7.7(3) Action due to probable fraud. When the agency obtains facts indicating that assistance should be canceled, suspended, or reduced because of the probable fraud of the recipient, and, where possible, the facts have been verified through collateral sources, notice of the action shall be timely when mailed at least five calendar days before the action would become effective. The notice shall be sent by certified mail, return receipt requested.

7.7(4) Conference during the timely notice period. During the timely notice period, the appellant may have a conference to discuss the situation and the agency shall provide a full explanation of the reasons for the pending action and give the recipient an opportunity to offer facts to support the contention that the pending action is not warranted. The appellant may be accompanied by a representative, legal counsel, friend or other person and this person may represent the appellant when the appellant is not able to be present unless otherwise specified by statute or federal regulation.

7.7(5) Notification not required. Notification is not required in the following instances:

a. When services in the social service block grant preexpenditure report are changed from one plan year to the next, or when the plan is amended because funds are no longer available.

b. When service has been time-limited in the social service block grant preexpenditure report, and as a result the service is no longer available.

b. Whenever the county office determines that a previously canceled case is eligible for reinstatement at a lower level of benefits, for a reason other than that covered by the original notice, timely and adequate notice shall be sent except as specified in subrule 7.7(2).

c. Food stamp cases are eligible for reinstatement only in circumstances found in rule 441—65.44(234) and 441—subrule 65.19(13). FIP cases are eligible for reinstatement only in circumstances found in 441—subrule 40.22(5).

441—7.8(17A) Opportunity for hearing.

7.8(1) *Initiating a request.* When a person, or the person's authorized representative, expresses in writing to the appeals section, the local office, or the office that took the adverse action dissatisfaction with any decision, action, or failure to act with reference to the case, the agency shall determine from the nature of the complaint whether the person wishes to appeal and receive an appeal hearing before a presiding officer. Food stamp appeals may be made orally; all other appeals shall be made in writing.

7.8(2) *Filing the appeal.* The appellant shall be encouraged, but not required, to make written appeal on Form 470-0487 or 470-0487(S), Appeal and Request for Hearing, and the worker shall provide any instructions or assistance required in completing the form. When the appellant is unwilling to complete or sign this form, nothing in this rule shall be construed to preclude the right to perfect the appeal, as long as the appeal is in writing (except for food assistance appeals) and has been communicated to the department by the appellant or appellant's representative.

A written appeal is filed on the date postmarked on the envelope sent to the department, or, when the postmarked envelope is not available, on the date the appeal is stamped received by the agency. Receipt date of all appeals shall be documented by the office where the appeal is received.

7.8(3) Rescinded IAB 12/13/89, effective 2/1/90.

7.8(4) *Prehearing conference.* When desired by the appellant, a prehearing conference with a representative of the local office or the office which took the action appealed shall be held as soon as possible after the appeal has been filed. An appellant's representative shall be allowed to attend and participate in the conference, unless precluded by federal rule or state statute.

The purpose of the prehearing conference is to provide information as to the reasons for the intended adverse action, to answer questions, to explain the basis for the adverse action, to provide an opportunity for the appellant to explain the appellant's action or position, and to provide an opportunity for the appellant to examine the contents of the case record plus all documents and records to be used by the department at the hearing in accordance with 441—Chapter 9. A conference need not be requested for the appellant to have access to the records as provided in subrule 7.13(1) and 441—Chapter 9.

7.8(5) *Interference.* The prehearing conference shall not be used to discourage appellants from proceeding with their appeals. The right of appeal shall not be limited or interfered with in any way, even though the person's complaint may be without basis in fact, or because of the person's own misinterpretation of law, agency policy, or methods of implementing policy.

7.8(6) *Right of the department to deny or dismiss an appeal.* The department or the department of inspections and appeals has the right to deny or dismiss the appeal when:

- a. It has been withdrawn by the appellant in writing.
- b. The sole issue is one of state or federal law requiring automatic grant adjustments for classes of recipients.
- c. It has been abandoned.
- d. The agency, by written notice, withdraws the action appealed and restores the appellant's status which existed before the action appealed was taken.
- e. The agency implements action and issues a notice of decision to correct an error made by the agency which resulted in the appeal.

Abandonment may be deemed to have occurred when the appellant, or the appellant's authorized representative fails, without good cause, to appear at the hearing.

7.8(7) *Denial of due process.* Facts of harassing, threats of prosecution, denial of pertinent information needed by the appellant in preparing the appeal, as a result of the appellant's communicated desire to proceed with the appeal shall be taken into consideration by the administrative law judge in reaching a proposed decision.

