2. No person, other than a licensed dealer in new motor vehicles, shall engage in this state in the business of selling at retail used motor vehicles or represent or advertise that he is engaged or intends to engage in such business in this state unless and until the department has licensed such person as a used motor vehicle dealer in the state and has issued to the person a license in writing as in this chapter provided.

In case the application is denied, the department shall refund the amount of such fee to the applicant.

2. A motor vehicle dealer may display new motor vehicles at fairs, vehicle shows and vehicle exhibitions. Referred to in §821 124

**322.6 Denial of license.** The department may deny the application of any person for a license as a motor vehicle dealer and refuse to issue a license to him as such, if, after reasonable notice and a hearing, the department determines that such applicant:

8. Does not have a place of business within the meaning of this chapter unless applicant is a person referred to in subsection 7 of section 322.3;

9. Has violated any of the provisions of sections 321.78, 321.81, 321.92, 321.97, 321.98, 321.99, 321.100, 539.4, 714.1 and 714.16; or

10. If it has been judicially determined that the licensee has intentionally violated any of the provisions of the Iowa consumer credit code, and the licensee continues to make consumer credit sales, consumer

loans or consumer leases in violation of the Iowa consumer credit code.

It shall be sufficient cause for refusal or revocation of a license as a motor vehicle dealer in the case of a partnership or corporation if any member of the partnership or any officer or director of the corporation has committed any act or omission which would be cause for refusing or revoking a license to such person as an individual.

In considering whether or not a contract or agreement between a motor vehicle dealer and a manufacturer or distributor of motor vehicles has been terminated by such manufacturer or distributor without just and reasonable cause therefor, the department shall take into consideration the circumstances existing at the time of such termination, including the amount of business transacted by the motor vehicle dealer pursuant to the contract or agreement and prior to such termination; the investment necessarily made and the obligation necessarily incurred by the motor vehicle dealer in the performance of his part of such contract; the permanency of such investment; the reasons for such termination by such manufacturer or distributor and the fact that it is injurious to the public welfare for the business of a motor vehicle dealer to be disrupted by termination of such contract without just and reasonable cause.

Whenever the department determines to deny the application of any person for a license as a motor vehicle dealer and refuses to issue a license to him as such, the department shall enter a final order thereof with its findings relating thereto within thirty days from the date of the hearing thereon. [C39,§5039.06; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§322.6; 68GA, ch 1094,§40]

The supplemental statement shall be in the form prescribed by the department and shall disclose such information as would have been required by this chapter if such changes had occurred prior to the licensee making application for a license.

If the department finds that the changes set forth in the supplemental statement do not violate the provisions of this chapter and it grants to the licensee the privilege of doing business in the manner set forth therein, it shall upon surrender to it of the license of the motor vehicle dealer, issue to him a new license appropriate to the dealer's original application as modified by such supplemental statement. [C39, §5039.08; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§322.8]

Witnesses shall receive the same compensation provided in section 622.69 and shall be compensated from funds appropriated to the department.

The department is further authorized to revoke or suspend the license of any retail motor vehicle dealer if, after notice and hearing, it finds that such licensee has been convicted or has forfeited bail on three charges of:

In any such action, the department may apply for and on due showing be entitled to have issued the court's subpoena, requiring forthwith the appearance of any defendant, his agent and employees and the production of documents, books, and records as may appear necessary for the hearing of such petition to testify and give evidence concerning the acts or conduct or practices or things complained of in such application for injunction. In said action an order or judgment may be entered, awarding such preliminary or final injunctions as may be proper. [C39,§5039.11; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§322.11]

If a retail installment contract is subject to a provision of the Iowa consumer credit code which is enforced by a criminal penalty, such penalty shall be

considered to be specifically provided for a violation of this chapter.

License fees for each calendar year, or part thereof, shall be as follows effective January 1, 1980:

1. For a motor vehicle manufacturer, thirty-five dollars.

3. For a used motor vehicle distributor or wholesaler, ten dollars.
4. For each factory branch of a motor vehicle manufacturer in this state, ten dollars.

A license shall not be issued to a distributor representative unless the person is employed by a licensed dis-

**322.31 Denial of license.** The department may deny the application of any person for a license as a manufacturer, distributor, wholesaler, factory branch, distributor branch, factory representative or distributor representative if after reasonable notice and a hearing the department determines that such applicant has violated any provision of this chapter

**322.32 Construction of applicability to contracts.** Nothing in this chapter shall be construed to impair the obligations of a contract or to prevent a licensee hereunder from requiring performance of a written contract entered into with another licensee hereunder, nor shall the requirement of such performance constitute a violation of any of the provisions of this chapter. [C66, 71, 73, 75, 77, 79, §322.32]

**322.33 Applicability of the Iowa consumer credit code.**

**322A.1 Definitions.** When used in this chapter, unless the context otherwise requires:

1. "Person" means a sole proprietor, partnership, corporation, or any other form of business organization.
2. "Franchiser" means a person who manufactures or distributes motor vehicles and who may enter into a franchise as hereinafter defined.
3. "Franchisee" means a person who receives motor vehicles from the franchiser under a franchise and who offers and sells such motor vehicles to the general public.

4. "Franchise" means a contract between two or more persons when all of the following conditions are included:

- a. A commercial relationship of definite duration or continuing indefinite duration is involved.
- b. The franchisee is granted the right to offer and sell motor vehicles manufactured or distributed by the franchiser.
- c. The franchisee, as an independent business, constitutes a component of franchiser's distribution system.
- d. The operation of franchisee's business is substantially associated with the franchiser's trade-

mark, service mark, trade name, advertising, or other commercial symbol designating the franchiser.

e. The operation of the franchisee's business is substantially reliant on franchiser for the continued supply of motor vehicles, parts, and accessories.

5. "Motor vehicle" means "motor vehicles" as defined in chapter 321 which are subject to registration pursuant to the provisions thereof.

6. "Community" means the franchisee's area of responsibility as stipulated in the franchise.

7. "Board" means the transportation regulation board of the state department of transportation.

8. "Consumer care" means to perform, for the public, necessary maintenance and repairs to motor vehicles. [C71, 73, 75, 77, 79, §322A.1]

**322A.2 Discontinuing franchise.** Notwithstanding the terms, provisions or conditions of any agreement or franchise, no franchiser shall terminate or refuse to continue any franchise unless the franchiser has first established, in a hearing held under the provisions of this chapter, that:

1. The franchiser has good cause for termination or noncontinuance, and

2. Upon termination or noncontinuance, another franchise in the same line-make will become effective in the same community, without diminution of the motor vehicle service formerly provided, or that the community cannot be reasonably expected to support such a dealership; provided, however, a franchiser may terminate a franchise for a particular line-make if the franchiser discontinues that line-make and a franchiser may terminate a franchise if the franchisee's license as a motor vehicle dealer is revoked pursuant to the provisions of chapter 322. [C71, 73, 75, 77, 79, §322A.2]

**322A.3 New franchise.** In the event that a franchiser is permitted to terminate or not continue a franchise, and is further permitted not to enter into a franchise for the line-make in the community, no franchise shall thereafter be entered into for the sale of motor vehicles of that line-make in the community, unless the franchiser has first established, in a hearing held under the provisions of this chapter, that there has been a change of circumstances so that the community at that time can be reasonably expected to support the dealership. [C71, 73, 75, 77, 79, §322A.3]

**322A.4 Additional franchise.** No franchiser shall enter into any franchise for the purpose of establishing an additional motor vehicle dealership in any community in which the same line-make is then represented, unless the franchiser has first established in a hearing held under the provisions of this chapter that there is good cause for such additional motor vehicle dealership under such franchise, and that it is in the public interest. [C71, 73, 75, 77, 79, §322A.4]

**322A.5 Warranties.** Every franchiser and franchisee shall fulfill the terms of any express or implied warranty concerning the sale of a motor vehicle to the public of the line-make which is the subject of a contract or franchise agreement between the parties. If it is determined by the district court that either the franchiser or franchisee, or both, have violated an express or implied warranty, the court shall add to any

award or relief granted an additional award for reasonable attorney fees and other necessary expenses for maintaining the litigation. [C71, 73, 75, 77, 79, §322A.5]

**322A.6 Application filed with board.** In the event that a franchiser seeks to terminate or not continue any franchise, or seeks to enter into a franchise establishing an additional motor vehicle dealership of the same line-make, the franchiser shall file an application with the board for permission to terminate or not continue the franchise, or for permission to enter into a franchise for additional representation of the same line-make in that community.

An applicant seeking permission to enter into a franchise for additional representation of the same line-make in a community shall deposit with the board at the time the application is filed, an amount of money to be determined by the board to secure the payment of the costs and expenses of the hearing. The applicant shall pay the costs of the hearing. [C71, 73, 75, 77, 79, §322A.6]

**322A.7 Board to hold hearing.** Upon receiving an application, the board shall enter an order fixing a time, which shall be within ninety days of the date of such order, and place of hearing, and shall send by certified or registered mail, with return receipt requested, a copy of the order to the franchisee whose franchise the franchiser seeks to terminate or not continue. If the application requests permission to establish an additional motor vehicle dealership, a copy of the order shall be sent to all franchisees in the community who are then engaged in the business of offering to sell or selling the same line-make. Copies of orders shall be addressed to the franchisee at the place where the business is conducted. The board may also give notice of franchiser's application to any other parties whom the board may deem interested persons, such notice to be in the form and substance and given in the manner the board deems appropriate.

Any person who can show an interest in the application may become a party to the hearing, whether or not he receives notice; provided, however, a party not receiving notice shall be limited to participation at the hearing on the question of the public interest in the termination or continuation of the franchise or in the establishment of an additional motor vehicle dealership. [C71, 73, 75, 77, 79, §322A.7]

**322A.8 Continuation.** If the board finds it desirable it may upon request continue the date of hearing for a period of ninety days, and may upon application, but not ex parte, continue the date of hearing for an additional period of ninety days. [C71, 73, 75, 77, 79, §322A.8]

**322A.9 Burden of proof.** Upon hearing, the franchiser shall have the burden of proof to establish that under the provisions of this chapter he should be granted permission to terminate or not continue the franchise, or to enter into a franchise establishing an additional motor vehicle dealership.

Nothing contained in this chapter shall be construed to require or authorize any investigation by the board of any matter before the board under this

chapter. Upon hearing, the board shall hear the evidence introduced by the parties and shall make its decision solely upon the record so made. [C71, 73, 75, 77, 79, §322A.9]

**322A.10 Rules of evidence.** The rules of civil procedure relating to discovery and inspection shall apply to hearings held under the provisions of this chapter, and the board may issue orders to give effect to such rules.

In the event issues are raised which would involve violations of any state or federal antitrust or price-fixing law, all discovery and inspection proceedings which would be available under such issues in a state or federal court action shall be available to the parties to the hearing, and the board may issue orders to give effect to such proceedings.

Evidence which would be admissible under the issues in a state or federal court action is admissible in a hearing held by the board. The board shall apportion all costs between the parties. [C71, 73, 75, 77, 79, §322A.10]

**322A.11 Condition barring change in franchise.** Notwithstanding the terms, provisions or conditions of any agreement or franchise, the following shall not constitute good cause for the termination or noncontinuation of a franchise, or for entering into a franchise for the establishment of an additional dealership in a community for the same line-make:

1. The sole fact that the franchiser desires further penetration of the market.

2. The change of ownership of the franchisee's dealership or the change of executive management of the franchisee's dealership, unless the franchiser, having the burden of proof, proves that such change of ownership or executive management will be substantially detrimental to the distribution of franchiser's motor vehicles in the community.

3. The fact that the franchisee refused to purchase or accept delivery of any motor vehicle or vehicles, parts, accessories or any other commodity or service not ordered by the franchisee. [C71, 73, 75, 77, 79, §322A.11]

Referred to in §322A.12, 322A.15

**322A.12 Sale or transfer of ownership.** Notwithstanding the terms, provisions or conditions of any agreement or franchise, subject to the provisions of subsection 2 of section 322A.11, in the event of the sale or transfer of ownership of the franchisee's dealership by sale or transfer of the business or by stock transfer or in the event of change in the executive management of the franchisee's dealership the franchiser shall give effect to such a change in the franchise unless the transfer of the franchisee's license under chapter 322 is denied or the new owner is unable to obtain a license under said chapter, as the case may be. [C71, 73, 75, 77, 79, §322A.12]

**322A.13 Compulsory attendance at hearings.** The board may issue subpoenas, administer oaths, compel the attendance of witnesses and production of books, papers, documents, and all other evidence. The board may apply to the district court of the county wherein the hearing is being held for a court order enforcing this section. [C71, 73, 75, 77, 79, §322A.13]

**322A.14 License to dealer denied.** In the event that a franchiser enters into or attempts to enter into a franchise, whether upon termination or refusal to continue another franchise or upon the establishment of an additional motor vehicle dealership in a community where the same line-make is then represented, without first complying with the provisions of this chapter, no license under chapter 322 shall be issued to that franchisee or proposed franchisee to engage in the business of selling motor vehicles manufactured or distributed by that franchiser. [C71, 73, 75, 77, 79, §322A.14]

**322A.15 Board's guidelines.** In determining whether good cause has been established for terminating or not continuing a franchise, the board shall take into consideration the existing circumstances, including, but not limited to:

1. Amount of business transacted by the franchisee.

2. Investment necessarily made and obligations incurred by the franchisee in the performance of his part of the franchise.

3. Permanency of the investment.

4. Whether it is injurious to the public welfare for the business of the franchisee to be disrupted.

5. Whether the franchisee has adequate motor vehicle service facilities, equipment, parts and qualified service personnel to reasonably provide consumer care for the motor vehicles sold at retail by the franchisee and any other motor vehicles of the same line-make.

6. Whether the franchisee refuses to honor warranties of the franchiser to be performed by the franchisee, provided that the franchiser reimburses the franchisee for such warranty work performed by the franchisee.

7. Except as provided in section 322A.11, failure by the franchisee to substantially comply with those requirements of the franchise which are determined by the board to be reasonable and material.

8. Except as provided in section 322A.11, bad faith by the franchisee in complying with those terms of the franchise which are determined by the board to be reasonable and material. [C71, 73, 75, 77, 79, §322A.15]

**322A.16 Board's additional guidelines.** In determining whether good cause has been established for entering into an additional franchise for the same line-make, the board shall take into consideration the existing circumstances, including, but not limited to:

1. Amount of business transacted by other franchisees of the same line-make in that community.

2. Investment necessarily made and obligations incurred by other franchisees of the same line-make, in that community, in the performance of their part of their franchises.

3. Permanency of the investment.

4. Effect on the retail motor vehicle business as a whole in that community.

5. Whether it is injurious to the public welfare for an additional franchise to be established.

6. Whether the franchisees of the same line-make in that community are providing adequate consumer care for the motor vehicles of the line-make which

shall include the adequacy of motor vehicle service facilities, equipment, supply of parts and qualified service personnel. [C71, 73, 75, 77, 79, §322A.16]

**322A.17 Judicial review.** Judicial review of actions of the board may be sought in the manner pro-

vided for in section 322.10. [C71, 73, 75, 77, 79, §322A.17]

A franchiser shall not terminate or refuse to renew a distributor franchise unless the franchiser gives to the distributor thirty days’ written notice of franchiser’s intent to terminate or not renew. Notice shall be given by restricted certified mail, as defined in section 618.15. If a distributor, within thirty days after the date of delivery of the notice from the franchiser, applies to the commission for a hearing under this chapter, the distributor franchise shall remain in effect pending a final order by the commission. The application filed by the dealer shall state, under oath, that the dealer’s license, issued pursuant to chapter 214, for pumps and meters located on the retail premises occupied by the dealer has not been canceled, that the dealer has not filed a petition in bankruptcy or been declared bankrupt within six months preceding the filing of the application, that the franchiser or distributor has not withdrawn entirely from the sale for resale of motor fuel and special fuel in this state, that there are no past due sums owing by the dealer to the franchiser or distributor, and that the dealer has not consented in writing to the termination or nonrenewal of the dealer franchise. **323.6 Conditions barring change in distributor franchise.** Notwithstanding the terms, provisions or conditions of a distributor franchise, the following shall not constitute good cause for the termination or refusal to renew a distributor franchise:

1. The sole fact that the franchiser desires further penetration of the market.
2. The change of executive management of the distributor, unless the franchiser, having the burden of proof, proves that the change of executive management will be substantially detrimental to the distribution of the franchiser's motor fuels or special fuels in the area served by the distributor.
3. The sale or change of ownership of the distributor's business, unless the transfer of the distributor's license pursuant to chapter 324 is denied or the new owner is unable to obtain a license under chapter 324. [C75, 77, 79, §323.6]

**323.9 Violations.** Any person violating the provisions of this chapter is guilty of a simple misdemeanor. [C75, 77, 79, §323.9]

**323.10 Intent.** The provisions of this chapter are enacted in the exercise of the police powers of this state for the purpose of protecting the health, safety and general welfare of the people of this state and because methods and practices in the marketing and distribution of motor fuel and special fuel have impaired the availability to the public of the fuel and the services supplied by distributors and dealers who have entered into a franchise agreement with their respective suppliers. [C75, 77, 79, §323.10]

**323.11 Hearing.** Upon receiving an application, the commission shall order a hearing. The hearing shall be held within thirty days of receipt of the application and in accordance with the Iowa administrative procedure Act. The commission shall notify the franchiser or distributor of the time and place of the hearing. The commission may also give notice of the application to any other party the commission deems an interested person. The notice shall be in the form and substance and given in the manner determined by the commission.

Any person who can show an interest in the application may become a party to the hearing, whether or not he receives notice; but a party not receiving notice shall be limited to participation at the hearing on the question of the public interest in the termination or continuation of the franchise. **323.12 Appeal.** Appeal may be taken from the final order of the commission by either the distributor, franchiser or dealer,\* to the district court of the county where the distributor or dealer either resides or maintains his principal place of business, within thirty days from the time the decision is filed with the commission, by giving at least ten days' notice to the commission to be served on its chairman or secretary in the same manner as original notices are now served, and by filing with the clerk of court a bond for costs in the sum of not less than five hundred dollars. Appeal shall be taken in accordance with the provisions of the Iowa administrative procedure Act. [C75, 77, 79, §323.12]

\*Including persons served with notice under 65GA, ch 1198, §4, see §17 of the Act

## CHAPTER 323A

## PURCHASING FUEL FROM ALTERNATE SOURCES

## 323A.1 Definitions.

## 323A.3 Effective date.

**323A.1 Definitions.** For purposes of this chapter, unless the context otherwise requires:

1. "*Franchise*" means a contract between a refiner and a distributor, a refiner and a retailer, a distributor and another distributor, or a distributor and a retailer under which a refiner or distributor authorizes a retailer or distributor to use, in connection with the sale, consignment, or distribution of motor fuel, a trademark which is owned or controlled by the refiner or by a refiner which supplies motor fuel to the distributor which authorizes the use. "*Franchise*" includes any contract under which a retailer or distributor is permitted to occupy leased premises, which premises are to be used in connection with the sale, consignment, or distribution of motor fuel under a trademark which is owned or controlled by a refiner or a refiner which supplies motor fuel to the distributor and permits the occupancy of the leased premises.

2. "*Franchisor*" means a refiner or distributor who authorizes or permits, under a franchise, a retailer or distributor to use a trademark in connection with the sale, consignment, or distribution of motor fuel.

3. "*Franchisee*" means a retailer or distributor who is authorized or permitted, under a franchise, to use a trademark in connection with the sale, consignment, or distribution of motor fuel.

**323A.2 Purchase from other source.**

1. The orderly flow of an adequate supply of motor fuel is declared to be essential to the economy and to the welfare of the people of this state. Therefore, in the public interest and notwithstanding the terms, provisions, or conditions of any franchise, a franchisee unable to obtain motor fuel from the franchisor may purchase the fuel from another available source, subject to subsections 2 to 5 and provided the franchisee has done all of the following:

a. At least forty-eight hours prior to entering into an agreement to purchase motor fuel from another source, the franchisee has requested delivery of motor fuel from the franchisor and the requested motor fuel has not been delivered and the franchisor has given the franchisee notice that the franchisor is unable to provide the requested motor fuel, or prior to entering into an agreement the franchisor has stated to the franchisee that the requested motor fuel will not be delivered. The request to the franchisor for delivery shall be for a type of fuel normally provided by the franchisor to the franchisee and for a quantity of

fuel not exceeding the average amount sold by the franchisee in one week, based upon average weekly sales in the three months preceding the request, except that this provision shall not restrict a franchisee from purchasing gasohol from a source other than the franchisor or limit the quantity to be purchased when the franchisor does not normally supply the franchisee with gasohol.

b. The franchisee has requested and has been denied delivery of motor fuel sold or distributed under the trademark named in the franchise from a person other than franchisor.

c. The franchisee has requested motor fuel from the set-aside program administered by the energy policy council under section 93.7, subsection 9, and allocation from the set-aside program has been denied and the director of the energy policy council determines that the franchisee has demonstrated that a special hardship exists in the community served by the franchisee relating to the public health, safety and welfare, as specified under the rules of the energy policy council.

2. The quantity of motor fuel requested or purchased from another source including those sources listed in subsection 1, paragraphs "b" and "c", shall not exceed the quantity requested from the franchisor.

3. At the time a franchisee enters into an agreement to purchase motor fuel from a source other than the franchisor, the franchisee shall inform the franchisor by the quickest available means.

4. If the franchisee sells motor fuel supplied from a source other than the franchisor, the franchisee shall prominently post a sign disclosing this fact to the public on each motor fuel pump used for dispensing the motor fuel. The size of the sign shall not be less than eight inches by ten inches and the letters on the sign shall be at least three inches in height.

5. A franchisee who sells motor fuel supplied from a source other than the franchisor shall also fully indemnify the franchisor against any claims asserted by a user on which the claimant prevails and in which the court determines that motor fuel not acquired from the franchisor was the proximate cause of the injury.

Purchases of motor fuel in accordance with this section are not good cause for termination of a franchise. [68GA, ch 1110,§2]

**323A.3 Effective date.** The provisions of this chapter shall be applicable only to franchise agreements entered into or renewed after July 1, 1980. [68GA, ch 1110,§3]

**324.1 Short title.** This division, plus applicable provisions of division IV of this chapter and any amendments to either shall be known and may be cited as the "Motor Fuel Tax Law," and as so constituted is hereinafter referred to as this division. [C35,§5093-f40; C39,§5093.39; C46, 50, 54,§324.66; C58, 62, 66, 71, 73, 75, 77, 79,§324.1]

Similar provisions, §324 31, 324 50

**324.2 Definitions.** As employed in this division:

1. "*Motor fuel*" shall mean (a) all products commonly or commercially known or sold as gasoline (including casinghead and absorption or natural gasoline) regardless of their classifications or uses; and (b) any liquid advertised, offered for sale, sold for use as, or commonly or commercially used as a fuel for propelling motor vehicles, which when subjected to distillation of gasoline, naphtha, kerosene and similar petroleum products (American Society of Testing Materials Designation D-86), show not less than ten per centum distilled (recovered) below three hundred forty-seven degrees Fahrenheit (one hundred seventy-five degrees Centigrade) and not less than ninety-five per centum distilled (recovered) below four hundred sixty-four degrees Fahrenheit (two hundred forty degrees Centigrade); provided, that the term "motor fuel" shall not include special fuel as defined in section 324.33, subsection 1, and shall not include liquefied gases which would not exist as liquids at a temperature of sixty degrees Fahrenheit and a pressure of fourteen and seven-tenths pounds per square inch absolute, nor naphthas and solvents as hereinafter defined unless the liquefied gases or naphthas and solvents are used as a component in the manufacture, compounding, or blending of a liquid within (b) above, in which event the resulting product shall be deemed to be motor fuel.

2. "*Distributor*" shall mean and include any person who first receives motor fuel within this state (within the meaning of the word "received" as hereinafter defined), and any person now or hereafter engaged in the business of selling motor fuel to a dealer in this state for resale provided that a person may bring into this state not to exceed thirty gallons of motor fuel in the fuel supply tank, or any other container, directly connected to the motor of a motor vehicle without becoming a distributor.

3. "*Licensee*" shall mean and include any person holding an uncanceled distributor's license issued by the department of revenue under this division or any prior motor fuel tax law.

4. "*Dealer*," "*agent*" and "*consignee*" shall mean and include any person (except distributors as herein defined) now or hereafter engaged in the business of selling motor fuel in this state.

5. "*Motor fuel deemed received.*"

a. Motor fuel refined at a refinery in this state and placed in tanks thereat, and motor fuel transferred from a refinery or a marine or pipeline terminal in this state or from points outside this state to a refinery or a marine or pipeline terminal in this state

and placed in tanks thereat, shall be deemed received, for the purposes of this division, at the time withdrawn from such refinery or terminal storage for sale or use in this state or for transportation to destinations in this state other than refineries or marine or pipeline terminals and not before.

When withdrawn from refinery or terminal storage as aforesaid, the motor fuel shall be deemed received by the person who was the owner thereof immediately prior to withdrawal, unless (1) the motor fuel is withdrawn for shipment or delivery to a licensee, in which case the motor fuel shall be deemed received by the licensee to whom shipped or delivered or (2) the motor fuel is withdrawn for shipment or delivery to a nonlicensee for the account of a licensee in which case the motor fuel shall be deemed received by the licensee for whose account the shipment or delivery to the nonlicensee is made.

b. Motor fuel imported into this state, other than that placed in storage at refineries or terminals as set out in paragraph "a" above, shall be deemed received at the time unloaded in this state and by the person who is the owner thereof immediately after it is unloaded in this state, except that if motor fuel so imported is used in this state directly from the transportation equipment by which imported then the motor fuel shall be deemed received at the time it is brought into this state and by the person using the motor fuel within this state; provided, however, that if motor fuel shipped or brought into this state by a licensee is sold and delivered directly to a nonlicensee in this state, then the gallonage so delivered shall be deemed received by the licensee shipping or bringing the motor fuel into this state.

c. Motor fuel produced, compounded, or blended in this state other than at a refinery, marine or pipeline terminal, shall be deemed to be received at the time and by the person who is the owner thereof when the same is so produced, compounded or blended.

d. Motor fuel acquired in this state by any person, other than as set out in paragraphs "a", "b", or "c" above, shall, unless the person from whom the same is acquired has paid or incurred liability with respect thereto for the tax herein imposed, or unless the same be exempt under this division, be deemed to be received by the person so acquiring the same at the time so acquired.

Except as hereinbefore set forth, the word "received" shall be given its usual and customary meaning.

6. "*Naphthas and solvents*" shall mean and include those liquids which come within the distillation specifications for motor fuel set out under subsection 1, paragraph "b," but which are designed and sold for exclusive use other than as a fuel for propelling motor vehicles.

7. "*Gasohol*" means motor fuel containing at least ten percent alcohol distilled from agricultural products. [C27, 31,§5093-a2; C35,§5093-f2; C39,§5093.02; C46, 50, 54,§324.1; C58, 62, 66, 71, 73, 75, 77, 79,§324.2; 68GA, ch 75, §1, ch 111,§1]

First, the gallonage of motor fuel received and thereafter sold within the exemptions provided for in section 324.3; and second, the number of gallons of motor fuel equal to three per centum of the first three hundred thousand gallons and one and one-quarter per centum of all gallonage in excess of three hundred thousand gallons of invoiced gallons of motor fuel received by the distributor within this state

during the next preceding calendar month after deduction provided in this subsection, this percentage being a flat allowance to cover evaporation, shrinkage, and losses, and the distributor's expenses and losses in collection, accounting for, and paying over the motor fuel tax.

5. The number of invoiced gallons remaining after the deductions hereinabove set forth shall be multiplied by the per gallon motor fuel tax rate.

6. Any outstanding credit memoranda issued by the department of revenue to the distributor may be applied against the amount due.

For the purpose of determining the amount of the tax liability on alcohol blended to produce gasohol, each licensed blender shall, not later than thirty-one days following the last day of each month, file with the department of revenue a monthly report, signed under penalty for false certificate, which shall include the following: The number of gallons of gasoline blended into gasohol, the number of gallons of alcohol blended into gasohol. If in the normal conduct of a distributor's business the distributor's records are maintained and kept at an office outside the state of Iowa, it shall be a sufficient compliance with this section if the records are made available for audit and examination by the department of revenue at the office outside Iowa, but such audit and examination outside Iowa shall be without expense to the state.

Each dealer handling motor fuel in this state shall maintain and keep for a period of two years records of all motor fuel purchased or otherwise acquired by the dealer, together with delivery tickets, invoices, and bills of lading, and such other pertinent records as the department of revenue shall require.

#### **324.11 Registration of carrier transportation equipment and identification of all highway transportation equipment.**

1. Any person operating as a common or contract carrier and any distributor who is also engaged in transportation within this state of motor fuel or special fuel for others, shall register with the state department of transportation as additional equipment is put to use, each vehicle used to transport motor fuel or special fuel in this state, except railroad, water-vessel or pipeline equipment. The registration shall be on forms furnished by and shall contain such information as may reasonably be required by the state department of transportation. A fee of five dollars shall be paid to the state department of transportation for original registration of each vehicle. The state department of transportation shall furnish to the registrant for each vehicle registered suitable identification which shall be permanently attached to the vehicle and shall be available for inspection at all times. When any registered vehicle's use for the transportation of motor fuel or special fuel for others is discontinued, the registrant shall notify the state department of transportation and shall either surrender to the state department of transportation or, subject to the approval of the state department of transportation, transfer the vehicle identification issued under this section to another vehicle. On or before the first day of July of each year, each carrier as aforesaid shall file with the state department of transportation a statement showing each registered vehicle then in use for transportation of motor fuel or special fuel for others. Failure to file the required statement by the specified date shall be cause for cancellation of a vehicle's registration. A registration so cancelled may be reinstated in the same manner as an original registration.

2. Each vehicle used by a carrier, distributor or any person in the transportation on the highways in this state of fuels for motor vehicles shall be identified by having shown thereon, in lettering at least six inches in height made with a stroke of not less than three-fourths inch in width and of a color contrasting

to that of the background upon which the lettering is placed, the name and address of the person transporting the fuel. The identification shall be placed on both sides of the vehicle; provided, that, transportation equipment operated by a licensee shall be identified with his distributor's license number in which case the trade or produce name or insignia generally used in identifying the highway transportation equipment of the licensee and well known and recognized throughout the area in which the transportation equipment is operated, may be shown in lieu of the name and address of the licensee.

3. The state department of transportation shall have the power to refuse to register a vehicle owned or used by any person, either directly or indirectly, who has had a license revoked for cause which license was issued under the provisions of this chapter or any prior motor fuel tax law. [C27, 31, §5093-b1; C35, §5093-f19, -f25; C39, §5093.19, 5093.25; C46, 50, 54, §324.12, 324.33, 324.36, 324.46; C58, 62, 66, 71, 73, 75, 77, 79, §324.11; 68GA, ch 1112, §2]

1. There shall be carried on every vehicle, while in use in transportation service requiring that it be registered under the preceding section, a serially numbered manifest in form satisfactory to the department of revenue on which shall be entered the following information as to the cargo of motor fuel being moved in the vehicle: The date and place of loading, the place to be unloaded, the person for whom it is to be delivered, the nature and kind of product, and the amount thereof and such other information as is called for in the forms prescribed or approved by the department of revenue. The manifest covering each load transported upon consummation of the delivery shall be completed showing the date and place of actual delivery and the person to whom actually delivered and shall be kept as a permanent record for a period of three years, provided, however, that the record of the manifest of past cargoes need not be carried on the conveyance but must be preserved by the carrier for the inspection of the department of revenue. A carrier subject to this subsection may with the approval of the department of revenue when distributing for a licensee substitute the loading and delivery evidence required in subsection 2 of this section.

2. Every distributor or other person while transporting motor fuel from a refinery or marine or pipeline terminal in this state or from a point outside this state via the highways of this state in service other than that covered in subsection 1 of this section shall carry in the vehicle a loading invoice showing the true name and address of the seller or consignor, the date and place of loading and the kind and quantity of motor fuel loaded, together with invoices showing the kind and quantity of each delivery therefrom, and the name and address of each purchaser or consignee. [C35, §5093-f19; C39, §5093.19; C46, 50, 54, §324.34, 324.35; C58, 62, 66, 71, 73, 75, 77, 79, §324.12]

any sheriff, deputy sheriff or other peace officer or person authorized by law to inquire into or investigate said matters, produce and offer for inspection the manifest or loading and delivery invoices pertaining to the load and trip in question and shall permit the officer to inspect and measure the contents of the vehicle. If the vehicle operator fails to produce the covering evidence or if, when produced, it fails to contain the required information and if it appears that there is an attempt to evade payment of the motor fuel tax, then the officer or other person authorized to make the inquiry may take and impound the motor fuel together with the conveying vehicle until the tax on the motor fuel together with penalty, if an attempt to evade payment of the motor fuel is involved, amounting to one hundred percent of the tax have been paid. In case the tax and penalty found to be due are not paid within forty-eight hours after the taking of the property, the department of revenue may proceed to sell the vehicle and its cargo in the manner provided by law for the sale of personal property by the sheriff under execution. [C35,§5093-f19; C39,§5093.19; C46, 50, 54,§324.35; C58, 62, 66, 71, 73, 75, 77, 79,§324.13]

**324.14 Penalty for operating unregistered transport.** It shall be unlawful for any person to transport motor fuel in bulk upon the highways of this state in a conveyance the registration of which is required without the evidence of registration provided for and any person found guilty of the unlawful act shall be guilty of a simple misdemeanor, and each cargo so transported shall be considered a separate offense. This penalty shall be in addition to penalties imposed under other provisions of this chapter. Persons transporting motor fuel in bulk upon the highways of this state in an amount of not to exceed four thousand gallons shall not be regarded as transporting in bulk. If any rebate, discount, commission, or other concession is granted by distributors or persons engaged in the sale of motor fuel for resale to dealers of such nature as will reduce the cost or price to any purchaser or dealer in such products, the conditions, quantity, and amount of such rebate, discount, commission or other concession shall be posted as a part of the posted price. **324.21 Gasohol refund—credit.** Persons other than distributors licensed under this division who blend motor fuel and alcohol to produce gasohol may file for a refund for the difference between taxes paid on the motor fuel purchased to produce gasohol and the tax due on the gasohol blended. If, during any month, a person licensed as a distributor under this division uses tax paid motor fuel to blend gasohol and the refund otherwise due under this section is greater than the distributor's total tax liability for that month, the distributor will be entitled to a credit. The claim for credit shall be filed as part of the report required by section 324.8.

In order to obtain the refund established by this section, the person shall do all of the following:

1. Obtain a blender's permit as provided in section 324.18.

2. File a refund claim containing the information as required by the department of revenue and certified by the claimant under penalty for false certificate.

3. Retain invoices meeting the requirements of section 324.17, subsection 3, for the motor fuel purchased.

If a person files an incorrect refund claim, there shall be added a penalty of five percent to the amount by which the amount claimed and refunded exceeds the amount actually due. If a fraudulent refund claim is filed with intent to evade the tax, the penalty shall be fifty percent in lieu of five percent. The person shall also pay interest on the excess refunded at a rate of three-fourths of one percent per month counting each fraction of a month as an entire month, computed from the date the refund was issued to the date the excess refund is repaid to the state. 2. For each location where special fuel is delivered or placed into the fuel supply tank of a motor vehicle, the special fuel dealer or user making the delivery shall prepare and maintain for a period of three years such records as the department of revenue may reasonably require with respect to all these deliveries, and with respect to inventories, receipts, purchases, and sales or other dispositions of special fuel. [C27, 31,§5093-a8; C35,§5093-f14; C39,§5093.14; C46, 50, 54,§324.25-324.29; C58, 62, 66, 71, 73, 75, 77, 79,§324.37; 68GA, ch 75,§11]

### **324.38 Returns and tax payments.**

1. *Returns for licensed dealers and users.* For the purpose of determining the amount of liability for special fuel tax each special fuel dealer and each special fuel user shall file with the department of revenue not later than the last day of the month next following the month in which this division becomes effective and not later than the last day of each calendar month thereafter a monthly tax return certified under penalties for false certificate. The return shall show, with reference to each location at which special fuel is delivered or placed by the dealer or user into a fuel supply tank of any motor vehicle during the next preceding calendar month, such information as the department of revenue may reasonably require for the proper administration and enforcement of this division. However, if a special fuel dealer or user is also a wholesale distributor of special fuel at a location where special fuel is delivered into the supply tank of a motor vehicle, the monthly return to the department of revenue covering the location need not include inventory control data covering bulk storage from which wholesale distribution of special fuel is made.

2. *Computation.* The amount of tax due shall be computed by multiplying the appropriate tax rate per gallon by the number of gallons of special fuel delivered or placed by the special fuel dealer or user into supply tanks of motor vehicles.

3. *Payments.* The return shall be accompanied by remittance in the amount of the tax due for the

month in which the special fuel was placed in the fuel tanks of motor vehicles.

4. *Quarterly returns and tax payment by special fuel distributors.* For the purpose of determining the amount of the tax liability for special fuel tax, each special fuel distributor licensed under this chapter shall file with the department of revenue, not later than the last day of the month next following each calendar quarter, a quarterly tax return certified under penalties for false certificate. The return shall show the total amount of special fuel sold during the quarter, the amount of special fuel sold for nonhighway use, the amount of fuel sold to licensed special fuel dealers and users, the amount of special fuel delivered into motor vehicle special fuel holding tanks, the amount of tax due, and such other pertinent information required by the department of revenue. The amount of tax due shall be computed by multiplying the appropriate tax rate per gallon by the number of gallons of special fuel delivered or placed by the special fuel distributor into the motor vehicle special fuel holding tanks. The return shall be accompanied by a remittance in the amount of the tax due for the quarter.

5. *Exemption for fueling by licensed dealers or distributors.* If the purchase of special fuel within this state by a person not required to be licensed under this division is purchased solely in one or more of the following manners, the person need not file a return:

a. Special fuels purchased tax paid and delivered into the fuel supply tank of the user's motor vehicles by licensed special fuel dealers.

b. Special fuels purchased tax paid and delivered into the user's motor vehicle special fuel holding tanks by licensed special fuel dealers.

c. Special fuels purchased tax paid and delivered into the user's motor vehicle special fuel holding tanks by licensed special fuel distributors.

d. Special fuel delivered by a special fuel distributor into the fuel supply tank of a motor vehicle which is stranded, provided the delivery is limited to twenty gallons and the distributor collects and remits the tax to the department.

6. *Presumption.* For purposes of this section there shall be a prima-facie presumption that all special fuel received by a special dealer or special fuel user into storage and dispensing equipment designed to fuel motor vehicles is to be delivered by the special fuel dealer or special fuel user into the fuel supply tanks of motor vehicles. ## DIVISION III

MOTOR FUEL AND SPECIAL FUEL USE TAX  
FOR  
INTERSTATE MOTOR VEHICLE OPERATIONS

Referred to in §324 57, 324 58, 324 65, 324 76

**324.50 Short title.** This division and applicable provisions of division IV of this chapter and any amendments to either shall be known and may be cited as the "Interstate Fuel Use Tax Law," and as so constituted is hereinafter referred to as this division. [C35,§5093-f40; C39,§5093.39; C46, 50, 54,§324.66; C58, 62, 66, 71, 73, 75, 77, 79,§324.50]

Similar provision, §324 1, 324 81

**324.51 Purpose.** The purpose of this division is to provide an additional method of collecting fuel taxes from interstate motor vehicle operators commensurate with their operations on Iowa highways; and to permit the state department of transportation to suspend this collection as to transportation entering Iowa from any other state where it appears that Iowa highway fuel tax revenue and interstate highway transportation moving out of Iowa will not be unduly prejudiced thereby. [C27, 31,§4755-b38, 5093-a1; C35,§5093-f3; C39,§5093.03; C46, 50, 54,§324.2; C58, 62, 66, 71, 73, 75, 77, 79,§324.51]

**324.52 Fuels imported in supply tanks of motor vehicles.** No person shall bring into this state in the fuel supply tanks of a commercial motor vehicle, or any other container, regardless of whether or not the supply tanks are connected to the motor of the vehicle, any motor fuel or special fuel to be used in the operation of the vehicle in this state unless that person has paid or made arrangements in advance with the state department of transportation for payment of Iowa fuel taxes on the gallonage consumed in operating the vehicle in this state; except that this division shall not apply to a private passenger automobile.

Any person who is unable to display either of the permits provided in section 324.53 and brings into the state in the fuel supply tanks of a commercial motor vehicle more than thirty gallons of motor fuel or special fuel in violation of the provisions of the preceding paragraph is guilty of a simple misdemeanor. [C35,§5093-f19; C39,§5093.19; C46, 50, 54,§324.34, 324.37; C58, 62, 66, 71, 73, 75, 77, 79,§324.52]

Referred to in §324 76, 806 8

**324.53 Permit.** The advance arrangements referred to in the preceding section shall include the procuring of a permanent interstate fuel permit or single trip interstate permit.

Persons choosing not to make advance arrangements with the state department of transportation by procuring a permit are not relieved of their responsibility to purchase motor fuel and special fuel commensurate with their use of the state's highway system. When there is reasonable cause to believe that there is evasion of the fuel tax on commercial motor vehicles, the state department of transportation may audit persons not holding a permit. Audits shall be conducted pursuant to section 324.55.

A permanent permit may be obtained upon application to the state department of transportation. A fee

of five dollars shall be charged for each permit issued. The holder of a permanent permit shall have the privilege of bringing into this state in the fuel supply tanks of commercial motor vehicles any amount of motor fuel or special fuel to be used in the operation of the vehicles and for that privilege shall pay Iowa motor fuel or special fuel taxes as provided in section 324.54. A single trip interstate permit as provided for in this section may be obtained from the state department of transportation. A fee of twelve dollars shall be charged for each individual single trip interstate permit issued. A single trip interstate permit shall be subject to the following provisions and limitations:

1. The permit shall be issued and be valid for seventy-two consecutive hours, except in emergencies, or until the time of leaving the state, whichever first occurs.

2. The permit shall cover only one commercial motor vehicle and is not transferable.

3. Single trip interstate fuel permits may be made available from sources other than indicated in this section at the discretion of the state department of transportation.

Each vehicle operated into or through Iowa in interstate operations using motor fuel or special fuel acquired in any other state shall carry in or on the vehicle a duplicate or evidence of the permit required in this section. A fee not to exceed fifty cents shall be charged for each duplicate or other evidence of permit issued. [C35,§5093-f19, -f20; C39,§5093.19, 5093.20; C46, 50, 54, §324.38; C58, 62, 66, 71, 73, 75, 77, 79,§324.53; 68GA, ch 75,§13]

Referred to in §324 52

**324.54 Fuel tax computation—refund—reporting and payment.** Fuel tax liability under this division shall be computed on the total number of gallons of each kind of motor fuel and special fuel consumed in the operation in Iowa by commercial motor vehicles subject to this division at the same rate for each kind of fuel as would be applicable if taxed under division I or division II of this chapter. A refund against the fuel tax liability so computed shall be allowed, on excess Iowa motor fuel purchased, in the amount of fuel tax paid at the prevailing rate per gallon set out under division I or division II of this chapter on motor fuel and special fuel consumed by commercial motor vehicles, the operation of which is subject to this division.

Notwithstanding any provision of this chapter to the contrary, the holder of a permanent permit may make application to the state department of transportation for a refund, not later than the last day of the month following the quarter in which the overpayment of Iowa fuel tax paid on excess purchases of motor fuel or special fuel was reported as provided in section 324.8, and which application is supported by such proof as the state department of transportation may require. The state department of transportation shall refund Iowa fuel tax paid on motor fuel or special fuel purchased in excess of the amount consumed by such commercial motor vehicles in their operation on the highways of this state.

Application for a refund of fuel tax under the provisions of this division must be made for each quarter in which the excess payment was reported, and will

not be allowed unless the amount of fuel tax paid on the fuel purchased in this state, in excess of that consumed for highway operation in this state in the quarter applied for, is in an amount exceeding ten dollars. An application for a refund of excess Iowa fuel tax paid under the provisions of this division which is filed for any period or in any manner other than herein set out shall not be allowed.

To determine the amount of fuel taxes due under this division and to prevent the evasion thereof, the state department of transportation shall require a quarterly report on forms prescribed by the state department of transportation. It shall be filed not later than the last day of the month following the quarter reported, and each quarter thereafter. These reports shall be required of all persons who have been issued a permit under this division and shall cover actual operation and fuel consumption in Iowa on the basis of the permit holder's average consumption of fuel in Iowa, determined by the total miles traveled and the total fuel purchased and consumed for highway use by the permittee's commercial motor vehicles in the permittee's entire operation in all states to establish an overall miles per gallon ratio, which ratio shall be used to compute the gallons used for the miles traveled in Iowa. [C27, 31, §5093-b1; C35, §5093-f18, -f25; C39, §5093.18, 5093.25; C46, 50, 54, §324.32, 324.46; C58, 62, 66, 71, 73, 75, 77, 79, §324.54; 68GA, ch 1112, §5]

Referred to in §324.53, 324.55, 324.71

**324.55 Records.** Every person operating within the purview of this division shall make and keep for a period of three years such records as may reasonably be required by the state department of transportation for the administration of this division. If in the normal conduct of the business, the required records are maintained and kept at an office outside the state of Iowa, it shall be a sufficient compliance with this section if the records are made available for audit and examination by the state department of transportation at the office outside Iowa.

The state department of transportation within a period of one year from the issuance of a permanent interstate fuel permit may audit the records of the permittee for the two years preceding the issuance of the permit. The state department of transportation shall collect all taxes due had the permittee been licensed for the two years prior to the issuance of the permit and shall refund any overpayment pursuant to section 324.54. When, as a result of an audit, fuel taxes unpaid and due the state of Iowa exceed five hundred dollars, such audit shall be at the expense of the person whose records are being audited. However, if an audit of records maintained under this section is made outside the state of Iowa in a state which requires payment of the costs for similar audits performed by officials or employees of the other state when made in Iowa, then all costs of audits performed outside of Iowa in such other state shall be at the expense of the person whose records are audited. **324.58 Commercial motor vehicles on lease.** Every commercial motor vehicle as defined in section 324.57, subsection 7, leased to a carrier shall be subject to the provisions of this division and rules and regulations enforced pursuant thereto to the same extent and in the same manner as commercial vehicles owned by such carrier.

A lessor of a commercial motor vehicle shall be deemed a carrier with respect to such vehicles leased to others by him and motor fuel or special fuel consumed thereby if the lessor supplies or pays for the motor fuel or special fuel consumed by such vehicle or makes rental or other charges calculated to include the cost of such fuel.

The provisions of this section shall govern the primary liability pursuant to this section if either lessor or lessee primarily fails in whole or in part to discharge this liability. Such failing party as lessor or lessee party to the transaction shall be jointly and severally responsible and liable for the provisions of division III of this chapter and for payment of any tax unpaid and due pursuant thereto, provided that any taxes collected by this state shall not exceed the total amount or amounts of the taxes due on account of the transaction in question and such penalties and costs, if any, as may be imposed. [C71, 73, 75, 77, 79,§324.58]

**324.59 Administrative rules.** The department of revenue is authorized and empowered to make such reasonable rules relating to the administration and enforcement of this chapter as he may deem needful. These rules shall be effective when the provisions of chapter 17A have been complied with. [C35,§5093-f18, -f21, -f36; C39,§5093.18, 5093.21, 5093.36; C46, 50, 54,§324.32, 324.40, 324.64; C58, 62, 66,§324.58; C71, 73, 75, 77, 79,§324.59]

forms, as applicable, upon which reports and applications shall be made and claims for refund presented under this chapter and may prescribe forms of record to be kept by motor fuel distributors, motor fuel dealers, motor fuel carriers, special fuel dealers, special fuel users, and interstate commercial motor vehicle operators.

Whenever in this chapter the department of revenue or the state department of transportation is authorized to prescribe the form of record to be kept, the appropriate state agency may in lieu thereof approve the form of record being kept, and shall approve the form of record where it furnishes in reasonably accessible form the information which is required and which substantially complies with the prescribed form. [C35,§5093-f21, -f36; C39,§5093.21, 5093.36; C46, 50, 54,§324.42, 324.64; C58, 62, 66,§324.59; C71, 73, 75, 77, 79, §324.60]

**324.61 Timely filing of reports—extension.** The reports and remittances required under this chapter shall be deemed filed within the required time if postpaid, properly addressed and postmarked on or before midnight of the day on which due and payable. If the final filing date falls on a Saturday, Sunday or legal holiday the next secular or business day shall be the final filing date.

The department of revenue or the state department of transportation upon application may grant a reasonable extension of time for the filing of any required report or tax payment, or both. If any person within the purview of this section shall refuse access to pertinent records, books, papers, receipts, invoices, storage tanks or any other equipment, then the appropriate state agency shall certify the names and facts to any court of competent jurisdiction, and the said court shall enter such order in the premises as the enforcement of this chapter and justice shall require. **324.63 Information confidential.** All information obtained by the department of revenue or the state department of transportation from the examining of reports or records required to be filed or kept under the provisions of this chapter shall be treated as confidential and shall not be divulged except to other state officers, a member or members of the general assembly or any duly appointed committee of either or both houses of the general assembly or to a representative of the state having some responsibility in connection with the collection of the taxes imposed or in proceedings brought under the provisions of this chapter; provided, however, that the appropriate state agency shall make available for public information on or before the last day of the month following the month in which the tax is required to be paid the names of the distributors and as to each of them the total gallons received in the state and separately, the received gallons (1) exported or sold for export, (2) sold tax-free in the state to entities that are exempt from the tax and (3) sold tax-free in the state to entities required to report and account for the tax. The department of revenue shall also make available to the public information with respect to special fuel dealers and users and as to each of them the gallonage used and taxes paid. The department of revenue or the state department of transportation, upon request of officials entrusted with enforcement of the motor vehicle fuel tax laws of the federal government or any other state, may forward to such officials any pertinent information which the appropriate state agency may have relative to motor fuel and special fuel provided the officials of the other state furnish like information.

Any person violating the provisions of this section, and disclosing the contents of any records or reports required to be kept or made under the provisions of this chapter, except as otherwise provided, shall be guilty of a simple misdemeanor. [C27, 31, §5093-a6; C35, §5093-f27; C39, §5093.27; C46, 50, 54, §324.48; C58, 62, 66, §324.62; C71, 73, 75, 77, 79, §324.63]

Referred to in §324.66

**324.64 Failure to file return—incorrect return.** If a return required by this chapter is not filed, or if a return when filed is incorrect or insufficient and the filer fails to file a corrected or sufficient return within twenty days after the same is required by notice from the appropriate state agency, the appropriate state agency shall determine the amount of tax due. The determination shall be made from all information that the appropriate state agency may be able to obtain and, if necessary, the agency may estimate the tax on the basis of external indices. The appropriate state agency shall give notice of the determination to the person liable for the tax. The determination shall finally and irrevocably fix the tax unless the person against whom it is assessed shall, within thirty days after the giving of notice of such determination, apply to the director of the appropriate state agency for a hearing or unless the director reduces the assessment. At the hearing, evidence may be offered to support the determination or to prove that it is incorrect. After the hearing, the director shall give notice of the decision to the person liable for the tax. The findings of the appropriate state agency as to the

amount of fuel taxes, penalties and interest due from any person shall be presumed to be the correct amount and in any litigation which may follow, the certificate of the agency shall be admitted in evidence, shall constitute a prima-facie case and shall impose upon the other party the burden of showing any error in the findings and the extent thereof or that the finding was contrary to law. [C35, §5093-f11, -f12; C39, §5093.11, 5093.12; C46, 50, 54, §324.19, 324.20, 324.21; C58, 62, 66, §324.63; C71, 73, 75, 77, 79, §324.64; 68GA, ch 75, §14]

**324.65 Penalty for failure to promptly report or pay fuel taxes.** If a licensee or other person fails to file a required report with the appropriate state agency on or before the due date, unless it is shown that the failure was due to reasonable cause there shall be added to the amount required to be shown as tax due on the return five percent of the amount of the tax if the failure is for not more than one month, with an additional five percent for each additional month or fraction of a month during which the failure continues, not exceeding twenty-five percent in the aggregate. If a licensee or other person fails to remit the tax due with the filing of the return on or before the due date or fails to pay any amount of the tax required to be shown on the return, unless it is shown that the failure was due to reasonable cause, there shall be added to the tax a penalty of five percent of the amount of the tax due, if the failure is for not more than one month, with an additional five percent for each additional month or fraction of a month during which the failure continues, not exceeding twenty-five percent in the aggregate. The taxpayer shall also pay interest on the tax or additional tax at the rate of three-fourths of one percent per month counting each fraction of a month as an entire month, computed from the date the return was required to be filed. The appropriate state agency shall not remit any part of a penalty for delinquent payment where the delinquency results from the fact that a check given in payment is not honored because of insufficient funds in the account upon which the check was drawn. However, if it appears as a result of an investigation or from a preponderance of the evidence adduced at a hearing that there has been a deliberate attempt on the part of a licensee or other person to evade payment of fuel taxes there shall be added to the assessment against the offending person and collected a penalty of fifty percent of the tax due. When penalties are applicable for failure to file a return and failure to pay the tax due or required on the return, the penalty provision for failure to file shall be in lieu of the penalty for failure to pay the tax due or required on the return, except in the case of a deliberate attempt on the part of the licensee or other person to evade payment of fuel taxes. Any report required of licensees or persons operating under divisions I, II and III, upon which no tax may be due, shall be subject to a penalty of ten dollars if the report is not timely filed with the appropriate state agency. [C27, 31, §5093-a5; C35, §5093-f9, -f11; C39, §5093.09, 5093.11; C46, 50, 54, §324.16, 324.19; C58, 62, 66, §324.64; C71, 73, 75, 77, 79, §324.65; 68GA, ch 1113, §1]

**324.66 Statutes applicable to motor vehicle fuel tax.** The appropriate state agency shall administer the taxes imposed by this chapter in the same manner and subject to all the provisions of section 422.25, subsection 4, and section 422.52, subsection 3.

All the provisions of section 422.26 shall apply in respect to the taxes, penalties, interest, and costs imposed by this chapter excepting that as applied to any tax imposed by this chapter, the lien therein provided shall be prior and paramount over all subsequent liens upon any personal property within this state, or right to such personal property, belonging to the taxpayer without the necessity of recording as therein provided. The requirements for recording shall, as applied to the tax imposed by this chapter, apply only to the liens upon real property. When requested to do so by any person from whom a taxpayer is seeking credit, or with whom the taxpayer is negotiating the sale of any personal property, or by any other person having a legitimate interest in such information, the director shall, upon being satisfied that such a situation exists, inform such person as to the amount of unpaid taxes due by such taxpayer under the provisions of this chapter. The giving of such information under such circumstances shall not be deemed a violation of section 324.63 as applied to this chapter. [C35,§5093-f13; C39,§5093.13; C46, 50, 54,§324.22-324.24; C58, 62, 66,§324.65; C71, 73, 75, 77, 79,§324.66; 68GA, ch 75,§15]

If a licensee shall at any time abuse the privileges for which the license was issued, fail to produce records reasonably requested or fail to extend reasonable co-operation to the appropriate state agency, the licensee shall be advised in writing of a hearing scheduled to determine if said license shall be canceled. The appropriate state agency upon the presen-

tation of a preponderance of evidence shall be allowed to cancel a license for cause.

Upon receipt of written request from any licensee the appropriate state agency shall cancel the license of the licensee effective sixty days from the date of receipt of the request but no such license shall be canceled upon request unless and until the licensee shall, prior to the date of cancellation, have paid to the appropriate state agency all fuel taxes payable under this chapter, together with any and all penalties, interest and fines appertaining thereto. If, upon investigation, the appropriate state agency finds that a licensee is no longer engaged in the activities for which a license was issued and has not been so engaged for a period of six months, the state agency shall cancel the license and give sixty days' notice of the cancellation mailed to the last known address of the licensee. [C27, 31,§5093-a5; C35,§5093-f10, -f18, -f37; C39,§5093.10, 5093.18, 5093.37; C46, 50, 54,§324.18, 324.32, 324.65; C58, 62, 66,§324.67; C71, 73, 75, 77, 79,§324.68]

In the event any person shall refuse to obey subpoena, or after appearing refuses to testify, the state agency shall certify the name of the person to the district court of the county where the hearing is being held and the court shall proceed with the witness in the same manner as if the refusal had occurred in open court. [C27, 31,§5093-a5; C35,§5093-f10, -f11, -f12; C39,§5093.10, 5093.11, 5093.12; C46, 50, 54,§324.18-324.21; C58, 62, 66,§324.68; C71, 73, 75, 77, 79,§324.69]

**324.70 Discontinuance of licensed activity—liability for taxes and penalties.** If a licensee ceases to engage in the state in activities for which the person's license was issued or discontinues, sells, or transfers the business in which the person has carried on that activity the licensee shall notify the department of revenue, which shall forward notice to the state department of transportation, in writing at least ten days prior to the time the cessation, discontinuance, sale or transfer takes effect. The notice shall give the date of proposed cessation or discontinuance, and, in the event of a proposed sale or transfer of the business, the date and the name and address of the purchaser or transferee. All fuel taxes, penalties and interest under this chapter not yet due and payable shall, together with any and all interest accruing or penalties imposed under this chapter shall become due and payable concurrently with the cessation, discontinuance, sale or transfer, and it shall be the duty of the licensee to make a report and pay all the fuel taxes, interest, and penalties within ten days. To qualify for the refund, the person shall notify the department of revenue in writing of the loss or destruction and the gallonage lost or destroyed within ten days from the date of discovery of the loss or destruction. Within sixty days after filing the notice, the person shall file with the department of revenue an affidavit sworn to by the person having immediate custody of the motor fuel or special fuel at the time of the loss or destruction setting forth in full the circumstances and amount of the loss or destruction and such other information as the department of revenue may require. The refund shall be paid to the licensee immediately.

A refund or credit shall not be made under this section unless a written claim setting forth the circumstances for which the refund or credit should be allowed is filed with the appropriate state agency within one year from the date of the payment of the taxes erroneously or illegally collected or paid.

However, if it is found during an examination by the appropriate state agency that a licensee paid, as a result of a mistake, an amount of tax, penalty, or interest which was not due, and the mistake is found within three years of the overpayment, the appropriate state agency shall credit the amount against any penalty, interest or taxes due, or to become due, or shall refund the amount to the person. Every person collecting fuel tax money as part of the selling price of motor fuel or special fuel, shall hold the tax money in trust for the state of Iowa unless the fuel tax on the fuel has been previously paid to the state of Iowa. **326.1 Policy.** It is the policy of this state to promote and encourage the fullest possible use of its highway system by authorizing the negotiation and execution of motor vehicle reciprocal or proportional registration agreements, arrangements and declarations with other jurisdictions with respect to vehicles registered in this and such other jurisdictions, thus contributing to the economic and social development and growth of this state. [C71, 73, 75, 77, 79, §326.1]

**326.2 Definitions.** As used in this chapter, unless the context otherwise requires:

1. *"Department"* means the state department of transportation.
2. *"Director"* means the director of transportation or his designee.
3. *"Commercial vehicle"* means any vehicle which is operated in interstate commerce or combined intrastate and interstate commerce and used for the transportation of persons for hire, compensation or profit, or designed or used primarily for the transportation of property.
4. *"Jurisdiction"* means any county, state, territory, federal district, foreign country, or political subdivision thereof.

5. *"Proportional registration"* or *"proration"* means division and distribution of registration fees imposed on commercial vehicles between two or more jurisdictions in accordance with a formula based on miles traveled by such vehicles.

6. *"Base state"* with respect to commercial vehicles subject to proportional registration means the state from which the vehicle is most frequently dispatched, garaged, serviced, maintained, operated, or otherwise controlled, or also in the case of a fleet vehicle the state to which allocated for registration under statutory requirements.

7. *"Fleet"* means one or more commercial vehicles.

8. *"Total fleet miles"* means the mileage generated by any truck or truck tractor which was part of a prorate fleet during the fiscal year period of September 1 through August 31 preceding the year for which proportional registration is sought. Total fleet mileage to be reported for any truck or truck tractor which was deleted from or added to the prorate fleet during the fiscal year reporting period shall be only those miles generated by such truck or truck tractor while the vehicle was part of the prorated fleet during such fiscal year reporting period. "Total fleet miles" in relation to trailers or semitrailers which are

part of a prorate fleet means the mileage generated by the power units of the fleet; provided, however, that if such trailers or semitrailers were towed during the fiscal year reporting period by the power units which collectively were proportionally registered by the same fleet owner during the fiscal year reporting period as part of two or more fleets, "total fleet miles" in relation to such trailers or semitrailers means the total mileage generated by the several power fleets during the fiscal year reporting period even though some of the power units did not actually travel a portion of their total miles in contracting states where the proportional registration of such trailers or semitrailers is sought.

9. "In-state miles" means the mileage generated within this state by commercial vehicles in the fleet subject to proportional registration; except that, with respect to fleet vehicles based in Iowa, "in-state miles" shall also include all mileage traveled by such vehicles in states with whom Iowa has a proportional registration agreement but with whom the owner elects not to apportion registration fees and mileage traveled by such vehicles under reciprocity obtained by virtue of Iowa registration.

10. "Preceding year" means a period of twelve consecutive months fixed by the department, which period shall be within the sixteen months immediately preceding the commencement of the registration year for which proportional registration is sought.

11. "Trip" for purposes of section 326.23 means:

- a. A one-way movement from one point originating outside this state and destined to another point outside this state.
- b. A round trip movement between two points within this state.
- c. A round trip movement originating in this state or destined for a point within this state.

12. "Broker" for purposes of section 326.23 means any person who, as principal or agent, sells or offers for sale any transportation, or negotiates for, or holds himself out for solicitation, advertisement, or otherwise as one who sells, provides, furnishes, contracts, or arranges for such transportation. The term "broker" shall not include motor carriers and employees or agents thereof.

13. The words "vehicle," "motor vehicle," "motor truck," "truck tractor," "road tractor," "trailer," "semitrailer," "trailer coach," "combination" or "combination of vehicles," "gross weight," "person," "owner," "nonresident," "street" or "highway," and "auxiliary axle" shall have the meanings ascribed in section 321.1.

14. "Compact miles" means the total miles a fleet operates in this state and in all states with whom Iowa has an apportionment registration agreement and with whom the fleet owner has or will register vehicles on an apportioned registration basis. [C71, 73, 75, 77, 79, §326.2; 68GA, ch 1015, §51]

Referred to in §321 134, 321F 8, 326 7

**326.3 and 326.4** Repealed by 65GA, ch 1180, §197.

**326.5 Authority to agree to reciprocity.** The director may, subject to the approval of the transportation commission, enter into reciprocity agreements with

the duly authorized representatives of any jurisdiction exempting nonresidents of this state using the highways of this state from the registration requirements of chapter 321 and payment of any fees to this state with such conditions, restrictions, and privileges or lack of same as the director deems advisable. [S13, §1571-m16; C24, 27, 31, 35, §4866; C39, §5003.04; C46, 50, 54, 58, §321.56; C62, 66, §326.2; C71, 73, 75, 77, 79, §326.5]

Referred to in §326 6, 326 18, 327B 1

**326.6 Proportional registration of fleets.** The department may, pursuant to section 326.5, provide for proportional registration between this state and other jurisdictions of fleets of commercial vehicles owned by residents or nonresidents engaged in interstate commerce or simultaneously engaged in interstate and intrastate commerce.

1. The owners of fleets of commercial vehicles subject to proportional registration under apportionment agreements negotiated by the department shall file a sworn statement with the department which shall contain the following information and such other information as the department may require:

- a. Total fleet miles for the preceding year.
- b. In-state miles for the preceding year.
- c. A description and identification of each vehicle which is part of the fleet for which proportional registration is sought.

