3. The proceeds of all intestate estates escheated to the state.

1. All forfeitures which are authorized to be made for the benefit of the school fund.

2. The proceeds of all fines collected for violation of the penal laws, and for the nonperformance of military duty.

3. The proceeds of the sale of lost goods and estrays.

These several funds shall be payable to the county treasurer of the several counties in which they arise, accounted for to the board of supervisors, and apportioned by it among the several school townships and independent districts of the county as provided by law. [R60,§§1963, 1966; C73,§§1838, 1841; C97,§2839; C24, 27, 31, 35, 39,§4471; C46, 50, 54, 58, 62,§302.3]

302.4 Division and appraisal. The board of supervisors may, at such time as it may fix, and as preliminary to a sale, authorize the trustees of any township, where the sixteenth section or land selected in lieu thereof has not been sold, to lay out the same into such tracts as in their judgment will be for the best interests of the school fund, conforming, as far as the interests of said fund will permit, to the legal subdivisions of the United States surveys, and appraise each tract at what they believe to be its true value, and certify to said board the divisions and appraisements made by them. Said division and appraisal shall be approved or disapproved by said board at its first meeting after such report, and in case it disapproves the same it may at once order another division and appraisal. If the board of supervisors approves, the county auditor shall make and keep a record of such division, appraisal, and approval; but no school lands of any kind shall be sold for less than the appraised value per acre, except as hereinafter provided; nor shall any member of the board of supervisors, county auditor, township trustee, or any person who was engaged in the division and appraisal of said land, be directly or indirectly interested in the purchase thereof; and any sale made, where such parties or any of them are so interested, shall be void. [R60,§§1970, 1971; C73,§§1845-1847; C97,§2840; C24, 27, 31, 35, 39,§4472; C46, 50, 54, 58, 62,§302.4]

302.5 Notice — sale. When the board of supervisors shall offer for sale the sixteenth section or lands selected in lieu thereof, or any portion of the same, or any part of the five-

hundred-thousand-acre grant, the county auditor shall give at least forty days notice, by written or printed notices posted in five public places in the county, two of which shall be in the township in which the land to be sold is situated, and also publish a notice of said sale once each week for two weeks preceding the same in a newspaper published in the county, describing the land to be sold and the time and place of such sale. At such time and place, or at such other time and place as the sale may be adjourned to, he shall offer to the highest bidder, subject to the provisions of this chapter, and sell, either for cash or one-third cash and the balance on a credit not exceeding ten years, with interest on the same at the rate of not less than three and one-half percent per annum, to be paid at the office of the county treasurer of said county on the first day of January in each year, delinquent interest to bear the same rate as the principal. Such county treasurer shall pay to the state treasurer on the first day of February all interest collected. 302.6 Sale without appraisal. When the board of supervisors of any county has once offered for sale any school lands in compliance with the requirements of this chapter, and they remain unsold, and it is unable to obtain therefor the appraised value thereof, and in the opinion of said board it is for the best interests of the school fund that the same be sold for a less price, it may instruct the auditor to transmit to the secretary of state a certified copy of its proceedings in relation to the order of sale thereof and subsequent proceedings in relation thereto, including the action of the township trustees, and the price per acre at which the land had been appraised, which transcript the secretary of state shall submit to the executive council; and if it approves of a sale at a less sum it shall certify such approval to the auditor of the county from which said transcript came, which certificate shall be transcribed in the minute book of the board of supervisors, and thereupon said land may again be offered and sold to the highest bidder, after notice given as in case of sales in the first instance, without being again appraised. [C73,§1849; C97,§2842; C24, 27, 31, 35, 39,§4474; C46, 50, 54, 58, 62,§302.6]

302.7 Sale on credit — taxation — waste. When lands are sold upon a partial credit, the contract therefor shall be at once reduced to writing, signed by the proper parties, recorded in the county where the land is situated, and immediately thereafter filed in the office of the county auditor. Any purchaser or his assigns may at any time pay the full amount for lands with accrued interest, and receive from the county auditor a certificate of purchase, which shall be at once transmitted to the secretary of state and will entitle the holder to a patent for the lands, to be issued by the secretary of state and the governor. All school lands sold in pur-

suance of law shall be subject to taxation from and after the execution and delivery of a contract of purchase. All sales made, where the full price is not paid, shall be subject to the law relative to the prevention or punishment of waste, and in all such cases the township trustees in each township are charged with the duty of preventing the commission of waste upon any school lands lying in their township, and, if attempted, they shall apply by petition for an injunction to stay the same, and if granted the writ shall issue without bond, and the court issuing it may make such order in the premises as shall be equitable and best calculated to prevent threatened injury, and may adjudge damages for any injury done, the costs to abide the event of the action, and the damages adjudged shall be paid to the county treasurer and the county treasurer shall forthwith pay the same to the state treasurer which shall become a part of the permanent school fund. of this compact be reasonably and liberally construed. [61GA, ch 256,§1]

The state geologist shall investigate the characters of the various soils and their capacities for agricultural purposes; the growth of timber, the animal and plant life of the state, the streams and water power, and other scientific and natural history matters that may be of practical importance and interest. A complete cabinet collection may, at the option of the board, be made to illustrate the natural products of the state, and the board may also furnish suites of materials, rocks, and fossils for colleges and public museums within the state, if it can be done without impairing the general state collection. All publications of the geological survey shall be distributed by the state as are other published reports of state officers when no special provision is made. When such distribution has been made the board shall retain a sufficient number of copies to supply probable future demands and any copies in excess of such number shall be sold to persons making application therefor at the cost price of publication, the money thus accruing to be turned into the treasury of the state. If it

should appear that the proposed construction will result in the destruction of historical objects and it is determined by the appropriate authority that such objects cannot be reasonably removed or otherwise preserved, consideration shall be given to possible alternate locations of the highway.

2. If during the course of construction, historical objects are encountered, the appropriate authority shall be notified immediately and steps taken to excavate and preserve the objects if practicable or if preservation is impracticable, to permit the appropriate authority to obtain and record data relative thereto.

3. Agreements may be entered into with the appropriate authority to pay from federal highway funds the reasonable cost of salvage work. Extra work orders may be issued to the contractor where necessary and extra work orders may be issued in cases within the meaning of "subsurface or lateral conditions" or "unknown physical conditions" where such terms are used in the standard contract forms. Payment for salvage work shall be limited to that performed within the roadway prism and any location designated as a source of material. If the contractor's operations are delayed because of salvage work such contractor shall be entitled to an appropriate extension of the contract time. If practicable, the operations shall be rescheduled to avoid the section where the historical material is, until the removal of it.

4. The cost of exploratory work prior to construction shall be borne by the appropriate authority. Costs of excavation of historical objects or recordation of data may be paid by the federal highway funds. Excavation costs may include costs of protecting and preservation during removal from the site but shall not include the expense of shipping historical objects from the site. [61GA, ch 258,§2]

306.1 Classification of highways. The highways of the state are hereby classified into four systems, to wit: the primary road system, the institutional road system, the secondary road system, and the state park road system.

The secondary road system is subdivided into farm-to-market roads and local secondary roads. [C54, 58, 62, §306.1]

See also §313.2

306.2 Definition of road systems. The following words and phrases when used in this chapter or in any chapter of the Code relating to highways shall respectively have the following meaning:

1. *Primary roads.* The term “primary roads” or “primary road system” shall include those main market roads and highway traffic arteries, outside of cities and towns, which have been designated as primary roads under section 313.2 or which may hereafter be so designated as the law may provide.

See Code 1924, §4689; also 37GA, ch 249, §2

2. *Institutional roads.* The term “institutional roads” shall include those highways, either inside or outside of cities and towns, upon land belonging to the state at any state institution.

3. *Secondary roads.* The term “secondary roads” or “secondary road system” shall include all public highways, outside of cities and

towns, except primary roads and state park and institutional roads.

4. *Farm-to-market roads.* The term “farm-to-market roads” or “farm-to-market road system” shall include those main secondary roads which have been designated as farm-to-market roads under section 310.10 or which may hereafter be so designated as the law may provide.

5. *Local secondary roads.* The term “local secondary roads” or “local secondary road system” shall include all those secondary roads which are not now, or may not hereafter be, included in the farm-to-market road system.

6. *State park roads.* The term “state park roads” shall include all those highways and roads, either inside or outside of cities and towns, upon land belonging to the state at any state park.

7. *Interstate roads.* The term “interstate roads” or “interstate road system” shall include those roads of the primary road system that are designated or will be designated by the secretary of commerce of the United States government as the “National System of Interstate and Defense Highways” in Iowa. [C24, 27, §4636; C31, 35, §4644-c2; C39, §4644.02; C46, 50, §309.2; C54, 58, 62, §306.2; 60GA, ch 180, §1]

Referred to in §307.5, subsection 12

306.3 Jurisdiction—control. Jurisdiction and control over the highways of the state are

hereby vested in and imposed on (1) the state highway commission as to primary roads; (2) the county board of supervisors as to secondary roads within their respective counties; and (3) the board or commission in control of any state park or institution as to any state park or institutional road at such state park or state institution. Provided however, that as to any state park road which is an extension of either a primary or secondary highway which both enters and exits from the state park at separate points, the state highway commission in the case of a primary road, and the county board of supervisors in the case of secondary roads, shall have concurrent jurisdiction with the state conservation commission over such roads, and the state highway commission in the case of a primary road and the board of supervisors in the case of a secondary road, may expend the moneys available for such roads in the same manner as they expend such funds on other roads over which they exercise jurisdiction and control. The parties exercising concurrent jurisdiction shall enter into agreements with each other as to the kind and type of construction, reconstruction and repair and the division of cost thereof, but in the absence of such agreement the jurisdiction and control of said road shall remain under the conservation commission. Provided, however, that the Iowa state highway commission, in the case of a primary highway extension, and the board of supervisors in the case of a secondary highway extension, shall perform maintenance on said road in the same manner as performed on a highway of a like type of surface or construction. [C51,§514; R60,§819; C73,§920; C97,§1482; C24, 27,§§4560, 4635-4677, 4780-4812; C31, 35,§§4560, 4644-c1; C39,§§4560, 4644.01; C46, 50, §§306.1, 309.1; C54, 58, 62,§306.3; 60GA, ch 181,§§1, 2]

Referred to in §307.5, subsection 12

306.4 Power to establish, alter or vacate. In the construction, improvement, operation or maintenance of any highway, or highway system, the board or commission which has control and jurisdiction over such highway or highway system, shall have power, on its own motion, to alter or vacate and close any such highway or railroad crossing thereon, and to establish new highways or railroad crossing thereon which are or are intended to become a part of the highway system over which said board or commission has jurisdiction and control. [C73,§§937, 954; C97,§§1496, 1509; S13,§1509; C24,§§4577, 4593, 4732; C27, 31,§§4577, 4593, 4755-b27, 4755-d2; C35,§§4577, 4593, 4631-e1, 4755-b27, 4755-d2; C39,§§4577, 4593, 4631.1, 4755.23, 4755.37; C46, 50,§§306.18, 306.34, 308.2, 313.25, 313.46; C54, 58, 62,§306.4]

306.5 Hearing—place—date. In proceeding to the vacation and closing of any road, part thereof, or railroad crossing, the board or commission in control of said road, or road system, shall fix a date for a hearing thereon in the county where said road, or part thereof, or crossing, is located, and if located in more than

one county, then in a county wherein any part of such road or crossing is located. If the road to be vacated or changed is a secondary road located in more than one county, the boards of supervisors of such counties, acting jointly, shall fix a date for a hearing thereon in either or any of the counties where such road, or part thereof, is located. [C31, 35,§§4755-d2, 4755-d3; C39,§§4755.37, 4755.38; C46, 50,§§313.46, 313.47; C54, 58, 62,§306.5]

306.6 Notice—service. Notice of such hearing shall be published in some newspaper of general circulation in the county or counties where such road is located, at least twenty days prior to the date of hearing. The board or commission which instituted said proceedings and is holding such hearing, shall notify all adjoining property owners, all utility companies whose facilities adjoin the road right of way, and the state highway commission, the board or boards of supervisors, or board or commission in control of affected state lands, as the case may be, of the time and place of such hearing, by certified mail addressed to the affected property owners, all utility companies whose facilities are on the road right of way and the state highway commission, the county auditor, or the board or commission in control of affected state lands, as the case may be. [C31, 35, §4755-d5; C39,§4755.40; C46, 50,§313.49; C54, 58, 62,§306.7]

After the road has been vacated

and closed the board shall sell such property or properties at the best attainable price, and credit the proceeds of such sale to the secondary road fund. [C31, 35,§4755-d7; C39,§4755.42; C46, 50,§313.51; C54, 58, 62,§306.9]

Said commission or board may dismiss the proceedings, or it may vacate and close such road, part thereof, or crossing, in which event it shall determine and state in the order the amount of the damages allowed to each claimant. Said order thus entered shall be final except as to the amount of the damages. A copy of such order shall be filed with the county auditor of the county or counties in which the road, part thereof, or crossing, is located and with the state highway commission and the board or commission in control of any affected state land. Such board or commission shall likewise have power to purchase or institute and maintain proceedings for the condemnation of land necessary for highway drainage, for weighing stations, or land containing gravel or other suitable material for the improvement or maintenance of highways, together with the necessary road access thereto. Proceedings for the condemnation of land for any highway shall be under the provisions of chapter 471

and chapter 472 or as said chapters may be amended. Such plans shall be clearly designated as "completed", "partially completed" or "proposed" with a statement of the portion completed and the expected date of full completion. If such tract, parcel, or piece of land or part thereof is held or used in connection with any primary road, or state park or institutional road, such sale shall be subject to approval of the executive council of the state of Iowa.

In the event any such tract or parcel of land is sold, such sale shall be subject to the right of a utility association, company or corporation to continue in possession of a right of way in use at the time of such sale. [C35,§4755-f1; C39,§4755.44; C46, 50,§313.53; C54, 58, 62, §306.16]

Said notice shall give an opportunity to the present owner of adjacent property to be heard and make offers for the tract, parcel or piece of land to be sold, and if such offer is equal to or exceeds in amount any other offer received, it shall be given preference by the board in control of said land. Neglect or failure for any reason, to comply with the provisions of said notice, shall in no way prevent the giving of a clear title to the purchaser of said tract, parcel or piece of land. 306A.2 Definition of a controlled-access facility. For the purposes of this chapter, a controlled-access facility is defined as a highway or street especially designed for through traffic, and over, from or to which owners or occupants of abutting land or other persons have no right or easement or only a controlled right or easement of access, light, air, or view by reason of the fact that their property abuts upon such controlled-access facility or for any other reason. Such highways or streets may be freeways open to use by all customary forms of street and highway traffic or they may be parkways from which trucks, buses, and other commercial vehicles shall be excluded. [C58, 62,§306A.2]

Referred to in §§306A.3, 321.366

306A.3 Authority to establish controlled-access facilities. Cities, towns, and highway authorities having jurisdiction and control over the highways of the state, as provided by chapter 306, acting alone or in co-operation with each other or with any federal, state, or local agency or any other state having authority to participate in the construction and main-

tenance of highways, are hereby authorized to plan, designate, establish, regulate, vacate, alter, improve, maintain, and provide controlled-access facilities for public use wherever such authority or authorities are of the opinion that traffic conditions, present or future, will justify such special facilities; provided, that within cities and towns such authority shall be subject to such municipal consent as may be provided by law. Said cities, towns, and highway authorities, in addition to the specific powers granted in this chapter, shall also have and may exercise, relative to controlled-access facilities, any and all additional authority now or hereafter vested in them relative to highways or streets within their respective jurisdictions. Said cities, towns and highway authorities may regulate, restrict, or prohibit the use of such controlled-access facilities by the various classes of vehicles or traffic in a manner consistent with section 306A.2. [C58, 62,§306A.3]

306A.4 Design of controlled-access facility. Cities, towns, and highway authorities having jurisdiction and control over the highways of the state, as provided by chapter 306, are authorized to so design any controlled-access facility and to so regulate, restrict, or prohibit access as to best serve the traffic for which such facility is intended. In this connection such cities, towns, and highway authorities

are authorized to divide and separate any controlled-access facility into separate roadways by the construction of raised curbsings, central dividing sections, or other physical separations, or by designating such separate roadways by signs, markers, stripes, and other devices. No person shall have any right of ingress or egress to, from, or across controlled-access facilities to or from abutting lands, except at such designated points at which access may be permitted, upon such terms and conditions as may be specified from time to time. [C58, 62,§306A.4]

All property rights acquired under the provisions of this chapter shall be in fee simple. In connection with the acquisition of property or property rights for any controlled-access facility or portion thereof, or service road in connection therewith, the said cities, towns and highway authorities, in its discretion, acquire an entire lot, block, or tract of land, if, by so doing, the interests of the public will be best served, even though said entire lot, block, or tract is not immediately needed for the right of way proper.

No access rights to any highway shall be acquired by any authority having jurisdiction and control over the highways of this state by adverse possession or prescriptive right. No action heretofore or hereafter taken by any such authority shall form the basis for any claim of adverse possession of, or prescriptive right to any access rights by any such authority. [C58, 62,§306A.5; 60GA, ch 184,§1]

306A.6 New and existing facilities—grade-crossing eliminations. Cities, towns and highway authorities having jurisdiction and control over the highways of the state, as provided by chapter 306 may designate and establish an existing street or highway as included within a controlled-access facility. The state or any of its subdivisions shall have authority to provide for the elimination of intersections at grade of controlled-access facilities with existing state and county roads, and city or town or village streets, by grade separation or service road, or by closing off such roads and streets at the right of way boundary line of such controlled-access facility, the provisions of sections 306.5 through 306.11 shall apply and govern the procedure for the closing of such road or street and the method of ascertaining damages sustained by any person as

No city, town, or village street, county or state highway, or other public way shall be opened into or connected with any such controlled-access facility without the consent and previous approval of the highway authority in the state, county, city, town or village having jurisdiction over such controlled-access facility. Such consent and approval shall be given only if the public interest shall be served thereby. [C58, 62,§306A.6]

306A.7 Authority of local units to consent. Cities, towns and highway authorities having jurisdiction and control over the highways of the state, as provided by chapter 306 are authorized to enter into agreements with each other, or with the federal government, respecting the financing, planning, establishment, improvement, maintenance, use, regulation, or vacation of controlled-access facilities or other public ways in their respective jurisdictions, to facilitate the purposes of this chapter. [C58, 62,§306A.7]

306A.8 Local service roads. In connection with the development of any controlled-access facility cities, towns and highway authorities having jurisdiction and control over the highways of the state, as provided by chapter 306, are authorized to plan, designate, establish, use, regulate, alter, improve, maintain, and vacate local service roads and streets or to designate as local service roads and streets any existing road or street, and to exercise jurisdiction over service roads in the same manner as is authorized over controlled-access facilities under the terms of this chapter, if, in their opinion, such local service roads and streets are necessary or desirable. Such local service roads or streets shall be of appropriate design, and shall be separated from the controlled-access facility proper by means of all devices designated as necessary or desirable by the proper authority. The costs of relocation or removal, including the costs of installation in a new location, shall be ascertained by the Iowa state highway commission or as determined in condemnation proceedings for such purposes and paid by the state out of the primary road fund as part of the cost of such federally aided project. [C62, §306A.11]

306A.12 Limitation on reimbursement. No reimbursement shall be made for any relocation or removal of facilities under this division unless funds to be provided by federal aid amount to at least ninety percent of each reimbursement payment. [C62,§306A.12]

309.84 Bridges on county line roads. Bridges on county line roads may, under joint agreement between the boards of the adjoining counties, be located, constructed, and maintained wholly within one county in order to secure a proper site or in order to avoid unnecessary expense. The resulting work and expense shall be carried on and shared in such proportion as said boards may determine. [C97,§426; C24, 27, 31, 35, 39,§4677; C46, 50, 54, 58, 62,§309.84]

309.85 Bridges over state boundary line streams. Ten percent of the legal voters, as shown by the returns of the last general election, of any county bordering upon a stream of water which forms the boundary line of this state, may petition the board of supervisors to submit to the voters the question whether such county shall be authorized to construct and maintain a foot and wagon bridge extending from such county across such boundary line river. Said petition shall state the amount to be expended for said purpose. [S13,§§424-a,-b; C24, 27, 31, 35, 39,§4678; C46, 50, 54, 58, 62,§309.85]

309.87 Notice. Notice of the submission of such question shall be published for two consecutive weeks in at least three newspapers published and of general circulation in the county, except in counties having less than three newspapers, said notices shall be published in all of the newspapers, the last of which publications shall be at least three days and not more than ten days before the holding of such election. [S13,§424-b; C24, 27, 31, 35, 39,§4680; C46, 50, 54, 58, 62,§309.87]

309.88 Construction and maintenance. If a majority of the voters vote in favor of such

authorization, the board shall have authority to construct and maintain said bridge, and may agree with the adjoining state, or with any other municipal division thereof, as to what part of said bridge said county will construct and maintain, or as to what percentage of the cost of construction and maintenance said county shall pay, and such county shall be under no greater liability than as evidenced by such agreement. [S13,§§424-b,c; C24, 27, 31, 35, 39,§4681; C46, 50, 54, 58, 62,§309.88]

309.89 Levy—bond. In order to build and maintain such bridge, the board may, from year to year and on all the property in the county, levy an annual tax of not to exceed one-fourth mill. The board may, in the manner provided for funding outstanding county indebtedness, issue the bonds of the county in the amount of the authorized expenditure. The maturity of such bonds may be distributed through a period of twenty years. In case bonds are so issued, the board shall maintain sufficient levies to meet the principal and interest as in other cases of bonds issued for outstanding county indebtedness. [S13,§424-b; C24, 27, 31, 35, 39,§4682; C46, 50, 54, 58, 62,§309.89]

COUNTY SECONDARY ROAD BUDGETS

309.93 Itemized statement. On or before December 1 of each year, the board of supervisors, with the assistance of the county engineer, shall adopt and submit to the state highway commission for approval the county secondary road budget for the next calendar year. The budget shall include an itemized statement of:

1. Estimated revenues to be raised by property taxation for secondary road purposes.
2. Estimated revenues to be received from the state road use tax fund.
3. Estimates of revenues from all other sources for secondary road purposes.
4. The proposed expenditures from each road fund during the next calendar year. The estimates of such proposed expenditures shall be itemized and classified in a manner which the state highway commission shall prescribe.
5. The actual expenditures for the last two prior years and the estimated expenditures for the current year. These shall be itemized and classified in the same manner as proposed expenditures.

6. The cash balance of each road fund at the end of the last prior year, an estimate of the cash balance at the end of the current year, and an estimate of the cash balance at the end of the next calendar year. [C31, 35,§§4633-c33,-c34,-c35; C39,§§4644.31-4644.33; C46, 50, 54, §§309.31-309.33; C58, 62,§309.93]

Referred to in §309.97

309.94 Review by highway commission. The state highway commission shall have the power to approve or disapprove the budget adopted by the board of supervisors. If the budget is not approved, the state highway commission shall list the disapproved expenditures and shall state the reasons for disapproval when the budget is returned to the county. The commission shall act upon a budget and return the budget to the county within forty-five days after the budget is received by the commission. Upon disapproval of any proposed expenditure in a budget, the county may submit a revised budget to the commission for approval. The commission shall act upon such a revised budget within ten days. [C24, 27, §§4636, 4637, 4780; C31, 35,§§4644-c4,-c5; C39, §§4644.04, 4644.05; C46, 50, 54,§§309.4, 309.5; C58, 62,§309.94]

309.95 Amendments. The budget shall be binding except that should bona fide unforeseen or emergency conditions arise, the board of supervisors may amend such budget during the year for which it was adopted. Such amendments shall be submitted to the state highway commission for approval with a statement of the reasons necessitating the amendment. The state highway commission shall approve or disapprove such amendments in the same manner as original budget estimates except that the highway commission shall act upon and return such amendments within fifteen days after their receipt by the commission. The state highway commission acting upon budget amendments is directed to approve only such amendments as are actually necessitated by emergency conditions. [C58, 62,§309.95]

309.96 Operation of budgeted program.

1. No county shall expend from the secondary road fund an amount in excess of the total amount of the budget or amended budget as adopted by the board of supervisors, whether such budget is approved or disapproved by the highway commission. In order to permit any county to adjust its secondary road income to changed needs that may occur after the budget has been approved by the highway commission the expenditures for any individual item within the budget may exceed by not more than ten percent the amount budgeted for that item without highway commission approval or the submission of an amended budget, provided, however, that the expenditures for one or more other individual items are less than budgeted and the total expenditures from the

secondary road fund do not exceed the total secondary road budget.

2. In the event that a county secondary road budget or amended budget thereto is disapproved by the highway commission, the county may elect either to revise such budget or amended budget so as to receive approval or the county may elect to operate with such disapproved budget or amended budget. In the event the county secondary road budget is disapproved in whole or in part, within twenty days after receipt of the highway commission's report, the board of supervi-

sors shall cause to be published in the official newspapers of the county, notice of a public hearing to be held within ten days of said publication, on the highway commission's recommendations, and at said hearing the board of supervisors shall amend or adopt their original budget. "County's allotment of road use tax fund" or "allotment of road use tax fund" shall mean that part of the road use tax fund allotted to any county by the treasurer of state from the portion of the state road use tax fund which he has credited to the secondary road construction fund of the counties.

2. "Federal aid" or "federal aid secondary road fund" shall mean funds allotted to the state of Iowa by the federal government to aid in the construction of secondary roads and which funds must be matched with funds under the control of the state highway commission. 310.2 Supervisors agreement. The county board of supervisors of any county is empowered, on behalf of the county, to enter into any arrangement or agreement with or required by the duly constituted federal or state authorities in order to secure the full co-operation of the government of the United States and of the state of Iowa, and the benefit of all present and future federal or state allotments in aid of secondary road construction,

reconstruction or improvement. [C39,§4686.02; C46, 50, 54, 58, 62,§310.2]

1. All federal aid secondary road funds received by the state.

2. All road use tax funds by law credited to the farm-to-market road fund.

3. All other funds which may, under the provisions of this chapter or any other law, be credited or appropriated for the use of the farm-to-market road fund. [C39,§4686.03; C46, 50, 54, 58, 62,§310.3]

Allocation of funds, §312.2

310.4 Use of fund. Said farm-to-market road fund is hereby appropriated for and shall be used in the establishment, construction, reconstruction or improvement of the farm-to-market road system, including the drainage, grading, surfacing, resurfacing, construction of bridges and culverts, the elimination, protection, or improvement of railroad crossings, the acquiring of additional right of way and all other expenses incurred in the construction,

reconstruction or improvement of said farm-to-market road system under this chapter. [C39, §4686.04; C46, 50, 54, 58, 62, §310.4]

310.6 Accounts by highway commission. The state highway commission shall keep accounts in relation to the farm-to-market road fund and each county's allotment thereof, crediting each fund with all amounts by law creditable thereto, and charging each with all duly and finally approved vouchers for claims properly chargeable thereto. [C39, §4686.06; C46, 50, 54, 58, 62, §310.6]

310.7 Treasurer's monthly statement. The account of the farm-to-market road fund, kept by the state comptroller and the state treasurer, shall deal with said fund as a single fund with all credits thereto and disbursements therefrom. [C39, §4686.07; C46, 50, 54, 58, 62, §310.7]

See treasurer's report to highway commission, §312.4

310.8 Quarterly statement to county engineer. The state highway commission shall, quarterly, advise each county engineer of the condition of said county's allotment of the farm-to-market road fund. Said statement shall show the balance in said county's allotment at the beginning of said period, the amount or amounts allotted to said county during said period, the amount disbursed from said county's allotment during said period, and the balance in said county's allotment at the end of said period. Said statement shall also show the estimated outstanding obligations against the said county's allotment at the date of said statement. [C39, §4686.08; C46, 50, 54, 58, 62, §310.8]

310.9 Projects approved by commission. Before approving any farm-to-market road project the state highway commission shall satisfy itself that the county engineer's office in that county is organized, equipped and financed to discharge satisfactorily the duties herein required. [C39, §4686.09; C46, 50, 54, 58, 62, §310.9]

Referred to in §310.10

310.10 System designated—additions. The farm-to-market road system shall embrace those main secondary roads (not including roads within cities and towns) which connect rural areas with each other and with the towns, cities, and primary roads, and which have heretofore been designated as farm-to-market roads under section 310.9, as amended, and section 310.10, Code 1946. Said road system may, with consent of the state highway commission, be changed and modified by the board of supervisors.

When all farm-to-market roads in any county have been built to established grade, bridged and surfaced in a manner suited to the traffic thereon, additional mileage may be added to the farm-to-market road system in said county. [C39, §4686.10; C46, 50, 54, 58, 62, §310.10]

Referred to in §306.2, subsection 4

310.11 Nonparticipating county — funds reserved. Any county having complied with the provisions of this chapter may by its board of supervisors submit to the state highway commission for its approval project statements for the construction, reconstruction, or improvement of farm-to-market roads. [C39, §4686.11; C46, 50, 54, 58, 62, §310.11]

The construction work on said project shall be done in accordance with said approved plans, except insofar as the same may be modified to meet unforeseen or better understood conditions, and no such modification shall be deemed an invalidating matter. [C39, §4686.13; C46, 50, 54, 58, 62, §310.13]

310.14 Bids—highway commission or county supervisors. When the approved plans and specifications for any farm-to-market road project are filed with the state highway commission, it shall, if the estimated cost exceeds one thousand dollars, proceed to advertise for bids and make recommended award of contract. Said recommended award of contract shall be submitted to the board of supervisors of the county in which said project is located for its concurrence. Upon receiving the concurrence of the county board on said recommended contract award, the state highway commission shall take final action awarding said contract. Provided, that the state highway commission shall determine and advise the county board as to any approved farm-to-market road project which is to be financed without the use of federal funds. On such project the above procedure shall be reversed. The county board shall advertise for bids, and, subject to concurrence by the state highway commission, award contract for the construction work. [C39, §4686.14; C46, 50, 54, 58, 62, §310.14]

310.17 Repealed by 53GA, ch 125, §4, see §314.3.

310.18 Partial payments during construction. Partial payments may be made on the work during the progress thereof, but no such partial payment shall be deemed final acceptance of the work nor a waiver of any

defect therein. The approval of any claims by the board of supervisors or by the state highway commission may be evidenced by the signature of the chairman of said board or commission, or a majority of the members of the board or commission, on the individual claims or on the abstract of a number of claims with the individual claims attached to said abstract. [C39,§4686.18; C46, 50, 54, 58, 62, §310.18]

310.19 Supervision and inspection of work. The county engineer is charged with the duty of supervision, inspection and direction of the work of construction of farm-to-market road projects under this chapter. In such capacity, the county engineer shall be under the supervision of the commission. [C39,§4686.19; C46, 50, 54, 58, 62,§310.19]

310.20 Supervisors resolution to state treasurer. Any county may, in any year, by resolution of its board of supervisors, make available for improvement or construction of farm-to-market roads within the county any portion of its allotment of road use tax funds. Upon certification of such a resolution, the state treasurer shall place in the county's allotment of the farm-to-market road fund the amount authorized by such resolution. [C39,§4686.20; C46, 50, 54, 58, 62,§310.20]

310.22 Right of way—how acquired. Right of way for farm-to-market road projects under this chapter may be acquired by the county. However, the county board may request the state highway commission to acquire such right of way and in either event such right of way may be paid for out of the county's allotment of the farm-to-market road fund.

Should the board of supervisors request the state highway commission to acquire the right of way on any farm-to-market road project, the said commission shall proceed to the acquisition of said right of way under the same laws and in the same manner as though said project were a primary road project. [C39, §4686.22; C46, 50, 54, 58, 62,§310.22]

310.23 and 310.24 Repealed by 54GA, ch 103, §22, see §§306.13 and 306.15.

Any sum remaining unexpended at the end of the period during which it is available for expenditure, shall be reapportioned among all the counties as provided in section 312.5 for original allocations.

For the purposes of this section, any sums of the farm-to-market road fund allotted to any county shall be presumed to have been "expended" when a contract shall have been let by the state highway commission obligating said sums. [C39,§4686.27; C46, 50, 54, 58, 62, §310.27]

310.28 Engineering and other expense. Engineering, inspection and administration expense in connection with any farm-to-market road project may be paid from said county's allotment of the farm-to-market road fund. Any such expense incurred by the state highway commission may in the first instance be advanced out of the primary road fund, said amounts later being reimbursed to said funds out of the farm-to-market road fund.

Provided, that no part of the salary or expense of the county engineer, any member of the county board of supervisors, any member of the state highway commission, the chief engineer, or any department head or district engineer of the commission shall be paid out of the farm-to-market road fund. [C39,§4686.28; C46, 50, 54, 58, 62,§310.28]

310.29 Maintenance by county. Any farm-to-market road constructed under the provisions of this chapter shall be maintained by the county in a manner satisfactory to the federal authorities and to the state highway commission. Should any county fail to so maintain any such road, the state highway commission shall give the board of supervisors notice of that fact. If within sixty days after receipt of such notice the said highway has not been placed in proper condition of maintenance the commission shall proceed immediately to have such highway placed in proper condition of maintenance and charge the cost thereof against said county's allotment of the farm-to-market road fund. The amount so expended for maintenance work by the highway commission shall be reimbursed to said county's allotment of the farm-to-market road fund, from said county's secondary road maintenance fund, before any more farm-to-market road projects in said county are approved by the commission. [C39,§4686.29; C46, 50, 54, 58, 62,§310.29]

310.30 Repealed by 53GA, ch 127,§5.

310.31 Repealed by 53GA, ch 122,§14.

310.32 Widening roads — prohibition. The highway commission shall not compel the widening of any of the farm-to-market roads in any county over sixty-six feet without the consent of the county board of supervisors. [C39,§4686.32; C46, 50, 54, 58, 62,§310.32]

310.33 Repealed by 52GA, ch 162,§4.

farm-to-market road fund in a fund to be known as the secondary road research fund. [C50, 54, 58, 62, §310.34; 61GA, ch 262, §3, (1)]

310.35 Use of fund. The secondary road research fund shall be used by the state highway commission solely for the purpose of financing engineering studies and research projects which have as their objective the more efficient use of funds and materials that are available for the construction and maintenance of secondary roads, including bridges and culverts located thereon. Special assessments in the aggregate amount of not less than twenty-five percent of the total estimated cost of surfacing any road included in a secondary road assessment district project shall be apportioned and levied on the lands included in said secondary road assessment district. [C24, 27, 31, 35, 39, §4753; C46, §311.10; C50, 54, 58, 62, §311.3]

311.4 County line road. Whenever it is desired to surface a secondary road on a county line, as a secondary road assessment district project, the board of supervisors of any county concerned may establish an assessment district

in its county, and levy and collect special assessments for the payment of that portion of the estimated cost of such project assessable against lands in that county. Each county shall pay its share of the cost of said project as provided in this chapter, in the same manner as though the project were located wholly within that county. [C24, 27, 31, 35, 39, §4746; C46, §311.3; C50, 54, 58, 62, §311.4]

311.5 Project in city or town. Any road or street which is a continuation of a secondary road within any city or town and which the county board desires to improve by graveling, oiling, or other suitable surfacing, may by resolution of the county board and concurrence by the council of the city or town be improved as a secondary road assessment district project or part thereof as herein provided. The lands within such city or town abutting on or adjacent to such street or road may be included within such secondary road assessment district and assessed on account of such improvement upon the same basis and in the same manner as though such lands were located outside of a city or town. [C24, §4754; C27, 31, 35, §4745-a1; C39, §4745.1; C46, §311.2; C50, 54, 58, 62, §311.5]

311.6 Petition—information required. The petition for a secondary road assessment district proposing to establish such district shall intelligently describe the road or roads proposed to be improved, the nature of the proposed improvement, the percentage of the estimated cost of the surfacing of said road proposed to be assessed against the property in the said district and the lands proposed to be included in such district.

Such petition shall be signed by thirty-five percent of the owners of the lands within such proposed district, or by thirty-five percent of the owners of the land within such proposed district who reside within said county. [C24, 27, 31, 35, 39, §4746; C46, §311.3; C50, 54, 58, 62, §311.6]

311.7 Improvement by private funds. When any owner or group of owners of not less than seventy-five percent of the lands adjacent to, or abutting upon any secondary road or roads shall, on or before October 1 of any year petition the board of supervisors of their county for the improving by graveling or other suitable surfacing, of said road or roads, and for the assessment of not less than fifty percent (or such greater portion as may be provided in said petition) of the cost of such improving, by graveling or other suitable surfacing, to the lands adjacent to, or abutting upon said road or roads, the board of supervisors shall, in the order in which such petitions were filed with it, include and give preference to said project or projects in the secondary road construction program of said county for the ensuing year. When a proper petition is filed, it shall retain its preference in succeeding years.

The board of supervisors shall proceed during the ensuing year with the construction and completion of said project under the same procedure as is prescribed generally for the improvement of secondary roads by assessment, and shall, as the law may provide, establish a special secondary road assessment district and assess against the lands included therein not less than fifty percent (or such greater portion as may be provided in said petition) of the engineer's estimated cost of the surfacing of the road or roads included in said project against all the lands adjacent to or abutting upon the said road or roads.

Provided, that should the owner or owners of all the lands included in any special secondary road assessment district under this section, subscribe and deposit with the county treasurer an amount not less than fifty percent (or such greater portion as may be provided in said petition) of the engineer's estimated cost of the surfacing of the road or roads included in said project, the board of supervisors shall not establish such special assessment district as herein provided, but shall accept the said donations in lieu of an assessment, and shall otherwise proceed to the improvement of said road or roads as herein provided.

Provided further, that the total expenditure of secondary road funds of the county in

any year for or on account of special secondary road assessment district projects on local secondary roads under this section shall not exceed the total secondary road funds legally expendable for construction on local secondary roads in said county in said year, and the expenditure of secondary road funds of the county, in any township in any three-year period, for or on account of special secondary road assessment district projects on local secondary roads under this section, shall not exceed said township's pro rata share, on the area basis, of the total secondary road funds legally expendable for construction on local secondary roads in said county in said three-year period, unless there be a township or townships from which there are no petitions filed during the first two years of said three-year period.

If the engineer's estimated cost of the grading, bridges, culverts, and draining of the road proposed to be included in any special assessment district project under this section, exceeds an average of seven thousand dollars per mile, the board of supervisors of said county may appeal to the state highway commission as to whether the county shall proceed with the construction of said project. The state highway commission shall hold a hearing on said matter, at a time and place of which the petitioners and the county board shall be duly notified, and shall have an opportunity to appear and be heard. After such hearing the state highway commission shall determine whether the county shall proceed with said project, which determination shall be final.

Upon the completion of such road or roads, and the satisfaction of all claims in relation thereto, any balance then remaining of the funds provided by the sponsors shall be returned to them according to their respective interests, providing all guarantees made by such sponsors have been fulfilled.

Any road or roads so improved by graveling or other suitable surfacing under the provisions of this section shall be maintained by the county from the secondary road fund. [C24, 27, 31, 35, 39, §§4747, 4753; C46, §§311.4, 311.10; C50, 54, 58, 62, §311.7]

See §309.8

311.8 County engineer's report. Upon the filing of such petition with the county auditor proposing the establishment of such secondary road assessment district, the county engineer shall file a report thereon with the county auditor, which report shall include:

1. An estimate of the cost of the surfacing proposed on the road or roads included in such proposed district.

2. A plat of said proposed district which plat shall show the road or roads proposed to be improved, the various tracts and parcels of real estate included in said proposed district, and the ownership of such lands.

3. An approximately equitable apportionment of not less than twenty-five percent of

the estimated cost of said improvement among the tracts and parcels of real estate included in such proposed district.

4. A statement whether all of the secondary roads to be surfaced in said proposed secondary road assessment district project have been built to permanent grade and properly drained.

