railway shall have power to condemn lands for necessary additional
 3 depot grounds or yards, for the purpose of constructing a track or
 4 tracks to any mine, quarry, gravel pit, manufactory, warehouse, or
 5 mercantile establishment, for additional or new right of way for con-

 7 grades, shortening or relocating portions of the line, for excavations,
 8 embankments, or places for depositing waste earth in the same man-
 9 ner as is provided by law for the condemnation of the right of way.
 10 Before any proceedings shall be instituted therefor, the company shall
 11 apply to the railway commissioners, who shall give notice to the land-
 12 owner, and examine into the matter and report by certificate to the
 13 clerk of the district court in the county in which the land is situated,
 14 the amount and description of the additional lands necessary for such
 15 purposes, present and prospective, of such company; whereupon the
 16 company shall have the power to condemn the lands so certified by
 17 the commissioners.

[C., '97, § 1998; S., '13, § 1998; 37 G. A., ch. 407, § 1.]

SEC. 4984. Manner of condemnation.

1 If the owner of any real estate necessary to be taken for either
 2 of the purposes mentioned in this chapter refuses to grant the right
 3 of way or other necessary interest in said real estate required for
 4 such purposes, or if the owner and the corporation can not agree upon
 5 the compensation to be paid for the same, the sheriff of the county in
 6 which such real estate may be situated shall, upon written application
 7 of either party, appoint six freeholders of said county, not interested
 8 in the same or a like question, who shall inspect said real estate, and
 9 assess the damages which said owner will sustain by the appropria-
 10 tion of his land for the use of said corporation, and make report in
 11 writing to the sheriff of said county; and, if the corporation shall, at
 12 any time before it enters upon said real estate for the purpose of con-
 13 structing said railway, pay to the sheriff, for the use of the owner,
 14 the sum so assessed and returned to him as aforesaid, it may con-
 15 struct and maintain its railway over and across such premises.

[R., '60, §§ 1317, 1318; C., '73, §§ 1244, 1245; C., '97, § 1999.]

SEC. 4985. Assessment of damages—notice.

1 The freeholders appointed shall be the commissioners to assess
 2 all damages to the owners of real estate in said county, and said cor-
 3 poration, or the owner of any land therein, may, at any time after
 4 their appointment, have the damages assessed in the manner herein
 5 prescribed, by giving the other party ten days' notice thereof in writ-
 6 ing, if a resident of this state, specifying therein the day and hour
 7 when such commissioners will view the premises, which shall be
 8 served in the same manner as original notices.

[R., '60, § 1318; C., '73, § 1245; C., '97, § 2000.]

1 If the owner of any lands is a minor, insane, or other person
 2 under guardianship, the guardian of such minor, insane or other
 3 person may, under the direction of the judge of the district court,
 4 agree and settle with said corporation for all damages by reason of

5 the taking of such lands for any of the purposes aforesaid, and may
6 give valid conveyances of such land.

[R., '60, § 1316; C., '73, § 1246; C., '97, § 2001.]

SEC. 4987. Nonresident owner.

1 If the owner of such lands is a nonresident of this state, no
2 demand of the land for a right of way or other purpose shall be neces-
3 sary, except the publication of a notice, which may be in the following
4 form:

5 Notice for the appropriation of lands for railway purposes.

6 To (here name each person whose land is to be taken or affected)
7 and all other persons having any interest in or owning any of the fol-

15 run, together with such other land as may be necessary for berms,
16 waste banks and borrowing pits, and for wood and water stations (or
17 desires the same for any other purpose for which property is author-
18 ized by this chapter to be taken), and unless you proceed to have the
19 damages as to the same appraised on or before the.....day of
20, A. D..... (which time must be at least four weeks
21 after the publication of the notice), said company will proceed to have
22 the same appraised on the.....day of....., A. D.
23 (which must be at least eight weeks after the first pub-
24 lication of the notice), at which time you can appear before the
25 appraisers that may be selected.

[R., '60, § 1320; C., '73, § 1247; C., '97, § 2002.]

1 Said notice shall be published in some newspaper in the county,
2 if there is one; if not, then in a newspaper published in the nearest
3 county through which the proposed railway is to be run, once each
4 week, for at least eight successive weeks prior to the day fixed for the
5 appraisalment at the instance of the corporation.

[C., '73, § 1248; C., '97, § 2003; S., '13, § 2003.]

SEC. 4989. Appraisalment.

1 At the time fixed for either of the aforesaid notices, the appraise-
2 ment of the lands described may be made and returned; but the
3 appraisalment and return may be in parcels larger than forty acres
4 belonging to one person and lying in one tract, unless the agent or
5 attorney of the corporation or the commissioners have actual knowl-
6 edge that the tract does not belong wholly to the person in whose
7 name it appears of record; and in case of such knowledge the appraise-
8 ment shall be made of the different portions as they are known to be
9 owned.

[C., '73, § 1249; C., '97, § 2004.]

SEC. 4990. Dwelling house, garden, or orchard.

1 If it appears from the finding of the commissioners that the
 2 dwelling house, outhouse, orchard or garden of the owner of any land
 3 taken will be overflowed or otherwise injuriously affected by any dam
 4 or reservoir to be constructed as authorized by this chapter, such dam
 5 shall not be erected until the question of such overflowing or other
 6 injury has been determined in favor of the corporation upon appeal.

[C., '73, § 1250; C., '97, § 2005.]

SEC. 4991. Vacancies filled.

1 In case of the death, absence, neglect or refusal of any of said
 2 freeholders to act as commissioners as aforesaid, the sheriff shall
 3 summon other freeholders to complete the panel.

[R., '60, § 1319; C., '73, § 1251; C., '97, § 2006.]

SEC. 4992. Costs.

1 The corporation shall pay all the costs of the assessments made
 2 by the commissioners and those occasioned by the appeal, including
 3 reasonable attorney fees to be taxed by the court, unless on the trial
 4 thereof the same or a less amount of damages is awarded than was
 5 allowed by the commissioners.

[R., '60, § 1317; C., '73, § 1252; C., '97, § 2007.]

SEC. 4993. Report recorded.

1 The report of the commissioners, where the same has not been
 2 appealed from, and the amount of damages assessed and costs has
 3 been deposited with the sheriff, or if an appeal is taken, and the
 4 amount of damages assessed on the trial thereof has been paid to the
 5 sheriff, may be recorded in the records of deeds in the county where
 6 the land is situated, and such record shall be presumptive evidence of
 7 title in the corporation of the property so taken, and shall constitute
 8 constructive notice of the rights of such corporation therein.

[C., '73, § 1253; C., '97, § 2008.]

SEC. 4994. Appraisement—appeal.

1 Either party may appeal from such assessment to the district
 2 court, within thirty days after the assessment is made, by giving the
 3 adverse party, or, if such party is the corporation, its agent or attor-
 4 ney, and the sheriff notice in writing that such appeal has been taken.
 5 The sheriff shall thereupon file a certified copy of so much of the
 6 appraisement as applies to the part appealed from, and said court shall
 7 try the same as in an action by ordinary proceedings. The land-
 8 owner shall be plaintiff and the corporation defendant.

[R., '60, § 1317; C., '73, § 1254; C., '97, § 2009; S., '13,
 § 2009; 38 G. A., ch. 189, § 1.]

SEC. 4995. Deposit—acceptance.

1 An appeal shall not delay the prosecution of work upon said
 2 railway, if said corporation pays or deposits with the sheriff the
 3 amount assessed. The sheriff shall not pay such deposit over to the
 4 person entitled thereto after the service of notice of appeal, but shall
 5 retain the same until the determination thereof. An acceptance by

6 the landowner of the damages awarded by the commissioners shall
7 bar his right to appeal.

[R., '60, § 1317; C., '73, §§ 1255, 1256; C., '97, § 2010.]

SEC. 4996. Trial—judgment—costs.

1 On the trial of the appeal, no judgment shall be rendered except
2 for costs. The amount of damages shall be ascertained and entered of
3 record, and if no money has been paid or deposited with the sheriff, the
4 corporation shall pay the amount so ascertained, or deposit the same
5 with the sheriff, before entering upon the premises. Should the cor-
6 poration decline to take the property and pay the damages awarded on
7 final determination of the appeal, then it shall pay, in addition to the
8 costs and damages actually suffered by the landowner, reasonable
9 attorney's fees, to be taxed by the court.

[C., '73, § 1257; C., '97, § 2011.]

SEC. 4997. Additional deposit.

1 If, on the trial of the appeal, the damages awarded by the com-
2 missioners are increased, the corporation shall pay or deposit with the
3 sheriff the whole amount of damages awarded before entering on or
4 using or controlling the premises. The sheriff, upon being furnished
5 with a certified copy of the assessment, may remove said corporation,
6 and all persons acting for or under it, from said premises, unless the
7 amount of the assessment is forthwith paid or deposited with him.

[C., '73, § 1258; C., '97, § 2012.]

SEC. 4998. Damages reduced.

1 If the amount awarded by the commissioners is decreased on the
2 trial of the appeal, the reduced amount only shall be paid the land-
3 owners.

[C., '73, § 1259; C., '97, § 2013.]

SEC. 4999. Channels or ditches along right of way.

1 In any case where it would have the right to dig a channel or cut
2 a ditch, so as to change and straighten the course of a stream or
3 watercourse too frequently crossed by such road, for the purpose of
4 protecting the right of way and roadbed, or promoting safety and
5 convenience in operation of the road, it may, if it can not agree with
6 the owners of the land to be crossed by such channel or ditch, either
7 as to its location or the price to be paid for land taken, condemn an
8 amount sufficient and convenient for such purpose, in the same manner
9 that lands for the right of way for the roadbed may be condemned;
10 and such condemnation shall be made with the same rights of appeal
11 as in other cases of condemnation of land for right of way uses. Noth-
12 ing in this section shall give the corporation the right to change the
13 course of any stream or watercourse where such right does not other-
14 wise exist, nor to turn such stream or watercourse off from any culti-
15 vated meadow, or pasture lands, when it only touches such lands at
16 one point, unless the owner or owners thereof consent to such
17 diversion.

[C., '97, § 2014.]

SEC. 5000. Nonuser of right of way.

1 Where a railway constructed in whole or in part has ceased to be
2 operated for more than five years; or where the construction of a

3 railway has been commenced and work on the same has ceased and
4 has not, in good faith, been resumed for more than five years, and
5 remains unfinished; or where any portion of any such railway has not
6 been operated for four consecutive years, and the rails and rolling
7 stock have been wholly removed therefrom; it shall be treated as
8 abandoned, and all rights of the person or corporation constructing or
9 operating any such railway, over so much as remains unfinished or
10 from which the rails and rolling stock have been wholly removed, may
11 be entered upon and appropriated as provided in the next section. If
12 the railway or any part thereof shall not be used or operated for a
13 period of eight years, or if, its construction having been commenced,
14 work on the same has ceased and has not been in good faith resumed
15 for eight years, the right of way, including the roadbed, shall revert
16 to the owner of the land from which said right of way was taken.

[C., '73, § 1260; C., '97, § 2015.]

SEC. 5001. Condemning abandoned right of way.

1 In case of abandonment, as provided in the preceding section, any
2 other corporation may enter upon such abandoned work, or any part
3 thereof, and acquire the right of way over the same, and the right to
4 any unfinished work or grading found thereon, and the title thereto, by
5 proceeding as near as may be in the manner provided in this chapter;
6 but parties who have previously received compensation in any form for
7 the right of way on the line of such abandoned railway, which has
8 not been refunded by them, shall not be permitted to recover the second
9 time. The value of such roadbed and right of way, excluding the
10 work done thereon, when taken for a new company, shall be assessed
11 for the benefit of the former company or its legal representative.

[C., '73, § 1261; C., '97, § 2016.]

SEC. 5002. Raising or lowering highways for crossings—railroad commission shall adjust disagreements.

1 Any such corporation may raise or lower any turnpike, plank
2 road, or other road, for the purpose of having its railroad cross over
3 or under the same, and, in such cases, such corporation shall put such
4 road, as soon as may be, in as good repair and condition as before
5 such alteration. Wherever a railroad now crosses an established high-
6 way or when a new railroad crosses an established highway, or when
7 it is desired to locate a new highway across an established railroad,
8 or when it is desired, by any citizen of or the board of supervisors of
9 any county or by the township trustees of any township, or by any
10 railroad company operating a railroad in this state, for the safety of
11 the public using such highway, to change, alter, relocate, or vacate an
12 established highway, where same crosses a railroad, and the railroad
13 company and the board of supervisors of the county or township trust-
14 tees of any township in which such highway crossing is located can
15 not agree in respect thereto, the board of railroad commissioners of
16 this state, upon application of either the board of supervisors or town-
17 ship trustees of any township or of twenty-five freeholders of said
18 county, or the railroad company interested, are authorized and em-
19 powered, after hearing upon reasonable notice, to determine the neces-
20 sity for such crossings, location thereof, whether the same shall be at
21 grade or otherwise, the manner in which the same shall be constructed,
22 maintained, or changed, division of expense thereof, and generally to

23 make such orders in respect thereto as are equitable and just, includ-
24 ing the right to require condemnation proceedings to be instituted by
25 the board of supervisors as may be necessary to carry out such order;
26 providing, however, that any portion of such expense that is borne by
27 any city, town, county, state, or other public body, shall forever be
28 considered as held in trust by said railroad company receiving same,
29 and no part of the same shall be considered a part of the value of the
30 properties of said railroad company upon which it is entitled to
31 receive a return.

[R., '60, § 1321; C., '73, § 1262; C., '97, § 2017; S. S., '15,
§ 2017.]

SEC. 5003. Further repairs.

1 If the supervisors, trustees, city council, or other person having
2 jurisdiction over such road, require further or different repairs or
3 alterations made thereon, or if the same, in their opinion, is unsafe,
4 they shall give notice thereof in writing to any agent or officer of the
5 corporation, and, if the parties are unable to agree respecting the
6 same, either may apply by petition, setting out the facts, to the
7 district court or judge thereof, and such court or judge shall cause
8 reasonable notice to be given the adverse party of the application.
9 The petition shall be filed in the clerk's office, and may be answered
10 as in other cases. The court shall determine the matter in a summary
11 way, and make the necessary orders in relation thereto, giving such
12 corporation, if found at fault, a reasonable time to comply therewith,
13 and, upon failure to do so, it may enjoin the corporation from using
14 so much of its road as interferes with any such roads, and may award
15 costs in favor of the prevailing party.

[R., '60, §§ 1322, 1323; C., '73, § 1263; C., '97, § 2018.]

SEC. 5004. Temporary ways.

1 Every such corporation, when employed in raising or lowering any
2 road, or in making any other alteration by means of which the same
3 may be obstructed, shall provide and keep in good order suitable tem-
4 porary ways to enable travelers to avoid or pass such obstructions.

[R., '60, § 1324; C., '73, § 1264; C., '97, § 2019.]

SEC. 5005. Crossing railways, canals.

1 Any such corporation may construct and carry its railway across,
2 over or under any railway, canal or watercourse, when it may be neces-
3 sary in the construction of the same, and in such cases it shall so
4 construct its crossings as not unnecessarily to impede the travel, trans-
5 portation or navigation upon the railway, canal or stream so crossed.
6 Said corporation shall be liable for the damages occasioned to any
7 person injured by reason of said crossing.

[R., '60, § 1325; C., '73, § 1265; C., '97, § 2020.]

SEC. 5006. Bridges—damages.

1 Every such corporation shall maintain and keep in good repair
2 all the bridges, with their abutments, which it may construct for the
3 purpose of enabling its railway to pass over or under any turnpike,
4 road, canal, watercourse or other way, and shall be liable for all dam-

5 ages sustained by any person in consequence of any neglect or viola-
6 tion of the provisions of this chapter.

[R., '60, §§ 1326, 1327; C., '73, §§ 1266, 1267; C., '97, § 2021.]

SEC. 5007. Private crossings.

1 When any person owns land on both sides of any railway, or when
2 the railway runs parallel with the public highway, thereby severing
3 the farm from the public highway, the corporation owning the same
4 shall, when requested to do so, make and keep in good repair a
5 sufficient causeway or other adequate means of crossing the same and
6 one cattle guard on each side thereof connected by cross fences to the
7 right of way fence on each side of the right of way at such reasonable
8 place as may be designated by the owner. If such person desires more
9 than one crossing or desires an overhead or underground crossing over
10 or under said railway, he shall serve or cause to be served a notice in
11 writing upon such railway company setting forth his demand, with a
12 plat of the land showing the place and manner of the desired crossing
13 or crossings. If such railroad company, within thirty days after hav-
14 ing been served with such notice, has failed and refused to construct
15 such crossing or crossings, such person may apply to the board of
16 railroad commissioners of this state, which shall have full authority
17 to determine all questions growing out of such demand, and upon
18 hearing, after due notice, make such order as it may deem just and
19 equitable.

[R., '60, § 1329; C., '73, § 1268; C., '97, § 2022; S., '13,
§ 2022.]

SEC. 5008. Right of way for canal, turnpike, or bridge.

1 When any corporation or person desires to construct a canal, turn-
2 pike, graded, macadamized or plank road, or a bridge, such corpora-
3 tion or person may take such private property as may be necessary for
4 right of way, not exceeding one hundred feet in width, by pursuing the
5 course prescribed in this chapter.

[C., '51, §§ 759-769; R., '60, §§ 1278-1288; C., '73, § 1269; C.,
'97, § 2023.]

SEC. 5009. Damages.

1 When the amount of the damages is finally determined, the sheriff
2 or clerk, as the case may be, shall certify the amount thereof to the
3 governor, who shall, by an order indorsed thereon, direct the payment
4 of the same, and the auditor of state shall issue a warrant on the
5 treasury for the amount, which shall be paid with any money not
6 otherwise appropriated, and when paid to the sheriff or person entitled
7 thereto, the state, through its proper officer or agent, may enter on
8 the premises and construct the desired work.

[C., '73, § 1272; C., '97, § 2025.]

SEC. 5010. Damages to abutting owners.

1 Unless the owners of the land abutting each side of said road
2 shall consent to such use, the railway company shall pay all damages
3 sustained by the landowners caused by building said road, which shall
4 be ascertained and paid in the same manner as is provided for taking
5 private property for works of internal improvement, and it shall also

6 be liable for all damages resulting from the carelessness of its officers,
7 agents or servants in the construction or operation of its railway.

[C., '97, § 2027.]

SEC. 5011. Railway established.

1 Any owner, lessee or possessor of lands having coal, stone, lead
2 or other mineral thereon, who has paid the damages assessed for roads
3 established as hereinbefore provided, may construct, use and maintain
4 a railway thereon, for the purpose of reaching and operating any
5 quarry or mine on such land and of transporting the products thereof
6 to market. In giving the notices required in such cases, the applicant
7 shall state whether a railway is to be constructed and maintained on
8 the way sought to be established, and, if it be so stated, the jury
9 shall consider that fact in the assessment of damages.

[C., '97, § 2031.]

SEC. 5012. Rights of riparian owners.

1 All owners and lessees of lands or lots situated upon the Iowa
2 banks of the Mississippi or Missouri rivers, upon which any business
3 is carried on which is in any way connected with the navigation of
4 either of said rivers, or to which such navigation is a proper or con-
5 venient adjunct, are authorized to construct and maintain, in front
6 of their property, piers, cribs, booms and other proper and convenient
7 erections and devices for the use of their respective pursuits, and the
8 protection and harbor of rafts, logs, floats and other water crafts, in
9 such manner as to create no material or unreasonable obstruction to
10 the navigation of the stream, or to a similar use of adjoining property.

[C., '97, § 2032.]

SEC. 5013. Construction of railroad.

1 No person or corporation shall construct or operate any railroad
2 or other obstruction between such lots or lands and either of said
3 rivers, or upon the shore or margin thereof, unless the injury and
4 damages to owners or lessees occasioned thereby shall be first ascer-
5 tained and compensated in the manner provided in this chapter for
6 taking private property for works of internal improvement.

[C., '97, § 2033.]

TITLE XVI.

COMMON CARRIERS.

CHAPTER 1.

BOARD OF RAILROAD COMMISSIONERS.

SECTION 5014. Election—organization.

1 The board of railroad commissioners shall consist of three persons
2 having the qualifications of electors, who shall be elected in the same
3 manner as other state officers. Immediately after the new member
4 has qualified, the board shall organize by electing one of its members
5 as chairman, and appointing a secretary, who shall take the same oath
6 as the commissioners; but this, or a part of this, may be done at a
7 subsequent meeting. Any person ineligible to the office of commis-
8 sioner shall be ineligible to the office of secretary of the board. The
9 board shall have power to employ such additional clerical help as it
10 may find necessary. No person in the employ of any common carrier,
11 or owning any bonds, stock or property in any railroad company, or
12 who is in any way or manner pecuniarily interested in any railroad
13 corporation, shall be eligible to the office of railroad commissioner, and
14 the entering into the employ of any common carrier, or the acquiring
15 of any stock or other interest in any common carrier by any officer
16 under this chapter, after his election or appointment, shall disqualify
17 him to hold the office and to perform the duties thereof.

[C., '97, § 2111.]

SEC. 5015. Supervision.

1 The board shall have the general supervision of all railroads in
2 the state operated by steam, express companies, car companies, sleep-
3 ing car companies, freight and freight line companies, and any com-
4 mon carrier engaged in the transportation of passengers or freight
5 by railroad, street railroads excepted, and shall investigate any alleged
6 neglect or violation of the laws of the state by any railroad corpora-
7 tion doing business therein, or by the officers, agents or employees
8 thereof.

[C., '97, § 2112.]

SEC. 5016. Powers and duties.

1 It shall from time to time carefully examine into and inspect the
2 condition of each railroad, its equipment, and the manner of its con-
3 duct and management with regard to the public safety and conven-
4 ience in the state; make semiannual examination of its bridges, and
5 report the condition thereof to the company to which they belong; and
6 if found by it unsafe it shall immediately notify the railroad com-
7 pany whose duty it is to put the same in repair, which shall be done
8 by it within ten days after receiving such notice. If any corporation
9 fails to perform this duty the board may forbid and prevent it from

10 running trains over the same while unsafe. And should any railroad
 11 or transportation company in this state fail to provide proper shelter
 12 for its patrons at stations where two or more tracks are operated, or
 13 fail or refuse to connect by proper switches or tracks with the tracks
 14 or lines of other railroad or transportation companies, the board may
 15 require such railroad or transportation company to provide the same
 16 in such manner and upon such conditions as it may determine. When,
 17 in the judgment of the board, any railway corporation fails in any
 18 respect to comply with the terms of its charter or articles of incor-
 19 poration or the laws of the state; or when in its judgment any repairs
 20 are necessary upon its road; or any addition to its rolling stock, or
 21 addition to or change in its stations or station houses, or the equip-
 22 ment thereof for the health and convenience of the public, or change in
 23 its rates of fare for transporting freight or passengers, or change in
 24 the mode of operating its road or conducting its business, is reasonable
 25 and expedient in order to promote the security, convenience, and
 26 accommodation of the public, the board may make an order prescrib-
 27 ing such improvements and changes and shall serve a notice upon such
 28 corporation, in the manner provided for the service of an original
 29 notice in a civil action, which notice shall be signed by its secretary, of
 30 the improvements and changes which it finds to be proper; and a
 31 report of such proceedings shall be included in its annual report to
 32 the governor as provided in the next section; but nothing in this
 33 section shall be so construed as relieving any railroad company from
 34 its present responsibility or liability for damage to person or property.

[C., '97, § 2113; S., '13, § 2113.]

[C., '97, § 2114.]

SEC. 5018. Examinations.

1 The board shall have power, in the discharge of its duties, to
2 examine any of the books, papers or documents of any railway corpo-
3 ration, or to examine, under oath or otherwise, any officer, director,
4 agent or employee thereof; to issue subpoenas,—the cost thereof as

6 certificate of the board,—and to enforce obedience thereto in the per-
7 formance of its duties as courts of law may. Any person who shall
8 wilfully obstruct it or its members in the performance of their duties,
9 or who shall refuse to give any information within his possession that

SEC. 5019. Duty of railroad to transport freight — passenger service.

1 Every railway corporation shall upon reasonable notice, and
2 within a reasonable time, furnish suitable cars to any and all per-
3 sons who may apply therefor, for the transportation of any and all
4 kinds of freight, and receive and transport such freight with all rea-

7 and shall also receive and transport in like manner the empty or
8 loaded cars furnished by any connecting road, to be delivered at any
9 station or stations on the line of its road, to be loaded or discharged or

11 it shall not demand or receive any greater sum than is accepted by it
12 from any other connecting railroad for a similar service. In any suit
13 or action in court brought against a railroad corporation for the pur-
14 pose of enforcing rights arising under the provisions of this section,
15 the burden of proving that the provisions of this section have been

18 railroads of more than twenty-five miles in length within the limits of
19 the state of Iowa shall maintain a service of not less than two pas-

22 railroad commissioners. Passenger service of less than the number of
23 trains provided herein shall be presumed to be unreasonable within
24 the contemplation of section fifty hundred sixteen.

[C., '97, § 2116; S., '13, § 2116.]

SEC. 5020. Examination of rates.

1 The board shall, upon the application of the mayor and council of
2 any city or town, or the trustees of any township, make an examination
3 of the rate of passenger fare or freight tariff charged by any railroad
4 company, and of the condition or operation of any railroad, any part
5 of whose location lies within the limits of such city, town or township;
6 and if twenty-five or more voters in any city, town or township shall,
7 by written petition, request the mayor and council of such city or
8 town, or the trustees of such township, to make the said complaint and
9 application, and they refuse, they shall state the reason therefor in
10 writing upon the petition, and return the same to the petitioners, who
11 may thereupon, within ten days from the date of such refusal and
12 return, present the same to the board of commissioners, who shall, if
13 it thinks the public good demands the examination, proceed to make
14 it in the same manner as if called upon by the mayor and council of
15 any city or town, or the trustees of any township. Before proceeding
16 to make such examination, it shall give to the petitioners and the
17 corporation reasonable notice, in writing, of the time and place of
18 entering upon the same. If, upon such an examination, it shall appear
19 to the board that the complaint is well founded, it shall, within
20 ten days, inform the corporation operating such railroad of its finding,
21 and shall report its doings to the governor.

[C., '97, § 2117.]

SEC. 5021. Cumulative.

1 Nothing in this or chapter four shall be construed to estop or
2 hinder any persons or corporations from bringing action against any
3 railway company for any violation of the laws of the state for the
4 government of railroads.

[C., '97, § 2118.]

SEC. 5022. Orders of commissioners enforced—appeals—penalties, when remitted.

1 The district courts of this state shall have jurisdiction to enforce,
2 by proper decrees, injunctions and orders, the rulings, orders and
3 regulations affecting public rights, made or to be made by the board,
4 such as are now, or may hereafter be, authorized to be made by them
5 for the future direction and observance of railroads in this state.
6 The proceedings therefor shall be by equitable action in the name of
7 the state of Iowa, and shall be instituted by the attorney general,
8 whenever advised by the board that any railway corporation, or per-
9 son operating a line of road in this state, is violating and refusing
10 to comply with any rule, order or regulation made by the board, and
11 applicable to such railroad or person. It shall be the duty of the
12 court in which any such cause shall be pending to require the issue
13 to be made up at the first term of the court to which such cause is
14 brought, which shall be the trial term, and to give the same prece-
15 dence over other civil business. If the court shall find that such rule,
16 regulation or order is reasonable and just, and that in refusing com-
17 pliance therewith said railway company is failing and omitting the
18 performance of any public duty or obligation, the court shall decree
19 a mandatory and perpetual injunction, compelling obedience to and
20 compliance with such rule, order or regulation by said railroad com-
21 pany, or other person, its officers, agents, servants and employees,

22 and may grant such other relief as may be deemed just and proper.
 23 All violations of such decree shall render the company, persons, offi-
 24 cers, agents, servants and employees who are in any manner instru-
 25 mental in such violation, guilty of contempt of court, and the court
 26 may punish such contempt by a fine not exceeding one thousand dol-
 27 lars for each offense, and may imprison the person guilty of contempt
 28 until he shall sufficiently purge himself therefrom. And such decree
 29 shall continue and remain in effect and be enforced until the rule,
 30 order or regulation shall be modified or vacated by the board.

31 All rules, orders and regulations affecting public rights, made
 32 or to be made by the board of railroad commissioners, such as are
 33 now or may hereafter be authorized to be made by them for the future
 34 direction and observance of railroads in this state, shall be in full
 35 force and effect from and after the date fixed by the board for the
 36 taking effect of such rules, order and regulations. If any railroad
 37 fails, neglects or refuses to comply with any rule, order or regulation
 38 made by the board within the time specified, it shall pay a penalty of
 39 fifty dollars for each and every day it fails, neglects or refuses to
 40 obey any rule, order or regulation so made, to be recovered in any
 41 court having jurisdiction.

42 Any railroad aggrieved at any rule, order or regulation made by
 43 the board may institute proceedings in any court of proper jurisdic-
 44 tion to have the rule, order or regulation complained of vacated, if
 45 found by the court, after due trial, not to be reasonable, equitable or
 46 just, and if upon an appeal from any rule, order or regulation of the
 47 board the complaining railroad is successful in having such rule, order
 48 or regulation vacated, the aforesaid penalty shall be set aside; if un-
 49 successful, there shall be taxed as a part of the costs a reasonable
 50 attorney's fee for the attorney appearing in behalf of the state.

51 The time for the taking effect of any rule, order, or regulation
 52 affecting public rights, made by the board of railroad commissioners
 53 as provided herein, may, in its discretion, be extended, and said exten-
 54 sion of time may be granted for the purpose of testing the legality
 55 thereof, upon application by any such aggrieved railroad, showing
 56 reasonable grounds therefor, and that said application is made in good
 57 faith and not for the purpose of delay. When any railroad shall fail
 58 upon appeal to secure a vacation of the order from which it has ap-
 59 pealed, it may apply to the court in which said appeal is finally adjudi-
 60 cated for an order remitting the penalty which has accrued during
 61 the pendency of the appeal, and upon a satisfactory showing that the
 62 order appealed from was unreasonable or unjust, or that the power
 63 of the board to make the same was doubtful and that said appeal has
 64 been prosecuted in good faith and not for the purposes of delay, such
 65 court may remit the penalty that has accrued during the pendency
 66 of the appeal.

[C., '97, § 2119; S., '13, § 2119.]

SEC. 5023. Costs—attorney's fees.

1 When a decree shall be entered against a railroad company or
 2 person under the preceding section, the court shall render judgment
 3 for costs, and attorney's fees for counsel representing the state.

[C., '97, § 2120.]

SEC. 5024. Interstate freight rates—investigation.

1 It is hereby made the duty of the board of railroad commissioners
 2 to exercise constant diligence in informing themselves of the rates,

3 charges, rules, and practices of common carriers engaged in the trans-
4 portation of freight from points in this state to points beyond its
5 limits, and from points in other states to points in this state, also in
6 territory wholly outside this state; and whenever it shall come to the
7 knowledge of the board of railroad commissioners, either from their
8 own investigation or by complaint made to them in any manner what-
9 soever, that the rates charged by any common carrier on interstate
10 business are unjust or unreasonable, or that such rates, rules or prac-
11 tices discriminate unjustly against the citizens, industries or interests
12 of this state, or place any of the citizens, industries or interests of this
13 state at an unreasonable disadvantage as compared with those of
14 other states, or are levied or laid in violation of the act to regulate
15 commerce, or in conflict with the rulings, orders or regulations of the
16 interstate commerce commission, it shall be the duty of the board of
17 railroad commissioners to immediately call the attention of the offi-
18 cials of railroads operating in this state to the fact and to urge upon
19 them the propriety of changing such rate or rates, rules or practices.

[S., '13, § 2120-a.]

SEC. 5025. Appeal to interstate commerce commission—prosecutions.

1 When such rates, rules or practices are not changed or adjusted
2 so as to remove or remedy such discrimination within a reasonable
3 time, it shall be the duty of the board of railroad commissioners, when
4 it can legally be done, to present the facts involved in such discrimina-
5 tion to the interstate commerce commission and appeal to it for relief
6 and thereafter, if deemed necessary, by said board of railroad com-
7 missioners, they shall prosecute any charge or charges growing out
8 of any such discrimination at the expense of the state, before said
9 interstate commerce commission.

[S., '13, § 2120-b.]

4 before the interstate commerce commission.

[S., '13, § 2120-c.]

SEC. 5027. Wires over railroad tracks.

1 The railroad commissioners of this state shall have general super-

3 other wire whatsoever crossing under or over any track of a railroad
4 in this state.

[S., '13, § 2120-d.]

SEC. 5028. Regulations.

1 The railroad commissioners shall make regulations prescribing
2 the manner in which such wires shall cross such railroad tracks in
3 this state.

[S., '13, § 2120-e.]

SEC. 5029. Wires must be strung in manner prescribed.

1 It shall hereafter be unlawful for any corporation or person to
2 place or string any such wire for transmitting electric current or any

3 wire whatsoever across any track of a railroad in this state except in
4 such manner as may be prescribed by the railroad commissioners as
5 provided by the two preceding sections.

[S., '13, § 2120-f.]

SEC. 5030. Examination of wires already strung.

1 The board of railroad commissioners shall, either by personal
2 examination or otherwise, obtain information where the tracks or
3 railroads are crossed by wires strung over said tracks, contrary to
4 or not in compliance with the rules prescribed by the railroad commis-
5 sioners as contemplated by sections fifty hundred twenty-seven to
6 fifty hundred thirty-three, inclusive, and shall order such change or
7 changes to be made by the persons or corporations owning or operat-
8 ing such wires as it may deem necessary to make the same comply
9 with said rules and within such reasonable time as it may prescribe.

[S., '13, § 2120-g.]

SEC. 5031. Minimum height.

1 In case such wires cross over said track, in no case shall said
2 board of railroad commissioners prescribe a less height than twenty-
3 two feet above the top of the rails of any railroad track for any wire.

[S., '13, § 2120-h.]

SEC. 5032. Wires across railroad right of way at highways.

1 The board of railroad commissioners are hereby authorized to
2 provide for and regulate the crossing of wires over and across railroad
3 right of ways at highways and other places within the state.

[S., '13, § 2120-i.]

SEC. 5033. Penalty—enforcement.

1 Any person or corporation who shall string or maintain any wire
2 across any railroad track in this state at a different height or in a
3 different manner from that prescribed by the said board of railroad
4 commissioners shall forfeit and pay to the state of Iowa the sum of
5 one hundred dollars for each separate period of ten days during which
6 such wire is so maintained, said forfeiture to be recovered in a civil
7 action brought in any court of competent jurisdiction in the name of
8 the state of Iowa, by the attorney general, or by the county attorney
9 of the county in which such wire is situated, at the request of the said
10 board of railroad commissioners, and it is hereby made the duty of

1 Upon the occurrence of any serious accident upon any railroad
2 within this state, which shall result in personal injury, or loss of life,
3 the corporation operating the road upon which the accident occurred
4 shall give immediate notice thereof to the board of railroad commis-
5 sioners whose duty it shall be, if they deem it necessary, to investigate
6 the same, and promptly report to the governor the extent of the per-

8 of mismanagement or neglect of the corporation on whose line the

9 injury or loss of life occurred; but such report shall not be evidence
10 or referred to in any case in any court.

[S., '13, § 2120-k.]

SEC. 5035. Uniform gauge—inspection—order.

1 The railroad commissioners of Iowa are charged with the duty
2 to inspect and examine all railroad lines or branches that are of a
3 gauge less than four feet eight and one-half inches in width of track,
4 and if, considering the interest of the public and the railroad traffic
5 tributary to that line or branch road, and the physical or natural
6 difficulties to be encountered and the expense that would be involved
7 or incurred in changing the track to a gauge of four feet eight and
8 one-half inches in width, and making it practical to operate the said
9 line or branch road on that gauge, it appears to be reasonable and
10 just to require the railway company which is the owner to do so, then
11 said commissioners shall enter an order fixing a reasonable time with-
12 in which said railroad track is to be changed to a gauge of four feet
13 eight and one-half inches in width.

[S., '13, § 2120-l.]

SEC. 5036. Uniform gauge—inspection—order.

1 It shall be the duty of the railroad commissioners to examine all
2 the railroads in this state, now in existence, that are less than four

4 ble or in their judgment necessary and reasonable to change the gauge
5 of any such railroad to four feet eight and one-half inches, they shall
6 make their order in writing, fixing such reasonable time within which
7 such gauge shall be changed to that width. In making such order,
8 said commissioners shall take into consideration the amount and prob-
9 able life of the rolling stock of such narrow gauged road, and all other
10 facts bearing on the reasonableness of the time to be allowed to make
11 such change of gauge.

[S., '13, § 2120-m.]

SEC. 5037. Electric current transmission lines — franchise — hearing.

1 Upon petition to the railroad commission of the state of Iowa,
2 said railroad commission may grant to any individual or corporation
3 organized under the laws of Iowa, or corporation authorized to trans-
4 act business in Iowa under the general incorporation laws of the state,
5 engaged in the manufacture, sale, or distribution for sale of electric
6 current for light, power, or heating purposes, the right within the
7 state, except in cities and towns, to erect, use and maintain poles,
8 wires, guy wires, towers, fixtures and other necessary construction
9 for the purpose of conducting electricity for lighting, power and heat-
10 ing purposes over, along and across any public lands, highways or
11 streams or the lands of any person or persons, and to acquire the
12 necessary interests in real estate therefor. The said petition shall
13 set forth the manner, methods and specifications for the construction
14 of said line, together with a general description of the public lands,
15 highways, streams or private lands over which it is desired that said
16 transmission line be constructed, together with a map showing the
17 starting point, route and terminus of said proposed line. Upon the
18 filing of said petition, the commission shall cause publication in the
19 official newspapers of each county into or through which said pro-

20 posed line extends, of a notice addressed to the citizens of said county,
 21 which notice shall contain a statement as to the purpose of the peti-
 22 tion, a description of the lands to be traversed by the transmission
 23 line, and the date and place fixed by the commission for hearing upon
 24 said petition.

25 The date fixed shall be not less than ten days after the last publi-
 26 cation of said notice hereinbefore provided for, and at any time before
 27 final submission to the commission, objections in writing to the pro-
 28 posed line, either as to its establishment or location, may be filed with
 29 the commission and shall be given due consideration. The expense
 30 of said publication shall be paid by the applicant as a condition prece-
 31 dent to said hearing. The commission may personally examine the
 32 proposed route and upon said hearing may grant the application either
 33 as a whole or in part, or upon such conditions as to terms and location
 34 as to the commission may seem right and just. The privilege granted
 35 by the commission shall be and constitute a franchise to operate and
 36 maintain the proposed transmission line, but all rights granted by
 37 said franchise shall be subject to the provisions of this section and
 38 also to such regulations as the legislature may, from time to time,
 39 prescribe, either by direct legislative enactment or by and through the
 40 railroad commission, under the laws of Iowa now or hereafter in
 41 force.

[S., '13, § 2120-n.]

SEC. 5038. Additional rights—how granted.

1 Any person, or corporation organized under the laws of this
 2 state, or corporation authorized to transact business in Iowa under
 3 the general incorporation laws of the state, owning or operating a
 4 transmission line for the conducting of electricity, or who or which
 5 has obtained a right so to do, and desires to acquire additional rights
 6 for the purposes contemplated herein, may petition the railroad com-
 7 mission, as hereinbefore provided, for the original granting of such
 8 right, and the same proceedings shall be taken as hereinbefore pro-
 9 vided; but before the commission shall act upon such petition, the
 10 person or corporation filing same shall, with said petition, file its
 11 consent that the provisions of all laws relating to public utilities or
 12 to the regulation, supervision, or control thereof which are now in
 13 force or which may be hereafter enacted shall apply to its existing
 14 line or lines with the same force and effect as though said line or lines
 15 had been constructed under the permit provided for in the preceding
 16 section.

[S., '13, § 2120-o.]

SEC. 5039. Obtaining franchise deemed acceptance of provisions and regulations.

1 Any transmission line proceeding under the two preceding sec-
 2 tions and obtaining the franchise therein provided shall be conclusively
 3 held to an acceptance of said provisions and of all acts or laws relat-
 4 ing to public utilities or to the regulation, supervision or control
 5 thereof which are now in force or which may be hereafter enacted,
 6 and to have consented to such reasonable regulation as the commis-
 7 sion may, from time to time, prescribe.

[S., '13, § 2120-p.]

SEC. 5040. Eminent domain—extent—procedure.

1 Any person or corporation having secured the franchise provided
 2 for in the preceding sections shall thereupon be vested with the right
 3 of eminent domain to such extent as may be necessary and as pre-
 4 scribed and approved by the commission, not exceeding twenty-five
 5 feet in width, to carry out the purposes of said franchise, and in the
 6 event agreement with the private owner of lands as to damages caused
 7 by the construction of said transmission line can not be made, the
 8 same proceedings shall be taken as provided for taking private prop-
 9 erty for works of internal improvement.

[S., '13, § 2120-q.]

SEC. 5041. Supervision of construction—requirements—danger signals.

1 The railroad commission shall have power of supervision over
 2 the construction of said transmission line and over its future opera-
 3 tion and maintenance, and said transmission line shall be constructed
 4 near and parallel to the right of way of the railways of the state or
 5 along the division lines of the lands, according to the government
 6 survey thereof, wherever the same is practicable and reasonable, and
 7 so as not to interfere with the use by the public of the highways or
 8 streams of the state, nor unnecessarily interfere with the use of any
 9 lands by the occupant thereof, and shall be built of strong and proper
 10 wires attached to strong and sufficient supports properly insulated
 11 at all proper points of attachment; all wires, poles and other devices
 12 which by ordinary wear or other causes are no longer safe shall be
 13 removed and replaced by new wires, poles or other devices, as the
 14 case may be, and all abandoned wires, poles or other devices shall be
 15 at once removed. Where wires carrying current are carried across,
 16 either above or below wires used for other service, the said trans-
 17 mission line shall be constructed in such manner as to eliminate, so
 18 far as practicable, damages to persons or property by reason of said
 19 crossing; there shall also be installed sufficient devices to automati-
 20 cally shut off electric current through said transmission line when-
 21 ever connection is made whereby current is transmitted from the
 22 wires of said transmission line to the ground, and there shall also be
 23 provided a safe and modern improved device for the protection of said
 24 line against lightning. No transmission line shall be constructed, ex-
 25 cept by agreement, within one hundred feet of any dwelling house
 26 or other building, except where said line crosses or passes along a
 27 public highway or is located alongside or parallel with the right of
 28 way of any railway company. At any crossing of any highway by
 29 said transmission line, the poles or towers next to the highway shall
 30 be labeled with the following words: "Danger.....volts
 31 Electricity." The stroke of said letters and numbers shall be at least
 32 four inches in length and not less than five-eighths of an inch in width,
 33 and the color of the letters and numbers shall be in contrast with the
 34 color of the background. The said labels shall show the maximum
 35 number of volts of electricity transmitted over said line, and said label
 36 shall face toward the highway. Where said poles or towers are ex-
 37 tended along said highway and within the limits thereof or imme-
 38 diately adjacent thereto, the sign hereinbefore described shall be
 39 placed at least every quarter of a mile. The commission shall have
 40 full power and authority to add such further and additional rules and

41 regulations as regards location, construction, operation and main-
 42 tenance of said transmission line as may be reasonable.
 [S., '13, § 2120-r.]

SEC. 5042. Injury to person or property—burden of proof.

1 In case of injury to any person or property by any transmission
 2 line operating under the foregoing provisions, negligence will be pre-
 3 sumed on the part of the person or corporation operating said line in
 4 causing said injury, but this presumption may be rebutted by proof,
 5 but no change in the rule of the burden of proof shall exist in favor
 6 of employees of the person or corporation operating said transmission
 7 line who are charged with or engaged in the construction, reconstruc-
 8 tion, repair or maintenance thereof.

[S., '13, § 2120-s.]

SEC. 5043. Access to lines—damages to lands and crops.

1 Individuals or corporations operating transmission lines con-
 2 structed under the foregoing provisions, or operating by acceptance
 3 under said provisions, shall have reasonable access to said transmis-
 4 sion line for the purpose of constructing, reconstructing, enlarging,
 5 repairing or locating the poles, wires or construction and other devices
 6 used in or upon said transmission line, but shall pay to the owner of
 7 such lands and of crops thereon all damages to said lands or crops
 8 caused by entering, using and occupying said lands for said purposes.
 9 Said damages shall be payable annually at the end of each season, and
 10 shall be payable in the county where caused, but nothing herein con-
 11 tained shall be construed to prevent the execution of an agreement
 12 between said operating company and the owner of said land or crops
 13 with reference to the use thereof.

[S., '13, § 2120-t.]

SEC. 5044. Salaries.

1 The board shall keep an office in the capitol at the seat of govern-
 2 ment, and each commissioner shall receive a salary of three thousand
 3 dollars a year, and shall devote his whole time to the duties of his
 4 office.

5 The secretary of the board shall receive a salary of not to exceed
 6 twenty-two hundred dollars a year.

7 and distinct letters placed thereon, to give notice of the proximity of
8 the railway, and warn persons of the necessity of looking out for
9 trains. Any railway company neglecting or refusing to comply with
10 the provisions of this section shall be liable for all damages sustained
11 by reason of such refusal or neglect, and it shall only be necessary,
12 in order to recover, for the injured party to prove such neglect or
13 refusal.

[R., '60, § 1331; C., '73, § 1288; C., '97, § 2054.]

SEC. 5074. Fences required.

1 All railway corporations owning or operating a line of railway
2 within the state shall construct, maintain, and keep in repair a suit-
3 able fence of posts and barb wire, or woven wire, or both combined,
4 or posts and boards, or any other fence which the fence viewers shall
5 determine to be equivalent thereto, on each side of the track thereof,
6 so connected with cattle guards at all public road crossings as to pre-
7 vent cattle, horses, sheep, swine, and other live stock from getting
8 on the railroad tracks. Such tracks shall be fenced within six months
9 after the completion of the same or any part thereof. Such fence,

10 when of barb wire, shall be of five wires; when of barb wire and
 11 woven wire, it shall consist of three barb wires above and woven wire
 12 not less than twenty-four inches wide at the bottom, or it may consist
 13 entirely of woven wire, in which event the woven wire shall be not
 14 less than fifty inches wide; all of the above to be securely fastened to
 15 posts not more than twenty feet apart, the top of such fences to be
 16 not less than fifty-four inches high; or such fences may consist of
 17 five boards, securely nailed to posts set not more than eight feet apart,
 18 and to be not less than fifty-four inches high; but where such fences
 19 are constructed entirely of barb wire, in addition to the above, on the
 20 written request of any person owning land abutting such right of
 21 way who has constructed, and is maintaining around his said land,
 22 or any part thereof, a hog tight fence on all sides thereof except along
 23 such right of way, such railroad corporations shall reinforce such
 24 right of way fence with such additional barb or woven wire as is
 25 necessary to make it hog tight. Fences repaired or rebuilt shall con-
 26 form to the foregoing provisions. Nothing in this or the following
 27 sections shall be construed to compel a railway company operating a
 28 third-class line to fence its roads through the land of any farmer or
 29 other person who by written agreement with such company waives
 30 the fencing thereof.

[C., '97, § 2057; S., '13, § 2057.]

SEC. 5075. Failure to fence—liability for stock killed—speed at depots.

1 Any corporation operating a railway, and failing to fence the

 5 killed or injured by reason of the want of such fence or cattle guards
 6 for the full amount of the damages sustained by the owner on account
 7 thereof, unless it was occasioned by his wilful act or that of his agent;
 8 and to recover the same it shall only be necessary for him to prove
 9 the loss of or injury to his property. If such corporation fails or
 10 neglects to pay such damages within thirty days after notice in writ-
 11 ing that a loss or injury has occurred, accompanied by an affidavit
 12 thereof, served upon any officer or station or ticket agent employed
 13 by said corporation in the county where such loss or injury occurred,
 14 such owner shall be entitled to recover from the corporation double
 15 the amount of damages actually sustained by him. No law of the
 16 state or any local or police regulations of any county, township, city
 17 or town, relating to the restraint of domestic animals, or in relation
 18 to the fences of farmers or landowners, shall be applicable to railway
 19 tracks, unless specifically so stated in such law and regulation. Upon
 20 depot grounds necessarily used by the public and the corporation, the
 21 operating of trains at a greater rate of speed than eight miles an
 22 hour where no fence is built shall be negligence, and shall render such
 23 corporation liable for all damages occasioned thereby, in the same
 24 manner and to the same extent, except as to double damages, as in
 25 cases where the right to fence exists.

[C., '73, § 1289; C., '97, § 2055.]

SEC. 5076. Penalty—killing of stock.

1 If the corporation, officer thereof or lessee owning or engaged in
 2 the operation of any railroad in the state refuses or neglects to com-

3 ply with any provision of this chapter relating to the fencing of the
 4 tracks, such corporation, officer or lessee shall be guilty of a misde-
 5 meanor, and upon conviction fined in a sum not exceeding five hundred
 6 dollars for each offense, and every thirty days' continuance of such
 7 refusal or neglect shall constitute a separate and distinct offense; but
 8 nothing herein contained shall be construed to relieve the corporation
 9 from liability arising from the killing or maiming of live stock on said
 10 track or right of way by its negligence or that of its employees, nor
 11 shall anything in this chapter interfere with the right of open or
 12 private crossings, or with the right of persons to such crossings, nor
 13 in any way limit or qualify the liability of any corporation or person
 14 owning or operating a railway that fails to fence the same against
 15 live stock running at large for any stock injured or killed by reason
 16 of the want of such fence.

[C., '97, § 2058.]

SEC. 5077. Damages by fire.

SEC. 5078. Railway crossings near Mississippi river.

1 When, in the construction of a railway, it becomes necessary to
 2 cross another railway near the shore of the Mississippi river, each
 3 shall be so constructed and maintained at the point of crossing that
 4 the respective roadbeds thereof shall be above high water in such
 5 river, but where the crossing occurs within the limits of cities con-
 6 taining six thousand or more inhabitants, the council thereof may
 7 establish the crossing grade.

[C., '73, § 1290; C., '97, § 2059.]

SEC. 5079. Interlocking switches.

1 When in any case two or more railroads cross each other at a
 2 common grade, or a railroad crosses a stream by swing or draw bridge,
 3 they may be equipped thereat with an interlocking switch system, or
 4 other suitable safety device rendering it safe for engines or trains
 5 to pass thereover without stopping, and if such interlocking switch
 6 system or other safety device shall have been approved by the railroad
 7 commissioners, then the engines and trains of such railroad or rail-
 8 roads may pass over such crossings or bridge without stopping, the
 9 provisions of any other law to the contrary notwithstanding, and the
 10 provisions of the three following sections also are not applicable in
 11 such a case.

[C., '97, § 2060.]

SEC. 5080. Proceedings to establish.

1 In any case where the tracks of two or more railroads cross each
 2 other at a common grade, any company owning one of such tracks
 3 and desiring to unite with others in protecting the crossing with inter-
 4 locking or other safety device, and being unable to agree with such

5 others thereon, may file in the district court of the county in which
6 the crossing is located a petition, stating the facts and asking the court
7 to order such crossing to be protected by interlocking or other safety
8 device. Said petition shall be accompanied by a plat showing the
9 location of all tracks and switches, and upon the filing thereof notice
10 shall be given by the petitioner to every other company or person
11 owning or operating any track involved in such crossing. The court,
12 or a judge thereof if the petition is filed in vacation, shall thereupon
13 appoint a commissioner to examine into the necessity for such system,
14 and report the facts and his recommendation in such time as the court
15 or judge may direct, and, as soon as practicable thereafter, the court
16 or judge shall appoint a time and place for the hearing of such peti-
17 tion. The proceedings shall be in equity, and subject to all the rules
18 of equity practice, except that the court shall require the issues to
19 be made up at the first term after the petition is filed, and give the
20 proceeding precedence over other civil business and try the action
21 thereat, if possible.

[C., '97, § 2061.]

SEC. 5081. Decree.