2. The dollar amount of registration fees due this state for each fleet subject to proportional registration shall be computed as follows:

a. Divide total fleet miles during the preceding year into in-state miles during the preceding year to determine the percentage of total fleet mileage allocable to this state.

b. Determine the sum total amount necessary to register each and every vehicle in the fleet based on the annual registration fees prescribed in chapter 321.

c. Multiply the percentage obtained under paragraph "a" of this subsection by the sum total obtained under paragraph "b" of this subsection.

d. The product so obtained under paragraph "c" of this subsection shall be the amount payable by the owner for proportional registration of the fleet for the registration year. Payment of registration fees shall be made in accordance with law.

3. The department may negotiate apportionment agreements on either a vehicle or a dollar basis. In apportionment on a vehicle basis, a sufficient number of vehicles shall be registered to produce total fee payments not less than an amount obtained by applying the proportion of in-state fleet miles to total fleet miles to the fees which would otherwise be required for total fleet registration in this state. [C71, 73, 75, 77, 79, §326.6]

Referred to in §326 7

**326.7 Agreements on basis of compact miles.** Notwithstanding any other law to the contrary, and as an alternative to the procedure set out in section 326.6, the department may enter into agreements providing for proportional registration between this state and other jurisdictions of fleets of commercial vehicles owned by residents or nonresidents engaged in inter-

state commerce or simultaneously engaged in interstate and intrastate commerce on the basis of compact miles.

The Iowa prorate percent will be computed by dividing the Iowa miles by the compact miles as defined in section 326.2. If the composite percentage paid by the Iowa resident to each of the states a party to an apportioned registration agreement with Iowa for apportioned registrations is less than one hundred percent, the department will redetermine the registration fees due the state of Iowa to bring the composite percent to one hundred percent. If the composite percent paid by the nonresident fleet operator to each of the states a party to an apportioned registration agreement with Iowa for apportioned registration fees on vehicles base plated in Iowa is less than one hundred percent, the department will redetermine the registration fees due the state of Iowa to bring the composite percent to one hundred percent on such Iowa base plated vehicles. [S13,§1571-m16; C24, 27, 31, 35,§4866; C39,§5003.04; C46, 50, 54, 58,§321.56; C62, 66,§326.2; C71, 73, 75, 77, 79,§326.7]

**326.8 Estimating mileage.** When in-state and total fleet or compact mileage cannot be computed for a particular fleet on the basis of actual operation during the preceding year, estimated mileage shall be accepted for the fleet's first prorate application. Estimated mileage shall be based on the proposed operation of the fleet during the entire year for which proportional registration is sought. The applicant shall substantiate the estimate by submitting details of his proposed operation including, but not limited to, type of operation, its location, routes, and frequency of operation. [C71, 73, 75, 77, 79,§326.8]

**326.9 Individual vehicles not to be proportionally registered.** The registrations of individual vehicles shall not be subject to proportional registration with this state. The same fleet, consisting of the same vehicles in each state, shall be proportionally registered in each state with which the fleet is prorated; and every one of the vehicles shall be included in the fleet in each state. Failure to comply with these requirements shall constitute grounds for cancellation of proration privileges. [C71, 73, 75, 77, 79,§326.9]

**326.10 Minimum fee.** The minimum fee for each vehicle registered with this state under an apportionment agreement shall not be less than ten dollars for each truck or truck tractor and two dollars for each trailer. If the department enters into an apportionment agreement where minimum fees are not permitted, the provisions of this section shall not apply. In addition to proportional registration fees, the department shall collect the amounts of fees due as hereinafter provided for the issuance of plates, stickers or other identification of all vehicles subject to proportional registration. [S13,§1571-m16; C24, 27, 31, 35,§4866; C39,§5003.04; C46, 50, 54, 58,§321.56; C62, 66,§326.2; C71, 73, 75, 77, 79,§326.10]

Referred to in §326.11

**326.11 Subsequently acquired vehicles.** Vehicles acquired by a fleet owner after the commencement of the registration year and subsequently added to the fleet shall be prorated by applying the mileage per-

centage used in the original application for such fleet for such registration period to registration fees due under chapter 321 but in no case less than that required by section 326.10. A supplemental report shall be filed with the department not later than ten days after such addition to the fleet.

The director may issue temporary written authorization to carriers for vehicles acquired by a fleet owner and added to the fleet owner's prorate fleet after the beginning of the registration year. The temporary authority shall permit the operation of a commercial vehicle until permanent identification is issued, except that the temporary authority shall expire after thirty days. [C71, 73, 75, 77, 79,§326.11; 68GA, ch 1015,§52]

**326.12 Vehicles deleted—registration transferred.** Fleet owners who delete commercial vehicles displaying Iowa base plates from the fleet after the commencement of the registration year shall be allowed to transfer registration credit to a replacement vehicle in accordance with the provisions of this section. Iowa shall allow credit for non-Iowa based deleted vehicles only if the state designated by the fleet owner as the base state of the deleted vehicle permits transfer of registration credit to the replacement vehicle. The fleet owner shall notify the department not later than ten days after such deletion and replacement. Allowance of credit for deleted vehicles shall be subject to the following conditions:

1. No additional registration fee shall be assessed on a replacement vehicle upon which the registration fee would have been the same as that for the deleted vehicle. The fee for reissuance or registration credentials or for transfer of credentials shall be seven dollars.

2. No deletion shall be made nor credit allowed toward registration of a replacement vehicle unless the vehicle to be removed from service has been sold, junked, repossessed, foreclosed by mechanic's lien, title transferred by operation of law, or cancellation or expiration of a lease arrangement. The deleted vehicle shall have been disposed of on or before the date the replacement vehicle was acquired or in the possession of the applicant.

3. If a leased vehicle is to be deleted from the fleet and unexpired registration fees applied to the replacement vehicle, the lessee shall certify to the department that any unexpired registration fees paid by the lessor to the lessee have been refunded to the lessor prior to the date of the supplemental application requesting credit for registration fees paid on the deleted vehicle. [C71, 73, 75, 77, 79,§326.12]

**326.13 Information under oath.** The department shall require fleet owners to submit under oath any information deemed necessary to carry out the provisions of this chapter. Information furnished under this chapter shall be forwarded to the director of the department by each fleet owner no later than January 1 of the current registration year. [S13,§1571-m16; C24, 27, 31, 35,§4866; C39,§5003.04; C46, 50, 54, 58,§321.56; C62, 66,§326.3; C71, 73, 75, 77, 79,§326.13]

**326.14 Plates and receipts.** The department shall issue registration plates and receipts pursuant to ap-

portionment agreements or arrangements authorized under this chapter. [C71, 73, 75, 77, 79, §326.14]

**326.15 Total composite over one hundred percent—refund.** If the composite percentage apportioned by an owner on a fleet of vehicles based in Iowa to each of the states with which Iowa has an apportionment agreement is more than one hundred percent percentagewise, the fleet owner may file a claim with the department for a refund of registration fees paid in excess of one hundred percent percentagewise. The claim for such refund shall be filed on or after December 1 of the year for which refund is requested, and the fleet owner shall furnish satisfactory evidence of the alleged overpayment. The department shall prescribe and provide suitable forms requisite or deemed necessary to process such claims and insure that claims are paid to fleet owners who have complied with proportional registration requirements. The fleet owner may elect to apply any such refund to proportional registration fees payable the next registration year in lieu of any refund payable under this section. The state of Iowa shall not be liable for claims unless filed within four full years following the calendar year for which the application is made. [C71, 73, 75, 77, 79, §326.15]

**326.16 Delinquent fees.** If the fees for such proportional registration are not paid to each contracting jurisdiction entitled thereto on the basis of the proportional registration application and supporting documents filed with the department by the fleet owner within a reasonable amount of time as determined by the department, the department shall redetermine fees due this state. If any additional fees due this state are not paid by the fleet owner within twenty days after the mailing to the owner of a notice by certified mail of the additional fees due, such owner's registration in this state shall be canceled. In addition, the fees due for registration in this state shall be a debt due to the state of Iowa. [S13, §1571-m16; C24, 27, 31, 35, §4866; C39, §5003.04; C46, 50, 54, 58, §321.56; C62, 66, §326.3; C71, 73, 75, 77, 79, §326.16]

**326.17 Iowa base plates.** Resident fleet owners shall be required to list Iowa as the base state for all commercial vehicles which qualify under the term "base state" as defined in this chapter, and Iowa base plates shall be displayed on all such commercial vehicles. Nonresident fleet owners subject to proportional registration shall display Iowa base plates if the commercial vehicle qualifies as an Iowa based vehicle as defined in this chapter. [C71, 73, 75, 77, 79, §326.17]

**326.18 Fully registered for interstate movement.** When a nonresident fleet owner has registered vehicles on a prorated basis, the vehicles are fully registered insofar as interstate commerce is concerned. The privileges granted to a nonresident pursuant to this chapter permit the operation of a vehicle which is simultaneously engaged in interstate movements and intrastate commerce, provided that the owner has intrastate authority or rights granted by the transportation regulation board. The board may also enter into reciprocity agreements pursuant to section 326.5 to permit interstate and intrastate movement of vehicles registered on a prorate basis by a nonresident

fleet owner, provided the owner has intrastate authority granted by the transportation regulation board and the jurisdiction in which the nonresident is base plated grants the same privilege to an Iowa base plated vehicle. Each vehicle upon which an Iowa base plate is required to be displayed under this chapter is fully registered for both interstate commerce and intrastate commerce. [S13, §1571-m16; C24, 27, 31, 35, §4866; C39, §5003.04; C46, 50, 54, 58, §321.56; C62, 66, §326.2; C71, 73, 75, 77, 79, §326.18; 68GA, ch 1015, §53]

**326.19 Records preserved.** Any owner complying with and granted proportional registration privileges shall preserve the records upon which applications are made for a period of four full years following the year for which the application was made. Upon request of the department, all fleet owners shall make all such records available to the department at the office of the director for audit as to accuracy of computation and payment. If the owner does not produce such records when so requested, the owner shall pay the costs of an audit by a duly appointed representative of the department at the home office of the owner. The department may enter into agreements with authorized agencies or other contracting states for joint audits of any such owner. [S13, §1571-m16; C24, 27, 31, 35, §4866; C39, §5003.04; C46, 50, 54, 58, §321.56; C62, 66, §326.4; C71, 73, 75, 77, 79, §326.19]

**326.20 Benefits extended to leased vehicles.** The department may, notwithstanding any provisions of the Code to the contrary, enter into reciprocity or proportional registration agreements which extend the benefits thereof to leased vehicles on the basis of the residence of the lessee. [S13, §1571-m16; C24, 27, 31, 35, §4866; C39, §5003.04; C46, 50, 54, 58, §321.56; C62, 66, §326.6; C71, 73, 75, 77, 79, §326.20]

**326.21 Laws of other states—Iowa interests.** In the absence of an agreement with another jurisdiction, the department may examine the laws and requirements of such jurisdiction and declare the extent and nature of exemptions, benefits, and privileges to be extended to vehicles or owners of vehicles properly registered or licensed in such other jurisdiction. The department shall consider the interests of the state of Iowa and the citizens thereof, the interests of the other jurisdictions and the citizens thereof, and the benefits which will accrue to the economy of the state of Iowa from the uninterrupted flow of commerce in declarations made under this section. Each declaration shall specify that the extent of exemptions, benefits, and privileges is subject to revision without notice upon adoption by the general assembly of legislation in conflict with the terms of any such declaration. [C71, 73, 75, 77, 79, §326.21]

**326.22 Operational laws of Iowa applicable.** A nonresident registered vehicle is subject to all laws and rules governing the operation of such vehicle on the highways of this state. The registration number plates, stickers, or other identification assigned and furnished to any vehicle for the current registration year by the state in which the vehicle is registered shall be displayed on the vehicle substantially as provided in chapter 321 for vehicles registered pursuant

to the provisions of this chapter. In addition, a fee set by the department to cover actual cost shall be charged for each plate, sticker, or other identification furnished for each vehicle registered in accordance with the provisions of this section or extended reciprocity in accordance with the provisions of this section. A charge shall not be made for the initial registration receipt or cab card issued for each vehicle registered pursuant to an apportionment registration agreement. A fee set by the department to cover actual costs shall be charged for issuance of duplicate plates, stickers or other identification required, duplicate registration receipts, and duplicate cab cards. [S13,§1517-m16; C24, 27, 31, 35,§4866; C39,§5003.04; C46, 50, 54, 58,§321.56; C62, 66,§326.5; C71, 73, 75, 77, 79, §326.22; 68GA, ch 1114,§1]

Referred to in §805 8

### 326.23 Trip permits.

1. The owner of a commercial vehicle which is properly registered and licensed in some other jurisdiction and is to be operated occasionally on highways in this state, may in lieu of payment of the annual registration fee for such vehicle obtain a trip permit authorizing operation of the vehicle on the highways of this state in interstate commerce for a period of not to exceed seventy-two hours. The fee for the trip permit shall be ten dollars.

2. The department may enter into agreements with owners and operators of truck stops to permit the owners and operators of truck stops to issue trip permits subject to any conditions imposed by the department. In addition to the trip permit fee, the owner or operator of a truck stop may charge an issuance fee of not more than one dollar. For the purposes of this section, "truck stop" means any place of business which sells fuel normally used by trucks and which is open twenty-four hours per day. [C66,§326.7; C71, 73, 75,§326.23, 326.24; C77, 79,§326.23]

Referred to in §326 2(11, 12), 805 8

### 326.24 Repealed by 66GA, ch 173, §12.

**326.25 Applications—investigations.** The department shall examine and determine the genuineness, regularity, and legality of every application lawfully made pursuant to this chapter, and may in all cases make investigations as may be deemed necessary or require additional information. The department shall reject any such application if not satisfied of the genuineness, regularity, or legality thereof of the truth of any statement contained therein, or for any other reason, when authorized by law. The department is hereby authorized to take possession of any indicia of proportional registration or reciprocity upon expiration, revocation, cancellation, or suspension thereof, or which is fictitious, or which has been unlawfully or erroneously issued.

The department may suspend or revoke the registration indicia of a vehicle registered on a prorated basis in any one of the following events:

1. When the department is satisfied that such registration indicia was issued upon fraudulent application. Bona fide errors shall be corrected within fifteen days after notification by the department.

2. When the department determines that the required fee has not been paid and same is not paid upon reasonable notice and demand.

3. When the registration indicia is knowingly displayed on a vehicle which is not in the prorated fleet of the registrant. [C71, 73, 75, 77, 79,§326.25]

**326.26 Forms.** The department shall prescribe and provide suitable forms of application, registration receipts, and all other forms requisite or deemed necessary to carry out the provisions of this chapter. [C71, 73, 75, 77, 79,§326.26]

**326.27 Violations to negate agreements.** Operation of a commercial vehicle or vehicles in violation of the requirements of this chapter, the motor vehicle registration laws of this state, or the terms of any agreement negotiated by the department pursuant to this chapter may, after due notice and hearing, be grounds for denial of reciprocal or proportional registration privileges on the vehicle or vehicles of an owner so operated. Any owner denied such reciprocal or proportional registration privileges shall be subject to payment of full annual Iowa registration fees on any such vehicle operated on Iowa highways. In addition to denial of reciprocal or proportional registration privileges, it shall be a simple misdemeanor, unless such act is declared under Iowa law to be a felony, for any person to operate under reciprocity or proportional registration in violation of any requirements of this chapter. [C66,§326.7; C71, 73, 75, 77, 79,§326.27]

**326.28 Copies of records—fee.** A fee shall be charged for copies of such records as may be provided from the office of the department or the director. [C71, 73, 75, 77, 79,§326.30]

**326.31 Filing incorrect information—effect.** Whenever the director has reason to believe that a fleet owner has filed incorrect information with the department or the department of revenue, for the purpose of reducing the fleet owner's obligation for registration fees or fuel taxes, the director may cancel the apportioned registration privileges on all of the vehicles owned by such person. Any person who has such privileges canceled shall be subject to the

payment of the full annual registration fee for all vehicles operated on the highways of this state for a period of at least five years thereafter. The director of revenue shall co-operate with the department in ascertaining the accuracy of all reports filed pertaining to registration fees and motor fuel taxes.

Any person whose privileges are canceled may request an administrative hearing of said action before the transportation regulation board, and during the period pending the hearing the apportioned registration privileges shall be reinstated if the fleet owner posts security with the department in an amount sufficient to pay such full annual fees if an adverse decision is rendered at the hearing. At such hearing the fleet owner shall have the burden of proof as to the accuracy of any report filed by the fleet owner with the department or the department of revenue. **326.32 Additional fees or restrictions by other states—effect.** If the laws of any other state or country impose any taxes, fees, charges, penalties, obligations, prohibitions, or limitations of any kind upon the vehicles of residents of Iowa, in addition to those imposed upon the vehicles of residents of such other state or country by the state of Iowa, the department may impose and collect fees and charges in the same amount and impose the same obligations, prohibitions, or limitations upon the owner or operator of a vehicle registered in such other state or country. [C71, 73, 75, 77, 79, §326.32]

[C97,§2124; C24, 27, 31, 35, 39,§8046; C46, 50, 54, 58, 62, 66, 71, 73, 75,§479.11; C77, 79,§327D.10]

**327D.13 Long and short haul—fair rate.** No common carrier, subject to the provisions of this chapter, shall charge more for the transportation of persons or property to or from any point on its railroad than a fair and just rate or charge.

No such carrier shall charge or receive any greater compensation in the aggregate for the transportation of persons or of a like kind of property for a shorter than for a longer distance, over the same line or route in the same direction within this state, the shorter being included within the longer distance, or charge any greater compensation as a through rate than the aggregate of the intermediate rates; but this shall not be construed as authorizing any such common carrier to charge or receive as great a compensation for a shorter as for a longer distance or haul; provided that

upon application to the board such common carrier may, in special cases, after investigation, be authorized by the board to charge less for a longer than for a shorter distance for the transportation of persons or property; and the board may from time to time prescribe the extent to which such designated common carrier may be relieved from the operation and requirement of this section; but in exercising the authority conferred upon it in this proviso, the board shall not permit the establishment of any charge to or from the more distant point that is not reasonably compensatory for the service performed; and, if a circuitous rail line or route is, because of such circuitry, granted authority to meet the charges of a more direct line or route to or from competitive points and to maintain higher charges to or from intermediate points on its line, the authority shall not include intermediate points as to which the haul of the petitioning line or route is not longer than that of the direct line or route between the competitive points. [C73,§1297-1299; C97,§2127; C24, 27, 31, 35, 39,§8050; C46, 50, 54, 58, 62, 66, 71, 73, 75,§479.15; C77, 79,§327D.14]

Referred to in §327D 40

**327D.15 Continuous shipments.** It shall be unlawful for any common carrier subject to the provisions of this chapter to enter into any combination, contract or agreement, expressed or implied, to prevent, by change of time schedules, carriage in different cars, or, by other means or device, the carriage of freights from being continuous from place of shipment to the place of destination in the state; and no break of bulk, stoppage, or interruption made by such common carrier shall prevent the carriage of freights from being treated as one continuous carriage from the place of shipment to the place of destination, unless such break, stoppage, or interruption was made in good faith for some necessary purpose, and without any intent to avoid or unnecessarily interrupt such continuous carriage, or to evade any of the provisions of this chapter. [C97,§2129; C24, 27, 31, 35, 39, §8051; C46, 50, 54, 58, 62, 66, 71, 73, 75,§479.16; C77, 79,§327D.15]

thereby for three times the amount of damages sustained in consequence, together with costs of suit, and a reasonable attorney's fee to be fixed by the court, on appeal or otherwise, which shall be taxed and collected as part of the costs in the case; but in all cases demand in writing shall be made of the carrier for the money damages sustained before action is brought for a recovery under this section, and no action shall be brought until the expiration of fifteen days after such demand. #### RATE SCHEDULES

**327D.65** Reserved.

**327D.66 Rate schedules—filing and public access.** Every common carrier, subject to the provisions of this chapter shall file with the board and shall print schedules showing the rates for the transportation within this state of persons and property from each point upon its route to all other points thereon and from all points upon its route to all points upon every other route leased, operated, or controlled by it; and from each point on its route or upon any route leased, operated, or controlled by it to all points upon the route of any other common carrier, whenever a through route and a joint rate shall have been established or ordered between any two such points. If no joint rate over a through route has been established, the schedules of the several carriers in such through

route shall show the separately established rates, applicable to the through transportation.

Subject to rules which the board shall adopt, the schedules shall be plainly printed and a copy of often used schedules shall be kept by every carrier readily accessible to and for inspection by the public in every station and office of the carrier where passengers or property are received for transportation when the station or office is in the charge of an agent. A notice printed in bold type and stating that the often used schedules are on file with the agent and open to public inspection, and that the agent will assist any person to determine from the schedule any rate shall be posted by the carrier in public and conspicuous places in each station or office. The board shall, by rule, provide that adequate public access to schedules not often used be provided in a different manner. The form of every schedule shall be prescribed by the board and shall conform, in the case of common carriers, as nearly as may be to the form prescribed by the interstate commerce commission. [C73,§1304; C97,§2128; C24, 27, 31, 35, 39,§8084, 8088; C46, 50, 54, 58, 62, 66, 71, 73, 75,§479.50, 479.54; C77, 79,§327D.67]

[C24, 27, 31, 35, 39,§8089; C46, 50, 54, 58, 62, 66, 71, 73, 75,§479.55; C77, 79,§327D.72]

**327D.73 Partial schedules.** In lieu of filing its often used schedule in each station or office, any common carrier may file with the board and keep posted at such stations or offices, schedules of such rates as are applicable at, to, and from the places where such

stations or offices are located subject to rules adopted by the board. [C97,§2128; C24, 27, 31, 35, 39,§8090; C46, 50, 54, 58, 62, 66, 71, 73, 75,§479.56; C77, 79,§327D.73]

Political subdivisions shall notify the board within sixty days of July 1, 1976, of each existing resolution or ordinance which does not conform with the provisions of this section. Political subdivisions not notifying the board of an existing resolution or ordinance during the calendar year beginning January 1, 1976 shall have an additional sixty days after July 1, 1977 to notify the board. 1. The department shall promulgate rules pursuant to the provisions of chapter 17A governing the issuance by the department of certificates of registration to all airports in this state which are open for use by the public and governing the annual renewal of

those certificates. These rules shall require that an airport applying for a certificate of registration or for a renewal shall comply with minimum standards of safety as promulgated by the department, adopt safe air traffic patterns, and demonstrate that such air traffic patterns are safely co-ordinated with those of all existing airports and approved airport sites in its vicinity before the certificates of registration or certificate of renewal may be issued. Certificates of registration or renewal may be issued subject to any conditions the department deems necessary to carry out the purposes of this section. The department may, after notice and opportunity for hearing as provided in chapter 17A, revoke any certificate of registration or renewal, or may refuse to issue a renewal, when it determines:

a. That there has been an abandonment of the airport as such;

b. That there has been a failure to comply with the conditions of the registration or renewal thereof; or

c. That because of change of physical or legal conditions or circumstances the airport has become either unsafe or unusable for the aeronautical purposes for which the registration or renewal was issued.

2. The department shall promulgate rules pursuant to the provisions of chapter 17A governing the issuance by the department of certificates of airport site approval. These rules shall provide that any person or governmental subdivision desiring or planning to construct or establish an airport shall obtain a certificate of site approval prior to acquisition of the site or prior to the construction or establishment of the airport. The department shall charge a reasonable fee, based on the cost of a safety inspection of the site approval application, for the issuance of a certificate of site approval, and shall issue such a certificate if it finds:

a. That the site is adequate for the proposed airport;

b. That such proposed airport, if constructed or established, will conform to minimum standards of safety as promulgated by the department; and

c. That safe air traffic patterns are established for the proposed airport which are safely co-ordinated with the traffic patterns of all existing airports and approved airport sites in its vicinity.

3. A certificate of site approval shall remain in effect until a certificate of registration has been issued to an airport located on the approved site as provided in subsection 1, unless the department, after notice and opportunity for hearing, revokes the certificate of site approval upon a finding that:

a. There has been an abandonment of the site as an airport site;

b. There has been a failure within two years to develop the site as an airport, or to comply with the conditions of the approval; or

c. Because of change of physical or legal conditions or circumstances the site is no longer usable for the aeronautical purposes for which the approval was granted.

4. No certificate of site approval shall be required for the site of any existing airport.

5. In considering an application for approval of a proposed airport site or the issuance of an airport registration certificate under subsections 1 and 2, the department may, on its own motion or upon the request of an affected or interested person, hold a hearing as provided in chapter 17A. [C31, 35,§8338-c2; C39,§8338.15; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§328.19]

Referred to in §328.26, 328.35

**328.20 Registration of aircraft.** Every civil aircraft owned either wholly or in part by persons residing in this state, unless specifically excepted under the provisions of this chapter, shall be registered annually with the department, by the owner thereof. [C31, 35,§8338-c2; C39,§8338.15; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§328.20]

Referred to in §328.26, 328.35

**328.21 Aircraft registration fees.** There shall be paid to the department at the time of such registration an annual registration fee for each such aircraft, to be computed as follows:

1. Unless otherwise provided in this section, for the first registration, a sum equal to one and one-half percent of the manufacturer's list price of the aircraft.

2. After said aircraft has been registered once the registration fee shall be seventy-five percent of the rate as fixed for the first registration; after two times fifty percent; and after three times twenty-five percent; provided, however, that no aircraft shall be registered for a registration fee of less than fifteen dollars.

3. Where there is no delinquency and the registration is made in August or succeeding months to and including May, the fee shall be computed on the basis of one-twelfth of the annual registration fee multiplied by the number of the unexpired months of the year and said amount shall be the fee collected. No fee shall be required for the month of June for a new aircraft, in good faith delivered in that month, providing said aircraft is registered at the time of purchase for the following year.

4. The registration fee for an aircraft operated in scheduled interstate airline operation, owned by an Iowa person and operated part-time within this state shall be a fee of thirty-five dollars. The application for registration shall be supported by such records as the department shall prescribe.

5. Should the department find and determine that no established manufacturer's list price exists for any such aircraft the department is hereby authorized and empowered to determine and fix the fair value of such aircraft which fair value shall be used in lieu of a manufacturers' list price in computing the registration fee for each such aircraft as otherwise provided by this section.

When the fee as so computed results in a fractional part of a dollar, it shall be computed to the nearest quarter of a dollar.

6. Any aircraft thirty years old, or older, which is used exclusively for noncommercial purposes shall be registered as an antique aircraft for a registration fee of fifteen dollars. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§328.21]

Referred to in §328.26

**328.22 Used aircraft.** When an aircraft other than new is registered in Iowa the age of the aircraft in years calculated to the nearest anniversary of the date of manufacture shall be construed as the number of times previously registered, and reduction of the registration fee computed accordingly. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§328.22]

Referred to in §328.26

**328.23 Credit on registration fees.** There shall be credited upon the registration fee due for the registration of any aircraft pursuant to the provisions of this chapter, except aircraft used for the application of herbicides and pesticides, any tax, registration fee, or license fee levied upon or charged for said aircraft and paid to any other state, and the registration fee due and to be collected pursuant to the provisions of this chapter, shall be reduced by the amount of said tax, registration fee or license fee, upon the presentation of the official receipt therefor with the application for registration. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§328.23]

**328.24 Refunds of fees.** If, during the year for which an aircraft, except nonresident aircraft used for the application of herbicides and pesticides, was registered and the required fee paid, the aircraft is destroyed by fire or accident or junked, and its identity as an aircraft entirely eliminated, or it is removed and continuously used beyond the boundaries of the state, then the owner in whose name it was registered at the time of destruction, dismantling, or removal from the state shall return the certificate of registration to the department within ten days and make affidavit of such destruction, dismantling, or removal and make claim for the refund. The refund shall be paid from the state aviation fund.

The registration fee for the unexpired portion of the year shall be refunded pro rata to the nearest full calendar month. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§328.24; 68GA, ch 1001,§45]

Amendment effective July 1, 1981, 68GA, ch 1001, §46

**328.25 Fees in lieu of taxes.** The registration fees imposed by this chapter upon aircraft shall be in lieu of all taxes, general or local, except state sales or use tax, to which aircraft might otherwise be subject. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§328.25]

**328.26 Application for registration.** Every application for registration pursuant to sections 328.19 to 328.22 shall be made upon such forms, and shall contain such information, as the department may prescribe, and every application shall be accompanied by the full amount of the registration fee. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§328.26]

**328.27 Issuance of certificates.** The department shall forthwith cause to be issued, upon receipt of proper application and fee for registration, a certificate of registration which shall be numbered and recorded by the department, shall state the name and address of the person to whom it is issued, shall be entitled with the designation of the class of registrant covered thereby and shall contain such other information as the department may prescribe including, in the case of aircraft, a description thereof. Every certificate of registration or special certificate issued

hereunder shall expire at midnight on the thirtieth day of June of each year. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §328.27]

**329.1 Definitions.** The following words, terms, and phrases, when used in this chapter, shall, for the purposes of this chapter, have the meaning herein given, unless otherwise specifically defined, or unless another intention clearly appears, or the context otherwise requires:

1. "Airport" means any area of land or water designed and set aside for the landing and take-off of aircraft and utilized, or to be utilized, in the interest of the public for such purposes.

2. "Airport hazard" means any structure or tree or use of land which would exceed the federal obstruction standards as contained in 14 code of federal regulations sections 77.21, 77.23 and 77.25 as revised March 4, 1972, and which obstruct the air space required for the flight of aircraft and landing or take-off at an airport or is otherwise hazardous to such landing or taking off of aircraft.

3. "Airport hazard area" means any area of land or water upon which an airport hazard might be established if not prevented as provided by this chapter.

4. "Municipality" means any county or city of this state.

5. "Person" means any individual, firm, co-partnership, corporation, company, association, joint stock association, or body politic, and includes any trustee, receiver, assignee, or other similar representative thereof.

6. "Structure" means any object constructed or installed by man, including, but without limitation, buildings, towers, smokestacks, and overhead transmission lines, including the poles or other structures supporting the same.

7. "Tree" means any object of natural growth.

8. "Obstruction" means any tangible, inanimate physical object, natural or artificial, protruding above the surface of the ground.

9. "Department" means the state department of transportation.

10. The singular shall include the plural, and the plural the singular. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§329.1]

**329.2 Airport hazards contrary to public interest.**

It is hereby found that an airport hazard endangers the lives and property of users of the airport and of occupants of land and other persons in its vicinity, and also, if of the obstruction type, in effect reduces the size of the area available for the landing, taking off and maneuvering of aircraft, thus tending to destroy or impair the utility of the airport and the public investment therein. Accordingly, it is hereby declared:

1. That the creation or establishment of an airport hazard is a public nuisance and an injury to the community served by the airport in question.

2. That it is necessary in the interest of the public health, safety, and general welfare that the creation or establishment of airport hazards be prevented.

3. That this should be accomplished, to the extent legally possible, by proper exercise of the police power.

4. That the prevention of the creation or establishment of airport hazards, and the elimination, removal, alteration, mitigation, or marking and lighting of existing airport hazards are public purposes for which municipalities may raise and expend public funds, as an incident to the operation of airports, to acquire land or property interests therein. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§329.2]

See §657 2(9)

**329.3 Zoning regulations—powers granted.**

Every municipality having an airport hazard area within its territorial limits may adopt, administer, and enforce in the manner and upon the conditions prescribed by this chapter, zoning regulations for such airport hazard area, which regulations may divide such area into zones and, within such zones, specify the land uses permitted, and regulate and restrict, for the purpose of preventing airport hazards, the height to which structures and trees may be erected or permitted to grow. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§329.3]

Referred to in §329 4(2), 329 6

**329.4 Extra-territorial airport hazard areas.**

When any airport hazard area appertaining to an air-

port owned or controlled by a municipality is located outside the territorial limits of said municipality:

1. *Ordinances or resolutions.* The municipality owning or controlling the airport, and the municipality within which the airport hazard area is located, may by duly adopted ordinance or resolution, as may be appropriate, adopt, administer, and enforce airport zoning regulations applicable to the airport hazard area in question.

2. *Petition to district court.* If the municipality within which is located such airport hazard area has failed or refused, within sixty days after demand has been made upon it by any municipality owning or controlling the airport, to adopt reasonably adequate airport zoning regulations under section 329.3, or to join in adopting joint airport zoning regulations as authorized in subsection 1 of this section, the municipality owning or controlling the airport may, upon a resolution of necessity therefor duly adopted by its governing body, petition the district court of the county in which such airport hazard area or any part thereof is located, in the name of the municipality owning or controlling the affected airport, praying that zoning regulations be established for the airport hazard area in question.

3. *Petition—contents.* Such petition shall allege all essential facts showing the necessity for bringing such action, the relief sought including proposed zoning regulations, and the necessity therefor.

Referred to in §329 6

4. *Parties.* The parties defendant in such action shall be the municipality in which such airport hazard area is located, and all persons having an apparent or contingent interest in the property located within such area, who may be joined in said action generally as a class.

Referred to in §329 6

5. *Procedure.* The action shall be triable in equity and in accordance with general rules of civil procedure, except that such action shall have precedence over any other business of the court except criminal cases, and the court shall set said petition for hearing not less than sixty days nor more than one hundred twenty days from the date it is filed with the clerk of said court.

Referred to in §329 6

6. *Notice.* The original notice in such action shall be served upon the municipality in which such airport hazard area is located, and in the same manner as original notice of any other action but not less than thirty days prior to the date set for trial; and upon all other defendants by the publication of said notice in some newspaper or newspapers of general circulation within the area described in the petition, or as near thereto as possible, which publication shall be in the same manner as provided for the publication of other original notices, provided, however, that the last publication thereof shall be not less than thirty days prior to the date set for trial.

Referred to in §329 6

7. *Decree and modification.* Upon trial the court may enter decree establishing such zoning regula-

tions as it shall find reasonable and necessary. The court having once taken jurisdiction of such matter shall retain continuing jurisdiction thereof for such subsequent modification as it may deem advisable, upon proper application of interested parties, and due showing made thereunder after such notice to possible adverse parties as the court shall prescribe.

Referred to in §329 6

8. *Appeal.* Any person or municipality adversely affected or aggrieved by any findings of the court may appeal therefrom as in other civil actions.

Referred to in §329 6

9. *Enforcement.* Following the entry of any final decree by the district court, and unless appeal has been taken therefrom, the zoning regulations established by such decree may be enforced, and violations thereof punished, as provided by section 329.14. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §329.4]

Referred to in §329 6

**329.5 Prevention of airport hazards.** Any municipality owning or controlling an airport may maintain actions in equity to restrain and abate as nuisances the creation or establishment of airport hazards appertaining to said airport, in violation of any zoning regulations adopted or established pursuant to the provisions of this chapter for any area whether within or without the territorial limits of said municipality. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §329.5]  
See §657 2(9)

**329.6 Zoning powers.** If any municipality owning or controlling an airport adjacent to which there is an airport hazard area shall fail or refuse, within sixty days after demand made upon it by the department, to adopt reasonably adequate airport zoning regulations under section 329.3, or to proceed as provided in section 329.4, the department may petition the district court of the county in which such airport hazard area, or any part thereof, is located, in the name of the state, praying that zoning regulations be established for the airport hazard area in question, and the provisions of section 329.4, subsections 3 to 9, shall apply to such actions provided, however, that such municipality shall be joined as a party defendant in any such action.

The department may maintain actions in equity to restrain and abate as nuisances the creation or establishment of airport hazards appertaining to any airport within the state, in violation of any zoning regulations adopted or established pursuant to the provisions of this chapter. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §329.6]

**329.7 Relation to comprehensive zoning regulations.** Any municipality which has adopted, or hereafter adopts, zoning ordinances under the provisions of chapter 414, is hereby empowered to incorporate therein such airport hazard area zoning regulations as are provided for by this chapter, and to administer and enforce the same as herein provided. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §329.7]

other regulations applicable to the same area, whether the conflict be with respect to the height of structures or trees, the use of land, or any other matter, the more stringent limitation or requirement shall govern and prevail. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §329.8]

**329.9 Procedure for adopting zoning regulations—zoning commission.** In adopting, amending, and repealing airport zoning regulations under this chapter the governing body of the municipality shall follow the procedure as provided in sections 414.4 and 414.6. Any action taken on the part of any county under this chapter shall be by resolution of the board of supervisors thereof and no such action shall be taken without a majority of the board of supervisors voting therefor and consenting thereto. The commission so appointed shall be known as the airport zoning commission. The airport zoning commission shall consist of two members from each municipality selected by the governing body thereof and one additional member to act as chairman and to be selected by a majority vote of the members selected by the municipality. The terms of the members of the airport zoning commission shall be for six years excepting that when the board shall first be created, one of the members appointed by each municipality shall be appointed for a term of two years and one for a term of four years. Members may be removed for cause by the appointing authority upon written charges after public hearing. Vacancies shall be filled for the unexpired term of any member whose office becomes vacant in the same manner in which said member was selected. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §329.9]

**329.10 Airport zoning requirements.**

1. All airport zoning regulations adopted under this chapter shall be reasonable and none shall impose any requirement or restriction which is not necessary to effectuate the purposes of this chapter.

2. No airport zoning regulations adopted under this chapter shall require the removal, lowering, or other change or alteration of any structure or tree, or interfere with any use, not conforming to the regulations when adopted or amended, except that they may require the owner thereof to permit the municipality at its own expense to install, operate, and maintain thereon such markers and lights as may be necessary to indicate to operators of aircraft the presence of the airport hazard.

3. All such regulations shall provide that no pre-existing nonconforming structure, tree, or use, shall be replaced, rebuilt, altered, allowed to grow higher, or replanted, so as to constitute a greater airport hazard than it was when such airport zoning regulations or amendments thereto were adopted. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §329.10]

**329.11 Variances.** Any person desiring to erect or increase the height of any structure, or to permit the growth of any tree, or otherwise use his property in violation of airport zoning regulations adopted under this chapter, may apply to the board of adjustment for a variance from the zoning regulations. Such variances shall be allowed where a literal application or enforcement of the regulations would result in prac-

tical difficulty or unnecessary hardship and the relief granted would not be contrary to the public interest, but would do substantial justice and be in accordance with the spirit of the regulations and this chapter; provided, however, that any such variance may be allowed subject to any reasonable conditions that the board of adjustment may deem necessary to effectuate the purposes of this chapter, including the reservation of the right of the municipality, at its own expense, to install, operate, and maintain thereon such markers and lights as may be necessary to indicate to operators of aircraft the presence of the airport hazard. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §329.11]

**329.12 Board of adjustment—creation—powers—duties.** The governing body of any municipality availing or seeking to avail itself of the powers by this chapter conferred shall, by ordinance or resolution duly adopted, provide for the appointment of a board of adjustment, as provided in section 414.7. Such board of adjustment shall have the same powers and duties, and its procedure, and appeals thereto and therefrom, in all respects shall be governed by and subject to the same provisions established in sections 414.9 to 414.19.

The concurring vote of a majority of the board shall be necessary to reverse any order, requirement, decision or determination of any administrative official or to decide in favor of the applicant on any matter upon which it is required to pass under any regulations adopted pursuant to this chapter or to effect any variance therefrom.

The board of adjustment shall consist of two members from each municipality, selected by the governing body thereof, and one additional member to act as chairman and to be selected by a majority vote of the members selected by the municipality. Members shall be removable for cause by the appointing authority upon written charges and after public hearing. Vacancies shall be filled for the unexpired term of any member whose office becomes vacant in the same manner in which said member was selected. The terms of the members of the board of adjustment shall be for five years, excepting that when the board shall first be created, one of the members appointed by each municipality shall be appointed for a term of two years and one for a term of four years. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §329.12]

**329.13 Administration of airport zoning regulations.** All airport zoning regulations adopted under this chapter shall provide for the administration and enforcement of such regulations by an administrative agency (which may be an agency created by such regulations), or by any official, board, or other existing agency of the municipality adopting the regulations, or of one or both of the municipalities which participated therein, but in no case shall such administrative agency be or include any member of the board of adjustment. The duties of any administrative agency designated pursuant to this chapter shall not include any of the powers herein delegated to the board of adjustment. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §329.13]

**329.14 Enforcement and remedies.** Each violation of this chapter or of any regulations, order, or rules

promulgated pursuant to this chapter, shall constitute a simple misdemeanor and each day a violation continues to exist shall constitute a separate offense. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §329.14]

Referred to in §329.4(9)

**329.15 Short title.** This chapter shall be known and may be cited as the "Airport Zoning Act." [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §329.15]

[C31, 35, §5903-c3; C39, §5903.03; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §330.5]

Notice of a special election must be published twice in a newspaper of general circulation in the county or township, not less than ten nor more than twenty-five days before the date of the election.

The question submitted to the voters shall state the maximum amount of bonds proposed and the maximum tax levy necessary to repay the bonds plus interest. If sixty percent of those voting approves the proposition, the governing body may proceed as proposed.

The department shall issue approval of the plans and specifications if it finds that they are in substantial accord with the rules promulgated by the department or with the regulations of the federal aviation administration or other department of the federal government having general supervision of air navigation as it relates to plans and specifications for airports. [C31, 35, §5903-c7; C39, §5903.07; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §330.9]

Such political subdivisions are authorized to borrow money for the purpose of purchasing or constructing the improvements herein authorized, and as evidence of such money borrowed to issue their bonds payable solely and only from the revenues derived from such improvements. Such bonds may be issued in such amounts as may be necessary to provide sufficient funds to pay all the costs of construction and operation of such improvement, including engineering and other expenses, together with interest to a date six months subsequent to the estimated date of completion. The principal and interest of said bonds shall be payable solely and only from the special fund herein provided for such payments, and said bonds shall not in any respect be a general obligation of such political subdivision, nor shall they be payable in any manner by taxation. Such political subdivision is authorized and directed to charge the users of such improvements at rates which at all time, shall be sufficient to pay the principal and interest on the bonds issued under the provisions of this chapter, and the cost of operation and maintenance, and to provide an adequate depreciation fund. Bonds issued pursuant to the provisions of this section shall bear interest at a rate not exceeding that permitted by chapter 74A. Taxes for the payment of said bonds shall be levied in accordance with chapter 76 and said bonds shall be payable in not more than twenty years and bear interest at a rate not exceeding that permitted by chapter 74A and shall be of such form as the governing body shall by resolution provide, but no county or township shall become indebted in excess of five percent of the actual value of its taxable property, as shown by the last preceding state and county tax lists. The indebtedness incurred for the purpose provided in this section shall not be considered an indebtedness incurred for general or ordinary purposes.

If a majority of the voters favors placing the management and control of the airport in an airport commission, the commission shall be established as provided in this chapter.

The management and control of an airport by an airport commission may be ended in the same manner. If a majority of the voters does not favor continuing the management and control of the airport in an airport commission, said commission shall stand abolished sixty days from and after the date of such

2. The term "board" shall mean the governing body of an authority.
3. The term "municipality" shall mean any county or city of this state, and any political subdivision of any state whose borders are at any point conterminous with those of this state and whose laws shall permit the entry of and submission by such political subdivision to an authority created and operating pursuant to the provisions of this chapter.

[C71, 73, 75, 77, 79, §330A.4]

**330A.5 Board.** Each authority shall have a board and said board shall be the governing body of the authority exercising all of the rights, duties, and powers conferred by this chapter upon the authority. Board membership shall be established in the following manner: Committee members shall elect in separate ballots from among their membership seven persons, provided, however, that the maximum number of municipalities is represented on said board. Committee members elected to the board shall resign from the committee. Where a committee consists of less than seven members such committee shall elect sufficient nonmembers to the board so that the board consists of seven persons. However, no official or employee of any member municipality is eligible for election to the board. The term of the two persons first so elected shall be for five years, of the next three persons so elected for three years, and of the next two persons so elected for one year. Thereafter, as those terms expire, the terms of successors shall be for five years. Each member of the board shall qualify by taking an oath to faithfully perform the duties of his office. Within forty-five days after any vacancy occurs on the board by death, resignation, change of residence or removal of any member, or from any other cause, the successor of such member shall be elected in the same manner as his predecessor was elected and shall serve for the unexpired term of his predecessor. The board shall elect one of its members as

Board members and officers shall serve until a successor is duly elected and qualified. In no event shall a salary be paid to a board member, however, each board member shall be reimbursed for actual expenses incurred by him in the performance of his duties. All actions by an authority shall require the affirmative vote of a majority of the board of an authority as it may exist at the time. [C71, 73, 75, 77, 79, §330A.5]

#### **330A.6 Creation of an authority.**

1. Whenever the governing body of any municipality shall desire to participate in the creation of an authority it shall adopt a resolution signifying its intention to do so and shall publish said resolution at least one time in a newspaper of general circulation in such municipality giving notice of a hearing to be held on the question of the municipality's entry into such authority. Such resolution shall be published at least fourteen days prior to the date of hearing, and shall contain therein the following information:

- b. The names of other municipalities which have expressed their intention to join in the creation of the authority.
- c. Number of committee members to be appointed from such municipality.

Referred to in §330A.7, 330A.15

#### **330A.7 Withdrawal.**

1. Whenever an authority has been created by two or more municipalities, any one or more of such municipalities may withdraw therefrom but no municipality shall be permitted to withdraw from any authority after any obligations thereof have been incurred unless in the opinion of the authority satisfactory provision has been made by the withdrawing municipality for the payment of its portion of such outstanding obligations. Whenever an authority has been created by two or more municipalities, any municipality not having joined in the original agreement may subsequently join in the authority.

2. Any municipality wishing to withdraw from or to become a member of an existing authority shall signify its desire by resolution and shall publish said resolution at least one time in a newspaper of general circulation in such municipality giving notice of a hearing to be held on the question of withdrawing or joining and its intention to withdraw or join. Said resolution shall be published in a newspaper of general circulation in such withdrawing or joining mu-

nicipality at least fourteen days prior to the date of hearing. A withdrawing municipality shall state in said resolution why it wishes to withdraw and how it intends to pay its portion of the outstanding obligation, if any. A joining municipality shall state in said resolution the information required in section 330A.6. A copy of said resolution shall be certified to the authority by the municipality at least fourteen days in advance of said hearing. After the hearing and if in the best interest of the municipality, the municipality shall enact an ordinance authorizing the withdrawing or joining. The authority shall by resolution express its consent to such withdrawal, or joining, if satisfactory provision has been made as aforesaid.

3. An application to withdraw or join shall be submitted to the authority and shall in all cases be executed by the proper officers of the withdrawing or incoming municipality under its municipal seal and accompanied by a certified copy of the authorizing ordinance, and shall be joined in by the proper officers of the governing body of the authority.

4. A municipality that joins initially or subsequently or withdraws shall file notice of such joining or withdrawal with the secretary of state and the county recorder in which such municipality is located. Upon its creation, the authority shall file with the secretary of state and with the county recorder wherein each municipality or part thereof is located a copy of the agreement creating the authority. [C71, 73, 75, 77, 79, §330A.7]

**330A.8 Purposes and powers—general.** An authority is hereby granted the following rights and powers, and shall have and may exercise all powers necessary, appurtenant, convenient, or incidental to the carrying out of the powers enumerated in this chapter:

1. To sue and be sued in all courts.
2. To adopt, use, and alter at will a seal.
3. To acquire, hold, construct, improve, maintain, operate, own, and lease as lessor or lessee, aviation facilities, provided that no lease of the authority's property whose primary term is in excess of three years shall be entered by the authority until after publication of notice of the terms of the proposed lease once in the county in which said property is located, in the manner provided by section 618.14, together with the date, time, and place of a public hearing which shall be held not less than fourteen days thereafter, at which the authority will hear proponents for and objectors against the lease and may, thereafter, cause it to be executed.
4. To acquire, purchase, hold, own, operate, and lease as lessee and use any franchise, property, real, personal or mixed, tangible or intangible, or any interest therein, necessary or desirable for carrying out the purposes of an authority and this chapter, and to sell, mortgage, lease as lessor, transfer, and dispose of any property or interest therein at any time acquired by it.
5. To enter into and make leases, either as lessee or lessor, for such period or periods of time and under such terms and conditions as an authority shall determine. Such leases may be entered into for buildings, structures, or facilities constructed or acquired or to be constructed or acquired by an authority, or may be

entered into for lands owned by an authority where the lessee of said lands agrees as a consideration for said lease to construct or acquire buildings, structures, or facilities on said lands which will become the property of an authority under such terms, rentals, and other conditions as the authority shall deem proper.

6. To acquire by purchase, lease, or otherwise, and to construct, improve, maintain, repair, and operate aviation facilities.

7. To fix, alter, charge, establish, and collect rates, fees, rentals, and other charges for the services and facilities of aviation facilities, or any part thereof, at reasonable and uniform rates to be determined exclusively by an authority for the purposes of carrying out the provisions of this chapter.

8. To borrow money, make and issue negotiable bonds, certificates, refunding bonds, and other obligations (herein called "bonds") and notes of an authority and to secure the payment of such bonds or any part thereof by a pledge of any or all of an authority's revenues, rates, fees, rentals, or other charges, and any other funds which it has a right to, or may hereafter have the right to pledge for such purposes (hereafter sometimes referred to as "revenues"), and to mortgage its property as security for the payment of such bonds; and in general, to provide for the security of said bonds and the rights and remedies of the holders thereof. Such bonds may be issued to finance either one or more or a combination of aviation facilities and the revenues of any one or more aviation facilities may, subject to any prior rights of bondholders, be pledged for any one or more or a combination of aviation facilities. Any revenues from existing aviation facilities theretofore constructed or acquired pursuant to this chapter or existing laws, or existing aviation facilities constructed or acquired by an authority from any source may be pledged for any one or more or a combination of aviation facilities financed under this chapter, regardless of whether or not such existing aviation facilities are then being improved or financed by the proceeds of the bonds to be issued to finance the one or more or the combination of aviation facilities for which such revenues of such existing aviation facilities are to be pledged.

10. Without limitation of the foregoing, to borrow money and accept grants, contributions or loans from, and to enter into contracts, leases, or other transactions with, municipal, county, state, or federal government.

11. To have the power of eminent domain, such power to be exercised in the manner provided by law for municipal corporations of this state.

12. To pledge, hypothecate, or otherwise encumber all or any part of the revenues, rates, fees, rentals, or other charges or receipts of an authority as security for all or any of the obligations issued by an authority.

13. To pledge, mortgage, hypothecate, or otherwise encumber all or any part of the property, real or

personal, of the authority as security for all or any of the obligations issued by an authority.

15. To do all acts and things necessary or convenient for the promotion of its business and the general welfare of an authority, in order to carry out the powers granted to it by this chapter or any other laws. An authority shall have no power at any time or in any manner to pledge the taxing power of the state or any political subdivision or agency thereof, nor shall any of the obligations issued by an authority be deemed to be an obligation of the state or any political subdivision or agency thereof secured by and payable from ad valorem taxes thereof, nor shall the state or any political subdivision or agency thereof be liable for the payment of principal of or interest on such obligations except from the special funds provided for in this chapter. [C71, 73, 75, 77, 79, §330A.8]

### 330A.9 Purposes and powers—bonds and notes.

1. The bonds issued by an authority pursuant to this chapter shall be authorized by resolution of the board thereof and shall be either term or serial bonds, shall bear such date or dates, mature at such time or times, not exceeding forty years from their respective dates, bear interest at such rate or rates, not exceeding that permitted by chapter 74A payable semi-annually, be in such denominations, be in such form, either coupon or fully registered, shall carry such registration, exchangeability and interchangeability privileges, be payable in such medium of payment and at such place or places, within or without the state, be subject to such terms of redemption and be entitled to such priorities on the revenues, rates, fees, rentals, or other charges or receipts of the authority as such resolution or any resolution subsequent thereto may provide. The bonds shall be executed either by manual or facsimile signature by such officers as an authority shall determine, provided that such bonds shall bear at least one signature which is manually executed thereon, and the coupons attached to such bonds shall bear the facsimile signature or signatures of such officer or officers as shall be designated by an authority and the bonds shall have the seal of the authority, affixed, imprinted, reproduced, or lithographed thereon, all as may be prescribed in such resolution or resolutions. Said bonds shall be sold at public sale at such price or prices as the authority shall determine to be in the best interests of the authority provided that such bonds shall not be sold at less than the par value thereof, plus accrued interest and provided that the net interest cost shall not exceed that permitted by chapter 74A. Pending the preparation of definitive bonds, interim certificates or temporary bonds may be issued to the purchaser or purchasers of such bonds, and may contain such terms and conditions as the authority may determine.

2. An authority shall have the power, at any time and from time to time after the issuance of bonds thereof shall have been authorized, to borrow money for the purposes for which such bonds are to be issued in anticipation of the receipt of the proceeds of the

sale of such bonds and within the authorized maximum amount of such bond issue. Any such loan shall be paid within three years after the date of the initial loan. Bond anticipation notes shall be issued for all moneys so borrowed under the provisions of this section, and such notes may be renewed from time to time, but all such renewal notes shall mature within the time above limited for the payment of the initial loan. Such notes shall be authorized by resolution of the board and shall be in such denomination or denominations, shall bear interest at such rate or rates not exceeding the maximum rate permitted by the resolution authorizing the issuance of the bonds, shall be in such form and shall be executed in such manner, all as such authority shall prescribe. Such notes shall be sold at public sale or, if such notes shall be renewal notes, they may be exchanged for notes then outstanding on such terms as the board shall determine. The board may, in its discretion, retire any such notes from the revenues derived from its aviation facilities or from such other moneys of the authority which are lawfully available therefor or from a combination of each, in lieu of retiring them by means of bond proceeds; provided, however, that before the retirement of such notes by any means other than the issuance of bonds it shall amend or repeal the resolution authorizing the issuance of the bonds, in anticipation of the proceeds of the sale of which such notes shall have been issued, so as to reduce the authorized amount of the bond issue by the amount of the notes so retired. Such amendatory or repealing resolution shall take effect upon its passage.

3. Any such resolution or resolutions authorizing any bonds hereunder may contain provisions which shall be part of the contract with the holders of such bonds, as to:

a. The pledging of all or any part of the revenues, rates, fees, rentals, or other charges or receipts of an authority derived by an authority from all or any of its aviation facilities.

b. The construction, improvement, operation, extensions, enlargement, maintenance, repair, or lease of such aviation facilities and the duties of an authority with reference thereto.

c. Limitations on the purposes to which the proceeds of the bonds, then or thereafter to be issued, or of any loan or grant by the federal government or the state government or the county or any municipality therein, may be applied.

d. The fixing, charging, establishing, and collecting of rates, fees, rentals, or other charges for use of the services and facilities of the aviation facilities of an authority, or any part thereof.

e. The setting aside of reserves or sinking funds or repair and replacement funds or other funds and the regulation and disposition thereof.

f. Limitations on the issuance of additional bonds.

g. The terms and provisions of any deed of trust, mortgage, or indenture securing the bonds or under which the same may be issued.

h. Any other or additional agreements with the holders of the bonds as are customary and proper and which in the judgment of an authority will make said bonds more marketable.

4. An authority may enter into any deeds of trust, mortgages, indentures, or other agreements, with any bank or trust company or any other lender within or without the state as security for such bonds, and may assign and pledge all or any of the revenues, rates, fees, rentals, or other charges or receipts of an authority thereunder. Such deeds of trust, mortgages, indentures, or other agreements, may contain such provisions as may be customary in such instruments, or, as an authority may authorize, including, but without limitation, provisions as to:

a. The construction, improvement, operation, leasing, maintenance, and repair of the aviation facilities and duties of an authority with reference thereto.

b. The application of funds and the safeguarding and investment of funds on hand or on deposit.

c. The appointment of consulting engineers or architects and approval thereof by the holders of the bonds.

d. The rights and remedies of said trustee and the holders of the bonds.

e. The terms and provisions of the bonds or the resolution authorizing the issuance of the same.

Any of the bonds issued pursuant to this chapter are, and are hereby declared to be, negotiable instruments, and shall have all the qualities and incidents of negotiable instruments. [C71, 73, 75, 77, 79, §330A.9; 68GA, ch 1025, §37]

**330A.10 Funds of an authority.** Moneys of an authority shall be paid to the treasurer of the authority who shall not commingle said moneys with any other moneys, but shall deposit them in a separate account or accounts. The moneys in said accounts shall be paid out on check of the treasurer on requisition of the chairman of the authority, or of such other person, or persons, as the authority may authorize to make such requisition. Notwithstanding the aforementioned provisions an authority is hereby authorized, and shall have the right, to deposit any of its rates, fees, rentals, or other charges, receipts or income with any bank or trust company within the state and to deposit the proceeds of any bonds issued hereunder with any bank or trust company within the state, all as may be provided in any agreement with the holders of bonds issued hereunder. [C71, 73, 75, 77, 79, §330A.10]

Any municipality, airport commission, authority, or person is additionally authorized hereby to transfer, assign, and set over to an authority any contract or contracts which may have been awarded by said municipality, airport commission, authority, or person for the construction of aviation facilities not begun or, if begun, not completed.

2. The proposed action of an authority, and the proposed agreement to acquire, shall be approved by the governing body of the owner of the aviation facilities. Whenever the governing body of any municipality, airport commission, or authority, shall desire to sell, lease, lend, grant, or convey to the authority, any aviation facilities or any part or parts thereof, as aforesaid, it shall adopt a resolution signifying its intention to do so and shall publish said resolution at least one time in a newspaper of general circulation in said municipality and in a newspaper or newspapers, if necessary, of general circulation of the area served by said airport commission or authority giving notice of a hearing to be held on the question of said sale, lease, loan, grant, or conveyance. Such resolution shall be published at least fourteen days prior to the date of hearing. After the hearing and if in the public interest, said municipality shall enact an ordinance authorizing said sale, lease, loan, grant, or conveyance and said airport commission or authority shall pass a resolution authorizing said sale, lease, loan, grant, or conveyance.

3. An owner, transferring existing facilities to an authority under the provisions of this section must notify the authority of and make provision in the transfer documents for, where necessary, existing rights, liens, securities, and rights of re-entry belonging to the state and federal government.

4. This section, without reference to any other law, shall be deemed complete authority for the acquisition by agreement, of aviation facilities as defined in this chapter, any provision of other laws to the contrary notwithstanding, and no proceedings or other action shall be required except as herein prescribed. [C71, 73, 75, 77, 79, §330A.11]

**330A.12 Award of contract.** All contracts entered into by an authority for the construction, reconstruction, and improvement of aviation facilities shall be entered into pursuant to and shall comply with chapter 23. However, where an authority determines an emergency exists, it may enter into contracts obligating the authority for not in excess of twenty-five thousand dollars per emergency without regard to the requirements of chapter 23 and the authority may proceed with the necessary action as expeditiously as possible to the extent necessary to resolve such emergency. [C71, 73, 75, 77, 79, §330A.12]

**330A.13 Acquisition of lands and property.** An authority shall have the power to acquire, within or without the geographical boundaries of the member municipalities, by purchase or eminent domain proceedings, either the fees or such rights, title, interest, or easement in such lands and property, including but not limited to air rights and aviation easements, as the authority may deem necessary for any of the purposes of this chapter. The right of eminent domain herein conferred shall be exercised by the authority in the manner provided by law, as though the authority were a municipal corporation. [C71, 73, 75, 77, 79, §330A.13]

**330A.14 Use of aviation facilities.** The use of aviation facilities and the services and facilities thereof, by an authority and the operation of its business shall be subject to the rules and regulations, from time to

time, adopted by the authority and applicable federal laws and regulations; provided, however, that an authority shall not be authorized to do anything which will impair the security of the holders of the obligations of the authority or violate any agreements with them or for their benefit. [C71, 73, 75, 77, 79, §330A.14]

**330A.15 Tax for purposes of an authority.** The governing body of a municipality after joining an authority and after determination by the authority pursuant to planning studies may by ordinance provide for the assessment of an annual levy not to exceed twenty-seven cents per one thousand dollars of assessed value upon all the taxable property in such municipality for a period not to exceed forty years as shall be agreed by the member municipalities or for such longer time as any revenue bonds of an authority shall be outstanding or until such municipality withdraws from the authority, whichever is sooner. A county which is a member municipality may levy such tax only upon the property in the unincorporated area of such county. Such tax may be levied in excess of any tax limitation imposed by statute. Such ordinance shall be enacted only after publication of notice and hearing in the manner prescribed in section 330A.6. Upon such enactment, a copy thereof shall be certified to the authority. An authority shall have the power to enforce the collection of such levy by mandamus or other appropriate remedy and such levy shall be collected in the manner other taxes are collected and allocated and paid to the authority for the exclusive and proper use of the authority, including but not limited to the purchase of land, and the acquiring, establishing, constructing, enlarging, operating, and maintaining of aviation facilities. In addition to the purposes listed above, moneys in said fund may be pledged to the payment of the principal, interest, and redemption premium, if any, on bonds of the authority. Money paid to the authority pursuant to this section shall be deposited by the authority in a special trust fund to be called the ". . . . . Authority Capital Reserve Fund". Member municipalities may, in addition, deposit money from current operating funds in the capital reserve fund pursuant to agreement for the purpose of providing initial funds to the authority to be used for funding studies, plans, and other expenses of an authority pending receipt of funds from the annual levy herein authorized. **330A.17 Statute complete and additional authority.** The powers conferred by this chapter shall be in addition and supplemental to any other law and this chapter shall not be construed so as to repeal any other law, except to the extent of any conflict between the provisions of this chapter and the provisions of any other law, in which event the provisions of this chapter shall be controlling and shall, to the extent of any such conflict, supersede the provisions of any other law. This chapter is intended to and shall provide an alternative and complete method for the exercise of the powers granted by this chapter, and the aviation facilities authorized by this chapter may be constructed, acquired, or improved and bonds or other obligations issued pursuant to this chapter upon compliance with the provisions of this chapter without regard to or necessity for compliance with the limitations or restrictions contained in any other law. No approval of the qualified electors or qualified freeholders of the state, or of any other political subdivision or taxing unit or agency thereof, or of the member municipalities shall be required for the issuance of any bonds by an authority pursuant to this chapter. [C71, 73, 75, 77, 79, §330A.17]

Each member municipality is hereby authorized to enter into co-operation agreements for the making of a loan, gift, grant, or contribution to the authority for the carrying out of its authorized purposes. Each member municipality is hereby further authorized to grant and convey to an authority real or personal property, of any kind or nature, or any interest therein, for the carrying out of its authorized purposes. Each member municipality is, further and additionally, authorized to covenant in any such co-operation agreement made pursuant to this section to pay all or any part of the costs of operation and maintenance of the aviation facilities of an authority from moneys derived from ad valorem taxation or from any other available funds of the municipality. Any such co-operation agreement may be made and entered into pursuant to this chapter for such time or times not exceeding forty years as shall be agreed by the parties thereto or for such longer time as any revenue bonds of an authority, including refundings thereof, remain outstanding and unpaid and may contain such other details, terms, provisions, and conditions as shall be agreed upon by the parties thereto. Any such co-operation agreement may be made and entered into for the benefit of the holders of any revenue bonds of an authority as well as the parties thereto and shall be enforceable in any court of competent ju-

isdiction by the holders of any such revenue bonds or of the coupons appertaining thereto. [C71, 73, 75, 77, 79,§330A.18]

In the primary and general elections, the number of supervisors, or candidates for such offices, which constitutes the county board in such county, shall be elected by the qualified electors of the county at large and no district residence requirements shall be imposed upon the candidates for such office.

2. In counties with three supervisors, one person shall be elected as a member of the board for two years and two persons shall be elected as members of the board for four years.

1. The board of supervisors shall, before November 1, 1969, and before November 1 of the nonelection year following each federal decennial census thereafter, if necessary, divide the county into a number of supervisor districts corresponding to the number of supervisors in such county. However, if such plan is selected pursuant to section 331.9, the board shall so divide the county before March 15 of the election year. The board shall make a good-faith effort to achieve precise mathematical equality in the population of such districts as indicated by the most recent federal decennial census.