5. Any information the county engineer may deem pertinent. [C24, 27, 31, 35, 39, §§4746, 4748; C46, §§311.3, 311.5; C50, 54, 58, 62, §311.8]

311.9 Publicly owned real estate. In making said apportionment, real estate owned by the state, county or any city or town, shall be treated as other real estate, but no other publicly owned real estate shall be included. In apportioning benefits to real estate owned by a town, city, the county or the state, no consideration shall be given to the buildings thereon. [C24, §4707; C27, 31, 35, §4753-a1; C39, §4753.01; C46, §311.11; C50, 54, 58, 62, §311.9]

311.10 Estimate and apportionment — presumption. Said estimated cost shall carry the presumption, in the absence of a contrary showing, that the same correctly represents the probable cost of said project as nearly as can be determined in advance of the actual doing and completion of the work. Said apportionment shall carry the presumption, in the absence of a contrary showing, that the same is fair, just, equitable, and in proportion to the benefits and not in excess thereof. [C24, §4707; C27, 31, 35, §4753-a1; C39, §4753.01; C46, §311.11; C50, 54, 58, 62, §311.10]

311.11 Hearing—notice. The board of supervisors shall fix a time for hearing on the proposal for the establishment of said secondary road assessment district and on the apportionment of not less than twenty-five percent of the estimated cost of the proposed improvement, and shall cause the county auditor to publish notice of said hearing. Said notice shall state:

1. The time and place of hearing,
2. The road or roads proposed to be improved,
3. The type of surfacing proposed,
4. The estimated cost of the proposed improvement,
5. A description of the lands lying within said proposed district,
6. The ownership of said lands as shown by the transfer books in the auditor's office,
7. A statement of the amount apportioned to each tract or parcel of real estate as shown by the engineer's report,
8. That at said hearing the amount apportioned to any tract or parcel of land may be increased or decreased without further notice,
9. That all objections to the establishment of said district, to the said apportionment report, or to the proceedings relating thereto must be specifically made in writing and filed with the county auditor on or before noon of the day set for such hearing, and

10. That a failure to make and file such objections will be deemed a conclusive waiver of all such objections. [C24, §§4707, 4750, 4751; C27, 31, 35, §§4750, 4751, 4753-a1; C39, §§4750, 4751, 4753.01; C46, §§311.7, 311.8, 311.11; C50, 54, 58, 62, §311.11]

311.12 Publication of notice. Such notice shall be published once each week for two successive weeks in some newspaper published in the county as near as practicable to said district. The last publication shall be not less than five days previous to said hearing. Proof of such publication shall be made by the publisher by affidavit filed with the county auditor. [C24, §4707; C27, 31, 35, §4753-a1; C39, §4753.01; C46, §311.11; C50, 54, 58, 62, §311.12]

311.13 Errors in notice or apportionment report. Any omission or error in said apportionment report or notice with respect to any tract or parcel of real estate or the description thereof, or the name of the owner, or the amount of the assessment apportioned thereto, shall work no loss of jurisdiction on the part of the board over such proceeding. Such omission or error shall only affect the particular tract of real estate or person in question. If, before or after the board has entered its final order in the establishment of the said district or in the apportionment proceedings such omission or error is discovered, the board shall fix a time for a hearing as to such party or real estate and shall cause service of notice to be made upon them, either by publication as in this chapter provided, or by personal service in the time and manner required for service of original notices in the district court. After such hearing the board shall proceed as to such person or land as though such omission or error had not occurred. [C24, §4707; C27, 31, 35, §4753-a1; C39, §4753.01; C46, §311.11; C50, 54, 58, 62, §311.13]

311.14 Appearance. The appearance of any interested party, either in writing or personally, or by authorized agent, before the board of supervisors at any stage of the pending proceedings for a secondary road assessment district shall be deemed a full appearance. Only interested parties shall have the right to appear in such proceedings. All persons so appearing shall state for whom they appear. The clerk of the board shall make definite entry accordingly in the minutes of the board. [C24, §4707; C27, 31, 35, §4753-a1; C39, §4753.01; C46, §311.11; C50, 54, 58, 62, §311.14]

311.15 Hearing—adjournment—order. Hearings on the proposed establishment of said district may be adjourned from time to time without loss of jurisdiction by the board. On final hearing the board shall proceed to a determination of said matters. It may reject, approve, or modify and approve said proposal. The board may exclude lands from the district or may add lands thereto or otherwise modify the proposal.

Should the proposal be approved in whole or in part, the board shall establish such dis-

tract. The order of the board establishing such district shall state the road or roads to be improved, the type of improvement, and the lands included in said district. Said order shall be final. No lands shall thereafter be added to or excluded from said district. [C24,§4709; C27, 31, 35,§4753-a2; C39,§4753.02; C46,§311.12; C50, 54, 58, 62,§311.15]

311.16 Final hearing—assessment levied. On final hearing the board shall hear and determine all objections filed. The board may increase, diminish, annul, or affirm the apportionment made in said report, or any part thereof, as may appear to the board to be just and equitable.

On the final determination the board shall levy such assessments and all installments thereof upon the real estate within said district as finally established. The entire amount of said assessment shall be then due and payable, and bear interest at six percent per annum commencing twenty days from the date of said levy, and shall be collected at the next succeeding March semiannual payment of ordinary taxes. [C24,§4710; C27, 31, 35,§4753-a3; C39, §4753.03; C46,§311.13; C50, 54, 58, 62,§311.16]

311.17 Assessments over ten dollars—waiver. If any owner other than the state or a county, city or town, of any tracts of land on which the assessment is more than ten dollars, shall, within twenty days from the date of said assessment, agree in writing filed in the office of the county auditor, that in consideration of his having the right to pay his assessment in installments, he will not make any objection of illegality or irregularity as to said assessment upon his said real estate, and will pay the same with six percent interest thereon, then and in that case said assessment shall be payable in ten equal installments. The first installment shall be payable on the date of such agreement. The other installments with interest on the whole amount unpaid shall be paid annually thereafter at the same time and in the same manner as the March semiannual payment of ordinary taxes.

An owner of land who has availed himself of said ten-year option may at any time discharge his assessment by paying the balance then due on all unpaid installments, with interest on the entire amount of the unpaid installments for thirty days in advance. [C24, §4710; C27, 31, 35,§4753-a3; C39,§4753.03; C46, §311.13; C50, 54, 58, 62,§311.17]

311.18 Assessment delinquent — penalties. All such taxes shall become delinquent on the first day of March next after their maturity, shall bear the same interest, the same penalties, and be attended with the same rights and remedies for collection, as ordinary taxes. [C24, §4710; C27, 31, 35,§4753-a3; C39,§4753.03; C46, §311.13; C50, 54, 58, 62,§311.18]

311.19 Assessment ten dollars or less. Assessments of ten dollars or less against any tract of land, and assessments against lands owned by the state, county, city or town,

shall be due and payable from the date of levy by the board of supervisors, or in the case of any appeal, from the date of final confirmation of the levy by the court.

In case of assessments on lands owned by the county, the same shall be paid from the county general fund. In case of assessments on lands owned by the state, the same shall be paid out of any funds in the state treasury not otherwise appropriated. In case of assessments on lands owned by a city or town, the same shall be paid from the city or town street fund. [C24,§4710; C27, 31, 35,§4753-a3; C39, §4753.03; C46,§311.13; C50, 54, 58, 62,§311.19]

311.20 Variation between estimated and actual cost. Any variation between the engineer's estimated cost and the actual cost of a secondary road assessment district project shall in no way affect the validity of the assessment. It is the intent of this chapter that the assessment shall be based on the estimated cost and not on the actual cost. [C24,§4711; C27, 31, 35, §4753-a4; C39,§4753.04; C46,§311.14; C50, 54, 58, 62,§311.20]

311.21 Procedures. The preparation and approval of plans and specifications, the advertising for bids, the award and approval of contract, the supervision and inspection of construction work, and the approval and payment of claims on any secondary road assessment district project, shall be conducted in the manner provided in the laws for secondary road construction work generally. [C24, 27, 31, 35, 39,§§4749, 4752; C46,§§311.6, 311.9; C50, 54, 58, 62,§311.21]

311.22 Road graded and drained. Any such secondary road shall be built to permanent grade and drained in a manner approved by the county engineer before being surfaced, as provided in this chapter. [C27, 31, 35, 39,§4746; C46,§311.3; C50, 54, 58, 62,§311.22]

311.23 Payment of construction costs. The total cost of any secondary road assessment district project shall in the first instance be paid out of the secondary road fund of said county. Any assessments which are paid in cash and in anticipation of which assessments no certificates have been issued, shall be transferred to the secondary road fund.

If no special assessment certificates are issued and sold on account of any particular secondary road assessment district, the special assessments on lands included in that district, and the interest on such assessments when collected, shall be transferred to the secondary road fund of said county. If certificates are issued and sold in anticipation of the special assessments levied on any such district as herein provided, the proceeds of such certificates shall be credited to the secondary road fund of said county. In that event, the special assessments in anticipation of which certificates have been issued, and the interest on such assessments shall, when collected, be used to retire such certificates. [C24, 27, 31, 35, 39, §4752; C46,§311.9; C50, 54, 58, 62,§311.23]

311.24 Appeal from assessment. Any owner of land in a secondary road assessment district may appeal to the district court from the order of the board of supervisors in levying the assessment against his real estate, by filing with the county auditor within fifteen days of the date of such levy, a bond conditioned to pay all costs in case the appeal is not sustained, and a written notice of appeal wherein he shall, with particularity, point out the specific objection which he desires to lodge against such levy. The appearance term shall be the trial term. Said appeal shall have precedence over all other business of the term except criminal matters. The appeal shall be heard as in equity. The court may raise or lower the assessment in question and make an equitable assessment in the judgment of the court. The clerk of the district court shall, upon the entry of the final order of the court, certify such final order to the county auditor. The board of supervisors shall at once so adjust the assessments as to comply with the final order of the court. [C24,§4713; C27, 31, 35, §4753-a5; C39,§4753.05; C46,§311.15; C50, 54, 58, 62,§311.24]

311.25 Appeal docketed. When an appeal is taken, the county auditor shall at once make a transcript of the notice of appeal and appeal bond and transmit the same to the district court. The appellant shall, on or before the first day of the first term of the court, after taking said appeal, docket said appeal and file a petition setting forth the order or decision of the board of supervisors appealed from, and his specific objections thereto. A failure to comply with either of these requirements shall be deemed a conclusive waiver of the appeal and in such case the court shall dismiss the same. Appellee need not file answer, but may do so. [C24,§4714; C27, 31, 35,§4753-a6; C39,§4753.06; C46,§311.16; C50, 54, 58, 62,§311.25]

311.26 Assessments certified to county treasurer. When the board of supervisors has entered its final order as to the amounts of all special assessments on a given improvement, the county auditor shall at once certify a list of such assessments and a list of real estate upon which each assessment has been levied, with the specific designation of the district embracing such real estate, to the county treasurer, who shall enter each assessment on the tax books and continue such entry until such assessment is paid.

Each special assessment and all installments thereof shall be a lien upon the real estate upon which it is levied from the date of such certificate by the county auditor to the same extent and in the same manner as taxes levied for state and county purposes. Changes in the amount of any special assessment by reason of any ruling of the district court on appeals shall be likewise certified and the county treasurer shall make the proper correction on his books. [C24,§4715; C27, 31, 35, §4753-a7; C39,§4753.07; C46,§311.17; C50, 54, 58, 62,§311.26]

311.27 Each district separate unit. Each assessment district shall be considered a unit and all funds received by the county treasurer for or on behalf of such unit shall be carried as a distinct and separate account and under the same specific name as that used by the board in establishing such unit. [C24,§4716; C27, 31, 35,§4753-a8; C39,§4753.08; C46,§311.18; C50, 54, 58, 62,§311.27]

311.28 Certificates anticipating assessments. In order to render immediately available that amount of the estimated cost of an improvement which has been specially assessed, the board may issue road certificates in the name of the county in an aggregate amount not exceeding the then unpaid amount of the special assessment levied in said district. Each issue of certificates shall be under, and in accordance with, a duly adopted resolution of the board and which shall recite (1) the name or designation of the road district on account of which the certificates are issued; (2) that a stated amount (naming the amount) has been specially assessed against the lands within said district; (3) that a stated amount of said aggregate special assessment has not yet been paid (naming the unpaid amount); (4) that it is necessary to render such unpaid amount immediately available; (5) the number of road certificates authorized and the specific amount of each certificate; (6) the specific numbering or designation of such certificates; (7) the rate of interest which each certificate shall bear from date, to wit, not to exceed six percent per annum; (8) the fact that said certificates are payable solely from the proceeds of the special assessments which have been levied on the lands within said districts; (9) that each certificate shall be payable on or before the first day of January of the first year following the maturity of the last installment of such special assessments, and that interest thereon shall be paid annually; (10) the authorization to the chairman of the board, and to the county auditor, respectively, to sign and countersign each of said certificates. [C24,§4717; C27, 31, 35,§4753-a9; C39,§4753.09; C46,§311.19; C50, 54, 58, 62,§311.28]

311.29 Sale of certificates. Upon the signing of each of said certificates by the chairman of the board, said certificates shall be delivered to the county auditor, who shall countersign the same, charge the county treasurer with the amount thereof, and deliver the same to the latter officer, who shall be responsible therefor on his bond. The treasurer may apply said certificates in payment of any warrants duly authorized and issued for surfacing the roads within said district, or he may sell the same for the best attainable price and for not less than par, plus accrued interest, and credit the proceeds to the secondary road fund. Such certificates shall be retired in the order of the consecutive numbering thereof. [C24, §4717; C27, 31, 35,§4753-a9; C39,§4753.09; C46, §311.19; C50, 54, 58, 62,§311.29]

311.30 Certificates registered — payment.

The county treasurer shall, in connection with the road account for said district, enter the name and post-office address of all persons to whom any of said certificates are issued, with a particular designation of the certificates delivered to each person. Any subsequent holder may present his certificate to the county treasurer and cause his name and post-office address to be entered in lieu of that of such former holder. Whenever the fund for such particular district has money to pay the first retirable certificate or certificates, the county treasurer shall, by mail, as shown by his records, promptly notify the holder of such certificate of such fact and that from and after ten days after the mailing of such letter all interest on such certificates will cease. [C24, §4717; C27, 31, 35, §4753-a9; C39, §4753.09; C16, §311.19; C50, 54, 58, 62, §311.30]

311.31 Previous assessments not invalidated. The passage of this chapter, the provisions hereof, and the repeal of sections hereby repealed, shall not in manner affect or invalidate any secondary road district assessments levied before this chapter became effective, or any certificate in anticipation of such assessments issued before or after this chapter becomes effective.

Said assessments and taxes shall be collected and applied to the purpose for which they were levied. Certificates in anticipation of such assessments may be issued. The proceeds of such certificates shall be applied to the purpose intended, and such certificates issued before or after this chapter becomes effective shall be paid in conformance with the provisions of this chapter. [C50, 54, 58, 62, §311.31]

The highways of the state are, for the purposes of this chapter, divided into two systems, to wit: the primary road system and the secondary road system. The primary road system shall embrace those main roads, not including roads within cities and towns, which connect all county-seat towns, cities, and main market and industrial centers and which have already been designated as primary roads in chapter 241, Code of 1924; provided that the

said designation of roads shall be, with the consent of the federal bureau of public roads, subject to revision by the state highway commission.

Any portion of said primary road system eliminated by reconstruction or relocation shall revert to and become part of the local secondary road system, provided, however, that the highway commission shall, during a period of not to exceed one year from the date a county has been so notified that the road has reverted to the secondary system, maintain said road and conduct periodic traffic checks. If, at the end of one year the traffic on the section in question exceeds four hundred vehicles per day, it shall remain in the primary system. If, at the end of one year, the traffic on said section does not exceed four hundred vehicles per day, it shall revert to and become a part of the secondary system, provided, however, that the state highway commission shall first allocate sufficient funds to place the road in good repair sufficient for the traffic thereon.

The state highway commission may, for the purpose of affording access to cities, towns or state parks, or for the purpose of shortening the direct line of travel on important routes, or to effect connections with interstate roads at the state line, add such road or roads to the primary system.

The state highway commission shall have the authority to utilize any land acquired incidental to the acquisition of land for highway right of way and to also accept by gift, lands not exceeding two acres in area for roadside parks and parking areas, provided, however, that the upkeep and maintenance of said roadside parks and parking areas shall involve only minor maintenance expense. The commission shall also have authority to accept by gift, equipment or other installations incidental to the use of said parks and parking areas. 314.1 Bidders' statements of qualifications—basis for awarding contracts. The board or commission having charge of the receipt of bids and the award of contracts for the construction, reconstruction, improvement, repair, or maintenance of any highway, may require, for any highway contract letting, that each bidder shall file with said board or commission a statement showing his financial standing, his equipment, and his experience in the execution of like or similar work. Said statements shall be on standard forms prepared by the state highway commission and shall be filed with said board or commission previous to the

letting at which such bidder expects to bid. The board or commission may, in advance of the letting, notify the bidder as to the amount and the nature of the work for which he is deemed qualified to bid.

In the award of contracts for the construction, reconstruction, improvement, repair or maintenance of any highway, the board or commission having charge of awarding such contracts shall give due consideration not only to the prices bid but also to the mechanical or other equipment and the financial responsibility and experience in the performance of like or similar contracts. The board or com-

mission may reject any or all bids, or may let by private contract or build by day labor, at a cost not in excess of the lowest bid received. Upon the completion of any contract or project on either the farm-to-market or secondary road system, the county engineer shall file with the county auditor a statement showing the total cost thereof with certificate that said work has been done in accordance with the plans and specifications. All contracts shall be in writing and shall be secured by a bond for the faithful performance thereof as provided by law. The letting of a contract in violation of the foregoing provisions shall invalidate the contract and such violation shall be a complete defense to any action to recover any consideration due or earned under the contract at the time of its termination. [S13,§1527-s15; C24,§§4685, 4700; C27, 31, 35,§§4685, 4755-b10; C39,§§4685, 4686.14, 4755.10; C46,§§309.92, 310.14, 313.10; C50,§308A.11; C54, 58, 62,§314.2]

314.3 Claims—approval and payment. All claims for construction, reconstruction, improvement, repair, or maintenance on any highway shall be itemized on voucher forms prepared for that purpose, sworn to by the claimants, certified to by the engineer in charge, and then forwarded to the board or commission in control of that highway for final audit and approval. Claims payable from the farm-to-market road fund shall be approved by both the board of supervisors and the state highway commission. Upon approval by the highway commission of vouchers which are payable from the farm-to-market road fund, or from the primary road fund, as the case may be, such vouchers shall be forwarded to the state comptroller, who shall draw warrants therefor, and said warrants shall be paid by the treasurer of the state from the farm-to-market road fund or from the primary road fund, as the case may be.

If the engineer makes such certificate or a member of the board or commission approves such claim when said work has not been done in accordance with the plans and specifications, and said work be not promptly made good without additional cost, he shall be liable on his bond for the amount of such claim. [SS15,§1527-s10; C24,§§4653, 4702; C27, 31, 35, §4653, 4755-b15; C39,§§4653, 4686.17, 4755.15; C46,§§309.59, 310.17, 313.15; C50,§308A.12; C54, 58, 62,§314.3]

The board or commission in control of any secondary road or any primary road is authorized, subject to approval of the council, to eliminate danger at railroad crossings and to construct, reconstruct, improve, repair, and maintain any road or street which is an extension of such road within any town or city. Provided, that this authority shall not apply to the extensions of secondary roads located in cities over twenty-five hundred population, where the houses or business houses average less than two hundred feet apart.

The phrase "subject to the approval of the council" as it appears in this section, shall be construed as authorizing the council to consider said proposed improvement only in its relationship to municipal improvements such as sewers, water lines, establishing grades, change of established street grades, sidewalks and other public improvements. The locations of such road extensions shall be determined by the board or commission in control of such road or road system. Officers, employees, and contractors in charge of improvement or maintenance work on any highway shall not cut down or injure any tree growing by the wayside which does not materially obstruct the highway, or tile drains, or interfere with the improvement or maintenance of the road, and which stands in front of any town lot, farmyard orchard or feed lot, or any ground reserved for any public use. Nor shall they destroy or injure reasonable ingress

or egress to any property, or turn the natural drainage of the surface water to the injury of adjoining owners. It shall be their duty to use strict diligence in draining the surface water from the public road in its natural channel. To this end they may enter upon the adjoining lands for the purpose of removing from such natural channel obstructions that impede the flow of such water. [C24, 27, §4791; C31, 35, §4644-c46; C39, §4644.44; C46, §309.44; C50, §308A.16; C54, 58, 62, §314.7]

When said construction work is completed the engineer shall permanently re-establish said corner or monument. A failure to perform said duties shall subject the engineer to a fine of not less than ten dollars nor more than fifty dollars to be collected on his bond. [S13, §1527-s7; C24, 27, 31, 35, 39, §4656; C46, §309.62; C50, §308A.17; C54, 58, 62, §314.8]

314.9 Prospecting for gravel. The board or commission in control of any highway or highway system, or the engineer or any other person employed by said board or commission, may after written notice to the owner and to the occupant, enter upon private land and make surveys, borings and excavations thereon, for the purpose of determining whether gravel or other material exists on said land of suitable quality and in sufficient quantity, to warrant the purchase or condemnation of said land or part thereof and roadway thereto to

secure such material for the improvement or maintenance of such highway or highway system. Any damage caused by such entry, survey, borings and excavations shall be determined by agreement or in the manner provided for the award of damages in condemnation of land for highway purposes. No such prospecting shall be done within twenty rods of the dwelling house or buildings on said land without written consent of the owner. No discrimination shall be made in the use of such bridge as between such utilities. Joint use of telephone, telegraph, electric transmission or pipe lines may not be required. No grant to any public utility to use such bridge shall in any way interfere with the use of such bridge by the public for highway purposes. The secretary of agriculture shall appoint as state botanist the head of the botany and plant pathology section of the Iowa agricultural experiment station whose duty shall be to co-operate in developing a constructive weed eradication program. [C39,§4829.02; C46, 50, 54, 58, 62,§317.2]

317.3 Weed commissioner. The board of supervisors of each county shall annually appoint a county weed commissioner who shall be a person not otherwise employed by the county and one who is familiar with the various types of weeds and the recognized methods for their control and elimination. The

county weed commissioner's appointment shall be effective as of March 1 and continue for a term of one year unless he is sooner removed from office as provided for by law. The county weed commissioner may, with the approval of the board of supervisors, appoint a deputy or such number of deputies as are necessary to carry out the purposes of this chapter. The name and address of the person appointed as county weed commissioner shall, within ten days of the making of the appointment, be certified to the county auditor and to the secretary of agriculture. The board of supervisors shall fix the compensation of the county weed commissioner and his deputies, if any, and in addition to said compensation, they shall be paid their necessary travel expense; said compensation and expense shall be paid from the county general fund or the weed eradication and equipment fund.

Notwithstanding the provisions of this section as to time of hiring the county weed commissioner, the board of supervisors shall prescribe the time per year he shall work which may be during the part of year when noxious weeds can effectively be killed. Compensation shall be for the period of actual work only. The board of supervisors shall likewise determine whether employment shall be by hour, day or month and the rate of pay per employment time. Each commissioner shall, subject to direction and control by the county board of supervisors, have supervision over the control and the destruction of all noxious weeds in his county, including those growing within the limits of incorporated towns and cities, and within the confines of abandoned cemeteries, and of any other weeds growing along streets and highways unless otherwise provided and shall have the authority at any time to enter upon any land in his county for the performance of his duties, and shall hire the labor and equipment necessary for the performance of his duties subject to the approval of the board of supervisors, which shall be paid for in the same manner as the weed commissioner's compensation. [S13, §§1565-c, d, f; C24, 27, 31, 35, §4817; C39, §4829.04; C46, 50, 54, 58, 62, §317.4]

Such entry may be made without the consent of the landowner or person in possession or control of the land but actual work of destruction shall not be commenced until five days after the service of a notice in writing on the landowner and on the person in possession or in control of the land. The notice shall state the facts as to failure of compliance with the county program of weed destruction order or orders made by the board of supervisors and shall be served in the same manner as an original notice except as hereinafter provided. The notice may be served by the weed commissioner, his deputies or any person designated in writing by the weed commissioner and filed in the office of the county auditor. Provided, however, that service on persons living temporarily or permanently outside of the county may be made by sending the written notice of noncompliance by certified mail to said person at the last known address to be ascertained, if necessary, from the last tax list in the county treasurer's office. Where any person, firm or corporation owning land within the county has filed a written instrument in the office of the county auditor designating the name and address of its agent, the notice herein provided may be served on that agent. In computing time hereunder it shall be from the date of service as evidenced on the return or if made by certified mail, from the date of mailing as evidenced by the certified mail book at the post office where mailed. [S13, §§1565-c, d, f; C24, §4817; C27, 31, 35, §§4817, 4823-b1; C39, §§4829.05, 4829.06; C46, §§317.5, 317.6; C50, 54, 58, 62, §317.6]

3. A summary of the weed situation within his jurisdiction, together with suggestions and recommendations which may be proper and useful, a copy of which shall be forwarded to the state secretary of agriculture. [S13, §§1565-c, d, f; C24, 27, 31, 35, §4817; C39, §4829.07; C46, 50, 54, 58, 62, §317.7]

[SS15, §1565-a; C24, 27, 31, 35, §4819; C39, §4829.10; C46, 50, 54, 58, 62, §317.10]

317.12 Weeds on railroad or public lands and gravel pits. All noxious weeds on railroad lands, public lands and within incorporated cities and towns shall be treated in such manner, approved by the board of supervisors, as shall prevent seed production and either destroy or prevent the spread of noxious weeds to adjoining lands. Gravel pits infested with noxious weeds shall not be used as sources of gravel for public highways without previous treatment approved by board of supervisors. [S13, §§1565-c, d, f; SS15, §1565-a; C24, 27, 31, 35, §§4817, 4819; C39, §4829.12; C46, 50, 54, 58, 62, §317.12]

commissioner, or commissioners, by resolution prescribe and order a program of weed destruction to be followed by landowners or tenants or both, which may be expected to destroy and immediately keep under control any areas infested with any noxious weeds on farm land, and shall designate the destruction dates to prevent seed production of all varieties of noxious weeds. Quack grass in pasture land, rough timbered land or on the highways, railway rights of way and public lands, when acting as soil binder, may be exempt from such order if approved by the supervisors. [S13, §§1565-c, d; C24, 27, 31, 35, §4821; C39, §4829.13; C46, 50, 54, 58, 62, §317.13]

317.15 Loss or damage to crops. The loss or damage to crops or property incurred by reason of such destruction shall be borne by the titleholder of said real estate, unless said real estate shall be sold under contract whereby possession has been delivered to the purchaser, in which event such purchaser shall bear such loss or damage, excepting where a contract has been entered into providing a different adjustment for such loss or damage. [S13, §§1565-c, d; C24, 27, 31, 35, §4822; C39, §4829.15; C46, 50, 54, 58, 62, §317.15]

In case of a substantial failure to comply by the date prescribed in any order of destruction of weeds made pursuant to the provisions of this chapter, the weed commissioner or his deputies shall, subsequent to the time after service of the notice provided for in section 317.6 enter upon the land and cause such weeds to be destroyed. The actual cost and expense of such cutting, burning or otherwise destroying of said weeds, the cost of serving notice and special meetings or proceedings, if any, shall be paid from the county general fund and, together with the additional assessment to apply toward costs of supervision and administration, be recovered by an assessment against the tract of real estate on which the weeds were growing, as provided in section 317.21. [S13, §§1565-c, d; C24, 27, 31, 35, §4823; C39, §4829.16; C46, 50, 54, 58, 62, §317.16]

317.18 Order for destruction on roads. The board of supervisors shall order all weeds other than noxious weeds, on all county trunk and local county roads and between the fence lines thereof to be cut, burned or otherwise destroyed to prevent seed production thereof, either upon its own motion or upon receipt of written notice requesting such action from any residents of the township in which such roads are located, or any person regularly using said roads. Said order shall define the roads along which said weeds are required to be cut, burned or otherwise destroyed and shall require said weeds to be cut, burned or otherwise destroyed within thirty days after the publication of said order in the official newspapers of said county. If the adjoining owner fails to cut, burn or otherwise destroy said weeds as required in said order the county commissioner shall have same cut, burned or otherwise destroyed and the cost thereof shall be paid from the general county fund, and recovered later by an assessment against the adjoining property owners as provided in section 317.21. [C39,§4829.18; C46, 50, 54, 58, 62,§317.18]

Referred to in §317.21

317.19 Road clearing fund. The board of supervisors in any county may levy against all the taxable property, other than incorporated cities and towns, in said county not to exceed three-fourths mill, the proceeds of which said levy shall be known as the "road-clearing fund" and shall be used for no purpose except to cut, burn or otherwise destroy all weeds, second or undergrowth brush on said county trunk and local county roads between the fence rows of such roads thereof in time to prevent reseeding.

Out of said fund so provided for in this section the board of supervisors shall have the power to purchase or hire necessary equipment or to contract with the adjoining landowner to carry out the purposes of this section. [C46, 50, 54, 58, 62,§317.19]

317.20 Levy for equipment and materials—use on private property. An additional one-fourth mill may be levied by the county board of supervisors for the purpose of purchasing weed eradicating equipment and materials to carry out the duties of the county weed commissioner for use on all lands in the county, public or private, and for the payment of the necessary expenses and compensation of the county weed commissioner, and his deputies, if any. Whenever equipment or materials so purchased are used on private property within the corporate limits of cities or towns by the weed commissioner, the cost of materials used and an amount to be fixed by the board of supervisors for the use of said equipment shall be returned to this one-fourth mill fund by the county treasurer upon the collection of

the special assessment taxed against said property. In the certification to the county auditor and the county treasurer by the clerk of the board of supervisors this apportionment shall be designated along with the special tax assessed under the provisions of section 317.21. Such equipment and its use shall be subject to the authorization and direction of the county board of supervisors. [C50, 54, 58, 62,§317.20]

317.21 Cost of such destruction. When the commissioner, or commissioners, destroy any weeds under the authority of sections 317.16 or 317.18, after failure of the landowner responsible therefor to destroy such weeds pursuant to the order of the board of supervisors, the cost of such destruction shall be assessed against the land and collected from the landowner responsible in the following manner:

1. Annually, after the weed commissioner has completed his program of destruction of weeds by reason of noncompliance by persons responsible therefor, the board of supervisors shall determine as to each tract of real estate the actual cost of labor and materials used by the commissioner in cutting, burning or otherwise destroying said weeds, the cost of serving notice and special meetings or proceedings, if any. To the total of all such sums expended, they shall add an amount equal to twenty-five percent thereof to compensate for the cost of supervision and administration and assess the resulting sum against said tract of real estate by a special tax, which shall be certified to the county auditor and county treasurer by the clerk of the board of supervisors, and shall be placed upon the tax books, and collected, together with interest and penalty after due, in the same manner as other unpaid taxes. Such tax shall be due on March 1 after such assessment, and shall be delinquent after March 31. When collected, said funds shall be paid into the fund from which said costs were originally paid.

2. Before making any such assessment, the board of supervisors shall prepare a plat or schedule showing the several lots, tracts of land or parcels of ground to be assessed which shall be in accord with the assessor's records and the amount proposed to be assessed against each of the same for destroying or controlling weeds during the calendar year.

3. Such board shall thereupon fix a time for the hearing on such proposed assessments, which time shall not be later than December 15 of the year, and at least twenty days prior to the time thus fixed for such hearing shall give notice thereof to all concerned that such plat or schedule is on file, and that the amounts as shown therein will be assessed against the several lots, tracts of land or parcels of ground described in said plat or schedule at the time fixed for such hearing, unless objection is made thereto. Notice of such hearing shall be given by one publication in official county newspapers in the county in which the property to be assessed is situated; or by posting a copy of such notice on the premises affected

and by mailing a copy by certified mail to the last known address of the person owning or controlling said premises. At such time and place the owner of said premises or anyone liable to pay such assessment, may appear with the same rights given by law before boards of review, in reference to assessments for general taxation. 317.22 Duty of highway maintenance men. It shall be the duty of all officers directly responsible for the care of public highways to make complaint to the weed commissioners or board of supervisors, whenever it shall appear that the provisions of this chapter may not be complied with in time to prevent the blooming and maturity of noxious weeds or the unlawful growth of weeds, whether in the

streets or highways for which they are responsible or upon lands adjacent to the same. [S13, §§1565-c-e; C24, 27, 31, 35, §4826; C39, §4829.20; C46, §317.21; C50, 54, 58, 62, §317.22]

317.23 Duty of county attorney. It shall be the duty of the county attorney upon complaint of any citizen that any officer charged with the enforcement of the provisions of this chapter has neglected or failed to perform his duty, to enforce the performance of such duty. The owners of osage orange and hedges of shrubbery other than trees along the public highway shall keep the same trimmed by cutting back within five feet of the ground at least once in every two years, and burn or remove the trimmings from off the road. With the exception of osage orange hedge fences, no trees or shrubbery, except as hereinafter provided, shall be permitted on the line or within the limits of the highway, unless the same shall be used as a windbreak for residences, orchards or feed lot, and no windbreak shall exceed forty rods in length, such forty rods to be determined by the owner within one day when requested by the board of supervisors; and in case he neglect or refuse to designate the forty rods of windbreak he desires, the board of supervisors shall select such forty rods of hedge. 2. That the vehicle is mechanically unfit or unsafe to be operated or moved upon the highways, providing such condition is revealed by a member of this department, or any peace officer.

Such file shall consist of a copy of the certificate of title including the notations of all liens recorded and released and such other information as the department deems necessary. The information to be kept in such file shall be entered therein within forty-eight hours after receipt insofar as is practical. The department shall also install and maintain a file by motor number, or other identifying number of the vehicle, which shall contain a full description of the vehicle as described on the certificate of title and the name and address of the previous owner. This file shall constitute the permanent history record of ownership of each vehicle titled under the laws of this state. Number plates and weight limitation emblems which are issued with registrations or registration increases are hereby declared to be integral parts of the registration of the vehicle for which issued.

Vehicular traffic facing the signal may proceed straight through or turn right or left unless a sign at such place prohibits either such turn. But vehicular traffic shall yield the right of way to other vehicles and to pedestrians lawfully within the intersection at the time such signal is exhibited.

Pedestrians facing the signal may proceed across the roadway within any marked or unmarked crosswalk.

2. *Yellow alone or "Caution"* when shown following the green or "Go" signal.

Vehicular traffic facing the signal shall stop before entering the nearest crosswalk at the intersection, but if such stop cannot be made in safety a vehicle may be driven cautiously through the intersection.

Pedestrians facing such signal are thereby advised that there is insufficient time to cross the roadway, and any pedestrian then starting to cross shall yield the right of way to all vehicles.

3. *Red alone or "Stop"*.

Vehicular traffic facing the signal shall stop before entering the nearest crosswalk at an intersection or at such other point as may be indicated by a clearly visible line and shall remain standing until green or "Go" is shown alone.

No pedestrian facing such signal shall enter the roadway unless he can do so safely and without interfering with any vehicular traffic.

4. *Red with green arrow.*

Vehicular traffic facing such signal may cautiously enter the intersection only to make the movement indicated by such arrow but shall not interfere with other traffic or endanger pedestrians lawfully within a crosswalk.

No pedestrian facing such signal shall enter the roadway unless he can do so safely and without interfering with any vehicular traffic.

The motorman of any streetcar shall obey all the above signals as applicable to vehicles. [C39,§5019.06; C46, 50, 54, 58, 62,§321.257]

1. *Flashing red* (Stop signal). When a red lens is illuminated by rapid intermittent flashes, drivers of vehicles shall stop before entering the nearest crosswalk at an intersection or at a limit line when marked and the right to proceed shall be subject to the rules applicable after making a stop at a stop sign.

2. *Flashing yellow* (Caution signal). When a yellow lens is illuminated with rapid intermittent flashes, drivers of vehicles may proceed through the intersection or past such

signal only with caution. [C39,§5019.07; C46, 50, 54, 58, 62,§321.258]

This shall not be deemed to prohibit the erection upon private property adjacent to highways of signs giving useful directional information of a type that cannot be mistaken for official signs.

Every such prohibited sign, signal, or marking is hereby declared to be a public nuisance and the authority having jurisdiction over the highway is hereby empowered to remove the same or cause it to be removed without notice. [C39,§5019.08; C46, 50, 54, 58, 62,§321.259; 60GA, ch 199,§1]

SPEED RESTRICTIONS

321.285 Speed restrictions. Any person driving a motor vehicle on a highway shall drive the same at a careful and prudent speed not greater than nor less than is reasonable and proper, having due regard to the traffic, surface and width of the highway and of any other conditions then existing, and no person shall drive any vehicle upon a highway at a speed greater than will permit him to bring it to a stop within the assured clear distance ahead, such driver having the right to assume, however, that all persons using said highway will observe the law.

The following shall be the lawful speed except as hereinbefore or hereinafter modified, and any speed in excess thereof shall be unlawful:

1. Twenty miles per hour in any business district.
2. Twenty-five miles per hour in any residence or school district.

3. Forty miles per hour for any motor vehicle drawing another vehicle, except as hereinafter specified.

4. Forty-five miles per hour in any suburban district. Each school district as defined in subsection 59 of section 321.1 shall be marked by distinctive signs as provided by the current manual of uniform traffic control devices adopted by the state highway commission and placed on the highway at the limits of such school district.

5. Sixty miles per hour from sunset to sunrise and seventy miles per hour from sunrise to sunset.

6. Fifty-five miles per hour for any motor vehicle drawing a one- or two-wheel trailer or a tandem wheel trailer not more than twenty-eight feet in length including towing arm with a gross weight of not more than four thousand five hundred pounds and not more than eight feet in width.

7. Reasonable and proper, but not greater than sixty miles per hour at any time between sunrise and sunset, and not greater than fifty miles per hour at any time between sunset and sunrise, on secondary roads unless such roads are surfaced with concrete or asphalt or a combination of both, in which case the speed limits shall be the same as provided in subsection 5 of this section. Whenever the board of supervisors of any county shall determine upon the basis of an engineering and traffic investigation conducted by the state highway commission when so requested by said board that the speed limit on any secondary road is greater than is reasonable and proper under the conditions found to exist at any intersection or other place or upon any part of a secondary road, said board shall determine and declare a reasonable and proper speed limit thereat. Such speed limits as determined by the board of supervisors shall be effective when appropriate signs giving notice thereof are erected by the board of supervisors at such intersection or other place or part of the highway.

8. Notwithstanding any other speed restrictions, the speed limits for all vehicular traffic on fully controlled-access, divided, multilaned highways included in, and as a part of, the national system of interstate highways designated by the federal bureau of public roads and this state [23 U.S.C. 103 (d)] shall be seventy-five miles per hour from sunrise to sunset and sixty-five miles per hour from sunset to sunrise. However, the highway commission or the cities and towns, with the approval of the highway commission, may establish a lower speed limit upon such highways located within the corporate limits of any city or town used as city alternate routes, commonly referred to as "freeways". For the purposes of this subsection a fully controlled-access highway is a highway that gives preference to through traffic by providing access connections with selected public roads only and by prohibiting crossings at grade or direct private

driveway connections. It is further provided that a minimum speed of forty miles per hour, road conditions permitting, shall be established on the highways referred to in this subsection.

It is further provided that any kind of vehicle, implement, or conveyance incapable of attaining and maintaining a speed of forty miles per hour shall be prohibited from using the interstate system. 1. Fifty miles per hour for any freight-carrying vehicle which is equipped with pneumatic tires.

2. Twenty miles per hour for any freight-carrying vehicle equipped with solid rubber tires, if the weight of the vehicle and load is less than six tons, and twelve miles per hour for any freight-carrying vehicle equipped with solid rubber tires, if the weight of the vehicle and load is more than six tons. [S13,§§1571-m19-m20; C24, 27, 31, 35,§5029; C39,§5023.02; C46, 50, 54, 58, 62,§321.286]

Referred to in §§321.209, subsection 7, 321.291, 321.292

321.287 Bus speed limits. No passenger-carrying motor vehicle used as a common carrier, except school buses, shall be driven upon the highways at a greater rate of speed than sixty miles per hour at any time. No school bus shall be operated in violation of section 321.377. [C24,§5104; C27, 31, 35,§5105-a34; C39,§5023.03; C46, 50, 54, 58, 62,§321.287]

Referred to in §§321.209, subsection 7, 321.291, 321.292

321.288 Control of vehicle. The person operating a motor vehicle or motorcycle shall have the same under control and shall reduce the speed to a reasonable and proper rate:

1. When approaching and passing a person walking in the traveled portion of the public highway.

2. When approaching and passing an animal which is being led, ridden, or driven upon a public highway.

3. When approaching and traversing a crossing or intersection of public highways, or a bridge, or a sharp turn, or a curve, or a steep descent, in a public highway.

