[S. S., '15, § 254-a15.]

SEC. 2099. Summons—trial—statutes applicable—costs—appeals.

1 Upon the filing of the petition, the court may cause a summons
 2 to issue requiring the person having custody or control of the child
 3 or with whom the child may be, to appear with the child at a time and
 4 place stated in the summons. The parents of the child, if living, and
 5 their residence is known, or its legal guardian, if one there be, or if

 7 known, then some relative, if there be one and his residence is known,
 8 shall be notified of the proceedings, and in any case the judge may

 13 the summons can not be served or the party served fails to obey the
 14 same, and in any case when it shall be made to appear to the court
 15 that such summons will be ineffectual, a warrant may issue on the
 16 order of the court, either against the parent or guardian or the per-
 17 son having custody of the child or with whom the child may be, or
 18 against the child itself. On the return of the summons or other pro-
 19 cess, or as soon thereafter as may be, the court shall enter an order
 20 fixing the time and place for the hearing on the said petition, and at
 21 least ten days' notice of such hearing shall be served in writing upon
 22 the parents, guardian, or other person having custody of the said
 23 child. There shall be attached to such notice a copy of the petition
 24 containing all of the charges and accusations against the said child,
 25 parent, guardian, or other person, and a continuance may be granted
 26 upon application of any party to the said proceeding, including the
 27 child, parent or parents, guardians, or other persons having the cus-
 28 tody of said child; provided, however, that when in the opinion of the
 29 court, an emergency exists, temporary provision may be made for
 30 the custody of the child or children pending the further order of the
 31 court.

32 Such petition shall conform to and be subject to all the rules
 33 governing ordinary pleadings.

34 All such cases shall be tried to the court without a jury.

35 Upon appeal such cases shall be tried de novo in the supreme
 36 court.

37 Where the penalty for the offense committed exceeds a fine of one
 38 hundred dollars, or imprisonment for thirty days, the court shall make
 39 an examination and in conducting same shall be governed by the pro-
 40 visions of sections ninety-one hundred seventy, ninety-one hundred
 41 seventy-two, ninety-one hundred seventy-three, ninety-one hundred
 42 seventy-five to ninety-one hundred eighty-one, inclusive, and section

 45 witnesses and security and commit witnesses as provided by sections

46 ninety-one hundred eighty-two to ninety-one hundred eighty-nine,
 47 inclusive. If the child is unable to furnish the required bail, the child
 48 may, pending the final disposition of the case, be detained in the pos-
 49 session of the person having charge of the same, or may be kept in a
 50 suitable place provided by the city or county authorities. If the crime
 51 is not triable on indictment or if it appears on the examination that a
 52 public offense has been committed which is not triable on indictment
 53 the court may order any peace officer to file an information against
 54 the child before him and shall proceed to try the case before a jury of
 55 twelve men, selected as in a justice's court. The proceedings, costs
 56 and taxation thereof, shall be as provided for trials in the district
 57 court and the defendant shall be entitled to his exceptions and right
 58 of appeal.

[S. S., '15, § 254-a16.]

SEC. 2100. Custody of child—unlawful incarceration.

1 No court or magistrate shall commit a child not yet having
 2 reached his seventeenth birthday, to jail or police station, but if such
 3 child is unable to give bail it may be committed to the care of the
 4 sheriff, police officer, probation officer, or other person, who shall keep
 5 such child in some suitable place provided by the city or county, out-
 6 side the inclosure of any jail or police station. When any child shall
 7 be sentenced to confinement in any institution to which adult convicts
 8 are sentenced, it shall be unlawful to confine such child in the same
 9 yard or inclosure with such adult convicts, or to bring such child into
 10 any yard or building in which adult convicts may be present. Any
 11 such child, taken before any justice of the peace or police court, in
 12 such counties, charged with misdemeanor, shall, together with the
 13 case, be at once transferred by said justice of the peace or police court,
 14 to said district court and proper order shall be made therefor.

[S., '13, § 254-a24.]

SEC. 2101. Exclusion from courtroom.

1 The judge of such court shall designate a certain time for the

 3 mary manner as provided in section twenty hundred ninety-nine, to
 4 exclude from the courtroom at such hearing any and all persons that
 5 in his opinion are not necessary for the hearing of the case. The
 6 probation officer shall be present at every hearing in the interest of
 7 the child.

[S., '13, § 254-a19.]

SEC. 2102. Discretionary powers of court.

1 When any such boy or girl shall be found guilty of the commis-
 2 sion of a crime, not punishable with imprisonment for life, or the
 3 penalty of death, the court in its discretion may, instead of entering
 4 judgment of conviction, make order concerning such child in manner
 5 as hereinafter provided.

[S., '13, § 254-a17.]

SEC. 2103. Optional commitments—parole.

1 In the case of a dependent, neglected or delinquent child, the
 2 court may continue the hearing from time to time, and may commit
 3 the child to the care or custody of a probation officer, and may allow
 4 said child to remain in its own home subject to the visitation of the

5 probation officer, such child to report to the probation officer as often
 6 as may be required, and subject to be returned to the court for fur-
 7 ther or other proceedings whenever such action may appear to be
 8 necessary; or the court may cause the child to be placed in a suitable
 9 family home, subject to the friendly supervision of the probation offi-
 10 cer and the further order of the court; or it may authorize the child
 11 to be boarded out in some suitable family home, in case provision is
 12 made by voluntary contribution or otherwise for the payment of the
 13 board of such child, until a suitable provision may be made in a home
 14 without such payment; or in case of a delinquent child the court may
 15 commit such child, if a boy, to a training school for boys; or, if a girl,
 16 to a training school for girls; or the court may commit the child to
 17 any institution within the county, incorporated under the laws in this
 18 state, that may care for delinquent children, or be provided by a city
 19 or county, suitable for the care of such children, or to any state insti-
 20 tution which may be established for the care of delinquent boys or
 21 girls over the age of ten years. In no case shall a child be committed
 22 beyond his or her minority. A child committed to such institution
 23 shall be subject to the control of the board of managers thereof, and
 24 said board shall have power to parole the child on such conditions as
 25 it may prescribe; and the court shall, on the recommendation of the
 26 board, have power to discharge such child from custody whenever,
 27 in the judgment of the court, his or her reformation is complete; or
 28 the court may commit the child to the care and custody of some asso-
 29 ciation that will receive it, embracing in its objects the care of neg-
 30 lected or dependent children, and that has been duly accredited as
 31 hereinafter provided.

[S., '13, § 254-a23; 37 G. A., ch. 54, § 1; 38 G. A., ch. 246,
 § 1.]

SEC. 2104. Commitment—financial aid for widowed mother.

1 When any child of the age stated in section twenty hundred
 2 eighty-nine shall be found to be dependent or neglected, within the
 3 meaning of this chapter, the court may make an order committing
 4 the child to the care of some suitable state institution, or to the care
 5 of some reputable citizen of good moral character, or to the care of
 6 some training school, as provided by law, or to the care of some asso-
 7 ciation willing to receive it, embracing in its objects the purpose of
 8 caring for and obtaining homes for dependent and neglected children,
 9 which association shall have been accredited as hereinafter provided.
 10 If the court finds that the mother of such dependent or neglected
 11 child is a widow, and if the court further finds that such mother is
 12 poor and unable to properly care for said child, but is otherwise a
 13 proper guardian, and that it is for the welfare of such child to remain
 14 at home, the court may enter an order finding such fact and fixing
 15 an amount of money necessary to enable such mother to properly
 16 care for such child; and thereupon it shall be the duty of the county
 17 board of supervisors, through its overseer of the poor or otherwise,
 18 to pay to such mother, at such times as said order may designate, the
 19 amount so specified for the care of such dependent or neglected child
 20 until further order of the court; providing, however, that the amount
 21 to be paid for the care of any such child shall not exceed the sum of
 22 two dollars per week; and provided, further, that such payment shall
 23 cease upon any such child's attaining the age of sixteen years; and
 24 provided, further, that at any time after such allowance is made the
 25 overseer of the poor, or the board of supervisors, may make objections
 26 to the continuance of such allowance. When such objection is made

27 the court or judge thereof shall fix a time for hearing and order that
 28 notice be given to the person receiving the allowance and at the time
 29 fixed the court or judge shall summarily hear and determine the objec-
 30 tions made, and may revoke or modify the order for allowance there-
 31 tofore made and make such further order as shall be just and proper
 32 in the premises. The court may, when the health or condition of
 33 the child may require it, cause the child to be placed in a public hos-
 34 pital or institution for treatment or special care, or in a private hos-
 35 pital or institution which will receive it for like purposes without
 36 charge. No child under the age of ten years shall be committed to the
 37 training school for boys or the training school for girls; but such chil-
 38 dren shall be eligible to admission to the soldiers' orphans' home at
 39 Davenport, Iowa, under the laws and rules applying to the admission
 40 of other children to this institution.

 5 parents of said child.

[S., '13, § 254-a27.]

SEC. 2107. Support of child.

1 In any case in which the court shall find a child dependent, neg-
 2 lected or delinquent, it may, in the same or subsequent proceedings,
 3 upon the parents of said child, or either of them, being duly summoned
 4 or voluntarily appearing, proceed to inquire into the ability of such
 5 parent or parents to support the child or contribute thereto, and if
 6 the court shall find such parent or parents able to support the child
 7 or contribute to its support, the court may enter such order or decree
 8 as shall be according to equity in the premises, and may enforce the
 9 same by execution or in any way in which a court of equity may en-

 7 and may be made party to any proceedings for the legal adoption of
 8 the child, and may by his or its attorney or agent, appear in any court

[S., '13, § 254-a21.]

SEC. 2109. Surrender of child by agreement.

1 It shall be lawful for the parent, parents, guardian or other per-

 3 enter into an agreement with any association or institution incorpo-
 4 rated under any public law of this state for the purpose of aiding, car-
 5 ing for or placing in a home such children, and being approved as
 6 herein provided, for the surrender of such child to such association
 7 or institution, to be taken and cared for by such association or insti-
 8 tution or put in a family home. Such agreement may contain any
 9 and all proper stipulations to that end, and may authorize the asso-
 10 ciation or institution, by its attorney or agent, to appear in any pro-
 11 ceeding for the legal adoption of the child and consent to its adoption,
 12 and the order of the court made upon such consent shall be binding
 13 upon the child and its parents or guardian or other person the same
 14 as if such person were personally in court and consented thereto,
 15 whether made party to the proceeding or not.

 4 of its members or by such persons as it shall appoint thereto) to all
 5 institutions and associations having charge of juveniles under this
 6 chapter, and said court, institutions and associations shall make an-
 7 nual reports in the first fifteen days in January of each year to said
 8 board of control. The report of the court shall include the number
 9 of juveniles of each sex brought before it, the number for whom

10 homes have been obtained, the number sent to state institutions, and
11 the number under charge of such association.

[S., '13, § 254-a26.]

SEC. 2113. Statutes construed liberally.

1 This chapter shall be construed liberally to the end that its pur-
2 pose may be carried out, to wit: that the care, custody and discipline
3 of a child shall approximate, as nearly as may be, that which should
4 be given by its parents, and in all cases where it can properly be done,
5 the child to be placed in an approved family home and become a mem-
6 ber of the family by legal adoption or otherwise.

[S., '13, § 254-a28.]

CHAPTER 14.

COMPULSORY SUPPORT OF NEGLECTED CHILDREN.

SECTION 2114. Contributory dependency—who guilty of.

1 When any child is found to be dependent or neglected, as defined
2 by section twenty hundred eighty-nine, the parent, parents, person
3 or other person or persons having the care, custody, or control of
4 such child, or any other person or persons who shall by any act or
5 omission of duty encourage, counsel, or contribute to the neglect of
6 such child, or who, by reason of wilful neglect of any duty owing by
7 said parent or parents, person or persons to such child, is or are
8 responsible for its neglect or dependency, shall be guilty of contribu-
9 tory dependency, and proceeded against as provided herein.

[S., '13, § 254-a31.]

SEC. 2115. Jurisdiction—proceedings as in equity.

1 The district court shall have original and exclusive jurisdiction
2 to hear and determine all cases coming within the purview of this
3 chapter, and the proceedings hereunder shall be as in equity and may
4 be included with, and be a part of the proceedings in behalf of the
5 child, and the court may enforce obedience to its orders in any way
6 in which a court of equity may enforce its orders or decrees.

[S., '13, § 254-a32.]

SEC. 2116. Judgment—proceedings—release on probation—bond.

1 Whenever the court, upon hearing, finds a person guilty of con-
2 tributory dependency, the court may enter a judgment determining
3 such facts and requiring such person to do, or to omit to do, any
4 act or acts complained of in the petition; and for the purpose of
5 enforcing its judgment, the court, in its discretion, may continue the
6 proceedings from time to time and release such person on probation
7 during the period of two years. The court may further, in its discre-
8 tion, as part of its judgment, require such person to enter into a bond
9 to the state of Iowa, with or without surety, in such sum as the court
10 may direct, to comply with the orders of the court.

[S., '13, § 254-a33.]

SEC. 2117. Failure to execute bond—commitment.

1 If the judgment of the court be that the person proceeded against
 2 shall execute bonds as provided herein, such bond shall be executed
 3 within such time as the court may fix; if the person proceeded against
 4 should fail within the time fixed to execute such bond, the court shall
 5 commit such person to jail, there to remain until he shall give bond
 6 or perform the judgment of the court.

[S., '13, § 254-a34.]

SEC. 2118. Proceedings on bond—sum recovered for benefit of child.

1 If the court be satisfied by information, or evidence on oath, that
 2 at any time during the two years the person proceeded against has
 3 violated the terms of the court's order or the terms of said bond, the
 4 court may direct the county attorney to institute proceedings on said
 5 bond in any court having jurisdiction of the sum fixed in said bond;
 6 the sum so recovered on such bond shall be turned over to the chief
 7 probation officer to be by him safely kept and expended for the care
 8 and maintenance of such child under the direction and discretion of
 9 the court.

[S., '13, § 254-a35.]

SEC. 2119. Spendthrifts—drunkards—guardianship.

1 In case any person found guilty of contributory dependency shall
 2 be found to be a spendthrift who is squandering his property, or an
 3 habitual drunkard, incapable of managing his affairs, the court shall
 4 of its own motion, or on application, appoint a guardian as provided
 5 by statute, who shall also have the duty to see that such person is
 6 employed as much as possible.

[S., '13, § 254-a36.]

SEC. 2120. Failure to work—assistance—contempt—costs.

1 In case the contributory dependency shall, in whole, or in part,
 2 consist in the failure of such person to work when he is physically and
 3 mentally able to do so, and defendant claims that he can not find work,
 4 then the court may appoint some person to find suitable employment
 5 for such person, and if he fails and refuses to work at such employ-
 6 ment without reasonable excuse, after it has been approved by the
 7 court, he shall be guilty of contempt and be dealt with accordingly. It
 8 shall be the duty of the board of supervisors and of the cities of such
 9 counties, whether they be under special charter or not, to give
 10 preference and precedence to such persons, upon the application of
 11 such appointee, for such work as such counties or cities may have,
 12 in case such appointee, after reasonable effort to the satisfaction of
 13 the court, can find no other work elsewhere. In case defendant claims
 14 that he can find work and he does not go to work within a reasonable
 15 time, to be fixed by the court, he shall be guilty of contempt. This
 16 statute shall not be interpreted as allowing involuntary servitude, but
 17 it shall be liberally construed as punishing the party affected as for
 18 contempt, in case he does not do his parental duty and support his
 19 children as the law contemplates that he should do, after he has been
 20 ordered by the court to do so and efforts have been made to aid him
 21 in so doing. Any person who is able to properly support his children
 22 without labor, shall not come within the contemplation of this statute.

23 Section eighty-eight hundred forty-five is not hereby repealed and the
 24 court in its discretion may order prosecution under that statute as
 25 provided in section twenty-one hundred twenty-three. The costs of
 26 such probation including the compensation and expenses of such ap-
 27 pointee, shall be fixed, taxed, and paid as provided in the next succeed-
 28 ing section.

[S., '13, § 254-a37.]

**SEC. 2121. Commitment to hospital for inebriates—probation—
 expenses—costs.**

1 In every case where the contributory dependency consists in
 2 whole or in part of habitual drunkenness, it shall be the duty of the
 3 court to commit such person guilty thereof to such hospital for the
 4 cure of inebriates as the state may furnish, and, after his release
 5 therefrom, the court shall put him into the care of some person duly
 6 appointed as special probation officer, who shall aid and assist him
 7 toward reform and shall see that he is properly employed. Such
 8 probation shall terminate at the end of two years from and after the
 9 time of commitment as herein provided, and the provisions in regard
 10 to abandonment as set forth in section twenty-one hundred twenty-
 11 five shall apply. The court shall render a judgment against defendant
 12 for the cost of treatment at such hospital for inebriates, and the costs
 13 of suit, and may, in a proper case, allow him to pay the same in such
 14 installments as the court may fix during the period of his probation,
 15 the county of his residence to pay the same in the first instance. Such
 16 special probation officer shall have such compensation as the court
 17 may allow which shall be taxed as costs of the case.

[S., '13, § 254-a38.]

SEC. 2122. Failure to pay—no exemptions—garnishment.

1 In case no guardian is appointed and the person found guilty of
 2 contributory dependency fails to apply a sufficient sum for the benefit
 3 of his family and it be deemed necessary by the court to levy upon
 4 any of his property, including wages, for the benefit of the family, he
 5 shall not have the benefit of any exemptions as provided by statute,
 6 except such as are provided for an unmarried person. In such cases
 7 nothing further shall be necessary than the service of a copy of the
 8 order of the court which shall serve the purposes of an execution, and
 9 it may also take the place of a notice of garnishment, and any prop-
 10 erty belonging to, or debt owing such person shall be paid into court
 11 on or before a time to be fixed by the court, to be expended in such
 12 manner as the court may direct, and in case the person so garnished
 13 fails to turn over as herein provided, or there is any dispute in regard
 14 to the matter, such person may be summoned to appear before the
 15 court out of which the order issued, at a time for hearing to be fixed
 16 by the court, and a hearing may be had and judgment entered as may
 17 be proper in the premises. The principal defendant shall be given
 18 such notice of the proceedings as the court may direct.

[S., '13, § 254-a39.]

SEC. 2123. Criminal proceedings.

1 Nothing in this chapter shall be construed to be in conflict with, or
 2 to prevent proceedings under any statute of the state against any per-
 3 son for the commission of any act for which such person may be

4 proceeded against as provided herein, and upon the hearing of any
5 case herein, the court, in its discretion, may order and direct the
6 county attorney to take any and all needful steps to prosecute such
7 person in accordance with the laws of the state concerning the com-
8 mission of crimes.

[S., '13, § 254-a40.]

SEC. 2124. Disposition of child during probation.

1 When children are allowed to remain in the custody of such per-
2 son as is found guilty of contributory dependency, the court may pre-
3 scribe such conditions as seem most calculated to remove the cause
4 of such dependency and neglect, and in case the court deems it for the
5 best interests of the child to remove it from its home until the condi-
6 tions of the probation have been complied with, and the court is satis-
7 fied that such compliance will continue, then the court may place the
8 same in the care and custody of the juvenile detention home, where-
9 ever such is authorized, or of such other suitable institution provided
10 for by the juvenile court to act for such time during minority, as the
11 court may deem fit, and the court at any time thereafter may set
12 aside, change, or modify such order.

[S., '13, § 254-a41.]

SEC. 2125. May be declared abandoned.

1 A person guilty of contributory dependency shall fully comply
2 with all of the orders of the court, within such time as the court may
3 fix, to be not more than one year, and shall continue to comply with
4 such order thereafter for such period as will make the full term of
5 two years from and after the judgment establishing contributory
6 dependency, and, in case he fails to do so, the court may, in its discre-
7 tion, declare the child or children whose parent he is, to be aban-
8 doned children, and, in case any person who has been adjudged guilty
9 of contributory dependency and who has been ordered to pay for the
10 support of such child departs from the jurisdiction of the court render-
11 ing such judgment, and allows such support to remain unpaid for six
12 months, without excuse satisfactory to such court, such child or chil-
13 dren whose support he has been ordered to pay may, in the discretion
14 of the court, be adjudged to be abandoned; the making of such pay-
15 ments shall not prevent the finding and judgment of abandonment
16 after two years, in case there are other orders of court which have
17 not been complied with as hereinbefore provided. In case both parents
18 are living and neither one has been relieved of its duty, and both are
19 guilty of contributory dependency, both shall be proceeded against at
20 the same time.

[S., '13, § 254-a42.]

SEC. 2126. Disposal of abandoned children—adoption.

1 In case, at the end of two years, a child is declared to be aban-
2 doned by both of its parents as provided by the preceding section, the
3 court may order the clerk of the district court to sign papers for its
4 adoption, or it may be turned over to some home-finding association,
5 approved by the board of control, or to the soldiers' orphans' home
6 at Davenport, Iowa, with power to adopt such child out and to execute
7 papers of adoption.

[S., '13, § 254-a43.]

SEC. 2127. Inheritance from parents.

1 Any adoption as provided by the preceding section shall not
 2 prevent or cut off any inheritance he might be entitled to from his
 3 rightful or adoptive parents adjudged guilty of contributory depend-
 4 ency as hereinbefore provided, in accordance with the laws of descent
 5 of this state, such inheritance to be in addition to that to which he
 6 may be entitled by virtue of the adoption hereunder, and no will to
 7 the contrary shall be valid.

[S., '13, § 254-a44.]

SEC. 2128. Court to give aid—divorced parents.

1 In every cause in the juvenile court, the court shall investigate
 2 whether every person responsible for the care, custody, maintenance,
 3 education, medical treatment and discipline of the child or children
 4 involved, is doing his full duty by such child or children, and, in case
 5 the court finds that the parents or other persons in loco parentis are
 6 not doing their duties, the court shall try all lawful and proper means
 7 under this chapter to make them do so, giving them aid and assistance
 8 in case it be deemed necessary. The court may declare a child aban-
 9 doned by one parent while it may not be by the other. In case the
 10 parents are divorced and the one having the custody is adjudged to
 11 have abandoned the child, then the ability and propriety of the other
 12 parent shall be considered.

[S., '13, § 254-a45.]

SEC. 2129. Liberal construction for protection of child.

1 This chapter shall be liberally construed in favor of the state, for
 2 the purpose of the protection of the child from neglect, or omission
 3 of parental duty toward the child by its parents, or other persons
 4 standing in loco parentis, and further to protect the child from the
 5 effects of the improper conduct or acts of any person which may
 6 cause, encourage or contribute to the dependency and neglect of such
 7 child, although such person is in no way related to such child.

[S., '13, § 254-a47.]

CHAPTER 15.
PRIVATE INSTITUTIONS FOR FRIENDLESS AND DELINQUENT PERSONS.**SECTION 2130. Powers of societies.**

1 Any society legally incorporated under the laws of the state of
 2 Iowa for the purpose of receiving, caring for, placing out for adoption,
 3 or in any way improving the condition of abandoned, abused, illtreated,
 4 friendless, or orphan children, may receive, control and dispose of such
 5 minor children under the provisions of this chapter; and such corpo-
 6 ration shall be the legal guardian of the persons of all children so
 7 surrendered to it, and may exercise all the rights and authority of
 8 the parents of such children in regulating the apprenticing and adop-
 9 tion thereof.

[S., '13, § 3260-b.]

SEC. 2131. Surrender of children to.

1 Children may be surrendered to such society by the father and
2 mother jointly; by either father or mother, when the other is dead,
3 or hopelessly insane, an habitual drunkard, has abandoned his family,
4 is in prison for crime, or is an inmate or keeper of a house of ill fame;
5 by the mother alone if the child is illegitimate and in her care and
6 custody; by any court of record or judge thereof, or any mayor, or
7 justice of the peace in the county of the residence of such children or
8 their parents, upon complaint made and proceedings had thereon as
9 hereinafter provided.

[S., '13, § 3260-c.]

SEC. 2132. Commitment.

1 Whenever it shall be made to appear to any court, judge, mayor
2 or justice of the peace, as above provided, that any child within its
3 jurisdiction, by reason of orphanage, or neglect, abuse, crime, drunk-
4 enness, or gross immorality of one or both of the parents, or other
5 persons having custody of such child, is abandoned, illtreated, or
6 friendless, or in circumstances tending to induce such child to lead a
7 dissolute, immoral or vicious life, then it shall be the duty of such
8 court or magistrate to take such child away from its parents or those
9 having control thereof, and commit it to some society incorporated for
10 that purpose, or to some other person or guardian, as may seem to be
11 for the best interests of such child, and the society or person so adopt-
12 ing shall be required to keep such child, if over seven years of age and
13 under fourteen years of age, in school during the school sessions of
14 the school district in which said child is kept or in some parochial
15 school for like period.

[S., '13, § 3260-d.]

SEC. 2133. Written complaint—appeal.

1 All proceedings under the preceding section shall be by written
2 complaint duly verified, which complaint shall state the cause of
3 action and the relief asked. If it shall appear that such child is in
4 the custody and control of parents, guardians, or other persons, such
5 parents, guardians or other persons shall be served with a copy of said
6 complaint, and such notice of the time and place of the hearing thereof
7 as may be ordered by the court or magistrate by whom the case is to
8 be tried; which notice and copy shall be served in the same manner
9 as is provided in the service of original notices. An appeal may be
10 taken to the district court from the order of a magistrate at any
11 time within twenty days thereafter, in the same manner as appeals
12 are taken from judgments in justice courts, except that no bond shall
13 be required to stay proceedings.

[S., '13, § 3260-e.]

SEC. 2134. Custody of child during trial.

1 Upon filing of proper complaint, the magistrate may, if thought
2 best, issue a warrant directed to the sheriff or other peace officer,
3 requiring such peace officer forthwith to take into his custody the
4 child described in such complaint, and to retain possession of it sub-
5 ject to the order and direction of the court.

[S., '13, § 3260-f.]

SEC. 2135. Proceedings—county attorney to prosecute—costs.

1 Proceedings under this chapter may be brought by any citizen
2 of the state, acting by himself or his attorney. It shall be the duty
3 of the county attorney, when requested, to prepare complaints and
4 prosecute all such cases in behalf of the complainants. Court costs
5 shall be taxed the same as in criminal actions.

[S., '13, § 3260-i.]

SEC. 2136. Religious faith.

1 The court or magistrate in committing children shall place them
2 as far as practicable in the care and custody of some individual hold-
3 ing the same religious belief as the parents of said child, or with some
4 association which is controlled by persons of like religious faith as the
5 parents of said child; and when any home or society shall dispose of
6 the custody of any child, it shall be, as far as practicable, to some
7 person of the same religious faith as its parents, unless the parents or
8 former guardian otherwise consent.

[S., '13, § 3260-g.]

SEC. 2137. Habeas corpus.

1 Upon the hearing of any habeas corpus proceedings for the cus-
2 tody of any such child, if it appears that it has been surrendered
3 to the home under the provisions of this chapter, such fact shall be
4 presumptive evidence that it was done properly and that said home
5 was entitled to the custody and guardianship thereof.

[S., '13, § 3260-h.]

SEC. 2138. Jurisdiction to revoke.

1 The district court of any county in which any society or home
2 may be located shall have jurisdiction to revoke the powers herein
3 granted upon a showing that any such society or person has abused
4 the trust imposed in such society or person, or that the welfare of
5 its wards demands that they be taken from the control of such society
6 or person. It shall be the duty of the state board of control to institute
7 such proceedings whenever, in its judgment, they are advisable.

[S., '13, § 3260-k.]

SEC. 2139. Board of control to have supervision—annual reports.

1 All associations or societies receiving children under this chapter
2 shall be under supervision of the board of control of state institutions
3 and shall be subject to visitation by the board of control, its members,
4 or agents, which may require such information and statistics from
5 such associations as the board shall deem necessary, in order to enable
6 it to exercise proper supervision over them. Every such association
7 shall file with the state board of control, during the month of January
8 of each year, an annual written or printed report, which shall include
9 a statement of the number of children cared for during the preceding
10 year, the number of children received for the first time and the num-
11 ber returned from families, the number placed in homes, the number
12 deceased, the number returned to friends, and the number placed in
13 state institutions, the number and names and number of months of
14 each of those attending school; also a financial statement showing the
15 receipts and disbursements of such association. The statement of the

16 disbursements shall show the amount expended for salaries and other
 17 expenses, specifying the same, and the amount expended for lands,
 18 buildings, and investments. And no child shall be committed to the
 19 care of any association which shall not have filed a satisfactory report
 20 for the calendar year last preceding with the state board of control,
 21 unless it be a society organized within the current year.

SEC. 2140. Expenses of inspection—appropriation to pay.

1 There is hereby appropriated out of any money in the state treas-
 2 ury not otherwise appropriated the sum of three thousand dollars
 3 annually for paying the expenses of inspecting county and private
 4 institutions in which insane persons are kept as required by sections
 5 twenty hundred forty-five and twenty hundred forty-six, and associa-
 6 tions, societies and homes receiving children as contemplated by the
 7 preceding section. The expenses specified shall be paid as provided
 8 by section twenty hundred forty-seven. At the end of each biennial
 9 period the board of control of state institutions shall cause to be trans-
 10 ferred to the general funds of the treasury any balance of the sums
 11 hereby appropriated not required for the payment of the expenses of
 12 the period.

[S., '13, § 3260-n; 38 G. A., ch. 308, § 1.]

SEC. 2141. Associations of other states.

1 No association which is incorporated under the laws of any other
 2 state than the state of Iowa shall place any children in any family
 3 home within the boundaries of the state of Iowa, either with or
 4 without indentures, or for adoption, unless the said association shall
 5 have furnished the state board of control with such guarantee as it
 6 may require, including an indemnity bond in favor of the state of
 7 Iowa in the penal sum of one thousand dollars, that no child shall be
 8 brought into the state of Iowa by such society or its agents, having
 9 any contagious or incurable disease, or having any deformity, or
 10 being of feeble mind, or of vicious character, and that said association
 11 will promptly receive and remove from the state any child brought
 12 into the state of Iowa by its agents, which shall become a public
 13 charge within the period of five years after being brought into this
 14 state. Provided that this section shall not be construed as prohibiting
 15 any person residing in Iowa from receiving and adopting into his
 16 family any child or children from another state.

[S., '13, § 3260-l.]

SEC. 2142. Commitment to institutions for girls.

1 Whenever under the provisions of chapter sixteen of this title
 2 any court or judge is authorized to commit any female within the ages
 3 therein prescribed to the state training school, said court or judge
 4 may, instead of committing said female to said training school as
 5 therein provided, commit the said female to the care of any reputable
 6 institution within this state devoted to the detention and reformation
 7 of wayward and fallen girls, in which event the provisions of said
 8 chapter and sections twenty-one hundred thirty-six, twenty-one hun-

9 dred thirty-eight and twenty-one hundred thirty-nine shall govern
10 so far as applicable.

[S., '13, § 2713-2a; 37 G. A., ch. 54, § 1.]

SEC. 2143. Monthly allowance.

1 The institution receiving and caring for any female under the
2 provisions of the preceding section shall be entitled as compensation
3 not to exceed a monthly allowance of sixteen dollars from the county
4 of the legal settlement of such female, the same to be allowed by the
5 board of supervisors and paid in the same manner as other claims
6 against said county are paid.

[S., '13, § 2713-3a.]

SEC. 2144. Report to governor.

1 Each institution above referred to shall, on or before the first day
2 of January in each year, make a report to the governor of the state
3 showing the number of inmates in such institution admitted under
4 the provisions of section twenty-one hundred forty-two, and the total
5 amount paid for each inmate.

[S., '13, § 2713-4a.]

SEC. 2145. Commitment of females to certain institutions.

1 In all cases in which any court, for the violation of any law, ordi-
2 nance or police regulation, has power to commit the accused to a
3 county, city or town jail, such court, in lieu of ordering the accused
4 committed to such jail, shall have power to order the accused, if a
5 female, committed to any institution as herein provided, which is situ-
6 ated within the judicial district, within any part of which such court
7 has jurisdiction, provided such institution is willing to receive the
8 accused under such commitment without expense to the state. No
9 female shall be so committed for a time longer than would be legal if
10 committed to a jail. If the court has already committed such female
11 to a jail and thereafter it appears that any such institution is willing
12 to receive such female under a commitment, and under the conditions
13 herein imposed, then, in such case, the court shall have power to make
14 an additional order, releasing such female from such jail and ordering
15 her committed to such institution for the unexpired time of the origi-
16 nal commitment. Any such female may be surrendered at any time
17 to the court, judge or presiding magistrate making the original order,
18 which court, judge or magistrate may make a further order com-
19 mitting the accused to a proper jail for the unexpired term of the
20 original commitment.

[S., '13, § 5442-a.]

SEC. 2146. Release on bond.

1 If, after any female is so committed to such institution, a bond is
2 given under which such female is entitled to a release from such com-
3 mitment, then such female shall be released by an order issued by the
4 officer approving said bond.

[S., '13, § 5442-b.]

SEC. 2147. Custody and control—labor—"institution" defined.

1 Any female committed to an institution as herein provided shall
 2 be in the legal custody and control of the person residing therein, and
 3 who is the immediate managing head of said institution, and such
 4 female, whether the commitment so provides or not, shall, while being
 5 held under such commitment, do and perform such reasonable, fit and
 6 proper labor as such managing head may direct, which labor shall be
 7 the sole compensation to such institution for the keep of such female.
 8 The term "institution" as herein used shall embrace any institution,
 9 society, association, corporation or organization having for its objects,
 10 in whole or in part, the furnishing of relief, care and assistance to the
 11 poor, dissolute, needy or unfortunate, or any other charitable or benev-
 12 olent object.

[S., '13, § 5442-c.]

SEC. 2148. Visitation by board of control.

1 Any institution having any such female in its custody shall be
 2 subject to visitation by the board of control, its members or agents,
 3 which may require such information from such institution as the said
 4 board shall deem necessary, in order to enable it to exercise proper
 5 supervision. Should the said board at any time deem any such insti-
 6 tution unfit to have the custody of any such female, it shall notify such
 7 institution through said managing head, whereupon all such females
 8 then in custody of such institution shall be at once surrendered to the
 9 court, judge or presiding magistrate, making the original commitment.

[S., '13, § 5442-d.]

CHAPTER 16.
TRAINING SCHOOLS.**SECTION 2149. Separate institutions—designation.**

 2 declared to be separate and distinct institutions. The school at Eldora
 3 shall be known and designated hereafter as the Iowa training school
 4 for boys and the school at Mitchellville shall be known and designated
 5 hereafter as the Iowa training school for girls.

[S., '13, § 2701-a; 37 G. A., ch. 54, §§ 1, 2.]

 6 judgment of conviction, order and direct the party to be sent to the
 7 training school, if a boy to the department at Eldora, if a girl, to that
 8 at Mitchellville, which order, certified by the clerk of the court and

11 If such a boy or girl is convicted before any inferior court of a
 12 crime, or shall be found to be guilty of being a disorderly person, he

13 or she may be forthwith sent by the court, accompanied with all the
14 papers filed in his office upon the subject, in custody of an officer, to a
15 judge of a court of record, who shall thereupon issue an order, directed
16 to the parent or guardian of the party, or to such person as may have
17 him or her in charge, or with whom he or she last resided, or one
18 known to be nearly related to him or her, or if he or she be alone and
19 friendless, then to any person the judge may appoint to act as guard-
20 ian for the purposes of the case, requiring him or her to appear at a
21 time and place stated and show cause why the party should not be
22 committed to the training school, which order shall be served by an
23 officer by delivering a copy to the party to whom it is addressed, or by
24 leaving it with some person of full age at the residence or place of
25 business of said party, and immediate return shall be made to the
26 judge of the service. At the time and place mentioned in the order, or
27 to which the hearing may be adjourned, on the appearance of the

29 the appointment of some suitable person as guardian for the purposes
30 of the case, the judge shall proceed to take the voluntary examination
31 of the boy or girl, to hear the statements of the party appearing for
32 him or her, and such testimony in relation to the case as may be pro-

34 that the boy or girl is a fit subject for the training school, he may
35 commit him or her to said school, until he or she arrives at the age of
36 twenty-one years, by warrant, which warrant shall state the place in
37 which the party resided at the time of arrest, and his or her age, as
38 nearly as can be ascertained, and shall command the officer to take and
39 deliver without delay to the superintendent of said school or other
40 person in charge thereof the said boy or girl, and the statement as to
41 residence or age shall be conclusive thereof for the purposes of this
42 chapter. With the warrant, the judge shall also transmit a statement

45 and a brief statement of the habits and environment of the accused,

9 person is suffering from an abnormal mental condition which can
10 probably be remedied by observation, medical or surgical treatment
11 and hospital care, and that he or those legally responsible for him are
12 unable to pay the expenses thereof, said judge shall enter an order
13 directing that the said person shall be sent to the state psychopathic

13 as aforesaid.

14 If, upon such examination, the medical director decides that such

 4 suffering from an abnormal mental condition which can probably be
 5 remedied by observation, medical or surgical treatment and hospital
 6 care, and the report of the county attorney shows that he, or those
 7 legally responsible for him, are unable to pay the expenses thereof,
 8 said judge shall enter an order directing that the said person shall be
 9 sent to the state psychopathic hospital at the state university of Iowa
 10 for observation, treatment and hospital care as a voluntary public

 4 an abnormal mental condition which can probably be remedied by
 5 observation, medical or surgical treatment and hospital care, and that
 6 he, or those legally responsible for him, are able to pay the expenses
 7 thereof, said judge shall enter an order directing that the said person
 8 shall be sent to the state psychopathic hospital at the state university
 9 of Iowa for observation, treatment and hospital care as a committed
 10 private patient.

11 When the said patient arrives at the said hospital, he shall receive

 22 lect, by action if necessary, in the name of the said county, the amount
 23 of all claims for per diem and expenses that have been approved by the

 8 after a satisfactory period of observation and treatment, it is found
 9 that said patient is insane and that further confinement at the state
 10 psychopathic hospital at the state university of Iowa is inadvisable;
 11 provided that whenever an insane person is to be transferred, due
 12 notice of such transfer shall be given to the judge who committed said

14 the same manner as that for county officers. Should a majority of all
15 the votes cast upon the question be in favor of establishing such
16 school, and the levying of such tax, the board of supervisors shall at
17 once appoint six trustees, residents of the county, not more than two
18 from the same township, who, with the county superintendent of

12 contingent expenses for the ensuing year, designating the amount for
13 each, which, in the aggregate, shall not exceed in any one year one mill
14 on the dollar upon the taxable property of the county. No expendi-

16 forwarded to the superintendent of public instruction. And for their
17 services the trustees shall each receive the sum of two dollars per
18 day for the time actually employed in the discharge of official duties,
19 claims for services to be presented, audited, and paid out of the county
20 treasury, in the same manner as other accounts against the county.

16 corporations, as shown by the county superintendent's report last filed
17 with the county auditor of said county; said apportionment shall be

 21 into said school, tuition free, and none others, and it shall be unlawful
 22 to accredit pupils so attending to any other school corporation than
 23 the one in which they are enumerated for school purposes. Should
 24 there be more applicants for such admission from any school corpo-
 25 ration than its proportionate number, so determined, then the board of
 26 directors of such school corporation shall designate which of said appli-
 27 cants shall be entitled to so attend. If the school shall be capable of
 28 accommodating more pupils than those attending under such appor-

 33 corporation from which they attend shall pay their tuition out of its
 34 general fund. The principal of such high school shall report to the
 35 said board of trustees under oath, at the close of each term, the names

 41 paid to be turned over to the treasurer of the board of trustees, to be
 42 used in paying the expense of said school under the direction of said
 43 board.

SEC. 2499. Revocation of certificate—charges—trial—appeal.

1 When in the judgment of the county superintendent there is prob-

 13 of full force and effect ten days after the date of its issue, one copy

1 The county superintendent shall annually, on the first Monday of
 2 September, file with the president of the educational board of exam-
 3 iners a list of all persons who for the preceding year have held cer-
 4 tificates and have attended the normal institute, with the number of
 5 days' attendance of each. A similar report of summer school attend-
 6 ance shall be secured by the president of the board. In any subse-
 7 quent examination or renewal the board may give such credit for
 8 institute or summer school attendance as it may determine, any rule
 9 adopted to apply equally to all similar cases.

[S., '13, § 2734-v.]

**SEC. 2501. Normal institutes—adjournment of schools—attend-
 ance—lectures—funds—reports—summer schools—fees.**

1 The county superintendent shall hold annually at least one, but
 2 not more than two, county teachers' institutes at such times as the
 3 schools of the county are generally in session; and shall, with the con-
 4 currence of the superintendent of public instruction, procure such
 5 assistance as may be necessary to conduct the same.

6 The school board of every school district, except in city inde-
 7 pendent school districts where twenty-five or more teachers are regu-
 8 larly employed, shall adjourn the school or schools of said district for
 9 not less than two days in each school year in order to allow teachers
 10 to attend county teachers' institutes held in the county, without loss
 11 of salary. The county superintendent shall issue a certificate of
 12 attendance to each teacher showing number of days of attendance at
 13 said institute, and any teacher failing to attend said teachers' institute
 14 two days shall forfeit his or her average daily salary for each day of
 15 nonattendance, except when excused by the county superintendent for
 16 physical disability to perform his or her duties in the schoolroom.

17 In city independent districts, where twenty-five or more teachers
 18 are regularly employed, the county superintendent shall cooperate
 19 with the city superintendent in arranging for educational lectures
 20 relating to the professional work of the teacher and to such matters of
 21 public education as may best meet the needs of the teachers in such
 22 districts and at such times as may be approved by the city superin-
 23 tendent and city board of education, in so far as the condition of the
 24 county institute fund shall permit. All arrangements concerning plans
 25 for professional teachers' meetings in said city districts shall be sub-

26 ject to final approval by the superintendent of public instruction. It
27 shall be the duty of teachers in said districts to attend said lectures
28 and the county superintendent shall issue a certificate of attendance
29 showing number of lectures attended as provided by this section.

30 To defray the expenses of said teachers' institutes, in addition to
31 the fifty dollars received annually from the state and one-half of all
32 examination fees collected in the county, one hundred fifty dollars from
33 the general county fund shall be available for that purpose in counties
34 having a population of thirty thousand or less, which amount shall be
35 appropriated by the board of supervisors of such county at their Jan-
36 uary session in each year, and in counties of over thirty thousand, two
37 hundred dollars shall be thus appropriated for such purpose.

38 No part of the county teachers' institute fund received from the
39 aforesaid sources may be used for any other purpose than to pay
40 instructors, for special supplies needed in order to properly conduct
41 said teachers' institutes, for janitor service, and rent for building in
42 which to conduct said institute if necessary.

43 On the first secular day of each month, the county superintendent
44 shall transmit to the county treasurer all moneys received for exam-
45 ination fees and the state appropriation for institutes, which, together
46 with the county appropriation, shall be designated as the county teach-
47 ers' institute fund; he shall also report monthly the names of all appli-
48 cants for teachers' certificates to the county auditor. All disburse-
49 ments of the institute fund shall be by warrants drawn by the county
50 auditor, who shall draw said warrants upon the written order of the
51 county superintendent, and said written order must be accompanied
52 by an itemized bill for services rendered or expenses incurred in con-
53 nection with the institute, which bill must be signed and sworn to by
54 the party in whose favor the order is made and must be verified by
55 the county superintendent. All said orders and bills shall be kept on
56 file in the auditor's office until the final settlement of the county super-
57 intendent with the board of supervisors at the close of his term of
58 office. No warrant shall be drawn by the auditor in excess of the
59 institute fund then in the county treasury. The county superintendent
60 shall furnish to the county board of supervisors a certified itemized
61 account of the receipts and disbursements of all moneys collected and
62 paid out by him for teachers' institutes and summer schools, which
63 account they shall examine, audit and publish a summary thereof with
64 the proceedings of the regular June meeting of the board. The county
65 superintendent shall report to the board of supervisors on the first of
66 January annually a summary of his official financial transactions for
67 the previous year.

68 County superintendents are hereby authorized by law to conduct
69 from four to six weeks' summer school where it may be deemed advis-
70 able, for the purpose of giving teachers and prospective teachers
71 academic instruction. A fee shall be collected from each attendant
72 sufficient in the aggregate to meet all necessary expenses for the
73 support of said summer school. The fee so collected shall be paid into
74 the county institute fund and a list of the names of all attendants
75 shall be filed with the county auditor. Warrants for the purpose of
76 paying instructors employed in summer schools shall be drawn by the
77 county auditor, who shall draw said warrant upon written order of the
78 county superintendent, and said written order must be accompanied
79 by a certified itemized bill for services rendered or expenses incurred
80 in connection with said summer school, but no warrant shall be issued

81 in excess of the fees received from the summer school and deposited
82 with the county treasurer.

SEC. 2502. Normal institute.

1 It shall be the duty of each county superintendent to have taught
2 annually in the normal institute the elements of vocal music.

[S., '13, § 2823-t.]

1 The county superintendent shall annually, on the last Tuesday in
2 August, make a report to the superintendent of public instruction,
3 giving a full abstract of the several reports made to him by the secre-
4 taries and treasurers of school boards, stating the manner in and
5 extent to which the requirements of the law regarding instruction in
6 physiology and hygiene are observed, and such other matters as he
7 may be directed by the state superintendent to include therein, or he
8 may think important in showing the actual condition of the schools in
9 his county. At the same time, he shall file with the county auditor a
10 statement of the number of persons of school age in each school town-
11 ship and independent district in the county. He shall also report, as
12 provided by law, to the superintendent of the college for the blind,
13 the name, age, residence and postoffice address of every person, resi-
14 dent of the county, so blind as to be unable to acquire an education in
15 the common schools; to the superintendent of the institution for the
16 deaf and dumb, with the same detail, all persons of school age whose
17 faculties in respect to hearing or speaking are so deficient as to pre-
18 vent them from acquiring an education in such schools; and to the
19 institution for the feeble minded, all persons of like age who, because
20 of mental defects, are entitled to admission therein.

4 fencing of schoolhouse grounds with barb wire, and the introduction
5 and teaching of such divisions of physiology and hygiene as relate to
6 the effects of alcohol, stimulants and narcotics upon the human sys-
7 tem, and those relating to compulsory attendance of pupils within
8 the ages prescribed therein, and those relating to the exclusive use
9 of the English language in the schools of his county as prescribed by
10 law; and to this end he may require the assistance of the county attor-
11 ney, who shall at his request bring any action necessary to enforce the
12 law or recover penalties incurred.

[C., '97, § 2740; 38 G. A., ch. 340, § 1.]

SEC. 2505. Penalty.

1 Should he fail to make the report herein required of him to
2 the superintendent of public instruction or the county auditor, he
3 shall forfeit to the school fund of his county the sum of fifty dollars,
4 to be recovered in an action brought by the county for the use of the

5 school fund, and in addition shall be liable for all damages occasioned
6 thereby.

[R., '60, § 2072; C., '73, § 1773; C., '97, § 2741.]

SEC. 2506. Compensation.

1 Each county superintendent of schools shall receive for his serv-

12 the expenses of necessary office stationery and postage and those
13 incurred in attending upon meetings called by the superintendent of
14 public instruction; claims therefor to be made by verified statement
15 filed with the county auditor, who shall draw his warrant upon the
16 county treasurer therefor; provided that, where county superintend-
17 ents are now receiving by action of the board of supervisors a sum
18 greater than the amount fixed herein, this shall not be construed so as
19 to reduce said sum. Any increase in salaries provided for in this sec-

CHAPTER 19.

SCHOOL DISTRICTS.

SECTION 2507. School districts—corporate powers.

1 Each school district now existing shall continue a body politic as
2 a school corporation, unless hereafter changed as provided by law,
3 and as such may sue and be sued, hold property, and exercise all the
4 powers granted by law, and shall have exclusive jurisdiction in all

4 (naming civil township), in the county of (naming county), state of
5 Iowa; or, the independent school district of (naming city, town, or
6 village, and if there are two or more districts therein, including some

§ 2744; S., '13, § 2744.]

SEC. 2509. Directors.

1 The affairs of each school corporation shall be conducted by a
2 board of directors, the members of which in all independent school
3 districts shall be chosen for a term of three years, and in all subdis-
4 tricts of school townships for a term of one year.

[C., '97, § 2745.]

SEC. 2510. Division of school township into subdistricts.

1 The board of any school township may, by a vote of a majority
2 of all the members thereof, at the regular meeting in July, or at any
3 special meeting called thereafter for that purpose, divide the school
4 township into subdistricts such as justice, equity and the interests of
5 the people require, and may make such alterations of the boundaries
6 of subdistricts heretofore formed as may be deemed necessary, and
7 shall designate such subdistricts and all subsequent alterations in a
8 distinct and legible manner upon a plat of the school township pro-
9 vided for that purpose, and shall cause a written description of the
10 same to be recorded in the records of the school township, a copy of
11 which shall be delivered by the secretary to the county treasurer and
12 also to the county auditor, who shall record the same in his office.
13 The boundaries of subdistricts shall conform to the lines of con-
14 gressional divisions of land, and the formation or alteration of sub-
15 districts as contemplated in this section shall not take effect until
16 the first Monday in March thereafter, at which time a director shall
17 be elected for any subdistrict newly formed.

[R., '60, § 2038; C., '73, §§ 1725, 1738, 1796; C., '97, § 2801;
S., '13, § 2801.]

SEC. 2511. New township.

1 When a new civil township is formed, the same shall constitute a
2 school township, which shall go into effect on the first Monday in
3 March following the completed organization of the civil township.
4 The notices of the first meeting shall be given by the county superin-
5 tendent, and at such meeting a board of three directors shall be
6 chosen.

[R., '60, § 2022; C., '73, § 1713; C., '97, § 2790.]

SEC. 2512. Attaching territory to adjoining corporation.

1 In any case where, by reason of natural obstacles, any portion
2 of the inhabitants of any school corporation in the opinion of the
3 county superintendent can not with reasonable facility attend school
4 in their own corporation, he shall, by a written order, in duplicate,
5 attach the part thus affected to an adjoining school corporation, the
6 board of the same consenting thereto, one copy of which order shall
7 be at once transmitted to the secretary of each corporation affected
8 thereby, who shall record the same and make the proper designation
9 on the plat of the corporation. Township or county lines shall not
10 be a bar to the operation of this section.

[C., '73, § 1797; C., '97, § 2791.]

SEC. 2513. Restoration.

1 Where territory has been or may hereafter be set off to an adjoining school township in the same or another county, or attached for school purposes to an independent district so situated, it may be restored to the territory to which it geographically belongs upon the concurrence of the respective boards of directors, and shall be so restored by said boards upon the written application of two-thirds of the electors residing upon the territory so set off or attached, together with a concurrence of the county superintendent and the board of the school corporation which is to receive back the territory.

[C., '73, § 1798; C., '97, § 2792.]

SEC. 2514. Boundary lines changed.

1 The boundary lines of contiguous school corporations may be changed by the concurrent action of the respective boards of directors at their regular meetings in July, or at special meetings thereafter, called for that purpose. The corporation from which territory is detached shall, after the change, contain not less than four government sections of land, and its boundary lines must conform to the lines of congressional divisions of land. In the same manner, the boundary lines of contiguous school corporations may be so changed that one corporation shall be included in and consolidated with the other as a single corporation. When boundary lines are changed by concurrent action, school districts affected thereby shall not be required to elect new boards of directors, and the boards then in office may make final settlement of all assets and liabilities as provided in section twenty-five hundred sixteen, and in case of a consolidation of districts under this section the officers and members of the board of directors of the independent district having the larger number of inhabitants, shall continue to be the officers and directors of the independent district as consolidated for the period for which such officers and directors were elected.

[C., '97, § 2793; S., '13, § 2793; 38 G. A., ch. 113, § 1.]

SEC. 2515. Corporation limits changed.

1 When the boundary line between a school township and an independent city or town district is not also the line between civil townships, such boundary may be changed at any time by the concurrence of the boards of directors; but in no case shall a forty-acre tract of land, by the government survey, be divided; and such subdivisions shall be excluded or included as entire forties. The boundaries of the school township or the independent district may in the same manner be extended to the line between civil townships, even though by such change one of the districts shall be included within and consolidated with the other as a single district. When the corporate limits of any city or town are extended outside the existing independent district or districts, the boundaries of said independent district or districts shall be also correspondingly extended. But in no case shall the boundaries of an independent district be affected by the reduction of the corporate limits of a city or town.

[S., '13, § 2793-a.]

SEC. 2516. Changes of boundaries—division of assets and liabilities.

