441—65.2(234) Application. Persons in need of food stamps may file an application at an office in the administrative area in which they reside. An application is filed the day an appropriate food stamp office receives an application for food stamps on Form 470-3112 or 470-3122 (Spanish), Application for Assistance, Part 1; Form FP-2101-0 or FP-2101-1 (Spanish), Application for Food Stamps; or Form PA-2207-0 or Form PA-2230-0 (Spanish), Public Assistance Application containing the applicant's name and address which is signed by either a responsible member of the household or the household's authorized representative. For cases not selected for the X-PERT system, the application is complete when a completed Form FP-2101-0 or FP-2101-1, Application for Food Stamps, is submitted, when the application is for a month the household is not certified for food stamps or the application is for a household whose previous participation was in another administrative area, except when any person in the household is applying for aid through the family investment program or related medical programs, the refugee resettlement assistance programs, or the child medical assistance program. These persons shall complete Form PA-2207-0 or Form PA-2230-0 (Spanish), Public Assistance Application, no later than at the time of the required interview.

For cases selected for X-PERT, the application is complete when a completed Form 470-3112 or Form 470-3122 (Spanish), Application for Assistance, Part 1, is submitted; an interview has been held; the household is provided the Summary of Facts, Form 470-3114, for review; and an adult food stamp household member has signed the Summary Signature Page, Form 470-3113 or Form 470-3123 (Spanish) when the application is for a month the household is not certified for food stamps or the application is for a household whose previous participation was in another administrative area.

Households receiving food stamps without a change of administrative area may apply for continued participation by submitting Form 470-2881, Review/Recertification Eligibility Document.

65.2(1) Failure to appear for interview. Rescinded IAB 5/2/01, effective 6/1/01.

65.2(2) Failure to provide verification. When a household files an initial application and the department requests additional verification, the applicant shall have ten days to provide the requested verification. If the applicant fails to provide the verification within ten days, the department may deny the application immediately. If the applicant provides the department with the requested verification prior to the thirtieth day from the date of application, the department shall reopen the case and provide benefits from the date of application. If the household provides the verification in the second 30 days after the date of the application, the department shall reopen the case and provide benefits from the date the verification was provided.

441—65.3(234) Administration of program. The food stamp program shall be administered in accordance with the Food Stamp Act of 1977 and in accordance with federal regulation, Title 7, Parts 270 through 282 as amended to November 21, 2000.

A copy of the federal law and regulations may be obtained at no more than the actual cost of reproduction by contacting the Division of Economic Assistance, Department of Human Services, 1305 East Walnut, Des Moines, Iowa 50319-0114, (515)281-3133.

This rule is intended to implement Iowa Code section 234.12.

441—65.4(234) Issuance. All food stamp coupons are issued by direct mail except for expedited food stamp benefits, exchange for improperly manufactured or mutilated coupons, and exchange of old series coupons for new series coupons. Expedited food stamp coupons shall be issued over the counter by local or area offices. Persons residing in counties in which a local or area office is not located shall have their expedited food stamp coupons mailed unless the interview is conducted in person at a local or area office in the administrative area in which they reside and benefits are picked up on the day of the interview. Exchanged coupons are issued over the counter by local or area offices. Food stamp recipients may choose to receive and use their benefits by electronic benefit transfer (EBT) instead of food stamp coupons in counties where this option is available. Where the option of EBT issuance is available and the household chooses this option, expedited food stamp benefits may be issued by EBT if expedited time frames can be met. Food stamp benefits for ongoing certifications are mailed or are otherwise made available to the household on a staggered basis during the first 15 days of each month.

65.4(1) When persons reside in counties in which a local or area office is located and have coupons replaced as a result of a mail loss for one month, the coupons shall be mailed to the local or area office in the county in which the persons reside for six months. When persons reside in counties in which a local or area office is not located and have coupons replaced as a result of a mail loss for two months in a six-month period, the coupons shall be mailed to the local or area office to which that county's satellite office is directly assigned for six months except when the mail loss occurs because of the department's failure to mail to the address specified by the household. When a change of mailing address is reported, the old address becomes the wrong address as of the date of the report.

65.4(2) When a household reports a shortage in its mail issuance, the household shall present the coupon books received to an office in the administrative area in which the household resides for examination.

65.4(3) When a household presents \$200 or more of old series coupons to be exchanged for new series coupons, the household shall sign a statement that the coupons were validly purchased by the household, telling the approximate dates of purchase, and giving the reasons for the accumulation and the delay in presenting them for exchange.

65.4(4) When a household meets the residency requirements of the food stamp program within the state of Iowa and is eligible for direct mailing, the household may have the coupon allotment sent to any mailing address within the state or to a community or mailing address which does not exceed ten miles beyond the legal boundaries of the state.

65.4(5) Notwithstanding anything to the contrary in these rules or regulations, households applying for initial months' benefits after the fifteenth day of the month and eligible for expedited services who are determined eligible for the initial month and the next subsequent month shall receive their prorated initial month expedited allotment and their first full month's allotment at the same time.

441—65.5(234) Hotline. Rescinded IAB 10/30/91, effective 1/1/92.

441—65.6(234) Delays in certification.

65.6(1) When by the thirtieth day after the date of application the agency cannot take any further action on the application due to the fault of the household, the agency shall give the household an additional 30 days to take the required action. The agency shall send the household a notice of pending status on the thirtieth day.

65.6(2) When there is a delay beyond 60 days from the date of application and the agency is at fault and the application is complete enough to determine eligibility, the application shall be processed. For subsequent months of certification, the agency may require a new application form to be completed when household circumstance indicates changes have occurred or will occur.

65.6(3) When there is a delay beyond 60 days from the date of application and the agency is at fault and the application is not complete enough to determine eligibility, the application shall be denied. The household shall be notified to file a new application and that it may be entitled to retroactive benefits.

441—65.7(234) Expedited service. Rescinded IAB 5/2/01, effective 6/1/01.

441—65.8(234) Deductions.

65.8(1) Standard allowance for households with heating or air-conditioning expenses. When a household is receiving heating or air-conditioning service for which it is required to pay or receives assistance under the Low-Income Home Energy Assistance Act (LIHEAA) of 1981, the heating or air-conditioning standard shall be allowed. The standard allowance for utilities which include heating or air-conditioning costs is a single utility standard. This standard is \$202 effective August 1, 1991. Beginning October 1, 1992, this allowance shall change annually effective each October 1 using the percent increase reported in the consumer price index monthly periodical for January for fuels and other utilities for the average percent increases for the prior year for all urban consumers United States city average. Any numeral after the second digit following the decimal point will be dropped in this calculation. Any decimal amount of .49 or under will be rounded down. Any decimal of .50 or more will be rounded up to the nearest dollar. The cent amount will be included when calculating the next year's increase.

EXCEPTION: For the period beginning with food stamp issuances for April 2001, the standard utility allowance for households with a heating or air-conditioning expense as discussed above shall be \$268. Effective with food stamp issuances for October 2002, the standard utility allowance shall revert to the allowance calculated using the methodology outlined in this subrule. The utility standard effective October 1, 2002, shall be adjusted either up or down, as appropriate.