7.8(8) *Withdrawal.* When the appellant desires to voluntarily withdraw the appeal, the worker shall request that the appellant sign Form 470-0492, Request for Withdrawal of Appeal, if the appellant is in the local office. In all other cases the appeals section will request that the appellant sign the form or the presiding officer will secure a statement on the hearing record. The appeals section will accept any clear, written statement from the appellant to withdraw the appeal.

7.8(9) *Department's responsibilities.* Unless the appeal is voluntarily withdrawn, the department worker or agent responsible for representing the department at the hearing shall:

a. Within one working day of receipt, complete the worker information section of Form 470-0487 or 470-0487(S), Appeal and Request for Hearing, and forward that form, the written appeal, the postmarked envelope, if there is one, and a copy of the notification of the proposed adverse action to the appeals section.

b. Forward a summary and supporting documentation of the worker's factual basis for the proposed action to the appeals section within ten days of the receipt of the appeal.

c. Provide copies of all materials sent to the appeals section for inclusion in the appeal file to be considered in reaching a decision on the appeal to the appellant and the appellant's representative at the same time.

441—7.9(17A) Continuation of assistance pending a final decision on appeal.

7.9(1) *When assistance continues.* Assistance shall not be suspended, reduced, restricted, or canceled, nor shall a license, registration, certification, approval, or accreditation be revoked, or other proposed adverse action be taken pending a final decision on an appeal when:

a. An appeal is filed within the timely notice period.

b. The appellant requests a hearing within ten days from the date adequate notice is issued for cancellation, reduction, or suspension of food stamp, family investment program, or Medicaid benefits, based on the completed report form, including:

(1) Public Assistance Eligibility Report, Form 470-0454, 470-0455, or 480-3719(S).

(2) Review/Recertification Eligibility Document, Form 470-2881, 470-2881(M), 470-4083 (Spanish), or 470-4083(M).

(3) Transitional Medicaid Notice of Decision/Quarterly Income Report, Form 470-2663 or 470-2663(M).

(4) Combined PAER/FAIR, Form 470-4387, 470-4387(M), or 470-4387(S).

c. If it is determined at a hearing that the issue involves only federal or state law or policy, assistance will be immediately discontinued.

7.9(2) *When assistance does not continue.* The adverse action appealed to suspend, reduce, restrict, or cancel assistance; revoke a license, registration, certification, approval, or accreditation; or take other proposed action may be implemented pending a final decision on appeal when:

a. An appeal is not filed within the timely notice period.

b. The appellant does not request a hearing within ten days from the date adequate notice is issued based on the completed monthly report.

c. Benefits or services were time limited through a certification period or prior authorization for which notice was given when established or for which adequate notice was provided.

d. and *e.* Rescinded IAB 4/30/03, effective 7/1/03.

f. The appellant directs the worker in writing to proceed with the intended action.

7.9(3) *Recovery of excess assistance paid pending a final decision on appeal.* Continued assistance is subject to recovery by the department if its action is affirmed, except as specified at subrule 7.9(5).

When the department action is sustained, excess assistance paid pending a hearing decision shall be recovered to the date of the decision. This recovery is not an appealable issue. However, appeals may be heard on the computation of excess assistance paid pending a hearing decision.

7.9(4) Recovery of excess assistance paid when the appellant's benefits are changed prior to a final decision. Recovery of excess assistance paid will be made to the date of change which affects the improper payment. The recovery shall be made when the appellant's benefits are changed due to one of the following reasons:

a. A determination is made at the hearing that the sole issue is one of state or federal law or policy or change in state or federal law or policy and not one of incorrect grant computation, and the grant is adjusted.

b. A change affecting the appellant's grant occurs while the hearing decision is pending and the appellant fails to request a hearing after notice of the change.

7.9(5) Recovery of assistance when a new limited benefit plan is established. Assistance issued pending the final decision of the appeal is not subject to recovery when a new limited benefit plan period is established. A new limited benefit plan period shall be established when the department is affirmed in a timely appeal of the establishment of the limited benefit plan. All of the following conditions shall exist:

a. The appeal is filed within the timely notice period of the notice of decision establishing the beginning date of the LBP.

b. Assistance is continued pending the final decision of the appeal.

c. The department's action is affirmed.

441—7.10(17A) Procedural considerations. Upon receipt of the notice of appeal, the department shall:

7.10(1) Registration. Register the appeal.

7.10(2) Acknowledgment. Send an acknowledgment of receipt of the appeal to the appellant, representative, or both.

A copy of the acknowledgment of receipt of appeal will be sent to the appropriate departmental office.