1 When any changes are made in the boundaries of any school cor-
 2 porations the new corporation shall elect a board of directors in ac-
 3 cordance with the new boundaries, and such new boards shall organize
 4 as provided in section twenty-five hundred forty-eight. The boards
 5 of directors in office at the time the changes are made in the boundaries
 6 of the school corporations shall continue to act until the boards of
 7 directors representing the newly formed districts have been duly
 8 organized, whereupon the new boards shall make an equitable division
 9 of all assets and liabilities of the corporations affected; and, if they
 10 can not agree, the matters upon which they differ shall be decided by
 11 disinterested arbitrators, one selected by each board having an inter-
 12 est therein, and if the number thus selected is even then one shall be
 13 added by the county superintendent, and the decision of the arbitrators
 14 shall be made in writing, either party having the right to appeal there-
 15 from to the district court.

[C., '73, § 1715; C., '97, § 2802; S., '13, § 2802.]

SEC. 2517. Formation of independent district.

1 Upon the written petition of any ten voters of a city, town or
 2 village of over one hundred residents, to the board of the school cor-
 3 poration in which the portion of the town plat having the largest
 4 number of voters is situated, such board shall establish the boundaries
 5 of a proposed independent district, including therein all of the city,
 6 town or village, and also such contiguous territory as is authorized
 7 by a written petition of a majority of the resident electors of the con-
 8 tiguous territory proposed to be included in said district, in not smaller
 9 subdivisions than entire forties of land, in the same or any adjoining
 10 school corporations, as may best subserve the convenience of the people
 11 for school purposes, and shall give the same notices of a meeting as
 12 required in other cases, at which meeting all voters upon the territory
 13 included within the contemplated independent district shall be allowed
 14 to vote by ballot for or against such separate organization. When it
 15 is proposed to include territory outside the town, city or village, the
 16 voters residing upon such outside territory shall be entitled to vote
 17 separately upon the proposition for the formation of such new district,
 18 by presenting a petition of at least twenty-five per cent of the voters
 19 residing upon such outside territory, and if a majority of the votes
 20 so cast is against including such outside territory, then the proposed
 21 independent district shall not be formed, provided that a subdistrict
 22 containing a village with a population of seventy-five or more, may,
 23 under the provisions of this section, organize into an independent
 24 school district.

 S. S., '15, § 2794.]

SEC. 2518. Organization.

1 If the proposition to establish an independent district carries,
 2 then the same board shall give the usual notice for a meeting to choose
 3 a board of directors. Two directors shall be chosen to serve until
 4 the next annual meeting, two until the second, and one until the third
 5 annual meeting thereafter. The board shall organize by the election
 6 of officers in the usual manner.

[R., '60, §§ 2099, 2100, 2106; C., '73, § 1802; C., '97, § 2795.]

SEC. 2519. Taxes certified and levied.

1 The organization of such independent district shall be effected
2 on or before the first day of August of the year in which it is
3 attempted, and, when completed, all taxes certified for the school town-
4 ship or townships of which the independent district formed a part
5 shall be void so far as the property within the limits of the independ-
6 ent district is concerned, and the board of such independent district
7 shall fix the amount of all necessary taxes for school purposes, includ-
8 ing schoolhouse taxes, at a meeting called for such purpose at any
9 time before the third Monday of August, which shall be certified to
10 the board of supervisors on or before the first Monday of September,
11 and it shall levy said tax at the same time and in the same manner
12 that other school taxes are required to be levied.

[C., '73, § 1804; C., '97, § 2796.]

SEC. 2520. Rural independent districts.

1 At any time before the first day of August, upon the written
2 request of one-third of the legal voters in each subdistrict of any
3 school township, the board shall call a meeting of the voters of the
4 subdistrict, giving at least thirty days' notice thereof by posting three
5 notices in each subdistrict in each school township, at which meet-
6 ing the voters shall vote by ballot for or against rural independ-
7 ent district organization. If a majority of the votes cast in each sub-
8 district shall be favorable to such independent organization, then each
9 subdistrict shall become a rural independent district, and the board
10 of the school township shall then call a meeting in each rural inde-
11 pendent district for the choice of three directors, to serve one, two
12 and three years, respectively, and the organization of the said rural
13 independent district shall be completed.

[C., '97, § 2797.]

**SEC. 2521. Rural independent districts united into school town-
ship.**

1 A township which has been divided into rural independent dis-
2 tricts may be erected into a school township by a vote of the electors,
3 to be taken upon the written request of one-third of the legal voters
4 residing in such civil township. Upon presentation of such written
5 request to the township trustees, they shall call a meeting of the elect-
6 ors at the usual place or places of holding the township election, upon
7 giving at least ten days' notice thereof by posting three written notices
8 in each rural independent district in the township, and by publication
9 in a newspaper, if one be published in such township, at which meet-
10 ing the said electors shall vote by ballot for or against a school town-
11 ship organization. If a majority of the votes east at such election
12 be in favor of such organization, each rural independent district shall
13 become a subdistrict of the school township, and shall organize as
14 such on the first Monday in March following by the election of a direc-
15 tor, notice of which shall be given as in other cases by the secretary
16 of each of the rural independent districts, and the directors so elected
17 shall organize as a board of directors of the school township on the
18 first day of July following, unless that date falls on Sunday, in which
19 case on the day following.

[C., '73, §§ 1815-1820; C., '97, § 2800; S., '13, § 2800.]

SEC. 2522. Subdivision of independent districts.

1 Independent districts may subdivide for the purpose of forming
 2 two or more independent districts, or have territory detached to be
 3 annexed with other territory in the formation of an independent dis-
 4 trict or districts, the board of directors of the original independent
 5 districts to establish the boundaries of the districts thus formed, such
 6 new districts to contain not less than four government sections of
 7 land each; but in case a stream or other obstacle shall debar a number
 8 of children of school privileges, an independent district may be thus
 9 organized containing less territory; or, if such new district shall
 10 include within its territory a town or village with not less than one
 11 hundred inhabitants, it may in like manner be made up of less terri-
 12 tory; but in neither case shall the new district contain less than two
 13 government sections of land, nor be organized except on a majority
 14 vote of the electors of each proposed district, and the proceedings for
 15 such subdivision shall in all respects be like those provided in the
 16 section relating to organizing cities and towns into independent dis-
 17 tricts, so far as applicable.

[C., '97, § 2798.]

SEC. 2523. Uniting independent districts.

1 Independent districts located contiguous to each other may unite
 2 and form one and the same independent district in the manner fol-
 3 lowing: At the written request of any ten legal voters residing in
 4 each of said independent districts, or, if there be not ten, then a ma-
 5 jority of such voters, their respective boards of directors shall require
 6 their secretaries to give at least ten days' notice of the time and place
 7 for a meeting of the electors residing in each of such districts, by
 8 posting written notices in at least five public places in each of said
 9 districts, at which meeting the electors shall vote by ballot for or
 10 against a consolidated organization of said independent districts, and,
 11 if a majority of the votes cast at the election in each district shall be
 12 in favor of uniting said districts, the secretaries shall give similar
 13 notice of a meeting of the electors as provided for by law for the organ-
 14 ization of independent districts, including cities and towns.

[C., '73, § 1811; C., '97, § 2799.]

**SEC. 2524. Consolidated independent school districts—petition—
notice—hearing—appeal—election—buildings.**

1 1. *Organization—petition—election—board of directors.* When
 2 a petition describing the boundaries of contiguous territory contain-
 3 ing not less than sixteen sections, within one or more counties, asking
 4 for the establishment of a consolidated independent school district
 5 and signed by one-third of the qualified voters residing therein, is
 6 filed with the county superintendent of the county in which the largest
 7 number of qualified voters in the proposed district reside, he shall
 8 within ten days give public notice of the place and date when all objec-
 9 tions shall be filed. Such petition shall be accompanied by an affidavit
 10 showing the number of qualified voters in the proposed consolidated
 11 district, and in case such district is in two or more counties such affi-
 12 davit shall show separately, as to each county, the number of qualified
 14 Such affidavit shall be made by some qualified voter residing in the
 13 voters in the part of each county included in the proposed district.
 15 proposed district, and shall be taken as true, unless objections are

16 filed to it prior to the final decision on said petition. All notices under
17 this paragraph shall be by one publication in a newspaper published
18 within the proposed district, or, if there be none, then in a newspaper
19 having general circulation within the proposed consolidated district,
20 which publications shall be made not less than five days nor more than
21 fifteen days prior to the hearing or election to which they refer. Ob-
22 jections may be made by any person residing upon or owning land
23 within such proposed boundaries, or who would be injuriously affected
24 by the formation of the proposed district, and shall be on file not later
25 than twelve o'clock noon of the day fixed for receiving objections.
26 Within five days after such filings the county superintendent shall
27 review all papers filed in his office and after careful review and inves-
28 tigation of their merits shall overrule or sustain the objections filed
29 and fix and determine the boundary lines of the proposed consolidated
30 district. In determining these boundaries he shall so locate the bound-
31 ary lines as will in his judgment form the best possible consolidated
32 district, having due regard also to the welfare of adjoining districts.
33 He shall also notify at once all objectors by registered letter of his
34 decision. Any person having filed objections and being aggrieved by
35 the ruling of the county superintendent, may appeal from his decision
36 to the county board of education within ten days after the decision
37 is rendered, by serving written notice on the said county superintend-
38 ent. Within five days after said notice has been received, the county
39 superintendent shall file with the county board of education all of the
40 original papers, together with his decision, and fix the time and place
41 where such appeal will be heard, and shall give notice to appellants by
42 registered letter as heretofore provided. The time fixed for such
43 hearing shall be not less than ten nor more than fifteen days from the
44 date his decision is rendered. The county board of education shall
45 determine such appeal within five days after the submission thereof,
46 which decision shall be final as to said boundaries. If no objections
47 be filed or if the objections be not sustained, it shall be the duty of
48 the county superintendent with whom said petition has been filed to
49 call an election in the proposed consolidated district, legal notice of
50 which shall be given as hereinbefore provided. At the election all
51 qualified voters residing in the proposed consolidated district shall
52 be entitled to vote by ballot for or against the establishment thereof.
53 When it is proposed to include in such district a school corporation
54 containing a city, town or village with a population of two hundred
55 or more inhabitants, the voters residing upon the territory outside
56 the limits of the said school corporation shall vote separately upon
57 the proposition to create such new district. The judges of said elec-
58 tion shall provide separate ballot boxes in which shall be deposited
59 the votes cast by the qualified voters from their respective territory,
60 and if a majority of the votes cast by the qualified voters residing
61 either within or without the limits of the aforesaid school corporation
62 is against the proposition to form a consolidated independent corpora-
63 tion, then the proposed corporation shall not be formed. If a major-
64 ity of the votes so cast in each territory shall be in favor of such
65 independent organization, the organization of the proposed consoli-
66 dated independent school corporation shall be completed by the elec-
67 tion of a board of directors for said school corporation. Said election
68 shall be called by the same county superintendent and by giving the
69 same notice as provided for the calling of the election to establish said
70 consolidated independent district. At such election two directors
71 shall be chosen to serve until the next annual meeting, two until the

72 second, and one until the third annual meeting thereafter. It is fur-
73 ther provided that when a consolidated independent district is so
74 organized it shall not be reduced to less than sixteen sections unless
75 dissolved as provided by law. No remaining portion of any school
76 corporation from which territory is taken to form such a consolidated
77 independent corporation shall, after the change, contain less than four
78 government sections, which territory shall be contiguous and so situ-
79 ated as to form a suitable corporation. In the formation of such con-
80 solidated school corporation the boundary lines shall conform to those
81 of school corporations or subdistricts already established; provided,
82 however, that the county board of education, on hearing, may fix other
83 boundaries than herein prescribed, when, because of meandering
84 streams, irregular boundaries of existing subdistricts, or school cor-
85 porations, or the location of highways, the welfare of the consolidated
86 district and adjoining districts may be better served. In case the
87 boundary of such subdistricts be a public highway, then the said con-
88 solidated district may include such tracts of one hundred sixty acres
89 or less as are contiguous to the said highway. And where, after the
90 formation of such consolidated school corporation, there is left in any
91 school township one or more pieces of territory containing four or
92 more government sections, each of such pieces of territory shall
93 thereby become a rural independent school corporation, unless two
94 or more subdistricts remain in a contiguous body, in which event such
95 remaining portion of territory shall constitute a school township, and
96 it shall be the duty of the officers of the former school township to call
97 an election in each of such remaining pieces of territory for the pur-
98 pose of electing school officers in the manner provided by law for the
99 election of officers in rural independent school and school township
100 corporations. The judges of the elections herein provided for shall
101 be appointed by the county superintendent with whom the petition
102 was filed. Such judges shall be qualified voters of the territory or
103 district in which they are to serve. If any judge fails to appear at
104 the proper time, his place shall be filled by the judge or judges pres-
105 ent. In all cases in which, at the time of the taking effect of this
106 act [38 G. A., ch. 277], proceedings for the formation of a consoli-
107 dated independent school district had been commenced but not com-
108 pleted, the formation of such districts may be completed under the
109 provisions of the law in force prior to the passage of this act [38
110 G. A., ch. 277], except that all elections hereafter held in such cases
111 shall be held under the provisions of this act [38 G. A., ch. 277].
112 And in all cases in which proceedings have been instituted to organ-
113 ize a consolidated independent school district under the provisions
114 of section twenty-seven hundred ninety-four-a, supplemental supple-
115 ment to the code, nineteen hundred fifteen, as amended by chapter
116 four hundred thirty-two of the acts of the thirty-seventh general
117 assembly, and an election has been held at which there has been sub-
118 mitted the question of forming a consolidated independent school
119 district, and a majority of the votes cast have been in favor of the
120 formation of such district, and such district has been organized by
121 the election of a board of directors, the formation and organization
122 of such district is hereby legalized.

123 2. *Organization of board—taxes previously certified—levy for*
124 *general fund.* The organization of the school board in consolidated
125 independent school corporations shall be effected on or before the
126 first day of July following their election, and when completed, all
127 taxes previously certified shall be void so far as the property within

128 the limits of the consolidated independent school corporation is con-
129 cerned, and the board of said consolidated independent school cor-
130 poration shall at a regular meeting, or a special meeting called for
131 the purpose, at any time prior to the third Monday in August of each
132 year, levy for the general fund of said school the amount of all neces-
133 sary taxes for all school purposes, which shall not exceed sixty-five
134 dollars for each person of school age, except that where an approved
135 high school course is maintained in such school the levy may be
136 eighty dollars for each person of school age, the amount so levied to
137 be certified by them to the county board of supervisors on or before
138 the first Monday of September in each year, and the board of super-
139 visors shall levy said tax at the same time, and in the same manner
140 that other school taxes are required to be levied.

141 3. *Central school—transportation.* It shall be the duty of the
142 school board of any consolidated independent school corporation and
143 school townships maintaining a central school to provide suitable
144 transportation to and from school, for every child of school age living
145 within said district, and outside the limits of any city, town or vil-
146 lage, but the board shall not be required to cause the vehicle of trans-
147 portation to leave the public highway to receive or discharge occu-
148 pants thereof. The board shall from time to time, by resolution
149 regularly adopted, number and designate the route to be traveled by
150 each conveyance in transporting children to and from school. The
151 school board may require that children living an unreasonable dist-
152 tance from school shall be transported by the parent, or guardian,
153 a distance of not to exceed two miles, to connect with any vehicle of
154 transportation to and from school; or may, in the discretion of the
155 board, contract with an adjoining school corporation for the instruc-
156 tion of any child living an unreasonable distance from school, and
157 they shall allow a reasonable amount of compensation for the trans-
158 portation of children to and from the point where they are taken
159 over, or discharged from, the vehicle used to convey them to and
160 from school, or for transporting to an adjoining district. In deter-
161 mining what an unreasonable distance would be, consideration shall
162 be given to the number and age of the children, the condition of the
163 roads, and the number of miles to be traveled in going to and from
164 school. The board shall have the right on account of inclemency of
165 the weather to suspend the transportation of any route upon any
166 day or days when in the judgment of the said board it would be a
167 hardship on the children, or when the roads to be traveled are unfit
168 or impassable.

169 4. *Contracts for transportation—rules and regulations.* The
170 school board of any consolidated independent school corporation shall
171 contract with as many suitable persons as they deem necessary for
172 the transportation of children of school age to and from school, such
173 contract to be in writing and shall state the number of the route,
174 the length of time contracted for, the compensation to be allowed per
175 week of five school days, or per month of four school weeks, and
176 may provide that two weeks' salary shall be retained by the board
177 pending full compliance therewith by the party contracted with, and
178 shall always provide that any party or parties to said contract, and
179 every person in charge of vehicles conveying children to and from
180 school, shall be at all times subject to any rules or regulations said
181 board shall adopt for the protection of the children, or to govern the
182 conduct of the person in charge of said conveyance.

183 5. *School building—tax levy—location.* It shall be the duty of
 184 the school board of any consolidated independent district to provide
 185 a suitable school building within such district, and shall at any
 186 regular meeting or at a special meeting called for that purpose submit
 187 the question of levying a tax for the building of any school building
 188 suitable for the needs of the district, or for the building of a super-
 189 intendent's and teachers' house, or for the repairing of any school
 190 building where the cost of such repairs exceeds the sum of two thou-
 191 sand dollars, to the qualified voters of said district, and all moneys
 192 received from such source to be placed in the schoolhouse fund of
 193 said corporation and to be used for such purposes only. In locating
 194 said building they shall take into consideration the geographical position,
 195 number and convenience of the scholars, and may submit the
 196 question of location to the voters of the district at any regular meet-
 197 ing or special meeting called for that purpose; providing that when-
 198 ever a city, town or village containing a school population of twenty-
 199 five or more is included within any consolidated independent district,
 200 then said building shall be located within the limits of said city, town
 201 or village, or upon lands contiguous to such limits, on such a site as
 202 the school board may determine.

203 6. *Dissolution—petition—election—boards of directors—divi-*
 204 *sion of assets and liabilities.* Whenever a petition signed by one-
 205 third of the electors in a consolidated independent school corporation
 206 asking that said district be dissolved and describing the boundaries
 207 of the district or districts proposed to be organized out of the terri-
 208 tory then included in such consolidated independent school corpora-
 209 tion and having the approval of the county superintendent, if one
 210 county, and the superintendent of each if more than one county, and
 211 by the state superintendent of public instruction if the county super-
 212 intendents do not agree, is filed with the board of said consolidated
 213 independent district, it shall be the duty of said board within ten
 214 days to call an election for which they shall give the same notices
 215 as are required in sections twenty-five hundred thirty-five and twenty-
 216 five hundred thirty-eight, at which election all voters residing within
 217 the district shall be allowed to vote by ballot for or against such
 218 dissolution. If a majority of all votes cast at said election be in
 219 favor of dissolving the consolidated district, same shall be dissolved
 220 and the organization of a new district or districts be forthwith com-
 221 pleted by the election of a board of directors as provided by statute;
 222 provided, however, that such dissolution shall become effective only
 223 when the reorganization of the territory included in the original con-
 224 solidated district is completed. The assets and liabilities of any such
 225 school corporation thus dissolved shall be equitably divided as pro-
 226 vided in section twenty-five hundred sixteen.

227 7. *Violation of transportation rules and regulations—penalty.*
 228 Any person driving, managing, or in charge of any vehicle used in
 229 transporting children to and from school, in any consolidated inde-
 230 pendent school corporation, who shall be found guilty of violating
 231 any of the rules and regulations adopted by the board of said school
 232 for the guidance of any person in charge of such conveyance, shall be
 233 guilty of a misdemeanor, and for the first offense shall be fined not
 234 less than five dollars or more than ten dollars, and for a subsequent
 235 offense shall be fined not less than twenty-five dollars or more than
 236 fifty dollars, and shall be dismissed from the service.

1 The board of any school district may fix the site for each school-
 2 house, taking into consideration the geographical position, number
 3 and convenience of the scholars, provide for the fencing of school-
 4 house sites, determine the number of schools to be taught, divide the
 5 corporation into such wards or other divisions for school purposes
 6 as may be proper, determine the particular school which each child
 7 shall attend, and designate the period each school shall be held beyond
 8 the time required by law, except that no contract shall be entered into
 9 with any teacher to teach any school in the school corporation when
 10 the average attendance in said school the last preceding term therein
 11 was less than five pupils, unless a showing is made to the county super-
 12 intendent that the number of children of school age in said school
 13 district has increased so that ten or more will be enrolled in such school
 14 and will attend therein, in which case, or when natural obstacles to

15 transportation of pupils to another district or other conditions make
 16 it clearly inadvisable that such schools be closed, the county superin-
 17 tendent may consent to maintaining a school in said district for the
 18 ensuing term. It shall be the duty of the member of the school board
 19 residing in said district to make the showing referred to herein, or
 20 any resident of said district may, upon his own motion, make said
 21 showing. Every school shall be free of tuition to all actual residents
 22 between the ages of five and twenty-one years, and to resident honor-
 23 ably discharged soldiers, sailors, and marines as many months after
 24 becoming twenty-one years of age as they have spent in the military
 25 and naval service of the United States before they became twenty-
 26 one, and each school regularly established shall continue for at least
 27 thirty-two weeks of five school days each in each school year com-

 30 provide for the instruction of the pupils in said district in another
 31 school as conveniently as may be, and shall provide for the transporta-
 32 tion of such pupils to such other school when any one or more of such
 33 pupils reside more than one and a half miles from the school to which
 34 they have been assigned, or shall allow to the parent or guardian of
 35 such pupil or pupils a reasonable sum for transporting such child or
 36 children to such other school. The school board of the corporation
 37 in which the school that is closed under the provisions of this section
 38 is situated shall pay to the secretary of the school corporation in
 39 which children attend from the closed school the average cost of tui-

SEC. 2640. Schoolhouse sites.

1 Any school corporation may take and hold so much real estate as
 2 may be required for schoolhouse sites, for the location or construction
 3 thereon of schoolhouses, and the convenient use thereof, but not to
 4 exceed two acres exclusive of public highway, except in a city, town
 5 or village or cities under special charters; it may include two blocks
 6 or area equal thereto exclusive of the street or highway as the case
 7 may be, for any one site, and may also take and hold such additional
 8 real estate, not exceeding five acres, as may be required for school
 9 playground or other purposes for each such site or districts consoli-
 10 dated under the provisions of section twenty-five hundred twenty-
 11 four, may take and hold not to exceed ten acres, for any one site,
 12 unless such additional ground may be acquired by donation, which site
 13 must be upon some public road already established or procured by the
 14 board of directors, and shall, except in cities, towns or villages, be at
 15 least thirty rods from the residence of any owner who objects to its
 16 being placed nearer, and not in any public park. The directors in
 17 any independent district whose territory is composed wholly or in
 18 part of territory occupied by any city of the first class or city under
 19 special charter may, at their regular meeting in July, or at a special
 20 meeting called for that purpose, between the time designated for such
 21 regular meeting and the third Monday in August, certify an amount
 22 not exceeding four mills to the board of supervisors, and they shall
 23 levy the amount so certified, and the tax so levied shall be placed in
 24 the schoolhouse fund and used only for the purchase of sites in and

25 for said school district. Anything contained in section twenty-five
26 hundred thirty-seven to the contrary notwithstanding.

SEC. 2641. Schoolhouse sites—limitation—exceptions.

1 Any school corporation in which there was organized and
2 founded, prior to the year nineteen hundred two, a university with
3 not to exceed forty acres of land upon which a school building or
4 buildings have been erected which could be used for public school pur-
5 poses, and said university did, prior to the year nineteen hundred
6 fourteen, abandon said school and place its property upon the market,
7 and the same is now owned by a church organization, said school cor-
8 poration may purchase said land and buildings where the same are
9 located in a city of the first class; provided the owner of said land
10 and buildings and the school corporation can agree as to the terms
11 of sale and purchase price thereof. Said lands and buildings, when
12 so purchased, may be used for grade or high school purposes, school-
13 house site or sites, playgrounds, athletic field, demonstration grounds,
14 agricultural experiment grounds and other educational or school pur-
15 poses.

[C., '97, § 2814; S., '13, § 2814; 37 G. A., ch. 400.]

SEC. 2642. Condemnation—procedure.

1 If the owner of any of the real estate desired for a schoolhouse
2 site or sites, or a public road thereto, or for school playgrounds or
3 other purposes for which any school corporation is, or may be, author-
4 ized to take and hold real estate, refuses or neglects to convey the
5 same, or is deceased, or is unknown or can not be found, or if in the
6 judgment of the board of directors of said school corporation they
7 can not agree with such owner, the county superintendent of the
8 county in which said school corporation is located shall, upon the appli-
9 cation of either party in interest, appoint three freeholders of said
10 county, not interested in the same or a like question, as referees, who
11 shall take and subscribe an oath to the effect that they will faithfully
12 and impartially discharge the duties laid upon them. The county
13 superintendent shall give notice of the time and place of making the
14 assessments of damages to the owner of such real estate as shown
15 by the transfer books in the office of the county auditor of such county,
16 and to the person in possession thereof; or, if such owner as so shown
17 by such transfer books is deceased, then such notice shall be given
18 to the person or persons in possession of such real estate and to the
19 owners of the beneficial interest therein, such notice in either event
20 to be given for the same length of time and in the same manner as
21 for the commencement of actions in the district court. Such referees
22 shall inspect the grounds proposed to be taken, fix the damage sus-
23 tained as near as may be on the basis of the value of the real estate
24 so appropriated, and report in writing to the county superintendent
25 their doings and findings, which report shall be filed and preserved in
26 his office; and upon the amount found by the referees being deposited
27 with the county treasurer, for the use of such owner or owners, posses-
28 sion may at once be taken of such real estate and the necessary build-
29 ings erected and occupied. From the assessment so made either party
30 may appeal to the district court by giving notice thereof as in case

31 of taking private property for works of internal improvement within
 32 ten days after receiving notice of the award made. If such appeal is
 33 not taken, the assessment shall be final; if taken, the board may pro-
 34 ceed with the construction of improvements, and may take possession
 35 of such real estate, if the deposit hereinbefore provided has been or
 36 shall be made. Such proceedings shall be void if the school corpora-
 37 tion fails to deposit the amount due as hereinbefore provided within
 38 sixty days from and after the final determination of the proceedings,
 39 upon appeal or otherwise. Upon such appeal the school corporation
 40 shall not be liable for costs unless the owner shall be allowed a greater
 41 sum than given by the referees; all cost of making the referees' assess-
 42 ment to be paid by the school corporation.

[C., '73, § 1827; C., '97, § 2815; 37 G. A., ch. 26, § 2.]

SEC. 2643. Erection or repair of schoolhouse.

 2 consulting with the county superintendent as to the most approved
 3 plan for such building and securing his approval of the plan sub-
 4 mitted, nor shall any schoolhouse be erected or repaired at a cost
 5 exceeding three hundred dollars, save under an express contract
 6 reduced to writing, and upon proposals therefor, invited by advertise-
 7 ment for four weeks in some newspaper published in the county in
 8 which the work is to be done, and the contract shall be let to the lowest
 9 responsible bidder, bonds with sureties for the faithful performance
 10 of the contract being required, but the board may reject any and all
 11 bids and advertise for new ones.

[R., '60, § 2037; C., '73, § 1723; C., '97, § 2779.]

SEC. 2644. Uses for other than school purposes.

1 The board of directors of any school corporation may authorize
 2 the use of any schoolhouse and its grounds within such corporation
 3 and not within the limits of a city or town for the purpose of meetings
 4 of granges, lodges, agricultural societies and similar rural secret
 5 orders and societies, and for election purposes; such use to be for such
 6 compensation and upon such terms and conditions as may be fixed by
 7 said board for the proper protection of the schoolhouse and the prop-
 8 erty belonging therein, including that of pupils. Any compensation
 9 for such use shall be paid into the general fund and be expended
 10 in the upkeep and repair of such school property, and in purchasing
 11 supplies therefor; provided, however, that if at any time the voters
 12 of such corporation at any annual meeting forbid such use of any such
 13 schoolhouse or grounds, the board shall not thereafter permit such
 14 use until the said action of such voters shall have been rescinded by
 15 the voters at an annual meeting, or at a special meeting called for
 16 that purpose.

SEC. 2645. Renting room—instruction in other schools—transportation of children.

1 It may, when necessary, rent a room and employ a teacher, where
 2 there are ten children for whose accommodation there is no school-
 3 house; and when the board is released from its obligation to maintain
 4 a school, or when children live at an unreasonable distance from their
 5 own school, the board may contract with boards of other school town-

6 ships or independent districts for the instruction of children thus
 7 deprived of school advantages, in any school therein, and the cost
 8 thereof shall be paid from the general fund. And when there will
 9 be a saving of expense, and children will also thereby secure increased
 10 advantages, it may arrange with any person outside the board for
 11 the transportation of any child to and from school in the same or in
 12 another corporation, and such expenses shall be paid from the general
 13 fund.

SEC. 2646. Use of barbed wire.

1 Barbed wire shall not be used to inclose any school buildings or
 2 grounds, nor for any fence or other purpose within ten feet of any
 3 such grounds. Any person violating the provisions of this section
 4 shall be punished by fine not exceeding twenty-five dollars.

[C., '97, § 2817.]

SEC. 2647. Duty of boards of school directors—fence.

1 It shall be the duty of all boards of school directors in school
 2 districts where the schoolhouse site adjoins the cultivated or improved
 3 lands of another to build and maintain a lawful fence between said
 4 site and cultivated or improved lands.

[S., '13, § 2745-a.]

SEC. 2648. Rights of owner of adjoining lands.

1 The owner of lands adjoining any schoolhouse site shall have the
 2 right to connect the fence on his lands with the fences around any
 3 schoolhouse site, but he shall not be liable to contribute to the main-
 4 tenance of the fence around said site.

[S., '13, § 2745-b.]

SEC. 2649. Reversion.

1 In school districts wholly outside any city or incorporated town,
 2 in case of nonuser for school purposes for two years continuously of
 3 any real estate acquired for a schoolhouse site, it shall revert, with
 4 improvements thereon, to the owner of the tract from which it was
 5 taken, upon payment of the market value thereof, together with the
 6 value of the improvements thereon, to be determined by arbitration,
 7 and upon such payment the school corporation shall make a convey-
 8 ance to such owner. If such owner refuses to accept the property
 9 at its appraised value, the school corporation may sell the same to any
 10 other person upon the payment of the appraised value, or at public
 11 auction to the highest bidder. In either of the above cases the site
 12 and the improvements thereon may be sold separately. Schoolhouses
 13 and school sites no longer necessary for school purposes, because of
 14 being located in consolidated school districts, may be sold immediately
 15 after the organization of such consolidated school district in the man-
 16 ner above provided. During its use no person owning a right of
 17 reversion shall have any interest in or control over the premises.
 18 This law shall not apply to districts in which schools have been tem-

SCHOOL TAXES AND BONDS.

SECTION 2650. School taxes—transportation fund—contract for use of library.

1 The board of each school corporation shall at its regular meeting
 2 in July, or at a special meeting called for that purpose between the
 3 time designated for such regular meeting and the third Monday in
 4 August, estimate the amount required for the general fund, not ex-
 5 ceeding sixty dollars for each pupil of school age, but each school cor-
 6 poration may estimate not to exceed six hundred fifty dollars for each
 7 school thereof, and such additional sum as may be necessary not
 8 exceeding five dollars for each person of school age for transporting
 9 children to and from school; also such additional sum as may be
 10 authorized in section twenty-six hundred ninety-five. No tax shall be
 11 estimated by the board after the third Monday in August in each
 12 year. School corporations containing territory in adjoining counties
 13 may vote and estimate all taxes for school purposes in mills. The
 14 board shall apportion any tax voted by the annual meeting for school-
 15 house fund among the several subdistricts in such a manner as jus-
 16 tice and equity may require, taking as the basis of such apportionment
 17 the respective amounts previously levied upon said subdistricts for
 18 the use of such fund. The board of directors of any school corpora-
 19 tion in which there is no free public library shall have power to con-
 20 tract with any free public library for the free use of such library by
 21 the residents of such school district as provided in section thirty-seven
 22 hundred fifty-two and to pay such library the amount agreed therefor,
 23 and to certify annually a tax not exceeding one mill on the dollar of
 24 the taxable property of such district, to be used exclusively therefor;
 25 and during the existence of such contract a tax sufficient to pay such
 26 library the consideration agreed upon, not exceeding one mill on the
 27 dollar, shall be certified annually by such board. Each school cor-
 28 poration making such contract shall, during the existence of such
 29 contract, be relieved from the requirements of section twenty-six hun-
 30 dred six. This section shall not be construed to apply in townships
 31 where a contract is in existence under the provisions of section thirty-
 32 four hundred forty-three.

[C., '51, § 1152; R., '60, §§ 2033, 2034, 2037, 2038, 2044,
 2088; C., '73, §§ 1738, 1777, 1778; C., '97, § 2806; S.,

SEC. 2651. Levy by board of supervisors.

1 The board of supervisors shall at the time of levying taxes for
 2 county purposes levy the taxes necessary to raise the various funds
 3 authorized by law and certified to it by law, but if the amount certified
 4 for any such fund is in excess of the amount authorized by law, it
 5 shall levy only so much thereof as is authorized by law. If a school-
 6 house tax is voted at a special meeting and certified to said board after
 7 the regular levy is made, it shall at its next regular meeting levy such
 8 tax and cause the same to be forthwith entered upon the tax list to
 9 be collected as other school taxes. It shall also levy a tax for the
 10 support of the schools within the county of not less than one nor more

11 than three mills on the dollar on the assessed value of all the taxable
12 property within the county.

[R., '60, §§ 2057, 2059; C., '73, §§ 1779, 1780; C., '97, § 2807.]

SEC. 2652. Apportionment.

1 The county auditor shall, on the first Monday in April and the
2 first Monday in October of each year, apportion the school tax, together
3 with the interest of the permanent school fund and rents on unsold
4 school lands to which the county is entitled as shown in notice from
5 the auditor of state, and all other money in the hands of the county
6 treasurer belonging in common to the schools of the county and not
7 included in any previous apportionment, among the several corpora-
8 tions therein, in proportion to the number of persons of school age,
9 as shown by the report of the county superintendent filed with him
10 for the year immediately preceding. He shall immediately notify the
11 county treasurer of such apportionment and of the amount due thereby
12 to each corporation. The county treasurer shall thereupon give notice
13 to the president of each corporation, and shall pay out such appor-
14 tionment moneys in the same manner that he is authorized to pay
15 other school moneys to the treasurers of the several school districts.

5 make out and transmit to the auditor of state, in accordance with
6 such forms as said auditor may prescribe, a report of the amount of
7 permanent school funds held by the county and also the amount of
8 interest due prior to January first, still remaining unpaid, and shall
9 file said report with the auditor of state on or before the first day of
10 February.

[C., '73, § 1783; C., '97, § 2809; S., '13, § 2809.]

SEC. 2654. Taxes paid over.

1 Before the third Monday of January, April, July and October
2 in each year, the county treasurer shall give notice to the president of
3 the board of each school corporation in the county of the amount col-
4 lected for each fund to the first day of such month, and the president
5 of each board shall draw his draft therefor, countersigned by the sec-
6 retary, upon the county treasurer, who shall pay such taxes to the
7 treasurers of the several school boards only on such draft. He shall
8 also keep the amount of tax levied for schoolhouse purposes separate
9 in each subdistrict where such levy has been made directly upon the
10 property of the subdistrict, and shall pay over the same quarterly to
11 the treasurer of the school township for the benefit of such subdistrict.

[C., '73, §§ 1784, 1785; C., '97, § 2810.]

SEC. 2655. Judgment tax.

1 When a judgment shall be obtained against a school corporation,
2 its board shall order the payment thereof out of the proper fund by
3 an order on the treasurer, not in excess, however, of the funds avail-

4 able for that purpose. If the proper fund is not sufficient, then, unless
 5 its board has provided by the issuance of bonds for raising the amount
 6 necessary to pay such judgment, the voters thereof shall at their
 7 annual meeting vote a sufficient tax for the purpose. In case of failure
 8 or neglect to vote such tax, the school board shall certify the amount
 9 required to the board of supervisors, who shall levy a tax on the prop-
 10 erty of the corporation for the same.

[R., '60, § 2095; C., '73, § 1787; C., '97, § 2811.]

1 The board of each school corporation shall, when estimating and
 2 certifying the amount of money required for general purposes, esti-
 3 mate and certify to the board of supervisors of the proper county the
 4 amount required to pay interest due or that may become due for the
 5 year beginning January first thereafter, upon lawful bonded indebt-
 6 edness, and in addition thereto such amount as the board may deem
 7 necessary to apply on the principal; but the amount estimated and
 8 certified to apply on principal and interest for any one year shall not
 9 exceed five mills on the dollar of the actual valuation of the taxable
 10 property of the school corporation.

 11 state, he is hereby authorized and directed to thereupon draw a state
 12 warrant, payable to said school district, for the amount called for in
 13 said voucher upon the school funds of the state; and the treasurer of
 14 state is hereby authorized and directed, when presented with such
 15 warrant properly indorsed, to pay the amount of such warrant to the

 5 inclusive.

[38 G. A., ch. 354, § 5.]

CHAPTER 33.

UNIFORMITY, LOANING AND PURCHASE OF TEXTBOOKS.

SECTION 2694. Adoption—contract—agent.

1 The board of directors of each and every school corporation in the
 2 state of Iowa is hereby authorized and empowered to adopt textbooks
 3 for the teaching of all branches that are now or may hereafter be
 4 authorized to be taught in the public schools of the state, and to con-
 5 tract for and buy said books and any and all other necessary school
 6 supplies at said contract prices, and to sell the same to the pupils
 7 of their respective districts at cost, and said money so received shall
 8 be returned to the general fund. The books and supplies so pur-
 9 chased shall be under the charge of the board, who may select one or
 10 more persons within the county to keep said books and supplies for
 11 sale, and, to insure the safety of the books and moneys, the board
 12 shall require of each person so appointed a bond in such sum as may
 13 seem to the board to be desirable.

[C., '97, § 2824; 37 G. A., ch. 386, § 11.]

SEC. 2695. Use of general fund—additional tax.

1 All the books and other supplies purchased under the provisions
 2 of this chapter shall be paid for out of the general fund, and the board
 3 of directors shall annually certify to the board of supervisors the addi-
 4 tional amount necessary to levy for the general fund of said district
 5 to pay for such books and supplies. But such additional amount shall
 6 not exceed in any one year the sum of one dollar and fifty cents for
 7 each pupil residing in the school corporation, and the amount so levied
 8 shall be paid out on warrants drawn for the payment of books and
 9 supplies only, but the district shall contract no debt for that purpose.

[C., '97, § 2825; 37 G. A., ch. 386, § 10.]

SEC. 2696. Purchase—exchange.

1 In the purchasing of textbooks it shall be the duty of the board
2 of directors or the county board of education to take into consideration
3 the books then in use in the respective districts, and they may buy
4 such additional number of said books as may from time to time become
5 necessary to supply their schools, and they may arrange on equitable
6 terms for exchange of books in use for new books adopted.

[C., '97, § 2826.]

SEC. 2697. Suit on bond.

1 If at any time the publishers of such books as shall have been
2 adopted by any board of directors or county board of education shall
3 neglect or refuse to furnish such books when ordered by said board in
4 accordance with the provisions of this chapter, at the very lowest
5 price, either contract or wholesale, that such books are furnished any
6 other district or state board, then said board of directors or county
7 board of education may and it is hereby made their duty to bring suit
8 upon the bond given them by the contracting publisher.

[C., '97, § 2827.]

SEC. 2698. Bids.

1 Before purchasing textbooks under the provisions of this chapter,
2 it shall be the duty of the board of directors, or county board of edu-
3 cation, to advertise, by publishing a notice, once each week, for three
4 consecutive weeks in one or more newspapers published in the county;
5 said notice shall state the time up to which all bids will be received,
6 the classes and grades for which textbooks and other necessary sup-
7 plies are to be bought, and the approximate quantity needed; and said
8 board shall award the contract for said textbooks and supplies to any
9 responsible bidder or bidders offering suitable textbooks and supplies
10 at the lowest prices, taking into consideration the quality of material
11 used, illustrations, binding, and all other things that go to make up a
12 desirable textbook; and may, to the end that they may be fully
13 advised, consult the county superintendent, or, in case of city inde-
14 pendent districts, with city superintendent or other competent person,
15 with reference to the selection of textbooks; provided that the board
16 may reject any and all bids, or any part thereof, and readvertise
17 therefor as above provided.

[C., '97, § 2828; S., '13, § 2828.]

SEC. 2699. Change—question submitted.

1 It shall be unlawful for any board of directors or county board
2 of education, except as provided in section twenty-six hundred ninety-
3 seven, to displace or change any textbook that has been regularly
4 adopted or readopted under the provisions of this chapter, before the
5 expiration of five years from the date of such adoption or readoption,
6 unless authorized to do so by a majority of the electors present and
7 voting at their regular annual meeting in March, due notice of said
8 proposition to change or displace said textbooks having been included
9 in the notice for the said regular meeting.

[C., '73, § 1728; C., '97, § 2829.]

SEC. 2700. Samples—lists—bonds.

1 Any person or firm desiring to furnish books or supplies under
 2 this chapter in any county shall, at or before the time of filing his bid
 3 hereunder, deposit in the office of the county superintendent samples
 4 of all textbooks included in his bid, accompanied with lists giving the
 5 lowest wholesale and contract prices for the same. And said samples
 6 and lists shall remain in the county superintendent's office, and shall
 7 be delivered by him to his successor in office, and shall be kept by him
 8 in such safe and convenient manner as to be open at all times to the
 9 inspection of such school officers, school patrons and school teachers
 10 as may desire to examine the same and compare them with others, for
 11 the purpose of use in the public schools. The board of directors and
 12 county board of education mentioned shall require of any person or
 13 persons with whom they contract for furnishing any books or sup-
 14 plies to enter into a good and sufficient bond, in such sum and with
 15 such conditions and sureties as may be required by such board of
 16 directors or county board of education, for the faithful performance
 17 of any such contract. But bonds of surety companies duly authorized
 18 under the laws of Iowa shall be accepted.

[C., '97, § 2830.]

SEC. 2701. County board of education—question as to county uniformity.

1 When petitions shall have been signed by one-third the school
 2 directors in any county, other than those in cities and towns, and filed
 3 in the office of the county superintendent of such county at least thirty
 4 days before the annual school elections, asking for a uniform series
 5 of textbooks in the county, then such county superintendent shall
 6 immediately notify the other members of the county board of educa-
 7 tion in writing, and within fifteen days after the filing of the petitions
 8 said board of education shall meet and provide for submitting to the
 9 electors at the next annual meeting the question of county uniformity
 10 of school textbooks.

[C., '97, § 2831; S., '13, § 2831; 38 G. A., ch. 56, § 1.]

SEC. 2702. Selection of books—depositories—distribution—itemized accounts.

1 Should a majority of the electors voting at such elections favor
 2 a uniform series of textbooks for use in said county, then the county
 3 board of education shall meet and select the school textbooks for the
 4 entire county, and contract for the same under such rules and regu-
 5 lations as the said board of education may adopt. When a list of text-
 6 books has been so selected, they shall be used by all the public schools
 7 of said county, except as hereinafter provided, and the board of educa-
 8 tion may arrange for such depositories as it may deem best, and may
 9 pay for said schoolbooks out of the county funds, and sell them to the
 10 school districts at the same price as provided for in section twenty-six
 11 hundred ninety-four, and the money received from said sales shall be
 12 returned to the county funds by said board of education monthly.
 13 The boards of school officers, who are hereby made the judges of the
 14 school meetings, shall certify to the board of supervisors the full re-
 15 turns of the votes cast at said meetings the next day after the holding
 16 of said meetings, who shall, at their next regular meeting, proceed to
 17 canvass said votes and declare the result. Unless otherwise ordered

18 by the board of education, the county superintendent shall have charge
 19 of such textbooks and of the distribution thereof among the deposi-
 20 tories selected by the board; he shall render to the board at each meet-
 21 ing thereof itemized accounts of his doings, and shall be liable on his
 22 official bond therefor.

[C., '97, § 2832; S., '13, § 2832.]

SEC. 2703. Proceedings of county board.

1 The county superintendent shall in all cases be chairman of the
 2 county board of education and a full and complete record shall be kept
 3 of their proceedings in a book kept for that purpose in the office of
 4 the county superintendent. A list of textbooks so selected, with their
 5 contract prices, shall be reported to the state superintendent with the
 6 regular annual report of the county superintendent.

[C., '97, § 2833; 38 G. A., ch. 56, § 1.]

SEC. 2704. Officers not to be agents.

1 It shall be unlawful for any school director, teacher or member
 2 of the county board of education to act as agent for any school text-
 3 books or school supplies during such term of office or employment, and
 4 any school director, officer, teacher or member of the county board of
 5 education who shall act as agent or dealer in school textbooks or
 6 school supplies, during the term of such office or employment, shall be
 7 deemed guilty of a misdemeanor, and shall, upon conviction thereof,
 8 be fined not less than ten dollars nor more than one hundred dollars,
 9 and pay the costs of prosecution.

[C., '97, § 2834.]

SEC. 2705. City schools.

1 The provisions of sections twenty-seven hundred one, twenty-
 2 seven hundred two and twenty-seven hundred three shall not apply to
 3 schools located within cities or towns, nor shall the electors of said
 4 cities or towns vote upon the question of county uniformity; but noth-
 5 ing herein shall be so construed as to prevent such schools in said
 6 cities and towns from adopting and buying the books adopted by the
 7 county board of education at the prices fixed by them, if by a vote of
 8 the electors they shall so decide.

[C., '97, § 2835.]

SEC. 2706. Free textbooks—question submitted.

1 Whenever a petition signed by ten per cent of the qualified voters,
 2 to be determined by the school board of any school corporation, shall
 3 be filed with the secretary thirty days or more before the annual meet-
 4 ing of the electors, asking that the question of providing free text-
 5 books for the use of pupils in the public schools thereof be submitted
 6 to the voters at the next annual meeting, he shall cause notice of such
 7 proposition to be given in the call for such meeting.

[C., '97, § 2836; 37 G. A., ch. 56, § 1.]

SEC. 2707. Loaning—discontinuance.

1 If, at such meeting, a majority of the legal voters present and
 2 voting by ballot thereon shall authorize the board of directors of said
 3 school corporation to loan textbooks to the pupils free of charge, then
 4 the board shall procure such books as shall be needed, in the manner

5 provided by law for the purchase of textbooks, and loan them to the
 6 pupils. The board shall hold pupils responsible for any damage to,
 7 loss of, or failure to return any such books, and shall adopt such
 8 rules and regulations as may be reasonable and necessary for the
 9 keeping and preservation thereof. Any pupil shall be allowed to
 10 purchase any textbook used in the school at cost. No pupil already
 11 supplied with textbooks shall be supplied with others without charge
 12 until needed. The electors may, at any election called as provided in
 13 this section, direct the board to discontinue the loaning of textbooks
 14 to pupils.

[C., '97, § 2837.]

CHAPTER 34.

SCHOOL FUNDS.

SECTION 2708. Permanent fund.

1 The permanent school fund, the interest of which only can be
 2 appropriated for school purposes, shall consist of five per cent of the
 3 net proceeds of the public lands of the state, which shall be paid to
 4 the state treasurer and be apportioned by the state auditor among
 5 the several counties, taking into consideration the amount of the
 6 permanent school fund already in possession of and constantly loaned
 7 in said county; the proceeds of the sale of the five hundred thousand
 8 acres of land granted the state under the eighth section of an act of
 9 congress passed September fourth, A. D. eighteen hundred forty-one,
 10 entitled: "*An act to appropriate the proceeds of all sales of public*
 11 *lands, and to grant preemption rights*"; the proceeds of all intestate
 12 estates escheated to the state; and the proceeds of the sales of the six-
 13 teenth section in each township, or lands selected in lieu thereof. The
 14 proceeds of all lands sold, and all sums due from escheats, shall be
 15 payable to the treasurer of the county in which the lands or escheated
 16 estates are situated or found.

[R., '60, §§ 1962, 1964, 1965; C., '73, §§ 1837, 1839, 1840;
 C., '97, § 2838.]

SEC. 2709. Temporary fund.

1 The temporary school fund, which shall be received and appro-
 2 priated annually in the same manner as the interest of the permanent
 3 fund, shall consist of all forfeitures which are authorized to be made
 4 for the benefit of the school fund, the proceeds of all fines collected for
 5 violation of the penal laws, for the nonperformance of military duty,
 6 and the proceeds of the sale of lost goods and estrays; which several
 7 funds shall be payable to the county treasurer of the several counties
 8 in which they arise, accounted for to the board of supervisors, and
 9 apportioned by it among the several school townships and independent
 10 districts of the county as provided by law.

[R., '60, §§ 1963, 1966; C., '73, §§ 1838, 1841; C., '97, § 2839.]

SEC. 2710. Division and appraisement.

1 The board of supervisors may, at such time as it may fix, and
 2 as preliminary to a sale, authorize the trustees of any township,
 3 where the sixteenth section or land selected in lieu thereof has not

4 been sold, to lay out the same into such tracts as in their judgment
 5 will be for the best interests of the school fund, conforming, as far
 6 as the interests of said fund will permit, to the legal subdivisions of
 7 the United States surveys, and appraise each tract at what they believe
 8 to be its true value, and certify to it the divisions and appraisements
 9 made by them. Said division and appraisal shall be approved or
 10 disapproved by said board at its first meeting after such report, and
 11 in case it disapproves the same it may at once order another division
 12 and appraisal. If the board of supervisors approves, the county
 13 auditor shall make and keep a record of such division, appraisal
 14 and approval; but no school lands of any kind shall be sold for less
 15 than the appraised value per acre, except as hereinafter provided; nor
 16 shall any member of the board of supervisors, county auditor, town-
 17 ship trustee, or any person who was engaged in the division and ap-
 18 praisal of said land, be directly or indirectly interested in the pur-
 19 chase thereof; and any sale made, where such parties or any of them
 20 are so interested, shall be void.

[R., '60, §§ 1970, 1971; C., '73, §§ 1845-1847; C., '97, § 2840.]

SEC. 2711. Notice—sale.

1 When the board of supervisors shall offer for sale the sixteenth
 2 section or lands selected in lieu thereof, or any portion of the same,
 3 or any part of the five hundred thousand acre grant, the county audi-
 4 tor shall give at least forty days' notice, by written or printed notices
 5 posted in five public places in the county, two of which shall be in the
 6 township in which the land to be sold is situated, and also publish a
 7 notice of said sale, once each week, for four weeks preceding the same
 8 in a newspaper published in the county, describing the land to be sold
 9 and the time and place of such sale. At such time and place, or at
 10 such other time and place as the sale may be adjourned to, he shall
 11 offer to the highest bidder, subject to the provisions of this chapter,
 12 and sell, either for cash, or one-third cash and the balance on a credit
 13 not exceeding ten years, with interest on the same at the rate of not
 14 less than six per cent per annum, to be paid at the office of the county
 15 treasurer of said county on the first day of January in each year, de-
 16 linquent interest to bear the same rate as the principal.

[R., '60, § 1971; C., '73, § 1846; C., '97, § 2841; S., '13,
 § 2841.]

SEC. 2712. Sale without appraisalment.

1 When the board of supervisors of any county has once offered for
 2 sale any school lands in compliance with the requirements of this chap-
 3 ter, and they remain unsold, and it is unable to obtain therefor the
 4 appraised value thereof, and in the opinion of said board it is for the
 5 best interests of the school fund that the same be sold for a less price,
 6 it may instruct the auditor to transmit to the secretary of state a cer-
 7 tified copy of its proceedings in relation to the order of sale thereof
 8 and subsequent proceedings in relation thereto, including the action
 9 of the township trustees, and the price per acre at which the land had
 10 been appraised, which transcript the secretary of state shall submit
 11 to the executive council; and if it approves of a sale at a less sum it
 12 shall certify such approval to the auditor of the county from which
 13 said transcript came, which certificate shall be transcribed in the min-
 14 ute book of the board of supervisors, and thereupon said land may

15 again be offered and sold to the highest bidder, after notice given as
16 in case of sales in the first instance, without being again appraised.
[C., '73, § 1849; C., '97, § 2842.]

SEC. 2713. Sale on credit—taxation—waste.

1 When lands are sold upon a partial credit, the contract therefor
2 shall be at once reduced to writing, signed by the proper parties, re-
3 corded in the county where the land is situated, and immediately
4 thereafter filed in the office of the county auditor. Any purchaser or
5 his assigns may at any time pay the full amount for lands with ac-
6 crued interest, and receive from the county auditor a certificate of
7 purchase, which shall be at once transmitted to the state land office,
8 and will entitle the holder to a patent for the lands, to be issued by
9 the governor. All school lands sold in pursuance of law shall be sub-
10 ject to taxation from and after the execution and delivery of a con-
11 tract of purchase. All sales made, where the full price is not paid,
12 shall be subject to the law relative to the prevention or punishment of
13 waste, and in all such cases the township trustees in each township
14 are charged with the duty of preventing the commission of waste upon
15 any school lands lying in their township, and, if attempted, they shall
16 apply by petition for an injunction to stay the same, and if granted
17 the writ shall issue without bond, and the court issuing it may make
18 such order in the premises as shall be equitable and best calculated to
19 prevent threatened injury, and may adjudge damages for any injury
20 done, the costs to abide the event of the action, and the damages
21 adjudged shall be paid to the county treasurer and become a part of
22 the permanent school fund.