4. When approaching and passing a fusee, flares, red reflector electric lanterns, red reflectors or red flags displayed in accordance with section 321.448. [S13,§1571-m18; C24, 27, 31, 35, §5031; C39,§5023.04; C46, 50, 54, 58, 62,§321.288]

321.289 Speed signs—duty to install. The state highway commission shall furnish and place on primary roads or on extensions of primary roads within any city or town suitable standard signs showing the points at which the

rate of speed changes and the maximum rate of speed in the district which the vehicle is entering. On all other main highways the city or town shall furnish and erect suitable signs giving similar information to traffic on such highways. [S13,§1571-m20; C24,§5030; C27, 31, 35,§5030-b2; C39,§5023.05; C46, 50, 54, 58, 62, §321.289]

321.290 Special restrictions. Whenever the state highway commission shall determine upon the basis of an engineering and traffic investigation that any speed limit hereinbefore set forth is greater or less than is reasonable or safe under the conditions found to exist at any intersection or other place or upon any part of the primary road system or upon any part of a primary road extension, said commission shall determine and declare a reasonable and safe speed limit thereat which shall be effective when appropriate signs giving notice thereof are erected at such intersection or other place or part of the highway.

Whenever the city engineer or city traffic engineer in any city of fifty thousand or more population shall determine upon the basis of an engineering and traffic investigation that any speed limit hereinbefore set forth is greater or less than is reasonable or safe under the conditions found to exist at any intersection or other place or upon any part of the city street system, except primary road extensions, such determination and the investigation report upon which it is based may be transmitted by resolution of the city council to the state highway commission. If upon examination of the investigation report the commission concurs in such determination it shall declare a reasonable and safe speed limit thereat which shall be effective when appropriate signs giving notice thereof are erected at such intersection or other place or part of the street. [C39,§5023.06; C46, 50, 54, 58, 62, §321.290; 60GA, ch 203,§1]

321.291 Information or notice. In every charge of violation of sections 321.285 to 321.287, inclusive, the information, also the notice to appear, shall specify the speed at which the defendant is alleged to have driven, also the speed limit applicable within the district or at the location. [C39,§5023.07; C46, 50, 54, 58, 62, §321.291]

321.292 Civil action unaffected. The foregoing provisions of sections 321.285 to 321.287, inclusive, shall not be construed to relieve the plaintiff in any civil action from the burden of proving negligence upon the part of the defendant as the proximate cause of an accident. [C39,§5023.08; C46, 50, 54, 58, 62,§321.292]

321.293 Local authorities may alter limits. Local authorities in their respective jurisdiction may in their discretion subject to the approval of the state highway commission authorize by ordinance higher speeds than those stated in section 321.285 upon through highways or upon highways or portions thereof where stop or yield signs have been erected

at the entrances thereto provided signs are erected giving notice of the authorized speed, but local authorities shall not have authority to authorize by ordinance a speed in excess of fifty-five miles per hour. If local authorities fail to authorize by ordinance higher speeds than those stated in section 321.285 upon through highways or upon highways or portions thereof where stop signs have been erected at the entrances thereto, the state highway commission may recommend, upon the basis of an engineering and traffic investigation, to the local authorities that the speed limit be increased. If local authorities fail to increase the speed limit upon said recommendation of the state highway commission, said commission shall declare a reasonable and safe speed limit which shall be effective when appropriate signs are erected giving notice thereof. [C39,§5023.09; C46, 50, 54, 58, 62,§321.293]

321.294 Minimum speed regulation. No person shall drive a motor vehicle at such a slow speed as to impede or block the normal and reasonable movement of traffic except when reduced speed is necessary for safe operation or in compliance with law. Peace officers are hereby authorized to enforce this provision by directions to drivers, and in the event of apparent willful disobedience to this provision and refusal to comply with direction of an officer in accordance herewith the continued slow operation by a driver shall be a misdemeanor, and be punished as provided in section 321.482. [C31, 35,§5021-c1; C39,§5023.10; C46, 50, 54, 58, 62,§321.294]

See also §321.382

321.295 Limitation on bridge or elevated structures. No person shall drive a vehicle on any public bridge or elevated structure at a speed which is greater than the maximum speed permitted under this chapter on the street or highway at a point where said street or highway joins said bridge or elevated structure, provided that if the maximum speed permitted on said street or highway differs from the maximum speed on any other street or highway joining said bridge or elevated structure, then the lowest of said speeds shall be the maximum speed limit on said bridge or elevated structure, subject to the following:

The state highway commission upon request from any local authority shall, or upon its own initiative may, conduct an investigation of any bridge or other elevated structure constituting a part of a highway, and if it shall thereupon find that such structure cannot with safety to itself withstand vehicles traveling at the speed otherwise permissible under this chapter, the commission shall determine and declare the maximum speed of vehicles which such structure can withstand, and shall cause or permit suitable signs stating such maximum speed to be erected and maintained at a distance of two hundred feet before each end of such structure.

No person shall drive a vehicle over any bridge or other elevated structure constituting

a part of a highway at a speed which is greater than the maximum speed which can be maintained with safety to such bridge or structure, when such structure is sign-posted as provided in this section.

Upon the trial of any person charged with driving a vehicle at a speed which is greater than the maximum speed which can be maintained with safety to such bridge or structure, proof of such determination of the maximum speed by said commission and the existence of said signs shall constitute conclusive evidence of the maximum speed which can be maintained with safety to such bridge or structure. [C39,§5023.11; C46, 50, 54, 58, 62,§321.295; 60GA, ch 204,§1]

321.296 Emergency vehicles — speed. The speed limitations set forth in this chapter shall not apply to authorized emergency vehicles when responding to emergency calls and the drivers thereof sound audible signal by bell, siren, or exhaust whistle. This provision shall not relieve the driver of an authorized emergency vehicle from the duty to drive with due regard for the safety of all persons using the streets, nor shall it protect the driver of any such vehicle from the consequence of his negligence. [C39,§5023.12; C46, 50, 54, 58, 62,§321.296]

DRIVING ON RIGHT SIDE OF ROADWAY—

321.298 Meeting and turning to right. Persons on horseback, or in vehicles, including motor vehicles, meeting each other on the public highway, shall give one-half of the traveled way thereof by turning to the right. [R60, §908; C73,§1000; C97,§1569; S13,§1569; C24, 27, 31, 35,§5020; C39,§5024.02; C46, 50, 54, 58, 62,§321.298]

The driver of a vehicle overtaking another vehicle proceeding in the same direction shall pass to the left thereof at a safe distance and shall not again drive to the right side of the roadway until safely clear of the overtaken vehicle.

Except when overtaking and passing on the right is permitted, the driver of an overtaken vehicle shall give way to the right in favor of the overtaking vehicle on audible signal and shall not increase the speed of his vehicle until completely passed by the overtaking vehicle. [S13,§§1569, 1571-m18; C24, 27, 31, 35, §5021, 5022; C39,§5024.03; C46, 50, 54, 58, 62, §321.299]

Passing on right, §321.302

321.300 Failure to recognize signal. Any driver of a vehicle that is overtaken by a

faster moving vehicle who fails to heed the signal of the overtaking vehicle when it is given under such circumstances that he could, by the exercise of ordinary care and observation and precaution, hear such signal and who fails to yield that part of the traveled way as herein provided, shall be guilty of a misdemeanor punishable as provided in section 321.482. [C24, 27, 31, 35,§5023; C39,§5024.04; C46, 50, 54, 58, 62,§321.300]

Referred to in §321.301

321.301 Burden of proof. Upon proof that a signal was given as contemplated by section 321.300, the burden shall rest upon the accused to prove that he did not hear said signal. [C24, 27, 31, 35,§5024; C39,§5024.05; C46, 50, 54, 58, 62, §321.301]

321.302 Overtaking on the right. The driver of a vehicle may overtake and pass upon the right of another vehicle which is making or about to make a left turn.

The driver of a vehicle may overtake and, allowing sufficient clearance, pass another vehicle proceeding in the same direction either upon the left or upon the right on a roadway with unobstructed pavement of sufficient width for four or more lines of moving traffic when such movement can be made in safety. No person shall drive off the pavement or upon the shoulder of the roadway in overtaking or passing on the right. [C39,§5024.06; C46, 50, 54, 58, 62,§321.302]

321.303 Limitations on overtaking on the left. No vehicle shall be driven to the left side of the center of the roadway in overtaking and passing another vehicle proceeding in the same direction unless such left side is clearly visible and is free of oncoming traffic for a sufficient distance ahead to permit such overtaking and passing to be completely made without interfering with the safe operation of any vehicle approaching from the opposite direction or any vehicle overtaken. In every event the overtaking vehicle must return to the right-hand side of the roadway before coming within one hundred feet of any vehicle approaching from the opposite direction. [C39, §5024.07; C46, 50, 54, 58, 62,§321.303]

321.304 Prohibited passing. No vehicle shall, in overtaking and passing another vehicle or at any other time, be driven to the left side of the roadway under the following conditions:

1. When approaching the crest of a grade or upon a curve in the highway where the driver's view along the highway is obstructed for a distance of approximately seven hundred feet.

2. When approaching within one hundred feet of any narrow bridge, viaduct, or tunnel, when so signposted, or when approaching within one hundred feet of or traversing any intersection or railroad grade crossing.

3. Where official signs are in place directing that traffic keep to the right or a distinctive center line or off-center line is marked, which

distinctive line also so directs traffic as declared in the sign manual adopted by the state highway commission. [C35,§5024-e1; C39, §5024.08; C46, 50, 54, 58, 62,§321.304]

321.306 Roadways laned for traffic. Whenever any roadway has been divided into three or more clearly marked lanes for traffic the following rules in addition to all others consistent herewith shall apply:

A vehicle shall be driven as nearly as practical entirely within a single lane and shall not be moved from such lane until the driver has first ascertained that such movement can be made with safety.

Upon a roadway which is divided into three lanes a vehicle shall not be driven in the center lane except when overtaking and passing another vehicle where the roadway is clearly visible and such center lane is clear of traffic within a safe distance, or in preparation for a left turn or where such center lane is at the time allocated exclusively to traffic moving in the direction the vehicle is proceeding and is signposted to give notice of such allocation.

Official signs may be erected directing slow-moving traffic to use a designated lane or allocating specified lanes to traffic moving in the same direction and drivers of vehicles shall obey the directions of every such sign.

Vehicles moving in a lane designated for slow-moving traffic shall yield the right of way to vehicles moving in the same direction in a lane not so designated when such lanes merge to form a single lane. [C39,§5024.10; C46, 50, 54, 58, 62,§321.306]

The driver of any motor truck, or of a motor vehicle drawing another vehicle, when traveling upon a roadway, outside of a business or residence district shall not follow within three hundred feet of another motor truck, or of a motor vehicle drawing another vehicle. The provisions of this section shall not be construed to prevent overtaking and passing nor shall the same apply upon any lane specially designated for use by motor trucks. [C31, 35,§5067-d9; C39, §5024.12; C46, 50, 54, 58, 62,§321.308]

See §321.309 for convoys or caravans

321.309 Towing — convoys — drawbars. No person shall pull or tow by motor vehicle, for

hire, another motor vehicle over any highway outside the limits of any incorporated city or town, except in case of temporary movement of a disabled motor vehicle to the place where repairs will be made, unless such person has complied with the provisions of sections 321.57 and 321.58. Provided, however, if such person is a nonresident of the state of Iowa and has complied with the laws of the state of his residence governing licensing and registration as a transporter of motor vehicles he shall not be required to pay the fee provided in section 321.58 but only to submit proof of his status as a bona fide manufacturer or transporter as may reasonably be required by the department.

Every person pulling or towing by motor vehicle another motor vehicle in convoy or caravan shall maintain a distance of at least five hundred feet between the units of said convoy or caravan.

Any four-wheeled trailer towed by a truck tractor or road tractor shall be registered under the semitrailer provisions of section 321.122, provided, however, that the provisions of this section shall not be applicable to motor vehicles drawing wagon box trailers used by a farmer in transporting produce, farm products or supplies hauled to and from market when registered under the provisions of section 321.123. Both the approach for a right turn and right turn shall be made as close as practical to the right-hand curb or edge of the roadway.

Approach for a left turn shall be made in that portion of the right half of the roadway nearest the center line thereof and after enter-

ing the intersection the left turn shall be made so as to depart from the intersection to the right of the center line of the roadway being entered.

Approach for a left turn from a two-way street into a one-way street shall be made in that portion of the right half of the roadway nearest the center line thereof and by passing to the right of such center line where it enters the intersection. A left turn from a one-way street into two-way street shall be made by passing to the right of the center line of the street being entered upon leaving the intersection.

Local authorities in their respective jurisdictions may cause markers, buttons, or signs to be placed within or adjacent to intersections and thereby require and direct that a different course from that specified in this section be traveled by vehicles turning at an intersection, and when markers, buttons, or signs are so placed no driver of a vehicle shall turn a vehicle at an intersection other than as directed and required by such markers, buttons, or signs. [S13,§1571-m18; C24, 27, 31, 35,§5033; C39,§5025.01; C46, 50, 54, 58, 62,§321.311]

321.314 When signal required. No person shall turn a vehicle from a direct course upon a highway unless and until such movement can be made with reasonable safety and then only after giving a clearly audible signal by sounding the horn if any pedestrian may be affected by such movement or after giving an appropriate signal in the manner hereinafter provided in the event any other vehicle may be affected by such movement. [S13,§1571-m18; C24, 27, 31, 35,§5032; C39,§5025.04; C46, 50, 54, 58, 62,§321.314]

321.315 Signal continuous. A signal of intention to turn right or left shall be given continuously during not less than the last one hundred feet traveled by the vehicle before turning when the speed limit is forty-five miles per hour or less and a continuous signal during not less than the last three hundred feet when the speed limit is in excess of forty-five miles per hour. [C39,§5025.05; C46, 50, 54, 58, 62,§321.315; 61GA, ch 281,§1]

vehicle immediately to the rear when there is opportunity to give such signal. [S13,§1571-m18; C24, 27, 31, 35,§5032; C39,§5025.06; C46, 50, 54, 58, 62,§321.316]

321.317 Signals by hand and arm or signal device.

1. The signals required under the provisions of this chapter may be given either by means of the hand and arm as provided in section 321.318, or by a mechanical or electrical directional signal device or light of a type approved by the department and conforming to the provisions of this chapter relating thereto.

2. Directional signal devices shall be designed with a white, yellow or amber lamp or lamps to be displayed on the front of vehicles and with a lamp or lamps of red, yellow or amber to be displayed on the rear of vehicles. Such devices shall be capable of clearly indicating any intention to turn either to the right or to the left and shall be visible and understandable during both daylight and darkness from a distance of at least one hundred feet from the front and rear of a vehicle equipped therewith.

3. After the thirty-first day of December, 1953, it shall be unlawful for any person to sell or offer for sale or operate on the highways of the state of Iowa any vehicle subject to registration under the provisions of this chapter which has never been registered in this or any other state prior to January 1, 1954, unless such vehicle is equipped with a directional signal device of a type approved by the department and is in compliance with the provisions of subsection 2 of this section. Motorcycles, motor scooters, bicycles with motor attached and semitrailers and trailers less than forty inches in width are exempt from the provisions of this section.

4. When a vehicle is equipped with a directional signal device, such device shall at all times be maintained in good working condition. No directional signal device shall project a glaring or dazzling light. All directional signal devices shall be self-illuminated when in use while other lamps on the vehicle are lighted.

5. Whenever any vehicle or combination of vehicles is disabled or for other reason may present a vehicular traffic hazard requiring unusual care in approaching, overtaking or passing during the hours of darkness, the operator of such vehicles may display on such vehicle or combination of vehicles four directional signals of a type complying with the provisions of this section relating to directional signal devices in simultaneous operation. The provisions of this subsection shall not be construed to exempt any vehicle or combination of vehicles from compliance with the provisions of sections 321.447 and 321.448. [S13, §1571-m18; C24, 27, 31, 35,§5032; C39,§5025.07; C46, 50, 54, 58, 62,§321.317]

Referred to in 327A.13

321.318 Method of giving hand and arm signals. All signals herein required which may

be given by hand and arm shall when so given be given from the left side of the vehicle and the following manner and interpretation thereof is suggested:

1. Left turn.—Hand and arm extended horizontally.

2. Right turn.—Hand and arm extended upward.

3. Stop or decrease of speed.—Hand and arm extended downward. [C39,§5025.08; C46, 50, 54, 58, 62,§321.318]

RIGHT OF WAY

321.319 Approaching or entering intersections. Where two vehicles are approaching on any public street or highway so that their paths will intersect and there is danger of collision, the vehicle approaching the other from the right shall have the right of way.

The foregoing rule is modified at through highways and otherwise as hereinafter stated in this chapter. [S13,§1571-m18; C24, 27, 31, 35, §5035; C39,§5026.01; C46, 50, 54, 58, 62,§321.319]

321.320 Turning left at intersection. The driver of a vehicle within an intersection intending to turn to the left shall yield the right of way to all vehicles approaching from the opposite direction which are within the intersection or so close thereto as to constitute an immediate hazard, then said driver, having so yielded and having given a signal when and as required by this chapter, may make such left turn. [S13,§1571-m18; C24, 27, 31, 35, §5035; C39,§5026.02; C46, 50, 54, 58, 62,§321.320; 61GA, ch 282,§1(1, 2, 3)]

321.321 Entering through highways. The driver of a vehicle shall stop or yield as required by this chapter at the entrance to a through highway and shall yield the right of way to other vehicles which have entered the intersection from said through highway or which are approaching so closely on said through highway as to constitute a hazard, but said driver having so yielded may proceed cautiously and with due care enter said through highway. [C27,§§5079-b2,-b3; C31, 35, §5079-b2,-b3,-d2,-d3; C39,§5026.03; C46, 50, 54, 58, 62,§321.321]

The driver of a vehicle shall likewise stop or yield in obedience to a stop or yield sign as required herein at an intersection where a stop or yield sign is erected at one or more entrances thereto although not a part of a through highway and shall proceed cautiously, yielding to vehicles not so obliged to stop or yield which are within the intersection or approaching so closely as to constitute a hazard, but may then proceed.

The driver of a vehicle approaching a yield sign shall in obedience to such sign slow down to a speed reasonable for the existing conditions or shall stop if necessary and shall yield the right of way to any pedestrian legally crossing the roadway on which he is driving,

and to any vehicle in the intersection or approaching on another highway so closely as to constitute a hazard. Said driver having so yielded may proceed with caution. [C27,§§5079-b2,-b3; C31, 35,§§5079-b2,-b3,-d2,-d3; C39,§5026.04; C46, 50, 54, 58, 62,§321.322]

321.323 Backing vehicle on highway. No person shall operate a vehicle on a highway in reverse gear unless and until such operation can be made with reasonable safety, and shall yield the right of way to any approaching vehicle on the highway or intersecting highway thereto which is so close thereto as to constitute an immediate hazard. [61GA, ch 283,§1]

321.324 Operation on approach of emergency vehicles. Upon the immediate approach of an authorized emergency vehicle with any lamp or device displaying a red light or flashing red light from directly in front thereof, or when the driver is giving audible signal by siren, exhaust whistle, or bell, the driver of every other vehicle shall yield the right of way and shall immediately drive to a position parallel to, and as close as possible to, the right-hand edge or curb of the highway clear of any intersection and shall stop and remain in such position until the authorized emergency vehicle has passed, except when otherwise directed by a police officer.

Upon the approach of an authorized emergency vehicle, as above stated, the motorman of every streetcar shall immediately stop such car clear of any intersection and keep it in such position until the authorized emergency vehicle has passed, except when otherwise directed by a police officer.

This section shall not operate to relieve the driver of an authorized emergency vehicle from the duty to drive with due regard for the safety of all persons using the highway. [C39,§5026.06; C46, 50, 54, 58, 62,§321.324]

Whenever any person driving a vehicle approaches a railroad grade crossing and warning is given by automatic signal or crossing gates or a flagman or otherwise of the immediate approach of a train, the driver of such vehicle shall stop within fifty feet but not less than ten feet from the nearest track of such railroad and shall not proceed until he can do so safely.

The driver of a vehicle shall stop and remain standing and not traverse such a grade crossing when a crossing gate is lowered or when a human flagman gives or continues to give a signal of the approach or passage of a train. [C39,§5029.01; C46, 50, 54, 58, 62,§321.341]

321.342 Stop at certain railroad crossings. The state highway commission with reference to primary highways and local authorities with reference to other highways under their jurisdiction are each hereby authorized to designate particularly dangerous highway grade crossings of railroads and to erect stop signs thereat. When such stop signs are erected the driver of any vehicle shall stop within fifty feet but not less than ten feet from the nearest track of such grade crossing and shall proceed only upon exercising due care. [C39,§5029.02; C46, 50, 54, 58, 62,§321.342]

No stop need be made at any such crossing where a police officer or a traffic-control signal directs traffic to proceed.

This section shall not apply at street railway grade crossings within a business or residence district. [C27, 31, 35,§5105-a33; C39,§5029.03; C46, 50, 54, 58, 62,§321.343]

Notice of any such intended crossing shall be given to a superintendent of such railroad and a reasonable time be given to such railroad to provide proper protection at such crossing.

Before making any such crossing the person operating or moving any such vehicle or equipment shall first stop the same not less than ten feet nor more than fifty feet from the nearest rail of such railway and while so stopped shall listen and look in both directions along such track for any approaching train and for signals indicating the approach of a train, and shall not proceed until the crossing can be made safely.

No such crossing shall be made when warning is given by automatic signal or crossing gates or a flagman or otherwise of the immediate approach of a railroad train or car. [C39, §5029.04; C46, 50, 54, 58, 62,§321.344]

Every said sign shall bear the word "Stop" or "Yield" in letters not less than six inches in height. Every stop or yield sign shall be located as near as practical at the property line of the highway at the entrance to which the stop or yield must be made, or at the nearest line of the crosswalk thereat, or, if none, at the nearest line of the roadway.

Every driver of a vehicle and every motorman of a streetcar shall stop or yield at such sign or at a clearly marked stop line before entering an intersection except when directed to proceed by a police officer or traffic-control signal. [C27,§§5079-b3,-b4; C31, 35,§§5079-b3,-b4,-d3,-d4; C39,§5029.05; C46, 50, 54, 58, 62,§321.345]

BRAKES

321.430 Brake requirements.

1. Every motor vehicle, other than a motorcycle, when operated upon a highway shall be equipped with brakes adequate to control the movement of and to stop and hold such vehicle, including two separate means of applying the brakes, each of which means shall be effective to apply the brakes to at least two wheels. If these two separate means of applying the brakes are connected in any way, they shall be so constructed that failure of any one part of the operating mechanism shall not leave the motor vehicle without brakes on at least two wheels.

2. Every motorcycle, and bicycle with motor attached, when operated upon a highway shall be equipped with at least one brake, which may be operated by hand or foot.

3. Every trailer or semitrailer of a gross weight of three thousand pounds or more, and every trailer coach intended for use for human habitation, shall be equipped with brakes adequate to control the movement of and to stop and hold such vehicle, and so designed as to be applied by the driver of the towing motor vehicle from its cab, or with self-actuating brakes, and said brakes shall, after January 1, 1939, be so designed and connected that in case of an accidental breakaway of the towed vehicle the brakes shall be automatically applied. Every semitrailer of a gross weight of three thousand pounds or more shall be equipped with a separate, auxiliary means of applying the brakes on the semitrailer from the cab of the towing vehicle.

4. Except as otherwise provided in this chapter, every new motor vehicle, trailer, or semitrailer hereafter sold in this state and operated upon the highways shall be equipped with service brakes upon all wheels of every such vehicle with the following exceptions:

a. Any motorcycle.

b. Any trailer or semitrailer of less than three thousand pounds gross weight need not be equipped with brakes.

c. Trucks and truck tractors having three or more axles need not have brakes on the front wheels, except that such vehicles equipped with two or more front axles shall be equipped with brakes on at least one of such axles; provided that the service brakes of such vehicle comply with the performance requirements of section 321.431.

d. Only such brakes on the vehicle or vehicles being towed in a driveaway-towaway operation need be operative as may be necessary to insure compliance by the combination of

vehicles with the performance requirements of section 321.431. The term "driveaway-towaway" operation as used in this subsection means any operation in which any motor vehicle or motor vehicles, new or used, constitute the commodity being transported, when one set or more of wheels of any such motor vehicle or motor vehicles are on the roadway during the course of transportation, whether or not any such motor vehicle furnishes the motive power. [S13, §1571-m17; C24, 27, 31, 35, §5039; C39, §5034.39; C46, 50, 54, 58, 62, §321.430]

Referred to in §321.464, subsection 1

321.431 Performance ability.

1. The service brakes upon any motor vehicle or combination of motor vehicles, when upon dry asphalt or concrete pavement surface free from loose material where the grade does not exceed one percent, when traveling twenty miles an hour shall be adequate:

a. To stop such vehicle or vehicles having a gross weight of less than five thousand pounds within a distance of thirty feet.

b. To stop such vehicle or vehicles having a gross weight in excess of five thousand pounds within a distance of forty-five feet.

2. Under the above conditions the hand brake shall be adequate to hold such vehicle or vehicles stationary on any grade upon which operated.

3. Under the above conditions the service brakes upon a motor vehicle equipped with two-wheel brakes only, and when permitted hereunder, shall be adequate to stop the vehicle within a distance of forty-five feet and the hand brake adequate to stop the vehicle within a distance of fifty-five feet.

4. All braking distances specified in this section shall apply to all vehicles mentioned, whether such vehicles are not loaded or are loaded to the maximum capacity permitted under this chapter.

5. All brakes shall be maintained in good working order and shall be so adjusted as to operate as equally as practicable with respect to the wheels on opposite sides of the vehicle. [S13, §1571-m17; C24, 27, 31, 35, §5039; C39, §5034.40; C46, 50, 54, 58, 62, §321.431]

hicle the drawbar or other connection shall be of sufficient strength to pull all weight towed thereby and shall be fastened to the frame of the towing vehicle in such manner as to prevent sideway, and in addition to such principal connection there shall be a safety chain which shall be so fastened as to be capable of holding the towed vehicle should the principal connection for any reason fail.

The connection between a truck tractor and a semitrailer with a gross weight of three thousand pounds or more shall be of a type approved by the commissioner, and the commissioner is hereby given authority to approve or disapprove such types of connection submitted to him. [C39, §5035.11; C46, 50, 54, 58, 62, §321.462]

Three percent on any axle, including tandem axles.

Eight percent of the gross weight on any particular group of axles.

Eight percent on the total gross weight of a vehicle or combination of vehicles.

The weight on any one axle of a vehicle which is transporting livestock may exceed the legal maximum weight given in this chapter providing that the gross weight on any particular group of axles on such vehicle does not exceed the gross weight allowable under this chapter for such group of axles.

Any person who operates any vehicle in violation of the provisions of this section, and any owner, or any other person, employing or otherwise directing the operator of any vehicle who requires or knowingly permits the operation of any vehicle in violation of the provisions of this section shall upon conviction or a plea of guilty be punished in accordance with the following schedule:

Overloads on axles and tandem axles and overloads on groups of axles or on an entire vehicle or combination of vehicles shall be considered as separate violations of the provisions of this section.

The penalties herein provided shall not be construed to be in lieu of any other penalties provided for violations of other provisions of this chapter.

Any person who issues or executes, or causes to be issued or executed, any bill of lading, manifest, or shipping document of any kind which states the false weight of the cargo set forth on such bill, manifest or document, to be less than the actual weight of such cargo, shall be punished by a fine of not more than one hundred dollars or by imprisonment for not more than thirty days. 321.464 Investigation as to safety. The commissioner upon registering any vehicle under the laws of this state which vehicle is designed and used primarily for the transportation of property or for the transportation of ten or more persons, may require such information and may make such investigation or test as necessary to enable him to determine whether such vehicle may safely be operated upon the highways in compliance with all the provisions of this chapter. He shall register every such vehicle for a permissible gross weight not exceeding the limitations set forth in this chapter. Every such vehicle shall meet the following requirements:

1. It shall be equipped with brakes as required in sections 321.430 and 321.431.

2. Every motor vehicle to be operated outside of business and residence districts shall have motive power adequate to propel at a reasonable speed such vehicle and any load thereon or to be drawn thereby. [C39, §5035.13; C46, 50, 54, 58, 62, §321.464]

321.465 Weighing vehicles and removal of excess. Any peace officer having reason to believe that the weight of a vehicle and load is unlawful is authorized to require the driver to stop and submit to a weighing of the same either by means of portable or stationary

scales and may require that such vehicle be driven to the nearest public scales.

Whenever an officer upon weighing a vehicle and load, as above provided, determines that the weight is unlawful, such officer may require the driver to stop the vehicle in a suitable place and remain standing until such portion of the load is removed as may be necessary to reduce the gross weight of such vehicle to such limit as permitted under this chapter. All material so unloaded shall be cared for by the owner or operator of such vehicle at the risk of such owner or operator.

Any driver of a vehicle who fails or refuses to stop and submit the vehicle and load to a weighing, or who fails or refuses when directed by an officer upon a weighing of the vehicle to stop the vehicle and otherwise comply with the provisions of this section, shall be guilty of a misdemeanor and punished as provided in section 321.482.

Upon weighing a vehicle and load, as above provided, if such load is a sealed load, the weight officer shall issue a certificate setting forth the weights as determined by him and the seal number or numbers, if requested by the operator. [C31, 35, §4921-d1; C39, §5035.14; C46, 50, 54, 58, 62, §321.465]

321.466 Increased loading capacity—reregistration. An increased gross weight registration may be obtained for any vehicle by payment of the difference between the annual fee for the higher gross weight and the amount of the fee for the gross weight at which it is registered.

With respect to a vehicle held by a dealer for sale or trade, an increased gross weight registration may be obtained for any such vehicle on or after April 10 of each year upon change of ownership by payment of one-twelfth of the difference between the annual fee for the higher gross weight and the amount of the fee for the gross weight at which it is registered, multiplied by the number of unexpired months of the year.

On or after July 1 of each year, the owner of a motor truck, truck tractor, road tractor, semitrailer or trailer may, if his operation thereof has not resulted in a conviction under this section or an action then pending against him for violation of the same, increase the gross load of any such vehicle to a higher gross weight classification by payment of one-twelfth of the difference between the annual fee for the higher gross weight and the amount of the fee for the gross weight at which it is registered, multiplied by the number of unexpired months of the year.

Upon conversion of a truck to a truck tractor or a truck tractor to a truck, an increased gross weight registration of the proper type may be obtained for any such vehicle by payment of one-twelfth of the difference between the annual fee for the higher gross weight and the amount of the annual fee for the gross weight at which it is registered, multiplied by

the number of unexpired months of the year from the date of such conversion.

The registered gross weight of any vehicle or combination of vehicles may also be increased by installing and using a properly registered auxiliary axle or axles, and the combined registered gross weight of such vehicle and auxiliary axle or axles shall determine the total registered gross weight thereof. No auxiliary axle may be used to convert a single axle to a tandem axle unless equipped with a device to equalize the load carried by the single axle and the said auxiliary axle when in tandem and when in motion or when standing, and the load transmitted to the highway by either the single axle or the auxiliary axle shall not exceed that permitted for any single axle, nor shall the load transmitted to the highway when in tandem and when in motion or when standing, exceed that permitted for any tandem axle.

It shall be unlawful for any person to operate a motor truck, trailer, truck tractor, road tractor, semitrailer or combination thereof, or any such vehicle equipped with a transferable auxiliary axle or axles, on the public highways with a gross weight exceeding that for which it is registered by more than five percent of the gross weight for which it is registered, provided, however, that any vehicle or vehicle combination referred to herein, while carrying a load of raw farm products, soil fertilizers, including ground limestone, raw dairy products or livestock, live poultry, eggs, may be operated with a gross weight of twenty-five percent in excess of the gross weight for which it is registered.

For the purposes of this section cracked or ground soy beans, sargo, corn, wheat, rye, oats or other grain shall be deemed to be raw farm products, provided that such products are being directly delivered to a farm, from the place where the whole grain had been delivered from a farm for the purpose of cracking or grinding and immediate delivery to the farm to which such cracked or ground products are being delivered.

The truck operator shall have in his possession a receipt showing place of processing on his return trip. [C24, 27, §4921; C31, 35, §§4921-c1, -c2; C39, §5035.15; C46, 50, 54, 58, 62, §321.466; 61GA, ch 270, §§8, 9]

321.467 Permits for excess size and weight. The state highway commission with respect to highways under its jurisdiction and local authorities with respect to highways under their jurisdiction may, in their discretion, upon application in writing and good cause being shown therefor, issue a special permit in writing authorizing the applicant to operate or move for a distance not exceeding twenty-five miles a vehicle or combination of vehicles of a size or weight of vehicle or load exceeding the maximum specified in this chapter or otherwise not in conformity with the provisions of this chapter upon any highway under the jurisdiction of the party granting such permit and

for the maintenance of which said party is responsible, provided, however, that the state highway commission or such local authorities may in their discretion issue a special permit for the movement of construction machinery, equipment or material, or agricultural machinery, equipment or material for a distance exceeding twenty-five miles on a vehicle or combination of vehicles, not including mobile homes or house trailers, of a size or weight of vehicle or load exceeding the maximum specified in this chapter, or otherwise not in conformity with the provisions of this chapter, upon any highway under the jurisdiction of the party granting such permit, except on any part of the completed interstate highway system, if the gross weight on any axle of any such vehicle, or combination of vehicles, does not exceed the maximum axle load as prescribed in section 321.463, and if such machinery, equipment or material is to be moved to or from construction projects, or agricultural projects in this state or is manufactured or assembled within this state. Provided further, that a mobile home manufacturer, or dealer, or a carrier authorized by the interstate commerce commission or the Iowa state commerce commission may, upon application to the state highway commission, be issued a special permit, under rules and regulations of the state highway commission, to transport a mobile home of excess size not exceeding ten feet nine inches in width on the highways within the state, except on any part of the interstate highway system. Movement of such vehicles shall be permitted only on a truck-tractor semitrailer combination, or by a one and one-half ton or larger truck or tractor having dual wheels, over specified routes, at speeds not to exceed thirty-five miles per hour or the established speed limit, whichever is lower, only during daylight hours, and only by properly registered vehicles and licensed drivers, provided there shall be no movement of such vehicles on Saturdays, Sundays or holidays enumerated in section 541.85*. Provided further that, in an emergency, or very special or unusual cases, or as a means of co-operating with national defense officials, the state highway commission may grant permits for moving oversize or overweight vehicles or objects over the highways for a distance exceeding twenty-five miles, if in the judgment of the commission, such special, unusual, emergency or defense movement is essential. Provided further that the state highway commission may issue annual permits for vehicles used exclusively for the transportation of motor vehicles, granting a tolerance of two feet in length on the load carried by such vehicles, the said two-foot load tolerance being in addition to the overall vehicle length of forty-five feet, it being a condition of such permits that the combined length of the transporting vehicles shall not exceed forty-five feet and that the combined length of the transporting vehicles and load with the two-foot load toler-

ance shall not exceed forty-seven feet, and that only four automobiles may be transported in any single unit which transported only four automobiles per unit prior to January 3, 1955. The state highway commission may issue annual permits to a retail farm implement dealer to transport, on his own regular delivery vehicle, farm machines from his nearest branch house or distribution point to the retailer's place of business and from the retail dealer to the customer's farm within the county of the retailer's place of business or counties adjoining the retail dealer's place of business and shall determine and fix a tolerance of width and length on the load carried. In no event, however, is the gross weight on any axle to exceed the maximum axle load as prescribed in section 321.463 hereof; provided, however, that the highway commission and local authorities with respect to highways, roads and streets under their jurisdiction may issue annual permits to any manufacturer of construction machinery or equipment manufactured or assembled in Iowa, authorizing the movement of said machinery or any such equipment to a storage area, shipping point, proving ground, experimental area, weighing station, or between manufacturing plants or any area thereof, provided, further that such machinery and equipment shall be mounted for the movement on pneumatic tires and said movement shall be for a distance not to exceed a radius of fifteen miles from the place of assembly or manufacture and shall be at a speed not greater than twenty miles per hour over the route approved by the highway commission and local authorities with respect to highways, roads and streets under their jurisdiction and that during such movement red warning flags shall be displayed and the permit authorizing such movement affixed thereto; and provided further, that such construction equipment or machinery shall not be transported between the hours of sunset and sunrise or on Saturday, Sunday or holidays; and provided further that no such permit shall be granted for use on any part of the interstate highway system.

The state highway commission as to primary roads, and the county board of supervisors as to secondary roads may, in their discretion, grant permits for the operation of electric trolley buses, or trackless trolley buses, on such roads in any township adjacent to any city of over one hundred fifty thousand population, and which township has an unincorporated population of over seven thousand five hundred, all according to the latest available federal census.

Such permit shall require that the person or company operating such buses shall, for the use of such highways, quarterly report and pay to the state highway commission for the benefit of the primary road fund, and to the county board of supervisors for the benefit of the secondary road fund of said county, an amount equal to two and three-fourths per-

cent of the total gross revenue derived from the operation of such trackless trolley buses on such roads in such township, divided according to the mileage of roads so used. [C31, 35, §§5067-d7, d8; C39, §5035.16; C46, 50, 54, 58, 62, §321.467]

of any other law regulating the operation of vehicles on highways.

Within ten days after the conviction or forfeiture of bail of a person upon a charge of violating any provision of this chapter or other law regulating the operation of vehicles on highways every said magistrate of the court or clerk of the court of record in which such conviction was had or bail was forfeited shall prepare and immediately forward to the department an abstract of the record of said court covering the case in which said person was so convicted or forfeited bail, which abstract must be certified by the person so required to prepare the same to be true and correct.

Said abstract must be made upon a form furnished by the department and shall include the name and address of the party charged, the registration number of the vehicle involved, the nature of the offense, the date of hearing, the plea, the judgment, or whether bail forfeited and the amount of the fine or forfeiture as the case may be.

operator or owner; provided notice of such suspension shall be sent by the commissioner to such operator and owner not less than ten days prior to the effective date of such suspension and shall state the amount required as security.

2. This section shall not apply under the conditions stated in section 321A.6 or to any of the following:

3. No such policy or bond shall be effective under this section unless issued by an insurance company or surety company authorized to do business in this state, except that if such motor vehicle was not registered in this state, or was a motor vehicle which was registered elsewhere than in this state at the effective date of the policy or bond, or the most recent renewal thereof, such policy or bond shall not be effective under this section unless the insurance company or surety company if not authorized to do business in this state shall execute a power of attorney authorizing the commissioner to accept service on its behalf of notice or process in any action upon such policy or bond arising out of such accident; provided, however, every such policy or bond is subject, if the accident has resulted in bodily injury or death, to a limit, exclusive of interest and costs, of not less than ten thousand dollars because of bodily injury to or death of one person in any one accident and, subject to said limit for one person, to a limit of not less than twenty thousand dollars because of bodily injury to or death of two or more persons in any one accident, and, if the accident has resulted in injury to or destruction of property, to a limit of not less than five thousand dollars because of injury to or destruction of property of others in any one accident.

information concerning insurance or bond coverage, and it shall be presumed that such policy or bond was in effect and provided coverage to both the operator and the owner of the motor vehicle involved in such accident unless the insurance carrier or surety carrier shall notify the commissioner otherwise within fifteen days from the mailing of such information to such carrier; provided, however, that in the event the commissioner shall later ascertain that erroneous information had been given him in respect to the insurance or bond coverage of the operator or owner of a motor vehicle involved in such accident, he shall take such action as he is otherwise authorized to do under this chapter within sixty days after the receipt by him of correct information with respect to such coverage. 3. To the owner of a motor vehicle if at the time of the accident the vehicle was being operated without his permission, express or implied, or was parked by a person who had been operating such motor vehicle without such permission.