65.8(2) Heating expense. Heating expense is the cost of fuel for the primary heating service normally used by the household.

65.8(3) Telephone standard. When a household is receiving telephone service for which it is required to pay and the household is not entitled or chooses not to receive a single standard allowance, a standard allowance shall be allowed. This standard shall be \$18 effective August 1, 1991. Beginning October 1, 1992, this allowance shall change annually effective each October 1 using the percent increase reported in the consumer price index monthly periodical for January for telephone service for the average percent increases for the prior year for all urban consumers United States city average. Any numeral after the second digit following the decimal point will be dropped in this calculation. Any decimal amount of .49 or under will be rounded down. Any decimal of .50 or more will be rounded up to the nearest dollar. The cent amount will be included when calculating the next year's increase.

65.8(4) Energy assistance payments. For purposes of prorating the low income energy assistance payments to determine if households have incurred out-of-pocket expenses for utilities, the heating period shall consist of the months from October through March.

65.8(5) Standard allowance for households without heating or air-conditioning expenses. When a household is receiving some utility service other than heating or air-conditioning for which it is responsible to pay, or receives a fee for excess utility cost which can be for excess heating or air-conditioning expense, the following nonheating or air-conditioning standard shall be allowed. These utility expenses cannot be solely for telephone. This standard is \$103 effective August 1, 1991. Beginning October 1, 1992, this allowance shall change annually effective each October 1 using the percent increase reported in the consumer price index monthly periodical for January for electric service for the average percent increases for the prior year for all urban consumers United States city average. Any numeral after the second digit following the decimal point will be dropped in this calculation. Any decimal amount of .49 or under will be rounded down. Any decimal of .50 or more will be rounded up to the nearest dollar. The cent amount will be included when calculating the next year's increase.

65.8(6) Excluded payments. A utility expense which is reimbursed or paid by an excluded payment, including HUD or FmHA utility reimbursements, shall not be deductible.

65.8(7) Excess medical expense deduction. Notwithstanding anything to the contrary in these rules or regulations, at certification, households having a member eligible for the excess medical expense deduction shall be allowed to provide a reasonable estimate of the member's medical expenses anticipated to occur during the household's certification period. The estimate may be based on available information about the member's medical condition, public or private medical insurance coverage, and current verified medical expenses. Households giving an estimate shall not be required to report or verify changes in medical expenses that were anticipated to occur during the certification period.

65.8(8) Child support payment deduction. Rescinded IAB 5/2/01, effective 6/1/01.

65.8(9) Standard deduction. Notwithstanding anything to the contrary in these rules or regulations, the standard deduction shall be \$134 for calculation of food stamp benefits issued for December 1995 through September 30, 1996.

65.8(10) Sharing utility standards. When a household lives with another individual not participating in the food stamp program, another household participating in the food stamp program, or both, and they share utility expenses, the appropriate utility standard shall be prorated between the food stamp households and the nonparticipating household members who share the expense. The share of the standard shall be determined by considering each food stamp household to be one share of the standard and the other non-food stamp household members who agree to share utility expenses as one share of the standard. When households or individuals share the telephone standard, each must be responsible for a share of the basic fee for telephone service to receive a share of the telephone standard. When a household shares utility expenses only with ineligible food stamp members, the standard shall not be prorated.

65.8(11) Excess shelter cap. Rescinded IAB 5/2/01, effective 6/1/01.

This rule is intended to implement Iowa Code section 234.12.

These group living arrangements are public or private nonprofit residential settings that serve no more than 16 residents that are certified by the appropriate agency or agencies of the state under regulations issued under Section 1616(e) of the Social Security Act or under standards determined by the secretary to be comparable to standards implemented by appropriate state agencies under Section 1616(e) of the Social Security Act.

441—65.10(234) Reporting changes. Households may report changes on the Change Report Form, 470-0321 or 470-0322 (Spanish). Households are supplied with this form at the time of initial certification, at the time of recertification whenever the household needs a new form, whenever a form is returned by the household, and upon request by the household.

Households which are exempt from filing a monthly report must report a change in total household gross earned income of more than \$100 per month.

441—65.11(234) Discrimination complaint. Individuals who feel that they have been subject to discrimination may file a written complaint with the Affirmative Action Office, Department of Human Services, Hoover State Office Building, Des Moines, Iowa 50319.

441—65.15(234) Proration of benefits. Benefits shall be prorated using a 30-day month.

This rule is intended to implement Iowa Code section 234.12.

441—65.16(234) Complaint system. Clients wishing to file a formal written complaint concerning the food stamp program may submit Form FP-2238-0, or FP-2238-1, Food Stamp Complaint, to the office of field support. Department staff shall encourage clients to use the form.

441—65.17(234) Involvement in a strike. An individual is not involved in a strike at the individual's place of employment when the individual is not picketing and does not intend to picket during the course of the dispute, does not draw strike pay, and provides a signed statement that the individual is willing and ready to return to work but does not want to cross the picket line solely because of the risk of personal injury or death or trauma from harassment. The regional administrator shall determine whether such a risk to the individual's physical or emotional well-being exists.

441—65.18(234) Rescinded, effective 8/1/86.

441—65.19(234) Monthly reporting/retrospective budgeting.

65.19(1) *Budgeting cycle.* Retrospective budgeting will base benefit calculation on the budget month which is the second calendar month preceding the issuance month.

65.19(2) *Reporting responsibilities of monthly reporting households.*

a. The Public Assistance Eligibility Report, Form PA-2140-0, will be supplied to the recipient, by the department, as needed or requested. The department shall provide a postage-paid envelope for return of Form PA-2140-0, the Public Assistance Eligibility Report.

b. Households shall return the completed form to an office in the administrative area in which they reside by the fifth calendar day of the month which precedes the issuance month, when the form was issued in the department's regular end-of-month mailing. Households shall return the completed form to an office in the administrative area in which they reside by the seventh day after the date of the issuance of the form when the form was not issued in the department's regular end-of-month mailing.

c. Failure to return a completed form shall result in cancellation of assistance. A completed form is a form with all items answered, accompanied by verification as required in 65.19(14), and signed and dated by a responsible household member on or after the last day of the budget month. When the PA-2140-0 is used and a person in the household is also required to report monthly for another public assistance program, the form shall also be signed by all individuals required to sign for that program to be considered complete.

65.19(3) *Determination of eligibility.* Eligibility will be determined on the basis of the household's prospective income and circumstances.

65.19(4) *Public assistance income.* The aid to dependent children and refugee cash assistance grant(s) authorized for the issuance month will be considered in determination of the household's eligibility and benefit level. Adjustive or corrective public assistance payments shall be counted retrospectively.

65.19(5) *Suspension.* Suspension is not limited to households with a periodic increase in recurring income. Suspension may not occur for two consecutive months.

