*a.* The first person, including a dealer not franchised to sell that line make of vehicle, who is assigned the manufacturer's certificate of origin shall obtain a certificate of title and register the vehicle.

*b.* An uncanceled security interest noted on the reverse side of a manufacturer's certificate of origin (MCO) shall be noted as a separate security interest on the certificate of title, in addition to any security interest acknowledged by the applicant, unless the applicant indicates in the security interest area on the title application that the security interest is the same as the one noted on the reverse side of the MCO.

*c.* If a 1980 or subsequent model year vehicle is manufactured by a person other than the original manufacturer, both the original manufacturer's certificate of origin and the final manufacturer's certificate of origin shall be submitted. All assignments or reassignments of ownership of the vehicle shall be made on the final manufacturer's certificate of origin. The face of the original manufacturer's certificate of origin shall be stamped in bold type with the statement: "Final manufacturer's MSO has been issued on this vehicle." The original manufacturer's vehicle identification number shall be listed on the final manufacturer's certificate of origin.

**400.4(2) Used vehicle registered or titled in this state.** The last issued certificate of title, properly assigned to the applicant, shall be submitted. An uncanceled security interest noted on the face of the certificate of title shall be noted on the face of the certificate of title issued to the applicant, in addition to any security interest acknowledged by the applicant. If the vehicle is not subject to titling provisions, the last issued registration receipt, properly assigned to the applicant, shall be submitted.

**400.4(3) *Used vehicle from a foreign jurisdiction.*** If the vehicle was subject to the issuance of a certificate of title in the foreign jurisdiction, the certificate of title issued by the foreign jurisdiction to the applicant or properly assigned to the applicant shall be submitted.

*a.* A security interest, noted on the face of the foreign certificate of title, which has not been canceled, shall be noted on the face of the certificate of title issued to the applicant, in addition to any security interest acknowledged by the applicant.

*b.* A certificate of title issued in a foreign jurisdiction may be assigned to a motor vehicle dealer in another jurisdiction, and the dealer may reassign the certificate of title to the applicant. An assignment or reassignment form issued by a foreign jurisdiction may be used with a foreign title to complete an assignment or reassignment of ownership from a foreign motor vehicle dealer to the applicant, provided the ownership chain is complete.

*c.* An Iowa licensed motor vehicle dealer who acquires a vehicle registered in another state or country may reassign the foreign certificate of title to the applicant, as provided in Iowa Code subsection 321.48(2) and rule 761—400.27(321,322).

*d.* A person who registers a foreign vehicle under Iowa Code subsection 321.23(3) shall be issued a nontransferable-nonnegotiable registration. To transfer ownership of the vehicle, the owner must first obtain an Iowa certificate of title except as follows: If ownership is transferred to an Iowa licensed motor vehicle dealer as provided in Iowa Code subsection 321.23(3), the foreign certificate of title may be assigned to the dealer; the owner is not required to obtain an Iowa title. The dealer may then reassign the foreign title, as provided in Iowa Code subsection 321.48(2) and rule 761—400.27(321,322).

*e.* If the vehicle was not subject to the issuance of a certificate of title in the foreign jurisdiction, the registration document issued by the foreign jurisdiction to the applicant or properly assigned to the applicant shall be submitted.

(1) If the foreign registration document is not issued in the applicant's name and does not contain an assignment of ownership form, a bill of sale conveying ownership from the owner as listed on the foreign registration document to the applicant shall be submitted with the foreign registration document.

(2) Upon receipt of the foreign registration document, the county treasurer shall issue a nontransferable—nonnegotiable registration unless the foreign registration document has been approved by the department.

(3) Acceptance of the foreign registration document shall be determined by the department on an individual basis, if the county treasurer of the county where the certificate of title is to be issued cannot determine whether the document is acceptable.

*f.* If a trailer weighing 2000 lbs. or less is exempt from the issuance of a certificate of title and registration in the foreign jurisdiction, a bill of sale conveying ownership to the applicant, if acquired by a resident from a nonresident, or an affidavit of ownership signed by the applicant, if the applicant is establishing residence in this state, shall be submitted.