7.10(3) Granting a hearing. The department shall determine whether an appellant may be granted a hearing and the issues to be discussed at that hearing in accordance with the applicable rules, state statutes, or federal regulations.

a. The appeals of those appellants who are granted a hearing shall be certified to the department of inspections and appeals for the hearing to be conducted. The department shall indicate at the time of certification the issues to be discussed at that hearing.

b. The appeals of those appellants who are denied a hearing shall not be closed until issuance of a letter to the appellant and the appellant's representative, advising of the denial of hearing and the basis upon which that denial is made. Any appellant that disagrees with a denial of hearing may present additional information relative to the reason for denial and request reconsideration by the department or a hearing over the denial.

7.10(4) Hearing scheduled. For those records certified for hearing, the department of inspections and appeals shall establish the date, time, method and place of the hearing, with due regard for the convenience of the appellant as set forth in department of inspections and appeals rules 481—Chapter 10 unless otherwise designated by federal or state statute or regulation.

a. In cases involving individual appellants, the hearing shall be held in the appropriate departmental office, provided that when the appellant is incapacitated due to illness or other disability and is housebound, hospitalized, or in a nursing home, the place of the hearing shall be at the convenience of the appellant even to the extent of holding the hearing in the appellant's home except where otherwise restricted.

b. In cases of appeals by vendors or agencies, the hearing shall be scheduled at the most appropriate department office, giving due consideration to the convenience of the vendor or agency and availability of department employees.

c. In cases involving the determination of the community spouse resource allowance, the hearing shall be held within 30 days of the date of the appeal request.

d. In cases involving an appeal of a sex offender risk assessment, the hearing shall be held within 30 days of the date of the appeal request.

e. Emergency assistance appeals shall be expedited.

7.10(5) Method of hearing. The department of inspections and appeals shall determine whether the appeal hearing is to be conducted in person, by videoconference or by teleconference call. The parties to the appeal may participate from multiple sites for videoconference or teleconference hearings. Any appellant is entitled to an in-person hearing if the appellant requests one. All parties shall be granted the same rights during a teleconference hearing as specified in 441—7.13(17A). The appellant may request to have a presiding officer render a decision for attribution appeals through an administrative hearing.

7.10(6) Reschedule requests. Requests by the appellant or the department to set another date, time, method or place of hearing shall be made to the department of inspections and appeals directly except as otherwise noted. The granting of the requests will be at the discretion of the department of inspections and appeals.

a. The appellant may request that the teleconference hearing be rescheduled as an in-person hearing. All requests made to the department or to the department of inspections and appeals for a teleconference hearing to be rescheduled as an in-person hearing shall be granted. Any appellant request for an in-person hearing made to the department shall be communicated to the department of inspections and appeals immediately.

b. All other requests concerning the scheduling of a hearing shall be made to the department of inspections and appeals directly.

7.10(7) Notification. For those appeals certified for hearing, the department of inspections and appeals shall send a notice to the appellant at least ten calendar days in advance of the hearing date.

a. The notice, as prescribed in Iowa Code section 17A.12(2), shall set forth:

(1) The date, time, method and place of the hearing;

(2) That evidence may be presented orally or documented to establish pertinent facts; and

(3) That the appellant may question or refute any testimony, may bring witnesses of the appellant's choice and may be represented by others, including an attorney, subject to federal law and state statute. The department will not pay for the cost of legal representation.

b. A copy of this notice shall be forwarded to the department employee who took the action and to other persons when circumstances peculiar to the case indicate that the notification may be desirable.

c. Notices of hearing regarding an intentional program violation shall be served upon the appellant both by certified mail, return receipt requested, and by first-class mail, postage prepaid, addressed to the appellant at the last-known address. All other notices of hearing shall be mailed by first-class mail, postage prepaid, addressed to the appellant at the appellant's last-known address.

441—7.11(17A) Information and referral for legal services. The local office shall advise persons appealing any agency decision of legal services in the community that are willing to assist them.

441—7.12(17A) Subpoenas. The department shall have all subpoena power conferred upon it by statute. Departmental subpoenas shall be issued to a party on request or will be served by the department when requested at least one week in advance of the hearing date.

441—7.13(17A) Rights of appellants during hearings.

7.13(1) Examination of the evidence. The department shall provide the appellant, or representative, opportunity prior to, as well as during, the hearing, to examine all materials permitted under rule 9.1(17A,22) or to be offered as evidence. Off the record, or confidential information which the appellant or representative does not have the opportunity to examine shall not be included in the record of the proceedings or considered in reaching a decision.