Such supervisor districts may be drawn on the basis of existing natural or artificial divisions and boundaries of the county; township and voting precinct lines may be crossed; but in no event shall the existence of convenient district boundaries justify the designation of supervisor districts which are not of as nearly precise mathematical equality in population as is practicable.

2. Members of the county board shall be required to reside one to each supervisor district but shall be elected by the electors of the county at large. Election ballots shall be prepared to specify the district which each candidate seeks to represent and each elector may cast a vote for one candidate from each district for which a supervisor is to be chosen in the general election.

3. The county board may redesignate supervisor districts once in every two years, and no sooner. In

the event that the board redistricts, it must be completed and available to the public by November 1 of the year prior to the election to be applicable in that election year. The provisions of this subsection shall not be construed as having the effect of lengthening or diminishing the term of office of any member of such board as a result of such redesignation, nor shall districts be redesignated except in compliance with this section. No supervisor district shall be designated by the county board pursuant to subsection 1 of this section which, while complying with the requirement that it be of as nearly precise mathematical equality in population as practicable to the other supervisor districts of the county, discriminates by design for or against any political party, board member, candidate for board membership, racial or ethnic minority or any other group of persons.

4. At the primary and general elections the number of supervisors, or candidates for such offices, which constitute the county board in such county shall be elected as provided in this section. Terms of members shall be as provided in section 331.25, subsection 2. [C71, 73, 75, 77, 79, §331.26]

[C71, 73, 75, 77, 79, §331.27]

state appeal board, the attorney general, and the district court of Polk county. [C73, 75, 77, 79, §332.40]

**332.41 Insurance deductible.** If a final judgment is obtained against any county officer, any township trustee, or any deputies, assistants, or employees of the county or the township for an act committed subsequent to July 1, 1978, which is payable from the county indemnification fund, the county attorney shall ascertain if any insurance policy exists indemnifying such persons against such judgment or any part thereof. If no insurance exists, or if the judgment exceeds the limits of such insurance the county attorney shall submit a claim to the state comptroller against the county indemnification fund on behalf of the plaintiff to the action for the amount of the judgment exceeding the amount recoverable by reason of such insurance. The state comptroller shall promptly issue a warrant payable to the plaintiff for such amount, and the treasurer of state shall pay the warrant. Such payment shall forever discharge such persons from any and all liability therefor. [C73, 75, 77, 79, §332.41]

**332.42 Insurance coverage on any employees.** The board of supervisors may purchase insurance insuring any county officers and their employees in the performance of their official duties against personal liability as a result of negligent acts. The premiums for the insurance shall be paid from the general fund of the county. If the liability of any county officer or his employees in the performance of their official duties is not fully indemnified by insurance, the board of supervisors shall pay any such loss, for which the county officer or his employees shall be found liable, from the general fund of the county. Any county board of supervisors may compromise and settle any such claim. [C71, §332.35; C73, 75, 77, 79, §332.42]

**332.43 Surety bond purchased.** The board of supervisors may purchase an individual or a blanket surety bond insuring the fidelity of county officers and county employees who are accountable for county funds or property subject to the minimum surety bond requirements of chapter 64. The board of supervisors may also purchase an individual or a blanket general liability insurance policy insuring county officers or county employees from liability for any negligent act, error or omission in the performance of their official duties.

Any elected county officer shall be deemed to have furnished surety if he is covered by a blanket bond purchased as provided in this section. [C73, 75, 77, 79, §332.43]

**332.44 Waste disposal.**

1. Counties and sanitary districts incorporated under the provisions of chapter 358 may own, acquire, establish, construct, purchase, equip, improve, extend, operate, maintain, reconstruct, and repair within or without the limits of the county or sanitary district, works and facilities useful and necessary for the collection, treatment, purification, and disposal in a sanitary manner of the liquid and solid waste, sewage, and industrial waste of the county or sanitary district, including sanitary disposal projects as defined in section 455B.75, also swimming pools or golf

courses, and may acquire by gift, grant, purchase, condemnation, or otherwise all necessary lands, rights of way, and property therefor, within or without the county or sanitary district, may purchase and acquire an interest in a sanitary disposal project or such works and facilities which are owned by a city, county, or sanitary district and which are to be jointly used by them, and may issue revenue bonds to pay all or any part of the cost of establishing, acquiring, purchasing, constructing, equipping, improving, extending, reconstructing, repairing, operating, or maintaining a sanitary disposal project or such works and facilities, including the amount agreed upon for the purchase and acquisition by a county or sanitary district of an interest in the sanitary disposal project or works and facilities which are owned by a city, county, or sanitary district and which are to be jointly used. As used in this section the words "works and facilities", "works", or "facilities" shall include but not be limited to sanitary disposal projects as defined in section 455B.75.

The construction, acquisition, improvement, equipment, custody, operation, and maintenance of any works for the collection, treatment, or disposal of sewage, swimming pools, golf courses, or sanitary disposal projects, and the collection of revenues for the service rendered, shall be under the supervision and control of the county or sanitary district.

2. Counties and sanitary districts may by resolution or ordinance provide a schedule of fees to be charged for the use of and the services and facilities to be rendered by the sanitary disposal project or for the collection and disposal of garbage and may pay the cost of establishing, acquiring, purchasing, constructing, equipping, improving, extending, reconstructing, repairing, maintaining, and operating sanitary disposal projects, garbage disposal plants, or incinerating plants out of the earnings of project or plant. Revenue bonds, payable solely out of the earnings of the project or plant, may be issued in the manner provided in this section.

3. Counties and sanitary districts incorporated under the provisions of chapter 358 are authorized to borrow money from the federal government or a federal agency for any of the purposes referred to in this section by issuing revenue bonds under this section, and may deliver the bonds to the federal government or its agency, or may borrow money by issuing revenue bonds under this section and may deliver the bonds to the contractor in payment for the costs of any of the projects or improvements referred to in this section, or may sell the bonds at a public sale upon the same conditions provided by chapter 75, as applicable to bonds issued by counties and sanitary districts, and may use the proceeds from the sale of bonds to pay all or any part of the cost of the projects or improvements. As evidence of the loan, the county or sanitary district may issue its bonds payable solely from the revenues derived from the project or improvement. Bonds may be issued in amounts as necessary to provide sufficient funds to pay all costs of the project or improvement, including engineering, legal, and other expenses, together with interest to a date six months subsequent to the estimated date of completion. Such bonds are negotiable instruments, shall

be executed by the chairman of the board of supervisors and county auditor of the county, or the trustees of the sanitary district, and shall be sealed with the corporate seal of the county or sanitary district. The principal and interest of the bonds shall be payable solely from the special fund provided for payment, and the bonds shall not be a general obligation of the county or sanitary district, nor shall they be payable by taxation, nor shall the county or sanitary district be liable by reason of the earnings being insufficient to pay the bonds. All details pertaining to the issuance of bonds and the terms and conditions thereof, shall be determined by resolution or ordinance of the county or sanitary district. Counties and sanitary districts may also borrow money and issue revenue bonds for the purpose of purchasing and acquiring sanitary disposal projects or works and facilities useful and necessary for the collection, treatment, purification, and disposal in a sanitary manner of the liquid and solid waste, sewage, and industrial waste of any county or sanitary district and for the purpose of purchasing and acquiring an interest in any such projects, works, and facilities which are owned by a city, county, or sanitary district and which are to be jointly used. Bonds may be delivered to the seller of the sanitary disposal project or works and facilities or to the municipality selling an interest in its sanitary disposal project or sewage works and facilities in payment of the purchase price, or may be sold at public sale in the manner provided by chapter 75 and the proceeds from the sale applied to the payment of the purchase price.

4. This section applies to all proceedings heretofore taken by counties and sanitary districts for any of the purposes referred to in this section, notwithstanding that a portion of the funds have been derived from sources other than the issuance of bonds.

5. Before the issuance of bonds, the governing body of the county or sanitary district by resolution or ordinance shall pledge the net earnings of the sanitary disposal project or works to the payment of the bonds and the interest thereon, and shall provide that the net earnings shall be set apart as a sinking fund for that purpose.

6. The governing body of the county or sanitary district may by resolution or ordinance, establish and maintain just and equitable rates or charges for the use of and the services rendered by such works, to be paid by the owner of each and every lot, parcel of real estate, or building that is connected with and uses such works, by or through any part of the sewage system of the county or district, or that in any way uses or is served by such works. The governing body of the county or sanitary district may also by ordinance or resolution establish and maintain just and equitable rates or charges for the use of and the services and facilities rendered by a sanitary disposal project. The governing body may readjust rates or charges from time to time and may charge and collect reasonable rates and charges for swimming and golfing. Rates or charges shall be sufficient in each year for the payment of the proper and reasonable expenses of operation, repair, maintenance, acquisition, purchase, construction, equipping, improving, and extension of the sanitary disposal project or works, and for the pay-

ment of the sums required to be paid into a sinking fund, which fund shall be sufficient to meet the principal and interest and other charges, except rates or charges for the use of swimming pools and golf courses, of the bonded indebtedness. All such rates or charges if not paid as by the ordinance or resolution provided, when due, shall constitute a lien upon the premises served by the sanitary disposal project or works, and shall be collected in the same manner as taxes.

7. The provisions of this section apply to the construction, equipment, operation, and maintenance of any sewage treatment plant, by any sanitary district operating under the provisions of chapter 358; and any sanitary district may, in addition, use the power conferred upon it by said chapter to apply any of the provisions of this section relating to the construction, equipment, operation and maintenance of any sewage treatment plant of the sanitary district, or any combination of the power relating to sewage treatment plants granted such sanitary district by the provisions of this section and said chapter.

8. Counties and sanitary districts may issue from time to time negotiable interest-bearing refunding bonds to refund at maturity or pursuant to redemption provisions or at any time before maturity with the consent of the holders a like principal amount of outstanding revenue bonds or obligations previously issued by the county or sanitary district pursuant to the provisions of this section. All refunding bonds shall comply with the pertinent provisions of this section and may be made subject to redemption in a manner and upon terms with or without premium, as stated on the face thereof. Refunding bonds shall be payable only from the net earnings of the sanitary disposal project or works and facilities and shall not constitute a general obligation of any such county or sanitary district or be payable in any manner by taxation. Refunding bonds may be issued in exchange for the outstanding bonds or obligations to be refunded or may be sold and the proceeds applied to the payment of outstanding bonds or obligations.

Bonds issued pursuant to the provisions of this section shall bear interest at a rate not exceeding that permitted by chapter 74A. **344.5 Contents of resolution.** Such resolution of appropriation shall also contain an itemized statement of the anticipated receipts to each separate county fund for the current year, together with a statement of any balance carried over in any of the county funds from the preceding year. Such resolution of appropriation shall also contain in two columns and opposite each item of anticipated receipts, the actual receipts collected during each of the two preceding years. [C31, 35,§5260-c5; C39,§5260.05; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§344.5]

**344.6 Supplemental appropriation.** If it shall have been determined during the course of any year that the actual receipts to any of the different county funds will be larger than were anticipated in the original resolution of appropriation, the board of supervisors may make a supplementary appropriation by resolution at any regular meeting, appropriating the sums in excess of the estimated receipts from any county fund augmented by larger revenues than were anticipated, to any county office or offices supported by said fund or funds. No such supplementary appropriation shall be made to any such county office or offices unless it shall be shown that a specific need therefor exists. Such supplementary appropriation shall clearly state the amount collected into such aug-

mented county fund in excess of the amount estimated in the general resolution of appropriation. [C31, 35,§5260-c6; C39,§5260.06; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§344.6]

**344.8 Transfer of funds.** In the event that any office has exceeded, or may find it necessary to exceed, the amount of its appropriation in any particular account, the board of supervisors, by resolution, may authorize a transfer from one or more of the other appropriation accounts of said office, any portion of such unexpended appropriation balance, to any other appropriation account of said office. [C31, 35,§5260-c8; C39,§5260.08; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§344.8]

**344.9 Transfers from other departments.** In the event it shall be found necessary for any office or department to spend an amount in excess of the total of its original appropriations, the board of supervisors at a regular or special meeting may by resolution authorize a transfer of a portion of the appropriation balance of one office or department or contingent account to the account of another office or department, provided that the funds transferred are derived from the same tax fund and that the transfer does not violate existing statutes. [C31, 35,§5260-c9; C39, §5260.09; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§344.9]

**345.1 Expenditures—when vote necessary.** The board of supervisors shall not order the erection of, or the building of an addition or extension to, or the remodeling or reconstruction or relocation and replacement of a courthouse, jail, county hospital,\* county care facility or any other county building or facility, except as otherwise provided, when the probable cost will exceed ten thousand dollars, nor the purchase of real estate for county purposes exceeding ten thousand dollars in value, until a proposition therefor shall have been first submitted to the qualified electors of the county, and voted for by a majority of all persons voting for and against such proposition at a general or special election, notice of the same being given as in other special elections. However, such proposition need not be submitted to the voters if any such erection, construction, remodeling, reconstruction, relocation and replacement, or purchase of real estate may be accomplished from funds on hand or from federal revenue-sharing funds or federal matching funds and without the levy of additional taxes and if the probable cost of the entire project will not exceed two hundred thousand dollars in a county having a population of twenty-five thousand or less, two hundred fifty thousand dollars in counties having a population of more than twenty-five thousand but not more than fifty thousand, three hundred thousand dollars in counties having a population of more than fifty thousand but not more than one hundred thousand, four hundred thousand dollars in counties having a population of more than one hundred thousand but not more than two hundred thousand, and five hundred thousand dollars in counties having a population of more than two hundred thousand. If a county project should be determined to cost in excess of the dollar limitation for the population category of such county, the proposition must be submitted to the qualified electors of the county without regard to the source from which such funds may be derived. However a proposition need not be submitted to the qualified electors to expend federal revenue-sharing funds for a mental health or mental retardation project, or when specific projects using federal funds other than federal revenue-sharing funds, not requiring any matching funds are approved for a county, or when a relocation and replacement is made necessary by the acquisition of county property for a federal or state project, and the cost of the relocation does not exceed the amount of the award of damages

by the state or federal government, or to expend federal revenue-sharing funds for courthouse remodeling when the courthouse is located in a county having a population of more than two hundred thousand, or a combination of federal revenue-sharing funds and federal funds other than federal revenue-sharing funds requiring less than fifteen percent county matching funds are used for the project. When the expenditures authorized in this section exceed fifty thousand dollars and the proposition need not be submitted to the voters, the board of supervisors shall hold a public hearing on the proposition. Notice of the hearing shall be published at least two weeks prior to the hearing, in the newspaper published in the county having the largest circulation in the county. In determining whether the expenditure should be made, the board of supervisors shall give full consideration to the testimony given during the hearing. [R60,§312; C73,§303; C97,§423; SS15,§423; C24, 27, 31, 35, 39, §5261; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§345.1]

**345.2 Exceptions.** Where a courthouse has been destroyed by fire and not less than one hundred thousand dollars has been donated to the county for the purpose of erecting a courthouse, the board of supervisors may, without authorization from the voters, use the amount so donated for the construction of the courthouse and in addition thereto may appropriate from the general fund for such purpose a sum not exceeding one-half of the amount donated, provided there is in the general fund, unappropriated for other purposes, an amount sufficient to pay such appropriation. [C24, 27, 31, 35, 39,§5262; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§345.2]

**345.3 Improvements authorized.** The board of supervisors in any county having a population of forty thousand or over, with a county seat having a population of more than five thousand, may also make necessary additions to such courthouse, jail, or county care facility where the funds are available in the general fund, unappropriated for other purposes, without additional tax levy and without submitting the proposition to the voters of such county, provided the cost thereof does not exceed twenty-five thousand dollars.

[C31, 35, §5262-c1; C39, §5262.1; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §345.3]

**345.4 Questions submitted to voters.** The board of supervisors may submit to the people of the county at any regular election, or at any special election called for that purpose, the question whether money may be borrowed to aid in the erection and equipment of the building of additions or extensions to, the remodeling or the reconstruction of any public buildings, or the procuring of a site or grounds for such public buildings, or for both such site and buildings, and either or both of said propositions and other local or police regulations may be submitted at the same general or special election. [C51, §114; R60, §250; C73, §309; C97, §443; C24, 27, 31, 35, 39, §5263; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §345.4]

**345.5 Depreciated warrants—tax.** When the warrants of a county are at a depreciated value, it may, in like manner, submit the question whether a tax of a higher rate than that provided by law shall be levied. [C51, §114; R60, §250; C73, §309; C97, §443; C24, 27, 31, 35, 39, §5264; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §345.5]

**345.6 Manner of submitting questions.** The mode of submitting questions to the people shall be the following: The whole question, including the sum desired to be raised, or the amount of tax desired to be levied, or the rate per annum, and the whole regulation, including the time of its taking effect or having operation, if it be of a nature to be set forth, and the penalty for its violation if there be one, shall be embraced in a notice of the election. The notice shall, to the extent consistent with this section, be drawn up in accordance with and shall be published as required by section 49.53. A copy of the question to be submitted shall be posted at each polling place during the day of election. [C51, §115; R60, §251; C73, §310; C97, §446; S13, §446; C24, 27, 31, 35, 39, §5265; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §345.6]

**345.7 Voting of tax—when required.** When any question submitted involves the borrowing or the expenditure of money, the same must be accompanied by a provision to levy a tax for the payment thereof, in addition to other taxes, as directed in section 345.8, and no vote adopting the question proposed will be of effect unless it adopt the tax also. [C51, §116; R60, §252; C73, §311; C97, §447; C24, 27, 31, 35, 39, §5266; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §345.7]

**345.8 Rate of tax.** The rate of such tax shall in no case be more than seven hundredths of one percent on the county taxable valuation in any one year. When the object is to borrow money for the erection and equipment of public buildings, or for the procuring of sites or grounds therefor, or for both, the rate shall be such as to pay the debt in a period not exceeding ten years; but in counties having a population of twenty-five thousand or over, or in any county where one hundred thousand dollars or more has been or is proposed to be expended, the rate of levy shall be such as to pay the debt in not exceeding twenty-five years. [C51, §117; R60, §253; C73, §312; C97, §448;

SS15, §448; C24, 27, 31, 35, 39, §5267; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §345.8]

Referred to in §345.7

**345.9 Bonds—maturity—tax.** In issuing bonds for such indebtedness, no bond shall be issued with a maturity date deferred more than twenty-five years from date thereof. Such bonds shall be consecutively numbered and issued and paid in the order of such numbering. The interest and principal of such bonds shall be paid as rapidly as funds for such payment are collected. When the object is to construct, or to aid in constructing, any highway or bridge, the annual rate shall not be less than six and three-fourths cents per thousand dollars of the assessed valuation; and any of the above taxes becoming delinquent shall draw the same interest as ordinary taxes. [C51, §117; R60, §253; C73, §312; C97, §448; SS15, §448; C24, 27, 31, 35, 39, §5268; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §345.9]

Maturity and payment of bonds, ch 76

**345.10 Tax for successive years.** When it is apparent that the levy of one year will not pay the entire amount, the proposition and the vote must be to continue the levy at the same rate from year to year until the amount is paid. [C51, §118; R60, §254; C73, §313; C97, §449; C24, 27, 31, 35, 39, §5269; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §345.10]

**345.11 Result published.** The board of supervisors, on finding from a canvass of the returns that a majority of the votes were cast in favor of the proposition, shall cause the result of the vote to be entered at large in the minute book, and the proposition shall take effect and be in force thereafter. Notice of such adoption shall be published for the same time and in the same manner as above provided for publishing the notice of election. [C51, §119; R60, §255; C73, §314; C97, §450; C24, 27, 31, 35, 39, §5270; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §345.11]

Vote required to authorize bonds, §75.1

**345.12 Rescission or diversion by subsequent vote.** Propositions thus adopted may be rescinded in like manner and upon like notice, by a subsequent vote taken thereon, but neither contracts made under them, nor taxes voted for carrying them into effect, can be rescinded, provided that taxes voted for carrying into effect any such proposition may be by subsequent vote of the electors allocated to another designated purpose. If upon such subsequent vote of the electors, a majority of the votes cast is adverse to the allocation proposed, then the tax fund shall revert to and become part of the county general fund. [C51, §120; R60, §256; C73, §315; C97, §451; C24, 27, 31, 35, 39, §5271; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §345.12]

**345.13 Board must submit questions.** The board shall submit the question of the adoption or rescission of such a measure or the allocation of taxes voted to another designated purpose when petitioned by one-fourth of the qualified electors of the county, or by such different number as may be prescribed by law in any special case. [C51, §121; R60, §257; C73, §316; C97, §452; C24, 27, 31, 35, 39, §5272; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §345.13]

**345.14 Regularity presumed.** The record of the adoption or rescission of any such measure or the allocation of the taxes voted to another designated purpose shall be presumptive evidence that all the proceedings necessary to give the vote validity have been regularly conducted. [C51,§122; R60,§258; C73,§317; C97,§453; C24, 27, 31, 35, 39,§5273; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§345.14]

**345.15 Surplus of tax.** In case the amount produced by the rate of tax proposed and levied exceeds the amount required for the specific object, it shall not for that reason be held invalid, but the excess shall go into the general county fund. [C51,§123; R60,§259; C73,§318; C97,§454; C24, 27, 31, 35, 39, §5274; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§345.15]

See 63GA, ch 87, §60

**345.17 Improvement account.** Upon adoption of a resolution by the board of supervisors, the county commissioner of elections shall place on the ballot at

the next general election a question asking the qualified electors of the county if the board of supervisors may establish an improvement account within the county general fund. The electors of the county shall vote on the establishment of the fund and the maximum amount to be credited annually to the account.

The question shall read: Shall the board of supervisors establish within the general fund of the county an improvement account into which the annual sum of money credited to the account shall not exceed . . . . . dollars?

After approval of the question by the electors, the board of supervisors may credit to and appropriate funds from the improvement account for the purposes provided in this chapter.

The board may continue to function under the limitations approved by the electors for a period of four full fiscal years after the question was approved. The authorization for collecting taxes for the account shall expire at the close of the fourth full fiscal year after the question was approved. Any unexpended balance in the account after the lapse of four full fiscal years shall carry over until all funds have been appropriated from the account at which time the account shall be closed unless reapproved by the electors of the county. [C97,§409; C24, 27, 31, 35, 39,§5292; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§346.18]

poses; and all such evidences of indebtedness for said purposes are hereby declared void, and no assignment of the same shall give them validity; but this section shall not be so construed as to prevent counties from lawfully erecting their necessary public buildings and bridges, laying off highways, streets, alleys, and public grounds, or other local works in which such counties may be interested. [R60,§1345, 1346; C73,§553, 554; C97,§594; C24, 27, 31, 35, 39,§5294; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§346.20]

The money arising from such levies shall be known as the sanitary disposal bond fund and shall be used for the payment of such bonds and interest thereon only; and the treasurer shall open and keep

in his or her books a separate account thereof, which shall show the exact condition of such fund. Such bonds shall be sold at public sale and the county treasurer shall comply with and be governed by all provisions of chapter 75. [C71, 73, 75, 77, 79,§346.23; 68GA, ch 1025,§41]

**346.26 Joint county and county seat city property.**

1. A county may contract with its county seat city for the joint purchase, acquisition, ownership, and control of property suitable as the site of a building for use and occupancy by the city and county jointly, and any county owning a site or any interest therein, may, upon terms which appear fair and just to the board of supervisors, contract with reference to the joint acquisition, ownership, control, improvement, use, and occupancy of the property, and with reference to the construction, use, and occupancy of a building. The contract shall set forth the amount of money to be contributed by the county and by the city toward the acquisition of a site and its improvement or the proportion of their respective contributions and the purpose for which the building is to be used. The contract may provide for the amount of money to be contributed annually by the county and by the city for the upkeep, maintenance, and operation of the property and the building, or it may provide for the respective proportions of expense which the county and the city shall pay, and may provide for an adjustment at stated periods of the amounts or proportions to be paid. The contract may specify the part of property and building to be used and occupied by the county and by the city. Contracts shall be made on behalf of the county only when approved by resolution of the board of supervisors, and when made shall be binding upon the county and city during the period specified in the contract unless modified or abrogated by mutual consent.

2. When a county and city have agreed upon their respective portions or proportions of the cost of a building and site, the county may, for the purpose of

paying its respective portion of the cost and for the purpose of equipping the portions of the building to be used and occupied by it, issue bonds. However, no bonds shall be issued by a county until the proposition has been approved by at least sixty percent of the votes cast for and against the proposition at an election. The proposition may be submitted at a general, regular, or special election pursuant to a resolution of the board of supervisors. Notice of the election setting forth the proposition as it is to be voted upon shall be given by publication once each week for at least three consecutive weeks in a newspaper having general circulation in the county, and if the election is unfavorable the proposition may be submitted at a subsequent election. To the extent not otherwise provided the general election laws are applicable to the election. Bonds issued by a city must be issued in accordance with the provisions of law relating to general corporate purpose bonds of a city.

3. County bonds may bear interest at a rate not exceeding that permitted by chapter 74A payable semiannually and the principal shall be scheduled to mature in not more than twenty years from the date of the bonds. When a county has issued bonds it shall annually levy on all taxable property in the county, a tax sufficient to pay the interest and principal of the bonds as they become due, and each county may levy taxes sufficient to pay its portion of the cost of operating, maintaining, and keeping insured the building acquired or constructed under this section.

4. Contracts for the construction of any building which involve the expenditure of five thousand dollars or more shall be entered into pursuant to advertisement for bids in a manner approved and authorized by both the board of supervisors of the county and the council of the city. A county may apply for and accept federal aid in the construction of a building under this section, subject to conditions and stipulations imposed in connection with the federal aid and as approved by the board of supervisors.

5. This division is a complete and independent law for providing joint county and city buildings. [C50,§368.57-368.60; C54, 58, 62, 66, 71, 73,§368.19-368.22; C75, 77, 79,§346.26; 68GA, ch 1025,§42]

2. Any county may join with its county seat to incorporate an "Authority" for the purpose of acquiring, constructing, demolishing, improving, enlarging, equipping, furnishing, repairing, maintaining, and operating a public building, and to acquire and prepare the necessary site, including demolition of any structures, for the joint use of the county and city or any school district which is within or is a part of the county or city.

3. The incorporation of an authority shall be accomplished by the adoption of articles of incorporation by the governing body of each incorporating unit. For adoption, the affirmative vote of a majority

of the members of each governing body is required. The articles of incorporation shall be executed for and on behalf of each incorporating unit by the following officers:

a. For the county, by the chairman of the board of supervisors.

b. For the city, by its mayor and city clerk.

4. The articles of incorporation shall set forth the name of the authority, the name of the incorporating units, the purpose for which the authority is created, the number, terms, and manner of selection of its officers including its governing body which shall be known as the "commission", the powers and duties of the authority and of its officers, the date upon which the authority becomes effective, the name of the newspaper in which the articles of incorporation shall be published, and any other matters.

5. The authority shall be directed and governed by a board of commissioners of three members, one to be elected by the board of supervisors of the county from the area outside of the county seat, one to be elected by the council of the city from the area inside the city, and one to be elected by the joint action of the board of supervisors of the county and the council of the city, and if the governing bodies are unable to agree upon a choice for the third member within sixty days of the election of the first member, then the third member shall be appointed by the governor. The commissioners shall serve for six-year terms. Of the first appointees, the member appointed by the board of supervisors shall be for a term of two years, the member appointed by the city council shall be for a term of four years, and the member appointed by the joint action of the board and council shall be for a term of six years. The board of commissioners shall designate one of their number as chairman, one as secretary, and one as treasurer, and shall adopt by-laws and rules of procedure and provide therein for regular meetings and for the proper safekeeping of its records. No commissioner shall receive any compensation in connection with his services as commissioner. Each commissioner, however, shall be entitled to reimbursement for any necessary expenditures in connection with the performance of his duties.

6. The articles of incorporation shall be recorded in the office of the county recorder and filed with the secretary of state, and shall be published once in a newspaper designated in the articles of incorporation and having a general circulation within the county, and upon such recording and publication, the authority shall be deemed to come into existence.

7. Amendments may be made to the articles of incorporation if adopted by the governing body of each incorporating unit; provided that no amendment shall impair the obligation of any bond or other contract. Each amendment shall be adopted, executed, recorded and published in the same manner as specified for the original articles of incorporation.

8. Any incorporating unit may make donations of property, real or personal, including gratuitous lease, to the authority as deemed proper and appropriate in aiding the authority to effectuate its purposes.

9. The authority shall be a body corporate with power to sue and be sued in any court of this state, have a seal and alter the same at its pleasure, and

make and execute contracts, leases, deeds, and other instruments necessary or convenient to the exercise of its powers. In addition, it shall have and exercise the following public and essential governmental powers and functions and all other powers incidental or necessary to carry out and effectuate its express powers:

a. To select, locate, and designate an area lying wholly within the territorial limits of the county seat of the county in which the authority is incorporated as the site to be acquired for the construction, alteration, enlargement, or improvement of a building. The site selected is subject to approval by a majority of the members of each governing body of the incorporating units.

b. To acquire in the corporate name of the authority the fee simple title to the real property located within the area by purchase, gift, devise, or by the exercise of the power of eminent domain, or to take possession of real estate by lease.

c. To demolish, repair, alter, or improve any building within the designated area, to construct a new building within the area and to furnish, equip, maintain, and operate the building.

d. To construct, repair, and install streets, sidewalks, sewers, water pipes, and other similar facilities and otherwise improve the site.

e. To make provisions for off-street parking facilities.

f. To operate, maintain, manage, and enter into contracts for the operation, maintenance, and management of buildings, and to provide rules for the operation, maintenance and management.

g. To employ and fix the compensation of technical, professional, and clerical assistance as necessary and expedient to accomplish the objects and purposes of the authority.

h. To lease all or any part of a building to the incorporating units for a period of time not to exceed fifty years, upon rental terms agreed upon between the authority and the incorporating units. The rentals specified shall be subject to increase by agreement of the incorporating units and the authority if necessary in order to provide funds to meet obligations.

i. To procure insurance of any and all kinds in connection with the building. The bidding procedures provided in section 23.18 shall be utilized in the procurement of insurance.

j. To accept donations, contributions, capital grants, or gifts from individuals, associations, municipal and private corporations, and the United States, or any agency or instrumentality thereof, and to enter into agreements in connection therewith.

k. To borrow money and to issue and sell revenue bonds in an amount and with maturity dates not in excess of fifty years from date of issue, to provide funds for the purpose of acquiring, constructing, demolishing, improving, enlarging, equipping, furnishing, repairing, maintaining, and operating buildings, and to acquire and prepare sites, convenient therefor, and to pay all incidental costs and expenses, including, but not limited to architectural, engineering, legal, and financing expense and to refund and refinance revenue bonds as often as deemed advantageous by the board of commissioners.

l. The provisions of chapter 23 applicable to other municipalities are applicable to an authority.

10. After the incorporation of an authority, and before the sale of any issue of revenue bonds, except refunding bonds, the authority shall submit in a single countywide election to the qualified voters of the city and county, at a general, primary, or special election called for that purpose, the question of whether an authority shall issue and sell revenue bonds, stating the amount, for any of the purposes for which it is incorporated. An affirmative vote of a majority of the votes cast on the proposition is required to authorize the issuance and sale of revenue bonds. A notice of the election shall be published once each week for at least two weeks in some newspaper published in the county. The notice shall name the time when the question shall be submitted, and a copy of the question to be submitted shall be posted at each polling place during the day of election. The authority shall call this election with the concurrence of both incorporating units, and it shall establish the voting precincts and polling places, and appoint the election judges, and in so doing such election procedures shall be in accordance with the provisions of chapters 49 and 50.

11. When the board of commissioners decides to issue bonds subject to the election requirement, it shall adopt a resolution describing the area to be acquired, the nature of the existing improvements, the disposition to be made of the improvements, and a general description of any new buildings to be constructed.

12. The resolution shall set out the limit of the cost of the project, including the cost of acquiring and preparing the site, determine the period of usefulness and fix the amount of revenue bonds to be issued, the date or dates of maturity, the dates on which interest is payable, the sinking fund provisions, and all other details in connection with the bonds. The board shall determine and fix the rate of interest of any revenue bonds issued, in a resolution adopted by the board prior to the issuance. The resolution, trust agreement, or other contract entered into with the bondholders may contain covenants and restrictions concerning the issuance of additional revenue bonds as necessary or advisable for the assurance of the payment of the bonds authorized.

13. Bonds shall be issued in the name of the authority and are declared to have all the qualities and incidents of negotiable instruments under the laws of this state.

14. Bonds issued under this section may be issued as serial or term bonds, shall be of such denomination or denominations and form, including interest coupons to be attached, shall be payable at such place or places and bear such date as the board of commissioners fix by the resolution authorizing the bonds, shall mature within a period not to exceed fifty years, and may be redeemable prior to maturity with or without premium, at the option of the board of commissioners, upon terms and conditions the board shall fix by the resolution authorizing the issuance of bonds. The board of commissioners may provide for the registration of bonds in the name of the owner as to the principal alone or as to both principal and interest upon

terms and conditions the board determines. All bonds issued by an authority shall be sold at a price so that the interest cost to the commission of the proceeds of the bonds shall not exceed that permitted by chapter 74A, payable semiannually, computed to maturity, and shall be sold in the manner and at the time the board of commissioners determines.

15. Bonds issued by an authority, and the interest thereon, shall be payable solely from the revenues derived from the operation, management, or use of the buildings acquired or to be acquired by the authority, which revenues shall include payments received under any leases or other contracts for the use of the buildings. Bonds shall recite that the principal and interest thereon are payable only from the revenues pledged, and shall state on their face that they are not an indebtedness of the authority or a claim against the property of the authority.

16. Bonds shall be executed in the name of the commission by the chairman of the board of commissioners or by another officer of the commission as the board, by resolution, may direct, and be attested by the secretary, or by another officer of the commission as the board, by resolution, may direct, and shall be sealed with the commission's corporate seal. In case any officer whose signature appears on the bonds or coupons shall cease to be such officer before delivery of the bonds, his signature shall be valid and sufficient for all purposes, the same as if the officer had remained in office until delivery.

17. In its discretion, the authority may issue refunding bonds to refund its bonds prior to their maturity, refund its outstanding matured bonds, refund matured coupons evidencing interest upon its outstanding bonds, refund interest at the coupon rate that has accrued upon its outstanding matured bonds, and refund its bonds which by their terms are subject to call or redemption before maturity. All bonds redeemed or purchased shall be canceled.

18. To secure the payment of revenue bonds and for the purpose of setting forth the covenants and undertakings of the authority in connection with the issuance of revenue bonds and the issuance of any additional revenue bonds payable from such revenue income to be derived from the operation, management, or use of the buildings acquired or to be acquired by the authority, the authority may execute and deliver a trust agreement except that no lien upon any physical property of the authority shall be created.

19. The resolution shall provide for the creation of a sinking fund account into which shall be payable from the revenues of the project, from month to month as such revenues are collected, the sums in excess of the cost of maintenance and operation of the project and the cost of administration of the authority, sufficient to comply with the covenants of the bond resolution and sufficient to pay the accruing interest and retire the bonds at maturity. The tax shall be levied and collected in like manner with the other taxes of the incorporating unit and shall be in addition to all other taxes authorized to be levied by that incorporating unit. This tax shall not be included within and shall be in addition to any statutory limitation of rate or amount for that incorporating unit. 24. All property owned by any authority shall be exempt from taxation by the state or any taxing unit of the state. However, any interest derived from bonds issued by the authority shall be subject to taxation.

25. The proposition of whether a conveyance shall be made shall be submitted to the legal voters of the city and county, utilizing the election procedures provided for bond issues, and an affirmative vote equal to at least a majority of the total votes cast on the proposition shall be required to authorize the conveyance. In no event shall any such contract provide that the hospital receive less than its cost of rendering such care to the recipient thereof as such cost may be determined by sound hospital accounting principles. [C24, 27, 31, 35, 39,§5367; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§347.21]

**347.23 City hospital changed to county hospital.** Any hospital organized and existing as a city hospital may become a county hospital organized and managed as provided for in this chapter, upon a proposition for such purpose being submitted to and approved by a majority of the electors of both the city in which such hospital is located, and of the county under whose management it is proposed that such hospital be placed, at any general or special election called for such purpose. The proposition shall be placed upon the ballot by the board of supervisors when requested by a petition therefor signed by qualified electors of the county equal in number to five percent of the votes cast for president of the United States or governor, as the case may be, at the last general election. The proposition may be submitted at the next general election or at a special election called therefor. Upon the approval of the proposition the hospital, its assets and liabilities, will become the property of the county and this chapter will govern its future management. The question shall be submitted in substantially the following form: "Shall the municipal hospital of . . . . ., Iowa, be transferred to and become the property of, and be managed by the county of . . . . ., Iowa?"

For the purpose of computing whether or not said proposition is carried, the votes of the residents of the city in which said hospital is located shall be counted both for the purpose of ascertaining whether or not the proposition is carried within the city and also for the purpose of ascertaining whether or not the proposition is carried within the county. [C62, 66, 71, 73, §347.23, 380.12; C75, 77, 79, §347.23]

**347.24 Law applicable to other hospitals.** Hospitals organized under chapter 37 or chapter 347A may be operated as provided for in this chapter in any way not clearly inconsistent with the specific provisions of their chapters. [C62, 66, 71, 73, 75, 77, 79, §347.24]

Nomination shall be made by petition in accordance with chapter 45. The petition form shall be furnished by the county commissioner of elections, signed by eligible electors of the county equal in number to one percent of the vote cast for president of the United States or governor, as the case may be, by both political parties in the last previous general election, and shall be filed with the county commissioner of elections at least fifty-five days prior to the date of said general election. A plurality shall be sufficient to elect hospital trustees, it being the intent that there be no primary election.

If any of the provisions of this section shall be in conflict with any of the laws of this state, then the provisions of this section shall prevail. [C62, 66, 71, 73, 75, 77, 79, §347.25]

[C62, 66, 71, 73, 75, 77, 79, §347.26]

**347.27 Revenue bonds authorized.**

1. Any county having theretofore established a county public hospital being operated under the provisions of this chapter may equip, enlarge, and improve the county public hospital and acquire the necessary lands, rights of way, and other property. For the purpose of equipping, enlarging, and improving any such county public hospital, including the acquisition of the necessary lands, rights of way, and other property, any county may, pursuant to resolution of the board of supervisors of the county and after it has been determined by the board of hospital trustees to be advisable, from time to time issue and dispose of its negotiable interest-bearing revenue bonds, payable solely as to both principal and interest from the revenues derived from the operation of the county public hospital. All such bonds may bear such date or dates, may mature at such time or times not exceed-

ing thirty years from their respective dates, may bear interest at such rate or rates not exceeding that permitted by chapter 74A payable semiannually, may be in such form and payable at such place or places, and may be subject to such redemption privileges as are stated on the face thereof and as may be provided in the resolution.

2. After a resolution authorizing the revenue bonds has been adopted, the county auditor shall publish notice of the adoption in at least one newspaper of general circulation in the county at least once each week for two consecutive weeks. The notice shall identify the resolution by the date of its adoption and shall specify the amount of bonds proposed to be issued. If within thirty days following the date of the first publication of the notice a petition is filed with the county auditor signed by qualified voters of the county in a number equal to or exceeding twenty percent of the total number of votes cast in the county for governor at the last preceding regular election at which a governor was elected, then the bonds authorized by the resolution shall not be issued until the proposition to issue the bonds is submitted at an election throughout the county and approved by not less than sixty percent of the votes cast for and against the proposition. When any petition is filed, it shall be referred to the board of supervisors at its next meeting. The board of supervisors may either repeal the bond resolution or order the election which shall be called and conducted in the manner provided by chapter 345. If no petition is filed within the time provided or if a petition is filed and the proposition of issuing the bonds is approved at the election, then the board of supervisors may proceed with the equipment, enlargement and improvement of the county public hospital and the acquisition of the necessary lands, rights of way, and other property and the issuance of revenue bonds, as provided in this section.

3. Under no circumstances shall any revenue bonds issued under the provisions of this section be or become an indebtedness of the county within the purview of any constitutional or statutory limitation or provision. It shall be plainly stated on the face of each bond that it does not constitute such an indebtedness, but is payable solely from revenues derived from the operation of the county hospital. All the bonds shall be sold in a manner and upon terms prescribed by the resolution authorizing the issuance of the bonds, however no bonds shall be sold upon terms that will result in an interest cost computed to maturity of the bonds according to standard tables of bond values which exceeds that permitted by chapter 74A. The resolution authorizing the revenue bonds may contain any covenants determined by the board of supervisors to be desirable in connection with the use and application of the bond proceeds, the operation of the county public hospital, and the custody and application of the revenues from this operation. The sole remedy for any breach or default of the terms of any bonds or proceedings for their issuance shall be by mandamus in a court of competent jurisdiction to compel performance and compliance therewith.

4. The board of hospital trustees shall fix rates, fees, and charges for the services furnished by the county public hospital so that the revenues of the

county public hospital will be at all times sufficient to provide for the payment of the interest on and principal of all revenue bonds issued and outstanding under the provisions of this section, and for the payment of all operating and maintenance expenses of the county public hospital. If in any year, after payment of the accruing interest on and principal due of any revenue bonds issued hereunder from the revenues derived from the operation of such hospital, there be a balance of such revenues insufficient to pay the expenses of operation and maintenance of the county public hospital the board of hospital trustees shall certify that fact as soon as ascertained to the board of supervisors of such county, and thereupon it shall be the duty of such board of supervisors to make the amount of such deficiency for paying the expenses of operation and maintenance of the county public hospital available from other county funds or, the board of supervisors of such county shall levy a tax not to exceed twenty-seven cents per thousand dollars of assessed value in counties having a population of less than two hundred twenty-five thousand inhabitants, or one dollar and twenty-one and one-half cents per thousand dollars of assessed value in counties having a population of two hundred twenty-five thousand inhabitants or over, in any one year on all the taxable property in said county in an amount sufficient for that purpose, it being conditioned that no general county funds or the proceeds of any taxes shall ever be used or applied to the payment of the interest on or principal of any revenue bonds issued under the provisions of this section, but that such general county funds or proceeds of taxes may only be used and applied to pay such expenses of operation and maintenance of the county public hospital as cannot be paid from available revenues derived from such operation.

5. All contracts for construction work to be paid for in whole or in part through the issuance of revenue bonds under the provisions of this section shall be awarded by the board of supervisors on competitive

bidding following such advertisement as may be prescribed by such board.

6. This section is an alternative and independent method for the equipment, enlargement, and improvement of a county public hospital, and for the issuance and sale of revenue bonds and shall not be construed as limiting or superseding any other method of equipping, enlarging, or improving a county public hospital. [C73, 75, 77, 79, §347.27; 68GA, ch 1025, §46]

Referred to in §347.7, 347.13(9), 444.13

**347.28 Sale or lease of property.** Any county or city hospital may lease or sell any of its property which is not needed for hospital purposes to any person for use as a physician's office, medical clinic, or any other health-related purpose. [C75, 77, 79, §347.28]

Referred to in §347.30

**347.29 Use of property for clinic.** Any county or city hospital may use property received by gift, devise, bequest or otherwise, or the proceeds from the sale of such property, for the construction of facilities for lease or sale as a medical clinic or a physician's office subject to the approval of the appropriate local health planning agency. [C75, 77, 79, §347.29]

Referred to in §347.30

**347.30 Advertise for bids.** A county or city hospital shall advertise for bids before selling or leasing any property pursuant to sections 347.28 and 347.29. The advertisement shall definitely describe the property and shall be published by at least one insertion each week for two consecutive weeks in a newspaper having general circulation in the county where the property is located. Bids shall not be accepted prior to two weeks after the second publication nor later than six months after the second publication. The highest competent bid must be accepted unless all bids received are deemed inadequate and rejected. [C75, 77, 79, §347.30]

Such trustees shall hold office until the next succeeding election, at which time their successors shall be elected, two for a term of two years, two for a term of four years and one for a term of six years, and thereafter their successors shall be elected for regular terms of six years each. Vacancies in the board of trustees may be filled in the same manner as original appointments to hold office until the vacancies are filled pursuant to section 69.12. Said trustees shall, within ten days after their appointment or election qualify by taking the usual oath of office, but no bond shall be required of them. The members of such board of hospital trustees shall receive no compensation but shall be reimbursed for all expenses incurred by them with the approval of said board in the performance of their duties. The board first appointed shall organize promptly following their appointment, and shall serve until such time as their successors are elected and qualified; thereafter no later than December 1 of each year the board shall reorganize by the appointment of a chairman, secretary, and treasurer. The secretary of the board of hospital trustees shall file with the board on or before the tenth day of each month, a complete statement of all receipts and disbursements from all funds during the preceding month, and also the balance remaining on hand in all funds at the close of the period covered by the statement. Before the third Monday of each month, the county treasurer shall give notice to the chairman of the board of hospital trustees of the amount of revenue collected for each fund of the hospital to the first day of that month, and the chairman shall draw his draft therefor countersigned by the secretary, upon the county treasurer, who shall pay such taxes to the treasurer of the hospital, only on such draft. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §347A.1]

Under no circumstances shall any revenue bonds issued under the provisions of this chapter be or become an indebtedness of the county within the pur-

view of any constitutional or statutory limitation or provision, and it shall be plainly stated on the face of each bond that it does not constitute such an indebtedness, but is payable solely from the revenues as aforesaid. All such bonds shall be sold in such manner and upon such terms as are prescribed by the resolution authorizing the issuance thereof, provided, that no bonds shall be sold upon terms that will result in an interest cost computed to maturity of the bonds according to standard tables of bond values which exceeds that permitted by chapter 74A. The resolution authorizing such revenue bonds may contain such covenants as are determined by the board of supervisors to be desirable in connection with the use and application of the bond proceeds, the operation of the county hospital and the custody and application of the revenues from such operation. The sole remedy for any breach or default of the terms of any such bonds or proceedings for their issuance shall be by mandamus in a court of competent jurisdiction to compel performance and compliance therewith. See 68GA, ch 87, §60

**347A.3 Tax for maintenance and operation.** If in any year, after payment of the accruing interest on and principal due of any revenue bonds issued hereunder from the revenues derived from the operation of such hospital, there be a balance of such revenues insufficient to pay the expenses of operation and maintenance of the county hospital the board of hospital trustees shall certify that fact as soon as ascertained to the board of supervisors of such county, and thereupon it shall be the duty of such board of supervisors to make the amount of such deficiency for paying the expenses of operation and maintenance of the county hospital available from other county funds or, the board of supervisors of such county shall levy a tax not to exceed one dollar and eight cents per thousand dollars of assessed value in any one year on all the taxable property in said county in an amount sufficient for that purpose, it being conditioned that no general county funds or the proceeds of any taxes shall ever be used or applied to the payment of the interest on or principal of any revenue bonds issued under the provisions of this chapter, but that such general county funds or proceeds of taxes may only be used and applied to pay such expenses of operation and maintenance of the county hospital as cannot be paid from available revenue derived from such operation. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §347A.4]

**347A.5 Discrimination prohibited.** The provisions of section 347.18 are made applicable to this chapter. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §347A.5]

He shall also report as to the suitability of the proposed source of water supply. [C39, §5526.06; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §357.6]

**357.7 Water source without district.** When in any proposed benefited water district, it is anticipated that the source of supply will be without the district, and not under its control, the board of supervisors shall instruct the engineer who is appointed to make the preliminary design and dummy assessment, to also obtain from the corporation or municipality which controls the proposed source of supply, a statement in writing, outlining the terms upon which water will be furnished to the district, or to the individuals within the district and on what terms in either case.

This preliminary proposal from the governing body of the source of supply shall be binding, and shall be in the nature of an option to purchase water by the district, or the individual within the same, if and when the proposed benefited water district shall have completed its construction, and is ready to use water. This proposal shall accompany and be a part of the engineer's preliminary report to the board of supervisors. [C39, §5526.07; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §357.7]

**357.10 Filing of report and plat.** The engineer's report, together with the dummy plat showing the tentative design and assessment, shall be filed with the county auditor within thirty days of such engineer's appointment, unless for adequate reasons it is impossible for him to do so, in which case the board of supervisors may extend the time therefor. [C39,

§5526.10; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §357.10]

Notice of the election, including the time and place of holding the same, shall be given in the same manner as for the public hearing heretofore provided for. The vote shall be by ballot which shall state clearly the proposition to be voted upon, and any qualified elector residing within the district at the time of the election shall be entitled to vote. It shall not be mandatory for the county commissioner of elections to conduct elections held pursuant to this chapter, but they shall be conducted in accordance with the provisions of chapter 49 where not in conflict with this chapter. Judges will be appointed to serve without pay, by the board of supervisors from among the qualified electors of the district who will have charge of the election. The proposition shall be deemed to have carried if a majority of those voting thereon vote in favor of the same. [C24, 27, 31, 35, §5524; C39, §5526.12; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §357.12]

Referred to in §357.13

**357.13 Trustees—terms.** At the election provided for in section 357.12, the names of the trustees shall be written by the voter on blank ballots without formal nomination and the board of supervisors shall appoint three from among the five receiving the highest number of votes as trustees for the district, one to serve for one year, one for two years, and one for three years, which trustees and their successors shall give bond in the amount the board of supervisors may require, the premium of which shall be paid by the district said trustees represent. Vacancies may thereafter be filled by election, or by appointment by the board of supervisors, at the option of the remaining trustees. The term of succeeding trustees shall be for three years. [C24, 27, 31, 35, §5524; C39, §5526.13; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §357.13]

**357.14 Bids for construction.** If the result of said election be in favor of said improvement, the board of supervisors shall instruct the engineer to complete the plans and specifications, ready for receiving bids for construction of the project, which he shall do within thirty days of receiving notice to do so, unless for adequate reason the board shall extend the time.

When the completed plans and specifications are on file with the county auditor, the board of supervisors shall advertise for bids and shall cause notice to be given by publication once each week for two consecutive weeks in some newspaper published in the county wherein the improvement is to be constructed, setting forth the location and nature of the improvement and the date and place where bids will be received by the board. The last published notice to bidders shall be at least seven days before the time set for receiving bids. Bidders will be required to submit certified checks for five percent of the amount of the bid. [C24, 27, 31, 35, §5524; C39, §5526.14; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §357.14]

**357.15 Inadequate assessment.** When bids have been received, if it is apparent that the final assessment will need to be increased more than ten percent over the preliminary assessment, the board of supervisors shall, at its option, reject bids and readvertise for bids as provided herein, or reject bids and revise the dummy assessment. If the dummy assessment is revised, another election shall be held within the district in the same manner and with the same notices as the first, except that the candidates for trustees shall not be voted for. [C39, §5526.15; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §357.15]

**357.16 Second election.** If the majority of the votes cast at said second election be in favor of said improvement, the board of supervisors shall again advertise for bids in the same manner as before. If the bids at the second letting will not necessitate raising the second preliminary assessment more than ten percent, the board may let the contract to the lowest responsible bidder. [C24, 27, 31, 35, §5524; C39, §5526.16; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §357.16]

**357.17 Bond of contractor.** The successful bidder, when awarded a contract, shall be required to give an approved surety bond for one hundred percent of the contract price, guaranteeing completion of the work in accordance with the plans and specifications, and for maintenance, including backfilling, for one year after the final acceptance of the work.

If the contractor shall fail to complete the work as provided in his contract, or shall abandon the same, or fail to proceed in a reasonable manner toward its final completion, the board may proceed against the contractor and bondsman as provided in sections 455.114 and 455.115. [C39, §5526.17; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §357.17]

**357.18 Acceptance of work.** When in the opinion of the engineer in charge, the construction in any benefited water district has been completed in accordance with the plans, specifications, and contract, he shall certify this fact to the board of supervisors, and recommend the acceptance of the work by the said board. The board of supervisors shall proceed in accordance with sections 455.111 and 455.112. [C39, §5526.18; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §357.18]

**357.19 Completing assessment.** After the final acceptance of the work by the board of supervisors, the engineer shall complete the final assessment, which

shall be made on all the property within the district, whether abutting or not, for an amount approximately ten percent greater than the total cost of the project. The assessment shall not exceed benefits conferred and shall take into consideration the location and value of the property assessed. Where a pipe in excess of six inches in diameter is used, the assessment against the abutting property shall be limited to the cost of a six-inch pipe, and the difference between the cost of the pipe used and a six-inch pipe shall be paid by a uniform assessment against all benefited property within the water district. The final assessment on any lot or parcel of land shall not exceed the final preliminary assessment by more than ten percent, and shall in no case exceed twenty-five percent of the actual value of the property. The board of supervisors may alter an assessment to increase or decrease it within the limits outlined above, and must approve by resolution the final assessment as made. [C24, 27, 31, 35, §5522; C39, §5526.19; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §357.19]

**357.20 Due date—bonds.** Assessments of less than ten dollars will come due at the first taxpaying date after the approval of the final assessment, and assessments of ten dollars or more may be paid in ten annual installments with interest on the unpaid balance at a rate not exceeding that permitted by chapter 74A. The board of supervisors shall issue bonds against the completed assessment in an amount equal to the total cost of the project, so that the amount of the assessment will be approximately ten percent greater than the amount of the bonds. [C24, 27, 31, 35, §5522; C39, §5526.20; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §357.20; 68GA, ch 1025, §49]

**357.21 Substance of bonds.** Each of such bonds shall be numbered, and have printed upon its face that it is a benefited water district bond, stating the county and the number of the district for which it is issued, and the date of maturity; that it is in pursuance of a resolution of the board of supervisors, and that it is to be paid for only from special assessment theretofore levied and taxes levied as hereinafter provided for that purpose within the said district for which the bond is issued. The provisions of sections 455.83 and 455.86 shall govern the issuance of these bonds except that the contractor will not be paid anything on the work until its completion and final acceptance. [C39, §5526.21; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §357.21]

**357.22 Lien of assessments—tax.** When the assessment has been completed and the bonds sold and the schedule of assessment shall be turned over to the county auditor, the installments due thereon shall be collected in the same manner as ordinary taxes and shall constitute a lien on the property against which they are made. If the treasurer does not receive sufficient funds to enable him to pay the interest and retire the bonds as they become due, he shall levy an annual tax of eighty-one cents per thousand dollars of assessed value of all taxable property within the district to pay such deficiency, and the county treasurer shall apply the proceeds of such levy to the payment of the bonds and the interest on the same so long as the bonds are in arrears on either interest or

principal. [C24, 27, 31, 35,§5525; C39,§5526.22; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§357.22]

**357.23 Surplus.** The board of supervisors shall be required to levy the annual tax of eighty-one cents per thousand dollars of assessed value of taxable property so long as the bonds are in arrears. [C39, §5526.23; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§357.23]

**357.24 Fee of engineer.** The fee for engineering services shall be fixed by the board of supervisors and he may be paid either a percentage or a per diem, from proceeds of the bond sale or by cash from the contractor, if the contractor takes bonds in settlement for his work under his contract. [C39,§5526.24; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§357.24]

**357.25 Management by trustees.** After the final acceptance of the work by the board of supervisors, the management of the utility shall automatically go to the three trustees previously appointed by the board of supervisors. The trustees shall have power to levy an annual tax not to exceed thirteen and one-half cents per thousand dollars of assessed value of all taxable property in the district, for the maintenance of the system. This levy shall be optional with the trustees. The trustees may purchase material and employ labor to properly maintain and operate the utility. The trustees shall be allowed necessary expenses in the discharge of their duties, but shall not receive any salary. [C24, 27, 31, 35,§5526; C39, §5526.25; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§357.25]

**357.26 Duties of trustees.** It is anticipated that this law will usually be utilized to finance a distribution system where the source of supply is without the district, and not under its control, and that individuals within the district will pay water rent to a municipality or corporation without the district. It is intended that the trustees may so operate the utility as will best serve the users, and they are expressly authorized to buy and sell water, to fix the rates to consumers and make all contracts reasonable or necessary to accomplish the purpose of this chapter and to carry on all the operations incident to maintaining and operating said utility and to the procuring and furnishing of water to the consumers therein. If the development of a source of supply is within the means of the district, the trustees may install wells, tanks, meters and any other equipment properly pertaining to operate it. [C39,§5526.26; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§357.26]

**357.27 Public property in district.** Whenever property of the state of Iowa, or any political subdivision thereof, shall be included either wholly or in part within such water district and shall own facilities which may be used as a part of such water system, the executive council, board of supervisors or city council, as the case may be, may permit such use of said facilities for such consideration and on such terms as may be agreed upon with the board of trustees. [C39,§5526.27; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§357.27]

**357.28 Private mains—additional assessments.** Any person or persons within any water district, who may, after the initial installation of the improvement in any such district, desire to construct additional mains, and who have been assessed on the original assessment, may with the consent of the trustees, connect such lateral mains as they desire with the original system to serve property within the district which has been assessed, provided that the entire cost thereof shall be borne by the parties so interested.

The trustees shall have power to make additional assessments on unimproved lots or parcels of land within the district when said unimproved lots or parcels are improved and ready to receive the full benefits of the district. This additional assessment shall be determined and fixed by the trustees and shall not exceed the average assessment for improved property in said districts less the original assessment on said unimproved lots or parcels. Said assessments shall be paid to the county treasurer before service pipes are laid into said improvement. The assessment shall be put in the benefited water district fund of the district of which said lots or parcels are a part and shall be used by the county treasurer for the retirement of bonds and interest. When the bonds are all retired, the trustees shall be authorized to use said fund for maintenance purposes, changing size of mains, eliminating dead ends, or extending mains for the benefit of the district. [C39,§5526.28; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§357.28]

**357.29 Subdistricts.** If the cost of the desired extensions will be as much as five thousand dollars, the interested parties may petition the board of supervisors to organize a subdistrict, and in such case the board shall proceed in the same manner as for a new district, and may take in territory not originally assessed.

The board of supervisors shall have power at any time to alter the boundaries of any district prior to the time of posting or publishing notice of the election within the district. [C24, 27, 31, 35,§5522; C39, §5526.29; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§357.29]

**357.30 Additional territory.** When the district is under the control of trustees, they are empowered to deal with parties without the district who desire to be taken into the district or to obtain water from the district and determine the amount to be assessed against said district to be taken in or connected with. The trustees shall have power in such cases to make agreements for the district, and may, with the consent of the board of supervisors, alter the district boundaries to take in additional territory. No lot or parcel of land shall be put out of a district without the consent of the owner, after it has paid any assessment to the district. [C24, 27, 31, 35,§5522; C39, §5526.30; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§357.30]

**357.31 Right of way.** The board of supervisors shall have power to condemn, in the same manner as provided for the condemnation of land, right of way through private property, sufficient for the construction and maintenance of water mains. The cost of such right of way shall constitute a part of the ex-

pense of the improvement and shall be covered by the special assessment. [C39,§5526.31; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§357.31]

**357.32 Record book.** The board of supervisors shall provide a record book which shall be in the custody of the auditor, in which shall be kept a full and complete record of the proceedings relative to water districts, so arranged and indexed, as to enable any proceedings relative to any district to be readily examined. [C24, 27, 31, 35,§5524; C39,§5526.32; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§357.32]

**357.33 Appeal procedure.** Any person aggrieved, may appeal from any final action of the board of supervisors in relation to any matter involving his rights, to the district court of the county in which the district is located. The procedure in such appeals shall be governed by the provisions of sections 455.94 to 455.109 provided that whenever in the above sections the words "drainage district" occur, the words "benefited water district" shall be substituted. [C39, §5526.33; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§357.33]

**357.34 Conveyance of district to city.** Where a city is situated wholly or partly within a benefited

water district or the source of supply for such benefited water district is a municipal water system, the board of supervisors having jurisdiction of said benefited water district, at the request of the trustees of said benefited water district, may, by proper resolution, convey unto said city any and all rights which said board of supervisors may have in and to said benefited water district. Said conveyance, however, shall not become effective until all existing obligations against said district have been completely and fully discharged and such conveyance accepted and confirmed by a resolution of the council of said city or of the board of waterworks trustees of said city if there be one, specially passed for such purpose.

Upon acceptance, the district, including the plant and distribution system, as well as all funds and credits shall become the property of said city and be operated and used by it to the same extent as if acquired under such provisions of law under which said city is then operating its waterworks. Also, the offices of the trustees as provided in this chapter shall be abolished upon acceptance by the city and their duties as such shall immediately cease. [C54, 58, 62, 66, 71, 73, 75, 77, 79,§357.34]

**357A.2 Petition—bond.** A petition may at any time be filed with the auditor requesting the supervisors to incorporate and organize a district encompassing an area, not then included in any other district, in any county or any two or more adjacent counties for the purpose of providing an adequate supply of water for domestic purposes to residents of the area who are not served by the water mains of any city water

system and who cannot feasibly obtain adequate supplies of water from wells on their own premises

There shall be filed with the petition a bond, certified check or cash in an amount and with sureties approved by the auditor, sufficient for the payment of all costs and expenses incurred in the proceedings if the district is not finally established

The petition shall be signed by the owners of at least fifty percent of all land lying within the outside perimeter of the area designated for inclusion in the proposed district, and shall state

1 The location of the area so designated, describing such area by section, or fraction thereof, and by township and range

2 The reasons a district is needed [C71, 73, 75, 77, 79, §357A 2]

Referred to in §352 3 357A 20

**357A.3 Hearing after filing with auditor.** When a petition for incorporation and organization of a district is filed with the auditor, he shall so inform the supervisors who shall fix a time for a hearing thereon, not less than fifteen nor more than thirty days after the filing of the petition. The auditor shall prepare a notice as hereinafter required, which shall at least seven days before the date fixed for the hearing on the petition

1 Be published in a newspaper of general circulation in the area to be incorporated

2 Be transmitted, together with a copy of the original petition, to the council [C71, 73, 75, 77, 79, §357A 3]

2 The time and place fixed by the supervisors for the hearing on the petition

3 That all owners or occupants of land within the boundaries described may appear and be heard

4 That the proposed district, if incorporated, shall have no power or authority to levy any taxes whatsoever [C71, 73, 75, 77, 79, §357A 4]

**357A.5 Who may be heard.** At the hearing on the petition, any owner or occupant of land within the boundaries of the area described in the petition may appear, in person or by his designated representative, and any representative of the council may also appear, in favor of or in opposition to the incorporation and organization of the proposed district. Such appearances may also be filed in writing prior to the time set for the hearing [C71, 73, 75, 77, 79, §357A 5]

**357A.6 Findings by board.** After the hearing, the supervisors may strike off any part of the territory that testimony shows will not be benefited by the creation of the district. If the supervisors do not find that the district is reasonably necessary, they shall dismiss the petition

If the supervisors find that required notice of the hearing has been given and that such district is reasonably necessary for the public health, convenience,

fire protection, and comfort of the residents, they shall make an order establishing the district as a body politic, describing its boundary, and designating it by name or number. The order shall be published in the same newspaper which published the notice of hearing. The supervisors shall prepare and preserve a complete record of the hearing on the petition and their findings and action thereon [C71, 73, 75, 77, 79, §357A 6]

**357A.7 Meeting of members.** As a part of the order incorporating the district, the supervisors shall fix the time and place at which the members shall meet to select from their number a board of directors. Selection of the initial board shall be not later than thirty days after the hearing. The number of directors on the board, not to exceed nine, shall be determined by a majority vote of those members present. Any member elected a director who fails to become a participating member, within thirty days after entry in the minutes of the board of a declaration of availability of benefit units for subscription, shall forfeit his office [C71, 73, 75, 77, 79, §357A 7]

Referred to in §357A 20

**357A.8 Bylaws submitted at special meeting.** Within thirty days after election of the original board, proposed bylaws shall be submitted for adoption at a special meeting of members of the district, written notice of which shall be mailed to each member. Members present at the special meeting may adopt or amend any of the proposed bylaws, and may propose and adopt alternative or additional bylaws. The bylaws may subsequently be amended at any annual or special meeting of the participating members of the district. However, the bylaws of each district shall provide

1 For an annual meeting of participating members between January 1 and March 1 of each year following the year of incorporation of the district, and for the mailing of written notice of the time and place of each annual meeting to each participating member and publication of such notice in a newspaper of general circulation in the district not less than ten nor more than thirty days prior to each meeting

2 That each participating member of the district shall be entitled to a single vote at all annual and special meetings of the district, regardless of the number of benefit units to which he has subscribed [C71, 73, 75, 77, 79, §357A 8]

Referred to in §357A 20

**357A.9 Members divided into classes.** The initial board of each district shall divide its members by lot into three classes of as nearly equal size as possible. The terms of the directors in the first, second, and third classes shall expire on the dates of the annual meetings in the first, second, and third years, respectively, following the year in which the district is incorporated, or as soon thereafter as their respective successors are elected and have qualified. At the annual meeting in each year after the year in which the district is incorporated, a director shall be elected to succeed each director whose term of office expires on that date, and each director so elected shall hold office for a term of three years and until his successor is elected and has qualified. Vacancies shall be filled

by appointment by the remaining directors, for the unexpired term. [C71, 73, 75, 77, 79, §357A.9]

Referred to in §357A.20

**357A.10 Board meetings.** The board shall meet annually on the same day as, and immediately following, the annual meeting of participating members, and may meet at such other times as it may determine, or upon the call of the chairman or any two directors. At the first meeting of the initial board following its election, and at each succeeding annual board meeting, the board shall elect a chairman, vice chairman, secretary, and treasurer for the ensuing year. [C71, 73, 75, 77, 79, §357A.10]

2. Maintain at its office a record of the district's proceedings, rules and regulations, and any decisions and orders made pursuant to the provisions of this chapter, and furnish copies thereof to the supervisors or the council upon request.

