- a. The person is a dependent adult.
- b. Dependent adult abuse exists as defined in Iowa Code section 235B.2.

The central registry shall be notified as to the disposition of the assessment.

441—176.4(235B) Reporters. The central registry and county office shall accept reports from mandatory reporters or any other person who believes dependent adult abuse has occurred. Mandatory reporters shall make a written report within 48 hours after an oral report. The reporter may use the department's Form 470-2441, Suspected Dependent Adult Abuse Reporting Form, or may use a form developed by the reporter that meets the requirements of Iowa Code section 232.70.

441—176.5(235B) Reporting procedure.

176.5(1) Each report made by someone other than a mandatory reporter may be oral or written.

176.5(2) The report shall be made by telephone or otherwise to the department of human services. When the person making the report has reason to believe that immediate protection for the dependent adult is advisable, that person shall also make an oral report to an appropriate law enforcement agency.

176.5(3) The department of human services shall:

a. Immediately, upon receipt of a report, make an oral report to the registry;

b. Forward a copy of the report to the registry; and

c. Promptly notify the appropriate county attorney of the receipt of any report.

176.5(4) The report shall contain the following information, or as much thereof as the person making the report is able to furnish:

a. The names and home addresses of the dependent adult, appropriate relatives, caretakers, and other persons believed to be responsible for the care of the dependent adult.

b. The dependent adult's present whereabouts if not the same as the address given.

c. The reason the adult is believed to be dependent. Dependency is the first criterion to be considered before beginning an evaluation.

d. The dependent adult's age.

e. The nature and extent of the adult abuse, including evidence of previous adult abuse. The existence of alleged adult abuse is the second criterion to be considered before beginning an evaluation.

f. Information concerning the suspected adult abuse of other dependent adults in the same residence.

g. Other information which the person making the report believes might be helpful in establishing the cause of the abuse or the identity of the person or persons responsible for the abuse, or helpful in providing assistance to the dependent adult.

h. The name and address of the person making the report.

176.5(5) A report shall be accepted whether or not it contains all of the information requested in 176.5(4), and may be made to the department, county attorney, or law enforcement agency. When the report is made to any agency other than the department of human services, that agency shall promptly refer the report to the department.

441—176.6(235B) Duties of the department upon receipt of report.

176.6(1) When a report is received, the department shall promptly commence an appropriate evaluation or assessment, except that the department of inspections and appeals is responsible for the evaluation and disposition of a case of adult abuse in a health care facility, including hospitals as defined in Iowa Code section 135B.1 and facilities as defined in Iowa Code section 135C.1. The department shall forward all reports and other information concerning adult abuse in a health care facility to the department of inspections and appeals on the first working day following the submitting of the report. The department of inspections and appeals shall inform the registry of all actions taken or contemplated concerning the evaluation or disposition of a case of adult abuse in a health care facility. The primary purpose of the evaluation or assessment by the department shall be the protection of the dependent adult named in the report.

176.6(2) The evaluation or assessment shall include all of the following:

a. Identification of the nature, extent, and cause of the adult abuse, if any, to the dependent adult named in the report.

b. The identification of the person or persons responsible for the adult abuse.

c. A determination of whether other dependent adults in the same residence have been subjected to adult abuse.

d. A critical examination of the residential environment of the dependent adult named in the report, and the dependent adult's relationship with caretakers and other adults in the same residence.

e. A critical explanation of all other pertinent matters.

176.6(3) The evaluation or assessment, with the consent of the dependent adult or caretaker, when appropriate, may include a visit to the residence of the dependent adult named in the report and an examination of the dependent adult. If permission to enter the residence and to examine the dependent adult is refused, the district court, upon a showing of probable cause that a dependent adult has been abused, may authorize a person, authorized by the department, to make an evaluation or assessment, to enter the residence of, and to examine the dependent adult.

Upon a showing of probable cause that a dependent adult has been financially exploited, a court may authorize a person, also authorized by the department, to gain access to the financial records of the dependent adult.

176.6(4) County attorneys, law enforcement agencies, multidisciplinary teams as defined in Iowa Code section 235B.1, subsection 1, and social services agencies in the state shall cooperate and assist in the evaluation or assessment upon the request of the department. County attorneys and appropriate law enforcement agencies shall also take any other lawful action necessary or advisable for the protection of the dependent adult.