1 After allowing all parties full opportunity to show cause why
2 such system should or should not be ordered thereat, the court shall,
3 if it is found the plaintiff should prevail, enter its decree ordering the
4 establishment of such system as it may prescribe, the time within
5 which it shall be begun and finished, and the proportion of the expense

1 In case one railway company or interurban railway company de-
2 sires to cross with its tracks those of another railway or interurban
3 railway at grade, and such companies can not agree to the terms
4 thereof, the company desiring to cross shall, upon the application of
5 the company whose track it is desired to cross, in a proceeding insti-
6 tuted as provided in the two preceding sections, be compelled to join
7 in the interlocking of such crossing, and the court therein shall make
8 such orders and decree as may be required to secure public safety
9 and the preservation of the properties of the roads, and prescribe the
10 terms upon which such crossing shall be constructed and maintained
11 after being made. The provisions of this and the two preceding sec-

[C., '97, § 2063; 37 G. A., ch. 353, § 1.]

SEC. 5083. Costs—apportionment.

1 If in any case contemplated in the preceding section the crossing
2 shall be of two such railways only, then the court shall not apportion
3 to either less than one-third of the cost of the construction, main-
4 tenance and operation of such interlocking plant, and, if more than
5 two roads are involved, the court shall not apportion to any one less
6 than two-thirds of an equal share of such cost.

[37 G. A., ch. 353, § 2.]

SEC. 5084. Apportionment of costs.

1 If in any case contemplated in the three preceding sections the
 2 crossings shall be of two railroads only, then the court shall not appor-
 3 tion to either less than one-third of the cost, and if more than two
 4 roads are involved, the court shall not apportion to any one less than
 5 two-thirds of an equal share of such cost.

[C., '97, § 2064.]

 2 be subject to changes or modifications at any subsequent term, on due
 3 cause shown therefor, upon a petition filed in the same proceedings,
 4 setting forth the reasons therefor and arising subsequent to entry of
 5 the decree therein.

[C., '97, § 2065.]

SEC. 5086. Sale or lease of railroad property—joint arrangement.

1 Any railway corporation may sell or lease its property and fran-
 2 chises to, or make joint running arrangements not in conflict with
 3 law with, any corporation owning or operating any connecting rail-
 4 way, and any corporation operating the railway of another shall be
 5 liable in the same manner and extent as though such railway belonged
 6 to it.

[C., '73, § 1300; C., '97, § 2066.]

SEC. 5087. Mortgage of contract or lease.

1 Any contract, lease or benefit derived under the authority given
 2 in the preceding section may be mortgaged for the purpose of securing
 3 construction bonds in the same manner as other property of the cor-
 4 poration.

[C., '73, § 1301; C., '97, § 2067.]

SEC. 5088. Report.

1 When any railway has been completed and opened for use, the
 2 corporation owning, operating or constructing it shall report under
 3 oath to the next general assembly the total cost thereof, specifying
 4 the amount expended for construction, engines, cars, depots and other
 5 buildings, and the amount of all other expenses, together with the
 6 length of the railway, the number of planes with their inclination to
 7 the mile, the greatest curvature, the average width of roadbed, and
 8 the number of ties per mile.

[C., '73, § 1303; C., '97, § 2069.]

SEC. 5089. Rights reserved.

1 All contracts, stipulations and conditions regarding the right of
 2 controlling and regulating the charges for freight and passengers upon
 3 railways, heretofore made in granting land and other property or
 4 voting taxes to aid in the construction of or franchises to railway cor-
 5 porations, are expressly reserved, continued and perpetuated in full
 6 force and effect, to be exercised by the general assembly whenever
 7 the public good or the public necessity requires such exercise thereof.

[C., '73, § 1306; C., '97, § 2070.]

SEC. 5090. Liability for negligence or wrongs of employees—personal injury—contributory negligence.

1 Every corporation operating a railway shall be liable for all dam-
 2 ages sustained by any person, including employees of such corpora-
 3 tion, in consequence of the neglect of the agents, or by any mismanage-
 4 ment of the engineers or other employees thereof, and in consequence
 5 of the wilful wrongs, whether of commission or omission, of such
 6 agents, engineers or other employees, when such wrongs are in any
 7 manner connected with the use and operation of any railway on or
 8 about which they shall be employed, and no contract which restricts
 9 such liability shall be legal or binding. Nor shall any contract of
 10 insurance, relief, benefit, or indemnity in case of injury or death,
 11 entered into prior to the injury, between the person so injured and
 12 such corporation, or any other person or association acting for such
 13 corporation, nor shall the acceptance of any such insurance, relief,
 14 benefit, or indemnity by the person injured, his widow, heirs, or legal
 15 representatives after the injury, from such corporation, person, or
 16 association, constitute any bar or defense to any cause of action
 17 brought under the provisions of this section, but nothing contained
 18 herein shall be construed to prevent or invalidate any settlement for
 19 damages between the parties subsequent to injuries received. In
 20 all actions hereafter brought against any such corporation to recover
 21 damages for the personal injury or death of any employee under or
 22 by virtue of any of the provisions of this section, the fact that the
 23 employee may have been guilty of contributory negligence shall not
 24 bar a recovery, but the damages shall be diminished by the jury in
 25 proportion to the amount of negligence attributable to such employee;
 26 provided that no such employee who may be injured or killed shall
 27 be held to have been guilty of contributory negligence in any case
 28 where the violation by such common carrier or corporation of any
 29 statute enacted for the safety of employees contributed to the injury
 30 or death of such employee; nor shall it be any defense to such action
 31 that the employee who was injured or killed assumed the risks of his
 32 employment.

[C., '73, § 1307; C., '97, § 2071; S., '13, § 2071.]

SEC. 5091. Signals at road crossings.

 4 after the sounding of the whistle the bell shall be rung continuously
 5 until the crossing is passed; but at street crossings within the limits
 6 of cities or towns the sounding of the whistle may be omitted, unless
 7 required by ordinance or resolution of the council thereof; and the

1 All trains run upon any railroad in this state which intersects or
 2 crosses any other railroad upon the same level shall be brought to a
 3 full stop at a distance of not less than two hundred nor more than
 4 eight hundred feet from the point of intersection or crossing, before

5 such intersection or crossing is passed, except as otherwise provided
 6 in this chapter. Any engineer violating the provisions of this section
 7 shall forfeit one hundred dollars for each offense, to be recovered in
 8 an action in the name of the state for the benefit of the school fund,
 9 and the corporation on whose road such offense is committed shall
 10 forfeit the sum of two hundred dollars for each offense, to be recov-

[C., '97, § 2073.]

SEC. 5093. Contract or rule limiting liability.

1 No contract, receipt, rule or regulation shall exempt any railway
 2 corporation engaged in transporting persons or property from the
 3 liability of a common carrier, or carrier of passengers, which would
 4 exist had no contract, receipt, rule or regulation been made or entered
 5 into.

[C., '73, § 1308; C., '97, § 2074.]

SEC. 5094. Action against joint carriers.

1 In all cases where a railway company bills property to a point
 2 beyond the terminus of its own railway and provides by contract that
 3 it shall not be liable for the destruction of or damage to such property
 4 beyond the terminus of its own railway and the said property is dam-
 5 aged or destroyed between the place of shipment and place of destina-
 6 tion to which it was billed, the initial carrier and the connecting
 7 carrier or carriers if more than one, over whose line or lines of railway
 8 the property shall have been carried between the place of shipment
 9 and said place of destination, may be joined as defendants in one
 10 action, brought in any county from or into which shipment shall be
 11 made, or suit may be brought in any county through which shipment
 12 shall be made and service of original notice may be made on any of
 13 said carriers in any county of the state, where the carrier to be served
 14 has a station agent, by serving such notice on such station agent.

[S., '13, § 2074-a.]

SEC. 5095. Liability of joint carriers.

1 On proof being made by the owner of the property shipped, that
 2 the same has been destroyed or damaged in transit between the said
 3 place of shipment and the place of destination, the liability of a com-
 4 mon carrier shall attach to all the defendants and judgment shall be
 5 entered accordingly against them all unless one or more of the de-
 6 fendants shall prove that it was not or they were not liable, in which
 7 case judgment shall go only against the remaining defendant or de-
 8 fendants.

[S., '13, § 2074-b.]

1 Every claim for loss of or damage to property while in the posses-

 4 charge for the service rendered, shall be adjusted and paid within
 5 forty days in case of shipments wholly within this state, and within
 6 ninety days in case of shipments from without the state after the
 7 filing of such claim with the agent or agent's carrier at the point of
 8 origin or of destination of each shipment, but no such claim shall be

9 filed until after the arrival of the shipment or of some part thereof
 10 at the point of destination or until after the lapse of a reasonable
 11 time for the arrival thereof; and if such claim is not filed within sixty
 12 days from the time it accrues, the penalty provided in section fifty
 13 hundred ninety-seven shall not apply.

[S., '13, § 2074-c; 37 G. A., ch. 399, § 1.]

1 Failure to adjust and pay such claim, within the period herein
 2 prescribed shall subject the common carrier, so failing, to the penalty

 4 originally filed; but it shall in no case be less than twenty-five dollars
 5 or more than one hundred dollars for each and every failure, to be
 6 recovered by the party aggrieved, in any court of competent jurisdic-
 7 tion; and said claim shall be filed in proper form, including such in-
 8 formation possessed by the claimant, as will aid in establishing his
 9 claim. The penalty shall not apply unless the claimant shall recover

[S., '13, § 2074-d.]

SEC. 5098. No division of claims.

 5 common carrier upon any of the lines of railway in this state, shall be
 6 and remain liable as a common carrier upon all less than carload ship-

 8 ment and has reasonable time and opportunity to receive same. A
 9 deposit in the United States postoffice or public mailing box of a writ-
 10 ten notice addressed to the consignee at the address given upon the
 11 bill of lading will constitute service of the notice required by this sec-
 12 tion, and forty-eight hours from the date of the mailing of such notice
 13 shall be a reasonable time in which to receive said shipment. The

 6 upon the property of such corporation or copartnership within the

7 county where the judgment was recovered or in which occurred the
 8 injury for which compensation is due, and said lien shall be prior
 9 and superior to the lien of any mortgage or trust deed executed since

 6 ings per mile shall be three thousand dollars or any sum in excess
 7 thereof less than four thousand dollars; class C shall include those
 8 whose gross annual earnings per mile shall be less than three thou-
 9 sand dollars. In determining the classification of any railroad, the
 10 entire railroad property owned or operated by any company shall be
 11 considered as a single railroad, and the aggregate gross earnings of
 12 the entire railroad within the state shall be divided by the entire mile-
 13 age owned or operated within the state, to ascertain the gross earn-

[C., '73, § 1305; C., '97, § 2076; S., '13, § 2076.]

SEC. 5102. Classification by executive council.

1 The executive council shall at its regular meeting on the second

 4 obtained from the annual reports of railways made to the executive
 5 council for assessment and taxation, if it shall be satisfied of the cor-
 6 rectness of same, or from information obtained by said executive
 7 council from any other source, and, when there shall be any change
 8 in classification, shall issue a certificate to any corporation or cor-
 9 porations affected by such change, certifying the class to which they
 10 are respectively assigned; any change of rates by any corporation
 11 pursuant to any change of classification shall take effect and be in

 9 each passenger with ordinary baggage for any distance not exceeding
 10 five miles. A charge of ten cents may be added to the fare of any

 22 exposition, and at least one day after the conclusion of the same, as
 23 follows: Class A, one and one-half cents; class B, two cents; class
 24 C, two and one-half cents, and for children twelve years of age or
 25 under, one-half of the rate above prescribed, all of the aforesaid rates
 26 to apply to each mile traveled; provided, however, that said maximum
 27 rates of charge shall only apply on transportation to such points at
 28 which an annual fair or exposition has been held during one or more
 29 preceding years, and where the attendance during the immediately
 30 preceding year for any week or part thereof was not less than seventy-
 31 five thousand bona fide paid admissions; and it is further provided
 32 that upon application being made by any interested party, the state
 33 board of railroad commissioners shall, after full hearing, determine
 34 whether or not any given fair or exposition comes within the pro-
 35 visions of this statute, and in case such commission shall find that
 36 any given fair or exposition comes within said provisions, then, and
 37 in that case, the said commission shall prescribe the time and place
 38 at which the carriers shall perform the services for the rates of charge,
 39 as hereinbefore stated; and said commission shall by order designate
 40 what reasonable notice shall be given by said railway companies to

 2 operated by them to install a telephone in each passenger or freight
 3 depot in any city or town where a telephone exchange is maintained
 4 for public service, said telephone to be connected with and for the use
 5 of the patrons of said exchange; and it shall be the further duty of
 6 all railway companies on all lines operated by them to keep posted in
 7 the waiting room of each passenger station a bulletin plainly showing
 8 the time of arrival and departure at such station of all trains carrying
 9 passengers, and at all stations where a telegraph or telephone operator
 10 is maintained, such bulletin shall indicate whether said trains are late
 11 or on time, and if late, the approximate number of minutes late. If

 [C., '97, § 2081.]

SEC. 5109. Power brake on cars.

1 No corporation, company or person operating a line of railroad
 2 in the state shall run any train of cars that shall not have therein a

5 property therein, respectively. The right to vote taxes within the
6 limits herein provided shall exist after the expiration of ten years
7 from the exercise to the limit of the right herein granted. Nothing

9 named to steam railroads and also five per centum within such period
10 to interurban railways.

[C., '97, § 2086; S., '13, § 2086.]

5 such township or council of such town or city voting the same, or a
6 majority thereof, shall have certified to the county treasurer that the
7 conditions required of the railway company and set forth in the notice
8 for the special election have been complied with, which certificate said
9 township trustees or council of such town or city shall make when
10 conditions have been sufficiently complied with to entitle the railway
11 company thereto, or when the conditions are fully complied with on
12 the part of the railway company; but if the costs and expenses of
13 holding the election and of recording the certificates have not been

6 each certificate issued. Said certificates shall be assignable, and, when
7 presented by any person holding the legal title thereto to the presi-

15 of shares of stock, then the holder thereof shall be entitled to receive
16 the full number of shares of stock covered by said certificates, and
17 may make up in money the balance of any share when the certificates
18 held by him are not equal to one full share of such stock, which stock
19 for such purpose shall be estimated at par. When it shall be proposed
20 in the petition and notice calling an election to issue first mortgage

24 and one-half inch gauge in lieu of stock, it shall be lawful to issue
25 bonds of the denomination of one hundred dollars in the same manner
26 as is provided for the issue of stock, and in such case the petition and
27 notice shall state the amount of bonds per mile to be issued, the rate
28 of interest, and the time of payment of the interest and principal
29 thereof; but the provisions of this section shall not be applicable to

30 taxes that are voted and paid in aid of the construction of railroads
31 that are interurban in character.

5 dollars per mile for a railroad of three feet gauge, or exceeding the
6 sum of eighteen thousand five hundred dollars per mile for the ordi-

8 case any debt for ordinary operating expenses, shall be liable to the
9 stockholders or either of them for double the amount, estimated at its
10 par value, of the stock by him held, if the same should be rendered
11 of less value or lost thereby.

[C., '97, § 2089.]

SEC. 5127. Forfeiture of tax.

1 Should the taxes voted in aid of any railroad under the provisions
2 of this chapter remain in the county treasury for more than one year
3 after the same have been collected, the right to them by the railroad
4 company shall be forfeited, and the persons who paid the same en-
5 titled to receive back from the county treasurer their pro rata shares
6 thereof remaining, and in all cases where any taxes have been voted
7 or levied upon the real or personal property in any township, town
8 or city to aid in the construction of any railroad, and the road in aid
9 of which they were voted or levied has not been built, completed or
10 operated into or through such township, town or city, it shall be the
11 duty of the board of supervisors of the county where said taxes have
12 been voted and levied and still remain on the tax books to give the
13 railway company in aid of which the tax was voted at least thirty
14 days' notice in writing, to be served like original notices, of their in-
15 tention to cancel such taxes, and thereupon to cause the same to be
16 canceled and stricken from the tax books of the county, which can-
17 cellation shall remove all liens created by the levy thereof. In all
18 cases where the railway company to whom taxes have been voted
19 neglects or refuses to receive such taxes, or to require or permit the
20 same to be collected and certificates therefor to be issued, for the
21 period of one year after they become due and collectible, and in all
22 cases where taxes have been voted in aid of any railroad, and the
23 conditions upon which the same were voted have not in fact been
24 complied with, and the time in which said conditions were to be ful-
25 filled has expired, the same shall be forfeited, and the county officers
26 of the county in which they have been levied and entered upon the
27 tax books shall enter cancellation thereof upon the proper records;
28 and in all cases where any taxes to aid in the construction of any rail-
29 road may be voted upon the inducement or promise offered on the part
30 of said railroad company, or any duly authorized agent thereof, for
31 any rebates or exemptions from said tax or any part thereof, or any
32 agreed price to be paid for the stock that may be issued in lieu of said
33 tax, or a division of said tax, or any portion or percentage thereof,
34 with any of the voters or taxpayers as an inducement to procure said

[C., '97, § 2090.]

SEC. 5128. Taxes paid in labor or supplies.

1 Nothing contained in this chapter shall preclude any taxpayer

 4 railroad, or in material for its construction, or supplies furnished or
 5 money paid for the construction thereof, in pursuance of the terms
 6 and conditions stipulated in the notices of election, in lieu of a pay-
 7 ment to the county treasurer. Upon presenting to the county treas-
 8 urer a receipt from such railroad company or its duly authorized
 9 agent, specifying the amount of such payment, the same shall be cred-
 10 ited by the treasurer on his tax, with the same effect as though paid
 11 to him in money, and when such receipts have been presented and
 12 credited they shall have the same validity in his settlement with the
 13 board of supervisors as the orders from the railroad company pro-
 14 vided for in this chapter. Laborers shall have a lien upon any tax
 15 voted in aid of a railroad company for the amount due them for labor
 16 performed in the construction of said railroad.

45 tax next following, levy such taxes as are voted under the provisions
46 hereof as shown by said certificate, and cause the same to be placed
47 on the tax lists of the proper township, town or city, indicating in their

51 The taxes shall be collected at the time or times specified in the order
52 and in the same manner and subject to the same laws after they are
53 collectible as other taxes, or as may be stated in the petition and notice

SEC. 5179. Schedules of rates and fares.

1 Every common carrier subject to the provisions of this chapter
 2 shall print and keep for public inspection schedules showing the rates,
 3 fares and charges for the transportation of passengers and property
 4 which it has established, and which are in force at the time upon its
 5 railroad. The schedules shall plainly state the places upon its roads
 6 between which property and passengers will be carried, and shall con-
 7 tain the classification of freight in force upon such road, stating sep-
 8 arately any terminal charges, and any rules and regulations which in
 9 anywise change, affect or determine any part of the aggregate of such
 10 rates, fares and charges. Such schedules shall be plainly printed in
 11 large type, of at least the size of ordinary pica, and a copy for the use
 12 of the public shall be kept in every freight office and passenger station
 13 on such road, where it can be conveniently inspected; and it shall keep
 14 a printed notice posted in every such freight office and passenger sta-
 15 tion indicating where therein the same can be found. No advance
 16 shall be made in the rates, fares and charges which have been estab-
 17 lished and published as aforesaid by any common carrier except after
 18 ten days' public notice, which shall plainly state the changes proposed
 19 to be made in the schedules then in force, and the time when the
 20 increased rates, fares or charges will go into effect; which proposed
 21 changes shall be shown by printing new schedules, or shall be plainly
 22 indicated upon the schedules in force at the time and kept for public
 23 inspection. Reduction in such published rates, fares or charges may

24 be made without previous public notice, but, when made, notice thereof
25 shall be immediately and publicly posted, and such changes made pub-
26 lic by printing new schedules, or be plainly indicated upon the sched-
27 ules at the time in force and kept for public inspection. When any
28 such common carrier shall have established and published its rates,
29 fares and charges, it shall not charge, demand, collect or receive from
30 any person or persons a greater or less compensation for the transpor-
31 tation of passengers or property, or for any services in connection
32 therewith, than is specified in such published schedule of rates, fares
33 and charges as may at the time be in force. Every common carrier
34 subject to the provisions of this chapter shall file with the board of
35 railroad commissioners copies of its schedules of rates, fares and
36 charges established and published, and shall promptly notify said
37 board of all changes made in the same. Every such common carrier
38 shall also file with the board copies of all contracts, agreements or
39 arrangements with other common carriers in relation to any traffic
40 affected by the provisions of this chapter to which it may be a party.
41 If passengers and freight pass over continuous lines or routes in this
42 state, operated by more than one common carrier, and the several
43 common carriers operating such lines or routes have established joint
44 tariffs of rates, fares or charges for such continuous lines or routes,
45 copies of such joint tariffs shall also be filed with the board. Such
46 joint rates, fares and charges on such continuous lines shall be made
47 public by such common carriers, when directed by said board, in so far
48 as in its judgment may be practicable, and it shall from time to time
49 prescribe the measures of publicity which shall be given to such rates,
50 fares and charges, or to such part thereof as it may think practicable
51 for such common carriers to publish, and the places in which they
52 shall be published; but no common carrier, party to any such joint
53 tariff, shall be liable for the failure of any other party thereto to
54 observe and adhere to the rates, fares or charges thus made and pub-
55 lished. If any such common carrier shall neglect or refuse to file or
56 publish its schedule or tariffs of rates, fares and charges, or any part
57 of the same, it shall, in addition to other penalties herein prescribed,
58 be subject to a writ of mandamus, to be issued by any district court
59 of this state in the judicial district wherein its principal office is sit-
60 uated, or wherein such offense may be committed. If such common
61 carrier be a foreign corporation, then such writ may be issued by any
62 district court in the judicial district where it accepts traffic and has an
63 agent to perform such service, to compel compliance with the provi-
64 sions of this section—such writ to issue in the name of the state, at
65 the relation or upon the petition of the board of railroad commis-
66 sioners; and the failure to comply with its requirement shall be pun-
67 ishable as for a contempt, and shall make said corporation liable to a
68 penalty of five hundred dollars for each day's failure to comply there-
69 with; and when any such writ of mandamus shall be applied for, no
70 bond shall be required.

[C., '73, § 1304; C., '97, § 2128.]

SEC. 5180. Passenger tickets—redemption—time limit.

1 It shall be the duty of every railroad company, corporation, per-
2 son or persons acting as common carriers of passengers in the state of
3 Iowa, to provide for the redemption, at the place of purchase and at
4 the general passenger agent's office of said carrier, of the whole or any
5 integral part of any passenger ticket or tickets that such carrier may

6 have sold, as the purchaser or owner has not used for passage or
 7 received transportation for which such ticket should have been sur-
 8 rendered; and said carrier shall there redeem the same at a rate which
 9 shall equal the difference between the price paid for the whole ticket
 10 and the cost of a ticket between the points for which said ticket has
 11 been actually used, and no carrier shall limit the time in which redemp-
 12 tion shall be made to less than ten days from date of sale at the place
 13 of purchase and six months from date of sale at general passenger
 14 agent's office.

[S., '13, § 2128-a.]

SEC. 5181. Notice posted as to limitation and transferability.

1 No railroad company, corporation, person or persons doing busi-
 2 ness in the state of Iowa, as common carrier of passengers, whose rate
 3 of fare is regulated by statute of this state, shall sell or issue to any
 4 person, at the maximum rate allowed by law, any ticket or tickets bear-
 5 ing any condition of limitation as to the time of use, or as to transfer-
 6 ability, without first providing for the redemption of said ticket, as
 7 directed by the preceding section hereof, and also having notice of
 8 such provision and privilege of redemption conspicuously posted at
 9 each place where sales of tickets are made by such common carriers
 10 in this state. A failure to provide for the redemption of such ticket or
 11 to give notice as above provided shall make all conditions and limita-
 12 tions as to time of use or transferability of no force or effect.

[S., '13, § 2128-b.]

SEC. 5182. Penalty.

1 Any railroad company, corporation, person or persons, who as
 2 common carriers shall sell or issue tickets as set forth in the preced-
 3 ing sections, and shall refuse or neglect to redeem the same, as by
 4 said sections provided, within ten days of date of demand, shall for-
 5 feit and pay to the owner of such ticket the purchase price of said
 6 ticket, and the further sum of one hundred dollars.

[S., '13, § 2128-c.]

SEC. 5183. Mileage books.

1 Nothing in this chapter shall prohibit the sale of mileage books
 2 or tickets, at less than the maximum rates allowed by law, bearing
 3 reasonable conditions of limitation, as to the right of use for passage.

[S., '13, § 2128-d.]

SEC. 5184. Continuous shipments.

1 It shall be unlawful for any common carrier subject to the pro-
 2 visions of this chapter to enter into any combination, contract or
 3 agreement, expressed or implied, to prevent, by change of time sched-
 4 ules, carriage in different cars, or, by other means or device, the car-
 5 riage of freights from being continuous from place of shipment to the
 6 place of destination in the state; and no break of bulk, stoppage or
 7 interruption made by such common carrier shall prevent the carriage
 8 of freights from being treated as one continuous carriage from the
 9 place of shipment to the place of destination, unless such break, stop-
 10 page or interruption was made in good faith for some necessary pur-

11 pose, and without any intent to avoid or unnecessarily interrupt such
12 continuous carriage, or to evade any of the provisions of this chapter.
[C., '97, § 2129.]

SEC. 5185. Penalty in treble damages.

1 In case any common carrier subject to the provisions of this chap-
2 ter shall do, cause, or permit to be done anything herein prohibited or
3 declared to be unlawful, or shall omit to do anything in this chapter
4 required to be done, it shall be liable to the person or persons injured
5 thereby for three times the amount of damages sustained in conse-
6 quence, together with costs of suit, and a reasonable attorney's fee to
7 be fixed by the court, on appeal or otherwise, which shall be taxed and
8 collected as part of the costs in the case; but in all cases demand in
9 writing shall be made for the money damages sustained before action
10 is brought for a recovery under this section, and no action shall be
11 brought until the expiration of fifteen days after such demand.

[C., '97, § 2130.]

SEC. 5186. Remedy—evidence.

1 Any person claiming to be damaged by any common carrier sub-
2 ject to the provisions of this chapter may either make complaint to
3 the board of railroad commissioners, or may bring action in his own
4 behalf for the recovery of damages for which any such common car-
5 rier may be liable under the provisions hereof; but he shall not have
6 the right to pursue both of said remedies at the same time. In any
7 such action, the court before whom the same shall be pending may
8 compel any director, officer, receiver, trustee or agent of the corpora-
9 tion or company defendant in such suit to attend as a witness and to
10 testify, and may compel the production of the books and papers of
11 such corporation or company; and the claim that any such testimony
12 or evidence may tend to criminate the person giving the same shall not
13 excuse him from testifying or producing said books and papers, but
14 no person shall be prosecuted or subjected to any penalty or forfeiture
15 for and on account of any transaction, matter or thing concerning
16 which he may testify or produce evidence, documentary or otherwise;
17 but no person so testifying shall be exempted from prosecution and
18 punishment for perjury committed in so testifying.

[C., '97, § 2131.]

SEC. 5187. Criminal liability.

1 Except as otherwise specially provided for in this chapter, and
2 unless relieved from the consequences of a violation of the law as
3 provided herein, any common carrier subject to the provisions hereof,
4 or, when such common carrier is a corporation, any director or officer
5 thereof, or any receiver, trustee, lessee, agent or person acting for or
6 employed by such corporation, who, alone or with any other corpora-
7 tion, company, person or party shall wilfully do or cause to be done, or
8 shall wilfully suffer or permit to be done any act, matter or thing in
9 this chapter prohibited or declared to be unlawful, or who shall aid or
10 abet therein, or shall wilfully omit or fail to do any act, matter or
11 thing in this chapter required to be done, or shall cause or willingly
12 suffer or permit any act, matter or thing, so directed or required by
13 the provisions of this chapter to be done, not to be so done, or shall aid
14 or abet any such omission or failure, or shall be guilty of any infrac-

15 tion of the provisions of this chapter, or shall aid or abet therein,
 16 shall be guilty of a misdemeanor, and shall, upon conviction thereof,
 17 be fined not more than five thousand nor less than five hundred dollars
 18 for each offense.

[C., '97, § 2132.]

SEC. 5188. Inquiry by commissioners.

1 The board of railroad commissioners shall inquire into the man-
 2 agement of the business of all common carriers subject to the pro-
 3 visions of this chapter, and keep itself informed as to the manner and
 4 method in which the same is conducted, and have the right to obtain
 5 from them full and complete information necessary to enable the board
 6 to perform its duties and carry out the object for which it was cre-
 7 ated; shall have power to require the attendance and testimony of
 8 witnesses, the production of all books, papers, tariffs, schedules, con-
 9 tracts, agreements and documents relating to any matter under inves-
 10 tigation; and may invoke the aid of any court of this state in requiring
 11 the attendance and testimony of witnesses and the production of
 12 books, papers and documents; and any court within the jurisdiction
 13 of which such inquiry is carried on shall, in case of refusal to obey a
 14 subpoena or other proper process issued to any common carrier or
 15 person subject to the provisions hereof, issue an order requiring such
 16 carrier or person to appear before said board and produce books and
 17 papers, if so ordered, and testify touching, or in relation to, the mat-
 18 ter in question; and a failure to obey such orders of the court shall
 19 be punished as for a contempt thereof. The claim that any such testi-
 20 mony or evidence may tend to criminate the person giving it shall not
 21 excuse him from testifying, but no person shall be prosecuted or sub-
 22 jected to any penalty or forfeiture for and on account of any matter
 23 or thing concerning which he may testify or produce evidence, docu-
 24 mentary or otherwise; provided that no person so testifying shall be
 25 exempted from prosecution and punishment for perjury committed in
 26 so testifying.

[C., '97, § 2133.]

SEC. 5189. Complaint.

1 Any person, firm, corporation or association, or any mercantile,
 2 agricultural or manufacturing society, or any body politic or municipal
 3 organization, complaining of anything done or omitted to be done by
 4 any common carrier subject to the provisions of this chapter in con-
 5 travention thereof, may apply to said board by petition, briefly stating
 6 the facts; whereupon a copy of the complaint with the damages, if any
 7 are claimed, shall be forwarded by the board to such carrier, who shall
 8 be requested to satisfy the complaint, or answer the same in writing
 9 within a reasonable time to be fixed by the board. If such carrier
 10 within the time specified shall make reparation for the injury alleged
 11 to have been done, or shall correct the wrong complained of, it shall be
 12 relieved of liability to the complainant for the particular violation com-
 13 plained of. If it shall not satisfy the complaint within the time fixed,
 14 or there shall appear to be any reasonable ground for investigating
 15 the complaint, the board shall inquire into the matters complained of
 16 in such manner and by such means as it shall think proper. When it
 17 has sufficient reason to believe that any carrier is violating any of the
 18 provisions of this chapter, it shall at once institute an inquiry, as

19 though complaint had been made. No complaint shall at any time be
20 dismissed because of the absence of direct damage to the complainant.
[C., '97, § 2134.]

SEC. 5190. Investigations—report.

1 When an investigation is made by the board after notice, it shall
2 make a report in writing, stating its conclusions, which shall include
3 the findings of fact upon which the conclusions are based, together
4 with its recommendations or orders as to what reparation, if any,
5 shall be made by the carrier to any party who may be found to have
6 been injured; and such finding shall thereafter in all judicial proceed-
7 ings be prima facie evidence of every fact found. All reports of inves-
8 tigation made by the board shall be entered of record, and a copy
9 furnished to the party who complained, and any other person directly
10 interested, and to any carrier that may have been complained of.

[C., '97, § 2135.]

SEC. 5191. Orders.

1 If in any case in which an investigation shall be made by the board
2 it shall be made to appear to the satisfaction of such board, either by
3 the testimony of witnesses or other competent evidence, that any-
4 thing has been done or omitted to be done, in violation of the provi-
5 sions of this chapter, or of any law cognizable by the board, by any
6 common carrier, or that any injury or damage has been sustained by
7 the party complaining, or by other parties, in consequence of any such
8 violation, it shall be the duty of the board forthwith to cause a copy
9 of its report in respect thereto to be delivered to such carrier, together
10 with a notice to it to cease from such violation, or to make reparation
11 for the injury found to have been done, or both, within a reasonable
12 time, to be fixed by the board. And if within the time fixed it shall
13 be made to appear to the board that such carrier has ceased from such
14 violation of law, and has made reparation for the injury found to have
15 been done, in compliance with the report and notice of the board, or
16 to the satisfaction of the party complaining, a statement to that effect
17 shall be entered of record by it, and the carrier shall thereupon be
18 relieved from further liability or penalty for such particular violation
19 of law.

[C., '97, § 2136.]

SEC. 5192. Enforcement of orders.

1 When any common carrier as defined in this chapter shall violate
2 or refuse or neglect to obey any lawful order or requirement of the
3 board, it shall be the duty of the board, and lawful for any company
4 or person interested in such order or requirement, to apply, in a sum-
5 mary way, by petition, to the district or superior court in any county
6 of this state in which the common carrier complained of has its prin-
7 cipal office, or in any county through which its line of road passes or is
8 operated, or in which the violation or disobedience of such order or
9 requirement shall happen, alleging such violation or disobedience, as
10 the case may be; and the said court shall have power to hear and
11 determine the matter, on such short notice to the common carrier com-
12 plained of as the court shall deem reasonable; and such notice may be
13 served on such common carrier, his or its officers, agents or servants,
14 as the court shall direct; and said court shall proceed to hear and

15 determine the matter speedily as a court of equity, and without the
16 formal pleadings and proceedings applicable to ordinary suits in equity,
17 but in such manner as to do justice in the premises; and, to this end,
18 such court shall have power, if it think fit, to direct and prosecute, in
19 such mode and by such persons as it may appoint, all such inquiries as
20 the court may think needful to enable it to form a just judgment in
21 the matter of such petition; and on such hearing the report of the
22 board shall be prima facie evidence of the matter therein, or in any
23 order made by them, stated; and if it be made to appear to such court
24 on such hearing, or on the report of any such person or persons, that
25 the order or requirement of the board drawn in question has been
26 violated or disobeyed, it shall be lawful for such court to issue a writ
27 of injunction, or other proper process, mandatory or otherwise, to
28 restrain such common carrier from further continuing such violation
29 or disobedience of such order or requirement of the board, and enjoin-
30 ing obedience to the same, and in case of any disobedience of any writ
31 of injunction or other proper process, mandatory or otherwise, it shall
32 be lawful for such court to issue a writ of attachment, or any other
33 process of said court incident or applicable to writs of injunction or
34 other proper process, mandatory or otherwise, against such common
35 carrier, and, if a corporation, against one or more of the directors,
36 officers or agents of the same, or against any owner, lessee, trustee,
37 receiver or other person failing to obey such writ of injunction or
38 other proper process, mandatory or otherwise; and said court may, if
39 it think fit, make an order directing such common carrier or other
40 person so disobeying such writ of injunction or other proper process,
41 mandatory or otherwise, to pay any sum of money, not exceeding for
42 each carrier or person in default the sum of one thousand dollars for
43 every day, after a day to be named in the order, that such carrier or
44 other person shall fail to obey such injunction or other proper process,
45 mandatory or otherwise; and such moneys shall, upon order of the
46 court, be paid into the treasury of the county in which the action was
47 commenced, and one-half thereof shall be transferred by the county
48 treasurer to the state treasury; and the payment thereof may, without
49 prejudice to any other mode of recovering the same, be enforced by
50 attachment or order, in the nature of a writ of execution, in like man-
51 ner as if the same had been recovered by a final decree in personam in
52 such court, saving to the board and any other party or person inter-
53 ested the right of appeal to the supreme court of the state, under the
54 same regulations now provided by law in relation to appeals to said
55 court as to security for such appeal, except that in no case shall
56 security for such appeal be required when the same is taken by the
57 board; but no appeal to said supreme court shall operate to stay or
58 supersede the order of the court, or the execution of any writ or proc-
59 ess thereon; and such court may in every such matter order the
60 payment of such costs and attorney and counsel fees as shall be deemed
61 reasonable. When any such petition shall be filed or presented, or be
62 prosecuted by the board, or by their direction, it shall be the duty of
63 the attorney general of the state to prosecute the same, and in such
64 prosecution he shall have the right to have the assistance of any
65 county attorney of the county in which any such proceedings are insti-
66 tuted, and it is hereby made the duty of any such county attorney to
67 render such assistance; and the costs and expenses, on the part of the
68 board, of any such prosecution shall be paid out of the appropriations
69 for the expenses of the board.

[C., '97, § 2137.]

SEC. 5193. Commissioners' schedules of rates—effect.

1 The schedules of reasonable maximum rates of charges for the
2 transportation of freight and cars, together with the classification
3 of such freights now in effect, shall remain in force until changed by
4 the board according to law, which, in all actions brought against rail-
5 way corporations, wherein there are involved the charges thereof for
6 the transportation of any freight or cars, or any unjust discrimination
7 in relation thereto, shall be taken as prima facie evidence in all courts
8 that the rates fixed therein are reasonable and just maximum rates of
9 charge for which said schedules have been prepared. The board shall
10 from time to time, and as often as circumstances may require, change
11 and revise such schedules, but the rates fixed shall not be higher than
12 established by law. The board shall give notice of its intention to
13 revise or change such schedules, by publishing a notice thereof in two
14 weekly newspapers published at the seat of government, for two con-
15 secutive weeks, and the last publication of such notice shall be at least
16 ten days before the time fixed for considering the matter, and such
17 notice shall contain, in general terms, a statement of the matters the
18 board proposes to consider, and the date when and the place where the
19 matter will be taken up, and shall be addressed to all persons inter-
20 ested therein. When any schedule is thus revised the board must
21 cause notice thereof to be published for two successive weeks in some
22 public newspaper printed at the seat of government, which shall state
23 the date of the taking effect thereof, and it shall take effect at the
24 time so stated. A printed copy of such revised schedule shall be con-
25 spicuously posted by said common carrier in each freight office and
26 passenger depot upon all lines affected thereby, and, when certified by
27 the board that the same is a true copy prepared by it for the railway
28 company or corporation therein named, and that notice thereof had
29 been published as required by law, shall be received in evidence in all
30 actions as prima facie the schedule of such board.

[C., '97, § 2138.]

SEC. 5194. Complaint of violation of schedule.

1 When any person in his own behalf, or in behalf of a class of
2 persons similarly situated, or a firm, corporation or association, or any
3 mercantile, agricultural or manufacturing society, or any body politic
4 or municipal organization, shall make complaint to the board of rail-
5 road commissioners that the rate charged or published by any railway
6 company, or the maximum rates fixed by the board in the sched-
7 ule of rates made by it, or the maximum rate fixed by law, is unreason-
8 ably high or discriminating, the board shall investigate the matter,
9 and, if the charge appears to be well founded, fix a day for hearing the
10 same, giving the railway company notice of the time and place thereof
11 by mail, directed to any division superintendent, general or assistant
12 superintendent, general manager, president or secretary of such com-
13 pany, which notice shall contain the substance of the complaint, also
14 the person or persons complaining.

[C., '97, § 2139.]

SEC. 5195. Hearing—evidence.

1 Upon the hearing the board shall receive any evidence and listen
2 to any arguments offered or presented by either party relevant to the
3 matter under investigation, and the burden of proof shall not be upon

4 the person or persons making the complaint; but it shall add to the
5 showing made at such hearing whatever information it may then have,
6 or can obtain from any source, including schedules of rates actually
7 charged by any railway company for substantially the same kind of
8 service, in this or any other state. The lowest rates published or
9 charged by any railway company for substantially the same kind of
10 service whether in this or another state, shall, at the instance of the
11 person or persons complaining, be accepted as prima facie evidence of
12 a reasonable rate for the services under investigation; and if the rail-
13 way company complained of is operating a line of railroad beyond the
14 state, or has a traffic arrangement with any such railway company,
15 the same shall be taken into consideration in determining what is a
16 reasonable rate; if it be operating a line of railway beyond the state,
17 the rate charged or established for substantially a similar or greater
18 service by it in another state shall also be considered.

[C., '97, § 2140.]

SEC. 5196. Determination.

1 After such hearing and investigation, the board shall fix and
2 determine the maximum charges to be thereafter made by the rail-
3 road company or common carrier complained of, which charge shall in
4 no event exceed the one now or hereafter fixed by law; and the board
5 shall render their decision in writing, and shall spread the same at
6 length in the record to be kept for that purpose; such decision shall
7 specifically set out the sums or rate which the railroad company or
8 common carrier so complained of may thereafter charge or receive for
9 the service therein named, and including a classification of such
10 freight; and the board shall not be limited in their said decision and
11 the schedule to be contained therein to the specific case or cases com-
12 plained of, but it shall be extended to all such rates between points in
13 this state, and whatever part of the line of railway of such company
14 or common carrier within this state may have been fairly within the
15 scope of such investigation; and any such decisions so made and
16 entered on record of the board, including any such schedules and
17 classifications, shall, when duly authenticated, be received and held in
18 all suits brought against any such railroad corporation or common car-
19 rier, wherein is in any way involved the charges of any such corpo-
20 ration or carrier mentioned in said decisions, in any of the courts of
21 this state, as prima facie evidence that the rates therein fixed are
22 reasonable maximum rates, the same as the schedule made by the
23 board as provided in section fifty-one hundred ninety-three; and the
24 rates and classifications so established, after such hearing and investi-
25 gation, shall, from time to time thereafter, upon complaint duly made,
26 be subject to revision by the board, the same as any other rates and
27 classifications.

[C., '97, § 2141.]

SEC. 5197. Proceedings of commissioners.

1 The board may in all cases conduct its proceedings, when not
2 otherwise prescribed by law, in such manner as will best conduce to
3 the proper dispatch of business and the attainment of justice. A
4 majority of the board shall constitute a quorum for the transaction of
5 business, but no commissioner shall participate in any hearing or pro-
6 ceeding in which he has any pecuniary interest. It may from time to

7 time make or amend such general rules or orders as may be necessary
8 for the preservation of order and the regulation of proceedings before
9 it, including forms of notice and the service thereof, which shall con-
10 form as nearly as may be to those in use in the courts of the state.
11 Any party may appear before it and be heard in person or by attor-
12 ney. Every vote and official action thereof shall be entered of record,
13 and, upon the request of either party or person interested, its pro-
14 ceedings shall be public. It shall have a seal, of which courts shall take
15 judicial notice.

[C., '97, § 2142.]

SEC. 5198. Annual reports from companies.

1 The board shall require annual reports from all common carriers
2 subject to the provisions of this chapter to be made at the same time
3 they make report to the executive council, to cover the same period,
4 and prescribe the manner in which specific answers to all questions
5 upon which it may need information shall be made. Such report shall
6 show in detail the amount of capital stock issued, the amounts paid
7 therefor, and manner of payment; the dividends paid; surplus fund,
8 if any; number of stockholders; the funded and floating debts and the
9 interest paid thereon; the cost and value of the carrier's property,
10 franchises and equipment; the number of locomotive engines and
11 cars used in the state, and the number supplied with automatic safety
12 couplers, and the kind and number of brakes used, and the number of
13 each; the number of employees and the salaries paid each class; the
14 amounts expended for improvements each year, how and where ex-
15 pended and the character of such improvements; the earnings and
16 receipts from each branch of business and from all sources; the operat-
17 ing and other expenses; the balance of profit and loss, and a complete
18 exhibit of the financial operations thereof each year, including an
19 annual balance sheet. Such reports shall also contain such informa-
20 tion in relation to rates or regulations concerning fares or freights, or
21 agreements, arrangements or contracts with other carriers, and other
22 statistics of the road and its transportation, as the board may require;
23 and it may prescribe uniformity and methods of keeping accounts, as
24 near as may be, and fix a time when such regulations shall take effect.
25 The board may also require of any and all common carriers subject
26 to the provisions of this chapter such other reports, and fix the time
27 for filing the same, as in its judgment shall be necessary and reason-
28 able, which reports shall be in such form, and concerning such sub-
29 jects, and be from such sources as it shall direct, except as otherwise
30 provided herein. Any corporation, company or individual owning or
31 operating a railway within the state, neglecting or refusing to make
32 the required reports by the date fixed, or fixed by the board, shall be
33 subject to a penalty of one hundred dollars for each and every day of
34 delay in making the same after the date thus fixed.

[C., '73, §§ 1280-1282; C., '97, § 2143.]

SEC. 5199. Extortion—penalty.

1 If any railway corporation or carrier subject to the provisions of
2 this chapter shall charge, collect, demand or receive more than a fair
3 and reasonable rate of toll or compensation for the transportation of
4 passengers or freight of any description, or for the use and transpor-
5 tation of any railway car upon its track or any of the branches thereof,

6 or upon any railroad within the state which it has the right, license or
7 permission to use, operate or control, or shall make any unjust and
8 unreasonable charge prohibited in this chapter, it shall be deemed
9 guilty of extortion, and be dealt with as hereinafter provided; and if
10 any such railroad corporation or common carrier shall be found guilty
11 of any unjust discrimination as defined in this chapter, it shall, upon
12 conviction thereof, be dealt with as hereinafter provided.

[C., '97, § 2144.]

SEC. 5200. Discrimination—punishment—schedule of switching charges.

1 If any such railway corporation shall charge, collect or receive for
2 the transportation of any passenger or freight of any description
3 upon its railroad, for any distance within the state, a greater amount
4 of toll or compensation than is at the same time charged, collected or
5 received for the transportation in the same direction of any passenger
6 or like quantity of freight of the same class, over a greater distance
7 of the same railway; or if it shall charge, collect or receive at any
8 point upon its road a higher rate of toll or compensation for receiving,
9 handling or delivering freight of the same class and quantity than it
10 shall at the same time charge, collect or receive at any other point
11 upon the same railway; or if it shall charge, collect or receive for the
12 transportation of any passenger or freight of any description over its
13 railway a greater amount as toll or compensation than shall at the
14 same time be charged, collected or received by it for the transportation
15 of any passenger or like quantity of freight of the same class being
16 transported in the same direction over any portion of the same rail-
17 way of equal distance; or if it shall charge, collect or receive from any
18 person a higher or greater amount of toll or compensation than it shall
19 at the same time charge, collect or receive from any other person for
20 receiving, handling or delivering freight of the same class and like
21 quantity at the same point upon its railway; or if it shall charge, col-
22 lect or receive from any person for the transportation of any freight
23 upon its railway a higher or greater rate of toll or compensation than
24 it shall at the same time charge, collect or receive from any other per-
25 son or persons for the transportation of the like quantity of freight of
26 the same class being transported from the same point in the same
27 direction over equal distances of the same railway; or if it shall charge,
28 collect or receive from any person for the use and transportation of
29 any railway car or cars upon its railroad for any distance, a greater
30 amount of toll or compensation than is at the same time charged, col-
31 lected or received from any other person for the use and transporta-
32 tion of any railway car of the same class or number, for a like pur-
33 pose, being transported in the same direction over a greater distance
34 of the same railway; or if it shall charge, collect or receive from any
35 person for the use and transportation of any railway car or cars upon
36 its railway a higher or greater compensation in the aggregate than it
37 shall, at the same time, charge, collect or receive from any other per-
38 son for the use and transportation of any railway car or cars of the
39 same class for a like purpose, being transported from the same original
40 point in the same direction, over an equal distance of the same rail-
41 way; all such discriminating rates, charges, collections or receipts,
42 whether made directly or by means of any rebate, drawback, or other
43 shift or evasion, shall be received as prima facie evidence of the unjust
44 discriminations prohibited by this chapter; and it shall not be a suffi-

45 cient excuse or justification thereof on the part of said railway cor-
 46 poration that the station or point at which it shall charge, collect or
 47 receive less compensation in the aggregate for the transportation of
 48 such passenger or freight, or for the use and transportation of such
 49 railway car the greater distance than for the shorter distance, is a
 50 station or point at which there exists competition with another rail-
 51 way or other transportation line. This section shall not be construed
 52 so as to exclude other evidence tending to show any unjust discrim-
 53 ination in freight or passenger rates. The provisions of this section
 54 shall apply to any railway, the branches thereof, and any road or roads
 55 which any railway corporation has the right, license or permission to
 56 use, operate or control, wholly or in part, within this state; but shall
 57 not be so construed as to prevent railway corporations from issuing
 58 commutation, excursion or thousand-mile tickets, if the same are
 59 issued alike to all applying therefor; nothing in this section shall be
 60 so construed as to prevent railroad companies or the board of rail-
 61 road commissioners from establishing schedules of reasonable charges
 62 applicable to switching services only, and which shall be independent
 63 of any schedule of charges which may be provided for the regular
 64 line haul freight service of common carriers.

[C., '97, § 2145; S., '13, § 2145.]

SEC. 5201. Discrimination as to quantity.

1 No such common carrier shall charge, collect, demand or receive
 2 more for transporting a car of freight than it at the same time
 3 charges, collects, demands or receives per car for several cars of a like
 4 class of freight over the same railway, for the same distance, in the
 5 same direction; nor charge, collect, demand or receive more for trans-
 6 porting a ton of freight than it charges, collects, demands or receives
 7 per ton for several tons of freight under a carload of a like class over
 8 the same railway, for the same distance, in the same direction; nor
 9 charge, collect, demand or receive more for transporting a hundred
 10 pounds of freight than it charges, collects, demands or receives per
 11 hundred for several hundred pounds of freight, under a ton, of a like
 12 class, over the same railway, for the same distance, in the same direc-
 13 tion; and all such discriminating rates, charges, collections or receipts,
 14 whether made directly or by means of any rebate, drawback, or other
 15 shift or evasion, shall be received as prima facie evidence of the unjust
 16 discrimination prohibited by this chapter; but for the protection and
 17 development of any new industry within the state, such railway com-
 18 pany may grant concessions or special rates for any agreed number of
 19 carloads, which rates shall first be approved by the board of commis-
 20 sioners, and a copy thereof filed in its office.

[C., '97, § 2146.]

SEC. 5202. Penalty for discrimination.

1 Any such corporation guilty of extortion, or of making any unjust
 2 discrimination as to passenger or freight rates, or the rates for the
 3 use and transportation of railway cars, or in receiving, handling or
 4 delivering freights, shall, upon conviction thereof, be fined in any sum
 5 not less than one thousand nor more than five thousand dollars for
 6 the first offense, and for each subsequent offense not less than five
 7 thousand nor more than ten thousand dollars,—such fine to be imposed
 8 in a criminal prosecution by indictment; or shall be subject to the lia-

9 bility prescribed in the next succeeding section, to be recovered as
10 therein provided.

[C., '97, § 2147.]

SEC. 5203. Forfeiture.

1 Any such railway corporation guilty of extortion, or of making
2 any unjust discrimination as to passenger or freight rates, or the rates
3 for the use and transportation of railway cars, or in receiving, han-
4 dling or delivering freights, shall forfeit and pay to the state not less
5 than one thousand nor more than five thousand dollars for the first
6 offense, and not less than five thousand nor more than ten thousand
7 dollars for each subsequent offense, to be recovered in a civil action
8 in the name of the state; and the release from liability or penalty
9 provided for in this chapter shall not apply to a criminal prosecution
10 under the last preceding section, or to a civil action under this section.

[C., '97, § 2148.]

SEC. 5204. Suits by commissioners.

1 When the board has reason to believe that any railway corpora-
2 tion or carrier subject to the provisions of this chapter has been
3 guilty of extortion or unjust discrimination, it shall immediately
4 cause actions to be commenced and prosecuted against such railway
5 corporation or carrier, which may be brought in any county of the
6 state through or into which the line of the corporation sued may
7 extend, and it may on behalf of the state employ counsel to assist the
8 attorney general in conducting such actions. No actions thus com-
9 menced shall be dismissed unless they and the attorney general con-
10 sent thereto. The court in its discretion may give preference to such
11 actions over all other business, except criminal cases.

[C., '97, § 2149.]

SEC. 5205. Free transportation or reduced rates.