[R., '60, §§ 1972, 1973, 1976-1978; C., '73, §§ 1851, 1852, 1856-
1858; C., '97, § 2843.]

SEC. 2714. Sale of lands bid in.

1 When lands have been sold and bid in by the state in behalf of the
2 school fund upon a judgment in favor of such fund, the land may be
3 sold in like manner as other school lands, and when lands have been
4 conveyed to the counties in which they are situated for the use of the
5 school fund, instead of to the state, such conveyance shall be valid and
6 binding, and upon proper certificates of sales patents shall issue in
7 like manner as in cases where the conveyances were properly made
8 to the state.

[C., '73, § 1850; C., '97, § 2844.]

SEC. 2715. Cash or collateral security.

1 When, in the judgment of the board of supervisors, any school
2 lands are of such a character that a sale upon partial credit would be
3 unsafe or incompatible with the interest of the school fund, and espe-
4 cially in the case of timbered lands, the board of supervisors may in
5 its discretion exact the whole of the purchase money in advance; or
6 if it sells such land upon a partial credit, as hereinbefore prescribed,
7 it shall require good collateral security for the payment of the part
8 upon which credit is given.

[R., '60, § 1974; C., '73, § 1853; C., '97, § 2845.]

SEC. 2716. Default in interest.

1 In all cases where money is due to the university or school fund,
2 either for loans or deferred payments of the purchase price of land
3 sold, the interest shall be made payable on the first day of January of
4 each year, and if the debtor fails to pay the interest within six months
5 thereafter, the entire amount of both principal and interest shall be-
6 come due, and in case of the university fund, the treasurer thereof
7 shall make report of the delinquent to the county attorney of the
8 county where the debtor resides, or where the real estate given as
9 security is situated, and in case the delinquent is a purchaser or bor-
10 rower from the school fund, the county auditor shall make a like report
11 to the county attorney, who shall immediately commence action for the
12 collection of the amount reported to him as due, and this section, and
13 each provision thereof, is hereby declared to be a part of every con-
14 tract made by virtue of this chapter, whether expressed therein or not.

[R., '60, § 1975, 1979; C., '73, §§ 1854, 1855; C., '97, § 2846.]

SEC. 2717. Losses made good—apportionment of interest.

1 The state auditor shall keep the school fund accounts in books
2 provided for that purpose, separate and distinct from the revenue
3 books; he shall audit all losses to the permanent school or university
4 fund which shall have been occasioned by the defalcation, mismanage-
5 ment or fraud of the agents or officers controlling and managing the
6 same, and for this purpose shall prescribe such regulations for those
7 officers as may be necessary to ascertain such losses, and when any
8 sum not less than one thousand dollars shall be so audited and so be-
9 come a debt of the state to the fund, as provided by the constitution,
10 he shall issue the bond or bonds of the state in favor of the fund, bear-
11 ing six per cent interest, payable semiannually on the first day of Janu-
12 ary and July after issuance, and the amount to pay the interest as it
13 becomes due is appropriated out of any funds in the state treasury.
14 Immediately after making the apportionment in the interest of the
15 permanent school fund, he shall notify the auditor of each county of
16 the sum to which his county is entitled, and, if a county has less thereof
17 than it is entitled to under the apportionment, he shall authorize the
18 treasurer of any such county to transfer enough of the state revenue
19 to said fund to cover such deficiency, which notice shall be filed by the
20 treasurer, and be a sufficient voucher for the amount so transferred.
21 If a county has an excess of such interest above the amount appor-
22 tioned to it, the notice shall direct the treasurer to transfer the excess
23 to the state revenue and charge it to the interest fund, which notice
24 shall be by him filed, and be a sufficient voucher therefor, and such
25 excess shall be paid into the state treasury.

[R., '60, § 1969; C., '73, §§ 1842-1844; C., '97, § 2847.]

SEC. 2718. Management of funds and lands in each county.

1 The board of supervisors shall hold and manage the securities
2 given to the school fund in its county, and all judgments and lands be-
3 longing to said fund. It may have any part of the school lands sur-
4 veyed when necessary, and employ the county surveyor therefor, who
5 shall be paid out of the county treasury upon proof made of the re-
6 quest and performance of the service. All actions for and in behalf
7 of said fund may be brought in the name of the county for the use of
8 the school fund, by the county attorney or such other attorney as the

9 board may select. Each county shall be liable for all losses upon loans
10 of the school fund, principal or interest, made in such county, unless
11 the loss was not occasioned by reason of any default of its officers or
12 by taking insufficient or imperfect securities, or from a failure to bid
13 at an execution sale the full amount of the judgment and costs. All
14 claims for exemption from liability on account of losses shall be exam-
15 ined into and adjusted by the state auditor, upon proof submitted to
16 him in writing in behalf of the county within three months after the
17 county auditor shall be advised by the state auditor of his readiness
18 to receive the proof. In the absence of evidence, or if that submitted
19 is insufficient, the loss may be charged against the county and be con-
20 clusive, but if found sufficient, the state auditor shall present the facts
21 in his report to the next general assembly.

[R., '60, § 1980; C., '73, §§ 1859, 1860; C., '97, § 2848.]

SEC. 2719. Loans.

1 The permanent school fund shall be loaned out by the county
2 auditor, as it comes into the hands of the county treasurer, in sums
3 of five thousand dollars or less to one person or company, in case it
4 is found impracticable to keep the whole amount of funds loaned in
5 sums of five hundred dollars or less to one person or company. In the
6 event it can be kept loaned out in sums of five hundred dollars or less
7 to one person or company, then no loan shall exceed five hundred dol-
8 lars, nor shall a loan of said fund be made to or be carried by the
9 county auditor, treasurer or member of the board of supervisors.
10 Each loan shall be made for at least one and not more than five years,
11 evidenced by promissory notes bearing not less than five per cent per
12 annum, payable annually, and delinquent interest to draw the same
13 rate, to be secured by a mortgage on unincumbered real estate, situ-
14 ated in the county in which the loan is made, and appraised, as here-
15 inafter provided, for at least double the sum borrowed; the appraise-
16 ment to be made by three persons under oath, selected by the county
17 auditor, who shall not in making the valuation take into considera-
18 tion the buildings upon the lands, for which service each shall be al-
19 lowed fifty cents, to be paid by the borrower, who shall also pay for
20 recording the mortgage.

[R., '60, §§ 1981-1983; C., '73, §§ 1861-1863; C., '97, § 2849;
S., '13, § 2849.]

SEC. 2720. Applications—taking up incumbrances.

1 All applications to borrow from the permanent school fund shall
2 be made to the auditor of the county in which the land is situated
3 which it is proposed to mortgage as security, who shall cause the
4 proper appraisal to be made, and, if satisfactory, shall examine
5 any abstract of title which the proposed borrower may submit, or he
6 may cause an abstract to be prepared at such proposed borrower's ex-
7 pense. If the title is found to be perfect, and the lands unincumbered,
8 he shall certify this fact and submit the application and all the papers
9 connected therewith to the board of supervisors at its next meeting,
10 regular or called, at which meeting the loan shall be approved or dis-
11 approved. If the application is accepted, the auditor shall complete
12 the contract by taking a note payable to the county, and a mortgage
13 upon the lands securing the same, and certify the same to the treas-
14 urer, who shall pay over to the borrower the amount named in the
15 note, less a fee of two dollars to be paid to the auditor for his services.

16 The board may reject the application for any good cause. And if it
 17 shall happen that a loan is made upon real estate which is in fact in-
 18 cumbered other than for taxes, the board of supervisors may, when
 19 necessary for the safety of the loan, appropriate out of any school
 20 fund on hand, if such incumbrance does not exceed one-half of the
 21 real value of the lands, so much as may be needed to take up and pur-
 22 chase the same, and may also at any meeting, by resolution, assign
 23 without recourse, upon payment of the amount due, any school fund
 24 note and mortgage to one holding a subsequent lien upon the mort-
 25 gaged real estate.

[R., '60, § 1984; C., '73, §§ 1864, 1868, 1869, 1875; C., '97,
 § 2850; S. S., '15, § 2850.]

SEC. 2721. Loans reported—examination—additional security.

1 Each loan made, when fully completed, shall be by the auditor
 2 reported to the board of supervisors, and a minute of such report shall
 3 be entered upon its records, and from time to time, and at least once
 4 a year, all loans, with the security given, shall be carefully examined
 5 and report made to the board, which examination shall be conducted
 6 by a member thereof, or some competent person selected by it. When
 7 a report shows that the security in a given case has for any cause de-
 8 preciated so that it is no longer sufficient, or it appears that there was
 9 a prior incumbrance thereon which materially affects the value of the
 10 security, the board shall order the debtor to furnish additional se-
 11 curity, and fix a reasonable time within which the same shall be given,
 12 and if the party so ordered fails to comply therewith for thirty days
 13 after service upon him of a copy of the order, the entire debt shall be-
 14 come due, and an action may be brought to enforce the collection
 15 thereof, and these provisions shall enter into and form a part of all
 16 contracts of loans, whether incorporated therein in words or not.

[R., '60, § 1985; C., '73, §§ 1866, 1870; C., '97, § 2851.]

SEC. 2722. Renewal—limitation of action.

1 When a loan has been made, and the borrower desires to renew
 2 the same for one or more years, it may be done in the same manner as
 3 the loan was made in the first instance, but no new abstract, except a
 4 continuation of the same down to the time, nor examination of title
 5 prior to the original loan, nor new mortgage, need be given, unless
 6 the mortgage is to be given upon other lands. The time of payment,
 7 without further security, may be extended in writing, to be recorded
 8 as the original security was, and before maturity of the claim, when
 9 the board of supervisors for cause shall so order; but such extension
 10 of time shall not operate to release any security held, and lapse of
 11 time shall in no case be a bar to any action to recover any part of the
 12 school fund, nor shall it prevent the introduction of evidence in such
 13 an action, any provision in this code to the contrary notwithstanding.

[R., '60, § 1993; C., '73, §§ 1871, 1879, 1880, 2542; C., '97,
 § 2852.]

SEC. 2723. Payments—accounts—settlements.

1 All payments to the school fund upon contracts, or loans of any
 2 other nature, shall be made to the treasurer of the county upon a cer-
 3 tificate from the auditor showing the amount due; and the auditor
 4 shall, when the debt is paid, release any mortgage or issue a certifi-

5 cate of purchase, as the case may be, and report the same to the board
 6 of supervisors at its next meeting, which report shall be carried into
 7 the records of the board. The auditor shall also keep in his office, in
 8 books to be provided for that purpose, an account to be known as the
 9 "school fund account," in which a memorandum of all notes, mort-
 10 gages, bonds, money, and assets of every kind and description which
 11 may come into his hands and those of the treasurer shall be entered,
 12 and separate accounts of principal and interest be kept; and the coun-
 13 ty treasurer shall keep a like account and record of all school funds
 14 coming into his hands. Settlements of such account shall be made
 15 with the board of supervisors at its January and June sessions, which
 16 settlements shall be recorded with the proceedings of the board.

[R., '60, §§ 1986, 1990, 1991; C., '73, §§ 1867, 1876, 1877;
 C., '97, § 2853.]

SEC. 2724. Suits—attorneys' fees—purchase on execution.

1 When outstanding contracts for the sale of school lands or notes
 2 for money of the school fund loaned, or interest thereon, are due, the
 3 auditor shall by mail at once notify the debtor to make payment thereof
 4 within three months. If such debtor shall neglect to comply with
 5 such notice, the auditor shall report the same to the county attorney,
 6 who shall bring an action to recover the same, and an injunction may
 7 issue for cause, without bond when so prayed, and there shall be al-
 8 lowed in the judgment, entered and taxed as a part of the costs in the
 9 case, a reasonable sum as compensation to plaintiff's attorney, not ex-
 10 ceeding the amount as provided by law for attorneys' fees. Upon a
 11 sale of lands under an execution founded upon a school fund claim or
 12 right, the auditor shall bid such sum as the interests of the fund re-
 13 quire, and, if struck off to the state, it shall be thereafter treated in all
 14 respects the same as other lands belonging to said fund.

[C., '73, §§ 1872-1874; C., '97, § 2854.]

SEC. 2725. Lands bid in—losses—interest—rents.

1 When lands have been bid in by the county for the state under
 2 foreclosure of school fund mortgages and the time for redemption has
 3 expired, a sheriff's deed shall be issued to the state for the use and
 4 benefit of the permanent school fund. The county auditor shall there-
 5 upon notify the auditor of state, who shall give the county credit for
 6 the amount of principal in the original notes remaining unpaid. All
 7 lands hereafter acquired by the state under foreclosure proceedings
 8 shall be resold within two years from date of foreclosure, and all such
 9 lands heretofore acquired shall be resold on or before January first,
 10 nineteen hundred nine. Such lands shall be appraised, advertised and
 11 sold in the manner provided for the appraisement, advertisement and
 12 sale of the sixteenth section or lands selected in lieu thereof. When
 13 a resale is made the county auditor shall notify the auditor of state,
 14 who shall thereupon charge the county with the full amount of the re-
 15 sale, except that when the lands are sold for more than the unpaid por-
 16 tion of the principal, the excess shall be applied to reimburse the
 17 county for the costs of foreclosure and the interest paid by the county
 18 to the state by reason of default of payment of same by the makers of
 19 the notes, previous to the time when the right of redemption has ex-
 20 pired, not, however, to exceed three years. Any excess over and above
 21 the amount of the unpaid portion of the principal, costs of foreclosure
 22 and interest on the principal as above provided, shall inure to the

23 state and be credited to the permanent school fund account. If the
 24 lands shall be sold for a less amount than the unpaid portion of the
 25 principal, the loss shall be sustained by the county, and the board of
 26 supervisors shall at once order the amount of such loss transferred
 27 from the general fund of the county to the permanent school fund
 28 account. County auditors shall, on or before the first day of January
 29 of each year, report to the auditor of state the amount of all sales and
 30 resales made during the year previous, of the sixteenth section, five
 31 hundred thousand acres grant, escheat estates, and lands taken under
 32 foreclosure of school fund mortgages, and the auditor of state shall
 33 charge the same to the counties with interest from the date of such
 34 sale or resale to January first, at the rate of four and one-half per
 35 cent per annum. The auditor of state shall, also, on the first day of
 36 January, charge to each county having permanent school funds un-
 37 der its control, interest thereon at the rate of four and one-half per
 38 cent per annum for the preceding year, or such part thereof as such
 39 funds shall have been in the control of the county, which shall be taken
 40 as the whole amount of interest due from each county. All interest
 41 collected above the four and one-half per cent charged by the state
 42 shall be transferred to the general county fund. If any county fails
 43 or refuses to collect the amount of interest due the state, the deficiency
 44 shall be paid to the state from the general county fund. Any county
 45 delinquent in the payment of interest due the state shall be charged
 46 one per cent per month on the amount delinquent until paid. County
 47 auditors shall, upon the first day of January of each year, report to
 48 the auditor of state the amount of rents collected during the preced-
 49 ing year on unsold school lands and lands taken under foreclosure of
 50 school fund mortgages then in the hands of the county treasurer, and
 51 the auditor of state shall include the amount so reported in his semi-
 52 annual apportionment of interest.

[C., '73, §§ 1881, 1882, 1884; C., '97, § 2855; S., '13, § 2855.]

SEC. 2726. Transfer of funds.

1 When there are funds belonging to the permanent school fund in
 2 any county, amounting to one thousand dollars, that can not be loaned,
 3 the county auditor may certify the fact to the auditor of state, who
 4 shall order a transfer thereof to some other county or counties, where
 5 in his opinion it can be loaned. Upon such transfer being made, he
 6 shall give the county making the transfer credit for the amount, and
 7 shall charge the county or counties to which the transfer is made with
 8 the amount transferred, and shall afterwards charge interest on the
 9 actual amount in possession of each county.

[C., '73, § 1883; C., '97, § 2856.]

SEC. 2727. Penalty against county auditor.

1 Any county auditor, failing or neglecting to perform any of the
 2 duties which are required of him by the provisions of this chapter,
 3 shall be liable to a penalty of not less than one hundred nor more than
 4 five hundred dollars, to be recovered in an action brought in the dis-
 5 trict court by the board of supervisors, the judgment to be entered
 6 against the party and his bondsmen, and the proceeds to go to the
 7 school fund.

[R., '60, § 1992; C., '73, § 1878; C., '97, § 2857.]

1 If objections to the establishment of the road or claims for dam-
 2 ages are filed, the further hearing of the application shall stand con-
 3 tinued to the next session of the board of supervisors held after the
 4 commissioners appointed to assess the damages have reported. All

 8 proceedings.

1 Upon the expiration of the time for filing claims for damages, if
 2 any are filed, the auditor shall appoint three disinterested electors of
 3 the county as appraisers, to assess the amount of damages any claim-

 5 road, and shall give them notice of their appointment, and fix a day
 6 and hour at which they shall meet at his office, or that of some justice

 8 place named, or within one hour thereafter, the auditor or justice, as
 9 the case may be, shall fill any vacancies by the appointment of others,
 10 and swear such appraisers to faithfully and impartially assess the
 11 damages claimed. Such appraisers shall proceed at once to perform
 12 their duties, and, after assessing the damages sustained by the claim-

1 Should the report not be filed in time, or should any good cause
 2 for delay exist, the auditor may postpone the time for final action on

3 the subject, and may, if necessary, appoint other appraisers. Should

5 out of their claims shall be paid by them.

[C., '51, §§ 543, 545; R., '60, §§ 848, 850; C., '73, §§ 944,

4 may establish, vacate or alter, or refuse to do so, as in their judgment,
5 founded on the testimony, the public good may require. Said board

1 In the latter case, a day shall be fixed for the performance of the
2 condition, which must be before the next session of the board, and, if
3 the same is not performed by that day, it shall at such session make

4 of supervisors.

[C., '73, § 948; C., '97, § 1503.]

SEC. 2816. Plat and field notes recorded—road opened.

1 After a road has been finally established or altered, the plat and
2 field notes must be recorded by the auditor, who shall certify the same
3 to the township clerk, and the superintendent of roads shall be directed
4 by him to have the same opened and worked, subject to the provisions
5 of the next section.

[C., '51, § 550; R., '60, § 855; C., '73, § 949; C., '97, § 1504.]

SEC. 2817. Fences—crops.

1 A reasonable time must be allowed to enable the owners of land
2 to erect the necessary fences adjoining the new road; and when crops

[C., '51, §§ 551, 552; R., '60, §§ 856, 857; C., '73, § 950; C.,
'97, § 1505.]

SEC. 2818. Minors—insane persons.

1 The rights and interests of minors and insane persons in relation

[C., '51, § 555; R., '60, § 860; C., '73, § 951; C., '97, § 1506.]

SEC. 2819. County line roads.

1 The establishment, vacation or alteration of a road, either along
 2 or across a county line, may be effected by the concurrent action of
 3 the respective boards of supervisors in the manner above prescribed.
 4 The commissioners in such cases must act in concert, and the road
 5 shall not be established, vacated or altered in either county until it
 6 is so ordered in both.

[C., '51, § 556; R., '60, § 861; C., '73, § 955; C., '97, § 1510.]

SEC. 2820. Consent highways.

1 Roads may be established without the appointment of a commis-
 2 sioner, if the written consent of all the owners of the land to be used
 3 for that purpose be first filed in the auditor's office; and the board, if
 4 satisfied that the proposed road is of sufficient public importance to
 5 be opened and worked by the public, shall make an order establishing
 6 the same. If a survey is necessary, the board, before ordering the
 7 same, may require the parties asking such establishment to pay or
 8 secure the payment of the expenses thereof.

[C., '51, §§ 553, 554; R., '60, §§ 858, 859; C., '73, §§ 957, 958;

1 Any applicant for damages caused by the establishment or alter-
 2 ation of any road may appeal from the final decision of the board to
 3 the district court of the county in which the land lies, notice of which
 4 appeal must be served on the county auditor within twenty days after
 5 the decision is made. If the road has been established or altered on
 6 condition that the petitioners therefor pay the damages, such notice
 7 shall be served on the four persons first named in the petition, if there
 8 be that many residing in the county, in the manner in which an orig-
 9 inal notice may be served.

[R., '60, § 873; C., '73, § 959; C., '97, § 1513.]

SEC. 2822. Appeal by petitioner.

1 An appeal may be taken by the petitioner as to amount of dam-
 2 ages, if the establishment or alteration has been made conditional
 3 upon paying the damages, by serving notice thereof on the county
 4 auditor and applicant for damages, in the manner in which original
 5 notices are served, and within twenty days after the decision of the
 6 board, and filing a bond in the office of such auditor, with sureties to
 7 be approved by him, conditioned for the payment of all costs occasioned
 8 by such appeal, if the appellant fails to recover a more favorable judg-
 9 ment in the district court than was allowed him by such board.

[R., '60, § 874; C., '73, § 960; C., '97, § 1514.]

SEC. 2823. Transcript filed.

1 When an appeal has been taken, the auditor shall, within ten days
 2 thereafter, make out and file in the office of the clerk of said court a
 3 transcript of the papers on file in his office, and proceedings of the
 4 board of supervisors in relation to such damages. The claimant for
 5 damages shall be plaintiff and the petitioners defendants, except the
 6 damages have been ordered paid out of the county treasury, in which
 7 case the county shall be defendant.

[R., '60, § 873; C., '73, § 961; C., '97, § 1515.]

SEC. 2824. Proceedings in court.

1 The amount of damages the claimant is entitled to shall be ascer-
 2 tained by the court in the same manner as in actions by ordinary pro-
 3 ceedings, and the amount ascertained shall be entered of record, but
 4 no judgment rendered therefor. The amount thus ascertained shall
 5 be certified by the clerk to the board of supervisors, who shall there-
 6 after proceed as if such amount had been by it allowed the claimant
 7 as damages.

[C., '73, § 962; C., '97, § 1516.]

SEC. 2825. Costs.

1 If the appeal be taken by the petitioners, they shall pay the costs,
 2 unless the claimant recovers a less amount than was allowed them by
 3 the board. In all other cases the taxing of the costs shall rest in the
 4 discretion of the court.

[R., '60, § 873; C., '73, § 963; C., '97, § 1517.]

SEC. 2826. Highways established to avoid bridging.

1 The board of supervisors of any county shall have the power, on
 2 its own motion, to change and establish highways along streams, where
 3 it can avoid building a bridge or bridges over such streams, and said
 4 highways shall be placed in good traveling condition by such board
 5 of supervisors; and all costs accruing in the establishment of said
 6 road shall be paid out of the county bridge fund.

[C., '97, § 427.]

SEC. 2827. Damages—appeal.

1 Whenever it is found necessary to establish such highway, the
 2 board of supervisors, at any regular session, may appoint three dis-
 3 interested citizens as appraisers to assess the damages occasioned
 4 thereby, and may hear evidence, and increase or decrease the damages
 5 allowed by the appraisers as to it may seem just. Any party ag-
 6 grieved by its action may appeal therefrom to the district court in
 7 the same time and manner, and with the same effect, as is provided
 8 in relation to the establishment of highways.

[C., '97, § 428.]

SEC. 2828. Petition for change of highway or stream—survey by engineer—purchase of right of way.

1 Ten freeholders of any county by a petition to the board of super-
 2 visors of said county or the county engineer may, at any time, recom-
 3 mend the expediency and advisability of changing the course of any
 4 part of any road or stream within any county, in order to avoid unnec-
 5 essarily expensive bridges, grades or railroad crossings, or to
 6 straighten any road, or to cut off dangerous corners on the highway
 7 or to widen any road above statutory width, or for the purpose of
 8 preventing the encroachment of a stream upon a public highway,
 9 specifying clearly the change recommended, and whether any part of
 10 any highway already established should be vacated and abandoned,
 11 and what part. The board may, thereupon, order the engineer to
 12 make a survey and report on such proposed change, and in order to
 13 comply with such order, the engineer shall have a right to enter upon
 14 the premises proposed to be taken and make said survey. If, from

15 a consideration of the survey and report on such proposed change, the
 16 board deems the change advisable, it shall have power to buy such
 17 right of way and take conveyance thereof in the name of the county
 18 and to pay for the same out of either the county road or bridge fund
 19 or out of both of said funds, as may appear advisable.

[S. S., '15, § 1527-r1.]

SEC. 2829. Condemnation—procedure.

1 If, for any reason, the board is unable to acquire such right of
 2 way by agreement with the owner, the county auditor shall appoint
 3 three disinterested appraisers who shall appraise the damages sus-
 4 tained by the landowners through whose land said proposed right of
 5 way extends and who shall within ten days make return of their
 6 appraisal to the county auditor, and the board shall fix a day at
 7 such place in the county as it may determine, at which it will hear
 8 all objections to said change and at which time it will determine all
 9 damages to each claimant by reason of such proposed change. Such
 10 hearing shall not be less than ten days after completed service on the
 11 owner. All owners of land bordering or abutting upon such proposed
 12 change of road or stream, and all owners through whose land such
 13 change will extend, as shown by the transfer books in the office of the
 14 county auditor, shall be served with notice of such hearing. Such
 15 owners who are residents of the county shall be personally served in
 16 the manner original notices are required to be served. Such owners
 17 who do not reside in the county and such owners who reside in the
 18 county, when the officer returns that they can not be found in the
 19 county, shall be served by publishing the notice in some newspaper
 20 in the county, once each week, for two weeks, and in addition, notice
 21 shall be served personally upon the actual occupant of the land. Per-
 22 sonal notice outside the county but within the state, in the manner
 23 original notices are required to be served, shall be deemed personal
 24 service and shall take the place of publication service.

[S. S., '15, § 1527-r2.]

**SEC. 2830. Hearing on objections—hearing on damages—pay-
 ment—appeal from allowance—change for benefit of township
 system.**

1 Service shall be deemed complete on the date when personal serv-
 2 ice is made, or on the date of the last publication, as the case may be.
 3 All objections to said change and all claim for damages by reason
 4 thereof, must be filed on or before the expiration of ten days from
 5 the date of completed service or the same will be waived. Different
 6 dates may be fixed for hearing the objections and claims for damages
 7 of different owners. At the time and place fixed for such hearing
 8 as to any owner, the board shall meet and proceed to a hearing on the
 9 objections or claims for damages of any such owner of whom it has
 10 acquired jurisdiction by proper service of notice or, if there be such
 11 owners over whom jurisdiction has not been acquired, the board may
 12 adjourn such hearing until such date (of which all parties must take
 13 notice), when jurisdiction will be complete as to all owners. At such
 14 final hearing, the board shall pass upon the objections filed. If the
 15 objections or any of them be sustained, the proceeding to effect the
 16 change shall be dismissed. If the objections be overruled, the board
 17 shall then proceed to a determination of the damages to be awarded
 18 to each claimant who has filed such claim. If the amount of damages

19 so awarded are, in the opinion of the board, excessive, the proceedings
 20 shall be dismissed. If such damages, in the opinion of the board, be
 21 not excessive, the board may, by proper order, establish such proposed
 22 change in the road or stream, as the case may be, and pay such dam-
 23 ages as in case of right of way secured by agreement. Provided,
 24 however, that if by the change of any road herein contemplated, any
 25 part of the highway abandoned reverts to the owner of the land con-
 26 demned, then and in that case the owner, by reason of the relocation
 27 of such highway, shall be entitled to such damages for the locating
 28 of such new highway which exceeds the damages sustained by reason
 29 of the old highway, taking into consideration the value of the premises
 30 immediately before and after such old road is abandoned and the new
 31 road established. The board shall order the auditor to issue warrants
 32 in favor of each claimant for the amount of damages awarded, and
 33 in such case shall have the right to enter upon such right of way and
 34 improve the same. The damages thus awarded shall be paid for out
 35 of the county road or bridge fund or out of both of said funds. Claim-
 36 ants for damages may appeal to the district court from the award of
 37 damages, in the manner and time for taking appeals from the estab-
 38 lishment of highways generally. The acceptance at any time of the
 39 amount awarded shall constitute a waiver of the right to appeal. If
 40 possession of the right of way is not taken and improved prior to
 41 the determination of the amount of damages on appeal, the board
 42 may, on the appeal being determined, dismiss the proceeding to effect
 43 the change, if, in the opinion of the board, the damages finally awarded
 44 are excessive. The making of a change in a stream shall be done by
 45 the board of supervisors and paid for out of either the county road
 46 or bridge fund or out of both of said funds. When the change of a
 47 road is made upon or for the benefit of the township road system, the
 48 improvement shall be made as now provided for the doing of road
 49 work upon the township road system.

[S. S., '15, § 1527-r3.]

SEC. 2831. Orchards not to be disturbed.

1 No such change shall be established through any orchard or orna-
 2 mental grounds contiguous to any dwelling house or so as to cause
 3 the removal of buildings, without the consent of the owner, nor
 4 through any burying ground.

[S. S., '15, § 1527-r4.]

SEC. 2832. Delays.

1 Should delay occur in the acquisition of such right of way, such
 2 delay shall not prevent the board from proceeding with the improve-
 3 ment of any part of the highway, not affected by the proposed change.

[S. S., '15, § 1527-r5.]

SEC. 2833. Notice—form.

1 The notice herein provided for shall be in substantially the fol-
 2 lowing form:

3 To whom it may concern:

4 The engineer appointed by the board of supervisors of.....
 5 county to make survey and report of the road (describe the same in
 6 a general way) has made report and has recommended that the fol-
 7 lowing change be made in said road: (Here clearly describe the pro-

8 posed change and the location and course thereof and give the names
 9 of the owners of the land through and abutting upon which the pro-
 10 posed change will extend.) And the said board of supervisors pro-
 11 pose to establish said change as above described, and all objections
 12 to said change and all claims for damages by reason of said change
 13 must be filed in the office of the county auditor before the expiration
 14 of ten days from the service of this notice or the same will be waived.
 15 You will take further notice that said board will, on the day
 16 of, 19....., at, or as
 17 soon thereafter as possible, proceed to determine all objections to said
 18 change and all damages caused thereby and will, in case such objec-
 19 tions are overruled and the damages awarded be not excessive, estab-
 20 lish said change.

SEC. 2834. Abandonment of highway—notice to owner affected.

1 The foregoing provision with reference to changes in the high-

 3 part of a highway already established, but if it be proposed to abandon
 4 any part of a highway already established, notice shall be served as
 5 herein provided; upon the said record owners as aforesaid through

 4 and those established by the joint action of boards of supervisors of
 5 two or more counties can be altered or discontinued only by the joint
 6 action of the boards of the counties in which situated. Subject to
 7 these provisions, they shall be in all other respects treated, managed
 8 and controlled as provided in this title. The term "road" as used in

1 When, by reason of the loss or destruction of the field notes of
 2 the original survey, or of defective surveys or record, or of numerous
 3 alterations since the original survey, the location of any road can not

4 be accurately determined, the board of the proper county may cause
5 it to be resurveyed, platted and recorded, as hereinafter provided.

1 A copy of the field notes, together with the plat of any road sur-
2 veyed under the provisions of the preceding section, shall be filed in
3 the office of the county auditor, and thereupon he shall give notice,
4 in some newspaper published within the county, that at some term of
5 the board therein named, not less than twenty days from the publi-
6 cation, it will, unless good cause be shown against so doing, approve
7 of such survey and plat, and order them to be recorded as in cases

SEC. 2839. Proceedings—record.

1 In case objection shall be made by any person claiming to be
2 injured by the survey so made, the board shall have power to hear
3 and determine the matter, and may, if thought advisable, order a
4 change to be made in the survey. If, upon the final determination,
5 the board shall find said survey is correct, it shall approve the same,
6 and cause the field notes and plat thereof to be recorded as in case
7 of the establishment or alteration of roads, and thereafter such records
8 shall be received by all courts as conclusive proof of its establishment
9 according to such survey and plat.

[R., '60, § 915; C., '73, § 966; C., '97, § 1520.]

SEC. 2840. Road plat book.

1 If the same has not been heretofore done, the county auditor shall
2 cause every road in his county, the legal existence of which is shown
3 by the records and files in his office, to be platted in a book to be
4 obtained and kept for that purpose and known as the "road plat book".
5 Each township shall be platted separately, on a scale of not less than
6 four inches to the mile, and such auditor shall have all changes in or
7 additions to the roads legally established immediately entered upon
8 said plat book, with appropriate references to the files in which the
9 papers relating to the same may be found. The auditor shall, from
10 time to time, notify the clerk of each township of all changes made
11 in the roads thereof, and on receipt of such notice he shall immediately
12 make corresponding changes on the highway plat book in his office,
13 and shall, in case such plat book is lost or is found to be substantially
14 inaccurate, procure a new one, or cause corrections to be made, at

CHAPTER 2.

DRAINAGE OF HIGHWAYS.

SECTION 2842. Drainage of highways—survey and report.

1 When in the opinion of the board of supervisors it is necessary
2 to drain any part of any public highway under its jurisdiction and
3 the land abutting upon or adjacent thereto in order that said high-
4 way may be preserved and improved, and made more convenient,
5 it may direct the county engineer to make a survey and report on any
6 part of said highway. In directing the engineer to make such survey
7 the board shall specify in a general way what highway or part thereof
8 they desire surveyed for the purpose of draining the same.

[S. S., '15, § 1989-b.]

SEC. 2843. Survey — what it may include — names of landown- ers—plans.

1 Upon receiving such direction the county engineer shall make a
2 survey and report. He shall not be confined to the exact locality
3 included in the direction of the board of supervisors. His survey and
4 report may include any portion of the county road system or any por-
5 tion of the township road system, or may include a portion of each
6 of said systems. He shall include in his report a specific designation
7 of such drainage district as in his opinion is necessary to be estab-
8 lished in order to better preserve and improve said highway and to
9 render the same of greater use and convenience. The report shall
10 be made at the earliest reasonable time, and if his report recommends
11 the establishment of a drainage district, it shall also include the names
12 of the owners of all land situated within said district, as shown by
13 the transfer books in the office of the county auditor. Said report
14 shall also include the plans and specifications for doing the work rec-
15 ommended and the estimated cost thereof.

[S. S., '15, § 1989-b1.]

SEC. 2844. Notice—objections—damages—waiver.

1 Upon the filing of said report, plans and specifications, the board
2 of supervisors shall, if they deem it advisable to further proceed in
3 said matter, cause notice to be given as hereinafter provided of their
4 intention to establish such highway drainage district and of the report
5 of the highway engineer thereon, and that they will at a specified time
6 and place, hold a hearing for the purpose of determining the amount
7 of damages which shall be allowed by reason of the construction of
8 such highway drainage improvement and the advisability of estab-
9 lishing such drainage district, and that all objections to the establish-
10 ment of such district and all claims for damages occasioned by the

11 construction of such improvements, must be filed with the county au-
 12 ditor not less than five days before said hearing or the same will be
 13 waived.

[S. S., '15, § 1989-b2.]

SEC. 2845. Notice—how given.

1 The notice herein provided for shall be given by publishing said
 2 notice once each week for two consecutive weeks in one or more of the
 3 papers of the county, the last of said publications to be not less than
 4 ten days prior to said hearing.

[S. S., '15, § 1989-b3; 37 G. A., ch. 161, § 1.]

SEC. 2846. Determinations by board—adjournment—establishing district.

1 Should the board on the date fixed for such hearing be unable
 2 for any reason to hold such hearing, they may adjourn the same to a
 3 specified later date and place, of which all parties shall take notice.
 4 On such hearing the board shall first determine whether the estab-
 5 lishment of such highway drainage district will be conducive to the
 6 public convenience and to the preservation and improvement of said
 7 highway, and if they so determine they shall make such determination
 8 of record and shall thereupon proceed to a determination of the
 9 amount of damages to be allowed by reason of the construction of
 10 such highway drainage improvement. If in the opinion of said board,
 11 the damages so allowed are not excessive, they may establish such
 12 district.

[S. S., '15, § 1989-b4.]

**SEC. 2847. Commission—apportionment of cost—county, town-
 ship and district to share costs—costs how paid.**

1 If such district is established, the board of supervisors shall
 2 appoint the highway engineer and two other resident freeholders of
 3 the county not residing within said drainage district as a commission
 4 to determine the proportion of the cost of such improvement to be
 5 paid on account of the public highway and to assess upon the lands
 6 within such district that portion of the cost of said improvement to
 7 be paid by special assessment. Said commission shall, within ten days
 8 after being appointed, begin the examination of the lands and public
 9 highways within said district, and as soon as possible shall make a
 10 report to the board of supervisors; first, as to the amount, if any,
 11 which should be paid by the county on account of the county road
 12 system; second, the amount, if any, which should be paid by the town-
 13 ship or townships on account of the township road system, and third,
 14 the amount, if any, which each forty-acre tract or less within said
 15 district shall pay. In making such apportionment the commissioners
 16 shall follow the method as nearly as possible now provided for by law
 17 in assessing benefits for the construction of levees, ditches, drains and
 18 watercourses under chapter two, title fifteen. The amount fixed by
 19 said commission to be paid upon the county road system shall be pay-
 20 able out of the county road funds and the amount fixed by said com-
 21 mission to be paid upon the township road system shall be payable out
 22 of the township drainage fund. All assessments made hereunder may
 23 be paid on the installment plan as provided by section forty-eight hun-
 24 dred seventy-four.

[S. S., '15, § 1989-b5.]

SEC. 2848. Report—hearing—levy—duty of auditor—collection.

1 When the report of said commission is filed, as provided, the board
 2 of supervisors shall proceed to fix a time for hearing thereon, and
 3 shall cause notice to be served upon each person whose name appears
 4 as owner and also upon the person or persons in actual occupancy of
 5 any such land, in the time and manner provided for the establishment
 6 of a highway drainage district. Such hearing may be adjourned
 7 from time to time, of which all parties should take notice. At such
 8 hearing the board shall have the power to confirm such assessments
 9 or to modify the same, as in their judgment may seem just and equi-
 10 table, and upon the final determination of the respective amounts shall
 11 levy and assess the amount to be paid on account of the county road
 12 system to the county; that part to be paid on account of the township
 13 road system to the township or townships and the remainder upon
 14 the lands within said districts, and the county auditor shall place said
 15 levy and assessment so made against the lands within said district
 16 upon the first succeeding tax books, and the same shall be collected
 17 at the same time and in the same manner as assessments are payable
 18 and collected under chapter two, title fifteen.

[S. S., '15, § 1989-b6.]

SEC. 2849. Bonds authorized.

1 Drainage bonds may be issued, as provided by section forty-eight
 2 hundred seventy-five, for account of drainage districts heretofore or
 3 hereafter organized under the provisions of sections twenty-eight hun-
 4 dred forty-two to twenty-eight hundred fifty-six, inclusive.

[38 G. A., ch. 135, § 1.]

SEC. 2850. Special assessments to be advanced.

1 The board of construction on such improvement, shall advance
 2 out of the county road fund that portion to be collected by special
 3 assessment, the amount so advanced to be replaced in said county
 4 funds as the special assessments are collected, or in lieu thereof they
 5 may issue warrants to be known as ditch warrants, said warrants to
 6 draw six per cent interest per annum, payable annually, from the
 7 date of issue and to be paid out of the special assessments levied there-
 8 for when the same are collected.

[S. S., '15, § 1989-b7; 38 G. A., ch. 30, § 1.]

SEC. 2851. Appeals — how taken — how tried — abandonment of plan.

1 Any person aggrieved by the decision of the board of supervisors
 2 in establishing said highway drainage district or in the fixing of
 3 amount of damages allowed to anyone by reason of the taking of land
 4 for the construction of said improvement, or in the amount assessed
 5 on said lands, shall have the right to appeal to the district court in
 6 the same manner in which appeals are now taken under chapter two,
 7 title fifteen. All appeals shall be tried at the first succeeding term
 8 of court in said county after the taking of said appeal, provided either
 9 party demands such trial, unless for sufficient cause the cause is con-
 10 tinued by the court. The appeal to the district court from the estab-
 11 lishment of said drainage district or from the order fixing the
 12 assessments, shall be tried in equity. An appeal from any award of
 13 damages shall be tried at law. Should the amount of damages for

14 the taking of land aforesaid as determined in the district court, be
 15 adjudged by the board of supervisors to be excessive, they shall pro-
 16 ceed no farther in carrying out said improvement.

[S. S., '15, § 1989-b8.]

SEC. 2852. Townships not within district may contribute.

1 The township trustees of any township, whether any portion of
 2 the lands of said township are within said drainage district or not,
 3 shall have the right to contribute to such improvement such sum out
 4 of the township road funds as may appear to them to be equitable.

[S. S., '15, § 1989-b9.]

SEC. 2853. Costs in case of abandonment.

1 After the coming in of said engineer's report, if said proceedings
 2 are dismissed or said improvement be abandoned, any costs of such
 3 proceeding up to the time of dismissal or abandonment, shall be paid
 4 out of the county fund.

[S. S., '15, § 1989-b10; 38 G. A., ch. 29, § 1.]

SEC. 2854. Engineering costs not included.

1 Improvements herein contemplated shall be constructed by the
 2 board of supervisors under the supervision and expert knowledge of
 3 the county engineer, and no charge for the services of the county engi-
 4 neer shall be included in the cost of such improvement.

[S. S., '15, § 1989-b11.]

SEC. 2855. Deficit—how paid.

1 Should the cost of constructing the improvement herein provided
 2 for be in excess of the total amount received from the board of super-
 3 visors and from the township trustees and the amount realized from
 4 special assessments, the board of supervisors shall make a new assess-
 5 ment to cover the unpaid balance of the said cost, using as a basis
 6 for such reassessment the same percentages as were used by the com-
 7 mission in making the first assessment and shall make an additional
 8 levy on the lands within said district in accordance with such reassess-
 9 ment, and the additional amount thus charged against the county road
 10 system or the township road system shall be paid out of the same
 11 funds as was the original assessment.

[S. S., '15, § 1989-b12.]

SEC. 2856. Maintenance.

1 The improvement, when completed, shall remain under the juris-
 2 diction of the board whose duty it shall be to keep the same in repair
 3 and for such purpose shall make additional appropriations from the
 4 county road funds and additional levies in the same proportion as
 5 originally determined.

[S. S., '15, § 1989-b13.]

**SEC. 2857. Drainage of highways — outlet through private prop-
 erty.**

1 Whenever the township trustees of any township or townships
 2 shall desire to drain any highway within or under the jurisdiction of
 3 such trustees, and it becomes necessary to cross the lands of a private

4 owner or owners to obtain a proper outlet and the trustees can not
 5 agree with the owner or owners of such land as to how, where and
 6 upon what terms such drain may be constructed, such trustees may
 7 file in the office of the county auditor a petition describing the highway
 8 to be drained and the lands necessary to be crossed to obtain a proper
 9 outlet, the starting point, route and terminus of the desired drain, as
 10 near as may be, and asking the establishment of such drain.

11 Upon the filing of such petition the county auditor shall appoint
 12 a commissioner, who shall be a competent engineer, and place a copy
 13 of the petition in his hands and he shall proceed to survey the pro-
 14 posed ditch or drain along the route described in the petition, or other
 15 route if found more practicable or feasible, and shall return a plat
 16 and profile thereof to the county auditor, and his return shall set forth
 17 a full and detailed description thereof, its size, dimensions, whether
 18 it will require a covered or open drain, its availability, necessity and
 19 probable cost, with a description of each tract of land or lot owned
 20 by different persons through which or abutting upon which the drain
 21 is proposed to be located and such other facts and recommendations
 22 as he may deem material; and he shall also apportion among the sev-
 23 eral townships, if more than one, the ratio of the cost of construction
 24 and expenses that shall be borne by each township.

25 After the filing of such report the further proceedings shall be
 26 the same as provided in chapter one hereof in relation to the estab-
 27 lishment of highways, except that the costs, expenses and damages
 28 shall be paid by the township trustees from the road fund of such
 29 township or townships, or from the county road fund, or partly from
 30 each of said funds, as the board of supervisors may determine.

31 If the board of supervisors shall establish such drain, the same
 32 shall be constructed by the board of supervisors in the same manner
 33 that other county work is done, and the cost thereof shall be paid from
 34 the road fund of such township or townships, or from the county road
 35 fund, or partly from each of said funds, as the board of supervisors
 36 may direct, or the township trustees having jurisdiction over said
 37 highway shall have the right, if they deem advisable, to petition for
 38 the establishment of a drainage district including therein said high-
 39 way, and said petition shall be considered and acted upon and pro-
 40 ceedings had thereunder in all respects the same as provided where
 41 petition is signed by one or more of the landowners whose lands would
 42 be affected by or assessed for the expenses of the proposed improve-
 43 ments.

[S., '13, § 1989-a43.]

CHAPTER 4.

STATE ROADS.

SECTION 2861. Roads adjoining state lands—how maintained.

1 All roads and highways within and adjacent to lands belonging
 2 to the state, including those under the supervision of the state board
 3 of education, shall constitute a separate road district under the con-
 4 trol and supervision of the supervisor appointed by the board of con-
 5 trol of state institutions with all the powers, duties and responsibilities
 6 imposed upon road superintendents who shall require all able-bodied
 7 males, other than inmates of state institutions, residing within such
 8 road district, to perform the labor required by the provisions of sec-
 9 tions twenty-nine hundred ninety-eight, twenty-nine hundred ninety-
 10 nine and thirty hundred, upon the roads of the district within the
 11 counties where such persons reside. The supervisor shall make a
 12 report to the board of control under the provisions of section twenty-
 13 nine hundred ninety-four, so far as applicable. If it appears from
 14 such report that any person has failed to perform the two days' labor
 15 required, or any part thereof, and that the supervisor has neglected
 16 to collect the amount of money required to be paid in case of such
 17 default, the board of control shall certify the name of such person
 18 and the amount due from such person to the county auditor of the
 19 county where such person resides, who shall enter the amount on the
 20 property tax list as against such person and the treasurer of the

 27 tax, either in money collected or in labor, shall be paid out of any
 28 general funds in the hands of the state treasurer not otherwise appro-
 29 priated, upon warrants drawn by the state auditor after certificate of
 30 amount due shall have been filed in his office by the board of control;
 31 provided, however, that the expenditure of state funds for paving
 32 shall be subject to the approval of the executive council.

[C., '97, § 1532; S., '13, § 1532; 37 G. A., ch. 421, § 1.]

SEC. 2862. Consent to street improvements.

1 Whenever in the improvements of the streets and alleys abutting
 2 property owned by the state of Iowa in cities of the first class, includ-
 3 ing cities acting under the commission plan of government and includ-
 4 ing cities acting under special charter, it requires the joint action of

5 the city and the state to make and complete such improvement, the
 6 executive council is empowered and authorized, when in its judgment
 7 it is advisable and proper and to the best interest of the state, to con-
 8 sent to the making of such improvements and to contract and pay
 9 for such portion thereof as in its judgment may be equitable and just.
 10 Such contracts shall be made and drawn as provided in chapter seven
 11 of title two of the supplement to the code, nineteen hundred seven,
 12 and warrants drawn for the payment of such improvements so author-
 13 ized by the council shall be paid out of any funds in the treasury, not
 14 otherwise appropriated.

[S., '13, § 170-k.]

Note.—Chapter 7, Title II, S. 1907, contains a large number of sections having no reference to contracts. It has been deemed advisable to leave the above reference without change.

SEC. 2863. Improving or paving roads adjoining state lands.

1 Whenever any city or county is improving, draining, oiling, pav-
 2 ing or otherwise hard surfacing any road which extends through any
 3 property owned by the state, and under control of the board of edu-
 4 cation or state board of control, the said property shall be and is
 5 hereby made subject to the cost thereof, except any other special
 6 assessments that may be assessed against property within the assess-
 7 ment district. Whenever abutting or adjacent property is owned by
 8 the state said property shall be subject to the cost of one-half of
 9 seventy-five per cent of the cost of said hard surfacing, grading or
 10 oiling together with its proportional share of the special assessment
 11 within the assessment district.

[38 G. A., ch. 400, § 1.]

SEC. 2864. Cost—appropriation.

1 There is hereby appropriated for the payment of said cost as
 2 stated in section twenty-eight hundred sixty-three, the funds neces-
 3 sary to pay for the same, to be paid out of any money in the state
 4 treasury not otherwise appropriated, when or as the improvement
 5 may be completed and accepted by the authorities duly authorized.

[38 G. A., ch. 400, § 2.]

CHAPTER 5.

COUNTY ROAD, BRIDGE AND CULVERT SYSTEM.

SECTION 2865. County road and drainage funds—how levied and paid out.

1 The board of supervisors of each county shall, at the time of
 2 levying taxes for other purposes, levy a tax of not more than one mill
 3 on the dollar of the assessed value of the taxable properties in its
 4 county, including all taxable property in municipalities, which shall
 5 be collected at the same time and in the same manner as other taxes
 6 and be known as the county road fund and be paid out only on the
 7 order of the board of supervisors for the purchase of road tools or
 8 machinery or for work done on the roads in the county in such places
 9 as it shall determine; provided that on written petition of a majority
 10 of the electors who are freeholders of any township in any county the

11 board of supervisors may levy an additional mill in said township to
 12 be expended by said board of supervisors on roads in the township
 13 where the same is levied; provided, further, that the board of super-
 14 visors of any county may levy an additional tax of not more than one
 15 mill on the dollar of the taxable property in the county, including all
 16 taxable property in cities and incorporated towns outside the limits
 17 of cities of the first class and cities acting under special charter, which
 18 tax shall be collected at the same time and in the same manner as other
 19 taxes and be known as the county drainage fund and be paid out only
 20 on the order of the board for drainage of highways and paying drain-
 21 age assessments heretofore levied for benefits to highways in the
 22 county or that may hereafter be levied for such purposes. One-half
 23 of the county road fund arising from the property within any munici-
 24 pality shall be paid over by the county treasurer to the treasurer of
 25 the municipality in the same manner as other municipal taxes and
 26 shall be expended on the roads or streets within such municipality by
 27 and under the direction of the council or commission. The county
 28 treasurer shall receive the same compensation for collecting this tax
 29 as he does for collecting corporation taxes, except as hereinafter pro-
 30 vided. Moneys so collected shall not be transferable to any other
 31 fund nor used for any other purpose. The board of supervisors shall
 32 levy such additional sum for the benefit of such township as shall
 33 have certified a desire for such additional levy as provided for in sec-
 34 tion twenty-nine hundred seventy.

[C., '97, § 1530; S., '13, § 1530.]

SEC. 2866. Portion due municipality—how expended.

1 The administrative bodies of such municipalities shall have au-
 2 thority to appropriate out of the fund arising from such tax, the
 3 whole or any part thereof, for the improvement of roads outside of
 4 the limits of their municipality where the board of supervisors are
 5 making improvements on such roads, in which case the amount of such
 6 appropriation shall be paid over to the treasurer of the county for
 7 such specific improvement and disbursed by the board of supervisors.
 8 If expended by the administrative body of the municipality it shall
 9 be expended upon that part of the roads within its limits which are
 10 reserved and used for traveling purposes and only upon such roads
 11 as are a continuation of country roads which are main arteries of
 12 travel, and one-half of the road fund collected within the municipality
 13 and retained for disbursement by the board of supervisors shall be
 14 by them used on such roads as are main arteries of travel immediately
 15 tributary to the municipality for which such tax has been collected.
 16 Nothing herein contained shall prevent the board of supervisors from
 17 paying over to the treasurer of the municipality the whole or any
 18 part of said tax raised within such municipality to be expended by

SEC. 2871. Expenditure of bridge fund on highways.

1 Whenever any county in the state is free from debt, and has a
 2 surplus in its bridge fund, after providing for the necessary repairs
 3 of bridges in said county, the board of supervisors may, out of such
 4 surplus, make improvements upon the highways, upon the petition of
 5 one-third of the resident freeholders of any township in said county;
 6 but in no case shall they be authorized to run the county in debt for
 7 such improvement of the highways; and whenever they shall make
 8 such improvements, they shall let the work by contract to the lowest
 9 responsible bidder, after having advertised for proposals, in some
 10 newspaper printed in the county, for not less than fourteen days pre-
 11 vious to the letting of said contract.

[C., '97, § 429.]

SEC. 2872. Engineers — compensation — discharge — highway systems defined—corporate line highways—how improved—bridge and culvert system—scope—state line highways.