7.13(2) Conduct of hearing. The hearing shall be conducted by an administrative law judge designated by the department of inspections and appeals. It shall be an informal rather than a formal judicial procedure, and shall be designed to serve the best interest of the appellant. The appellant shall have the right to introduce any evidence on points at issue believed necessary, and to challenge and cross-examine any statement made by others, and to present evidence in rebuttal. A verbatim record shall be kept of the evidence presented.

7.13(3) Opportunity for response. Opportunity shall be afforded all parties to respond and present evidence and arguments on all issues involved and to be represented by counsel at their own expense.

7.13(4) Default. If a party to the appeal fails to appear or participate in a contested case proceeding after proper service of notice, the presiding officer may, if no adjournment is granted, enter a default decision or proceed with the hearing and render a proposed decision on the merits in the absence of the defaulting party.

a. Where appropriate and not contrary to law, any party may move for a default decision or for a hearing and a proposed decision on the merits in the absence of a defaulting party.

b. A default decision or a proposed decision on the merits in the absence of the defaulting party may award any relief against the defaulting party consistent with the relief requested prior to the default, but the relief awarded against the defaulting party may not exceed the requested relief prior to the default.

c. Proceedings after a default decision are specified in subrule 7.13(5).

d. Proceedings after a hearing and a proposed decision on the merits in the absence of a defaulting party are specified in subrule 7.13(6).

7.13(5) Proceedings after default decision.

a. Default decisions become final agency action unless a motion to vacate the decision is filed within the time allowed for an appeal of a proposed decision by subrule 7.16(5).

b. A motion to vacate must state all facts relied upon by the moving party which establish that good cause existed for the party's failure to appear or participate at the contested case proceeding and must be filed with the Department of Human Services, Appeals Section, Fifth Floor, 1305 East Walnut Street, Des Moines, Iowa 50319-0114.

(1) The appeals section shall be responsible for serving all parties with the motion to vacate. All parties to the appeal shall have ten days from service by the department to respond to the motion to vacate. If the department responds to any party's motion to vacate, all parties shall be allowed another ten days to respond to the department.

(2) The appeals section shall certify the motion to vacate to the department of inspections and appeals for the presiding officer to review the motion, hold any additional proceedings, as appropriate, and determine if good cause exists to set aside the default.

c. Timely filed motions to vacate shall be granted only for good cause shown. The burden of proof as to good cause is on the moving party.

d. "Good cause" for purposes of this rule shall have the same meaning as "good cause" for setting aside a default judgment under Iowa Rule of Civil Procedure 1.977.

e. Upon determining whether good cause exists, the presiding officer shall issue a proposed decision on the motion to vacate, which shall be subject to review by the director pursuant to rule 441—7.16(17A).

f. Upon a final decision granting a motion to vacate, the contested case hearing shall proceed accordingly, after proper service of notice to all parties. The situation shall be treated as the filing of a new appeal for purposes of calculating time limits, with the filing date being the date the decision granting the motion to vacate became final.

g. Upon a final decision denying a motion to vacate, the default decision becomes final agency action.

7.13(6) *Proceedings after hearing and proposed decision on the merits in the absence of a defaulting party.*

a. Proposed decisions on the merits after a party has failed to appear or participate in a contested case become final agency action unless:

(1) A motion to vacate the proposed decision is filed by the defaulting party based on good cause for the failure to appear or participate, within the time allowed for an appeal of a proposed decision by subrule 7.16(5); or

(2) Any party requests review on the merits by the director pursuant to rule 441—7.16(17A).

b. If a motion to vacate and a request for review on the merits are both made in a timely manner after a proposed decision on the merits in the absence of a defaulting party, the review by the director on the merits of the appeal shall be stayed pending the outcome of the motion to vacate.

c. A motion to vacate must state all facts relied upon by the moving party which establish that good cause existed for the party's failure to appear or participate at the contested case proceeding and must be filed with the Department of Human Services, Appeals Section, Fifth Floor, 1305 East Walnut Street, Des Moines, Iowa 50319-0114.

(1) The appeals section shall be responsible for serving all parties with the motion to vacate. All parties to the appeal shall have ten days from service by the department to respond to the motion to vacate. If the department responds to any party's motion to vacate, all parties shall be allowed another ten days to respond to the department.