65.19(6) *Households required to submit monthly reports.* The following households must return monthly reports, unless exempted by federal regulation:

a. Households required to submit aid to dependent children monthly reports.

(3) The income is from interest.

(4) The income is from occasional general assistance payments.

65.19(7) *Entering or leaving monthly reporting or a budgeting method due to a change in status.* Notwithstanding anything to the contrary in these rules or regulations, a monthly report will be required for the budget month after the month the household reported a status change. Retrospective budgeting will begin in the month after the household reported the status change.

The department shall notify households who become exempt from monthly reporting within ten days of the date the department becomes aware of the change. This notification shall inform the household that they no longer have to file future monthly reports and will tell them when the change in budgeting, if any, will occur. Prospective budgeting will begin the first issuance month the client does not submit a monthly report.

The department shall change the budgeting method of households who must report changes in ten days no later than the next month following the ten-day period for the worker to act and timely notice requirements.

65.19(8) *Prospective beginning months.* All eligible households will have benefits calculated prospectively for the two beginning months. When a household has applied for assistance from the family investment program or related medical programs, the child medical assistance program or the refugee resettlement-cash assistance program, and for food stamp benefits using a Form 470-3112, Application for Assistance, Part 1, or a Form PA-2207-0 or PA-2230-0 (Spanish), Public Assistance Application, a third food stamps' beginning month will be allowed when the public assistance program's first "initial month" is the same calendar month as the second food stamps' beginning month, and the third beginning month permits a simultaneous transition to retrospective budgeting.

65.19(9) *Disregarded income for the first months of retrospective budgeting.* Income considered prospectively for new household members or in the beginning months and not expected to continue shall not be considered again.

65.19(10) *Action on reported changes.* The agency will act on all reported changes for households required to submit monthly reports.

65.19(11) *Actual or converted income.* Calculation of benefits for households required to submit monthly reports will consider the actual income received or anticipated to be received in the budget month unless the income is annualized or prorated. Calculation of benefits for households not required to monthly report will use the actual or converted amount of income received on a weekly or biweekly basis for that benefit month.

65.19(12) *Mailing of notices.* All individual household notices of benefit amounts will be mailed separately from food stamps.

65.19(13) *Reinstatement.* Reinstatement of the household canceled for failure to submit a complete monthly report will occur only when the otherwise eligible household submits a complete report by the end of the report month or by the extended filing date, whichever is later.

65.19(14) *Verification of income.* Notwithstanding anything to the contrary in these rules or regulations, a monthly report will be considered incomplete when it is not accompanied by verification of:

- a. Gross nonexempt earned income, including when this earned income starts or stops.
- b. Unearned income or prorated income or annualized income when this income starts, stops, or changes in amount. Verification of interest income, with a monthly report, is not required.

65.19(15) *Return of verification.* The agency will return all items of verification, submitted in the monthly reporting process, to the household.

65.19(16) *Notice regarding reinstatement.* The household which has received a Notice of Cancellation, Form 4107-0, shall be notified in writing of its status every time the department receives a monthly report form prior to the end of the "report month," or the extended filing period, whichever is later.

65.19(17) *Additional information and verification.* The household which has submitted a complete monthly report shall submit, or cooperate in obtaining, additional information and verification needed to determine eligibility or benefits within ten calendar days of the agency's written request.

65.19(18) *Household membership.* Except for applications received during a period of time when the household was not certified to receive food stamps, household membership shall be determined as it was or is anticipated to be on the first day of the issuance month. Changes in household membership occurring on or after the first day of the month which are reported during the month in which the change occurs, will not be considered until the following month. Except for qualified residents of a shelter for battered women and children, individuals shall not be added to the household prior to their being removed from another household where they were receiving food stamps.

65.19(19) *Certification periods.* Households in which all members are receiving family investment program (FIP) cash assistance, a family medical assistance program (FMAP), or FMAP-related medical assistance will be assigned certification periods of 6 to 12 months. However, a certification period of less than 6 months may be assigned at application or recertification to match the food stamp recertification date and the public assistance review date.

Households in which one or more members are not receiving FIP cash assistance, or FMAP or FMAP-related medical assistance, and which are not required to file a monthly report will be assigned certification periods of one to six months based on the predictability of the household's circumstances except when the adult members are all 60 years of age or older with very stable income such as social security, supplemental security income, pensions or disability payments. These households shall be certified for up to 12 months.

65.19(20) *Households subject to retrospective budgeting.* Notwithstanding anything to the contrary in these rules or regulations, all households are subject to retrospective budgeting except:

65.19(21) *Self-employment income for less than a year.* Notwithstanding anything to the contrary in these rules or regulations, self-employment income received over a period of less than a year shall be prorated over that period and used to calculate benefits only retrospectively. This income will be used prospectively to determine eligibility.

441—65.20(234) Notice of expiration issuance.

65.20(1) Issuance of the automated Notice of Expiration will occur with the mailing of Form 470-2881, Review/Recertification Eligibility Document, or a hand-issued Form FP 2310-0, Notice of Expiration.

65.20(2) Issuance of the Notice of Expiration, Form FP-2310-0, will occur at the time of certification if the household is certified for one month, or for two months, and will not receive the Automated Notice of Expiration.

441—65.21(234) Claims.

65.21(1) *Time period.* Inadvertent household error and agency error claims shall be calculated back to the month the error originally occurred to a maximum of three years prior to month of discovery of the overissuance.

65.21(2) *Suspension status.* Rescinded IAB 7/1/98, effective 8/5/98.

65.21(3) *Application of restoration of lost benefits.* If the household is entitled to any benefits which it did not receive due to delay or error by the department, these benefits shall first be applied to any claims (including a suspended claim) with any remaining benefits being issued to the household.

65.21(4) *Demand letters.* Households which have food stamp claims shall return the repayment agreement no later than 20 days after the date the demand letter is mailed. For agency error and inadvertent household error, households which do not return the repayment agreement by the due date or do not timely request an appeal, allotment reduction shall occur with the first allotment issued after the expiration of the Notice of Adverse Action time period. For intentional program violation, households which do not return the repayment agreement by the due date, allotment reduction shall occur with the next month's allotment.

65.21(5) *Calculating the amount of an overissuance.* The earned income deduction shall not be allowed when a claim is calculated to determine an overissuance caused by the failure of a household to timely report earned income.

65.21(6) *Collection of claims.* All claims for overissued food stamps can be collected by allotment reduction. Individuals not participating in the food stamp program who are 180 days delinquent in repaying their overissuance will be subject to collection action through the treasury offset program (TOP) which includes, but is not limited to, federal salary offset and federal tax refund offset as outlined in rule 441—11.5(234).

441—65.22(234) Verification.**65.22(1) *Required verification.***

65.22(3) Special verification procedures. Persons whose applications meet the initial criteria for error-prone cases may be subject to special verification procedures, including a second face-to-face interview and additional documentation requirements in accordance with department of inspections and appeals' rules 481—Chapter 72.

