No order shall be made affecting a person not served, but, as to such, notice may be given at any stage of the proceedings. The court may proceed in a summary manner to hear all the allegations and proofs of the parties, and order any one or more of the relatives who shall be able, to relieve or maintain him or her, charging them as far as practicable in the order above named, and for that purpose may bring in new parties when necessary. If the order be for relief in any other form than

money, it shall state the extent and value thereof per week, and the time such relief shall continue; or the order may make the time of continuance indefinite, and it may be varied from time to time by a new order, as circumstances may require, upon application to the court by the trustees, the poor person, or the relative affected, ten days' notice thereof being given to the party or parties concerned. An appeal may be taken from the judgment rendered to the supreme court. Support for later periods under the same order may be, as it becomes due, applied for and obtained in the same manner. deem proper, and of the disposition of the rents and profits of the real estate. Should the party against whom the order issued thereafter resume his or her support of the person abandoned, or give bond with sureties, to be approved by the clerk, conditioned that such person shall not become chargeable to the county, the order shall be by the clerk discharged and the property remaining restored. **252.43 Poor tax.** The expense of supporting the poor shall be paid out of the county treasury in the same manner as other disbursements for county purposes; and in case the ordinary revenue of the county proves insufficient for the support of the poor, the board may levy a poor tax, not exceeding one and one-half mills on the dollar, to be entered on the tax list and collected as the ordinary county tax.

Should the one and one-half mill levy fail to provide adequate funds to take care of the poor, then the board of supervisors, with the approval of the state comptroller, shall levy an additional tax of not to exceed three mills, to be entered on the tax list and collected as the ordinary county tax. Before any such additional levy is made, a showing of the necessity for such additional levy shall be made to the state comptroller and no such additional levy shall be made unless it shall be approved in writing by the comptroller.

**252A.3 Husband liable for support.** For the purpose of this chapter:

1. A husband in one state is hereby declared to be liable for the support of his wife and any child or children under seventeen years of age and any other dependent residing or found in the same state or in another state having substantially similar or reciprocal laws, and, if possessed of sufficient means or able to earn such means, may be required to pay for their support a fair and reasonable sum according to his means, as may be determined by the court having jurisdiction of the respondent in a proceeding instituted under this chapter.

2. A mother in one state is hereby declared to be liable for the support of her child or children under seventeen years of age residing or found in the same state or in another state having substantially similar or reciprocal laws, whenever the father of such child or children is dead, or cannot be found, or is incapable of supporting such child or children, and, if she is possessed of sufficient means or able to earn such means, she may be required to pay for the support of such child or children a fair and reasonable sum according to her means, as may be determined by the court having jurisdiction of the respondent in a proceeding instituted under this chapter.

4. A child or children born of parents who, at any time prior or subsequent to the birth of such child, have entered into a civil or religious marriage ceremony, shall be deemed the legitimate child or children of both parents, regardless of the validity of such marriage.

8. Duties of support applicable under this chapter are those imposed or imposable under the laws of any state where the respondent was present during the period for which support is sought. The respondent is presumed to have been present in the responding state during the period for which support is sought until otherwise shown. [C50, 54, 58, 62, 66, §252A.3]

**252A.4 Jurisdiction.** For the purposes of this chapter:

1. The court shall have jurisdiction regardless of the state of last residence or domicile of the petitioner and the respondent and whether or not the respondent has ever been a resident of the initiating state or the dependent person has ever been a resident of the responding state.

2. The court of the responding state shall have the power to order the respondent to pay sums sufficient to provide necessary food, shelter, clothing, care, medical or hospital expenses, expenses of confinement, expenses of education of a child, funeral expenses and such other reasonable and proper expenses of the petitioner as justice requires, having due regard to the circumstances of the respective parties.

3. The courts of both the initiating state and the responding state shall have the power to order testimony to be taken in either or both of such states by deposition or written interrogatories, and to limit the nature of and the extent to which the right so to take testimony shall be exercised, provided that the respondent is given a full and fair opportunity to answer the allegations of the petitioner. [C50, 54, 58, 62, 66, §252A.4]

**252A.5 When proceeding may be maintained.** A proceeding to compel support of a dependent may be maintained under this chapter in any of the following cases:

1. Where the petitioner and the respondent are residents of or domiciled or found in the same state.

2. Where the petitioner resides in one state and the respondent is a resident of or is domiciled or found in another state having substantially similar or reciprocal laws.

3. Where the respondent is not and never was a resident of or domiciled in the initiating state and the petitioner resides or is domiciled in such state and the respondent is believed to be a resident of or domiciled in another state having substantially similar or reciprocal laws.

4. Where the respondent was or is a resident of or domiciled in the initiating state and has departed or departs from such state leaving therein a dependent in need of and entitled to support under this chapter and is believed to be a resident of or domiciled in another state having substantially similar or reciprocal laws.

5. Whenever the state or a political subdivision thereof furnishes support to a dependent, it has the same right through proceedings instituted by the petitioner's representative to invoke the provisions hereof as the dependent to whom the support was furnished, for the purpose of securing reimbursement of expenditures so made and of obtaining continuing support; the petition in such case may be verified by any official having knowledge of such expenditures and consent of the dependent shall not be required in order to institute proceedings under this chapter. [C50, 54, 58, 62, 66, §252A.5]

**252A.6 How commenced—trial.**

1. A proceeding under this chapter shall be commenced by a petitioner, or a petitioner's representative, by filing a verified petition in the court in equity in the county of the state wherein he resides or is domiciled, showing the name, age, residence and circumstances of the petitioner, alleging that he is in need of and is entitled to support from the respondent, giving his name, age, residence and circumstances, and praying that the respondent be compelled to furnish such support. The petitioner may include in or attach to the petition any information which may help in locating or identifying the respondent including, but without limitation by enumeration, a photograph of the respondent, a description of any distinguishing marks of his person, other names and aliases by which he has been or is known, the name of his employer, his fingerprints, or social security number.

2. If the respondent be a resident of or domiciled in such state and the court has or can acquire jurisdiction of the person of the respondent under existing laws in effect in such state, such laws shall govern and control the procedure to be followed in such proceeding.

3. If the court of this state acting as an initiating state finds that the petition sets forth facts from which it may be determined that the respondent owes a duty of support and that a court of the responding state may obtain jurisdiction of the respondent or his property, it shall so certify and shall cause three copies of (a) the petition (b) its certificate and (c) this chapter to be transmitted to the court in the responding state. If the name and address of such court is unknown and the responding state has an information agency comparable to that established in the initiating state it shall cause such copies to be transmitted to the state information agency or other proper official of the responding state, with a request that it forward them to the proper court, and that the

court of the responding state acknowledge their receipt to the court of the initiating state.

4. When the court of this state, acting as a responding state, receives from the court of an initiating state the aforesaid copies, it shall docket the cause, notify the county attorney or other official acting as petitioner's representative, set a time and place for a hearing, and take such action as is necessary in accordance with the laws of this state to serve notice and thus obtain jurisdiction over the respondent. If a court of the state, acting as a responding state, is unable to obtain jurisdiction of the respondent or his property due to inaccuracies or inadequacies in the petition or otherwise, the court shall communicate this fact to the court in the initiating state, shall on its own initiative use all means at its disposal to trace the respondent or his property, and shall hold the case pending the receipt of more accurate information or an amended petition from the court in the initiating state.

5. It shall not be necessary for the petitioner or the petitioner's witnesses to appear personally at such hearing, but it shall be the duty of the petitioner's representative of the responding state to appear on behalf of and represent the petitioner at all stages of the proceeding.

6. If at such hearing the respondent controverts the petition and enters a verified denial of any of the material allegations thereof, the judge presiding at such hearing shall stay the proceedings and transmit to the judge of the court in the initiating state a transcript of the clerk's minutes showing the denials entered by the respondent.

7. Upon receipt by the judge of the court in the initiating state of such transcript, such court shall take such proof, including the testimony of the petitioner and the petitioner's witnesses and such other evidence as the court may deem proper, and, after due deliberation, the court shall make its recommendation, based on all of such proof and evidence, and shall transmit to the court in the responding state an exemplified transcript of such proof and evidence and of its proceedings and recommendation in connection therewith.

8. Upon the receipt of such transcript, the court in the responding state shall resume its hearing in the proceeding and shall give the respondent a reasonable opportunity to appear and reply.

9. Upon the resumption of such hearing, the respondent shall have the right to examine or cross-examine the petitioner and the petitioner's witnesses by means of depositions or written interrogatories, and the petitioner shall have the right to examine or cross-examine the respondent and the respondent's witnesses by means of depositions or written interrogatories.

10. If a respondent, duly summoned by a court in the responding state, willfully fails without good cause to appear as directed in the summons, he shall be punished in the same manner and to the same extent as is provided by law for the punishment of a defendant or witness who willfully disobeys a summons or subpoena duly issued out of such court in any other action or proceeding cognizable by said court.

11. If, on the return day of the summons, the respondent appears at the time and place specified therein and fails to answer the petition or admits the allegations thereof, or, if, after a hearing has been duly held by the court in the responding state in accordance with the provisions of this section, such court has found and determined that the prayer of the petitioner, or any part thereof, is supported by the evidence adduced in the proceeding, and that the petitioner is in need of and entitled to support from the respondent, the court shall make and enter an order directing the respondent to furnish support to the petitioner and to pay therefor such sum as the court shall determine, having due regard to the parties' means and circumstances. An exemplified copy of such order shall be transmitted by the court to the court in the initiating state and such copy shall be filed with and made a part of the records of such court in such proceeding. The court shall place the respondent on probation on such terms and conditions as the court may deem proper or necessary to assure faithful compliance by the respondent with such order. The court shall also have power to require the respondent to furnish recognizance in the form of a cash deposit or surety bond in such amount as the court may deem proper and just to assure the payment of the amount required to be paid by the respondent for the support of the petitioner.

12. The court making such order may require the respondent to make payment at specified intervals to the clerk of the district court, or to the dependent, or to any state or county agency, and to report personally to the sheriff or any other official, at such times as may be deemed necessary.

13. A respondent who shall willfully fail to comply with or violate the terms or conditions of the support order or of his probation shall be punished by the court in the same manner and to the same extent as is provided by law for a contempt of such court or a violation of probation ordered by such court in any other suit or proceeding cognizable by such court.

14. The court of this state when acting as a responding state shall have the following duties which may be carried out through the clerk of the court: Upon receipt of a payment made by the respondent pursuant to any order of the court or otherwise, to transmit the same forthwith to the court of the initiating state, and upon request to furnish to the court of the initiating state a certified statement of all payments made by the respondent.

15. Any order of support issued by a court of the state acting as a responding state shall not supersede any previous order of support issued in a divorce or separate maintenance action, but the amounts for a particular period paid pursuant to either order shall be credited against amounts accruing or accrued for the same period under both.

16. The court of the initiating state shall receive and accept all payments made by the respondent to the probation department or bureau of the court of the responding state and transmitted by the latter on behalf of the respondent. Upon receipt of any such payment, and under such rules as the court of the initiating state may prescribe, the court, or its probation department or bureau, as the court may direct, shall deliver such payment to the dependent person entitled thereto, take a proper receipt and acquittance therefor, and keep a permanent record thereof. [C50, 54, 58, 62, 66, §252A.6]

**252A.7 Petitioner's representatives to appear.** It shall be the duty of all petitioner's representatives of this state to appear in this state on behalf of and represent the petitioner in every proceeding pursuant to this chapter, at the time the petition is filed and at all stages of the proceeding thereafter, and to obtain and present such evidence or proof as may be required by the court in the initiating state or the responding state. [C50, 54, 58, 62, 66, §252A.7]

**252A.8 Additional remedies.** This chapter shall be construed to furnish an additional or alternative civil remedy and shall in no way affect or impair any other remedy, civil or criminal, provided in any other statute and available to the petitioner in relation to the same subject matter. [C50, 54, 58, 62, 66, §252A.8]

**252A.9 Construction.** This chapter shall be so interpreted and construed as to effectuate its general purpose to make uniform the law of the states which enact it. [C50, 54, 58, 62, 66, §252A.9]

Constitutionality, 58GA, ch 103, §10

**252A.10 Costs advanced.** Actual costs incurred in this state incidental to any action brought under the provisions of this chapter shall be advanced by the initiating party or agency unless otherwise ordered by the court. Where the action is brought by an agency of the state or county there shall be no filing fee. [C58, 62, 66, §252A.10]

**252A.11 Custody of respondent.** When the court of this state, acting either as an initiating or responding state, has reason to believe that the respondent may flee the jurisdiction it may as an initiating state request in its certificate that the court of the responding state obtain the body of the respondent by appropriate process if that be permissible under the law of the responding state; or, it may as a responding state, obtain the body of the respondent by appropriate process. [C58, 62, 66, §252A.11]

iffs, policemen, and public school teachers, having knowledge of persons suffering from any such malady or deformity, to file or cause such complaint to be filed. [SS15,§254-b; C24, 27, 31, 35,§4006; C39,§3828.133; C46, 50, 54, 58, 62, 66,§255.2]

**255.4 Examination by physician.** Upon the filing of such complaint, the clerk shall number and index the same and shall appoint a competent physician and surgeon, living in the vicinity of the patient, who shall personally examine the patient with respect to said pregnancy, malady, or deformity. The clerk may, after the expiration of five years from the filing of a complaint, destroy it and all papers or records in connection therewith. [SS15,§254-b; C24, 27, 31, 35,§4008; C39,§3828.135; C46, 50, 54, 58, 62, 66,§255.4]

**255.5 Report by physician.** Such physician shall make a report in duplicate on blanks furnished as hereinafter provided, answering the questions contained therein and setting forth the information required thereby, giving such history of the case as will be likely to aid the medical or surgical treatment or hospital care of such patient, describing the pregnancy, deformity, or malady in detail, and stating whether or not in his opinion the same can probably be improved or cured or advantageously treated, which report shall be filed in the office of the clerk within such time as the clerk may fix. [SS15,§§254-b,j; C24, 27, 31, 35, §4009; C39,§3828.136; C46, 50, 54, 58, 62, 66,§255.5]

**255.6 Investigation and report.** When such complaint is filed, the clerk shall furnish the county attorney and board of supervisors with a copy thereof and said board shall, by the overseer of the poor or such other agent as it may select, make a thorough investigation of facts as to the legal residence of the patient, and the ability of the patient or others chargeable with his support to pay the expense of such treatment and care; and shall file a report of such investigation in the office of the clerk, at or before the time of hearing. [SS15,§254-b; C24, 27, 31, 35,§4010; C39,§3828.137; C46, 50, 54, 58, 62, 66,§255.6]

**255.7 Notice of hearing—duty of county attorney.** When the physician's report has been filed, the clerk shall, with the consent of the court or judge, fix a time and place for hearing of the matter by the court, and the county attorney shall cause such patient and the parent or parents, guardian, or person having the legal custody of said patient, if under legal disability, to be served with such notice of the time and place of the hearing as the judge or clerk may prescribe. The complainant, the county attorney, the overseer of the poor or other agent of the board of supervisors, and the patient, or any person representing him, or her, may introduce evidence and be heard. If the court finds that said patient is a legal resident of Iowa and is pregnant or is suffering from a malady or deformity which can probably be improved or cured or advantageously treated by medical or surgical treatment or hospital care, and that neither the patient nor any person legally chargeable with his or her support is able to pay the expenses thereof, then the clerk of court, except in obstetrical cases and cases of crippled children, shall immediately ascertain from the admitting physician at the university hospital whether such person can be received as a patient within a period of thirty days, and if the patient can be so received, the court shall then enter an order directing that said patient be sent to the university hospital for proper medical and surgical treatment and hospital care. If the court ascertain, excepting in obstetrical cases and orthopedic cases, that a person of the age or sex of the patient, or afflicted by the complaint, disease or deformity with which such person is affected cannot be received as a patient at the said university hospital within the period of thirty days, then he shall enter an order directing the board of supervisors of the county to provide adequate treatment at county expense for said patient at home or in a hospital. Obstetrical cases and orthopedic cases may be committed to the university hospital without regard to the limiting period of thirty days hereinbefore stated.

In any case of emergency the court without previous inquiry may at its discretion order the patient to be immediately taken to and accepted by the university hospital for the necessary care as provided in section 255.11, but if such a patient cannot be immediately accepted at the university hospital as ascertained by telephone if necessary, the court may enter an order as in certain cases above set forth directing the board of supervisors to provide adequate treatment at county expense for the said patient at home or in a hospital. [SS15, §254-c; C24, 27, 31, 35,§4012; C39,§3828.139; C46, 50, 54, 58, 62, 66,§255.8]

[C31, 35,§4012-d1; C39,§3828.140; C46, 50, 54, 58, 62, 66,§255.9]

**255.10 Religious belief — denial of order.** The court in its discretion may refuse to make such order in any case where the court finds the patient or his parent, parents, or guardian are members of a religious denomination whose tenets preclude dependence on the practice of medicine or surgery and desire in good faith to rely upon the practice of their religion for relief from disease or disorder. [C24, 27, 31, 35, §4013; C39, §3828.141; C46, 50, 54, 58, 62, 66, §255.10]

The state superintendent shall make recommendations and suggestions in writing to each school, college, and school district which is subject to this section wherein the department of public instruction determines, after due investigation, that deficiencies exist.

Such standards, regulations, and rules shall be subject to the provisions of chapter 17A. In addition, such standards, rules, and regulations shall be reported by the state board to the general assembly within twenty days after the commencement of a regular legislative session, and the general assembly may enact changes therein. No school, college or school district shall be removed from the approved list for failure to comply with such standards, rules, or regulations, until at least one hundred twenty days have elapsed following the reporting of such standards, rules, and regulations to the general assembly as provided in this section.

12. The state board of public instruction shall remove for cause, after due investigation and notice, any such school, college, or school district failing to comply with such approval standards, rules, and regulations from the approved list; which removal shall, during the period of noncompliance, permit parents of children eligible for school attendance to request the county board of education to designate their children to an approved school with the district of residence responsible for the tuition and transportation costs. The county board of education is hereby authorized to make such designation. Procedure, insofar as

applicable, shall be that provided in chapter 285. In the event a parent of such child so designated is dissatisfied with said designation, appeal may be made to the state superintendent of public instruction as provided in section 285.12. A school, college, or school district which is removed from the approved list in accordance with this section shall be ineligible to receive state financial aid during the period of noncompliance. The state board shall allow a reasonable period of time, which shall be at least one year, for compliance with such approval standards, rules, and regulations, if such school, college, or school district is making a good faith effort and substantial progress toward full compliance and if the failure to comply is due to factors beyond the control of the board of directors or governing body of such school, college, or school district. In allowing such time for compliance, the board shall follow consistent policies, taking into account the circumstances of each case. The reasonable period of time for compliance may be, but need not be, given prior to the one-year notice requirement that is required under subsection 13 of this section.

13. The department of public instruction shall give any school, college, or school district which is to be removed from the approved list at least one-year notice. Such notice shall be given by registered or certified mail addressed to the superintendent of the school district or the corresponding official of a private school, and shall specify the reasons for removal. Such notice shall also be sent by ordinary mail to each member of the board of directors or governing body of the school, college, or school district, and to the news media which serve the area where the school, college, or school district is located; but any good faith error or failure to comply with this sentence shall not affect the validity of any action by the state board. If, during said year, the school, college, or school district remedies the reasons for removal and satisfies the state board that it will thereafter comply with the laws, approval standards, rules, and regulations, the state board shall continue such school, college, or school district on the approved list and shall give the school, college, or school district notice of such action by registered or certified mail. At any time during said year, the board of directors or governing body of the school, college, or school district may request a public hearing before the state board of public instruction, by mailing a written request to the state superintendent by registered or certified mail. The president of the state board shall promptly set a time and place for the public hearing, which shall be either in Des Moines or in the affected area. At least thirty days' notice of the time and place of the hearing shall be given by registered or certified mail addressed to the superintendent of the school district or the corresponding official of a private school. Notice of the time and place of the hearing and the

reasons for removal shall also be published by the state department in a newspaper of general circulation in the area where the school, college, or school district is located, at least ten days before the hearing. At the hearing the school, college, or school district may be represented by counsel and may present evidence. The state board may provide for the hearing to be recorded or reported. If requested by the school, college, or school district at least ten days before the hearing, the state board shall provide for the hearing to be recorded or reported at the expense of such school, college, or school district, using any reasonable method specified by such school, college, or school district. Within ten days after the hearing, the state board shall render its written decision, signed by a majority of its members, and shall affirm, modify, or vacate the action or proposed action to remove the school, college, or school district from the approved list.

14. Notwithstanding the foregoing provisions of this section and as an exception to their requirements, a private high school or private combined junior-senior high school operated for the express purpose of teaching a program designed to qualify its graduates for matriculation at accredited four-year or equivalent liberal arts, scientific, or technological colleges or universities shall be placed on a special approved list of college preparatory schools, which list shall signify approval of the school for such express purpose only, provided that:

a. Such school complies with minimum standards established by provisions of the Code other than this section, and administrative rules thereunder, applicable to:

- (1) Courses comprising such limited program.
- (2) Health requirements for personnel.
- (3) Plant facilities.
- (4) Other environmental factors affecting such programs.

b. At least eighty percent of those graduating from such school within the annually most recent four calendar years, other than those graduating who are aliens, graduates entering military or alternative civilian service, or graduates deceased or incapacitated before college acceptance, have been accepted by accredited four-year or equivalent liberal arts, scientific, or technological colleges or universities.

Any school claiming to be a private college preparatory school which fails in any year to comply with the requirement of paragraph "b" of this subsection shall be placed on the special approved list of college preparatory schools probationally if such school complies with the requirements of paragraph "a" of this subsection, but such probational approval shall not continue for more than four successive years.

15. The board or governing body of each school or school district shall provide such

principals as it finds necessary to provide effective supervision and administration for each school and its faculty and student body.

It is the intent of the general assembly that revenue bonds issued for academic and administrative buildings and facilities and utilities services shall supplement and not supplant legislative appropriations for the same or similar purposes. [63GA, ch 181,§1]

**262A.2 Definitions.** The following words or terms, as used in this chapter, shall have the respective meanings as stated:

1. "Board" shall mean the state board of regents.

2. "Institution" or "institutions" shall mean the state University of Iowa, the Iowa State University of science and technology, the University of Northern Iowa, and any other institution of higher learning under the jurisdiction of the state board of regents which offers a college program of four years or more, including any such institution the creation of which is hereafter authorized by the general assembly or which is placed under the jurisdiction of said board.

3. "Buildings and facilities" shall mean those academic buildings and other facilities used primarily for instructional and research purposes, including libraries, and such other administrative and service buildings and facilities as are deemed necessary by the board to provide supporting services to the instructional and research programs and activities of the institutions, including, without limiting the generality of the foregoing, administrative offices, facilities for business services, student services and extension and continuing education services, off-street parking areas and structures incidental to other buildings and facili-

This phrase shall also include works and facilities deemed necessary by the board for furnishing utilities services to any buildings or structures operated by the institutions, including, without limiting the generality of the foregoing, water, electric, gas, communications, sewer and heating facilities, together with all necessary structures, buildings, tunnels, lines, reservoirs, mains, filters, pipes, sewers, boilers, generators, fixtures, wires, poles, equipment, treatment facilities and all other appurtenances in connection therewith, or any combination of the foregoing.

5. "Student fees and charges" shall mean all tuitions, fees and charges for general or special purposes levied against and collected from students attending the institutions except rates, fees, rentals or charges imposed and collected under the provisions of (a) sections 262.35 through 262.42, (b) sections 262.44 through 262.53, and (c) sections 262.55 through 262.66.

6. "Institutional income" shall mean income received by an institution from sources other than (a) student fees and charges, (b) rates, fees, rentals or charges imposed and collected under the provisions of (1) sections 262.35 through 262.42, (2) sections 262.44 through 262.53, and (3) sections 262.55 through 262.66, (c) state appropriations, and (d) "hospital income", as that term is defined in subsection 5 of section 263A.1.

**262A.3 Ten-year program and two-year bond proposal submitted each year.** The board shall prepare and submit to the general assembly for approval or rejection a proposed ten-year building program for each institution, including an estimate of the maximum amount of bonds which the board expects to issue under the provisions of this chapter during

each year of the ensuing biennium. Such program and estimate shall be submitted no later than seven days after the passage of this chapter by the general assembly and thereafter no later than seven days after the convening of each regular annual session of the general assembly. The building program shall contain a list of the buildings and facilities which the board deems necessary to further the educational objectives of the institutions. This list shall be revised annually, but no project shall be eliminated from the list when bonds have previously been issued by the board to pay the cost thereof. Each such list shall contain an estimate of the cost of each of the buildings and facilities referred to therein. If the general assembly rejects or fails to approve any proposed ten-year building program, such action or inaction shall not affect the status or legality of any project previously or subsequently authorized by the general assembly as provided in section 262A.4. [63GA, ch 181,§3]

**262A.4 Authorization of general assembly and governor.** Subject to and in accordance with the provisions of this chapter, the state board of regents after authorization by a constitutional majority of each house of the general assembly and approval by the governor may undertake and carry out any project as defined in this chapter at the institutions now or hereafter under the jurisdiction of the board. The state board of regents is authorized to operate, control, maintain, and manage buildings and facilities and additions to such buildings and facilities at each of said institutions. All contracts for the construction, reconstruction, completion, equipment, improvement, repair or remodeling of any buildings, additions, or facilities shall be let in accordance with the provisions of section 262.34. The title to all real estate acquired under the provisions of this chapter and the improvements erected thereon shall be taken and held in the name of the state of Iowa. [63GA, ch 181,§4]

Referred to in §262A.3

**262A.5 Borrowing money and issuing bonds.** The board is authorized to borrow money under the provisions of this chapter, and the board may issue and sell negotiable bonds to pay all or any part of the cost of carrying out any project at any institution and may refund and refinance bonds issued for any project or for refunding purposes at the same rate or at a higher or lower rate or rates of interest. Bonds issued under the provisions of this chapter shall be sold by said board at public sale on the basis of sealed proposals received pursuant to a notice specifying the time and place of sale and the amount of bonds to be sold which shall be published at least once not less than seven days prior to the date of sale in a newspaper published in the state of Iowa and having a general circulation in said state. The provisions of chapter 75 shall not apply to bonds issued under authority con-

tained in this chapter, but such bonds shall be sold upon terms of not less than par plus accrued interest. Bonds issued to refund other bonds issued under the provisions of this chapter may either be sold in the manner hereinbefore specified and the proceeds thereof applied to the payment of the obligations being refunded, or the refunding bonds may be exchanged for and in payment and discharge of the obligations being refunded. The refunding bonds may be sold or exchanged in installments at different times or an entire issue or series may be sold or exchanged at one time. Any issue or series of refunding bonds may be exchanged in part or sold in parts in installments at different times or at one time. The refunding bonds may be sold or exchanged at any time on, before, or after the maturity of any of the outstanding bonds or other obligations to be refinanced thereby and may be issued for the purpose of refunding a like or greater principal amount of bonds, except that the principal amount of the refunding bonds may exceed the principal amount of the bonds to be refunded to the extent necessary to pay any premium due on the call of the bonds to be refunded or to fund interest in arrears or about to become due.

All bonds issued under the provisions of this chapter shall be payable solely and only from and shall be secured by an irrevocable pledge of a sufficient portion of the student fees and charges and institutional income received by the particular institution. All bonds issued under the provisions of this chapter shall have all the qualities of a negotiable investment security under the laws of this state. [63GA, ch 181,§5]

**262A.6 Form and condition of bonds.** Such bonds may bear such date or dates, may bear interest at such rate or rates, payable semi-annually, may mature at such time or times, may be in such form and denominations, may carry such registration privileges, may be payable at such place or places, may be subject to such terms of redemption prior to maturity with or without premium, if so stated on the face thereof, and may contain such terms and covenants, including the establishment of reserves, all as may be provided by the resolution of the board authorizing the issuance of the bonds. In addition to the estimated cost of construction, including site costs, the cost of the project may include interest upon the bonds during construction and for six months after the estimated completion date, the compensation of a fiscal agent or adviser, engineering, architectural, administrative and legal expenses and provision for contingencies. Such bonds shall be executed by the president of the state board of regents and attested by the executive secretary, secretary or other official thereof performing the duties of secretary, and the coupons thereto attached shall be executed with the original or facsimile signatures of

said president, executive secretary, secretary or other official; provided, however, that the facsimile signature of either of such officers executing such bonds may be imprinted on the face of the bonds in lieu of the manual signature of such officer, but at least one of the signatures appearing on the face of each bond shall be a manual signature. Any bonds bearing the signatures of officers in office on the date of the signing thereof shall be valid and binding for all purposes, notwithstanding that before delivery thereof any or all such persons whose signatures appear thereon shall have ceased to be such officers. Each such bond shall state upon its face the name of the institution on behalf of which it is issued, that it is payable solely and only from the student fees and charges and institutional income received by such institution as hereinbefore provided, and that it does not constitute a debt of or charge against the state of Iowa within the meaning or application of any constitutional or statutory limitation or provision. The issuance of such bonds shall be recorded in the office of the treasurer of the institution on behalf of which the same are issued, and a certificate by such treasurer to this effect shall be printed on the back of each such bond. [63GA, ch 181,§6]

**262A.7 Resolution of board and covenants undertaken.** Upon the determination by the state board of regents to undertake and carry out any project or to refund outstanding bonds, said board shall adopt a resolution describing generally the contemplated project and setting forth the estimated cost thereof, or describing the obligations to be refunded, fixing the amount of bonds to be issued, the maturity or maturities, the interest rate or rates and all details in respect thereof. Such resolution shall contain such covenants as may be determined by the board as to the issuance of additional bonds that may thereafter be issued payable from the student fees and charges and institutional income received by the particular institution, the amendment or modification of the resolution authorizing the issuance of any bonds, the manner, terms, and conditions and the amount or percentage of assenting bonds necessary to effectuate such amendment or modification, and such other covenants as may be deemed necessary or desirable. In the discretion of the board any bonds issued under the terms of this chapter may be secured by a trust indenture by and between the board and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the boundaries of the state of Iowa, but no such trust indenture shall convey or mortgage the buildings and facilities or any part thereof. The provisions of this chapter and of any resolution or other proceedings authorizing the issuance of bonds and providing for the establishment and maintenance of adequate student fees and charges and the application of the proceeds thereof, together

with institutional income, shall constitute a contract with the holders of such bonds. [63GA, ch 181,§7]

**262A.8 Student fees to pay bonds.** Whenever bonds are issued by the state board of regents, it shall be the duty of said board to establish, impose, and collect student fees and charges at the institution on behalf of which such bonds are issued, and to adjust such student fees and charges from time to time, in order always to provide amounts which, together with the institutional income, will be sufficient to pay the principal of and interest on such bonds as the same become due and to maintain a reserve therefor, and said board is authorized to pledge a sufficient amount of the student fees and charges and institutional income received by such institution for this purpose. Student fees and charges and institutional income received by one institution shall not be used to discharge bonds issued for or on account of another institution. All bonds issued under the terms of this chapter shall be exempt from taxation by the state of Iowa and the interest thereon shall be exempt from the state income tax. [63GA, ch 181,§8]

**262A.9 Bond fund account.** A certified copy of each resolution providing for the issuance of bonds under this chapter shall be filed with the treasurer of the institution on behalf of which the bonds are issued and it shall be the duty of said treasurer to keep and maintain separate accounts for each issue of bonds in accordance with the covenants and directions set out in the resolution providing for the issuance thereof. A sufficient portion of the student fees and charges and institutional income received by each institution shall be held in trust by the treasurer thereof, separate and apart from all other funds, to be used solely and only for the purposes specified in this chapter and as may be required and provided for by the proceedings of the board authorizing the issuance of bonds. It shall be the duty of the treasurer of each institution to disburse funds from the proper account for the payment of the principal of and interest on the bonds in accordance with the directions and covenants of the resolution authorizing the issuance thereof. [63GA, ch 181,§9]

**262A.10 Bonds not state obligation.** Under no circumstances shall any bonds issued under the terms of this chapter be or become or be construed to constitute a debt of or a charge against the state of Iowa within the purview of any constitutional or statutory limitation or provision. No taxes, appropriations, or other funds of the state of Iowa may be pledged for or used to pay such bonds or the interest thereon but any such bonds shall be payable solely and only as to both principal and in-

terest from the student fees and charges and institutional income received by the institutions of higher learning under the control of the state board of regents as provided in this chapter, and the sole remedy for any breach or default of the terms of any such bonds or proceedings for their issuance shall be a proceeding either in law or in equity by suit, action, or mandamus to enforce and compel performance of the duties required by this chapter and the terms of the resolution under which such bonds are issued. [63GA, ch 181, §10]

[63GA, ch 181, §11]

**262A.12 Application for gifts, loans or grants.** The state board of regents is authorized to apply for and accept federal or non-federal gifts, loans, or grants of funds and to use the same to pay all or any part of the cost of carrying out any project at any institution under the terms of this chapter or to pay any bonds and interest thereon issued for any purposes specified in this chapter. [63GA, ch 181, §12]

**262A.13 Alternative and independent method.** This chapter shall be construed as providing an alternative and independent method for carrying out any project at any institution of higher learning under the control of the state board of regents, for the issuance and sale or exchange of bonds in connection therewith and for refunding bonds pertinent thereto, without reference to any other statute, and shall not be construed as an amendment of or subject to the provisions of any other law, and no publication of any notice, whether under section 23.12 or otherwise, and no other or further proceedings in respect to the issuance or sale or exchange of bonds under this chapter shall be required except such as are prescribed by this chapter, any provisions of other statutes of the state to the contrary notwithstanding. **263A.2 Legislative approval before acting hereunder.** Subject to and in accordance with the provisions of this chapter, the state board of regents after authorization by a constitutional majority of the general assembly may undertake and carry out any project as defined in this chapter at the state University of Iowa. The state board of regents is authorized to operate, control, maintain, and manage buildings and facilities and additions to such buildings and facilities at said institution. All contracts for the construction, reconstruction, completion, equipment, improvement, repair, or remodeling of any buildings, additions, or facilities shall be let in accordance with the

provisions of section 262.34. The title to all real estate acquired under the provisions of this chapter and the improvements erected thereon shall be taken and held in the name of the state of Iowa. [62GA, ch 235,§2]

**263A.3 Bonds or notes issued.** The board is authorized to borrow money and to issue and sell negotiable bonds or notes to pay all or any part of the cost of carrying out any project at the institution and to refund and refinance bonds or notes issued for any project or for refunding purposes at the same rate or at a lower rate. Such bonds or notes shall be sold by the board at public sale on the basis of sealed proposals received pursuant to a notice specifying the time and place of sale and the amount of bonds to be sold which shall be published at least once not less than seven days prior to the date of sale in a newspaper published in the state of Iowa and having a general circulation in the state. The provisions of chapter 75 shall not apply to bonds or notes issued under authority contained in this chapter, but such bonds or notes shall be sold upon terms of not less than par plus accrued interest. Bonds or notes issued to refund other bonds or notes issued under the provisions of this chapter may either be sold in the manner specified in this chapter and the proceeds thereof applied to the payment of the obligations being refunded, or the refunding bonds or notes may be exchanged for and in payment and discharge of the obligations being refunded. The refunding bonds or notes may be sold or exchanged in installments at different times or an entire issue or series may be sold or exchanged at one time. Any issue or series of refunding bonds or notes may be exchanged in part or sold in parts in installments at different times or at one time. The refunding bonds or notes may be sold or exchanged at any time on, before, or after the maturity of any of the outstanding notes, bonds, or other obligations to be refinanced thereby and may be issued for the purpose of refunding a like or greater principal amount of bonds or notes, except that the principal amount of the refunding bonds or notes may exceed the principal amount of the bonds or notes to be refunded to the extent necessary to pay any premium due on the call of the bonds or notes to be refunded or to fund interest in arrears or about to become due.