1 Nothing in this chapter shall apply to the transportation, storage
2 or handling of property free or at reduced rates for the United States,
3 this state, or municipal governments, or for materials to be used by
4 public authorities in constructing or maintaining public highways out-
5 side of the corporate limits of cities and towns, by common carriers,
6 nor for charitable purposes, or to and from fairs and expositions for
7 exhibition thereat, nor for the employees thereof or their families, or
8 private property or goods for the family use of such employees, nor
9 from giving reduced rates to the quartermaster general of Iowa for
10 the transportation of officers or enlisted men of the Iowa national
11 guard, when traveling under the orders of the commander in chief, or
12 to ministers of religion, nor from giving free transportation to their
13 own officers and employees, and their families dependent upon them
14 for support, nor to persons in charge of live stock being shipped, from
15 point of shipment to destination and return, nor to prevent the officers
16 of any railway company from exchanging passes or tickets with other
17 railroad companies for their officers and employees; and nothing in
18 this chapter shall in any way abridge or alter the remedies now exist-
19 ing at common law or by statute, but the provisions thereof are in
20 addition to such remedies.

[C., '97, § 2150; 37 G. A., ch. 390, § 1.]

SEC. 5206. Commissioners transported free.

1 The commissioners and their secretary shall be carried free, while
2 performing their duties, on all railroads and trains in the state, and
3 may take with them experts or other agents, who shall be carried free.
[C., '97, § 2151.]

SEC. 5207. Joint rates.

1 The preceding sections of this chapter shall not be construed to
2 prohibit the making of rates by two or more railway companies for the
3 transportation of property over two or more of their respective lines
4 within the state; and a less charge by each of said companies for its
5 portion of such joint shipment than it charges for a shipment for the
6 same distance wholly over its own line within the state shall not be
7 considered a violation of said chapter, and shall not render such com-
8 pany liable to any of the penalties thereof; but the provisions of this
9 section shall not be construed to permit railway companies establish-
10 ing joint rates to make thereby any unjust discrimination between the
11 different shipping points or stations upon their respective lines
12 between which joint rates are established, and any such unjust dis-
13 crimination shall be punished in the manner and by the penalties pro-
14 vided by this chapter.
[C., '97, § 2152.]

SEC. 5208. Connecting lines.

1 Every owner or consignor of freight to be transported by railway
2 from any point within this state to any other point within this state
3 shall have the right to require that the same shall be transported over
4 two or more connecting lines of railway, to be transferred at the con-
5 necting point or points without change of car or cars if in carload lots,
6 and with or without change of car or cars if in less than carload lots,
7 whenever the distance from the place of shipment to destination, both
8 being within this state, is less over two or more connecting lines of
9 railway than it is over a single line of railway, or where the initial line
10 does not reach the place of destination; and it shall be the duty, upon
11 the request of any such owner or consignor of freight, made to the
12 initial company, of such railway companies whose lines so connect, to
13 transport the freight without change of car or cars if the shipment be
14 in a carload lot or lots, and with change of car or cars if it be in less
15 than carload lots, from the place of shipment to destination, whenever
16 the distance from the place of shipment to destination, both being
17 within this state, is less than the distance over a single line, or when
18 the initial line does not reach the point of destination, for a reasonable
19 joint through rate. This section shall apply to interurban railways
20 and their connection with ordinary steam railways.
[C., '97, § 2153; S., '13, § 2153.]

SEC. 5209. Reasonable through rates—no discrimination.

1 When shipments of freight to be transported between different
2 points within the state are required to be carried by two or more rail-
3 way companies operating connecting lines, such railway companies
4 shall transport the same at reasonable through rates, and shall at all
5 times give the same facilities and accommodations to local or state
6 traffic as they give to interstate traffic over their lines of road.
[C., '97, § 2154.]

SEC. 5210. Schedules of joint rates.

1 The board of railroad commissioners shall make and publish a
2 schedule of joint through railway rates for such traffic and on such
3 routes as in its judgment the fair and reasonable conduct of business
4 requires shall be done by carriage over two or more lines of railway,
5 and will promote the interests of the people of this state. In the making
6 thereof, and in changing, revising or adding to the same, the board
7 shall be governed as nearly as may be by the preceding sections of this
8 chapter, and shall take into consideration, among other things, the
9 rates established for shipments within this state for like distances
10 over single lines, the rates charged by the railway companies operat-
11 ing such connecting lines for joint interstate shipments, and the in-
12 creased cost, if any, of a joint through shipment as compared with a
13 shipment over a single line for like distances. In establishing such
14 rates for shipments in less than carload lots, in cases where at the
15 connecting point or points in the line of shipment the connecting rail-
16 ways have not and are not required to have a common station or stop-
17 ping place for loading or unloading freight, the board shall make such
18 lawful regulations as in its judgment will be fair and just respecting
19 the transportation of such freight from the usual unloading place of
20 one railway to the usual loading place of the other. The joint through
21 rates thus established shall be promulgated by mailing a printed copy
22 thereof to each railway company affected thereby, and shall go into
23 effect within ten days after they are so promulgated; and from and
24 after that time an official printed schedule thereof shall be prima facie
25 evidence, in all the courts of this state, that the rates therein fixed
26 are just and reasonable for the joint transportation of such freight
27 between the points and over the lines described therein. The said
28 board shall deliver a printed copy of said schedule to any person mak-
29 ing application therefor. The share of any railway company of any
30 joint through rate shall not be construed to fix the charge that it may
31 make for transportation for a similar distance over any part of its line
32 for any single rate shipment or the share of any other joint rate. The
33 board, upon such reasonable notice as it may prescribe, may, upon its
34 own motion or upon the application of any person, firm or corporation
35 interested therein, revise, change or add to any joint through rates
36 fixed or promulgated hereunder; and any such revised, changed or
37 added joint rates shall have the same force and effect as the rate or
38 rates originally established. The said board is empowered to author-
39 ize, upon proper hearing, any railway company whose line connects
40 the point of shipment with the point of destination but requires a
41 longer haul than the joint haul over which a joint rate has been estab-
42 lished, to charge the joint rate without affecting the charge upon any
43 other part of its line, except that the charge for a like kind of property
44 must not be greater for a shorter than for a longer distance over its
45 railroad, all of the shorter haul being included within the longer. This
46 section shall apply to interurban railways and their connection with
47 ordinary steam railways.

[C., '97, § 2155; S., '13, § 2155.]

SEC. 5211. Division of joint rates.

1 Before the promulgation of such rates, the board shall notify the
2 railroad companies interested of the schedule of joint rates fixed, and
3 give them a reasonable time thereafter to agree upon a division of the
4 charges provided for therein. If such companies fail to agree upon a

5 division, and to notify the board thereof, it shall, after a hearing of
6 the companies interested, decide the same, taking into consideration
7 the value of terminal facilities and all the circumstances of the haul,
8 and the division so determined by it shall, in all controversies or ac-
9 tions between the railway companies interested, be prima facie evi-
10 dence of a just and reasonable division thereof.

[C., '97, § 2156.]

SEC. 5212. Unreasonable charges—penalty.

1 Every unjust and unreasonable charge for the transportation
2 of freight and cars over two or more railroads in this state is pro-
3 hibited, and every company making such unreasonable and unlawful
4 charges, or otherwise violating the provisions of this chapter, shall
5 be punished as provided in this chapter for the making of unreason-
6 able charges for the transportation of freight and cars over a single
7 line of railroad by a single railway company.

[C., '97, § 2157.]

SEC. 5213. Adequate stockyards required.

1 Any person, firm or corporation operating a railroad within the
2 state of Iowa shall provide at each of its stations where live stock is
3 received for shipment, adequate stockyards, which shall be substan-
4 tially provided with good gates, suitable chutes for loading live stock,
5 suitable sheds for the protection of live stock from the inclemency of
6 the weather, suitable troughs from which live stock may be watered
7 and an ample water supply conveniently located and supplied by pipes
8 from wells or other water supply, the amount of such water supply
9 to be at all times sufficient for all live stock in said yards and also
10 for the wetting down of cars in hot weather.

[37 G. A., ch. 211, § 1.]

SEC. 5214. Duty of railroad commissioners.

1 It shall be the duty of the said board of railroad commissioners
2 to enforce the provisions of the preceding section, and, upon a com-
3 plaint signed by five or more shippers of live stock, it shall be their
4 duty to investigate the stockyards and loading facilities at any such
5 station and determine their adequacy and shall have power to make
6 such order for the improvement of said yards as shall, in their judg-
7 ment, seem necessary.

[37 G. A., ch. 211, § 2.]

SEC. 5215. Transportation of live stock — conditions — return transportation.

1 Common carriers of live stock, in carload lots, upon receiving, in
2 this state, for shipment one or more carloads of horses or mules or
3 two or more carloads of other live stock, shall upon demand of the
4 owner of such animals offered for shipment, issue to such owner, or
5 the actual agent or employee of such owner, without other considera-
6 tion, transportation from the place of receiving such shipment to the
7 place of destination, and return, such transportation to be limited to
8 one person for each shipment, as is above set out. When a single ship-
9 ment aggregates six cars or more, such owner shall be entitled, on de-
10 mand, as is above provided, to transportation for one additional per-
11 son, such additional person to be an actual agent or employee of such

12 owner, and such common carrier shall in like manner and under sim-
 13 ilar conditions issue transportation for one person to destination of
 14 shipment only to the shipper of one carload of cattle, hogs or sheep.
 15 The return transportation herein provided for is to be delivered, upon
 16 demand, at the office of the carrier at the place of destination, upon
 17 proper identification of the person so entitled to same, and shall be
 18 good for transportation if presented within forty-eight hours from
 19 the time of the delivery of such shipment at place of destination.

[S., '13, § 2157-a.]

SEC. 5216. Penalty.

1 Any common carrier violating the above provisions shall forfeit
 2 and pay to the owner of any shipment, as is above provided, three
 3 times the amount of the regular fare expended by such owner for him-
 4 self, or his agent, in going from point of shipment to point of des-
 5 tination, and return, of a shipment of stock as herein provided.

[S., '13, § 2157-b.]

SEC. 5217. Misuse of transportation—trespasser.

1 Any person other than the owner, his agent or employees, as is
 2 described in the two preceding sections, attempting to use, or using,
 3 the transportation therein provided for, shall be considered a tres-
 4 passer upon the trains or premises of such common carrier.

[S., '13, § 2157-c.]

SEC. 5218. Water-closets in cabooses.

1 The cabooses or cars attached to such stock trains, and in
 2 which the holders of such transportation are required to ride when
 3 accompanying such live stock to market, shall be provided with suit-
 4 able water-closets for the use of such persons while in transit.

[S., '13, § 2157-d.]

SEC. 5219. Penalty.

1 Any railroad in this state engaged in the transportation of live
 2 stock, and failing or refusing to comply with the requirements of the
 3 foregoing section, shall be deemed guilty of a misdemeanor, and upon
 4 conviction thereof, shall be fined not less than one hundred dollars
 5 for each day's negligence or refusal to comply therewith; and all
 6 moneys so collected as fines shall be paid into the public school funds
 7 of the state.

[S., '13, § 2157-e.]

SEC. 5220. Free passes—issuance or acceptance—what prohibited.

1 No common carrier of passengers shall, directly or indirectly, is-
 2 sue, furnish or give any free ticket, free pass or free transportation
 3 for the carriage or passage of any person within this state except as
 4 permitted in the next section. Nor shall any common carrier, in the
 5 sale of tickets for transportation at reduced rates, discriminate be-
 6 tween persons purchasing the same, except the persons described in
 7 the next section. Nor shall any person accept or use any free ticket,
 8 free pass or free transportation except the persons described in said
 9 section. The words "free ticket," "free pass," "free transportation,"
 10 as used in this act [32 G. A., ch. 112] shall include any ticket, pass,
 11 contract, permit or transportation issued, furnished or given to any

12 person, by any common carrier of passengers, for carriage or passage,
 13 for any other consideration than money paid in the usual way at the
 14 rate, fare or charge open to all who desire to purchase.

[S., '13, § 2157-f.]

SEC. 5221. Persons entitled to such transportation.

1 The persons to whom free tickets, free passes, free transporta-
 2 tion and discriminating reduced rates may be issued, furnished, or
 3 given are the following, to wit: (a) the officers, agents, employees, at-
 4 torneys, physicians, and surgeons, of such common carriers of pas-
 5 sengers whose chief and principal occupation is to render service to
 6 common carriers of passengers; (b) to the families of the persons in-
 7 cluded in subdivision "a" hereof; (c) the general officers of any such
 8 common carrier; (d) employees on sleeping cars, express cars, and
 9 linemen of telegraph and telephone companies, railway mail service
 10 employees, postoffice inspectors, customs inspectors and immigration
 11 inspectors, newsboys on trains, baggage agents; (e) persons injured in
 12 wrecks and physicians and nurses attending such persons; (f) passen-
 13 gers traveling with the object of providing relief in cases of railroad
 14 accident, general epidemic, pestilence, or other calamitous visitation;
 15 (g) necessary caretakers of live stock, vegetables and fruit, including
 16 return transportation to forwarding station; (h) the officers, agents or
 17 regularly accredited representatives of labor organizations, composed
 18 wholly of employees of railway companies; (i) inmates of homes for the
 19 reform or rescue of the vicious or unfortunate, including those about
 20 to enter and those returning home after discharge, and boards of man-
 21 agers, including officers, and superintendents of such homes; (j) super-
 22 annuated and pensioned employees and members of their families and
 23 widows of employees who die while in the service of such common
 24 carriers; (k) employees crippled and disabled in the service of a com-
 25 mon carrier of passengers; (l) all peace officers, except state agents,
 26 mail carriers and firemen of any city wearing the insignia of their of-
 27 fice within the limits of such city; (m) ministers of religion, traveling
 28 secretaries of Railroad Young Men's Christian Associations, inmates
 29 of hospitals and charitable and eleemosynary institutions, and persons
 30 exclusively engaged in charitable and eleemosynary work; (n) indi-
 31 gent, destitute and homeless persons, while being transported by chari-
 32 table societies or hospitals, and necessary agents, employees in such
 33 transportation; (o) school children to and from public or parochial
 34 schools; (p) the state fish and game warden, and his car and necessary
 35 assistants therewith, when engaged in the performance of official duties.

36 In any prosecution under this section if it is claimed that a free
 37 ticket, free pass or other transportation was wrongfully issued or
 38 given to physicians or surgeons, attorneys, agents, or employees, it
 39 shall be incumbent upon the defendant to prove the character of the
 40 service rendered, or to be rendered. The provisions of this section
 41 shall not be construed to prohibit the interchange of passes for the
 42 persons to whom free tickets, free passes, or free transportation may
 43 be furnished or given under the provisions of this section. Nothing
 44 in this section shall operate to repeal the provisions of section fifty-
 45 two hundred five so far as said section refers to the members of the
 46 national guard, nor shall it operate to repeal section fifty-two hundred
 47 six. Nothing in this section shall be construed to invalidate any exist-
 48 ing contract between a street railway company and a city where a
 49 condition of a franchise grant requires the furnishing of transporta-

50 tion to policemen, firemen, and city officers, while in the performance
51 of official duties.

[S., '13, § 2157-g; 38 G. A., ch. 174, § 1.]

SEC. 5222. Testimony—immunity from prosecution.

1 No person, within the purview of the two preceding sections shall
2 be privileged from testifying in relation to anything herein prohibited,
3 but no person having so testified shall be liable to any prosecution or
4 punishment for any offense concerning which he was required to give
5 his testimony.

[S., '13, § 2157-h.]

SEC. 5223. Penalty.

1 Any common carrier, its officer, agent or representative, violating
2 any of the provisions of the three preceding sections shall be fined in
3 a sum not less than one hundred dollars and not more than ten hun-
4 dred dollars for each offense, or in the discretion of the court shall be

9 such further information as will enable the council to determine
10 whether the person to whom it was issued was within the exception

1 Every person, firm or corporation engaged in operating any rail-
2 road within the state of Iowa over which coal in carload lots shall be
3 transported for hire, shall weigh such coal at point where such ship-
4 ment originates unless covered by weight agreement between con-

7 point en route where track scales are provided. Said person, firm or
8 corporation shall furnish to said shipper a bill of lading showing date
9 and place weighed, also the gross, tare and net weight for each car-

11 actual weight of empty car at loading station, provided track scales

[S., '13, § 2157-m.]

SEC. 5227. At destination upon request—fee.

1 Such coal shall be weighed at destination upon request of con-

1 Any common carrier operating in this state violating any of the
2 provisions of the five preceding sections by neglecting or refusing to
3 weigh cars or to furnish certificates of weights as therein provided
4 shall be guilty of a misdemeanor and shall be, upon conviction thereof,
5 fined in the sum of not more than one hundred twenty-five dollars for
6 each and every violation.

[S., '13, § 2157-q.]

SEC. 5231. Reconsignment without charge.

2 carrier of freight to reconsign, rebill and reship from any place of
3 destination within the state to any other place within the state any
4 property in carload lots, whether accompanied by any person or not,

5 brought to said place of destination over its own or other line and
 6 treat the same in all respects as an original shipment between such
 7 places, provided the charges to first place of destination are paid or
 8 secured to the satisfaction of such company.

[S., '13, § 2157-r.]

SEC. 5232. Movement of cars of live stock—burden of proof.

1 It is hereby made the duty of all common carriers of freight
 2 within this state to move cars of live stock at the highest practicable
 3 speed consistent with reasonable safety, and the reasonable movement
 4 of its general traffic. The burden of proof that cars of live stock are
 5 so moved shall be upon the carrier, and proof that such cars were
 6 moved according to schedule or time-table shall not be prima facie evi-
 7 dence that they were moved at the highest practicable speed consistent
 8 with reasonable safety.

[S., '13, § 2157-s.]

SEC. 5233. Railroad commissioners to prescribe speed.

1 In order to enforce the duty prescribed in the preceding section,
 2 the board of railroad commissioners shall immediately and from time
 3 to time investigate the practice of the common carriers with respect
 4 to the movement of live stock; and if it ascertains at any time that
 5 the common carriers or any of them are not moving cars of live stock
 6 with the proper speed, then upon notice to any such common carrier
 7 or carriers, the said board shall prescribe the speed at which and the
 8 conditions under which cars of live stock shall be moved within this
 9 state by any such carrier or carriers. The order shall specify the
 10 time at which it shall go into effect, which shall be as soon as, in the
 11 judgment of the board, the carrier or carriers affected can, with rea-

 3 cars for a longer period than twenty-eight consecutive hours, unless
 4 delayed by storm or other accidental cause, without unloading for
 5 rest, water and feeding for a period of at least five consecutive hours;
 6 provided that upon the written request of the owner or person in
 7 custody of that particular shipment, which written request shall be
 8 separate and apart from any printed bill of lading, or other railroad
 9 form, the time of confinement may be extended to thirty-six hours.
 10 In estimating such confinement, the time the animals have been con-
 11 fined without such rest on connecting railways from which they are
 12 received shall be computed, it being the intention of this section to

13 prevent their continuous confinement beyond twenty-eight hours, ex-
 14 cept upon the contingencies before stated; and animals unloaded for
 15 rest, water and feeding shall be properly fed, watered and sheltered
 16 during such rest by the owners or persons in custody thereof, or, in
 17 case of their default in so doing, then by the railway company trans-
 18 porting them, at the expense of said owners or persons in custody
 19 thereof, and said company shall have a lien upon such animals for
 20 food, care and custody furnished, and shall not be liable for any de-
 21 tention of such animals authorized by this section. But when such
 22 animals shall be carried in cars in which they shall and do have proper
 23 food, water, space and opportunity for rest, the foregoing provisions
 24 in regard to their being unloaded shall not apply. Any railway com-
 25 pany, owner or custodian of such animals, who shall fail to comply
 26 with the provisions of this section, shall, for each and every such
 27 offense, be liable for and forfeit and pay a penalty of not less than one
 28 hundred nor more than five hundred dollars.

CHAPTER 5.

INTERURBAN RAILWAYS.

SECTION 5236. Definition.

1 . Any railway operated upon the streets of a city or town by elec-
 2 tric or other power than steam, which extends beyond the corporate
 3 limits of such city or town to another city, town or village, or any
 4 railway operated by electric or other power than steam, extending
 5 from one city, town or village to another city, town or village, shall
 6 be known as an interurban railway, and shall be a work of internal
 7 improvement.

[S., '13, § 2033-a.]

SEC. 5237. When deemed a street railway.

1 Any interurban railway shall, within the corporate limits of any
 2 city or town, or of any city acting under a special charter, upon such
 3 streets as it shall use for transporting passengers, mail, baggage, and
 4 such parcels, packages, and freight as it may carry in its passenger
 5 or combination baggage cars only, be deemed a street railway, and be
 6 subject to the laws governing street railways.

[S., '13, § 2033-c.]

SEC. 5238. What statutes apply.

1 The words railway, railway company, railway corporation, rail-
 2 road, railroad company, and railroad corporation, as used in the code
 3 and acts of the general assembly, now in force or hereafter enacted,
 4 are hereby declared to apply to and include all interurban railways,
 5 and all companies or corporations constructing, owning or operating
 6 such interurban street railways, and all provisions of the code and acts
 7 of the general assembly, now in force or hereafter enacted, affecting
 8 railways, railway companies, railway corporations, railroads, railroad
 9 companies and railroad corporations, are hereby declared to affect
 10 and apply in full force and effect to all interurban railways, and to all

11 interurban railway companies or railway corporations constructing,
 12 owning or operating such interurban railways.
 [S., '13, § 2033-b.]

SEC. 5239. Interurban or street railway over highways.

1 Any interurban or street railway may, for the purpose of con-
 2 structing or extending its line, locate, build and operate its road by
 3 any power other than steam, over and along any portion of the public
 4 road, beyond the limits of any city or town, which is one hundred feet
 5 or more wide. It shall as soon as practicable put the road in as good
 6 repair as it was before its use for such railway. Boards of super-
 7 visors are authorized to accept for road purposes conveyances of land
 8 adjoining any such road or part thereof sufficient to increase the same
 9 to the width of one hundred feet; but in any county in which such
 10 company desires to operate its line of railway over a road not less
 11 than sixty feet in width, for a distance not over two miles, beyond the
 12 limits of a city or town, the board of supervisors may grant the right
 13 to it to operate its line over said road, not exceeding two miles, under
 14 such rules and regulations as said board may prescribe, and may also
 15 from time to time make such further reasonable regulations as may
 16 be necessary. Where an interurban railway desires to operate its
 17 lines along or upon a public highway beyond the limits of any city or
 18 town, and in the opinion of the board of supervisors of the county in
 19 which such highway is located, it is impracticable or inexpedient to
 20 increase the width thereof to one hundred feet, such board of super-
 21 visors may permit such interurban railway company to construct and
 22 operate its railway along and upon such highway, under such restric-
 23 tions and regulations as the board may deem advisable; but no such
 24 railway shall construct or operate its line along or upon such highway
 25 until a written statement of consent of two-thirds of the residents
 26 owning property abutting upon such highway shall have been obtained
 27 and filed with the auditor of the county in which the highway is
 28 located; but no such written consent signed by any abutting landowner
 29 shall be construed to waive any claim for damages he may have on
 30 account of the location and construction of such railway upon and
 31 along the highway in front of the premises unless expressly so stated
 32 therein, and no such written consent shall have the effect to deprive
 33 any other abutting landowner of his right to recover damages there-
 34 for. And in all cases the location, construction and operation of such
 35 interurban railway shall be subject to the provisions relating to
 36 eminent domain.

[C., '97, § 2026; S., '13, § 2026.]

SEC. 5240. Powers of cities and towns.

1 Cities and towns and cities acting under special charters shall
 2 have power to authorize or forbid the construction of such railways
 3 upon, or over, or along the streets, alleys and public grounds within
 4 their limits and to prescribe the conditions and regulations under
 5 which said railways shall be constructed and operated within said
 6 limits. But the right to operate as a street railway under section
 7 fifty-two hundred thirty-seven shall not be granted for a period ex-
 8 ceeding twenty-five years. Nothing herein shall impair the obliga-
 9 tion of contracts of such city or town heretofore made. This chapter
 10 shall not in any manner affect sections thirty-eight hundred twenty-

11 four and thirty-eight hundred twenty-five, which shall be applicable
12 to interurban railways.

[S., '13, § 2033-d.]

SEC. 5241. Grade crossings—duties of employees—penalty.

1 Wherever the tracks of an interurban railway cross the tracks
2 of any steam railway at grade the steam railway shall have the right
3 of way and not be compelled to stop its trains and the interurban rail-
4 way company operating said line shall cause its cars to come to a full
5 stop not nearer than ten feet nor farther than fifty feet from such
6 crossing, and before proceeding to cross said steam railway tracks
7 shall cause some person in its employ first to cross said track ahead
8 of said car or cars and ascertain if the way is clear and free from
9 danger for the passage of said interurban cars, and said interurban
10 cars shall not proceed to cross until signaled to do so by such person
11 employed as aforesaid, or said way is clear for such passage over said
12 tracks. Every person in charge of any interurban car or cars, who
13 wilfully fails to comply with the provisions hereof and fails to bring
14 the car or cars which he has in charge to a stop, or causes the same
15 to cross said steam railway tracks before the way is clear, or he is
16 signalled to do so, shall be subject to a fine of not less than one hun-
17 dred dollars nor more than two hundred dollars or imprisonment in
18 the county jail not to exceed twelve months, in the discretion of the
19 court. No steam railway shall obstruct the free passage of the cars
20 of an intersecting interurban railway at such crossing.

[S., '13, § 2033-e.]

**SEC. 5242. Street railways to furnish terminal facilities—com-
pensation—determination by railroad commission.**

1 All persons, firms or corporations now or hereafter owning or
2 operating electric street railways in any city, including cities organ-
3 ized under special charters, or town of this state, are hereby author-
4 ized and required to permit the use for interurban business only but
5 not for local street railway business, of such of their terminals, tracks,
6 poles and wires as are located in the streets, alleys and public places
7 of said cities and towns, and such portions of their tracks, poles and
8 wires as may cross property owned by said street railway companies
9 in such cities and towns, by the passenger and combination baggage
10 cars of interurban railway companies, for the transportation of pas-
11 sengers, mail, express and baggage; and said street railways shall
12 furnish to said interurban railways, electric power for the operation
13 of their cars and the transaction of their said business in said cities
14 and towns, as to said tracks so furnished; but said street railways
15 shall not be required to furnish electric power except during such
16 hours as their street railway cars may be in operation; nor shall they
17 be required to furnish such power where they have not power houses
18 and machinery sufficient therefor; and they shall have the preference
19 in the use of their own tracks and power so that their own cars shall
20 not be delayed in transit; nor shall they be required to furnish car
21 houses or car barns or access thereto. Said interurban railways shall
22 pay a reasonable compensation for the privileges and power that may
23 be furnished them as above mentioned under this section. If an
24 agreement for the use of the facilities so furnished and the compensa-
25 tion for the same can not be made between the interested parties the
26 question as to the amount of such compensation and the conditions

27 under which said facilities shall be furnished, used and operated,
 28 shall be heard and determined by the board of railroad commissioners
 29 of the state, on petition to the said board by either party to the con-
 30 troversy, ten days' notice in writing of such petition being served
 31 upon the opposite party; and any order entered by said board of rail-
 32 road commissioners or court, upon appeal, shall be subject to modi-
 33 fication or review from time to time, upon notice being given as herein
 34 provided.

[S., '13, § 2110-c.]

SEC. 5243. Appeal—commissioner—report—hearing—bonds.

1 Each party to the proceeding shall have the right to appeal to
 2 the district court of the county where the street railway in question
 3 is located from any order made by the board of railroad commis-
 4 sioners under sections fifty-two hundred forty-two to fifty-two hun-
 5 dred forty-five, inclusive, which appeal shall be taken within twenty
 6 days from the date of the order appealed from, and shall be perfected
 7 by serving a notice of appeal upon the other parties to such proceed-
 8 ing and filing the same with the secretary of the board of railroad
 9 commissioners, and by filing within twenty days from the date of
 10 such order, a petition in the said district court, stating the facts and
 11 asking the court to determine the matter in controversy. The board
 12 of railroad commissioners shall, when such notice of appeal is filed
 13 with its secretary, forthwith certify to said district court a transcript
 14 of the papers and proceedings before said board, and its order thereon.
 15 The court, or a judge thereof, if the petition is filed in vacation, shall
 16 thereupon appoint a commissioner to examine into the necessity of
 17 such proceeding, and report the facts and his recommendation in such
 18 time as the court or judge may direct, and as soon as possible there-
 19 after the court or judge shall appoint a time and place for the hear-
 20 ing of such petition. The proceedings shall be in equity and subject
 21 to all the rules of equity practice, except that the court shall require
 22 the issues to be made up at the first term after the petition is filed
 23 and give the proceedings precedence over all other civil business and
 24 try the same thereat if possible. The action shall be triable de novo
 25 upon said appeal, except that the question of compensation for the
 26 tracks, poles, wires, terminals and power to be furnished shall first
 27 be tried to a jury in the same manner and with the same effect as
 28 jury trials in ordinary proceedings, and the jury shall assess, sep-
 29 arately, compensation for power to be furnished, on such basis as the
 30 court shall direct. No such appeal shall suspend the order appealed
 31 from if the interurban railway company on whose behalf said order is
 32 made shall file such bond for the payment of damages and costs as
 33 the district court to which such appeal is taken, or a judge thereof,
 34 may order and require. In all cases payment of the compensation
 35 awarded shall be made or secured to be made as the board of railroad
 36 commissioners or court may order and require before the interurban
 37 company desiring the use of the same shall be entitled thereto.

[S., '13, § 2110-d.]

SEC. 5244. Power furnished outside of city or town.

1 Street railroad companies desiring so to do shall be authorized
 2 to furnish to interurban railway companies, power for the operation
 3 of the cars of interurban railway companies outside of cities and

4 towns, but no street railroad company shall be required to furnish
5 such power.

[S., '13, § 2110-e.]

SEC. 5245. Applicable to interurban railways operating street railways.

1 This shall not apply to those portions of the terminals, tracks,
2 poles and wires of interurban railway companies which are located in
3 the streets, alleys and public places of cities and towns and which are
4 used by such companies for the transaction of a local street railway
5 business; and where an interurban railway company has heretofore
6 built tracks in a city or town used for street railway purposes it may
7 acquire the use of such tracks, poles and wires as may be necessary
8 to complete a terminal loop for the cars operated on such tracks and
9 for the use of its interurban cars only, under the provisions of this
10 chapter.

[S., '13, § 2110-f.]

SEC. 5246. Interurban railways—access to water supply—condemnation—compensation—approval by railroad commission a condition precedent.

1 Any interurban railway corporation owning or operating or con-
2 structing an interurban railway, operated in whole or in part by
3 electric power, shall have the power to acquire by condemnation the
4 right of access to all necessary streams or other sources for the pur-
5 pose of supplying its power house with water, and of making the nec-
6 essary changes and improvements, and to repair or renew the same
7 from time to time, in such streams, or upon the lands from which it is
8 to obtain said water supply, in the same manner as is provided by law
9 for the taking of private property for works of internal improvement.
10 The owners of the lands affected shall be compensated in the award
11 for all damages resulting to their lands on account of the exercise by
12 such interurban railway of any of its rights hereunder, including
13 damages due to change of flow in, or the straightening of a stream.
14 The owner of the land affected shall not be deprived of access to the
15 water nor the use thereof in common with such interurban railway
16 on his own land, and the dwelling house, outhouse, orchard, and gar-
17 den of any such person shall not be overflowed or otherwise injuriously
18 affected by any proceedings under this section. Before any proceed-
19 ings shall be instituted therefor, such interurban railway shall make
20 written application, accompanied by proper drawings and specifica-
21 tions showing the improvements and proposed changes in detail, to
22 the railroad commissioners, who shall give notice to the owners of
23 lands to be affected, and examine into the matter, and report by cer-
24 tificate to the clerk of the district court in the county in which the
25 land affected is situated. If said railroad commissioners find that the
26 rights of the public are in any way affected by such changes or im-
27 provements, they shall give such notice as in their judgment will
28 properly advise the public of said proposed change, the expenses
29 thereof to be paid by the interurban railroad corporation. If the com-
30 missioners find that the exercise by the interurban railway of the
31 power of eminent domain is reasonable and proper in the circum-
32 stances, they shall accompany their report with plans and specifica-
33 tions approved by them and showing in reasonable detail the nature
34 of the changes, improvements and work and the extent thereof neces-

35 sary for the present and prospective uses of such interurban railway;
 36 whereupon the interurban railway shall have power to acquire, by
 37 condemnation, the rights to the water and to do the work and make
 38 the improvements and changes approved by the commissioners, and so
 39 certified by them to the clerk.

[S. S., '15, § 2033-l.]

 5 less than twenty-five dollars, nor more than one hundred dollars for
 6 each offense. Any failure to comply with the provisions of this and
 7 the preceding section, shall be deemed a separate offense.

[37 G. A., ch. 320, § 2.]

 3 for the purpose of acquiring water for their engines, shall apply to
 4 interurban railways in respect to acquiring water supply for power-
 5 house purposes.

[S. S., '15, § 2033-m.]

CHAPTER 6.

INTERURBAN RAILWAYS IN CERTAIN CITIES.

SECTION 5251. Interurban railways entitled to the use of other tracks—relocation—compensation.

1 When any corporation has heretofore, or hereafter shall be au-
 2 thorized by any city of this state having not less than thirty thousand
 3 nor more than thirty-five thousand inhabitants according to the fed-
 4 eral census of A. D. nineteen hundred ten, to construct and operate
 5 an interurban railway upon any of the streets of such city, and shall
 6 desire to extend, construct and operate its said interurban railway
 7 upon other streets of said city upon which railroad track or tracks are
 8 located, and shall be authorized by the city council of said city by
 9 resolution so to do, and such streets are so occupied by railroad tracks
 10 that it is not practicable to construct and operate said interurban rail-
 11 way thereon, the owners, lessees and operators of said railroad tracks
 12 are authorized and required, if practicable, to relocate such of their
 13 tracks on said streets as are necessary to permit of the construction
 14 and operation of said interurban railway, and if it is not practicable
 15 to relocate said railroad tracks, then the owners, lessees and operators
 16 are authorized and required to permit said interurban railway to use
 17 such of their said tracks as are necessary for the operation and carry-
 18 ing on of the business of said interurban railway, and to permit to
 19 be made such alterations in, attachments to and connections with said
 20 railroad tracks and to be installed and maintained such trolley system
 21 or other construction or equipment as will permit the use in common
 22 of said railroad tracks by said interurban railway for railway pur-
 23 poses and by the owners, lessees or other operators thereof for or-
 24 dinary steam railway purposes.

25 Where it is practicable to relocate said railroad tracks, and it is
 26 also practicable to operate said interurban railway over said tracks
 27 without relocating the same, the owners, lessees and operators of such
 28 railroad tracks may elect to grant the use thereof to said interurban
 29 railway and permit to be made such alterations in, attachments to
 30 and connections with the same and to the installation and maintenance
 31 of such trolley system or other construction or equipment as will per-
 32 mit the use in common of said railroad tracks by said interurban rail-
 33 way and the said owners, lessees and operators thereof, and signify
 34 such election in writing, filed in the proceeding before the commence-
 35 ment of the hearing of said proceeding on appeal in the district court
 36 as hereinafter provided, then said tracks may be so used in place of
 37 being relocated.

38 The owner of said interurban railway shall pay just compensa-
 39 tion to the owners, lessees or operators of any railroad tracks for the
 40 relocation or use and alteration of said railroad tracks, and for the
 41 exercise of such other privileges as are granted such interurban rail-
 42 way under the provisions of this chapter.

[S. S., '15, § 2033-g.]

SEC. 5252. Railroad commission—disputes—notice—hearing—procedure—modification of orders.

1 If an agreement can not be made between the said owner of said
 2 interurban railway and the owners, lessees and operators of such rail-
 3 road tracks for the relocation or use of such railroad tracks, or as to
 4 the alterations, attachments and connections that shall be made therein

5 or thereto, or as to the manner of the installation and maintenance
 6 of the trolley system or other construction or equipment such as will
 7 permit such common use of such tracks, or the terms and conditions
 8 of or the compensation to be paid for such relocation or use and the
 9 alterations or attachments to said railroad tracks and the exercise of
 10 such other privileges as are granted to such interurban railway under
 11 the provisions of this chapter, then all said matters shall be heard
 12 and determined by the board of railroad commissioners of the state
 13 of Iowa upon petition to said board by the owner of said interurban
 14 railway or other party to the controversy.

15 Upon filing of said petition said board shall fix a time for the
 16 hearing thereof, and twenty days' notice of the filing of said petition
 17 and of the time fixed for the hearing thereof shall be given by the
 18 petitioner to the opposite parties. Said notice shall be served in the
 19 manner provided by law for the service of notices of the commence-
 20 ment of a civil action in the district court.

21 The commission shall have the power and, upon the demand of
 22 any party appearing in said proceeding, shall appoint a shorthand re-
 23 porter, who shall take the evidence offered or introduced upon the
 24 hearing, and the commission shall have power to require any party
 25 to said hearing to produce books, records, papers or other documents
 26 material to said inquiry, and shall have the power to subpoena and
 27 require the attendance of witnesses.

28 All orders of the commission or revisions or modifications of said
 29 orders shall be subject to revision or modification by the commission
 30 upon application of any party to the original proceeding, made in the
 31 same manner and under the same procedure as is provided for ap-
 32 plications for original orders, provided that there shall be no revisions
 33 or modification of any order for the relocation of railroad tracks or of
 34 compensation, if the total compensation was fixed at one definite sum;
 35 provided, further, that in the event of additional cost of construction
 36 or additional cost of maintenance occasioned by viaducts, track eleva-
 37 tion or depression, crossing gates or other safety appliances or the
 38 installation of more expensive types of track construction, the com-
 39 pensation shall be subject to revision and modification in the manner
 40 and by the method as in this chapter provided.

[S. S., '15, § 2033-h.]

**SEC. 5253. Appeal—how taken—service—record certified—con-
 solidation of appeals—trial.**

1 Any party to said proceeding may appeal to the district court of
 2 the county where said city is located from any order made by the board
 3 of railroad commissioners under this chapter within twenty days from
 4 the date of the order appealed from.

5 Such appeal shall be taken and perfected by the party appealing
 6 by serving a notice in writing upon the other parties to said proceed-
 7 ing, specifying the order or part thereof appealed from, and by filing in
 8 the office of the clerk of the district court of the county to which said
 9 appeal is taken, a petition stating the general nature of the proceed-
 10 ing before said board of railroad commissioners and of the order or
 11 part thereof appealed from, and that an appeal has been taken and
 12 asking the court to determine the matter in controversy.

13 Such notice of appeal shall be served and proof of service thereof
 14 made in the same manner as an original notice in a civil action, and
 15 shall be filed with the secretary of the board of railroad commis-

16 sioners. Service of such notice of appeal may be made upon any at-
17 torney appearing for any party in the proceedings before the board
18 of railroad commissioners with the same force and effect as if served
19 upon such party.

20 Such petition filed in the office of the clerk of the district court to
21 which an appeal is taken shall be entitled in the name of the inter-
22 urban railway company as plaintiff and the other parties to the appeal
23 as defendants.

24 Immediately after twenty days from the date of any order ap-
25 pealed from said board of railroad commissioners shall certify to the
26 clerk of the district court to which an appeal or appeals have been
27 taken, a transcript of the papers and proceedings before said board
28 and its order thereon and all notices of appeal therefrom with proofs
29 of service thereof.

30 All appeals growing out of a single order of said board of rail-
31 road commissioners shall be consolidated and tried together, provided
32 that if the owners, lessees and operators of said railroad tracks have
33 filed their election to permit the use of said tracks by said interurban
34 railway after an appeal has been taken by any party to the proceed-
35 ings as herein provided, each and all of the matters and things heard
36 and determined by the board of railroad commissioners shall, subject
37 to such election, be heard and determined by the district court the
38 same as if each of the parties to said proceeding had appealed from
39 the entire order of said board.

40 The proceedings upon appeal shall be in equity and subject to all
41 of the rules of equity practice, except that the court shall require the
42 issues to be made up at the first term after the petition is filed and
43 give the proceedings precedence over other civil business and try the
44 same thereat, if possible. The action shall be triable de novo upon
45 said appeal; provided, however, that the question of the amount of
46 compensation for the relocation or use of any tracks and for the other
47 privileges granted shall be tried in the same manner and with the
48 same effect as trials upon appeal from assessments for the taking of
49 private property for works of internal improvement.

50 Upon trial to determine the amount of compensation, the court
51 shall first determine the basis, whether as rental or otherwise, upon
52 which compensation shall be paid, and the terms and conditions of
53 such payment, and all questions of the amount of compensation shall,
54 upon such appeal, be tried before the same jury, who shall return a
55 separate verdict fixing the amount of compensation to which each
56 party to the proceedings is entitled, and in the event of appeal to the
57 supreme court, the proceedings tried before a jury shall be heard and
58 determined the same as in a law action.

[S. S., '15, § 2033-i.]

SEC. 5254. Order not suspended by appeal—bond.

1 The appeal shall not suspend any order appealed from, if the
2 interurban railway company in whose behalf any order is made by
3 the board of railroad commissioners shall file in the office of the clerk
4 of the district court of the county to which such appeal is taken, a
5 bond in such amount and upon such conditions as the district court to
6 which such appeal is taken, or a judge thereof, may, upon application
7 of said interurban railway, require.

23 5. No wire or cable carrying more than thirteen thousand volts
24 of electricity shall be erected or maintained across or above any wire
25 or cable carrying less than thirteen thousand volts at point of cross-
26 ing without at all times maintaining approved methods of construc-
27 tion to prevent falling and coming in contact with wires of lesser
28 voltage.

29 6. No guy wire or guy cable attached to any pole or appliance to
30 which is attached any wire or cable used to conduct electricity for
31 light and power shall be erected or maintained without causing such
32 guy wire or guy cable to be kept effectively insulated by approved
33 insulators placed in such wire or cable not less than nine feet, nor
34 more than eleven feet, from each end thereof; provided, however, that
35 the lower insulator shall not be less than eight feet, perpendicularly,
36 from the ground.

37 7. No wire or cable shall be erected or maintained vertically on
38 any wooden pole, without causing such wire or cable to be at all times
39 incased in a casing of wooden material not less than three-quarters
40 of an inch in thickness, or of other insulating material approved by
41 the railroad commission; provided, however, that the provisions of
42 this section shall not apply to any vertical wire which is more than
43 thirteen inches from center line of pole.

44 8. Trolley span wires shall be insulated by not less than two ap-
45 proved insulators between such trolley wire and the pole or other
46 support; such insulators shall be placed not less than two or more
47 than four feet from point of attachment to wire or pole.

48 9. No pole or other structure used for the support of wires shall
49 be erected or maintained at a less distance than six feet from the near-
50 est rail of any steam, electric or other railway track over which freight
51 cars may be operated.

52 10. All poles must be distinctly and permanently marked with
53 owner's name, at a point not less than five nor more than seven feet

54 above the ground. All wooden poles of any lead must be as nearly as
55 practicable uniformly spaced, of uniform height, and not less than
56 forty poles to the mile.

57 11. Wires or cables carrying electric current for light and power
58 must not be erected or maintained on any bracket or knob attached
59 directly to any pole or cross arm.

60 12. No trolley wire authorized by sections fifty-two hundred fifty-
61 one to fifty-two hundred fifty-six, inclusive, shall be erected or main-
62 tained at a less distance than twenty-two feet above any track.

63 13. All devices and materials, insulators, and other methods of
64 insulation of wires shall conform to specifications approved by the
65 railroad commission. No wire shall be stretched within four feet of
66 any building without being attached to and insulated therefrom. No
67 wires shall hang within a less distance than twenty-two feet of the
68 ground at the lowest point of sag. In case of leads crossing each
69 other, each lead must pass above or below the other, and under no
70 circumstances shall any wire of one lead run through the other lead.

71 14. Primary or high potential wire must be provided with ap-
72 proved line cut-outs on all branches, and at all transformers; and
73 mains shall be divided into sections by approved cut-outs located as
74 directed by the railroad commission. All wires and cut-outs on same
75 crossarm must be at least fourteen inches apart, except pole wires,
76 which must be twenty-six inches apart.

[S. S., '15, § 2033-k.]

SEC. 5256. Commission to establish rules—enforcement of orders.

1 In any case where it is found impracticable to comply with the
2 foregoing requirements or when to the satisfaction of the railroad
3 commission it is found that in the advancement of the art or trade,

14 preceding section with reference to such matter.

15 The railroad commission is hereby authorized and empowered to
16 make such other rules and regulations and fix standards of and for

2 are declared to be common carriers, and it shall be the duty of every
3 such express company or common carrier to transport all property,
4 parcels, money, merchandise, packages, and other things of value
5 which may be offered to them for transportation, at a reasonable
6 charge or rate therefor; and all laws so far as applicable, now in
7 force or hereafter enacted, regulating the transportation of property

[C., '97, § 2165; S., '13, § 2165-a.]

SEC. 5258. Supervision by railroad commissioners—schedule of joint rates.

1 The railroad commissioners of this state shall have general su-

3 this state; and shall inquire into any unjust discrimination, neglect
4 or violation of the laws of this state governing common carriers, by
5 any express company doing business therein, or by the officers, agents
6 or employees thereof; and they shall have power, and it shall be their
7 duty, to fix and establish reasonable, fair and just rates of charges
8 including a schedule of maximum joint rates for each kind or class of

10 to be charged for and received by each express company or carriers
11 by express, separately or conjointly, on all such property, money,
12 parcels, merchandise, packages and other things which by the contract
13 of carriage are to be transported separately or conjointly by such
14 express companies, or carriers by express, doing business over the line
15 of any railroad or other carrier between points wholly within the state
16 of Iowa, which rates or charges shall be made to apply to all such
17 express companies or express carriers, and may be changed or modi-

19 become necessary.

[C., '97, § 2166; S., '13, § 2165-b.]

SEC. 5259. Schedule of rates for each company — prima facie evidence.

1 It shall be the duty of said railroad commissioners, and they are
2 hereby directed, to prepare and make for each express company doing
3 business in this state a schedule of reasonable maximum charges of
4 rates for transporting property, money, parcels, merchandise, pack-
5 ages, and other things carried by such express company or companies
6 between points wholly within the state of Iowa; and in all actions
7 brought against such common carriers wherein there are involved the
8 charges thereof for the transportation of any property, or any unjust
9 discrimination in relation thereto, the schedules or reasonable maxi-

11 taken as prima facie evidence in all courts that the rates fixed therein
12 are reasonable and just maximum rates of charges for which said
13 schedules have been prepared.

[C., '97, § 2166; S., '13, § 2165-c.]

SEC. 5260. Printed schedules posted and displayed.

1 It shall be the duty of every such company or common carrier en-

4 with, between the points named in such schedules than the rates and
5 charges which are specified in the schedules made by said railroad
6 commissioners and in effect at the time. Any such express company
7 or common carrier, any officer, representative, or agent or any ex-
8 press company, or carrier, who knowingly violates the provisions of

CHAPTER 8.

UNIFORM BILLS OF LADING.

SECTION 5263. Bills of lading.

1 Bills of lading issued by any common carrier shall be governed
2 by this chapter.

[S., '13, § 3138-b.]

SEC. 5264. Terms to be embodied in bill.

1 Every bill must embody within its written or printed terms—

- 2 1. The date of its issue,
- 3 2. The name of the person from whom the goods have been re-
4 ceived,
- 5 3. The place where the goods have been received,
- 6 4. The place to which the goods are to be transported,
- 7 5. A statement whether the goods received will be delivered to a
8 specified person, or to the order of a specified person,
- 9 6. A description of the goods or of the packages containing them
10 which may, however, be in such general terms as are referred to in
11 section fifty-two hundred eighty-five, and
- 12 7. The signature of the carrier.

13 A negotiable bill shall have the words "order of" printed thereon
14 immediately before the name of the person upon whose order the goods
15 received are deliverable.

16 A carrier shall be liable to any person injured thereby for the
17 damage caused by the omission from a negotiable bill of any of the
18 provisions required in this section.

[S., '13, § 3138-b1.]

SEC. 5265. Certain terms may be inserted.

1 A carrier may insert in a bill, issued by him, any other terms and
2 conditions, provided that such terms and conditions shall not—

- 3 1. Be contrary to law or public policy, or
- 4 2. In any wise impair his obligation to exercise at least that de-
5 gree of care in the transportation and safe-keeping of the goods in-
6 trusted to him which a reasonably careful man would exercise in re-
7 gard to similar goods of his own.

[S., '13, § 3138-b2.]

SEC. 5266. Nonnegotiable or straight bill.

1 A bill in which it is stated that the goods are consigned or des-
2 tined to a specified person, is a nonnegotiable or straight bill.

[S., '13, § 3138-b3.]

SEC. 5267. Negotiable or order bill.

1 A bill in which it is stated that the goods are consigned or des-
2 tined to the order of any person named in such bill, is a negotiable or
3 order bill. Any provision in such a bill that it is nonnegotiable shall
4 not affect its negotiability within the meaning of this chapter.

[S., '13, § 3138-b4.]

SEC. 5268. Negotiable bills not to be issued in parts or sets—liability for violation.

1 Negotiable bills issued in this state for the transportation of
2 goods to any place in the United States on the continent of North
3 America, except Alaska, shall not be issued in parts or sets. If so
4 issued the carrier issuing them shall be liable for failure to deliver
5 the goods described therein to anyone who purchases a part for value
6 in good faith, even though the purchase be after the delivery of the
7 goods by the carrier to a holder of one of the other parts.

[S., '13, § 3138-b5.]

SEC. 5269. Duplicate bills to be so marked—liability for violation.

1 When more than one negotiable bill is issued in this state for the
2 same goods to be transported to any place in the United States on
3 the continent of North America, except Alaska, the word "duplicate"
4 or some other word or words indicating that the document is not an
5 original bill shall be placed plainly upon the face of every such bill,
6 except the one first issued. A carrier shall be liable for the damage
7 caused by his failure so to do to anyone who has purchased the bill
8 for value in good faith as an original, even though the purchase be
9 after the delivery of the goods by the carrier to the holder of the
10 original bill.

[S., '13, § 3138-b6.]

SEC. 5270. Nonnegotiable bill to be so marked.

1 A nonnegotiable bill shall have placed plainly upon its face by
2 the carrier issuing it "nonnegotiable" or "not negotiable." This sec-
3 tion shall not apply, however, to memoranda or acknowledgments of
4 an informal character.

[S., '13, § 3138-b7.]

SEC. 5271. Insertion of name of person to be notified not to limit negotiability.

1 The insertion in a negotiable bill of the name of a person to be
2 notified of the arrival of goods shall not limit the negotiability of the
3 bill, or constitute notice to a purchaser thereof of any rights or equi-
4 ties of such person in the goods.

[S., '13, § 3138-b8.]

SEC. 5272. Waiver of objections to terms—estoppel.

1 Except as otherwise provided in this chapter, where a consignor
2 receives a bill and makes no objection to its terms or conditions at
3 the time he receives it, neither the consignor nor any person who ac-
4 cepts delivery of the goods, nor any person who seeks to enforce any
5 provision of the bill, shall be allowed to deny that he is bound by such
6 terms and conditions, so far as they are not contrary to law or public
7 policy.

[S., '13, § 3138-b9.]

SEC. 5273. Delivery of goods by carrier—refusal—burden of proof.

1 A carrier, in the absence of some lawful excuse, is bound to de-
2 liver goods upon a demand made either by the consignee named in the

3 bill for the goods, or if the bill is negotiable, by the holder thereof,
4 if such demand is accompanied by—

5 1. An offer in good faith to satisfy the carrier's lawful lien upon
6 the goods.

7 2. An offer in good faith to surrender, properly indorsed, the bill
8 which was issued for the goods, if the bill is negotiable, and

9 3. A readiness and willingness to sign, when the goods are de-
10 livered, an acknowledgment that they have been delivered, if such
11 signature is requested by the carrier.

12 In case the carrier refuses or fails to deliver the goods in com-
13 pliance with a demand by the consignee or holder so accompanied, the
14 burden shall be upon the carrier to establish the existence of a lawful
15 excuse for such refusal or failure.

[S., '13, § 3138-b10.]

SEC. 5274. Carrier justified in delivering goods to certain persons, conditionally.

1 A carrier is justified, subject to the provisions of the three fol-
2 lowing sections, in delivering goods to one who is—

3 1. A person lawfully entitled to the possession of the goods, or

4 2. The consignee named in a nonnegotiable bill for the goods, or

5 3. A person in possession of a negotiable bill for the goods by the
6 terms of which the goods are deliverable to his order, or which has
7 been indorsed to him or in blank by the consignee or by the mediate
8 or immediate indorsee of the consignee.