1 The board of supervisors of each county shall employ a competent
 2 engineer or engineers for such length of time, not exceeding one year,
 3 and at such compensation, to be paid out of the county funds, as may
 4 be fixed by the board of supervisors. Said engineer or engineers
 5 shall work under the direction and instructions of the board of super-
 6 visors in the performance of the duties hereinafter provided, and each

7 shall give bond for the faithful performance of his duties in a sum
8 not less than one thousand dollars, nor more than five thousand dol-
9 lars. The tenure of office of any engineer may be terminated by the
10 board of supervisors for cause or by the state highway commission
11 for incompetency. The highways now designated as county roads by
12 the plans and records now on file in the county auditor's office of each
13 county and all county highways from time to time added thereto,
14 shall be known as the county road system. All other highways in
15 the county shall be known as the township road system. The system
16 of road construction herein provided shall apply only to highways
17 outside of the limits of cities and towns; provided, however, that
18 whenever any public highway, located along the corporate line of any
19 city or town, is partly within said city or town and partly without the
20 same, the said highway or any part thereof, may be included in and
21 made a part of the county road system, and when so included it may
22 be improved by the board of supervisors as are other parts of the
23 county road system. The system of bridge and culvert work herein
24 provided for shall apply to all highways throughout the county out-
25 side of the limits of cities of the first class; provided, however, that
26 when any part of any public highway located along the corporate line
27 of a city of the first class is included in the county road system, as
28 herein provided, the board of supervisors and the city council shall
29 meet jointly and adopt plans and specifications with the approval of
30 the highway commission for the construction of bridges and culverts,
31 one-half of the cost of the same to be paid by the city and one-half
32 by the county, and in case the city council and the board of super-
33 visors are unable to agree upon any question or questions involved
34 in the construction of the same it shall be referred to the state high-
35 way commission, whose decision therein shall be final and binding
36 upon each party.

37 In matters involving highway improvements upon or across state
38 lines or in determining continuous routes for interstate roads, the state
39 highway commission shall be authorized to confer with authorities
40 of bordering states and to agree upon proper connections or plans and
41 the apportionment of cost of such improvements.

[S. S., '15, § 1527-s3.]

**SEC. 2873. Maps of county roads—petition for change—forward-
ing to commission.**

1 As soon as said county roads are so designated, the board of
2 supervisors shall cause said county roads to be plainly marked on a
3 map, to be furnished by the state highway commission. Said map,
4 after being so marked, shall be deposited with the county auditor, and
5 shall be open to public inspection. At once, upon filing said map, the
6 county auditor shall fix a date of hearing thereon, which shall not be
7 more than twenty days distant from the date of filing same; and ten
8 days' notice of the filing of said map with the county auditor and the
9 date of hearing fixed, shall be published in one issue of each of the
10 official county papers. At any time before said hearing is concluded,
11 any ten freeholders of the county may file a petition with the county
12 auditor, asking for any change in said designated roads which may
13 be deemed advisable, which petition shall set forth their reasons for
14 the proposed change, and shall be accompanied by a plat correctly
15 showing such proposed change. If no agreement is reached between
16 the county board and the petitioners at the hearing above provided

17 for, the county auditor shall forward said map, together with all peti-
 18 tions and plats, if any, showing the proposed changes, to the state
 19 highway commission. If no objections are filed and no hearing had,
 20 or if agreements have been reached, the map shall nevertheless be
 21 forwarded to the state highway commission.

[S., '13, § 1527-s4.]

SEC. 2874. Approval by commission—return to auditor.

1 The state highway commission shall, upon receipt of said maps,
 2 petitions and plats, proceed to examine the same, with a view of deter-
 3 mining the correct lines to be followed by the county highway, having
 4 regard for volume of traffic, continuity and cost of construction. Such
 5 portions of said map as meet with the approval of said commission
 6 may be approved and returned as a preliminary map for immediate
 7 use and the original map, when completed in accordance with the deci-
 8 sions of said commission (which decisions shall be final), shall be
 9 returned to the county auditor not later than March first, nineteen
 10 hundred fourteen, and a copy of same retained in the office of the
 11 highway commission. Provided that the board of supervisors of any
 12 county may at any time make application to the said commission for
 13 a change or modification of the established county road system when
 14 such change is proposed for the purpose of eliminating from such
 15 road dangerous crossings or curves, or when such change would mater-
 16 ially decrease the cost of improving or maintaining the road, and
 17 in such case the commission may reopen such matter and authorize
 18 such change as may seem advisable.

[S. S., '15, § 1527-s5.]

SEC. 2875. Failure to designate — commission shall act — cost charged to county.

1 Should any county fail to make the designation of county roads,
 2 as herein provided, and fail to forward the same to the state highway
 3 commission within the time herein provided, said commission shall
 4 have the power to make a proper designation of said county roads
 5 for said county, and the designation so made shall be final and of the
 6 same force and effect as if made by the board of supervisors, and
 7 when so made by the commission, said commission shall certify to
 8 the county auditor of said county the actual cost of making said desig-
 9 nation, and said county auditor shall thereupon issue warrant on the
 10 county road funds therefor.

[S., '13, § 1527-s6.]

SEC. 2876. Division of roads by engineer—survey and report—county road book—reports—witness corners.

1 As soon as any part of said approved map is returned to the
 2 county auditor, showing the final designation of county roads, the
 3 engineer shall, in writing, divide said roads into sections, designating
 4 each section by some appropriate number, name or letter and clearly
 5 designating the starting point and terminus of each such section, and
 6 such designation shall be recorded at length in a county road book,
 7 whereupon the engineer shall proceed to survey said roads and report
 8 to the board of supervisors the plan for the road, bridge, tile and cul-
 9 vert work thereon. Such survey and report shall be on the basis and
 10 with the object in view of the permanent improvement of said county

11 roads, both as to bridge, culvert, tile and road work. Said survey
 12 and report shall consist of an accurate plan and profile of said roads,
 13 showing cuts and fills and outline of grades, with careful attention
 14 to surface, and lateral drainage and subdrainage, and shall show the
 15 location of all lines of tile and size thereof and of all bridges and
 16 culverts, their length, height and width, and foundation soundings,
 17 and an estimate of the watershed relating to each bridge and culvert.
 18 Culverts constructed under the provisions of this act [35 G. A., ch.
 19 122] shall have a clear roadway of not less than twenty feet. Proper
 20 bench marks shall be established on each permanent bridge and cul-
 21 vert, which shall be duly recorded on both profile and plan of road,
 22 for future reference. The engineer shall clearly designate and credit
 23 on said plan and profile all existing permanent bridges, culverts and
 24 grades. The board may cause all sections to be fully surveyed and
 25 a report made thereon before proceeding with the improvement con-
 26 templated by this act [35 G. A., ch. 122], or, in order to enable the
 27 board to proceed with the most necessary and urgent work, said board
 28 may designate the order in which the different sections shall be sur-
 29 veyed and planned, and may order the engineer to survey and report
 30 on certain named sections before completing the survey and report on
 31 all sections. Whenever it may become necessary in grading the high-
 32 ways to make a cut which will disturb or destroy, or a fill which will
 33 cover up a government or other established corner, it shall be the
 34 duty of the engineer to establish permanent witness corners, and make
 35 a record of the same, which shall show the distance and direction the
 36 witness corner is from the corner disturbed or covered up. When said
 37 construction work is completed the engineer shall permanently reestab-
 38 lish said corner. A failure to perform these duties by the engineer,
 39 or the removal, destruction or covering up of any government or other
 40 established corner is hereby declared to be unlawful and shall subject
 41 the person responsible therefor to a fine of not less than ten dollars or
 42 more than fifty dollars, recoverable on the bond of such person if an
 43 officer. This section shall not be deemed to repeal section eighty-seven
 44 hundred twenty-nine.

[S., '13, § 1527-s7; 38 G. A., ch. 405, § 1.]

**SEC. 2877. Surveys and reports—submission to and approval by
 commission—supervisors to maintain bridges and culverts—
 trustees to grade and fill—road funds consolidated—township
 funds—how employed.**

1 The survey and report of each section, as soon as completed and
 2 approved by the board of supervisors, shall be submitted to the state
 3 highway commission, and the board of supervisors may designate to
 4 the said commission what sections, in their estimation, should be first
 5 passed upon by said state highway commission. The said commis-
 6 sion is hereby charged with the duty of passing upon such reports
 7 and plans, and in so doing, shall take into consideration the thorough-
 8 ness, feasibility and practicability of such plans, and may approve
 9 or modify the same. After such survey and plan for each section is
 10 passed upon by the state highway commission, they shall be returned
 11 to the county auditor with full and explicit directions as to modifica-
 12 tions, if there be any. The county auditor shall, upon receipt of the
 13 approved and modified survey and plans, record the same at length
 14 in a county road book, and the board of supervisors shall thereupon
 15 proceed to the construction of the road, bridge, tile and culvert work

16 in accordance therewith, and as herein provided. The duty to con-
 17 struct and maintain all bridges and permanent culverts throughout
 18 the county is imposed upon the board of supervisors. All culverts
 19 and bridges shall be paid for out of the county bridge fund. Where
 20 conditions are such as to warrant or necessitate the same, the board
 21 of supervisors shall furnish township trustees metal or other tem-
 22 porary culverts authorized by the state highway commission to be
 23 placed by them on their township road system. Said culverts to be
 24 purchased by the board of supervisors and paid for out of the county
 25 bridge fund and shall not exceed in size thirty-six inches in diameter,
 26 or its equivalent. The county, however, shall be at no expense for
 27 placing, filling or transportation of said temporary culverts other
 28 than their delivery at a railroad station to be designated by the board
 29 of supervisors. Immediately upon the completion by the board of
 30 supervisors of any bridge or culvert situated upon the township road
 31 system, or the installation of a temporary culvert furnished to the
 32 township by the board of supervisors, it shall be the duty of the town-
 33 ship trustees to properly fill over with dirt all such culverts and fill
 34 in and uniformly grade the approaches to all such bridges. Should
 35 the trustees fail for a period of two weeks after notification to make
 36 such fill, or fail to fill in and grade over such culvert, as herein pro-
 37 vided, the board of supervisors shall proceed to do so, and the engineer
 38 shall report the actual cost of so doing and such amount, not exceed-
 39 ing one hundred fifty dollars, for any such bridge or culvert, shall be
 40 certified by the board of supervisors to the county treasurer who shall
 41 transfer said amount to the county road cash fund from the first
 42 collection of road funds belonging to said township.

43 The county road fund, the county road building fund, the county
 44 drainage fund, and all other moneys received by the board of super-
 45 visors for road purposes, except as otherwise provided, shall be placed
 46 in the county road cash fund, and shall be paid out only on order of
 47 the said board of supervisors for the purchase of tools, machinery
 48 and equipment, or for tile and tiling, or for filling on culverts and
 49 bridge approaches as herein provided, or for work done on the county
 50 road system, or for the elimination of dangers at railroad crossings
 51 on both county and township roads, at the discretion of the board
 52 of supervisors on an adjustment of such dangerous conditions by nego-
 53 tiations between the railroad and the board of supervisors, or upon
 54 an order and finding of the railroad commission. All money received
 55 by the township trustees for road purposes shall be expended for and
 56 upon the township road system, or for the elimination of dangers at
 57 railroad crossings on the township roads, at the discretion of the
 58 township trustees, on an adjustment of such dangerous conditions by
 59 negotiations between the railroad company and the township trustees,
 60 or upon an order and finding of the railroad commission; provided,
 61 however, that whenever the township drag fund is exhausted, the
 62 board of township trustees may transfer to such drag fund, from the
 63 general township road fund, not otherwise appropriated, such an
 64 amount as in their judgment will best maintain the township road
 65 system.

[S. S., '15, § 1527-s8; 37 G. A., ch. 398, § 1.]

SEC. 2878. Township roads—addition to county system.

1 Whenever all the roads of the county road system have been im-
 2 proved according to the plans herein provided, the board of super-
 3 visors shall add such roads from the township road system as have

4 been improved by the township in accordance with the general plans
 5 and specifications furnished by the engineer and in accordance with
 6 the requirements of this act [35 G. A., ch. 122], and if the township
 7 roads so improved be not sufficient to use all county funds available
 8 for that purpose, the board of supervisors may select additional county
 9 roads, but no increase shall be made in the mileage of the county road
 10 system until that system is completed, except that the board of super-
 11 visors may at any time add such roads from the township road system
 12 as will materially shorten the direct lines of travel between mar-
 13 ket towns. In all cases of additions the same proceedings shall be
 14 followed in all regards as herein provided for the original selection
 15 and improvement of county roads.

[S. S., '15, § 1527-s9.]

SEC. 2879. Extension of roads to lakes.

1 The board of supervisors of any county in which there is a body
 2 of water which may be improved under the provisions of chapter
 3 seventeen, title five, is hereby authorized, at their discretion, to add
 4 to the county road system from the township roads, such roads as
 5 will make said body of water more accessible, or unite existing county
 6 roads to make a county road around a meandered lake.

[37 G. A., ch. 236, § 8.]

SEC. 2880. Other procedure excluded—designation final.

1 The procedure herein provided for the designation and selection
 2 of county roads by the board of supervisors and the approval or modifi-
 3 cation of such selection by the state highway commission, shall exclude
 4 all other procedure, and the decision of the board of supervisors and
 5 the state highway commission in the designation and selection of the
 6 county road system shall be final.

[S., '13, § 1527-s19.]

SEC. 2881. Cost—how paid—repair work—liability of auditor.

1 All bills for road work, tile and tiling, culvert and bridge con-
 2 struction or for repairs designated by the engineer, shall be filed in
 3 itemized form and certified to by the engineer before being allowed
 4 by the board and before warrants in payment therefor are drawn by
 5 the county auditor. Before any warrant shall be issued by the county
 6 auditor upon the funds of the county road system in payment for any
 7 work or construction of highways, except for dragging, maintenance
 8 or repairs not designated by the engineer, he must secure on this bill
 9 the certificate of the engineer employed by the board of supervisors,
 10 that such improvement has been made in accordance with the plans
 11 and specifications as herein provided, and when so indorsed, warrants
 12 may be drawn for the amount so certified by the county engineer;
 13 but if said engineer make said certificate when said work was not
 14 done in accordance with the plans and specifications, and same be not
 15 properly made good without additional cost, then the full cost of mak-
 16 ing same good may be recovered upon said engineer's bond, and his
 17 bond shall be liable therefor. Partial payments may be allowed by
 18 the board on contract work on the basis of the engineer's certified
 19 estimates and the percentages specified in the standard specifications
 20 of the state highway commission. Repair work shall be known as
 21 work not designated by the highway engineer, all road construction

22 work costing not in excess of sixty dollars per mile, work of a tem-
23 porary character or of immediate necessity, and work necessary to
24 maintain finished roads completed under this act [35 G. A., ch. 122].
25 A violation of this section shall render the county auditor liable on
26 his bond for the amount of said work.

[S. S., '15, § 1527-s10.]

**SEC. 2882. Standard specifications—bids—approval of commis-
sion—construction by day labor.**

1 Standard specifications for all bridges and culverts, railroad
2 overhead crossings or subways shall be furnished without cost to the
3 counties and railroad companies by the state highway commission,
4 and work shall be done in accordance therewith, and when said bridge
5 and culvert work is completed and approved a duplicate statement of
6 the cost thereof shall be filed at once with the state highway com-
7 mission by the county auditor. All culverts and bridge construction,
8 tile and tiling and repair work or materials therefor, of which the
9 engineer's estimated cost shall be one thousand dollars or less, may
10 be advertised and let at a public letting, or may be let privately at a
11 cost not to exceed the engineer's estimate, or may be built by day
12 labor. All culvert and bridge construction, grading, tile and tiling
13 and repair work, or materials therefor of which the engineer's esti-
14 mated cost shall exceed one thousand dollars shall be advertised and
15 let at a public letting, provided, that the board shall have the power
16 to reject all bids, in which event they may readvertise, or let privately
17 by submitting contract to the state highway commission for approval,
18 or build by day labor, at a cost not to exceed the lowest bid received.
19 All bids received shall be publicly opened, at the time and place speci-
20 fied in the advertisement, and shall be recorded in detail, in a book
21 kept for that purpose, by the county auditor; said book shall at all
22 times be open to the public for inspection. Any proposed contract
23 which shall exceed the sum of two thousand dollars for any one bridge
24 or culvert, or repairs thereon, shall be first approved by the state high-
25 way commission before the same shall be effective as a contract. Be-
26 fore beginning the construction of any permanent bridge or culvert
27 by day labor or by contract, the plans, specifications, estimate of
28 drainage area, estimates of cost and their specific location shall be
29 filed in the county auditor's office by the engineer. Bridges erected
30 over drainage ditches shall, where necessary, be so constructed to
31 allow the superstructure to be removed for cleaning said ditches with
32 as little damage to the removal and permanent parts of said bridge
33 as practicable. On completion, a detailed statement of cost, and of
34 any additions or alterations to the plans shall be added to the above
35 records by the engineer, all of which shall be retained in the county
36 auditor's office as permanent records, and when said work is com-
37 pleted and approved, a duplicate statement of the cost thereof shall
38 be filed at once with the state highway commission by the county au-
39 ditor. The board of supervisors may authorize the county auditor to
40 draw warrants for the amount of pay rolls for labor furnished under
41 the day labor system, when said pay rolls are certified to by the engi-
42 neer in charge of the work. Said bills shall be passed upon by the
43 board at the first meeting following said payment.

[S. S., '15, § 1527-s11.]

SEC. 2883. Plans—specifications—approval.

1 In all cases wherein plans, specifications and profiles are sub-
 2 mitted to the state highway commission, proposing and setting forth
 3 the plans and specifications for improving any portion of a road sys-
 4 tem, if, except as to cuts, fills, and decreases in inclines, such plans
 5 and specifications meet with the approval of the state highway com-
 6 mission, the said commission shall not refuse to approve such plans
 7 and specifications in full if the proposed cuts, fills, or decreases in
 8 inclines set forth in such plans propose to decrease the hills or inclines
 9 at least twenty per cent of the existing incline.

[S. S., '15, § 1527-s21a.]

SEC. 2884. Repair and dragging of county road system—interest in contracts prohibited.

1 The county board of supervisors and the engineer are charged
 2 with the duty of repairing and dragging the county road system as
 3 is required to keep same in proper condition, and shall adopt such
 4 methods as are necessary to maintain continuously, in the best con-
 5 dition practicable, the entire mileage of this system. No member of
 6 the highway commission, their deputies or assistants, or any other
 7 person in the employ of the commission, no county supervisor, town-
 8 ship trustee, county engineer, road superintendent or any person in
 9 their employ or one holding an appointment under them, shall be,
 10 either directly or indirectly, interested in any contract for the con-
 11 struction or building of any bridge or bridges, culvert or culverts
 12 or any improvement of any road or parts of road coming under the
 13 provisions of this act [35 G. A., ch. 122].

[S., '13, § 1527-s15.]

SEC. 2885. Contractors' bonds—limitation of action.

1 The board of supervisors shall require all contractors to give a
 2 bond for the faithful performance of the contract, in such sum as the
 3 board of supervisors may deem necessary. The surety on any bond
 4 given to guarantee the faithful performance and execution of any
 5 work shall be deemed and held, any contract to the contrary notwith-
 6 standing, to consent without notice:

7 1. To any extension of time to the contractor in which to perform
 8 the contract when each particular extension does not exceed sixty
 9 days.

10 2. To any change in the plans, specifications or contract when
 11 such change does not involve an increase of more than twenty per
 12 cent of the total contract price, and shall then be released only as to
 13 such excess increase.

14 No contract shall be valid which seeks to limit the time to less
 15 than five years in which an action may be brought upon the bond
 16 covering concrete work nor to less than one year upon the bond
 17 covering other work.

[S., '13, § 1527-s18.]

SEC. 2886. Engineers and assistants to file itemized account.

1 All county engineers, employed in drainage or road work for the
 2 county or any drainage district, and all their assistants engaged in
 3 such work, shall file an itemized and verified account, before the board
 4 of supervisors, stating the time actually employed each day, the place

5 where such work was done, the character of the work done, and also
6 file vouchers for any expense, with such account.

[S. S., '15, § 1527-s21b.]

SEC. 2887. Penalty for false oath.

2 the person filing the same to the pains and penalties of perjury.

[S. S., '15, § 1527-s21c.]

SEC. 2888. Gravel and material for road improvement—counties.

1 The board of supervisors of any county is hereby authorized and
2 empowered within the limits of such county and without the limits
3 of any city or town, to procure, purchase or condemn, enter upon and
4 take any lands, not to exceed five acres in any one place, for the pur-
5 pose of obtaining gravel or other suitable material with which to
6 improve the roads and highways of such county including a sufficient
7 roadway to such land by the most reasonable route, and to pay for
8 the same out of the county road funds, and it shall be the duty of
9 the board of supervisors of each county, where such material can be
10 found within the county as herein provided, to procure, purchase or
11 condemn such tracts so that no part of the county shall be more than
12 six miles distant from land where such material can be obtained for
13 highway purposes; provided, however, that the board of supervisors
14 shall not be required to purchase such land, but may procure the road
15 material at any place within or without the county when the com-
16 bined cost of obtaining and hauling the same is not greater than the
17 cost would be by condemnation proceedings under this section.

[S., '13, § 2024-i.]

SEC. 2889. Township trustees may use.

1 The township trustees of any township in such county shall have
2 the right to enter upon, take and use any such land, gravel or

[S., '13, § 2024-i2.]

SEC. 2891. Nonfeasance—removal.

1 In case the board of supervisors of any county shall fail, neglect
2 or refuse to perform the duty imposed upon them by section twenty-
3 eight hundred eighty-eight, the members thereof shall be subject to

4 removal from office for failure to perform their duty as provided by
5 sections six hundred forty-nine to six hundred fifty-six, inclusive.

[S., '13, § 2024-i3.]

SEC. 2892. Apportionment of work by supervisors.

1 The boards of supervisors of the various counties of the state of
2 Iowa bordering upon the state line are hereby authorized to meet the
3 authorities in control and charge of the public highways in the
4 adjoining counties of other states and agree upon and assign the por-
5 tion or part of each public highway upon the state line between such
6 states to be kept in repair by the authorities in the state of Iowa and
7 such other states.

[S., '13, § 1570-a.]

SEC. 2893. Road, bridge and culvert construction—authorization.

1 In all matters involving road, bridge or culvert construction,
2 reconstruction or repair upon or across county lines, or in determining
3 continuous routes between, or along, the boundaries of counties, the
4 state highway commission is authorized and directed to confer with
5 and, if possible, to bring about an agreement between local authori-
6 ties or the counties involved as to the proper plans and specifications,
7 division of costs or connections.

8 In the event that an agreement can not be reached between
9 adjoining counties on the location, plans and specifications, or division
10 of costs for the construction, reconstruction or repair of such highway
11 improvements, any county interested may appeal in writing to the
12 state highway commission. The commission on receipt of such appeal
13 shall give notice in writing, directed to the auditor of counties inter-
14 ested, of the day and place of hearing thereon, to be held not less
15 than ten days from the date of such service. On said date and after
16 a full hearing of all the facts offered by the counties interested, the
17 state highway commission shall have full power to determine the
18 location, plans and specifications, or division costs for the construction,
19 reconstruction or repair of such highway improvements between the
20 counties directly benefited; and shall certify their decision to said
21 county auditors. Such counties shall forthwith jointly proceed with
22 the improvement under the provisions governing like improvements
23 wholly within the counties.

[38 G. A., ch. 320, § 1.]

SEC. 2894. Appropriations for county bridges—limitations.

1 The board of supervisors of any county having a population of
2 fifteen thousand or less may appropriate for the construction of any
3 one bridge within the limits of such county, a sum not to exceed
4 twenty-five thousand dollars, and may appropriate for the construc-
5 tion of any one bridge on the line between such county and another
6 county of this state or between such county and another state, a sum
7 not to exceed fifteen thousand dollars.

8 In any county having a population of fifteen thousand or more,
9 said board may appropriate as aforesaid, not to exceed thirty-five
10 thousand dollars for any one bridge within such county, and not to
11 exceed twenty thousand dollars for the construction of any one bridge

12 on the line between such county and another county within this state
 13 or on the line between such county and another state.

14 The term "bridge", as used in this section, shall be held to include
 15 substructure, superstructure and approaches.

[C., '73, § 303; C., '97, § 424; 38 G. A., ch. 336, § 1.]

SEC. 2895. Bridges—width.

1 Bridges erected or maintained by the public constitute parts of
 2 the road, and must not be less than sixteen feet in width.

[C., '51, § 517; R., '60, § 822; C., '73, § 1001; C., '97, § 1572.]

SEC. 2896. Bridges on county-line roads.

1 Whenever a county-line road intersects a stream of sufficient
 2 width to require a county bridge, and the point of intersection does
 3 not afford a suitable site for the construction thereof, and there is a
 4 good site for its erection wholly within one or the other of said
 5 counties, at a reasonable distance from the county line, the boards of
 6 supervisors of the respective counties to be benefited by said bridge
 7 may make the necessary appropriations for the construction and
 8 maintenance thereof, as they might do if said bridge was located on
 9 the county line.

[C., '97, § 426.]

SEC. 2897. Bridges across boundary streams—rights of county to construct.

1 Counties bordering upon streams of water which form the bound-
 2 ary lines of this state may construct and maintain foot and wagon
 3 bridges across any such stream the same as if such stream were
 4 wholly within the limits of the county constructing the same; any such
 5 county within which such bridge may be desired may unite in the con-
 6 struction and maintenance of such bridge with any adjoining state, or
 7 any county, city or other municipal subdivision within such state into
 8 which such bridge may extend; provided that in such construction
 9 and maintenance the rights of adjoining states shall in no wise be
 10 infringed.

[S., '13, § 424-a.]

SEC. 2898. Submission to electors on petition—notice—levy of tax—bonds.

1 Whenever ten per cent of the legal voters of any county named in
 2 the preceding section, as shown by the returns of the last general
 3 election, shall petition the board of supervisors of such county to sub-
 4 mit to the voters of the county at a general election the question
 5 whether such county shall be authorized to construct a bridge extend-
 6 ing from such county across the state boundary river into the adjoin-
 7 ing state, and shall also include the amount to be expended in the con-
 8 struction of such bridge, it shall be the duty of the board of super-
 9 visors to submit such question to the voters of such county at the
 10 first general election occurring not less than sixty days after the filing
 11 of such petition. Notice of the submission of such question shall be
 12 given by publishing the same for four consecutive weeks in at least
 13 three newspapers of general circulation published in such county, the
 14 last of which publications shall be at least three days and not more
 15 than ten days before the holding of such election. If a majority of

16 those voting upon the said proposition shall vote affirmatively upon
 17 the same, the board of supervisors may levy from year to year a tax,
 18 not to exceed one mill, upon all the taxable property in the county to
 19 erect said bridge; and it may also issue the bonds of the county in the
 20 manner provided by the provisions of chapter eleven, title twelve,
 21 except that said issue of bonds may be spread as to maturities over
 22 a period of twenty years; such issue shall not, however, exceed the
 23 amount authorized to be expended in the construction of such bridge.
 24 The provisions of section thirty-two hundred sixty-five shall apply to
 25 such issue of bonds and the levies for the payment of such bonds and
 26 interest shall be made under its provisions.

[S., '13, § 424-b.]

SEC. 2899. Agreement as to construction and cost—shall advertise for bids.

1 In the event that the construction of such bridge shall be author-
 2 ized as hereinbefore provided, the board of supervisors may unite with
 3 the adjoining state or any county, city, town or other municipal
 4 division thereof in an agreement for the construction of such bridge,
 5 and such agreement may fix the particular portion or part which each
 6 of the contracting parties shall erect or maintain; or it may provide
 7 the particular percentage of the construction or maintenance of such
 8 bridge which each shall pay. The contract for the construction of
 9 such bridge shall be let to the lowest responsible bidder after bids
 10 have been invited by publication for four consecutive weeks in two or
 11 more papers of general circulation, and the board of supervisors
 12 shall have the right to reject any or all bids and readvertise for bids.
 13 The county shall not, however, be liable in any event for any part of
 14 the cost of construction of such bridge, beyond the part or proportion
 15 that it has contracted with the adjoining state or municipality to bear
 16 in the construction of the same.

[S., '13, § 424-c.]

SEC. 2900. Liability for maintenance.

1 The county shall not be liable for negligence in the maintenance
 2 of such bridge, except for that part which it shall undertake to exclu-
 3 sively maintain and where there is a contract for joint maintenance
 4 of the entire structure, it shall only be liable for that part or portion
 5 which is within the boundary lines of the state of Iowa.

[S., '13, § 424-d.]

SEC. 2901. Leases for public utilities.

1 The board of supervisors may lease to any street railway the right
 2 to cross said bridge with its line of railway upon such terms and con-
 3 ditions as may be authorized by the board of supervisors and the
 4 governing body of the adjoining state or municipality interested in
 5 such bridge, but no discrimination shall be made as between street
 6 railways and all shall be permitted to use the tracks constructed upon
 7 such bridge, provided that any line desiring to use the tracks thereon
 8 shall bear its reasonable share of the cost of construction and main-
 9 tenance of such tracks. Like privileges may be leased to telegraph,
 10 telephone and electric power companies for the construction of their
 11 lines of wire across such bridges, except that a joint use of said wires
 12 shall not be exacted, and provided that any rights granted under the

13 provisions of this section to use this bridge shall not in any way impair
14 or abridge the use thereof by the public.

[S., '13, § 424-e.]

CHAPTER 6.

FEDERAL ROAD ACT.

SECTION 2902. Provisions of federal aid road act accepted.

1 The state of Iowa, through its legislature, hereby accepts the pro-
2 posal of the United States as set forth in the act of congress, approved
3 July eleventh, nineteen hundred sixteen, entitled "An act to provide
4 that the United States shall aid the states in the construction of rural
5 post roads, and for other purposes," thirty-ninth United States stat-
6 utes at large, page three hundred fifty-five, and assents to the provi-
7 sions of said act of congress. For the construction and maintenance of
8 rural post roads the good faith of the state is hereby pledged to cause
9 to be made available funds sufficient to equal the sum apportioned to
10 the state by or under the United States government during each of the
11 five years for which federal funds are appropriated by section three
12 of the said act and to maintain the roads constructed with the aid of
13 funds so appropriated, and to make adequate provisions for carrying
14 out such maintenance.

[37 G. A., ch. 249, § 1.]

SEC. 2903. State highway commission—duty to select roads.

1 The state highway commission is hereby authorized and directed,
2 as soon as may reasonably be done, to designate and select from the
3 roads which are now or hereafter may become rural post roads,
4 including a part of each of the ninety-nine counties of the state and
5 including not less than two thousand nor more than six thousand
6 miles, giving equitable consideration to the claims of each county, said
7 system to be so selected and designated as to at least meet the require-
8 ments of the federal act and a sufficient number of miles to at least
9 require the full appropriation provided for by the federal act during
10 the life of said statute. Before designating the roads of such system,
11 the state highway commission shall request the cooperation and assist-
12 ance of the boards of supervisors of the respective counties, and shall
13 give due consideration to the judgment of each of said boards in such
14 designations.

[37 G. A., ch. 249, § 2.]

SEC. 2904. Duty of highway commission.

1 The state highway commission is hereby authorized and directed
2 to enter into and complete negotiations with the secretary of agricul-
3 ture and to secure the full apportionment from the federal aid fund
4 for and on behalf of the state of Iowa and the several counties thereof,
5 and is further authorized to enter into all contracts and agreements
6 with the United States government relating to the survey, construc-
7 tion and maintenance of roads under the provisions of the said act of
8 congress, to submit such scheme or program of construction and main-
9 tenance as may be required by the secretary of agriculture, to super-

10 vise and direct the work of construction on behalf of the state of Iowa
11 and its counties, to supervise the expenditures of all funds paid out
12 on account of such work by the counties of the state, and do all other
13 things necessary fully to carry out the cooperation contemplated and
14 provided for by the said federal aid road act.

[37 G. A., ch. 249, § 3.]

SEC. 2905. Application by supervisors — project statement — plans.

1 The board of supervisors of each county of the state of Iowa is
2 hereby authorized to make application by resolution to the state high-
3 way commission for the apportionment to such county of its share of
4 the federal aid fund, indicating with particularity what portion of
5 the comprehensive system designated by the state highway commis-
6 sion in such county they desire to first improve and to clearly specify
7 the general character of the improvement which it is proposed to
8 make. The state highway commission shall act upon such application
9 promptly and, if approved, shall prepare a project statement and,
10 when funds for its construction are available, submit the same to the
11 secretary of agriculture for his approval and, if the same is approved
12 by him and conforms to the terms of the federal aid road act, then
13 the state highway commission shall prepare the plans and specifica-
14 tions for such improvement, or shall cause same to be prepared by the
15 county engineer under its supervision, which plans and specifications
16 shall thereupon, if satisfactory, be approved by the board of super-
17 visors and the state highway commission.

18 The board of supervisors of said county is hereby authorized and
19 directed to forthwith take the necessary legal action to execute and
20 enter into an agreement with the state highway commission, on forms
21 prepared by it; which agreement shall be a valid contract of the county
22 and obligate such county to cause the improvement to be made accord-
23 ing to said plans and specifications, and further bind the county to
24 maintain such improved highways in the manner required by the
25 federal aid road act and the rules made thereunder; provided, how-
26 ever, that such contract shall expressly provide that not to exceed an
27 amount equal to double the amount of the federal aid fund appor-
28 tioned to the county in which such project is located, shall be paid out
29 of the federal-county-cooperative road fund hereinafter created.

[37 G. A., ch. 249, § 4.]

SEC. 2906. Apportionment of funds—certificate as to amount.

1 The state highway commission is hereby directed to apportion
2 the federal aid provided for by the federal aid road act, among the
3 several counties of the state, in the same ratio that the area of each
4 county in the state bears to the area of the state, and shall notify the
5 auditor of each county in writing the amount allotted to his respective
6 county. The state highway commission is further directed not later
7 than the first of March of each year to certify in writing to the treas-
8 urer of state the amount of the federal aid apportioned to the state for
9 each year during the life of said act of congress; also the estimated
10 annual expense to the state highway commission for plans and speci-
11 fications prepared by it under the provisions of this chapter, which
12 certificate shall be kept in the office of the state treasurer.

[37 G. A., ch. 249, § 5.]

SEC. 2907. Fund to be kept—payment of claims.

1 The treasurer of state is hereby authorized and directed to
2 receive, from time to time, the federal funds apportioned to the state
3 of Iowa, as provided for by the said act of congress, and is hereby
4 directed to open an account to be known as the federal-county-coopera-
5 tive road fund; and to credit to such fund, from time to time, all
6 federal aid received from the United States government under the
7 provisions of said act of congress. The treasurer of state is further
8 authorized and directed before distributing the motor vehicle road
9 fund to the counties to transfer to such fund from any moneys paid
10 into the state treasury pursuant to the provisions of chapter seven-
11 teen of this title, an amount equal to the amount of federal aid
12 apportioned to the state of Iowa for that year under said act of con-
13 gress, one-half of which amount shall be transferred by said treasurer
14 of state on the first day of April and the other one-half of said
15 amount to be transferred on the first day of August of each year
16 during the life of the federal aid road act. The federal-county-
17 cooperative road fund shall be held in trust for the sole and exclusive
18 purpose of carrying out the provisions of the federal aid road act, and
19 shall be used for no other purpose.

20 The treasurer of state is also authorized and directed at the same
21 time and in the same manner to transfer from said motor vehicle road
22 fund, an amount equal to the estimated cost of plans and specifications
23 for the current year, as certified by the state highway commission,
24 which shall be known as the federal-aid-engineering fund. The bal-
25 ance of the money paid into the state treasury under the provisions of
26 chapter seventeen of this title shall be apportioned in the manner
27 provided by section thirty hundred seventy-eight. Whenever any im-
28 provement which is being constructed under and in accordance with
29 the provisions hereof has been completed or so far completed as to
30 call for partial payments on the contract price under the terms of the
31 contract, a voucher, upon forms prepared by the state highway com-
32 mission, for the amount then due the contractor shall be made out in
33 itemized form and verified by such contractor and presented to the
34 state highway commission and the board of supervisors; and if the
35 work thus far completed is satisfactory to such commission and the
36 board of supervisors and according to contract, the voucher shall be
37 approved by the state highway commission and the board of super-
38 visors, which approval shall be in writing upon the voucher. When
39 a voucher so prepared and so approved is presented to the auditor
40 of state, he is hereby authorized and directed to thereupon draw a
41 state warrant for the amount called for in such voucher upon the
42 federal-county-cooperative road fund, payable to the claimant; and
43 the treasurer of state is hereby authorized and directed to pay such
44 warrants out of said fund and out of no other.

45 The state highway commission is hereby authorized, on the first
46 of any calendar month, to prepare a voucher for all expenses previ-
47 ously incurred by said commission in the preparation of plans and
48 specifications under this chapter, and not heretofore reported, which
49 voucher shall be fully itemized, verified by the state engineer, and
50 approved by the state highway commission; and when such voucher
51 so prepared and approved is presented to the auditor of state, he is
52 hereby authorized and directed to thereupon draw a state warrant,
53 payable to said state highway commission, for the amount called for
54 in said voucher upon the federal-aid-engineering fund; and the treas-

55 urer of state is hereby authorized and directed when presented such
 56 warrant properly indorsed, to transfer to the maintenance fund for
 57 the state highway commission, the amount of such warrant out of
 58 said federal-aid-engineering fund, and out of no other.
 [37 G. A., ch. 249, § 6.]

SEC. 2908. Failure of county to apply for allotment.

1 In the event any county shall fail by July first, nineteen hun-
 2 dred twenty, to make application to the state highway commission
 3 for its allotment of federal aid funds and shall fail or neglect to enter
 4 into a contract for such improvement in the manner provided for in
 5 section twenty-nine hundred five, the said county shall be deemed to
 6 have waived its right to participate in such federal aid fund; and in
 7 such event, the state highway commission is hereby authorized and
 8 directed to use the allotment previously assigned to such county as
 9 hereinbefore provided, on any other portion of the comprehensive
 10 scheme of road improvement selected by them and in any county or
 11 counties which may be designated by the secretary of agriculture as
 12 best designed to aid in the completion of the post road system of the
 13 state of Iowa; provided, however, such county or counties to which
 14 such abandoned apportionment has been allotted shall provide out of
 15 any funds in their treasury and available for road purposes, an amount
 16 equal to the allotment so made to said county, which allotment and
 17 appropriation made by the county shall be expended in the manner
 18 hereinbefore provided and in accordance with the requirements of the
 19 federal aid act.

[37 G. A., ch. 249, § 7.]

CHAPTER 7.

PRIMARY AND SECONDARY ROAD SYSTEMS.

SECTION 2909. Intent of chapter.

1 It is the intent of this chapter to divide the highways of the state
 2 and of each county into a primary and secondary system, to provide
 3 for the substantial and durable improvement of such primary roads of
 4 each county, to pay for said improvements on such primary roads from
 5 federal aid funds, motor vehicle registration fees, and from the pro-
 6 ceeds of assessments on benefited real property, to permit each county
 7 to anticipate such funds if it chooses so to do, to divert other exist-
 8 ing highway funds to the construction, reconstruction, improvement
 9 and maintenance of the secondary system of roads, to secure the bene-
 10 fit of all present and future acts of the government of the United
 11 States which proffer financial aid to the state of Iowa in the construc-
 12 tion and maintenance of highways, and to coordinate the system herein
 13 created with the requirements of said federal government relative
 14 to such improvements. This chapter shall be construed as additional
 15 to and not in repeal of chapter six.

[38 G. A., ch. 237, § 1.]

SEC. 2910. Contracts authorized.

1 The state highway commission is empowered, on behalf of the
 2 state, to enter into any arrangement or contract with, and required by,

3 the duly constituted federal authorities, in order to secure the full
4 cooperation of the government of the United States, and the benefit
5 of all present and future federal allotments in aid of highway con-
6 struction, reconstruction, improvement or maintenance. The good
7 faith of the state is hereby pledged to cause to be made available
8 each year, sufficient funds to equal the total of any sums now or
9 hereafter apportioned to the state for road purposes by the United
10 States government for such year and to maintain the roads constructed
11 with said funds. The board of supervisors of each county is empow-
12 ered to enter into any arrangement or contract with, and required by,
13 the state highway commission, in order to fully carry into effect the
14 provisions of this chapter.

[38 G. A., ch. 237, § 2.]

SEC. 2911. Road systems defined.

1 The highways of the state are, for the purpose of this chapter,
2 divided into two systems, to wit: The primary road system and the
3 secondary road system.

4 The primary road system shall embrace those main market roads
5 (not including roads within cities), which connect all county seat
6 towns and cities and main market centers, and which have already
7 been designated under section twenty-nine hundred three, accepting
8 the provisions of the act of congress approved July eleventh, nineteen
9 hundred sixteen, known as the federal aid road act; provided that the
10 said designation of the roads shall, for more efficient service or more
11 economical construction of the system, and with the consent of the
12 federal authorities, be subject to revision by the state highway com-
13 mission. Any portion of said primary system so eliminated by any
14 change shall revert to and become a part of the system from which
15 originally taken. The state highway commission may, for the pur-
16 pose of affording access to state parks and recreation centers within
17 a county, add such road or roads to the primary system of said county
18 as the board of supervisors may specifically designate and request.

19 The secondary road system shall embrace all roads not embraced
20 in the primary system and not embraced within the limits of cities or
21 towns. Roads embraced in the secondary road system shall continue
22 to be classed as at present, as county roads or township roads as the
23 case may be.

[38 G. A., ch. 237, § 3.]

SEC. 2912. Primary road fund—apportionment.

1 There is hereby created a fund which shall be known as the pri-
2 mary road fund, which shall embrace the federal-county-cooperative
3 road fund as created by chapter six of this title, all additional and
4 future federal aid road funds, and all other funds derived from year
5 to year by the state under acts regulatory of motor vehicles, com-
6 mencing with and including all fees for the year nineteen hundred
7 twenty, except such portion of said motor vehicle fund as shall be
8 necessary to maintain the federal aid engineering fund, and as may,
9 by law, be retained in the state treasury as a maintenance fund for
10 the state highway commission, or as a fund to cover administration of
11 the motor vehicle department.

12 Said primary road fund shall be apportioned to the respective
13 counties in the ratio that the area of the county bears to the total

14 area of the state, and shall be employed as herein provided, solely in
 15 the drainage, grading, surfacing and maintenance of the roads of the
 16 primary road system, except as hereinafter provided.

17 The portion of said fund apportioned to each county as above
 18 provided, is hereby pledged to the completion of said primary system
 19 and is dedicated by the state to the county, to be used solely for the
 20 payment of the cost of such improvements or the maintenance thereof,
 21 and for the redemption of any bonds issued therefor as herein pro-
 22 vided. For the purposes of administration, the apportionment to any
 23 county may be made up partly from the federal aid road allotments.

[38 G. A., ch. 237, § 4.]

SEC. 2913. Accounts—primary road fund.

1 The state highway commission shall open an account with each
 2 county in the state in relation to the primary road fund, and shall first
 3 credit each county with any unused portion of the allotment of the
 4 federal-county-cooperative road fund, as shown by the official supple-
 5 mentary bulletin of the state highway commission of June, nineteen
 6 hundred seventeen, and designated as "volume five, number six", and
 7 shall each year credit each county with its allotted portion of the pri-
 8 mary road fund, and charge it with the amount of all duly and finally
 9 approved vouchers for claims properly chargeable to said county. Said
 10 account shall also show the amount of each separate authorization of
 11 bonds or road certificates hereunder, and the amount, number, date,
 12 maturity, and interest rate of each series of bonds or certificates
 13 actually issued by the county under this chapter. The said commis-
 14 sion shall, at all proper times, keep each county fully informed as to
 15 the state of its account.

[38 G. A., ch. 237, § 5.]

SEC. 2914. Options authorized—election in re hard surfacing.

1 Each county, acting through its board of supervisors, shall have
 2 three options in the expenditure of its allotments from the primary
 3 road fund:

4 First, it may elect to complete the grading and drainage of any
 5 part or all of the primary roads within the county before laying any
 6 hard surfacing; or

7 Second, it may hard surface in any one year, such portion of the
 8 roads in the primary system in its county as may be met by its allotted
 9 portion of the primary road fund for said year, plus any balance
 10 remaining to its credit from previous allotments, plus the special
 11 assessments on abutting and adjacent real estate as hereinafter pro-
 12 vided; or it may proceed in any one year with draining and grading
 13 on one or more divisions of the primary system and with hard sur-
 14 facing on other divisions of said system.

15 Third, it may proceed with said hard surfacing in a more rapid
 16 manner when authorized to do so by the voters of the county as here-
 17 inafter set forth, provided no hard surfacing shall be constructed on
 18 any division of the primary roads until the drainage and grading of
 19 said division shall have been fully completed.

20 It is hereby made the duty of the board of supervisors to pro-
 21 ceed in the improvement of primary roads under this chapter as fast
 22 as the primary road fund is available, until the improvement of the
 23 primary system is completed; provided, however, that any county,

24 after draining and grading its primary system, or any division thereof,
25 shall have the right to surface same with gravel or oil or both if by
26 resolution of the board of supervisors it elects so to do. Such gravel-
27 ing or oiling shall not be considered hard surfacing within the meaning
28 of this chapter. Said surfacing shall be done in accordance with the
29 plans and specifications of the highway commission applicable to such
30 improvement and the cost of such improvement when so done may be
31 paid from the primary road fund. Vouchers therefor must be ap-
32 proved by the board of supervisors and forwarded to the highway com-
33 mission for final audit, approval, and payment as provided in section
34 twenty-nine hundred twenty-one.

35 The board of supervisors shall not proceed with hard surfacing
36 of roads until such work shall be authorized by a majority vote of the
37 electors of such county at a general election, or a special election,
38 called for that purpose; and the board of supervisors of any county
39 may, on its own motion, and shall, if petitioned by the voters in any
40 county equal to ten per cent of the number voting at the last general
41 election, to be determined by the number of electors voting for gov-
42 ernor thereat, submit to said voters the question whether hard surfac-
43 ing shall be done on the primary road system, or any portion thereof,
44 in said county. Said petition shall be in writing, giving the name and
45 residence of each signer thereto, and each sheet thereof shall be veri-
46 fied by a resident of the county. The board of supervisors shall be
47 governed by the result of such election, and, if a majority of said
48 voters voting thereon shall vote therefor, the board shall proceed
49 forthwith with the work. Such election, however, shall not interfere
50 with or affect work under construction, or under contract, or federal
51 aid projects already approved at the time of the holding of said
52 election.

53 Notice of such election shall be given as provided in section
54 twenty-nine hundred thirty-three, and the notice shall give the time
55 said election shall be held and the form of the proposition submitted,
56 and such proposition shall be contained in the ballot. Special elections
57 shall be held in the same manner as general elections. The question
58 of hard surfacing shall not be submitted to a vote in any county
59 oftener than once in twenty-four months.

60 The question as to hard surfacing of roads and as to issue of
61 bonds under this chapter may be submitted at the same election. And
62 at the election as to the question of whether or not bonds may be
63 issued, there may be submitted at the same election and upon the
64 same ballot as a separate proposition the question of whether or not
65 hard surfacing may be done. If upon such submission the proposition
66 of hard surfacing is defeated, such vote shall thereby nullify the vote
67 as to the issuance of bonds.

[38 G. A., ch. 237, § 6.]

SEC. 2915. Division of primary roads.

1 For the purpose of creating a basis for a systematic program of
2 improvement, the board of supervisors of each county, in conjunction
3 with the county engineer, shall, as soon as may be reasonably possible
4 after the taking effect of this chapter, divide into divisions the roads
5 of the primary road system within their county, with a view to the
6 most advantageous program of improvement, having in view the devel-
7 opment of the primary roads in the county in such order as will best
8 and most fairly meet the convenience of the public, viewing the county

9 as a whole. Different portions of primary roads which diverge from
10 a common point may be so divided into divisions that the several divi-
11 sions immediately adjacent to the common point will constitute an
12 appropriate district. Said divisions shall be suitably designated on a
13 map filed with the state highway commission, and shall be recorded by
14 the county auditor in the proceedings of the board, and shall be
15 final, except that the board may, under changed or better understood
16 conditions, modify such record in order to attain more advantageous
17 results in cost. No division established by the board of supervisors
18 shall embrace roads or streets within a city.

[38 G. A., ch. 237, § 7.]

SEC. 2916. Improvement program—assessment districts.

1 When the board of supervisors of any county shall decide to begin
2 the improvement of any division of said primary road system, it shall,
3 on or before the first day of August of any year, by a resolution filed
4 with the state highway commission, specify the division or divisions
5 of the primary road system in said county which they desire to
6 improve hereunder. Said resolution shall indicate the program of
7 improvement for the ensuing year or years, and shall specify the
8 funds available or the method proposed to finance the cost of such
9 improvements. If the resolution filed with the state highway com-
10 mission embraces the hard surfacing of any division of primary roads,
11 the same shall be accompanied by a proposed assessment district for
12 each division in the form of an engineer's plat. Each district shall be
13 clearly designated by some appropriate and distinctive name and
14 number, such, for instance, as "Correctionville road, district number
15 one". Portions of primary roads which diverge from a common point
16 may be included within one district. No district established by the
17 board of supervisors shall embrace real estate within a city, but no
18 proceedings for an improvement which embraces a road or street of
19 a town shall be affected by the fact that subsequent to the estab-
20 lishment of the district, and before the completion of the improve-
21 ment, such town becomes a city by change in population.

22 All real estate lying upon and immediately adjacent to each side
23 of the highway, and constituting two continuous zones each three
24 hundred twenty rods in width, measured from the center of the
25 highway, shall be included within each district. The board of super-
26 visors may increase the width of either of said zones by extending
27 the outer boundary thereof for a distance of not to exceed one hun-
28 dred sixty rods. If either of the zones first mentioned be increased in
29 width, the outer boundary of such increase may follow governmental
30 or other well defined lines; and if any part of a governmental forty-
31 acre tract, or less, is within four hundred eighty rods of the center
32 of the road, then and in such case the entire forty acres or less may
33 be included within the district. Should the center of the highway be
34 less than four hundred eighty rods from an interstate boundary line,
35 or river which acts as such interstate boundary, then the zone adja-
36 cent to such line or river may extend to such line or river. Should
37 travel to or from such highway to real estate within either of said
38 zones be wholly barred by a natural or artificial barrier, the board of
39 supervisors may wholly exclude such real estate, or any portion
40 thereof, from such assessment district, or may otherwise meet the
41 difficulty by making a nominal assessment on said real estate.

[38 G. A., ch. 237, § 8.]

SEC. 2917. Approval of improvement project—record of lands.

1 The said commission shall examine said project, and before
2 approval shall have power to so modify the same as to comply with
3 this chapter. Upon the approval of said resolution by the state high-
4 way commission, the said district or districts, as proposed by the
5 board, shall be deemed finally established. Upon the final establish-
6 ment of said district or districts as above provided, the board of super-
7 visors shall cause to be entered and published in the minutes of its
8 proceedings, a description of all real estate embraced within each dist-
9 rict. Such description may be by any legal description, but the failure
10 to strictly comply with said direction as to such entry and publication
11 shall not affect the validity of the proceeding.

[38 G. A., ch. 237, § 9.]

SEC. 2918. Surveys, plans and approval thereof.

1 When the resolution has been finally approved, the commission
2 shall make, or cause to be made, proper surveys, and shall prepare the
3 plans, specifications and estimates for such improvement, or shall
4 cause the same to be prepared by the county engineer, under its
5 supervision, which plans, specifications and estimates shall be finally
6 approved by the board and the commission, and filed with the county
7 auditor, and the work shall be done in accordance therewith, except
8 in so far as the same may be modified by the commission to meet
9 unforeseen or better understood conditions, and no such modification
10 shall be deemed an invalidating matter. Such plans and specifications
11 may provide, as a part of said hard surfaced roadway (and to be com-
12 puted as a part of the cost thereof), for such shoulders of gravel or
13 other material as may be necessary to protect the roads thereof and to
14 facilitate travel thereover.

[38 G. A., ch. 237, § 10.]

SEC. 2919. Bids—contracts and limitations thereon—bonds.

1 As soon as the approved plans and specifications are received by
2 the board of supervisors, they shall proceed to advertise for bids
3 for the construction of said improvement.

4 Each bid shall be accompanied by a sworn statement by the
5 bidder, or by a partner or officer thereof, which shall show the name
6 and address of each director, officer or partner of such bidder. No
7 contract shall be let to any state or county official, elective or appoint-
8 ive, nor to any relative of such state official, nor to any partnership
9 or corporation in which such state official or relative thereof is finan-
10 cially interested.

11 No contract shall be let to any partnership or corporation in
12 which a county officer of the contracting county, or relative of such
13 county officer, is financially interested. The letting of a contract in
14 violation of the foregoing provisions shall not invalidate the con-
15 tract, nor any bonds issued thereunder, but upon discovering such
16 violation, the board of supervisors or the state highway commis-
17 sion may terminate the contract, and such violation in case of such
18 termination shall be a complete defense to any action by the con-
19 tractor to recover any consideration due or earned under the contract
20 at the time of such termination.