4. If, prior to the date that the commissioner would otherwise suspend license and registration or nonresident's operating privilege under section 321A.5, there shall be filed with the commissioner evidence satisfactory to him that the person who would otherwise have to file security has been released from liability or been finally adjudicated not to be liable or has executed a warrant for confession of judgment, payable when and in such installments as the parties have agreed to, or has executed a duly acknowledged written agreement providing for the payment of an agreed amount in installments, with respect to all claims for injuries or damages resulting from the accident; provided, however, in the event there shall be any default in the payment of any installment under any confession of judgment, then, upon notice of such default, the commissioner shall

forthwith suspend the license and registration or nonresident's operating privilege of such person defaulting which shall not be restored unless and until the entire amount provided for in said confession of judgment has been paid; and provided, further, that in the event there shall be any default in the payment of any installment under any duly acknowledged written agreement, then, upon notice of such default, the commissioner shall forthwith suspend the license and registration or nonresident's operating privilege of such person defaulting which shall not be restored unless and until:

2. One year shall have elapsed following the date of such accident and evidence satisfactory to the commissioner has been filed with him that during such period no action for damages arising out of such accident has been instituted; or

3. Evidence satisfactory to the commissioner has been filed with him of a release from liability, or a final adjudication of nonliability, or a warrant for confession of judgment, or a duly acknowledged written agreement, in accordance with subsection 4 of section 321A.6; provided, however, in the event there shall be any default in the payment of any installment under any confession of judgment, then, upon notice of such default, the commissioner shall forthwith suspend the license and registration or nonresident's operating privilege of such person defaulting which shall not be restored unless and until the entire amount provided for in said confession of judgment has been paid; and provided, further, that in the event there shall be any default in the payment of any installment under any duly acknowledged written agreement, then, upon notice of such default, the commissioner shall forthwith suspend the license and registration or nonresident's operating privilege of such person defaulting which shall not be restored unless and until (a) such person deposits and thereafter maintains security as required under section 321A.5 in such amount as the commissioner may then determine, or (b) one year

1. The nonresident owner of a motor vehicle not registered in this state may give proof of financial responsibility by filing with the commissioner a written certificate or certificates of an insurance carrier authorized to transact business in the state in which the motor vehicle, or motor vehicles, described in such certificate is registered, or if such nonresident does not own a motor vehicle, then in the state in which the insured resides, provided such certificate otherwise conforms with the provisions of this chapter, and the commissioner shall accept the same upon condition that said insurance carrier complies with the following provisions with respect to the policies so certified:

b. Said insurance carrier shall agree in writing that such policies shall be deemed to conform with the laws of this state relating to the terms of motor vehicle liability policies issued herein.

321A.21 "Motor vehicle liability policy" defined.

1. A "motor vehicle liability policy" as said term is used in this chapter shall mean an owner's or an operator's policy of liability insurance, certified as provided in section 321A.19 or section 321A.20 as proof of financial responsibility, and issued, except as otherwise provided in section 321A.20, by an insurance carrier duly authorized to transact business in this state, to or for the benefit of the person named therein as insured.

2. Such owner's policy of liability insurance:

a. Shall designate by explicit description or by appropriate reference all motor vehicles with respect to which coverage is thereby to be granted; and

b. Shall insure the person named therein and any other person, as insured, using any such motor vehicle or motor vehicles with the express or implied permission of such named insured, against loss from the liability imposed by law for damages arising out of the ownership, maintenance, or use of such motor vehicle or motor vehicles within the United States of America or the Dominion of Canada, subject to limits exclusive of interest and costs, with respect to each such motor vehicle,

as follows: Ten thousand dollars because of bodily injury to or death of one person in any one accident and, subject to said limit for one person, twenty thousand dollars because of bodily injury to or death of two or more persons in any one accident, and five thousand dollars because of injury to or destruction of property of others in any one accident.

3. Such operator's policy of liability insurance shall insure the person named as insured therein against loss from the liability imposed upon him by law for damages arising out of the use by him of any motor vehicle not owned by him, within the same territorial limits and subject to the same limits of liability as are set forth above with respect to an owner's policy of liability insurance.

4. Such motor vehicle liability policy shall state the name and address of the named insured, the coverage afforded by the policy, the premium charged therefor, the policy period, and the limits of liability, and shall contain an agreement or be indorsed that insurance is provided thereunder in accordance with the coverage defined in this chapter as respects bodily injury and death or property damage, or both, and is subject to all the provisions of this chapter.

5. Such motor vehicle liability policy need not insure any liability under any workmen's compensation law nor any liability on account of bodily injury to or death of an employee of the insured while engaged in the employment, other than domestic, of the insured, or while engaged in the operation, maintenance, or repair of any such motor vehicle nor any liability for damage to property owned by, rented to, in charge of, or transported by the insured.

6. Every motor vehicle liability policy shall be subject to the following provisions which need not be contained therein:

a. The liability of the insurance carrier with respect to the insurance required by this chapter shall become absolute whenever injury or damage covered by said motor vehicle liability policy occurs; said policy may not be canceled or annulled as to such liability by any agreement between the insurance carrier and the insured after the occurrence of the injury or damage; no statement made by the insured or on his behalf and no violation of said policy shall defeat or void said policy.

b. The satisfaction by the insured of a judgment for such injury or damage shall not be a condition precedent to the right or duty of the insurance carrier to make payment on account of such injury or damage.

c. The insurance carrier shall have the right to settle any claim covered by the policy, and if such settlement is made in good faith, the amount thereof shall be deductible from the limits of liability specified in paragraph b of subsection 2 of this section.

d. The policy, the written application therefor, if any, and any rider or indorsement which does not conflict with the provisions of the

chapter shall constitute the entire contract between the parties.

7. Any policy which grants the coverage required for a motor vehicle liability policy may also grant any lawful coverage in excess of or in addition to the coverage specified for a motor vehicle liability policy and such excess or additional coverage shall not be subject to the provisions of this chapter. With respect to a policy which grants such excess or additional coverage the term "motor vehicle liability policy" shall apply only to that part of the coverage which is required by this section.

8. Any motor vehicle liability policy may provide that the insured shall reimburse the insurance carrier for any payment the insurance carrier would not have been obligated to make under the terms of the policy except for the provisions of this chapter.

9. Any motor vehicle liability policy may provide for the prorating of the insurance thereunder with other valid and collectible insurance.

10. The requirements for a motor vehicle liability policy may be fulfilled by the policies of one or more insurance carriers which policies together meet such requirements.

11. Any binder issued pending the issuance of a motor vehicle liability policy shall be deemed to fulfill the requirements for such a policy. [C50, 54, 58, 62, §321A.21]

2. This chapter shall not be held to apply to or affect policies insuring solely the insured named in the policy against liability resulting from the maintenance or use by persons in the insureds employ or on his behalf of motor vehicles not owned by the insured. [C50, 54, 58, 62, §321A.23]

duly authorized to transact business within this state, or a bond with at least two individual sureties each owning real estate within this state, and together having equities equal in value to at least twice the amount of the bond, which real estate shall be scheduled in the bond approved by a judge or clerk of a court of record, which said bond shall be conditioned for payment of the amounts specified in subsection 10 of section 321A.1. Such bond shall be filed with the commissioner and shall not be cancelable except after ten days written notice to the commissioner. Such bond shall constitute a lien in favor of the state upon the real estate so scheduled of any surety, which lien shall exist in favor of any holder of a final judgment against the person who has filed such bond, for damages, including damages for care and loss of services, because of bodily injury to or death of any person, or for damage because of injury to or destruction of property, including the loss of use thereof, resulting from the ownership, maintenance, use, or operation of a motor vehicle after such bond was filed, upon the filing of notice to that effect by the commissioner in the office of the proper clerk of court of the county where such real estate shall be located. Any individual surety so scheduling real estate security shall furnish satisfactory evidence of title thereto and the nature and extent of all encumbrances thereon and the value of the surety's interest therein, in such manner as the judge or clerk of the court of record approving the bond may require. The notice filed by the commissioner shall, in addition to any other matters by him deemed to be pertinent, contain a legal description of the real estate so scheduled, the name of the holder of the record title, the amount for which it stands as security, and the name of the person in whose behalf proof is so being made. Upon the filing of such notice the clerk of the court of such county shall retain the same as part of the records of such court and enter upon the encumbrance book the date and hour of filing, the name of the surety, the name of the record titleholder, the description of the real estate, and the further notation that a lien is charged on such real estate pursuant to the notice filed hereunder. From and after the entry of the foregoing upon the encumbrance book all persons whomsoever shall be charged with notice thereof.

2. If such a judgment, rendered against the principal on such bond shall not be satisfied within sixty days after it has become final, the judgment creditor may, for his own use and benefit and at his sole expense, bring an action or actions in the name of the state against the company or persons executing such bond, including an action or proceeding to foreclose any lien that may exist upon the real estate of a person who has executed such bond. An action to foreclose any lien upon real estate scheduled by any surety under the provisions of this chapter shall be by equitable proceeding in the same manner as is provided

for the foreclosure of real estate mortgages. [C50, 54, 58, 62, §321A.24]

The state treasurer shall not accept any such deposit and issue a certificate therefor and the commissioner shall not accept such certificate unless accompanied by evidence that there are no unsatisfied judgments of any character against the depositor in the county where the depositor resides.

2. Such deposit shall be held by the state treasurer to satisfy, in accordance with the provisions of this chapter, any execution on a judgment issued against such person making the deposit, for damages, including damages for care and loss of services, because of bodily injury to or death of any person, or for damages because of injury to or destruction of property, including the loss of use thereof, resulting from the ownership, maintenance, use, or operation of a motor vehicle after such deposit was made. Money or securities so deposited shall not be subject to attachment or execution unless such attachment or execution shall arise out of a suit for damages as aforesaid. [C50, 54, 58, 62, §321A.25]

Referred to in §§321A.13, 321A.14, 321A.18

321A.26 Owner may give proof for others.

Whenever any person required to give proof of financial responsibility hereunder is or later becomes an operator in the employ of any owner, or is or later becomes a member of the immediate family or household of the owner, the commissioner shall accept proof given by such owner in lieu of proof by such other person to permit such other person to operate a motor vehicle for which the owner has given proof as herein provided or has qualified as a self-insurer under section 321A.34. The commissioner shall designate the restrictions imposed by this section on the face of such person's license. [C50, 54, 58, 62, §321A.26]

Referred to in §§321A.13, 321A.14

321A.28 Other proof may be required. Whenever any proof of financial responsibility filed under the provisions of this chapter no longer fulfills the purposes for which required, the commissioner shall for the purpose of this

chapter, require other proof as required by this chapter and shall suspend the license and registration or the nonresident's operating privilege pending the filing of such other proof. [C50, 54, 58, 62, §321A.28]

1. The commissioner shall upon request consent to the immediate cancellation of any bond or certificate of insurance, or the commissioner shall direct and the state treasurer shall return to the person entitled thereto any money or securities deposited pursuant to this chapter as proof of financial responsibility, or the commissioner shall waive the requirement of filing proof, in any of the following events:

a. At any time after three years from the date such proof was required when, during the three-year period preceding the request, the commissioner has not received record of a conviction or a forfeiture of bail which would require or permit the suspension or revocation of the license, registration, or nonresident's operating privilege of the person by or for whom such proof was furnished; or

b. In the event of the death of the person on whose behalf such proof was filed or the permanent incapacity of such person to operate a motor vehicle; or

c. In the event the person who has given proof surrenders his license and registration to the commissioner;

2. Provided, however, that the commissioner shall not consent to the cancellation of any bond or the return of any money or securities in the event any action for damages upon a liability covered by such proof is then pending or any judgment upon any such liability is then unsatisfied, or in the event the person who has filed such bond or deposited such money or securities has within one year immediately preceding such request been involved as an operator or owner in any motor vehicle accident resulting in injury or damage to the person or property of others. An affidavit of the applicant as to the nonexistence of such facts, or that he has been released from all of his liability, or has been finally adjudicated not to be liable, for such injury or damage, shall be sufficient evidence thereof in the absence of evidence to the contrary in the records of the commissioner.

3. Whenever any person whose proof has been canceled or returned under paragraph c of subsection 1 of this section applies for a license or registration within a period of three years from the date proof was originally required, any such application shall be refused unless the applicant shall re-establish such proof for the remainder of such three-year period. 1. Any person whose license or registration or nonresident's operating privilege has been suspended, denied or revoked under this chapter or continues to remain suspended or revoked under this chapter, and who, during such suspension, denial or revocation, or during such continuing suspension or continuing revocation, drives any motor vehicle upon any highway or knowingly permits any motor vehicle owned by such person to be operated by another upon any highway, except as permitted under this chapter, shall be fined not more than five hundred dollars or imprisoned not exceeding six months, or both.

321A.33 Exceptions. This chapter shall not apply with respect to any motor vehicle owned by the United States, this state, or any political subdivision of this state, or any municipality therein, nor to any operator, except for section 321A.4, while on official duty operating such motor vehicle; nor, except for section 321A.4 and section 321A.26, with respect to any motor vehicle which is subject to the requirements of section 325.26, and section 327.15. [C50, 58, 62,§321A.33]

321A.34 Self-insurers.

1. Any person in whose name more than twenty-five motor vehicles are registered may qualify as a self-insurer by obtaining a certificate of self-insurance issued by the commissioner as provided in subsection 2 of this section.

2. The commissioner may, in his discretion, upon the application of such a person, issue a certificate of self-insurance when he is satisfied that such person is possessed and will continue to be possessed of ability to pay judgments obtained against such person for damages arising out of the ownership, maintenance, or use of any vehicle owned by such person.

3. Upon not less than five days notice and a hearing pursuant to such notice, the commissioner may upon reasonable grounds cancel a certificate of self-insurance. Failure to pay any judgment for damages arising out of the ownership, maintenance, or use of any vehicle owned by such self-insurer within thirty days after such judgment shall have become final shall constitute a reasonable ground for the cancellation of a certificate of self-insurance. Referred to in §§321A.5, subsection 2(d), 321A.26

[C50, 54, 58, 62,§321A.35]

321A.36 Chapter not to prevent other process. Nothing in this chapter shall be con-

321A.37 Uniformity of interpretation. This chapter shall be so interpreted and construed as to effectuate its general purpose to make uniform the laws of those states which enact it. [C50, 54, 58, 62, §321A.37]

321A.38 Title of chapter. This chapter may be cited as the "motor vehicle financial and safety responsibility act". [C50, 54, 58, 62, §321A.38]

- 321B.13 Information relayed to other states.
- 321B.14 Citation of Act.

321B.1 Declaration of policy. The general assembly hereby determines and declares that the provisions of this chapter are necessary in order to control alcoholic beverages and aid the enforcement of laws prohibiting operation of a motor vehicle while in an intoxicated condition. [60GA, ch 114, §37]

321B.2 Definitions. As used in this chapter the words "peace officer" mean:

1. Members of the highway patrol.
2. Police officers under civil service as provided in chapter 365.
3. Sheriffs.
4. Regular deputy sheriffs who have had formal police training. [60GA, ch 114, §38]

321B.3 Implied consent to test. Any person who operates a motor vehicle in this state upon a public highway, under such circumstances as to give reasonable grounds to believe the person to have been operating a motor vehicle while in an intoxicated condition, shall be deemed to have given consent to the withdrawal from his body of specimens of his blood, breath, saliva, or urine, and to a chemi-

cal test or tests thereof, for the purpose of determining the alcoholic content of his blood, subject to the provisions hereinafter set out. The withdrawal of such body substances, and the test or tests thereof, shall be administered at the written request of a peace officer having reasonable grounds to believe the person to have been operating a motor vehicle upon a public highway of this state while in an intoxicated condition, and only after the peace officer has placed such person under arrest for the offense of operating a motor vehicle while in an intoxicated condition. If such person requests that a specimen of his blood not be withdrawn, then a specimen of his breath, saliva, or urine shall be withdrawn at the written request of such peace officer; provided, however, that if such person refuses to submit to any chemical testing, no test shall be given, and the provisions of section 321B.7 shall apply. However, if such peace officer fails to provide such test within two hours after such arrest, no test shall be required, and there shall be no revocation under the provisions of section 321B.7. [60GA, ch 114, §39]

Referred to in §321B.5

321B.4 Taking sample for test. Only a licensed physician, or a medical technologist or registered nurse designated by a licensed physician as his representative, acting at the written request of a peace officer may withdraw such body substances for the purpose of determining the alcoholic content of the person's blood. Only new, originally factory wrapped, disposable syringes and needles, kept under strictly sanitary and sterile conditions shall be used for drawing blood. Such person may have an independent chemical test or tests administered in addition to any administered at the direction of a peace officer. The failure or inability of the person to obtain an independent chemical test or tests shall not preclude the admission in evidence of the results of the test or tests taken at the direction of the peace officer. Upon the request of the person who is tested, the results of the test or tests taken at the direction of the peace officer shall be made available to him. [60GA, ch 114,§40]

321B.5 Dead or unconscious persons. Any person who is dead, unconscious or who is otherwise in a condition rendering him incapable of consent or refusal shall be deemed not to have withdrawn the consent provided by section 321B.3, and the test may be given; provided that a licensed physician shall certify in advance of such test that such person is dead, unconscious or otherwise in a condition rendering him incapable of consent or refusal. In such case such condition shall obviate the requirements of arrest and advice pursuant to section 321B.6. [60GA, ch 114,§41]

Referred to in §321B.6

321B.6 Statement of officer. A peace officer shall advise any person who is requested to take any chemical test that a refusal to submit to such test will result in revocation of the person's license or privilege to operate a motor vehicle; provided, however, that this requirement shall not apply in the case of any person referred to in section 321B.5. [60GA, ch 114, §42]

Referred to in §321B.5

321B.7 Refusal to submit. If a person under arrest refuses to submit to the chemical testing, no test shall be given, but the commissioner of public safety, upon the receipt of a sworn report of the peace officer that he had reasonable grounds to believe the arrested person to have been operating a motor vehicle upon a public highway of this state while in an intoxicated condition, that he had placed such person under arrest for the offense of operating a motor vehicle while in an intoxicated condition and that the person had refused to submit to the chemical testing, shall revoke his license or permit to drive and any nonresident operating privilege for a period of not less than one hundred twenty days nor more than one year; or if the person is a resident without a license or permit to operate a motor vehicle in this state, the commissioner shall deny to the person the issuance of a license or permit within one year from the date of the alleged violation,

subject to review as hereinafter provided. The effective date of any such revocation shall be twenty days after the commissioner has mailed notice of such revocation to such person by registered or certified mail. [60GA, ch 114, §43, ch 115,§9]

Referred to in §321B.3

321B.8 Hearing. Upon the written request of a person whose privilege to drive has been revoked or denied, the commissioner of public safety shall grant the person an opportunity to be heard within ten days after the receipt of the request, but the request must be made within thirty days after the effective date of revocation or denial. The hearing shall be before the commissioner or his authorized agent, in the county wherein the alleged events occurred for which the person was arrested, unless the commissioner or his authorized agent and the person agree that the hearing may be held in some other county. The hearing shall be recorded and its scope shall cover the issues of whether a peace officer had reasonable grounds to believe the person to have been operating a motor vehicle upon a public highway of this state while in an intoxicated condition, whether the person was placed under arrest and whether he refused to submit to the test or tests. The commissioner or his authorized agent shall order that the revocation or denial be either rescinded or sustained. [60GA, ch 114,§44, ch 115,§9]

321B.9 Appeal. If the revocation or denial is sustained the person whose license, permit to drive, or nonresident operating privilege has been revoked or denied, may file a petition within thirty days after the determination by the commissioner of public safety or his authorized agent for a hearing of the matter in the district court in the county wherein the alleged events occurred for which he was arrested or in the county in which the administrative hearing was held. It shall be the duty of the court to set the matter for hearing, and the petitioner shall give twenty days notice thereof to the commissioner. Within fifteen days after receipt of the notice, the commissioner shall file in the office of the clerk of the district court to which the appeal is taken a certified transcript of the testimony and all other proceedings. It shall constitute the record on which the commissioner made his determination. The court thereafter shall hear the matter de novo and shall affirm or vacate the decision of the commissioner or his authorized agent. The person or the commissioner may appeal to the supreme court in accordance with the Iowa Rules of Civil Procedure. [60GA, ch 114,§45, ch 115,§9]

321B.10 Evidence in any action. Upon the trial of any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person while operating a motor vehicle upon a public highway of this state while in an intoxicated condition, evidence of the amount of alcohol in the person's blood at the time of the act alleged as shown

by a chemical analysis of his blood, breath, saliva or urine is admissible. [60GA, ch 114, §46]

321B.11 Proof of refusal admissible. If the person under arrest refuses to submit to the test or tests, proof of refusal shall be admissible in any civil or criminal action or proceeding arising out of acts alleged to have been committed while the person was operating a motor vehicle upon a public highway of this state while in an intoxicated condition. [60 GA, ch 114,§47]

321B.12 Other evidence. The provisions of this chapter shall not be construed as limiting the introduction of any other competent evidence bearing on the question of whether the

person was in an intoxicated condition. [60 GA, ch 114,§48]

321B.13 Information relayed to other states. When it has been finally determined under the procedures of this chapter that a nonresident's privilege to operate a motor vehicle in this state has been revoked or denied, the department of public safety shall give information in writing of the action taken to the official in charge of traffic control or public safety of the state of the person's residence and of any state in which he has a license. [60GA, ch 114,§49]

321B.14 Citation of Act. This chapter may be cited as the "Uniform Chemical Test for Intoxication Act". [60GA, ch 114,§50]

CHAPTER 321C
 INTERSTATE DRIVERS LICENSE COMPACTS

321C.1 Authority to compact.

321C.2 Enforcement.

321C.1 Authority to compact. The commissioner of public safety is hereby authorized to enter into drivers license compacts with other jurisdictions legally joining therein in substantially the following form.

The contracting states agree:

ARTICLE I—FINDINGS AND DECLARATION OF POLICY

a. The party states find that:

1. The safety of their streets and highways is materially affected by the degree of compliance with state laws and local ordinances relating to the operation of motor vehicles.

2. Violation of such a law or ordinance is evidence that the violator engages in conduct which is likely to endanger the safety of persons and property.

3. The continuance in force of a license to drive is predicated upon compliance with laws and ordinances relating to the operation of motor vehicles, in whichever jurisdiction the vehicle is operated.

b. It is the policy of each of the party states to:

1. Promote compliance with the laws, ordinances, and administrative rules and regulations relating to the operation of motor vehicles by their operators in each of the jurisdictions where such operators drive motor vehicles.

2. Make the reciprocal recognition of licenses to drive and eligibility therefor more just and equitable by considering the overall compliance with motor vehicle laws, ordinances and administrative rules and regulations as a condition precedent to the continuance or issuance of any license by reason of which the licensee is authorized or permitted to operate a motor vehicle in any of the party states.

ARTICLE II—DEFINITIONS

As used in this compact:

a. "State" means a state, territory or posses-

sion of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.

b. "Home state" means the state which has issued and has the power to suspend or revoke the use of the license or permit to operate a motor vehicle.

c. "Conviction" means a conviction of any offense related to the use or operation of a motor vehicle which is prohibited by state law, municipal ordinance or administrative rule or regulation, or a forfeiture of bail, bond or other security deposited to secure appearance by a person charged with having committed any such offense, and which conviction or forfeiture is required to be reported to the licensing authority.

ARTICLE III—REPORTS OF CONVICTION

The licensing authority of a party state shall report each conviction of a person from another party state occurring within its jurisdiction to the licensing authority of the home state of the licensee. Such report shall clearly identify the person convicted; describe the violation specifying the section of the statute, code or ordinance violated; identify the court in which action was taken; indicate whether a plea of guilty or not guilty was entered, or the conviction was a result of the forfeiture of bail, bond or other security; and shall include any special findings made in connection therewith.

Referred to in Art. IV

ARTICLE IV—EFFECT OF CONVICTION

a. The licensing authority in the home state, for the purposes of suspension, revocation or limitation of the license to operate a motor vehicle, shall give the same effect to the conduct reported, pursuant to Article III of this compact, as it would if such conduct had occurred in the home state, in the case of convictions for:

1. Manslaughter or negligent homicide resulting from the operation of a motor vehicle;

2. Driving a motor vehicle while under the influence of intoxicating liquor or a narcotic drug, or under the influence of any other drug to a degree which renders the driver incapable of safely driving a motor vehicle;

3. Any felony in the commission of which a motor vehicle is used;

4. Failure to stop and render aid in the event of a motor vehicle accident resulting in the death or personal injury of another.

b. As to other convictions, reported pursuant to Article III, the licensing authority in the home state shall give such effect to the conduct as is provided by the laws of the home state.

c. If the laws of a party state do not provide for offenses or violations denominated or described in precisely the words employed in subdivision "a" of this article, such party state shall construe the denominations and descriptions appearing in subdivision "a" hereof as being applicable to and identifying those offenses or violations of a substantially similar nature, and the laws of such party state shall contain such provisions as may be necessary to ensure that full force and effect is given to this article.

ARTICLE V—APPLICATIONS FOR NEW LICENSES

Upon application for a license to drive, the licensing authority in a party state shall ascertain whether the applicant has ever held, or is the holder of a license to drive issued by any other party state. The licensing authority in the state where application is made shall not issue a license to drive to the applicant if:

1. The applicant has held such a license, but the same has been suspended by reason, in whole or in part, of a violation and if such suspension period has not terminated.

2. The applicant has held such a license, but the same has been revoked by reason, in whole or in part, of a violation and if such revocation has not terminated, except that after the expiration of one year from the date the license was revoked, such person may make application for a new license if permitted by law. The licensing authority may refuse to issue a license to any such applicant if, after investigation, the licensing authority determines that it will not be safe to grant to such person the privilege of driving a motor vehicle on the public highways.

3. The applicant is the holder of a license to

drive issued by another party state and currently in force unless the applicant surrenders such license.

ARTICLE VI—APPLICABILITY OF OTHER LAWS

Except as expressly required by provisions of this compact, nothing contained herein shall be construed to affect the right of any party state to apply any of its other laws relating to licenses to drive to any person or circumstance, nor to invalidate or prevent any driver license agreement or other co-operative arrangement between a party state and a non-party state.

ARTICLE VII—COMPACT ADMINISTRATOR AND INTERCHANGE OF INFORMATION

a. The head of the licensing authority of each party state shall be the administrator of this compact for his state. The administrators, acting jointly, shall have the power to formulate all necessary and property* procedures for the exchange of information under this compact.

*"Proper" probably intended

b. The administrator of each party state shall furnish to the administrator of each other party state any information or documents reasonably necessary to facilitate the administration of this compact.

ARTICLE VIII—ENTRY INTO FORCE AND WITHDRAWAL

a. This compact shall enter into force and become effective as to any state when it has enacted the same into law.

b. Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until six months after the executive head of the withdrawing state has given notice of the withdrawal to the executive heads of all other party states. No withdrawal shall affect the validity or applicability by the licensing authorities of states remaining party to the compact of any report of conviction occurring prior to the withdrawal.

ARTICLE IX—CONSTRUCTION AND SEVERABILITY

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable. [61GA, ch 295,§1]

321C.2 Enforcement. The agencies and offices of this state and its subdivisions and municipalities shall enforce this compact and do all things appropriate to effect its purpose and intent which may be within their respective jurisdictions. [61GA, ch 295,§2]

CHAPTER 321D

VEHICLE EQUIPMENT COMPACTS

321D.1 Authority to compact.

321D.1 Authority to compact. The commissioner of public safety is hereby authorized to enter into vehicle equipment safety com-

pacts with other jurisdictions legally joining therein in substantially the following form.

The contracting states agree:

ARTICLE I—FINDINGS AND PURPOSES

a. The party states find that:

1. Accidents and deaths on their streets and highways present a very serious human and economic problem with a major deleterious effect on the public welfare.

2. There is a vital need for the development of greater interjurisdictional co-operation to achieve the necessary uniformity in the laws, rules, regulations and codes relating to vehicle equipment, and to accomplish this by such means as will minimize the time between the development of demonstrably and scientifically sound safety features and their incorporation into vehicles.

b. The purposes of this compact are to:

1. Promote uniformity in regulation of and standards for equipment.

2. Secure uniformity of law and administrative practice in vehicular regulation and related safety standards to permit incorporation of desirable equipment changes in vehicles in the interest of greater traffic safety.

3. To provide means for the encouragement and utilization of research which will facilitate the achievement of the foregoing purposes, with due regard for the findings set forth in subdivision "a" of this article.

c. It is the intent of this compact to emphasize performance requirements and not to determine the specific detail of engineering in the manufacture of vehicles or equipment except to the extent necessary for the meeting of such performance requirements.

ARTICLE II—DEFINITIONS

As used in this compact:

a. "Vehicle" means every device in, upon or by which any person or property is or may be transported or drawn upon a highway, excepting devices moved by human power or used exclusively upon stationary rails or tracks.

b. "State" means a state, territory or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.

c. "Equipment" means any part of a vehicle or any accessory for use thereon which affects the safety of operation of such vehicle or the safety of the occupants.

ARTICLE III—THE COMMISSION

a. There is hereby created an agency of the party states to be known as the "Vehicle Equipment Safety Commission" hereinafter called the commission. The commission shall be composed of one commissioner from each party state who shall be appointed, serve and be subject to removal in accordance with the laws of the state which he represents. If authorized by the laws of his party state, a commissioner may provide for the discharge of his duties and the performance of his functions on the commission, either for the duration of his membership or for any lesser period of time, by an alternate. No such alternate shall be entitled to serve unless notification of his identity and appointment shall have been

given to the commission in such form as the commission may require. Each commissioner, and each alternate, when serving in the place and stead of a commissioner, shall be entitled to be reimbursed by the commission for expenses actually incurred in attending commission meetings or while engaged in the business of the commission.

b. The commissioners shall be entitled to one vote each on the commission. No action of the commission shall be binding unless taken at a meeting at which a majority of the total number of votes on the commission are cast in favor thereof. Action of the commission shall be only at a meeting at which a majority of the commissioners, or their alternates, are present.

c. The commission shall have a seal.

d. The commission shall elect annually, from among its members, a chairman, a vice-chairman and a treasurer. The commission may appoint an executive director and fix his duties and compensation. Such executive director shall serve at the pleasure of the commission, and together with the treasurer shall be bonded in such amount as the commission shall determine. The executive director also shall serve as secretary. If there be no executive director, the commission shall elect a secretary in addition to the other officers provided by this subdivision.

e. Irrespective of the civil service, personnel or other merit system laws of any of the party states, the executive director with the approval of the commission, or the commission if there be no executive director, shall appoint, remove or discharge such personnel as may be necessary for the performance of the commission's functions, and shall fix the duties and compensation of such personnel.

f. The commission may establish and maintain independently or in conjunction with any one or more of the party states, a suitable retirement system for its full time employees. Employees of the commission shall be eligible for social security coverage in respect of old age and survivor's insurance provided that the commission takes such steps as may be necessary pursuant to the laws of the United States, to participate in such program of insurance as a governmental agency or unit. The commission may establish and maintain or participate in such additional programs of employee benefits as may be appropriate.

g. The commission may borrow, accept or contract for the services of personnel from any party state, the United States, or any subdivision or agency of the aforementioned governments, or from any agency of two or more of the party states or their subdivisions.

h. The commission may accept for any of its purposes and functions under this compact any and all donations, and grants of money, equipment, supplies, materials, and services, conditional or otherwise, from any state, the United States, or any other governmental agen-

cy and may receive, utilize and dispose of the same.

Referred to in Art. VI c

i. The commission may establish and maintain such facilities as may be necessary for the transacting of its business. The commission may acquire, hold, and convey real and personal property and any interest therein.

j. The commission shall adopt bylaws for the conduct of its business and shall have the power to amend and rescind these bylaws. The commission shall publish its bylaws in convenient form and shall file a copy thereof and a copy of any amendment thereto, with the appropriate agency or officer in each of the party states. The bylaws shall provide for appropriate notice to the commissioners of all commission meetings and hearings and the business to be transacted at such meetings or hearings. Such notice shall also be given to such agencies or officers of each party state as the laws of such party state may provide.

k. The commission annually shall make to the governor and legislature of each party state a report covering the activities of the commission for the preceding year, and embodying such recommendations as may have been issued by the commission. The commission may make such additional reports as it may deem desirable.

ARTICLE IV—RESEARCH AND TESTING

The commission shall have power to:

a. Collect, correlate, analyze and evaluate information resulting or derivable from research and testing activities in equipment and related fields.

b. Recommend and encourage the undertaking of research and testing in any aspect of equipment or related matters when, in its judgment, appropriate or sufficient research or testing has not been undertaken.

c. Contract for such equipment research and testing as one or more governmental agencies may agree to have contracted for by the commission, provided that such governmental agency or agencies shall make available the funds necessary for such research and testing.

d. Recommend to the party states changes in law or policy with emphasis on uniformity of laws and administrative rules, regulations or codes which would promote effective governmental action or co-ordination in the prevention of equipment-related highway accidents or the mitigation of equipment-related highway safety problems.

ARTICLE V—VEHICULAR EQUIPMENT

a. In the interest of vehicular and public safety, the commission may study the need for or desirability of the establishment of or changes in performance requirements or restrictions for any item of equipment. As a result of such study, the commission may publish a report relating to any item or items of equipment, and the issuance of such a report shall be a condition precedent to any proceedings or other action provided or authorized by

this article. No less than sixty days after the publication of a report containing the results of such study, the commission upon due notice shall hold a hearing or hearings at such place or places as it may determine.

b. Following the hearing or hearings provided for in subdivision "a" of this article, and with due regard for standards recommended by appropriate professional and technical associations and agencies, the commission may issue rules, regulations or codes embodying performance requirements or restrictions for any item or items of equipment covered in the report, which in the opinion of the commission will be fair and equitable and effectuate the purposes of this compact.

c. Each party state obligates itself to give due consideration to any and all rules, regulations and codes issued by the commission and hereby declares its policy and intent to be the promotion of uniformity in the laws of the several party states relating to equipment.

d. The commission shall send prompt notice of its action in issuing any rule, regulation or code pursuant to this article to the appropriate motor vehicle agency of each party state and such notice shall contain the complete text of the rule, regulation or code.

e. If the constitution of a party state requires, or if its statutes provide, the approval of the legislature by appropriate resolution or act may be made a condition precedent to the taking effect in such party state of any rule, regulation or code. In such event, the commissioner of such party state shall submit any commission rule, regulation or code to the legislature as promptly as may be in lieu of administrative acceptance or rejection thereof by the party state.

f. Except as otherwise specifically provided in or pursuant to subdivisions "e" and "g" of this article, the appropriate motor vehicle agency of a party state shall in accordance with its constitution or procedural laws adopt the rule, regulation or code within six months of the sending of the notice, and, upon such adoption, the rule, regulation or code shall have the force and effect of law therein.

g. The appropriate motor vehicle agency of a party state may decline to adopt a rule, regulation or code issued by the commission pursuant to this article if such agency specifically finds, after public hearing on due notice, that a variation from the commission's rule, regulation or code is necessary to the public safety, and incorporates in such finding the reasons upon which it is based. Any such finding shall be subject to review by such procedure for review of administrative determinations as may be applicable pursuant to the laws of the party state. Upon request, the commission shall be furnished with a copy of the transcript of any hearings held pursuant to this subdivision.

ARTICLE VI—FINANCE

a. The commission shall submit to the executive head or designated officer or officers of

each party state a budget of its estimated expenditures for such period as may be required by the laws of that party state for presentation to the legislature thereof.

b. Each of the commission's budgets of estimated expenditures shall contain specific recommendations of the amount or amounts to be appropriated by each of the party states. The total amount of appropriations under any such budget shall be apportioned among the party states as follows: One-third in equal shares; and the remainder in proportion to the number of motor vehicles registered in each party state. In determining the number of such registrations, the commission may employ such source or sources of information as in its judgment present the most equitable and accurate comparisons among the party states. Each of the commission's budgets of estimated expenditures and requests for appropriations shall indicate the source or sources used in obtaining information concerning vehicular registrations.

c. The commission shall not pledge the credit of any party state. The commission may meet any of its obligations in whole or in part with funds available to it under Article III "h" of this compact, provided that the commission takes specific action setting aside such funds prior to incurring any obligation to be met in whole or in part in such manner. Except where the commission makes use of funds available to it under Article III "h" hereof, the commission shall not incur any obligation prior to the allotment of funds by the party states adequate to meet the same.

d. The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established under its rules. However, all receipts and disbursements of funds handled by the commission shall be audited yearly by a qualified public accountant and the report of the audit shall be included in and become part of the annual reports of the commission.

e. The accounts of the commission shall be open at any reasonable time for inspection by duly constituted officers of the party states and by any persons authorized by the commission.

f. Nothing contained herein shall be construed to prevent commission compliance with laws relating to audit or inspection of accounts by or on behalf of any government contributing to the support of the commission.

ARTICLE VII—CONFLICT OF INTEREST

a. The commission shall adopt rules and regulations with respect to conflict of interest for the commissioners of the party states, and their alternates, if any, and for the staff of the commission and contractors with the commis-

sion to the end that no member or employee or contractor shall have a pecuniary or other incompatible interest in the manufacture, sale or distribution of motor vehicles or vehicular equipment or in any facility or enterprise employed by the commission or on its behalf for testing, conduct of investigations or research. In addition to any penalty for violation of such rules and regulations as may be applicable under the laws of the violator's jurisdiction of residence, employment or business, any violation of a commission rule or regulation adopted pursuant to this article shall require the immediate discharge of any violating employee and the immediate vacating of membership, or relinquishing of status as a member on the commission by any commissioner or alternate. In the case of a contractor, any violation of any such rule or regulation shall make any contract of the violator with the commission subject to cancellation by the commission.

b. Nothing contained in this article shall be deemed to prevent a contractor for the commission from using any facilities subject to his control in the performance of the contract even though such facilities are not devoted solely to work of or done on behalf of the commission; nor to prevent such a contractor from receiving remuneration or profit from the use of such facilities.

ARTICLE VIII—ADVISORY AND TECHNICAL COMMITTEES

The commission may establish such advisory and technical committees as it may deem necessary, membership on which may include private citizens and public officials, and may co-operate with and use the services of any such committees and the organizations which the members represent in furthering any of its activities.

ARTICLE IX—ENTRY INTO FORCE AND WITHDRAWAL

a. This compact shall enter into force when enacted into law by any six or more states. Thereafter, this compact shall become effective as to any other state upon its enactment thereof.

b. Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until one year after the executive head of the withdrawing state has given notice in writing of the withdrawal to the executive heads of all other party states. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal. [61GA, ch 296,§1]

321D.2 Enforcement. The agencies and officers of this state and its subdivisions and municipalities shall enforce this compact and do all things appropriate to effect its purpose and intent which may be within their respective jurisdictions. [61GA, ch 296,§2]

322.3 Prohibited acts.

1. No person shall engage in this state in the business of selling at retail new motor vehicles of any make or represent or advertise that he is engaged or intends to engage in such business in this state unless he is authorized by a contract in writing between himself and the manufacturer or distributor of such make of new motor vehicles to so dispose thereof in this state and unless the department has licensed the person as a motor vehicle dealer in this state in motor vehicles of such make and has issued to the person a license in writing as in this chapter provided.

2. No person, other than a licensed dealer in new motor vehicles, shall engage in this state in the business of selling at retail used motor vehicles or represent or advertise that he is engaged or intends to engage in such business in this state unless and until the department has licensed such person as a used motor vehicle dealer in the state and has issued to the person a license in writing as in this chapter provided.

4. No manufacturer or distributor of motor vehicles or any agent or representative of such manufacturer or distributor, shall terminate or threaten to terminate, or fail to renew any contract, agreement, or understanding for the sale of new motor vehicles to any motor vehicle dealer in this state without just, reasonable and lawful cause therefor or because such motor vehicle dealer failed to sell, assign, or transfer any retail installment contract arising from the retail sale of such motor vehicles or any one or more of them to a person or a class

of persons designated by such manufacturer or distributor. Provided, however, that the provisions of this subsection relating to "failure to renew" shall not apply to any contract, agreement, or understanding, which is for a term of five or more years.

(3) The difference between items one and two;

(4) The amount, if any, separately included for insurance and other benefits specifying the types of coverage and benefits;

(7) The amount of the finance charge;

(8) The balance, which is the sum of items six and seven, owed by the buyer to the seller and the number of installments required and the amount and date of each payment necessary finally to pay such balance; provided, however, the amount and date of each payment need not be separately listed if the payments are specified in terms of a series of payments of specified amounts, payable at specified intervals of time from an initial date.

The above items need not be stated in the sequence or order set forth, and additional items may be included to explain the calcu-

lations involved in determining the stated time price to be paid by the buyer.

