645—180.2(154) Availability of information.

180.2(1) All information regarding rules, forms, time and place of meetings, minutes of meetings, record of hearings, and examination results are available to the public between the hours of 8 a.m. and 4:30 p.m., Monday to Friday, except holidays.

180.2(2) Information may be obtained by writing to the Board of Optometry Examiners, Department of Public Health, Lucas State Office Building, Des Moines, Iowa 50319-0075. All official correspondence shall be in writing and directed to the board at this address.

645—180.3(154) Organization of the board and procedures.

180.3(1) A chair, vice chair, and secretary shall be elected at the first meeting after April 30 of each year.

180.3(2) Four board members present shall constitute a quorum.

180.3(3) The board shall hold an annual meeting and may hold additional meetings called by the chair or by a majority of the members of the board.

This rule is intended to implement Iowa Code section 147.22.

645—180.4(154) Conduct for licensure examination. Rescinded IAB 2/10/99, effective 3/17/99.

645—180.5(154) Requirements for licensure.

180.5(1) All applicants shall apply to the Department of Public Health, Lucas State Office Building, Des Moines, Iowa 50319-0075.

180.5(2) The forms properly completed shall be filed with the department, together with satisfactory evidence of compliance with Iowa Code sections 154.3(1) and 154.3(2).

180.5(3) An applicant for admission to practice optometry in Iowa shall successfully pass the examinations specified in paragraphs “a” through “c.” Examination results from the examination of the National Board of Examiners in Optometry and the examination of the International Board of Examiners in Optometry on “The Treatment and Management of Ocular Disease” (incorporated into the N.B.E.O. examination effective April 1993) shall be valid for ten years prior to date of application. An applicant shall present a diploma from an accredited school or college of optometry and, if the applicant graduated from optometry school prior to January 2, 1988, shall submit proof of satisfactory completion of all educational requirements contained in Iowa Code chapter 154.

a. All parts of the examination of the National Board of Examiners in Optometry in effect at the time of application;

b. The examination of the National Board of Examiners in Optometry (formerly given by the International Board of Examiners in Optometry) on “Treatment and Management of Ocular Disease.” This paragraph does not apply to those applicants taking the examination of the National Board of Examiners in Optometry after January 1, 1993; and

c. The Iowa jurisprudence examination. Successful completion of the jurisprudence examination requires a minimum score of 75 percent.

d. An applicant must provide an official verification from each state board of examiners in which applicant is currently or formerly licensed, regarding the status of the applicant’s license, including issue date, expiration date and information regarding any pending or prior investigations or disciplinary action.

e. Incomplete applications will be held in office files for three years. Applicants will be required to reapply after that time span.

180.5(4) Diagnostic certification. Those persons licensed to practice optometry in Iowa before January 2, 1980, who apply to be a diagnostically certified licensed optometrist shall earn a grade of not less than 70 percent on the examination prescribed by the Iowa state board of optometry examiners. The examination shall be in the subjects of physiology and pathology appropriate to the use of diagnostic pharmaceutical agents and diagnosis of conditions of the human eye, and pharmacology including systemic effects of ophthalmic diagnostic pharmaceutical agents authorized for use by optometrists by Iowa Code section 154.1.

180.5(5) Therapeutic certification.

a. This paragraph applies to all optometrists graduating after January 2, 1986, and prior to January 2, 1988. As a prerequisite to taking the examination described in subrule 180.5(3)“c,” an applicant for admission to practice optometry in Iowa may only apply to be a therapeutically certified optometrist and, if requested by the board, shall supply certification that the applicant’s optometric education and training meet or exceed the requirements of the state of Iowa as outlined in Iowa Code section 154.3(5).

b. A person licensed to practice optometry in any state prior to January 1, 1986, who applies to be a therapeutically certified optometrist shall first satisfactorily complete a course provided by an institution accredited by a regional or professional accreditation organization which is recognized or approved by the council on postsecondary accreditation of the United States Department of Education, and approved by the Iowa state board of optometry examiners, which has particular emphasis on the examination, diagnosis and treatment of conditions of the human eye and adnexa. The course shall include a minimum of 40 hours of didactic education and 60 hours of approved supervised clinical training in the examination, diagnosis, and treatment of conditions of the human eye and adnexa.