All bonds or notes issued under the provisions of this chapter shall be payable solely and only from and shall be secured by an irrevocable pledge of a sufficient portion of the hospital income of the institution. All bonds or notes issued under the provisions of this chapter shall have all the qualities of negotiable instruments under the laws of this state. [62GA, ch 235,§3]

**263A.4 Bonds or notes provisions.** Such bonds or notes may bear such date or dates, may bear interest at such rate or rates, pay-

able semiannually, may mature at such time or times, may be in such form and denominations, carry such registration privileges, may be payable at such place or places, may be subject to such terms of redemption prior to maturity with or without premium, if so stated on the face thereof, and may contain such terms and covenants, including the establishment of reserves, all as may be provided by the resolution of the board authorizing the issuance of the bonds or notes. In addition to the estimated cost of construction, including site costs, the cost of the project may include interest upon the bonds or notes during construction and for six months after the estimated completion date, the compensation of a fiscal agent or adviser, engineering, architectural, administrative, and legal expenses and provision for contingencies. Such bonds or notes shall be executed by the president of the state board of regents and attested by the executive secretary, secretary, or other official thereof performing the duties of secretary, and the coupons thereto attached shall be executed with the original or facsimile signatures of said president, executive secretary, secretary, or other official; provided, however, that the facsimile signature of either of such officers executing such bonds may be imprinted on the face of the bonds in lieu of the manual signature of such officer, but at least one of the signatures appearing on the face of each bond shall be a manual signature. Any bonds or notes bearing the signatures of officers in office on the date of the signing thereof shall be valid and binding for all purposes, notwithstanding that before delivery thereof any or all such persons whose signatures appear thereon shall have ceased to be such officers. Each such bond or note shall state upon its face the name of the institution on behalf of which it is issued, that it is payable solely and only from hospital income received by such institution as provided in this chapter, and that it does not constitute a debt of or charge against the state of Iowa within the meaning or application of any constitutional or statutory limitation or provision. The issuance of such bonds or notes shall be recorded in the office of the treasurer of the institution, and a certificate by such treasurer to this effect shall be printed on the back of each such bond or note. [62GA, ch 235,§4]

**263A.5 Resolution adopted—terms and conditions of bonds or notes.** Upon the determination by the state board of regents to undertake and carry out any project or to refund outstanding bonds or notes, said board shall adopt a resolution describing generally the contemplated project and setting forth the estimated cost thereof, or describing the obligations to be refunded, fixing the amount of bonds or notes to be issued, the maturity or maturities, the interest rate or rates, and all details in respect thereof. Such resolution shall contain such covenants as may be determined by the board as to the issuance of

additional bonds or notes that may thereafter be issued payable from the hospital income received by the institution, the amendment or modification of the resolution authorizing the issuance of any bonds or notes, the manner, terms, and conditions and the amount or percentage of assenting bonds or notes necessary to effectuate such amendment or modification, and such other covenants as may be deemed necessary or desirable. In the discretion of the board, any bonds or notes issued under the terms of this chapter may be secured by a trust indenture by and between the board and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the boundaries of the state of Iowa, but no such trust indenture shall convey or mortgage the buildings and facilities or any part thereof. The provisions of this chapter and of any resolution or other proceedings authorizing the issuance of bonds or notes and providing for the establishment and maintenance of adequate rates, fees, and charges for services rendered by the hospitals, medical clinics, and medical laboratories of the institution and the application of the proceeds thereof, together with other hospital income, shall constitute a contract with the holders of such bonds or notes. [62GA, ch 235,§5]

**263A.6 Rates, fees and charges for services.** Whenever bonds or notes are issued by the state board of regents, it shall be the duty of said board to establish, impose, and collect rates, fees, and charges for services rendered by the hospitals, medical clinics, and medical laboratories of the institution and to adjust such rates, fees, and charges from time to time, in order to always provide amounts which, together with other hospital income, will be sufficient to pay the principal of and interest on such bonds or notes as the same become due and to maintain a reserve therefor, and said board is authorized to pledge a sufficient amount of the hospital income received by such institution for this purpose. All bonds or notes issued under the terms of this chapter shall be exempt from taxation by the state of Iowa and the interest thereon shall be exempt from the state income tax. [62GA, ch 235,§6]

**263A.7 Accounts of all funds separate.** A certified copy of each resolution providing for the issuance of bonds or notes under this chapter shall be filed with the treasurer of the institution and it shall be the duty of said treasurer to keep and maintain separate accounts for each issue of bonds or notes in accordance with the covenants and directions set out in the resolution providing for the issuance thereof. A sufficient portion of the hospital income received by the institution shall be held in trust by the treasurer thereof, separate and apart from all other funds, to be used solely and only for the purposes specified in this chapter and as may be required and

provided for by the proceedings of the board authorizing the issuance of bonds or notes. It shall be the duty of the treasurer of the institution to disburse funds from the proper account for the payment of the principal of and interest on the bonds or notes in accordance with the directions and covenants of the resolution authorizing the issuance thereof. [62GA, ch 235,§7]

**263A.8 No obligation of the state on bonds or notes.** Under no circumstances shall any bonds or notes issued under the terms of this chapter be or become or be construed to constitute a debt of or a charge against the state of Iowa within the purview of any constitutional or statutory limitation or provision. No taxes, or other funds of the state of Iowa appropriated to the institution may be pledged for or used to pay such bonds or notes or the interest thereon but any such bonds or notes shall be payable solely and only as to both principal and interest from the hospital income received by the institution as hereinbefore provided, and the sole remedy for any breach or default of the terms of any such bonds or notes or proceedings for their issuance shall be a proceeding either in law or in equity by suit, action, or mandamus to enforce and compel performance of the duties required by this chapter and the terms of the resolution under which such bonds or notes are issued. [62GA, ch 235,§8]

**263A.9 Banks etc., may invest in bonds or notes.** All banks, trust companies, bankers, savings banks and institutions, building and loan associations, savings and loan associations, investment companies, and other persons carrying on a banking or investment business, all insurance companies, insurance associations, and other persons carrying on an insurance business and all executors, ad-

ministrators, guardians, trustees, and other fiduciaries may legally invest any sinking funds, moneys, or other funds belonging to them or within their control in any bonds or notes issued pursuant to this chapter; provided, however, that nothing contained in this section may be construed as relieving any persons from any duty of exercising reasonable care in selecting securities for purchase or investment. [62GA, ch 235,§9]

**263A.10 Gifts, loans or grants accepted.** The state board of regents is authorized to apply for and accept federal or nonfederal gifts, loans, or grants of funds and to use the same to pay all or any part of the cost of carrying out any project at the institution under the terms of this chapter or to pay any bonds or notes and interest thereon issued for any of the purposes specified in this chapter. [62GA, ch 235,§10]

**263A.11 Provisions independent of any other statute.** This chapter shall be construed as providing an alternative and independent method for carrying out any project related to the medical school and any project related to the hospital at the institution, for the issuance and sale or exchange of bonds or notes in connection therewith, and for refunding bonds or notes pertinent thereto, without reference to any other statute, and shall not be construed as an amendment of or subject to the provisions of any other law, and no publication of any notice, whether under section 23.12 or otherwise, and no other or further proceedings in respect to the issuance or sale or exchange of bonds or notes under this chapter shall be required except such as are prescribed by this chapter, any provisions of other statutes of the state to the contrary notwithstanding. Any area included in a reorganization petition filed on or before April 1, 1966, and not becoming a part of a district maintaining twelve grades because of the subsequent failure of the proposal to carry or by reason of judicial appeal proceedings, shall be attached to a district, or districts maintaining twelve grades by the county board of education. Such attachment shall become effective July 1, 1966, or if impossible by said date because of later vote or appeal proceedings, on such date as fixed by the state board of public instruction. The authority of the county board of education to make such attachments shall extend beyond July 1, 1966, when necessary by reason of later vote or appeal proceedings.

It is further declared to be the policy of the state that no existing district or part thereof shall be included in such twelve-grade district prior to April 1, 1966 without the electors of such existing district or part thereof having an opportunity to vote the proposition to include such existing district or part thereof in said twelve-grade district. Provided, however, that any school district which has been reduced to less than four government sections as a result of reorganization may be annexed

to a twelve-grade district by the board of education of the county in which located without the approval of the electors and areas in excess of four sections where no persons reside thereon and the land is owned by persons residing within the district to which such land is to be attached may be so attached.

**275.12 Petition—method of election.**

1. A petition describing the boundaries, or accurately describing the area included therein by legal descriptions, of the proposed district, which boundaries or area described shall conform to county plan or the petition shall request change of the county plan, shall be filed with the superintendent of schools of the county in which the greatest number of electors reside. Such petition shall be signed by voters in each existing school district affected or portion thereof equal in number to at least twenty percent of the number of eligible voters or four hundred voters, whichever is the smaller number. School districts affected or portion thereof shall be defined to mean that area to be included in the plan of the proposed new school district.

2. Such petition shall also state the number of directors which may be either five or seven and the method of election of the school directors of the proposed district. The method of election of the directors shall be one of the following optional plans:

a. Election at large from the entire district by the electors of the entire district.

b. Division of the entire school district into designated geographical subdistricts, to be known as director districts, each of which director districts shall be represented on the school board by one director who shall be a resident of such director district but who shall be elected by the vote of the electors of the entire school district. The school district shall be divided into the same number of director districts as the number of school directors the district is authorized by law. The boundaries of such director districts and the area and population included within each district shall be such as justice, equity, and the interests of the people may require. Insofar as may be practicable, the boundaries of such districts shall follow established political or natural geographical divisions.

c. Election of not more than one-half of the total number of school directors at large from

the entire district and the remaining directors from and as residents of designated director districts into which the entire school district shall be divided. In such case, all directors shall be elected by the electors of the entire school district.

d. Division of the entire school district into designated geographical subdistricts, to be known as director districts, each of which director districts shall be represented on the school board by one director who shall be a resident of such director district and who shall be elected by the voters of said director district. Place of voting in such director districts shall be designated by the county board.

3. If the petition proposes the division of the school district into director districts, the boundaries of such proposed director districts shall be described in the petition.

4. The county board or boards of education in reviewing such petition as provided in sections 275.15 and 275.16 shall review the proposed method of election of school directors and shall have the duty and authority to change or amend such plan in any manner, including the changing of boundaries of director districts if proposed, or to specify a different method of electing school directors on the basis of area, school population, or assessed valuation as may be required by law, justice, equity, and the interest of the people. **280A.7 Investigation of plan.** Upon receipt of any plan submitted, the state board shall cause the plan to be examined, conduct further investigation of and hearings on the plan if deemed necessary, and evaluate the plan in relation to all vocational schools, community colleges, and junior colleges existing, proposed, or needed throughout the state. The state board may approve or disapprove the plan or may return the plan to the planning boards for modification and resubmission. [C66, §280A.7]

**280A.8 Approval of plan.** When a plan is approved, the state board shall issue an order of the approval, a copy of which shall be sent to each of the respective planning boards. The order shall:

1. Officially designate and classify the area school to be established as an area vocational school or area community college.
2. Describe all territory included in the county school systems which is to be a part of the approved area.
3. Officially designate the location or locations of the area vocational school or area community college. If the plan did not specify a location, the state board shall so determine.

**280A.9 Disapproval of plan.** When a plan is disapproved, a statement of the reasons for such disapproval shall be forwarded to each of the planning boards. Within fifteen calendar days from the date of receiving such statement, the planning boards or their authorized representative may request a hearing by the state board on the disapproved plan. The state board shall grant the hearing within thirty calendar days after receipt of the request. Upon receiving all evidence and arguments presented by the planning boards or their representative, the state board may reaffirm or reconsider its previous action with respect to the disapproved plan or may request the planning boards to modify and resubmit the plan. [C66,§280A.9]

In the event no decision has been made by a county board of education within seventy days, the county board shall be deemed to have approved the merger plan. The secretaries of the respective boards shall immediately notify the state board of the action taken at the meetings. [C66,§280A.10]

**280A.11 Procedure of state board.** Upon receiving notice that all planning boards have given final approval to the proposal to form a merged area, the state board shall:

1. Officially designate all territory included in the plan approved by the county school systems as a merged area.

2. Direct the county superintendent of the county in which the physical plant facilities of the area vocational school or area community college are to be located to call and conduct a special election to choose the members of the initial governing board of the merged area. If physical plant facilities are to be located in more than one county, the county superintendent of the county in which the school or college administrative offices are to be located shall be responsible for calling and conducting the special election. [C66, §280A.11]

**280A.12 Governing board.** The governing board of a merged area shall be a board of directors composed of one member elected from each director district in the area by the electors of the respective district. Members of the board shall be residents of the district from which elected. Successors shall be chosen at the annual school elections for members whose terms expire on the first Monday in October following such elections. Terms of members of the board of directors shall be three years except that members of the initial board of directors elected at the special election shall determine their respective terms by lot so that the terms of one-third of the members, as nearly as may be, shall expire on the first Monday in October of each succeeding year. Vacancies on the board which occur more than ninety days prior to the next annual school election shall be filled at the next regular meeting of the board by appointment by the remaining members of the board. The member so chosen shall be a resident of the district in which the vacancy occurred and shall serve until the next annual school election, at which election a member shall be elected to fill the vacancy for the balance of the unexpired term. A vacancy shall be defined as in section 277.29. No member shall serve on the board of directors who is a member of a board of directors of a local

school district or a member of a county board of education. [C66,§280A.12]

Referred to in §280A.39

**280A.13 Directors of merged area.** In each merged area, the initial board of directors elected at the special election shall organize within fifteen days following the election and may thereafter proceed with the establishment of the designated area vocational school or area community college. The board of directors shall thereafter organize on the first Monday in October of each year. Organization of the board shall be effected by the election of a president and such other officers from the board membership as board members so determine. The board of directors shall appoint a secretary and a treasurer who shall each give bond as prescribed in section 291.2 and who shall each receive such salary as shall be determined by the board. The secretary and treasurer shall perform such duties as are prescribed in chapter 291 and such additional duties as the board of directors may deem necessary. The frequency of meetings other than organizational meetings shall be as determined by the board of directors but the president or a majority of the members may call a special meeting at any time. [C66, §280A.13]

**280A.14 Expenses prorated.** All expenses incurred in electing the initial board of a merged area shall be prorated among the several county school systems included in the area, in the proportion that the value of taxable property in each county school system, or any portion thereof which is part of the merged area, bears to the total value of taxable property in the area. The superintendent responsible for calling and conducting the election shall certify to each county board of education the amount which each board owes. [C66,§280A.14]

**280A.15 Conduct of elections.** The nomination of candidates, preparation of ballots, and canvass for all elections of members of the board of directors of an area vocational school or an area community college, except as otherwise directed, shall be conducted in the manner provided in sections 273.5, 273.6, and 273.7 for members of county boards of education. Nomination papers in behalf of a candidate shall be filed with the secretary of the board of the merged area. Each candidate shall be nominated by a petition signed by not less than fifty qualified electors of the district from which the member is to be elected. The board of directors of each respective merged area shall be responsible for causing the printing of election ballots and the printing of necessary forms used by judges and clerks of election and by secretaries of local school districts in making election returns. The votes cast in the election shall be returned to the respective boards of directors

of the merged areas who shall canvass the vote and issue certificates of election as prescribed in section 273.7. Members elected to the board of directors of a merged area shall qualify by taking the oath of office prescribed in section 277.28. [C66,§280A.15]

**280A.16 Status of merged area.** A merged area formed under the provisions of this chapter shall be a body politic as a school corporation for the purpose of exercising powers granted under this chapter, and as such may sue and be sued, hold property, and exercise all the powers granted by law and such other powers as are incident to public corporations of like character and are not inconsistent with the laws of the state. [C66,§280A.16]

**280A.17 Preparation of budget.** The board of directors of each merged area shall prepare an annual budget designating the proposed expenditures for operation of the area vocational school or area community college. The board shall further designate the amounts which are to be raised by local taxation and the amounts which are to be raised by other sources of revenue for such operation. The budget of each merged area shall be submitted to the state board no later than June 1 preceding the next fiscal year for approval. The state board shall review the proposed budget and shall, prior to July 1, either grant its approval or return the budget without approval with the comments of the state board attached thereto. Any unapproved budget shall be resubmitted to the state board for final approval. Upon approval of the budget by the state board, the board of directors shall prorate the amount to be raised by local taxation among the respective county school systems, or parts thereof, in the proportion that the value of taxable property in each system, or part thereof, bears to the total value of taxable property in the area. The board of directors shall certify the amount so determined to the respective county auditors and the boards of supervisors shall levy a tax sufficient to raise the amount. No tax in excess of three-fourths mill shall be levied on taxable property in a merged area for the operation of an area vocational school or area community college. Taxes collected pursuant to such levy shall be paid by the respective county treasurers to the treasurer of the merged area in the same manner that other school taxes are paid to local school districts.

It is the policy of this state that the property tax for the operation of area schools shall not in any event exceed three-fourths mill, and that the present and future costs of such operation in excess of the funds raised by such three-fourths mill levy shall be the responsibility of the state and shall not be paid from property tax. The general assembly in 1971 shall review the need for and the advisability of such three-fourths mill levy. [C66,§280A.17; 62GA, ch 244,§12]

Referred to in §§280A.22, 280A.34, 280A.38

2. Other federal funds for such purposes as may be provided by federal law, subject to the approval of the state board.

3. Tuition for instruction received by persons who reside outside the area, or by persons twenty-one years of age or over or who are high school graduates residing within the area.

Referred to in §§280A.23, subsection 3, 280A.34, 280A.38

**280A.19 Acquisition of sites and buildings.** Boards of directors of merged areas may acquire sites and erect and equip buildings for use by area vocational schools or area community colleges and may contract indebtedness and issue bonds to raise funds for such purposes. [C66,§280A.19]

Referred to in §§280A.20, 280A.21, 280A.34

**280A.20 Payment of bonds.** Taxes for the payment of bonds issued under section 280A.19 shall be levied in accordance with chapter 76. The bonds shall be payable from a fund created from the proceeds of such taxes in not more than twenty years and bear interest at a rate not exceeding seven percent per annum, and shall be of such form as the board issuing the bonds shall by resolution provide. Any indebtedness incurred shall not be considered an indebtedness incurred for general and ordinary purposes as prescribed under section 407.1. [C66,§280A.20; 63GA, ch 87,§§3, 60, ch 1032,§1(3)]

See 63GA, ch 87,§60

**280A.21 Election to incur indebtedness.** No indebtedness shall be incurred under section 280A.19 until authorized by an election. A proposition to incur indebtedness and issue bonds for area vocational school or area community college purposes shall be deemed carried in a merged area if approved by a sixty percent majority of all voters voting on the proposition in the area. [C66,§280A.21]

**280A.22 Additional tax.** In addition to the tax authorized under section 280A.17, the

voters in any merged area may at the annual school election vote a tax not exceeding three-fourths mill on the dollar in any one year for a period not to exceed five years for the purchase of grounds, construction of buildings, payment of debts contracted for the construction of buildings, purchase of buildings and equipment for buildings, and the acquisition of libraries, and for the purpose of maintaining, remodeling, improving, or expanding the area vocational school or area community college of the merged area. [C66,§280A.22]

Referred to in §§280A.34, 280A.35, 280A.38

**280A.23 Authority of area directors.** The board of directors of each area vocational school or area community college shall:

1. Determine the curriculum to be offered in such school or college subject to approval of the state board. If an existing private educational or vocational institution within the merged area has facilities and curriculum of adequate size and quality which would duplicate the functions of the area school, the board of directors shall discuss with the institution the possibility of entering into contracts to have the existing institution offer facilities and curriculum to students of the merged area. The board of directors shall consider any proposals submitted by the private institution for providing such facilities and curriculum. The board of directors may enter into such contracts. In approving curriculum, the state board shall ascertain that all courses and programs submitted for approval are needed and that the curriculum being offered by an area school does not duplicate programs provided by existing public or private facilities in the area. In determining whether duplication would actually exist, the state board shall consider the needs of the area and consider whether the proposed programs are competitive as to size, quality, tuition, purposes, and area coverage with existing public and private educational or vocational institutions within the merged area.

2. Change boundaries of director districts in merged areas after each decennial census or change in boundaries of the merged area to compensate for changes in population if such population changes have taken place.

3. Have authority to determine tuition rates for instruction as authorized under section 280A.18, subsection 3. Tuition for residents of Iowa shall not exceed the lowest tuition rate per semester, or the equivalent, charged by an institution of higher education under the state board of regents for a full-time resident student. Tuition for nonresidents of Iowa shall be not less than one hundred fifty percent and not more than two hundred percent of the tuition established for residents of Iowa. Tuition for resident or nonresident students may be set at a higher figure with the approval of the state board. A lower tuition for nonresidents may be permitted under a reciprocal tuition agreement between a merged

area and an educational institution in another state, if the agreement is approved by the state board.

4. Have the powers and duties with respect to such schools and colleges, not otherwise provided in this chapter, which are prescribed for boards of directors of local school districts by chapter 279.

5. Have the power to enter into contracts and take other necessary action to insure a sufficient curriculum and efficient operation and management of the school or college and maintain and protect the physical plant, equipment, and other property of the school or college.

6. Establish policy and make rules, not inconsistent with law and administrative rules, regulations, and policies of the state board, for its own government and that of the administrative, teaching, and other personnel, and the students of the school or college, and aid in the enforcement of such laws, rules, and regulations.

7. Have authority to sell any article resulting from any vocational program or course offered at an area vocational school or area community college. Governmental agencies and governmental subdivisions of the state within the merged areas shall be given preference in the purchase of such articles. All revenue received from the sale of any article shall be credited to the funds of the board of the merged area.

8. With the consent of the inventor, and in the discretion of the board, secure letters patent or copyright on inventions of students, instructors, and officials of any vocational school or community college of the merged area, or take assignment of such letters patent or copyright and make all necessary expenditures in regard thereto. Letters patent or copyright on inventions when so secured shall be the property of the board of the merged area and the royalties and earnings thereon shall be credited to the funds of the board.

9. The area board, when setting the salary of the area superintendent, shall take into consideration the salaries of administrators of educational institutions in the area, and the enrollment of the area schools; the salary range shall be from seventeen thousand dollars to twenty-five thousand dollars per annum. The superintendent shall not be required to hold any teacher's certificate.

10. At the request of an employee through contractual agreement the board may arrange for the purchase of an individual annuity contract for any of their respective employees from any company the employee may choose that is authorized to do business in this state and through an Iowa-licensed insurance agent that the employee may select, for retirement or other purposes and may make payroll deductions in accordance with such arrangements for the purpose of paying the entire premium due and to become due under such contract. The deductions shall be made in the

manner which will qualify the annuity premiums for the benefits afforded under section 403b of the Internal Revenue Code of 1954 and amendments thereto. The employee's rights under such annuity contract shall be nonforfeitable except for the failure to pay premiums. [C66,§280A.23; 62GA, ch 244,§14 (1-3); 63GA, ch 185,§1]

Referred to in §280A.25, subsection 2

**280A.24 Area community college.** The board of directors of a merged area initially organized for the establishment of, and which is operating, an area vocational school may with the approval of the state board expand the curriculum of the school to qualify as an area community college. The state board shall upon approval officially classify the school as an area community college.

The standard academic work load for an instructor in arts and science courses shall be fifteen credit hours per school term, and the maximum academic work load for any instructor shall be sixteen credit hours per school term, for classes taught during the normal school day. The decision of the arbitrators shall be made in writing and a copy of the decision shall be filed with the secretary of the board of the merged area and the secretary of the local board. Any party to the proceedings may appeal therefrom to the district court by serving notice thereof within twenty days after the decision is filed. In such case the cost of the tuition and transportation, when required by law, shall be paid by the treasurer of the state as provided in section 282.23. [C24, 27, 31, 35, 39,§4283; C46, 50, 54, 58, 62, 66,§282.22]

**282.23 Tuition when in boarding home.** When any child of school age has become a public charge and is being cared for in a children's boarding home licensed by the state, and the domicile of such child at the time it became a public charge was in another school district than the one wherein such boarding home is located, then, such child shall be entitled to attend public school in the school district in which such boarding home is located, or if such district does not maintain a school offering instruction in the grade in which such child is properly classified, then such child may attend upon such instruction in any approved public school in the state that will receive it. The tuition and transportation when required of such a child, at the rates established by law, shall be paid by the treasurer of state from any funds in the state treasury not otherwise appropriated, and upon warrants drawn by the state comptroller upon the

In such classification the school that falls within the eighty-fifth percentile of the monthly per pupil cost shall form the basis. Using this figure the elementary and high school tuition rates for the succeeding year shall be determined so that the rate for the high school student is one and seventy-five hundredths times the rate for the elementary student. The junior high school rate shall be one and fifty hundredths times the elementary rate.

The superintendent of public instruction shall, after July 1 but before September 1 of each year, notify every school in the state, affected by this section, what the computed maximum tuition rate shall be for the ensuing year.

Nothing in this section shall prevent the corporation or district in which the student resides from paying a tuition in excess of the maximum computed tuition rates, if the actual per pupil cost of the preceding year so warrants, but in no case may the receiving district or corporation demand more than the maximum rate. [C50, 54, 58, 62, 66,§282.24]

In such case the cost of tuition and transportation, at the rates established by law, shall be paid by the treasurer of the state from any funds in the state treasury not otherwise appropriated and upon warrants drawn by the state comptroller upon requisition of the superintendent of public instruction. [C66,§282.25]

ward credit for high school graduation. No public school funds shall be expended for payment of tuition or other costs for such attendance at any college or university, unless such payment is expressly permitted or required by law.

The foregoing provisions shall also apply to junior colleges, colleges and universities in adjacent states when such institutions are located nearer to the homes or schools of the school district than the closest junior college, college or university within the state. [C66, §282.26]

284.1 Reimbursement—by whom computed.  
284.2 Basis of computation—limitation.  
284.3 Certification of amount.  
284.4 Payment to district.

284.5 Secretary to file statement.  
284.6 Auditor to deduct reimbursement.

Referred to in §§284.2, 284.3

**284.2 Basis of computation—limitation.** The computation provided for in section 284.1 shall be made: (1) On the basis of the proportion that the assessable value of the total number of acres owned by the government of the United States, by the state, by the county, or by the municipal corporation, as the case may be, in such school district bears to the assessable value of the total number of acres in said school district. The average assessable value per acre of the lands so owned within the school district shall, for the purposes of the computation provided for in this chapter, not exceed the average assessable value per acre of the taxable lands in said district, or (2), if said land or any part thereof is being operated by a municipal corporation for veterans or

The use of either computation provided for in this section shall be determined on the basis of whichever is the greater. [C31,§4283-c10; C35,§4283-e2; C39,§4283.12; C46, 50, 54, 58, 62, 66,§284.2]

When the computed amount is based upon lands belonging to the state or to the government of the United States, as provided herein, it shall then become the duty of the secretary of the executive council of the state to certify the amount to the state comptroller, who shall draw his warrant to the secretary of said school district and the treasurer of state shall

pay the same from any funds of the state not otherwise appropriated.

If the computed reimbursement to a school district on state or government-owned land within the district is not sufficient to cover the tuition such district is required to pay because of children of employees of the state or federal government who reside on such land and attend a public school outside the district in which such land is located, then the county board of supervisors shall add to the computed reimbursement to such district the difference between the computed reimbursement and the tuition such district is required by law to pay because of the children of such employees, and certify the total to the secretary of the executive council for payment by the state as provided by law.

The executive council of the state shall deduct from tax-free land reimbursement claims those amounts certified to them by county boards of education under section 467B.14. [C31,§§4283-c3,-c12; C35,§4283-e4; C39,§4283.14; C46, 50, 54, 58, 62, 66,§284.4]

**284.6 Auditor to deduct reimbursement.** When levying the school tax certified by the secretary of the school board against the taxable property of such school district, the county auditor shall deduct therefrom the amount computed by the county board of supervisors and levy the remainder against the taxable property of said district. [C31,§4283-c11; C35,§4283-e6; C39,§4283.16; C46, 50, 54, 58, 62, 66,§284.6]

bus service is not available, the board may require the parents or guardian to transport their children to the school designated for attendance. The parent or guardian shall be reimbursed for such transportation service for elementary pupils by the board of resident district for the distance one way from the pupil's residence to the school designated for attendance at the rate of twenty-eight cents per mile per day irrespective of number of children transported. For high school pupils, the parent or guardian shall be reimbursed forty dollars per pupil per year for such service, provided however no family shall receive more than eighty dollars per year for transporting the members of the family who attend high school.

4. In all districts where unsatisfactory roads or other conditions make it advisable, the board at its discretion may require the parent or guardian to transport their children up to two miles to connect with a vehicle of transportation. The parent or guardian shall be reimbursed for such transportation by the board of resident district at the rate of twenty-eight cents per mile per day, one way, per family for the distance from pupil's residence to the bus route.

5. Where transportation by school bus is impracticable or not available or other existing conditions warrant it, arrangements may be made for use of common carriers according to uniform standards established by the state superintendent of public instruction. The cost shall be the actual cost of service not to exceed forty dollars per pupil per year.

6. When the school designated for attendance of pupils is engaged in the transportation of pupils, the sending or designating school shall use these facilities and pay the pro rata cost of transportation except that a district sending pupils to another school may make other arrangements when it can be shown that such arrangements will be more efficient and economical than to use facilities of the receiving school, providing such arrangements are approved by the county board of education.

7. If a board closes either elementary or high school facilities and is approved by the county board of education to operate its own transportation equipment, the full cost of transportation shall be paid by the board for all pupils living beyond the statutory walking

distance from the school designated for attendance.

8. Transportation service may be suspended upon any day or days, due to inclemency of the weather, conditions of roads, or the existence of other conditions, by the board of the school district operating the buses, when in their judgment it is deemed advisable and when the school or schools are closed to all children.

9. Distance to school or to a bus route shall in all cases be measured on the public highway only and over the most passable and safest route as determined by the county board of education, starting in the roadway opposite the private entrance to the residence of the pupil and ending in the roadway opposite the entrance to the school grounds or designated point on bus route.

10. The board in any district providing transportation for nonresident pupils shall collect the pro rata cost of transportation from the district of pupil's residence for all properly designated pupils so transported.

11. Boards in districts operating buses may transport nonresident pupils who attend public school, kindergarten through junior college, who are not entitled to free transportation provided they collect the pro rata cost of transportation from the parents.

12. The pro rata cost of transportation shall be based upon the actual cost for all the children transported in all school buses. It shall include one-seventh of the original net cost of the bus and such other items as shall be determined and approved by the superintendent of public instruction but no part of the capital outlay cost for school buses and transportation equipment for which the school district is reimbursed from state funds or that portion of the cost of the operation of any school bus used in transporting pupils to and from extra-curricular activities shall be included in determining said pro rata cost. In any district where because of unusual conditions, the cost of transportation is in excess of the actual operating cost of the bus route used to furnish transportation to nonresident pupils, the board of the local district may charge a cost equal to the cost of other schools supplying such service to that area, upon receiving approval of the state director of school transportation. Capital outlay for school buses and transportation equipment shall be excluded from the capital outlay in determining tuition costs as provided in section 279.18, and section 282.20.

13. When a local board fails to pay transportation costs due to another school for transportation service rendered, the board of the creditor corporation shall file a sworn statement with the county board of education specifying the amount due. The county board of education shall check such claim and if the claim is valid shall certify to the county auditor. The auditor shall transmit to the county treasurer an order directing him to transfer the amount

of such claim from the funds of the debtor corporation to the creditor corporation and the treasurer shall pay the same accordingly.

14. The state superintendent of public instruction may review all transportation arrangements to see that they meet all legal and established uniform standard requirements. [S13, §§2794-b, -c, -d, -e; SS15, §§2794-a, -g; C24, 27, 31, §§4179-4181, 4184, 4186; C35, §§4179-4181, 4184, 4186, 4233-e5; C39, §§4179-4181, 4184, 4186, 4233.5; C46, §§276.26, 276.28, 276.29, 276.32, 276.34, 279.20, 285.1, 285.5; C50, 54, 58, 62, 66, §285.1; 62GA, ch 356, §26]

**285.2 and 285.3** Repealed by 62GA, ch 356, §27.

**285.4 Pupils sent to another district.** On or before July 8, 1949, the board in districts not maintaining high school facilities shall by record action designate the school or schools for attendance of all high school pupils from their respective districts. In making designations, the local board shall give consideration to the wishes of the majority of the patrons, the adequacy of the facilities and curricular offerings and available bus service to avoid duplication of transportation facilities to different receiving schools.

When a board closes its elementary school facilities for lack of pupils or by action of the board, it shall, if there is a school bus service available in the area, designate for attendance the school operating the buses, provided the board of such school is willing to receive them and the facilities and curricular offerings are adequate. The board of the district where the pupils reside may with the approval of the county board of education, subject to legal limitations and established uniform standards, designate another rural school and provide their own transportation if the transportation costs will be less than to use the established bus service.

All designations must be submitted to the county board of education on or before July 15, for review and approval. The county board of education shall after due investigation alter or change designations to make them conform to legal requirements and established uniform standards for making designations and for locating and establishing bus routes. After designations are made, they will remain the same from year to year except that on or before July 15, of each year, the rural board or parents may petition the county board for a change of designation to another school. Appeals from the decision of the county board on designations may be made by either the parents or board to the state superintendent of public instruction as provided in section 285.12 and section 285.13. [C35, §§4274-e1, -e3, -e4, -e6; C39, §§4274.03, 4274.05, 4274.06, 4274.08; C46, §§282.10, 282.12, 282.13, 282.15, 285.4; C50, 54, 58, 62, 66, §285.4]

Such contracts shall define the route, the length of time, service contracted for, the compensation, the vehicle to be used. The contract shall prescribe the duties of the contractor and driver of the vehicles and shall provide that every person in charge of a vehicle conveying children to and from school shall be at all times subject to any rules said board shall adopt for the protection of the children, or to govern the conduct of the persons in charge of said conveyance. Contracts may be made for a period not to exceed three years.

The contract shall provide that the contractor will sell the equipment to the board should he desire to terminate the contract, provided the board should desire to purchase said equipment, the price of the equipment to be determined by an appraisal board composed of one person appointed by the school board, one appointed by the owner of the equipment, and a third selected by these two.

2. The contractor shall operate the vehicle himself or provide a driver who must be approved by the board. The contractor and driver shall be subject to all laws and prescribed standards for school bus drivers. Failure to comply shall constitute grounds for dismissal of the driver or cancellation of the contract if the board so desires.

3. All vehicles of transportation provided by contractor shall be inspected, approved and certified before being put into operation.

4. All contracts may be terminated by either party on a ninety-day notice.

5. The state superintendent of public instruction shall prepare a uniform contract containing provisions not in conflict with this chapter which shall be used by all schools in contracting for transportation service.

6. All contractors shall carry liability insurance in amounts and kind as provided in the official contract.

7. All contracts for transportation service and for drivers of school-owned and operated buses shall be made with someone outside the board except where no other transportation service is available, a board member may transport his own children.

8. Private buses other than common carriers not used exclusively in transportation of pupils while under contract to a school district shall meet all requirements for school-owned buses, as to construction and operation.

9. All bus drivers for school-owned equipment shall be under contract with the board. The superintendent of public instruction shall prepare a uniform contract containing provision not in conflict with this chapter which shall be used by all school boards in contracting with drivers of school-owned vehicles. [SS15,§2794-a; C24, 27, 31, 35, 39,§§4182, 4183; C46,§§276.30, 276.31; C50, 54, 58, 62, 66,§285.5]

The appropriation provided by this chapter may be expended in part for the direction and supervision provided by the chapter which shall include salaries and all necessary traveling expense incurred by said personnel in the performance of their official duties. [C46, 50, 54, 58, 62, 66,§285.6; 63GA, ch 1106,§4]

2. Review and establish the location of bus routes which are located in more than one county when the county boards of education of the affected counties after formal action do not approve.

3. Establish uniform standards for locating and operating bus routes and for the protection of the health and safety of pupils transported.

4. Inspect or cause to be inspected all vehicles used as school buses to transport school children to determine if such vehicles meet all legal and established standards of construction and can be operated with safety, comfort, and economy. When it is determined that further use of such vehicles is dangerous to the pupils transported and to the safety and welfare of the traveling public, the department of public instruction shall order such vehicle to be withdrawn from further use on a specified date. School buses which do not conform to the requirements of the department of public instruction may be issued a temporary certificate of operation provided that such school buses can be operated with safety, and provided further that no such certificate shall be issued for a period in excess of one year. All equipment can be required to be altered, or safety equipment added in order to make vehicles reasonably safe for operation. New buses after initial inspection and approval shall be issued a seal of inspection. After each annual inspection a seal of inspection and approval shall be issued. Said seals shall be mounted on the lower right hand corner of the windshield.

1. Enforce all laws and all rules and regulations of the state department of public instruction relating to transportation.

2. Review and approve all transportation arrangements between districts in the county and in all districts in the county not operating high schools. If such transportation arrangements, designations, and contracts are not in conformity to law or established uniform standards for the locating and operating of bus routes, the county board shall, after receiving all facts, make such alterations or changes as necessary to make the arrangements, designations, and contracts conform to the legal and established requirements and shall notify local board of such action.

3. Approve all bus routes outside the boundary of the district of the school operating buses.

4. When a local board fails to make designations and other necessary arrangements for transportation as required by law, the county board shall, after due notice to the local board, make necessary arrangements in conformity with law and established requirements. Notice shall be given to the local board of the arrangements as made. The arrangements shall be binding on the local board which shall pay the costs for service as arranged. [C35, §§4274-e1, e2; C39, §§4274.03, 4274.04; C46, §§282.10, 282.11, 285.9; C50, 54, 58, 62, 66, §285.9]

The powers and duties of the local school boards shall be to:

1. Provide transportation for each pupil who attends public school, and who is entitled to transportation under the laws of this state.

2. Establish, maintain and operate bus routes for the transportation of pupils so as to provide for the economical and efficient operation thereof without duplication of facili-

3. Purchase or lease buses and other transportation facilities, and maintain same, and to enter into contracts for transportation subject to any provisions of law affecting same.

4. Employ such drivers and other employees as may be necessary and prescribe their qualifications and adopt rules for their conduct.

5. Exercise any and all powers and duties relating to transportation of pupils enjoined upon them by law.

6. May purchase liability insurance or such other coverage as deemed necessary to protect the driver or any authorized employee from liability incurred by said driver or employee as a result of operating the bus and for damages or accident resulting in injury or death to the pupils or employees being legally transported.

7. When a school qualifies to purchase buses, they may be purchased as follows:

a. From such funds as may be available in the general fund.

b. May purchase buses and enter into contract to pay for such buses over a five-year period as follows: One-fourth of the cost when bus is delivered and the balance in equal annual installments, plus simple interest due. The interest rate shall be the lowest rate available and shall not exceed four percent simple interest. The bus shall serve as security for balance due. Bus bodies and chassis shall be purchased on separate contracts.

8. A board shall be eligible to purchase buses as follows:

a. Boards in consolidated, community and independent districts, who have sufficient resident pupils they are required to transport to warrant the purchase of transportation equipment, may purchase buses needed to provide such transportation.

b. Boards in rural township districts desiring to close schools and transport children to schools outside district may apply to the county board of education for approval of bus routes and for approval to purchase bus. If approved, they may purchase the buses needed to provide transportation. Once approved, to purchase buses, the board may purchase replacements without approval of the county board. Additional equipment must be approved by county board of education.

c. Boards in independent and consolidated districts who propose to establish transportation service for nonresident pupils must obtain approval from the county board of education for establishing of bus routes and for the purchasing of additional buses to provide service as approved. Replacement of equipment to operate on approved routes may be purchased without county board approval. [C46, 50, 54, 58, 62, 66, §285.10]

**285.11 Bus routes—basis of operation.** The establishment and operation of bus routes and the contracting for transportation shall be based upon the following considerations:

1. Each bus route shall be planned and adjusted to utilize the normal seating capacity of each bus insofar as it is possible to do so.

2. Each bus route shall serve regularly only pupils whose homes are beyond the statutory walking distance to the nearest appropriate school. It is provided, however, that in areas of any county having a population of over one hundred and fifty thousand, where, in the opinion of the board, the volume of traffic is such that the pupils safety depends upon transportation, regular transportation may be provided for pupils living less than the statutory walking distance from the designated school.

3. Each bus route shall serve only those pupils living in those areas where transportation by bus is the most economical method for providing adequate transportation facilities.

4. A route shall not be extended for the purpose of accommodating pupils whose homes are nearer another bus route.

5. Special contracts for transportation of pupils entitled to transportation shall be entered into only when it is more economical to make such special provision than to provide same by regular bus route, or when by reason of physical or mental handicap of the pupil such pupil cannot be transported with safety by bus.

6. The boards shall take advantage of all tax exemptions on fuel, equipment, and of such other economies as are available.

7. The use of school buses shall be restricted to transporting pupils to and from school and to and from extra-curricular activities sponsored by the school when such extra-curricular activity is under the direction of a qualified member of the faculty and a part of the regular school program. School employees of districts operating buses may be transported to and from school and approved activities which they are required to attend as a result of their responsibilities. Provided, however, nothing in this subsection shall prohibit the use of school buses in transporting a school teacher going to and from her school when such school is on an established school bus route and such teacher makes arrangements with the district operating such school bus.