Referred to in §322.19, subsection 2

d. The amount, if any, included for insurance, which may be purchased by the holder of the retail installment contract, shall not exceed the applicable premiums chargeable in accordance with the rates filed with the commissioner of insurance.

e. The retail installment contract shall provide that any buyer may pay in full at any time before maturity the debt of such contract and in so paying such debt shall receive for such anticipation of payments a refund credit in an amount which shall represent at least as great a proportion of the finance charge after first deducting from such finance charge an acquisition cost of twenty-five dollars, as the sum of the periodic time balances after the month in which prepayment is made, bears to the sum of all the periodic time balances under the schedule of payments in the original contract; provided, however, that if the amount of the credit is less than one dollar no refund need be made.

Referred to in §§322.14, 322.21, 322.22

7. Nothing contained herein shall be construed to require that a place of business as defined in this chapter shall be maintained by a person selling motor vehicles at retail solely for the purpose of disposing of motor vehicles acquired or repossessed by such person in exercise of powers or rights granted by lien or title-retention instruments or contracts given as security for loans or purchase money obligations.

Referred to in §322.6, subsection 8

8. No manufacturer or distributor of motor vehicles or agent or representative of such manufacturer or distributor shall coerce or attempt to coerce any motor vehicle dealer to accept delivery of any motor vehicle or vehicles, parts, or accessories thereof, or any other commodity or commodities which shall not have been ordered by such dealer.

9. No person licensed under this chapter shall, either directly or through an agent, salesman or employee, engage in this state, or represent or advertise that he is engaged or intends to engage in this state, in the business of buying or selling at retail new or used motor vehicles on the first day of the week, commonly known and designated as Sunday. Referred to in §§322.6, subsection 8, 322.14, 322.19, subsection 2, 322.21, 322.22

322.4 Application for license. Each person before engaging in this state in the business of selling at retail motor vehicles or representing or advertising that he is engaged or intends to engage in such business in this state shall file in the office of the department an application for license as a motor vehicle dealer in the state in such form as the department may prescribe, duly verified by oath, which application shall include the following:

1. The name of the applicant and his principal place of business wherever situated.

a. If the applicant is an individual—the name or style under which he intends to engage in such business.

b. If the applicant is a copartnership—the name or style under which such copartnership intends to engage in such business and the name and post-office address of each partner.

c. If the applicant is a corporation—the state of incorporation and the name and post-office address of each officer and director thereof.

2. The make or makes of new motor vehicles, if any, which the applicant will offer for sale to retail in this state.

3. The location of each place of business within this state to be used by the applicant for the conduct of his business.

4. If the applicant is a party to any contract or agreement or understanding with any manufacturer or distributor of motor vehicles or is about to become a party to such a contract, agreement, or understanding, the applicant shall state the name of each such manufacturer and distributor and the make or makes of new motor vehicles, if any, which are the subject matter of each such contract.

5. A statement of the previous history, record, and association of the applicant and if the applicant is a copartnership, of each partner thereof and if the applicant is a corporation, of each officer and director thereof, which statement shall be sufficient to establish to the department the reputation in business of the applicant.

6. A description of the general plan and method of doing business in this state, which the applicant will follow if the license applied for in such application is granted.

7. A financial statement of the applicant showing his true financial condition as of a date not more than six months prior to the date of such application.

8. Such other information touching the business of the applicant as the department may require.

For the purpose of investigating the matters contained in such application the department may withhold the granting of a license for a period not exceeding thirty days. [C39, §5039.04; C46, 50, 54, 58, 62, §322.4]

322.5 License fee. The license fee for a motor vehicle dealer for each calendar year or part thereof shall be the sum of twenty-six dollars for the licensee's principal place of business in each city, town, or township and an additional five dollars for each used-car lot which is in the city, town, or township where in said place of business is located and which is not adjacent to such place, to be paid to the department at the time a license is applied for. In case the application is denied, the department shall refund the amount of such fee to the applicant. [C39, §5039.05; C46, 50, 54, 58, 62, §322.5]

322.6 Denial of license. The department shall deny the application of any person for a license as a motor vehicle dealer and refuse to issue a license to him as such, if, after reasonable notice and a hearing, the department determines that such applicant:

1. Has made a material false statement in his application for the license; or

2. Has not complied with the provisions of this chapter or any rules or regulations promulgated by the department thereunder except as otherwise provided; or

3. Is of bad business repute; or

4. Has been guilty of a fraudulent act in connection with selling, bartering, or otherwise dealing in motor vehicles; or

5. Is about to engage in any practice in connection with the sale, barter, or otherwise dealing in motor vehicles, which is fraudulent or in violation of the law; or

6. Has entered into contract or agreement or is about to enter into a contract or agreement with any manufacturer or distributor of motor vehicles which is contrary to any provision of this chapter; or

7. Has a contract or agreement with any manufacturer or distributor of motor vehicles or is about to enter into a contract or agreement with any manufacturer or distributor of motor vehicles, who without just, reasonable, and lawful cause therefor, has terminated within ninety days from the date of application a contract or agreement with a motor vehicle dealer in any county of the state in which the applicant proposes to engage in business;

8. Does not have a place of business within the meaning of this chapter unless applicant is a person referred to in subsection 7 of section 322.3;

9. Has violated any of the provisions of sections 321.77, 321.78, 321.80, 321.81, 321.92, 321.97, 321.98, 321.99, 321.100, 539.4 and 713.24.

It shall be sufficient cause for refusal or revocation of a license as a motor vehicle dealer in the case of a partnership or corporation if any member of the partnership or any officer or director of the corporation has committed any act or omission which would be cause for refusing or revoking a license to such person as an individual.

In considering whether or not a contract or agreement between a motor vehicle dealer and a manufacturer or distributor of motor vehicles has been terminated by such manufacturer or distributor without just and reasonable cause therefor, the department shall take into consideration the circumstances existing at the time of such termination, including the amount of business transacted by the motor vehicle dealer pursuant to the contract or agreement and prior to such termination; the investment necessarily made and the obligation necessarily incurred by the motor vehicle dealer in the performance of his part of such

contract; the permanency of such investment; the reasons for such termination by such manufacturer or distributor and the fact that it is injurious to the public welfare for the business of a motor vehicle dealer to be disrupted by termination of such contract without just and reasonable cause.

Whenever the department determines to deny the application of any person for a license as a motor vehicle dealer and refuses to issue a license to him as such, the department shall enter a final order thereof with its findings relating thereto within thirty days from the date of the hearing thereon. [C39,§5039.06; C46, 50, 54, 58, 62,§322.6]

Referred to in §322.9

322.7 License of motor vehicle dealer.

1. If the department grants the application of any person for a license as a motor vehicle dealer, it shall evidence the granting thereof by a final order and shall issue to the person a license in such form as may be prescribed by the department, which license shall include the following:

- a. The name of the person licensed.
- b. If the applicant is an individual or a copartnership—the name or style under which the licensee will engage in such business and if a copartnership, the name and address of each partner.
- c. The principal place of business of the licensee and location therein of each place wherein the licensee is licensed to carry on such business.
- d. The make or makes of new motor vehicles which the licensee is licensed to sell.

2. The instrument evidencing the license or a certified copy thereof provided by the department shall be kept posted conspicuously in the principal office of the licensee and in each place of business maintained and operated by the applicant pursuant to the license in this state.

3. The license of a motor vehicle dealer shall expire and terminate, unless sooner revoked or suspended, at the end of the calendar year in which it is granted.

4. The motor vehicle dealer license provided for in this chapter shall be renewed annually in the same manner and on payment of the same fee as in the case of the original license. Such renewal shall take effect on the first day of January of each year. [C39,§5039.07; C46, 50, 54, 58, 62,§322.7; 61GA, ch 297,§8]

322.8 Supplemental statements. Each motor vehicle dealer licensee shall promptly file with the department from time to time during the period of the license, statements supplemental to the statements contained in his application for license whenever any change shall occur in his personnel or in his plan or method of doing business or in the location of his place or places of business, so that the statements made in the application do, after such change, properly disclose the licensee's status and

method and plan of doing business. The supplemental statement shall be in the form prescribed by the department and shall disclose such information as would have been required by this chapter if such changes had occurred prior to the licensee making application for a license.

If the department finds that the changes set forth in the supplemental statement do not violate the provisions of this chapter and it grants to the licensee the privilege of doing business in the manner set forth therein, it shall upon surrender to it of the license of the motor vehicle dealer, issue to him a new license appropriate to the dealer's original application as modified by such supplemental statement. [C39,§5039.08; C46, 50, 54, 58, 62, §322.8; 61GA, ch 297,§9]

322.9 Revocation of license. The department is hereby authorized to revoke or suspend the license of any retail motor vehicle dealer if, after notice and hearing, it finds that such licensee has been guilty of any act which would have been a ground for the denial of a license under section 322.6.

The department is further authorized to revoke or suspend the license of any retail motor vehicle dealer if, after notice and hearing, it finds that such licensee has been convicted or has forfeited bail on three charges of:

1. Failing upon the sale or transfer of a vehicle to deliver to the purchaser or transferee of the vehicle sold or transferred, a manufacturer's or importer's certificate, or a certificate of title duly assigned, as provided in chapter 321.

2. Failing upon the purchasing or otherwise acquiring of a vehicle to obtain a manufacturer's or importer's certificate, or a certificate of title duly assigned as provided in chapter 321.

3. Failing upon the purchasing or otherwise acquiring of a vehicle to obtain a new certificate of title to such vehicle when and where required in chapter 321.

4. Failing to mail or deliver to the treasurer of the county of such licensee's residence two copies of the signed purchase receipt within forty-eight hours after purchase or acquisition of a vehicle registered in this state as provided in section 321.48. [C39,§5039.09; C46,§322.9; C50, 54,§§322.9, 322.16; C58, 62,§322.9; 61GA, ch 297, §§3, 4]

322.10 Appeals.

1. An appeal may be taken by any person interested from any final order of the department to the district court of the county in which he resides or in which his principal place of business is located, within thirty days after he shall have received notice from the department of such order.

2. The appeal shall be taken by a written notice to the department and served as an original notice. When said notice is so served it shall, with the return thereon, be filed in the office of the clerk of said district court,

and docketed as other cases, with the appellant as plaintiff and the department as defendant. The plaintiff shall file with such clerk a bond for the use of the defendant, with sureties approved by such clerk and in an amount fixed by him, provided in no case shall the bond be less than fifty dollars, conditioned that the plaintiff shall perform the orders of the court.

3. The court shall hear the appeal in equity, determine anew all questions submitted to it on appeal from the order of the department, and render its decree thereon. An appeal to the supreme court of this state may be taken as in other equitable actions. [C39,§5039.10; C46, 50, 54, 58, 62,§322.10]

322.11 Injunctions. Whenever the department shall believe from evidence satisfactory to it that any person has or is now violating any provision of this chapter, the department may, in addition to any other remedy, bring an action in the name and on behalf of the state of Iowa against such person and any other person concerned in or in any way participating in or about to participate in practices or acts in violation of this chapter, to enjoin such person and said other person from continuing the same. In any such action, the department may apply for and on due showing be entitled to have issued the court's subpoena, requiring forthwith the appearance of any defendant, his agent and employees and the production of documents, books, and records as may appear necessary for the hearing of such petition to testify and give evidence concerning the acts or conduct or practices or things complained of in such application for injunction. In said action an order or judgment may be entered, awarding such preliminary or final injunctions as may be proper. [C39,§5039.11; C46, 50, 54, 58, 62,§322.11]

322.12 Motor vehicle dealers license fee fund. All fees and funds of whatever character accruing from the administration of this chapter shall be accounted for and paid by the department into the state treasury monthly and shall constitute a separate and distinct fund which shall be known as the "Motor Vehicle Dealers License Fee Fund". All expenses incurred and all compensation paid by the department in the administration of this chapter shall be paid out of said fund in the same manner as other state expenses and compensation are paid. Any amount in such fund in excess of ten thousand dollars at the end of any fiscal year shall be credited to the state general fund.

In connection with the enforcement of this chapter, it is hereby made the duty of the attorney general of the state of Iowa to render all necessary assistance to the department upon its request in the enforcement thereof and to that end, the attorney general shall employ such additional legal counsel as shall be necessary to adequately and fully perform such service under the direction of the department as the demands of such department shall require and any expenses so incurred by the attorney general for additional legal coun-

sel as aforesaid shall be chargeable against and paid out of the fund herein provided. [C39, §5039.12; C46, 50, 54, 58, 62,§322.12]

322.13 Rules and regulations.

1. The department shall have full authority to prescribe reasonable rules and regulations for the administration and enforcement of this chapter, in addition hereto and not inconsistent herewith. All rules and regulations shall be filed and entered by the department in its office in an indexed, permanent book or record, with the effective date thereof suitably indicated, and such book or record shall be a public document. Whenever a new rule or regulation is adopted by the department, a copy of the same shall be mailed by it to each licensee hereunder.

b. Motor fuel imported into this state, other than that placed in storage at refineries or terminals as set out in paragraph (a) above, shall be deemed received at the time unloaded in this state and by the person who is the owner thereof immediately after it is unloaded in this state, except that if motor fuel so imported is used in this state directly from the transportation equipment by which imported then the motor fuel shall be deemed received at the time it is brought into this state and by the person using the motor fuel within this state; provided, however, that if motor fuel shipped or brought into this state by a licensee is sold and delivered directly to a nonlicensee in this state, then the gallonage so delivered shall be deemed received by the licensee shipping or bringing the motor fuel into this state.

c. Motor fuel produced, compounded, or blended in this state other than at a refinery, marine or pipe-line terminal, shall be deemed to be received at the time and by the person who is the owner thereof when the same is so produced, compounded or blended.

d. Motor fuel acquired in this state by any person, other than as set out in paragraphs (a), (b), or (c) above, shall, unless the person from whom the same is acquired has paid or incurred liability with respect thereto for the tax herein imposed, or unless the same be exempt under this division, be deemed to be received by the person so acquiring the same at the time so acquired.

Except as hereinbefore set forth, the word

"received" shall be given its usual and customary meaning.

6. "Naphthas and solvents" shall mean and include those liquids which come within the distillation specifications for motor fuel set out under (b) of subsection 1 of this section, but which are designed and sold for exclusive use other than as a fuel for propelling motor vehicles. [C27, 31,§5093-a2; C35,§5093-f2; C39, §5093.02; C46, 50, 54,§324.1; C58, 62,§324.2]

See §§324.33, 324.57

324.3 Levy of excise tax—exemptions—credits. For the privilege of operating motor vehicles in this state an excise tax of seven cents a gallon is hereby imposed upon the use of all motor fuel used for any purpose except as otherwise provided in this division. The tax shall be paid in the first instance by the distributor upon the invoiced gallonage of all motor fuel received by him in this state, within the meaning of the word "received" as defined in this division, less the deductions hereinafter authorized. Thereafter, except as otherwise provided, the per gallon amount of such tax shall be added to the selling price of each and every gallon of such motor fuel sold in this state and collected from the purchaser to the end that the ultimate consumer shall bear the burden of such tax; provided, however, that no tax shall be imposed or collected under this division with respect to the following:

1. Motor fuel sold for export or exported from this state to any other state, territory, or foreign country.

2. Motor fuel sold to the United States or any agency or instrumentality thereof.

3. Motor fuel sold to any post exchange or other concessionaire on any federal reservation within this state; but the tax on motor fuel so sold, to the extent permitted by federal law, shall be collected by the post exchange or concessionaire, reported and paid the treasurer.

4. Motor fuel sold to the state of Iowa or any of its agencies, but this exemption shall not apply to political subdivisions of this state. [C27, 31,§§4755-b38, 5093-a1; C35,§§5093-f3,-f4; C39,§§5093.03, 5093.04; C46, 50, 54,§§324.2, 324.3; C58, 62,§324.3; 61GA, ch 298,§1]

324.4 Distributor's license. It shall be unlawful for any person to receive motor fuel within this state or to otherwise act as a distributor unless he holds an uncanceled distributor's license issued by the treasurer. To procure a license a distributor shall file with the treasurer an application signed under penalty for false certificate and in such form as the treasurer may prescribe, setting forth:

1. The name under which the distributor will transact business in the state of Iowa.

2. The location, with street number address, of the principal office or place of business of the distributor within this state.

3. The name and complete residence address of the owner or the names and addresses of the partners, if the distributor is a partnership, or the names and addresses of the principal officers, if the distributor is a corporation or association.

Concurrently with the filing of an application for a license, every distributor shall file with the treasurer a bond of the character and in the amount provided for in this division. No license shall be issued unless application is accompanied by the bond, nor, if the applicant is a foreign corporation, unless it is at the time properly qualified under the laws of this state to do business therein.

If (a) any application for a license to transact business as a distributor in this state shall be filed by any person whose license shall have been canceled for cause at any time theretofore under the provisions of the chapter or any prior motor fuel tax law, or (b) the treasurer shall be of the opinion that such application is not filed in good faith, or (c) the application is filed by some person as a subterfuge for the real person in interest whose license or registration shall theretofore have been canceled for cause under the provisions of this chapter or any prior motor fuel tax law, the treasurer, after a hearing of which the applicant shall have been given fifteen days notice in writing and in which said applicant shall have the right to appear in person or by counsel and present testimony, shall have and is hereby given the right and authority to refuse to issue to the applicant a distributor's license.

Upon the filing of the application, a filing fee of ten dollars shall be paid to the treasurer.

The application in proper form having been accepted for filing, the filing fee paid, the bond having been accepted and approved and the other conditions and requirements of this section having been complied with, the treasurer shall issue to the applicant a license to transact business as a distributor in this state. The license shall remain in full force and effect until canceled as provided in this chapter.

The license shall not be assignable, and shall be valid only for the distributor in whose name issued, and shall be displayed conspicuously in the principal place of business of the distributor in this state.

The treasurer shall keep and file all applications and bonds with an alphabetical index thereof, together with a record of all licensees. [C31,§5093-c2; C35,§§5093-f5,-f6,-f7; C39,§§5093.05-5093.07; C46, 50, 54,§§324.5, 324.6, 324.8-324.10; C58, 62,§324.4]

Referred to in §324.5

324.5 Permissive licensing of bulk storers as distributors. Any person other than a distributor as hereinabove defined having bulk storage in this state for rail tank car or four thousand gallon or more transport loads of motor fuel for use or for distribution in bulk

by tank truck or tank car, or both, may, subject to and upon compliance with the provisions of section 324.4, also be licensed as a distributor and thereupon for all purposes of this division shall be deemed to be the distributor with respect to any motor fuel "received" by him while the license remains in effect. [C27, 31,§§5093-a3,-a4; C39,§§5093.04, 5093.05; C46, 50, 54,§§324.4, 324.6-324.8; C58, 62,§324.5]

324.6 Continuance of existing distributor license. Motor fuel distributor licenses issued under any prior* motor fuel tax law and in good standing as of the effective date of this division shall be continued in effect until canceled as hereinafter provided. [C58, 62,§324.6]

*July 4, 1967

324.7 Security required of licensed distributor.

1. Every distributor shall file with the treasurer a bond:

a. In an amount to be determined by the treasurer not less than two thousand dollars nor more than one hundred thousand dollars on a form to be approved by the treasurer.

b. With a surety company approved by the treasurer as surety thereon.

c. Upon which the distributor shall be the principal obligor and the state of Iowa shall be the obligee.

d. Conditioned upon the prompt filing of true reports and the payment by the distributor to the treasurer of any and all motor fuel excise taxes which are now or which hereafter may be levied or imposed by the state of Iowa, together with any and all penalties and interest thereon, or either, and generally upon faithful compliance with the provisions of this division.

Referred to in §324.36, subsection 4

2. The treasurer shall contract annually with the lowest responsible bidder licensed to do business in Iowa for surety bonds to be filed by distributors. The premiums on the surety bonds contracted for by the treasurer shall be paid from the funds appropriated by section 324.76.

Referred to in §324.36, subsection 4

3. In the event that liability upon the bond thus filed by a distributor shall be discharged or reduced, whether by judgment rendered, payment made or otherwise, or if in the opinion of the treasurer any surety on the bond theretofore given shall have become unsatisfactory or unacceptable, then the treasurer may require the distributor to file a new bond meeting the requirements in subsection 1. If the new bond is not filed within ten days after demand therefor, the treasurer shall forthwith cancel the license of the distributor. If a new bond shall be furnished by the distributor as above provided, the treasurer shall release in writing the surety under the old bond from any liability accruing after the effective date of the new bond.

Referred to in §324.36, subsection 4

4. In the event that upon hearing, of which

the distributor shall be given five days notice in writing, the treasurer shall decide that the amount of the existing bond is insufficient to insure payment to the state of Iowa of the amount of the tax and any penalties and interest for which the distributor is or may at any time become liable, then the distributor shall forthwith, upon the written demand of the treasurer, file a new bond meeting the requirements in subsection 1 and in such amount, not to exceed in total fifty thousand dollars, as is determined by the treasurer to be necessary to secure at all times the required reports and payments. If the new bond is not filed within ten days after demand therefor, the treasurer shall forthwith cancel the license of the distributor.

Referred to in §324.36, subsection 4

5. Any surety on bond furnished by distributor shall be released and discharged from any and all liability to the state of Iowa accruing on the bond after the expiration of sixty days from the date upon which such surety shall have lodged with the treasurer written request to be released and discharged; provided, however, that the request shall not operate to relieve, release or discharge the surety from any liability already accrued, or which shall accrue, before the expiration of the sixty-day period. The treasurer shall promptly on receipt of notice of the request notify the distributor who furnished the bond, and unless the distributor shall on or before expiration of the sixty-day period file with the treasurer a new bond with a surety company satisfactory to the treasurer in the amount and form hereinbefore in this section provided, the treasurer shall forthwith cancel the license of said distributor.

6. In lieu of a surety bond in excess of the minimum amount the treasurer may accept a financial statement of the distributor showing ability to make any and all payments that may be due from the distributor under this division. [C31,§5093-c2; C35,§5093-f7,-f10,-f11; C39,§5093.07, 5093.10, 5093.11; C46, 50, 54, §324.10, 324.18, 324.19; C58, 62,§324.7; 60GA, ch 210,§1]

Referred to in §324.36, subsection 4

324.8 Tax reports — computation and payment of tax—credits. For the purpose of determining the amount of his liability for the tax herein imposed, each distributor shall, not later than the last day of the month next following the month in which this division becomes effective and not later than the last day of each calendar month thereafter, file with the treasurer a monthly report, signed under penalty for false certificate, which shall include the following:

1. A statement of the number of invoiced gallons of motor fuel received (within the meaning of the term "received" as defined in this division) by the distributor within this state during the next preceding calendar month in such detail as is prescribed by the

treasurer and as may be necessary for the proper administration of this division.

2. A statement showing the deductions authorized in this division in such detail and with such supporting evidence as is prescribed by the treasurer and as may be for proper administration of this division.

3. Such other information as the treasurer may require for the enforcement of this chapter.

At the time of filing each monthly report, each distributor shall pay to the treasurer the full amount of the motor fuel tax due from the distributor for the next preceding calendar month computed as follows:

4. From the total number of invoiced gallons of motor fuel "received" by the distributor within the state during the next preceding calendar month shall be made the following deductions:

First, the gallonage of motor fuel received and thereafter sold within the exemptions provided for in section 324.3; and second, the number of gallons of motor fuel equal to three per centum of the net number of invoiced gallons of motor fuel received by the distributor within this state during the next preceding calendar month, this percentage being a flat allowance to cover evaporation, shrinkage, and losses, other than those provided for in section 324.3, and the distributor's expenses and losses in collection, accounting for, and paying over the motor fuel tax.

5. The number of invoiced gallons remaining after the deductions hereinabove set forth shall be multiplied by the per gallon motor fuel tax rate and resulting figure shall be the amount of motor fuel tax in dollars and cents due from the distributor for the next preceding calendar month. Any outstanding credit memoranda issued by the treasurer to the distributor may be applied against the amount due. [C27, 31,§5093-a5,-b1; C35,§5093-f9; C39, §5093.09; C46, 50, 54,§324.13-324.15, 324.17, 324.29; C58, 62,§324.8]

324.9 Report from persons not licensed as distributors. Every person other than a licensed distributor, who shall purchase, bring into this state or otherwise acquire within this state motor fuel, not otherwise exempted, with respect to which such person has knowingly not paid or incurred liability to pay either to a licensee or to a dealer the motor fuel tax shall be subject with respect to the motor fuel to all the provisions of this division that apply to distributors on motor fuel received by them in this state and shall make the same reports and tax payments thereon and be subject to the same penalties for delinquent or nonreporting or delinquent or nonpayment as apply to distributors. [C31,§5093-c2; C35,§5093-f6; C39, §5093.06; C46, 50, 54,§324.8, 324.9; C58, 62,§324.9]

324.10 Required distributor and dealer records. Each motor fuel distributor shall maintain and keep for a period of three years, such records of all transactions by which he re-

ceives, uses, sells, delivers or otherwise disposes of motor fuel within this state, together with invoices, bills of lading and other pertinent records and papers as may reasonably be required by the treasurer for the administration of this division.

If in the normal conduct of a distributor's business his records are maintained and kept at an office outside the state of Iowa, it shall be a sufficient compliance with this section if the records are made available for audit and examination by the treasurer at the office outside Iowa, but such audit and examination outside Iowa shall be without expense to the state.

Each dealer handling motor fuel in this state shall maintain and keep for a period of two years records of all motor fuel purchased or otherwise acquired by him, together with delivery tickets, invoices, and bills of lading, and such other pertinent records as the treasurer shall require.

The treasurer, after an audit and examination of the records of a distributor or dealer may authorize their disposal, the authorization to be in writing after request by the distributor or dealer. [C27, 31, §§5093-a4, -a5; C35, §§5093-f5, -f8; C39, §§5093.05, 5093.08; C46, 50, 54, §§324.7, 324.11; C58, 62, §324.10]

324.11 Registration of carrier transportation equipment and identification of all highway transportation equipment.

1. Any person operating as a common or contract carrier and any distributor who is also engaged in transportation within this state of motor fuel for others, shall register with the treasurer on or before the first day of the third calendar month which begins after the effective date of this division and currently thereafter as additional equipment is put to use, each vehicle used in aforesaid transportation in this state, except railroad, water-vessel or pipe-line equipment. The registration shall be on forms furnished by and shall contain such information as may reasonably be required by the treasurer. A fee of one dollar shall be paid to the treasurer for original registration of each vehicle. The treasurer shall furnish to the registrant for each vehicle registered suitable identification which shall be permanently attached to the vehicle and shall be available for inspection at all times. Currently as any vehicle is retired or its use for the transportation of motor fuel for others is discontinued, the registrant shall notify the treasurer or at the direction of the treasurer shall either surrender to the treasurer or destroy the vehicle identification issued under this section. Annually on or before the first day of July of each year, each carrier as aforesaid shall file with the treasurer a statement showing each vehicle then in use for transportation of motor fuel for others and thereupon the treasurer shall issue to the registrant at a fee of twenty-five cents a renewal identification for each vehicle for the ensuing year.

2. Each vehicle used by a carrier, distributor or any person in the transportation on the

highways in this state of fuels for motor vehicles shall be identified by having shown thereon, in lettering at least six inches in height made with a stroke of not less than three-fourths inch in width and of a color contrasting to that of the background upon which the lettering is placed, the name and address of the person transporting the fuel. The identification shall be placed on both sides of the vehicle; provided, that, transportation equipment operated by a licensee shall be identified with his distributor's license number in which case the trade or produce name or insignia generally used in identifying the highway transportation equipment of the licensee and well known and recognized throughout the area in which the transportation equipment is operated, may be shown in lieu of the name and address of the licensee.

3. The treasurer shall have the power to refuse to register a vehicle owned or used by any person, either directly or indirectly, who has had a license revoked for cause which license was issued under the provisions of this chapter or any prior motor fuel tax law. [C27, 31, §§5093-b1; C35, §§5093-f19, -f25; C39, §§5093.19, 5093.25; C46, 50, 54, §§324.12, 324.33, 324.36, 324.46; C58, 62, §324.11]

324.12 Loading and delivery evidence on transportation equipment.

1. There shall be carried on every vehicle, while in use in transportation service requiring that it be registered under the preceding section, a serially numbered manifest in form satisfactory to the treasurer on which shall be entered the following information as to the cargo of motor fuel being moved in the vehicle: The date and place of loading, the place to be unloaded, the person for whom it is to be delivered, the nature and kind of product, and the amount thereof and such other information as is called for in the forms prescribed or approved by the treasurer. The manifest covering each load transported upon consummation of the delivery shall be completed showing the date and place of actual delivery and the person to whom actually delivered and shall be kept as a permanent record for a period of three years, provided, however, that the record of the manifest of past cargoes need not be carried on the conveyance but must be preserved by the carrier for the inspection of the treasurer or his representatives. A carrier subject to this subsection may with the approval of the treasurer when distributing for a licensee substitute the loading and delivery evidence required in subsection 2 of this section.

2. Every distributor or other person while transporting motor fuel from a refinery or marine or pipe-line terminal in this state or from a point outside this state via the highways of this state in service other than that covered in subsection 1 of this section shall carry in the vehicle a loading invoice showing the true name and address of the seller or consignor, the date and place of loading and the

kind and quantity of motor fuel loaded, together with invoices showing the kind and quantity of each delivery therefrom, and the name and address of each purchaser or consignee. [C35, §5093-f19; C39, §5093.19; C46, 50, 54, §§324.33-324.35, 324.37; C58, 62, §324.12]

324.13 Evidence produced upon request. The operator of any vehicle transporting motor fuel as covered in the preceding section shall, at the request of any sheriff, deputy sheriff or other peace officer or person authorized by law to inquire into or investigate said matters, produce and offer for inspection the manifest or loading and delivery invoices pertaining to the load and trip in question and shall permit the officer to inspect and measure the contents of the vehicle. If the vehicle operator fails to produce the covering evidence or if, when produced, it fails to contain the required information and if it appears that there is an attempt to evade payment of the motor fuel tax, then the officer or other person authorized to make the inquiry may take and impound the motor fuel together with the conveying vehicle until the tax on the motor fuel together with penalty, if an attempt to evade payment of the motor fuel is involved, amounting to one hundred percent of the tax have been paid. In case the tax and penalty found to be due are not paid within forty-eight hours after the taking of the property, the treasurer may proceed to sell the vehicle and its cargo in the manner provided by law for the sale of personal property by the sheriff under execution. [C35, §5093-f19; C39, §5093.19; C46, 50, 54, §324.35; C58, 62, §324.13]

324.14 Penalty for operating unregistered transport. It shall be unlawful for any person to transport motor fuel in bulk upon the highways of this state in a conveyance the registration of which is required without the evidence of registration provided for and any person found guilty of the unlawful act shall be fined not to exceed one hundred dollars or imprisoned in the county jail not more than thirty days, and each cargo so transported shall be considered a separate offense. This penalty shall be in addition to penalties imposed under other provisions of this chapter. Persons transporting motor fuel in bulk upon the highways of this state in an amount of not to exceed four thousand gallons shall not be regarded as transporting in bulk. [C35, §5093-f20; C39, §5093.20; C46, 50, 54, §324.38; C58, 62, §324.14]

324.15 Transportation reports—refinery and pipe-line and marine terminal reports.

1. Every railroad and common or contract motor carrier transporting motor fuel either in interstate or intrastate commerce within this state and every person transporting motor fuel by whatever manner from a point outside this state to any point in this state shall, subject to penalties for false certificate, report to the treasurer on forms prescribed by the treasurer all deliveries of motor fuel to points with-

in this state other than refineries or marine or pipe-line terminals. If any distributor or dealer is also engaged in the transportation of motor fuel for others, he shall make the same reports as required of common and contract carriers.

The reports shall cover monthly periods and shall show as to each delivery:

- a. The name and address of the person to whom actually and in fact made.
- b. The name and address of the originally named consignee, if delivered to any other than the originally named consignee.
- c. The point of origin, the point of delivery, and the date of delivery.
- d. The number and initials of each tank car and the number of gallons contained therein, if shipped by rail.
- e. The name of the boat, barge, or vessel, and the number of gallons contained therein, if shipped by water.
- f. The registration number of each tank truck and the number of gallons contained therein, if transported by motor truck.
- g. The manner, if delivered by other means, in which the delivery is made.
- h. Such additional information relative to shipments of motor fuel as the treasurer may require.

If any person required under this section to file transportation reports is a licensee under this division and if the information required in his transportation report is contained in any other report rendered by him under this division no separate transportation report of that information shall be required.

2. Every person operating storage facilities at a refinery or at a marine or pipe-line terminal in this state shall monthly make an accounting to the treasurer on forms prescribed by the treasurer of all motor fuel withdrawn from the refinery storage and all motor fuel delivered into, withdrawn from and on hand in the terminal storage.

3. The reports required in this section shall be for information purposes only and the treasurer may in his discretion waive the filing of any of these reports not necessary for proper administration of this division. The reports required in this section shall be certified under penalty for false certificate and filed with the treasurer within the time allowed for filing of distributors' reports of motor fuel received. Any report not filed within the time allowed by the treasurer will be subject to a penalty of ten dollars. [C27, 31, §§5093-a6, b1; C35, §§5093-f25, -f26, -f27; C39, §§5093.25-5093.27; C46, 50, 54, §§324.46-324.48; C58, 62, §324.15; 61GA, ch 272, §2]

324.16 Credit to licensee—nonmotor vehicle use — casualty losses — nontaxable products—refunds. A licensee having received motor fuel or special fuel which thereafter (1) he uses for any purpose other than as fuel for propelling motor vehicles or (2) while owned by him is lost or destroyed through account-

able leakage or through fire, accident, lightning, flood, storm, act of war or public enemy or other like cause, shall upon application to the treasurer supported by proof as the treasurer may reasonably require, be entitled to a memorandum of credit which he may apply against subsequent liability under this chapter, or, if an applicant having paid the tax on the gallonage covered in the application is no longer engaged in activity for which his license was issued, the treasurer shall refund the appropriate amount to the applicant. [C27, 31, §5093-a8; C35, §5093-f29; C39, §5093.29; C46, 50, 54, §§324.50, 324.56; C58, 62, §324.16; 60GA, ch 212, §2]

324.17 Refund to nonlicensee — fuel used other than in motor vehicles. Any person other than a licensee who shall use motor fuel for the purpose of operating or propelling farm tractors, corn shellers, roller mills, truck mounted feed grinders, stationary gas engines, aircraft or boats, for cleaning or dyeing or for any purpose other than in motor vehicles operated or intended to be operated upon the public highways and having paid the motor fuel tax on the fuel either directly to the treasurer or by having the tax added to the price of the fuel, and who has a refund permit shall, upon presentation to and approval by the treasurer of a claim for refund be reimbursed and repaid the amount of the tax which the claimant has paid on the gallonage so used. Every claim filed subsequent to July 4, 1957 shall be subject to the following conditions:

1. The claim shall be on a form prescribed by the treasurer and be certified by the claimant under penalty for false certificate.

2. The claim shall have attached thereto the original invoice or invoices showing the purchase of the motor fuel on which a refund is claimed.

3. No invoice shall be acceptable in support of a claim for refund unless it is a separate serially numbered invoice covering no more than one purchase of motor fuel, prepared by the seller on a form approved by the treasurer with double faced carbon paper under the original; nor unless it is legibly written with no corrections or erasures and shows the date of sale, the name and address of the seller and of the purchaser, the kind of motor fuel, the gallonage in words and figures, the per gallon price of the motor fuel, the per gallon rate of any tax added to the product price, the total purchase price including the Iowa motor fuel tax and that the total purchase price including tax has been paid; provided, that as to refund invoices made on a billing machine the treasurer may waive any of the requirements of this subsection.

4. The claim shall state the gallonage of motor fuel that was used or will be used by the claimant other than in motor vehicles, the manner in which the motor fuel was used or will be used and the equipment in which it was used or will be used.

5. The claim shall also state whether or not the claimant used fuel for motor vehicles from the same tanks or receptacles in which the claimant kept the motor fuel on which the refund is claimed.

6. No refund will be paid with respect to any motor fuel taken out of this state in fuel supply tanks of motor vehicles.

7. No refund shall be paid with respect to motor fuel purchased more than three calendar months prior to the date the claim was filed with the treasurer.

8. No refund shall be paid with respect to motor fuel used in the performance of a contract which is paid out of state funds unless the contract for the work contains a certificate made under penalty for false certificate that the estimate, bid or price to be paid for the work includes no amount representing motor fuel tax subject to refund.

9. If an original invoice is lost or destroyed the treasurer may in his discretion approve a refund supported by a copy identified and certified by the seller as being a true copy of the original.

10. The right of a person to a refund under this section shall not be assignable. Claim shall be made by and the amount of the refund when determined by the treasurer shall be paid to the person who purchased the motor fuel as shown in the supporting invoice.

11. In order to verify the validity of a claim for refund the treasurer shall have the right to require the claimant to furnish such additional proof of validity as the treasurer may determine and by himself or his representative to examine the books and records of the claimant. Failure of a claimant to furnish his books and records for examination shall constitute a waiver of all rights to refund related to the transaction in question.

12. Refund may also be made on special fuel taxes paid on fuel consumed in the operation of corn shellers, roller mills and feed grinders mounted on trucks under the same conditions as provided by law for refunds on motor vehicle fuel. [C27, 31, §5093-a8; C35, §§5093-f29, -f30, -f36; C39, §§5093.29, 5093.30, 5093.36; C46, 50, 54, §§324.50, 324.52-324.57, 324.64; C58, 62, §324.17; 60GA, ch 211, §1, ch 212, §1]

Referred to in §§324.18, 324.81

324.18 Refund permit. No person may claim a refund under section 324.17 until he shall have obtained a refund permit from the treasurer and paid the fee therefor. A special permit shall be obtained by applicants claiming a refund under the provisions of this chapter on account of motor fuel used for the purpose of operating aircraft. Application for a refund permit shall be made to the treasurer on a form provided by the treasurer, shall be certified by the applicant under penalty for false certificate and shall contain among other things, the name, the address and occupation of the applicant, the nature of his business and a sufficient description for identification of

the machines and equipment in which is to be used motor fuel for which refund may be claimed under the permit. Each permit shall bear a separate number and each claim for refund shall bear the number of the permit under which it is made. The treasurer shall keep a permanent record of all permits issued and a cumulative record of the amount of refund claimed and paid under each. A fee of one dollar shall be collected by the treasurer from each person to whom a refund permit is issued. A refund permit shall continue in effect until revoked as hereinafter provided or until the claimant shall have moved from the county with which his refund permit is identified. Referred to in §324.19

324.19 Revocation of refund permit. Any refund permit issued under this chapter may be revoked by the treasurer for any of the following violations, but only after the holder of the permit has been given reasonable notice of the intention to revoke the permit and reasonable opportunity to be heard:

1. Using in support of a refund claim a false or altered invoice.

2. Making a false statement in a claim for refund or in response to an investigation by the treasurer of a claim for refund.

3. Refusal to submit his books and records for examination by the treasurer or his authorized representative.

A person whose refund permit is revoked for cause (except nonuse) may not obtain another refund permit for a period of one year after the revocation. A refund permit under which no refund is claimed for a period of one year from date of issuance or a refund permit whose holder has moved from the county wherein he resided at the time of application for said permit shall be revoked by the treasurer subject to reinstatement or issuance of a new permit upon application as provided in section 324.18. 324.20 Posting price and discounts. Every distributor and other person selling motor fuel in this state for resale to dealers in this state, shall keep posted in a conspicuous place most accessible to the public at their place or places of business, including bulk plants, a placard showing in legible words and figures the same height and size, the price per gallon of each grade of motor fuel offered for sale, the amount of state excise tax per gallon thereon, the federal excise tax per gallon thereon, and the total thereof. If any rebate, discount, commission, or other concession is granted by distributors or persons engaged in the sale of motor fuel for resale to dealers of such nature as will reduce the cost or price to any purchaser or dealer in such products, the conditions, quanti-

ty, and amount of such rebate, discount, commission or other concession shall be posted as a part of the posted price. All price placards shall be subject to the approval of the treasurer. Any distributor or person failing to post or keep posted the placard required by this section, or who posts placards not approved by the treasurer as provided in this section, or who sells any motor fuel for resale at a price which directly or indirectly, by any means or device, deviates from the posted price set forth on the price placard approved by the treasurer, shall be guilty of a misdemeanor and shall be punished by a fine of one hundred dollars or imprisonment in the county jail for thirty days. Nothing contained herein shall prohibit or restrict the distribution of earnings to the members of any distributor or person, nor to the distribution to consumers of road maps, publicity and other advertising media carrying the name of the distributor, person, or produce. Each day the required placard remains unposted or an unauthorized placard remains posted, or each deviation from the posted price, shall be considered a separate offense. In the event of a second conviction for the violation of any of the provisions of this section, the state treasurer may revoke the license of such distributor or person so convicted. The rate of tax on special (diesel engine) fuel shall be eight cents per gallon. On all other special fuel the per gallon rate shall be the same as the motor fuel tax. The tax, with respect to all special fuel delivered by a special fuel dealer for use in this state as defined by section 324.33, shall attach at the time of the delivery and shall be collected by the dealer from the special fuel user and shall be paid over to the treasurer as hereinafter provided. All deliveries by distributors of special fuel to be used for highway use must be made into storage connected to a sealed meter pump as licensed in said section.