21 In the award of contracts, due consideration shall be given not
22 only to the prices bid, but to the mechanical and other equipment, and

23 financial responsibility of the bidder and his ability and experience in
 24 the performance of like or similar contracts. The board may reject
 25 any or all bids and may readvertise for bids, or, with the written con-
 26 sent of the state highway commission, may let by private contract, or
 27 with such consent may proceed to the construction (except in case
 28 of paving) by day labor at a cost not to exceed the lowest bid received.
 29 In any event, all contracts entered into under the provisions of this
 30 chapter shall be approved by the state highway commission before
 31 they shall become effective.

32 The form and conditions of all contracts, the form and conditions
 33 of all bonds taken or required for the full performance or maintenance
 34 of all work, shall be prescribed by the state highway commission. All
 35 contracts for performing paving work or furnishing material therefor
 36 shall be in writing and shall be secured by a bond for the faithful per-
 37 formance thereof, which bond shall be so drawn as to fully secure the
 38 proper county from defective workmanship or material for five years
 39 after the completion of contract.

[38 G. A., ch. 237, § 11.]

**SEC. 2920. Supervision of work—duty of highway commission—
 bonds.**

1 The state highway commission is expressly charged with the duty
 2 of controlling the supervision, inspection and direction of the work of
 3 construction on behalf of the state and its counties, and of supervising
 4 the expenditure of all funds paid on account of such work by the
 5 counties of the state, and it shall do and perform all other matters and
 6 things necessary to the faithful completion of the improvements herein
 7 authorized, and to fully carry out the cooperation contemplated and
 8 provided by the said federal aid road act.

9 All engineers or inspectors having responsible charge of any im-
 10 provement shall give bonds for the faithful performance of their
 11 duties and for like accounting of all property intrusted to their cus-
 12 tody. All bonds given by such engineers or inspectors in the employ
 13 of the state highway commission shall be deemed to embrace any and
 14 all improvements of which they may be in charge.

[38 G. A., ch. 237, § 12.]

SEC. 2921. Claims and form thereof—method of payment.

1 Claims for draining and grading, graveling or oiling, shall be paid
 2 wholly from the county's allotment of the primary road fund. Claims
 3 for hard surfacing, in case the county is proceeding without bond
 4 issue, shall be paid to the extent of seventy-five per cent of the total
 5 cost of such hard surfacing, from the county's said allotment, and the
 6 balance shall be paid with special assessment or road certificates, or
 7 with the proceeds thereof. Claims for hard surfacing, in case the
 8 county is improving with the proceeds of a bond issue, shall be paid,
 9 first, from the county's said allotment then available, or from any
 10 balance of said allotment remaining after the retirement of bonds and
 11 from the proceeds of special assessments, and second, out of such bond
 12 fund of the county.

13 All claims shall be itemized upon voucher forms prepared by the
 14 state highway commission, sworn to by the claimants, certified to by
 15 the engineers in charge, filed with and audited by the board of super-
 16 visors, and then forwarded to the state highway commission for final

17 audit and approval. Upon the final approval of vouchers which are
 18 payable from the county's allotment of the primary road fund, such
 19 vouchers shall be forwarded to the auditor of state, who shall draw
 20 warrant therefor, and said warrant shall be paid by the treasurer of
 21 state from the primary road fund.

22 Duly approved voucher claims, payable at the office of the county
 23 treasurer, shall be forwarded by the state highway commission to the
 24 county auditor, who shall issue warrant therefor, and the county
 25 treasurer shall pay the same with special assessment or road certifi-
 26 cates, or from the proceeds thereof, or from the bond fund, as the
 27 case may be. Partial payments may be made on work during the
 28 progress thereof, but no such partial payment shall be deemed final
 29 acceptance of the work nor a waiver of any defect therein.

[38 G. A., ch. 237, § 13.]

**SEC. 2922. Board of apportionment—report—notice and hear-
 ing—fees of appraisers.**

1 A board of apportionment of three resident freeholders of the
 2 county shall be appointed by the board of supervisors to apportion all
 3 special benefits to real estate within each district, but the same board
 4 of apportionment may act for more than one district. No person
 5 shall serve on such board if he lives or owns real estate within the
 6 district for which he is to act.

7 Whenever the total expense of such improvement within said dis-
 8 trict has been approximately determined, said board of apportionment
 9 shall, with all reasonable dispatch, personally inspect and classify in
 10 some uniform manner, and under some intelligent description, and in a
 11 graduated scale of benefits, all real estate within said districts. Said
 12 classification, when finally established, shall remain as a basis for all
 13 future assessments to cover deficiencies, if any, unless the board of
 14 supervisors, for good cause, shall authorize a revision thereof.

15 Said board of apportionment shall, among other relevant and
 16 material matters, if any, give due consideration to the fair market
 17 value per acre of each of the different tracts of real estate, to their
 18 relative location and productivity, and to their relative proximity and
 19 accessibility to the said improvement.

20 They shall, in writing, and to the different described tracts of
 21 real estate within said district, make an approximately equitable
 22 apportionment of twenty-five per cent of the total expense of said
 23 improvement.

24 In making said apportionment, real estate owned by the state or
 25 any county shall be treated as other real estate, but no other publicly
 26 owned real estate shall be included, and in apportioning benefits to real
 27 estate owned by the county or state no consideration shall be given to
 28 the buildings thereon.

29 Said apportionment report shall specify each tract of real estate
 30 by some intelligent description, the amount apportioned thereto, and
 31 the ownership thereof, as the same appears on the transfer books in
 32 the auditor's office, and shall be filed with the county auditor. Said
 33 apportionment shall carry the presumption, in the absence of a con-
 34 trary showing, that the same is fair, just, equitable, and in propor-
 35 tion to benefits and not in excess thereof.

36 Upon receipt of said apportionment, the county auditor shall fix
 37 a day for hearing before the board of supervisors, and cause notice to
 38 be served upon each person whose name appears in said apportion-

39 ment report, or in any recommendation accompanying the same, as
40 owner, and also upon the person or persons in actual occupancy of any
41 such real estate, which notice shall state the amount of special assess-
42 ments apportioned to each tract, the day set for hearing before the
43 board of supervisors, that at said hearing any apportionment may
44 be increased without further notice, that (if such be the case) the
45 board of apportionment has recommended that specified additional
46 tracts of real estate should be included within said district, and that
47 specified sums should be apportioned thereto to defray the cost of
48 said improvement, and that all objections to said report, or any part
49 thereof, by reason of any irregularity in prior proceedings, or by rea-
50 son of any irregularity, illegality, or inequality in making such appor-
51 tionment, must be specifically made in writing and filed with the
52 county auditor on or before noon of the day set for such hearing, and
53 that a failure to so make and file such objections will be deemed a con-
54 clusive waiver of all such objections.

55 The county auditor shall cause such notice to be published in at
56 least one of the official newspapers of the county once each week for
57 two consecutive weeks, the last of which publications shall be not less
58 than five days prior to the day set for said hearing. Proof of such
59 service shall be made by affidavit of the publisher and be filed with
60 the county auditor.

61 Omission to serve any party with notice herein provided, shall
62 work no loss of jurisdiction on the part of the board over such pro-
63 ceeding, and such omission shall only affect the persons upon whom
64 service has not been had, and if, before or after the board has entered
65 its final order in apportionment proceedings, it be discovered that
66 service of said notice has not been had on any necessary person as
67 herein provided, the board shall fix a time for hearing as to such
68 omitted parties and shall cause such service to be then made upon
69 them, either by publication as in this section provided or by per-
70 sonal service in the time and manner required for service of original
71 notices in the district court, and after such hearing shall proceed as to
72 such person as though such service had been originally complete.

73 The appearance of any interested party, either in writing or per-
74 sonally, or by authorized agent, either before the board of supervisors
75 or before the state highway commission at any stage of a pending pro-
76 ceeding for the hard surfacing of the highways of a district, shall be
77 deemed a full appearance. Only interested parties shall have the
78 right to appear before the board of supervisors in proceedings pro-
79 vided for in this chapter, and all persons so appearing shall be required
80 to state for whom they appear, and the clerk of the board shall make
81 definite entry accordingly, in the minutes of the board.

82 The state highway commission shall prescribe standard forms
83 for apportionment reports and notice of hearings thereon.

84 Each member of the board of apportionment shall be paid in full
85 for all services, at the rate of six dollars per day of actual service,
86 and ten cents per mile for each mile necessarily traveled in the per-
87 formance of his duties, and bills therefor, duly sworn to and item-
88 ized, shall be returned to the board of supervisors with the report of
89 the apportioners.

[38 G. A., ch. 237, § 14.]

SEC. 2923. Report in re omitted lands.

1 Should the board of apportionment be satisfied from its investi-
2 gation, that certain tracts of real estate have been omitted from said
3 district, and that such omitted tracts ought to bear an equitable por-
4 tion of the expense of such improvement, and are, as to any part
5 thereof, within four hundred eighty rods of said improvement, and
6 not embraced within any other primary road district, they shall pro-
7 ceed in the following manner, to wit:

8 First, they shall make and return their apportionment report
9 to the board of supervisors, on the presumption that no real estate will
10 be ultimately assessed, except the real estate which is embraced within
11 the district as then constituted and established.

12 Second, they shall accompany their apportionment report with a
13 definite list of the heretofore mentioned tracts of real estate, which
14 ought, in their judgment, to be within said district, but which have
15 been omitted therefrom, and shall definitely state the amount which,
16 in their judgment, each such omitted and described tract ought to
17 equitably bear toward the cost of the improvement. The board of
18 supervisors on the final hearing of said apportionment report, shall
19 pass on said recommendation, and may wholly reject or wholly
20 approve the same, or may reject in part and approve in part, or may
21 approve wholly or in part, with modification. If the recommendation
22 be approved and adopted in any part, the board shall enter an order
23 changing the boundaries of the district accordingly, and notify the
24 state highway commission of said change, and shall adjust the final
25 apportionment in accordance therewith.

[38 G. A., ch. 237, § 15.]

SEC. 2924. Hearing on report—levy of assessments—payment.

1 The final hearing on said apportionment report may be adjourned
2 from time to time without loss of jurisdiction on the part of the
3 board. On such final hearing the board shall hear and determine all
4 objections filed, and may increase, diminish, annul or affirm the ap-
5 portionment made in said report, or any part thereof, as may appear
6 to the board to be just and equitable.

7 On the final determination, the board shall levy such apportion-
8 ment and all installments thereof upon the real estate within said
9 district, as finally established, and said assessment and all install-
10 ments thereof shall be then due and payable, and bear interest at six
11 per cent per annum from said date; provided that if any owner, other
12 than the state or county, of any of said tracts of land shall, within
13 twenty days from the date of said assessment agree, in writing filed
14 in the office of the county auditor, that in consideration of his having
15 the right to pay his assessment in installments, he will not make any
16 objection of illegality or irregularity as to said assessment upon his
17 said real estate, and will pay the same with six per cent interest
18 thereon; then and in that case, said assessment shall be payable as
19 follows: In ten equal installments, the first of which, with interest
20 on the whole assessment from the date of levy, shall mature and be
21 payable on the date of such agreement, and the other installments,
22 with interest on the whole amount unpaid, annually thereafter, at the
23 same time and in the same manner as the March semiannual pay-
24 ment of ordinary taxes. Where no such agreement is executed, then
25 the whole of such special assessment so levied shall mature at one

26 time and be due and payable with interest from the date of levy, and
 27 shall be collected at the next succeeding March semiannual payment
 28 of ordinary taxes.

29 All such taxes shall become delinquent on the first day of March
 30 next after their maturity, shall bear the same interest, the same
 31 penalties and be attended with the same rights and remedies for col-
 32 lection, as ordinary taxes.

33 An owner of land who has availed himself of said ten-year option
 34 may at any time discharge his assessment by paying the balance then
 35 due on all unpaid installments, with interest on the entire amount for
 36 thirty days in advance.

37 Assessments against lands owned by the state or county shall be
 38 due and payable from the date of levy by the board of supervisors, or
 39 in the case of any appeal, from the date of final confirmation of the
 40 levy by the court.

41 In case of assessment on lands owned by the county, the same
 42 shall be paid from the county general fund. In case of assessments
 43 on lands owned by the state, the same shall be represented by a
 44 voucher, duly audited as heretofore provided, and the state auditor
 45 shall draw warrant therefor and make the same payable out of any
 46 funds in the state treasury not otherwise appropriated.

[38 G. A., ch. 237, § 16.]

SEC. 2925. Reassessments to meet deficit.

1 In case an assessment as originally made, should later be found
 2 to be insufficient to pay one-fourth of the total cost of the improve-
 3 ment, an additional assessment may be made in the same relative
 4 ratio as the original assessment, to meet the deficiency. In case an
 5 assessment appears to be invalid or, in the judgment of the board,
 6 seriously defective, the board of supervisors may proceed to the
 7 making of a new assessment as though no assessment had ever been
 8 made.

[38 G. A., ch. 237, § 17.]

SEC. 2926. Limitations on assessments—deficits.

1 Special benefit assessments shall be levied for an amount which,
 2 in the aggregate, shall equal twenty-five per cent of the total cost
 3 of hard surfacing, and sums expended for drainage, grading, bridging
 4 and culverting shall not be computed as part of said cost, except that
 5 the cost of such draining and grading as is purely incidental to the
 6 construction of said hard surfacing may be included in the cost
 7 thereof.

8 No real estate, under any circumstances, though embraced within
 9 more than one road assessment district, shall be specially assessed for
 10 the original cost of hard surfacing in an amount exceeding, in the
 11 aggregate, four per cent of the fair market value thereof. Any defi-
 12 ciency in the said twenty-five per cent of the total cost, occurring by
 13 reason of said four per cent limitation, shall be paid from the county's
 14 allotment of the primary road fund.

[38 G. A., ch. 237, § 18.]

SEC. 2927. Appeals—power of court—duty of clerk.

1 Any owner of land may appeal to the district court from the
 2 order of the board of supervisors in levying the assessment against

3 his real estate, by filing with the county auditor within fifteen days
 4 from the date of such levy, a bond conditioned to pay all costs in case
 5 the appeal is not sustained, and a written notice of appeal wherein he
 6 shall, with particularity, point out the specific objection which he
 7 desires to lodge against such levy. The appearance term shall be the
 8 trial term, and said appeal shall have precedence over all other busi-
 9 ness of the term except criminal matters. The appeal shall be heard
 10 as in equity, and the court may raise or lower the assessment in ques-
 11 tion and make an equitable assessment in the judgment of the court.
 12 The clerk of the district court shall, upon the entry of the final order
 13 of the court, certify such final order to the county auditor, and the
 14 board of supervisors shall at once so adjust the assessments as to
 15 comply with such final order.

[38 G. A., ch. 237, § 19.]

SEC. 2928. Appeal—procedure.

1 When an appeal is taken, the county auditor shall at once make a
 2 transcript of the notice of appeal and appeal bond, and transmit the
 3 same to the clerk of the district court. The appellant shall, on or
 4 before the first day of the first term of the court, after taking said
 5 appeal, docket said appeal and file a petition setting forth the order or
 6 decision of the board of supervisors appealed from and his specific
 7 objections thereto. A failure to comply with either of these require-
 8 ments shall be deemed a conclusive waiver of the appeal, and in such
 9 case, the court shall dismiss the same. Appellee need not file answer,
 10 but may do so.

[38 G. A., ch. 237, § 20.]

SEC. 2929. Certifying assessments and levy—lien.

1 When the board of supervisors has entered its final order as to
 2 the amounts of all special assessments on a given improvement, the
 3 county auditor shall at once certify a list of such assessments and a
 4 list of the real estate upon which each assessment has been levied,
 5 with the specific designation of the district embracing such real
 6 estate, to the county treasurer, who shall enter each assessment upon
 7 the tax books and continue such entry until such assessment is paid.

8 Each special assessment and all installments thereof shall be a
 9 lien upon the real estate upon which it is levied from the date of such
 10 certification by the county auditor, to the same extent and in the same
 11 manner as taxes levied for state and county purposes. Changes in the
 12 amount of any special assessment by reason of any ruling of the dis-
 13 trict court on appeals, shall be likewise certified and the county treas-
 14 urer shall make the proper corrections on his books.

[38 G. A., ch. 237, § 21.]

SEC. 2930. Account for each district.

1 Each assessment district shall be considered a unit and all funds
 2 received by the county treasurer for and on behalf of the hard surfac-
 3 ing of such unit shall be carried as a distinct and separate account
 4 and under the same specific name as that used by the board in estab-
 5 lishing such unit.

[38 G. A., ch. 237, § 22.]

SEC. 2931. Road certificates—requirements—payment—termination of interest.

1 In order to render immediately available that amount of the cost
 2 of an improvement which has been specially assessed, the board may
 3 issue road certificates in the name of the county in an aggregate
 4 amount not exceeding the then unpaid amount of the special assess-
 5 ment levied in said district. Each issue of certificates shall be under,
 6 and in accordance with, a duly adopted resolution of the board which
 7 shall be entered at large in the minutes of the proceedings of the
 8 board, and which shall recite: (1), the name or designation of the
 9 road district on account of which the certificates are issued; (2), that
 10 a stated amount (naming the amount) has been specially assessed
 11 against the lands within said district; (3), that a stated amount of said
 12 aggregate special assessment has not yet been paid (naming said
 13 unpaid amount); (4), that it is necessary to render said unpaid amount
 14 immediately available; (5), the number of road certificates authorized
 15 and the specific amount of each certificate; (6), the specific numbering
 16 or designation of each certificate; (7), the rate of interest which each
 17 certificate shall bear from date, to wit, not to exceed six per cent per
 18 annum; (8), the fact that said certificates are payable solely from
 19 the proceeds of the special assessments which have been levied on
 20 the lands within said district; (9), that each certificate shall be pay-
 21 able on or before the first day of January of the first year following
 22 the maturity of the last installment of said special assessments, and
 23 that interest thereon shall be paid annually; (10), the authorization
 24 to the chairman of the board, and to the county auditor respectively,
 25 to sign and countersign each of said certificates.

26 Upon the signing of each of said certificates by the chairman of
 27 the board, said certificates shall be delivered to the county auditor,
 28 who shall countersign the same, charge the county treasurer with the
 29 amount thereof, and deliver the same to such latter officer, who shall
 30 be responsible therefor on his bond. The treasurer may apply said
 31 certificates in payment of any warrants duly authorized and issued
 32 for hard surfacing the roads within said district, or he may sell the
 33 same for the best attainable price and for not less than par plus
 34 accrued interest and apply the proceeds in payment of such authorized
 35 warrants. Said certificates shall be retired in the order of the consecu-
 36 tive numbering thereof.

37 The county treasurer shall, on or in connection with the road
 38 account for said district, clearly enter the name and postoffice address
 39 of all persons to whom any of said certificates are issued, with a par-
 40 ticular designation of the certificates delivered to each person. Any
 41 subsequent holder may present his certificates to the county treasurer
 42 and cause his name and postoffice address to be entered in lieu of that
 43 of such former holder. Whenever the fund for such particular district
 44 has money sufficient to pay the first retirable certificate or certificates,
 45 the county treasurer shall, by mail, as shown by his records, promptly
 46 notify the holder of such certificate of such fact, and from and after
 47 the mailing of such letter all interest on such certificate shall cease.

[38 G. A., ch. 237, § 23.]

SEC. 2932. Anticipation of annual allotments—procedure.

1 The board of supervisors of any county which is proceeding with
 2 the drainage, grading and hard surfacing of its roads without the aid

3 of a bond issue, may, by the issuance of road certificates, anticipate the
4 annual allotment of the primary road fund for said county, for the
5 current and succeeding year.

6 Such certificates shall be authorized by a duly adopted resolution
7 which shall specify, (1) the allotment or allotments which are to be
8 anticipated, (2) the amount of certificates authorized, which amount
9 for any such anticipated year shall not exceed a sum equal to ninety
10 per cent of the county's allotment for the year preceding that in which
11 the authorization is made, (3) the denominations of each certificate,
12 (4) the rate of interest which each certificate shall bear, which shall
13 not exceed six per cent per annum, payable annually, and (5) the
14 authorization of the chairman of the board of supervisors and of the
15 county auditor, respectively, to sign and countersign such certificates.

16 Each certificate shall recite the allotment of which it is anticipa-
17 tory, and shall be payable on or before the last day of the year for
18 which such allotment has been anticipated, and shall recite that it is
19 payable solely from the future proceeds of the county's allotment of
20 the primary road fund.

21 The record of such certificate by the county auditor, the receipt,
22 record, handling and disbursement of the same by the county treas-
23 urer, and the latter's responsibility therefor, shall be the same as pro-
24 vided herein for road certificates issued for special assessments on
25 benefited property.

26 Such anticipated allotments shall stand pledged for the payment
27 of such certificates and shall be used for no other purpose. As soon
28 as said anticipated allotment is available to the county, the state high-
29 way commission shall notify the county treasurer of such fact, and the
30 county treasurer shall at once forward to the said commission the
31 canceled vouchers which were paid from the proceeds of the certifi-
32 cates issued in anticipation of such allotment, and thereupon the said
33 commission shall forward to the state auditor, in favor of the county
34 treasurer, a voucher for the amount of said canceled claims with
35 interest thereon sufficient to balance the interest on an equal amount
36 of certificates to the first day of the next succeeding month. The
37 auditor of state shall issue his warrant for said amount and the treas-
38 urer of state shall pay the same out of the primary road fund. The
39 county treasurer immediately upon receipt of said funds, shall notify
40 the holders of said certificates that said certificates will be met on
41 presentation, and from and after the mailing of said notice, interest
42 on said certificates shall cease. Said funds so received shall be used
43 solely for the purpose of retiring said certificates. If, for any reason,
44 the amount realized from an anticipated allotment be insufficient to
45 meet the legally issued certificates, the deficiency shall be met from
46 the county's first accruing allotment thereafter.

[38 G. A., ch. 237, § 24.]

**SEC. 2933. Election in re bonds—notice—form of proposition—
canvass—procedure to test legality.**

1 If any county desires to hasten the drainage and grading or the
2 hard surfacing of the primary roads of its county at a more rapid
3 rate than would be accomplished by merely employing each year its
4 allotted portion of the primary road fund for said year, it may pro-
5 ceed as follows: The board may submit or upon petition of a number
6 of the qualified voters of the county equal to twenty per cent of the
7 total vote cast in said county at the last preceding general election,

8 presented to the board in writing so to do, must submit to the voters
9 of the county at a general election, or at a special election called by
10 the board for such purpose, the question of issuing bonds for the pur-
11 pose of raising funds to meet the cost of such work, and to provide
12 for the retirement of such bonds and interest thereon.

13 Notice of such election shall be given by publication once each
14 week for two successive weeks in all the official newspapers of the
15 county, stating the time when such election will be held, and substan-
16 tially the proposition that will be submitted; the last publication to
17 be at least five days prior to the day such election is to be held.

18 Special elections shall be conducted in the same manner as gener-
19 al elections are conducted. Said question shall be set forth on the
20 ballots substantially as follows: "Shall the board of supervisors be
21 authorized to issue bonds from year to year, in the aggregate amount
22 not exceeding dollars, for the purpose of providing the
23 funds for hard surfacing the primary roads of the county, and to
24 levy a tax on all the property in the county from year to year not
25 exceeding mills in any one year, for the payment of the
26 principal and interest of said bonds, provided, however, that the annual
27 allotments to the county of the primary road fund shall be used to
28 retire said bonds as they mature, and only such portion of said tax
29 shall be levied from year to year as may be necessary (1) to pay the
30 interest annually, and (2) to meet any deficiency, if any, between the
31 amount of the principal of the bonds and the said allotments from the
32 primary road fund, together with assessments on benefited property
33 provided by law." Immediately to the right of said proposition shall
34 appear two squares of appropriate size, one above the other. Imme-
35 diately after the first square shall appear the word "yes". Imme-
36 diately after the other square shall appear the word "no". The voter
37 shall indicate his vote by a cross in the appropriate square.

38 The returns of said elections shall be canvassed by the board, and
39 its findings shall be entered at large in the minutes of its proceedings.
40 No proceedings to test or review the legality or correctness of said
41 election shall be maintainable unless instituted within thirty days
42 after the findings of the board have been entered upon the record.
43 The fact of each authorization of bonds by a county shall be at once
44 certified by the county auditor to the state highway commission, with
45 such data relative thereto as the commission may demand.

[38 G. A., ch. 237, § 25.]

SEC. 2934. Bonds—form—denomination—interest—payment.

1 If a majority of the votes be in favor of such issue of bonds and
2 tax levy, the board shall from time to time, as necessary to meet the
3 construction cost and expenses incidental thereto, not provided for by
4 funds immediately available from the primary road fund, or from pro-
5 ceeds of special benefit assessments heretofore provided for, issue
6 serial bonds in denominations of five hundred dollars or one thousand
7 dollars each, and at a rate of interest, payable annually, not exceeding
8 five per cent per annum. Bonds and annual interest thereon shall
9 mature on the first day of May. Each bond shall provide that the
10 same shall be payable at the option of the county, on any interest pay-
11 ment date on or after five years from the date of the bond. No bonds
12 shall be sold for less than par value plus accrued interest. No bonds
13 shall be issued with maturity date postponed more than fifteen years.

[38 G. A., ch. 237, § 26.]

SEC. 2935. Bond levy.

1 If a majority of the voters be in favor of such bond issue and tax
 2 levy, the board of supervisors shall, each year thereafter during the
 3 life of the bonds, levy on all the property of the county such part
 4 of such authorized tax as will clearly meet (1) the matured or matur-
 5 ing interest for the ensuing year on all such outstanding bonds, and
 6 (2) any amount of maturing principal of bonds, provided, however,
 7 that only so much of said tax shall be levied in any year for principal
 8 of said bonds, if any, as can not be met (a) by the county's allotment
 9 of the primary road fund available for such ensuing year, and (b) by
 10 the proceeds of special assessments on benefited property.

[38 G. A., ch. 237, § 27.]

SEC. 2936. Bonds—issuance—sale—retirement—terminating interest—exemption from taxation.

1 All bonds issued under the provisions of this chapter shall be
 2 issued in serial form. Each issue shall be authorized by a duly adopted
 3 resolution of the board, which resolution shall be entered at large in
 4 the minutes of the board. Such resolution shall clearly specify the
 5 number of bonds authorized, the amount of each bond, the number or
 6 designation of each bond, the rate of interest which each bond shall
 7 bear from date, which interest shall not exceed five per cent per
 8 annum, payable annually, the date of maturity of each bond, and the
 9 authorization to the chairman of the board to sign, and to the county
 10 auditor to countersign, the same. When signed and countersigned,
 11 the county auditor shall charge the county treasurer with the amount
 12 of same and deliver the same to the county treasurer, who shall be
 13 responsible therefor on his bond.

14 The county treasurer shall, when so directed by the board, apply
 15 any part or all of said bonds in payment of any warrants duly
 16 authorized and issued for the particular purpose for which such bonds
 17 are issued, provided the same are applied, for at least par of such
 18 bonds plus all accrued interest, or the county treasurer shall, when so
 19 directed by the board, advertise and sell any part or all of said bonds
 20 for the best attainable price, and for not less than par plus all accrued
 21 interest, and apply the proceeds wholly for a like purpose. Said adver-
 22 tisement shall be inserted once a week for at least two weeks in one
 23 official county paper in the county, and for a like period in at least one
 24 newspaper of general circulation throughout the state, and may
 25 include one or more periodicals devoted to the interest of investors.

26 Bonds of each series shall be retired in the order of the issuance
 27 of each series. The county treasurer shall, in disposing of said bonds,
 28 keep an accurate record of the name and postoffice address of all
 29 persons to whom any of said bonds are issued, with a particular
 30 designation and description of the bonds delivered to each person.
 31 Any subsequent holder of any of such bonds may present the same
 32 to the county treasurer and cause his name and postoffice address to
 33 be entered in lieu of such former holder. Whenever the fund from
 34 which such bonds are payable is sufficient to pay the legally retireable
 35 series of any issue of bonds, the county treasurer shall, by mail, as
 36 shown by his records, promptly notify the record holder thereof of
 37 such fact, and from and after the expiration of twenty days from the
 38 mailing of such notice, all interest on such bonds shall cease. If bonds
 39 are presented and paid prior to the expiration of such time, interest

40 shall be computed only to the time of such presentation and payment.
 41 Bonds, and road certificates (whether issued in anticipation of special
 42 assessments or in anticipation of annual allotments of the primary
 43 road fund), shall not be taxed.

[38 G. A., ch. 237, § 28.]

SEC. 2937. Auditor to certify authorization and issuance of bonds.

1 The county auditor shall certify to the state highway commission
 2 a correct copy of each resolution which authorizes the issuance of
 3 bonds or road certificates which are anticipatory either of special
 4 assessments or annual allotments, and from time to time a like certifi-
 5 cate as to the actual issuance of bonds or road certificates, under such
 6 resolution, together with such data relative thereto as the commis-
 7 sion may demand.

[38 G. A., ch. 237, § 29.]

SEC. 2938. Retirement of immature bonds.

1 Whenever available funds created under this chapter are not
 2 needed for pending or contemplated improvements, the board of super-
 3 visors may, with the consent of any holder of immaturred bonds, retire
 4 the same by purchase at a price not exceeding par and accrued interest.

[38 G. A., ch. 237, § 30.]

SEC. 2939. Validation of tentative contracts—election.

1 If any county desires to proceed with the hard surfacing of the
 2 primary roads of said county at a more rapid rate than would be
 3 accomplished by merely employing its allotted portion of the primary
 4 road fund as it becomes available from year to year, it may in lieu
 5 of the procedure provided in section twenty-nine hundred thirty-three
 6 proceed as follows: The board of supervisors may enter into one or
 7 more tentative contracts for the hard surfacing of any designated
 8 number of divisions of one or more of such roads of its county. Such
 9 tentative contract or contracts shall be entered into in the same man-
 10 ner and under the same formality and procedure heretofore prescribed
 11 for the execution of contracts. Such tentative contracts shall not be
 12 effective as contracts until validated by the voters of the county as
 13 herein provided, and shall so recite.

14 Upon the execution of such tentative contract or contracts, the
 15 board of supervisors may submit to the voters of the county, at a
 16 general election or at a special election called by the board for such
 17 purpose, the question of validating said contract or contracts and of
 18 issuing bonds and of levying a tax to meet the cost of such work.
 19 Special elections shall be conducted in the same manner as general
 20 elections are conducted.

21 Notice of such election shall be given by publication once each
 22 week for two successive weeks in all the official newspapers of the
 23 county, stating the time when such election will be held, and sub-
 24 stantially the proposition that will be submitted; the last publica-
 25 tion to be at least five days prior to the day such election is to be held.

26 If any such contract is to be submitted for validation, the said
 27 questions shall be set forth on the ballots substantially as follows:
 28 "Shall the following contract be validated, to wit: the contract entered
 29 into by the board of supervisors on the day of"

30 and approved by the state highway commission on the day
 31 of between county and
 32 (specifying the name of the contractor) for the hard surfacing of
 33 road with material, and shall the
 34 board of supervisors be authorized to issue bonds of this county in an
 35 amount not exceeding dollars for the purpose of
 36 providing the funds with which to pay for such hard surfacing, and
 37 shall the board of supervisors be authorized to levy a tax from year to
 38 year on all the property in the county in an amount not exceeding
 39 mills in any one year for the payment of the principal
 40 and interest of said bonds, provided, however, that the annual allot-
 41 ments to the county of the primary road fund shall be used to retire
 42 the bonds as they mature, and only such portion of said tax shall be
 43 levied, if any, as is necessary to pay the interest annually and to meet
 44 any deficiency between the maturing principal of such bonds and the
 45 allotments aforesaid?"

46 Immediately to the right of said proposition shall appear two
 47 squares, one above the other. Immediately after the first square shall
 48 appear the word "yes". Immediately after the other square shall
 49 appear the word "no". The voter shall indicate his vote by a cross
 50 in the appropriate square. If more than one contract is to be sub-
 51 mitted at said election, for validation and for authorization to issue
 52 bonds and to make tax levy, the proposition pertaining to each con-
 53 tract shall be separately stated on the same ballot and each proposi-
 54 tion shall be complete in itself, but the voting thereon shall be
 55 collectively and not separately.

[38 G. A., ch. 237, § 31.]

SEC. 2940. Result of election—procedure to test legality.

1 The returns of such election shall be canvassed by the board of
 2 supervisors, and its findings shall be entered at large in the minutes
 3 of the proceedings. If more than one contract has been submitted,
 4 and if a majority of the votes be against the validation of such tenta-
 5 tive contracts then all the said contracts submitted at said election
 6 shall be of no further force and effect. If the majority of the votes
 7 be in favor of such tentative contract or contracts, then the same shall
 8 be deemed a contract in fact. Actions to test the legality of such elec-
 9 tion or of any proceedings relating thereto, shall be instituted within
 10 thirty days after the findings of the board as to such election have
 11 been entered of record, and not afterwards.

[38 G. A., ch. 237, § 32.]

SEC. 2941. Bonds in re validated contracts.

1 If said contract or contracts be validated, the board of super-
 2 visors shall from time to time, and as necessary to meet the construc-
 3 tion cost and expense incidental thereto, issue serial bonds in such
 4 denominations and amounts as will, in its judgment, afford the most
 5 advantageous sale, and at a rate of interest, payable annually, not
 6 exceeding five per cent per annum, provided that said bonds shall only
 7 be issued for such part of such costs and expenses which can not be
 8 met by the funds immediately available from the primary road fund
 9 and from the proceeds of special assessments herein provided for. No
 10 bonds shall be sold for less than par value plus all accrued interest

11 thereon. No bonds shall be issued with maturity date postponed more
12 than fifteen years.

[38 G. A., ch. 237, § 33.]

SEC. 2942. Bond levy in re validated contracts.

1 If said contract or contracts be validated, the board of supervisors
2 shall each year thereafter, and during the life of the bonds, levy
3 such tax within the limits authorized at said election, on all the prop-
4 erty in the county as will fully meet, first, all matured or maturing
5 interest for the ensuing year on all outstanding bonds, and second, any
6 amount of matured or maturing principal of bonds for the ensuing
7 year, if any, which can not be paid from the county's estimated allot-
8 ment of the primary road fund for such year and from proceeds of
9 special assessments, and any balance remaining in said fund as pro-
10 ceeds of said levy when all bonds and interest thereon shall have been
11 paid, shall be transferred to the county road cash fund of such county.

[38 G. A., ch. 237, § 34.]

SEC. 2943. Improvements within cities and towns.

1 The board of supervisors shall not drain, grade or hard surface
2 any highway within the limits of cities. Draining and grading on the
3 primary system within towns shall be done by said town at its own
4 expense. The board of supervisors is hereby given plenary jurisdic-
5 tion to hard surface, within any town, any road or street which is a
6 continuation of the primary road system of the county, providing that
7 no hard surfacing constructed hereunder in any town shall exceed
8 eighteen feet in width. After the completion of such improvement
9 the same shall be maintained by the town and such town shall rest
10 under the same obligation of care as to such improvement as is now
11 provided by law for roads and streets generally. Any such town,
12 through its council, and each county of the state, through its board
13 of supervisors, are hereby authorized to enter into written agree-
14 ments, subject to the approval of the state highway commission, to
15 determine the location of such improvements within such towns. In
16 case of disagreement, the matter shall be referred to the state high-
17 way commission, whose decision shall be final.

[38 G. A., ch. 237, § 35.]

SEC. 2944. Improvements of county line road—procedure.

1 Boards of supervisors of adjoining counties may jointly agree
2 on a district for the hard surfacing of roads in the following cases:
3 1. When a primary road substantially parallels a county bound-
4 ary line and is not more than one mile from such boundary line, or
5 2. When a primary road approaches a county boundary line at
6 such an angle that the hard surfacing hereunder of such road will
7 reasonably necessitate a district with a substantial part thereof in
8 different counties, or
9 3. When a primary road constitutes a common boundary line
10 between different counties.
11 In case of common boundary line roads, said boards may also
12 jointly agree as to which county, through its board of supervisors,
13 shall construct said improvement. Such agreements shall be subject
14 to the approval of the state highway commission. If such agreements
15 are entered into and so approved, the county in which the paralleling

16 or angling road is situated shall construct the said improvement as
17 herein provided. If such agreements are entered into relative to a
18 common boundary line road, said improvement shall be constructed
19 by the county agreed on. Should said boards be unable to agree on
20 the district for the improvement of a paralleling or angling road, or
21 should the boards be unable to agree on the district for the improve-
22 ment of a common boundary line road and also as to which board
23 shall construct the improvement, either board may apply to the state
24 highway commission for a decision in the matter. The said commission
25 shall, by proper order, fix the limits of the district. It shall also de-
26 termine which county shall construct the hard surfacing on the com-
27 mon boundary line road. Said order shall be final. Such order shall
28 be certified to each board, and the board of the county to which con-
29 struction has been assigned shall enter such order at large in the min-
30 utes of its proceedings, and proceed with the construction of such
31 hard surfacing in the same manner as though the district and the real
32 estate therein were wholly within their county, except that the board
33 of apportionment shall file its report with the board of supervisors of
34 all counties in which any of such real estate is located.

35 The county auditor of the county constructing the hard surfacing
36 shall fix a time for a hearing on said report, and shall cause notice
37 thereof to be given as in cases where the district and the real estate
38 therein are wholly within one county, except that said notice shall
39 be published in one of the official newspapers of each of the counties
40 in which any of the real estate is situated.

41 All subsequent proceedings including objections, final confirma-
42 tion and appeals shall proceed in the same manner as though the real
43 estate therein were wholly within the constructing county, except that
44 the county auditor of the county constructing the improvement shall,
45 after the final apportionment has been determined and levied, certify
46 a list of the real estate lying in the nonconstructing county or coun-
47 ties and the amount levied thereon, to the county auditor and treasurer
48 of such nonconstructing county. Such assessment and levy, when so
49 certified, shall have the same force and effect as though the same had
50 been duly and legally made by the board of supervisors of such non-
51 constructing county, and the board of supervisors, auditor and treas-
52 urer of such nonconstructing county shall henceforth proceed with
53 the collection of said levy on such real estate in their county as though
54 such levy had arisen out of an improvement proceeding wholly within
55 their county, and when the amount of such levy has been collected,
56 either by cash payments by the property owner, or by the sale of cer-
57 tificates, said county treasurer shall hold the same as a reimbursement
58 to said county on its allotments from the primary road fund.

59 As soon as the final apportionment and levy have been made, the
60 board of supervisors of the constructing county shall, through its
61 county auditor, certify to the state highway commission the total
62 amount of the levies on the real estate in the nonconstructing coun-
63 ties, and the state highway commission shall credit the constructing
64 county and charge the nonconstructing county with the amount of
65 such certificate.

66 If the improvement is for hard surfacing a county boundary line
67 road, that portion of the total cost thereof not specially assessable, to
68 wit, seventy-five per cent, shall be taken equally from each county's
69 apportionment of the primary road fund. If the improvement is for
70 hard surfacing a paralleling or angling road, said seventy-five per

71 cent of the total cost shall be taken wholly from the apportionment of
 72 the county wherein the paralleling or angling road is located. Any
 73 differences, not herein specifically provided for, arising between dif-
 74 ferent counties, relative to the improvement of common boundary
 75 line roads, shall be referred to the state highway commission, and its
 76 decision shall be final.

[38 G. A., ch. 237, § 36.]

SEC. 2945. Improvements of city boundary line road—procedure.

1 Whenever any public highway that is a part of the primary road
 2 system is located along the corporate line of any city, it may be im-
 3 proved by hard surfacing by the board of supervisors as part of the
 4 primary system under this chapter. In such case, one-half the cost of
 5 such hard surfacing along said corporate line shall be paid by such
 6 city, and the board of supervisors of the county and the city council
 7 of such city are hereby authorized to agree in writing for the payment
 8 by the city of one-half the cost of such improvement, and in case they
 9 can not agree upon the amount to be paid by the city, and date when
 10 payment is to be made, the matter shall be referred to the state high-
 11 way commission, whose decision shall be final. Said city may pay
 12 said amount from its general fund, or it may proceed under sections
 13 thirty-nine hundred twelve to thirty-nine hundred twenty-two, in-
 14 clusive, for the assessment and collection of such cost, or it may pay
 15 in the first instance from such general fund and reimburse said
 16 fund thereafter from proceeds realized from such assessment pro-
 17 ceeding. The city in such case, for prompt realization of funds, shall
 18 have the right to issue road certificates in anticipation of taxes and
 19 assessments to be realized from such assessment proceeding under
 20 said sections.

[38 G. A., ch. 237, § 37.]

SEC. 2946. Maintenance of primary roads—procedure in case of default.

1 Primary roads outside of towns shall be maintained by the board
 2 of supervisors under the patrol system provided by chapter eight
 3 hereof, and when so maintained under the said patrol system to the
 4 satisfaction of the state highway commission, the county's allotment
 5 of the primary road fund may be drawn on for such maintenance.

6 Primary roads, after the hard surfacing of the same, shall be
 7 maintained under said patrol system wholly out of the county's allot-
 8 ment of the primary road fund. If any county fails to maintain any
 9 of its hard surfaced roads to the satisfaction of the state highway
 10 commission, said commission shall have power to assume charge of
 11 such maintenance and pay therefor out of said county's allotment of
 12 the primary road fund. The amount of maintenance vouchers, when
 13 the work has been done by the said commission, shall be charged to the
 14 county's allotment account, and warrants for the amount of such
 15 vouchers shall be issued by the auditor of state on presentation of
 16 such vouchers, and paid by the treasurer of state as in other cases.

17 In case any town fails to do the draining and grading required to
 18 be done in such town in primary roads about to be improved here-
 19 under or fails to maintain, to the satisfaction of the state highway
 20 commission, any hard surfacing constructed hereunder in said town,
 21 the said commission shall have power to assume charge of such grad-
 22 ing, draining, or maintenance and pay for the same from the primary

23 fund belonging to said county, and, in such case, the cost thereof shall
 24 be certified by said commission to the county treasurer, who shall re-
 25 imburse the primary fund of the county by deducting the amount from
 26 the next succeeding apportionment of tax funds belonging to the gen-
 27 eral fund of said town.

[38 G. A., ch. 237, § 38.]

SEC. 2947. Additions to primary road system.

1 After the primary road system, as now constituted, or as it may
 2 hereafter be constituted by authorized modifications, is fully improved
 3 by hard surfacing or graveling as by this chapter provided, the state
 4 highway commission shall add such lateral or other additional roads
 5 to said system in any county as the board of supervisors may recom-
 6 mend, and after such addition the board may proceed with the im-

9 In the resolution providing for the submission to the voters of the
 10 question of a bond issue for development of the primary system as
 11 provided in section twenty-nine hundred thirty-three, the board may
 12 also outline or indicate any lateral roads, part of the secondary sys-
 13 tem, which it ultimately contemplates improving after the primary
 14 system has been finished, but such action shall not be deemed a ma-
 15 terial matter in any way affecting the validity of such bond issue for
 16 such primary roads, nor shall such action interfere in any way with
 17 the earlier improvement of such lateral roads under statutes relating
 18 to the improvement of roads in the secondary system.

 10 and to pay for the same out of the state highway commission main-
 11 tenance fund.

12 Should the government of the United States provide for free dis-

 14 for use in road improvement, the state highway commission is em-
 15 powered to receive and receipt for such machinery and equipment,
 16 and to take such action as will secure to the state the benefit of any
 17 such tenders by the federal authorities. Said commission is further
 18 authorized, in the event of such distribution to the states by the federal
 19 authorities, to make such apportionment of said machinery or other
 20 equipment among the counties of the state as in its judgment will best
 21 facilitate work in progress or contemplated by any county or coun-
 22 ties, but the title and right of possession of such property so received
 23 from the federal government shall at all times rest in the state high-
 24 way commission for the use and benefit of the state. The executive
 25 council is hereby authorized to pay the expense, if any, attending the

26 transportation of such machinery or other equipment to the state of

 6 as certified by the state highway commission. Said fund shall be used
 7 for engineering work in connection with federal aid road projects and
 8 paid out only on properly itemized vouchers approved by the state
 9 highway commission and audited by the state board of audit.

[38 G. A., ch. 237, § 42.]

SEC. 2951. Limitation on indebtedness.

 6 previous to the incurring of such indebtedness.

[38 G. A., ch. 237, § 43.]

SEC. 2952. Donations.

1 The board of supervisors is empowered to accept on behalf of the
 2 county donations of property in aid of highway construction, and from

 6 thereof to properly account therefor shall be the same as attends any
 7 other property of the county.

[38 G. A., ch. 237, § 44.]

SEC. 2953. State highway maintenance fund—audit of expenditures.

1 There is hereby created a fund for the maintenance of the state
 2 highway commission consisting of two and one-half per cent of all
 3 moneys paid into the state treasury under the act regulatory of licenses
 4 on motor vehicles. Said fund shall be used for no other purpose than
 5 as a maintenance fund for said state highway commission, and shall
 6 be drawn out only on warrants drawn by the auditor of state on item-

7 ized vouchers approved by the state highway commission. The ex-
 8 penditures of said commission shall be audited by the executive coun-
 9 cil, and a full and complete report of all said expenditures shall be
 10 published in the annual report under the act creating the state high-
 11 way commission. At the end of each biennial period, the unexpended
 12 funds remaining in the highway maintenance fund for said biennial
 13 period shall be placed to the credit of the primary road fund.

[38 G. A., ch. 237, § 45.]

SEC. 2954. Secondary road system defined.

1 The secondary road system shall embrace the following classes of
 2 roads: (1) County roads which now exist of record, or which may
 3 hereafter exist of record by additions from the township roads, ex-

 6 and towns. The county road cash fund, under the jurisdiction of the
 7 board of supervisors, and the township road funds, under the juris-
 8 diction of the township trustees, are hereby wholly dedicated and
 9 pledged after July one, nineteen hundred twenty, to the county and
 10 township roads respectively as provided by law.

[38 G. A., ch. 237, § 46.]

**SEC. 2955. Assessment districts embracing secondary roads—
 survey and report—notice—hearing.**

1 In order to provide for the graveling, oiling, or other suitable
 2 surfacing of roads of the secondary system, the board of supervisors
 3 shall have power, on petition therefor, to establish road assessment
 4 districts, but such districts need not necessarily follow the zone limits
 5 provided herein for the improvements of primary roads. Said peti-
 6 tion shall intelligently describe the lands within said proposed dis-
 7 trict, and the road or roads therein which the petitioners desire im-
 8 proved, and the general nature of the improvement proposed on each
 9 of said roads. Improvements may be proposed in the alternative.
 10 Said petitions shall be signed by twenty per cent of the owners of the
 11 lands within the proposed district who are residents of the county.

12 Said petition shall be filed with the county auditor, whereupon
 13 the board of supervisors shall cause the county engineer to person-
 14 ally examine all the roads within such proposed district and to deter-
 15 mine the relation of such roads to the lands within such proposed
 16 district, and the relation of such roads to any of the roads of the pri-
 17 mary road system, and the necessity, if any, for further grading or
 18 draining of such roads.

19 The engineer shall embody his finding in a report to said board.
 20 He may recommend the establishment of the district as requested, or
 21 with such modifications as, in his judgment, are advisable, including
 22 a recommendation as to an increase or decrease of the size of the dis-
 23 trict as proposed by the petitioners. The engineer's report shall in-
 24 clude a plat showing, in accordance with his recommendations, the
 25 highways to be improved and benefited.

26 Upon the filing of said report by the engineer, the board of super-
 27 visors shall fix a time for hearing thereon, and shall cause the county
 28 auditor to serve notice by publication as hereinafter provided, of the
 29 pendency of said petition on all owners of said land lying within said
 30 proposed district, as recommended by the engineer.

31 Said notice shall contain the time and place of hearing on said
 32 petition, an intelligent description of all of the lands lying within said
 33 district, and the ownership thereof, as shown by the transfer books
 34 in the auditor's office, and shall be published for two consecutive
 35 weeks in some newspaper published in the English language within
 36 the proposed district, if there be such newspaper, and if there be no
 37 such newspaper within such district, then the said notice shall be so
 38 published in some such newspaper in the county as near as practicable
 39 to said district. Proof of such publication shall be made by the pub-
 40 lisher by affidavit duly filed with the county auditor.

41 Hearings on said petition may be adjourned from time to time
 42 without loss of jurisdiction on the part of the board. On the final
 43 hearing, the board shall proceed to a determination of said matter.
 44 It may reject the proposal or it may approve the same and establish
 45 the district as petitioned for. It may modify the petition either by
 46 excluding lands therefrom or by adding lands thereto, or otherwise
 47 modify the same, or the board may withhold final order in such mat-
 48 ter until such roads, or any designated part thereof, are drained or
 49 graded to their satisfaction. No lack of definiteness, either in the
 50 petition or in the engineer's report, shall be deemed a jurisdictional
 51 defect, and the final order of the board of supervisors establishing
 52 the district shall be final. In establishing a district, the board of
 53 supervisors shall determine and enter of record the general nature of
 54 the improvement to be constructed on the different roads within the
 55 district, or may determine such improvements in the alternative and
 56 may determine on one class of improvement for some roads and a
 57 different class for other roads.

[38 G. A., ch. 237, § 47.]

SEC. 2956. Highway commission furnished copy of plat.

 3 mission a copy of the order establishing the district and a copy of the
 4 engineer's plat.

[38 G. A., ch. 237, § 48.]

SEC. 2957. Plans for secondary improvements—bids.

1 Upon the establishment of a district in such secondary road sys-
 2 tem, the county engineer shall prepare the plans for the improve-
 3 ments contemplated by the order of the board establishing the dis-
 4 trict, which plans shall be accompanied by the standard specifications
 5 of the state highway commission for the class of improvements con-
 6 templated. Upon the filing of said plans and specifications, and upon
 7 receiving the agreement of the township or townships to pay their
 8 portion of the improvement of township roads, if any, the board shall,
 9 in accordance with their order relative to the class or classes of im-
 10 provements, proceed to advertise for bids, and shall proceed as pro-
 11 vided in section twenty-nine hundred nineteen, provided that con-
 12 tracts involving less than five thousand dollars need not be approved
 13 by the state highway commission.

[38 G. A., ch. 237, § 49.]

SEC. 2958. Inspection of work.

1 It shall be the specific duty of the board of supervisors to see that
 2 all contracts on said secondary roads are faithfully executed. The

3 county engineer shall maintain competent inspection of the work dur-
 4 ing the progress thereof, and in the certification of bills and the issu-
 5 ance of warrants the engineer and the county auditor shall rest under
 6 the same responsibility as now attends such acts relative to road work,
 7 and tile, tiling, culvert and bridge construction.

[38 G. A., ch. 237, § 50.]

SEC. 2959. Payment for secondary improvements—maintenance.

1 The total cost of improving a county road in said secondary sys-
 2 tem within said district, by oiling, graveling or other suitable surfac-
 3 ing, shall be apportioned and paid in the proportion of seventy-five
 4 per cent from the county road cash fund and twenty-five per cent from
 5 assessments on benefited lands. The total cost of so improving a
 6 township road within said district shall be apportioned and paid in
 7 the proportion of twenty-five per cent from the county road cash fund,
 8 fifty per cent from the township road funds of the township or town-
 9 ships embracing said township road (according to their relative mile-
 10 age) and twenty-five per cent from the special assessments on bene-
 11 fited lands.

12 A county road, after it is so improved, shall be maintained by
 13 the board of supervisors from the county road cash fund. A town-
 14 ship road, after it is so improved, shall be maintained by the town-
 15 ship trustees from township funds, unless the improvement is of so
 16 substantial and permanent a nature, as that the board of supervisors
 17 shall by resolution add such road to the county road system, to be
 18 maintained as such.

[38 G. A., ch. 237, § 51.]

SEC. 2960. Advancing costs and reimbursement of funds.

1 The total cost of such improvements on said secondary roads
 2 shall, in the first instance be paid from the county road cash fund, or
 3 jointly from such fund and from the proceeds of all special assess-
 4 ments and road certificates issued against special assessments on lands
 5 within the district, or by direct application of such certificates to such
 6 cost.

7 In case of the improvement of a county road, the said county road
 8 cash fund shall be reimbursed for amounts advanced in excess of its
 9 legal contribution, from the proceeds of all assessments on benefited
 10 property, and from the proceeds of all road certificates which repre-
 11 sent such special assessments.

12 In case of the improvement of a township road, said fund shall
 13 be reimbursed to the extent of twenty-five per cent of the total cost
 14 of the improvements from said special assessments and road certifi-
 15 cates, and fifty per cent from the township road fund, or the township
 16 drag fund, or from the township drainage fund or from any or all of
 17 said funds. The trustees are authorized to transfer to the county
 18 from any or all of such township funds the amount sufficient to effect
 19 such reimbursement.