*g.* If a motor vehicle is exempt from the issuance of a certificate of title and registration in the foreign jurisdiction, the bonding procedures as provided in Iowa Code section 321.24 shall be followed.

**400.4(4) *Used vehicle acquired by a resident of this state from a government agency.*** If the vehicle was acquired from an agency of the federal government, the applicant shall surrender the government bill of sale, Form 97 or 97A, properly assigned to the applicant. If the vehicle was acquired from the state of Iowa or a subdivision of government the applicant shall surrender the Iowa certificate of title issued in the name of the agency, properly assigned to the applicant.

**400.4(5) *Mobile home.*** If the vehicle described on the application is a mobile home with an Iowa title, the applicant shall submit a tax clearance form to show that no taxes are owing, unless the title has been issued to a dealer licensed under Iowa Code chapter 322B. The form may be obtained by any owner of record of the mobile home from the county treasurer.

**400.4(6)** *Vehicle acquired by a resident of this state by operation of law.* If the vehicle was acquired by the applicant by operation of law as upon inheritance, devise or bequest, order in bankruptcy, insolvency, replevin, foreclosure or execution sale, under the laws of descent and distribution, artisan's lien sale, storage lien sale or abandoned vehicle sale, the last issued certificate of title shall be submitted by the applicant, or when that is not possible, presentation of satisfactory proof of the applicant's ownership and right of possession to the vehicle shall be submitted by the applicant. Proof of ownership may consist of a foreclosure sale affidavit, artisan's or storage lien affidavit, affidavit of death intestate, abandoned vehicle sales receipt, peace officers bill of sale or court order.

**400.4(7)** *Foreign ownership document issued in a language other than English.* A foreign ownership document issued in a language other than English may be required to be reproduced in writing in English and certified to be a correct translation by a person qualified to translate that particular language. The English translation and certification shall be submitted with the foreign ownership document.

**400.4(8)** *Titles from foreign jurisdictions.*

*a.* Except as provided in paragraph "b" of this subrule, a certificate of title issued by a foreign jurisdiction shall not be accepted if the title contains an alteration or erasure.

*b.* An affidavit of correction form issued by a foreign jurisdiction that corrects the certificate of title issued by the foreign jurisdiction shall be accepted only for the reason listed on the affidavit of correction form. However, acceptance of an affidavit of correction form that corrects an odometer statement or a designation shall be determined by the department on an individual basis.

**400.4(9)** *Supporting document retained by county treasurer.* All supporting documents shall be retained by the county treasurer.

This rule is intended to implement Iowa Code subsection 321.50(4).

**761—400.9(321) Security interest notation, 30-day limit.** The presumption that a purported security interest holder received a certificate of title on the date of creation of the purported security interest in the vehicle or the date of the issuance of the certificate of title, whichever is the latter, as provided for in Iowa Code subsection 321.50(6), may be overcome if the purported security interest holder did not actually come into possession of the certificate of title at that time. This may be accomplished by filing with the county treasurer a statement in writing, indicating the date that the certificate of title did come into the possession of the purported secured party. If the time listed in the statement is within 30 days of the date the certificate of title is delivered to the county treasurer, the county treasurer shall note the security interest on the certificate of title.

This rule is intended to implement Iowa Code subsection 321.50(6).

**761—400.10(321) Assignment of security interest.** A security interest noted on a certificate of title may be assigned to another secured party without losing the seniority of the security interest by complying with the procedure in Iowa Code section 321.50 or with the following procedure:

**400.10(2) Application for notation of security interest.** The assignee shall complete an application for notation of a security interest on the form provided by the department. **400.10(3) Submission of documents to county treasurer.** The certificate of title, application for notation of security interest and appropriate notation fee shall be submitted to the county treasurer of the county where the certificate of title was issued.

*a.* The county treasurer shall not be required to cancel the security interest previously noted and shall note the security interest of the assignee in the second security interest portion of the face of the certificate of title, or on a subsequent security interest form if the security interest that has been assigned is a second security interest.

*b.* In the event there are additional security interests noted on the certificate of title, the seniority of the assignee’s security interest may be preserved by issuance of a certificate of title in lieu of the original, on which the assignee’s security interest shall be noted in the same seniority as the assignor’s.