The treasurer shall make reasonable rules and regulations governing the dispensing of special fuel at retail service stations and may require that all pumps located at said stations through which fuel oil can be dispensed, metered, inspected, tested for accuracy, sealed and licensed by the state department of agriculture, and that special fuel delivered into the fuel supply tank of any motor vehicle shall be dispensed only through these pumps.

Exemptions under Division I, §324.3
See §324.80, for refund of federal tax

324.36 Special fuel dealers and special fuel users licenses.

1. *Required.* It shall be unlawful for any person to act as a special fuel dealer in this state unless he holds an uncanceled special fuel dealer's license issued to him by the treasurer. Except for special fuel which is delivered by a special fuel dealer into a fuel supply tank of any motor vehicle in this state, the use (as herein defined) of special fuel in this state by any person shall be unlawful unless he holds an uncanceled special fuel user's license issued to him by the treasurer.

2. *Application.* Application for a special fuel dealer's license or a special fuel user's license shall be made to the treasurer. A special fuel dealer's license or a special fuel user's license, whichever is applicable, shall be required for each separate place of business or location where special fuels are regularly delivered or placed into the fuel supply tank of a motor vehicle. Provided, that, if a special fuel dealer also operates one or more bulk plants from which the distribution of special fuel is primarily by tank vehicle, he need not obtain a separate license for any of these plants not provided with fixed equipment designed for fueling vehicles.

3. *Form of application.* The application shall be filed upon a form prepared and furnished by the treasurer and shall contain such information as the treasurer deems necessary.

4. *Bond.* No special fuel dealer's license or special fuel user's license shall be issued to any person or continued in force unless he has on file with the treasurer a surety bond in such form and amount as the treasurer may require, but not less than five hundred dollars,

nor more than fifty thousand dollars, to secure his compliance with this division, and the payment of any and all taxes, interest and penalties due and to become due hereunder. The provisions of subsections 1, 2, 3 and 4 of section 324.7 with respect to distributors bonds, except the amount of bond, shall apply to bonds furnished by licensees under this division. A special fuel dealer or special fuel user who is also a licensed distributor under division I of this chapter may have his obligation under this section and under section 324.7 covered by one bond.

5. *Issuance.* Upon receipt of the application and bond in proper form, the treasurer shall issue to the applicant a license to act as a special fuel dealer or a special fuel user; provided, however, the treasurer may refuse to issue a special fuel dealer's license or a special fuel user's license to any person: (a) who formerly held either type of license and which has been revoked for cause; or (b) who is a subterfuge for the real party in interest whose license has been revoked for cause; or (c) upon other sufficient cause being shown. Before refusal, the treasurer shall grant the applicant a hearing and give him at least fifteen days written notice of the time and place thereof.

6. *Expiration of license.* Each special fuel dealer's license and special fuel user's license shall be valid until suspended or revoked for cause or otherwise canceled.

7. *Assignment forbidden.* No special fuel dealer's license or special fuel user's license shall be transferable. [C24,§3259; C27, 31,§5093-a5; C35,§§5093-f8,-f21; C39,§§5093.08, 5093.21; C46, 50, 54,§§324.11, 324.28, 324.39, 324.40; C58, 62,§324.36; 60GA, ch 210,§2]

324.37 Special fuel dealers and special fuel users records. For each location where special fuel is delivered or placed into the fuel supply tank of a motor vehicle, the special fuel dealer or user making the delivery shall prepare and maintain for a period of three years such records as the treasurer may reasonably require with respect to all these deliveries, and with respect to inventories, receipts, purchases, and sales or other dispositions of special fuel. [C27, 31,§5093-a8; C35,§5093-f14; C39,§5093.14; C46, 50, 54,§§324.25-324.29; C58, 62,§324.37]

324.38 Monthly returns and tax payments.

1. *Returns.* For the purpose of determining the amount of his liability for special fuel tax each special fuel dealer and each special fuel user shall file with the treasurer not later than the last day of the month next following the month in which this division becomes effective and not later than the last day of each calendar month thereafter a monthly tax return certified under penalties for false certificate. The return shall show, with reference to each location at which special fuel is delivered or placed by the dealer or user into a fuel supply tank of any motor vehicle during the next preceding calendar month, such information

as the treasurer may reasonably require for the proper administration and enforcement of this division; provided, however, that if a special fuel dealer or user is also a wholesale distributor of special fuel at a location where special fuel is delivered into the supply tank of a motor vehicle, the monthly return to the treasurer covering the location need not include inventory control data covering bulk storage from which wholesale distribution of special fuel is made.

2. *Computation.* The amount of tax due shall be computed by multiplying the appropriate tax rate per gallon by the number of gallons of special fuel delivered or placed by the special fuel dealer or user into supply tanks of motor vehicles.

3. *Payments.* The return shall be accompanied by remittance in the amount of the tax due for the month in which the special fuel was placed in the fuel tanks of motor vehicles.

4. *Reporting exemption for authorized tax-paid purchases.* Any special fuel dealer or user licensed under this division may upon application in writing to the treasurer be authorized, subject to regulations prescribed by the treasurer, to purchase on a tax-paid basis from any supplier licensed as a distributor under division I of this chapter all special fuel acquired by the dealer or user for subsequent delivery into the fuel supply tanks of motor vehicles. Every supplier so licensed who sells or delivers special fuel on a tax-paid basis to special fuel users or special fuel dealers authorized as aforesaid shall make a return of these tax-paid sales to the treasurer accompanied by payment of the special fuel tax on the tax-paid gallonage so sold or delivered. The return and payment shall be made at the same time as the supplier's motor fuel tax return or special fuel tax return for the month in which the covered sales or deliveries were made.

5. *Exemption for fueling by licensed dealers.* No return need be made by any special fuel user, not licensed as a special fuel dealer, whose entire use of special fuels in this state is limited solely to special fuels delivered into the fuel supply tank of the user's motor vehicles by special fuel dealers.

6. *Presumption.* For purposes of this section there shall be a prima-facie presumption that all special fuel received by a special dealer or special fuel user into storage and dispensing equipment designed to fuel motor vehicles is to be delivered by the special fuel dealer or special fuel user into the fuel supply tanks of motor vehicles. DIVISION III
MOTOR FUEL AND SPECIAL FUEL USE TAX FOR
INTERSTATE MOTOR VEHICLE OPERATIONS
Referred to in §324.57

324.50 Short title. This division and applicable provisions of division IV of this chapter

and any amendments to either shall be known and may be cited as the "Interstate Fuel Use Tax Law," and as so constituted is hereinafter referred to as this division. [C35,§5093-f40; C39,§5093.39; C46, 50, 54,§324.66; C58, 62,§324.50]

Similar provision, §§324.1, 324.31

324.51 Purpose. The purpose of this division is to provide an additional method of collecting fuel taxes from interstate motor vehicle operators commensurate with their operations on Iowa highways; and to permit the treasurer to suspend this collection as to transportation entering Iowa from any other state where it appears that Iowa highway fuel tax revenue and interstate highway transportation moving out of Iowa will not be unduly prejudiced thereby. [C27, 31,§§4755-b38, 5093-a1; C35,§5093-f3; C39,§5093.03; C46, 50, 54,§324.2; C58, 62,§324.51]

324.52 Fuels imported in supply tanks of motor vehicles. No person shall bring into this state in the fuel supply tanks of a motor vehicle, or any other container, regardless of whether or not the supply tanks are connected to the motor of the vehicle, any motor fuel or special fuel to be used in the operation of the vehicle in this state unless he has paid or made arrangements in advance with the treasurer for payment of Iowa fuel taxes on the gallonage consumed in operating the vehicle in this state; except that this division shall not apply to a private passenger automobile.

Any person who brings into the state in the fuel supply tanks of a motor vehicle more than twenty gallons of motor fuel or special fuel in violation of the provisions of the preceding paragraph is guilty of a misdemeanor and upon conviction shall be fined not more than one hundred dollars or shall be imprisoned in the county jail not more than thirty days. [C35,§5093-f19; C39,§5093.19; C46, 50, 54,§§324.34, 324.37; C58, 62,§324.52]

324.53 Permit—bond. The advance arrangements referred to in the preceding section shall include the procuring of a permit and may in the discretion of the treasurer include the posting of a suitable indemnity bond in a sum to be fixed by the treasurer to assure the required reporting, tax payments and the keeping of required records.

Permit may be obtained upon application to the treasurer. The treasurer shall charge a fee of one dollar for each permit issued. The holder of a permit under this division shall have the privilege of bringing into this state in the fuel supply tanks of motor vehicles any amount of motor fuel or special fuel to be used in the operation of the vehicles and for that privilege shall pay Iowa motor fuel or special fuel taxes as provided in section 324.54.

Each vehicle operated into or through Iowa in interstate operations using motor fuel or special fuel acquired in any other state shall carry in or on each vehicle a duplicate or evidence of the permit required in this section. A fee not to exceed twenty-five cents shall be

charged by the treasurer for each duplicate or other evidence of permit issued by him. [C35,§§5093-f19,-f20; C39,§§5093.19, 5093.20; C46, 50, 54,§§324.34, 324.38; C58, 62,§324.53]

324.54 Fuel tax computation, reporting and payment. Fuel tax liability under this division shall be computed on the total number of gallons of each kind of motor fuel and special fuel consumed in the operation in Iowa of motor vehicles subject to this division at the same rate for each kind of fuel as would be applicable thereto if taxed under divisions I or II of this chapter. Credit against the tax liability so computed shall be allowed in the amount of fuel taxes paid under divisions I or II of this chapter on motor fuel and special fuel used in motor vehicles the operation of which is subject to this division. Notwithstanding any provision in this chapter to the contrary, the treasurer, upon application, supported by such proof as the treasurer may reasonably require, shall issue a memorandum of credit for the amount of fuel tax paid on fuel in excess of the amount of fuel consumed by such vehicles in Iowa which may be applied against subsequent fuel tax liability under this chapter, or, if the applicant is no longer engaged in the operation of vehicles for which his permit was issued, or, has built up an excess of motor vehicle fuel tax credit with the state, the treasurer may make proper refund to the permit holder.

To determine the amount of fuel taxes due under this division and to prevent the evasion thereof, the treasurer may require reports on forms prescribed by the treasurer and fuel tax payments in the same manner and at the same time as required in this chapter for reporting and payment by distributors. These reports and tax payments may be required covering actual operation and fuel consumption in Iowa for vehicles the operation of which is subject to this division or on a basis of their average consumption of fuel in Iowa determined by taking that proportion of the total gallons consumed everywhere in these vehicles that their mileage in Iowa is to their total mileage everywhere. [C27, 31,§5093-b1; C35,§§5093-f18, -f25; C39,§§5093.18, 5093.25; C46, 50, 54,§§324.32, 324.46; C58, 62,§324.54]

Referred to in §324.53

324.55 Records. Every person operating within the purview of this division shall make and keep for a period of three years such records as may reasonably be required by the treasurer for the administration of this division. If in the normal conduct of the business, the required records are maintained and kept at an office outside the state of Iowa, it shall be a sufficient compliance with this section if the records are made available for audit and examination by the treasurer at the office outside Iowa, but such audit and examination shall be without expense to the state of Iowa. [C27, 31,§5093-a8; C35,§§5093-f14,-f21; C39,§§5093.14, 5093.21; C46, 50, 54,§§324.27, 324.28, 324.40, 324.41; C58, 62,§324.55]

324.56 Not applicable to distributors. The provisions of this division shall not apply to distributors licensed under division I of this chapter. Distributors so licensed shall report and pay the tax on motor fuel and special fuel consumed in propelling vehicles on the public highways of this state as provided for respectively in divisions I and II. [C58, 62,§324.56]

See §§324.3, 324.4, 324.32, 324.34

All information obtained by the treasurer or his representatives, agents or employees from the examining of reports or records required to be filed or kept under the provisions of this chapter shall be treated as confidential and shall not be divulged except to a member or members of the general assembly or any duly appointed committee of either or both houses thereof or to a representative of the state having some responsibility in connection with the collection of the taxes imposed or in proceedings brought under the provisions of this chapter; provided, however, that the treasurer shall make available for public information on or before the last day of the month following the month in which the tax is required to be paid the names of the distributors and as to each of them the total gallons received in the state and separately, the received gallons (1) exported or sold for export, (2) sold tax-free in the state to entities that are exempt from the tax, and (3) sold tax-free in the state to entities required to report and account for the tax thereon. The treasurer shall also make available to the public information with respect to special fuel dealers and users and as to each of them the gallonage used and taxes paid. The treasurer, upon request of officials entrusted with enforcement of the motor vehicle fuel tax laws of the federal government or any other state, may forward to such officials any pertinent information which he may have relative to motor fuel and special fuel provided the officials of the other state furnish to the treasurer like information.

324.63 Treasurer may estimate taxable gallonage. If any person fails to make and file a

report required of him or files an incorrect report, the treasurer shall after investigation determine the gallonage with respect to which the person incurred liability for fuel taxes under this chapter in any month or months and fix the amount of taxes thereon. If the treasurer should at any time receive complaints or reports from any source that a licensee or other person is suspected of evading fuel taxes imposed by this chapter or has failed to report all the gallonage the reporting of which is required under this chapter, or is suspected of acting as a distributor or special fuel dealer or user without a license or of withholding payment of fuel taxes, the treasurer, upon five days notice to the person complained against of the nature of the complaint or report and of the time and place of a hearing thereon, may proceed to hold the hearing and determine the amount of fuel taxes, if any, due from that person. The treasurer may adjourn the hearing from time to time until the completion thereof. He may use any information available in determining the amount, if any, of fuel taxes for which the person is liable. Upon determining the amount thereof he shall add the penalties and interest provided for in section 324.65 and make an assessment for the amount of the unpaid taxes, penalties and interest, shall furnish a copy thereof to the person against whom the assessment is made and his surety and shall certify the same for collection or other appropriate action by the proper public official. The findings of the treasurer as to the amount of fuel taxes due from any person shall be presumed to be the correct amount and in any litigation which may follow, the certificate of the treasurer shall be admitted in evidence, shall constitute a prima-facie case, shall impose upon the other party the burden of showing any error in the treasurer's finding and the extent thereof or that the finding was contrary to law. [C35,§§5093-f11,-f12; C39,§§5093.11, 5093.12; C46, 50, 54,§§324.19, 324.20, 324.21; C58, 62, §324.63]

If a licensee or other person fails to file a required report with the treasurer on or before the time fixed for the filing thereof or if a licensee or other person fails to pay to the treasurer an amount of fuel taxes when due, a penalty of ten percent of the tax unpaid and due shall be added, the unpaid tax and penalty shall immediately accrue and thereafter shall bear interest at the rate of one-half of one percent per month until paid. The treasurer shall not remit any part of a penalty for delinquent payment where the delinquency results from the fact that a check given in payment is not honored because of insufficient funds in the account upon which the check was drawn. Provided, further, that if it appears as a result of investigation by the treasurer or from a preponderance of the evidence adduced at a hearing before the treasurer that there has been

a deliberate attempt on the part of a licensee or other person to evade payment of fuel taxes there shall be added to the assessment against the offending person and collected a penalty of one hundred percent of the tax, the evasion of which was attempted, and the tax and penalty shall immediately accrue and shall thereafter bear interest at the rate of one-half of one percent per month until paid. [C27, 31,§5093-a5; C35,§§5093-f9,-f11; C39,§§5093.09, 5093.11; C46, 50, 54,§§324.16, 324.19; C58, 62, §324.64]

324.65 Lien of fuel taxes—priority.

1. The amount of fuel taxes imposed by this chapter, including interest and penalty and costs that may accrue, shall be a lien in favor of the state upon franchises, property and rights to property, whether real or personal, then belonging to or thereafter acquired by a person liable for the payment of the fuel taxes from the date the taxes are due and payable as provided in this chapter and until the amount of the lien is paid or the property sold in payment thereof. Fuel tax liens shall have priority over any lien or encumbrance whatsoever except the lien of other state taxes having priority by law, and except that a fuel tax lien shall not have priority over any bona fide mortgagee, pledgee, attaching creditor or purchaser whose right shall have attached prior to the time the treasurer shall have filed his certificate in the office of the clerk of the court.

2. The certificate of the treasurer assessing the amount of fuel taxes and penalty due from a licensee or other person, ascertained in accordance with the provisions of this chapter or from a report of the person may be filed in the office of the clerk of the district court in the county in which the place of business of the licensee or other person is located. The clerk of the district court upon receipt of the certificate shall, without requiring payment of any fee, file and index the same in manner now provided for judgments. The treasurer may in like manner, file a duplicate of the certificate in any other county where it shall be indexed in a like manner. The claim of the state of Iowa as shown by the certificate or duplicate so filed shall be a lien on the real estate of the person named therein as owing fuel taxes and located in the county where the certificate or duplicate is recorded, for the amount shown by the certificate to be due including penalty and interest from the date of filing to the same extent as a mortgage lien.

3. The treasurer may give notice of the amount of fuel taxes and penalty due as ascertained by him by registered mail to all persons having in their possession or under their control any credits or other personal property belonging to a licensee or other person or to any person owing any debts to the licensee or other person. Thereafter the person notified shall neither transfer nor make any other disposition of credit or other personal property

or debts until thirty days shall have elapsed from and after the receipt of the notice unless the treasurer of state shall give his consent to a previous transfer or other disposition. At the expiration of the thirty-day period, the property shall be released, unless in the meantime it shall have been attached by process of court or the holder thereof garnished. All persons so notified, must, within five days after receipt of the notice, advise the treasurer of state of any and all credits or personal property or debts in their possession or under their control belonging or owed to the licensee or other person from whom the fuel taxes are due.

4. When the property of a licensee is seized upon any mesne or final process of any court of this state or of the United States, or when the business of a licensee shall be suspended by the action of creditors or put into the hands of any assignee, receiver or trustee, or when a petition in voluntary or involuntary bankruptcy has been filed by or against a licensee, then and in all such cases, all fuel taxes collected by the licensee under the provisions of this chapter or due and owing to the state shall be considered and treated as preferred claims, and the state shall be a preferred creditor and shall be paid in full.

5. No sheriff, receiver, assignee, master or other officer shall sell the property or franchises of any licensee without first filing with the treasurer a statement containing the following information: name or names of the plaintiff or party at whose instance or upon whose account the sale is made; name of the person whose property or franchise is to be sold; the time and place of sale; and the nature of the property and the location of the same. It shall be the duty of the treasurer, after receiving notice as aforesaid, to furnish to the sheriff, receiver, trustee, assignee, master or other officer, having charge of the sale, a certified copy or copies of all assessments for fuel taxes, penalties, and interest on file in the office of the treasurer as liens against such person, and in the event there are no such liens a certificate showing that fact, which certified copy or copies of certificate shall be publicly read by such officer at and immediately before the sale of the property or franchise of such person.

6. It shall be the duty of the treasurer to furnish to any person applying therefor a certificate showing the amount of all liens for fuel taxes, penalties, and interest that may be of record in the files of the treasurer against any person under the provisions of this chapter.

7. It shall be the duty of the treasurer, upon receipt of notice of the opening of the administration of an estate of any individual who was a licensee, to file a claim as a preferred creditor for all fuel taxes, penalties and interest due the state of Iowa, if any, in the court having jurisdiction over the administration of said

estate. [C35,§5093-f13; C39,§5093.13; C46, 50, 54, §§324.22-324.24; C58, 62,§324.65]

326.2 Authority to make agreements.

326.3 Information—fees paid to state.

326.4 Records preserved.

326.5 Identification plate or sticker.

326.1 Reciprocity board. A board, to be known as the Iowa reciprocity board, is hereby established to be located at the seat of government. The board shall have three mem-

bers who shall be: A member of the state highway commission; a member of the state commerce commission; and the commissioner of public safety. Each member of the board

may appoint from the officials of his department a deputy member who shall, in the absence of such member, act as a member of the board with full powers, authority and responsibility of such members. The duties of the members of the board and their deputies shall be in addition to their regular duties; and they shall receive no additional compensation except that they be allowed their actual and necessary expenses incurred in the performance of their official duties. A full-time executive secretary shall be appointed by the board. The salary of such secretary and the necessary office personnel shall be set by the board. Adequate office space and facilities shall be provided for the said secretary. Such secretary's salary, necessary office operating expenses and, in addition, expenses incurred by the board in the administration of their official duties shall be paid out of the moneys credited to the general fund by subsection 1 of section 321.145. In addition, the board may call upon the staff, facilities, and personnel of the public safety department, the state highway commission, and the state commerce commission for assistance in performing its functions. The attorney general or any assistant attorney general designated by him shall give legal counsel and assistance to the reciprocity board. [S13,§1571-m16; C24, 27, 31, 35,§4866; C39,§5003.04; C46, 50, 54, 58,§321.56; C62.§326.1]

326.2 Authority to make agreements. The Iowa reciprocity board shall have authority to make reciprocity agreements with the duly authorized representative of any county, state, territory, federal district, foreign country, or political subdivision thereof, exempting nonresidents of this state using the highways of this state from the registration requirements of chapter 321 and payment of any fees to this state with such conditions, restrictions, and privileges or lack of them as such board may deem advisable. Such agreements may provide for the denial of reciprocal privileges to one or more particular nonresidents at any time if in the opinion of the board such nonresidents should not be granted exemption privileges provided, however, the contracting state of such nonresident consents thereto.

Notwithstanding any provisions of Iowa statutes to the contrary or inconsistent herewith, such agreements may provide with respect to resident or nonresident owners of fleets of two or more (commercial) vehicles which are engaged in interstate commerce, or simultaneously engaged in interstate and intrastate commerce, that the registrations of such fleets can be apportioned between this state and the other states a party to such agreements.

The percentage of miles such fleets operate in this state as related to the total miles such fleets operate in all states with whom Iowa has an apportionment registration agreement and with whom the fleet owner has or will register vehicles on an apportioned registra-

tion basis shall be used by the Iowa reciprocity board to determine the amount of registration computed on a dollar basis. Mileage proportions for fleets not operated in this state during the preceding year will be determined by the reciprocity board upon the sworn application of the applicant on forms to be supplied by the reciprocity board which will show the operations of the preceding year in other states and the estimated operation in Iowa; or, if no operations were conducted the previous year, a full statement of the proposed method of operation. As used in this section, the term "preceding year" shall mean a period of twelve consecutive months fixed by the reciprocity board, which period shall be within the sixteen months immediately preceding the commencement of the registration year for which registration is sought. The apportioned registration fee computed on a dollar basis is equal to the amount obtained by applying the miles traveled in states with whom Iowa has an apportionment registration agreement and with whom the fleet owner has or will register vehicles on an apportioned registration basis to the fees which would otherwise be required for total fleet registration in this state and shall mean a percentage of the annual fee on each vehicle of an apportioned fleet. If the composite percentage paid by the Iowa resident to each of the states a party to an apportioned registration agreement with Iowa for apportioned registrations is less than one hundred percent percentagewise, the Iowa reciprocity board may redetermine the registration fees due the state of Iowa to bring the composite percent to one hundred percentagewise. If the composite percent paid by the nonresident fleet operator to each of the states a party to an apportioned registration agreement with Iowa for apportioned registration fees on vehicles base plated in Iowa is less than one hundred percent percentagewise, the Iowa reciprocity board may redetermine the registration fees due the state of Iowa to bring the composite percent to one hundred percent percentagewise on such Iowa base plated vehicles. The minimum proportional registration fee for each vehicle registered with the state of Iowa in accordance with the provisions of this section shall not be less than one dollar. In addition to the apportioned registration fees, the Iowa reciprocity board shall collect the amount of fees due as hereinafter provided for the issuance of plates, stickers, or other identification of all the vehicles registered in accordance with this section. The proportional registration provision of this section shall apply to vehicles added to a fleet during the registration year and operated in this state in interstate commerce.

When a nonresident fleet owner has registered his vehicles on an apportionment basis, his vehicles shall be considered fully registered insofar as interstate commerce is concerned. The privileges granted to a nonresident pursuant to this chapter shall permit the operation of a vehicle which is simultaneously

engaged in interstate movements and intrastate commerce provided, as to intrastate commerce, he has intrastate authority or rights granted by the Iowa state commerce commission. Each vehicle of a fleet registered by a resident of Iowa on a dollar apportionment basis shall be considered as fully registered for interstate commerce and intrastate commerce. [S13,§1571-m16; C24, 27, 31, 35, §4866; C39,§5003.04; C46, 50, 54, 58,§321.56; C62, §326.2; 61GA, ch 302,§1(1, 2, 3, 4)]

326.3 Information—fees paid to state. The board shall require fleet owners to submit under oath such information as the board deems necessary for the proper carrying out of the provisions of this chapter, and the board's determination of the amount of dollar registration shall be final. Information furnished under this chapter shall be forwarded to the executive secretary of the board by each fleet owner not later than the September 1 preceding each registration year.

Registrations under any apportionment agreement or arrangement shall be issued only by the department of public safety as directed by the Iowa reciprocity board.

If the fees for such apportioned registration are not paid to each contracting state, district, possession or territory of the United States or the foreign province, state, or country entitled thereto on the basis of the apportioned registration application and supporting documents filed with the Iowa reciprocity board by the fleet operator within a reasonable time as shall be determined by the board, the board shall redetermine fees due this state; and, if the additional fees due this state are not paid by the owner within twenty days after the mailing to him of a notice by certified mail of the additional fees due, the registration in this state shall be canceled; and, in addition, the additional fees due for registration in this state shall be a debt due to the state of Iowa. In the event of additions to or deletions from a fleet, a supplemental report shall be filed with the board not later than thirty days after such addition or deletion. [S13,§1571-m16; C24, 27, 31, 35,§4866; C39,§5003.04; C46, 50, 54, 58, §321.56; C62,§326.3; 61GA, ch 302,§2 (1, 2, 3)]

326.4 Records preserved. Any owner complying with and being granted apportioned or proportional registration shall preserve the records on which the application is made for a period of four full years following the year upon which said application is based. Upon request of the board, the owner agrees to make such records available to the board at the office of the executive secretary of the board for audit as to accuracy of computation and payments; or, if the owner does not produce such records when requested to do so, the owner must pay the costs of an audit by a duly appointed representative of the board at the home office of the owner. The board may enter into agreements with authorized agencies of other contracting states for joint audits of any such owner. [S13,§1571-m16; C24, 27, 31,

35,§4866; C39,§5003.04; C46, 50, 54, 58,§321.56; C62,§326.4]

326.5 Identification plate or sticker. Any nonresident registered vehicle or nonresident registered motor vehicle shall be subject to all laws, rules and regulations governing the operation of such vehicles on the highways of this state; and the violations of such laws, rules, or regulations shall be ground for denial of reciprocal privileges. The registration number plates, sticker, or other identification assigned and furnished to any foreign registered vehicle or motor vehicle for the current registration year by another state where the same is registered shall be displayed on such vehicle or motor vehicle substantially as provided in chapter 321 for vehicles registered pursuant to the provisions hereof. In addition, the Iowa reciprocity board shall charge and collect an additional fee of one dollar for each plate, sticker, or other identification furnished for each vehicle registered in accordance with the provisions of this section or extended reciprocity in accordance with the provisions of this section. The same fee shall be charged for issuance of duplicate plates, stickers or other identification as required. The fee charged for the original or duplicate plate, sticker or other identification shall be credited to the road use tax fund. [S13,§1571-m16; C24, 27, 31, 35,§4866; C39,§5003.04; C46, 50, 54, 58, §321.56; C62,§326.5; 61GA, ch 302,§3]

326.6 Leased vehicles. The board may, notwithstanding any provision of the Code to the contrary, enter into reciprocity or apportionment agreements which extend the benefits thereof to leased vehicles on the basis of the residence of the lessee. [S13,§1571-m16; C24, 27, 31, 35,§4866; C39,§5003.04; C46, 50, 54, 58, §321.56; C62,§326.6]

326.7 Trip permits issued — violations. The Iowa reciprocity board may issue a trip permit to the carrier who has registered a fleet of vehicles with this state on an apportionment basis pursuant to this chapter to permit a non-Iowa registered vehicle to operate on the highways of this state in interstate commerce if that leased vehicle, when operated by the lessor, would be entitled to reciprocity in the state of Iowa and the Iowa reciprocity board shall charge and collect a fee of five dollars for each such permit issued. If the vehicle operated on the trip basis is owned by the prorate fleet carrier or is, at the time of the trip, under lease to the prorate carrier for thirty days duration or longer, the Iowa reciprocity board may limit the issuance permits on a particular vehicle not registered in Iowa to one round trip interstate on the Iowa highways for each calendar quarter. The Iowa reciprocity board may issue a trip permit to the Iowa carrier or Iowa broker who has not registered vehicles on an apportionment basis pursuant to the provisions of this chapter to permit a non-Iowa

registered vehicle to operate on the highways of this state in interstate commerce if that leased vehicle, when operated by the lessor, would be entitled to reciprocity in this state; and the Iowa reciprocity board shall charge and collect a fee of five dollars for each permit issued. A "trip" shall mean: (1) A one way movement from one point originating outside this state and destined to another point outside this state; (2) a round trip movement between two points in Iowa; (3) a round trip movement which originates in Iowa or is destined for a point in Iowa. The term "broker" means any person not included in the term "motor carrier" and not a bona fide employee or agent for any such carrier, who or which as principal or agent sells or offers for sale any transportation, or negotiates for, or holds himself or itself out for solicitation, advertisement, or otherwise as one who

sells, provides, furnishes, contracts, or arranges for such transportation.

Operation of a commercial vehicle in violation of the requirements of this chapter or in violation of the motor vehicle laws of the state of Iowa may, after due notice and hearing, be grounds for denial of apportioned registration privileges on the vehicle so operated; and anyone denied such privileges shall be subject to the payment of a full annual Iowa registration fee on such vehicle operated on the Iowa highways.

All provisions of chapter 321 insofar as the same is applicable, are hereby specifically extended to include carriers who register vehicles in this state on an apportioned registration basis or who operate interstate on the Iowa highways on reciprocity. [61GA, ch 302,§4]

327.1 Definitions. When used in this chapter:

1. The term "motor truck" shall mean any automobile, automobile truck, or other self-propelled vehicle, including any trailer, semi-trailer, or other device used in connection therewith, not operated upon fixed rails or track, used for the public transportation of freight for compensation, not operating between fixed termini, nor over a regular route, or used in connection with the transportation of property for compensation under an individual written contract.

2. The term "truck operator" shall mean any person operating any motor truck or motor trucks upon any highway in this state.

3. The term "highway" shall mean every street, road, bridge, or thoroughfare of any kind in this state.

4. The term "commission" shall mean the Iowa state commerce commission.

5. The term "contract carrier" shall mean any person who does not hold out to the general public to serve it indiscriminately and who, for compensation, engages in the business of transportation of property by motor

truck under individual written contracts, thereby providing a special and individual service required by the peculiar needs of a particular shipper, but does not include, (1) a motor carrier as defined in chapter 325, (2) a truck operator, or (3) a person whose transportation by motor vehicle is in furtherance of a private enterprise other than the business of transportation for others for compensation.

The term "individual written contract" shall mean an agreement in writing between a contract carrier and a shipper, effective for a duration of at least three months, imposing mutual obligations to tender freight and perform transportation, and specifying the charges. The presence of goods originating from more than five shippers on one vehicle at any one time shall be prima-facie evidence that the carrier is a motor carrier and not a contract carrier.

Provided, however, a self-propelled vehicle used exclusively for towing of disabled vehicles shall not be subject to subsections 1 and 3 of section 327.2 or rules made under said subsections, and shall not be required to carry cargo insurance. [C31, 35,§5105-c1; C39,§5105.01; C46, 50, 54, 58, 62,§327.1]

327.2 Jurisdiction. The commission is hereby vested with power and authority and it shall be its duty to:

1. Fix or approve the rates, charges, classifications, and rules and regulations pertaining thereto, of each truck operator, after complaint has been filed in accordance with rules established by the commission.

Referred to in §327.1

2. Regulate and supervise the service of each truck operator, provided that only the department of public safety shall prescribe and enforce safety regulations which it is hereby empowered to do.

3. Require the filing of annual and such other reports as it may deem necessary, provided however, that this subsection shall not apply to truck operators operating not more than two motor vehicles and who are not engaged in interstate commerce.

Referred to in §327.1

4. Supervise and regulate truck operators in all other matters affecting the relationship between such truck operators and the traveling and shipping public. [C31, 35,§5105-c2; C39, §5105.02; C46, 50, 54, 58, 62,§327.2]

Referred to in §327.1

327.3 Rules and regulations. The commission shall also have power and authority by general or special order to prescribe rules and regulations applicable to any and all truck operators and contract carriers, provided that only the department of public safety shall prescribe and enforce safety regulations. [C31, 35,§5105-c3; C39,§5105.03; C46, 50, 54, 58, 62, §327.3]

327.4 Powers. All control, power, and authority over railroads and railroad companies, motor vehicles and motor carriers now vested in the commission, insofar as the same are applicable, are hereby specifically extended to include truck operators and contract carriers. [C31, 35,§5105-c4; C39,§5105.04; C46, 50, 54, 58, 62,§327.4]

327.5 Charges. All charges made by any truck operator for any service rendered or to be rendered in the public transportation of property, or in connection therewith, shall be just, reasonable, and nondiscriminating, and every unjust, unreasonable, or discriminating charge for such service or any part thereof is prohibited and declared unlawful. [C31, 35, §5105-c5; C39,§5105.05; C46, 50, 54, 58, 62,§327.5]

327.6 Permit. It is hereby declared unlawful for any truck operator or contract carrier to operate or furnish public service within this state without first having obtained from the commission a permit as hereinafter defined. Providing, however, that any person, firm, or corporation whose truck operator or contract carrier permit has been revoked for a willful violation shall be required to pay a fee of one hundred dollars in addition to the other fees required by this section before such person, firm or corporation shall be granted a new

permit. And providing, further, that any person, firm or corporation whose permit has been revoked shall not operate as a truck operator or contract carrier until such person, firm, or corporation shall have applied for and received a new permit from the commission. [C31, 35,§5105-c6; C39,§5105.06; C46, 50, 54, 58, 62,§327.6]

2. The principal office or place of business of the applicant.

3. A general description of the territory in which the applicant proposes to operate and a general description of the service proposed to be rendered.

327.8 Issuance. Upon the filing of the application and if the applicant shall otherwise comply with the terms and conditions of this chapter, the commission shall issue to the applicant a permit as herein defined. The actual operation of such motor vehicle or vehicles shall not begin without the written approval of the state department of public safety, stating that the applicant has complied with the prescribed safety regulations. [C31, 35,§5105-c8; C39,§5105.08; C46, 50, 54, 58, 62, §327.8]

327.9 Fee. No motor truck engaged in the transportation of property under a truck operator or contract carrier permit issued under the provisions of this chapter shall be operated on the highways of this state unless there shall have been paid to the commission for the administration of this chapter an annual fee in the amount of five dollars; provided, however, that the fee herein provided shall not be imposed on any tractor or truck-tractor; provided, however, that the fee herein provided for each semitrailer shall be in the amount of six dollars.

For the purposes of this section the terms "tractor or truck-tractor" shall mean every self-propelled vehicle designed and used primarily for drawing other vehicles and not so constructed as to carry a load other than a part of the weight of the vehicle and load so drawn.

It shall be a misdemeanor for any truck operator or contract carrier to operate any motor truck for which the annual fee has not been paid and the commission may revoke the truck operator or contract carrier permit of any such violator or both. [C31, 35,§5105-c9; C39,§5105.09; C46, 50, 54, 58, 62,§327.9]

Referred to in §327.10

327.10 Nonresidents—reciprocal waiver of fee. The reciprocity board established by law shall be empowered to waive the fee provided for in section 327.9, provided said motor truck is owned by a nonresident of this state and is operated upon the highways thereof only in the conduct of business in interstate commerce and provided further that the owner of said motor truck has complied with the registration requirements of the state of his or its residence, and said board shall do all things necessary or required to negotiate and perfect reciprocal agreements between the various states and the state of Iowa, waiving the fee provided for in section 327.9 for the purpose of securing exemptions and privileges for citizens of this state operating motor vehicles in other states. [C39,§5105.10; C46, 50, 54, 58, 62,§327.10]

Reciprocity board, chapter 326

327.11 Payment of fee. It shall be the duty of the commission to collect all permit fees provided in this chapter, and failure to pay any such permit fee within thirty days after the time the same shall become due shall be cause for revocation of the permit of the truck operator in arrears. [C31, 35,§5105-c10; C39, §5105.11; C46, 50, 54, 58, 62,§327.11]

327.12 Accounting. The commission shall, on the last day of each month, remit to the treasurer of state all moneys collected under this chapter during such month. [C31, 35, §5105-c11; C39,§5105.12; C46, 50, 54, 58, 62, §327.12]

327.13 Expenditure of funds. All moneys received under the provisions of this chapter or so much thereof as may be necessary shall be used for the administration and enforcement of the provisions of this chapter and the regulation of truck operators, and shall be paid to the commission by warrant drawn from time to time by the state comptroller upon the treasurer of state. Unexpended balances on June 30 of each year shall be credited to the general fund of the state by December 31 following. [C31, 35,§5105-c12; C39,§5105.13; C46, 50, 54, 58, 62,§327.13]

327.15 Insurance or bond. No permit shall be issued until and after the applicant shall have filed with the commission an insurance policy, policies, surety bond or certificate of insurance in form to be approved by the commission issued by some insurance carrier or bonding company authorized to do business in this state. The minimum limits of liability of any policy, policies or surety bond shall, for each motor truck thereby covered, be as follows:

1. To cover the assured's legal liability as a truck operator or contract carrier for bodily injury or death resulting therefrom as a result

of any one accident or other cause, twenty-five thousand dollars for any recovery by one person, and subject to said limit for one person fifty thousand dollars for more than one person.

2. To cover the assured's legal liability as a truck operator or contract carrier for damage to or destruction of any property other than that of or in charge of the assured, as a result of any one accident or other cause, ten thousand dollars.

3. To cover the assured's legal liability as a truck operator for loss of or damage to property in the possession or custody of the assured while for the purpose of or being transported, except property of the assured, as a result of any one accident or any other cause, two thousand dollars for each motor truck, except a combination of truck-tractor and semitrailer for which such minimum limit shall be five thousand dollars. Such insurance policy, policies or surety bond shall bind the obligors thereunder to make compensation for injuries to persons, excluding injury to or death of the applicant's employees while engaged in the course of their employment, and loss of or damage to property resulting from the operation of such motor truck and for which such truck operator would be legally liable. Such insurance policy, policies or surety bond shall also provide that any person, firm, association or corporation having a right of action against such truck operator for injuries to persons or loss of or damage to property, may bring action for recovery directly upon such insurance policy, policies or surety bond against such insurance carrier or bonding company when service cannot be obtained on the truck operator within this state. No other or additional policies or bond shall be required of any truck operator by any city, town, or other agency in the state. Failure to keep such insurance in force at all times shall cause the permit of the truck operator to be revoked. [C31, 35, §5105-c14; C39,§5105.15; C46, 50, 54, 58, 62, §327.15]

Similar provision, §325.26

327.16 Revocation of permit. For just cause, after due hearing, the commission may at any time alter, amend or revoke any permit issued. If the holder of the permit or his agent persists in a violation of any safety regulation prescribed by the department of public safety, the latter may recommend to the commission revocation of said permit and such violation shall be grounds for such revocation. [C31, 35, §5105-c15; C39,§5105.16; C46, 50, 54, 58, 62, §327.16]

sion, or the commissioner of public safety, or who procures, aids, or abets any corporation or person in his failure to obey, observe, or comply with any such order, decision, rule, direction, demand, or regulation or any part or provision thereof, shall be guilty of a misdemeanor and upon conviction shall be punished by a fine not exceeding one hundred dollars or by imprisonment in the county jail for a period of not to exceed thirty days. After said aircraft has been registered once the registration fee shall be seventy-five percent of the rate as fixed for the first registration; after two times fifty percent; and after three times twenty-five percent; provided, however, that no aircraft shall be registered for a registration fee of less than ten dollars.