Clients are required to cooperate with the food stamp investigation section of the department of inspections and appeals in establishing food stamp eligibility factors including attending requested interviews. Foster children living with foster parents will not be considered to be members of the food stamp household unless the household elects to include the foster children in the food stamp household. Foster care payments received for foster children not included in the household will be excluded from the income of the household receiving the payment.

441—65.25(234) Effective date of change. A food stamp change caused by, or related to, a public assistance grant change, will have the same effective date as the public assistance change.

441—65.26(234) Child support rebate (pass-through) from the department. Rescinded IAB 7/1/98, effective 7/1/98.

441—65.27(234) Voluntary quit or reduction in hours of work.

65.27(1) Applicant households. A member of an applicant household who without good cause voluntarily quits a job within 60 days prior to the date the household applies for food stamp benefits shall be disqualified from participating in the food stamp program for 90 days beginning with the date of the quit. Reduction in hours of work to less than 30 hours per week does not apply to applicant households.

65.27(2) Participating individuals. Participating individuals are subject to the same disqualification periods as provided under subrule 65.28(12) when the participating individuals voluntarily quit employment without good cause or voluntarily reduce hours of work to less than 30 hours per week, beginning with the month following the adverse notice period.

441—65.28(234) Work requirements.

65.28(1) *Persons required to register.* Each household member who is not exempt by subrule 65.28(2) shall be registered for employment at the time of application, and once every 12 months after initial registration, as a condition of eligibility. Registration is accomplished when the applicant signs a food stamp application form that contains a statement that all members in the household who are required to register for work are willing to register for work. This signature registers all members of that food stamp household that are required to register.

65.28(2) *Exemptions from work registration.* The following persons are exempt from the work registration requirement:

a. A person younger than 16 years of age or a person 60 years of age or older. A person aged 16 or 17 who is not a head of a household or who is attending school, or is enrolled in an employment training program on at least a half-time basis is exempt.

b. A person physically or mentally unfit for employment.

c. A household member subject to and complying with any work requirement under Title IV of the Social Security Act including mandatory PROMISE JOBS referral.

d. A parent or other household member who is responsible for the care of a dependent child under age six or an incapacitated person.

e. A person receiving unemployment compensation.

f. A regular participant in a drug addiction or alcohol treatment and rehabilitation program which is certified by the Iowa department of public health, division of substance abuse.

g. A person who is employed or self-employed and working a minimum of 30 hours weekly or receiving weekly earnings at least equal to the federal minimum wage multiplied by 30 hours.

h. A student enrolled at least half-time in any recognized school, recognized training program, or an institution of higher education (provided that students have met the requirements of federal regulation, Title 7, Part 273.5, as amended to December 31, 1986).

65.28(3) *Losing exempt status.* Persons who lose exempt status due to any change in circumstances that is subject to the reporting requirements shall register for employment when the change is reported. Persons who lose exempt status due to a change in circumstances that is not subject to the reporting requirements for that household shall register for employment no later than at the household's next recertification.

65.28(4) *Registration process.* Upon reaching a determination that an applicant or a member of the applicant's household is required to register, the pertinent work requirements, the rights and responsibilities of work-registered household members, and the consequences of failure to comply shall be explained to the applicant. A written statement of the above shall be provided to each registrant in the household. The written statement shall also be provided at recertification and when a previously exempt member or a new household member becomes subject to work registration.

Registration for all nonexempt household members required to work register is accomplished when the applicant or recipient signs an application, recertification, or reporting form containing an affirmative response to the question, "Do all members who are required to work register and participate in job search agree to do so?" or similarly worded statement.

65.28(5) *Deregistration.* Work registrants who obtain employment or otherwise become exempt from the work requirement subsequent to registration or who are no longer certified for participation are no longer considered registered.

65.28(6) *Work registrant requirements.* Work registrants shall:

- a. Participate in an assigned employment and training program.
- b. Respond to a request from the department or its designee for supplemental information regarding employment status or availability for work.
- c. Report to an employer to whom referred by the department or its designee if the potential employment meets the suitability requirements described in subrule 65.28(15).
- d. Accept a bona fide offer of suitable employment at a wage not less than the federal minimum wage.

65.28(7) *Employment and training programs.* Persons required to register for work and not exempted by subrule 65.28(9) from placement in a component shall be subject to employment and training requirements. If all nonexempt mandatory registrants cannot be served because minimum federal participation standards have been met, registrants will be randomly selected for referral up to the minimum standard. Requirements may vary among participants.

The department or its designee shall serve as the provider of employment and training services for nonexempt food stamp registrants.

The department or its designee can require participants to engage in vocational testing activities when deemed necessary.

Participants shall report for all scheduled employment interviews and accept bona fide offers of suitable employment as defined in subrule 65.28(15).

Participants who, for any reason, are absent from any scheduled employment and training appointment shall be required to reschedule a like appointment. Absence includes missing more than 30 minutes of a scheduled appointment.

65.28(8) *Employment and training components.* Employment and training components include individual job search, job club, educational services (GED/ABE/ESL) and Job Training Partnership Act (JTPA) activities.

The job club, educational services and DES/IJS components shall operate in the following 63 counties: Adair, Adams, Appanoose, Audubon, Black Hawk, Boone, Buchanan, Carroll, Calhoun, Cerro Gordo, Clarke, Clay, Clinton, Crawford, Dallas, Davis, Delaware, Des Moines, Dickinson, Dubuque, Emmet, Floyd, Fremont, Greene, Hamilton, Hancock, Harrison, Henry, Humboldt, Jasper, Jefferson, Johnson, Keokuk, Lee, Linn, Louisa, Mahaska, Marion, Marshall, Mills, Mitchell, Monroe, Montgomery, Muscatine, Page, Polk, Palo Alto, Pottawattamie, Ringgold, Sac, Scott, Story, Tama, Union, Van Buren, Wapello, Warren, Wayne, Webster, Winnebago, Woodbury, Worth, and Wright. The DES/IJS component shall also operate in the following 11 counties: Allamakee, Buena Vista, Cass, Fayette, Howard, O'Brien, Osceola, Poweshiek, Shelby, Sioux, and Winneshiek. These counties were chosen based upon available food stamp population and the most effective use of limited department of employment services staff and a limited federal grant to serve the food stamp population.

In the 63 counties operating job club and educational services components, nonexempt mandatory registrants shall participate in job club operated by the department of employment services (subject to limitations imposed in paragraph "b"). Registrants referred to job club may choose to complete their education through the educational services (GED/ABE/ESL) programs if, through individual assessment, the department of employment services determines that the registrant would become more employable by completing the educational services program. Participants in the job club component who do not become employed may choose to either enroll in the JTPA program or to be assigned to an individual job search operated by the department of employment services (DES/IJS). Those participants choosing JTPA who are not enrolled in the JTPA program shall be assigned to DES/IJS.