*c.* In either event, a receipt for notation of security interest form shall be processed and the new receipt number shall be listed in the appropriate space provided. The original notation date shall also be listed and the words “by assignment” shall be listed following the name of the assignee.

This rule is intended to implement Iowa Code section 321.50.

**761—400.11(321) Sheriff’s levy noted as a security interest.** A sheriff’s levy may be noted as a security interest on a certificate of title if the sheriff so desires.

Form 411046, “Application for Notation of Security Interest,” shall be completed and shall be signed by the sheriff or the sheriff’s deputy in the space where the signature of the owner is ordinarily required. The signature of the owner shall not be required. The appropriate notation fee shall be submitted with the application form to the county treasurer of the county where the certificate of title was issued. If the certificate of title is not surrendered with the application, the county treasurer shall notify the holder of the certificate of title in the manner prescribed in Iowa Code section 321.50.

This rule is intended to implement Iowa Code section 321.50.

**761—400.12(321) Duplicate certificate of title.**

**400.12(1)** When a certificate of title is lost, destroyed or altered, the owner or lienholder shall apply for a duplicate certificate of title. If a security interest noted on the certificate of title was released by the secured party on a separate form, but the secured party has not delivered the original certificate of title to the appropriate party, the owner may apply for a duplicate certificate of title as provided in Iowa Code section 321.42.

**400.12(2)** Application for a duplicate certificate of title shall be made on Form 411033, Application for Duplicate of Iowa Certificate of Title to a Motor Vehicle. All owners of the vehicle as listed on the certificate of title shall sign the application form. If an owner is deceased, the signatures and documents specified in subrules 400.14(4) and 400.14(5) shall be required in lieu of the deceased owner's signature. A person entitled to vehicle ownership under the laws of descent and distribution shall sign the required forms and shall insert the words "heir at law" following the signature.

This rule is intended to implement Iowa Code section 321.42.

**761—400.13(321) Bond required before title issued.** If an applicant for a certificate of title cannot provide the supporting documents required in rule 400.4(321), the following shall apply:

**400.13(1) Application.** Form 411008, "Application for Registration and Certificate of Title for a Vehicle upon which the County Treasurer or Department of Transportation is not Satisfied as to the Ownership Thereof," shall be completed by the applicant and submitted to the department.

**400.13(2) Exhibits.** The following exhibits shall be submitted with the application:

- a. A photograph of the vehicle which shows the front and one side of the vehicle.
- b. The written ownership document received at the time the vehicle was acquired.
- c. A pencil tracing of the vehicle identification number. If the vehicle identification number is missing or has been defaced or altered, the applicant shall complete and submit Form 411041, "Application for Assigned Vehicle Identification Number Plate."

**400.13(3) Examination.**

a. After a properly completed application and the required exhibits have been submitted, the department shall search the state files to determine if there is an owner of record for the vehicle and if the vehicle has been reported stolen or embezzled.

b. If a record is found, the department shall notify by first-class mail the owner of record, at the owner's last-known address, that an application for a bonded certificate of title has been received. The notice shall also state that the owner of record may assert the owner's right to claim the vehicle or to waive any further claim. If the department receives no response from the owner of record within ten days after the date of mailing or receives a waiver of further claim to the vehicle, the department will continue processing the bond application.

c. If a record of a junking certificate is found, the applicant may request reinstatement of the certificate of title to the vehicle if the junking certificate was issued in error, as explained in rule 400.23(321). If the department determines that the vehicle was not junked in error and denies the request, the applicant may complete application for a certificate of title by submitting a copy of the denial letter, resubmitting Form 411008 with the required exhibits, and filing the required bond.

**400.13(4) Approval.**

a. If the department determines that the applicant has complied with this rule, that there is sufficient evidence to indicate that the applicant is the rightful owner, and that there is no known unsatisfied security interest, the department shall:

- (1) Determine the current value of the vehicle.
- (2) Notify the applicant to deposit cash or file a surety bond with the department in an amount equal to one and one-half times the current value of the vehicle.

b. After the cash deposit or surety bond has been received, the department shall:

- (1) If applicable, affix an assigned identification number plate to the vehicle.