8. No bus shall leave the public highway to receive or discharge pupils.

9. Bus routes shall be established only to give service to properly designated pupils.

10. Bus drivers for school buses must present a certificate of physical fitness each year before being permitted to operate any vehicles transporting children to and from school.

11. Bus drivers must hold a regular or special chauffeur's license and in addition, a special school bus driver permit issued by the department of public instruction. [C39,§4179.1; C46,§§276.27, 285.11; C50, 54, 58, 62, 66,§285.11]

**285.12 Disputes—hearings and appeals.** In the event of a disagreement between a school patron and the board of the school district, the patron if dissatisfied with the decision of the district board, may appeal the same to the county board of education, notifying the secretary of the district in writing within ten days of the decision of the board and by filing an affidavit of appeal with the county board of education within the ten-day period. The affidavit of appeal shall include the reasons for the appeal and points at issue. The secretary of the local board on receiving notice of appeal shall certify all papers to the county board of education which shall hear the appeal within ten days of the receipt of the papers and decide it within three days of the conclusion of the hearing and shall immediately notify all parties of its decision. Either party may appeal the decision of the county board to the state superintendent of public instruction by notifying the opposite party and the county superintendent of schools in writing within five days after receipt of notice of the decision of the county board of education and shall file with the state superintendent of public instruction an affidavit of appeal, reasons for appeal, and the facts involved in the disagreement. The county superintendent of schools shall, within ten days of said notice, file with the state superintendent of public instruction all records and papers pertaining to the case, including action of the county board of education. The state superintendent of public instruction shall hear the appeal within fifteen days of the filing of the records in his office, notifying all parties and the county superintendent of schools of the time of hearing. The state superintendent of public instruction shall forthwith decide the same and notify all parties of his decision and return all papers with a copy of the decision to the county superintendent of schools. The decision of the state superintendent of public instruction shall be subject to appeal to the district court. Any order of the district court shall be subject to appeal to the supreme court in accord with the statutes respecting appeals to that court. Pending final order made by the state superintendent of public instruction, or the district court, or the supreme court, as the case may be, upon any appeal prosecuted to such superintendent or to such courts, the order of the county board of education from which the appeal is taken shall be operative and be in full force and effect. [C46, 50, 54, 58, 62, 66,§285.12]

Referred to in §§257.25, subsection 12, 275.18, 285.4, 285.13

**285.13 Disagreements between boards.** In the event of a disagreement between the board of a school district and the county board of education, the board of the school district may appeal to the state superintendent of public instruction and the procedure and times provided for in section 285.12 shall prevail in any such case. The decision of the state superintendent of public instruction shall be

subject to appeal to the courts as provided for in section 285.12. [C46, 50, 54, 58, 62, 66, §285.13]  
 Referred to in §§279.18, 282.20, 285.4

**285.14 Nonstandard buses—penalties.** Any person who operates or permits to be operated as a school bus to transport pupils, any vehicle which does not comply with the requirements provided by law or by the rules and regulations of the state department of public instruction, or for which there is not a valid temporary certificate for operation, shall be punished by a fine of not to exceed one hundred dollars or by imprisonment in the county jail not to exceed thirty days. [C46, 50, 54, 58, 62, 66, §285.14]

**285.15 Forfeiture of reimbursement rights.** The failure of any local district to comply with the provisions of this chapter or any other

laws relating to the transportation of pupils, or any rules or regulations made by the state department of public instruction under this chapter or the final decisions of the county board of education, or the final decisions of the state department of public instruction shall cause such district to forfeit any rights to reimbursement for any transportation costs incurred during the period such failure to comply existed and the rights to collect transportation costs from school or parents while operating in such illegal manner. Any superintendent, board, or board member who knowingly operates or permits to be operated any school bus transporting public school pupils in violation of any school transportation law shall be deemed guilty of a misdemeanor. [C50, 54, 58, 62, 66, §286A.1; 62GA, ch 356, §21]

**286A.2** Repealed by 62GA, ch 356, §22.

**286A.3 Basis of aid—standards for junior colleges.** General school aid shall be distributed under this chapter on the basis provided in section 286A.4.

Approval standards for public community and junior colleges shall be established and approved as prescribed in section 280A.33, with said standards to be issued and enforced by the state department of public instruction. Eligibility for receipt of state aid for public community and junior colleges shall be determined by the state board of public instruction and the state board of regents. No aid shall be paid to a public community or junior

college unless such college meets approval standards. [C50, 54, 58, 62, 66, §286A.3]

**286A.4 Determination.** The general school aid funds allocated to each district shall be determined as follows:

Multiply one dollar and thirty cents by the number of students for which the district pays tuition for such students to attend an area vocational technical high school or program which has been established and approved under the provisions of chapter 258. Multiply this product by the actual number of days that the vocational technical school was officially in session, not to exceed one hundred eighty days. For any district which has an area vocational technical high school or program established and approved under the provisions of chapter 258, multiply one dollar and fifty cents by the number of full-time day students who have graduated from high school or who are beyond twenty-one years of age and are tuition students. Multiply this product by the actual number of days that the school was officially in session, not to exceed one hundred eighty days. A school district, in computing the tui-

tion to charge such a student, shall deduct the amount of general aid received for such student from the regular tuition for such student. [C50, 54, 58, 62, 66, §286A.4; 62GA, ch 244, §1(1-3), ch 356, §23; 63GA, ch 152, §55]

Referred to in §286A.3

**286A.5 Information furnished by school district.** At the close of each school year, but not later than July 5, the local district or merged area school shall supply to the state department of public instruction the information required for calculation of the amount reimbursable to the district for elementary and secondary school. For any day student who has been enrolled on a less than a full school-day basis, the reimbursement shall be calculated proportionately to the portion for which he is enrolled as shall be determined by the state department of public instruction. For school districts operating a junior college or community college, the aid to the district for such college shall be separately appropriated, calculated, prorated when necessary, and paid as hereinafter provided in sections 286A.8 through 286A.10. Forms for reporting information to calculate aid for elementary and secondary school purposes shall be supplied by the state department of public instruction to each school district not later than June 1. On or before August 1, the state department of public instruction shall furnish to the state comptroller estimates of the amount reimbursable for the year to each school district for general aid for elementary and secondary school purposes and upon said estimates the state comptroller shall, on or about August 1, make payment of the first half of the annual amount appropriated for such general aid. After all such claims have been calculated for the year and validated for accuracy, the state department of public instruction shall certify the same to the state comptroller prior to February 1. On or about February 1, the state comptroller shall make payment to the school districts, of the balance of the amount appropriated for such general aid, which, when taken with the first half payment, conforms to the amount of full year reimbursement due each school district as then validated and certified by the state department of public instruction. In the event that the amount appropriated for reimbursement of the school districts for such purposes is insufficient to pay in full the amounts to each of the school districts or merged areas, then the amount of each payment shall be reduced by the state comptroller in the ratio that the total respective funds appropriated and available for such aid bears to the respective total amounts certified for reimbursement. All funds received or to be received under the provisions of this chapter shall be taken into account and considered by each school district or merged area when estimating the amount required for the general fund. [C50, 54, 58, 62, 66, §286A.5; 62GA, ch 244, §2]

**286A.6 Rules and regulations.** The superintendent of public instruction, subject to the

approval of the state board of public instruction, is hereby authorized to adopt such rules and regulations and definitions of terms as are necessary and proper for the administration of this chapter. The necessary expenses incurred by the department of public instruction in the administration of this chapter may be paid from the appropriation therefor. When such conditions as unnatural weather hazards, bad roads, epidemics, and the like, occur to such an extent as to penalize any district, the superintendent of public instruction can adjust the formula by taking the average of several months' attendance in lieu of the months affected by such epidemics or hazards. [C50, 54, 58, 62, 66, §286A.6]

**286A.7** Repealed by 62GA, ch 356, §24.

**286A.8 General aid to junior or community colleges.** School districts operating a junior or community college shall be entitled to general school aid therefor as follows: Multiply one dollar by the average daily enrollment of the students who are residents of such school district carrying twelve or more semester hours of work plus the full-time equivalent of resident students carrying less than twelve semester hours of work. Multiply two dollars and twenty-five cents by the average daily enrollment of students who are nonresidents of the district carrying twelve or more semester hours of work plus the full-time equivalent of nonresident students carrying less than twelve semester hours of work. Multiply the sum of these products by the actual number of days school was officially in session, not to exceed one hundred eighty days. For the purposes of this section, "work" means subjects or courses; for which credit may be earned and applied toward fulfillment of the requirements for a certificate, diploma, or degree; and which are approved by the state department of public instruction for state aid. [62GA, ch 244, §3]

Referred to in §§286A.5, 286A.10

**286A.9 Merged area schools general aid.** Merged areas operating area schools shall be entitled to general school aid. Each merged area shall be entitled to two dollars and twenty-five cents per day for the full-time equivalent enrollment of students who are residents of the state. The total amount of state aid allocated to each area shall be computed by the following formula:

$$\text{State aid} = \text{Full-time equivalent enrollment} \times 180 \text{ days} \times \$2.25.$$

The amount appropriated for general state aid for the fiscal year each year, shall first be allocated to each merged area, in accordance with the above formula, on the basis of its reimbursable full-time equivalent enrollment for the previous school year. Any amount remaining shall be allocated to each merged area as provided in sections 286A.11 and 286A.12. Any course or program, the direct operational costs of which are entirely paid by federal, state, or other governmental agencies or

private subsidy, or both, shall not be eligible for reimbursement.

For the purpose of this chapter, the following definitions shall apply:

**298.18 Bond tax — election — leasing buildings.** The board of each school corporation shall, when estimating and certifying the amount of money required for general purposes, estimate and certify to the board of supervisors of the proper county for the schoolhouse fund the amount required to pay interest due or that may become due for the year beginning January 1 thereafter, upon lawful bonded indebtedness, and in addition thereto such amount as the board may deem necessary to apply on the principal.

The amount estimated and certified to apply on principal and interest for any one year shall not exceed ten mills on the dollar of the assessed valuation of the taxable property of the school corporation except as hereinafter provided.

For the sole purpose of computing the amount of bonds which may be issued as a result of the application of any millage limitation referred to in this section, all interest on the bonds in excess of that accruing in the first twelve months may be excluded from the first annual levy of taxes, so that the need for including more than one year's interest in the first annual levy of taxes to pay the bonds and interest shall not operate to further restrict the amount of bonds which may be issued, and in certifying the annual levies to the county auditor or auditors such first annual levy of taxes shall be sufficient to pay all principal of and interest on said bonds becoming due prior to the next succeeding annual levy and the full amount of such first annual levy shall be entered for collection by said auditor or auditors, as provided in chapter 76.

The amount estimated and certified to apply on principal and interest for any one year may exceed ten mills by such number of mills as may be approved by the voters of the school corporation, but not exceeding fifteen mills, on the dollar of the assessed valuation of the taxable property within any school corporation, provided that the qualified voters of such school corporation have first approved such increased millage at a special election, which may be held at the same time as the regular school election. The proposition submitted to the voters at such special election shall be in substantially the following form:

"Shall the board of directors of the ..... in  
(insert name of school corporation)  
the County of ....., State of Iowa, be authorized to levy annually a tax exceeding ten mills, but not exceeding ..... mills, on the dollar of the assessed valuation of the taxable property within said school corporation to pay the principal of and interest on bonded indebtedness of said school corporation, it being understood that the approval of this proposition shall not limit the source of payment of the bonds and interest but shall only operate to restrict the amount of bonds which may be issued?"

Notice of such election shall be given by publication once each week for four consecutive weeks in a newspaper published in the school corporation, or if there is no newspaper published in the school corporation, in a newspaper published in the county and of general circulation in the school corporation. Such notice shall state the date of the election, the hours of opening and closing the polls and the exact location thereof, and the question to be submitted. The election shall be held on a date not less than five nor more than twenty days

after the last publication of the notice. Such notice shall be sufficient and shall be in lieu of any other notice required by any other statute. At such election the ballot used for the submission of said proposition shall be in substantially the form for submitting special questions at general elections. Such proposition shall not be deemed carried or adopted unless the vote in favor of such proposition is equal to at least sixty percent of the total vote cast for and against said proposition at said election. Whenever such a proposition has been approved by the voters of a school corporation as hereinbefore provided, no further approval of the voters of such school corporation shall be required as a result of any subsequent change in the boundaries of such school corporation.

The voted millage referred to herein shall not limit the source of payment of bonds and interest but shall only restrict the amount of bonds which may be issued.

The ability of a school corporation to exceed ten mills to service principal and interest payments on bonded indebtedness is limited and conferred only to those school corporations engaged in the administration of elementary and secondary education.

Provided further that if a school corporation leases a building or property, which has been used as a junior college by such corporation, to a merged area school corporation operating or proposing to operate an area community college, the annual amounts certified as herein provided by such leasing school corporation for payment of interest and principal due on lawful bonded indebtedness incurred by such leasing school corporation for purchasing, building, furnishing, reconstructing, repairing, improving or remodeling the building leased or acquiring or adding to the site of such property leased, to the extent of the respective annual rent the school corporation will receive under such lease, shall not be considered as a part of the total amount estimated and certified for the purposes of determining if such amount exceeds any millage limitation contained in this section. At such time and place, or at such other time and place as the sale may be adjourned to, he shall offer to the highest bidder, subject to the provisions of this chapter, and sell, either for cash or one-third cash and the balance on a credit not exceeding ten years, with interest on the same at the rate of not less than three and one-half percent per annum, to be paid at the office of the county treasurer of said county on the first day of January in each year, delinquent interest to bear the same rate as the principal. said transcript came, which certificate shall be transcribed in the minute book of the board of supervisors, and thereupon said land may again be offered and sold to the highest bidder, after notice given as in case of sales in the first instance, without being again appraised. Any purchaser or his assigns may at any time pay the full amount for lands with accrued interest, and receive from the county auditor a certificate of purchase, which shall be at once transmitted to the secretary of state and will entitle the holder to a patent for the lands, to be issued by the secretary of state and the governor. All school lands sold in pursuance of law shall be subject to taxation from and after the execution and delivery of a contract of purchase. Payment for salvage work shall be limited to that performed within the roadway prism and any location designated as a source of material. If the contractor's operations are delayed because of salvage work such contractor shall be entitled to an appropriate extension of the contract time. If practicable, the operations shall be rescheduled to avoid the section where the historical material is, until the removal of it.

4. The cost of exploratory work prior to construction shall be borne by the appropriate authority. Costs of excavation of historical objects or recordation of data may be paid by the federal highway funds. ity to participate in the construction and maintenance of highways, are hereby authorized to plan, designate, establish, regulate, vacate, alter, improve, maintain, and provide controlled-access facilities for public use wherever such authority or authorities are of the opinion that traffic conditions, present or future, will justify such special facilities; provided, that within cities and towns such authority shall be subject to such municipal consent as may be provided by law. Said cities, towns, and highway authorities, in addition to the specific powers granted in this chapter, shall also have and may exercise, relative to controlled-access facilities, any and all additional authority now or hereafter vested in them relative to highways or streets within their respective jurisdictions. Said cities, towns and highway authorities may regulate, restrict, or prohibit the use of such controlled-access facilities by the various classes of vehicles or traffic in a manner consistent with section 306A.2. In connection with the acquisition of property or property rights for any controlled-access facility or portion thereof, or service road in connection therewith, the said cities, towns and highway authorities, in its discretion, acquire an entire lot, block, or tract

No access rights to any highway shall be acquired by any authority having jurisdiction and control over the highways of this state by adverse possession or prescriptive right. No action heretofore or hereafter taken by any such authority shall form the basis for any claim of adverse possession of, or prescriptive right to any access rights by any such authority. [C58, 62, 66, §306A.5]

**306A.6 New and existing facilities—grade-crossing eliminations.** Cities, towns and highway authorities having jurisdiction and control over the highways of the state, as provided by chapter 306 may designate and establish an existing street or highway as included within a controlled-access facility. The state or any of its subdivisions shall have authority to provide for the elimination of intersections at grade of controlled-access facilities with existing state and county roads, and city or town or village streets, by grade separation or service road, or by closing off such roads and streets at the right of way boundary line of such controlled-access facility, the provisions of sections 306.11 through 306.17 shall apply and govern the procedure for the closing of such road or street and the method of ascertaining damages sustained by any person as a consequence of such closing, provided, however, that the highway authority desiring the closing of such road or street shall conduct the hearing and carry out the procedure therefor and pay any damages, including any allowed on appeal, as a consequence thereof, any law to the contrary notwithstanding, and after the establishment of any controlled-access facility, no highway or street which is not part of said facility shall intersect the same at grade. Such consent and approval shall be given only if the public interest shall be served thereby. [C58, 62, 66, §306A.6]

**306A.7 Authority of local units to consent.** Cities, towns and highway authorities having jurisdiction and control over the highways of the state, as provided by chapter 306 are authorized to enter into agreements with each other, or with the federal government, respecting the financing, planning, establishment, improvement, maintenance, use, regulation, or vacation of controlled-access facilities or other public ways in their respective jurisdictions, to facilitate the purposes of this chapter. [C58, 62, 66, §306A.7]

Such bridge and highways shall be constructed under plans and specifications jointly agreed on by the respective contracting bodies. Such contract shall set forth the amount of money to be contributed by each contracting party and may provide for the amount of money to be contributed annually by each contracting party for the maintenance of the said public improvements. When such county and cities have agreed upon their respective portions of the cost of such bridge and highways they may pay same from their respective secondary road fund, street fund, or other funds available for highway or bridge purposes, or they may issue general obligation bonds to provide funds for the payment of their respective shares of such cost.

Taxes for the payment of said bonds shall be levied in accordance with chapter 76 and said bonds shall be payable in not more than twenty years and bear interest at a rate not exceeding five percent per annum, and shall be of such form as the respective councils or board of supervisors shall by resolution provide, but no city or county shall become indebted in excess of five percent of the actual value of taxable property within its taxing jurisdiction as shown by the last preceding state and county tax lists. In the event that a county secondary road budget or amended budget thereto is disapproved by the highway commission, the county may elect either to revise such budget or amended budget so as to receive approval or the county may elect to operate with such disapproved budget or amended budget. In the event the county secondary road budget

is disapproved in whole or in part, within twenty days after receipt of the highway commission's report, the board of supervisors shall cause to be published in the official newspapers of the county, notice of a public hearing to be held within ten days of said publication, on the highway commission's recommendations, and at said hearing the

Said road system may, with consent of the state highway commission, be changed and modified by the board of supervisors.

When all farm-to-market roads in any county have been built to established grade, bridged and surfaced in a manner suited to the traffic thereon, additional mileage may be added to the farm-to-market road system in said county. [C39,§4686.10; C46, 50, 54, 58, 62, 66,§310.10]

Referred to in §306.3

The construction work on said project shall be done in accordance with said approved plans, except insofar as the same may be modified to meet unforeseen or better understood conditions, and no such modification shall be deemed an invalidating matter. [C39,§4686.13; C46, 50, 54, 58, 62, 66, §310.13]

Said recommended award of contract shall be submitted to the board of supervisors of the county in which said project is located for its concurrence. Upon receiving the concurrence of the county board on said recommended contract award, the state highway commission shall take final action awarding said contract. Provided, that the state highway commission shall determine and advise the county board as to any approved farm-to-market road project which is to be financed without the use of federal funds. On such project the above procedure shall be reversed. The county board shall advertise for bids, and, subject to concurrence by the state highway commission, award contract for the construction work. [C39,§4686.14; C46, 50, 54, 58, 62, 66,§310.14]

**310.17** Repealed by 53GA, ch 125,§4, see §314.3.

**310.18 Partial payments during construction.** Partial payments may be made on the work during the progress thereof, but no

such partial payment shall be deemed final acceptance of the work nor a waiver of any defect therein. The approval of any claims by the board of supervisors or by the state highway commission may be evidenced by the signature of the chairman of said board or commission, or a majority of the members of the board or commission, on the individual claims or on the abstract of a number of claims with the individual claims attached to said abstract. [C39,§4686.18; C46, 50, 54, 58, 62, 66, §310.18]

**310.19 Supervision and inspection of work.** The county engineer is charged with the duty of supervision, inspection and direction of the work of construction of farm-to-market road projects under this chapter. In such capacity, the county engineer shall be under the supervision of the commission. [C39,§4686.19; C46, 50, 54, 58, 62, 66,§310.19]

**310.20 Supervisors resolution to state treasurer.** Any county may, in any year, by resolution of its board of supervisors, make available for improvement or construction of farm-to-market roads within the county any portion of its allotment of road use tax funds. Upon certification of such a resolution, the state treasurer shall place in the county's allotment of the farm-to-market road fund the amount authorized by such resolution. [C39,§4686.20; C46, 50, 54, 58, 62, 66,§310.20]

Should any county fail to so maintain any such road, the state highway commission shall give the board of supervisors notice of that fact. If within sixty days after receipt of such notice the said highway has not been placed in proper condition of maintenance the commission shall proceed immediately to have such highway placed in proper condition of maintenance and charge the cost thereof against said county's allotment of the farm-to-market road fund. The amount so expended for maintenance work by the highway commission shall be reimbursed to said county's allotment of the farm-to-market road fund, from said county's secondary road maintenance fund, before any more farm-to-market road projects in said county are approved by the commission. **311.1 Power to establish.** In order to provide for the graveling, oiling, or other suitable surfacing of secondary roads, the board of supervisors shall have power, on petition, to establish secondary road assessment districts. [C24, 27, 31, 35, 39, §4746; C46, §311.3; C50, 54, 58, 62, 66, §311.1]

**311.2 Width of district.** Any such secondary road assessment district shall be not more than one-half mile wide on each side of the road or roads to be improved by said district. [C24, 27, 31, 35, 39, §4746; C46, §311.3; C50, 54, 58, 62, 66, §311.2]

**311.3 Amount of assessment.** Special assessments in the aggregate amount of not less than twenty-five percent of the total estimated cost of surfacing any road included in a secondary road assessment district project shall be apportioned and levied on the lands included in said secondary road assessment district. [C24, 27, 31, 35, 39, §4753; C46, §311.10; C50, 54, 58, 62, 66, §311.3]

**311.4 County line road.** Whenever it is desired to surface a secondary road on a county

line, as a secondary road assessment district project, the board of supervisors of any county concerned may establish an assessment district in its county, and levy and collect special assessments for the payment of that portion of the estimated cost of such project assessable against lands in that county. Each county shall pay its share of the cost of said project as provided in this chapter, in the same manner as though the project were located wholly within that county. [C24, 27, 31, 35, 39, §4746; C46, §311.3; C50, 54, 58, 62, 66, §311.4]

**311.5 Project in city or town.** Any road or street which is a continuation of a secondary road within any city or town and which the county board desires to improve by graveling, oiling, or other suitable surfacing, may by resolution of the county board and concurrence by the council of the city or town be improved as a secondary road assessment district project or part thereof as herein provided. The lands within such city or town abutting on or adjacent to such street or road may be included within such secondary road assessment district and assessed on account of such improvement upon the same basis and in the

same manner as though such lands were located outside of a city or town. [C24,§4754; C27, 31, 35,§4745-a1; C39,§4745.1; C46,§311.2; C50, 54, 58, 62, 66,§311.5]

**311.6 Petition—information required.** The petition for a secondary road assessment district proposing to establish such district shall intelligibly describe the road or roads proposed to be improved, the nature of the proposed improvement, the percentage of the estimated cost of the surfacing of said road proposed to be assessed against the property in the said district and the lands proposed to be included in such district.

Such petition shall be signed by thirty-five percent of the owners of the lands within such proposed district, or by thirty-five percent of the owners of the land within such proposed district who reside within said county. [C24, 27, 31, 35, 39,§4746; C46,§311.3; C50, 54, 58, 62, 66,§311.6]

**311.7 Improvement by private funds.** When any owner or group of owners of not less than seventy-five percent of the lands adjacent to, or abutting upon any secondary road or roads shall, on or before October 1 of any year petition the board of supervisors of their county for the improving by graveling or other suitable surfacing, of said road or roads, and for the assessment of not less than fifty percent (or such greater portion as may be provided in said petition) of the cost of such improving, by graveling or other suitable surfacing, to the lands adjacent to, or abutting upon said road or roads, the board of supervisors shall, in the order in which such petitions were filed with it, include and give preference to said project or projects in the secondary road construction program of said county for the ensuing year. When a proper petition is filed, it shall retain its preference in succeeding years.

The board of supervisors shall proceed during the ensuing year with the construction and completion of said project under the same procedure as is prescribed generally for the improvement of secondary roads by assessment, and shall, as the law may provide, establish a special secondary road assessment district and assess against the lands included therein not less than fifty percent (or such greater portion as may be provided in said petition) of the engineer's estimated cost of the surfacing of the road or roads included in said project against all the lands adjacent to or abutting upon the said road or roads.

Provided, that should the owner or owners of all the lands included in any special secondary road assessment district under this section, subscribe and deposit with the county treasurer an amount not less than fifty percent (or such greater portion as may be provided in said petition) of the engineer's estimated cost of the surfacing of the road or roads included in said project, the board of supervisors shall not establish such special assessment district

as herein provided, but shall accept the said donations in lieu of an assessment, and shall otherwise proceed to the improvement of said road or roads as herein provided.

Provided further, that the total expenditure of secondary road funds of the county in any year for or on account of special secondary road assessment district projects on local secondary roads under this section shall not exceed the total secondary road funds legally expendable for construction on local secondary roads in said county in said year, and the expenditure of secondary road funds of the county, in any township in any three-year period, for or on account of special secondary road assessment district projects on local secondary roads under this section, shall not exceed said township's pro rata share, on the area basis, of the total secondary road funds legally expendable for construction on local secondary roads in said county in said three-year period, unless there be a township or townships from which there are no petitions filed during the first two years of said three-year period.

If the engineer's estimated cost of the grading, bridges, culverts, and draining of the road proposed to be included in any special assessment district project under this section, exceeds an average of seven thousand dollars per mile, the board of supervisors of said county may appeal to the state highway commission as to whether the county shall proceed with the construction of said project. The state highway commission shall hold a hearing on said matter, at a time and place of which the petitioners and the county board shall be duly notified, and shall have an opportunity to appear and be heard. After such hearing the state highway commission shall determine whether the county shall proceed with said project, which determination shall be final.

Upon the completion of such road or roads, and the satisfaction of all claims in relation thereto, any balance then remaining of the funds provided by the sponsors shall be returned to them according to their respective interests, providing all guarantees made by such sponsors have been fulfilled.

Any road or roads so improved by graveling or other suitable surfacing under the provisions of this section shall be maintained by the county from the secondary road fund. [C24, 27, 31, 35, 39,§§4747, 4753; C46,§§311.4, 311.10; C50, 54, 58, 62, 66,§311.7]

See §309.8

**311.8 County engineer's report.** Upon the filing of such petition with the county auditor proposing the establishment of such secondary road assessment district, the county engineer shall file a report thereon with the county auditor, which report shall include:

1. An estimate of the cost of the surfacing proposed on the road or roads included in such proposed district.

2. A plat of said proposed district which plat shall show the road or roads proposed to be improved, the various tracts and parcels of real estate included in said proposed district, and the ownership of such lands.

3. An approximately equitable apportionment of not less than twenty-five percent of the estimated cost of said improvement among the tracts and parcels of real estate included in such proposed district.

4. A statement whether all of the secondary roads to be surfaced in said proposed secondary road assessment district project have been built to permanent grade and properly drained.

5. Any information the county engineer may deem pertinent. [C24, 27, 31, 35, 39, §§4746, 4748; C46, §§311.3, 311.5; C50, 54, 58, 62, 66, §311.8]

**311.9 Publicly owned real estate.** In making said apportionment, real estate owned by the state, county or any city or town, shall be treated as other real estate, but no other publicly owned real estate shall be included. In apportioning benefits to real estate owned by a town, city, the county or the state, no consideration shall be given to the buildings thereon. [C24, §4707; C27, 31, 35, §4753-a1; C39, §4753.01; C46, §311.11; C50, 54, 58, 62, 66, §311.9]

**311.10 Estimate and apportionment — presumption.** Said estimated cost shall carry the presumption, in the absence of a contrary showing, that the same correctly represents the probable cost of said project as nearly as can be determined in advance of the actual doing and completion of the work. Said apportionment shall carry the presumption, in the absence of a contrary showing, that the same is fair, just, equitable, and in proportion to the benefits and not in excess thereof. [C24, §4707; C27, 31, 35, §4753-a1; C39, §4753.01; C46, §311.11; C50, 54, 58, 62, 66, §311.10]

**311.11 Hearing—notice.** The board of supervisors shall fix a time for hearing on the proposal for the establishment of said secondary road assessment district and on the apportionment of not less than twenty-five percent of the estimated cost of the proposed improvement, and shall cause the county auditor to publish notice of said hearing. Said notice shall state:

1. The time and place of hearing,
2. The road or roads proposed to be improved,
3. The type of surfacing proposed,
4. The estimated cost of the proposed improvement,
5. A description of the lands lying within said proposed district,
6. The ownership of said lands as shown by the transfer books in the auditor's office,
7. A statement of the amount apportioned to each tract or parcel of real estate as shown by the engineer's report,

8. That at said hearing the amount apportioned to any tract or parcel of land may be increased or decreased without further notice,

9. That all objections to the establishment of said district, to the said apportionment report, or to the proceedings relating thereto must be specifically made in writing and filed with the county auditor on or before noon of the day set for such hearing, and

10. That a failure to make and file such objections will be deemed a conclusive waiver of all such objections. [C24, §§4707, 4750, 4751; C27, 31, 35, §4750, 4751, 4753-a1; C39, §§4750, 4751, 4753.01; C46, §§311.7, 311.8, 311.11; C50, 54, 58, 62, 66, §311.11]

**311.12 Publication of notice.** Such notice shall be published once each week for two successive weeks in some newspaper published in the county as near as practicable to said district. The last publication shall be not less than five days previous to said hearing. Proof of such publication shall be made by the publisher by affidavit filed with the county auditor. [C24, §4707; C27, 31, 35, §4753-a1; C39, §4753.01; C46, §311.11; C50, 54, 58, 62, 66, §311.12]

**311.13 Errors in notice or apportionment report.** Any omission or error in said apportionment report or notice with respect to any tract or parcel of real estate or the description thereof, or the name of the owner, or the amount of the assessment apportioned thereto, shall work no loss of jurisdiction on the part of the board over such proceeding. Such omission or error shall only affect the particular tract of real estate or person in question. If, before or after the board has entered its final order in the establishment of the said district or in the apportionment proceedings such omission or error is discovered, the board shall fix a time for a hearing as to such party or real estate and shall cause service of notice to be made upon them, either by publication as in this chapter provided, or by personal service in the time and manner required for service of original notices in the district court. After such hearing the board shall proceed as to such person or land as though such omission or error had not occurred. [C24, §4707; C27, 31, 35, §4753-a1; C39, §4753.01; C46, §311.11; C50, 54, 58, 62, 66, §311.13]

**311.14 Appearance.** The appearance of any interested party, either in writing or personally, or by authorized agent, before the board of supervisors at any stage of the pending proceedings for a secondary road assessment district shall be deemed a full appearance. Only interested parties shall have the right to appear in such proceedings. All persons so appearing shall state for whom they appear. The clerk of the board shall make definite entry accordingly in the minutes of the board. [C24, §4707; C27, 31, 35, §4753-a1; C39, §4753.01; C46, §311.11; C50, 54, 58, 62, 66, §311.14]

**311.15 Hearing—adjournment—order.** Hearings on the proposed establishment of said

district may be adjourned from time to time without loss of jurisdiction by the board. On final hearing the board shall proceed to a determination of said matters. It may reject, approve, or modify and approve said proposal. The board may exclude lands from the district or may add lands thereto or otherwise modify the proposal.

Should the proposal be approved in whole or in part, the board shall establish such district. The order of the board establishing such district shall state the road or roads to be improved, the type of improvement, and the lands included in said district. Said order shall be final. No lands shall thereafter be added to or excluded from said district. [C24,§4709; C27, 31, 35,§4753-a2; C39,§4753.02; C46,§311.12; C50, 54, 58, 62, 66,§311.15]

**311.16 Final hearing—assessment levied.** On final hearing the board shall hear and determine all objections filed. The board may increase, diminish, annul, or affirm the apportionment made in said report, or any part thereof, as may appear to the board to be just and equitable.

On the final determination the board shall levy such assessments and all installments thereof upon the real estate within said district as finally established. The entire amount of said assessment shall be then due and payable, and bear interest at six percent per annum commencing twenty days from the date of said levy, and shall be collected at the next succeeding March semiannual payment of ordinary taxes. [C24,§4710; C27, 31, 35,§4753-a3; C39, §4753.03; C46,§311.13; C50, 54, 58, 62, 66,§311.16]

**311.17 Assessments over ten dollars—waiver.** If any owner other than the state or a county, city or town, of any tracts of land on which the assessment is more than ten dollars, shall, within twenty days from the date of said assessment, agree in writing filed in the office of the county auditor, that in consideration of his having the right to pay his assessment in installments, he will not make any objection of illegality or irregularity as to said assessment upon his said real estate, and will pay the same with six percent interest thereon, then and in that case said assessment shall be payable in ten equal installments. The first installment shall be payable on the date of such agreement. The other installments with interest on the whole amount unpaid shall be paid annually thereafter at the same time and in the same manner as the March semiannual payment of ordinary taxes.

An owner of land who has availed himself of said ten-year option may at any time discharge his assessment by paying the balance then due on all unpaid installments, with interest on the entire amount of the unpaid installments for thirty days in advance. [C24, §4710; C27, 31, 35,§4753-a3; C39,§4753.03; C46, §311.13; C50, 54, 58, 62, 66,§311.17]

**311.18 Assessment delinquent — penalties.** All such taxes shall become delinquent on the

first day of March next after their maturity, shall bear the same interest, the same penalties, and be attended with the same rights and remedies for collection, as ordinary taxes. [C24,§4710; C27, 31, 35,§4753-a3; C39,§4753.03; C46,§311.13; C50, 54, 58, 62, 66,§311.18]

**311.19 Assessment ten dollars or less.** Assessments of ten dollars or less against any tract of land, and assessments against lands owned by the state, county, city or town, shall be due and payable from the date of levy by the board of supervisors, or in the case of any appeal, from the date of final confirmation of the levy by the court.

In case of assessments on lands owned by the county, the same shall be paid from the county general fund. In case of assessments on lands owned by the state, the same shall be paid out of any funds in the state treasury not otherwise appropriated. In case of assessments on lands owned by a city or town, the same shall be paid from the city or town street fund. [C24,§4710; C27, 31, 35,§4753-a3; C39, §4753.03; C46,§311.13; C50, 54, 58, 62, 66,§311.19]

**311.20 Variation between estimated and actual cost.** Any variation between the engineer's estimated cost and the actual cost of a secondary road assessment district project shall in no way affect the validity of the assessment. It is the intent of this chapter that the assessment shall be based on the estimated cost and not on the actual cost. [C24, §4711; C27, 31, 35,§4753-a4; C39,§4753.04; C46, §311.14; C50, 54, 58, 62, 66,§311.20]

**311.21 Procedures.** The preparation and approval of plans and specifications, the advertising for bids, the award and approval of contract, the supervision and inspection of construction work, and the approval and payment of claims on any secondary road assessment district project, shall be conducted in the manner provided in the laws for secondary road construction work generally. [C24, 27, 31, 35, 39,§§4749, 4752; C46,§§311.6, 311.9; C50, 54, 58, 62, 66,§311.21]

**311.22 Road graded and drained.** Any such secondary road shall be built to permanent grade and drained in a manner approved by the county engineer before being surfaced, as provided in this chapter. [C27, 31, 35, 39,§4746; C46,§311.3; C50, 54, 58, 62, 66,§311.22]

**311.23 Payment of construction costs.** The total cost of any secondary road assessment district project shall in the first instance be paid out of the secondary road fund of said county. Any assessments which are paid in cash and in anticipation of which assessments no certificates have been issued, shall be transferred to the secondary road fund.

If no special assessment certificates are issued and sold on account of any particular secondary road assessment district, the special assessments on lands included in that district, and the interest on such assessments when collected, shall be transferred to the secondary

road fund of said county. If certificates are issued and sold in anticipation of the special assessments levied on any such district as herein provided, the proceeds of such certificates shall be credited to the secondary road fund of said county. In that event, the special assessments in anticipation of which certificates have been issued, and the interest on such assessments shall, when collected, be used to retire such certificates. [C24, 27, 31, 35, 39, §4752; C46, §311.9; C50, 54, 58, 62, 66, §311.23]

**311.24 Appeal from assessment.** Any owner of land in a secondary road assessment district may appeal to the district court from the order of the board of supervisors in levying the assessment against his real estate, by filing with the county auditor within fifteen days of the date of such levy, a bond conditioned to pay all costs in case the appeal is not sustained, and a written notice of appeal wherein he shall, with particularity, point out the specific objection which he desires to lodge against such levy. Said appeal shall have precedence over all other business pending before the court except criminal matters. The appeal shall be heard as in equity. The court may raise or lower the assessment in question and make an equitable assessment in the judgment of the court. The clerk of the district court shall, upon the entry of the final order of the court, certify such final order to the county auditor. The board of supervisors shall at once so adjust the assessments as to comply with the final order of the court. [C24, §4713; C27, 31, 35, §4753-a5; C39, §4753.05; C46, §311.15; C50, 54, 58, 62, 66, §311.24; 62GA, ch 400, §62]

**311.25 Appeal docketed.** When an appeal is taken, the county auditor shall at once make a transcript of the notice of appeal and appeal bond and transmit the same to the district court. The appellant shall, within twenty days after perfection of said appeal, docket said appeal and file a petition setting forth the order or decision of the board of supervisors appealed from, and his specific objections thereto. A failure to comply with either of these requirements shall be deemed a conclusive waiver of the appeal and in such case the court shall dismiss the same. Appellee need not file answer, but may do so. [C24, §4714; C27, 31, 35, §4753-a6; C39, §4753.06; C46, §311.16; C50, 54, 58, 62, 66, §311.25; 62GA, ch 400, §63]

**311.26 Assessments certified to county treasurer.** When the board of supervisors has entered its final order as to the amounts of all special assessments on a given improvement, the county auditor shall at once certify a list of such assessments and a list of real estate upon which each assessment has been levied, with the specific designation of the district embracing such real estate, to the county treasurer, who shall enter each assessment on the tax books and continue such entry until such assessment is paid.