3. Where there is no delinquency and the registration is made in August or succeeding months to and including May, the fee shall be computed on the basis of one-twelfth of the annual registration fee multiplied by the number of the unexpired months of the year and said amount shall be the fee collected. No fee shall be required for the month of June for a new aircraft, in good faith delivered in that month, providing said aircraft is registered at the time of purchase for the following year.

4. The registration fee for an aircraft operated in scheduled interstate airline operation, owned by an Iowa person and operated part time within this state shall be a fee of ten dollars each for the first two years of registration and thereafter a sum equal to a percentage of the aircraft registration fee hereinbefore provided for in subsections 2 and 3 of this section, which percentage shall be computed by dividing the total number of hours during which said aircraft is operated within this state by the total number of hours during which said aircraft is operated in scheduled interstate airline operation. The full registration fee shall be paid at the beginning of the registration period and adjustment and refund shall be made by the commission following the close of the registration period upon application therefor by the person in whose name the aircraft was registered, said application to be supported by such records as the commission shall prescribe.

5. When the fee as so computed results in a fractional part of a dollar, it shall be computed to the nearest quarter of a dollar. [C46, 50, 54, 58, 62,§328.21]

Referred to in §§328.26, 328.35, subsection 3

Referred to in §328.26

328.23 Credit on registration fees. A transporter may operate any such aircraft solely for the purpose of delivery upon likewise displaying therein, a special certificate issued to him as provided in these sections.

The provisions of this section and sections 328.29 to 328.33, inclusive, shall not apply to aircraft owned by manufacturer, transporter, or dealer, which are used for hire or principally for transportation of persons and property, aside from the transporting of the aircraft itself, or testing or demonstrating thereof. 329.14 Enforcement and remedies.

329.15 Short title.

329.1 Definitions. The following words, terms, and phrases, when used in this chapter, shall, for the purposes of this chapter, have the meaning herein given, unless otherwise specifically defined, or unless another intention clearly appears, or the context otherwise requires:

1. "Airport" means any area of land or water designed and set aside for the landing and take-off of aircraft and utilized, or to be utilized, in the interest of the public for such purposes.

2. "Airport hazard" means any structure or tree, or use of land, which obstructs the airspace required for the flight of aircraft in landing or taking off at an airport, or is otherwise hazardous to such landing or taking off of aircraft.

3. "Airport hazard area" means any area of land or water upon which an airport hazard might be established if not prevented as provided by this chapter.

4. "Municipality" means any county, city, village, or town of this state.

5. "Person" means any individual, firm, co-partnership, corporation, company, association, joint stock association, or body politic, and includes any trustee, receiver, assignee, or other similar representative thereof.

6. "Structure" means any object constructed or installed by man, including, but without limitation, buildings, towers, smokestacks, and overhead transmission lines, including the poles or other structures supporting the same.

7. "Tree" means any object of natural growth.

8. "Obstruction" means any tangible, inanimate physical object, natural or artificial, protruding above the surface of the ground.

9. "Commission" means the Iowa aeronautics commission; "state" or "this state" means the state of Iowa.

10. The singular shall include the plural, and the plural the singular. [C46, 50, 54, 58, 62,§329.1]

329.2 Airport hazards contrary to public interest. It is hereby found that an airport hazard endangers the lives and property of users of the airport and of occupants of land and other persons in its vicinity, and also, if of the obstruction type, in effect reduces the size of the area available for the landing, taking off and maneuvering of aircraft, thus tending to destroy or impair the utility of the airport and the public investment therein. Accordingly, it is hereby declared:

1. That the creation or establishment of an airport hazard is a public nuisance and an

injury to the community served by the airport in question.

2. That it is necessary in the interest of the public health, safety, and general welfare that the creation or establishment of airport hazards be prevented.

3. That this should be accomplished, to the extent legally possible, by proper exercise of the police power.

4. That the prevention of the creation or establishment of airport hazards, and the elimination, removal, alteration, mitigation, or marking and lighting of existing airport hazards are public purposes for which municipalities may raise and expend public funds, as an incident to the operation of airports, to acquire land or property interests therein. [C46, 50, 54, 58, 62, §329.2]

See §657.2, subsection 9

329.3 Zoning regulations—powers granted.

Every municipality having an airport hazard area within its territorial limits may adopt, administer, and enforce in the manner and upon the conditions prescribed by this chapter, zoning regulations for such airport hazard area, which regulations may divide such area into zones and, within such zones, specify the land uses permitted, and regulate and restrict, for the purpose of preventing airport hazards, the height to which structures and trees may be erected or permitted to grow. [C46, 50, 54, 58, 62, §329.3]

Referred to in §§329.4, subsection 2, 329.6

329.4 Extra-territorial airport hazard areas.

When any airport hazard area appertaining to an airport owned or controlled by a municipality is located outside the territorial limits of said municipality:

1. *Ordinances or resolutions.* The municipality owning or controlling the airport, and the municipality within which the airport hazard area is located, may by duly adopted ordinance or resolution, as may be appropriate, adopt, administer, and enforce airport zoning regulations applicable to the airport hazard area in question.

2. *Petition to district court.* If the municipality within which is located such airport hazard area has failed or refused, within sixty days after demand has been made upon it by any municipality owning or controlling the airport, to adopt reasonably adequate airport zoning regulations under section 329.3, or to join in adopting joint airport zoning regulations as authorized in subsection 1 of this section, the municipality owning or controlling the airport may, upon a resolution of necessity therefor duly adopted by its governing body, petition the district court of the county in which such airport hazard area or any part thereof is located, in the name of the municipality owning or controlling the affected airport, praying that zoning regulations be established for the airport hazard area in question.

3. *Petition—contents.* Such petition shall allege all essential facts showing the necessity

for bringing such action, the relief sought including proposed zoning regulations, and the necessity therefor.

Referred to in §329.6

4. *Parties.* The parties defendant in such action shall be the municipality in which such airport hazard area is located, and all persons having an apparent or contingent interest in the property located within such area, who may be joined in said action generally as a class.

Referred to in §329.6

5. *Procedure.* The action shall be triable in equity and in accordance with general rules of civil procedure, except that such action shall have precedence over any other business of the court except criminal cases, and the court shall set said petition for hearing not less than sixty days nor more than one hundred twenty days from the date it is filed with the clerk of said court.

Referred to in §329.6

6. *Notice.* The original notice in such action shall be served upon the municipality in which such airport hazard area is located, and in the same manner as original notice of any other action but not less than thirty days prior to the date set for trial; and upon all other defendants by the publication of said notice in some newspaper or newspapers of general circulation within the area described in the petition, or as near thereto as possible, which publication shall be in the same manner as provided for the publication of other original notices, provided however that the last publication thereof shall be not less than thirty days prior to the date set for trial.

Referred to in §329.6

7. *Decree and modification.* Upon trial the court may enter decree establishing such zoning regulations as it shall find reasonable and necessary. The court having once taken jurisdiction of such matter shall retain continuing jurisdiction thereof for such subsequent modification as it may deem advisable, upon proper application of interested parties, and due showing made thereunder after such notice to possible adverse parties as the court shall prescribe.

Referred to in §329.6

8. *Appeal.* Any person or municipality adversely affected or aggrieved by any findings of the court may appeal therefrom as in other civil actions.

Referred to in §329.6

9. *Enforcement.* Following the entry of any final decree by the district court, and unless appeal has been taken therefrom, the zoning regulations established by such decree may be enforced, and violations thereof punished, as provided by section 329.14. [C46, 50, 54, 58, 62, §329.4]

Referred to in §329.6

329.5 Prevention of airport hazards. Any municipality owning or controlling an airport may maintain actions in equity to restrain and abate as nuisances the creation or establish-

ment of airport hazards appertaining to said airport, in violation of any zoning regulations adopted or established pursuant to the provisions of this chapter for any area whether within or without the territorial limits of said municipality. [C46, 50, 54, 58, 62,§329.5]

See §657.2, subsection 9

329.6 Zoning powers— aeronautics commission. If any municipality owning or controlling an airport adjacent to which there is an airport hazard area shall fail or refuse, within sixty days after demand made upon it by the aeronautics commission of the state, to adopt reasonably adequate airport zoning regulations under section 329.3, or to proceed as provided in section 329.4, the aeronautics commission of the state may petition the district court of the county in which such airport hazard area, or any part thereof, is located, in the name of the state, praying that zoning regulations be established for the airport hazard area in question, and the provisions of subsections 3 to 9, inclusive, of section 329.4 shall apply to such actions provided, however, that such municipality shall be joined as a party defendant in any such action.

The aeronautics commission of the state may maintain actions in equity to restrain and abate as nuisances the creation or establishment of airport hazards appertaining to any airport within the state, in violation of any zoning regulations adopted or established pursuant to the provisions of this chapter. [C46, 50, 54, 58, 62,§329.6]

329.7 Relation to comprehensive zoning regulations. Any municipality which has adopted, or hereafter adopts, zoning ordinances under the provisions of chapter 414, is hereby empowered to incorporate therein such airport hazard area zoning regulations as are provided for by this chapter, and to administer and enforce the same as herein provided. [C46, 50, 54, 58, 62,§329.7]

329.8 Conflicting regulations. In the event of any conflict between any airport zoning regulations adopted or established under this chapter and any other regulations applicable to the same area, whether the conflict be with respect to the height of structures or trees, the use of land, or any other matter, the more stringent limitation or requirement shall govern and prevail. [C46, 50, 54, 58, 62,§329.8]

329.9 Procedure for adopting zoning regulations — zoning commission. In adopting, amending, and repealing airport zoning regulations under this chapter the governing body of the municipality shall follow the procedure as provided in sections 414.4 and 414.6. Any action taken on the part of any county under this chapter shall be by resolution of the board of supervisors thereof and no such action shall be taken without a majority of the board of supervisors voting therefor and consenting thereto. The commission so appointed shall be known as the airport zoning commission. The

airport zoning commission shall consist of two members from each municipality selected by the governing body thereof and one additional member to act as chairman and to be selected by a majority vote of the members selected by the municipality. The terms of the members of the airport zoning commission shall be for six years excepting that when the board shall first be created, one of the members appointed by each municipality shall be appointed for a term of two years and one for a term of four years. Members may be removed for cause by the appointing authority upon written charges after public hearing. Vacancies shall be filled for the unexpired term of any member whose office becomes vacant in the same manner in which said member was selected. [C46, 50, 54, 58, 62,§329.9]

329.10 Airport zoning requirements.

1. All airport zoning regulations adopted under this chapter shall be reasonable and none shall impose any requirement or restriction which is not necessary to effectuate the purposes of this chapter.

2. No airport zoning regulations adopted under this chapter shall require the removal, lowering, or other change or alteration of any structure or tree, or interfere with any use, not conforming to the regulations when adopted or amended, except that they may require the owner thereof to permit the municipality at its own expense to install, operate, and maintain thereon such markers and lights as may be necessary to indicate to operators of aircraft the presence of the airport hazard.

3. All such regulations shall provide that no pre-existing nonconforming structure, tree, or use, shall be replaced, rebuilt, altered, allowed to grow higher, or replanted, so as to constitute a greater airport hazard than it was when such airport zoning regulations or amendments thereto were adopted. [C46, 50, 54, 58, 62,§329.10]

329.11 Variances. Any person desiring to erect or increase the height of any structure, or to permit the growth of any tree, or otherwise use his property in violation of airport zoning regulations adopted under this chapter, may apply to the board of adjustment for a variance from the zoning regulations. Such variances shall be allowed where a literal application or enforcement of the regulations would result in practical difficulty or unnecessary hardship and the relief granted would not be contrary to the public interest, but would do substantial justice and be in accordance with the spirit of the regulations and this chapter; provided, however, that any such variance may be allowed subject to any reasonable conditions that the board of adjustment may deem necessary to effectuate the purposes of this chapter, including the reservation of the right of the municipality, at its own expense, to install, operate, and maintain thereon such markers and lights as may be necessary to indicate to operators of aircraft

the presence of the airport hazard. [C46, 50, 54, 58, 62,§329.11]

329.12 Board of adjustment — creation — powers — duties. The governing body of any municipality availing or seeking to avail itself of the powers by this chapter conferred shall, by ordinance or resolution duly adopted, provide for the appointment of a board of adjustment, as provided in section 414.7. Such board of adjustment shall have the same powers and duties, and its procedure, and appeals thereto and therefrom, in all respects shall be governed by and subject to the same provisions established in sections 414.9 to 414.19, inclusive.

The concurring vote of a majority of the board shall be necessary to reverse any order, requirement, decision or determination of any administrative official or to decide in favor of the applicant on any matter upon which it is required to pass under any regulations adopted pursuant to this chapter or to effect any variance therefrom.

The board of adjustment shall consist of two members from each municipality, selected by the governing body thereof, and one additional member to act as chairman and to be selected by a majority vote of the members selected by the municipality. Members shall be removable for cause by the appointing authority upon written charges and after public hearing. Vacancies shall be filled for the unexpired term of any member whose office becomes vacant in the same manner in which said member was selected. The terms of the members of the board of adjustment shall be for five years,

excepting that when the board shall first be created, one of the members appointed by each municipality shall be appointed for a term of two years and one for a term of four years. [C46, 50, 54, 58, 62,§329.12]

329.13 Administration of airport zoning regulations. All airport zoning regulations adopted under this chapter shall provide for the administration and enforcement of such regulations by an administrative agency (which may be an agency created by such regulations), or by any official, board, or other existing agency of the municipality adopting the regulations, or of one or both of the municipalities which participated therein, but in no case shall such administrative agency be or include any member of the board of adjustment. The duties of any administrative agency designated pursuant to this chapter shall not include any of the powers herein delegated to the board of adjustment. [C46, 50, 54, 58, 62,§329.13]

329.14 Enforcement and remedies. Each violation of this chapter or of any regulations, order, or rules promulgated pursuant to this chapter, shall constitute a misdemeanor, and the perpetrator thereof, upon conviction, shall be punished accordingly; and each day a violation continues to exist shall constitute a separate offense. [C46, 50, 54, 58, 62,§329.14]

Referred to in §229.4, subsection 9

329.15 Short title. This chapter shall be known and may be cited as the "Airport Zoning Act." [C46, 50, 54, 58, 62,§329.15]

Concurrent action by the governing bodies of the political subdivision participating shall constitute joint action. Such agreements may provide for the creation and establishment of a joint airport commission which, when so created or established, shall function in accordance with the provisions of sections 330.17 to 330.24, inclusive, insofar as provided by said agreements. [C46, 50, 54, 58, 62,§330.4]

Taxes for the payment of said bonds shall be levied in accordance with chapter 76 and said bonds shall be payable through the debt service fund in not more than twenty years and bear interest at a rate not exceeding five percent per annum and shall be of such form as the city or town council shall by resolution

And they shall furthermore require that the plans and specifications be in substantial accord with the regulations of the U. S. department of commerce or other department of the federal government having general supervision of air navigation as it relates to plans and specifications for airports. And if so found they shall approve such plans and specifications. [C31, 35,§5903-c7; C39,§5903.07; C46, 50, 54, 58, 62,§330.9]

Such bonds may be issued in such amounts as may be necessary to provide sufficient funds to pay all the costs of construction and operation of such improvement, including engineering and other expenses, together with interest to a date six months subsequent to the estimated date of completion. Bonds issued under the provisions of this section are declared to be negotiable instruments. The principal and interest of said bonds shall be payable solely and only from the special fund herein provided for such payments, and said bonds shall not in any respect be a general obligation of such political subdivision, nor shall they be payable in any manner by taxation. All details pertaining to the issuance of such bonds and the terms and conditions thereof shall be determined by ordinance or resolution duly adopted by the governing body of such political subdivision, which may pledge the property purchased or constructed, and the net earnings thereof, to the payment of said bonds and the interest thereon, and provide that the net earnings thereof shall be set apart as a sinking fund for that purpose. Such political subdivision is authorized and directed to charge the users of such improvements at rates which at all time, shall be sufficient to

pay the principal and interest on the bonds issued under the provisions of this chapter, and the cost of operation and maintenance, and to provide an adequate depreciation fund. Taxes for the payment of said bonds shall be levied in accordance with chapter 76 and said bonds shall be payable through the debt service fund in not more than twenty years and bear interest at a rate not exceeding five percent per annum and shall be of such form as the city or town council shall by resolution provide, but no city or town shall become indebted in excess of five percent of the actual value of the taxable property within said city or town, as shown by the last preceding state and county tax lists. 1. Shall the proposition to increase the number of supervisors to five be adopted?
2. Shall the proposition to increase the number of supervisors to seven be adopted?

If the majority of the votes cast shall be for the proposition so submitted, then at the next general election the requisite additional supervisors shall be elected, and one-half of the additional supervisors shall hold office for four years and one-half for two years.

The length of term for which any person is a candidate and the time when the term begins shall be indicated on the ballot. [R60, §303; C73,§§294, 299; C97,§410; SS15,§410; C24, 27, 31, 35, 39,§5107; C46, 50, 54, 58, 62,§331.2; 60 GA, ch 77,§3]

1. Shall the proposition to reduce the number of supervisors to five be adopted?
2. Shall the proposition to reduce the number of supervisors to three be adopted?

If a majority of the votes cast shall be for the decrease, then the number of supervisors shall be reduced to the number indicated by such vote. [C73,§299; C97,§410; SS15,§410; C24, 27, 31, 35, 39,§5108; C46, 50, 54, 58, 62,§331.3]

If upon such subsequent vote of the electors, a majority of the votes cast is adverse to the allocation proposed, then the tax fund shall revert to and become part of the county general fund. 347A.1 Contracts—trustees. Any county in the state of Iowa having a population less than one hundred fifty thousand is hereby authorized and empowered to acquire, construct, equip, operate and maintain a county hospital and, for the purpose of acquiring, constructing, equipping, enlarging or improving any such county hospital and acquiring the necessary lands, rights of way and other property necessary therefor, may issue revenue bonds all as in this chapter provided. All contracts for construction work of such county hospital shall be awarded by the board of supervisors on competitive bidding following such advertisement as may be prescribed by such board. The administration and management of any county hospital acquired, constructed, equipped, enlarged or improved under this chapter shall be vested in a board of hospital trustees consisting of five members appointed by the board of supervisors from among the resident citizens of the county with reference to their fitness for such office, and not more than two of such trustees shall be residents of the same township. Such trustees shall hold office until the next succeeding election, at which time their successors shall be elected, two for a term of two years, two for a term of four years and one for a term of six years, and thereafter their successors shall be elected for regular terms of six years each. Vacancies in the board of trustees shall be filled in the same manner as original appointments to hold office until the next succeeding general election. Said trustees shall, within ten days after their appointment or election qualify by taking the usual oath of office, but no bond shall be required of them. The members of such board of hospital trustees shall receive no compensation but shall be reimbursed for all expenses incurred by them with the approval of said board in the performance of their duties. The board first appointed shall organize promptly following their appointment, and shall serve until such time as their successors are elected and qualified; thereafter during the month of November of each year the board shall reorganize by the appointment of a chairman and a secretary. The county treasurer shall be ex officio treasurer of the board of hospital trustees. The board of hospital trustees may employ, fix the compensation and remove at pleasure professional, technical and other employees, skilled or unskilled, as it may deem necessary for the operation and maintenance of the hospital, and disbursement of funds in such operation and maintenance shall be made upon order and

approval of the board of hospital trustees. A county hospital may include a nurses home and nurses training school. The board of trustees shall make all rules and regulations governing its meetings and the operation of the county hospital and shall fix rates, fees and charges for the services thereby furnished so that the revenues will be at all times sufficient in the aggregate to provide for the payment of the interest on and principal of all revenue bonds that may be issued and outstanding under the provisions of this chapter, and for the payment of all operating and maintenance expenses of the hospital. [C50, 54, 58, 62, §347A.1]

347A.2 Bonds — authorization — payment. For the purpose of acquiring, constructing, equipping, enlarging or improving such hospital or any part thereof, any such county may, pursuant to resolution of the board of supervisors of such county, from time to time issue and dispose of its negotiable interest-bearing revenue bonds payable solely as to both principal and interest from the revenues to be derived from the operation of such hospital. All such bonds may bear such date or dates, may mature at such time or times not exceeding thirty years from their respective dates, may bear interest at such rate or rates not exceeding five percent per annum payable semiannually, may be in such form and payable at such place or places, and may be subject to such redemption privileges as is stated on the face thereof and as may be provided in such resolution. After a resolution authorizing such revenue bonds has been adopted the county auditor shall publish notice of such adoption in at least one newspaper of general circulation in the county at least once each week for two consecutive weeks. Such notice shall identify the resolution by the date of its adoption and shall specify the amount of bonds proposed to be issued, and if within twenty days following the date of the first publication of such notice a petition is filed with the county auditor signed by qualified voters of said county in number equal to or exceeding twenty percent of the total number of votes cast in such county for governor at the last preceding regular election whereat a governor was elected then the bonds authorized by such resolution shall not be issued unless and until the proposition to issue same shall have been submitted at an election throughout the county and approved by not less than sixty percent of the votes cast for and against the proposition. When any such petition is filed it shall be referred to the board of supervisors at its next

meeting and thereupon the board of supervisors may either repeal the bond resolution or order the election which shall be called and conducted in the manner provided by chapter 345. If there be no petition filed within the time hereinbefore provided or if there be a petition filed and the proposition of issuing such bonds is approved at such election then the board of supervisors may proceed with the acquisition, construction, equipment, operation and maintenance of the county hospital and the issuance of bonds in connection therewith, all as in this chapter permitted and provided. Under no circumstances shall any revenue bonds issued under the provisions of this chapter be or become an indebtedness of the county within the purview of any constitutional or statutory limitation or provision, and it shall be plainly stated on the face of each bond that it does not constitute such an indebtedness, but is payable solely from the revenues as aforesaid. All such bonds shall be sold in such manner and upon such terms as is prescribed by the resolution authorizing the issuance thereof, provided, that no bonds shall be sold upon terms that will result in an interest cost computed to maturity of the bonds according to standard tables of bond values of more than five percent per annum. The resolution authorizing such revenue bonds may contain such covenants as are determined by the board of supervisors to be desirable in connection with the use and application of the bond proceeds, the operation of the county hospital and the custody and application of the revenues from such operation. The sole remedy for any breach or default of the terms of any such bonds or proceedings for their issuance shall be by mandamus in a court of competent jurisdiction to compel performance and compliance therewith. [C50, 54, 58, 62,§347A.2]

347A.3 Tax for maintenance and operation. If in any year, after payment of the accruing interest on and principal due of any revenue bonds issued hereunder from the revenues derived from the operation of such hospital, there be a balance of such revenues insufficient to pay the expenses of operation and maintenance of the county hospital the board of hospital trustees shall certify that fact as soon as ascertained to the board of supervisors of such county, and thereupon it shall be the duty of such board of supervisors to make the amount of such deficiency for paying the expenses of operation and maintenance of the county hospital available from other county funds or, the board of supervisors of such county shall levy a tax not to exceed four mills in any one year on all the taxable property in said county in an amount sufficient for that purpose, it being conditioned that no general county funds or the proceeds of any taxes shall ever be used or applied to the payment of the interest on or principal of any revenue bonds issued under the provisions of this chapter, but that such general county funds or proceeds of taxes may

only be used and applied to pay such expenses of operation and maintenance of the county hospital as cannot be paid from available revenue derived from such operation. [C50, 54, 58, 62,§347A.3]

347A.4 Independent method. This chapter shall be construed as providing an alternative and independent method for the acquisition, construction, equipment, enlargement, improvement, operation and maintenance of a county hospital, and for the issuance and sale of revenue bonds in connection therewith, and shall not be construed as an amendment of or subject to the provisions of any other law. [C50, 54, 58, 62,§347A.4]

347A.5 Discrimination prohibited. The provisions of section 347.18 are made applicable to this chapter. [C50, 54, 58, 62,§347A.5]

347A.6 Collection of accounts. It shall be the duty of the hospital trustees either by themselves or through the superintendent or similar person to make collections of all accounts for hospital services. Such account shall be payable on presentation to the person liable thereby of an itemized statement and if not paid or secured within sixty days after such presentation the said trustees shall proceed to enforce collections by such means as are necessary and are authorized to employ any person for that purpose and, if legal proceedings are required, may employ counsel, the employment in either event to be on such arrangement for compensation as the hospital trustees deem appropriate. [C58, 62,§347A.6]

347A.7 Enlarging and improving county hospital. For the purpose of enlarging and improving any county hospital or hospitals theretofore acquired and being operated under the provisions of this chapter, any such county, upon petition and recommendation of the board of hospital trustees, and pursuant to resolution of the board of supervisors of such county, may from time to time incur indebtedness and issue and sell the negotiable interest-bearing general obligation bonds of said county, provided that the principal amount of all such bonds which may be issued and outstanding under this section shall not be in excess of two percent of the assessed value of the taxable property in such county as shown by the latest state and county tax lists. All such bonds may bear such date or dates, may mature at such time or times not exceeding twenty years from their respective dates, may bear interest at such rate or rates not exceeding five percent per annum payable semi-annually, may be in such form and payable at such place or places, and may be made subject to such privileges of redemption prior to maturity and upon such terms of redemption as are stated on the face of such bonds and as may be provided in such resolution.

For the purpose of paying such bonds and interest thereon, the board of supervisors of such county shall in and by the resolution authorizing the issuance thereof provide for

the levy of an annual tax sufficient for that purpose on all of the taxable property in such county, in addition to all other taxes.

After the resolution authorizing any such bonds has been adopted the county auditor shall publish notice of such adoption in at least one newspaper of general circulation in the county at least once each week for two consecutive weeks. Such notice shall identify the resolution by the date of its adoption and shall specify the amount of bonds proposed to be issued, and if, within twenty days following the date of the first publication of such notice, a petition is filed with the county auditor signed by qualified voters of said county in number equal to or exceeding twenty percent of the total number of votes cast in such county for governor at the last preceding regular election whereat a governor was elected, then the bonds authorized by such resolution shall not be issued unless and until the proposition to issue same shall have been submitted at an election throughout the county and approved by not less than sixty percent of the

votes cast for and against the proposition. When any such petition is filed, it shall be referred to the board of supervisors at its next meeting and thereupon the board of supervisors may either repeal the bond resolution or order an election which shall be called and conducted substantially in the manner provided by chapter 37. If no petition is filed within the time hereinbefore provided or if a petition is filed and the proposition of issuing such bonds is approved at such election, then the board of supervisors may proceed with the enlargement and improvement of such county hospital and the issuance of bonds in connection therewith, all as in this section permitted and provided.

This section shall be construed as providing an alternative and independent method for the enlargement and improvement of such county hospital; shall not be construed as limiting or superseding any other method of enlargement and improvement of such county hospital; and shall not be construed as an amendment of or subject to the provisions of any other law. [C62,§347A.7]

351A.1 Definitions. For the purposes of this chapter, the following definitions shall apply:

1. "Institution" shall mean any school or college of medicine, veterinary medicine, pharmacy, dentistry, and osteopathy, or hospital, diagnostic or research laboratories, or other educational or scientific establishment situated in this state properly concerned with the investigation of, or instruction concerning the structure or function of living organisms, the cause, prevention, control or cure of diseases or abnormal conditions of human beings or animals.

2. "Pound" shall mean any public or private agency, person, society, or corporation having custody of dogs seized or held under the authority of the state or any municipality or any political subdivision of the state. [C62,§351A.1]

351A.2 Application to department of health. An institution may apply annually to the state department of health for authority to obtain animals from a pound. If the state department of health shall find that such institution, by reason of its ethical standards, its personnel, its facilities and the use it proposes to make of dogs is a fit and proper institution to be authorized to obtain dogs from a pound, and that the public interest would be served by such authority, then the state department of health shall authorize such institution to obtain dogs from a pound. [C62,§351A.2]

351A.3 Dogs held for redemption by owner. An institution so authorized by the state department of health may request dogs from a pound. The pound shall tender to such institution all dogs in its custody seized or held by authority of the state, municipality or other political subdivision, except that no dog shall

be so tendered unless it has been held for redemption by its owner or sale for a period of not less than three nor more than fifteen days and no dog lawfully licensed at the time of its seizure shall be so tendered unless its owner shall so consent in writing. No dogs, except those actually sick or injured or those lawfully licensed at the time of seizure, shall be destroyed by a pound while a request to that pound of an authorized institution is unfulfilled unless first tendered to such institution and refused by it. [C62,§351A.3]

351A.4 Fee. An institution obtaining dogs from a pound shall pay to the municipality or other political subdivision under whose authority each dog is held or was seized a reasonable fee not to exceed five dollars for each dog so obtained, and shall provide for the transportation of the dogs so obtained from the pound. [C62,§351A.4]

351A.5 Care and treatment. Animals used in any institution authorized by this chapter shall receive every consideration for their bodily comfort; they shall be kindly treated, properly fed and their surroundings kept in a sanitary condition. All major operative procedures may be done under local infiltration anesthesia. If the nature of the study is such that the animal may survive, acceptable techniques shall be followed throughout the operation. If the study does not require survival, the animal shall be killed in a humane manner at the conclusion of the observations. The post-operative care of experimental animals shall be such as to minimize discomfort during convalescence. All conditions shall be maintained for the animal's comfort in accordance with the best practices followed in human medicine and surgery. [C62,§351A.5]

351A.6 Penalty. It shall be a misdemeanor for any person or corporation to violate any provision of this chapter. Every person convicted hereunder shall be punished by imprisonment for a period not more than thirty days, or by a fine not to exceed one hundred dollars. Any pound failing or refusing to comply with the provisions of this chapter shall become immediately ineligible for any public moneys notwithstanding the provisions of any contract, and it shall be unlawful for any public body to pay any public moneys to a pound after receipt by it of a notice of such noncom-

date of the survey; and the courses shall be taken according to the true meridian, and the variation of the magnetic from the true meridian stated. The surveyor shall determine the correct variation by an observation on the polestar, or some other approved method, at least once each year, and enter the same, with the date, and description of the method used, in his record. Any officer having charge of prisoners who without just cause or excuse neglects or refuses to perform the duties imposed on him by this section may be suspended or removed from office therefor. [C97,§5638; C24, 27, 31, 35, 39,§5499; C46, 50, 54, 58, 62,§356.3]

357.1 Petition. The board of supervisors of any county shall, on the petition of twenty-five percent of the resident property owners in any proposed benefited water district, grant a hearing relative to the establishment of such proposed water district; such petition shall set out the following and any other pertinent facts:

1. The need of a public water supply.
2. The approximate district to be served.

3. The approximate number of families in the district.

4. The proposed source of supply.

5. The type of service desired, whether domestic only or for fire protection and other uses.

The board of supervisors may, at its option, require a bond of the petitioners as provided in section 455.10.

In case the proposed benefited water district

is located wholly within the corporate limits of any city or town, only the council of the city or town shall have the authority to establish the water district, and the provisions of this chapter referring to the board of supervisors shall be applicable to the city or town council. [C24, 27, 31, 35,§5523; C39,§5526.01; C46, 50, 54, 58, 62,§357.1]

357.2 Territory included. The benefited water district may include part or all of any incorporated city or town, or cities and towns, together with or without surrounding territory including cemeteries and all publicly owned land. Said publicly owned property shall pay and bear its proportionate share of the cost and expense of said water system upon the same basis as privately owned property. [C39,§5526.02; C46, 50, 54, 58, 62,§357.2]

357.3 Scope of assessment. The special assessment hereinafter provided for may be used to cover the costs of installing all the necessary elements of a water system, for both production and distribution. [C24, 27, 31, 35, §5522; C39,§5526.03; C46, 50, 54, 58, 62,§357.3]

357.4 Public hearing. When the board of supervisors receives a petition for the establishment of a benefited water district, a public hearing shall be held within twenty days of the presentation of the petition. Notice of such hearing shall be given by posting bills in three public places within the district, or by publication in two successive issues of any paper of general circulation within the district. The last publication or posting shall be not less than one week before the proposed hearing. [C24, 27, 31, 35,§5523; C39,§5526.04; C46, 50, 54, 58, 62, §357.4]

357.5 Decision at hearing. On the day fixed for such hearing, the board of supervisors shall by resolution establish the benefited water district or disallow the petition. For adequate reasons the board of supervisors may defer action on such petition for not to exceed ten days after the day first set for a hearing. [C24, 27, 31, 35,§5523; C39,§5526.05; C46, 50, 54, 58, 62,§357.5]

357.6 Examination by engineer. When the board of supervisors shall have established the benefited water district, they shall appoint a competent disinterested civil engineer and instruct him to examine the proposed improvement, make preliminary designs in sufficient detail to make an accurate estimate of the cost of the proposed water system. He shall also report as to the suitability of the proposed source of water supply. [C39,§5526.06; C46, 50, 54, 58, 62,§357.6]

357.7 Water source without district. When in any proposed benefited water district, it is anticipated that the source of supply will be without the district, and not under its control, the board of supervisors shall instruct the engineer who is appointed to make the preliminary design and dummy assessment, to also obtain from the corporation or municipality

which controls the proposed source of supply, a statement in writing, outlining the terms upon which water will be furnished to the district, or to the individuals within the district and on what terms in either case.

This preliminary proposal from the governing body of the source of supply shall be binding, and shall be in the nature of an option to purchase water by the district, or the individual within the same, if and when the proposed benefited water district shall have completed its construction, and is ready to use water. This proposal shall accompany and be a part of the engineer's preliminary report to the board of supervisors. [C39,§5526.07; C46, 50, 54, 58, 62,§357.7]

357.8 Plat. The said engineer shall prepare a preliminary plat showing the proper design in general outline, the size and location of the water mains, the general location of hydrants, if such are included in said petition, valves and other appurtenances, and shall show the lots and parcels of land within the proposed district as they appear on the county auditor's plat books, together with the names of the owners and the amount which it is estimated that such lot or parcel will be assessed. [C39, §5526.08; C46, 50, 54, 58, 62,§357.8]

357.9 Compensation of engineer. The compensation of such engineer on the preliminary investigation shall be determined by the board of supervisors and may be by percentage or per diem. [C39,§5526.09; C46, 50, 54, 58, 62, §357.9]

357.10 Filing of report and plat. The engineer's report, together with the dummy plat showing the tentative design and assessment, shall be filed with the county auditor within thirty days of such engineer's appointment, unless for adequate reasons it is impossible for him to do so, in which case the board of supervisors may extend the time therefor. [C39, §5526.10; C46, 50, 54, 58, 62,§357.10]

357.11 Hearing on report. On receipt of the engineer's report, the board of supervisors shall give notice in the same manner as before, of a hearing on the engineer's tentative design and dummy plat. On the day set, or within ten days thereafter, the board of supervisors shall approve or disapprove the engineer's plan and proposed assessment. If it shall appear advisable, the board of supervisors may make changes in the design and assessment, as they appear on the dummy plat. [C39,§5526.11; C46, 50, 54, 58, 62,§357.11]

357.12 Election. When the preliminary design and assessment have been approved by the board of supervisors, a date not more than thirty days after such approval shall be set for an election within the district to determine whether or not the proposed improvement shall be constructed and to choose candidates for the offices of trustee within the district. Except that where the benefited water district is wholly within the corporate limits of a city or town, the members of the city or town

council shall be the trustees, and the provisions hereinafter referring to the election and terms of trustees are not applicable. Notice of the election, including the time and place of holding the same, shall be given in the same manner as for the public hearing heretofore provided for. The vote shall be by ballot which shall state clearly the proposition to be voted upon, and any legal voter residing within the district at the time of the election shall be entitled to vote. Judges will be appointed to serve without pay, by the board of supervisors from among the qualified voters of the district who will have charge of the election. The proposition shall be deemed to have carried if a majority of those voting thereon vote in favor of the same. [C24, 27, 31, 35, §5524; C39, §5526.12; C46, 50, 54, 58, 62, §357.12]

Referred to in §357.13

357.13 Trustees—terms. At the election provided for in section 357.12, the names of the trustees shall be written by the voter on blank ballots without formal nomination and the board of supervisors shall appoint three from among the five receiving the highest number of votes as trustees for the district, one to serve for one year, one for two years, and one for three years, which trustees and their successors shall give bond in the amount the board of supervisors may require, the premium of which shall be paid by the district said trustees represent. Vacancies may thereafter be filled by election, or by appointment by the board of supervisors, at the option of the remaining trustees. The term of succeeding trustees shall be for three years. [C24, 27, 31, 35, §5524; C39, §5526.13; C46, 50, 54, 58, 62, §357.13]

357.14 Bids for construction. If the result of said election be in favor of said improvement, the board of supervisors shall instruct the engineer to complete the plans and specifications, ready for receiving bids for construction of the project, which he shall do within thirty days of receiving notice to do so, unless for adequate reason the board shall extend the time.

When the completed plans and specifications are on file with the county auditor, the board of supervisors shall advertise for bids and shall cause notice to be given by publication once each week for two consecutive weeks in some newspaper published in the county wherein the improvement is to be constructed, setting forth the location and nature of the improvement and the date and place where bids will be received by the board. The last published notice to bidders shall be at least seven days before the time set for receiving bids. Bidders will be required to submit certified checks for five percent of the amount of the bid. [C24, 27, 31, 35, §5524; C39, §5526.14; C46, 50, 54, 58, 62, §357.14]

357.15 Inadequate assessment. When bids have been received, if it is apparent that the final assessment will need to be increased more than ten percent over the preliminary

assessment, the board of supervisors shall, at its option, reject bids and readvertise for bids as provided herein, or reject bids and revise the dummy assessment. If the dummy assessment is revised, another election shall be held within the district in the same manner and with the same notices as the first, except that the candidates for trustees shall not be voted for. [C39, §5526.15; C46, 50, 54, 58, 62, §357.15]

357.16 Second election. If the majority of the votes cast at said second election be in favor of said improvement, the board of supervisors shall again advertise for bids in the same manner as before. If the bids at the second letting will not necessitate raising the second preliminary assessment more than ten percent, the board may let the contract to the lowest responsible bidder. [C24, 27, 31, 35, §5524; C39, §5526.16; C46, 50, 54, 58, 62, §357.16]

357.17 Bond of contractor. The successful bidder, when awarded a contract, shall be required to give an approved surety bond for one hundred percent of the contract price, guaranteeing completion of the work in accordance with the plans and specifications, and for maintenance, including backfilling, for one year after the final acceptance of the work.

If the contractor shall fail to complete the work as provided in his contract, or shall abandon the same, or fail to proceed in a reasonable manner toward its final completion, the board may proceed against the contractor and bondsman as provided in sections 455.114 and 455.115. [C39, §5526.17; C46, 50, 54, 58, 62, §357.17]

357.18 Acceptance of work. When in the opinion of the engineer in charge, the construction in any benefited water district has been completed in accordance with the plans, specifications, and contract, he shall certify this fact to the board of supervisors, and recommend the acceptance of the work by the said board. The board of supervisors shall proceed in accordance with sections 455.111 and 455.112. [C39, §5526.18; C46, 50, 54, 58, 62, §357.18]

357.19 Completing assessment. After the final acceptance of the work by the board of supervisors, the engineer shall complete the final assessment, which shall be made on all the property within the district, whether abutting or not, for an amount approximately ten percent greater than the total cost of the project. The assessment shall be made according to benefits and shall take into consideration the location and value of the property assessed. The final assessment on any lot or parcel of land shall not exceed the final preliminary assessment by more than ten percent, and shall in no case exceed twenty-five percent of the assessed value of the property. The board of supervisors may alter an assessment to increase or decrease it within the limits outlined above, and must approve by resolution the final assessment as made.