[S., '13, § 3138-b11.]

SEC. 5275. Liability of carrier in certain cases.

1 Where a carrier delivers goods to one who is not lawfully entitled
2 to the possession of them the carrier shall be liable to anyone having
3 a right of property or possession in the goods if he delivered the goods
4 otherwise than as authorized by subdivisions two and three of the
5 preceding section; and, though he delivered the goods as authorized
6 by either of said subdivisions, he shall be so liable if prior to such
7 delivery he—

8 1. Had been requested, by or on behalf of a person having a right
9 of property or possession in the goods, not to make such delivery, or

10 2. Had information at the time of the delivery that it was to a
11 person not lawfully entitled to the possession of the goods.

12 A request or information to be effective within the meaning of
13 this section must be given to an officer or agent of the carrier, the
14 actual or apparent scope of whose duties includes action upon such
15 a request or information, and must be given in time to enable the
16 officer or agent to whom it is given, acting with reasonable diligence,
17 to stop delivery of the goods.

[S., '13, § 3138-b12.]

SEC. 5276. Failure of carrier to cancel negotiable bill—liability.

1 Except as provided in section fifty-two hundred eighty-nine, and
2 except when compelled by legal process, if a carrier delivers goods
3 for which a negotiable bill had been issued, the negotiation of which
4 would transfer the right to the possession of the goods, and fails to
5 take up and cancel the bill, such carrier shall be liable for failure to
6 deliver the goods to anyone who for value and in good faith purchases

7 such bill, whether such purchaser acquired title to the bill before or
8 after the delivery of the goods by the carrier, and notwithstanding
9 delivery was made to the person entitled thereto.

[S., '13, § 3138-b13.]

SEC. 5277. Failure of carrier to cancel negotiable bill—delivery of part of goods.

1 Except as provided in section fifty-two hundred eighty-nine, and
2 except when compelled by legal process, if a carrier delivers part of
3 the goods for which a negotiable bill had been issued and fails either—

4 1. To take up and cancel the bill, or

5 2. To place plainly upon it a statement that a portion of the goods
6 has been delivered, with a description, which may be in general terms,
7 either of the goods or packages that have been so delivered or of the
8 goods or packages which still remain in the carrier's possession, he
9 shall be liable for failure to deliver all the goods specified in the bill,
10 to anyone who for value and in good faith purchases it, whether such
11 purchaser acquired title to it before or after the delivery of any por-
12 tion of the goods by the carrier, and notwithstanding such delivery
13 was made to the person entitled thereto.

[S., '13, § 3138-b14.]

SEC. 5278. Alterations without authority void.

1 Any alteration, addition or erasure in a bill after its issue without
2 authority from the carrier issuing the same either in writing or noted
3 on the bill shall be void, whatever be the nature and purpose of the
4 change, and the bill shall be enforceable according to its original tenor.

[S., '13, § 3138-b15.]

SEC. 5279. Lost or destroyed negotiable bill—court may order delivery—bond—liability.

1 Where a negotiable bill has been lost or destroyed, a court of com-
2 petent jurisdiction may order the delivery of the goods upon satisfac-
3 tory proof of such loss or destruction and upon the giving of a bond
4 with sufficient surety to be approved by the court to protect the carrier
5 or any person injured by such delivery from any liability or loss, in-
6 curred by reason of the original bill remaining outstanding. The
7 court may also in its discretion order the payment of the carrier's
8 reasonable costs and counsel fees. The delivery of the goods under
9 an order of the court as provided in this section, shall not relieve the
10 carrier from liability to a person to whom the negotiable bill has been
11 or shall be negotiated for value without notice of the proceedings or
12 of the delivery of the goods.

[S., '13, § 3138-b16.]

SEC. 5280. Liability on duplicate bills.

1 A bill upon the face of which the word "duplicate" or some other
2 word or words indicating that the document is not an original bill is
3 placed plainly shall impose upon the carrier issuing the same the lia-
4 bility of one who represents and warrants that such bill is an accurate
5 copy of an original bill properly issued, but no other liability.

[S., '13, § 3138-b17.]

SEC. 5281. Assertion of title by carrier—liability for refusal to deliver.

1 No title to goods or right to their possession, asserted by a carrier
2 for his own benefit, shall excuse him from liability for refusing to de-
3 liver the goods according to the terms of a bill issued for them, unless
4 such title or right is derived directly or indirectly from a transfer
5 made by the consignor or consignee after the shipment, or from the
6 carrier's lien.

[S., '13, § 3138-b18.]

SEC. 5282. Claimants required to interplead.

1 If more than one person claims the title or possession of goods,
2 the carrier may require all known claimants to interplead, either as a
3 defense to an action brought against him for nondelivery of the goods,
4 or as an original suit, whichever is appropriate.

-[S., '13, § 3138-b19.]

SEC. 5283. Disputed title or possession—delivery—liability for refusal to deliver excused—limitation.

1 If some one other than the consignee or person in possession of
2 the bill, has a claim to the title or possession of the goods, and the
3 carrier has information of such claim, the carrier shall be excused
4 from liability for refusing to deliver the goods either to the consignee
5 or person in possession of the bill, or to the adverse claimant, until
6 the carrier has had a reasonable time to ascertain the validity of the
7 adverse claim or to bring legal proceedings to compel all claimants to
8 interplead.

[S., '13, § 3138-b20.]

SEC. 5284. Right or title of third person no defense to failure to deliver—exceptions.

1 Except as provided in the two preceding sections and in section
2 fifty-two hundred seventy-four, no right or title of a third person
3 unless enforced by legal process shall be a defense to an action brought
4 by the consignee of a nonnegotiable bill or by the holder of a negotiable
5 bill against the carrier for failure to deliver the goods on demand.

[S., '13, § 3138-b21.]

SEC. 5285. General liability of carrier.

1 If a bill of lading has been issued by a carrier or on his behalf
2 by an agent or employee the scope of whose actual or apparent au-
3 thority includes the issuing of bills of lading, the carrier shall be
4 liable to—

- 5 1. The consignee named in a nonnegotiable bill, or
- 6 2. The holder of a negotiable bill, who has given value in good
7 faith relying upon the description therein of the goods, for damages
8 caused by the nonreceipt by the carrier or a connecting carrier of all
9 or part of the goods or their failure to correspond with the description
10 thereof in the bill at the time of its issue.

11 If, however, the goods are described in the bill merely by a state-
12 ment of marks or labels upon them or upon packages containing them,
13 or by a statement that the goods are said to be goods of a certain kind
14 or quantity, or in a certain condition, or it is stated in the bill that
15 packages are said to contain goods of a certain kind or quantity or in

16 a certain condition, or that the contents or the condition of contents
 17 of packages are unknown, or words of like purport are contained in
 18 the bill, such statements, if true, shall not make liable the carrier
 19 issuing the bill, although the goods are not of the kind or quantity or
 20 in the condition which the marks or labels upon them indicate, or of
 21 the kind or quantity or in the condition they were said to be by the
 22 consignor. The carrier may, also, by inserting in the bill the words
 23 "shipper's load and count" or other words of like purport, indicate
 24 that the goods were loaded by the shipper and the description of them
 25 made by him; and if such statement be true, the carrier shall not be
 26 liable for damages caused by the improper loading or by the non-
 27 receipt or by the misdescription of the goods described in the bill.

[S., '13, § 3138-b22.]

SEC. 5286. Attachment—surrender of bill—negotiation enjoined.

1 If goods are delivered to a carrier by the owner or by a person
 2 whose act in conveying the title to them to a purchaser for value in
 3 good faith would bind the owner and a negotiable bill is issued for
 4 them, they can not thereafter, while in the possession of the carrier,
 5 be attached by garnishment or otherwise, or be levied upon under an
 6 execution, unless the bill be first surrendered to the carrier or its ne-
 7 gotiation enjoined. The carrier shall in no such case be compelled to
 8 deliver the actual possession of the goods until the bill is surrendered
 9 to him or impounded by the court.

[S., '13, § 3138-b23.]

SEC. 5287. Rights of creditor.

1 A creditor whose debtor is the owner of a negotiable bill shall
 2 be entitled to such aid from courts of appropriate jurisdiction by in-
 3 junction and otherwise in attaching such bill, or in satisfying the
 4 claim by means thereof as is allowed at law or in equity in regard to
 5 property which can not readily be attached or levied upon by ordinary
 6 legal process.

[S., '13, § 3138-b24.]

SEC. 5288. Carrier's lien for certain charges.

1 If a negotiable bill is issued the carrier shall have no lien on the
 2 goods therein mentioned, except for charges on those goods for freight,
 3 storage, demurrage and terminal charges, and expenses necessary for
 4 the preservation of the goods or incident to their transportation sub-
 5 sequent to the date of the bill, unless the bill expressly enumerates
 6 other charges for which a lien is claimed. In such case there shall
 7 also be a lien for the charges enumerated so far as they are allowed
 8 by law and the contract between the consignor and the carrier.

[S., '13, § 3138-b25.]

SEC. 5289. Release from liability to deliver when goods are sold to satisfy lien—unclaimed, perishable or hazardous goods.

1 After goods have been lawfully sold to satisfy a carrier's lien, or
 2 because they have not been claimed, or because they are perishable
 3 or hazardous, the carrier shall not thereafter be liable for failure to
 4 deliver the goods to the consignee or owner of the goods, or to a holder

5 of the bill given for the goods when they were shipped, even if such
6 bill be negotiable.

[S., '13, § 3138-b26.]

SEC. 5290. Negotiation by delivery.

1 A negotiable bill may be negotiated by delivery where, by the
2 terms of the bill, the carrier undertakes to deliver the goods to the
3 order of a specified person, and such person or a subsequent indorsee
4 of the bill has indorsed it in blank.

[S., '13, § 3138-b27.]

SEC. 5291. Negotiation by indorsement.

1 A negotiable bill may be negotiated by the indorsement of the
2 person to whose order the goods are deliverable by the tenor of the
3 bill. Such indorsement may be in blank or to a specified person. If
4 indorsed to a specified person, it may be negotiated again by the in-
5 dorsement of such person in blank or to another specified person.
6 Subsequent negotiation may be made in like manner.

[S., '13, § 3138-b28.]

SEC. 5292. Transfer by delivery—indorsement of nonnegotiable bill.

1 A bill may be transferred by the holder by delivery, accompanied
2 with an agreement, express or implied, to transfer the title to the bill
3 or to the goods represented thereby. A nonnegotiable bill can not
4 be negotiated, and the indorsement of such a bill gives the transferee
5 no additional right.

[S., '13, § 3138-b29.]

SEC. 5293. Negotiation by person in possession of bill.

1 A negotiable bill may be negotiated by any person in possession
2 of the same, however such possession may have been acquired if, by
3 the terms of the bill, the carrier undertakes to deliver the goods to the
4 order of such person, or if at the time of negotiation the bill is in such
5 form that it may be negotiated by delivery.

[S., '13, § 3138-b30.]

SEC. 5294. Rights acquired by negotiation.

1 A person to whom a negotiable bill has been duly negotiated ac-
2 quires thereby—

3 1. Such title to the goods as the person negotiating the bill to
4 him had or had ability to convey to a purchaser in good faith for value,
5 and also such title to the goods as the consignee and consignor had
6 or had power to convey to a purchaser in good faith for value, and

7 2. The direct obligation of the carrier to hold possession of the
8 goods for him according to the terms of the bill as fully as if the car-
9 rier had contracted directly with him.

[S., '13, § 3138-b31.]

SEC. 5295. Rights acquired by transfer—garnishment, attachment or execution—notice.

1 A person to whom a bill has been transferred but not negotiated
2 acquires thereby as against the transferor, the title to the goods, sub-

3 ject to the terms of any agreement with the transferor. If the bill is
 4 nonnegotiable, such person also acquires the right to notify the carrier
 5 of the transfer to him of such bill, and thereby to become the direct
 6 obligee of whatever obligations the carrier owed to the transferor of
 7 the bill immediately before the notification. Prior to the notification
 8 of the carrier by the transferor or transferee of a nonnegotiable bill,
 9 the title of the transferee to the goods and the right to acquire the
 10 obligation of the carrier may be defeated by garnishment or by attach-
 11 ment or execution upon the goods by a creditor of the transferor, or
 12 by a notification to the carrier by the transferor or a subsequent pur-
 13 chaser from the transferor of a subsequent sale of the goods by the
 14 transferor. A carrier has not received notification within the mean-
 15 ing of this section unless an officer or agent of the carrier, the actual
 16 or apparent scope of whose duties includes action upon such notifica-
 17 tion, has been notified; and no notification shall be effective until the
 18 officer or agent to whom it is given has had time with the exercise of
 19 reasonable diligence to communicate with the agent or agents having
 20 actual possession or control of the goods.

[S., '13, § 3138-b32.]

SEC. 5296. Right of transferee to compel indorsement.

1 Where a negotiable bill is transferred for value by delivery, and
 2 the indorsement of the transferor is essential for negotiation, the
 3 transferee acquires a right against the transferor to compel him to
 4 indorse the bill, unless a contrary intention appears. The negotiation
 5 shall take effect as of the time when the indorsement is actually made.
 6 This obligation may be specifically enforced.

[S., '13, § 3138-b33.]

SEC. 5297. Warranties of transferor.

1 A person who negotiates or transfers for value a bill by indorse-
 2 ment or delivery, including one who assigns for value a claim secured
 3 by a bill, unless a contrary intention appears, warrants—
 4 1. That the bill is genuine,
 5 2. That he has a legal right to transfer it,
 6 3. That he has knowledge of no fact which would impair the
 7 validity or worth of the bill, and
 8 4. That he has a right to transfer the title to the goods, and that
 9 the goods are merchantable or fit for a particular purpose whenever
 10 such warranties would have been implied, if the contract of the parties
 11 had been to transfer without a bill the goods represented thereby.

12 In the case of an assignment of a claim secured by a bill, the lia-
 13 bility of the assignor shall not exceed the amount of the claim.

[S., '13, § 3138-b34.]

SEC. 5298. Liability of indorser limited.

1 The indorsement of a bill shall not make the indorser liable for
 2 any failure on the part of the carrier or previous indorsers of the bill
 3 to fulfill their respective obligations.

[S., '13, § 3138-b35.]

SEC. 5299. Holder of bill for security does not warrant genuineness, or quantity or quality of goods.

1 A mortgagee or pledgee, or other holder of a bill for security who
 2 in good faith demands or receives payment of the debt for which such

3 bill is security, whether from a party to a draft drawn for such debt
 4 or from any other person, shall not be deemed by so doing to represent
 5 or to warrant the genuineness of such bill or the quantity or quality
 6 of the goods therein described.

[S., '13, § 3138-b36.]

SEC. 5300. Validity of negotiation — not impaired by certain facts if holder acted in good faith.

1 The validity of the negotiation of a bill is not impaired by the
 2 fact that such negotiation was a breach of duty on the part of the
 3 person making the negotiation, or by the fact that the owner of the
 4 bill was deprived of the possession of the same by fraud, accident,
 5 mistake, duress or conversion, if the person to whom the bill was
 6 negotiated, or a person to whom the bill was subsequently negotiated,
 7 gave value therefor, in good faith, without notice of the breach of
 8 duty, or fraud, accident, mistake, duress or conversion.

[S., '13, § 3138-b37.]

SEC. 5301. Holder in good faith after subsequent negotiation.

1 Where a person having sold, mortgaged, or pledged goods which
 2 are in a carrier's possession and for which a negotiable bill has been
 3 issued, or having sold, mortgaged, or pledged the negotiable bill repre-
 4 senting such goods, continues in possession of the negotiable bill, the
 5 subsequent negotiation thereof by that person under any sale, pledge,
 6 or other disposition thereof to any person receiving the same in good
 7 faith, for value and without notice of the previous sale, shall have the
 8 same effect as if the first purchaser of the goods or bill had expressly
 9 authorized the subsequent negotiation.

[S., '13, § 3138-b38.]

SEC. 5302. Right to possession of goods—how indicated.

1 Where goods are shipped by the consignor in accordance with a
 2 contract or order for their purchase, the form in which the bill is
 3 taken by the consignor shall indicate the transfer or retention of the
 4 property or right to the possession of the goods as follows:

5 1. Where by the bill the goods are deliverable to the buyer or to
 6 his agent, or to the order of the buyer or of his agent, the consignor
 7 thereby transfers the property in the goods to the buyer.

8 2. Where by the bill the goods are deliverable to the seller or to
 9 his agent, or to the order of the seller or of his agent, the seller thereby
 10 reserves the property in the goods. But if, except for the form of the
 11 bill, the property would have passed to the buyer on shipment of the
 12 goods, the seller's property in the goods shall be deemed to be only for
 13 the purpose of securing performance by the buyer of his obligation
 14 under the contract.

15 3. Where by the bill the goods are deliverable to the order of the
 16 buyer or his agent, but possession of the bill is retained by the seller
 17 or his agent, the seller thereby reserves a right to the possession of
 18 the goods, as against the buyer.

19 4. Where the seller draws on the buyer for the price and trans-
 20 mits the draft and bill together to the buyer to secure acceptance or
 21 payment of the draft, the buyer is bound to return the bill if he does
 22 not honor the draft, and if he wrongfully retains the bill he acquires
 23 no added right thereby. If, however, the bill provides that the goods

24 are deliverable to the buyer, or to the order of the buyer, or is indorsed
 25 in blank or to the buyer by the consignee named therein, one who
 26 purchases in good faith, for value, the bill or goods from the buyer,
 27 shall obtain the title to the goods, although the draft has not been
 28 honored, if such purchaser has received delivery of the bill indorsed
 29 by the consignee named therein, or of the goods, without notice of
 30 the facts making the transfer wrongful.

[S., '13, § 3138-b39.]

SEC. 5303. Assumptions of buyer.

1 Where the seller of goods draws on the buyer for the price of the
 2 goods and transmits the draft and a bill of lading for the goods either
 3 directly to the buyer or through a bank or other agency, unless a
 4 different intention on the part of the seller appears, the buyer and
 5 all other parties interested shall be justified in assuming:

6 1. If the draft is by its terms or legal effect payable on demand
 7 or presentation or at sight, or not more than three days thereafter,
 8 whether such three days be termed days of grace or not, that the seller
 9 intended to require payment of the draft before the buyer should be
 10 entitled to receive or retain the bill.

11 2. If the draft is by its terms payable on time, extending beyond
 12 three days after demand, presentation or sight, whether such three
 13 days be termed days of grace or not, that the seller intended to require
 14 acceptance, but not payment of the draft before the buyer should be
 15 entitled to receive or retain the bill.

16 The provisions of this section are applicable whether by the terms
 17 of the bill the goods are consigned to the seller, or to his order, or to
 18 the buyer, or to his order, or to a third person, or to his order.

[S., '13, § 3138-b40.]

SEC. 5304. Rights of purchaser for value in good faith not to be defeated.

1 Where a negotiable bill has been issued for goods, no seller's lien
 2 or right of stoppage in transitu shall defeat the rights of any pur-
 3 chaser for value in good faith to whom such bill has been negotiated,
 4 whether such negotiation be prior or subsequent to the notification
 5 to the carrier who issued such bill of the seller's claim to a lien or
 6 right of stoppage in transitu. Nor shall the carrier be obliged to
 7 deliver or justified in delivering the goods to an unpaid seller unless
 8 such bill is first surrendered for cancellation.

[S., '13, § 3138-b41.]

SEC. 5305. Rights or remedies of mortgagee or lienholder.

1 Except as provided in the preceding section, nothing in this chap-
 2 ter shall limit the rights and remedies of a mortgagee or lienholder
 3 whose mortgage or lien on goods would be valid, apart from this chap-
 4 ter, as against one who for value and in good faith purchased from
 5 the owner, immediately prior to the time of their delivery to the car-
 6 rier, the goods which are subject to the mortgage or lien and obtained
 7 possession of them.

[S., '13, § 3138-b42.]

SEC. 5306. Issuance of bill when goods not received by carrier or agent—penalty.

1 Any officer, agent, or servant of a carrier, who with intent to
2 defraud issues or aids in issuing a bill knowing that all or any part
3 of the goods for which such bill is issued have not been received by
4 such carrier, or by an agent of such carrier or by a connecting carrier,
5 or are not under the carrier's control at the time of issuing such bill,
6 shall be guilty of a crime, and upon conviction shall be punished for
7 each offense by imprisonment not exceeding five years, or by a fine
8 not exceeding five thousand dollars, or by both.

[S., '13, § 3138-b43.]

SEC. 5307. False statement—penalty.

1 Any officer, agent, or servant of a carrier, who with intent to de-
2 fraud issues or aids in issuing a bill for goods knowing that it contains
3 any false statement, shall be guilty of a crime, and upon conviction
4 shall be punished for each offense by imprisonment not exceeding one
5 year, or by a fine not exceeding one thousand dollars, or by both.

[S., '13, § 3138-b44.]

SEC. 5308. Fraudulent duplicate negotiable bill—penalty.

1 Any officer, agent, or servant of a carrier, who with intent to
2 defraud issues or aids in issuing a duplicate or additional negotiable
3 bill for goods in violation of the provisions of section fifty-two hun-
4 dred sixty-nine knowing that a former negotiable bill for the same
5 goods or any part of them is outstanding and uncanceled, shall be
6 guilty of a crime, and upon conviction shall be punished for each
7 offense by imprisonment not exceeding five years, or by a fine not
8 exceeding five thousand dollars, or by both.

[S., '13, § 3138-b45.]

SEC. 5309. Shipping goods without title—penalty for negotiation of bill.

1 Any person who ships goods to which he has not a title, or upon
2 which there is a lien or mortgage, and who takes for such goods a
3 negotiable bill which he afterwards negotiates for value with intent
4 to deceive and without disclosing his want of title or the existence of
5 the lien or mortgage, shall be guilty of a crime, and upon conviction
6 shall be punished for each offense by imprisonment not exceeding one
7 year, or by a fine not exceeding one thousand dollars, or by both.

[S., '13, § 3138-b46.]

SEC. 5310. Negotiating bill with intent to deceive—penalty.

1 Any person who with intent to deceive negotiates or transfers
2 for value a bill knowing that any or all of the goods which by the terms
3 of such bill appear to have been received for transportation by the
4 carrier which issued the bill, are not in the possession or control of
5 such carrier, or of a connecting carrier, without disclosing this fact,
6 shall be guilty of a crime, and upon conviction shall be punished for
7 each offense by imprisonment not exceeding five years, or by a fine
8 not exceeding five thousand dollars, or by both.

[S., '13, § 3138-b47.]

SEC. 5311. Securing issuance of bill with intent to defraud—penalty.

1 Any person who with intent to defraud secures the issue by a
 2 carrier of a bill knowing that at the time of such issue, any or all of
 3 the goods described in such bill as received for transportation have
 4 not been received by such carrier, or an agent of such carrier or a
 5 connecting carrier, or are not under the carrier's control, by inducing
 6 an officer, agent, or servant of such carrier falsely to believe that such
 7 goods have been received by such carrier, or are under its control,
 8 shall be guilty of a crime, and upon conviction shall be punished for
 9 each offense by imprisonment not exceeding five years, or by a fine
 10 not exceeding five thousand dollars, or by both.

[S., '13, § 3138-b48.]

SEC. 5312. Issuing nonnegotiable bill not so marked—penalty.

1 Any person who with intent to defraud issues or aids in issuing
 2 a nonnegotiable bill without the words "not negotiable" placed plainly
 3 upon the face thereof, shall be guilty of a crime, and upon conviction
 4 shall be punished for each offense by imprisonment not exceeding five
 5 years or by a fine not exceeding five thousand dollars, or by both.

[S., '13, § 3138-b49.]

SEC. 5313. Rules of law and equity to govern in cases not provided for.

 2 and equity including the law merchant, and in particular the rules
 3 relating to the law of principal and agent, executors, administrators
 4 and trustees, and to the effect of fraud, misrepresentation, duress or

SECTION 5318. Right of way.

1 Any person or firm, and any corporation organized for such pur-
2 pose, within or without the state, may construct a telegraph or tele-
3 phone line along the public roads of the state, or across the rivers or
4 over any lands belonging to the state or any private individual, and
5 may erect the necessary fixtures therefor. When any road along
6 which said line has been constructed shall be changed, the person, firm
7 or corporation shall, upon ninety days' notice in writing, remove said
8 lines to said road as established. The notice may be served upon any
9 agent or operator in the employ of such person, firm or corporation.

[C., '51, § 780; R., '60, § 1348; C., '73, § 1324; C., '97, § 2158.]

SEC. 5319. How constructed.

1 Such fixtures shall not be so constructed as to inconvenience the
2 public in the use of any road or the navigation of any stream; nor
3 shall they be set up on the private grounds of any individual without
4 paying him a just equivalent for the damage he thereby sustains.

[C., '51, § 781; R., '60, § 1349; C., '73, § 1325; C., '97, § 2159.]

SEC. 5320. Damages assessed.

1 If the person over whose lands such telegraph or telephone line
2 passes claims more damages therefor than the proprietor of such line
3 is willing to pay, the amount thereof may be determined in the same
4 manner as provided for taking private property for works of internal
5 improvement.

[C., '51, § 782; R., '60, § 1350; C., '73, § 1326; C., '97, § 2160.]

7 and the book and page where the record will be found. Said articles
8 thus indorsed shall then be forwarded to the secretary of state, and
9 be by him recorded in a book kept for that purpose.

10 The county recorder shall keep in his office an index book for
 11 articles of incorporation, which shall be ruled and headed substan-
 12 tially after the following form, and shall make entries therein in the
 13 order in which they are filed in his office.

14

INDEX TO ARTICLES OF INCORPORATION.

		Mo.	Day	Yr.	Mo.	Day	Yr.	Bk.	Pg.		

15 Such corporation shall pay to the secretary of state, before a cer-
 16 tificate of incorporation is issued, a fee of twenty-five dollars, and, for
 17 all authorized stock in excess of ten thousand dollars, an additional fee
 18 of one dollar per thousand. Should any corporation increase its capital
 19 stock, it shall pay a fee to the secretary of state of one dollar for each
 20 one thousand dollars of such increase, and a recording fee of ten cents
 21 per one hundred words, no recording fee to be less than fifty cents.
 22 Farmers' mutual cooperative creamery associations, whose articles of
 23 incorporation provide that the business of the association be con-
 24 ducted on a purely mutual and cooperative plan, without capital stock,
 25 and whose patrons shall share equally in expense and profits, domestic
 26 and domestic local building and loan associations and incorporations
 27 organized for the manufacture of sugar from beets grown in the state
 28 of Iowa, shall be exempt from the payment of the incorporation filing
 29 fee provided herein in excess of twenty-five dollars. When articles of
 30 incorporation are presented to the secretary of state for the purpose
 31 of being filed, if he is satisfied that they are in proper form to meet
 32 the requirements of law, that their object is a lawful one and not
 33 against public policy, that their plan for doing business, if any be
 34 provided for, is honest and lawful, he shall file them; but if he is of
 35 the opinion that they are not in proper form to meet the requirements
 36 of the law, or that their object is an unlawful one, or against public
 37 policy, or that their plan for doing business is dishonest or unlawful,
 38 he shall refuse to file them. Should a question of doubt arise as to the
 39 legality of the articles, he shall submit them to the attorney general
 40 whose duty it shall be to forthwith examine and return them with an
 41 opinion in writing touching the point or points concerning which
 42 inquiry has been made of him. If such opinion is in favor of the
 43 legality of the articles, and no other objections are apparent, they shall
 44 then, upon payment of the proper fee, be filed and otherwise dealt with
 45 as the law provides. If, however, such opinion be against their legal-
 46 ity they shall not be filed. Upon the rejection of any articles of incor-
 47 poration by the secretary of state, except for the reason that they have
 48 been held by the attorney general to be illegal, they shall, if the person
 49 or persons presenting them so request, be submitted to the executive
 50 council, which shall, as soon as practicable, consider the said articles
 51 and if the council determines that the articles are in proper form, of

52 honest purpose, not against public policy, nor otherwise objectionable,
 53 it shall so advise the secretary of state in writing, whereupon he shall,
 54 upon the payment of the proper fees, file the same and proceed other-
 55 wise as the law directs; but if the council sustains the previous action
 56 of the secretary of state in rejecting said articles, such decision by
 57 the council shall be reported to the secretary of state in writing, and
 58 he shall then return said articles to the person or persons presenting
 59 them with such explanation as shall be proper in the case. Nothing in
 60 this section shall be construed as repealing or modifying any statute
 61 now in force in respect to the approval of articles of incorporation
 62 relating to insurance companies, building and loan associations or
 63 investment companies.

[C., '51, § 675; R., '60, § 1152; C., '73, § 1060; C., '97, § 1610;

 15 this chapter, the payment of which shall be secured by an actual trans-
 16 fer of real estate securities for the benefit and protection of pur-
 17 chasers thereof; such securities to be at least equal in amount to the
 18 par value of such bonds or debentures, and to be first liens upon unin-

**SEC. 5348. Duration—renewal—certificate and articles to be re-
corded—fees—notice—proof filed—exemptions.**

1 Corporations for the construction and operation, or the operation
2 alone, of steam railways, interurban railways and street railways, for
3 the establishment and conduct of savings banks, or for the transac-
4 tion of the business of life insurance, may be formed to endure fifty
5 years; those for other purposes, not to exceed twenty years; but in
6 either case they may be renewed from time to time for the same or
7 shorter periods, within three months before or after the time for the
8 termination thereof, if a majority of the votes cast at any regular
9 election, or special election called for that purpose, be in favor of such
10 renewal, and if those voting for such renewal will purchase at its real
11 value the stock voted against such renewal. Such renewals shall date
12 from the expiration of the corporate period which it succeeds and
13 shall be limited in duration to a period not exceeding the time allowed
14 by law to the same class of corporations. Within five days after the
15 said action of the stockholders for the renewal of any corporation, a
16 certificate, showing the proceedings resulting in such renewal, sworn
17 to by the president and secretary of the corporation, or by such other
18 officers as may be designated by the stockholders, together with the
19 articles of incorporation, which may be the original articles of incorpo-
20 ration or amended and substituted articles, shall be filed for record in
21 the office of the recorder of the county in which the principal place of
22 business of said corporation is situated, and the same shall be recorded.
23 Upon filing with the secretary of state the said certificate and articles
24 of incorporation, within ten days after they are filed with the recorder,
25 and upon the payment to the secretary of state of a fee of twenty-five
26 dollars, together with a recording fee of ten cents per one hundred
27 words and an additional fee of one dollar per thousand for all author-
28 ized stock in excess of ten thousand dollars, the secretary of state shall
29 record the said certificate and the said articles of incorporation in a
30 book to be kept by him for that purpose, and shall issue a proper cer-
31 tificate for the renewal of the corporation. Within three months after
32 the filing of the certificate and articles of incorporation with the secre-
33 tary of state, the corporation so renewed shall publish a notice of
34 renewal. Said notice shall be published once each week for four weeks
35 in succession in a newspaper as convenient as practicable to the prin-
36 cipal place of business of the corporation, and proof of publication
37 filed in the office of the secretary of state, and shall contain the
38 matters and things required to be published by section fifty-three
39 hundred thirty-three, relating to original incorporations. Farmers'
40 mutual cooperative creamery associations, domestic and domestic local
41 building and loan associations, and corporations organized for the
42 manufacture of sugar from beets grown in the state of Iowa, shall be
43 exempt from the payment of the incorporation fee, provided herein.

[C., '51, § 681; R., '60, § 1158; C., '73, § 1069; C., '97,
§ 1618; S., '13, § 1618.]

SEC. 5349. Renewal of corporate existence.

1 The corporate existence of any state or savings bank may be
 2 renewed or extended, from time to time, for a period not longer than
 3 the time for which such banks may organize, by an affirmative vote
 4 of two-thirds of the shareholders thereof, at a stockholders' meeting
 5 held for that purpose, within three months before or after the time of
 6 the expiration of its charter as shown by its certificate of incorpora-
 7 tion issued by the secretary of state. Such meeting shall be called
 8 upon a notice signed by at least two of the officers of the bank and by
 9 a majority of its directors, specifying the object of the meeting, and
 10 the time and place thereof, published once a week for four consecutive
 11 weeks before the time at which the same is to be held, in some news-
 12 paper in the county wherein the bank is located. If at such meeting
 13 the required vote is given, a certificate of the proceedings showing
 14 compliance with the foregoing provisions and the time to which the
 15 corporate period is to be continued, shall be signed and verified by
 16 the affidavit of the chairman and secretary of the meeting, certified
 17 to by a majority of the board of directors, and together with the arti-
 18 cles of incorporation, as they exist at the date of the meeting, shall
 19 be recorded in the office of the recorder of deeds of the proper county
 20 and filed, recorded and fees paid, as provided in the preceding section,
 21 and shall be by the secretary of state certified to the auditor of state.
 22 When the meeting is held previous to the expiration of the charter
 23 of the bank, such amendments may be made to the articles of incor-
 24 poration, subject to the provisions thereof, as may be deemed neces-
 25 sary and whether held before or after the extension of the corporate
 26 period, such changes may be made in the articles as are necessary to
 27 show the time to which the corporate period is extended and the
 28 names of the officers and directors at the time of the renewal or exten-
 29 sion. When the above has been complied with, the auditor of state
 30 shall issue to such bank a certificate as provided in section fifty-seven
 31 hundred sixty-nine, notice of which shall be published as required by
 32 the provisions of said section.

[S., '13, § 1618-a.]

SEC. 5350. Legislative control.

1 The articles of incorporation, by-laws, rules and regulations of
 2 corporations hereafter organized under the provisions of this title, or
 3 whose organization may be adopted or amended hereunder, shall at
 4 all times be subject to legislative control, and may be at any time
 5 altered, abridged or set aside by law, and every franchise obtained,
 6 used or enjoyed by such corporation may be regulated, withheld, or be
 7 subject to conditions imposed upon the enjoyment thereof, whenever
 8 the general assembly shall deem necessary for the public good.

[C., '73, § 1090; C., '97, § 1619.]

SEC. 5351. Fraud—penalty for.

1 Intentional fraud in failing to comply substantially with the arti-
 2 cles of incorporation, or in deceiving the public or individuals in rela-
 3 tion to their means or their liabilities, shall be a misdemeanor, and
 4 shall subject those guilty thereof to fine and imprisonment, or both, at
 5 the discretion of the court. Any person who has sustained injury from
 6 such fraud may also recover damages therefor against those guilty of
 7 participating in such fraud.

[C., '51, § 686; R., '60, § 1163; C., '73, § 1071; C., '97, § 1620.]

SEC. 5352. Diversion of funds.

1 The diversion of the funds of the corporation to other objects
2 than those mentioned in its articles and in the notice published, if
3 any person be injured thereby, and the payment of dividends which
4 leaves insufficient funds to meet the liabilities thereof, shall be such
5 fraud as will subject those guilty thereof to the penalties of the pre-
6 ceding section; and such dividends, or their equivalent, in the hands
7 of stockholders, shall be subject to such liabilities. If the directors or
8 other officers or agents of any corporation shall declare and pay any
9 dividend when such corporation is known by them to be insolvent,
10 or any dividend the payment of which would render it insolvent, or
11 which would diminish the amount of its capital stock, all directors,
12 officers or agents knowingly consenting thereto shall be jointly and
13 severally liable for all the debts of such corporation then existing, but
14 dividends made in good faith before knowledge of the occurring of
15 losses shall not come within the provisions of this section.

[C., '51, §§ 687, 688; R., '60, §§ 1164, 1165; C., '73, §§ 1072,
1073; C., '97, § 1621.]

SEC. 5353. Forfeiture.

1 Any intentional violation by the board of directors or the man-
2 aging officers of the corporation of the provisions of the two preced-
3 ing sections shall work a forfeiture of the corporate privileges, to be
4 enforced as provided by law. If the indebtedness of any corporation
5 shall exceed the amount of indebtedness permitted by law, the direct-
6 ors and officers of such corporation knowingly consenting thereto
7 shall be personally and individually liable to the creditors of such
8 corporation for such excess.

[C., '51, § 690; R., '60, § 1167; C., '73, § 1074; C., '97,
§ 1622.]

SEC. 5354. Keeping false accounts.

1 The intentional keeping of false books or accounts shall be a mis-
2 demeanor on the part of any officer, agent or employee of the corpora-
3 tion guilty thereof, or of anyone whose duty it is to see that such
4 books or accounts are correctly kept.

[C., '51, § 691; R., '60, § 1168; C., '73, § 1075; C., '97,
§ 1623.]

SEC. 5355. By-laws posted.

1 A copy of the by-laws of the corporation, with the names of all
2 of its officers, must be posted in the principal places of business sub-
3 ject to public inspection.

[C., '51, § 684; R., '60, § 1161; C., '73, § 1076; C., '97,
§ 1624.]

SEC. 5356. Statement of stock and indebtedness.

1 A statement of the amount of capital stock subscribed, the
2 amount of capital actually paid in, and the amount of the indebted-
3 ness in a general way, must also be kept posted in like manner, which
4 shall be corrected as often as any material change takes place in
5 relation to any part of the subject matter thereof.

[C., '51, § 685; R., '60, § 1162; C., '73, § 1077; C., '97,
§ 1625.]

SEC. 5357. Transfer of shares.

1 The transfer of shares is not valid, except as between the parties
 2 thereto, until regularly entered upon the books of the company,
 3 showing the name of the person by and to whom transferred, the
 4 numbers or other designation of the shares, and the date of the
 5 transfer; but such transfer shall not exempt the person making it
 6 from any liability of said corporation created prior thereto. Its
 7 books must be so kept as to show the original stockholders, their
 8 interests, the amount paid on their shares, and all transfers thereof;
 9 which books, or a copy thereof, so far as the items mentioned in this
 10 section are concerned, shall be subject to the inspection of any person
 11 desiring the same. When any shares of stock shall be transferred
 12 to any person, firm or corporation as collateral security, such person,
 13 firm or corporation may notify in writing the secretary of the corpo-
 14 ration whose stock is transferred as aforesaid, and from the time
 15 of such notice, and until written notice that said stock shall have
 16 ceased to be held as collateral security, said stock so transferred and
 17 noticed as aforesaid shall be considered in law as transferred on the
 18 books of the corporation which issued said stock, without any actual
 19 transfer on the books of such corporation of such stock. In such case,
 20 it shall be the duty of the secretary or cashier of the corporation or
 21 of the person or firm to which such stock shall have been transferred
 22 as collateral security at once, upon its ceasing to be so held, to inform
 23 the secretary of the corporation issuing such stock of such fact. The
 24 secretary of the company whose stock is transferred as collateral
 25 shall keep a record showing such notice of transfer as collateral, and
 26 notice of discharge as collateral, subject to public inspection. No
 27 holder of stock as collateral security shall be liable for assessments
 28 on the same.

[C., '51, § 692; R., '60, § 1169; C., '73, § 1078; C., '97,
 § 1626.]

SEC. 5358. Right to vote stock—attachment.

1 Every executor, administrator, guardian or trustee shall repre-
 2 sent the stock in his hands at all corporate meetings, and may vote
 3 the same as a stockholder; and every person who shall pledge his
 4 stock, in the absence of a written agreement to the contrary, may
 5 represent the same at all such meetings and vote accordingly. The
 6 owner of corporate stock levied upon by attachment or other pro-
 7 ceeding shall have the right to vote the same at all corporate meet-
 8 ings, until such time as he shall have been divested of his title thereto
 9 by execution sale. But nothing contained in this section shall in any
 10 manner conflict with any provision in the articles of incorporation, or
 11 the by-laws of the corporation issuing the stock.

[S., '13, § 1641-a.]

SEC. 5359. Expiration.

1 Corporations whose charters expire by limitation or the volun-
 2 tary act of the stockholders may nevertheless continue to act for the
 3 purpose of winding up their affairs.

[C., '51, § 694; R., '60, § 1171; C., '73, § 1080; C., '97,
 § 1629.]

SEC. 5360. Sinking fund.

1 For the purpose of repairs, rebuilding, enlarging, or to meet con-
2 tingencies, or for the purpose of creating a sinking fund, the corpo-
3 ration may set apart a sum which it may loan, and take proper securi-
4 ties therefor.

[C., '51, § 699; R., '60, § 1176; C., '73, § 1081; C., '97,
§ 1630.]

SEC. 5361. Liability of stockholders.

1 Neither anything in this chapter contained, nor any provisions in
2 the articles of corporation, shall exempt the stockholders from indi-
3 vidual liability to the amount of the unpaid installments on the stock
4 owned by them, or transferred by them for the purpose of defrauding
5 creditors; and execution against the company may, to that extent,
6 be levied upon the private property of any such individual. In none
7 of the cases contemplated in this chapter can the private property
8 of the stockholders be levied upon for the payment of corporate debts
9 while corporate property can be found with which to satisfy the
10 same; but it will be sufficient proof that no property can be found, if
11 an execution has issued on a judgment against the corporation, and
12 a demand has been thereon made of some one of the last acting offi-
13 cers of the body for property on which to levy, and he neglects to
14 point out any such property. In suits by creditors to recover unpaid
15 installments upon shares of stock against any person who has in any
16 manner obtained such stock of the corporation, the stockholder shall
17 be liable for the difference between the amount paid by him to the
18 corporation for said stock and the face value thereof.

[C., '51, § 695; R., '60, § 1172; C., '73, § 1082; C., '97,
§ 1631.]

SEC. 5362. Corporate property exhausted.

1 Before any stockholder can be charged with the payment of a
2 judgment rendered for a corporate debt, an action shall be brought
3 against him, in any stage of which he may point out corporate prop-
4 erty subject to levy; and, upon his satisfying the court of the exist-
5 ence of such property, by affidavit or otherwise, the cause may be
6 continued, or execution against him stayed, until the property can be
7 levied upon and sold, and the court may subsequently render judg-
8 ment for any balance which there may be after disposing of the cor-
9 porate property; but if a demand of property has been made as con-
10 templated in the preceding section, the costs of said action shall, in
11 any event, be paid by the company or the defendant therein, but he
12 shall not be permitted to controvert the validity of the judgment
13 rendered against the corporation, unless it was rendered through
14 fraud and collusion.

[C., '51, §§ 696, 697; R., '60, §§ 1173, 1174; C., '73, §§ 1083,
1084; C., '97, § 1632.]

SEC. 5363. Indemnity—contribution.

1 When the property of a stockholder is taken for a corporate debt,
2 he may maintain an action against the corporation for indemnity, and
3 against any of the other stockholders for contribution.

[C., '51, § 698; R., '60, § 1175; C., '73, § 1085; C., '97,
§ 1633.]

SEC. 5364. Franchise sold on execution.

1 The franchise of a corporation may be levied upon under execu-
2 tion and sold, but the corporation shall not become thereby dissolved,
3 and no dissolution of the original corporation shall affect the fran-
4 chise, and the purchaser becomes vested with all the powers of the
5 corporation therefor. Such franchise shall be sold without appraise-
6 ment.

[C., '51, § 700; R., '60, § 1177; C., '73, § 1086; C., '97,
§ 1634.]

SEC. 5365. Production of books.

1 In proceedings by or against a corporation or a stockholder to
2 charge his private property, or the dividends received by him, the
3 court may, upon motion of either party, upon cause shown for that
4 purpose, compel the officers or agents of the corporation to produce
5 the books and records of the corporation.

[C., '51, § 701; R., '60, § 1178; C., '73, § 1087; C., '97,
§ 1635.]

SEC. 5366. Estoppel.

1 No person or persons acting as a corporation shall be permitted
2 to set up the want of a legal organization as a defense to an action
3 against them as a corporation, nor shall any person sued on a con-
4 tract made with such an acting corporation, or sued for an injury to
5 its property, or a wrong done to its interests, be permitted to set up
6 a want of such legal organization in his defense.

[C., '51, § 704; R., '60, § 1181; C., '73, § 1089; C., '97, § 1636.]

**SEC. 5367. Foreign corporation—filing articles—process—appli-
cation—increase of capital—fees.**

1 Any corporation for pecuniary profit, other than for carrying on
2 mercantile or manufacturing business as clearly defined and restricted
3 by its articles of incorporation, organized under the laws of another
4 state, or of any territory of the United States, or of any foreign coun-
5 try, which has transacted business in the state of Iowa since the first
6 day of September, eighteen hundred eighty-six, or desires hereafter
7 to transact business in this state, and which has not a permit to do
8 such business, shall file with the secretary of state a certified copy of
9 its articles of incorporation, duly attested by the secretary of state or
10 other state officer in whose office the original articles were filed, accom-
11 panied by a resolution of its board of directors or stockholders author-
12 izing the filing thereof, and also authorizing service of process to be
13 made upon any of its officers or agents in this state engaged in trans-
14 acting its business, and requesting the issuance to such corporation of
15 a permit to transact business in this state; said application to contain
16 a stipulation that such permit shall be subject to the provisions of this
17 chapter. Said application shall also contain a statement subscribed
18 and sworn to by at least two of the principal officers of the corporation,
19 setting forth the following facts, to wit:

- 20 1. The total authorized capital of the corporation.
- 21 2. The total paid-up capital of the corporation.
- 22 3. The total value of all assets of the corporation, including money
23 and property other than money, represented by capital, surplus, undi-
24 vided profits, bonds, promissory notes, certificates of indebtedness, or

25 other designation, whether carried as money on hand or in bank, real
26 estate or personal property of any description.

27 4. The total value of money and all other property the corpora-
28 tion has in use or held as investment in the state of Iowa, at the time
29 the statement is made (if any).

30 5. The total value of money and all other property the corporation
31 proposes or expects to make use of in the state of Iowa, during the
32 ensuing year.

33 The secretary of state can make such independent and further
34 investigation as to the property within this state owned by any such
35 corporation as he may desire, and upon the true facts determine the
36 value thereof, and fix the fee to be paid by such company. Before a
37 permit is issued authorizing such corporation to transact business in
38 the state of Iowa, said corporation shall pay to the secretary of state
39 a fee of ten cents per one hundred words for recording the certified
40 copy of the articles of incorporation, with resolution and statement
41 as previously set forth, and a filing fee of twenty-five dollars upon ten
42 thousand dollars or less of money and property of such company
43 actually within the state of Iowa, and of one dollar for each one thou-
44 sand dollars of such money or property within this state in excess of
45 ten thousand dollars. If from time to time the amount of money or
46 other property in use in the state of Iowa by said foreign corporation
47 is increased, said corporation shall at the time of said increase, or at
48 the time of making annual report to the secretary of state, in July of
49 each year, file with the secretary of state a sworn statement showing
50 the amount of such increase, and shall pay a filing fee thereon of one
51 dollar for each one thousand dollars or fraction thereof of such
52 increase, together with a recording fee of ten cents per one hundred
53 words, but not less than fifty cents. The secretary of state shall upon
54 request furnish a blank upon which to make report of such increase
55 of capital in use within the state. Any corporation transacting busi-
56 ness in this state prior to the first day of September, eighteen hundred
57 eighty-six, shall be exempt from the payment of the fees required
58 under the provisions of this section. The secretary of state shall
59 thereupon issue to such corporation a permit, in such form as he may
60 prescribe, for the transaction of the business of such corporation, and
61 upon the receipt of such permit said corporation shall be permitted
62 and authorized to conduct and carry on its business in this state.
63 Nothing in this section shall be construed to prevent any foreign cor-
64 poration from buying, selling and otherwise dealing in notes, bonds,
65 mortgages and other securities.

[C., '97, § 1637; S., '13, § 1637.]

SEC. 5368. Permit.

1 No foreign corporation which has not in good faith complied with
2 the provisions of this chapter and taken out a permit shall possess the
3 right to exercise the power of eminent domain, or exercise any of the
4 rights and privileges conferred upon corporations, until it has so com-
5 plied herewith and taken out such permit.

[C., '97, § 1638.]

SEC. 5369. Penalty.

1 Any foreign corporation that shall carry on its business in viola-
2 tion of the provisions of this chapter in the state of Iowa, by its officers,

3 agents or otherwise, without having complied with the two preceding
4 sections and taken out and having a valid permit, shall forfeit and pay
5 to the state, for each and every day in which such business is trans-
6 acted and carried on, the sum of one hundred dollars, to be recovered
7 by suit in any court having jurisdiction; and any agent, officer or em-
8 ployee who shall knowingly act or transact such business for such
9 corporation, when it has no valid permit as provided herein, shall be
10 guilty of a misdemeanor, and for such offense shall be fined not to
11 exceed one hundred dollars, or be imprisoned in the county jail not to
12 exceed thirty days, or by both such fine and imprisonment, and pay
13 all costs of prosecution. Nothing contained in this chapter shall re-
14 lieve any person, company, corporation, association or partnership
15 from the performance of any duty or obligation now enjoined upon or
16 required of it, or from the payment of any penalty or liability created
17 by the statutes heretofore in force, and all foreign corporations, and
18 the officers and agents thereof, doing business in this state shall be
19 subject to all the liabilities, restrictions and duties that are or may be
20 imposed upon corporations of like character organized under the
21 general laws of this state, and shall have no other or greater powers.

[C., '97, § 1639.]

SEC. 5370. Dissolution—receiver.

1 Courts of equity shall have full power, on good cause shown, to
2 dissolve or close up the business of any corporation, and to appoint a
3 receiver therefor, who shall be a resident of the state of Iowa. An
4 action therefor may be instituted by the attorney general in the name
5 of the state, reserving, however, to the stockholders and creditors all
6 rights now possessed by them.

[C., '97, § 1640.]

SEC. 5371. Ownership of property.

1 Corporations organized in any foreign country or corporations
2 organized in this country, the stock of which is owned in whole or in
3 part by nonresident aliens, shall have the same rights, powers and
4 privileges with regard to the purchase and ownership of real estate in
5 this state as are granted to nonresident aliens in section sixty-four hun-
6 dred fifty-eight.

[C., '97, § 1641; S., '13, § 1641.]

SEC. 5372. False statements—penalty.

1 Every director, officer or agent of any corporation or joint-stock
2 association, who knowingly concurs in making, publishing or posting,
3 either generally or privately to the stockholders or other persons, any
4 written report, exhibit, or statement of its affairs or pecuniary con-
5 dition, or book or notice containing any material statement which is
6 false, or any untrue or wilfully or fraudulently exaggerated report,
7 prospectus, account, statement of operations, values, business, profits,
8 expenditures, or prospects, or any other paper or document intended
9 to produce or give, or having a tendency to produce or give, the shares
10 of stock in such corporation a greater value or a less apparent or
11 market value than they really possess, is guilty of a felony, and upon
12 conviction thereof shall be punished by imprisonment in the peniten-

14 not to exceed six months or a fine not exceeding five hundred dollars.

[S., '13, § 1641-g.]

SEC. 5373. Political contributions prohibited.

1 It shall be unlawful for any corporation doing business within the
 2 state, or any officer, agent or representative thereof acting for such
 3 corporation, to give or contribute any money, property, labor or thing

 6 any candidate for any public office or candidate for nomination to any
 7 public office or to the representative of such candidate, for campaign
 8 expenses or for any political purpose whatsoever, or to any person,
 9 partnership or corporation for the purpose of influencing or causing
 10 such person, partnership or corporation to influence any elector of
 11 the state to vote for or against any candidate for public office or for
 12 nomination for public office or to any public officer for the purpose of
 13 influencing his official action, but nothing in this section shall be con-
 14 strued to restrain or abridge the liberty of the press or prohibit the
 15 consideration and discussion therein of candidacies, nominations, pub-
 16 lic officers or political questions.

[S., '13, § 1641-h.]

SEC. 5374. Solicitation from corporations prohibited.

1 It shall be unlawful for any member of any political committee,
 2 political party, or employee or representative thereof, or candidate

 5 or representative thereof, any money, property or thing of value be-

 7 purpose whatsoever.

[S., '13, § 1641-i.]

1 Every corporation organized upon the assessment plan, for the

SEC. 5509. Articles of incorporation—certificates.