176.6(5) The department, upon completion of its evaluation, shall transmit a copy of its preliminary report, including actions taken or contemplated, to the registry within four regular working days after the department receives the adult abuse report, unless the registry grants an extension of time for good cause shown. If the preliminary report is not a complete report, a complete report shall be filed within ten working days of the receipt of the abuse report, unless the registry grants an extension of time for good cause shown.

The department, upon completion of its assessment in reports when the abuse is the result of the acts or omissions of the dependent adult, shall place the report, including actions taken or contemplated, in the case file of the dependent adult. The central registry shall be notified as to the disposition of the assessment.

176.6(6) The department shall also transmit a copy of the report of its evaluation or assessment to the appropriate county attorney. The county attorney shall notify the county office of the department of any actions or contemplated actions with respect to a suspected case of adult abuse.

176.6(7) Based on the evaluation, the department shall complete an assessment of services needed by a dependent adult believed to be the victim of abuse, the dependent adult's family, or a caretaker. The department shall explain that the department does not have independent legal authority to compel the acceptance of protective services. Upon voluntary acceptance of the offer of services, the department shall make referrals or may provide necessary protective services to eligible dependent adults, their family members, and caretakers. The department may establish a sliding fee schedule for those persons able to pay a portion of the protective services provided. The following services may be offered and provided without regard to income: dependent adult protection, social casework, adult day care, adult support, transportation, and family planning.

176.6(8) Court action. When, upon completion of the evaluation or assessment or upon referral from the state department of inspections and appeals, the department determines that the best interests of the dependent adult require court action, the department shall initiate action for the appointment of a guardian or conservator, or for admission or commitment to an appropriate institution or facility, pursuant to the applicable procedures under Iowa Code chapter 125, 222, 229, or 633. The department may pursue other remedies provided by law pursuant to the applicable procedures under Iowa Code sections 235B.17, 235B.18, 235B.19, and 235B.20 or any other legal remedy which provides protection to a dependent adult. The appropriate county attorney shall assist the department in the preparation of the necessary papers to initiate the action, and shall appear and represent the department at all district court proceedings.

176.6(9) The department shall assist the district court during all stages of court proceedings involving a suspected case of adult abuse.

176.6(10) In every case involving adult abuse which is substantiated by the department and which results in a judicial proceeding on behalf of the dependent adult, legal counsel shall be appointed by the court to represent the dependent adult in the proceedings. The court may also appoint a guardian ad litem to represent the dependent adult when necessary to protect the dependent adult's best interests. The same attorney may be appointed to serve both as legal counsel and as guardian ad litem. Before legal counsel or a guardian ad litem is appointed pursuant to Iowa Code section 235B.3, subsection 7, paragraph "c," the court shall require the dependent adult and any person legally responsible for the support of the dependent adult to complete under oath a detailed financial statement. If, on the basis of that financial statement, the court deems that the dependent adult or the legally responsible person is able to bear all or a portion of the cost of the legal counsel or guardian ad litem, the court shall so order. In cases where the dependent adult or the legally responsible person is unable to bear the cost of the legal counsel or guardian ad litem, the expense shall be paid by the county.

176.6(11) Notification of licensing authority. Based on information discovered during an evaluation of dependent adult abuse in a program providing care to a dependent adult, the department shall notify the licensing or accrediting authority for the program, the governing body of the program, and the administrator in charge of the program of any of the following:

- a. A violation of program policy noted in the evaluation.
- b. An instance in which program policy or lack of program policy may have contributed to the dependent adult abuse.
- c. An instance in which general practice in the program appears to differ from the program's policy.

The licensing or accrediting authority, the governing body, and the administrator in charge of the program shall take any lawful action which may be necessary or advisable to protect dependent adults receiving care in the program.

441—176.7(235B) Appropriate evaluation or assessment.

176.7(1) After receipt of the report alleging dependent adult abuse the field worker shall make a preliminary evaluation or assessment to determine whether the information as reported, other known information, and any information gathered as a result of the worker's contact with collateral sources would tend to corroborate the alleged abuse.

176.7(2) When the information gathered in the preliminary evaluation or assessment tends to corroborate, or the worker is uncertain as to whether it repudiates the allegations of the report, the worker shall immediately continue the evaluation or assessment by making a reasonable effort to ensure the safety of the adult. The worker and the worker's supervisor shall determine whether an immediate threat to the physical safety of the adult is believed to exist. If an immediate threat to the physical safety of the adult is believed to exist, the field worker shall make every reasonable effort to examine the adult, as authorized by 176.6(3), within one hour after receipt of the report and shall take any lawful action necessary or advisable for the protection of the adult. When physical safety of the adult is not endangered, the worker shall make every reasonable effort to examine the adult within 24 hours after receipt of the report.