(2) The appeals section shall certify the motion to vacate to the department of inspections and appeals for the presiding officer to review the motion, hold any additional proceedings, as appropriate, and determine if good cause exists to set aside the default.

d. Timely filed motions to vacate shall be granted only for good cause shown. The burden of proof as to good cause is on the moving party.

e. "Good cause" for purposes of this rule shall have the same meaning as "good cause" for setting aside a default judgment under Iowa Rule of Civil Procedure 236.

f. Upon determining whether good cause exists, the presiding officer shall issue a proposed decision on the motion to vacate, which shall be subject to review by the director pursuant to rule 441—7.16(17A).

g. Upon a final decision granting a motion to vacate, a new contested case hearing shall be held after proper service of notice to all parties. The situation shall be treated as the filing of a new appeal for purposes of calculating time limits, with the filing date being the date the decision granting the motion to vacate became final.

h. Upon a final decision denying a motion to vacate, the proposed decision on the merits in the absence of a defaulting party becomes final unless there is request for review on the merits by the director made pursuant to paragraph 7.13(6) "a" or "j."

i. Any review on the merits by the director requested pursuant to paragraph 7.13(6) "a" and stayed pursuant to paragraph 7.13(6) "b" pending a decision on a motion to vacate shall be conducted upon a final decision denying the motion to vacate.

j. Upon a final decision denying a motion to vacate a proposed decision issued in the absence of a defaulting party, any party to the contested case proceeding may request a review on the merits by the director pursuant to rule 441—7.16(17A), treating the date that the denial of the motion to vacate became final as the date of the proposed decision.

441—7.14(17A) Limitation of persons attending. The hearing shall be limited in attendance to the following persons, unless otherwise specified by statute or federal regulations: appellant, appellant's representative, agency employees, agency's legal representatives, other persons present for the purpose of offering testimony pertinent to the issues in controversy, and others upon mutual agreement of the parties. The administrative law judge may sequester witnesses during the hearing.

Nothing in this rule shall be construed to allow members of the press, news media, or any other citizens' group to attend the hearing without the written consent of the appellant.

441—7.15(17A) Medical examination. When the hearing involves medical issues, a medical assessment or examination by a person or physician other than the one involved in the decision under question shall be obtained and the report made a part of the hearing record when the administrative law judge or appellant considers it necessary. Any medical examination required shall be performed by a physician satisfactory to the appellant and the department at agency expense.

Forms 470-0502, Authorization for Examination and Claim for Payment, and 470-0447, Report on Incapacity, shall be utilized in obtaining medical information to be used in the appeal and to authorize payment for the examination.

441—7.16(17A) The appeal decision.

7.16(1) Record. The record in a contested case shall include, in addition to those materials specified in Iowa Code section 17A.12(6):

a. The notice of appeal.

b. All evidence received or considered and all other submissions, including the verbatim record of the hearing.

7.16(2) Findings of fact. Any party may submit proposed findings of fact. The presiding officer will rule on the proposed findings of fact. Findings of fact shall be based solely on the evidence in the record and on matters officially noticed in the record. The findings of fact and conclusions of law in the proposed or final decision shall be limited to contested issues of fact, policy, or law.

7.16(3) Proposed decision. Following the reception of evidence, the presiding officer shall issue a proposed decision, consisting of findings of fact and conclusions of law, separately stated. The proposed decision shall be mailed by first-class mail, postage prepaid, addressed to the appellant at the appellant's last-known address.

7.16(4) Appeal of the proposed decision. After issuing a proposed decision the administrative law judge shall submit it to the department with copies to the appeals advisory committee.

The appellant, appellant's representative, or the department may appeal for the director's review of the proposed decision.

When the appellant or the department has not appealed the proposed decision or an appeal for the director's review of the proposed decision is not granted, the proposed decision shall become the final decision.

The director's review on appeal of the proposed decision shall be on the basis of the record as defined in subrule 7.16(1), except that the director need not listen to the verbatim record of the hearing in a review or appeal. The review or appeal shall be limited to issues raised prior to that time and specified by the party requesting the appeal or review. The director may designate another to act on the director's behalf in making final decisions.

7.16(5) Time limit for appeal of a proposed decision. Appeal for the director's review of the proposed decision must be made in writing to the director and postmarked or date-stamped within ten calendar days of the date on which the proposed decision was signed and mailed. The day after the proposed decision is mailed is the first day of the time period within which a request for review must be filed. When the time limit for filing falls on a holiday or a weekend, the time will be extended to the next workday.

7.16(6) Appeal of the proposed decision by the department. The appeals advisory committee acts as an initial screening device for the director and may recommend that the director review a proposed decision. That recommendation is not binding upon the director, and the director may decide to review a proposed decision without that committee's recommendation.