1 “Certificates of membership” or “certificate,” when used in this
2 chapter with respect to the insurance of the members, shall be taken
3 to mean and include policy of insurance. The articles of incorpora-
4 tion of any such association shall show its plan of business, and be
5 submitted to the commissioner of insurance and the attorney general,
6 and if they are found by those officers to comply with the provisions
7 of this title, chapter and of law, they shall approve the same. When
8 the articles are thus approved, they shall be recorded in the office of
9 the secretary of state, and a notice published within ninety days in
10 the manner and for the time provided in the general incorporation
11 laws.

[C., '97, § 1785.]

3 its identity.

[C., '97, § 1786.]

3 amount of its certificate or policy on an assessment, it shall cause all
4 applications for insurance to have printed in red ink, in a conspicuous
5 manner along the margin thereof, the words: “It is understood that
6 the amount of insurance to be paid under this application, and cer-
7 tificate or policy issued thereon, shall depend upon the amount col-

9 upon at least two hundred fifty lives for at least one thousand dollars
10 each; and it shall file with the commissioner of insurance satisfactory
11 proof that the president, secretary and treasurer have each given a
12 good and sufficient bond for five thousand dollars for the faithful dis-
13 charge of their duties as such officers, sworn copies of which shall be
14 filed with him. It shall also file with him a list, verified by the presi-
15 dent and secretary, of the applications, giving the name, age and
16 residence of each applicant, the amount of insurance applied for by
17 each, together with the annual dues and the proposed assessments
18 thereon. Its policy forms shall be approved, as provided by section
19 fifty-four hundred ninety-two.

[C., '97, § 1787; S., '13, § 1787.]

SEC. 5512. Assessments.

1 The articles and by-laws of each such association and its notices
2 of assessment shall state the objects to which the money to be col-

5 beyond payment of the benefit, shall be set aside and applied only to
6 like purposes, except that all sums collected for expenses and not used
7 for that purpose may be transferred to the benefit, emergency or re-

6 be assigned. Any certificate issued or assignment made in violation
7 of this section shall be void. The beneficiary named in the certificate
8 may be changed at any time at the pleasure of the assured, as may be
9 provided for in the articles or by-laws, but no certificate issued for
10 the benefit of a wife or children shall be thus changed so as to become
11 payable to the creditors.

[C., '97, § 1789.]

SEC. 5514. Report to commissioner of insurance—examination.

1 The annual business of such association organized under the laws
2 of this state shall close on the thirty-first day of December of each
3 year, and it shall within sixty days thereafter prepare and file in the

5 by its president and secretary, giving its assets, liabilities, receipts

7 officers, number of contributing members, death losses paid and
8 amount paid on each, death losses reported but not paid, and furnish
9 such other information as the commissioner, who shall provide blanks
10 for that purpose, may require, so that its true financial condition may
11 be shown, and shall pay, upon filing each annual statement, the sum
12 of three dollars, and such other fees as are required by the provisions
13 of section fifty-five hundred forty-four. He shall publish such annual
14 statement in detail in his report, and for the purpose of verifying it
15 he may make or cause to be made an examination of the affairs of any
16 such association at its expense, which shall be, if done by him or his
17 clerk, necessary hotel and traveling expenses only, if by a person not

20 examination herein provided for shall be in addition to those author-
21 ized by the provisions of section fifty-four hundred sixty-eight. If
22 the commissioner regards it necessary for the safety of the funds of
23 the association, he may require the bonds of the officers to be increased
24 to an amount not exceeding double the sum for which they are ac-
25 countable, and he may also require supplemental reports from such
26 association at such time and in such form as he may direct, and it
27 shall be the duty of its officers to furnish the bonds and reports when
28 thus required.

1 Any association accumulating any moneys to be held in trust for
2 the purpose of the fulfillment of its policy or certificate, contract, or

3 otherwise, shall invest such accumulations in the securities provided
4 in section fifty-five hundred thirty-two and deposit the same with the
5 commissioner of insurance, as therein provided. But such association
6 may invest in real estate in Iowa such a portion of said accumulation
7 as is necessary for its accommodation in the transaction of its busi-
8 ness to be owned by said association, and in the erection of any build-
9 ing for such purpose may add thereto rooms for rental.

[C., '97, § 1791.]

SEC. 5516. Change of securities.

1 Such association may at any time change its securities on deposit
2 by substituting a like amount in other securities of the same char-
3 acter, and the commissioner of insurance shall permit a withdrawal
4 of the same, upon satisfactory proof in writing filed with him that
5 they are to be used for the purpose for which they were originally
6 deposited.

[C., '97, § 1792.]

SEC. 5517. Collection of interest.

1 The commissioner of insurance shall permit the associations own-
2 ing the bonds or other securities to collect and retain the interest ac-
3 cruing thereon, delivering to them the evidences of interest as the
4 same become due; but on default of any association to make or en-
5 force such collection, he may collect the same and add it to the securi-
6 ties in his possession, less the expense thereof.

[C., '97, § 1793.]

SEC. 5518. Foreign companies.

1 Any association organized under the laws of any other state to
2 carry on the business of insuring the lives of persons, or of furnishing
3 benefits to the widows, orphans, heirs or legatees of deceased mem-
4 bers, or of paying accident indemnity, or surrender value of certifi-
5 cates of insurance, upon the stipulated premium plan or assessment
6 plan, may be permitted to do business in the state by complying with
7 the requirements hereinafter made, but not otherwise. It shall file
8 with the commissioner of insurance a copy of its charter or articles
9 of incorporation, duly certified by the proper officers of the state
10 wherein it was organized, together with a copy of its by-laws, appli-
11 cation and policy or certificate of membership. It shall also file with
12 the commissioner a statement, signed and verified by its president and
13 secretary, which shall show the name and location of the association,
14 its principal place of business, the names of its president, secretary
15 and other principal officers, the number of certificates or policies in
16 force, the aggregate amount insured thereby, the amount paid to bene-
17 ficiaries in the event of death or accident, the amount paid on the last
18 death loss and the date thereof, the amount of cash or other assets
19 owned by the association and how invested, and any other informa-
20 tion which the commissioner may require. The statement, papers and
21 proofs thus filed shall show that the death loss or surrender value of
22 the certificate of insurance or accident indemnity is in the main pro-
23 vided for by assessments upon or contributions by surviving members
24 of such association, and that it is legally organized, honestly managed,
25 and that an ordinary assessment upon its members or other regular
26 contributions to its mortuary fund are sufficient to pay its maximum

27 certificate to the full limit named therein. Upon its complying with
 28 the provisions of this section, and of section fifty-five hundred thirty-
 29 four, and the payment of twenty-five dollars, the commissioner shall
 30 issue to it a certificate of authority to do business in this state, pro-
 31 vided the same right is extended by the state in which said association
 32 is organized to associations of the same class in this state. When the
 33 commissioner doubts the solvency of any foreign association, and the
 34 failure to pay the full limit named in its certificate or policy shall be
 35 such evidence of its insolvency as to require the commissioner to in-
 36 vestigate it, he shall for this or other good cause, at the expense of
 37 such association, cause an examination of its books, papers and busi-
 38 ness to be made, and if upon such examination he finds that the asso-
 39 ciation is not financially sound, or is not paying its policies or certifi-
 40 cates in full, or is conducting its business fraudulently, or if it shall
 41 fail to make the statement required by law, he may revoke its authority
 42 and prohibit it from doing business until it shall again comply with
 43 the provisions of this chapter. If the commissioner appoints some
 44 one not receiving a regular salary in his office to make this examina-
 45 tion, such examiner shall receive five dollars per day for his services
 46 in addition to his actual traveling and hotel expenses, to be paid by
 47 the association examined, or by the state on the approval of the execu-
 48 tive council, if the association fails to pay the same. The provisions
 49 of this section shall apply to fraternal beneficiary associations doing
 50 exclusively an accident insurance business, and upon compliance with
 51 the provisions of this chapter, and the provisions of chapter five of
 52 title eighteen, so far as the same are applicable, such associations may
 53 be authorized to transact business within this state.

[C., '97, § 1794; S., '13, § 1794.]

SEC. 5519. Proceedings to control or wind up.

1 When any association organized under this title and chapter fails
 2 to make its annual statement on or before the first day of March, or
 3 is conducting its business fraudulently or not in compliance with law,
 4 or is not carrying out its contracts with its members in good faith,
 5 the commissioner of insurance shall promptly communicate the fact
 6 to the attorney general, who shall at once commence action before the
 7 district court of the county in which such association has its principal
 8 place of business, giving it reasonable notice thereof, and if upon a
 9 hearing it is found to be advantageous to the holders of certificates
 10 of membership therein, said court or judge may remove any officer
 11 or officers, and appoint others in their place until the next annual
 12 election. If it is advantageous to the holders of certificates that the
 13 affairs of said corporation be wound up, the court or judge shall so
 14 direct, and for that purpose may appoint a receiver who shall treat
 15 all legal claims for death benefits as preferred. The receiver may
 16 also, with the approval of the court or judge, transfer the members
 17 of such association who consent thereto to some like solvent associa-
 18 tion of the state, or divide the surplus accumulated in proportion to
 19 the share due each certificate at the time.

[C., '97, § 1795.]

SEC. 5520. Certificate of authority.

1 Upon compliance with the provisions thereof by an association,
 2 the commissioner of insurance shall issue to it a certificate, setting
 3 forth that it has fully complied with the provisions of this chapter,

4 and is authorized to transact business for a period of one year from
5 April first of the year of its issue.

[C., '97, § 1796; 37 G. A., ch. 227, § 1.]

SEC. 5521. Distribution of surplus—surrender value.

1 Any association which provides in the main for the payment of
2 death losses or accident indemnity by assessments upon its members,
3 or stipulated premium plan, may provide for the equitable distribu-
4 tion of any surplus or advance insurance fund accumulated in the
5 course of its business, which may be paid in cash or applied in the
6 reduction or payment of future premiums, paid-up or extended insur-
7 ance, as its rules or contracts may provide, and for an equitable sur-
8 render value upon the cancellation of a certificate or policy, provided
9 the terms and conditions thereof are set forth in such policy or cer-
10 tificate of membership, and such surrender value shall in the main be
11 accumulated during the term of such policy or certificate.

[C., '97, § 1797.]

SEC. 5522. Benevolent societies—process.

1 Nothing in this chapter shall be construed to apply to any asso-
2 ciation organized solely for benevolent purposes and composed wholly
3 of members of any one occupation, guild, profession or religious de-
4 nomination, but any such society may, by complying with the provi-
5 sions hereof, become entitled to all the privileges thereof, in which
6 event it shall be amenable to the provisions of this chapter so far as
7 they are applicable; provided that if organized under the laws of an-
8 other state or country, they shall file with the commissioner of insur-
9 ance an agreement in writing authorizing service or notice of process
10 to be made upon the said commissioner, and when so made shall be as
11 valid and binding as if served upon the association within this state.

[C., '97, § 1798; S., '13, § 1798.]

**SEC. 5523. Future organization or authorization prohibited—

1 No life, health or accident insurance company or association,
2 other than fraternal beneficiary associations, which issues contracts,

6 1907] authorized to do business within this state and which, if a
7 life insurance company or association, shall value their assessment
8 policies or certificates of membership as yearly renewable term poli-
9 cies according to the standard of valuation of life insurance policies
10 prescribed by the laws of this state; provided, however, that the
11 insurance commissioner of this state may authorize any health or
12 accident insurance company or association organized under the laws
13 of any other state or territory, to do business in this state, if,
14 under the laws of such state or territory health and accident insurance
15 companies or associations organized under the laws of this state are
16 permitted to do business in such state. The provisions of this section
17 shall not apply to unincorporated assessment associations now existing

19 numbering not less than two hundred fifty, and which were organized
20 or in existence in this state as such unincorporated assessment asso-

21 ciations prior to March twenty-third, nineteen hundred seven; but

SEC. 5524. Reincorporation as legal reserve company — stock company.

1 Any existing domestic assessment company or association or fra-
 2 ternal beneficiary society may, with the written consent of the com-
 3 missioner of insurance, upon a majority vote of its trustees or direc-

[S. S., '15, § 1839-m.]

SEC. 5585. When proceedings may be commenced.

1 No such proceedings shall be commenced by the attorney general
 2 against any fraternal beneficiary society until the commissioner of
 3 insurance has first made an examination of such fraternal beneficiary

 6 ciety, and a reasonable opportunity given to it, on a date to be named
 7 in said notice, to show cause why such proceedings should not be
 8 commenced.

 2 fraternal beneficiary society, the commissioner of insurance shall make
 3 public no financial statement, report or finding, nor shall he permit to
 4 become public any financial statement, report or finding affecting the
 5 status, standing or rights of any such society until a copy of such
 6 examination and investigation shall have been served upon such so-

 8 a reasonable opportunity to answer such financial statement, investiga-
 9 tion, report or finding, and to make such showing in connection there-
 10 with, as it may desire.

[S. S., '15, § 1839-o.]

SEC. 5587. Fraternal beneficiary society may become level premium company—how—plans submitted to commissioner—hearing.

1 Any existing fraternal beneficiary society may amend its articles
 2 of incorporation and by-laws in such a manner as to transform itself
 3 into a legal reserve level premium company doing business either as
 4 a mutual or stock company, but only after complying with the pro-
 5 visions of this and the three following sections.

6 Whenever any such society shall propose to transform itself into
 7 a legal reserve level premium company as herein provided, it shall file
 8 with the commissioner of insurance, its proposed articles and by-laws,
 9 its plan of transformation, setting forth in detail the terms and condi-
 10 tions of such transformation and also the method by which it proposes
 11 to protect the interests of its membership. The commissioner may
 12 proceed to hear and determine such petition without notice, or, if he
 13 deems it necessary that such notice should be given in order to con-
 14 serve the interests of the membership, he shall require the society to
 15 first notify, by mail, all of the members of such society of the pen-
 16 dency of such petition, the contents of such notice to be determined
 17 by the commissioner. When notice shall have been given, as above pro-
 18 vided, any member of said society shall have the right to appear before
 19 said commissioner and be heard with reference to said petition. The
 20 commissioner may also make such examination into the affairs and
 21 conditions of the society as he deems proper, and shall have power to
 22 summon and compel the attendance and testimony of witnesses, and
 23 the production of books and papers, and may administer oaths. If
 24 satisfied that the interests of the membership of said society are prop-

 26 the commissioner may authorize in writing, such transformation, or
 27 may first require such modification thereof as may seem to him neces-
 28 sary for the best interests of such membership; and the said commis-
 29 sioner shall make such order and disposition of the assets of any such
 30 society as in his judgment may be just and equitable.

[38 G. A., ch. 302, § 1.]

SEC. 5588. Plan submitted to supreme governing body society.

1 The commissioner shall require the plan of transformation to be
 2 submitted to the supreme governing body of such society, to be voted
 3 upon. When submitted, it shall be either at a regular meeting of said
 4 supreme governing body or at a special meeting of same called for that
 5 purpose. A notice of said special meeting, in the form approved by the

6 insurance commissioner, shall be given in accordance with the require-

 8 vote of the said supreme governing body present and voting, as author-

 10 an approval of such plan of transformation; and no proxies shall in
 11 any case be voted.

[38 G. A., ch. 302, § 2.]

 2 tion, the board of directors or other managing body of such society
 3 shall submit the plan to a referendum vote of the members of such
 4 society under such regulations as may be prescribed by the commis-
 5 sioner of insurance and if the result of such vote shall show that the
 6 majority of the members of such society has voted to repeal the action
 7 of the supreme governing body, then the same shall be considered as
 8 repealed by such society and shall be null and of no effect. Any such
 9 plan of transformation submitted to the supreme governing body as
 10 herein contemplated, must first have been approved by the commis-
 11 sioner of insurance; and the result of said vote must be filed with
 12 such commissioner and be by him determined before any transforma-
 13 tion shall be so effective. No such transformation shall take place
 14 until after its plan has been approved by the commissioner, either with
 15 or without a hearing as herein provided, nor until such approved plan
 16 has been adopted by a majority vote of the board of directors or board
 17 of trustees of such society; nor, if submitted to the supreme govern-
 18 ing body, until such approved plan has also been adopted by a majority
 19 vote of the said supreme governing body present and voting.

[38 G. A., ch. 302, § 2.]

SEC. 5590. Obligations and benefits—society—officers—stock.

 2 enjoy the benefits thereof the same as though originally thus incor-
 3 porated, and such corporation, under its charter as thus amended, shall
 4 be continuation of such original corporation, and the officers thereof
 5 shall serve through their respective terms as provided in the original
 6 charter, but their successors shall be elected and serve as in such
 7 amended articles provided; but such amendment or reincorporation
 8 shall not affect existing suits, claim or contracts. Any such fraternal

 7 of any table of mortality, valued as yearly renewable term policies

8 according to the standard of valuation of life insurance policies pre-
9 scribed by the laws of this state.

10 *b* Certificates on which the rates of contribution are based upon
11 a standard table of mortality and specified rate of interest, valued in
12 accordance with such standard.

13 The reserve so ascertained shall be held as a liability by the com-
14 pany in its annual statement rendered to the insurance department.

[38 G. A., ch. 302, § 4.]

 6 separate and distinct funds, independent of the other funds of the
 7 society, and shall not be liable for nor used for the payment of the
 8 debts and obligations of the society other than the benefits herein

 15 below five hundred, and upon the issuance of such new certificate any
 16 reserve upon the original certificate herein provided for shall be trans-
 17 ferred to the credit of the new certificate. Neither the person who
 18 originally made application for benefits on account of such child, nor
 19 the beneficiary named in such original certificate, nor the person who
 20 paid the contributions, shall have any vested right in such new cer-
 21 tificate, the free nomination of a beneficiary under the new certificate
 22 being left to the child so admitted to benefit membership.

[37 G. A., ch. 431, § 3.]

SEC. 5595. Annual financial statement.

13 the value of such shares for which new certificates shall be issued to
14 be ascertained under the direction of the commissioner, the company
15 paying for the fractional parts of shares, and the directors of such
16 company may issue new stock and dispose of the same, and issue new
17 certificates therefor, to an amount sufficient to make up the original
18 capital of the company. In the event of additional losses accruing
19 upon new risks, taken after the expiration of the period limited by
20 the commissioner in the aforesaid requisition for the filling up of the
21 deficiency in the capital of such company, and before said deficiency

1 Any condition or stipulation in an application, policy or contract
2 of insurance, making the policy void before the loss occurs, shall not
3 prevent recovery thereon by the insured, if it shall be shown by the
4 plaintiff that the failure to observe such provision or the violation
5 thereof did not contribute to the loss; provided, however, that any
6 condition or stipulation referring to any other insurance, valid or
7 invalid, or to vacancy of the insured premises or the title or owner-
8 ship of the property insured, or to lien, or incumbrances thereon cre-
9 ated by voluntary act of the insured and within his control, or to the
10 suspension or forfeiture of the policy during default or failure to pay
11 any written obligation given to the insurance company for the pre-
12 mium, or to the assignment or transfer of such policy of insurance
13 before loss without the consent of the insurance company, or to the
14 removal of the property insured, or to a change in the occupancy or
15 use of the property insured, if such change or use makes the risk
16 more hazardous, or to the fraud of the insured in the procurement
17 of the contract of insurance, shall not be changed or affected by this
18 provision. No recovery on a policy or contract of insurance shall be
19 defeated for failure of the insured to comply, after a loss occurs, with
20 any arbitration or appraisal stipulation as to fixing value of prop-
21 erty. No arbitration shall take place except where the property was
22 situated at the time of loss. Any agreement, stipulation or condition
23 in any policy or contract of insurance by which any insurance com-
24 pany reserves or has the right to rebuild shall be void and of no effect
25 in case of total loss, or where the amount of loss, upon the request of
26 the insurance company, has been submitted to arbitration. Nothing
27 herein shall be construed to change the limitations or restrictions re-
28 specting the pleading or proving of any defense by any insurance com-
29 pany to which it is subject by law. The provisions of this section
30 shall apply to all contracts of insurance on real and personal property.

3 case of insurance on personal property, shall be given within sixty
4 days from the time loss occurred, and no action for such loss shall be
5 begun within forty days after such notice and proofs have been

6 given to the company, nor shall the time within which action shall be
 7 brought be limited to less than one year from the time when a cause
 8 of action for the loss accrues. No provisions of any policy or con-
 9 tract to the contrary shall affect the provisions of this and the three
 10 preceding sections; provided, however, that nothing contained in this
 11 section or in section fifty-six hundred fifty-eight shall be so construed
 12 as to prohibit any insurance company not required by the statutes of
 13 Iowa to issue a standard form of policy, from embodying, with the
 14 approval of the commissioner of insurance, in any insurance contract
 15 issued by it, provisions or conditions which are more favorable to the
 16 insured than those authorized in said statutes.

 3 provisions of this chapter, shall first be examined and approved by the
 4 commissioner of insurance. Such commissioner shall refuse to au-
 5 thorize it to do business or to renew its permission to do business
 6 when the form of policy issued or proposed to be issued does not pro-
 7 vide for the cancellation of the same at the request of the insured
 8 upon equitable terms, and the return to the insured of any premium
 9 paid in excess of the customary short rates for the insurance up to the
 10 time of cancellation, or the release of the insured from any liability
 11 beyond such short rates, or for losses after the cancellation of the
 12 policy if the insurance be in a mutual company; and in case any com-

 6 property insured in such policy, or shall bear any portion of the loss
 7 on the property insured, shall be void; and the commissioner of in-

11 contracts through such attorney. Three copies of such process shall
12 be served and the commissioner of insurance shall file one copy, for-

14 of service. A judgment rendered in any such case where service of
15 process has been so had upon the commissioner of insurance, shall be
16 valid and binding against any and all such subscribers as their inter-
17 ests appear and such judgment may be satisfied out of the funds in
18 the possession of the attorney belonging to such subscribers.

[37 G. A., ch. 180, § 4.]

14 the payment of losses other than determined losses, shall not equal
15 two hundred thousand dollars, all liability for each determined loss
16 or claim deferred for more than one year, shall be provided for by a
17 special deposit in a trust company of the state in which the principal
18 office is located, to be used in payment of compensation benefits for
19 disability; such deposit to be a trust fund and applicable only to the

11 chapter, but no attorney, agent or other person shall make any such

5 proved by the advisory committee and by the commissioner of insur-
6 ance, shall be deposited with the commissioner of insurance as security
7 for the faithful performance of the duties of the attorney in handling
8 the funds of the subscribers. Should the commissioner of insurance
9 consider the surety on said bond, or the amount thereof, insufficient,
10 he may require additional security or an increase in the amount of the
11 bond. If such additional security or increase be not furnished within
12 thirty days after notice to furnish the same, the commissioner of insur-
13 ance may revoke the certificate of authority. Where the principal
14 office of the attorney is located in another state, there shall be filed
15 with the commissioner of insurance, in connection with the declara-

10 elections shall be by ballot, and the persons receiving the greater
11 number of votes cast shall be directors. If an election of directors
12 shall not be held on the day designated, it may be held on any other

 13 thereon; provided, however, that no such loan shall be made upon
 14 any real estate located west of the one-hundredth meridian line.

15 5. It may discount, purchase, sell and make loans upon commercial
 16 paper, notes, bills of exchange, drafts, or any other personal or public

19 6. In all cases of loans upon real estate, all the expenses of
 20 searches, examination and certificates of title, or the inspection of

 23 in the valuation of real estate upon which a loan shall be made, they
 24 shall be insured by the mortgagor for at least two-thirds of their
 25 value, in some solvent company, and the loss, if any, under the policy
 26 of insurance shall be made payable to the bank or its assigns, as its

10 affirmatively that losses have occurred during the period of the mem-
11 bership of such shareholder in excess of the amount of any fund ac-

6 the auditor of state shall notify the directors thereof, and, if they
7 shall fail to put its affairs upon a safe basis, he shall advise the attor-

1 Building and loan or savings and loan associations, by a vote of
2 three-fourths of the shareholders of such associations, represented in

4 as shall be determined upon by the shareholders at their meeting. In
5 case any such association resolves to go into voluntary liquidation, it
6 shall have power, after crediting the mortgages given by the borrow-
7 ing member with the full book value of the stock, to sell and assign
8 such mortgage to a similar building and loan association, or to any

9 other parties who will hold the same upon the terms under which such
10 mortgage was given to the association. In that event the said mort-

37 borrowing member shall be paid to him. But in the final distribution,

10 withdrawn in accordance with the plan therein adopted. The plan of
11 such consolidation, when approved by the board of directors of each
12 of the associations, shall be reduced to writing and submitted to the
13 executive council, and if they find that the plan is in conformity with
14 the law, and equitable in all respects to the members of both associa-
15 tions, they shall attach thereto their certificate of approval. Such
16 plan shall then be submitted to the members of both associations,
17 either at the regular meetings or at special meetings called for that
18 purpose, and, if approved by a vote of three-fourths of the shares of

 20 the auditor of state, who shall issue a certificate authorizing the con-
 21 solidation. At such meetings the members may vote in person or by

 5 party, and the subject of the tender is not delivered to him within a
 6 reasonable time, the tender shall be of no effect.

[C., '51, § 966; R., '60, § 1815; C., '73, § 2104; C., '97, § 3062.]

SEC. 5906. Receipt—objection.

1 The person making a tender may demand a receipt in writing
 2 for the money or article tendered, as a condition precedent to the de-
 3 livery thereof. The person to whom a tender is made must, at the
 4 time, make any objection which he may have to the money, instru-
 5 ment or property tendered, or he will be deemed to have waived it.

[C., '51, §§ 968, 969; R., '60, §§ 1817, 1818; C., '73, §§ 2106,
 2107; C., '97, § 3063.]

CHAPTER 4.
ASSIGNMENT OF ACCOUNTS AND NONNEGOTIABLE INSTRUMENTS.**SECTION 5907. Assignment of nonnegotiable instruments.**

1 Bonds, duebills, and all instruments by which the maker prom-
 2 ises to pay another, without words of negotiability, a sum of money,
 3 or by which he promises to pay a sum of money in property or labor,
 4 or to pay or deliver any property or labor, or acknowledges any money,
 5 labor or property to be due, are assignable by indorsement thereon,
 6 or by other writing, and the assignee shall have a right of action
 7 thereon in his own name, subject to any defense or counterclaim
 8 which the maker or debtor had against any assignor thereof before
 9 notice of such assignment.

[C., '51, § 949; R., '60, § 1796; C., '73, § 2084; C., '97, § 3044.]

SEC. 5908. When assignment prohibited.

1 When by the terms of an instrument its assignment is prohibited,
 2 an assignment thereof shall nevertheless be valid, but the maker may
 3 avail himself of any defense or counterclaim against the assignee
 4 which he may have against any assignor thereof before notice of such
 5 assignment is given to him in writing.

[C., '51, § 951; R., '60, § 1798; C., '73, § 2086; C., '97, § 3046.]

SEC. 5909. Open account assignable.

1 An open account of sums of money due on contract may be as-
 2 signed, and the assignee will have a right of action thereon in his own
 3 name, subject to such defenses and counterclaims as are allowed
 4 against the instruments mentioned in the preceding section, before
 5 notice of such assignment is given to the debtor in writing by the as-
 6 signee. But no sale or assignment, by the head of a family, of wages,
 7 whether the same be exempt from execution or not, shall be of any
 8 validity whatever unless the same be evidenced by a written instru-
 9 ment, and if married, unless the husband and wife sign and acknowl-

10 edge the same joint instrument before an officer authorized to take
 11 acknowledgments; and assignments of wages shall have priority and
 12 precedence in the order in which notice in writing of such assign-
 13 ments shall be given to the employer, and not otherwise.

[C., '51, § 952; R., '60, § 1799; C., '73, § 2087; C., '97, § 3047;
 S., '13, § 3047.]

SEC. 5910. Assignor liable.

1 The assignor of any of the above instruments not negotiable shall
 2 be liable to the action of his assignee without notice.

[C., '51, § 956; R., '60, 1803; C., '73, § 2088; C., '97, § 3048.]

CHAPTER 5.

SURETIES.

SECTION 5911. May require creditor to sue.

1 When any person bound as surety for another for the payment
 2 of money, or the performance of any other contract in writing, appre-
 3 hends that his principal is about to become insolvent or remove per-
 4 manently from the state without discharging the contract, he may, if
 5 a cause of action has accrued thereon, by writing, require the cred-
 6 itor to sue upon the same, or permit the surety to commence an action
 7 in such creditor's name and at the surety's cost.

[C., '51, § 970; R., '60, § 1819; C., '73, § 2108; C., '97,
 § 3064.]

SEC. 5912. Refusal or neglect.

1 If the creditor refuses or neglects to bring an action for ten days
 2 after request, and does not permit the surety to do so, and furnish
 3 him with a true copy of the contract or other writing therefor, and
 4 enable him to have the use of the original when requisite in such
 5 action, the surety shall be discharged.

[C., '51, § 971; R., '60, § 1820; C., '73, § 2109; C., '97,
 § 3065.]

SEC. 5913. Surety may sue.

1 When the surety commences such action, he shall give a bond
 2 to pay such costs as may be adjudged against the creditor, and the
 3 action shall be brought against all the obligors, but those joining in
 4 the request to the creditor shall make no defense thereto, but may
 5 be heard on the assessment of the damages.

[C., '51, § 972; R., '60, § 1821; C., '73, § 2110; C., '97,
 § 3066.]

SEC. 5914. Executor—official bonds.

1 The provisions of this chapter extend to the executor of a de-
 2 ceased surety and holder of the contract, but not to the official bonds
 3 of public officers, executors or guardians.

[C., '51, § 973; R., '60, § 1822; C., '73, § 2111; C., '97,
 § 3067.]

CHAPTER 6.

NEGOTIABLE INSTRUMENTS.

FORM AND INTERPRETATION.

SECTION 5915. Form of negotiable instrument.

- 1 An instrument to be negotiable must conform to the following
2 requirements:
- 3 1. It must be in writing and signed by the maker or drawer.
 - 4 2. Must contain an unconditional promise or order to pay a sum
5 certain in money.
 - 6 3. Must be payable on demand or at a fixed or determinable
7 future time.
 - 8 4. Must be payable to the order of a specified person or to bearer;
9 and,
 - 10 5. Where the instrument is addressed to a drawee, he must be
11 named or otherwise indicated therein with reasonable certainty.
- [S., '13, § 3060-a1.]

SEC. 5916. Certainty as to sum—what constitutes.

- 1 The sum payable is a sum certain within the meaning of this
2 chapter although it is to be paid:
- 3 1. With interest; or
 - 4 2. By stated installments; or
 - 5 3. By stated installments, with a provision that upon default in
6 payment of any installment, the whole shall become due; or
 - 7 4. With exchange, whether at a fixed rate or at the current rate;
8 or
 - 9 5. With costs of collection or an attorney's fee, in case payment
10 shall not be made at maturity.
- [S., '13, § 3060-a2.]

SEC. 5917. When promise is unconditional.

- 1 An unqualified order or promise to pay is unconditional within
2 the meaning of this chapter, though coupled with:
- 3 1. An indication of a particular fund out of which reimburse-
4 ment is to be made, or a particular account to be debited with the
5 amount; or
 - 6 2. A statement of the transaction which gives rise to the instru-
7 ment. But an order or promise to pay out of a particular fund is
8 not unconditional.
- [S., '13, § 3060-a3.]

SEC. 5918. Determinable future time—what constitutes.

- 1 An instrument is payable at a determinable future time, within
2 the meaning of this chapter, which is expressed to be payable:
- 3 1. At a fixed period after date or sight; or
 - 4 2. On or before a fixed or determinable future time specified
5 therein; or
 - 6 3. On or at a fixed period after the occurrence of a specified
7 event, which is certain to happen, though the time of happening be
8 uncertain.
- 9 An instrument payable upon a contingency is not negotiable, and
10 the happening of the event does not cure the defect.
- [S., '13, § 3060-a4.]

SEC. 5919. Additional provisions not affecting negotiability.

- 1 An instrument which contains an order or promise to do an act
 2 in addition to the payment of money is not negotiable. But the ne-
 3 gotiable character of an instrument otherwise negotiable is not af-
 4 fected by a provision which:
- 5 1. Authorizes the sale of collateral securities in case the instru-
 6 ment be not paid at maturity; or
 - 7 2. Authorizes a confession of judgment if the instrument be not
 8 paid at maturity; or
 - 9 3. Waives the benefit of any law intended for the advantage or
 10 protection of the obligor; or
 - 11 4. Gives the holder an election to require something to be done
 12 in lieu of payment of money.
- 13 But nothing in this section shall validate any provision or stipu-
 14 lation otherwise illegal.

[S., '13, § 3060-a5.]

SEC. 5920. Omissions—seal—particular money.

- 1 The validity and negotiable character of an instrument are not
 2 affected by the fact that:
- 3 1. It is not dated; or
 - 4 2. Does not specify the value given, or that any value has been
 5 given therefor; or
 - 6 3. Does not specify the place where it is drawn or the place
 7 where it is payable; or
 - 8 4. Bears a seal; or
 - 9 5. Designates a particular kind of current money in which pay-
 10 ment is to be made.
- 11 But nothing in this section shall alter or repeal any statute re-
 12 quiring in certain cases the nature of the consideration to be stated
 13 in the instrument.

[S., '13, § 3060-a6.]

SEC. 5921. When payable on demand.

- 1 An instrument is payable on demand:
- 2 1. Where it is expressed to be payable on demand, or at sight,
 3 or on presentation; or
 - 4 2. In which no time for payment is expressed.
- 5 Where an instrument is issued, accepted or indorsed when over-
 6 due, it is, as regards the person so issuing, accepting or indorsing
 7 it, payable on demand.

[S., '13, § 3060-a7.]

SEC. 5922. When payable to order.

- 1 The instrument is payable to order where it is drawn payable
 2 to the order of a specified person or to him or his order. It may be
 3 drawn payable to the order of:
- 4 1. A payee who is not maker, drawer or drawee; or
 - 5 2. The drawer or maker; or
 - 6 3. The drawee; or
 - 7 4. Two or more payees jointly; or
 - 8 5. One or some of several payees; or
 - 9 6. The holder of an office for the time being.

10 Where the instrument is payable to order, the payee must be
11 named or otherwise indicated therein with reasonable certainty.

[S., '13, § 3060-a8.]

SEC. 5923. When payable to bearer.

1 The instrument is payable to bearer:

2 1. When it is expressed to be so payable; or

3 2. When it is payable to a person named therein or bearer; or

4 3. When it is payable to the order of a fictitious or nonexisting
5 person, and such fact was known to the person making it so pay-
6 able; or

7 4. When the name of the payee does not purport to be the name
8 of any person; or

9 5. When the only or last indorsement is an indorsement in blank.

[S., '13, § 3060-a9.]

SEC. 5924. Terms—when sufficient.

1 The negotiable instrument need not follow the language of this
2 chapter, but any terms are sufficient which clearly indicate an inten-
3 tion to conform to the requirements thereof.

[S., '13, § 3060-a10.]

SEC. 5925. Date—presumption as to.

1 When the instrument or an acceptance or any indorsement there-
2 on is dated, such date is deemed prima facie to be the true date of
3 the making, drawing, acceptance or indorsement, as the case may be.

[S., '13, § 3060-a11.]

SEC. 5926. Antedated and postdated.

1 The instrument is not invalid for the reason only that it is ante-
2 dated or postdated, provided this is not done for an illegal or fraudu-
3 lent purpose. The person to whom an instrument so dated is delivered
4 acquires the title thereto as of the date of delivery.

[S., '13, § 3060-a12.]

SEC. 5927. When date may be inserted.

1 When an instrument expressed to be payable at a fixed period
2 after date is issued undated, or where the acceptance of an instru-
3 ment payable at a fixed period after sight is undated, any holder may
4 insert therein the true date of issue or acceptance, and the instru-
5 ment shall be payable accordingly. The insertion of a wrong date
6 does not avoid the instrument in the hands of a subsequent holder
7 in due course; but as to him, the date so inserted is to be regarded
8 as the true date.

[S., '13, § 3060-a13.]

SEC. 5928. Blanks—when may be filled.

1 Where the instrument is wanting in any material particular, the
2 person in possession thereof has a prima facie authority to complete
3 it by filling up the blanks therein. And a signature on a blank paper
4 delivered by the person making the signature in order that the paper
5 may be converted into a negotiable instrument operates as a prima
6 facie authority to fill it up as such for any amount. In order, how-

7 ever, that any such instrument when completed may be enforced
 8 against any person who became a party thereto prior to its comple-
 9 tion, it must be filled up strictly in accordance with the authority given
 10 and within a reasonable time. But if any such instrument, after
 11 completion, is negotiated to a holder in due course it is valid and effec-
 12 tual for all purposes in his hands, and he may enforce it as if it had
 13 been filled up strictly in accordance with the authority given and
 14 within a reasonable time.

[S., '13, § 3060-a14.]

SEC. 5929. Incomplete instrument not delivered.

1 Where an incomplete instrument has not been delivered it will
 2 not, if completed and negotiated, without authority, be a valid con-
 3 tract in the hands of any holder, as against any person whose signa-
 4 ture was placed thereon before delivery.

[S., '13, § 3060-a15.]

SEC. 5930. Delivery—when effectual—when presumed.

1 Every contract on a negotiable instrument is incomplete and re-
 2 vocable until delivery of the instrument for the purpose of giving
 3 effect thereto. As between immediate parties, and as regards a re-
 4 mote party other than a holder in due course, the delivery, in order
 5 to be effectual, must be made either by or under the authority of the
 6 party making, drawing, accepting or indorsing, as the case may be;
 7 and in such case the delivery may be shown to have been conditional
 8 or for a special purpose only, and not for the purpose of transferring
 9 the property in the instrument. But where the instrument is in the
 10 hands of a holder in due course, a valid delivery thereof by all parties
 11 prior to him so as to make them liable to him, is conclusively presumed.
 12 And where the instrument is no longer in the possession of a party
 13 whose signature appears thereon, a valid and intentional delivery by
 14 him is presumed until the contrary is proved.

[S., '13, § 3060-a16.]

SEC. 5931. Construction where instrument is ambiguous.

1 Where the language of the instrument is ambiguous, or there are
 2 omissions therein, the following rules of construction apply:
 3 1. Where the sum payable is expressed in words and also in fig-
 4 ures and there is a discrepancy between the two, the sum denoted by
 5 the words is the sum payable; but if the words are ambiguous or un-
 6 certain, references may be had to the figures to fix the amount.
 7 2. Where the instrument provides for the payment of interest,
 8 without specifying the date from which interest is to run, the interest
 9 runs from the date of the instrument, and if the instrument is un-
 10 dated, from the issue thereof.
 11 3. Where the instrument is not dated, it will be considered to be
 12 dated as of the time it was issued.
 13 4. Where there is conflict between the written and printed pro-
 14 visions of the instrument, the written provisions prevail.
 15 5. Where the instrument is so ambiguous that there is doubt
 16 whether it is a bill or a note, the holder may treat it as either, at his
 17 election.
 18 6. Where a signature is so placed upon the instrument that it is
 19 not clear in what capacity the person making the same intended to
 20 sign, he is to be deemed an indorser.

21 7. Where an instrument containing the words "I promise to pay,"
22 is signed by two or more persons, they are deemed to be jointly and
23 severally liable thereon.

[S., '13, § 3060-a17.]

SEC. 5932. Liability of person signing in trade or assumed name.

1 No person is liable on the instrument whose signature does not
2 appear thereon, except as herein otherwise expressly provided. But
3 one who signs in a trade or assumed name will be liable to the same
4 extent as if he had signed in his own name.

[S., '13, § 3060-a18.]

SEC. 5933. Signature by agent—authority—how shown.

1 The signature of any party may be made by a duly authorized
2 agent. No particular form of appointment is necessary for this pur-
3 pose; and the authority of the agent may be established as in other
4 cases of agency.

[S., '13, § 3060-a19.]

SEC. 5934. Liability of person signing as agent.

1 Where the instrument contains, or a person adds to his signature,
2 words indicating that he signs for or on behalf of the principal, or in
3 a representative capacity, he is not liable on the instrument if he
4 was duly authorized; but the mere addition of words describing him
5 as an agent, or as filling a representative character without disclos-
6 ing his principal, does not exempt him from personal liability.

[S., '13, § 3060-a20.]

SEC. 5935. Signature by procuration—effect of.

1 A signature by "procuration" operates as notice that the agent
2 has but a limited authority to sign, and the principal is bound only
3 in case the agent in so signing acted within the actual limits of his
4 authority.

[S., '13, § 3060-a21.]

SEC. 5936. Effect of indorsement by infant or corporation.

1 The indorsement or assignment of the instrument by a corpora-
2 tion or by an infant passes the property therein, notwithstanding that
3 from want of capacity the corporation or infant may incur no liabil-
4 ity thereon.

[S., '13, § 3060-a22.]

SEC. 5937. Forged signature—effect of.

1 Where a signature is forged or made without the authority of the
2 person whose signature it purports to be, it is wholly inoperative, and
3 no right to retain the instrument, or to give a discharge therefor, or
4 to enforce payment thereof against any party thereto, can be acquired
5 through or under such signature, unless the party against whom it
6 is sought to enforce such right is precluded from setting up the forgery
7 or want of authority.

[S., '13, § 3060-a23.]

CONSIDERATION OF NEGOTIABLE INSTRUMENTS.

SEC. 5938. Presumption of consideration.

1 Every negotiable instrument is deemed prima facie to have been
 2 issued for a valuable consideration, and every person whose signature
 3 appears thereon to have become a party thereto for value.
 [S., '13, § 3060-a24.]

SEC. 5939. Consideration—what constitutes.

1 Value is any consideration sufficient to support a simple contract.
 2 An antecedent or preexisting debt constitutes value, and is deemed
 3 such, whether the instrument is payable on demand or at a future time.
 [S., '13, § 3060-a25.]

SEC. 5940. What constitutes holder for value.

1 Where value has at any time been given for the instrument, the
 2 holder is deemed a holder for value in respect to all parties who be-
 3 came such prior to that time.
 [S., '13, § 3060-a26.]

SEC. 5941. When lien on instrument constitutes holder for value.

1 Where the holder has a lien on the instrument, arising either
 2 from contract or by implication of law, he is deemed a holder for
 3 value to the extent of his lien.
 [S., '13, § 3060-a27.]

SEC. 5942. Effect of want of consideration.

1 Absence or failure of consideration is matter of defense as against
 2 any person not a holder in due course, and partial failure of considera-
 3 tion is a defense pro tanto, whether the failure is an ascertained and
 4 liquidated amount or otherwise.
 [S., '13, § 3060-a28.]

SEC. 5943. Liability of accommodation party.

1 An accommodation party is one who has signed the instrument
 2 as maker, drawer, acceptor, or indorser, without receiving value there-
 3 for, and for the purpose of lending his name to some other person.
 4 Such a person is liable on the instrument to a holder for value, not-
 5 withstanding such holder at the time of taking the instrument knew
 6 him to be only an accommodation party.
 [S., '13, § 3060-a29.]

NEGOTIATION.

SEC. 5944. What constitutes negotiation.

1 An instrument is negotiated when it is transferred from one per-
 2 son to another in such manner as to constitute the transferee the
 3 holder thereof. If payable to bearer, it is negotiated by delivery; if
 4 payable to order, it is negotiated by the indorsement of the holder,
 5 completed by delivery.
 [S., '13, § 3060-a30.]

SEC. 5945. Indorsement—how made.

1 The indorsement must be written on the instrument itself or
 2 upon a paper attached thereto. The signature of the indorser, with-
 3 out additional words, is a sufficient indorsement.

[S., '13, § 3060-a31.]

SEC. 5946. Indorsement must be of entire instrument.

1 The indorsement must be an indorsement of the entire instru-
 2 ment. An indorsement which purports to transfer to the indorsee
 3 a part only of the amount payable, or which purports to transfer the
 4 instrument to two or more indorsees severally, does not operate as a
 5 negotiation of the instrument. But where the instrument has been
 6 paid in part, it may be indorsed as to the residue.

[S., '13, § 3060-a32.]

SEC. 5947. Kinds of indorsement.

1 An indorsement may be either in blank or special; and it may
 2 also be either restrictive or qualified, or conditional.

[S., '13, § 3060-a33.]

SEC. 5948. Special indorsement—indorsement in blank.

1 A special indorsement specifies the person to whom or to whose
 2 order the instrument is to be payable; and the indorsement of such
 3 indorsee is necessary to the further negotiation of the instrument.
 4 An indorsement in blank specifies no indorsee, and an instrument so
 5 indorsed is payable to bearer, and may be negotiated by delivery.

[S., '13, § 3060-a34.]

SEC. 5949. Blank indorsement—how changed to special indorsement.

1 The holder may convert a blank indorsement into a special in-
 2 dorsement by writing over the signature of the indorser in blank any
 3 contract consistent with the character of the indorsement.

[S., '13, § 3060-a35.]

SEC. 5950. When indorsement restrictive.

1 An indorsement is restrictive which either:
 2 1. Prohibits the further negotiation of the instrument; or
 3 2. Constitutes the indorsee the agent of the indorser; or
 4 3. Vests the title in the indorsee in trust for or to the use of some
 5 other person. But the mere absence of words implying power to
 6 negotiate does not make an indorsement restrictive.

[S., '13, § 3060-a36.]

SEC. 5951. Effect of restrictive indorsement—rights of indorsee.

1 A restrictive indorsement confers upon the indorsee the right:
 2 1. To receive payment of the instrument.
 3 2. To bring any action thereon that the indorser could bring.
 4 3. To transfer his rights as such indorsee, where the form of the
 5 indorsement authorizes him to do so.

6 But all subsequent indorsees acquire only the title of the first
 7 indorsee under the restrictive indorsement.

[S., '13, § 3060-a37.]

SEC. 5952. Qualified indorsement.

1 A qualified indorsement constitutes the indorser a mere assignor
2 of the title to the instrument. It may be made by adding to the in-
3 dorser's signature the words "without recourse" or any words of
4 similar import. Such an indorsement does not impair the negotiable
5 character of the instrument.

[S., '13, § 3060-a38.]

SEC. 5953. Conditional indorsement.

1 Where an indorsement is conditional, a party required to pay the
2 instrument may disregard the condition, and make payment to the
3 indorsee or his transferee, whether the conditions have been fulfilled
4 or not. But any person to whom an instrument so indorsed is ne-
5 gotiated, will hold the same, or the proceeds thereof, subject to the
6 rights of the person indorsing conditionally.

[S., '13, § 3060-a39.]

SEC. 5954. Indorsement of instrument payable to bearer.

1 Where an instrument, payable to bearer, is indorsed specially, it
2 may nevertheless be further negotiated by delivery; but the person
3 indorsing specially is liable as indorser to only such holders as make
4 title through his indorsement.

[S., '13, § 3060-a40.]

SEC. 5955. Indorsement where payable to two or more persons.

1 Where an instrument is payable to the order of two or more pay-
2 ees or indorsees who are not partners, all must indorse unless the one
3 indorsing has authority to indorse for the others.

[S., '13, § 3060-a41.]

SEC. 5956. Effect of instrument drawn or indorsed to a person as cashier.

1 Where an instrument is drawn or indorsed to a person, as "cash-
2 ier" or other fiscal officer of a bank or corporation, it is deemed prima
3 facie to be payable to the bank or corporation of which he is such
4 officer; and may be negotiated by either the indorsement of the bank
5 or corporation, or the indorsement of the officer.

[S., '13, § 3060-a42.]

SEC. 5957. Indorsement where name is misspelled.

1 Where the name of a payee or indorsee is wrongly designated or
2 misspelled, he may indorse the instrument as therein described add-
3 ing, if he thinks fit, his proper signature.

[S., '13, § 3060-a43.]

SEC. 5958. Indorsement in representative capacity.

1 Where any person is under obligation to indorse in a representa-
2 tive capacity, he may indorse in such terms as to negative personal
3 liability.

[S., '13, § 3060-a44.]

SEC. 5959. Time of indorsement—presumption.

1 Except where an indorsement bears date after the maturity of
2 the instrument, every negotiation is deemed prima facie to have been
3 effected before the instrument was overdue.

[S., '13, § 3060-a45.]

SEC. 5960. Place of indorsement—presumption.

1 Except where the contrary appears every indorsement is pre-
2 sumed prima facie to have been made at the place where the instru-
3 ment is dated.

[S., '13, § 3060-a46.]

SEC. 5961. Continuation of negotiable character.

1 An instrument negotiable in its origin continues to be negotiable
2 until it has been restrictively indorsed or discharged by payment or
3 otherwise.

[S., '13, § 3060-a47.]

SEC. 5962. Striking out indorsement.

1 The owner may at any time strike out any indorsement which
2 is not necessary to his title. The indorser whose indorsement is
3 struck out, and all indorsers subsequent to him, are thereby relieved
4 from liability on the instrument.

[S., '13, § 3060-a48.]

SEC. 5963. Transfer without indorsement—effect of.

1 Where the holder of an instrument payable to his order transfers
2 it for value without indorsing it, the transfer vests in the transferee
3 such title as the transferor had therein, and the transferee acquires,
4 in addition, the right to have the indorsement of the transferor. But
5 for the purpose of determining whether the transferee is a holder in
6 due course, the negotiation takes effect as of the time when the in-
7 dorsement is actually made.

[S., '13, § 3060-a49.]

SEC. 5964. When prior party may negotiate instrument.

1 Where an instrument is negotiated back to a prior party, such
2 party may, subject to the provisions of this chapter, reissue and fur-
3 ther negotiate the same, but he is not entitled to enforce payment
4 thereof against any intervening party to whom he was personally
5 liable.

[S., '13, § 3060-a50.]

RIGHTS OF HOLDER.**SEC. 5965. Right of holder to sue—payment.**

1 The holder of a negotiable instrument may sue thereon in his
2 own name and payment to him in due course discharges the instru-
3 ment.

[S., '13, § 3060-a51.]

SEC. 5966. What constitutes a holder in due course.

1 A holder in due course is a holder who has taken the instrument
2 under the following conditions:

- 3 1. That the instrument is complete and regular upon its face.
4 2. That he became the holder of it before it was overdue, and
5 without notice that it had been previously dishonored, if such was the
6 fact.
7 3. That he took it in good faith and for value.
8 4. That at the time it was negotiated to him he had no notice of
9 any infirmity in the instrument or defect in the title of the person
10 negotiating it.

[S., '13, § 3060-a52.]

SEC. 5967. When person not deemed holder in due course.

- 1 Where an instrument payable on demand is negotiated an un-
2 reasonable length of time after its issue, the holder is not deemed a
3 holder in due course.

[S., '13, § 3060-a53.]

SEC. 5968. Notice before full amount paid.

- 1 Where the transferee receives notice of any infirmity in the in-
2 strument or defect in the title of the person negotiating the same
3 before he has paid the full amount agreed to be paid therefor, he
4 will be deemed a holder in due course only to the extent of the amount
5 theretofore paid by him.

[S., '13, § 3060-a54.]

SEC. 5969. When title defective.

- 1 The title of a person who negotiates an instrument is defective
2 within the meaning of this chapter when he obtained the instrument,
3 or any signature thereto, by fraud, duress, or force and fear, or other
4 unlawful means, or for an illegal consideration, or when he negotiates
5 it in breach of faith, or under such circumstances as amount to a fraud.

[S., '13, § 3060-a55.]

SEC. 5970. What constitutes notice of defect.

- 1 To constitute notice of an infirmity in the instrument or defect
2 in the title of the person negotiating the same, the person to whom
3 it is negotiated must have had actual knowledge of the infirmity or
4 defect, or knowledge of such facts that his action in taking the instru-
5 ment amounted to bad faith.

[S., '13, § 3060-a56.]

SEC. 5971. Rights of holder in due course.

- 1 A holder in due course holds the instrument free from any defect
2 of title of prior parties, and free from defenses available to prior
3 parties among themselves, and may enforce payment of the instru-
4 ment for the full amount thereof against all parties liable thereon.

[S., '13, § 3060-a57.]

SEC. 5972. When subject to original defenses.

- 1 In the hands of any holder other than a holder in due course, a
2 negotiable instrument is subject to the same defenses as if it were
3 nonnegotiable. But a holder who derives his title through a holder
4 in due course, and who is not himself a party to any fraud or illegality

5 affecting the instrument, has all the rights of such former holder in
6 respect of all parties prior to the latter.