In the 11 counties not operating a job club component but operating the DES/IJS component, non-exempt mandatory registrants may volunteer to complete their education through the educational services (GED/ABE/ESL) programs if, through individual assessment, the department of employment services determines that the registrant would become more employable by completing the educational services program; or to be assigned to job club operated by the department of employment services (subject to the limitations in paragraph "b"); or to enroll in the JTPA program. The voluntary participants will be referred to the nearest department of employment services office offering these services. Nonexempt, mandatory registrants who do not enter and complete a voluntary component, who choose JTPA but are not enrolled in the JTPA program, or who complete one voluntary component and do not enter another voluntary component, or who do not become employed will be assigned to DES/IJS.

No employment and training components will operate in the following 25 counties: Benton, Bremer, Butler, Cedar, Cherokee, Chickasaw, Clayton, Decatur, Franklin, Grundy, Guthrie, Hardin, Ida, Iowa, Jackson, Jones, Kossuth, Lucas, Lyon, Madison, Monona, Plymouth, Pocahontas, Taylor, and Washington.

In these 25 counties where no employment and training components are operating, nonexempt (for reasons other than geographic exemption) mandatory registrants may volunteer to complete their education through the educational services (GED/ABE/ESL) programs if, through individual assessment, the department of employment services determines that the registrants would become more employable by completing the educational services program; or to be assigned to job club operated by the department of employment services (subject to the limitations in paragraph "b"); or to enroll in the JTPA program. The voluntary participants will be referred to the nearest department of employment services office offering these services.

Any mandatory participant may enroll in the JTPA component and, if enrolled, be considered as participating in a food stamp employment and training program. Otherwise, program participation is limited to two components per federal fiscal year (October-September). The educational services component shall be considered as two components for participation purposes.

a. Rescinded IAB 12/13/89, effective 2/1/90.

b. Job club. Participants who are assigned to job club shall receive one week of job-seeking skills training and shall then participate in a structured employment search activity for a period not to exceed three weeks. Participants shall be assigned a maximum of four hours per day in scheduled job club activities. Participants shall contact a minimum of 25 employers per day by telephone to schedule employment interviews unless fewer contacts are required by staff. Daily attendance during the one week of job-seeking skills training is required. Staff may require a participant who, for any reason, is absent during this week to repeat the entire week of training. Additional allowances shall not be paid to these individuals.

Staff may require job club participants to make up absences which occur during the three-week job search period. Additional allowances shall not be paid to these persons.

Job club participants who, during participation, obtain part-time employment of less than 60 hours per month shall be required to continue job club unless the scheduled job club hours conflict with the scheduled hours of employment. Staff shall require these persons to participate in job club during those hours where no conflict with work hours exists.

Registrants are required to complete a current employment services registration, Application Card, Form 62-2019, including Form I-9, Employment Eligibility Verification Form, when referred to the department of employment services.

Participants in job club shall receive information about the program. At a minimum, the orientation shall include an explanation of services provided, an explanation of participation requirements, an explanation of what services participants can expect to receive, and an explanation of each participant's rights and responsibilities. At the conclusion of the presentation, each participant shall be required to read and sign Your Rights and Responsibilities, Form 62-2053, acknowledging that a complete explanation of the program and what constitutes noncompliance and the sanctions for noncompliance have been provided.

c. Educational services (GED/ABE/ESL). Persons referred to the job club component may elect to be referred to the educational services program. Educational services offered include the General Educational Development (GED), Adult Basic Education (ABE), or English as a Second Language (ESL). The department of employment services shall individually assess persons requesting referral to this program. If it is determined that obtaining educational services would directly enhance the person's likelihood of obtaining employment, the person will be referred to this program (subject to available funds). Participation in the educational services program for eight consecutive weeks would be considered equivalent to participation in two 4-week employment and training components. Persons who fail to begin or continue the educational program during the two 4-week components will be assigned to the job club component.

d. Job training partnership act (JTPA). Persons electing to participate in and selected for participation in the JTPA program shall be considered participating in an employment and training component.

e. Individual job search operated by the department of employment services (DES/IJS). Participants in DES/IJS shall receive information about the program. At a minimum, the orientation shall include an explanation of services provided, an explanation of participation requirements, and an explanation of each participant's rights and responsibilities. At the conclusion of the presentation each participant shall be required to read and sign Your Rights and Responsibilities, Form 62-2053, acknowledging that a complete explanation of the program and what constitutes noncompliance and the sanctions for noncompliance have been provided.

Each participant shall be given a job search assignment. The participant shall be required to contact up to 24 employers, face-to-face, for the purpose of submitting employment applications and arranging for employment interviews. To qualify as a job contact, the participants must present themselves to prospective employers as available for work. Also, the prospective employer must ordinarily employ persons in areas of work for which the applicant is reasonably qualified based on the participant's skills, prior work experience and level of education. The participant cannot contact the same employer more than once during the component unless the initial contact indicated that vacancies in suitable positions may soon exist. Each participant shall be required to submit written documentation of employer contacts made using Job Service Work Search Record, Form 60-0259. This documentation shall be provided in person to employment services staff at a scheduled meeting which shall occur at the conclusion of the 4-week participation period. Each participant shall be given written notice of the time, date, and location of this meeting, at the beginning of the period.

65.28(9) Exemptions from employment and training programs. The department may exempt certain individuals and categories of individuals from employment and training participation. Exempt status of individuals shall be reviewed at recertification to determine if the exemption is still valid. Exempt classifications include:

a. Pregnant women in the second or third trimester of pregnancy. Department staff are authorized to require medical documentation.

b. Strikers and persons who are unemployed because of lockout.

c. Persons who are laid off or temporarily unemployed and expect to be recalled within the next 90 days (job attached).

d. Rescinded IAB 12/13/89, effective 2/1/90.

e. Persons with no mailing address available other than general delivery.

f. Victims of spouse abuse receiving employment-related services from a shelter for battered women or other spousal abuse organization.

g. Persons who have accepted a job that will exempt them and that will begin within 60 days. The person shall provide verification that a legitimate job offer and acceptance has been made.

h. Persons participating in the Self-Employment Investment Demonstration (SEID) project (as defined in 441—Chapter 48). Exempt status begins when the person begins participation in SEID training and assessment.

i. Rescinded IAB 12/13/89, effective 2/1/90.

j. Mandatory food stamp work registrants who are employed 60 or more hours per month.

k. Persons whose daily commuting time exceeds two hours per day, not including the transporting of a child to and from a child care facility, or the distance to the component site prohibits walking and neither public nor private transportation is available to transport the person.

l. Persons who are assigned to a job or training component, but who do not commence the component and are determined to have good cause as defined in subrule 65.28(17), may be considered exempted if the reason for good cause will last for 60 days or longer. When the reason for the exemption is no longer applicable, the person may be placed in a component.

65.28(10) *Time spent in an employment and training program.* A participant may be placed in two different components from October 1 through September 30.

The total hours of participation for any household member individually in any month together with any hours worked for compensation (in cash or in kind) shall not exceed 120.