3. Employ, appoint, or retain attorneys, engineers, other professional and technical employees, and such other personnel as necessary, and require and approve bonds of district employees.

4. Prior to each annual meeting of participating members:

a. Prepare an estimated budget for the coming year, and adjust water rates if necessary in order to produce the revenue required to fund the estimated budget, and make a report thereon at the annual meeting.

b. Have an audit made of the district's records and accounts, and make copies of the audit report available to all participating members attending the annual meeting and to any other participating member who so requests.

5. Have authority to acquire by gift, lease, purchase, or grant any property, real or personal, in fee or a lesser interest needed to achieve the purposes for which the district was incorporated, to acquire easements for water lines and reservoirs by condemnation proceedings, and to sell and convey property owned, but no longer needed, by the district. Condemnation proceedings shall not apply to existing wells, ponds or reservoirs.

6. Have authority to construct, operate, maintain, repair, and when necessary to enlarge or extend, such ponds, reservoirs, pipe lines, wells, check dams, pumping installations, or other facilities for the storage, transportation, or utilization of water, and such appurtenant structures and equipment, as may be necessary or convenient to carry out the purposes for which the district was incorporated. A district may purchase its water supply from any source.

7. Have power to borrow from, co-operate with and enter into such agreements as deemed necessary with any agency of the federal government, and to accept financial or other aid from any agency of the federal government. To evidence any indebtedness

the obligations may be one or more bonds or notes and the obligations may be sold at private sale.

8. Have power to finance all or part of the cost of the construction or purchase of any project necessary to carry out the purposes for which the district is incorporated, or to refinance all or part of the original cost of any such project, and to evidence that financing by issuance of revenue bonds or notes which shall mature in a period not to exceed forty years from date of issuance, shall bear interest, or combined interest and insurance charges, at a rate not to exceed that permitted by chapter 74A, shall be payable only from revenue derived from sale of water by the district, and shall never become or be construed to be a debt against the state of Iowa or any of its political subdivisions other than the district issuing the bonds. A statutory mortgage lien shall exist upon the water system and appurtenances and extensions so acquired in favor of the holders of the bonds and notes. [C71, 73, 75, 77, 79, §357A.11; 68GA, ch 1025, §50, ch 1122, §1]

**357A.12 Plans and specifications.** As soon as reasonably possible after incorporation of a district, the board shall file with the supervisors and the council copies of the plans and specifications for, and estimates of the cost of, any improvements authorized by this chapter which the board proposes to construct or acquire. The board shall determine a reasonable fee which each member shall pay for the privilege of utilizing the district's facilities which shall be known as a benefit unit. Benefit units may be classified. The board, by publication in a newspaper of general circulation in the district, shall generally describe the planned improvements, the area to be served and the fee members will be required to pay for each service connected to the water system. [C71, 73, 75, 77, 79, §357A.12]

**357A.13 Selling water.** If the capacity of the district's facilities permits, the district may sell water by contract to any city, other district, or other person, public or private, not within the boundaries of a district. [C71, 73, 75, 77, 79, §357A.13]

**357A.14 Petition to attach to district.**

1. Owners of land outside any district which can economically be served by the facilities of the district may petition to be attached to the district. The petition therefor shall be filed with the auditor, and the auditor and supervisors shall proceed thereon, in substantially the same manner as is provided by this chapter for filing of a petition for incorporation and organization of a district.

2. All or any part of an incorporated city may be included in the boundaries of any existing water district or water district being newly organized, provided the governing body of such city by resolution or ordinance gives, or has given, its consent.

3. Boards of any two or more districts may by concurrent action and by approval of the supervisors merge their districts into one. In case of merger the members of the boards of the merged districts may serve out the terms for which they were elected. The resulting district shall take over all the assets and legal liabilities of the water districts joining in the merger. Obligations of any district joined by the revenue of the systems operated by the district shall

continue to be retired, or a sinking fund for such purpose created from revenue from the system operated over the same area by the resulting district in accordance with the laws under which the obligations were issued, until all obligations of the old district have been retired. [C71, 73, 75, 77, 79, §357A.14]

**357A.15 Taxing prohibited.** No district shall have any power to levy any taxes. Neither the facilities constructed or otherwise acquired by any district, including but not limited to ponds, reservoirs, pipe lines, wells, check dams, and pumping installations, the revenues obtained by the district from the sale of water, nor the revenue bonds or interest therefrom issued by any district shall be taxable in any manner by the state of Iowa or any of its political subdivisions. [C71, 73, 75, 77, 79, §357A.15]

**357A.16 Detaching land from district.** If it becomes apparent that certain lands included within a district cannot economically or adequately be served by the facilities of the district, the owners of such lands may file with the auditor a petition to the supervisors requesting that those lands be detached from the district. The petition shall:

1. Describe by section, or fraction thereof, and by township and range, the lands which it is proposed to detach from the district.

2. State that such lands cannot economically or adequately be served by the facilities of the district, and that it is not feasible for the district to enlarge or extend its facilities so as to economically and adequately serve such lands.

3. Be signed by the owners of all the lands which it is desired to detach from the district. [C71, 73, 75, 77, 79, §357A.16]

Referred to in §357A 18

**357A.17 Inactive district dissolved.** A petition may be filed with the auditor requesting the supervisors to dissolve an inactive district. The petition shall:

1. State that the district owns no property of any kind exclusive of records, maps, plans, and files, and that all of its debts and obligations have been fully paid.

2. State that the board has not held a meeting for more than one year prior to the date of filing of the petition, that the district is not functioning, and will probably continue to be inoperative.

3. Be signed by three-fourths of the members of the district. [C71, 73, 75, 77, 79, §357A.17]

Referred to in §357A 18

**357A.18 Hearing.** Upon the filing with the auditor of a petition under either section 357A.16 or section 357A.17, the auditor shall so inform the supervisors who shall fix a time for consideration of the petition. The supervisors may, but shall not be required to, hold a hearing thereon. After consideration of the petition, and after the hearing if one is held, the supervisors shall ascertain whether:

1. The petition meets all of the requirements prescribed by this Act for such petition.

2. It appears from all information available to the supervisors that each allegation included in the petition is factual.

If the supervisors' finding on each of the foregoing points is positive, it shall declare the lands described in the petition detached from the district, or declare the district dissolved, as the case may be. The supervisors shall notify the secretary of the district of its action, and the secretary shall amend the records of the district to show that the land described in the petition has been detached from the district, or shall within thirty days deliver to the auditor all records, maps, plans, and files of the district dissolved, as the case may be. [C71, 73, 75, 77, 79, §357A.18]

**357A.19 Not exempt from other requirements.** Nothing in this chapter shall be construed to exempt any district from the requirements of any other statute, whether enacted prior to or subsequent to July 1, 1970, under which the district is required to obtain the permission or approval of, or to notify, the council, the Iowa commerce commission, or any other agency of this state or of any of its political subdivisions prior to proceeding with construction, acquisition, operation, enlargement, extension, or alteration of any works or facilities which the district is authorized to undertake pursuant to this chapter. [C71, 73, 75, 77, 79, §357A.19]

**357A.20 Alternate operation by nonprofit corporation.** A nonprofit corporation incorporated under the laws of the state of Iowa for the specific purpose of operating a rural water system may petition the supervisors for incorporation of a district, in the manner provided by section 357A.2. The signatures of the corporation's officers on the petition shall suffice in lieu of signatures of owners of fifty percent of the land in the proposed district, provided the corporation presents evidence satisfactory to the supervisors that a sufficient number of members of the proposed district will subscribe to benefit units to make its operation feasible. The procedure for hearing and determination of disposition of the petition shall be as provided by this chapter. In any district incorporated upon the petition of a nonprofit corporation, the officers and board of directors of the corporation shall be the officers and board of the district. The applicable laws of the state and the articles of incorporation and bylaws of the corporation shall control the initial size and initial term of office of such officers and board, in lieu of sections 357A.7, 357A.9, and 357A.10. The members of the board shall also be reimbursed for their travel and other necessary expenses incurred in performing their official duties. Travel expenses are reimbursable at the rate specified in section 79.9.

The board of trustees may adopt the necessary ordinances, resolutions, rules and regulations for the proper management and conduct of the business of the board of trustees and the corporation and for carrying out the purposes for which the sanitary district is formed. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358.12; 68GA, ch 1123, §1]

**358.13 Ordinances—publication or posting—time of taking effect.** All ordinances, resolutions, orders, rules and regulations adopted by the board shall take effect five days from and after their adoption and publication. The publication thereof shall be by one publication in a newspaper published in the district or by posting copies thereof in five public places within the district. **358.14 Proof of ordinances.** All ordinances, resolutions, orders, rules and regulations, and the date when same became effective, may be proven by the certificate of the clerk, under the seal of the corporation, if one has been adopted, and when printed in book or pamphlet form and purporting to be published by the board of trustees such book or pamphlet shall be received as evidence of the passage and legal publication or posting thereof as of the dates mentioned therein, in all courts and places, without further proof. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358.14]

**358.15 Personal interest in contracts.** No trustee of such district shall be directly or indirectly interested in any contract, work, or business of the district, or in the sale of any article the expense, price, or consideration of which is paid by such district; nor in the purchase of any real estate or other property belonging to the district, or which shall be sold for taxes or assessments, or by virtue of legal process at the suit of said district; provided, that nothing herein shall be construed as prohibiting the selection of any person as trustee because of his ownership of real estate in the district or because he is a taxpayer in the district. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358.15]

**358.16 Power to provide for sewage disposal.** The board of trustees of any sanitary district organized under this chapter shall have power to provide for the disposal of the sewage thereof, including the sewage and drainage of any city or village within the boundaries of such district; to acquire, lay out, locate, establish, construct, maintain, and operate one or more drains, conduits, treatment plants, disposal plants, pumping plants, works, ditches, channels, and outlets of such capacity and character as may be required for the treatment, carrying off, and disposal of the sew-

The board of trustees, however, may upon such petition of property owners representing at least twenty-five percent of the valuation of property not included within the district as constituted which seeks benefit from the operation of such sanitary district, include such property and the area involved within the limits of such sanitary district, and such added areas shall be subject to the same taxation as other portions of the district.

Nothing contained herein shall be construed to authorize or empower such board of trustees to operate a system of waterworks for the purpose of furnishing water to the inhabitants of the district, or to construct, maintain, or operate local municipal sewerage facilities, or to deprive municipalities within the district of their powers to construct and operate sewers for local purposes within their limits.

The board of trustees of such sanitary district may, however, upon petition of the council or governing body of any incorporated city within the sanitary district, contract with such city to undertake the operation of local municipal sewage facilities as part of the functioning of the sanitary district and make an agreement with such municipality for the levying of additional sewer or sewage disposal taxes, which taxes shall be levied by the municipality as now provided by law. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358.16]

**358.17 Power to acquire and dispose of property.** Any sanitary district organized under this chapter may acquire by purchase, condemnation, or otherwise, any and all real and personal property, rights of way and privileges, either within or without its corporate limits, required for its corporate purposes. Condemnation proceedings shall be conducted in the same manner, as near as may be, as provided for condemnation by counties under the laws of Iowa. Said sanitary districts shall have power to sell, convey, or otherwise dispose of any of the properties belonging to them when no longer required for their purposes. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358.17]

**358.18 Taxes—power to levy—tax sales.** The board of trustees of any sanitary district organized

under this chapter shall have the power by ordinance to levy annually for the purpose of paying the administrative costs of such district, or for the payment of deficiencies in special assessments, or for both, a tax upon property within the territorial limits of such sanitary district not exceeding fifty-four cents per thousand dollars of the adjusted taxable valuation of the property within such district for the preceding fiscal year.

All taxes thus levied by the board shall be certified by the clerk on or before March 1 to the county auditor of each county wherein any of the property included within the territorial limits of said sanitary district is located, and shall by said auditor or auditors be placed upon the tax list for the current fiscal year; and the county treasurer, or treasurers, of more than one county, shall collect all taxes so levied in the same manner as other taxes, and when delinquent they shall draw the same interest and penalties. All taxes so levied and collected shall be paid over by the officer collecting the same to the treasurer of the sanitary district.

Sales for delinquent taxes owing to such sanitary district shall be made at the same time and in the same manner as such sales are made for other taxes, and all provisions of the law of this state relating to the sale of property for delinquent taxes shall be applicable, so far as may be, to such sales. **358.19 Records and disbursements.** The clerk of each sanitary district shall keep a record of all the proceedings and actions of the trustees. The treasurer shall receive, collect, and disburse all moneys belonging to the district, and no claim shall be paid or disbursement made until it has been duly audited by the board of trustees. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358.19]

**358.20 Rentals and charges.** Any sanitary district may by ordinance establish just and equitable rates or charges or rentals for the utilities and services furnished by it to be paid to such district by every person, firm or corporation whose premises are served by a connection to such utilities and services directly or indirectly. Such rates, charges, or rentals, as near as may be in the judgment of the board of trustees of the district, shall be equitable and in proportion to the services rendered and the cost thereof, and taking into consideration in the case of each such premises the quantity of sewage produced thereby and its concentration, strength, and pollution qualities. The board of trustees may change such rates, charges, or rentals from time to time as it may deem advisable, and by ordinance may provide for the collection thereof. The board is authorized to contract with any municipality within the district, whereby such municipality may collect or assist in collecting any of such rates, charges, or rentals, whether in conjunction with water rentals or otherwise, and any such municipality is hereby empowered to undertake such collection and render such service. Such rates, charges, or rentals, if not paid when due, shall constitute a lien upon the property served by a connection as aforesaid and shall be collected in the same manner as other taxes.

In no case shall such rates, rentals, or charges, or the funds accruing from the collection thereof, be used to meet that part of the cost of any construction within the district which has been financed by special assessment against benefited properties.

Sewer rentals, charges, or rates may supplant or replace, in whole or in part, any monetary levy of taxes which may be, or have been, authorized by the board of trustees for any of the following purposes:

1. To meet interest and principal payments on bonds legally authorized for the financing of sanitary utilities in any manner.

2. To pay costs of the construction, maintenance, or repair of such sanitary facilities or utilities, including payments to be made under any contract between municipalities for either the joint use of sewerage or sewage facilities, or for the use by one municipality of all or a part of the sewerage or sewer system of another municipality.

When a sewer rental ordinance has been passed and put into effect, prior ordinances or resolutions providing for monetary levy of taxes against real and personal property for such purposes, or the portion thereof replaced, may be repealed. [C31, 35, §6066-d7; C39, §6066.21; C46, 50, 54, 58, 62, 66, 71, 73, §358.20, 393.7; C75, 77, 79, §358.20]

**358.21 Debt limit—borrowing—bonds—purposes.** Any sanitary district organized hereunder may borrow money for its corporate purposes, but shall not become indebted in any manner or for any purpose to an amount in the aggregate exceeding five percent on the value of the taxable property within such district, to be ascertained by the last state and county tax lists previous to the incurring of such indebtedness. Indebtedness within this constitutional limit shall not include the indebtedness of any other municipal corporation located wholly or partly within the boundaries of such sanitary district.

Subject only to this debt limitation, any such sanitary district organized hereunder shall have and it is hereby vested with all of the same powers to issue bonds, including both general obligation and revenue bonds, which cities now or may hereafter have under the laws of this state. In the application of such laws to this chapter, the words used in any such laws referring to municipal corporations or to cities shall be held to include sanitary districts organized under this chapter, the words “council” or “city council” shall be held to include the board of trustees of a sanitary district; the words “mayor” and “clerk” shall be held to include the president and clerk of any such board of trustees or sanitary district; and like construction shall be given to any other words in such laws where required to permit the exercise of such powers by sanitary districts.

Any and all bonds issued hereunder shall be signed by the president of the board of trustees and attested by the clerk, with the seal of the district, if any, affixed, and interest coupons attached thereto shall be attested by the signature of the clerk.

The proceeds of any bond issue made under the provisions of this section shall be used only for the purpose of acquiring, locating, laying out, establishing and construction of drainage facilities, conduits, treatment plants, pumping plants, works, ditches,

channels and outlets of such capacity and character as may be required for the treatment, carrying off and disposal of the sewage and industrial wastes and other drainage incidental thereto of such district, or to repair, change, enlarge and add to such facilities as may be necessary or proper to meet the requirements present and future for the purposes aforesaid. Proceeds from such bond issue may also be used for the payment of special assessment deficiencies. Said bonds shall be payable in not more than forty annual installments and with interest at a rate not exceeding that permitted by chapter 74A, and shall be made payable at such place and be of such form as the board of trustees shall by resolution designate. Any sanitary district issuing bonds as authorized in this section is hereby granted authority to pledge the future avails of a tax levy to the payment of the principal and interest of such bonds after the same come due, and the power to impose and certify said levy is hereby granted to the trustees of sanitary districts organized under the provisions of this chapter. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358.21; 68GA, ch 1025, §53]

See 68GA, ch 87, §60

**358.22 Special assessments.** The board of trustees of any sanitary district may provide for payment of all or any portion of the costs and expenses of constructing, reconstructing, or extending any drains, sewers, or laterals, and other necessary adjuncts thereto, including pumping stations, by assessing all, or any portion thereof, on abutting and adjacent property according to the benefits derived thereby, and for this purpose said board may define adjacent property as all that included within a designated benefited district or districts to be fixed by the board, which may be all of the property located within the sanitary district or any lesser portion thereof. It shall constitute no objection to any special assessment that the improvement for which the same is levied is outside the limits of such sanitary district, but no special assessment shall be made upon property situated outside of such sanitary district. Special assessments shall be in proportion to the special benefits conferred upon the property thereby, and not in excess of such benefits, and the same shall not exceed twenty-five percent of the actual value of the property at the time of levy, and the last preceding assessment roll shall be taken as prima-facie evidence of such value.

Such assessments may be made to extend over a period of ten years, payable in as nearly equal annual installments as practicable, and certificates or bonds may be issued in anticipation thereof. Proceedings for improvements to be made and paid for, in whole or in part, by special assessments, as herein authorized shall be initiated by resolution of necessity, and said resolution and the plat, schedule, hearings, notices, objections, orders, assessments, levies, contracts, bonds, certification of assessments, liens, payment, tax sales, and appeals, and the issuance and sale of certificates, and bonds, shall correspond, as near as may be, to the provisions therefor relating to special assessment bonds of a city, which provisions shall govern such proceedings, to the extent applicable, except as modified hereby. A majority vote of the board

of trustees shall be requisite and sufficient for any action required by the board under the provisions of this section. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358.22]

**358.24 Contracts outside of district.** A sanitary district may enter into contracts with persons or firms outside its limits for the processing of sewage but the rate for processing shall not be less than that charged the inhabitants of the district.

A district entering into a contract may lay sewer lines in highways outside the district upon first obtaining the permission of the state department of transportation in the case of primary roads and the board of supervisors in case of secondary roads, on written application designating the particular highway and part thereof, the use of which is desired.

A sanitary district adjoining a border of the state and owning and operating a sewage disposal plant, may contract with the governing body of any legal entity in an adjacent area in another state, to process the sewage from the area. The contract shall be subject to approval of the state department of health. [C58, 62, 66, 71, 73, §393.10, 393.11, 393.13; C75, 77, 79, §358.24]

At the hearing, all persons interested in the matter of the conveyance and discontinuance of the sanitary district may appear and shall be heard, for and against the conveyance and discontinuance, and the board shall examine into the matter and the equitable distribution of the assets, and equitable distribution and assumption of the liabilities which have accrued during the time the sanitary district has been in existence. The board shall receive evidence on the question from the parties interested, and, after hearing and reviewing the statements, evidence, and suggestions made and offered at the hearing, if it finds

that the sanitary district lies wholly or partially within the corporate limits of a city or that the depository of the district is a municipal sanitary sewage system, that the public health, comfort, convenience or welfare will be promoted by the conveyance and discontinuance of the sanitary district and the assumption of the duties, responsibilities and functions of the sanitary district by the city, and that the city has agreed to assume the duties, responsibilities and functions of the sanitary district, shall enter an order specifying the matter and specifying the equitable distribution of the assets, and the equitable distribution and assumption of the liabilities and responsibilities of the sanitary district and setting an effective date of the conveyance and discontinuance. **358A.11 Membership of board.** The board of adjustment shall consist of five members, a majority of whom shall reside within the county but outside the corporate limits of any city, each to be appointed for a term of five years, excepting that when the board shall first be created one member shall be appointed for a term of five years, one for a term of four years, one for a term of three years, one for a term of two years, and one for a term of one year. Members shall be removable for cause by the appointing authority upon written charges and after public hearing. Such chairman, or in his absence, the acting chairman, may administer oaths and compel the attendance of witnesses. All meetings of the board shall be open to the public. The board shall keep minutes of its proceedings, showing the vote of each member upon each question, or if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall be immediately filed in the office of the board and shall be a public record. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358A.12]

[C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358A.13]

**358A.14 Stay of proceedings.** An appeal stays all proceedings in furtherance of the action appealed from, unless the officer from whom the appeal is taken certifies to the board of adjustment after the notice of appeal shall have been filed with him that by reason of facts stated in the certificate a stay would, in his opinion, cause imminent peril to life or property. In such case proceedings shall not be stayed otherwise than by a restraining order which may be granted by the board of adjustment or by a court of record on application on notice to the officer from whom the appeal is taken and on due cause shown. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358A.14]

**358A.15 Powers of board.** The board of adjustment shall have the following powers:

1. To hear and decide appeals where it is alleged there is error in any order, requirement, decision or determination made by an administrative official in

the enforcement of this chapter or of any ordinance adopted pursuant thereto.

2. To hear and decide special exceptions to the terms of the ordinance upon which such board is required to pass under such ordinance.

3. To authorize upon appeal, in specific cases, such variance from the terms of the ordinance as will not be contrary to the public interest, where owing to special conditions a literal enforcement of the provisions of the ordinance will result in unnecessary hardship, and so that the spirit of the ordinance shall be observed and substantial justice done. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358A.15]

**358A.16 Decision.** In exercising the above mentioned powers such board may, in conformity with the provisions of this chapter, reverse or affirm, wholly or partly, or may modify the order, requirement, decision, or determination appealed from and may make such order, requirement, decision, or determination as ought to be made, and to that end shall have all the powers of the officer from whom the appeal is taken. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358A.16]

**358A.17 Vote required.** The concurring vote of three members of the board shall be necessary to reverse any order, requirement, decision, or determination of any such administrative official, or to decide in favor of the applicant on any matter upon which it is required to pass under any such ordinance or to effect any variation in such ordinance. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358A.17]

**358A.18 Petition to court.** Any person or persons, jointly or severally, aggrieved by any decision of the board of adjustment under the provisions of this chapter, or any taxpayer, or any officer, department, board or bureau of the county, may present to a court of record a petition, duly verified, setting forth that such decision is illegal, in whole or in part, specifying the grounds of the illegality. Such petition shall be presented to the court within thirty days after the filing of the decision in the office of the board. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358A.18]

**358A.19 Review by court.** Upon the presentation of such petition, the court may allow a writ of certiorari directed to the board of adjustment to review such decision of the board of adjustment and shall prescribe therein the time within which a return thereto must be made and served upon the relator's attorney, which shall not be less than ten days and may be extended by the court. The allowance of the writ shall not stay proceedings upon the decision appealed from, but the court may, on application, on notice to the board and on due cause shown, grant a restraining order. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358A.19]

**358A.20 Record advanced.** The board of adjustment shall not be required to return the original papers acted upon by it, but it shall be sufficient to return certified or sworn copies thereof or of such portions hereof as may be called for by such writ. The return shall concisely set forth such other facts as may be pertinent and material to show the grounds

of the decision appealed from and shall be verified. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358A.20]

**358A.21 Trial to court.** If upon the hearing which shall be tried de novo it shall appear to the court that testimony is necessary for the proper disposition of the matter, it may take evidence or appoint a referee to take such evidence as it may direct and report the same to the court with his findings of fact and conclusions of law, which shall constitute a part of the proceedings upon which the determination of the court shall be made. The court may reverse or affirm, wholly or partly, or may modify the decision brought up for review.

Costs shall not be allowed against the board unless it shall appear to the court that it acted with gross negligence or in bad faith or with malice in making the decision appealed from. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358A.21]

**358A.23 Restraining order.** In case any building or structure is erected, constructed, reconstructed, altered, repaired, converted, or maintained; or any building, structure, or land is used in violation of this chapter or of any ordinance or other regulation made under authority conferred thereby, the board of supervisors, in addition to other remedies, may institute any appropriate action or proceedings to prevent such unlawful erection, construction, reconstruction, alteration, repair, conversion, maintenance, or use, to restrain, correct, or abate such violation, to prevent the occupancy of said building, structure, or land, or to prevent any illegal act, conduct, business, or use in or about such premises. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358A.23]

**358A.24 Conflict with other regulations.** Whenever the regulations made under authority of this chapter require a greater width or size of yards, courts or other open spaces, or require a lower height of building or less number of stories, or require a greater percentage of lot to be left unoccupied, or impose other higher standards than are required in any other statute or local ordinance or regulation, the

provisions of the regulations made under authority of this chapter shall govern. Wherever the provisions of any other statute or local ordinance or regulation require a greater width or size of yards, courts or other open spaces, or require a lower height of building or a less number of stories, or require a greater percentage of lot to be left unoccupied, or impose other higher standards than are required by the regulations made under authority of this chapter, the provisions of such statute or local ordinance or regulation shall govern. Wherever any regulation proposed or made under authority of this chapter relates to any structure, building, dam, obstruction, deposit or excavation in or on the flood plains of any river or stream, prior approval of the Iowa natural resources council shall be required to establish, amend, supplement, change, or modify such regulation or to grant any variation or exception therefrom. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358A.24]

Any such regulation may be enforced in the same manner as any other regulation adopted under this chapter. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358A.25]

**358B.1 Power to establish.** Counties may provide for the formation and maintenance of free public libraries open to the use of all inhabitants under proper regulations, and may purchase, erect, or rent buildings or rooms suitable for this purpose and provide for the compensation of necessary employees. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358B.1]

**358B.2 Library districts formed.** A county library district may be established composed of one county or two or more adjacent counties and may include or exclude the entirety of a city partly within one of the counties.

Eligible electors residing within the proposed district in a number not less than five percent of those voting for president of the United States or governor, as the case may be, within said district at the last general election may petition the board of supervisors of the county or counties for the establishment of such county library district. Said petition shall clearly designate the area to be included in the district.

The board of supervisors of each county containing area within the proposed district shall submit the proposition to the qualified electors within their respective counties at any general or primary election provided said election occurs not less than forty days after the filing of the petition.

A county library district shall be established, if a majority of the electors voting on the proposition and residing outside of cities maintaining a free public library favor it.

The result of the election within cities maintaining a free public library shall be considered separately, and no city shall be included within the county library district unless a majority of its electors, voting on the proposition, favor its inclusion. In such cases the boundaries of an established district may vary from those of the proposed district.

After the establishment of a county library district other areas may be included by mutual agreement of the board of trustees of the county library district and the governing body of the area sought to be included. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358B.2]

When the conditions thereof have been accepted by the county, their use for the county library may be enforced against the county board of supervisors by the library board by an action of mandamus or by other proper action. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358B.3]

**358B.4 Library trustees.** In any county or counties in which a library district has been established a board of library trustees, consisting of five, seven, or nine electors of the library district, shall be appointed by the board or boards of supervisors of the county or counties comprising such library district. Membership on the library board shall be apportioned between the rural and city areas of the district in proportion to the population in each of such areas. In the event the library district is composed of two or more counties, representation on said library board shall be equitably divided between or among said counties in pro-

portion to the population in each of such counties. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358B.4]

At their first meeting they shall cast lots for their respective terms, reporting the result of such lot to the board of supervisors. All subsequent appointments, whatever the size of the board, shall be for terms of six years each. Vacancies shall be filled for unexpired terms by the governing body of the taxing unit of the district represented by the retiring member. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358B.5]

**358B.6 Removal or absence of trustee.** The board of library trustees may declare the office of a trustee vacant by his removal from the library district or his unexplained absence from six consecutive regular meetings. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358B.6]

**358B.7 No compensation.** Members of said board shall receive no compensation for their services. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358B.7]

**358B.8 Powers.** Said board of library trustees shall have and exercise the following powers:

1. To meet and organize by the election of one of their number as president of the board, and by the election of a secretary and such other officers as the board may deem necessary.

2. To have charge, and supervision of the public library, its appurtenances and fixtures, and rooms containing the same, directing and controlling all the affairs of such library.

3. To employ a librarian, such assistants and employees as may be necessary for the proper management of said library, and fix their compensation; but, prior to such employment, the compensation of such librarian, assistants, and employees shall be fixed for the term of employment by a majority of the members of said board voting in favor thereof.

4. To remove such librarian, assistants, or employees by a vote of two-thirds of such board for misdemeanor, incompetency, or inattention to the duties of such employment.

5. To select and make purchases of books, pamphlets, magazines, periodicals, papers, maps, journals, furniture, fixtures, stationery, and supplies for such library.

6. To authorize the use of such libraries by school corporations or by nonresidents of the area which is taxed to support such libraries and to fix charges therefor.

7. To make and adopt, amend, modify, or repeal bylaws, rules, and regulations, not inconsistent with law, for the care, use, government, and management of such library and the business of said board, fixing and enforcing penalties for the violation thereof.

8. To have exclusive control of the expenditures of all taxes levied for library purposes as provided by law, and of the expenditures of all moneys available by gift or otherwise for the erection of library buildings, and of all other moneys belonging to the library fund, including fines and rentals collected under the rules of the board of trustees. Said board shall keep a record of its proceedings.

9. To accept gifts of any property, including trust funds; to take the title to said property in the name of said library; to execute deeds and bills of sale for the conveyance of said property; and to expend the funds received by them from such gifts, for the improvement of said library. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358B.8]

Provided that where a free public library is maintained jointly by two or more counties, the library trustees may elect a library treasurer therefor, and it shall be the duty of the city and county treasurers to pay over to said library treasurer any and all library taxes that may be collected by them monthly.

Such library treasurer shall be required to furnish a bond conditioned as provided by section 64.2 in such amount as agreed upon by the boards of supervisors and the cost thereof shall be paid by the counties. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358B.10]

The board of library trustees shall on or before January 10 of each year make an estimate of the amount it deems necessary for the maintenance of the county library and shall transmit said estimate in dollars to the board or boards of supervisors and to the city councils within the district. The entire rural area of each county in the library district shall be considered as a separate taxing unit. Each city which is a part of the county library district shall be considered as a separate taxing unit. The board of supervisors and the council of each city composing said county library district shall make the necessary levies accordingly for library maintenance purposes, but the county levy may not exceed fifty-four cents per thousand dollars of assessed value. Any unexpended balance in the library maintenance fund at the end of the fiscal year shall remain in said fund and be available without reappropriation. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358B.13]

Referred to in §24.37

**358B.14 Not applicable to contract service.** The provisions of this chapter pertaining to the establishment of a county library district shall not apply to any area receiving library service from any city library, unless the petition for a county library district, in addition to the required signatures of electors, is signed by the governing body of the area receiving library service under contract. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §358B.14]

Townships and counties may enter into contracts, but may only contract for the residents outside of cities. A contract by a county shall supersede all contracts by townships or school corporations within the county outside of cities.

2. Contracts shall provide for the rate of tax to be levied. They may, by mutual consent of the contracting parties, be terminated at any time. They may also be terminated by a majority of the voters represented by either of the contracting parties, voting on a proposition to terminate which shall be submitted by the governing body upon a written petition of qualified voters in a number not less than five percent of those who voted in the area for governor at the last general election.

3. The proposition may be submitted at any election provided by law which covers the area of the unit seeking to terminate the contract. The petition shall be presented to the governing body not less than forty days before the election at which the question is to be submitted.

8. Contracts with volunteer firemen or civil defense volunteers.

9. A contract with a corporation in which a city officer or employee has an interest by reason of stockholdings when less than five percent of the outstanding stock of the corporation is owned or controlled directly or indirectly by the officer or employee or the spouse or immediate family of such officer or employee.

10. A contract made by competitive bid, publicly invited and opened, in which a member of a city board of trustees, commission, or administrative agency has an interest if he is not authorized by law to participate in the awarding of the contract. The competitive bid requirement of this subsection does not apply to any contract for professional services not customarily awarded by competitive bid. **362.6 Conflict of interest.** A measure voted upon is not invalid by reason of conflict of interest in an officer of a city, unless the vote of the officer was decisive to passage of the measure. If a specific majority or unanimous vote of a municipal body is required by statute, the majority or vote must be computed on the basis of the number of officers not disqualified by reason of conflict of interest. However, a majority of all members is required for a quorum. For the purposes of this section, the statement of an officer that he declines to vote by reason of conflict of interest is conclusive and must be entered of record. **364.1 Scope.** A city may, except as expressly limited by the Constitution, and if not inconsistent with the laws of the general assembly, exercise any power and perform any function it deems appropriate to protect and preserve the rights, privileges, and property of the city or of its residents, and to preserve and improve the peace, safety, health, welfare, comfort, and convenience of its residents. This grant of home rule powers does not include the power to enact pri-

vate or civil law governing civil relationships, except as incident to an exercise of an independent city power. [C51,§664; R60,§1047, 1056, 1057, 1071–1073, 1095; C73,§454–456, 482, 524; C97,§680, 695, 947; C13,§695; C24, 27, 31, 35, 39,§5714, 5738, 6720; C46, 50,§366.1, 368.2, 420.31; C54, 58, 62, 66, 71, 73, §366.1, 368.2, 420.31; C75, 77, 79,§364.1]

**364.2 Vesting of power—franchises.**

1. A power of a city is vested in the city council except as otherwise provided by a state law.

2. The enumeration of a specific power of a city does not limit or restrict the general grant of home rule power conferred by the Constitution. A city may exercise its general powers subject only to limitations expressly imposed by a state or city law.

3. An exercise of a city power is not inconsistent with a state law unless it is irreconcilable with the state law.

4. a. A city may grant to any person a franchise to erect, maintain, and operate plants and systems for electric light and power, heating, telephone, telegraph, cable television, district telegraph and alarm, motor bus, trolley bus, street railway or other public transit, waterworks, or gasworks, within the city for a term of not more than twenty-five years. The franchise may be granted, amended, extended, or renewed only by an ordinance, but no exclusive franchise shall be granted, amended, extended, or renewed.

b. No such ordinance shall become effective unless approved at an election. The proposal may be submitted by the council on its own motion to the voters at any city election. Upon receipt of a valid petition as defined in section 362.4 requesting that a proposal be submitted to the voters, the council shall submit the proposal at the next regular city election or at a special election called for that purpose prior to the next regular city election. If a majority of those voting approves the proposal the city may proceed as proposed.

c. Notice of the election shall be given by publication as prescribed in section 49.53 in a newspaper of general circulation in the city.

d. The person asking for the granting, amending, extension, or renewal of a franchise shall pay the costs incurred in holding the election, including the costs of the notice. A franchise shall not be finally effective until an acceptance in writing has been filed with the council and payment of the costs has been made.

e. The franchise ordinance may regulate the conditions required and the manner of use of the streets and public grounds of the city, and it may, for the purpose of providing electrical, gas, heating, or water service, confer the power to appropriate and condemn private property upon the person franchised. [C51,§664; R60,§1047, 1056, 1057, 1090, 1094, 1095; C73,§454-456, 471, 473, 474, 517, 523, 524; C97,§695, 720-722, 775, 776; S13, §695, 720-722, 776; C24, 27, 31, 35,§5738, 5904, 5904-c1, 5905-5909, 6128, 6131-6134; C39,§5738, 5904, 5904.1, 5905-5909, 6128, 6131-6134; C46, 50,§368.1, 386.1-386.7, 397.2, 397.5-397.8; C54, 58, 62, 66,§368.2, 386.1-386.7, 388.5-388.9, 397.2, 397.5-397.8; C71, 73,§368.2, 386.1-386.7, 397.2, 397.5-397.8; C75, 77, 79,§364.2]

Referred to in §56.29

**364.3 Limitation of powers.** The following are limitations upon the powers of a city:

1. A city council shall exercise a power only by the passage of a motion, a resolution, an amendment, or an ordinance.

2. A city may not provide a penalty in excess of a one hundred dollar fine or in excess of thirty days imprisonment for the violation of an ordinance. An amount equal to ten percent of all fines collected by municipal corporations shall be remitted quarterly to the county treasurer of the county in which the municipal corporation is located for deposit in the county general fund. However, one hundred percent of all fines collected by a city pursuant to section 321.236, subsection 1, shall be retained by the city.

3. A city may not set standards and requirements which are lower or less stringent than those imposed by state law, but may set standards and requirements which are higher or more stringent than those imposed by state law, unless a state law provides otherwise.

4. A city may not levy a tax unless specifically authorized by a state law. [R60,§1071-1073, 1095; C73,§482, 524; C97,§668, 680, 947; S13,§668; C24, 27, 31, 35, 39,§5663, 5714, 6720; C46, 50,§363.36, 366.1, 420.31; C54, 58, 62,§366.1, 368A.1(10), 420.31; C66, 71, 73,§366.1, 368.2, 368A.1(10), 420.31; C75, 77, 79,§364.3]

**364.4 Property right.** A city may:

1. Acquire, hold, and dispose of property outside the city in the same manner as within.

2. By contract, extend services to persons outside the city.

3. Enact and enforce ordinances relating to city property and city-extended services outside the city. [SS15,§741-d, 741-g; C24, 27, 31, 35, 39,§5773; C46,§368.41, 368.42; C50,§368.42, 368.56; C54, 58, 62, 66, 71, 73,§368.18; C75, 77, 79,§364.4]

**364.5 Joint action—league of municipalities.** A city or a board established to administer a city utility, in the exercise of any of its powers, may act jointly with any public or private agency as provided in chapter 28E.

The financial condition and the transactions of the league of Iowa municipalities shall be audited in the same manner as cities as provided in section 11.18.

It is unlawful for the league of Iowa municipalities to provide any form of aid to a political party or to the campaign of a candidate for political or public office. Any person violating or being an accessory to a violation of this section is guilty of a simple misdemeanor.

A city may enter into an agreement with the federal government acting through any of its authorized agencies, and may carry out provisions of the agreement as necessary to meet federal requirements to obtain the funds or co-operation of the federal government or its agencies for the planning, construction, rehabilitation, or extension of a public improvement. [S13,§694-c; C24, 27, 31, 35, 39,§5684; C46, 50,§363.62; C54, 58, 62, 66, 71, 73,§363.43; C75, 77, 79,§364.5]

**364.6 Procedure.** A city shall substantially comply with a procedure established by a state law for exercising a city power. If a procedure is not established by state law, a city may determine its own procedure for exercising the power. [C66, 71, 73,§368.2; C75, 77, 79,§364.6]

**364.7 Disposal of property.** A city may not dispose of an interest in real property by sale, lease for a term of more than three years, or gift, except in accordance with the following procedure:

1. The council shall set forth its proposal in a resolution and shall publish notice as provided in section 362.3, of the resolution and of a date, time and place of a public hearing on the proposal.

2. After the public hearing, the council may make a final determination on the proposal by resolution.

3. A city may not dispose of real property by gift except to a governmental body for a public purpose. However, a city may dispose of real property for use in an Iowa homesteading program under section 220.14 for a nominal consideration, including but not limited to property in an urban renewal area. [C73, §470; C97, §883, 1001; S13, §1056-a47; C24, 27, §6205, 6206, 6580, 6602, 6738, 6739; C31, 35, §6205, 6206, 6580, 6602, 6679-c1, 6738, 6739; C39, §6205, 6206, 6580, 6602, 6679.1, 6738, 6739; C46, 50, §390.6, 403.11, 403.12, 416.108, 416.131, 419.66, 420.49, 420.50; C54, 58, 62, 66, 71, 73, §368.35, 368.39, 390.6; C75, 77, 79, §364.7]

Referred to in §306.42

**364.8 Overpasses or underpasses.** A city may by ordinance require a railway company operating railway tracks on or across a city street to construct or reconstruct, and maintain, an overpass or underpass to permit the street to pass over or under the tracks, and may establish specifications for the construction or reconstruction of such an overpass or underpass, subject to the following:

1. The requirement may not be enforced until the Iowa state department of transportation approves the specifications for a construction or reconstruction, after examination and a determination that the overpass or underpass is necessary for public safety and convenience.

2. The council shall hold a hearing on the matter and shall give not less than twenty days' notice of the hearing to the railway companies involved, served in the same manner as an original notice.

3. A city may not require overpasses or underpasses of the same railway company to be constructed closer than on every fourth parallel street, nor require a company to construct or contribute to the construction of more than one overpass or underpass each year, nor require the construction of approaches longer than a total of eight hundred feet for a single overpass or underpass.

4. A city which requires construction or reconstruction of an overpass or underpass shall provide for appraisal and assessment of resulting damage to private property, and shall pay the damages assessed, all as provided in chapter 472.

5. A city shall pay one half of all required maintenance costs, and may allocate costs between railway companies whose tracks are to be crossed by an overpass or underpass.

6. A city may enforce a requirement made as provided in this section by an action in mandamus, to be conducted and enforced as provided in section 327C.16 for actions brought by the state department of transportation. If the city prevails in the mandamus action, in addition to other remedies it may cause the required construction, reconstruction, or maintenance

work to be done, and have judgment for the cost of the work against the companies. [C97, §770-774; S13, §771, 773, 774; C24, 27, 31, 35, 39, §5910-5913, 5916-5920, 5923-5925; C46, 50, 54, 58, 62, 66, 71, 73, §387.1-387.4, 387.7-387.11, 387.14-387.16; C75, 77, 79, §364.8]

**364.9 Flood control—railway tracks.** A city may require a railway company to provide necessary structures, temporary and permanent, to carry its tracks during and after construction of a diverted channel for flood control purposes, subject to the following:

1. The city shall give notice to the railway company, served in the same manner as an original notice, stating:

a. The nature of the flood control project.

b. The place where the diverted channel will cross the company's right of way.

c. The specifications for construction of the diverted channel across the company's right of way.

d. Details of the city's requirement for the company to provide the necessary structures where the diverted channel crosses the right of way, including a designated period of time for construction, and a requirement that the construction be in a manner which does not interfere with the construction of the diverted channel or the free flow of water.

2. If the company does not comply with the requirement, the city may provide the necessary structures, and the railway is liable for the cost of the construction, in addition to its liability for assessment for special benefits as other property is assessed. The cost of the construction may be collected by the city from the company by court action. [C24, 27, 31, 35, 39, §6093-6095; C46, 50, 54, 58, 62, 66, 71, 73, §395.15-395.17; C75, 77, 79, §364.9]

**364.10** Repealed by 66GA, ch 1164, §98.

**364.11 Street construction by railways.** All railway companies shall construct and repair all street improvements between the rails of their tracks, and one foot outside, at their own expense, unless by ordinance the railway is required to improve other portions of the street, and in that case the railway shall construct and repair the improvement of that part of the street specified by the ordinance, and the improvement or repair must be of the material and character ordered by the city, and must be done at the time the remainder of the improvement is constructed or repaired.

When an improvement is made, the company shall lay rail as required by the council, and shall then keep up to grade that part of the improvement they are required to construct or maintain.

If a railway fails or refuses to comply with the order of the council to construct or repair an improvement, the work may be done by the city and the expense shall then be assessed upon the property of the railway company, for collection in the same manner as a property tax. A tax assessed under this section shall also be a debt due from the railway, and may be collected in an action at law in the same manner as other debts. [R60, §1068; C73, §478; C97, §834, 840; C13, §791-i; SS15, §840-r; C24, 27, 31, 35, 39,

**364.12 Responsibility for public places.**

1. As used in this section, "property owner" means the contract purchaser if there is one of record, otherwise the record holder of legal title.

2. A city is responsible for the care, supervision, and control of public grounds, streets, sidewalks, alleys, bridges, culverts, overpasses, underpasses, grade crossing separations and approaches, except those lawfully required to be maintained by a railway company, and the city shall keep all public ways, squares, and commons open, in repair, and free from nuisance, with the following exceptions:

a. Public ways and grounds may be temporarily closed by resolution. Following notice as provided in section 362.3, such public ways and grounds may be vacated by ordinance.

b. The abutting property owner is responsible for the prompt removal of snow, ice, and accumulations from the sidewalks.

c. The abutting property owner may be required by ordinance to maintain all property outside the lot and property lines and inside the curb lines upon the public streets, except that the property owner shall not be required to remove diseased trees or dead wood on the publicly owned property or right of way.

d. A city may serve notice on the abutting property owner, by certified mail to the property owner as shown by the records of the county auditor, requiring him to repair, replace, or reconstruct sidewalks.

e. If the abutting property owner does not perform an action required under this subsection within a reasonable time, a city may perform the required action and assess the costs against the abutting property for collection in the same manner as a property tax.

3. A city may:

a. Require the abatement of a nuisance, public or private, in any reasonable manner.

b. Require the removal of diseased trees or dead wood, except as stated in subsection 2, paragraph "c" of this section.

c. Require the removal, repair, or dismantling of a dangerous building or structure.

d. Require the numbering of buildings.

e. Require connection to public drainage systems from abutting property when necessary for public health or safety.

f. Require connection to public sewer systems from abutting property, and require installation of sanitary toilet facilities and removal of other toilet facilities on such property.

g. Require the cutting or destruction of weeds or other growth which constitutes a health, safety, or fire hazard.

h. If the property owner does not perform an action required under this subsection within a reasonable time after notice, a city may perform the required action and assess the costs against the property for collection in the same manner as a property tax. Notice may be in the form of an ordinance or by certified mail to the property owner as shown by the records of the county auditor, and shall state the time within which action is required. However, in an emer-

gency a city may perform any action which may be required under this section without prior notice, and assess the costs as provided in this subsection, after notice to the property owner and hearing.

**364.13 Installments.** If any amount assessed against property under section 364.12 will exceed one hundred dollars, a city may permit the assessment to be paid in up to ten annual installments, in the same manner and with the same interest rates provided for assessments against benefited property under chapter 384, division IV. The notice shall state the pendency of the action, the name of the plaintiff, the name and location of the court where the action is pending, a brief statement of the alleged facts from which the cause arose, that the city believes that the person notified is liable to it for any judgment rendered against the city, and asking the person to appear and defend. A judgment obtained in the suit is conclusive in any action by the city against any person so notified, as to the existence of the defect or other cause of the injury or damage, as to the liability of the city to the plaintiff in the first named action, and as to the amount of the damage or injury. A city may maintain an action against the person notified to recover the amount of the judgment together with all the expenses incurred by the city in the suit. A city may provide conditions upon which the fire department will answer calls outside the corporate limits or the territorial jurisdiction and boundary limits of this state. A city shall have the same governmental immunity outside its corporate limits when providing fire protection as when operating within the corporate limits. 5. Cities may establish reasonable fees for inspection and enforcement procedures.

6. Cities with populations of less than fifteen thousand may comply with this section.

5. A consolidation unless the cities are contiguous.

6. An incorporation of territory, any part of which is within an urbanized area of a city, unless a petition for annexation of substantially the same territory to such city has been dismissed, disapproved, or voted upon unfavorably within the last five years. **368.19 Time limit—election.** The committee shall approve or disapprove the petition or plan as amended, within ninety days of the final hearing, and shall file its decision for record and promptly notify the parties to the proceeding of its decision. If a petition or plan is approved, the board shall set a date within ninety days for a special election on the proposal and the county commissioner of elections shall conduct the election. In a case of incorporation or discontinuance, qualified electors of the territory or city may vote, and the proposal is authorized if a majority of those voting approves it. In a case of annexation or severance, qualified electors of the territory and of the city may vote, and the proposal is authorized if a majority of the total number of persons voting approves it. **368.20 Procedure after approval.** After the county commissioner of elections has certified the results to the board, the board shall:

1. Serve and publish notice of the result as provided in section 362.3.

2. File with the secretary of state, the clerk of each city incorporated or involved in a boundary adjustment, and with the recorder of each county which contains a portion of any city or territory involved, copies of the proceedings including the original petition or plan and any amendments, the order of the board approving the petition or plan, proofs of service and publication of required notices, certification of the election result, and any other material deemed by the board to be of primary importance to the proceedings. Upon proper filing and expiration of time for appeal, or upon a subsequent date as provided in the proposal, the incorporation, discontinuance, or boundary adjustment is complete, except that if an appeal to any of the proceedings is pending, completion does not occur until the appeal is decided. The board shall also file with the state department of transportation a copy of the map and legal land description of each completed incorporation or corporate boundary adjustment completed under sections 368.11 to 368.22 or approved annexation within an urbanized area. [R60,§1044, 1053, 1054; C73,§432, 445, 446, 452; C97,§267, 603, 608, 612; C24, 27, 31, 35, 39,§5596, 5603, 5606, 5618; C46, 50, 54, 58, 62, 66, 71, 73,§362.9, 362.16, 362.20, 362.33; C75, 77, 79, §368.20]

Referred to in §368 7, 524 1202

**368.21 Supervision of procedures.** When an incorporation, discontinuance, or boundary adjustment is complete, the board shall supervise procedures neces-

sary to carry out the proposal. In the case of an incorporation, the county commissioner of elections shall conduct an election for mayor and council of the city, who shall serve until their successors take office following the next regular city election. In the case of a discontinuance, the board shall publish two notices as provided in section 368.15 that it will receive and adjudicate claims against the discontinued city for a period of six months from the date of last notice, and shall cause necessary taxes to be levied against the property within the discontinued city to pay claims allowed. All records of a discontinued city shall be deposited with the county auditor of the county designated by the board. Any remaining balances shall be deposited in the general fund of the county where the former city was located. In the case of boundary adjustments, the proper city officials shall carry out procedures necessary to implement the proposal. [R60,§1037, 1045; C73,§425, 433, 449, 451, 453; C97,§602, 603, 605-607, 613; S13,§602; C24, 27, 31, 35, 39,§5594, 5597, 5600-5602, 5607; C46, 50, 54, 58, 62, 66, 71, 73,§362.7, 362.10, 362.13-362.15, 362.21; C75, 77, 79,§368.21]

Referred to in §368 20, 524 1202

**368.22 Appeal.** A city, or a resident or property owner in the territory or city involved may appeal a decision of the board or a committee, or the legality of an election, to the district court of a county which contains a portion of any city or territory involved.

Appeal must be filed within thirty days of the filing of a decision or the publication of notice of the result of an election.

Appeal of an approval of a petition or plan does not stay the election.

The judicial review provisions of this section and chapter 17A shall be the exclusive means by which a person or party who is aggrieved or adversely affected by agency action may seek judicial review of that agency action. The court's review on appeal of a decision is limited to questions relating to jurisdiction, regularity of proceedings, and whether the decision appealed from is arbitrary, unreasonable, or without substantial supporting evidence. The court may reverse and remand a decision of the board or a committee, with appropriate directions. The following portions of section 17A.19 are not applicable to this chapter:

1. The part of subsection 2 which relates to where proceedings for judicial review shall be instituted.

2. Subsection 5.

3. Subsection 8. [C75, 77, 79,§368.22]

**DIVISION I**  
**FORMS OF GOVERNMENT**

**372.1 Forms of cities.** The forms of city government are:

1. Mayor-council, or mayor-council with appointed manager.
2. Commission.
3. Council-manager-at-large.
4. Council-manager-ward.
5. Home rule charter.
6. Special charter.

A city when first incorporated has the mayor-council form. A city retains its form of government until it adopts a different form as provided in this division.

Within thirty days of the date that this section becomes effective, a city shall adopt by ordinance a charter embodying its existing form of government, which must be one of the forms provided in this division, and shall file a copy of its charter with the secretary of state, and maintain copies available for public

inspection. [C54, 58, 62, 66, 71, 73, §363.1, 363.30; C75, 77, 79, §372.1]

Referred to in §372.12

**372.2 Six-year limitation.** A city may adopt a different form of government not oftener than once in a six-year period. A different form, other than a home rule charter or special charter, must be adopted as follows:

1. Eligible electors of the city, equal in number to at least twenty-five percent of the persons who voted at the last regular city election, may petition the mayor to adopt a different form of city government.
2. Within one week after receiving a valid petition, the mayor shall proclaim a special city election to be held within sixty days to determine whether the city shall change to a different form of government. The mayor shall notify the county commissioner of elections to publish notice of the election and conduct the election pursuant to the provisions of chapters 39 to 53. The county commissioner of elections shall certify the results of the election to the mayor.

3. If a majority of the persons voting at the special election approves the proposed form, it is adopted.

4. If a majority of the persons voting at the special election does not approve the proposed form, that form may not be resubmitted to the voters within the next four years.

5. If the proposed form is adopted:

a. The elective officers provided for in the adopted form are to be elected at the next regular city election held more than sixty days after the special election at which the form was adopted, and the adopted form becomes effective at the beginning of the new term following the regular city election.

b. The change of form does not alter any right or liability of the city in effect at the time of the special election at which the form was adopted.

c. All departments and agencies shall continue to operate until replaced.

d. All measures in effect remain effective until amended or repealed, unless they are irreconcilable with the adopted form.

e. Upon the effective date of the adopted form, the city shall adopt by ordinance a new charter embodying the adopted form, and shall file a copy of its charter with the secretary of state, and maintain copies available for public inspection. [C73,§434-439; C97,§631-635, 637; S13,§633, 1056-a17, -a18, -a19, -a20, -a39; SS15,§1056-b1, -b2, -b22, -b26; C24, 27, 31, 35, 39, §6478, 6482-6487, 6491, 6549, 6568, 6569, 6616, 6617, 6619, 6620, 6623, 6680-6682, 6687, 6689, 6690, 6936-6940, 6942; C46, 50,§416.3, 416.6, 416.7-416.11, 416.15, 416.73, 416.93, 416.94, 419.2, 419.3, 419.5, 419.6, 419.9, 419.67-419.69, 419.74, 419.76, 419.77, 420.289-420.293, 420.295; C54, 58, 62, 66, 71, 73,§363.31-363.38, 363B.6, 363C.12, 420.289-420.293, 420.295; C75, 77, 79,§372.2]

Referred to in §372.4, 372.5

**372.3 Home rule charter.** The filing of a petition for appointment of a home rule charter commission stays the special election on adoption of another form of government until the charter proposed by the commission is filed, and both forms must be published as provided in section 372.9, and submitted to the voters at the special election. [C75, 77, 79,§372.3]

**372.4 Mayor-council form.** A city governed by the mayor-council form has a mayor and five council members elected at large, unless by ordinance a city so governed chooses to have a mayor elected at large and an odd number of council members but not less than five, including at least two council members elected at large and one council member elected by and from each ward. The council may, by ordinance, provide for a city manager and prescribe the manager's powers and duties, and as long as the council contains an odd number of council members, may change the number of wards, abolish wards, or increase the number of council members at large without changing the form.

However, a city governed, on the effective date of this section, by the mayor-council form composed of a mayor and a council consisting of two council members elected at large, and one council member from each of four wards, or a special charter city governed, on the effective date of this section, by the mayor-council form composed of a mayor and a council consisting of two council members elected at large and

one council member elected from each of eight wards, may continue until the form of government is changed as provided in section 372.2 or section 372.9. While a city is thus operating with an even number of council members, the mayor may vote to break a tie vote on motions not involving ordinances, resolutions or appointments made by the council alone, and in a special charter city operating with ten council members under this section, the mayor may vote to break a tie vote on all measures.

The mayor shall appoint a council member as mayor pro tem, and shall appoint the marshal or chief of police except where an intergovernmental agreement makes other provisions for police protection. Other officers must be selected as directed by the council. The mayor is not a member of the council and may not vote as a member of the council. [R60,§1081, 1086, 1093, 1095, 1098, 1103, 1105, 1106; C73,§511, 515, 521, 524, 528, 532, 534, 535; C97,§645, 646, 652, 654, 655; S13, §645, 646, 652, 654, 655; SS15,§679-1a, 937; C24, 27, 31, 35, 39, §5631, 5634-5636, 6611, 6691; C46, 50,§363.9, 363.13-363.15, 418.1, 420.1; C54, 58, 62,§363A.2, 363A.3, 363D.1; C66, 71, 73,§363A.2, 363A.3, 363A.5, 363D.1; C75, 77, 79,§372.4]

Referred to in §380.4

**372.5 Commission form.** A city governed by the commission form has five departments as follows:

1. Department of public affairs.
2. Department of accounts and finances.
3. Department of public safety.
4. Department of streets and public improvements.
5. Department of parks and public property.

A city governed by the commission form has a council composed of a mayor and four council members elected at large. The mayor administers the department of public affairs and each other council member is elected to administer one of the other four departments.

However, a city governed, on the effective date of this section, by the commission form and having a council composed of a mayor and two council members elected at large may continue with a council of three until the form of government is changed as provided in section 372.2 or section 372.9 or without changing the form, may submit to the voters the question of increasing the council to five members assigned to the five departments as set out in this section.

The mayor shall supervise the administration of all departments and report to the council all matters requiring its attention. The mayor is a member of the council and may vote on all matters before the council.

The council member elected to administer the department of accounts and finances is mayor pro tem.

The council may appoint a city treasurer or may, by ordinance, provide for election of that officer. [S13,§1056-a18, -a20, -a24, -a25, -a26, -a29; C24, 27, 31, 35, 39,§6484, 6488, 6489, 6502, 6520, 6524, 6526, 6527, 6565, 6566; C46, 50,§416.8, 416.12-416.14, 416.26, 416.44, 416.48, 416.50, 416.51, 416.90, 416.91; C54, 58, 62, 66, 71, 73,§363B.1, 363B.2, 363B.4, 363B.5, 363B.7, 363B.8; C75, 77, 79,§372.5]

**372.6 Council-manager-at-large form.** A city governed by the council-manager-at-large form has five council members elected at large for staggered four-year terms. At the first meeting of the new term following each city election, the council shall elect one of the council members to serve as mayor, and one to serve as mayor pro tem. The mayor is a member of the council and may vote on all matters before the council. As soon as possible after the beginning of the new term following each city election, the council shall appoint a manager.

The council may by ordinance provide that the city will be governed by council-manager-ward form. The ordinance must provide for the election of the mayor and council members required under council-manager-ward form at the next regular city election. [SS15,§1056-b1, -b7, -b12; C24, 27, 31, 35, 39,§6621, 6622, 6645, 6665; C46, 50,§419.7, 419.8, 419.31, 419.51; C54, 58, 62, 66,§363C.1, 363C.3; C71, 73,§363C.1, 363C.3, 363C.17; C75, 77, 79,§372.6]

**372.7 Council-manager-ward form.** A city governed by council-manager-ward form has a council composed of a mayor and two council members elected at large, and one council member elected from each of four wards. The mayor and other council members serve four-year staggered terms. The mayor is a member of the council and may vote on all matters before the council.

As soon as possible after the beginning of the new term following each city election, the council shall appoint a city manager, and a council member to serve as mayor pro tem. [C71, 73,§363E.1; C75, 77, 79,§372.7]

**372.8 Council-manager form—supervision.** When a city adopts a council-manager-at-large or council-manager-ward form of government:

1. The city manager is the chief administrative officer of the city.
2. The city manager shall:
  - a. Supervise enforcement and execution of the city laws.
  - b. Attend all meetings of the council.
  - c. Recommend to the council any measures necessary or expedient for the good government and welfare of the city.

  - g. Co-operate with any administrative agency or utility board of trustees.

h. Be responsible for the cleaning, sprinkling, and lighting of streets, alleys, and public places, and the collection and disposal of waste.

k. Prepare and submit to the council annually the required budgets.

l. Conduct the business affairs of the city and cause accurate records to be kept by modern and efficient accounting methods.

m. Make to the council not later than the tenth day of each month an itemized financial report in writing, showing the receipts and disbursements for the preceding month. Copies of financial reports must be available at the clerk's office for public distribution.

n. Appoint a treasurer subject to the approval of the council.

o. Perform other duties at the council's direction.

3. The city manager may:

a. Appoint administrative assistants, with the approval of the council.

f. Administer oaths.

4. [SS15,§1056-b3, -b12, -b15, -b16, -b19, -b20; C24, 27, 31, 35, 39,§6631, 6665, 6669-6672, 6675, 6676; C46, 50,§419.17, 419.51, 419.55-419.58, 419.61, 419.62; C54, 58, 62, 66, 71, 73,§363C.3, 363C.7, 363C.10, 363C.11; C75, 77, 79,§372.8]

**372.9 Home rule charter procedure.** A city to be governed by the home rule charter form shall adopt a home rule charter in which its form of government is set forth. A city may adopt a home rule charter only by the following procedures:

1. A home rule charter may be proposed by:

a. The council, causing a charter to be prepared and filed and by resolution submitting it to the voters.

b. Eligible electors of the city equal in number to at least twenty-five percent of the persons who voted at the last regular city election petitioning the council to appoint a charter commission to prepare a proposed charter. The council shall, within thirty days of

the filing of a valid petition, appoint a charter commission composed of not less than five nor more than fifteen members. The charter commission shall, within six months of its appointment, prepare and file with the council a proposed charter.

2. When a charter is filed, the council and mayor shall notify the county commissioner of elections to publish notice and conduct the election. The notice shall be published at least twice in the manner provided in section 362.3, except that the publications must occur within sixty days of the filing of the home rule charter, with a two-week interval between each publication. The council shall provide copies of a proposed charter for public distribution by the city clerk.

3. The proposed home rule charter must be submitted at a special city election on a date selected by the mayor after consulting regarding the date on which the election may most conveniently be held with the county commissioner of elections who will be responsible for conducting the election. However, the date of the election must be not less than thirty nor more than sixty days after the last publication of the proposed home rule charter.

4. If a proposed home rule charter is rejected by the voters, it may not be resubmitted in substantially the same form to the voters within the next four years. If a proposed home rule charter is adopted by the voters, no other form of government may be submitted to the voters for six years.

5. If a petition for the appointment of a charter commission is filed at any time within two weeks after the second publication of a charter proposed by the council, the submission to the voters of a charter proposed by the council must be delayed, a charter commission appointed, and the council proposal and the charter proposed by the charter commission must be submitted to the voters at the same special election.