Notwithstanding the provisions of this section the final assessment may be but not in excess of one and one-half dollars per lineal foot

of abutting frontage for all unimproved property, and may be but not in excess of four dollars per lineal foot of abutting frontage for all improved property. Each parcel of improved property having a frontage of more than one hundred feet per unit of improvement shall be assessed as unimproved property on the frontage in excess of one hundred feet. For the purpose of this paragraph improved property shall be considered to be any property having one habitable dwelling or one business building thereon. [C24, 27, 31, 35, §5522; C39,§5526.19; C46, 50, 54, 58, 62,§357.19]

357.20 Due date—bonds. Assessments of less than ten dollars will come due at the first tax-paying date after the approval of the final assessment, and assessments of ten dollars or more may be paid in ten annual installments with interest at six percent on the unpaid balance. The board of supervisors shall issue bonds against the completed assessment in an amount equal to the total cost of the project, so that the amount of the assessment will be approximately ten percent greater than the amount of the bonds. [C24, 27, 31, 35,§5522; C39,§5526.20; C46, 50, 54, 58, 62,§357.20]

357.21 Substance of bonds. Each of such bonds shall be numbered, and have printed upon its face that it is a benefited water district bond, stating the county and the number of the district for which it is issued, and the date of maturity; that it is in pursuance of a resolution of the board of supervisors, and that it is to be paid for only from special assessment theretofore levied and taxes levied as hereinafter provided for that purpose within the said district for which the bond is issued. The provisions of sections 455.83 and 455.86 shall govern the issuance of these bonds except that the contractor will not be paid anything on the work until its completion and final acceptance. [C39,§5526.21; C46, 50, 54, 58, 62,§357.21]

357.22 Lien of assessments—tax. When the assessment has been completed and the bonds sold and the schedule of assessment shall be turned over to the county auditor, the installments due thereon shall be collected in the same manner as ordinary taxes and shall constitute a lien on the property against which they are made. If the treasurer does not receive sufficient funds to enable him to pay the interest and retire the bonds as they become due, he shall levy a three mill annual tax on all property within the district to pay such deficiency, and the county treasurer shall apply the proceeds of such levy to the payment of the bonds and the interest on the same so long as the bonds are in arrears on either interest or principal. [C24, 27, 31, 35,§5525; C39, §5526.22; C46, 50, 54, 58, 62,§357.22]

357.23 Surplus. The board of supervisors shall be required to levy such three mill annual tax so long as the bonds are in arrears. [C39,§5526.23; C46, 50, 54, 58, 62,§357.23]

357.24 Fee of engineer. The fee for engineering services shall be fixed by the board of supervisors and he may be paid either a percentage or a per diem, from proceeds of the bond sale or by cash from the contractor, if the contractor takes bonds in settlement for his work under his contract. [C39,§5526.24; C46, 50, 54, 58, 62,§357.24]

357.25 Management by trustees. After the final acceptance of the work by the board of supervisors, the management of the utility shall automatically go to the three trustees previously appointed by the board of supervisors. The trustees shall have power to levy an annual tax not to exceed one-half mill, on the district, for the maintenance of the system. This levy shall be optional with the trustees. The trustees may purchase material and employ labor to properly maintain and operate the utility. The trustees shall be allowed necessary expenses in the discharge of their duties, but shall not receive any salary. [C24, 27, 31, 35,§5526; C39,§5526.25; C46, 50, 54, 58, 62,§357.25]

357.26 Duties of trustees. It is anticipated that this law will usually be utilized to finance a distribution system where the source of supply is without the district, and not under its control, and that individuals within the district will pay water rent to a municipality or corporation without the district. It is intended that the trustees may so operate the utility as will best serve the users, and they are expressly authorized to buy and sell water, to fix the rates to consumers and make all contracts reasonable or necessary to accomplish the purpose of this chapter and to carry on all the operations incident to maintaining and operating said utility and to the procuring and furnishing of water to the consumers therein. If the development of a source of supply is within the means of the district, the trustees may install wells, tanks, meters and any other equipment properly pertaining to operate it. [C39,§5526.26; C46, 50, 54, 58, 62,§357.26]

357.27 Public property in district. Whenever property of the state of Iowa, or any political subdivision thereof, shall be included either wholly or in part within such water district and shall own facilities which may be used as a part of such water system, the executive council, board of supervisors, city or town council, as the case may be, may permit such use of said facilities for such consideration and on such terms as may be agreed upon with the board of trustees. [C39,§5526.27; C46, 50, 54, 58, 62,§357.27]

357.28 Private mains — additional assessments. Any person or persons within any water district, who may, after the initial installation of the improvement in any such district, desire to construct additional mains, and who have been assessed on the original assessment, may with the consent of the trustees, connect such lateral mains as they desire with the original system to serve property

within the district which has been assessed, provided that the entire cost thereof shall be borne by the parties so interested.

The trustees shall have power to make additional assessments on unimproved lots or parcels of land within the district when said unimproved lots or parcels are improved and ready to receive the full benefits of the district. This additional assessment shall be determined and fixed by the trustees and shall not exceed the average assessment for improved property in said districts less the original assessment on said unimproved lots or parcels. Said assessments shall be paid to the county treasurer before service pipes are laid into said improvement. The assessment shall be put in the benefited water district fund of the district of which said lots or parcels are a part and shall be used by the county treasurer for the retirement of bonds and interest. When the bonds are all retired, the trustees shall be authorized to use said fund for maintenance purposes, changing size of mains, eliminating dead ends, or extending mains for the benefit of the district. [C39,§5526.28; C46, 50, 54, 58, 62,§357.28]

357.29 Subdistricts. If the cost of the desired extensions will be as much as five thousand dollars, the interested parties may petition the board of supervisors to organize a subdistrict, and in such case the board shall proceed in the same manner as for a new district, and may take in territory not originally assessed.

The board of supervisors shall have power at any time to alter the boundaries of any district prior to the time of posting or publishing notice of the election within the district. [C24, 27, 31, 35,§5522; C39,§5526.29; C46, 50, 54, 58, 62, §357.29]

357.30 Additional territory. When the district is under the control of trustees, they are empowered to deal with parties without the district who desire to be taken into the district or to obtain water from the district and determine the amount to be assessed against said district to be taken in or connected with. The trustees shall have power in such cases to make agreements for the district, and may, with the consent of the board of supervisors, alter the district boundaries to take in additional territory. No lot or parcel of land shall be put out of a district without the consent of the owner, after it has paid any assessment to the district. [C24, 27, 31, 35,§5522; C39,§5526.30; C46, 50, 54, 58, 62,§357.30]

357.31 Right of way. The board of supervisors shall have power to condemn, in the

same manner as provided for the condemnation of land, right of way through private property, sufficient for the construction and maintenance of water mains. The cost of such right of way shall constitute a part of the expense of the improvement and shall be covered by the special assessment. [C39,§5526.31; C46, 50, 54, 58, 62,§357.31]

357.32 Record book. The board of supervisors shall provide a record book which shall be in the custody of the auditor, in which shall be kept a full and complete record of the proceedings relative to water districts, so arranged and indexed, as to enable any proceedings relative to any district to be readily examined. [C24, 27, 31, 35,§5524; C39,§5526.32; C46, 50, 54, 58, 62,§357.32]

357.33 Appeal procedure. Any person aggrieved, may appeal from any final action of the board of supervisors in relation to any matter involving his rights, to the district court of the county in which the district is located. The procedure in such appeals shall be governed by the provisions of sections 455.94 to 455.109, inclusive, provided that whenever in the above sections the words "drainage district" occur, the words "benefited water district" shall be substituted. [C39,§5526.33; C46, 50, 54, 58, 62,§357.33]

357.34 Conveyance of district to city or town. Where a city or town is situated wholly or partly within a benefited water district, the board of supervisors having jurisdiction of said benefited water district, at the request of the trustees of said benefited water district, may, by proper resolution, convey unto said city or town any and all rights which said board of supervisors may have in and to said benefited water district. Said conveyance, however, shall not become effective until all existing obligations against said district have been completely and fully discharged and such conveyance accepted and confirmed by a resolution of the council of said city or town, specially passed for such purpose.

Upon acceptance, the district, including the plant and distribution system, as well as all funds and credits shall become the property of said city or town and be operated and used by it to the same extent as if acquired under chapter 397. Also, the offices of the trustees as provided in this chapter shall be abolished upon acceptance by the city or town and their duties as such shall immediately cease. [C54, 58, 62,§357.34]

the board may deem necessary, who shall hold their employment during the pleasure of the board, and shall prescribe the duties and fix the compensation of all employees of said sanitary district and the amount of bond to be filed by the treasurer of the district and by any employee for whom they may require bond, provided, however, that the compensation of members of the board of trustees is hereby fixed at not to exceed five dollars per day for each day the board is actually in session and five dollars per day when not in session but employed on committee service, and five cents for every mile traveled in going to and from sessions of the board and in going to and from the place of performing committee service; provided further, that members of said board shall not receive compensation for more than sixty days of session and committee service each year.

Said board of trustees shall have full power to pass all necessary ordinances, resolutions, rules and regulations for the proper management and conduct of the business of said board of trustees and of said corporation and for carrying into effect the objects for which such sanitary district is formed. 358.14 Proof of ordinances. All ordinances, resolutions, orders, rules and regulations, and the date when same became effective, may be proven by the certificate of the clerk, under the seal of the corporation, if one has been adopted, and when printed in book or pamphlet form and purporting to be published by the board of trustees such book or pamphlet shall be received as evidence of the passage and legal publication or posting thereof as of the dates mentioned therein, in all courts and places, without further proof. No trustee of such district shall be directly or indirectly interested in any contract, work, or business of the district, or in the sale of any article the expense, price, or consideration of which is paid by such district; nor in the purchase of any real estate or other property belonging to the district, or which shall be sold for taxes or assessments, or by virtue of legal process at the suit of said district; provided, that nothing herein shall be construed as prohibiting the selection of any person as trustee because of his ownership of real estate in the district or because he is a taxpayer in the district. [C46, 50, 54, 58, 62, §358.15]

358.16 Power to provide for sewage disposal. The board of trustees of any sanitary district organized under this chapter shall have power to provide for the disposal of the sewage thereof, including the sewage and drainage of any city, town, or village within the boundaries of such district; to acquire, lay out, locate, establish, construct, maintain, and operate one or more drains, conduits, treatment plants, disposal plants, pumping plants, works, ditches, channels, and outlets of such capacity and character as may be required for the treatment, carrying off, and disposal of the sewage and industrial wastes and other drainage incidental thereto of such district; to lay out, establish, construct, maintain, and operate all such adjuncts, additions, auxiliary improvements, and works as may be necessary or proper for accomplishment of the purposes intended, and to procure supplies of water for operating, diluting, and flushing purposes; to maintain, repair, change, enlarge, and add to such facilities, improvements, and works as may be necessary or proper to meet the future requirements for the purposes aforesaid; and, when necessary for such purposes, any such facilities, improvements, and works and the maintenance and operation thereof may extend beyond the limits of such district, and the rights and powers of said board of trustees in respect thereto shall be the same as if located within said district, provided, no taxes shall be levied upon any property outside of such district; and provided further, that the district shall be liable for all damages sustained beyond its limits in consequence of any work or improvement authorized hereunder.

The board of trustees, however, may upon such petition of property owners representing at least twenty-five percent of the valuation of property not included within the district as constituted which seeks benefit from the operation of such sanitary district, include such property and the area involved within the limits of such sanitary district, and such added areas shall be subject to the same taxation as other portions of the district.

Nothing contained herein shall be construed to authorize or empower such board of trustees to operate a system of waterworks for the purpose of furnishing water to the inhabitants of the district, or to construct, maintain, or operate local municipal sewerage facilities, or to deprive municipalities within the district of their powers to construct and operate sewers for local purposes within their limits.

The board of trustees of such sanitary district may, however, upon petition of the council or governing body of any incorporated town within the sanitary district, contract with such city or town to undertake the operation of local municipal sewage facilities as part of the functioning of the sanitary district and make an agreement with such municipality for the levying of additional sewer or sewage disposal taxes, which taxes shall be levied by the municipality as now provided by law. [C46, 50, 54, 58, 62, §358.16]

358.17 Power to acquire and dispose of property. Any sanitary district organized under this chapter may acquire by purchase, condemnation, or otherwise, any and all real and personal property, rights of way and privileges, either within or without its corporate limits, required for its corporate purposes. Condemnation proceedings shall be conducted in the same manner, as near as may be, as provided for condemnation by counties under the laws of Iowa. Said sanitary districts shall have power to sell, convey, or otherwise dispose of any of the properties belonging to them when no longer required for their purposes. [C46, 50, 54, 58, 62, §358.17]

The board of trustees of any sanitary district organized under this chapter shall have the power by ordinance to levy annually for the purpose of paying the administrative costs of such district, and/or for the payment of deficiencies in special assessments a tax upon property within the territorial limits of such sanitary district not exceeding two mills on the dollar of the adjusted taxable valuation of the property within such district for the preceding calendar year.

All taxes thus levied by the board shall be certified by the clerk on or before the first day of September to the county auditor of each county wherein any of the property included within the territorial limits of said sanitary district is located, and shall by said auditor or auditors be placed upon the tax list for the current year; and the county treasurer, or treasurers, of more than one county, shall collect all taxes so levied in the same manner as other taxes, and when delinquent they shall draw the same interest and penalties. All taxes so levied and collected shall be paid over by the officer collecting the same to the treasurer of the sanitary district.

Sales for delinquent taxes owing to such sanitary district shall be made at the same time and in the same manner as such sales are made for other taxes, and all provisions of the law of this state relating to the sale of property for delinquent taxes shall be applicable, so far as may be, to such sales. [C46, 50, 54, 58, 62, §358.18]

358.19 Records and disbursements. The clerk of each sanitary district shall keep a record of all the proceedings and actions of the trustees. The treasurer shall receive, collect, and disburse all moneys belonging to the district, and no claim shall be paid or disbursement made until it has been duly audited by the board of trustees. Any sanitary district may by ordinance establish just and equitable rates or charges or rentals for the utilities and services furnished by it to be paid to such district by every person, firm or corporation whose premises are served by a connection to such utilities and services directly or indirectly. Such rates, charges, or rentals,

as near as may be in the judgment of the board of trustees of the district, shall be equitable and in proportion to the services rendered and the cost thereof, and taking into consideration in the case of each such premises the quantity of sewage produced thereby and its concentration, strength, and pollution qualities. The board of trustees may change such rates, charges, or rentals from time to time as it may deem advisable, and by ordinance may provide for the collection thereof. The board is authorized to contract with any municipality within the district, whereby such municipality may collect or assist in collecting any of such rates, charges, or rentals, whether in conjunction with water rentals or otherwise, and any such municipality is hereby empowered to undertake such collection and render such service. Such rates, charges, or rentals, if not paid when due, shall constitute a lien upon the property served by a connection as aforesaid and shall be collected in the same manner as other taxes.

In no case shall such rates, rentals, or charges, or the funds accruing from the collection thereof, be used to meet that part of the cost of any construction within the district which has been financed by special assessment against benefited properties. The provisions of chapter 393 shall apply to sanitary districts organized under this section insofar as they are applicable. [C46, 50, 54, 58, 62, §358.20]

358.21 Debt limit—borrowing—bonds—purposes. Any sanitary district organized hereunder may borrow money for its corporate purposes, but shall not become indebted in any manner or for any purpose to an amount in the aggregate exceeding five percent on the value of the taxable property within such district, to be ascertained by the last state and county tax lists previous to the incurring of such indebtedness. Indebtedness within this constitutional limit shall not include the indebtedness of any other municipal corporation located wholly or partly within the boundaries of such sanitary district.

Subject only to this debt limitation, any such sanitary district organized hereunder shall have and it is hereby vested with all of the same powers to issue bonds, including both general obligation and revenue bonds, which cities and towns now or may hereafter have under the laws of this state. In the application of such laws to this chapter, the words used in any such laws referring to municipal corporations or to cities and towns shall be held to include sanitary districts organized under this chapter, the words "council" or "city council" shall be held to include the board of trustees of a sanitary district; the words "mayor" and "clerk" shall be held to include the president and clerk of any such board of trustees or sanitary district; and like construction shall be given to any other words in such laws where required to permit the exercise of such powers by sanitary districts.

Any and all bonds issued hereunder shall be signed by the president of the board of

trustees and attested by the clerk, with the seal of the district, if any, affixed, and interest coupons attached thereto shall be attested by the signature of the clerk.

The proceeds of any bond issue made under the provisions of this section shall be used only for the purpose of acquiring, locating, laying out, establishing and construction of drainage facilities, conduits, treatment plants, pumping plants, works, ditches, channels and outlets of such capacity and character as may be required for the treatment, carrying off and disposal of the sewage and industrial wastes and other drainage incidental thereto of such district, or to repair, change, enlarge and add to such facilities as may be necessary or proper to meet the requirements present and future for the purposes aforesaid. Proceeds from such bond issue may also be used for the payment of special assessment deficiencies. Said bonds shall be payable in not more than twenty annual installments and at interest not exceeding five percent per annum, and shall be made payable at such place and be of such form as the board of trustees shall by resolution designate. Any sanitary district issuing bonds as authorized in this section is hereby granted authority to pledge the future avails of a tax levy not exceeding five mills per annum to the payment of the principal and interest of such bonds after the same come due, and the power to impose and certify said levy is hereby granted to the trustees of sanitary districts organized under the provisions of this chapter. [C46, 50, 54, 58, 62, §358.21]

The board of trustees of any sanitary district may provide for payment of all or any portion of the costs and expenses of constructing, reconstructing, or extending any drains, sewers, or laterals, and other necessary adjuncts thereto, including pumping stations, by assessing all, or any portion thereof, on abutting and adjacent property according to the benefits derived thereby, and for this purpose said board may define adjacent property as all that included within a designated benefited district or districts to be fixed by the board, which may be all of the property located within the sanitary district or any lesser portion thereof. It shall constitute no objection to any special assessment that the improvement for which the same is levied is outside the limits of such sanitary district, but no special assessment shall be made upon property situated outside of such sanitary district. Special assessments shall be in proportion to the special benefits conferred upon the property thereby, and not in excess of such benefits, and the same shall not exceed twenty-five percent of the actual value of the property at the time of levy, and the last preceding assessment roll shall be taken as prima facie evidence of such value.

Such assessments may be made to extend over a period of ten years, payable in as nearly equal annual installments as practicable, and certificates or bonds may be issued in an-

participation thereof. Proceedings for improvements to be made and paid for, in whole or in part, by special assessments, as herein authorized shall be initiated by resolution of necessity, and said resolution and the plat, schedule, hearings, notices, objections, orders, assessments, levies, contracts, bonds, certification of assessments, liens, payment, tax sales, and appeals, and the issuance and sale of certificates, and bonds, shall correspond, as near as may be, to the provisions therefor contained in chapters 391, 391A and 396, and all provisions of said chapters shall govern such proceedings, to the extent applicable, except as modified hereby. A majority vote of the board of trustees shall be requisite and sufficient for any

action required by the board under the provisions of this section. [C46, 50, 54, 58, 62, §358.22]

[C50, 54, 58, 62, §358A.2; 60GA, ch 218, §2]

Referred to in §§358A.3, 358A.25

358A.3 Powers. Subject to the provisions of sections 358A.1 and 358A.2, the board of supervisors of any county is hereby empowered to regulate and restrict the height, number of structures, and size of buildings and other structures, the percentage of lot that may be occupied, the size of yards, courts and other open spaces, the density of population, and the location and use of buildings, structures, and land for trade, industry, residence or other purposes, and to regulate, restrict and prohibit

[C50, 54, 58, 62, §358A.3]

358A.4 Areas and districts. For any and all of said purposes the board of supervisors may divide the county, or any area or areas within the county, into districts of such number, shape, and area as may be deemed best suited to carry out the purposes of this chapter; and within such districts it may regulate and restrict the erection, construction, reconstruction, alteration, repair, or use of buildings, structures or land. All such regulations and restrictions shall be uniform for each class or kind of buildings throughout each district, but the regulations in one district may differ

from those in other districts. [C50, 54, 58, 62, §358A.4]

358A.5 Objectives. Such regulations shall be made in accordance with a comprehensive plan and designed to lessen congestion in the street or highway; to secure safety from fire, flood, panic, and other dangers; to protect health and the general welfare; to provide adequate light and air; to prevent the overcrowding of land; to avoid undue concentration of population; to facilitate the adequate provision of transportation, water, sewerage, schools, parks and other public requirements.

However, no such regulation, restriction, or boundary shall become effective until after a public hearing in relation thereto, at which parties in interest and citizens shall have an opportunity to be heard. At least fifteen days notice of the time and place of such hearing shall be published in a paper of general circulation in such county. Such notice shall state the location of the district affected by naming the township and section, and the boundaries of such district shall be expressed in terms of streets or roads wherever possible. In case, however, of a protest against such change signed by the owners of twenty percent or more either of the area included in such proposed change, or of the area immediately adjacent thereto and within five hundred feet of the boundaries thereof, such amendment shall not become effective except by the favorable vote of at least sixty percent of all of the members of the board of supervisors. 358A.8 Commission appointed. In order to avail itself of the powers conferred by this chapter, the board of supervisors shall appoint a commission, to be known as the county zoning commission, to recommend the boundaries of the various original districts, and appropriate regulations and restrictions to be enforced therein. Such commission shall, with

due diligence, prepare a preliminary report and hold public hearings thereon before submitting its final report; and the board of supervisors shall not hold its public hearings or take action until it has received the final report of such commission. After the adoption of such regulations, restrictions, and boundaries of districts, the zoning commission may, from time to time, recommend to the board of supervisors amendments, supplements, changes or modifications. Such administrative officer may be a person holding other public office in the county, or in a city or other governmental subdivision within the county, and the board of supervisors is authorized to pay to such officer out of the general fund such compensation as it shall deem fit. [C50, 54, 58, 62, §358A.9]

358A.10 Board of adjustment. The board of supervisors shall provide for the appointment of a board of adjustment, and in the regulations and restrictions adopted pursuant to the authority of this chapter shall provide that the said board of adjustment may, in appropriate cases, and subject to appropriate conditions and safeguards, make special exceptions to the terms of the ordinances or regulations in harmony with its general purpose and intent and in accordance with the general or specific rules therein contained, and provide that any property owner aggrieved by the action of the board of supervisors in the adoption of such regulations and restrictions may petition the said board of adjustment direct to modify regulations and restrictions as applied to such property owners. The board shall keep minutes of its

proceedings, showing the vote of each member upon each question, or if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall be immediately filed in the office of the board and shall be a public record. [C50, 54, 58, 62, §358A.12]

358A.13 Appeals to board. Appeals to the board of adjustment may be taken by any person aggrieved or by any officer, department, board or bureau of the county affected by any decision of the administrative officer. Such appeal shall be taken within a reasonable time, as provided by the rules of the board of adjustment, by filing with the officer from whom the appeal is taken and with the board of adjustment a notice of appeal specifying the grounds thereof. The officer from whom the appeal is taken shall forthwith transmit to the board of adjustment all the papers constituting the record upon which the action appealed from was taken. [C50, 54, 58, 62, §358A.13]

358A.14 Stay of proceedings. An appeal stays all proceedings in furtherance of the action appealed from, unless the officer from whom the appeal is taken certifies to the board of adjustment after the notice of appeal shall have been filed with him that by reason of facts stated in the certificate a stay would, in his opinion, cause imminent peril to life or property. In such case proceedings shall not be stayed otherwise than by a restraining order which may be granted by the board of adjustment or by a court of record on application on notice to the officer from whom the appeal is taken and on due cause shown. [C50, 54, 58, 62, §358A.14]

358A.15 Powers of board. The board of adjustment shall have the following powers:

1. To hear and decide appeals where it is alleged there is error in any order, requirement, decision or determination made by an administrative official in the enforcement of this chapter or of any ordinance adopted pursuant thereto.

2. To hear and decide special exceptions to the terms of the ordinance upon which such board is required to pass under such ordinance.

3. To authorize upon appeal, in specific cases, such variance from the terms of the ordinance as will not be contrary to the public interest, where owing to special conditions a literal enforcement of the provisions of the ordinance will result in unnecessary hardship, and so that the spirit of the ordinance shall be observed and substantial justice done. [C50, 54, 58, 62, §358A.15]

358A.16 Decision. In exercising the above mentioned powers such board may, in conformity with the provisions of this chapter, reverse or affirm, wholly or partly, or may modify the order, requirement, decision, or determination appealed from and may make such order, requirement, decision, or determination as ought to be made, and to that end

shall have all the powers of the officer from whom the appeal is taken. [C50, 54, 58, 62, §358A.16]

358A.17 Vote required. The concurring vote of three members of the board shall be necessary to reverse any order, requirement, decision, or determination of any such administrative official, or to decide in favor of the applicant on any matter upon which it is required to pass under any such ordinance or to effect any variation in such ordinance. [C50, 54, 58, 62, §358A.17]

358A.18 Petition to court. Any person or persons, jointly or severally, aggrieved by any decision of the board of adjustment under the provisions of this chapter, or any taxpayer, or any officer, department, board or bureau of the county, may present to a court of record a petition, duly verified, setting forth that such decision is illegal, in whole or in part, specifying the grounds of the illegality. Such petition shall be presented to the court within thirty days after the filing of the decision in the office of the board. [C50, 54, 58, 62, §358A.18]

358A.19 Review by court. Upon the presentation of such petition, the court may allow a writ of certiorari directed to the board of adjustment to review such decision of the board of adjustment and shall prescribe therein the time within which a return thereto must be made and served upon the realtor's attorney, which shall not be less than ten days and may be extended by the court. The allowance of the writ shall not stay proceedings upon the decision appealed from, but the court may, on application, on notice to the board and on due cause shown, grant a restraining order. [C50, 54, 58, 62, §358A.19]

358A.20 Record advanced. The board of adjustment shall not be required to return the original papers acted upon by it, but it shall be sufficient to return certified or sworn copies thereof or of such portions thereof as may be called for by such writ. The return shall concisely set forth such other facts as may be pertinent and material to show the grounds of the decision appealed from and shall be verified. [C50, 54, 58, 62, §358A.20]

358A.21 Trial to court. If upon the hearing which shall be tried de novo it shall appear to the court that testimony is necessary for the proper disposition of the matter, it may take evidence or appoint a referee to take such evidence as it may direct and report the same to the court with his findings of fact and conclusions of law, which shall constitute a part of the proceedings upon which the determination of the court shall be made. The court may reverse or affirm, wholly or partly, or may modify the decision brought up for review.

Costs shall not be allowed against the board unless it shall appear to the court that it acted with gross negligence or in bad faith or with malice in making the decision appealed from. [C50, 54, 58, 62, §358A.21]

358A.22 Precedence. All issues in any proceedings under the foregoing sections shall have preference over all other civil actions and proceedings. [C50, 54, 58, 62,§358A.22]

358A.23 Restraining order. In case any building or structure is erected, constructed, reconstructed, altered, repaired, converted, or maintained; or any building, structure, or land is used in violation of this chapter or of any ordinance or other regulation made under authority conferred thereby, the board of supervisors, in addition to other remedies, may institute any appropriate action or proceedings to prevent such unlawful erection, construction, reconstruction, alteration, repair, conversion, maintenance, or use, to restrain, correct, or abate such violation, to prevent the occupancy of said building, structure, or land, or to prevent any illegal act, conduct, business, or use in or about such premises. [C50, 54, 58, 62, §358A.23]

358A.24 Conflict with other regulations. Wherever the regulations made under authority of this chapter require a greater width or size of yards, courts or other open spaces, or require a lower height of building or less number of stories, or require a greater percentage of lot to be left unoccupied, or impose other higher standards than are required in any other statute or local ordinance or regulation, the provisions of the regulations made under authority of this chapter shall govern. Whenever the provisions of any other statute or local ordinance or regulation require a greater width or size of yards, courts or other open spaces, or require a lower height of building or a less number of stories, or require a greater percentage of lot to be left unoccupied, or impose other higher standards than are required by the regulations made under authority of this chapter, the provisions of such statute or local ordinance or regulation shall govern. Wherever any regulation proposed or made

under authority of this chapter relates to any structure, building, dam, obstruction, deposit or excavation in or on the flood plains of any river or stream, prior approval of the Iowa natural resources council shall be required to establish, amend, supplement, change, or modify such regulation or to grant any variation or exception therefrom. [C50, 54, 58, 62, §358A.24; 61GA, ch 374,§5]

358A.25 Plumbing code enforced. Subject to the provisions of sections 358A.1 and 358A.2, the board of supervisors of any county is further authorized to adopt regulations to provide that every dwelling, whether now or hereafter erected within the county but outside the corporate limits of any city or town which shall develop a private water supply or install a pressure water system or install sanitary house drains, shall comply with the recommendations of the state department of health on minimum requirements as set out in the state plumbing code* in regard to such development or installation. Any such regulation may be enforced in the same manner as any other regulation adopted under this chapter. [C50, 54, 58, 62,§358A.25]

*See §185.11, subsection 8 and Iowa Departmental Rules

358A.26 Penalty. In addition to any other remedy granted herein, the violation on any regulation, restriction or boundary adopted under this chapter or the occupancy or use of any structure erected, altered or maintained in violation of this chapter shall constitute a misdemeanor. Such occupancy or use shall be deemed a continuing violation and may be the subject of repeated prosecutions if so continued. Every person convicted of a misdemeanor, by reason of violations hereinabove set forth, shall be punished by a fine of not more than one hundred dollars or by imprisonment of not more than thirty days. [C50, 54, 58, 62,§358B.1]

358B.2 Library districts formed. A county library district may be established composed of one county or two or more adjacent counties and may include or exclude the entirety of a city or town partly within one of the counties.

Electors residing within the proposed district in a number not less than five percent of

those voting for governor within said district at the last general election may petition the board of supervisors of the county or counties for the establishment of such county library district. Said petition shall clearly designate the area to be included in the district.

The board of supervisors of each county containing area within the proposed district shall submit the proposition to the electors within their respective counties at any general or primary election provided said election occurs not less than forty days after the filing of the petition.

A county library district shall be established, if a majority of the electors, voting on the proposition and residing outside of cities and towns maintaining a free public library as provided by section 378.1 favor it.

The result of the election within cities and towns maintaining a free public library under the above-mentioned provision shall be considered separately, and no such city or town shall be included within the county library district unless a majority of its electors, voting on the proposition, favor its inclusion. In such cases the boundaries of an established district may vary from those of the proposed district.

After the establishment of a county library district other areas may be included by mutual agreement of the board of trustees of the county library district and the governing body of the area sought to be included. [C50, 54, 58, 62, §358B.2]

358B.3 Gifts accepted. Counties may receive, hold and dispose of all gifts, donations, devises, and bequests that may be made to them for the purpose of establishing, increasing, or improving any library. When the conditions thereof have been accepted by the county, their use for the county library may be enforced against the county board of supervisors by the library board by an action of mandamus or by other proper action. [C50, 54, 58, 62, §358B.3]

358B.4 Library trustees. In any county or counties in which a library district has been established a board of library trustees, consisting of five, seven, or nine electors of the library district, shall be appointed by the board or boards of supervisors of the county or counties comprising such library district. Membership on the library board shall be apportioned between the rural and city and town areas of the district in proportion to the population in each of such areas. In the event the library district is composed of two or more counties, representation on said library board shall be equitably divided between or among said counties in proportion to the population in each of such counties. [C50, 54, 58, 62, §358B.4]

At their first meeting they shall cast lots for their respective terms, reporting the result of such lot to the board of supervisors. All subsequent appointments, whatever the size of the board, shall be for terms of six years each. Vacancies shall be filled for unexpired terms by the governing body of the taxing unit of the district represented by the retiring member. [C50, 54, 58, 62, §358B.5]

358B.6 Removal or absence of trustee. The board of library trustees may declare the office of a trustee vacant by his removal from the library district or his unexplained absence from six consecutive regular meetings. [C50, 54, 58, 62, §358B.6]

358B.7 No compensation. Members of said board shall receive no compensation for their services. [C50, 54, 58, 62, §358B.7]

358B.8 Powers. Said board of library trustees shall have and exercise the following powers:

1. To meet and organize by the election of one of their number as president of the board, and by the election of a secretary and such other officers as the board may deem necessary.

2. To have charge, and supervision of the public library, its appurtenances and fixtures, and rooms containing the same, directing and controlling all the affairs of such library.

3. To employ a librarian, such assistants and employees as may be necessary for the proper management of said library, and fix their compensation; but, prior to such employment, the compensation of such librarian, assistants, and employees shall be fixed for the term of employment by a majority of the members of said board voting in favor thereof.

4. To remove such librarian, assistants, or employees by a vote of two-thirds of such board for misdemeanor, incompetency, or inattention to the duties of such employment.

5. To select and make purchases of books, pamphlets, magazines, periodicals, papers, maps, journals, furniture, fixtures, stationery, and supplies for such library.

6. To authorize the use of such libraries by school corporations or by nonresidents of the area which is taxed to support such libraries and to fix charges therefor.

7. To make and adopt, amend, modify, or repeal bylaws, rules, and regulations, not inconsistent with law, for the care, use, government, and management of such library and the business of said board, fixing and enforcing penalties for the violation thereof.

8. To have exclusive control of the expenditures of all taxes levied for library purposes as provided by law, and of the expenditures of all moneys available by gift or otherwise

for the erection of library buildings, and of all other moneys belonging to the library fund, including fines and rentals collected under the rules of the board of trustees. Said board shall keep a record of its proceedings.

9. To accept gifts of any property, including trust funds; to take the title to said property in the name of said library; to execute deeds and bills of sale for the conveyance of said property; and to expend the funds received by them from such gifts, for the improvement of said library. [C50, 54, 58, 62,§358B.8]

358B.9 Methods of service. Library service shall be accomplished by one or more of the following methods in whole or in part:

1. By the establishment of depositories of books or other educational materials to be loaned at stated times and places.

2. By the transportation of books or other educational materials by conveyances for lending the same at stated times and places.

3. By the establishment of branch libraries for lending books and other educational materials.

4. By contracting for library service with the trustees of a free public library of any city or town. [C50, 54, 58, 62,§358B.9]

358B.10 Library fund. All moneys received and set apart for the maintenance of such library shall be deposited in the treasury of such county to the credit of the library fund, and shall be kept by the treasurer separate and apart from all other moneys, and paid out upon the orders of the board of trustees, signed by its president and secretary.

Provided that where a free public library is maintained jointly by two or more counties, the library trustees may elect a library treasurer therefor, and it shall be the duty of the city and county treasurers to pay over to said library treasurer any and all library taxes that may be collected by them monthly.

Such library treasurer shall be required to furnish a bond conditioned as provided by section 64.2 in such amount as agreed upon by the boards of supervisors and the cost thereof shall be paid by the counties. [C50, 54, 58, 62, §358B.10]

358B.11 Annual report. The board of trustees shall, immediately after the close of each fiscal year, make to the board of supervisors a report containing a statement of the condition of the library, the number of books added thereto, the number circulated, the number not returned or lost, the amount of fines collected, and the amount of money expended in the maintenance thereof during such year, together with such further information as it may deem important. [C50, 54, 58, 62,§358B.11]

358B.12 Real estate acquired. In any county in which a free library has been established, the board of library trustees may condemn real estate in the name of the county for the location of library buildings and branch libraries, and for the purpose of enlarging the grounds thereof. [C50, 54, 58, 62,§358B.12]

358B.13 Maintenance expense on proportionate basis. The maintenance of a county library shall be on a proportionate population basis whereby each taxing unit as hereinafter defined shall bear its share in proportion to its population to the whole of said county library district. The board of library trustees shall on or before July 10 of each year make an estimate of the amount it deems necessary for the maintenance of the county library and shall transmit said estimate in dollars to the board or boards of supervisors and to the city and town councils within the district. The entire rural area of each county in the library district shall be considered as a separate taxing unit. Each city and town which is a part of the county library district shall be considered as a separate taxing unit. The board of supervisors and the council of each city and town composing said county library district shall make the necessary millage levies accordingly for library maintenance purposes of not to exceed two mills. Any unexpended balance in the library maintenance fund at the end of the fiscal year shall remain in said fund and be available without reappropriation. [C50, 54, 58, 62,§358B.13]

358B.14 Not applicable to contract service. The provisions of this chapter pertaining to the establishment of a county library district shall not apply to any area receiving library service from any city or town library under the provisions of chapter 378, unless the petition for a county library district shall, in addition to the required signatures of electors, be signed by the governing body of the area receiving library service under contract. [C50, 54, 58, 62,§358B.14]

358B.15 Existing contracts assumed. Whenever a county library district is established the board of trustees thereof shall assume all the obligations of the existing contracts made by cities, towns, townships, school corporations or counties to receive library service from free public libraries. [C50, 54, 58, 62,§358B.15]

358B.16 Withdrawal of city or town from district. Whenever any incorporated city or town, having maintained an association library for at least ten years prior to the establishment of a county library which has become a part of the tax supported city or town library and being a part of the county library district, and having levied a tax of its own equal to or greater than that of the county library district for the same purpose, shall decide to withdraw from the county library district, it may do so by giving notice by certified mail to the board of library trustees of said county library and the county auditor prior to July 10, by the governing body of said incorporated city or town, of its withdrawal from the county library district, and thereafter said incorporated city or town, shall cease to be a part of or included in said county library district. 368.1 Applicability. This chapter is applicable to all municipal corporations and to all forms of government thereof. [S13, §§1056-a19, 1056-a25; SS15, §§1056-b2, 1056-b9; C24, 27, 31, 35, 39, §§6564, 6567, 6678, 6679; C46, 50, §§416.88, 416.92, 419.64, 419.65; C54, 58, 62, §368.1]

368.2 Bodies corporate — name — statutory powers — rule of construction. Cities and towns are bodies politic and corporate, under such name and style as may be selected at the time of their organization, with the authority vested in the mayor and a common council, together with such officers as are in this title mentioned or may be created under its authority, and shall have the general powers and privileges granted, and such others as are incident to municipal corporations of like character, not inconsistent with the statutes of the state, for the protection of their prop-

erty and inhabitants, and the preservation of peace and good order therein, and they may sue and be sued, contract and be contracted with, acquire, lease, and hold real and personal property, and have a common seal.

It is hereby declared to be the policy of the state of Iowa that the provisions of the Code relating to the powers, privileges, and immunities of cities and towns are intended to confer broad powers of self-determination as to strictly local and internal affairs upon such municipal corporations and should be liberally construed in favor of such corporations. The rule that cities and towns have only those powers expressly conferred by statute has no application to this Code. Its provisions shall be construed to confer upon such corporations broad and implied power over all local and internal affairs which may exist within con-

stitutional limits. No section of the Code which grants a specific power to cities and towns, or any reasonable class thereof, shall be construed as narrowing or restricting the general grant of powers hereinabove conferred unless such restriction is expressly set forth in such statute or unless the terms of such statute are so comprehensive as to have entirely occupied the field of its subject. However, statutes which provide a manner or procedure for carrying out their provisions or exercising a given power shall be interpreted as providing the exclusive manner of procedure and shall be given substantial compliance, but legislative failure to provide an express manner or procedure for exercising a conferred power shall not prevent its exercise. Notwithstanding any of the provisions of this section, cities and towns shall not have power to levy any tax, assessment, excise, fee, charge or other exaction except as expressly authorized by statute. Cities and towns shall not have power to license construction contractors. [C51,§664; R60,§§1047, 1056, 1057, 1090, 1094, 1095; C73,§§454-456, 517, 523, 524; C97,§695; C24, 27, 31, 35, 39,§5738; C46, 50,§368.1; C54, 58, 62, §368.2; 60GA, ch 235,§§1, 2]

Said power shall include the authority to abate all nuisances as defined in section 657.1 and in section 657.2 or in any other statutory enumeration.

In any city or town the council may order the owner, occupant, or person in charge of any property to remove at his own expense any tree infected with Dutch elm disease found thereon, by serving such person with written notice, stating some reasonable time within which such removal shall be made, and if such person fails to comply with said order, the council may cause the same to be executed and the cost assessed against the property. [R60,§§1057, 1096; C73,§§456, 526; C97, §696; S13,§§696, 713-b; C24, 27, 31, 35, 39,§5739; C46, 50,§368.2; C54, 58, 62,§368.3]