65.28(11) *Participation allowance and dependent care reimbursements.*

a. Participants in employment and training programs shall be provided an allowance for costs of transportation or other costs (other than dependent care costs) reasonably necessary and directly related to participation in the components of \$25 for each four-week component in which the participant is placed.

EXCEPTION: Participation in JTPA (65.28(8), paragraph “d”) does not entitle the person to a participation allowance. The allowance shall be authorized on the first day of each component in which the person participates. The allowance shall be authorized only once per component in each federal fiscal year. Participation in educational services (65.28(8), paragraph “c”) is considered participation in two consecutive four-week components.

b. A reimbursement for the actual costs of dependent care expenses that the department’s designee determines to be necessary for the participation of a person in the components not to exceed \$200 for each child under two years of age and \$175 for each other dependent per four-week component will be paid directly to the provider of the care. The reimbursement will only be made to a person not included in the food stamp household. The amount of the reimbursement cannot exceed the going rate in the community as determined for PROMISE JOBS. For participants in the DES/IJS component, during the regular school term, reimbursement will be made only to the extent that the contacts required in this component cannot be made while dependent children who attend school are in school. Individuals shall be deferred from participation in a component if the dependent care expenses exceed the dependent care reimbursement. Deferral shall continue until a suitable component is available or circumstances change and monthly dependent care expenses no longer exceed the reimbursement amount.

EXCEPTION: The caretaker relative of a dependent in a family receiving FIP shall not be eligible for the dependent care reimbursement. Participation in JTPA (65.28(8), paragraph “d”) does not entitle the person to a dependent care reimbursement. The reimbursement shall be authorized after the last day of each component in which the person participates upon presentation of proof of the expense incurred and hours of care for each dependent. The reimbursement shall be authorized only once per component in each federal fiscal year. Participation in educational services (65.28(8), paragraph “c”) is considered participation in two consecutive four-week components.

65.28(12) Failure to comply. This subrule does not apply to persons electing to participate in the employment and training components of educational services and JTPA (see paragraphs 65.28(8) “c” and “d”).

a. When a person has refused or failed without good cause to comply with the work registration or employment and training requirements in this rule, that person shall be ineligible to participate in the food stamp program as follows:

(1) First violation: The later of (1) the date the individual complies with the requirement; or (2) two months.

(2) Second violation: The later of (1) the date the individual complies with the requirement; or (2) three months.

(3) Third and subsequent violations: The later of (1) the date the individual complies with the requirement; or (2) six months.

b. The disqualification period shall begin with the first month following the expiration of the adverse notice period, unless a fair hearing is requested.

c. Participants shall be notified of probation status in writing. Probation shall last for the duration of the component. In addition to other work requirements in this chapter, employment and training participants are subject to the following specific requirements:

(1) Participants who are absent without good cause shall be placed on probation. A second absence without good cause shall result in disqualification.

(2) Participants who are absent without good cause at the time they are scheduled to present their job search documentation shall be disqualified.

(3) Participants who fail to make the required number of employer contacts without good cause shall be disqualified. Participants who fail to complete the required number of job contacts with good cause shall be excused from completion of the job search requirements for that component.

(4) Participants who exhibit disruptive behavior shall be placed on probation; a second offense shall result in disqualification. Disruptive behavior means the participant hinders the performance of other participants or staff, refuses to follow instructions, or uses abusive language.

(5) Participants will be allowed an additional two weeks to make up employer contacts which have been disallowed by employment services. Qualifying job contacts are defined in paragraph 65.28(8) “e.” Failure to make up employer contacts will result in disqualification. Employment services will disallow employer contacts when it has been determined that the participant failed to make a face-to-face contact or the requirements of the job applied for far exceed the applicant’s level of experience, education, or abilities.

(6) Participants who make physical threats to other participants or staff shall be disqualified.

65.28(13) Noncompliance with comparable requirements. Failure to comply with a JIB requirement that is comparable to a food stamp work registration or employment and training requirement shall be treated as a failure to comply with the corresponding food stamp requirement. Disqualification procedures in subrule 65.28(12) shall be followed.

65.28(14) Ending disqualification. Following the end of the disqualification periods for noncompliance and as provided in rules 441—65.27(234) and 441—65.28(234), participation may resume.

a. A disqualified individual who voluntarily quit a job within 60 days prior to applying for food stamp benefits may end the disqualification period by:

(1) Serving the 90-day disqualification period, or

(2) Obtaining employment comparable to the job that was quit prior to the end of the 90-day disqualification period, or

(3) Becoming exempt as provided in subrule 65.28(2) exclusive of paragraphs “c” and “e” prior to the end of the 90-day disqualification period.

b. A disqualified individual who is a member of a currently participating eligible household shall be added to the household after the minimum disqualification period has been served and the person has complied with the failed requirement as follows:

(1) If the member failed or refused to register for work with the department, the member complies by registering.

(2) If the member failed or refused to respond to a request from the department or its designee requiring supplemental information regarding employment status or availability for work, the member must comply with the request.

(3) If the member failed or refused to report to an employer to whom referred, the member must report to that employer if work is still available or report to another employer to whom referred.

(4) If the member failed or refused to accept a bona fide offer of suitable employment to which referred, the member must accept the employment if still available to the participant, or secure other employment which yields earnings per week equivalent to the refused job, or secure any other employment of at least 30 hours per week or secure employment of less than 30 hours per week but with weekly earnings equal to the federal minimum wage multiplied by 30 hours.

(5) If the member failed or refused to attend a scheduled employment and training interview, the member must arrange and attend a scheduled interview.

(6) If the member failed or refused to participate in instruction, training or testing activities, the member must participate in the activities.

(7) If the member failed or refused to complete assigned job search requirements, the member must complete the job search requirements.

(8) Rescinded IAB 2/9/00, effective 4/1/00.

(9) If the member voluntarily quit a job, the individual must obtain a job comparable to the one quit.

(10) If the member voluntarily reduced hours of employment to less than 30 hours per week, the individual must start working 30 or more hours per week.

c. An individual may reestablish eligibility during a disqualification period by becoming exempt from the work requirement as provided in subrule 65.28(2) exclusive of paragraphs “c” and “e.”

65.28(15) Suitable employment. Employment shall be considered unsuitable if:

a. The wage offered is less than the highest of the applicable federal minimum wage, the applicable state minimum wage, or 80 percent of the federal minimum wage if neither the federal nor state minimum wage is applicable.

b. The employment offered is on a piece-rate basis and the average hourly yield the employee can reasonably be expected to earn is less than the applicable hourly wages specified in paragraph “a” above.

c. The household member, as a condition of employment or continuing employment, is required to join, resign from, or refrain from joining a legitimate labor organization.

d. The work offered is at a site subject to a strike or lockout at the time of the offer unless the strike has been enjoined under Section 208 of the Labor-Management Relations Act (29 U.S.C. 78A) (commonly known as the Taft-Hartley Act), or unless an injunction has been issued under Section 10 of the Railway Labor Act (45 U.S.C. 160).

e. The household member involved can demonstrate or the department otherwise becomes aware that:

(1) The degree of risk to health and safety is unreasonable.