20 Should the trustees neglect to make such transfers, the county
 21 treasurer, on order from the board, shall withhold from such town-
 22 ship sufficient of its tax funds as will effect such reimbursement, and
 23 transfer such amount to the county road cash fund, or the board of
 24 supervisors may levy such direct tax against the property within said
 25 delinquent township as will effect such reimbursement.

26 If the district as finally established, embraces and contemplates
 27 the improvement of a township road, the board of supervisors shall
 28 proceed no farther as to such township road until the township which
 29 embraces such road shall agree in writing, signed by a majority of
 30 its trustees, to pay its portion, as herein required, of the total cost of
 31 said improvement. Said written agreement shall be deemed the finan-
 32 cial obligation of the township and not of the trustees individually.
 33 If such township road is on a township line, such agreement shall be
 34 executed by both townships, and one-half of that portion of the cost
 35 payable from township funds shall be borne by such township.

[38 G. A., ch. 237, § 52.]

**SEC. 2961. Special assessments for secondary road improve-

1 Special assessments shall be levied upon the lands within dis-
 2 tricts embracing secondary roads, in the aggregate amounts herein-
 3 before provided, and such amount shall be apportioned and levied
 4 within said district in the manner heretofore provided in case of im-
 5 provements within primary road districts, it being the intent of this
 6 section that the appointment of apportioners, the apportioning of
 7 benefits, the notice thereof and hearing thereon, and all procedure in
 8 connection therewith which leads to and culminates in the final col-
 9 lection and payment of such benefits, including the issuance of road
 10 certificates, shall be governed by the provisions of this chapter ap-
 11 plicable thereto, except that no additional lands shall be included
 12 within the district after same is established by the board of super-
 13 visors.

[38 G. A., ch. 237, § 53.]

SEC. 2962. Additional township levy.

1 The township trustees are hereby empowered to levy an addi-
 2 tional tax on all the taxable values in the township not exceeding two
 3 mills for use on township roads, said levy to be additional to all exist-
 4 ing township levies.

[38 G. A., ch. 237, § 55.]

SEC. 2963. State treasurer to credit primary fund with interest.

1 The state treasurer shall, quarterly, credit to the primary road
 2 fund, all sums accruing after January one, nineteen hundred twenty,
 3 to the state as interest on deposits of funds derived by the state from
 4 acts regulatory of motor vehicles, except interest on such part, if any,
 5 of said fund as may be retained in the state treasury as a maintenance
 6 fund for the administration of the motor vehicle department.

9 giving the list price and weight of the model of the motor vehicle that
10 is offered for registration, except that the county treasurer shall have
11 authority to fix the value and weight of any rebuilt or foreign car or
12 any car on which the list price and weight is not available, provided the
13 department shall have authority to review the action of the county

SEC. 3059. Lien—penalties—procedure in re delinquents—remittance by treasurer.

1 All registration or other fees herein or heretofore provided for in
2 this chapter shall be and continue a lien against the motor vehicle for
3 which said fees are payable until such time as they are paid as pro-
4 vided by law, with any accrued penalties. The lien of the original
5 registration fee shall attach, at the time the same is first payable, as
6 provided by law, and the lien of all renewals of registration shall
7 attach on January first of each year thereafter. The collection of
8 same may be enforced against any motor vehicle or it may be col-
9 lected by suit against the owner who shall remain personally liable
10 therefor until such time as the transfer thereof shall be reported to
11 the county treasurer or until such time as said vehicle ceases to be in
12 use and all fees and penalties to such date shall be paid. On January
13 first of each year, a penalty of one dollar shall be added to all fees
14 not paid by that date, and one dollar shall be added to such fees on
15 the first of each month thereafter that the same remains unpaid,
16 until paid.

17 On April first of the year nineteen hundred twenty-one, and
18 annually thereafter, the department shall forward to the county treas-

19 urer of each county, a list of all motor vehicles in said county on
20 which the registration fee has not been paid, showing the amount of
21 the delinquent fee, registration number, make and factory number,
22 together with the name and address of the owner of each car as dis-
23 closed by the records. In the first week of May of each year the
24 county treasurer shall cause to be published in each of the official
25 newspapers in his county, a list of all motor vehicles owned within his
26 county upon which the license fee has not been paid for that year.
27 Such list shall show the factory number, make and model of the
28 vehicle together with the name and postoffice address of the owner
29 thereof as shown by the records of his office and the amount of the
30 license fee and penalty due upon the vehicle. Immediately after the
31 publication of the list as herein provided, it shall be the duty of the
32 county treasurer to collect the license and penalty.

33 The county treasurer shall collect from each delinquent, fifty
34 cents on each vehicle on which the fee is delinquent to cover cost of
35 publication. The cost of publication provided for in this section shall
36 be paid as other bills for the maintenance of the department, but shall
37 first be certified by the county treasurer of the county in which the
38 publication was made, and approved by the department. He shall in
39 all cases collect and remit to the department the correct license fee
40 on each motor vehicle registered by him and shall be responsible on
41 his bond for such amount.

42 All fees and penalties collected by the county treasurer shall be
43 remitted to the department on or before the fifteenth day of each
44 month following their collections in the same manner as provided by
45 section forty-seven hundred sixty-nine.

46 It shall be the duty of the county treasurer to deliver to the
47 sheriff of the county, fifteen days from the date of publication of the
48 delinquent motor list, a certified list of the motor vehicles on which
49 the fees are delinquent, as shown by the record of his office, which
50 list shall show name and address of owner, make of car, license num-
51 ber, factory and engine number, amount of fees and penalty due.

52 It shall be the duty of the sheriff of the county to forthwith pro-
53 ceed to the collection of the unpaid fees and penalties as certified to
54 him by county treasurer by taking possession of the motor vehicle
55 described in said certified list and proceed to advertise and sell same
56 upon ten days' notice for the purpose of collecting fees, penalties and
57 costs. Said certified list shall for all purposes be a sufficient war-
58 rant therefor. The procedure of the sale of the motor vehicle for the
59 collection of the license fees, penalties and costs shall be the same as
60 that provided for the collection of the taxes on personal property by
61 distress and sale as set forth in section forty-six hundred sixty-six.
62 Should a motor vehicle on which the fee is delinquent be removed from
63 the county in which it was originally registered, either by transfer
64 or removal by owner to another county, without having notified the
65 county treasurer or department of such removal and the sheriff know-
66 ing to which county same was removed, may forward the warrant
67 to the sheriff of the county where such motor vehicle is at that time,
68 when he shall proceed to collect the same as though the vehicle had
69 been originally registered in his county, and make return to the
70 county treasurer of the county from which he received the warrant.

71 The sheriff shall be entitled to receive as costs, the sum of two
72 dollars for serving the writ or warrant of seizure and ten cents for
73 each mile actually traveled by him in collecting the fee and penalties,

74 and one dollar per day for care of the motor vehicle while in his pos-
 75 session, which shall be collected from the owner of such delinquent
 76 motor vehicle, such costs and mileage, and costs of care while in his
 77 possession, shall be retained by him in full for his services.

78 When the fee and penalties have been collected the same shall
 79 forthwith be returned to the county treasurer, together with a report
 80 showing the name and address of the owner and description of car
 81 upon which such fee was collected. Thereupon the county treasurer
 82 shall issue to the owner number plates and a receipt showing pay-
 83 ment of fees and penalties.

 16 this chapter.

17 It shall be the duty of the department to install and maintain a

 26 address, date of issue, fee paid, license number, make of car, style of
 27 car, model, engine number, factory number, and signature of owner.
 28 The reverse side of the certificate of registration shall contain notice

SEC. 3061. Transfer of ownership—procedure.

1 Upon the transfer of ownership of any registered motor vehicle,
 2 the owner shall immediately give notice to the county treasurer, upon
 3 the form on the reverse side of the certificate of registration, stating
 4 the date of such transfer, the name and postoffice address, with street
 5 number if in a city, of the person to whom transferred, the license
 6 number, and such other information as the department may require.

7 The purchaser of the motor vehicle shall join in the notice of transfer
8 to the county treasurer and shall at the same time make application
9 for the transfer of the motor vehicle and for a new certificate of
10 registration.

11 Upon filing the application for transfer, the applicant shall pay a
12 fee of one dollar for the transfer, thereupon the county treasurer, if
13 satisfied of the genuineness and regularity of such transfer, shall
14 register said motor vehicle in the name of the transferee and issue a
15 new certificate of registration as provided in this chapter. Until said
16 transferee has received said certificate of registration and has written
17 his name upon the face thereof, delivery and title to said motor vehicle
18 shall be deemed not to have been made and passed. The county treas-
19 urer shall forthwith notify the department of such transfer and upon
20 receipt of such statement, the department shall file such statement in
21 his office and note upon the registration book or index, such change of
22 ownership.

SEC. 3062. Fees in lieu of taxes.

**SEC. 3063. Purchase of secondhand vehicles—conditions—de-
facement—penalties.**

1 It shall be unlawful for any person, firm, association, or cor-
2 poration to buy any secondhand or used automobile, or motor vehicle
3 without requiring and receiving from the vendor thereof, a certificate
4 of registration and transfer from the officer whose duty it is to reg-
5 ister or license motor vehicles in the state in which said motor vehicle
6 is registered or licensed, showing the factory number, license number,
7 description, and ownership of said motor vehicle or to sell or offer for
8 sale any secondhand or used motor vehicle without furnishing to the
9 vendee of said motor vehicle, a certificate of registration and transfer
10 from the officer whose duty it is to register or license motor vehicles
11 in the state in which said motor vehicle is registered or licensed,
12 showing the factory number, description, license number and owner-

14 It shall be unlawful for any person, firm, association or corpora-

16 bling number of a motor vehicle or registration number of a certificate
17 of registration or to have in his or its possession a motor vehicle, the
18 serial number or engine number of which is defaced, altered or
19 tampered with unless said person, firm, association or corporation
20 has in his or its possession a certificate of registration and transfer
21 from the officer whose duty it is to register or license motor vehicles
22 in the state in which said motor vehicle is registered, showing good
23 and sufficient reason why numbers are defaced, changed or tampered
24 with; and also showing the original serial or engine number, and
25 also showing the ownership of said motor vehicle.

26 Any person, firm, association or corporation found guilty, per-
27 sonally or by agent, of violating any of the provisions of this section
28 shall be imprisoned in the penitentiary not more than five years or be
29 fined not more than one thousand dollars or be imprisoned in the
30 county jail not more than one year.

[38 G. A., ch. 275, § 20.]

SEC. 3064. Operation without registration—nonresidents.

1 Upon the sale of a motor vehicle by a manufacturer or dealer,
2 the vendee shall at once make application by mail or otherwise, for
3 registration thereof, after which he may operate the same upon the
4 public highway without its individual number plate thereon for a
5 period of not more than fifteen days, provided that during such
6 period the motor vehicle shall have attached thereto, in accordance
7 with the provisions hereof, both on the front and rear of such vehicle,
8 pasteboard cards bearing the words, "license applied for", and the reg-
9 istration number of the dealer from whom the car was purchased
10 together with the date of purchase plainly stamped or stenciled
11 thereon. The letters and figures upon such cards shall not be less

24 ten days provided it shall carry, both on the front and rear a paste-
25 board card bearing the words, "car in transit", and the date of pur-
26 chase. The words, letters and figures upon said car shall be of the
27 same size and general character as those required in this section for
28 the cards showing that application has been made for a license. Noth-
29 ing in this section, however, shall be construed so as to interfere with
30 the use of motor vehicles upon the highways of this state that are
31 owned by persons living in another state, regulation of which is pro-
32 vided for elsewhere in this chapter.

[S., '13, § 1571-m10; 38 G. A., ch. 275, §§ 1, 21.]

SEC. 3065. Display of plates and certificates and wrongful use thereof.

1 Every motor vehicle required to be licensed shall have conspicu-
2 ously displayed the number plates furnished, one on the front end
3 and one on the rear end of such vehicle, each securely fastened, so as
4 to prevent the same from swinging and each so placed that the same
5 shall not become habitually obscured by dust and mud. The number
6 plates of a junked or dismembered vehicle shall not thereafter be used,
7 and no number plate shall be detached from the vehicle for which it is
8 issued and to which it belongs for the purpose of using the same upon
9 any other vehicle, and any such plates shall not be used upon any
10 vehicle, other than that for which it was issued. The certificate of

11 registration issued by the county treasurer shall also be displayed in
12 a proper holder that will protect the same, of a kind approved by the
13 executive council and placed in plain view in such place on or in the
14 vehicle where the same can be easily seen by any peace officer or other
15 person desiring to ascertain when the license fee was paid, and
16 whether the car bears the proper certificate of registration.

17 The department may prescribe the exact location of such certifi-
18 cate container. The executive council may at its discretion approve
19 devices for holding and displaying the certificate of registration, and
20 may require such devices to receive and hold such certificate so that
21 when the certificate is removed from the holder the certificate will be
22 destroyed or mutilated so it can not be used on other vehicles. It shall
23 be unlawful to change the license numbers assigned by the county
24 treasurer to any motor vehicle, unless for some cause a new number
25 may be assigned according to law or to change the colors or make any
26 counterfeit of certificate of registration, or to use or display on any
27 motor vehicle any other than the certificate of registration licensing
28 such vehicle or to intentionally use or display any such certificate on
29 which the names, numbers, or data stated are not true, or do not cor-

32 that shall identify only the car on which same is carried.

33 Any violation of this section shall constitute a misdemeanor, and
34 upon conviction shall be punishable by a fine of not less than ten dol-
35 lars nor more than one hundred dollars, or by imprisonment not
36 exceeding thirty days.

[S., '13, §§ 1571-m11, 1571-m21; S. S., '15, § 1571-m12a; 38
G. A., ch. 275, §§ 1, 22.]

SEC. 3066. General registration by dealer.

1 Every person, firm, association or corporation manufacturing or
2 dealing in motor vehicles, may instead of registering each motor
3 vehicle, make an application for a general distinctive number for all
4 the motor vehicles owned or controlled by such manufacturer or dealer.
5 On the payment of a registration fee of twenty-five dollars, such appli-
6 cation shall be registered in the office of the department. The depart-
7 ment shall thereupon assign and issue to such manufacturer or dealer
8 a general distinctive number, and without expense to the applicant,
9 issue and promptly deliver to such manufacturer or dealer, a certifi-
10 cate of registration and two number plates with a number correspond-
11 ing to the number of such certificate.

12 Such number plates shall be displayed by each motor vehicle of
13 such manufacturer or dealer when the same is operated or driven on
14 the public highways. Such manufacturer or dealer may obtain as
15 many duplicates of such number plates as may be desired upon the
16 payment to the department of fifteen dollars for each duplicate set,
17 provided that if a manufacturer or dealer has an established place of
18 business in more than one city or town, such manufacturer or dealer
19 shall secure a separate and distinct certificate of registration and num-
20 ber plates for each such place of business. Nothing in this section
21 shall be construed to apply to a motor vehicle operated by a manu-
22 facturer or dealer for private use or for hire, which said motor vehicle
23 shall be individually registered as provided in this chapter.

[S. S., '15, § 1571-m14; 38 G. A., ch. 275, §§ 1, 23.]

SEC. 3067. Nonresident owners of vehicles.

1 The provisions of the foregoing sections relative to registration
2 and display of registration numbers shall not apply to a motor vehicle
3 owned by a nonresident of this state, other than a foreign corporation,
4 manufacturer or dealer doing business in this state, provided that the
5 owner shall have complied with the provisions of the law of the foreign
6 country, state, territory or federal district of his residence relative to
7 registration of motor vehicles and the display of registration num-
8 bers thereon and shall conspicuously display his registration numbers
9 as required thereby. The provisions of this section shall be operative
10 as to a motor vehicle owned by a nonresident of this state to the
11 extent that under the laws of the foreign country, state, territory or
12 federal district of his residence like exemptions and privileges are
13 granted to motor vehicles duly registered under the laws, and owned
14 by the residents of this state.

2 this state, shall be provided with adequate brakes.

3 *b* Every motor vehicle shall be equipped with a suitable bell,
4 horn, or other signalling device producing an abrupt sound sufficiently
5 loud to serve as an adequate warning of danger, but no persons operat-
6 ing any motor vehicle shall make or cause to be made any unneces-
7 sary noise with such bell, horn or signalling device, or use the same
8 except as a warning of danger. Loud signalling devices shall not be
9 used during the period of from one hour after sunset to one hour
10 before sunrise, unless absolutely necessary to avoid accidents.

11 An adequate signalling device shall in all cases be sounded on
12 approaching curves, tops of hills, and the intersecting highways in
13 the country where the operator's view is obscured.

14 *c* All motor vehicles in use on the public highways excepting
15 motorcycles, motor bicycles, and such motor vehicles as are properly

20 from the front, and of sufficient illuminating power to be visible at a
21 distance of five hundred feet in the direction in which displayed, and
22 to reveal any persons, vehicle or substantial object seventy-five feet
23 ahead of the lamps. Such motor vehicle when in use shall also display
24 on the rear a lamp so constructed and placed as to show a red light
25 from the rear and throw a white light directed upon the rear registra-

27 feet in the direction from which the vehicle is proceeding.

28 Motorcycles, motor bicycles and motor vehicles equipped with one
29 light as herein provided, shall display on the forward part one white
30 or tinted light, as aforesaid, and a red light to the rear, so constructed
31 and placed as to throw a white light directly upon the registration

33 that the operator of any motor vehicle may proceed in a cautious and
34 careful manner, in the event of a failure of one or more of his lights to
35 operate, toward his destination, but he shall take the first reasonable
36 opportunity to put his lights in order, otherwise to be deemed guilty

37 of violation of this provision. The provision as to the rear light shall
38 also apply to vehicles which are trailed or towed by motor vehicles.

39 It shall be unlawful to use on a vehicle of any kind operated on the

43 undiffused beam of such light when measured seventy-five feet or
44 more ahead of the light shall not rise above forty-two inches from the
45 level surface on which the vehicle stands under all conditions of load.

46 If, in addition to headlights, any such vehicle is equipped with
47 any auxiliary light, projecting lights, or devices other than the
48 rear lamp, such auxiliary light or lights shall be subject to all the
49 restrictions of this section, regarding direction of the beam. If a
50 spotlight is used on a motor vehicle it shall be unlawful for any person
51 to direct its rays toward the eyes of the driver or occupants of an
52 approaching vehicle, or to the left of the center of the traveled way
53 when meeting another vehicle. No person shall operate a motor
54 vehicle on any highway of this state equipped with an electric bulb
55 or other lighting device of a greater capacity than thirty-two candle

57 Any person who shall turn all or any of his motor vehicle's lights
58 off for the purpose of avoiding arrest or identification, shall be deemed
59 guilty of a misdemeanor and, upon conviction, subject to a fine of
60 one hundred dollars or imprisonment for a period of not to exceed
61 thirty days, or both fine and imprisonment.

62 *d* It shall be unlawful for any operator of any motor car, taxicab,
63 automobile, motor truck or motorcycle, while on the public highway, to
64 use any cut-out fitting or other apparatus or device which will allow
65 the exhaust gases from the engine of the motor vehicle to escape into
66 the atmosphere without first passing through a silencer, expansion

2 any public highway or a horse or any animal being led, ridden or
3 driven thereon, or a crossing or intersection of public highways, or a
4 bridge, or a sharp turn, or a curve, or a steep descent, and also in

10 sufficient width to admit of safe passage, the driver or operator of
11 every vehicle shall bring the same to a full stop not less than five feet
12 from the rear of any street car headed in the same direction which has
13 stopped for the purpose of taking on and discharging passengers, and
14 remain standing until such car has taken on or discharged its pas-
15 sengers. Any person violating any requirement of this section shall
16 be deemed guilty of a misdemeanor and subject upon conviction to a
17 fine of not less than five dollars nor more than one hundred dollars for
18 the first offense, and double said penalties for any subsequent offense.
19 The provisions of this section shall apply to the operator who causes
20 his motor vehicle to be operated in violation of this section.

30 or audible signal to the crossing officer, if there be such, or to the
31 drivers of vehicles following of his intention to make such movement,
32 by raising and extending the hand and indicating with it the direction
33 in which he wishes to turn.

34 4. The operator of a motor vehicle, in turning to the right from
35 one street or highway into another, shall turn the corner as near the
36 right hand as practicable, and, in turning to the left from one street
37 or highway into another, shall pass to the right of and beyond the
38 center before turning.

39 5. The operator of a motor vehicle, in crossing from one side of
40 the street, or highway, to the other side thereof, shall turn to the

42 6. In cities and towns it shall be unlawful to stop a motor vehicle
43 on the street unless the right side thereof is next to and parallel with
44 the curb and as near thereto as the condition of the street will permit;
45 provided, however, that cities and towns shall have the power to
46 designate by ordinance suitable areas within which automobiles may
47 be parked or left standing (without being parallel to the curb), and
48 to prescribe rules governing the use of such areas for such purpose;
49 provided that this rule shall not apply in cases of emergency, when
50 the stop is made to avoid accident or to allow pedestrians or vehicles
51 to cross in front of such motor vehicle, or when made in obedience to
52 the signal of a police officer.

53 7. In cities and towns it shall be unlawful for the operator of any
54 motor vehicle to overtake and pass another vehicle at street intersec-
55 tions in the business districts.

56 8. It shall be unlawful for the operator of a motor vehicle to per-

58 an unduly great amount of steam, smoke or products of combustion
59 from exhaust pipes or openings.

60 9. Where two vehicles are approaching on any public street or
61 highway so that their paths will intersect and there is danger of col-

62 lision, the vehicle approaching the other from the right shall have the
63 right of way.

64 10. In cities and towns, it shall be unlawful for the operator of
65 any motor vehicle to leave any such vehicle standing upon any street
66 in the business district thereof within fifteen feet of the corner or
67 within fifteen feet of any hydrant.

68 11. In cities and towns no motor vehicle shall be left standing in
69 front of or within fifteen feet of either side of the entrance of any

81 highways shall, when overtaken by a faster moving vehicle proceeding
82 in the same direction, upon a signal, either by the sounding of a bell,
83 horn or other signalling device, given by the driver of the overtaking
84 vehicle, cause his vehicle to be driven to the right of the center of the
85 traveled way if he can do so with safety and remain to the right of
86 the center of such traveled way until the overtaking vehicle shall have
87 safely passed. Any driver of a vehicle that is overtaken by a faster
88 moving vehicle who fails to heed the signal of the overtaking vehicle
89 when it is given under such circumstances that he could, by the exer-
90 cise of ordinary care and observation and precaution, hear such signal
91 and who fails to yield that part of the traveled way as herein pro-
92 vided, shall be guilty of a misdemeanor and upon conviction shall be
93 punished by a fine of not to exceed twenty-five dollars or by imprison-
94 ment not exceeding ten days and if upon the trial of the case the
95 person charged with the violation of this provision shall claim that he
96 did not hear the signal of the overtaking vehicle, the burden of proof
97 shall rest upon him to show that he did not hear such signal provided
98 that it shall first be proven that the overtaking vehicle gave a signal
99 by the use of a bell, horn or other signalling device.

100 15. It shall be unlawful for the operator of any motor vehicle to
101 leave it standing, while showing a red light, parallel to, and within

 2 a license from either is sufficient, and the board of supervisors first
 3 exercising jurisdiction by granting a license will retain it during the
 4 term of such license.

 5 the applicant files a bond, with sureties to be approved by the board
 6 or auditor, in a penalty not less than one hundred dollars, with the
 7 condition that he will keep the ferry in proper condition for use, and
 8 attend the same at all times fixed by the board for running it; that
 9 he will neither demand nor take any illegal tolls; and that he will
 10 perform all other duties which are or may be enjoined on him by law,

1 The failure to have such list posted up as above provided will
 2 justify any person in refusing the payment of tolls, and where such
 3 failure is habitual, the proprietor of such bridge or ferry shall be
 4 liable to pay a penalty of twenty-five dollars, to be recovered in the
 5 name of the county against him, or against him and the sureties on his

 5 on his bond.

[C., '51, § 749; R., '60, § 1237; C., '73, § 1024; C., '97, § 1601.]

1 Any person who refuses to pay the regular tolls established and
 2 posted up in accordance with the provisions of this chapter, or who
 3 shall run through or pass around the toll gates with a view of avoiding
 4 their payment, shall forfeit the sum of five dollars for every offense,
 5 which, together with costs, may be recovered by the person entitled
 6 to such toll; but nothing herein contained shall prevent a person from
 7 fording a stream across which a toll bridge or ferry has been con-

TITLE XII.

COUNTY AND TOWNSHIP GOVERNMENT.

CHAPTER 1.

BOARD OF SUPERVISORS.

SECTION 3115. How constituted—number—how determined.

1 The board of supervisors in each county shall consist of three
 2 persons, except where the number may heretofore have been or here-
 3 after be increased in the manner provided by this chapter. They
 4 shall be qualified electors, and be elected by the qualified voters of
 5 their respective counties, and shall hold their office for three years.
 6 The board of supervisors of any county may, and, when petitioned
 7 to do so by one-fourth of the electors of said county, shall submit to
 8 the qualified voters of the county, at any regular election, one of the
 9 following propositions, as such board may elect in the absence of a
 10 petition, or as may be requested in said petition: "Shall the propo-
 11 sition to increase the number of supervisors to five be adopted?" or,
 12 "Shall the proposition to increase the number of supervisors to seven
 13 be adopted?" as the board shall elect in submitting the question. If
 14 the majority of the votes cast shall be for the proposition so sub-
 15 mitted, then at the next ensuing election for a supervisor, the requi-
 16 site additional supervisors shall be elected, whose terms of office shall
 17 be determined by lot, in such a manner that one-half of the additional
 18 members shall hold their office for three years, and one-half for two
 19 years. In any county where the number of supervisors has been
 20 increased to five or seven, the board of supervisors, on the petition of
 21 one-fourth of the legal voters of the county, shall submit to the quali-
 22 fied voters of the county, at any regular election, one of the following
 23 propositions, as the same may be requested in such petition: "Shall
 24 the proposition to reduce the number of supervisors to five be
 25 adopted?" or, "Shall the proposition to reduce the number of super-
 26 visors to three be adopted?" If a majority of the votes cast shall be
 27 for the decrease, then the board of supervisors shall be reduced to the
 28 number indicated by such vote, and thereafter there shall be biennially
 29 elected the number requisite to keep the board full.

30 In any county where at a general election hereafter held a propo-
 31 sition has been or is submitted to the voters of the county to reduce
 32 the number of members of the board of supervisors and such propo-
 33 sition carries, the board shall consist of the same number of members
 34 as at the time the proposition to reduce was submitted until the sec-
 35 ond secular day in January following the next general election, at
 36 which time the terms of all members of the board shall expire. At
 37 the next general election following the one at which the proposition
 38 to reduce the number of members of the board was carried there shall
 39 be elected the number of members required by such proposition, and
 40 where such proposition reduces the board to five members, two per-

41 sons shall be elected as members of the board for two years, and three
 42 persons shall be elected as members of the board for three years; and
 43 in counties where the proposition reduces the board to three members,
 44 one person shall be elected as member of the board for two years, and
 45 two persons shall be elected as members of the board for three years.

 4 in such county; or, at such regular meeting, it may abolish such super-
 5 visor districts, and provide for electing supervisors for the county at
 6 large.

 2 and shall each embrace townships as nearly contiguous as practicable,
 3 each of which said districts shall be entitled to one member of such
 4 board, to be elected by the electors of said district.

[C., '97, § 417.]

SEC. 3118. One member for each district.

1 In case such division or any subsequent division shall be found
 2 to leave any district or districts without a member of such board of
 3 supervisors, then, at the next ensuing general election, a supervisor
 4 shall be elected by and from such district having no member of such
 5 board; and if there be two such districts or more, then the new mem-
 6 ber or members of said board shall be elected by and from the district
 7 or districts having the greater population according to the last state
 8 census, and so on, until each of said districts shall have one member
 9 of such board.

[C., '97, § 418.]

SEC. 3119. Redistricting—term of office not affected.

1 Any county may be redistricted, as provided by the three preced-
 2 ing sections, once in every two years, and not oftener, and nothing

 4 ening or diminishing the term of office of any member of such board.

[C., '97, § 419.]

SEC. 3120. Absence from county—vacancy.

1 The absence of any supervisor from the county for six months in

 4 and spread upon its records, declare his seat vacant.

[C., '73, § 298; C., '97, § 414.]

4 shall be continued until there is a full board.

[R., '60, § 308; C., '73, § 297; C., '97, § 413.]

2 seat of their respective counties on the second secular day in January
3 and on the first Monday in April and June and the second Monday in

38 G. A., ch. 26, § 1.]

SEC. 3124. Special meetings—how called—what business done.

1 Special meetings of the board of supervisors shall be held only
2 when requested by a majority of the board, which request shall be in
3 writing, addressed to the county auditor, and shall specify the object
4 for which such meeting is desired, which may include the doing of any
5 act not required by law to be done at a regular meeting. The auditor
6 shall thereupon fix a day for such meeting, not later than ten days
7 from the day of the filing of the petition with him, and shall immedi-
8 ately give notice in writing to each of the supervisors personally, or
9 by leaving a copy thereof at his residence, at least six days before the
10 day set for such meeting. The notice shall state the time and place
11 where the meeting will be held, and the object of it, as stated in the
12 petition; and at such special meeting no business other than that so
13 designated in the petition and notice shall be considered or transacted.
14 The auditor shall also give public notice of the meeting by publication
15 in not exceeding two newspapers published in the county, or, if there
16 be none, by causing notice of the same to be posted on the front door
17 of the courthouse of the county, and in two other public places therein,

1 The board is authorized and required to keep the following books:

2 1. A book to be known as the "minute book," in which shall be
3 recorded all orders and decisions made by it except those relating to
4 highways and drainage districts, and in which book, or in a separate
5 book kept for that purpose, there shall be an alphabetical index of
6 the proceedings of said board as shown by the minutes.

7 2. A book to be known as the "highway record," in which shall
8 be recorded all proceedings and adjudications relating to the estab-
9 lishment, change or discontinuance of highways.

10 3. A book to be known as the "bridge book," where a record of
11 bridges shall be kept in a numerical order in each congressional town-

13 location in fractional parts of sections; name the kind of material used
14 for substructure and superstructure; give length and cost of bridge,
15 and, when repaired, to keep a record of repairs and charge it to the

25 county treasury. Claims filed shall be numbered consecutively in the
26 order of filing, and shall be entered on the claim register alphabet-

 18 not more than ninety days of such service in a year; in counties having
 19 a population of over ninety thousand for not more than one hundred

SEC. 3262. Negotiation of—duties of treasurer.

1 When bonds issued under this chapter shall be executed, num-
 2 bered consecutively, and sealed, they shall be delivered to the county
 3 treasurer and his receipt taken therefor, and he shall stand charged
 4 on his official bond with all bonds delivered to him and the proceeds
 5 thereof, and he shall sell the same, or exchange them, on the best
 6 available terms, for any legal indebtedness of the county outstanding
 7 on the first day of January, April, June or September next preceding
 8 the resolution of the board authorizing their issue, but in neither case
 9 for a less sum than the face value of the bonds and all interest
 10 accrued on them at the date of such sale or exchange. And if any
 11 portion of said bonds are sold for money, the proceeds thereof shall be
 12 applied exclusively for the payment of liabilities existing against the
 13 county at and before the date above named. When they are exchanged
 14 for warrants and other legal evidences of county indebtedness, the
 15 treasurer shall at once proceed to cancel such evidences of indebted-
 16 ness by indorsing on the face thereof the amount for which they were
 17 received, the word "canceled" and the date of cancellation. He shall
 18 also keep a record of bonds sold or exchanged by him by number, date
 19 of sale, amount, date of maturity, and the name and postoffice address
 20 of purchasers, and, if exchanged, what evidences of indebtedness were
 21 received therefor, which record shall be open at all times for inspec-

22 tion by the public. Whenever the holder of any bond shall sell or
 23 transfer it, the purchaser shall notify the treasurer of such purchase,
 24 giving at the same time the number of the bond transferred and his
 25 postoffice address, and every such transfer shall be noted on the
 26 records. The treasurer shall also report under oath to the board, at
 27 each regular session, a statement of all bonds sold or exchanged by him
 28 since the preceding report, and the date of such sale or exchange; and,
 29 when exchanged, a list or description of the county indebtedness
 30 exchanged therefor, and the amount of accrued interest received by
 31 him on such sale or exchange, which latter sum shall be charged to
 32 him as money received on bond fund, and so entered by him on his
 33 books; but such bonds shall not be exchanged for any indebtedness of
 34 the county except by the approval of the board of supervisors of said
 35 county.

[C., '73, § 290; C., '97, § 404; S., '13, § 404.]

SEC. 3263. Unconstitutional issue forbidden.

1 Any member of a board of supervisors in any county, who shall
 2 vote to order an issue of bonds under the provisions of this chapter in
 3 excess of the constitutional limit, shall be held personally liable for the
 4 excess of such issue.

[C., '97, § 405.]

SEC. 3264. Tax for bonded indebtedness.

1 The board of supervisors shall not in any one year levy a tax of
 2 more than three mills on the dollar for the payment of any bonded
 3 indebtedness or judgments rendered therefor, except as provided in
 4 this chapter, unless the vote authorizing the issuance of the bonds
 5 fixes a higher rate.

[C., '73, § 840; C., '97, § 1384.]

SEC. 3265. Levy to pay interest and principal.

1 The board of supervisors shall cause to be assessed and levied
 2 each year upon the taxable property in the county, in addition to the
 3 levy authorized for other purposes, a sufficient sum to pay the interest
 4 on outstanding bonds issued in conformity with the provisions of this
 5 chapter, accruing before the next annual levy, and such proportion of
 6 the principal that, at the end of eight years, the sum raised from such
 7 levies shall at least equal fifteen per cent of the amount of bonds
 8 issued; at the end of ten years, at least thirty per cent of the amount;
 9 and at or before the date of maturity of the bonds shall be equal to
 10 the whole amount of the principal and interest; the money arising
 11 from such levies shall be known as the bond fund, and shall be used
 12 for the payment of bonds and interest coupons, and for no other
 13 purpose whatever; and the treasurer shall open and keep in his books
 14 a separate account thereof, which shall at all times show the exact
 15 condition of said bond fund.

[C., '73, § 291; C., '97, § 406.]

SEC. 3266. Redemption — notice — interest stopped—transfer of funds.

1 When the amount in the hands of the treasurer belonging to the
 2 bond fund, after setting aside the sum required to pay interest matur-
 3 ing before the next levy, is sufficient to redeem one or more bonds,
 4 which by their terms are subject to redemption, he shall notify the

5 owner of such bond or bonds, in the manner hereinbefore prescribed,
6 that he is prepared to pay the same, with all the interest accrued
7 thereon. If not presented for payment or redemption within thirty
8 days after the date of such notice, the interest on such bond shall
9 cease, and the amount due thereon shall be set aside for its payment
10 whenever presented. All redemptions shall be made in the order of
11 their numbers. If after the payment of all bonds and interest as
12 hereinbefore provided for, there remains any money in said bond
13 fund, the board of supervisors may by resolution transfer said funds
14 to the particular fund or funds on account of which the indebtedness
15 arose for which said bonds were issued.

[C., '73, § 292; C., '97, § 407; S., '13, § 407.]

SEC. 3267. Failure to levy tax—remedy.

1 If the board of supervisors of any county which has issued bonds
2 under the provisions of this chapter shall fail to make the levy neces-
3 sary to pay such bonds or interest coupons at maturity, and the same
4 shall have been presented to the county treasurer and the payment
5 thereof refused, the owner may file the bond, together with all unpaid
6 coupons, with the auditor of state, taking his receipt therefor, and
7 the same shall be registered in the auditor's office, and the executive
8 council shall, at its next session as a board of equalization, and at each
9 annual equalization thereafter, add to the state tax to be levied in said
10 county a sufficient rate to realize the amount of principal or interest
11 past due and to become due prior to the next levy, and the same shall
12 be levied and collected as a part of the state tax, and paid into the state
13 treasury, and passed to the credit of such county as bond tax, and
14 shall be paid by warrant, as the payments mature, to the holder of
15 such registered obligations, as shown by the register in the office of
16 the state auditor, until the same shall be fully satisfied and dis-
17 charged; any balance then remaining being passed to the general
18 account and credit of said county; but nothing in this chapter shall be
19 construed to limit or postpone the right of any holder of any such
20 bonds to resort to any other remedy which such holder might other-
21 wise have.

[C., '73, § 293; C., '97, § 408.]

SEC. 3268. Additional tax to pay interest.

1 In all counties wherein county bonds are issued in pursuance of a
2 vote of the people to obtain money for the erection of any public build-
3 ing, and wherein the annual tax named in the proposition so submitted
4 to the people for the purpose of paying the annual interest accruing
5 upon such bonds is insufficient to pay the same as it matures, the
6 boards of supervisors are authorized to levy for said purpose, and no
7 other, a tax, not exceeding one mill on the dollar, until said bonds
8 are paid; but this provision shall not prevent the levy of a greater
9 tax than above mentioned, if any such proposition authorized such
10 higher levy.

[C., '97, § 409.]

SEC. 3269. County not to become stockholder.

1 No county shall, in its corporate capacity, or by its supervisors
2 or officers, directly or indirectly, subscribe for stock, or become inter-
3 ested as a partner, shareholder or otherwise, in any banking institu-

4 tion, plank road, turnpike, railway, or work of internal improvement;
 5 nor shall it issue any bonds, bills of credit, scrip, or other evidence of
 6 indebtedness, for any such purposes; and all such evidence of indebt-
 7 edness for said purposes are hereby declared void, and no assignment
 8 of the same shall give them validity; but this section shall not be so
 9 construed as to prevent counties from lawfully erecting their necessary
 10 public buildings and bridges, laying off highways, streets, alleys and
 11 public grounds, or other local works in which such counties may be
 12 interested.

[R., '60, §§ 1345, 1346; C., '73, §§ 553, 554; C., '97, § 594.]

SEC. 3270. Actions on bonds—county not estopped.

1 In all actions now pending, or hereafter brought, in any court in
 2 this state, on any bond or coupon issued, or purporting to be issued, by
 3 any county for the purposes prohibited in this chapter, a former recov-
 4 ery against such corporation on any one or more or any part of such
 5 bonds or coupons shall not bar or estop such corporation from setting
 6 up any defense it has made, or could have made, to such bonds or
 7 coupons in the action in which such former recovery was had, but the
 8 county may allege and prove any matter of defense in such action to
 9 the same extent, and with the same effect, as though no former action
 10 had been brought, or former recovery had.

[C., '73, § 555; C., '97, § 595.]

SEC. 3271. Breach of duty—misdemeanor.

1 Any officer of any county, or any deputy or employee of such
 2 officer, who violates any of the provisions of the two preceding sec-
 3 tions, shall be guilty of a misdemeanor, and fined not less than one
 4 hundred dollars, nor more than five hundred dollars, for each offense.

[R., '60, § 2188; C., '73, § 558; C., '97, § 598.]

1 The word "poor" and "poor person" as used in this chapter shall
 2 be construed to mean those who have no property, exempt or other-
 3 wise, and are unable, because of physical or mental disabilities, to earn
 4 a living by labor; but this section shall not be construed to forbid aid
 5 to needy persons who have some means, when the board shall be of
 6 opinion that the same will be conducive to their welfare and the best
 7 interests of the public.

[C., '97, § 2252.]

SEC. 3273. Who liable to maintain.

1 The father, mother and children of any poor person, who is un-
 2 able to maintain himself or herself by labor, shall jointly or severally
 3 relieve or maintain such person in such manner as, upon application
 4 to the township trustees of the township where such person has a
 5 residence or may be, they may direct.

[C., '51, § 787; R., '60, § 1355; C., '73, § 1330; C., '97, § 2216.]

✓ **SEC. 3274. Illegitimates.**

1 The word "father" in this chapter includes the putative father
2 of an illegitimate child, and the question of parentage may be tried
3 in any proceeding to recover for or compel the support of such a child,
4 and like proceedings may be prosecuted against the mother independ-
5 ently of or jointly with the alleged father.

[C., '51, § 788; R., '60, § 1356; C., '73, § 1332; C., '97, § 2250.]

SEC. 3275. Who deemed trustee.

1 The word "trustees" in this chapter shall be construed to include
2 and mean any person or officer of any county or city charged with
3 the oversight of the poor.

[C., '51, § 789; R., '60, § 1357; C., '73, § 1333; C., '97, § 2251.]

✓ **SEC. 3276. Liability of remote relatives.**

1 In the absence or inability of nearer relatives, the same liability
2 shall extend to grandparents, if of ability without personal labor, and
3 to the male grandchildren who are of ability by personal labor or
4 otherwise.

[C., '51, § 787; R., '60, § 1355; C., '73, § 1331; C., '97, § 2217.]

✓ **SEC. 3277. Proceeding to compel.**

1 Upon the failure of such relatives so to relieve or maintain a poor

3 apply to the district court of the county where such poor person resides
4 or may be, for an order to compel the same.

[C., '51, § 789; R., '60, § 1357; C., '73, § 1323; C., '97, § 2218.]

SEC. 3278. Notice—hearing—order—appeal.

2 given to the parties sought to be charged, service thereof to be made
3 as of an original notice, in which proceedings the county shall be
4 plaintiff and the parties served defendants. No order shall be made
5 affecting a person not served, but, as to such, notice may be given at
6 any stage of the proceedings. The court may proceed in a summary
7 manner to hear all the allegations and proofs of the parties, and order
8 any one or more of the relatives who shall be able, to relieve or main-
9 tain him or her, charging them as far as practicable in the order
10 above named, and for that purpose may bring in new parties when
11 necessary. The order may be for the entire or partial support of the
12 applicant, may be for the payment of money or the taking of the appli-
13 cant to a relative's house, or may assign him or her for a certain time
14 to one and for another period to another, as may be just and right,
15 taking into view the means of the several relatives liable, but no such
16 assignment shall be made to one who is willing to pay the amount
17 necessary for support. If the order be for relief in any other form
18 than money, it shall state the extent and value thereof per week, and
19 the time such relief shall continue; or the order may make the time
20 of continuance indefinite, and it may be varied from time to time by
21 a new order, as circumstances may require, upon application to the
22 court by the trustees, the poor person, or the relative affected, ten
23 days' notice thereof being given to the party or parties concerned.
24 When money is ordered to be paid, it shall be paid to such person as

25 the court may direct. If support be not rendered as ordered, the
 26 court, upon such fact being shown by the affidavit of one or more of
 27 the proper trustees, may render judgment and order execution for the
 28 amount due, rating any support ordered in kind at the valuation rendered
 29 previously made. An appeal may be taken from the judgment rendered
 30 to the supreme court. Support for later periods under the same order
 31 may be, as it becomes due, applied for and obtained in the same
 32 manner.

 4 complaint to the clerk of the district court or judge thereof in the

 7 to seize such property, and, upon proof of the facts alleged, the clerk
 8 or judge shall issue an order, directed to the sheriff of the county, to
 9 take and hold possession of said property, subject to the further orders

 16 any conveyance or lien created by the owner thereafter, and return
 17 shall be made of said order to the proper court, where the order of
 18 seizure, upon investigation, may be discharged or continued; if con-
 19 tinued, the entire matter shall be subject to the control of the court,
 20 and it shall from time to time make such orders as to the disposition
 21 of the personal property seized, and the application of it or the pro-
 22 ceeds thereof, as it may seem proper, and of the disposition of the
 23 rents and profits of the real estate. Should the party against whom
 24 the order issued thereafter resume his or her support of the person
 25 abandoned, or give bond with sureties, to be by the clerk approved,
 26 conditioned that such person shall not become chargeable to the
 27 county, the order shall be by the clerk discharged and the property
 28 remaining restored.

1 In all cases the party sought to be charged with the support of
 2 another may demand a jury trial upon the question of his obligation
 3 and ability to render such support, the alleged abandonment, and the
 4 liability of the person abandoned to become a public charge; such trial
 5 to be had upon demand, which may be made at the time of the hearing
 6 of the application for the order, or at such other time as may be
 7 directed by the court, upon notice to the defendant.

 3 recover the same from any of his kindred mentioned herein, from
 4 such poor person should he become able, or from his estate; from
 5 relatives by action brought within two years from the payment of
 6 such expenses, from such poor person by action brought within two
 7 years after becoming able, and from such person's estate by filing the
 8 claim as provided by law.

 5 person or his estate, if, after such aid or support has been given, the
 6 person aided or supported becomes able to repay the same; but pro-

 6 ages and time of residence in the county. It shall be accompanied by
 7 affidavits of one or more residents of the county, stating that the
 8 signers thereof were, at the time of signing, legal voters of said

5 deducting therefrom all names appearing on the remonstrance which
6 also appear on the petition, and also to determine whether more legal
7 voters have signed the petition than have signed the remonstrance.
8 If the requisite notice has been given, and the board shall find that
9 one-half of all the legal voters, after making said deduction, have

23 either petition or remonstrance were the names of legal voters at the
24 time they were placed on the petition or remonstrance, and whether
25 the signatures are genuine; but where a county seat has been located
26 continuously in one place for forty years or more, no order shall be
27 made by the board that a vote shall be taken on the removal of such
28 county seat unless one-half of all legal voters of said county, accord-

30 deducting therefrom all the names that appear on both the petition
31 and the remonstrance, and all other names not properly on the petition,
32 and all names on said petition not placed thereon within sixty days
33 next preceding the filing of the same shall be stricken therefrom; and
34 provided further that the provisions hereof shall not be held to apply
35 where the proposition is to relocate a county seat within the corporate
36 limits of a city or town, where one is already located; and provided

1 If a majority of all the votes cast be in favor of the proposition,
 2 the board of supervisors shall make a record thereof, and declare the
 3 town named therein to be the county seat of said county, and shall
 4 remove the records and documents thereto as early as practicable
 5 thereafter; but where a county seat has been located continuously in
 6 one place for forty years or more two-thirds of all the votes cast must
 7 be in favor of the proposition to remove said county seat before the
 8 board shall make a record thereof and declare the county seat
 9 removed; and in the absence of said two-thirds vote in favor of such
 10 proposition there shall be no removal; and provided further, that the
 11 provisions hereof shall not be held to apply where the proposition is
 12 to relocate a county seat within the corporate limits of a city or town,
 13 where one is already located; and provided further, that the provisions
 14 hereof relating to the removal of county seats located in one place for

 3 to aid any company in the construction of a highway or combination
 4 bridge across any navigable river, forming part of the boundary of
 5 this state, whether it was a condition of the vote or acceptance of such
 6 tax that said city had a right to buy said bridge from the company
 7 so aided, its successors or assigns or not, or whether the time within
 8 which by the terms of the vote by which such option to purchase was
 9 granted to said city has expired or not, at any time after the taxes
 10 so voted in aid of such construction of such bridge have been paid
 11 over to said company, may vote an additional tax not exceeding five
 12 per cent upon the taxable property of said city for the purpose of
 13 procuring funds with which to enable such city to purchase said
 14 bridge, such taxes to be payable in such annual installments as the
 15 electors of said city may determine, such determination by the elect-
 16 ors to be at an election called for that purpose, and the notice sub-
 17 mitting such question shall state the price to be paid for such bridge,
 18 including its approaches.

[37 G. A., ch. 140, § 1.]

SEC. 3799. Proceedings attending purchase.

1 The mayor and city council of such city shall have power to enter
 2 into a contract with the corporation or company owning such bridge,
 3 for the purchase thereof, together with its franchises at a price to
 4 be agreed upon, which price shall not be greater than the value of
 5 such bridge or the cost thereof, with the taxes so voted and paid over
 6 by the authorities of said city deducted therefrom.

7 Unless there is an appraisalment as hereinafter provided the orig-
 8 inal cost of construction shall be considered the value thereof.

9 No such contract shall become binding upon said city until the
 10 same has been submitted to the electors of said city and approved by
 11 them by the affirmative vote of a majority of the electors voting for
 12 or against the same, the question of the levy of such tax shall be sub-
 13 mitted to such electors at the same election, the affirmative vote of a
 14 majority of all electors voting for or against the same being necessary
 15 to make the contract binding on said city.

16 If at such election the proposition to make such purchase upon
 17 the terms and at the price named in the question submitted, and the
 18 proposition to vote such tax shall either of them be defeated, by not
 19 receiving the affirmative vote of a majority of all electors voting for
 20 or against the same, such contract shall be considered at an end and
 21 said tax defeated.

[37 G. A., ch. 140, § 2.]

SEC. 3800. Election—form of submission.

1 The questions as to whether the said contracts shall become bind-
 2 ing upon the said city, and the taxes levied or bonds issued by the city
 3 authorities, shall, when submitted to the electors of said city, be sub-
 4 mitted in the form and manner provided by sections thirty-seven hun-

5 dred eighty-seven to thirty-seven hundred ninety-one, inclusive, so
6 far as the same are applicable thereto.

[37 G. A., ch. 140, § 3.]

SEC. 3801. Appraisers, fees.

1 In case a majority of the members of the city council of such city
2 shall by resolution declare their wish to have the said city purchase
3 said bridge, its approaches and franchises, and be unable to agree
4 with the owner of such bridge upon the value thereof, such value shall
5 be ascertained by three appraisers named by the governor of Iowa,
6 no one of whom shall be an officer, employee, or stockholder or such
7 owner of said bridge, or a taxpayer or voter in the city proposing to
8 make such purchase, or in the county of the state opposite and adjoining
9 said bridge. Such appraisers shall be paid fifteen dollars per
10 day for the time necessarily and actually employed in making such
11 appraisalment, together with their actual and necessary traveling ex-
12 penses, the same to be paid by the city.

[37 G. A., ch. 140, § 4.]

SEC. 3802. Regulation of tolls.

1 If any such city shall thus become the owner of any such bridge,
2 the city council shall have power from time to time to fix the rates
3 of toll or charges for passing over the bridge, which tolls shall be
4 large enough to pay for the maintenance and operating expenses,
5 interest upon any bonds issued for its purchase, and sufficient after
6 five years to provide a sinking fund of at least five per cent of such
7 outstanding bonds, and for their payment at maturity.

[37 G. A., ch. 140, § 5.]

SEC. 3803. Management and maintenance.

1 If any such city shall thus become the owner of any such bridge

6 of the structure, see that the same is at all times kept in repair and
7 safe for the traveling public, and that the navigation laws and regu-
8 lations of the United States are observed.

9 The said city shall have power to prescribe and enforce proper
10 regulations respecting the passing of stock in droves, and persons and
11 vehicles over said bridge.

12 Such bridge shall be kept open for travel at all hours of the day
13 or night unless some unavoidable accident shall make such travel for
14 the time unsafe.

15 The rates of toll and copies of such regulation shall be kept posted
16 at each end of such bridge.

[37 G. A., ch. 140, § 6.]

CHAPTER 21.

DOCKS.

SECTION 3804. Department of public docks—question submitted.

1 The city council or board of commissioners in any incorporated
2 town or city, including cities under commission plan situated on any
3 natural or artificial navigable waterway within or bordering upon the
4 state of Iowa, may, when in their judgment deemed expedient, create
5 a department known as the department of public docks, providing
6 that before said commission may go into operation, the question shall
7 be submitted to the qualified electors of said city or town at a regular
8 or special election called for that purpose; and provided further, that
9 a majority of those voting at said election shall vote in favor of the
10 creation of such department of public docks.

[S., '13, § 741-w.]

SEC. 3805. Commissioners — appointment of — qualifications — terms—organization—removal—vacancies.

1 The department of public docks shall be administered by a dock
2 board consisting of three members to be known as commissioners of
3 public docks. Within three months, or as soon as possible after the
4 time when this chapter shall go into effect, the mayor of the municipal-
5 ity shall appoint, with the approval of the municipal council, as mem-
6 bers of the dock board, three commissioners of public docks, who have
7 been residents of the municipality in which they are appointed for a
8 period of not less than five years, and who shall not at the time of
9 their appointment or during their term of office be interested in or
10 be employed by any common carrier, and said board shall act without
11 compensation. Said commissioners when first appointed shall hold
12 office for a term of one, two and three years respectively, and shall
13 determine by lot among themselves which commissioners shall hold
14 the said respective terms. Thereafter, one commissioner with the
15 said qualifications shall be appointed annually by the mayor and the
16 term of office of such commissioner shall be three years. The mem-
17 bers of the board shall qualify by taking oath for the faithful per-
18 formance of their duties. Within ten days after their appointment
19 the commissioners shall meet and organize the dock board by the elec-
20 tion from among their number of a president and a secretary of said
21 board, and shall from time to time adopt rules and regulations for
22 the government of their department and to govern their proceedings,
23 which shall be adopted by resolution recorded in a book kept by the
24 board and known as book of rules and regulations, and said rules and
25 regulations shall be in force after publication in some newspaper pub-
26 lished and circulated in the municipality. The dock board shall main-
27 tain an office and keep a record of all of its proceedings and acts, and
28 books of account showing all of its financial transactions, which rec-
29 ords and books of accounts shall at all times be open to public inspec-
30 tion. If any commissioner shall at any time during his said incum-
31 bency cease to have the qualifications required by this section for his
32 appointment, or shall wilfully violate any of his duties under the law,
33 such commissioner shall be removed by the mayor after written
34 charges have been preferred against him and a due hearing of such
35 charges has been had by the mayor upon reasonable notice to such

36 commissioner. Vacancies occurring in the board through resigna-
37 tion, or otherwise, shall be filled by the mayor, for the unexpired term.
[S., '13, § 741-w1.]

