INDEXER'S PREFATORY NOTE

This index is basically the index of 1966 revised to include the Acts of the 62nd General Assembly, first session of the 63rd General Assembly and second session of the 63rd General Assembly.

Primarily, references are made to section and chapter numbers of the Code. The Rules of Civil Procedure and Rules of the Supreme Court have been referred to by rule number.

Where chapter rather than section numbers are given, the user seeking a more detailed listing can find it at the beginning of the chapter or in the listing within this index, whichever is more appropriate to the user's research needs.

It should be pointed out that research of a general nature can be greatly expedited by utilizing the Skeleton Index which is printed at the end of each volume of the Code.

In spite of limitations imposed by available time, reasonable diligence has been observed to avoid errors in the revision process and correct past errors which have been brought to the attention of the Code Editor. Since a thorough examination and verification of every reference appearing in the previous edition of this index was not possible and the great amount of work involved in the preparation of this index, errors are bound to be found.

IN ORDER TO PREVENT THE PERPETUATION OF SUCH ERRORS IN FUTURE EDITIONS OF THE INDEX, PLEASE BRING THEM TO THE ATTENTION OF THE CODE EDITOR.