6. The ballot submitting a proposed charter or charters must also submit the existing form of government as an alternative.

7. If only two forms of government are being voted upon, the form of government which receives the highest number of votes is adopted.

If more than two forms are being voted upon and no form receives a majority of the votes cast in the special election, there must be a runoff election between the two proposed forms which receive the highest number of votes in the special election. The runoff election must be held within thirty days following the special election and must be conducted in the same manner as a special city election.

8. If a home rule charter is adopted:

a. The elective officers provided for in the charter are to be elected at the next regular city election held more than sixty days after the special election at which the charter was adopted, and the adopted charter becomes effective at the beginning of the new term following the regular city election.

b. The adoption of the charter does not alter any right or liability of the city in effect at the time of the special election at which the charter was adopted.

c. All departments and agencies shall continue to operate until replaced.

d. All measures in effect remain effective until amended or repealed, unless they are irreconcilable with the charter.

e. Upon the effective date of the home rule charter, the city shall adopt by ordinance the home rule charter, and shall file a copy of its charter with the secretary of state, and maintain copies available for public inspection. [C75, 77, 79, §372.9]

Referred to in §372.3, 372.4, 372.5

**372.10 Contents of charter.** A home rule charter must contain provisions for:

1. A council of an odd number of members, not less than five.

2. A mayor, who may be one of those council members.

3. Two-year or staggered four-year terms of office for the mayor and council members.

4. The powers and duties of the mayor and the council, consistent with the provisions of the city code. [C75, 77, 79, §372.10]

**372.11 Amendment to charter.** A home rule charter may be amended by one of the following methods:

1. The council, by resolution, may submit a proposed amendment to the voters at a special city election, and the proposed amendment becomes effective if approved by a majority of those voting.

2. The council, by ordinance, may amend the charter. However, within thirty days of publication of the ordinance, if a petition valid under the provisions of section 362.4 is filed with the council, the council must submit the ordinance amendment to the voters at a special city election, and the amendment does not become effective until approved by a majority of those voting.

3. If a petition valid under the provisions of section 362.4 is filed with the council proposing an amendment to the charter, the council must submit the proposed amendment to the voters at a special city election, and the amendment becomes effective if approved by a majority of those voting. [C75, 77, 79, §372.11]

**372.12 Special charter form limitation.** A city may not adopt the special charter form but a city governed by a special charter on the effective date of the city code is considered to have the special charter form although it may utilize elements of the mayor-council form in conjunction with the provisions of its special charter. In adopting and filing its charter as required in section 372.1, a special charter city shall include the provisions of its charter and any provisions of the mayor-council form which are followed by the city on the effective date of the city code.

A special charter city may utilize the provisions of chapter 420 in lieu of conflicting sections, until the city changes to one of the other forms of government as provided in this chapter. [C75, 77, 79, §372.12]

DIVISION II

CITY OFFICERS

**372.13 The council.**

See §903.1

1. A majority of all council members is a quorum.
2. A vacancy in an elective city office during a term of office shall be filled by the council, within thirty days after the vacancy occurs, for the balance of the unexpired term unless a special election is sooner held to fill the office for the remaining balance of the unexpired term. Such an election shall be called if the council is presented with a petition so requesting, signed by eligible electors entitled to vote to fill the office in question. The petition must bear signatures equal in number to two percent of those who voted for candidates for the office at the last preceding election at which the office was on the ballot, but in no case fewer than ten signatures. If the petition so requests and is timely filed, the special election may be held concurrently with any pending election as provided by section 69.12. Otherwise, a special election to fill the office shall be called at the earliest practicable time after the petition is presented to the council.
3. The council shall appoint a city clerk to maintain city records and perform other duties prescribed by state or city law.
4. Except as otherwise provided by state or city law, the council may appoint city officers and employees, and prescribe their powers, duties, compensation, and terms. The appointment of a city manager must be made on the basis of that individual's qualifications and not on the basis of political affiliation.

Removal of appointees, §372.15

5. The council shall determine its own rules and maintain records of its proceedings. City records and documents, or accurate reproductions thereof, must be maintained for at least ten years, except that ordinances, resolutions, council proceedings, and records and documents relating to real property transactions or bond issues must be maintained permanently.
6. Within fifteen days following a regular or special meeting of the council, the clerk shall cause the minutes of the proceedings of the council, including the total expenditure from each city fund, to be published in a newspaper of general circulation in the city. The publication shall include a list of all claims allowed and a summary of all receipts and shall show the gross amount of the claim. Matters discussed in closed session pursuant to section 28A.3 shall not be published until entered on the public minutes. However, in cities having more than one hundred fifty thousand population the council shall each month print in pamphlet form a detailed itemized statement of all receipts and disbursements of the city, and a summary of its proceedings during the preceding month, and furnish copies to the city library, the daily newspapers of the city, and to persons who apply at the office of the city clerk, and the pamphlet shall constitute publication as required. Failure by the clerk to make publication is a simple misdemeanor. The provisions of this subsection are applicable in cities in which a newspaper is published, or in cities of two hundred population or over, but in all other cities, posting the statement in three public places in the city which have been permanently designated by ordinance is sufficient compliance with this subsection.

7. By ordinance, the council may divide the city into wards based upon population, change the boundaries of wards, eliminate wards or create new wards.

8. By ordinance, the council shall prescribe the compensation of the mayor, council members, and other elected city officers, but a change in the compensation of the mayor shall not become effective during the term in which the change is adopted, and the council shall not adopt such an ordinance changing the compensation of the mayor or council members during the months of November and December immediately following a regular city election. A change in the compensation of council members shall become effective for all council members at the beginning of the term of the council members elected at the election next following the change in compensation. Except as provided in section 362.5, an elected city officer shall not receive any other compensation for any other city office or city employment during that officer's term of office, but may be reimbursed for actual expenses incurred. However, if the mayor pro tem performs the duties of the mayor during the mayor's absence or disability for a continuous period of fifteen days or more, the mayor pro tem may be paid for that period such compensation as determined by the council, based upon the mayor pro tem's performance of the mayor's duties and upon the compensation of the mayor.

9. A council member, during the term for which that member is elected, is not eligible for appointment to any city office if the office has been created or the compensation of the office has been increased during the term for which that member is elected. A person who resigns from an elective office is not eligible for appointment to the same office during the time for which that person was elected if during that time, the compensation of the office has been increased.

376.1	City election held.	376.7	Date of primary.
376.2	Terms.	376.8	Persons elected in city elections.
376.3	Nominations.	376.9	Runoff election.
376.4	Candidacy.	376.10	Contest.
376.5	Publication of ballot.	376.11	Candidates nominated by write-in vote.

**376.1 City election held.** A city shall hold a regular city election on the first Tuesday after the first Monday in November of each odd-numbered year. A city shall hold regular, special, primary, or runoff city elections as provided by state law.

The mayor or council shall give notice of any special election to the county commissioner of elections. The county commissioner of elections shall publish notice of any city election and conduct the election pursuant to the provisions of chapters 39 to 53, except as otherwise specifically provided in chapters 362 to 392. The results of any election shall be canvassed by the county board of supervisors and certified by the county commissioner of elections to the mayor and the council of the city for which the election is held. [R60,§1130; C73,§501; C97,§642, 936; S13,§646, 1056-a20, -a21; SS15,§1056-b5, -b6; C24, 27, 31, 35, 39,§5627, 6488, 6494, 6507, 6514, 6643, 6644, 6737; C46, 50,§363.5, 416.12, 416.18, 416.31, 416.38, 419.29, 419.30; C54, 58, 62, 66, 71, 73,§363.8, 363.20, 363.24, 363.26; C75, 77, 79,§376.1]

Referred to in §39.20, 48.5

**376.2 Terms.** Terms of city officers begin and end at noon on the first day in January which is not a Sunday or legal holiday, following a regular city election.

Except as otherwise provided by state law or the city charter, terms for elective offices are two years. However, the term of an elective office may be changed to two or four years by petition and election. Upon receipt of a valid petition as defined in section 362.4, requesting that the term of an elective office be changed, the council shall submit the question at a special city election to be held within sixty days. If a majority of the persons voting at the special election approves the changed term, it becomes effective at the beginning of the term following the next regular city election. If a majority does not approve the changed term, the council shall not submit the same proposal to the voters within the next four years.

At the first regular city election after the terms of council members are changed to four years, terms shall be staggered as follows:

1. If an even number of council members are elected at large, the half of the elected council members who receive the highest number of votes are elected for four-year terms. The remainder are elected for two-year terms.

2. If an odd number of council members are elected at large, the majority of the elected council members who receive the highest number of votes

are elected for four-year terms. The remainder are elected for two-year terms.

3. In case of a tie the mayor and clerk shall determine by lot which council members are elected for four-year terms.

4. If the council members are elected from wards, the council members elected from the odd-numbered wards are elected for four-year terms and the council members elected from even-numbered wards are elected for two-year terms. [R60,§1081, 1084, 1091, 1093, 1106; C73,§390, 511, 514, 518, 521, 535; C97,§646-649; S13,§646-649; SS15,§1056-b3; C24, 27, 31, 35, 39, §5632, 6625, 6626; C46, 50,§363.10, 419.11, 419.12; C54, 58, 62, 66, 71, 73,§363.9, 363.10, 363.28; C75, 77, 79,§376.2]

Referred to in §39.20

**376.3 Nominations.** Candidates for elective city offices must be nominated as provided in sections 376.4 to 376.9 unless by ordinance a city chooses the provisions of chapters 44 or 45. However, a special charter city may continue to hold partisan elections as provided in sections 43.112 to 43.118 and 420.126 to 420.137. [S13,§1056-a21; SS15,§1056-b4; C24, 27, 31, 35, 39,§6492, 6496, 6634, 6638; C46, 50,§416.16, 416.20, 419.20, 419.24; C54, 58, 62, 66, 71, 73,§363.11, 363.16; C75, 77, 79,§376.3]

**376.4 Candidacy.** An eligible elector of a city may become a candidate for an elective city office by filing with the city clerk a valid petition requesting that his or her name be placed on the ballot for that office. The petition must be filed not more than sixty-five days nor less than forty days before the date of the election, and must be signed by eligible electors equal in number to at least two percent of those who voted to fill the same office at the last regular city election, but not less than ten persons. Nomination petitions shall be filed not later than five o'clock p.m. on the last day for filing.

The petitioners for an individual seeking election from a ward must be residents of the ward at the time of signing the petition. An individual is not eligible for election from a ward unless he is a resident of the ward at the time he files the petition and at the time of election.

The petition must include the signature of the petitioners, a statement of their place of residence, and the date on which they signed the petition.

The petition must include the affidavit of at least one eligible elector other than the petitioners, stating the affiant's knowledge, information, and belief as to the residence of the petitioners. The candidate for

whom the petition is filed may sign the affidavit only if he or she personally circulated the petition. If the affiant also signed the nomination petition, that signature shall not be counted toward the total required by this section.

The petition must include the affidavit of the individual for whom it is filed, stating his name, his residence, that he is a candidate and eligible for the office, and that if elected he will qualify for the office.

The city clerk shall accept the petition for filing if on its face it appears to have the requisite number of signatures and if it is timely filed.

The city clerk shall deliver all nomination petitions to the county commissioner of elections not later than five o'clock p.m. on the day following the last day on which nomination petitions can be filed. Any person on whose behalf nomination petitions have been filed under this section may withdraw as a candidate by filing a signed statement to that effect as prescribed in section 44.9. [S13,§1056-a21, -a40; SS15,§1056-b4; C24, 27, 31, 35, 39, §6478, 6495-6498, 6634-6638; C46, 50,§416.2, 416.19-416.22, 419.20-419.24; C54, 58, 62, 66, 71, 73,§363.11-363.16; C75, 77, 79,§376.4]

Referred to in §376.3

**376.5 Publication of ballot.** Notice containing a copy of the ballot for each regular, special, primary, or runoff city election must be published by the county commissioner of elections as provided in section 362.3, except that notice of a regular, primary, or runoff election may be published not less than four days before the date of the election. The published ballot must contain the names of all candidates, and may not contain any party designations. The published ballot must contain any question to be submitted to the voters. [S13,§1056-a21; SS15,§1056-b4; C24, 27, 31, 35, 39,§6499, 6500, 6501, 6503, 6640; C46, 50,§416.23-416.25, 416.27, 419.26; C58, 62, 66, 71, 73,§363.19; C75, 77, 79,§376.5]

Referred to in §376.3

**376.6 When primary must be held.** An individual for whom a valid petition is filed becomes a candidate in the regular city election for the office for which he has filed, except that a primary election must be held for offices for which the number of individuals for whom valid petitions are filed is more than twice the number of positions to be filled. However:

1. The council may by ordinance choose to have a runoff election, as provided in section 376.9, in lieu of a primary election.

2. If the council has by ordinance chosen to have nominations made in the manner provided by chapter 44 or 45, neither a primary election nor a runoff election is required. [S13,§1056-a21; SS15,§1056-b4; C24, 27, 31, 35, 39,§6492, 6510, 6638; C46, 50,§416.16, 416.34, 419.24; C54, 58, 62, 66, 71, 73,§363.16, 363.18; C75, 77, 79,§376.6]

Referred to in §376.3

**376.7 Date of primary.** If a primary election is necessary, it shall be held on the Tuesday three weeks before the date of the regular city election. The county board of supervisors shall publicly canvass the tally lists of the vote cast in the primary election, following the procedures prescribed in section 50.24, at a meeting to be held beginning at one o'clock in the af-

ternoon on the second day following the primary election.

The names of those candidates who receive the highest number of votes for each office on the primary election ballot, to the extent of twice the number of unfilled positions, must be placed on the ballot for the regular city election as candidates for that office. [S13,§1056-a21; SS15,§1056-b5; C24, 27, 31, 35, 39,§6493, 6507, 6643; C46, 50,§416.17, 416.31, 419.29; C54, 58, 62, 66, 71, 73,§363.17, 363.24; C75, 77, 79,§376.7]

Referred to in §376.3

### 376.8 Persons elected in city elections.

1. In a regular city election following a city primary, the candidates receiving the greatest number of votes cast for each office on the ballot are elected, to the extent necessary to fill the positions open.

2. In a regular city election held for a city where the council has chosen a runoff election in lieu of a primary, candidates are elected as provided by subsection 1, except that no candidate is elected who fails to receive a majority of the votes cast for the office in question. In the case of at-large elections to a multimember body, a majority is one vote more than half the quotient found by dividing the total number of votes cast for all candidates for that body by the number of positions to be filled.

3. In a regular city election held for a city where the council has chosen to have nominations made in the manner provided by chapter 44 or 45, the candidates who receive the greatest number of votes for each office on the ballot are elected, to the extent necessary to fill the positions open. [S13,§1056-a21; SS15,§1056-b4; C24, 27, 31, 35, 39,§6492, 6638; C46, 50,§416.16, 419.24; C54, 58, 62, 66, 71, 73, §363.16; C75, 77, 79,§376.8]

Referred to in §376.3

**376.9 Runoff election.** A runoff election may be held only for positions unfilled because of failure of a sufficient number of candidates to receive a majority vote in the regular city election. When a council has chosen a runoff election in lieu of a primary, the county board of supervisors shall publicly canvass the tally lists of the vote cast in the regular city election, following the procedures prescribed in section 50.24, at a meeting to be held beginning at one o'clock in the afternoon on the second day following the regular city election. Candidates who do not receive a majority of the votes cast for an office, but who receive the highest number of votes cast for that office in the regular city election, to the extent of twice the number of unfilled positions, are candidates in the runoff election.

Runoff elections shall be held three weeks after the date of the regular city election and shall be conducted in the same manner as regular city elections.

Candidates in the runoff election who receive the highest number of votes cast for each office on the ballot are elected to the extent necessary to fill the positions open. [C71, 73,§363.16; C75, 77, 79,§376.9]

Referred to in §52.22, 376.3, 376.6

**376.10 Contest.** A nomination or election to a city office may be contested in the manner provided in chapter 62 for contesting elections to county offices,

except that a statement of intent to contest must be filed with the city clerk within ten days after the nomination or election. The mayor is presiding officer of the court for the trial of a nomination or election contest, except that if the mayor's nomination or election is contested, the council shall elect one of its members other than the mayor to serve as presiding officer. [C97,§678, 679; C24, 27, 31, 35, 39,§5629; C46, 50,§363.7; C54, 58, 62, 66, 71, 73,§363.22; C75, 77, 79,§376.10]

**376.11 Candidates nominated by write-in vote.** Any person nominated by a write-in vote in a city primary election, or in a regular city election in a city

where the council has chosen a runoff election in lieu of a primary, shall execute an affidavit in substantially the form required by section 45.3 and file it with the county commissioner of elections or the city clerk not later than five o'clock p.m. of the day after the canvass of the primary or regular city election, as the case may be. If the person so nominated fails to complete and file the affidavit at the time required, the county commissioner of elections shall disregard the write-in votes cast for that person and proceed in accordance with the requirements of this chapter on the basis of the canvass of all other votes cast at the primary or regular city election. **380.1 Title of ordinance.** The subject matter of an ordinance or amendment must be generally described in its title. [R60,§1122; C73,§489; C97,§681; C24, 27, 31, 35, 39,§5715; C46, 50, 54, 58, 62, 66, 71, 73,§366.2; C75, 77, 79,§380.1]

**380.2 Amendment.** An amendment to an ordinance or to a code of ordinances must specifically repeal the ordinance or code, or the section or subsection to be amended, and must set forth in full the ordinance, code, section or subsection as amended. [R60,§1122; C73,§489; C97,§681; C24, 27, 31, 35, 39, §5715; C46, 50, 54, 58, 62, 66, 71, 73,§366.2; C75, 77, 79,§380.2]

**380.3 Two considerations before final passage—how waived.** A proposed ordinance or amendment must be considered and voted on for passage at two council meetings prior to the meeting at which it is to be finally passed, unless this requirement is suspended by a recorded vote of not less than three-fourths of the council members.

However, if a summary of the proposed ordinance or amendment is published as provided in section 362.3, prior to its first consideration, and copies are available at the time of publication at the office of the city clerk, the ordinance or amendment must be considered and voted on for passage at one meeting prior to the meeting at which it is to be finally passed, unless this requirement is suspended by a recorded vote of not less than three-fourths of the council members. [R60,§1122; C73,§489; C97,§682; C24, 27, 31, 35, 39,§5716; C46, 50, 54, 58, 62, 66, 71, 73,§366.3; C75, 77, 79,§380.3]

**380.4 Majority requirement—tie vote.** Passage of an ordinance, amendment, or resolution requires an affirmative vote of not less than a majority of the council members, except when the mayor may vote to break a tie vote in a city with an even number of council members, as provided in section 372.4. A motion to spend public funds in excess of ten thousand dollars on any one project, or a motion to accept public improvements and facilities upon their completion, also requires an affirmative vote of not less than a majority of the council members. Each council member's vote on an ordinance, amendment, or resolution must be recorded. [R60,§1122, 1134, 1135; C73,§466, 489, 493, 494; C97,§683, 684, 793; S13,§683, 693; C24,

27, 31, 35, 39,§5717; C46, 50, 54, 58, 62, 66, 71, 73,§366.4; C75, 77, 79,§380.4]

**380.5 Mayor.** The mayor may sign, veto, or take no action on an ordinance, amendment, or resolution passed by the council. However, the mayor may not veto a measure if the mayor was entitled to vote on the measure at the time of passage. [C97,§685; C24, 27, 31, 35, 39,§5718; C46, 50, 54, 58, 62, 66, 71, 73,§366.5; C75, 77, 79,§380.5]

**380.6 Effective date.** Measures passed by the council, other than motions, become effective in one of the following ways:

1. If the mayor signs the measure, a resolution becomes effective immediately upon signing and an ordinance or amendment becomes a law when published, unless a subsequent effective date is provided within the measure.

2. If the mayor vetoes the measure, he shall explain his reasons for the veto in a message to the council at the time of the veto. Within thirty days after the mayor's veto, the council may pass the measure again by a vote of not less than two-thirds of the council members. If the mayor vetoes a measure and the council repasses the measure after the mayor's veto, a resolution becomes effective immediately upon repassage, and an ordinance or amendment becomes a law when published, unless a subsequent effective date is provided within the measure.

3. If the mayor takes no action on the measure, a resolution becomes effective fourteen days after the date of passage and an ordinance or amendment becomes a law when published, but not sooner than fourteen days after the date of passage, unless a subsequent effective date is provided within the measure. [R60,§1133; C73,§492; C97,§685-687; C24, 27, 31, 35,§5718, 5720, 5721, 5721-a1; C39,§5718, 5720, 5721, 5721.1; C46, 50,§366.5, 366.7-366.9; C54, 58, 62, 66, 71, 73,§366.5, 366.7; C75, 77, 79,§380.6]

**380.7 City clerk.** The city clerk shall:

1. Promptly record each measure, with a statement, where applicable, indicating whether the mayor signed, vetoed, or took no action on the measure, and whether the measure was repassed after the mayor's veto.

2. Publish all ordinances and amendments in the manner provided in section 362.3.

3. Authenticate all measures except motions with his signature and certification as to time and manner of publication, if any. The clerk's certification is presumptive evidence of the facts stated therein.

4. Maintain for public use copies of all effective ordinances and codes. [R60,§1133; C73,§492; C97,§686, 687; C24, 27, 31, 35,§5719-5721, 5721-a1; C39,§5719-5721, 5721.1; C46, 50,§366.6-366.9; C54, 58, 62, 66, 71, 73,§366.6, 366.7; C75, 77, 79,§380.7]

**380.8 Code of ordinances published.** At least once every five years, a city shall compile a code of ordinances containing all of the city ordinances in effect, except grade ordinances, bond ordinances, zoning ordinances, and ordinances vacating streets and alleys.

If a proposed code of ordinances contains only existing ordinances edited and compiled without change in substance, the council may adopt the code by ordinance.

If a proposed code of ordinances contains a proposed new ordinance or amendment, the council shall hold a public hearing on the proposed code before adoption. The clerk shall publish notice of the hearing as provided in section 362.3. Copies of the proposed code of ordinances must be available at the city clerk's office and the notice must so state. Within thirty days after the hearing, the council may adopt the proposed code of ordinances which becomes law upon publication of the ordinance adopting it. If the council substantially amends the proposed code of ordinances after a hearing, notice and hearing must be repeated.

Ordinances and amendments which become effective after adoption of a code of ordinances may be compiled as supplements to the code, and upon adoption of the supplement by resolution, become part of the code of ordinances.

An adopted code of ordinances is presumptive evidence of the passage, publication, and content of the

ordinances therein as of the date of the clerk's certification of the ordinance adopting the code or supplement. [R60,§1133; C73,§492; C97,§686, 687; C24, 27, 31, 35,§5720, 5721, 5721-a1; C39,§5720, 5721, 5721.1; C46, 50,§366.7-366.9; C54, 58, 62, 66, 71, 73,§366.7; C75, 77, 79,§380.8]

**380.10 Adoption by reference.** A city may adopt the provisions of any statewide or nationally recognized standard code or portions of any such code by an ordinance which identifies the code by subject matter, source and date, and incorporates the provisions by reference without setting them forth in full. Such code or portion must be adopted only after notice and hearing in the manner provided in section 380.8. [R60,§1133; C73,§492; C97,§686, 687; C24, 27, 31, 35,§5720, 5721, 5721-a1; C39,§5720, 5721, 5721.1; C46, 50,§366.7-366.9; C54, 58, 62, 66, 71, 73,§366.7; C75, 77, 79,§380.10]

The county recorder shall record the measure and plat in the miscellaneous record or other book provided for special records, and shall index the record. The city shall pay the recording fee. TAXES AND FUNDS

Referred to in  
 §420.41

**384.1 Taxes certified.** A city may certify taxes to be levied by the county on all taxable property within the city limits, for all city government purposes. However, the tax levied by a city on tracts of land and improvements thereon used and assessed for agricultural or horticultural purposes, may not exceed three dollars and three-eighths cents per thousand dollars of assessed value in any year. Improvements and personal property located on such tracts of land and not used for agricultural or horticultural purposes and all residential dwellings shall be subject to the same rate of tax levied by the city on all other taxable property within the city. A city's tax levy for the general fund may not exceed eight dollars and ten cents per thousand dollars of taxable value in any tax year, except for the levies authorized in section 384.12. [C97,§616, 890; S13,§616; C24, 27, 31, 35, 39, §6210; C46, 50, §404.4; C54, 58, 62, 66, 71, 73, §404.1, 404.2, 404.15; C75, 77, 79, §384.1]

Referred to in §24.36, 384.12, 386.8, 386.9

The provisions of amendments to this section are retroactive to January 1, 1978 for property valued and assessed on or after January 1, 1978 and to this extent said provisions are retroactive, 67GA, ch 1129, §3

**384.2 Fiscal year and tax year.** Except as otherwise provided for special charter cities, a city's fiscal year shall be as provided in section 24.2, subsection 4. All city property taxes must be certified by a city to the county auditor on or before the fifteenth day of March of each year, unless otherwise provided by state law. However, municipal utilities, if not supported by taxation or the proceeds of outstanding indebtedness payable from taxes may, with the council's consent, choose to operate on a fiscal year which is the calendar year. The receipt by the utility of payments from other governmental funds for public fire protection, street lighting or other public use of the utility's services shall not be deemed support by taxation. After notice and hearing in the same manner as required for the city's regular budget under section 384.16, the utility budget must be approved by resolution of the council not later than twenty days prior to the beginning of the calendar year for which the budget applies.

The county auditor shall place city taxes and assessments upon the tax list for the current year, and the county treasurer shall collect city taxes and assessments in the same manner as other taxes. Delinquent city taxes and assessments draw the same interest and penalties as other taxes. Sales for delinquent city taxes and assessments must be made in the manner provided in chapter 446. The county treasurer shall combine in one tax sale all taxes and assessments due from the same person and collectible

by the county. [R60,§1123, 1126; C73,§495, 498; C97,§902; S13,§902, 1056-a7, 1056-a34; C24,§5678, 6227, 6228, 6570, 6571; C27, 31, 35, §5676-a1, 6227, 6228, 6570, 6871; C39, §5676.1, 6227, 6228, 6570, 6871; C46, 50, §363.51, 404.21, 404.22, 416.95, 420.212; C54, 58, §363.29, 404.3, 404.21; C62, 66, 71, 73, §363.29, 404.3, 404.22; C75, 77, 79, §384.2]

Moneys pledged or available to service general obligation bonds, and received from sources other than property taxes, must be deposited in the debt service fund.

If a final judgment is entered against a city with a population of five hundred or less for an amount in excess of eighty-eight thousand dollars over and above what is covered by liability insurance, such city may spread the budgeting and payment of that portion not covered by insurance over a period of time not to exceed ten years. Interest shall be paid by the city on the unpaid balance. This paragraph shall only apply to final judgments entered but not fully satisfied prior to March 25, 1976. 1. Accounting for pension and related employee benefit funds as provided by the city finance committee. A city may make contributions to a retirement system other than the Iowa public employees' retirement system for its city manager, or city administrator performing the duties of city manager, in an annual amount not to exceed the amount that would have been contributed by the employer under section 97B.11. If a police chief or fire chief has submitted a written request to the board of trustees to be exempt from chapter 411, authorized in section 411.3, subsection 1, a city shall make contributions for the chief, in an amount not to exceed the amount that would have been contributed by the city under section 411.8, subsection 1, paragraph "a", to the international city management association/retirement corporation. The question of the establishment of a capital improvements reserve fund, the time period during which a levy will be made for the fund, and the tax rate to be levied for the fund is subject to approval by the voters, and may be submitted at any city election upon the council's motion, or shall be submitted at the next regular city election upon receipt of a valid petition as provided in section 362.4.

If a continuing capital improvements levy is established by election, it may be terminated in the same manner, upon the council's motion or upon petition. 1. A city which proposes to carry out any essential corporate purpose within or without its corporate limits, and to contract indebtedness and issue general obligation bonds to provide funds to pay all or any part of the cost of a project must do so in accordance with the provisions of this division.
2. Before the council may institute proceedings for the issuance of bonds for an essential corporate purpose, a notice of the proposed action, including a statement of the amount and purposes of the bonds, and the time and place of the meeting at which the council proposes to take action for the issuance of the bonds, must be published as provided in section 362.3. At the meeting, the council shall receive oral or written objections from any resident or property owner of the city. After all objections have been received and considered, the council may, at that meeting or any adjournment thereof, take additional action for the issuance of the bonds or abandon the proposal to issue the bonds. Any resident or property owner of the city may appeal the decision of the council to take additional action to the district court of the county in which any part of the city is located, within fifteen days after the additional action is taken, but the additional action of the council is final and conclusive unless the court finds that the council exceeded its authority. The provisions of this subsection with respect to notice, hearing, and appeal, are in lieu of the provisions contained in chapter 23, or any other law.

b. If at any time before the date fixed for taking action for the issuance of the bonds, a petition is filed with the clerk of the city in the manner provided by section 362.4, asking that the question of issuing the bonds be submitted to the qualified electors of the city, the council shall either by resolution declare the proposal to issue the bonds to have been abandoned or shall direct the county commissioner of elections to call a special election upon the question of issuing the bonds. Notice of the election and its conduct shall be in the manner provided in the preceding subsections of this section.

Clerk.

Not less than fifteen days before the hearing, the clerk shall send a copy of the notice by certified mail to each property owner whose property is subject to assessment for the improvement at the address as shown by the records of the county auditor. If a property is shown to be in the name of more than one owner at the same mailing address, a single notice may be mailed addressed to all owners at that address. Failure to receive a mailed notice is not a defense to the special assessment. **384.51 Adoption of resolution.** The council shall meet as specified in the published notice, and after hearing all objections and endorsements from property owners and other persons having an interest in the matter, and after considering all filed, written objections, may adopt or amend and adopt the proposed resolution of necessity, or may defer action until a subsequent meeting. A resolution of necessity requires for passage the vote of three-fourths of all the members of the council, or, in cities having but three members of the council, the vote of two members, and where a remonstrance has been filed with the clerk, signed by the owners subject to seventy-five percent of the amount of the proposed assessments for the entire public improvement included in the resolution of necessity, a resolution of necessity requires a unanimous vote of the council. An amendment which extends the boundaries of a district, increases the amount to be assessed against a lot, or adds additional public improvements, is not effective until an amended plat, schedule, and estimate have been prepared and adopted, a notice published and mailed by certified mail to all affected property owners, and hearing held in the same manner as the original proceedings, or until all affected property owners agree in writing to the change. The adoption of a resolution of necessity is a legislative determination that the improvement is expedient and proper and that property assessed will be specially benefited thereby and this determination of the council is conclusive. Ownership of property to be assessed by any improvement shall not, except for fraud or bad faith, disqualify a council member from voting on any measure.

After adopting the resolution of necessity, the clerk shall certify to the county auditor of each county in which the city is located, a copy of the resolution of necessity, the plat and the schedule of assessments. In counties in which taxes are collected in two or more places, the resolution of necessity, the plat and the schedule of assessments shall be certified to the office of county auditor where the special assessments are collected. The county auditor shall preserve such resolution, plat and schedule as a part of the records of his or her office until the city certifies final assessment schedule as provided in section 384.60 or certifies that the public improvement has been abandoned. Referred to in §384 54, 384 65, 425 17(10)

**384.52 Detailed plans and specifications.** After adopting a resolution of necessity, the council may, by resolution, order the engineer to prepare and file with the clerk detailed plans and specifications, and

order the engineer and city attorney, or any attorney designated by the council, to prepare and file with the clerk a notice to bidders and form of contract. [C97,§965; S13,§965; C24, 27, 31, 35, 39,§6915; C46,§420.267; C50,§391A.12, 420.267; C54, 58, 62, 66, 71, 73,§391A.15, 420.267; C75, 77, 79,§384.52]

Referred to in §426.17(10)

**384.53 Procedures to let contract.** Contract letting procedures shall be as provided in division VI of this chapter. The council may award any number of contracts for construction of any public improvement. [C97,§791, 812; S13,§840-a; C24, 27, 31, 35, 39, §6001; C46, 50, 54, 58, 62, 66, 71, 73,§391.28; C75, 77, 79,§384.53]

Referred to in §426.17(10)

**384.54 Confirmation by decree.** At any time after final adoption of the resolution of necessity, but before awarding the contract, the council may proceed as follows:

1. To direct the city attorney to file, in the district court of the county in which the property proposed to be assessed is located, a petition praying that the acts done by the council relative to the proposed public improvement be confirmed by decree.

2. The following must be filed with the petition in the office of the clerk of the court:

a. A copy of the resolution of necessity as adopted by the council.

b. A copy of the proposed schedule of assessments as adopted by the council under sections 384.48 and 384.51, which schedule shows the maximum amount that the council proposes to assess against any lot.

c. Preliminary plans and specifications, or, if available, detailed plans and specifications as prepared by the engineer.

d. A copy of the proposed contract if prepared.

3. Notice of the filing of the petition must be given in the same manner as is provided for service of original notice by publication by the rules of civil procedure, except as follows:

a. No affidavit of inability to obtain personal service within the state of Iowa is required.

b. The original notice must name as defendants those property owners who, on the date of filing the petition, have an interest in the real property to be assessed as a part of the public improvement, and the original notice must state that a plat and schedule is on file in the office of the clerk of the district court where the action is pending. No property owner is an indispensable party to the action. Publication of plat and schedule as part of the original notice is not required, nor shall reference in the original notice to specific descriptions of affected real property or the amounts of proposed assessments be necessary.

4. The petition must be given precedence over any other business of the court, except criminal cases. The court shall set the petition for hearing within thirty days from the date of final publication of notice. As a part of its order, the court may provide for a pretrial conference to be held not earlier than twenty days from the date of final publication of notice and require the appearance at the pretrial conference of all interested parties. Failure to appear at

the pretrial conference may be grounds for dismissing any objection.

5. If no person having an interest in property proposed to be assessed has entered an appearance or filed an answer within the time set for hearing on the petition, the court shall confirm the assessment, and order the clerk of court to certify its decree to the city clerk.

6. If any person having an interest in property proposed to be assessed has entered an appearance or filed an answer to the petition, the court shall hear the cause as an action triable in equity.

7. Upon the hearing the court may correct any irregularities or inequalities in valuations or in the schedule of assessments, and shall consider any objections because of alleged illegal procedure or fraud.

8. The court shall render a decision upon the hearing as soon as practical after the final submission of the cause.

9. The clerk of the court shall certify to the city clerk the final action of the court, within three days from the date of the final decree upon the petition, showing assessments as confirmed in the schedule of assessments.

10. An appeal from the decree of the district court must be taken as in other equity cases.

11. A contract may or may not be let, in the discretion of the council, until appeals are finally determined, but the appeals need not delay the letting and execution of a contract for the work, if the council concludes the appeals were not taken in good faith.

12. An appeal does not, in the discretion of the council, delay the certification of an assessment or progress of an improvement, but upon decision of the appeal the assessment appealed from must be corrected and collected in the same manner as provided in section 384.74.

13. Corrections of assessments or valuations made by order of the district court are conclusive and not subject to review on appeal, or otherwise, except as provided in subsections 10 to 12 of this section. When court confirmation is obtained there is no right of appeal under the provisions of section 384.66.

14. If no contract is entered into within ninety days from the date of confirmation by the district court or within a further time allowed by the court on subsequent application, and if no appeal is pending, the court shall cancel the assessment, upon application of the city attorney.

15. The cost of all court proceedings are a legitimate item of expense in connection with a public improvement, and may be included within the final assessment against any property specially benefited in the assessment district.

Whenever on a hearing by the court, the amount of any assessment is reduced or canceled so that there is a deficiency in the total amount remaining assessed in the proceeding, the court may assess the deficiency to the city or distribute the deficiency upon the other property abutting upon or adjacent to the improvement or in the district assessed, in a manner the court finds to be just and equitable, not exceeding, however, the amount the property would be specially benefited by the improvement, and not exceeding twenty-five percent of the value of the lot as shown by the

plat and schedule of assessments or as reduced by the court. **384.55 Notice of paving to water board.** In cities having a water utility under the management of a board of trustees and in which water connections are not installed by the trustees at public expense, the council shall notify the board at the time of the adoption of a preliminary resolution, of any proposed street paving projects. The board shall report to the council the number of connections from water mains in streets to the curb lines of the proposed improvement necessary to serve private property dependent upon those particular mains for water supply, and the numbers of the lots to be served by the connections, and the names of the owners. Notice must be given to property owners, at the same time and in the same manner as the notice provided in section 384.50, to install the necessary connections within thirty days after hearing. For the purposes of the hearing, property owners who are notified to install water connections, but whose property is not within the proposed assessment district, may appear as interested parties. If upon hearing, the council determines to proceed with the improvement, and any property owner fails to make connections as required, the board of waterworks trustees shall cause them to be made and certify the cost to the council to be assessed against the property and collected in the same manner as provided in section 384.40 for other underground connections. #### **384.56 State lands.**

1. Cities may assess the cost of a public improvement which extends through, abuts upon, or is adjacent to lands owned by the state, and the executive council shall pay the assessable portion of the cost of the improvement through or along the lands as provided. The executive council shall pay assessments as provided in section 307A.5.

2. When a state park or institutional road abutting on or adjacent to state lands on one side of the road is improved by paving, the state shall pay one-half the total assessed cost of the portion of the improvement abutting, or adjacent to state lands, lots, or portions thereof, but for any other type of improvement so constructed and located, the state shall pay, as provided in section 307A.5, the portion of the cost which would be assessable against state lands if they were privately owned.

3. When any portion of the cost of a public improvement is to be paid by the state under this section, the clerk shall send, at the time of publication of the notice required by section 384.50, a copy of the no-

tice to the secretary of the executive council by restricted certified mail.

4. Cities in which state buildings are located shall permit sewers for such buildings to be constructed through or under the streets of the city, and connections to be made to the sewer system of the city under the same regulations as for sewer connections to private property.

5. Subsections 1 and 3 of this section do not apply to lands under the jurisdiction and control of the department of transportation. [C97, §794; C24, 27, 31, 35, 39, §5988; C46, §391.15; C50, §391.15, 391A.18; C54, 58, 62, §391.15, 391A.21; C66, 71, 73, §390A.22, 391.15, 391A.21; C75, 77, 79, §384.56]

Referred to in §425.17(10)

**384.57 Monthly payments.** The city may contract to pay not to exceed ninety percent of the engineer's estimated value of the acceptable work completed during the month to the contractor at the end of each month. Payment may be made in warrants drawn on any fund or funds from which payment for the work may be made. If such funds are depleted, anticipatory warrants may be issued bearing a rate of interest not exceeding that permitted by chapter 74A, which do not constitute a violation of section 384.10, even if the collection of taxes or special assessments or income from the sale of bonds applicable to the public improvement is after the end of the fiscal year in which the warrants are issued. If the city arranges for the private sale of anticipatory warrants, they may be sold and the proceeds used to pay the contractor. Such warrants may also be used to pay other persons furnishing services constituting a part of the cost of the public improvement. [C50, §391A.19; C54, 58, 62, 66, 71, 73, §391A.22; C75, 77, 79, §384.57; 68GA, ch 1025, §55]

Referred to in §384.58, 425.17(10)

#### **384.58 Inspection of work.**

1. The engineer for the city shall inspect all work done under this division, and within fifteen days of final completion of the public improvement, he shall file a certificate with the clerk stating:

- a. That he has inspected the completed work.
- b. That the work has or has not been performed in compliance with the terms of the contract, and the particulars, if any, in which the work varies from the terms.
- c. The total cost of the completed work.

2. Within fifteen days after the filing of the engineer's certificate, the council shall by resolution accept or reject the work.

3. Upon accepting the work, or within ten days thereafter, the council shall ascertain the total cost and by resolution determine the proportion or amount of the cost to be assessed against private property within the assessment district. If the council has elected to award more than one contract for the work, the council may elect to proceed separately with the acceptance and levy of assessments for the work done under each contract.

4. Upon accepting the work, the council may order payment of any amount due the contractor, to be made by warrants issued in the manner provided by section 384.57. [C97, §820, 822; S13, §779, 792-f, 820,

**384.59 Assessment schedule.** Within thirty days after the council adopts a resolution fixing the amount to be assessed against private property, the engineer shall file with the clerk an assessment schedule showing:

1. A description of each lot to be assessed.
2. The valuation of each lot as fixed by the council.
3. The amount to be assessed against each lot, which shall include the assessment for the default fund, if any, and the amount of deficiency, if any, which may be subsequently assessed against each lot under section 384.63. [C97,\$821; S13,\$792-f; SS15,\$840-r; C24,\$6022, 6023; C31, 35,\$6022, 6023, 6610-c19; C39,\$6022, 6023, 6610.45; C46,\$391.49, 391.50, 417.19; C50,\$391.49, 391.50, 391A.21, 417.19; C54, 58, 62,\$391.49, 391.50, 391A.24, 417.19; C66, 71, 73,\$390A.24, 391.49, 391.50, 391A.24, 417.19; C75, 77, 79,\$384.59]

Referred to in §425 17(10)

**384.60 Adoption of schedule.** Within ten days after filing of the assessment schedule, the council shall meet, consider, and adopt or amend and adopt, by resolution, the final assessment schedule. The resolution must:

1. Confirm and levy assessments, including a conditional levy of the amount of deficiencies which may be subsequently assessed against each lot under section 384.63.
2. State the number of annual installments, not exceeding fifteen, into which assessments of fifty dollars or more are divided.
3. Provide for interest on all unpaid installments at a rate not exceeding that permitted by chapter 74A.
4. State the time when assessments are payable.
5. Direct the clerk to certify the final schedule to the auditor of the county or counties in which the assessed property is located, and to publish notice thereof once each week for two consecutive weeks in the manner provided in section 362.3, the first publication of which shall be not more than fifteen days from the date of filing of the final schedule. On or before the second publication of the notice, the clerk shall send by certified mail to each property owner whose property is subject to assessment for the improvement, as shown by the records in the office of the county auditor, a copy of the notice. Such notice shall also include a statement in substance that assessments may be paid in full or in part without interest within thirty days after the date of certification, and thereafter all unpaid special assessments bear interest at the rate specified by the board, but not exceeding that permitted by chapter 74A, computed to the December 1 next following the due dates of the respective installments, and each installment will be delinquent on September 30 following its due

date, and will draw additionally the same delinquent interest and the same penalties as ordinary taxes. Such notice shall also state substantially that property owners may elect to pay any installment semiannually in advance. If a property is shown by the records to be in the name of more than one owner at the same mailing address, a single notice may be mailed to all owners at that address. Failure to receive a mailed notice is not a defense to the special assessment.

The county auditor shall place on the tax list the amounts to be assessed against each lot within the assessment district, as certified. **384.61 Assessment of benefits.** The total cost of a public improvement, except for paving that portion of a street lying between railroad tracks and one foot outside of the tracks, or which is to be otherwise paid, must be assessed against all lots within the assessment district in accordance with the special benefits conferred upon the property, and not in excess of such benefits.

If an owner of property subject to special assessment divides the property into two or more lots, and if the plan of division is approved by the council, he may discharge the lien upon any of the lots by payment of the amount unpaid, calculated as determined by the council. [C97,\$828; S13,\$792-a, -f, 849-e; SS15,\$840-a, -j, -r; C24,\$6021, 6036, 6089; C27,\$5942-b3, 6021, 6036, 6089; C31, 35,\$5942-b3, 6021, 6036, 6089, 6610-6620; C39,\$5942.3, 6021, 6036, 6089, 6610.14; C46,\$389.7, 391.48, 391.63, 395.11, 417.20; C50,\$389.7, 391.48, 391.63, 391A.23, 395.11, 417.20; C54, 58, 62, 66, 71, 73,\$389.7, 391.48, 391.63, 391A.26, 395.11, 417.20; C75, 77, 79,\$384.61]

Referred to in §425 17(10)

**384.62 Limit.** A special assessment against a lot for a public improvement may not be in excess of the amount of the assessment, including the conditional deficiency assessment, as shown in the schedule confirmed by the court, or if court confirmation is not utilized, then on the original plat and schedule adopted by the council, and an assessment may not exceed twenty-five percent of the value of the lot as shown by the plat and schedule approved by the council or as reduced by the court.

Special assessments for the construction or repair of underground connections for private property for gas, water, sewers, or electricity may be assessed to each lot for the actual cost of each connection for that lot, and the twenty-five percent limitation does not apply. Such connections shall not be installed to service railway right of way without written agree-

ment with the railway company owning or leasing the right of way.

A special assessment for a public improvement against a tract of land used and assessed as agricultural property shall not become payable upon the filing of a request by the owner for deferment until that land is not used and assessed as agricultural property. At the time of the change in the use of the property, the special assessment shall become payable in the same manner as the special assessment would have become payable had it not been deferred by this section. This section shall not apply to a tract of land of less than one-quarter acre surrounding any dwelling or nonfarm structure on that tract nor shall it apply to a special assessment levied before July 3, 1978. This section shall not apply if the public improvement is a sewer, water, gas or electrical line to which the owner of the land makes a connection.

Payment of installments of special assessments for a public improvement against property used and assessed as agricultural property shall be deferred as follows:

1. The property owner who seeks deferment of an assessment shall file a written request for deferment with the city clerk at the time of the hearing on the resolution of necessity for the public improvement or within ten days following the date of the hearing and the request shall identify those lots subject to proposed assessments for which the property owner is seeking deferment which are used and assessed as agricultural property. The request may be withdrawn by the property owner at any time before or after the adoption of the resolution of necessity.

2. The city shall indicate those lots for which a deferment has been requested on the special assessment schedule.

3. After the assessments for the public improvement have been levied and the special assessment schedule has been filed with the county auditor, the county auditor shall indicate on the tax rolls those assessments subject to deferment under this section.

4. An owner of property subject to an assessment that may be deferred may file a statement at any time up to six months before the assessment installment is due stating that a written request for deferment of such assessments is filed with the city clerk and that the entire lot subject to such assessment has continued to be and is still used and assessed as agricultural property. The collection of that installment and any other unpaid portion of the assessment shall be deferred until the next July 1 and subsequent installments may thereafter be deferred in the same manner for successive years in which a statement is filed. **384.63 Insufficiency—certification to county auditor—deficiency assessment.** If the special assessment which may be levied against a lot is insufficient to pay its proportion of the cost of the improvement, or if no special assessment may be levied against a

lot, the deficiency shall be paid from the city fund or funds designated by the council.

The council shall, by resolution, provide that the deficiencies for the lots specially benefited by a public improvement shall be certified to the county auditor, who shall record them in a separate book entitled "Special Assessment Deficiencies", and to the appropriate city official charged with the responsibility of issuing building permits, who shall notify the council when a private improvement is subsequently constructed on any lot subject to a deficiency. Certification to county auditor shall include a legal description of each lot. The council shall establish by ordinance a period of amortization for a public improvement for which there are deficiencies, based upon the useful life of the public improvement, but not to exceed ten years. Deficiencies may be assessed only during the period of amortization, which shall also be certified to the county auditor and the city official charged with the responsibility of issuing building permits. Certification to the county auditor shall include a legal description of each lot. When a private improvement is constructed on a lot subject to a deficiency, during the period of amortization, the council shall, by resolution, assess a pro rata portion of the deficiency on that lot, in the same proportion to the total deficiency on that lot as the number of full calendar years remaining in the period of amortization is to the total number of years in the period of amortization, subject to the twenty-five percent limitation of section 384.62. A deficiency assessment becomes a lien on the property and is payable in the same manner, and subject to the same interest and penalties as the other special assessments. The council shall direct the clerk to certify a deficiency assessment to the county auditor, and to send a notice of the deficiency assessment by certified mail to each owner, as provided in section 384.60, subsection 5, of this division, but publication of the notice is not required. An owner may appeal from the amount of the assessment within thirty days of the date notice is mailed. County officials shall collect a deficiency assessment, commencing in the year following the assessment, in the manner provided for the collection of other special assessments. Upon collection, the county auditor shall make the appropriate credit entries in the "Special Assessment Deficiencies" book, and shall credit the amounts collected as provided for other special assessments on the same public improvement, or to the city, to the extent that the deficiency has been previously paid from other city funds. **384.64 Assessment to railway company.** The right of way of a railway company is subject to special assessments for public improvements, and such assessments constitute a debt due the city which is a paramount lien upon the track of the railway company owning or leasing the right of way within the limits of the city. The property of a railway to which a lien for unpaid special assessment has attached may not be released from the lien until the whole assessment is paid. [C97,§816, 828; S13,§791-i, 792-f, 816;

### 384.65 Installments due.

1. The first installment of each assessment, or the total amount if less than fifty dollars, is due and payable on July 1 next succeeding the date of the levy, unless the assessment is filed with the county auditor after May 31 in any year. The first installment shall bear interest on the whole unpaid assessment from the date of acceptance of the work by the council to the first day of December following the due date.

2. The succeeding annual installments, with interest on the whole unpaid amount, to the first day of December following the due date, are respectively due on July 1 annually, and must be paid at the same time and in the same manner as the September semi-annual payment of ordinary taxes.

3. All future installments of an assessment may be paid on any date by payment of the then outstanding balance, plus interest to December 1 following the due date of the next maturing installment.

4. Each installment of an assessment with interest on the unpaid balance is delinquent after the thirtieth day of September next after its due date, and bears the same delinquent interest with the same penalties as ordinary taxes. When collected, the interest and penalties must be credited to the same fund as the special assessment.

5. From the date of filing of a certified copy of the resolution of necessity, the plat, and the schedule of assessments as provided in section 384.51, all special assessments with all interest and penalties become and remain a lien on the benefited properties until paid, and have equal precedence with ordinary taxes, and are not divested by any judicial sale.

6. Any property owner may elect to pay one-half of any annual installment of principal and interest of a special assessment in advance, with the second semiannual payment of ordinary taxes collected in the year preceding the due date of such installment. The county treasurer shall accept such partial payment of the special assessment, and shall credit the next annual installment of such special assessment to the extent of such payment, and shall remit the payments to the city.

7. Each installment of an assessment shall be equal to the amount of the unpaid assessment as computed on the thirty-first day after the certification of the assessment divided by the number of annual installments into which the assessment may be divided as adopted by the council pursuant to section 384.60. ### 384.66 Test of regularity.

1. A person having an interest in property subject to special assessment may, within twenty days after the adoption of a resolution of necessity, test the regularity of the proceedings or legality of the assessment procedure by a petition in equity filed in the district court of the county where the property is located. A petition does not stay further proceedings on the improvement by the council, unless there is also filed a bond in an amount and with security approved by the court.

2. A person having an interest in any property specially assessed may appeal from the amount of the assessment, at any stage of the special assessment procedure up to twenty days after the final publication of notice of filing of the final assessment schedule, by petition to the district court of the county where the property is located but such appeal is only to the amount of that assessment and does not stay further proceedings by the council on the improvement. No action shall be brought appealing the amount of any special assessment from and after twenty days after said final publication.

3. A person having an interest in property subject to special assessment has a right of appeal to the district court on the ground of fraud.

4. No action may be brought questioning the regularity of the proceedings pertaining to special assessments or the validity of any special assessment levied for any public improvement under this part, from and after sixty days after the final publication of notice of filing the final assessment schedule.

**384.67 Payment to county treasurer.** Assessments levied and certified under the provisions of this division, including installments and interest, are payable at the office of the county treasurer of the county where the property assessed is located, except that assessments may be paid in full or in part and without interest within thirty days after the date of certification, at the office of the county treasurer, if the property being assessed is located in an unincorporated area, or the city clerk, if the property being assessed is located in an incorporated area except when the city council specifically provides payment to be made in the office of the county treasurer. ### 384.68 Bonds issued.

1. After certification of the final assessment schedule, the city may, by resolution, authorize and issue bonds in anticipation of the collection of unpaid special assessments. However, the total principal amount of bonds issued for a public improvement may not exceed the total amount of unpaid special assessments less the proportionate unpaid amount assessed for the default fund.

2. All special assessment bonds are negotiable, must state on their face that they are issued under the provisions of this division, and are payable as to both principal and interest from the proceeds of the special assessments levied for the public improvement. Such bonds may bear interest at a rate not exceeding that permitted by chapter 74A payable annually or semiannually, must mature serially on December 1 of the years in which any of the principal is scheduled to become due, and may contain a provision that the city reserves the right and option of calling and redeeming any or all of the bonds prior to maturity on any interest payment date or within forty-five days thereafter upon the terms specified therein. Such bonds must be called "improvement bonds", must designate the general type of improvement or improvements for which issued, and may be issued in any denomination, not exceeding ten thousand dollars. Bonds issued for a public improvement authorized in section 384.38, subsection 2, must be named in a way to distinguish them from other improvement bonds of the city, and to designate the property specially assessed for the improvement. Improvement bonds issued for any one levy must bear the same date and be divided into as many series as there are years in which installments of the special assessment mature, and each series must be as nearly equal in amount as practicable.

3. The proceeds of the special assessments and interest collected thereon must be used and applied by the city to the payment of the interest on the bonds and to the retirement of the principal as rapidly as proceeds are collected. Such bonds and coupons do not make the city liable in any way, except for the proper application of special assessments. If interest becomes due on any of the bonds when there is no fund or funds from which to pay it, the council may make a temporary loan for payment of the interest, which loan must be repaid from the special assessments and interest pledged to secure the bonds, but in case of purchase by the city at tax sale of the property on which a special assessment is levied, the loan must be repaid from the funds of the city from which deficiencies on the improvement were paid, or if there were no deficiencies, from the general fund.

4. Special assessment bonds must be sold at public or private sale in the manner provided by chapter 75, and may not be sold for less than par value with accrued interest from date to the time of delivery, or if no bids are received at public sale, bonds bearing the same rate of interest as the special assessment may be delivered to the contractor in payment of the cost of the public improvement. The proceeds of the sale must be applied to the payment of the cost of the public improvement.

5. Any excess of proceeds from special assessments remaining after all of the bonds for a particular improvement have been paid with interest may be credited to the fund from which deficiencies for the improvement could have been paid. However, any excess in a default fund established for a public improvement authorized in section 384.38, subsection 2, shall be held by the city in a special fund to guarantee other improvement bonds which may be issued by the

city for public improvements authorized under that section.

6. Cities may issue refunding bonds to pay off and take up special assessment bonds issued in payment for public improvements, or to refund any part thereof, as follows:

a. Refunding bonds must substantially conform to the provisions of this division, and the face value is limited to the amount of the unpaid special assessments with the interest thereon of the particular issue of bonds to be refunded.

b. Refunding bonds or their proceeds may be used only to pay improvement bonds taken up.

c. The expense of refunding bonds must be paid out of the funds of the city from which the cost of similar improvements might lawfully be paid.

d. When refunding bonds are issued to pay improvement bonds, all special assessments and sinking funds applicable to the payment of the improvement bonds previously issued must be applied in the same manner and to the same extent to the payment of the refunding bonds, and all the powers and duties to levy and to carry special assessments and taxes, to create liens upon property, and to establish sinking funds in respect to the bonds previously issued continue until refunding bonds are paid.

e. The city shall collect the special assessment out of which the refunding bonds are payable and hold the proceeds in trust for the payment of the refunding bonds, but it is not liable except for the proper application of the assessments.

7. No action shall be brought questioning the legality of the bonds authorized by this section from and after sixty days from the date the bonds are ordered issued by the city. [C97,§842, 843, 845, 847, 987; C24,§6109-6113, 6117, 6118, 6121-6124, 6925, 6932; C27,§5942-b3, 6066-a11, 6109-6113, 6117, 6118, 6121-6124, 6126-a1-a6, 6925, 6932; C31, 35,§5942-b3, 6066-a11, 6109-6113, 6117, 6118, 6121-6124, 6126-a1-a6, 6610-c65, -c66, 6925, 6932; C39,§5942.3, 6066.13, 6109-6113, 6117, 6118, 6121-6124, 6126.1-6126.6, 6610.71, 6610.72, 6925, 6932; C46,§389.7, 392.11, 396.6-396.10, 396.14, 396.15, 396.18-396.21, 396.24-396.29, 417.68, 417.69, 420.278, 420.285; C50,§389.7, 391A.30, 392.11, 396.6-396.10, 396.14, 396.15, 396.18-396.21, 396.24-396.29, 417.68, 417.69, 420.278, 420.285; C54, 58, 62, 66, 71, 73,§389.7, 391A.33, 392.11, 396.6-396.10, 396.14, 396.15, 396.18-396.21, 396.24-396.29, 417.68, 417.69, 420.278, 420.285; C75, 77, 79,§384.68; 68GA, ch 1025,§57]

**384.69 Property sold at tax sale.** Property against which a special assessment has been levied for public improvements may be sold for any sum of principal or interest due and delinquent, at any regular or adjourned tax sale in the same manner with the same forfeitures, penalties, right of redemption, certificates, and deeds, as for the nonpayment of ordinary taxes. The purchaser at a tax sale takes the property charged with the lien of the remaining unpaid installments and interest. When bonds have been issued in anticipation of special assessments and interest for which property is to be sold, the city may be a purchaser and is entitled to all rights of purchasers at tax sales. The proceeds subsequently realized from

sales of property so purchased by the city must be credited to the funds of the city from which deficiencies on the improvement were paid, or if there were no deficiencies, to the general fund. **384.71 Costs paid from applicable funds.** The whole or any part of the cost of construction or repair of a public improvement may be paid from the proceeds of the issuance of general obligation bonds under the provisions of section 384.25 or 384.26, as applicable, or from the fund or funds of the city authorized to be used for the particular type of improvement, and the council shall provide that the tax authorized for purposes of the fund or funds must be annually levied to the full extent necessary to reimburse the fund or funds for the amount paid for the construction or repair of the improvement. **384.72 Reassessment and relevy.** When by reason of nonconformity to any law or resolution, or by reason of any omission, informality, or irregularity, any special tax or assessment levied is determined by the council to be invalid or is adjudged illegal, the council may correct the levy by resolution, and may reassess and relevy with the same force and effect as if done at the proper time and in the manner provided by law or by the resolution. council may as to such property, by resolution, cause to be prepared a schedule and proposed reassessment in proportion to and not in excess of benefits, cause notice to be given, hear objections, and make necessary corrections, and may reassess and relevy the tax or special assessment as corrected with the same force and effect as if jurisdiction had been acquired in the first instance and all subsequent proceedings had been regularly and legally had. Corrected assessments are a lien on the lots the same as the original assessment, must be certified by the clerk to the county auditor in the same manner, and must so far as practicable, be collected in the same installments, draw interest at the same rate, and be enforced in the same manner as the original assessment.

However, if the city does not certify the assessments within six months of final publication as required by division IV of this chapter, all such assessments shall be null, void, and of no effect. Any bonds issued with such void assessments as security shall be paid by the city as they become due out of its debt service as provided in section 384.4. A city may combine any one or more of the procedural acts required by this division and call for bids for construction of a public improvement and comply with legal requirements respecting public contracts so as to permit the council to receive and consider proposals at the time of hearing on the resolution of necessity. **384.76 Application to joint undertakings.** The provisions of this division apply to any public improvement undertaken jointly by the city and another city or by the city and the state or any other political subdivision of the state, and a city may enter into an agreement for such purpose under the provisions of chapter 28E and may assess and pay its portion of the cost of a public improvement as provided in this division, but any requirement of this part in respect to approval of detailed plans and specifications, calling for construction bids, awarding construction contracts and acceptance of the completed improvement may be carried out by each city with

other cities, the state or any other political subdivision of the state, as provided in an agreement entered into as permitted by chapter 28E. However, an agreement between the city and the state department of transportation is also governed by the provisions of sections 313.21 to 313.23. [C50,§391A.34; C54, 58, 62, 66, 71, 73,§391A.37; C75, 77, 79,§384.76]

Referred to in §425 17(10)

**384.77 Assessments along railways.** In the making of assessments for paving streets, avenues or public places along or upon which a track of a railway or street railway company is located, the engineer shall make an estimate of the cost of building the improvement, and an estimate of the cost of the improvement if tracks were not there. The railway or street railway company may be charged with the difference between the two estimates of cost, and shall make payment in the same manner as other special assessments are paid. This section applies only to track within the limits of the improvement proper and shall not be construed as exempting a railway or street railway company from a special assessment on other property, adjacent or abutting, within the assessment district and owned by the company, nor does this section relieve a company from any of its duties and liabilities set forth in any other law concerning repair or construction of the strip of paving between the rails and one foot outside. Referred to in §425 17(10)

Without limiting the foregoing, projects commenced prior to said effective date may be financed by the issuance of special assessment bonds and other bonds under any such amended or repealed law or by the issuance of special assessment bonds, or other bonds under the city code. For the purposes of this section, commencement of a project includes but is not limited to action taken by the council or authorized officer to fix a date for a hearing in connection with any part of a public improvement, and commencement of proceedings for the levy of special assessments and the issuance of special assessment bonds includes but is not limited to action taken by the council to fix a date for a hearing in connection with any public improvement proposed to be financed in whole or in part through special assessments. [C75, 77, 79,§384.78]

Referred to in §425 17(10)

**384.79 Conflicting provisions.** The enumeration in this division of special powers and functions is not a limitation of the powers of cities, but the provisions of this division and the procedures prescribed for ex-

ercising the powers and functions enumerated in this division control and govern in the event of any conflict with the provisions of any other section, division or chapter of the city code or with the provisions of any other law. [C75, 77, 79,§384.79]

**384.81 Provisions of city code exclusive.**

1. A city which proposes to establish, own, acquire by purchase, condemnation, or otherwise, lease, sell, construct, reconstruct, extend, remodel, improve, repair, equip, maintain and operate within or without its corporate limits a city utility, combined utility system, city enterprise, or combined city enterprise must do so in accordance with the provisions of the city code.

2. If all of the utilities involved in the establishment of a combined utility system are, at the time of establishment, controlled and managed by the same utility board, such utility board shall continue as the governing body of the combined utility system; otherwise the city council is the governing body of a combined utility system, but a utility board for a combined utility system may be established as provided in chapter 388. If a combined utility system or combined city enterprise is dissolved, each city utility or city enterprise shall continue in existence as a separate city utility or city enterprise unless the voters additionally authorize the abandonment thereof. The governing body of a combined utility system which is dissolved shall continue as the governing body of each city utility which was a part of the combined utility system unless changed as provided in chapter 388. The adding of an additional city utility to an existing combined utility system is the establishment of a new combined utility system and must be approved by the voters of the city as provided in chapter 388, but the governing body of the existing combined utility system shall continue as the governing body of the new combined utility system.

3. A combined utility system or combined city enterprise may be established, but if there are obligations outstanding which by their terms are payable from the revenues of any city utility or city enterprise involved, all such outstanding obligations must be assumed by the governing body of the combined utility system or combined city enterprise subject to all terms established at the time of the original issue, or refunded through the issuance of revenue bonds of the combined utility system or combined city enterprise as a part of the procedure for the establishment of the combined utility system or combined city enterprise, or funds sufficient to pay the principal of and all interest and premium, if any, on such outstanding obligations at and prior to maturity must have been properly set aside and pledged for that purpose. Any revenues earmarked for payment of the obligations must be handled by the governing body of the combined utility or combined city enterprise in the same manner as they were handled by the governing body of the city utility or city enterprise involved. A city utility or city enterprise may not be abandoned and a combined utility system or combined city enterprise may not be dissolved so long as there are obligations outstanding which by their terms are payable from the revenues of the city utility, combined utility system, city enterprise, or combined city enterprise unless funds sufficient to pay the principal of and all interest and premium, if any, on such outstanding obligations at and prior to maturity have been properly set aside and pledged for such purpose. **384.82 Procedure for financing.**

1. A city may carry out projects, borrow money, and issue revenue bonds and pledge orders to pay all or part of the cost of projects, such revenue bonds and pledge orders to be payable solely and only out of the net revenues of the city utility, combined utility system, city enterprise, or combined city enterprise involved in the project. The cost of a project includes the construction contracts, interest upon the revenue bonds and pledge orders during the period or estimated period of construction and for twelve months thereafter, or for twelve months after the acquisition date, such reserve funds as the governing body may deem advisable in connection with the project and the issuance of revenue bonds and pledge orders, and the costs of engineering, architectural, technical and legal services, preliminary reports, surveys, property valuations, estimates, plans, specifications, notices, acquisition of real and personal property, consequential damages or costs, easements, rights of way, supervision, inspection, testing, publications, printing and sale of bonds and provisions for contingencies. A city may sell revenue bonds or pledge orders at public or private sale in the manner prescribed by chapter 75 and may deliver revenue bonds and pledge orders to the contractors, sellers, and other persons furnishing materials and services constituting a part of the cost of the project in payment therefor.