SEC. 3806. Powers and duties.

1 The board shall have power and it shall be its duty for and in
2 behalf of the city or town hereinafter called the municipality, for
3 which it is organized:

4 *a General plan.* To prepare or cause to be prepared a compre-
5 hensive general plan for the improvement of its harbor and water
6 front, making provision for the needs of commerce and shipping, and
7 providing for the construction of such docks, basins, piers, quay walls,
8 wharves, warehouses, tunnels, belt railway connecting with all rail-
9 way lines within the municipality, and such cranes, dock apparatus
10 and machinery equipment as it may deem necessary for the convenient
11 and economical accommodation and handling of water craft of all
12 kinds and of freight and passengers, and the free interchange of
13 traffic between the waterway and the railways and the railways and
14 the waterway; which plan shall be filed in the office of the board and
15 be open to public inspection, and which may from time to time be
16 changed, altered or amended by the board, as the requirements of
17 shipping and commerce and the advance of knowledge and informa-
18 tion on the subject may suggest.

19 *b Purchase and condemnation of property.* To purchase or ac-
20 quire by condemnation or other lawful means, such personal property,
21 lands or rights or interests therein, including easements, as may be
22 necessary for use in the provision and in the construction of any pub-
23 lic owned harbor, dock, basin, pier, slip, quay wall, wharf, warehouse,
24 or other structures, and in the construction of a belt railway and
25 railway switches, and appurtenances as provided for in such plan as
26 may be adopted by the board. If the board shall deem it proper and
27 expedient that the municipality shall acquire possession of such wharf
28 property, lands or rights or interests therein, including easements,
29 and no price can be agreed upon between the board and the owner or
30 owners thereof, the board may direct the municipal corporation attor-
31 ney to take legal proceedings to acquire same for the municipality in
32 manner as is or may be provided by the general laws of the state of
33 Iowa in the case of corporations having the right of eminent domain.
34 The title of all lands, property and rights acquired by the board shall
35 be taken in the name of the municipality it represents.

36 *c Control of property.* The board shall have exclusive charge
37 and control of the wharf property belonging to the municipality
38 including belt railway located in whole or in part thereof, all the
39 wharves, piers, quay walls, bulkheads, and structures thereon and
40 waters adjacent thereto, and all the slips, basins, docks, water fronts,
41 the structures thereon and the appurtenances, easements, uses, rever-
42 sions and rights belonging thereto, which are now owned or possessed
43 by the municipality, or to which the municipality is or may become
44 entitled, or which the municipality may acquire under the provision
45 hereof or otherwise. The board shall have the exclusive charge and
46 control of the building, rebuilding, alteration, repairing, operation and
47 leasing of said property and every part thereof, and of the cleaning,
48 grading, paving, sewerage, dredging and deepening necessary in and
49 about the same.

50 *d Abutting property—jurisdiction and improvement.* The board
51 is hereby vested with jurisdiction and authority over that part of the
52 streets and alleys and public grounds of the municipality which abut
53 upon or intersect its navigable waters, lying between the harbor line
54 and the first intersecting street measuring backward from high-water
55 mark, to the extent only that may be necessary or requisite in carry-
56 ing out the powers vested in it by this chapter; and it is hereby de-
57 clared that such jurisdiction and authority shall include the right to
58 build retaining or quay walls, docks, levees, wharves, piers, ware-
59 houses, or other constructions, including belt railway and railway
60 switches, across and upon such streets and alleys and public grounds,
61 and to grade, fill and pave the same to conform to the general level
62 of the wharf, or for suitable approaches thereto; provided that such
63 improvements shall be paid for out of funds in the hands of the board
64 and not by assessments against abutting property.

65 *e Control consistent with navigation laws—collect tolls.* The
66 board is also vested with exclusive government and control of the
67 harbor and water front consistent with the laws of the United States
68 governing navigation, and of all wharf property, belt railway,
69 wharves, piers, quay walls, bulkheads, docks, structures and equip-
70 ment thereon, and all the slips, basins, waters adjacent thereto and
71 submerged lands and appurtenances belonging to the municipality,
72 and may make reasonable rules and regulations governing the traffic
73 thereon and the use thereof, with the right to collect reasonable dock-
74 age, wharfage, sheddage, storage, crantage fees, and tolls thereon, as
75 hereinafter provided.

76 *f Rules and regulations—specifications—ordinances—publica-*
77 *tion.* The board shall have power to make general rules and regula-
78 tions for the carrying out of the plans prepared and adopted by it
79 for the building, rebuilding, repairing, alteration, maintenance and
80 operation of all structures, erections, or artificial constructions upon
81 or adjacent to the water front of the municipality, whether the same
82 shall be done by the board or by others; and except as provided by the
83 general rules of the board, no new structures, or repairs upon or along
84 said water front shall be undertaken, except upon application to the
85 board and under permit by it and in accordance with the general
86 plans of the board and in pursuance of specifications submitted to the
87 board and approved by it upon such application. The general rules
88 and regulations of the board, whenever adopted by it, shall be em-
89 bodied in the form of ordinances and certified copies thereof shall,
90 forthwith upon their passage, be transmitted to the clerk of the mu-
91 nicipality who shall cause the same to be transcribed at length in a
92 book kept for that purpose and the same shall be included in any com-
93 pilation or publication of the ordinances of the municipality. Upon
94 filing any such certified copy of any such ordinances, the said clerk
95 shall forthwith cause the same to be published once in some newspaper
96 of general circulation published in the municipality, or if none is
97 there published, then in the next nearest newspaper published in this
98 state, and the said ordinance shall be in force and effect from and
99 after the date of said publication. Provided, however, that if the said
100 ordinances are included in any book or pamphlet of ordinances pub-
101 lished by said municipality, no other publication shall be required,
102 and they shall be in force and effect from the date said book or
103 pamphlet is published. The said ordinances of the board shall not
104 be considered or construed as ordinances of said municipality, except
105 as they may be adopted as ordinances of said municipality, and the

106 provisions of the code and statutes of the state now or hereafter
107 enacted relative to ordinances of cities and towns shall not apply
108 to ordinances passed by said board unless express reference be made
109 thereto in said statutes.

110 *g Tolls and charges—regulations.* The board shall have the
111 power to fix and regulate and from time to time to alter the tolls,
112 fees, dockage, wharfage, crannage, sheddage, storage and other
113 charges for all public-owned docks, levees, belt railway, piers, quay
114 walls, slips, basins, wharves and their equipment, or the use of any
115 portion of the water front of the municipality, which charges and
116 rates shall be collectible by the board and shall be reasonable with a
117 view only of defraying the necessary annual expenses of the board
118 in constructing and operating the improvements and works herein
119 authorized; a schedule of such charges and regulations shall be en-
120 acted by the board in the form of ordinances and a certified copy
121 thereof shall be transmitted to the clerk of the municipality in like
122 manner as other ordinances of the board before the same shall go
123 into or be in effect, and a copy of same shall be kept posted in a con-
124 spicuous place in the office of the board.

125 *h Assistants—officers—ordinances.* The board shall have power
126 to employ such assistants, employees, clerks, workmen and laborers
127 as may be necessary in the efficient and economical performance of
128 the work authorized by this chapter. All officers, places and employ-
129 ments in the permanent service of the board shall be provided for
130 by ordinance duly passed by the board and the same shall be trans-
131 mitted to the clerk of the municipality as provided for other ordi-
132 nances of the board.

133 *i Construction work plans—approval—public inspection—bids—*
134 *exceptions—emergencies.* In the construction of docks, levees,
135 wharves and their appurtenances, or in contracting for the construc-
136 tion of any work or structures authorized by this chapter, the board
137 shall proceed only after full and complete plans (approved by the
138 board) and specifications for said work have been prepared and sub-
139 mitted and filed with the board by its engineer for public inspection,
140 and after public notice asking for bids for the construction of such
141 work, based upon such plans and specifications, has been published
142 in some newspaper of general circulation published within the mun-
143 icipality, or if none so published, then in the nearest newspaper
144 published in this state, which publication shall be made at least thirty
145 days before the time fixed for the opening of said bids and contract-
146 ing for such work, and such contract may then be made with the
147 lowest responsible bidder therefor; unless the board deems the bids
148 excessive or unsuitable, in which event it may proceed to readvertise
149 for bids, or the board may do the work directly, purchasing such
150 materials and contracting for such labor as may be necessary without
151 further notice or proposals for bids; except that it shall make no
152 purchase of materials in amounts exceeding five hundred dollars
153 except by public letting upon ten days' notice, published as afore-
154 said, specifying the materials proposed to be purchased; provided,
155 however, that said public letting shall not be required in case no
156 satisfactory bids are received, or in case of an emergency where the
157 delay of advertising and public letting might cause serious loss or
158 injury to the work. The board shall, in all cases, have the right to
159 reject any and all bids, and may either readvertise therefor, contract
160 with others at a figure not exceeding the lowest bidder without fur-
161 ther advertising, or do the work directly as hereinbefore provided.

162 *j Tax levy—dock fund.* To defray the expense of exercising
163 the powers conferred by this chapter, or any portion of such expense
164 in excess of the income from the aforesaid rates and charges to be
165 collected by the board, the council of the municipality shall levy a
166 special tax upon the taxable property of the municipality, not exceed-
167 ing two mills on the dollar, and which, if there is a bond issue as
168 herein provided, may be levied and made payable for a period not
169 exceeding ten years or the term for which the bonds may be issued,
170 and any portion of which may be pledged to the payment of such
171 bonds and which portion shall be set apart as a sinking fund for the
172 payment thereof, and which bonds may be by said municipality made
173 payable out of said funds only, or may be made payable as general
174 indebtedness of said municipality. The provisions of section forty
175 hundred fifty-four shall not apply to said indebtedness evidenced by
176 such bonds. The board shall annually make to the council a report
177 of the receipts and disbursements made by or on account of said
178 board, and shall file with the council an estimate of the amounts
179 necessary to be raised by taxation to defray the expenses of the
180 board. The council shall at the time of levying annual taxes levy a
181 sufficient tax not exceeding said two mills to meet the said estimate
182 and which shall be collected as other taxes and paid over to the treas-
183 urer of the municipality and by him credited to the fund to be known
184 as the dock fund.

185 *k Bonds—limitation.* Whenever said dock board shall deem it
186 necessary or advisable to issue bonds for the purpose of construct-
187 ing any of the works or improvements herein authorized or purchas-
188 ing property for said purpose, the said board shall petition the council
189 of the municipality to issue such bonds stating the purpose for which
190 said bonds are requested and thereupon the council shall issue the
191 said bonds if the municipality is not thereby indebted in excess of
192 the limit imposed by section three of article two of the constitution
193 of the state of Iowa; or if the council does not deem it advisable to
194 issue said bonds, if the same would not be in excess of said limitation,
195 the council shall submit the question of issuing said bonds to the
196 voters of said municipality, and if a majority of said voters voting
197 at a special election or general election vote in favor thereof, said
198 bonds shall be issued. The proceeds of said bonds when issued shall
199 be paid to the municipal treasurer and credited to the dock fund.
200 If the municipality is already indebted beyond the said limitation
201 the council may, if it deem it advisable, levy a special tax not exceed-
202 ing two mills on the dollar per annum for the purpose of paying
203 bonds and which may be levied for a period not exceeding ten years
204 or the term of the bonds and in anticipation of the collection of the
205 said tax, bonds may be issued for the said purpose designated in said
206 petition, and which bonds shall be payable only out of the proceeds
207 of said special tax already levied at the time of their issuance, and
208 the municipality shall not be indebted on said bonds or any further
209 obligated than to collect and apply the proceeds of said tax to the
210 liquidation of said bonds.

211 *l Funds, how disbursed—books audited.* All funds collected by
212 the dock board, or by the municipality for dock purposes from the
213 proceeds of taxes, bonds or otherwise, shall be deposited with the
214 treasurer of the municipality and disbursed by him only upon war-
215 rants or orders duly signed by the president and countersigned by
216 the secretary of the dock board and which shall state distinctly the
217 consideration for which same are drawn, and a permanent record

218 shall be kept by the board of all warrants or orders so drawn show-
 219 ing the date, amount, consideration and to whom payable. When
 220 paid the same shall be canceled and kept on file by the treasurer of
 221 the municipality. The books of the board shall from time to time
 222 be audited by the municipal auditor under the direction of the mayor,
 223 in such manner and at such times as he may direct or prescribe, and
 224 all of said books and records of the board shall at all times be open
 225 to public inspection.

[S., '13, § 792-f.]

SEC. 3856. How ordered.

1 The construction or reconstruction of such improvement shall not
 2 be ordered made until three-fourths of all the members of the council
 3 shall by vote assent thereto, provided that in cities under the commis-
 4 sion plan of government with but three members in the council, a two-
 5 thirds vote shall be sufficient, unless the same be petitioned for by the
 6 owners of the majority of the linear front feet of the property abut-

 8 said improvements.

[R., '60, § 1135; C., '73, §§ 466, 494; C., '97, § 793; S., '13,

 4 and may by ordinance divide such city into such sewer districts as the
 5 council may determine, numbering them consecutively, or the entire
 6 city may be included in one district; but such construction or recon-

 8 members of the council shall by vote assent thereto, unless the same
 9 shall be petitioned for by the owners of a majority of the linear front
 10 feet of the property abutting on such sewer, and a majority of the
 11 owners of adjacent property benefited thereby and liable to assess-
 12 ment therefor; but a majority of the council may provide for their
 13 repair. Any city in which any state building may be situated shall
 14 permit the officers in charge thereof, or of their construction, to con-
 15 struct sewers therefor through or under any of the streets, high-
 16 ways, avenues, alleys or public places of said city, or to connect the
 17 same with the city sewer system, under the same regulations that
 18 are provided for private property owners.

[C., '73, § 465; C., '97, § 794.]

 11 prises one sewer district, shall be applicable and apply to incorporated
 12 towns.

[S., '13, § 840-a; 38 G. A., ch. 59, § 1.]

SEC. 3859. Condemning land for.

1 Cities shall have power, in order to carry off flowing water, or for
 2 other reasons, to follow ravines, and lay a main or lateral sewer to
 3 pass through private property, and condemn the same for the location
 4 thereof, in the manner provided for the condemnation of land for
 5 city purposes, the costs of which shall constitute a part of the expenses
 6 of the sewer, and be assessed accordingly.

[C., '97, § 795.]

SEC. 3860. Cross sewers.

1 Cities shall have power to provide, by ordinance or resolution,
 2 terms and conditions on which cross sewers may be attached to or

 5 parties who have been so assessed the money, or a part thereof,
 6 charged and collected for the privilege of attaching such cross sewers.

[C., '97, § 796.]

1 Cities shall have power to deepen, widen, straighten, wall, fill,
 2 cover, alter or change the channel of any watercourse or part thereof,
 3 flowing through the limits of such city; to construct artificial channels,
 4 or covered drains, sufficient to carry the water theretofore flowing in
 5 such watercourse, and divert it from the natural channel, and con-
 6 duct the same through such artificial channel or covered drain, and
 7 fill the old channel.

[C., '97, § 797.]

SEC. 3862. Plans.

1 When the council determines, by resolution or otherwise, to exer-
 2 cise the powers named in the preceding section, it shall direct the city
 3 engineer, if there is one, and if not one employed by it, to make the
 4 proper plans and specifications for doing the work, and prepare an
 5 estimate of the cost thereof.

[C., '97, § 798.]

SEC. 3863. Question submitted—special election.

1 If the council on receiving the plans, specifications, and estimate
 2 of the expenses to be incurred, referred to in the last preceding sec-
 3 tion, shall still be of the opinion that the work should be done as
 4 proposed, it shall call a special election of the entire city or of any
 5 sewer district thereof in which the proposed work is to be done to
 6 finally determine the same question, and also the question of levying
 7 a special tax upon the property of the city or such sewer district, in
 8 addition to all other taxes now provided for by law, for that purpose.
 9 If the council shall determine that the estimated cost is greater than

10 should be levied and collected in a single year, it may fix the yearly
11 proportion, and determine in what years the same shall be levied and
12 collected, and provide by ordinance or resolution the time of sub-
13 mitting the question to a vote.

[C., '97, § 799; S., '13, § 799.]

SEC. 3864. Plat.

1 If a majority of the votes cast shall be in favor of the proposition,
2 the council shall order the engineer to make a survey and plat of the
3 stream or portion thereof proposed to be widened, deepened, straight-
4 ened, walled, filled, altered, changed or diverted. The plat shall show
5 its condition, position, location, boundaries and course at the time of
6 the platting of the town site, as nearly as possible; its present condi-
7 tion, location and course; any changes that have occurred in its
8 natural course since the platting of the town site; all the lots or tracts
9 of land, by their description, abutting on said original or present
10 channels, and the names of all the owners thereof; which plat and
11 notes of the survey the engineer shall file in the office of the clerk,
12 retaining a duplicate in his office.

[C., '97, § 800.]

SEC. 3865. Damages assessed.

1 After the plat and notes of the survey are made and filed, the
2 council shall appoint five commissioners, resident freeholders of the
3 city, not interested in any property abutting on said stream, who shall
4 be sworn faithfully and impartially to perform the duties that may be
5 required of them, either by this chapter or any ordinance passed in
6 pursuance hereof, who shall determine what lot, lots or lands abutting
7 on said stream will be benefited or damaged by doing the work, the
8 amount of benefit or damages which will accrue to or be sustained by
9 each and every lot, lots or lands, and the owners thereof, and make
10 report in writing of their findings. In determining any question as to
11 whether benefits accrue to or damages are sustained by such lot, lots
12 or lands, or the owners thereof, the said commissioners shall consider
13 the amount of land reclaimed or lost, the expense that will be incurred
14 by the owners thereof in doing said work, and the advantages accru-
15 ing from the removal of the easement of said watercourse, and any
16 other matter that they may think proper to be considered for such
17 purpose, but no damages shall be awarded for the cost of filling said
18 channel. The commissioners shall give notice of the time and place
19 of their meetings to determine what lot, lots and lands are benefited
20 or damaged, by publication thereof at least five days successively prior
21 thereto, in some newspaper of general circulation in said city; and, for
22 the purpose of enabling them to determine the fact of benefit or dam-
23 age, may take any competent evidence which the owner of any prop-
24 erty affected may see fit to offer. The findings of the commissioners
25 shall be returned to the council, and it may approve, reject or modify
26 the same. Notice of the hearing before the council, upon the report
27 so made, shall be given by publication in a newspaper of general circ-
28 ulation in the city for two different days, which last publication shall be
29 ten days before such hearing, and if, after this hearing, it shall con-
30 clude to reject the report, it shall resubmit the matter to other com-
31 missioners, who shall proceed as in the first instance. If the council
32 shall approve or modify this second finding, it shall proceed to assess

33 the amount of benefits so found against said abutting lot, lots or lands,
 34 and the channel to be filled or reclaimed. Any person aggrieved by
 35 the action of the council in making said assessment may appeal there-
 36 from to the district court of the county in which it is made, within
 37 twenty days from the date of the assessment, and also have the right
 38 to review the action of the council in said court in the manner now
 39 provided by law. In the event that there is no daily newspaper pub-
 40 lished in the city or town then the notices provided for by this section
 41 may be given by one publication thereof in a weekly newspaper of
 42 general circulation published in such city or town, such publication
 43 to be made at least five, and not exceeding ten, days prior to the hear-
 44 ing or meeting referred to in said section.

[C., '97, § 801; S., '13, § 801; 37 G. A., ch. 221, § 1.]

SEC. 3866. Filling channel—assessment of cost.

1 If it is proposed to divert a stream or part thereof from its course
 2 and conduct it through a new channel, or through a covered drain, the
 3 council shall have power to order the old channel filled up, and if any
 4 part is not so filled by the owner or owners within such time as may
 5 be prescribed by ordinance or resolution, the council may contract for
 6 filling the same or any part thereof, and shall have power to assess
 7 the cost thereof against the property abutting thereon, including that
 8 reclaimed therefrom, in proportion to the number of cubic yards of fill
 9 required and made upon, against and in front of each of said lots or
 10 tracts, and shall provide, by ordinance or resolution, the manner of
 11 ascertainment of said cost, and of adopting and making said assess-
 12 ments; notice to be given to said owners of the time and place of mak-
 13 ing the same; and it may also provide by ordinance or resolution when
 14 said special assessments for benefits and for the expense of filling the
 15 old channel shall become due and payable, whether in one payment or
 16 in installments, the number of installments, the rate of interest, not
 17 exceeding six per cent per annum, the deferred payments shall draw,
 18 and the time when said special installments shall mature. Such assess-
 19 ments shall become a lien and be collected as in case of special assess-
 20 ments for sewers.

[C., '97, § 802.]

SEC. 3867. Continuing streets.

1 Streets and alleys intersecting the stream or old channel shall be
 2 projected across it so as to make a continuous street or alley, and if
 3 such street or alley is shown upon the recorded plat as terminating on
 4 one side of such stream or old channel, the plat shall be corrected so
 5 as to show a continuous street or alley, and the expenses of filling all
 6 such streets and alleys shall be paid by the city.

[C., '97, § 803.]

SEC. 3868. Condemning land for.

1 Said cities may also condemn and appropriate so much private
 2 property as shall be necessary to carry into effect the provisions of
 3 this chapter relating to change of watercourses, in the manner pro-
 4 vided for condemning land for city purposes.

[C., '97, § 804.]

SEC. 3869. Construction.

1 After the report of the commissioners to the council and final
2 action thereon by it, the council shall have authority to order the
3 work of constructing a new channel or covered way or part thereof, as
4 hereinbefore provided, and may authorize different portions of said
5 work to be done in different years successively.

[C., '97, § 805.]

SEC. 3870. Special tax.

1 The cost of doing any work authorized, or any part thereof, except
2 so much of the cost of filling an old channel as is to be assessed against
3 abutting property, the compensation for private property condemned
4 and appropriated for such uses, and the damages sustained on account
5 of such change in the channel of a stream, shall be paid by a special
6 tax, by the collection of special assessments for benefits to lots and
7 lands abutting upon the old watercourse, by other special assessments,
8 if any, which may be made against the property adjacent to the streets
9 and alleys on which the new channel or covered way is located and
10 benefited thereby, and by appropriations from the general funds of
11 the city available for that purpose; which special tax herein authorized
12 the council shall have power to levy, payable yearly and in proportion
13 as the proposed work is done.

[C., '97, § 806.]

SEC. 3871. Assessment to abutting property.

1 If a covered drain or new channel shall be constructed along any
2 street or alley, and used by the city as a sanitary or storm waterway,
3 the council shall have power to assess upon the lots or lands adjacent
4 to the line of such covered drain or new channel, and benefited thereby,
5 a portion of the cost thereof, not exceeding the sum of two dollars
6 per linear foot of such drain or channel; which assessment shall be
7 made and levied in the manner provided by law relating to the cost
8 of sewers.

[C., '97, § 807.]

SEC. 3872. Bonds.

1 They may issue bonds in anticipation of such special tax, in the
2 manner authorized with reference to sewer and city improvement
3 funds, not in excess, however, of the tax which shall have been levied.

[C., '97, § 808.]

SEC. 3873. Gas and water connections.

1 They shall have power to require the connections from gas, water
2 and steam heating pipes, sewer and underground electric connections,
3 to the curb line of adjacent property, to be made before the perma-
4 nent improvement of the street, highway, avenue, alley, public ground
5 or place whereon they are located; and, where such improvements
6 have already been made, to regulate the making of such connections,
7 and fix the charges therefor, and make all needful rules and regula-
8 tions in relation to such connections and the use thereof. In case the
9 owners of property on such streets shall fail to make such connections
10 in the manner and within the time fixed by the council, it may cause
11 the same to be made, and assess against the property in front of

12 which they are made the cost and expense thereof. In addition to the
 13 above powers, any city which has a board of waterworks trustees
 14 which has ordered any street, highway, avenue, alley or public place
 15 permanently improved by paving, graveling or macadamizing the city
 16 council shall notify the board of waterworks trustees of such contem-
 17 plated improvement at the time of the passage of the proposed resolu-
 18 tion of necessity, and thereupon the board of waterworks trustees
 19 shall report to the city council the lots and names of the owners and
 20 the requirements in respect to connections from any water mains or
 21 pipes to the curb line of the abutting and adjacent property and there-
 22 upon the city council shall pass a resolution requiring the respective
 23 owner of the said abutting or adjacent property to make said connec-
 24 tions in the manner required by the rules of the board of waterworks
 25 trustees and a notice shall be given by two publications in some news-
 26 paper of general circulation in said city, the first of which shall be at
 27 least twenty days prior to the time fixed in said notice at which the
 28 said putting in of said connections must be completed.

29 If the owner of the property fail to put in the said water connec-
 30 tions before the time stated in said notice or within such additional
 31 time as may be granted by the city council, not exceeding thirty days,
 32 the board of waterworks trustees shall have the power to put in the
 33 said connections and certify the actual cost thereof to the city council
 34 and the city council shall assess the same to the respective lots and
 35 tracts of land in the same manner in which other special assessments
 36 are made as provided by law.

[C., '97, § 809; 38 G. A., ch. 92, § 1.]

1 When the council of any such city shall deem it advisable or neces-
 2 sary to make or reconstruct any street improvement or sewer author-
 3 ized in this chapter, it shall, in a proposed resolution, declare such
 4 necessity or advisability, stating the one or more kinds of material
 5 proposed to be used and method of construction, whether abutting
 6 property will be assessed, and, in case of sewers, the one or more kinds
 7 and size, and what adjacent property is proposed to be assessed there-
 8 for, and in both cases designate the location and terminal points
 9 thereof, and cause fourteen days' notice of the time when said resolu-
 10 tion will be considered by it for passage to be given by two publica-
 11 tions in some newspaper of general circulation published in the city,
 12 the last of which shall be not less than two nor more than four weeks
 13 prior to the time fixed for its consideration, at which time the owners
 14 of the property subject to assessment for the same may appear and
 15 make objection to the contemplated improvement or sewer and the
 16 passage of said proposed resolution, at which hearing the same may
 17 be amended and passed, or passed as proposed. But if no such news-
 18 paper is published within the limits of the corporation, then such
 19 notice may be given by posting copies thereof in three public places
 20 within the limits of the corporation, two of which places shall be the
 21 postoffice, in case there be no postoffice, then in such place as the coun-
 22 cil may designate, and the mayor's office of such city or town.

3 such board exists, shall contract for furnishing labor and material and
4 for the making or reconstruction, either of the entire work in one con-
5 tract, or for parts thereof in separate and specified sections; but no
6 work shall be done under any such contract until a certified copy
7 thereof shall have been filed in the office of the clerk.

[C., '97, § 812.]

SEC. 3877. Bids—notice.

1 All contracts for the making or reconstruction of street improve-
2 ments and sewers shall be let in the name of the city, to the lowest
3 bidder, by sealed proposals, upon giving notice for at least ten days
4 from the first publication by two publications in a newspaper pub-
5 lished in said city, which notice shall state as nearly as practicable the
6 extent of the work and the one or more kinds of materials for which
7 bids will be received, when the work shall be done, the terms of pay-
8 ment fixed, and the time the proposals shall be acted upon; but all bids
9 may be rejected and new bids ordered; provided, however, that if no
10 newspaper is published within the limits of such city or town, then
11 such notice may be given by posting the same in three public places
12 within the limits of such city or town, two of which such places shall
13 be the postoffice, in case there be no postoffice, then in such public
14 place as the council may designate, and the mayor's office of such city
15 or town. All bids must be accompanied, in a separate envelope, with
16 a certified check payable to the order of the treasurer, in a sum to be
17 named in the notice for bids, as security that the bidder will enter
18 into a contract for the doing of the work, and will give the bond
19 required in the following section. All such checks, where the bid has
20 not been accepted, shall be returned to the respective bidders.

[C., '97, § 813; S. S., '15, § 813; 38 G. A., ch. 383, § 1.]

SEC. 3878. Contractor's bond to repair.

1 All contracts for the making or reconstruction of street improve-
2 ments or sewers shall contain a provision obligating the contractor
3 and his bondsmen to keep such improvement or sewer in good repair
4 for not less than four years after the acceptance of the same by the
5 city, and the bond shall be so conditioned as to conform to such con-
6 tract.

[C., '97, § 814; S., '13, § 814; 38 G. A., ch. 234, § 1.]

SEC. 3879. Bond to perform.

5 county in which the council may hold its sessions.

[C., '97, § 815.]

SEC. 3880. Lien of tax—filing of notice.

1 After a contract has been made by any city for the making or
 2 reconstruction of any street improvement or sewer, the clerk shall file
 3 with the auditor of the county, or each of the counties, in which said
 4 city is situated, a written or printed copy of the notice of the resolu-
 5 tion provided for, with a true copy of the proof of publication thereof,
 6 together with a certificate of the clerk that an ordinance or resolution
 7 has been adopted directing the making or reconstruction of said street
 8 improvement or sewer. Thereupon all special taxes for the cost
 9 thereof, or any part of said cost, which are to be assessed and levied
 10 against real property, or any railway or street railway, together with
 11 all interest and penalties on all of said assessments, shall become and
 12 remain a lien on such property from the date of the filing of said
 13 papers with the county auditor until paid, and shall have precedence
 14 over all other liens except ordinary taxes, which shall not be divested
 15 by any judicial sale; but such lien for street improvements in case of
 16 abutting property shall not cover to exceed one hundred fifty feet in
 17 depth from the abutting line. Any such assessment against a railway
 18 or street railway shall be a first and paramount lien upon the track
 19 thereof within the limits of the city, provided that in all counties
 20 where taxes are collected in two or more places, no lien shall attach
 21 on any property for special taxes until on and after the notices and
 22 certificates provided for in this section have been filed in the office of
 23 the auditor in the place where said special taxes are collected. The

[C., '97, § 816; S., '13, § 816.]

SEC. 3881. Cost at intersections.

1 The cost of any street improvement or sewer at the intersection
 2 of streets, highways, avenues and alleys, or any part of it, and one-half
 3 of the cost of the same at spaces opposite streets, highways, avenues
 4 and alleys intersecting but not crossing, and at spaces opposite prop-
 5 erty owned by the city or the United States, or any part thereof, may
 6 be paid, in case of sewers, from the city sewer fund or the district
 7 sewer fund of such sewer district, or the general revenue of said city,
 8 or as provided in the second following section; and, in case of street
 9 improvements, from the city improvement fund, except that part to
 10 be constructed by, paid for by, or assessed to railways and street
 11 railways; but the cost in whole or in part of such street improvement
 12 at the places designated in this section, excluding cost of that part
 13 embraced within the foregoing exception, may be assessed against the
 14 property abutting or fronting upon that portion of the street, highway,

 16 fronting or abutting upon such improvement.

[C., '97, § 817.]

SEC. 3882. Cost of improvements—how paid.

1 The cost of opening, widening, extending and grading any street,
 2 highway, avenue, alley, public ground or market place shall be paid
 3 in whole or in part from the grading fund. The cost of making or
 4 reconstructing any street improvement authorized in this chapter,

5 except that embraced within the preceding section, and that herein-

7 ways, shall be assessed as a special tax against the property abutting
8 thereon, in proportion to the number of linear front feet of each
9 parcel so abutting.

[C., '73, § 466; C., '97, § 818.]

SEC. 3883. Cost of sewers.

1 The cost, or any part thereof, of making or reconstructing sewers,
2 including that provided for in the second preceding section, may be
3 paid from the district sewer fund of the sewer district in which the
4 same is situated, or from the city sewer fund, or from the general
5 revenue, and the portion thereof not so paid, and not in excess of three
6 dollars per linear foot of sewer, shall be assessed against the property
7 abutting on such sewer in proportion to the number of linear front
8 feet of each parcel thereof, and upon adjacent property in proportion
9 to the benefit thereto; but in estimating the benefits to result there-
10 from to adjacent property, no account shall be taken of improvements,
11 and each lot or parcel of land shall be considered as wholly unimproved.
12 The city may combine any or all of said methods of assessment.

[C., '97, § 819.]

SEC. 3884. Assessment of cost.

1 When the making or reconstruction of any street improvement
2 or sewer shall have been completed, or such part thereof shall have
3 been completed as, under the contract, is to be paid for when done,
4 the council, or board of public works where such board exists, shall,
5 within twenty days following the completion of the making or recon-

10 of the council under which such street improvement was made or sewer
11 constructed, assessable upon abutting property; and, in case of sewers,
12 also upon adjacent property, and what portion shall be assessed upon
13 such abutting property, and in case of sewers, upon such abutting and
14 adjacent property, for intersections and spaces opposite property
15 owned by the city or the United States; and the council shall then
16 assess such portions upon and against such property as provided by
17 law.

[C., '97, § 820; S., '13, § 820.]

SEC. 3885. Plat and schedule.

1 In assessing that part of the cost of the making or reconstruction
2 of any street improvement or sewer, or completed part thereof, which
3 is assessable against the lots or parcels of ground abutting thereon,
4 or, in case of sewers, adjacent thereto, the council, or board of public
5 works where such board exists, shall cause to be prepared a plat of
6 the streets, avenues, highways, alleys, or the part thereof on which
7 the same shall have been made or reconstructed, showing the separate
8 lots or parcels of ground, or specified portion thereof, subject to assess-
9 ment for such improvement, the names of the owners thereof as far
10 as practicable, and the amount to be assessed against each lot or parcel
11 of ground, and against any railway or street railway, and shall file

12 said plat and schedule in the office of the clerk, which shall be subject
13 to public inspection.

[C., '97, § 821.]

SEC. 3886. Estimates—city engineer.

1 The city engineer, or other person employed by the council to
2 discharge the duties of such office, shall, under its direction, or that of
3 the board of public works where such board exists, make or assist in
4 making all estimates for street improvements and sewers, furnish the
5 necessary grades and lines, see that the work conforms thereto and
6 is in accordance with the ordinance or resolution of the council, and
7 make or assist in making each required assessment, plat and schedule.

[C., '97, § 822.]

SEC. 3887. Notice of assessment—publication.

1 After filing the plat and schedule, the council shall give notice by
2 two publications in each of two newspapers published in the city, if
3 there be that number, otherwise in one, and by handbills posted in
4 conspicuous places along the line of such street improvement or
5 sewer; but if no such newspaper is published within the limits of such
6 city or town then such notice may be given by posting copies thereof
7 in three public places within the limits of such city or town, two of
8 which such places shall be the postoffice, in case there be no postoffice,
9 then in such public place as the city council may designate, and the
10 mayor's office of such city or town; that said plat and schedule are on
11 file in the office of the clerk, and that within twenty days after the
12 first publication all objections thereto, or to the prior proceedings,
13 on account of errors, irregularities or inequalities, must be made in
14 writing and filed with the clerk; and the council, having heard such
15 objections and made the necessary corrections, shall then make the
16 special assessments as shown in said plat and schedule, as corrected
17 and approved.

[C., '97, § 823; S., '13, § 823; 38 G. A., ch. 386, § 1.]

SEC. 3888. Objections.

1 All objections to errors, irregularities or inequalities in the mak-
2 ing of said special assessments, or in any of the prior proceedings
3 or notices, not made before the council at the time and in the manner
4 herein provided for, shall be waived except where fraud is shown.

[C., '97, § 824.]

SEC. 3889. Levy of assessment—installments.

1 The special assessments made in said plat and schedule, as cor-
2 rected and approved, shall be levied at one time, by ordinance or
3 resolution, against the property abutting on such street improvement
4 or sewer, and, in case of sewers, upon adjacent property, and, when
5 levied and certified, shall be payable at the office of the county treas-
6 urer. If the owner of any lot or parcel of land or railway or street
7 railway, the assessment against which is embraced in any bond or
8 certificate provided for in chapter twenty-six, title thirteen, shall,
9 within thirty days from the date of such assessment, promise and
10 agree in writing, indorsed on such bond or certificate, or in a separate
11 agreement, that, in consideration of having the right to pay his assess-

12 ment in installments, he will not make any objection of illegality or
 13 irregularity as to the assessment or levy of such tax upon and against
 14 his property, and will pay said assessment with interest thereon at
 15 such rate, not exceeding six per cent per annum, as shall by ordinance
 16 or resolution of the council be prescribed, such tax so levied against the
 17 lot or parcel of land or railway or street railway of such owner shall
 18 be payable in seven equal installments, the first of which, with interest
 19 on the whole assessment from date of acceptance of the work by the
 20 city council, shall mature and be payable on the date of such assess-
 21 ment, and the others, with interest on the whole amount unpaid,
 22 annually thereafter, at the same time and in the same manner as the
 23 March semiannual payment of ordinary taxes; but where no such
 24 promise and agreement in writing shall be made by the owner of any
 25 lot or parcel of land or railway or street railway within said time,
 26 then the whole of said special assessment so levied upon and against
 27 the property of such owner shall mature at one time, and be due and
 28 payable, with interest from the date of acceptance of the work by the
 29 city council, on the date of such assessment, and shall be collected at
 30 the next succeeding March semiannual payment of ordinary taxes. All
 31 such taxes with interest shall become delinquent on the first day of
 32 March next after their maturity, and shall bear the same interest,
 33 with the same penalties, as ordinary taxes.

[C., '97, § 825; S., '13, § 825.]

SEC. 3890. Filing certificate of assessment.

1 A certificate of levy of such special assessment, fixing the num-
 2 ber of installments and time when payable, certified as correct by
 3 the clerk, shall be filed with the auditor of the county, or of each of
 4 the counties, in which such city is situated, and thereupon said special
 5 assessment as shown therein shall be placed on the tax list of the
 6 proper county.

[C., '97, § 826.]

SEC. 3891. Interest on installments.

1 Each installment of any special assessment shall bear interest
 2 from the date of the assessment, not to exceed six per cent per annum,
 3 which shall become due and payable at the March semiannual payment
 4 of ordinary taxes. If certificates or bonds issued to pay for said street
 5 improvement or sewer bear a less rate of interest, the clerk shall
 6 certify to the auditor of said county or counties such fact, and the
 7 installments shall draw such rate of interest only. Upon the payment
 8 of any installment, there shall be computed and collected the install-
 9 ment, and interest on the whole assessment remaining unpaid up to
 10 the first day of April following.

[C., '97, § 827.]

SEC. 3892. Payment.

1 The owner of any property against which a street improvement
 2 or sewer assessment has been levied shall have the right to pay the
 3 same, or the unpaid installments thereof, with all interest, as the case
 4 may be, up to the time of said payment, with any penalties and the
 5 cost of any proceedings for the sale of the property for such special
 6 assessment or installments. No part of the line of any railway or
 7 street railway shall be released from the lien for any part of any

8 unpaid assessment which has been made against it for street improve-
9 ments, until the whole assessment shall have been paid. If any owner
10 of property subject to special assessment shall so divide the same that
11 the feet fronting upon such street improvement or sewer are contained
12 in two or more lots or parcels, he may discharge the lien in like man-
13 ner upon any one or more of them, by payment of the amount unpaid,
14 calculated by the ratio of square feet in area of such lot or lots or
15 parcel or parcels to the area of the whole lot.

[C., '97, § 828.]

SEC. 3893. Sale for assessment.

1 Property against which a special assessment has been levied for
2 street improvement or sewers may be sold for any sum of principal or
3 interest due and delinquent at any regular or adjourned tax sale, in
4 the same manner, with the same forfeitures, penalties and right of
5 redemption, and certificates and deeds on such sales shall be made in
6 the same manner and with like effect, as in case of sales for the non-
7 payment of ordinary taxes. At any such sale, where bonds have been
8 issued in anticipation of such special taxes and interest, the city may
9 be a purchaser, and be entitled to all the rights of purchasers at tax
10 sales. The purchaser at such sale shall take the property charged with
11 the lien of the remaining unpaid installments and interest. The pro-
12 ceeds subsequently realized from sales of any property so purchased
13 by a city shall be covered into the city improvement fund.

[C., '97, § 829.]

SEC. 3894. Levy for city improvement fund.

1 When the whole or any part of the cost of the making or recon-
2 struction of any street improvement shall be ordered paid from the
3 city improvement fund, to be levied upon all the property within any
4 city, it shall have the power, after the completion of the work, by
5 ordinance or resolution, to levy at one time the whole or any part of
6 the cost of said improvement upon all the taxable property within such
7 city, and determine the whole percentage of tax necessary to pay the
8 same, and the percentage to be paid each year, not exceeding the
9 maximum annual limit of said taxes, and the number of years, not
10 exceeding ten, given for the maturity of each installment thereof; but
11 no part of such cost shall be levied against property owned by the city
12 or the United States. Certificates of such levies shall be filed with the
13 auditor of the county or counties in which said city is located, setting
14 forth the amount or percentage and maturity of said tax, or each
15 installment thereof, upon the assessed valuation of all the property in
16 said city, certified as correct by the clerk, and thereupon said tax shall
17 be placed on the tax list of the proper county or counties.

[C., '97, § 830.]

SEC. 3895. Levy for sewer fund.

1 When the whole or any part of the cost of making or reconstruct-
2 ing any sewer shall be ordered paid from the sewer fund of any
3 sewer district or from the city sewer fund, the council may, after
4 the completion of the work, by ordinance or resolution, levy at one
5 time the whole or any part of the cost of such sewer upon all the
6 taxable real property within such sewer district or within the city, as
7 the case may be, and determine the whole percentage of tax necessary

8 to pay the same, and the percentage to be paid each year, not exceed-
 9 ing the maximum annual limit of said taxes, and the number of years,
 10 not exceeding ten, given for the maturity of each installment thereof;
 11 but no part of such cost shall be levied against property owned by
 12 the city or the United States. Certificates of such levies shall be
 13 filed with the auditor of the county or counties in which said sewer
 14 district or city is located, setting forth the amount or percentage
 15 and maturity of said tax, or each installment thereof, with a descrip-

 20 or counties.

[C., '97, § 831.]

SEC. 3896. Cost of repairs.

1 The cost of the repair of any street improvement or sewer, or
 2 any part thereof, in case of sewers, may be paid from the city sewer
 3 fund, or the district sewer fund of the sewer district in which said
 4 repair is made, or from the general revenue of said city, or part from
 5 each of said funds; and in case of street improvements, may be paid
 6 from the city improvement fund, or the general revenue of said city.

[C., '97, § 832.]

1 All special assessments levied against abutting property and
 2 railways and street railways, for the payment of the cost of making
 3 or reconstruction of street improvements or sewers, shall be used for
 4 or appropriated to no other purpose than the payment in whole or in
 5 part of the cost of such work, or in payment of bonds or certificates
 6 issued to pay such cost, with the interest thereon.

[C., '97, § 833.]

SEC. 3898. Assessments on railways and street railways.

1 All railway and street railway companies shall be required to
 2 make, reconstruct and repair all paving, graveling or macadamizing
 3 between the rails of their tracks, and one foot outside thereof, at
 4 their own expense, unless by ordinance of the city, or by virtue of
 5 the provisions or conditions of any ordinance of the city under which
 6 said railway or street railway may have been constructed, or may be
 7 maintained, it may be bound to pave, gravel or macadamize other
 8 portions of said street, and in that case said railway or street railway
 9 shall make, reconstruct and repair the paving, graveling or macadam-
 10 izing of that part of the street specified by such ordinance; and such
 11 improvement, or the reconstruction or repair thereof, shall be of the
 12 material and character ordered by said city, and shall be done at the
 13 same time that the remainder of said improvement is made, recon-
 14 structed or repaired. When the same is made or completed, said
 15 companies shall lay, in the best approved manner, such rail as the
 16 council may require. They shall keep the paving, graveling or mac-
 17 adamizing between said rails, and one foot outside thereof, or such
 18 other part as they are liable to construct or maintain, up to grade
 19 and in good repair, using for such purpose the same material as is
 20 used for the original paving, graveling or macadamizing, or such

21 other material as the council may order. If the owner of said railway
 22 or street railway shall fail or refuse to comply with the order of the
 23 council to make, reconstruct or repair such paving, graveling or mac-
 24 adamizing, such work may be done by the city, and the cost and
 25 expense thereof shall be assessed upon the real estate and personal
 26 property of said railway or street railway company within the cor-

[C., '97, § 834.]

1 Before any street railway company shall lay its track upon any
 2 street that has been paved, and which at the time is not being repaved,
 3 it shall pay into the city treasury the value of all paving between its
 4 tracks, and one foot outside thereof, which value shall be determined
 5 by the city council, but in no case shall exceed the original cost of
 6 the paving, and the money thus paid shall be refunded to the abutting
 7 property owners on said street in proportion to the amounts originally
 8 assessed against the property abutting thereon. The company or any
 9 person affected by or interested in such determination of the value
 10 of such pavement may appeal therefrom to the district court within

1 When by reason of nonconformity to any law or ordinance, or
 2 by reason of any omission, informality or irregularity, any special
 3 tax or assessment levied is invalid, or is adjudged illegal, or in case
 4 of deficiencies, the council shall have the power to correct the same
 5 by resolution or ordinance, and may reassess and relevy the same,
 6 as also an amount to make up such deficiencies, with the same force
 7 and effect as if done at the proper time, in the proper amount, and
 8 in the manner provided by law or by the resolution or ordinance re-
 9 lating thereto. Whenever any such special tax or assessment, upon
 10 property not by law exempt therefrom, shall have been heretofore
 11 or shall be hereafter adjudged to be void for any jurisdictional defect,
 12 and the city adjudged liable to pay the same, the city council shall
 13 as to such property have power, by resolution or ordinance, to cause
 14 to be prepared a schedule and proposed reassessment in proportion
 15 to and not in excess of benefits, and to cause notice thereof to be
 16 given, and to hear objections thereto and make necessary corrections,
 17 as provided by section thirty-eight hundred eighty-seven; and there-
 18 upon the council shall reassess and relevy such special tax or special
 19 assessment as so corrected, with the same force and effect as if juris-
 20 diction had been acquired in the first instance, and all subsequent
 21 proceedings had been regularly and legally had.

[C., '97, § 836; S. S., '15, § 836.]

SEC. 3901. Correction.

1 When, in making any special assessment, any property is here-
 2 after assessed too little or too much, the same may be corrected, and
 3 a reassessment and relevy made in conformity therewith; and any

4 tax collected in excess of the proper amount shall be refunded to the
 5 persons paying the same. Such corrected assessment shall be a lien
 6 on the lots and parcels of land the same as the original, and shall be
 7 certified by the clerk to the county auditor in the same manner, and
 8 shall, so far as practicable, be collected in the same installments, draw
 9 interest at the same rate, and be enforced in the same manner as
 10 the original assessment.

[C., '97, § 837.]

 3 within ten days from the date of such levy, by serving written notice
 4 thereof upon the mayor or clerk, and filing a bond for costs, to be fixed
 5 and approved by either of said officers. Upon such appeal, all ques-
 6 tions touching the validity of such assessment, or the amount thereof,
 7 and not waived under the provisions of this chapter, shall be heard
 8 and determined. The appeal shall be tried as an equitable action, and
 9 the court may make such assessment as should have been made, or
 10 direct the making of such assessment by the council. The costs of
 11 the appeal shall be taxed as in other actions.

[C., '97, § 839.]

**SEC. 3904. Enforcing assessment against railways and street

 6 against such railway or street railway, or the lien thereof enforced
 7 against the property of such railway or street railway, on or against
 8 which the same has been levied, by action in equity, at the election
 9 of the plaintiff; and in any action at law where pleadings are required,
 10 it shall be sufficient to declare generally for work and labor done, or
 11 materials furnished, on the particular street, avenue, alley or highway,
 12 the levy of the tax and nonpayment of the same; and in any action in
 13 equity, it shall be sufficient to aver the same matters, together with
 14 a particular description of the property, or parts thereof, against
 15 which such lien is sought to be enforced. Such action may be main-
 16 tained in the name of the city or town, for the use of any person
 17 entitled thereto or any part thereof, upon filing a bond conditioned
 18 to pay all costs adjudged against the plaintiff and protect it from all
 19 liability therefrom or damages growing out of the same; the amount
 20 of the bond to be fixed by the court, or a judge thereof in vacation, and
 21 the sureties thereon to be approved by the clerk of said court.

SEC. 3958. How issued.

1 When such bonds have been issued they shall be delivered to the
 2 clerk, who shall register them in a book or books to be kept for that
 3 purpose, countersign them, and then deliver the same to the city
 4 treasurer or some bank selected by the council, which may require of
 5 the treasurer or bank such security or such additional security as it
 6 may think necessary to secure the payment in full of the proceeds
 7 thereof. The city treasurer shall report to the clerk the number of

8 bonds delivered by him, and the amount received therefor, or for

3 any certificate be issued to the contractor or sold, except upon the
4 resolution of the council ordering the same, and no such resolution for
5 the delivery of any bonds or certificates, or the payment of any of
6 the proceeds of said bonds or certificates, shall be made until the cer-
7 tificate of the city engineer or other competent person selected, or
8 board of public works where such board exists, has been filed, stating
9 that the work contracted for or a completed part thereof, as the case
10 may be, has been completed according to the terms and stipulations of
11 the contract.

[C., '97, § 846.]

SEC. 3961. Bonds paid.

1 Such street improvement and sewer certificates, bonds and cou-
2 pons shall be payable out of funds derived from the special taxes and
3 interest thereon pledged to the payment of the same, and such certifi-
4 cates or bonds shall not be delivered in excess of the special taxes

8 there is no fund from which to pay the same, the council may make a
9 temporary loan for the payment thereof, which loan shall be repaid
10 from the special taxes and interest pledged to secure said bonds, but
11 in case of purchase by the city at tax sale of the property on which
12 such tax is levied, it shall then be repaid from the city improvement

7 council shall by ordinance designate, but no city or town shall become

8 indebted in excess of five per cent of the actual value of the taxable
9 property of said city or town as shown by the last preceding assess-
10 ment roll. The indebtedness so incurred for building or constructing
11 sewers shall not be considered an indebtedness incurred for general or
12 ordinary purposes.

[38 G. A., ch. 243, § 1.]

SEC. 3963. Additional powers.

1 The preceding section shall be construed as granting additional
2 power, without limiting the power already existing, in cities and
3 towns, including cities operating under the commission form of gov-
4 ernment.

[38 G. A., ch. 243, § 2.]

SEC. 3964. Refunding bonds.

6 and all the powers and duties to levy and collect special assessments
7 and taxes, to create liens upon property, and to establish sinking funds
8 in respect of the bonds previously issued shall continue until all refund-
9 ing bonds shall be paid. The city shall collect the special assessments
10 out of which the said bonds are payable, and hold the same separate
11 and apart in trust for the payment of said refunding bonds, but it
12 shall be in no way liable except for the proper application of said
13 assessments; but the provisions of this section shall not apply to
14 assessments or bonds adjudicated to be void.

 6 purpose for which the consolidated levy authorized in the preceding

7 section is to be used, but in addition thereto the purpose for which all
 8 other levies authorized to be made by said city or town are to be used,
 9 so that said budget when so made up will show all of the proposed ex-

 6 cess of the amount sought for such specific object, but the excess shall

7 go into the general city or town funds. Money so raised is especially
 8 appropriated for such purposes, and constitutes a distinct fund in the
 9 hands of the treasurer until the obligation assumed is discharged.

17 by the original proprietors against any and all assessments, costs and
18 damages paid, lost or incurred by any grantee or person claiming
19 under him, in consequence of the omission on the part of said pro-
20 prietor to file such plat.

[C., '73, § 559; C., '97, § 914.]

SEC. 4071. Acknowledgment and recording—abstract of title.