(2) The member is physically or mentally unfit to perform the employment, as documented by medical evidence or by reliable information from other sources.

(3) The employment offered within the first 30 days of registration is not in the member’s major field of experience.

(4) The distance from the member's home to the place of employment is unreasonable considering the expected wage and the time and cost of commuting. Employment shall not be considered suitable if daily commuting time exceeds two hours per day, not including the transporting of a child to and from a child care facility. Employment shall also not be considered suitable if the distance to the place of employment prohibits walking and neither public nor private transportation is available to transport the member to the job site.

(5) The working hours or nature of the employment interferes with the member's religious observances, convictions, or beliefs.

65.28(16) *Applicants for supplemental security income (SSI) and food stamps.* Household members who are jointly applying for SSI and for food stamps shall have the requirements for work registration waived until:

- a. They are determined eligible for SSI and thereby become exempt from work registration, or
- b. They are determined ineligible for SSI whereupon a determination of work registration status will be made.

65.28(17) *Determining good cause.* The department or its designee shall determine whether good cause exists for failure to comply with the work registration, employment and training, and voluntary quit requirements in 441—Chapter 65. In determining whether good cause exists, the facts and circumstances shall be considered, including information submitted by the household member involved and the employer.

Good cause shall include circumstances beyond the member's control, such as, but not limited to, illness of the registrant or of another household member requiring the presence of the registrant, a household emergency, the unavailability of transportation, or the lack of adequate child care for children who have reached age 6 but are under age 12.

65.28(18) *Work requirement for able-bodied nonexempt adults without dependents.* An individual is exempt from this requirement if the individual is under 18 or over 50 years of age; medically certified as physically or mentally unfit for employment; a parent or other member of a household with responsibility for a dependent child; pregnant; living in a county that is designated exempt under subrule 65.28(19); or otherwise exempt from work requirements under the Food Stamp Act.

a. No able-bodied nonexempt individual aged 18 to 50 shall be eligible to participate in the food stamp program if, during the preceding 36-month period but not prior to December 1996, the individual received food stamp benefits for not less than 3 months (consecutive or otherwise) during which the individual did not:

- (1) Work 20 hours or more per week (averaged monthly), or
- (2) Participate in and comply with the requirements of a program for 20 hours or more per week, as determined by the department, or
- (3) Participate in and comply with the requirements of the pilot food stamp workfare program as described under subrule 65.28(19), or
- (4) Receive benefits per paragraph "c" of this subrule.

b. The 36-month period is a consecutive period of time regardless of whether the individual is subject to paragraph "a" of this subrule for the entire 36-month period once it has begun. The 36-month period starts with the first month counted toward the 3-month limit. Periods during the 36 months in which the individual may receive benefits because of being exempt from the requirement do not reset the 36-month period. December 1, 1996, is the first month for which an individual's 36-month period can begin. When the individual's first 36-month period expires, a new 36-month period begins starting with the first month counted toward the 3-month limit.

c. During an individual's 36-month period, after the 3-month limit is used, the individual may regain eligibility if during a 30-day period the individual:

- (1) Worked 80 or more hours; or
- (2) Participated in a work program for 80 or more hours; or
- (3) Participated in the pilot workfare program as described under subrule 65.28(19).

d. An individual who loses employment after regaining eligibility under paragraph “c” of this subrule, and no longer meets the requirements of paragraph “a,” subparagraphs (1), (2), and (3), shall remain eligible for a consecutive three-month period, beginning on the date the individual notifies the department that the individual no longer meets the requirements of paragraph “a” of this subrule.

65.28(19) Pilot workfare program for able-bodied adults without dependents (ABAWDs). The pilot workfare program is designed to allow ABAWDs who are required to work as an eligibility requirement for receipt of food stamp benefits by subrule 65.28(18) the opportunity to perform public service work in private or public nonprofit organizations in exchange for the value of their monthly food stamp benefits. The pilot workfare program is a component of the food stamp employment and training program set forth in subrule 65.28(7). Participation in the pilot workfare program is voluntary.

a. ABAWDs who participate in the pilot workfare program may meet the requirements of subrule 65.28(18) by working in a job slot for a required number of hours per month. The required number of hours of work shall be the value of the workfare participant’s food stamp allotment divided by the federal minimum wage. If the workfare participant is a member of a household of two or more members, the household’s monthly food stamp benefit allotment shall be prorated among the household members, and the workfare participant’s pro-rata share of the household’s allotment shall be divided by the federal minimum wage to determine the number of hours the individual must work.

b. New ABAWDs shall first be offered the opportunity to make a 30-day job search. Participants that complete the 30-day job search shall be offered a job slot in the pilot workfare program at the end of the 30 days. ABAWDs who choose to participate in workfare at any other time shall not be offered the opportunity to make a 30-day job search and shall be placed in a job slot.

c. Workfare job slots shall be located in private or public nonprofit organizations.

d. Workfare shall be offered in selected counties. Selection shall be based on prioritizing counties according to:

- (1) The counties with the greatest ABAWD population.
 - (2) The availability of a service provider in the county.
 - (3) The total number of individual exemptions the state is allocated under federal law.
 - (4) The availability of federal funding.
- e.* Counties in which workfare is not offered are designated to be “exempt” counties.

f. This pilot shall be in effect until September 30, 2001.

441—65.29(234) Income.

65.29(1) Uneven proration of self-employment income. Once a household with self-employment income is determined eligible based on its monthly net self-employment income, the household has the following options for computation of the benefit level:

a. Using the same net monthly self-employment income which was used to determine eligibility, or

b. Unevenly prorating the household’s annual self-employment income over the period for which the household’s self-employment income was averaged to more closely approximate the time when the income is actually received. If this option is chosen, the self-employment income assigned in any month together with other income and deductions at the time of certification cannot result in the household’s exceeding the maximum monthly net income eligibility standards for the household’s size.

65.29(2) Job insurance benefits. When the department of human services uses information provided by the department of employment services to verify job insurance benefits, the benefits shall be considered received the second day after the date that the check was mailed by job service. When the second day falls on a Sunday or federal legal holiday, the time shall be extended to the next mail delivery day. When the client notifies the agency that the amount of job insurance benefits used is incorrect, the client shall be allowed to verify the discrepancy. A benefit adjustment shall be made when indicated. The client must report the discrepancy prior to the benefit month or within ten days of the date on the Notice of Decision, PA-3102-0, applicable to the benefit month, whichever is later, in order to receive corrected benefits.

65.29(3) *Exclusion of income from 2000 census employment.* All earnings received by temporary workers from the Bureau of the Census for Census 2000 during the period of April 1, 2000, through January 31, 2001, shall be excluded from income.

65.29(4) *Interest income for retrospectively budgeted cases.* Prorate interest income by dividing the amount anticipated during the certification period by the number of months in the certification period.