176.7(3) In the event the information gathered in the preliminary evaluation or assessment fails to corroborate the allegation of adult abuse, the worker, with approval of the supervisor, may terminate the evaluation or assessment and submit the "four-day report" required by subrule 176.6(5).

441—176.8(235B) Immunity from liability for reporters. A person participating in good faith in making a report or cooperating or assisting the department in evaluating or assessing a case of dependent adult abuse has immunity from liability, civil or criminal, which might otherwise be incurred or imposed based upon the act of making the report or giving the assistance. The person has the same immunity with respect to participation in good faith in a judicial proceeding resulting from the report or assistance or relating to the subject matter of the report or assistance.

The disposition of a case may include the provision for treatment recommendations and services.

176.15(2) *Execution of team agreement.* When the team is established the regional administrator or designee and all team members shall execute an agreement on Form 470-2328, Dependent Adult Abuse Multidisciplinary Team Agreement. This agreement specifies:

a. That the team shall be consulted solely for the purpose of assisting the department in the assessment, diagnosis and treatment of dependent adult abuse cases.

b. That any team member may cause a dependent adult abuse case to be reviewed if approved by the department through use of the process of requesting adult abuse information specified in rule 176.10(235B).

c. That no team members shall disseminate adult abuse information obtained solely through the multidisciplinary team. This shall not preclude dissemination of information as authorized by Iowa Code section 235B.6 when an individual team member has received information as a result of another authorized access provision of the Code.

d. That the department may consider the recommendation of the team in a specific dependent adult abuse case but shall not, in any way, be bound by the recommendations.

e. That any written report or document produced by the team pertaining to an individual case shall be made a part of the file for the case and shall be subject to all confidentiality provisions of Iowa Code sections 235B.6 and 235B.8 and of 441—Chapter 176.

f. That any written records maintained by the team which identify an individual dependent adult abuse case shall be destroyed when the agreement lapses.

g. That consultation team members shall serve without compensation.

h. That any party to the contract may withdraw with or without cause upon the giving of 30 days' notice.

i. The date on which the agreement will expire.

176.15(3) *Filing of agreement.* Whenever a team is created, a copy of the executed contract shall be filed with the central registry in addition to any other requirement placed upon execution of agreements by the department.

441—176.16(235B) Medical and mental health examinations. In any year in which the legislature appropriates funds, the department shall administer a payment program for mental health or medical health examinations for subjects of dependent adult abuse reports.

176.16(1) *Conditions for payment.* The following conditions must be met before payment can be made:

a. Local resources to pay these costs must be exhausted.

b. The examination must be scheduled during the evaluation or assessment process.

c. Department staff must be involved in the decision to request the examination.

176.16(2) *Payment limits.* Payment for mental health examinations shall not exceed \$250. Payment for a complete medical examination shall not exceed \$160.

176.16(3) *Billing procedures.* Claims for payment shall be submitted to the division of adult, children and family services on Form 07-350, Purchase Order/Payment Voucher, accompanied by a letter from department staff certifying that the necessary conditions for payment have been met.

441—176.17(235B) Request for correction or expungement. The department of human services is responsible for correction or expungement of reports prepared by department staff. The department of inspections and appeals is responsible for correction or expungement of reports prepared by that department's staff and that determination shall be binding on the registry.

176.17(1) Within six months of the date of the notice of evaluation results, a person may file with the registry a written statement to the effect that the dependent adult abuse information referring to the person is partially or entirely erroneous. The person may also request a correction of that information or of the findings of the report. The registry will record all requests and immediately forward the requests to the division of health facilities, department of inspections and appeals, when the reports were prepared by the department of inspections and appeals. The registry will notify the person requesting a correction that the report has been sent to the department of inspections and appeals.

176.17(2) Unless the designated department corrects the information or findings as requested, the designated department shall provide the person with an opportunity for a hearing as provided by 441—Chapter 7 to correct the information or the findings. The department may defer the hearing until the conclusion of a pending district court case relating to the information or findings.

These rules are intended to implement Iowa Code chapter 235B.