Each special assessment and all installments thereof shall be a lien upon the real estate

upon which it is levied from the date of such certificate by the county auditor to the same extent and in the same manner as taxes levied for state and county purposes. Changes in the amount of any special assessment by reason of any ruling of the district court on appeals shall be likewise certified and the county treasurer shall make the proper correction on his books. [C24, §4715; C27, 31, 35, §4753-a7; C39, §4753.07; C46, §311.17; C50, 54, 58, 62, 66, §311.26]

**311.27 Each district separate unit.** Each assessment district shall be considered a unit and all funds received by the county treasurer for or on behalf of such unit shall be carried as a distinct and separate account and under the same specific name as that used by the board in establishing such unit. [C24, §4716; C27, 31, 35, §4753-a8; C39, §4753.08; C46, §311.18; C50, 54, 58, 62, 66, §311.27]

**311.28 Certificates anticipating assessments.** In order to render immediately available that amount of the estimated cost of an improvement which has been specially assessed, the board may issue road certificates in the name of the county in an aggregate amount not exceeding the then unpaid amount of the special assessment levied in said district. Each issue of certificates shall be under, and in accordance with, a duly adopted resolution of the board and which shall recite (1) the name or designation of the road district on account of which the certificates are issued; (2) that a stated amount (naming the amount) has been specially assessed against the lands within said district; (3) that a stated amount of said aggregate special assessment has not yet been paid (naming the unpaid amount); (4) that it is necessary to render such unpaid amount immediately available; (5) the number of road certificates authorized and the specific amount of each certificate; (6) the specific numbering or designation of such certificates; (7) the rate of interest which each certificate shall bear from date, to wit, not to exceed six percent per annum; (8) the fact that said certificates are payable solely from the proceeds of the special assessments which have been levied on the lands within said districts; (9) that each certificate shall be payable on or before the first day of January of the first year following the maturity of the last installment of such special assessments, and that interest thereon shall be paid annually; (10) the authorization to the chairman of the board, and to the county auditor, respectively, to sign and countersign each of said certificates. [C24, §4717; C27, 31, 35, §4753-a9; C39, §4753.09; C46, §311.19; C50, 54, 58, 62, 66, §311.28]

**311.29 Sale of certificates.** Upon the signing of each of said certificates by the chairman of the board, said certificates shall be delivered to the county auditor, who shall countersign the same, charge the county treasurer with the amount thereof, and deliver the same to the latter officer, who shall be responsible

therefor on his bond. The treasurer may apply said certificates in payment of any warrants duly authorized and issued for surfacing the roads within said district, or he may sell the same for the best attainable price and for not less than par, plus accrued interest, and credit the proceeds to the secondary road fund. Such certificates shall be retired in the order of the consecutive numbering thereof. [C24, §4717; C27, 31, 35, §4753-a9; C39, §4753.09; C46, §311.19; C50, 54, 58, 62, 66, §311.29]

**311.30 Certificates registered — payment.** The county treasurer shall, in connection with the road account for said district, enter the name and post-office address of all persons to whom any of said certificates are issued, with a particular designation of the certificates delivered to each person. Any subsequent holder may present his certificate to the county treasurer and cause his name and post-office address to be entered in lieu of that of such former holder. Whenever the fund for such particular district has money to pay the first retirable certificate or certificates, the county treasurer shall, by mail, as shown by his records, promptly notify the holder of such cer-

tificate of such fact and that from and after ten days after the mailing of such letter all interest on such certificates will cease. [C24, §4717; C27, 31, 35, §4753-a9; C39, §4753.09; C46, §311.19; C50, 54, 58, 62, 66, §311.30]

**311.31 Previous assessments not invalidated.** The passage of this chapter, the provisions hereof, and the repeal of sections hereby repealed, shall not in manner affect or invalidate any secondary road district assessments levied before this chapter became effective, or any certificate in anticipation of such assessments issued before or after this chapter becomes effective.

Said assessments and taxes shall be collected and applied to the purpose for which they were levied. Certificates in anticipation of such assessments may be issued. The proceeds of such certificates shall be applied to the purpose intended, and such certificates issued before or after this chapter becomes effective shall be paid in conformance with the provisions of this chapter. The primary road system shall embrace those main roads, not including roads within cities and towns, which connect all county-seat towns, cities, and main market and industrial centers and which have already been designated as primary roads in chapter 241, Code of 1924; provided that the said designation of roads shall be, with the consent of the federal bureau of public roads, subject to revision by the state highway commission.

Any portion of said primary road system eliminated by reconstruction or relocation shall revert to and become part of the local secondary road system, provided, however, that the highway commission shall, during a period of not to exceed one year from the date a county has been so notified that the road has reverted to the secondary system, maintain said road and conduct periodic traffic checks. If, at the end of one year the traffic on the section in question exceeds four hundred vehicles per day, it shall remain in the primary system. If, at the end of one year, the traffic on said section does not exceed four hundred vehicles per day, it shall revert to and become a part of the secondary system, provided, however, that the state highway commission shall first allocate sufficient funds to place the road in good repair sufficient for the traffic thereon.

The state highway commission may, for the purpose of affording access to cities, towns or state parks, or for the purpose of shortening the direct line of travel on important routes, or to effect connections with interstate roads at the state line, add such road or roads to the primary system.

The state highway commission, either alone or in co-operation with any county, shall have the authority to utilize any land acquired incidental to the acquisition of land for highway right of way and to also accept by gift, lands not exceeding two acres in area for roadside parks and parking areas. The commission may furnish necessary maintenance. The commission shall also have authority to accept by gift, equipment or other installations incidental to the use of said parks and parking areas. Said parks and parking areas shall be a part of the primary road system and the commission may at its discretion sell or otherwise dispose of said lands. No rest areas or rest area buildings shall be established or constructed on an interstate highway at intervals of less than sixty miles.

Reasonable maintenance and surveillance of rest area sites and buildings located thereon shall be provided by regular maintenance employees of the state highway commission under the district maintenance engineer in the district where the rest areas are located within the limits of appropriations provided for such purpose. The commission shall certify the amount determined to the state comptroller. The comptroller shall credit the amount to the secondary road fund of the county.

3. If on examination of the route, it is determined that the road can be restored to its original condition only by reconstruction, the commission shall cause plans to be drawn, award the necessary contracts for work and proceed to reconstruct and make payments for in the same manner as is prescribed for primary construction projects. **313.64 Financial statement annually.** Should the state highway commission accept the offer of any bridge over a boundary stream and enter into a written agreement in relation thereto as provided in sections 313.59 to 313.65, inclusive, the owner or operator of such bridge shall thereafter and until all indebtedness or other obligations against such bridge have been paid and discharged annually file with the commission a sworn statement of its financial condition. Such statement shall show funds on hand and indebtedness at the beginning and end of the year, receipts, disbursements, indebtedness retired during the year and any other information required by the commission to show the true and complete condition of the finances with respect to such bridge and approaches thereto.

The annual budget of authorized operating and other expenditures for or on behalf of such bridge and approaches shall be approved by the commission before becoming effective. Expenditures during the year shall not exceed the approved budget unless an increase in the annual budget be likewise approved by the commission. [C46,§313.33; C50, 54, 58, 62, 66, §313.64]

Referred to in §313.65

**313.65 Approval of taxing bodies.** Before any bridge owned by any individual or private corporation shall be accepted by the state highway commission under the provisions of sections 313.59 to 313.64, inclusive, the said proposal and acceptance shall first be approved by the following tax levying and tax certifying bodies located in the said tax district: The board of supervisors, the city councils and the school board or boards. [C46,§313.34; C50, 54, 58, 62, 66,§313.65]

Constitutionality, 51GA, ch 188,§8

**313.66 Mississippi bridges purchased.**

1. The state highway commission may purchase one-half of any bridge and its approaches for highway traffic over the Mississippi river on the boundary of the state and which is in receivership and is a connecting link between a primary road or primary road extension in a city or town of the state and a corresponding road or extension thereof in an adjoining state, providing proper approval is granted by the court having jurisdiction of such receivership.

2. The Iowa highway commission is authorized to make payment for any such bridge and its approaches from the primary road fund provided however, that in no event shall the amount of such payment be more than one hundred thousand dollars for any one bridge and approaches thereto, and provided further that such purchase shall not be completed or payment made therefor until the adjoining state shall either have purchased or agreed to purchase ownership of the remaining one-half of said bridge and approaches, and agrees to pay the costs of repairing or maintaining such portion of the bridge and all approaches.

3. The Iowa highway commission, after the purchase of any such bridge, is authorized to take possession thereof and maintain such portion of the bridge and its approaches thereto free of tolls as a part of the primary road system.

4. Before the purchase of any such bridge shall be completed by the state highway commission under the provisions of this section, the purchase thereof shall first be approved by the following tax levying and tax certifying bodies located in said district: The board of supervisors, the city councils, and the school board or boards. [C50, 54, 58, 62, 66,§313.66]

Said fund shall be administered by the state highway commission and shall be used for the construction, reconstruction, improvement, and maintenance of roadside safety rest areas and scenic beautification areas along the primary roads of the state including the acquisition of such property and property rights needed to accomplish said purposes. Part or all of said fund may be used to match federal allotments made available to the state of Iowa for the purposes provided in this section and to this end, the state highway commission is empowered on behalf of the state to enter into any agreements or contracts with the duly constituted federal authorities in order to secure the benefit of all present and future federal allotments. **313A.1 Definitions.** The following words or terms, as used in this chapter, shall have the respective meanings as stated:

“Toll bridge” shall mean an interstate bridge constructed, purchased or acquired under the provisions of this chapter, upon which tolls are charged, together with all appurtenances, additions, alterations, improvements, and replacements thereof, and the approaches thereto, and all lands and interests therein used therefor, and buildings and improvements thereon.

“Commission” shall mean the state highway commission, the agency of the state of Iowa created and provided for under the provisions of chapter 307.

“Construct, constructing, construction or constructed” shall include the reconstruction, remodeling, repair, or improvement of any existing toll bridge as well as the construction of any new toll bridge.

“Acquisition by purchase, gift, or condemnation” as used in this chapter shall mean acquisition by the state highway commission, whether such terms “purchase, gift, or condemnation” are used singularly or in sequence. [62GA, ch 255,§1]

**313A.2 Bridge to be controlled by highway commission.** The state highway commission shall have full charge of the construction and acquisition of all toll bridges constructed or acquired under the provisions of this chapter, the operation and maintenance thereof and the imposition and collection of tolls and charges for the use thereof. The commission

shall have full charge of the design of all toll bridges constructed under the provisions of this chapter. The commission shall proceed with the construction of such toll bridges and other facilities and the approaches thereto by contract immediately upon there being made available funds for such work and shall prosecute such work to completion as rapidly as practicable. The commission shall advertise for bids for the construction, reconstruction, improvement, repair or remodeling of any toll bridge by publication of a notice once each week for at least two consecutive weeks in a newspaper published and having a general circulation throughout the state of Iowa, the first publication to appear at least fifteen days prior to the date set for receiving bids. The commission shall have the power to accept such offer or offers, propositions or bids, and enter into such contract or contracts as it shall deem to be to the best interest of the state. [62GA, ch 255,§2]

**313A.3 Toll bridges constructed over boundary rivers.** The commission is hereby authorized to establish and construct toll bridges upon any public highway, together with approaches thereto, wherever it is considered necessary or advantageous and practical for crossing any navigable river between this state and an adjoining state. The necessity or advantage and practicality of any toll bridge shall be determined by the commission. To obtain information for the consideration of the commission upon the construction of any toll

bridge or any other matter pertaining thereto, any officer or employee of the state, upon the request of the commission, shall make reasonable examination, investigation, survey, or reconnaissance to determine material facts pertaining thereto and shall report such findings to the commission. The cost thereof shall be borne by the department or office conducting it from funds provided for its functions. [62GA, ch 255,§3]

**313A.4 Investigation of feasibility.** The commission is hereby authorized to enter into agreements with any federal bridge commission or any county, city, or town of this state, and with an adjoining state or county, city, or town thereof, for the purpose of implementing an investigation of the feasibility of any toll bridge project for the bridging of a navigable river forming a portion of the boundary of this state and such adjoining state. The commission may use any funds available for the purposes of this section. Such agreements may provide that in the event any such project is determined to be feasible and adopted, any advancement of funds by any state, county, city, or town may be reimbursed out of any proceeds derived from the sale of bonds or out of tolls and revenues to be derived from such project. [62GA, ch 255,§4]

**313A.5 Acquiring existing bridge—bonds.** Whenever the commission deems it necessary or advantageous and practical, it may acquire by gift, purchase, or condemnation any interstate bridge which connects with or may be connected with the public highways and the approaches thereto, except that the commission may not condemn an existing interstate bridge used for interstate highway traffic and combined highway and railway traffic and presently owned by a municipality, or a person, firm, or corporation engaged in interstate commerce. In connection with the acquisition of any such bridge, the commission and any federal bridge commission or any city, town, county, or other political subdivision of the state are authorized to do all acts and things as in this chapter are provided for the establishing and constructing of toll bridges and operating, financing, and maintaining such bridges insofar as such powers and requirements are applicable to the acquisition of any toll bridge and its operation, financing, and maintenance. In so doing, they shall act in the same manner and under the same procedures as provided for establishing, constructing, operating, financing, and maintaining toll bridges insofar as such manner and procedures are applicable. Without limiting the generality of the above provisions, the commission is hereby authorized to cause surveys to be made to determine the propriety of acquiring any such bridge and the rights of way necessary therefor, and other facilities necessary to carry out the provisions hereof; to issue, sell, redeem bonds or issue and exchange bonds

with present holders of outstanding bonds of bridges being acquired under the provisions of this chapter and deposit and pay out of the proceeds of the bonds for the financing thereof; to impose, collect, deposit, and expend tolls therefrom; to secure and remit financial and other assistance in connection with the purchase thereof; and to carry insurance thereon. [62GA, ch 255,§5]

**313A.6 Rules adopted—financial statements.** The commission, its officials, and all state officials are hereby authorized to perform such acts and make such agreements consistent with the law which are necessary and desirable in connection with the duties and powers conferred upon them regarding the construction, maintenance, and operation and insurance of toll bridges or the safeguarding of the funds and revenues required for such construction and the payment of the indebtedness incurred therefor. The commission shall adopt such rules and regulations in accordance with the provisions of chapter 17A as it may deem necessary for the administration and exercise of its powers and duties granted by this chapter, and shall prepare annual financial statements regarding the operation of such toll bridges which shall be made available for inspection by the public and by the holders of revenue bonds issued by the commission under the provisions of this chapter at all reasonable times. [62GA, ch 255,§6]

**313A.7 Resolution of public interest and necessity—revenue bonds.** Whenever the commission deems it to be in the best interest of the primary highway system that any new toll bridge be constructed upon any public highway and across any navigable river between this state and an adjoining state, the commission shall adopt a resolution declaring that the public interest and necessity require the construction of such toll bridge and authorizing the issuance of revenue bonds in an amount sufficient for the purpose of obtaining funds for such construction. The issuance of bonds as provided in this chapter for the construction, purchase, or acquisition of more than one toll bridge may, at the discretion of the commission, be included in the same authority and issue or issues of bonds, and the commission is hereby authorized to pledge the gross revenues derived from the operation of any such toll bridge under its control and jurisdiction to pay the principal of and interest on bonds issued to pay the cost of purchasing, acquiring, or constructing any such toll bridge financed under the provisions of this chapter. The commission is hereby granted wide discretion, in connection with the financing of the cost of any toll bridge, to pledge the gross revenues of a single toll bridge for the payment of bonds and interest thereon issued to pay the cost of such bridge and to pledge the gross revenues of two or more toll bridges to pay bonds issued to pay the cost of one or more toll bridges and in-

terest thereon as long as the several bridges included herein are not more than ten miles apart.

In addition, if the commission in its discretion determines that the construction of a toll bridge cannot be financed entirely through revenue bonds and that the construction of such toll bridge is necessary, the commission may advance funds from the primary highway fund to pay for that part of the construction cost, including the cost of approaches and all incidental costs, which is not paid out of the proceeds of revenue bonds. However, said funds advanced from the primary highway fund shall be used only to pay the construction cost, including the cost of approaches and all incidental costs, with respect to that part of the bridge which is or will be located within the state of Iowa. After all revenue bonds and interest thereon issued and sold pursuant to this chapter and payable from the tolls and revenues of said bridge have been fully paid and redeemed or funds sufficient to pay said bonds and interest, including premium, if any, have been set aside and pledged for that purpose, then such amount advanced from the primary road fund shall be repaid to the primary road fund from the tolls and revenues of said bridge before said bridge is made a toll free bridge under the provisions of this chapter. [62GA, ch 255,§7; 63GA, ch 1136,§1]

Referred to in §313A.16

**313A.8 Right of way secured.** Whenever the commission shall authorize the construction of any toll bridge, the commission is empowered to secure rights of way therefor and for approaches thereto by gift or purchase or by condemnation in the manner provided by law for the taking of private property for public purposes. [62GA, ch 255,§8]

**313A.9 Consent to cross state property.** The right of way is hereby given, dedicated, and set apart upon which to locate, construct, and maintain toll bridges or approaches thereto or other highway crossings, and transportation facilities thereof or thereto, through, over or across any of the lands which are now or may be the property of this state, including highways; and through, over, or across the streets, alleys, lanes, and roads within any city, town, county, or other political subdivision of the state. If any property belonging to any city, town, county or other political subdivision of the state is required to be taken for the construction of any such bridge or approach thereto or should any such property be injured or damaged by such construction, such compensation therefor as may be proper or necessary and as shall be agreed upon may be paid by the commission to the particular county, city, town, or other political subdivision of the state owning such property, or condemnation proceedings may be brought for the determination of such compensation. [62GA, ch 255,§9]

**313A.10 Resolution precedent to action.**

Before the commission shall proceed with any action to secure right of way or with the construction of any toll bridge under the provisions of this chapter, it shall first pass a resolution finding that public interest and necessity require the acquisition of right of way for and the construction of such toll bridge. Such resolution shall be conclusive evidence of the public necessity of such construction and that such property is necessary therefor. To aid the commission in determining the public interest, a public hearing shall be held in the county or counties of this state in which any portion of a bridge is proposed to be located. Notice of such hearing shall be published at least once in a newspaper published and having a general circulation in the county or counties where such bridge is proposed to be located, not less than twenty days prior to the date of the hearing. When it becomes necessary for the commission to condemn any real estate to be used in connection with any such bridge, or to condemn any existing bridge, such condemnation shall be carried out in a manner consistent with the provisions of chapters 471 and 472. In eminent domain proceedings to acquire property for any of the purposes of this chapter, any bridge, real property, personal property, franchises, rights, easements, or other property or privileges appurtenant thereto appropriated or dedicated to a public use or purpose by any person, firm, private, public or municipal corporation, county, city or town, district, or any political subdivision of the state, may be condemned and taken, and the acquisition and use thereof as herein provided for the same public use or purpose to which such property has been so appropriated or dedicated, or for any other public use or purpose, shall be deemed a superior and permanent right and necessity, and a more necessary use and purpose than the public use or purpose to which such property has already been appropriated or dedicated, and any condemnation award may be paid from the proceeds of revenue bonds issued under the provisions of this chapter. [62GA, ch 255,§10]

**313A.11 Payment from available funds.**

If the commission determines that any toll bridge should be constructed or acquired under its authority, all costs thereof, including land, right of way, surveying, engineering, construction, legal and administrative expenses, and fees of any fiscal adviser, shall be paid out of any funds available for payment of the cost of the bridge. [62GA, ch 255,§11]

**313A.12 Revenue bonds.** The commission is hereby authorized and empowered to issue revenue bonds for the acquisition, purchase or construction of any interstate bridge. Any and all bonds issued by the commission for the acquisition, purchase, or construction of any interstate bridge under the authority of this

chapter shall be issued in the name of the Iowa highway commission and shall constitute obligations only of the commission, shall be identified by some appropriate name, and shall contain a recital on the face thereof that the payment or redemption of said bonds and the payment of the interest thereon are secured by a direct charge and lien upon the tolls and other revenues of any nature whatever received from the operation of the particular bridge for the acquisition, purchase, or construction of which the bonds are issued and of such other bridge or bridges as may have been pledged therefor, and that neither the payment of the principal or any part thereof nor of the interest thereon or any part thereof nor of the interest thereon or any part thereof constitutes a debt, liability, or obligation of the state of Iowa. When it is determined by the commission to be in the best public interest, any bonds issued under the provisions of this chapter may be refunded and refinanced at a lower rate, the same rate or a higher rate or rates of interest and from time to time as often as the commission shall find it to be advisable and necessary so to do. Bonds issued to refund other bonds theretofore issued by the commission under the provisions of this chapter may either be sold in the manner hereinafter provided and the proceeds thereof applied to the payment of the bonds being refunded, or the refunding bonds may be exchanged for and in payment and discharge of the bonds being refunded. The refunding bonds may be sold or exchanged in installments at different times or an entire issue or series may be sold or exchanged at one time. Any issue or series of refunding bonds may be exchanged in part or sold in part in installments at different times or at one time. The refunding bonds may be sold at any time on, before, or after the maturity of any of the outstanding bonds to be refinanced thereby and may be issued for the purpose of refunding a like or greater principal amount of bonds, except that the principal amount of the refunding bonds may exceed the principal amount of the bonds to be refunded to the extent necessary to pay any premium due on the call of the bonds to be refunded or to fund interest in arrears or about to become due. The gross revenues of any toll bridge pledged to the payment of the bonds being refunded, together with the unpledged gross revenues of any other toll bridges located within ten miles of said bridge, may be pledged by the commission to pay the principal of and interest on the refunding bonds and to create and maintain reserves therefor.

The commission is empowered to receive and accept funds from the state of Iowa or the federal government or any other state upon a co-operative or other basis for the acquisition, purchase, or construction of any interstate bridge authorized under the provisions of this chapter and is empowered to enter into such agreements with the state of Iowa or any other state or the federal govern-

ment as may be required for the securing of such funds.

The commission is authorized and empowered to spend from annual primary road fund receipts sufficient moneys to pay the cost of operation, maintenance, insurance, collection of tolls and accounting therefor and all other charges incidental to the operation and maintenance of any toll bridge administered under the provisions of this chapter. However, said annual primary road fund receipts shall be used only to pay such costs and charges with respect to that part of the bridge which is located within the state of Iowa. [62GA, ch 255,§12; 63GA, ch 1136,§2]

Referred to in §313A.16

**313A.13 Sale and exchange or retirement of bonds.** The revenue bonds may be issued and sold or exchanged by the commission from time to time and in such amounts as it deems necessary to provide sufficient funds for the acquisition, purchase, or construction of any such bridge and to pay interest on bonds issued for the construction of any toll bridge during the period of actual construction and for six months after completion thereof. The commission is hereby authorized to adopt all necessary resolutions prescribing the form, conditions, and denominations of the bonds, the maturity dates therefor, and the interest rate or rates which the bonds shall bear. All bonds of the same issue need not bear the same interest rate. Principal and interest of the bonds shall be payable at such place or places within or without the state of Iowa as determined by the commission, and the bonds may contain provisions for registration as to principal or interest, or both. Interest shall be payable at such times as determined by the commission and the bonds shall mature at such times and in such amounts as the commission prescribes. The commission may provide for the retirement of the bonds at any time prior to maturity, and in such manner and upon payment of such premiums as it may determine in the resolution providing for the issuance of the bonds. All such bonds and any coupons attached thereto shall be signed by such officials of the commission as the commission may direct. Successive issues of such bonds within the limits of the original authorization shall have equal preference with respect to the payment of the principal thereof and the payment of interest thereon. The commission may fix different maturity dates, serially or otherwise, for successive issues under any one original authorization. All bonds issued under the provisions of this chapter shall have all the qualities of negotiable instruments under the laws of the state of Iowa. All bonds issued and sold hereunder shall be sold to the highest and best bidder on the basis of sealed proposals received pursuant to a notice specifying the time and place of sale and the amount of bonds to be sold which shall be published at least once not less than seven days prior to the sale in a news-

paper published in the state of Iowa and having a general circulation in said state. None of the provisions of chapter 75 shall apply to bonds issued under the provisions of this chapter but such bonds shall be sold upon terms of not less than par plus accrued interest. The commission may reject any or all bids received at the public sale and may thereafter sell the bonds at private sale on such terms and conditions as it deems most advantageous to its own interests, but not at a price below that of the best bid received at the advertised sale. The commission may enter into contracts and borrow money through the sale of bonds of the same character as those herein authorized, from the United States or any agency thereof, upon such conditions and terms as may be agreed to and the bonds shall be subject to all the provisions of this chapter, except that any bonds issued hereunder to the United States or any agency thereof need not first be offered at public sale. The commission may also provide for the private sale of bonds issued under the provisions of this chapter to the state treasurer of Iowa upon such terms and conditions as may be agreed upon, and in such event said bonds need not first be offered at public sale. Temporary or interim bonds, certificates, or receipts, of any denomination, and with or without coupons attached, signed by such official as the commission may direct, may be issued and delivered until the definitive bonds are executed and available for delivery. [62GA, ch 255,§13]

**313A.14 Proceeds in trust fund.** The proceeds from the sale of all bonds authorized and issued under the provisions of this chapter shall be deposited by the commission in a fund designated as the construction fund of the particular interstate bridge or bridges for which such bonds were issued and sold, which fund shall not be a state fund and shall at all times be kept segregated and set apart from all other funds and in trust for the purposes herein set out. Such proceeds shall be paid out or disbursed solely for the acquisition, purchase, or construction of such interstate bridge or bridges and expenses incident thereto, the acquisition of the necessary lands and easements therefor and the payment of interest on such bonds during the period of actual construction and for a period of six months thereafter, only as the need therefor shall arise and the commission may agree with the purchaser of said bonds upon any conditions or limitations restricting the disbursement of such funds that may be deemed advisable, for the purpose of assuring the proper application of such funds. All moneys in such fund and not required to meet current construction costs of the interstate bridge or bridges for which such bonds were issued and sold, and all funds constituting surplus revenues which are not immediately needed for the particular object or purpose to which they must be applied or are pledged may be invested in obligations issued or guaranteed by the

United States or by any person controlled by or supervised by and acting as an instrumentality of the United States pursuant to authority granted by the Congress of the United States; provided, however, that the commission may provide in the proceedings authorizing the issuance of said bonds that the investment of such moneys shall be made only in particular bonds and obligations within the classifications eligible for such investment and such provisions shall thereupon be binding upon the commission and all officials having anything to do with such investment. Any surplus which may exist in said construction fund shall be applied to the retirement of bonds issued for the acquisition, purchase, or construction of any such interstate bridge by purchase or call and, in the event such bonds cannot be purchased at a price satisfactory to the commission and are not by their terms callable prior to maturity, such surplus shall be paid into the fund applicable to the payment of principal and interest of said bonds and shall be used for that purpose. The proceedings authorizing the issuance of bonds may provide limitations and conditions upon the time and manner of applying such surplus to the purchase and call of outstanding bonds and the terms upon which they shall be purchased or called and such limitations and conditions shall be followed and observed in the application and use of such surplus. All bonds so retired by purchase or call shall be immediately canceled. [62GA, ch 255,§14]

**313A.15 Toll revenue fund.** All tolls or other revenues received from the operation of any toll bridge acquired, purchased, or constructed with the proceeds of bonds issued and sold hereunder shall be deposited by the commission to the credit of a special trust fund to be designated as the toll revenue fund of the particular toll bridge or toll bridges producing such tolls or revenue, which fund shall be a trust fund and shall at all times be kept segregated and set apart from all other funds. [62GA, ch 255,§15]

**313A.16 Funds transferred to place of payment.** From the money so deposited in each separate construction fund as hereinabove provided, at the direction of the commission there shall be transferred to the place or places of payment named in said bonds such sums as may be required to pay the interest as it becomes due on all bonds issued and outstanding for the construction of such particular toll bridge or toll bridges during the period of actual construction and during the period of six months immediately thereafter. The commission shall thereafter transfer from each separate toll revenue fund to the place or places of payment named in the bonds for which said revenues have been pledged such sums as may be required to pay the interest on said bonds and redeem the principal thereof as such interest and principal become due.

All funds so transferred for the payment of principal of or interest on bonds issued for any particular toll bridge or toll bridges shall be segregated and applied solely for the payment of said principal or interest. The proceedings authorizing the issuance of the bonds may provide for the setting up of a reserve fund or funds out of the tolls and other revenues not needed for the payment of principal and interest, as the same currently matures and for the preservation and continuance of such fund in a manner to be provided therein, and such proceedings may also require the immediate application of all surplus moneys in such toll revenue fund to the retirement of such bonds prior to maturity, by call or purchase, in such manner and upon such terms and the payment of such premiums as may be deemed advisable in the judgment of the commission. The moneys remaining in each separate toll revenue fund after providing the amount required for the payment of principal of and interest on bonds as hereinabove provided, shall be held and applied as provided in the proceedings authorizing the issuance of said bonds. In the event the proceedings authorizing the issuance of said bonds do not require surplus revenues to be held or applied in any particular manner, they shall be allocated and used for such other purposes incidental to the construction, operation, and maintenance of any toll bridge as the commission may determine and as permitted under sections 313A.7 and 313A.12. [62GA, ch 255,§16]

**313A.17 Warrants for payment.** Warrants for payments to be made on account of such bonds shall be drawn by the commission on duly approved vouchers. Moneys required to meet the costs of purchase or construction and all expenses and costs incidental to the acquisition, purchase, or construction of any particular interstate bridge or to meet the costs of operating, maintaining, and repairing the same, shall be paid by the commission from the proper fund therefor upon duly approved vouchers. All interest received or earned on money deposited in each and every fund herein provided for shall be credited to and become a part of the particular fund upon which said interest accrues. [62GA, ch 255,§17]

**313A.18 Depositaries or paying agents.** The commission may provide in the proceedings authorizing the issuance of bonds or may otherwise agree with the purchasers of bonds regarding the deposit of all moneys constituting the construction fund and the toll revenue fund and provide for the deposit of such money at such times and with such depositaries or paying agents and upon the furnishing of such security as may meet with the approval of the purchasers of such bonds. [62GA, ch 255,§18]

**313A.19 Expenses of commission.** Notwithstanding any provision contained in this chap-

ter, the proceeds received from the sale of bonds and the tolls or other revenues received from the operation of any toll bridge may be used to defray any expenses incurred by the commission in connection with and incidental to the issuance and sale of bonds for the acquisition, purchase, or construction of any such toll bridge including expenses for the preparation of surveys and estimates, legal, fiscal and administrative expenses, and the making of such inspections and examinations as may be required by the purchasers of such bonds; provided, that the proceedings authorizing the issuance of such bonds may contain appropriate provisions governing the use and application of said bond proceeds and toll or other revenues for the purposes herein specified. [62GA, ch 255,§19]

**313A.20 No diminution of duties while bonds outstanding.** While any bonds issued by the commission remain outstanding, the powers, duties or existence of the commission or of any other official or agency of the state shall not be diminished or impaired in any manner that will affect adversely the interests and rights of the holders of such bonds. The holder of any bond may by mandamus or other appropriate proceeding require and compel the performance of any of the duties imposed upon any state department, official, or employee or imposed upon the commission or its officers, agents, and employees in connection with the acquisition, purchase, construction, maintenance, operation, and insurance of any bridge and in connection with the collection, deposit, investment, application, and disbursement of all tolls and other revenues derived from the operation and use of any bridge and in connection with the deposit, investment, and disbursement of the proceeds received from the issuance of bonds; provided, that the enumeration of such rights and remedies herein shall not be deemed to exclude the exercise or prosecution of any other rights or remedies by the holders of such bonds. [62GA, ch 255,§20]

**313A.21 Insurance or indemnity bond.** When any toll bridge authorized hereunder is being built by the commission it may carry or cause to be carried such an amount of insurance or indemnity bond or bonds as protection against loss or damage as it may deem proper. The commission is hereby further empowered to carry such an amount of insurance to cover any accident or destruction in part or in whole to any toll bridge. All moneys collected on any indemnity bond or insurance policy as the result of any damage or injury to any such toll bridge shall be used for the purpose of repairing or rebuilding of any such toll bridge as long as there are revenue bonds against any such structure outstanding and unredeemed. The commission is also empowered to carry insurance or indemnity bonds insuring against the loss of tolls or other

revenues to be derived from any such toll bridge by reason of any interruption in the use of such toll bridge from any cause whatever, and the proceeds of such insurance or indemnity bonds shall be paid into the fund into which the tolls and other revenues of the bridge thus insured are required to be paid and shall be applied to the same purposes and in the same manner as other moneys in the said fund. Such insurance or indemnity bonds may be in an amount equal to the probable tolls and other revenues to be received from the operation of such toll bridge during any period of time that may be determined upon by the commission and fixed in its discretion, and be paid for out of the toll revenue fund as may be specified in said proceedings. The commission may provide in the proceedings authorizing the issuance of bonds for the carrying of insurance as authorized by this chapter and the purchase and carrying of insurance as authorized by this chapter shall thereupon be obligatory upon the commission and be paid for out of the toll revenue fund as may be specified in said proceedings. [62GA, ch 255,§21]

**313A.22 Toll charges fixed by commission.**

The commission is hereby empowered to fix the rates of toll and other charges for all interstate bridges acquired, purchased, or constructed under the terms of this chapter. Toll charges so fixed may be changed from time to time as conditions may warrant. The commission in establishing toll charges shall give due consideration to the amount required annually to pay the principal of and interest on bonds payable from the revenues thereof. The tolls and charges shall be at all times fixed at rates sufficient to pay the bonds and interest as they mature, together with the creation and maintenance of bond reserve funds and other funds as established in the proceedings authorizing the issuance of the bonds, for any particular toll bridge. The amounts required to pay the principal of and interest on bonds shall constitute a charge and lien on all such tolls and other revenues and interest thereon and sinking funds created therefrom received from the use and operation of said toll bridge, and the commission is hereby authorized to pledge a sufficient amount of said tolls and revenues for the payment of bonds issued under the provisions of this chapter and interest thereon and to create and maintain a reserve therefor. Such tolls and revenues, together with the interest earned thereon, shall constitute a trust fund for the security and payment of such bonds and shall not be used or pledged for any other purpose as long as such bonds or any of them are outstanding and unpaid. [62GA, ch 255,§22]

**313A.23 Political subdivision may aid.**

Whenever a proposed interstate bridge is to be acquired, purchased or constructed, any city, town, county, or other political sub-

division located in relation to such facility so as to benefit directly or indirectly thereby, may, either jointly or separately, at the request of the commission advance or contribute money, rights of way, labor, materials, and other property toward the expense of acquiring, purchasing or constructing the bridge, and for preliminary surveys and the preparation of plans and estimates of cost therefor and other preliminary expenses. Any such city, town, county, or other political subdivision may, either jointly or separately, at the request of the commission advance or contribute money for the purpose of guaranteeing the payment of interest or principal on the bonds issued by the commission to finance the bridge. Appropriations for such purposes may be made from any funds available, including county road funds received from or credited by the state, or funds obtained by excess tax levies made pursuant to law or the issuance of general obligation bonds for this purpose. Money or property so advanced or contributed may be immediately transferred or delivered to the commission to be used for the purpose for which contribution was made. The commission may enter into an agreement with a city, town, county, or other political subdivision to repay any money or the value of a right of way, labor, materials or other property so advanced or contributed. The commission may make such repayment to a city, town, county, or other political subdivision and reimburse the state for any expenditures made by it in connection with the bridge out of tolls and other revenues for the use of the bridge. [62GA, ch 255,§23]

**313A.24 Sale of excess land to political subdivisions.** If the commission deems that any land, including improvements thereon, is no longer required for toll bridge purposes and that it is in the public interest, it may negotiate for the sale of such land to the state or to any city, town, county, or other political subdivision or municipal corporation of the state. The commission shall certify the agreement for the sale to the state executive council, with a description of the land and the terms of the sale and the state executive council may execute the deed and deliver it to the grantee. [62GA, ch 255,§24]

Referred to in §318A.28

**313A.25 Sale to public.** If the commission is of the opinion that any land, including improvements thereon, is no longer required for toll bridge purposes, it may be offered for sale upon publication of a notice once each week for two consecutive weeks in a newspaper published and having a general circulation throughout the state of Iowa, specifying the time and place fixed for the receipt of bids. [62GA, ch 255,§25]

Referred to in §318A.28

**313A.26 Acceptance or rejection of bids.** The commission may reject all such bids if

the highest bid does not equal the reasonable fair market value of the real property, plus the value of the improvements thereon, computed on the basis of the reproduction value less depreciation. The commission may accept the highest and best bid, and certify the agreement for the sale to the state executive council, with a description of the land and the terms of the sale and the state executive council shall execute the deed and deliver it to the grantee. [62GA, ch 255,§26]

Referred to in §313A.28

**313A.27 Franchises for use of bridge.** If the commission deems it consistent with the use and operation of any toll bridge, the commission may grant franchises to persons, firms, associations, private or municipal corporations, the United States government or any agency thereof, to use any portion of the property of any toll bridge, including approaches thereto, for the construction and maintenance of water pipes, flumes, gas pipes, telephone, telegraph and electric light and power lines and conduits, trams or railways, and any other such facilities in the manner of granting franchises on state highways. [62GA, ch 255,§27]

Referred to in §313A.28

**313A.28 Deposit of proceeds.** Any moneys received pursuant to the provisions of sections 313A.24 through 313A.27 shall be deposited by the commission into the separate and proper trust fund established for the bridge. [62GA, ch 255,§28]

**313A.29 Tolls imposed for improving other bridges.** The commission shall have the right to impose and reimpose tolls for pedestrian or vehicular traffic over any interstate bridges under its control and jurisdiction for the purpose of paying the cost of reconstructing and improving existing bridges and their approaches, purchasing existing bridges, and constructing new bridges and approaches, provided that any such existing bridge or new bridge is located within ten miles of the bridge on which tolls are so imposed or reimposed, to pay interest on and create a sinking fund for the retirement of revenue bonds issued for the account of such projects and to pay any and all costs and expenses incurred by the commission in connection with and incidental to the issuance and sale of bonds and for the preparation of surveys and estimates and to establish the required interest reserves for and during the estimated construction period and for six months thereafter. [62GA, ch 255,§29]

Referred to in §313A.30

**313A.30 Bridges as part of primary roads.** The bridges herein provided for may be incorporated into the primary road system as toll free bridges whenever the costs of the construction of the bridges and the approaches thereto and the reconstruction and improvement of existing bridges and approaches

thereto, including all incidental costs, have been paid and when all revenue bonds and interest thereon issued and sold pursuant to this chapter and payable from the tolls and revenues thereof shall have been fully paid and redeemed or funds sufficient to pay said bonds and interest, including premium, if any, have been set aside and pledged for that purpose. However, tolls may again be imposed as provided in section 313A.29. [62GA, ch 255,§30]

**313A.31 Revenue bonds.** The commission shall have the power and is hereby authorized by resolution to issue, sell, or pledge its revenue bonds in an amount sufficient to provide funds to pay all or any part of the costs of construction of a new bridge and approaches thereto and the reconstruction, improvement, and maintaining of an existing bridge and approaches thereto, including all costs of survey, acquisition of right of way, engineering, legal, fiscal and incidental expenses, to pay the interest due thereon during the period beginning with the date of issue of the bonds and ending at the expiration of six months after the first imposition and collection of tolls from the users of said bridges, and all costs incidental to the issuance and sale of the bonds.