c. The board also requires that all therapeutically certified optometrists, prior to the utilization of pharmaceutical agents authorized by Iowa Code chapter 154, shall complete an additional 44 hours of education with emphasis on treatment and management of glaucoma and use of oral pharmaceutical agents for treatment and management of ocular diseases, provided by an institution accredited by a regional or professional accreditation organization which is recognized or approved by the council on postsecondary accreditation of the United States Department of Education, and approved by the board of optometry examiners. Upon completion of the additional 44 hours of education, a therapeutically certified optometrist shall also pass an oral or written examination which emphasizes the diagnosis, treatment, and management of glaucoma, ocular disease, and systemic disease which affect the eye. The board shall suspend the optometrist's therapeutic certificate according to the procedures outlined in subrule 180.5(6) in the event the optometrist fails to comply with this paragraph by July 1, 1988. Beginning July 1, 1988, additional continuing education is required as study compliance for license renewal as specified in subrule 180.12(2).

180.5(6) The board shall suspend an optometrist's therapeutic certificate for failure to comply with subrule 180.5(5) "c" by July 1, 1988.

a. When it comes to the board's attention that an optometrist therapeutically certified by July 1, 1988, has failed to comply with subrule 180.5(5) "c" by July 1, 1988, the board shall take the following steps.

(1) The board shall notify the licensee of being placed on suspension due to the licensee's failure to be in compliance with subrule 180.5(5) "c." Notice shall be served by restricted certified mail, return receipt requested, or by personal service.

(2) Any requests for appeal concerning the suspension shall be submitted by the aggrieved party, in writing, to the Iowa board of optometry examiners by certified mail, return receipt requested, within 20 days of the receipt of the board's notice. The address is: Iowa Board of Optometry Examiners, Iowa Department of Public Health, Lucas State Office Building, Des Moines, Iowa 50319-0075. If a request is made within the 20-day time period, the notice shall be deemed suspended. If no request for appeal is received within the 20-day time period, the board's notice of suspension shall become the board's final agency action.

(3) Upon the board's receipt of a request for a hearing, the board shall prepare a notice of hearing and transmit the notice to the licensee by certified mail, return receipt requested, at least 10 days before the date of the hearing.

(4) The board shall conduct the hearing in accordance with rule 180.108(272C) and may authorize an administrative hearing officer to assist it with conducting the hearing.

(5) After the hearing, the board shall affirm, modify, or set aside the suspension.

(6) Prior to or at the hearing, the board may rescind the notice of suspension upon satisfaction that the reason for the suspension has been resolved.

b. Unless otherwise specified, the suspension, originally noticed, shall exist until the therapeutically certified licensee has completed the requirements of subrule 180.5(5) "c" and proven completion to the board.

This rule is intended to implement Iowa Code sections 147.34, 147.36 and 154.3.

645—180.6(147,154) Licensure by endorsement. An applicant who has been a licensed optometrist under laws of another jurisdiction for one year or more shall file an application for licensure by endorsement with the board office. The following requirements must be satisfied prior to licensure to practice optometry in Iowa through the procedure of licensure by endorsement.

180.6(1) Application for licensure by endorsement to practice optometry in this state shall be made to the board of optometry examiners on a form provided by the board which must be complete.

180.6(2) Applications must be filed with the board along with the following:

a. Proof of graduation with a doctor of optometry degree from an accredited school and, in the case of foreign graduates, adherence to the current requirements of the National Board of Examiners in Optometry to sit for the examination.

b. Evidence of successful completion of the examination of the National Board of Examiners in Optometry that was current at the time of initial licensure, or the examination that is currently offered by the National Board of Examiners in Optometry.

c. An applicant licensed to practice optometry in any state prior to January 1, 1986, shall supply evidence of completion of a course provided by an institution accredited by a regional or professional accreditation organization which is recognized or approved by the council on postsecondary accreditation of the United States Department of Education, which has particular emphasis on the examination, diagnosis and treatment of conditions of the human eye and adnexa. The course shall include a minimum of 40 hours of didactic education and 60 hours of approved supervised clinical training in the examination, diagnosis, and treatment of conditions of the human eye and adnexa. An applicant shall have completed an additional 44 hours of education with emphasis on treatment and management of glaucoma and use of oral pharmaceutical agents for treatment and management of ocular diseases.