A city may deliver its revenue bonds to the federal government or any agency thereof which has loaned the city money for sanitary or solid waste projects, water projects or other projects for which the government has a loan program.

2. A city may issue revenue bonds to refund revenue bonds, pledge orders, and other obligations which are by their terms payable from the net revenues of the same city utility, combined utility system, city enterprise, or combined city enterprise, or from a city utility comprising a part of the combined utility system or a city enterprise comprising a part of the combined city enterprise, at lower, the same, or higher rates of interest. A city may sell refunding revenue bonds at public or private sale in the manner prescribed by chapter 75 and apply the proceeds thereof to the payment of the obligations being refunded, and may exchange refunding revenue bonds in payment and discharge of the obligations being refunded. The principal amount of any refunding revenue bonds may exceed the principal amount of the obligations being refunded to the extent necessary to pay any premium due on the call of the obligations being refunded and to fund interest accrued and to accrue on the obligations being refunded. **384.83 Revenue bonds.**

1. A city may issue revenue bonds pursuant to a resolution of the governing body of the city utility, combined utility system, city enterprise, or combined city enterprise, adopted at a regular or special meeting by a majority of the total number of members to which the governing body is entitled.

2. Before the governing body institutes proceedings for the issuance of revenue bonds, it shall fix a time and place of meeting at which it proposes to take action and give notice by publication in the manner directed in section 362.3. The notice must include a statement of the time and place of the meeting, the maximum amount of the proposed revenue bonds, the purpose for which the revenue bonds will be issued, and the city utility, combined utility system, city enterprise, or combined city enterprise whose net revenues will be used to pay the revenue bonds and interest thereon. The governing body shall at the meeting receive oral or written objections from any resident or property owner of the city. After all objections have been received and considered, the governing body may, at the meeting or any adjournment thereof, take additional action for the issuance of the bonds or abandon the proposal to issue bonds. Any resident or property owner of the city may appeal a decision of the governing body to take additional action to the district court of the county in which any part of the city is located within fifteen days after the additional action is taken, but the additional action of the governing body is final and conclusive unless the court finds that the governing body exceeded its authority. The provisions of this subsection with respect to notice, hearing, and appeal in connection with the issuance of revenue bonds are in lieu of those contained in chapter 23 or any other law.

3. Revenue bonds may bear dates, bear interest at rates not exceeding that permitted by chapter 74A, mature in one or more installments, be in either coupon or registered form, carry registration and conversion privileges, be payable as to principal and interest at times and places, be subject to terms of redemption prior to maturity with or without premium, and be in one or more denominations, all as provided by the resolution of the governing body authorizing their issuance. The resolution may also prescribe additional provisions, terms, conditions, and covenants which the governing body deems advisable, consistent with the provisions of the city code, including provisions for creating and maintaining reserve funds, the issuance of additional revenue bonds ranking on a parity with such revenue bonds and additional revenue bonds junior and subordinate to such revenue bonds, and that such revenue bonds shall rank on a parity with or be junior and subordinate to any revenue bonds which may be then outstanding. Revenue bonds are a contract between the city and holders and the resolution is a part of the contract.

4. If the governing body is a city council, the revenue bonds must be executed by the mayor and clerk of the city. If the governing body is a utility board, the revenue bonds must be executed by the chairman and secretary of the board. If coupons are attached to the revenue bonds, they must be executed with the original or facsimile signature of the clerk or secre-

tary. A revenue bond is valid and binding for all purposes if it bears the signatures of the officers in office on the date of the execution of the bonds notwithstanding that any or all persons whose signatures appear thereon have ceased to be such officers prior to the delivery thereof. The issuance of revenue bonds must be recorded in the office of the city treasurer or other financial officer designated by the council, and a certificate of the recording by the treasurer or other officer must be printed on the back of each revenue bond.

5. Revenue bonds and pledge orders issued pursuant to this division are negotiable instruments.

6. A city may issue pledge orders pursuant to a resolution of the governing body of the city utility, combined utility system, city enterprise, or combined city enterprise, adopted by a majority of the total number of members to which the governing body is entitled, at a regular or special meeting, ordering their issuance and delivery in payment for all or part of the cost of a project. Pledge orders may bear interest at rates not exceeding that permitted by chapter 74A.

7. The physical properties of a city utility, combined utility system, city enterprise, or combined city enterprise may not be pledged or mortgaged to secure the payment of revenue bonds or pledge orders or the interest thereon. Rates must be established by ordinance of the council or by resolution of the trustees, published in the same manner as an ordinance. All rates or charges for the services of sewer systems, sewage treatment, solid waste collection, solid waste disposal, or any of these, if not paid as provided by ordinance of council, or resolution of trustees, shall constitute a lien upon the premises served by any of these services and may be certified to the county auditor and collected in the same manner as taxes.

The bidder's security must be in an amount fixed by the governing body, and must be in the form of a cashier's or certified check drawn on a bank in Iowa or a bank chartered under the laws of the United States, or the governing body may provide for a bidder's bond with corporate surety satis-

Notice of the hearing must be published as provided in section 362.3. At the hearing any interested person may appear and file objections to the proposed plans, specifications, contract, or estimated cost of the improvement. [C77, 79, §386.2]

#### 386.3 Establishment of district.

1. Districts may be created by action of the council in accordance with the provisions of this chapter. A district shall:

a. Be comprised of contiguous property wholly within the boundaries of the city. A self-supported municipal improvement district shall be comprised only of property in districts which are zoned for commercial or industrial uses.

b. Be given a descriptive name containing the words "self-supported municipal improvement district".

c. Be comprised of property related in some manner, including but not limited to present or potential use, physical location, condition, relationship to an area, or relationship to present or potential commercial or other activity in an area, so as to be benefited in any manner, including but not limited to a benefit from present or potential use or enjoyment of the property, by the condition, development or maintenance of the district or of any improvement or self-liquidating improvement of the district, or be comprised of property the owners of which have a present or potential benefit from the condition, development or maintenance of the district or of any improvement or self-liquidating improvement of the district.

2. The council shall initiate proceedings for establishing a district upon the filing with its clerk of a petition containing:

a. The signatures of at least twenty-five percent of all owners of property within the proposed district. These signatures must together represent ownership of property with an assessed value of twenty-five percent or more of the assessed value of all of the property in the proposed district.

b. A description of the boundaries of the proposed district or a consolidated description of the property within the proposed district.

c. The name of the proposed district.

d. A statement of the maximum rate of tax that may be imposed upon property within the district. The maximum rate of tax may be stated in terms of separate maximum rates for the debt service tax, the capital improvement fund tax, and the operation tax, or in terms of a maximum combined rate for all three.

e. The purpose of the establishment of the district, which may be stated generally, or in terms of the relationship of the property within the district or the interests of the owners of property within the district, or in terms of the improvements or self-liquidating improvements proposed to be developed for the purposes of the district, either specific improvements, self-liquidating improvements, or general categories of improvements, or any combination of the foregoing.

f. A statement that taxes levied for the self-supported improvement district operation fund shall be used for the purpose of paying maintenance expenses of improvements or self-liquidating improvements financed pursuant to this chapter for a specified length of time, along with any options to renew, if such taxes are to be used for this maintenance purpose.

3. The council shall notify the city planning commission upon the receipt of a petition. It shall be the duty of the city planning commission to make recommendations to the council in regard to the proposed district. The city planning commission shall, with due diligence, prepare an evaluative report for the council on the merit and feasibility of the project. The council shall not hold its public hearings or take further action on the establishment of the district until it has received the report of the city planning commission.

In addition to its report, the commission may, from time to time, recommend to the council amendments and changes relating to the project.

If no city planning commission exists, the council shall notify the metropolitan or regional planning commission upon receipt of a petition, and such commission shall have the same duties as the city planning commission set forth in this subsection. If no planning commission exists, the council shall notify the zoning commission upon receipt of a petition, and such commission shall have the same duties as the city planning commission set forth in this subsection. If no planning or zoning commission exists, the council shall call a hearing on the establishment of a district upon receipt of a petition.

4. Upon the receipt of the commission's final report the council shall set a time and place for a meeting at which the council proposes to take action for the establishment of the district, and shall publish notice of the meeting as provided in section 362.3, and the clerk shall send a copy of the notice by certified mail not less than fifteen days before the meeting to each owner of property within the proposed district at the owner's address as shown by the records of the county auditor. If a property is shown to be in the name of more than one owner at the same mailing address, a single notice may be mailed addressed to all owners at that address. Failure to receive a mailed notice is not grounds for objection to the council's taking any action authorized in this chapter.

5. In addition to the time and place of the meeting for hearing on the petition, the notice must state:

a. That a petition has been filed with the council asking that a district be established.

b. The name of the district.

c. The purpose of the district.

d. The property proposed to be included in the district.

e. The maximum rate of tax which may be imposed upon the property in the district.

6. At the time and place set in the notice the council shall hear all owners of property in the proposed district or residents of the city desiring to express their views. The council must wait at least thirty days after the public hearing has been held before it may adopt an ordinance establishing a district which must be comprised of all the property which the council finds has the relationship or whose owners have the interest described in subsection 1, paragraph "c". Property included in the proposed district need not be included in the established district. However, no property may be included in the district that was not included in the proposed district until the council has held another hearing after it has published and mailed the same notice as required in subsections 4 and 5 of this section on the original petition to the owners of the additional property, or has caused a notice of the inclusion of the property to be personally served upon each owner of the additional property, or has received a written waiver of notice from each owner of the additional property.

7. Adoption of the ordinance establishing a district requires the affirmative vote of three-fourths of all of the members of the council, or in cities having but three members of the council, the affirmative

vote of two members. However if a remonstrance has been filed with the clerk signed by at least twenty-five percent of all owners of property within the proposed district representing ownership of property with an assessed value of twenty-five percent or more of the assessed value of all of the property in the proposed district, the adoption of the ordinance requires a unanimous vote of the council.

8. The clerk shall cause a copy of the ordinance to be filed in the office of the county recorder of each county in which any property within the district is located.

9. At any time prior to adoption of an ordinance establishing a district, the entire matter of establishing such district shall be withdrawn from council consideration if a petition objecting to establishing such district is filed with its clerk containing the signatures of at least forty percent of all owners of property within the proposed district or signatures which together represent ownership of property with an assessed value of forty percent or more of the assessed value of all property within the proposed district.

10. The adoption of an ordinance establishing a district is a legislative determination that the property within the district has the relationship or its owners have the interest required under subsection 1, paragraph "c" and includes all of the property within the area which has that relationship or the owners of which have that interest in the district.

11. Any resident or property owner of the city may appeal the action and the decisions of the council, including the creation of the district and the levying of the proposed taxes for the district, to the district court of the county in which any part of the district is located, within thirty days after the date upon which the ordinance creating the district becomes effective, but the action and decision of the council are final and conclusive unless the court finds that the council exceeded its authority. No action may be brought questioning the regularity of the proceedings pertaining to the establishment of a district or the validity of the district, or the propriety of the inclusion or exclusion of any property within or from the district, or the ability of the city to levy taxes in accordance with the ordinance establishing the district, after thirty days from the date on which the ordinance creating the district becomes effective.

12. The procedural steps for the petitioning and creation of the district may be combined with the procedural steps for the authorization of any improvement or self-liquidating improvement, or the procedural steps for the authorization of any tax, or any combination thereof.

13. The rate of debt service tax referred to in the petition and the ordinance creating the district shall only restrict the amount of bonds which may be issued, and shall not limit the ability of the city to levy as necessary in subsequent years to pay interest and amortize the principal of that amount of bonds.

14. The ordinance creating the district may provide for the division of all of the property within the district into two or more zones based upon a reasonable difference in the relationship of the property or the interest of its owners, whether the difference is qualitative or quantitative. The ordinance creating

the district and establishing the different zones may establish a different maximum rate of tax for each zone, or may provide that the rate of tax for a zone shall be a certain set percentage of the tax levied in the zone which is subject to the highest rate of tax. [C77, 79, §386.3; 68GA, ch 86, §1, 2]

Referred to in §386.4, 386.6

#### 386.4 Amendments to district.

1. The ordinance creating the district may be amended and property may be added to the district and the maximum rate of taxes referred to in the ordinance may be increased at any time in the same manner and by the same procedure as for the establishment of a district. All property added to a district shall be subject to all taxes currently and thereafter levied including debt service levies for bonds previously or thereafter issued.

2. Action by the council amending the ordinance creating the district, including adding any eligible property or deleting any property within the district or changing any maximum rate of taxes, shall be by ordinance adopted by an affirmative vote of three-fourths of all of the members of the council, or in cities having but three members of the council, the affirmative vote of two members. However, if a remonstrance has been filed with the clerk signed by at least twenty-five percent of all owners of property within the district and all property proposed to be included representing ownership of property with an assessed value of twenty-five percent or more of the assessed value of all the property in the district and all property proposed to be included, the amending ordinance must be adopted by unanimous vote of the council.

3. The clerk shall cause a copy of the amending ordinance to be filed in the office of the county recorder of each county in which any property within the district as amended is located.

4. At any time prior to council amendment of the ordinance creating the district, the entire matter of amending such ordinance shall be withdrawn from council consideration if a petition objecting to amending such ordinance is filed with its clerk containing either the signatures of at least forty percent of all owners of property within the district and all property proposed to be included or signatures which together represent ownership of property with an assessed value of forty percent or more of the assessed value of all property within the district and all property proposed to be included.

5. Any resident or property owner of the city may appeal the action or decisions of the council amending the ordinance creating the district, to the district court of the county in which any part of the district, as amended, is located, within fifteen days after the date upon which the ordinance amending the ordinance creating the district becomes effective, but the action and decision of the council are final and conclusive unless the court finds that the council exceeded its authority. No action may be brought questioning the regularity of the proceedings pertaining to the amended ordinance or the validity of the district as amended, or the propriety of the inclusion or exclusion of any property within or from the amended district, or the ability of the city to levy

taxes in accordance with the ordinance establishing the district, as amended, after thirty days from the date upon which the amending ordinance becomes effective.

6. All other provisions in section 386.3 shall apply to an amended district and to the ordinance amending the ordinance creating the district with the same effect as they apply to the original district and the ordinance creating the original district. [C77, 79, §386.4; 68GA, ch 86, §3]

**386.5 Dissolution.** A district may be dissolved and terminated by action of the council rescinding the ordinance creating the district, and any subsequent ordinances amending the district, by an affirmative vote of three-fourths of all members of the council, or in cities having but three members of the council, the affirmative vote of two members. However, if a remonstrance has been filed with the clerk signed by at least twenty-five percent of all owners of property within the district representing ownership of property with an assessed value of twenty-five percent or more of the assessed value of all the property in the district, the rescission of the ordinance creating the district, and any subsequent ordinances amending the district, requires a unanimous vote of the council.

At any time prior to action of the council rescinding the ordinance creating the district, and any subsequent ordinances amending the district, the entire matter of dissolving a district shall be withdrawn from council consideration if a petition is filed with its clerk containing the signatures of at least forty percent of all owners of property within the district or signatures which together represent ownership of property with an assessed value of forty percent or more of the assessed value of all property within the district. [C77, 79, §386.5]

**386.6 Improvements.** When a city proposes to construct an improvement the cost of which is to be paid or financed under the provisions of this chapter, it must do so in accordance with the provisions of this section, as follows:

1. The council shall initiate proceedings for a proposed improvement upon receipt of a petition signed by at least twenty-five percent of all owners of property within the district representing ownership of property with an assessed value of twenty-five percent or more of the assessed value of all the property in the district.

2. Upon the receipt of such a petition the council shall notify the city planning commission, if one exists, the metropolitan or regional planning commission, if one exists, or the zoning commission, if one exists, in the order set forth in section 386.3, subsection 3. Upon notification by the council, the commission shall prepare an evaluative report for the council on the merit and feasibility of the improvement and carry out all other duties as set forth in section 386.3, subsection 3. If no planning or zoning commission exists, the council shall call a hearing on a proposed improvement upon receipt of a petition.

3. Upon the receipt of the commission's report the council shall set a time and place of meeting at which the council proposes to take action on the proposed

improvement and shall publish and mail notice as provided in section 386.3, subsections 4 and 5.

4. The notice must include a statement that an improvement has been proposed, the nature of the improvement, the source of payment of the cost of the improvement, and the time and place of hearing.

5. At the time and place set in the notice the council shall hear all owners of property in the district or residents of the city desiring to express their views. The council must wait at least thirty days after the public hearing has been held before it may take action to order construction of the improvement. The provisions of section 386.3, subsections 7 and 9 relating to the adoption of the ordinance establishing a district, the requisite vote therefor, the remonstrance thereto and the withdrawal of the entire matter from council consideration apply to the adoption of the resolution ordering the construction of the improvement.

6. If the council orders the construction of the improvement, it shall proceed to let contracts therefor in accordance with chapter 384, division VI.

7. The adoption of a resolution ordering the construction of an improvement is a legislative determination that the proposed improvement is in furtherance of the purposes of the district and that all property in the district will be affected by the construction of the improvement, or that all owners of property in the district have an interest in the construction of the improvement.

8. Any resident or property owner of the city may appeal the action or decisions of the council ordering the construction of the improvement to the district court of the county in which any part of the district is located within thirty days after the adoption of the resolution ordering construction of the improvement, but the action and decisions of the council are final and conclusive unless the court finds that the council exceeded its authority. No action may be brought questioning the regularity of the proceedings pertaining to the ordering of the construction of an improvement, or the right of the city to apply moneys in the capital improvement fund referred to in this chapter to the payment of the costs of the improvement, or the right of the city to issue bonds referred to in this chapter for the payment of the costs of the improvement, or the right of the city to levy taxes which with any other taxes authorized by this chapter do not exceed the maximum rate of tax that may be imposed upon property within the district for the payment of principal of and interest on bonds issued to pay the costs of the improvement, after thirty days from the date of adoption of the resolution ordering construction of the improvement.

9. The procedural steps contained in this section may be combined with the procedural steps for the petitioning and creation of the district or the procedural steps for the authorization of any tax or any combination thereof. [C77, 79, §386.6]

Referred to in §386.7, 386.13

**386.7 Self-liquidating improvements.** When a city proposes to construct a self-liquidating improvement, the cost of which is to be paid or financed under the provisions of this chapter, it must do so in accordance with the provisions of this section as follows:

1. Section 386.6, subsections 1 to 5 are applicable to a self-liquidating improvement to the same extent as they are applicable to an improvement and the proceedings initiating a self-liquidating improvement shall be governed thereby.

2. Before the council may order the construction of a self-liquidating improvement, and after hearing thereon, it must find that the self-liquidating improvement and the leasing of a part or the whole of it to any person or governmental body will further the corporate purposes of the city and will:

- a. Aid in the commercial development of the district.
- b. Further the interests of the district; or
- c. Not substantially reduce the city's property tax base.

3. If the council orders the construction of the self-liquidating improvement, any contracts shall be let therefor in accordance with chapter 384 of division VI.

4. The adoption of a resolution ordering the construction of a self-liquidating improvement is a legislative determination that the proposed self-liquidating improvement and the leasing of a part or the whole of it to any person or governmental body will further the corporate purposes of the city and will:

- a. Aid in the commercial development of the district.
- b. Further the interests of the district; or
- c. Not substantially reduce the city's property tax base.

5. A city may lease any or all of a self-liquidating improvement to any person or governmental body.

6. A city may issue revenue bonds payable from the income and receipts derived from the self-liquidated improvement. Chapter 384, division V applies to revenue bonds for self-liquidating improvements and the term "city enterprise" as used in that division shall be deemed to include self-liquidating improvements authorized by this chapter.

7. Any resident or property owner of the city may appeal a decision of the council to order the construction of a self-liquidating improvement or to lease any or all of a self-liquidating improvement to the district court of the county in which any part of the district is located, within thirty days after the adoption of the resolution ordering the self-liquidating improvement, but the action of the council is final and conclusive unless the court finds that the council exceeded its authority.

8. No action may be brought questioning the regularity of the proceedings pertaining to the ordering of the construction of a self-liquidating improvement after thirty days from the date of adoption of the resolution ordering construction of the self-liquidating improvement. No action may be brought questioning the regularity of the proceedings pertaining to the leasing of any or all of a self-liquidating improvement after thirty days from the date of the adoption of a resolution approving the proposed lease. In addition to the limitation contained in section 384.92, no action may be brought which questions the legality of revenue bonds or the power of the city to issue revenue bonds or the effectiveness of any proceedings re-

lating to the authorization and issuance of revenue bonds relating to a self-liquidating improvement after thirty days from the time the bonds are ordered issued by the city.

9. The procedural steps contained in this section may be combined with the procedural steps for the petitioning and creation of the district. [C77, 79,§386.7]

**386.8 Operation tax.** A city may establish a self-supported improvement district operation fund, and may certify taxes not to exceed the rate limitation as established in the ordinance creating the district, or any amendment thereto, each year to be levied for the fund against all of the property in the district, for the purpose of paying the administrative expenses of the district, which may include but are not limited to administrative personnel salaries, a separate administrative office, planning costs including consultation fees, engineering fees, architectural fees, and legal fees and all other expenses reasonably associated with the administration of the district and the fulfilling of the purposes of the district. The taxes levied for this fund may also be used for the purpose of paying maintenance expenses of improvements or self-liquidating improvements financed pursuant to this chapter for a specified length of time with one or more options to renew if such is clearly stated in the petition which requests the council to authorize construction of the improvement or self-liquidating improvement, whether or not such petition is combined with the petition requesting creation of a district. Parcels of property which are assessed as residential property for property tax purposes are exempt from the tax levied under this section. A tax levied under this section is not subject to the levy limitation in section 384.1. [C77, 79,§386.8]

**386.9 Capital improvement fund.** A city may establish a capital improvement fund for a district and may certify taxes, not to exceed the rate established by the ordinance creating the district, or any subsequent amendment thereto, each year to be levied for the fund against all of the property in the district, for the purpose of accumulating moneys for the financing or payment of a part or all of the costs of any improvement or self-liquidating improvement. However, parcels of property which are assessed as residential property for property tax purposes are exempt from the tax levied under this section. A tax levied under this section is not subject to the levy limitations in section 384.1 or 384.7. [C77, 79,§386.9]

Referred to in §386.12

**386.10 Debt service fund.** A city shall establish a self-supported municipal improvement district debt service fund whenever any self-supported municipal improvement district bonds are issued and outstanding, other than revenue bonds, and shall certify taxes to be levied against all of the property in the district for the debt service fund in the amount necessary to pay interest as it becomes due and the amount necessary to pay, or to create a sinking fund to pay, the principal at maturity of all self-supported municipal improvement district bonds as authorized in section 386.11, issued by the city. However, parcels of property which are assessed as residential property for

property tax purposes at the time of the issuance of the bonds are exempt from the tax levied under this section until such time as the parcels are no longer assessed as residential property. [C77, 79,§386.10; 68GA, ch 86,§4]

Referred to in §386 11

### **386.11 Self-supported municipal improvement district bonds.**

1. A city may issue and sell self-supported municipal improvement district bonds at public or private sale payable from taxes which must be levied in accordance with chapter 76. The bonds are payable from the levy of unlimited ad valorem taxes on all the taxable property within the district through the district debt service fund authorized by section 386.10. When self-supported municipal improvement district bonds are issued and taxes are levied in accordance with chapter 76, the taxes shall continue to be levied, until the bonds and interest thereon are paid in full, against all of the taxable property that was included in the district at the time of the issuance of the bonds, regardless of any subsequent removal of any property from the district or the dissolution of the district.

2. The proceeds of the sale of the bonds may be used to pay any or all of the costs of any improvement, or be used to pay any legal indebtedness incurred for the cost of any improvement including bonds or warrants previously issued to pay the costs of an improvement, or bonds may be exchanged for the evidences of such legal indebtedness.

3. Before the council may institute proceedings for the issuance of bonds, it shall proceed in the same manner as is required for the institution of proceedings for the issuance of bonds for an essential corporate purpose as provided in section 384.25, subsection 2 and all of the provisions of that subsection apply to bonds issued pursuant to this section.

4. A city may issue bonds authorized by this section pursuant to a resolution adopted at a regular or special meeting by an affirmative vote of a majority of the total members to which the council is entitled. The proceeds of a single bond issue may be used for various improvements.

5. The provisions of sections 384.29, 384.30, and 384.31 apply to bonds issued pursuant to this section, except that the bonds shall be designated "municipal improvement district bonds".

6. No action may be brought which questions the legality of bonds issued pursuant to this section or the power of a city to issue the bonds or the effectiveness of any proceedings relating to the authorization and issuance of the bonds after thirty days from the time the bonds are ordered issued by the city. [C77, 79,§386.11]

Referred to in §386 10

**386.12 Payment for improvements.** The costs of improvements may be paid from any of the following sources or a combination thereof:

1. The capital improvement fund referred to in section 386.9.

2. The proceeds of bonds referred to in section 386.11.

3. Any other funds of the city which are legally available to pay all or a portion of the cost of an improvement. The fact that an improvement is initiated under the provisions of this chapter, or any of the costs of an improvement or any part of an improvement are being paid under the provisions of this chapter, shall not preclude the city from paying any costs of an improvement from any fund from which it might otherwise have been able to pay such costs. In addition, and not in limitation of the foregoing, any improvement which constitutes an essential corporate purpose or a general corporate purpose as defined in section 384.24, subsections 3 and 4, may be financed in whole or in part with the proceeds of the issuance of general obligation bonds of the city pursuant to the provisions of chapter 384, division III.

4. Payment for the costs of an improvement may also be made in warrants drawn on any fund from which payment for the improvement may be made. If such funds are depleted, anticipatory warrants may be issued bearing a rate of interest not exceeding that permitted by chapter 74A, which do not constitute a violation of section 384.10, even if the collection of taxes or income from the sale of bonds applicable to the improvement is after the end of the fiscal year in which the warrants are issued. If the city arranges for the private sale of anticipatory warrants, they may be sold and the proceeds used to pay the costs of the improvement. Such warrants may be used to pay other persons furnishing services constituting a part of the cost of the improvement. [C77, 79,§386.12; 68GA, ch 1025,§59]

**386.13 Parking fee abatements.** A city may apply moneys in the operation fund of the district to prepay parking fees at any city parking facility located in or used in conjunction with the district but only after notice and hearing as required by section 386.6. The authority to prepay such fees shall exist only for the period of time set out in the notice to owners and in the resolution of the council authorizing the application of funds for that purpose. Upon the application of sufficient amounts of prepaid fees, the city need not charge individual users of the parking facility. Before adopting a resolution authorizing the application of funds for such purpose, the council must find that the application will further the purposes of the district, including but not limited to increasing the commercial activity in the district. [C77, 79,§386.13]

**386.14 Independent provisions.** The provisions of this chapter with respect to notice, hearing and appeal for the construction of improvements and self-liquidating improvements and the issuance and sale of bonds are in lieu of the provisions contained in chapters 75 and 23, or any other law, unless specifically referred to and made applicable by this chapter. The application must be sponsored by the city government or by an organization representing a broad cross-section of the community.

2. The sponsor shall design and implement a survey to discover community needs and resources. The sponsor shall then hold public meetings to discuss and determine the priority of needs, the available resources, and the most appropriate project for the grant application.

3. The committee shall provide simple and direct forms for applications for the grants. The applications shall include the following:

- a. A description of the process followed in accordance with subsection 2.
- b. A description of the project and the plans for the completion of the project.

c. A statement as to why the particular project was selected from among the other community needs.

d. A statement as to the effect of the project upon the community.

e. A statement of the other resources available for the project. [C79,§387.3]

Referred to in §387.2

**387.4 Approval of grants.** The committee shall allocate the funds to the applicants based on the extent to which the project is actually a self-help activity, whether the members of the community, and the surrounding area if appropriate, are involved in the determination of the local needs, whether there is local implementation of the development needs, and whether there is local participation in the activity. The committee may request the recommendation of an appropriate public or private agency organized under chapter 28E or 473A regarding the project proposed in the application. The committee shall attempt, after consideration of the prior criteria, to achieve an even distribution among cities of different

populations and an even geographic distribution of the grants.

A grant shall not exceed five thousand dollars nor shall it exceed forty percent of the total cost of the project. A grant shall not be approved by the committee unless the grant and the other available resources equal the total cost of the project. The other available resources may include donations of money, goods or services which shall be included in the computation of the cost of the project, but shall not include any funds received from the federal government. [C79,§387.4]

**387.5 Warrants.** The state comptroller is authorized and directed to draw warrants for the purposes stated in this chapter upon the vouchers of the chairperson of the committee. [C79,§387.5]

2. *"Utility board"* or *"board"* means a board of trustees established to operate a city utility, city utilities, or a combined utility system. A single utility board may operate more than one city utility even though such city utilities are not a combined utility system. [C75, 77, 79,§388.1]

**388.2 Submission to voters.** The proposal of a city to establish, acquire, lease, or dispose of a city utility, except a sanitary sewage system, in order to undertake or to discontinue the operation of the city utility, or the proposal to establish or dissolve a combined utility system, or the proposal to establish or discontinue a utility board, is subject to the approval of the voters of the city, except that a board may be discontinued by resolution of the council when the city utility, city utilities, or combined utility system it administers is disposed of or leased for a period of over five years.

The proposal may be submitted to the voters at any city election by the council on its own motion. Upon receipt of a valid petition as defined in section 362.4, requesting that a proposal be submitted to the voters, the council shall submit the proposal at the next regular city election.

A proposal for the establishment of a utility board must specify a board of either three or five members.

If a majority of those voting for and against the proposal approves the proposal, the city may proceed as proposed.

If a majority of those voting for and against the proposal does not approve the proposal, the same or a similar proposal may not be submitted to the voters of the city for at least four years from the date of the election at which the proposal was defeated. [C73,§471; C97,§720, 721; S13,§720, 721; C24, 27, 31, 35, 39,§6131-6133, 6144; C46, 50, 54, 58,§397.5-397.7, 397.29; C62, 66, 71, 73,§397.5-397.7, 397.29, 397.43; C75, 77, 79,§388.2]

The council shall by resolution provide for staggered six-year terms for, and shall set the compensation of, board members.

A board member appointed to fill a vacancy occurring by reason other than the expiration of a term is appointed for the balance of the unexpired term.

A public officer or a salaried employee of the city may not serve on a utility board. A utility board may be a party to legal action. A utility board may exercise all powers of a city in relation to the city utility, city utilities, or combined utility system it administers, with the following exceptions:

1. A board may not certify taxes to be levied, pass ordinances or amendments, or issue general obligation or special assessment bonds.

2. The title to all property of a city utility or combined utility system must be held in the name of the city, but the utility board has all the powers and authorities of the city with respect to the acquisition by purchase, condemnation, or otherwise, lease, sale, or other disposition of such property, and the management, control, and operation of the same, subject to the requirements, terms, covenants, conditions, and provisions of any resolutions authorizing the issuance of revenue bonds, pledge orders, or other obligations which are payable from the revenues of the city utility or combined utility system, and which are then outstanding.

3. A board shall make to the council a detailed annual report, including a complete financial statement.

4. Immediately following a regular or special meeting of a utility board, the secretary shall prepare a condensed statement of the proceedings of the board and cause the statement to be published in a newspaper of general circulation in the city. The statement must include a list of all claims allowed, showing the name of the person or firm making the claim, the reason for the claim, and the amount of the claim. Salary claims must show the gross amount of the claim except that salaries paid to persons regularly employed by the utility, for services regularly performed by them, must be published once annually showing the gross amount of the salary. 12. Include other provisions as the parties may deem necessary or appropriate with respect to the conduct of the participants, the operation or ownership of the joint facility, or the settlement of disputes. [C75, 77, 79, §390.4]

**390.5 Financing.** A city may finance its share of the cost of a joint facility by the use of any method of financing available for city utilities under the statutes of this state, for the financing of electric generation or transmission facilities to be owned by a city in their entirety, including but not limited to the provisions of chapters 397 and 407, Code 1973, and sections 384.23 to 384.36 and sections 384.80 to 384.94 as applicable. Revenues derived by a city utility from its share of ownership or operation of a joint facility shall be deemed to be revenues of the city utility for all purposes including the issuance and payment of bonds secured by or payable from the revenues of a city utility. A joint agreement shall be deemed payable from revenues or revenue bonds of a city utility in the absence of provision to the contrary or a referendum approving the issuance of general obligation bonds. [C75, 77, 79, §390.5]

**390.6 Construction.** This chapter being necessary for the public health, public safety and general wel-

fare, shall be liberally construed to effectuate its purposes. This chapter shall be construed as providing a separate and independent method for accomplishing its purposes, and except as provided or necessarily implied shall not be construed as subject to or an amendment of any other law. In particular, without limiting the generality of the foregoing, no restrictions or requirements contained in this chapter shall be construed as applying to bonds issued pursuant to the provisions of chapter 419. Nothing contained in this chapter shall be construed to limit the powers and authority of privately owned utility companies or electric co-operatives under any other law. [C75, 77, 79, §390.6]

**390.7 Construction of amendments.** The provisions of 66GA, chapter 199 are retroactive in application to all joint agreements entered into and executed prior to July 1, 1975, under this chapter, on behalf of cities which, on the date of executing the agreements, operated existing electric generating or distribution facilities. However, all such joint agreements which complied with the provisions of this chapter prior to amendment by 66GA, chapter 199, are also in full force and effect according to their terms, and are not rendered invalid in any respect by any provision of 66GA, chapter 199. - 392.1 Establishment by ordinance.
- 392.2 Pledging credit or taxing power prohibited.
- 392.3 Contracts reviewable by council.
- 392.4 Joint action.

- 392.5 Library board.
- 392.6 Hospital trustees.
- 392.7 Prior agencies.

**392.1 Establishment by ordinance.** If the council wishes to establish an administrative agency, it shall

do so by an ordinance which indicates the title, powers, and duties of the agency, the method of appoint-

ment or election, qualifications, compensation, and term of members, and other appropriate matters relating to the agency. The title of an administrative agency must be appropriate to its function. The council may not delegate to an administrative agency any of the powers, authorities, and duties prescribed in division V of chapter 384 or in chapter 388, except that the council may delegate to an administrative agency power to establish and collect charges, and disburse the moneys received for the use of a city facility, including a city enterprise, as defined in section 384.24, so long as there are no revenue bonds or pledge orders outstanding which are payable from the revenues of the city enterprise. Except as otherwise provided in this chapter, the council may delegate rule-making authority to the agency for matters within the scope of the agency's powers and duties, and may prescribe penalties for violation of agency rules which have been adopted by ordinance. Rules governing the use by the public of any city facility must be made readily available to the public. [C75, 77, 79, §392.1]

**392.2 Pledging credit or taxing power prohibited.** An administrative agency may not pledge the credit or taxing power of the city. [C75, 77, 79, §392.2]

**392.3 Contracts reviewable by council.** Unless otherwise stated in the ordinance establishing the agency, contracts and agreements entered into by administrative agencies are subject to review and approval by the council, but when so approved and to the extent such contracts and agreements are otherwise valid by law, are valid and not voidable by subsequent actions of the city even if the administrative agency is dissolved, but no such contract or agreement may conflict with the provisions of division V of chapter 384 or chapter 388, or any action taken pursuant to the provisions of the same. [C75, 77, 79, §392.3]

**392.4 Joint action.** Subject to approval by the council, an administrative agency may take action jointly with other public or private agencies as provided in chapter 28E. [C75, 77, 79, §392.4]

**392.5 Library board.** A city library board of trustees functioning on the effective date of the city code shall continue to function in the same manner until altered or discontinued as provided in this section.

In order for the board to function in the same manner, the council shall retain all applicable ordinances, and shall adopt as ordinances all applicable state statutes repealed by 64GA, chapter 1088.

A library board may accept and control the expenditure of all gifts, devises, and bequests to the library.

A proposal to alter the composition, manner of selection, or charge of a library board, or to replace it with an alternate form of administrative agency, is subject to the approval of the voters of the city.

The proposal may be submitted to the voters at any city election by the council on its own motion. Upon receipt of a valid petition as defined in section 362.4, requesting that a proposal be submitted to the voters, the council shall submit the proposal at the next regular city election. A proposal submitted to the voters must describe with reasonable detail the action proposed.

If a majority of those voting approves the proposal, the city may proceed as proposed.

If a majority of those voting does not approve the proposal, the same or a similar proposal may not be submitted to the voters of the city for at least four years from the date of the election at which the proposal was defeated. [C97, §728, 729; S13, §729; SS15, §728; C24, 27, 31, 35, 39, §5851, 5858; C46, 50, 54, 58, 62, 66, 71, 73, §378.3, 378.10; C75, 77, 79, §392.5]

**392.6 Hospital trustees.** If a hospital or health care facility is established by a city, the city shall by ordinance provide for the election, at a general, city, or special election, of three trustees, whose terms of office shall be six years; but at the first election, three shall be elected and hold their office, respectively, for two, four, and six years, and they shall by lot determine their respective terms. A board of trustees elected pursuant to this section shall serve as the sole and only board of trustees for any and all institutions established by a city as provided for in this section.

Cities maintaining an institution as provided for in this section which have a board of trustees consisting of three members may by ordinance increase the number of members to five and provide for the appointment of one of the additional members until the next succeeding general or city election, and for the appointment of the other additional member until the second succeeding general or city election. Thereafter, the terms of office of such additional members shall be six years.

The trustees shall within ten days after their election qualify by taking the oath of office, and organize as a board by the election of one of their number as chairman and one as secretary, but no bond shall be required of them.

The official serving as treasurer of the city shall be the treasurer of the board of trustees, and shall receive and disburse all funds under the control of the board as ordered by it, but shall receive no additional compensation for his services. The treasurer shall give bond in a form and amount as determined by the board in its discretion.

No trustee shall receive any compensation for his services performed, but he may receive reimbursement for any cash expenses actually made for personal expenses incurred as trustee, but an itemized statement of all expenses and moneys paid out shall be made under oath by each of the trustees and filed with the secretary and allowed only by the affirmative vote of the full board.

The board of trustees shall be vested with authority to provide for the management, control, and government of the city hospital or health care facility established as permitted by this section, and shall provide all needed rules for the economic conduct thereof and shall annually prepare a condensed statement of the total receipts and expenditures for the hospital or health care facility and cause the same to be published in a newspaper of general circulation in the city in which the hospital or health care facility is located. In the management of the hospital or health care facility no discrimination shall be made against practitioners of any school of medicine recognized by the laws of the state.

As a part of the board's authority it may accept property by gift, devise, bequest or otherwise; and, if the board deems it advisable, may, at public sale, sell or exchange any property so accepted upon a concurring vote of a majority of all members of the board of trustees, and apply the proceeds thereof, or property received in exchange therefor, to any legitimate hospital or health care facility purpose.

The trustees may in their discretion establish a fund for depreciation as a separate fund. Said funds may be invested in United States government bonds and when so invested the accumulation of interest on the bonds so purchased shall be used for the purposes of the depreciation fund; an investment when so made shall remain in United States government bonds until such time as in the judgment of the board of trustees it is deemed advisable to use the funds for hospital or health care facility purposes.

Boards of trustees of institutions provided for in this section are granted all of the powers and duties necessary for the management, control and government of the institutions, specifically including but not limited to any applicable powers and duties granted boards of trustees under other provisions of the Code relating to hospitals, nursing homes, and custodial homes irrespective of the chapter of the Code under which such institutions are established, organized, operated or maintained. **392.7 Prior agencies.** Except as otherwise provided in this chapter, an administrative agency established by a city shall continue with the same powers and duties until altered or discontinued as provided in this section. The council may by ordinance reduce or increase an administrative agency's power and duties, or may transfer powers and duties from one agency to another. The council may discontinue an administrative agency by adopting a resolution proposing the action, and publishing notice as provided in section 362.3, of the resolution and of a date, time and place of a public hearing on the proposal, and may discontinue the agency by ordinance or amendment not sooner than thirty days following the hearing. - 394.1 Authority to issue bonds—taxes.
- 394.2 Question submitted to voters.

- 394.3 Tax for operating zoo.
- 394.4 Contracts with other cities—election.

**394.1 Authority to issue bonds—taxes.** Cities are hereby authorized to contract indebtedness and to issue general obligation bonds to provide funds to pay the cost of opening, establishing, constructing, improving, extending or remodeling of a zoo or zoological garden and to construct, reconstruct or repair any such improvement and to pay the cost of land needed for any of said purposes.

Taxes for the payment of said bonds shall be levied in accordance with chapter 76, and said bonds shall be payable through the debt service fund in not more than twenty years, and bear interest at a rate not exceeding that permitted by chapter 74A, and shall be of such form as the city council shall by resolution provide, but no city shall become indebted in excess of five percent of the actual value of the taxable

property within said city, as shown by the last preceding state and county tax lists. The indebtedness incurred for the purpose provided in this section shall not be considered an indebtedness incurred for general or ordinary purposes.

This section shall be construed as granting additional power without limiting the power already existing in cities.

The provisions of this section shall be applicable to all municipal corporations regardless of form of government or manner of incorporation. [C75, 77, 79,§394.1; 68GA, ch 1025,§60]

**394.2 Question submitted to voters.** It shall not be necessary to submit to the voters the proposition of issuing bonds for refunding purposes, but prior to the

issuance of bonds for other purposes the council shall submit to the voters of the city at a general election or a regular municipal election the proposition of issuing the bonds. Notice of the election on the proposition of issuing bonds shall be published as required by section 49.53. The notice shall also state whether or not an admission fee is to be charged by the zoo or zoological gardens.

Bonds issued pursuant to the provisions of this chapter shall be sold by the council in the manner prescribed by chapter 75; however, refunding bonds may either be sold and the proceeds applied to the payment of the bonds to be refunded, or the refunding bonds may be issued in exchange for the bonds being refunded upon their surrender and cancellation. [C75, 77, 79, §394.2]

**394.3 Tax for operating zoo.** A city establishing or having established a zoo or zoological garden may authorize not to exceed a levy of twenty-seven cents per thousand dollars of assessed valuation on all taxable property within the corporation for the purpose of paying the costs of operating, maintaining and managing a zoo or zoological garden. The levy shall be subject to cumulative levy limitations otherwise provided by law unless said levy shall have been submitted to and approved by the voters of said city. [C75, 77, 79, §394.3]

**394.4 Contracts with other cities—election.** Contracts may be made between any city establishing or having established a zoo or zoological garden and any other city or county, but a county may contract only with respect to residents outside of any city, for the use of such zoo or zoological garden or any extension service thereof by its residents, and for the levy of a tax in support thereof. Such contracts shall provide for the rate of tax to be levied during the term thereof, not exceeding twenty-seven cents per thousand dollars of assessed valuation. Said contracts may be submitted to the voters of either city and shall not be subject to termination if approved by the voters of both parties.

If not so approved, such contracts may be modified by mutual consent or may be terminated by the voters of either party thereto.

Any such tax shall be subject to cumulative levy limitations applicable generally to the contracting parties unless the contract shall have been approved by the voters.

Any election held hereunder may be held upon notice and in any manner provided by law applicable to the contracting party with respect to elections upon special public propositions; provided that it shall not be necessary to set out the contract provisions in full as a part of the ballot. **400.2 Qualifications.** The commissioners must be citizens of Iowa, eligible electors as defined in chapter 39, and residents of the city for more than five years next preceding their appointment, and shall serve without compensation. No person while on said commission, shall hold or be a candidate for any office of public trust. Provided, this section notwithstanding, when a human rights commission has been established by any city, the director thereof shall ex

officio be a member, without vote, of the civil service commission.

Civil service commissioners shall not buy from, sell to, or in any manner become parties, directly, to any contract to furnish supplies, material, or labor to the city in which they are commissioners. A violation of this conflict of interest provision is a simple misdemeanor. [SS15,§1056-a32; C24, 27, 31, 35, 39,§5690; C46, 50, 54, 58, 62, 66, 71, 73,§365.2; C75, 77, 79,§400.2]

**400.3 Optional appointment of commission—abolishing commission.** In cities having a population of less than eight thousand, the city council may, by ordinance, adopt the provisions of this chapter in which case it shall either appoint such commission or provide, by ordinance, for the exercise of the powers and performance of the duties of the commission by the council. Where the city council exercises the powers of the commission the term "commission" as used in this chapter shall mean the city council.

Whenever the city council appoints a commission, it may, by ordinance, abolish it, and the commission shall stand abolished sixty days from the date of the ordinance and the powers and duties of the commission shall revert to the city council except whenever a

city having a population of less than eight thousand provides for the appointment of a civil service commission, it may by ordinance abolish such office, but said ordinance shall not take effect until it has been submitted to the voters at a regular municipal election and approved by a majority of the voters at such election. The ordinance shall be published once each week for two consecutive weeks preceding the date of said election in a newspaper published in and having a general circulation in said city. In the event there is no newspaper published in such city, publication may be made in any newspaper having general circulation in the county. [SS15,§1056-a32; C24, 27, 31, 35, 39,§5691; C46, 50, 54, 58, 62, 66, 71, 73,§365.3; C75, 77, 79,§400.3]

**400.4 Chairman—clerk—records.** The chairman of the commission for each biennial period shall be the member whose term first expires. In cities having a population of more than seventy-five thousand the commission shall appoint an employee in the city clerk's office who is employed under the provisions of this chapter to be clerk of the commission and his duties as such clerk shall have precedence over any additional duties of his regular employment. In all other cities the city clerk shall be clerk of the commission.

The civil service commission shall keep a record of all its meetings and also a complete individual service record of each civil service employee which record shall be permanent and kept up to date.

When duly certified by the clerk of the commission copies of all records and entries or papers pertaining to said record shall be admissible in evidence with the same force and effect as the originals. [SS15,§1056-a32; C24, 27, 31, 35, 39,§5692; C46, 50, 54, 58, 62, 66, 71, 73,§365.4; C75, 77, 79,§400.4]

**400.5 Rooms and supplies.** The council shall provide suitable rooms in which the commission may hold its meetings and supply the commission with all necessary equipment and a qualified shorthand reporter to enable it properly to perform its duties. [SS15,§1056-a32; C24, 27, 31, 35, 39,§5693; C46, 50, 54, 58, 62, 66, 71, 73,§365.5; C75, 77, 79,§400.5]

**400.6 Applicability—exceptions.**

**400.8 Original entrance examination—appointments.**

1. The commission shall at such times as shall be found necessary under such rules, including minimum and maximum age limits, as shall be prescribed and published in advance by the commission and posted in the city hall, hold examinations for the purpose of determining the qualifications of applicants for positions under civil service, other than promotions, which examinations shall be practical in character and shall relate to such matters as will fairly test the mental and physical ability of the applicant to discharge the duties of the position to which the applicant seeks appointment. Provided, however, that such physical examination of applicants for appointment to the positions of policeman, policewoman, police matron or fire fighter shall be held under the direc-

tion of and as specified by the boards of trustees of the fire or police retirement systems established by section 411.5. An applicant shall not be discriminated against on the basis of height, weight, sex, or race in determining physical or mental ability of the applicant. Reasonable rules relating to strength, agility, and general health of applicants shall be prescribed. The costs of the physical examination required under this subsection shall be paid from the trust and agency fund of the city.

2. The commission shall establish the guidelines for conducting the examinations under subsection 1 of this section. It may prepare and administer the examinations or may hire persons with expertise to do so if the commission approves the examinations. It may also hire persons with expertise to consult in the preparation of such examinations if the persons so hired are employed to aid personnel of the commission in assuring that a fair examination is conducted. A fair examination shall explore the competence of the applicant in the particular field of examination.

3. All appointments to such positions shall be conditional upon a probation period of not to exceed six months, and in the case of police patrolmen and firemen a probation period not to exceed twelve months, during which time the appointee may be removed or discharged from such position by the appointing person or body without the right of appeal to the commission. A person removed or discharged during a probationary period shall, at the time of discharge, be given a notice in writing stating the reason or reasons for the dismissal. A copy of such notice shall be promptly filed with the commission. Continuance in the position after the expiration of such probationary period shall constitute a permanent appointment. #### 400.9 Promotional examinations—promotions.

1. The commission shall, at such times as shall be found necessary, under such rules as shall be prescribed and published in advance by the commission, and posted in the city hall, hold competitive promotional examinations for the purpose of determining the qualifications of applicants for promotion to a higher grade under civil service, which examinations shall be practical in character, and shall relate to such matters as will fairly test the ability of the applicant to discharge the duties of the position to which he seeks promotion.

2. The commission shall establish guidelines for conducting the examinations under subsection 1. It may prepare and administer the examinations or may hire persons with expertise to do so if the commission approves the examinations and if the examinations apply to the position in the city for which the applicant is taking the examination. It may also hire persons with expertise to consult in the preparation of such examinations if the persons so hired are employed to aid personnel of the commission in assuring that a fair examination is conducted. A fair examination shall explore the competence of the applicant in the particular field of examination.

3. Hereafter, all vacancies in the civil service grades above the lowest in each shall be filled by promotion of subordinates when such subordinates qual-

ify as eligible, and when so promoted, they shall hold such position with full civil service rights in the position. If, however, a current employee does not pass one of two successive promotional examinations and otherwise qualify for the vacated position, an entrance examination for the vacated position may be used to fill it. [C31, 35,§5696-d1; C39,§5696.1; C46, 50, 54, 58, 62, 66, 71, 73,§365.9; C75, 77, 79,§400.9]

If a tie occurs in the examination scores which would qualify persons for the tenth position on the list, the list of the names of the persons who qualify with the highest standing as a result of each examination shall include all persons who qualify for the tenth position. Preference for temporary service in civil service positions shall be given those on such lists.

In cities of fifty thousand or more population, the commission shall hold in reserve a second list of the ten persons next highest in standing, in order of their grade, or such number as may qualify and, thereafter, if the list of ten persons provided in the first paragraph hereof be exhausted within one year, may certify such second list of persons to the council as eligible for appointment to fill such vacancies as may exist.

Except where such preferred list exists, persons on the certified eligible list for promotion shall hold preference for promotion two years following the date of certification, after which said lists shall be canceled and no promotion to such grade shall be made until a new list has been certified eligible for promotion.

When there is no such preferred list or certified eligible list, or when the eligible list shall be exhausted, the person or body having the appointing power may temporarily fill a newly created office or other vacancy only until an examination can be held and the names of qualified persons be certified by the commission, and such temporary appointments are hereby limited to ninety days for any one person in the same vacancy, but such limitation shall not apply to persons temporarily acting in positions regularly held by another. Any person temporarily filling a vacancy in a position of higher grade for twenty days or more, shall receive the salary paid in such higher grade. In the event that an employee has been promoted from one classification or grade to another, his civil service seniority rights shall be continuous in any department grade or classification that he formerly held.

A list of all civil service employees shall be prepared and posted in the city hall by the civil service commission on or before July 1 of each year, indicating the civil service standing of each employee as to his seniority. If a chief of a police or fire department is relieved of that position, he shall be entitled to remain in the department for which he was chief at a position commensurate with his civil service status, even if this means that the city must create a position for him to fill until a regular position becomes vacant.

In cities under the city manager plan the city manager shall make such appointments with the approval of the city council, and in all other cities such appointments shall be made by the mayor. **403.1 Title.** This chapter shall be known and may be cited as the "urban renewal law." [C58, 62, 66, 71, 73, 75, 77, 79,§403.1]

**403.2 Declaration of policy.**

1. It is hereby found and declared that there exist in municipalities of the state slum and blighted areas, as herein defined, which constitute a serious and growing menace, injurious to the public health, safety, morals and welfare of the residents of the state;

that the existence of such areas contributes substantially and increasingly to the spread of disease and crime, constitutes an economic and social liability imposing onerous municipal burdens which decrease the tax base and reduce tax revenues, substantially impairs or arrests the sound growth of municipalities, retards the provision of housing accommodations, aggravates traffic problems and substantially impairs or arrests the elimination of traffic hazards and the

improvement of traffic facilities; and that the prevention and elimination of slums and blighted areas is a matter of state policy and state concern in order that the state and its municipalities shall not continue to be endangered by areas which are focal centers of disease, promote juvenile delinquency and consume an excessive proportion of state revenues because of the extra services required for police, fire, accident, hospitalization and other forms of public protection, services and facilities.

2. It is further found and declared that certain slum or blighted areas, or portions thereof, may require acquisition, clearance, and disposition subject to use restrictions, as provided in this chapter, since the prevailing condition of decay may make impracticable the reclamation of the area by conservation or rehabilitation; that other areas or portions thereof may, through the means provided in this chapter, be susceptible of conservation or rehabilitation in such a manner that the conditions and evils hereinbefore enumerated may be eliminated, remedied or prevented; and that fringe areas can be conserved and rehabilitated through appropriate public action as herein authorized, and through the co-operation and voluntary action of the owners and tenants of property in such areas.

3. It is further found and declared that the powers conferred by this chapter are for public uses and purposes for which public money may be expended and for which the power of eminent domain and police power exercised; and that the necessity in the public interest for the provisions herein enacted is hereby declared as a matter of legislative determination. [C58, 62, 66, 71, 73, 75, 77, 79, §403.2]

**403.3 Municipal program.** The local governing body of a municipality may formulate for the municipality a workable program for utilizing appropriate private and public resources to eliminate slums and prevent the development or spread of slums and urban blight and to encourage needed urban rehabilitation. Such workable program may include, without limitation, provisions for:

1. The prevention of the spread of blight into areas of the municipality which are free from blight, through diligent enforcement of housing, zoning and occupancy controls and standards.

2. The rehabilitation or conservation of slum or blighted areas or portions thereof by replanning, by removing congestion, by providing parks, playgrounds and other public improvements, by encouraging voluntary rehabilitation and by compelling the repair and rehabilitation of deteriorated or deteriorating structures.

3. The clearance of slum and blighted areas or portions thereof.

4. The redevelopment of slum and blighted areas by approval of urban renewal plans. [C58, 62, 66, 71, 73, 75, 77, 79, §403.3]

Referred to in §403 14(2, d)

**403.4 Resolution of necessity.** No municipality shall exercise the authority herein conferred upon municipalities by this chapter until after its local governing body shall have adopted a resolution finding that:

1. One or more slum or blighted areas exist in such municipality.

2. The rehabilitation, conservation, redevelopment, or a combination thereof, of such area or areas is necessary in the interest of the public health, safety, morals or welfare of the residents of such municipality. [C58, 62, 66, 71, 73, 75, 77, 79, §403.4]

Referred to in §403 14(2, e), 403 15(1)

#### 403.5 Urban renewal plan.

1. A municipality shall not approve an urban renewal project for an urban renewal area unless the governing body has, by resolution, determined such area to be a slum area or a blighted area or a combination thereof, and designated such area as appropriate for an urban renewal project. The local governing body shall not approve an urban renewal plan until a general plan for the municipality has been prepared. For this purpose and other municipal purposes, authority is hereby vested in every municipality to prepare, to adopt and to revise from time to time, a general plan for the physical development of the municipality as a whole, giving due regard to the environs and metropolitan surroundings. A municipality shall not acquire real property for an urban renewal project unless the local governing body has approved the urban renewal project in accordance with subsection 4 hereof.

2. The municipality may itself prepare or cause to be prepared an urban renewal plan; or any person or agency, public or private, may submit such a plan to a municipality. Prior to its approval of an urban renewal project, the local governing body shall submit such plan to the planning commission of the municipality, if any, for review and recommendations as to its conformity with the general plan for the development of the municipality as a whole. The planning commission shall submit its written recommendations with respect to the proposed urban renewal plan to the local governing body within thirty days after receipt of the plan for review. Upon receipt of the recommendations of the planning commission or, if no recommendations are received within said thirty days, then, without such recommendations, the local governing body may proceed with the hearing on the proposed urban renewal project prescribed by subsection 3 hereof.

3. The local governing body shall hold a public hearing on an urban renewal project after public notice thereof by publication in a newspaper having a general circulation in the area of operation of the municipality. The notice shall describe the time, date, place and purpose of the hearing, shall generally identify the urban renewal area covered by the plan, and shall outline the general scope of the urban renewal project under consideration.

4. Following such hearing, the local governing body may approve an urban renewal project if it finds that:

a. A feasible method exists for the location of families who will be displaced from the urban renewal area into decent, safe and sanitary dwelling accommodations within their means and without undue hardship to such families;

b. The urban renewal plan conforms to the general plan of the municipality as a whole; provided,

that if the urban renewal area consists of an area of open land to be acquired by the municipality, such area shall not be so acquired except:

(1) If it is to be developed for residential uses, the local governing body shall determine that a shortage of housing of sound standards and design with decency, safety and sanitation exists in the municipality; that the need for housing accommodations has been or will be increased as a result of the clearance of slums in other areas, including other portions of the urban renewal area; that the conditions of blight in the area and the shortage of decent, safe and sanitary housing cause or contribute to an increase in and spread of disease and crime, and constitute a menace to the public health, safety, morals, or welfare; and that the acquisition of the area for residential uses is an integral part of and essential to the program of the municipality.

(2) If it is to be developed for nonresidential uses, the local governing body shall determine that such nonresidential uses are necessary and appropriate to facilitate the proper growth and development of the community in accordance with sound planning standards and local community objectives. The acquisition may require the exercise of governmental action, as provided in this chapter, because of defective or unusual conditions of title, diversity of ownership, tax delinquency, improper subdivisions, outmoded street patterns, deterioration of site, economic disuse, unsuitable topography or faulty lot layouts, or because of the need for the correlation of the area with other areas of a municipality by streets and modern traffic requirements, or any combination of such factors or other conditions which retard development of the area.

Referred to in §403 14(2, e), 403 17(9)

5. An urban renewal plan may be modified at any time: Provided, that if modified after the lease or sale by the municipality of real property in the urban renewal project area, such modification may be conditioned upon such approval of the owner, lessee or successor in interest as the municipality may deem advisable, and in any event such modification shall be subject to such rights at law or in equity as a lessee or purchaser, or his successor or successors in interest, may be entitled to assert.

6. Upon the approval by a municipality of an urban renewal plan or of any modification thereof, such plan or modification shall be deemed to be in full force and effect for the respective urban renewal area, and the municipality may then cause such plan or modification to be carried out in accordance with its terms.

7. Notwithstanding any other provisions of this chapter, where the local governing body certifies that an area is in need of redevelopment or rehabilitation as a result of a flood, fire, hurricane, earthquake, storm, or other catastrophe respecting which the governor of the state has certified the need for disaster assistance under Public Law 875, Eighty-first Congress, [64 Stat. L. 1109; 42 U.S.C. §1855-1855g] or other federal law, the local governing body may approve an urban renewal plan and an urban renewal project with respect to such area without regard to

the provisions of subsection 4 of this section and without regard to provisions of this section requiring a general plan for the municipality and a public hearing on the urban renewal project. [C58, 62, 66, 71, 73, 75, 77, 79, §403.5]

Referred to in §403 14(2, e), 403.17(9, 12(a))

**403.6 Powers of municipality.** Every municipality shall have all the powers necessary or convenient to carry out and effectuate the purposes and provisions of this chapter, including the following powers in addition to others herein granted:

1. To undertake and carry out urban renewal projects within its area of operation; and to make and execute contracts and other instruments necessary or convenient to the exercise of its powers under this chapter; and to disseminate slum clearance and urban renewal information.

2. 3. Within its area of operation, to enter into any building or property in any urban renewal area in order to make inspections, surveys, appraisals, soundings or test borings, and to obtain an order for this purpose from a court of competent jurisdiction in the event entry is denied or resisted; to acquire by purchase, lease, option, gift, grant, bequest, devise, eminent domain or otherwise, any real property, or personal property for administrative purposes, together with any improvements thereon; to hold, improve, clear or prepare for redevelopment any such property; to mortgage, pledge, hypothecate or otherwise encumber or dispose of any real property; to insure or provide for the insurance of any real or personal property or operations of the municipality against any risks or hazards, including the power to pay premiums on any such insurance; and to enter into any contracts necessary to effectuate the purposes of this chapter: Provided, however, that no statutory provision with respect to the acquisition, clearance or disposition of property by public bodies shall restrict a municipality or other public body exercising powers hereunder in the exercise of such functions with respect to an urban renewal project, unless the legislature shall specifically so state.

4. To invest any urban renewal project funds held in reserves or sinking funds, or any such funds not required for immediate disbursement, in property or securities in which a state bank may legally invest funds subject to its control; to redeem such bonds as have been issued pursuant to section 403.9 at the redemption price established therein, or to purchase

such bonds at less than redemption price, all such bonds so redeemed or purchased to be canceled.

5. To borrow money and to apply for and accept advances, loans, grants, contributions and any other form of financial assistance from the federal government, the state, county, or other public body, or from any sources, public or private, for the purposes of this chapter, and to give such security as may be required, and to enter into and carry out contracts in connection therewith. A municipality may include in any contract, for financial assistance with the federal government for an urban renewal project, such conditions imposed pursuant to federal laws as the municipality may deem reasonable and appropriate and which are not inconsistent with the purposes of the chapter.

6. Within its area of operation, to make or have made all surveys and planning necessary to the carrying out of the purposes of this chapter, and to contract with any person in making and carrying out of such planning, and to adopt or approve, modify and amend such planning. Such planning may include, without limitation:

- a. A general plan for the locality as a whole;
- b. Urban renewal plans;
- c. Preliminary plans outlining urban renewal activities for neighborhoods to embrace two or more urban renewal areas;
- d. Planning for carrying out a program of voluntary or compulsory repair and rehabilitation of buildings and improvements;
- e. Planning for the enforcement of state and local laws, codes and regulations relating to the use of land and the use and occupancy of buildings and improvements and to the compulsory repair, rehabilitation, demolition, or removal of buildings and improvements;
- f. Appraisals, title searches, surveys, studies, and other planning and work necessary to prepare for the undertaking of urban renewal projects. The municipality is authorized to develop, test, and report methods and techniques, and carry out demonstrations and other activities, for the prevention and the elimination of slums and urban blight and to apply for, accept and utilize grants of funds from the federal government for such purposes.

7. To plan for the relocation of persons, including families, business concerns and others, displaced by an urban renewal project, and to make relocation payments to or with respect to such persons for moving expenses and losses of property for which reimbursement or compensation is not otherwise made, including the making of such payments financed by the federal government.

8. To appropriate such funds and make such expenditures as may be necessary to carry out the purposes of this chapter, and to levy taxes and assessments for such purposes; to zone or rezone any part of the municipality or make exceptions from building regulations; and to enter into agreements, respecting action to be taken by such municipality pursuant to any of the powers granted by this chapter, with an urban renewal agency vested with urban renewal project powers under section 403.14, which agree-

ments may extend over any period, notwithstanding any provision of rule of law to the contrary.

Referred to in §403 14(2,g)

9. To close, vacate, plan or replan streets, roads, sidewalks, ways or other places; and to plan or replan any part of the municipality.

10. Within its area of operation, to organize, coordinate and direct the administration of the provisions of this chapter as they apply to such municipality in order that the objective of remedying slum and blighted areas, and preventing the causes thereof, within such municipality, may be most effectively promoted and achieved; and to establish such new office or offices of the municipality, or to reorganize existing offices, in order to carry out such purpose most effectively.