Except as may be otherwise specifically provided by statute, all of the other provisions of this chapter shall govern the issuance and sale of revenue bonds issued under this section, the execution thereof, the disbursement of the proceeds of issuance thereof, the interest rate or rates thereon, their form, terms, conditions, covenants, negotiability, denominations, maturity date or dates, the creation of special funds or accounts safeguarding and providing for the payment of the principal thereof and interest thereon, and their manner of redemption and retirement.

Such bonds shall include a covenant that the payment of the principal thereof and the interest thereon are secured by a first and direct charge and lien on all of the tolls and other gross revenues received from the operation of said toll bridges and from any interest which may be earned from the deposit or investment of any such revenues.

The tolls and charges shall be at all times fixed at rates sufficient to pay the bonds and interest as they mature, together with the creation and maintenance of bond reserve funds and other funds as established in the proceedings authorizing the issuance of the bonds. [62GA, ch 255,§31, ch 256,§1]

**313A.32 Operation and control of bridge.** The commission is hereby authorized to operate and to assume the full control of said toll bridges and each portion thereof whether within or without the borders of the state of Iowa, with full power to impose and collect tolls from the users of such bridges for the purpose of providing revenues at least sufficient to pay the cost and incidental expenses

of construction and acquisition of said bridges and approaches in both states in which located and for the payment of the principal of and interest on its revenue bonds as authorized by this chapter. [62GA, ch 255,§32]

**313A.33 No obligation of state.** Under no circumstances shall any bonds issued under the terms of this chapter be or become or be construed to constitute a debt of or charge against the state of Iowa within the purview of any constitutional or statutory limitation or provision. No taxes, appropriations or other funds of the state of Iowa may be pledged for or used to pay such bonds or the interest thereon, but any such bonds shall be payable solely and only as to both principal and interest from the tolls and revenues derived from the operation of any toll bridge or toll bridges acquired, purchased, or constructed under this chapter, and the sole remedy for any breach or default of the terms of any such bonds or proceedings for their issuance shall be a proceeding either in law or in equity by suit, action or mandamus to enforce and compel performance of the duties required by this chapter and the terms of the resolution under which such bonds are issued. [62GA, ch 255,§33]

**313A.34 Agreements with other states.** The commission is authorized to enter into such agreement or agreements with other state highway commissions and the governmental agencies or subdivisions of the state of Iowa or other states and with federal bridge commissions as they shall find necessary or convenient to carry out the purposes of this chapter, and is authorized to do any and all acts contained in such agreement or agreements that are necessary or convenient to carry out the purposes of this chapter. Such agreements may include, but shall not be restricted to, the following provisions:

1. A provision that the commission shall assume and have complete responsibility for the operation of such bridges and approaches thereto, and with full power to impose and collect all toll charges from the users of such bridges and to disburse the revenue derived therefrom for the payment of principal and interest on any revenue bonds herein provided for and to carry out the purposes of this chapter.

2. A provision that the commission shall provide for the issuance, sale, exchange or pledge, and payment of revenue bonds payable solely from the revenues derived from the imposition and collection of tolls upon such toll bridges.

3. A provision that the commission, after consultation with the other governmental agencies or subdivisions who are parties to such agreements, shall fix and revise the classifications and amounts of tolls to be charged and collected from the users of the toll bridges, with the further provision that

such toll charges shall be removed after all costs of planning, designing, and construction of such toll bridges and approaches thereto and all incidental costs shall have been paid, and all of said revenue bonds, and interest thereon, issued pursuant to this chapter shall have been fully paid and redeemed or funds sufficient therefor have been set aside and pledged for that purpose.

4. A provision that all acts pertaining to the design and construction of such toll bridges may be done and performed by the commission and that any and all contracts for the construction of such toll bridges shall be awarded in the name of the commission.

5. A provision that the state of Iowa and adjoining state and all governmental agencies or subdivisions party to such agreement shall be reimbursed out of the proceeds of the sale of such bonds or out of tolls and revenues as herein allowed for any advances they may have made or expenses they may have incurred for any of the purposes for which said revenue bonds may be issued, after duly verified itemized statements of such advances and expenses have been submitted to and been approved by all parties to such agreement.

6. A provision that when all outstanding indebtedness or other obligations payable from the revenues of such bridges have been paid the adjoining state agrees to accept ownership of that portion of the bridge within such state and agrees to pay the cost of maintaining such portions of the bridge or proportionate share of the total cost of maintaining the bridge. [62GA, ch 255,§34]

**313A.35 General obligation bonds.** Counties are hereby authorized to issue general obligation bonds for the purpose of contributing money to the commission to help finance the construction of toll bridges across navigable rivers constituting boundaries between the county and an adjoining state. Prior to the issuance of such bonds the board of supervisors shall call and hold an election in said county at which the proposition shall be submitted to the voters of the county in the following form:

"Shall the county of ..... issue its bonds in the amount of \$...... for the purpose of ....."

Notice of such election, stating the date of the election, the hours of opening and closing the polls, the precincts and polling places therefor, and the question to be submitted shall be published once each week for three consecutive weeks in at least one newspaper published and having a general circulation in the county. The election shall be held on a day not less than five nor more than twenty days after the last publication of such notice. The proposition shall not be deemed carried or adopted unless the vote in favor thereof is equal to at least sixty percent of the total vote cast for and against said proposition at said election. [62GA, ch 255,§35]

**313A.36 Purposes of powers granted.** The exercise of the powers granted by this chapter will be in all respects for the benefit of the people of the state of Iowa, for the increase of their commerce and prosperity and for the improvement of their health and living conditions, and as the acquisition, construction, operation, and maintenance by the commission of the projects herein defined will constitute the performance of essential governmental functions, the commission shall not be required to pay any taxes or assessments upon such projects or upon any property acquired or used by the commission under the provisions of this chapter or upon the income from such projects, and the bonds issued under the provisions of this chapter, their transfer and the income therefrom including any profit made on the sale thereof shall at all times be free from taxation by or within the state of Iowa. [62GA, ch 255,§36]

**313A.37 Failure to pay toll—penalty.** Any person who uses any toll bridge and fails or refuses to pay the toll provided therefor shall be punished by a fine of not more than one hundred dollars or by imprisonment for not

more than thirty days, or both. [62GA, ch 255,§37]

**313A.38 Independent of any other law.** This chapter shall be construed as providing an alternative and independent method for the acquisition, purchase, or construction of interstate bridges, for the issuance and sale or exchange of bonds in connection therewith and for refunding bonds pertinent thereto, and for the imposition, collection, and application of the proceeds of tolls and charges for the use of interstate bridges, without reference to any other statute, and shall not be construed as an amendment of or subject to the provisions of any other law, and no publication of any notice, and no other or further proceeding in respect to the issuance or sale or exchange of bonds under this chapter shall be required except such as are prescribed by this chapter, any provisions of other statutes of the state to the contrary notwithstanding. to the prices bid but also to the mechanical or other equipment and the financial responsibility and experience in the performance of like or similar contracts. The board or commission may reject any or all bids, or may let by private contract or build by day labor, at a cost not in excess of the lowest bid received. Upon the completion of any contract or project on either the farm-to-market or secondary road system, the county engineer shall file with the county auditor a statement showing the total cost thereof with certificate that said work has been done in accordance with the plans and specifications. Claims payable from the farm-to-market road fund shall be approved by both the board of supervisors and the state highway commission. Upon approval by the highway commission of vouchers which are payable from the farm-to-market road fund, or from the primary road fund, as the case may be, such vouchers shall be forwarded to the state comptroller, who shall draw warrants therefor, and said warrants shall be paid by the treasurer of the state from the farm-to-market road fund or from the primary road fund, as the case may be.

If the engineer makes such certificate or a member of the board or commission approves such claim when said work has not been done in accordance with the plans and specifications, and said work be not promptly made good without additional cost, he shall be liable on his bond for the amount of such claim. Provided, that this authority shall not apply to the extensions of secondary roads located in cities over twenty-five hundred population, where the houses or business houses average less than two hundred feet apart.

The phrase "subject to the approval of the council" as it appears in this section, shall be construed as authorizing the council to consider said proposed improvement only in its relationship to municipal improvements such as sewers, water lines, establishing grades, change of established street grades, sidewalks and other public improvements. Nor shall they destroy or injure reasonable ingress or egress to any property, or turn the natural drainage of the surface water to the injury of adjoining owners. It shall be their duty to use strict diligence in draining the surface water from the public road in its natural channel. To this end they may enter upon the adjoining lands for the purpose of removing from such natural channel obstructions that impede the flow of such water. [C24, 27,§4791; C31, 35,§4644-c46; C39,§4644.44; C46,§309.44; C50, §308A.16; C54, 58, 62, 66,§314.7]

Such entry, after notice, shall not be deemed a trespass, and the board or commission may be aided by injunction to insure peaceful entry. The board or commission shall pay actual damages caused by such entry, surveys, soundings, drillings, appraisals or examinations.

1. Determine the needs of displaced persons for relocation assistance;
2. Assure that within a reasonable period of time prior to displacement there will be available, to the extent that can reasonably be accomplished, in areas not generally less desirable in regard to public utilities and public and commercial facilities and at rents or prices within the financial means of families and individuals displaced, housing meeting the standards established by the commission for decent, safe, and sanitary dwellings, equal in number to the number of, and available to, displaced families and individuals and reasonably accessible to their places of employment;

3. Any displaced person who moves or discontinues his business or farm operation who elects to accept the payment authorized by this subsection in lieu of the payment authorized by subsection 1 of this section, may receive a fixed relocation payment in an amount equal to the average annual net earnings of the business or farm operation, or five thousand dollars, whichever is the lesser. In the case of a business, no payment shall be made under this subsection unless the commission determines that the business cannot be relocated without a substantial loss of its existing patronage, and is not part of a commercial enterprise having at least one other establishment, not being acquired for a highway project, which is engaged in the same or similar business. For purposes of this subsection "average annual net earnings" means one-half of any net earnings of the business or farm operation, before federal, state, and local income taxes, during the two taxable years immediately preceding the taxable year in which the business or farm operation moves from the real property acquired for a highway project, and includes any compensation paid by the business or farm operation to the owner, his spouse, or his dependents during such two-year period. **316.4 Additional payments for dwelling.**

1. In addition to amounts otherwise authorized by this chapter, the commission shall make a payment to the owner of real property

acquired for a highway project which is improved by a single family, two-family, or three-family dwelling actually owned and occupied by the owner for not less than one year prior to the initiation of negotiations for the acquisition of the property. Payment, not to exceed five thousand dollars, shall be the amount which, added to the acquisition payment, equals the average price required for a comparable dwelling determined, in accordance with standards established by the commission, to be a decent, safe, and sanitary dwelling adequate to accommodate the displaced owner, reasonably accessible to public services and places of employment, and available on the private market. Payment shall be made only to a displaced owner who purchases and occupies a dwelling within one year subsequent to the date on which he is required to move from the dwelling acquired for the highway project. No payment is required if the owner-occupant receives a payment required by the law of condemnation which is determined by the commission to have substantially the same purpose and effect as this section.

2. In addition to amounts otherwise authorized by this chapter, the commission shall make a payment to any individual or family displaced from any dwelling not eligible to receive a payment under subsection 1 of this section, if the dwelling was actually and lawfully occupied by such individual or family for not less than ninety days prior to the initiation of negotiations for acquisition of such property. Such payment, not to exceed one thousand five hundred dollars, shall be the amount which is necessary to enable the person to lease or rent for a period of not to exceed two years, or to make the down payment on the purchase of a decent, safe, and sanitary dwelling adequate to accommodate such individual or family in areas not generally less desirable in regard to public utilities and public and commercial facilities. [63GA, ch 1138,§4]

**316.6 Payments from highway funds.** Payments and expenditures under the provisions of this chapter are incident to and arise out of the construction, maintenance, and supervision of public highways and streets, and, in the case of any federal-aid highway project, may be made by the commission from the primary road fund and funds made available by the federal government for the purpose of carrying out the provisions of this chapter. Payments made under authority of section 316.10 may be made from the primary road fund in case of a primary road project only, and in other cases may be made from the secondary road fund or from appropriate funds under control of a political subdivision. [63GA, ch 1138,§6]

**316.7 Commission authority.** The commission may do all things necessary to carry out the provisions of this chapter and to secure federal grants to make the payments required by this chapter, but the absence of federal aid to make such payments shall not discharge the obligation to make the payments. [63GA, ch 1138,§7]

**316.8 Payments not additional damages.** Nothing in this chapter shall be construed to create any additional element of damage in any condemnation proceedings for highway projects, and in order to prevent unjust enrichment or a duplication of payments to any condemnee, the courts of this state, when determining just compensation in condemnation proceedings, shall not allow any damages which duplicate any of the benefits provided under the provisions of this chapter. [63GA, ch 1138,§8]

**316.9 Rules adopted.** The commission may make rules and regulations necessary to effect the provisions of this chapter and to assure:

1. The payments authorized by this chapter are fair and reasonable and as uniform as practicable;

2. A displaced person who makes proper application for a payment authorized by this chapter is paid promptly after a move or, in hardship cases, is paid in advance; and

3. Any person aggrieved by a determination as to eligibility for a payment authorized by this chapter, or the amount of a payment, may have his application reviewed by the commission.

All rules shall be subject to the provisions of chapter 17A. [63GA, ch 1138,§9]

**316.10 Applicable to other than federal-aid highways.** The commission or any political subdivision may provide all or a part of the programs and payments authorized under sections 316.2 through 316.5, inclusive, to persons displaced by any street or highway project which is financed in whole or in part by the state or the political subdivision, which is not a federal-aid project, and which requires the purchase or condemnation of private property for public use. To the extent that a

program or payment is provided under this section, it shall be provided on a uniform basis to all persons so displaced. The commission shall make rules and regulations to assure reasonable standards, which need not conform

to federal rules and guidelines, for programs and payments provided under this section. [63GA, ch 1138,§11]

The county weed commissioner's appointment shall be effective as of March 1 and continue for a term of one year unless he is sooner removed from office as provided for by law. The county weed commissioner may, with the approval of the board of supervisors, appoint a deputy or such number of deputies as are necessary to carry out the purposes of this chapter. Such entry may be made without the consent of the landowner or person in possession or control of the land but actual work of destruction shall not be commenced until five days after the service of a notice in writing on the landowner and on the person in possession or in control of the land. The notice shall state the facts as to failure of compliance with the county program of weed destruction order or orders made by the board of supervisors and shall be served in the same manner as an original notice except as hereinafter provided. The notice may be served by the weed commissioner, his deputies or any person designated in writing by the weed commissioner and filed in the office of the county auditor. Provided, however, that service on persons living temporarily or permanently outside of the county may be made by sending the written notice of noncompliance by certified mail to said person at the last known address to be ascertained, if necessary, from the last tax list in the county treasurer's office. Where any person, firm or corporation owning land within the county has filed a written instrument in the office of the county auditor designating the name and address of its agent, the notice

herein provided may be served on that agent. In computing time hereunder it shall be from the date of service as evidenced on the return or if made by certified mail, from the date of mailing as evidenced by the certified mail book at the post office where mailed. Quack grass in pasture land, rough timbered land or on the highways, railway rights of way and public lands, when acting as soil binder, may be exempt from such order if approved by the supervisors. **317.15 Loss or damage to crops.** The loss or damage to crops or property incurred by reason of such destruction shall be borne by the titleholder of said real estate, unless said real estate shall be sold under contract whereby possession has been delivered to the purchaser, in which event such purchaser shall bear such loss or damage, excepting where a contract has been entered into providing a different adjustment for such loss or damage. [S13,§§1565-c,-d; C24, 27, 31, 35,§4822; C39, §4829.15; C46, 50, 54, 58, 62, 66,§317.15]

**317.18 Order for destruction on roads.** The board of supervisors shall order all weeds other than noxious weeds, on all county trunk and local county roads and between the fence lines thereof to be cut, burned or otherwise destroyed to prevent seed production thereof, either upon its own motion or upon receipt of written notice requesting such action from any residents of the township in which such roads are located, or any person regularly using said roads. Said order shall define the roads along which said weeds are required to be cut, burned or otherwise destroyed and shall require said weeds to be cut, burned or otherwise destroyed within thirty days after the publication of said order in the official newspapers of said county. If the adjoining owner fails to cut, burn or otherwise destroy said weeds as required in said order the county commissioner shall have same cut, burned or

otherwise destroyed and the cost thereof shall be paid from the general county fund, and recovered later by an assessment against the adjoining property owners as provided in section 317.21. [C39,§4829.18; C46, 50, 54, 58, 62, 66,§317.18]

Out of said fund so provided for in this section the board of supervisors shall have the power to purchase or hire necessary equipment or to contract with the adjoining landowner to carry out the purposes of this section. [C46, 50, 54, 58, 62, 66,§317.19]

Whenever equipment or materials so purchased are used on private property within the corporate limits of cities or towns by the weed commissioner, the cost of materials used and an amount to be fixed by the board of supervisors for the use of said equipment shall be returned to this one-fourth mill fund by the county treasurer upon the collection of the special assessment taxed against said property. In the certification to the county auditor and the county treasurer by the clerk of the board of supervisors this apportionment shall be designated along with the special tax assessed under the provisions of section 317.21. Such equipment and its use shall be subject to the authorization and direction of the county board of supervisors. [C50, 54, 58, 62, 66,§317.20]

**317.21 Cost of such destruction.** When the commissioner, or commissioners, destroy any weeds under the authority of sections 317.16 or 317.18, after failure of the landowner responsible therefor to destroy such weeds pursuant to the order of the board of supervisors, the cost of such destruction shall be assessed against the land and collected from the landowner responsible in the following manner:

1. Annually, after the weed commissioner has completed his program of destruction of weeds by reason of noncompliance by persons responsible therefor, the board of supervisors

shall determine as to each tract of real estate the actual cost of labor and materials used by the commissioner in cutting, burning or otherwise destroying said weeds, the cost of serving notice and special meetings or proceedings, if any. To the total of all such sums expended, they shall add an amount equal to twenty-five percent thereof to compensate for the cost of supervision and administration and assess the resulting sum against said tract of real estate by a special tax, which shall be certified to the county auditor and county treasurer by the clerk of the board of supervisors, and shall be placed upon the tax books, and collected, together with interest and penalty after due, in the same manner as other unpaid taxes. Such tax shall be due on March 1 after such assessment, and shall be delinquent after March 31. When collected, said funds shall be paid into the fund from which said costs were originally paid.

2. Before making any such assessment, the board of supervisors shall prepare a plat or schedule showing the several lots, tracts of land or parcels of ground to be assessed which shall be in accord with the assessor's records and the amount proposed to be assessed against each of the same for destroying or controlling weeds during the calendar year.

3. Such board shall thereupon fix a time for the hearing on such proposed assessments, which time shall not be later than December 15 of the year, and at least twenty days prior to the time thus fixed for such hearing shall give notice thereof to all concerned that such plat or schedule is on file, and that the amounts as shown therein will be assessed against the several lots, tracts of land or parcels of ground described in said plat or schedule at the time fixed for such hearing, unless objection is made thereto. Notice of such hearing shall be given by one publication in official county newspapers in the county in which the property to be assessed is situated; or by posting a copy of such notice on the premises affected and by mailing a copy by certified mail to the last known address of the person owning or controlling said premises. At such time and place the owner of said premises or anyone liable to pay such assessment, may appear with the same rights given by law before boards of review, in reference to assessments for general taxation. Pedestrians facing the signal may proceed across the roadway within any marked or unmarked crosswalk.

Pedestrians facing such signal are thereby advised that there is insufficient time to cross the roadway, and any pedestrian then starting

to cross shall yield the right of way to all vehicles.

Vehicular traffic facing such signal may cautiously enter the intersection only to make the movement indicated by such arrow but shall not interfere with other traffic or endanger pedestrians lawfully within a crosswalk.

No pedestrian facing such signal shall enter the roadway unless he can do so safely and without interfering with any vehicular traffic.

2. *Flashing yellow* (Caution signal). When a yellow lens is illuminated with rapid intermittent flashes, drivers of vehicles may proceed through the intersection or past such signal only with caution. [C39,§5019.07; C46, 50, 54, 58, 62, 66,§321.258]

**commitment of defendant for treatment.** Whoever operates a motor vehicle upon the public highways of this state while under the influence of an alcoholic beverage, a narcotic, hypnotic or other drug, or any combination of such substances shall, upon conviction or a plea of guilty, be punished for the first offense by a fine of not less than three hundred dollars nor more than one thousand dollars, or by imprisonment in the county jail for a period of not to exceed one year, or by both such fine and imprisonment; for the second offense by a fine of not less than five hundred dollars, nor more than one thousand dollars, or by imprisonment in the penitentiary for a period of not to exceed one year, or by both such fine and imprisonment; and for a third offense and each offense thereafter by imprisonment in the penitentiary for any term of years not less than one or more than five, and the court may pronounce sentence for a lesser period than the maximum, the provisions of the indeterminate sentence law to the contrary notwithstanding.

In lieu of, or prior to imposition of, the punishment above described for second offense, third offense and each offense thereafter, the court upon hearing may commit the defendant for treatment of alcoholism to any hospital or institution in Iowa providing such treatment. The court may prescribe the length of time for such treatment or it may be left to the discretion of the hospital to which the person is committed. A person committed under this section shall be considered a state patient.

The court in pronouncing sentence may provide as to the period during which a new license to operate a motor vehicle shall not be issued to the defendant, provided said period shall not be less than one hundred twenty days for conviction of a first offense of operating a motor vehicle while under the influence of an alcoholic beverage, a narcotic, hypnotic or other drug, or any combination of such substances; of not less than two hundred forty days for conviction of a second offense of such charge; and not less than one year for conviction of a third offense of such charge and for each offense thereafter, notwithstanding the provisions of section 321.212; and the clerk of court shall forthwith certify to the department a true copy of the judgment sentencing the defendant under this section. The department may receive an application for and shall grant a new license at the expiration of the period provided in the judgment of the court notwithstanding the provisions of sections 321.177 and 321.212.

The court shall after pronouncing sentence cause the clerk to certify a true copy of the judgment to the Iowa liquor control commission. Said commission upon receipt of such copy shall cause notice of such conviction and judgment to be sent to the manager of each liquor store in the state which notice shall be posted therein.

This section shall not apply to a person operating a motor vehicle while under the influence of a narcotic, hypnotic or other drug if such substances were prescribed for such person and have been taken under such prescription and in accordance with the directions of a reputable doctor of medicine, provided however there is no evidence of the consumption of alcohol and further provided said doctor of medicine has not directed such person to refrain from operating a motor vehicle.

For the purposes of this section, evidence that there was, at the time, more than ten hundredths of one percentum by weight of alcohol in his blood shall be admitted as presumptive evidence that the defendant was under the influence of an alcoholic beverage. No previous conviction for, or plea of guilty to, an offense under this section occurring more than six years prior to the date of the violation being charged shall be used to determine that the violation being charged is a second, third or subsequent offense. #### SPEED RESTRICTIONS

**321.285 Speed restrictions.** Any person driving a motor vehicle on a highway shall drive the same at a careful and prudent speed not greater than nor less than is reasonable and proper, having due regard to the traffic, surface and width of the highway and of any other conditions then existing, and no person shall drive any vehicle upon a highway at a speed greater than will permit him to bring it to a stop within the assured clear distance ahead, such driver having the right to assume, however, that all persons using said highway will observe the law.

The following shall be the lawful speed except as hereinbefore or hereinafter modified, and any speed in excess thereof shall be unlawful:

1. Twenty miles per hour in any business district.

2. Twenty-five miles per hour in any residence or school district.

3. Forty miles per hour for any motor vehicle drawing another vehicle, except as hereinafter specified.

4. Forty-five miles per hour in any suburban district. Each school district as defined in subsection 59 of section 321.1 shall be marked by distinctive signs as provided by the current manual of uniform traffic control devices adopted by the state highway commission and placed on the highway at the limits of such school district.

5. Sixty miles per hour from sunset to sunrise and seventy miles per hour from sunrise to sunset.

6. Fifty-five miles per hour for any motor vehicle drawing a one- or two-wheel trailer or a tandem wheel trailer not more than twenty-eight feet in length including towing arm with a gross weight of not more than four thousand five hundred pounds and not more than eight feet in width.

7. Reasonable and proper, but not greater than sixty miles per hour at any time between sunrise and sunset, and not greater than fifty miles per hour at any time between sunset and sunrise, on secondary roads unless such roads are surfaced with concrete or asphalt or a combination of both, in which case the speed limits shall be the same as provided in subsection 5 of this section. Whenever the board of supervisors of any county shall determine upon the basis of an engineering and traffic investigation conducted by the state highway commission when so requested by said board that the speed limit on any secondary road is greater than is reasonable and proper under the conditions found to exist at any intersection or other place or upon any part of a

secondary road, said board shall determine and declare a reasonable and proper speed limit thereat. Such speed limits as determined by the board of supervisors shall be effective when appropriate signs giving notice thereof are erected by the board of supervisors at such intersection or other place or part of the highway.

8. Notwithstanding any other speed restrictions, the speed limits for all vehicular traffic, except vehicles subject to the provisions of section 321.286 on fully controlled-access, divided, multilaned highways included in, and as a part of, the national system of interstate highways designated by the federal bureau of public roads and this state [23 U.S.C. 103 (d)] shall be seventy-five miles per hour from sunrise to sunset and sixty-five miles per hour from sunset to sunrise. However, the highway commission or the cities and towns, with the approval of the highway commission, may establish a lower speed limit upon such highways located within the corporate limits of any city or town used as city alternate routes, commonly referred to as "freeways". For the purposes of this subsection a fully controlled-access highway is a highway that gives preference to through traffic by providing access connections with selected public roads only and by prohibiting crossings at grade or direct private driveway connections. It is further provided that a minimum speed of forty miles per hour, road conditions permitting, shall be established on the highways referred to in this subsection.

It is further provided that any kind of vehicle, implement, or conveyance incapable of attaining and maintaining a speed of forty miles per hour shall be prohibited from using the interstate system. [S13,§§1571-m19,-m20; C24, 27, 31, 35,§§5029, 5030; C39,§5023.01; C46, 50, 54, 58, 62, 66,§321.285; 62GA, ch 277,§2]

**321.286 Truck speed limits.** It shall be unlawful for the driver of a freight-carrying vehicle, with a gross weight of over five thousand pounds, to drive the same at a speed exceeding the following:

1. Sixty-five miles per hour on all interstate highway systems.

2. Fifty-five miles per hour on all primary roads.

3. Fifty miles per hour on all secondary roads.

For the purposes of this section, interstate highways are those designated by the federal bureau of public roads and this state, and primary and secondary roads shall be those designated by the federal bureau of public roads and this state. [S13,§§1571-m19,-m20; C24, 27, 31, 35,§5029; C39,§5023.02; C46, 50, 54, 58, 62, 66,§321.286; 62GA, ch 277,§1]

**321.287 Bus speed limits.** No passenger-carrying motor vehicle used as a common car-

rier, except school buses, shall be driven upon the highways at a greater rate of speed than sixty miles per hour at any time. No school bus shall be operated in violation of section 321.377. [C24,§5104; C27, 31, 35,§5105-a34; C39, §5023.03; C46, 50, 54, 58, 62, 66,§321.287]

1. When approaching and passing a person walking in the traveled portion of the public highway.

2. When approaching and passing an animal which is being led, ridden, or driven upon a public highway.

3. When approaching and traversing a crossing or intersection of public highways, or a bridge, or a sharp turn, or a curve, or a steep descent, in a public highway.

4. When approaching and passing a fusee, flares, red reflector electric lanterns, red reflectors or red flags displayed in accordance with section 321.448. [S13,§1571-m18; C24, 27, 31, 35, §5031; C39,§5023.04; C46, 50, 54, 58, 62, 66, §321.288]

**321.289 Speed signs—duty to install.** The state highway commission shall furnish and place on primary roads or on extensions of primary roads within any city or town suitable standard signs showing the points at which the rate of speed changes and the maximum rate of speed in the district which the vehicle is entering. On all other main highways the city or town shall furnish and erect suitable signs giving similar information to traffic on such highways. [S13,§1571-m20; C24,§5030; C27, 31, 35,§5030-b2; C39,§5023.05; C46, 50, 54, 58, 62, 66, §321.289]

**321.290 Special restrictions.** Whenever the state highway commission shall determine upon the basis of an engineering and traffic investigation that any speed limit hereinbefore set forth is greater or less than is reasonable or safe under the conditions found to exist at any intersection or other place or upon any part of the primary road system or upon any part of a primary road extension, said commission shall determine and declare a reasonable and safe speed limit thereat which shall be effective when appropriate signs giving notice thereof are erected at such intersection or other place or part of the highway.

Whenever the council in any city or town shall determine upon the basis of an engineering and traffic investigation that any speed limit hereinbefore set forth is greater or less than is reasonable or safe under the conditions found to exist at any intersection or other place or upon any part of the city street system, except primary road extensions, said council shall determine and adopt by ordi-

nance such higher or lower speed limit as it deems reasonable and safe thereat. Such speed limit shall be effective when proper and appropriate signs giving notice thereof are erected at such intersections or other place or part of the street. [C39,§5023.06; C46, 50, 54, 58, 62, 66,§321.290; 62GA, ch 278,§1]

**321.291 Information or notice.** In every charge of violation of sections 321.285 to 321.287, inclusive, the information, also the notice to appear, shall specify the speed at which the defendant is alleged to have driven, also the speed limit applicable within the district or at the location. [C39,§5023.07; C46, 50, 54, 58, 62, 66,§321.291]

**321.292 Civil action unaffected.** The foregoing provisions of sections 321.285 to 321.287, inclusive, shall not be construed to relieve the plaintiff in any civil action from the burden of proving negligence upon the part of the defendant as the proximate cause of an accident. [C39,§5023.08; C46, 50, 54, 58, 62, 66,§321.292]

**321.293 Local authorities may alter limits.** Local authorities in their respective jurisdiction may in their discretion subject to the approval of the state highway commission authorize by ordinance higher speeds than those stated in section 321.285 upon through highways or upon highways or portions thereof where stop or yield signs have been erected at the entrances thereto provided signs are erected giving notice of the authorized speed, but local authorities shall not have authority to authorize by ordinance a speed in excess of fifty-five miles per hour. If local authorities fail to authorize by ordinance higher speeds than those stated in section 321.285 upon through highways or upon highways or portions thereof where stop signs have been erected at the entrances thereto, the state highway commission may recommend, upon the basis of an engineering and traffic investigation, to the local authorities that the speed limit be increased. If local authorities fail to increase the speed limit upon said recommendation of the state highway commission, said commission shall declare a reasonable and safe speed limit which shall be effective when appropriate signs are erected giving notice thereof. [C39,§5023.09; C46, 50, 54, 58, 62, 66,§321.293]

**321.294 Minimum speed regulation.** No person shall drive a motor vehicle at such a slow speed as to impede or block the normal and reasonable movement of traffic except when reduced speed is necessary for safe operation or in compliance with law. Peace officers are hereby authorized to enforce this provision by directions to drivers, and in the event of apparent willful disobedience to this provision and refusal to comply with direction of an officer in accordance herewith the continued slow operation by a driver shall be a misdemeanor, and be punished as provided in

section 321.482. [C31, 35,§5021-c1; C39,§5023.10; C46, 50, 54, 58, 62, 66,§321.294]

See also §321.382

**321.295 Limitation on bridge or elevated structures.** No person shall drive a vehicle on any public bridge or elevated structure at a speed which is greater than the maximum speed permitted under this chapter on the street or highway at a point where said street or highway joins said bridge or elevated structure, provided that if the maximum speed permitted on said street or highway differs from the maximum speed on any other street or highway joining said bridge or elevated structure, then the lowest of said speeds shall be the maximum speed limit on said bridge or elevated structure, subject to the following:

The state highway commission upon request from any local authority shall, or upon its own initiative may, conduct an investigation of any bridge or other elevated structure constituting a part of a highway, and if it shall thereupon find that such structure cannot with safety to itself withstand vehicles traveling at the speed otherwise permissible under this chapter, the commission shall determine and declare the maximum speed of vehicles which such structure can withstand, and shall cause or permit suitable signs stating such maximum speed to be erected and maintained at a distance of two hundred feet before each end of such structure.

No person shall drive a vehicle over any bridge or other elevated structure constituting a part of a highway at a speed which is greater than the maximum speed which can be maintained with safety to such bridge or structure, when such structure is sign-posted as provided in this section.

Upon the trial of any person charged with driving a vehicle at a speed which is greater than the maximum speed which can be maintained with safety to such bridge or structure, proof of such determination of the maximum speed by said commission and the existence of said signs shall constitute conclusive evidence of the maximum speed which can be maintained with safety to such bridge or structure. [C39,§5023.11; C46, 50, 54, 58, 62, 66, §321.295]

**321.296 Emergency vehicles—speed.** The speed limitations set forth in this chapter shall not apply to authorized emergency vehicles when responding to emergency calls and the drivers thereof sound audible signal by bell, siren, or exhaust whistle. This provision shall not relieve the driver of an authorized emergency vehicle from the duty to drive with due regard for the safety of all persons using the streets, nor shall it protect the driver of any such vehicle from the consequence of his negligence. [C39,§5023.12; C46, 50, 54, 58, 62, 66, §321.296]

**DRIVING ON RIGHT SIDE OF ROADWAY—

[R60, §908; C73,§1000; C97,§1569; S13,§1569; C24, 27, 31, 35,§5020; C39,§5024.02; C46, 50, 54, 58, 62, 66, §321.298]

**321.299 Overtaking a vehicle.** The following rules shall govern the overtaking and passing of vehicles proceeding in the same direction, subject to those limitations, exceptions, and special rules hereinafter stated:

The driver of a vehicle overtaking another vehicle proceeding in the same direction shall pass to the left thereof at a safe distance and shall not again drive to the right side of the roadway until safely clear of the overtaken vehicle.

Except when overtaking and passing on the right is permitted, the driver of an overtaken vehicle shall give way to the right in favor of the overtaking vehicle on audible signal and shall not increase the speed of his vehicle until completely passed by the overtaking vehicle. [S13,§§1569, 1571-m18; C24, 27, 31, 35, §§5021, 5022; C39,§5024.03; C46, 50, 54, 58, 62, 66,§321.299]

Passing on right, §321.302

**321.300 Failure to recognize signal.** Any driver of a vehicle that is overtaken by a faster moving vehicle who fails to heed the signal of the overtaking vehicle when it is given under such circumstances that he could, by the exercise of ordinary care and observation and precaution, hear such signal and who fails to yield that part of the traveled way as herein provided, shall be guilty of a misdemeanor punishable as provided in section 321.482. [C24, 27, 31, 35,§5023; C39,§5024.04; C46, 50, 54, 58, 62, 66,§321.300]

Referred to in §321.301

**321.301 Burden of proof.** Upon proof that a signal was given as contemplated by section 321.300, the burden shall rest upon the accused to prove that he did not hear said signal. [C24, 27, 31, 35,§5024; C39,§5024.05; C46, 50, 54, 58, 62, 66,§321.301]

**321.302 Overtaking on the right.** The driver of a vehicle may overtake and pass upon the right of another vehicle which is making or about to make a left turn.

The driver of a vehicle may overtake and, allowing sufficient clearance, pass another vehicle proceeding in the same direction either upon the left or upon the right on a roadway

with unobstructed pavement of sufficient width for four or more lines of moving traffic when such movement can be made in safety. No person shall drive off the pavement or upon the shoulder of the roadway in overtaking or passing on the right. [C39,§5024.06; C46, 50, 54, 58, 62, 66,§321.302]

**321.303 Limitations on overtaking on the left.** No vehicle shall be driven to the left side of the center of the roadway in overtaking and passing another vehicle proceeding in the same direction unless such left side is clearly visible and is free of oncoming traffic for a sufficient distance ahead to permit such overtaking and passing to be completely made without interfering with the safe operation of any vehicle approaching from the opposite direction or any vehicle overtaken. In every event the overtaking vehicle must return to the right-hand side of the roadway before coming within one hundred feet of any vehicle approaching from the opposite direction. [C39, §5024.07; C46, 50, 54, 58, 62, 66,§321.303]

**321.304 Prohibited passing.** No vehicle shall, in overtaking and passing another vehicle or at any other time, be driven to the left side of the roadway under the following conditions:

1. When approaching the crest of a grade or upon a curve in the highway where the driver's view along the highway is obstructed for a distance of approximately seven hundred feet.

2. When approaching within one hundred feet of any narrow bridge, viaduct, or tunnel, when so signposted, or when approaching within one hundred feet of or traversing any intersection or railroad grade crossing.

3. Where official signs are in place directing that traffic keep to the right or a distinctive center line or off-center line is marked, which distinctive line also so directs traffic as declared in the sign manual adopted by the state highway commission. [C35,§5024-e1; C39, §5024.08; C46, 50, 54, 58, 62, 66,§321.304]

A vehicle passing around a rotary traffic island shall be driven only to the right of such island. [C39,§5024.09; C46, 50, 54, 58, 62, 66, §321.305]

**321.306 Roadways laned for traffic.** Whenever any roadway has been divided into three or more clearly marked lanes for traffic the following rules in addition to all others consistent herewith shall apply:

A vehicle shall be driven as nearly as practical entirely within a single lane and shall not be moved from such lane until the driver has first ascertained that such movement can be made with safety.

Upon a roadway which is divided into three lanes a vehicle shall not be driven in the cen-

ter lane except when overtaking and passing another vehicle where the roadway is clearly visible and such center lane is clear of traffic within a safe distance, or in preparation for a left turn or where such center lane is at the time allocated exclusively to traffic moving in the direction the vehicle is proceeding and is signposted to give notice of such allocation.

Official signs may be erected directing slow-moving traffic to use a designated lane or allocating specified lanes to traffic moving in the same direction and drivers of vehicles shall obey the directions of every such sign.

Vehicles moving in a lane designated for slow-moving traffic shall yield the right of way to vehicles moving in the same direction in a lane not so designated when such lanes merge to form a single lane.