When the director grants a review of a proposed decision on the department's request the appeals section shall notify all other parties to the appeal of the review and send a copy of the request to all other parties. All other parties shall be provided ten calendar days from the date of notification to submit further written arguments or objections for consideration upon review.

The day after the notification is mailed is the first day of the time period within which a response to the department's request for review must be filed. When the time limit for responding falls on a holiday or a weekend, the time will be extended to the next workday.

7.16(7) Appeal of the proposed decision by the appellant. When the director grants a review of a proposed decision all other parties shall be so notified.

7.16(8) Opportunity for oral presentation of appeal of the proposed decision. In cases where there is an appeal of a proposed decision each party shall be afforded an opportunity to present oral arguments with the consent of the director. Any party wishing oral argument shall specifically request it. When granted, all parties shall be notified of the time and place.

7.16(9) Time limit. Prompt, definite and final administrative action to carry out the decision rendered shall be taken within 90 days from the date of the appeal on all decisions except food stamps and vendors. Food stamp-only decisions shall be rendered in 60 days. Vendor decisions shall be rendered in 120 days. PROMISE JOBS displacement grievance decisions shall be rendered within 90 days from the date the displacement grievance was filed with the PROMISE JOBS contractee.

a. Should the appellant request a delay in the hearing in order to prepare the case or for other essential reasons, reasonable time, not to exceed 30 days except with the approval of the administrative law judge, shall be granted and the extra time shall be added to the maximum for final administrative action.

b. Within seven calendar days of receipt of a copy of the final decision, the department shall take the action required by the decision. When the final decision is favorable to the appellant, or when the department decides in favor of the appellant before the hearing, the department shall make any additional corrective payments due, retroactive to the date of the incorrect action.

7.16(10) Final decision. The department shall mail the final decision to the appellant at the appellant's last-known address by first-class mail, postage prepaid.

441—7.17(17A) Exhausting administrative remedies. To have exhausted all adequate administrative remedies, a party need not request a rehearing under Iowa Code section 17A.16(2) where the party accepts the findings of fact as prepared by the administrative law judge, but wishes to challenge the conclusions of law, or departmental policy.

441—7.18(17A) Ex parte communication.

7.18(1) Prohibited communication. There shall be no written, oral, or other type of communication between the presiding officer and any party or representative of any party or any other person with a direct or indirect interest in the case while an appeal is pending, without all parties being notified of an opportunity to participate, unless specifically authorized by statute or rule.

a. This provision does not prevent the presiding officer from communicating with members of the agency or seeking the advice or help of persons other than those defined in paragraph "c."

b. Persons described in paragraph "c" shall not directly or indirectly communicate to the presiding officer any ex parte communications they have received of a type that the presiding officer would be prohibited from receiving or that furnish, augment, diminish, or modify the evidence in the record.

c. For purposes of this rule:

(1) People with a direct or indirect interest in a case include any member of the appeals advisory committee and any person engaged in personally investigating, prosecuting, or advocating in either the case under appeal or a pending factually related case involving the same parties.

(2) The term “personally investigating” means taking affirmative steps to interview witnesses directly or to obtain documents or other information directly. The term does not include general direction and supervision of assigned investigators, unsolicited receipt of information which is relayed to assigned investigators, review of another person’s investigative work product in the course of determining whether there is probable cause to initiate a proceeding, or exposure to factual information while performing other agency functions, including fact gathering for purposes other than investigation of the matter which culminates in a contested case.

7.18(2) Commencement of prohibition. Prohibitions on ex parte communications commence with the issuance of the notice of hearing in a contested case and continue for as long as the case is pending.

7.18(3) When communication is ex parte. Rescinded IAB 4/30/03, effective 7/1/03.

7.18(4) Avoidance of ex parte communication. To avoid prohibited ex parte communications, notice must be given in a manner reasonably calculated to give all parties a fair opportunity to participate. Written communications shall be provided to all parties to the appeal.

7.18(5) Communications not prohibited. Communications with the presiding officer involving uncontested scheduling or procedural matters do not require notice or opportunity for parties to participate. Parties should notify other parties prior to initiating such contact with the presiding officer when feasible, and shall notify other parties when seeking to continue hearings or other deadlines.

7.18(6) Disclosure of prohibited communications. A presiding officer who receives a prohibited ex parte communication during the pendency of a contested case must initially determine if the effect of the communication is so prejudicial that the presiding officer should be disqualified from the case. If the presiding officer determines that disqualification is warranted, a copy of any prohibited written communication, all written responses to the communication, a written summary stating the substance of any prohibited oral or other communication not available in written form for disclosure, all responses made, and the identity of each person from whom the presiding officer received a prohibited ex parte communication shall be disclosed. If the presiding officer determines that disqualification is not warranted, such documents shall be submitted for inclusion in the record and served on all parties. Any party desiring to rebut the prohibited communication must be allowed the opportunity to do so upon written request filed within ten days after notice of communication.