[S., '13, § 3060-a58.]

SEC. 5973. Who deemed holder in due course.

1 Every holder is deemed prima facie to be a holder in due course;
2 but when it is shown that the title of any person who has negotiated
3 the instrument was defective, the burden is on the holder to prove
4 that he or some person under whom he claims acquired the title as a
5 holder in due course. But the last mentioned rule does not apply in
6 favor of a party who became bound on the instrument prior to the
7 acquisition of such defective title.

[S., '13, § 3060-a59.]

LIABILITIES OF PARTIES.

SEC. 5974. Liability of maker.

1 The maker of a negotiable instrument by making it engages that
2 he will pay it according to its tenor, and admits the existence of the
3 payee and his then capacity to endorse.

[S., '13, § 3060-a60.]

SEC. 5975. Liability of drawer.

1 The drawer by drawing the instrument admits the existence of
2 the payee and his then capacity to indorse, and engages that on due
3 presentment the instrument will be accepted or paid, or both, accord-
4 ing to its tenor, and that if it be dishonored, and the necessary pro-
5 ceedings on dishonor be duly taken, he will pay the amount thereof to
6 the holder, or to any subsequent indorser who may be compelled to
7 pay it. But the drawer may insert in the instrument an express
8 stipulation negating or limiting his own liability to the holder.

[S., '13, § 3060-a61.]

SEC. 5976. Liability of acceptor.

5 2. The existence of the payee and his then capacity to indorse.

[S., '13, § 3060-a62.]

SEC. 5977. When person deemed indorser.

1 A person placing his signature upon an instrument otherwise

3 he clearly indicates by appropriate words his intention to be bound
4 in some other capacity.

[S., '13, § 3060-a63.]

SEC. 5978. Liability of irregular indorser.

1 Where a person, not otherwise a party to an instrument, places
2 thereon his signature in blank before delivery, he is liable as indorser
3 in accordance with the following rules:

4 1. If the instrument is payable to the order of a third person,
5 he is liable to the payee and to all subsequent parties.

6 2. If the instrument is payable to the order of the maker or
7 drawer, or is payable to bearer, he is liable to all parties subsequent
8 to the maker or drawer.

9 3. If he signs for the accommodation of the payee, he is liable
10 to all parties subsequent to the payee.

[S., '13, § 3060-a64.]

SEC. 5979. Warranty where negotiation by delivery.

1 Every person negotiating an instrument by delivery or by a quali-
2 fied indorsement, warrants:

3 1. That the instrument is genuine and in all respects what it pur-
4 ports to be.

5 2. That he has a good title to it.

6 3. That all prior parties had capacity to contract.

7 4. That he has no knowledge of any fact which would impair the
8 validity of the instrument or render it valueless.

9 But when the negotiation is by delivery only, the warranty ex-
10 tends in favor of no holder other than the immediate transferee. The
11 provisions of subdivision three of this section do not apply to persons
12 negotiating public or corporate securities, other than bills and notes.

[S., '13, § 3060-a65.]

SEC. 5980. Liability of general indorser.

4 three of the next preceding section; and

5 2. That the instrument is at the time of his indorsement valid
6 and subsisting. And, in addition, he engages that on due present-

10 to the holder, or to any subsequent indorser who may be compelled to
11 pay it.

SEC. 5982. Order in which indorsers are liable.

1 As respects one another, indorsers are liable prima facie in the
2 order in which they indorse; but evidence is admissible to show that
3 as between or among themselves they have agreed otherwise. Joint
4 payees or joint indorsees who indorse are deemed to indorse jointly
5 and severally.

[S., '13, § 3060-a68.]

[S., '13, § 3060-a69.]

PRESENTMENT FOR PAYMENT.

SEC. 5984. Effect of want of demand on principal debtor.

1 Presentment for payment is not necessary in order to charge the
2 person primarily on the instrument; but if the instrument is, by its
3 terms, payable at a special place, and he is able and willing to pay it
4 there at maturity, such ability and willingness are equivalent to a
5 tender of payment upon his part. But, except as herein otherwise
6 provided, presentment for payment is necessary in order to charge
7 the drawer and indorsers.

[S., '13, § 3060-a70.]

SEC. 5985. Presentment where instrument is not payable on demand.

1 Delay in making presentment for payment is excused when the

SEC. 6030. When notice need not be given to indorser.

- 1 Notice of dishonor is not required to be given to an indorser in
 2 either of the following cases:
 3 1. Where the drawee is a fictitious person or a person not having
 4 capacity to contract and the indorser was aware of the fact at the
 5 time he indorsed the instrument.
 6 2. Where the indorser is the person to whom the instrument is
 7 presented for payment.
 8 3. Where the instrument was made or accepted for his accom-
 9 modation.

[S., '13, § 3060-a115.]

SEC. 6031. Notice of nonpayment where acceptance refused.

- 1 Where due notice of dishonor by nonacceptance has been given,
 2 notice of a subsequent dishonor by nonpayment is not necessary,
 3 unless in the meantime the instrument has been accepted.

[S., '13, § 3060-a116.]

SEC. 6032. Effect of omission to give notice of nonacceptance.

- 1 An omission to give notice of dishonor by nonacceptance does
 2 not prejudice the rights of a holder in due course subsequent to the
 3 omission.

[S., '13, § 3060-a117.]

SEC. 6033. When protest need not be made—when must be made.

- 1 Where any negotiable instrument has been dishonored it may
 2 be protested for nonacceptance or nonpayment as the case may be;
 3 but protest is not required, except in the case of foreign bills of
 4 exchange.

[S., '13, § 3060-a118.]

DISCHARGE OF NEGOTIABLE INSTRUMENTS.

SEC. 6034. How instrument discharged.

- 1 A negotiable instrument is discharged:
 2 1. By payment in due course by or on behalf of the principal
 3 debtor.
 4 2. By payment in due course by the party accommodated, where
 5 the instrument is made or accepted for accommodation.
 6 3. By the intentional cancellation thereof by the holder.
 7 4. By any other act which will discharge a simple contract for
 8 the payment of money.

 2 1. By an act which discharges the instrument.
 3 2. By the intentional cancellation of his signature by the holder.

- 4 3. By the discharge of a prior party.
 5 4. By the valid tender of payment made by a prior party.
 6 5. By a release of the principal debtor, unless the holder's right
 7 of recourse against the party secondarily liable is expressly reserved.
 8 6. By an agreement binding upon the holder to extend the time of
 9 payment, or to postpone the holder's right to enforce the instrument,
 10 unless made with the assent of the party secondarily liable, or unless

 [S. S., '15, § 3060-a120.]

SEC. 6036. Right of party who discharges instrument.

- 1 Where the instrument is paid by a party secondarily liable
 2 thereon, it is not discharged; but the party so paying it is remitted to

 4 his own and all subsequent indorsements, and again negotiate the
 5 instrument, except:
 6 1. Where it is payable to the order of a third person, and has been
 7 paid by the drawer; and
 8 2. Where it was made or accepted for accommodation, and has
 9 been paid by the party accommodated.
 [S., '13, § 3060-a121.]

SEC. 6037. Renunciation by holder.

- 1 The holder may expressly renounce his rights against any party
 2 to the instrument before, at or after its maturity. An absolute and
 3 unconditional renunciation of his rights against the principal debtor
 4 made at or after the maturity of the instrument discharges the instru-
 5 ment. But a renunciation does not affect the rights of a holder in
 6 due course without notice. A renunciation must be in writing, unless
 7 the instrument is delivered up to the person primarily liable thereon.
 [S., '13, § 3060-a122.]

SEC. 6038. Cancellation—unintentional—burden of proof.

- 1 A cancellation made unintentionally, or under a mistake, or with-

 [S., '13, § 3060-a123.]

SEC. 6039. Alteration of instrument—effect of.

- 1 Where a negotiable instrument is materially altered without the
 2 assent of all parties liable thereon, it is avoided, except as against a
 3 party who has himself made, authorized or assented to the alteration
 4 and subsequent indorsers. But when an instrument has been mate-
 5 rially altered and is in the hands of a holder in due course, not a
 6 party to the alteration, he may enforce payment thereof according to
 7 its original tenor.
 [S., '13, § 3060-a124.]

SEC. 6040. What constitutes a material alteration.

- 1 Any alteration which changes:
 2 1. The date;

- 3 2. The sum payable, either for principal or interest;
 4 3. The time or place of payment;
 5 4. The number or the relations of the parties;
 6 5. The medium or currency in which payment is to be made;
 7 Or which adds a place of payment where no place of payment is
 8 specified, or any other change or addition which alters the effect of
 9 the instrument in any respect, is a material alteration.
 [S., '13, § 3060-a125.]

BILLS OF EXCHANGE—FORM AND INTERPRETATION.

SEC. 6041. Bill of exchange defined.

- 1 A bill of exchange is an unconditional order in writing addressed
 2 by one person to another, signed by the person giving it, requiring the
 3 person to whom it is addressed to pay on demand, or at a fixed or
 4 determinable future time, a sum certain in money to order or to bearer.
 [S., '13, § 3060-a126.]

SEC. 6042. Bill not an assignment of funds in hands of drawee.

- 1 A bill of itself does not operate as an assignment of the funds in
 2 the hands of the drawee available for the payment thereof, and the
 3 drawee is not liable on the bill unless and until he accepts the same.
 [S., '13, § 3060-a127.]

SEC. 6043. Bill addressed to more than one drawee.

- 1 A bill may be addressed to two or more drawees jointly, whether
 2 they are partners or not; but not to two or more drawees in the alter-
 3 native or in succession.
 [S., '13, § 3060-a128.]

SEC. 6044. Inland and foreign bills of exchange.

- 1 An inland bill of exchange is a bill which is, or on its face pur-
 2 ports to be, both drawn and payable within this state. Any other bill
 3 is a foreign bill. Unless the contrary appears on the face of the bill,
 4 the holder may treat it as an inland bill.
 [S., '13, § 3060-a129.]

SEC. 6045. When bill may be treated as promissory note.

- 1 Where in a bill the drawer and drawee are the same person, or
 2 where the drawee is a fictitious person, or a person not having capacity
 3 to contract the holder may treat the instrument, at his option, either
 4 as a bill of exchange or a promissory note.
 [S., '13, § 3060-a130.]

SEC. 6046. Referee in case of need.

- 1 The drawer of a bill and any indorser may insert thereon the
 2 name of a person to whom the holder may resort in case of need, that
 3 is to say, in case the bill is dishonored by nonacceptance or non-
 4 payment. Such person is called the referee in case of need. It is in
 5 the option of the holder to resort to the referee in case of need or not,
 6 as he may see fit.
 [S., '13, § 3060-a131.]

ACCEPTANCE OF BILLS OF EXCHANGE.

SEC. 6047. Acceptance—how made.

1 The acceptance of a bill is the signification by the drawee of his
 2 assent to the order of the drawer. The acceptance must be in writing
 3 and signed by the drawee. It must not express that the drawee will
 4 perform his promise by any other means than the payment of money.
 [S., '13, § 3060-a132.]

SEC. 6048. Holder entitled to acceptance on face of bill.

1 The holder of a bill presenting the same for acceptance may
 2 require that the acceptance be written on the bill, and if such request
 3 is refused, may treat the bill as dishonored.
 [S., '13, § 3060-a133.]

SEC. 6049. Acceptance by separate instrument.

1 Where an acceptance is written on a paper other than the bill
 2 itself, it does not bind the acceptor except in favor of a person to
 3 whom it is shown and who, on the faith thereof, receives the bill for
 4 value.
 [S., '13, § 3060-a134.]

SEC. 6050. Promise to accept—when equivalent to acceptance.

1 An unconditional promise in writing to accept a bill before it is
 2 drawn is deemed an actual acceptance in favor of every person who,
 3 upon the faith thereof, receives the bill for value.
 [S., '13, § 3060-a135.]

SEC. 6051. Time allowed drawee to accept.

1 The drawee is allowed twenty-four hours after presentment in
 2 which to decide whether or not he will accept the bill; but the accept-
 3 ance, if given, dates as of the day of presentation.
 [S., '13, § 3060-a136.]

SEC. 6052. Liability of drawee retaining or destroying bill.

1 Where a drawee to whom a bill is delivered for acceptance de-
 2 stroys the same, or refuses within twenty-four hours after such deliv-
 3 ery, or within such other period as the holder may allow, to return the
 4 bill accepted or nonaccepted to the holder, he will be deemed to have
 5 accepted the same.
 [S., '13, § 3060-a137.]

SEC. 6053. Acceptance of incomplete bill.

1 A bill may be accepted before it has been signed by the drawer, or
 2 while otherwise incomplete, or when it is overdue, or after it has been
 3 dishonored by a previous refusal to accept, or by nonpayment. But
 4 when a bill payable after sight is dishonored by nonacceptance and the
 5 drawee subsequently accepts it, the holder, in the absence of any
 6 different agreement, is entitled to have the bill accepted as of the date
 7 of the first presentment.
 [S., '13, § 3060-a138.]

SEC. 6054. Kinds of acceptance.

1 An acceptance is either general or qualified. A general acceptance
 2 assents without qualification to the order of the drawer. A qualified
 3 acceptance in express terms varies the effect of the bill as drawn.
 [S., '13, § 3060-a139.]

SEC. 6055. What constitutes a general acceptance.

1 An acceptance to pay at a particular place is a general acceptance
 2 unless it expressly states that the bill is to be paid there only and not
 3 elsewhere.
 [S., '13, § 3060-a140.]

SEC. 6056. Qualified acceptance.

1 An acceptance is qualified, which is:

 4 2. Partial, that is to say, an acceptance to pay part only of the
 5 amount for which the bill is drawn.
 6 3. Local, that is to say, an acceptance to pay only at a particular
 7 place.
 8 4. Qualified as to time.
 9 5. The acceptance of some one or more of the drawees, but not
 10 of all.
 [S., '13, § 3060-a141.]

SEC. 6057. Rights of parties to qualified acceptance.

1 The holder may refuse to take a qualified acceptance, and if he
 2 does not obtain an unqualified acceptance, he may treat the bill as dis-
 3 honored by nonacceptance. Where a qualified acceptance is taken, the
 4 drawer and indorsers are discharged from liability on the bill, unless
 5 they have expressly or impliedly authorized the holder to take a quali-
 6 fied acceptance, or subsequently assent thereto. When the drawer or
 7 an indorser receives notices of a qualified acceptance, he must within a
 8 reasonable time express his dissent to the holder, or he will be deemed
 9 to have assented thereto.
 [S., '13, § 3060-a142.]

 4 of the instrument; or
 5 2. Where the bill expressly stipulates that it shall be presented
 6 for acceptance; or
 7 3. Where the bill is drawn payable elsewhere than at the resi-
 8 dence or place of business of the drawee.
 9 In no other case is presentment for acceptance necessary in order
 10 to render any party to the bill liable.
 [S., '13, § 3060-a143.]

SEC. 6059. When failure to present releases drawer and indorser.

1 Except as herein otherwise provided, the holder of a bill which is
 2 required by the next preceding section to be presented for acceptance

3 must either present it for acceptance or negotiate it within a reason-
4 able time. If he fail to do so, the drawer and all indorsers are dis-
5 charged.

[S., '13, § 3060-a144.]

SEC. 6060. Presentment—how made.

1 Presentment for acceptance must be made by or on behalf of the
2 holder at a reasonable hour, on a business day and before the bill is
3 overdue, to the drawee or some person authorized to accept or refuse
4 acceptance on his behalf; and:

5 1. Where a bill is addressed to two or more drawees who are not
6 partners, presentment must be made to them all, unless one has
7 authority to accept or refuse acceptance for all, in which case present-
8 ment may be made to him only.

9 2. Where the drawee is dead, presentment may be made to his
10 personal representative.

11 3. Where the drawee has been adjudged a bankrupt or an insol-

1 Where the holder of a bill drawn payable elsewhere than at the
2 place of business or the residence of the drawee has not time with the
3 exercise of reasonable diligence to present the bill for acceptance
4 before presenting it for payment on the day that it falls due, the delay
5 caused by presenting the bill for acceptance before presenting it for
6 payment is excused and does not discharge the drawers and indorsers.

[S., '13, § 3060-a147.]

SEC. 6063. Where presentment is excused.

1 Presentment for acceptance is excused and a bill may be treated
2 as dishonored by nonacceptance, in either of the following cases:

2 ored by nonacceptance, it must be duly protested for nonacceptance,
3 and where such a bill which has not previously been dishonored by
4 nonacceptance is dishonored by nonpayment, it must be duly protested
5 for nonpayment. If it is not so protested, the drawer and indorsers
6 are discharged. Where a bill does not appear on its face to be a for-
7 eign bill, protest thereof in case of dishonor is unnecessary.

[S., '13, § 3060-a152.]

 2 that when a bill drawn payable at the place of business or residence of
 3 some person other than the drawee, has been dishonored by non-

12 ration issuing them, and the name and address of the party to whom
13 issued, the location of the elevator, warehouse, building or other place
14 where the commodity therein described is stored, the date of the issu-
15 ance of such certificate, the quantity of each commodity therein men-
16 tioned, the brands or marks of identification thereon, if any, and be
17 signed by the person or firm issuing the same, unless issued by a corpo-
18 ration, in which case they shall be signed by such corporation by its

10 where the same is or is to be located, the name or names of any person,
11 other than the one making such declaration, who has any interest in
12 such elevator, warehouse or other building, or in the land on which it

4 the book, page and name of the county where the record of such
5 declaration may be found; and, when such certificate is so issued and
6 delivered, it shall have the effect of transferring to the holder thereof
7 the title to the commodities therein described or enumerated, and shall
8 be assignable by written indorsement thereon, signed by the lawful
9 holder thereof, which shall transfer the title of commodities therein
10 enumerated, and be presumptive evidence of ownership in such holder.
11 No record or other notice shall be necessary to protect the rights of
12 the holder of the certificate as against subsequent purchasers of the
13 property.

[C., '97, § 3124.]

SEC. 6118. Registration of certificates and transfers.

1 All certificates given under the provisions of this chapter shall be
2 registered by the party issuing them in a book kept for that purpose,
3 showing the date thereof, the number of each, the name of the party
4 to whom issued, the quantities and kinds of commodities enumerated
5 therein, and the brands or other distinguishing marks thereon, if any,
6 which book shall be open to the inspection of any person holding any
7 of the certificates that may be outstanding and in force, or his agent
8 or attorney; and when any commodity enumerated in any such certifi-
9 cate is delivered to the holder thereof, or it in any other manner be-
10 comes inoperative, the fact and date of such delivery or other termina-
11 tion of such liability shall be entered in such register, in connection
12 with the original entry of the issuance thereof.

SEC. 6119. Property subject to certificate.

1 No person, firm or corporation shall issue any elevator or ware-
2 house certificate for any of the commodities enumerated in this chap-
3 ter unless such property is actually in the elevator or warehouse or
4 other building mentioned therein as being the place where such com-
5 modity is stored, and it shall remain there until otherwise ordered by
6 the lawful holder of such certificate, subject to the conditions of the
7 contract between the warehouseman and the person to whom such
8 certificate was issued, or his assignee, as to the time of its remaining
9 in store; and no second certificate shall be issued for the same prop-
10 erty or any part thereof while the first is outstanding and in force,
11 nor shall any such commodities be by the warehouseman sold, incum-
12 bered, shipped, transferred or removed from the elevator, warehouse
13 or other building where the same was stored at the time such certifi-
14 cate was issued, without the written consent of the holder thereof.

[C., '73, §§ 2172-2174; C., '97, § 3126.]

1 Anyone injured by the violation of any of the provisions of this
 2 chapter may recover his actual damages sustained on account thereof,
 3 and if wilfully done, in addition thereto, exemplary damages in any

 5 shall be found and returned by special verdict.

[C., '73, § 2176; C., '97, § 3127.]

SEC. 6121. Penalties.

1 Any person who shall wilfully alter or destroy any register of cer-
 2 tificates provided for in this chapter, or issue any receipt or certifi-
 3 cate without entering and preserving in such book the registered
 4 memorandum; or who shall knowingly issue any certificate herein pro-
 5 vided for when the commodity or commodities therein enumerated are
 6 not in fact in the building or buildings it is certified they are in; or
 7 shall, with intent to defraud, issue a second or other certificate for any
 8 such commodity, for which, or for any part of which, a former valid
 9 certificate is outstanding and in force; or shall, while any valid certifi-
 10 cate for any part of the commodities mentioned in this chapter is out-
 11 standing and in force, sell, incumber, ship, transfer, or remove from
 12 the elevator, warehouse or building where the same is stored, any
 13 such certified property, or knowingly permit the same to be done,
 14 without the written consent of the holder of such certificate; or if any
 15 person knowingly receives any such property or helps to remove the
 16 same,—he shall, upon conviction, be punished by fine not exceeding
 17 ten thousand dollars, or by imprisonment in the penitentiary not ex-
 18 ceeding five years.

[C., '73, § 2175; C., '97, § 3128.]

CHAPTER 8.**WAREHOUSE RECEIPTS, DUTIES AND LIABILITIES OF WAREHOUSEMEN.****SECTION 6122. Who may issue receipts.**

1 Warehouse receipts may be issued by any warehouseman.
 [S., '13, § 3138-a.1.]

SEC. 6123. Form of receipts—essential terms.

1 Warehouse receipts need not be in any particular form, but every
 2 such receipt must embody within its written or printed terms—
 3 1. The location of the warehouse where the goods are stored.
 4 2. The date of issue of the receipt.
 5 3. The consecutive number of the receipt.
 6 4. A statement whether the goods received will be delivered to the
 7 bearer, to a specified person, or to a specified person or his order.
 8 5. The rate of storage charges.
 9 6. A description of the goods or of the packages containing them.
 10 7. The signature of the warehouseman, which may be made by
 11 his authorized agent.
 12 8. If the receipt is issued for goods of which the warehouseman is
 13 owner, either solely or jointly or in common with others, the fact of
 14 such ownership; and

15 9. A statement of the amount of advances made and of liabilities
16 incurred for which the warehouseman claims a lien. If the precise
17 amount of such advances made or of such liabilities incurred is, at
18 the time of the issue of the receipt, unknown to the warehouseman or
19 to his agent who issues it, a statement of the fact that advances have
20 been made or liabilities incurred and the purpose thereof is sufficient.
21 A warehouseman shall be liable to any person injured thereby,
22 for all damages caused by the omission from a negotiable receipt of
23 any of the terms herein required.

[S., '13, § 3138-a2.]

SEC. 6124. What terms may be inserted.

1 A warehouseman may insert in a receipt, issued by him, any other
2 terms and conditions, provided that such terms and conditions shall
3 not—

4 1. Be contrary to the provisions of this chapter.

5 2. In anywise impair his obligation to exercise that degree of
6 care in the safe-keeping of the goods intrusted to him which a reason-
7 ably careful man would exercise in regard to similar goods of his own.

[S., '13, § 3138-a3.]

SEC. 6125. Nonnegotiable receipt defined.

1 A receipt in which it is stated that the goods received will be
2 delivered to the depositor, or to any other specified person, is a non-
3 negotiable receipt.

[S., '13, § 3138-a4.]

SEC. 6126. Negotiable receipt defined.

1 A receipt in which it is stated that the goods received will be de-
2 livered to the bearer, or to the order of any person named in such
3 receipt, is a negotiable receipt. No provision shall be inserted in a
4 negotiable receipt that it is nonnegotiable. Such provisions, if in-
5 serted, shall be void.

[S., '13, § 3138-a5.]

SEC. 6127. Duplicate receipts must be so marked.

1 When more than one negotiable receipt is issued for the same
2 goods, the word "duplicate" shall be plainly placed upon the face of
3 every such receipt, except the one first issued. A warehouseman shall
4 be liable for all damage caused by his failure so to do to anyone who
5 purchased the subsequent receipt for value supposing it to be an orig-
6 inal, even though the purchase be after the delivery of the goods by
7 the warehouseman to the holder of the original receipt.

[S., '13, § 3138-a6.]

SEC. 6128. Failure to mark "not negotiable."

1 A nonnegotiable receipt shall have plainly placed upon its face by
2 the warehouseman issuing it "nonnegotiable," or "not negotiable."
3 In case of the warehouseman's failure so to do, a holder of the receipt
4 who purchased it for value supposing it to be negotiable, may, at his
5 option, treat such receipt as imposing upon the warehouseman the
6 same liabilities he would have incurred had the receipt been nego-

7 liable. This section shall not apply, however, to letters, memoranda
8 or written acknowledgments of an informal character.

[S., '13, § 3138-a7.]

SEC. 6129. Obligation of warehouseman to deliver.

1 A warehouseman, in the absence of some lawful excuse provided
2 by this chapter, is bound to deliver the goods upon a demand made
3 either by the holder of a receipt for the goods or by the depositor, if
4 such demand is accompanied with—

5 1. An offer to satisfy the warehouseman's lien.

6 2. An offer to surrender the receipt if negotiable, with such
7 indorsements as would be necessary for the negotiation of the re-
8 ceipt; and

9 3. A readiness and willingness to sign, when the goods are de-
10 livered, an acknowledgment that they have been delivered, if such
11 signature is requested by the warehouseman.

12 In case the warehouseman refuses or fails to deliver the goods in
13 compliance with a demand by the holder or depositor so accompanied,
14 the burden shall be upon the warehouseman to establish the existence
15 of a lawful excuse for such refusal.

[S., '13, § 3138-a8.]

SEC. 6130. Justification of warehouseman delivering.

1 A warehouseman is justified in delivering the goods, subject to
2 the provisions of the three following sections, to one who is—

3 1. The person lawfully entitled to the possession of the goods, or
4 his agent.

5 2. A person who is either himself entitled to delivery by the
6 terms of a nonnegotiable receipt issued for the goods, or who has
7 written authority from the person so entitled either indorsed upon
8 the receipt or written upon another paper; or

9 3. A person in possession of a negotiable receipt by the terms
10 of which the goods are deliverable to him or order or to bearer, or
11 which has been indorsed to him or in blank by the person to whom
12 delivery was promised by the terms of the receipt or by his mediate
13 or immediate indorsee.

[S., '13, § 3138-a9.]

SEC. 6131. Warehouseman's liability for misdelivery.

1 Where a warehouseman delivers the goods to one who is not in
2 fact lawfully entitled to the possession of them, the warehouseman
3 shall be liable as for conversion to all having a right of property or
4 possession in the goods if he delivered the goods otherwise than as
5 authorized by subdivisions two and three of the preceding section and
6 though he delivered the goods as authorized by said subdivisions he
7 shall be so liable, if prior to such delivery he had either—

8 1. Been requested, by or on behalf of the person lawfully entitled
9 to a right of property or possession in the goods, not to make such
10 delivery; or

11 2. Had information that the delivery about to be made was to one
12 not lawfully entitled to the possession of the goods.

[S., '13, § 3138-a10.]

SEC. 6132. Negotiable receipt must be canceled when goods delivered.

1 Except as provided in section sixty-one hundred fifty-seven,
 2 where a warehouseman delivers goods for which he had issued a nego-
 3 tiable receipt, the negotiation of which would transfer the right to the
 4 possession of the goods, and fails to take up and cancel the receipt, he
 5 shall be liable to anyone who purchases for value in good faith such
 6 receipt, for failure to deliver goods to him, whether such purchaser
 7 acquired title to the receipt before or after the delivery of the goods by
 8 the warehouseman.

[S., '13, § 3138-a11.]

SEC. 6133. Negotiable receipt must be canceled or marked when part of goods delivered.

1 Except as provided in section sixty-one hundred fifty-seven, where
 2 a warehouseman delivers part of the goods for which he had issued a
 3 negotiable receipt and fails either to take up and cancel such receipt,
 4 or to place plainly upon it a statement of what goods or packages have
 5 been delivered, he shall be liable, to anyone who purchases for value in
 6 good faith such receipt, for failure to deliver all the goods specified
 7 in the receipt, whether such purchaser acquired title to the receipt
 8 before or after the delivery of any portion of the goods by the ware-
 9 houseman.

[S., '13, § 3138-a12.]

SEC. 6134. Altered receipts.

1 The alteration of a receipt shall not excuse the warehouseman
 2 who issued it from any liability if such alteration was—

- 3 1. Immaterial,
- 4 2. Authorized, or
- 5 3. Made without fraudulent intent.

6 If the alteration was authorized, the warehouseman shall be liable
 7 according to the terms of the receipt as altered. If the alteration was
 8 unauthorized, but made without fraudulent intent, the warehouseman
 9 shall be liable according to the terms of the receipt, as they were
 10 before alteration. Material and fraudulent alteration of a receipt shall
 11 not excuse the warehouseman who issued it from liability to deliver,
 12 according to the terms of the receipt as originally issued, the goods
 13 for which it was issued, but shall excuse him from any other liability
 14 to the person who made the alteration and to any person who took
 15 with notice of the alteration. Any purchaser of the receipt for value
 16 without notice of the alteration shall acquire the same rights against
 17 the warehouseman which such purchaser would have acquired if the
 18 receipt had not been altered at the time of the purchase.

[S., '13, § 3138-a13.]

SEC. 6135. Lost or destroyed receipts.

1 Where a negotiable receipt has been lost or destroyed, a court of
 2 competent jurisdiction may order the delivery of the goods upon satis-
 3 factory proof of such loss or destruction and upon the giving of a
 4 bond with sufficient sureties to be approved by the court to protect the
 5 warehouseman from any liability or expense, which he or any person
 6 injured by such delivery may incur by reason of the original receipt

7 remaining outstanding. The court may also in its discretion order
8 the payment of the warehouseman's reasonable costs and counsel fees.
9 The delivery of the goods under an order of the court as provided in
10 this section, shall not relieve the warehouseman from liability to a
11 person to whom the negotiable receipt has been or shall be negotiated
12 for value without notice of the proceedings or of the delivery of the
13 goods.

[S., '13, § 3138-a14.]

SEC. 6136. Effect of duplicate receipt.

1 A receipt upon the face of which the word "duplicate" is plainly
2 placed is a representation and warranty by the warehouseman that
3 such receipt is an accurate copy of an original receipt properly issued
4 and uncanceled at the date of the issue of the duplicate, but shall
5 impose upon him no other liability.

[S., '13, § 3138-a15.]

SEC. 6137. Warehouseman can not set up title in himself.

1 No title or right to the possession of the goods, on the part of the
2 warehouseman, unless such title or right is derived directly or indi-
3 rectly from a transfer made by the depositor at the time of or subse-
4 quent to the deposit for storage, or from the warehouseman's lien,
5 shall excuse the warehouseman from liability for refusing to deliver
6 the goods according to the terms of the receipt.

[S., '13, § 3138-a16.]

SEC. 6138. Interpleader of adverse claimants.

1 If more than one person claims the title or possession of the goods,
2 the warehouseman may, either as a defense to an action brought
3 against him for nondelivery of the goods, or as an original suit, which-
4 ever is appropriate, require all known claimants to interplead.

[S., '13, § 3138-a17.]

SEC. 6139. Warehouseman has reasonable time to determine validity of claims.

1 If some one other than the depositor or person claiming under him
2 has a claim to the title or possession of the goods, and the warehouse-
3 man has information of such claim, the warehouseman shall be ex-
4 cused from liability for refusing to deliver the goods, either to the
5 depositor or person claiming under him or to adverse claimant, until
6 the warehouseman has had a reasonable time to ascertain the validity
7 of the adverse claim or to bring legal proceedings to compel all claim-
8 ants to interplead.

[S., '13, § 3138-a18.]

SEC. 6140. Adverse title no defense—exceptions.

1 Except as provided in the two preceding sections and in sections
2 sixty-one hundred thirty and sixty-one hundred fifty-seven, no right
3 or title of a third person shall be a defense to an action brought by the
4 depositor or person claiming under him against the warehouseman for
5 failure to deliver the goods according to the terms of the receipt.

[S., '13, § 3138-a19.]

SEC. 6141. Liability for nonexistence or misdescription of goods.

1 A warehouseman shall be liable to the holder of a receipt for
 2 damages caused by the nonexistence of the goods or by the failure of
 3 the goods to correspond with the description thereof in the receipt at
 4 the time of its issue. If, however, the goods are described in a receipt
 5 merely by a statement of marks or labels upon them, or upon packages
 6 containing them, or by a statement that the goods are said to be
 7 goods of a certain kind, or that packages containing the goods are said
 8 to contain goods of a certain kind, or by words of like purport, such
 9 statements, if true, shall not make liable the warehouseman issuing
 10 the receipt, although the goods are not of the kind which the marks
 11 or labels upon them indicate or of the kind they were said to be by
 12 the depositor.

[S., '13, § 3138-a20.]

SEC. 6142. Liability for care of goods.

1 A warehouseman shall be liable for any loss or injury to the goods
 2 caused by his failure to exercise such care in regard to them as a rea-
 3 sonably careful owner of similar goods would exercise, but he shall not
 4 be liable, in the absence of an agreement to the contrary, for any loss
 5 or injury to the goods which could not have been avoided by the exer-
 6 cise of such care.

[S., '13, § 3138-a21.]

SEC. 6143. Goods must be kept separate.

1 Except as provided in the following section, a warehouseman
 2 shall keep the goods so far separate from goods of other depositors,
 3 and from other goods of the same depositor for which a separate
 4 receipt has been issued, as to permit at all times the identification and
 5 redelivery of the goods deposited.

[S., '13, § 3138-a22.]

SEC. 6144. Fungible goods may be commingled, if warehouseman authorized.

1 If authorized by agreement or by custom, a warehouseman may
 2 mingle fungible goods with other goods of the same kind and grade.
 3 In such case the various depositors of the mingled goods shall own
 4 the entire mass in common, and each depositor shall be entitled to such
 5 portion thereof as the amount deposited by him bears to the whole.

[S., '13, § 3138-a23.]

SEC. 6145. Liability of warehouseman to depositors of commingled goods.

1 The warehouseman shall be severally liable to each depositor for
 2 the care and redelivery of his share of such mass to the same extent
 3 and under the same circumstances as if the goods had been kept
 4 separate.

[S., '13, § 3138-a24.]

SEC. 6146. Attachment or levy upon goods for which a negotiable receipt has been issued.

1 If goods are delivered to a warehouseman by the owner or by a
 2 person whose act in conveying the title to them to a purchaser in good

3 faith for value would bind the owner, and a negotiable receipt is issued
 4 for them, they can not thereafter, while in the possession of the ware-
 5 houseman, be attached by garnishing or otherwise, or be levied upon
 6 under an execution, unless the receipt be first surrendered to the ware-
 7 houseman, or its negotiation enjoined. The warehouseman shall in
 8 no case be compelled to deliver up the actual possession of the goods
 9 until the receipt is surrendered to him or impounded by the court.

[S., '13, § 3138-a25.]

SEC. 6147. Creditors' remedies to reach negotiable receipts.

1 A creditor whose debtor is the owner of a negotiable receipt shall
 2 be entitled to such aid from courts of appropriate jurisdiction, by
 3 injunction and otherwise, in attaching such receipt or in satisfying
 4 the claim by means thereof as is allowed at law or in equity, in regard
 5 to property which can not readily be attached or levied upon by ordi-
 6 nary legal process.

[S., '13, § 3138-a26.]

SEC. 6148. What claims included in warehouseman's lien.

1 Subject to the provisions of section sixty-one hundred fifty-one,
 2 a warehouseman shall have a lien on goods deposited or on the pro-
 3 ceeds thereof in his hands, for all lawful charges for storage and
 4 preservation of the goods; also for all lawful claims for money ad-
 5 vanced, interest, insurance, transportation, labor, weighing, coopering
 6 and other charges and expenses in relation to such goods; also for all
 7 reasonable charges and expenses for notice, and advertisements of
 8 sale, and for sale of the goods where default has been made in satis-
 9 fying the warehouseman's lien.

[S., '13, § 3138-a27.]

SEC. 6149. Against what property lien may be enforced.

1 Subject to the provisions of section sixty-one hundred fifty-one,
 2 a warehouseman's lien may be enforced—

3 1. Against all goods, whenever deposited, belonging to the person
 4 who is liable as debtor for the claims in regard to which the lien is
 5 asserted; and

6 2. Against all goods belonging to others which have been depos-
 7 ited at any time by the person who is liable as debtor for the claims
 8 in regard to which the lien is asserted, if such person has been so
 9 intrusted with the possession of the goods that a pledge of the same
 10 by him at the time of the deposit to one who took the goods in good
 11 faith for value would have been valid.

[S., '13, § 3138-a28.]

SEC. 6150. How lien may be lost.

1 A warehouseman loses his lien upon goods—

2 1. By surrendering possession thereof; or

3 2. By refusing to deliver the goods when a demand is made with
 4 which he is bound to comply under the provisions of this chapter.

[S., '13, § 3138-a29.]

SEC. 6151. Negotiable receipt must state charges for which lien is claimed.

1 If a negotiable receipt is issued for goods, the warehouseman shall
 2 have no lien thereon, except for charges for storage of those goods
 3 subsequent to the date of the receipt, unless the receipt expressly enu-
 4 merates other charges for which a lien is claimed. In such case there
 5 shall be a lien for the charges enumerated so far as they are within
 6 the terms of section sixty-one hundred forty-eight, although the
 7 amount of the charges so enumerated is not stated in the receipt.

[S., '13, § 3138-a30.]

SEC. 6152. Warehouseman need not deliver until lien is satisfied.

1 A warehouseman having a lien valid against the person demand-
 2 ing the goods may refuse to deliver the goods to him until the lien is
 3 satisfied.

[S., '13, § 3138-a31.]

SEC. 6153. Warehouseman's lien does not preclude other remedies.

1 Whether a warehouseman has or has not a lien upon the goods,
 2 he is entitled to all remedies allowed by law to a creditor against his
 3 debtor, for the collection from the depositor of all charges and ad-
 4 vances which the depositor has expressly or impliedly contracted with
 5 the warehouseman to pay.

[S., '13, § 3138-a32.]

SEC. 6154. Satisfaction of lien by sale.

1 A warehouseman's lien for a claim which has become due may be
 2 satisfied as follows:

3 The warehouseman shall give a written notice to the person on
 4 whose account the goods are held, and to any other person known by
 5 the warehouseman to claim an interest in the goods. Such notice shall
 6 be given by delivery in person or by registered letter addressed to the
 7 last known place of business or abode of the person to be notified. The
 8 notice shall contain—

9 1. An itemized statement of the warehouseman's claim, showing
 10 the sum due at the time of the notice and the date or dates when it
 11 became due.

12 2. A brief description of the goods against which the lien exists.

13 3. A demand that the amount of the claim as stated in the notice,
 14 and of such further claim as shall accrue, shall be paid on or before a
 15 day mentioned, not less than ten days from the delivery of the notice
 16 if it is personally delivered, or from the time when the notice should
 17 reach its destination, according to the due course of post, if the notice
 18 is sent by mail; and

19 4. A statement that unless the claim is paid within the time speci-
 20 fied the goods will be advertised for sale and sold by auction at a
 21 specified time and place.

22 In accordance with the terms of a notice so given, a sale of the
 23 goods by auction may be had to satisfy any valid claim of the ware-
 24 houseman for which he has a lien on the goods. The sale shall be had
 25 in the place where the lien was acquired, or, if such place is manifestly
 26 unsuitable for the purpose, at the nearest suitable place. After the

27 time for the payment of the claim specified in the notice to the de-
 28 positor has elapsed, an advertisement of the sale, describing the goods
 29 to be sold, and stating the name of the owner or person on whose ac-
 30 count the goods are held, and the time and place of the sale, shall be
 31 published once a week for two consecutive weeks in a newspaper pub-
 32 lished in the place where such sale is to be held. The sale shall not be
 33 held less than fifteen days from the time of the first publication. If
 34 there is no newspaper published in such place, the advertisement shall
 35 be posted at least ten days before such sale in not less than six con-
 36 spicuous places therein. From the proceeds of such sale the ware-
 37 houseman shall satisfy his lien, including the reasonable charges of
 38 notice, advertisement, and sale. The balance, if any, of such proceeds
 39 shall be held by the warehouseman, and delivered on demand to the
 40 person to whom he would have been bound to deliver or justified in
 41 delivering the goods. At any time before the goods are so sold any
 42 person claiming a right of property or possession therein may pay the
 43 warehouseman the amount necessary to satisfy his lien and to pay
 44 the reasonable expenses and liabilities incurred in serving notices and
 45 advertising and preparing for the sale up to the time of such pay-
 46 ment. The warehouseman shall deliver the goods to the person mak-
 47 ing such payment if he is a person entitled, under the provisions of
 48 this chapter, to the possession of the goods on payment of charges
 49 thereon. Otherwise the warehouseman shall retain possession of the
 50 goods according to the terms of the original contract of deposit.

[S., '13, § 3138-a33.]

SEC. 6155. Perishable and hazardous goods.

1 If goods are of a perishable nature, or by keeping will deteriorate
 2 greatly in value, or by their odor, leakage, inflammability, or ex-
 3 plosive nature, will be liable to injure other property, the warehou-
 4 se-man may give such notice to the owner, or to the person in whose name
 5 the goods are stored, as is reasonable and possible under the circum-
 6 stances, to satisfy the lien upon such goods and to remove them from
 7 the warehouse, and in the event of the failure of such person to sat-
 8 isfy the lien and to remove the goods within the time so specified, the
 9 warehouseman may sell the goods at public or private sale without
 10 advertising. If the warehouseman, after a reasonable effort, is un-
 11 able to sell such goods, he may dispose of them in a lawful manner,
 12 and shall incur no liability by reason thereof. The proceeds of any
 13 sale made under the terms of this section shall be disposed of in the
 14 same way as the proceeds of sales made under the terms of the pre-
 15 ceding section.

[S., '13, § 3138-a34.]

SEC. 6156. Other methods of enforcing liens.

1 The remedy for enforcing a lien herein provided does not pre-
 2 clude any other remedies allowed by law for the enforcement of a
 3 lien against personal property nor bar the right to recover so much of
 4 the warehouseman's claim as shall not be paid by the proceeds of the
 5 sale of the property.

[S., '13, § 3138-a35.]

SEC. 6157. Effect of sale.

1 After the goods have been lawfully sold to satisfy a warehou-
 2 se-man's lien, or have been lawfully sold or disposed of because of their

3 perishable or hazardous nature, the warehouseman shall not there-
 4 after be liable for failure to deliver the goods to the depositor, or
 5 owner of the goods, or to a holder of the receipt given for the goods
 6 when they were deposited, even if such receipt be negotiable.

[S., '13, § 3138-a36.]

SEC. 6158. Negotiation of negotiable receipts by delivery.

1 A negotiable receipt may be negotiated by delivery—
 2 1. Where, by the terms of the receipt, the warehouseman under-
 3 takes to deliver the goods to the bearer; or

4 2. Where, by the terms of the receipt, the warehouseman under-
 5 takes to deliver the goods to the order of a specified person, and such
 6 person or a subsequent indorsee of the receipt has indorsed it in blank
 7 or to bearer.

8 Where, by the terms of a negotiable receipt, the goods are deliv-
 9 erable to bearer or where a negotiable receipt has been indorsed in
 10 blank or to bearer, any holder may indorse the same to himself or to
 11 any other specified person, and in such case the receipt shall thereafter
 12 be negotiated only by the indorsement of such indorsee.

[S., '13, § 3138-a37.]

SEC. 6159. Negotiation of negotiable receipts by indorsement.

1 A negotiable receipt may be negotiated by the indorsement of the
 2 person to whose order the goods are, by the terms of the receipt, deliv-
 3 erable. Such indorsement may be in blank; to bearer or to a specified
 4 person. If indorsed to a specified person, it may be again negotiated
 5 by the indorsement of such person in blank, to bearer or to another
 6 specified person. Subsequent negotiation may be made in like manner.

[S., '13, § 3138-a38.]

SEC. 6160. Transfer of receipts.

1 A receipt which is not in such form that it can be negotiated by
 2 delivery may be transferred by the holder by delivery to a purchaser
 3 or donee. A nonnegotiable receipt can not be negotiated, and the in-
 4 dorsement of such a receipt gives the transferee no additional right.

[S., '13, § 3138-a39.]

SEC. 6161. Who may negotiate a receipt.

1 A negotiable receipt may be negotiated—

2 1. By the owner thereof; or

3 2. By any person to whom the possession or custody of the receipt
 4 has been intrusted by the owner, if, by the terms of the receipt, the
 5 warehouseman undertakes to deliver the goods to the order of the
 6 person to whom the possession or custody of the receipt has been in-
 7 trusted, or if, at the time of such intrusting, the receipt is in such
 8 form that it may be negotiated by delivery.

[S., '13, § 3138-a40.]

**SEC. 6162. Rights of persons to whom receipt has been nego-
 tiated.**

1 A person to whom a negotiable receipt has been duly negotiated
 2 acquires thereby—

3 1. Such title to the goods as the person negotiating the receipt to
 4 him had or had ability to convey to a purchaser in good faith for value,

5 and also such title to the goods as the depositor or person to whose
6 order the goods were to be delivered by the terms of the receipt had
7 or had ability to convey to a purchaser in good faith for value; and
8 2. The direct obligation of the warehouseman to hold possession
9 of the goods for him according to the terms of the receipt as fully as
10 if the warehouseman had contracted directly with him.

[S., '13, § 3138-a41.]

SEC. 6163. Rights of persons to whom receipt has been transferred.

1 A person to whom a receipt has been transferred but not nego-
2 tiated, acquires thereby, as against the transferor, the title to the
3 goods, subject to the terms of any agreement with the transferor. If
4 the receipt is nonnegotiable such person also acquires the right to
5 notify the warehouseman of the transfer to him of such receipt, and
6 thereby to acquire the direct obligation of the warehouseman to hold
7 possession of the goods for him according to the terms of the receipt.
8 Prior to the notification of the warehouseman by the transferor or
9 transferee of a nonnegotiable receipt, the title of the transferee to the
10 goods and the right to acquire the obligation of the warehouseman
11 may be defeated by the levy of an attachment or execution upon the
12 goods by a creditor of the transferor, or by a notification to the ware-
13 houseman by the transferor or by a subsequent purchaser from the
14 transferor of a subsequent sale of the goods by the transferor.

[S., '13, § 3138-a42.]

SEC. 6164. Transfer of negotiable receipt without indorsement.

1 Where a negotiable receipt is transferred for value by delivery,
2 and the indorsement of the transferor is essential for negotiation, the
3 transferee acquires a right against the transferor to compel him to
4 indorse the receipt, unless a contrary intention appears. The negotia-
5 tion shall take effect as of the time when the indorsement is actually
6 made.

[S., '13, § 3138-a43.]

SEC. 6165. Warranties on sale of receipt.

1 A person who for value negotiates or transfers a receipt by in-
2 dorsement or delivery, including one who assigns for value a claim
3 secured by a receipt, unless a contrary intention appears, warrants—
4 1. That the receipt is genuine.
5 2. That he has a legal right to negotiate or transfer it.
6 3. That he has knowledge of no fact which would impair the
7 validity or worth of the receipt; and
8 4. That he has a right to transfer the title to the goods, and that
9 the goods are merchantable or fit for a particular purpose whenever
10 such warranties would have been implied, if the contract of the parties
11 had been to transfer without a receipt the goods represented thereby.

[S., '13, § 3138-a44.]

SEC. 6166. Indorser not a guarantor.

1 The indorsement of a receipt shall not make the indorser liable
2 for any failure on the part of the warehouseman or previous indorsers
3 of the receipt to fulfill their respective obligations.

[S., '13, § 3138-a45.]

SEC. 6167. No warranty implied from accepting payment of debt.

1 A mortgagee, pledgee or holder for security of a receipt who, in
 2 good faith, demands or receives payment of the debt for which such
 3 receipt is security, whether from a party to a draft drawn for such
 4 debt or from any other person, shall not by so doing be deemed to
 5 represent or to warrant the genuineness of such receipt or the quality
 6 or quantity of the goods therein described.

[S., '13, § 3138-a46.]

SEC. 6168. When negotiation not impaired by fraud, mistake or duress.

1 The validity of the negotiation of a receipt is not impaired by
 2 the fact that such negotiation was a breach of duty on the part of the
 3 person making the negotiation, or by the fact that the owner of the
 4 receipt was induced by fraud, mistake, or duress to intrust the pos-
 5 session or custody of the receipt to such person, if the person to whom
 6 the receipt was negotiated, or a person to whom the receipt was sub-
 7 sequently negotiated, paid value therefor, without notice of the breach
 8 of duty, or fraud, mistake, or duress.

[S., '13, § 3138-a47.]

SEC. 6169. Subsequent negotiation.

1 Where a person having sold, mortgaged, or pledged goods which
 2 are in a warehouse and for which a negotiable receipt has been issued,
 3 or having sold, mortgaged, or pledged the negotiable receipt repre-
 4 senting such goods, continues in possession of the negotiable receipt,
 5 the subsequent negotiation thereof by that person under any sale, or
 6 other disposition thereof to any person receiving the same in good
 7 faith, for value and without notice of the previous sale, mortgage or
 8 pledge, shall have the same effect as if the first purchaser of the
 9 goods or receipt had expressly authorized the subsequent negotiation.

[S., '13, § 3138-a48.]

SEC. 6170. Negotiation defeats vendor's lien.

1 Where a negotiable receipt has been issued for goods, no seller's
 2 lien or right of stoppage in transitu shall defeat the rights of any
 3 purchaser for value in good faith to whom such receipt has been ne-
 4 gotiated, whether such negotiation be prior or subsequent to the no-
 5 tification to the warehouseman who issued such receipt of the seller's
 6 claim to a lien or right of stoppage in transitu. Nor shall the ware-
 7 houseman be obliged to deliver or justified in delivering the goods to
 8 an unpaid seller unless the receipt is first surrendered for cancellation.

[S., '13, § 3138-a49.]

SEC. 6171. Issue of receipt for goods not received.

1 A warehouseman or any officer, agent, or servant of a warehouse-
 2 man, who issues or aids in issuing a receipt knowing that the goods
 3 for which such receipt is issued have not been actually received by
 4 such warehouseman, or are not under his actual control at the time
 5 of issuing such receipt, shall be guilty of felony, and upon conviction
 6 shall be punished for each offense by imprisonment in the penitentiary
 7 not exceeding five years, or by a fine not exceeding five thousand dol-
 8 lars, or by both.

[S., '13, § 3138-a50.]

SEC. 6172. Issue of receipt containing false statement.

1 A warehouseman, or any officer, agent or servant of a warehouse-
 2 man, who fraudulently issues or aids in fraudulently issuing a receipt
 3 for goods, knowing that it contains any false statement, shall be
 4 guilty of a misdemeanor, and upon conviction shall be punished for
 5 each offense by imprisonment in the county jail not exceeding one
 6 year, or by a fine not exceeding one thousand dollars, or by both.

[S., '13, § 3138-a51.]

SEC. 6173. Issue of duplicate receipts not so marked.

1 A warehouseman, or any officer, agent or servant of a warehouse-
 2 man, who issues or aids in issuing a duplicate or additional negotiable
 3 receipt for goods, knowing that a former negotiable receipt for the
 4 same goods or any part of them is outstanding and uncanceled, with-
 5 out plainly placing upon the face thereof the word "duplicate," ex-
 6 cept in the case of a lost or destroyed receipt after proceedings as
 7 provided for in section sixty-one hundred thirty-five, shall be guilty of
 8 a felony, and upon conviction shall be punished for each offense by
 9 imprisonment in the penitentiary not exceeding five years, or by a fine
 10 not exceeding five thousand dollars, or by both.

[S., '13, § 3138-a52.]

SEC. 6174. Issue for warehouseman's goods of receipts which do not state that fact.

1 Where there are deposited with or held by a warehouseman goods
 2 of which he is owner, either solely or jointly or in common with oth-
 3 ers, such warehouseman, or any of his officers, agents, or servants
 4 who, knowing this ownership, issues or aids in issuing a negotiable
 5 receipt for such goods which does not state such ownership, shall be
 6 guilty of a misdemeanor, and upon conviction shall be punished for
 7 each offense by imprisonment in the county jail not exceeding one
 8 year, or by a fine not exceeding one thousand dollars, or by both.

[S., '13, § 3138-a53.]

SEC. 6175. Delivery of goods without obtaining negotiable receipt.