d. Proof of licensure and evidence of one year of active practice in another state, territory or district of the United States immediately preceding the date of application that has a similar scope of practice as determined by the board. When the scope of practice is different, the applicant shall make available to the board evidence of completion of additional hours of training related to the area of the deficiency as prescribed by the board. The board may waive the requirement of one year of active practice if, during the above-mentioned one-year period, the applicant was:

- (1) Teaching optometry;
- (2) A military optometrist;
- (3) A supervisory or administrative optometrist; or
- (4) A researcher in optometry.

e. Verification by an official statement from each state board of examiners regarding the status of the applicant's license, including date of licensure, expiration date and available information regarding any pending or prior investigation that has resulted in disciplinary action. The applicant shall request such statements from all states in which the applicant is currently or was formerly licensed.

f. Statement as to any claims, complaints, judgments or settlements, pending or final, made with respect to the applicant arising out of the alleged negligence or malpractice in rendering professional services as an optometrist.

This rule is intended to implement Iowa Code sections 147.29, 147.54, 147.80 and 154.3.

645—180.7(154) Diagnostic pharmaceutical agents.

180.7(1) Those persons licensed to practice optometry before January 2, 1980, who apply to be a certified licensed optometrist shall receive a grade of not less than 70 percent on the examination prescribed by the board of optometry examiners to pass the test.

180.7(2) The examination shall be in the subjects of physiology and pathology appropriate to the use of diagnostic pharmaceutical agents and diagnosis of conditions of the human eye, and pharmacology including systemic effects of ophthalmic diagnostic pharmaceutical agents and the possible adverse reactions thereto, authorized for use by optometrists by Iowa Code section 154.1.

This rule is intended to implement Iowa Code section 154.3(4).

645—180.8(154) Notice of address.

180.8(1) Before engaging in the practice of optometry, each optometrist shall notify the board in writing by United States mail of the address where the optometrist is to engage, or intends to engage, in the practice of optometry. If the optometrist intends to practice in more than one office, the notification shall include the address of each office.

180.8(2) Each optometrist shall as a part of the renewal application notify the board in writing of the address where the licensee is engaged in the practice of optometry. In the event that the licensee is not engaged in the practice of optometry this shall be noted and the home address provided by the licensee. If the optometrist practices in more than one office, the notification shall include the address of each office.

180.8(3) Each optometrist shall notify the board in writing by United States mail of a change of address of the licensee's residence and where the licensee is engaged in the practice of optometry within 30 days after the change of address.

180.8(4) Each optometrist shall keep the optometry license publicly displayed in the primary place of practice. For purposes of this rule, primary place of practice is that office in which the optometrist practices the greatest number of hours.

This rule is intended to implement Iowa Code section 272C.3.

645—180.9(154) Furnishing prescriptions. Each contact lens or ophthalmic spectacle lens/eyeglass prescription by a licensed optometrist must meet requirements as listed.

180.9(1) A contact lens prescription shall contain the following information.

- a.* Date of issuance.
- b.* Name and address of patient for whom the contact lens is prescribed.
- c.* Name, address, and signature of the practitioner.
- d.* All parameters required to duplicate properly the original contact lens.
- e.* A specific date of expiration, not to exceed 18 months; the quantity of lenses allowed and the number of refills allowed.
- f.* At the option of the prescribing practitioner, the prescription may contain fitting and material guidelines and specific instructions for use by the patient.

180.9(2) Release of contact lens prescription.

a. After the contact lenses have been adequately adapted and the patient released from initial follow-up care by the prescribing doctor, the patient may request a copy of the contact lens prescription, at no cost, for the duplication of the original contact lens.

b. A practitioner choosing to issue an oral prescription shall furnish the same information required for the written prescription except the written signature and address of the practitioner. An oral prescription may be released by an O.D. to any dispensing person who is a licensed professional with the O.D., M.D., D.O., R.Ph. degree or a person under direct supervision of those licensed under Iowa Code chapters 148, 150, 150A, 154 and 155A.

c. The issuing of an oral prescription must be followed by a written copy to be kept by the dispenser of the contact lenses until the date of expiration.