A portion of a highway provided with a lane for slow-moving vehicles does not become a roadway marked for three lanes of traffic. [C39,§5024.10; C46, 50, 54, 58, 62, 66,§321.306; 63GA, ch 1149,§2]

**321.307 Following too closely.** The driver of a motor vehicle shall not follow another vehicle more closely than is reasonable and prudent, having due regard for the speed of such vehicles and the traffic upon and the condition of the highway. [C39,§5024.11; C46, 50, 54, 58, 62, 66,§321.307]

**321.308 Motor trucks and towed vehicles—distance requirements.** The driver of any motor truck, or of a motor vehicle drawing another vehicle, when traveling upon a roadway, outside of a business or residence district shall not follow within three hundred feet of another motor truck, or of a motor vehicle drawing another vehicle. The provisions of this section shall not be construed to prevent overtaking and passing nor shall the same apply upon any lane specially designated for use by motor trucks. [C31, 35,§5067-d9; C39, §5024.12; C46, 50, 54, 58, 62, 66,§321.308]

See §321.309 for convoys or caravans

**321.309 Towing — convoys — drawbars.** No person shall pull or tow by motor vehicle, for hire, another motor vehicle over any highway outside the limits of any incorporated city or town, except in case of temporary movement of a disabled motor vehicle to the place where repairs will be made, unless such person has complied with the provisions of sections 321.57 and 321.58. Provided, however, if such person is a nonresident of the state of Iowa and has complied with the laws of the state of his residence governing licensing and registration as a transporter of motor vehicles he shall not be required to pay the fee provided in section 321.58 but only to submit proof of his status as a bona fide manufacturer or transporter as may reasonably be required by the department.

Every person pulling or towing by motor vehicle another motor vehicle in convoy or caravan shall maintain a distance of at least

five hundred feet between the units of said convoy or caravan.

The drawbar or towing arm between a motor vehicle pulling or towing another motor vehicle shall be of a type approved by the commissioner, except in case of the temporary movement of a disabled vehicle in an emergency situation. [C31, 35, §5067-d9; C39, §5024.13; C46, 50, 54, 58, 62, 66, §321.309]

He shall register every such vehicle for a permissible gross weight not exceeding the limitations set forth in this chapter. Every such vehicle shall meet the following requirements:

1. It shall be equipped with brakes as required in sections 321.430 and 321.431.

2. Every motor vehicle to be operated outside of business and residence districts shall have motive power adequate to propel at a reasonable speed such vehicle and any load thereon or to be drawn thereby. [C39, §5035.13; C46, 50, 54, 58, 62, 66, §321.464]

Whenever an officer upon weighing a vehicle and load, as above provided, determines that the weight is unlawful, such officer may require the driver to stop the vehicle in a suitable place and remain standing until such portion of the load is removed as may be necessary to reduce the gross weight of such

vehicle to such limit as permitted under this chapter. All material so unloaded shall be cared for by the owner or operator of such vehicle at the risk of such owner or operator.

Any driver of a vehicle who fails or refuses to stop and submit the vehicle and load to a weighing, or who fails or refuses when directed by an officer upon a weighing of the vehicle to stop the vehicle and otherwise comply with the provisions of this section, shall be guilty of a misdemeanor and punished as provided in section 321.482.

**321.466 Increased loading capacity—reregistration.** An increased gross weight registration may be obtained for any vehicle by payment of the difference between the annual fee for the higher gross weight and the amount of the fee for the gross weight at which it is registered.

With respect to a vehicle held by a dealer for sale or trade, an increased gross weight registration may be obtained for any such vehicle on or after April 10 of each year upon change of ownership by payment of one-twelfth of the difference between the annual fee for the higher gross weight and the amount of the fee for the gross weight at which it is registered, multiplied by the number of unexpired months of the year.

On or after July 1 of each year, the owner of a motor truck, truck tractor, road tractor, semitrailer or trailer may, if his operation thereof has not resulted in a conviction under this section or an action then pending against him for violation of the same, increase the gross load of any such vehicle to a higher gross weight classification by payment of one-twelfth of the difference between the annual fee for the higher gross weight and the amount of the fee for the gross weight at which it is registered, multiplied by the number of unexpired months of the year.

Upon conversion of a truck to a truck tractor or a truck tractor to a truck, an increased gross weight registration of the proper type may be obtained for any such vehicle by payment, except as provided in section 321.106, of one-twelfth of the difference between the annual fee for the higher gross weight and the amount of the annual fee for the gross weight at which the vehicle is registered multiplied by the number of unexpired months of the year from the date of such conversion.

The registered gross weight of any vehicle or combination of vehicles may also be increased by installing and using a properly registered auxiliary axle or axles, and the combined registered gross weight of such vehicle and auxiliary axle or axles shall de-

termine the total registered gross weight thereof. No auxiliary axle may be used to convert a single axle to a tandem axle unless equipped with a device to equalize the load carried by the single axle and the said auxiliary axle when in tandem and when in motion or when standing, and the load transmitted to the highway by either the single axle or the auxiliary axle shall not exceed that permitted for any single axle, nor shall the load transmitted to the highway when in tandem and when in motion or when standing, exceed that permitted for any tandem axle.

It shall be unlawful for any person to operate a motor truck, trailer, truck tractor, road tractor, semitrailer or combination thereof, or any such vehicle equipped with a transferable auxiliary axle or axles, on the public highways with a gross weight exceeding that for which it is registered by more than five percent of the gross weight for which it is registered, provided, however, that any vehicle or vehicle combination referred to herein, while carrying a load of raw farm products, soil fertilizers, including ground limestone, raw dairy products or livestock, live poultry, eggs, may be operated with a gross weight of twenty-five percent in excess of the gross weight for which it is registered.

For the purposes of this section cracked or ground soy beans, sargo, corn, wheat, rye, oats or other grain shall be deemed to be raw farm products, provided that such products are being directly delivered to a farm, from the place where the whole grain had been delivered from a farm for the purpose of cracking or grinding and immediate delivery to the farm to which such cracked or ground products are being delivered.

Any person who violates the provisions of such ordinance or resolution shall be punished by a fine as provided in the schedule for gross or group of axles weight violations in section 321.463. The violation shall be that weight in excess of the maximum weight established by the ordinance or resolution, and the fine shall

be imposed accordingly. Local authorities may issue special permits, during periods such restrictions are in effect, to permit limited operation of vehicles upon specified routes with loads in excess of any restrictions imposed under this section, but not in excess of load restrictions imposed by any other provision of this chapter, and such authorities shall issue such permits upon a showing that there is a need to move to market farm produce of the type subject to rapid spoilage and loss of value. Any person who violates the provisions of such resolution shall be punished by a fine as provided in the schedule for gross or group of axles weight violations in section 321.463. The violation shall be that weight in excess of the maximum weight established by the resolution, and the fine shall be imposed accordingly. The highway commission may issue special permits, during periods such restrictions are in effect, to permit limited operation of vehicles upon specified routes with loads in excess of any restrictions imposed under this section, but not in excess of load restrictions imposed by any other provision of this chapter. The highway commission shall issue special permits in accordance with the foregoing to trucks moving farm produce, which

Whenever such driver is not the owner of such vehicle, object, or contrivance, but is so operating, driving, or moving the same with the express or implied permission of said owner, then said owner and driver shall be jointly and severally liable for any such damage. Such damage may be recovered in a civil action brought by the authorities in control of such highway or highway structure. [C39, §5035.24; C46, 50, 54, 58, 62, 66, §321.475]

1. The commissioner shall administer and enforce the provisions of this chapter and may make rules and regulations necessary for its administration and shall provide for hearings upon request of persons aggrieved by orders or acts of the commissioner under the provisions of sections 321A.4 to 321A.11, inclusive.

Such hearings shall be held before the commissioner or his duly authorized agent as early as practicable within not to exceed twenty days after receipt of such request in the county wherein the requesting person resides unless the commissioner and such person agree that such hearing may be held in some other county. Upon such hearing the commissioner or his duly authorized agent may administer oaths and may issue subpoenas for the attendance of witnesses and the produc-

tion of relevant books and papers and may require an examination under oath of the person requesting such hearing.

2. Any persons aggrieved by an order or act of the commissioner, under the provisions of this chapter, may, within ten days after notice thereof, file a petition in the district court of the county of his residence for a trial de novo to determine whether such order or act is lawful and reasonable. The filing of such a petition shall not suspend the order or act of the commissioner unless a stay thereof shall be allowed by a judge of said court pending final determination of the matter. The court shall summarily hear the petition and may make any appropriate order or decree. [C50, 54, 58, 62, 66, §321A.2]

#### SECURITY FOLLOWING ACCIDENT

**321A.4 Effect of failure to report accidents.** The commissioner shall suspend the license or any nonresident's operating privilege of any person who willfully fails, refuses, or neglects to make reports of a traffic accident as required by the laws of this state. [C50, 54, 58, 62, 66, §321A.4]

commissioner to satisfy any judgment or judgments for damages resulting from such accident as may be recovered against such operator or owner; provided notice of such suspension shall be sent by the commissioner to such operator and owner not less than ten days prior to the effective date of such suspension and shall state the amount required as security.

2. This section shall not apply under the conditions stated in section 321A.6 or to any of the following:

a. To such operator or owner if such owner had in effect at the time of such accident an automobile liability policy with respect to the motor vehicle involved in such accident;

b. To such operator, if not the owner of such motor vehicle, if there was in effect at the time of such accident an automobile liability policy or bond with respect to his operation of motor vehicles not owned by him;

c. To such operator or owner if the liability of such operator or owner for damages resulting from such accident is, in the judgment of the commissioner, covered by any other form of liability insurance policy or bond; or

d. To such owner if such owner is at the time of such accident qualified as a self-insurer under section 321A.34, or to any such operator operating such motor vehicle for such self-insurer.

3. No such policy or bond shall be effective under this section unless issued by an insurance company or surety company authorized to do business in this state, except that if such motor vehicle was not registered in this state, or was a motor vehicle which was registered elsewhere than in this state at the effective date of the policy or bond, or the most recent renewal thereof, such policy or bond shall not be effective under this section unless the insurance company or surety company if not authorized to do business in this state shall execute a power of attorney authorizing the commissioner to accept service on its behalf of notice or process in any action upon such policy or bond arising out of such accident; provided, however, every such policy or bond is subject, if the accident has resulted in bodily injury or death, to a limit, exclusive of interest and costs, of not less than ten thousand dollars because of bodily injury to or death of one person in any one accident and, subject to said limit for one person, to a limit of not less than twenty thousand dollars because of bodily injury to or death of two or more persons in any one accident, and, if the accident has resulted in injury to or destruction of property, to a limit of not less than five thousand dollars because of injury to or destruction of property of others in any one accident.

Upon receipt of a report of a motor vehicle accident and information that an automobile liability policy or surety bond meeting the requirements of this chapter was in effect at the time of this accident covering liability for damages resulting from such accident, the commissioner shall forward by regular mail to

the insurance carrier or surety carrier which issued such policy or bond a copy of such information concerning insurance or bond coverage, and it shall be presumed that such policy or bond was in effect and provided coverage to both the operator and the owner of the motor vehicle involved in such accident unless the insurance carrier or surety carrier shall notify the commissioner otherwise within fifteen days from the mailing of such information to such carrier; provided, however, that in the event the commissioner shall later ascertain that erroneous information had been given him in respect to the insurance or bond coverage of the operator or owner of a motor vehicle involved in such accident, he shall take such action as he is otherwise authorized to do under this chapter within sixty days after the receipt by him of correct information with respect to such coverage. [C31, 35, §5079-c4; C39, §5021.01; C46, §321.275; C50, 54, 58, 62, 66, §321A.5]

3. To the owner of a motor vehicle if at the time of the accident the vehicle was being operated without his permission, express or implied, or was parked by a person who had been operating such motor vehicle without such permission.

4. If, prior to the date that the commissioner would otherwise suspend license and registration or nonresident's operating privilege under section 321A.5, there shall be filed with the commissioner evidence satisfactory to him that the person who would otherwise have to file security has been released from liability or been finally adjudicated not to be liable or has executed a warrant for confession of judgment, payable when and in such installments as the parties have agreed to, or has executed a duly acknowledged written agreement providing for the payment of an agreed amount in installments, with respect to all claims for injuries or damages resulting from the accident; provided, however, in the event there shall be any default in the payment of any installment

a. Such person deposits and thereafter maintains security as required under section 321A.5 in such amount as the commissioner may then determine; or

2. One year shall have elapsed following the date of such accident and evidence satisfactory to the commissioner has been filed with him that during such period no action for damages arising out of such accident has been instituted; or

3. Evidence satisfactory to the commissioner has been filed with him of a release from liability, or a final adjudication of nonliability, or a warrant for confession of judgment, or a duly acknowledged written agreement, in accordance with subsection 4 of section 321A.6; provided, however, in the event there shall be any default in the payment of any installment under any confession of judgment, then, upon notice of such default, the commissioner shall forthwith suspend the license and registration or nonresident's operating privilege of such person defaulting which shall not be restored unless and until the entire amount provided for in said confession of judgment has been paid; and provided, further, that in the event there shall be any default in the payment of any installment under any duly acknowledged written agreement, then, upon notice of such default, the commissioner shall forthwith suspend the license and registration or nonresident's operating privilege of such person defaulting which shall not be restored unless and until (a) such person deposits and thereafter maintains security as required under sec-

Such certificate shall give the effective date of such motor vehicle liability policy, which date shall be the same as the effective date of the certificate, and shall designate by explicit description or by appropriate reference all motor vehicles covered thereby, unless the policy is issued to a person who is not the owner of a motor vehicle.

2. No motor vehicle shall be or continue to be registered in the name of any person required to file proof of financial responsibility unless such motor vehicle is so designated in such a certificate. [C50, 54, 58, 62, 66, §321A.19]

a. Said insurance carrier shall execute a power of attorney authorizing the commissioner to accept service on its behalf of notice or process in any action arising out of a motor vehicle accident in this state.

b. Said insurance carrier shall agree in writing that such policies shall be deemed to conform with the laws of this state relating to the terms of motor vehicle liability policies issued herein.

2. **321A.21 "Motor vehicle liability policy" defined.**

1. A "motor vehicle liability policy" as said term is used in this chapter shall mean an owner's or an operator's policy of liability insurance, certified as provided in section 321A.19 or section 321A.20 as proof of financial responsibility, and issued, except as otherwise provided in section 321A.20, by an insurance carrier duly authorized to transact business in this state, to or for the benefit of the person named therein as insured.

2. Such owner's policy of liability insurance:

a. Shall designate by explicit description or by appropriate reference all motor vehicles with respect to which coverage is thereby to be granted; and

b. Shall insure the person named therein and any other person, as insured, using any such motor vehicle or motor vehicles with the express or implied permission of such named insured, against loss from the liability imposed by law for damages arising out of the ownership, maintenance, or use of such motor vehicle or motor vehicles within the United States of America or the Dominion of Canada, subject to limits exclusive of interest and costs, with respect to each such motor vehicle, as follows: Ten thousand dollars because of

bodily injury to or death of one person in any one accident and, subject to said limit for one person, twenty thousand dollars because of bodily injury to or death of two or more persons in any one accident, and five thousand dollars because of injury to or destruction of property of others in any one accident.

3. Such operator's policy of liability insurance shall insure the person named as insured therein against loss from the liability imposed upon him by law for damages arising out of the use by him of any motor vehicle not owned by him, within the same territorial limits and subject to the same limits of liability as are set forth above with respect to an owner's policy of liability insurance.

4. Such motor vehicle liability policy shall state the name and address of the named insured, the coverage afforded by the policy, the premium charged therefor, the policy period, and the limits of liability, and shall contain an agreement or be endorsed that insurance is provided thereunder in accordance with the coverage defined in this chapter as respects bodily injury and death or property damage, or both, and is subject to all the provisions of this chapter.

5. Such motor vehicle liability policy need not insure any liability under any workmen's compensation law nor any liability on account of bodily injury to or death of an employee of the insured while engaged in the employment, other than domestic, of the insured, or while engaged in the operation, maintenance, or repair of any such motor vehicle nor any liability for damage to property owned by, rented to, in charge of, or transported by the insured.

6. Every motor vehicle liability policy shall be subject to the following provisions which need not be contained therein:

a. The liability of the insurance carrier with respect to the insurance required by this chapter shall become absolute whenever injury or damage covered by said motor vehicle liability policy occurs; said policy may not be canceled or annulled as to such liability by any agreement between the insurance carrier and the insured after the occurrence of the injury or damage; no statement made by the insured or on his behalf and no violation of said policy shall defeat or void said policy.

b. The satisfaction by the insured of a judgment for such injury or damage shall not be a condition precedent to the right or duty of the insurance carrier to make payment on account of such injury or damage.

c. The insurance carrier shall have the right to settle any claim covered by the policy, and if such settlement is made in good faith, the amount thereof shall be deductible from the limits of liability specified in paragraph b of subsection 2 of this section.

d. The policy, the written application therefor, if any, and any rider or endorsement which does not conflict with the provisions of

the chapter shall constitute the entire contract between the parties.

7. Any policy which grants the coverage required for a motor vehicle liability policy may also grant any lawful coverage in excess of or in addition to the coverage specified for a motor vehicle liability policy and such excess or additional coverage shall not be subject to the provisions of this chapter. With respect to a policy which grants such excess or additional coverage the term "motor vehicle liability policy" shall apply only to that part of the coverage which is required by this section.

8. Any motor vehicle liability policy may provide that the insured shall reimburse the insurance carrier for any payment the insurance carrier would not have been obligated to make under the terms of the policy except for the provisions of this chapter.

9. Any motor vehicle liability policy may provide for the prorating of the insurance thereunder with other valid and collectible insurance.

10. The requirements for a motor vehicle liability policy may be fulfilled by the policies of one or more insurance carriers which policies together meet such requirements.

11. Any binder issued pending the issuance of a motor vehicle liability policy shall be deemed to fulfill the requirements for such a policy. [C50, 54, 58, 62, 66, §321A.21]

Referred to in §§321A.13, 321A.14

**321A.22 Notice of cancellation or termination of certified policy.** When an insurance carrier has certified a motor vehicle liability policy under section 321A.19 or section 321A.20, the insurance so certified shall not be canceled or terminated until at least ten days after a notice of cancellation or termination of the insurance so certified shall be filed in the office of the commissioner, except that such a policy subsequently procured and certified shall, on the effective date of its certification, terminate the insurance previously certified with respect to any motor vehicle designated in both certificates. [C50, 54, 58, 62, 66, §321A.22]

**321A.23 Chapter not to affect other policies.**

1. This chapter shall not be held to apply to or affect policies of automobile insurance against liability which may now or hereafter be required by any other law of this state, and such policies, if they contain an agreement or are endorsed to conform with the requirements of this chapter, may be certified as proof of financial responsibility under this chapter.

2. This chapter shall not be held to apply to or affect policies insuring solely the insured named in the policy against liability resulting from the maintenance or use by persons in the insureds employ or on his behalf of motor vehicles not owned by the insured. [C50, 54, 58, 62, 66, §321A.23]

Referred to in §§321A.13, 321A.14

**321A.24 Bond as proof.**

1. Proof of financial responsibility may be evidenced by the bond of a surety company duly authorized to transact business within this state, or a bond with at least two individual sureties each owning real estate within this state, and together having equities equal in value to at least twice the amount of the bond, which real estate shall be scheduled in the bond approved by a judge or clerk of a court of record, which said bond shall be conditioned for payment of the amounts specified in subsection 10 of section 321A.1. Such bond shall be filed with the commissioner and shall not be cancelable except after ten days' written notice to the commissioner. Such bond shall constitute a lien in favor of the state upon the real estate so scheduled of any surety, which lien shall exist in favor of any holder of a final judgment against the person who has filed such bond, for damages, including damages for care and loss of services, because of bodily injury to or death of any person, or for damage because of injury to or destruction of property, including the loss of use thereof, resulting from the ownership, maintenance, use, or operation of a motor vehicle after such bond was filed, upon the filing of notice to that effect by the commissioner in the office of the proper clerk of court of the county where such real estate shall be located. Any individual surety so scheduling real estate security shall furnish satisfactory evidence of title thereto and the nature and extent of all encumbrances thereon and the value of the surety's interest therein, in such manner as the judge or clerk of the court of record approving the bond may require. The notice filed by the commissioner shall, in addition to any other matters by him deemed to be pertinent, contain a legal description of the real estate so scheduled, the name of the holder of the record title, the amount for which it stands as security, and the name of the person in whose behalf proof is so being made. Upon the filing of such notice the clerk of the court of such county shall retain the same as part of the records of such court and enter upon the encumbrance book the date and hour of filing, the name of the surety, the name of the record titleholder, the description of the real estate, and the further notation that a lien is charged on such real estate pursuant to the notice filed hereunder. From and after the entry of the foregoing upon the encumbrance book all persons whomsoever shall be charged with notice thereof.

2. If such a judgment, rendered against the principal on such bond shall not be satisfied within sixty days after it has become final, the judgment creditor may, for his own use and benefit and at his sole expense, bring an action or actions in the name of the state against the company or persons executing such bond, including an action or proceeding to foreclose any lien that may exist upon the real estate of a person who has executed such bond. An action to foreclose any lien upon

real estate scheduled by any surety under the provisions of this chapter shall be by equitable proceeding in the same manner as is provided for the foreclosure of real estate mortgages. [C50, 54, 58, 62, 66, §321A.24]

Referred to in §§321A.13, 321A.14, 321A.18

**321A.25 Money or securities as proof.**

1. The state treasurer shall not accept any such deposit and issue a certificate therefor and the commissioner shall not accept such certificate unless accompanied by evidence that there are no unsatisfied judgments of any character against the depositor in the county where the depositor resides.

2. Such deposit shall be held by the state treasurer to satisfy, in accordance with the provisions of this chapter, any execution on a judgment issued against such person making the deposit, for damages, including damages for care and loss of services, because of bodily injury to or death of any person, or for damages because of injury to or destruction of property, including the loss of use thereof, resulting from the ownership, maintenance, use, or operation of a motor vehicle after such deposit was made. Money or securities so deposited shall not be subject to attachment or execution unless such attachment or execution shall arise out of a suit for damages as aforesaid. [C50, 54, 58, 62, 66, §321A.25; 63GA, ch 273, §1807]

Referred to in §§321A.13, 321A.14, 321A.18

**321A.26 Owner may give proof for others.**

Whenever any person required to give proof of financial responsibility hereunder is or later becomes an operator in the employ of any owner, or is or later becomes a member of the immediate family or household of the owner, the commissioner shall accept proof given by such owner in lieu of proof by such other person to permit such other person to operate a motor vehicle for which the owner has given proof as herein provided or has qualified as a self-insurer under section 321A.34. The commissioner shall designate the restrictions imposed by this section on the face of such person's license. [C50, 54, 58, 62, 66, §321A.26]

Referred to in §§321A.13, 321A.14, 321A.33

**321A.27 Substitution of proof.** The commissioner shall consent to the cancellation of any bond or certificate of insurance or the commissioner shall direct and the state treasurer shall return any money or securities to the person entitled thereto upon the substitution and acceptance of other adequate proof of financial responsibility pursuant to this chapter. [C50, 54, 58, 62, 66, §321A.27]

Referred to in §§321A.13, 321A.14

**321A.28 Other proof may be required.** Whenever any proof of financial responsibility filed under the provisions of this chapter no longer fulfills the purposes for which required, the commissioner shall for the purpose of this chapter, require other proof as required by this chapter and shall suspend the license and registration or the nonresident's operating privilege pending the filing of such other proof. [C50, 54, 58, 62, 66, §321A.28]

Referred to in §§321A.13, 321A.14

**321A.29 Duration of proof — when proof may be canceled or returned.**

1. The commissioner shall upon request consent to the immediate cancellation of any bond or certificate of insurance, or the commissioner shall direct and the state treasurer shall return to the person entitled thereto any money or securities deposited pursuant to this chapter as proof of financial responsibility, or the commissioner shall waive the requirement of filing proof, in any of the following events:

a. At any time after three years from the date such proof was required when, during the three-year period preceding the request, the commissioner has not received record of a conviction or a forfeiture of bail which would require or permit the suspension or revocation of the license, registration, or nonresident's operating privilege of the person by or for whom such proof was furnished; or

b. In the event of the death of the person on whose behalf such proof was filed or the permanent incapacity of such person to operate a motor vehicle; or

c. In the event the person who has given proof surrenders his license and registration to the commissioner;

2. Provided, however, that the commissioner shall not consent to the cancellation of any bond or the return of any money or securities in the event any action for damages upon a liability covered by such proof is then pending or any judgment upon any such liability is then unsatisfied, or in the event the person who has filed such bond or deposited such money or securities has within one year immediately preceding such request been involved as an operator or owner in any motor vehicle accident resulting in injury or damage to the person or property of others. An affidavit of the applicant as to the nonexistence of such facts, or that he has been released from all of his liability, or has been finally adjudicated not to be liable, for such injury or damage, shall be sufficient evidence thereof in the absence of evidence to the contrary in the records of the commissioner.

3. Whenever any person whose proof has been canceled or returned under paragraph c of subsection 1 of this section applies for a license or registration within a period of three years from the date proof was originally required, any such application shall be refused unless the applicant shall re-establish such

proof for the remainder of such three-year period. [C50, 54, 58, 62, 66, §321A.29]

**321A.30 Transfer of registration to defeat purpose of chapter prohibited.** This chapter shall not prevent the owner of a motor vehicle, the registration of which has been suspended hereunder, from effecting a bona fide sale of such motor vehicle to another person whose rights or privileges are not suspended under this chapter nor prevent the registration of such motor vehicle by such transferee. This chapter shall not in any wise affect the rights of any secured party or lessor of a motor vehicle registered in the name of another as owner who becomes subject to the provisions of this chapter. [C50, 54, 58, 62, 66, §321A.30]

**321A.31 Surrender of license and registration.** Any person whose license or registration shall have been suspended as herein provided, or whose policy of insurance or bond, when required under this chapter, shall have been canceled or terminated, or who shall neglect to furnish other proof upon request of the commissioner shall immediately return his license and registration to the commissioner. 3. Upon not less than five days' notice and a hearing pursuant to such notice, the commissioner may upon reasonable grounds cancel a certificate of self-insurance. **321B.1 Declaration of policy.** The general assembly hereby determines and declares that the provisions of this chapter are necessary in order to control alcoholic beverages and aid the enforcement of laws prohibiting operation of a motor vehicle while under the influence of an alcoholic beverage. [C66,§321B.1; 63GA, ch 205,§5]

**321B.2 Definitions.** As used in this chapter the words "peace officer" mean:

1. Members of the highway patrol.
2. Police officers under civil service as provided in chapter 365.
3. Sheriffs.
4. Regular deputy sheriffs who have had formal police training.
5. Any other law enforcement officer who has satisfactorily completed an approved course relating to motor vehicle operators under the influence of alcoholic beverages at the Iowa law enforcement academy or a law enforcement training program approved by the department of public safety. [C66,§321B.2; 63GA, ch 1155,§1]

**321B.3 Implied consent to test.** Any person who operates a motor vehicle in this state upon a public highway, under such circumstances as to give reasonable grounds to believe the person to have been operating a motor vehicle while under the influence of an alcoholic beverage, shall be deemed to have given consent to the withdrawal from his body of specimens of his blood, breath, saliva, or urine, and to a chemical test or tests thereof, for the purpose of determining the alcoholic content of his blood, subject to the provisions hereinafter set out. The withdrawal of such body substances, and the test or tests thereof, shall be administered at the written request of a peace officer having reasonable grounds to believe the person to have been operating a motor vehicle upon a public highway of this state while under the influence of an alcoholic beverage, and only after the peace officer has placed such person under arrest for the offense of operating a motor vehicle while under the influence of an alcoholic beverage. If such person requests that a specimen of his blood not be withdrawn, then a specimen of his

breath, saliva, or urine shall be withdrawn at the written request of such peace officer; provided, however, that if such person refuses to submit to any chemical testing, no test shall be given, and the provisions of section 321B.7 shall apply. Subject to the right of a person to refuse a blood test or to refuse to submit to any chemical testing, such peace officer may determine which of said substances shall be tested; and if he requires a breath test, he may also require a test of one other of said substances. However, if such peace officer fails to provide such test within two hours after such arrest, no test shall be required, and there shall be no revocation under the provisions of section 321B.7. [C66,§321B.3; 63GA, ch 205, §§6(1-3), 13]

Referred to in §321B.5

**321B.4 Taking sample for test.** Only a licensed physician, or a medical technologist or registered nurse designated by a licensed physician as his representative, acting at the written request of a peace officer may withdraw such body substances for the purpose of determining the alcoholic content of the person's blood. However, any peace officer, using devices and methods approved by the commissioner of public safety, may take a specimen of a person's breath or urine for the purpose of determining the alcoholic content of the person's blood. Only new, originally factory wrapped, disposable syringes and needles, kept under strictly sanitary and sterile conditions shall be used for drawing blood. Such person may have an independent chemical test or tests administered in addition to any administered at the direction of a peace officer. The failure or inability of the person to obtain an independent chemical test or tests shall not preclude the admission in evidence of the results of the test or tests taken at the direction of the peace officer. Upon the request of the person who is tested, the results of the test or tests taken at the direction of the peace officer shall be made available to him. [C66,§321B.4; 63GA, ch 205,§14]

**321B.5 Dead or unconscious persons.** Any person who is dead, unconscious or who is otherwise in a condition rendering him incapable of consent or refusal shall be deemed not

to have withdrawn the consent provided by section 321B.3, and the test may be given; provided that a licensed physician shall certify in advance of such test that such person is dead, unconscious or otherwise in a condition rendering him incapable of consent or refusal. In such case such condition shall obviate the requirements of arrest and advice pursuant to section 321B.6. [C66,§321B.5]

Referred to in §321B.6

**321B.6 Statement of officer.** A peace officer shall advise any person who is requested to take any chemical test that a refusal to submit to such test will result in revocation of the person's license or privilege to operate a motor vehicle; provided, however, that this requirement shall not apply in the case of any person referred to in section 321B.5. [C66,§321B.6]

Referred to in §321B.5

**321B.7 Refusal to submit.** If a person under arrest refuses to submit to the chemical testing, no test shall be given, but the commissioner of public safety, upon the receipt of a sworn report of the peace officer that he had reasonable grounds to believe the arrested person to have been operating a motor vehicle upon a public highway of this state while under the influence of an alcoholic beverage, that he had placed such person under arrest for the offense of operating a motor vehicle while under the influence of an alcoholic beverage and that the person had refused to submit to the chemical testing, shall revoke his license or permit to drive and any non-resident operating privilege for a period of not less than one hundred twenty days nor more than one year; or if the person is a resident without a license or permit to operate a motor vehicle in this state, the commissioner shall deny to the person the issuance of a license or permit within one year from the date of the alleged violation, subject to review as hereinafter provided. The effective date of any such revocation shall be twenty days after the commissioner has mailed notice of such revocation to such person by registered or certified mail. [C66,§321B.7; 63GA, ch 205, §7(1, 2)]

Referred to in §§321.191, 321B.3

**321B.8 Hearing.** Upon the written request of a person whose privilege to drive has been revoked or denied, the commissioner of public safety shall grant the person an opportunity to be heard within ten days after the receipt of the request, but the request must be made within thirty days after the effective date of revocation or denial. The hearing shall be before the commissioner or his authorized agent, in the county wherein the alleged events occurred for which the person was arrested, unless the commissioner or his authorized agent and the person agree that the hearing may be held in some other county. The hearing shall be recorded and its scope shall cover the issues of whether a peace officer had reasonable grounds to believe the person to have

been operating a motor vehicle upon a public highway of this state while under the influence of an alcoholic beverage, whether the person was placed under arrest and whether he refused to submit to the test or tests. The commissioner or his authorized agent shall order that the revocation or denial be either rescinded or sustained. [C66,§321B.8; 63GA, ch 205,§8]

**321B.9 Appeal.** If the revocation or denial is sustained the person whose license, permit to drive, or nonresident operating privilege has been revoked or denied, may file a petition within thirty days after the determination by the commissioner of public safety or his authorized agent for a hearing of the matter in the district court in the county wherein the alleged events occurred for which he was arrested or in the county in which the administrative hearing was held. It shall be the duty of the court to set the matter for hearing, and the petitioner shall give twenty days' notice thereof to the commissioner. Within fifteen days after receipt of the notice, the commissioner shall file in the office of the clerk of the district court to which the appeal is taken a certified transcript of the testimony and all other proceedings. It shall constitute the record on which the commissioner made his determination. The court thereafter shall hear the matter de novo and shall affirm or vacate the decision of the commissioner or his authorized agent. The person or the commissioner may appeal to the supreme court in accordance with the Iowa Rules of Civil Procedure. [C66, §321B.9]

**321B.10 Evidence in any action.** Upon the trial of any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person while operating a motor vehicle upon a public highway of this state while under the influence of an alcoholic beverage, evidence of the amount of alcohol in the person's blood at the time of the act alleged as shown by a chemical analysis of his blood, breath, saliva or urine is admissible. [C66,§321B.10; 63GA, ch 205,§9]

**321B.11 Proof of refusal admissible.** If the person under arrest refuses to submit to the test or tests, proof of refusal shall be admissible in any civil or criminal action or proceeding arising out of acts alleged to have been committed while the person was operating a motor vehicle upon a public highway of this state while under the influence of an alcoholic beverage. [C66,§321B.11; 63GA, ch 205,§10]

**321B.12 Other evidence.** The provisions of this chapter shall not be construed as limiting the introduction of any other competent evidence bearing on the question of whether the person was under the influence of an alcoholic beverage. [C66,§321B.12; 63GA, ch 205,§11]

**321B.13 Information relayed to other states.** When it has been finally determined under the procedures of this chapter that a nonresident's

privilege to operate a motor vehicle in this state has been revoked or denied, the department of public safety shall give information in writing of the action taken to the official in charge of traffic control or public safety of the

state of the person's residence and of any state in which he has a license. [C66,§321B.13]

**321B.14 Citation of Act.** This chapter may be cited as the "Uniform Chemical Test for Intoxication Act". [C66,§321B.14]

### INTERSTATE DRIVERS LICENSE COMPACTS

#### 321C.1 Authority to compact.

**321C.1 Authority to compact.** The commissioner of public safety is hereby authorized to enter into drivers license compacts with other jurisdictions legally joining therein in substantially the following form.

The contracting states agree:

#### ARTICLE I—FINDINGS AND DECLARATION OF POLICY

a. The party states find that:

1. The safety of their streets and highways is materially affected by the degree of compliance with state laws and local ordinances relating to the operation of motor vehicles.

2. Violation of such a law or ordinance is evidence that the violator engages in conduct which is likely to endanger the safety of persons and property.

3. The continuance in force of a license to drive is predicated upon compliance with laws and ordinances relating to the operation of motor vehicles, in whichever jurisdiction the vehicle is operated.

b. It is the policy of each of the party states to:

1. Promote compliance with the laws, ordinances, and administrative rules and regulations relating to the operation of motor vehicles by their operators in each of the jurisdictions where such operators drive motor vehicles.

2. Make the reciprocal recognition of licenses to drive and eligibility therefor more just and equitable by considering the over-all compliance with motor vehicle laws, ordinances and administrative rules and regulations as a condition precedent to the continuance or issuance of any license by reason of which the licensee is authorized or permitted to operate a motor vehicle in any of the party states.

#### ARTICLE II—DEFINITIONS

As used in this compact:

a. "State" means a state, territory or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.

b. "Home state" means the state which has issued and has the power to suspend or revoke the use of the license or permit to operate a motor vehicle.

c. "Conviction" means a conviction of any offense related to the use or operation of a

#### 321C.2 Enforcement.

motor vehicle which is prohibited by state law, municipal ordinance or administrative rule or regulation, or a forfeiture of bail, bond or other security deposited to secure appearance by a person charged with having committed any such offense, and which conviction or forfeiture is required to be reported to the licensing authority.

#### ARTICLE III—REPORTS OF CONVICTION

The licensing authority of a party state shall report each conviction of a person from another party state occurring within its jurisdiction to the licensing authority of the home state of the licensee. Such report shall clearly identify the person convicted; describe the violation specifying the section of the statute, code or ordinance violated; identify the court in which action was taken; indicate whether a plea of guilty or not guilty was entered, or the conviction was a result of the forfeiture of bail, bond or other security; and shall include any special findings made in connection therewith.

Referred to in Art. IV

#### ARTICLE IV—EFFECT OF CONVICTION

a. The licensing authority in the home state, for the purposes of suspension, revocation or limitation of the license to operate a motor vehicle, shall give the same effect to the conduct reported, pursuant to Article III of this compact, as it would if such conduct had occurred in the home state, in the case of convictions for:

1. Manslaughter or negligent homicide resulting from the operation of a motor vehicle;

2. Driving a motor vehicle while under the influence of intoxicating liquor or a narcotic drug, or under the influence of any other drug to a degree which renders the driver incapable of safely driving a motor vehicle;

3. Any felony in the commission of which a motor vehicle is used;

4. Failure to stop and render aid in the event of a motor vehicle accident resulting in the death or personal injury of another.

b. As to other convictions, reported pursuant to Article III, the licensing authority in the home state shall give such effect to the conduct as is provided by the laws of the home state.

c. If the laws of a party state do not provide for offenses or violations denominated or de-

scribed in precisely the words employed in subdivision "a" of this article, such party state shall construe the denominations and descriptions appearing in subdivision "a" hereof as being applicable to and identifying those offenses or violations of a substantially similar nature, and the laws of such party state shall contain such provisions as may be necessary to ensure that full force and effect is given to this article.

#### ARTICLE V—APPLICATIONS FOR NEW LICENSES

Upon application for a license to drive, the licensing authority in a party state shall ascertain whether the applicant has ever held, or is the holder of a license to drive issued by any other party state. The licensing authority in the state where application is made shall not issue a license to drive to the applicant if:

1. The applicant has held such a license, but the same has been suspended by reason, in whole or in part, of a violation and if such suspension period has not terminated.

2. The applicant has held such a license, but the same has been revoked by reason, in whole or in part, of a violation and if such revocation has not terminated, except that after the expiration of one year from the date the license was revoked, such person may make application for a new license if permitted by law. The licensing authority may refuse to issue a license to any such applicant if, after investigation, the licensing authority determines that it will not be safe to grant to such person the privilege of driving a motor vehicle on the public highways.

3. The applicant is the holder of a license to drive issued by another party state and currently in force unless the applicant surrenders such license.