1 A warehouseman, or any officer, agent, or servant of a ware-
 2 houseman who delivers goods out of the possession of such warehouse-
 3 man, knowing that a negotiable receipt, the negotiating of which
 4 would transfer the right to the possession of such goods, is outstand-
 5 ing and uncanceled, without obtaining the possession of such receipt
 6 at or before the time of such delivery, shall, except in the cases pro-
 7 vided for in section sixty-one hundred thirty-five and sixty-one hun-
 8 dred fifty-seven, be found guilty of a misdemeanor and on conviction
 9 shall be punished for each offense by imprisonment in the county jail
 10 not exceeding one year, or by a fine not exceeding one thousand dol-
 11 lars, or by both.

[S., '13, § 3138-a54.]

SEC. 6176. Negotiation of receipt for mortgaged goods.

1 Any person who deposits goods to which he has no title, or upon
 2 which there is a lien or mortgage, and who takes for such goods a ne-
 3 gotiable receipt which he afterwards negotiates for value with intent

4 to deceive and without disclosing his want of title or the existence of
 5 the lien or mortgage, shall be guilty of a misdemeanor, and upon con-
 6 viction shall be punished for each offense by imprisonment in the
 7 county jail not exceeding one year, or by a fine not exceeding one
 8 thousand dollars, or by both.

[S., '13, § 3138-a55.]

SEC. 6177. When rules of common law still applicable.

1 In any case not provided for in this chapter, the rules of law and
 2 equity, including the law merchant, and in particular the rules relat-
 3 ing to the law of principal and agent and to the effect of fraud, mis-
 4 representation, duress or coercion, mistake, bankruptcy, or other in-
 5 validating cause, shall govern.

[S., '13, § 3138-a56.]

**SEC. 6178. Interpretation shall give effect to purpose of uni-
 formity.**

1 This chapter shall be so interpreted and construed as to effectuate
 2 its general purpose to make uniform the law of those states which
 3 enact it.

[S., '13, § 3138-a57.]

1 A limited partnership may be formed by two or more persons for
 2 the transaction of business in the state. It may consist of one or more
 3 persons to be known as the general partners, and a like number as
 4 special partners, which latter shall contribute a specific sum as capi-
 5 tal, and shall not be liable for the debts of the firm beyond the amount
 6 so contributed; the former alone to transact its business, have power
 7 to bind it by contract, and be liable for its debts.

[R., '60, §§ 1874-1876; C., '73, §§ 2147-2149; C., '97, § 3106.]

3 1. The firm name under which such partnership is to be con-
 4 ducted.

5 2. The general nature of the business to be transacted.

6 3. The names of the general and special partners interested

22 the right of the holder of such stamp or ticket to the prize or gift so

[S., '13, § 5067-e.]

 7 tion or corporation injured thereby for the full amount of damages
 8 sustained in consequence of any such violation of the provisions of
 9 said section, together with a reasonable attorney's fee to be fixed by
 10 the court in every case of recovery and to be taxed as part of the costs

 13 the provisions of said section, shall be liable for the full amount of
 14 such judgment.

[S., '13, § 5077-a4.]

 8 shall upon conviction thereof be fined any sum not less than five hun-
 9 dred dollars and not exceeding two thousand dollars, or imprisoned
 10 in the county jail for a period not exceeding six months, or both, at
 11 the discretion of the court. It shall be the duty of the grand jury to
 12 inquire into and ascertain if there exists any pool, trust, combination
 13 or violation of any provision in the two preceding sections in their
 14 respective counties.

[S., '13, § 5077-a5.]

1 The following provision shall be deemed and held to be a part of
 2 every contract hereafter entered into by any person, firm or private
 3 corporation with the state of Iowa, or with any county, city, town,
 4 city acting under special charter, cities acting under commission form
 5 of government, school corporation or with any municipal corporation,
 6 now or hereafter created, whether said provision be inserted in such
 7 contract or not, to wit:

8 The party to whom this contract has been awarded, hereby rep-
9 resents and guarantees that he has not, nor has any other person for
10 or in his behalf, directly or indirectly, entered into any arrangement
11 or agreement with any other bidder, or with any public officer, whereby
12 he has paid or is to pay to any other bidder or public officer any sum
13 of money or anything of value whatever in order to obtain this con-
14 tract; and that he has not, nor has another person, for or in his be-
15 half, directly or indirectly, entered into any agreement or arrange-
16 ment with any other person, firm, corporation or association which
17 tends to or does lessen or destroy free competition in the letting of

19 representations and guaranties, or any of them, and he hereby agrees
20 that in case it hereafter be established that such representations or
21 guaranties, or any of them, are false, he will forfeit and pay not less

3 testifying to any matter or from producing any books, papers, or
4 letters, on the ground that the same might or would tend to render
5 such witness criminally liable, but such witness shall not be prosecuted

7 and things so testified to or produced by him, provided such witness
8 shall not be exempt from prosecution for perjury committed in so
9 testifying.

TITLE XXII.

PERSONAL PROPERTY.

CHAPTER 1.

SALES OF PERSONAL PROPERTY.

SECTION 6239. Contracts to sell and sales.

- 1 1. A contract to sell goods is a contract whereby the seller agrees
- 2 to transfer the property in goods to the buyer for a consideration
- 3 called price.
- 4 2. A sale of goods is an agreement whereby the seller transfers
- 5 the property in goods to the buyer for a consideration called the price.
- 6 3. A contract to sell or a sale may be absolute or conditional.
- 7 4. There may be a contract to sell or a sale between one part
- 8 owner and another.

[38 G. A., ch. 396, § 1.]

SEC. 6240. Capacity—liabilities for necessities.

- 1 Capacity to buy and sell is regulated by the general law concern-
- 2 ing capacity to contract and to transfer and acquire property.
- 3 Where necessities are sold and delivered to an infant, or to a per-
- 4 son who by reason of mental incapacity or drunkenness is incompetent
- 5 to contract, he must pay a reasonable price therefor.
- 6 Necessaries in this section mean goods suitable to the condition
- 7 in life of such infant or other person and to his actual requirements
- 8 at the time of delivery.

[38 G. A., ch. 396, § 2.]

SEC. 6241. Form of contract or sale.

- 1 Subject to the provisions of this chapter and of any statute in
- 2 that behalf, a contract to sell or a sale may be made in writing (either
- 3 with or without seal), or by word of mouth, or partly in writing and
- 4 partly by word of mouth, or may be inferred from the conduct of
- 5 the parties.

[38 G. A., ch. 396, § 3.]

SEC. 6242. Statute of frauds.

- 1 1. A contract to sell or a sale of any goods or choses in action
- 2 shall not be enforceable by action unless the buyer shall accept part
- 3 of the goods or choses in action so contracted to be sold or sold and
- 4 actually receive the same or give something in earnest to bind the
- 5 contract, or in part payment, or unless some note or memorandum in
- 6 writing of the contract or sale be signed by the party to be charged
- 7 or his agent in that behalf.
- 8 2. The provisions of this section apply to every such contract or
- 9 sale, notwithstanding that the goods may be intended to be delivered

10 at some future time or may not at the time of such contract or sale be
 11 actually made, procured, or provided, or fit or ready for delivery, or
 12 some act may be requisite for the making or completing thereof, or
 13 rendering the same fit for delivery; but if the goods are to be manu-
 14 factured by the seller especially for the buyer and are not suitable for
 15 sale to others in the ordinary course of the seller's business, the pro-
 16 visions of this section shall not apply.

17 3. There is an acceptance of goods within the meaning of this
 18 section when the buyer, either before or after delivery of the goods,
 19 expresses by words or conduct his assent to becoming the owner of
 20 those specific goods.

[38 G. A., ch. 396, § 4.]

SEC. 6243. Existing and future goods.

1 1. The goods which form the subject of a contract to sell may be
 2 either existing goods, owned or possessed by the seller, or goods to
 3 be manufactured or acquired by the seller after the making of the
 4 contract to sell, in this chapter called "future goods".

5 2. There may be a contract to sell goods, the acquisition of which
 6 by the seller depends upon a contingency which may or may not
 7 happen.

8 3. Where the parties purport to effect a present sale of future
 9 goods, the agreement operates as a contract to sell the goods.

[38 G. A., ch. 396, § 5.]

SEC. 6244. Undivided shares.

1 1. There may be a contract to sell or a sale of an undivided share
 2 of goods. If the parties intend to affect a present sale, the buyer by
 3 force of the agreement becomes an owner in common with the owner
 4 or owners of the remaining shares.

5 2. In the case of fungible goods, there may be a sale of an un-
 6 divided share of a specific mass, though the seller purports to sell and
 7 the buyer to buy a definite number, weight, or measure of the goods
 8 in the mass and though the number, weight, or measure of the goods
 9 in the mass is undetermined. By such a sale the buyer becomes owner
 10 in common of such a share of the mass as the number, weight, or
 11 measure bought bears to the number, weight, or measure of the mass.
 12 If the mass contains less than the number, weight, or measure bought,
 13 the buyer becomes the owner of the whole mass and the seller is bound
 14 to make good the deficiency from similar goods unless a contrary in-
 15 tent appears.

[38 G. A., ch. 396, § 6.]

SEC. 6245. Destruction of goods sold.

1 1. Where the parties purport to sell specific goods, and the goods
 2 without the knowledge of the seller have wholly perished at the time
 3 when the agreement is made, the agreement is void.

4 2. Where the parties purport to sell specific goods, and the goods
 5 without the knowledge of the seller have perished in part or have
 6 wholly or in a material part so deteriorated in quality as to be sub-
 7 stantially changed in character, the buyer may at his option treat the
 8 sale:

9 a As avoided, or

10 b As transferring the property in all of the existing goods or in
 11 so much thereof as have not deteriorated, and as binding the buyer to

12 pay the full agreed price if the sale was indivisible, or to pay the
 13 agreed price for the goods in which the property passes if the sale
 14 was divisible.

[38 G. A., ch. 396, § 7.]

SEC. 6246. Destruction of goods contracted to be sold.

1 1. Where there is a contract to sell specific goods, and subse-
 2 quently, but before the risk passes the buyer, without any fault on the
 3 part of the seller or the buyer, the goods wholly perish, the contract
 4 is thereby avoided.

5 2. Where there is a contract to sell specific goods, and conse-
 6 quently, but before the risk passes to the buyer, without any fault of
 7 the seller or the buyer, part of the goods perish or the whole or a ma-
 8 terial part of the goods so deteriorate in quality as to be substantially
 9 changed in character, the buyer may, at his option treat the contract:

10 a As avoided; or

11 b As binding the seller to transfer the property in all of the ex-
 12 isting goods or in so much thereof as have not deteriorated, and as
 13 binding the buyer to pay the full agreed price if the contract was
 14 indivisible, or to pay the agreed price for so much of the goods as the
 15 seller, by the buyer's option, is bound to transfer if the contract
 16 was divisible.

[38 G. A., ch. 396, § 8.]

SEC. 6247. Definition and ascertainment of price.

1 1. The price may be fixed by the contract, or may be left to be
 2 fixed in such manner as may be agreed, or it may be determined by
 3 the course of dealing between the parties.

4 2. The price may be made payable in any personal property.

5 3. Where transferring or promising to transfer any interest in
 6 real estate constitutes the whole or part of the consideration for trans-
 7 ferring or for promising to transfer the property in goods, this chap-
 8 ter shall not apply.

9 4. Where the price is not determined in accordance with the fore-
 10 going provisions the buyer must pay a reasonable price. What is a
 11 reasonable price is a question of fact dependent on the circumstances
 12 of each particular case.

[38 G. A., ch. 396, § 9.]

SEC. 6248. Sale at a valuation.

1 1. Where there is a contract to sell or a sale of goods at a price
 2 or on terms to be fixed by a third person, and such third person, with-
 3 out fault of the seller or the buyer, can not or does not fix the price
 4 or terms, the contract or the sale is thereby avoided; but if the goods
 5 or any part thereof have been delivered to and appropriated by the
 6 buyer he must pay a reasonable price therefor.

7 2. Where such third person is prevented from fixing the price or
 8 terms by fault of the seller or the buyer, the party not in fault may
 9 have such remedies against the party in fault as are hereinafter
 10 provided.

[38 G. A., ch. 396, § 10.]

SEC. 6249. Effect of conditions.

1 1. Where the obligation of either party to a contract to sell or a
 2 sale is subject to any condition which is not performed, such party

3 may refuse to proceed with the contract or sale or he may waive per-
4 formance of the condition. If the other party has promised that the
5 condition should happen or be performed, such first mentioned party
6 may also treat the nonperformance of the condition as a breach of
7 warranty.

8 2. Where the property in the goods has not passed, the buyer may
9 treat the fulfillment by the seller of his obligation to furnish goods as
10 described and as warranted expressly or by implication in the con-
11 tract to sell as a condition of the obligation of the buyer to perform
12 his promise to accept and pay for the goods.

[38 G. A., ch. 396, § 11.]

SEC. 6250. Definition of express warranty.

1 Any affirmation of fact or any promise by the seller relating to
2 the goods is an express warranty if the natural tendency of such
3 affirmation or promise is to induce the buyer to purchase the goods,
4 and if the buyer purchases the goods relying thereon. No affirma-
5 tion of the value of the goods nor any statement purporting to be a
6 statement of the seller's opinion only shall be construed as a warranty.

[38 G. A., ch. 396, § 12.]

SEC. 6251. Implied warranties of title.

1 In a contract to sell or a sale, unless contrary intention appears,
2 there is—

3 1. An implied warranty on the part of the seller that in case of a
4 sale he has a right to sell the goods, and that in case of a contract to
5 sell he will have a right to sell the goods at the time when the prop-
6 erty is to pass.

7 2. An implied warranty that the buyer shall have and enjoy
8 quiet possession of the goods as against any lawful claims existing at
9 the time of the sale.

10 3. An implied warranty that the goods shall be free at the time
11 of the sale from any charge or incumbrance in favor of any third per-
12 son not declared or known to the buyer before or at the time when the
13 contract or sale is made.

14 4. This section shall not, however, be held to render liable a
15 sheriff, auctioneer, mortgagee, or other person professing to sell by
16 virtue of authority in fact or law goods in which a third person has a
17 legal or equitable interest.

[38 G. A., ch. 396, § 13.]

SEC. 6252. Implied warranty in sale by description.

1 Where there is a contract to sell or a sale of goods by description,
2 there is an implied warranty that the goods shall correspond with the
3 description, and if the contract or sale be by sample, as well as by de-
4 scription, it is not sufficient that the bulk of the goods corresponds
5 with the sample if the goods do not also correspond with the de-
6 scription.

[38 G. A., ch. 396, § 14.]

SEC. 6253. Implied warranties of quality.

1 Subject to the provisions of this chapter and of any statute in
2 that behalf, there is no implied warranty or condition as to the qual-

3 ity or fitness for any particular purpose of goods supplied under a
4 contract to sell or a sale, except as follows:

- 5 1. Where the buyer, expressly or by implication, makes known
6 to the seller the particular purpose for which the goods are required,
7 and it appears that the buyer relies on the seller's skill or judgment,
8 whether he be the grower or manufacturer or not, there is an implied
9 warranty that the goods shall be reasonably fit for such purpose.
- 10 2. Where the goods are bought by description from a seller who
11 deals in goods of that description, whether he be the grower or manu-
12 facturer or not, there is an implied warranty that the goods shall be
13 of merchantable quality.
- 14 3. If the buyer has examined the goods, there is no implied war-
15 ranty as regards defects which such examination ought to have re-
16 vealed.
- 17 4. In the case of a contract to sell or a sale of a specified article
18 under its patent or other trade name there is no implied warranty
19 as to its fitness for any particular purpose.
- 20 5. An implied warranty or condition as to quality or fitness for
21 a particular purpose may be annexed by the usage of trade.
- 22 6. An express warranty or condition does not negative a war-
23 ranty or condition implied under this chapter unless inconsistent
24 therewith.

[38 G. A., ch. 396, § 15.]

SEC. 6254. Implied warranties in sale by sample.

- 1 In the case of a contract to sell or a sale by sample:
- 2 1. There is an implied warranty that the bulk shall correspond
3 with the sample in quality.
- 4 2. There is an implied warranty that the buyer shall have a rea-
5 sonable opportunity of comparing the bulk with the sample, except so
6 far as otherwise provided in section sixty-two hundred eighty-five,
7 subdivision three.
- 8 3. If the seller is a dealer in goods of that kind there is an im-
9 plied warranty that the goods shall be free from any defect rendering
10 them unmerchantable which would not be apparent on reasonable ex-
11 amination of the sample.

[38 G. A., ch. 396, § 16.]

SEC. 6255. No property passes until goods are ascertained.

- 1 Where there is a contract to sell unascertained goods no property
2 in the goods is transferred to the buyer unless and until the goods are
3 ascertained, but property in an undivided share of ascertained goods
4 may be transferred as provided in section sixty-two hundred forty-
5 four.

[38 G. A., ch. 396, § 17.]

SEC. 6256. Property in specific goods passes when parties so intend.

- 1 1. Where there is a contract to sell specific or ascertained goods,
2 the property in them is transferred to the buyer at such time as the
3 parties to the contract intend it to be transferred.

4 2. For the purpose of ascertaining the intention of the parties
5 regard shall be had to the terms of the contract, the conduct of the
6 parties, usages of trade, and the circumstances of the case.

[38 G. A., ch. 396, § 18.]

SEC. 6257. Rules for ascertaining intention.

1 Unless a different intention appears, the following are rules for
2 ascertaining the intention of the parties as to the time at which the
3 property in the goods is to pass to the buyer.

4 **RULE 1.**

5 Where there is an unconditional contract to sell specific goods in
6 a deliverable state the property in the goods passes to the buyer when
7 the contract is made, and it is immaterial whether the time of pay-
8 ment, or the time of delivery, or both, be postponed.

9 **RULE 2.**

10 Where there is a contract to sell specific goods and the seller is
11 bound to do something to the goods, for the purpose of putting them
12 into a deliverable state, the property does not pass until such things
13 be done.

14 **RULE 3.**

15 1. When goods are delivered to the buyer "on sale or return",
16 or on other terms indicating an intention to make a present sale, but
17 to give the buyer an option to return the goods instead of paying the
18 price, the property passes to the buyer on delivery, but he may revest
19 the property in the seller by returning or tendering the goods within
20 the time fixed in the contract, or, if no time has been fixed, within a
21 reasonable time.

22 2. When goods are delivered to the buyer on approval or on trial
23 or on satisfaction, or other similar terms, the property therein passes
24 to the buyer—

25 *a* When he signifies his approval or acceptance to the seller or
26 does any other act adopting the transaction.

27 *b* If he does not signify his approval or acceptance to the seller,
28 but retains the goods without giving notice or [of] rejection, then if a
29 time has been fixed for the return of the goods, on the expiration of
30 such time, and if no time has been fixed, on the expiration of a reason-
31 able time. What is a reasonable time is a question of fact.

32 **RULE 4.**

33 1. Where there is a contract to sell unascertained or future goods
34 by description, and goods of that description and in a deliverable
35 state are unconditionally appropriated to the contract, either by the
36 seller with the assent of the buyer, or by the buyer with the assent
37 of the seller, the property in the goods thereupon passes to the buyer.
38 Such assent may be expressed or implied, and may be given either
39 before or after the appropriation is made.

40 2. Where, in pursuance of a contract to sell, the seller delivers
41 the goods to the buyer, or to a carrier or other bailee, whether named
42 by the buyer or not, for the purpose of transmission to or holding for
43 the buyer, he is presumed to have unconditionally appropriated the
44 goods to the contract, except in the cases provided for in the next
45 rule and in section sixty-two hundred fifty-eight. This presumption
46 is applicable, although by the terms of the contract the buyer is to pay
47 the price before receiving delivery of the goods, and the goods are
48 marked with the words "collect on delivery" or their equivalents.

49

RULE 5.

50 If the contract to sell requires the seller to deliver the goods to
 51 the buyer, or at a particular place or to pay the freight or cost of
 52 transportation to the buyer, or to a particular place, the property
 53 does not pass until the goods have been delivered to the buyer or
 54 reached the place agreed upon.

[38 G. A., ch. 396, § 19.]

SEC. 6258. Reservation of right of possession or property when goods are shipped.

1 1. Where there is a contract to sell specific goods, or where goods
 2 are subsequently appropriated to the contract, the seller may, by the
 3 terms of the contract or appropriation, reserve the right of possession
 4 or property in the goods until certain conditions have been fulfilled.
 5 The right of possession or property may be thus reserved
 6 notwithstanding the delivery of the goods to the buyer or to a carrier
 7 or other bailee for the purpose of transmission to the buyer.

8 2. Where goods are shipped, and by the bill of lading the goods
 9 are deliverable to the seller or his agent, or to the order of the seller
 10 or of his agent, the seller thereby reserves the property in the goods.
 11 But if, except for the form of the bill of lading, the property would
 12 have passed to the buyer on shipment of the goods, the seller's property
 13 in the goods shall be deemed to be only for the purpose of securing
 14 performance by the buyer of his obligations under the contract.

15 3. Where goods are shipped, and by the bill of lading the goods
 16 are deliverable to the order of the buyer or of his agent, but possession
 17 of the bill of lading is retained by the seller or his agent, the
 18 seller thereby reserves a right to the possession of the goods as against
 19 the buyer.

20 4. Where the seller of goods draws on the buyer for the price and
 21 transmits the bill of exchange and bill of lading together to the buyer
 22 to secure acceptance or payment of the bill of exchange the buyer is
 23 bound to return the bill of lading if he does not honor the bill of exchange,
 24 and if he wrongfully retains the bill of lading he acquires no
 25 added right thereby. If, however, the bill of lading provides that the
 26 goods are deliverable to the buyer or to the order of the buyer, or is
 27 indorsed in blank or to the buyer by the consignee named therein, one
 28 who purchases in good faith for value the bill of lading or goods from
 29 the buyer will obtain the property in the goods, although the bill of
 30 exchange has not been honored, provided that such purchaser has received
 31 delivery of the bill of lading indorsed by the consignee named
 32 therein, or the goods, without notice of the facts making the transfer
 33 wrongful.

[38 G. A., ch. 396, § 20.]

SEC. 6259. Sale by auction.

1 In the case of sale by auction—

2 1. Where goods are put up for sale by auction in lots each lot is
 3 the subject of a separate contract of sale.

4 2. A sale by auction is complete when the auctioneer announces
 5 its completion by the fall of the hammer, or in other customary manner.
 6 Until such announcement is made any bidder may retract his
 7 bid, and the auctioneer may withdraw the goods from the sale unless
 8 the auction has been announced to be without reserve.

9 3. A right to bid may be reserved expressly by or on behalf of
10 the seller.

11 4. Where notice has not been given that a sale by auction is sub-
12 ject to a right to bid on behalf of the seller it shall not be lawful for
13 the seller to bid himself or to employ or induce any person to bid at
14 such sale on his behalf, or for the auctioneer to employ or induce any
15 person to bid at such sale on behalf of the seller or knowingly to take
16 any bid from the seller or any person employed by him. Any sale con-
17 travening this rule may be treated as fraudulent by the buyer.

[38 G. A., ch. 396, § 21.]

SEC. 6260. Risk of loss.

1 Unless otherwise agreed, the goods remain at the seller's risk
2 until the property therein is transferred to the buyer, but when the
3 property therein is transferred to the buyer the goods are at the
4 buyer's risk whether delivery has been made or not, except that—

5 1. Where delivery of the goods has been made to the buyer, or to
6 a bailee for the buyer, in pursuance of the contract and the property
7 in the goods has been retained by the seller merely to secure perform-
8 ance by the buyer of his obligations under the contract, the goods
9 are at the buyer's risk from the time of such delivery.

10 2. Where delivery has been delayed through the fault of either
11 buyer or seller the goods are at the risk of the party in fault as regards
12 any loss which might not have occurred but for such fault.

[38 G. A., ch. 396, § 22.]

SEC. 6261. Sale by a person not the owner.

1 1. Subject to the provisions of this chapter, where goods are sold
2 by a person who is not the owner thereof, and who does not sell them
3 under the authority or with the consent of the owner, the buyer ac-
4 quires no better title to the goods than the seller had, unless the owner
5 of the goods is by his conduct precluded from denying the seller's au-
6 thority to sell.

7 2. Nothing in this chapter, however, shall affect:

8 a The provisions of any factors' acts, recording acts, or any en-
9 actment enabling the apparent owner of goods to dispose of them as
10 if he were the true owner thereof.

11 b The validity of any contract to sell or sale under any common
12 law or statutory power of sale or under the order of a court of com-
13 petent jurisdiction.

[38 G. A., ch. 396, § 23.]

SEC. 6262. Sale by one having a voidable title.

1 Where the seller of goods has a voidable title thereto, but his title
2 has not been avoided at the time of sale, the buyer acquires a good
3 title to the goods, provided he buys them in good faith, for value, and
4 without notice of the seller's defect of title.

[38 G. A., ch. 396, § 24.]

SEC. 6263. Sale by seller in possession of goods already sold.

1 Where a person having sold goods continues in possession of the
2 goods, or of negotiable documents of title to the goods, the delivery
3 or transfer by that person, or by an agent acting for him, of the goods
4 or documents of title under any sale, pledge, or other disposition

5 thereof, to any person receiving and paying value for the same in good
6 faith and without notice of the previous sale, shall have the same effect
7 as if the person making the delivery or transfer were expressly au-
8 thorized by the owner of the goods to make the same.

[38 G. A., ch. 396, § 25.]

SEC. 6264. Creditors' rights against sold goods in seller's possession.

1 Where a person having sold goods continues in possession of the
2 goods, or of negotiable documents of title to the goods and such reten-
3 tion of possession is fraudulent in fact or is deemed fraudulent under
4 any rule of law, a creditor or creditors of the seller may treat the
5 sale as void.

[38 G. A., ch. 396, § 26.]

SEC. 6265. Definition of negotiable documents of title.

1 A document of title in which it is stated that the goods referred
2 to therein will be delivered to the bearer, or to the order of any person
3 named in such document is a negotiable document of title.

[38 G. A., ch. 396, § 27.]

SEC. 6266. Negotiation of negotiable documents by delivery.

1 A negotiable document of title may be negotiated by delivery—

2 1. Where by the terms of the document the carrier, warehouse-
3 man, or other bailee issuing the same undertakes to deliver the goods
4 to the bearer, or

5 2. Where by the terms of the document the carrier, warehouse-
6 man, or other bailee issuing the same undertakes to deliver the goods
7 to the order of a specified person, and such person or a subsequent
8 indorsee of the document has indorsed it in blank or to bearer.

9 Where by the terms of a negotiable document of title the goods
10 are deliverable to bearer or where a negotiable document of title has
11 been indorsed in blank or to bearer, any holder may indorse the same
12 to himself or to any other specified person, and in such case the docu-
13 ment shall thereafter be negotiated only by the indorsement of such
14 indorsee.

[38 G. A., ch. 396, § 28.]

SEC. 6267. Negotiation of negotiable documents by indorsement.

1 A negotiable document of title may be negotiated by the indorse-
2 ment of the person to whose order the goods are by the terms of the
3 document deliverable. Such indorsement may be in blank, to bearer,
4 or to a specified person. If indorsed to a specified person, it may be
5 again negotiated by the indorsement of such person in blank, to bearer,
6 or to another specified person. Subsequent negotiation may be made
7 in like manner.

[38 G. A., ch. 396, § 29.]

**SEC. 6268. Negotiable documents of title marked "not nego-
tiable."**

1 If a document of title which contains an undertaking by a carrier,
2 warehouseman, or other bailee to deliver the goods to the bearer, to
3 a specified person or order, or to the order of specified person, or
4 which contains words of like import, has placed upon it the words

5 "not negotiable," "nonnegotiable," or the like, such a document may,
6 nevertheless, be negotiated by the holder and is a negotiable document
7 of title within the meaning of this chapter. But nothing in this chap-
8 ter contained shall be construed as limiting or defining the effect upon
9 the obligations of the carrier, warehouseman, or other bailee issuing
10 a document of title of [by] placing thereon the words "not negoti-
11 able," "nonnegotiable," or the like.

[38 G. A., ch. 396, § 30.]

SEC. 6269. Transfer of nonnegotiable documents.

1 A document of title which is not in such form that it can be ne-
2 gotiated by delivery may be transferred by the holder by delivery to
3 a purchaser or donee. A nonnegotiable document can not be negoti-
4 ated, and the indorsement of such a document gives the transferee
5 no additional right.

[38 G. A., ch. 396, § 31.]

SEC. 6270. Who may negotiate a document.

1 A negotiable document may be negotiated by any person in pos-
2 session of the same, however such possession may have been acquired,
3 if by the terms of the document the bailee issuing it undertakes to
4 deliver the goods to the order of such person, or if at the time of ne-
5 gotiation the document is in such form that it may be negotiated by
6 delivery.

[38 G. A., ch. 396, § 32.]

**SEC. 6271. Rights of person to whom document has been nego-
tiated.**

1 A person to whom a negotiable document of title has been duly
2 negotiated acquires thereby:

- 3 1. Such title to the goods as the person negotiating the document
4 to him had or had ability to convey to a purchaser in good faith for
5 value and also such title to the goods as the person to whose order
6 the goods were to be delivered by the terms of the document had or
7 had ability to convey to a purchaser in good faith for value, and
- 8 2. The direct obligation of the bailee issuing the document to
9 hold possession of the goods for him according to the terms of the
10 document as fully as if such bailee had contracted directly with him.

[38 G. A., ch. 396, § 33.]

**SEC. 6272. Rights of person to whom document has been trans-
ferred.**

1 A person to whom a document of title has been transferred, but
2 not negotiated, acquires thereby, as against the transferor, the title
3 to the goods, subject to the terms of any agreement with the trans-
4 feror.

5 If the document is nonnegotiable, such person also acquires the
6 right to notify the bailee who issued the document of the transfer
7 thereof, and thereby to acquire the direct obligation of such bailee to
8 hold possession of the goods for him according to the terms of the
9 document.

10 Prior to the notification of such bailee by the transferor or trans-
11 feree of a nonnegotiable document of title, the title of the transferee
12 to the goods and the right to acquire the obligation of such bailee may

13 be defeated by the levy of an attachment or execution upon the goods
 14 by a creditor of the transferor, or by notification to such bailee by the
 15 transferor or a subsequent purchaser from the transferor of a subse-
 16 quent sale of the goods by the transferor.

[38 G. A., ch. 396, § 34.]

SEC. 6273. Transfer of negotiable document without indorsement.

1 Where a negotiable document of title is transferred for value by
 2 delivery, and the indorsement of the transferor is essential for negoti-
 3 ation, the transferee acquires a right against the transferor to compel
 4 him to indorse the document unless a contrary intention appears. The
 5 negotiation shall take effect as of the time when the indorsement is
 6 actually made.

[38 G. A., ch. 396, § 35.]

SEC. 6274. Warranties on sale of document.

1 A person who for value negotiates or transfers a document of
 2 title by indorsement or delivery, including one who assigns for value
 3 a claim secured by a document of title unless a contrary intention
 4 appears, warrants:

- 5 1. That the document is genuine.
- 6 2. That he has a legal right to negotiate or transfer it.
- 7 3. That he has knowledge of no fact which would impair the
 8 validity or worth of the document; and
- 9 4. That he has a right to transfer the title to the goods and that
 10 the goods are merchantable or fit for a particular purpose, whenever
 11 such warranties would have been implied if the contract of the parties
 12 had been to transfer without a document of title the goods represented
 13 thereby.

[38 G. A., ch. 396, § 36.]

SEC. 6275. Indorser not a guarantor.

1 The indorsement of a document of title shall not make the in-
 2 dorser liable for any failure on the part of the bailee who issued the
 3 document or previous indorsers thereof to fulfill their respective obli-
 4 gations.

[38 G. A., ch. 396, § 37.]

SEC. 6276. When negotiation not impaired by fraud, mistake, or duress.

1 The validity of the negotiation of a negotiable document of title
 2 is not impaired by the fact that the negotiation was a breach of duty
 3 on the part of the person making the negotiation, or by the fact that
 4 the owner of the document was induced by fraud, mistake, or duress
 5 to intrust the possession or custody thereof to such person, if the
 6 person to whom the document was negotiated or a person to whom
 7 the document was subsequently negotiated paid value therefor, with-
 8 out notice of the breach of duty, or fraud, mistake, or duress.

[38 G. A., ch. 396, § 38.]

SEC. 6277. Attachment or levy upon goods for which a negotiable document has been issued.

1 If goods are delivered to a bailee by the owner or by a person
 2 whose act in conveying the title to them to a purchaser in good faith

3 for value would bind the owner and a negotiable document of title
 4 is issued for them they can not thereafter, while in the possession of
 5 such bailee, be attached by garnishment or otherwise or be levied
 6 upon under an execution unless the document be first surrendered to
 7 the bailee or its negotiation enjoined. The bailee shall in no case be
 8 compelled to deliver up the actual possession of the goods until the
 9 document is surrendered to him or impounded by the court.

[38 G. A., ch. 396, § 39.]

SEC. 6278. Creditors' remedies to reach negotiable documents.

1 A creditor whose debtor is the owner of a negotiable document
 2 of title shall be entitled to such aid from courts of appropriate juris-
 3 diction by injunction and otherwise in attaching such document or
 4 in satisfying the claim by means thereof as is allowed at law or in
 5 equity in regard to property which can not readily be attached or
 6 levied upon by ordinary legal process.

[38 G. A., ch. 396, § 40.]

SEC. 6279. Seller must deliver and buyer accept goods.

1 It is the duty of the seller to deliver the goods and of the buyer
 2 to accept and pay for them, in accordance with the terms of the con-
 3 tract to sell or sale.

[38 G. A., ch. 396, § 41.]

SEC. 6280. Delivery and payment are concurrent conditions.

1 Unless otherwise agreed, delivery of the goods and payment of
 2 the price are concurrent conditions; that is to say, the seller must be
 3 ready and willing to give possession of the goods to the buyer in ex-
 4 change for the price and the buyer must be ready and willing to pay
 5 the price in exchange for possession of the goods.

[38 G. A., ch. 396, § 42.]

SEC. 6281. Place, time, and manner of delivery.

1 1. Whether it is for the buyer to take possession of the goods or
 2 for the seller to send them to the buyer is a question depending in
 3 each case on the contract, express or implied, between the parties.
 4 Apart from any such contract, express or implied, or usage of trade
 5 to the contrary, the place of delivery is the seller's place of business
 6 if he have one, and if not his residence; but in case of a contract to
 7 sell or a sale of specific goods, which to the knowledge of the parties
 8 when the contract or the sale was made were in some other place, then
 9 that place is the place of delivery.

10 2. Where by a contract to sell or a sale the seller is bound to send
 11 the goods to the buyer, but no time for sending them is fixed, the seller
 12 is bound to send them within a reasonable time.

13 3. Where the goods at the time of sale are in the possession of a
 14 third person, the seller has not fulfilled his obligation to deliver to
 15 the buyer unless and until such third person acknowledges to the buyer
 16 that he holds the goods on the buyer's behalf; but as against all others
 17 than the seller the buyer shall be regarded as having received delivery
 18 from the time when such third person first has notice of the sale.
 19 Nothing in this section, however, shall affect the operation of the issue
 20 or transfer of any document of title to goods.

21 4. Demand or tender of delivery may be treated as ineffectual
22 unless made at a reasonable hour. What is a reasonable hour is a
23 question of fact.

24 5. Unless otherwise agreed, the expenses of and incidental to put-
25 ting the goods into a deliverable state must be borne by the seller.

[38 G. A., ch. 396, § 43.]

SEC. 6282. Delivery of wrong quantity.

1 1. Where the seller delivers to the buyer a quantity of goods less
2 than he contracted to sell, the buyer may reject them, but if the buyer
3 accepts or retains the goods so delivered, knowing that the seller is
4 not going to perform the contract in full, he must pay for them at the
5 contract rate. If, however, the buyer has used or disposed of the
6 goods delivered before he knows that the seller is not going to perform
7 his contract in full, the buyer shall not be liable for more than the
8 fair value to him of the goods so received.

9 2. Where the seller delivers to the buyer a quantity of goods
10 larger than he contracted to sell, the buyer may accept the goods in-
11 cluded in the contract and reject the rest, or he may reject the whole.
12 If the buyer accepts the whole of the goods so delivered, he must pay
13 for them at the contract rate.

14 3. Where the seller delivers to the buyer the goods he [he] con-
15 tracted to sell mixed with goods of a different description not included
16 in the contract, the buyer may accept the goods which are in accord-
17 ance with the contract and reject the rest, or he may reject the whole.

18 4. The provisions of this section are subject to any usage of trade,
19 special agreement, or course of dealing between the parties.

[38 G. A., ch. 396, § 44.]

SEC. 6283. Delivery in installments.

1 1. Unless otherwise agreed, the buyer of goods is not bound to
2 accept delivery thereof by installments.

3 2. Where there is a contract to sell goods to be delivered by stated
4 installments, which are to be separately paid for, and the seller makes
5 defective deliveries in respect of one or more installments, or the buyer
6 neglects or refuses to take delivery of or pay for one or more install-
7 ments, it depends in each case on the terms of the contract and the
8 circumstances of the case whether the breach of contract is so material
9 as to justify the injured party in refusing to proceed further and
10 suing for damages for breach of the entire contract, or whether the
11 breach is severable, giving rise to a claim for compensation but not
12 to a right to treat the whole contract as broken.

[38 G. A., ch. 396, § 45.]

SEC. 6284. Delivery to a carrier on behalf of the buyer.

1 1. Where, in pursuance of a contract to sell or a sale, the seller
2 is authorized or required to send the goods to the buyer, delivery of
3 the goods to a carrier, whether named by the buyer or not, for the
4 purpose of transmission to the buyer is deemed to be a delivery of
5 the goods to the buyer, except in the cases provided for in section
6 sixty-two hundred fifty-seven, rule five, or unless a contrary intent
7 appears.

8 2. Unless otherwise authorized by the buyer, the seller must
9 make such contract with the carrier on behalf of the buyer as may

10 be reasonable, having regard to the nature of the goods and the other
 11 circumstances of the case. If the seller omit so to do, and the goods
 12 are lost or damaged in course of transit, the buyer may decline to treat
 13 the delivery to the carrier as a delivery to himself, or may hold the
 14 seller responsible in damages.

15 3. Unless otherwise agreed, where goods are sent by the seller to
 16 the buyer under circumstances in which the seller knows, or ought to
 17 know, that it is usual to insure, the seller must give such notice to
 18 the buyer as may enable him to insure them during their transit, and,
 19 if the seller fails to do so, the goods shall be deemed to be at his risk
 20 during such transit.

[38 G. A., ch. 396, § 46.]

SEC. 6285. Right to examine the goods.

1 1. Where goods are delivered to the buyer, which he has not pre-
 2 viously examined, he is not deemed to have accepted them unless and
 3 until he has had a reasonable opportunity of examining them for the
 4 purpose of ascertaining whether they are in conformity with the con-
 5 tract.

6 2. Unless otherwise agreed, when the seller tenders delivery of
 7 goods to the buyer, he is bound, on request, to afford the buyer a rea-
 8 sonable opportunity of examining the goods for the purpose of ascer-
 9 taining whether they are in conformity with the contract.

10 3. Where goods are delivered to a carrier by the seller, in accord-
 11 ance with an order from or agreement with the buyer, upon the terms
 12 that the goods shall not be delivered by the carrier to the buyer until
 13 he has paid the price, whether such terms are indicated by marking
 14 the goods with the words "collect on delivery," or otherwise, the buyer
 15 is not entitled to examine the goods before payment of the price in
 16 the absence of agreement permitting such examination.

[38 G. A., ch. 396, § 47.]

SEC. 6286. What constitutes acceptance.

1 The buyer is deemed to have accepted the goods when he inti-
 2 mates to the seller that he has accepted them, or when the goods have
 3 been delivered to him, and he does any act in relation to them which
 4 is inconsistent with the ownership of the seller, or when, after the
 5 lapse of a reasonable time, he retains the goods without intimating
 6 to the seller that he has rejected them.

[38 G. A., ch. 396, § 48.]

SEC. 6287. Acceptance does not bar action for damages.

1 In the absence of express or implied agreement of the parties,
 2 acceptance of the goods by the buyer shall not discharge the seller
 3 from liability in damages or other legal remedy for breach of any
 4 promise or warranty in the contract to sell or the sale. But if, after
 5 acceptance of the goods, the buyer fails to give notice to the seller of
 6 the breach of any promise or warranty within a reasonable time after
 7 the buyer knows, or ought to know, of such breach the seller shall not
 8 be liable therefor.

[38 G. A., ch. 396, § 49.]

SEC. 6288. Buyer is not bound to return goods wrongly delivered.

1 Unless otherwise agreed, where goods are delivered to the buyer,
 2 and he refuses to accept them, having the right so to do, he is not

3 bound to return them to the seller, but it is sufficient if he notifies
4 the seller that he refuses to accept them.

[38 G. A., ch. 396, § 50.]

SEC. 6289. Buyer's liability for failing to accept delivery.

1 When the seller is ready and willing to deliver the goods and
2 requests the buyer to take delivery, and the buyer does not within a
3 reasonable time after such request take delivery of the goods, he is
4 liable to the seller for any loss occasioned by his neglect or refusal to
5 take delivery, and also for a reasonable charge for the care and cus-
6 tody of the goods. If the neglect or refusal of the buyer to take de-
7 livery amounts to a repudiation or breach of the entire contract, the
8 seller shall have the right against the goods and on the contract here-
9 inafter provided in favor of the seller when the buyer is in default.

[38 G. A., ch. 396, § 51.]

SEC. 6290. Definition of unpaid seller.

1 1. The seller of goods is deemed to be an unpaid seller within the
2 meaning of this chapter—

3 *a* When the whole of the price has not been paid or tendered.
4 *b* When a bill of exchange or other negotiable instrument has
5 been received as conditional payment, and the condition on which it
6 was received has been broken by reason of the dishonor of the instru-
7 ment, the insolvency of the buyer, or otherwise.

8 2. In this part of this chapter the term "seller" includes an agent
9 of the seller to whom the bill of lading has been indorsed, or a con-
10 signor or agent who has himself paid, or is directly responsible for
11 the price, or any other person who is in the position of a seller.

[38 G. A., ch. 396, § 52.]

SEC. 6291. Remedies of an unpaid seller.

1 1. Subject to the provisions hereof, notwithstanding that the
2 property in the goods may have passed to the buyer, the unpaid seller
3 of goods, as such, has—

4 *a* A lien on the goods or right to retain them for the price while
5 he is in possession of them.

6 *b* In case of the insolvency of the buyer, a right of stopping the
7 goods in transit after he has parted with the possession of them.

8 *c* A right of resale as limited by this chapter.

9 *d* A right to rescind the sale as limited by this chapter.

10 2. Where the property in goods has not passed to the buyer the
11 unpaid seller has, in addition to his other remedies, a right of with-
12 holding delivery similar to any coextensive with his rights of lien and
13 stoppage in transit where the property has passed to the buyer.

[38 G. A., ch. 396, § 53.]

SEC. 6292. When right of lien may be exercised.

1 1. Subject to the provisions of this chapter, the unpaid seller of
2 goods who is in possession of them is entitled to retain possession
3 of them until payment or tender of the price in the following cases,
4 namely:

5 *a* Where the goods have been sold without any stipulation as to
6 credit.

- 7 *b* Where the goods have been sold on credit, but the term of credit
8 has expired.
9 *c* Where the buyer becomes insolvent.
10 2. The seller may exercise his right of lien notwithstanding that
11 he is in possession of the goods as agent or bailee for the buyer.
 [38 G. A., ch. 396, § 54.]

SEC. 6293. Lien after part delivery.

- 1 Where an unpaid seller has made part delivery of the goods, he
2 may exercise his right of lien on the remainder unless such part de-
3 livery has been made under such circumstances as to show an intent
4 to waive the lien or right of retention.
 [38 G. A., ch. 396, § 55.]

SEC. 6294. When lien is lost.

- 1 1. The unpaid seller of goods loses his lien thereon—
2 *a* When he delivers the goods to a carrier or other bailee for the
3 purpose of transmission to the buyer without reserving the property
4 in the goods or the right to the possession thereof.
5 *b* When the buyer or his agent lawfully obtains possession of the
6 goods.
7 *c* By waiver thereof.
8 2. The unpaid seller of goods, having a lien thereon, does not
9 lose his lien by reason only that he has obtained judgment or decree
10 for the price of the goods.
 [38 G. A., ch. 396, § 56.]

SEC. 6295. Seller may stop goods on buyer's insolvency.

- 1 Subject to the provisions of this chapter, when the buyer of goods
2 is or becomes insolvent, the unpaid seller who has parted with the
3 possession of the goods has the right of stopping them in transitu;
4 that is to say, he may resume possession of the goods at any time
5 while they are in transit and he will then become entitled to the same
6 rights in regard to the goods as he would have had if he had never
7 parted with the possession.
 [38 G. A., ch. 396, § 57.]

SEC. 6296. When goods are in transit.

- 1 1. Goods are in transit within the meaning of the preceding
2 section—
3 *a* From the time when they are delivered to a carrier by land or
4 water, or other bailee, for the purpose of transmission to the buyer,
5 until the buyer, or his agent in that behalf, takes delivery of them
6 from such carrier or other bailee.
7 *b* If the goods are rejected by the buyer and the carrier or other
8 bailee continues in possession of them, even if the seller has refused
9 to receive them back.
10 2. Goods are no longer in transit within the meaning of the pre-
11 ceding section—
12 *a* If the buyer, or his agent in that behalf, obtains delivery of
13 the goods before their arrival at the appointed destination.
14 *b* If, after the arrival of the goods at the appointed destination,
15 the carrier or other bailee acknowledges to the buyer or his agent
16 that he holds the goods on his behalf and continues in possession of

17 them as bailee for the buyer or his agent; and it is immaterial that a
18 further destination for the goods may have been indicated by the
19 buyer.

20 *c* If the carrier or other bailee wrongfully refuses to deliver the
21 goods to the buyer or his agent in that behalf.

22 3. If goods are delivered to a ship chartered by the buyer, it is
23 a question depending on the circumstances of the particular case
24 whether they are in the possession of the master as a carrier or as
25 agent of the buyer.

26 4. If part delivery of the goods has been made to the buyer, or
27 his agent in that behalf, the remainder of the goods may be stopped
28 in transitu, unless such part delivery has been made under such cir-
29 cumstances as to show an agreement with the buyer to give up posses-
30 sion of the whole of the goods.

[38 G. A., ch. 396, § 58.]

SEC. 6297. Ways of exercising the right to stop.

1 1. The unpaid seller may exercise his right of stoppage in transitu
2 either by obtaining actual possession of the goods or by giving notice
3 of his claim to the carrier or other bailee in whose possession the
4 goods are. Such notice may be given either to the person in actual
5 possession of the goods or to his principal. In the latter case the
6 notice, to be effectual, must be given at such time and under such
7 circumstances that the principal by the exercise of reasonable dili-
8 gence, may prevent a delivery to the buyer.

9 2. When notice of stoppage in transitu is given by the seller to
10 the carrier, or other bailee in possession of the goods, he must redeliver
11 the goods to, or according to the directions, of the seller. The ex-
12 penses of such delivery must be borne by the seller. If, however, a
13 negotiable document of title representing the goods has been issued
14 by the carrier or other bailee, he shall not be obliged to deliver or
15 justified in delivering the goods to the seller unless such document is
16 first surrendered for cancellation.

[38 G. A., ch. 396, § 59.]

SEC. 6298. When and how resale may be made.

1 1. Where the goods are of a perishable nature, or where the seller
2 expressly reserves the right of resale in case the buyer should make
3 default, or where the buyer has been in default in the payment of the
4 price an unreasonable time, an unpaid seller having a right of lien or
5 having stopped the goods in transitu may resell the goods. He shall
6 not thereafter be liable to the original buyer upon the contract to sell
7 or the sale or for any profit made by such resale, but may recover
8 from the buyer damages for any loss occasioned by the breach of the
9 contract or the sale.

10 2. Where a resale is made, as authorized in this section, the buyer
11 acquires a good title as against the original buyer.

12 3. It is not essential to the validity of a resale that notice of an
13 intention to resell the goods be given by the seller to the original
14 buyer. But where the right to resell is not based on the perishable
15 nature of the goods, or upon an express provision of the contract or
16 the sale, the giving or failure to give such notice shall be relevant in
17 any issue involving the question whether the buyer had been in de-
18 fault an unreasonable time before the resale was made.

19 4. It is not essential to the validity of a resale that notice of the
20 time and place of such resale should be given by the seller to the orig-
21 inal buyer.

22 5. The seller is bound to exercise reasonable care and judgment
23 in making a resale, and subject to this requirement may make a resale
24 either by public or private sale.

[38 G. A., ch. 396, § 60.]

SEC. 6299. When and how the seller may rescind the sale.

1 1. An unpaid seller having a right of lien or having stopped the
2 goods in transitu, may rescind the transfer of title and resume the
3 property in the goods, where he expressly reserved the right to do
4 so in case the buyer should make default, or where the buyer has been
5 in default in the payment of the price an unreasonable time. The
6 seller shall not thereafter be liable to the buyer upon the contract to
7 sell or the sale, but may recover from the buyer damages for any loss
8 occasioned by the breach of the contract or the sale.

9 2. The transfer of title shall not be held to have been rescinded
10 by an unpaid seller until he has manifested by notice to the buyer or
11 by some other overt act an intention to rescind. It is not necessary
12 that such overt act should be communicated to the buyer, but the
13 giving or failure to give notice to the buyer of the intention to rescind
14 shall be relevant in any issue involving the question whether the
15 buyer had been in default an unreasonable time before the right of
16 rescission was asserted.

[38 G. A., ch. 396, § 61.]

SEC. 6300. Effect of sale of goods subject to lien or stoppage in transitu.

1 Subject to the provisions of this chapter, the unpaid seller's right
2 of lien or stoppage in transitu is not affected by any sale or other
3 disposition of the goods which the buyer may have made, unless the
4 seller has assented thereto.

5 If, however, a negotiable document of title has been issued for
6 goods, no seller's lien or right of stoppage in transitu shall defeat the
7 right of any purchaser for value in good faith to whom such document
8 has been negotiated, whether such negotiation be prior or subsequent
9 to the notification to the carrier, or other bailee who issued such docu-
10 ment of the seller's claim to a lien or right of stoppage in transitu.

[38 G. A., ch. 396, § 62.]

SEC. 6301. Action for the price.

1 1. Where, under a contract to sell or a sale, the property in the
2 goods has passed to the buyer, and the buyer wrongfully neglects or
3 refuses to pay for the goods according to the terms of the contract or
4 the sale, the seller may maintain an action against him for the price of
5 the goods.

6 2. Where, under a contract to sell or a sale, the price is payable
7 on a day certain, irrespective of delivery or of transfer of title, and
8 the buyer wrongfully neglects or refuses to pay such price, the seller
9 may maintain an action for the price, although the property in the
10 goods has not passed and the goods have not been appropriated to
11 the contract. But it shall be a defense to such an action that the
12 seller at any time before judgment in such action has manifested an

13 inability to perform the contract or the sale on his part or an inten-
14 tion not to perform it.

15 3. Although the property in the goods has not passed, if they can
16 not readily be resold for a reasonable price, and if the provisions of the
17 next section are not applicable, the seller may offer to deliver the
18 goods to the buyer, and, if the buyer refuses to receive them, may
19 notify the buyer that the goods are thereafter held by the seller as
20 bailee for the buyer. Thereafter the seller may treat the goods as the
21 buyer's and may maintain an action for the price.

[38 G. A., ch. 396, § 63.]

SEC. 6302. Action for damages for nonacceptance of the goods.

1 1. Where the buyer wrongfully neglects or refuses to accept and
2 pay for the goods, the seller may maintain an action against him for
3 damages for nonacceptance.

4 2. The measure of damages is estimated loss directly and natur-
5 ally resulting, in the ordinary course of events, from the buyer's
6 breach of contract.

7 3. Where there is an available market for the goods in question,
8 the measure of damages is in the absence of special circumstances,
9 showing proximate damage of a greater amount, the difference be-
10 tween the contract price and the market or current price at the time
11 or times when the goods ought to have been accepted, or, if no time
12 was fixed for acceptance, then at the time of the refusal to accept.