65.29(5) *Social security plans for achieving self-support (PASS).* Notwithstanding anything to the contrary in these rules or regulations, exclude income amounts necessary for fulfillment of a plan for achieving self-support (PASS) under Title XVI of the Social Security Act.

65.29(6) *Student income.* Notwithstanding anything to the contrary in these rules or regulations, exclude educational income based on amounts earmarked by the institution, school, program, or other grantor as made available for the specific costs of tuition, mandatory fees, books, supplies, transportation and miscellaneous personal expenses (other than living expenses). If the institution, school, program, or other grantor does not earmark amounts made available for the allowable costs involved, students shall receive an exclusion from educational income for educational assistance verified by the student as used for the allowable costs involved. Students can also verify the allowable costs involved when amounts earmarked are less than amounts that would be excluded by a strict earmarking policy. For the purpose of this rule, mandatory fees include the rental or purchase of equipment, materials and supplies related to the course of study involved.

65.29(7) *Elementary and high school student income.* Rescinded IAB 5/2/01, effective 6/1/01.

65.29(11) *Income of ineligible aliens.* The department shall use all but a pro-rata share of ineligible aliens' income and deductible expenses to determine eligibility and benefits of any remaining household members.

441—65.30(234) Resources.

65.30(1) *Jointly held resources.* When property is jointly held it shall be assumed that each person owns an equal share unless the intent of the persons holding the property can be otherwise established.

65.30(2) *Exclusion from resource limits.* Rescinded IAB 5/2/01, effective 6/1/01.

65.30(3) *Resources of SSI and FIP household members.* Notwithstanding anything to the contrary in these rules or regulations, all resources of SSI or FIP recipients are excluded. For food stamp purposes, those members' resources, if identified, cannot be included when a household's total resources are calculated.

65.30(4) *Earned income tax credits.* Notwithstanding anything to the contrary in these rules or regulations, earned income tax credits (EITC) shall be excluded from consideration as a resource for 12 months from the date of receipt if the person receiving the EITC was participating in the food stamp program at the time the credits were received, and participated continuously during the 12-month period.

65.30(5) *Vehicles not otherwise excluded.* Rescinded IAB 5/2/01, effective 6/1/01.

441—65.31(234) Homeless meal providers. When an office of the department is notified that an establishment or shelter in its administrative area has applied to be able to accept food stamps for homeless persons, staff shall obtain a written statement from the establishment or shelter. The statement must contain information on how often meals are served by the establishment or shelter, the approximate number of meals served per month, and a statement that the establishment or shelter does serve meals to homeless persons. This information must be dated and signed by a person in charge of the administration of the establishment or shelter and give the person's title or function with the establishment.

The establishment or shelter shall cooperate with agency staff in the determination of whether or not meals are served to the homeless.

441—65.36(234) Electronic benefit transfer (EBT) of food stamp benefits.

65.36(1) Liability for unauthorized use of food stamp EBT benefits. The department shall not replace EBT benefits that are lost or stolen after being credited to that household's food stamp account unless the loss occurs after the time the household reports the loss, theft, or compromise of their EBT card or PIN to the department or the electronic funds transfer (EFT) network. The food stamp household is liable for unauthorized use of its EBT card that occurs prior to the time the household reports the loss.

65.36(2) EBT state guarantee. In the event that the EBT point of sale (POS) system is inoperable, and the household has incurred an expense using a manual voucher against its food stamp account for eligible food items exceeding the balance in their food stamp account, the state shall pay the retailer the balance in that account. In addition, if the balance of the household's food stamp account is less than \$40, the state will pay the retailer the difference between \$40 and the balance in the account, up to the amount of the purchase, so that the total payment from food stamp benefits and state guarantee does not exceed \$40. Payment will not be made for more than one manual voucher transaction for a cardholder at the same retail establishment in one day.

65.36(3) Repayment of EBT state guarantee. All adult household members are jointly and severally liable for any payment made by the department to a retailer on behalf of the household to cover eligible food purchases in excess of the amount in the household's food stamp EBT account. Collection will follow procedures utilized for inadvertent household error claims.

65.36(4) Reversal. A transaction for an authorized food purchase erroneously taken from a family investment program (FIP) EBT account instead of the food stamp EBT account, discovered after a correction can be made by the retailer, may be reversed upon the household's request under the conditions that:

a. The request for reversal must be made by the household to an office in an administrative area in which the household resides within ten days of the purchase.

b. The EBT Account Adjustment Request, Form 470-2574, must be completed and signed by the household within ten days of the request.

c. The household must present the original cash register receipt no later than the date Form 470-2574, EBT Account Adjustment Request, is completed.

d. The purchase must be verified by central office through the EBT system.

e. Only the cost of verifiable eligible food stamp purchases will be reversed from the FIP EBT account and taken from the food stamp EBT account.

65.36(5) Revocation of food stamp EBT card. The department reserves the right to revoke a household's option to participate in EBT for abuse or misuse of the card.

65.36(6) Stamp-out. When a household's EBT participation is terminated, the remaining balance in their EBT account shall be issued, upon the household's request, in the form of a coupon allotment issued by direct mail. Any portion of the remaining balance that cannot be converted to food stamp coupon denominations (under \$1) will remain in the household's EBT account.

65.36(7) Forms used in the food stamp EBT program.

- a. EBT Card and PIN Agreement, Form 470-2573. The EBT Card and PIN Agreement, Form 470-2573, serves as acknowledgment of the card and PIN issuance process and EBT responsibilities.
- b. POS Voucher, Form 470-2827. The POS Voucher, Form 470-2827, is used to authorize a debit of the household's EBT account when the point of sale (POS) system is inoperable.
- c. EBT Account Adjustment Request, Form 470-2574. The EBT Account Adjustment Request, Form 470-2574, is used to authorize adjustments to a household's EBT account.

441—65.39(234) Categorical eligibility. Notwithstanding anything to the contrary in these rules or regulations, recipients of state or local general assistance (GA) programs are subject to categorical eligibility provisions of the food stamp program provided that the state or local program has income limits at least as stringent as the food stamp gross income test and gives assistance other than one-time emergency payments that cannot be given for more than one continuous month.

441—65.45(234) Conversion to the X-PERT system. For conversion to the X-PERT system at a time other than review, the recipient may be required to provide additional information. To obtain this information, a recipient or authorized representative may be required to appear for a face-to-face interview. Failure to appear for this interview when so requested, or failure to provide requested information, shall result in cancellation.

441—65.46(234) Disqualifications. Notwithstanding anything to the contrary in these rules, food stamp program violation disqualifications for persons who are not participating in the food stamp program shall be imposed in the same manner as food stamp program violation disqualifications are imposed for persons who are participating in the food stamp program.

65.46(1) First and second violations. Notwithstanding anything to the contrary in these rules or regulations, the disqualification penalty for a first intentional program violation shall be one year except for those first violations involving a controlled substance. The disqualification penalty for a second intentional violation and any first violation involving a controlled substance shall be two years.

441—65.50(234) No increase in food stamp benefits.