#### ARTICLE VI—APPLICABILITY OF OTHER LAWS

Except as expressly required by provisions of this compact, nothing contained herein shall be construed to affect the right of any party state to apply any of its other laws relating to licenses to drive to any person or circumstance, nor to invalidate or prevent any driver

license agreement or other co-operative arrangement between a party state and a non-party state.

#### ARTICLE VII—COMPACT ADMINISTRATOR AND INTERCHANGE OF INFORMATION

a. The head of the licensing authority of each party state shall be the administrator of this compact for his state. The administrators, acting jointly, shall have the power to formulate all necessary and property\* procedures for the exchange of information under this compact.

\*"Proper" probably intended

b. The administrator of each party state shall furnish to the administrator of each other party state any information or documents reasonably necessary to facilitate the administration of this compact.

#### ARTICLE VIII—ENTRY INTO FORCE AND WITHDRAWAL

a. This compact shall enter into force and become effective as to any state when it has enacted the same into law.

b. Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until six months after the executive head of the withdrawing state has given notice of the withdrawal to the executive heads of all other party states. No withdrawal shall affect the validity or applicability by the licensing authorities of states remaining party to the compact of any report of conviction occurring prior to the withdrawal.

#### ARTICLE IX—CONSTRUCTION AND SEVERABILITY

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable. [C66,§321C.1]

**321C.2 Enforcement.** The agencies and officers of this state and its subdivisions and municipalities shall enforce this compact and do all things appropriate to effect its purpose and intent which may be within their respective jurisdictions. [C66,§321C.2]

## CHAPTER 321D

### VEHICLE EQUIPMENT COMPACTS

#### 321D.1 Authority to compact.

**321D.1 Authority to compact.** The commissioner of public safety is hereby authorized to enter into vehicle equipment safety compacts with other jurisdictions legally joining therein in substantially the following form.

The contracting states agree:

#### ARTICLE I—FINDINGS AND PURPOSES

a. The party states find that:

1. Accidents and deaths on their streets and highways present a very serious human and

#### 321D.2 Enforcement.

economic problem with a major deleterious effect on the public welfare.

2. There is a vital need for the development of greater interjurisdictional co-operation to achieve the necessary uniformity in the laws, rules, regulations and codes relating to vehicle equipment, and to accomplish this by such means as will minimize the time between the development of demonstrably and scientifically sound safety features and their incorporation into vehicles.

b. The purposes of this compact are to:

1. Promote uniformity in regulation of and standards for equipment.

2. Secure uniformity of law and administrative practice in vehicular regulation and related safety standards to permit incorporation of desirable equipment changes in vehicles in the interest of greater traffic safety.

3. To provide means for the encouragement and utilization of research which will facilitate the achievement of the foregoing purposes, with due regard for the findings set forth in subdivision "a" of this article.

c. It is the intent of this compact to emphasize performance requirements and not to determine the specific detail of engineering in the manufacture of vehicles or equipment except to the extent necessary for the meeting of such performance requirements.

#### ARTICLE II—DEFINITIONS

As used in this compact:

a. "Vehicle" means every device in, upon or by which any person or property is or may be transported or drawn upon a highway, excepting devices moved by human power or used exclusively upon stationary rails or tracks.

b. "State" means a state, territory or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.

c. "Equipment" means any part of a vehicle or any accessory for use thereon which affects the safety of operation of such vehicle or the safety of the occupants.

#### ARTICLE III—THE COMMISSION

a. There is hereby created an agency of the party states to be known as the "Vehicle Equipment Safety Commission" hereinafter called the commission. The commission shall be composed of one commissioner from each party state who shall be appointed, serve and be subject to removal in accordance with the laws of the state which he represents. If authorized by the laws of his party state, a commissioner may provide for the discharge of his duties and the performance of his functions on the commission, either for the duration of his membership or for any lesser period of time, by an alternate. No such alternate shall be entitled to serve unless notification of his identity and appointment shall have been given to the commission in such form as the commission may require. Each commissioner, and each alternate, when serving in the place and stead of a commissioner, shall be entitled to be reimbursed by the commission for expenses actually incurred in attending commission meetings or while engaged in the business of the commission.

b. The commissioners shall be entitled to one vote each on the commission. No action of the commission shall be binding unless taken at a meeting at which a majority of the total number of votes on the commission are cast in favor thereof. Action of the commis-

sion shall be only at a meeting at which a majority of the commissioners, or their alternates, are present.

c. The commission shall have a seal.

d. The commission shall elect annually, from among its members, a chairman, a vice-chairman and a treasurer. The commission may appoint an executive director and fix his duties and compensation. Such executive director shall serve at the pleasure of the commission, and together with the treasurer shall be bonded in such amount as the commission shall determine. The executive director also shall serve as secretary. If there be no executive director, the commission shall elect a secretary in addition to the other officers provided by this subdivision.

e. Irrespective of the civil service, personnel or other merit system laws of any of the party states, the executive director with the approval of the commission, or the commission if there be no executive director, shall appoint, remove or discharge such personnel as may be necessary for the performance of the commission's functions, and shall fix the duties and compensation of such personnel.

f. The commission may establish and maintain independently or in conjunction with any one or more of the party states, a suitable retirement system for its full-time employees. Employees of the commission shall be eligible for social security coverage in respect of old age and survivor's insurance provided that the commission takes such steps as may be necessary pursuant to the laws of the United States, to participate in such program of insurance as a governmental agency or unit. The commission may establish and maintain or participate in such additional programs of employee benefits as may be appropriate.

g. The commission may borrow, accept or contract for the services of personnel from any party state, the United States, or any subdivision or agency of the aforementioned governments, or from any agency of two or more of the party states or their subdivisions.

h. The commission may accept for any of its purposes and functions under this compact any and all donations, and grants of money, equipment, supplies, materials, and services, conditional or otherwise, from any state, the United States, or any other governmental agency and may receive, utilize and dispose of the same.

*Referred to in Art. VI c*

i. The commission may establish and maintain such facilities as may be necessary for the transacting of its business. The commission may acquire, hold, and convey real and personal property and any interest therein.

j. The commission shall adopt bylaws for the conduct of its business and shall have the power to amend and rescind these bylaws. The commission shall publish its bylaws in convenient form and shall file a copy thereof and a copy of any amendment thereto, with the

appropriate agency or officer in each of the party states. The bylaws shall provide for appropriate notice to the commissioners of all commission meetings and hearings and the business to be transacted at such meetings or hearings. Such notice shall also be given to such agencies or officers of each party state as the laws of such party state may provide.

k. The commission annually shall make to the governor and legislature of each party state a report covering the activities of the commission for the preceding year, and embodying such recommendations as may have been issued by the commission. The commission may make such additional reports as it may deem desirable.

#### ARTICLE IV—RESEARCH AND TESTING

The commission shall have power to:

a. Collect, correlate, analyze and evaluate information resulting or derivable from research and testing activities in equipment and related fields.

b. Recommend and encourage the undertaking of research and testing in any aspect of equipment or related matters when, in its judgment, appropriate or sufficient research or testing has not been undertaken.

c. Contract for such equipment research and testing as one or more governmental agencies may agree to have contracted for by the commission, provided that such governmental agency or agencies shall make available the funds necessary for such research and testing.

d. Recommend to the party states changes in law or policy with emphasis on uniformity of laws and administrative rules, regulations or codes which would promote effective governmental action or co-ordination in the prevention of equipment-related highway accidents or the mitigation of equipment-related highway safety problems.

#### ARTICLE V—VEHICULAR EQUIPMENT

a. In the interest of vehicular and public safety, the commission may study the need for or desirability of the establishment of or changes in performance requirements or restrictions for any item of equipment. As a result of such study, the commission may publish a report relating to any item or items of equipment, and the issuance of such a report shall be a condition precedent to any proceedings or other action provided or authorized by this article. No less than sixty days after the publication of a report containing the results of such study, the commission upon due notice shall hold a hearing or hearings at such place or places as it may determine.

b. Following the hearing or hearings provided for in subdivision "a" of this article, and with due regard for standards recommended by appropriate professional and technical associations and agencies, the commission may issue rules, regulations or codes embodying performance requirements or restrictions for any item or items of equipment covered in the

report, which in the opinion of the commission will be fair and equitable and effectuate the purposes of this compact.

c. Each party state obligates itself to give due consideration to any and all rules, regulations and codes issued by the commission and hereby declares its policy and intent to be the promotion of uniformity in the laws of the several party states relating to equipment.

d. The commission shall send prompt notice of its action in issuing any rule, regulation or code pursuant to this article to the appropriate motor vehicle agency of each party state and such notice shall contain the complete text of the rule, regulation or code.

e. If the constitution of a party state requires, or if its statutes provide, the approval of the legislature by appropriate resolution or act may be made a condition precedent to the taking effect in such party state of any rule, regulation or code. In such event, the commissioner of such party state shall submit any commission rule, regulation or code to the legislature as promptly as may be in lieu of administrative acceptance or rejection thereof by the party state.

f. Except as otherwise specifically provided in or pursuant to subdivisions "e" and "g" of this article, the appropriate motor vehicle agency of a party state shall in accordance with its constitution or procedural laws adopt the rule, regulation or code within six months of the sending of the notice, and, upon such adoption, the rule, regulation or code shall have the force and effect of law therein.

g. The appropriate motor vehicle agency of a party state may decline to adopt a rule, regulation or code issued by the commission pursuant to this article if such agency specifically finds, after public hearing on due notice, that a variation from the commission's rule, regulation or code is necessary to the public safety, and incorporates in such finding the reasons upon which it is based. Any such finding shall be subject to review by such procedure for review of administrative determinations as may be applicable pursuant to the laws of the party state. Upon request, the commission shall be furnished with a copy of the transcript of any hearings held pursuant to this subdivision.

#### ARTICLE VI—FINANCE

a. The commission shall submit to the executive head or designated officer or officers of each party state a budget of its estimated expenditures for such period as may be required by the laws of that party state for presentation to the legislature thereof.

b. Each of the commission's budgets of estimated expenditures shall contain specific recommendations of the amount or amounts to be appropriated by each of the party states. The total amount of appropriations under any such budget shall be apportioned among the party states as follows: One-third in equal shares; and the remainder in proportion to

the number of motor vehicles registered in each party state. In determining the number of such registrations, the commission may employ such source or sources of information as in its judgment present the most equitable and accurate comparisons among the party states. Each of the commission's budgets of estimated expenditures and requests for appropriations shall indicate the source or sources used in obtaining information concerning vehicular registrations.

c. The commission shall not pledge the credit of any party state. The commission may meet any of its obligations in whole or in part with funds available to it under Article III "h" of this compact, provided that the commission takes specific action setting aside such funds prior to incurring any obligation to be met in whole or in part in such manner. Except where the commission makes use of funds available to it under Article III "h" hereof, the commission shall not incur any obligation prior to the allotment of funds by the party states adequate to meet the same.

d. The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established under its rules. However, all receipts and disbursements of funds handled by the commission shall be audited yearly by a qualified public accountant and the report of the audit shall be included in and become part of the annual reports of the commission.

e. The accounts of the commission shall be open at any reasonable time for inspection by duly constituted officers of the party states and by any persons authorized by the commission.

f. Nothing contained herein shall be construed to prevent commission compliance with laws relating to audit or inspection of accounts by or on behalf of any government contributing to the support of the commission.

#### ARTICLE VII—CONFLICT OF INTEREST

a. The commission shall adopt rules and regulations with respect to conflict of interest for the commissioners of the party states, and their alternates, if any, and for the staff of the commission and contractors with the commission to the end that no member or employee or contractor shall have a pecuniary or other incompatible interest in the manufacture, sale or distribution of motor vehicles or vehicular equipment or in any facility or enterprise employed by the commission or on its behalf for testing, conduct of investigations or research.

In addition to any penalty for violation of such rules and regulations as may be applicable under the laws of the violator's jurisdiction of residence, employment or business, any violation of a commission rule or regulation adopted pursuant to this article shall require the immediate discharge of any violating employee and the immediate vacating of membership, or relinquishing of status as a member on the commission by any commissioner or alternate. In the case of a contractor, any violation of any such rule or regulation shall make any contract of the violator with the commission subject to cancellation by the commission.

b. Nothing contained in this article shall be deemed to prevent a contractor for the commission from using any facilities subject to his control in the performance of the contract even though such facilities are not devoted solely to work of or done on behalf of the commission; nor to prevent such a contractor from receiving remuneration or profit from the use of such facilities.

#### ARTICLE VIII—ADVISORY AND TECHNICAL COMMITTEES

The commission may establish such advisory and technical committees as it may deem necessary, membership on which may include private citizens and public officials, and may co-operate with and use the services of any such committees and the organizations which the members represent in furthering any of its activities.

#### ARTICLE IX—ENTRY INTO FORCE AND WITHDRAWAL

a. This compact shall enter into force when enacted into law by any six or more states. Thereafter, this compact shall become effective as to any other state upon its enactment thereof.

b. Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until one year after the executive head of the withdrawing state has given notice in writing of the withdrawal to the executive heads of all other party states. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal. [C66,§321D.1]

**321D.2 Enforcement.** The agencies and officers of this state and its subdivisions and municipalities shall enforce this compact and do all things appropriate to effect its purpose and intent which may be within their respective jurisdictions. [C66,§321D.2]

However, no movement over a section or sections carrying a given shorter permissible maximum shall be greater than that shorter maximum and, in computing the distance which would be traveled on a section or sections having a certain width and traffic volume, distances which would be traveled on sections carrying shorter permissible move distances shall be included. The owner of such snowmobile shall file an application for registration with the appropriate county recorder on forms provided by the commission. The application shall be completed and signed by the owner of the snowmobile and shall be accompanied by a fee of six dollars and a writing fee of fifty cents. Proof of payment of Iowa sales or use tax must accompany all applications for registration. After the first day of January any unregistered snowmobile may be registered for the remainder of the current registration period and for the subsequent registration period in one transaction. The fee shall be three dollars for the remainder of the current period, in addition to the registra-

tion fee of six dollars for the subsequent year beginning May 1, and a writing fee of fifty cents. Registration certificates and numbers may be renewed upon application of the owner in the same manner as provided for in securing the original registration.

If the application for registration for the subsequent year is not made before May 1 of each year, the applicant shall be charged a penalty of one dollar for each six month's delinquency, or any portion thereof.

Whenever any person, after registering a snowmobile, moves from the address shown on the registration certificate, he shall, within ten days, notify the county recorder in writing of such fact.

Registrations may be transferred when a snowmobile is sold by filing an application for such transfer with the county recorder of the county wherein the snowmobile is registered. The county recorder shall collect a transfer fee of one dollar and an additional twenty-five cents as a writing fee.

Duplicate registrations may be issued upon application therefor and the payment of the same fees collected for the transfer of registrations. [63GA, ch 1158,§6]

4. The above items need not be stated in the sequence or order set forth, and additional items may be included to explain the calculations involved in determining the stated time price to be paid by the buyer.

Referred to in §322.19, subsection 2

the schedule of payments in the original contract; provided, however, that if the amount of the credit is less than one dollar no refund need be made.

2. The make or makes of new motor vehicles, if any, which the applicant will offer for sale to retail in this state.

3. The location of each place of business within this state to be used by the applicant for the conduct of his business.

4. If the applicant is a party to any contract or agreement or understanding with any man-

5. 7. A financial statement of the applicant showing his true financial condition as of a date not more than six months prior to the date of such application. Before the issuance of a motor vehicle dealer's license to a dealer engaged in the sale of vehicles for which a certificate of title is required, under the provisions of chapter 321, the applicant for such license shall furnish a surety bond executed by the applicant as principal and executed by a corporate surety company, licensed and qualified to do business within this state, which bond shall run to the state of Iowa, be in the amount of ten thousand dollars and be conditioned upon the faithful compliance by said applicant as a dealer, if the license be issued to it or him, that such dealer will comply with all of the statutes of this state regulating or being applicable to the business of said dealer as a dealer in motor vehicles, and indemnifying any person dealing or transacting business with said dealer in connection with any motor vehicle from any loss or damage occasioned by the failure of such dealer to comply with any of the provisions of chapter 321 and this chapter, including, but not limited to, the furnishing of a proper and valid certificate of title to the motor vehicle involved in any such transaction, and that such bond shall be filed with the department prior to the issuance of license provided by law. The aggregate liability of the surety of all persons, however, shall in no event exceed the amount of said bond.

Applicable to all licenses issued beginning with 1968

8. Such other information touching the business of the applicant as the department may require.

For the purpose of investigating the matters contained in such application the department may withhold the granting of a license for a period not exceeding thirty days. [C39, §5039.04; C46, 50, 54, 58, 62, 66,§322.4; 62GA, ch 286,§1]

**322.5 License fee.** The license fee for a motor vehicle dealer for each calendar year or

part thereof shall be the sum of thirty-five dollars for the licensee's principal place of business in each city, town, or township and an additional five dollars for each used-car lot which is in the city, town, or township wherein said place of business is located and which is not adjacent to such place, to be paid to the department at the time a license is applied for. In case the application is denied, the department shall refund the amount of such fee to the applicant. [C39,§5039.05; C46, 50, 54, 58, 62, 66,§322.5; 63GA, ch 1159,§2]

**322.6 Denial of license.** The department shall deny the application of any person for a license as a motor vehicle dealer and refuse to issue a license to him as such, if, after reasonable notice and a hearing, the department determines that such applicant:

1. Has made a material false statement in his application for the license; or
2. Has not complied with the provisions of this chapter or any rules or regulations promulgated by the department thereunder except as otherwise provided; or
3. Is of bad business repute; or
4. Has been guilty of a fraudulent act in connection with selling, bartering, or otherwise dealing in motor vehicles; or

7. Has a contract or agreement with any manufacturer or distributor of motor vehicles or is about to enter into a contract or agreement with any manufacturer or distributor of motor vehicles, who without just, reasonable, and lawful cause therefor, has terminated within ninety days from the date of application a contract or agreement with a motor vehicle dealer in any county of the state in which the applicant proposes to engage in business;
8. Does not have a place of business within the meaning of this chapter unless applicant is a person referred to in subsection 7 of section 322.3;
9. Has violated any of the provisions of sections 321.77, 321.78, 321.80, 321.81, 321.92, 321.97, 321.98, 321.99, 321.100, 539.4 and 713.24.

It shall be sufficient cause for refusal or revocation of a license as a motor vehicle dealer in the case of a partnership or corporation if any member of the partnership or any officer or director of the corporation has committed any act or omission which would be cause for refusing or revoking a license to such person as an individual.

In considering whether or not a contract or agreement between a motor vehicle dealer and

a manufacturer or distributor of motor vehicles has been terminated by such manufacturer or distributor without just and reasonable cause therefor, the department shall take into consideration the circumstances existing at the time of such termination, including the amount of business transacted by the motor vehicle dealer pursuant to the contract or agreement and prior to such termination; the investment necessarily made and the obligation necessarily incurred by the motor vehicle dealer in the performance of his part of such contract; the permanency of such investment; the reasons for such termination by such manufacturer or distributor and the fact that it is injurious to the public welfare for the business of a motor vehicle dealer to be disrupted by termination of such contract without just and reasonable cause.

Whenever the department determines to deny the application of any person for a license as a motor vehicle dealer and refuses to issue a license to him as such, the department shall enter a final order thereof with its findings relating thereto within thirty days from the date of the hearing thereon. [C39,§5039.06; C46, 50, 54, 58, 62, 66,§322.6]

Referred to in §§321F.9, 322.9

**322.7 License of motor vehicle dealer.**

1. If the department grants the application of any person for a license as a motor vehicle dealer, it shall evidence the granting thereof by a final order and shall issue to the person a license in such form as may be prescribed by the department, which license shall include the following:

- a. The name of the person licensed.
- b. If the applicant is an individual or a partnership—the name or style under which the licensee will engage in such business and if a copartnership, the name and address of each partner.
- c. The principal place of business of the licensee and location therein of each place wherein the licensee is licensed to carry on such business.
- d. The make or makes of new motor vehicles which the licensee is licensed to sell.

3. The license of a motor vehicle dealer shall expire and terminate, unless sooner revoked or suspended, at the end of the calendar year in which it is granted.

4. The motor vehicle dealer license provided for in this chapter shall be renewed annually in the same manner and on payment of the same fee as in the case of the original license. Such renewal shall take effect on the first day of January of each year. [C39,§5039.07; C46, 50, 54, 58, 62, 66,§322.7]

**322.8 Supplemental statements.** Each motor vehicle dealer licensee shall promptly file with the department from time to time during the period of the license, statements supplemental to the statements contained in his application for license whenever any change shall occur in his personnel or in his plan or method of doing business or in the location of his place or places of business, so that the statements made in the application do, after such change, properly disclose the licensee's status and method and plan of doing business. The supplemental statement shall be in the form prescribed by the department and shall disclose such information as would have been required by this chapter if such changes had occurred prior to the licensee making application for a license.

If the department finds that the changes set forth in the supplemental statement do not violate the provisions of this chapter and it grants to the licensee the privilege of doing business in the manner set forth therein, it shall upon surrender to it of the license of the motor vehicle dealer, issue to him a new license appropriate to the dealer's original application as modified by such supplemental statement. [C39,§5039.08; C46, 50, 54, 58, 62, 66, §322.8]

**322.9 Revocation of license.** The department is hereby authorized to revoke or suspend the license of any retail motor vehicle dealer if, after notice and hearing, it finds that such licensee has been guilty of any act which would have been a ground for the denial of a license under section 322.6.

The department is further authorized to revoke or suspend the license of any retail motor vehicle dealer if, after notice and hearing, it finds that such licensee has been convicted or has forfeited bail on three charges of:

1. Failing upon the sale or transfer of a vehicle to deliver to the purchaser or transferee of the vehicle sold or transferred, a manufacturer's or importer's certificate, or a certificate of title duly assigned, as provided in chapter 321.

2. Failing upon the purchasing or otherwise acquiring of a vehicle to obtain a manufacturer's or importer's certificate, or a certificate of title duly assigned as provided in chapter 321.

3. Failing upon the purchasing or otherwise acquiring of a vehicle to obtain a new certificate of title to such vehicle when and where required in chapter 321.

4. Failing to mail or deliver to the treasurer of the county of such licensee's residence two copies of the signed purchase receipt within forty-eight hours after purchase or acquisition of a vehicle registered in this state as provided in section 321.48. [C39,§5039.09; C46,§322.9; C50, 54,§§322.9, 322.16; C58, 62, 66,§322.9]

### **322.10 Appeals.**

1. An appeal may be taken by any person interested from any final order of the depart-

ment to the district court of the county in which he resides or in which his principal place of business is located, within thirty days after he shall have received notice from the department of such order.

2. The appeal shall be taken by a written notice to the department and served as an original notice. When said notice is so served it shall, with the return thereon, be filed in the office of the clerk of said district court, and docketed as other cases, with the appellant as plaintiff and the department as defendant. The plaintiff shall file with such clerk a bond for the use of the defendant, with sureties approved by such clerk and in an amount fixed by him, provided in no case shall the bond be less than fifty dollars, conditioned that the plaintiff shall perform the orders of the court.

3. The court shall hear the appeal in equity, determine anew all questions submitted to it on appeal from the order of the department, and render its decree thereon. An appeal to the supreme court of this state may be taken as in other equitable actions. [C39,§5039.10; C46, 50, 54, 58, 62, 66,§322.10]

**322.11 Injunctions.** Whenever the department shall believe from evidence satisfactory to it that any person has or is now violating any provision of this chapter, the department may, in addition to any other remedy, bring an action in the name and on behalf of the state of Iowa against such person and any other person concerned in or in any way participating in or about to participate in practices or acts in violation of this chapter, to enjoin such person and said other person from continuing the same. In any such action, the department may apply for and on due showing be entitled to have issued the court's subpoena, requiring forthwith the appearance of any defendant, his agent and employees and the production of documents, books, and records as may appear necessary for the hearing of such petition to testify and give evidence concerning the acts or conduct or practices or things complained of in such application for injunction. In said action an order or judgment may be entered, awarding such preliminary or final injunctions as may be proper. [C39,§5039.11; C46, 50, 54, 58, 62, 66,§322.11]

**322.12 Motor vehicle dealers license fee fund.** All fees and funds of whatever character accruing from the administration of this chapter shall be accounted for and paid by the department into the state treasury monthly and shall constitute a separate and distinct fund which shall be known as the "Motor Vehicle Dealers License Fee Fund". All expenses incurred and all compensation paid by the department in the administration of this chapter shall be paid out of said fund in the same manner as other state expenses and compensation are paid. Any amount in such fund in excess of ten thousand dollars at the end of any calendar year on account of fees applicable to

that calendar year shall be credited to the state general fund.

In connection with the enforcement of this chapter, it is hereby made the duty of the attorney general of the state of Iowa to render all necessary assistance to the department upon its request in the enforcement thereof and to that end, the attorney general shall employ such additional legal counsel as shall be necessary to adequately and fully perform such service under the direction of the department as the demands of such department shall require and any expenses so incurred by the attorney general for additional legal counsel as aforesaid shall be chargeable against and paid out of the fund herein provided. 1. The department shall have full authority to prescribe reasonable rules and regulations for the administration and enforcement of this chapter, in addition hereto and not inconsistent herewith. All rules and regulations shall be filed and entered by the department in its office in an indexed, permanent book or record, with the effective date thereof suitably indicated, and such book or record shall be a public document. Whenever a new rule or regulation is adopted by the department, a copy of the same shall be mailed by it to each licensee hereunder.

2. The department shall have power to prescribe the forms to be used in connection with the licensing of persons as herein provided. [C39, §5039.13; C46, 50, 54, 58, 62, 66, §322.13]

business of selling, bartering, and otherwise dealing in motor vehicles at retail in this state. [C39, §5039.15; C46, 50, 54, 58, 62, 66, §322.15]  
Constitutionality, 47GA, ch 185, §17

**322.16** Repealed by 56GA, ch 169, §2, see §322.9.

**322.17 Copy of contract to buyer.** A copy of every retail installment contract shall be furnished to the buyer at the time of the execution of the contract. An acknowledgment by the buyer contained in the body of the retail installment contract of the delivery of a copy thereof shall be conclusive proof of delivery in any action or proceeding by or against any assignee of a retail installment contract. [C58, 62, 66, §322.17]

**322.18 Dual-interest insurance.** If dual-interest insurance on the motor vehicle is purchased by the holder it shall, within thirty days after execution of the retail installment contract, send or cause to be sent to the buyer a policy or policies or certificate of insurance, written by an insurance company authorized to do business in this state, clearly setting forth the amount of the premium, the kind or kinds of insurance and the coverages. The buyer shall have the privilege of purchasing such insurance from an agent or broker of his own selection and of selecting an insurance company acceptable to the holder; but in such case the inclusion of the insurance premium in the retail installment contract shall be optional with the seller. If any insurance is canceled, unearned insurance premium refunds received by the holder shall be credited to the final maturing installments of the contract except to the extent applied toward payment for similar insurance protecting the interests of the buyer and the holder or either of them. [C58, 62, 66, §322.18]

### 322.19 Finance charges.

1. *Amount.* Notwithstanding the provisions of any other existing law, a retail installment transaction may include a finance charge not in excess of the following rates:

Class 1. Any new motor vehicle designated by the manufacturer by a year model not earlier than the year in which the sale is made, an amount equivalent to one and one-fourth percent per month simple interest on the declining balance.

Class 2. Any new motor vehicle not in Class 1 and any used motor vehicle designated by the manufacturer by a year model of the same or not more than two years prior to the year in which the sale is made, an amount equivalent to one and three-fourths percent per month simple interest on the declining balance.

Class 3. Any used motor vehicle not in Class 2 and designated by the manufacturer by a year model not more than four years prior to the year in which the sale is made, an amount equivalent to two and one-fourth per-

cent per month simple interest on the declining balance.

Class 4. Any used motor vehicle not in Class 2 or Class 3 and designated by the manufacturer by a year model more than four years prior to the year in which the sale is made, an amount equivalent to two and one-fourth percent per month simple interest on the declining balance, plus a flat charge of one dollar per month for the number of months from the date of the contract to the maturity date of the last installment thereunder, but in no event in excess of twelve dollars.

2. *Computation of charge.* Such finance charge shall be computed in advance on the principal balance as determined under paragraph "c" of subsection 6 of section 322.3 on contracts payable in successive monthly payments substantially equal in amount extending for a period of one year. On contracts providing for installment payments extending for a period less than or greater than one year, the finance charge shall be computed proportionately. Such finance charge may be computed on the basis of a full month for any fractional month period in excess of ten days. A minimum finance charge of twenty-five dollars may be charged on any contract in which the finance charge computed at the authorized rates results in a total charge of less than this amount.

3. *Unequal or irregular payments.* When a retail installment contract provides for unequal or irregular installment payments, the finance charge may be an amount computed in advance on the basis of the effective rates permitted in subsection 1 hereof, having due regard for the schedule of payments. [C58, 62, 66, §322.19]

**322.20 Extension of time.** If the holder of a retail installment contract, at the request of the buyer, extends the scheduled due date of all or any part of any installment or installments, the holder may restate the amount of the installments and the time schedule therefor, and collect for such extension not more than one percent per month simple interest on the respective declining balances computed on the amount and for the period of such extension or renewal. [C58, 62, 66, §322.20]

**322.21 Purchase of contract.** Any retail installment contract which meets the requirements of subsection 6 of section 322.3 may be purchased or acquired by any sales finance company from a retail seller on such terms and conditions and for such price as may be agreed upon between them. [C58, 62, 66, §322.21]

**322.22 Waivers prohibited.** Any waiver of the provisions of subsection 6 of section 322.3 shall be unenforceable and void. [C58, 62, 66, §322.22]

**322.23 Complaints.** Any retail buyer having reason to believe that the provisions of

this chapter relating to his installment contract have been violated may file with the department a written complaint setting forth the details of such alleged violation and the department, upon the receipt of such complaint, may inspect the pertinent books, records, letters and contracts of the licensee or other person relating to such specific complaint. [C58, 62, 66, §322.23]

**322.24 Hearing.** The commissioner of public safety shall have the power to issue subpoenas to compel the attendance of witnesses and the production of documents, papers, books, records and other evidence before him in any matter over which he has jurisdiction, control or supervision pertaining to this chapter.

If any person shall refuse to obey any such subpoena, or to give testimony, or to produce evidence as required thereby, any judge of the district court of the state of Iowa in and for Polk county may, upon application and proof of such refusal, make an order awarding process of subpoena, or subpoena duces tecum, out of the said court, for the witness to appear before the commissioner and to give testimony, and to produce evidence as required thereby. Upon filing such order in the office of the clerk of said court, the clerk shall issue process of subpoena, as directed, under the seal of said court, requiring the person to whom it is directed to appear at the time and place therein designated. [C58, 62, 66, §322.24]

**322.25 Required equipment.** No person licensed under this chapter shall have for sale, sell, or offer for sale at retail any motor vehicle, trailer, or semitrailer which does not contain those parts or is not at all times equipped with such lamps and brakes and other equipment in proper condition and adjustment as required in chapter 321 or which is equipped in any manner in violation of such chapter; provided, however, that the violation of this section shall not constitute a ground for denial, suspension or revocation of the license of such person. [C58, 62, 66, §322.25]

Constitutionality, 57GA, ch 163, §11

**322.26 Short title.** This chapter may be cited as the "Motor Vehicle Dealers Licensing Act." [C39, §5039.16; C46, §322.16; C50, 54, §322.17; C58, 62, 66, §322.26]

**322.27 Manufacturer's or distributor's license.** No manufacturer of motor vehicles, or factory branch, or distributor, or distributor branch, shall engage in business as such in this state without a license therefor as provided in this chapter. [C66, §322.27]

**322.28 Factory or distributor representative's license.** No factory representative or distributor representative shall engage in business as such in this state without a license therefor as provided in this chapter. [C66, §322.28]

**322.29 Issuance of license—fees.** Application for license shall be made to the department by a manufacturer, distributor, wholesaler, factory branch, distributor branch, factory representative or distributor representative in such form and contain such information as the department shall require and shall be accompanied by the required license fee. Such licenses shall be granted or refused within thirty days after application therefor, and shall expire, unless sooner revoked or suspended, on December 31 of the calendar year for which they are granted.

License fees for each calendar year, or part thereof, shall be as follows effective January 1, 1966:

For motor vehicle manufacturers, distributors or wholesalers, ten dollars; and for each factory branch in this state of a motor vehicle manufacturer, ten dollars.

For a factory representative or distributor branch representative, five dollars.

Every factory representative or distributor representative shall carry his license when engaged in his business, and display the same upon request. The license shall name his employer, and in case of a change of employer, the representative shall immediately mail his license to the department which shall endorse such change on the license without charge [C66,§322.29; 63GA, ch 1159,§1(1-3)]

**322.30 Display.** The licenses of manufacturers, factory branches, distributors and distributor branches shall specify the location of the office or branch and must be conspicuously displayed at such location. In case such location be changed, the department shall endorse the change of location on the license without charge if it be within the same municipality. A change of location to another municipality shall require a new license. [C66,§322.30]

**322.31 Denial of license.** The department may deny the application of any person for a license as a manufacturer, distributor, wholesaler, factory branch, distributor branch, factory representative or distributor representative if after reasonable notice and a hearing the department determines that such applicant has violated any provision of this chapter and may revoke or suspend any such license that has been issued if the department shall determine after reasonable notice and a hearing that such licensee has violated any provision of this chapter. [C66,§322.31]

**322.32 Construction of applicability to contracts.** Nothing in this chapter shall be construed to impair the obligations of a contract or to prevent a licensee hereunder from requiring performance of a written contract entered into with another licensee hereunder, nor shall the requirement of such performance constitute a violation of any of the provisions of this chapter. [C66,§322.32]

**322A.1 Definitions.** When used in this chapter, unless the context otherwise requires:

1. "Person" means a sole proprietor, partnership, corporation, or any other form of business organization.
2. "Franchiser" means a person who manufactures or distributes motor vehicles and who may enter into a franchise as hereinafter defined.
3. "Franchisee" means a person who receives motor vehicles from the franchiser under a franchise and who offers and sells such motor vehicles to the general public.
4. "Franchise" means a contract between two or more persons when all of the following conditions are included:

a. A commercial relationship of definite duration or continuing indefinite duration is involved.

b. The franchisee is granted the right to offer and sell motor vehicles manufactured or distributed by the franchiser.

c. The franchisee, as an independent business, constitutes a component of franchiser's distribution system.

d. The operation of franchisee's business is substantially associated with the franchiser's trade-mark, service mark, trade name, advertising, or other commercial symbol designating the franchiser.

e. The operation of the franchisee's business is substantially reliant on franchiser for the

continued supply of motor vehicles, parts, and accessories.

5. "Motor vehicle" means "motor vehicles" as defined in chapter 321 which are subject to registration pursuant to the provisions thereof.

6. "Community" means the franchisee's area of responsibility as stipulated in the franchise.

7. "Commission" means the Iowa state commerce commission.

8. "Consumer care" means to perform, for the public, necessary maintenance and repairs to motor vehicles. [63GA, ch 1160,§1]

**322A.2 Discontinuing franchise.** Notwithstanding the terms, provisions or conditions of any agreement or franchise, no franchiser shall terminate or refuse to continue any franchise unless the franchiser has first established, in a hearing held under the provisions of this chapter, that:

1. The franchiser has good cause for termination or noncontinuance, and

2. Upon termination or noncontinuance, another franchise in the same line-make will become effective in the same community, without diminution of the motor vehicle service formerly provided, or that the community cannot be reasonably expected to support such a dealership; provided however, a franchiser may terminate a franchise for a particular line-make if the franchiser discontinues that line-make and a franchiser may terminate a franchise if the franchisee's license as a motor vehicle dealer is revoked pursuant to the provisions of chapter 322. [63GA, ch 1160,§2]

**322A.3 New franchise.** In the event that a franchiser is permitted to terminate or not continue a franchise, and is further permitted not to enter into a franchise for the line-make in the community, no franchise shall thereafter be entered into for the sale of motor vehicles of that line-make in the community, unless the franchiser has first established, in a hearing held under the provisions of this chapter, that there has been a change of circumstances so that the community at that time can be reasonably expected to support the dealership. [63GA, ch 1160,§3]

**322A.4 Additional franchise.** No franchiser shall enter into any franchise for the purpose of establishing an additional motor vehicle dealership in any community in which the same line-make is then represented, unless the franchiser has first established in a hearing held under the provisions of this chapter that there is good cause for such additional motor vehicle dealership under such franchise, and that it is in the public interest. [63GA, ch 1160,§4]

**322A.5 Warranties.** Every franchiser and franchisee shall fulfill the terms of any express or implied warranty concerning the sale of a motor vehicle to the public of the line-make which is the subject of a contract or

franchise agreement between the parties. If it is determined by the district court that either the franchiser or franchisee, or both, have violated an express or implied warranty, the court shall add to any award or relief granted an additional award for reasonable attorney fees and other necessary expenses for maintaining the litigation. [63GA, ch 1160, §5]

**322A.6 Application filed with commission.** In the event that a franchiser seeks to terminate or not continue any franchise, or seeks to enter into a franchise establishing an additional motor vehicle dealership of the same line-make, the franchiser shall file an application with the commission for permission to terminate or not continue the franchise, or for permission to enter into a franchise for additional representation of the same line-make in that community. [63GA, ch 1160,§6]

**322A.7 Commission to hold hearing.** Upon receiving an application, the commission shall enter an order fixing a time, which shall be within ninety days of the date of such order, and place of hearing, and shall send by certified or registered mail, with return receipt requested, a copy of the order to the franchisee whose franchise the franchiser seeks to terminate or not continue. If the application requests permission to establish an additional motor vehicle dealership, a copy of the order shall be sent to all franchisees in the community who are then engaged in the business of offering to sell or selling the same line-make. Copies of orders shall be addressed to the franchisee at the place where the business is conducted. The commission may also give notice of franchiser's application to any other parties whom the commission may deem interested persons, such notice to be in the form and substance and given in the manner the commission deems appropriate.

Any person who can show an interest in the application may become a party to the hearing, whether or not he receives notice; provided however, a party not receiving notice shall be limited to participation at the hearing on the question of the public interest in the termination or continuation of the franchise or in the establishment of an additional motor vehicle dealership. [63GA, ch 1160,§7]

**322A.8 Continuation.** If the commission finds it desirable it may upon request continue the date of hearing for a period of ninety days, and may upon application, but not ex parte, continue the date of hearing for an additional period of ninety days. [63GA, ch 1160,§8]

**322A.9 Burden of proof.** Upon hearing, the franchiser shall have the burden of proof to establish that under the provisions of this chapter he should be granted permission to terminate or not continue the franchise, or to enter into a franchise establishing an additional motor vehicle dealership.