180.9(3) An ophthalmic spectacle lens prescription shall contain the following information.

- a.* Date of issuance.
- b.* Name and address of the patient for whom the ophthalmic lens or lenses are prescribed.
- c.* Name, address, and signature of the practitioner issuing the prescription.
- d.* All parameters necessary to duplicate properly the ophthalmic lens prescription.
- e.* A specific date of expiration not to exceed two years.
- f.* A dispenser of ophthalmic materials, in spectacle or eyeglass form, must keep a valid copy of the prescription on file for two years.

180.9(4) Release of ophthalmic lens prescription.

- a. The ophthalmic lens prescription shall be furnished upon request at no additional charge to the patient.
- b. The prescription, at the option of the prescriber, may contain adapting and material guidelines and may also contain specific instructions for use by the patient.
- c. Spectacle lens prescriptions must be in written format, according to Iowa Code section 147.109(1).

645—180.10(147) Board of optometry examiners. All fees are nonrefundable.**180.10(1)** Application for license to practice optometry is \$250.**180.10(2)** Renewal of license to practice optometry or reinstatement of inactive license for a biennial period is \$120.**180.10(3)** Fee for a certified statement that a licensee is licensed in this state is \$10.**180.10(4)** Fee for a duplicate license is \$10.**180.10(5)** Late fee for renewal or reinstatement of a license to practice optometry is:

- a. If applying up to 60 days after expiration date: \$100 late renewal fee, plus the renewal fee.
- b. If applying 60 days or more after expiration date: \$200 lapsed or revoked license reinstatement fee, plus the renewal fee.

180.10(6) Penalty fee, in addition to the renewal fee, for failure to complete the continuing education by the end of the continuing education period is \$200.**180.10(7)** Fee for application for licensure by endorsement is \$275.

This rule is intended to implement Iowa Code section 147.80.

645—180.11(272C) Grounds for discipline. The board may impose any of the disciplinary sanctions set forth in the rules, including civil penalties in an amount not to exceed \$1,000 or maximum allowed, when the board determines that the licensee is guilty of any of the following acts or offenses:**180.11(1)** Fraud in procuring a license. Fraud in procuring a license includes, but is not limited to, an intentional perversion of the truth in making application for a license to practice optometry in this state, and includes false representations of a material fact, whether by word or by conduct, by false or misleading allegations, or by concealment of that which should have been disclosed when making application for a license in this state, or attempting to file or filing with the board or the Iowa department of public health any false or forged diploma, or certificate or affidavit or identification or qualification in making an application for a license in this state.**180.11(2)** Professional incompetency. Professional incompetency includes, but is not limited to:

- a. A substantial lack of knowledge or ability to discharge professional obligations within the scope of the optometrist's practice;
- b. A substantial deviation by the optometrist from the standards of learning or skill ordinarily possessed and applied by other optometrists in the state of Iowa acting in the same or similar circumstances;
- c. Failure by an optometrist to exercise in a substantial respect that degree of care which is ordinarily exercised by the average optometrist in the state of Iowa acting in the same or similar circumstances;
- d. A willful or repeated departure from or the failure to conform to the minimal standard of acceptable and prevailing practice of optometry in the state of Iowa.

180.11(3) Knowingly making misleading, deceptive, untrue or fraudulent representations in the practice of a profession or engaging in unethical conduct or practice harmful or detrimental to the public. Proof of actual injury need not be established.

- a. Practice harmful or detrimental to the public includes, but is not limited to, the failure of an optometrist to possess and exercise that degree of skill, learning and care expected of a reasonable, prudent optometrist acting in the same or similar circumstances in this state.

b. Practice harmful or detrimental to the public includes, but is not limited to, the use of a rubber stamp to affix a signature to a prescription. A person who is unable, due to a physical handicap, to make a written signature or mark, however, may substitute, in lieu of a signature, a rubber stamp which is adopted by the handicapped person for all purposes requiring a signature and which is affixed by the handicapped person or affixed by another person upon the request of the handicapped person and in that person's presence.

c. Practice harmful or detrimental to the public includes, but is not limited to, the practice of maintaining any prescribed prescription which is intended to be completed and issued at a later time.