11. To exercise all or any part of combination of powers herein granted.

12. To approve urban renewal plans.

13. To sell and convey real property in furtherance of an urban renewal project.

14. To supplement the rent required to be paid by any family residing in the municipality forced to relocate by reason of any governmental activity, provided it is necessary to do so in order to house such family in decent, safe and sanitary housing and provided further that such family does not have sufficient means, as determined by the municipality, to pay the required rent for such housing. Any such rent supplement for any such family shall not continue for more than five years.

15. To acquire by purchase, gift or condemnation real property within its area of operation for the relocation of railroad passenger and freight depots, tracks, and yard and other railroad facilities and to sell or exchange and convey such real property to railroads.

16. To acquire or dispose of by purchase, construction, or lease, or otherwise to deal in air rights, and facilities or easements for lateral or vertical support of land or structures of any kind. [C58, 62, 66, 71, 73, 75, 77, 79, §403.6]

Referred to in §403 14(2, g)

**403.7 Condemnation of property.** A municipality shall have the right to acquire by condemnation any interest in real property, including a fee simple title thereto, which it may deem necessary for or in connection with an urban renewal project under this chapter. A municipality may exercise the power of eminent domain in the manner provided in chapter 472, and acts amendatory thereof or supplementary thereto, or it may exercise the power of eminent domain in the manner now or which may be hereafter provided by any other statutory provisions for the exercise of the power of eminent domain. Property already devoted to a public use may be acquired in like manner: Provided, that no real property belonging to the state, or any political subdivision thereof, may be acquired without its consent, provided further that no real property or any right or interest therein owned by any public utility company, pipeline company, railway or transportation company vested with the right of eminent domain under the laws of this state, shall be acquired without the consent of such

company, or without first securing, after due notice to such company and after hearing, a certificate authorizing condemnation of such property from the board, commission or body having the authority to grant a certificate authorizing condemnation. [C58, 62, 66, 71, 73, 75, 77, 79, §403.7]

#### 403.8 Sale or lease of property.

1. A municipality may sell, lease or otherwise transfer real property or any interest therein acquired by it, and may enter into contracts for such purposes, in an urban renewal area for residential, recreational, commercial, industrial or other uses, or for public use, subject to such covenants, conditions and restrictions, including covenants running with the land, as it may deem to be necessary or desirable to assist in preventing the development or spread of future slums or blighted areas, or to otherwise carry out the purposes of this chapter. Provided, that such sale, lease, other transfer, or retention, and any agreement relating thereto, may be made only after the approval of the urban renewal plan by the local governing body. The purchasers or lessees and their successors and assigns shall be obligated to devote such real property only to the uses specified in the urban renewal plan, and they may be obligated to comply with such other requirements as the municipality may determine to be in the public interest, including the obligation to begin within a reasonable time any improvements on such real property required by the urban renewal plan. Such real property or interest shall be sold, leased, otherwise transferred, or retained at not less than its fair value for uses in accordance with the urban renewal plan. In determining the fair value of real property for uses in accordance with the urban renewal plan, a municipality shall take into account and give consideration to: The uses provided in such plan; the restrictions upon, and the covenants, conditions and obligations assumed by the purchaser or lessee or by the municipality retaining the property; and the objectives of such plan for the prevention of the recurrence of slum or blighted areas. The municipality in any instrument of conveyance to a private purchaser or lessee may provide that such purchaser or lessee shall be without power to sell, lease or otherwise transfer the real property, without the prior written consent of the municipality, until he has completed the construction of any or all improvements which he has obligated himself to construct thereon. Real property acquired by a municipality which, in accordance with the provisions of the urban renewal plan, is to be transferred, shall be transferred as rapidly as feasible in the public interest, consistent with the carrying out of the provisions of the urban renewal plan. Any contract for such transfer under the urban renewal plan, or such part or parts of such contract or plan as the municipality may determine, may be recorded in the land records of the county in such manner as to afford actual or constructive notice thereof.

2. A municipality may dispose of real property in an urban renewal area to private persons only under such reasonable competitive bidding procedures as it shall prescribe, or as hereinafter provided in this subsection. A municipality, by public notice by publication in a newspaper having a general circulation in

the community, thirty days prior to the execution of any contract to sell, lease or otherwise transfer real property, and prior to the delivery of any instrument of conveyance with respect thereto under the provisions of this section, may invite proposals from and make available all pertinent information to any persons interested in undertaking to redevelop or rehabilitate an urban renewal area, or any part thereof. Such notice shall identify the area, or portion thereof, and shall state that proposals shall be made by those interested within thirty days after the date of publication of said notice, and that such further information as is available may be obtained at such office as shall be designated in said notice. The municipality shall consider all such redevelopment or rehabilitation proposals, and the financial and legal ability of the persons making such proposals to carry them out, and the municipality may negotiate with any persons for proposals concerning the purchase, lease or other transfer of any real property acquired by the municipality in the urban renewal area. The municipality may accept such proposal as it deems to be in the public interest and in furtherance of the purposes of this chapter: Provided, that a notification of intention to accept such proposal shall be filed with the governing body not less than thirty days prior to any such acceptance. Thereafter, the municipality may execute such contract in accordance with the provisions of subsection 1 of this section and may deliver deeds, leases and other instruments and may take all steps necessary to effectuate such contract.

3. A municipality may temporarily operate and maintain real property acquired in an urban renewal area pending the disposition of the property as authorized in this chapter, without regard to the provisions of subsection 1 above, for such uses and purposes as may be deemed desirable, even though not in conformity with the urban renewal plan. [C58, 62, 66, 71, 73, 75, 77, 79, §403.8]

See ch 403A

The municipality shall have power to issue refunding bonds for the payment or retirement of such bonds previously issued by it. Said bonds shall be payable solely from the income and proceeds of the fund and portion of taxes referred to in subsection 2 of section 403.19, and revenues and other funds of the municipality derived from or held in connection with the undertaking and carrying out of urban renewal projects under this chapter. The municipality may pledge to the payment of the bonds the fund and portion of taxes referred to in subsection 2 of section 403.19, and may further secure the bonds by a pledge of any loan, grant or contribution from the federal government or other source in aid of any urban renewal projects of the municipality under this chapter, or by a mortgage of any such urban re-

newal projects, or any part thereof, title which is vested in the municipality.

2. Bonds issued under this section shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction, and shall not be subject to the provisions of any other law or charter relating to the authorization, issuance or sale of bonds. Bonds issued under the provisions of this chapter are declared to be issued for an essential public and governmental purpose and, together with interest thereon and income therefrom, shall be exempted from all taxes.

3. Bonds issued under this section shall be authorized by resolution or ordinance of the local governing body and may be issued in one or more series and shall bear such date or dates, be payable upon demand or mature at such time or times, bear interest at such rate or rates not exceeding that permitted by chapter 74A be in such denomination or denominations, be in such form either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in such medium of payment, at such place or places, and be subject to such terms of redemption, with or without premium, be secured in such manner, and have such other characteristics, as may be provided by such resolution or trust indenture or mortgage issued pursuant thereto.

4. Such bonds may be sold at not less than par at public or private sale, or may be exchanged for other bonds on the basis of par.

5. In case any of the public officials of the municipality whose signatures appear on any bonds or coupons issued under this chapter shall cease to be such officials before the delivery of such bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if such officials had remained in office until such delivery. Any provision of any law to the contrary notwithstanding, any bonds issued pursuant to this chapter shall be fully negotiable.

6. In any suit, action or proceeding involving the validity or enforceability of any bond issued under this chapter or the security therefor, any such bond reciting in substance that it has been issued by the municipality in connection with an urban renewal project, as herein defined, shall be conclusively deemed to have been issued for such purpose and such project shall be conclusively deemed to have been planned, located and carried out in accordance with the provisions of this chapter. [C58, 62, 66, 71, 73, 75, 77, 79, §403.9; 68GA, ch 1025, §61]

Referred to in §403.6(4), 403.12(5), 403.19

with urban renewal project powers under section 403.14: Provided, that such bonds and other obligations shall be secured by an agreement between the issuer and the federal government, in which the issuer agrees to borrow from the federal government and the federal government agrees to lend to the issuer, prior to the maturity of such bonds or other obligations, moneys in an amount which, together with any other moneys irrevocably committed to the payment of interest on such bonds or other obligations, will suffice to pay the principal of such bonds or other obligations with interest to maturity thereon, which moneys under the terms of said agreement are required to be used for the purpose of paying the principal of and the interest on such bonds or other obligations at their maturity. Such bonds and other obligations shall be authorized security for all public deposits. It is the purpose of this section to authorize any persons, political subdivisions and officers, public or private, to use any funds owned or controlled by them for the purchase of any such bonds or other obligations. Nothing contained in this section with regard to legal investments shall be construed as relieving any person of any duty of exercising reasonable care in selecting securities. [C58, 62, 66, 71, 73, 75, 77, 79, §403.10]

#### **403.11 Exemptions from legal process.**

1. All property of a municipality, including funds, owned or held by it for the purposes of this chapter shall be exempt from levy and sale by virtue of an execution; and no execution or other judicial process shall issue against the same; nor shall judgment against a municipality be a charge or lien upon such property: Provided, however, that the provisions of this section shall not apply to or limit the right of obligees to pursue any remedies for the enforcement of any pledge or lien given pursuant to this chapter by a municipality on its rents, fees, grants or revenues from urban renewal projects.

project shall not be construed as a limitation of the existing powers of cities. [C58, 62, 66, 71, 73, 75, 77, 79, §403.12]

**403.13 Presumption of title.** Any instrument executed by a municipality and purporting to convey any right, title or interest in any property under this chapter shall be conclusively presumed to have been executed in compliance with the provisions of this chapter insofar as title or other interest of any bona fide purchasers, lessees or transferees of such property is concerned. [C58, 62, 66, 71, 73, 75, 77, 79, §403.13]

**403.14 Urban renewal agency powers.**

1. A municipality may itself exercise its urban renewal project powers, as herein defined, or may, if the local governing body by resolution determines such action to be in the public interest, elect to have such powers exercised by the urban renewal agency, if one exists or is subsequently established in the community. In the event the local governing body makes such determination, the urban renewal agency shall be vested with all of the urban renewal project powers in the same manner as though all such powers were conferred on such agency instead of the municipality. If the local governing body does not elect to make such determination, the municipality in its discretion may exercise its urban renewal project powers through a board or commissioner, or through such officers of the municipality as the local governing body may by resolution determine.

2. As used in this section, the term "urban renewal project powers" shall include the rights, powers, functions and duties of a municipality under this chapter, except the following:

a. The power to determine an area to be a slum or blighted area or combination thereof and to designate such area as appropriate for an urban renewal project and to hold any public hearings required with respect thereto;

b. The power to approve urban renewal plans and modifications thereof;

c. The power to establish a general plan for the locality as a whole;

d. The power to formulate a workable program under section 403.3;

e. The power to make the determinations and findings provided for in section 403.4, and section 403.5, subsection 4;

f. The power to issue general obligation bonds;

g. The power to appropriate funds, to levy taxes and assessments, and to exercise other powers provided for in section 403.6, subsection 8. [C58, 62, 66, 71, 73, 75, 77, 79, §403.14]

Referred to in §403.6(8), 403.10, 403.12(2), 403.15(1), 403.16

**403.15 Agency created.**

1. There is hereby created in each municipality a public body corporate and politic to be known as the "urban renewal agency" of the municipality: Provided, that such agency shall not transact any business or exercise its powers hereunder until or unless the local governing body has made the finding prescribed in section 403.4, and has elected to have the urban re-

newal project powers exercised by an urban renewal agency as provided in section 403.14.

2. If the urban renewal agency is authorized to transact business and exercise powers hereunder, the mayor, by and with the advice and consent of the local governing body, shall appoint a board of commissioners of the urban renewal agency, which board shall consist of five commissioners. The term of office of each such commissioner shall be one year.

3. A commissioner shall receive no compensation for his services, but he shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of his duties. Each commissioner shall hold office until his successor has been appointed and has qualified. A certificate of the appointment or reappointment of any commissioner shall be filed with the clerk of the municipality, and such certificate shall be conclusive evidence of the due and proper appointment of such commissioner.

4. The powers of an urban renewal agency shall be exercised by the commissioners thereof. A majority of the commissioners shall constitute a quorum for the purpose of conducting business and exercising the powers of the agency, and for all other purposes. Action may be taken by the agency upon a vote of a majority of the commissioners present, unless in any case the bylaws shall require a larger number. Any persons may be appointed as commissioners if they reside within the area of operation of the agency, which area shall be conterminous with the area of operation of the municipality, and if they are otherwise eligible for such appointments under this chapter.

5. The mayor shall designate a chairman and vice chairman from among the commissioners. An agency may employ an executive director, technical experts and such other agents and employees, permanent and temporary, as it may require, and the agency may determine their qualifications, duties and compensation. For such legal service as it may require, an agency may employ or retain its own counsel and legal staff. An agency authorized to transact business and exercise powers under this chapter shall file, with the local governing body, on or before September 30 of each year, a report of its activities for the preceding fiscal year, which report shall include a complete financial statement setting forth its assets, liabilities, income and operating expense as of the end of such fiscal year. At the time of filing the report, the agency shall publish in a newspaper of general circulation in the community a notice to the effect that such report has been filed with the municipality, and that the report is available for inspection during business hours in the office of the city clerk and in the office of the agency.

6. For inefficiency, or neglect of duty, or misconduct in office, a commissioner may be removed only after a hearing, and after he shall have been given a copy of the charges at least ten days prior to such hearing, and after he shall have had an opportunity to be heard in person or by counsel. [C58, 62, 66, 71, 73, 75, 77, 79, §403.15]

Referred to in §403.17(1)

**403.16 Personal interest prohibited.** No public official or employee of a municipality, or board or commission thereof, and no commissioner or employee of

an urban renewal agency, which has been vested by a municipality with urban renewal project powers under section 403.14, shall voluntarily acquire any personal interest, as hereinafter defined, whether direct or indirect, in any urban renewal project, or in any property included or planned to be included in any urban renewal project of such municipality, or in any contract or proposed contract in connection with such urban renewal project. Where such acquisition is not voluntary, the interest acquired shall be immediately disclosed in writing to the local governing body, and such disclosure shall be entered upon the minutes of the governing body. If any such official, commissioner or employee presently owns or controls, or has owned or controlled within the preceding two years, any interest, as hereinafter defined, whether direct or indirect, in any property which he knows is included or planned to be included in an urban renewal project, he shall immediately disclose this fact in writing to the local governing body, and such disclosure shall be entered upon the minutes of the governing body; and any such official, commissioner or employee shall not participate in any action by the municipality, or board or commission thereof, or urban renewal agency affecting such property, as the terms of such proscription are hereinafter defined. For the purposes of this section the following definitions and standards of construction shall apply:

1. "Action affecting such property" shall include only that action directly and specifically affecting such property as a separate property but shall not include any action, any benefits of which accrue to the public generally, or which affects all or a substantial portion of the properties included or planned to be included in such a project.

2. Employment by a public body, its agencies, or institutions or by any other person having such an interest shall not be deemed an interest by such employee or of any ownership or control by such employee of interests of his employer. Such an employee may participate in an urban renewal project so long as any benefits of such participation accrue to the public generally, such participation affects all or a substantial portion of the properties included or planned to be included in such a project, or such participation promotes the public purposes of such project, and shall limit only that participation by an employee which directly or specifically affects property in which an employer of an employee has an interest.

3. The word "participation" shall be deemed not to include discussion or debate preliminary to a vote of a local governing body or agency upon proposed ordinances or resolutions relating to such a project or any abstention from such a vote.

4. The designation of a bank or trust company as depository, paying agent, or agent for investment of funds shall not be deemed a matter of interest or personal interest.

5. Stock ownership in a corporation having such an interest shall not be deemed an indicia of an interest or of ownership or control by the person owning such stocks when less than five percent of the outstanding stock of the corporation is owned or controlled directly or indirectly by such person.

6. The word "action" shall not be deemed to include resolutions advisory to the local governing body or agency by any citizens group, board, body, or commission designated to serve a purely advisory approving or recommending function under this chapter.

7. The limitations of this section shall be construed to permit action by a public official, commissioner, or employee where any benefits of such action accrue to the public generally, such action affects all or a substantial portion of the properties included or planned to be included in such a project, or such action promotes the public purposes of such project, and shall be construed to limit only that action by a public official, commissioner, or employee which directly or specifically affects property in which such official, commissioner, or employee has an interest or in which an employer of such official, commissioner, or employee has an interest. Any disclosure required to be made by this section to the local governing body shall concurrently be made to an urban renewal agency which has been vested with urban renewal project powers by the municipality pursuant to the provisions of section 403.14. No commissioner or other officer of any urban renewal agency, board or commission exercising powers pursuant to this chapter shall hold any other public office under the municipality, other than his commissionership or office with respect to such urban renewal agency, board or commission. Any violation of the provisions of this section shall constitute misconduct in office, but no ordinance or resolution of a municipality or agency shall be invalid by reason of a vote or votes cast in violation of the standards of this section unless such vote or votes were decisive in the passage of such ordinance or resolution. That portion of the taxes which would be produced by the rate at which the tax is levied each year by or for each of the taxing districts upon the total sum of the assessed value of the taxable property in the urban renewal project, as shown on the assessment roll used in connection with the taxation of property by the taxing district, last equalized prior to the effective date of the ordinance, or the assessment roll last equalized prior to the date of initial adoption of the urban renewal plan in the case of projects commenced prior to July 1, 1972, shall be allocated to and when collected be paid into the fund for the respective taxing district as taxes by or for said taxing district into which all other property taxes are paid. For the purpose of allocating taxes levied by or for any taxing district which did not include the territory in an urban renewal project on the effective date of the ordinance or initial adoption of the plan, but to which the territory has been annexed or otherwise included after the effective date, the assessment roll of the county last equalized on the effective date of the ordinance or initial adoption of the plan shall be used in determining the assessed valuation of the taxable property in the project on the effective date.

urban renewal project shall be paid into the funds for the respective taxing districts in the same manner as taxes on all other property.

3. does not request allocation to the special fund of the full portion of taxes which could be collected. [C71, 73, 75, 77, 79, §403.19; 68GA, ch 1128, §1]

If the assessed value of the property as determined pursuant to section 403.19, subsection 1, is reduced to zero, the additional valuation reduction shall be subtracted from the actual value of the property as determined by the assessor. 17. "Agency" or "municipal housing agency" shall mean a public agency created under the provisions of section 403A.5. [C62, 66, 71, 73, 75, 77, 79, §403A.2]

**403A.3 Powers.** Every municipality in addition to other powers conferred by this or any other chapter, shall have power:

1. To prepare, carry out, and operate housing projects and to provide for the construction, recon-

struction, improvement, extension, alteration or repair of any housing project or any part thereof.

2. To undertake and carry out studies and analyses of the housing needs and of the meeting of such needs (including data with respect to population and family groups and the distribution thereof according to income groups, the amount and quality of available housing and its distribution according to rentals and sales prices, employment, wages and other factors affecting the local housing needs and the meeting thereof) and to make the results of such studies and analyses available to the public and the building, housing and supply industries; and to engage in research and disseminate information on housing and slum clearance.

3. To arrange or contract for the furnishing by any person or agency, public or private, of services, privileges, works or facilities for, or in connection with, a housing project or the occupants thereof; and (notwithstanding anything to the contrary contained in this chapter or in any other provision of law) to agree to any conditions attached to federal financial assistance relating to the determination of prevailing salaries or wages or payment of not less than prevailing salaries or wages or compliance with labor standards, in the development or administration of projects, and to include in any contract let in connection with a project, stipulations requiring that the contractor and any subcontractor comply with requirements as to minimum salaries or wages and maximum hours of labor, and comply with any conditions which the federal government may have attached to its financial aid of the project.

4. To lease or rent any dwellings, accommodations, lands, buildings, structures or facilities embraced in any project and (subject to the limitations contained in this chapter with respect to the rental of dwellings in housing projects) to establish and revise the rents or charges therefor; to own, hold and improve real or personal property; to purchase, lease, obtain options upon, acquire by gift, grant, bequest, devise or otherwise any real or personal property or any interest therein; to acquire by the exercise of the power of eminent domain any real property; to sell, lease, exchange, transfer, assign, pledge or dispose of any real or personal property or any interest therein; to insure or provide for the insurance, in any stock or mutual company of any real or personal property or operations of the municipality against any risks or hazards; to procure or agree to the procurement of federal or state government insurance or guarantees of the payment of any bonds or parts thereof issued by a municipality, including the power to pay premiums on any such insurance.

5. To invest any funds held in connection with a housing project in reserve or sinking funds, or any fund not required for immediate disbursement, in property or securities which banks designated as state depositories may use to secure the deposit of state funds; to redeem its bonds at the redemption price established therein or to purchase its bonds at less than such redemption price, all bonds so redeemed or purchased to be canceled.

6. To determine where slum areas exist or where there is unsafe, insanitary or overcrowded housing;

to make studies and recommendations relating to the problem of clearing, replanning and reconstructing of slum areas and the problem of eliminating unsafe, insanitary or overcrowded housing and providing dwelling accommodations for persons of low income; and to co-operate with any state public body in action taken in connection with these problems.

7. To conduct examinations and investigations and to hear testimony and take proof under oath at public or private hearings on any matter material for its information; to administer oaths, issue subpoenas requiring the attendance of witnesses or the production of books and papers and to issue commissions for the examination of witnesses who are outside of the state or unable to attend or excused from attendance; to make available to appropriate agencies (including those charged with the duty of abating or requiring the correction of nuisances or like conditions or of demolishing unsafe or insanitary structures within its area of operation) its findings and recommendations with regard to any building or property where conditions exist which are dangerous to the public health, morals, safety or welfare.

8. To, within its area of operation, enter into any building or property in any municipal housing area in order to make inspections, surveys, appraisals, soundings or test borings, and to obtain an order for this purpose from a court of competent jurisdiction in the event entry is denied or resisted.

9. To exercise all or any part or combination of powers herein granted. No provision of law with respect to the acquisition, operation or disposition of property by public bodies shall be applicable to a municipality in its operations pursuant to this chapter unless the legislature shall specifically so state.

10. To co-operate with the Iowa housing finance authority, to participate in any of its programs, to use any of the funds available to the municipality for the uses of this chapter to contribute to such programs in which it participates, and to comply with the provisions of sections 220.1 to 220.36 and the rules of the Iowa housing finance authority promulgated thereunder. [C62, 66, 71, 73, 75, 77, 79, §403A.3]

**403A.4 Aid from federal government.** In addition to the powers conferred upon a municipality by other provisions of this chapter, a municipality is empowered to borrow money or accept contributions, grants or other financial assistance from the federal government for or in aid of any housing project within its area of operation, to take over, lease or manage any project or undertaking constructed or owned by the federal government, and to these ends, to comply with such conditions and enter into such contracts, covenants, mortgages, trust indentures, leases or agreements as may be necessary, convenient or desirable. It is the purpose and intent of this chapter to authorize every municipality to do any and all things necessary or desirable to secure the financial aid or co-operation of the federal government in the undertaking, construction, maintenance or operation of any housing project by such municipality. To accomplish this purpose a municipality, notwithstanding the provisions of any other law, may include in any contract for financial assistance with the federal government any provisions, which the federal government may

require as conditions to its financial aid of a housing project, not inconsistent with the purposes of this chapter. [C62, 66, 71, 73, 75, 77, 79, §403A.4]

**403A.5 Exercise of municipal housing powers—municipal housing agency.** Any municipality may create, in such municipality, a public body corporate and politic to be known as the “Municipal Housing Agency” of such municipality except that such agency shall not transact any business or exercise its powers hereunder until or unless the local governing body has elected to exercise its municipal housing powers through such an agency as prescribed in this section.

If the municipal housing agency is authorized to transact business and exercise powers hereunder, the mayor, by and with the advice and consent of the local governing body, shall appoint a board of commissioners of the municipal housing agency which board shall consist of five commissioners. The term of office for three of the commissioners originally appointed shall be two years and the term of office for two of the commissioners originally appointed shall be one year. Thereafter the term of office for each commissioner shall be two years.

A commissioner shall receive no compensation for services, but shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of a duty. Each commissioner shall hold office until a successor has been appointed and has qualified. A certificate of the appointment or reappointment of any commissioner shall be filed with the clerk of the municipality, and the certificate shall be conclusive evidence of the due and proper appointment of the commissioner.

The powers of a municipal housing agency shall be exercised by the commissioners. A majority of the commissioners shall constitute a quorum for the purpose of conducting business and exercising the powers of the agency, and for all other purposes. Action may be taken by the agency upon a vote of a majority of the commissioners present, unless in any case the bylaws shall require a larger number. Any persons may be appointed as commissioners if they reside within the area of operation of the agency, which area shall be coterminous with the area of operation of the municipality, and if they are otherwise eligible for appointments under this chapter.

The mayor shall designate a chairman and vice chairman from among the commissioners. An agency may employ an executive director, technical experts and such other agents and employees, permanent and temporary, as it may require, and the agency may determine their qualifications, duties and compensation. For such legal service as it may require, an agency may employ or retain its own counsel and legal staff. An agency authorized to transact business and exercise powers under this chapter shall file, with the local governing body, on or before September 30 of each year, a report of its activities for the preceding fiscal year, which report shall include a complete financial statement setting forth its assets, liabilities, income and operating expense as of the end of such fiscal year. At the time of filing the report, the agency shall publish in a newspaper of general circulation in the community a notice to the effect that

such report has been filed with the municipality, and that the report is available for inspection during business hours in the office of the city clerk and in the office of the agency.

For inefficiency, or neglect of duty, or misconduct in office, a commissioner may be removed by a majority vote of the governing body of the municipality only after a hearing before the body, and after the commissioner shall have been given a copy of the charges at least ten days prior to such hearing, and after the commissioner shall have had an opportunity to be heard in person or by counsel.

A municipality may itself exercise the powers in connection with municipal housing as defined in this chapter, or may, if the local governing body by resolution determines such action to be in the public interest, elect to have such powers exercised by the municipal housing agency, if one exists or is subsequently established in the community. In the event the local governing body makes such determination, the municipal housing agency shall be vested with all of the municipal housing project powers in the same manner as though all such powers were conferred on such agency instead of the municipality. If the local governing body does not elect to make such determination, the municipality in its discretion may exercise its municipal housing project powers through a board or commissioner, or through such officers of the municipality as the local governing body may by resolution determine.

A municipality or a “Municipal Housing Agency” may not proceed with a housing project until a study or a report and recommendation on housing available within the community is made public by the municipality or agency and is included in its recommendations for a housing project. Recommendations must receive majority approval from the local governing body before proceeding on the housing project. [C58, §403.19; C62, 66, 71, 73, 75, 77, 79, §403A.5]

Referred to in §403A.2(17), 403A.22

**403A.6 Operation of housing not for profit.** It is hereby declared to be the policy of this state that each municipality shall manage and operate its housing projects in an efficient manner so as to enable it to fix the rentals or payments for dwelling accommodations at low rates consistent with its providing decent, safe and sanitary dwelling accommodations for persons of low income, and that no municipality shall construct or operate any housing project for profit, or as a source of revenue to the municipality. To this end the municipality shall fix the rentals or payments for dwellings in its projects at no higher rates than it shall find to be necessary in order to produce revenues which (together with all other available moneys, revenues, income and receipts in connection with or for such projects from whatever sources derived, including federal financial assistance) will be sufficient (1) to pay, as the same become due, the principal and interest on the bonds issued pursuant to this chapter; (2) to create and maintain such reserves as may be required to assure the payment of principal and interest as it becomes due on such bonds; (3) to meet the cost of, and to provide for, maintaining and operating the projects (including necessary reserves therefor and the cost of any insurance, and of administrative

expenses); and (4) to make such payments in lieu of taxes and, after payment in full of all obligations for which federal annual contributions are pledged, to make such repayments of federal and local contributions as it determines are consistent with the maintenance of the low-rent character of projects. Rentals or payments for dwellings shall be established and the projects administered, insofar as possible, so as to assure that any federal financial assistance required shall be strictly limited to amounts and periods necessary to maintain the low-rent character of the projects. [C62, 66, 71, 73, 75, 77, 79, §403A.6]

**403A.7 Housing rentals and tenant admissions.** A municipality shall (1) rent or lease the dwelling accommodations in a housing project only to persons or families of low income and at rentals within their financial reach; (2) rent or lease to a tenant such dwelling accommodations consisting of the number of rooms which it deems necessary to provide safe and sanitary accommodations to the proposed occupants thereof, without overcrowding; and (3) fix income limits for occupancy and rents after taking into consideration (a) the family size, composition, age, physical handicaps, and other factors which might affect the rent-paying ability of the person or family, and (b) the economic factors which affect the financial stability and solvency of the project. Provided, however, such determination of eligibility shall be within the limits of the income limits hereinbefore set out.

Nothing contained in this or the preceding section shall be construed as limiting the power of a municipality with respect to a housing project, to vest in an obligee the right, in the event of a default by the municipality, to take possession or cause the appointment of a receiver thereof, free from all the restrictions imposed by this or the preceding section. [C62, 66, 71, 73, 75, 77, 79, §403A.7]

**403A.8 Dwellings for disaster victims and defense workers.** Notwithstanding the provisions of this or any other chapter relating to rentals of, preferences or eligibility for admission to, or occupancy of dwellings in housing projects, during the period when a municipality determines that there is an acute need in its area of operation for housing to assure the availability of dwellings for persons engaged in national defense activities or for victims of a major disaster, a municipality may undertake the development and administration of housing projects for the federal government, and dwellings in any housing project under the jurisdiction of the municipality may be made available to persons engaged in national defense activities or to victims of a major disaster, as the case may be. A municipality is authorized to contract with the federal government or the state or a state public body for advance payment or reimbursement for the furnishing of housing to victims of a major disaster, including the furnishing of the housing free of charge to needy disaster victims during any period covered by a determination of acute need by the municipality as herein provided. [C62, 66, 71, 73, 75, 77, 79, §403A.8]

**403A.9 Co-operation between municipalities.** Any two or more municipalities may join or co-operate with one another in the exercise of any or all of the

powers conferred hereby for the purpose of financing, planning, undertaking, constructing or operating a housing project or projects. [C62, 66, 71, 73, 75, 77, 79, §403A.9]

**403A.10 Tax exemption and payments in lieu of taxes.** The property acquired or held pursuant to this chapter is declared to be public property used exclusively for essential city, or municipal public and governmental purposes and such property is hereby declared to be exempt from all taxes and special assessments of the state or of any state public body. In lieu of taxes on such property a municipality may agree to make payments to the state or a state public body (including itself) as it finds consistent with the maintenance of the low-rent character of housing projects and the achievement of the purposes of this chapter. [C62, 66, 71, 73, 75, 77, 79, §403A.10]

**403A.11 Planning, zoning and building laws.** All housing projects of a municipality shall be subject to the planning, zoning, sanitary and building laws, ordinances and regulations applicable to the locality in which the project is situated. [C62, 66, 71, 73, 75, 77, 79, §403A.11]

**403A.12 Bonds.** A municipality shall have power to issue bonds from time to time in its discretion, for any of the purposes of this chapter. A municipality shall also have power to issue refunding bonds for the purpose of paying or retiring bonds previously issued by it. A municipality may issue such types of bonds as it may determine, including (without limiting the generality of the foregoing) bonds on which the principal and interest are payable (1) exclusively from the income and revenues of the project financed with the proceeds of such bonds, or (2) exclusively from the income and revenues of certain designated housing projects whether or not they are financed in whole or in part with the proceeds of such bonds. Any such bonds may be additionally secured by a pledge of any loan, grant or contribution or parts thereof from the federal government or other source, or a pledge of any income or revenues connected with a housing project or a mortgage of any housing project or projects.

Neither the governing body of a municipality nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof hereunder. The bonds and other obligations issued under the provisions of this chapter (and such bonds and obligations shall so state on their face) shall be payable solely from the sources provided in this section and shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction. Bonds issued pursuant to this chapter are declared to be issued for an essential public and governmental purpose and to be public instrumentalities and, together with interest thereon and income therefrom, shall be exempt from taxes. The tax exemption provisions of this chapter shall be considered part of the security for the repayment of bonds and shall constitute, by virtue of this chapter and without the necessity of the same being restated in said bonds, a contract between the bondholders and each and every one thereof, including all transferees of said bonds from time to time on the one

hand and the respective municipalities issuing said bonds and the state on the other. [C62, 66, 71, 73, 75, 77, 79, §403A.12]

**403A.13 Form and sale of bonds.** Bonds of a municipality shall be authorized by its resolution and may be issued in one or more series and shall bear such date or dates, mature at such time or times, bear interest at such rate or rates, not exceeding that permitted by chapter 74A, be in such denomination or denominations, be in such form either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in such medium of payment, at such place or places, and be subject to such terms of redemption (with or without premium) as such resolution, its trust indenture or mortgage may provide.

The bonds may be sold at public or private sale at not less than par.

If the officers of the municipality whose signatures appear on any bonds or coupons shall cease to be such officers before the delivery of the bonds, their signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if the officers had remained in office until such delivery. Any provision of any law to the contrary notwithstanding, any bonds issued pursuant to this chapter shall be fully negotiable.

In any suit, action or proceedings involving the validity or enforcement of any bond issued pursuant to this chapter or the security therefor, any such bond reciting in substance that it has been issued by the municipality pursuant to this chapter shall be conclusively deemed to have been issued for such purpose and the housing project in respect to which such bond was issued shall be conclusively deemed to have been planned, located and carried out in accordance with the purposes and provisions of this chapter. [C62, 66, 71, 73, 75, 77, 79, §403A.13; 68GA, ch 1025, §62]

**403A.14 Provisions of bonds, trust indentures and mortgages.** In connection with the issuance of bonds pursuant to this chapter or the incurring of obligations under leases made pursuant to this chapter and in order to secure the payment of the bonds or obligations, a municipality, in addition to its other powers, shall have power to:

1. Pledge all or any part of the gross or net rents, fees or revenues of a housing project, financed with the proceeds of such bonds, to which its rights then exist or may thereafter come into existence.

2. Mortgage all or any part of its real or personal property, then owned or thereafter acquired or held pursuant to this chapter.

3. Covenant against pledging all or any part of the rents, fees and revenues or against mortgaging all or any part of its real or personal property, acquired or held pursuant to this chapter, to which its right or title then exists or may thereafter come into existence or against permitting or suffering any lien on such revenues or property; covenant with respect to limitations on the right to sell, lease or otherwise dispose of any housing project or any part thereof; and covenant as to what other, or additional debts or obligations may be incurred by it.

4. Covenant as to the bonds to be issued and as to the issuance of such bonds in escrow or otherwise,

and as to the use and disposition of the proceeds thereof; provide for the replacement of lost, destroyed, or mutilated bonds; covenant against extending the time for the payment of its bonds or interest thereon; and covenant for the redemption of the bonds and to provide the terms and conditions thereof.

5. Covenant subject to the limitations contained in this chapter as to the rents and fees to be charged in the operation of a housing project or projects, the amount to be raised each year or other period of time by rents, fees and other revenues, and the use and disposition to be made thereof; create or authorize the creation of special funds for moneys held for construction or operating costs, debt service, reserves, or other purposes, and covenant as to the use and disposition of the moneys held in such funds.

6. Prescribe the procedure, if any, by which the terms of any contract with bondholders may be amended or abrogated, the proportion of outstanding bonds the holders of which must consent to such action, and the manner in which such consent may be given.

7. Covenant as to the use, maintenance and replacement of any or all of its real or personal property acquired pursuant to this chapter, the insurance to be carried thereon and the use and disposition of insurance moneys.

8. Covenant as to the rights, liabilities, powers and duties arising upon the breach by it of any covenant, condition, or obligation; and covenant and prescribe as to events of default and terms and conditions upon which any or all of its bonds or obligations shall become or may be declared due before maturity, and as to the terms and conditions upon which such declaration and its consequences may be waived.

9. Vest in any obligees or any specified proportion of them the right to enforce the payment of the bonds or any covenants securing or relating to the bonds; vest in an obligee or obligees the right, in the event of a default by the municipality to take possession of and use, operate and manage any housing project or any part thereof or any funds connected therewith, and to collect the rents and revenues arising therefrom and to dispose of such moneys in accordance with the agreement between the municipality and such obligees; provide for the powers and duties of such obligees and limit the liabilities thereof; and provide the terms and conditions upon which such obligees may enforce any covenant or rights securing or relating to the bonds.

10. Exercise all or any part or combination of the powers herein granted; make such covenants (other than and in addition to the covenants herein expressly authorized) and do any and all such acts and things as may be necessary or convenient or desirable in order to secure its bonds, or, in the absolute discretion of said municipality, as will tend to make the bonds more marketable notwithstanding that such covenants, acts or things may not be enumerated herein.

This chapter without reference to other statutes of the state, shall constitute full authority for the authorization and issuance of bonds hereunder. No other act or law with regard to the authorization or

issuance of obligations that requires a bond election or in any way impedes or restricts the carrying out of the acts herein authorized to be done shall be construed as applying to any proceedings taken hereunder or acts done pursuant hereto. [C62, 66, 71, 73, 75, 77, 79, §403A.14]

**403A.15 Remedies of an obligee.** An obligee of a municipality shall have the right in addition to all other rights which may be conferred on such obligee, subject only to any contractual restrictions binding upon such obligee.

1. By mandamus, suit, action or proceeding at law or in equity to compel said municipality to perform each and every term, provision and covenant contained in any contract of said municipality with or for the benefit of such obligee, and to require the carrying out of any or all such covenants and agreements of said municipality and the fulfillment of all duties imposed by this chapter.

2. By suit, action or proceeding in equity, to enjoin any acts or things which may be unlawful, or the violation of any of the rights of such obligee of said municipality. [C62, 66, 71, 73, 75, 77, 79, §403A.15]

**403A.16 Additional remedies conferrable by a municipality.** A municipality shall have power by its resolution, trust indenture, mortgage, lease or other contract to confer upon any obligee the right (in addition to all rights that may otherwise be conferred), upon the happening of an event of default as defined in such resolution or instrument, by suit, action or proceeding in any court of competent jurisdiction to:

1. Cause possession of any housing project or any part thereof to be surrendered to any such obligee.

2. Obtain the appointment of a receiver of any housing project of said municipality or any part thereof and of the rents and profits therefrom, and provide that, if a receiver be appointed, he may enter and take possession of such housing project or any part thereof and operate and maintain same, and collect and receive all fees, rents, revenues, or other charges thereafter arising therefrom, and keep such moneys in a separate account or accounts and apply the same in accordance with the obligations of the municipality as the court shall direct.

3. Require said municipality and the officers, agents and employees thereof to account as if it and they were the trustees of an express trust. [C62, 66, 71, 73, 75, 77, 79, §403A.16]

**403A.17 Exemption of property from execution sale.** All property (including funds) owned or held by a municipality for the purposes of this chapter shall be exempt from levy and sale by virtue of an execution, and no execution or other judicial process shall issue against the same nor shall any judgment against the municipality be a charge or lien upon such property: Provided, however, that the provisions of this section shall not apply to or limit the right of obligees to foreclose or otherwise enforce any mortgage or other security executed or issued pursuant to this chapter or the right of obligees to pursue any remedies for the enforcement of any pledge or lien on rents, fees or revenues or the right of the federal government to pursue any remedies conferred upon it

pursuant to the provisions of this chapter. [C62, 66, 71, 73, 75, 77, 79, §403A.17]

**403A.18 Transfer of possession or title to federal government.** In any contract with the federal government for annual contributions to a municipality, the municipality may obligate itself (which obligation shall be specifically enforceable and shall not constitute a mortgage, notwithstanding any other law) to convey to the federal government possession of or title to the housing project to which such contract relates, upon the occurrence of a substantial default (as defined in such contract) with respect to the covenant or conditions to which the municipality is subject; and such contract may further provide that in case of such conveyance, the federal government may complete, operate, manage, lease, convey or otherwise deal with the housing project and funds in accordance with the terms of such contract: Provided, that the contract requires that, as soon as practicable after the federal government is satisfied that all defaults with respect to the housing project have been cured and that the housing project will thereafter be operated in accordance with the terms of the contract, the federal government shall reconvey to the municipality the housing project as then constituted. [C62, 66, 71, 73, 75, 77, 79, §403A.18]

**403A.19 Certificate of state auditor.** The municipality may submit to the state auditor a certified copy of the proceedings for the issuance of any bonds hereunder, including the form of such bonds. Upon the submission of these documents to the state auditor, it shall be the duty of the state auditor to pass upon the validity of such bonds and the regularity of all proceedings in connection therewith. If such proceedings conform to the provisions of this chapter and are otherwise regular in form and if such bonds when delivered and paid for will constitute binding and legal obligations enforceable according to the terms thereof, the state auditor shall so certify in an opinion addressed to the municipality. [C62, 66, 71, 73, 75, 77, 79, §403A.19]

**403A.20 Condemnation of property.** A municipality shall have the right to acquire by condemnation any interest in real property, including a fee simple title thereto, which it may deem necessary for or in connection with a municipal housing project under this chapter. A municipality may exercise the power of eminent domain in the manner provided in chapter 472, and acts amendatory thereof or supplementary thereto, or it may exercise the power of eminent domain in the manner now or which may be hereafter provided by any other statutory provisions for the exercise of the power of eminent domain. Property already devoted to a public use may be acquired in like manner: Provided, that no real property belonging to the state, or any political subdivision thereof, may be acquired without its consent, provided further that no real property or any right or interest therein owned by any public utility company, pipeline company, railway or transportation company vested with the right of eminent domain under the laws of this state, shall be acquired without the consent of such company, or without first securing, after due notice to such company and after hearing, a certificate au-

thorizing condemnation of such property from the board, commission or body having the authority to grant a certificate authorizing condemnation. [C62, 66, 71, 73, 75, 77, 79, §403A.20]

**403A.21 Co-operation in undertaking housing projects.** For the purpose of aiding and co-operating in the planning, undertaking, construction or operation of housing projects located within the area in which it is authorized to act, any state public body may upon such terms, with or without consideration, as it may determine:

1. Dedicate, sell, convey or lease any of its interest in any property or grant easements, licenses or any other rights or privileges therein to any municipality, or to the federal government.

2. Cause parks, playgrounds, recreational community, educational, water, sewer or drainage facilities or any other works which it is otherwise empowered to undertake, to be furnished adjacent to or in connection with housing projects.

3. Furnish, dedicate, close, pave, install, grade, re-grade, plan or replan streets, roads, roadways, alleys, sidewalks or other places which it is otherwise empowered to undertake.

4. Cause services to be furnished for housing projects of the character which such state public body is otherwise empowered to furnish.

5. Enter into agreements with respect to the exercise by such state public body of its powers relating to the repair, elimination or closing of unsafe, insanitary or unfit dwellings.

6. Do any and all things necessary or convenient to aid and co-operate in the planning, undertaking, construction or operation of such housing projects.

7. Incur the entire expense of any public improvements made by such state public body in exercising the powers granted in this chapter.

8. Enter into agreements (which may extend over any period, notwithstanding any provision or rule of law to the contrary) with any municipality respecting action to be taken by such state public body pursuant to any of the powers granted by this chapter. If at any time title to, or possession of, any project is held by any public body or governmental agency authorized by law to engage in the development or administration of municipal housing or slum clearance projects, including any agency or instrumentality of the United States of America, the provisions of such agreements shall inure to the benefit of and may be enforced by such public body or governmental agency.

9. Any law or statute to the contrary notwithstanding, any sale, conveyance, lease or agreement provided for in this section may be made by a state public body without appraisal, public notice, advertisement or public bidding. [C62, 66, 71, 73, 75, 77, 79, §403A.21]

**403A.22 Personal interest prohibited.** No public official or employee of a municipality or board or commission thereof and no commissioner or employee of a municipal housing agency which has been vested with municipal housing project powers under section 403A.5, shall voluntarily acquire any personal interest, as hereinafter defined, whether direct or indirect,

in any municipal housing project, or in any property included or planned to be included in any municipal housing project of such municipality, or in any contract or proposed contract in connection with such municipal housing project. Where such acquisition is not voluntary, the interest acquired shall be immediately disclosed in writing to the local governing body, and such disclosure shall be entered upon the minutes of the governing body. If any such official, commissioner or employee presently owns or controls, or has owned or controlled within the preceding two years, any interest, as hereinafter defined, whether direct or indirect, in any property which it is known is included or planned to be included in a municipal housing project, the commissioner shall immediately disclose this fact in writing to the local governing body, and such disclosure shall be entered upon the minutes of the governing body; and any such official, commissioner or employee shall not participate in any action by the municipality, or board or commission thereof affecting such property, as the terms of such prescription are hereinafter defined. For the purposes of this section the following definitions and standards of construction shall apply:

1. "Action affecting such property" shall include only that action directly and specifically affecting such property as a separate property but shall not include any action of which any benefits accrue to the public generally, or which affects all or a substantial portion of the properties included or planned to be included in such a project.

2. Employment by a state public body, its agencies, and institutions or by any other person as defined in subsection 16 of section 403.17, having such an interest shall not be deemed an interest by such employee or of any ownership or control by such employee of interests of his employer. Such an employee may participate in a municipal housing project so long as any benefits of such participation accrue to the public generally, such participation affects all or a substantial portion of the properties included or planned to be included in such a project, or such participation promotes the public purposes of such project, and shall limit only that participation by an employee which directly or specifically affects property in which an employer of an employee has an interest.

3. The word "participation" shall be deemed not to include discussion or debate preliminary to a vote by a local governing body or agency upon proposed ordinances or resolutions relating to such a project or any abstention from such a vote.

4. The designation of a bank or trust company as a depository, paying agent, or agent for investment of funds shall not be deemed a matter of interest or personal interest.

6. The word "action" shall not be deemed to include resolutions advisory to the local governing body or agency by any citizens group, board, body, or com-

mission designated to serve a purely advisory function of approving or recommending under this chapter.

The limitations of this section shall be construed to permit action by a public official, commissioner, or employee where any benefits of such action accrue to the public generally, such action affects all or a substantial portion of the properties included or planned to be included in such a project, or such action promotes the public purposes of such project, and shall be construed to limit only that action by a public official, commissioner, or employee which directly or specifically affects property in which such official, commissioner, or employee has an interest or in which an employer of such official, commissioner, or employee has an interest. Any violation of the provisions of this section shall constitute misconduct in office, but no ordinance or resolution of a municipality or agency shall be invalid by reason of a vote or votes cast in violation of the standards of this section unless such vote or votes were decisive in the passage of such ordinance or resolution. ## CHAPTER 404

### URBAN REVITALIZATION TAX EXEMPTIONS

Allocation of funds in urban revitalization areas, 68GA, ch 84, §11

Chapter 404 applies to all cities including special charter cities, 68GA, ch 84, §12

404.1 Area established by city.

404.2 Conditions mandatory.

404.3 Bases of tax exemption.

404.4 Prior approval of eligibility.

404.5 Physical review of property by assessor.

404.6 Relocation expense of tenant.

404.7 Repeal of ordinance.

404.8 Productivity—additional tax not applicable.

**404.1 Area established by city.** The governing body of a city may, by ordinance, designate an area of the city as a revitalization area, if that area is any of the following:

1. An area in which there is a predominance of buildings or improvements, whether residential or nonresidential, which by reason of dilapidation, deterioration, obsolescence, inadequate provision for ventilation, light, air, sanitation, or open spaces, high density of population and overcrowding, the existence of conditions which endanger life or property by fire and other causes or a combination of such factors, is conducive to ill health, transmission of disease,

infant mortality, juvenile delinquency or crime, and which is detrimental to the public health, safety, or welfare.

2. An area which by reason of the presence of a substantial number of deteriorated or deteriorating structures, predominance of defective or inadequate street layout, incompatible land use relationships, faulty lot layout in relation to size, adequacy, accessibility or usefulness, unsanitary or unsafe conditions, deterioration of site or other improvements, diversity of ownership, tax or special assessment delinquency exceeding the actual value of the land, defective or unusual conditions of title, or the existence of condi-

tions which endanger life or property by fire and other causes, or a combination of such factors, substantially impairs or arrests the sound growth of a municipality, retards the provision of housing accommodations or constitutes an economic or social liability and is a menace to the public health, safety, or welfare in its present condition and use.

3. An area in which there is a predominance of buildings or improvements which by reason of age, history, architecture or significance should be preserved or restored to productive use. [68GA, ch 84,§1]

Referred to in §368 10, 404 2, 404 8, 419 17

**404.2 Conditions mandatory.** A city may only exercise the authority conferred upon it in this chapter after the following conditions have been met:

1. The governing body has adopted a resolution finding that the rehabilitation, conservation, redevelopment, or a combination thereof of the area is necessary in the interest of the public health, safety, or welfare of the residents of the city and the area meets the criteria of section 404.1.

2. The city has prepared a proposed plan for the designated revitalization area. The proposed plan shall include all of the following:

a. A legal description of the real estate forming the boundaries of the proposed area along with a map depicting the existing parcels of real estate.

b. The existing assessed valuation of the real estate in the proposed area, listing the land and building values separately.

c. A list of names and addresses of the owners of record of real estate within the area.

d. The existing zoning classifications and district boundaries and the existing and proposed land uses within the area.

e. Any proposals for improving or expanding city services within the area including but not limited to transportation facilities, sewage, garbage collection, street maintenance, park facilities and police and fire protection.

f. A statement specifying whether the revitalization is applicable to residential, agricultural, commercial or industrial property within the designated area or a combination thereof and whether the revitalization is for rehabilitation and additions to existing buildings or new construction or both. The city shall state how long it is estimated that the area shall remain a designated revitalization area which time shall be longer than one year from the date of designation and shall state any plan by the city to issue revenue bonds for revitalization projects within the area.

g. The provisions that have been made for the relocation of persons, including families, business concerns and others, whom the city anticipates will be displaced as a result of improvements to be made in the designated area.

h. Any tax exemption schedule that shall be used in lieu of the schedule set out in section 404.3, subsection 1, 2, 3 or 4. This schedule shall not allow a greater exemption, but may allow a smaller exemption, than allowed in the schedule specified in the corresponding subsection of section 404.3 and shall be the same schedule used for all property of the same

classification located in an existing revitalization area.

i. The percent increase in actual value requirements that shall be used in lieu of the fifteen and ten percent requirements specified in section 404.3, subsection 7 and in section 404.5. This percent increase in actual value requirements shall not be greater than that provided in this chapter and shall be the same requirements applicable to all existing revitalization areas.

j. A description of any federal, state or private grant or loan program likely to be a source of funding for that area for residential improvements and a description of any grant or loan program which the city has or will have as a source of funding for that area for residential improvements.

3. The city has filed a copy of the proposed plan for the designated revitalization area with the city development board by the fourteenth day before the scheduled public hearing.

4. The city has scheduled a public hearing and notified all owners of record of real property located within the proposed area, the tenants living within the proposed area and the city development board in accordance with section 362.3. In addition to notice by publication, notification shall also be given by ordinary mail to the last known address of the owners of record. The city shall also send notice by ordinary mail addressed to the "occupants" of city addresses located within the proposed area, unless the city council, by reason of lack of a reasonably current and complete address list, or for other good cause, shall have waived such notice. Notwithstanding the provisions of section 362.3, Code 1979, such notice shall be given by the thirtieth day prior to the public hearing.

5. The public hearing has been held.

6. A second public hearing has been held if:

a. The city development board requests, by certified mail, a second public hearing within thirty days after receipt of the minutes of the first public hearing or;

b. The city has received within thirty days after the holding of the first public hearing a valid petition requesting a second public hearing containing the signatures and current addresses of property owners that represent at least ten percent of the privately owned property within the designated revitalization area or;

c. The city has received within thirty days after the holding of the first public hearing a valid petition requesting a second public hearing containing the signatures and current addresses of tenants that represent at least ten percent of the residential units within the designated revitalization area.

At any such second public hearing the city may specifically request those in attendance to indicate the precise nature of desired changes in the proposed plan.

7. The city has adopted the proposed or amended plan, as the case may be, for the revitalization area after the requisite number of hearings. The city may subsequently amend this plan by following the procedures in this section. [68GA, ch 84,§2]

Referred to in §368 10, 404 3, 404 4, 404 5, 404 6, 404 8, 419 17

**404.3 Basis of tax exemption.**

1. All qualified real estate assessed as residential property is eligible to receive an exemption from taxation based on the actual value added by the improvements. The exemption is for a period of ten years. The amount of the exemption is equal to a percent of the actual value added by the improvements, determined as follows: One hundred fifteen percent of the value added by the improvements. However, the amount of the actual value added by the improvements which shall be used to compute the exemption shall not exceed twenty thousand dollars and the granting of the exemption shall not result in the actual value of the qualified real estate being reduced below the actual value on which the homestead credit is computed under section 425.1.

2. All qualified real estate is eligible to receive a partial exemption from taxation on the actual value added by the improvements. The exemption is for a period of ten years. The amount of the partial exemption is equal to a percent of the actual value added by the improvements, determined as follows:

- a. For the first year, eighty percent.
- b. For the second year, seventy percent.
- c. For the third year, sixty percent.
- d. For the fourth year, fifty percent.
- e. For the fifth year, forty percent.
- f. For the sixth year, forty percent.
- g. For the seventh year, thirty percent.
- h. For the eighth year, thirty percent.
- i. For the ninth year, twenty percent.
- j. For the tenth year, twenty percent.

3. All qualified real estate is eligible to receive a one hundred percent exemption from taxation on the actual value added by the improvements. The exemption is for a period of three years.

4. All qualified real estate assessed as commercial property, consisting of three or more separate living quarters with at least seventy-five percent of the space used for residential purposes, is eligible to receive a one hundred percent exemption from taxation on the actual value added by the improvements. The exemption is for a period of ten years.

5. The owners of qualified real estate eligible for the exemption provided in this section shall elect to take the applicable exemption provided in subsection 1, 2, 3 or 4 or provided in the different schedule adopted in the city plan if a different schedule has been adopted. Once the election has been made and the exemption granted, the owner is not permitted to change the method of exemption.

6. The tax exemption schedule specified in subsection 1, 2, 3 or 4 shall apply to every revitalization area within a city unless a different schedule is adopted in the city plan as provided in section 404.2. However, a city shall not adopt a different schedule unless every revitalization area within the city has the same schedule applied to it and the schedule adopted does not provide for a larger tax exemption in a particular year than is provided for that year in the schedule specified in the corresponding subsection of this section.

7. "Qualified real estate" as used in this chapter and section 419.17 means real property, other than land, which is located in a designated revitalization

area and to which improvements have been added, during the time the area was so designated, which have increased the actual value by at least the percent specified in the plan adopted by the city pursuant to section 404.2 or if no percent is specified then by at least fifteen percent, or at least ten percent in the case of real property assessed as residential property or which have, in the case of land upon which is located more than one building and not assessed as residential property, increased the actual value of the buildings to which the improvements have been made by at least fifteen percent. "Qualified real estate" also means land upon which no structure existed at the start of the new construction, which is located in a designated revitalization area and upon which new construction has been added during the time the area was so designated. "Improvements" as used in this chapter and section 419.17 includes rehabilitation and additions to existing structures as well as new construction on vacant land or on land with existing structures. However, new construction on land assessed as agricultural property shall not qualify as "improvements" for purposes of this chapter and section 419.17 unless the governing body of the city has presented justification at a public hearing held pursuant to section 404.2 for the revitalization of land assessed as agricultural property by means of new construction. Such justification shall demonstrate, in addition to the other requirements of this chapter and section 419.17, that the improvements on land assessed as agricultural land will utilize the minimum amount of agricultural land necessary to accomplish the revitalization of the other classes of property within the urban revitalization area. However, if such construction, rehabilitation or additions were begun prior to January 29, 1979, or one year prior to the adoption by the city of a plan of urban revitalization pursuant to section 404.2, whichever occurs later, the value added by such construction, rehabilitation or additions shall not constitute an increase in value for purposes of qualifying for the exemptions listed in this section. "Actual value added by the improvements" as used in this chapter and section 419.17 means the actual value added as of the first year for which the exemption was received.

8. The fifteen and ten percent increase in actual value requirements specified in subsection 7 shall apply to every revitalization area within a city unless different percent increases in actual value requirements are adopted in the city plan as provided in section 404.2. However, a city shall not adopt different requirements unless every revitalization area within the city has the same requirements and the requirements do not provide for a greater percent increase than specified in subsection 7. [68GA, ch 84,§3]

Referred to in §368.10, 404.2, 404.4, 404.5, 404.6, 419.17

**404.4 Prior approval of eligibility.** A person may submit a proposal for an improvement project to the governing body of the city to receive prior approval for eligibility for a tax exemption on the project. The governing body shall, by resolution, give its prior approval for an improvement project if the project is in conformance with the plan for revitalization developed by the city. Such prior approval shall not entitle the owner to exemption from taxation until the im-

provements have been completed and found to be qualified real estate; however, if the proposal is not approved, the person may submit an amended proposal for the governing body to approve or reject.

An application shall be filed for each new exemption claimed. The first application for an exemption shall be filed by the owner of the property with the governing body of the city in which the property is located by February 1 of the assessment year for which the exemption is first claimed, but not later than the year in which all improvements included in the project are first assessed for taxation. The application shall contain, but not be limited to, the following information: The nature of the improvement, its cost, the estimated or actual date of completion, the tenants that occupied the owner's building on the date the city adopted the resolution referred to in section 404.2, subsection 1, and which exemption in section 404.3 or in the different schedule, if one has been adopted, will be elected.

The governing body of the city shall approve the application, subject to review by the local assessor pursuant to section 404.5, if the project is in conformance with the plan for revitalization developed by the city, is located within a designated revitalization area and if the improvements were made during the time the area was so designated. The governing body of the city shall forward for review all approved applications to the appropriate local assessor by March 1 of each year with a statement indicating whether section 404.3, subsection 1, 2, 3 or 4 applies or if a different schedule has been adopted, which exemption from that schedule applies. Applications for exemption for succeeding years on approved projects shall not be required. [68GA, ch 84,§4]

Referred to in §368 10, 404 5, 419 17

**404.5 Physical review of property by assessor.** The local assessor shall review each first-year application by making a physical review of the property, to determine if the improvements made increased the actual value of the qualified real estate by at least fifteen percent or at least ten percent in the case of real property assessed as residential property or the applicable percent increase requirement adopted by the city under section 404.2. If the assessor determines that the actual value of that real estate has increased by at least the requisite percent, the assessor shall proceed to determine the actual value of the property and certify the valuation determined pursuant to section 404.3 to the county auditor at the time of transmitting the assessment rolls. However, if a new structure is erected on land upon which no structure existed at the start of the new construction, the assessor shall proceed to determine the actual value of the property and certify the valuation determined pursuant to section 404.3 to the county auditor at the time of transmitting the assessment rolls. The assessor shall notify the applicant of the determination, and the assessor's decision may be appealed to the local board of review at the times specified in section 441.37. If an application for exemption is denied as a

result of failure to sufficiently increase the value of the real estate as provided in section 404.3, the owner may file a first annual application in a subsequent year when additional improvements are made to satisfy requirements of section 404.3, and the provisions of section 404.4 shall apply. After the tax exemption is granted, the local assessor shall continue to grant the tax exemption, with periodic physical review by the assessor, for the time period specified in section 404.3, subsection 1, 2, 3 or 4, or specified in the different schedule if one has been adopted, under which the exemption was granted. The tax exemptions for the succeeding years shall be granted without the taxpayer having to file an application for the succeeding years. [68GA, ch 84,§5]

Referred to in §368 10, 404 2, 404 4, 419 17

**404.6 Relocation expense of tenant.** Upon application to it and after verification by it, the city shall require compensation of at least one month's rent and may require compensation of actual relocation expenses be paid to a qualified tenant whose displacement is due to action on the part of a property owner to qualify for the benefits under this chapter. However, the city may require the persons causing the qualified tenant to be displaced to pay all or a part of the relocation payments as a condition for receiving a tax exemption under section 404.3. "Qualified tenant" as used in this chapter shall mean the legal occupant of a residential dwelling unit which is located within a designated revitalization area and who has occupied the same dwelling unit continuously since one year prior to the city's adoption of the plan pursuant to section 404.2. [68GA, ch 84,§6]

Referred to in §368 10, 419 17

**404.7 Repeal of ordinance.** When in the opinion of the governing body of a city the desired level of revitalization has been attained or economic conditions are such that the continuation of the exemption granted by this chapter would cease to be of benefit to the city, the governing body may repeal the ordinance establishing a revitalization area. In that event, all existing exemptions shall continue until their expiration. [68GA, ch 84,§7]

Referred to in §368 10, 419 17

**404.8 Productivity—additional tax not applicable.** Residential real estate located within an area designated as a revitalization area pursuant to section 404.1, is not subject to the additional tax imposed by section 445.63.

Agricultural real estate located within an area designated as a revitalization area pursuant to section 404.1 may be exempt from the additional tax imposed by section 445.63 at the discretion of the governing body of the city. However, before the governing body may exempt agricultural real estate from the imposition of the additional tax, it must have present at the public hearing required to be held under section 404.2 evidence of the waiver of the imposition of the tax and the potential amount of the additional taxes that will not be collected. [68GA, ch 84,§8]

**CHAPTER 405**  
**MUNICIPAL ASSISTANCE FUND**

Referred to in §411.20

**405.1 Fund created—distribution.**

**405.1 Fund created—distribution.** There is created a "municipal assistance fund" in the office of the treasurer of state.

On or before December 15 of each fiscal year, the state comptroller shall distribute the moneys in the municipal assistance fund to each city in the state in the proportion that the population of each city is to the total population of all cities in the state. However, the comptroller shall in no event distribute in any year to any city an amount in excess of one-half the amount to be collected from property tax levies by that city for that year. Any moneys remaining in the municipal assistance fund shall remain in the fund and be available for distribution the following year.

1. The population of each city shall be determined by the latest available federal census. An incorporated city may have one special federal census taken each decade, and the population figure obtained shall be used in apportioning amounts under this section beginning the calendar year following the year in which the special census is certified to the secretary of state.

2. In any case where an incorporated city has been incorporated since the latest available federal census, the mayor and council shall certify to the treasurer of state the actual population of the incor-

porated city as of the date of incorporation and its apportionment of funds under this section shall be based upon such certification until the next federal census enumeration. Any community which has dissolved its corporation shall not receive any apportionment of funds under this section after its dissolution.

3. In any case where an incorporated city has annexed any territory since the last regular or special federal census, the mayor and council shall certify to the treasurer of state the actual population of the annexed territory as determined by the last certified federal census of the territory and the apportionment of funds under this section shall be based upon the population of the city as modified by the certification of the population of the annexed territory until the next regular or special federal census enumeration.

4. In any case where two or more incorporated cities have consolidated, the apportionment of funds under this section shall be based upon the population of the incorporated city resulting from the consolidation and shall be determined by combining the population of all incorporated cities involved in the consolidation as determined by the last regular or special federal census enumeration for the consolidating city. **409.5 Grade of streets.** The council may require the owner of the land to bring all streets to a grade acceptable to the council and may also require the installation of sidewalks, paving, sewers, water, gas, and electric utilities before the plat is approved.

The council or commission may tentatively approve such plat prior to such installation, but any such tentative approval shall be revocable. In lieu of the completion of such improvements and utilities prior to the final approval of the plat, the council or commission may accept a bond with surety to secure to the city the actual construction and installation of such improvements or utilities within a fixed time and according to specifications determined by or in accordance with the regulation of the council or commission. the opinion of the attorney or the certificate of the recorder may show a mortgage or encumbrance if the plat is accompanied by a consent to such platting by the holder of the mortgage or encumbrance and a release from the mortgage or encumbrance of all streets, easements and other areas to be conveyed or dedicated to the local governmental unit within which such land is located. Sections 409.10 and 409.11 shall not apply if a mortgage or encumbrance is shown on the opinion of the attorney or the certificate of the recorder and a release from the mortgage or encumbrance is obtained in accordance with the foregoing sentence.