7.18(7) Disclosure of prior receipt of information through ex parte communication. Promptly after being assigned to serve as presiding officer at any stage in a contested case proceeding, a presiding officer shall disclose to all parties material factual information received through ex parte communication prior to such assignment unless the factual information has already been or shortly will be disclosed pursuant to Iowa Code section 17A.13(2) or through discovery. Factual information contained in an investigative report or similar document need not be separately disclosed by the presiding officer as long as such documents have been or will shortly be provided to the parties.

7.18(8) Imposition of sanctions. The presiding officer may render a proposed or final decision imposing appropriate sanctions for violations of this rule, including default, a decision against the offending party, censure, or suspension or revocation of the privilege to practice before the agency. Violation of ex parte communication prohibitions by department personnel shall be reported to the department for possible sanctions, including censure, suspension, dismissal, or other disciplinary action.

441—7.19(17A) Accessibility of hearing decisions. Summary reports of all hearing decisions shall be made available to local offices and the public. The information shall be presented in a manner consistent with requirements for safeguarding personal information concerning applicants and recipients.

441—7.20(17A) Right of judicial review and stays of agency action.

7.20(1) *Right of judicial review.* If a director's review is requested, the final decision shall advise the appellant or the appellant's representative of the right to judicial review by the district court. When the appellant or the appellant's representative is dissatisfied with the final decision and requests judicial review of the decision to the district court, the department shall furnish copies of the documents or supporting papers to district court, including a written transcript of the hearing. An appeal of the final decision to district court does not itself stay execution or enforcement of an agency action.

7.20(2) *Stays of agency action.*

a. Any party to a contested case proceeding may petition the director for a stay or other temporary remedies pending judicial review, of all or part of that proceeding. The petition shall state the reasons justifying a stay or other temporary remedy.

b. In determining whether to grant a stay pending judicial review, the director shall consider the factors listed in Iowa Code section 17A.19(5) "c."

c. A stay may be vacated by the director pending judicial review upon application of the department or any other party.

441—7.21(17A) Food stamp hearings and appeals.

7.21(1) *Appeal hearings.* All appeal hearings in the food stamp program shall be conducted in accordance with federal regulation, Title 7, Section 273.15, as amended to January 1, 2002.

7.21(2) *Food stamp administrative disqualification hearings.* All food stamp administrative disqualification hearings shall be conducted in accordance with federal regulation, Title 7, Section 273.16, as amended to January 1, 2002.

a. to c. Rescinded IAB 4/30/03, effective 7/1/03.

7.21(3) *Conduct of a food stamp administrative disqualification hearing.* Hearings over disqualification of a household member for an intentional program violation shall be conducted by a presiding officer.

a. The department of inspections and appeals shall serve an Intentional Program Violation Hearing Notice upon the household member both by certified mail, return receipt requested, and by first-class mail, postage prepaid, addressed to household member at the last-known address 30 calendar days before the initial hearing date.

b. The household member or that person's representative may request to postpone the hearing for up to 30 days, provided the request is made at least 10 calendar days before the scheduled hearing date.

c. At the hearing, the presiding officer shall advise the household member or that person's representative that the household member has the right to refuse to answer questions during the hearing and that the state or federal government may use the information in a civil or criminal action.

7.21(4) *Consolidating hearings.* Appeal hearings and food stamp administrative disqualification hearings may be consolidated if the issues arise out of the same or related circumstances, and the household member has been provided with notice of the consolidation by the department of inspections and appeals.

a. If the hearings are combined, the time frames for conducting a food stamp administrative disqualification hearing shall apply.

b. If the hearings are combined for the purpose of setting the amount of the overpayment at the same time as determining whether or not an intentional program violation has occurred, the household shall lose its right to a subsequent hearing on the amount of the overpayment.

7.21(5) Attendance at hearing. The household member shall be allowed 10 days from the scheduled hearing to present reasons indicating good cause for not attending the hearing.

a. The appeals section shall certify the motion to vacate to the department of inspections and appeals for the presiding officer to review the motion, hold any additional proceedings, as appropriate, and determine if good cause exists for the default as specified in subrule 7.13(5). Timely filed motions to vacate shall be granted only for good cause shown. The burden of proof as to good cause is on the moving party.

b. Unless good cause is determined, when the household member or that person's representative cannot be located or fails to appear at the scheduled hearing, the hearing shall be conducted without that person. In that instance, the presiding officer shall consider the evidence and determine if the evidence is clear and convincing that an intentional program violation was committed.

c. If the household member who failed to appear at the hearing is found to have committed an intentional program violation, but the presiding officer later determines that this person or the person's representative had good cause for not appearing, the previous hearing decision shall no longer be valid. A new hearing shall be conducted.