180.11(4) Habitual intoxication or addiction to the use of drugs. The inability of an optometrist to practice optometry with reasonable skill and safety by reason of the excessive use of alcohol, drugs, narcotics, chemicals or other type of material on a continuing basis, or the excessive use of alcohol, drugs, narcotics, chemicals or other type of material which may impair an optometrist's ability to practice the profession with reasonable skill and safety.

180.11(5) Conviction of a felony related to the profession or occupation of the licensee, or the conviction of any felony that would affect the licensee's ability to practice within a profession. A copy of the record of conviction or plea of guilty shall be conclusive evidence.

Conviction of a felony related to the profession or occupation of the licensee or the conviction of any felony that would affect the licensee's ability to practice within a profession includes, but is not limited to, the conviction of an optometrist who has committed a public offense in the practice of the profession which is defined or classified as a felony under state or federal law, or who has violated a statute or law designated as a felony in this state, another state, or the United States, which statute or law relates to the practice of optometry, or who has been convicted of a felonious act, which is so contrary to honesty, justice or good morals, and so reprehensible as to violate the public confidence and trust imposed upon an optometrist in this state.

180.11(6) Use of untruthful or improbable statements in advertisements. This includes, but is not limited to, an action by an optometrist, or on behalf of an optometrist, in making information or intention known to the public which is false, deceptive, misleading or promoted through fraud or misrepresentation and includes statements which may consist of, but are not limited to:

- a.* Inflated or unjustified expectations of favorable results.
- b.* Self-laudatory claims that imply that the optometrist is a skilled optometrist engaged in a field or specialty of practice for which the optometrist is not qualified.
- c.* Extravagant claims or proclaiming extraordinary skills not recognized by the optometric profession.

180.11(7) Willful or repeated violations of the provisions of these rules and Iowa Code chapter 147.

180.11(8) Violating a regulation or law of this state, or the United States, which relates to the practice of optometry.

180.11(9) Failure to report a license revocation, suspension or other disciplinary action taken by a licensing authority of another state, district, territory or country within 30 days of the final action by such licensing authority. A stay by an appellate court shall not negate this requirement; however, if such disciplinary action is overturned or reversed by a court of last resort, such report shall be expunged from the records of the board.

180.11(10) Failure of a licensee or an applicant for licensure in this state to report any voluntary agreements to restrict the practice of optometry entered into in another state, district, territory or country.

180.11(11) Knowingly aiding, assisting, procuring, or advising a person to unlawfully practice optometry.

180.11(12) Failure to identify oneself as an optometrist to the public.

180.11(13) Violating a lawful order of the board, previously entered by the board in a disciplinary hearing or pursuant to informal settlement.

180.11(14) Being adjudged mentally incompetent by a court of competent jurisdiction.

180.11(15) Making suggestive, lewd, lascivious or improper remarks or advances to a patient.

180.11(16) Indiscriminately or promiscuously prescribing, administering or dispensing any drug for other than lawful purpose. Indiscriminately or promiscuously prescribing, administering or dispensing includes, but is not limited to, the prescribing, administering or dispensing any drug for purposes which are not eye or vision related.

180.11(17) Knowingly submitting a false report of continuing education or failure to submit the biennial report of continuing education.

180.11(18) Failure to comply with a subpoena issued by the board.

180.11(19) Failure to file the reports required by rule 645—9.3(272C) concerning acts or omissions committed by another licensee.

180.11(20) Obtaining any fee by fraud or misrepresentation.

180.11(21) Failing to exercise due care in the delegation of optometric services to or supervision of assistants, employees or other individuals, whether or not injury results.

This rule is intended to implement Iowa Code chapter 272C.

*Effective date of 645—180.9(154) delayed 70 days by the Administrative Rules Review Committee at its meeting held February 8, 1993. [The 3/3/93 IAC Supplement also incorrectly showed delay on amendments to rules 180.1, 180.5, 180.10, 180.12, 180.14 and 180.100 (IAB 1/26/93, **ARC 3687A**). This was corrected in IAC Supp. 3/17/93.]