13 4. If, while labor or expense of material amount are necessary on
14 the part of the seller to enable him to fulfill his obligations under the
15 contract to sell or the sale, the buyer repudiates the contract or the
16 sale, or notifies the seller to proceed no further therewith, the buyer
17 shall be liable to the seller for no greater damages than the seller
18 would have suffered if he did nothing toward carrying out the contract
19 or the sale after receiving notice of the buyer's repudiation or counter-
20 mand. The profit the seller would have made if the contract or the
21 sale had been fully performed shall be considered in estimating such
22 damages.

[38 G. A., ch. 396, § 64.]

SEC. 6303. When seller may rescind contract or sale.

1 Where the goods have not been delivered to the buyer, and the
2 buyer has repudiated the contract to sell or sale, or has manifested his
3 inability to perform his obligations thereunder, or has committed a
4 material breach thereof, the seller may totally rescind the contract or
5 the sale by giving notice of his election so to do to the buyer.

[38 G. A., ch. 396, § 65.]

SEC. 6304. Action for converting or detaining goods.

1 Where the property in the goods has passed to the buyer and the
2 seller wrongfully neglects or refuses to deliver the goods, the buyer
3 may maintain any action allowed by law to the owner of goods of
4 similar kind when wrongfully converted or withheld.

[38 G. A., ch. 396, § 66.]

SEC. 6305. Action for failing to deliver goods.

1 1. Where the property in the goods has not passed to the buyer,
2 and the seller wrongfully neglects or refuses to deliver the goods, the

3 buyer may maintain an action against the seller for damages for
4 nondelivery.

5 2. The measure of damages is the loss directly and naturally
6 resulting in the ordinary course of events from the seller's breach of
7 contract.

8 3. Where there is an available market for the goods in question,
9 the measure of damages, in the absence of special circumstances show-
10 ing proximate damages of a greater amount, is the difference between
11 the contract price and the market or current price of the goods at
12 the time or times when they ought to have been delivered, or, if no
13 time was fixed, then at the time of the refusal to deliver.

[38 G. A., ch. 396, § 67.]

SEC. 6306. Specific performance.

1 Where the seller has broken a contract to deliver specific or ascer-
2 tained goods, a court having the powers of a court of equity may, if
3 it thinks fit, on the application of the buyer, by its judgment or decree
4 direct that the contract shall be performed specifically, without giving
5 the seller the option of retaining the goods on payment of damages.
6 The judgment or decree may be unconditional, or upon such terms and
7 conditions as to damages, payment of the price and otherwise, as to
8 the court may seem just.

[38 G. A., ch. 396, § 68.]

SEC. 6307. Remedies for breach of warranty.

1 Where there is a breach of warranty by the seller, the buyer
2 may, at his election—

3 *a* Accept or keep the goods and set up against the seller the
4 breach of warranty by way of recoupment in diminution or extinction
5 of the price.

6 *b* Accept or keep the goods and maintain an action against the
7 seller for damages for the breach of warranty.

8 *c* Refuse to accept the goods, if the property therein has not
9 passed, and maintain an action against the seller for damages for the
10 breach of warranty.

11 *d* Rescind the contract to sell or the sale and refuse to receive
12 the goods, or, if the goods have already been received, return them or
13 offer to return them to the seller and recover the price or any part
14 thereof which has been paid.

15 2. When the buyer has claimed and been granted a remedy in any
16 one of these ways, no other remedy can thereafter be granted.

17 3. Where the goods have been delivered to the buyer, he can
18 not rescind the sale if he knew of the breach of warranty when he
19 accepted the goods, or if he fails to notify the seller within a reason-
20 able time of the election to rescind, or if he fails to return or to offer
21 to return the goods to the seller in substantially as good condition as
22 they were in at the time the property was transferred to the buyer.
23 But if deterioration or injury of the goods is due to the breach of
24 warranty, such deterioration or injury shall not prevent the buyer
25 from returning or offering to return the goods to the seller and
26 rescinding the sale.

27 4. Where the buyer is entitled to rescind the sale and elects to
28 do so, the buyer shall cease to be liable for the price upon returning
29 or offering to return the goods. If the price or any part thereof has
30 already been paid, the seller shall be liable to repay so much thereof

31 as has been paid, concurrently with the return of the goods or imme-
 32 diately after an offer to return the goods in exchange for repayment
 33 of the price.

34 5. Where the buyer is entitled to rescind the sale and elects to do
 35 so, if the seller refuses to accept an offer of the buyer to return the
 36 goods, the buyer shall thereafter be deemed to hold the goods as bailee
 37 for the seller, but subject to a lien to secure the repayment of any
 38 portion of the price which has been paid, and with the remedies for
 39 the enforcement of such lien allowed to an unpaid seller by section
 40 sixty-two hundred ninety-one.

41 6. The measure of damages for breach of warranty is the loss
 42 directly and naturally resulting, in the ordinary course of events, from
 43 the breach of warranty.

44 7. In the case of breach of warranty of quality, such loss, in the
 45 absence of special circumstances showing proximate damage of a
 46 greater amount, is the difference between the value of the goods at
 47 the time of delivery to the buyer and the value they would have had if
 48 they had answered to the warranty.

[38 G. A., ch. 396, § 69.]

SEC. 6308. Interest and special damages.

1 Nothing in this chapter shall affect the right of the buyer or the
 2 seller to recover interest or special damages in any case where by law
 3 interest or special damages may be recoverable, or to recover money
 4 paid where the consideration for the payment of it has failed.

[38 G. A., ch. 396, § 70.]

SEC. 6309. Variation of implied obligations.

1 Where any right, duty, or liability would arise under a contract
 2 to sell or a sale by implication of law, it may be negatived or varied by
 3 express agreement or by the course of dealing between the parties, or
 4 by custom, if the custom be such as to bind both parties to the con-
 5 tract or the sale.

[38 G. A., ch. 396, § 71.]

SEC. 6310. Rights may be enforced by action.

1 Where any right, duty, or liability is declared by this chapter, it
 2 may, unless otherwise by this chapter provided, be enforced by action.

[38 G. A., ch. 396, § 72.]

SEC. 6311. Rule for cases not provided herein.

1 In any case not provided for in this chapter the rules of law and
 2 equity, including the law merchant, and in particular the rules relating
 3 to the law of principal and agent and to the effect of fraud, misrepresen-
 4 tation, duress or coercion, mistake, bankruptcy, or other invalidat-
 5 ing cause, shall continue to apply to contracts to sell and to sales
 6 of goods.

[38 G. A., ch. 396, § 73.]

SEC. 6312. Interpretation shall give effect to purpose of uniformity.

1 This chapter shall be so interpreted and construed as to effectuate
 2 its general purpose to make uniform the laws of those states which
 3 enact it.

[38 G. A., ch. 396, § 74.]

SEC. 6313. Provisions not applicable to mortgages.

1 The provisions of this chapter relating to contracts to sell and to
 2 sales do not apply, unless so stated, to any transaction in the form of
 3 a contract to sell or a sale which is intended to operate by way of
 4 mortgage, pledge, charge, or other security.

[38 G. A., ch. 396, § 75.]

[38 G. A., ch. 396, § 76-b.]

CHAPTER 2.

CONDITIONAL SALES AND CHATTEL MORTGAGES.

SECTION 6317. Conditional sales.

1 No sale, contract or lease, wherein the transfer of title or owner-
2 ship of personal property is made to depend upon any condition, shall
3 be valid against any creditor or purchaser of the vendee or lessee in
4 actual possession obtained in pursuance thereof, without notice, unless
5 the same be in writing, executed by the vendor and vendee, or by the
6 lessor and lessee, acknowledged by the vendor or vendee, or by the
7 lessor or lessee, and recorded or filed and deposited the same as chattel
8 mortgages.

[C., '73, § 1922; C., '97, § 2905; 37 G. A., ch. 154, § 1; 38 G. A., ch. 352, § 12.]

SEC. 6318. Sales or mortgages—recording.

1 No sale or mortgage of personal property, where the vendor or
2 mortgagor retains actual possession thereof, is valid against existing
3 creditors or subsequent purchasers, without notice, unless a written
4 instrument conveying the same is executed, acknowledged like con-
5 veyances of real estate, and such instrument, or a true copy thereof, is
6 duly recorded or filed and deposited with the recorder of the county

7 where the property shall then be situated, or if the mortgagor be a
 8 resident of this state, then of the county where the holder of the
 9 property resides. No incumbrance of personal property which may be
 10 held exempt from execution by the head of a family, if a resident of
 11 this state, under the provisions of law, shall be of any validity as to
 12 such exempt property only, unless the same be by written instrument,
 13 and unless the husband and wife, if both be living, concur in and sign
 14 the same joint instrument. But incumbrances on the property sold,
 15 given to secure the purchase price, need only be signed and acknowl-
 16 edged by the purchaser.

[C., '51, § 1193; R., '60, § 2201; C., '73, § 1923; C., '97, §
 2906; 38 G. A., ch. 352, § 2.]

SEC. 6319. Filing equivalent of recording.

1 Upon receipt of any such instrument, the recorder shall indorse
 2 thereon the time of receiving it, and shall file the same in his office
 3 for the inspection of all persons, and such filing shall have the same
 4 force and effect as if recorded at length; upon request of person pre-
 5 senting instrument for filing, the county recorder shall issue a receipt
 6 therefor, and such receipt shall describe instrument as to grantor,
 7 grantee, date, consideration and date filed.

[38 G. A., ch. 352, § 3.]

SEC. 6320. Void after five years—extension.

1 Every mortgage so filed shall be void as against the creditors of
 2 the person making the same, or as against subsequent purchasers or
 3 mortgagees in good faith, after the expiration of five years after
 4 the maturity of the debt thereby secured, unless an extension agree-
 5 ment, duly executed by the mortgagor shall be filed with the instru-
 6 ment to which it relates, and such extension agreement shall operate
 7 to continue the lien in the same manner as the original instrument.

[38 G. A., ch. 352, § 4.]

SEC. 6321. Copy furnished on request.

1 A duplicate or copy of such mortgage, bill of sale, or other instru-
 2 ment filed under the provision of this chapter, shall be supplied by the
 3 county recorder upon request of any party in interest, and the pay-
 4 ment of fees therefor, as hereinafter stipulated. Such duplicate or
 5 copy shall be duly certified by the county recorder and may be filed in
 6 other counties of the state in the same manner as herein provided.

[38 G. A., ch. 352, § 5.]

SEC. 6322. Copy receivable in evidence.

1 A copy of such original instrument, duly certified by the county
 2 recorder in whose office the same shall have been filed, shall be re-
 3 ceived in evidence in all suits or actions to which it may be applicable;
 4 and if in any suit or action, the due execution of such instrument or
 5 its genuineness be questioned in such manner as to render the produc-
 6 tion of the original instrument desirable or necessary, then the same
 7 may be produced by the recorder of the county in obedience to a proper
 8 judicial process or court order.

[38 G. A., ch. 352, § 6.]

SEC. 6323. Recorder to keep index book.

1 The county recorder shall keep an index book in which shall be
 2 entered a list of mortgages of personal property, or extensions thereof,
 3 bills of sale, and other instruments affecting title to or incumbrance of
 4 personal property, which may be filed under this chapter. Such book
 5 shall be ruled into separate columns with appropriate heads, and
 6 shall set out:

- 7 1. The time of reception.
- 8 2. The name of mortgagor.
- 9 3. The name of mortgagee.
- 10 4. The date of instrument.
- 11 5. The amount secured.
- 12 6. When due.
- 13 7. The nature of the property mortgaged.
- 14 8. Where located.
- 15 9. Extension.
- 16 10. When released.
- 17 11. Remarks.

18 The proper entry shall be made under each such heads. Under
 19 the head of "property mortgaged," it will be sufficient to enter a
 20 general description of the kind or nature of the property.

[38 G. A., ch. 352, § 7.]

SEC. 6324. How released.

1 Any mortgage or pledge of personal property may be released of
 2 record, by filing with the original instrument, a duly executed satis-
 3 faction piece or release of mortgage; or by the mortgagee or his
 4 authorized agent indorsing a satisfaction of said mortgage on the

11 of the real owner, made any valuable improvements thereon, or if he
12 or those under whom he claims have, at any time during such occu-
13 pancy, paid the ordinary county taxes thereon for any one year, and
14 two years have elapsed without a repayment or offer of repayment
15 of the same by the owner thereof, and such occupancy is continued
16 up to the time at which the action is brought by which the recovery
17 of the real estate is obtained; but nothing in this chapter shall be
18 construed to give tenants color of title against their landlords.

[C., '73, § 1984; C., '97, § 2968.]

SEC. 6411. Waste by claimant.

1 In the cases hereinbefore provided for, if the occupying claimant

CHAPTER 4.

HOMESTEAD.

SECTION 6414. Exempt.

1 The homestead of every family, whether owned by the husband
2 or wife, is exempt from judicial sale, where there is no special declara-
3 tion of statute to the contrary.

[C., '51, § 1245; R., '60, § 2277; C., '73, § 1988; C., '97,
§ 2972.]

SEC. 6415. Family defined.

1 A widow or widower, though without children, shall be deemed
2 a family within the meaning of this chapter, while continuing to oc-
3 cupy the real estate used as a homestead at the death of the husband or
4 wife, and such right shall continue to the party to whom it is adjudged
5 in a decree of divorce, during continued personal occupancy.

[C., '51, § 1246; R., '60, § 2278; C., '73, § 1989; C., '97,
§ 2973.]

SEC. 6416. Conveyance or incumbrance.

1 No conveyance or incumbrance of or contract to convey or incum-
 2 ber the homestead, if the owner is married, is valid, unless the husband
 3 and wife join in the execution of the same joint instrument, whether
 4 the homestead is exclusively the subject of the contract or not, but
 5 such contracts may be enforced as to real estate other than the home-
 6 stead at the option of the purchaser or incumbrancer.

[C., '51, § 1247; R., '60, § 2279; C., '73, § 1990; C., '97,
 § 2974.]

SEC. 6417. Subject to mechanics' liens.

1 The homestead is subject to mechanics' liens for work, labor
 2 or material done or furnished exclusively for the improvement of the
 3 same.

[C., '51, § 1248; R., '60, § 2280; C., '73, § 1991; C., '97,
 § 2975.]

SEC. 6418. Liable for debts antedating purchase—by written contract.

1 The homestead may be sold on execution for debts contracted
 2 prior to its acquisition, but in such case it shall not be sold except to
 3 supply any deficiency remaining after exhausting the other property
 4 of the debtor liable to execution. It may also be sold for debts cre-
 5 ated by written contract, executed by the persons having the power
 6 to convey, and expressly stipulating that it is liable therefor, but then
 7 only for a deficiency remaining after exhausting all other property
 8 pledged by the same contract for the payment of the debt.

[C., '51, § 1249; R., '60, § 2281; C., '73, §§ 1992, 1993; C.,
 '97, § 2976.]

SEC. 6419. What constitutes.

1 It must embrace the house used as a home by the owner, and, if
 2 he has two or more houses thus used, he may select which he will
 3 retain. It may contain one or more contiguous lots or tracts of land,
 4 with the building and other appurtenances thereon, habitually and in
 5 good faith used as part of the same homestead.

[C., '51, §§ 1250, 1251; R., '60, §§ 2282, 2283; C., '73, §§ 1994,
 1995; C., '97, § 2977.]

SEC. 6420. Extent—dwelling—appurtenances—value.

1 If within a city or town plat, it must not exceed one-half acre in
 2 extent, otherwise it must not contain in the aggregate more than
 3 forty acres, but if, in either case, its value is less than five hundred
 4 dollars, it may be enlarged until it reaches that amount. It must not
 5 embrace more than one dwelling house, or any other buildings except
 6 such as are properly appurtenant thereto, but a shop or other building
 7 situated thereon, actually used and occupied by the owner in the prose-
 8 cution of his ordinary business, and not exceeding three hundred dol-
 9 lars in value, is appurtenant thereto.

[C., '51, §§ 1252, 1253; R., '60, §§ 2284, 2285; C., '73, §§ 1996,
 1997; C., '97, § 2978; S., '13, § 2978.]

SEC. 6421. Selecting—platting—notice to plat and record.

1 The owner, husband or wife, may select the homestead and cause
 2 it to be platted, but a failure to do so shall not render the same liable
 3 when it otherwise would not be, and a selection by the owner shall
 4 control. When selected, it shall be marked off by permanent, visible
 5 monuments, and the description thereof shall give the direction and
 6 distance of the starting point from some corner of the dwelling, which
 7 description, with the plat, shall be filed and recorded by the recorder
 8 of the proper county in the homestead book, which shall be, as nearly
 9 as may be, in the form of the record books for deeds, with an index
 10 kept in the same manner. Should the homestead not be platted and
 11 recorded at the time levy is made upon real property in which a home-
 12 stead is included the officer having the execution shall give notice in
 13 writing to said owner, and the husband or wife of such owner, if
 14 found within the county to plat and record the same within ten days
 15 after service thereof; after which time said officer shall cause said
 16 homestead to be platted and recorded as above, and the expense thereof
 17 shall be added to the costs in the case.

[C., '51, §§ 1254, 1255; R., '60, §§ 2286, 2287; C., '73, §§ 1998,
 1999; C., '97, § 2979; S., '13, § 2979.]

SEC. 6422. By court.

1 Upon application made to the district court by any creditor of
 2 the owner of the homestead, or other person interested therein, such
 3 court shall hear the cause upon the proof offered, and fix and establish
 4 the boundaries thereof, and the judgment therein shall be filed and
 5 recorded in the manner provided in the preceding section.

[C., '97, § 2980.]

SEC. 6423. Changes.

1 The owner may, from time to time, change the limits of the home-
 2 stead by changing the metes and bounds; as well as the record of the
 3 plat and description, or vacate it, but such changes shall not prejudice
 4 conveyances or liens made or created previously thereto, and no such
 5 change of the entire homestead, made without the concurrence of the
 6 husband or wife, shall affect his or her rights, or those of the children.
 7 The new homestead, to the extent in value of the old, is exempt from
 8 execution in all cases where the old or former one would have been.

[C., '51, §§ 1256, 1257; R., '60, §§ 2288, 2289; C., '73, §§ 2000,
 2001; C., '97, § 2981.]

SEC. 6424. Referees to determine exemption.

1 When a disagreement takes place between the owner and any
 2 person adversely interested, as to whether any land or buildings are
 3 properly a part of the homestead, the sheriff shall, at the request of
 4 either party, summon nine disinterested persons having the qualifica-
 5 tions of jurors. The parties then, commencing with the owner, shall
 6 in turn strike off one person each, until three remain. Should either
 7 party fail to do so, the sheriff may act for him, and the three as
 8 referees shall proceed to examine and ascertain all the facts of the
 9 case, and report the same, with their opinion thereon, to the next term
 10 of court from which the execution or other process may have issued.

[C., '51, §§ 1258, 1259; R., '60, §§ 2290, 2291; C., '73, §§ 2002,
 2003; C., '97, § 2982.]

SEC. 6425. Referring back—marking off—costs.

1 The court in its discretion may refer the whole or any part of
 2 the matter back to the same or other referees, to be selected in the
 3 same manner, or as the parties agree, giving them directions as to
 4 the report required of them. When the court is sufficiently advised
 5 in the case, it shall make its decision, and may, if expedient, direct
 6 the homestead to be marked off anew, or a new plat and description
 7 to be made and recorded, and take such further steps in the premises
 8 as in its discretion may appear expedient for attaining the objects
 9 of this chapter. It shall also award costs in accordance with the
 10 practice in other cases, as nearly as may be.

[C., '51, §§ 1260, 1261; R., '60, §§ 2292, 2293; C., '73, §§ 2004,
 2005; C., '97, § 2983.]

SEC. 6426. Change of circumstances.

1 The extent or appurtenances of the homestead thus established
 2 may be called in question in like manner, whenever a change in value
 3 or circumstances will justify such new proceedings.

[C., '51, § 1262; R., '60, § 2294; C., '73, § 2006; C., '97,
 § 2984.]

SEC. 6427. Occupancy by surviving spouse—descent.

1 Upon the death of either husband or wife, the survivor may con-
 2 tinue to possess and occupy the whole homestead until it is otherwise
 3 disposed of according to law, but the setting off of the distributive
 4 share of the husband or wife in the real estate of the deceased shall
 5 be such a disposal of the homestead as is herein contemplated. The
 6 survivor may elect to retain the homestead for life in lieu of such
 7 share in the real estate of the deceased; but if there be no survivor,
 8 the homestead descends to the issue of either husband or wife accord-
 9 ing to the rules of descent, unless otherwise directed by will, and is
 10 to be held by such issue exempt from any antecedent debts of their
 11 parents or their own, except those of the owner thereof contracted
 12 prior to its acquisition.

[C., '51, §§ 1263, 1264; R., '60, §§ 2295, 2296; C., '73, §§ 2007,
 2008; C., '97, § 2985.]

SEC. 6428. Sale for debts.

1 If there is no such survivor or issue, the homestead is liable to
 2 be sold for the payment of any debts to which it might at that time
 3 be subjected if it had never been held as a homestead.

[C., '51, § 1265; R., '60, § 2297; C., '73, § 2009; C., '97,
 § 2986.]

SEC. 6429. Devise.

1 Subject to the rights of the surviving husband or wife, the home-
 2 stead may be devised like other real estate of the testator.

[C., '51, § 1266; R., '60, § 2298; C., '73, § 2010; C., '97,
 § 2987.]

SEC. 6430. Removal from homestead.

1 Neither husband nor wife can remove the other nor the children
2 from the homestead without the consent of the other.

[C., '51, § 1462; R., '60, § 2514; C., '73, § 2215; C., '97,
§ 3166.]

CHAPTER 5.**LANDLORD AND TENANT.****SECTION 6431. Apportionment of rent.**

1 The executor of a tenant for life who leases real estate so held,
2 and dies on or before the day on which the rent is payable, and a
3 person entitled to rent dependent on the life of another may recover
4 the proportion of rent which had accrued at the time of the death.

[C., '51, § 1267; R., '60, § 2299; C., '73, § 2011; C., '97,
§ 2988.]

SEC. 6432. Tenant holding over.

1 A tenant giving notice of his intention to quit leased premises at
2 a time named, and afterwards holding over, and a tenant or his as-
3 signee wilfully holding over after the term, and after notice to quit,
4 shall pay double the rental value thereof during the time he holds
5 over to the person entitled thereto.

[C., '51, § 1268; R., '60, § 2300; C., '73, § 2012; C., '97,
§ 2989.]

SEC. 6433. Attornment to stranger.

1 The payment of rent, or delivery of possession of leased prem-
2 ises, to one not the lessor, is void, unless made with his consent, or
3 in pursuance of a judgment or decree of court or judicial sale.

[C., '51, § 1269; R., '60, § 2301; C., '73, § 2013; C., '97,
§ 2990.]

SEC. 6434. Tenant at will—notice to quit.

1 Any person in the possession of real estate, with the assent of the
2 owner, is presumed to be a tenant at will until the contrary is shown,
3 and thirty days' notice in writing must be given by either party before
4 he can terminate such a tenancy; but when, in any case, a rent is
5 reserved payable at intervals of less than thirty days, the length of
6 notice need not be greater than such interval. In case of tenants
7 occupying and cultivating farms, the notice must fix the termination
8 of the tenancy to take place on the first day of March, except in cases
9 of mere croppers, whose leases shall be held to expire when the crop
10 is harvested; if the crop is corn, it shall not be later than the first
11 day of December, unless otherwise agreed upon. But where an agree-
12 ment is made fixing the time of the termination of the tenancy, whether
13 in writing or not, it shall cease at the time agreed upon, without no-
14 tice. When a tenant can not be found in the county, the notice above
15 required may be given to any subtenant or other person in possession
16 of the premises, or, if the premises be vacant, by affixing the notice

17 to any outside door of the dwelling house thereon, or other building,
 18 if there be no dwelling house, or in some conspicuous position on the
 19 premises, if there be no building.

[C., '51, §§ 1208, 1209; R., '60, §§ 2216, 2218; C., '73, §§ 2014-2016; C., '97, § 2991.]

CHAPTER 6.

WALLS IN COMMON.

SECTION 6435. Resting wall on neighbor's land.

1 Where building lots have been surveyed and plats thereof re-
 2 corded, anyone who is about to build contiguous to the land of another
 3 may, if there be no wall on the line between them, build a brick or
 4 stone wall thereon, when the whole thickness of such wall above the
 5 cellar wall does not exceed eighteen inches exclusive of the plastering,
 6 and rest one-half thereof on the adjoining land, but the adjoining
 7 owner shall not be compelled to contribute to the expense of building
 8 said wall.

[R., '60, § 1914; C., '73, § 2019; C., '97, § 2994.]

SEC. 6436. Contribution by adjoining owner.

1 If the adjoining owner contributes one-half of the expense of
 2 building such wall, then it is a wall in common between them, but if
 3 he refuses to contribute, he shall have the right to make it a wall in
 4 common by paying to the person who erected or maintained it one-half
 5 of its appraised value at the time of using it.

[R., '60, § 1915; C., '73, § 2020; C., '97, § 2995.]

SEC. 6437. Openings—presumption.

1 No wall shall be built by any person partly on the land of another
 2 with any openings therein, and every separating wall between build-
 3 ings shall, as high as the upper part of the first story, be presumed to
 4 be a wall in common, if there be no titles, proof or mark to the con-
 5 trary, and if any wall is erected which, under the provisions of this
 6 chapter, becomes, or may become, at the option of another, a wall in
 7 common, such person shall not be compelled to contribute to the ex-
 8 pense of closing any openings therein, but this shall be done at the
 9 expense of the owner of such wall.

[R., '60, § 1916; C., '73, § 2021; C., '97, § 2996.]

SEC. 6438. Repairs—expense apportioned.

1 The repairs and rebuilding of walls in common are to be made
 2 at the expense of all who have a right to them, and in proportion to
 3 the interest of each therein, but every coproprietor of a wall in com-
 4 mon may be exonerated from contributing to the same by giving up
 5 his right in common, if no building belonging to him is actually sup-
 6 ported by such wall.

[R., '60, § 1917; C., '73, § 2022; C., '97, § 2997.]

SEC. 6439. Beams, joists and flues.

1 Every coproprietor may build against a wall held in common, and
 2 cause beams or joists to be placed therein; and any person building
 3 such a wall shall, on being requested by his coproprietor, make the
 4 necessary flues, and leave the necessary bearings for joists or beams,
 5 at such height and distance apart as shall be specified by his co-
 6 proprietor.

[R., '60, § 1918; C., '73, § 2023; C., '97, § 2998.]

SEC. 6440. Height of wall—rebuilding.

1 Every coproprietor may increase the height of a wall in common
 2 at his sole expense, and he shall repair and keep in repair that part
 3 of the same above the part held in common. If the wall so held in
 4 common can not support the wall to be raised upon it, one who wishes
 5 to have it made higher must rebuild it anew and at his own expense,
 6 and the additional thickness of the wall must be placed entirely on
 7 his own land. The person who did not contribute to the heightening
 8 of a wall held in common may cause the raised part to become common
 9 by paying one-half of the appraised value of raising it, and half the
 10 value of the ground occupied by the additional thickness thereof, if
 11 any ground was so occupied.

[R., '60, §§ 1919-1921; C., '73, §§ 2024-2026; C., '97, § 2999.]

SEC. 6441. Paying for share of adjoining wall.

1 Every proprietor joining a wall has the right of making it a wall
 2 in common, in whole or in part, by repaying to the owner thereof one-
 3 half of its value, or one-half of the part which he wishes to hold in
 4 common, and one-half of the value of the ground on which it is built,
 5 if the person who has built it has laid the foundation entirely upon
 6 his own ground.

[R., '60, § 1922; C., '73, § 2027; C., '97, § 3000.]

SEC. 6442. Openings—fixtures.

1 Adjoining owners of walls held in common shall not make open-
 2 ings or cavities therein, nor affix nor attach thereto any work or struc-
 3 ture, without the consent of the other, or upon his refusal, without
 4 having taken all necessary precautions to guard against injury to the
 5 rights of the other, to be ascertained by persons skilled in building.

[R., '60, § 1923; C., '73, § 2028; C., '97, § 3001.]

SEC. 6443. Disputes—delay—bonds.

1 No dispute between adjoining owners as to the amount to be paid
 2 by one or the other, by reason of any of the matters provided in this
 3 chapter, shall delay the execution of the provisions of the same, if the
 4 party on whom the claim is made shall enter into bonds, with security,
 5 to the satisfaction of the clerk of the district court of the proper
 6 county, conditioned that he shall pay to the claimant whatever may
 7 be found to be his due on the settlement of the matter between them,
 8 either in a court of justice or elsewhere; upon the presentation of such
 9 a bond, the clerk shall indorse his approval thereon, and retain the
 10 same until demanded by the party for whose benefit it is executed.

[R., '60, § 1924; C., '73, § 2029; C., '97, § 3002.]

SEC. 6444. Guardian may contract for minors.

1 This chapter shall not prevent adjoining proprietors from enter-
 2 ing into special agreements about walls on the lines between them,
 3 but no evidence thereof shall be competent unless in writing, signed
 4 by the parties thereto or their lawfully authorized agents, or the guard-
 5 ian of either, if a minor, who shall have full authority to act for his
 6 ward in all matters relating to walls in common without an order of
 7 court therefor.

[R., '60, § 1925; C., '73, § 2030; C., '97, § 3003.]

CHAPTER 7.**EASEMENTS.****SECTION 6445. Adverse possession—use.**

1 In all actions hereafter brought, in which title to any easement
 2 in real estate shall be claimed by virtue of adverse possession thereof
 3 for the period of ten years, the use of the same shall not be admitted
 4 as evidence that the party claimed the easement as his right, but the
 5 fact of adverse possession shall be established by evidence distinct
 6 from and independent of its use, and that the party against whom the
 7 claim is made had express notice thereof; and these provisions shall
 8 apply to public as well as private claims.

[C., '73, § 2031; C., '97, § 3004.]

SEC. 6446. Light and air.

1 Whoever has erected, or may erect, any house or other building
 2 near the land of another person, with windows overlooking such land,
 3 shall not, by the mere continuance of such windows, acquire any ease-
 4 ment of light or air, so as to prevent the erection of any building on
 5 such land.

[C., '73, § 2032; C., '97, § 3005.]

SEC. 6447. Footway.

1 No right of footway, except claimed in connection with a right to
 2 pass with carriages, shall be acquired by prescription or adverse use
 3 for any length of time.

[C., '73, § 2033; C., '97, § 3006.]

SEC. 6448. Use terminated by notice.

1 When any person in the use of a way, privilege or other ease-
 2 ment in the land of another, the owner of the land in such case may
 3 give notice in writing to the person claiming or using the way, privi-
 4 lege or easement of his intention to dispute any right arising from
 5 such claim or use, which notice, when served and recorded as herein-
 6 after provided, shall be an interruption of such use, and prevent the
 7 acquiring of any right thereto by the continuance thereof; which no-
 8 tice, signed by the owner of the land, his agent or guardian, may be
 9 served in the same manner as in a civil action, upon the party, his
 10 agent or guardian, if within this state, otherwise on the tenant or occu-
 11 pant, if there be any, and it, with the return thereof, shall be recorded

12 within three months thereafter in the recorder's office of the county
 13 in which the land is situated; and a certified copy of such record of
 14 said notice and the officer's return thereon shall be evidence of the
 15 notice and the service thereof.

[C., '73, § 2034; C., '97, § 3007.]

SEC. 6449. Effect of.

1 When notice is given to prevent the acquisition of a right to a
 2 way or other easement, it shall be considered so far a disturbance
 3 thereof as to enable the party claiming to bring an action for disturb-
 4 ing the same in order to try such right, and if the plaintiff in the
 5 action prevails, he shall recover costs.

[C., '73, § 2035; C., '97, § 3008.]

CHAPTER 8.

PERPETUITIES AND GIFTS.

SECTION 6450. Disposition of property.

1 Every disposition of property is void which suspends the abso-
 2 lute power of controlling the same, for a longer period than during the
 3 lives of persons then in being, and twenty-one years thereafter.

[C., '51, § 1191; R., '60, § 2199; C., '73, § 1920; C., '97,
 § 2901.]

SEC. 6451. Churches may lease—taxation.

1 Church organizations, occupying real property granted to them
 2 by the territory or state, may lease the same for business purposes,
 3 and occupy other real property with their church edifices, but all of
 4 the income derived from such leased real property shall be devoted to
 5 maintaining the religious exercises and ordinance of the church to
 6 which the grant was originally made, and to no other purpose; and
 7 such churches and their affairs shall remain in the control of boards
 8 of trustees regularly chosen in accordance with their charters; but
 9 real property so leased shall in all cases be subject to taxation, the
 10 same as the real property of natural persons.

[C., '73, § 1921; C., '97, § 2902.]

SEC. 6452. Property in trust.

1 A gift, devise or bequest of property, real or personal, may be
 2 made to the state, or to any county or other municipal corporation, to
 3 be held in trust for and applied to any specified purpose within the
 4 scope of its authority, but the same shall not become effectual to pass

CHAPTER 9.

THE RIGHTS OF ALIENS.

SECTION 6455. Nonresident aliens—acquiring and holding real estate—limitations as to holdings.

1 Nonresident aliens, or corporations incorporated under the laws
 2 of any foreign country, or corporations organized in this country one-
 3 half of the stock of which is owned or controlled by nonresident
 4 aliens, are prohibited from acquiring title to or holding any real estate
 5 in this state, except as hereinafter provided, save that the widow and
 6 heirs and devisees, being nonresident aliens, of any alien or natural-
 7 ized citizen who has acquired real estate in this state, may hold the
 8 same by devise, descent or distribution, for a period of twenty years;
 9 and if at the end of that time such real estate has not been sold to a
 10 bona fide purchaser for value, or such alien heirs have not become resi-
 11 dents of this state, such land shall escheat to the state; nothing in
 12 this section contained shall prevent aliens from having or acquiring
 13 property of any kind within the corporate limits of any city or town
 14 in the state, or lands not to exceed three hundred and twenty acres in
 15 the name of one person, or any stock in any corporation for pecuniary
 16 profit, or from alienating or devising the same. This chapter shall not
 17 affect the distribution of personal property, and shall apply to real
 18 estate heretofore devised or descended when no proceedings for for-
 19 feiture have been commenced.

[C., '73, §§ 1908, 1909; C., '97, § 2889.]

SEC. 6456. Real property.

1 All corporations organized under the laws of any foreign country,
 2 and corporations organized under the laws of any state of the United
 3 States, one-half of whose stock is owned and controlled by nonresident
 4 aliens, shall have the right to own, hold, and dispose of any real prop-
 5 erty owned or held by any such corporations on the fourth day of July,
 6 eighteen hundred eighty-eight, or any real property acquired by any
 7 such corporations under the provisions of section sixty-four hundred

8 fifty-eight; but any such corporation shall sell or dispose of any such
9 property now owned by it on or before March sixteenth, nineteen hun-
10 dred ten, and in default thereof the provisions of sections sixty-four
11 hundred fifty-nine, sixty-four hundred sixty and sixty-four hundred
12 sixty-one shall be applied thereto.

[S., '13, § 2889-a.]

SEC. 6457. Bona fide contract.

1 A bona fide contract for the sale of any such lands owned by any
2 such corporation shall be held and considered as a sale within the pro-
3 visions of the preceding section, and a good and valid deed of con-

5 ment of such contract by the purchaser of any such lands.

[S., '13, § 1889-b.]

SEC. 6458. Holders of liens.

1 The provisions of this chapter shall not prevent the holder of any
2 lien upon or interest in real estate, acquired before or after the date
3 mentioned in section sixty-four hundred fifty-five from taking or hold-
4 ing a valid title to the real estate in which he has such interest, or
5 upon which he has such lien; nor shall it prevent any nonresident
6 alien enforcing any lien or judgment for any debt or liability which
7 may have been created subsequently to said date, or which he may
8 hereafter acquire, nor from becoming a purchaser at any sale by virtue
9 of such lien, judgment or liability, if all real estate so acquired shall be
10 sold within ten years after the title shall be perfected in such alien
11 under such sale. Any real estate owned or held by any nonresident
12 alien, as provided in this and the preceding sections and not disposed
13 of as therein required, shall escheat to the state.

[C., '97, § 2890.]

SEC. 6459. Escheat.

1 The county attorney of any county in which any real estate sub-
2 ject to escheat is situated shall proceed by petition in the name of the
3 state against the owner thereof. The court shall hear and determine
4 the issues presented in said petition, and declare such real estate
5 escheated, or dismiss the petition, as the facts may require. When
6 such escheat is decreed by the court, the clerk shall notify the governor
7 that the title to such real estate is vested in the state by the decree of
8 said court, and present to the auditor of state a bill of the costs
9 incurred by the county in prosecuting such action, under his official
10 certificate and seal, who shall issue a warrant payable to said clerk,
11 drawn on the state treasurer, to pay the costs so incurred. Any real
12 estate, the title to which shall be acquired by the state under the pro-
13 visions of this chapter, shall be sold in the manner provided for the

15 of the permanent school fund.

[C., '97, § 2891.]

SEC. 6460. Proceedings.

1 Any citizen of the state, knowing of lands which have escheated
2 under the provisions of this chapter, may file a motion or petition in
3 the district court, praying an order directing the county attorney to

4 commence the proceeding provided for in the preceding section; and
 5 if, after hearing such proofs as may be offered, it finds there is reason-
 6 able ground to believe that any land has escheated, shall direct the
 7 county attorney to proceed as provided in this chapter. If in any such
 8 case the county attorney is adversely interested, the court may ap-
 9 point an attorney to prosecute such action, and fix a reasonable attor-
 10 ney's fee therefor, to be paid as other costs in the case.

[C., '97, § 2892.]

SEC. 6461. Limitation.

1 No action for the recovery of real estate, the title to which is
 2 acquired by the state under the provisions of this chapter, shall lie,

 4 by the state, unless such action shall have been commenced within five
 5 years after the title became vested in the grantee of the state; but a
 6 minor or person of unsound mind shall have the right to bring an
 7 action therefor at any time within five years after his disability
 8 ceases. The defendant in any action brought under the provisions of
 9 this chapter, if the decree is for the plaintiff, shall be entitled to the
 10 benefit of the provisions of this chapter relating to occupying claim-
 11 ants.

[C., '97, § 2893.]

SECTION 6462. Sale authorized.

1 All land between high-water mark and the center of the former
 2 channel of any navigable stream, where such channel has been aban-

 4 to be used for the purposes of navigation, and all land within such
 5 abandoned river channels, and all bars or islands in the channels of
 6 navigable streams not heretofore surveyed or platted by the United
 7 States or the state of Iowa, and all within the jurisdiction of the state
 8 of Iowa shall be sold and disposed of in the manner hereinafter pro-
 9 vided.

[S., '13, § 2900-a2.]

SEC. 6463. Written applications—by whom made.

1 It shall be the duty of the county auditor to file written applica-
 2 tion with the secretary of state, asking that certain land located
 3 within the county be surveyed, appraised and sold, whenever he is sat-
 4 isfied that such land is of the character contemplated by the preced-
 5 ing section. If the county auditor fails or neglects to make such appli-
 6 cation, then any person desiring to purchase such land may file a
 7 written application with the secretary of state, asking that the said
 8 land be surveyed, appraised and sold. The said application whether
 9 made by the county auditor or by a person desiring to purchase the
 10 land, shall contain an accurate description thereof, stating whether
 11 the land is abandoned river channel, or land within such abandoned
 12 river channel, or an island or a sand bar in a navigable stream, and

13 giving the number of township and range in which it is located, and
 14 the section numbers if possible, and also the estimated acreage.
 [S., '13, § 2900-a3.]

SEC. 6464. Survey.

1 Upon receiving such application, it shall be the duty of the secre-
 2 tary of state to order a complete survey of such land to be made by
 3 the county surveyor of the county wherein the land is situated, and in
 4 case of the refusal or inability of such county surveyor to make such
 5 survey then the secretary of state shall appoint some other competent
 6 surveyor to make such survey. When such survey is made, a full
 7 report thereof, with field notes, shall be filed with the clerk of the state
 8 land office, which report and field notes shall constitute the official sur-
 9 vey of such land.

[S., '13, § 2900-a4.]

SEC. 6465. Appraisalment.

1 Upon the filing of such report, with the accompanying field notes,
 2 the secretary of state shall thereupon appoint a commission of three
 3 disinterested freeholders of the county wherein the land is situated,
 4 to view the land and make appraisalment of the value thereof, which
 5 appraisalment shall be returned and filed with the clerk of the state
 6 land office in the office of the secretary of state. The secretary of
 7 state, if he deems it necessary, may either go in person or send the
 8 clerk of the state land office into the county to make proper selection of
 9 the said commissioners, and the necessary expenses of such trip shall
 10 be paid in the manner provided in section sixty-four hundred sev-
 11 enty-six.

[S., '13, § 2900-a5.]

SEC. 6466. Contract with surveyors.

1 The secretary of state shall make a contract with some surveyor
 2 for making such survey; the surveyor to furnish all the chainmen
 3 and other attendants and pay all necessary expenses, which contract
 4 before it becomes binding shall be submitted to and approved by the
 5 executive council.

[S., '13, § 2900-a6; 38 G. A., ch. 32, § 1.]

SEC. 6467. Commissioners' compensation.

1 Commissioners, for their services in making such appraisalment
 2 shall each be entitled to receive five dollars per day for the actual time
 3 employed.

[38 G. A., ch. 32, § 2.]

SEC. 6468. Sale—how effected—rights of bona fide occupants.

1 Such lands shall be sold in the following manner: Any person
 2 who has in fact lived upon any such land and occupied the same, as a
 3 home, continuously for a period of three or more years immediately
 4 prior to the time of the appraisalment thereof, and such occupancy has
 5 been in good faith for the purpose of procuring title thereto, whenever
 6 by law such title could be vested in him by purchase from the proper
 7 authority, or any person who has acquired possession of such land by
 8 inheritance, or by purchase made in good faith from a former occu-

9 pant, or occupants, whose occupancy dates back over a period of three
 10 years prior to the date of appraisalment of the land, shall have first
 11 right to purchase such land at the appraised value; provided such bona
 12 fide occupant shall file his application for the purchase thereof at the
 13 appraised value with the secretary of state within sixty days after the
 14 day the appraisalment is made, and shall accompany such application
 15 with affidavits showing proof of such bona fide occupancy. If no
 16 application has been filed by such bona fide occupant within the sixty-
 17 day period above provided, then the secretary of state shall advertise
 18 the sale of such land once each week for four consecutive weeks in
 19 two newspapers of general circulation published in the county wherein
 20 the land is situated, and proof of publication shall be filed with the
 21 secretary of state. The sale shall be made upon written bids addressed
 22 to the secretary of state and the advertisements shall fix the time
 23 when such bids will be received and opened. All bids shall be opened
 24 by the secretary of state or by the clerk of the state land office at the
 25 time fixed, and the land thereupon may be sold to the highest bidder
 26 and at not less than the appraised value.

[S. S., '15, § 2900-a7.]

SEC. 6469. Lease authorized—lands readvertised—sale.

1 If no application is filed for the purchase of the land within the
 2 sixty-day period by a bona fide occupant, and if no bids are received
 3 for the purchase thereof, on or before the date of the sale as adver-
 4 tised, then the secretary of state is authorized to lease the land for a
 5 period of from one to five years, upon as favorable terms as he can
 6 obtain. At the expiration of such lease he shall readvertise the land
 7 for sale in the manner provided in the preceding section. If no bids
 8 for the purchase of the land are received on the date of the second
 9 advertised sale, then the secretary of state shall submit the matter
 10 to the executive council, and they may either order the land reap-
 11 praised in the manner provided in section sixty-four hundred sixty-
 12 five, and then advertised and sold in the manner provided in the pre-
 13 ceding section, or if they deem it advisable, they may authorize the
 14 secretary of state to sell the land for less than the appraised value.
 15 In such event the secretary of state shall readvertise the land for sale
 16 in the manner provided in the preceding section, and such advertise-
 17 ment shall also state that the land will be sold to the highest bidder
 18 without restrictions as to the appraised value.

[S., '13, § 2900-a8.]

SEC. 6470. Deed or patent.

1 When, upon full compliance with the conditions of this chapter,
 2 any person shall become entitled to a deed or patent for any land, a
 3 deed or patent shall thereupon be executed and delivered to such per-
 4 son by the governor, on behalf of the state, duly attested with the
 5 seal of the state attached thereto, which deed shall, in addition to the
 6 usual formalities, also recite the name of the party making application
 7 to have the land surveyed, appraised and sold, the date and the amount
 8 of the appraisalment, the name of the party making final payment
 9 and entitled to a deed therefor, whether as bona fide occupant or as
 10 highest bidder, and also that such deed is given for the purpose of
 11 conveying such title and interest in the land as the state may at the
 12 time own and possess, and has the right to convey. A record of such

13 conveyance shall be made and kept by the clerk of the state land office
14 of the secretary of state.

[S., '13, § 2900-a9.]

SEC. 6471. Previous survey.

1 When any such land shall be found to have been previously sur-
2 veyed under and by virtue of any order of a court of record, and the
3 record of such survey has been duly made and preserved, then and in
4 that event, in the discretion of the secretary of state, a duly certified
5 transcript of such record, together with the field notes accompanying
6 the same, if obtainable, may be filed with the clerk of the state land
7 office in the office of secretary of state, and when so filed shall obviate
8 the necessity for any further survey of such land except when such
9 survey becomes necessary for the purpose of execution of conveyance
10 thereof, and the record of such transcript, when filed, shall constitute
11 the official survey of such land.

[S., '13, § 2900-a10.]

SEC. 6472. Boundary commission.

1 If in any proceeding contemplated by the provisions of this chap-
2 ter, it shall become necessary to determine the boundary line between
3 the state of Iowa and either of the states adjoining, the matter shall
4 then be at once referred to the executive council, who shall thereupon
5 proceed to confer with the proper authority of such adjoining state,
6 and if the cooperation of the proper authority of such adjoining state
7 shall be obtained, then the executive council shall appoint a commis-
8 sion of three disinterested, competent persons, who shall, in conjunc-
9 tion with the parties acting for such adjoining state, have authority
10 to ascertain and locate the true boundary line between the state of
11 Iowa and such adjoining state, so far as the particular land under con-
12 sideration at the time is concerned. The report of the commissioners
13 with a statement of their findings shall be submitted to the executive
14 council, who shall file the same with the clerk of the state land office
15 in the office of the secretary of state. The line so ascertained and
16 located shall constitute the true and permanent boundary line between
17 the state of Iowa and such other state to the extent such line shall be
18 so ascertainable and located.

[S., '13, § 2900-a11.]

SEC. 6473. How constituted—compensation.

1 The members of the commission shall be selected with reference
2 to their fitness for the duties required and at least one of them shall
3 be a competent surveyor and civil engineer. They shall receive for
4 their services such amount as the executive council may deem reason-
5 able, to be certified by the executive council to the auditor of state,
6 who shall draw his warrant for the amount, and the same shall be
7 paid out of the general fund.

[S., '13, § 2900-a12.]

SEC. 6474. Purchase money refunded on failure of title.

1 If the grantee of the state, or his successors, administrators, or
2 assigns, shall be deprived of the land conveyed by the state under this
3 chapter by the final decree of a court of record for the reason that
4 the conveyance by the state passed no title whatever to the land

5 therein described, because title thereto had previously for any reason
 6 been vested in others, then the money so paid the state for the said
 7 land shall be refunded by the state to the person or persons entitled
 8 thereto, provided the said grantee, or his successors, administrators
 9 or assigns, shall file a certified copy of the transcript of the said final
 10 decree with the executive council within one year from the date of
 11 the issuance of such decree, and shall also file satisfactory proof with
 12 the executive council that the action over the title to the land was
 13 commenced within ten years from the date of the issuance of patent
 14 or deed by the state. The amount of money to be refunded under the
 15 provisions of this section shall be certified by the executive council to
 16 the auditor of state, who shall draw his warrant therefor, and the
 17 same shall be paid out of the general fund.

[S., '13, § 2900-a13.]

SEC. 6475. Sales and leases for cash.

1 All sales and leases of land under the provisions of this chapter
 2 shall be for cash. All money received for such sales and leases shall
 3 be paid into the state treasury by the secretary of state.

[S., '13, § 2900-a14.]

**SEC. 6476. Expenses of survey, appraisalment and advertising—
 how paid.**

1 The expenses of the survey and the appraisalment, the expenses
 2 of the secretary of state or the clerk of the state land office in making
 3 the trip into the county to select the commissioners to appraise the
 4 land, the expenses of advertising and readvertising for sale of the
 5 land, and the expenses of reappraising whenever such reappraisalment
 6 is deemed necessary, shall be certified by the secretary of state to the
 7 auditor of state, who shall draw his warrant for the amount, and the
 8 same shall be paid out of the general fund.

[S., '13, § 2900-a15.]

**SEC. 6477. Lands in possession of person or corporation for ten
 or more years—how sold.**

1 If any lands in the present or in any former channel of any navi-
 2 gable river, or island therein, or any lands formed by accretion or
 3 avulsion in consequence of the changes of the channel of any such
 4 river, have been for ten years or more in the possession of any per-
 5 son, company or corporation, or of his or its grantors or predecessors
 6 in interest under a bona fide claim of ownership, and the person, com-
 7 pany or corporation so in possession, or his or its grantors or prede-
 8 cessors in interest, have paid state or county taxes upon said lands
 9 for a period of five years, and have in good faith and under bona fide
 10 claim of title made valuable improvements thereon, and also in any
 11 other case where, in the judgment of the executive council, the person
 12 in possession of any land subject to the provisions of this chapter,
 13 has, in equity and good conscience, a substantial interest therein, then
 14 the said lands shall be sold to the person, company or corporation so in
 15 possession thereof as hereinafter provided.

[S., '13, § 2900-a16.]

SEC. 6478. Notice—action to determine title and value—patent.

1 When any person, company or corporation so in possession of any
 2 such lands shall give to the secretary of state written notice of his or

3 its claim, or whenever the executive council shall deem it advisable, it
 4 shall be the duty of the attorney general to bring an action in equity,
 5 in the district court of the county in which said lands are situated,
 6 against the party in possession thereof to determine the title of the
 7 state to such lands, and the value thereof, exclusive of improvements
 8 made thereon by the occupant or by his or its grantors or predecessors
 9 in interest. If the person, company or corporation in possession of
 10 such land shall, after the court has determined the value thereof as
 11 herein provided, tender to the secretary of state the amount adjudged
 12 to be the value of said lands, exclusive of improvements made thereon
 13 by the occupant or by his or its grantors or predecessors in interest,
 14 a deed or patent of such land shall be executed by the governor,
 15 attested by the secretary of state, and delivered to the person, com-
 16 pany or corporation making such tender, as provided by law. If the
 17 person, company or corporation so in possession shall fail to pay to the
 18 state the amount so adjudged within six months after the final deter-
 19 mination of the action so brought by the state, then said lands shall
 20 be subject to the other provisions of this chapter.

[S., '13, § 2900-a17.]

1 If the land described in any application is covered by the pro-

 3 the secretary of state as provided in the preceding section, no deed or
 4 patent of such land, or any part thereof, shall be executed or issued
 5 until the title thereto shall have been established by the court as herein
 6 provided. If the party making such application, or his assignee, does
 7 not desire to prosecute his application, or if he does not purchase the
 8 land under this chapter, then all of the money deposited by him with
 9 the secretary of state under the provisions of this chapter shall be
 10 repaid to said applicant by the secretary of state; and if any part of
 11 the money so deposited has been expended by the secretary of state,
 12 then the amount so expended shall be certified by the secretary of
 13 state to the auditor of state, who shall draw his warrant upon the
 14 general fund in favor of the person entitled thereto.

[S., '13, § 2900-a18.]

SEC. 6480. Sale or lease authorized.

1 The executive council of the state is hereby authorized and em-
 2 powered to sell, convey, lease or demise any of the islands belonging
 3 to the state which are within the meandered banks of rivers in the