**409.14 Approval condition to filing and recording.** No county recorder shall hereafter file or record, nor permit to be filed or recorded, any plat purporting to lay out or subdivide any tract of land into lots and blocks within any city having a population by the latest federal census of twenty-five thousand or over, or within a city of any size which by ordinance adopts the restrictions of this section or, except as hereinafter provided, within two miles of the limits of such city, unless such plat has been first filed with and approved by the council of such city as provided in section 409.7, after review and recommendation by the city plan commission in cities where such commission exists.

If in any case the limits of any such city are at any place less than four miles distant from the limits of any other city, then at such place jurisdiction to approve plats shall extend to a line equidistant between the limits of said cities.

For the information of the city council and the city plan commission, where such exists, and to facilitate action on proposed plats, the city council shall have authority by ordinance to prescribe reasonable rules and regulations governing the form of said plats and require such data and information to accompany same on presentation for approval as may be deemed necessary by the said council.

Said plats shall be examined by such city council, and city plan commission where such exists, with a view to ascertaining whether the same conform to the statutes relating to plats within the city and within the limits prescribed by this section, and whether streets, alleys, boulevards, parks and public places shall conform to the general plat of the city and conduce to an orderly development thereof, and not conflict or interfere with rights of way or extensions of streets or alleys already established, or otherwise interfere with the carrying out of the comprehensive city plan, in case such has been adopted by such city. If such plats shall conform to the statutes of the state and ordinances of such city, and if they shall fall within the general plan for such city and the extensions thereof, regard being had for public streets, alleys, parks, sewer connections, water service, and service of other utilities, then it shall be the duty of said council and commission to endorse their approval upon the plat submitted to it; provided that the city council may require as a condition of approval of such plats that the owner of the land bring all streets to a grade acceptable to the council, and comply with such other reasonable requirements in

regard to installation of public utilities, or other improvements, as the council may deem requisite for the protection of the public interest.

The council may require that the owner of the land or his contractor, furnish a good and sufficient bond for the installation of the said improvements according to city specifications and for the repairs necessitated by defects in material or workmanship not to exceed two years from and after completion.

The approval of the city council shall be deemed an acceptance of the proposed dedication for public use, and owners and purchasers shall be deemed to have notice of the public plans, maps and reports of the council and city plan commission, if any, having charge of the design, construction and maintenance of the city streets affecting such property within the jurisdiction of such cities.

If any such plat of land is tendered for recording in the office of the county recorder of any county in which any city of the above class may be situated, it shall be the duty of such county recorder to examine such plat, to ascertain whether the endorsement of approval by the city council, as herein provided for, shall appear thereon. If it shall, and the plat otherwise conforms to the provisions of law, said officer shall accept same for recording. If such endorsement does not appear thereon said officer shall refuse and decline to accept such plat, and any filing thereof shall be void. Any failure to observe the provisions of this section on the part of any county recorder shall constitute a simple misdemeanor in office. [C27, 31, 35,§6278-b1; C39,§6278.1; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§409.14]

If said plat is disapproved by the council such disapproval shall point out wherein said proposed plat is objectionable. From the action of the council refusing to approve any such plat, the applicant shall have the right to appeal to the district court within twenty days after such rejection by filing written notice of appeal with the city clerk. Such appeal shall be triable de novo as an equitable proceeding and accorded such preference in assignment as to assure its prompt disposition. [C27, 31, 35,§6278-b2; C39,§6278.2; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§409.15]

**409.16 Void plat—action to annul.** In case any plat shall be filed and recorded in violation of sections 409.14 and 409.15, the same shall be void, and the mayor of any city who shall be authorized so to do by resolution of the council having authority to approve such plat, may institute a suit in equity in the district court in which suit the court may order such plat expunged from the records. #### 409.30 Monumentation.

1. Prior to the offering of the plat of any subdivision for record, the registered land surveyor shall confirm the prior establishment of permanent control monuments at each controlling corner on the boundaries of the parcel or tract of land being subdivided. If no permanent control monuments exist, the registered land surveyor shall establish at least two permanent control monuments for each block created, or if the area subdivided into lots is less than a block in size, at least two permanent control monuments shall be established for the subdivision. Permanent control monuments shall be constructed of reasonably permanent material solidly embedded in the ground and capable of being detected by commonly used magnetic or electronic equipment. The registered land surveyor shall affix a cap of reasonably inert material bearing an embossed or stencil cut marking of the Iowa registration number of the registered land surveyor to the top of the monument.

2. Other monuments established prior to the recording of the plat of the subdivision and described on the plat shall be considered monuments of record and shall be given the same weight as original perma-

nent control monuments if the monuments remain undisturbed in their original positions. The additional monuments shall be constructed and embedded according to the provisions for permanent control monuments prescribed in subsection 1 of this section.

3. Monuments other than the permanent control monuments required in subsection 1 of this section shall not be required to be established before the recording of the plat or the conveyancing of lands by reference to the plat if the registered land surveyor includes in the surveyor's statement on the plat that the additional monuments required by this chapter or by any local ordinance shall be established before a date specified in the statement or within one year from the date the plat is signed by the registered land surveyor, whichever is earlier.

4. Additional monuments shall be constructed and embedded according to the provisions for permanent control monuments prescribed in subsection 1 of this section, and shall be set at all of the following locations whether set prior to the recording of the plat, or subsequent to such recording:

a. At every corner and angle point of every lot, block or parcel of land created.

b. At every point of intersection of the outer boundary of the subdivision with an existing or created right of way line of any street, railroad, or other way.

c. At every point of curve, tangency, reversed curve, or compounded curve on every right of way line established.

When the placement of a monument required by this chapter at the prescribed location is impractical, it is permissible to establish a reference monument in close proximity to the prescribed location. If the reference monument is established prior to the recording of the plat and its location properly shown on the plat, the reference monument shall have the same status as other monuments of record. Where any point requiring monumentation has been previously monumented, the existence of the monument shall be confirmed by the registered land surveyor. The existing monument shall be considered a monument of record when properly shown and described on the recorded plat. [C77, 79, §409.30]

2. The size of each sheet showing any portion of the subdivided lands shall not be greater than eighteen inches by twenty-four inches nor less than eight and one-half inches by eleven inches.

3. Whenever more than one sheet is used to accurately portray the lands subdivided, each sheet shall display both the number of the sheet and the total number of sheets included in the plat, as well as clearly labeled match lines indicating where the other

sheets adjoin. An index sheet shall be provided to show the relationship between the sheets.

4. A maximum scale of one hundred feet to one inch shall be used unless permission to use a different scale is obtained in writing from the local governing body. The scale used shall be clearly stated and graphically illustrated by a bar scale drawn on every sheet showing any portion of the lands subdivided.

5. Subdivisions shall be designated, by name or as otherwise prescribed, in bold letters inside the margin at the top of each sheet included in the plat.

6. An arrow indicating the northern direction shall be drawn in a prominent place on each sheet included in the plat.

7. All monuments to be of record shall be adequately described and clearly identified on the plat. When additional monuments are to be established subsequent to the recording of the plat as provided in section 409.30, subsection 3, the location of the additional monuments shall be shown on the plat.

8. Sufficient survey data shall be shown to positively describe the bounds of every lot, block, street, easement, or other areas shown on the plat, as well as the outer boundaries of the subdivided lands.

9. All distances shall be shown in feet to the nearest one-hundredth of a foot, and in accordance with the definition of a foot adopted by the United States bureau of standards. All measurements shall refer to the horizontal plane.

10. The course of every boundary line shown on the plat shall be indicated by a direct bearing reference or by an angle between the boundary line and an intersecting line having a shown bearing, except when the boundary line has an irregular or constantly changing course, as along a body of water, or when a description of the boundary line is better achieved by measurements shown at points or intervals along a meander line having a shown course. All bearings and angles shown shall be given to at least the nearest minute of arc.

11. Curve data shall be stated in terms of radius, central angle, and tangent, or length of curve, and unless otherwise specified by local ordinance curve data for streets of uniform width may be shown only with reference to the center line, and lots fronting on such curves may show only the chord bearing and distance of such portion of the curve as is included in their boundary. In all other cases, the curve data must be shown for the line affected.

12. The minimum unadjusted acceptable error of closure for all subdivision boundaries shall be 1:10,000 and shall be 1:5,000 for any individual lot.

13. When any lot or portion of the subdivision is bounded by an irregular line, the major portion of that lot or subdivision shall be enclosed by a meander line showing complete data with distances along all lines extending beyond the enclosure to the irregular boundary shown with as much certainty as can be determined or as "more or less", if variable. In all cases, the true boundary shall be clearly indicated on the plat.

14. All interior excepted parcels shall be clearly indicated and labeled, "not a part of this plat".

15. All adjoining properties shall be identified, and where such adjoining properties are a part of a

recorded subdivision, the name of that subdivision shall be shown. If the subdivision platted is a resubdivision of a part or the whole of a previously recorded subdivision, sufficient ties shall be shown to controlling lines appearing on the earlier plat to permit an overlay to be made. Resubdivisions shall be labeled as such in a subtitle following the name of the subdivision wherever the name appears on the plat.

16. The purpose of any easement shown on the plat shall be clearly stated and shall be confined to only those easements pertaining to public utilities including gas, power, telephone, water, sewer, and such drainage easements as are deemed necessary for the orderly development of the land encompassed within the plat. All such easements relative to their usage and maintenance shall be approved by the governing or jurisdictional body prior to the recording of the plat.

17. A strip of land shall not be reserved by the subdivider unless the land is of sufficient size and shape to be of some practical use or service as determined by the governing body.

18. The purpose of all areas dedicated to the public must be clearly indicated on the plat.

19. The plat shall contain a statement by a registered land surveyor that the plat was prepared by the surveyor or under the surveyor's direct personal supervision and shall be signed and dated by the surveyor and bear the surveyor's Iowa registration number or seal. [C77,§409.1, 409.31; C79,§409.31]

**409.32 Affidavit confirming error on plat.** If an appreciable error or omission in the data shown on any plat duly recorded under the provisions of this chapter is detected by subsequent examinations or revealed by a retracement of the lines run during the original survey of the lands as shown on the plat, the registered land surveyor responsible for the original survey and the preparation of the plat may file an affidavit confirming that the error or omission was made, describing the nature and extent of the error or omission and the appropriate correction that should be substituted for the erroneous data shown on the plat. If the registered land surveyor is deceased, or is no longer available, or unwilling to confirm the error or omission, a similar affidavit may be filed by two registered land surveyors confirming the error through an independent survey. In either case where such affidavit has been filed for record, it shall be the duty of the county recorder, assessor, and auditor to place a notation on copies of the plat stating that the affidavit has been filed, the date filed, and the book and page where it is recorded. The affidavit shall have no effect upon the validity of the plat, or on the information shown thereon, but shall be admissible as evidence in a court and given the same weight as testimony offered voluntarily by an expert witness. [C77, 79,§409.32]

**409.33 Applicability.** The provisions of this chapter shall not be applicable to parcels of land divided solely by the conveyance of land for right of way purposes to the state or any of its political subdivisions or other person having the power of eminent domain. [C77, 79,§409.33]

Section 409.33, Code 1975, repealed by 66GA, ch 1190, §16

**409.34 to 409.36** Repealed by 66GA, ch 1190, §16.

**409.37 Requirements.** Such plat shall describe said tract and any other subdivisions of the smallest congressional subdivision of which the same is part, numbering them by progressive numbers, setting forth the courses and distances, the number of acres, and such other memoranda as is necessary; and descriptions of such lots or subdivisions according to the number and designation thereof on said plat shall be deemed sufficient for all purposes. [C73,§570; C97,§924; S13,§924; C24, 27, 31, 35, 39,§6299; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§409.37]

**409.38 Resurvey of city plats.** In all cases where the original plat of any city or any addition thereto or subdivision thereof, has been or may be lost or destroyed after the sale and conveyance of any subdivision, block or lot thereof by the original proprietor and before the same shall have been recorded, or the property so platted has been indefinitely located or the plat is materially defective, any three persons owning real property within the limits of such plat may have the same resurveyed and replatted, and such plat recorded as hereinafter directed. [C97,§925; C24, 27, 31, 35, 39,§6300; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§409.38]

**409.39 Conditions—jurisdiction.** In no case shall such plat or replat be made and recorded as hereinafter directed, without the consent in writing, endorsed thereon, of the original proprietor, if he be alive and known, nor before an order has been entered by the district court upon application of the parties desiring a replat to be made, that such replat is necessary. The court shall have jurisdiction of the matter upon proof of publication of notice of the application for at least two weeks in some newspaper of general circulation in the city. [C97,§925; C24, 27, 31, 35, 39,§6301; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§409.39]

**409.40 How resurvey made.** The county surveyor of any county in which is situated any city, village, or addition thereto, as contemplated in this chapter, may, and upon payment of his legal fees by any person desiring the same must make a resurvey of such city, village, or addition, or any portion, and plat thereof, which plat shall conform as near as may be with the original lines of the parcel or tract so resurveyed, and be made in all respects in accordance with the provisions of this chapter. [C97,§926; S13,§926; C24, 27, 31, 35, 39,§6302; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§409.40]

S13, §926, editorially divided

**409.41 Power of surveyor.** In making a resurvey and plat, the surveyor may summon witnesses, administer oaths, and take and hear evidence touching the original plat lines and subdivisions, whether the original proprietor is dead, and any other matter which may assist in arriving at and establishing the true lines and boundaries. [C97,§926; S13,§926; C24, 27, 31, 35, 39,§6303; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§409.41]

**409.42 Notice of resurvey.** No resurvey shall be made except upon notice to be given by the surveyor

by a publication of the contemplated resurvey once each week for two consecutive weeks in some newspaper printed in the county. [C97,§926; S13,§926; C24, 27, 31, 35, 39,§6304; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§409.42]

**409.43 Plat certified and filed—effect.** When the surveyor has completed the plat pursuant to the resurvey, the surveyor shall attach a statement that the resurvey plat was prepared by the surveyor or under the surveyor's direct personal supervision and shall be signed by such surveyor, dated, and bear the surveyor's Iowa registration number or seal; and the resurvey plat shall be filed for record in the offices of the county recorder, county auditor and assessor, and from the date of such filing it shall be treated in all courts of this state as though the same had been made by the proprietor thereof.

Any resurvey plat so recorded shall supersede a previously recorded plat for assessment and taxation purposes unless the county auditor objects thereto in writing. A person aggrieved by an objection of the auditor may appeal within thirty days after the mailing of the written objection to the board of supervisors as provided in chapter 441. [C97,§927; C24, 27, 31, 35, 39,§6305; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§409.43]

**409.44 Contest—decree.** Any person may at any time within six months from the date of its filing for record, commence an action in equity against the persons employing the surveyor, setting up his cause of complaint and asking that such record be canceled. If it appears on the trial that the city, village, or addition was originally laid out and platted; that the original proprietor had sold any or all of the lots thereof; that he intended to dedicate to the public the streets, alleys, or public squares therein; that the plat thereof has never been recorded, but is lost; that the plat was

indefinitely located or materially defective; that the proprietor is dead or his place of residence unknown; and that the resurvey and plat for record is a substantially accurate survey and plat of the original plat of such city, village, or addition, then the action shall be dismissed at the cost of the complainants; otherwise the court shall set aside said plat and cancel the same of record at the cost of the defendant. [C97,§925; C24, 27, 31, 35, 39,§6306; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§409.44]

**409.45 Sale or lease without plat.** Any person who shall dispose of or offer for sale or lease any lots in any city or addition to any city, until the plat thereof has been acknowledged and recorded as provided in this chapter, shall forfeit and pay fifty dollars for each lot and part of lot sold or disposed of, leased, or offered for sale. [R60,§1027; C73,§572; C97,§930; C24, 27, 31, 35, 39,§6307; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§409.45]

**409.46 and 409.47** Repealed by 63GA, ch 1025, §72, 73.

**409.48 Assessment of platted lots.** When any plat is made, filed and recorded by the proprietor or owners under the provisions of this chapter, the individual lots contained therein shall not be assessed in excess of the total assessment of the land as acreage or unimproved property for a period of three years after the recording of said plat, or until such time as the lots are actually improved with permanent construction upon and within the boundaries of the individual lot or lots whichever period is shorter. When an individual lot has been improved with permanent construction, it shall then be assessed for taxation as provided in chapters 428 and 441.

The provisions of this section shall have no effect upon special assessment tax levies. [C58, 62, 66, 71, 73, 75, 77, 79,§409.48]

**410.1 Pension funds.** Any city having an organized fire department may, and all cities having an organized police department or a paid fire depart-

ment shall, levy annually on taxable property a tax not to exceed three and three-eighths cents per thousand dollars of assessed value for each such depart-

ment, for the purpose of creating firemen's and policemen's pension funds.

Provided that cities having a population of more than six thousand five hundred may annually levy on taxable property a tax of not more than thirteen and one-half cents per thousand dollars of assessed value for each such department for such purpose. Provided, further, that cities, in which a police or fire retirement system based upon actuarial tables shall be established by law, shall levy for the police or fire pension funds a tax sufficient in amount to meet all necessary obligations and expenditures; and said obligations and expenditures shall be direct liabilities of said cities.

Whenever there is a sufficient balance in both of said funds to meet any proper or legitimate charges that may be made against the same, such city shall not be required to levy a tax for this purpose.

All moneys derived from each tax so levied, and all moneys received as membership fees and dues, and all moneys received from grants, donations, and devises for the benefit of each fund shall constitute separate funds, to be known and designated as a policemen's pension fund and a firemen's pension fund.

The provisions of this chapter shall not apply to policemen and firemen who entered employment after March 2, 1934, except that any policeman or fireman who had been making payments of membership fees and assessments as provided in section 410.5 prior to July 1, 1971, shall on July 1, 1973, be fully restored and entitled to all pension rights and benefits, vested or not vested, under this chapter if the city has not returned to such policeman or fireman the membership fees and assessments paid by him prior to July 1, 1971, and if such policeman or fireman pays to the city within six months after July 1, 1973, the amount of the fees and assessments that he would have paid to his policemen's or firemen's pension fund from July 1, 1971, to July 1, 1973, if Acts of the 1971 Session, Sixty-fourth General Assembly, chapter 108, had not been adopted. If the membership fees and assessments paid by such policeman or fireman prior to July 1, 1971, have been returned to him, all pension rights and benefits, vested or not vested, under this chapter shall be fully restored to him on July 1, 1973, if, within six months after July 1, 1973, such policeman or fireman repays the fees and assessments so returned and pays the amount of the fees and assessments to the city that he would have paid to his policemen's or firemen's pension fund from July 1, 1971, to July 1, 1973, if Acts of the Sixty-fourth General Assembly, 1971 Session, chapter 108 had not been adopted. [S13,§932-a,-j; C24, 27, 31, 35, 39,§6310; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§410.1]

**410.2 Boards of trustees—officers.** The chief officer of each department, with the city treasurer and the city solicitor or attorney of such cities, shall be ex officio members of and shall constitute separate boards of trustees for the management of each fund. The chief officer of the department shall be president and the city treasurer, treasurer of such boards, and the faithful performance of the duties of the treasurer shall be secured by his official bond as city treasurer. Such trustees shall not receive any compensation for their services as members of said boards. Pro-

vided, however, that in any city where contributory fire and/or police retirement systems based upon actuarial tables shall be established by this Act\* for the benefit of policemen and/or firemen appointed to the force after the establishment of same, the board of trustees of each such system, respectively, shall also constitute the board of trustees for the management of each fund under this section as a separate and distinct fund in itself. [S13,§932-a,-b,-j,-k; C24, 27, 31, 35, 39,§6311; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§410.2]

\*45ExGA, ch 75, effective date March 2, 1934

**410.3 Investment of surplus.** The boards shall have power to invest any surplus left in such funds, respectively, at the end of the fiscal year, but no part of the funds realized from any tax levy shall be used for any purpose other than the payment of pensions. Investments shall be in interest-bearing bonds, notes, certificates, or other evidences of indebtedness which are obligations of or guaranteed by the United States, or in interest-bearing bonds of the state of Iowa, of any county, township, or municipal corporation of the state of Iowa. All such securities shall be deposited with the treasurer of the boards of trustees for safekeeping. [S13,§932-1; SS15,§932-c; C24, 27, 31, 35, 39,§6312; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§410.3]

**410.4 Gifts, devises, or bequests.** Each board may take by gift, grant, devise, or bequest, any money or property, real or personal, or other thing of value for the benefit of said funds. All rewards in moneys, fees, gifts, or emoluments of every kind or nature that may be paid or given to any police or fire department or to any member thereof, except when allowed to be retained or given to endow a medal or other permanent or competitive reward on account of extraordinary services rendered by said departments or any member thereof, and all fines and penalties imposed upon members, shall be paid into the said pension fund and become a part thereof. [S13,§932-d,-m; C24, 27, 31, 35, 39,§6313; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§410.4]

**410.5 Membership fee—assessments.** Every member of said departments shall be required to pay to the treasurer of said funds a membership fee to be fixed by the board of trustees, not exceeding five dollars, and shall also be assessed and required to pay annually an amount equal to one percent per annum upon the amount of the annual salary paid to him, which assessment shall be deducted and retained in equal monthly installments out of such salary. [S13,§932-d,-m; C24, 27, 31, 35, 39,§6314; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§410.5]

Referred to in §410 1

**410.6 Who entitled to pension—conditions.** Any member of said departments who shall have served twenty-two years or more in such department, and shall have reached the age of fifty years; or who shall while a member of such department become mentally or physically permanently disabled from discharging his duties, shall be entitled to be retired, and upon retirement shall be paid out of the pension fund of such department a monthly pension equal to one-half the

amount of salary received by him monthly at the date he actually retires from said department. If any member shall have served twenty-two years in said department, but shall not have reached the age of fifty years, he shall be entitled to retirement, but no pension shall be paid while he lives until he reaches the age of fifty years.

Upon the adoption of any increase in pension benefits effective subsequent to the date of a member's retirement, the amount payable to each member as his regular pension shall be increased by an amount equal to fifty percent of any increase in the pension benefits for the rank at which the member retired.

Pensions payable under this chapter shall be adjusted as follows:

1. As of the first of July each year, the monthly pension authorized in this chapter payable to each retired member and to each beneficiary, except children, of a deceased member shall be recomputed. The applicable formulas authorized in this chapter which were used to compute the retired member's or beneficiary's pension at the time of retirement or death shall be used in the recomputation except the earnable compensation payable on each July 1 to an active member having the same or equivalent rank or position as was held by such retired or deceased member at the time of retirement or death, shall be used in lieu of the final compensation which the retired or deceased member was receiving at the time of retirement or death. At no time shall the monthly pension or payment to the beneficiary be less than the amount which was paid at the time of such member's retirement or death.

2. All monthly pensions adjusted as provided in this section shall be payable beginning on July 1 of the year which the adjustment is made and shall continue in effect until the next following July 1 at which time the monthly pension shall again be recomputed and all monthly pensions adjusted in accordance with the computations.

3. The adjustment of pensions required by this section shall recognize the retired or deceased member's position on the salary scale within his rank at the time of his retirement or death. In the event that the rank or position held by the retired or deceased member at the time of his retirement or death is subsequently abolished, adjustments in the pensions of the member or of the member's spouse or children shall be computed by the board of trustees as though such rank or position had not been abolished and salary increases had been granted to such rank or position on the same basis as that granted to other ranks and positions in the department.

At no time shall the monthly pension or payment to the member be less than one hundred fifty dollars. [S13,§932-e,-n; C24, 27, 31, 35, 39,§6315; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§410.6; 68GA, ch 35,§8]

Referred to in §410.10(1)

**410.7 Soldiers and sailors.** Any member of the fire or police department, who resigned or obtained leave of absence therefrom to serve in the United States air force or air force reserve, army, navy or marine reserve, or marine corps, of the United States, or as a member of the United States army and navy reserve, the Spanish-American War, in the World

War 1917-1918, or in World War II from December 7, 1941, to December 31, 1946, both dates inclusive, or in the Korean Conflict at any time between June 25, 1950, and January 31, 1955, both dates inclusive, or in the Vietnam Conflict at any time between August 5, 1964, and ending on the date the armed forces of the United States are directed by formal order of the government of the United States to cease hostilities, both dates inclusive, and has returned with an honorable discharge from such service, to the fire or police department, shall have the period of such service included as part of his period of service in the department. [C27, 31, 35,§6315-b1; C39,§6315.1; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§410.7]

**410.8 Disability—how contracted.** No member who has not served five years or more in said department shall be entitled to be retired and paid a pension under the provisions of this chapter, unless such disability was contracted while engaged in the performance of his duties, or by reason of following such occupation. The question of disability shall be determined by the trustees upon the concurring report of at least two out of three physicians designated by the board of trustees to make a complete physical examination of the member. After any member shall become entitled to be retired, such right shall not be lost or forfeited by discharge or for any other reason except conviction for felony. [S13,§932-e,-n; C24, 27, 31, 35, 39,§6316; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§410.8]

**410.9 Retired members assigned for light duty.** The chief of the police department and the chief of the fire department of such city may assign any member of such departments, respectively, retired by reason of mental or physical disability under the provisions of this chapter, to the performance of light duties in such department. [S13,§932-e,-n; C24, 27, 31, 35, 39,§6317; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§410.9]

**410.10 Pensions—surviving spouse—children—dependents.** Upon the death of any acting or retired member of such departments, leaving a spouse or minor children, or dependent father or mother surviving, there shall be paid out of said fund as follows:

1. To the surviving spouse, so long as said spouse remains unmarried and of good moral character, a sum equal to one-half of the deceased member's total adjusted pension as provided for in section 410.6, but in no event less than seventy-five dollars per month.

2. If there be no surviving spouse, or upon the death or remarriage of such spouse, then to the dependent father and mother, if both survive, or to either dependent parent, if one survives, thirty dollars per month.

3. To the guardian of each surviving child under eighteen years of age, twenty dollars per month.

Provided, however, that the benefits provided by this section shall be subject to the following definitions: The term "spouse" shall mean only such surviving spouse of a marriage contracted prior to retirement of a deceased member from active service, or of a marriage of a retired member contracted prior to March 2, 1934. The terms "child" and "children" shall

mean only the surviving issue of a deceased active or retired member, or the child or children legally adopted by a deceased member prior to his retirement from active service, or by a member now retired prior to March 2, 1934.

This section and its provisions shall be interpreted for all purposes as including all surviving spouses. [S13,§932-e,-n; C24, 27, 31, 35, 39,§6318; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§410.10]

**410.11 Exemption.** All pensions paid under the provisions of this chapter shall be exempt from liability for debts of the person to or on account of whom the same is paid, and shall not be subject to seizure upon execution or other process. [S13,§932-e,-n; C24, 27, 31, 35, 39,§6319; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§410.11]

**410.12 Volunteer or call firemen.** The provisions of this chapter shall apply to volunteer or call members of a paid fire department, but the amount of pension to be paid to such members shall be determined by the board of trustees. [S13,§932-e; C24, 27, 31, 35, 39,§6320; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§410.12]

**410.13 Re-examination of retired members.** The board of trustees of each department shall have power, at any time, to cause any member of such department retired by reason of physical or mental disability to be brought before it and again examined by three competent physicians appointed by the board of trustees to discover whether such disability yet continues and can be improved and whether such retired member should be continued on the pension roll, and shall have power to examine witnesses for the same purpose. The question of continued disability or ability to perform regular or light duty in the police or fire department shall be determined by the concurring report of at least two of the three examining physicians. Such member shall be entitled to reasonable notice that such examination will be made, and to be present at the time of the taking of any testimony, shall have the right to examine the witnesses brought before the board and to introduce evidence in his own behalf. b. Any member in service who has been a member of the retirement system fifteen or more years and whose employment is terminated prior to the member's retirement, other than by death or disability, shall upon attaining retirement age, receive a service retirement allowance of fifteen twenty-seconds of the retirement allowance the member would receive at retirement if his or her employment had not been terminated, and an additional one twenty-second of such retirement allowance for each additional year of service not exceeding twenty-two years of service. The amount of the retirement allowance shall be based on the average final compensation at the time of termination of employment.

2. *Allowance on service retirement.* Upon retirement from service, a member shall receive a service retirement allowance which shall consist of a pension given by the city which shall equal one-half of the member's average final compensation.

Referred to in subsection 11

3. *Ordinary disability retirement benefit.* Upon the application of a member in service or of the chief of the police or fire departments, respectively, any member shall be retired by the respective board of trustees, not less than thirty and not more than ninety days next following the date of filing such application, on an ordinary disability retirement allow-

4. *Allowance on ordinary disability retirement.* Upon retirement for ordinary disability a member shall receive an ordinary disability retirement allowance which shall consist of a pension which shall equal forty percent of the member's average final compensation except if the member has not had five or more years of membership service the member shall receive a pension equal to one-fourth of the member's average final compensation.

Referred to in subsection 11

5. *Accidental disability benefit.* Upon application of a member in service or of the chief of the police or fire departments, respectively, any member who has become totally and permanently incapacitated for duty as the natural and proximate result of an injury or disease incurred in or aggravated by the actual performance of duty at some definite time and place, or while acting pursuant to order, outside of the city by which he is regularly employed, shall be retired by the respective board of trustees, provided, that the medical board shall certify that such member is mentally or physically incapacitated for further performance of duty, that such incapacity is likely to be permanent and that such member should be retired.

Should a member in service or the chief of the police or fire departments become incapacitated for duty as a natural or proximate result of an injury or disease incurred in or aggravated by the actual performance of duty at some definite time or place or while acting, pursuant to order, outside the city by which he is regularly employed, he shall, upon being found to be temporarily incapacitated following an examination by the board of trustees, be entitled to receive his full pay and allowances until re-examined by said board and found to be fully recovered or permanently disabled.

Such examination shall be made by the medical board or in spe-

a. Should any beneficiary for either ordinary or accidental disability, except a beneficiary who is fifty-five years of age or over and would have completed twenty-two years of service if he or she had remained in active service, be engaged in a gainful occupation paying more than the difference between the member's retirement allowance and the earnable compensation of an active member at the same position on the salary scale within the member's rank as the member held at retirement, then the amount of the member's retirement allowance shall be reduced to an amount which together with the amount earned by the member shall equal the amount of the current earnable compensation of an active member at the same position on the salary scale within the member's rank as the member held at retirement. A beneficiary restored to active service at a salary less than the average final compensation upon the basis of which the member was retired at age fifty-five or greater, shall not again become a member of the retirement system and shall have his or her retirement allowance suspended while in active service. If the rank or position held by the retired member is subsequently abolished, adjustments to the allowable limit on the amount of income which can be earned in a gainful occupation shall be computed in the same manner as provided in subsection 12, paragraph "c," of this section for readjustment of pensions when a rank or position has been abolished.

A beneficiary retired under the provisions of this paragraph in order to be eligible for continued receipt of retirement benefits shall no later than May 15 of each year submit to the board of trustees a copy of his or her state income tax return for the preceding year.

Retroactive to July 1, 1976, the limitations on pay of a member engaged in a gainful occupation who is retired under accidental disability prescribed in this paragraph shall not apply to a member who retired before July 1, 1976.

b. Should a disability beneficiary under age fifty-five be restored to active service at a compensation not less than his average final compensation, his retirement allowance shall cease, he shall again become a member and he shall contribute thereafter at the same rate he paid prior to disability, and any former

service on the basis of which his service was computed at the time of his retirement shall be restored to full force and effect and upon his subsequent retirement he shall be credited with all his service as a member and also with the period of disability retirement, provided that during such period of disability he has not engaged in a gainful occupation from which his net earnings exceeded the difference between his disability retirement allowance and the amount he would have received for said period if his compensation at the time of disability had continued.

8. *Ordinary death benefit.* Upon the receipt of proper proofs of the death of a member in service, or a member not in service who has completed fifteen or more years of service as provided in subsection 1, paragraph "c", of this section, there shall be paid to such person having an insurable interest in the member's life as the member shall have nominated by written designation duly executed and filed with the respective board of trustees:

An amount equal to the following percentages of the difference between the monthly earnable compensation payable to an active member of the department, of the same rank and position on the salary scale as was held by the retired or deceased member at the time of the member's retirement or death, for July of the preceding year and the monthly earnable compensation payable to an active member of the department of the same rank and position on the salary scale for July of the year just beginning shall be added to the monthly pension of each retired member and each beneficiary as follows:

(1) Twenty-five percent for members receiving a service retirement allowance and for beneficiaries receiving a pension under subsection 9 of this section.

c. The adjustment of pensions required by this subsection shall recognize the retired or deceased member's position on the salary scale within his rank at the time of his retirement or death. In the event that the rank or position held by the retired or deceased member at the time of retirement or death is subsequently abolished, adjustments in the pensions of the member or of the member's spouse or children shall be computed by the board of trustees as though such rank or position had not been abolished and salary increases had been granted to such rank or position on the same basis as increases granted to other ranks and positions in the department.

The city treasurer may sell any securities in such funds and reinvest the proceeds in accordance with the direction of the respective boards of trustees when such action may be deemed advisable by the trustees for the protection of said funds or the preservation of the value of the investment.

Referred to in subsection 1

3. The treasurer of the said cities shall be the custodian of the several funds. All payments from said funds shall be made by him only upon vouchers signed by two persons designated by the respective board of trustees. **411.8 Method of financing.** All the assets of each retirement system created and established by this chapter shall be credited according to the purpose for which they are held to one of three funds, namely, the pension accumulation fund, the pension reserve fund, and the expense fund.

1. *Pension accumulation fund.* The pension accumulation fund shall be the fund in which shall be accumulated all moneys for the payment of all pensions and other benefits payable from contributions made by the said cities and the members and from which shall be paid the lump-sum death benefits for all members payable from the said contributions. Contributions to and payments from the pension accumulation fund shall be as follows:

a. On account of each member there shall be paid annually into the pension accumulation fund by the said cities an amount equal to a certain percentage of the earnable compensation of the member to be known as the "normal contribution". The rate percent of such contribution shall be fixed on the basis of the liabilities of the retirement system as shown by annual actuarial valuations.

b. On the basis of the rate of interest and of such mortality, interest and other tables as shall be adopted by the boards of trustees, the actuary engaged by the said boards to make each valuation required by this chapter, shall immediately after making such valuation, determine the "normal contribution rate". The normal contribution rate shall be the rate percent of the earnable compensation of all members obtained by deducting from the total liabilities of the fund the amount of the funds in hand to the credit of the fund and dividing the remainder by one percent of the present value of the prospective future compensation of all members as computed on the basis of the rate of interest and of mortality and service tables adopted by the boards of trustees, all reduced by the employee contribution made pursuant to paragraph "f" of this subsection. The normal rate of contribution shall be determined by the actuary after each valuation.

c. The total amount payable in each year to the pension accumulation fund shall be not less than the rate percent known as the normal contribution rate of the total compensation earnable by all members during the year, provided, however, that the aggregate payment by the said cities shall be sufficient when combined with the amount in the fund to provide the pensions and other benefits payable out of the fund during the then current year.

d. All lump-sum death benefits on account of death in active service payable from contributions of the said cities shall be paid from the pension accumulation fund.

e. Upon the retirement or death of a member an amount equal to the pension reserve on any pension payable to him or her or on account of his or her death shall be transferred from the pension accumulation fund to the pension reserve fund.

f. An amount equal to two and twenty-one hundredths percent of each member's compensation from the earnable compensation of the member shall be paid to the pension accumulation fund.

g. Each board of trustees shall certify to the superintendent of public safety as defined in this chapter and the superintendent of public safety as defined in this chapter shall cause to be deducted from the earnable compensation of each member the contribution required under paragraph "f" of this subsection and shall forward the contributions to the board of trustees for recording and for deposit in the pension accumulation fund.

The deductions provided for under this subsection shall be made notwithstanding that the minimum compensation provided by law for any member is reduced. Every member is deemed to consent to the deductions made under this section.

2. *Pension reserve fund.* The pension reserve fund shall be the fund in which shall be held the reserves on all pensions granted to members or to their beneficiaries and from which such pensions and benefits in lieu thereof shall be paid. Should a beneficiary retired on account of disability be restored to active service and again become a member of the retirement system, his pension reserve shall be transferred from the pension reserve fund to the pension accumulation fund. Should the pension of a disability beneficiary be reduced as a result of an increase in his amount earned, the amount of the annual reduction in his pension shall be paid annually into the pension accumulation fund during the period of such reduction.

3. *Expense fund.* The expense fund shall be the fund to which shall be credited all money provided by the said cities to pay the administration expenses of the retirement system and from which shall be paid all the expenses necessary in connection with the administration and operation of the system. Annually the boards of trustees shall estimate the amount of money necessary to be paid into the expense fund during the ensuing year to provide for the expense of operation of the retirement system. [C35,§6326-f8; C39,§6326.10; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§411.8]

Such member shall not be required to continue the contributions required of him under section 411.8 during such period of military service, provided that he shall, within six months after he has been discharged or separated under honorable conditions from such military service, return and resume his duties in the department, and provided further, that such member shall be declared physically capable of resuming such duties upon ex-

Should any change or errors in records result in any member or beneficiary receiving from the retirement system more or less than he or she would have been entitled to receive had the records been correct, the respective board of trustees shall correct such error, and, as far as practicable, shall adjust the payments in such a manner that the actuarial equivalent of the benefit to which such member or beneficiary was correctly entitled, shall be paid. [C35, §6326-f12; C39, §6326.14; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §411.14]

Assets held by the system electing to transfer investment authority shall either be transferred in cash or market value plus accrued interest. The assets of the system may be commingled with assets of the peace officers' retirement, accident and disability system for purposes of investment, and no system shall have any right to any specific asset deposited in any of the peace officers' retirement, accident and disability funds other than its undivided interest in all assets. The board of trustees of chapter 97A shall maintain the necessary records to determine the interest of any system in the funds. All income or gain realized from investments of moneys in the funds and all investment expense or loss shall be allocated to the funds of each system in the same ratio that the average quarterly balances based on market values of the funds of each system bear to the total average quarterly balance of the funds in chapter 97A.

The board of trustees electing to transfer investment authority may withdraw in total or in part its

assets from the funds established under chapter 97A. Withdrawal shall be by written notice and the amount payable shall be the balance as of the end of the quarter next following receipt of the notice. [C77, 79, §411.18]

**411.19 Transfer of benefits to another city.** A member of a retirement system established in this chapter who terminates employment with a city and is subsequently employed by another city and is eligible for coverage under this chapter may transfer membership service earned under the first system to the system under which the member is employed. Upon the written request of the member with verification by the board of trustees of the system under which the member is employed, the board of trustees of the first system shall transmit to the board of trustees of the system under which the member is employed, within thirty days of the receipt of the request, the member's accumulated contributions to be deposited in the annuity savings fund of the system under which the member is employed and the actuarial equivalent of the amount in the pension accumulation fund which would be necessary to fund a pension equal to one twenty-second times the number of years of membership service completed, under the first system, to be deposited in the pension accumulation fund of the system under which the member is employed. [C77, 79, §411.19]

**411.20 Appropriation to municipal assistance fund.** There is appropriated from the general fund of the state to the municipal assistance fund established in chapter 405 for each fiscal year an amount necessary to be distributed to cities which have established fire and police retirement systems under the provisions of this chapter. Funds shall be used to finance the costs of benefits provided in this chapter by amendments of the Acts of the Sixty-sixth General Assembly, chapter 1089.

Commencing with the fiscal year beginning July 1, 1979, the amounts distributed to each eligible city to pay the state's portion of the costs of benefit improvements provided by the Sixty-sixth General Assembly, chapter 1089 shall be computed by the actuary employed by the respective board of trustees on the basis of the results of actuarial studies performed by such actuary for the fiscal years beginning July 1, 1978 and July 1, 1979 as provided in this section.

Prior to December 31, 1979 the actuary employed by the respective board of trustees shall perform the actuarial valuations of the system which are needed to determine the state's portion of the cost of the benefit improvements provided by the Acts of the Sixty-sixth General Assembly, chapter 1089, for the fiscal year commencing July 1, 1979, under this section as this section was effective on June 30, 1978. In addition, the actuary shall perform the actuarial valuations of the system which would have been needed to determine the state's portion of the cost of the benefit improvements under this section as this section was effective on June 30, 1978, for the fiscal year commencing July 1, 1978.

On the basis of the results of the actuarial valuations described above, each actuary employed by a board of trustees shall determine a ratio of the pay-

roll which is determined by dividing the total of the state's portion of the cost of said benefit improvements as determined by the actuarial valuations described for the two fiscal years by the total payroll of the members of the system for the two fiscal years. The actuary shall certify the ratio so determined to the state comptroller.

For the fiscal year commencing July 1, 1979 and each fiscal year thereafter, the state comptroller shall pay to each city an amount equal to the ratio of payroll computed for a city times the payroll of the active members employed under that system by that city for the fiscal year. [C77, 79, §411.20]

However, a member with fifteen or more years of service prior to July 1, 1979, is not eligible for a service retirement allowance under section 411.6 if he or

The officer from whom the appeal is taken shall forthwith transmit to the board all the papers constituting the record upon which the action appealed from was taken. [C24, 27, 31, 35, 39, §6461; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §414.10]

Referred to in §329.12

**414.11 Effect of appeal.** An appeal stays all proceedings in furtherance of the action appealed from, unless the officer from whom the appeal is taken certifies to the board of adjustment after the notice of appeal shall have been filed with him that by reason of facts stated in the certificate a stay would in his opinion cause imminent peril to life or property. In such case proceedings shall not be stayed otherwise than by a restraining order which may be granted by the board of adjustment or by a court of record on application on notice to the officer from whom the appeal is taken and on due cause shown. [C24, 27, 31, 35, 39, §6462; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §414.11]

2. To hear and decide special exceptions to the terms of the ordinance upon which such board is required to pass under such ordinance.

3. To authorize upon appeal in specific cases such variance from the terms of the ordinance as will not be contrary to the public interest, where owing to special conditions a literal enforcement of the provisions of the ordinance will result in unnecessary hardship, and so that the spirit of the ordinance shall be observed and substantial justice done. [C24, 27, 31, 35, 39, §6463; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §414.12]

**414.13 Decision on appeal.** In exercising the above-mentioned powers such board may, in conformity with the provisions of this chapter, reverse or affirm, wholly or partly, or may modify the order, requirement, decision, or determination appealed from and may make such order requirement, decision, or determination as ought to be made, and to that end shall have all the powers of the officer from whom the appeal is taken. [C24, 27, 31, 35, 39, §6464; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §414.13]

Referred to in §329.12

**414.14 Vote required.** The concurring vote of three members of the board in the case of a five-member board, and four members in the case of a seven-member board, shall be necessary to reverse any order, requirement, decision, or determination of any such administrative official, or to decide in favor of the applicant on any matter upon which it is required to pass under any such ordinance or to effect any variation in such ordinance. Such petition shall be presented to the court within thirty days after the filing of the decision in the office of the board. [C24, 27, 31, 35, 39, §6466; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §414.15]

Referred to in §329.12

**414.16 Writ—restraining order.** Upon the presentation of such petition, the court may allow a writ of certiorari directed to the board of adjustment to review such decision of the board of adjustment and shall prescribe therein the time within which a return thereto must be made and served upon the relator's attorney, which shall not be less than ten days and may be extended by the court. The allowance of the writ shall not stay proceedings upon the decision appealed from, but the court may, on application, on notice to the board and on due cause shown, grant a restraining order. [C24, 27, 31, 35, 39, §6467; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §414.16]

The court may reverse or affirm, wholly or partly, or may modify the decision brought up for review.

Costs shall not be allowed against the board, unless it shall appear to the court that it acted with gross negligence or in bad faith or with malice in making the decision appealed from. [C24, 27, 31, 35, 39, §6469; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §414.18]

**414.20 Actions to correct violations.** In case any building or structure is erected, constructed, reconstructed, altered, repaired, converted, or maintained; or any building, structure, or land is used in violation of this chapter or of any ordinance or other regulation made under authority conferred thereby, the council, in addition to other remedies, may institute any appropriate action or proceedings to prevent such unlawful erection, construction, reconstruction, alteration, repair, conversion, maintenance, or use, to restrain, correct, or abate such violation, to prevent the occupancy of said building, structure, or land, or to prevent any illegal act, conduct, business, or use in or about such premises. [C24, 27, 31, 35, 39, §6471; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §414.20]

The ordinance shall describe in general terms the area to be included. The exemption from regulation granted by section 358A.2 to property used for agricultural purposes shall apply to such unincorporated area. If the limits of any such city are at any place less than four miles distant from the limits of any other city which has extended or thereafter extends its zoning jurisdiction under this section, then at such time the powers herein granted shall extend to a line equidistant between the limits of said cities.

A municipality, during the time its zoning jurisdiction is extended under this section, shall increase the size of its planning and zoning commission and its board of adjustment each by two members. The additional members shall be residents of the area outside the city limits over which the zoning jurisdiction is extended. They shall be appointed by the board of supervisors of the county in which such extended area is located and for the same terms of office and have the same rights, privileges, and duties as other members of each of said bodies.

Property owners affected by such zoning regulations shall have the same rights of hearing, protest, and appeal as those within the municipality exercising this power.

Whenever a county in which this power is being exercised by a municipality adopts a county zoning ordinance the power exercised by the municipality and the specific regulations and districts thereunder shall be terminated within three months of the establishment of the administrative authority for county zoning, or at such date as mutually agreed upon by the municipality and county. In the ordinance designating and establishing a restricted residence district, the city may establish reasonable rules for the use and occupancy of buildings of all kinds within the district, and provide that no building or other structure, except residences, schoolhouses, churches and other similar structures, shall be erected, altered, repaired or occupied without first securing from the city council a permit to be issued under reasonable rules as may be provided in the ordinance. An ordinance and rules passed under this section shall not conflict with applicable building and housing codes.

A building or structure erected, altered, repaired, or used in violation of an ordinance passed under this section shall be deemed a nuisance.

When a city has proceeded under the other provisions of this chapter, this section shall no longer be in effect for the city. [C24, 27, 31, 35, 39, §6473, 6474,

Referred to in §524 901

### 419.3 Bonds as limited obligations.

1 All bonds issued by a municipality, under the authority of this chapter, shall be limited obligations of the municipality. The principal of and interest on such bonds shall be payable solely out of the revenues derived from the project to be financed by the bonds so issued under the provisions of this chapter including debt obligations of the lessee or contracting party obtained from or in connection with the financing of a project. Bonds and interest coupons issued under authority of this chapter shall never constitute an indebtedness of the municipality, within the meaning of any state constitutional provision or statutory limitation, and shall not constitute nor give rise to a pecuniary liability of the municipality or a charge against its general credit or taxing powers. Such limitation shall be plainly stated on the face of each such bond

2 The bonds referred to in subsection 1 of this section may be executed and delivered at any time and from time to time, be in such form and denominations, without limitation as to the denomination of any bond, any other law to the contrary notwithstanding, be of such tenor, be fully registered, registrable as to principal or in bearer form, be transferable, be payable in such installments and at such time or times, not exceeding thirty years from their date, be payable at such place or places in or out of the state of Iowa, bear interest at such rate or rates, payable at such place or places in or out of the state of Iowa, be evidenced in such manner and may contain other provisions not inconsistent herewith, all as shall be provided in respect of the foregoing or other matters in the proceedings of the governing body whereunder the bonds are authorized to be issued. The governing body may provide for the exchange of coupon bonds for fully registered bonds and of fully registered bonds for coupon bonds and for the exchange of any such bonds after issuance for bonds of larger or smaller denominations, all in such manner as may be provided in the proceedings authorizing their issuance, provided the bonds in changed form or denominations shall be exchanged for the surrendered bonds in the same aggregate principal amounts and in such manner that no overlapping interest is paid, and such bonds in changed form or denominations shall bear interest at the same rate or rates and shall mature on the same date or dates as the bonds for which they are exchanged. Where any exchange is made under this section, the bonds surrendered by the holders at the time of the exchange shall be canceled. The exchange shall be made only at the request of the holders of the bonds to be surrendered, and the governing body may require all expenses incurred in connection with the exchange to be paid by the holders. In case any of the officers whose signatures appear on the bonds or coupons shall cease to be officers before the delivery of such bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if they had remained in office until delivery

3 Unless otherwise provided in the proceedings of the governing body whereunder the bonds are authorized to be issued, bonds issued under the provisions of this chapter shall be subject to the general provisions of law, presently existing or that may hereafter be enacted, respecting the execution and

delivery of the bonds of a municipality and respecting the retaining of options of redemption in proceedings authorizing the issuance of municipal securities.

4. Any bonds, issued under the authority of this chapter, may be sold at public sale in such manner, at such price and at such time or times as may be determined by the governing body to be most advantageous. The municipality may pay all expenses, premiums and commissions which the governing body may deem necessary or advantageous in connection with the authorization, sale and issuance thereof.

5. All bonds, issued under the authority of this chapter and all interest coupons applicable thereto, shall be construed to be negotiable instruments, even though they are payable solely from a specified source. [C66, 71, 73, 75, 77, 79, §419.3]

Referred to in §419.6

#### 419.4 Pledge of revenues.

1. The principal of and interest on any bonds, issued under authority of this chapter, shall be secured by a pledge of the revenues out of which such bonds shall be made payable. They may be secured by a mortgage covering all or any part of the project from which the revenues so pledged may be derived or by a pledge of the lease, sale contract or loan agreement with respect to such project or by a pledge of one or more notes, debentures, bonds or other secured or unsecured debt obligations of the lessee or contracting party.

2. The proceedings under which the bonds are authorized to be issued under the provisions of this chapter, and any mortgage given to secure the same, may contain any agreements and provisions customarily contained in instruments securing bonds, including, but not limited to:

a. Provisions respecting custody of the proceeds from the sale of the bonds including their investment and reinvestment until used to defray the cost of the project.

b. Provisions respecting the fixing and collection of rents or payment with respect to any project covered by such proceedings or mortgage.

c. The terms to be incorporated in the lease, sale contract or loan agreement with respect to such project.

d. The maintenance and insurance of such project.

e. The creation, maintenance, custody, investment and reinvestment and use of special funds from the revenues of such project, and

f. The rights and remedies available in case of a default to the bond holders or to any trustee under the lease, sale contract, loan agreement or mortgage.

A municipality shall have the power to provide that proceeds from the sale of bonds and special funds from the revenues of the project shall be invested and reinvested in such securities and other investments as shall be provided in the proceedings under which the bonds are authorized to be issued including:

(1) obligations issued or guaranteed by the United States;

(2) obligations issued or guaranteed by any person controlled or supervised by and acting as an instrumentality of the United States pursuant to au-

thority granted by the Congress of the United States;

(3) obligations issued or guaranteed by any state of the United States, or the District of Columbia, or any political subdivision of any such state or district;

(4) prime commercial paper;

(5) prime finance company paper;

(6) bankers' acceptances drawn on and accepted by banks organized under the laws of any state or of the United States;

(7) repurchase agreements fully secured by obligations issued or guaranteed by the United States or by any person controlled or supervised by and acting as an instrumentality of the United States pursuant to authority granted by the Congress of the United States; and

(8) certificates of deposit issued by banks organized under the laws of any state or of the United States; whether or not such investment or reinvestment is authorized under any other law of this state. The municipality shall also have the power to provide that such proceeds or funds or investments and the amounts payable under the lease, sale contract or loan agreement shall be received, held and disbursed by one or more banks or trust companies located in or out of the state of Iowa. A municipality shall also have the power to provide that the project and improvements shall be constructed by the municipality, lessee, the lessee's designee, the contracting party, or the contracting party's designee, or any one or more of them on real estate owned by the municipality, the lessee, the lessee's designee, the contracting party, or the contracting party's designee, as the case may be, that the bond proceeds shall be disbursed by the trustee bank or banks, trust company or trust companies, during construction upon the estimate, order or certificate of the lessee, the lessee's designee, the contracting party, or the contracting party's designee.

In making such agreements or provisions, a municipality shall not have the power to obligate itself, except with respect to the project and the application of the revenues therefrom, and shall not have the power to incur a pecuniary liability or a charge upon its general credit or against its taxing powers.

3. The proceedings authorizing any bonds under the provisions of this chapter, or any mortgage securing such bonds, may provide that if there is a default in the payment of the principal of or the interest on such bonds or in the performance of any agreement contained in such proceedings or mortgage, the payment and performance may be enforced by mandamus or by the appointment of a receiver in equity with power to charge and collect rents and payments and to apply the revenues from the project in accordance with such proceedings or the provisions of such mortgage.

4. Any mortgage, made under the provisions of this chapter, to secure bonds issued thereunder, may also provide that if there is a default in the payment thereof or a violation of any agreement contained in the mortgage, it may be foreclosed and sold under proceedings in equity or in any other manner permitted by law. Such mortgage may also provide that any trustee under such mortgage or the holder of any bonds secured thereby may become the purchaser at

any foreclosure sale if he is the highest bidder therefor. [C66, 71, 73, 75, 77, 79, §419.4]

Referred to in §419.6

**419.5 Determination of rent.**

1. Prior to entering into a lease, sale contract or loan agreement with respect to any project, the governing body must determine the amount necessary in each year to pay the principal of and the interest on the bonds proposed to be issued to finance such project; the amount necessary to be paid each year into any reserve funds which the governing body may deem advisable to establish in connection with the retirement of the proposed bonds and the maintenance of the project; and unless the terms of the lease, sale contract or loan agreement provide that the lessee or contracting party shall maintain the project and carry all proper insurance with respect thereto, the estimated cost of maintaining the project in good repair and keeping it properly insured.

2. The determination and findings of the governing body, required to be made by subsection 1 of this section, shall be set forth in the proceedings under which the proposed bonds are to be issued; provided, however, that the foregoing amounts need not be expressed in dollars and cents in the lease, sale contract or loan agreement or in the proceedings under which the bonds are authorized to be issued, but may be set forth in the form of a formula or formulas. Prior to the issuance of the bonds authorized by this chapter the municipality shall enter into a lease, sale contract or loan agreement with respect to the project which shall require the lessee or contracting party to complete the project and which shall provide for payment to the municipality of such rentals or payments as, upon the basis of such determinations and findings, will be sufficient to pay the principal of and interest on the bonds issued to finance the project; to build up and maintain any reserves deemed advisable, by the governing body, in connection therewith and unless the lease, sale contract or loan agreement obligates the lessee or contracting party to pay for the maintenance and insurance on the project, to pay the costs of maintaining the project in good repair and keeping it properly insured. [C66, 71, 73, 75, 77, 79, §419.5]

Referred to in §419.11

**419.6 Refunding bonds.** Any bonds, issued under the provisions of this chapter and at any time outstanding, may at any time and from time to time be refunded by a municipality by the issuance of its refunding bonds in such amount as the governing body may deem necessary but not exceeding an amount sufficient to refund the principal of the bonds to be so refunded, any unpaid interest thereon and any premiums and commissions necessary to be paid in connection therewith. Any such refunding may be effected whether the bonds to be refunded shall have matured or shall thereafter mature, either by sale of the refunding bonds and the application of the proceeds thereof for the payment of the bonds to be refunded thereby, or by exchange of the refunding bonds for the bonds to be refunded thereby, but the holders of any bonds to be so refunded shall not be compelled, without their consent, to surrender their bonds for payment or exchange prior to the date on which they

are payable by maturity date, option to redeem or otherwise, or if they are called for redemption, prior to the date on which they are by their terms subject to redemption by option or otherwise. All refunding bonds, issued under authority of this chapter, shall be payable solely from the revenues out of which the bonds to be refunded thereby are payable and shall be subject to the provisions contained in section 419.3 and may be secured in accordance with the provisions of section 419.4. [C66, 71, 73, 75, 77, 79, §419.6]

**419.7 Application of proceeds limited.** The proceeds from the sale of any bonds, issued under authority of this chapter, shall be applied only for the purpose for which the bonds were issued and if, for any reason, any portion of such proceeds shall not be needed for the purpose for which the bonds were issued, such unneeded portion of said proceeds shall be applied to the payment of the principal or the interest on said bonds. The cost of any project shall be deemed to include the actual cost of acquiring a site or the cost of the construction of any part of a project which may be constructed including architects' and engineers' fees, the purchase price of any part of a project that may be acquired by purchase, all expenses in connection with the authorization, sale and issuance of the bonds to finance such acquisition, an amount to be held as a bond reserve fund, and the interest on such bonds for a reasonable time prior to construction, during construction and for not exceeding six months after completion of construction. [C66, 71, 73, 75, 77, 79, §419.7; 68GA, ch 91, §2]

**419.8 No payment by municipality.** No municipality shall have the power to pay out of its general fund or otherwise contribute any part of the costs of a project and shall not have the power to use land already owned by the municipality, or in which the municipality has an equity, unless specifically acquired for development of projects, or unless the land is determined by the municipal governing body to no longer be necessary for municipal purposes other than the project, for the construction thereon of a project or any part thereof. The entire cost of any project must be paid out of the proceeds from the sale of bonds issued under the authority of this chapter, but this provision shall not be construed to prevent a municipality from accepting donations of property to be used as a part of any project or money to be used for defraying any part of the cost of any project. [C66, 71, 73, 75, 77, 79, §419.8]

Referred to in §419.17

**419.9 Public hearing.** Prior to the issuance of any bonds under authority of this chapter, the municipality shall conduct a public hearing on the proposal to issue said bonds. Notice of intention to issue the bonds, specifying the amount and purpose thereof and the time and place of hearing, shall be published at least once not less than fifteen days prior to the date fixed for the hearing in a newspaper published and having a general circulation within the municipality. If there is no newspaper published therein, the notice shall be published in a newspaper published in the county and having a general circulation in the municipality. At the time and place fixed for the public hearing the governing body of the municipality

shall give all local residents who appear at the hearing an opportunity to express their views for or against the proposal to issue the bonds and at the hearing, or any adjournment thereof, shall adopt a resolution determining whether or not to proceed with the issuance of the bonds. [C66, 71, 73, 75, 77, 79, §419.9]

**419.10 Default.** In case of a default in the payment of any revenue bonds, issued pursuant to the provisions of this chapter, the municipality which defaulted in such payment shall be precluded from entering into any activity of its own except to release the property for some industrial activity. [C66, 71, 73, 75, 77, 79, §419.10]

**419.11 Tax equivalent to be paid—assessment procedure—appeal.** Any municipality acquiring, purchasing, constructing, reconstructing, improving or extending any industrial buildings, buildings used as headquarters facilities or pollution control facilities, as provided in this chapter, shall annually pay out of the revenue from such industrial buildings, buildings used as headquarters facilities or pollution control facilities to the state of Iowa and to the city, school district and any other political subdivision, authorized to levy taxes, a sum equal to the amount of tax, determined by applying the tax rate of the taxing district to the assessed value of the property, which the state, county, city, school district or other political subdivision would receive if the property were owned by any private person or corporation, any other statute to the contrary notwithstanding. For purposes of arriving at such tax equivalent, the property shall be valued and assessed by the assessor in whose jurisdiction the property is located, in accordance with chapter 441, but the municipality, the lessee on behalf of the municipality, and such other persons as are authorized by chapter 441 shall be entitled to protest any assessment and take appeals in the same manner as any taxpayer. Such valuations shall be included in any summation of valuations in the taxing district for all purposes known to the law. Income from this source shall be considered under the provisions of section 384.16, subsection 1, paragraph "b".

If and to the extent the proceedings under which the bonds authorized to be issued under the provisions of this chapter so provide, the municipality may agree to co-operate with the lessee of a project in connection with any administrative or judicial proceedings for determining the validity or amount of any such payments and may agree to appoint or designate and reserve the right in and for such lessee to take all action which the municipality may lawfully take in respect of such payments and all matters relating thereto, provided, however, that such lessee shall bear and pay all costs and expenses of the municipality thereby incurred at the request of such lessee or by reason of any such action taken by such lessee in behalf of the municipality. Any lessee of a project which has paid, as rentals additional to those required to be paid pursuant to section 419.5, the amounts required by the first sentence of this section to be paid by the municipality shall not be required to pay any such taxes to the state or to any such county, city, school district or other political subdivision, any other

statute to the contrary notwithstanding. To the extent that any lessee or contracting party pays taxes on a project or part thereof, the municipality shall not be required to pay the tax equivalent herein provided, and to such extent the lessee or contracting party shall not be required to pay amounts to the municipality for such purpose.

This section shall not be applicable to any municipality acquiring, purchasing, constructing, reconstructing, improving, or extending any buildings for the purpose of establishing, maintaining, or assisting any private or state of Iowa college or university, nor to any municipality in connection with any project for the benefit of a voluntary nonprofit hospital, clinic, or health care facility, the property of which is otherwise exempt under the provisions of chapter 427. The payment, collection, and apportionment of the tax equivalent shall be subject to the provisions of chapters 445, 446 and 447. [C66, 71, 73, 75, 77, 79, §419.11; 68GA, ch 89, §3, ch 90, §2]

Appeals, see §441.37, 441.38

**419.12 Purchase.** The municipality may accept any bona fide offer to purchase which is sufficient to pay all the outstanding bonds, interest, taxes, special levies, and other costs that have been incurred. [C66, 71, 73, 75, 77, 79, §419.12]

**419.13 Exception to budget law and certain bond provisions.** The provisions of sections 23.12 to 23.16 shall not apply to bonds issued under the provisions of this chapter. [C66, 71, 73, 75, 77, 79, §419.13]

**419.14 Eminent domain not available.** No land acquired by a municipality by the exercise of condemnation through eminent domain can be used to effectuate the purposes of this chapter. [C66, 71, 73, 75, 77, 79, §419.14]

**419.15 Limitation of actions.** No action shall be brought questioning the legality of any contract, lease, mortgage, proceedings or bonds executed in connection with any project or improvements authorized by this chapter from and after three months from the time the bonds are ordered issued by the proper authority. [C66, 71, 73, 75, 77, 79, §419.15]

Referred to in §419.17

**419.16 Intent of law.** In order to provide available alternatives to enable municipalities to accomplish the purposes of this chapter in the manner deemed most advisable by the governing body, it is the intent of this chapter that a lessee or contracting party under a sale contract or loan agreement is not required to be the eventual user of a project; provided, that any sublessee or assignee shall assume all of the obligations of the lessee or contracting party under the lease, sale contract or loan agreement, the lessee or contracting party remains primarily liable for all of its obligations under the lease, sale contract or loan agreement, and the use of the project is consistent with the purposes of this chapter. [C75, 77, 79, §419.16]

**419.17 Revenue bonds issued.** Cities may also issue revenue bonds for projects located within a qualified urban renewal area or an area designated a revitalization area pursuant to sections 404.1 to 404.7.

The revenue bonds shall be issued pursuant to the provisions of this chapter and all provisions of this chapter shall apply, except that:

1. The term "project" as defined in section 419.1 includes land, buildings, or improvements which are suitable for use as residential property or for the use of a commercial enterprise or nonprofit organization which the governing body finds is consistent with the urban renewal plan for a qualified urban renewal area or the revitalization plan, as the case may be.

2. To the extent that a city is authorized to pay out or contribute to the cost of a project under chapter 403 in the case of a qualified urban renewal area or under sections 404.1 to 404.7 in the case of a re-

vitalization area, the provisions of section 419.8 shall not apply.

3. The provisions of section 419.14 shall not apply to projects within a qualified urban renewal area.

The power to issue revenue bonds pursuant to this section is in addition to other powers granted cities to aid qualified urban renewal areas and revitalization areas.

The term "qualified urban renewal area" means an urban renewal area designated as such pursuant to chapter 403 before July 1, 1979. [68GA, ch 84, §10]