7.21(6) Food stamp administrative disqualification hearing decisions. The presiding officer shall base the determination of an intentional program violation on clear and convincing evidence that demonstrates the person committed, and intended to commit, an intentional program violation.

a. The proposed and final hearing decisions shall be made in accordance with rule 7.16(17A) unless otherwise specified.

b. The appeals section shall notify the household member and the county office of the final decision within 90 days of the date the household member is notified in writing that the hearing has been scheduled. If the hearing was postponed pursuant to subrule 7.21(3), paragraph "b," the 90 days for notifying the household member of the final decision shall be extended for as many days as the hearing is postponed.

c. The department shall take no action to disqualify a person from receiving food stamps before receiving the final appeal decision finding that the person has committed an intentional program violation.

d. No further administrative appeal procedure shall exist after the final decision is issued. The determination of an intentional program violation shall not be reversed by a subsequent hearing decision. However, the person may appeal the case to the Iowa district court.

e. When a court decision reverses a determination of an intentional program violation, the appeals section shall notify the county office of the specifics of the court decision.

441—7.22(17A) FIP disqualification hearings. Rescinded IAB 4/30/03, effective 7/1/03.

441—7.23(17A) Contested cases with no factual dispute. If the parties in a contested case agree that there is no dispute of material fact, the parties may present all admissible evidence either by stipulation, or as otherwise agreed, in lieu of an evidentiary hearing. If an agreement is reached, the parties shall jointly submit a schedule for submission of the record, briefs and oral arguments to the presiding officer for approval.

441—7.24(17A) Emergency adjudicative proceedings.

7.24(1) Necessary emergency action. To the extent necessary to prevent or avoid immediate danger to the public health, safety, or welfare, and consistent with the United States Constitution and the Iowa Constitution and other provisions of law, the department may issue a written order in compliance with Iowa Code section 17A.18 to suspend a license in whole or in part, order the cessation of any continuing activity, order affirmative action, or take other action within the jurisdiction of the department by emergency adjudicative order. Before issuing an emergency adjudicative order, the department shall consider factors including, but not limited to, the following:

- a. Whether there has been sufficient factual investigation to ensure that the agency is proceeding on the basis of reliable information.
- b. Whether the specific circumstances which pose immediate danger to the public health, safety or welfare have been identified and determined to be continuing.
- c. Whether the person required to comply with the emergency adjudicative order may continue to engage in other activities without posing immediate danger to the public health, safety or welfare.
- d. Whether imposition of monitoring requirements or other interim safeguards would be sufficient to protect the public health, safety or welfare.
- e. Whether the specific action contemplated by the agency is necessary to avoid the immediate danger.

7.24(2) Issuance of order.

a. An emergency adjudicative order shall contain findings of fact, conclusions of law, and policy reasons to justify the determination of an immediate danger and the department's decision to take immediate action.

b. The written emergency adjudicative order shall be immediately delivered to persons who are required to comply with the order by using one or more of the following procedures:

- (1) Personal delivery.
- (2) Certified mail, return receipt requested, to the last address on file with the department.
- (3) Certified mail to the last address on file with the department.
- (4) First-class mail to the last address on file with the department.
- (5) Fax. Fax may be used as the sole method of delivery if the person required to comply with the order has filed a written request that department orders be sent by fax and has provided a fax number for that purpose.

c. To the degree practicable, the agency shall select the procedure for providing written notice that best ensures prompt, reliable delivery.

7.24(3) Oral notice. Unless the written emergency adjudicative order is provided by personal delivery on the same day that the order issues, the department shall make reasonable immediate efforts to contact by telephone the persons who are required to comply with the order.

7.24(4) Completion of proceedings. After the issuance of an emergency adjudicative order, the agency shall proceed as quickly as feasible to complete any proceedings that would be required if the matter did not involve an immediate danger. Issuance of a written emergency adjudicative order shall include notification of the date on which agency proceedings are scheduled for completion. After issuance of an emergency adjudicative order, continuance of further agency proceedings to a later date will be granted only in compelling circumstances upon application in writing.

These rules are intended to implement Iowa Code chapter 17A.