Nothing contained in this chapter shall be construed to require or authorize any investigation by the commission of any matter before the commission under this chapter. Upon hearing, the commission shall hear the evidence introduced by the parties and shall make its decision solely upon the record so made. [63GA, ch 1160,§9]

**322A.10 Rules of evidence.** The rules of civil procedure relating to discovery and inspection shall apply to hearings held under the provisions of this chapter, and the commission may issue orders to give effect to such rules.

In the event issues are raised which would involve violations of any state or federal antitrust or price-fixing law, all discovery and inspection proceedings which would be available under such issues in a state or federal court action shall be available to the parties to the hearing, and the commission may issue orders to give effect to such proceedings.

Evidence which would be admissible under the issues in a state or federal court action is admissible in a hearing held by the commission. The commission shall apportion all costs between the parties. [63GA, ch 1160,§10]

**322A.11 Condition barring change in franchise.** Notwithstanding the terms, provisions or conditions of any agreement or franchise, the following shall not constitute good cause for the termination or noncontinuation of a franchise, or for entering into a franchise for the establishment of an additional dealership in a community for the same line-make:

1. The sole fact that franchiser desires further penetration of the market.
2. The change of ownership of the franchisee's dealership or the change of executive management of the franchisee's dealership, unless the franchiser, having the burden of proof, proves that such change of ownership or executive management will be substantially detrimental to the distribution of franchiser's motor vehicles in the community.
3. The fact that the franchisee refused to purchase or accept delivery of any motor vehicle or vehicles, parts, accessories or any other commodity or service not ordered by the franchisee. [63GA, ch 1160,§11]

Referred to in §§322A.12, 322A.15

**322A.12 Sale or transfer of ownership.** Notwithstanding the terms, provisions or conditions of any agreement or franchise, subject to the provisions of subsection 2 of section 322A.11, in the event of the sale or transfer of ownership of the franchisee's dealership by sale or transfer of the business or by stock transfer or in the event of change in the executive management of the franchisee's dealership the franchiser shall give effect to such a change in the franchise unless the transfer of the franchisee's license under chapter 322 is denied or the new owner

is unable to obtain a license under said chapter, as the case may be. [63GA, ch 1160,§12]

**322A.13 Compulsory attendance at hearings.** The commission may issue subpoenas, administer oaths, compel the attendance of witnesses and production of books, papers, documents, and all other evidence. The commission may apply to the district court of the county wherein the hearing is being held for a court order enforcing this section. [63GA, ch 1160,§13]

**322A.14 License to dealer denied.** In the event that a franchiser enters into or attempts to enter into a franchise, whether upon termination or refusal to continue another franchise or upon the establishment of an additional motor vehicle dealership in a community where the same line-make is then represented, without first complying with the provisions of this chapter, no license under chapter 322 shall be issued to that franchisee or proposed franchisee to engage in the business of selling motor vehicles manufactured or distributed by that franchiser. [63GA, ch 1160,§14]

**322A.15 Commission's guidelines.** In determining whether good cause has been established for terminating or not continuing a franchise, the commission shall take into consideration the existing circumstances, including, but not limited to:

1. Amount of business transacted by the franchisee.
2. Investment necessarily made and obligations incurred by the franchisee in the performance of his part of the franchise.
3. Permanency of the investment.
4. Whether it is injurious to the public welfare for the business of the franchisee to be disrupted.
5. Whether the franchisee has adequate motor vehicle service facilities, equipment, parts and qualified service personnel to reasonably provide consumer care for the motor vehicles sold at retail by the franchisee and any other motor vehicles of the same line-make.
6. Whether the franchisee refuses to honor warranties of the franchiser to be performed by the franchisee, provided that the franchiser reimburses the franchisee for such warranty work performed by the franchisee.
7. Except as provided in section 322A.11, failure by the franchisee to substantially comply with those requirements of the franchise which are determined by the commission to be reasonable and material.
8. Except as provided in section 322A.11, bad faith by the franchisee in complying with those terms of the franchise which are determined by the commission to be reasonable and material. [63GA, ch 1160,§15]

**322A.16 Commission's additional guidelines.** In determining whether good cause has been

established for entering into an additional franchise for the same line-make, the commission shall take into consideration the existing circumstances, including, but not limited to:

1. Amount of business transacted by other franchisees of the same line-make in that community.
2. Investment necessarily made and obligations incurred by other franchisees of the same line-make, in that community, in the performance of their part of their franchises.
3. Permanency of the investment.
4. Effect on the retail motor vehicle business as a whole in that community.

5. Whether it is injurious to the public welfare for an additional franchise to be established.

6. Whether the franchisees of the same line-make in that community are providing adequate consumer care for the motor vehicles of the line-make which shall include the adequacy of motor vehicle service facilities, equipment, supply of parts and qualified service personnel. [63GA, ch 1160,§16]

**322A.17 Appeal.** Any party to a hearing before the commission may take an appeal from any final order entered in such hearing in the manner provided for appeals in section 322.10. [63GA, ch 1160,§17]

**324.1 Short title.** This division, plus applicable provisions of division IV of this chapter and any amendments to either shall be known and may be cited as the "Motor Fuel Tax Law", and as so constituted is hereinafter referred to as this division. [C35,§5093-f40; C39,§5093.39; C46, 50, 54,§324.66; C58, 62, 66,§324.1]

Similar provisions, §§324.31, 324.50

**324.2 Definitions.** As employed in this division:

1. "Motor fuel" shall mean (a) all products commonly or commercially known or sold as gasoline (including casinghead and absorption or natural gasoline) regardless of their classifications or uses; and (b) any liquid advertised, offered for sale, sold for use as, or commonly or commercially used as a fuel for propelling motor vehicles, which when subjected to distillation of gasoline, naphtha, kerosene and similar petroleum products (American Society of Testing Materials Designation D-86), show not less than ten per centum distilled (recovered) below three hundred forty-seven degrees Fahrenheit (one hundred seventy-five degrees Centigrade) and not less than ninety-five per centum distilled (recovered) below four hundred sixty-four degrees Fahrenheit (two hundred forty degrees Centigrade); provided, that the term "motor fuel" shall not include special fuel as defined in section 324.33, subsection 1, and shall not include liquefied gases which would not exist as liquids at a temperature of sixty degrees Fahrenheit and a pressure of fourteen and seven-tenths pounds per square inch absolute, nor naphthas and solvents as hereinafter defined unless the liquefied gases or naphthas and solvents are used as a component in the manufacture, compounding, or blending of a liquid within (b) above, in which event the resulting product shall be deemed to be motor fuel.

2. "Distributor" shall mean and include any person who first receives motor fuel within this state (within the meaning of the word "received" as hereinafter defined), and any person now or hereafter engaged in the business of selling motor fuel to a dealer in this state for resale, and shall include any person who sells special fuel as defined in section 324.33, subsection 1 in bulk for highway use provided that a person may bring into this state not to exceed twenty gallons of motor

fuel in the fuel supply tank, or any other container, directly connected to the motor of a motor vehicle without becoming a distributor.

3. "Licensee" shall mean and include any person holding an uncanceled distributor's license issued by the department of revenue under this division or any prior motor fuel tax law.

4. "Dealer", "agent" and "consignee" shall mean and include any person (except distributors as herein defined) now or hereafter engaged in the business of selling motor fuel in this state.

5. "Motor fuel deemed received." a. Motor fuel refined at a refinery in this state and placed in tanks thereat, and motor fuel transferred from a refinery or a marine or pipe-line terminal in this state or from points outside this state to a refinery or a marine or pipe-line terminal in this state and placed in tanks thereat, shall be deemed received, for the purposes of this division, at the time withdrawn from such refinery or terminal storage for sale or use in this state or for transportation to destinations in this state other than refineries or marine or pipe-line terminals and not before.

When withdrawn from refinery or terminal storage as aforesaid, the motor fuel shall be deemed received by the person who was the owner thereof immediately prior to withdrawal, unless (1) the motor fuel is withdrawn for shipment or delivery to a licensee, in which case the motor fuel shall be deemed received by the licensee to whom shipped or delivered or (2) the motor fuel is withdrawn for shipment or delivery to a nonlicensee for the account of a licensee in which case the motor fuel shall be deemed received by the licensee for whose account the shipment or delivery to the nonlicensee is made.

b. Motor fuel imported into this state, other than that placed in storage at refineries or terminals as set out in paragraph (a) above, shall be deemed received at the time unloaded in this state and by the person who is the owner thereof immediately after it is unloaded in this state, except that if motor fuel so imported is used in this state directly from the transportation equipment by which imported then the motor fuel shall be deemed received at the time it is brought into this state and by the person using the motor fuel within this state; provided, however, that if motor fuel shipped or brought into this state by a licensee

is sold and delivered directly to a nonlicensee in this state, then the gallonage so delivered shall be deemed received by the licensee shipping or bringing the motor fuel into this state.

c. Motor fuel produced, compounded, or blended in this state other than at a refinery, marine or pipe-line terminal, shall be deemed to be received at the time and by the person who is the owner thereof when the same is so produced, compounded or blended.

Motor fuel acquired in this state by any person, other than as set out in paragraphs (a), (b), or (c) above, shall, unless the person from whom the same is acquired has paid or incurred liability with respect thereto for the tax herein imposed, or unless the same be exempt under this division, be deemed to be received by the person so acquiring the same at the time so acquired.

Except as hereinbefore set forth, the word "received" shall be given its usual and customary meaning.

Thereafter, except as otherwise provided, the per gallon amount of such tax shall be added to the selling price of each and every gallon of such motor fuel sold in this state and collected from the purchaser to the end that the ultimate consumer shall bear the burden of such tax; provided, however, that no tax shall be imposed or collected under this division with respect to the following:

If the new bond is not filed within ten days after demand therefor, the department of revenue shall forthwith cancel the license of the distributor. The department of revenue shall promptly on receipt of notice of the request notify the distributor who furnished the bond, and unless the distributor shall on or before expiration of the sixty-day period file with the department of revenue a new bond with a surety company satisfactory to the department of revenue in the amount and form hereinbefore in this section provided, the department of revenue shall forthwith cancel the license of said distributor.

**324.8 Tax reports—computation and payment of tax—credits.** For the purpose of determining the amount of his liability for the tax herein imposed, each distributor shall, not later than the last day of the month next following the month in which this division becomes effective and not later than the last day of each calendar month thereafter, file with the department of revenue a monthly report, signed under penalty for false certificate, which shall include the following:

1. A statement of the number of invoiced gallons of motor fuel received (within the meaning of the term "received" as defined in this division) by the distributor within this state during the next preceding calendar month in such detail as is prescribed by the department of revenue and as may be necessary for the proper administration of this division.

2. A statement showing the deductions authorized in this division in such detail and with such supporting evidence as is prescribed by the department of revenue and as may be for proper administration of this division.

3. Such other information as the department of revenue may require for the enforcement of this chapter.

At the time of filing each monthly report, each distributor shall pay to the department of revenue the full amount of the motor fuel tax due from the distributor for the next preceding calendar month computed as follows:

4. From the total number of invoiced gallons of motor fuel "received" by the distributor within the state during the next preceding calendar month shall be made the following deductions:

First, the gallonage of motor fuel received and thereafter sold within the exemptions provided for in section 324.3; and second, the number of gallons of motor fuel equal to three per centum of the first three hundred thousand gallons and one and one-quarter per centum of all gallonage in excess of three hundred thousand gallons of invoiced gallons of motor fuel received by the distributor within this state during the next preceding calendar month, this percentage being a flat allowance to cover evaporation, shrinkage, and losses, other than those provided for in section 324.3, and the distributor's expenses and losses in collection, accounting for, and paying over the motor fuel tax.

5. The number of invoiced gallons remaining after the deductions hereinabove set forth shall be multiplied by the per gallon motor fuel tax rate and resulting figure shall be the amount of motor fuel tax in dollars and cents due from the distributor for the next preceding calendar month. Any outstanding credit memoranda issued by the department of revenue to the distributor may be applied against the amount due. [C31,§5093-c2; C35,§5093-f6; C39, §5093.06; C46, 50, 54,§§324.8, 324.9; C58, 62, 66, §324.9]

If in the normal conduct of a distributor's business his records are maintained and kept at an office outside the state of Iowa, it shall be a sufficient compliance with this section if the records are made available for audit and examination by the department of revenue at the office outside Iowa, but such audit and examination outside Iowa shall be without expense to the state.

Each dealer handling motor fuel in this state shall maintain and keep for a period of two years records of all motor fuel purchased or otherwise acquired by him, together with delivery tickets, invoices, and bills of lading, and such other pertinent records as the department of revenue shall require.

The department of revenue shall furnish to the registrant for each vehicle registered suitable identification which shall be permanently attached to the vehicle and shall be available for inspection at all times. Currently as any vehicle is retired or its use for the transportation of motor fuel for others is discontinued, the registrant shall notify the department of revenue or at the direction of the department of revenue shall either surrender to the department of revenue or destroy the vehicle identification issued under this section. Annually on or before the first day of July of each year, each carrier as aforesaid shall file with the department of revenue a statement showing each registered vehicle then in use for transportation of motor fuel for others.

2. Each vehicle used by a carrier, distributor or any person in the transportation on the highways in this state of fuels for motor vehicles shall be identified by having shown thereon, in lettering at least six inches in height made with a stroke of not less than three-fourths inch in width and of a color contrasting to that of the background upon which the lettering is placed, the name and address of the person transporting the fuel. The identification shall be placed on both sides of the vehicle; provided, that, transportation equipment operated by a licensee shall be identified with his distributor's license number in which case the trade or produce name or insignia generally used in identifying the highway transportation equipment of the licensee and well known and recognized throughout the area in which the transportation equipment is operated, may be shown in lieu of the name and address of the licensee.

3. The department of revenue shall have the power to refuse to register a vehicle owned or used by any person, either directly or indirectly, who has had a license revoked for cause which license was issued under the provisions of this chapter or any prior motor

The manifest covering each load transported upon consummation of the delivery shall be completed showing the date and place of actual delivery and the person to whom actually delivered and shall be kept as a permanent record for a period of three years, provided, however, that the record of the manifest of past cargoes need not be carried on the conveyance but must be preserved by the carrier for the inspection of the department of revenue. A carrier subject to this subsection may with the approval of the department of revenue when distributing for a licensee substitute the loading and delivery evidence required in subsection 2 of this section.

2. Every distributor or other person while transporting motor fuel from a refinery or marine or pipe-line terminal in this state or from a point outside this state via the highways of this state in service other than that covered in subsection 1 of this section shall carry in the vehicle a loading invoice showing the true name and address of the seller or consignor, the date and place of loading and the kind and quantity of motor fuel loaded, together with invoices showing the kind and quantity of each delivery therefrom, and the name and address of each purchaser or consignee. If the vehicle operator fails to produce the covering evidence or if, when produced, it fails to contain the required information and if it appears that there is an attempt to evade payment of the motor fuel tax, then

the officer or other person authorized to make the inquiry may take and impound the motor fuel together with the conveying vehicle until the tax on the motor fuel together with penalty, if an attempt to evade payment of the motor fuel is involved, amounting to one hundred percent of the tax have been paid. In case the tax and penalty found to be due are not paid within forty-eight hours after the taking of the property, the department of revenue may proceed to sell the vehicle and its cargo in the manner provided by law for the sale of personal property by the sheriff under execution. 2. Every person operating storage facilities at a refinery or at a marine or pipe-line terminal in this state shall monthly make an accounting to the department of revenue on forms prescribed by the department of revenue of all motor fuel withdrawn from the refinery storage and all motor fuel delivered into, withdrawn from and on hand in the terminal storage.

3. The reports required in this section shall be for information purposes only and the department of revenue may in its discretion waive the filing of any of these reports not necessary for proper administration of this division. 2. The claim shall have attached thereto the original invoice or invoices showing the purchase of the motor fuel on which a refund is claimed.

3. No invoice shall be acceptable in support of a claim for refund unless it is a separate serially numbered invoice covering no more than one purchase of motor fuel, prepared by the seller on a form approved by the department of revenue with double faced carbon paper under the original; nor unless it is legibly written with no corrections or erasures and shows the date of sale, the name and address of the seller and of the purchaser, the kind of motor fuel, the gallonage in words and figures, the per gallon price of the motor fuel, the per gallon rate of any tax added to the product price, the total purchase price including the Iowa motor fuel tax and that the total purchase price including tax has been paid; provided, that as to refund invoices made on a billing machine the department of revenue may waive any of the requirements of this subsection.

11. In order to verify the validity of a claim for refund the department of revenue shall have the right to require the claimant to furnish such additional proof of validity as the department of revenue may determine and to examine the books and records of the claimant. Failure of a claimant to furnish his books and records for examination shall constitute a waiver of all rights to refund related to the transaction in question.

12. Refund may also be made on special fuel taxes paid on fuel consumed in the operation of corn shellers, roller mills and feed grinders mounted on trucks under the same conditions as provided by law for refunds on motor vehicle fuel.

The rate of tax on special (diesel engine) fuel shall be eight cents per gallon. On all other special fuel the per gallon rate shall be the same as the motor fuel tax. The tax, with respect to all special fuel delivered by a special fuel dealer for use in this state as defined by section 324.33, shall attach at the time of the delivery and shall be collected by the dealer from the special fuel user and shall be paid over to the department of revenue as hereinafter provided. **324.35 Exemptions.** No tax is imposed under this division on special fuel used by the United States or any of its agencies or instrumentalities, but the tax on special fuel used or delivered into fuel supply tanks of motor vehicles by any post exchange or concessionaire on any federal reservation in this state, to the extent permitted by federal law, shall be collected by the post exchange or concessionaire and paid to the department of revenue.

Exemptions under Division I, §324.3  
See §324.31 for refund of federal tax

**324.36 Special fuel dealers and special fuel users licenses.**

1. *Required.* It shall be unlawful for any person to act as a special fuel dealer in this

state unless he holds an uncanceled special fuel dealer's license issued to him by the department of revenue. Except for special fuel which is delivered by a special fuel dealer into a fuel supply tank of any motor vehicle in this state, the use (as herein defined) of special fuel in this state by any person shall be unlawful unless he holds an uncanceled special fuel user's license issued to him by the department of revenue.

2. *Application.* Application for a special fuel dealer's license or a special fuel user's license shall be made to the department of revenue. A special fuel dealer's license or a special fuel user's license, whichever is applicable, shall be required for each separate place of business or location where special fuels are regularly delivered or placed into the fuel supply tank of a motor vehicle. Provided, that, if a special fuel dealer also operates one or more bulk plants from which the distribution of a special fuel is primarily by tank vehicle, he need not obtain a separate license for any of these plants not provided with fixed equipment designed for fueling vehicles.

3. *Form of application.* The application shall be filed upon a form prepared and furnished by the department of revenue and shall contain such information as the department of revenue deems necessary.

4. *Bond.* No special fuel dealer's license or special fuel user's license shall be issued to any person or continued in force unless he has on file with the department of revenue a surety bond in such form and amount as the department of revenue may require, but not less than five hundred dollars, nor more than two hundred thousand dollars, to secure his compliance with this division, and the payment of any and all taxes, interest and penalties due and to become due hereunder. The provisions of subsections 1, 2, 3 and 4 of section 324.7 with respect to distributors bonds, except the amount of bond, shall apply to bonds furnished by licensees under this division. A special fuel dealer or special fuel user who is also a licensed distributor under division I of this chapter may have his obligation under this section and under section 324.7 covered by one bond.

5. *Issuance.* Upon receipt of the application and bond in proper form, the department of revenue shall issue to the applicant a license to act as a special fuel dealer or a special fuel user; provided, however, the department of revenue may refuse to issue a special fuel dealer's license or a special fuel user's license to any person: (a) who formerly held either type of license and which has been revoked for cause; or (b) who is a subterfuge for the real party in interest whose license has been revoked for cause; or (c) upon other sufficient cause being shown. Before refusal, the department of revenue shall grant the applicant a hearing and give him at least fifteen days written notice of the time and place thereof.

6. *Expiration of license.* Each special fuel dealer's license and special fuel user's license shall be valid until suspended or revoked for cause or otherwise canceled.

7. *Assignment forbidden.* No special fuel dealer's license or special fuel user's license shall be transferable. [C24,§3259; C27, 31,§5093-a5; C35,§§5093-f8,-f21; C39,§§5093.08, 5093.21; C46, 50, 54,§§324.11, 324.28, 324.39, 324.40; C58, 62, 66,§324.36; 62GA, ch 287,§18(1-10), ch 288, §10]

**324.37 Special fuel dealers and special fuel users records.** For each location where special fuel is delivered or placed into the fuel supply tank of a motor vehicle, the special fuel dealer or user making the delivery shall prepare and maintain for a period of three years such records as the department of revenue may reasonably require with respect to all these deliveries, and with respect to inventories, receipts, purchases, and sales or other dispositions of special fuel. [C27, 31,§5093-a8; C35,§5093-f14; C39,§5093.14; C46, 50, 54,§§324.25-324.29; C58, 62, 66,§324.37; 62GA, ch 287,§19]

**324.38 Monthly returns and tax payments.**

1. *Returns.* For the purpose of determining the amount of his liability for special fuel tax each special fuel dealer and each special fuel user shall file with the department of revenue not later than the last day of the month next following the month in which this division becomes effective and not later than the last day of each calendar month thereafter a monthly tax return certified under penalties for false certificate. The return shall show, with reference to each location at which special fuel is delivered or placed by the dealer or user into a fuel supply tank of any motor vehicle during the next preceding calendar month, such information as the department of revenue may reasonably require for the proper administration and enforcement of this division; provided, however, that if a special fuel dealer or user is also a wholesale distributor of special fuel at a location where special fuel is delivered into the supply tank of a motor vehicle, the monthly return to the department of revenue covering the location need not include inventory control data covering bulk storage from which wholesale distribution of special fuel is made.

2. *Computation.* The amount of tax due shall be computed by multiplying the appropriate tax rate per gallon by the number of gallons of special fuel delivered or placed by the special fuel dealer or user into supply tanks of motor vehicles.

3. *Payments.* The return shall be accompanied by remittance in the amount of the tax due for the month in which the special fuel was placed in the fuel tanks of motor vehicles.

4. *Reporting exemption for authorized tax-paid purchases.* Any special fuel dealer or user licensed under this division may upon application in writing to the department of revenue

and at the discretion of the director of revenue, be authorized, subject to regulations prescribed by the department of revenue, to purchase on a tax-paid basis from any supplier licensed as a distributor under division I of this chapter all special fuel acquired by the dealer or user for subsequent delivery into the fuel supply tanks of motor vehicles. Every supplier so licensed who sells or delivers special fuel on a tax-paid basis to special fuel users or special fuel dealers authorized as aforesaid shall make a return of these tax-paid sales to the department of revenue accompanied by payment of the special fuel tax on the tax-paid gallonage so sold or delivered. The return and payment shall be made at the same time as the supplier's motor fuel tax return or special fuel tax return for the month in which the covered sales or deliveries were made.

5. *Exemption for fueling by licensed dealers.* No return need be made by any special fuel user, not licensed as a special fuel dealer, whose entire use of special fuels in this state is limited solely to special fuels delivered into the fuel supply tank of the user's motor vehicles by special fuel dealers.

6. *Presumption.* For purposes of this section there shall be a prima-facie presumption that all special fuel received by a special dealer or special fuel user into storage and dispensing equipment designed to fuel motor vehicles is to be delivered by the special fuel dealer or special fuel user into the fuel supply tanks of motor vehicles. DIVISION III  
MOTOR FUEL AND SPECIAL FUEL USE TAX FOR  
INTERSTATE MOTOR VEHICLE OPERATIONS  
Referred to in §§324.57, 324.58

**324.50 Short title.** This division and applicable provisions of division IV of this chapter and any amendments to either shall be known and may be cited as the "Interstate Fuel Use Tax Law," and as so constituted is hereinafter referred to as this division. [C35, §5093-f40; C39, §5093.39; C46, 50, 54, §324.66; C58, 62, 66, §324.50]

Similar provision, §§324.1, 324.31

**324.51 Purpose.** The purpose of this division is to provide an additional method of collecting fuel taxes from interstate motor vehicle operators commensurate with their operations on Iowa highways; and to permit the department of revenue to suspend this collection as to transportation entering Iowa from any other state where it appears that Iowa highway fuel tax revenue and interstate highway transportation moving out of Iowa will not be unduly prejudiced thereby. [C27, 31, §§4755-b38, 5093-a1; C35, §5093-f3; C39, §5093.03; C46, 50, 54, §324.2; C58, 62, 66, §324.51; 62GA, ch 287, §21]

**324.52 Fuels imported in supply tanks of motor vehicles.** No person shall bring into this state in the fuel supply tanks of a commercial motor vehicle, or any other container, regardless of whether or not the supply tanks are connected to the motor of the vehicle, any motor fuel or special fuel to be used in the operation of the vehicle in this state unless he has paid or made arrangements in advance with the department of revenue for payment of Iowa fuel taxes on the gallonage consumed in operating the vehicle in this state; except that this division shall not apply to a private passenger automobile.

Any person who brings into the state in the fuel supply tanks of a commercial motor vehicle more than thirty gallons of motor fuel or special fuel in violation of the provisions of the preceding paragraph is guilty of a misdemeanor and upon conviction shall be fined not more than one hundred dollars or shall be imprisoned in the county jail not more than thirty days. [C35, §5093-f19; C39, §5093.19; C46, 50, 54, §§324.34, 324.37; C58, 62, 66, §324.52; 62GA, ch 287, §22, ch 288, §12 (1-3)]

**324.53 Permit—bond.** The advance arrangements referred to in the preceding section shall include the procuring of a permit and may in the discretion of the department of revenue include the posting of a suitable indemnity bond in a sum to be fixed by the department of revenue to assure the required reporting, tax payments and the keeping of required records.

Persons choosing not to make advance arrangements with the department of revenue by the procuring of a permit are not relieved of their responsibility to purchase motor fuel and special fuel commensurate with their use of the state's highway system. The department may audit persons not holding a permit who are suspected of evading the fuel tax on commercial motor vehicles. Audits shall be conducted pursuant to section 324.55.

Permit may be obtained upon application to the department of revenue. The department of revenue shall charge a fee of one dollar for each permit issued. The holder of a permit under this division shall have the privilege of bringing into this state in the fuel supply tanks of commercial motor vehicles any amount of motor fuel or special fuel to be used in the operation of the vehicles and for that privilege shall pay Iowa motor fuel or special fuel taxes as provided in section 324.54.

Each vehicle operated into or through Iowa in interstate operations using motor fuel or special fuel acquired in any other state shall carry in or on each vehicle a duplicate or evidence of the permit required in this section. A visible sign of a compliance with this section may at the discretion of the director of revenue be attached to the outside of a commercial motor vehicle. A fee not to exceed fifty cents shall be charged by the department of revenue

for each duplicate or other evidence of permit issued by him. [C35, §§5093-f19, -f20; C39, §§5093.19, 5093.20; C46, 50, 54, §§324.34, 324.38; C58, 62, 66, §324.53; 62GA, ch 287, §23(1-4), ch 288, §13(1-4); 63GA, ch 110, §37]

**324.54 Fuel tax computation, reporting and payment.** Fuel tax liability under this division shall be computed on the total number of gallons of each kind of motor fuel and special fuel consumed in the operation in Iowa of commercial motor vehicles subject to this division at the same rate for each kind of fuel as would be applicable thereto if taxed under divisions I or II of this chapter. Credit against the tax liability so computed shall be allowed in the amount of fuel taxes paid under divisions I or II of this chapter on motor fuel and special fuel used in commercial motor vehicles the operation of which is subject to this division. Notwithstanding any provision in this chapter to the contrary, the department of revenue upon application, supported by such proof as the department of revenue may reasonably require, shall issue a memorandum of credit for the amount of fuel tax paid on fuel in excess of the amount of fuel consumed by such vehicles in Iowa which may be applied against subsequent fuel tax liability under this chapter, or, if the applicant is no longer engaged in the operation of vehicles for which his permit was issued, or, has an excess of motor vehicle fuel tax credit with the state, the department of revenue may make proper refund to the permit holder provided that such refund must be in an amount of ten dollars or more.

To determine the amount of fuel taxes due under this division and to prevent the evasion thereof, the department of revenue may require reports on forms prescribed by the department of revenue and fuel tax payments in the same manner and at the same time as required in this chapter for reporting and payment by distributors. These reports and tax payments may be required covering actual operation and fuel consumption in Iowa for vehicles the operation of which is subject to this division or on a basis of their average consumption of fuel in Iowa determined by taking that proportion of the total gallons consumed everywhere in these vehicles that their mileage in Iowa is to their total mileage everywhere. [C27, 31, §5093-b1; C35, §§5093-f18, -f25; C39, §§5093.18, 5093.25; C46, 50, 54, §§324.32, 324.46; C58, 62, 66, §324.54; 62GA, ch 287, §24(1-5), ch 288, §14(1-4)]

Referred to in §§324.53, 324.55

**324.55 Records.** Every person operating within the purview of this division shall make and keep for a period of three years such records as may reasonably be required by the department of revenue for the administration of this division. If in the normal conduct of the business, the required records are maintained and kept at an office outside the state

of Iowa, it shall be a sufficient compliance with this section if the records are made available for audit and examination by the department of revenue at the office outside Iowa, but such audit and examination shall be without expense to the state of Iowa.

When, as a result of such audit and examination, fuel taxes unpaid and due are found owing the state of Iowa in an amount exceeding five hundred dollars such audit and expenses shall be without cost to the state of Iowa. The department of revenue within a period of one year from the issuance of a permit may audit the records of the permittee for the two years preceding the issuance of the permit. The department shall collect all taxes due had the permittee been licensed for the two years prior to the issuance of the permit and shall refund all excess credit that would have been paid pursuant to section 324.54. [C27, 31, §5093-a8; C35, §§5093-f14, -f21; C39, §§5093.14, 5093.21; C46, 50, 54, §§324.27, 324.28, 324.40, 324.41; C58, 62, 66, §324.55; 62GA, ch 287, §25(1, 2), ch 288, §15; 63GA, ch 110, §38]

Referred to in §324.58

**324.56 Not applicable to distributors.** The provisions of this division shall not be required of a distributor licensed under division I of this chapter who elects to report and pay tax on motor fuel as is set out in division I and on special fuel as is set out in division II of this chapter, provided that a distributor so electing shall also report and pay Iowa fuel tax on motor fuel and special fuel purchased in another state which is used to propel a commercial motor vehicle owned or leased by the distributor on the highways of this state. Such distributor shall be allowed to enter this state with thirty gallons or more fuel in the supply tank of a commercial motor vehicle, but shall not be allowed any other provision of this division. [C58, 62, 66, §324.56; 62GA, ch 288, §16]

**324.60 Forms of report, refund claim and records.** The department of revenue shall prescribe and furnish all forms upon which reports and applications shall be made and claims for refund presented under this chapter and may prescribe forms of record to be kept by motor fuel distributors, motor fuel dealers, motor fuel carriers, special fuel dealers, special fuel users, and interstate commercial motor vehicle operators.

Whenever in this chapter the department of revenue is authorized to prescribe the form of record to be kept, the department may in lieu thereof approve the form of record being kept, and shall approve the form of record where it furnishes in reasonably accessible form the information which the department of revenue requires, and substantially complies with the prescribed form. [C35,§§5093-f21,f23; C39,§§5093.21, 5093.23; C46, 50, 54, §324.42, 324.44; C58, 62, 66,§324.59; 62GA, ch 287,§28(1-4), ch 288,§19]

If any person within the purview of this section shall refuse access to pertinent records, books, papers, receipts, invoices, storage tanks or any other equipment, then the said department of revenue shall certify the names and facts to any court of competent jurisdiction, and the said court shall enter such order in the premises as the enforcement of this Act and justice shall require. **324.63 Information confidential.** All information obtained by the department of revenue from the examining of reports or records required to be filed or kept under the provisions of this chapter shall be treated as confidential and shall not be divulged except to a member or members of the general assembly or any duly appointed committee of either or both houses thereof or to a representative of the state having some responsibility in connection with the collection of the taxes imposed or in proceedings brought under the provisions of this chapter; provided, however, that the department of revenue shall make available for public information on or before the last day of the month following the month in which the tax is required to be paid the names of the distributors and as to each of them the total gallons received in the state and separately, the received gallons (1) exported or sold for export, (2) sold tax-free in the state to entities that are exempt from the tax, and (3) sold tax-free in the state to entities required to report and account for the tax thereon. The

department of revenue shall also make available to the public information with respect to special fuel dealers and users and as to each of them the gallonage used and taxes paid. The department of revenue, upon request of officials entrusted with enforcement of the motor vehicle fuel tax laws of the federal government or any other state, may forward to such officials any pertinent information which the department may have relative to motor fuel and special fuel provided the officials of the other state furnish to the department of revenue like information.

Any person violating the provisions of this section, and disclosing the contents of any records or reports required to be kept or made under the provisions of this chapter, except as hereinabove provided, shall upon conviction be fined not less than one hundred dollars nor more than one thousand dollars or be confined in the county jail not less than thirty days nor more than six months. **324.64 Department of revenue may estimate taxable gallonage.** If any person fails to make and file a report required of him or files an incorrect report, the department of revenue shall after investigation determine the gallonage with respect to which the person incurred liability for fuel taxes under this chapter in any month or months and fix the amount of taxes thereon. If the department of revenue should at any time receive complaints or reports from any source that a licensee or other person is suspected of evading fuel taxes imposed by this chapter or has failed to report all the gallonage the reporting of which is required under this chapter, or is suspected of acting as a distributor or special fuel dealer or user without a license or of withholding payment of fuel taxes, the department of revenue, upon five days' notice to the person complained against of the nature of the complaint or report and of the time and place of a hearing thereon, may proceed to hold the hearing and determine the amount of fuel taxes, if any, due from that person. The department of revenue may adjourn the hearing from time to time until the completion thereof. The department may use any information available in determining the amount, if any, of fuel taxes for which the person is liable. Upon determining the amount thereof the department shall add the penalties and interest provided for in section 324.65\* and make an assessment for the amount of the unpaid taxes, penalties and interest, shall furnish a copy thereof to the person against whom the assessment is made and his surety and shall certify the same for collection or other appropriate action by the proper public official. The findings of the department of revenue as to the amount of fuel taxes due from any person shall be presumed to be the correct amount and in any litigation which may follow, the certificate of

the department of revenue shall be admitted in evidence, shall constitute a prima-facie case, shall impose upon the other party the burden of showing any error in the department's finding and the extent thereof or that the finding was contrary to law. Fuel tax liens shall have priority over any lien or encumbrance whatsoever except the lien of other state taxes having priority by law, and except that a fuel

tax lien shall not have priority over any bona fide mortgagee, pledgee, attaching creditor or purchaser whose right shall have attached prior to the time the department of revenue shall have filed the lien certificate in the office of the clerk of the court.

3. The department of revenue may give notice of the amount of fuel taxes and penalty due as ascertained by the department by registered mail to all persons having in their possession or under their control any credits or other personal property belonging to a licensee or other person or to any person owing any debts to the licensee or other person. Thereafter the person notified shall neither transfer nor make any other disposition of credit or other personal property or debts until thirty days shall have elapsed from and after the receipt of the notice unless the department of revenue shall consent to a previous transfer or other disposition. 4. When the property of a licensee is seized upon any mesne or final process of any court of this state or of the United States, or when the business of a licensee shall be suspended by the action of creditors or put into the hands of any assignee, receiver or trustee, or when a petition in voluntary or involuntary bankruptcy has been filed by or against a licensee, then and in all such cases, all fuel taxes collected by the licensee under the provisions of this chapter or due and owing to the state shall be considered and treated as

preferred claims, and the state shall be a preferred creditor and shall be paid in full.

7. It shall be the duty of the department of revenue, upon receipt of notice of the opening of the administration of an estate of any individual who was a licensee, to file a claim as a preferred creditor for all fuel taxes, penalties and interest due the state of Iowa, if any, in the court having jurisdiction over the administration of said estate. **326.1 Policy.** It is the policy of this state to promote and encourage the fullest possible use of its highway system by authorizing the negotiation and execution of motor vehicle reciprocal or proportional registration agreements, arrangements and declarations with other jurisdictions with respect to vehicles registered in this and such other jurisdictions, thus contributing to the economic and social development and growth of this state. [63GA, ch 1163,§2]

**326.2 Definitions.** As used in this chapter, unless the context otherwise requires:

1. "Board" means the Iowa reciprocity board created in section 326.3.
2. "Executive secretary" means the person appointed by the board pursuant to section 326.4.
3. "Commercial vehicle" means any vehicle which is operated in interstate commerce or combined intrastate and interstate commerce and used for the transportation of persons for hire, compensation or profit, or designed or used primarily for the transportation of property.
4. "Jurisdiction" means any county, state, territory, federal district, foreign country, or political subdivision thereof.
5. "Proportional registration" or "proration" means division and distribution of registration fees imposed on commercial vehicles between two or more jurisdictions in accordance with a formula based on miles traveled by such vehicles.
6. "Base state" with respect to commercial vehicles subject to proportional registration means the state from which the vehicle is most frequently dispatched, garaged, serviced, maintained, operated, or otherwise controlled, or also in the case of a fleet vehicle the state to which allocated for registration under statutory requirements.
7. "Fleet" means two or more commercial vehicles at least one of which is a motor vehicle.

8. "Total fleet miles" means the mileage generated by any truck or truck tractor which was part of a prorate fleet during the fiscal year period of September 1 through August 31 preceding the year for which proportional registration is sought. Total fleet mileage to be reported for any truck or truck tractor which was deleted from or added to the prorate fleet during the fiscal year reporting period shall be only those miles generated by such truck or truck tractor while the vehicle was part of the prorated fleet during such fiscal year reporting period. "Total fleet miles" in relation to trailers or semitrailers which are part of a prorate fleet means the mileage generated by the power units of the fleet; provided, however, that if such trailers or semitrailers were towed during the fiscal year reporting period by the power units which collectively were proportionally registered by the same fleet owner during the fiscal year reporting period as part of two or more fleets, "total fleet miles" in relation to such trailers or semitrailers means the total mileage generated by the several power fleets during the fiscal year reporting period even though some of the power units did not actually travel a portion of their total miles in contracting states where the proportional registration of such trailers or semitrailers is sought.

9. "Instate miles" means the mileage generated within this state by commercial vehicles in the fleet subject to proportional registration; except that, with respect to fleet vehicles based in Iowa, "instate miles" shall also include all mileage traveled by such vehicles in states with whom Iowa has a proportional registration agreement but with whom the owner elects not to apportion registration fees and mileage traveled by such vehicles under reciprocity obtained by virtue of Iowa registration.