(2) Notify the county treasurer in writing that a certificate of title and registration receipt may be issued for the vehicle.

*c.* Rescinded, effective 3/6/85.

*d.* The applicant shall submit to the county treasurer a completed Form 411007, "Application for Certificate of Title and/or Registration for a Vehicle."

*e.* The applicant shall submit to the county treasurer an odometer statement completed by the seller; if the seller cannot be located, Form 411099, "Odometer Certification and Statement of Fact," shall be submitted in accordance with rule 400.52(321).

*f.* The county treasurer shall then issue a certificate of title and registration receipt for the vehicle upon payment of the appropriate fees.

**400.13(5) *Disapproval.*** If the department determines that the applicant has not complied with this rule, that there is sufficient evidence to indicate that the applicant may not be the rightful owner, that there is an unsatisfied security interest, or that the owner of record asserts a claim for the vehicle, then the department shall not authorize issuance of a certificate of title or registration receipt and shall notify the applicant in writing of the reason(s).

This rule is intended to implement Iowa Code sections 321.24 and 321.52.

**761—400.14(321) Transfer of ownership.** The following procedures shall apply for all titling and registration purposes:

**400.14(1) *Transfer of vehicle owned by more than one person.***

*a.* If the names of the owners of a vehicle on the certificate of title or on the manufacturer's certificate of origin are joined by the word "or," as in "John Doe or Mary Doe," then the signature of either owner is sufficient to transfer title or to junk the vehicle.

*b.* If ownership of a vehicle is stated as a name or names followed by the words "Doing Business As" or the initials "DBA" and another name, only the name of an owner followed by the signature of an authorized representative of an owner is required to transfer title or to junk the vehicle.

EXAMPLE: Ownership is stated as "John Smith and Mary Smith DBA Smith Repair." Jane Doe is an authorized representative of John Smith and Mary Smith. To transfer ownership, Jane Doe may sign as "John Smith and Mary Smith DBA Smith Repair, by Jane Doe," "John Smith and Mary Smith by Jane Doe," or Smith Repair by Jane Doe."

*c.* In all other cases the signature of each named owner is required.

**400.14(2) *Assignment of title to two or more persons.*** If a certificate of title or a manufacturer's certificate of origin is assigned to two or more persons with their names joined by the word "or," as in "John Doe or Mary Doe," then a certificate of title may be issued to either person or to both persons with their names joined by the word "or." However, a certificate of title shall only be issued to persons who have signed the application for title.

**400.14(3) *Organizational ownership.*** When a vehicle is owned by a partnership, corporation, association, governmental unit, or private organization, the name of the owner and the signature of its authorized representative shall be required.

**400.14(4) *Death with a will.*** When ownership is transferred according to a decedent's will, a certified copy of the court order or the letter of appointment appointing the person assigning the title as executor of the will shall be required.

**400.14(5) *Death without a will.*** When ownership is transferred from a decedent without a will and there is no administration of the estate, a certificate of death intestate form signed by the clerk of court shall be required. When ownership is transferred from a decedent without a will but there is an administration of the estate, a copy of the court order or the letter of appointment appointing the person assigning the title as administrator shall be required.

**400.14(6)** *Power of attorney.* An attorney in fact may act for the owner(s) if the appointment is shown on a power of attorney form. Power of attorney forms are available from the department but other forms may be accepted if they contain all necessary information. The power of attorney form or a certified true copy shall be kept by the county treasurer and attached to the document to which it applies.

This rule is intended to implement Iowa Code sections 321.45, 321.49, and 321.67.

**761—400.15(321) Cancellation of a certificate of title.** The department shall cancel a certificate of title when authorized by any other provision of law or when it has reasonable grounds to believe that the title has not been surrendered to the county treasurer as provided in Iowa Code section 321.52 or that the vehicle has been stolen or embezzled from the rightful owner or seized under the provisions of Iowa Code section 321.84, and the person holding the certificate of title, purportedly issued for the vehicle, has no immediate right to possession of the vehicle.

This rule is intended to implement Iowa Code section 321.101.