1 Every such plat shall have a complete abstract of title attached
2 thereto, and shall be accompanied by a statement to the effect that
3 the subdivision of (here insert a correct description of the land or
4 parcel subdivided), as appears on this plat, is with the free consent
5 and in accordance with the desire of the proprietor, which shall be
6 signed and acknowledged by him before some officer authorized to
7 take the acknowledgment of deeds. Such proprietor shall also pro-
8 cure from the treasurer of the county in which the land lies, and file
9 with the recorder, a certified statement that the land laid out into
10 lots, streets and alleys is free from taxes, and a certified statement
11 of the clerk of the district court that said land is free from all judg-
12 ment, attachment, mechanics', or other liens, as appears by the records
13 of his office, and a certified statement from the recorder that the title
14 in fee is in such proprietor, and that it is free from incumbrance;
15 but if the parcel of land so laid out shall be incumbered with a debt
16 certain in amount, and which the creditor will not accept with accrued
17 interest to the day of proffered payment if it draws interest, or with
18 a rebate of interest at the rate of six per cent per annum if it draws
19 no interest, or if the creditor can not be found, then such proprietor,
20 and, if a corporation, its proper officer or agent, may file with the
21 recorder of such county an affidavit, stating either that such proprie-
22 tor has offered to pay such creditor the full amount of his debt, with
23 interest, or with a rebate of interest, as the case may be, and that he
24 would not accept the same, or that he can not be found, whereupon
25 such proprietor may execute and file with the recorder a bond in double
26 the amount of such incumbrance, with three sureties who shall be
27 freeholders of the county, to be approved by the recorder and clerk
28 of the district court, which bond shall run to the county, and shall
29 be for the benefit of the purchasers of any lots, and shall be condi-
30 tioned for the payment of such incumbrance and the cancellation
31 thereof of record as soon as practicable after the same becomes due,
32 and for the holding of all purchasers and those claiming under them
33 forever harmless from such incumbrance. When such affidavit and
34 bond shall have been filed with the recorder, together with the cer-
35 tificate of approval of the council of the city or town in which such
36 land is situated or which is proposed to be made an addition thereto
37 and a certificate of the recorder that said land is free from all incum-
38 brance except as secured by said bond, and that the title in fee is in
39 such proprietor, and that of the treasurer that the land is free from
40 taxes, said plat shall be admitted to record, and be as valid as if such
41 proprietor had filed with the recorder the certificate of such officer
42 that said land was free from all incumbrance.

[C., '73, § 560; C., '97, § 915; S., '13, § 915.]

SEC. 4072. Approval by council.

1 All plats of additions to any city or town, or subdivision of any
 2 part or parcels of lands lying within or adjacent to any city or town,
 3 shall be divided by streets into blocks and such blocks and streets shall
 4 conform as nearly as practicable to the size of blocks and the width of
 5 streets in such city or town. And such streets shall be extensions
 6 of the existing system of streets thereof. All plats of such additions
 7 or subdivisions, except subdivisions of less than one block, before
 8 being recorded shall be filed with the clerk of such city or town, and
 9 when so filed, the council within a reasonable time shall consider the
 10 same, and if it is found that such plat conforms to the provisions
 11 hereof, the council shall direct the mayor and clerk to certify its reso-
 12 lution of approval, which shall be affixed to said plat before it shall
 13 be received for record by the county recorder. The council shall have
 14 power to require alleys to be platted separating abutting lots, and if
 15 so platted, said alleys shall conform as nearly as practicable to the
 16 width of alleys in said city or town and shall be extensions of the
 17 existing system of alleys. The council shall have the power to require
 18 the owner to bring all streets to a grade acceptable to the council be-
 19 fore any such plat is approved as herein provided.

[C., '97, § 916; S., '13, § 916; 38 G. A., ch. 241, § 1.]

SEC. 4073. Dedication to public.

1 When the statement and plat are accompanied with the certifi-
 2 cates, affidavit and bond, when so required, and have been entered on
 3 the plat books in the auditor's office, they shall be admitted to record,
 4 and not otherwise, and shall be of no validity until so filed for record
 5 in the office of the recorder, and such acknowledgment and recording
 6 shall be equivalent to a deed in fee simple of such portion of the prem-
 7 ises platted as is set apart for streets or other public use, or as is
 8 dedicated to charitable, religious or educational purposes.

[C., '51, §§ 635-637; R., '60, §§ 1019-1021; C., '73, §§ 560,
 561; C., '97, § 917.]

SEC. 4074. Authority to change name of street.

1 Cities and towns shall have authority to change by ordinance the
 2 name of a platted street. The mayor and city or town clerk shall cer-
 3 tify and file the ordinance, after its passage, with the county recorder
 4 and county auditor in the county where the said city or town is located,
 5 which shall be entered of record in the recorder's office and a refer-
 6 ence made on the margin of the original plat referring to the record
 7 of such change of names.

[S., '13, § 917-a.]

SEC. 4075. Vacation by proprietor.

1 Any such plat may be vacated by the proprietor thereof, at any
 2 time before the sale of any lots, by a written instrument declaring the
 3 same to be vacated, executed, acknowledged and recorded in the same
 4 office with the plat to be vacated, and the execution and recording of
 5 such writing shall operate to annul the plat so vacated, and to divest
 6 all public rights in the streets, alleys and public grounds described
 7 therein. In cases where any lots have been sold, the plat may be va-

8 cated as in this chapter provided by all the owners of lots joining in
9 the execution of the writing aforesaid.

[C., '73, § 563; C., '97, § 918.]

SEC. 4076. Part of plat vacated.

1 Any part of a plat may be thus vacated, provided it does not
2 abridge or destroy any right or privilege of any proprietor in said
3 plat, but nothing contained in this section shall authorize the closing
4 or obstruction of highways. When any part of a plat is vacated, the
5 proprietors of the lots may inclose the streets, alleys and public ground
6 adjoining them in equal proportion, except as provided in the next
7 section. The recorder in whose office the plats are recorded shall
8 write across that part of the plat so vacated, the word "vacated," and
9 make a reference on the same to the volume and page in which the
10 instrument is recorded.

[C., '73, §§ 564-566; C., '97, § 919.]

SEC. 4077. Vacation by lot owners.

1 Whenever the owners of any tract of land which has been platted
2 into town lots, and the plat of which has been recorded, shall desire
3 to vacate the plat or a part thereof, a petition, signed by all the own-
4 ers of it or the part to be vacated, shall be filed in the office of the clerk
5 of the district court of the county in which the land is situated, re-
6 turnable at the ensuing term, and notice thereof given at least four
7 weeks, by posting notices in three conspicuous places in the town
8 where the vacation is prayed, and one upon the door of the courthouse
9 of the county. At the term of court next following the filing of the
10 petition and notice, the court shall fix a time for hearing the petition,
11 and notice of the day so fixed shall be given by the clerk in some news-
12 paper published in the county at least one week before the day ap-
13 pointed for the hearing. At the hearing of the petition, if it shall
14 appear that all the owners of lots in the plat or part thereof to be
15 vacated desire the vacation, and there is no valid objection thereto, a
16 decree shall be entered vacating such portion of the plat, and the
17 streets, alleys and avenues therein, and for all purposes of assessment
18 such portion of the town shall be as if it had never been platted into
19 lots; but if any street as laid out on the plat shall be needed for public
20 use, it shall be excepted from the order of vacation and shall remain
21 a public highway. Vacations made under this chapter shall not be
22 construed to affect any lands lying within any city or town which have
23 been dedicated or deeded to the public for parks or other public pur-
24 poses.

[C., '97, § 920.]

SEC. 4078. Replatting.

1 The owner of any lots in a plat vacated may cause the same and
2 a proportionate part of the adjacent streets and public grounds to
3 be replatted and numbered by the county surveyor in the same man-
4 ner as is required for platting in the first instance, and when such
5 plat is acknowledged by such owner, and is recorded in the recorder's
6 office of the county, such lots may be conveyed and assessed by the
7 numbers given them on such plat.

[C., '73, § 567; C., '97, § 921.]

SEC. 4079. Plat by auditor—special charter cities excepted.

1 Whenever the original proprietor of any subdivision of land has
2 sold or conveyed any part thereof, or invested the public with any
3 rights therein, and has failed and neglected to execute and file for
4 record a plat as provided in this chapter, the county auditor shall by
5 mail or otherwise notify some or all of such owners, and demand its
6 execution. If such owners, whether so notified or not, fail and neglect
7 for thirty days after the issuance of such notice to execute and file
8 said plat for record, the auditor shall cause one to be made, making
9 any survey necessary therefor. Said plat shall be signed and acknowl-
10 edged by the auditor, who shall certify that he executed it by reason
11 of the failure of the owners named to do so, and file it for record in
12 his office and in the office of the county recorder, and when so filed it
13 shall have the same effect as if executed, acknowledged and recorded
14 by the owners. A correct statement of the costs and expenses of such
15 plat, survey and record, verified by oath, shall be by the auditor laid
16 before the first session of the board of supervisors, which shall allow
17 the same and order them paid out of the county treasury, and he
18 shall at the same time assess the amount pro rata upon the several
19 subdivisions of said tract, lot or parcel so subdivided, and it shall be
20 collected in the same manner as general taxes, and shall go to the gen-
21 eral county fund; or said board may direct suit to be brought in the
22 name of the county to recover from the original proprietor such cost
23 and expense. Real estate situated in cities acting under special char-
24 ter shall not be platted by the auditor under this section.

[C., '73, § 568; C., '97, § 922; S., '13, § 922.]

SEC. 4080. Platting for assessment and taxation.

1 Whenever a congressional subdivision of land of one hundred
2 sixty acres or less, or any lot or subdivision, is owned by two or more
3 persons in severalty, and the description of one or more of the different
4 parts or parcels thereof can not, in the judgment of the county auditor,
5 be made sufficiently certain and accurate for the purposes of assess-
6 ment and taxation without noting the metes and bounds of the same,
7 he shall cause to be made and recorded in his office and the office of
8 the county recorder a plat of such tract or lot with its several subdivi-
9 sions, including and replatting in such plat such other plats or parts
10 thereof included within the same lot or congressional subdivision of
11 land as may seem to him to be required in accordance with the provi-
12 sions of this chapter, proceeding as directed in the preceding sec-
13 tion, and all of its provisions shall govern.

[C., '73, § 569; C., '97, § 923; S., '13, § 923.]

SEC. 4081. Insufficiency of description in deed.

1 Every conveyance of land in this state shall be deemed to be a
2 warranty that the description therein contained is sufficiently definite
3 and accurate to enable the auditor to enter the same on the plat book
4 required to be kept; and when there is presented for entry on the
5 transfer book any conveyance in which the description is not suffi-
6 ciently definite and accurate, the auditor shall note such fact on the
7 deed, with that of the entry for transfer, and shall notify the person
8 presenting it that the land therein is not sufficiently described, and
9 must be platted within thirty days thereafter. Any person aggrieved
10 by the opinion of the auditor may within said thirty days appeal there-

11 from to the board of supervisors, by giving notice thereof in writing,
 12 and thereupon no further proceeding shall be taken by the auditor.
 13 At its next session the board of supervisors shall determine said mat-
 14 ter and direct whether the plat shall be executed and filed, and within
 15 what time. If the grantor in such conveyance shall neglect for thirty
 16 days thereafter to file for record a plat thereof, and of the appropriate
 17 congressional subdivision in which the same is found, duly executed
 18 and acknowledged as required by the auditor, or, in case of appeal,
 19 as directed by the board of supervisors, then the auditor shall pro-
 20 ceed as is provided in this chapter, and cause such plat to be made
 21 and recorded in his office and the office of the county recorder, and
 22 thereupon the same result shall follow as provided in the preceding
 23 section. Such plat shall describe said tract and any other subdivisions
 24 of the smallest congressional subdivision of which the same is part,
 25 numbering them by progressive numbers, setting forth the courses
 26 and distances, the number of acres, and such other memoranda as is
 27 necessary; and descriptions of such lots or subdivisions according to
 28 the number and designation thereon said plat shall be deemed suffi-
 29 cient for all purposes.

[C., '73, § 570; C., '97, § 924; S., '13, § 924.]

SEC. 4082. Resurvey of town plats.

1 In all cases where the original plat of any city, town or village,
 2 or any addition thereto, has been or may be lost or destroyed after the
 3 sale and conveyance of any subdivision, block or lot thereof by the
 4 original proprietor and before the same shall have been recorded, any
 5 three persons owning real property within the limits of such plat may
 6 have the same resurveyed and replatted, and such plat recorded as
 7 hereinafter directed, but in no case shall such replat be made and
 8 recorded without the consent in writing, indorsed thereon, of the orig-
 9 inal proprietor, if he be alive and his place of residence known.

[C., '97, § 925.]

SEC. 4083. How made.

1 The county surveyor of any county in which is situated any city,
 2 town, village or addition thereto, as contemplated in this chapter,
 3 may, and upon payment of his legal fees by any person desiring the
 4 same, must, make a resurvey of such city, town, village or addition,
 5 or any portion, and plat thereof, which plat shall conform as near as
 6 may be with the original lines of the parcel or tract so resurveyed,
 7 and be made in all respects in accordance with the provisions of this
 8 chapter. In making a resurvey and plat, the surveyor may summon
 9 witnesses, administer oaths, and take and hear evidence touching the
 10 original plat lines and subdivisions, whether the original proprietor
 11 is dead, and any other matter which may assist in arriving at and
 12 establishing the true lines and boundaries; but no resurvey shall be
 13 made except upon notice to be given by the surveyor by a publication
 14 of the contemplated resurvey, once each week, for four consecutive
 15 weeks in some newspaper printed in the county.

[C., '97, § 926; S., '13, § 926.]

SEC. 4084. Plat certified and filed.

1 When the surveyor has completed the plat, he shall attach his
 2 certificate thereto, to the effect that it is a just, true and accurate plat

3 of said city, town, village or addition so surveyed by him; which shall
 4 be filed for record in the office of the recorder of the proper county,
 5 and from the date of such filing it shall be treated in all courts of this
 6 state as though the same had been made by the original proprietor
 7 thereof.

[C., '97, § 927.]

SEC. 4085. Contesting.

1 Any person may at any time within six months from the date
 2 of its filing for record commence an action in equity against the per-
 3 sons employing the surveyor, setting up his causes of complaint and
 4 asking that such record be canceled. If it appear on the trial that
 5 the city, town, village or addition was originally laid out and platted;
 6 that the original proprietor had sold any or all of the lots thereof,
 7 or that he intended to dedicate to the public the streets, alleys or pub-
 8 lic squares therein; that the plat thereof has never been recorded, but
 9 is lost; that the proprietor is dead or his place of residence unknown;
 10 and that the resurvey and plat filed for record is a substantially ac-
 11 curate survey and plat of the original plat of such city, town, village
 12 or addition, then the action shall be dismissed at the cost of the com-
 13 plainants, otherwise the court shall set aside said plat and cancel the
 14 same of record at the cost of defendants.

[C., '97, § 928.]

SEC. 4086. Penalty for failure to record.

1 Any person who shall dispose of or offer for sale or lease any lots
 2 in any town, or addition to any town or city, until the plat thereof has
 3 been acknowledged and recorded as provided in this chapter, shall
 4 forfeit and pay fifty dollars for each lot and part of lot sold or dis-
 5 posed of, leased or offered for sale.

[R., '60, § 1027; C., '73, § 572; C., '97, § 930.]

SEC. 4087. Public squares used for school purposes.

1 The people of any town located wholly within an independent
 2 school district, wherein is situated a public square or plat of ground
 3 deeded or dedicated to the town or public, may transfer or rededicate
 4 to said school district such square or plat for the purposes of a public
 5 school lot, to be used for the erection thereon of a public schoolhouse,
 6 or for playgrounds in connection with such schoolhouse.

[C., '97, § 931.]

SEC. 4088. Manner of transfer.

1 When a plat or lot of the character described in the preceding
 2 section is located in such town, and one-half of the resident voters
 3 thereof, according to the last census, shall petition the mayor and
 4 council, asking them to submit to the voters of the town, at a general
 5 or special election, the question whether or not such public plat or
 6 lot shall be transferred to such independent district and dedicated and
 7 used for school purposes, they shall submit the question to the voters
 8 of the town, in accordance with the prayer of said petition, after giv-
 9 ing ten days' notice in writing or printing thereof, in which the propo-
 10 sition submitted shall be clearly set forth and signed by the mayor,
 11 three of which notices shall be posted in public and conspicuous places
 12 in the town, and one published in the last two issues preceding such

13 election of a weekly newspaper published therein, or, if there be none,
 14 then in the weekly newspaper published elsewhere in the county, hav-
 15 ing the largest circulation in said town. The notice shall also state
 16 the manner of voting, which shall be by ballot. The ballot shall con-
 17 tain the words: "Shall the proposition to transfer lot (or block, or
 18 square, as the case may be, describing it), for the purposes of a public
 19 schoolhouse lot, be adopted?" Such election shall be conducted as
 20 ordinary town elections are, under the supervision of the town au-
 21 thorities, who shall canvass the vote as provided in other cases. If
 22 it shall appear that two-thirds of the votes cast at such election are
 23 in favor thereof, then such transfer shall be complete, and the lot,
 24 block or square may be appropriated and used for the purposes indi-
 25 cated by said vote, and shall be no longer held for any other purpose.

26 In the event that any such town shall have discontinued its or-
 27 ganization or shall have failed to exercise its municipal powers and
 28 elect officers for a period of more than ten years, then the petition
 29 hereinbefore provided for may be presented to the board of directors
 30 within such school corporation, whereupon, if signed by one-third of
 31 the resident electors thereof, it shall be the duty of said board within
 32 ten days after the filing of the same to call an election in said district
 33 for which they shall give the same notices as required in sections
 34 twenty-five hundred thirty-five and twenty-five hundred thirty-eight,
 35 at which election the proposition submitted shall be in the same form
 36 as in the instance of a submission of such proposition in the case of a
 37 town election, and such election shall be held as provided for the hold-
 38 ing of other school elections. If it shall appear that a majority of
 39 the votes cast at such election are in favor of such proposition then
 40 a transfer of such public square or plat of ground shall be complete
 41 and such lot, plat, block or square may be appropriated and used for
 42 the purposes indicated by said vote and shall be no longer held for
 43 any other purpose.

[C., '97, § 932; S. S., '15, § 932.]

CHAPTER 36.

PENSIONS FOR DISABLED AND RETIRED FIREMEN.

SECTION 4089. Firemen's pension fund—levy of tax for.

1 In all cities and towns now or hereafter having an organized fire
 2 department, there may be and in all such cities having a paid fire
 3 department there shall be annually levied at the time of the levy of
 4 other taxes for city purposes a tax not exceeding one-half of a mill
 5 on the dollar upon all taxable property within the limits of such cities
 6 and towns for the purpose of creating a firemen's pension fund. All
 7 moneys derived from taxes so levied and all moneys received as mem-
 8 bership fees and dues as hereinafter provided and all moneys received
 9 from grants, donations, and devises for the benefit of such fund shall
 10 constitute a fund to be known and designated as a firemen's pension
 11 fund, which said fund shall be under the control of a board of trustees
 12 and shall be exclusively devoted to and for the purposes hereinafter
 13 enumerated.

[S., '13, § 932-a.]

SEC. 4090. Board of trustees—to serve without compensation.

1 The chief officer of the fire department, the city treasurer, and
 2 the city solicitor, or attorney, of such cities and towns shall be ex
 3 officio members of and shall constitute the board of trustees of the
 4 firemen's pension fund. The chief officer of the fire department shall
 5 be president and the city treasurer, treasurer of such board of trus-
 6 tees and the faithful performance of the duties of the treasurer shall
 7 be secured by his official bond as city treasurer. Such trustees shall
 8 not receive any compensation for their services as members of said
 9 board.

[S., '13, § 932-b.]

SEC. 4091. Investment of surplus.

1 The firemen's pension fund shall be kept and preserved as a sep-
 2 arate fund. The board of trustees shall have power to invest any
 3 surplus left in such fund at the end of the fiscal year, but no part of
 4 the fund realized from any tax levy shall be used for any purpose
 5 other than the payment of pensions. Investments shall be limited to
 6 interest-bearing bonds of the United States, of the state of Iowa, of
 7 any county, township or municipal corporation of the state of Iowa.
 8 All such securities shall be deposited with the treasurer of the board
 9 of trustees for safe-keeping.

[S. S., '15, § 932-c.]

**SEC. 4092. Gifts, devises or bequests—membership fees—assess-
ments.**

1 The board of trustees may take by gift, grant, devise, or bequest,
 2 any money or property, real or personal, or other thing of value for
 3 the benefit of the firemen's pension fund. All rewards in money,
 4 fees, gifts, or emoluments of every kind or nature that may be paid
 5 or given to any fire department or to any member thereof, except
 6 when allowed to be retained or given to endow a medal or other perma-
 7 nent or competitive reward on account of extraordinary services ren-
 8 dered by said fire department or any member thereof, and all fines
 9 and penalties imposed upon members shall be paid into the said pen-
 10 sion fund and become a part thereof. Every member of the paid fire
 11 department of any city or incorporated town within the provisions of
 12 this chapter shall be required to pay to the treasurer of said fund a
 13 membership fee to be fixed by the board of trustees, not exceeding
 14 five dollars, and shall also be assessed and required to pay annually
 15 an amount equal to one per cent per annum upon the amount of the
 16 annual salary paid to him, which said assessment shall be deducted
 17 and retained in equal monthly installments out of such salary.

[S., '13, § 932-d.]

**SEC. 4093. Who entitled to pensions—conditions of retirement—
amount paid—disability—exemption.**

1 Any member of an organized paid fire department within the pro-
 2 visions of this chapter who shall have served twenty-two years or
 3 more in such department and shall have reached the age of fifty years,
 4 or who shall, while a member of such department, become mentally
 5 or physically permanently disabled from performing the duties of a
 6 fireman, shall be entitled to be retired, and upon retirement he shall
 7 be paid out of the firemen's pension fund of the city in which such

8 department is located, a monthly pension equal to one-half the amount
9 of salary received by him monthly at the date he actually retires from
10 said fire department. Provided, however, that no member who has
11 not served five years or more in such department shall be entitled to
12 be retired and paid a pension under the provisions of this chapter on
13 account of being mentally or physically permanently disabled, unless
14 such disability was contracted while engaged in the performance of
15 his duties or by reason of following the occupation of such fireman.
16 Provided, further, that the chief officer of any fire department shall
17 have the power to assign any member of the department, retired or
18 drawing pensions under this chapter, to the performance of light
19 duties in such fire department. The question of disability shall be
20 determined by the trustees upon the advice of a physician appointed
21 by the board of trustees for that purpose. Upon the death of any
22 member of such fire department while in the service, or of any mem-
23 ber who shall have been retired, leaving a widow or minor children
24 or dependent father or mother surviving him, there shall be paid out
25 of said fund as follows: To the surviving widow, so long as she re-
26 mains unmarried and of good moral character, a pension of twenty
27 dollars per month. If there be no surviving widow, or upon the death
28 or remarriage of such widow, then to his dependent father and
29 mother, if both survive, or to either dependent parent, if one survive,
30 twenty dollars per month. To the guardian of each surviving minor
31 child under sixteen years of age, six dollars per month. Provided,
32 however, that the aggregate of all such payments shall not exceed one-
33 half of the amount of the salary of such member at the time of his
34 death or retirement. If any such member shall have served twenty-
35 two years in such department but shall not have reached the age of
36 fifty years, he shall be entitled to retirement as above; provided, how-
37 ever, that no pension shall be paid while he lives until he reaches the
38 age of fifty years. The provisions of this chapter shall apply to vol-
39 unteer or call members of a paid fire department, excepting that, as
40 to such volunteer or call members, the amount of pension to be paid
41 shall be such as the board of trustees shall fix or determine. After
42 any member shall become entitled to be retired, such right shall not
43 be lost or forfeited by discharge or for any other reason except con-
44 viction for felony. All pensions paid under the provisions of this
45 chapter shall be exempt from liability for debts of the person to or
46 on account of whom the same is paid and shall not be subject to seizure
47 upon execution or other process.

[S., '13, § 932-e; 38 G. A., ch. 19, § 1.]

SEC. 4094. Reexamination of retired members.

1 If any member of any fire department shall have been retired by
2 reason of physical or mental disability, the board of trustees shall
3 have the right and power, at any time, to cause such retired member
4 to be brought before it and again examined by competent physicians

11 fix rules and regulations not inconsistent with those provided in this
12 chapter for the enforcement of said ordinances.

[38 G. A., ch. 123, § 1.]

SEC. 4107. Definition of terms.

1 Certain words in this chapter are defined for the purposes thereof
2 as follows: Words used in the present tense include the future; words
3 in the masculine gender include the feminine and neuter; the singular
4 number includes the plural and the plural the singular; the word "per-
5 son" includes a corporation as well as a natural person.

6 1. *Dwelling.* A "dwelling" is any house or building or portion
7 thereof which is occupied in whole or in part as the home or residence
8 of one or more human beings, either permanently or transiently.

9 2. *Classes of dwellings.* For the purposes of this chapter dwell-
10 ings are divided into the following classes: *a* "Private dwellings,"
11 *b* "two-family dwellings," and *c* "multiple dwellings."

12 *a* A private dwelling is a dwelling occupied by but one family
13 alone.

14 *b* A two-family dwelling is a dwelling occupied by but two fam-
15 ilies alone.

16 *c* A multiple dwelling is a dwelling occupied by more than two
17 families.

18 3. *Classes of multiple dwellings.* All multiple dwellings are for
19 the purposes of this chapter divided into two classes, viz.: Class A
20 and Class B.

21 Class A. Multiple dwellings of Class A are dwellings which are
22 occupied more or less permanently for residence purposes by several
23 families and in which the rooms are occupied in apartments, suites
24 or groups. This class includes tenement houses, flats, apartment
25 houses, apartment hotels, bachelor apartments, studio apartments,
26 kitchenette apartments, and all other dwellings similarly occupied
27 whether specifically enumerated or not.

28 Class B. Multiple dwellings of Class B are dwellings which are
29 occupied, as a rule transiently, as the more or less temporary abiding
30 place of individuals who are lodged, with or without meals, and in
31 which as a rule the rooms are occupied singly. This class includes
32 hotels, lodging houses, boarding houses, furnished room houses, club
33 houses, asylums, boarding schools, convents, hospitals, jails and all
34 other dwellings similarly occupied whether specifically enumerated
35 herein or not.

36 4. *Hotel.* A "hotel" is a multiple dwelling of Class B in which
37 persons are lodged for hire and in which there are more than twenty-
38 five sleeping rooms.

39 5. *Family occupancy.* For the purposes of this chapter, a "fam-
40 ily" is a group of persons living together, whether related to each
41 other by birth or not, and may consist of one or more persons.

42 6. *Mixed occupancy.* In cases of mixed occupancy where a
43 building is occupied only in part as a dwelling, the part so occupied
44 shall be deemed a dwelling for the purposes of this chapter.

45 7. *Yards.* A "rear yard" is an open unoccupied space on the
46 same lot with a dwelling, between the extreme rear line of the lot and
47 the extreme rear line of the house. A yard between the front line of
48 the house and the front line of the lot is a "front yard." A yard

49 between the side line of the house and the side line of the lot which
50 extends from the front line or front yard to the rear yard is a "side
51 yard."

52 8. *Courts.* A "court" is an open unoccupied space, other than a
53 yard, on the same lot with a dwelling. A court not extending to the
54 street or front or rear yard is an inner court. A court extending to
55 the street or front yard or rear yard is an outer court.

56 9. *Corner and interior lots.* A "corner lot" is a lot of which at
57 least two adjacent sides abut upon a street. A lot other than a corner
58 lot is an "interior lot". The word "lot" is any deeded parcel of land
59 whether a full platted lot or not.

60 10. *Front, rear and depth of lot.* The front of a lot is that
61 boundary line which borders on the street. In case of a corner lot
62 the owner may elect by statement on his plans either street boundary
63 lines as the front. The rear of a lot is the side opposite to the front.
64 The depth of a lot is the dimension measured from the front of the
65 lot to the extreme rear line of the lot. In case of irregular shaped
66 lots the mean depth shall be taken.

67 11. *Public hall.* A "public hall" is a hall, corridor or passage-
68 way not within the exclusive control of one family.

69 12. *Stair hall.* A "stair hall" is a public hall and includes the
70 stairs, stair landings and those portions of the building through which
71 it is necessary to pass in going between the entrance floor and the roof.

72 13. *Basement, cellar, attic.* a A "basement" is a story partly
73 underground but having at least one-half of its height above the curb
74 level, and also one-half of its height above the highest level of the
75 adjoining ground. A basement shall be counted as a story.

76 b A "cellar" is a story having more than one-half of its height
77 below the curb level, or below the highest level of the adjoining
78 ground. A cellar shall not be counted as a story for purposes of
79 height measurement. If any part of a story is in that part the equiv-
80 alent of a basement or cellar, the provisions of this chapter relative
81 to basements and cellars shall apply to such part of said story.

82 c In the case of private dwellings and two-family dwellings an
83 attic, or space in a sloping roof, if not occupied for living purposes,
84 shall not be counted as a story; in the case of multiple dwellings an
85 attic room shall be counted as a story if used for living purposes.

86 14. *Height.* The "height" of a dwelling is the perpendicular dis-
87 tance measured in a straight line from the curb level to the highest
88 point of the roof beams in the case of flat roofs, and to the average
89 of the height of the gable in the case of pitched roofs; the measure-
90 ments in all cases to be taken through the center of the front of the
91 house. Where a dwelling is situated on a terrace above the curb level
92 such height shall be measured from the level of the adjoining ground.
93 Where a dwelling is on a corner lot and there is more than one grade
94 or level, the measurements shall be taken from the mean elevation.

95 15. *Curb level.* The "curb level" is the level of the established
96 curb in front of the building measured at the center of such front.
97 Where no curb has been established the city engineer shall establish
98 such curb level or its equivalent for the purposes of this chapter.

99 16. *Occupied spaces.* Outside stairways, fire towers, porches,
100 platforms, balconies, boiler flues and other projections shall be con-
101 sidered as part of the building and not as a part of the yards or
102 courts or unoccupied spaces. This provision shall not apply to un-
103 inclosed outside porches not exceeding two story in height which
104 do not extend into the front or rear yard a greater distance than ten

105 feet from the front or rear walls of the building, nor to any such
106 porch which does not extend into the side yard a greater distance
107 than twelve feet from the side wall of the building nor exceed twelve
108 feet in its other horizontal dimension, nor to an enclosed rear porch
109 or attached garage with or without sleeping porch above and not
110 exceeding twelve by twenty feet nor to cornices or eaves not exceed-
111 ing eighteen inches in width.

112 17. *Fire-resistive constructed dwelling.* A dwelling of fire-
113 resistive construction is one with brick, stone, or concrete walls and
114 with brick tile, concrete or terra cotta floors and roof. Floor and
115 roof supports to be of brick, concrete or metal with all metal pro-
116 tected by tile, concrete or similar fire-resistant material. But this
117 definition shall not be construed as prohibiting the use of wooden
118 flooring on top of the fireproof floors or the use of wooden sleepers,
119 nor as prohibiting wooden hand rails or treads of hardwood not less
120 than one inch thick.

121 18. *Wooden buildings.* A "wooden building" is a building of
122 which the exterior walls or a portion thereof are of wood. Court
123 walls are exterior walls.

124 19. *Nuisance.* The word "nuisance" shall be held to embrace
125 nuisance as known at common law or in equity jurisprudence; and
126 whatever is dangerous to human life or detrimental to health; what-
127 ever dwelling is overcrowded with occupants or is not provided with
128 adequate ingress or egress to or from the same, or is not sufficiently
129 supported, ventilated, sewerred, drained, cleaned or lighted, in refer-
130 ence to its intended or actual use; and whatever renders the air or
131 human food or drink unwholesome, are also severally, in contempla-
132 tion of this chapter, nuisances; and all such nuisances are hereby
133 declared illegal.

134 20. *Construction of certain words.* The word "shall" is always
135 mandatory and not directory, and denotes that the dwelling shall be
136 maintained in all respects according to the mandate as long as it
137 continues to be a dwelling. Wherever the words "charter," "ordi-
138 nances," "regulations," "superintendent of buildings," "health de-
139 partment," "the board of health," "health officer," "commissioner of
140 public safety," "commissioner of public health," "department charged
141 with the enforcement of this chapter," "corporation counsel,"
142 "mayor," "city treasury," or "fire limits" occur in this chapter they
143 shall be construed as if followed by the words "of the city in which
144 the dwelling is situated."

145 Wherever the words "health department," "health officer," or
146 "duly authorized assistant" or "board of health," "commissioner of
147 public safety," or "commissioner of public health" are employed in
148 this chapter, such words shall be deemed and construed to mean the
149 official or officials in any city to whom is committed the charge of
150 safeguarding the public health. The terms "superintendent of build-
151 ings," "building department" and "inspector of buildings" shall em-
152 brace the department and the executive head thereof specially
153 charged with the execution of laws and ordinances relating to the
154 construction of buildings. Wherever the words "occupied" or "used"
155 are employed in this chapter such words shall be construed as if fol-
156 lowed by the words "or is intended, arranged, designed, built, altered,
157 converted to, rented, leased, let or hired out, to be occupied or used."

158 Wherever the words "dwelling," "two-family dwelling," "mul-
159 tiple dwelling," "building," "house," "premises" or "lot" are used
160 in this chapter, they shall be construed as if followed by the words

161 "or any part thereof." Wherever the words "city water" are used
162 in this chapter, they shall be construed as meaning any public supply
163 of water through street mains; and wherever the words "public
164 sewer" are used in this chapter they shall be construed as meaning
165 any part of a system of sewers that is used by the public or by con-
166 certed action of several users, whether or not such part was con-
167 structed at the public expense. Wherever the word "street" is used
168 in this chapter it shall be construed as including for the purpose
169 hereinafter stated any public alley sixteen feet or more in width,
170 namely, for the sole purpose of determining the required open space
171 around and the allowable height of any building abutting thereon.
172 "Approved fire-resistive material" means as set forth by ordinances,
173 or if not so determined, as approved by the superintendent of
174 buildings.

SEC. 4108. Alteration—change of class.

1 A building not a dwelling, if hereafter converted or altered to
2 such use shall thereupon become subject to such provisions of this
3 chapter relative to dwellings hereafter erected as the board of health
4 may require. A dwelling of one class if hereafter altered or con-
5 verted to another class shall thereupon become subject to such pro-
6 visions of this chapter relative to such latter class as the board of
7 health may require.

[38 G. A., ch. 123, § 3.]

5 chapter applicable to such dwelling. If any dwelling or any part
6 thereof is occupied by more families than provided in this chapter,
7 or is erected, altered or occupied contrary to law, such dwelling shall
8 be deemed an unlawful structure and the health officer may cause
9 such dwelling to be vacated. Any such dwelling shall not again be

11 to conform to the law.

[38 G. A., ch. 123, § 4.]

SEC. 4110. Dwelling rebuilt.

1 If a dwelling be damaged by fire or other cause to the extent of
2 sixty-five per cent or more of its original value, exclusive of the value
3 of the foundations, such dwelling shall not be repaired or rebuilt ex-
4 cept in conformity with the provisions of this chapter relative to
5 dwellings hereafter erected; provided, however, the owner shall be
6 permitted to rebuild a building of the same size as before subject to
7 such reasonable provisions regarding light, ventilation and sanita-

6 other official as the board of health may direct.

[38 G. A., ch. 123, § 7.]

SEC. 4113. Minimum requirements — higher requirements by ordinance.

1 The provisions of this chapter shall be held to be the minimum

11 ter; nor shall anything herein contained be deemed to prevent such
12 cities from prescribing for the enforcement of such ordinances and
13 regulations, remedies and penalties similar or additional to those pre-
14 scribed herein. And every city subject to this chapter is empowered
15 to enact such ordinances and regulations and to prescribe for their

 14 than two thousand dollars per annum; and provided, further, that
 15 during the first term of his office under the provisions of this chapter,

 6 and remain on file with the city clerk for public inspection at least
 7 one week before the final passage or adoption thereof. No franchise
 8 or right to occupy or use the streets, highways, bridges or public places
 9 in any such city shall be granted, renewed or extended, except by or-

 22 policemen or firemen in uniform; nor shall any free service to city
 23 officials heretofore provided by any franchise or ordinance be affected
 24 by this section. Any officer or employee of such city who, by solici-
 25 tation or otherwise, shall exert his influence directly or indirectly to in-
 26 fluence other officers or employees of such city to adopt his political
 27 views or to favor any particular person or candidate for office, or who

[S., '13, § 1056-a31.]

SEC. 4232. Civil service commissioners—duties—powers of council in certain cities.

1 In cities having a population of fifteen thousand and over the
 2 council shall, and in cities having a population of two thousand and
 3 less than fifteen thousand, the council may, immediately after organ-
 4 izing, by ordinance appoint three civil service commissioners who
 5 shall hold office, one until the first Monday in April of the second year

6 after his appointment, one until the first Monday in April of the fourth
7 year after his appointment, and one until the first Monday in April
8 of the sixth year after his appointment; provided, however, that in
9 all cases in which no civil service commissioners are appointed by the
10 council, the council shall have the same powers and shall exercise and
11 perform all the duties devolving upon such commissioners, as pro-
12 vided for in this chapter. In cities wherein civil service commis-
13 sioners have been appointed under the provisions of this chapter each
14 succeeding council shall, as soon as practicable after organizing, ap-
15 point one commissioner for six years, who shall take the place of the
16 commissioner whose term of office expires. The chairman of the com-
17 mission for each biennial period shall be the member whose term first
18 expires. No person while on the said commission shall hold or be a
19 candidate for any office of public trust. Two of said members shall
20 constitute a quorum to transact business. The commissioners must
21 be citizens of Iowa, and residents of the city for more than three years
22 next preceding their appointment. The council may remove any of
23 said commissioners during their term of office for cause, four coun-
24 cilmen voting in favor of such removal, and shall fill any vacancy that
25 may occur in said commission for the unexpired term. The city coun-
26 cil shall provide suitable rooms in which the said civil service commis-
27 sion may hold its meetings. They shall have a clerk, who shall keep
28 a record of all its meetings, such city to supply the said commission
29 with all necessary equipment to properly attend to such business.

30 *a Oath of office.* Before entering upon the duties of their office,
31 each of said commissioners shall take and subscribe an oath, which
32 shall be filed and kept in the office of the city clerk, to support the con-
33 stitution of the United States and of the state of Iowa, and to obey
34 the laws, and to aim to secure and maintain an honest and efficient
35 force, free from partisan distinction or control, and to perform the
36 duties of his office to the best of his ability.

37 *b Examinations—results certified—soldiers' preference.* Such
38 commission shall, on the first Monday of April and October of each
39 year, or oftener if they shall deem it necessary, under such rules and
40 regulations as it may prescribe, hold examinations for the purpose of
41 determining the qualifications of applicants for positions, including
42 applicants for position of chief of the fire department, and for posi-
43 tions in the fire and police departments, which examinations shall be
44 practical in their character and shall relate to such matters as will
45 fairly test the fitness of the person examined to discharge the duties
46 of the position to which he seeks to be appointed. Such commission
47 shall, as soon as possible after every such examination, certify to the
48 city council the names of ten persons for each department who, ac-
49 cording to its records, have the highest standing for the positions they
50 seek to fill, as a result of such examination, and all vacancies in posi-
51 tions under civil service which shall occur before the holding of the
52 next examination shall be filled from said list so certified; provided,
53 however, if the list for any cause shall be reduced to less than three
54 for any division or department, then the superintendent of the proper
55 department may temporarily fill a vacancy until the next examination
56 of the commission. In all examinations and appointments under the
57 provisions of this chapter, honorably discharged soldiers, sailors or
58 marines of the regular or volunteer army or navy of the United States
59 shall be given a preference if otherwise qualified.

60 *c Removals and discharges—appeal—witnesses—annual report—*
61 *rules and regulations.* All persons subject to such civil service exam-

62 ination shall be subject to removal from office or employment by ma-
63 jority vote of such civil service commission for misconduct or failure
64 to properly perform their duties under such rules and regulations as
65 may be adopted by the council. The chief of police, the chief of the
66 fire department, or any superintendent or foreman in charge of mu-
67 nicipal work, may peremptorily suspend or discharge any subordinate
68 then under his direction for neglect of duty, disobedience of orders
69 or misconduct, but shall, within twenty-four hours thereafter, report
70 such suspension or discharge, with the reason therefor, to the super-
71 intendent of his department, who shall thereupon affirm or revoke
72 such suspension or discharge according to the merits under the facts
73 in the case. Every officer or employee so suspended or discharged
74 and whose suspension or discharge has been affirmed, or the officer
75 or person so suspending or discharging a subordinate when such sus-
76 pension or discharge has been revoked, as the case may be, may, within
77 five days from the affirmance or revocation of any such suspension or
78 discharge, appeal therefrom to the civil service commission, if the per-
79 son taking the appeal was subject to such civil service, otherwise to
80 the city council, and such commission or council, as the case may be,
81 shall fully hear and determine the appeal upon the merits of the case,
82 and if it be determined that any suspension or discharge was unwar-
83 ranted the appellant shall be reinstated, otherwise it shall be affirmed.
84 Any such appeal may be taken by serving upon the proper depart-
85 ment superintendent or his secretary or clerk a notice in writing,
86 within said time, specifying the ruling appealed from, which notice
87 shall be signed by the person taking the appeal. A true copy of such
88 notice of appeal shall be filed with the chairman of the civil service
89 commission or mayor, as the case may be. Within five days from the
90 service of such notice of appeal, the proper department superintend-
91 ent shall file with the civil service commission, or city council, as the
92 case may be, a written specification of the charges or grounds upon
93 which the affirmance or revocation of the suspension or discharge ap-
94 pealed from was based. Within five days after such specifications are
95 filed as aforesaid the commission or council, as the case may be, shall
96 fix the time and place for hearing the appeal and notify the appellant
97 in writing of the time and place so fixed, which notice shall contain a
98 copy of the specifications so filed. The time for hearing any such ap-
99 peal shall not be fixed earlier than five days nor later than twenty
100 days from the filing of such specifications. The council and commis-
101 sion shall have the power to enforce the attendance of witnesses, the
102 production of books and papers, and to administer oaths in the same
103 manner and with like effect, and under same penalties, as in the case
104 of magistrates exercising criminal or civil jurisdiction under the
105 statutes of Iowa. The hearings on such appeals shall be public and
106 appellant may be represented by counsel. The council or commission,
107 as the case may be, shall issue subpoenas for such witnesses as ap-
108 pellant may designate, which shall be signed by the mayor or chair-
109 man of the commission, as the case may be. Such commission shall
110 make annual report to the council and it may require a special report
111 from such commission at any time. Such commission may prescribe
112 such rules and regulations for the proper conduct of its business as
113 shall be found expedient and advisable.

114 *d Chief of fire department—appointment—removal—members*
115 *of fire and police departments—qualifications.* Such commission shall
116 appoint a chief of the fire department, but the tenure of any person
117 holding such position at this time shall not be affected by this sec-

118 tion; provided, however, that such officer may be removed for cause
119 in accordance with the provisions of the next preceding section. No
120 person shall be employed in any capacity in the fire or police depart-
121 ment unless he is a citizen of the United States and has been a resi-
122 dent of such city more than one year and is of good moral character
123 and can read and write the English language and is not addicted to
124 the use of intoxicating liquors as a beverage. Nothing in this chap-
125 ter shall be construed as limiting the powers conferred upon the city
126 council and its members in section forty-two hundred twenty-three.

127 *d1 Campaign contributions prohibited—penalty.* No member
128 of the fire or police department in any such city shall directly or in-
129 directly contribute any money or anything of value to any candidate
130 for nomination or election to any office or to any campaign or po-
131 litical committee. Any person violating any of the provisions of this
132 section shall be deemed guilty of a misdemeanor and upon convic-
133 tion shall pay a fine of not less than twenty-five dollars nor more
134 than one hundred dollars, or be imprisoned in the county jail not to
135 exceed thirty days.

136 *e Penalties.* The council of such city shall have power to pass
137 ordinances imposing suitable penalties for the punishment of persons
138 violating any of the provisions of this chapter relating to the civil
139 service commission.

140 *f Officers and employees affected.* The provisions of this sec-
141 tion shall apply to all appointive officers and employees of such city,
142 except those especially named in section forty-two hundred twenty-
143 four, commissioners of any kind (laborers whose occupation re-
144 quires no special skill or fitness), election officials, and mayor's sec-
145 retary and assistant solicitor, where such officers are appointed;
146 provided, however, that existing employees heretofore appointed, or
147 employed after competitive examination, or for long service under
148 the provisions of sections thirty-five hundred sixty-three to thirty-
149 five hundred seventy-three, inclusive, shall retain their positions
150 without further examination unless removed for cause. All officers
151 and employees in any such city shall be elected or appointed with
152 reference to their qualifications and fitness, and for the good of the
153 public service, and without reference to their political faith or party
154 affiliations. It shall be unlawful for any candidate for office, or any
155 officer in any such city, directly or indirectly, to give or promise any
156 person or persons any office, position, employment, benefit, or any-
157 thing of value, for the purpose of influencing or obtaining the po-
158 litical support, aid or vote of any person or persons. Every elective
159 officer in any such city shall, within thirty days after qualifying, file
160 with the city clerk, and publish at least once in a daily newspaper of
161 general circulation, his sworn statement of all his election and cam-
162 paign expenses, and by whom such funds were contributed. Any
163 violation of the provisions of this section shall be a misdemeanor
164 and be a ground for removal from office.

[S. S., '15, § 1056-a32.]

SEC. 4233. Monthly itemized statement—annual examination.

1 The council shall each month print in pamphlet form a detailed
2 itemized statement of all receipts and expenses of the city and a sum-
3 mary of its proceedings during the preceding month, and furnish
4 printed copies thereof to the state library, the city library, the daily
5 newspapers of the city, and to persons who shall apply therefor at

6 the office of the city clerk. At the end of each year the council shall
 7 cause a full and complete examination of all the books and accounts
 8 of the city to be made by competent accountants, and shall publish
 9 the result of such examination in the manner above provided for pub-
 10 lication of statements of monthly expenditures.

[S., '13, § 1056-a33.]

SEC. 4234. Appropriations.

1 If, at the beginning of the term of office of the first council elected
 2 in such city under the provisions of this chapter, the appropriations
 3 for the expenditures of the city government for the current fiscal year
 4 have been made, said council shall have power, by ordinance, to re-
 5 vise, repeal or change said appropriations and to make additional ap-
 6 propriations.

[S., '13, § 1056-a34.]

SEC. 4235. Terms defined.

1 In the construction of this chapter the following rules shall be
 2 observed, unless such construction would be inconsistent with the
 3 manifest intent, or repugnant to the context of the statute.

4 1. The words "councilman" or "alderman" shall be construed to
 5 mean "councilman" when applied to cities under this chapter.

6 2. When an office or officer is named in any law referred to in
 7 this chapter, it shall, when applied to cities under this chapter, be
 8 construed to mean the office or officer having the same functions or
 9 duties under the provisions of this chapter, or under ordinances passed
 10 under authority thereof.

11 3. The word "franchise" shall include every special privilege in
 12 the streets, highways and public places of the city, whether granted
 13 by the state or city, which does not belong to citizens generally by
 14 common right.

15 4. The word "electors" shall be construed to mean persons quali-
 16 fied to vote for elective offices at regular municipal elections.

[S., '13, § 1056-a35.]

**SEC. 4236. Removal of elective officers—procedure—statement of
 candidacy—election of successors.**

1 The holder of any elective office may be removed at any time by
 2 the electors qualified to vote for a successor of such incumbent. The
 3 procedure to effect the removal of an incumbent of an elective office
 4 shall be as follows: A petition signed by electors entitled to vote for
 5 a successor to the incumbent sought to be removed, equal in number
 6 to at least twenty-five per centum of the entire vote for all candidates
 7 for the office of mayor cast at the last preceding general municipal
 8 election, demanding an election of a successor of the person sought to
 9 be removed, shall be filed with the city clerk, which petition shall con-
 10 tain a general statement of the grounds for which the removal is
 11 sought. The signatures to the petition need not all be appended to
 12 one paper, but each signer shall add to his signature his place of resi-
 13 dence, giving the street and number. One of the signers of each such
 14 paper shall make oath before an officer competent to administer oaths
 15 that the statements therein made are true as he believes, and that each
 16 signature to the paper appended is the genuine signature of the per-
 17 son whose name it purports to be. Within ten days from the date of

18 filing such petition the city clerk shall examine and from the voters'
 19 register ascertain whether or not said petition is signed by the requi-
 20 site number of qualified electors, and, if necessary, the council shall
 21 allow him extra help for that purpose; and he shall attach to said
 22 petition his certificate, showing the result of said examination. If by
 23 the clerk's certificate the petition is shown to be insufficient, it may be
 24 amended within ten days from the date of said certificate. The clerk
 25 shall, within ten days after such amendment, make like examination
 26 of the amended petition, and if his certificate shall show the same to
 27 be insufficient, it shall be returned to the person filing the same;
 28 without prejudice, however, to the filing of a new petition to the same
 29 effect. If the petition shall be deemed to be sufficient, the clerk shall
 30 submit the same to the council without delay. If the petition shall be
 31 found to be sufficient, the council shall order and fix a date for holding
 32 the said election, not less than thirty days or more than forty days
 33 from the date of the clerk's certificate to the council that a sufficient
 34 petition is filed. The council shall make or cause to be made publica-
 35 tion of notice and all arrangements for holding such election, and the
 36 same shall be conducted, returned and the result thereof declared, in
 37 all respects as are other city elections. So far as applicable, except
 38 as otherwise herein provided, nominations hereunder shall be made
 39 without the intervention of a primary election by filing with the clerk
 40 at least ten days prior to said special election, a statement of candi-
 41 dacy accompanied by a petition signed by electors entitled to vote at
 42 said special election equal in number to at least ten per centum of the
 43 entire vote for all candidates for the office of mayor at the last pre-
 44 ceeding general municipal election, which said statement of candidacy
 45 and petition shall be substantially in the form set out in section forty-
 46 two hundred nineteen, so far as the same is applicable, substituting
 47 the word "special" for the word "primary" in such statement and
 48 petition, and stating therein that such person is a candidate for elec-
 49 tion instead of nomination. The ballot for such special election shall
 50 be in substantially the following form:

51 OFFICIAL BALLOT.

52 Special election for the balance of the unexpired term

53 of as

54 FOR

55 (Vote for one only)
 56 (Names of Candidates)

57

58

59 Name of present incumbent.

Official ballot attest:

60 (Signature)

City Clerk.

63 The successor of any officer so removed shall hold office during
 64 the unexpired term of his predecessor. Any person sought to be re-
 65 moved may be a candidate to succeed himself, and unless he requests
 66 otherwise in writing, the clerk shall place his name on the official bal-
 67 lot without nomination. In any such removal election, the candidate
 68 receiving the highest number of votes shall be declared elected. At
 69 such election if some other person than the incumbent receives the
 70 highest number of votes, the incumbent shall thereupon be deemed
 71 removed from the office upon qualification of his successor. In case
 72 the party who receives the highest number of votes should fail to
 73 qualify within ten days after receiving notification of election, the

74 office shall be deemed vacant. If the incumbent receives the highest
75 number of votes, he shall continue in office. The said method of re-
76 moval shall be cumulative and additional to the methods heretofore
77 provided by law.

[S., '13, § 1056-a36.]

**SEC. 4237. Petitions for ordinances—adoption or submission—
how repealed or amended.**

1 Any proposed ordinance may be submitted to the council by peti-
2 tion signed by electors of the city equal in number to the percentage
3 hereinafter required. The signatures, verification, authentication, in-
4 spection, certification, amendment and submission of such petition
5 shall be the same as provided for petitions under the preceding sec-
6 tion. If the petition accompanying the proposed ordinance be signed
7 by electors equal in number to twenty-five per centum of the votes
8 cast for all candidates for mayor at the last preceding general elec-
9 tion, and contains a request that the said ordinance be submitted to a
10 vote of the people if not passed by the council, such council shall either
11 (a) pass said ordinance without alteration within twenty days after
12 attachment of the clerk's certificate to the accompanying petition, or
13 (b) forthwith after the clerk shall attach to the petition accompanying
14 such ordinance his certificate of sufficiency, the council shall call a
15 special election, unless a general municipal election is fixed within
16 ninety days thereafter, and at such special or general municipal elec-
17 tion, if one is so fixed, such ordinance shall be submitted without al-
18 teration to the vote of the electors of said city. But if the petition is
19 signed by not less than ten nor more than twenty-five per centum of
20 the electors, as above defined, then the council shall, within twenty
21 days, pass said ordinance without change, or submit the same at the
22 next general city election occurring not more than thirty days after
23 the clerk's certificate of sufficiency is attached to said petition. The
24 ballots used when voting upon said ordinance shall contain these
25 words: "For the ordinance" (stating the nature of the proposed
26 ordinance), and "Against the ordinance" (stating the nature of the
27 proposed ordinance). If a majority of the qualified electors voting
28 on the proposed ordinance shall vote in favor thereof, such ordinance
29 shall thereupon become a valid and binding ordinance of the city; and
30 any ordinance proposed by petition, or which shall be adopted by a
31 vote of the people, can not be repealed or amended except by a vote of
32 the people. Any number of proposed ordinances may be voted upon
33 at the same election, in accordance with the provisions of this sec-
